Cagers Win at Dexter, Lose To Carleton

A successful foul shot made with just two seconds left in overtime spelled defeat for Chelsea's varsity cagers Tuesday night at Carleton Airport. For Chelsea, it was the first defeat since the opening game of the season against Brighton back in November.

"It's just a non-conference loss for us," explained Coach Robin Raymond. "Hopefully, we'll learn something from our loss. Sometimes you become complacent and relax a little. Now we have to reassert ourselves and regain the momentum."

Chelsea's league rival Saline also lost Tuesday night to Monroe Catholic Central in non-conference action. Both teams will be coming off losses when they tangle Friday night for the SEC crown.

Chelsea outscored Airport in field goals, but made only seven of 11 free throws, compared to Airport's 18 for 29 free throw mark. Chelsea did not attempt a free throw in the entire second half of the contest, a fact which Coach Robin Raymond says illustrates the fact that Chelsea "didn't get the breaks last night."

"Sometimes in a game, the breaks go for you or against you," Raymond said. "We had to work for everything we got." The contest entered overtime after Don Schrottenboer put in a shot just at the buzzer to tie the contest at 61-61.

Both teams took turns with the ball in the three-minute overtime period, committing turnovers and maneuvering carefully for good shots.

With just two seconds left in overtime, Chelsea fouled an Airport player inside, giving him two free throws. The player made the first shot but missed the second, and Chelsea went up for the rebound. With only two seconds, however, the Bulldogs had no time for a good pass and were behind by one when the buzzer sounded.

"We had three good chances to win it in overtime," said Coach Raymond. "The sign of a good team is to keep your composure under pressure. Before in the season we made those plays."

Despite the loss, Don Schrottenboer had an excellent game, scoring 20 points and hauling down 16 rebounds. Unfortunately for the Bulldogs, the next highest rebounder managed to haul down only three.

Jeff Dils had 18 points and four assists. John Dunn scored nine points and Brad Knickerbocker had six, together with five assists. Karl Albrecht scored four, Mike Killelea and Sean Peterson had two each.

Things were somewhat brighter earlier in the week, as the Bulldogs defeated neighborhood rival Dexter Friday night, 66-60.

Dexter, said Coach Raymond, was primed for an upset, but Chelsea managed to stay one step ahead of the Dreadnaughts and their steady trio of Jim Vaughan, Jeff Leighton and Rob Ianni.

Dexter tried to shut off the inside for Chelsea and went to a 2-3 zone with five people inside the lane. Raymond said that by and large, the Dreadnaughts were successful at stopping Chelsea inside.

John Dunn was a key factor in keeping Bulldog momentum going, as he scored 19 points and grabbed 11 rebounds. Dunn managed seven outside jump shots that kept the Chelsea lead intact. He hit four outside jumpers in the third quarter when Chelsea needed a boost.

This was the second season meeting for the two teams, and Raymond noted that when two squads play their second season game, the margin usually narrows, as it did Friday night. A good team, Raymond said, will improve less over the course of a season than will an average one.

Dunn was the high scorer with 19. Dils had 15; Schrottenboer, 13; Peterson, 8; Knickerbocker, 7; Killelea and Riemenschneider, 2 each.

Score by quarters—Airport

Chelsea	19	16	18	8-61
Airport	16	16	13	16-62

Score by quarters—Dexter

Chelsea	15	16	16	19-66
Dexter	18	9	17	16-60

Covenant Church Members Elect First Council

Members of Covenant church elected the first church council for the newly-organized congregation this past Sunday.

Elected were Larry Wiedmayer, president; Margaret Kuhl, vice-president; Eleanor Hall, secretary; Karen Blanchard, treasurer; Ray Kyte, financial secretary; and Elaine Boyce and Richard Spayd, members at large.

A constitution and by-laws were also adopted by the congregation this Sunday.

Biddy Basketball, Gymnastics Slated

Biddy Basketball and gymnastics will be held this Saturday, Feb. 16, at their usual times. Originally, this week was scheduled off, with classes to resume on Feb. 23.

Now, however, classes will meet on Feb. 16 and use Feb. 23 as an off day. Both events will resume on March 1.

Other classes in the Super Saturday program will continue to meet on their regular schedule.

FARMER'S NIGHT: Chelsea Kiwanians held their annual Farmers' Night this Monday at Chelsea Community Hospital. A newly-inaugurated Kiwanis award for service was presented to Reuben Lesser, Sr., second from right, long-time Sylvan township supervisor. Assisting in the presentation were, left, Kiwanis President George Parker, the evening's speaker State Representative Mary Keith Ballantine (R-23rd Dist.) and master of ceremonies William Rademacher.

JV Cagers Post Victory Over Dexter

Experience and good fortune again combined for Chelsea's junior varsity basketballers last Friday, giving the JV a 60-48 win over Dexter.

According to Coach Jon Schaffner, the whole game came down to rebounding, with Chelsea grabbing 47 to Dexter's 28. Rebounding, Schaffner continued, was the reason the Bulldogs managed to take more shots in the first half (43) than Dexter was able to attempt in the entire contest (42).

A 22-point fourth quarter, in which John Welton managed to score all of his 11 game points, put the icing on the cake for the Bulldogs.

Toby Boyd also had 11 points. (Continued on page 12)

Camp Vandalized Sometime Over Past Week-End

The Dr. Burt A. Shirley Camp at North Lake, formerly known as the Christmas Seal Camp, was vandalized over the week-end.

The camp, now owned by the Detroit Board of Education, had several windows smashed, furniture damaged and several buildings entered. Camp records were also scattered over several of the rooms.

A reward for identification of the intruders is being offered by the Inverness Snowmobile Club. Anyone able to give information is asked to call the Washtenaw County Sheriff's Department Tip Line at 973-7711.

All information received on the tip line is strictly confidential.

Sharon Wells Not Contaminated

Sharon township residents were told they may again feel safe drinking their well water last Thursday, as state and county government officials assured them that the latest tests for waste chemicals had proved negative.

Approximately 200 concerned people packed into Sharon township hall to hear Washtenaw County Health Director, Dr. John Atwater, and Washtenaw County Prosecutor William F. Delhey make public the most recent findings on the water.

A number of residents had been told not to drink the water from their wells following the disclosure two weeks ago that barrels containing waste chemicals had been located on the Hashtley Rd. property of John Culp last November.

Sycor, Inc., an Ann Arbor computer firm, pled mute to charges of illegally contracting with another to remove liquid industrial wastes. Sycor was not actually charged with dumping, nor were any charges brought against Culp.

An initial sampling done from a number of area wells indicated the presence of certain chemical contaminants, including benzene, which is a known cancer-causing agent. Residents were then advised by the Department of Natural Resources not to drink the water until further tests could be ordered on the five wells.

The second group of tests yielded no positive results, and yet a third set was taken by the DNR and the Washtenaw County Health Department.

As residents packed tightly into Sharon township hall late Thursday, the results of the third group had not yet been made public. Prosecutor Delhey announced to the anxious crowd that state health lab results returned Wednesday showed that the water was not contaminated. "To me," said Delhey, "the primary concern is the condition of the water and the safety of your wells."

Delhey had no conclusive explanation for the initial positive results received from the fact well testing. According to Dr. John Atwater, a possibility of false positive test results does exist. "That's about the only explanation we have for it," he concluded.

A number of Hashtley Rd. residents then questioned why their wells had not been tested, even though they had called to request such tests be done. Jim Kent of the Michigan Department of Health explained that the geological make-up of the area indicated that well water may be drawn from many different levels, and therefore not all wells in the affected slice of Hashtley Rd. necessarily draw from the same water table.

He explained that any Michigan resident with a well can send in a sample for bacteriological tests, but that the kind of testing done on the five chosen wells is much more involved and expensive.

A promise was made by the DNR and by the prosecutor's office, however, that the DNR will continue to check the area for the next six months. According to Prosecutor Delhey, when the frost has left the ground test borings will be made to determine any chemicals in the soil that would be affected by surface run off.

One Sharon resident, expressing the frustration of many, asked how the incident managed to happen in the first place.

Supervisor John Savage answered that people break laws and rules daily, and added that "it wasn't until somebody saw fit to say something that this was brought to the attention of the proper authorities."

Jim Dietrich, area resident, expressed concern that the dump was first located in November but that area residents weren't notified until the report hit the media two weeks ago.

Warren Hutchinson of the DNR prosecutor's office in Lansing explained that when the barrels were first found, testing was done on the Culp well and produced negative results. Also, said Hutchinson, certain facts could not be revealed because of the rights of defendants.

"This is exactly what we didn't want to happen," added Prosecutor Delhey. "Everyone getting all upset about it."

Dr. Clark Spike, Sharon landowner and research chemist at Eastern Michigan University, joined with University of Michigan toxicologist Mike Brabec in assuring the crowd that the materials in question are not highly toxic.

Benzene is found in gasoline in higher levels than those identified in the barrels at the dump site, Dr. Spike said. "I'm terribly mad also..." he continued, "but I'm concerned that we not get overly concerned about a hazard."

Responding to a question about chemicals that may have been burned off in the Hashtley Rd. area, Dr. Spike answered that smelling gasoline is more serious than breathing fumes from such a burn off.

Several residents wanted to know the rights of residents concerning private lawsuits. Delhey answered that as far as he could determine, private citizens have the right to bring private damage suits if they have the grounds to do so.

"This is a little out of my area," joked Delhey. "I feel more comfortable with breaking and entering and murder."

All concerns were addressed in short order, with questions slacking off dramatically after only one hour of discussion. "I believe what they're telling us," one resident announced. "Now let's all go home."

Others are not so sure. After the meeting, a resident of the area expressed a strong conviction that the whole truth had not been told.

Dissidents Take Over Party Caucus

Change was the order of the day at the Independent Party caucus in Chelsea Monday evening, as only one of the eight persons nominated for village office is presently serving in village government.

Party Chairman George Palmer took note of the extensive revamping of the slate, saying: "A dissident group kind of took control this year."

An unusually large group of 165 Chelsea voters attended the evening caucus, which nominated Charles Ritter for the office of village president. Mary Harris is the nominee for village treasurer and Charles Winans, II, will run for assessor.

Two-year trustee positions will be sought by Loren Keezer, Stephanie (Sis) Kanten and Joe Merkel, III.

Katherine Wagner, the only incumbent this year, and Jack

Merkel are the party nominees for three-year terms on the library board.

Leaving office this year will be present President Don Wood and trustees Harold Rady, Walter Brown and James Schardeln. Trustees Lyle Chriswell, John Popovich and Mike Sweet are presently in the first year of their two-year terms.

The candidates will run unopposed in the Village election on Monday, March 10, although write-in votes are permitted.

George Palmer noted that it has been more than 15 years since the Independent Party was opposed in municipal elections.

Nevertheless, rumors have already been circulating of a possible organized write-in campaign to challenge the chosen independent slate. At this early date, however, discussion is all that has appeared.

Views Sought on Downtown Area

What do you think about your community's downtown area? Are improvements needed? Do you shop much at the stores there? Is parking a problem?

Your responses to these and other questions are being sought by the Washtenaw County Metropolitan Planning Commission for the County's Central Area Action Program. The program is designed to assist local communities organize and take action aimed at making their downtown area a better place to live, work, shop and do business. The program is being made possible by a \$15,000 grant from the State of Michigan, with a local match of County Planning staff time authorized by the County Board.

