Third Stolen Vehicle Reported This Month

Two more cars were reported stolen in Chelsea this month, which brings the total to three. The unusual part of the thefts was that the owners had left their keys in the cars, according to police reports.

Earlier this month a 1966 Buick Riviera owned by Wallace Fuslier of Dexter was reported stolen. It has not yet been recovered.

On Monday, March 5, a 1978 Ford Courier pick-up owned by Michael Neibauer of Boyce Rd., was reported stolen from the Chelsea Lanes parking lot. Neibauer reported that he had parked the truck at 6 p.m. and when he returned at 10:30 p.m. the truck was gone. He said that he had left the keys in it.

On Sunday, March 11, a 1970 Dodge Dart owned by Robert Harter was also reported stolen from the Chelsea Lanes parking lot. Harter found it missing around 9:30 p.m. He had also left his keys in the ignition.

Harter's car was recovered when the Chelsea Police Department received word that it had been involved in an accident on Loveland Rd. in Jackson county. The car had been run into a tree and the driver had fled the scene. According to police reports, the driver was apparently injured, as blood was found on the dashboard. The car was towed and impounded for the owner.

Chief George Meranuck feels there might not have been any thefts if the owners had removed their keys. He urges that in the future all keys be removed and all car doors locked.

Two Volleyballers Earn SEC Honors

For the first time in three years the Chelsea girls volleyball team has placed a player on the All-Conference team. Not content with a single selection, this year's team garnered two. Both Michelle Sarchbach, a senior, and Kelly Hense, a sophomore, placed on the team as Honorable Mention selections.

"These selections mean a great deal to our team and program," said Coach Walter Keppler. "It means we are finally being recognized by the other teams' coaches as beginning to improve ourselves in the league. Finishing in sixth place, two positions higher than the last two seasons, is a definite sign of our improvement. One," he added, "that will hopefully continue."

As in recent years, Saline, South

Lyon and Brighton dominated the team selections. First team consisted of Kari Keniston (Saline), Sue Newton (Brighton), Sue Biel (Novi), Kristi Maynard (Milan), Toni Elsingher (South Lyon), and Linda Williamson (Brighton). Keniston and Newton were also named to the All-State team.

Second team is Sue O'Neil (South Lyon), Carol Ann Homad (Brighton), Cheryl Dunny (Saline), Dawn Andrew (Dexter), Fran Lellis (South Lyon), and Helen McDonald (Dexter).

Awarded Honorable Mention were Tami Maloka (Saline), Denise Mercier (Milan), Michelle Sarchbach (Chelsea), Kelly Hense (Chelsea), Sheri Alexander (Novi), and Judy Collar (Milan).

EILEEN STAPISH, a Chelsea High school senior, is the 1978 winner of the Interior Decorating class contest to plan the interior of this year's CHS "Building Trades" house, according to Robert Merkel who judged the entries. Both Merkel and Mrs. Ann O'Hagan, instructor of the class, felt that this year's entries were outstanding, making the final decision a difficult one. Eileen's ideas for the

house, chosen from samples furnished by Merkel's, included wall colors, carpet, vinyl tile, and counter tops throughout. Her selections will be used to decorate the house now being constructed by Mark Kerwin's class. Runners-up in the contest are Radline Cheever, Karen Popovich, and Robin Hoover. Eileen is the daughter of Mr. and Mrs. Charles Stapish of 18500 Cavanaugh Lake Rd.

SUPERIOR ORCHESTRA: A "I" (Superior) rating was awarded to these musicians of the Chelsea High school orchestra by judges at the District 12 Michigan School Band and Orchestra Association Festival Saturday, March 10. They are, first row, left to right, Randy Graves, Teresa Degener, Paula Beaudoin, Brian Kruger, Shari Weber, Mary Kay Poljan; second row, left to right, Chris Kvarnberg, Brian Koepele, Jenny Clark, Chris Hall, Molly

Feeney, Michele Clark, Margie Peterson, Drew Sprague, Steve Stoddard; third row, left to right, Lori Van Riper, Mike Waldyke, Chris Johnson, Melanie Schneider, Katie Ullman, Shannon Culver, Jenny Wellnitz, Laura Hines, Julie Botsford, Debbie Koepele; fourth row, from left, Andres Holter, Kurt Walworth, Sue Cobb, Sara Merkel, Paul Schumann, Pat Powers, Eric Wiedmayer, Joan Bort, Doug Inglis, and Conductor Karey Johnson.

CHS Orchestra Rated at Top

The Chelsea High school Orchestra can certainly blow its own horn. In only its second year of existence, the orchestra earned the highest possible rating of I at last Saturday's judging competition for District 12. The competition was sponsored by the Michigan Schools Band and Orchestra Association.

This rating entitles the musicians to travel to a state competition in April. The outstanding finish prompted their conductor, Karey Johnson, to comment, "I was extremely proud of the students on Saturday. The orchestra played with fine spirit and character. I am anxious to watch this program grow as it continues to set a fine tradition for music in Chelsea."

Miss Johnson also pointed out that Chelsea's was the only Class B-sized school orchestra attending the event. This adds more luster to their achievement. Typical of the reaction to the orchestra was the praise from Maurice Riley, the sight-reading judge: "This orchestra has tremendous potential and demonstrates the results of fine training. Your school and community are to be congratulated for supporting a fine string program. Best wishes."

One judge said, "So fine to see Chelsea coming forward, congratu-

lations. This string orchestra is functioning 100 percent (within the abilities of the individual players) and this is great to see, and most encouraging. You're certainly headed in the right direction."

Philip Mason, a judge, also commented on the performance of

High School Athletes Honored at Winter Sports Banquet Tuesday

Chelsea High school's 1978 Winter Sports Banquet was held Tuesday, March 13. 450 persons, including school athletes, parents, friends and respective coaches gathered for a pot-luck dinner and awards presentations.

So many awards were presented this year the winter athletes were divided into two groups to speed up presentations. One group consisted of all the cheerleaders and three basketball teams and the other the volleyball, swim, wrestling and girls' drill teams.

Phil Bareis, athletic director and co-ordinator of the banquet, said the event went well and was over by 8:30 p.m.

Special awards were given to Charlie Bridges, a second-year varsity basketball player for most valuable and to John Dunn, first-year, for most improved. Pins were presented to all second-year players, Jesse Coburn, Gary Dils, Matt Feeney, and Mike Machesky. Varsity letters were presented to all first-year players, Jeff Dils, Brad Knickerbocker, Mike Killelea, and Don Schrottenboer. The team was managed by John Nelson and coached by Robin Raymond.

Coach Jon Schaffner's junior varsity team was presented with junior varsity letters. They are listed as follows: Eric Headrick, Sean Peterson, Carl Schwarze, Carl Simpson, Mike Wade, Jeff Price, Mike Lazarz, Ken Hopkins, Mark Steinaway, Chris Heaton, Karl Albrecht, Chris Tobin, and Jeff Bares.

Freshman basketball players, coached by Jim Tallman, each received numerals. The team consists of Mike Bareis, Ross Murphy, Bob Trevino, Dave Peterson, Sam Coomes, John Welton, Jeff Rowe, Dave Stevens, Geoff Shaw, Doug Henson, Darrow Keizer, Toby Boyd, Gary VanMeer, Todd Sprague, and Darien Pierson.

Varsity basketball cheerleaders were coached by Mrs. Helen Bares this year. Special plaques went to Cindy Bares, Carrie Lane, and Valisa Pletcher. Receiving varsity letters were Chris Check, Pris Drew, Eileen Musolf, Amanda Schwarze, and Teek Villemure.

Junior varsity basketball cheerleaders, coached by Miss Bev Martin, received junior varsity letters. Honored were Beth Bush, Amy Check, Kathy Brown, Nancy Heller, Angie Inglis, Deanna Ramey, and Marcia Warren.

Also coached by Miss Martin and receiving awards were the freshman basketball cheerleaders, Dani Bohl, Debbie Kamyszek, Laurie Volta, Connie Dault, and Marleen Williams.

Varsity wrestler seniors were presented with special plaques. They were Chuck Young, Tony

Wisnewski, Tom Bareis, Bart Bauer, John Whitaker, Alan Augustine, and Tim Bareis. Honored with varsity letters were, Eric Gaken, Jim Cobb, Jeff Osentoski, Craig Sturgen, Tim Pennington, Steve Grau, Brian Cooper, Rick Poljan, and John Preston. Special awards went to Jim Cobb and Alan Augustine for most improved players and to Chuck Young for most valuable player. Coaching for both the varsity and junior varsity teams this season was Richard Bares.

Junior varsity wrestlers receiving letters were Doug Brady, Andy Bulick, Dave Harrison, Jeff Klink, Ray Williams and Tim Whitesall. Honored with numerals and certificates were Greg Ackley, Mark Bulick, Andy Castle, Jeff Cox, Richard Gaul, Bill Lamb, Troy Schiller, Bob Schleede, Steve Snyder, and Leon Walworth.

Scott Prohaska received a special trophy for his third year on the varsity swim team. Pins went to second year varsity members, Henri vanderWaard, Charles Wiesner, Kirk Myers, Todd Oner, Doug Pichlik, Tom Gaunt, Phil Hoffman and Mike Mason. Varsity letters

Forensics Team Chosen For District Competition

Two-hundred local students met recently in the Chelsea High School auditorium to vie for places on the team representing Chelsea in the District Forensics Meet.

The finals were judged by the assistant director of Forensics at Eastern Michigan University.

The winners will compete Tuesday, April 3 at Saline High school against teams from Ann Arbor Green Hills, Ann Arbor Huron, Ann Arbor Pioneer, Saline High school and Whitmore Lake High school.

