## Michael Fouty Injured in Auto Crash

A Chelsea man was injured Tuesday morning when he slammed his car into a utility pole, two street signs, a tree and finally a house in a freakish accident on the corner of N. Main St. and Dewey St.

According to Chelsea police reports, a 16 foot 2"x4" being transported in the back seat of the car caused the man, Michael Wayne Fouty, 21, of 223 S. Main St., to lose control of his vehicle, setting into motion the strange chain of collisions.

Chelsea Police Officer Richard Foster reported that Fouty was northbound on N. Main at approximately 9:36 a.m. when the long board protruding from his passenger side window slipped and the driver made a move to grab it. Then, Foster surmises, the board slipped part way out of the window, swung around and struck Fouty on the head.

Fouty then lost control of his 1971 Bonneville, police said, jumping the curb, shearing a utility pole in two, continuing across the Dewey intersection, striking the Dewey street sign post, a stop sign and a tree.

Somehow the vehicle then reversed itself, police said they

aren't certain how, and skidded backward across Dewey smack into the corner of Kenneth Neal's house at 548 N. Main St.

Neal said he watched the car slam into his home. "I was watching Phil Donahue when I heard the noise of the car hitting the telephone pole," Neal said. "Next thing I knew, it was coming straight for my house and backed into it full speed. It was the freakiest thing."

Fouty refused to be taken to the hospital in a waiting ambulance and instead had his wife drive him to Chelsea Hospital where he was x-rayed and then transferred to St. Joseph Mercy Hospital in Ann Arbor for treatment of head injuries.

A St. Joseph Mercy Hospital spokeswoman reported late Tuesday afternoon that Fouty had been treated and released.

Damage was done to village property, private property and Michigan Bell Telephone property in the mishap. No electrical service was interrupted and only one phone line was downed, despite the complete demolition of the utility pole.

Police said they had not issued Fouty a violation.

**AUTO CRASH:** A Tuesday morning automobile accident at the corner of N. Main St. and Dewey left the driver, Michael W. Fouty, 21, with head injuries, and village work crews with a

utility pole to replace. Fouty, distracted by a lengthy 2"x4" protruding from his car window, struck the pole, two street signs, a tree and the house at 548 N. Main St.

## Twirlers Win Top Honors

Two Chelsea girls, baton twirlers since just last May, recently won top honors when they performed in their very first organized competition.

Chris Johnson and Jennifer Gibb, both students of former national baton twirling champion Rita Wilson-Howard, took first place in their respective age divisions at the open contest in Temperance Oct. 6.

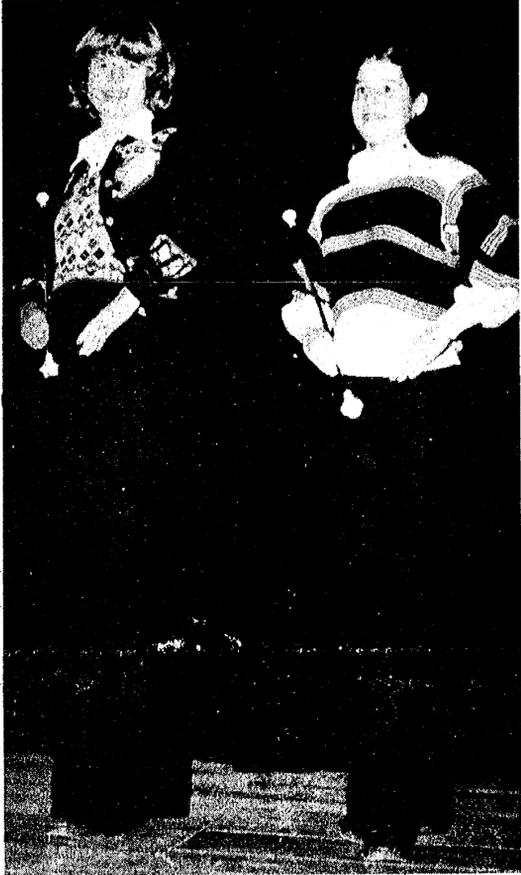

Chris, drum major for the Chelsea High school marching band and a junior, was awarded her first place trophy in the age 15-20 special beginners division, a category for twirlers entering their first competition.

Jennifer, recently selected featured twirler for the Chelsea marching band and a freshman, won the same award in the 11-14 age division.

The pair has studied with Rita Wilson-Howard since May, each working about two hours per week. Next competition for the girls is Dec. 1 in Petersburg, where they will enter the Miss Holiday Majorette contest in the three categories of solo twirling, strutting (high-stepping), and duet.

By then, however, Jennifer will have had a birthday, and then she and Chris will be competing directly against one another.

Chris is the daughter of Mr. and Mrs. Sam Johnson. Mr. and Mrs. Gordon Cotton are Jennifer's parents.

**TOP TWIRLERS:** Novice baton twirlers Chris Johnson, left, and Jennifer Gibb took top honors recently in their very first organized competition with other twirlers. The pair has been studying baton since May under the tutelage of former national champion Rita Wilson-Howard.

## Varsity Grid Team Shows Real Strength

### Great Improvement Shown Since Beginning of Season

Playing like distant cousins of the team that first took the field in September, Chelsea's varsity gridgers ran, defended and finessed their way to a decisive beating of Kensington Valley Conference champion South Lyon Friday night, 21-8.

John Preston carried a remarkable 40 times for 191 yards rushing and quarterback John Dunn's 76 aerial yards cracked the school record for season yards passing, bringing his total for 1979 to 1,179.

Coach Gene LaFave was elated with his team's masterful victory. "Our kids have come a long way," he said enthusiastically. "We're very good now."

Chelsea left no doubt that they had come to challenge their former SEC foes with two touchdowns in the first quarter.

The first came on a 14-yard pass from Dunn to Mike Killelea, set up by Preston's tenacious gains. Preston carried in the two-point conversion for the Bulldogs.

Later in the same quarter, Dunn again found Killelea with an 18-yard pass and Chelsea led, 14-0, before a thrilled home crowd. Brad Knickerbocker booted the extra point to end the scoring in the first period, 15-0.

South Lyon came back in the second quarter with its only score of the game, a 31-yard run by Mike Morgan. The pass to Jim Rockel was good for two, but the Lions' scoring was over for the night.

Chelsea's offense finished its scoring in the third quarter as Dunn once again hit Mike Killelea, this time with a 14-yard pass. The two-point conversion attempt failed, but the Bulldogs had all the tallies necessary for a victory over the Lions.

Coach LaFave pointed to Knickerbocker as the one key offensive lineman who protected Preston and allowed him to roll up important Bulldog yardage. On defense, LaFave singled out Steve Wilson and Lou Jahnke as

quick defenders who read the South Lyon option and forced mistakes from the competitors.

LaFave's attitude toward his team's improvement over the season is one of pleased assurance rather than surprise. Regarding the Bulldogs' loss to Saline that handed the Hornets the SEC title, he mused, "I think we were on the improvement road then, and a couple more weeks might have made a big difference in the outcome. But that's past, and there's no use thinking about it."

Last game of the season for the Bulldogs is a non-conference match at Pinckney this Friday. Pinckney, like South Lyon, is a big, physical football team that will, LaFave said, "try to overpower you."

Pinckney lost last week to Chesaning, 21-8. The Pirates are now 3-5 on the season and Chelsea has a good chance to end the season with a 6-3 record following a win over Pinckney.

## JV Gridgers Trounced By South Lyon

A rather dismal season continued for the Chelsea junior varsity footballers last week as they were trounced by South Lyon, 36-8.

Chelsea had a chance to even the score in the first quarter when South Lyon led by only one TD. The Bulldogs made it to the seven-yard line with first and goal after a nice pass play from David Wojcicki to Gary Van Meer, but could not take the ball across the line.

The Lions dominated in the first half, scoring four touchdowns and leading, 28-0.

In the third period, Chelsea got on the scoreboard with a three yard run and two-point conversion. South Lyon then danced (Continued on page five)

## College President To Speak Here

In celebration of Olivet College Sunday this week, Dr. Donald A. Morris, college president, will be speaking at First Congregational church, 121 E. Middle St., Sunday, Nov. 4, at the 10:30 a.m. worship service.

Dr. Morris will address the question "Is There a Future for the Church College?" In addition, the 36-member Margaret Upton Conservatory Chorale will provide special music, singing "O Vos Omnes," "Almighty God of Our Fathers," and "Alleluia" by Randall Thompson. Choir director is Emily Byrnes.

Dr. Morris became the 17th president of Olivet College on Aug. 1, 1977. Prior to that time he was the executive vice-president of Hobart and William Smith Colleges in Geneva, N.Y.

A native of Detroit, Dr. Morris holds a BA degree from Wayne State University and MPA and PhD degrees from the University of Michigan.

He was a member of the editorial department staff at the Detroit Times from 1952-60 and was the paper's education writer from 1957-60. After a year and a half on the University Relations staff at Wayne State University, he was managing editor of the University of Michigan News Service from 1962-63. He served as manager of special programs at U-M from 1964-68 and as manager of the Metropolitan Detroit (Continued on page 16.)

DR. DONALD A. MORRIS

## Drama Class Will Present 'Christmas Carol'

"A Christmas Carol" by Charles Dickens has been chosen for a fall production by the Chelsea High school drama class.

The class will give two performances for school groups and then one for the general public on Saturday, Dec. 15 at 8 p.m. in the Chelsea High school auditorium.

Watch The Standard for ticket information.

## LithoCrafters Merging With Sister Company

LithoCrafters, Inc. of Chelsea will merge with its sister company, BookCrafters, Inc. of Fredericksburg, Va., effective Jan. 1, 1980. The resulting company will be named BookCrafters, Inc. and will have its headquarters in Chelsea.

William G. Nuffer, president of both companies, stated that two principal reasons were responsible for the decision.

The first was to provide more

clout, especially in the area of making improved employee fringe benefits more affordable. Second, the development of a marketing concept concurrent with the company's central communications and computer network, puts it in a more competitive position with customers. This streamlining effect will also allow BookCrafters, Inc. to increase volume considerably without the need of adding to selling and administrative support.

The combined sales of BookCrafters and LithoCrafters should exceed \$12,000,000 for 1979, up from just under \$10,000,000 for 1978. The employment of the two manufacturing plants and sales offices in New York City, Chicago and Los Altos, Calif., totals 310 persons.

## Novice Debaters Continue Their Winning Ways

Novice debaters from Chelsea High traveled to a league meet in Jackson this past Monday and returned with good results.

In the open division, Chelsea debaters Paul Anderson, Sara Ullman, Sarah Leisinger and Alicia Noah went 4-0 to bring their over-all record to 7-1 for first place in the Jackson ABC League.

Novice division debaters Paul Brehob, Molly Bacon, Amy Unterbrink and Theresa Degener went 1-3, giving them an over-all 4-4 record and third place.

Also traveling with the team as judges were varsity debaters Sara Merkel and Jannice Hoffman. Working as timekeepers were Mary Markie and Dave Cooley.

## Onsite Sewage Treatment Systems Undergoing Tests

Fifty-seven scientists, engineers and public health officials visited the Chelsea wastewater test site of the National Sanitation Foundation (NSF) Tuesday to see how wastewater treatment equipment is tested in accordance with NSF standards.

The visitors were among hundreds of participants in the Sixth National Onsite Wastewater Conference, co-sponsored by NSF and EPA technology transfer.

Most of the conference sessions were held on the U. of M. campus

at the Rackham graduate school, but dozens of conferees were anxious to see the unique NSF operation at Chelsea.

What is occurring at the Chelsea test site may ultimately benefit tens of millions of American families living in communities that have no central sewage systems. The onsite systems being tested by NSF will facilitate the safe disposal of wastewater without the need for sewers. Many rural communities seeking to establish onsite systems will be eligible for

federal assistance under recent amendments to the U. S. Clean Water Act.

Conference visitors also had an opportunity at the Chelsea test site to observe NSF testing of marine sanitation devices required under American and Canadian marine regulations to prevent the pollution of coastal and inland waters by deep water vessels.

Manager of the NSF test site, which is located adjacent to the village sewage treatment plant, is Albert L. Cover of Chelsea.

**WILLING SLAVE:** Chelsea Band Director Steve Bergmann drew an appreciative audience early Saturday morning as he scrubbed the windows at Chelsea Bakery for the benefit of his band. Bergmann was "bought" by the bakery at

a Band Boosters slave auction earlier this month. The price he brought on the block will help send the Symphony Band to Mexico next spring.

