Lioness Club Organizing In Chelsea

Strong interest has been shown in the formation of a Chelsea Lioness Club. Interested women are encouraged to attend the upcoming meeting to become more familiar with this community service organization and ask any questions they may have.

The meeting will be held at Chelsea Community Hospital Monday, Feb. 11, 7:30 p.m. in the Conference Room.

Chelsea's Lioness Club is open to any woman who wishes to express her concern for human need and is also a way to meet new friends.

Saturday, March 15, has been chosen as the Chelsea Lioness Charter Night which will be held in the dining room of Chelsea Hosptial. Those women interested in becoming members prior to charter night will be recognized as charter members and inducted into the Lioness Club by District Governor, Lion R.J. (Bob) Myers.

For more information on the club, call Adamine Michelsen, 475-9455.

Cagers Drop Milan from **Title Race**

Milan was eliminated from a shot at the SEC title last Saturday night as Chelsea's varsity cagers outlasted the Big Reds in a heavily defensive battle, 45-37.

Neither team was able to successfully circumvent the other's defense, Coach Robin Raymond said, and therefore were content to work the ball around, be patient and take the good shots.

The Bulldogs led, 24-18, at half time, and were able to control most of the second half through an outstanding half-court defensive game.

Nevertheless, Milan made a run at the Bulldogs with just two minutes left in the contest. The score was 39-35, Chelsea, and Jeff Dils made a 12 foot jumper. Milan came back with an outside jump shot by Gary Chattell, but Karl Albrecht hit a lay-up and then put a rebound back in to regain the momentum for Chelsea.

This game was typical of most Buildog contests this season, with Chelsea on top by 8 to 10 points for the major part of the contest. "They made a late run at us," said Raymond, "but Albrecht's basket was a real back-breaker."

Individually, Dils led with 16 points. Karl Albrecht played his best game of the year, scoring 13 points and hauling in seven rePeterson and Mike Killelea each had two.

Chelsea's shooting average was 42 percent, some six percentage points off their average. Milan, however, managed a percentage of just 35, and that was the difference in the game. Other statistics were extremely close. Chelsea outrebounded. Milan, 27-26, and committed 20 turnovers to Milan's 21.

Shot selection was the key to the Chelsea victory, Raymond said, especially against Milan's tough zone defense. He pointed to the players' experience as a factor in Chelsea's ability to wait and not take wild outside shots in desperation.

A difficult SEC game awaits the Bulldogs at Dexter this Friday night. Even though the Dreadnaughts are 2-5 in the league thus far, the traditional rivalry is a factor, said Coach Raymond, as is Dexter's small, dark gymnasium.

"It would be a big feather in their cap to beat the top dog," said Raymond.

A win against Dexter will set Chelsea up for the seasondeciding contest with Saline, to be played here at home on Fri-Score by quarters Chelsea 12 12 10 11-45

Residents of a small slice of Sharon township continue to regard the water in their wells with suspicion this week, after samples taken to determine the presence of toxic chemicals in the wells yielded no conclusive results. Further tests have been ordered.

Hashley Rd. residents learned last week that toxic wastes are believed to have been dumped in-

to a swampy area off the road near Grass Lake Rd. last August. An Ann Arbor firm, Sycor, Inc., last Wednesday stood mute in Ann Arbor's 14th District Court to a criminal charge of contracting with an unlicensed person to remove liquid industrial wastes.

After a four-month Department of Natural Resources investigation, initiated after a report was received from a person living in

the area, barrels allegedly containing the chemicals were located on Hashley Rd. property owned by John Culp. Culp has not been charged with any wrongdoing by the prosecutor's office.

Sycor, Inc. maintains that the barrels contained sludge oil from industrial machines and not waste chemicals, but DNR reports that an analysis of their contents revealed toxic was re-DNR said the chemicals were used by Sycor as cleansing solvents in the manufacture of computer terminals.

Meanwhile, worried Hashley Rd. residents have been contacting DNR and the Washtenaw County Environmental Health Department for instructions regarding the water in their wells, which may have been affected.

According to Barry Johnson of the county Health Department, samples were taken from five wells in the area last week to determine whether chemicals had leaked into the water table serving them. As of late Tuesday (Continued on page eight)

Aquatic Club Sinks Rival Milan

Milan

Last week, Chelsea's Aquatic Club defeated arch-rival Milan in a dual meet by a substantial margin, 270.5 to 249.5.

Because the meet was held on a Monday evening in Milan, many of the younger swimmers did not attend. The older swimmers had the task of pulling the team out of an early 50-point deficit to take the victory.

