Extension Service Offers Master Shopper Program

Inflation is eroding families' income every month. Often the first place people look to cut expenses is food. Sometimes that is about the only place where there is some leeway. The Master Shopper Program, sponsored by Co-operative Extension Service, addresses this concern with an in depth short course on buymanship in the supermarket. This course will run for three consecutive Thursdays, June 5, 12 and 19 in the Extension Service Office at the County Service Center.

Several topics will be discussed, food shopping techniques, shopping seasonally, nutrition, food safety and storage, food additives and purchasing cereal products. A bread making demonstration, followed by participants making their own loaves will be featured.

Class members are asked to share their knowledge with others by pledging twenty hours of Community Service at the completion of the course.

Each participant will receive a notebook of resource materials. A fee of \$15 covers the cost of the notebook and foods for tasting.

To enroll or obtain more information about the Master Shopper Program call 973-9510. Class size is limited. Registration closes May 29.

ABWA AWARD: Cynthia Grzelak, left, assistant vice-president of personnel and marketing at Huron Valley National Bank, was recently the recipient of the Chelsea American Business Women's Association Business Associate of the Year award. Grzelak was nominated for the award by Chelsea ABWA member Judy Moisan, right, who is manager of the Plymouth Rd. branch of Huron Valley National Bank in Ann Arbor.

ABWA Presents Business Associate of Year Award

Cynthia Grzelak, assistant vice-president of marketing and personnel at Huron Valley National Bank, was the recipient of Chelsea's American Business Women's Association annual award to the Business Associate of the Year at a recent ABWA banquet.

Nominating Grzelak for the honor was local chapter member Judy Moisan, manager of the Plymouth Rd. branch of Huron Valley National Bank in Ann Arbor.

Each year, local ABWA members submit letters of nomination, detailing why their particular business colleague should be chosen for the honor. A panel of judges then reads the statements and chooses one winner.

Moisan, who lives on South St., cited Grzelak for her wide educational background, her memberships in professional organizations and for being "very supportive of women advancing their careers. She always has the time to listen, to lend a shoulder or to give advice."

Among other accomplishments, Grzelak has been chairman of the National Association of Bank Women, is on the board of directors for Hospice of Washtenaw, Inc., and was a panel member at the Michigan Banker's Association Women's Conference.

Her duties at Huron Valley include hiring all staff, maintaining payroll and staff benefit files and co-ordinating all advertising campaigns with the ad agency, newspapers and radio.

The plaque was presented to Grzelak at a banquet held April 22 at the Holiday Inn West in Ann Arbor.

Parents Responsible for Liquor Served Minors

Chelsea Police Chief Robert Aeillo reports numerous inquiries coming into his office regarding graduation parties and serving liquor to those who are under-age.

Specifically, Aeillo said, the callers are concerned about possible liability should an underage drinker become involved in an automobile accident after drinking in their home.

In answer, Aeillo would like to warn all parents who are planning to hold graduation parties that they may be held civilly, if not criminally, responsible for allowing a person under 21 to become intoxicated at their homes.

Students usually take in more than one party, Aeillo said, and usually go to several. One or two drinks at each party would be more than enough to impair driving and cause intoxication.

If a young drinker should be involved in an accident after visiting several parties, the owners of the home he left most recently would be liable to civil suit if it could be proved that the person was intoxicated at the time he left that home.

Aeillo also pointed out that if such a student were to kill someone in an auto accident, the relatives of the dead person could sue the owners of the home at which the student became drunk if enough evidence was present.

"Parents aren't stopping to realize how many parties these kids stop in at in one day," Aeillo said, adding that providing liquor to those under 21 is still against the law.

More than 200 orphans of veterans are being cared for in the Veterans of Foreign Wars National Home in Eaton Rapids. A portion of the cost is raised through the annual sale of VFW Buddy Poppies.

Historical Society Plans Sidewalk Project

May 12 meeting of the Chelsea Area Historical Society was held at 7:30 p.m. at the Methodist Home. Special entertainment was provided by Ray Dansforth of Ann Arbor, who plays the bones.

Dansforth explained that there has been a revived interest in playing the bones in the last five years and that it is a very ancient form of music, dating far back in history.

He demonstrated the art of playing the bones and then, accompanied by piano music, played to tunes ranging from a Scottish jig to Bach.

Dansforth travels extensively appearing in shows and folk festivals. He will soon be appearing in London at the Royal Music Festival. His bones were made to exact specifications by Ray Schairer of Dexter.

Refreshments were served to the members of the Home and the society. President Lois Moore then conducted a business meeting. One of the subjects discussed was the placing of a historical marker at the Welfare Building, now occupied by The Chelsea Standard, which has been declared a historical building by the state of Michigan.

