Historical Society To Meet Monday

Chelsea Historical Society will hold its first meeting of the fall and winter season Monday, Sept. 10, 8 p.m. at McKune Memorial Library.

Many persons attending the fair expressed interest in the society's display at the merchants' building. Members hope that these interested persons and any others will attend one or more meetings this coming season.

Michigan Historical Society recently notified Otis Titus that the Glazier Building, which houses The Chelsea Standard and is also known as the Welfare Building, has been designated a historical site. Titus and the late Paul Hoffman had spent many hours researching the history of the building and filling out the forms to be submitted to the commission for the request.

Chelsea's Planning Commission and the Village Council are planning to establish a Village Historical Commission.

Anyone interested in the history of the village and its heritage is invited to attend next Monday's meeting.

Athletic Tickets

On Sale

Tickets are now on sale for the 1979-80 Chelsea High school athletic contests.

Single game prices are \$2 for adult and \$1 for student for varsity football, girls basketball, boys basketball, wrestling and boys and girls swimming.

For junior varsity football, freshman football, junior high girls basketball and junior high boys basketball, tickets are \$1 for adults and 50 cents for students.

Season tickets for all contests may be purchased for junior varsity and freshman football for \$8 adult and \$4 student. A season pass is also available for girls basketball at \$16 adults and \$8 students.

An all-season pass for all athletic events is \$25 for adults and \$12.50 for students.

A new idea being tried this year is the family pass. Two adults buy a pass for \$50 and all children are admitted free.

Fifth grade students and under are admitted free when accompanied by a parent. Without a parent, they pay regular student prices. Athletes in season will be charged one-half price for other athletic events.

Senior citizens' Golden Passes, admitting seniors free of charge, will be honored at all athletic events.

Cross Country Should Be Strong

This year's Chelsea High school cross country team will have experience in its corner as the harriers prepare for their upcoming season. Coach Pat Clarke welcomes back eight lettermen and two letterwomen in his field of 17 runners.

Leading the returnees are a group of three seniors: team captain Steve Kvarnberg, Mark Stevenson and Mark Beyer. "If these three can have a productive fall, then we could do well," said Clarke.

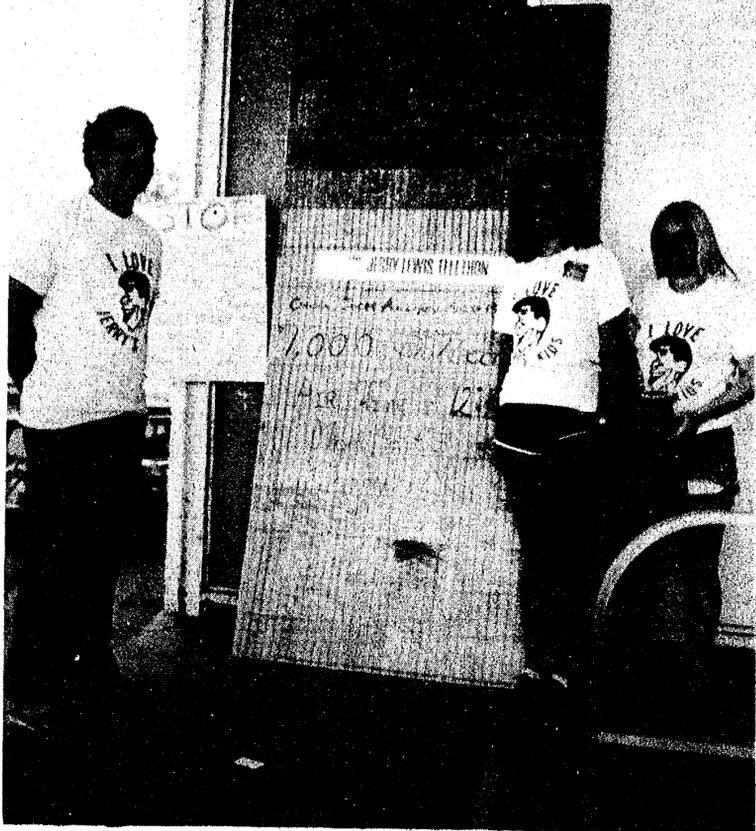

Junior Jeff Bradley has been very impressive in pre-season workouts thus far. "Jeff has run hard all summer and is ready to challenge for the number one position," said Clarke.

Junior Ken Bauer, sophomores Bob Benedict, Bob Schiede and Duane Robbins round out the lettermen returning for 1979.

This year's team is fortunate to have five newcomers who should challenge for varsity by the end of the season. All have worked hard and should continue to improve. The newcomers are sophomores Jeff Shaw and Dave Cooley, and freshmen Dave Kies, Brent Martin and Paul Frame.

"This group of freshmen are as good as we've had here in Chelsea," Clarke stated. "I'm very excited to have them on this year's team."

On the distaff side of the team, letter-winners Nancy Hastings

MILE OF MONEY: Chelsea Jaycee Auxiliary and Jaycee members sweltered in the sun outside Polly's Market Saturday and Sunday, as they collected funds for Muscular Dystrophy. Bill Tanoury, Nan Rowe and Sandy Meyer (left to right) were on hand when the "Mile of Money" (\$1,000) total was reached. Final total donated by Chelseaites was \$1,405.20, nearly a mile and one-half.

Jaycettes Top Mile of Money Goal for MD Collection

At 11 a.m. Saturday, Sept. 1 Chelsea Jaycettes in Polly's parking lot could be heard raising a cheer of joy. The occasion for shouting was the attainment of their goal: the last coins in their mile of money for Muscular Dystrophy.

A mile of pennies is \$1,000. For two days the Jaycee Auxiliary collected feverishly at Polly's and Chelsea State Bank. Patrons of those two establishments grew used to seeing smiling faces and t-shirts bearing the face of Jerry Lewis and the words "I Love Jerry's Kids."

Because many Jaycettes were away for the holiday week-end, Jaycees were asked to help and did so with vigor. Also working tirelessly were the Jaycee Kids: Connie Samek, Sheri Rowe, Shelley Wheaton, Kirstie Meyer, Kristy Smith, Carrie Bleske and Theresa Lewis.

Jaycees who stood in the hot sun all day and took contributions

included Bob Meyer, Bill Tanoury, Morgan Rowe, Dennis Compeau, Harry Thurkow, Bob Smith, Dan Bleske, Ted Lewis and Lang Ramsey.

Project chairman Arlene Samek, and committee members Carol Smith, Nan Rowe and Denise Martell, worked daily with Ginny Wheaton, Shaurda Friday, Sandy Meyer, Jill Compeau and Paula Bleske.

The final total exceeded the original mile goal, running nearly one and three-quarters miles or \$1,405.20. The money is destined to aid in research and aid to victims of Muscular Dystrophy and their families.

Auxiliary members appeared on Channel 10 Monday morning to present the check before a huge television audience in the name of those Chelsea residents.

Fall Community Ed. Program To Offer Variety

This year, Chelsea's Community Education Department is excited about the upcoming fall enrichment programs. They will be offering a variety of programs, something for everyone.

Classes include wilderness camping and forestry for those who enjoy the outdoors; miniature furniture making and framing for the artistic; and French cooking and travel Spanish for the ethnic minded. More seriously, offerings will include "As Parents Grow Older" and "Death, Dying and Grief."

Along with this fall's new programs, the department is looking forward to again offering many popular classes. Aerobic Dance classes have expanded and four sections will be offered.