Wins for Chelsea included the medley relay team of John Cattell, Ted Lewis, David Karns and Kevan Flanigan. The medley relay team of Kris Mattoff, Tina Paddock, Paula Colombo and Becca Lee won, as did the two 13-14 medley relay teams com- * posed of Sean Oxner, Dawn Fowler, Kevin Colombo and Kent Noll, and Margie Rawson, Kristin Thomas, Lisa Goltman and

Liesel Culver. Individual firsts were recorded by Molly Thompson, 25 back; Kris Mattoff, 50 back; Sean Oxner, 50 back; and Margie

Rawson, 50 back. Other relay victories included the 11 and 12 girls relay of Jenny Cattell, Kris Mattoff, Paula Colombo and Becca Lee; the 13 and 14 boys relay of Kevin Colombo, Greg Bos, Kent Noll and Sean Oxner; and the 13 and 14 girls relay of Kris Thomas, Marge Rawson, Liesel Culver and Lisa Goltman.

Highlighting the team victories recently have been the efforts put forth by the 9-10 age group.

In the boys division, John Cattell, Ted Lewis, David Karns and Kevan Flanigan have been busy setting records. To complement their efforts, the girls have also set their share of records.

Among record-setters were the relay team composed of Cathy Hoffman, Monique Parson, Heather Seabury, Sarah Weis, Jenny Pichlik and Laura Stephens.

The club's next meet is at home Saturday, Feb. 16 against the Ypsilanti Swim Club.

Chelsea Lumber Reports B&E, Cash Theft

Chelsea Lumber Co. was robbed of about \$20 in small change from a cash box sometime between 5:45 and 9:45 p.m. on Monday, Feb. 4.

According to police reports, an employee of the lumber company reported finding the money gone when he arrived at the building about 9:45 p.m.

RETIRING RESTAURANT CREW: Ella McMillan, right, will rustle up her last meal for Chelseaites Saturday, as she retires and closes The Chelsea Restaurant, her domain for 25 years. •ROUNDTABLE FUTURE DIMS:

'Grandma' Retiring Even Though She's Not Yet 80!

Once upon a time in Chelsea there was a round table around which people ate, complained, talked, rejoiced and, in general, went about the business of solving the problems of the world.

That once upon a time has been the past 25 years at 119 Main St., where Ella McMillan's restaurant has provided a forum for all shapes and sizes of Chelseaites, as they lunched and dined, served themselves another cup of coffee and transacted every imaginable type of business. Saturday, Feb. 9, marks the end of that quarter-century-long era in which the Chelsea Restaurant dominated Main St. as the place to eat. Mrs. McMillan, only two months away from her 80th birthday, has decided to retire as of this Saturday and close the restaurant. It was an enterprise that began in the 1950's when Ella and John McMillan moved from Ann Arbor

The Dinner Dance will be held at the UAW Local 1284 Hall, on M-52, south of I-94. Tickets are now available at Chelsea Pharmacy, Gambles, Chelsea State Bank and Ann Arbor Trust Co. This is just one of many fundraising events sponsored by the Chelsea Symphony Band. The band is raising money this year to go to Mexico City this May, where they will represent the state of Michigan in an International Festival. All proceeds will go towards the band's Mexico Project.

Tax Cut Proposal May Appear On November Ballot

The real test as to whether the citizens of the state of Michigan are satisfied with the Headlee tax limitation amendment of 1978 will be their reaction to a new proposal amendment to cut property taxes by 60 percent.

Michigan voters chose the tax limitation approach to halt governmental growth and spending during the 1978 general election rather than the unknown radical tax cut proposal.

It was also believed at the time, that if the tax limitation amendment did not do the job and halt government spending, the tax cut proposal would be back before the voters. This appears to be the case

The proposed amendment would cut local property taxes by about \$1.6 billion and require the state to reimburse schools and local governments for most of that loss.

The proposal would cut property tax assessments by 50 percent to provide further tax exemptions for persons over age 62, prohibit new taxes on homes, limit increases in annual property assessments on homes and agricultural property to 2.5 perwith a new effort to get that pro- cent and require a vote in a

Special Olympians Post **Two Basketball Wins**

Chelsea's Special Olympians scored two victories last week in basketball play, as they defeated High Point, 52-44, and Dearborn Howe, 26-10.

High scorer for Chelsea against High Point was center Tracey Harvey with 34 points. Terry Walkowe contributed eight, Dennis Czechowski four, Mike Goebel four and Glenn Passow two.

"Tracey was just fabulous," praised Coach Nancy Cooper. "He just couldn't miss a shot."

