"When the dust of death has choked a great man's voice, the common words he said turn oracles."
—Elizabeth Barrett Browning

DNR Refuses Fund Share for Mill Creek Park

Huron-Clinton Metropolitan Authority's proposed Mill Creek Metropark, slated to occupy some 3,500 acres of land in Lima and Freedom townships, was disapproved last week by the Michigan Department of Natural Resources (DNR) and the Michigan Department of Agriculture (MDA).

In turning down the HCMA request for 50 percent funding of the proposed park, both Howard Tanner, DNR director and Agriculture Director Dean Pridgen termed the project "an unnecessary and inappropriate conversion of a vital resource."

Controversy over the metropark has focused on the issue of converting farm land into park usage. Opponents of the park stated that it would be located too far from the Detroit area to remove the strain from other metroparks, as was hoped.

Supporters of the facility said that the land in question is located in the path of projected urban development and questioned whether this trend could be halted even if the park is not developed.

Total acquisition cost of the park site was estimated to be \$6.9 million. DNR's move did not kill the project but did withhold matching funds to cover half the acquisition cost. The other half is to come from the federal Land and Water Conservation Fund.

Both DNR and MDA, after a joint review of the final environmental impact statement for the "implementation of this proposed metropark, found that would convert more than 3,000 acres of agricultural lands to park land in a locality eminently suitable for agriculture, but too far distant from major population centers to be particularly appropriate for park development."

In addition, 414 acres of farmland within the proposed project boundaries have been enrolled under Act 116, the Farmland and Open Space Preservation Act.

"Thus the state is mandated to provide for the protection and retention of agricultural lands through a legally binding process," Tanner said. "Therefore, there is a direct conflict between the policy of the state and the project sponsors regarding the utilization of this land."

In order for such lands to be removed from the program prior to contract expiration, it must be demonstrated that conversion of (Continued on page five)

RECOVERY ROOM PROCEDURES for ambulatory patients at Chelsea Community Hospital's surgical center allow patients to recover in the presence of concerned staff, family members and colorful posters. Here, a patient is attended by, left to right, Pat Brooks, Operating Room Supervisor, Dianne Asquith RN, with

needle, Bonnie Lono, operating room nurse and the entire Bear Family on the wall. The patient expressed appreciation for the treatment she received and was able to walk out of the room under her own power only a few minutes later.

School Millage Defeated As Only 24% Vote

A mere 24 percent of the 4,700 eligible voters in the Chelsea School District trickled to the polls Monday, June 11 to defeat a 1.7 mill increase in taxes for school funding.

Voters also elected Arthur Dils to a four-year term on the school board and defeated a Washtenaw Intermediate School District bond issue for funding for handicapped students. The proposal, however, was approved at the county level.

Election results turned down the millage proposal by a 521 to 600 margin, with seven ballots counted as spoiled. Superintendent Raymond Van Meer expressed disappointment and surprise at the outcome.

"We're disappointed because we've had an exceptionally good year education-wise throughout the whole district," he said. "I'm personally thankful to the 521 people who realized that goods and services now cost more money."

Van Meer confirmed that programs and services will have to be reduced throughout the district to accommodate the necessarily smaller budget.

"Based on the election results of yesterday," he said, "we have two choices: either reduce expenditures or go before the electorate and ask for more money again. When the board next meets, plans will likely be made to reduce programs and services throughout the district on a proportionate scale. These decisions won't be made hastily."

Considering possible reasons for the failure of the millage, Van Meer commented: "I don't think the superintendent or the administrators or the board of education can be the major factors in passing millages. They factors in passing millages. They determine the needs, spend the funds wisely and educate the children. It's up to people who have children in the district, people who support the schools to play a role in contacting other 'yes' voters to pass the issue. I don't think the school board should run a millage campaign."

In the school board race, Arthur Dils garnered 532 votes or 44.5 percent in his victory over Elizabeth Houle with 315 votes (27.9 percent) and Ronald Montague with 251 votes (22.2 percent). Fifty-six ballots were spoiled and four voters cast ballots for write-in candidates.

Dils expressed his commitment to make a "positive contribution, both to the school district and the community." He voiced disappointment at the failure of the millage and acknowledged that the "creates problems for a board member just starting out."

On the county-wide question of bonding for funding of facilities and services for students in the Washtenaw Intermediate School District, 454 Chelsea voters checked "yes" and 654 "no." Twenty ballots were spoiled. In spite of the Chelsea outcome, the measure did pass by an approximately 3,000 vote margin.

Don't Be Shook Up If Plumbing Smokes

Residents of Chelsea shouldn't be overly alarmed if they discover a white, peculiar-smelling smoke rising from their plumbing in the next weeks.

PSG-American Consulting Services of Cincinnati will be conducting a survey of the sewer system for the next two weeks.

Purpose of the study is to locate and reduce overloading of sanitary sewers by ground and surface water. This is done to reduce the possibility of back flow into sanitary outlets during rains.

This study will be conducted between the hours of 7 a.m. and 6 p.m. on weekdays only. Technicians will introduce smoke through manholes into the sewer system to check for any leaks which might result in excess water entering the system. The smoke should not enter a household unless the plumbing is not functioning properly.

In cases where buildings were constructed without proper plumbing traps, the smoke will most likely be visible. To reduce the possibility of smoke entering a home, the owner should pour a pail of water in drains not used frequently.

Detection of a condition where traps do not exist is vital to the resident. Lack of traps can subject the occupants to sewer gas with possible hazards to health and property. In this event, steps should be taken by the homeowner to correct the condition.

There is no need to become alarmed if smoke should enter a building. It is non-toxic and non-staining and can be readily dissipated. Extreme exposure over long periods of time can cause irritation of the breathing passages, as any smoke will, but irritation ceases once exposure is terminated.

Chelsea's fire department will be notified each day as to the locations of these tests to reduce the possibility of false fire alarms. If residents are alarmed by smoke they should first check the area nearby for a smoke testing crew, identifiable by orange uniforms, before calling the fire department.

Surgical Center Observing 5th Anniversary of First Patient

When Lydia Zahn walked past the brilliant wooden sunburst in the lobby of Chelsea Community Hospital's surgical center on June 17, 1974, she became the first patient ever to undergo a surgical procedure in the new facility.

Similarly, when Dr. William Hawks removed the cataracts from Lydia Zahn's 93-year-old eyes, he became the first physician ever to perform an operation in one of the four shiny, uninitiated operating rooms.

Today, very near to the fifth anniversary of that procedure, Lydia Zahn has passed her 98th birthday and still sees well enough to continue the exquisitely crafted quilts prized by all who own them. As she remembers it, it was a deliberate choice that saw her pass through the operating room doors first.

"Dr. Hawks said I'd be the first patient," she recalls. "When the time came for my operation, he said the hospital wasn't quite ready yet, so we'd wait and I'd be the first."

Dr. Hawks said that he may have planned it that way so that he and Mrs. Zahn could be the pathfinders, but that he just couldn't remember if it was deliberate or not.

This infinitesimal disparity is the only one encountered in talking to anyone regarding the surgical center, is settled by Pat Brooks, Operating Room Supervisor for the past three years and a prep room nurse when the facility opened five years ago.

"There was a feeling of pride and growth in the community when the building was opened," she said. "Dr. Hawks has his primary practice in Chelsea, so it was thought that it would be nice to have a Chelsea physician do the first procedure."

The important point, of course is not who remembers what correctly, but that the center has functioned with a lack of serious problems and with an amazing community support for the past five years.

Mrs. Zahn's operation was atypical in many ways. She was the trailblazer for the more than 12,000 patients who were to follow her and she was, at 93, older than the vast majority of subsequent patients. But in yet another way, Mrs. Zahn remains in the minority among people undergoing surgery here: placed her among the only 25 percent who require a hospital stay after surgery at the center.

According to Pat Brooks, Chelsea's surgical center is one of only several such places around the country that operate on a 75 percent outpatient basis. When conceived here several years ago, the center was based on the prototype facility, the Surgicenter in Phoenix, Ariz.

Fuoride Program Will Start June 27

Summer topical fluoride program in Chelsea will begin June 27 at the Beach Middle school cafeteria, according to Pam Lewis, chairman of the Chelsea Jaycee Auxiliary's topical fluoride committee.

Ching Ling Li, from Ann Arbor, a senior dental student at University of Michigan, will clean the children's teeth and apply the fluoride solution.

According to Lewis, 127 children have enrolled in the program, which consists of four visits to the clinic. At the first visit, the teeth are cleaned and a solution of fluoride is applied directly to the surfaces of the teeth. The fluoride application only is then repeated at the three succeeding visits.

This procedure has been shown to reduce tooth decay by about 40 (Continued on page six)

Girls Summer Softball Play Begins Monday

Girls summer softball league, under the direction of Roberta Kemp, got underway this week with games in both the junior miss and midjet categories.

Junior Miss League opened the season Monday night. Donna Stoffer's Blue team, behind the fine pitching of Maro Petsch, took an 11-3 lead early in the game. Maro also contributed to the cause with her bat, slamming a home run in the second inning.

The Black team, coached by Vicki Molsinger, fought all the way, with Cathy Doll booming a home run for her team. The Blues, however, held the lead to emerge victorious, 23-9.

Second game scheduled for the evening between Karen Toblin's Orange team and Betsey Ebbitts' Reds was rained out and will be played Friday evening at 5:30 p.m. In the Midjet League, two Tuesday evening games kicked off the season for the midjet girls, aged eight, nine and 10.

Patricia Elkins started on the mound for Pat Leidner's girls, while Laura Walton was the starting hurler for Nancy Pichlik's team.

The contest was close throughout, with Michelle Easton hitting her first home run for Pichlik's team. Jean Petsch knocked in what ended up the winning run for Leidner's squad in the top of the sixth.

Laura Scriven finished up the pitching duties, and put the last two opponents out herself by snagging a fly ball and making the tag on a baserunner. Final score was 8-7 with Leidner's team winning.

Second game of the evening turned out to be just as exciting as the first with Ann Schaffner's Reds and Joe Rossi's Blue Angels playing a very close contest.

Blue Angels started with Shelley (Continued on page four)

Jaycees Sponsoring Youth Horse Show

Chelsea Jaycees will be sponsoring their annual Youth Horse Show on Sunday, June 24 at the Chelsea Fairgrounds. As in the past, this will be a fun show to give area youth an opportunity to gain competitive experience.

Twenty-six events will be run: 16 for the juniors age 13 and under; 5 for the seniors age 14-18; and 5 open events. Entry fee is \$2 per horse per event; \$1 for ponies (54" and under), and a flat \$2 ambulance fee.

The Jaycee Auxiliary will have coffee and doughnuts available in the morning, and a refreshment and lunch concession later in the day.

BIKE-A-THON WINNERS: Diligent riders who collected the most pledges and the largest amounts of money in last month's 4th annual American Cancer Society Bike-A-Thon, were rewarded with bicycles and other prizes Monday, June 11 at the Chrysler Proving Grounds. Accepting awards were, left to right, Sandy Eidswick (accepting for Sara Preston), Robbi Stoffer, Mrs. Kent Daly (accepting for Kim Daly), Mrs. John Terns, Rob Stoffer, Beth Clark, and Eric Eccles. Not pictured is Gary Sheppard.

Bike-A-Thon Prizes Awarded, \$12,770 Pledged for Cancer Fund

Fourth annual American Cancer Society Bike-A-Thon was held Sunday, May 20 at Chrysler Proving Grounds. Two hundred and forty-eight bikers participated with \$12,770.33 as the final total pledged amount. This figure is almost double the amount pledged in 1978. This year's event also saw 68 more riders than the previous year.

For the first time, gifts donated by Washtenaw county merchants were offered to riders as prizes in specific categories. All who turned in their pledges on or before Tuesday, June 4 were eligible to compete for prizes.

Winner of the grand prize was determined by placing the names of all eligible riders in a container and drawing one out. 150 riders were eligible.

Sara Wenk, daughter of Mr. and Mrs. Gerald Wenk, 19 Sycamore Dr., drew the registration card of Eric Eccles, 14-year-old son of Mr. and Mrs. David Eccles, 17240 Garvey Rd. Eric is a student at Beach Middle school and had 60 (Continued on page eight)

Possible Energy Emergency
 Although the 1979 legislative session appears to be slow starting, the 80th Legislature is meeting head-on an issue affecting the daily lives of all Michigan residents—an impending energy emergency.

The legislature is in the process of taking action to give the governor the power to declare an energy emergency and give him broad powers to take appropriate steps.

The legislation (SB 244) has already passed the Senate and is under immediate consideration in the House.

The potential problems of an

energy shortage are believed to be serious enough by the legislature that the 148-member body seems willing to do something they seldom like to do. That is to give the governor certain powers normally left to the legislature.

Under the legislation, the governor would be permitted to declare an energy emergency for a period of 60 days and then to take immediate actions to help the state through the crisis period.

The bill provides for an energy advisory committee, however, the governor would be allowed to declare an emergency without their advice or consultation if he so determines.

One of the major controversies surrounding the legislation was establishing driver penalty points for violation of an energy speed limit during the period of the declared emergency.

The Michigan State Police says without penalty points, enforcement of an energy speed limit would be difficult. Representatives from the department indicate drivers who can afford to take the chance of speeding will continue to do so in light of an energy emergency.

The Senate removed the points provision prior to passing the bill, but House leadership has declared they would support reinserting the violation points when considering the bill on the House side.

After declaring an emergency, the governor has the powers, besides lowering the speed limit, to restrict the use and sale of energy resources, restrict interior temperatures, lighting and hours of operation of public, commercial industrial and school buildings; set conditions on hours and days during which energy resources may be sold, restrict the use of privately-owned vehicles and restrict the use of public transportation facilities.

The governor also has the authority to direct energy resources be sent to so-called "essential services" to protect the health, safety and welfare of the public.

Such essential services include medical facilities, police, fire and emergency vehicles, food growers processors, wholesalers and distributors, newspapers and radio and television stations to keep lines of communications open.

Consumer Guideline Cards
 The Michigan Consumers Council has issued a consumer card—much like a business card—to aid Michigan residents in calling the state Guideline, a toll-free telephone service.

According to Consumers Council Executive Director, Linda Joy, the card provides a ready reference to the Guideline number and carries a list of services available through the council.

"We've found that consumers can often resolve their own complaints if they have the right kind of counseling and information. That's exactly what we try to provide. And the Guideline allows

4 Years Ago...

Thursday, June 19, 1975—

A third window breaking at Beach Middle school was reported by the school's janitor, John Stanfield. Stanfield told village police that a 46" x 42" window on the south side of the school was found with a large hole created by a thrown rock.

Village Council voted unanimously Tuesday evening to approve a plan to renovate Veteran's Park, located north of the Chelsea business district.

There has been an abundance of rock-throwing and window breaking around Chelsea lately. According to village police reports, there have been five separate incidents in the past week.

Chelsea-United Methodist Retirement Home has introduced a summer program of volunteer workers who are giving kind and cheerful service for the pleasure and benefit of the Home's shut-in residents.

Jill Kipfmiller was one of 30 Kalamazoo College students who was inducted into the Delta Chapter of Phi Beta Kappa Society at their annual business meeting and dinner.

1975 has already proven to be a record year for the number of motor vehicle thefts in Chelsea. According to Police Chief Meranuk, a total of 14 motor vehicles have been stolen in the first 5 1/2 months.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

You never can tell what's going on in Ed Doolittle's head. He collects them clippings and ever one must add to his storehouse of knowledge. The trouble is, what he knows is as organized as a wadded-up handful of his clippings. Ed said once that he thinks of himself as a self-educated man, and Clem Webster come right back and ask him why he educated himself the way he did. The feller got a heap of information out of Ed during sessions at the country store, but usual it ain't the kind of stuff you'd ever think to look up for yourself. Only during political discussions do they get the idea that Ed knows two things for certain. If the Republicans ain't running things they ought to be, and if anything can go wrong during a Democratic administration it will.

Saturday night, Ed reported that Americans are discovering what the Romans knew 1,000 years ago. Ed had saw this piece where a farmer was using a ram to pump water on his place, but that was a exciting new way to save energy. Ed said a ram uses nothing but water pressure built up by its natural flow, and fer every foot drop in the water the ram can pump water 10 foot up. What all this means, Ed declared, is that gravity is being seen as source of energy. That might sound new, Ed went on, but he said he had saw somewhere that the Romans used that idea to water their gardens on hillsides before they got to rich and powerful to worry about saving energy cause they had all the slaves they needed to carry the water. Ed said there might be a lesson in there fer us.

