JV Cagers Showing Great Improvement

Showing great improvement since the beginning of the season, Chelsea's junior varsity basketballers won their fourth consecutive game last week at Carleton Airport, before bowing to Saline Friday night.

Darrow Keezer led the Bulldogs to their 49-34 victory against Airport Tuesday, tossing in 12 points. Mike Bareis followed with eight, and Todd Sprague had six. Scoring four points each were Toby Boyd, Doug Stephens and Doug Henson. Daren Pierson scored three, and Jeff Lantis,

Doug Inglis, Bob Trevino and John Welton each bucketed a field goal.

Mike Bareis, with four assists, six rebounds and five steals, played the best game of any Chelsea junior varsity guard all year.

Boyd had seven rebounds and Keezer, five. Welton managed five assists.

"It was one of our better games," said Coach Jon Schaffner. "We outrebounced Airport 37-26 and shot for 45 percent."

Village Political Pot Boiling Over

Move over Ted, Jimmy, Ronnie and George. For the first time in many a long year, Chelsea politics is heating up!

Not only has the political pot boiled since last week's surprising Independent Party caucus results, but the rumor mill is now operating overtime with tales of radicals, unqualified nominees and write-in campaigns.

All of which has left many village voters scratching their heads and wondering what exactly is happening.

A development that has turned from rumor into fact this week is the organization of a write-in campaign for four nominees defeated at the Independent Party caucus two weeks ago.

Don Wood, present village president, will attempt to regain his office in the March 10 elections, running as a sticker candidate against party nominee Charles Ritter.

Hoping for write-in success as trustees will be present trustees James Schardein and Walter

Brown, and a new candidate, Philip Hume.

Party nominees appearing on the ballot for those three open positions are Loren Keezer, Stephanie "Sis" Kanten and Joe Merkel, III.

Verification of the candidacy of the four was received in a letter to the editor which appears in this week's Standard, in which long-time Independent Party members assert their intention to vote for party stalwarts instead of the "dissident candidates" who appear on this year's ballot as the party's choices.

Don Wood was out of town Wednesday and unavailable for comment on his candidacy. Likewise, none of the trustee candidates could be reached at their homes before press time to comment on their campaigns.

Comments and opinions from village residents are flying thick and fast, however, as the first genuine political race in a long, long time begins to shape up.

HEALTH CARE was the lunchtime topic this Monday noon at Chelsea Hospital's conference room, as State Rep. Mary Keith Ballantine, (R-23rd District), right, met with a number of hospital employees. Enjoying the discussion

were, from left, Kathy Brubaker, director of nursing; Kathy Cameron, transporter; Barbara Steele nursing supervisor; and JoAnn Warner, home care director.

Boys Varsity Swimming Team Sinks Both Novi, Erie-Mason

With victories over Novi, 100-66, and Erie-Mason, 98-67, Chelsea swimmers raised their season record to 11-1.

With two meets left with Jackson and Willow Run, the team has a chance to win a record 13 meets in one season. "Last year we were 12-2 with the boys," said Coach Larry Reed, "and this year we could be 13-1 with a much tougher schedule."

Leading the way against the Novi team were Tom Gaunt, winning the 100 back and medley relay; Dave Nicola, also on the winning medley relay; Dave Mason, winning the 100 fly, 200 IM and medley relay; Mike Mason, also on the winning medley relay; Craig Wirtz, winning the diving competition; Scott Prohaska, a winner in the 100 fly; Phil Hoffman, winning

the 50 and 100 free races; and Shawn Pierson winning the 100 breaststroke.

Against Erie-Mason, Chelsea set two varsity records. One was the medley relay team of Tom Gaunt, Dave Nicola, Dave Mason and Mike Mason with a time of 1:48.1. The other was turned in by Tom Gaunt with a :58.9 in the 100 back.

Other best times were turned in by Kirk Hawks, :26.9 for the 50 fly; Dave Nicola, :30.4, 50 breaststroke; Craig Wirtz, 2:32.131 in the 200 IM; Kirk Hawks again, 1:08.354 in the 100 back; Phil Hoffman, :23.598; Andy Weir, 1:11.057, 100 fly; John Robbins, :57.9, 100 free; and Andy Weir, 1:01.8, 100 free.

The team now has qualified swimmers for the state meet in all 11 events. Swimming in the medley relay will be Gaunt, Nicola, and Mike and Dave Mason, with John Robbins, Shawn Pierson, Kirk Hawks and Andy Weir as alternates. In the 200 free, Phil Hoffman and Scott Prohaska have qualified.

Tom Gaunt will swim in the 200 IM; Dave Nicola, in the 50 free, Craig Wirtz, diving; Dave Mason, 100 fly; Mike Mason and Phil Hoffman, 100 free; Prohaska, 500 free; Gaunt and John Robbins, 100 backstroke; Nicola and Pierson, 100 breaststroke.

The freestyle relay has qualified with Prohaska, Dave and Mike Mason, and Hoffman, with Sean Oxner and Paul Schumann as alternates.

Grand Rapids Junior College is hosting the state meet the weekend of March 14-15.

"We have a goal to finish in the top 20, but if every one swims great, we could be in the top ten," predicted Coach Reed. "That would be a nice accomplishment for a program only in its fourth year of development."

Saline Gains Revenge in Bulldog Loss

Cagers Now Share SEC Lead As 1,200 Screaming Fans Pack Gym

Revenge can be a powerful motivation in sports, particularly when it is sought by a skilled, talented team. Chelsea's varsity basketballers learned that hard lesson when they wound up on the short end of a heartbreaking loss last Friday night.

Seeking to avenge a defeat at the hands of the Bulldogs earlier in the season and resuscitate their title chances, Saline's Hornets downed Chelsea 48-45 before a screaming capacity crowd in the CHS gymnasium.

Saline's victory kept alive their chances for the SEC title and forced a first-place tie in the league. Milan will meet Saline and Chelsea plays Lincoln to lose out league play. If both the Bulldogs and Hornets win those contests, they will share the SEC crown for the 1979-80 season.

Chelsea fans learned to spell Saline with a "K" Friday night, as powerful 6'6" center John Kendzicky racked up 20 points and dominated the contest with his aggressive play.

The Bulldogs went for the outside shots after being denied the inside lane by Saline and kept the game a see-saw affair up until the last three minutes.