**4 Years Ago . . .**

Thursday, Nov. 6, 1975—

Roy D. Miller, life-long area resident, died suddenly following a heart attack Tuesday evening while hunting on his farm property on Cavanaugh Lake Rd.

Chelsea senior Jennifer Rady has been chosen as one of the top 850 writing students in the United States by the National Council of Teachers of English.

Police Chief George Meranuck has asked that area residents be on the look out for suspicious activities in their neighborhoods. Meranuck said that police have received numerous complaints in past weeks concerning breaking and entering of homes and businesses.

Mr. and Mrs. William Schauls of 8319 Werkner Rd. celebrated their 56th wedding anniversary on Nov. 5.

Ron Bollet, plant manager of Dana's Chelsea operation, announced the appointment of Jim Myers to the position of assembly plant superintendent.

Twenty-seven members from the Chelsea High school class of 1935 gathered at the Quality Inn in Jackson last Saturday evening for their 40-year reunion.

Chelsea police received just one complaint over the Halloween period regarding tampered-with candy. A mother told police her son found a straight pin in a 1.5 oz. Hershey bar he received trick or treating.

**14 Years Ago . . .**

Thursday, Nov. 11, 1965—

E. Leigh Beach, 76, supervisor of Lima township for almost 39 years, died Sunday afternoon at his home on Dexter-Chelsea Rd. Although he had been in failing health for several months, Beach continued to carry out the duties of his office.

Twenty-four Chelsea High school seniors participated Tuesday in the 12th annual Boys and Girls County Government Day.

Mr. and Mrs. Walter Beutler attended the wedding of their grandson, Bruce Owen Beutler, and Carolyn Zach Saturday in Detroit.

Of the 117 graduates in the

Class of June 1965, almost half are enrolled in colleges and universities this fall and a number of others are attending technical and trade schools according to Charles Lane, Chelsea High school principal.

Mrs. Harry Karner, 110 Cavanaugh Lake Rd., is currently the Chelsea area chairman of the Washtenaw Unit of the American Cancer Society.

A jury returned a not-guilty verdict Nov. 3 in the trial of three area men charged with killing a doe out of season.

**24 Years Ago . . .**

Thursday, Nov. 10, 1955—

A Michigan State Police recruiting team will visit Chelsea on Saturday, Nov. 26, to interview applicants in connection with the current drive to obtain 200 additional troopers authorized by the special session of the state legislature.

Excavation work was started Monday for the basement improvement project at St. Paul's Evangelical Lutheran and Reformed church. Volunteer workers under the direction of James Young are doing the work of removing the necessary dirt from under the main section of the church.

Cpl. Robert Merkel has been separated from United States Army service and has returned here to the home of his parents, Mr. and Mrs. F. W. Merkel.

Proposed storm sewer installation in the Flanders area in the southeast section of the village was the subject of lengthy discussion at the Village Council meeting Monday.

Chelsea High gridders traveled to Flat Rock last Friday night and came home with a 20-7 victory. In a series dating back to 1940, the Bulldogs defeated Flat Rock on their home field for the first time.

**Tax Shift Plan Dead For Year**

A legislative proposal to provide \$450 million in property tax relief with the additional revenue coming from an increase in the personal income tax rate, has been declared dead for the remainder of the 1979 legislative session.

Rep. George Montgomery (D-Detroit), proposal sponsor and chairman of the House Taxation Committee, said the plan was dead after the Michigan House refused to tie-bar three remaining parts of the plan to the main bill.

Those two pieces of legislation would have exempted utilities and telephones from sales and use taxes.

The only way the so-called tax shift plan could be renewed, Montgomery suggested, is if Republicans come forward with a list of specific proposals that could be adopted on the plan.

Montgomery had asked the House to tie-bar the two bills exempting the utilities and telephones from use or sales taxes to legislation increasing the income tax from its current 4.6 percent rate.

It was suggested the income

tax would have to be increased to make up \$100 million, the cost of the two other bills.

Republicans, however, criticized the tie-barring proposal, saying it was like trying "to hit a moving target" because no income tax increase had yet been established.

Rep. Paul Henry (R-Grand Rapids) said they did not feel a tax shift was a bad idea per se, but they needed more specific information before committing themselves to the plan.

The plan was introduced last winter with high anticipation that it would pass into law by spring. It was one legislative proposal devised to counter the Tisch property tax cut constitutional amendment which was narrowly rejected by voters in November.

Originally, the plan would have shifted \$450 million in revenue by increasing the property tax credit and the personal exemption and then increasing the income tax rate.

It ran into opposition early as Republicans claimed it was a back-door attempt to create a progressive income tax—an issue oft rejected by Michigan voters.

**Uncle Lew from Lima Says:**

DEAR MISTER EDITOR:

Clem Webster took note at the country store Saturday night that they have pooled all the wisdom in Washington and figured out how to get folks to use the new metal dollars. What you do, Clem reported, is get shed of all the paper dollars. That is the remedy worked out by a task force of experts from the Treasury Department, the U. S. Mint, the Bureau of Engraving and the Federal Reserve System. If there ain't no \$1 bills, the task force predicted, people will start carrying them Susan B. Anthony dollar coins.

Clem said that's hard to beat for cold, hard logic, but that a amendment put up by Illinois Rep. Frank Annunzio makes even more sense. If we force folks to start using the dollar coin, he said, the least the Treasury ought to do is issue everybody a pair of suspenders. Clem said the dollar now is about where the nickel was 25 years ago, and a feller will have to have so many walking-around dollars until he can't walk under the weight. The penny is gone except for using as a fuse, Clem went on, and he ain't seen a weighing machine that'll even work for a dime lately. A quarter won't buy a decent cigar, much less a shave or a haircut, he allowed, and a cup of cold coffee in a plastic cup don't leave much out of four bits. So if we got to have coins to operate all the machines we got to deal with these days, a dollar is the least to consider.

Actual, allowed Bug Hookum, the Governemnt is working a wrinkle to get some use out of all them dollar coins they've turned out, so give the task force credit

fer knowing there's more than one way to skin the cat. He had saw there's a bill in Congress calling for a cigaret that puts itself out. The smart thing about this bill is that it don't call for the Government to figger out how to do it, it just says the tobacco companies have got to. You can believe they will, said Bug, because the surest way to git the cat skinned is to threaten the skinner's pay. In California, a feller fell asleep with his cigaret lit and got burned bad in the fire. He is suing the company fer making a product hazardous to his health in more ways than one. Bug said he don't know what the court will say, but a task force probable would go back to the match that started it all. Git rid of matches and make folks git out of bed in the middle of the night to use the lighter in the car. Then make tobacco companies insulate there cigarets with asbestos. The thought of sucking in asbestos with the smoke will scare folks so bad they'll never git back to sleep, was Bug's idee of the task force approach to the problem.

Bug's right, Mister Editor, the practical approach is gone the way of the nickel. I saw this piece where the mayor of a small town in Georgia got his folks upset by throwing out the flowers in the new town hall planter and putting in a row of turnips. He said somepun to eat was better than somepun to smell, and if he could find a vender to do it he'd replace the soda pop in the town business office with buttermilk. Sad to say, nobody believes a practical politician is fer real.

Yours truly,  
 Uncle Lew.

**Labor Council Contributes to Band Trip Fund**

The Huron Valley Central Labor Council, representing all members of the AFL-CIO in Washtenaw county, has joined other supporters in the community with their donation of \$302 to the Chelsea Symphony Band "Mexican Festival Project."

An explanation of how Chelsea received the invitation to represent the state of Michigan at this festival was given to council members attending August and September membership meetings. Those present were impressed with the band's record of discipline and achievement as well as the plans set forth for the May performances in Mexico City.

Symphony Band Treasurer Jeanette Morrison attended the September meeting and answered further questions about the band and the trip. A motion for the donation passed unanimously and Council President Fred Vigel presented the check to Morrison with best wishes from the executive board and the entire membership of the Huron Valley Central Labor Council.

The first mile of concrete in the world was laid in 1909 on Woodward Ave., between Six and Seven Mile Rds., in Detroit. The cost at the time was \$13,537.

The Veterans Administration recently began its 50th year as an independent federal agency established solely to aid America's veterans and eligible dependents. Prior to 1930, responsibility for veterans' programs was shared by several federal agencies.

**"If we both contribute to the mortgage payment, shouldn't we both be insured?"**

The answer is "yes."

For working couples, a mortgage with both husband and wife sharing in the payments can solve a lot of financial problems nowadays.

But unless both are insured a problem remains as to how the mortgage will be paid in case of death.

With this in mind, Metropolitan has introduced a Joint Mortgage Term Policy. It insures both husband and wife equally. The insurance is payable when the first of the two people insured dies. It's low cost. It's convertible to permanent insurance. If you qualify, it will have a disability waiver of premiums benefit that waives the entire premium while either insured is totally disabled.

For all the details, just drop me a note or give me a call.

bring your deer to **DUNBAR'S DEXTER LOCKER** for processing

-Includes-

Skinning, Cutting, Wrapping, Quick Freeze

clip and save

**Helpful Hints For Hunters**

1. Wounded deer could be dangerous, make sure your deer is dead.
2. TAGGING—Follow State laws regarding tagging and reporting your kill. Be sure your deer is tagged before you load it into your car.
3. BLEEDING—It is not necessary to bleed your deer unless it's been shot in the head—but if you do bleed it, don't ruin the head by slashing the neck. Insert the blade of your hunting knife several inches in front of the point of the breast. Small (4½-5½ inch) blades are better than the long ones.
4. FIELD DRESSING—Take along a 6 to 8 foot section of clothesline to tie the deer's leg to a tree to give yourself working space. Make a small incision only from the pelvic to the brisket bone. Do not open breast. Remove intestinal tract. There is no need for washing unless it's a gut shot. We will do that.
5. TRANSPORTING—Keep the front legs extended forward —makes for easier skinning. A good way to get your deer out of the timber is to tie the front legs to its head and drag it head first. Keep it as cool as possible. Remember to protect your deer from warm rain.
6. DO NOT SKIN YOUR DEER. LEAVE THAT TO US. The hide protects it from spoiling and makes a good cover.

clip and save

**Reasons You Should Have Dunbars Process Your Deer**

- Price: \$24.00 + Hide
- CLEANLINESS:** State inspected facility. All deer is washed of hair, sand and dirt.
- EXPERIENCED:** 24 years of taking care of deer and wild game.
- WRAPPING:** All cuts wrapped with double laminated paper. Corners double lapped for best seal. When more than one cut to package we put wrapper between them for easy separation. All packages labeled for easy identification.

**GRINDING BURGER:** Meat is ground with pork or beef added if you request. Venison burger is put in one pound blocks for easy storing.

**FREEZING:** Very important to have your meat quick frozen to retain juiciness and flavor. Stops blood in package, less chance of overworking your freezer with warm meat. All meat boxed in new boxes for easy handling.

**EXTRA SERVICES:** Service to tan hides. Taxidermy information and service.

If you want to cut your own deer we will skin it for the hide. We also will grind for .10 cents a pound.

### Sex Education Committee Sees Need for Course

During the 1978-79 school year, a subcommittee on sex education was formed in the Chelsea School District to review the current programming in sex education in the elementary, middle and high school. The committee is directed by Dr. Gerald Waldyke and is comprised of teachers, administrators, parents, students and clergy.

The committee has completely reviewed the existing programs and has indicated a need for the inclusion of reproductive health in the current programming.

It is anticipated that within the next three or four months the committee will make recommendations to the Board of Education pertaining to the inclusion of reproductive health within the curriculum.

Next committee meeting will be Monday, Nov. 26, at 7:30 p.m. in the Board Room of the administration building on Washington St.

### College-Career Night Scheduled At Stockbridge

Stockbridge High School Counseling department is planning a "College-Career Night" for Monday, Nov. 12, at 8 p.m. Purpose of the program is to enable students and their parents to have a closer contact with some of the many types of careers and professions open to high school graduates.

There will be representatives from several different career opportunity schools, colleges, armed forces and State Police to discuss their particular field with students and parents.

A spokesman for the Counseling department said that not all careers require a college education since many make use of apprenticeships and other types of on-the-job training.

