Drug Dealer Suspects Nabbed

After a week-long investigation, Chelsea Police swooped down on drug dealers near Chelsea High school Thursday, confiscating drugs and apprehending two juveniles.

According to Chief Robert Aeillo, the department had the Chelsea High parking lot under observation throughout the week and watched the juveniles selling drugs to students from their auto in the lot.

A search warrant was obtained, and Chelsea police stopped the car early Thursday morning as it pulled onto Book St. Aeillo said that marijuana was found in the vehicle.

Acting on a tip from a "reliable informant," Aeillo said Chelsea police and school officials searched the school locker of one of the youths and discovered 85 black capsules that the subject described as "speed." Aeillo said the capsules have not yet been analyzed.

Aeillo said that Chelsea Police will be watching the parking lot carefully in the future.

Auxiliary Police Officer Dies in Crash

Keith R. Poxson of 10415 North Territorial Rd., was killed Saturday night, May 31, when his pickup truck went off the shoulder of Trist Rd. and hit a tree.

Poxson, 46, had been a Chelsea Auxiliary Police Officer since September of 1979. He was not on duty at the time the accident occurred.

According to Chelsea Police Chief Robert Aeillo, Poxson was driving on Trist Rd. between Clear Lake and Seymour Rds. at about 10:30 p.m. when his pickup truck left the road on the straightaway, glanced off a tree and flew into a barnyard where it struck a barn.

Aeillo said the cause of the accident is still unknown. Poxson had no passengers.

Funeral services were held Wednesday morning, June 4, at the Bunker Hill Catholic church in Bunker Hill township.

Class of '70 Reunion Plan Revived

Because of a strong response to last week's announcement of reunion dinner cancellation, the Chelsea High School Class of 1970 has decided to revive the original plans for the week-end of July 26-27.

Beginning at 6:30 p.m. Saturday, July 6, there will be a buffet dinner with dance band at the Chelsea Rod and Gun Club. Sunday, July 7, a family picnic will be held at Hudson Mills Metro (Continued on page seven).

DISTRICT CHAMPS: Strong pitching and hitting finally broke the district jinx for Chelsea's varsity softballers as they took two games last week-end to capture the District 19 tournament. Contributing to that title and looking forward to participation in the regionals this week-end are, front from left: Laurel Inglis, Kim

Schmid, Shelly Weber, Kim Boyd, Cara Feeney, Margie Rawson; middle, Patti Rawson, Ann Eisele, Jennifer Ringe, Anita Powell, Angie Inglis, Molly Eisele; rear, Amy Unterbrink, Nanette Push, Kim Wood, Patti Hume, Amanda Schwarze, Maggy Sweet, Cathy Wade, Coach Bill Wescott.

Softball Team Wins District Championship

Ending a multiple-year jinx in the district tournament, Chelsea's Bulldogs softballers went on a rampage last Saturday, May 31, and shut out two teams to capture the District 19 championship.

The team took a pair of wins over Monroe Jefferson and Tecumseh in Milan, to earn a spot in the regionals this coming week-end.

Those victories upped the Bulldogs' season record to 24-2. Thus far, the team has captured its second consecutive SEC championship, taken first in the Royal Oak Dondero Tournament of Champions and won the district championship.

Chelsea will travel to Oak Park for its first regional game this Saturday, June 7, at 10:30 a.m. If the Bulldogs win, they will play in the finals at 3 p.m.

Other regional teams have not yet been decided. A number of district tournaments were rained out last week-end.

In Milan last Saturday, though, it was one person who reigned, as Nanette Push hurled her way to

two victories and the tournament title.

In the first game with Monroe Jefferson, Push fanned 13 batters and walked only one. Shortstop Molly Eisele and Anita Powell each contributed key hits and sacrifices in the second inning, putting Chelsea in the lead, 2-0. The Bulldogs finished their scoring in the top of the seventh with another Eisele hit and sacrifices from Angie Inglis and Amanda Schwarze. Final tally was 3-0, for Chelsea.

The win sent Chelsea into the finals against Tecumseh. Push again took the mound and wrapped up her 14th win of the season with an eight strike out performance. Seniors Kim Wood and Patti Hume added the offensive spark to pace Chelsea to its 5-0 win.

With these victories, Chelsea ran its season shut out total to eight games. The Bulldogs have not yet allowed a run in the tournaments.

Tickets to the regionals in Oak Park may be purchased at the gate and are \$1.50 per person.

Legislature Begins Push For Tax-Shift Plan

The legislature, supported by the executive office, will begin a final push for gain of 2/3 majority in both the Senate and House to get a compromise tax-shift plan on the November, 1980, general election ballot.

The governor and legislative leaders say the proposal is a

"responsible approach" to property tax relief over the Tisch property tax cut of 50 percent.

Officials say the tax-shift/tax-cut plan developed by a task force of legislators and executive office officials will provide significant tax relief for Michigan homeowners.

They said along with being good tax policy, the \$800 million

proposal, which was completed recently, can defeat a property tax proposal of Shiawassee County Drain Commissioner Robert Tisch when put before the voters in November.