Unlike the Bulldogs, who rely on all five players for scoring, Saline unfailingly fed the ball to Kendzicky, who managed to penetrate to the basket with consistency throughout the game.

"The difference was probably the inside," said a disappointed Coach Robin Raymond after the contest. "We missed five or six easy inside offensive rebounds and drop-off passes. We can't miss the easy shots inside."

Scoring throughout the game was remarkably even, with the score tied 12-12 after the first quarter and 32-32 after the third quarter. In the end, it was freethrows that were the Bulldogs' undoing.

With the excitement mounting in the fourth quarter, both teams committed fouls, but Saline

capitalized on their freethrow opportunities to gain their five-point victory margin. Kendzicky fouled out of the game with 1:54 left in the contest, but his absence was too short-lived to aid the Bulldogs.

The difference in this go-round between the two teams may well have been the play of Matt McGuire, Coach Raymond said. Stopped effectively by Chelsea earlier in the season, McGuire made two big free throws late in the final stanza to ice the game for Saline.

Once out in front, the Hornets went to their four-corner offense and effectively stalled, leaving the Bulldogs to hunt for a mistake and force a turnover.

That's not to say, however, that Chelsea didn't take the initiative in the contest. Junior guard Jeff Dils was all over the court, scoring 18 points and assisting in a number of others. Don Schrotenboer and John Dunn each contributed 10 points to the effort, with Schrotenboer the top rebounder with eight.

Dunn was again effective in shooting from the outside when the Bulldogs were held there by Saline's defense.

Karl Albrecht had five points and Jon Riemenscheider, two, to round out the Bulldog scoring. The Hornets, however, outrebounded Chelsea, 37-28, which was a factor in the match. Kendzicky managed to haul 15 off the boards, and George Tilt had 10.

In spite of Chelsea's loss, Coach Raymond called the size of the home crowd "rewarding." Both sides of the gymnasium, top and bottom sections, were crammed with enthusiastic fans cheering for both teams.

"Years from now when they think back on the game, they'll remember that they didn't win," he said, "but they'll also remember that they played the game before about 1,200 people. It's important, the parents, kids

Program Offered On Drug Abuse

Funded by local businessmen, Chelsea Police will this month begin offering an adult drug education program aimed at the parents of elementary and junior high students.

According to Police Chief Robert Aeillo, "Knowledge of drug abuse and drug prevention should begin at home with a child at an early age, and as that child grows." The purpose of this program is to help parents identify drugs and illicit substances, and to assist them in educating their children about such drugs.

First session of the newly-initiated program will be held Thursday, Feb. 28, at 7 p.m. in the media center at Chelsea High school, which is the building facing Washington St. Chief Aeillo asks interested persons to call the department at 475-9122 if they wish to attend. If the number of callers is sufficiently high, the hour-long presentation may be moved to the school board meeting room.

Parents will receive a publication called "A Reason for Tears," available to Chelsea parents through the sponsorship of local businesses. A display case of illegal drugs, also purchased for the classes by businesses, will also be used at the sessions.

In the near future, Chief Aeillo will take the presentation to local organizations such as Kiwanis, Lions and Jaycees, thereby reaching parents who may not have attended the first session.

A session will also be offered in the future through Chelsea Adult Education.

Although specifically designed for adults, Chief Aeillo said that the program may be offered later to junior high aged children in the village.

Aeillo hopes the program will open some eyes. "Many of the parents may be surprised to find that the stuff we're showing them was taken off of their kids right here in the village."

Beach Talent Fair Slated Next Week

Entries in Beach school's first talent fair will be on display for public viewing Thursday, Feb. 28, 7 to 8:30 p.m.

Numerous entries were received in a wide range of categories, including some unusual creations. Some of the innovative exhibits include marigolds watered with food coloring, egg embryos from eggs opened every two days, preserved stages in the life cycle of yellow jackets, the process of yarn making and a tape recording of original music for guitar.

Among the categories receiving entries from Beach students are wall hangings and macrame,

sewing, photography, baked goods, short stories and poems, social studies posters and realistic art.

Some 160 individual exhibits are planned, with about one-third of them in one of the five art categories.

As a part of talent fair activities, a book fair is also planned. It will be held in the Beach media center during school hours on Feb. 27, 28 and 29, and on the evening of the talent fair.

Paperback books that appeal both to middle school students and adults, priced at 95 cents and up, will be on sale together with a number of games.

everything has a way of working out in the end, and as he looked around the world he figured it was about time for our scale to swing from taking to giving. He confused the fellers more when he allowed that if he couldn't get some giving on even one of the big items he would settle for some help on a bunch of little ones. Zeke said he could see signs of a breakthrough in some areas, even if we ain't making much headway with the Big I's, Iran and Inflation. Fer instant, Zeke said, somebody has come out with a cigaret made of everthing in the barn but tobacco. This piece he had saw said it's got wheat chaff, cocoa bean husks, orange peelings and molasses in it, and a doctor has said it's good fer you. Another good part is, these smokes don't carry a health warning and they won't be taxed heavy like tobacco cigarets. Zeke said he don't see no need fer a warning, just listing the ingredients is enough to gag your average three pack a day man. The good trade off here, Zeke declared, is that if we can slip some of these new cigarets to Iran to take the place of the \$95 million order fer real smokes Iran canceled the other day, we can drive them folks so crazy fer tobacco we can blackmail them into trading oil fer real cigarets.

Personal, Mister Editor, I'll settle fer a small give and take right now. Keep the United Nations talking about Iran and all the hot spots, cause, like Winston Churchill said, jaw-jaw is better than war-war any time. Fer this I'm willing fer the bottom to fall out of the gold market. Since I ain't got a speck of gold I'd suffer through all the television networks agreeing not to interrupt their commercials with a single live or rerun football game till after the World Series. Yours truly, Uncle Lew.

The annual Valentine Tea, given by the Woman's Club of Chelsea, was held Feb. 14 from 2 to 4 p.m. at the United Methodist Retirement Home. Approximately 100 residents were in attendance.

Highlight of the event this year was the program presented by soprano soloist Marica Little of Chelsea. She sang many old-time favorites ranging from the romantic to the religious.