Leading scorer for High Point was Mike Benzinger with 24, followed by Ken Bartus with 16,

and Tony Vysocil and John Taylor with two each.

Chelsea and High Point have a long standing rivalry, so the day was even sweeter when the Chelsea swim team also defeated their rivals the same day.

Chelsea players were eager for a victory over Dearborn Howe last Friday, having lost to them last year.

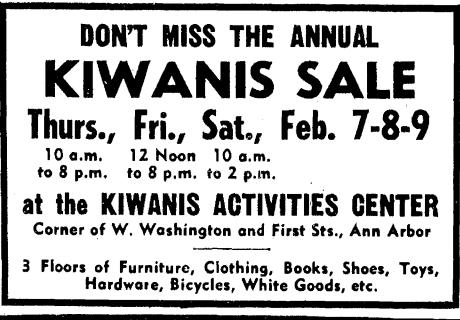

Even without the help of Dennis Czechowski, sidelined with an injury. Chelsea managed to take the victory, 26-10. Tracey Harvey had 12 points, Glenn Passow 6, and Terry Walkowe and Mike Goebel, four each.

Playing excellent defense for Chelsea were Tim Black. Clarence Weiss and Mike Foster. Also contributing were Albert Bedard, Ryan Sweeny and Peter Worden.

The Special Olympians now have a 4-0 record and are looking forward to playing Dexter at home this Friday, Feb. 8.

Coaching the Chelsea team are Nancy Cooper and Judy Bottum.

LIVE LONGER! **Skim Milk for Extra Protein**

By LELORD KORDEL Number Six of a Series

Milk, in a new form, has joined the ranks of concentrated protective foods.

I refer to dry skim milk-an inexpensive, readily digested, high-protein food.

A hard to believe fact is that the highly-concentrated protein, calcium and riboflavin in dry skim milk can help prolong your "prime of life," and aid you in retaining youthfulness.

The addition of even so little as a tablespoonful of powdered skim milk to daily servings of food would be a worthwhile contribution to your Live Longer program.

Less than one-half cup of powdered skim milk contains all-the nutrients found in a quart of fresh skim milk.

There is a popularly held belief that "richer milk is better milk." Nothing could be farther from the truth.

The protein, minerals and riboflavin are all contained in the skim milk, not in the cream. . An analysis of skim milk powder shows it to be approximately 8 percent minerals. This is a remarkably high concentration -since most foods contain less than 1 percent of these important cell nutrients.

If you want to gain weight, dry skim milk, used liberally, will provide extra amounts of the protein, minerals and vitamins. It was the lack of these which may have caused your underweight in the first place.

WEIGHT CONTROL

If overweight is your problem, and yours should be a reducing diet, dry skim milk is equally good. Liberal amounts can be used without making your calorie count jump up like the thermometer on a hot day. Moreover, the highly concentrated protein in skim milk is a valuable aid to a high-protein regain of all. You can slice your milk bill considerably with powdered skim milk. As well as supplementing your diet with the valuable proteins and vitamins and minerals found in this wonderful food.

If you wish to economize and simplify your marketing, you may omit buying fresh milk altogether. Just stock your cupboard with the inexpensive, long-keeping skim milk powder. It can be made into liquid milk with a few flips of the eggbeater or wire whisk-by merely adding it to cold water. And best of all-this reconstructed liquid milk-(that you yourself make from skim milk powder)-can be diluted or as 'rich'' as you wish.

So concentrated is this fine food that it contains eleven times more high-grade protein, minerals, B-vitamins and lactose than fresh whole milk.

This means that eleven pounds of fresh liquid milk are used to prepare one pound of dry skim milk,

Powdered skim milk is 36.5 percent protein, as compared to 19.7 percent protein found in an equal weight of lean beef.

LOW COST PROTEIN

Where else could you get so much concentrated pure protein at so low a cost? If you want an extra-juicy, extra-plump, and extra-rich broiled hamburger soon, just add a couple of tablespoons of skim milk powder to the mixture.

Dry skim milk is also a particularly rich source of the youth-promoting B-complex vitamins-and in natural balance. Skim milk is rich in lactose, a "youth-promoter" which provides a quick, readily usable source of energy. Especially for older bodies that need every iota of energy they can muster Keep in mind: the more pro- to counteract a slowing down of tein you eat without adding cal- nervous system and vital organs. alike. A British scientist advocated not long ago that all married couples, whatever their ages, should look to their diets, if they wished to achieve a congenial marital partnership. The quarrelsome mate is quite likely to be one whose nerves are starved for protein.