Also discussed was a project to be run by the Society during the sidewalk sale this summer: an old-fashioned ice cream parlor. All members are urged to attend the June meeting, which will be the last one before the summer months. The support of all will be

OWED TO OPAL

Our friend Opal is going to be fifty, A thought to us that's really nifty, Altho at times she's awfully shifty, because of things she does to us.

As our birthdays have come and gone, And the gang together has party'd till dawn, And laughed and laughed with faces drawn, to see all the gifts and gags.

We receive each month without delay, A letter which we read with dismay, The happenings going on day by day, for all us Senior Citizens.

As your birthday now comes near, We won't forget, so have no fear, Just keep your eyes open wide my dear, for all the things in store.

Opal get ready for a big surprise, We've gotten together to try to devise, Something that we really think is wise, to show you we really love you.

The things we do won't be too freaky, But when we do them, we'll be sneaky, Until the banner flies; no peaky, boy we can hardly wait.

On the fateful day in mention, It is fully our intention, To keep you in suspense and tension, till your birthday's over.

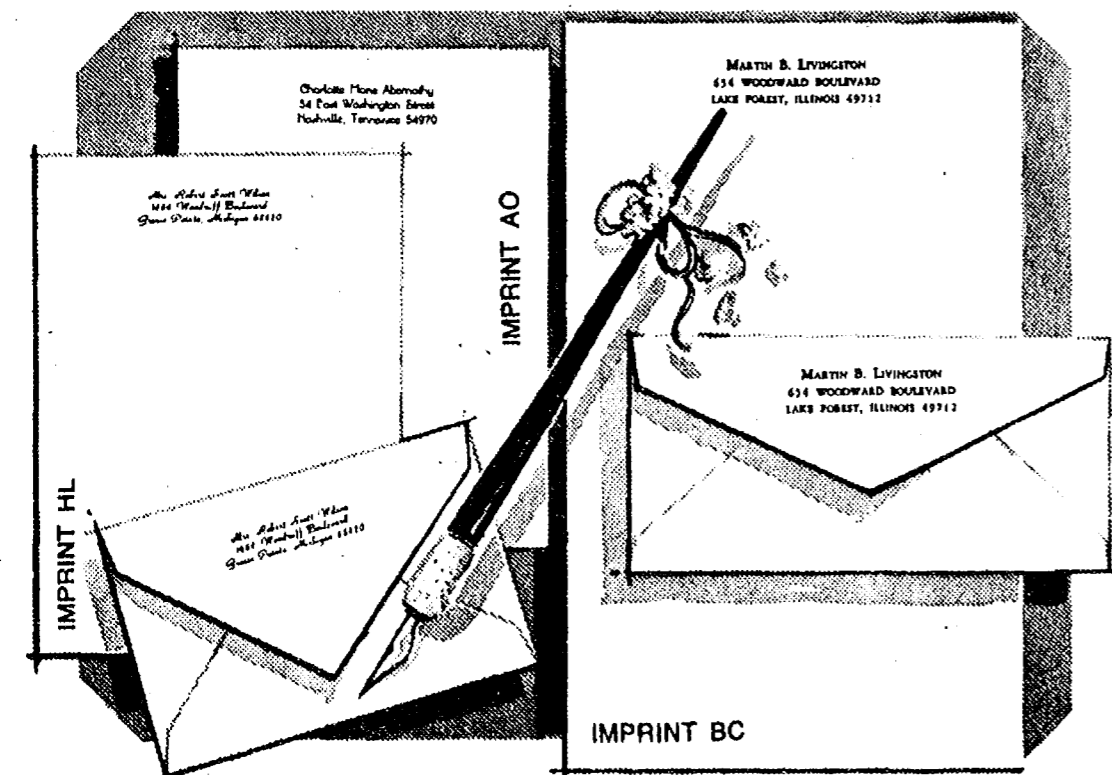

As goes the old cliché "Birds of a Feather," This gang will always be together, Now and in all kinds of weather, till we're at least a hundred.

— Love to Opal McNamara, From the gang.