Audience participation was invited and received throughout, and many song requests were granted as well. Little played her own accompaniment on the piano. For a touching finale to the program, she sang "His Eye is On the Sparrow."

Following the program, punch and cookies were served and favors passed out by members of the club.

Members of the committee for the tea consisted of Lila Paulowski, Betty Schenk, Sally Nicola and Patricia Scholz.

EAT RIGHT and LIVE LONGER

Let Honey Be Your Sweetener

By LELORD KORDEL
Number Eight of a Series

Readers Can Buy "Eat Right" Book By Lelord Kordel

The "Live Longer" articles appearing in this newspaper are only condensations from Lelord Kordel's 144-page book which contains so much more — including diets, charts, other facts to help you eat right and look younger, live longer. says: "As the best food for the heart, I recommend honey."

And Dr. E. Koch, famous German heart specialist, most emphatically approves of honey for the heart:

"The heart, after getting honey, can be compared with a horse after feeding it oats. It is loaded with strength."

There is an easily proved, wholly scientific reason why honey is a wonderful food to build quick energy in run-down bodies. To promptly stimulate fatigued bodies back to normal. And to nourish heart muscles.

HONEY'S "MAGIC"

Why is this natural sweet a "rejuvenator?" Honey's "magic" lies in its chemical composition. It is the only animal carbohydrate available. It is the only natural sugar of its kind — being 99 percent predigested when it reaches your table.

In addition to being an unexcelled energy food, honey is also one of nature's most powerful germ killers. Germs simply cannot survive in honey.

Mixed with a little lemon juice, honey is an excellent remedy for simple coughs, often caused by germs.

Not only is honey itself the purest of foods, it is also a good purifier for your digestive tract.

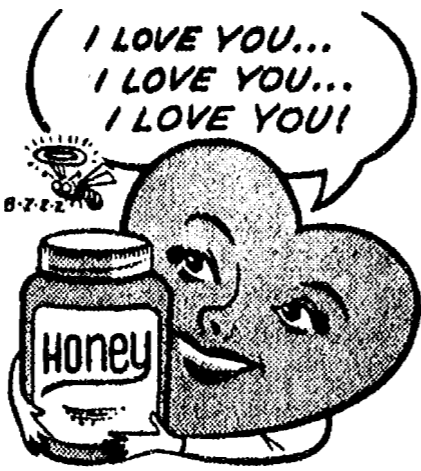

My own nutritional studies have convinced me that honey is particularly valuable as a sweetener in the diet of anyone past the age of forty. It places no burden on the digestion.

In adopting honey as your principal sweetener, you'll be using a sweet that has already won its laurels from nutritional science. For honey is universally recognized as a protective food.

INFANT FEEDING

Honey is the outstanding natural sweet to use in infant feeding. Tolerated by most babies, it furnishes the baby with a sweet, minerals supplementing those found in milk, a small amount of protein, an antiseptic and a mild laxative.

The Swiss Bee Journal reported an experiment conducted with three groups of children.

all in poor health. The honey-fed group of sickly children "out-distanced the other two in every respect: blood count, weight, energy, vivacity, and general appearance."

The honeybee gives you many valid nutritional reasons for including the product of his chemistry in your diet.

If you or your family must have sweetening — by all means use honey instead of refined sugar. Use it in any recipe that calls for sugar. It's the wise thing to do from a nutritional standpoint.

BEST PROTECTIVE FOOD

Professor E. V. McCollum of Johns Hopkins University regarded honey as being among our best protective foods.

And Elie Metchnikoff, the famous Russian scientist, attributes the unusually long life of Bulgarian peasants to their milk-and-honey diet.

But, best of all — like all the other youth-protecting foods in my Live Longer programs — honey tastes good. It makes mealtime and snacktime a pleasure, not an endurance contest.

If you've never used honey instead of sugar to sweeten your morning coffee, you can't appreciate how much better this beverage can taste.

And speaking of coffee — our thoughts naturally turn to the subject of breakfast. This most important meal, neglected by too many — is dealt with next.

Frosh Cagers Win Over Dexter, Milan

Chelsea frosh cagers upped their season record to 9-3 this week with two victories over teams from Dexter and Milan.

Dave Wojcicki's 21 points and an improved rebounding game gave the Bulldogs a 42-38 victory over Milan Thursday. Coach Jim Tallman said the rebounding, led by Randy Krichbaum with 13, helped assure the victory for the frosh.

Also scoring for the Bulldogs were Chris Seitz with nine and Rod Robeson with seven.

An injured finger gave the team a chance to show its depth Monday, when Dave Wojcicki sat the bench for most of the game because of his injury.

Coach Tallman said that all but three team members scored

points on their way to a romp over Dexter, 61-43.

Dave Mann and Matt McCallum led the way with 12 points each. Randy Krichbaum scored eight points and contributed seven rebounds. Mann was top rebounder with 13, and McCallum had 10.

Again it was the boards that provided Chelsea with its victory margin, as the team's 43 rebounds was its best effort so far this season.

Letters to the Editor

To the Editor:

In response to Mr. Palmer's letter that was published in The Chelsea Standard Feb. 14, 1980: Mr. Palmer, I believe you have confused a name of a Ford product (Maverick) with people of this community. I do not feel like a "maverick." I feel like a person and a member of this community. I was raised in this community, attended school and graduated here, also!

Since when are we not allowed to nominate our choice to run for office in this community of Chelsea? The people are voicing their choice, which is every American's right!

Our candidates were nominated to run and will be on the ballot for vote March 10, 1980.

This is a free country. Maybe this is the voice of the people, that should have been heard by our council a long time ago.

Mr. Palmer, what makes you or anyone else feel that these candidates are not concerned about our community? If they weren't concerned, they would not be running for office.

Mrs. Edw. (Rosemary) Harook.

Dear Editor:

I am concerned that the voters in the village feel that they will have no choice in the village election on March 10 and will be forced to accept the dissident candidates who were nominated at the Independent Party caucus a week ago last Monday night.