A central feature of the program is a survey of business men and women and of residents in Saline, Milan, Chelsea, Dexter, Manchester and the Whitmore-Horseshoe Lakes area. The survey will tap into the views, opinions, and hopes which various members of each community hold about the central business district and surrounding residential area. The survey results will provide the basis for recommendations by County Planning staff and its consultant for the program, Carol Sullivan of "Downtown USA," as to how your community can act to address problems and make better use of assets in the downtown area.

Questionnaires will be mailed in mid-February to all businesses

in the central business district and to a sample of residents in each community. If you receive a questionnaire—not all residents will—please fill it out and return it in the postage-paid envelope to the County Planning Commission. All responses will be kept confidential, so feel free to express your ideas and opinions about the downtown.

Your co-operation on this survey is essential to the success of the program. If you care about your downtown area, your responding to the survey is a good way to show it and to bring about any changes you think are desirable.

Blood Pressure Clinic Slated at Chelsea Hospital

Chelsea Community Hospital is sponsoring a high blood pressure clinic Monday, Feb. 18, 1:30 to 2:30 p.m. at the Chelsea Senior Center, 134 W. Middle St.

Seniors are invited to have their blood pressure checked and learn about controlling high blood pressure. Julie Say, Chelsea Hospital Community Nutritionist, will discuss the relationship between high blood pressure in diet, sodium in foods, and the effect of certain high blood pressure medications on minerals in the body.

The clinic is free. To register for the session, call the Chelsea Community Education Office, 475-9830.

WITH A CAKE AND FLOWERS, Ella McMillan, center, celebrated her last day at the Chelsea Restaurant, Saturday. Helping her begin her retirement were employees, from left, Juanita Cook, Noel Laraway (Mrs. McMillan's daughter), Patty Schick (a granddaughter), and Estelle Finrock.

DONALD DETTLING, a Boy Scout for six years, received his Eagle Scout award at the Troop 476 court of honor, Sunday, Feb. 9. Dettling, an 18-year-old senior at Chelsea High school, landscaped the grounds of St. Mary's new rectory building as his Eagle project. He plans to make law enforcement his profession.

Presidential Primary in Question
 Michigan's May presidential primary election will have little, if anything, to say about the committed delegates to the national conventions unless the current deadlock between the legislature and the Democratic National Party can be resolved.

The national party adopted rules requiring a "closed" primary where voters must at least declare in which primary they intend to vote. All states were then required to comply or delegate selection via the election process would be disallowed.

Michigan's open primary, where voters can cross-over and vote for candidates either in the Democratic or Republican primary, did not qualify.

The national party ruled that Michigan either change the law for a closed primary or delegate selection would take place in party caucuses.

The legislature was unable to make the changes. The Senate voted for the changes but the House objected and in fact, voted to eliminate the presidential primary altogether.

Moreover, Governor William G. Milliken declared early in the legislative process he was unilaterally opposed to changing

Michigan's open primary methods and said he would deliver a veto if such a bill reached him for signature.

Similar activities have taken place in Wisconsin, another state with an open primary. That state's Supreme Court upheld the validity of the open primary and is proceeding with plans to hold the election.

The Democratic National Committee, meanwhile, intends to file an appeal to attempt to reverse Wisconsin's high court ruling.

Certain Senate leaders want Attorney General Frank Kelley to file suit against the national committee rules to bring some direct meaning to Michigan's primary election results.

However, after nearly two hours of discussion, the Senate Democratic majority was unable to make any decision as to whether to proceed with a resolution calling for the attorney general to file the suit.

Olivia Maynard, chairperson of the Michigan Democratic Party, appeared before the caucus to oppose the resolution, saying the national rules were adopted for due process, fair reflection and affirmative action in the delegate selection process which would be

threatened if the Wisconsin primary decision, of a similar decision in other states, would stand.

She said the so-called open primary is open to mischief, irresponsible voting and game playing and would not necessarily reflect the will of the voters.

She concluded delegates in Michigan would be selected by party caucus and to think their selection would take place in an open primary would be wrong and their seating at the national convention would be subject to challenge.

Meanwhile, candidates for the national top elective office will probably bypass doing much campaigning in Michigan as voters will, in the final analysis, have little to say in delegate selection.

Land Use Conference Scheduled

Washtenaw County Cooperative Extension Service, in co-operation with the Washtenaw County Committee on Rural Land Use, will present a conference on dwindling farm acreage at Saline High school Saturday, March 1, from 9 a.m. to 5 p.m.

According to program sponsors, the average agricultural land loss in the county since 1940 comes to 10 acres a day, one farm a week. The conference, at which lunch will be available for \$2.25, has been organized to provide the opportunity for citizens to make their views known concerning local land use.

Those planning to attend are asked to call Ken Ludwig at the Extension office, 973-9510.

Three Flags Stolen From McDonald's

Three flags were stolen from poles outside McDonald's restaurant on M-52 some time between Friday and Sunday, Chelsea police reports indicate.

Day manager John Green told police that the three flags, a 4'x6 U.S. flag, a 3'x5' Michigan flag, and a 3'x5' McDonald's flag, were last seen on their poles Friday.

Value of the three pennants is approximately \$60. Police have no suspects.

Yours truly,
 Uncle Lew.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Bug Hookum told the fellers at the session at the country store Saturday night that he had give some thought to all of Ed Doolittle's lamenting last week, and that he had caught whatever Ed's got. Bug said he saw this ad on TV where somepun is recommended for a "overdoer's backache." Bug said he was of a mind that what he's got is an overdoer's bellyache. It looks like, declared Bug, that everything we do we do to much of.

Per instant, said Bug, there's this program in Mexico to provide more protein for a hungry world. From insects. This scientist reported she has got a list of no fewer than 60 kinds of bugs that are good to eat. These critters are provided for us just like cows, hogs and fish, she said, and it's all in the way you look at food. One dish called Mexican caviar is made of fly eggs, she said, and another tasty item is a bug served alive in a hot sauce.

Bug said he is full agreed that the way you look at food says a lot about you, and he don't look at food that keeps wiggling off his plate. He said this scientist is overdoing her job to feed the world. It's one thing to bake four and 20 blackbirds in one pie, Bug declared, and it's another thing altogether to stir 60 kinds of insects in one casserole. Bug said he was of the school that if he found a worm in his apple he throwed it away, and he's to old a meat and potatoes dog to learn new eating tricks. Clem Webster said he eat a chocolate covered ant, but he was agreed with Bug that as a regular thing he'd stick to nuts in his candy, and if the bugs git in it he's throwing it out.

Farthermore, went on Bug, this latest project by the Occupational Safety and Health Administration is so overdone it can stop the country in her tracks if it is allowed to go in effect in late April as planned. This report Bug read said 25,000 pages of testimony had been took in hearings, and OSHA has come up with a list of 500 substances that are harmful to health and will have to

be "removed from workplaces of America." We started with asbestos and we've gone slap crazy, was Bug's words. The way this job campaign is laid out, he said, it won't matter if the Food and Drug Administration outlaw nitrate bacon. If we follow that OSHA list of on-the-job hazards there won't be no jobs and nobody will be bringing home the bacon.

Actual, all this OSHA deal means is that "risk assessments" will have to be made of all them 500 items. This means 500 new OSHA inspectors fer each item to go around and get in the way of folks trying to work. OSHA, declared Bug, is like the hellfire and damnation preacher that keeps his people scared in order to keep his job.

Final, Bug said the American Civil Liberties Union has overdone civil liberty by suing Rabun County, Ga. to take a lighted cross off Black Rock Mountain. The First Amendment didn't do away with God Almighty altogether, he said.

Yours truly,
 Uncle Lew.

Lioness Club Plans March 15 Charter Night

A general meeting of the Chelsea Lioness Club was held in Chelsea Community Hospital Monday night, Feb. 11. Plans for Charter Night, March 15, was the order of business.

Many new faces were seen at the meeting and the group is hoping to see more in the future.

The Lioness Club is open to any civic-minded woman who wishes to express her concern for human need in the community. Once the club is fully organized, the group hopes to present a speaker at each general meeting.

The purpose of having a speaker would be to provide enrichment and growth for members. Business would then be conducted at the board meetings and presented in brief at general meetings.

Lioness Club meets the second Monday of each month in the Community Hospital conference room, 7:30 p.m. Board meetings are held the fourth Monday of each month at the homes of Lioness members.

Note that the next meeting, which was to be held at the home of A. Michelsen, will now be held at Chelsea Hospital, Monday, Feb. 25, 7:30 p.m. in the conference room.

Questions regarding the club may be directed to Adamine Michelsen, 475-9455.

Women's Club Enjoys Program On Exercise

The Chelsea Woman's Club met Tuesday, Feb. 12 at Beach Middle school with one guest present, June Winans. Helen Thomas presented an exercise program and President Kathy Heeter presided.

There was a dessert exchange and the centerpiece on the valentine-decorated tables was won by Betty Osterle.

Hostesses for the evening were Mary Turcott, Jill Spade, Gladys Peterson and Joyce Vogel.

Next meeting is March 13 when the club plans to attend the Chelsea High school production of "Carousel."

Cooking Demonstration Tickets Still Available

Tickets are still available for the final demonstration in the Chelsea Child Study Club series, "A Culinary Collection."

Monday, Feb. 18, Lenore Mattoff will present "Chocolate, Chocolate," at St. Paul's church, Old US-12. Tickets may be purchased at the door, and all proceeds go to Spaulding for Children.

VFW Auxiliary Hears Report on Mid-Winter Meet

Ten members attended the regular monthly session of the local VFW Auxiliary Monday, Feb. 11. Reports were given on the mid-winter conference held in Lansing, Jan. 25-27.

Mary Erskine and Eulahlee Packard attended the auxiliary's part of the conference and Marien Johnson attended the dinner, where state-wide Voice of Democracy winners received their scholarships.

Sandi Ellenwood reported that 12 persons completed the CPR class held at the senior citizen center. Rehabilitation chairman Gertrude O'Dell reported on four ill members, one of whom is still hospitalized.

Lucy Platt informed the assembly of the upcoming Buddy Poppy contest being held in the sixth district at the April meeting in Carleton. The sixth district will be meeting Sunday, Feb. 17 in Brighton, with post and auxiliary 4357 as host and hostess.

A testimonial dinner will be held March 8 at Hamburg post and auxiliary 1224, honoring Commander Dalton Seeger and President Miriam Albright.

Eulahlee Packard reported on the pot-luck supper held in the post home Saturday, Feb. 9.

The auxiliary voted \$184 toward the state cancer quota and \$368 for auxiliary members' cancer insurance. The assembly voted to purchase two card tables, to be presented to the senior citizen center.

Marien Johnson was appointed to act on the bingo committee representing the auxiliary for the next several months.

Next regular meeting will be held March 10, 7:30 p.m. in the VFW hall.

DEL PRETE-RICKELMANN: Mr. and Mrs. Thomas Del Prete of Gregory have announced the engagement of their daughter, Kristy Marie, to Mark A. Rickelmann, son of Mr. and Mrs. Thomas A. Rickelmann of Gregory. The bride-elect is a graduate of Chelsea High school. She attended Jackson Community College and graduated from McConnell in Minneapolis, Minn. She is employed by AAA as a travel consultant. Mr. Rickelmann is a graduate of Chelsea High school, is attending Washtenaw Community College and is employed by Hohlenkamp and Company Plumbing and Heating of Whitmore Lake. A May 24 wedding is planned.