Earning spots on the team in various categories were:

Humorous reading: Arnel Minix, first; John Whitaker, second. Storytelling: Mary Stoll, first; Kelly Headrick, second.

Informative speaking: Scott Prohaska, first; Dawn Connell, second. Multiple reading: Gary Dils, Michael Benedict, Koleite Rinehart.

Oral reading: Jim Cobb and Marv Bort, first; Dan Alber, Steve

Shawn Pierson, Dave Mason, John Robbins, Paul Schumann, and Craig Wirtz. The swim team was coached by Larry Reed this season.

Varsity volleyball plaques were presented to Alison Hovater, Michelle Sarchbach, and Veronica Sarterthwaite. Special awards went to Marie Klink for most improved player and to Michelle Sarchbach for most valuable. Receiving varsity letters were Cindy Gerstler, Kelly Hense, Marie Klink, Krystin Steinhauer, and Cristi Thomsen.

Receiving letters for junior varsity volleyball were Diane Bare's, Gail Boote, Jennice Hoffman, Karen Kiel, Sharon Kropf, Sally Matthews, Sharon Parsons, Patti Rawson, Tami Schulze, Angela Richardson, Gina Van Riper, and Sandy Bushway. Both teams were coached by Walt Keppler.

The girls' drill team was advised by Cathy Bennett and the following girls were honored with certificates, Annie Umstead, Margaret Lewis, Annette Kuhl, Michelle Umstead, Karen Dault, Terri Neff, Darla Walz, Tracy Buntin, Christy Fahrner, and Kim Gauthier.

Bulldog Cage Season Ends in District Finals

Chelsea Bulldogs were victorious in the second game of the District Tournament at Willow Run, Thursday, March 8, defeating South Lyon, 48-46.

"South Lyon was really fired up," Coach Robin Raymond said. South Lyon controlled the game the first three and one-half quarters, but Chelsea strength came through for the win and advancement to the championship game Saturday, March 10.

The lead teetered throughout the game, but Chelsea outscored South Lyon by seven points in the last quarter. Jeff Dils led the scoring with 12 points, sinking three 17-foot jump shots in the final two minutes of the game. John Dunn and Charlie Bridges each scored eight points; Mike Machesky, seven; Don Schrottenboer, six; Jesse Coburn, four; and Matt Feeney, three.

Shooting from the floor, Chelsea made 19 of 47 for a 40 percent success rate, to South Lyon's 37 percent mark. South Lyon out-rebounded Chelsea, 36 to 29, with Schrottenboer capturing nine and Bridges eight.

Coach Robin Raymond knew he was facing a good team and there were two keys the Bulldogs had to have to win—shooting and rebounding. If Chelsea could do well in those two areas, they stood a chance of defeating Willow Run in the Saturday, March 10 championship game of the Class B District Tournament.

Chelsea was nervous the first half, scoring only 14 points while the Flyers racked up 43. They settled down the second half and played better basketball for a final score of 51 to 88 in favor of Willow Run.

Shooting from the floor, Chelsea had 22 of 70 for 31 percent. Willow Run had 33 of 70 for 43 percent. In free throws Chelsea had 7 of 16 for 43 percent while Willow Run had 22 of 38 for 58 percent. Willow Run out-rebounded Chelsea, 47 to 20. Jesse Coburn led the Chelsea team with 5 rebounds, Mike Killelea 4, John Dunn 4, and Karl Albrecht 3.

Jeff Dils and Charlie Bridges tied for top scoring with 13 points each. John Dunn and Jesse Coburn followed with 8 points each, Mike Killelea had 3, Karl Albrecht, 2, Brad Knickerbocker, 2, and Sean Peterson 2.

Willow Run was off to a running start with the first basket, scoring 9 points in a row for an 11 to 2 lead, and kept right on scoring. This season Chelsea stood 14 and 9 in the SEC, which was an improvement over last year's 12 and 11 record. This is the second year in succession they have gone to the District Finals.

This was the last game for five seniors, Jesse Coburn, Charlie Bridges, Mike Machesky, Matt Feeney and Gary Dils.

Only 59 Vote In Monday's Village Election

Chelsea annual village elections were held Monday, March 12 at Sylvan Township Hall. All candidates ran unopposed for the expired terms of village clerk, three village trustees, and two Library Board trustees.

Out of 1,236 registered voters in Chelsea, only 59 votes were cast. Clerk Thomas J. Neumeyer was re-elected with 59 votes.

One of the three two-year trustee seats went to John Popovich with 57 votes. Popovich was the only candidate who was not an incumbent. He was elected to fill the expired term of Jack Patrick who decided not to run this term. Patrick was appointed mid-year to fill the resignation of Diane Borton.

The other trustee seats were filled by incumbents Michael Sweet, 52 votes and Lyle Christwell, 51 votes. Re-elected to the Library board were William Chandler, 54 votes and Jean Eaton, 53 votes. All of the candidates belong to the Independent Party.

7th, 8th Grade Bands Rated II at Festival

Beach Middle school 7th and 8th grade bands, under the direction of Warren Mayer, returned from District Festival at Plymouth Central Middle school Saturday, March 10 with over-all division II ratings.

7th graders received a I and two II's in concert and a I in sight reading for an over-all II rating. 8th graders received straight II's in both concert and sight reading for a division II rating.

Mayer said the bands performed well and the judges made many comments concerning the musicianship of Beach Middle school bands.

Girls Track Team Begins Work-Outs

Chelsea High School girls track team is hard at work preparing for their upcoming season. There are currently approximately 30 girls running with the team. Seniors Sue Heller and Cheryl Bares and juniors Theresa Hoffman, Debbie Honbaum and Laurie Hastings provide experienced leadership for the squad as they prepare for a 15-meet season which has the Chelsea Relays on Saturday, April 21 as one of its highlights. The relays are a 12-team meet featuring some of the area's better teams. The team works out daily for about two hours after school.

Any high school girl interested in taking part is invited to see Coach Bill Bainton.

School Board Petitions Due By April 9

One seat on the Chelsea Board of Education will be vacated as Board President Martin H. Tobin has announced he will not seek re-election when his four-year term expires this year.

The annual School Board election will be held on June 11. Prospective candidates for the vacancy must file his or her nominating petitions with the School Board Secretary by 4 p.m. April 9. Petitions will be received at the central board office located in the administration building at Chelsea High school.

Candidates are required to have a total of 20 signatures on their nominating petitions. Those signing the petition may reside in any township within the Chelsea School District; however, in accordance with state law candidates must circulate separate petitions in each township rather than combine names from various townships on a single petition.

Need Permit For Outdoor Burning

Outdoor burning is particularly hazardous at this time of year. Persons burning outdoors should be aware of the dry conditions and be sure to obtain a burning permit. Chelsea firemen have already been called to one grass fire at the edge of town, Tuesday, March 13.

Chelsea Fire Chief Jim Gaken reminds residents that no burning is allowed inside the village limits. There is a \$25 fine for those who break this ordinance.

Permits for burning outside the village may be obtained by calling Chief Gaken at home or at the Chelsea Milling Co. The permits are necessary to keep the fire department from answering unnecessary calls when burnings are sighted and reported by someone.

Starting Plans for 10-Year Reunion

Immunization Program Starts

A crash program aimed at immunizing all children by next year has been instituted by the State Department of Public Health as recent figures revealed an estimated 40 percent of the state's school children need at least one dose of vaccine to be protected against six major communicable diseases.
Public health and education officials say apathy and timidity led to the high percentage of students needing shots.
They indicated they want to correct the situation before the next measles epidemic period—due in 1980-81 based on historic cycles.
Besides measles and rubella vaccinations will be provided for whooping cough, diphtheria, tetanus and polio.

Health officials noted that despite state law requiring children entering school to have vaccinations against those diseases, local and state officials have allowed the program to lag to a point where Michigan accounts for 30 percent of the national incidence of measles and 19 percent of rubella.
"Apathy on the part of parents, on the part of local and state public health people and on the part of schools contributed to the situation. We just sort of let things go. But we're not going to let kids in school until they have the shots," said state Public Health Director Maurice Reizen.
The goal is for children to be barred from school until they have started a schedule of vaccination shots that would lead to the completion of the immunization process by February of next year.
State law requires the shots of children entering school, but the crash program will encompass students in all grades.
John W. Porter, Superintendent

of Public Instruction, urged all schools to co-operate in the project. He added that the law may have to be clarified to settle the state's authority to require immunizations for students at all levels. Exemptions are permitted for religious or medical reasons.
The program will begin with a survey to identify the children who are short of the minimum immunization shots.
Reizen said he hopes thousands of volunteers will work with schools in the survey project. He further noted that medical and osteopathic societies are being contacted to seek patient records and to participate in the immunization effort.
The minimum shots are three for diphtheria-tetanus-pertussis, three for polio, one for measles and one for rubella.