The favorite "Do Something Different" is returning with a new set of classes, including

ESP, ghosts and hauntings, and adventures in awareness. Because of a very good response, rapid reading class will again be offered for those who wish to improve their reading skills.

Along with the enrichment program, the Chelsea Recreation Council is looking forward to the fall with the following programs: morning fitness class, women's night out, and co-ed volleyball. Children may take girls Bitty Basketball and cheerleading.

Chelsea Community Education's fall brochure will contain dates, times, places, costs and registration information and should arrive in the mail within the week.

Questions and suggestions for new class offerings are welcome and should be directed to the Community Education Department at 475-9830.

Beach School Has 5 New Teachers

Beach Middle school classrooms are welcoming five new teachers this year, four in the field of Special Education and one in Physical Education.

Denise Day, in her first teaching position, will teach a class for the emotionally impaired. Day received her degree from Eastern Michigan University and did her student teaching at Macey School for Boys. She resides with her husband and daughter in Pinckney.

Kathleen Gilbert joins the Beach staff as a replacement for Lynn Zander, who resigned upon her marriage. Gilbert is a special education teacher who will teach a class for educable mentally im-

paired students. She is a recent graduate of Eastern Michigan University who did her student teaching last spring at North school. She and her husband and three children live in Dexter.

Patrice Tchiblakian will teach a classroom for learning disabled students. She is a 1975 graduate of Eastern Michigan University and for the past two and one-half years has been employed as a learning disability teacher for Lapeer County Intermediate School District at Imlay City. She is an Ann Arbor resident.

Teachers Return to Classroom After Agreement Reached

School bells rang and students filed dutifully off to classes in Chelsea Wednesday morning, after a late Tuesday afternoon tentative contract agreement between the Chelsea Education Association (CEA) and the Chelsea School District averted a possible strike by 140 teachers.

Salary figures tentatively agreed upon were released to the Standard Wednesday morning. The three-year pact calls for a 7.5 percent salary increase in 1979-80, an 8 percent increase in 1980-81 and 9 percent in 1981-82. These salary percentages will not be final until ratification by the CEA and the Board of Education.

It was also agreed that teachers who withheld their services on Tuesday would either forfeit one day's pay or make up one non-instructional day.

Negotiators also agreed upon the 1979-80 school calendar.

All through Labor Day weekend the prospect of having to cancel first-day classes on Wednesday loomed larger than the administration or parents would have liked.

All but five teachers failed to report for work as scheduled Tuesday morning, after marathon Labor Day bargaining sessions fell short of a satisfactory pact. Teachers met early that morning, and, although technically on strike by withholding their services that day, voted to delay an actual strike vote until evening.

Meanwhile, according to Chelsea School Superintendent Raymond Van Meer, the CEA bargaining team together with CEA President Richard Bareis, agreed to meet with Van Meer and the school district team of Assistant Superintendent Fred Mills and negotiator George Johnson, for one last try at staving off a strike.

Commencing negotiations at 11 a.m., the bargainers finally reached a tentative settlement at 6:45 p.m., only 15 minutes before the teachers' strike vote meeting was to begin.

Terms of the proposed contract were explained to CEA members and they tentatively ratified its terms and agreed to staff the classrooms Wednesday morning.

A formal ratification vote by the CEA will be announced after formal language is agreed upon. CEA President Richard Bareis said he was convinced the teachers would ratify the contract.

Adult Class

Registration Scheduled

Only two weeks are left to register for Chelsea Adult High school completion classes which begin this fall. More than 100 Chelsea and Dexter residents participated in the high school completion program last year.

More than 50 percent of the adult population of Michigan do not have high school diplomas, and most do not realize how close they are to obtaining the certificate. Credits may be awarded for life experiences as work, marital and parental responsibilities, vocational and community college classes, civic activities, and previously earned high school credits.

Program Director Jaclynn Rogers said that classes will begin the week of Sept. 17, and are available both in the daytime and evening hours.

Daytime classes have previously been held at McKune Library, while evening sessions are held at various locations in the community. Additional information is included in the Fall 1979-80 Community Education brochure which will arrive in local mailboxes this week.

Anyone interested in high school completions should call the Community Education Office at 475-9830 immediately. Director of the program will meet with each individual personally to place students in the individual program.

"The vote was unanimous last night," he pointed out. "I see no reason that there would be anything but an overwhelming vote for ratification when the time comes."

Van Meer said the Board of Education is expected to ratify the contract at a Sept. 17 meeting.

Negotiations had broken down Monday, after 14 hours of talks, over the issues of salary increases and various non-monetary issues.

Final salary increase offer from the board at that time was 7 percent this year, 7.5 percent in 1980-81 and 8 percent in 1981-82, for a total of 22.5 percent over three years.

The CEA, in turn, demanded 9 percent in 1979-80 and 12 percent in 1980-81. The union also asked for severe class size limitations, paid leave days for union activities, additional paid leave

days for illnesses to be placed in a common leave bank, additional paid department chairpersons, increased annuity benefits and increased dental benefits.

At 8 p.m. that evening, an impasse had been reached and a union representative from the Michigan Education Association told the board: "You cannot assume the teachers will report for work tomorrow."

After the teachers failed to show Tuesday, Van Meer said the Board of Education would seek the services of a mediator and would file an unfair labor practice against the CEA for "participation in an illegal work stoppage without giving negotiators the benefit of mediation or fact finding."

With the tentative settlement Tuesday, tensions eased considerably and schools opened their doors on time yesterday morning.

Bulldog Grid Season Opens Friday Night

Eager football fans who flock to the varsity Bulldogs' opening contest tomorrow night probably won't have to watch very long before they realize it's a new brand of Chelsea football they're watching.

According to new head coach Eugene LaFave, the Bulldogs will meet Tecumseh with a game concept different from that with which they ended last season.

In a nutshell, the difference boils down to power versus quickness.

According to LaFave, the power-oriented hit, pound and beat-em-down style will have given way to a system geared toward quickness.

"We'll do a lot more ball-handling, faking, using of the option," LaFave explained. "It's a completely new way of playing for this team."

LaFave said the team learned a great deal about their strengths and weaknesses during the intrasquad scrimmage last week. "The value of a scrimmage is to

teach you your weaknesses," he said. "This week we made great improvements. Our defense has come a long way."

He sees Tecumseh as a real challenge for the Chelsea team. Tecumseh has returned many starters, has excellent linemen and is a quick team.

"They're bigger than we are," said LaFave. "You're not going to find many of them that are smaller than we are. So we've got to do a good job defensively. We must limit our errors offensively and defensively."

He sees this year's Bulldogs as senior-oriented and strong offensively. "Our seniors must come out of the woodwork and do the job for us," he insisted. He pointed to Brad Knickerbocker, Andy Weir, Lou Jahneke and Mike Killelea as players who will move the Bulldogs along.

Tomorrow's contest with Tecumseh at home will give Bulldog fans a chance to see their eager team in action.

School Board Cuts Budget \$143,305

Chelsea Board of Education lent tentative approval Tuesday night to school budget cuts totaling more than \$143,000, resulting from the Aug. 20 millage failure.

Approximately 40 audience members, most of whom had come to hear the board formulate teacher strike contingency plans, concentrated their energies on budget questions once a tentative agreement with teachers was announced.

The board made it clear their acceptance was "tentative," but acknowledged the need for round figures upon which to base the 1979-80 budget, to be finalized in early October.

Superintendent Raymond Van Meer made it clear that the only source of additional school funding this year would be increased enrollment. Enrollment figures won't be finalized for a number of weeks.