Julie Prohaska Wins Division in MISL Tourney

Julie Prohaska of Chelsea, a sophomore at Eastern Michigan University and a member of the forensics team there, recently took first place in persuasion at the Michigan Intercollegiate Speech League Tournament at Oakland University.

Prohaska traveled with one segment of the EMU team to Oakland the weekend of Feb. 1-2, while other team members competed at Georgetown University in Virginia and Toledo University in Ohio the same week-end.

Director of forensics at EMU, Dennis Beagan, said the EMU team will continue competing in tournaments for the next four to six weeks, but will then begin concentrating on preparing for the national championship tournament, held in Montevilla, Ala., from April 24-28.

Michigan Residents Drive Less, Fly More

Michiganians drove less and flew more in 1979 than they did in the previous year, according to Automobile Club of Michigan.

Auto Club's World Travel Department sold 18 percent more airline tickets last year while the Touring Department reported a 4.5 percent decline in members served for automobile routings, maps and travel literature.

Even though persons are flying in greater numbers, routing information for auto trips out-numbered airline ticket sales 8 to 1 (989,845 to 128,934).

"Several factors were responsible for the decline in motor vehicle travel," said Joseph L. Ratke, Auto Club touring manager. "High gasoline prices and spot shortages along the east and west coasts during the peak summer vacation period, combined with bargain air fares, changed some persons' travel habits."

"In Michigan, our cool summer and mild winter affected weekend traffic volumes and we can't overlook conservation-minded

motorists who vacationed near home," Ratke explained.

The biggest switch from driving to flying occurred in late spring and early summer. Airline ticket sales jumped 49.6 percent during May while vehicle routings were down 28.2 percent in June.

Both Ratke and World Travel Manager Clarence E. Stanbury report long-distance travel down from the 1978 level.

Auto travel requests dropped more than 20 percent to Mexico, Alaska, the West Coast and Michigan's Upper Peninsula. The lone increase in routing requests was to eastern Canada which was up 4 percent.

Fewer persons flew to Hawaii and Europe, opting instead for Mexico, Las Vegas, Florida, California or the Caribbean for a cruise.

HURRICAN DEATHS

Hurricanes have taken more than 5,500 lives in the United States in the past 50 years, according to the Insurance Information Institute. The worst year was 1928, when 1,836 persons died in hurricanes.

Child Study Club Members Urged To Get Credit Rating

Members of the Chelsea Child Study Club and guest June Flanigan met at the home of Shirley Chapman on Tuesday, Feb. 12.

Louise Likavac introduced new member Gari Feldman and President Neta Mills welcomed her with a carnation.

Jo Ann Richardson introduced Kathy Barden of the Ann Arbor Credit Bureau. She spoke on the necessity for women to establish their own credit ratings.

The next meeting will be at the home of Wyn Schumann on Feb. 28. Dr. Joel Saper will speak on the topic of headaches. Guests of members are welcome.

Dottie Bell was hostess for the Feb. 12 meeting.

First "Flying Fish"

Glenn Hammond Curtiss took off from San Diego, Calif., on Jan. 28, 1911, in a special plane of his own design. With that short flight he became the first man to make a successful airborne journey in a hydroplane. Named "Flying Fish," Curtiss' seaplane was the first of many aircraft to land on water. Henry Ford Museum, Dearborn, exhibits a 1916 Curtiss seaplane in its extensive Transportation Collection.

St. Andrew's Plans Special Lenten Series

A series of special Wednesday evening services has been planned by St. Andrew's United Church of Christ in Dexter as part of the church's preparation for Easter.

Anyone in the Dexter area who may be interested in the programs is invited to attend. The Lenten programs are especially intended to remind the church and community that God is at work among His people.

Scheduled as Lenten services are the following programs.

Ash Wednesday, Feb. 20, 7:30 p.m. — A traditional Ash Wednesday service led by the Rev. Kenyon Edwards. Communion will be served as the Lenten season is ushered in.

Feb. 27, 7:30 p.m. — A powerful movie about the healing ministry of Francis MacNutt. He took a team of Christians into an Ohio hospital for one weekend and watched the Lord answer prayer for healing among patients. The Rev. Edwards will share his reflections on the movie, his own interest in healing, and his involvement with the Order of St. Luke.

March 5, 6:30 p.m. — The church encourages the "Family of St. Andrew's" to spend time together this evening, and trusts that a number of people will open their homes for pot-lucks. The membership list will be divided between these homes so that every person in the congregation will be invited for dinner.

March 12, 7:30 p.m. — A music ministry team from the Word of God Community in Ann Arbor will be coming to sing. The program will include excellent music and their thoughts on how God has been at work among their 1,500-member Christian community in the Ann Arbor area.

March 19, 7:30 p.m. — The church will be hearing from two local Christian outreach: the president of the board for the House By the Side of the Road will talk about the board's ministry in providing clothing and other necessities for those in need. In addition, a resident of

the Kingsley Inn will share how the inn has taken in people from Ann Arbor and Ypsilanti who have no place to go.

March 26, 7:30 p.m. — A young woman with unusual faith will be coming to talk about how God transformed her life after divorce and dependence on drugs. Her Christian walk has been affected by her past life—an incredible story which includes three hours in the Howell hospital morgue after being admitted as dead on arrival.

Thursday, April 3, 6:30 p.m. — An all-church pot-luck followed by a traditional "Tenebrae" for Maundy Thursday. This special service of lights will involve candles and readers with a message to prepare all hearts for Easter.

Modern Mothers Discuss Vacation

Modern Mothers Child Study Club met at the home of Gloria Greenleaf on Feb. 12. The program for the evening was a panel discussion on vacation planning tips.

The panel consisted of Lou Rohrkemper, Sandi Meyer, Jeanene Riemenschneider and Pat Coelius, with Janet Alford as commentator.

Each panel member described a vacation taken recently and gave information concerning transportation, approximate prices, points of interest in the vacation area and ways to conserve costs.

Summer and winter vacations described included Charleston, S.C., Las Vegas, skiing in Michigan and western states, and interesting areas in Michigan for family travel.

Refreshments were served by Barbara Brown and Norma Graflund.

A business meeting was held following refreshments. Committees were assigned for the Chelsea Fitness Run sponsored by the club. The date of May 10 has been set. The club will have more information at a later date.

Kathy Clark was welcomed as the club's newest member.

EAT RIGHT and LIVE LONGER

Don't Be A Sugar-Starch Addict!

By **LELORD KORDEL**
Number Seven of a Series

Readers Can Buy Book by Kordel

The "Live Longer" articles appearing in this newspaper are only condensations from Lelord Kordel's 144-page book which contains so much more including diets, charts, other facts to help you eat right and look younger, live longer. To get your copy, send \$1.00 to Lelord Kordel Book, c/o Name of This Newspaper, 17255 Redford Ave., Detroit, Mich. 48219. Price includes postage. Please allow 3-4 weeks.

What did you have for dinner last night?

Chicken and noodles? Lots of yummy gravy with dumplings?

Hot biscuits and butter? Fancy gooey pastry?

Or was it mashed potatoes with brown gravy that accompanied the roast? Chocolate cake afterwards?

If you are the average person, chances are you eat 75 percent more refined carbohydrate foods than is compatible with good health and vigorous youthfulness.

Carbohydrates is the formal term given to those devils of nutrition—the starches and sugars.

"But we must have carbohydrates for energy," you insist.

To answer this properly, you must realize that there are some natural sugars in almost every food you eat.

You don't have to worry about getting enough carbohydrates. They'll sneak in on you when you're not looking! It would be a hard job to avoid them entirely.

But you do have to worry about getting enough protein, which is a complete food.

This is another way of saying that you could live a long and vigorous life on proteins alone.

If you tried it on an exclusive diet of carbohydrates, you would "starve to death in the midst of plenty."

TIPS FOR DRIVING

Are you planning to take an automobile trip?

The United States National

Story of Butane Lighter Hazard Is Only Rumor

A story which appeared in the Jan. 10 issue of The Standard, reporting on the potential hazards of butane lighters and comparing the force of those lighters to three sticks of dynamite, has been refuted by both the Union Pacific Railroad and the Bic Pen Corporation, maker of butane lighters.

The information reported in The Standard first appeared in an official journal of the FFA, and has apparently been printed in hundreds of organizational, union and safety publications around the country in the past year.

Unfortunately, says Bic, the story of two welders being blown up after sparks ignited their butane lighters has no basis in fact.

Safety Council warns drivers against overeating of starches and sugars. This admonition applies both before and during the trip.

The stuffy feeling that comes from a carbohydrate meal can make you drowsy. It can lead to "turnpike trance"—a real menace to automobile drivers.

Foods made with flour form a large part of our diet: Cookies, biscuits, pancakes, waffles—and lots of bread.

Dr. Agnes Fay Morgan of the University of California stated that modern production methods rob bread of 30 nutrients. Think of it!

You are eating bread under the mistaken idea that it is giving you a certain amount of nourishment.

Yet it is 30 nutrients poorer than the bread your ancestors baked in their kitchens.

Dr. Haven Emerson of Columbia University points out that since grains were first milled—that is, since the protein, minerals and vitamins were removed—diabetes has increased 1150 percent.

DIGESTION PROBLEMS

Constipation, another "civilized" ailment, can be traced to high-starch food habits.

So can excessive belching and wind. These are miserable manifestations of undigested starches fermenting in the digestive tract.

Many allied soldiers died of slow-starvation from the all-starch diets fed them in prisoner-of-war camps. Protein foods were scarce and the enemy conserved them for his own men.

It proved again how the wrong kind of food can destroy life.

It is easy to see how one can gradually droop and fade into premature old age on a diet overloaded with carbohydrates.

What do we mean by "overloaded" as it applies to you?

It means the sweet roll you very likely had for breakfast. The soft drink from the vending machine. The sugar in coffee. The pie or cake so standard in all too many homes.

SUGAR ADDICTS

These become habit that leads to addiction—almost like alcoholism.

The "lift" one gets from an overload of sugars and starches is very much like the "jolt" an alcoholic gets from his bottle.

A great many hypochondriacs and semi-invalids became that way because of the sugar-starch evil which hangs over too many tables.

Fortunately, it is quite easy to break the excessive sugar-and-starch habit. And break it we must!

I must be careful not to give all carbohydrates a black eye. Like many villains there is a good side to our bad man.

The natural carbohydrates found in honey, vegetables, fruits, milk, whole grains and seed cereals are "good carbohydrates."

It's only when carbohydrates wander too far from the "straight and narrow path" of good nutrition that they become harmful.

The very best of the natural carbohydrates is—honey. It is a sweet that should replace ordinary sugar in your diet.

Make every single item of food you buy and eat contribute something in the way of essential proteins, minerals and vitamins toward helping you look and feel younger.

But go easy on the starches and sugars. Because, used in excess, they won't be easy on you!

Distributed by Specialty Features Syndicate. All Rights Reserved. Condensed from the book "Eat Right and Live Longer" by Lelord Kordel.