Possible Aid Coming On Utility Bills

Consumers opposed to proposed utility rate increases could get funding to bring their case to the Public Service Commission under new legislation.
The measure supported by Sen. John Hertel (D-Harper Woods) and supported by the Michigan Citizens' Lobby, would create a consumer intervenor fund which would be used by consumer groups or local governments that want to intervene before the PSC in utility rate cases.
The fund would be supported by an annual contribution of 24 cents by customers of regulated utilities, raising a total of \$1.5 to \$2 million.
Hertel said the funds generated by the bill would help consumers intervene in rate cases and improve the quality of intervention by giving attorneys and other experts the money needed to collect evidence.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ed Doolittle told the fellers at the country store Saturday night that the more he reads these days the confuser he gets. In his early years, Ed said, he thought the people run this country, but pretty quick he decided Henry Ford was in the driver's seat. After that came a period when the Federal Government was in charge, especial during the big war. Lately, Ed figured that nothing happened till the insurance companies wanted it to, but now he has decided that the poll has took over. No action is taken, Ed declared, unless it is "according to a recent major poll."
Polls are used like crystal balls, Ed said, and they come out right enough to keep everybody worried about the next one. A politician takes a poll to find out if he ought to run, then he takes one to figure his chances of winning. If he wins he keeps right on betting on the polls to let him know which way to lean on what issue. A heap of Congressmen, Ed went on, make up their own polls filled with loaded questions for the folks back home to tell him to do what he was going to do anyhow. As far as Government leadership goes, declared Ed, we might as well switch the controls to automatic and hope for the best.
General speaking, the fellers shared Ed's concern, but for different reasons. Clem Webster was of a mind that everybody is using polls as a crutch. To say we can do something or we can't, depending on what the poll said about it, Clem allowed, is about as convincing as saying we might as well not do it because we might

change our minds later and wish we hadn't. But so many folks follow the polls to be sure they're doing what everybody else is doing, no matter what it is, Clem declared, that we can't put much belief in the poll no matter how you slice it.
What Bug Hookum wanted to know was what came first, the poll or the public opinion? He said that to his way of thinking we got the cart before the horse. For instant, Bug saw where the U. S. Commerce Department had paid \$85,000 for a study of fish and their names. After taking a poll of folks who eat fish and what kind they eat the finding was that whoever said a rose by any name smells as sweet was wrong. People eat fish that have names they like, the study showed, and they steer clear of fish with names like rattail, gag and barred grunt. Bug said we need to know which came first, the fish's name or its taste. Somebody back yonder named a gag a gag, Bug allowed, and there's a good chance he had gathered evidence that a gag cleaned and fried and called delicious would still turn your stomach.
Personal, Mister Editor, I side with Bug. Mostly polls is a case of pooling our ignorance, and it explains why the more we know the less we learn. We have come to a sad state when we get up in the morning and turn on the TV to be told about weather we could step outside and see for ourselves. We let our lives get run like that. We don't know what we think until somebody we think ought to know tells us.
Yours truly,
Uncle Lew.

Letters to the Editor

Taxpayers of Lima Township: I have processed and mailed the 1978 tax assessments for Lima township. As I stated in my campaign, I cannot stop higher taxation, I can only promise equal taxation within the township.
Before making any new assessments on the tax roll for 1979, I spent a lot of time reviewing the present roll and setting up the guidelines for the new assessments. I feel I have equalized the present roll to the very best of my ability and knowledge of the present parcels and buildings within the township. Much more time is needed and will be spent by me to completely review all the present field cards, along with measuring and completing field cards for the new construction.
Please note the date and time for the 1979 Board of Review and/or feel free to contact me regarding your assessment or any like parcels you may want to review; all records are open for public review. I regret that at present, my time is limited as I am employed full-time along with the job of being supervisor-assessor for Lima township.
The following are Public Acts you may be able to take advantage of in an attempt to keep tax down. If you would like more information, feel free to contact me at the Board of Review or at some other appointed time and I will provide you with the Acts and/or review them with you.
There are at least five ways of "reducing the assessment on your land. The Farmland and Open Space Act (116) provides three of these ways. Your commitment is to not develop your land for at least 10 years.
1. You can enter into a Farm-land Agreement with the State if

you have at least 40 acres of land or meet other requirements.
2. You can enter into a State Open Space Agreement with the State if you have at least 15 acres or meet other criteria such as being designated as a national historic district.
3. You can enter into a Local Open Space Agreement. The Lima Township Board is permitted by law, to designate property as open space.
4. You can enter into a private forest reserve if at least half your land farmed, you can put up to 25 percent of your land into a private forest reserve.
5. Up to 100 percent of your land can be classified as a commercial forest reserve. Land thus classified must be used only for the growing of timber.
6. P.A. 25 prohibits the assessor from considering expenditures for normal repairs, replacement and maintenance in determining assessments.
I appreciate the co-operation I have received from the taxpayers of Lima Township while preparing the 1979 assessment roll.
Sincerely,
Lella C. Bauer,
Lima Township Supervisor

"My company cancelled my retirement plan, but thanks to Great Lakes Federal I'll be able to retire in fifteen years with \$593,036 plus Social Security."

That's right, John Tracy will have \$593,036 when he retires in 15 years. He was able to "Roll over" the \$165,508 that had accumulated in his company plan into a tax deferred IRA retirement plan at Great Lakes Federal Savings. In addition he will put \$1,500 each year in an IRA plan until he retires in 15 years. With current interest of 8% per annum, 8.30% effective annual rate, his deposits will amount to \$45,180 and his \$165,508 will have grown to \$547,856 giving him a total of \$593,036.

You too can open an IRA tax deferred retirement account at Great Lakes Federal if your company should cancel your plan or if your company does not offer a tax deferred plan. You can deposit 15% of your earned income, up to a maximum of \$1,500, each year in your IRA account. You pay no income tax on these deposits until you begin making withdrawals after age 59½. And at this time your income tax rate probably will be considerably less. With the tax break you not only accumulate more, but you reduce your current income tax payments. And your money is insured to \$100,000.

With your account you receive a Retirement Account card which you can use when making deposits to your account and which entitles you to Travelers Checks and Money Orders free of charge. At the end of March, June, September and December you receive a detailed statement which describes each deposit to your account.

YOU STILL HAVE TIME TO CUT YOUR 1978 INCOME TAX

That's right. You can open a 1978 IRA account or add funds to your present IRA account, up to your maximum for 1978 until April 15, 1979.

Federal regulations require a substantial interest penalty for early withdrawals.

The name and profession of the person in this ad is fictitious and solely an example of the benefits of a retirement account at Great Lakes Federal Savings.

If you contributed \$1,500 each year to an IRA account earning 8% annual interest, compounded monthly, you would have

No. of Years	Total Deposit	Total Earnings	Total Retirement Funds
5	\$ 7,500	\$ 2,089	\$ 9,589
10	15,000	8,881	23,881
15	22,500	22,880	45,380
20	30,000	46,922	76,922
25	37,500	86,729	124,229

VFW Auxiliary Given Report on District Meeting

The regular monthly session of VFW Auxiliary was held Monday evening, March 12, with 12 members in attendance. Bethel Packard of Plymouth was recommended and elected to membership in the local group and will be initiated at the April meeting.

Reports were given by Lucy Platt and Eulahlee Packard on the Feb. 18, district convention held in Mason. Elizabeth Smith requested lap robes for the Veteran patients at Ypsilanti State Hospital, the local organization already being in the process of making them. Gertrude O'Dell also attended the sixth district meeting along with the group reporting. Elizabeth Smith reported on the Friday morning coffee hours. A report was given on the monthly pot-luck suppers, and it was decided to discontinue holding them until fall, when they will once again be initiated as a regular monthly social gathering. Two dollars was allowed for the outgoing sixth district President's gift. Eulahlee Packard was appointed to contact, secure and have mounted the Auxiliaries Past President's pictures to be placed in the VFW Hall. The annual testimonial dinner and dance in honor of our 6th district president and commander will be held on March 31, at Erie, VFW No. 3925 Post home. As Mac Packard is the present commander, the local group would like a sizeable group from the local organization to attend. Reservations may be made until March 24, by contacting the chairman Helen Lynch, 3844 Leybourne Ave., Toledo, O. 43612. Cocktail hour will be at 6 p.m. and dinner at 7:30 p.m.

The auxiliary will hold an Easter bake sale Saturday, April 14, from 9 to 5, in the VFW hall. Contributions of baked goods will be graciously accepted and greatly appreciated. Sandi Ellenwood and Dorothy Lentz volunteered to act on a calling committee to remind the members.

Election of District Delegates and Alternate Delegates took place and are as follows: Delegates—Elizabeth Smith, Bessie Sharp, Eulahlee Packard, Gertrude O'Dell, Marien Johnson, Mary Erskine, and Darlene Cozans. Alternate Delegates — Dorothy Lentz, Sandi Ellenwood, Betty Clark, Virginia Shirmacher, Sally Heldt, Geraldine Klink and Norma Seyfried.

The president announced April 23, 7:30 p.m. in VFW Hall the annual chairmen's meeting to complete the yearly note-books, all chairmen are requested to complete their projects, and bring their notebooks up to date in preparation for the closing of their working year.

The next regular business meeting will be April 9 at 8 p.m. in the VFW Hall.

Children's Immunization Status Being Reviewed

Raymond E. Van Meer, superintendent of schools for the Chelsea School District, announced today that the records of all students in the Chelsea schools will be reviewed to determine the immunization status of all pupils. "The review of the immunization records of our students is part of a state-wide campaign to insure that all students attending public and non-public schools in our state have had the full series of vaccinations to prevent such diseases as measles, mumps, diphtheria and polio," Van Meer said. "The Michigan Department of Public Health reports that nearly one-third of all measles cases in the United States last year occurred in Michigan. Out of a total of 25,000 cases of measles in the U. S. last year, 3,000 occurred in Michigan. This means Michigan children had a risk of disease five times greater than the national average and that many children have not been fully immunized against this childhood disease." Superintendent Van Meer said the review of the immunization status of all students will be conducted in co-operation with the Washtenaw County Health Department. A special clinic will be held for children who need additional vaccine doses to protect them against childhood diseases. Van Meer said all major educational and health organizations in the state are co-operating in the program which has been initiated by the Michigan Department of Public Health and the Michigan Department of Education. State law requires all children attending public and non-public schools to be fully immunized.