General speaking, the fellers saw good in Ed's report. Clem Webster, that disagrees with Ed ever chancet he gits, said he had saw where Lockheed announced that it has come up with a way to use energy from ocean waves to generate electricity. Clem said with the new interest in windmills we might really have somethin going. If we can git the ocean, the wind and gravity working fer us we'll be in a better position to deal with them Arab oil producers that are working against us, was Clem's words. He said he had saw where

the U. S. policy the Arabs want is what they call a delicate balance, which means keeping supply just a little below demand all the time. With new oil sources coming along in the North Sea, Mexico and Alaska, and with us really buckling down, Clem said, they might lose their balance.

Actual, said Bug Hookum, he expects them foreign countries to gouge us ever way they can, but he was surprised to see our own Government is in favor of a gas-line shortage, and that the Carter Administration thinks higher prices will help, not hurt. The reasoning is that if there is not enough gasoline to go around folks will drive less, which Bug said is just another way of saying if there are fewer jobs more people will be out of work.

Personal, Mister Editor, I git the feeling policy makers in the Washington vacuum agree with Senator Hayakawa that said gasoline prices ought to go so high only the rich could ride. What's the point in being rich, he said, if the rich have to wait in line like everybody else.

Yours truly,
 Uncle Lew.

Lima Township Board Proceedings

Regular Meeting, June 4, 1979

The meeting was called to order by Supervisor Bauer and was opened with the Pledge to the Flag.

Present were Supervisor Bauer, Clerk Bareis, Treasurer Tilt, Trustees Gross and Heller.

Approved the minutes of the May 7 regular meeting and the May 15 special meeting.

Received the treasurer's report. Approved the quotation for roof repair from Mr. Newsted with the addition of a metal starter and drip edge along with proof of insurance at a cost of \$2,200.00.

Approved the Road Ordinance as printed in The Standard and Leader.

Approved a resolution designating the Washtenaw County Highway Engineer to be Lima Township's Engineer for all private road construction, and Lima Township is to reimburse the Washtenaw County Road Commission for all costs incurred for the service.

A Zoning Ordinance study meeting will be held on June 25 from 8:00 to 10:00 p.m.

Landfill stickers may be obtained on Saturday, June 16 at the Town-hall from 9:00 a.m. to 12:00 noon. Please bring your driver's license and vehicle registration.

Approved paying the Chairman of the Planning Commission and Board of Appeals \$25.00 per meeting and the recording secretary for the Board of Appeals and Planning Commission \$25.00, and all other members of the Board of Appeals and the Planning Commission be set at \$15.00 per meeting.

Approved paying bills in the amount of \$4,243.85.

Respectfully submitted,
 Athene R. Bareis, Clerk.

The first private pension plan was a labor organization was established by the Amalgamated Society of Engineers in 1880; the first such plan for a company was set up by American Express in 1875, according to the U. S. Department of Labor publication "Labor Firsts in America."

ANOTHER DODGE DIVIDEND FROM VILLAGE MOTOR SALES, INC.

America's lowest priced pickup.

Dodge D100 pickup is still America's lowest priced pickup. Yet it carries a higher payload rating than comparable Ford or Chevy models. It's no wonder that 94 percent of Dodge trucks registered in the last ten years are still on the job. Dodge pickups are a tough deal to beat.

DODGE PICKUP 17 EST. MPG 20 HWY EST.

These are EPA estimates. Use the estimated MPG for comparison purposes. Your mileage may vary depending on speed, weather conditions, and top length. Actual highway mileage will be lower than the highway estimate. California estimates are lower.

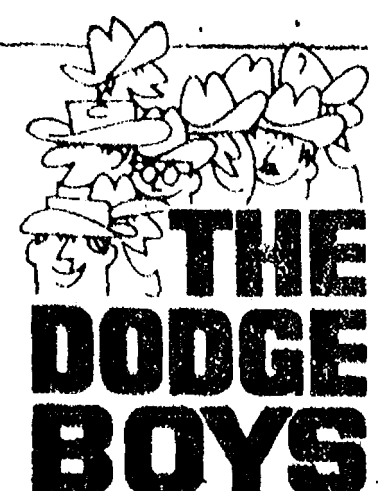

MILEAGE UPDATE.
 Chrysler Corporation is No. 1 in gas mileage of the Big Three for cars and trucks, based on projected 1979 Corporate Average Fuel Economy ratings.

THE DIVIDEND DEALS ARE ALWAYS GREAT AT THE DODGE BOYS.

Mrs. Jeffrey Lee Weber

Michelle Lazarz, Jeffrey Weber Speak Vows in St. Mary Church

Two hundred-eighty guests were present at St. Mary Catholic church in Chelsea Saturday, May 29 to witness the marriage of Michelle Kay Lazarz and Jeffrey Lee Weber. The double-ring ceremony was a nuptial Mass celebrated by the Rev. Fr. David Philip Dupuis.

The bride's parents are Mr. and Mrs. John M. Lazarz of 1305 N. Freer Rd. Parents of the bridegroom are Mrs. Shirley Vander-voot and William C. Weber, both of Chelsea.

For the ceremony, the bride wore a gown of ivory organza with a high sheer neckline highlighted with chantilly lace and traditional tapered sleeves ruffled at the cuff. The gently flared skirt has a lace trimmed flounce that forms an apron in back and flows into a chapel-length train. The co-ordinated finger-tip veil is decorated with a chantilly lace spider camelot headpiece and edging.

Maid of honor was Miss Lazarz, sister of the bride. She wore a floor-length peach gown of pettito, with a high neck and long sleeves. She wore ivory roses and baby's breath in her hair and carried ivory roses and baby's breath in a spray bound with brown ribbon.

Bridesmaids were Kathy Winans, Lori Werner, Becky Mc-Afoose, a cousin of the bride, Lisa Weber, sister of the bridegroom, and Gwen Weber, sister-in-law of the bridegroom. They were attired in gowns identical to that of the maid of honor and carried similar flowers.

Mother of the bride wore a floor-length cocoa gown with a chiffon cape with an angel wing in the back. The bridegroom's mother wore a floor-length jade green gown with corsage of white roses and baby's breath. Mary Kay Lazarz, sister of the bride, was flower girl.

Rob Winans of Quincy, Ill., was best man. Ushers were the bride's

brother, Mike Lazarz, Todd Weber and Dave Weber, brothers of the bridegroom, Mike Hill and Dick Lutovsky.

Organist for the ceremony was Roberta Cobb, a friend of both families.

A reception followed at UAW Local 1282 hall, given by the bride's parents for more than 300 guests. Aunt and uncle of the bride, Mr. and Mrs. Daniel Neiler, were host and hostess. Janis Proctor was in charge of the guest book.

The couple spent one week in Highgate Springs, Vt., on Lake Champlain before returning home to Grass Lake.

The bride is a 1978 graduate of Chelsea High school. The bridegroom graduated from CHS in 1975 and is currently employed at Federal Screw Works.

VFW Auxiliary Names Delegates To Convention

Monthly business meeting of the Ladies Auxiliary of VFW Post No. 4076 was held Monday, June 11 with 12 members in attendance. Eulahlee Packard and Bessie Sharp were elected delegates to the National Convention, to be held in New Orleans in August, Fran Zatorski and Sandi Ellenwood were chosen alternate delegates.

The local group will serve a luncheon to children of the National Home on June 19, upon their return from Cedar Point. A total of 105 are expected, including chaperones.

Annual carnival at the home will be July 8. A caravan will be formed in Chelsea of Post and auxiliary members to attend the carnival.

A flag was presented to the North Elementary school by Americanism chairman Eulahlee Packard. The flag was a gift to the Auxiliary from Katherine Ellenwood. A flag was also given to Brownie Troop No. 674.

Post and Auxiliary will hold a party June 16 in honor of Past-Commander of the sixth district, Mac Packard. Those planning to attend should bring own table service and dish to pass.

The 52nd annual Department Convention will be held in Kalamazoo June 21-24. Members planning to attend are Lucy Platt, Elizabeth Smith, Mary Erskine, Marien Johnson, Bessie Sharp, Eulahlee Packard and Fran Zatorski.

Next meeting is set for July 9, 9 p.m. in the VFW hall.

Homemaker Club Elects Officers

Homemaker Club held its annual meeting Thursday, May 31 at the home of Arlene Bareis. The meeting was called to order by president Arlene Grau with 17 members present.

The past year was discussed and deemed both successful and enjoyable. Because of a healthy waiting list it was decided to increase the membership to 25 women.

Election of officers was held with the following results: Barbara Haist, president; Leah Herrick, vice-president; Holly Porter, secretary; Wanda Koenigter, treasurer; and Georgia Myers, reporter. The out-going officers are to pass on a job description of their office.

Several members volunteered to serve on both the summer picnic and program committee. Members will be notified about the picnic details mid-summer.

Following adjournment refreshments were served by Arlene Bareis and Barbara Wolfgang.

PATRICIA H. GUTTMAN

Chelsea Woman's Daughter Earns Degree

Patricia H. Guttman, the former Patricia Oppe of Chelsea, graduated magna cum laude from the University of Akron, Akron, O., last week with a bachelor of arts degree in speech pathology and audiology. She is now teaching speech and hearing classes in Akron.

Patricia is the daughter of Mrs. Billie Miller of Chelsea and the late Mr. Peter Oppe.

Grau-Dimon Engagement Told

Mr. and Mrs. Alton Grau, 2710 Fletcher Rd., have announced the engagement of their daughter, Cheryl, to Sam Dimon, son of Mr. and Mrs. J. Watkins Dimon of Columbus, Ga.

Cheryl is a 1974 graduate of Chelsea High school. She attended the University of Michigan for three years and is currently employed as a secretary with Management Dynamics Corp. in Ann Arbor.

Sam graduated from high school in Atlanta, Ga. He received his

BA from Harvard University and is presently employed by Ken Cousino Construction Co.

The couple plans a Sept. 7 wedding at St. Luke's Episcopal Church in Ypsilanti.

Mrs. Billie Miller of Chelsea and son, Ron, attended graduation ceremonies at Akron, O. for her daughter Patricia Guttman, the former Patricia Oppe of Chelsea.

Our Savior Lutheran Plans Bible School

Our Savior Lutheran Church invites all children of the community to attend Vacation Bible School. Vacation Bible School will be held daily from June 25 through June 29 from 9 a.m. to 11:30 a.m.

Children from nursery age through junior high school will learn of God's love for them and share in fun with crafts, projects, games, songs, and refreshments.

The theme for the week is the bible-based and gospel-centered "I Love to Tell the Story."

Anyone interested in enrolling their children should bring them at 9 a.m. on June 25 to the church located at 1515 S. Main, Chelsea.

34 Years Ago...

(Continued from page one)
With only 11 days remaining in the Seventh War Loan, we must join the Yankee Forces and instigate a new invasion, whereby we may reach the top and keep our colors flying.

Members of the Woman's Relief Corps are invited to spend the day on Tuesday, June 26, at the home of Mrs. Myrtle Price, to sew and quilt.

Ecology Center Recycling Station Seeks Materials

A spring tune-up and oil change can improve the efficiency of your car engine and decrease gasoline consumption. You can further cut down on waste of petroleum resources by bringing your used motor oil to the Ann Arbor Ecology Center's Recycling Station at 2650 S. Industrial Highway.

While cleaning around the house this spring you may come across some of the old no-deposit, no-return soft drink and beer containers which have been banned in Michigan. Please don't throw them away, bring them to the station to be recycled!

In addition to used motor oil, the station accepts bundled newspaper, white office paper, computer paper, clear, brown, and green glass, and steel or bi-metal cans. Glass should be clean and separated by color, with all foil or metal removed; cans should be clean and flattened with the labels removed. Used motor oil may be brought in any convenient container.

The Recycling Station is open from 9:30 a.m. to 4:30 p.m. every Friday and Saturday. For further information, call 761-3186.

Nature Center Offers Summer Programs

Do you work with youth groups during the summer months? Would you like to treat them to some fun, learning experiences. The Waterloo Nature Center may have just what you are looking for.

From June 5 to Sept. 1 the Center's naturalists will be offering programs featuring some of the park's plants and wildlife that are at their best in summer. They include the following:

Life in a Bog: Tells the story of the formation and succession of Michigan's inland lakes. It includes a trip to a floating bog where the students will see insect eating plants and orchids in season. Recommended for 9 years old to adult. Insect repellent is recommended.

Nature's Tank, the Turtle: This program will introduce the children to several kinds of common Michigan turtles. They will be able to see and touch many of them. They will also learn how a turtle's shell is constructed, how turtles eat and reproduce, who are turtles' natural enemies and how turtles defend themselves. Can be geared to any age level.

Common Michigan Snakes: This program is designed to introduce the children to the snakes common to Southern Michigan. They will be able to see and touch (if they want) several harmless snakes and learn many interesting facts about them. Myths and superstitions about snakes will also be discussed. Can be geared to any age level.

The above two programs may be combined into a Michigan Reptiles program if desired.

Michigan Geology: Introduces the students to the rocks common in the glacial till of Southern Michigan. The introduction stresses the role of rocks and minerals in our lives. Rock col-

lecting as a hobby is also discussed. The program concludes with a walk on the geology trail to discover Michigan rocks in their natural environment. Recommended for 9- to 12-year-olds. Insect repellent is recommended.

The Summer Insects: An introduction to some of the common insects of the summer woods and fields. Will include a discussion of insect life histories and instructions on collecting and mounting insects. Recommended for ages 8 to 12.

Michigan Trees: An introduction to the common trees of Southern Michigan. Emphasis will be placed on the life processes within a tree, tree identification and the importance of trees to man and wildlife. Recommended for 9 year olds to adult. Insect repellent recommended.

Managing a State Recreation Area: A bus tour of the Waterloo Recreation Area to answer such questions as: What makes good recreation land, how and why we must control visitor activities, what is being done to protect park wildlife, and improve wildlife habitat. Can accommodate a full bus load. Groups must provide their own bus. This tour lasts two and one-half hours. Reservations must be made well in advance to insure availability. Only offered to those 14 years (7th grade) and older.

These programs are designed to last up to 90 minutes. Actual program length will depend upon the age and attention span of the group. Each program will accommodate a maximum of 30 students. If you are interested in any of these programs please contact the Waterloo Nature Center for program reservation information. Phone 1-313-475-8069.

To each the Nature Center, take I-94 to exit 156 (Kalamazoo Rd.), and follow the park signs to the Nature Center.

Shalom Delegates Attend Convention

Spring has been a busy time at Shalom Lutheran church, Pinckney, mixed with joy and sorrow.

Shalom has had its second death in the church's membership, Pres. Tabor, husband of Dorothy, father of Barbara and son-in-law of Mrs. Barbara Schmeider. The Tabor's always welcomed Shalom at their home in time for a fall pig roast. Pres Tabor will remain among special memories of the early days when Shalom's Mission church was being developed.

The sympathy of the congregation is also with Marilyn Edgar, in the recent loss of her mother, Frances Coull.

A joint session was held with LCA Lutheran churches, when the Michigan District Convention of ALC Lutheran churches, Kalamazoo, convened May 9-12. The Rev. Ronald E. Rein was accompanied by Mr. and Mrs. Robert Skronek, from Shalom, Mrs. Skronek and Pastor Rein as delegates.

Through the talent of kindness of Donald E. Bego of Howell, Shalom has enjoyed the loan of a wood-carving of Christ that has graced the church's sanctuary since Easter week.

Charlotte and Allen Bryson recently presented an enlarged, paper tole dimensional picture of the railroad depot, to the church, as a remembrance of the two years Shalom held its first services there. The Brysons are friends of the church.

Much interest is being shown in Shalom's new plan whereby both men and women sign up for being the Pastor's assistants in certain chancel services and ushering. Church cleaning and coffee-making are shared among members who also sign up for this important part in maintaining the church as a worship center well taken care of. Nursery supervision is needed as well. Members are urged to consider these worthwhile services to the church, making use of sign-up sheets on the hallway bulletin board.

Mothers' Day was special in more ways than one. Two baptisms took place during the May

13 worship service, the infants of Greg and Fran Massoll and Russ and Karen Kennedy.

Sometime between now and early June, a second American Lutheran church, ALC, TV program (of a four-part series) will be shown throughout the country. The cast will include Gary Burghoff (Radar of "M.A.S.H."), and theologian George Forell. With others, they explore the search for self-identity. The program will contrast various efforts in this quest with Christian understanding that we are accepted by God for what we are and despite what we are.

One hundred and thirty-two stations broadcast the first program, "We're No. 1?". The audience cut across boundaries of age, race and religious commitment.

A joint disco dance was enjoyed by youth of St. Mary's Catholic church and Shalom Lutheran church on April 20 at St. Mary's.

Vacuum Cleaner Invented in 1869

Ives W. McGaffey of Chicago, Ill., helped lighten housewives' work and strengthen their arms with his invention of a hand-powered suction device on June 8, 1869. McGaffey called his machine a vacuum cleaner and included instructions that the harder one pumps, the greater the suction. Henry Ford Museum's Domestic Arts Collection in Dearborn, offers a wide selection of early household helpers, including vacuum cleaners, mechanical spits and early toasters and roasters.

