Showers Slow Times in Relay Track Events

Brief showers may have slowed the runners, but they didn't cool the tension in Saturday's Chelsea Relays.

In an exciting finish, Dexter won the mile and 440 relays, the final events of the day, to come from behind and capture the championship with 49 points.

Carlton Airport, who led most of the day, finished second with 42. It was the second year in succession that the Jets have been overtaken in the final events. Hillsdale took third, despite not winning a single relay.

Saline used victories in the high jump, long jump and shuttle hurdle to earn fourth, followed by Linden in fifth and Chelsea and Hartland tied for sixth.

Defending champion Monroe St. Mary took eighth.

Two meet records were established when Julie Ravary and Mindi Olmstead of Erie Mason combined for a distance of 67'6 1/4" in the shot put relay and Saline's Barb Mahanke and Laurie Rogers upped the high jump record with a combined total of 10'5".

Airport's fine distance team repeated as champions in the two-mile and distance medley relays, but couldn't best their previous meet records on the wet track.

Chelsea's 18 points all came in running events. The shuttle hurdle team of Marlene Williams, Maggy Sweet, Tracy Bohlender and Lorrie Vandegrift ran very well to earn third place behind Saline and Dexter.

The two-mile relay team of

Cheryl Hedding, Cheryl Hanker, Nancy Hastings and Nancy Heller also finished third to Airport and Linden with a respectable time of 10:40.0. The 440 relay quartet of Chris Johnson, Kathy Honbaum, Tracy Bohlender and Debbie Honbaum also took third-place medals.

Chelsea's sprint medley relay time of 2:01.3 established a school record but was only good enough for fourth place. Running in the record team were Kathy Honbaum, Tracy Bohlender, Debbie Honbaum and Teresa Hoffman.

The meet established the strength of the Southeastern Conference this season, with Chelsea, Saline and Dexter finishing sixth, fourth and first, respectively, in the 12-team field.

Team totals and standings were as follows: Dexter, 49; Airport, 42; Hillsdale, 36; Saline, 32; Linden, 24; Chelsea, 18; Hartland, 18; Monroe St. Mary, 16; Jackson Lumen Christi, 14; Erie Mason, 14; Jackson County Western, 5; New Boston Huron, 5.

The winning teams and times in various events were:

Shot put: Erie-Mason, 67'5 1/4".
Discus: Airport, 178'6".
Long Jump: Saline, 29'9 1/2".
High Jump: Saline, 10'5".
Shuttle Hurdles: Saline, 1:12.5.
Two Mile Run: Airport, 10:10.2.
850 Dash: Dexter, 1:52.0.
Sprint Medley: Linden, 1:58.4.
Distance Medley: Airport, 13:36.9.
Mile Relay: Dexter, 4:18.2.
440 Dash: Dexter, :54.3.

Orchestra Going to State Festival

Okenos is the destination for Chelsea High school's orchestra this Saturday, April 28, as they travel there to perform in the state festival. The CHS musician qualified for the trip on March 11 when they earned a "1" rating at the district festival.

The state festival is reserved for those orchestras already recognized for their superiority at the district level.

Two pieces for full orchestra that Chelsea will play at the state level are the same ones they performed at district: "Russian Sailor's Dance" by Gliere and "Overture to Samson" by Handel. The string selection, however, has been changed to "Ase's Death" from the Peer Gynt Suite by Grieg.

Utility Pole Sheared By Semi-Truck

A utility pole on the southwest corner of Main and Middle Sts., was nearly toppled Saturday afternoon, as an unidentified hit and run vehicle struck the pole.

Police reports indicate that a semi-truck turned southbound onto Main St., striking the pole and shearing it off near the base.

The vehicle continued southbound on Main and did not stop. There were no injuries in the incident.

WCC Offering Math Class at Chelsea High

Everytime it seems that ordinary people have no clout with large, bureaucratic institutions, an incident like this one comes along.

Chelsea adult students recently petitioned Washtenaw Community College to hold a Math Lab here in the spring and summer semesters. The course is generally offered only in the fall and winter.

Lo and behold, WCC agreed and registration for the class will take place Wednesday, May 2 at 6 p.m. in the Chelsea High school cafeteria.

The lab is an individualized program, containing students working at their own pace at levels ranging from general math to pre-calculus.

The class will meet Wednesdays from 6 p.m. to 9:15 p.m. at Chelsea High school. Spring and summer terms run from May 2 to Aug. 1.

CHELSEA'S NEW POLICE CHIEF, Sgt. Robert Aeillo, left, will leave his post as command officer at the Dexter substation of the Washtenaw County Sheriff's Dept. to step into the office of Chelsea Police Chief Monday, May 7. He replaces the retiring George Meranuck, ending an 11 1/2-year career with the county. Aeillo, above right, is being congratulated by Sheriff's Deputy Richard Compton.

Sgt. R. Aeillo Chosen Chelsea Chief of Police

By a unanimous 6-0 vote Monday night, Sgt. Robert Aeillo of the Washtenaw County Sheriff's Department was named by the Chelsea Village Council to the post of Village Police Chief, replacing retiring Chief George Meranuck.

Aeillo, currently command officer of the Dexter substation of the sheriff's department and a long-time Chelsea resident, was chosen from a field of five finalists, who were in turn selected from among 26 applicants.

The 43-year-old officer will become a village employee on May 7, spend a one-week orientation period with Chief Meranuck and assume official duties on May 15.

An 11 1/2-year veteran of the sheriff's department, Sgt. Aeillo took command of the Dexter substation in March 1978. Prior to that date, he had been a day

shift commander at the main sheriff's department station in Ann Arbor, serving both offices as a firearms specialist and armorer.

Previously, he had worked as a police sergeant assigned to the New York Central Railroad in Detroit, and for five years was a private investigator. During the Korean War, he served two years with Marine Corps Military Police units in Japan and Okinawa.

"I'm looking forward to the challenge," Sgt. Aeillo said from his Dexter post. "I've lived in Chelsea for 11 years and I think they've got a good government and a good bunch of people. I've enjoyed living there and I'm going to enjoy working there."

Aeillo and his wife, Mary, have four children, one of whom, 14-year-old Anna-Marie, lives at home.

Sludge Truck Dumps Cargo Along I-94

Sludge was more of a problem for the Chelsea Fire Department than fires this week, as firemen were called out to hose off a section of I-94 last Monday.

The quagmire occurred when the back of a sludge-hauling vehicle opened up and spread the muck over 500 yards of freeway near the entrance ramp, just east of M-52.

Firemen also battled two small grass fires Sunday, one in Sylvan township near Cavanaugh Lake Rd. and another east of town in Lima township. Fire Chief Jim Gaken said neither blaze was serious.

Chelsea Home Tour Scheduled Friday

Tickets are still available for the Chelsea Spring Home Tour on Friday, April 27 at Merkel's, Dreyfuss Gifts and Country Boutique. The tour includes the homes of William and Jean Storcy, where tickets are available the day of the tour, at 218 Jefferson; Tom and Joan Eisele of 770 Book St.; Jack and Mary Ann Merkel of 1301 N. Freer Rd.; John and Sandra Gunn of 11240 Trinkle Rd.; Gerry and Ellie Giffin of 19895 W. Old US-12; Jerry and Judy Steinhauer of 1100 Sugar Loaf Lake; Robert and Pat Noll of 14211 Hay Rake Hollow, and Lloyd and Barbara Bridges of 7530 Lakeshore Dr.

The tour is sponsored by the Chelsea Chapter of the American Cancer Society with Neta Mills and Gloria Greenleaf serving as co-chairmen. Diane Borton and Mary Jo Miller head up the publicity, along with other committee members Char Eisenbeiser, Barbara Brown and Marty Neumeier. They were all aided by Dottie Bell and Ruth Dils who are co-chairmen of publicity for the Chelsea Chapter of the American Cancer Society. A special thank-you to Basil Greenleaf and Fred Mills.

Tour hours are from 9 a.m. to 3 p.m., no children under 12, please. Donation is \$5. The United Methodist church on Park St. will serve a soup and salad buffet from 11 a.m. to 1 p.m. for \$3. Buy your ticket when you get your tour brochure.

Rubbish Pick-Up Slated at Schools

Assistant Superintendent of Finance and Operations, Fred Mills, has announced that on Thursday, April 26, the Chelsea School District will participate in Operation Clean-Sweep. The operation is an attempt to simultaneously remove all litter from the campus of the High school, Beach Middle school, and North and South Elementary schools.

All students will participate in a co-ordinated effort to pick up litter. From 8:55 to 9:20 a.m. they will be dispatched with plastic bags to rid their school grounds

of accumulations of paper, twigs, and cans and bottles. The maintenance staff will then co-ordinate a pick-up at each school and remove the bagged trash to the sanitary landfill.

According to Superintendent Raymond Van Meer, this is the first time a district-wide mop-up of this magnitude has been attempted. He said that, in the future, schools may periodically decide to brush-up the grounds on their own.