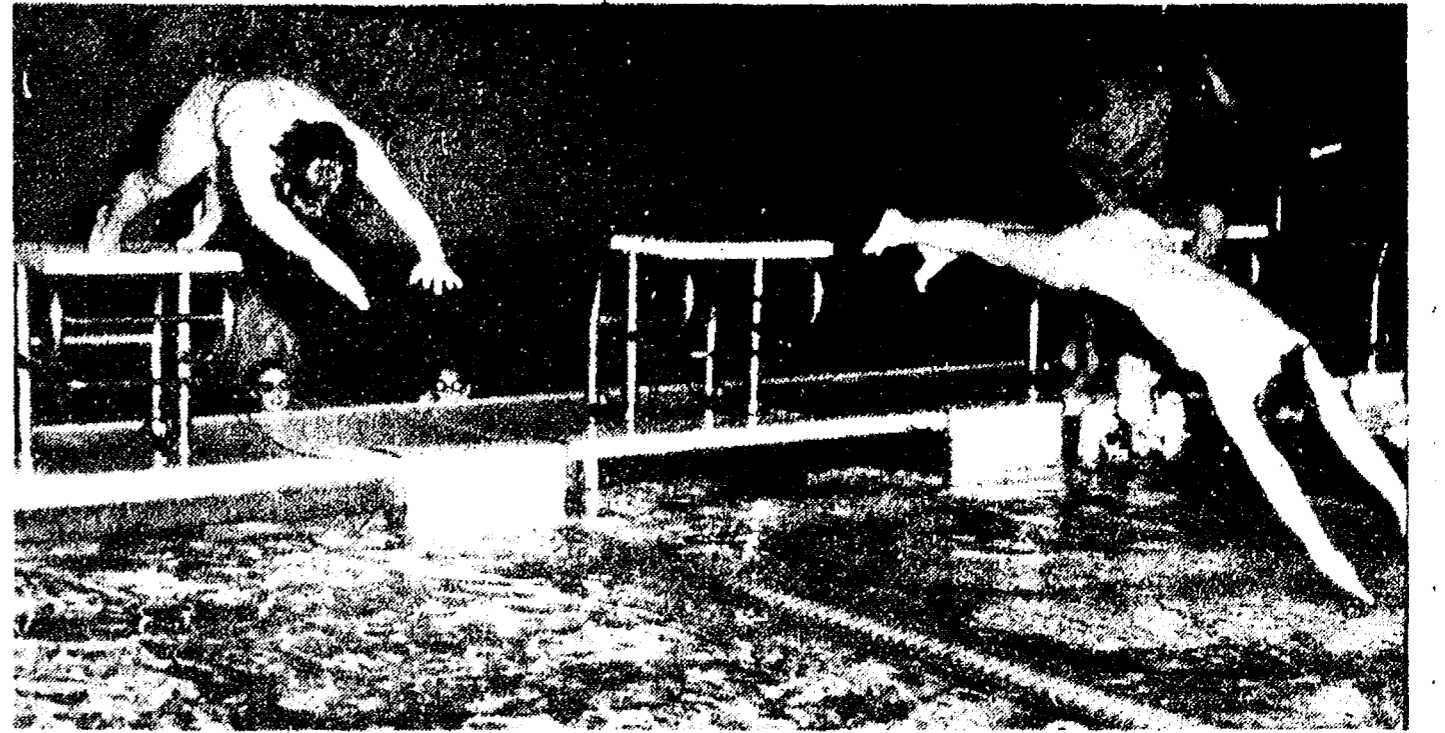

Luckily this will not be the case. Old party members are rallying around those party nominees who were defeated at the caucus and are working to help them run as write-in candidates.

If you are as concerned as I am about continued stable village government, contact one of these candidates to see what you can do to help them in their efforts to continue to unselfishly serve the community.

The write-in candidates are: Don Wood for president, and for the three trustee positions, Walt Brown, Jim Schardein, and Phil Hume.

William Chandler.

Ann Arbor Trust Co. Issues Annual Report

Results of another very successful year will be reported to Ann Arbor Trust Co. shareholders at the firm's annual meeting scheduled for March 18, at the Campus Inn, Ann Arbor.

Ann Arbor Trust Co. president, George H. Cress, reported earnings for 1979 reached \$863,477,

compared with \$862,250 for 1978. Earnings per share for 1979 were \$4.19. Cash dividends in 1979 were \$1.45 per share, up from \$1.25 in 1978. The new indicated annual rate is \$1.60 per share.

Total assets of the Ann Arbor Trust Co. as of Dec. 31, 1979, were \$87,526,260. This compares with \$76,549,649 at the end of 1978, an increase of 14.3 percent. Cress pointed out that approximately 50 percent of this increase was a direct result of three new branches that were completed in 1979.

The new branch facilities were opened in Chelsea on Chelsea-Manchester Rd. at M-52, in Brighton on Grand River Ave., and in Ann Arbor, located on State St. across from the Ann Arbor Research Park. "The planning, recruiting, and staff training for these facilities was very time consuming and costly," noted Cress. "These investments have broadened our market area and should give us a good base for continued growth in the greater Ann Arbor area market," he added.

In August of 1979, the banking division of Ann Arbor Trust celebrated its fifth year of operation. Bank deposits at year end were nearly \$79 million. "We are extremely pleased with the penetration we have made in the Ann Arbor banking community, as well as the extensions into the Chelsea and Brighton areas through our branch system," Cress stated.

Outstanding loans at year end were \$55,742,924, compared with \$47,064,325 in 1978, an increase of 18.4 percent.

ENERGY EFFICIENT DESIGN is the order of the day, as this architect's rendering of the proposed Chelsea Free Methodist Church demonstrates. The structure, slated to be located on Werkner Rd. near Waterloo Rd., utilizes passive solar features such as earth berms on three sides and southern exposure for the open side. Construction should be completed by Christmas 1980.

Free Methodist Church To Build on Werkner Rd.

Since its founding in September 1977, the congregation of Chelsea's Free Methodist church has worshipped in rented facilities at St. Barnabas Episcopal church. The church members have appreciated sharing those facilities, but because of expanded membership and the need to have their own facility have elected to build their own church on 10 acres of land on Werkner Rd. just north of Waterloo Rd. Desiring to be good stewards of not only possessions but also of the earth's resources, the congregation has chosen an energy-efficient design for the structure, Pastor Mearl L. Bradley explained. The new church will be bermed with earth on three sides, leaving the south side open to sunlight to incorporate passive solar techniques. The building will house a sanctuary for 300, a secretary's office, pastor's study, lounge, library, nursery and toddler rooms, kitchen and a multipurpose area to be used for Sunday school classes, fellowship and recreation. Ground breaking for the new church will be held Sunday, April 30, at 2:30 p.m. It is anticipated that the congregation will worship in their new building by Christmas 1980. Chelsea Free Methodist church was chartered in 1977 with a membership of 10, Sunday school attendance of 30, and a worship attendance of 40. Total membership today is 56 and Sunday school attendance has risen to an average of 56. Worship attendance averages 111 each week.