The program will be open to all sophomores, juniors and seniors, as well as college-bound students. The evening will be divided into three sessions, the length of each allowing time for a brief talk by the representative and a question and answer period.

Nearly one third of the nation's medical students last year received some of their clinical training in Veterans Administration medical centers, thanks to educational partnerships with nearly 1,000 educational institutions, including 104 medical schools.

Mr. and Mrs. Dennis Earl Huehl

### Carol Ann Clark, D. Huehl Are Wed at Zion Lutheran

Carol Ann Clark, daughter of Jim and Marge Clark of Grass Lake, became the bride of Dennis Earl Huehl, son of Mildred Huehl and the late Earl Huehl, at Christ Lutheran church in Michigan Center, Saturday, Oct. 6. The rites were performed by the Rev. John Morris of Zion Lutheran church, Rogers Corners, and the Rev. David Augustein of Christ Lutheran.

The bride, given in marriage by her father, wore a polyester organza empire-line gown styled with bishop sleeves and a triple ruffled flounce that flowed softly into a chapel-length train trimmed with Chantilly lace. A fingertip mantilla with triple tiers edged with scalloped lace was secured to a wide headband of lace trimmed with seed pearls. She carried a round bouquet of white carnations, stephanotis, roses and baby's breath together with a white prayerbook.

Catherine Clark was her sister's maid of honor. Bridesmaids were a cousin, Karen Bennett, the bride's sister Cynthia Clark, and two friends, Janis Knieper and Karen Rice. Their gowns were of soft polyester overlay in a printed floral apricot with blouson tops and butterfly sleeves. They wore arrangements of silk apricot

flowers and baby's breath in their hair and carried round bouquets of roses, carnations, baby's breath and straw flowers.

Flower girl Michelle Mast, cousin of the bride, wore a floor-length dress of rust trimmed with ivory lace. She carried a miniature bouquet and a basket of petals.

Gerald Huehl was his brother's best man. Ushers were Gary Voegeding, cousin of the bridegroom; Ted Hinderer, cousin of the bride; and friends Mark Staphis and Dan Schaible. They were attired in dark brown tuxedos to contrast with the light brown of the bridegroom's. Larry Clark, brother of the bride, served as the acolyte and escorted the grandparents. Ring bearer was Steven Hinderer, cousin of the bride.

The bride's mother chose a street-length dress of rust colored material. The bridegroom's mother wore a street-length ensemble of brown floral print.

Mrs. "Jet" Higbie was the organist for the ceremony. Richard Fracker played the guitar and sang "Evergreen" and "There is Love."

Five hundred guests were greeted at the Arbor Way Pavilion for the reception. Music was provided by Luke Schaible's band.

Out-of-state guests included Mrs. Emma Clark of Bradenton, Fla., Bob Campbell, cousin of the bride, of Hampton, Va., Norman Huehl of Arcadia, Calif., and the Jim Mowat family of Toledo, O. After a trip to Niagara Falls and Toronto, the couple will be at home at 3840 S. Fletcher Rd., Chelsea.

The bride, a 1976 graduate of Grass Lake High school, is employed at the Manchester branch of the Ann Arbor Bank and Trust. Her husband, a 1973 graduate of Chelsea High school, is a dairy farmer.

Michigan ranks number one, nation-wide, in the number of state parks. Including the 47,000-acre Porcupine Mountains State Park in the Upper Peninsula, there are a total of 83, according to the Travel Bureau, Michigan Department of Commerce.

Mr. and Mrs. Mike Corwin

### Dawn Klobuchar, M. Corwin Wed in Saturday Ceremony

Dawn Marie Klobuchar and Mike Corwin were joined in marriage by the Rev. Fr. David Dupuis at St. Mary Catholic church Saturday, Oct. 27.

Parents of the bride are Mr. and Mrs. Thomas Klobuchar of Chelsea. The bridegroom's parents are Mr. and Mrs. Harlow Corwin of Ann Arbor.

Honor attendants at the ceremony were Cindi Klobuchar of Chelsea, sister of the bride, and Tevis Marcum of Ann Arbor.

Serving as bridesmaids were sisters of the bridegroom, Terry Corwin and Sandy Corwin of Ann Arbor; Robin Riddle of Livonia; and Jane Belanger of Ann Arbor.

Ushers were Tony Klobuchar and Bill Klobuchar, brothers of the bride, of Chelsea, and Jim Millar of Ann Arbor.

A reception was held at the Chelsea Rod and Gun Club. Following a wedding trip to Toronto, the couple will reside in Chelsea.

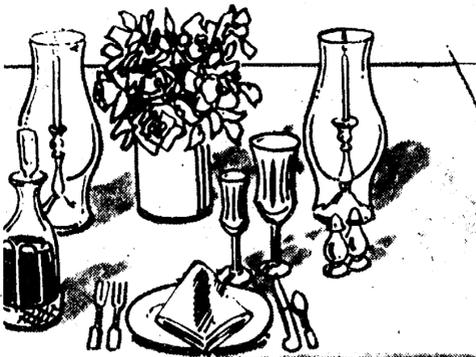

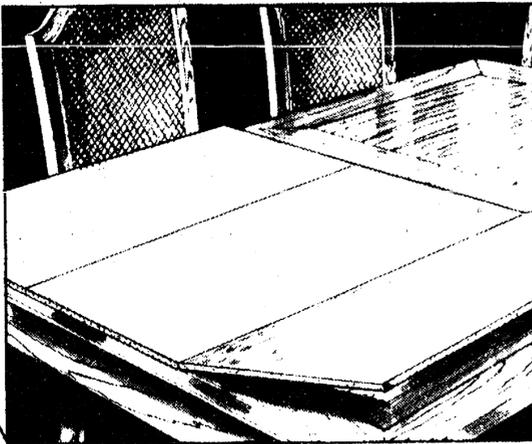

### Can't Tell Your Eggs Without a Scorecard

Farmers faced with the problem of discovering which hens produced the most eggs in a conveyor system were helped out by Patent No. 970,074, issued Sept. 13, 1910. Labeled an egg-brander, the device fit each hen's nest and carefully colored each fowl's eggs with a differed pattern so a count could be made later. While examples of this invention are few and far between, a walk through Henry Ford Museum's 32,000-square-foot Interpretive Center in Dearborn offers visitors a chance to see hundreds of America's practical inventions from simple items like barbed wire to an early form of tabulating computer.

Mr. and Mrs. David Robert Torrice

## Lisa Thiery, David Torrice Wed at Methodist Church

Lisa Kathleen Thiery and David Robert Torrice exchanged wedding vows Saturday, Oct. 20, in the First United Methodist church of Chelsea, with the Rev. Marvin H. McCallum officiating. The bride is the daughter of Mr. and Mrs. Dwight Heeter, 616 Grant St., Chelsea, and Ronald Thiery of Dexter. Mr. and Mrs. Amedeo Torrice of 3850 Waltrous are the bridegroom's parents. For the ceremony, the bride

was attired in a traditional empire-waisted gown of ivory silk-faced satin with Alencon lace sleeves and bodice and embroidered Alencon lace on the train. Her veil and cap were trimmed in matching lace and she carried a bouquet of white daisies, pink sweetheart roses and baby's breath.

Linda Brown of Chelsea served as maid of honor. She wore a wine-colored tunic-top dress with a floor-length skirt and carried white roses and baby's breath. She also wore earrings which were a gift from the bride.

Bridesmaids were Joyce Hosier and Karen Motsinger of Chelsea. Their gowns were identical to that of the maid of honor. Laura Heeter was her sister's junior bridesmaid. She wore a gown of ivory Qiana with high neckline and long sleeves. Her flowers matched those carried by the bride.

The bridegroom's brother, Thomas Torrice of Jackson, was best man. Serving as ushers were Joseph Torrice of Chelsea, brother of the bridegroom, and Derek Thiery of Gregory, brother of the bride. Adam Heeter, the bride's brother, was the ring bearer.

A reception was held at the Knights of Columbus Hall in Dexter immediately following the ceremony. Friday evening, a rehearsal dinner was hosted by the bridegroom's parents at their home in Chelsea. Gifts from the bride and groom were presented to their attendants.

The bride is a graduate of Chelsea High school and is presently employed at Xerox Corp. in Dexter. Her husband was graduated from Pioneer High school in Ann Arbor and is employed by Miller Industries in Jackson.

Upon their return from a wedding trip to Florida, the couple will reside at 118 E. Middle St., Chelsea.

### Get the Point?

On Nov. 25, 1817, Senaa Samma, touted as an Indian juggler from Madras and London, became America's first sword swallower when he thrust the sword of one William Pyle of New York down his throat. Both Samma and Pyle's sword have long departed, but visitors to Henry Ford Museum have a chance to see a number of sabers and swords of that era on exhibit in the Dearborn Museum's Hall of Technology.

## Letters to the Editor

To The Editor:  
 I am writing to warn Chelsea area residents of a situation in the community that poses a clear and present danger to us all.

Last week-end a woman was raped in the Waterloo Recreation Area by an escaped inmate from Cassidy Lake Technical School, the second such incident in recent years. Two weeks ago an Ann Arbor woman was murdered by another escapee from Cassidy Lake.

A check with the Chelsea Police revealed that earlier in October an escapee broke into the Tower Shell Station. In September another attempted to steal three cars in Chelsea and broke into three more. Last year, a Clear Lake Rd. resident was attacked in his home by two Cassidy Lake escapees who stole his guns and his truck. They were apprehended only after totalling the truck.

This summer, the sleeping cabins at the Mill Lake Outdoor Center were ransacked three times. Cassidy Lake escapees were apprehended in two of the incidents, the third remains unsolved. Mill Lake Outdoor Center is the camp used by the Chelsea schools for its annual 6th grade camp.

I learned the following from the Washtenaw County Sheriff's office. They estimated that they handle six to eight escapes a week from Cassidy Lake. One deputy said that on several occasions their officers have picked up escapees and upon contacting school, found the supervisory personnel were not even aware anyone was missing.

In order to get both sides of the story, I contacted Mr. Weinburg, director of Cassidy Lake Technical School. He stated that the information given to me by the Sheriff's Department was incorrect. That, in fact they only average six or seven escapes a month over a year's time. Even six escapes per month is too many when they lead to the kind of violent crimes and destruction of property that have been occurring.

Mr. Weinburg stated that the current inmate population at Cassidy Lake is about 250. At seven escapes per month, a third of the inmate population literally walks away every year. It is obvious the security at Cassidy Lake is not adequate to control the types of individuals being housed there. It is clear to me, that it is only a matter of time before a Chelsea man, woman or child becomes a victim of a violent crime at the hands of one of these escapees.

I am writing the governor and to the following local representatives to urge that an effective security system be developed including a perimeter fence topped with barbed wire, perimeter flood lighting and patrol by armed guards. My letters will not have much effect unless they are following by those of other concerned Chelsea area residents. I urge you to write now!

Sincerely, Tom Hodgson.

Mr. and Mrs. Douglas O. Hansen

## Debra Rossbach, D. Hansen Speak Vows at St. Mary's

An early evening ceremony attended by 200 guests united Debra A. Rossbach and Douglas O. Hansen in marriage at St. Mary Catholic church Friday, Oct. 26. The Rev. Fr. David Phillip Dupuis officiated.

The bride is the daughter of Mr. and Mrs. Robert E. Rossbach of 720 N. Main St. Parents of the bridegroom are Mr. and Mrs. Oscar C. Hansen, 15901 Seymour Rd., Grass Lake.

For the ceremony the bride was attired in a gown of ivory satin organza featuring a scoop neckline and long bishop sleeves with cuffs. The border of the hem and cathedral train was done in re-embroidered Alencon lace matching the lace-covered bodice and cuffs of the gown. The lace was accented by tiny seed pearls and her fingertip mantilla was made of matching lace and seed pearls.

The bride carried a colonial bouquet of ivory miniature carnations, bridal pink roses, baby's breath and greenery with ivory lace and a satin ribbon.

Shelly Porath of Chelsea, a classmate of the bride, was maid of honor. She wore a floor-length gown of print on print daphne rose of angel chiffon, featuring a blouson top and pleated skirt. She carried a long-stemmed red rose, dusty pink carnation and ivory carnation tied with ivory satin ribbon.