North Lake Co-op Nursery Holds Year-End Picnic

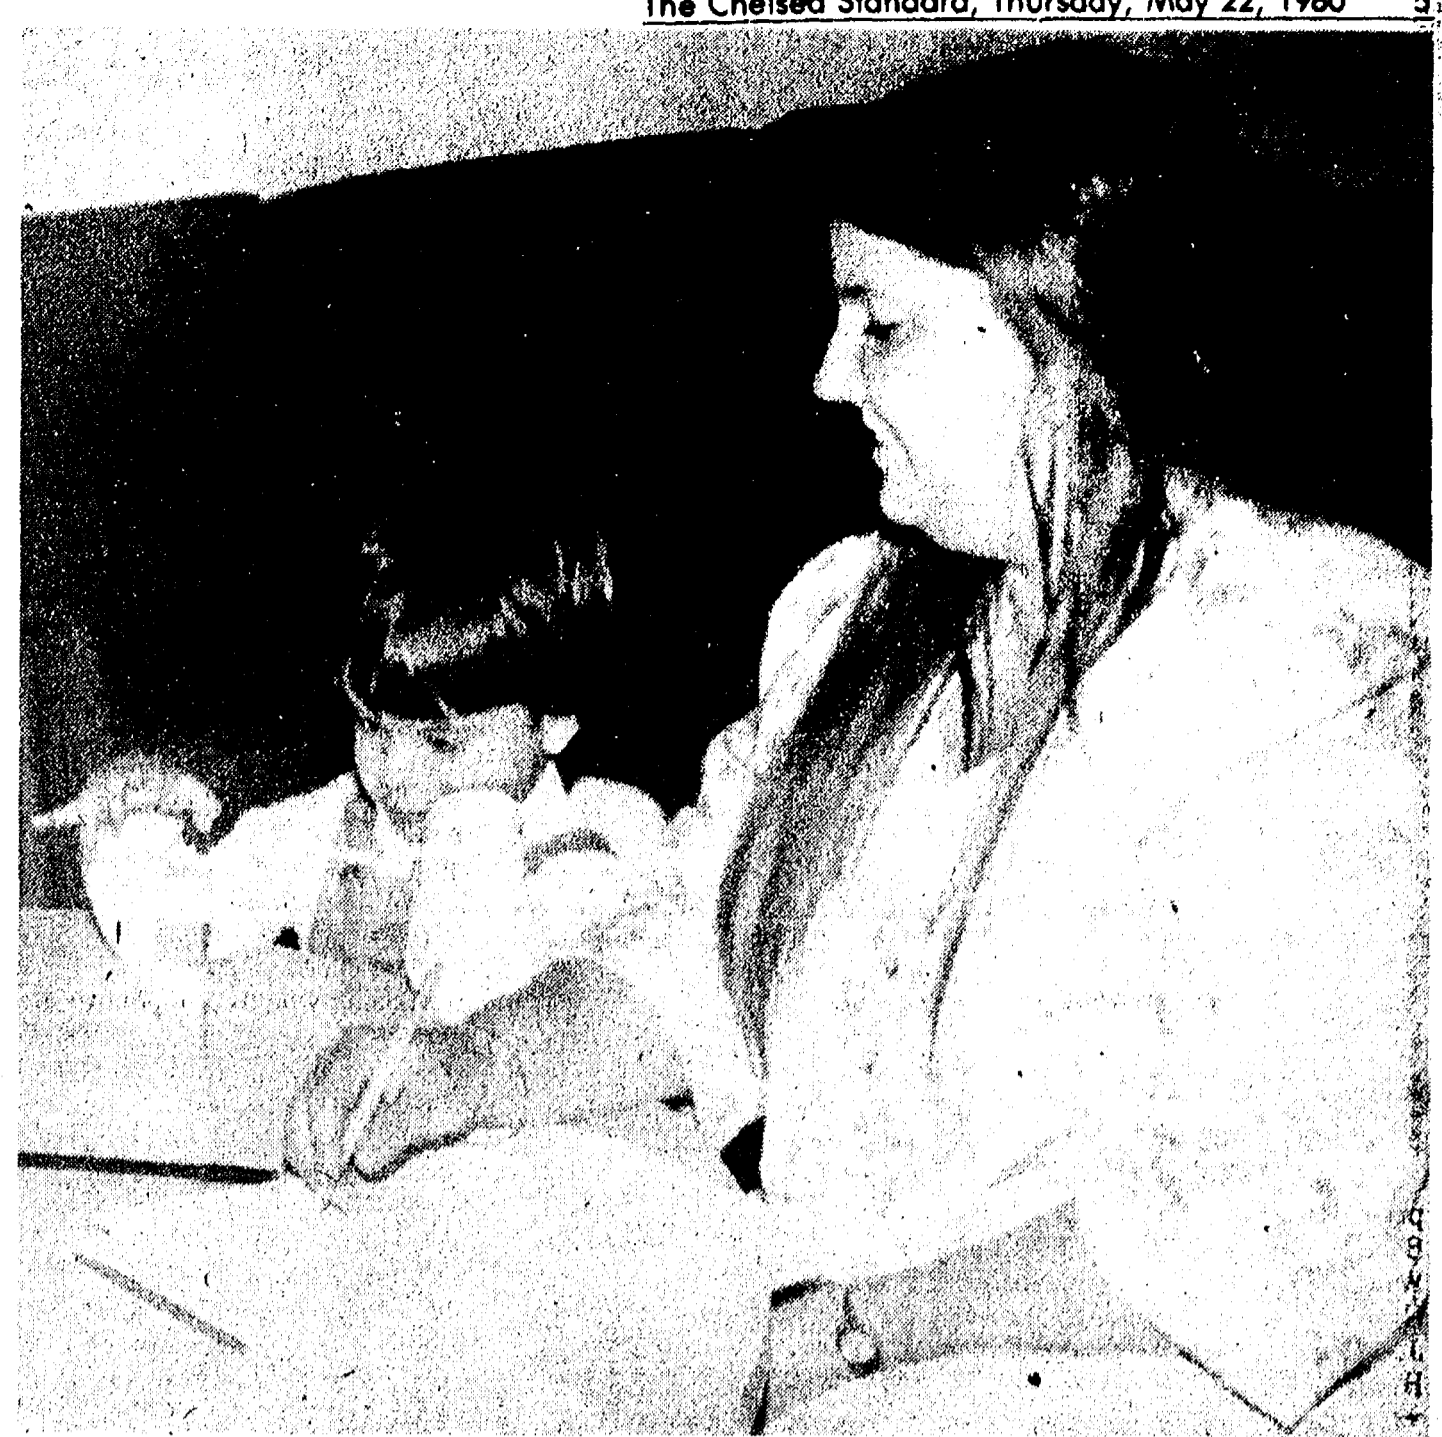

North Lake Co-op Nursery school ended its 1979-80 year with a class picnic, with assistance from parents and teacher Loree Stafford. Students roasted hot dogs, ate homemade ice cream and were later awarded diplomas.

Each year the school bestows the Eleanor Schutes award to a person who has contributed the most time to the school. Eleanor Schutes was the wife of Bill Schutes, founder of North Lake Co-op Nursery.

This year, Mary Steele of Chelsea was the award recipient. She was 1979-80 membership chairman and put in many hours enrolling and preparing families for their year at North Lake. This is the Steeles' second year at the school.

Enrollments are still being taken for the 1980-81 school year for all sessions. Information is available by calling Carol Block, 475-9898.

Bike-A-Thon Rained Out

St. Jude Children's Research Hospital "Wheels for Life" bike-a-thon was washed out last Saturday, May 17, and is being rescheduled for June 14, according to the Rev. Thode Thodeson, bike-a-thon chairman.

Riders were prepared to do their part, school administrators helped out and sponsors had made their pledges, but the weather would not co-operate. Everyone will try to duplicate their efforts on June 14, however, to raise money to help children cope with debilitating and terminal disease.

over until the final out and Copp ran into trouble in the seventh inning, as the JV stole a page from the varsity team's book on come-from-behind victories.

