Community Ed. Brochure Prepared

As a pleasant and useful post-Christmas present, the Chelsea Community Education Department winter brochures will be sent to Chelsea homes the first week in January.

Many varied activities are being planned. Together with the enrichment classes, which include everything from aerobic dance to yoga, there will be a listing of all recreation classes and senior citizen programs.

Also, for the second year, the Super-Saturday Program for preschoolers through fifth graders will begin with a film festival on Jan. 19, followed by six weeks of fun-filled classes, with everything from art, baton, rocketry and dance to cooking and sewing.

Registration will be done for Super-Saturday during lunch hours at the elementary schools. Registration forms will be sent home with children during the first week of classes after Christmas break.

If you are not on the mailing list, but would like to receive the winter brochure, please call the Community Education Office at 475-9830. Any questions on the programs may also be directed to the Community Education Office.

A HAPPY GROUP gathered at the UAW 1284 Hall Sunday for the Spaulding for Children annual Christmas party. Each year, children who have been placed by the agency return to Chelsea for a happy party. Enjoying the festivities Sunday were, left to right,

long-time staff member Mary Jane Dettling, Miss Dorothea Pielemeler, a charter board member, Spaulding Director Judy McPhillips, and three adopted children.

Churches Plan Special Events For Christmas

Voices will be raised in song and prayer early next week in Chelsea, as area churches prepare to celebrate the religious meaning of Christmas, the birth of Jesus Christ.

First Congregational church on E. Middle St. is planning a Christmas Eve, family-centered service with communion, 7:30 p.m. on Monday. Also held at that time will be the children's service and a service of lights.

At the First United Methodist church on Park St., a family Christmas Eve service will be held Monday evening at 7.

Chelsea Baptist church is planning to celebrate the holiday on Sunday, Dec. 23, with a children's Christmas program at 8 p.m.

A candlelight caroling service will open services at Our Savior Lutheran church on Main St., Monday evening at 7:30 p.m. Then, on Christmas morning, a festival service will be held at 10 a.m. The church will also celebrate a solemn service with Holy Communion on New Year's Eve, Monday Dec. 31.

The congregation at North Lake United Methodist church on North Territorial Rd. will hold their Christmas eve candlelight service at 7 p.m. Monday. Incorporated into the service this year is a cantata, "The Story of Christmas."

St. Mary's Catholic church on Old US-12 will celebrate two Christmas masses on Monday evening, at 6 p.m. and midnight. Each mass will be preceded by a 15-minute program of carols. Christmas Day masses will be offered at 8 and 10 a.m. and 12 noon. On New Year's Eve, the eve of the feast of the Holy Family, a mass sung by the choir will be offered at 6 p.m. Masses on New Year's Day, Jan. 1, will be at 8 and 10 a.m. and 12 noon.

At St. John's Evangelical church, Rogers Corners, a children's program and candlelight service will be held Monday, Dec. 24, 8 p.m.

Immanuel Bible church on Summit St. will begin seasonal celebration Sunday, Dec. 23, at 6 p.m. with a Sunday school Christmas program. A Christmas service will be offered Monday at 7 p.m. Also, on New Year's Eve a communion service will be held at 7:30 p.m.

"A Night To Remember," Christmas worship at the Chelsea United Methodist Retirement Home Chapel, will be offered at 8:45 a.m. Sunday, Dec. 23. On Christmas Eve at 6 p.m., a program of carols, meditation and scripture reading will be held in the chapel.

A children's pageant will be presented at St. Barnabas Episcopal church on Sunday, Dec. 23. A Christmas Eve mass will be said at 8:30 p.m. Monday, and the mass of Christmas will be celebrated Christmas morning at 10 a.m.

Dexter's Faith Evangelical Lutheran church will celebrate a Christmas Eve service Monday at 7:30 p.m. On Christmas morning, the choir will present a Christmas song service at 10 a.m.

Sunday, Dec. 23, at 8 p.m. St. Thomas Evangelical Lutheran church at Ellsworth and Haab Rds. will offer a Sunday school pageant. Christmas morning worship for the congregation will be held Tuesday at 10 a.m.

Zion Lutheran church, Rogers Corners, opens its varied Christmas celebration Sunday, Dec. 23 with an Advent play, "The Ornament," presented by the 8th grade Sunday school class at worship. On Christmas Eve at 7:30 p.m., Sunday school classes will present "Gifts for Jesus, Our Savior" at the family service.

Children and adults are to bring canned goods to this service, to be shared with families in the community who are in need.

Also on Christmas Eve, at 11 p.m., Zion Lutheran will celebrate a Candlelight Holy Communion service. The Joy Makers will sing Christmas morning at 9:30 a.m. at "Festival Worship of the Newborn King, Jesus." New Year's Eve worship at Zion will begin at 7 p.m. Monday, Dec. 31.

Vacation Schedule Set for Swim Pool

Christmas season schedule at the Charles S. Cameron Pool has been set.

The pool will be open from 12 noon to 2 p.m. on Wednesday, Thursday and Friday, Dec. 26-28, for recreational swimming.

After the first of the year, normal scheduling will resume.

Howdy Holmes Named 'Personality of Year'

Howdy Holmes, Chelsea's own professional race car driver, has been named "Auto Racing Personality of the Year" by the Michigan Automobile Racing Fan Club.

Holmes, son of Chelsea Milling owner Howard Holmes, finished seventh in this year's Indianapolis 500 race, the only rookie in the field.

The 29-year-old Holmes joins such illustrious former winners of the award as Gordon Johncock, Roger Penske, Pat Patrick and Ozzie Olson.

Club President Bill Stone of Roseville said the award is given each year to the Michigan resident who has contributed to auto racing locally and nationally. He said that Holmes' "outstanding performance" in the 1979 racing season earned him this year's award.

Holmes will receive his award at a dinner dance in Warren on Jan. 12.

A graduate of Ann Arbor High school and Eastern Michigan University, Holmes has been racing since age 18 and has been a

consistent winner both in Europe and Mexico.

He achieved a speed of 185 mph in the Indy time trials and won a place in the fifth row. His seventh-place finish won him the track's "Rookie of the Year" award.

Howdy owns and operates his own marketing, sales and promotion company, Creative Motorsports Inc.

Biddy Basketball Program Needs Adult Coaches

Chelsea's Recreation Department is seriously in need of coaches for Biddy Basketball programs, which begin Jan. 21.

Eight teams for boys and girls are already formed and will be playing both at the high school and Beach, so the need for coaches is urgent.

Anyone interested in volunteering his or her time should call the Recreation Council office at 475-9830.

Basketball Program Is Changed

It's biddy basketball season once again in Chelsea.

For those future Bulldogs, Chelsea Recreation Department will be again offering basketball action for boys and girls between the ages of 7 and 12. Cut off date for birthdays is Dec. 1. Fee this year is \$5.50.

Under a new format this year, there will be a separate registration day for biddy basketballers on Saturday, Jan. 19 in the high school gymnasium.

Times for the registration are 9 to 10 a.m. for 7 and 8 year olds, 10:30 to 11:30 a.m. for 9 and 10 year olds, and 12 noon to 1 p.m. for 11 and 12 year olds. Children must be accompanied by a parent when registering.

It is important that children be present on registration day, since only 10 additional children per age group will be allowed to sign up after Jan. 19. On that day, teams will be chosen and team tee-shirts given out.

Without coaches, however, there is no program. Anyone in-

Cagers Defeat S. Lyon, Milan

A quick-paced Bulldog defense combined with excellent performances from the bench gave Chelsea's varsity cagers a satisfying 80-42 victory Saturday night over South Lyon.

The confident team came right back Tuesday night, featuring four players in double digit scoring, to down undefeated Milan, 65-57.

According to Coach Robin Raymond, in the first game the Bulldogs displayed a masterful defense, limiting South Lyon to only 39 shots. "We forced them to shoot from outside and kept them out of the key," said Raymond. "They were more concerned with passing the ball around than shooting because of our good defense."

Shouts from the elated crowd at the Saturday night contest could be heard in Chelsea High's auditorium, where a performance of "A Christmas Carol" was being presented.

Back in the gym, Chelsea was

playing Scrooge to the Lions, limiting them to only a 33 percent shooting average, or 13 shots of 39 attempts. Chelsea dropped in 31 shots in 75 attempts for a 41 percent average.

The Bulldogs jumped off to a good lead in the first quarter, 21-11, paced by John Dunn's eight points, and four points each by Jeff Dils and Karl Albrecht.

Chelsea scored twice as many points as the Lions in the second quarter, and at the half held a 39-20 edge. Don Schrottenboer, Albrecht and Dils each accounted for four points.

Then, after the half, Coach Raymond went to the bench, and the reservists didn't let him down. Jon Riemenschneider and Sean Peterson each scored four points in Chelsea's 15-point third quarter to lead the Bulldogs into the final period, where they stomped the Lions into the boards, 28-11.

That period was highlighted by 11 Jon Riemenschneider points, and five each by Chris Tobin and Sean Peterson.

The Bulldogs also dominated the rebounding in the contest, grabbing 67 to South Lyon's 33. Schrottenboer led with 15, followed by Albrecht with 14, Riemenschneider with eight and Dils with eight.

Chelsea's 16 turnovers were their lowest mark this season. South Lyon committed 28 turnovers.

Raymond pointed to the "excellent balance in the scoring" as the key to Chelsea's offense. Five players scored in double digits: Riemenschneider with 19, Peterson with 11, Albrecht 10, Dils 13 and Dunn 10. Of those five, Riemenschneider, Peterson and Albrecht are reservists who came off the bench to give impetus to the Chelsea cause.

Raymond had reservations about his offense, however, in spite of the massive margin of victory the Bulldogs piled up. "We should have been closer to 60 percent in shooting," Raymond insisted, "and we should have had more points. We were inside all night and good opportunities."

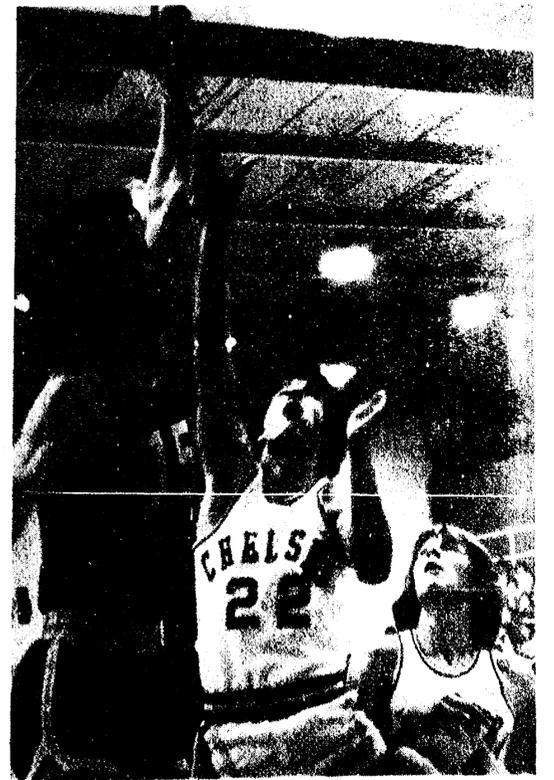

It was a different story in the Milan contest, as the Bulldogs made the best of their offensive strength and managed the eight-point victory over the Big Reds.