By far the largest single budget cut comes in the area of supplies, with \$40,505 trimmed from a planned \$78,507 expenditure in that area. Cuts are spread over the four schools, special education programs, counselors, adult education and administrative office supplies.

In the most drastic amputation

in the entire budget, every cent of the \$38,900 planned for capital outlay (equipment for classes such as shop and home economics and classroom items such as desks and chairs) has been slashed from the 1979-80 budget.

Van Meer responded to a question on this huge cut by explaining that capital outlay has gotten short shrift before in Chelsea. Equipment badly needs replacing in some areas, he said, but in the budget, the item is a "non-entity."

"It's not a course, it's not a program," said Van Meer. "We don't like to do it, but it's an area we can eliminate. We just hope that we don't have any breakdowns beyond the normal scope of repair."

Textbook allotment is scheduled to be shorted \$4,500 of the original figure of \$45,300.

The balance of the proposed budget cuts are as follows:

Media center books and periodicals—\$6,150 cut from \$12,365; Maintenance and operation—\$15,000 cut from \$708,179; Transportation—\$15,000 cut from \$359,330; Field Trips—the entire amount of \$6,000 cut; (Continued on page two)

Transportation Department Recycling Highways

If you think you have problems recycling bottles, cans and newspapers, just think what the Department of Transportation goes through when it recycles a highway.

Besides recycling asphalt in present highways, substitute products such as sulfur are also being tested for highway construction.

Due to the high cost of new asphalt, a petroleum based product, researchers across the country have embarked upon a search for substitutes.

Also in short supplies is concrete, as products of that material is way down, as plants are having difficulties meeting federal air pollution standards.

So far, best results for new highways have come from recycling existing asphalt pavement. Currently, most state highways in Michigan needing a

new surface are being examined for possible recycling.

Fred Coppel of the department's Testing and Research Division, says a new layer of asphalt on current roads do not solve the problems in that the cracks from beneath the surface soon reappear.

"When we recycle, we're actually constructing a new road—one we hope will last for another 20 years. It takes a little longer, but it costs less, since we're reusing some of the same materials," Coppel said.

Recycling a road involves crushing the existing surface, adding a small quantity of new asphalt, and then relaying the surface.

Huge milling machines tear up the asphalt paving. Then the material is either crushed at the site, mixed with a quantity of new asphalt and replaced.

The department is also looking for more economical materials as

substitutes for cement. Glass was one of the first products tried in an experiment on the west side of the state.

Fly ash, a fine powdery material from smoke stacks in power plants, has been used as a partial substitute for cement to construct pavements and a bridge over the Grand River in Lansing. Ground slag is another waste product being used for similar purposes.

Although there is not a surplus of sulfur in Michigan, it is being tested as a possible substitute for asphalt in the future.

Pellets from ground-up auto tires have also been used in a paving project to attempt to form a cushion between the old surface and the new overlay to add longevity to the road.

The department has tried just about every waste product imaginable in an effort to cut costs, but to date, none has been found to be an acceptable substitute for asphalt or cement.

Recycling asphalt is the most widely used cost saving device.

Research is continuing to find a way to recycle concrete highways.

So, as you drive around the state, only the Department of Transportation knows for sure what you may be driving on.

Drinking Age Question May Be Back Before Voters

The final word may not yet be in on the legal drinking age for the state of Michigan.

Voters last November placed the legal age at 21 years, but there is a move to get the question back on the 1980 ballot to lower the age.

Recently there has been the formation of a state-wide citizens committee to explore the impact of lowering the legal age.

The committee itself is suspect in that it is being sponsored and represented by businesses most directly affected by the change. Major sponsors are the Michigan Licensed Beverage Dealers, the bowling proprietors, bars and restaurants mostly located in college towns.

They, however, maintain the study will be fair and not represent their special interests.

The group had prepared and was about to circulate petitions to get the question on the ballot, but

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The Good Book says everthing has a season, and that's true of news even if it ain't of pro football. With the new summer leagues in cities not big enough to support a real pro team, we now got football all the time. But news falls in patterns, like weather and my old lady's list of chores I never get caught up on. Right now the weather comes with a little nip, the jobs run more indoors than out, and the news is heavy with back to school. The pictures in the papers show daddy carrying his little freshman girl's belongings into her dorm room, the cheerleaders going through their halftime routines, and they pritty soon will come with the oldest and youngest student in the college.

But not much about what goes on in the classroom. So this clipping Ed Doolittle brought to the meeting at the country store Saturday night was of special interest to the fellers. They are strong on classroom work, since none of them ever done any to get tired of. What Ed had was this report from the University of North Carolina that says the school ought to go back to running the students instead of the other way around. Until the late sixties, Ed reported, students at this school had to take what their advisors and deans told them whatever they was going into. For the past 10 year the students have studied what they pleased when they pleased. This curriculum study shows it ain't pleased the students to learn much of anything.

What the study tells us, Ed said, is that if you give a 18 to 20 year old person "free choice" the educators like to talk about, he's going to take the path of least resistance ever time. So students at this university have been studying movie appreciation and bartending when they ought to have been getting an education. The report recommends that the school go back to requiring study in such as English and history, if not reading, writing and arithmetic. Ed said he sees more good in this move than would show up on a freshman's class schedule.

General speaking, declared Ed, if wimmens hemlines and sales of new cars show

how the American economy is doing, the way we run our colleges shows what we're thinking. Ed said this recommended return to what the educators call "structured, progressive" study tells us the people are moving along those lines. We are finding out that just giving folks money to build a better society, fer instant, is gitting us nothing but grief. Ed said he was thinking particular of the "new communities" program of U.S. Housing and Urban Development.

One of these new communities is Soul City in North Carolina, where HUD and other agencies sunk \$26 million before ordering a cutoff last month. Now the man that took the money and failed is suing HUD for not making certain he didn't. What we need to do, said Ed, is git him out and salvage some of that mistake by using the land and utilities to locate some of these thousands of Asian refugees that will be coming into the country in the next two year. That would give use at least a little structure and progression fer our \$26 million.

Yours truly,
 Uncle Lew.

Rep. Mary Keith Ballantine (R-23rd District) will conduct a town hall meeting in Manchester Wednesday, Sept. 12 at 7:30 p.m. in the Freedom Township Hall, 11508 Pleasant Lake Rd.

Rep. Ballantine plans to address herself to current issues of importance and then open the meeting to questions and discussion with the audience.

Five more such meetings in the months of September, October and November are planned by Rep. Ballantine.

The public is invited to attend and refreshments will be served.

Help offered in Bad Checks

Ann Arbor Trust Co., in conjunction with Chelsea Police Chief Robert Aello, is offering area business people a presentation on "Fraudulent Checks and Credit Cards," to be held Tuesday, Sept. 11 at 2:30 p.m. in the bank's meeting room.

Leading the presentation will be Detective Staff Sergeant Norman Olmstead of the Ann Arbor Police Department. Those in the community who deal with checks and credit cards daily are invited to come and ask questions of Sargeant Olmstead, who is an expert in the field.

decided to commission the study first.

However, with the results that might be expected to come from such a study, there is little doubt the petitions won't be circulated with the voters again facing the drinking age question again in November, 1980.

Athletics—\$8,000 cut from \$14,000; Administrative Travel—\$2,000 cut from \$8,000; Curriculum Development—the entire amount of \$5,000 cut; Adult High School Completion—\$750 cut from \$32,460; Postage—\$1,500 cut from \$5,000, for a final total of \$143,305 in cuts.