Real Estate
By PAUL FRISINGER
REALTOR

SEVEN REASONS WHY

- Ownership of income-producing property can be one of the greatest ways you can put your money to work and keep more of what you earn. Here is a list of seven big pluses:
- Employ leverage and acquire property with a minimum of cash outlay.
- Enjoy a higher cash flow than in other investments.
- Retain profits you earn by paying lower taxes on such income.
- Provide a tax shelter, so that you pay less tax on other income.
- Have ability to refinance and take out large sums, tax-free.
- On sale date, enjoy lower capital gain rates and installment reporting of profits.
- Limit your liability to the cash you have invested.

There are many opportunities available ranging from residential homes to condominiums to apartment complexes. And, most importantly, real estate is one of the best hedges against inflation.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

The Bible-The Light from Heaven

Teaches on the subject of salvation — Salvation from sin. It is the greatest salvation made known. The human race has been separated from God because of sin. Isaiah the prophet wrote, "Your iniquities have separated between you and your God, and your sins have hid his face from you that he will not hear." (Isaiah 59:2). All have sinned and this is the reason we read about "the common salvation" recorded in Jude 3. It is of a universal nature. It is for "whosoever will come to the Lord." (Revelation 22:17). Jesus Christ is the author of this eternal salvation. (Hebrews 5:8, 9). One must not reject it. Jesus said, "He that rejecteth me and receiveth not my words, hath one that judgeth him: the word that I have spoken, the same will judge him in the last day." (John 12:48). And the apostle Paul wrote concerning this salvation through Christ, "How shall we escape if we neglect so great-salvation?" There is no answer to that question. Sin is the only thing that will keep one out of heaven. Jesus saves the obedient. (Hebrews 5:9). Faith in him is essential. (John 8:24). One must repent or perish. (Luke 13:3, 5). Baptism into Christ remits sin. (Acts 2:37, 38; 22:16). The heart is changed by faith; the life by repentance; the state or relationship by baptism. (Galatians 3:26, 27; Romans 6:4).

(Continued from page one) and community coming out and supporting the school." Happier results came from the team's Tuesday night home contest with Jackson Northwest. Jeff Dils had 22 points, eight assists, seven rebounds and four steals in leading the Bulldogs to a 78-62 romp.

At one point in the final period of that contest, Chelsea held a 65-45 lead over Northwest, allowing the reserves to step in and see some action. The bench performed admirably, scoring 16 points in the fourth quarter to 19 garnered by Northwest's first string.

"We shot real well both outside and in," explained Coach Raymond. "Northwest first played in a 2-3 zone and then went man-to-man but neither worked effectively against us."

The first half of the Tuesday contest was Chelsea's best shooting half all season, as the Bulldogs hit an exceptional 60 percent from the floor, making 21 of 35 attempts. In that half, Jeff Dils had 10 points, Jon Riemenschneider had 12 from the bench, and Karl Albrecht, in his first start since a knee injury, hit 11.

Keys to the win, said Raymond, were Chelsea's 47 percent overall shooting percentage from the floor and rebounding, where the Bulldogs outdid Northwest 40-22.

"Losing to Saline was a real disappointment," said Raymond, "and we weren't enthusiastic at the beginning of the game, but we controlled the contest well and it really picked us up."

All Chelsea has to do now to tie for the SEC title is stay "picked up" and down Ypsilanti Lincoln away Friday night. Chelsea last tied for the crown in 1954 and last took it outright in 1951.

The squad continued its excellent play against Saline, but was, as Schaffner put it, "killed on the free throw line." The Hornets took the contest, 52-46.

Chelsea made 22 field goals to Saline's 20, and outrebounded the Hornets, 40-32, but made only two of nine freethrows to the opposition's 12 for 21.

Keezer again led the Bulldogs with 18 points and 15 rebounds. Boyd had eight points and nine rebounds, and Welton had six points. Bob Trevino, with four points, six steals and eight assists, played the second-best game for a Chelsea guard this season. Sprague had four points and Lantis, Boreis and Shaw two each.

The JV is now 5-11 over-all, and has won four of its last five games. Next contest is this Friday evening against Ypsilanti Lincoln away.

SEC ROUNDUP:

Saline Bumps Chelsea To Create Tie in League Race

The SEC title race is still alive, after front-runner Chelsea fell to Saline Friday night, 48-43. The Bulldogs and Hornets are now in a first-place tie, that may be resolved this Friday, when Saline takes on Milan and Chelsea meets Lincoln.

If both teams win this Friday, they will share the league crown for 1979-80.

Other league action Friday included the following contests:

Milan 65, Dexter 57—

Big Reds John Gruden and Rob Cranson combined for 42 points to lead Milan to a 65-57 win over Dexter.

Dexter staged a rally in the third quarter which brought them to within four points of Milan, but Cranson hit 12 points in the final period to pull the game out of the Dreadnaughts' reach.

Top shooter for Dexter was Jim

Vaughan, who bucketed 23 points. Milan is now 5-3 in the SEC, while Dexter falls to 2-7.

Jack Boss led Western with 19 points. Lincoln was led by Jim Czinski with 12 and Darryl McClain with 13.

JC Western 64, Lincoln 54—
Playing slack offense in the second quarter made all the difference in this SEC contest, as Western downed the Railsplitters Friday, 64-54.

Western outpointed Lincoln 15-5 in the second quarter, and that 10 points proved to be the final margin of victory.

SEC STANDINGS

Chelsea	8	1	13	3
Saline	8	1	13	2
Milan	5	3	11	5

Lincoln	2	7	4	10
JC West	3	5	4	10

pointed the Bulldogs, 48-43, to create a tie in the race for the league title.

8th Grade Cagers To Meet Dexter Saturday

Eighth grade basketballers at Beach school are currently looking forward to their third contest in the Stockbridge tournaments, after regular season play ended last week.