This program is an effort to

HIGH SCORERS in a math competition sponsored by Eastern Michigan University, those Beach Middle school students will travel to EMU to participate in the regional exam, May 5. The students are, back row, left to right, Dan Waldyke, Jon Bentley, Dan Klemmer; front row, Mary Ann Richardson, Kevin Colombo. Steve Kropf is not pictured.

Math Exam Winners Are Named

Six students from Beach Middle school will be participating in the regional math exams formulated by Eastern Michigan University May 5.

Sixth graders Mary Ann Richardson and Steve Kropf, 7th graders Kevin Colombo and Dan Waldyke and 8th graders Dan Kle-

mer and Jon Bentley earned berths at the regionals by posting the highest scores in a school-wide test given at Beach on April 3.

Each student who wished to participate was given an exam put together by EMU that tested a combination of all math skills taught in grades 1 through 8.

More than 150 students took the exam. The two from each grade with the highest scores were declared the local winners.

All students at the regionals will receive certificates of achievement. Grade winners will receive trophies and advance to the state exams.

Experimental Reading Period Set in Schools

Superintendent Raymond Van Meer has announced that all students in the Chelsea School District will soon be participating in a scheduled, uninterrupted reading program.

The program, which has been implemented in schools around the country, will be tried on an experimental basis from April 30 to May 31.

All students and employees of the district will participate in the experiment. The high school has scheduled a 15-minute reading block at 10:30 a.m. each day; Beach Middle school has a 15-minute block at 2:15 p.m.; and North and South Elementary schools have scheduled 15 minutes at 9 a.m. each Wednesday, and two other periods per week scheduled by individual teachers.

Students will be permitted to read anything from a newspaper

to a textbook and are constrained only in that they cannot take notes or write during the 15 minutes. The program may later be modified to allow students and teachers to read aloud to students.

Van Meer said that teachers were consulted for opinions before the decision to try the program was made and were found to be receptive to the idea. He stressed that the program is valuable not only for the time itself but also for the emphasis on role-modeling when students see adults read.

The block of time will not detract from other classes, as the starting and ending times of certain periods have been altered to accommodate it.

The intent of the experiment is to focus on emphasizing reading as an important part of life. It is also part of Van Meer's vow to "examine everything we do and see if we can do it better."

Jiffy Market Reports Break-in Early Tues.

Chelsea police and the Washtenaw County Sheriff's Department teamed up to arrest two men charged with breaking and entering a storage building at Jiffy Market early Tuesday morning.

The incident began around 2:15 a.m. when Chelsea police on routine patrol, saw a pick-up truck pull away from Jiffy's with no headlights on and speed west on Sibley Rd.

Police pursued and reports indicate that the officers could discern dog food bags and large plastic garbage bags in the rear of the truck. Police report they believed a breaking and entering had occurred, but weren't positive at that point.

Officers called in a chase and followed the fleeing truck on a twisting, turning journey out to Ridge Rd., where officers momentarily got close enough to record the license number of the vehicle and call it in.

The patrol car lost the vehicle near Klump's Gravel Pit and returned to the scene of the break-in and entering at Jiffy.

Department arrived at the Chelsea Police station around 8:15 a.m. and based on license plate identification, accompanied officers to the residences of the suspects.

The men were located separately and arraigned in 14th District Court on charges of breaking and entering, pending examination on May 1.

Gene Shoemaker, owner of Jiffy Market, said the only items taken were bags of dog food and a number of plastic garbage bags filled with empty, returnable beverage cans.

Expectant Father Given Baby Shower

In a new twist on an old tradition, buddies of Chris Thurshy, who works at the Chrysler Proving Grounds, threw him a baby shower.

Follow workers said they dreamed up the all-male affair which was to include regular shower games, a name-the-baby contest, a poker game and refreshments.

Kindergarten Registration Set for May 3

Registration for kindergarten classes for the 1979-80 school year will take place Thursday, May 3 from 7 to 8 p.m. in the North Elementary school cafeteria.

Parents should note that children must meet certain criteria to be enrolled.

A child must be five years old on or before Dec. 1, 1979 to attend kindergarten next year. A birth certificate must be presented at the time of registration. Parents will be given a medical form that may be used to obtain a physical history, record immunizations and provide a health history of the child.

This year, the State Department is requiring that children have all immunizations completed before they enter school. Records must (Continued on page three)

Police Involved in 3 High Speed Chases

In the style of their fictitious television counterparts, Chelsea police officers were involved in three high-speed chases this past weekend, all involving local residents.

The first incident occurred Friday evening, as Police Officer Orr, on routine patrol, spotted a car driving toward him on W. Middle St. at a high rate of speed. Police reports indicate that the vehicle registered a speed of 67 mph on radar as it whizzed by the patrol car. Officer Orr identified the driver as Howard Schenk of 1715 Rank Rd., Grass Lake.

Schenk continued rushing down W. Middle St. and Officer Orr gave chase. The suspect vehicle careened onto Cavanaugh Lake Rd. and continued speeding with Orr in pursuit.

About one mile from the point where the two vehicles had first passed, Schenk pulled over and stepped his car, police reports said. He was charged with failure to stop for a police vehicle and was released on bond pending a May 7 court date.

The following evening, Saturday, April 21, police officers were repeatedly called to the scene of a rowdy party on S. Main St. near the Medical Center. Police noted that one individual in particular, Jeffrey D. Scripser of 227 Buchan-

an, loudly taunted police cars as they drove by and rushed at them, all to the approval of this fellow partiers.

Officers left one car at the scene and observed Scripser leave the house and speed off alone in his car.

Reports indicate that police were aware that Scripser had a restricted license and was required to be accompanied by a licensed driver.

Officers pursued the suspect ve-

hicle southbound on Main St. As the chase progressed, police reports that Scripser nearly hit one car and ran two others off the road. Racing down M-52, the suspect vehicle began to belch smoke and flames.

At a curve near Waldo Rd., the driver lost control and piled into a telephone pole at a speed of about 75 mph. Police say the vehicle flew in mid-air for about 200 feet and then bounced to rest in a farmer's field.

Scripser, found unconscious in the front seat, was taken to Chelsea Medical Center and released following treatment of minor head cuts. He was taken to Washtenaw County Sheriff's Department, charged with reckless driving and later released on bail.

The final incident, Sunday evening, involved officers pursuing a speeding motorcycle driven by David J. Eisele, 108 Watt Rd.

Police report that the suspect was seen pulling a "wheelie" (a maneuver in which the front wheel of the cycle leaves the ground) on M-52. The cycle then sped down M-52 at 95 mph in a 35 mph zone, with the patrol car in pursuit.

Eisele finally halted the bike about 1/2-mile from the Jackson county line. Officers impounded the cycle and issued a violation for fleeing and eluding a police officer.

Eisele was released to his parents.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR: Bug Hookum was lamenting at the country store Saturday night about the whole world going automatic. He told the fellows that all the signs are pointing to a life not too far down the road when all we will do is punch buttons, but we'll have to have a college degree to punch em. What got Bug on the matter was a report he had saw where companies are recruiting college engineering graduates like they were eight-foot basketball players.

note of the same thing last week when he went to the hospital to visit his old lady's sister. Instead of folks talking about how good the doctors and nurses were, everybody was excited about switching the hospital bookkeeping over to a computer that stores all the data about everybody in a bank in Los Angeles. Ed was of a mind that when modern medicine goes on the automatic he's sticking with old timey ways. But Ed said he has no trouble seeing where towns that use to scramble to get a young doctor to come to town now is looking for young engineers to go to town and process the data for the doctors they got.

Michigan Prepared To Handle Nuclear Emergency
Following the nuclear plant leak at the Three Mile Island in Pennsylvania, the state of Michigan has been reviewing nuclear plants and it has been determined the state is "basically well prepared" to meet any emergency needs should one of the plants suffer a breakdown.
Governor William G. Milliken, however, reported that modifications have been ordered in the state evacuation plan to deal specifically with those areas where nuclear plants are operating.
The governor also said he would support a moratorium on the construction of unlicensed, new nuclear plants until at least a federal study on plant safety is completed by the Nuclear Regulatory Commission.

Thursday, May 1, 1975--
Final plans have been made for the May 3 celebration of the VFW's 30th Anniversary for local Post 4076 and its auxiliary.

Last Thursday afternoon the Chelsea High school staff began working on a self-evaluation which will take about one year to complete. This is the North Central Association's evaluation which must be done every seven years by high schools in the association.

Driver education at Chelsea High school will be a completely new program this year because the state requires that classroom and driving instruction take place concurrently. Because of the high cost of teaching driver education during the school year, the board has approved the establishment of the three-phased range program that has become popular throughout the state.

Installation of a new fluorescent lighting system recently voted for the US Post Office in Chelsea has been completed and went into operation Saturday morning. Not only are working conditions greatly improved, but a more cheerful aspect has been given to one of Chelsea's busiest government agencies.

Like everything else, the costs of education are going up. Even in the Chelsea school district which spends less to operate its educational system than any other in Washtenaw county, this is true. Voters will be asked to approve a total tax increase of 1.22 mills in the annual operational millage election, Monday.