Before the Chelsea contest, Milan was undefeated, boasting winning margins of 28, 27 and 34 (Continued on page seven)

HOWDY HOLMES, second from right, spoke to the local Kiwanis about his experience as a driver in last year's Indianapolis 500 race, in which he finished seventh. Attending to hear Holmes were, left to right, Mr. and Mrs. Horace Robinson, Howdy's father

Howard Holmes, and his uncle, Dudley Holmes. Howdy has built an enviable international reputation in auto racing around the world in the last four years. He is now preparing for the 1980 Indy 500.

JEFF DILS goes one-on-one with a South Lyon player as Don Schrottenboer watches anxiously at right. Dils finished the game with 13 points and eight rebounds, second only to Jon Riemenschneider in points. Chelsea blew South Lyon off the court, 80-42.

Legislature Reads Will of People With Few New Laws

The legislature is putting the finishing touches on the first year of the current two-year session, but compared with previous years, little has been finalized.

However, this is not the fault of the legislature itself, but little has been done by design as the people of the state are saying less government and regulation.

A hectic final week will produce a flurry of legislation prior to the holiday recess, but without that the number of new public acts will be a total of around 200 this year compared to over 600 two years ago.

After the last election when voters put the brakes on government with adoption of the Headlee tax limitation constitutional amendment, members of the legislature got a definite reading the people wanted less government and less forced spending.

A major part of the constitu-

tional amendment required the state to pick up the cost of any new program mandated by the state to be carried out on the local level.

This has made the legislature take a good hard look at any new or expanded programs without knowing exactly how they would be funded.

The rap on past legislatures was that they would rubber stamp any program mandating local units of government to perform certain services without ever giving any thought to how the local units would pay for the added responsibilities.

The legislature is being very cautious as there was a second message in last year's election in a narrow defeat of the drastic property tax cut.

Members feel they are being tested under the less radical tax limitation amendment and if they put the brakes on government, that amendment will prevail and there may not be any need to get

the tax cut proposal back on the ballot.

Many of the new public acts approved this year have been housekeeping items to implement the approved constitutional amendments and make corrections in acts passed in the previous session.

A large number also were corrections in the 1978 open meetings act after an attorney general's opinion said each department or agency must be covered individually and not included under the single act.

Another 20 or so bills are the regular annual budget bills the legislature must approve to continue state services to the people.

So, once these measures are subtracted from the list of public acts for 1978, it becomes evident the legislature is reading the people of wanting less government, a clear message sent to Lansing in the last general election.

Item Pricing To Continue

The legislature did eliminate the sunset (expiration) date on an act requiring item pricing of most consumer items in retail establishments.

The original act was approved to require item pricing so consumers can do some comparative shopping; however, retailers say the act makes the prices more expensive as they are not able to use computer scanners at checkouts and are required to hire additional employees to mark store items individually.

The law was scheduled to expire in January of 1981 but the legislature decided to take action on the expiration date almost a year early to assure consumers they would still have item prices available to them and put store owners on notice their systems will still have to include it.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

To understand Bug Hookum's concern, you got to understand he is the type of feller that can accept what he can't change, and he can accept what he can change just as easy. Bug takes the world as it comes, and he leaves it pretty much alone onct it gits here. His report Saturday night at the country store on the age and size of the universe is Bug's kind of crisis. He told the fellers that figgers on both may be off nine billion.

Bug had saw where astronomers in Massachusetts and Arizona claim the way scientists measure distances in space is wrong. The report said if their findings hold up they will show that the universe is only half as big as we thought. Since the universe is expanding and age is measured by size, this means it is only half as old. Where scientists have been saying the universe is 18 billion years old, it might be only nine billion years old and nine billion light years big. Bug said this don't seem to be to urgent until you realize that after the universe gits through expanding it's going to start shrinking until it disappears, so it may not be around but half as long as we had thought.

General speaking, the fellers didn't even bother to take any salt with Bug's report. But Bug allowed that expecting the world to be here at least another 18 billion years, and to find out it's only going to last half that long gives pause for thought. Supposing, Bug declared, that these latest figgers are cut in half, and the next are cut in half, and the next and the next. You pick up the paper one morning and find all of a sudden that time is up. Ever day somebody somewhere says the world is coming to an end tomorrow, Bug went on, and what we got to come to grips with is that one day somebody will be right.

Ed Doolittle was the first to file that report under problems we can't do much about. Ed said we got to come down to earth and deal with situations like Woodhull Hospital in Brooklyn. From what he can find out, Ed said, this 650-bed, \$20 million mistake is the champion boondoggle of the last 18 or nine billion years.

whichever figger you like. The 12-story hospital was built, furnished and equipped more than a year ago, and it has never opened for business, Ed said, and chances are it never will. It is to big and to expensive to use, according to a study by a panel named by the mayor New York City. It would cost patients at least \$450 a day, and it would take 400 doctors and thousands of nurses to cover all the rooms along the 700-foot halls in the giant building in one of the most rundown sections of the city.

Instead of wondering where we're going to be nine billion years down the pike, Ed said, we ought to be trying to understand how such a thing as a hospital that cost \$220 million to build and \$20 million a year not to run could happen in a world that supposed to support intelligent life. The best ideas so far on what to do with Woodhull, Ed said, come from a hospital administrator that said it would be best if it just disappeared, and from a doctor who suggested putting nurses on roller skates if they ever got around to using them halls.

Yours truly,
Uncle Lew.

Spaulding-Uphaus Vows Exchanged

Shawn Marie Spaulding, daughter of Mr. and Mrs. Rolland Spaulding, 14210 Eisenbeiser Rd., became the bride of Lawrence V. Uphaus, son of Mrs. and Mrs. Samuel Uphaus, 7026 Joy Rd., Dexter, at St. Mary's Catholic church, Chelsea, Saturday, Dec. 15, with family and close friends in attendance.

The Rev. Fr. Phillip Dupuis officiated at the ceremony and music was provided by Jeff Grohs, a friend of the couple.

For the ceremony, the bride was attired in a cream white silk gown with an empire waist. She wore a flower arrangement in her hair that matched the colonial bouquet she carried.

Maid of honor was Lynne Roskowsky of Chelsea, a friend of the bride. She wore a long pink dress and carried a colonial bouquet to match.

Best man was a friend of the bridegroom, John Kerr of Dexter.

Following the service, a small reception was held at the home of the bride's parents at North Lake.

The couple will be at home at 734 Pigeon River Rd., Afton.

Christmas Parties Held Everywhere

Parties and celebrations of Christmas are going on everywhere this week, and Chelsea schools are no exception.

Last Tuesday at South school, children in all grades held programs with a holiday theme. Songs, skits and plays were done by each class at a different time during the day in the school lunch room.

Today, Dec. 20, at North school, Christmas musical programs will be presented by all grades.

Parents are invited to attend the song fests, which begin at 9:15 a.m. with the fifth graders, and continue through the day with the fourth graders at 9:30, third grade at 9:45, second grade at 1:30 p.m. and the first grade at 1:45.

Friday at North, an all-school sing will be presented, at which

each class will present their programs for the rest of the school. Parents are also invited to attend this presentation, which begins at 1:15 p.m.

Various classes at North will also hold Christmas parties with goodies and gift exchanges on Thursday and Friday afternoons.

At Beach Middle school, students will participate in an all-school concert Friday afternoon. Sixth graders will have parties in their rooms, while the seventh and eighth graders will celebrate with a party in the school cafeteria.

Senior Citizen Center Closing For Holidays

Senior citizens will have to do without some of their regular activities for about a week, as Chelsea's Senior Citizen Center on W. Middle St. will be closed from Monday, Dec. 24 through Tuesday, Jan. 2.

Before the week-long closing, however, seniors have a chance to usher in the holidays in style, as the center presents a "Christmas Surprises" pot-luck Friday afternoon, Dec. 21, beginning at 6 p.m.

All are invited to take part in the celebration by bringing a dish to pass to the center. Dining will be followed by cards, games and, of course, the above promised surprises.

Burning the Yule Log

The burning of the Yule log is a custom handed down by the English who settled in America. On Christmas eve the log, set on the hearth, is kindled with the remains of the log from the previous year. Many superstitions surround the Yule log. It was thought by some to protect their home from

evil spirits, others thought the ashes would help swollen glands! At Williamsburg Lodge, in Williamsburg, Virginia, the burning of the Yule log is still part of their traditional holiday celebration.

Choral Concert Set For Tonight

Voices will blend and soar with some of the season's best loved music Thursday night in the Chelsea High school auditorium, as the Choral Department under the direction of Tamara Barbret presents "Christmas Memories" at 7:30 p.m.

Performing will be the Beach Middle school choir, the Christmas Medley Singers, Chelsea High school concert choir and The Contemporaires. Each group will offer its own selections in the concert. Songs range from traditional Christmas Carols to new tunes entitled "Christmas in a Small Town," "Simple Holiday Joys," and "Winter Time A'Glow."

As an added attraction, all 150 voices will combine to present a number of songs.

The public is invited to attend. No admission will be charged.

Jal Turquoise Holds Grand Opening Event

Jal Indian Arts hosted a successful Grand Opening of their retail showroom for American Indian Handcrafted Jewelry and Arts at their 929 S. Main St. location this past week-end. The retail outlet was established to provide a permanent showroom for the award winning Jal Turquoise Shows jewelry collection that has garnered acclaim throughout the midwest. The opening of Jal Indian Arts has also allowed Jeanne and Lew Lehman the opportunity to fulfill the dream of adding American Indian Handcrafted pottery, rugs, sand paintings and kachina dolls to the Jal collection.

Winners of the door prizes during the event are as follows: Bertha White, Chelsea, turquoise necklace; Ann Hurst, Adrian, pottery; Jamie Sexton, Pinkney, sand painting; and Karen Lindow, Chelsea, cactus.

Sheriff Begins Crackdown on Teen Drinking

Washtenaw County Sheriff Thomas R. Minick has announced plans to increase efforts to apprehend juveniles in possession of alcoholic beverages as a result of numerous complaints and an alarming profile of adolescent drivers being involved in motor vehicle accidents on county roadways.

Increased selective traffic road patrols to identify drunk drivers and more aggressive investigative "spot-checking" of alcoholic beverage retailers, in conjunction with the Michigan Liquor Control Commission, are intended to reduce the serious threat posed by the intoxicated motorist.

sentenced for speeding to pay \$75 fines and costs or serve six days.

Sheriff Minick also noted that his agency will definitely seek criminal prosecution of all liquor law violators providing alcoholic beverages to under-age persons.

Sherriff Minick called upon the public to assist in the liquor law violations crackdown. "We are asking parents, teachers and liquor store and bar owners to be extra vigilant in their efforts to prevent minors from obtaining alcoholic beverages; the disquieting number of personal injury accidents on our county roads and the high-number of calls for law enforcement assistance to deal with inebriated teenagers is not just a 'law enforcement problem'—it is a community problem. To be successful in this effort, it will take the willing and ready assistance of the entire community."

National Honor Society Hears Talk on Leadership

Members of Chelsea High school's chapter of the National Honor Society joined together with members of the Saline High school group for lunch at Weber's Inn in Ann Arbor recently.

Speaker for the luncheon was Alfred Specht, Hoover Universal corporate counsel, who addressed the group on leadership. Advisors for the Chelsea chapter are Mrs. Holms and Mrs. Kutschinski.