Missi Lazarz opened the inning with a walk on a 3-2 count. The next Chelsea batter became strike-out number 10 for Copp, but Amy Ziegler also walked to put the tying runs on base. Copp quickly struck out the next hitter, bringing Kim Schmid to bat with two out and Chelsea still two runs down.

Schmid took the first pitch for a ball then ripped the ball into right center field to drive in the tying runs with the first Chelsea extra-base hit of the game. Kim then moved to third on a passed ball and scored the winning run as the Pioneer catcher threw the ball in to left field trying to pick off the runner on third.

Chelsea had only two hits in the game, but came away with a 4-3 win. Kim Boyd picked up the win in relief of Ann Eisele, who had the only other Chelsea hit. Laurie Cobb and Amy Ziegler played well in the field, twice cutting down the lead Pioneer runner.

In the second contest, Ann Eisele again started for Chelsea and this time collected the win on an excellent five-inning performance. Ann struck out nine Pioneer hitters, giving up just two hits and walking four.

Kim Boyd again came on in relief in the sixth inning as poor Chelsea fielding allowed Pioneer to narrow the score. She threw two solid innings, giving up just one run on no hits and striking out three while walking one.

Missi Lazarz had a perfect game at the plate, driving in three runs with a sacrifice bunt, a bunt single and a hard single into left center. Amy Hume also had three RBIs, on a bases-loaded sacrifice bunt and a bunt single.

Chelsea took an early lead in the game, scoring one in the second inning and five in the third, then putting the game away with four more runs in the fourth.