Chelsea Unit 31 of the American Legion Auxiliary has selected Judy Aronson to attend Wolverine Girl's State at the University of Michigan. A government program, the conclave will be attended by high school juniors, duplicating city, county and state government procedures.

Army Pfc. Harry L. Hadley, son of Mr. and Mrs. Harry Hadley, 15503 Cassidy Rd., was graduated from the Non-Commissioned Officers (NCO) Academy at Ft. Wainwright Alaska last fall.

The community college approved by voters last January was officially and unanimously named last week Washtenaw Community College.

A light vote cast in the election on annexation to the Chelsea Agricultural Schools school district

At Lima Center school Saturday night resulted in 28 affirmative votes and 11 negative. Heat records were broken here for two successive days Tuesday and Wednesday. The mercury hit 88 Tuesday and boiled up to 90 on Wednesday.

A total of 239 children received Salk polio vaccine inoculations at the clinic held here Monday morning. The number, which represents 88.2 percent participation, includes 106 first graders and 133 second graders.

Washtenaw county's tax base has been set at \$351,925,000 which is \$61,925,000 greater than the figure for a year ago and matches the state equalized value.

A "necessary" 25 percent cut in sugar rations was announced by the Office of War Information, effective May 1. Maximum allowance of sugar for home canning and preserving has been reduced from 20 pounds per person to 15 pounds, and the new sugar stamp must last for four months instead of three.

A blaze of undetermined origin destroyed the large aircraft building on Monday at the Southern Michigan Prison Industrial camp at Cassidy Lake, housing wood-working machinery, welding machinery and camp supplies. The damage is estimated at \$30,000.

Announcement is made by Fred Worden that he has purchased the Quality Shoe Repair business from Russell Altstaetter. Worden has been associated with Altstaetter for the past three months.

Western Washtenaw Area Association of Huron Valley Girl Scout Council invites all Girl Scout adults and girls 14 years and over to join them in a pot-luck buffet supper at the Knights of Columbus Hall, 106 E. Madison, Manchester (next to the Post Office) on Thursday, May 3 at 6:15 p.m.

This yearly event is held to show appreciation to the troop leaders, assistant leaders, and troop service directors, and to everyone who helped in the past year. Election of delegates, nominating committee members, and the area chairman will be held.

Program will be "Let Us Travel," with Jill Piper of Dexter taking the group to Spain, where she attended an International Wider Opportunity event. Connie Gunther, Dexter, will provide a look at the National Convention held in Denver last fall, also a Wider Opportunity trip for the Senior Scout.

Panel Will Answer Questions on Adolescence

"Ask About Adolescence" will be the topic of a panel program sponsored by the Chelsea Community Hospital Auxiliary Monday evening, April 30, 8 p.m. at Beach school cafeteria. Parents of sixth through 12th graders are encouraged to attend and learn how to communicate with and gain a better understanding of their adolescents.

Moderator will be Mrs. Dale Schumann, Auxilian. She will be assisted by Dr. Frank Colligan, psychiatrist; the Rev. Robert Weikart, Dr. James Peggs, M.D., and Auxilian Mrs. Jean Mann, Beach school counselor.

Dr. Frank Colligan received his BA degree from Notre Dame University in 1963, his M.D. in 1963 from Indiana University School of Medicine and completed his residency in general, child and adolescent psychiatry at the University of Michigan from 1974-1978.

He was associated with a family practice in Lagrange, Ind., from 1969-1974 and presently has a private psychiatric practice at Chelsea Community Hospital.

The Rev. Robert Weikart, an ordained Episcopal priest, is pastoral counselor-ethicist for the University of Michigan Family Practice Center, Chelsea, clinical pastoral education supervisor and a national analysis therapist.

Dr. James Peggs received his M.D. graduate training at the University of Michigan and his M.D. from Wayne State Medical School. Why some people get a Greater return on their money.
Some people get a higher return on their money, because they put their dollars in higher interest paying certificates of deposit at Great Lakes Federal Savings. You can, too.
For example, if you have savings, securities or property that are earning 5% or less, you can switch to Great Lakes Federal Savings 8% per annum certificates of deposit (effective annual rate 8.30%) and increase your yearly income significantly.
Take a hard look at all of your invested dollars. This includes savings accounts, securities, property, savings bonds, paid up insurance policies and any other form of investment you may have.
Some could be paying you as little as 5%, 4%, and even less. A switch to some of Great Lakes Federal Savings higher interest paying certificates of deposit could add many hundreds of dollars to your annual income.
We would be very happy to discuss with you how our many plans can help you.

Mr. and Mrs. Lenard A. Kozma

M. Katherine Powers, L. Kozma Wed Saturday at St. Mary's

M. Katherine Powers, daughter of Mr. and Mrs. Robert H. Powers, 1100 Clear Lake Rd., Grass Lake, wed Lenard A. Kozma, son of Mr. and Mrs. Robert Kozma, 18196 North Territorial Rd., in a nuptial mass Saturday, April 21, at St. Mary Catholic church. Celebrants were the Rev. Fr. Philip Dupuis of St. Mary's and the Rev. Fr. David Harvey of St. John's Catholic church in Ypsilanti.

Music at the ceremony was provided by Edmund Jennings of Bloomfield Hills, who played the organ for the professional and recessional; and vocalist Kathy Treado, accompanied by Robert, Jane, Patrick and Philip Powers and Mary McCallum.

For her wedding, the bride wore a white gown with a natural waistline, seed pearls and lace bodice, an organza skirt gathered and flounced with lace edging and bishop sleeves of the same fabric. She wore a crown of stephanotis and baby's breath with a waist length veil and carried japhet orchids with ivy, stephanotis and baby's breath.

The reception was given by the bride's parents at Inverness Country Club. There was a buffet luncheon and dancing to "Caprice," a band from Brighton.

Matron of honor was Judy Cavanaugh of Lansing, sister of the bride. Another sister, Janice Powers, was maid of honor. Both wore sea mist green blouses dresses with bateau necklines of a silky polyester and carried a white rose with baby's breath.

The bride graduated from Chelsea High school in 1969, received her BS from Michigan State University and is employed as a purchasing agent for Raycon Corp. in Ann Arbor.

Her husband graduated from Chelsea High in 1970 and owns his own residential building business, Kozma Construction.

Chelsea Co-Op Nursery School Children Visit Waterloo Rec. Area

Chelsea Co-op Nursery school children visited Waterloo Recreation Area for a program on spring frogs last week.

A 15-minute talk was followed by a mile-long walk to observe frogs in their natural habitat.

Those interested in enrolling children in nursery next fall may call Barbara Raney, 475-1118, Carol Trinkle, 475-8970, or the new president, Marcia Hansen, 475-9718.

Child Study Club Members Shown Microwave Cooking

Guests for the evening were Ann Feeney, Helen Lancaster, Doris Lindsay, JoAnne Richardson, Mary Schardein, Shirley Sweet, Janette Tobin and Lois Yarmain.

Following the demonstrations, Lenore Matloff served the delicious food she had prepared. The executive board will meet May 1. Annual meeting will be at Diane Bortons' home, Tuesday, May 8.

Family Effort Brings Van Ripers Back from Arizona

Mr. and Mrs. Everett Van Ripper left their winter home in Tucson, Ariz., last Thursday, trying to come home to Chelsea. The nearest they could get by air, though, was Chicago's O'Hare Airport.

So, their children, Frank and Nancy Sweeny and Patricia Smith of Chelsea, drove down to the windy city to meet them at the airport. Their son's family, the Gordon Van Ripers of Galva, Ill., were also there to greet them.

The Sweenys and Pat Smith made the journey in a motor home from Lloyd Bridges Traveland, which had been arranged for by son Bill Van Ripper of Chelsea.

They left immediately for home and the Chelsea Community Hospital, where they left Mrs. Van Ripper for needed medical attention upon arrival at 1 a.m. Friday.

It was then possible for Everett to spend the remainder of Friday night in the comfort of his home on Jerusalem Rd.

Rubbish Blitz...

(Continued from page nine) stimulate pride in the school grounds and to acknowledge the school District's responsibility to the good neighbors. To this end, Van Meer said, the students would not rigidly confine their cleaning to school property, but will do some work on surrounding property.

In the event of inclement weather on April 23, the project will be rescheduled for Tuesday, May 1.

Immunizations...

(Continued from page one) Now both month and year that immunizations were given and must be returned by the time school begins. Other information forms are completed and turned in during registration.

Anyone unable to attend the meeting may call either elementary school at 475-9131 and register. Materials will be available for such parents to complete at their convenience.

Open House...

(Continued from page one) Age who are interested in the unit's program are invited to attend.

Sherry Blackwell, Donald Baibak Speak Vows in Ann Arbor Church

Sherry Anda Blackwell of Ypsilanti, daughter of Mr. and Mrs. Andy Blackwell, 216 Harrison St., wed Donald Joseph Baibak of Ann Arbor, son of Mr. and Mrs. Stanley S. Baibak of Brighton, before 200 guests at St. Francis of Assisi church in Ann Arbor, Saturday, April 21.