JV Cagers Win First for Season

The victory which had seemed so elusive this season finally came to the Chelsea JV cagers, as they squeaked by Milan in overtime Tuesday night, 53-52.

All of Chelsea's losses this season have been squeakers, and this victory was no exception. According to Coach Jon Schaffner, Chelsea "played about as bad a quarter of basketball as you'll ever see a team play" in the opening period, as the Big Reds outscored them, 13-5.

Coming back strong in the next quarter, however, the Bulldogs turned the tables on Milan, scoring 13 points to the opposition's two, and taking an 18-15 half-time lead.

Chelsea held a five-point advantage going into the final minutes of the contest, but a number of key turnovers allowed Milan to make up the difference and send the game into overtime.

Chelsea scored five points right off the bat in the extra period, and managed to hold on to outscore Milan, 8-7, and take the one-point victory.

Standouts in the contest were Todd Sprague with 14 points, Toby Boyd with 12 points and John Welton and Darrin Pierson with eight each. Darryl Keezer had six points, Gary Van Meer, 2; Bob Trevino, 2; and Mike Bareis, 1.

Keezer led in rebounding with 15, followed by Boyd and Sprague with 10 each. In overtime, scoring was done by John Welton with four points, Bob Trevino with two and Toby Boyd with two.

Saturday night, the team fell in a close contest with South Lyon at home, 47-44.

Leading scorers in that contest for Chelsea were Sprague, 13; Keezer, 7; Boyd, 6; Pierson, 4; Jeff Lantis, 4; Mike Bareis, 4; Dave Stevens, 2; Jeff Shaw, 2; and John Welton, 2.

According to Coach Schaffner, it was South Lyon's rebounding that killed the Bulldog's chances in the contest, as the Lions grabbed 39 to Chelsea's 28.

The JV Bulldogs are now 1-3 over-all and 1-1 in league play. Undefeated Saline is the SEC leader.

Play will resume for the JV cagers after the Christmas holidays.

"I am a lawyer, self employed. My KEOGH retirement plan at Great Lakes Federal will provide \$225,899 when I retire in 15 years."

If you deposited \$7,500 each year to a KEOGH PLAN earning 8% annual interest, compounded monthly, you would have:

No. of Years	Taxable Account	KEOGH Account
5	\$ 21,191	\$ 47,947
10	47,108	119,404
15	78,804	225,899
20	117,589	384,611
25	164,977	621,145
30	222,957	973,658

*Taxable account assumes 50% bracket, \$3,750 deposit, 4% interest.

Federal regulations require a substantial interest penalty for early withdrawal. The name and profession of the person in this ad is fictitious and solely an example of the benefits of a retirement account at Great Lakes Federal Savings.

Because Ms. Carver wanted to keep as much of her income as possible, while planning for her retirement years, she opened a KEOGH tax deferred retirement account. She found that she could contribute 15% of her income, up to a maximum of \$7,500 each year and deduct this amount from her taxable income.

She will have accumulated \$225,899 in her KEOGH account when she retires in 15 years. Because she qualifies for the maximum contribution, she will have reduced her taxable income each year by \$7,500. In an account or investment that was being reduced by taxes, she would only have \$78,804.

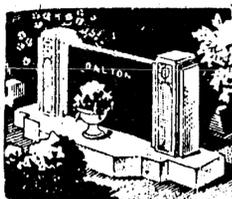

If you are self-employed you too can deposit up to 15% of your income, maximum \$7,500 in a tax deferred KEOGH retirement account. This amount can be deducted from your current taxable income and you do not pay taxes on it until you start making withdrawals after age 59½ at which time you will probably be in a lower tax bracket.

Your KEOGH account can earn the high interest rate of 8% per annum. Interest is compounded monthly and paid quarterly for an effective annual rate of 8.30%. At this rate your money doubles in approximately 8 years and 8 months. Minimum term 36 months.

BLOOD FLOWED FREELY Saturday at St. Mary's school, but it was all for a good cause as 91 Chelseaites donated a pint each to the American Red Cross. Donating his share was

Norm O'Connor, attended by Doreen Dzumaryk, R.N., left, of Dearborn Heights, and volunteer Toni Wilson, R.N. The drive was sponsored by Chelsea Jaycees.

Blood Bank Clinic Yields 91 Pints

Ninety-one Chelseaites turned out in beautiful weather Saturday to donate their blood in the Chelsea Jaycees annual Red Cross blood drive.

According to Wendell Wagner, drive chairman, the figure matches exactly the 91 pints given in last year's drive.

Blood donated by Chelseaites to the American Red Cross is distributed on the basis of need in southeastern Michigan.

All family donor plans have been replaced by a concept known as "community coverage" by which everyone who needs blood gets it regardless of membership in a "plan" or past donor history.

According to the Red Cross, "the concept removes the burden of replacing blood from the user or his or her family to the community at large." All other donor plans have been discontinued in this region, which includes Wayne, Oakland, Macomb, Washtenaw and St. Clair counties.

Therefore, Chelseaites who donated can rest assured that their blood will be used where it is most needed, and even those who did not give blood are assured of receiving it when necessary.

Thieves Top Valuable Spruce Trees

It seems that Chelsea has its very own Grinch this year, bent on taking what gives other people pleasure, in true Grinch fashion. Amidst the scenes of happy Christmas celebration in the village, one meanie with a "heart three sizes too small" has spoiled the holiday for the folks at Weber Homes.

It seems that some person or persons were tantalized by two 15' tall blue spruce trees growing on the property of one of Weber's new homes on Liebeck Rd. So tantalizing were the trees that one evening this week, the local Scrooges lopped about seven feet off the top of each tree—just the right size for a living room.

"It's just sick," said Sheri Roberts of Weber Homes. "It is theft. It's just as bad as stealing a refrigerator right out of a kitchen."

Roberts is hoping that for these thieves crime won't pay.

"To me, I'd love to have somebody read about this and say, 'Hey, our neighbor has a blue spruce like that in his living room.' I hope somebody turns the culprit in."

Roberts doubts that the people responsible actually needed the trees. "It was pure, 'I'm gonna do this because I think it's funny' or something like that. They didn't do it because they needed the trees."

In this season of good wishes and contentment, Roberts hopes the tree-thieves feel uneasy about the ill-gotten goods in their homes.

"I'd like to make them feel real bad," she vowed.

Cantata Slated Sunday at Free Methodist Church

The 20-voice choir of the Chelsea Free Methodist church will present the cantata "A Night of Miracles" by John W. Peterson at a candlelight service Sunday, Dec. 23 at 5 p.m. at St. Barnabas Episcopal church, Old US-12.

Under the direction of Dave Morrow, the choir will perform several choral selections interspersed with solos by Jerry Waldyke, Daniel Dent, Beverly Slater, Moniece Baird and Jan Pratt. Narrator for the cantata is John Rinn.

The public is invited to attend.

Christmas Vacation Starts Friday for Chelsea Students

Friday, Dec. 21 will be the last day of school for Chelsea students before Christmas vacation begins. Classes resume on Wednesday morning, Jan. 2.

LOCAL RESIDENT DAVID STOLL is checked out by Patricia Harris, R.N., as to his qualifications before he donates a pint of blood to the Red Cross at the Chelsea Jaycees annual

blood drive last Saturday. Ninety-one pints were collected for distribution throughout southeastern Michigan.

Varsity Cagers Defeat Milan

(Continued from page one)

points over their opposition. The Bulldogs changed all that with their fast-break offense.

Milan led after the first period, 12-8, but Chelsea came back with 21 points in the second quarter to take a half-time lead. To cap the half, giving the Bulldogs great second half momentum, was a 50-foot shot made at the buzzer by Jeff Dils from over half-court. Coach Robin Raymond points to this remarkable shot as a shot in the arm for the Bulldogs for the rest of the contest.

The two teams played evenly in the second half and with just a minute left in the contest, Chelsea had only a four-point lead. Neither team was making very many mistakes, so the victory came down to a key 6-foot jump shot by Karl Albrecht which "deflated their balloon," and enabled Chelsea to go on to an eight-point victory.

According to Coach Robin Raymond, Chelsea's power is evident from three key statistics. Chelsea made 26 shots in 62 attempts for 42 percent while Milan tossed in 24 in 58 attempts for 41 percent. Chelsea had a 68 percent free-throw average compared to the Big Reds' 64 percent, and the Bulldogs out-rebounded their competition, 33-21.

Raymond points out that while Chelsea is on top in each case, the numbers are fairly close, indicating a good spectator game, highlighted with excellent play from both squads.

Top scorers for Chelsea were Dils with 20, Schrotenboer with 18, Albrecht with 10, Dunn with 10 and Mike Killelea with seven.

Over-all the Bulldogs are now 3-1 and 2-0 in league play, tying them with Saline for first place in the SEC.

Play will resume for the Bulldogs after Christmas vacation.

WHITE HOUSE CHRISTMAS TREE

In 1923, the first National Community Christmas Tree in the United States was set up on the White House lawn. The tree was a spruce from President Calvin Coolidge's home state, Vermont. The following year, he presided at a ceremony under the sponsorship of the American Forestry Association, to urge the use of living Christmas trees.

Ecology Center Offers Holiday Gift Suggestions

If you're interested in giving Christmas gifts which provide personal enjoyment and help efforts to protect the environment at the same time, the Ecology Center of Ann Arbor has gift suggestions for you. The two guidebooks distributed by the Ecology Center, "Footloose in Washtenaw" and "Ann Arbor and the Huron River Valley: Take a Closer Look," offer useful information to anyone interested in the natural and historic environments of Ann Arbor and Washtenaw county.

"Footloose in Washtenaw," which retails for \$3, describes 23 loop walks and hikes in both urban and rural settings, from the 17-mile Potawatomi Trail in the Pinckney State Recreation Area to an historic tour of Ann Arbor's

Old West Side neighborhood. Many of the rural walks double as excellent cross-country ski routes during the winter season.

The "Huron River Valley" guide, which retails for \$1.25, describes the relationship between the Huron River and the Ann Arbor community from the 1820's until the present. Features of the urban ecosystem are highlighted along the bicycle-walking path which extends through the Huron River Valley from Argo to Gallup Park.

Purchases of either guidebook provide income for the Ecology Center, a non-profit environmental education and advocacy organization active in Washtenaw county for nearly a decade. The varied programs of the Ecology Center, such as a

community recycling program, 1,000 volume environmental library, environmental film series and diverse work on local, state and national environmental issues, depend upon income from sources such as the sale of guidebooks and greeting cards.

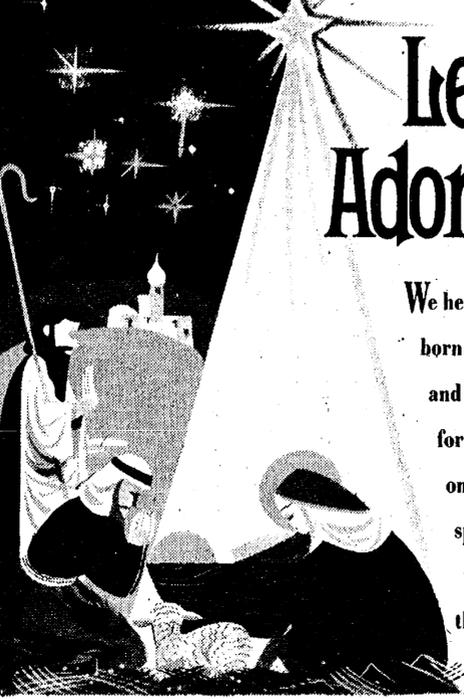

Either guidebook may be purchased at most Ann Arbor bookstores, and at the Ecology Center at 417 Detroit St., across from Kerrytown and the Farmers Market.