Next: Why honey should be your only sweetener. Honey and your heart. Honey as a source of instant energy.

Fishing Contest Winners Listed

A number of hardy souls braved the cold the week-end of Feb. 1-3 and competed in the fishing derby of the American Legion Winter Carnival, held at Cavanaugh Lake.

Winning the various events in the derby were the following:

Panfish—David McLaughlin, 1st; Doug Helek, 2nd; Dave Taylor, 3rd.

Perch—Alex Davie, 1st; Bob Prokop, 2nd; Don Bell, 3rd.

Pike—Doug Eder, 1st; Jim Roof, 2nd; Doug Helek, 3rd.

Children, panfish—Charley Koenn, Jr., 1st; Tim Alexander, 2nd; Mike Taylor, 3rd.

Children, perch—Ed Dicklemen, 1st; Christina Wilts, 2nd; Jason Davie, 3rd.

KISS YOUR BABY: Chelsea Jaycette Cystic Fibrosis Chairman Denise Martell demonstrates with her children how to check a child for C/F, by kissing him to see if he has a salty taste. Being kissed is Jason, while Doug and Danny, front, wait their turn.

Kiss Your Baby Week Aimed at C/F Detection

This is kiss your baby week, and if you have a youngster of any age, it could be a very important week. Parents kiss their children all the time, but according to the Chelsea Jaycee Auxiliary, this is the time to give them a real licking.

Not a licking with the hand, the Jaycettes explain, but with the tongue. If parents taste more salt on a child than should normally be expected, then it's possible that he or she should be checked for Cystic Fibrosis.

Kiss your baby week is a venture to alert parents to the symptoms of Cystic Fibrosis (C/F) in the hope that early diagnosis and prompt treatment, an essential element in lengthening the life span of children with C/F, will result.

One of the most telling symptoms is an extremely salty taste to the child's perspiration. Other symptoms include recurrent wheezing, persistent coughing and excessive mucus, pneumonia more than once during childhood, excessive appetite but poor weight gain, and clubbing (enlargement of fingertips).

Suspecting parents are directed to consult the C/F center at the University of Michigan or their own physicians.

Cystic Fibrosis is an inherited disease for which there is neither cure nor control. Though both parents must be carriers of the C/F gene, one in 20 persons in the United States is a carrier. In Michigan alone there are nearly one-half million such carriers, but at present no definitive test exists to determine a carrier of the C/F gene.

"It is estimated that respiratory problems in children take up to 70 percent of a pediatrician's time and are the leading cause of absenteeism from school," said Denise Martell, chairman of the Cystic Fibrosis Awareness Project of the Chelsea Jaycee Auxiliary. "Furthermore, Cystic Fibrosis is second only to cancer in the number of young lives it takes and three out of four victims of this disease are not yet diagnosed."

"Because early diagnosis of C/F is essential to longer life for these children, we have embarked on this state-wide campaign to bring this vital health message to the people of Michigan."

There is also an active Cystic Fibrosis chapter here in Washtenaw county, as well as the center at the U-M.

Kiss your baby, urge Chelsea's Jaycettes, it could be the kiss of life.

Letters to the Editor

Dear Editor:

On Saturday evening, Feb. 9, my husband and I, along with many others, attended the Mexican Fiesta Dinner Dance, which was planned and put on by the Chelsea High Symphony Band personnel.

The function was held at the UAW Local Hall to raise funds for their Mexican trip in May. In every way the dinner and dance was first class. Style and class are the key words to describe the wonderfully successful evening.

The decorations, done in the Mexican theme, the dinner, dessert, snacks, the service and the Jazz Band music, all excellent. No detail was overlooked.

I was proud of these young women and men, working very hard and presenting such a well-executed, beautiful package to the community. Bravo, and well done to the Symphony Band!

Marian Sprague.

To the Editor:

For many years a group of concerned village citizens have participated in village politics through their affiliation with the Independent Party. It has always been the goal of the Independent Party to run candidates who could intelligently and without ulterior motives serve their community through the elective offices.

At Monday night's Independent Party caucus, a maverick group of people, who have had no prior association or affiliation with the Independent Party, came to the Independent Party caucus and ran their slate of candidates for the various offices.

As a result, the Independent Party slate as elected at the Independent Party caucus contains people who may not even know the name of the party that they are running with and perhaps have personal, selfish goals as their purpose in running.

The Independent Party has long said there should be an opposition party. But this is not the way the opposition chose to get into office. They are trying to do it by destroying the only party that has existed for the last 25 years.

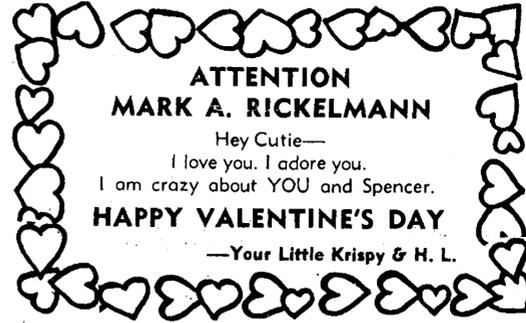

The long-term active Independent Party members wish to let the electorate know that the only original party members who are on the slate as elected Monday night are Mary Harris for treasurer and Charles Winans, II, as assessor, plus the two library board members, Katherine Wagner and Jack Merkel.

The members of the original Independent Party wish to repudiate the other Independent Party candidates.

George Palmer, chairman.

PARLIAMENTARY PROCEDURES provided a winning forum for these Chelsea FFA members, as they took a first-place gold in that area at last week's District FFA meet. Participating were, rear from left, Kent Bollinger, Karin Morgan, Mark Lesser, Patti Shoemaker; and, front, Kelly O'Neil and Shawn Ball.

FFA WINNERS: Members of Chelsea's FFA Chapter took honors in the recent district competition, held here in Chelsea. Amy Unterbrink, left, took a first-place gold in job interview, and Anita Roderick won a silver award in Greenhand public speaking.

PROCLAMATION

VOCATIONAL EDUCATION WEEK
February 10-16, 1980

WHEREAS, the need for vocational, career and manpower education to prepare individuals for the world of work is increasing steadily; and,

WHEREAS, through the increased emphasis on vocational education, many new programs have been made available to assist individuals in reaching their occupational goals; and

WHEREAS, the second week of February has been set aside by the American Vocational Association and proclaimed by Governor Milliken to be "Vocational Education Week."

NOW, THEREFORE, I, Don D. Wood, president of the Village of Chelsea, hereby proclaim Feb. 10-16, 1980 as VOCATIONAL EDUCATION WEEK in the Village of Chelsea; and I urge all citizens to visit their local vocational educational programs to make themselves better acquainted with the services offered by these institutions, so that each and every citizen can benefit from these services.

Don D. Wood,
Village President

FFA Members Score in District

Members of Chelsea's FFA chapter did a fine job at district competition last Thursday, placing well in every contest they entered.

Competition was held at Chelsea High school and included participants from Dexter, Milan, Manchester, Saline and Jackson Parkside.

Representing Chelsea in parliamentary procedure were Karin Morgan, Patti Shoemaker, Kelly O'Neil, Shawn Ball, Mark Lesser and Ken Bollinger. This team received a first-place gold rating.

In the demonstration contest, Chelsea also received a gold rating. Team members were Brian Koepele and Mark Machesky, demonstrating "Internal Parasites of Sheep."

In the job interview contest, Amy Unterbrink of Chelsea received a first place, gold rating.

Members of these three teams will represent Chelsea and the district in regional contests on Feb. 21 at Morenel.

In the greenhand public speaking contest, Anita Roderick received a second place silver rating with her speech, "Poor Man's Cow."

Representatives from the Saline and Manchester chapters received first places in the public speaking and greenhand public speaking contests, respectively.

Assisting the local chapter as judges were teachers Mrs. Holmes, Mr. Coelius, Mr. Jones and Mr. Prinzing; Bill Kushmaul of Washtenaw Crop Service; Larry Phillippi of Production Credit Association; Arnold Dougan of Soil Conservation Service; Ken Ludwig of Cooperative Extension Service; and Tom Bust of Chelsea Hardware.

TV Trivia

In the early 1940s the idea of television was known but the general use of such a fantastic device was seen as something in the distant future. By 1949, however, Americans were buying 100,000 TV sets per week. Those early days of the video viewer are reflected in the exhibits of Henry Ford Museum's Communications Collection in Dearborn.

SYLVAN TOWNSHIP BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes in the

TOWNSHIP OF SYLVAN

County of Washtenaw, State of Michigan

That the Assessment Roll of said Township as prepared by the undersigned will be reviewed by the Board at

SYLVAN TOWNSHIP HALL

West Middle Street, Chelsea, Michigan

Appeals and conferences with taxpayers will be heard on

Monday & Wednesday, March 10, 11, 1980

from 9 a.m. to 12 Noon and 1 p.m. to 4 p.m.

and on

Tuesday, March 12, 1980

from 2 to 5 p.m. and 6 to 9 p.m.

the Board of Review will be in session. Upon request of any person who is assessed on said tax roll or of his or her agent and upon sufficient cause being shown, said Board of Review will correct the assessment as to such property in such manner as will in their judgment make the valuation relatively just and equal.

Such assessment tax roll as reviewed and approved by said Board of Review will be the assessment roll of said Township of Sylvan for the year 1980.

The County Board of Commissioners of Washtenaw County has proposed the following starting ratios for Sylvan Township for the year 1980: Agriculture, 38.18, Factor 1.28; Commercial, 45.15, Factor, 1.11; Industrial, 46.16, Factor, 1.08; Residential, 43.02, Factor, 1.16; Development, 42.43.

Ex-Chelseaite Named Bank Branch Manager

Jeffrey N. Marshall, a former Chelsea resident, was recently appointed office manager of the just opened Montrose township office of the Frankenthum Bank and Trust, Frankenthum.

Marshall will be responsible for lending, bank operations and the development of the local market area.

A graduate of Central Michigan University with a degree in business administration, Marshall was a member of Sigma Iota Epsilon, a national management honor society.

Joining Frankenthum Bank and Trust in 1978, Marshall has been involved in branch operations, customer relations, personnel, and deposit and lending functions. He has attended numerous banking seminars and conferences concerning bank operations, management and personnel development.

Involved in civic organizations, Jeff has served as advisor for Junior Achievement and has been involved with local community service groups.

JEFFREY N. MARSHALL

FIRE DEATHS

Every 24 seconds a fire breaks out somewhere in the United States, and these fires take a human life every 44 minutes, reports the Insurance Information Institute.

14th District Court Proceedings

Week of Jan. 1-8
Judge Kenneth Bronson Presiding

Hans M. Skjaerlund was sentenced for having a hog at large to pay \$500 restitution to the public defender or give five hogs to the Washtenaw County Jail. Sentenced to pay \$255 fines and costs or serve four days in the Washtenaw County Jail.

Walter L. Rinesmith was sentenced for driving under the influence of liquor to a license restricted for one year to and from work and Alcohol Education Program. Sentenced to attend Human Behavior Classes. Three months probation, no drinking. Fines and costs, \$400.

Alan B. Masters was sentenced for a violation of a restricted license to serve four days, straight time, in the Washtenaw County Jail. Sentenced to pay \$65 fines and costs or serve six days.