Her corsage was of cimbidium orchids with stephanotis and baby's breath.

The bride wore a Qiana floor-length white gown with high neckline, fitted sleeves and chapel-length veil. The bodice of the dress, sleeves and veil were accented with French re-embroidered alencon lace. She carried a bouquet of white orchids, stephanotis and baby's breath.

The bridegroom's mother was dressed in a floor-length double-knit sky blue dress with a corsage of off-white cimbidium orchids. Ringbearers were David and Daniel Baibak, twin nephews of the bridegroom.

The bride wore a Qiana floor-length white gown with high neckline, fitted sleeves and chapel-length veil. The bodice of the dress, sleeves and veil were accented with French re-embroidered alencon lace. She carried a bouquet of white orchids, stephanotis and baby's breath.

John L. Jennings of Lansing served as best man. Ushers were the bridegroom's brothers, Thomas Baibak of Howell and Michael Baibak of Brighton; and the bride's brother-in-law, Randy L. Rodriguez of Plymouth.

The matron of honor, Mrs. Kay Cornell of Ann Arbor, wore a floor-length, deep rose Qiana gown with a V-neckline accented by contrasting braiding. She carried a bouquet of spring flowers.

Music was provided by vocalist Chris Alber, accompanied by Wynn Kanten, both of Chelsea.

Bridesmaids were sisters of the bride, Donna Rodriguez of Plymouth and Pamela Blackwell of Grass Lake; and sister of the bridegroom, Joan Luis of Detroit. All wore pale pink dresses of the same style as the matron of honor's gown, and carried spring flowers.

The reception was held at UAW Local 1284 Hall in Chelsea. The couple will honeymoon for two weeks in the Hawaiian Islands. They will reside in Ypsilanti.

Mother of the bride wore a floor-length, double knit mint green dress with long sheer sleeves and a sheer ruffle at the neckline.

The bride is a 1967 graduate of Chelsea High school and is employed at the University of Michigan. Her husband graduated from U-M in 1974 and is a social worker with the Department of Social Services of Washtenaw county.

Check Social Security Earnings Record

A record of the earnings reported for every person who has worked in employment or self-employment covered by social security is maintained at social security headquarters, a social security spokesperson, said recently.

The accuracy of these records depends in a large part on the accuracy of the reports made by employers. Starting with 1978 wages, reports are made just once a year, using Form W-2 (Wage and Tax Statement). Before 1978, wages were reported four times a year.

Employees may check their copy of the W-2 Form to make sure their employer completed the form correctly and showed all earnings covered by social security. The entry in the space for FICA wages should show the amount of their earnings covered by social security if that figure is different than their total earnings.

If the employee has any question about whether the form is properly completed he or she should check with his or her employer. People can also check their own social security earnings record to make sure their past earnings have been properly reported. All they have to do is ask for a copy of the postcard form 7004 at any social security office, fill it in, sign it, and mail it.

In return they will receive a form showing their earnings for recent years, along with total earnings reported since they started working under social security. If the information does not correspond with their own records, they should contact social security right away. They should furnish all the information available about their earnings.

ASK THE GOVERNOR

Question: There has been a great deal of discussion of white collar and economic crime in Michigan. What sort of problems are facing Michigan investors?
Governor: Michigan investors and consumers are confronted with a pervasive problem presented by the white collar criminal. The fraud committed by professional cost artists extends into many forms of legitimate business opportunities.

The business schemes are geared to prey upon the unsuspecting and the unsophisticated. Unfortunately, the schemes are far too often successful. National estimates of the annual cost of white collar crime are placed between \$40 and \$44 billion. While no precise figures are available for Michigan, the annual cost estimates on a population basis alone, could reach \$951 million or an estimated daily loss of \$1.8 million.

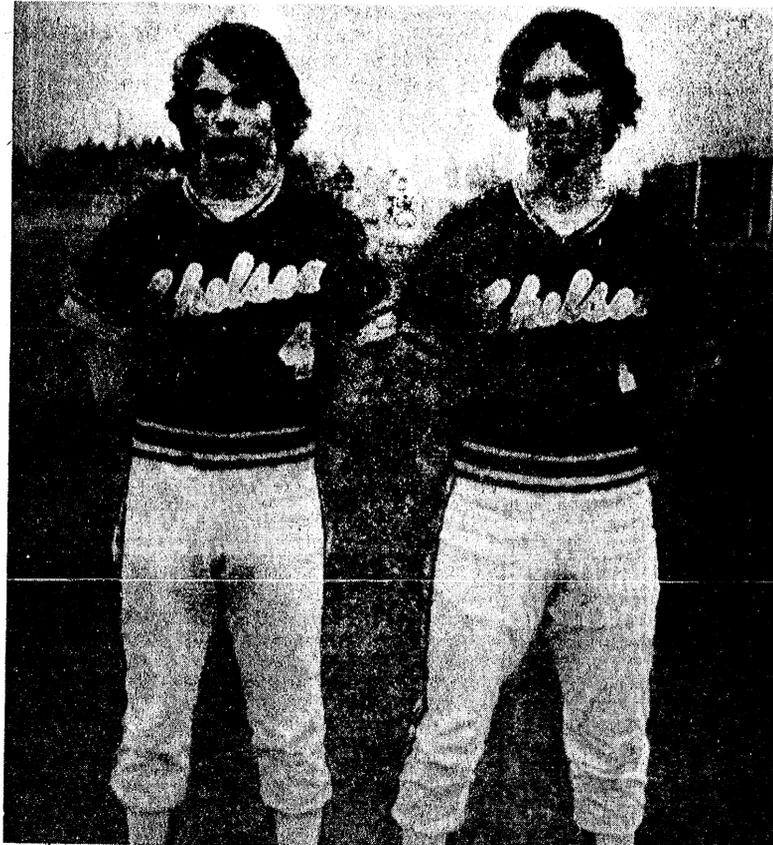

The con man also leaves in his trail dashed hopes and devastated personal lives. Legitimate businesses, as well, are deprived of potential customers. There are several steps investors and consumers can take to protect themselves from a white collar and economic crime. A primary rule is not to invest without investigating. The Michigan Corporation and Securities Bureau can assist you. For more information contact the bureau at (317) 374-9426.

Question: I have heard that several Michigan counties have been declared disaster areas because of various winter storms. What does a disaster declaration mean and who qualifies for assistance?
Governor: Whenever there is a natural disaster, such as a severe storm, spring flood or summer drought, which causes extensive amounts of damage, I request the Small Business Administration (SBA) declare the particular county a disaster area, or I may ask the U. S. Department of Agriculture to declare a state of emergency. There are also many other programs available through various federal departments which will cover specific problems related to disasters which I can request it needed.

This qualifies farmers, ranchers, business persons and citizens for low interest loans through the SBA or the Farmers Home Administration (FmHA). The loans are to cover the cost of repairing homes and other structures and damages due to production and operating losses. Several Michigan counties have qualified for various emergency loans due to severe weather. Additional information on loan eligibility can be obtained through the county emergency services office or from the district directors of FmHA.

Question: The railroad crossings in my town are in pretty bad shape. I am afraid to cross some of them for fear I will damage my car. Is the state doing anything to correct this situation?
Governor: Michigan has just embarked on a four-year, \$30 million federally and locally funded program to improve the safety of the state's railroad crossings. The state Department of Transportation has received more than 400 applications from cities, villages and counties designating crossings that need improvements. Unfortunately, only about two-thirds of those crossings will be repaired under this program. We are currently trying to secure more funding. Michigan has set up the machinery to take full advantage of this federal program and we could use at least twice as much money as Congress has appropriated to our state. In past years we have repaired about 490 of the 8,500 crossings in our state. The average cost per crossing for the installation of new gates, automatic signals and a rubberized material between the rails to smooth the crossing is \$80,000. When people are out of work, or seek new work, they can receive training, placement services, transitional public service jobs, or a state or local agency under policies and guidelines developed by the U. S. Department of Labor's Employment and Training.

Bulldog Sluggers of the Week

JIM COBB, above left, has been in organized baseball through Little League and Babe Ruth, but finds time to devote to plenty of other activities. During the rest of the school year, he's active in wrestling, played basketball as a sophomore and plays defensive back on the football team. The 5'7" outfielder sat on the bench for the doubleheader with Jackson Northwestern last week and was in a good position to assess the team and pick out the reasons for the double loss: "We made a lot of mental errors," he said. "We weren't ready for the game, not concentrating enough." Jim is missing the Bulldogs' Tuesday game with Dexter because of yet another of his activities. He's traveling to the regional forensics meet to participate in the multiple reading of "Family" with the Chelsea High school team. A junior, Cobb plans to play football and wrestle his senior year. His post-graduation plans are still a little hazy. Jim is the son of Art and Tacy Cobb of 13877 Old US-12.