DAVID MORRIS

TRACY CATTELL

CHS Students Of the Month

Chelsea High school students of the month for December are Tracy Cattell and David Morris.

Tracy is involved in many school activities, including school musicals and the singing group "The Contemporaries." She is a member of the National Honor Society and is treasurer of the senior class. Her parents are Lynda and Jack Cattell.

Dave is also extremely active in school. In football, he made second-string All-Conference and as a member of the forensics team went to regional competi-

tion. He also is in the symphony band, pep band and the National Honor Society. Dave is the son of the Rev. and Mrs. John R. Morris of Fletcher Rd.

Robert Louis Stevenson (1850-1894), author of "Treasure Island" and "Kidnapped," was born on November 13 but "gave" his birthday to a girl born on Christmas Day. Stevenson made a gift of his birthdate to a child named Annie H. Ide, to let her have "two joyous celebrations a year, with a proper birthday and a Merry Christmas."

'Christmas Carol' Rated 'Excellent'

A long, loud standing ovation was the reward for Chelsea High school's drama class Saturday night, as an appreciative packed house lauded the group's produc-

tion of Charles Dickens' "A Christmas Carol."

Audience members' applause finally drowned out the noises of the nearby basketball game which had bedeviled playgoers since the curtain rose on the office of Ebenezer Scrooge in 19th century London.

Performances by the well-rehearsed cast were expertly matched by some startling effects by the special effects crew of Gina VanRiper, Michal Benedict, Mark Poske and Jackie Stepp.

The most satisfying apparition of the evening was undoubtedly Jacob Marley. In the tall lean person of Adon Staebler, Marley's ghost wafted onstage in filmy garments, highlighted with billowing smoke and an eerie blue spotlight.

The trio of ghosts that followed Marley, portrayed by Michal Benedict, Mike Ward and Gina VanRiper, were all satisfyingly other-worldly, bringing Brian Kruger's Scrooge to an understandable reformation.

Scene changes were expertly bridged with street carolers in Victorian garb who rendered the Christmas songs that Scrooge hated so much.

In fact, the only serious mistake made by the class in the entire production was in selling wrapped candy at intermission. Inconsiderate munchers nearly drowned out the second act dialogue with the crinkling of wrappers in the auditorium.

Nothing, however, could drown the glee of the audience as it lauded the group's contribution to Christmas cheer in Chelsea.

DON SCHROTTENBOER looks to be head and shoulders above everyone else on the court as he goes up for a shot in last Saturday night's crushing defeat of South Lyon, 80-42. Schrottenboer managed 15 rebounds to lead the Bulldogs in that department against the Lions.

**Frosh Cagers Lose
In Overtime Contest**

Chelsea's freshman basketball team dropped its first contest of the season Thursday night, Dec. 13, to Jackson County Western, 59-58, in overtime. Chelsea led at the end of the third quarter, 41-28, but was outscored by Western 28-15 in the final period to send the contest into overtime. In that period, Western managed three points to Chelsea's two to take the league contest by a one-point margin.

**Pathologist

Convention**

Kathleen Anderson, Director of Speech Pathology at Chelsea Community Hospital, attended the 54th annual convention of the American Speech-Language-Hearing Association (ASHA), held Nov. 18-19 in Atlanta, Ga. Topics covered for the 10,000 participants included the effects of noise on hearing, relationships between language and learning, new treatments for stuttering, and the effects of federal legislation to provide a free and appropriate education for all handicapped children. Participants also heard association President Norma Rees discuss the problems facing speech, language and hearing professionals in the 1980's.

Here's a winter tip from the Michigan Heart Association. Skiing, snowmobiling and skating can be a lot of fun—and they can also put a strain on your heart. If you're going to participate in winter sports, build up your activity level gradually. Remember to dress warmly, rest when you need to and never smoke when you're outside in cold weather. Michigan, we want you to enjoy your beautiful winter—safely. We're the Michigan Heart Association and we're fighting for your life.

Hot tips for entertaining

For a holiday buffet, you'll want a way to keep your hot dishes just that way. Electric hot trays are the number one choice because they are usually made to keep foods warm, without drying them up. Small electric cooking appliances are great too. You can cook a dish in one and when ready to set out on the

table, you can turn the setting down to "warm." It will hold at serving temperature nicely that way. There are many attractive tabletop warmers that use canned fuels... alcohol burners, butane gas burner or candles. Be sure to read the instructions carefully, as a safety precaution.

Swimmers of the Week

STATE MEET QUALIFIERS: Five Chelsea swimmers recorded times good enough for state meet qualification in their very first outing last week against Albion. Left to right, they are David Mason, Phil Hoffman, Tom Gaunt, Mike Mason and Dave Nicola. Hoffman set school records in the 100 free, 200 free and 400 freestyle

relay. Gaunt, Nicola, Dave Mason and Mike Mason broke school records in the 200 medley relay. Gaunt also qualified in the 100 backstroke. Nicola broke the school and freshman record in the 100-yard breaststroke and was on the school-record 400 free relay team with Mason, Hoffman and Scott Prohaska.

Five Qualify for State Swim Meet

A convincing 113-50 win over Albion opened the current season for Chelsea's boys swim team last Thursday, Dec. 13. In its first outing, the team qualified five swimmers for the state meet and broke three varsity records, one freshman record and 22 personal best times.

State qualifying performances were turned in by Tom Gaunt, Dave Nicola, Dave Mason and Mike Mason in the medley relay with a varsity record time of 1:48.3. Gaunt also qualified in the 100-yard backstroke with a time of 1:01.2.

Phil Hoffman qualified in the 200-yard freestyle with a varsity record 1:52.9. Varsity and freshman records were set by Dave Nicola in the 100-yard breaststroke at 1:08.7.

Other winners for Chelsea were Gaunt in the IM, 2:11.1; Mike Mason, 50 free, :24.5, and 100 free, :55.1; Craig Wirtz, diving, 202.55; Dave Mason, 100 butterfly, :58.8; and Hoffman, Scott Prohaska, Paul Schumann and Sean Oxner in the free relay, 3:52.6.

Personal best times were turned in by Shawn Pierson, Kirk Hawks, Steve Wolak, Kent Noll and Andy Weir.

Chelsea managed firsts in all events except the 500 free, where they captured second, third and fourth.

Saturday, Dec. 16, the Bulldogs swam in the Eastern Michigan Relays, finishing fourth in a seven-team field.

Milan took the meet with 136 points, followed by Dearborn High school with 133, Wayne Memorial 119, and Chelsea 113. Following Chelsea were Portage Northern, Willow Run and Southfield.

Chelsea took two of the ten relays and placed in all but one. The 400 individual medley relay of Dave Nicola, Dave Mason, Phil Hoffman and Tom Gaunt won with a time of 4:04.0. The 1500 free relay team of Hoffman, Scott Prohaska and Gaunt also took a first place, with a time of 15:55.1.

Finishing second were Gaunt, Dave Mason, Mike Mason and Shawn Pierson in the 200-yard medley relay.

Third place finishers in the relays were Prohaska, Dave Mason, Kirk Hawks and Nicola in the 200-yard butterfly relay. Also finishing third were Hoffman, Nicola, Prohaska and Mike Mason in a school record 3:33.0 for the 400-yard freestyle relay. Hoffman's 51.9 100 free relay split

was a school record, pool record and state qualifying time.

Finishing fourth for Chelsea were Mike Mason, Craig Wirtz, Pierson and Andy Weir in the 200 freestyle relay; and Sean Oxner, Kent Noll, Paul Schumann and Hawks in the 200-yard backstroke relay.

In fifth place was the 800-yard freestyle relay team of Weir, Wirtz, Schuman and Oxner. Wirtz, Oxner, Hawks and Pierson combined for a fifth in the 200-yard breaststroke relay.

After a meet this week with Lincoln, Chelsea will take a break until after the Christmas holiday.

OLD-FASHIONED FUN is almost always guaranteed by a sleigh ride, and these ponies didn't disappoint Sunday afternoon as they pulled this happy group from the Spaulding for Children adoption agency Christmas party. Don Irwin, right, made the sleigh and Jim Deaton drove his ponies for the delight of these adopted children who returned to the area for Spaulding's annual party.

May the true spirit of an old fashioned Christmas light your way in peace and good will, and may all the happiness and pleasure you bring to those you love, be reflected in the warmth and joy of your holidays.

The Blessings of Christmas

May your hearts be filled
with the peace and joy of that holy night,
so long ago.... when once, for a shining hour
Heaven touched Earth and hope was born anew!
May His blessings surround you now and always.

Nutrition plays a vital role in pregnancy, reports the March of Dimes. One main reason why many babies are born too soon or too small is because their mothers eat poorly or unwisely while pregnant.

SELLING AT A LOSS

Nobody likes to sell their home at a loss, and it is not common nowadays when this happens. But, if this is your case, for whatever reason, here is some advice that might save you a lot of dollars.

Unfortunately, the loss sustained on a house sale ordinarily is not tax deductible. And the loss cannot be subtracted from the profit made on another house you owned and sold prior to the one you must sell at a loss.

However, the loss is tax deductible if the house is sold as a business investment. Therefore, if you anticipate that you must sell at a loss, you might consider renting the house instead of selling it. Rent it in good faith for at least twelve months and later sell it at a loss and the loss can be deducted on your income tax return. It is treated like a loss from the sale of any other business property. While you rent the house, you can also benefit from other real estate tax benefits such as depreciation.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

MERRY CHRISTMAS

Santa and we predict your holiday will be one grand round of merriment and glee! Thanks all.

Typewriter Turns 150

That wonderful old work horse, the typewriter, turned 150 years old on July 23. On that date in 1829, William Austin Burt of Mt. Vernon, Mich., patented what he called a typographer. While it received a little use over the years, it wasn't until Christopher Sholes perfected the machine in 1868 that it came into common use. A stroll through the newly opened 32,000-square-foot Interpretive Center of Henry Ford Museum, Dearborn, leads visitors to an exhibit featuring an impressive 1874 Sholes-Glidden typewriter and a photo enlargement of a very early attempt at letter writing by the device.

The March of Dimes urges women to see a doctor as soon as they think they are pregnant. Early, regular prenatal care is vital to a health outcome of pregnancy.

The Bible - The Light from Heaven

Teaches there are some things all must do. Man must do something to be saved. On the birthday of the church, when the gospel was preached, an important question was asked. "Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do?" (Acts 2:37.) They realized the necessity of doing something. "Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins." (Acts 2:38.) Jesus told Nicodemus, "Ye must be born again." (John 3:7.) One must be saved in the name of Christ. "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved." (Acts 4:12.) In the gospel of John is written, "God is a Spirit: and they that worship him must worship him in spirit and in truth." (John 4:24.) In the Hebrew epistle is recorded man must die. Death is one of God's divine appointments. (Hebrews 9:27.) And all must be raised from the dead. (John 5:28, 29.) "For we must all appear before the judgment seat of Christ: that every one may receive the things done in his body..." (2 Corinthians 5:10.) Now is the time to make preparation.