Pioneer made the game close by scoring in the third, fourth, fifth and sixth innings and capitalizing on six Chelsea errors. Nevertheless, the 10-7 victory over Class A Pioneer was a sweet one for the players and their coach.

Monday, the team put away Dexter for the second time this season behind the fine pitching of Unterbrink and Donna Popovich combined with the best power hitting of the year. Shelly Weber and Celeste Powell each slammed their first home runs of the year, Powell's with the bases loaded. Missi Lazarz and Ann Eisele hit doubles and Kim Schmid had a triple.

The team is now 20-1 for the season and looking forward to the final contest of the regular season today at home against Jackson County Western.

PRESIDENTIAL AWARD: Cub Scouts of Chelsea Pack 435 stand before the display which brought them a ribbon and certificate from the Scout-O-Rama, held at Briarwood mall last weekend. The cubs, from left, are A. J. Watkins, J. J. Stephenson, Jeff Smith, Philip Patterson, David Freitas, Randy Dale, Rick Niethammer and Joe Eassa. The display on constellations was planned and organized by Carol Smith. It was the first time that Pack 435 earned the top award at a Scout-O-Rama.

Cub Scouts Score At Scout-O-Rama

Saturday, May 17 was a proud one for local Cub Scout Pack 435 from North school. Their exhibit at the Scout-o-Rama held at Briarwood Mall earned one of only three presidential awards. It marked the first time Pack 435 earned the top award at the annual event.

Theme of their exhibit was constellations. Visitors to the booth were instructed by scouts to punch holes through a template of a constellation into the bottom of a tin can. Then, by inserting a flashlight into the open end and holding the can in a blackened box, they were able to view the constellation as it appears in the evening sky.

Planning and organization of the booth was done by Carol Smith. Construction of the items in the display was shared by all the Cub Scouts, den leaders and parents.

Those in the community who bought Scout-o-Rama tickets for \$1 each also helped to make this year a success. One-third of the pack's total ticket sales is returned to them. Prizes are also earned by individual scouts

depending on the dollar amount sold. In this way, they can earn equipment they will need later in Boy Scouts.

Any boy between the ages of 8 and 10 interested in joining the Cub Scouts should call Ron Watkins, 475-1125, for information.

Sluggers of the Week

JUNIOR HURLERS: Pitchers Joel Krichbaum, left, and Craig Thams are this week's featured Bulldogs. Krichbaum, a 6'4" righthander has "made a tremendous improvement since the first two weeks of the season," according to Coach Wayne Welton. Krichbaum has improved his change-up and has a good curve to go along with his fast ball. Welton said he needs some work on control, but that, over-all, he has

become an imposing figure on the mound. Thams is also a junior righthander with a "live arm." He was plagued early with control problems, but has done well since, as his five-hit performance in the Columbia Central game testifies. In that contest he also struck out six while walking only one. Between them, Thams and Krichbaum share five of Chelsea's six victories.

St. Mary Pipe Organ

(Continued from page one)

well, but daylight to dark toll had the instrument safely housed the same day.

"Father Francis Malszewski is indeed a man with a heart of gold," wrote Chronical reporter Gross, "for this pipe organ is no small gift. We here at Cassidy Lake fall to find the proper words of gratitude to express our thanks for this gracious gift."

Residents of Cassidy Lake who attend services in the chapel today see, but unfortunately do not hear, the very same 1886 Farrand and Votey pipe organ.

"If I had my way," said Tom Mann, "it would have a home someplace." The state laws regarding the disposal of donated items, however, makes the simple sale of the organ to an interested buyer almost impossible.

About the only way a sale could be initiated, Mann said, is to declare the organ a surplus item — one no longer needed by Cassidy Lake. Then, an auction by sealed bids is held and the item sold.

Mann said that, in his opinion, that would be one solution to the current dilemma, but added that he had no say in the matter.

Neither he nor Camp Control business manager Bob Bernard could say with certainty whether state law would permit the organ to be returned to its original donor, St. Mary church.

Meanwhile, the lovely old instrument sits in the chapel, seen and admired by far too few.

JOE HALE, former Chelseaite, poses between two sinister meanies from the Disney film "The Black Hole." Hale, an Oscar-nominee this

year, was recently named animation producer for Disney Productions. He is a 30-year veteran of animation and special effects.

Joe Hale Promoted at Disney

Joe Hale, 30-year veteran of animation and special effects and a former Chelsea resident, has been named animation producer for Walt Disney Productions by Ron Miller, vice-president of production and creative affairs.