ROGER MOORE devotes all of his sports time to baseball. The senior Bulldog tri-captain played centerfield in the Bulldogs' last contests with Milan and Jackson Northwest, collecting one hit in the first game and picking up two in the doubleheader. Roger explains the double loss to Northwest this way: "I think we were down. After we beat Milan we thought Northwest would be easy. We didn't hit very well, but we're still 2-0 in the league." The 5'8" senior realizes that it's still early in the season for the Bulldogs. He does think, however, that the team has "got to work on some field problems." Jim hasn't yet decided whether or not he wants to continue school after graduation from CHS. He is thinking about becoming a mechanic. Jim is the son of Arthur and Dorothy Moore of 13493 Sager Rd.

Beach 6th Grader Camp Starts May 7

Summer vacation may still be many tantalizing weeks away, but for the 6th grade students at Beach school, summer camp is as near as next week.

The students will take the week of May 7 to travel to Mill Lake Camp, where they will sleep in cabins, practice arts and crafts and learn more about the environment they are sharing.

According to trip co-ordinator, Beach school counselor Peter Warburton, the experience is "very important."

"It really helps the kids know each other better in a setting other than school," Warburton explained. "It's also a nice way to get to know teachers in a different setting, outside the classroom."

The classes of Mrs. Koch, Mr. Wescott, Mrs. Fox and Mr. Beard will be split in half for the week each half attending the camp for two days and two nights.

A total of 30 activities have been scheduled for the student including canoeing, outdoor sketching and toy making, and classes such as "Life in the Bog," "Spring

Band," and a cemetery study to help discuss local history.

Warburton pointed out that the camp, now in its eighth year, can take place only through the extra efforts of teachers and parents.

"Teachers come and lead the classes," he said. "Parents assist them and are cabin counselors help in the kitchen and take turns for the night camp watches."

Students also take an active role in planning. They selected "The World of Sports" as the theme for this year's outing. Cabins will be named after sports activities or players, and each cabin will prepare and perform a skit based on the theme.

Warburton said the fee for camp is \$10 per child and that 99 percent, if not all children usually attend.

The U. S. Employment Service, part of the U. S. Department of Labor, directs the federal-state employment service system, a nationwide network of 2,400 local offices staffed by about 35,000 state employees.

St. Joseph Hospital Auction Nets \$30,016

The wives of Dottie-O-Dairy in Chelsea not only donated a week-end on a dairy farm gift to the St. Joseph Mercy Hospital Radio Auction, but they had the winning bid on 1,000 boxes of Jiffy Six donated by Chelsea Mill Co. They were among the winners of 55 donated gifts recently auctioned off over radio station WAAM. Other winners received everything from maid service to sports gear. It took over 91 volunteers, 125 collectors, seven St. Joseph Mercy Hospital staff members, 40 members of the Bechtel Corp. Women's Group, all of the donated gifts, valued at \$7,512 and many, many hundreds of hours to bring about the three-day event. But the end justified the means: \$30,016 was raised for a surgical table, stryker frame, blood-warmers for surgery, portable patient monitors, and infusion pumps to administer IV fluids. Last year the auction raised \$18,750.

Chelsea Hospital Plans Summer Speech Therapy

Chelsea Community Hospital will again sponsor a speech and language therapy program for preschool and school-aged children during the summer. The program will run from June 18 through Aug. 16, with the first week being devoted to evaluation and the remaining eight to therapy. Small group therapy sessions will meet for three 50-minute periods weekly on Tuesday, Wednesday and Thursday. Because parental support is important, this year's sessions will include parents through an evening discussion group that will meet

TODAY'S INVESTOR

By Thomas E. O'Hara
Q. My broker told me that it was a good idea not to buy a stock I asked him about because he said it had a "thin float." Would you explain what that is and why it is not good?

A. A "thin float" is a situation where only a small number of shares of a company's stock are available for trading in the market. This happens in a variety of ways. Sometimes when a corporation places its stock on the market a substantial part of the stock winds up in the hands of people who intend to continue to hold it and therefore are unlikely to sell it. Often these people will be the management or people closely connected to management. They are usually people who well understand the value in the company and have an interest in maintaining control of the company. If a company has 1,000,000 shares of stock outstanding and 800,000 of those shares are owned by the president and his family, the limit on the number of shares that are likely to be traded on the market is about 200,000 out of the million shares. In such cases there is a limited number of shares likely to be traded and consequently you have just a few shares available for the market. The market is therefore "thin."

Youth Faints, Falls Through Glass Window

A 17-year-old Hamburg youth was transported to Chelsea Medical Center with injuries sustained in a fall through a plate glass window at the A & W Root Beer stand on Dexter-Chelsea Rd., Friday afternoon, April 20, according to the Washtenaw County Sheriff's Department. Deputies said Scott Alexander, 11475 Hamburg Rd., Hamburg, was awaiting his order at the stand at 12:55 p.m. when he fainted, crashing through a window and cutting himself deeply on his right shoulder and both arms. He was removed by an ambulance from Fontana-Taylor to the Chelsea hospital, where he was treated and released. When questioned, a witness at the scene told deputies that Alexander had told him a short time before that he hadn't eaten since 3 p.m. the previous day. The Dexter Fire Department was on hand to administer first aid.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU
★ Nowhere But Up For Lettuce Prices
Consumers who may feel a shiver about rising food prices in the latest cost of living index will be wondering—what comes now? Unlike many other commodities, the seasonal and cyclical nature of food production often provides that what goes up in prices can also come down. But there are un-promising overtones for the fruit and vegetable budget. Most of our fruits and vegetables come from California, and a strike by Cesar Chavez' United Farm Workers against lettuce companies in the Imperial Valley has not only put the chill on 10 big lettuce operations there, but also on prospects of planting melons, sweet corn, wheat, and other crops. And without a settlement in the Imperial Valley, the strike may well go to neighboring places and ultimately to the big spring and summer lettuce and vegetable areas to the north. True, there is much produce that will make its way to market from other states, and from California farms without Chavez contracts, but shortages will drive up prices at the very time that traditional volume on the market tends to bring them down. What are hopes of a settlement of the lettuce labor troubles? Struck growers say they can't begin to meet the new demands of the Chavez union—up to nearly 200 percent above present wage-benefit figures. Chavez, for his part, hasn't budged. As always, consumers are caught in the middle—and so are the workers in lettuce. To date, the lettuce strike appears to have helped no one—except the statisticians who busily tick off figures in the rising cost of living index.

Superwalk To Benefit Dimes Fund

Calling all men, women, boys and girls in the Dexter area: It's time to get a comfortable pair of shoes ready for the March of Dimes Superwalk, slated for Saturday, April 23. Walkers will begin their 20-kilometer (13-mile) trek at 9 a.m. from Dexter High School.

It is hoped that there will be a super turnout for the first Superwalk. Walkers of all ages are urged to participate. However, the majority is expected from the junior and senior high schools.

Birth defects are the nation's number one child health problem. Each year more than a quarter-million infants are born with mental or physical damage. This nationwide figure includes our own community. Pledges from the Superwalk will assist March of Dimes medical service and education.

Registration forms and sponsor sheets are being distributed this week through the high school and Wayne Middle school. Other interested people in the community may pick up their forms at The Dexter Leader office or the Dexter Pharmacy.

For further information, contact Shawn Dettling, 428-4343, Jeanne Barry, 423-2395, Ida Zanniller, 789-4614, or the March of Dimes office, 761-6331.

Area Students Graduating at Northern Mich.

A Chelsea resident will be among the 688 Northern Michigan University students awarded degrees during spring commencement Saturday, April 28 at the Hedgecock Fieldhouse in Marquette.

Dora M. Alexander will receive a BS degree in working with the mentally handicapped. She is the daughter of Mr. and Mrs. Donald Alexander of 224 W. Middle St.

Another area student, Loretta G. Young of 5890 St. John Rd., Grass Lake, will receive an AS degree in art from NMU at the same ceremony.

The commencement address will be delivered by Dr. W. Leslie Pengelly, an NMU alumnus who is immediate past-president of the Wildlife Society. Pengelly, an internationally recognized authority on fish and game management, will receive an honorary doctor of humane letters degree during the ceremony.

National Hospital Week Being Observed

Several public programs will be presented during Chelsea Community Hospital's observance of National Hospital Week, May 6-12.

Jan Tupper, director of volunteer services, Gertrude Warkenton, R.N. nursing supervisor, and Patricia Asp, R.D., director of dietary services are planning the events.

The first program is "Food Is More Than Something To Eat." It will be presented by Julie Say, community nutritionist, in conjunction with the Chelsea Community Education Program. Topics covered will be food additives, vegetarian diets, eating behaviors as they relate to weight loss and nutrient needs of family members. It will be held on May 1 and 3, from 7:30 p.m. to 8:30 p.m. at the Chelsea High school. Cost of the program is \$3. To register, call 475-9830.

Chelsea Community Hospital's Auxiliary is sponsoring a free blood pressure clinic on May 4, at the Chelsea State Bank from 9 a.m. to 4 p.m.