Chelsea Hospital Child Care Center Has Openings

Children at the Chelsea Community Hospital's Child Care Center should enjoy the interesting activities planned for them in March.

The first week of March the theme will be Nighttime-Daytime. During this week the teachers and children will discuss the differences between night and day. Activities that happen during each part of a day will be explored. Information about stars, the sun and the moon will be shared with the children through stories, art projects and songs.

Many young children are afraid of nighttime and the dark. Besides learning facts about light and dark, the children will be encouraged to talk about their fears relating to darkness.

The second week of March, the topic will be community workers. The group will be discussing such workers as mailcarriers, doctors, grocers, builders, pilots, bus drivers, librarians, etc. A field trip to Polly's grocery store to observe people at work is planned. Through dramatic play the children will be pretending to be dancers, doctors, mail carriers, carpenters and grocers.

The following week the children will be studying health and safety. The importance of nutritious food, exercise and cleanliness in regards to health will be emphasized with the children. Songs about brushing teeth, exercising every day, and taking a bath will encourage the children to take an interest in healthy habits.

In discussing safety with the children, emphasis will be placed on traffic safety habits. What does red mean? Green? Through filmstrips and the use of the school's safety belt, the children will be encouraged to think about safety. A walk is being planned to cross the street at a traffic light. New words such as curb, shoulder and intersection will be explained to the children. Through games, songs and stories, safety rules will be learned by the children.

The last week in March the children will learn about spring. The wind will be discussed. How does it feel? What can it do? The children will make kites and fly them outside.

In celebration of spring the children will plant seeds and watch them grow. Rainstorms will also

be discussed. Where does the rain come from? How can you keep yourself dry? During walks outside, the children will observe the changes happening in spring.

There are still openings for full- or part-time children ages 2 1/2 through 7 at the center, which operates from 8:30 a.m. to 5:30 p.m., Monday through Friday. The center is located at St. Paul United Church of Christ, 14600 Old US-12 in Chelsea. For further information, please contact Corinne Gillan at 475-1920.

Scott Owings Initiated into CMU Honorary

Scott Owings, a junior from Chelsea, majoring in elementary education, was one of 148 students recently initiated into the Central Michigan University chapter of Phi Kappa Phi, a national scholastic society. A high academic standing is required for membership into the society. Scott is the son of Mr. and Mrs. Harold Owings, Jr., 43 Butternut Ct., Chelsea.

Phi Kappa Phi encompasses all academic disciplines but accepts only juniors and seniors. Each year the society sponsors a candidate for a national graduate scholarship in addition to awarding two undergraduate scholarships to CMU students.

Two CMU faculty members were awarded honorary memberships in the society. They were Dr. Dennis Monk, a member of the music faculty and Dr. Richard Parr, a member of the health education faculty.

Michelle Sarbach was voted Most Valuable Player by the varsity team. Although considered too short at 5'6" to be a spiker in the league, she led the team in kills.

The varsity team also voted Marie Klink the Most Improved Player of the season.

Most Valuable Player on the junior varsity was Gina Van Riper, with Sharon Kropf taking the Most Improved Player title.

REALTORS HOST LEGISLATORS: A delegation from the Ann Arbor Board of Realtors participated in the 1878 legislative conference held in Lansing last week by the Michigan Association of Realtors. Attending from the area were realtors Herman Knopp (left), legislative and political affairs chairman; and Oren Nelson of Whitmore Lake; Representative Mary Keith Ballantine; and Dave Gilles, vice-president of the Board of Realtors.

Working seminars were conducted in the areas of legislation, political affairs and the Realtors political action committee (RPAC). Following the seminar, more than 100 members of the Michigan Legislature were hosted at a get-acquainted reception in Lansing. Also attending from the area were Janice Caldwell, president; Richard Caldwell, Sylvia Barry, Jerry Klein, and Ronald Williams.

Seedlings Available for Conservation Plantings

Orders are now being accepted for tree and shrub seedlings by the Washtenaw County Soil Conservation District. The seedlings are available for a nominal cost to anyone who desires them.

Evergreen seedlings available from the District include: Austrian Pine, Red Pine, Scotch Pine, White Pine, Colorado Blue Spruce, Norway Spruce, White Spruce, and Douglas Fir.

Hardwood seedlings available are the fast growing Tulip Poplar and the Black Walnut. Black Walnut seeds may also be obtained.

Wildlife fruit-bearing shrubs include Multiflora Rose, Autumn Olive, and Silky Dogwood. Two types of Wildlife Packets are available. These include a variety of shrubs and evergreens.

District Director Robert Heller of Chelsea, related that the annual Tree and Shrub Program is part

of the District's effort to further conservation plantings. The seedlings are intended primarily for natural beauty, hedgerows, windbreaks, erosion control, wildlife habitat improvement and reforestation.

For further information and order forms please contact the Soil Conservation District office at 6101 Jackson Rd., Ann Arbor 48103, phone 761-8721. Office hours are from 8 a.m. to 4:30 p.m., Monday through Friday.

WCC Enrollment Increases 2% for Winter Semester

Student enrollments at Washtenaw Community College increased two percent this winter semester compared with winter 1978.

There are 6,728 students at WCC during the winter semester, according to James A. Jones, Dean of Student Services, in a report at the Board of Trustees meeting Tuesday, Feb. 28.

Students are taking fewer credit hours this semester, he pointed out, in reporting that total credit hours had decreased by two percent. This is a pattern, he said, being experienced by colleges throughout the country. Credit hours for the winter semester totaled 44,121. Credit hours in occupational programs increased 1.5 percent.

"Our statistics show that students take an average of 6.58 credit hours," Donald Sims, Registrar, said. "We believe this reflects a higher level of employment in the area. Also it appears that students are just taking more time to complete programs now than they did in past years."

Men outnumber women on campus; however, the percentage of women registered increased this semester by nearly six percent. Sims pointed out. There are 3,502 men and 3,226 women enrolled.

Workers 45 and over quit their jobs less than half as often as younger workers.

Senior Nutrition Program Advisory Council Elects

The Advisory Council of the Senior Nutrition Program, sponsored by the Washtenaw County Community Services Agency (CSA), has just elected officers for 1979. Frances Johnson was re-elected chairperson. Helen Bowditch is the new vice-chair, and Ruth Bernard will officiate as secretary.

From Miller Manor site, 727 Miller Ave., Ann Arbor: Holly Martin, Marnie Mosby, Gilbert Pitts, Eibel Scott, and Wesley Mason (alternate).

Representatives from the Whitmore Lake site, 5671 Whitmore Lake Rd., Ann Arbor, are: Heloise and Harvey Pohner.

Willow Run site, Willow Run Community Center, 2025 Clark Rd., Ypsilanti: Mary Hicks, Emory Huskins, Joyce Williams, and Pearl Patton (alternate).

Officials elected to represent the Ypsilanti Nutrition site, Metropolitan Baptist church, 431 Hawkins, Ypsilanti, are: Dave Crawford, Clarence Owens, John D. Tipton, and Sam Richardson (alternate).

Agency representatives elected are: Kathy Hallowell and Suzi Keiser from the Ann Arbor Rec-

reation Department, Ida Bertford and Gloria Terhune from Child & Family Services, Lois Ellwart from Community Mental Health, Susan Bittner and Sally Posthell from Legal Aid, and Jeanne Nabane from Project Transition.

From the Institute of Gerontology: Carol Hollenshead and Penny Hommel.

CSA Senior Nutrition Program staff representatives are: Nina Scheider, director; Vernice Christian, nutritionist; and Helen Courtwright, secretary.

Ruth Campbell now represents the Turner Geriatric Clinic and Helen Bowditch is representing the Visiting Nurses Association.

The Retired Senior Volunteer Program representative is Leslie Rinker. Ruth Bernard and Frances Johnson were elected from Volunteers-at-Large.

The Washtenaw Community College representative is Carla Mandell and Dr. David Steinicke was chosen from the Washtenaw County Council on Aging.

The U. S. Department of Labor Occupational Safety and Health Administration (OSHA) issues standards and rules for safe health full working conditions, tools, equipment, facilities and processes and conducts workplace inspections to assure that the standards are met.

OUR WHITE COLLAR WORKER

Rampy's Service Department has always been the best around. And it keeps getting better thanks to Dick Zaborowski, our Service Director. Dick has a talent for organization and efficiency which has resulted in improved service for all of our customers.

We've always had good mechanics in the service department. The best in the county according to some people. And with Dick's special knack of organization, he has re-routed paper work and improved systems to enable the men under the hood to get more work done.

For our customers, it means a significantly shorter wait to get the best service available. And for most of our customers, that's the prime concern... expert, efficient, quick service.

Oh, by the way, Dick is as ready to get his hands dirty as any one else in the service department. But with his special ability to carefully listen to you and channel your service needs to the right person — he doesn't have to very often.

Rampy doesn't just sell cars, he sells service.

TODAY'S INVESTOR

By Thomas E. O'Hara
 Q. I would like to suggest a column devoted to rank beginners, especially those in middle and later years. Many people are in the same position as my husband and myself: facing retirement in a few years (we are 68) but with Social Security and pensions so eroded by inflation, that they will not suffice.

We have never bought stock and do not have the faintest idea where to begin. We probably don't have enough cash to make significant investments on our own, but don't know how to contact Investment Clubs or judge their merit.