Jacquelyn M. Rutledge was sentenced for driving under the influence of liquor to a license suspended for 90 days, excepted restricted to and from Alcohol Education. Fines and costs, \$250.

Mark E. Prichard pled guilty to possession of firearms in auto. Sentenced to two days on the probationary work program. No fines or costs.

Kevin Lauterwasser was sentenced for open intoxicants to serve four days in the Washtenaw County Jail. Fines and costs, \$50.

Kelly Verville was sentenced for open intoxicants to serve four days on the probationary work program. Fines and costs, \$50.

Patrick J. Jackson was found guilty of impaired driving. Sentenced to attend Alcohol Education Program and Human Behavior Classes or 10 sessions of driving counseling. Fines and costs, \$250.

Sharon Ann Pardon was sentenced for contributing to the delinquency of a minor to four days in the Washtenaw County Jail, week-ends. Fines and costs, \$50.

Donald D. Joseph was sentenced for impaired driving to attend Alcohol Education Program and Human Behavior Classes and pay \$400 fines and costs, or serve 15 days.

James A. Kemeter pled guilty to open intoxicants. Sentenced to one day on the probationary work program. Fines and costs, \$50.

Brenda A. Benedict was sentenced for impaired driving to six months probation, no alcohol or drugs. Sentenced to attend Alcohol Education Program and substance abuse sessions. Fines and costs, \$130.

Raymond L. Knowles pled guilty to having no valid operator's license on his person. Fines and costs, \$10.

William A. Rude was sentenced for a violation of sentencing to three days in the Washtenaw County Jail, credit for time spent.

Terry A. Robinson was sentenced for impaired driving to attend Alcohol Education Program and Human Behavior Classes and pay \$305 fines and costs, or serve 15 days.

Timothy Ireland was sentenced for reckless driving to two days on the Saline Police Department work program, attendance at defensive driving school, and one day at the Saline Hospital Program. Fines and costs, \$100.

Applications Available for Fluoride Program

A topical fluoride program will be held again this summer for area children who do not drink from Chelsea's water supply and for certain children who have only recently moved into the community, Denise Martell, chairman of the Chelsea Jaycee Auxiliary topical fluoride committee announced recently.

Most of the children of Chelsea have had the benefit of fluoridated water during the time their teeth were developing and will receive no additional benefits from the topical applications of fluoride, Martell said.

She added that three- or four-year-old pre-schoolers, kindergartners, second graders, fifth graders and eighth graders who drink from private wells or from non-fluoridated water systems are eligible for the program, as are eighth graders who have lived in Chelsea less than seven years, fifth graders who have lived here less than five years and second graders and pre-schoolers with less than three years residence.

Parents of eligible children have until March 1 to enroll them in the program, Martell said. Those interested in having their children receive the topical fluoride but do not have the necessary registration cards may contact her at 475-1966.

A fee of \$5.25 to cover costs of operating the clinic must be submitted along with the registration card.

The procedure consists of four visits to the fluoride clinic, to be held at Beach school. Children's teeth are cleaned on the first visit and a fluoride solution is applied directly to the surface of the teeth.

The fluoride application alone is then repeated during the three successive visits. This technique has been shown to reduce tooth decay by about 40 percent compared with 60 to 65 percent reduction obtained with fluoridated water, Martell said.

In addition to providing protection against cavities, the program offers a valuable, comfortable dental experience for children. Dental health education by the clinic personnel, including instruction in the proper method of brushing teeth, also is an important part of the program.

Michigan, which pioneered in the field of topical fluoride applications in 1949, leads the nation in the number of community programs in operation and in children treated. In addition to the program in Chelsea, more than 40,000 children will receive applications in some 200 clinics scattered throughout the state.

The state-wide program is supervised by the dental division of the Michigan Department of Public Health, which assists local groups in the organization stage and recruits and trains dental and dental hygiene students and provides the fluoride solution.

Nearly 10 million persons served in the armed forces during the 11-year Vietnam Era which began Aug. 5, 1964. Some 583,000 veterans joined the military after the official end of that conflict, May 7, 1975.

Ex-Chelsea Officer Seeks Sheriff's Post

Former Chelsea police officer Roger Graves, now Leoni township chief of police, has announced his candidacy for the Jackson county sheriff position.

Graves, a Chelsea officer between 1972 and 1977, is basing his campaign on 13 years experience as a professional police officer, police administrator, criminal justice instructor and "concerned and dedicated law enforcement official of Jackson county."

A former Ford Motor Co. engineer, Graves left that field in 1967 to fulfill a long-time ambition to enter the field of law enforcement in Westland. He worked in various capacities with the Westland Police, finally investigating major crimes with the detective bureau.

In 1972 he and his family, desiring a rural environment, moved to the Chelsea area. While an officer with the local department, Graves continued his education at Washtenaw Community College and was hired by the college to teach in the evening Criminal Justice Program.

In November of 1977, Graves accepted his present post of Chief of Police of Leoni township.

If elected, Graves' first priority

ROGER GRAVES

of office will be "to provide the citizens of Jackson county with the most productive and efficient police agency possible." He plans to combat crime at the grass roots level, involving the community and making them aware of crime.

Graves, if elected, would be the first Democratic sheriff in Jackson county in 40 years.

Frosh Cagers Down Western, Tecumseh

Two more victories for the Chelsea freshman cager crew in the past week have brought their record up to 7-3 for the season. Chelsea's frosh downed Jackson County Western last Thursday, 67-52, and handled Tecumseh on Monday, 51-40.

According to Coach Jim Tallman, the victory over Western "represented, by far, our best effort of the season. Everyone on the team contributed to an outstanding winning effort."

Key to the victory was tremendous hustle displayed by the cagers, as they put a total team effort toward a victory.

Leading scorer in the contest was Frank Wojcicki with an outstanding 23 points. Next came Matt Villeneuve with 10, Frank Waller with eight, and Russ Harris, Randy Krichbaum and Steve Cattell who had six points each.

Matt McCallum was leading rebounder with six. Krichbaum and Waller each grabbed five rebounds.

In contrast to that contest, Chelsea started out slowly against Tecumseh and was five points down after the first

quarter. In the second stanza, however, the Bulldogs came alive and managed to hold a lead by half-time.

The second half was almost a mirror image of the first, as Chelsea looked sloppy in the third quarter but caught fire in the fourth to take the 11-point win.

Leading scorer in the game was again Dave Wojcicki with 18 points, followed by Harris, Krichbaum and Rod Robeson with seven each.

Wojcicki had a game-high 11 rebounds and Matt McCallum had four.

The team next takes on Milan away this Thursday, Feb. 14.

Score by quarters—Western
Chelsea 22 6 23 16—87
Western 10 17 4 21—52

Score by quarters—Tecumseh
Chelsea 5 19 8 19—51
Tecumseh 10 11 12 7—40

A child as young as four months will normally turn toward the source of sounds such as normal speech, according to hearing specialists.

DEXTER TOWNSHIP BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes in the

TOWNSHIP OF DEXTER

County of Washtenaw, State of Michigan

That the Assessment Roll of said Township as prepared by the undersigned will be reviewed by the Board of Review on March 4, 1980.

Appeals and conferences with taxpayers will be heard at

DEXTER TOWNSHIP HALL

6880 Dexter-Pinckney Road, on

Monday, Tuesday, March 10, 11, 1980

from 9 a.m. to 4 p.m.

and on

Wednesday, March 12, 1980

from 5 p.m. to 8 p.m.

at which time the Board of Review will be in session from 9 a.m. to 4 p.m. of said days. Upon request of any person who is assessed on said tax roll or of his or her agent and upon sufficient cause being shown, said Board of Review will correct the assessment as to such property in such manner as will in their judgment make the valuation just and equal.

Such assessment tax roll as reviewed and approved by said Board of Review will be the assessment roll of said Township of Dexter for the year 1980.

The County Board of Commissioners of Washtenaw County has proposed the following starting ratios for Dexter Township for the year 1980: Real Property, 43.51; Factor, 1.15; Personal, 50.00, Factor 1.00.

JOHN TANDY, Supervisor

Dated: Feb. 12, 1980.

LIMA TOWNSHIP BOARD OF REVIEW

NOTICE IS HEREBY GIVEN to all persons liable to assessment for taxes in

LIMA TOWNSHIP

11452 Jackson Road, Chelsea, Michigan

that the Board of Review will meet at the

LIMA TOWNSHIP HALL

to hear appeals to the Assessment Roll on

MONDAY, MARCH 10, 1980

9 a.m. to 12 Noon and 1 p.m. to 4 p.m.

TUESDAY, MARCH 11, 1980

9 a.m. to 12 noon; 1 p.m. to 3 p.m. & 6 p.m. to 8 p.m.

at which time, upon request of any person, or his or her agent, who is assessed on this tax roll and if sufficient cause is shown, this Board of Review will correct the assessment on the property in question in a manner that will, in their judgment, make the valuation relatively just and equal. The assessment tax roll, after being reviewed and approved by the Board of Review, will be the assessment roll of LIMA TOWNSHIP for the year 1980.

The County Board of Commissioners of Washtenaw County has proposed the following ratios for the year 1980: Agriculture, 38.20; Commercial and Industrial, 43.11; Residential, 42.75; Developmental, 40.97; Overall, 41.09.

LEILA C. BAUER, Supervisor

Dated: Feb. 12, 1980.

Volleyball Teams Beat Stockbridge

Avenging a second-place finish suffered earlier in the season in the Stockbridge Invitational Tournament, Chelsea's varsity volleyballers never trailed on their way to defeating Stockbridge this week, 15-8 and 15-6.

Kelly Hense led the way with 11 serves. Sue Branham had 18 serves and was responsible for 16 points, while Molly Bacon and Patty ("Flame") Rawson recorded four spikes each.

The JV also won handily over Stockbridge, taking their match, 15-12 and 15-11. Kim Schmid was the outstanding player, with Kathy Doll shining on serves and defense and Venus Roberts taking the spiking honors.

Costly mistakes, however, had handed both squads losses to Ypsilanti Lincoln last week. The varsity, despite some good playing from Bacon, Rawson and Kelly Hense, lost 10-15, 15-10 and 10-15.

The JV fell in two games, 7-15 and 13-15. Offensive stars in that contest were Amy Poljan and Donna Popovich. Kim Williams led in serves.

With the Stockbridge victory, the varsity record jumps to 4-7. Coach Judy Bottum thereby becomes the winningest volleyball coach in the four-year Chelsea history of the game, beating the previous record of two wins.

Next contest for the teams is this Friday at Milan.

AUTO THEFT FREQUENCY

The chances of your car being stolen have increased sharply according to the Insurance Information Institute. There were 466,805 cars stolen last year, many of them by thieves who found the cars unlocked and keys in the ignition switch.

Brent Martin, Vaughn Mills, Robert Moore, Kathleen Morris, Peggy O'Grady, Sean Oxner, John Packard, Pearl Phillips, Amy Poljan, Celeste Powell, Lee Redding, Kevin Richardson, Venus Richardson, Andrew Simon, Mark Smith, Michael Smith, Cathy Sturgeon, Marie Sullivan, Sandra Sundling, Kristin Thomas, Matt Villemure, Nancy Weir, David Wojcicki, Amy Ziegler.

Gas Tax Revenues Show Small Increase

Gasoline sales are continuing to decline in Michigan, cutting into revenues for road and highway construction and maintenance, the Michigan Department of Transportation (MDOT) has reported.