The junior high cagers dropped their first tournament contest to Stockbridge by a 47-25 score, but soundly beat Fowlerville on Tuesday, 40-34. Saturday at noon they will play Dexter in Stockbridge for the consolation trophy.

In the Stockbridge game, play was led by David Bushway with seven points. Chuck Hager had four points, as did David Kiel. Scoring two each were Jeff Martin, Randy Sabo, Richie Slater and Jay Marshall.

Against Fowlerville, however, it was a different matter, as the Bullpups never trailed and held a six to eight point lead for most of the contest. Marshall led the scoring with 12 points and nine re-

bounds. Hager scored five points and hauled down an impressive 14 rebounds, as well as blocking six shots.

Marty Steinhauer had 10 points, Glenn Prinzing and Richie Slater had four each, Kiel scored three and Bushway had two.

The team had finished out regular season play with two wins, over Lincoln and Milan, and a loss to Dexter.

Top scorers against Lincoln were Steinhauer with 14, Hager with six, Prinzing with four, Kiel with two and Slater with one. The win was a big one, since Lincoln had beat Chelsea by 13 points previously in the season.

A let down occurred in the Dexter contest, as the Bullpups shot for only 23 percent from the floor. Hager had 11 points, Steinhauer nine, and Kiel and Marshall, two each.

The 35-26 win against Milan

Pinckney Cagers Dump Novi, 75-37

Pinckney remained firmly in the driver's seat throughout Friday night's cage contest with Novi for a handy 75 to 37 victory.

The Pirates were all over their opponents from the beginning, taking the opening quarter, 14 to 4, after which they took possession of the second, 23 to 5, to consolidate their superiority during the bottom half. A Novi rally in the final period was not enough to offset Pinckney's momentum, as that quarter found the Pirates outscoring them, 18 to 17.

Janowski led in scoring with 13, followed by Haak with 12 and Ebner with 10.

gave the team a win in its final regular season game. Hager had 12 points, Steinhauer had eight, and Prinzing and Bushway had four each.

Homeowners insurance is homeowners insurance, right? Wrong.

Auto-Owners home-owners insurance is different.

Not only in the way we handle claims (Auto-Owners built its reputation on fast, fair claims service). Not only in the personal attention we give (another Auto-Owners trademark). Or in the way we could save you money (our low rates are famous). But in our whole outlook on home-owners insurance, with innovative, imaginative policies that make sure you get just what you need, for just what you want to pay. So, if you're thinking you'd be wrong if you didn't call Auto-Owners... you're right.

Don Boyer Retires from DNR Post

Donley W. "Don" Boyer, conservation officer in Chelsea from 1946 to 1971, retired from the Department of Natural Resources Feb. 2, after nearly 34 years of service in the law enforcement ranks. A dinner was held in his honor on Feb. 1 in Clarkston.
Born in 1920 at Charlotte, Boyer attended Western Michigan University for two years before enlisting in the Air Force during World War II. He joined the DNR as a conservation officer in April 1946, and for the next 25 years was stationed at Chelsea. He was promoted to Area Law Supervisor in 1968, and to District Supervisor at Pontiac Lake three years later.
Among many honors earned during his career, Boyer in 1969 received the first "Wildlife Officer of the Year" award, given annually by the Michigan chapter of Shikar-Safari Club International.
He is widely known and acclaimed for his work with sportsman's clubs, law enforcement organizations, church, civic and other citizen's groups, while earning a reputation as a "tough, but fair" conservation officer.
Boyer and his wife, Trillis, plan to spend the warm weather months in the Chelsea area and winters in Florida. "Our roots are in Chelsea," said Boyer, "and we plan to go back there."
At the District 14 office in Pontiac Lake, Boyer served roughly half of Michigan's population. He admitted that he'll be glad to get away from the often-hectic pace of the office, in spite of missing law enforcement work.

Biddy Basketball

In NBA biddy basketball action last week, the Hawks sailed into first place alone, on top of the pack. Four teams are deadlocked in second place.

In the first contest, the Lakers edged the Nuggets, 27-24. Bob Torres was high scorer with 15 points for the Lakers, with Dan Darrow scoring three, Mike Ball, four, Craig MacIag, two and Rick Proctor, two.

For the Nuggets, Mark Mull continued to play fine basketball, with 15 points. Matt Koenn bucketed nine points, and Tim Klink and Allan Fromm had two each.

In the second contest, the Celtics rebounded from a close defeat last week to defeat the Sonics, 30-27. Dwayne Pate was high scorer for the Celtics with 12 points, and John Lane had eight. Celtics Ray Spencer and Tom Sturgen each had four points, and Doug Jankuski had two.

For the Sonics, Chuck Downer collected 11 points, and Biff Burton had eight, while Dan Kimbell, Steve Whitsall and Chris Herter each had two points.

The final game pitted the Hawks against the Spurs. Once again the Hawks showed hustle and quickness, controlling the contest to win, 53-21.

With one man fouling out, the Hawks had only four players on the court for 2½ periods, and still managed to grab the victory, with three players scoring in double figures. Ken Maynard had 24 points, Doug Graves, 15, and Ken Martin, 14.
For the Spurs, Steve Kropf hustled his way to 15 points, as Kristi Headrick, Dan Bellus and Jim Bortski each had two.

NOTICE
FREEDOM TOWNSHIP
PROPERTY OWNERS

The Washtenaw County Equalization Department has indicated that they will impose a factor of 1.21 (an overall increase of 21% in the valuation) on property located in Freedom Township for the year 1980.

To preclude the use of this factor which would be unfair to some, all property in Freedom Township has been re-assessed. Their study indicated that agricultural classifications were 25% low and residential classifications were 15% low. Individual adjustments, some of which are greater and some less than that indicated, have been made in a continuing attempt to achieve uniformity and equity within the Township.

The Freedom Township Board of Review will meet at the Township Hall on March 10, 1980 from 9 a.m. to 4 p.m. and on March 11, 1980 from 9 a.m. to 4 p.m., also 7 p.m. to 9 p.m., during which time the 1980 assessment roll will be available for public inspection.

Police Report Shows Property Checks Value

Chelsea police answered 2,596 radio runs and logged 71,639 miles on two vehicles in 1979, according to the annual report that Police Chief Robert Aeillo presented to Village council recently.