Michigan State University at East Lansing was the first land grant college in the nation. Tourism brings more than 25 million travelers to Michigan each year.

More than 21,000 samples of animal blood and other body samples for disease diagnosis are analyzed annually by the clinical staff of the Large and Small Animal Clinic of Michigan State University's College of Veterinary Medicine.

Dr. James Botsford will be leaving the Family Practice Center at the end of June and will limit his practice to inpatient and emergency room service at the Chelsea Community Hospital.

It has been a great privilege to serve the people in the community over the past 21 years.

Dr. Warren Garr will be joining the Clinic in July to fulfill the needs of the patients.

—JAMES BOTSFORD, M.D.

Loren Estleman Speaks at Sherlock Holmes Seminar

Local writer Loren D. Estleman, author of "Sherlock Holmes Vs. Dracula" (Doubleday), was one of the featured speakers during a special "Sherlock Holmes: Alive and Well" seminar held at Wayne State University Friday, Saturday and Sunday, May 18-20.

John Bennett Shaw, a nationally known Sherlockian and collector of Sherlockiana conducted the event and also speak. Other adjunct faculty members included area Holmes scholars Frederick C. Page, David K. Maxfield, and Mark McPherson.

Billed as "the Sherlockian event of the Midwest," the seminar featured such entertainment as Sherlock Holmes films both rare and familiar, a quiz on the Holmes stories of Sir Arthur Conan Doyle, and numerous discussions and presentations centered around the legendary famed Victorian sleuth and his world. A formal dinner was held Saturday night.

Two Blood Pressure, Hearing Clinics Set for Saturday

Two free blood pressure clinics, one of which will include hearing testing, will be held on Saturday, June 16 from 9 a.m. to noon. One is at the Stony Creek Methodist church, 8699 Stony Creek Rd., in Augusta township (blood pressure and hearing). The other is at the Michigan Heart Association at 3800 Packard Rd. in Ann Arbor (blood pressure only).

Open to people of all ages, the clinics are co-sponsored by the Washtenaw County Council on Aging, the Michigan Heart Association and the National Council of Negro Women.

The blood pressure and hearing tests are administered by qualified nurses, and written results are provided to each participant.

Job banks, an important tool of the federal-state employment services system, or Job Service, offer computerized daily printouts of all available jobs listed by employers in a labor market area.

TYPING — Outstanding, Dan Kiemer.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

★ Food Takes Less Of Family Income

Inflation is a cruel task master with a split personality. On the one hand, inflation affects everybody. But it hurts some worse than others. And things like the consumer price index and the terms used to describe inflation do so in generalities.

So it may be hard to believe when economists say that for the "average" American family, food is getting increasingly cheaper. It sounds like nonsense.

But taken as a whole, in 1929 Americans spent 23.4 percent of their disposable income on food. Now, 50 years later, we spend about 16 percent of our disposable income on food. Not that the food costs less money, but incomes have risen faster than food prices.

Now this doesn't mean that the typical or "average" family spends 16 percent of its take-home pay on food. A family of four with \$10,000 take-home pay will spend about 35 percent of it on food while a family of four with \$30,000 in take-home pay spends about 10 percent of it on food. In other words, families eat about the same amounts but the proportion of food expense to their income varies.

So, over the long haul the trend has been for food to get cheaper in relation to the income of Americans, taken as an average.

In the years right after World War II the American farmer could grow enough food to feed about 20 people. Thanks to increased efficiency that same farmer can now grow enough food for 56 people. The trend of increased efficiency is expected to continue in the United States. And, without undue interference from government the food supply will grow and food will continue to be a better buy.

**Early American
Currency Shown**

An unusual exhibit of early American coins and currency will be on display at the Ann Arbor Trust Company's Chelsea Banking Office on June 12-21 at 1478 Chelsea-Manchester Rd. The display has been prepared by the National Bank of Detroit's Money Museum.

Wampum beads, America's earliest currency, are shown along with a selection of foreign coins that circulated throughout the colonial period. The infamous Continental Currency issued during the Revolutionary War is also featured in the display. It was this currency that gave birth to the expression, "not worth a Continental" and discouraged the American public from approving government-backed paper money again until the Civil War.

Other highlights of the display include a 1776 colonial note, a check from America's first bank — the Bank of North America, and samples of early American coins.

Based on traffic counters strategically placed on major highways throughout the state, MDOT traffic technicians concluded that fewer motorists drove fewer miles, and more of those who did travel stayed closer to home.

While the state-wide driving record was 11.8 percent down, the Upper Peninsula was 15 percent down; northern Lower Peninsula, 13.8 percent down; and southern Michigan, 11.2 percent down.

Traffic technicians concluded that inclement weather and concern over the availability of gasoline were the major causes for decreased travel.

Traffic patterns revealed that 17 percent fewer vehicles entered Michigan from the Chicago area than last year; and traffic between Michigan's two peninsulas over the Mackinac Bridge was down 21.5 percent.

Motorists Driving Less On Holiday

Motorists in Michigan drove approximately 85 million fewer miles over the Memorial Day week-end this year than last year, the Michigan Department of Transportation (MDOT) reports.

That's a drop of 11.8 percent, state-wide, from 720 million miles last year, the record high, to 635 million miles this year. This year's total miles driven for the four-day holiday week-end is the lowest for the same period since 1971 when motorists drove 636 million miles.

Based on traffic counters strategically placed on major highways throughout the state, MDOT traffic technicians concluded that fewer motorists drove fewer miles, and more of those who did travel stayed closer to home.

While the state-wide driving record was 11.8 percent down, the Upper Peninsula was 15 percent down; northern Lower Peninsula, 13.8 percent down; and southern Michigan, 11.2 percent down.

Traffic technicians concluded that inclement weather and concern over the availability of gasoline were the major causes for decreased travel.

Traffic patterns revealed that 17 percent fewer vehicles entered Michigan from the Chicago area than last year; and traffic between Michigan's two peninsulas over the Mackinac Bridge was down 21.5 percent.

**Hospital Auxiliary
Plans Strawberry
Festival June 24**

Chelsea Hospital Auxiliary is sponsoring a Strawberry Festival Sunday, June 24 from 3 to 6 p.m. on the hospital grounds.

Strawberry confections such as pie, fruit basket, ice-cream, punch and shortcake, as well as pocket sandwiches and ice tea will be served. A University of Michigan quilt made by Alice Stimpson will be awarded.

Proceeds will go into the Auxiliary treasury to be used within the hospital.

Tours of the grounds and buildings will also be given that afternoon and entertainment will be provided by magicians Boyer and Fitzsimmons.

Early Slave Laws Limited Bondage

The first laws issued in the New World regulating slavery set up strict time limitations. The laws, passed in Warwick, R. I., on May 18, 1652, limited bondage to no more than 10 years. Anyone found breaking that law was subject to a heavy fine, but no imprisonment.

It was many years later before slavery disappeared from the United States, as evidenced by the two c. 1845 brick slave huts from Hermitage Plantation near Savannah, Ga., which are now part of the historical groupings at Greenfield Village, Dearborn. Appropriately, the huts are now located near an Illinois courthouse where Abraham Lincoln had practiced law during that same period, 20 years before he issued his famous Emancipation Proclamation.

Mill Creek Park...

(Continued from page one)
agricultural lands is in the public interest.

"It is the judgment of the Department of Agriculture and of the Department of Natural Resources, which administers Act 116, as well as that of state parks and local recreation services, that the measure of public interest must, in this instance, fall on the side of preserving and protecting agriculture lands," Tanner said.

Tanner also noted that in 1978 and 1979 the Michigan Natural Resources Commission adopted resolutions recognizing "the vital importance that agricultural lands play in the over-all economic, cultural, environmental and aesthetic vitality of Michigan and that Michigan's essential agricultural

resources be preserved from unnecessary conversion to other land uses."

The Mill Creek park site is currently an agricultural area consisting of row crops, pastures, farm woodlots, wooded fence rows, and occasional homesites. There are 57 occupied residences.

A letter, signed by both Tanner and Pridgen, explaining disapproval of the project has been sent to the Heritage Conservation and Recreation Service, U.S. Department of the Interior, in Ann Arbor.

The first Labor Day parade was held on Sept. 5, 1882, in New York City under the auspices of the Central Labor Union, according to the U. S. Department of Labor booklet "Labor Firsts in America."

Legislative Update

A Weekly Report from
State Rep. Mary Keith Ballantine
State Capitol, Lansing 48909
Phone (517) 373-1775

Week of June 11-18

DUE BILL—The House has approved HB 4245, the 1979-80 K-12 school aid bill, which contains an increase of some 9 percent. Amounts will surely be changed in the Senate, but still this is the first 1980 budget bill to pass one house this year.

LAST PRIMARY?—The full House will soon vote on HIB 4392, which would do away with Michigan's Presidential Primary. Proponents cite the high cost and low turnout for the 1976 primary; Primary supporters urge keeping it, with changes.

JOBS UP—Michigan's unemployment rate registered a big drop in May, down to 7.2 percent from April's 8.6 percent. This was due to increased outdoor and retail business activity. Even so, it is higher than the 6.6% rate for May, 1978.

HEADLEE ACTION—Both houses have now approved HB 4232, which implements the property-tax-millage-rollback provision of the Headlee tax limitation amendment. Differing elements of the House and Senate versions must be reconciled. Also the Senate will soon vote on SB 460, which implements the provision that the state must pay for new programs it requires locally.

ENERGY POWERS—Now before the House is SB 244, which would give the governor broad powers to declare an energy emergency and to issue executive orders to deal with that emergency. The governor could declare an energy emergency for 90 days and suspend any law that interferes with the state's ability to meet the situation. The legislature could end the emergency.

GAS GOOD—The state Energy Director has said that gasoline supplies will be adequate to meet Michigan demand during June. However, he urged motorists to conserve gasoline whenever possible so that more will be available for vacation use. The availability hotline: 800-292-2520.

HEAVY BREATHING—The Senate has approved SB 236, which would require non-smoking areas at public meetings of state government units and their agencies. The area could be designated by a sign or verbally; there would have to be a verbal notice at the start of the meeting.

LEGITIMATE ISSUE—Governor Milliken has signed into law HB 4246, which prohibits on a birth certificate any reference to the legitimacy or illegitimacy of a child. This would apply to both the public and confidential portions of the birth record.

BEER COMPETITION?—Governor Milliken has proposed to the Liquor Control Commission new rules which would encourage competition in beer pricing. These would remove restrictions on quantity discounts, price advertising and wholesale pricing procedures. Hearings will come later.

Timothy Treado Earns Degree at MSU

Timothy Jacques Treado received his Bachelor of Science degree in Forestry from Michigan State University on Saturday, June 9. Treado is the son of Mr. and Mrs. Robert Hodder, 129 South St., and of the late Howard Treado, Jr. He will begin employment with the Michigan Department of Natural Resources as a Timber Cruiser beginning June 11 and headquartered at Houghton Lake.

Larry P. Tipton Returns from Long Cruise in Pacific

Navy Aviation Structural Mechanic Second Class Larry P. Tipton, whose wife, Sandra, is the daughter of Virginia Grant of 410 Hamburg St., Pinckney, recently returned from a deployment to the Western Pacific.

He is assigned to Attack Squadron 147, based at Naval Air Station, Lemoore, Calif. His squadron was embarked aboard the aircraft carrier USS Constellation operating as a unit of the U.S. Seventh Fleet.

During the eight-month cruise, his squadron participated in a number of training exercises with other Seventh Fleet units and with those of allied nations. Additionally, while embarked aboard the Constellation, his unit transited the South China Sea and Indian Ocean. While deployed, he had the opportunity to visit Japan, Korea, Singapore and the Republic of the Philippines.

Tipton joined the Navy in May 1975.

Fluoride Program

(Continued from page one)

percent, compared with the 60 to 65 percent reduction in cavities obtained with fluoridated water, she said.

According to the Michigan Department of Public Health dentists who assisted in the development of the program and who will supervise Ching Ling Li, the topical fluoride should not be considered a substitute for regular care of the teeth either at home or by the dentist. Although fluoride applications can help prevent cavities, it is still necessary for children to brush their teeth thoroughly, particularly after meals, avoid between-meal sweet snacks, and visit their dentist regularly for professional care.

Applications have been reopened for those children, pre-schoolers, 3 years and over, second, fifth and eighth graders, who do not drink water from the Chelsea water supply. Please call Pam Lewis at 475-1603 as soon as possible for information.

La Leche League Plans Film Showing

Dexter-Chelsea La Leche League will present a free film night Friday, June 15, at 8 p.m. at the Chelsea Community Hospital cafeteria.

Two films, "Breastfeeding - A Special Closeness," showing a wide range of mothers nursing their babies in a variety of situations, and "Rock-a-Bye Baby," which explores the basic need in a baby to have close contact with its mother to stimulate mental and emotional development, will be shown.

An informal discussion, led by local La Leche League leaders, and refreshments will follow. All prospective parents and other interested persons are welcome.

For further information call Jan Dohner at 475-9633.

Michigan has a greater variety of minerals—metallic and non-metallic—than any area of comparable size in the world.

Byrd on a Pole

On May 7, 1928, Richard Byrd and his pilot, Floyd Bennett, took off in a tri-motor Fokker monoplane from King's Bay, Spitzbergen, for a historic flight over the North Pole. The 15½ hour flight

covered 1,545 miles non-stop. Byrd's plane, the "Josephine Ford," may now be seen in the Transportation Collection of Henry Ford Museum, Dearborn, along with many other famous aircraft.

A computerized, two-way television instructional system designed by Michigan State University and used to teach firefighters in Rockford, Ill., has proven to be an effective teaching device.

Movie Being Filmed On Mackinac Island

A turn-of-the-century summer hotel, a scenic island, northern Michigan's June weather and some help from the Michigan Travel Bureau were the determining factors in a Hollywood film company's decision to shoot a major motion picture on Mackinac Island.

"They chose the island over two locations in other states because it had the right ingredients for the story," said Sue Callaway, publicity executive of the Michigan Travel Bureau.

"The movie, 'Somewhere in Time,' is a love story, a kind of a combination between 'Laura' and 'The Ghost and Mrs. Muir.' The island fits in perfectly with the theme," she said.

In late January, Raystar Films, the company producing the film, contacted the Travel Bureau asking for help in locating a site for the movie. They were looking for a summer resort with picturesque charm and an older hotel.

Callaway suggested Mackinac Island and sent them background material and many photographs. She then contacted Grand Hotel President Daniel Musser. He called Raystar Films and worked out an agreement to let them film major parts of the movie at the Grand.

Christopher Reeve, best known for his recent lead in "Superman," plays the main role in "Somewhere in Time."

"Many, many factors go into locational decisions for motion pictures," said Callaway. "Everything from weather to architecture has to be considered. In this case, the hotel (the Grand) is so important to the story that it actually plays a leading role in the film."

"Hollywood producers don't build entire sets and cities nowadays because it's simply too expensive. You don't build Atlanta anymore to shoot 'Gone with the Wind' — you go to Atlanta and film it."

Movie officials said that the island has "superb" sound and viewing equipment, which was a factor in choosing it over other locations. The equipment, located at a sprawling hotel complex, the Inns of Mackinac, is left over from the days when the complex was a small liberal arts college. The facilities allow the crew to do all the sound work on location and be able to view the daily "rushes."

One of the biggest pluses for Michigan besides the great publicity the film will generate is the direct revenues produced by movie crew expenditures.

"This is not a minor film," Callaway said. "It's a very high budget one, and the state could realize close to \$2 million in revenues from the filming of the picture alone."

"For instance, the crew will be on the island for about eight or nine weeks, and they'll need 100-125 rooms."

Although the Grand Hotel will be a main character in the film, the cast and crew are not staying there. Because of convention bookings, the Grand could not accommodate all of the film personnel. Instead, they are staying at the Inns of Mackinac, the only other hotel large enough to house the entire group. That arrangement has worked

out well for the crew since the sound and video equipment is also located at the Inns.

Since motorized vehicles are not allowed on Mackinac, many of the crew are renting bicycles. Transporting the cast and crew from the Inns to the Grand each night, a distance of nearly two miles, also is keeping the horse-drawn taxis and dray wagons busy.

Island officials did make an exception to the no motorized vehicles rule for the film: several sound trucks were allowed on the island to be used for street action and a small sports car carries Reeve in one scene.

The Travel Bureau played a major role in co-ordinating the many details and technicalities responsible for the location going in Mackinac's favor. The Raystar people needed many questions answered before making the decision, such as the availability of hotel rooms, transportation, equipment and the co-operation of the island residents.