MARITAL HARMONY

This thought-provoking fact is brought before you at this point because it has long been my belief the the lopsided, artificial, woefully devitalized diets of a great majority of families create the real causes underlying so much unhappy married life.

The love and harmony of marriage are severely strained "on-edge" nerves-often by caused by poor nutrition.

Certainly I don't want to give the impression that powdered skim milk is going to cure all the ills of your marriage.

But, I do want you to consider the logic of safeguarding certain that your nervous sysretain youthfulness a lot longer. tion topic.

Dave Waldyke Wins State Math Award

Chelsea High school senior Dave Waldyke, son of Dr. and Mrs. Jerry Waldyke of Chandler St., has been named an award winner by the Michigan Section of the Mathematical Association of America, for placing in the top 100 of more than 23,000 high school students participating in the 23rd annual Michigan Mathematics Prize Competition.

Waldyke will be honored at an awards program to be held in Mt. Pleasant at Central Michigan University on Saturday, Feb. 16. The program will feature presentations by Dr. Lorraine Denby of Bell Laboratories, speaking on "Paint by Numbers," and Dr. Doris Schattschneider of Moravian College, who will talk on "Extending the Art of M.C. Escher."

College scholarships will be awarded to more than 40 of the winners at the awards banquet. Ken Larson, Mathematics Department chairman, has served as the high school supervisor for Chelsea students par-

ticipating in the competition. **Dan Robbins** Addresses

home owners or renters, to file for Michigan Property Tax Relief in reducing liter along state road and home heating credit is offered by the Washtenaw County Council on Aging, W. de St. Aubin, project chairman announced today. This free service, available to county residents who are 65 years and over, will be given by volunteer tax counselors who have received special training from the Michigan department of the Treasury.

Some residents can receive up to \$1,200 in rebate on property tax. W. de St. Aubin pointed out that to obtain a speaker to acquaint seniors with the benefits of the Act of 1973, or other information, call 665-3625, the Council on Aging office.

It is necessary to file a claim to obtain a tax refund or home heating credit. It is suggested that meetings be scheduled at senior centers, churches, public buildings and that a speaker be requested. It confined to their home, individual visits can usually be arranged. According to St. Aubin, during the last five years in Washtenaw county more than 5000 individuals received tax refunds totaling approximately. 92 million.

According to Mrs. Laraway, "Grandma" McMillan "really felt bad to know there wouldn't be a place for people to go in the mornings," but Village Bakery

has agreed to open at 5:30 a.m. to feed hungry souls looking for breakfast. Even with Mrs. McMillan no longer at the helm, a sense of some continuity will be preserved

The Chelsea Standard, Thursday, February 7, 1980 **FFA Will Host District Contests**

Monday, Feb. 11, the Chelsea FFA chapter will hold its monthly business meeting, beginning at 8 p.m. in the Ag room at the high school. On the agenda will be the land committee, banquet preparations, convention information and other topics.

The chapter has recently completed the last step in the process of carrying out their annual broiler project. Jiffy Market assisted members during the sale of the chickens.

This year, as in the past, the chapter will send two delegates and one alternate to the state convention, which runs from March 19 through 21. Attending as delegates will be Herb Pearson

and Bob Schleede, with Dave Heydlauff the alternate.

Thursday, Feb. 7 the local chapter will host the District Leadership Contests for this district, which includes chapters from Dexter, Jackson Parkside, Manchester, Milan, Saline and Springport.

Contests will begin at 4 p.m. in the high school cafeteria. Chelsea will have members entered in public speaking, greenhand public speaking, demonstration, job interview and parliamentary procedure contests.

CPR, or Cardiopulmonary 7:00 p.m.-Women's Bible Resuscitation, is a life-saving emergency technique used to revive victims of drowning, heart 7:30 p.m.—Bible study classes attack, electric shock, smoke inhalation, and other fatal conditions.

Participating in the ceremony were Ann Arbor Mayor Louis Belcher, Ypsilanti Mayor George Goodman, Milan Mayor Ron Weber, Saline Councilman Jerry Wright, and Richard Walterhouse, chairman of the Washtenaw County Board of Commissioners.

Free public CPR classes will also be held from 9 a.m. to 7 p.m., Friday, Feb. 15, at Washtenaw Community College, and Saturday, Feb. 16, at Pioneer High school, Ann Arbor. Preregistration is required only for groups of 10 or more, and new classes will start every one-half hour. For registration and information, call the Red Cross at 971-5300. These "CPR Days" have the capacity to train more than 2,000 people.