Van Meer stressed that the reductions are distributed widely in the total budget and therefore may lead some taxpayers to believe that the school board twice asked for an unnecessary millage increase.

"Reductions, although drastic, are not high visibility," he said. "People are going to drive by and see the kids going to school, participating in sports, learning foreign languages and they'll say: 'Hey, they didn't really need it (the millage). But inside we're going to be hurting.'"

In other action the board accepted a bid to borrow \$1.7 million in operating funds against anticipated tax collection. Accepted bid was from Ann Arbor Trust Co., at an interest rate of 6.49 percent. Chelsea State Bank, the only other bidder, offered a figure of 7 percent.

The board retired to executive session at 9:25 p.m. to discuss the tentative teacher agreement and returned to public session at 10:30. They adjourned at 10:32 p.m.

Business Women's Group Installs New Officers

At their recent meeting, 1979-80 officers of the Chelsea Chapter of the American Business Women's Association (ABWA) were installed by outgoing President Linda Ormsby.

New officers are Gerry Sullivan, president; Shirley Schneider, vice president; Katie Chapman, recording secretary; Micky Quackenbush, treasurer; Alberta Pearson, corresponding secretary.

Other committee chairmen are: Joan Luick, scrapbook; Debbie Haworth, public relations; Shari Roberts, program; Berneice Augustine, hospitality; Jean Thomas, membership; Linda Ormsby, education; and Gail Salyer, ways and means. A past-president's pin was presented to Linda Ormsby.

Jaclyn Rogers, Community Education Director, spoke to chapter members and brought them up to date on goals set forth by the program in the areas of adult education, youth programs and others.

Kathy Brooks was the vocal speaker.

Micky Quackenbush conducted a white elephant auction which brought forth some spirited bidding.

A report on the pretzel booth at the sidewalk days and community fair was given by Micky Quackenbush. The funds will be given towards scholarships of \$150 each for Debbie DeSmythers, Carolyn Hubbard, Diane Luick and Vicki Koch.

In appreciation of her scholarship, Vicki Koch will conduct a study skills workshop Saturday, Sept. 29. Details are forthcoming in the Community Education newsletter.

An enrollment event will be held at the September meeting, hosted by Linda Ormsby and Gail Salyer as chair.

Berneice Augustine, hospitality chairman, and Katie Chapman served dessert at the close of the meeting.

Church Women Plan Workshop In Ypsilanti

Michigan Church Women United of Area III will be presenting a fall workshop Friday, Sept. 14, from 9 a.m. to 2:30 p.m. at First Baptist church, 1110 W. Cross St., Ypsilanti.

Emphasis for the workshop is on children, in keeping with the International Year of the Child. Elizabeth Frier, director of volunteers for the Michigan Department of Social Services will address the gathering prior to the afternoon shareshops.

Shareshops include: Bible study enabling, celebrations days resources and ideas, Mott Hospital volunteer program, Youth Haven Ranch, Yorkwood Center and Social Service Volunteer Program.

Monday, Sept. 10 is the deadline for registration. A fee of \$2.50 includes lunch. For registration or further information, call Kathryn Hilt, 475-7716.

St. Barnabas Starts Fall Youth Program

To kick off its new youth program this fall, St. Barnabas Episcopal church has planned a registration and kite fly for Sunday, Sept. 9 at 10 a.m. Each young person attending will receive a free kite. Afterwards, weather permitting, all children will fly their kites together across the street.

This is the first of many activities planned for young people this year at St. Barnabas, located on Old US-12 just west of M-52. All are welcome to come and join in the fun.

Cassidy Lake Men Give to MD Fund

They couldn't exactly stand on a street corner with a can or go door to door to collect small change, but the inmates at Cassidy Lake Technical School were determined to do their share to help fight Muscular Dystrophy this past week-end.

After an ok from the authorities, men at Cassidy Lake requested money to be withdrawn from their personal funds and donated to the MD drive. After all pledges were received, the men had raised \$94.65 to be given to help those less fortunate than they.

Christian Science Lecture Slated In Ann Arbor

'Good Precludes Evil'
"None of us need fear evil". In a Christian Science lecture soon to be given in the area, James Spencer of Birmingham, reasons that God's all-power can be effectively brought to bear on personal and social evils.

"Today", notes the lecturer, "many different phases of evil seem to confront us - violence, crime, sickness, want, loneliness, boredom. To many people evil appears quite real, quite inevitable, and often stronger than good". Mr. Spencer proposes an alternative to such a viewpoint in a lecture entitled, "Evil: Its Nature and Demise."

The Christian teaching that God is good, and ever-present and, therefore, that evil in all its forms can be healed, is a central point of emphasis for Spencer, a life long Christian Scientist.

First Church of Christ, Scientist, Ann Arbor is sponsoring this free public lecture on Tues. Sept. 11 at 8 p.m. at the church, 1833

Seitz Family Reunion Held

Descendants of Phillip and Rosina (Zahn) Seitz, held their 27th annual Seitz reunion at the home of George and Virginia Elkins Sunday, Aug. 26.

Sixty-two members attended. Paul Seitz was the oldest family member present and Daniel Hinderer, son of Mr. and Mrs. Ernest Hinderer, was the youngest.

Mrs. Clarence Lehman, mother of Virginia Elkins, was an honored guest.

The reunion will be hosted next year by Mr. and Mrs. Walter Mast of Ann Arbor.

Methodist Home Volunteer Intern Program Closes

A festive party at Chelsea Methodist Retirement Home Friday, Aug. 24 brought to a close another successful season of the volunteer intern program.

Young people were feted by about 40 home residents and received certificates and carnations honoring them for the services they provided home residents throughout the summer.

For four months, youngsters provided personal services such as writing letters, taking nursing residents for walks and wheelchair rides and offering friendly company.

Gail Willett of South Haven co-ordinated the summer program in which some 22 Chelsea youngsters were involved. Both she and the residents agreed that they enjoyed the summer experience and will miss the young helpers.

Mrs. John Carpenter

Observes 80th Birthday

Mrs. John (Katie) Carpenter of Meadowlane celebrated her 80th birthday Sunday, Aug. 19.

The garden party was given by her daughter and son-in-law, Mr. and Mrs. William C. Dittmar and grandchildren Janet, James, Joan, Judy and Jean and their families.

A buffet dinner was served to 100 guests from Chelsea, Wayne, Ohio, Kentucky, Indiana, Florida and Colorado.

Mrs. Carpenter received lovely gifts and cards of congratulations, including greetings from

President Jimmy Carter and Governor William Milliken.

Photos were taken of the five generations present. Thirteen grandchildren and two great-grandchildren were in attendance.

The 80th birthday cake was made and decorated by granddaughter Joan Dittmar of Wayne.

Homes, business, roads and ponds are swallowing rural land at the rate of about 3 million acres a year. Most of this irreversible change is related to urban expansion, nearly one-third of the rural land lost to development is cropland. Small water areas increased by more than 1 million acres in the 1967-77 decade.

Dexter Township Ordinance No. 9B

UNIFORM TRAFFIC CODE ORDINANCE—PENALTIES
 Adopted: Aug. 21, 1979
 Effective: Oct. 1, 1979

An Ordinance to amend the Uniform Traffic Code Ordinance heretofore adopted by this Township by the amendment of Section 9.3 which is entitled "Penalties" and the addition thereto of a new Section 9.3 (a) to provide for procedures to process civil infractions; and to repeal all ordinances or parts of ordinances in conflict therewith.