One of the most impressive statistics to come from the report is the figure 2,060 for property checks done by officers for absent home- and business-owners. Chief Aeillo revitalized the program early in the summer and reports that not one residence has been burglarized in nine months.

Exactly 1,503 citations were issued by Chelsea Police during the year, comprising 362 for moving violations and 1,141 for improper parking. Collections from parking meters totalled \$8,933.59, with \$3,976.67 paid in fines from

expired meter citations. Other parking violations brought in \$1,497.00 during the year.

Police made 185 arrests during 1979, comprised of 30 felony arrests, 62 for misdemeanors, 56 on warrants, and 37 juvenile arrests. Police lodged seven juveniles during the year.

Accident reports in the village over the course of the year numbered 210, and 493 case reports were taken. Police made 651 traffic stops, impounded 42 vehicles and assisted 159 motorists.

Chelsea officers assisted on 99 county runs, made 116 bar checks, performed 31 bank escorts and 27 funeral escorts.

Restaurant Selling Their Equipment

It seems that plans for re-opening The Chelsea Restaurant under new ownership early in March have fallen through.

According to Patty Schick, former owner Ella McMillan's granddaughter, the couple negotiating to purchase the business was not able to obtain the necessary bank loans to re-open the eatery.

A number of major and expensive changes would have to be made before the restaurant could be opened, Mrs. Schick said, changes that would not be required of a continuing business. The expense was too much to be borne by the prospective buyers, and, in these days of tightened credit, they could not procure a bank loan.

Because there are no other prospective buyers, furnishings and equipment from The Chelsea Restaurant will be up for sale this Saturday, from 9 to 1 at the restaurant building. Dishes and silverware as well as tables and chairs may be purchased by interested villagers.

Chelseaites might do well to buy themselves a piece of local history, since it looks like it may be a long time before an eatery located at 119 S. Main St. opens again.

SERVICE WITH A SMILE might be the motto of Chelsea's volunteer Home Meals Service drivers. Ann Feeney, right, a driver and officer of the organization, makes a noon-hour delivery to Mrs.

Muriel Christian at the Methodist Home apartments. Persons interested in becoming one of the desperately needed volunteer drivers should call Barbara Branch at 475-7644.

Chelsea Home Meals Service Has Urgent Need for Volunteer Drivers

Serving more customers today than ever, Chelsea Home Meals Service is again in need of

volunteer drivers to make the program work.

One or two hours each week are all that's necessary to deliver meals to the elderly or handicapped people who look forward to their hot, freshly prepared noon meal.

The establishment of Chelsea Home Meals Service grew out of a need perceived by the United Methodist Women in 1972 and subsequently was sponsored and supported by the Jaycee Auxiliary and Church Women United.

June Warren, United Methodist Women president, directed that a committee to investigate be set up by the three women who expressed an initial interest in providing some assistance to the elderly and infirm in Chelsea, Ann Steinaway, Carelee Hoffmeyer and Sybil Johnson. As a committee, they investigated the possibility of receiving funding through a Title VII federal grant.

With some assistance, they submitted a grant proposal. The rude awakening came when the red tape looked to be so tangled and the compliance requirements so stringent as to constitute a bureaucratic snafu that could cost as much as \$49,000 per year.

Vial of Life Distribution Completed

Boy Scout Troop 425 has now completed its distribution of the Vial of Life to all Chelsea village residents. Anyone who was accidentally overlooked may call 475-1551 to receive one.

The vials are small plastic tubes containing forms that can be filled in with vital medical information. In the event of a medical emergency, health care personnel may consult the vial, which is stored on the top shelf of the refrigerator in the home.

Assisting the scouts in their efforts were Owen-Illinois Prescription Products, which shipped 2,500 vials for distribution, and Burghardt-Cole Chelsea Funeral Chapel, which provided the printing.

Scouts aiding in the distribution were Chris Gallas, Dale Cole, Jim Cook (who also distributed to North Lake residents), Rick Cook, Mark Freitas, Kevin Gross, Doug Jankuski, Brent Martin and Mark Porath.

The program was organized and supervised by Allen Cole as an Eagle Scout project.

In the meantime, the need grew and the committee decided to take matters into its own hands. After some consultation with Jackson program directors, they purchased an insulated cooler from the hardware store on credit, arranged with the Methodist Home to provide the meals, and the program was born.

Long involved with the program are the current coordinators Ann Steinaway, Ginny Wheaton and Barbara Branch. Ann Feeney is the treasurer, Maryann Merkel is in charge of publicity and Caralee Hoffmeyer is still chairperson.

The program is designed to deliver a noon meal seven days a week to as many as 23 persons. Through the years, volunteer drivers have included young men and women, housewives, retired persons and married couples. Founders of the Chelsea program are especially proud of the fact that their program, nearing its ninth year, was the first in Washtenaw county to be done on a solely volunteer basis. It has been used as a model for several other county programs. The United Methodist Home has always provided the meals, for the past four years at \$1.50 each.

The program is funded annually by Chelsea United Way and therefore can provide lower priced meals to anyone who cannot afford to pay the full cost. Through the years, private donations have also played a prime role in the service.

Today, however, volunteer drivers constitute the greatest

need the service faces. Anyone who can donate as little as an hour a week at the noon hour is asked to call Barbara Branch at 475-7644.

Jaycees Seek Nominations For DSA

Chelsea Jaycees are once again accepting nominations for their annual Distinguished Service Award, to be presented Wednesday, March 12, 7:30 p.m. at the Chelsea Fair Service Center.

A form for nominations appears elsewhere in this issue of The Standard. The Jaycees request that all nominations be received by them no later than Monday, March 10, and that a summary of the nominee's achievements and accomplishments be included with the form.

A prime rib dinner and keynote speaker will highlight the presentation dinner. Deciding the winner will be last year's DSA winner, Ann Feeney, Village President Don Wood, and Fair Council board member Art Steinaway. Tickets for the dinner are available at Gambles or Dancer's and are on sale now for \$7.50 per person.

Anyone with questions on the nominating procedure may contact the Chelsea Jaycees or Dennis Compeau, 475-1944.