Among the 200 certified volunteer instructors for the Feb. 15 and 16 CPR classes will be members of the University of Michigan Hospital, St. Joseph's, Chelsea' Community Hospital, GM Hydramatic in Ypsilanti, the **Ypsilanti Regional Pshychiatric** Hospital, Maxey Boys Training School, and the Ypsilanti Township Fire Department. In conjunction with the county-

wide effort, Saline Community Hospital is also sponsoring free CPR classes Tuesdays and Thursdays during February at Saline High school. To register, call 429-5435.

The Ervin Foundation is sponsoring the classes at St. Joseph's.

DONALD A. COLE Director

Would your family know what to do if they were suddenly faced with the need to make funeral arrangements? You can record your wishes with us in advance . . . thus assuring that

The Bible-The Light from Heaven

Teaches the greatest need in the modern world is undenominational Christianity. The proper basis for undenominational Christianity is found in the New Testament, in the seven fundamental unities mentioned by Paul in his letter to the Ephesians. He reminds us that there is: ONE BODY or church: for the church and the body of Christ are identical. (Ephesians 1:22, 23; Colossians 1:18). One Spirit, which is the Holy Spirit. As a guide into all truth. (John 16:13). One Hope, or aspiration. The heaven-ly home is the goal toward which the members of the one body are, or should be moving. One Lord, the Christ. All authority both in heaven and on earth has been given to him. (Matthew 28:18). We are to listen to Jesus. (Matthew 17:4, 5; John 6:68; Hebrews 5:8, 9). One Faith, or creed. The creed is Christ and his teaching. The addition of man-made creeds causes division among the followers of Christ. The apostle Peter stated: "If any man speak, let him speak as the oracles of God." (I Peter 4:11). One Baptism, in the name of the Father, and of the Son, and of the Holy Ghost. (Matthew 28:19). A burial is taught in the Bible. (Romans 6:4; Colossians 2:12). One God and Father of all. He is the grand Object of our worship and devotion. The golden chain of unity is composed of seven links, Jesus prayed that believers all be one. (John 17:20, 21).

Pollards To Present Travel Film on Spain

Saturday evening, Feb. 9, Chelsea's Kiwanis Club will present its fourth program of the "Travel and Adventure Series" at 8 p.m. in the Chelsea High school auditorium.

Entitled "The People of Spain," the travelogue will be presented by Howard and Barbara Pollard, both of whom have backgrounds that are ideal for their adventurous life of travel filmmaking.

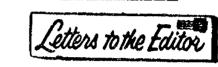

Howard, a native midwesterner, studied engineering and filmmaking at Lawrence Tech. After a stint in the Army as a cameraman, he went into his own business of producing television commercials and short subjects. He has won many awards for his film work. Barbara has studied voice and drama at the Detroit Conservatory of Music and also at the well-known Interlochen National Music Camp. She also attended the University of Miami, majoring in radio and television acting and theatre. After graduation, her professional appearances inThe Chelsea Standard, Thursday, February 7, 1980

Awarded **Memorial** Scholarship

Robert M. Wenk, son of Mr. and Mrs. Norman O. Wenk of Chelsea, has recently been named the recipient of the Arthur J. Packard Memorial Scholarship,

The American Hotel Foundation sponsors this nation-wide competition, which allows only one student to be nominated from each hotel school around the country. The scholarship fund was established to commemorate an industry leader and pastpresident of the American Hotel Foundation.

He is currently employed on a part-time basis by the Detroit Plaza Hotel in Renaissance Center as their Lansing area sales representative.

Dear Editor:

Many times we forget to recognize the good within our own community. We read of problems and crime while many acts of kindness and giving go unnoticed. I would like to recognize a man in our community who has given his time to special kids. Dr. Jerry Waldyke has donated

his time to give physical exams to all of Chelsea's Special Olympians for a good many years. He has made it all possible for them to meet the requirements of com-petition. We have invaded his office in groups of 30 or more and he has patiently taken time with each child. We thank him very much for the help he has given us and for the many other contributions he has made to the school and the community. His kindness

won't be forgotten. Chelsea's Special Olympians, Nancy Cooper, and Judy Bottum Chelsea High School.

HOWARD, BARBARA POLLARD

cluded the Detroit Civic Light Opera, the Normandy Players and summer stock.

With much insight, Howard and Barbara have turned their talents to the country of Spain. The Pollards are convinced that the best way to discover a country is through a knowledge of its people. This refreshing viewpoint gives audiences a deeper understanding of cultural differences and similarities.

While important Spanish points of interest will be visited, the audience will be viewing them through the eyes of the Spanish people themselves.