Gas tax revenues in the final quarter of 1979 totaled \$118,991,284, up by \$12,980,076 from the last three months of 1978. However, the 10.7 percent increase was the result of a two-cent-a-gallon tax increase that went into effect Jan. 1, 1979, and not an increase in sales. Had consumption held steady, revenues would have climbed by 22 percent.

Despite declining sales, higher prices caused tax revenue amounts distributed to county and local governments to rise in Washtenaw county and in Chelsea, Dexter, Manchester and Grass Lake.

In Washtenaw county distribution amounts in the fourth quarter of 1979 were greater than those in the similar quarter of 1978. The 1979 figure is \$1,210,339 compared to \$1,069,559 in 1978.

Chelsea, too, showed an increased amount, going from \$17,331 in 1978 to \$18,984 in the final quarter of 1979. Dexter went from \$8,521 to \$9,332; Grass Lake from \$8,528 to \$7,254; and Manchester from \$9,713 to \$10,634.

Gasoline sales for the last three months of 1979 totaled 1,075,961,572 gallons, a decline of 140 million gallons from the same period a year earlier. Lighter weight autos, more efficient engines and a decline in highway travel all contributed to the decrease.

Special Olympic Cagers Win Over Dexter

Chelsea's Special Olympic star basketball player Tracey Harvey scored 33 points against Dexter this week, to lead the local team to a 45-31 victory.

Also scoring for Chelsea were Terry Walkowe with four, Glenn Passow with six and Mike Foster with two.

Taking on the Dexter squad with good defense were Ryan Sweeny, Albert Bedard, Dennis Czechowski, Clarence Weiss and Kim Foss. Dennis made 14 steals and Dawn Stancato had three.

Scoring 24 points for Dexter was Richard Roza. Ray Stillion had five and Paul Klapperich had two for the Dexter team, coached by Arlene Schreiberman.

Next game for both the boys and girls team is with High Point on Thursday, Feb. 14 at 12:30 p.m. The team will then prepare to go to the Winter Special Olympics at Schuss Mountain and Shanty Creek.

They will participate and compete in showboating, Alpine skiing, cross-country skiing, speed skating, tubing, team tobogganing and broomball. They will be accompanied by Nancy Cooper, Becky Simpson and Paula Ellenwood.

LYNDON TOWNSHIP BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes in the

TOWNSHIP OF LYNDON

County of Washtenaw, State of Michigan

That the Assessment Roll of said Township as prepared by the undersigned will be reviewed by the Board at

LYNDON TOWNSHIP HALL

Corner of Old M-52 and North Territorial Road, on

TUESDAY, MARCH 4, 1980

from 9 a.m. to 12 Noon and 1 p.m. to 4 p.m.

Appeals and conferences with taxpayers will be heard on

MONDAY and TUESDAY

MARCH 10-11, 1980

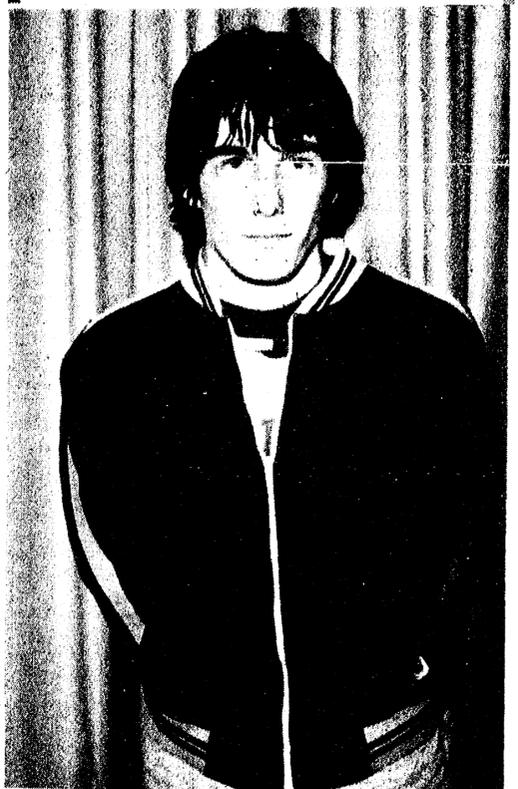

at which time the Board of Review will be in session from 9 a.m. to 12 noon and from 1 p.m. to 4 p.m. of said days, at which time upon request of any person who is assessee on said tax roll or of his or her agent and upon sufficient cause being shown, said Board of Review will correct the assessment as to such property in such manner as will in their judgment make the valuation relatively just and equal. Such assessment tax roll as reviewed and approved by said Board of Review will be the assessment roll of said Township of Lyndon for the year 1980.

The County Board of Commissioners of Washtenaw County has proposed the following starting ratios for Lyndon Township for the year 1980: Real Property Ratio, 36.89, factor, 1.36; Personal Property Ratio, 50.00, factor, 1.00.

JOHN D. HURD, Supervisor

Dated: Feb. 12, 1980.

Wrestler of the Week

JEFF OSENTOSKI is this week's featured wrestler, after a second this Saturday in the SEC league meet. Jeff, whose over-all record for the year is 13-9, also took a second in the Ann Arbor Huron tournament earlier in the year. The junior grappler was the only Bulldog to place in the Jackson County Western Tournament, with a third-place finish.

Girl Scout Cookie Sale Starts Soon

A Feb. 7 kick-off luncheon at Win Schuler's in Ann Arbor marked the official start of the 1980 cookie sale within the Huron Valley Girl Scout Council.

Attended by some 100 people, the luncheon featured a training session on cookie sale procedures and an appearance by five of the Eastern Michigan University cheerleaders, who have been declared honorary chairmen of the 1980 sale.

The five will appear at four scheduled pep rallies throughout the council area. At each rally,

they will lead the Girl Scouts in "cookie cheers" written by the scouts themselves.

All Girl Scouts within the Huron Valley Girl Scout Council are invited to attend any of the pep rallies, which will be held at Belleville High school, Plymouth-Salem High school, Huron High school and Brighton High school.

Order taking for the Cookie Sale begins Friday, March 7, and continues until Tuesday, March 25. Deliveries begin April 14 and end April 31.

LET'S CHEER ABOUT COOKIES: Pictured are the Huron Valley Girl Scout Council's honorary cookie chairmen, the Eastern Michigan University Cheerleaders: (left to right) Mike Hogan, Laura Milburn, Barbara Banks, Joani Gruetznier, and Don Guina. Sales begin in the Chelsea area on March 7.

1980 Vehicle Licenses Still Due By March 31

Everyone who owns a motor vehicle must register that vehicle by March 31, 1980 if it is to be legally driven on public highways after that date, according to Secretary of State Richard H. Austin.

The statement came on the heels of a rash of recent inquiries to Secretary of State branch offices indicating some confusion over the March 31 deadline.

According to Austin, this year the Department of State is phasing in a new system of vehicle registration based on birthdate. Under this system, plates and

tabs will expire each year on the vehicle owner's birthday.

To make the transition to the birthday system, the 1980 registration will be valid until the owner's next birthday. From then on, the plate or plate tabs will expire each year on the owner's birthday.

Some individual owners mistakenly assume they can wait until their birthday in 1980 to buy plates. This is a mistaken impression and all owners still must purchase their 1980 license plate tabs by the traditional March 31 deadline, Austin said.

Dexter Township Board Proceedings

Regular Meeting
Date: Tuesday, Feb. 5, 1980.
Place: Dexter Township Hall.
Present: John Tandy, Lorinda Jedele, William Eisenbeiser, John Miller, Arlene Howe.
Meeting called to order by the supervisor, John Tandy.
Minutes of the Jan. 15, 1980 meeting were read. Moved by Jedele, supported by Howe, to accept the minutes as read. Carried.

Treasurer's Report (enclosed). Zoning Inspector's Report (enclosed).

Supervisor's Report (enclosed).

Moved by Miller, supported by Howe, to give tentative approval of the preliminary plat of Rumbling Oaks Subdivision as submitted. Carried.

Moved by Eisenbeiser, supported by Miller, to give final approval of Phase I (Lots 1-12) of Huron Creek Farms Subdivision and authorize the clerk to sign the plat. Carried.

Moved by Eisenbeiser, supported by Jedele, to increase the insurance and bonds line item from \$3,500 to \$4,900 and the convention expense line item from \$500 to \$600. Carried.

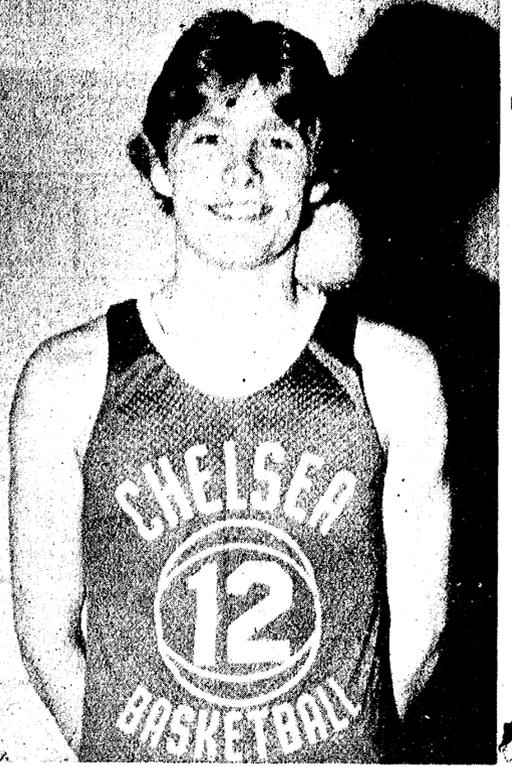

Moved by Miller, supported by Jedele, to pay the bills as submitted. Carried.

Moved by Miller, supported by Howe, to adjourn the meeting. Carried.

Meeting adjourned.
Respectfully submitted,
William Eisenbeiser,
Dexter Township Clerk.

Cager of the Week

JEFF PRICE, in his first year on the varsity squad, is this week's featured cager. Price, who has played in 9 of Chelsea's 15 contests this season, is an excellent defensive player. Coach Robin Raymond said that Jeff has extremely quick hands and feet, and has played well when called on. Raymond expects the 5'10", 140 lb. junior to contribute as a senior next year.

Great Tax Shavings!

Here's how to whittle down your 1979 Income Tax . . .

There's still time to reduce the total taxable income reported on your 1979 tax return and build for your future at the same time! Here's how—

If you're not presently covered by a qualified pension or profit-sharing plan where you work, or if you're self-employed, you are eligible to open an Individual Retirement Account (IRA) at Ann Arbor Trust which allows you to set aside each year—tax free—15% of your annual income to a maximum of \$1,500 for your future.

These deposits are tax deductible, which means you can reduce the total taxable income on your 1979 tax return by the amount you deposit between now and April 15th!

Your money will earn 8% interest compounded quarterly for an effective annual yield of 8.24% when you deposit at least \$1,000 for three years or more. Interest earned on your contribution is not taxable until you retire, when your tax bracket will probably be lower.

Accounts are insured up to \$100,000 by the Federal Deposit Insurance Corporation. You pay no fees or charges to open an Individual Retirement Account at Ann Arbor Trust.