"Joe Hale's animation experience and proven leadership ability will be invaluable as we begin a new era of Disney animation with 'The Black Cauldron,'" said Miller. "The Black Cauldron" is a \$15 million animated Disney film scheduled for 1984 release. Animation will begin on that film in January after two years of story and design development.

Hale, son of Mrs. Cloey Hale, formerly of Chelsea, and the late Vincent Hale, received an

Academy Award nomination this past year for his work on the special effects in the Disney film "The Black Hole."

Boys Track Team Is 6th in Regional

Saturday, May 17, Chelsea's varsity boys track team scored 24 points to place 6th of 16 teams

The 440 relay team ran its best race of the season in placing second at :45.9. Team members were Dave Wojcicki, Toby Boyd, Bill Freeman and Ken Bauer.

Both Ball and the relay team qualified for the state Class B championships, to be held at Sturgis on May 31.

In a meet held last week, the varsity thinclads dropped an 87-45 decision to Jackson County Western. The loss leaves the Bulldog season record at 2-4.

Placing in that meet for Chelsea were:

Troop 425 Scores Cast Chosen for At Scout-O-Rama Summer Musical

This Saturday, May 17, Chelsea Boy Scout Troop 425 participated in the annual Scout-O-Rama at Briarwood Mall.

Although the weather was wet, the 15 Chelsea boys had a great experience in setting up their outdoor display. Of the approximately 30 troops present from Munhacke and Washtenaw Districts, Chelsea Troop 425 was one of the top six and received a presidential award.

Many outdoor and indoor

displays, showing both Cub and Scout activities, were on display, including activities that people of all ages participated in.

The day's activities were brought to an end with the evening campfire, held indoors because of the rain. Master of ceremonies for the campfire was Troop 425's Brent Martin, Jr., assistant scoutmaster.

A number of skits and songs were done by boys from the troops attending. Awards were passed out and the campfire's highlight was an Indian ceremony by the Order of the Arrow for induction of new members.

The campfire closed with the singing of "God Bless America."

Boys in attendance from Troop 425 were Ricky Cook, Jim Cook, Mark Freitas, Chris Gallas, Kevin Gross, Doug Jankuski, Matt Lorenz, Brent Martin, Brian O'Toole, Mark O'Toole, Dennis Parisho, Mark Porath, Kurt Roberts, Eric Stofflet, Tim Weir and Scoutmaster Richard Cook.

Success of College of Human Medicine research at Michigan State University is reflected in the funding base of more than \$5 million for work in cancer, heart disease, metabolic disorders, mental health, stress, and genetics.

The musical team of Rodgers and Hammerstein created a series of award-winning musical plays, beginning with "Oklahoma!" and "Carousel."

It could be argued, however, that their most imaginative play is "The King and I," which first opened in 1951 and was revived on Broadway in 1976. This is the production that The Friends of the Chelsea Players have chosen for presentation July 17-19.

Cast selection took place after auditions and call-backs last week. Jeanette Brock, the director, expressed pleasure at the number of people who auditioned and the talent presented. She looks forward to working with the cast and presenting an exotic show.

Chosen cast members are the following:

Jim Roe-King; Kathy Schneider-Anna; Tucker Lee-Louis; Mike Smith-Prince; Jack Henderson-Kralahome; Cassy Lloyd-Tuptim; Vince Zuellig-Lun Tha; Beverly Slater-Lady Thiang; Ken Norman-Sir Edward; Ed Smit-Interpreter; Ted Merkel-Pha Aleck; and Allison Chasteen-Princess Yaowlak.

Wives of the King will be portrayed by Pat Knickerbocker, Nancy Van Blaricum, Ruth Kenney, Kathy Scheel, Lenore Mat-

toff, Wendy Wright, Joan Wolf, Sandy Thornton, Sue Williams, Ann Lee and Barb Goltz.

Playing the King's children will be Robbie Riemenschneider, Jennifer Borton, Kenny McArthur, Trisha Mattoff, Kris Mattoff, Sharon Quilter, Jenny Cattell, Martha Weber, Beck Leluis, Howard Austin and Tammi Harris.

Priests will be played by Ed Smit, Pat Powers, Denny Mull, Jim Hoffmeyer, Jim Fox, Randy Jones and John Harrish. Gentlemen dancers will be Randy Jones, Ed Smit, Ken Norman, Jim Simonds, Denny Mull, Pat Powers and Ted Merkel.

Rounding out the cast will be dancers Alyce Riemenschneider, Julie Vorus, Carol Warren, Loree Van Riper, Heide Van Blaricum, Cyn Johnson, Ann Stevenson, Cathy Boomus, Holly McCutcheon, Lisanne Koeff, Tracey Cattell, Jill Maila and Neha Sheth.