The Township of Dexter, Washtenaw County, Michigan, Ordains:

SECTION I.
 Section 9.3 of the Uniform Traffic Code Ordinance previously adopted by this Township on the 9th day of April, 1970, through Dexter Township Ordinance No. 9, as amended, which Section is entitled "Penalties" is hereby amended to read as follows:

Violation of any provision of this Ordinance not constituting a civil infraction as that term is used and defined under the provisions of the Motor Vehicle Code of the State of Michigan, being 1949 PA 300 as amended, and 1978 PA 510 shall be punishable by a fine of not more than \$100.00 or imprisonment for not more than 90 days or by both such fine and imprisonment, unless another penalty is expressly provided herein.

SECTION II.

The said Uniform Traffic Code Ordinance previously adopted by this Township on the 9th day of April, 1970, through Dexter Township Ordinance No. 9 as amended, is hereby amended by the addition thereto of a new subsection 9.3 (a) to read as follows:

Any provision of this Ordinance which describes an act or omission which constitutes a civil infraction under the terms of the Motor Vehicle Code of the State of Michigan, being 1949 PA 300 as amended, and 1978 PA 510, shall be processed as a civil infraction under the procedures set forth in said Motor Vehicle Code. Violation of any provision of this Ordinance which is designated as a

civil infraction in the said Motor Vehicle Code is not a crime and shall not be punishable by imprisonment or a penal fine. If a person is determined to be responsible or responsible "with explanation" for a civil infraction, the judge, referee or district court magistrate may order such person to pay a civil fine of not more than \$100.00 along with costs which may include all expenses, direct and indirect, to which this Township has been put in connection with the civil infraction. In no case, however, shall costs be ordered in excess of \$100.00.

SECTION III.

This Ordinance shall take effect on the 1st day of Oct., 1979. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

William Eisenbeiser,
 Dexter Township Clerk.

Dexter Township Road Maintenance and Construction Policy

The Washtenaw County Road Commission (WCRC) is responsible for maintenance and improvement of all public roads in the Township. The WCRC receives its money from the gasoline and weight tax, collected by the State of Michigan, and the roads within Dexter Township are maintained and improved to the extent permitted by our pro-rated share (based on miles of paved gravel roads, and population) of said money.

Therefore, it has been the policy of the Dexter Township board for at least 10 years, that additional money has been contributed to the WCRC for the additional improvement and maintenance of roads within Dexter Township. This money has been a combination of Federal Revenue Sharing funds and property tax dollars collected by the Township. The purpose and objective of the Dexter Township Road Maintenance and Construction Policy is to provide the maximum and equitable benefits to all residents of the Township, within budget constraints, and to complement the Dexter Township Zoning Plan.

In consideration of the above, it shall be the policy of the Dexter Township Board to do the following: (Consistent with budget restraints):

- No public funds will be expended on any private road within Dexter Township.
- To provide funds to the WCRC each year to brine all public gravel roads within the Township for dust control.
- Any major improvement of a road that serves only a limited number of residents and is not a connecting road within the Township, but will be handled under the provisions of Act 188 PA 1954, annotated 41.721, which allows creation of a special assessment district when requested by owners of 65% of the road frontage.
- Expenditure of Township funds on the major roads within the Township, i.e., Island Lake Road, Dexter-Pinckney, North Territorial, and Stofer, will only be considered if an extreme need exists and no other method of financing is available.
- Each year, the Township Board will meet with the WCRC and in consideration of the funds available to the Township, and the need expressed by the WCRC, will determine the area and extent of the expenditure of Township funds. These funds would be spent for road maintenance, such as gravel, grading culverts, bridge repairs, etc.

Hospital Accredited By Joint Commission

Chelsea Community Hospital has been awarded the maximum two-year Certificate of Accreditation by the Joint Commission on Accreditation of Hospitals (JACH), according to Willard Johnson, hospital administrator.

The accreditation was achieved following a thorough survey of the hospital by a professional survey team of the Joint Commission's Hospital Accreditation Program. The hospital was evaluated on the basis of information gained from questionnaires, other documentation, and

an on-site visit, which includes conferences with professional staff, service chief, and members of the governing body of the hospital.

The accreditation means that Chelsea Community Hospital has voluntarily chosen to be measured by the standards developed by the Joint Commission and has been found to be in compliance with them. These standards, published in the Accreditation Manual for Hospitals, set forth optimal achievable goals of excellence as a measure for evaluation by both the hospital and the Joint Commission.

Merry L. Hoffmeyer Earns BA Degree at U. of Puget Sound

Merry Lynn Hoffmeyer, daughter of Jim and Caralee Hoffmeyer, graduated Aug. 17 from the University of Puget Sound, Tacoma, Wash., with a BA in modern languages.
 She majored in French and Spanish and also carried a minor in Spanish. Her junior year was spent at the University of Michigan taking special classes in linguistics and attending the English Language Institute, where she earned a certificate to teach English as a foreign language.
 During the summer of 1976, Hoffmeyer studied Spanish in Mexican art in Mexico City, under the auspices of the University of Washington.
 She is a 1975 graduate of Chelsea High school.

St. Paul Begins New Church School Year

St. Paul United Church of Christ announces the beginning of its 1979-80 church school year.
 Kathy Young will be leading the program this year in her newly appointed role as Christian Growth Co-ordinator. Classes begin Sept. 9. Grades three through high school, including seventh grade Confirmation class, will begin at 9 a.m. Three year olds through second graders will meet at 10:30 a.m. during church worship hour.
 Many new teachers and helpers will be on hand for a new year of Christian education and Shared Approach Curriculum. New and exciting teaching methods and ideas will greet the children on Sept. 9.
 Kathy Young will be at the church office on Wednesdays and Thursdays to answer any questions about the school.

Activities Set for Senior Citizens

A trip to Frankenmuth last month for more than 120 senior citizens was just the beginning for senior citizen activity in Chelsea. Those 120 seniors and a number of other community seniors were surveyed on the types of activities they would like to participate in.

As a result of the survey, more than 14 different classes, ranging from cake decorating to legal rights, will be offered at the Senior Citizens Activities Center, 321 W. Middle St. in Chelsea. In addition, several trips have been planned for the fall and winter months.

A September trip is scheduled for Amish Acres in Nappanee, Ind. Seniors will ride a chartered bus to Nappanee, visit several Amish communities, have lunch at "The Barn," and return to Chelsea, all on Tuesday, Sept. 11. Deadline for registering for the trip is Friday, Sept. 7 at 5 p.m.
 Additional fall features include an open house on Sunday, Sept. 16 at the new activities center on Middle St. The public is invited to come between 3 and 6 p.m. to visit, enjoy refreshments prepared by the seniors, sign the mailing list, register for classes and be photographed for the Golden Age Pass, to be distributed by Chelsea School District.

Pinckney Man Retires from State Highway Dept.

CHELSEA CO-OP NURSERY was in its fourth year in 1960 when this picture of a classroom scene was made. Adults working with the class at creative play are, left to right, Jeanette

Winans, Alyn Seitz and Jane Schairer. The school is located in the Florence Howlett Memorial Building on Chelsea-Dexter Rd. which was formerly the Beach school.

Chelsea Co-Op Nursery Begins 12th Year

In the spring of 1967, a few industrious women decided to start a school to be known as Chelsea Co-Op Nursery. They raised funds through bake sales, fair booths and various other projects to buy the equipment needed in running a nursery school.