Actual filming of the production began in late May, and much of the shooting is taking place in the Grand Hotel. Because of the Grand's heavy bookings, the filming of the hotel's elaborate dining room is being done after dinner hours. The interior furnishings of the room switches to early 1900's decor at night, then put back to its present style by dawn.

Many island residents have been hired as extras for several scenes that take place in the village streets.

"Somewhere in Time" will not be the first major motion picture filmed on Mackinac Island. In 1947 Esther Williams and Jimmy Durante starred in "This Time for Keeps." The swimming pool, now a part of the Grand Hotel, was built for a scene with Esther Williams but because the pool was not heated, Williams actually never swam there.

Raystar films has produced such motion pictures as "Funny Girl," "The Way We Were" and "California Suite."

DHS Class of '74

5-Year Reunion

Set for July 28

Dexter High school Class of 1974 is holding its five-year reunion Saturday, July 18.

Class members may still make reservations to attend. Those who have not received notification, or who wish further information, may call Sarah Clark, 426-4928, or Debbie Wagner, 426-3017.

Fishing Contest

Winners Named

The Maize and Blue Landing on North Lake held a fishing contest during the month of May. The following people were the winners in each of four categories. Prizes awarded were:

First Place—Two U. of M. football tickets, or \$25 gift certificate.

Second Place—Boat rental or a case of soda pop.

Third Place—3-pack of soda pop.

Pike: 1) Ken Mangus of Ypsilanti, 10 lbs., 36 inches; 2) Don Wooden of Saline, 2 lbs., 13 oz., 19 inches; 3) Ron Avers of Westland, 2 lbs., 10 oz., 23 1/2 inches.

Bass: 1) Jim Moon of Livonia, 2 lbs., 12 oz., 17 1/2 inches; 2) R. M. Willitzer of Ohio, 2 lbs., 8 oz., 17 inches; 3) Dick Neff of North Lake, 2 lbs., 4 oz., 16 inches; and Francis Neville of Livonia, 2 lbs., 10 oz., 16 1/2 inches.

Panfish: 1) Debbie Gilpatrick of Westland, 10 oz., 9 1/2 inches; 2) Don Warren of North Lake, 10 oz., 8 inches; 3) Mark Neff of North Lake, 10 oz., 7 1/2 inches.

Dog and cat fish: 1) Ron Kenta of Wayne, 5 lbs., 14 oz., 26 1/2 inches; 2) Ron Avers of Westland, 4 lbs., 9 oz., 24 inches; 3) Trevor Zink of North Lake, 10 oz., 9 inches.

There will be a fishing contest held every month through August with the same prizes awarded each month. The dog and cat fish category was only for the month of May, however.

The first strike by a women's labor organization was by the United Tailorresses Society of New York in 1825, according to the Labor Department booklet, "Labor Firsts in America."

Pinckney Area Youth

Completes Recruit Training in Marines

Marine private Mark R. Pike, son of Leighton L. Pike of 6262 Hinehey, Pinckney, has completed recruit training at the Marine Corps Recruit Depot, San Diego, Calif.

During the 10 1/2-week training cycle he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1978 graduate of Allen Park High school, Allen Park, he joined the Marine Corps in December 1978.

Some of the longest bulk freight carriers in the world operate on the Great Lakes. Ore carriers a thousand feet long sail our inland sea.

The first public employment office was

Drama Workshop Registrations Now Being Accepted

Chelsea Players announce that early registration for summer drama workshops for children is quickly reaching an end. Registration requests should be sent to Michelle McClellan, 321 Elm St.

Players recommend early registration because each of the four workshops is limited to 60 children. Workshops are given in stagecraft, acting, voice and dance.

Regular registration will be held Thursday and Friday June 21-22 in the Chelsea High school auditorium from 10 a.m. to 2 p.m. Workshops are \$20 each and run from June 25 to July 14.

Mr. and Mrs. Duane L. Gentner and son Christopher of Aurora, Colo., were weekend guests of their parents, Mr. and Mrs. Floyd E. Gentner of 316 Jackson St. Mrs. Gentner's sister, Nellie Pierce of Langville, O., has also been visiting there for about two weeks.

DEATHS

Don C. Leisinger

Former Waterloo Store Owner Dies in Grosse Ile

Don C. Leisinger, owner of Waterloo Store for 20 years, died Tuesday, June 5 in Grosse Ile. He was 37.

Mr. Leisinger was born in Owosso Nov. 21 1911. He lived in the Waterloo area from 1940 to 1950, and ran the Waterloo store during that time.

He is survived by one daughter, Mrs. Dona Baxier of Flint; two brothers, Warren A. of Chelsea and Brian C. of Waterloo; mother Mrs. Christine Goldberg of Detroit; eight grandchildren; one brother, Morse Gratton of Dayton, O.; and one sister, Mrs. Helen Martratt of Huntington Woods.

Services were held at Martinson Funeral Home, Trenton, with the Rev. Calvin Gray officiating. Interment followed at Mt. Hope Cemetery, Waterloo.

BIRTHS

A daughter, Jennifer Lee, June 1 at St. Joseph Mercy Hospital to Terry and Cindy Gentner of Chelsea. Paternal grandparents are Floyd and Florence Gentner, 316 Jackson. Wayne and Barbara Schulze of Jackson are maternal grandparents.

A daughter, Kimberly Lynn, Monday, June 11 at University of Michigan Women's Hospital, to Chris and Bob Herrst, 6690 Lingane Rd. Maternal grandparents are Mr. and Mrs. Eugene Schirmacher of Chelsea. Mr. and Mrs. Bernard Herrst of Chelsea are paternal grandparents.

A son, Judson Holmes, to Mr. and Mrs. Kim Schroetenboer of Ada, June 6 at Blodgett Hospital in Grand Rapids. Maternal grandparents are Mr. and Mrs. Dudley K. Holmes, 146 E. Middle St. Mr. and Mrs. Albert Schroetenboer of Ada are paternal grandparents.

Vacation Bible School Starts Monday at Immanuel Church

Immanuel Bible Church will hold Vacation Bible School June 18-22 beginning at 6:30 p.m. VBS offers an experience to every child who attends. Children will hear about missionaries, watch a professional puppet group and make crafts as well as hearing about the love of Jesus and of his mission here on earth.

Children between the ages of 4 and 14 are invited by Immanuel Bible Church to come and hear "God's Word: Your Door to adventure."

ROBERTSON-KELEMAN: Valerie H. Robertson and Kurt L. Keleman exchanged marriage vows Saturday, June 2 in an outdoor ceremony at Inverness Parklawn Beach Island. The bride is the daughter of Mr. and Mrs. Billie Robertson, 13756 Rustic Dr. Parents of the bridegroom are Mr. and Mrs. Leslie Keleman of 14060 Edgewater Dr., Gregory.

School Board Briefs

At a special meeting of the Chelsea Board of Education, Monday, June 11, the following were present: Tobin, Schaefer, Feeney, Snyder, Heller, Schumann, Stirling, Superintendent Van Meer, Assistant Superintendent Mills, Principals Williams, Conklin, Wojcik, Benedict, Assistant Principal Vogel, Community Education Director Rogers and Special Education Director Young.

Board certified results of school district election: Millage defeated—521 yes, 600 no, 7 spoiled ballots. School board seat—Arthur Dils 502, Elizabeth Houle 315, Ron Montagne 251, 56 spoiled ballots, 4 write-ins. Washtenaw Intermediate School District bonding—454 yes, 664 no, 20 spoiled.

Board and administrators discussed the behavior of the graduating senior class and will examine alternatives to correct the negative behavior.

Reviewed a transportation complaint.

Meeting adjourned at 10:15 p.m. Next regular meeting will be Monday, June 18.

CHS Class of '74 Still Seeking 11 Classmates

Eleven members of the Chelsea High school Class of 1974 have yet to be contacted regarding the five-year reunion to be held July 21-22 at Don Doll's farm.

Missing class members are Jack Carpenter, Jill Barrett, Ed Drieman, Suzanne Cox, John Brauning, Per Gellstrom, Mike Murphy, Sue Osenoski, Kathryn Sanders, Dawn Walbel and Polly Van Slambrouck.

Anyone able to contact any of the above people should call Larry Doll at 663-3372 or 994-1589.

A work meeting for the reunion will be held Sunday, July 8 at the reunion site at noon. Anyone interested may attend.

Pvt. Thomas Owens Completes Marine Recruit Training

Pvt. Thomas L. Owens, son of Mr. and Mrs. James D. Owens, Sr., of 471 Pierce Rd., recently completed recruit training with the United States Marine Corps in San Diego, Calif.

Thomas attended Chelsea High school prior to his enlistment. Thomas will be home on leave several days before leaving for infantry training school in Camp Pendleton, Calif.

After school in Camp Pendleton, Thomas will be stationed at any one of a number of Marine bases throughout the United States.

Bike-A-Thon...

(Continued from page one)

sponsors with pledges of \$331.80 turned in to the Cancer Fund. Eric also qualified in the category of most amount pledged, but rules prohibited qualifying in more than one prize category.

His choice was the grand prize and he received a gift certificate in the amount of \$225 to be redeemed at Campus Bike & Toy, Ann Arbor, towards the purchase of a Schwinn or Raleigh bicycle of his choice.

This was the only category in which the winner was determined by a drawing.

Elizabeth Ann Clark, 26 Sycamore, was the recipient of a 10-speed Schwinn in the most sponsors category. Beth, an employee of Hoover NSK, Ann Arbor, was sponsored by 93 co-workers and friends to a total amount pledged of \$440.90.

Robert P. Stoffer, Sr., 850 N. Main was second with 42 sponsors and \$490 pledged. Rob was sponsored by many of his co-workers at Chelsea Mining Co. and he also received a 10-speed Schwinn.

Both Beth and Rob also had the honor of turning in the largest amounts pledged.

The bicycles had been on display in Lancer's store window prior to this event.

Gary Sheppard, 8 years old, son of Mr. and Mrs. Gary Sheppard, of Stockbridge, qualified as winner for 1st prize in the most amount pledged category. Gary, who received a 10-speed Free Spirit bicycle is a student at Smith Elementary school. His pledges of \$275 were turned in to the Cancer Fund from 61 sponsors.

Second winner was Robert P. Stoffer, Jr., son of Mr. and Mrs. Robert Stoffer, Sr., 850 N. Main. Robbi, at age 6, also had the distinction of being the youngest rider to participate in the event. He turned in pledges totaling \$282.25 and had 23 sponsors.

Robbi will be a second grade student at North Elementary next fall. He rode 25 miles alongside his mother, Donna, who was chairperson for the Bike-A-Thon. Robbi's gift was a Kodak camera outfit.

Kimberly Daly, daughter of Mr. and Mrs. Kent Daly, Ann Arbor, was third place winner. Kimberly, a student at Wylie Middle school, Dexter, received a Panasonic Tape Player for her effort in turning in \$235 in pledges with 47 sponsors.

Mrs. John (Lynette) Terns, 521 Wilkinson, received a Panasonic radio for fourth place. Lynette had \$226.50 pledged. Many of her sponsors are co-workers at Chelsea State Bank.

Final prize was for fifth place in amount pledged. Sara Preston, daughter of Mr. and Mrs. Robert W. Preston, Ann Arbor received a \$20 gift certificate redeemable at Schneiders Sporting Goods, Briarwood Mall. Sara, an 11-year-old student at Bach Elementary, had pledged totaling \$207 and 36 sponsors.

No expenses were recorded in this year's Bike-A-Thon. This means all amounts pledged go directly to the American Cancer Society. This will further the effort of University of Michigan, Michigan State University and Wayne State, just to name a few in this area, who are working in the research area to find the answer to this world-wide problem.

Please continue to collect and turn in pledge monies to Agnes Boylan, at the Washtenaw County District Court, Main St., Chelsea, or American Cancer Society, 215 N. Ashley, Ann Arbor. Approximately \$8,753.60 has been turned in to date, leaving a balance of \$4,016.63 to be collected.

Bikers received their prizes, Monday, June 11, at Chrysler Proving Grounds.

All Noxious Weeds Must Be Destroyed

Chelsea's Commissioner of Noxious Weeds, Police Chief Robert Aello, has announced that all noxious weeds on any land in the Village of Chelsea must be cut down or destroyed on or before Monday, July 2.

This order is in accordance with Michigan law, which allows the commissioner in each city, township or village to order the destruction of such weeds as may be injurious to the public health. Weeds may be cut down or destroyed using any lawful herbicide.

For the purposes of this eradication, noxious weeds are defined as Canada thistle (Cirsium arvense), doddars (any species of Cuscuta), mustards (charlock, black mustard and Indian mustard, species of Brassica or Sinapis), wild carrot (Daucus carota), bindweed (Convolvulus arvensis), perennial sowthistle (Sonchus arvensis), hoary alyssum (Berteroa incana), ragweed (ambrosia elatior 1), poison ivy (rhhus toxicodendron), and poison sumac (toxocodendron vernix).

The village has the duty, as specified by law, to destroy such weeds at cost to the property owner if he has not done so himself before the July 2 deadline.

Persons desiring someone to mow lots should contact the village administrator.

Car Stolen from Supermarket Lot

Chelsea police report that a car was stolen from Polly's parking lot last Thursday, June 7. The car doors were unlocked but keys were not in the ignition.

Kyron Bradstrom of Detroit, a Detroit police officer, told Chelsea police that his 1975 black Chevrolet was taken sometime during his brief stop at the grocery store. Also taken were a scuba tank and other diving gear carried in the car.

Real Estate

By PAUL FRISINGER

REALTOR

ADS AND DISCLOSURE RULE

The truth-in-lending law became effective July 1, 1969. It's also known as the disclosure rule. It requires lenders to give customers a plain statement of the credit charges involved in any transaction.

One area where it has helped to clear possible misunderstandings is in real estate ads. Remember when ads used to read like this:

"FOR SALE — 3-bedroom home in fine location, only \$22,000 with \$3,000 down."

Now, if the advertiser mentions the down payment, he must also mention the monthly payment and the interest rate. Tell all or tell nothing! You may advertise the selling price,

or terms like "low down payment" or "easy terms." But when it comes to the big three—down payment, interest rate or monthly payment—if you mention one you have to tell all three.

The obvious reason is so buyers can't be misled by an ad that offers \$2,000 down payment—and then finding out that the monthly payments are extremely high.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8683; evenings 475-2621. We're here to help!

Special Olympians Go Camping for School Year-End

Chelsea High School Special Education class celebrated the conclusion of the school year by camping three and one half days in northern Michigan. They left Monday, June 4 and returned Thursday night, June 7. They were under the direction of Nancy Cooper, Judy Bottum and Robin Blocksma.

The group stayed in Pentwater but visited both Silver Lake and Ludington. They went dune scooter riding, dune climbing, roller skating, hiking, go-cart riding, bowling, and visited the world's largest Pump Storage Plant in Ludington.

All meals were cooked at the state park. Many hours were spent on Lake Michigan's beach and piers, swimming and beach combing. Various shipping trips were also taken.

The group had earned the money for the trip by housecleaning, yard work, and donations from parents and various service clubs in Chelsea.

A Standard "Want Ad" will sell your unwanted items quickly and economically.

Mr. and Mrs. Glenn Rentschler

Glenn Rentschlers Will Observe 50th Wedding Anniversary

Mr. and Mrs. Glenn Rentschler will be honored on their 50th wedding anniversary at an open house lawn party, hosted by their son and daughter-in-law, Robert and Christine Rentschler, at their home, 15825 Waterloo Rd., Sunday, June 17 from 2 to 6 p.m. In case of inclement weather, it will be held at the Waterloo Township Hall, Washington St., Waterloo Village.

Glenn Rentschler and the former Thelma Loveland were married at Salem Grove United Methodist church on June 19, 1929. They built a new home at 15840 Waterloo Rd., and have resided at that address the entire 50 years of their marriage.

They are active members of the Salem Grove United Methodist church. Both serve on the administrative board. Mr. Rentschler is a member of the Pastoral relations committee and Mrs.

Rentschler belongs to the woman's group, has sung with the choir for many years and has been active in Sunday school work.

Mrs. Rentschler was formerly a teacher in rural schools in Jackson and Washtenaw counties.

Mr. Rentschler operated the Waterloo Garage in Waterloo Village for 40 years. Since his retirement from the garage in 1967, he has been employed by The Parts Peddler in Chelsea. In past years he was a member of the Waterloo Baseball team and has bowled at the Chelsea Lanes since its opening.

Both Mr. and Mrs. Rentschler have always enjoyed traveling.

Recreation Tennis Classes Offered

Director Terry Schreiner has announced a new recreation tennis class for high school students, to be offered for five weeks beginning Tuesday, June 19.