10 ways to go farther on a tank of gas

(Without having to
buy a smaller car
or driving less.)

It's a fact of life —
gas is getting more expensive
and there is less gas available.
These days, it's more important than ever
to squeeze more miles from each fill-up.
Rampy wants to show you how good car
maintenance, informed driving habits and
advanced Chevrolet engineering
can help you save fuel and money.

Keep that great GM feeling
with genuine GM parts.

- 1 Keep your car properly tuned and maintained.**
If your engine is badly out of tune, it could waste up to five percent of its fuel. Dirty air and oil filters, fouled spark plugs, fast idling and improper ignition timing also can significantly reduce mileage. Also, make sure your brakes aren't dragging or your transmission slipping — these defects cause friction and make your engine work harder.
- 2 Check your tires for proper inflation pressure.**
Under-inflated tires waste gas because their higher rolling resistance makes your engine work harder and burn more fuel. For additional gas mileage, inflate your tires to the top end of the manufacturers specifications.
- 3 Equip your car with steel-belted radial tires.**
Radial tires, due to their inherently superior construction and design, offer better mileage than bias-ply tires. Radials cost more, but they will probably cost you less in the long run through better mileage and longer wear.
- 4 Make sure your wheels are correctly aligned.**
Properly aligned and balanced wheels reduce road friction and give your car better mileage.
- 5 Don't drive too fast.**
Driving at high speeds dramatically reduces fuel economy. Tests show that you'll get about 20 percent better mileage at 50 mph than at 70 mph.
- 6 Avoid "jackrabbit" starts or "riding the brake".**
Gradual, even acceleration uses a minimum of gas. Constant braking creates unnecessary friction and also wastes gas. Try to anticipate stops — take your foot off the pedal and let the car coast up to the intersection. You'll also get improved mileage by getting into high gear quickly. If you drive an automatic, lift your foot off the accelerator to make it shift earlier.
- 7 Plan your trips.**
If you must make several short trips, group them together to take advantage of engine heat — a warm engine is more fuel-efficient. Don't carry around a lot of extra, unnecessary weight like tire chains, golf clubs, luggage, etc. if you don't plan to use your cargo.
- 8 Reduce the use of your air conditioner.**
When possible, use the air conditioner's vent position to circulate air, its quieter and cleaner than rolling down the windows. Try to park in the shade to keep your car cooler so you won't need the air conditioner to cool off the car.
- 9 In winter, don't warm your engine by idling.**
Try to get your car on the road immediately — a moving car engine gets the oil flowing faster to cut friction. Studies show that in cold weather, your car might get as little as one mile per gallon if you keep it still because the engine block stays so cold that the oil circulates poorly.
- 10 Buy a new Chevrolet car or truck from Rampy.**
During the past five years, GM engineers have increased its passenger car fleet fuel economy average by almost 60%. In fact, if every car on the road were a new Chevrolet, the U.S. would save over 11 billion, six hundred million gallons of gasoline per year. Nationwide fuel economy would increase by 14%... and there wouldn't be a gas shortage!

The horizon looks bright
... hope it's smooth
sailing all year long!

Involuntary Manslaughter Is Charged

Washtenaw County Sheriff's Department traffic investigator James Abram last Thursday signed a complaint against Chelsea resident James Machnik for his part in the traffic death of an Ohio man Friday, Dec. 7.

Charge against the 24-year-old Machnik is involuntary manslaughter.

After the complaint was received, a warrant was issued to the sheriff's department for Machnik's arrest. He will be brought to 14th District Court for preliminary examination.

The involuntary manslaughter charge stems from an incident in which Machnik drove his car the wrong way on westbound I-94 and collided head-on with a car near Zeeb Rd., killing the driver.

At the time of the accident, police said drinking was "definitely a factor."

Dial-A-Garden, the system of pre-recorded daily gardening tips, is sponsored by the Washtenaw County Co-operative Extension Service. The system is in operation 24 hours per day, seven days per week. Interested persons are invited to call 971-1122 at their convenience and receive timely, up-to-date gardening information.

ORDINANCE No. 86

Village of Chelsea

County of Washtenaw, Michigan

AN ORDINANCE TO ESTABLISH A COMMUNITY ANTENNA TELEVISION SYSTEM AND TO AWARD FRANCHISES FOR THE ESTABLISHMENT AND OPERATION THEREOF.

The Village of Chelsea Ordains:

SECTION 1.—DEFINITIONS

"Community Antenna Television System," "CATV" or "System" shall mean any facility that, in whole or in part, receives directly or indirectly, over the air, or otherwise, and amplifies or otherwise modifies the signals transmitting programs broadcast by one or more television or radio stations as well as signals transmitting any information or any kind whatsoever and distributes such signals by wire or cable, or otherwise, to the public.

"Village" is the Village of Chelsea, Michigan.

"Village Council" is the Village Council of Chelsea, Michigan.

"Company" shall mean the grantee of the franchise granted herein, or any other person being the holder or grantee of a franchise to operate a CATV System in the Village of Chelsea.

"Streets" shall mean streets, avenues, highways, boulevards, concourses, driveways, bridges, tunnels, parks, parkways, waterways, alleys, all other public rights of way, and public grounds or waters within or belonging to the Village of Chelsea.

"Person" shall mean a person, firm, corporation, or association, and any other legally recognized entity.

"Residential Subscriber" shall mean a purchaser of any service delivered over the System to an individual dwelling unit, where the service is not to be utilized in connection with a business, trade or profession.

"Basic Service" shall mean the simultaneous delivery by the Company to television receivers (or any other suitable types of audio-video communication receivers), of all subscribers in the Village of all signals of over-the-air television broadcasters required by the Federal Communications Commission (hereafter "F.C.C.") to be carried by a community antenna television system as defined by the F.C.C.; the Company Channels; Village Channels except as may be designed for special services by the Village of Chelsea Public Channels; and Additional Channels at the option of the Company, or as directed by the Village of Chelsea.

"Mini-Pay Service" shall mean the simultaneous delivery by the Company to television receivers of not less than one or more channels that are not included in "Basic Service."

"Full-Pay Service" shall mean the simultaneous delivery by the Company to one or more television receivers including the home box office channel, that are not included in "Basic Service"; some of which channels may be included in "Mini-Pay Service."

"Channel" shall mean a band of frequencies in the electromagnetic spectrum which is capable of carrying either one audio-video television signal and a number of non-video signals, or several thousand non-video signals.

"Village Channel" shall mean a channel on the System which is reserved by this Franchise for use by the Village of Chelsea or reserved for Village of Chelsea use by the allocation or reallocation of channels.

"Public Channel" shall mean a channel on the System which is reserved for carriage of program material provided by persons who lease channel time from the Company for the presentation of programs in accordance with this Franchise.

"Company Channel" shall mean a channel on the System which is reserved by this Franchise for the carriage of program material originated by the Company or by another person in accordance with the F.C.C.'s cablecasting rules and regulations.

"F.C.C." shall mean the Federal Communications Commission.

"Franchise" shall mean the grant of authority to the Company to operate a CATV "System" in the Village of Chelsea.

"Gross Subscriber Revenues" shall mean the total revenues received by the System from subscribers to its services who are located in the Village of Chelsea and includes all forms of consideration, such as initial lump sum payments or connection charges.

"Pay Television or Pay TV" shall mean an arrangement under which a charge is made to a television receiver for receiving a particular television program.

SECTION 2.

GRANT OF FRANCHISE

(a) Application. Non-exclusive franchises to provide CATV services hereunder may be granted by the Council as hereinafter provided and shall be applied for by written application in form approved by the Village Administrator and filed with the

Village Clerk which application shall include, but not be limited to, name of applicant; local business address; principal officers or owners; principal stockholders if a corporation; location of antenna tower or towers; general description of proposed distribution system in the Village of Chelsea, showing area proposed to be served and indicating whether applicant will require poles in the Village streets or whether cables and appliances to be utilized by it in existing poles of utility companies; service to be provided and rates to be charged, including installation charge per location; service charge for one receiver and for each additional receiver on the same premises.

(b) Financial Statement. Each applicant shall attach to his application an authenticated statement of financial condition and net worth, sufficient in form and content so that the Council may readily determine its financial responsibility and its ability to finance the proposed undertaking.

(c) No franchise shall be issued by the Village to any applicant until:

(i) The Applicant's legal character, financial, technical and other qualifications, including fulfillment of the requirements of this Ordinance, and the adequacy of, and feasibility of its contract arrangements have been approved by the Council.

(ii) Procedures have been adopted by the Applicant and the Council for the investigation and resolving of all complaints regarding cable TV operation.

(iii) The Applicant will establish and keep maintained a regular business office for the purposes specified in paragraph ii, immediately above.

(iv) The Village Clerk or such other Village official as the Council may designate, shall be primarily responsible for conducting administration of the franchise and implementation of complaint proceedings; and

(v) Provision is made in the franchise that the Applicant shall give notice of the proceedings for reporting and resolving complaints to each subscriber at the time of the initial subscription to the cable system.

(d) A franchise shall be effective on the date ratified by the Company in writing after having been awarded by the Village Council in accordance with applicable law. It shall remain effective for ten (10) years, unless sooner terminated as herein provided in Section 3 hereof.

(e) Nothing in a Franchise shall effect the right of the Village to grant to any other person a franchise to occupy any use of the streets or any part thereof for the construction, operation, and maintenance of a CATV or similar facility within the Village and the Company shall not take a legal position contesting the Village Council's right to authorize such use of the streets or any part thereof; provided, however, that the Village shall give the Company no less than two (2) weeks notice of the hearing date of any application for any additional franchise, to another, and nothing contained in a Franchise shall prohibit the Company from appearing before the Village Council and being heard on any application for any additional franchise to another.

SECTION 3.

REVOCAION OF FRANCHISE

(a) A franchise granted hereunder shall be subject to the right of the Village by resolution of a majority of the Village Council to revoke the franchise at will.

(b) Any franchise granted hereunder shall be subject to all applicable provisions of Village Ordinances and the Michigan Statutes and any amendments thereto, whether made prior to or after the inception of the franchise.

(c) Any franchise granted hereunder shall be subject to all applicable State and Federal laws, including rules and regulations promulgated by the F.C.C.

SECTION 4.

LIMITATION OF FRANCHISE

A franchise applies only to the operation of a CATV System as provided for herein, and does not take the place of any other franchise, license or permit which might be required by federal, state or local law.

SECTION 5.

TRANSFER AND CHANGE OF CONTROL OF FRANCHISE

(a) Each franchise granted pursuant to this Ordinance is non-transferable by the holder of the franchise to any other person, except with the express approval of the Village Council.

(b) A franchise issued pursuant to this Ordinance shall automatically terminate when

ownership or control of more than twenty-five (25%) percent of the right of control of the holder of the franchise is acquired by a person or group of persons acting in concert, none of whom already own or control twenty-five (25%) percent or more of such right of control, singularly or collectively, unless prior approval of the Village Council has been obtained.