Bridesmaids were Cheryl Stepp of Ann Arbor, Mrs. Mark Grambau of Ann Arbor and Mrs. Basil Scott of Lansing, all friends and classmates of the bride. They wore gowns styled like that of the maid of honor in a solid daphne rose. Their flowers matched those of the maid of honor.

Mother of the bride wore a plicated mauve-colored, floor-length gown of chiffon over taffeta with a fluted hemline and cape collar accenting the gown. She wore a wrist corsage of ivory carnations and pink roses.

The bridegroom's mother wore a floor-length gown of chiffon over beige polyester with a burgundy and rose floral pattern and long, flowing sleeves. She wore a shoulder corsage of ivory carnations and roses.

Best man was Mark Grambau of Ann Arbor, a friend of the bridegroom. Ushers included Steve Hansen of Grass Lake, brother of the bridegroom; Kenneth Schiller of Manchester; and Wesley Schulz of Jackson, both friends of the bridegroom.

Vocalist Mrs. Gary Montange sang "The Lord's Prayer," "The Wedding Song," and "Evergreen." Organist was Sister Helen Hankerd.

A dinner-dance reception at the American Legion Hall in Chelsea followed the ceremony. Host and hostess in charge of the guest book and wedding cake were Al Teschendorf of Saginaw and Cyn-

thia Pietryga of Lansing, class friends of the bride.

Following a five-day wedding trip to northern Michigan, the couple will reside at 787 Glazier Rd.

The bride is a graduate of Michigan State University's school of education and is a special education teacher at St. Louis School for Exceptional Boys. Her husband is in elevator construction work.

Some \$30 million in Veterans Administration educational assistance has been paid to 7.4 million participants in the current GI Bill. World War II GI Bill trainees received \$14.5 billion; Korean Conflict, \$4.5 billion.

# Gridders of the Week

PLAYING WITH CONFIDENCE and agility, four gridgers of the week sparked the Bulldogs to their 21-8 victory over Kensington Valley Conference champions South Lyon last Friday. Halfback John Preston, front right, carried the ball a remarkable 40 times for 191 total yards rushing. Brad Knickerbocker, front left, made a good deal of Preston's yardage possible, blocking well on the Lions' option play. Knickerbocker also booted the extra point after

Chelsea's first TD in the opening quarter. Noseguard Steve Wilson, rear right, contributed to the Bulldog cause with quick reflexes and numerous second hits and tackles that helped contain the South Lyon offense. Lou Jahnke, rear left, "rose to the occasion," in the words of Coach Gene LaFave, by reading the South Lyon wishbone option, forcing a Lion fumble and continuing his outstanding season play.

## Reading Council Will Hear Ball State Professor

Washtenaw Reading Council will present Dr. Marilyn Kay Stickle as speaker for its meeting at 7:30 p.m., Nov. 8, at Ypsilanti High school, 2095 Packard Rd., Ypsilanti.

Dr. Stickle is co-ordinator of the Resource Center for Public School Services and professor of elementary education in the Teachers College at Ball State University. She did her undergraduate work at EMU. Dr. Stickle's topic will be "Secrets for Developing A Power Packed Reading Lesson."

Washtenaw Reading Council invited parents, teachers and all others who are interested in helping children read to attend this meeting. There will be a \$2 admission charge for non-members.

For further information contact Gwen Guthrie, 482-3280, or Anita Todd, 994-8197.

## Community Ed. Classes Underway

Fall Community Education programs in Chelsea are now successfully underway, with classes being held all over the community.

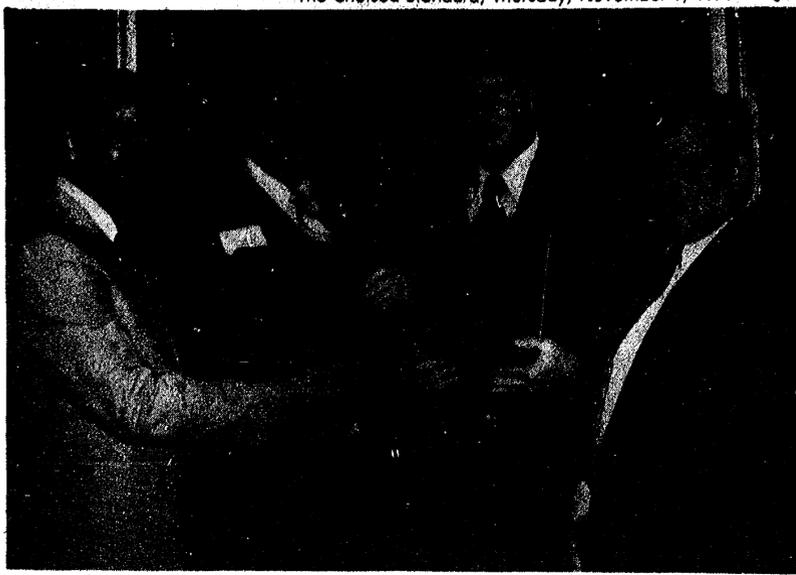

Director of Community Education, Jacquyn Rogers, together with her assistant, Suzanne Morrison, would like to inform the community that planning is now underway for the winter program.

Winter Community Education programming is multi-faceted. Programs include activities for many age groups, ranging from pre-schoolers through senior citizens.

The Super Saturday program for children is a highlight of the winter season. It includes a variety of enrichment and recreational classes for children from pre-school age through fifth grade.

New ideas are also being sought for the Adult Enrichment and Recreation Program. In addition, the schools have formed a coalition with the village, Kiwanis and Chelsea Hospital to provide programs and activities for senior citizens.

Community Education and Recreation Director Jackie Schiller wish to encourage input from area residents for programs of any type. Anyone having ideas on a class he or she would like to take or perhaps teach, is urged to call the Community Education Office, 475-9830.

CHELSEAITE RICHARD H. SOBER (second from right) of W. Middle St., was one of three Hudson Mills Metropark employees honored by the Huron-Clinton Metropolitan Authority, a regional park agency with 10 parks serving southeastern Michigan. Sober, a park ranger at the Dexter area facility for nearly four years, received a "1979 Outstanding Employee

of the Year" plaque from Ruel C. Olenkamp, left, acting president of the HCMA Employees Association. Also receiving awards were William A. Bower of Drayton Plains, who was another outstanding employee of the year, and Ted C. Garland of Ann Arbor who was presented with a HCMA 25-year diamond service pin.

## Pinckney Area Youth Completes Navy Recruit Training

Navy Seaman Recruit Curtis N. Acuff, son of Curtis M. and Pat G. Acuff of 334 Unadilla, Pinckney, has completed recruit training at the Naval Training Center, Orlando, Fla. During the eight-week training

cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields. Included in their studies were

seamanship, close order drill, Naval history and first aid. A 1979 graduate of Pinckney High school, he joined the Navy in July 1979.

**SEC ROUND-UP:**

**Saline Rolls Over Milan for Their First League Title**

**Saline 28, Milan 8—**  
Saline became the undisputed SEC champions last Friday night as the Hornets trounced Milan, 28-8, to spoil Chelsea's chances at a tie for first.

The title is Saline's first in the SEC since the league was formed in 1964.

Mixing rushing and aerial pyrotechnics as they have all season, the Hornets amassed 374 yards against the Big Reds. Saline's ground gains alone (256 yards) surpassed Milan's 233-yard total for the entire evening.

Milan's best chance to score in the first half came and went on a missed field-goal attempt by Jed Shilling in the second quarter.

Saline's leading rushers were Mark Thiesen, Steve Beckett and John Rolan.

The win boosted Saline's conference mark to 5-0 and dropped Milan to 2-3.

**Novi 21, Dexter 7—**

Offensive and defensive troubles continued to plague Dexter's Dreadnaughts last Friday, as the team failed to contain Novi, 21-7.

Dexter started the game with six starters sidelined with injuries and lost two running backs during the game on injuries to add to their season-long woes.

Bob Crosslin ran eight yards for Novi's second touchdown and Mike Doletzky followed with a

three-yard run for the Dreadnaughts' only score. Jim Vaughan kicked the extra point to make the score 12-7, but the Wildcats continued to find the holes in Dexter's defense.

Novi scored again before the first half ended and added a field goal in the third quarter to boost Novi's record to 4-4, while Dexter dropped to 1-7.

**Brighton 14, Ypsilanti Lincoln 0—**

Brighton quarterback Steve Heussner scored on a two-yard run with 1:30 left in the first half to cap a 78-yard scoring drive and give Brighton its margin of victory in a 14-0 defeat of Ypsilanti Lincoln Friday.

Brighton also made good on an 80-yard scoring drive in the third quarter as Heussner hit Vince DeAngellis for a 10-yard pass to finish the scoring.

Just as Chelsea did in its victory over Lincoln last week, the Brighton Bulldogs stopped Lincoln's power runner Derrick Tolliver. He gained 68 yards, less than half his usual total.

Brighton improved its record to 7-1 and Lincoln dropped to 5-3.

**SEC STANDINGS**

Dexter	0	4	1	7

**Holiday Bazaar Slated By Parks, Rec. Commission**

Washtenaw County Parks & Recreation Commission (WCPARC) is announcing the "Second Annual Holiday Bazaar" to be held Saturday, Nov. 10, from 10 a.m. to 5 p.m. at the Washtenaw County Service Center. The bazaar is a co-operative effort of WCPARC and senior Citizen groups from Ann Arbor, Chelsea, Manchester, Saline, Whitmore Lake, Ypsilanti City and Township.

A wide assortment of hand-crafted art pieces will be featured. Hand-sewn quilts, quality needlecraft, Christmas ornaments, and baked goods are just a sample of what will be available for holiday bargain shoppers. Admission is free. All proceeds go directly to the Senior Citizen groups to support recreation activities.

Washtenaw County Service Center is located at the corner of Washtenaw Ave. and Hogback Rd., Ann Arbor.

For more information concerning the bazaar, contact the Parks & Recreation office at 973-2595.

**Cub Scouts Produce Skit For Halloween**

The October meeting of Cub Scout Pack 435 at the North school cafeteria was an early Halloween treat for all.

Den No. 11 leader Mary Jo Freitas organized members David Freitas, A. J. Watkins, Todd Thirkow, Scott Baker and Randy Dale in a wizardly, wild skit titled "All's Well that Haunts Well." Special sound effects by den chief Mark Freitas enhanced the action.

Topics discussed were the next planning meeting for parents on Nov. 7, an early summer cub camp-out and awards and badges.

The annual Christmas tree sale committee is solidifying plans to set up near McDonald's sometime around Dec. 1. Proceeds from the sale will fund all Chelsea-area Cub Scouts for the coming year.

The pack meeting concluded with a fun time for all in a no-hands cupcake eating contest. First, second and third prizes were won by Joe Eassa, Rick Niethammer and Kevin Rail respectively. Next meeting for Pack 435 is on Nov. 29.

Subscribe today to The Standard.

**District Court Proceedings**

Week of Oct. 22-28  
Judge Kenneth Bronson Presiding

David Daniels admitted responsibility to failing to stop when leaving driveway. Fine, \$20.

George C. Methis pled guilty to cutting a live limb of a live tree. Fines and costs, \$75.

Tomas Chavez pled guilty to driving without a license. Sentenced to three days in Washtenaw County Jail, suspended. Pay \$100 fines and costs or serve four days on probationary work program.

**Washtenaw 100 Elects Officers At Annual Meet**

The annual meeting of the Washtenaw 100 was held this week in Ann Arbor with 74 members and guests in attendance. First organized in 1972, the group raises money through dues to be placed in a fund to assist families of firemen and policemen killed in the line of duty in Washtenaw county.

Because there have been no recent death claims, funds are used to provide scholarships to children of the prospective beneficiaries.

Officers for the coming year were re-elected and include Scott W. Woods, M.D., of Ypsilanti, president; C. Austin Sanford of Ann Arbor, vice-president; G. Yale Averill of Ypsilanti, secretary; and Byron E. Weed, II, of Ann Arbor, treasurer.

The name of the corporation comes from the quota of having 100 people in the county participating in the program. Anyone interested in joining may contact one of the officers.

Guest speaker at the annual meeting was University of Michigan basketball coach Johnny Orr, who reflected on the coming season for the Maize and Blue hoopsters. He also praised the efforts of the club in providing an extra measure of financial assistance to those in public service who risk their lives each day for the citizens of our country.

Many unions and employers are putting clauses in their contracts with employers that prohibit discrimination against handicapped people, according to the President's Committee on Employment of the Handicapped.