The class, for students aged 13-17, will meet on Tuesday and Thursday at 3 p.m. Cost is \$7 for 10 lessons. Registration and fee may be taken care of at the Chelsea Recreation Office (above the police station) between 10 a.m. and 3 p.m. next week.

The class will be offered only if enough students sign up to warrant having it.

Father & Son Banquet at Waterloo Hall

Waterloo United Methodist church of Waterloo Village held its annual Father and Son Banquet Saturday, June 9 at Waterloo Township Hall.

Toastmaster was Cecil Clouse. The Rev. Larry Nichols offered the invocation. Dinner was served to 30 men. A toast to the fathers was read by the sons, and the fathers then returned the honor by toasting the sons. Todd Whitaker offered a toast to all grandfathers present.

Gordon Beeman presented gifts in various categories to men present. Youngest son was Michael Clark, and youngest father was Rodney Beeman. Two fathers had the most sons: Orson Beeman, Jr., and Dean Clark. A drawing was held and Clark drew the gift.

Oldest father was Glenn Rentschler.

Entertainment was provided by magicians Boyer and Fitzsimmons. The Rev. Nichols offered a closing prayer.

Women of the church donated food and worked at the banquet and Mary Clark donated the gifts.

Mr. and Mrs. David Keith Frame

Lisa Walworth, David Frame Wed in Dexter Methodist Church

Lisa Anne Walworth and David Keith Frame were wed in a double-ring ceremony Saturday, June 2 at Dexter United Methodist church. The Rev. John Elliott of North Lake United Methodist church performed the ceremony.

The bride's parents are Mr. and Mrs. Bruce Walworth of 7800 Werkner Rd. Parents of the bridegroom are Mr. and Mrs. William Frame of 13880 McKinley Rd.

The bride wore a floor-length princess-style gown of imported lace with a flared skirt designed with inserts of satin. The bodice has a scoop neckline and is trimmed with braid and mother of pearl. On her head the bride wore a fingertip veil trimmed with silk white roses and violets and carried a colonial bouquet of minuet roses, white miniature carnations and silk violets.

Matron of honor was Mrs. Laura McMullen of Ann Arbor, cousin of the bride. She wore a lavender sun-gown of Qiana with an ivory lace shawl. Her hair was adorned with silk violets and she carried a bouquet of pink sweetheart roses, white and lavender miniature carnations and silk violets.

Bridesmaids were Julia Chapman of Chelsea, a friend of the bride, and M. Susan Shaw of Birmingham, also a friend of the bride. They wore dresses identical to that of the matron of honor and carried bouquets of white and lavender miniature carnations and silk violets.

Mother of the bride wore a floor-length pink Qiana gown with a matching jacket and a cattleya orchid corsage. The bridegroom's mother wore a floor-length gown of light blue floral chiffon and a corsage of gardenia and minuet roses.

Philip Frame of Chelsea, brother of the bridegroom, was best man. Ushers were Andrew Quakenbush of Chelsea and Don Sullivan of Chelsea.

A reception was held at UAW Hall in Chelsea immediately following the ceremony, given by Mr. and Mrs. Bruce Walworth. It was hosted by Mr. and Mrs. Gardner Otto of Stockbridge and Mr. and Mrs. Charles Frame of Brighton. Karen and Denise Frame of Brighton poured punch. Nancy Buss of Ann Arbor served cake, and Sandra Frame of Chelsea, the bridegroom's sister, attended the guest book.

The couple spent a week-camping in northern Michigan before they returned home to Big Rapids.

The bride is a 1977 graduate of Chelsea High school. She graduated from Ferris State College in May 1979 from the Medical Record Technician Program. She is currently employed by Mecosta County General Hospital. Her husband is a 1976 graduate of Chelsea High school. He is currently a senior in applied mathematics at Ferris State College.

Cards of Thanks

CARD OF THANKS

Soccer season ended with a picnic in Lyndon Park June 2. It was a good season with a good turn out for the third spring soccer season. I would like to take this opportunity to thank all the coaches for doing an excellent job with their teams. Coaches were: John Eisenbeiser, Mary Hurd, Jim Dixon, Tom Vandegriff, Jan Murrell, Heide Johnson, Jim Boughton, Dane Adams, Jim Nye, Kitty Hammel, John Baker, Eric Schnier, John Popovich, Doug Sarbach, and Lynn Popovich (team manager). Grateful to Dr. and Mrs. Van Reesma for their assistance in getting the field loaned to us from Ruben Lesser. Thank you Ruben. Also, Richard Smith and William and Dr. Van Reesma for mowing the field. Bill and Gregg Ackley for marking our field. To the Parks and recreation Council for sponsoring soccer. Last but not least, to all parents who have assisted in making soccer a success.

Rita Sarbach.

THANK YOU

The art department at Beach school would like to thank the students and their parents for the donation of refreshments at the recent art show.

Judy Parker and Bev Yel-sik, art teachers.

THANK YOU

I would like to thank all of you good people for the Masses, Spiritual Bouquets, the flowers, prayers, candy, and cards, visits, and phone calls with which you remembered me during my recent illness. Also I want my neighbors to know how much I enjoyed all the delicious meals furnished by them and helpful acts assisting me around our home during my illness. May God Bless all of you. Gratefully,

Agnes Guinan

CARD OF THANKS

We wish to thank everyone for the beautiful flowers, gifts and cards and a special thank-you to our nephews and nieces for the wonderful reception they gave us on our Golden Wedding Anniversary. All is deeply appreciated and will always be remembered. Clifford and Velma Wolfe

LEGAL NOTICES

MORTGAGE SALE
Default having been made in the conditions of a certain mortgage made by JOHN D. BRYANT and JERINCE BRYANT, his wife, to THE DETROIT BANK AND TRUST COMPANY, a Michigan banking corporation, dated the 28th day of October, A. D. 1973, and recorded in the Office of the Register of Deeds for the County of Washtenaw, State of Michigan, on the 14th day of November, A. D. 1973, in Liber 1461 of Washtenaw County Records, on page 289, on which said mortgage there is claimed to be due and unpaid at the date of this notice, for principal and interest and cost of foreclosure report paid by said mortgagee, the sum of Twenty Two Thousand Two Hundred Sixty One and 34/100 Dollars (\$22,261.83); and no suit or proceeding at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof, and therefore, by virtue of the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that on Thursday, the 21st day of June, A. D. 1979, at ten o'clock in the forenoon (Local Time), said mortgage will be foreclosed by sale at public sale to the highest bidder immediately inside the westerly entrance to the Washtenaw County Building in the City of Ann Arbor, Washtenaw County, Michigan (that being the building in which the Circuit Court for the County of Washtenaw is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due on said mortgage as aforesaid, with interest thereon at the rate of 8 per cent and all legal costs, charges and expenses, including the attorney fee allowed by law, and any sum of money which may be paid by the mortgagee or any person on said mortgage.

in the Township of Salem, Washtenaw County, Michigan, described as:
A part of the Southwest 1/4 of Section 11, Town 1 South, Range 7 East, Salem Township, Washtenaw County, Michigan, beginning at a point about due West 225.70 feet and North 31.10 degrees 48 minutes 20 seconds West 1104.22 feet from the South quarter corner of said Section 11, thence South 82 degrees 55 minutes 40 seconds West 380.00 feet; thence North 01 degrees 04 minutes 30 seconds West 150.00 feet; thence North 88 degrees 55 minutes East 500.00 feet; thence South 01 degrees 04 minutes 30 seconds East 150.00 feet; thence South 88 degrees 55 minutes 40 seconds West 123.00 feet to the point of beginning, including easement for ingress and egress as provided in indenture of easement and right of way dated October 24, 1973, executed by John D. Bryant, together with the hereditaments and appurtenances thereto.

The length of the redemption period is six months from the date of such sale.

MORTGAGE SALE
Default has been made in the conditions of a mortgage made by WILLIAM W. GRIFFIN and RUBY M. GRIFFIN, his wife, to CARRY MORTGAGE CORPORATION, a Michigan Corporation, Mortgagee, dated October 6, 1971, and recorded on October 14, 1971, in Liber 1374, on page 514, Washtenaw County Records, Michigan, by an assignment dated January 12, 1973, and recorded on October 26, 1973, in Liber 1375, on page 555, Washtenaw County Records, Michigan, on which mortgage there is claimed to be due at the date hereof the sum of TWENTY FIVE THOUSAND SIX HUNDRED AND FIVE AND 10/100 Dollars (\$25,605.05), including interest at 7 1/2% per annum.

Under the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that said mortgage will be foreclosed by sale of the mortgage premises, or some part of them, at public venue, at the Huron St. entrance to the Washtenaw County Building in Ann Arbor, Michigan, at 10:00 o'clock a.m., Local Time, on July 5, 1979.

Said premises are situated in the Township of Ypsilanti, Washtenaw County, Michigan, and are described as:
Lot 308, WESTWOOD SUBDIVISION, a Subdivision of part of the North 1/4 of Section 14, Town 3 South, Range 7 East, Ypsilanti Township, Washtenaw County, Michigan, according to the plat thereof, as recorded in Liber 13 of Plats, Pages 6 and 7, Washtenaw County Records.

During the six months immediately following the sale, the property may be redeemed.

NOTICE
Notice Is Hereby Given that all

NOXIOUS WEEDS

grown on any land anywhere within the Village of Chelsea

MUST BE CUT DOWN DESTROYED AT ONCE

Failure to comply with this notice on or before the absolute deadline,

MONDAY, JULY 2

shall make the owner of such property liable for the cost of cutting such weeds as done by the village.

Persons desiring someone to mow lots should contact the Village Administrator. Village will be having their property mowed at same time.

VILLAGE OF CHELSEA
ROBERT F. AIELLO, Commissioner of Noxious Weeds

ask THE GOVERNOR

by William G. Milliken

Question: Governor, you seem to be advocating voluntary conservation methods instead of government regulation as a means of dealing with the energy crisis. Do you have any suggestions for conserving gasoline?

Governor: Just a few simple steps by each motorist during the work week would save significant amounts of gasoline and could help forestall any serious shortages. Far more gasoline is used for going to and from work than for recreation and tourism. It has been estimated that about 80 percent of our gasoline is used within 20 miles of our homes.

Recreation is not a frill. The recreation and tourism industry contributes more than \$8.3 billion to our economy. It is an essential part of our economy in Michigan, and therefore relates to the total well-being of our citizens.

There are many ways to cut down on gasoline use. Here are a few suggestions:

—Keep track of the number of miles you drive a week and figure out ways to cut back. If every Michigan motorist used even one less gallon of gasoline a week, the savings would amount to 20 million gallons a month.

—Consider a "good neighbor policy" and ride to work with fellow employees. Ridesharing even one day a week saves 20 percent of the gasoline one person uses for work trips.

—Slow down. Reducing driving speed to 55 miles per hour or less significantly saves gasoline. Most cars get about 18 percent better gas mileage on the highway at 50 than at 60 miles per hour.

—Consolidate errands or trips to the same part of town; do them all at the same time. In some cases, a telephone call can accomplish what you want to do, eliminating a drive. Or, again, if share rides when doing errands.

—Avoid rush hour traffic with its many stops and starts.

—Bicycle or walk to nearby destinations.

—Keep your car correctly tuned and tires properly inflated.

Question: Each holiday I hear about operation C.A.R.E. What is that?

Governor: Operation C.A.R.E. (Combined Accident Reduction Effort) is an intensive road patrol project run in co-operation with 47 other states by the Michigan State Police.

Under the program, which is funded by the federal government through a grant administered by the Office of Highway Safety Planning, the State Police add extra patrols during holiday weekends to prevent traffic accidents. The extra patrol watches for speeders and especially is alert to traffic violations in which there is an indication of alcohol involvement.

The patrols also are on the alert for improper passing, improper lane changes and following too closely.

An important element of the C.A.R.E. program is the volunteer efforts of 50 citizen band radio clubs. The more than 500 members in these clubs operate coffee stops at numerous highway rest

change her name to Amelia Lynn Klaus.
Dated: June 4, 1979.
Amy Lynn Klaus, Petitioner
114 East Street
Chelsea, Michigan 48118
June 14

areas throughout the state during the holiday week-ends.

Question: I understand that more than \$1 million has been awarded to people through the Crime Victims Compensation Act. How does that operate?

Governor: The Crime Victims Compensation Act went into effect in 1977 and is designed to pay for uncompensated medical bills or for lost wages or earning power suffered by innocent victims of violent crime. In the two years the program has been in operation, more than \$1.09 million has been awarded to more than 800 crime victims. The majority of the victims were between 15 and 40 years old and just over half of them sought compensation for injuries due to assault.

Under the law, victims can be compensated if they are Michigan residents, are victims of acts that constitute crimes in Michigan, report the crime to proper authorities within 48 hours and file a claim within 30 days, or within 90 days of the death of the victim if survivor benefits are sought.

The victim may not be compensated if he or she was criminally responsible for the crime, was an accomplice or contributed in the infliction of the injury—except in the case of someone who intervened in an attempt to prevent the crime or aid a victim.

Michigan was one of the first states to recognize that society not only must do all it can to protect its members from crime, but that it must protect innocent victims from the financial burdens which often persist long after the act of violence is punished.

While nothing can restore things as they were for the victims of crime, we can at least demonstrate to these people that in this state we care as much for the rights of the victim as we care for the rights of the accused. If society is to function, the rights of both must be protected to the best of our ability. It should be understood that this is not welfare or charity, but justice for the victim.

Mental Health Center Volunteers Sought

The Washtenaw County Community Mental Health Center has announced its spring search for new volunteer mental health workers. Training begins May 19.

Interested persons may inquire by calling 994-2601, between 9 a.m. and 5 p.m.

Volunteer workers are needed for services in Ypsilanti and Ann Arbor, most in daytime services. Volunteers work in the Assault Crisis Center, Huron Valley Child Guidance Clinic, Ann Arbor Community Services, Ypsilanti Area Community Services, all of which are units of the Community Mental Health Center.

Volunteers work once weekly, making a time pledge of six months to a year. They must be 21 years of age or older.

Notice of

SPECIAL MEETING and PUBLIC HEARING of the DEXTER TOWNSHIP ZONING BOARD

to be held
Tuesday, June 26, 1979
7:30 p.m.

Dexter Township Hall
6880 Dexter-Pinckney Road

AGENDA:

- Review an application from Paul Peltes for tentative preliminary approval of the PELTCS Subdivision located on the west side of Wylie Road and consisting of 14 lots.
- Consider amending the following sections of the Zoning Ordinance Text:
 - SECTION 10.06 — VIOLATIONS AND PENALTIES
Increase the present \$100 fine to \$500 and the imprisonment from 30 days to 90 days.
 - SECTION 6. — PUBLIC HEARINGS (for Conditional use permits)
Notification method to be altered to conform to the requirements of Section 16b(2) of PA 184, 1943 as amended.
 - ARTICLE 14 — PLANNED UNIT DEVELOPMENT (PUD)
A new provision to be added to the Zoning Text to allow modification of certain district regulations in return for additional appropriate controls.
- Consider application for Conditional Use Permit from Louis and Kathy Ruggirello to expand the conditionally permitted use of a 176 acre parcel a.k.a. 12780 North Territorial Rd. to also include a campground with 200 camping sites.

Copies of the complete text of the proposed amendments are available in the office of the Township Clerk and Zoning Board Chairman.

DEXTER TOWNSHIP ZONING BOARD

Thomas F. Ehman, Chairman (313) 426-4155

Waterloo Nature Center Offers Live Moth Exhibit

Insects make up the largest group of animals in the world. They are at their best, or perhaps their worst during the warm summer months. Some are literally itching to get under our skin. Others gobble up our garden vegetables or prize flowers. In spite of all the bad publicity, most insects are neither beneficial or harmful. Many are fascinating because of their natural beauty or intricate life cycles. Michigan's giant silk moths fit into this last category. One species, the promethea, makes an excellent summer nature project.

This month the Waterloo Nature Center is featuring a live exhibit of promethea moths. Nearly 100 promethea cocoons are on display. For the next two or three weeks visitors will be able to watch these beautiful insects emerge from their cocoons and expand their four-inch wings.

Adult promethea moths are non-feeding. They live just long enough to mate and lay eggs. A female may lay as many as 200 eggs. Half the cocoons in the display contain females, which, collectively, may lay more than 5,000 eggs. After the eggs hatch the nature center staff will be foster parents to 5,000 hungry caterpillars. The staff will be raising about 200 for display and program purposes, and will give away surplus eggs to those wishing to raise promethea caterpillars as a summer project.

Prometheas are one of the easiest of the giant silk moths to raise as they take just six to eight weeks to grow and spin their cocoons. They feed on common plants like wild black cherry, sassafras, dogwood, buttonbush and others. Complete instructions on the care and

feeding of the caterpillars will be available at the reception desk in the nature center building.