(c) No franchise shall be transferred, unless the holder shall first offer the system, lines, equipment and customer lists to the Village for purchase for ninety (90) days upon such terms, price and conditions as the holder desires to sell. If the Village shall tender to the holder during said ninety (90) days the price on the terms and conditions set forth in the notice of offer, the holder shall sell and convey said assets according to the notice of offer. If the Village shall fail to exercise the option, then the holder can sell free of this provision but not for any greater price or better terms and conditions than those offered to the Village. Provided, however, that if the Village shall terminate the franchise under the provisions of Section 3 of this Ordinance, then the Village's rights under the within subsection shall be null and void and the holder may dispose of its assets free and clear of the terms of this Ordinance.

SECTION 6.

CONSTRUCTION AND INSTALLATION OF SYSTEM

(a) Subject to the provisions and restrictions of the franchise and the Ordinance and Michigan Statutes, the Company shall have the right to construct, erect, operate, and maintain, in, upon, along, across, above, over and under the streets, alleys, public ways and public places now laid out or dedicated, and all extensions thereof, and additions thereto, in the Village, poles, wires, cables, underground conduits, manholes and other conductors and fixtures necessary for the maintenance and operation in the Village of Chelsea a CATV System; and

(b) To lease, rent, or in any other lawful manner, obtain the use of towers, poles, lines, cables, and other equipment and facilities from any and all holders of public licenses and franchises within the limits of the Village of Chelsea, including, but not limited to, Consumers Power Company, Detroit Edison Company and Michigan Bell Telephone Company, and to use same on such terms as agreed upon subject to all existing and future ordinances of the Village. The poles used for the Company's distribution system shall be those erected and maintained by Consumers Power Company, Detroit Edison Company and/or Michigan Bell Telephone Company when and where applicable, providing mutually satisfactory rental arrangements can be entered into with said Companies.

SECTION 7.

CONDITIONS ON STREET OCCUPANCY

(a) All transmission and distribution structures, lines and equipment erected by the Company within the Village shall be so located as to cause minimum interference with the proper use of streets, alleys and other public ways and public places and to cause minimum interference with the rights and reasonable convenience of property owners who adjoin any of the said streets, alleys or public ways and public places.

(b) In case of disturbances of any street, sidewalk, alley, public way or paved area, the Company shall at its own cost and expense and in a manner approved by the Village Council or its representatives, replace and restore such street, sidewalk, alley, public ways or paved area in as good a condition as it was in before the work involving such disturbance was done.

(c) If, at any time during the period of this franchise the Village shall lawfully elect to alter or change the grade of any street, sidewalk, alley or other public way, the Company, upon reasonable notice by the Village shall remove, relay, and relocate its poles, wires, cables, underground conduits, manholes and other fixtures at its own expense.

(d) Any poles or other fixtures placed in any public way by the Company shall be placed in such a manner as not to interfere with the usual travel on such public way.

(e) The Company shall, on the request of any person holding a building-moving permit issued by the Village, temporarily raise or lower its wires to permit the moving of building. The expense of such temporary removal or raising or lowering of wires shall be paid by the person requesting the same, and the Company shall have the authority to require such payment in advance. The Company shall be given not less than 48 hours advance notice to arrange for such temporary wire changes.

(f) The Company shall after giving notice to and obtaining the approval of the Village Council or its representative, have the

authority to trim trees upon and hanging over streets, alleys, sidewalks, and public ways and places of the Village so as to prevent the branches of such trees from coming in contact with the wires and cables of the CATV System, except that at the option of the Village, such trimming may be done by the Village or under the supervision and direction of the Village at the expense of the Company.

(g) In all sections of the Village where the cables, wires or other like facilities are placed underground, the Company shall place its cables, wires or other like facilities underground to the maximum extent that existing technology reasonably permits the Company to do so.

SECTION 8.

SAFETY REQUIREMENTS.

(a) The Company shall at all times employ ordinary care and shall install and maintain in use commonly accepted methods and devices for preventing failures and accidents which are likely to cause damage, injuries, or nuisances to the public.

(b) The Company shall install and maintain its wires, cables, fixtures and other equipment in accordance with all applicable federal, state, and local laws and regulations, and in such manner that they will not interfere with any installations of the Village or of a public utility serving the Village of Chelsea.

(c) All structures and all lines, equipment, and connections in, over, under and upon the streets, sidewalks, alleys and public ways or places in the Village of Chelsea, wherever situated or located, shall at all times be kept and maintained in a safe, suitable, substantial condition, and in good order and repair.

SECTION 9.

ERECTION, REMOVAL AND COMMON USER OF POLES

(a) No poles or other wire holding structures shall be erected by the Company without prior approval of the Village Administrator with regard to location, height, type and any other pertinent aspect. However, no location of any pole or wire holding structure of the Company shall be a vested interest and such pole and structure shall be removed or modified by the Company at its own expense whenever the Village Administrator determines that the public convenience would be enhanced thereby.

(b) Where poles or other wire holding structures already in existence for the use in serving the Village are available for use by the Company, but it does not make arrangements for such use, the Administrator may require the Company to use such poles and structures if said Administrator determines that the public convenience would be enhanced thereby and the terms of the use available to the Company are just and reasonable.

(c) Where the Village or a public utility serving the Village desires to make use of the poles or other wire holding structures of the Company, but agreement therewith with the Company can not be reached, the Village may require the Company to permit such use for such consideration and upon such terms as the Village Council shall determine to be just and reasonable, if Village Council determines that the use would enhance the public convenience and would not unduly interfere with the Company's operation.

SECTION 10.

RIGHTS RESERVED TO THE VILLAGE

(a) The Village shall have the right to install and maintain free of charge upon the poles and cables of the Company any wire and pole fixtures necessary for a police or fire alarm system, on the condition that such wire or pole fixtures do not interfere with the cable communications operations of the Company and that such installations shall be installed in a safe manner in conformance with state and Village regulations.

(b) The Village shall have the right to supervise all construction or installation work performed subject to the provisions of this franchise and make such inspections as it shall find necessary to insure compliance with the terms of this franchise and all other pertinent provisions of law. At the expiration of this franchise or upon its termination or cancellation, as provided for herein, the Village shall have the right to require the Company to remove at its own expense all portions of the cable communications systems from all public streets, alleys, ways, and areas within the Village of Chelsea.

SECTION 11.

MAPS, PLATS AND REPORTS

The Company shall, on or before the first day of April of each year, file with the Village Clerk true and accurate maps or plats, showing the location of all existing and proposed installations, which shall include all receiving and transmitting stations, all trunk lines, whether leased or owned outright, feeder lines, whether leased or owned outright, and attached to such maps or plats shall be a list by address of current subscribers.

SECTION 12.

CARRIAGE OF SIGNALS

The Company shall comply with all rules and regulations, both present and future, of the United States Federal Communications Commission with respect to the reception, carriage and distribution of signals.

SECTION 13.

SIGNAL QUALITY REQUIREMENTS

(a) The facilities used by the Company shall be capable of distributing color TV signals, and when the signals the Company distributes are received in color by the Company they shall be distributed in color by the Company.

(b) The Company shall produce a picture, whether in black and white or in color, that is undistorted, free from ghost images, and accompanied with proper sound on typical standard production television sets in good repair and as good as the state of the art allows, and shall transmit signals of adequate strength to produce good pictures with good sound at all outlets without causing cross-modulation in the cables or interfering with other electrical or electronic systems. For purposes of this Section, the standards to be applied in determining whether or not the Company is producing a good picture or transmitting signals of adequate strength to produce same are those acceptable standards as set forth in the rules and regulations of the Federal Communications Commission relative to community antenna television systems as amended or as shall be amended hereafter.

(c) The Company shall demonstrate by instruments and otherwise to subscribers, upon request, that a signal of adequate strength and quality is being delivered. Such demonstration shall be made by taking a standard production television set with a screen of sufficient area as to clearly demonstrate the relative merit of the receiving signal.

SECTION 14.

OPERATION AND MAINTENANCE OF SYSTEM

(a) The Company shall render efficient service, make repairs promptly and interrupt service only for good cause and for the shortest time possible. Such interruptions, insofar as is possible, shall be preceded by notice and shall occur during periods of minimum use of the system.

(b) The Company shall maintain an office in the County of Washtenaw which shall be open during all usual business hours, have a listed local telephone, and be so operated that complaints and requests for repairs or adjustments may be received at any time, 24 hours each day.

(c) The Company shall limit failures to a minimum by locating and correcting malfunctions promptly, but in no event longer than 24 hours after receiving notice of same; should it be impossible or impractical to correct any such malfunctions within 24 hours or less, then each subscriber whose television reception is so disrupted shall receive a rebate from the Company in the amount of \$.25 for every additional 24 hour period, or any portion thereof, that said subscriber's television reception is so disrupted, unless the Company can show to the satisfaction of the Village Administrator that said disruption in service was entirely beyond its control. PROVIDED HOWEVER, that the rebate to any subscriber under this Section, in any month, shall not exceed said subscriber's normal monthly fee paid to the Company. In the event a disruption of service, for any reason, extends beyond three (3) days from the time the Company is notified of such disruption, affected subscribers shall receive a rebate as herein provided above.

(d) The Village Administrator shall be the official of the Village having primary responsibility for the continuing administration of this franchise and implementation of any reasonable complaint procedures.

(e) Any complaint procedures implemented by the Village Administrator in addition to any procedures outlined in this franchise, shall be given to each subscriber by the Company at the time of initial subscription of the CATV System.

SECTION 15.

RATES

(a) The rates and charges for television and radio signals distributed hereunder shall be fair and reasonable and no higher than necessary to meet all costs of service within the Village (assuming efficient and economical management), including a fair return on the original cost within the Village, less depreciation, of the properties devoted to such service within the Village.

(b) The following rates and charges are hereby authorized and shall not be increased by the Company without prior approval of the Village Council.

(1) Initial tap in and connection charge for "Basic Service":

(2) "Basic Service": \$7.95 per month per subscriber;

20 The Chelsea Standard, Thursday, December 20, 1979.

(3) "Mini-Pay Service": \$4.95 per month per subscriber;

(4) "Full-Pay Service": \$8.95 per month per subscriber;

(5) Initial tap in and connection charge for Mini- of Full-Pay installation: \$20.00.

(c) The Company shall receive no consideration whatsoever for, or in connection with, its service to its subscribers other than in accordance with this Section.

(d) If, in the future, the State of Michigan regulates the rates of the Company for the services provided under this franchise, this Section shall be of no effect during such State regulation to the extent of any conflict therewith.

(e) If Village residents in areas where provision for CATV service is not economically feasible desire CATV service, the Company shall be permitted to negotiate with those residents for additional charges to cover all extra costs of providing CATV service to those residents.

SECTION 16.

CAPACITY AND COMMENCEMENT OF SYSTEM

(a) The Company shall extend the installation of cables, amplifiers and related equipment throughout the Village as rapidly as is practicable. Within three (3) years from the effective date of this franchise, the Company's trunk line installations of cables, amplifiers, and related equipment shall be capable of providing basic service to every Village dwelling unit. Thereafter, the Village Council may impose such further construction obligations as are necessary to bring basic service to any building within the Village.

(b) The Company shall apply for F.C.C. Certification within thirty (30) days from the effective date of this franchise.

(c) Within one year from the date of certification from the F.C.C., the Company shall be providing "Basic Service" on a regular basis to at least 300 residential subscribers.