At present, we have about \$10,000 in cash savings, with \$2,200 in a passbook account at a Savings and Loan, and the rest in time certificates which begin to come due in 1982. It seems we ought to find some better return for our money than the interest earned presently.

Now, we realize that we should have given thought to building retirement income many years ago; we are encouraging our children to do this. But our problem remains: how to get started, even as late as this, doing something. It's a confusing, fascinating, furing, and dangerous jungle out there in the money market; where do we start?

A. I see hundreds of people who have this problem, and I wish I could give you an easy simple answer. There isn't a simple answer that I know of. But, the situation isn't hopeless either.

The first thing to do is sit down and figure out how much income you want at retirement. Then list what you are now sure you will have. This would include social security and any pension plan your employer may have. There are a lot of ways of getting the balance of the income you figure you need. They are dependent, of course, upon how much you save and what kind of return you earn on it.

There are an increasing number of professional sources for planning help. Alexandra Armstrong, a Certified Financial Planner, who writes regularly for Better Investing, is representative of this new source of help. Many brokerage firms have individuals like her with whom you can consult.

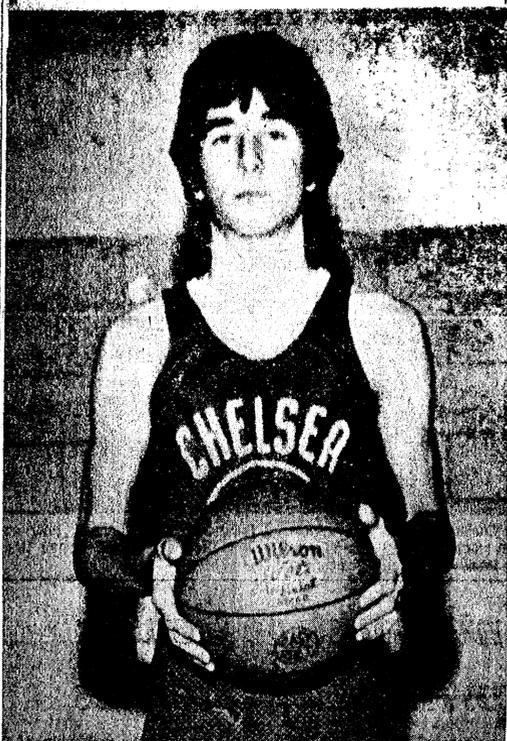

You will want to put some assets in fixed dollar investments and you'll want to put some in variable items like stocks where you have a chance for appreciation. Developing your own skill in selecting stocks which will be reasonably sound and yet offer appreciation takes time, and I don't know any better way to do it than in an Investment Club. However, if you are willing to spend a couple of nights a month in study, you can use the material clubs use yourself and learn a great deal.

If you do not trust your own judgment, there is a wide variety of mutual funds that you can use. The important thing is to decide on a plan of saving and accumulating and start on it now. At 68, you have seven years before normal retirement age. At 65, the average person still has 13 to 15 years. Saving just \$50 a month for 10 years, and earning 8 percent compounded annually, will give you \$14,502.64. With a little luck in the selection of good stocks, you might double that return. Start now, don't be asking the same question a year from now.

Mr. O'Hara welcomes your questions, but will answer them only through this column. Readers who send in questions on a general investment subject or on a corporation with broad investor interest and whose questions are used, will receive a complimentary year's subscription to the investment magazine, Better Investing. We would be pleased to send a complimentary copy of Better Investing Magazine or information about investment clubs to any reader requesting it. Send 50 cents for postage and write to Today's Investor, P. O. Box 270, Royal Oak 48068.

Cager of the Week

JEFF DILS (22), cited by his coach as a "floor leader," the 5'10", 130 lb. sophomore on the Chelsea varsity basketball squad has had an outstanding season including an honorable mention by the Spateastern Conference league. He is second on the team with an average of 11.2 points a game and first in assists with a total of 101, more than double that of any other player. "Dils runs the offense and does most ball handling. He has shown tremendous improvement on the floor this year and is a major factor in our successful season," Robin Raymond commented. Dils was about 8 years old when he started shooting the hoop and has been on a school team since 7th grade—always as a guard "because of my size," he explained. Looking back on the season, Dils remembers the Saline game in Chelsea as both the team's and his best. "That was parents' night and it was our last home game of the year. There was a good turnout and we defeated our rivals, 61-56." During that game Dils scored 16 points. "I felt as if I had control of the game that night and I could feel things going good for me," he commented. Dils is also a member of the baseball team although he is not certain whether he will play on varsity or junior varsity. He was positioned as quarterback on the JV football squad last fall. He is the son of Mr. and Mrs. Arthur Dils, 650 N. Main St.

Testimonial Banquet Slated For VFW District Officers

A testimonial banquet will be held at Erie VFW Post No. 3925 on March 31, 6:30 p.m. for Mac Packard, present VFW 6th District Commander and his auxiliary president, Mrs. Marvin (Lucille) Smith.

Mrs. Smith of Erie reigns over 29 VFW Auxiliaries in this district. Packard of Chelsea commands the 30 VFW Posts that make up the district.

The banquet will be held in appreciation for their time and efforts in promoting the VFW programs. Some of which are local community services, Americanism, volunteer hospital work, and legislation for Veterans affairs.

A program and dance will follow the dinner. Interested persons may make reservations by contacting the local Post Commander, Gary Speer of Orchard St., by March 20.

Forensics Team 5th in Plymouth Invitational Meet

Chelsea High School Forensics team walked away with a fifth-place finish in the Plymouth-Salem Invitational Tournament held in Plymouth Saturday, March 3.

The team of 60 students achieved their ranking in a group of 26 schools, mostly Class "A." In fact, Chelsea was the only Class "B" school that landed a top spot in the tournament.

Local students qualifying for the finals were Mary Stoll and Sara Conner, both in the story-telling competition.

Waterloo Interpretive Center Offering Spring Experiences

The spring season is just around the corner. Dramatic changes will soon take place outdoors. The silent, winter woods will soon be filled with the sounds of birds and other creatures. Buds will pop and flowers will bloom. The warm spring sun will make us all anxious for outdoor experiences.

In April and May the Waterloo Interpretive Center is emphasizing spring experiences. Special programs have been developed to help youngsters discover and enjoy the natural world during the spring season. The programs offered are as follows:

Life in a Bog: Tells the story of the formation and succession of Michigan's inland lakes. It includes a trip to a floating bog where the students will see insect-eating plants and orchids in season. Recommended for 9- to 12-year-olds.

Life in a Spring Pond: Tells the story of the ecology and aquatic life found in a spring pond. It includes a brief indoor introduction, and a collection trip on the spring pond nature trail. The children will learn the identification and life cycles of many aquatic plants and animals. Recommended for 9- to 12-year-olds.

Signs of Spring: An outdoor experience designed to explore the sights, sounds, and signs of the spring season. Special emphasis will be placed on wildflowers and spring wildlife activities. Can be useful both to see and hear. The Michigan Birds: Birds are beautiful both to see and hear. The children will learn about bird adaptation, nesting, migration, etc. The program concludes with a field trip to discover what birds may be found on the trails around the Interpretive Center. Recommended for 8- to 12-year-olds.

Spring Frogs: Offered in April only. This program introduces the children to the often heard but seldom seen spring frogs that sing

in wooded ponds and roadside ditches. Children will see and touch frogs and frog eggs, learn about the frog's life cycle, and learn to identify them by their voices. The program concludes with a field trip to the spring pond to listen to the frogs sing. Recommended for 4- to 8-year-olds.

Waterloo's Native Americans: Tells the story of the pre-historic Michigan Indians. The students will be able to see and handle native artifacts, learn how they were made and what they were used for. A field trip will introduce the students to some of the plants used by Michigan's Native Americans for food and other everyday uses. Recommended for 5- to 12-year-olds.

Michigan Geology: Introduces the students to the rocks common in the glacial till of Southern Michigan. The introduction stresses the role of rocks and minerals in our lives. Rock collecting as a hobby is also discovered. The program concludes with a walk on the geology trail to discover Michigan rocks in their natural environment. Recommended for 9- to 12-year-olds.

Managing a State Recreation Area: A bus tour of the Waterloo Recreation Area to answer such questions as: What makes good recreation land, how and why we must control visitor activities, what is being done to protect park wildlife, and improve wildlife habitat. Can accommodate a full bus load. Groups must provide their own bus. This tour lasts 2½ hours. Reservations must be made well in advance to insure sufficient blocks of time will be available. Only offered to those 14 years (7th grade) or older.

The majority of these programs are designed to last up to 90 minutes. Actual length will depend upon the age and attention span of the group. Each program will

JC Awards Banquet Scheduled March 29

If you're bored with "Mork and Mindy" re-runs and seek an unusual Thursday night's entertainment, it may be found at the Jaycees' Distinguished Service Award Dinner on March 29.

Performing at this year's banquet will be the Waterloo Senior Citizens Schoolhouse Kids, a group of about 20 musicians who range in age from 55 to an 87½-year-old trumpeter.

Spokesman for the group, James Blacklaw, is a lively Scotsman who creates a rapport with the audience through a comedy routine. He is the brother of Scotty Blacklaw of 113 McKinley St.

The band started playing just for fun about five years ago, but is now booked solid all year 'round. Some of the more notable establishments they've played include the Grand Hotel on Mackinac Island, the Kingsley Inn and the Old Mill Restaurant in Pontiac.

They've also entertained the Navy at Selfridge Base and played for politicians—the United Way, youth camps and retirement homes throughout Michigan.

All proceeds from Schoolhouse Kids' concerts go to support the Waterloo Senior Citizens Transportation Service, which the group began after raising funds to purchase two vans. The buses now provide door-to-door transportation for the elderly and disabled in the Waterloo area.