Letters to the Editor

To the Editor:

We are writing this letter as a request for consideration, not as a complaint. Recently the Council was approached by Sgt. Bob Robbins regarding monies needed to outfit five new reserve officers who had recently completed training.

A motion was made and carried that the Council would authorize \$1,200 advance to the Auxiliary Police Unit for this purchase with the understanding that this money would be "worked off" by writing parking tickets and servicing meters at the minimum wage.

While the advance of \$1,200 is most appreciated by the unit, it is the general feeling of the officers that the initial issue of uniforms should be the responsibility of the Village with the replacement of equipment due to carelessness or outgrowing of such be the responsibility of the Auxiliary Unit.

At the present time there are 20 active officers in this Auxiliary Unit who during the course of one year "volunteer" to a minimum of 1,000 hours. These hours are spread out as relating to home football and basketball games, senior graduation, parades, one week of Community Fair and four nights per week patrol time with regular officers.

This is all done at no charge to the school system, Fair Board or Village while still taking the same risks as regular officers while reporting for these events. Each and every member of this unit is volunteering his time without obligation but with the personal desire and interest that few people understand when the possibility of fatal or physical injury exists.

After much discussion between all officers of the unit, it is hoped that the Village will reconsider and accept the responsibility of the initial uniform issue for this unit.

Looking at the economics we think you will find that the 1,000 plus hours volunteered by this unit very possibly saves the Village and other organizations a minimum of \$5,000 per year, not including benefits when not having to pay overtime hours for regular officers or hire county deputies for assistance.

The Auxiliary Unit would be more than happy to work parking meters on a volunteer basis when possible if the initial uniform issue is covered by the Village.

Please understand that this unit does not wish to charge anyone for the service that has been available to this Village for over 20 years, but without some kind of subsidy we find it very hard to keep the past interest and desire when each officer is expected to pay to volunteer his services.

Please take this request into consideration and if members of

council would like further explanation, all members of this unit will meet with them.

Any village residents who feel the way we do and would like to see the village remedy the situation, are urged to contact President Ritter or any member of the council as soon as possible.

Sincerely,
Chelsea Auxiliary Police Officers.

To the Editor:

On May 24 of last year at 9 p.m. the Legion and others finished placing our many commemorative American flags on all known veterans' graves here, from all wars. So what? It's done every year.

At 9 a.m. on May 25, a vet took an American flag that he had taken to shave down to fit the holder better back to a comrade's marker. He found that 19 of those American flags that had been posted just 12 hours earlier had been stripped from their staffs. So what? It happens every year!

Before the two-day period was over, he replaced 27 flags. So what?

While up there for the umpteenth time, we saw young children playing frisbees over the graves — older ones playing baseball at Beach school bouncing the ball over the fence onto the graves; bicycles being used for short-cuts to the school and Freer Rd. and dogs on leashes being given too much room over the gravesites. Flowers and markers had been moved all around and flower pots spilled over. No you can't blame the weather — it was calm.

The cemetery is very sacred grounds and the property is privately owned — not a play area for malicious and disrespectful persons.

Memorial Day parade is fast approaching. Take into consideration what the above means. So what?

Michigan House Bill No. 4286, section 3 of Public Act 63, in part, so states:

"Any person who wilfully destroys an American flag or a commemorative flag from a public or private cemetery can be

fined up to \$500 and/or imprisoned for up to 90 days in jail."

Now, think about that before you decide to let someone take the flags from the veterans' graves and not report them.

The Memorial Day parade is only for the purpose of paying our proper respect to our honored dead, who gave their lives so you may live in freedom. It's later than you think!

Salute — your flag is passing by! It can't be done with your hands in your pockets. It's the least you can do.

VFW Auxiliary, 4076.

On Friday, May 9, Bishop James Sullivan, of the Lansing Diocese, came to Cassidy Lake to confer on five men the Sacrament of Confirmation. Two of this group were baptized, and four also received the Sacrament of the Holy Eucharist, a very beautiful and moving experience in their lives. At this holy ceremony the Knights of Columbus from St. Mary's Catholic church of Chelsea, were sponsors, Gerry Hammerschmidt, Fred White, Ken Unterbrink, Bill Harvey, Frank Modrejewski, Maynard Poertner, by name.

Mass was Concelebrated with Bishop Sullivan by Fr. Philip Dupuis, pastor of St. Mary's, and Fr. Fortunato, director of St. Louis School for Exceptional Boys. The Jesus Christ Christian Club, tried their efforts at being our Choir.