(d) As soon as possible, but in no event later than two years from the effective date of this franchise, the Company shall transmit over the system the signals of all channels, both VHF and UHF, as may be required by the F.C.C.

(e) Initial channel capacity of the system (utilizing no less than twenty (20) channels) shall be as follows:

VHF and UHF Channels required by F.C.C. All

Public Channels 1

Village of Chelsea channels, including those for public schools, libraries and for educational purposes 2

Company channels. Remainder

The initial channel use authorized in this subsection shall be subject to allocation or reallocation subject to representations to the Village Council as to the proper allocations to be made in light of the developments in the state of the art, the use of CATV as communications, educational and entertainment media, and subject to the regulations of the F.C.C.

(f) The Company shall transmit and deliver over Village of Chelsea channels the signals designated therefor by the Village Council.

(g) The Company shall provide "Basic Service" to one outlet on each floor of all existing or future police and fire stations, the Chelsea Village Hall, and all public and private schools located in the Village of Chelsea without any charge therefor.

(h) In the event of an emergency situation, the Village may interrupt signals otherwise being distributed by the Company for the delivery of signals necessitated by such emergency.

(i) In the operation of its system, the Company shall not interfere in any way with signals of any electrical system located in buildings which house any part of the system, and shall not deprive an inhabitant of any building, by contract or otherwise, of any existing right to use an individual or master antenna for the purpose of receiving television signals.

SECTION 17.

LIABILITY INSURANCE AND INDEMNIFICATION

(a) The Company shall maintain throughout the term of its franchise, liability insurance insuring the Village and the Company with regard to all damages for which the Village and/or the Company may be liable, including, but not limited to, damages arising out of copyright infringement and all other damages arising out of the installation, operation, maintenance or removal of the cable communications system that is the subject of this franchise, whether or not any act or omission complained of is authorized, allowed or prohibited by this franchise.

(b) The liability insurance referred to in subparagraph (a) of this Section shall be in the following minimum amounts:

1. \$500,000.00 for bodily injury or death to any one person, within limits, however, of \$1,000,000.00 for bodily injury or death resulting from any one accident;

2. \$500,000.00 for property damage resulting from any one accident;

3. \$500,000.00 for infringement of copyright;

4. \$500,000.00 for all other types of liability.

(c) The Company shall pay, and by its acceptance of this franchise, the Company agrees that it will pay as a result of granting this franchise, and the Company shall save the Village harmless from any and all liability arising out of this franchise, the granting of the same or the operation of the system hereunder. The Company shall pay for expenses incurred by the Village in defending itself with regard to all damages and penalties which the Village may be required to pay as a result of granting this franchise, including, but not limited to, all reasonable investigations, witness, and attorney fees.

(d) The Company shall maintain throughout the term of its franchise, a faithful performance bond running to the Village and to the subscribers of a CATV System, with at least two good and sufficient sureties approved by the Village, in the penal sum of \$25,000.00, conditioned that the Company shall well and truly observe, fulfill and perform each term and condition of the bond, and all damages proximately resulting from the failure of Company to fulfill and faithfully observe any provisions of this Ordinance shall be recoverable by the Village from the principal and sureties.

(e) The insurance policies and bond obtained by the Company in compliance with this Section must be approved by the Chelsea Village Attorney and such insurance policy and bond, along with written evidence of payment of required premiums, shall be filed with the Chelsea Village Clerk.

(f) The Village shall annually review the above insurance and bond provision; and, if it is determined that the insurance coverage and performance bond is inadequate, additional insurance and/or bond may be required as reasonably determined by the Chelsea Village Council and shall be provided by the Company.

SECTION 18.

ANNUAL FRANCHISE FEE

Commencing one year from the effective date of a franchise, and each year thereafter, the Company shall pay to the Chelsea Village Treasurer a franchise fee equal to 3% of the Company's gross subscriber revenues derived from basic service, mini-pay service and full-pay service, or \$1,000.00, whichever is greater.

SECTION 19.

SEPARABILITY

If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is for any reason held invalid or unconstitutional, by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions thereof.

SECTION 20.

EFFECTIVE DATE

This Ordinance shall become effective thirty (30) days after its adoption and publication.

Wrestler of the Week

JOHN PRESTON is this week's star grappler after winning his match at 145 against Jackson County Western and taking a second place at 145 in the Linden Tournament on Saturday. A sophomore, Preston was also a valuable member of the varsity football team this past season. "He's a fine athlete all around," said Coach Tom Fletke.

Wrestling Team Is Improving

It's not exactly evident from the scores, but things have begun to pick up for Chelsea's varsity wrestlers. Despite a 46-21 loss to Jackson County Western, a sixth place finish in the Linden Tournament and a Tuesday night loss to Tecumseh, Coach Tom Fletke says the team is improving.

"Chelsea's coming around," Fletke insisted. "At the beginning of the year, maybe we expected too much of them. A look at our roster will tell you how young we are. Most of the varsity wrestlers are 10th graders. But look at (Rick) Poljan. He didn't win a match all last year and now he's got a winning record."

Winners for Chelsea in last Thursday's match with Western were Jeff Osentoski at 112, who won 5-4; John Preston at 145 who pinned his man at 2:41; Eric Headrick at 145, who pinned his opponent at 1:52; and heavyweight Will Rosentreter who took a forfeit.

Before the varsity contest, the Bulldog JV wrestlers, who are in the midst of an excellent season, took all but one of their matches against the Jackson County Western JV.

Saturday, Dec. 16, the Bulldogs

took sixth in a tournament at Linden. Competing were Fenton, who won the tournament, Arnesville, Lake Fenton, Holly, Linden and Birch Run.

Bright spots for Chelsea were John Preston at 145, who took second place, losing to Kris Verhelle of Fenton, 5-2; and Rick Poljan at 167, who also took a second, losing to Mark Helms.

Fourth place finishers for Chelsea were Bill Freeman, 185, to fell to Galesberger from Lake Fenton; Chan Lane, 198, who was beaten by Mike Krusgna of Lake Fenton; and heavyweight Will Rosentreter, who also lost to a Lake Fenton wrestler.

Tuesday evening was a repeat of previous matches, with several wrestlers recording wins, but not enough to give the Bulldogs the victory.

Adrian Saarinen won at 98 with a pin, Traves Rudd took a 3-1 victory at 105, Jeff Osentoski recorded a 2-2 tie at 112, Jim Cobb shut out his opponent, 13-0, at 126, Rick Poljan tied his opponent at 165, and Chan Lane won, 9-6, at 198.

Following their usual pattern, the JV wrestlers won all of their matches but one.

Dexter Township Leads Area in Building Activity

A recently-released study by the Southeast Michigan Council of Governments (SEMCOG); shows an approximate 16 percent decline in total building permits issued in the seven-county region.

The report, which compares housing activity during the first half of 1979 to activity during the first half of 1978, documents a significant decline in housing activity in five counties (Washtenaw, Wayne, Macomb, St. Clair and Livingston), with an increase in activity in only two counties (Monroe and Oakland).

Washtenaw county showed the largest drop of the five, with just 559 authorized units in the first six months of 1979, compared with 1,361 in 1978—a 58.9 percent decline.

Ann Arbor, which had led all communities in multi-family structures and was fourth in residential units in 1978, completely disappears from both top ten lists for the first six months of this year.

Chelsea had five permits issued for detached single-family units in the first six months of 1979, Dexter reported none and Manchester only one. Lima township reported 11 permits for the same time period, Sylvania township 16, Webster township 17 and Dexter township a substantial 53.

Dexter township is surpassed in the county only by Ypsilanti township, which recorded 70 permits.

"This decline in housing is due, in part, to the high cost of home mortgages," said Justine Barnes, chairwoman of SEMCOG's Housing Subcommittee and Westland city councilwoman. "I expect to see that trend continue through the end of 1979, as many people simply cannot justify purchasing homes with loan interest rates as high as 13 percent."

A comparison of the first six months of 1979 and 1978 shows housing activity decreasing primarily for detached single family units, which were down 20.3 percent in the seven-county region. Multi-family activity slowed by only 3.1 percent.

Only Ann Arbor in Washtenaw county shows permits issued for multi-family dwellings.

Macomb county showed the highest numerical decline in housing permits issued, down 1,119 permits from 3,525 in 1978 to

2,406 in 1979. On a percentage basis, it has already been noted that Washtenaw county showed the highest drop, one of 58.9 percent.

Other counties recording a decline in authorized units include Livingston, down 16.7 percent, and Wayne, down 8.8 percent.

St. Clair county appears to be holding its own with only a slight decrease (0.8 percent) in housing units authorized, from 364 in 1978 to 361 in 1979.

Monroe county recorded a 23.2 percent increase in new units authorized, from 319 in 1978 to 396 in 1979. The only other county to show an increase was Oakland, which gained 2.3 percent from 4,466 in 1978 to 4,567 permits in 1979.

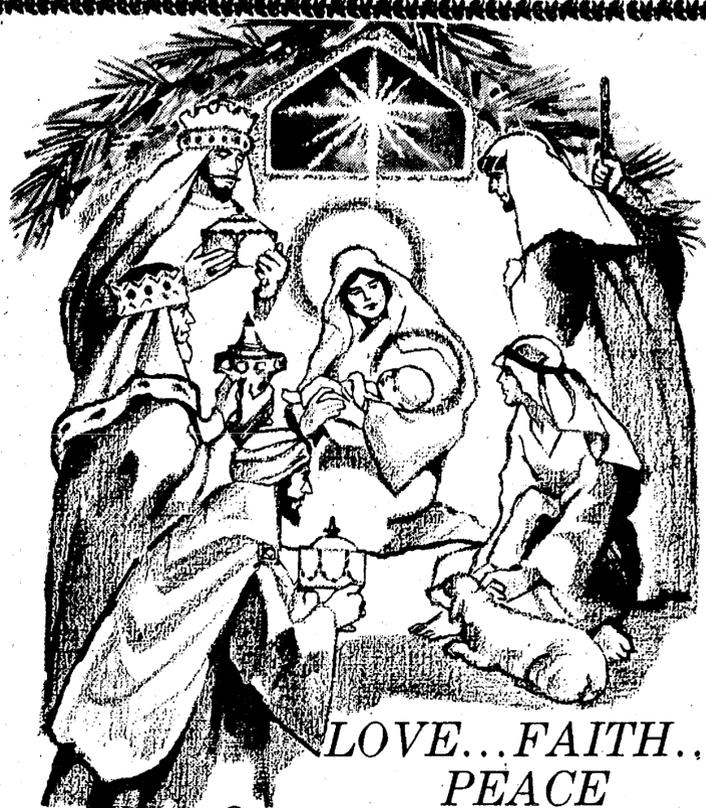

The top ten communities in Southeast Michigan for total new units authorized during the first six months of 1979 were: Farmington Hills (820), Canton township (553), Clinton township (547), Troy (544), Avon township

(515), Waterford township (419), Sterling Heights (396), Detroit (379), Macomb township (318) and Van Buren township (268).

The report also showed a decline in demolitions in the region. Detroit led the region in demolitions, recording 3,042 in the first six months of 1979.

SEMCOG, author of the report, is a voluntary association of 136 governmental units in seven counties. Its principal function is long-range planning for transportation, housing, land use, recreation and open space, public safety and the environment.