Jeffrey P. Iverson was sentenced for impaired driving to attend Alcohol Education Program and Human Behavior Classes. Fines and costs, \$250.

James C. Snyder was sentenced for careless driving to serve three days on probationary work program. Fines and costs suspended.

James C. Snyder was sentenced for no operator's license to four days on probationary work program.

Andrew J. Hefke pled guilty to having prohibited flashing lights. Fines and costs, \$50.

Danny Joe Demarcus was sentenced for driving without a license to three days probationary work program and \$230 fines and costs or 20 days in the Washtenaw County Jail.

Melvin D. Groves was sentenced for driving without a license to three months on probationary work program. Fines and costs, \$230.

Okey E. Howard, III was sentenced for shoplifting to six months probation, Alcohol Education Program and five days in the Washtenaw County Jail, straight time. Fines and costs, \$155. Restitution, \$140.

Donald C. Taylor was sentenced for fleeing police to 10 days in the Washtenaw County Jail, straight time. Fines and costs, \$155.

Kenneth Krumm was sentenced for assault and battery to 90 days in the Washtenaw County Jail, 75 days suspended upon completion of court ordered con-

ditions. One year probation. Fines and costs, \$100.

Nathan Campbell was sentenced for speeding to 15 days in the Washtenaw County Jail, credit for time spent.

Nathan Campbell was sentenced for failing to yield to an emergency vehicle to 15 days in the Washtenaw County Jail, credit for time spent.

Nathan Campbell was sentenced for driving without a license to 15 days in the Washtenaw County Jail. Costs, \$100.

George Lovely pled no contest to reckless driving. Sentenced to 60 days in the Washtenaw County Jail, credit for time spent. Fines and costs, \$90.

George Lovely was sentenced for violation of probation to 45 days in the Washtenaw County Jail, credit for time spent. Costs, \$50.

George Lovely was sentenced for driving under the influence of liquor to 75 days in the Washtenaw County Jail, Alcohol Education Program in jail. Pay \$405 fines and costs or add 15 days.

David Jesse Butler was sentenced for impaired driving to 12 days straight time. Fines and costs, \$500.

Robert G. Sopher was sentenced for consuming alcohol on a public street to pay \$100 fines and costs or serve 15 days in the Washtenaw County Jail.

Howard W. Pickell was sentenced for impaired driving to attend Alcohol Education Program and pay \$500 fines and costs or serve 15 days.

**UNDER NEW MANAGEMENT**

**Meet Ron Norcom**

Ron is a Chelsea area resident and has many years of experience in the automotive parts business. He is now manager of the Parts Peddler Auto Supply Store at 108 E. Middle St. in Chelsea, next to the Chelsea Police Station.

We feel his friendliness and experience will be very useful in helping our customers with their automotive problems and parts selections.

Our Middle St. store has recently been re-stocked and updated. We feel you will like Ron and the appearance of his store.

As usual, we will be turning brake drums and rotors at this store. Although we have a new store on South Main St. (formerly Chelsea Automotive), it is our intent to keep the Middle St. store active and well-stocked for the convenience of our downtown customers.

Stop in for a free cup of coffee and meet Ron.

—Thank You.

 Thursday—Beef stew with vegetables, pear in lime Jell-O, hot biscuit with margarine, fruited tapioca, beverage. Planning session, 10:30 a.m.; dance, 11:15 a.m.

### Two Attend ABWA National Convention

Pat Shaw of Grass Lake and Katie Chapman, members of the Chelsea Charter Chapter of the American Business Women's Association, joined more than 4,500 other women attending the National Convention held in Minneapolis, Minn.  
 Pat Shaw represented the local chapter as a voting delegate and had a voice in helping to elect national officers. Katie Chapman attended as Woman of the Year and took part in various activities planned for the women. She received the national certificate of recognition and appreciation of the American Business Women's Association and was a guest at a breakfast honoring the women of the year.  
 Guest speaker at the breakfast was Dr. A. Reuben Gornitzka, former minister at Central Lutheran church in Minneapolis. He has a television program and was a replacement for Dr. Norman Vincent Peale on the national "Art of Living" program for 13 weeks. Dr. Gornitzka is currently employed by Control Data Corp.  
 Keynote speaker at the convention was Margaret "Midge" Costanza, first woman to ever hold the title of "Assistant to the President." She told of her experiences during the 20 months she served the president in

stories that were alternately witty and serious.  
 At the closing program Saturday evening, Dorothy Carson, district judge from Phoenix, Ariz., was named national Woman of the Year. All ten women in the top ten were presented silver plates with an inscription of their top ten status.  
 Entertainment at this program was provided by Bill Skiles and Pete Henderson, TV and nightclub personalities, and The Four Aces.  
 Prior to the Saturday evening program, a champagne party was held for all those attending the convention.  
 The ABWA's 1980 convention will be held in Phoenix, Ariz.

#### Put This One On the Board

William Holmes McGuffey, renowned educator, was born near Claysville, Pa., in a small log cabin on Sept. 23, 1800. McGuffey later became famous for his "Readers," which educated generations of Americans. On Sept. 23, 1934, McGuffey's birthplace was placed on exhibit in Greenfield Village, Dearborn, along with more than 85 other historic structures.

### School Board Briefs

Monday, Oct. 29, the Chelsea Board of Education reviewed the budget at a public budget meeting which began at 7 p.m.

Regular board meeting began at 8 p.m. Present were Feeney, Schafer, Schumann, Heller, Snyder, Dils, Superintendent Van Meer, Assistant Superintendent Mills, Special Education Director DeYoung, Community Education Director Rogers, Principals Benedict and Wojcicki, Assistant Principal Vogel, guests.

Meeting was called to order by Vice-President Ann Feeney at 8 p.m. Board approved the minutes of the Oct. 15 meeting.

Board approved a budget for the 1979-80 school year. The

budget has expenditures of \$4,947,454. This budget reflects \$143,305 in reductions which were necessary due to the millage defeats of June 11 and Aug. 20. The tentative reductions of \$143,305, along with the cash balance of \$74,413 as of July 1, for a total of \$217,718, will allow for a balanced budget for 1979-80.

The proposed budget does not allow for any balance to be carried over to 1980-81. Additional revenues or more drastic cuts will be needed to balance the 1980-81 budget.

The tentative budget includes reductions in field trips, textbooks, school supplies, maintenance, transportation, capital outlay, media center, athletics and curriculum development.

The Board accepted a request of Judith A. Pietila to be released from her contract to accept an elementary language arts consultant position with the Ann Arbor Public Schools. This release would be effective on or about Nov. 5.

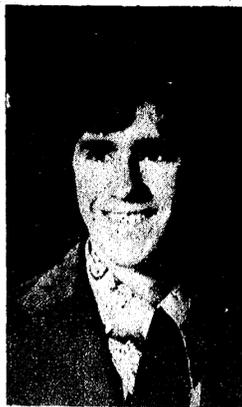

The Board approved the hiring of Sherrill Plank to replace Judith Pietila.

Jackie Rogers presented a senior citizens project update, informing the Board of the participation of the Chelsea School District, the Village Council, Chelsea, Kiwanis and Chelsea Community Hospital in programming for the senior citizens of Chelsea.

A Sex Education Committee, directed by Dr. Gerald Waldyke, which was formed last year, informed the board that they will be making some recommendations for program inclusion, which will include reproductive health, within the next three or four months.

The Board noted the cancellation of the Nov. 5 meeting and wishes the public to be informed that the regular Board of Education meeting will be held Nov. 9 at 8 p.m.

Meeting adjourned at 9:15 p.m.

PAUL MARSHALL

### P. Marshall Awarded U-M Honors

Chelseaite Paul Marshall, a senior in Chemical Engineering at the University of Michigan, was recently named to membership in Tau Beta Pi, the second-oldest honor society in America. Tau Beta Pi is designed to "offer appropriate recognition for superior scholarship and exemplary character to technical students and professional persons."

The U-M chapter of the society is the second largest in the nation and traditionally provides a vehicle for students to assume a role of leadership in the College of Engineering and be of distinctive service to the college and community.

Some services provided by members include free tutoring to all underclassmen, sponsoring the College of Engineering Honors Luncheon and designing toys for handicapped children. Paul is the son of Mr. and Mrs. George Marshall, 750 Flanders St.

Since the first GI Bill was signed into law on June 22, 1944, more than 17 million armed forces veterans have taken some form of training under this popular program.

#### Bootleggers Would Love It

A rather inventive gentleman presented the patent office with an unusual artifact in an application filed Nov. 4, 1892. The device was a combination clothes brush, hidden flask and drinking cup. The base of the brush contained the hidden flask and its cap doubled as a good stiff shot glass when pouring. The booze-brush was patented Jan. 31, 1893 but saw little use. Hundreds of equally unusual but far more practical inventions are on exhibit in the eight-acre Hall of Technology of Henry Ford Museum, Dearborn, Mich.

**34 Years Ago . . .**

(Continued from page two)

taining a large company of relatives, friends and parishoners at St. Paul's Evangelical church, of which the Rev. Grabowski has served as pastor for 23 years.

Chelsea sports fans, who about a year ago started the project of raising funds to provide lighting for night sports at the athletic field on Washington St., have reached their objective and the first game under the lights will be the football contest tonight when Chelsea meets Ann Arbor University High.

Former Staff Sgt. Bernard P. Lyons arrived at the home of his parents, Mr. and Mrs. H. H. Lyons, after receiving his honorable discharge.

Benjamin B. Kuhl, a life-long resident of Sharon township, died at his farm home on Tuesday evening, Oct. 30.

Mr. and Mrs. A. D. Mayer entertained her sister, Miss Mabel Nelson of Detroit, as a guest for the week-end.

**Birth of the Packard**

James Ward Packard completed and ran his first automobile in Warren, O. on Nov. 6, 1899. With his brother, Warren D. and George L. Weiss of Cleveland as partners, he then formed the New York and Ohio Co. to build the popular Packard automobile. Henry Ford Museum, Dearborn, exhibits a rare 1904 Model L Packard—the only known example of the model left—as part of its extensive Transportation Collection.

**GIRL SCOUTS EMU Forensics Team Still Winning**

**TROOP 876—**  
 The Brownies of Troop 876 held their investiture ceremony Wednesday, Oct. 24, at North Elementary school. Seven new girls were inducted into Brownies. They were Helen Cooper, Suzanne Cooper, Stephanie Cumberly, Deanna DeVoy, Gloria Gallas, Michelle Graflund and Barbara Scriven. After the ceremony, the girls served their parents refreshments.

Troop Leader.

**TROOP 84—**  
 The Brownies of Troop 84 made Halloween decorations today. We had a Halloween party. Michelle brought the snack. We got candy from all the girls.

Julie Stacey, scribe.

**TROOP 82—**  
 Junior Girl Scouts of Troop 82 got ready for camping this week-end. We planned our Halloween party to have at camp and also Juliette Lowe's birthday party.

Diana Thomsen, scribe.

**TROOP 689—**  
 The Girl Scouts of Troop 689 had their rededication ceremony. The fourth graders were given the troop crest—blue bird. Four girls have already earned badges. Parents were served refreshments following the ceremony.

Kristen Muncer, scribe.

**TROOP 247—**  
 The Brownies of Troop 247 had our Halloween party with costumes. Kim Ritter brought birthday treats. Susie Neff's mom played her guitar and sang Halloween songs she had written. We had a pumpkin pinata and lots of fun.

Kim Ritter, scribe.

Behind the leadership of Parma senior Jeff Brown, the Eastern Michigan University forensics team defeated 20 other squads to win first place honors at the Niagara University tournament, Oct. 19-21.

Chelseite Julie Prohaska, a sophomore at EMU and second-year member of the team, took third place at the meet in rhetorical criticism. Last year, Julie placed 11th in rhetorical criticism at the national forensics tournament. She was the recipient of an EMU campus leader award during 1978-79 and is the daughter of Mr. and Mrs. David Prohaska, 14580 Stofer Ct.

Eastern garnered 219 sweepstakes points in the Niagara tournament to swamp second place Clarion State College which managed just 118 points. Central Michigan University placed third.

Although the Eastern team won the tournament by a wide margin, Dennis Beagen, director of the forensics program, said the real test of the team's strength and its potential to win a fifth consecutive national championship will be Nov. 16-17 when the team competes at Bowling Green State University in Ohio.