Present too, were, Bob Warner, and Mrs. Ruth Zeeb. Refreshments were served in the chapel basement following ceremony.

The entire occasion was rewarding for all involved. For me, the hours of study and praying with these men were crowned with joy, for in moments like this God truly lives. I am, Millie Warner, acting Catholic chaplain.

Thanks must be given to Mr. Weinberg, superintendent, Mr. Tom Mann, treatment director, and Mr. Cummings head of security, for their tremendous cooperation.

Millie Warner.

Dear Editor,

On Friday, May 16 almost 100 mentally impaired athletes competed in a track and field meet at Chelsea High school. It was a meet consisting of 20 Dexter students, 40 Chelsea students and 40 students from High Point Center. All school ages were represented.

This meet would not have been possible without the help of some really super people in and around our community. The events were run by volunteers from Boysville and Cassidy Lake Technical school. They also ran clinics in high jump, running long jump and the triple jump. They spent their day timing, judging, measuring and teaching new events to our Special Olympians.

Denise Robbins of Chelsea is an Eastern Michigan University student recently spotlighted in a school publication called EMU Candids.

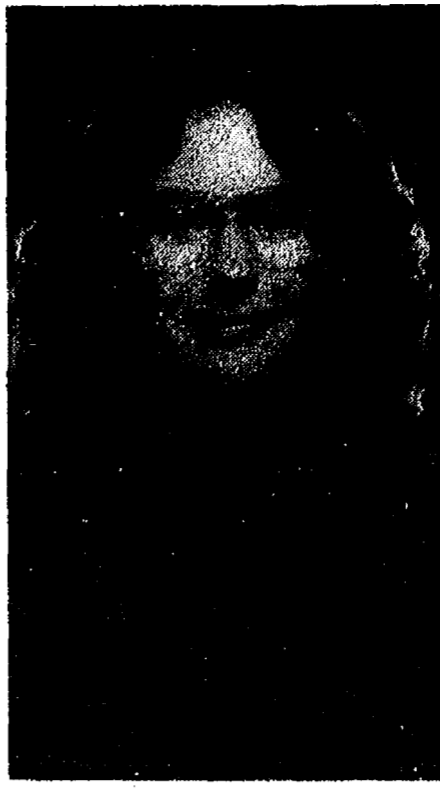

Robbins has been on campus at EMU since entering school last fall. She is a member of the Residence Hall Advisory Committee, the GLACURH programming committee and was the intramural director for her dorm floor.

She was also her floor t-shirt chairman and participated in EMU's Float-a-Thon, an annual raft race down the Huron River. Her efforts have earned her a Residence Hall Leadership Award.

A sophomore majoring in special education for the emotionally impaired with minors in art and math, Robbins plans to use her degree and experience to help special children and possibly join the Peace Corps.

Before graduating from Chelsea High school in 1978, Robbins was just as busy. Among other activities, she was a member of the National Honor Society, Student Voice Party and student council. She was also the youth representative for the Methodist Church Council on Ministries.

When not studying or working at the McKenny Union snack bar, Denise finds time to pursue a favorite passtime: art — particularly sculpture, watercolor, sketching and macrame. She also enjoys volleyball, skiing and swimming and plays the piano, guitar, flute and oboe.

Robbins is the daughter of Marjorie and Robert Robbins of 1225 Gene Drive.

Washtenaw Receives Recycling Study Funds

Governor William Milliken last Monday announced that Washtenaw county was one of four Michigan areas receiving grants totaling nearly \$100,000 to study the energy and recycling value of solid waste from dumps and other garbage collection sites.

Funds in the amount of \$21,010 were awarded to the county by the Michigan Department of Commerce's Energy Administration. Also receiving the grants are Cass county (\$18,100), Ingham county (\$30,945), and the Northeastern Michigan Council of Governments (Alcona, Alpena, Cheboygan, Crawford, Montmorency, Presque Isle, Otsego and Oscoda counties — \$29,854).

Each area will use the funds to

conduct a study to determine the quantity and composition of garbage and other matter disposed of at landfills, and determine the "energy value" or combustible value of this matter.

"Every day we throw away tons of energy-laden materials," Milliken said.

Funds for the grants were made available under terms of the federal Energy Production and Conservation Act (EPCA) of 1975.

A special thanks also goes to the Chelsea Lioness Club who made every athlete and volunteer a bag lunch and to McDonald's for providing our drinks. This event would never have run so smoothly without the help of Anna Boote, Paula Ellenwood, Judy Bottum, Doug Cooper, Phil Bareis, and Kevin Doll. I thank you all for your efforts—you made a special day for some very special kids.