First session was held on Sept. 3, 1967 on the third floor of the municipal building. The nursery moved to its present location, 11000 Dexter-Chelsea Rd. in its second year.

That building, then known as Beach school, was renamed Florence Howlett Memorial Building in honor of a long-time Chelsea school teacher who had retired in 1932.

In 1963, the nursery bought the building.

Historically, the site has used for the purpose of teaching children since the first log cabin was erected in 1854. The present red brick edifice was built in 1916.

Chelsea Co-Op Nursery provides children a world outside the home especially suited to their needs, with guidance from a qualified teacher and interested adults. Parents administer the school as well as assist the teacher. Non-assistant positions are also available for those interested.

Sessions now beginning are for three year olds on Tuesday and Thursday from 9 to 11:15 a.m., and for four year olds on Monday, Wednesday and Friday from either 9 to 11:15 a.m. or 1 to 3:15 p.m.

Anyone interested in further information may call Carol Trinkle, 475-8970, or Marsha Hansen, 475-9718.

The first collective bargaining agreement was obtained by Philadelphia printers in 1795, according to the Department of Labor booklet "Labor Firsts In America."

Hunters Safety Course Slated

Chelsea Rod and Gun Club will be conducting a hunter's safety class today, Thursday, Sept. 6 at the Rod and Gun Clubhouse at 6 p.m.

The course offers basic instruction in firearms safety and hunting laws and customs in the state of Michigan. Anyone taking the course must be 12 years of age or older.

For more information, call Marv Schiller, 475-2941, George Padgham, 475-8812, or Jack's Barber Shop.

Letter to the Editor

To the Editor:
I would publicly like to thank the Chelsea Athletic Boosters Club for their efforts in selling tickets at the Community Fair and for the past three years.

I'm sure many people do not know how much this club has contributed to Chelsea's total athletic program. Number one, handling ticket sales, a varsity contest, then constructing the fence around the athletic fields and sponsoring parents' night.

The club has put what money it has earned into many projects for athletes, most recently a new whirlpool for the training room, a phone system for football, a pitching machine for baseball, a mini gym leaper for basketball, pom-poms for cheerleaders, training tables and tee shirts for all sports.

Most all this equipment is being used by both girls and boys.

Like all clubs, there is always a hard-core nucleus that must lead, and I would like to thank Roger and Donna Schrotenberg and Jim and Pat Robards for their dedication.

The athletic department and boosters would like to extend an invitation to all who want to help develop interest in our total athletic program.

Again, to all the parents who helped last year and who sold admission to the fair this year, thank you. Your efforts were greatly appreciated.

Phil Bareis,
Athletic Director
Chelsea Schools.

Five New Teachers At Beach

(Continued from page one)
leave of absence. Von Hofe is a 1977 graduate of Eastern Michigan who did student teaching at Beach and has been employed as instructor at the Charles S. Cameron Pool. She lives in Ann Arbor.

Veronique Wills is a special education teacher, replacing Marla Sebu, who resigned to take a position at High Point. Wills received her Masters from Eastern Michigan University in 1979 and her BA in 1976 from the University of California, Santa Barbara. She taught at North school last spring to replace a special education teacher on leave of absence and will serve as teacher consultant for emotionally impaired and learning disabled students at Beach. Wills is an Ann Arbor resident.

Land available for grazing has increased sharply since 1967, rising to 641 million acres in 1977. Today more than half the non-federal agricultural land is used for native pasture, pastureland or rangeland. There has been corresponding decline in non-federal forestland.

A daughter, Shauna Renee, at St. Joseph Mercy Hospital, Ann Arbor, to Mr. and Mrs. Joseph E. Smith, 6720 Dexter Town Hall Rd. Paternal grandparents are Mr. and Mrs. Joseph H. Smith of Chelsea; maternal grandparents are Mr. and Mrs. Donald Messner of Chelsea.

Flood prone areas in the non-federal land area of the United States total 175 million acres. Nearly half this land is farmland of good quality for crops.

There are 42 million acres of wetlands in the United States, of which 97 percent are in uses other than cropland. Forested wetland account for half the total acreage.

Good Things Growing in Michigan

Thirty-five million pounds of peaches would make a mound of peach sundaes or peaches and cream! Good things are growing in Michigan and our state's peach growers are estimating this harvest of peaches this summer, according to the Michigan Department of Agriculture.

Due to adverse weather conditions, this year's production is predicted 40 percent less than 1978. Peaches are picked when "firm-ripe." Because of this, they're very perishable and require special handling.

Unlike peaches, Michigan pears are picked when not quite fully ripe and still firm. To ripen

pears, store them in a dark place at 60 to 70 degrees for two to three days. Our state's pear production has doubled in the last three years, with an estimated 12,000 ton harvest this summer. Michigan is fifth in the nation for total pear harvest, according to MDA.

Most of our state's pears, primarily Bartletts, go to canners; however, fresh Michigan pears are available mid-August through October.

Prune plum production in Michigan climbed to the second highest in the nation in 1978 with a 65 percent crop increase. Growers harvested 48 million

pounds for a total market value of about \$3.3 million.

Two-thirds of the prune plum crop goes to processors for making jams, jellies, preserves and other products. Michigan plums are also excellent in cakes, tarts, pies, salads or for out-of-hand eating.

All three fruits are excellent for snacks and preserving, but try some new recipes. Michigan plums are great for a plum sauce topping for cheesecake. Boiled or baked peaches complement ham or duckling main courses.

FIRST PRIZE WINNER in the Adult division was awarded the float from the Chelsea Methodist Home, with its theme: "Friendship is the shadow of evening which strengthens with the setting sun of life."

SUMMER AND WINTER SPORTS highlighted the adult second-prize winning float in Saturday's parade, entered by the Inverness Snowmobile Club and featuring their Fair Queen nominee Debbie ("Miss Congeniality") Honbaum.

ROGERS CORNERS HERDSMEN Fair Queen Candidate Beth Heller rode high in Saturday's Fair parade on a float with an agricultural theme. Milk cans, a miniature barn and stuffed animals set the mood just right for the 4-H club's entry.

WINNER OF 4th PLACE and the Fireman's Award in the Adult category of Saturday's fair parade was VFW Post 4076, with queen candidate Kelly Stebelton perched up on top.

LINDA BRISTLE smiled and waved in the sunshine Saturday from her perch on the rifle Tailors 4-H Club float, with streaming fringe and colorful flowers, rustling all around her.

HOMEMAKER OF THE YEAR: Winner of so many awards they couldn't possibly be counted, Anna Laban was crowned Homemaker of the Year at the Chelsea Community Fair this year. Anna's talents ranged across machine sewing, preserving, needlework and food preparation as well as the State Fair Plaque making her eligible to exhibit at the State Fair next year.

GRAND CHAMPION Individual Hog at the Chelsea Community Fair, owned by Lucinda McCalla, was bought at auction by John Klink of Klink Excavating for \$3.85 a pound.

It Was A Great Fair!

POLLY'S MARKET manager Frank Marriott was the second buyer of the Grand Champion Lamb at last week's fair. Polly's paid \$5.00 per pound for Julie Nixon's lamb after the original buyer, Fred White, donated it back to the fair.

RESERVE CHAMPION: Melinda McCalla's Reserve Champion Individual Hog sold to Polly's Market at the Chelsea Community Fair hog auction, for \$2.20 per pound.

MELINDA McCALLA poses with one hog from her Grand Champion Pen, which was sold for \$2.55 per pound to Hans Sausage House in Stockbridge.