As a preliminary to that tournament, the EMU team will divide the week-end of Nov. 2-3 to compete at two tournaments, one at Youngstown State University in Ohio and Ball State University in Indiana.

During the nine years of the national forensics tournament, 32 individual national titles have been won by Eastern students. In addition, the EMU team owns every national forensics record in existence.

What makes the Eastern program so successful? Director Beagen attributes it to the quality of the students who are recruited, a coaching staff which "without question" is the best in the nation, and the support of the Eastern community and parents.

The national tournament will be held next April at the University of Montevallo near Birmingham, Ala.

Headstones to mark the graves of 225,435 eligible beneficiaries were furnished last year by the Veterans Administration's Department of Memorial Affairs. This included over 2,800 which were shipped outside the continental United States.

**FIRE ALARM SYSTEMS**

How good are home fire alarm systems? Any working fire-detection and alarm system gives protection. But for really complete protection in the average home, you need a complete system. Fire alarm systems vary, but good ones have several points in common:

1. The components of the system are approved by Underwriters Laboratories or Factory Mutual Laboratories.
2. The system is served by its own electrical circuit.
3. The alarm is loud and centrally located. Ideally you should also have a loud alarm to arouse your neighbors.
4. Provision is made so that you can test the system occasionally without building a fire in the house.
5. There are enough detectors to give complete coverage of the house. In other words, no matter where a fire breaks out, a detector would be close by to sense the rise in temperature and set off the alarm.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

# Farm Broadcaster Howard Heath Dies

Farm broadcaster Howard Heath, whose conversational-style reporting, often punctuated with humor and country philosophy, earned him a large listening audience among Michigan's agricultural community, is dead at the age of 54. Heath, founder of the Michigan Farm Radio Network, died of a heart attack on Oct. 21. Funeral services were held in Milan, home of Heath and the Network, on Oct. 24.

Elton R. Smith, president of the Michigan Farm Bureau, called Heath's death "a great loss to Michigan agriculture."

The network, first established in 1971, was the realization of Heath's long-time dream to provide comprehensive farm news programming for Michigan's farming industry. While continuing his duties as farm director for WPAG in Ann Arbor, where he was beginning his 34th year, Heath set up the fledgling Michigan Farm Radio Network in the basement of his rural Milan home.

Early programming went to 20 Michigan radio stations and focused primarily on grain and livestock reports and a daily

farm news show produced by the Michigan Farm Bureau.

Heath built the Michigan Farm Radio Network on the belief that farmers' needs for current, accurate farm news would continue to increase. Throughout the growth years of the network, he was careful to maintain the original focus of the programming on farm news.

Today the network has doubled the number of subscriber stations in Michigan and tripled its news programming. The network serves 45 stations with sports news and coverage, regular news programs, and a variety of farm news and information programs as diversified as Michigan's agriculture.

A permanent scholarship fund for farm broadcasting students is being set up at Michigan State University in Heath's memory. Those wishing to contribute may send their checks, made payable to the Howard Heath Memorial Fund-MSU, to the Michigan Farm Radio Network, 231 Hurd St., Milan 48160.

## Letters TO THE EDITOR

Dear Editor:  
With the passage of HB 4726 the Michigan Legislature is to be commended for taking the first step to ensure that thousands of senior citizens won't be placed in the untenable position of choosing between food and fuel. The bill establishes a home heating assistance program for persons with low incomes for this year, 1980 and 1981. A similar program last year helped almost 350,000 households, two-thirds of which were headed by senior citizens, absorb some of the winter's high home heating costs.

We urge the legislature to move quickly to provide funding for this program by passing HB 4730. House Bill 4730 proposes to amend the Severance Tax Act to increase the tax rate from two to six percent. The revenues from this increased tax would fund the Home Heating Assistance Program, as well as a State Weatherization Program and an Energy Conservation Fund. We do believe, however, that a six percent increase is inadequate to fund all these programs and urge the legislature to increase the tax to 10 percent, as originally proposed.

The home heating season is here now. Failure to act on HB 4730 could mean no heat or worse for thousands of the state's older citizens.

Peter Kok,  
Director,  
Michigan Office of  
Services to the Aging.

## Legislative Update

A Weekly Report from  
State Rep. Mary Keith Ballantine  
State Capitol, Lansing 48909  
Phone (517) 373-1775

Week of Oct 29-Nov. 5

**INSURANCE BILL** — Both houses have now approved SB 428, which guarantees access to home and car insurance and makes rates more even around the state. It also allows people to sue for up to \$400 in car collision; that is not possible now.

**HOME HEATING** — Acting Gov. Brickley has signed into law HB 4726, which continues the Home Heating Assistance Program for low-income and senior citizens. Yet to be determined is how to raise the \$33 million needed to pay for the program.

**TOGETHER AGAIN** — Governor Milliken returns this week from a privately-funded two-week trip to China to develop Michigan trade prospects. During that time, Lt. Gov. Brickley has been Acting Governor and has continued to preside in the Senate.

**SUNSET SUPPORT** — The House Committee is considering SB 75, which would provide for a legislative program evaluation of state agencies on a regular basis. A major point of difference has come on the issue of whether or not the bill should include specific termination dates for the various agencies. Governor Milliken has now stated his support for such end-dates.

**LICENSE LETTERS** — If you own a car or motorcycle, you will soon be getting a computer-prepared 1980 license-plate application in the mail. The big change this year is that renewal fees are geared to the new year-round "birthday" basis, so some fees are more than others depending on when the owner's birthday is. Actual per-month rates are still the same, though.

**PRISON POPULATION** — Our Corrections Director has said Michigan will need at least one new prison a year for the next 10 years, due to the new ban on parole for certain criminals and the law giving mandatory sentences for gun-toting felons. Present capacity is 13,500 but the actual population is 15,000; in May the Governor said \$404 million is needed to solve the problem.

**HUNTING SAFETY** — As hunting season hits its peak this month, the DNR has pointed out that our "hunter orange" law and mandatory hunter-safety training for young people have produced a continuing decline in hunting accidents: 161 in 1976; 1977, 137; 1978, 95. Always Be Careful!

**MINORITY DIRECTORY** — The Department of Commerce has compiled a new directory listing about 1,000 minority businesses in the state according to name, location, product, etc. For a free copy write Minority Business, Economic Development, Commerce Dept., Box 30225, Lansing 38909.

**PARING PAPERWORK** — A joint seminar was held last week at the Capitol for representatives of the legislative and Executive branches on reducing paperwork in Michigan state government. Unlikely as it might sometimes seem, people are trying to ease this burden on our citizens.

### Rep. Ballantine Plans Town Hall Meetings

State Rep. Mary Keith Ballantine (R-23rd District) will conduct a town hall meeting Thursday, Nov. 1, in Columbia township.

The meeting, which will begin at 7:30 p.m., will be held in the Columbia Township Hall, 8500 Jefferson Rd., Brooklyn. Refreshments will be served.

"I am looking forward to becoming better acquainted with some of my constituents at the meeting," Mrs. Ballantine said. "I have been quite encouraged by the interest many of them have shown in state Government and its workings."

Mrs. Ballantine will briefly address the gathering on several current legislative issues before engaging in an open discussion period.

"The more I know what's on the minds of my constituents," she added, "the better I'll be able to represent their interests in Lansing."

Mrs. Ballantine has also scheduled a Nov. 15 town hall meeting in Grass Lake.

### Varsity Football

Nov. 2—Pinckney ..... A  
Home games begin at 7:30 p.m.

## March of Dimes Group Changes Corporate Name

March of Dimes Birth Defects Foundation is the new corporate name for the 41-year-old voluntary health organization formerly known as The National Foundation.

"Our new name states our mission and acknowledges what the American people have recognized for many years," said Harry E. Green, chairman of the board of the March of Dimes Birth Defects Foundation. "As a moving force to improve the health of our nation's children, the term March of Dimes has continued to be more familiar and more popular than our formal corporate identity."

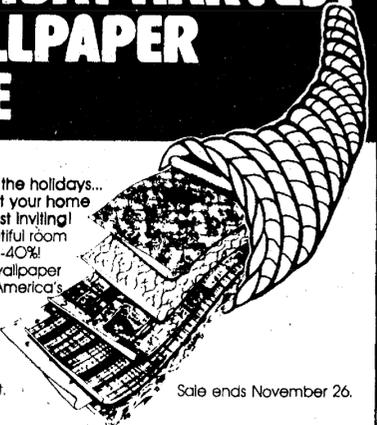

The March of Dimes has been almost synonymous with The National Foundation throughout its history. It was first suggested by comedian Eddie Cantor soon after the fight against infantile paralysis was launched by President Franklin D. Roosevelt in 1938.

This popular name quickly took over in the public consciousness as the March of Dimes generated support for the Salk and Sabin vaccines which led to the ultimate conquest of polio.

In 1958, the Foundation redirected its efforts to find ways to prevent birth defects, the nation's most serious child health problem, and to improve the outcome of pregnancy.

## HOLIDAY HARVEST WALLPAPER SALE

Just in time for the holidays... when you want your home to look the most inviting! Create a beautiful room at savings of 15-40%! Thousands of wallpaper patterns from America's foremost manufacturers. All first-quality, current lines. Hurry, while selection is best.

## Announcing Modernization & Expansion of DRIVE-UP WINDOW SERVICES

Chelsea State Bank is pleased to announce the expansion of the Drive-Up Window facilities at the Main Office from the current two windows to four windows, each with a separate lane. This improvement, together with the new Branch Office of this bank, presently under construction at the corner of S. Main St. and Old US-12, will increase our ability to serve our customers with greater speed and efficiency.

During the construction period the Drive-Up Window service will be limited to one window. This inconvenience should not last more than a few weeks, and during this time more tellers will be on duty in the lobby.

We appreciate your patience and co-operation during this construction period.

## VIDEOMATIC

### COLOR TV

- **100° In-Line Picture Tube**  
Produces a considerably sharper picture than that offered by a conventional 90° tube... plus exceptional clarity and picture detail.
- **Advanced 100% Solid-State Modular Chassis** Designed to last longer, run cooler and use far less energy than ever before. And, if ever needed, servicing is quick... and economical.

Model 4170 — 19" diagonal color portable with the Videomatic electronic eye. **\$419<sup>95</sup>**

**Pictures automatically adjust to changing room light for eye-pleasing viewing.**

This Magnavox portable is compact in size, modest in price, but big in fine performance and quality features. The Videomatic eye will keep your color picture perfectly adjusted — even in changing room light. The picture never glares in a dark room, doesn't "wash out" in a bright room. A grained walnut finish on high-impact plastic makes this color portable both attractive and durable. An outstanding value!

TRAIL BOSS Warren McArthur, right, hands a saddlebag to publicity chairman Clare Warren to kick off the Chelsea United Methodist church "Pony Express" stewardship campaign. Saddlebags will be circulated among church members this Sunday for families to drop in their estimate of giving cards, indicating future church support.

## Methodist Pony Express Runs Scheduled Sunday

A "trail boss" breakfast and worship service Sunday will signal the start of a Pony Express "run" at the Chelsea United Methodist church.  
The Rev. Marvin McCallum, pastor, said he expects 40 members filling the roles of trail bosses and station agents to be on hand for the breakfast briefing.  
Church families on the Pony Express run will be relaying stewardship saddlebags to gather "estimate of giving" cards.  
Jim Line, general manager of the stewardship campaign, will hand out the saddlebags and run route lists at the breakfast. A relay of the saddlebags among church members will begin immediately after morning worship, he said.

Each saddlebag bears the names of 10 church families. A family fills in a giving estimate card, seals it in an envelope, inserts it in the saddlebag pouch and then hand-carries the bag to another of the families on the route.  
"We're excited because of the enthusiastic reception the plan has received thus far," Line said. "There's a spirit of team work, and at the same time, competition."  
He said the teamwork is similar to that of the Pony Express riders of a century ago, knowing they can count on the next rider to relay the mail to its next destination.  
The competition, he said, comes in the eagerness of the trail bosses to see that their run is

completed before another's is finished.  
"It's good, healthy competition for a good cause," he said.  
Each trail boss is responsible for supervision of the relaying of one saddlebag to 10 families. The trail bosses report periodically to station agents.

Wheat Insurance Report Deadline Near  
Federal Crop Insurance district director Harlan G. Stull reminds farmers carrying protection on 1980 wheat to report acreage and share no later than Nov. 5.