Waterloo Nature Center is located north of I-94 midway between Ann Arbor and Jackson. Visitors take I-94 to exit 156, turn north and follow the park signs to the nature center. The center is open from 9 a.m. to 5:30 p.m. Tuesday through Saturday, and noon to 7 p.m. on Sunday. For further information call 475-8069.

As the nature center is a state park facility, all vehicles entering the center must have a state park motor vehicle permit, which is available at the reception desk in the nature center. Annual permits are \$7 and allow that vehicle to enter any Michigan state park an unlimited number of times during the calendar year. Daily permits are \$2 and are good for the date of issue only. Senior citizen annual permits are \$1. Revenue collected from the sale of motor vehicle permits is used to help finance additional park developments and to help defray operating costs.

Tennis Leagues

Being Formed for Summer Play

Summer Tennis Leagues will begin as soon as registration is completed. Anyone wishing to play in any one of the leagues should sign up at the Chelsea Recreation Office.

A \$3 fee will be charged for each league formed. A league must have at least eight entries in order to be started. The Rec. office will be open from 10 a.m. to 3 p.m. starting June 18.

Leagues offered will be Men's Doubles, Men's Singles, Women's Doubles-Singles, Mixed Doubles and Junior Singles (ages 13-17).

ORDINANCE No. 77-A

AN ORDINANCE TO AMEND ORDINANCE NO. 77 TO REGULATE THE POSSESSION, TRANSPORT, AND USE OF ALCOHOLIC BEVERAGES WITHIN PUBLIC PARKS AND PLAYGROUNDS IN THE VILLAGE OF CHELSEA.

The Village of Chelsea ordains: SECTION 1. Sections 21.291 and 21.292 be and the same are hereby deleted from Ordinance No. 77, effective August 6, 1973, and the following provisions are substituted in their place and stead:

SECTION 21.291. It shall be unlawful for any person to transport into or possess, use, or consume within the boundaries of any park or playground, any beer, wine, or other alcoholic beverages.

SECTION 21.292. No person shall sell or furnish any beer, wine, or other alcoholic beverage to any person within the boundaries of any park or playground.

The within amendment shall be effective immediately.

This Ordinance was adopted at a regular session of the Chelsea Village Council held on June 5, 1979.

Don D. Wood,
Village President
Thomas Neumeyer,
Village Clerk.

Popovich, to authorize payment of bills as submitted. Roll call: Yeas all. Motion carried.

Motion by Sweet, supported by Brown, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.

Thomas Neumeyer
Village Clerk.

Families Will Retain Importance in Society

In the 1980s, families will remain a core focus of society, and the United States will tend to become a "nation of upper middle income families," says a Michigan State University marketing professor.

William Lazer predicts that by 1985, 23 percent of U.S. families will earn over \$35,000 and 25 percent will have incomes of \$25,000 to \$35,000. "By 1985," he said, "marriage will be more popular, as will divorce, but divorce rates may slow."

Our farmers grow almost all of the country's navy beans and 100 percent of the cranberry beans.

The Bible-The Light from Heaven

Reveals a very important question asked by Pilate in Matthew 27:22. "What shall I do then with Jesus which is called Christ?" This question has a universal application. It is asked by all races and classes. It is also applicable to the individual. After one has learned the truth about Christ he can never be the same. It is a question no responsible person can ignore. (Matthew 12:30). The magnitude of the question is seen when we consider that he is God's spokesman to man (Hebrews 1:1,2; Matthew 17:5; John 6:68); the only mediator between God and man (1 Timothy 2:5); man's only Saviour (1 John 4:14; Luke 19:10); our perfect example (1 Peter 2:21); will be man's judge at the last day (Matthew 25:31ff., Acts 17:31); will be judged by his word (John 12:48). He invites men to come unto him. (Matthew 11:28-30). He now stands before us and we have the right to decide what we shall do with him. (Revelation 3:20). But the day will come when we shall stand before him and he will decide what to do with us. (2 Corinthians 5:10; Romans 14:12). In Hebrews 5:9 is written, "He became the author of eternal salvation unto all them that obey him." His great commission is recorded in Matthew 28:18-20; Mark 16:15, 16; Luke 24:46-47).

Monday — Noon lunch of oven fried fish, hash brown potatoes, buttered spinach, cornbread and butter, fruit cup and beverage. Cards and games, Father's Day planning session.

Tuesday — Noon lunch of Spanish rice with beef, buttered carrots, marinated green and yellow beans with onion salad, white bread and butter, spice cake, beverage. Cards and games, advisory council.

Wednesday — Noon lunch of turkey loaf, Mexican corn, strawberry peach gelatin, muffins and butter, seasonal fresh fruit, beverage. Cards and games, crafts.

Thursday — 11:45 a.m. lunch of BBQ beef on bun, buttered peas, apricot salad, peanut butter brownies, beverage. Cards and games, well-being class.

Garden City Boy Drowns at Bruin Lake

A six-year-old boy from Garden City drowned Friday in Bruin Lake, Lyndon Township, sheriff's deputies reported.

Jason E. Turi was pronounced dead at Chelsea Medical Center at approximately 4 p.m. Sheriff's reports indicate that the boy was swimming in the beach area at Bruin Lake campground with other youths.

Sometime in the afternoon, some youths approached a swimmer at the beach and told him Turi was missing. A search located the youth's body in less than six feet of water, about 25 feet from shore. Artificial respiration and CPR were administered on the spot, but failed to revive the boy who died shortly after at Chelsea Medical Center.

"Do-it-yourselfers" can be exposed to potentially hazardous noise levels generated by power tools, warn hearing specialists. The use of protective ear plugs is a sensible precaution when exposure to noise producing power tools is prolonged or frequent.

Letters to the Editor

To the Editor:

As you were driving along Scio Church Rd. on the evening of June 11, and felt a thud, did it occur to you that you may have hit someone's pet?

This pet was a dog named Co-coa, who was loved dearly. Needless to say she is not in good shape.

Is there a logical reason for not telling us the dog was injured? A few hours earlier, we are sure the veterinarian would have given us more hope for her recovery.

As it stands, he isn't optimistic about her recovery.

I hope that you may feel somewhat guilty, because we are losing a special friend who can not be replaced.

The Bycraft Family

Dear Editor:

As an avid supporter of the Friends of the Chelsea Players, I was appalled to learn of the recent injustice done to one of our newest residents. Chelsea has never had the reputation of being particularly "welcoming" to outsiders; however, this is ridiculous!

We of Chelsea have living among us, a professional actress who has performed I understand, in New York, in Europe, as well as in many Hollywood film roles. I for one, watched her in "Harvey," as Nurse Kelly, and thought she was brilliant — never over-acting — but very much the trained, experienced professional.

The Chelsea Players hired an amateur actress turned director to head their next production "Bells Are Ringing." Our recent resident, Rita Howard, tried out for the leading female role and was side-stepped in favor of a high school girl whom I have seen in some other productions and, although I have nothing against personally, was never particularly impressive in her roles. In fact, Ms. Howard was not even cast in the play. What sort of nonsense is this? Several people who tried out for parts in the musical observed Ms. Howard and all stated, without question, that she was far superior in singing, acting, and dancing to anyone there. In fact, they all said that there was no doubt in their minds that she would play the leading lady. They were excited about learning from watching her! Also, although I have never met her personally, I have spoken with people who have and they all find her not only charming, friendly, and intelligent but beautiful, which I can vouch for having seen her in "Harvey."

How could she have been overlooked in the casting? Is it petty jealousy of a lovely, talented woman, or the fear of an insecure girl trying to direct a "pro," or is someone trying to say "We don't want now talent in Chelsea"? Whatever the reason, I have no intention of

supporting the Players, both financially and by attendance in almost all of their productions, to watch "high school" performances—I want to see ADULT talent used in our plays. I was looking forward to seeing Rita Howard perform again as were many people. After this insult, I would doubt her ever being in another Chelsea production and I wouldn't blame her!

I feel that we as a community, the friends of the Chelsea Players, and all those involved owe this talented new resident an apology for the absurd, humiliating manner and treatment which she has been subjected to; that this young girl, through no fault of hers who has been cast in the leading role, would realize the error made and step down; and that this inexperienced director, for whatever reason she made this dreadful mistake, should be mature enough to rectify her foolish, irresponsible error and give Chelsea an opportunity to see a trained, real performer in action.

I am truly ashamed that this could happen in Chelsea, to one who could be a valuable asset to our community. And Ms. Howard, please accept my apology as well as the apologies of many Chelsea residents who agree with me. An embarrassed Chelsea resident

To the Editor

What a surprise! I thought when I left home Friday evening, June 8, that I was headed for "graduation"—but instead my husband took me to the Chelsea "ZOO." I don't think I have ever been so disgusted in my entire life... at first at the seniors... not all but rather a small group of 10 or 15... but most of all at the 200 OFFICIALS who sat on their duffs and did not make an attempt to bring order to what should have been a nice, beautiful ceremony to be a pleasant memory for everyone (seniors and audience).

I am at a loss to understand why disciplinary action was not taken against those seniors that were being disruptive. Perhaps the school officials would like to write an explanation and put it in the paper for everyone to read!

We are also at a loss to understand why the school officials did not ask the people that gathered on the football field (blocking everyone else's view) to return either to the bleachers or to the side thus enabling those of us left remaining in our seats to see our graduate receive his/her diploma.

After Friday night's fiasco I can see no way that there will ever be another "nice graduation." You really blew it school officials... you might as well have future graduating classes just come in at their leisure and pick up their diploma—you have lost all control. This is very sad that a group of adults would allow this to happen. I am certainly glad that my kids are now both out of what used to be "Good Old Chelsea High." I won't miss it. Concerned, Disgusted Parents.

Property Damage Reported By Lima Township Resident

Unknown persons driving a pickup truck rammed and broke a locked gate at the home of a Sager Rd. resident last week and made off with an outhouse used by campers in the woods behind the house.

The homeowner reported that the Washtenaw County Sheriff's department came out and took a report of the damage. They suspect the incident might have occurred as a result of overzealousness in celebrating graduation week.

"We know that you are proud of your school and town," said the disturbed owner, "but there turns out to be several bad apples in the cart."

The first state legislation requiring monthly physical examinations for workers in hazardous industries was passed in Illinois in 1911, according to the U. S. Department of Labor publication "Labor Firsts in America."

State Hotlines Can Answer Questions

Your state government operates 15 telephone "hotlines" to give you easy access to a wide range of information and advice, including where the fish are biting best and the latest news on gasoline.

Most of the hotlines are toll-free—they have 800 area codes—and a few are tape recorded.

Last year, the utility hotline received 30,500 calls, by far the busiest, and was followed by insurance with 15,500 calls.

The phones are staffed by regular state personnel who man the lines in addition to their other duties. So the only additional cost is the phone service itself. Last year, this totaled \$50,000 for the five commerce department lines.

You might want to clip the following list of state hotlines for future reference:

UTILITIES—1-800-292-8555, Public Service Commission. For complaints about commercial and residential telephone, gas and electric services and rates.

ENERGY—1-800-292-4704, Energy Administration. Provides information on energy project grants and publications about new energy technology.

AUTOMOTIVE COMPLAINTS—1-313-357-5108, Bureau of Automotive Regulation of the Michigan Department of State. Handles complaints about poor auto repair work and new and used car purchases.

TOURISM—1-800-292-2520, Travel Bureau. Provides information about upcoming tourist attractions, campsites, gasoline availability and hotel and motel accommodations. If calling from out of state, dial 1-800-248-5700.

ROADS—1-800-292-9578, Department of Transportation. Provides information on proposed road projects and public hearings.

CONSERVATION—1-800-292-7800, Department of Natural Resources. Report any violations of game and fishing laws to this number.

POLLUTION—1-517-373-7680, Department of Natural Resources. Call this number to report any environmental pollution problems.

FISHING—1-517-373-0908, Department of Natural Resources. A tape recording of the fishing conditions around the state.

BUSINESS—1-800-292-8544, Office of Economic Development. Answers questions about state regulations and deals with a wide variety of business problems.

INSURANCE—1-800-292-5943 (or 256-3824 in Wayne County), Insurance Bureau. Helps with all types of insurance problems, including unpaid claims, cancellations and fraud. Tells which companies are licensed to operate in Michigan.

MEDICAID—1-800-292-2550 (or

economic information out of Washington).
CONSUMER COMPLAINTS—State-wide, 1-800-292-5880; Lansing, 373-0947; Detroit, 883-6806; Michigan Consumers Council. Answers questions about companies, products, warranties, etc.

The University of Michigan at Ann Arbor was the first state university established by vote of the people through their Constitution. The Upper Michigan Copper Country is the largest commercial deposit of native copper in the world.

RESOLUTION FOR ADOPTION OF LIMA TOWNSHIP ROAD ORDINANCE

BE IT RESOLVED AND IT IS HEREBY RESOLVED, that the Lima Township Board does hereby adopt as Lima Township Ordinance No. 3, the attached Lima Township Road Ordinance, and the Clerk is hereby directed to enroll in said Ordinance to: enroll said Ordinance in the books and records of the township, file a copy with the County Clerk, and cause the same to be published immediately. The Ordinance shall be effective thirty (30) days after publication.

STATE OF MICHIGAN
COUNTY OF WASHTENAW ss
I, ARLENE R. BAREIS, Clerk of Lima Township, do hereby certify that the above Resolution was adopted at a regular meeting of the Lima Township Board, held on the fourth day of June, 1979, at the Lima Township Hall, at eight o'clock in the evening, by the following roll call vote:

AYES: Supervisor Bauer, Clerk Bareis, Treasurer Tilt, Trustees Gross and Heller.
NAYES: None.

ARLENE R. BAREIS,
Clerk of Lima Township
Dated: June 6, 1979.

AN ORDINANCE REGULATING PRIVATE ROADS AND STREETS AND THE USE THEREOF, TRAFFIC AND PARKING OF VEHICLES THEREON, AND CONSTRUCTION AND MAINTENANCE OF PRIVATE ROAD AND STREETS, WITHIN LIMA TOWNSHIP, TO PROVIDE FOR THE ADMINISTRATION, ENFORCEMENT, AND FEES TO DEFRAID ADMINISTRATIVE AND ENFORCEMENT COSTS INCIDENT THERETO

The Township of Lima hereby Ordains:

An Ordinance under the provisions of Public Act 246 of 1945 as amended, to regulate the construction, maintenance and use of Private Streets and Roads within Lima Township, the use thereof by traffic, the parking of vehicles thereon, the administration and enforcement thereof, fees to defray the administrative and enforcement costs incident thereto, and to insure that residences and buildings within the Township of Lima may be accessible to police and fire protection, and for other purposes, as follows:

SECTION 1 - INTENT

The Lima Township Board hereby finds that unobstructed, safe, and continuous access to lots and parcels of real estate is necessary to promote and protect the health, safety and welfare of the public through police and fire protection and ambulance service. The Lima Township Board further finds that such access is necessary to insure that such services can safely and quickly enter and exit private property at all times. The Lima Township Board further finds that access to the interior of various sections within Lima Township should be promoted through the orderly development of the Township and that such access should meet minimum standards and specifications to permit the subsequent upgrading and dedication of such access rights of way by the Washtenaw County Board of Road Commissioners or other municipal corporations, when public dedication is desirable or required, without future undue and unnecessary costs to abutting property owners. The procedures, standards and specifications hereinafter set forth are determined to be the minimum procedures, standards and specifications necessary to meet the intention of this Ordinance.

SECTION 2 - GENERAL REQUIREMENT

Every lot or parcel of real estate in Lima Township which is improved with a building, shall either: (1) abut upon a street or road dedicated to the public; or (2) a Private Street or Road which meets the requirements of this Ordinance; and, (3) have access for ingress or egress for all the vehicular traffic including fire, police, and ambulance services and vehicles by means of such public or private street or road. No lot or parcel of real estate shall be improved with a building subsequent to date of adoption of this Ordinance, unless a permit in accordance with this Ordinance has been issued. All lots and parcels of real estate which have been improved with a building prior to the date of adoption of this Ordinance shall comply with the provisions of this Ordinance, if the Township Board, by Resolution, subsequently determines that such compliance is necessary to protect and promote the public health, safety and welfare of specified lots and parcels of real estate in accordance with the purposes set forth in Section 1 above. No private street or road shall be constructed or maintained without compliance with the requirements of this Ordinance and an access easement permit as hereinafter provided.