In other ways, too the Kids are not your ordinary group. When asked what the band's most unusual instrument was, spokesman Blacklaw paused slightly. "It would have to be a ciss-up between the saxophone made out of plumbing or the xylophone made from auto parts," he replied.

For ticket information contact Ken Beauchamp at 475-8517.

The Occupational Safety and Health Act of 1970 is designed "... to assure so far as possible every working man and woman in the Nation safe and healthful working conditions and to preserve our human resources."

REALTOR

FLEXIBLE MORTGAGE

There's a new type of mortgage loan on the horizon which would tailor the payment schedule to the borrower's needs and abilities. Instead of level payments for the life of the loan, payments could be smaller for one period and larger for another period depending on your future earning prospects.

Under the proposed regulations, the borrower and lender would negotiate the repayment schedule as long as each payment would cover interest costs and would be on a fully amortized basis after eight years. Thus a young couple could arrange smaller payments during the initial years of the term or an elderly couple could have

smaller payments following retirement.

As an example, take a 30-year mortgage where the normal monthly payment would be \$220. Using the flexible payment plan, the borrower could pay as little as \$200 per month for the first eight years then \$240 for the remainder of the term. When — or if — this plan becomes effective, you'll read about it right here.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

Radio-Thon Auction Will Benefit Hospital

Twenty-two Chelsea merchants and business establishments are going to participate in the 1979 Radio-Thon auction to raise special funds for St. Joseph Mercy Hospital. The Chelsea business community is contributing \$1,762 worth of merchandise and services which will be auctioned on radio station WAAM April 6, 7 and 8. Proceeds of the auction will be used to purchase medical and surgical equipment for the hospital.

Howard S. Holmes, president of Chelsea Milling Co., and head of the hospital development council, urged local support of the fund raising effort. He pointed out that St. Joe's and Chelsea Community Hospital share the burden of health care in western Washtenaw county. The two hospitals have overlapping staffs. Chelsea families can and do rely on St. Joe's for the delivery of their babies, for neurosurgery, for cardiac intensive care and pulmonary intensive care.

Personal solicitation of the business firms was carried out by

Will Connelley, who is a member of the St. Joseph Community Advisory Board and also a member of the hospital community relations committee.

For the Radio-Thon auction Chelsea State Bank is offering \$100 in gift certificates redeemable at any store in Chelsea. Winans Jewelry is also offering gift certificates adding up to \$100. Certificates of \$50 are being donated by Vogel's and Foster's, Dancer's, Parish Cleaners, Meabon's and Polly's.

Many donors are making specific contributions of goods or services. These include:

- Green plants from Garnett's Flower Shop.
- Five gallons of Martin Senou latex paint from Gambles.
- A McCulloch chain saw from Chelsea Pro Hardware.
- A Kodak Instamatic camera from Chelsea Pharmacy.
- A Rockwell sander-grinder from Chelsea Lumber Co.
- One week's rental of a Ford Fiesta, Fairmont or Pinto from Palmer Ford.
- A dog house from McCalla Feed Service.
- \$100 worth of typesetting or graphic arts services from The Connelly Co.
- Consultation on interior design with a professional designer from Mertel's.
- A London Fog golf jacket from Strieter's.
- Two cases (48 quarts) of Valvoline motor oil from Parts Peddler Auto Supply.
- A Magnavox digital clock AM-FM radio from Heydauff's.

Thornton Realty is contributing a gift certificate redeemable at John Leidy's gift store in Ann Arbor.

Great Lakes Federal Savings and Loan is making a joint contribution with a famous artist, Milton Kemnitz. Kemnitz will make a drawing of the winning bidder's home.

Chelsea Millin' Co. is offering 1,000 boxes of Jiffy Mix muffins for auction to food stores or restaurants.

The Radio-Thon offers bidders the thrill of buying desirable goods or services from reputable merchants at a bargain. Many bidders in the 1978 Radio-Thon, however, bid more than the announced value, knowing that the money was going to go to use at the county's largest private hospital.

Fire Damages Storage Building

A stubborn blaze did extensive damage to a combined storage building and garage last Wednesday, March 7, according to Fire Chief James Gaken.

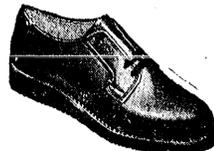

The fire in the building at 12370 Dexter-Chelsea Rd., owned by Horace Smith, was particularly hard to extinguish because of the large number of rubber tires stored inside.

In spite of damage done to the building, a tractor, a lawn mower, and a car were saved.

The Dexter Fire Department assisted in fighting the fire.

Older workers are only half as likely to change jobs as are workers under 45 years old.

READ-A-THON: Jeff Smith, son of Chelsea Jaycees President Bob Smith, curls up with a good book in support of the Multiple Sclerosis Read-A-Thon, currently being sponsored by the organization locally. The project is designed both to encourage children to read and to raise funds for the battle against Multiple Sclerosis, which generally strikes adults aged 20 to 40. Official Read-A-Thon kits must be mailed by March 26 for children to be eligible for prizes.

Jaycees Sponsor Reading Program To Benefit MS

The Multiple Sclerosis Read-A-Thon is quickly nearing its end. The Chelsea area Jaycees hope that parents have used this important project as a tool to promote reading among their children. Read-A-Thons like this throughout the state are raising funds for Multiple Sclerosis research. MS is a disease affecting the nervous system. It destroys a substance called myelin, through which nerve impulses pass, thus causing a break in the impulse which affects walking, talking and other movement. It primarily strikes the age group containing elementary school parents (20-40), which is one reason elementary schools were selected for the read-a-thon program. Jaycees urge parents to encourage their children to work hard at the project these last two weeks, and to remember to mail their

official kits by March 26. A child's kit must be received by mail for him or her to be eligible for the many prizes being given away at the close of the Read-A-Thon.

Farmers Urged To Use Pre-Measure Service

Farmers can assure that they comply with wheat and feed grain set-aside programs by taking advantage of a pre-measurement service of the U. S. Department of Agriculture, stated Earl Dolezky, chairman of the Washtenaw County Agricultural Stabilization and Conservation Committee. Dolezky said the service is offered at cost by county offices of the Agricultural Stabilization and Conservation Service (ASCS), and marking out fields with stakes prior to planting. Producers who take advantage of pre-measurement are then guaranteed that the fields are a certain size. This is important in helping them plan which fields to plant and which to set-aside. Dolezky said pre-measurement

was available last year but few farmers took advantage of it. In many instances this caused producers to either lose program benefits or to destroy crops to comply with set-aside programs, he said. After planting their 1979 crops, program participants must certify, or report their crop, set-aside and other program acres to their county ASCS offices. The ASCS office is located at 6101 Jackson Rd., Ann Arbor.

Adequate noise abatement ordinances are vital to the well-being of a community, according to hearing specialists. They advise residents of the communities lacking such ordinances to contact their local officials and urge passage of such legislation.

The Bible-The Light from Heaven

Gives these truths about the church that was established in Jerusalem on the day of Pentecost. Jesus promised to build a church in Matthew 16:18. In verse 19, Jesus said to the apostle Peter: "And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven." Peter was the speaker. In Acts 2 we read the Jerusalem church came into existence through plain gospel preaching. Peter preached a crucified, resurrected, and crowned Jesus. (vs. 36-41). It was a steadfast church. (vs 42). A united church. (vs 44). In Acts 4:32 the Bible says they "were of one heart and one soul." Before Jesus went to the cross he prayed that all believers might be one. (John 17:20, 21). It was a church of brotherly love and liberality. (vs 44). A church that enjoyed the social life of one another. (vs 46). The Jerusalem church was a respected church. They "had the favour with all the people." (vs 47). Jesus taught, "By this shall men know that ye are my disciples, if ye have a love one to another." (John 13:35). It was a growing church with daily additions. "... and the Lord added to the church daily such as should be saved." (vs 47). A Bible pattern worthy of imitating.

MILL CREEK RESEARCH COUNCIL members visited Lansing on Feb. 12 to secure details of how to proceed with their move to have Lima township declared a Late 19th Century Rural District in the National Register of Historic Places. They visited with members of the Michigan History Division of the Secretary

of State Department and Representative Mary Keith Ballantine. Posing in the Capitol were, left to right, Lynda Kock, Edna Kuhl, Representative Ballantine, Virginia Denham, Olive Wiseman, Margaret Sias, Wallace Fusilier and Nancy Burkhalter.

**Gary Packard, Jr.,
On Honor List at
Air Force Academy**

Cadet Gary A. Packard, Jr., son of Mr. and Mrs. Gary A. Packard of 19678 North Territorial Rd., has been named to the Superintendent's List for outstanding academic achievement and military performance at the U. S. Air Force Academy.

Cadet Packard, a member of the class of 1982, will wear the distinctive insignia of a silver star enclosed in a silver wreath in recognition of superior performance.

Upon graduation from the academy, the cadet will be commissioned a second lieutenant and awarded a BS degree.

Cadet Packard is a 1978 graduate of Chelsea High school.

**Application Will Soon Be Filed To
Designate Lima As Historic Area**

Several Mill Creek Research Council members went to Lansing on Feb. 12 where they met with Mrs. Catherine Eckert of the Michigan History Division of the Department of State. They also visited briefly with their new representative Mrs. Mary Keith Ballantine at the Capitol.

Mrs. Eckert reviewed with Council members the procedures necessary to complete an application, which could be reviewed no earlier than September, for the designation of a portion of Lima township as a Late 19th Century Rural District in the National Register of Historic Places. If accepted, it would be the first such designation in Michigan.