Letters to the Editor

To the Editor:

I feel obliged to respond to the extremely tasteless advertisement placed in your newspaper regarding the fact that Central Fibre Products is taking Christmas away from its employees. The facts are plainly evident to anyone who has been reading the newspapers or watching television during the past several months. The automobile industry is in the midst of a severe recession which has directly affected Central Fibre as a supplier to this industry. We have been forced to reduce our work force due to the curtailment of our orders from the automobile companies. As of this week Ford, General Motors, and Chrysler have laid off in excess of 180,000 workers. Central Fibre, as well as other automotive suppliers, have had to make similar reductions in their work forces. It is extremely unfortunate that these reductions have come so close to the holidays, and it is with sincere regret that we have had to take such action.

We have the assurance of the leadership of our local union that this advertisement was not authorized, nor paid for, by the union, but was an arbitrary and ill-advised act of a few members of the local.

Sincerely,
Central Fibre Products
J. B. Dunn,
General Manager.

Homeowners insurance is homeowners insurance, right? Wrong.

Auto-Owners homeowners insurance is different. Not only in the way we handle claims (Auto-Owners built its reputation on fast, fair claims service). Not only in the personal attention we give (another Auto-Owners trademark). Or in the way we could save you money (our low rates are famous). But, in our whole outlook on homeowners insurance, with innovative, imaginative policies that make sure you get just what you need, for just what you want to pay. So, if you're thinking you'd be wrong if you didn't call Auto-Owners . . . you're right.

Chelsea High school Class of 1970 is having an organizational meeting for its 10-year class reunion on Sunday, Jan. 13, 3 p.m. at the home of Linda (Bauer) Pearsall, 4224 Musbach Rd., Chelsea, one mile west of Cavanaugh Lake Store.

Those class members wishing to work on the reunion should attend this meeting. Those not able to attend who would like to help may call Vickie (Wilkerson) Eresten, 475-1164; Kathy (Grob) Rickerd, 475-9991; Caryn (Thornton) Rogers, 429-9523; or Cindy (Nelson) Bergman, 665-3454, all between 10 a.m. and 8 p.m.

For evening calls, contact Linda Pearsall, 475-9272, until 9 p.m.

Since the Revolutionary War, nearly 39 million men and women have served in the U. S. military during periods of armed hostilities.

ABOUT GREENS

Many Christmas greens used today were once pagan symbols. Flowers and leafy boughs were used in Roman rites. The Saxons used holly, ivy and bay in their religious observances.

HANGING MISTLETOE

Hanging mistletoe in the home is a tradition which originated with Druid priests. These ancients believed the plant was a sign of peace and hope.

NOTICE TO VILLAGE OF CHELSEA RESIDENTS

During the week of Christmas and New Year's garbage and refuse pick-up will be on Wednesday, December 26 and January 2 instead of Tuesday, December 25 and January 1.

Friday pick-up will remain the same. The Sanitary Landfill will be closed December 25 and January 1 but will be open December 26 and January 2.

Two CHS Students High in Math Exams

Two students at Chelsea High school finished in the top four percent on Part I of the 23rd annual Michigan Mathematics Prize Competition, and are among approximately 1,000 Michigan students to compete in the final examination on Wednesday, Dec. 12.

Chelsea math students qualifying for the second test were

junior Eric Wiedmayer, son of Larry and Margaret Wiedmayer, 3725 Notten Rd., and senior David Wadyke, son of Dr. Jerry and Mary Wadyke, 555 Chandler Rd.

This competition is sponsored by the Michigan Section of the Mathematical Association of America and is designed to foster a wider interest in mathematics, to focus attention on the necessity for mathematical training in most professions and trades, and to identify and provide scholarships for capable mathematics students in Michigan.

The 100 competition winners will be honored at an awards program, to be held at Central Michigan University on Saturday, Feb. 18, with half of the winners receiving college scholarships.

Competition funds include contributions from the Burroughs Corporation, Michigan Bell, the Kuhlman Corporation and the Michigan Council of Teachers of Mathematics.

Ken Larson, Mathematics Department chairman, has served as the high school supervisor for Chelsea students competing in the examination.

Debate Teams Top League

Both of Chelsea's debate teams finished their seasons in the Ypsilanti League on top this season. Varsity debaters ended league competition with a 2-2 performance Monday, ending the season at 13-3 over-all for a first-place tie with Ann Arbor Greenhills.

Competing for the varsity were Dave Wadyke, Drew Sprague, Sara Merkel and Theresa Merkel. The same quartet of debaters went 3-1 last Wednesday in league competition.

For the novice, Kathy Wadyke, Molly Bacon, Alicia Noah and Katie Ullman went 2-2 to bring their over-all record to 9-3 for first place.

Last week Mary Anderson, Celeste Arbogast, Katie Ullman and Laura Hines went 3-1 for the novice group.

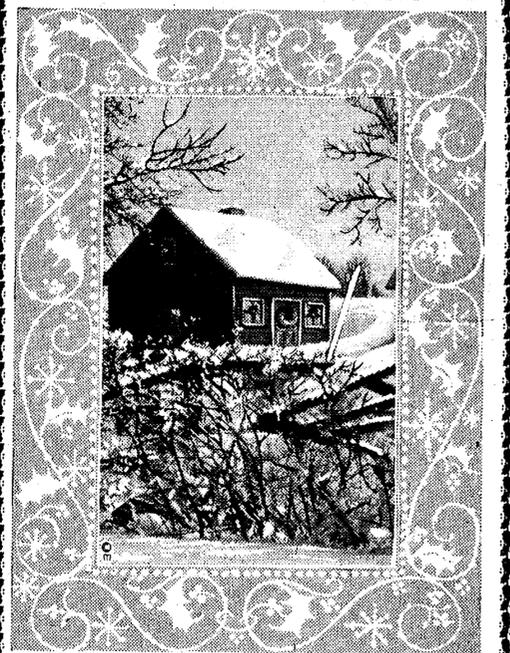

Both teams will receive awards for winning more than 75 percent of their league meets this season.

Varsity debaters are looking forward to district competition in January. For the novice, the season is over.

Saline, Chelsea Leading In Conference Title Chase

Saline 66, Dexter 45—
Holding only a modest lead after the first quarter, Saline went on to catch fire and lambaste Dexter 25-8 in the second period on their way to a 66-45 win.
The second half was more even in scoring, but the damage to the Dreadnaught cause had already been done.
Saline's 6'7" center, John Kendzicky, finished with a game-high 26 points and teammate Mike McFerrin added 10.
For Dexter, Jeff Leighton had 12 and Jim Vaughan 11.
Saline is now 1-0 in the SEC and 3-0 over-all, Dexter is 1-1 in the league and 1-2 overall.

Lincoln bucketed only 19 of 64 shots, but Kevin Kedroske scored 22 points and had 16 rebounds.
Milan is now 2-0 in the SEC and 3-0 over-all. Lincoln is 0-2 in the league and 0-3 on their season.

Boy Scouts Honored for Achievements

Chelsea Boy Scout Troop 425 honored eight scouts for their achievements at a Court of Honor held Monday, Dec. 10 in the troop room in the Chelsea Municipal Building.
Honors were awarded to Allen Cole for "Life" Progress Award, home repairs merit badge, and communications skill award; Jim Cook for "2nd Class" Progress Award, and hiking and physical fitness skill awards; Mark Freitas for "2nd Class" Progress Award and hiking skill award; Robert Polens for "Tenderfoot" Progress Award, and citizenship and environment skills awards; and Doug Jankoski for "Tenderfoot" Progress Award, and citizenship and communication skill awards.
Kraig Leach, Kevin Gross and Erik Owens each received their communication skill award.
Troop 425 is sponsored by the Chelsea Kiwanis Club and is led by Richard Cook, assisted by Robert Buxton.

Milan 80, Lincoln 50—
Utilizing confusing defensive changes, Milan confused then blasted Ypsianti Lincoln Friday night, 80-50.
The Big Reds led by as many as 20 points in the first half, although Lincoln came on to reduce the half-time margin to 40-32.
Milan regained control in the second half and never relinquished their hold on the Railsplitters. For the Big Reds, four players reached double scoring figures. John Gruden scored 19, Gary Chotell 15, Rob Cranston and Pete Barnes 12 each, as Milan made 34 of 75 shots from the field.

THE ULTIMATE COMPUTER VIDEO GAME SYSTEM By MAGNAVOX

ODYSSEY²

TRY IT TODAY

its only limitation is your own imagination!

This computer is the heart of this new kind of electronic video game system. Its capabilities are infinitely more sophisticated than the conventional electronic games found in homes. An ALPHA-NUMERIC KEYBOARD translates English into the electronic language of the microprocessor. The application of state-of-the-art technology permits Odyssey² to simulate reality to a truly remarkable degree.
MULTI-LEVEL PLAY CAPABILITY! At their peak, Odyssey² games present a most serious strategy challenge to the most seasoned players. But if you tell the computer you're a beginner, then things are different. The speed and action is slowed down!
ON-SCREEN DIGITAL READOUTS! Scoring! Real time! Elapsed time! Lap counters! Even photo-finish freeze action at the end of racing events!
ODYSSEY² IS A SERIOUS EDUCATIONAL TOOL! For children, games like MATH-A-MAGIC make addition, subtraction, multiplication and division fun to practice. Games like BUZZWORD and CRYPTO-LOGIC reinforce basic spelling skills. Odyssey² is equally valuable as a learning device for teenagers and adults.

Choose from a wide variety of action-packed arcade... challenging sports... and educational games.

MULTI-MODE CARTRIDGE LIBRARY! Many of the Odyssey² game cartridges contain two or more generic games playable at different strategic levels. This makes a widely varied collection of games much more economical to acquire. Many other Odyssey² games are available now including FOOTBALL, BASEBALL, BOWLING, BASKETBALL, LAS VEGAS BLACKJACK, ARMORED ENCOUNTER, SUBCHASE, MATH-A-MAGIC, ECHO, MATCHMAKER, LOGIX, BUZZWORD, COMPUTER GOLF AND COSMIC CONFLICT! New games will always be on the way.

ODYSSEY² TAPES

We now have brochures available that have all current and NEW Odyssey tapes illustrated and explained. Stop by and pick up one!

ALSO: NEW tapes will be available in January and February. Please sign up and we will call you when they arrive.

Amana Radarange

MICROWAVE OVEN

ROTAWAVE

COOKING SYSTEM

A rotating shower of power that cooks more evenly and cooks most foods faster than ever before!

The Rotawave antenna beams microwave energy directly at food in a uniform, rotating pattern.

SO FOODS COOK MORE EVENLY
Even rows of cookies or several potatoes cook more evenly.

BETTER FOOD QUALITY
Breads, cakes, omelette dishes—turn out light and fluffier. Meals brown more evenly.

AND IT'S MORE CONVENIENT!
Rotawave rotates the microwave energy so most foods require no turning!

MOST FOODS COOK FASTER!
Some foods like cakes, pies and muffins now bake up to twice as fast!

Come in to see a demonstration.
Rotawave is available on 700-watt Amana Radarange Microwave Ovens RR-10A, RR-9TA, RR-8A, RR-7A and RR-7DA. It's the best thing that's happened to cooking since microwaves!
And it's only from Amana!