With Spaniards as guides, visit the cities of Madrid, Toledo, Segovia, Avila and El Pardo. See them for the first time through the eyes of their inhabitants. The Spanish are idealistic and generous people and the Pollards will show how these personality traits affect their lives and relationships with one another.

A sequence about the great Spanish author, Cervantes, will better explain Spanish idealism and the influence his classic novel, "Don Quixote," has had on the entire world.

Working from the belief that people are curious about people, Howard and Barbara Pollard have created a film of beauty, color, warmth and information. Tickets may be purchased at

RESIDENTIAL HOME AS INVESTMENT

In the past, any real estate investor who eyed the purchase of income-producing property would forsake the single-family home and aim for the apartment house. The reason being that the cash flow is always larger with multi-family dwellings in relation to the amount of dollars invested.

But this view is changing today and the single-family home is growing more and more popular as an investment property, especially for the beginning investor. For one thing, there are a lot more of them on the market than apartment houses. They are easier to get into and out of so the investment money is somewhat more liquid.

In some ways, it can be compared with the investment of raw land in that the main profit is made when the property is sold. If the residential homes are selected carefully in a steady growth area, the appreciation can be very lucrative. Holding costs can be covered by rental income. Also there is an excellent tax shelter offered by deducting depreciation from your income which can allow you to reduce the taxes on other income.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

Volleyball Teams Defeat Pinckney

A real psychological battle be- Cindy Gerstler and Sandy tween volleyball squads from Chelsea and Pinckney saw Chelsea emerge victorious Monday evening, 15-7, 9-15 and 17-15. According to Coach Judy Bottum, it all came down to the close final match. Chelsea had a huge lead, which gradually dwindled down to a 15-14 lead and then a 15-15 tie. Careful play brought the Buildogs their needed two points and the team beat Pinckney, who defeated them earlier in the season.

Excelling for the defense were JV 4-5 on the season.

Bushway. Sue Branham led in serves with 19, followed by Kelly Hense with 17. Hense also had 25 sets and Patty Rawson contributed 17 spikes.

On the JV side, the team also defeated Pinckney, 6-15, 15-3 and 15-12. Defensive leaders were Kim Forner and Amy Poljan. Servers Cathy Doll and Cindy Connell were standouts, as were setter Diane Bareis and spiker Venus Roberts.

The varsity is now 3-6 and the

> **Recreation** Basketball Action in 2nd Week

In the second week of play in Chelsea Recreation Department Adult Basketball this week, two teams, Chelsea State Bank and Ann Arbor Centerless, are on top of the league with 2-0 records.

Centerless defeated Thompson's Pizza last week by a score of 73-50. John Mann led Centerless with 18 points. Dean Thompson had 19 points for the losers.

Dana edged Union Savings Bank, 62-60. Dana was led by Dan Krysio with 23 points. Union Savings' Rick Snyder dropped in 13.

Contamination?

(Continued from page one)

afternoon, another department representative, Richard Yarmain, said the initial tests yielded no conclusive results and that further samples had been taken. Yarmain said that the DNR

and a private firm were also taking well samples for analysis. Several residents report that

they have been advised by the DNR not to use the well water for drinking or cooking until positive findings are available.

Johnson stressed that the legal aspects of the situation are not nearly as crucial as insuring that Sharon township residents face no danger from the wastes.

"Action needs to be taken now," he said. "They can worry about the legal part later. This has been going on since at least November. Those barrels need to be removed from the site. They may be empty, but I don't know." If the recently-taken water samples reveal levels of contamination, Johnson said there are several steps that may be taken.

"If something is found in the wells, we will assess the significance. There are maximum recommended levels, and if it was above these levels, then we'd have to see what potential effects it would have.

"Unfortunately we don't know very much about low levels of contamination. If it shows contamination now, it will be there for some time."

Johnson said if contamination is found, residents would probably first be advised to dig their wells deeper.

"Of course," he added, "we'd

have to identify how wide an area this would cover. We'd have to determine the flow of ground water and that gets pretty involved."

According to Sharon township Supervisor John Savage, representatives of several involved agencies will be present at the Thursday, Feb. 7, meeting of the township board to answer concerns of residents. According to Savage, Washtenaw County Health Department Director, Dr. John Atwater, will be present at the 8:30 p.m. meeting, together with representatives from DNR and the Washtnaw County Prosecutor's Office.