Eligibility has already been declared by the Environmental Protection Agency in 1978. This application would be submitted to the National Park Service as a result of re-organization of responsibilities in Washington, D. C. The impetus for this eligibility declaration was at the behest of the EPA as a part of the review process of the Environmental Impact Statement prepared as the result of Huron Clinton's request for federal matching funds for their proposed Mill Creek Metro Park development. The EPA found the impact statement lacking in consideration of the significance of what could be destroyed by the park.

because new generations managed to live and work in Lima and accommodate it to their own day and needs without totally destroying either natural feature or manmade "progress."

This is the first time that the History Division has attempted to process such an ambitious application and the procedure is quite involved and will require, for one thing, many pictures. There will be several notifications to all land owners of record within the proposed area.

The Research Council believes that the proposed metropolitan park development would grossly damage the concept of the historic district.

While at the Capitol they discussed various concerns with Mrs. Ballantine and learned of her activities as a freshman representative.

The Mill Creek Research Council is preparing to discuss the National Historic District Register application procedures at the annual meeting at the Lima Township Hall on March 27.

Exact boundaries for the Historic Register application have not yet been determined, but it would involve much of the township south of I-94.

The total picture is important, including natural landscape, sites, roads, structures, and history dating back to Indian days. The area was found particularly significant

**Michigan Taxpayers' Guide
Offered By Rep. Ballantine**

The Michigan Taxpayer's Guide, an easy-to-understand booklet with helpful hints on filling out this year's tax forms, is available to residents of the 23rd District, State Representative Mary Keith Ballantine (R-Jackson) said today.

The booklet contains information on property taxes, the property tax credit, the Michigan income tax, the single business tax and several other tax-related subjects.

"This year's Guide will be helpful to people in filling out their tax forms," Rep. Ballantine said.

"Because our tax laws are changed so often, it is more and more difficult for the average citizen to complete his or her own forms. This publication is one of the few in which citizens can find information on the many Michigan tax laws," Rep. Ballantine continued.

She said that the booklet outlines new benefits for senior taxpayers and contains information on the Property Tax Assistance Program and the Energy Assistance Program.

"There are certain programs and tax breaks senior citizens are entitled to which they may

not be aware of," Rep. Ballantine said. "That's why I have included them as a regular feature of the Taxpayer's Guide and I hope the seniors in the district find the information beneficial."

"Homestead property tax credits and home heating assistance credits may be applied for on the same form this year in order to cut down on paperwork."

"In addition, any senior citizens who would like assistance in filling out their homestead property tax forms should fill out the request blank in the booklet and mail it to me."

Representative Ballantine said the booklets may be obtained by writing to her in care of the State Capitol, Lansing 48909; or you may call her office in Lansing (517-373-1775) or her answering service in Jackson (517-787-0145). She would welcome any comments her constituents may have on the booklet.

The Employee Retirement Income Security Act (ERISA) prohibits employers from setting unreasonable age and service requirements for pensions, according to the U. S. Department of Labor.

**Good Things Growing
In Michigan**

The first signs of spring can perk up even the dullest day, when the sun starts setting later and the days begin getting warmer. And warm days with freezing nights are good for one of Michigan's agricultural industries—maple syrup.

It's this type of weather which makes sap run and makes possible delicious Michigan maple syrup for topping hot waffles or pancakes, making rich maple candy or glazing your favorite meat dish.

For an added treat this year, try maple barbecued spareribs or baked maple lime beans. Just substitute maple syrup for sugar in your favorite recipe by using one and one-half cups syrup for each cup of granulated sugar. Baked goods made with maple syrup should be baked 25 degrees lower than the same recipe using sugar. Be sure to add one-quarter teaspoon soda for each cup of maple syrup and cut down any liquids by one-half where sugar is eliminated.

Each year in Michigan an average of 85,000 gallons of syrup are produced, fifth highest production in the nation, according to Michigan Department of Agriculture officials.

Only pure, boiled-down syrup weighing at least 11 pounds per gallon may have a maple syrup label, reports Dr. Edward Heffon, MDA's Food Inspection division chief.

"Syrups may legally be sold as mixtures of maples and other syrups, but the law requires these to be labeled showing the percentage. They must be labeled either imitation maple or maple-flavored syrup."

To make one gallon of maple syrup, about 40 to 50 gallons of sap must be collected. Holes are drilled into a tree and a 'spile,' allowing the sap to flow into a bucket or tubing, is placed in the hole. Each tap will yield 15 to 20 gallons of sap during a season, depending on the size of the tree. Larger trees will accommodate two or more buckets.

**Tornado Safety
Week Proclaimed
By Gov. Milliken**

Since 1950, 227 people have died in 410 tornados in Michigan. While these killer storms can occur any time of year, they are most common between April and July.

Again this year, Governor William G. Milliken has designated the third week of March (18-24) as Michigan Tornado Safety Week. A special committee under the guidance of the Emergency Services Division, Michigan State Police, is working closely with the Governor to stimulate public interest in tornado safety.

Information on safety precautions to take in the event of a tornado warning may be obtained through the United States Government Printing Office, or by calling your local fire department.

**Free Air Hoses
Available at Most
Service Stations**

Free air hoses are available at nine out of 10 service stations in the state, according to an Automobile Club of Michigan survey.

A check of service stations across the state shows 92 percent with air hoses available to the public and motorists charged for air at just five.

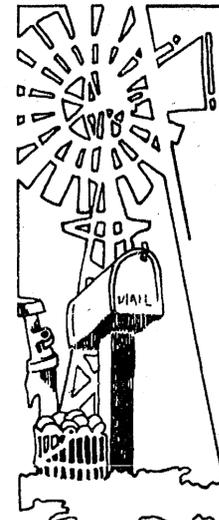

Along main state travel routes, 245 of 235 stations surveyed provided air. Two stations charged a 25-cent fee to motorists not obtaining fuel. A 100-station, Detroit-area survey shows 97 percent offering air and three charging 25 cents for its use.

A similar Auto Club survey in February, 1977, found 235 of 300 outstate and 77 of 100 Detroit-area stations offering air to customers. Three outstate stations charged 25 to 50 cents for the service.

**Patented Rat Trap
Attached Bell Rather
Than Killing Victim**

Rodent lovers found a follower in the holder of Patent No. 883,611, issued March 31, 1998. The device was a very complex rat trap which, instead of killing the little varmint, collared him with a small bell. This was supposed to scare away the rest of the rodents and eventually scare or starve the belled fellow to death. Many of the more practical inventions from three centuries of American ingenuity are on exhibit in the Hall of Technology of Henry Ford Museum, Dearborn.

Veterans' reemployment rights cover National Guard members and reservists who request leaves of absence for military training, according to the U. S. Department of Labor.

Married taxpayers filing joint returns should be sure that both social security numbers appear on the label. If only one spouse's number is shown, the other number should be placed on the label, according to the IRS.

Taxpayers may also speed the mailing of their refund by sending their return in the coded envelope provided with the tax package, and making sure they have attached all required schedules and forms, the IRS said.

Arlene R. Boreis, Clerk

Zoning Board of Appeals Proceedings

February 20, 1979

The meeting was called to order at 7:30 p.m. by Chairman Wood. Present: Chairman Wood, Administrator Weber, Project Director Barkley.

Members Present: Brown, Chriswell, Patrick, Schardein and Sweet.

Absent: Rady, Secretary Neumeier.

Others Present: Police Chief Meranuck, Zoning Inspector Goltra, Civil Defense Director Wade, Treasurer Barnhill, R. Barnes, A. Singhal, J. Popovich, M. Bollinger, A. Stoll, R. Smith, D. Axene, T. Pichmen, W. Shoemaker and G. Fuller.

The minutes of the January 16, 1979 meeting were read and approved.

The variance request of Chetker Oil Company located at 930 South Main for reduction of lot area from 10,000 sq. ft. to 9,700 sq. ft., lot width from 75 ft. to 71.6 ft., side yards from 10 ft. to 5 ft. and front yard from 20 ft. to 12 ft. was considered. The Planning Commission recommended that the lot area and lot width variance be approved since the parcel is a non-conforming lot of record presently used for commercial purposes; side yard variance of 5 ft. be approved to permit the safe movement of tanker trucks on the site and that the front yard variance be denied since the parcel can be used without the variance.

Resolved that Section 4.4.2 C 1a (Lot Area) be reduced to 9,700 sq. ft. since lot is a legal non-conforming lot of record.

Motion by Brown, supported by Sweet, to adopt the above resolution. Roll call: Yeas all. Motion carried. Resolution adopted.

Resolved that Section 4.4.2 C 1b (Lot Width) be reduced to 71.6 ft. since lot is a legal non-conforming lot of record.

Motion by Sweet, supported by Brown, to adopt the above resolution. Roll call: Yeas all. Motion carried. Resolution adopted.

Resolved that Section 4.4.2 C 2b (Side Yard) be reduced from 10 ft. to 5 ft. to permit the construction of a storage and restroom building and to permit safe movement of tanker trucks on the parcel.

Motion by Patrick, supported by Chriswell, to adopt the above resolution. Roll call: Yeas all. Motion carried. Resolution adopted.

Resolved that the request for a variance from 4.4.2 C 2a (Front Yard) for a reduction from 20 ft. to 12 ft. be denied since the special conditions and circumstances are the result of actions by the applicant and the granting of the variance would confer special privilege on the applicant which is denied by ordinance to other lands in the same zoning district.

Motion by Brown, supported by Schardein, to adopt the above resolution. Roll call: Yeas all. Motion carried. Resolution adopted.