Call or stop by Ann Arbor Trust today for complete information on how you can lower your taxes and start building for the future at the same time. Our financial advisors will be happy to meet with you and discuss the retirement savings plan best suited to your needs.

Remember . . . deposits must be made by April 15th to qualify as deductions from your 1979 taxable income!

Keogh Account Holders Also Eligible!

If you opened a Keogh Account at Ann Arbor Trust before December 31, 1979, and deposited less than your allowable amount, you too are eligible for great tax savings. All additional contributions to your Keogh Account made between now and April 15th may be deducted from your 1979 taxable income!

Withdrawals from an IRA or Keogh Account prior to age 59½ are subject to substantial tax penalties.

Federal regulations require substantial interest penalty on payment of a Time Certificate of Deposit before maturity.

School Board Briefs

Present at the Monday, Feb. 4 meeting of the Chelsea Board of Education were Stirling, Feeney, Schafer, Heller, Schumann, Snyder, Dils, Assistant Superintendent Mills, Superintendent Van Meer, Principals Williams, Conklin, Wojcicki, Benedict and guests.

Meeting was called to order at 8 p.m. by President James Stirling.

The Board read a communication from Mrs. Patricia Settles pertaining to special education transportation for summer school, and directed the administration to reply.

The Board awarded a bus chassis bid to Lloyd Bridges Chevrolet, Inc., at \$13,930.00, and a bus body bid to Classrooms, Inc., (Superior Body) at \$9,600.00.

Board approved the purchase of four buses for the 1980-81 school year at \$23,530.76 each, for a total price of \$94,123.04. Approximately 69 percent of the cost of the bus purchase is reimbursed by the State of Michigan through transportation funding.

The Board also approved the purchase of a special education bus equipped with power lift and wheelchair ties. The District has received confirmation that 100 percent of the special education bus will be paid.

The Board approved the hiring of the audit firm of Curtis, Bailey, Exelby and Sposito to conduct the 1979 annual financial audit.

Board of Education cancelled the Feb. 18 board meeting, inasmuch as this meeting is scheduled during the Patriots Day week-end.

The Board approved high school commencement exercises to be scheduled for Sunday, June 8, 1980 at 3 p.m.

The Board authorized the administration to contact the Election Commission to schedule April 23 millage election date, with April 28 as an alternative date.

Assistant Superintendent Mills updated the Board on the 1979-80 maintenance millage program. He indicated that the administration was considering shifting some priorities to take care of some recommendations from the technical energy audit.

The Board was also apprised that the administration has reviewed the technical energy audit and is currently attending to some minor problems that were indicated.

Superintendent Van Meer presented the Board with a District student enrollment projection for the 1980-81 school year. The projection included a grade-by-grade enrollment and it appears that the District will decline by about 100 students.

The Board was also apprised that all budget time lines have been moved up to be able to reflect an earlier forecast of the District's financial needs.

Trustee Dan Snyder gave a review of the Curriculum Committee's progress reports in the areas of language arts, social studies and health and physical education.

Vice-president Ann Feeney reported on the workshop on goal-setting that members of the Board and the administration attended on Jan. 29 at the Intermediate School District. She also gave a report on the program for gifted students which was held Jan. 31 at North school.

Meeting was adjourned at 10:10 p.m.

Sharon Wells . . .

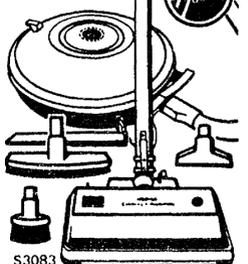

(Continued from page one)

A number of Sharon people want to see the test results and reports in writing, she declared, before they will feel completely comfortable with officials' assertions that the water is safe.

On the legal end of the matter, a pre-trial hearing will be held Thursday, Feb. 28, in 14th District Court. The hearing is not open to the public, but the subsequent trial, the date for which will be set at the hearing, will be open.

Now, one vacuum for all your cleaning needs!

Your Auto-Owners agent wants you to get the policy that's right for you. Even if it isn't from Auto-Owners

When you go to an insurance agent who represents only one company, he only has one company's policies to offer you. But an independent agent represents several companies. So if one company's insurance isn't right in price or coverage he'll tell you. He knows another one of his companies is. But the one-company agent? Do you think he'd tell you? So talk to your independent Auto-Owners agent. There's no telling how much he can help you.

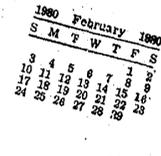

Auto-Owners Insurance

SEC ROUNDUP:

Title Showdown Expected In Chelsea-Saline Contest

The league's top three teams kept their top status by defeating Dexter, Lincoln and Jackson County Western in SEC play this week.

The stage is now set for this Friday's game between Chelsea and Saline at Chelsea, which could determine the league championship for the season.

If the Bulldogs win, the title is theirs outright. If Saline should take the contest, however, a first-place tie between the two teams is likely.

Milan 60, J. C. Western 55—Milan hit four free throws with just 19 seconds left to play in the game and Jackson County Western never scored again, as Milan maintained its third-place standing in the SEC.

Ivan Calloway scored 15 of his 17 points in the final half, and John Gruden added 16 to help Milan to its 4-3 SEC record and 10-5 over-all.

Saline 43, Lincoln 38—Not only was it an unusually low scoring game, but lowly Lincoln came uncomfortably close to upsetting the Hornets in SEC play Friday night.

Saline never lost the lead it took with five minutes left in the first half, but Lincoln did come as close as three points in the final quarter.

Lincoln's Jim Czinski racked up 16 points, the final four shots being made without his eyeglasses, which were broken. Saline star John Kendzicky grabbed 16 rebounds and contributed 12 points to the victory.

Lincoln dropped to 2-6 in the SEC while Saline moved its record to 7-1.

Freshman Basketball

Feb. 14—Milan A
Feb. 18—Dexter H
Feb. 21—Saline A

SEC STANDINGS

Team	SEC		Overall	
	W	L	W	L

Dexter	9	13	17	9	48

Pinckney Cagers Win Over Howell

Three high-performance quarters gave Pinckney a 68-62 victory over Howell in basketball play Friday night, Feb. 8.

An aggressive first period, in which the Pirates outscored Howell, 17 to 11, got them through a faltering second quarter for a 29-all half-time finish. The third quarter saw Pinckney coming back strong, outscoring their opponents, 18 to 14, from which they coasted into the final period with 21 to Howell's 19.

Haak led Pinckney in scoring with 24, followed by Janowski with 18 and Evans with 11.

JV Basketball

Feb. 15—Saline H
Feb. 19—J. Northwest H
Feb. 22—Lincoln H
Feb. 26—Willow Run A
Feb. 29—Mason A

Biddy Basketball Gets Underway

Two of Chelsea's Biddy Basketball Leagues got into full swing last Saturday, with 10 games played. Nearly 200 youngsters in the WBA (7 and 8 year olds) and the ABA (9 and 10 year olds) competed at Beach Middle school with the following results:

WBA
Pistons 12, Bucks 10— Larry Nix and Reno Nye led the Pistons in scoring, with eight and four points, respectively, while Scott Brugh and Steve Everett hustled and played good team basketball for the Bucks.
Knicks 13, Cavaliers 12— Good defensive play by Suzanne and Helen Cooper coupled with Chad Starkey's 10 points paced the Knicks. Brent Norton scored all 12 points for the Cavaliers, while Lance Satterthwaite played excellent defense. **Kings 18, Celtics 8**—

The Kings featured a balanced scoring attack and were led by James Dimmick, Chris Callison and Grant Kidd. Eric Frislinger scored four points for the Celtics, while Matt Herter played outstanding defense. **78'ers 16, Nuggets 6**—

The sharp shooting of Jeff Marshall, ball handling of Kyle Plank and good defense of Loren Keezer paced the 78'ers. The Nuggets played good team basketball, with Jeff Patterson and Matt Wels leading the scoring. **Clippers 20, Bullets 15**—

Todd Hammel had 10 points, Jim Coleman scored six and the rest of the Clippers played hustling defense in their win over the Bullets. Robble Stofor played great defense and scored six points, while Phillip Eassa hustled and stole the ball several times for the Bullets.

ABA
Superponics 18, Warriors 16— Steve Petty scored two of his game-high six points at the buzzer, and Mark Larson and Stacey Murphy played good defense, to pace the Sonics' win. Jay Mareutay, Junior Morseau and Brad Cox all contributed to the scoring for the Warriors. **Pacers 61, Spurs 31**—

Led by Greg Haist with 17 and Kirk Lawton and Randy Hafner with 10 each, the Pacers outpointed the Spurs. Mark Barels paced the Spurs with 19 points, while Pam Brown and Tim Anderson played outstanding defense. **Rockets 41, Lakers 31**—

John Cattell scored 20 points and Sallie Wilson and Lee Redding played great defense, in pacing the Rockets. Angie Defont played inspired defense and Ward and Ken Beauchamp scored eight and four points, respectively, for the Lakers. **Hawks 40, Nets 23**—

The defensive play of Joe Koszegi and the scoring of Ron Johnson, 24 points, and Mike Popovich, 10 points, led the Hawks. Matt Steinhauer scored all 23 points for the Nets, with outstanding offensive and defensive support from Matt Kemp and Tommy Mensard. **Trailblazers 35, Suns 4**—

The Suns exhibited a "never say die" attitude in their game with the Trailblazers. The hustle of Ted Zaboroski, Robby McDowell and Debbie Koenn paced the Suns. Matt Bohlender and Jeff Stacey scored a combined total of 23 points in leading the Trailblazers.

Biddy basketballers go at it again this Saturday at Beach school, with games beginning at 9 a.m. The public is invited to attend all games.

Area Students on Dean's Honor List At Albion College

Three area students are among those appearing on the Dean's list at Albion College, Albion, for the fall semester.

Earning the listings were Mike Kozminski, son of Mr. and Mrs. Mike Kozminski, 4678 Peckins Rd.; Bruce Garlick, son of Mr. and Mrs. Emory W. Garlick, 644 W. Main St., Manchester; and Clayton Parr, son of Mr. and Mrs. Howard E. Parr, 5450 Sharon Hollow Rd.

To receive this honor, students must earn a minimum 3.4 grade point average based on a 4.0 scale, while maintaining a full class load during the semester.

A NEW PLAY AREA at North school is the goal of an upcoming garage sale, to be held in the kindergarten rooms of North school Saturday, Feb. 23, from 8 to 4. Proceeds will be used for blacktopping a

play area for kindergartners. Enjoying play equipment at North, above, are, from left, Julie Koch, Stephanie Norris, Michael Tremper, Dana Harden, Fernando Hermsillo, Katie Flynn and Matt Prentis.

WAKE UP WITH US!

With the closing of The Chelsea Restaurant, after years of fine service, where do you eat breakfast downtown?

At The Chelsea Woodshed, of course! Beginning on Monday, February 11th we will be serving a full breakfast menu. In addition to our fine lunches and dinners, you can now wake up with The Chelsea Woodshed too!

Breakfast served from 7 a.m. until 11 a.m. Monday through Saturday. Closed Sunday. 113 S. Main Chelsea, Michigan Call 475-1922

New Books at McKune Library

New books recently obtained by McKune Memorial Library include the following:

No End to Yesterday by Shelagh MacDonald. This is more than a novel, it is the story of a child determined to survive.