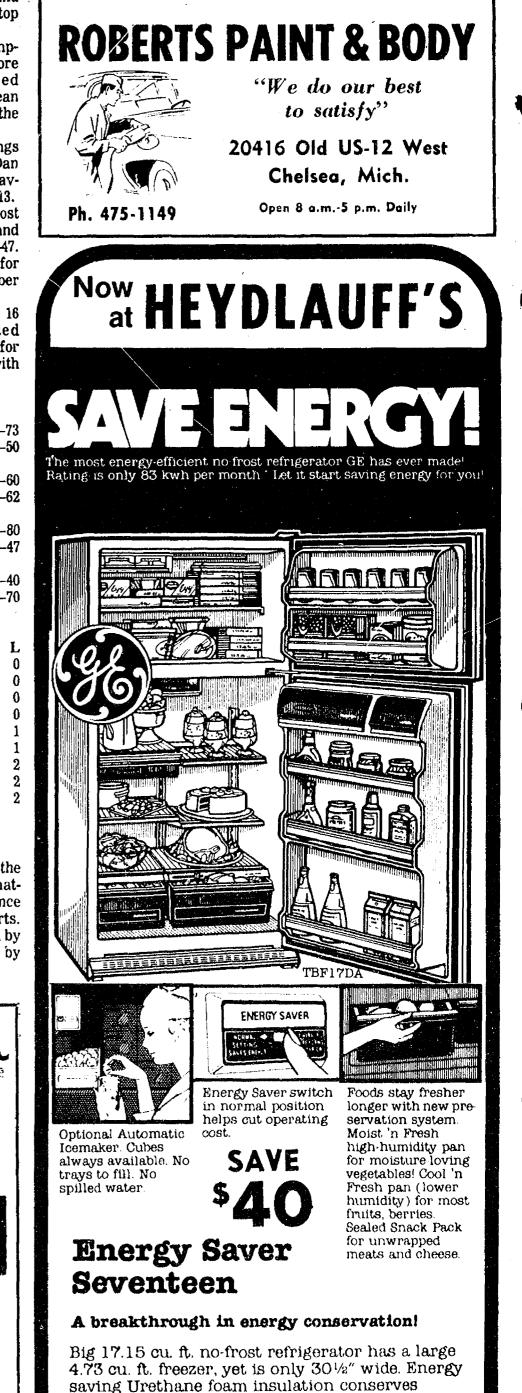

Township treasurer Herbert Jacob expressed some concern that the township had not been apprised that an investigation was underway in the area. "We're the ones the people come to for answers," he said.

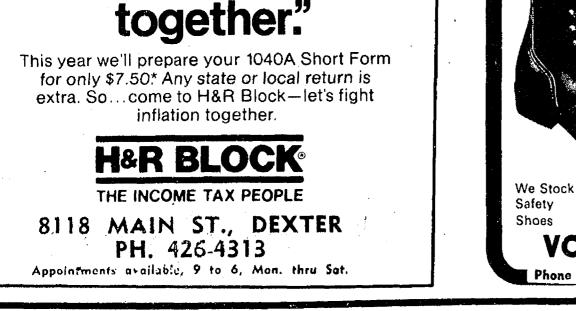

Referring to the agencies involved in the investigation, Jacob said: "They've got a lot more clout than we have, but we're going to keep on their tails until something is done."

Representatives from Sycor, Inc. and a Sycor maintenance supervisor, who was also named in the charges, will appear at a pre-trial hearing in Ann Arbor on Feb. 28.

Unadilla Presbyterian Church Will

Observe Its 141st Anniversary With a special coffee hour and

birthday cake this Sunday, the First Presbyterian Church of Unadilla will celebrate its 141st anniversary as a congregation.

According to one book of minutes, the First Presbyterian Church of Unadilla was founded near Feb. 4, 1837 with eleven members. In another book, however, the date for the founding is given as Feb. 11, 1839. Reasons for the discrepancy are not clear, but the church has chosen to use the second date in fixing its 141st anniversary.

In May 1844 the church voted to erect a church building, which stood until June 27, 1914, when a tornado destroyed the edifice. Sept. 21, 1914 a contract was let to L. N. McClear to build a new church - specified to be raised in 60 days at a cost of \$1,000. This is the building that serves the congregation today.

The new church was dedicated Dec. 20, 1914 by the Rev. Brooks of Howell. Members of the building committee were Sarrah Hadley, Willis Pickell, Josie Cranna, A. J. May and the Rev. Berry.

According to Ms. Peggy Hall, Lay-Preacher, who is the present pastor of the church, Unadilla Presbyterian has had a long history of ecumenism and broadmindedness.