Received variance request from George Knickerbocker for a reduction in Section 4.4.2 C 2a. Front Yard) from 20 feet to 15 feet. Request forwarded to Planning Commission for recommendation.

Motion by Brown, supported by Patrick, that the following activities be permitted at the Fairgrounds:

1. Consignment Farm Equipment Auction last Saturday of March or first Saturday of April.
2. Southeastern Michigan Trappers Association, July 20, 21, and 22.

Roll call: Yeas all. Motion carried.

Motion by Schardein, supported by Chriswell, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.

F. A. Weber, Acting Secretary.

RE-ENLISTMENT: Technical Sergeant Clifford W. Hoffman receives the oath of enlistment at Arnold Air Force Station, Tenn., from Major John Hill, commander of Detachment 1, 1973rd Communications Squadron.

Grass Lake Man Re-Enlists in Air Force

Technical Sergeant Clifford W. Hoffman, son of Mrs. Helen Hoffman of 6014 Trist Rd., Grass Lake, has re-enlisted in the U. S. Air Force at Arnold Air Force Station, Tenn.

Sergeant Hoffman, whose Air Force career began in 1966, is a veterinary technician at Arnold. He is assigned to a unit of the Air Force Systems Command. The sergeant is a 1964 graduate of Grass Lake High school and received an associate degree in 1968 from Jackson Junior College.

AN EYE FOR DETAIL: Harry DePlanche of Chelsea concentrates on an intricate problem with his engine during the Chelsea Community Education small engine repair class. Harry is one of approximately 1,500 students enrolled in nearly 100 classes this winter, most of them held in the evenings. Director Jackie Rogers encourages area residents to call her with suggestions for classes. She is also interested in hearing from those who would like to teach. Chelsea and Dexter residents will be receiving the spring-summer brochure by mid-April with listings of all classes and the summer recreational programs.

Utility Bill Help Is Available

Low-income residents and the elderly of Washtenaw county who suffered financial hardship during the winter of 1978 because of high utility bills can obtain emergency money to help pay for fuel and utility bills.

Washtenaw county has been awarded \$46,500 of emergency energy assistance monies and \$35,100 for crisis intervention for 1979.

The \$46,500 is only for eligible residents with high energy bills last winter who were not assisted

with previous money. The County CSA program has until March 15 to spend this money.

The \$35,100 is the money appropriated for the 1979 winter months. This is just a fraction of what was given last year (\$126,000). This money is available to all low-income and elderly residents of Washtenaw county.

For more information, call Alma Douglas, Emergency Services coordinator, at 894-1656, Ola Williams at 483-2500, Emma Robertson at 483-2042, or Katy Harat at 475-1594.

ASK THE GOVERNOR

by William G. Milliken

Question: Where can I get Michigan state income tax forms and are the forms any different this year? Is there any way I can get help filing the forms out?

Governor: Michigan state income tax forms are available at any bank, savings and loan institution or post office or through the Michigan Department of Treasury in Lansing.

There have been several modifications of the income tax forms this year. The major changes were instituted by the Legislature. One change is the inclusion of the home heating credit form in the income tax form. Previously it had been a separate document. In the new income tax form, a table is provided that enables the taxpayer to calculate his or her income in relation to heating expenses. If the energy bills represent a certain percentage of income tax, a tax credit is allowed.

Another change in the form asks taxpayers to list their school district. This was added to the form in order to obtain data based on separate school districts.

There is also a minor modification in the directions of the 1978 income tax forms. The directions are longer providing more example computations to clarify use of the form.

The Department of Treasury branches will provide free tax information to Michigan residents. The branch offices' locations are listed on page 2 of the state income tax form.

If you are a Lansing area resident, you can obtain assistance in filling out your tax form from the Michigan Department of Treasury by calling the information number, 373-2910.

Question: It seems as though every time I turn around, somebody is talking about energy conservation. I guess it's time to take a look at what our family uses around the house. Is there somewhere in state government I could get some information without calling a lot of different places?

Governor: The Commerce Department's Energy Administration

has a toll-free hotline for energy information, 1-800-222-4101. It is a free clearinghouse service to provide you with answers to your questions about energy conservation and energy use, either directly over the telephone or by follow-up with printed materials.

The brochures, pamphlets, fact sheets and curriculum materials available through Energy Clearinghouse describe practical ways to save energy at home or school, at work, or in the marketplace. Your questions can be answered immediately in most cases, or the information can be forwarded directly to you within a few days.

The clearinghouse has information on how much electricity various appliances use, winter emergency guidelines and instructions, tips on winter driving, how to choose an insulation contractor, and so forth. The hotline operates Monday through Friday, 9 a.m. to 4 p.m., or you may write to the clearinghouse at Post Office Box 30228, Lansing, Michigan 48900.

Question: I live in a mobile home park. Now I understand that the park is going to convert to a mobile home condominium. I'm afraid they will break my lease. Can they do that?

Governor: No, legally you are entitled to remain until your lease runs out. Be sure to check, however, to see if your lease has a clause that allows the owners to evict you if their method of business changes. If there is, then they can make you move.

Mobile home condominiums are one of the newest concepts in property ownership in Michigan. The conversion of existing parks to condominiums raises many questions and has sparked an in-depth study by the mobile home industry.

The Condominium Unit of the Bureau of Corporation and Securities, Michigan Department of Commerce, Post Office Box 30222, Lansing 48909, can answer questions about any type of condominiums, including mobile home condominiums.

Public Hearings Set On Aging Programs

Each year, prior to completion of a final Area Plan on Programs for Aging, the Area Agency on Aging I-B conducts a series of public hearings on needs of the older adults and the proposed Area Plan for the coming fiscal year.

Public comment assists the Area Agency in focusing its planning and funding activities in those areas where it can most effectively achieve positive results for both the short and long-term benefit of the older residents of Region I-B. Following the input received at the public hearings, the Area Plan will be revised to incorporate some of the major directions recommended by participants speaking at the hearings.

For Washtenaw and Livingston counties, a hearing is scheduled Tuesday, March 13 in the new cafeteria of Brighton High school at 7878 Brighton Rd., Brighton, from 2 to 5 p.m.

Older adults, agency representatives and other interested individuals from St. Clair, Macomb, Oakland, Livingston, Washtenaw and Monroe counties are urged to note the location of the hearing site for their area, attend the hearing and provide comment on

the priority needs of older adults with their respective counties.

Chelsea Students On U-M Dean's Honor List

Three University of Michigan engineering students from Chelsea were named to the Dean's Honor List for the past term.

Those so honored are Albert Frank Anderson, III, son of Mr. and Mrs. Albert F. Anderson, 14689 Waldo Rd., and a 1978 graduate of Chelsea High; Paul Marshall, son of Mr. and Mrs. George Marshall of 750 Flanders St.; and David Pletcher, son of Mr. and Mrs. David Pletcher of 911 Ridge Rd.

David Pletcher has been elected treasurer of A.I.Ch.E., (American Institute of Chemical Engineering). Both Marshall and Pletcher are 1978 Chelsea High graduates.

Congratulations were extended by Dean David Ragona to the students who completed 12 or more hours of credit and achieved a grade point average of 3.5 or better for the term.

★ Idle Hands . . .

We all know that the most serious aspect of unemployment in this country is the jobless rate among teen-agers, running up to 40 percent in some of the inner cities.

It has been evident for some time that a good portion of this problem has been created and is being sustained by a set of laws and regulations unwisely put on the books by state and national lawmakers.

During the last session of Congress, the House of Representatives failed by one vote to pass an amendment to the Fair Labor Standards Act to provide for a 15 percent differential in the federal minimum wage for young people. A tie vote was broken by Speaker O'Neill himself at the bidding of the labor movement and assorted do-gooder groups which will go to any end to discourage gainful employment among teen-agers. Actually, many state laws exempt the under 18 from state minimum wage laws entirely—but the federal law still prevails.

The latest example of this wrong-headedness is an interim report by the National Study Commission on Unemployment Compensation. Congress had referred to that Commission the question as to whether full-time students 16 and under should be exempt from the Act and employers not required to pay the tax on their wages, since they never qualify for benefits. The Commission said no, it didn't think it is a good idea, since it might encourage efforts for other exemptions.

Any employer will tell you that a great many more teen-agers could be gainfully employed if these restrictive and costly laws could be amended or repealed. But, in the meantime, idleness festers trouble in the cities.

Pfc. John R. Duffey Serving at Yuma, Ariz.

Army Private First Class John R. Duffey, son of Mr. and Mrs. Gerald Duffey, 23 Chestnut, has reported for duty at Marine Corps Air Station, Yuma, Ariz.

A 1978 graduate of Chelsea High school, he joined the Marine Corps in June 1978.

VOLUNTEER MATH LAB at South school is a success with the students, but needs more volunteers to help with activities. Due to a lack of volunteers, the math lab is open only one day a week, but could operate daily if more people would donate some time. Pictured here, playing a fishing game for answers to addition and subtraction problems, are, seated, Pete DeFam, Tiffany

Browning, Greg Clark, Pam Martell, Nathan Snay, Holly Jorgensen, Heidi Boyer, and Donald Harr. Mark Chasteen is standing, measuring Kerry McArthur's height in centimeters. Anyone interested in volunteering may contact South school or any member of the South School Parent-Teacher Organization.

JAYCEES HELP: At the CATS Bus Funding meeting Monday evening Bob Smith, right, president of Chelsea Jaycees, presented a check of \$500 to CATS president Sam Johnson. This is the third-year the Jaycees have given this amount to CATS.