"Human Sexuality in Rearing Children" will be presented by Dr. Marguerite Shearer, a family practice physician and sexual therapist, at Chelsea Community Hospital at 8 p.m., Thursday, May 10, in the dining room.

"Coping With Stress Through Leisure Activities" will be presented by the Recreational Therapy staff at Chelsea Community Hospital on Tuesday, May 8 from 7 to 8:30 p.m. and on Friday, May 11 from 10 to 11:30 a.m. Both sessions will be held in the

Conference Room and will include such topics as identifying stress mechanisms of coping with stress and needs met through leisure. This program is free and open to the public.

A series of four diabetic classes will also begin the week of May 3. Topics covered include: treatment, hyperglycemia, hypoglycemia, the diabetic food exchange system, eating out on a diabetic diet, cooking tips and the liquid diabetic diet. Patt Parr, registered nurse and Julie Say, registered dietitian, will be preparing the program in conjunction with the Manchester Community Education Program.

A registration fee of \$10 is charged to cover costs of the four class series. Classes will be held at Manchester High school at 7:30 p.m. Thursday evenings. For further information or registration call 428-7804.

The hospital nursing staff will also be presenting a video tape to area kindergarten and first grade students during the week, about being admitted to the hospital.

School children with scholastic and/or behavioral problems may have an unalleviated hearing loss and should be given a hearing test as soon as possible; warn hearing specialists.

U-M Hosting Special Olympic Track Meet

Chelsea High school's Special Olympians will be competing in a Special Olympics Track and Field meet, to be held Friday, May 4 at the University of Michigan track. More than 600 mentally retarded athletes from ages 5 to 65 are expected to participate.

A parade will begin at 9:45 a.m. with events following at 10 a.m. Athletes will compete in events such as the 50-meter dash, 100-meter dash, the mile run, softball throw, high jump, standing long jump and the pentathlon.

Participants will come from schools and institutions such as St. Louis School for Boys, Dexter and Saline schools, High Point Center, Community Health Development Center and many others.

This track meet and other year-round Special Olympics programs are made possible by many people and organizations. Friday's event was aided in planning and execution by Don Canham, U-M Athletic Director, and the U-M athletic department.

Chelsea groups that have assisted in making the meet possible are the Chelsea Jaycees and their auxiliary.

The philosophy of the games is summed up by the Chelsea High school special education teacher, Nancy Cooper: "Our goal is to get the retarded out into the community. We emphasize what they 'can' do as opposed to what they 'can't.' The goal is not to win but to try to learn."

Six of the students were from Pinckney. They include Richard Jeffrey Bade, BS; Robert Terry Breneman, BS; John Richard Compton, BS (cum laude); Tamara Noel Kaiser, BS; Theresa M. Marx, BS; and Cheryl Ann Schell, BBA.

The commencement address was delivered by Dr. Ernest L. Boyer, U. S. Commissioner of Education.

Jaycees Elect New Officers

Chelsea Jaycees combined regular and annual meeting was held Tuesday, April 3 in the meeting room of Chelsea Lanes. The regular meeting was followed by election of officers.

New Jaycee leaders are: president, Bob Meyer; administrative vice-president, Jerry Martell; individual development vice-president, Morgan Rowe; community action vice-president, Harry Thurkow; secretary, Charlie Sprawka; treasurer, George Lyons; directors: Dennis Compeau, Wendell Wagner and Jim Samek.

New officers will be formally installed at the annual installation banquet to be held Saturday, April 28 at Point East. Awards for outstanding service during the year will also be presented at that time.

Child's Immunization Records Should Be Returned to School Now

Superintendent Raymond Van Meer requests parents' co-operation in returning the requested immunization information that was mailed to parents of students in the Chelsea School District.

In the near future, parents of students in need of further immunization will be receiving letters. Response to this letter is of the utmost importance, as proper immunization will be required before students will be admitted to school in September.

The Secretary of Labor, nominated by the President and confirmed by the Senate, heads the U. S. Department of Labor and is the President's chief advisor on labor matters.

BUSINESS BLITZ FOR CANCER: The 10 a.m. Coffee Klatch smiles from its usual spot at the Chelsea Restaurant's round table. The smiles come in anticipation of the business blitz the group is planning for the Chelsea Chapter of the Cancer Society, Thursday, April 26, the intrepid band will rally forth on a crusade to collect donations to the society from area businesses. The Klatch has targeted about 20 local operations, mostly industries and small industrial shops. Having some of Ella McMillan's coffee to fortify them for the day are, standing, left to right, Bill Spade, Charles Cameron, chairman, Julius Blaess, Don Cole, Lu Muck, John Pierson and Ella McMillan; seated, Ray Coulter, Clarence Pendley, Durwood Prochnow, Paul Frisinger, Herman Koenn and Bob Foster.

Eisele Hurls No-Hit Ball Against Milan

Chelsea's varsity baseball team lost its first league game of the season Tuesday, bowing to Dexter, 2-1. The loss made three consecutive defeats for the Bulldogs, who dropped a doubleheader to Jackson Northwest Saturday, following a Friday afternoon win over Milan. Chelsea's SEC record is now 2-1.

Mike Eisele pitched well in Tuesday's contest with the Dreadnaughts, giving up just four hits, but issuing six walks.

The Bulldogs could muster only three hits, with Roger Moore stroking a double and single and Drew Prague picking up a single. Chelsea stranded seven runners on base. In last Friday's contest with Milan, however, it was a different story as Mike Eisele hurled a no-hitter to lead the team to a 2-1 victory. Milan scored its unearned run on an error, two walks and a fielder's choice.

Chelsea managed only three hits but combined them with seven walks and three Milan errors to take the win. The Bulldogs scored their two runs in the third inning on hits by Roger Moore and Lou Jahneke and walks by Gary Dils, Mike Wood and Brad Knickerjocker. Chelsea's other hit was John Dunn's single. Saturday, however, the Bulldogs

came up flat, losing a doubleheader to Jackson Northwest, 6-5 and 5-1. Chelsea stranded 12 runners in the opener and watched a late rally fall short. Hits were contributed by Roger Moore, Gary Dils, Al Augustine, Lou Jahneke, and Mark Barnes.

In the nightcap, Chelsea took an early 1-0 lead, but the Mounties nibbled away, scoring one in the fourth, one in the fifth and three in the sixth to secure the victory.

The Bulldogs collected hits by Moore, Gary Dils, Mike Wood, Drew Sprague and Jeff Dils. Chelsea hopes to bounce back in a doubleheader at Brighton next Saturday.

Real Estate

By PAUL FRISINGER

REALTOR

OPPORTUNITY VS. INCONVENIENCE

Once you list your home with a Realtor, it's up to him to find a buyer fast. Normally, he'll arrange appointments to view the home which are convenient to both parties. That's always nice.

Sometimes, however, prospects are on tight schedules, requiring your Realtor to make last-minute appointments. Don't get annoyed. I'd like to have a dollar for every sale consummated on a last-minute appointment. Believe me, these are the best ones. Why?

Often, prospects who are transferring into your area, are on short househunting visits. They don't have the luxury of

time on their side. And they want and need a house now — not in a year. The busy prospect is also more apt to make an immediate offer to buy than one who has all the time in the world. So, if you really want to sell your house in a hurry, treat the last minute appointment as an opportunity — not an inconvenience.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8688; evenings 475-2621. We're here to help!

JV Softball Team Wins 3 in First Week

Chelsea High school junior varsity softball team opened the 1979 season by defeating a good South Lyon team, 16-12, behind the strong pitching of Diane Thompson.

South Lyon was the outstanding JV team in the league last year, so Thompson's first win of the young season was a fine effort for the young sophomore.

Diane gave up just eight hits and 13 walks while striking out eight South Lyon hitters. Diane pitched the full seven innings getting progressively stronger as the game went on. Coach Waller commented that he is counting on Diane to lead a freshman dominated pitching staff in its 22-game schedule.

Sophomores Paula Haist and Cara Feeney, with help from freshman Amy Unterbrink, led the hitting attack against South Lyon, as Haist and Feeney each had two hits and Unterbrink collected three.

The JV girls continued their winning ways as they traveled to Milan on Friday and defeated the

Big Reds, 19-6, in five innings. Freshman Amy Unterbrink made her first start for CHS on the mound and recorded one of three no-hitters posted by Chelsea teams on Friday. Unterbrink allowed Milan to hit the ball into fair territory just three times as Milan laid down two bunts and a pop fly to first base. Amy walked nine and hit six while striking out nine, including the only three batters in the fifth inning.

Shelly Weber was given the task of catching the hard-throwing Unterbrink and was outstanding in her first assignment behind the plate. Shelly is an outstanding "freeman," as she started the South Lyon game at shortstop and also plays centerfield.

Chelsea featured a balanced hitting attack as Cathy Wade led the hitters with three hits and Paula Haist, Cara Feeney, and Beth Bush each had two hits.

On Saturday, the JVs played their first double-header of the season against Ann Arbor's Huron at Huron's field in Ann Arbor. Chelsea took the first game as Anita Powell pitched her debut game for CHS and produced an 18-4 victory.