SECTION 3 - APPROVING AUTHORITY

The Lima Township Board shall have the authority to approve or deny applications for access easement permits. No other permit issued by any Township Official or body including the Zoning Inspector, Planning Commission or Zoning Board of Appeals or Washtenaw County Official or Board, including the Washtenaw County Building Inspector, shall be a substitute for such access easement permit. If an access easement permit is necessary under the requirements of the Lima Township Zoning Ordinance or any other Ordinance, the Township Board may refer such application to the Planning Commission or other appropriate body for review or comment. If the facts do not establish that the easement and roadway conforms to the standards and specifications of this Ordinance, the Township Board shall not grant an access easement permit. The approval of any access easement permit, the Township Board shall impose such conditions as it deems necessary to meet the intention and to achieve the objectives of this Ordinance. The breach of any such condition shall automatically invalidate the permit therefor. The Township Board shall establish, by Resolution, a schedule of fees to defray the costs of inspection administration and enforcement of this Ordinance. The Township Board may require that the applicant for an access easement permit deposit with the Clerk of the Township a sum of money, or in lieu thereof a performance bond, upon such conditions as determined by the Township Board, which shall insure that the applicant shall perform the terms and conditions of the access easement permit, including the payment of any administrative or enforcement costs. Upon the completion of the easement and roadway the applicant shall be entitled to a refund of such portions of the deposit which have not been expended for such administrative or enforcement costs. The access easement permit shall be in a form as approved by a Resolution of the Lima Township Board. The permit shall be signed and issued to the applicant by the Clerk of the Township. The Clerk shall not issue the permit until all fees and deposits have been paid.

SECTION 4 - APPLICATION REQUIREMENTS

The application shall be made in writing and accompanied by the following information:

A. A legal description of the lot or parcel to be served by the easement, a legal description of the easement, the names and addresses of all persons or parties owning an interest in the title to the lots, parcels, and easement area.

B. A survey drawing showing the outline of the proposed easement, the dimensions and bearings thereof, of the existing topographical contours at two (2) foot intervals of the easement area and all adjacent land within ten (10) feet thereof, soil characteristics, wet areas, trees, streams, and all other bodies of water within ten (10) feet of the easement area, existing buildings within twenty (20) feet of the proposed easement, the proposed easement in relation to the nearest property lines and the location of all proposed improvements to the easement area. The survey drawing shall be prepared by a Registered Land Surveyor or Civil Engineer and shall bear the seal of the same.

C. The plans and profile drawings and cross sections of the proposed improvements showing clearly all materials, grades, and dimensions. Such drawings and cross sections shall be prepared by a Registered Civil Engineer and shall bear the seal of the same.

D. A statement of the applicant detailing the parties who shall be responsible for the maintenance of the easement and roadway and the means by which such maintenance shall be accomplished.

E. A complete statement of all of the terms and conditions of the proposed easement, including all agreements or intended agreements regarding the maintenance and improvement of the easement and roadway.

F. The fee as established by Resolution of the Township Board.

G. The application shall be signed by the applicant or his agent, in which case, it shall be accompanied by a duly executed and notarized Power of Attorney, and shall represent that the applicant is making the application on behalf of all persons having an interest in the easement or the abutting lots or real estate, and shall be made under the penalties of perjury.

SECTION 5 - SPECIFICATIONS

Each access easement and its roadway shall conform to the following specifications:

A. The specifications of the Washtenaw County Board of Road Commissioners for streets and roadways which are to be dedicated to the public, or

B. Such specifications as shall

be subsequently adopted by Resolution of the Lima Township Board, and,

C. The following minimum requirements and specifications:

(1) The easement shall have a width of sixty-six (66) feet.

(2) The surface shall be gravel or paved and shall have a minimum width for vehicular traffic of twenty (20) feet, when it serves six (6) or less single family residential units, or twenty-four (24) feet, when it serves any other building or buildings which produce a greater amount of vehicular traffic.

(3) The sub-base material shall have a minimum thickness of six (6) inches of compacted sand spread to a minimum width sufficient to extend to the front slope of the roadside ditch.

(4) Aggregate base material shall consist of eight (8) inches of crushed limestone or slag and shall be placed in two (2) courses of equal thickness. Each course shall be thoroughly compacted. The minimum width of the base shall be sufficient to meet the finished width of a gravel road. If the roadway is paved, the base shall extend an additional four (4) inches beyond the pavement upon each side of the roadway.

(5) If the road is paved, the pavement shall be two and one-quarter (2 1/4) inches bituminous aggregate 4.11 and to the width as hereinbefore specified.

(6) The maximum length of a dead end access shall be one thousand (1000) feet and the minimum length of a dead end access shall be one hundred forty (140) feet, as measured from the centerline of the public street to which it connects to the centerline of the turning circle or turnaround area. The turning area shall be provided at the end of a dead end access easement which shall be sufficient to permit the quick and unobstructed change in direction of police and fire vehicles. The turning circle, where used, shall have a minimum radius of seventy-five (75) feet for the easement and a minimum radius of fifty (50) feet for the roadway surface. A "T" type turnaround may be substituted for a turning circle, if the applicant can show that it will meet the standards hereinbefore set forth for a turning circle.

(7) The roadway surface and turning area shall be centered within the easement area.

(8) The connection between the access easement and public street shall conform to the standards and specifications of the Washtenaw County Road Commission and the applicant shall obtain a permit issued by said Road Commission prior to the approval of any access easement by the Lima Township Board.

(9) Underground cross-road drainage shall be provided where the proposed access easement crosses a stream or other drainage course. Necessary culverts and erosion treatments shall be provided in accordance with the specifications and recommendations of the Michigan Department of State Highway and Transportation standards.

(10) The easement and roadway shall be adequately drained so as to prevent flooding or erosion of the roadway. Ditches shall be located within the access easement and shall have a minimum grade of five-tenths (0.5) percent. Grades of five-tenths (0.5) percent to four (4) percent shall be sodded or otherwise stabilized. Front and back slopes shall have a minimum slope of one (1) on four (4). Grades exceeding four (4) percent shall be rip-rapped. Roadway drainage shall be constructed so that the run-off water shall be conveyed to existing water courses. The discharged water shall not be cast upon the land of another property owner unless the water is following an established water course. Connection to county drains shall be approved by the Washtenaw County Drain Commission prior to the issuance of a permit under this Ordinance. Connection to roadside ditches within public road right of ways shall be approved by the Washtenaw County Road Commission prior to the issuance of a permit under this Ordinance.

(11) The minimum grade of the roadway surface shall be five-tenths (0.5) percent. The maximum grade of the roadway surface shall be seven (7) percent. The minimum sight distance at a point where the access easement roadway intersects a public street shall be at least seven hundred fifty (750) feet, in each direction, unless a lesser distance is approved by the Washtenaw County Road Commission. Sight distances shall be measured as specified by the Washtenaw County Road Commission standards and specifications. Horizontal curves shall have a minimum radius of two hundred thirty (230) feet. Vertical curves shall be designed with a minimum length of one hundred (100) feet for changes in gradient of two (2) percent or more.

SECTION 6 - INSPECTION

Roadway improvements shall be

inspected by the Lima Township Engineer at various stages of construction. The Township Engineer shall make a final inspection upon completion of the construction, and he shall certify the fact of completion in accordance with the terms and provisions of the permit. No final certificate of zoning compliance or certificate of occupancy shall be issued by the Lima Township Zoning Inspector for buildings upon lots or parcels of real estate which are to be provided access by means of a private roadway until the final inspection and certification by the Township Engineer has been given. The results of the final inspection shall be in writing. The certificate of completion by the Township Engineer shall be in a form as provided by the Lima Township Board and a copy shall be delivered to the Lima Township Clerk and the applicant. The costs of inspection including compensation of the Township Engineer shall be paid by the applicant prior to the issuance of the certificate of completion. The Township Board shall establish and determine the costs of inspection. If the applicant does not directly pay the costs of inspection, the same shall be paid from the deposit established by the Township Board and held by the Township Clerk, and the balance if any shall be returned to the applicant.

SECTION 7 - EXPIRATION OF APPROVAL

An access easement permit shall be valid for a period of one (1) year from the date of issuance, or such longer period as determined by the Township Board. If the improvement has not been completed upon the expiration of said one (1) year or such longer period of time, then the permit shall be void and of no force and effect and all deposits shall be forfeited to the township.

SECTION 8 - RECORDING

All access easements shall be recorded in the Office of the Register of Deeds for Washtenaw County prior to issuance of a final certificate of completion, or the issuance of any zoning permit, including a final certificate of zoning compliance or a certificate of occupancy.

SECTION 9 - BUILDING PERMITS

No zoning building permit shall be issued for any lot or parcel of real estate subject to the provisions of this Ordinance unless an access easement permit has been issued by the Township Board.

sions of this Ordinance unless an access easement permit has been issued by the Township Board.

SECTION 10 - VARIANCES

Where there are practical difficulties or unnecessary hardships in the way of carrying out the strict letter of this Ordinance, such as topographical and other physical characteristics of a parcel, the Township Board shall have the power to vary or modify the application of the provisions of this Ordinance so that the intent and purpose of the Ordinance shall be observed, public safety secured and substantial justice done. Any applicant may apply for a variance from any provision of the Ordinance in which case the Township Board shall hold a public hearing upon such application within thirty (30) days from its filing, give due notice thereof to all parties, and decide the application within thirty (30) days after hearing. Upon the hearing any party may appear in person or by agent or by attorney. The Township Board shall keep a record of said hearing and shall render a written decision. The Township Board may attach reasonable conditions in granting any variance from any provision of the Ordinance, and the breach of any conditions or the failure of any applicant to comply with the conditions shall void the variance. It is the intent of this provision of the Ordinance that easements and rights-of-way which have been established, recorded, constructed, or maintained

prior to the date of adoption of this Ordinance and which can not be brought into conformity with the provisions of this Ordinance without unnecessary hardship or where such rights-of-way and easements by reason of soil conditions, topographical considerations, or other factors can not be brought into conformance with the Ordinance without practical difficulties, that variances shall be granted and conditions attached to the variance to facilitate the upgrading of such prior nonconforming easements and rights-of-way as is reasonably practical to the standards of the Ordinance.

SECTION 11 - VIOLATIONS

Any person who violates any provision of the within Ordinance shall be guilty of a misdemeanor and shall be subject to a fine not exceeding FIVE HUNDRED (\$500.00) DOLLARS or by imprisonment not exceeding ninety (90) days, or by both such fine and imprisonment. Each day a violation occurs shall be deemed a separate offense. Any access which is used in violation of the terms of this Ordinance and the same is hereby declared to be a nuisance per se, and such use may be abated, restrained, enjoined, and prohibited, upon the commencement of an appropriate action in the Circuit Court.

SECTION 12 - EFFECTIVE DATE

The within Ordinance shall be effective thirty (30) days after publication.

LIMA TOWNSHIP NOTICE

The office of the Lima Township Zoning Inspector, Mansour Rejali, 1645 South Fletcher Road, phone 475-1853, will be open Monday through Friday from 5:00 p.m. to 8:00 p.m. All permits will be issued within 10 days.

It's Rampy's theory that if you spend time, effort and money to see that your customers are satisfied, they'll come back again... and again.

That's exactly why Rampy recently bought the most modern computer diagnostic system available. The Sun 2001. It's one of the few things in this world that seems to make everyone happy.

The mechanics like it because it makes their job easier... It can spot a small problem before it develops into a big one... and it saves a lot of sweat looking for problems that just don't want to be found.

Customers like it because the computer print-out they receive allows them to see just exactly what was needed to get their cars running at peak performance. And, that means fewer service calls in the long haul. The real problems are spotted right away.

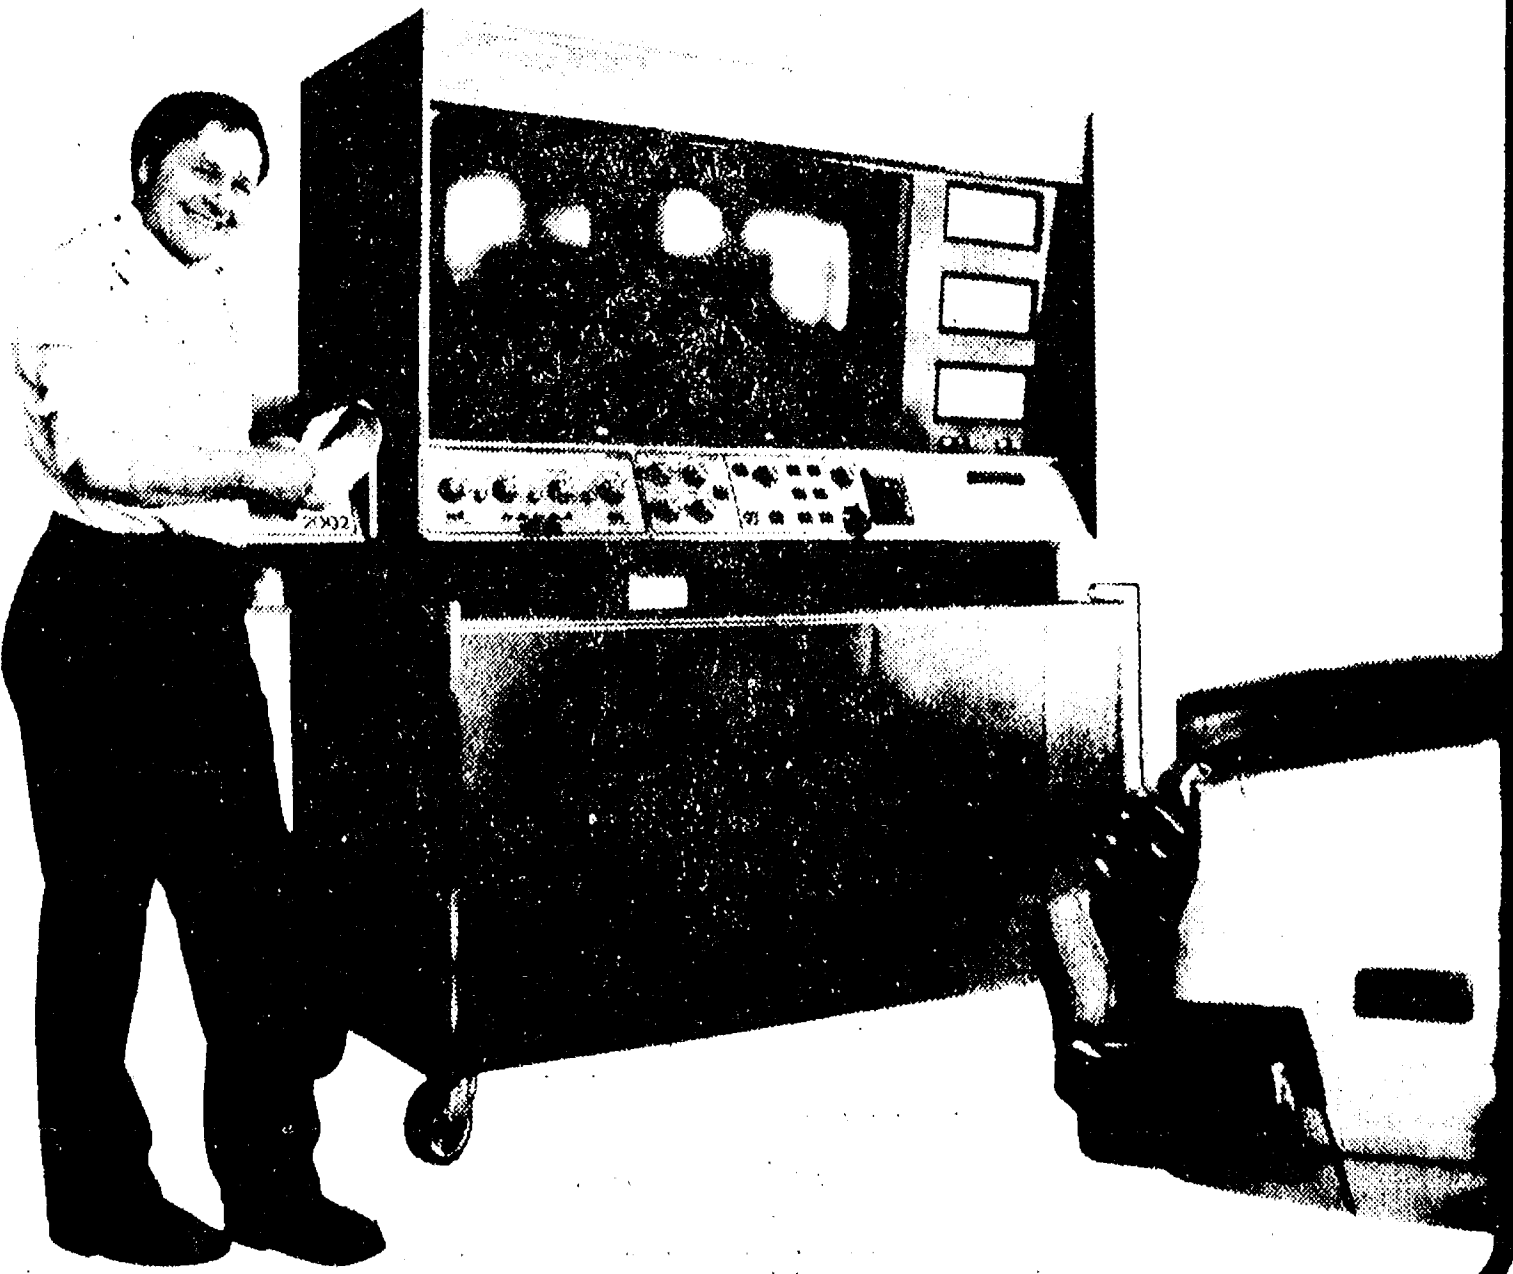

And Rampy likes it because he can see it helps keep his customers satisfied.