MICHIGAN LIVESTOCK EXCHANGE was the buyer for these hogs, the Reserve Champion Pen, at the Chelsea Community Fair. Leonard McCalla's hogs sold for \$1.20 per pound.

DAVID JEDELE of Saline drove this monster machine to a first-place finish in the heavyweight division of the tractor pull at Chelsea Community Fair last week.

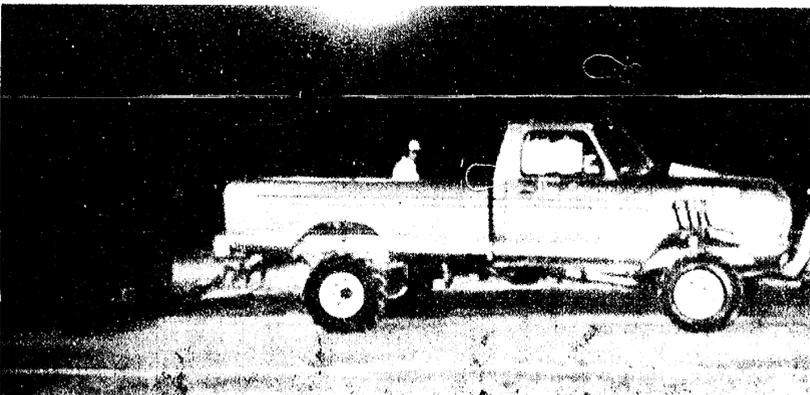

DAVID JEDELE of Saline, left, and Ann Arborite Wayne McCalla display the awards they won for taking first and second place, respectively, in the 11,001-15,000 lb. division of the Community Fair Tractor Pull last week.

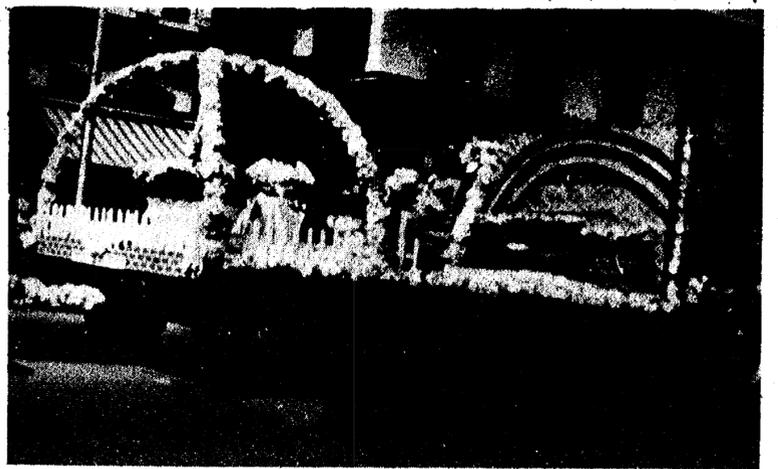

FAMILY AFFAIR: It was a family victory at the Chelsea Fair last week, as Mark Weidmayer, left, of Ann Arbor, and Roy Weidmayer, right, of Manchester took first and second respectively in the 6,001-9,000 lb. category of the tractor pull.

ANN ARBORITE RON DIUBLE took a first place trophy in the 9,001-11,000 lb. division of the late-night tractor pull during the Chelsea Fair last week.

"CRAZYMEN" DON SPENCER drove this modified 4-wheel drive to a third-place finish in the 5,401-6,250 division of Saturday's 4-wheel drive pulling contest at the Community Fair.

FIRST PRIZE in the youth division went to the Freshman class float, "We've Only Just Begun." Freshman queen candidate Julie Patrick and retinue floated down Main St. surrounded by real and paper flowers and backed by a huge rainbow.

"COLOR YOUR WORLD" was the theme of the second prize winning youth float, crafted by the sophomore class. Giant crayolas and rainbow flowers surrounded the class's queen candidate, Jeanne Bury.

THIRD PLACE in the youth division was the reward for the long hours put in by the senior class in crafting this float. Senior class queen candidate Tammy Sabo is enjoying the ride.

GREEN ACRES and rustic living were the themes of this rattletrap old farmhouse, entered in the fair parade by Chelsea's chapter of the FFA.

LORI NIXON (center) exhibited the Reserve Champion Pen at the fair last week, with the 128 and 131 lb. lambs selling for \$3 a pound to Duble Feeds.

A GRINNING RON DIUBLE of Ann Arbor showed off the awards he took home for winning the 9,001-11,000 lb. category in the tractor pull Friday night.

BEST OF POULTRY at the Chelsea Community Fair was shown by Hayes Gaynard, left, who also had the Champion Over-all Best of how.

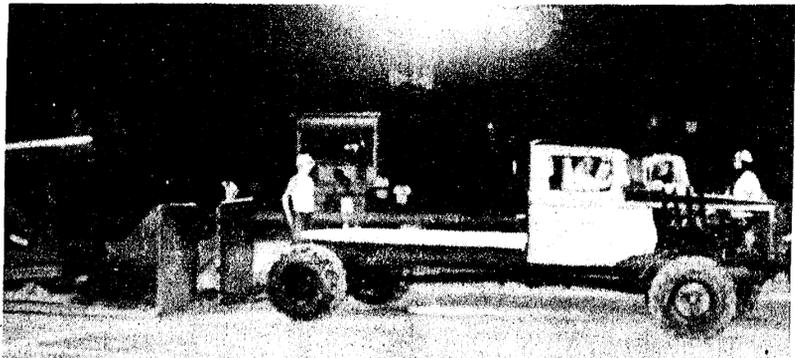

BOB BEEMER of Concord traveled to Chelsea to compete in the Community Fair Open Horse Show and returned home again with a first place finish in 2 years and over Registered Gelding, Halter, and a second-place award for Senior English Equitation.

PA BOOTH: With baseball cap perched on his head and an intense expression, Pat Merkel, seated center, looked more like a prospective driver than the emcee at Saturday night's 4-wheel drive pulling contest at the fairgrounds. Merkel remained in the booth until the 2 a.m. climax of the event.

WAYNE McCALLA of Ann Arbor was all smiles after taking first place in the 4,500 lbs. and over category in the Antique Tractor Pull at Chelsea Community Fair last week.

EVEN THOUGH his vehicle was nicknamed "Toy Truck," Dan Hickman showed the crowd he wasn't in for child's play as he captured second place in the No. 6500 Open category of the 4-wheel drive pulling contest at the Chelsea Fair.

Thank You Merchants for supporting our fair.

Radiology Dept. Renovations OKd At U-M Hospital

University Hospital, Ann Arbor, received approval June 1 from the State Health Director to go ahead with its plan to renovate the diagnostic radiology department in the main hospital and outpatient building.

At an estimated cost of \$3,792,000 for construction and equipment, the project will add 5,597 square feet to the department and renovate the 12,950 square feet.

Of the 23 examining rooms, three will be eliminated and six new rooms will be created. Of the twenty remaining rooms, eight will be re-equipped or upgraded.

The first renovations will be completed in October. Other portions will be phased in over a two-year period of time.

The project was recommended for approval by the Comprehensive Health Planning Council of Southeastern Michigan.