Anita stepped down to the JV team for a day to gain her first real experience as a pitcher and performed brilliantly as she limited the Huron girls to just one hit, walking four and hitting two as she struck out nine of the Huron batters.

Anita plays on the varsity softball team as a starting outfielder. Bill Westcott, the varsity coach, hopes that Anita will also be able to develop as a pitcher and add depth to the varsity's pitching staff in their bid for the conference championship. If Powell's first outing is any example, she should have an outstanding future on the mound.

Chelsea capitalized on a weak performance by the Huron pitchers and clutch hitting by Anita Powell, Paula Haist, and Cathy Wade, and a three-run homer by Beth Bush, her first and the team's first of the year.

Diane Thompson started the second game of the day but was plagued by five fielding errors as the young JVs showed the strain of playing their first doubleheader. Diane was literally knocked out of the game when she was knocked down in the fourth inning in a collision at the plate.

Two throwing errors produced three runs and forced Diane to withdraw from the game. Chelsea went on to their first (Continued on page 14)

VARSITY INFIELDERs on the Chelsea High school softball team are working to achieve the smoothness in the field that only experience playing together can bring. This year's crew of in-

fielders includes, back row, left to right, Tammy Collinsworth, Cindy Bareis, Kim Wood and Jennif Ringe; front row, Patti Hume and Molly Eisele.

Softball Team Will Have Strong Infield

Chelsea High school varsity softball team's infield will be working hard in the next few weeks to improve its defensive softball game.

Led by two seniors, Cindy Bareis and Tammy Collinsworth, the infield hopes to reduce some of the mental mistakes that all teams make in the early stages of the season. Both Tammy and Cindy while Tammy plays second and sometimes third.

JV Baseball Team Opens with 1-2 Record

Chelsea High school's junior varsity baseball team opened its 1979 season this week, posting a lopsided 1-2 record. The Bulldogs defeated Milan, 7-3, but dropped a twin bill to Jackson Northwest, 5-4 and 8-1.

Friday's contest with Milan featured a four-hit pitching performance by Joel Krichbaum, who struck out eight Milan batters.

Chelsea fell behind early, trailing 3-2 in the fifth inning. The Bulldogs rallied in the sixth, though, picking up five runs sparked by two suicide bunts by Sean Peterson and Jon Riemenschneider.

Peterson and Ken Hopkins led the JV in hits with two each. Mike Bohlender, Riemenschneider,

In addition to the seniors and juniors, the infield will boast two sophomores, Molly Eisele and Jennifer Ringe, although a new member on the varsity team, has exceptional talent and the desire to make a contribution to this year's Bulldogs.

Tammy, Cindy, Kim, Amanda, Patti, Molly and Jennifer will all be hustling to make this year's varsity infield the pride of Chelsea.

This Week's Thought
from Don Cole
Your Chelsea Funeral Home with the "HOME" like atmosphere By Donald A. Cole
Lots of people are planting gardens these days. Want an idea on how you can plant the finest garden of all - even indoors?
First, plant five rows of Peas: . . . Presence, Preparation, Promptness, Purity and Perseverance . . . Next, plant three rows of Squash: . . . squash Gossip; squash Criticism, squash Indifference . . . Then, plant four rows of Lettuce: . . . Let us be Faithful to Duty; let us be Unselfish and Loyal; Let us be True to our Obligations and let us Love One Another . . . And then plant Turnips: Turn up for important meetings; Turn up with a Smile; Turn up with New Ideas; Turn up with Determination to make everything count for something and Be Worth-while . . .
Plant the seeds. It's easy. Try it. You'll have a fine garden with less effort than you can imagine. In fact, this sort of P. S. L. T. garden is always guaranteed to grow with guaranteed satisfaction - quickly!

Your Auto-Owners agent wants you to get the policy that's right for you.
Even if it isn't from Auto-Owners
When you go to an insurance agent who represents only one company, he only has one company's policies to offer you. But an independent agent represents several companies. So if one company's insurance isn't right in price or coverage he'll tell you. He knows another one of his companies is. But the one-company agent? Do you think he'd tell you? So talk to your independent Auto-Owners agent. There's no telling how much he can help you.

bara Lemaster of Home Interior, Walt and Sandy Zeeb of Chelsea Greenhouse, and Ann Feeney of Chelsea. We would also like to thank Chelsea Milling for their contribution of cake mixes, Mrs. O'Hagen and her high school home economics class for their preparation and imaginative decorations of cakes, Karey Johnson and her 8th grade orchestra who provided us with and staffed a very scary Spook House, Linda Bristle and her clown friends who added to the fun and excitement with their fun antics and colorful costumes and the friends of the Chelsea Players who operated the make-up booth. To single out all those who contributed within our school would be impractical. We would, however, like to thank Mr. Wojcik and those of his staff who participated. Our warmest thanks to Marcia Quilter for her time spent as the Mysterious Madame Q. We would also thank Mr. Benedict of North school for allowing us to advertise our event in his school.

THANK YOU
 Stanley Montange would like to thank his neighbors, friends and relatives for the lovely floral plants and cards that he received during his hospitalization Chelsea Community Hospital. Special thanks to Fr. Dupuis and Fr. Belser of St. Mary's. Also Doctors Botsford, Papo and Ys Reesma.

Cards of Thanks

CARD OF THANKS
 The PTS of South school wish to express their sincere appreciation to the many groups and individuals who contributed so much to our successful Fun Fair. For their contributions of prize material we would like to acknowledge and thank: Ron and Ann Adams of the North Lake Country Store, Jim and Ruth Callison of Dearborn, Laurie Smith of Day-spring Gifts, Sam and Joyce Johnson of Gambles, Luther Kusterer of Kusterer's Food Market, Bar-

HOLLEY
ECONOMASTER
CARBURETORS

The carburetor designed and calibrated specifically for more miles per gallon.

Each Holley Economaster Carburetor has been designed specifically for the car it fits. This is the only carburetor of its kind on the market today. Come by and let us explain.

Fuel savings between 10-20% are not uncommon. Available for cars, trucks, vans, 4, 6 or 8 cylinder.

HEADER
SALE
 If you are not sure what headers are let us explain. Headers are an exhaust outlet system for bus, trucks or cars that allow for free outlet flow of engine exhaust. This method of exhausting your engine increases horsepower and raises operating efficiency, therefore saving fuel. Stop by and we will show you a set and explain further if you wish.

\$59⁹⁵ Per Set

Includes gaskets, collectors and necessary hardware for easy installation. These headers are sure-fit and simple to install.

Nanette Push Gets First No-Hit Game

Friday, April 20, Nanette Push pitched her first no-hitter to pace the Chelsea High school softball team to its second victory of the young 1979 softball season. Push fanned 13 Milan batters in an amazing seven-inning performance. Nanette, a junior, has now struck out 23 batters in two Southeastern Conference games.

"I am very pleased to see Nanette throwing this well in the early part of the season," said Coach Bill Wescott. "She really throws the ball by the hitters and puts the pressure on them."

Chelsea picked up its first victory in the 1979 season by defeating South Lyon, 11-5. South Lyon drew first blood by scoring two unearned runs in the first inning. If two walks and a throwing error. Chelsea then rallied in the second inning with five runs sparked by a Kim Wood single.

From the second inning on, Chelsea led South Lyon by taking advantage of Toni Eisinger's control problems. Eisinger, an all-SEC pitcher last season had trouble finding the plate and issued 20 walks in the seven-inning affair.

"This early in the season some

pitchers really struggle with control," said Coach Wescott. "It is too bad because I think that Eisinger is a good sound pitcher. I am sure that South Lyon will have this problem taken care of when we meet them the second time around."

Jennifer Ringe led all Chelsea hitters with two singles.

After downing South Lyon, 11-5, Chelsea defeated Milan, 6-0. Nanette Push was the winning pitcher for Chelsea while Cheryl Smith was tagged with her first defeat of the year. Both Cathy Voita and Jennifer Ringe picked up two singles each in the victory.

This Friday and Saturday, Chelsea will take on Saline and Brighton in Chelsea. Friday's game against Saline will start at 4:30. Saline is the only Southeastern Conference team to defeat Chelsea's varsity at home since 1977.

As Coach Wescott remarks, "Saline is always prepared to beat Chelsea in softball and this game will not be any different." The double-header against Brighton will begin at 11 a.m. The first game of the afternoon will count toward the SEC title standings while the second game does not.

PAUL ANDERSON, Chelsea High school sophomore, displays the awards he won at the 21st annual Southeastern Michigan Science Fair in Ann Arbor Saturday, April 21. Paul placed third overall in the Senior Division for students in grades 9 through 12 with an exhibit on "Adapting Tiny

Parascal to a Microcomputer System," receiving \$50 and a bronze medal. He also took second prize in the fair's Physics and Engineering category, and the Junior Engineering and Technical Society second-place award. Paul is the son of Mr. and Mrs. Albert Anderson, 14689 Waldo Rd.