The Silver Ghost by Chuck Kinder. Imagining himself sometimes as James Dean's reincarnation, sometimes as a beatnik gangster poet straight out of Jack Kerouac, Jimbo lives a legend of his own construction.

Provenance by Frank McDonald. A sweeping and powerful novel about a hoard of art masterpieces stolen by the Nazis during World War II.

Just Above My Head by James Baldwin. A haunting, touching and revealing work filled with all

the lyricism, violence and tenderness that comprises the human condition.

Looking Terrific by Emily Cho. Focuses on the language of clothing. How does it control your behavior, affect your life? How do you project your unique personal style.

The Wild Edge by Philip Kopper. This is a celebration of beach life along the Atlantic coast. Field guide, wildlife appreciation and beachcomber's handbook.

Make Your Own Furniture by Paul Howard. Designs are easy to follow, attractive, durable and can be made in several hours.

The House by the Sea by May Sarton. This is a journal of a creative, spirited woman with much to say about solitude, the

weather and her observations of life.

The World of Silent Flight by Richard Wolter. In-depth coverage of kites, ballooning, soaring, hang gliding and parachuting. Along with beautiful photography.

Passion Play by Jerzy Kosinski. An indelible narrative of love and loss.

Brando for Breakfast by Anna Kashfi Brando. Anna Kashfi shows the ability to admire Brando's greatness even as she rails against his imperfections.

Movie Book by The Saturday Evening Post. A glimpse of a medium which, more than any other, personifies the American dream.

Britain's Royal Family by Donald Edgar. Recounts the fascinating lives and times of the most celebrated and popular family of the realm. Beginning with Edward VII, it tells the stories of each royal household.

The Awakening by Richard Meredith. An old-fashioned ghost story.

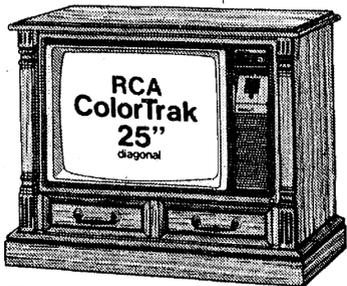

Speed of Light by Gwyneth Cravens. A subtle, terrifying plan for the manipulation of the American public that cannot be stopped by any ordinary means.

The Blood Carnelian by Jean Raynes. A novel of romantic suspense. Combines treachery, abduction and murder.

Science Film "God of Creation" Will Be Shown

Flowers will bloom and a cater-
pillar will change into a butterfly
in a matter of seconds. The pro-
cesses are compressed by the
time-lapse camera for the film
"God of Creation," to be shown
Sunday, Feb. 17, 6 p.m. at Im-
manuel Bible church, 145 E. Sum-
mit St.
"God of Creation," produced
by Dr. Irwin A. Moon, director of
the Moody Institute of Science in
Whittier, Calif., is one of a series
of motion pictures called "Ser-
mons from Science." These uni-
que films were viewed by
thousands at the New York
World's Fair.

In producing "God of
Creation," the cameraman look-
ed through the world's largest
telescopes to see thousands of
light years into space and view
great nebulae, each composed of
thousands of solar systems much
like our own. He then peered into
a drop of water under a
microscope and another
"universe" was discovered: a
world far more complex than
even the whirling galaxies of
space.

Included also are the first color
motion pictures of photosyn-
thesis, the food manufacturing
process in plants.

Real Estate

By **PAUL FRISINGER**
REALTOR

THE COUNTER OFFER

When you find the house
you want to buy, what do you
do? The first step is to sub-
mit an offer to purchase to
the owner through your
REALTOR. Then comes the
anxious wait for the answer.
Your REALTOR will return
with one of three answers —
an acceptance, a rejection, or
a counter offer. What is a
counter offer?

Basically, it is a combina-
tion of the rejection and a
new offer by the seller. When
the seller demands a higher
price, more down payment
or different terms, the buy-
er's original offer is auto-
matically cancelled. This is
a tricky area of negotiation
and calls for the expert ad-
vice of your REALTOR or
lawyer.

The reason is this. In ef-
fect, the counter offer may
burn bridges in its wake. If
the buyer refuses the new
counter offer the seller can
no longer demand that the
buyer make good at the origi-
nal purchase price — be-
cause that original offer to
purchase had been wiped out
with the rejection and coun-
ter offer.

If there is anything we can
do to help you in the field of
real estate, please phone or
drop in at **FRISINGER**
REALTY CO., 935 S. Main St.,
Chelsea. Phone: 475-8681;
evenings 475-2621. We're here
to help!

Take Advantage of the "VIAL OF LIFE" Program

In the next few days, a
Boy Scout will knock on
your door and ask if he
might explain to you the
"Vial of Life" program.
Please listen to what he has
to say. It could save your
life.

"Vial of Life" is being
made available to the
Chelsea community with
the full support of public
officials, the Police De-
partment, the Fire Depart-
ment, Ambulance Person-
nel, and Hospital Person-
nel.

We, at Burghardt-Cole
Chelsea Funeral Chapel,
urge you to participate, to
take advantage of this free,
life-saving service.

BURGHARDT-COLE

Member, The International Order Of The Golden Rule

The Bible - The Light from Heaven

Teaches Christ's blood was shed for the redemption
of man's sins. Isaiah 53 is a picture of Jesus the
sacrificial Lamb. Isaiah wrote: "All we like sheep
have gone astray; we have turned every one to his
own way: And Jehovah hath laid on him the in-
iquity of us all." (Isaiah 53:6). One of the funda-
mental facts of the gospel is . . . how that Christ
died for our sins according to the scriptures." (1
Corinthians 15:4). "But God commendeth his love
toward us in that, while we were yet sinners, Christ
died for us." (Romans 5:8). Paul wrote in Romans
6:4, "Therefore we are buried with him by baptism
into his death: that like as Christ was raised up
from the dead by the glory of the Father, even so
we also should walk in newness of life." In verse six
he continues, "Knowing this, that our old man is
crucified with him, that the body of sin might be
destroyed, that henceforth we should not serve sin."
This redemption is made plain in Ephesians 1:7.
"We have redemption through his blood, the for-
giveness of sins, according to the riches of his
grace." The New Testament Church is a blood-pur-
chased institution. This is revealed in Acts 20:28. It
is essential that one be cleansed by the blood and be
a part of the blood-purchased church.

SUPER 7 JACKPOT

1. Now, one more great reason to shop Polly's

There's a new game in town! It's super easy to play—there's nothing to save, and lots of chances to win! We call it Super 7 Jackpot. But don't look for it everywhere—it's only being offered at (store name) stores, like the one in your neighborhood. And it's just one more reason for you to come in and discover all the special buys, special services and special offers waiting for you, just down the street — at (store name).

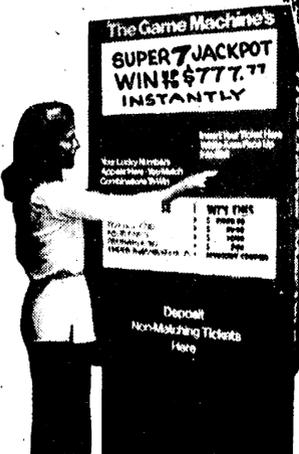

Feelin' lucky? Come on in! You could be an instant winner in our new Super 7 Jackpot game!

It's the simplest game you've ever played!

2. You'll get a Jackpot ticket just like this one every time you visit Polly's

3. Before you leave, get your ticket stamped with numbers by inserting it in our big game machine.

Numbers You Match To Win

Simply present your winning ticket to the store manager. Prizes of \$77.77 or more will be paid by check after official verification. Taxes on prizes are the responsibility of the prize winner.

Ticket is void if tampered with in any way. Double stamped, disfigured or mutilated numbers are invalid. Rights reserved to reject any ticket not obtained through legitimate channels or because of computer malfunction. Employees of our company, their immediate families and/or households (including I.R.S. dependents), and our advertising agencies are not eligible to participate. Limit one ticket for each store visit, please. Players must be 18 or older.

4. You're an Instant winner if you get 3, 4 or 5 Sevens, 3, 4 or 5 of the Same Number.

IF THIS COMBINATION APPEARS ON YOUR JACKPOT TICKET	YOU WIN INSTANTLY
77777 FIVE SEVENS	\$777.77
33333 FIVE OF SAME KIND	\$77.77
77777 ANY FOUR SEVENS	\$7.77
11011 ANY FOUR OF SAME KIND	\$1.77
37777 ANY THREE SEVENS	77¢
77777 ANY THREE OF SAME KIND	3 EXTRA TICKETS

WIN!
up to

77777

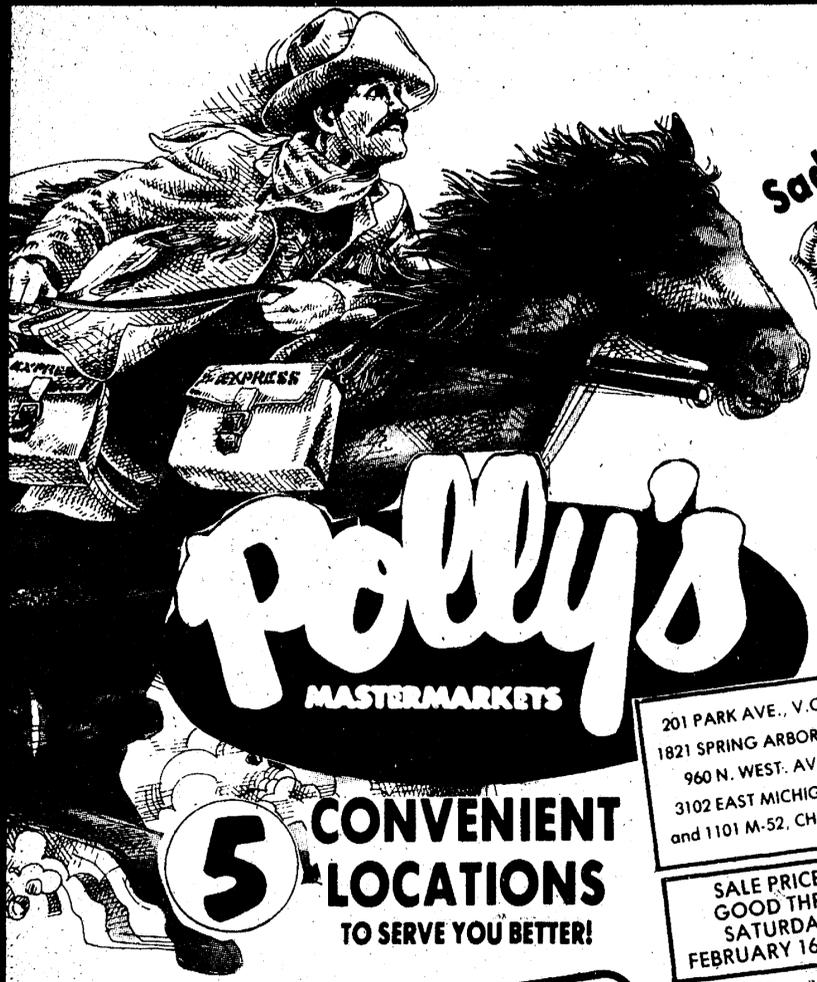

INSTANTLY!

5. The amount you win depends on the combination you get.

Odds are . . . you'll love to play!