The Bible - The Light from Heaven

Reveals some "precious things" in Peter's epistles. The word precious meaning - held in honor, honorable. We read about the Precious Christ. (I Peter 2:7). The world is filled with men, but there is only one Saviour. He is so precious men will live and die for him. Salvation is in his name. (Acts 4:12). There is the Precious blood. (I Peter 1:18, 19). The blood of animals could not take away sin. (Hebrews 10:4). Redemption is possible only through the blood of Christ. (Ephesians 1:7; I John 2:2). Then we read the Precious Stone (I Peter 2:4). This is prophecy (Isaiah 28:16). Christ is a living stone, and Christians are lively stones build upon him. (I Peter 2:4, 5). Next we read about the Precious trial of the Christian's faith (I Peter 1:7). Found only here and in James 1:3, meaning proof or test. It is the verification of faith, which is by works (James 2:18). Finally we see the Precious promises. (II Peter 1:4). They are exceeding great. Think how many we enjoy. The Lord will keep every promise he has made. (2 Peter 3:9).

DONALD A. COLE
Director

Sometimes people get the right idea but don't follow through. Often they're not sure what to do next.

That's what happens to a lot of people who want to pay for their funeral in advance.

If you've thought about it before, take the next step by calling or coming by Burghardt-Cole Chelsea Chapel. We'll be pleased to assist you in any way we can.

What's worse than having your \$45,000 house burn to the ground?
Having an insurance policy that only pays \$25,000.

Every year, inflation and rising property values increase the value of your home. And make it that much more expensive to replace should something happen to make it a total loss.
But if you have an Auto-Owners homeowners policy with Adjusted Value Endorsement, you're protected. Because this modern Auto-Owners policy is designed to keep pace with rising values automatically.
If you aren't covered by Auto-Owners . . . well, maybe you should be replacing your present insurance. Let us fill you in. Before you have to replace your home.

Our Trust Division currently manages over \$314,000,000 of client investments. That kind of experience is hard to beat. As the Branch Representative from our Trust Division, John Paup will be bringing this experience and expertise to Chelsea.

John joined Ann Arbor Trust 12 years ago as the head of our Property Management Department and later transferred to the Trust Financial Planning area where he is now an Assistant Vice President and Trust Officer.

A graduate of the University of Michigan, John has also attended the Trust Financial Planning School at the University of Colorado, and prior to joining Ann Arbor Trust was the owner/operator of a successful Ann Arbor business.

The list of John's civic activities is extensive. He is a member of the Ann Arbor Lions Club, a Board Member of the Senior Citizens Guild, former director of the Chamber of Commerce, and he's worked with the United fund, the YMCA and numerous other civic groups.

John will be available by appointment at our Chelsea Banking Office every Monday afternoon (or other days at your convenience) to discuss your trust and investment requirements. Call or stop by soon and let the experts at Ann Arbor Trust assist you with your financial planning.

MORE THAN 90 MEMBERS of the Superbird and Daytona Association meet for a car show and to participate in the 25th Anniversary of Chrysler Corporation's Chelsea Proving

Grounds. The winged cars of the 60's are shown lining up for a parade lap of the 4.7 mile oval test track as part of their tour of the automotive test facilities.

MEMBERS of the Chrysler 300 Club participate in a parade lap on the oval test track at Chrysler Corporation's Chelsea Proving Grounds. Car enthusiasts from throughout the United States joined in a car show to display

prized vehicles of past years and participate in the 25th Anniversary celebration of the 300 club, Chrysler 300 Club International, National Hemi Owners Association, and Superbird and Daytona Association.

**Former Dexter Girl
Crowned Miss
Schoolcraft County**

Dawn Bigwood, the 17-year-old daughter of James Bigwood of 7799 N. Zeeb Rd., and Joan McKenny of Germfast, was crowned Miss Schoolcraft County over nine other contestants at the Schoolcraft County Fair Friday, Aug. 24.

In addition to reigning over fair activities, the honor carries \$50 in cash, a trophy, numerous gift certificates and the opportunity to compete for the title of Miss U. P. Potato Queen later this year. Dawn, a former Dexter resident, attended Dexter High school in 1977.

Treatment Needed To Prevent Erosion

CERTIFIED IN TUNE UPS & ENGINE REPAIR

More than half of the nation's cropland, forests, pastures and rangeland need increased conservation treatment to reduce soil erosion and improve water quality.

The first results of a 1977 national inventory of land resources by the department's Soil Conservation Service (SCS), found nearly 900 million acres of non-federal land in need of conservation work, about the same as a decade ago. But the kinds of land needing treatment have changed significantly.

Cropland acres that need conservation treatment declined from 64 percent in 1967 to 58 percent in the same period, and the pasture and range land needing treatment rose from 71 to 75 percent.

The SCS Natural Resource Inventories, which covers all non-federal land in Puerto Rico, the Virgin Islands and the United States except Alaska, are being conducted in three phases. Phase 1 is now complete; phase 2 will be completed later this year, and phase 3, in 1980.

Data was collected by SCS field employees at more than 200,000 sample points.

Other Highlights of Phase 1: The amount of rural land available for farming, ranching, and forestry declined nearly 37 million acres between 1967 and 1977, while proportions of good, fair and poor agricultural land remained about the same. Of the total rural non-federal land, 414 million acres are fairly level, while 1 billion acres have gentle to very steep slopes. Nearly 270 million acres are wet, while about 402 million acres are droughty or lack enough water to grow agricultural crops or trees. Many of these conditions, singly or in combination, limit the use of land.

**BUILDING
FINANCIAL INDEPENDENCE**

Question of the year . . . How do you build financial independence by the time you are ready to retire? A lot of people ask themselves this question . . . but only a few find the answer. In fact, only six out of every 100 persons reaching age 65 have found or will find the answer.

How do you go about building your own independence in this manner? The first step is to buy the property you and your family need to live in. The second step is to purchase another piece of property to build up from. This will be your cornerstone. How do you go about this? Drop into our office and we'll be glad to discuss it with you.

The U. S. Chamber of Commerce, a few years ago, distributed a pie chart. Its figures said that 6% of those 100 persons aged 65 or over were financially independent. This chart had a foot note that stated, "five of those six people were financially independent due to their ownership of real estate."

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8881; evenings 475-2621. We're here to help!

**Announcing
Modernization & Expansion
of
DRIVE-UP WINDOW SERVICES**

Chelsea State Bank is pleased to announce the expansion of the Drive-Up Window facilities at the Main Office from the current two windows to four windows, each with a separate lane. This improvement, together with the new Branch Office of this bank, presently under construction at the corner of S. Main St. and Old US-12, will increase our ability to serve our customers with greater speed and efficiency.

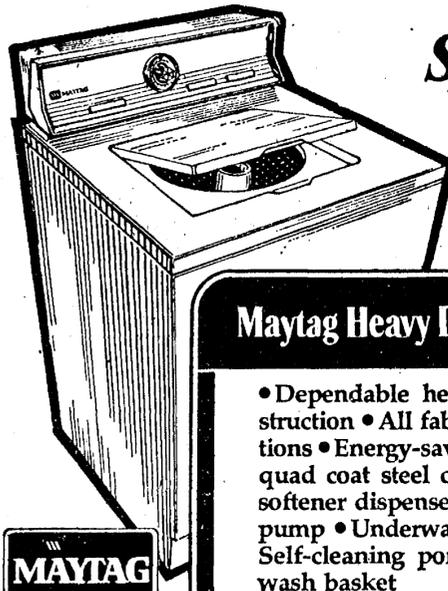

During the construction period the Drive-Up Window service will be limited to one window. This inconvenience should not last more than a few weeks, and during this time more tellers will be on duty in the lobby.

We appreciate your patience and co-operation during this construction period.