JV Softball...

(Continued from page nine) loss of the year, 23-18, as the girls failed to come up with the big hit at the right time. The JVs left the bases loaded four times and made many base running mistakes. Chelsea had the Huron pitcher on the ropes in almost every inning but just couldn't throw the knockout punch.

Beth Bush led the Chelsea hitters with two hits, including her second three-run homer of the day.

The JVs are now 2-0 in the league and 3-1 on the season and will face Dexter and Saline next week, and meet Brighton in a doubleheader.

High School Pitchers Notch 3 No-Hitters

Three Chelsea High school pitchers began their hurling seasons in a big way Friday, with pitchers from the varsity baseball and softball and junior varsity softball teams all recording no-hit performances.

Nanette Push pitched the varsity softball team to a 6-0 victory over Milan, collecting 13 strike-outs along the way. She has now fanned 23 batters in two SEC games. Coach Bill Wescott expressed pleasure in Nanette's control excellence so early in the season.

Varsity baseball team picked up its no-hit victory behind the tight mound work of Mike Eisele. Eisele held the mound throughout the game, giving up six walks but getting tough in crucial situations. Milan's single, unearned run, against Chelsea's two, came on an error, two walks and a fielders' choice.

Rounding out the trio of amazing pitching jobs was the junior varsity softball team's Amy Unterbrink. Only a freshman, Amy made her first start for CHS Friday and allowed Milan to hit the ball into fair territory only three times. Those three efforts resulted in two bunts and a pop fly to first. Amy fanned the side in the fifth, picking up nine strike-outs, and issuing nine walks. Chelsea took that five-inning game, 19-6.

Chelsea Co-Op Nursery Plans Open House

The Chelsea Co-Op Nursery, 11000 Dexter-Chelsea Rd., will hold an Open House Sunday, April 29, from 2 to 4 p.m.

Parents are invited to bring their children. Refreshments will be served, and the public is welcome.

Fair Board Okays Plans for Swine Club

The regular meeting of the Chelsea Community Fair Board was held Thursday, April 19 at the Fair Service Center.

President Lloyd Grau called the meeting to order. The minutes of the March 15 meeting were read and approved. Other officers present were Kay Poljan, treasurer; Mary Ann Guenther, fair secretary; Earl Heller, executive vice-president; and Frank Renton, Fair Board secretary.

Board members present were Art Steinaway, Dick Poljan, Jim Dault, Reuben Lesser, Jr., William Stoffer, Archie Bradbury, Bob Heller, John Klink, Joe Merkel, III, Charles Staphish and Charles Koenn.

Those absent were vice-president Jerry Heydlauff, Richard Bollinger, Harold Gross, Jerry Herrick, Ed Keizer, Mark Staphish, Dick Kolander, Ralph McCalla, Frank Sweeny and Harold Trinkler.

Others present were Pat Markel

for fair promotion, John Wellnitz, Merle Sibley and Shelly Hatt, Cindy Welshans, Candy Schirrmacher and their FFA advisor Keith Garner.

The FFA presented plans for BOAC (Building Our American Community), a banner to be made and put on the flagpole, among other suggestions. Also discussed were plans for the FFA to organize a Swine Club for the 1979 fair, similar to the existing Steer Club. All plans, signs, banners, etc., were approved by the Fair Board subject to village approval.

Merle Sibley presented more detailed plans for horseshoe courts, which were approved by the Fair Board, also subject to village approval.

A Chelsea Community Fair flag was debated and accepted. Plans were very good and well presented. More specific and detailed plans for a new arena and the fair itself were discussed.

Jim Schnebelt To Present Paper At Conference

Jim Schnebelt, a meteorologist on the staff of the Institute for Storm Research in Houston, has been invited to present a paper at the 12th Technical Conference on Hurricanes and Tropical Meteorology.

The conference, which is being held this week in New Orleans, is sponsored by the American Meteorological Society. His paper is on "The Hurricane Danger Zone and Hurricane Front."

Jim, who graduated from Dexter High school in 1973, and from the University of Michigan Engineering School in 1977, is the son of Joe and Betty Schnebelt of Dexter.

Central Michigan University's first doctoral class is now in its second year of study. Ten carefully selected students will be added to the program in practical psychology each year until 1980 when it will be fully operational with about 40 to 45 students.

Manchester Walkathon
Scheduled Saturday

This Saturday, April 28 is the big day for Manchester's third annual Walkathon for the March of Dimes.

If you're not signed up and would like to participate, registration forms may be found at the middle school or State Farm Insurance office. Sponsor sheets are available at both locations. Registration forms may also be obtained at McDonald's, but must be returned to the school or insurance office to get a sponsor sheet.

Walkers will meet on Saturday at 9 a.m. at Manchester Middle school to check in and get route cards. The card contains a map of the route and places for stamps at each checkpoint.

There will be well-marked cars to pick up those whose feet and legs will carry them no further. Walkers are cautioned not to get into any vehicle that is not identified as a March of Dimes car.

Each checkpoint will have a first aider or nurse, as well as a CB for communication, restroom facilities and snacks. All along the route, MOD cars will be watching and following so no one will get lost. Those who "poop out" will be returned to the middle school to check out, and may be picked up there by their parents.

Prizes will be given for the male and female with the most sponsors and for the male and female raising the most money and turning it in. The group raising the most money will be the proud recipient of the Battered Boot Trophy. Other prizes will be given as well, so enjoy the walk and help stamp out birth defects.

We'd like to offer you odds for a longer life—and it really won't cost you much. Here's all you have to do. Have your blood pressure checked regularly, watch your weight, get regular exercise—and don't smoke cigarettes. We can't really promise that you'll live longer, but your odds against having a heart attack will be a lot better. Want more information? Call the Michigan Heart Association. We're fighting for your life.

The Bible - The Light from Heaven

Ascribes justification to several agents. By the word agent is meant, A person or thing that performs actions or is able to do so. Justification, a setting right with God. God's grace is the motive agent. "Being justified freely by his grace through the redemption that is in Christ Jesus." (Romans 3:24). Christ, the ready agent. "And by him all that believe are justified from all things, from which ye could not be justified by the works of the law of Moses." (Acts 13:39). Christ's blood, is the procurable agent. "Much more then, being now justified by his blood, we shall be saved from the wrath to come." (Romans 5:9). The name or authority of Christ, the immediate agent. "And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus..." (1 Corinthians 6:11). Man's faith, is the basic agent. "Therefore being justified by faith, we have peace with God through our Lord Jesus Christ." (Romans 5:1). Man's works, the human active agent. "Ye see then how that by works a man is justified and not by faith only." (James 2:24).

Tennis Team Goes 1-1 for Past Week

Boasting strong doubles teams, the Chelsea High school tennis team won one and lost one this past week, defeating Stockbridge but bowing to a strong Saline team.

Thursday's match with Stockbridge was a 5-2 victory for Chelsea. It was "a good win," according to tennis coach Terry Schreiner.

In singles, Tom Severn easily defeated his opponent, Joe Kurkan, 6-2 and 6-0, with excellent serving and net play. Jeff Stirling downed Dan McKune, 6-4 and 6-2, with over-all good court play.

Terry Shonk fell, 2-6, 2-6, to Stockbridge's Betty Zick, but played a good match. Scott Prohaska defeated their number four man, Rich Toulliere for a solid win, 6-0 and 6-3. It was Prohaska's first win in this, his first year in tennis.

The duo of Jeanette Morrison and Sarah Haselschwardt took a three setter from their Stockbridge opponents, Stone and Horst. They dropped the first set, 0-6, but rallied strongly to take the second, 6-0, and picked up the third in a tie-breaker, 7-6.

The team of Arnel Minix and Dave Parks defeated their opposition, 7-5, 2-6 and 6-3. In both matches, experience seemed to be the key to the comebacks and a will to win.

The team of Joanne Westera and David Boyer couldn't quite pull out the final match and lost in the third set. Their scores were 7-5, 6-7 and 6-7 against Benson and Boos.

The Bulldogs next traveled to Saline where they encountered a strong and determined crew and fell, 1-6, on Friday.

Saline took all matches but one, which was won by the team of Dave Parks and Arnel Minix over Hall and Videki, 3-6, 7-5 and 6-1.

The singles teams just didn't have the experience necessary to stem the Saline tide. Tom Severn suffered a loss to Mike McClure, 6-1 and 6-2. Jeff Stirling fell, 6-0 and 6-2, while Scott Prohaska dropped his match with the same scores. Terry Shonk went down before Tim Brososky, 6-1 and 6-2.

The doubles teams fared better. The duo of Jeanette Morrison and Sarah Haselschwardt suffered defeat at the hands of Bersuder and Raham, but Parks and Minix took their match by going three set scores above.

Joanne Westera and David Boy-

er fought a hard battle with Causmet and Valley but lost, 6-4 and 6-3.

Saline is probably Chelsea's toughest competition, and meeting them in only the second season match was difficult. The Bulldogs will meet Saline for a rematch this Friday.