Do It Now... Then Forget About It

**DONALD A. COLE**  
Director

It's only natural that we avoid thinking about our own funerals, even though we know that at some unknown time, our loved ones will be called upon to make arrangements. To minimize their burden, we urge you to prearrange your funeral at Burghardt-Cole Chelsea Chapel this week, then forget about it. It's a thoughtful, considerate thing you can do now to help your family later.

**The Bible-The Light from Heaven**

Teaches plainly Christianity is not without cost. Everything of value has a price tag on it. We cannot get something for nothing. We appreciate things in proportion to what they cost us. Our food, clothing, homes, education, etc. are costly things. The blessings of Christianity are not exceptions. The price to provide them was costly. God gave his best. (John 3:16). Jesus gave his life. (2 Corinthians 8:9; Hebrews 2:9; I Peter 2:24). The price to appropriate Heaven's blessings is high. It costs man: forsaking all (Luke 14:26, 27); self denial (Matthew 16:24); a life of sacrifice (Romans 12:1); a life of suffering (II Timothy 3:12); and a life of seeking first the kingdom (Matthew 6:33). Life here is the preparation period for the life that is yet to come. (John 14:1-6).

## Free Diabetes Tests Offered at Hospital

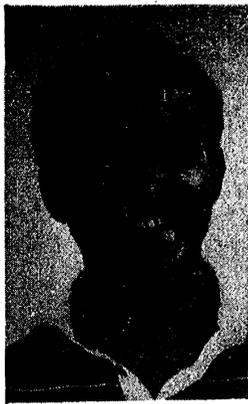

As part of Chelsea Community Hospital's and Chelsea Medical Center's promotion of Diabetes Detection Week, free screening tests will be provided in the Surgical Center of Chelsea Community Hospital Nov. 5 through Nov. 9, from 2 to 8 p.m.

Patricia Asp, R.D., director of dietary services, stressed the importance of eating a high carbohydrate meal, one with a large amount of starches and sugars, two hours before the test. A good breakfast to have before the test, for example, would be fruit or juice, cereal with milk and sugar, two slices of buttered toast with ham, and coffee or tea. A person planning to take the test after lunch could have a bowl of soup, a sandwich with two slices of bread, cake or pie for dessert, and a glass of milk. The meal should be eaten within a period of 15 minutes, to assure an accurate

test. After the meal, nothing else except water should be taken before the test.

Also during Diabetes Detection Week a class entitled "Diabetes and You" will be taught by Julie Say, community nutritionist and Pat Parr, registered nurse. Each participant will become familiar with the revised diabetic exchange system and general diabetes information. The course is a three-week program which is taught on Monday evenings from 7 to 8:30 p.m., beginning Nov. 5. The course fee is \$10 for the entire program. To register call 475-9830.

If you have any questions regarding the screening tests, contact Carmelita Lovett, chief technologist, 475-1311, ext. 411, or Patricia Asp, R.D., director of dietary services, 475-1311, ext. 359, chairpersons for Diabetes Detection Week.

BOB MURPHY

## Bob Murphy Honored By Ford Motor

Ford Division of the Ford Motor Company has announced that Bob Murphy of Chelsea recently attained membership in the prestigious Ford Society of Professional Sales Counselors for 1979.

Membership in the society can be attained only by those qualifying Ford salespersons who display outstanding achievement during the calendar year. Murphy is currently employed with Palmer Motor Sales and has been a professional salesperson there since 1974.

The society is a professional organization created by the Ford Motor Company to honor top automotive salespersons.

Murphy and his wife, Juanita, live with their two sons and one daughter at 6220 Stofer Rd.

## Area Students Enrolled At Kalamazoo College

This fall's freshmen at Kalamazoo College bear a special distinction—they will be graduating on the 150th anniversary of the College's founding. At an opening convocation for the new students, College President George N. Rainsford told them, "You are a sesquicentennial class and therefore the most special class during our lifetime."

Local residents among the 400 entering freshmen include Chelseaite Cynthia Bareis, daughter of Mr. and Mrs. Philip Bareis, 740 N. Main St.; Cynthia Burns of Dexter, daughter of Mr. and Mrs. Robert Burns, 3535 Forsee Lane; and Manchester resident Anthony Warren, son of Mr. and Mrs. Alonzo Warren, 108 Beaufort.

Approximately 14 percent of those 400 were either valedictorians or salutatorians and almost 50 percent ranked in or above the 90th percentile of their high school class.

The freshmen participated in a unique week-long orientation session which sought to introduce them to the vitality of the college community. Revolving around the theme of "Liberal Education: Dreams, Risks and Discovery," activities included academic seminars, informal meetings, sports and recreational events.

As a prelude to the orientation program, some 50 students participated in the College's Land-Sea Experience. Patterned after the Outward Bound Program,

this experience included two weeks of backpacking, sailing, canoeing and other wilderness activities in the Killarney Provincial Park in Canada. There students pursued special interests in ecology, biology, psychology and related fields while receiving instruction in wilderness, navigational and interpersonal skills.

## Waterloo 4-H Club Organizes for Fall

Fall organizational meeting of the Waterloo 4-H Club was held Oct. 18.

Projects available to the membership this year include cooking, hobbycrafts, needlecraft, leathercraft, knitting and crocheting, small engines, horse, dairy goats and poultry.

Members who received awards at the Jackson County Awards Day were Katie Lewis, horse, citizenship and the Chicago trip; Anita Roderick, dairy goat; and Alan Roderick, small engine and leathercraft.

Entertainment at the meeting consisted of a reading by Mrs. Lewis with the entire group participating, and the singing of Oh My Darling Frankenstein.

Cookies and punch were furnished by Mrs. Hame. Next meeting will be Nov. 15.

## North Lake Methodists Recall Circuit Riders

Members and friends of the North Lake United Methodist church re-enacted a portion of their history last Sunday evening by gathering in homes to harken back to the days of pioneering Methodist "circuit rider" preachers.

The Rev. John Elliott, pastor, said the circuit gatherings were held in four homes and featured home-cooked food, fellowship and a brief explanation of the church's proposed program and budget for the coming year.

Everyone was given the opportunity to tell their his or her aspirations for the church and its ministries.

Circuit gatherings were common in the late 1700's and early 1800's, when Methodist preachers on horseback rode from community to community on a "circuit" to spread the gospel.

Arrival of the circuit rider in a town prompted a Methodist gathering for a time of inspiration and fellowship.

North Lake United Methodist

church dates back from the time when Indians and wild animals were the natural residents of the area. A small group of people, under the leadership of the Rev. Charles Glenn and John Glenn, set out from New York State to settle and homestead the North Lake area. The deed registered to the Glens is dated Oct. 4, 1835 and is signed by President Andrew Jackson.

The religious atmosphere was strongly felt, even in backwoods country. Twelve men and women banded together to organize the North Lake Society in 1836.

Last Sunday's circuit gatherings likewise provided a relaxed, informal get-together for a first step in the church's "circuit ride" stewardship campaign.

Carl Neuman, general chairman of the campaign, said seven leaders from the church have been designated circuit leaders, to supervise the relaying of stewardship saddlebags to each family in the neighborhood circuits. Members of the church will take on their duties Sunday, Nov. 4, when they will travel among families on their circuit.

A family will fill in an "estimate of giving" card, seal it in an envelope and insert it into the saddlebag, which will then be carried to the next family.

"We trust our members to act responsibly in deciding the amount they will provide for the church ministries during the coming year," Carl Neuman said.

## Mission Sunday Scheduled

Members of St. John United Church of Christ extend an invitation to friends, neighbors, sister churches and the general public to observe with them their annual Mission Sunday, Nov. 11, at 10:30 a.m.

A special feature of the morning worship service will be young people from the Chelsea area displaying their musical talents. Shana Burke will perform on the organ, Lori Hines will do a violin solo, Beverly Boyd a guitar selection and vocal and Judy Poet a special reading. All the above girls will join with Kelly Burke, Annette Green, Angella Kovach, Maria Staphish and Linda Thomas to sing "You Light Up My Life."

After the music, everyone is invited to join in fellowship by bringing a dish to pass for a potluck dinner. After dinner, the Rev. Stanley Hartman, pastor and administrator of the Saline Evangelical Home, will show the film, "The Home that Faith Built," commemorating the centennial year of the Evangelical Homes of Michigan.

Morning offering will be divided equally between the Evangelical Children's Home in Detroit for continued work with developmentally disabled children, and the United Church of Christ's world wide church missions.

**Michael Foster Completes 3-Year Army Service**

Army SP4 Michael Foster has returned to the home of his parents, Mr. and Mrs. Robert L. Foster, 515 Wilkinson St., following his recent discharge from the service.

Foster enlisted in the army three years ago upon graduation from Chelsea High school. He served in the military police, his last assignment being a 10-month tour in Saandhafen, W. Germany, at the Manheim Area Confinement Facility.

Some 458,000 Vietnam veterans returned from the war with a disability, according to the President's Committee on Employment of the Handicapped.

## Girl Scout Council Meets in Chelsea

Thursday, Oct. 25, Chelsea was host for the fall conference of leaders in the Huron Valley Girl Scout Council-Western Washtenaw Area.

Two girls from Chelsea Troop 98 provided the opening ceremony, after which Area Association Chairman Dot Clary conducted the business meeting. Approximately 25 area leaders were present.

Among those in attendance were the new executive director of the Huron Valley Council, Seymour Brieloff, and the area field director, Jane Pollack.

During the meeting, leader ribbons were presented to all new Brownie, Junior and Cadette leaders from the area. An all-Western Washtenaw area sweat shirt design was also chosen. The winning entry was submitted by Chelsea's Cadette Troop 98.

After the business meeting, all enjoyed cookies furnished by Brownie Troop 676 and Junior Troop 719.

## Suzuki Music Students To Give Demo Concert

Children from the Ann Arbor Suzuki Institute will present a demonstration concert in Chelsea at St. Paul United Church of Christ Monday, Nov. 5 at 7 p.m.

Families with pre-school children are especially encouraged to attend to see children as young as their own and older performing on piano, violin and cello.

These children have been taught to play their instruments utilizing the Suzuki approach to teaching, which is often referred to as the mother-tongue approach.

On Nov. 8, parents who are interested in knowing more about the possibility of their children participating in Suzuki classes in Chelsea may attend information meetings to be held at 45 Chestnut Dr.

There will be two meetings that day, one at 10 a.m. and one at 1 p.m. Further information may be obtained by calling either Betty Rasmussen, 475-2702, or Pat Stirling, 475-1112.

## No Bliss-Full Ending

Real estate broker Henry H. Bliss had the misfortune to become America's first automobile fatality on Sept. 13, 1899. Bliss had just stepped off a street car into traffic in New York City when he was struck by a car driven by Arthur Smith. Smith was jailed and eventually fined

\$1,000. Attempts to improve such hazardous conditions can be seen by strolling through the Transportation Collection of Henry Ford Museum, Dearborn. These include the nation's first three-color, four-directional traffic light and exhibits of automobile horns and lamps.

**Your Auto-Owners agent wants you to get the policy that's right for you. Even if it isn't from Auto-Owners**

When you go to an insurance agent who represents only one company, he only has one company's policies to offer you. But an independent agent represents several companies. So if one company's insurance isn't right in price or coverage he'll tell you. He knows another one of his companies is. But the one-company agent? Do you think he'd tell you? So talk to your independent Auto-Owners agent. There's no telling how much he can help you.

## Legal Notices 18

**MORTGAGE SALE**—Default has been made in the conditions of a mortgage made by Richard A. Rushlow and Yvonne M. Rushlow, husband and wife to Ann Arbor Mortgage Corporation, a Michigan corporation Mortgagee, Dated February 7, 1975, and recorded on February 13, 1975, in Liber 1502, on page 755, Washtenaw County Records, Michigan, and assigned by said Mortgagee to Federal National Mortgage Association, a National Mortgage Association by an assignment dated February 7, 1975, and recorded on February 13, 1975, in Liber 1502, on page 759, Washtenaw County Records, Michigan, on which mortgage there is claimed to be due at the date hereof the sum of Twenty One Thousand Eight Hundred Twenty Six and 75/100 Dollars (\$21,826.75), including interest at 9 1/4% per annum.