Bring your car in for a taste of the future today... the Sun 2001... at Rampy Chevrolet.

Vacation Church School Starting at N. Lake Church

Vacation Church School at North Lake United Methodist church begins Monday, June 18 and meets every day through Friday, June 22, 9 to 11:30 a.m. As children enter the activities building the first day, someone will direct them to the room where their classes will meet.

Theme of this year's school is "We Do God's Work." Children will learn how to do God's work through class activities and music.

There will also be time for recreation and refreshments. All children three years of age through 6th grade are welcome at school.

An offering will be taken each day to help defray expenses. Parents should come to the first day of class with children, since a registration card needs to be filled out for each child.

Education Program. Fines and costs, \$255.

Ronald Ley was sentenced for insufficient funds under \$50. Fines and costs, \$205. Pay \$5,500 restitution through court to creditor.

Coelius Toys Displayed in Arts Festival

Pat and Bill Coelius, 17115 Waterloo Rd., local practitioners of the art of wooden toymaking, will be participating in the Grosse Pointe Artists' Association Village Arts Festival, Thursday through Saturday, June 21-23.

Bill, who is Chelsea High school's speech teacher, and Pat are now in their fourth year of creating and selling wooden toys. Their items are displayed in weekend arts and crafts shows such as the Grosse Pointe show, South Haven and the Ann Arbor Summer Arts Festival, as well as in select children's and gift stores from Texas to Alabama and Detroit to Chelsea.

"We started making things for our own boys," said Bill, "and I guess we just got carried away."

Hours of the Grosse Pointe Festival are noon to 9 p.m. Thursday and Friday and 10 a.m. to 5:30 p.m. Saturday. It is located on Kercheval-in-the-Village between Neff and Cadieux Rds.

Beach School Summer Music Program Starts

Beach Middle school's summer music program got underway Monday, June 11 with the first sessions of the six-week program meeting at the school.

Next year's 7th grade band is meeting at 8 a.m. Monday through Thursday. The 8th grade band meets at 9 a.m. on the same days.

Next year's 6th grade band is split into classes by instrument. Flutes meet at 8 a.m. on Monday and Wednesday or Tuesday and Thursday, by choice. Clarinets meet at 9 a.m. Monday and Wednesday or Tuesday and Thursday.

Coronets meet at 10 a.m. Monday and Wednesday or Tuesday and Thursday. Saxophones practice on Monday and Wednesday, percussion on Tuesday and Thursday.

Trombones meet Monday and Wednesday at 11 a.m. French horns and oboes meet Tuesday and Thursday at 11 a.m.

Students interested in the program should come to the class of

their choice to sign up. Students are encouraged to begin attending a class even after it has officially begun.

The program will last until July 19, and classes are \$12. Directors are Steven Bergmann and Warren Mayer. For information call the school at 475-9131 or Warren Mayer at 475-7063.

Mike Kozminski

On Albion Dean's List

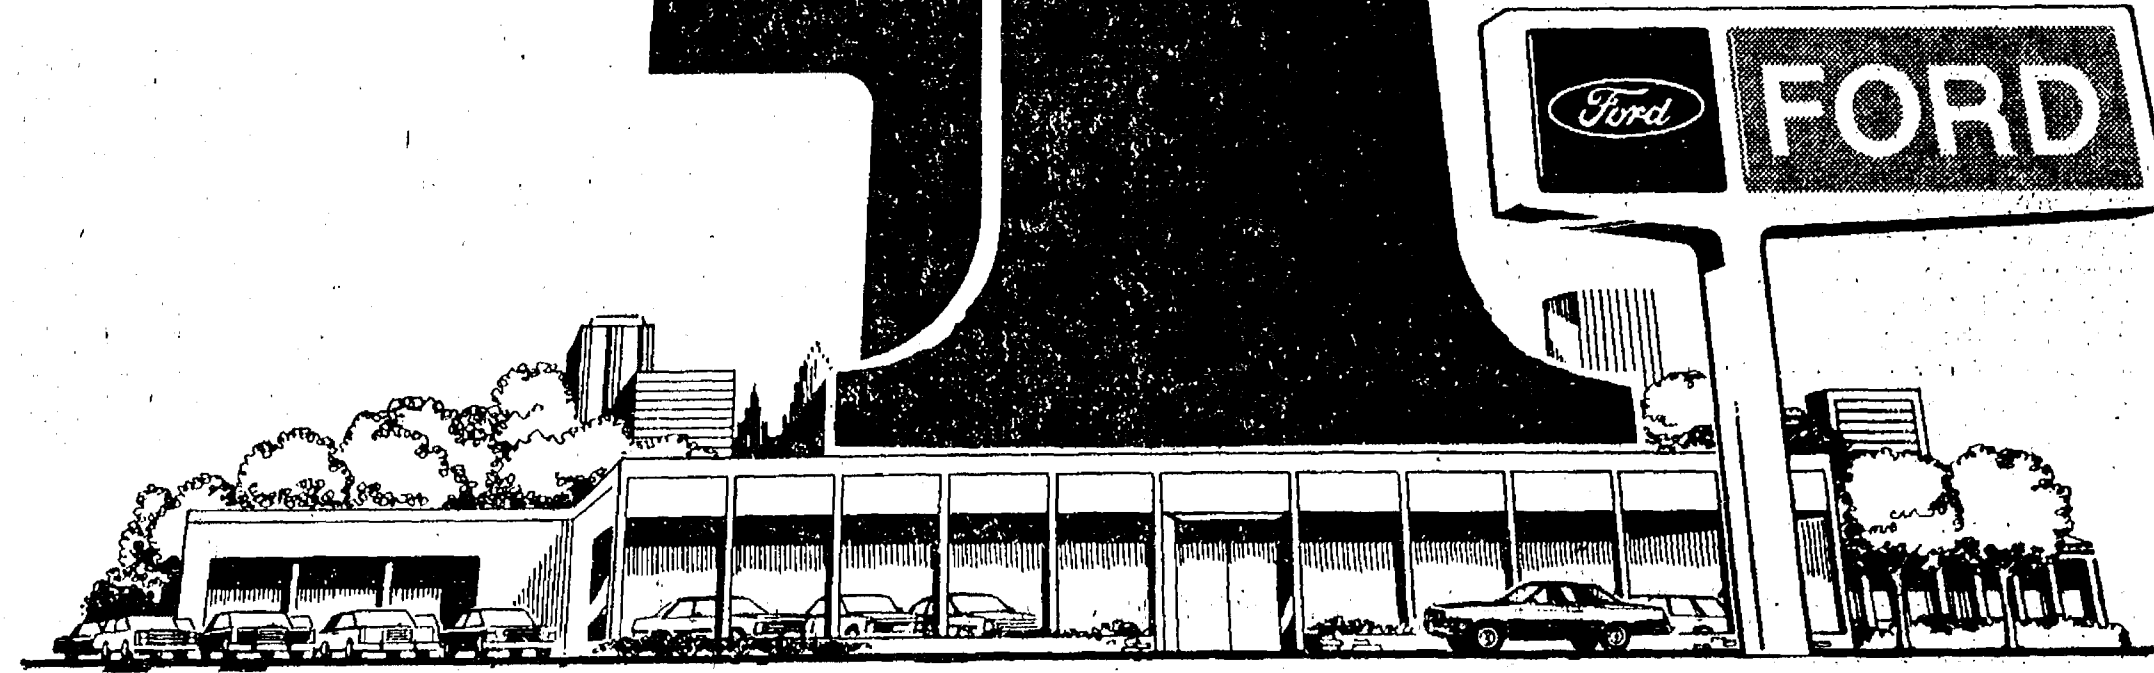

Mike Kozminski, a junior from Chelsea has been named to the Dean's List at Albion College for the spring semester.

To earn this honor, a student must have a 3.4 or better grade point average (based on a 4.0 system) while carrying a full class schedule.

Mike is the son of Mr. and Mrs. Ike Kozminski, 4678 Peckins Rd.

Michigan has more than 11,000 inland lakes and more than 36,000 miles of streams.

THE #1 TRUCK STOP

WE'RE THE ONE PALMER MOTOR SALES

GREAT PRICES!

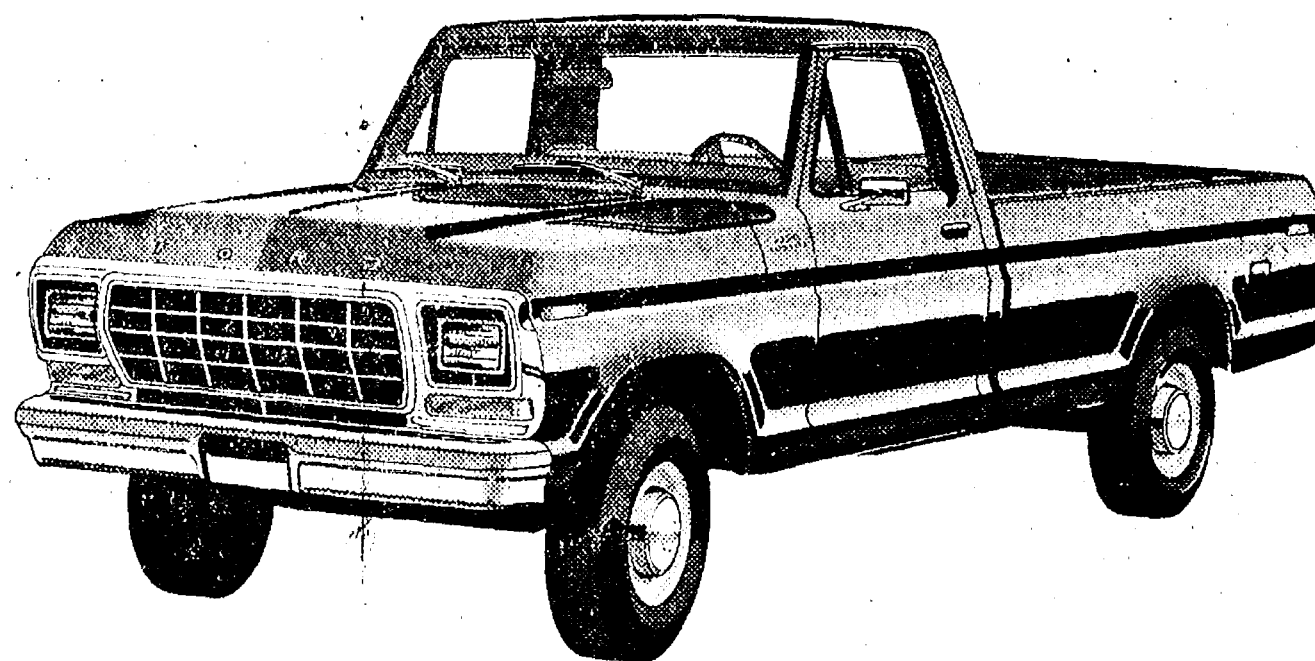

No wonder we sell more pickups and vans than anybody. (Based on R. L. Polk & Co. registrations). We've got the trucks people want at prices that are low. Come get a great deal today.

BEST MILEAGE! *

Tough Ford Trucks and Vans are engineered for solid performance and great mileage. Our F-100 has the highest pickup gas mileage in America! 18 EPA est. MPG*. It's mileage like this that has made Ford America's top-selling pickup line.

SUPER SELECTION!

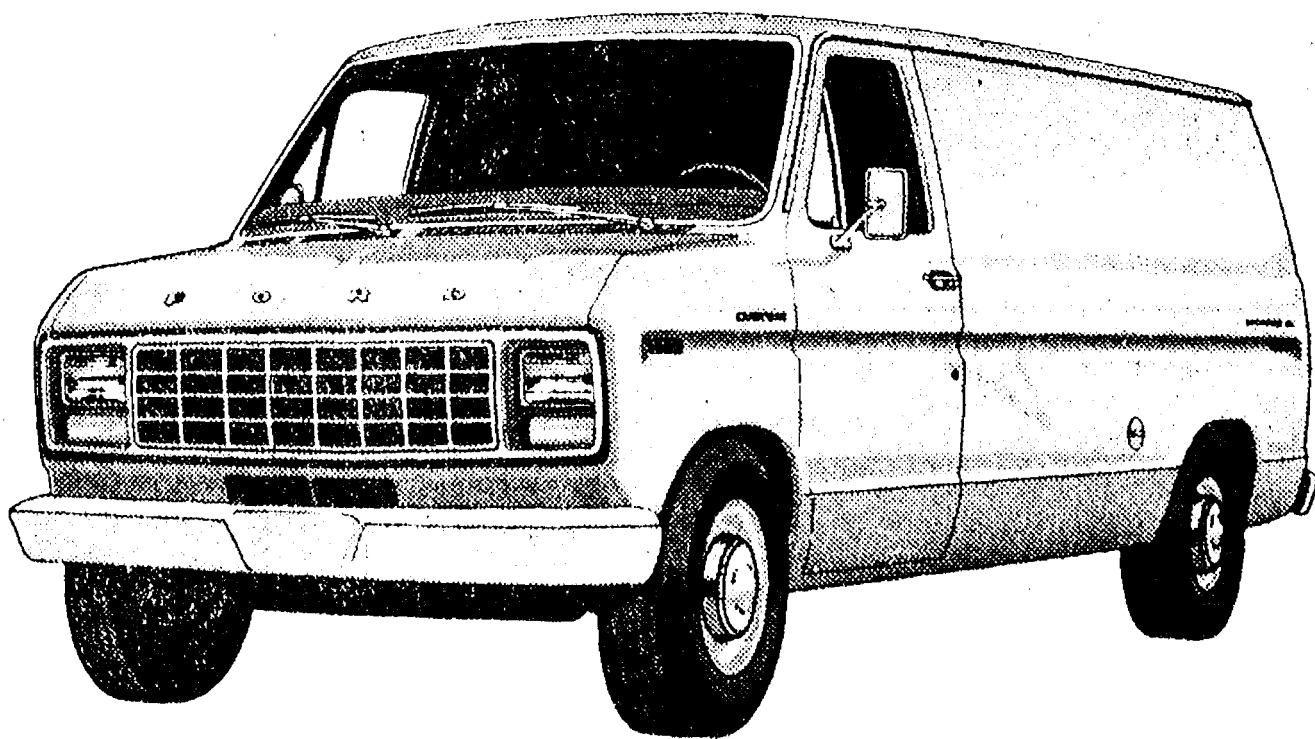

We have the biggest stocks of Ford pickups and vans of the year. The best selection for you. So take your pick and make your deal. You could drive one home.

F-100 PICKUP

This is the manufacturer's suggested retail price excluding title, taxes and destination charges. That's before you make your deal.

\$4756

E-100 VAN

This is the manufacturer's suggested retail price excluding title, taxes and destination charges. That's before you make your deal.

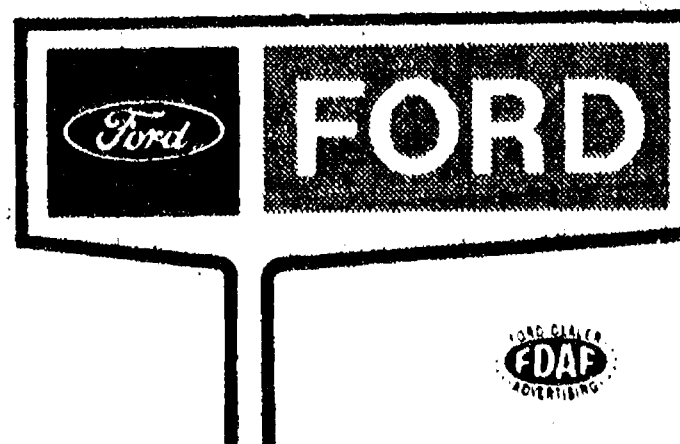

\$5112

*EPA est. with six-cylinder engine and optional 4-speed manual overdrive transmission. Best EPA estimate of any full-size pickup excluding diesels and car-trucks. Compare this estimate to the estimated MPG of other trucks. Your mileage may differ depending on speed, distance and weather.