Two stories, recounted by one of the older members of the congregation, point to unusual positions taken by a church in the 19th century. The congregation, it is said, assisted in the Underground Railroad, helping escaped slaves to reach freedom in Canada. Also, a story goes, the Missionary Society of the church didn't follow the traditional all-female pattern and admitted men as

ANNIVERSARY CONGREGATION: This Sunday, members of Unadilla's First Presbyterian Church will light the candles on a birthday cake for their church, which was found-

Neither story is documented in church records, Peggy Hall admits, but neither are they disproven in any way.

As far as ecumenism goes, Unadilla Presbyterian at one time acted in co-operation with the Methodist church that was once located in Unadilla. Both congregations held a joint or union Sunday school until Oct. 6,

ed 141 years ago. The present church building was built in 1914 at a cost of \$1,000 after a tornado destroyed the previous structurd, built in 1844.

Worship this Sunday will be held at 11 a.m. as usual, with guest preacher Dr. John Chandler, minister-at-large of the Kalamazoo Presbytery, to which the Unadilla church

belongs. A special bulletin used at the service was designed by a local member and is suitable for framing to remember the occasion.

After worship, a "talk-back"

congregation a chance to discuss points of Dr. Chandler's sermon. A coffee hour, featuring a specially-decorated birthday cake, will follow worship. An inter-generational liturgical class of the church, the Learning Together Club, will provide the refreshments.

Ms. Hall extends a special invitation to neighboring churches to send representatives to the

In addition, the Methodists attended worship in the Presbyterian church when their pastor had to preach in other Methodist churches in the area. Presbyterians also worshipped in the Methodist church on occasion, but it isn't clear whether their minister also preached to other congregations and was absent for that reason.

In 1893, the ladies of the church raised funds to pay for the purchase of Noble Hall from Sylvester Noble. The upper floor was used for a skating rink and auditorium, and the lower for a stable for the horses of church members.

Other interesting purchases include the procuring of the church bell in 1889. At a later time, with no reason given, the congregation decided that the church bell should not be rung. Today it is regularly sounded for worship services on Sundays.

It was voted by the congregation in February 1915 to sell 25 singing books at 20 cents each to go into the building fund. Another reference to church finances in the historical records states that, in 1879, a motion was made and carried, instructing the clerk of the trustees to post a notice in the hall of the church stating that all slips (seats) of the church were free for anyone to sit in except those that are cushioned. No mention is made of the cost of a cushioned pew.

This month, a chalice and pitcher that were used at the church at least as far back as 1937 were returned to the congregation. When Barney Roepcke was ordained into the Presbyterian ministry in September of that year, the proud congregation gave him the chalices and pitcher from the communion set. Mr. Roepcke, now a minister in the north of Michigan, returned them in January, feeling that the local church should have them

Mention is made in the records of a communion set as far back as 1878, but it is not known if this is the set that Mr. Roepcke recently returned.

The historical record also reveals that in 1892 the Session took action to expel a male member from membership in the church because of his behavior.

Ms. Hall stresses that while the congregation enjoys looking back QUALITY IN EVERY DETAIL. at the way things used to be, members are "looking with positive and hopeful eyes toward the future in hopes the church can continue to make a contribution." Wherefore your plaintiff prays:

a. That within the time provided by law this court may determine and adjudge that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein

land described in said schedule as therein extended; b. That within the time provided by law this court make a final judgement in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses as computed and extended in said schedule against the several parcels of land therein contained, and the amounts listed in the column headed "aggregate" shall con-stitute the amounts adjudged against the said several parcels, unless so amended by this court;

this court; c. That said judgement provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the several parcels of land, or such interest therein as may be necessary to satisfy the amount adjudged against the same, shall severally be sold as the law provides; d. That your plaintiff may have such other and further relief in the premises as to this court may seem just and equitable. And your plaintiff will ever pray, etc. Dated: January 11, 1980 LOREN E. MONROE, State Treasurer of the State of Michigan for and in behalf of said State.

Two Teachers Attend Reading Conference

Two North school teachers, Marie Crouch and Sally Schlupe, attended a conference the weekend of Feb. 2, dealing with the Orton Gillingham approach to teaching reading. The two-day conference covered extensively this phonic-oriented approach to teaching spelling, writing and reading.

The conference was not funded by the district, but both women felt that it was well worth the time and money spent. Both came back with many ideas and materials, as well as an alternative approach to implement with children having reading, spelling and writing difficulties.

This conference was held in the Saturday, Feb. 2 at 3 p.m. at the Washtenaw Intermediate School District building. WISD provides county teachers with an excellent ficiating. Burial followed in Oak source of developmental materials and workshops.