Under the power of a sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at public vendue, at the Huron St. entrance to the Washtenaw County Building in Ann Arbor, Michigan, at 10:00 o'clock A.M., Local Time, on December 6, 1979.

Said premises are situated in the Township of Ypsilanti, Washtenaw County, Michigan, and are described as:  
Lot 549, West Willow Unit No. 7, a Subdivision of part of the North 1/2 of Section 14, Town 3 South, Range 7 East, Ypsilanti Township, Washtenaw County, Michigan, according to the plat thereof as recorded in Liber 13 of Plats, Page 28, Washtenaw County Records.

During the six months immediately following the sale, the property may be redeemed.  
Dated: November 1, 1979  
Federal National Mortgage Association.  
Assignee of Mortgage  
George E. Karl, Attorney for Assignee of Mortgage  
1475 Penobscot Bldg., Detroit, Michigan 48226

## Legal Notices 18

**NOTICE BY PERSONS CLAIMING TITLE UNDER TAX DEED**  
(Revised 1971)

To the Owner or Owners of any and all interests in, or lessors upon the lands hereinafter described:

TAKE NOTICE, that sale has been lawfully made of the following described land for unpaid taxes thereon, and that the undersigned has title thereto under tax deed or deeds issued therefor, and that you are entitled to a reconveyance thereof, at any time within 6 months after return of service of this notice, upon payment to the undersigned or to the Register in Chancery of the County in which the lands lie, of all sums paid upon such purchase, together with 50 per centum additional thereto, and the fees of the Sheriff for the service or cost of publication of this notice, to be computed as upon personal service of a declaration as commencement of suit, and the further sum of five dollars for each description without other additional cost or charges: PROVIDED, THAT with respect to purchasers at the tax sale held in the years 1938, 1939 and 1940 the sum stated in such notice as a condition of reconveyance shall only be all sums paid as a condition of the tax title purchase, together with 10 per centum additional thereto. If payment as aforesaid is not made, the undersigned will institute Proceedings for possession of the land. Sec. 7; Town 3S, Range 4E, Amount Paid \$89.54, tax for year 1974, Amount \$129.25; tax for year 1975.

Description of Land  
State of Michigan, County of Washtenaw  
E FRL 1/2 of E FRL 1/2 of NW FRL 1/4 of NW FRL 1/4, Section 7, containing 10.31 (Tax Code FRL-4) acres of land more or less, Town 3 South, Range 4 East, Freedom Township.  
Amount necessary to redeem, \$328.20 plus the fees of the Sheriff.

**Fill'er Up by the Barrel**

Sylvanus F. Bowser of Fort Wayne, Ind., delivered the first gasoline pump made in the United States to Jake Gumper of that city on Sept. 5, 1885. Bowser made the pump—which had marble valves, wooden plungers and a capacity of one barrel—in his barn. A 1920 gasoline pump, holding 10 gallons and featuring a red-and-white glass crown, is part of the Transportation Collection at Henry Ford Museum, Dearborn.

Please inform us of any address change

## NOTICE OF PUBLIC HEARING

**Application for Conditional Use Permit**

Notice is hereby given that Mr. Wallace C. Wood has petitioned the Village of Chelsea for a Conditional Use Permit to allow a second floor residential apartment on property zoned C-5 Central Business District.

Said property is located at 105 S. Main Street, Chelsea, Michigan.

The Chelsea Planning Commission has scheduled a public hearing on said application for Tuesday, November 13, 1979 at 7:30 p.m. at the Chelsea Council Chambers, 104 E. Middle Street, Chelsea, Michigan.

**CHELSEA VILLAGE PLANNING COMMISSION**  
Lynn Degener, Secretary

## Dexter Township Board Proceedings

**Regular Meeting**  
Date: Tuesday, Oct. 16, 1979, 7:30 p.m.

Place: Dexter Township Hall.  
Present: John Tandy, Arlene Howe, Lorinda Jedele, John Miller, William Eisenbeiser.

Meeting called to order by the supervisor, John Tandy.  
Minutes of the Oct. 2, 1979 meeting were read. Moved by Howe, supported by Miller to approve the minutes as read. Carried.

Supervisor's report (enclosed).  
Discussion held on zoning problems and Machnic Zoning violation.

Moved by Jedele, supported by Miller, to waive the 1 percent collection fee on current property taxes. Carried.

Moved by Jedele, supported by Howe, that Dexter Township impose the 3 percent tax collection fee on taxes paid after Feb. 15, 1980. Carried.

Moved by Howe, supported by Eisenbeiser, to authorize the treasurer to replace office equipment stolen from the Town hall. Carried.

Moved by Miller, supported by Eisenbeiser, to adjourn. Carried. Meeting adjourned.

Respectfully submitted,  
William Eisenbeiser,  
Dexter Township Clerk.

Telephone your club news to 475-1371

**CARD OF THANKS**  
The Chelsea Fire Dept. would like to extend their thanks to the merchants who gave us their help and co-operation with the Fireman's Ball. We also wish to thank the people for their support. With your continued co-operation and support we are able to have a successful dance and make a donation to the Burn Unit. Thank you.

**Annual meeting of Chelsea Community Fair, Thursday, Nov. 29, 8 p.m.** at fair grounds. All life members welcome to attend.

**Cavalcade of Cars**  
The first known parade of automobiles took place Sept. 7, 1899, at the fashionable spa of Newport, R. I. Nineteen cars took part, driven by society leaders from New York, Boston and Philadelphia. Mrs. Herman Oelrichs won a prize for her vehicle, which was draped in wisteria and featured a flock of white doves on the radiator "pulling" the car. Greenfield Village, Dearborn, offers its own old-time car parade in September at the annual Old Car Festival, featuring more than 250 automobiles dating from 1896-1925.

## DEATHS

### Ruth E. Jenkins Oscar Schettler

**Former Detroit Resident Dies Monday at Methodist Home**

Miss Ruth E. Jenkins, a resident of the Chelsea United Methodist Retirement Home, died Monday, Oct. 29, at the home. She was 85.

Miss Jenkins was born Nov. 11, 1893 at Westville, Ind., the daughter of the Rev. N. F. Jenkins and Isobell K. (Kenrich) Jenkins.

She graduated from Ferris State College with a degree in business administration and later earned a degree from the University of Chicago. She had been a teacher of home economics and for many years was a secretary for automotive dealerships in the Detroit area. She came to the home from Detroit in 1962.

Surviving are five nieces, Mrs. James (Barbara) Wood of Sturgeon Bay, Wis., Mrs. Herbert (Jane) Slate of Grand Rapids, Mrs. Arthur (Doris) Falter of Portsmouth, O., Mrs. Charles (Marjorie) Hall of Portsmouth, O. and Mrs. Carl (Esther) Forsbert of Elmo, N.Y.; five nephews, Lester Jenkins of St. Johns, Carl Jenkins of Grand Rapids, Robert Jenkins of Utah, Allen Freeman of Virginia and Bill Thomas of Plymouth.

Funeral services will be held Thursday, Nov. 1 at 10:30 a.m. at the Chelsea United Methodist Retirement Home chapel with the Rev. Ira Wood and the Rev. Edward Slater officiating. Burial will follow in Hart Cemetery; Hart, on Friday, Nov. 2 at 3 p.m. Arrangements were by Staffan Funeral Home.

**CHS Grad Had Earned College Degree at Age 81**

Oscar Schettler of Ann Arbor, a former businessman whose professional pride landed him back in college at the age of 81, died Thursday, Oct. 25 after a long illness. He was 83.

Born Jan. 14, 1896 in Washtenaw county to John and Christine (Hinderer) Schettler, he graduated from Chelsea High school, then worked at the Michigan Milling Co. in Ann Arbor before moving to Buffalo, N. Y. in 1934. He retired in 1961 as secretary of Houdaille Industries of Buffalo and returned to Ann Arbor.

Schettler had graduated from Cleary College, then a two-year institution, in 1915 and subsequently obtained a certified public accountant ranking. During his business career, a requirement was passed that CPAs must be graduates of four-year colleges.

Years after retiring, Schettler reapplied for entrance at Cleary to satisfy that requirement and graduated with a four-year degree at age 81.

He married Hazel Carlisle on Jan. 18, 1936 and she survives together with two daughters, Mrs. Walter (Jean) Jenks of Dearborn Heights and Mrs. Walter (Marjorie) Hoelscher of Dearborn; a foster son, John Ellwood of Winston-Salem, N.C.; and seven grandchildren.

Funeral services were held Monday, Oct. 29 at the Fontana Funeral Home in Ann Arbor.

### Dr. Morris

(Continued from page one.)

**Development Program from 1968-71,** when he accepted his post at Hobart and William Smith Colleges in New York.

Dr. Morris is a member of the American Association for Higher Education, the Council for the Advancement and Support of Education and the Society of Professional Journalists, Sigma Delta Chi. He was an officer of planned parenthood and family planning boards in New York and has been active in Community Chest and family counseling agencies in both New York and Michigan.

He and his wife, Zella, have a son Dwight, a sophomore at Olivet College, and a daughter, Julie, a freshman at Kalamazoo College.

## Births

A son, Daniel Aram, Wednesday, Oct. 24 at Lake Wales, Fla. to Timothy and Debra, Grau. Paternal grandparents are Mr. and Mrs. Alton Grau of Chelsea. Maternal grandparents are Mrs. Clare Saunders of Jackson and Delbert Jones of Florida.

A son, Nathan Norval, Wednesday, Oct. 17, to Norval and Rebecca Menge, 15405 Osius Rd.

A daughter, Amanda Lynn, Wednesday, Oct. 24 at Lake Wales, Fla. to Timothy and Debra, Grau. Paternal grandparents are Mr. and Mrs. Alton Grau of Chelsea. Maternal grandparents are Mrs. Clare Saunders of Jackson and Delbert Jones of Florida.

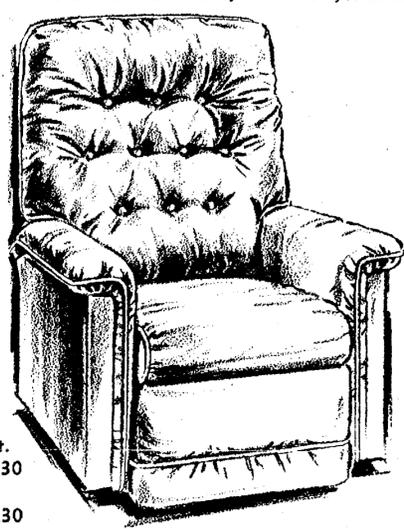

**Going Like Sixty Wasn't Against the Law—Then**  
A. C. Bostwick revved up his 40 horsepower Winton on Nov. 18, 1901, and roared down the straightaway course at Ocean Parkway in Brooklyn, N. Y. When he finished the mile-long course, Bostwick had made the record books. With a time of 56.4 seconds (about 63 mph), he became the first man to drive a car faster than a mile a minute. The record stood almost three minutes before another driver beat it with a 51.8-second time. A 1900 Winton is part of the extensive Transportation Collection at Henry Ford Museum, Dearborn.

Employees who work with mentally restored workers should keep a friendly eye on them and help them over rough spots, according to a brochure published by the President's Committee on Employment of the Handicapped.

# Rare...Medium...or Well Done!

## It's always done to perfection in the

# Amana Touchmatic II Radarange

MICROWAVE OVEN

Not only cooks by time, it also cooks to temperature!

**TEMP CONTROL** Amana's Automatic Temperature Control System cooks meats and many other foods to the serving temperature you select with extreme accuracy. So a medium rare setting will always turn out a medium rare roast!

**HOLD** You can even program the oven to "hold" your serving temperature without shutting off. This remarkable feature gently cycles power on and off — cooking meats more moist and tender than ever before possible in a microwave oven. Also great for holding meats, casseroles, soups and many other foods at perfect serving temperature — for even the latest of late arrivals.

Remembers up to 4 cooking programs.

**COOKING PROGRAM**

Allows you to do things like 1. defrost 2. hold while the food temperature equalizes 3. cook slowly to tenderize food 4. then finish cooking at a higher speed. All with one set of instructions. You can even program the Touchmatic II to defrost or cook by time, then automatically switch to temperature controlled cooking.

10 Cookmatic™ Power Levels for slow cooking, fast cooking and everything in between.

Change cooking speeds instantly without stopping the oven. Or program the oven at the start to change speeds as it cooks — automatically!