JOHN DUNN (20) and Mike Killela (44) position themselves for a rebound as Saline's John Kendzicky goes up for another score. Kendzicky was the thorn in Chelsea's side Friday

night, as the Bulldogs fell, 48-43. The two teams will probably end the season tied for first place in the SEC.

Auxiliary Police Has 6 Recruits

Chelsea's Auxiliary Police will soon conduct a swearing-in ceremony for six new reserve officers, including the first Chelsea women ever to take reserve training.

According to the Chelsea police reports, reserve officers worked a collective 436 hours in 1979.

The organization is wholly self-supporting, with uniforms and equipment purchases coming not from the village treasury but from private contributions and donations.

Anyone wishing to help support the auxiliary should contact the Chelsea Police Department at 475-9122.

Lynne Boham, Bonnie Coleman, Bobby Craft, Michael Foster, Keith Poxson and Michael Poxson are currently about half-way through their 60 hours of law enforcement classroom training, which takes place weekly on the second floor of the municipal building.

According to Chief Robert Aeillo, the reserves have not increased their numbers in about five years, and voted recently to include the six trainees, who will bring the auxiliary's strength up to 21 members.

Instruction is being handled by Chief Aeillo, other Chelsea officers and some county sheriff's deputies, each of whom give classes in their area of expertise. Film and slides from the sheriff's department are also used, and the trainees are currently riding in Chelsea patrol cars as observers.

As to the recruitment of the first women in the organization, Chief Aeillo said it was a deliberate decision on the part of the auxiliary. Aside from the fact that more and more women have entered law enforcement in recent years, he said that female officers perform certain duties that their male counterparts cannot.

At activities such as the fair and sporting events, he explained, female officers are able to check women's restrooms and may search female suspects. It is also necessary to have a woman in attendance as a matron whenever a female is being held in the Chelsea lock-up.

The auxiliary is hoping to recruit a new group of about eight people in the fall, Aeillo said, and would like at least two of those recruits to be women.

Chelsea reserve officers are a vital supplement to the regular police force. For an annual salary of \$1, auxiliary officers' patrol at the annual fair, are on duty for all parades and school sports events, and ride in patrol cars with full-time officers.

Break-in Reported At Rectron Plant

A microwave oven, a coffee pot and several boxes of candy were stolen from Rectron, Inc., 310 Hayes St., sometime between Friday, Feb. 15 and Sunday, Feb. 17, police reports indicate.

Dick Casterline of Rectron, Inc. reported the theft to police Monday morning. Entry was gained through a jimmied rest room window, reports said, and the stolen property was removed through a northwest bay door.

Investigation of the incident is continuing.

Cager of the Week

CHRIS TOBIN, 6'4" junior, is this week's featured cager. Playing his first year on varsity, Tobin is an exceptional outside shooter. "He has a real soft touch outside," said Coach Robin Raymond, "which is unusual for a big man." The Bulldogs will look to Tobin next year to give them a triple outside threat, together with Jeff Dils and Jon Riemenschneider.

ASK THE GOVERNOR

by William G. Milliam

Question: Please describe your proposed budget for the coming fiscal year.

Governor: My proposed budget for fiscal 1981 has been the most difficult to prepare of my tenure in the Governor's office. In putting the budget recommendations together, I was mindful both of the desire of Michigan residents to hold the line on taxes and of the need to continue to meet essential services for our vulnerable populations. I believe this budget, which is the result of very careful review of programs in each department, meets both goals.

This budget marks the ninth consecutive year that I have not requested a general tax increase, the longest period in Michigan history that a Governor has foregone such a recommendation.

However, we have been able to provide substantial tax relief to Michigan residents during the 1970s and develop a tax system which was judged as the most equitable in the nation by the White House Advisory Council on Intergovernmental Relations. At the same time, we were able to improve our human service programs substantially. This budget attempts to preserve the gains we made in both areas.

The size of this budget was dictated by an age of limits. But, as I have said, limits on our financial resources need not mean limits on our compassion, our imagination or our devotion to developing the best possible government for the people of Michigan.

The proposed budget will eliminate a total of 87 programs and grants throughout state government and reduce a number of others, resulting in a decrease of some 1,650 full-time employees in fiscal 1981.

At the same time it will include expanded initiatives in such areas as mental health, where community-based programs will receive an increase of \$52.9 million for both community mental health and community residential services programs, \$10 million to begin a matching program to assist local units of government in developing resource recovery facilities, and a \$40 million program to aid distressed communities.

It also proposed increases averaging 8.4 percent for public colleges and universities and averaging 8 percent for community colleges.

In this age of limits, it is important that we not make short-sighted cuts which would have a serious impact on our state at a later time. All of these areas are important to the continued well-being of our state.

Question: What is being done to help Michigan senior citizens and low-income residents pay their utility bills?

Governor: More than \$140 million in financial assistance is available to help Michigan residents keep warm this winter. There are several state and federal grant programs that can help qualified individuals meet their heating bills and winterize their homes. There are also tax credits and loan programs available to help qualified Michigan residents deal with the high cost of energy.

I have called on local volunteer, civic and social organizations to join the Michigan Volunteer Winterization Campaign in making sure all qualified persons know about home heating and energy financial assistance programs. I have sent letters to more than 1,000 community leaders urging them to participate in this campaign.

Eight state agencies are coordinating the campaign and providing information on aid pro-

grams, identifying individuals in need and arranging for the training of volunteers in weatherstripping, caulking and other winterization techniques.

More information about the assistance programs and the Michigan Volunteer Winterization Campaign is available from local offices of community action agencies, Office of Services to the Aging, Social Services or Upper Great Lakes Regional Commission. It also is available from the toll-free Energy Hot Line, 1-800-292-4704, or 1-800-292-2527.

Question: What are the Michigan Energy Conservation Awards?

Governor: These awards are presented during Michigan Week to companies that saved the highest percentage of energy in 1979 as compared with 1973.

Industrial firms consume more than a quarter of Michigan's energy supplies and we must rely heavily on out-of-state sources for much of our energy. We know that many of our state's manufacturing and production firms are making a conscientious effort to conserve by weatherizing their plants and revising their production processes. These companies deserve our recognition.

Entry forms and further information are available by writing Energy Conservation Awards, Michigan Department of Commerce/Energy Administration, Box 30228, Lansing 48909, or by calling (517) 373-6430.