The main thrust of the plan is similar to a proposal initially made in April by the task force: an exemption of \$6,500 on the state equalized value (SEV) of a home, plus an increase to 5.5 percent, from 4 percent, in the sales tax.

Tied to the plan are proposals to index both the \$6,500 SEV exemption and the income tax personal exemption which officials said will prove eventually to be a tax cut.

State Management and Budget Director Gerald Miller said Governor William G. Milliken is very positive about the plan. He said the proposal deals with property owners' major concerns and it can beat the Tisch plan although "we could have beaten Tisch without it."

Aides to the legislature caucuses said the plan could get strong support, although individual legislators will oppose certain parts.

Rural legislators could oppose the exemption in valuation instead of a millage cut and liberals will be concerned about the increase in the sales tax.

But without this proposal, "we would have been daring people to vote for Tisch. They wouldn't have had any third choice," said Representative William Bryant (R-Grosse Pointe Farms).

The \$6,500 SEV exemption will be in addition to the current property tax circuit breaker, which returns to taxpayers 60 percent of property taxes paid over 3.5 percent of their income.

That portion should provide about \$700 million in relief. Renters will get a flat grant of \$140, along with the circuit breaker, which should provide another \$100 million in relief. Making up the lost revenue will be the 1.5 percent increase in the sales tax.

Eventually the plan will be an over-all tax cut because of indexing provisions which take effect in 1982. The delay to 1982 was done partially to help the state

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

It might be hard to reassure folks around Mount St. Helens, but doomsday has been called off. I see by the papers where a group in Colorado says the end still is near, but not as near as feared. The leader first said the lights would go out in April. When that deadline passed he said he has misfiggered, and the Big Ax really was going to fall the last of May. Here we are in June, and we're still here. I've been checking the papers for this feller's next deadline.

I mentioned this item at the country store Saturday night, and some of the fellers picked up on it. Zeke Grubb was of a mind that it's to bad we don't take that feller in Durango at his word, that way we could sue him for malpractice. That's the going thing, Zeke said, now that the clergy has been grouped with doctors and lawyers. He had saw where a couple in Los Angeles had sued a church and its preacher for "clergy malpractice, claiming their son didn't git the help he needed before he killed himself. As sad as that is, Zeke allowed, you can only imagine the trouble all those people went to gitting ready for eternity. After letting the bank take the car and selling the rest of the stuff at giveaway prices at yard sales, them folks probable was more angry than relieved, and ready to sue fer damages, not to mention mental anguish, was Zeke's words.

Ed Doolittle didn't see much chancet fer the doomsdayers at the hands of a good lawyer. He said if the head doomer's lawyer is sharp he'll keep gitting delays on grounds that he's gathering

new evidence. Then when the world does end, the case will be thrown out of court. Time allus sides with the defense, Ed said, and the more you can git the stronger you are. That's how all these economic experts and palm readers git by, he allowed, if you don't believe what they say is coming to pass, you just ain't waited long enough.

Actual, went on Ed, the age of miracles has not past, it still is. Doubters need only recall that recent bank robbery in New York City where the bank got back more money than was stole. The robber made off with \$3,088.64 in a bag, but he run into somebody on the street and the money went flying all over. People passing by helped collect the loot, and when the tellers got back to the bank and counted up they had a even \$3,089. Now that kind of a return would be high unusual in church if somebody dropped the collection plate, Ed allowed, and on the streets of New York it's got to be a miracle.

Clem Webster jumped at the chancet to disagree with Ed. Clem said most people still are honest and willing to help one another, in spite of all the news to the contrary. Clem recalled a "Good Samaritan" survey done this spring by members of a Davidson College sychology class. In ever test, a boy would stagger and fall in the church yard like he was passed-out drunk, and ever time when the folks come out of church and saw him they tried to help. To look on the bright side, Clem said, it ain't news when people help people, and it's still news when they don't.

Yours truly,
Uncle Lew.

Chelsea Players Begin Rehearsals

Sixty cast members and directors of the upcoming Chelsea Players production "The King and I" gathered at the First Methodist church Monday, June 2, for their first read-through of the play.

Michael Short, technical director, took two photographs of each cast member, which will be used

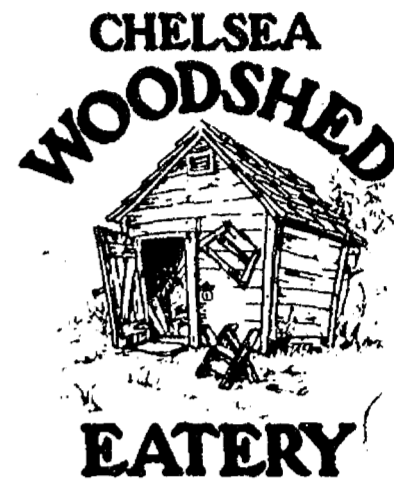

to plan the make-up. This task is made more difficult by the fact that most of the 60 actors will be in Oriental make-up. Short is assisted by Roben Bush and Marcia McDowell.

Measurements were taken of everyone by Suzanne Morrison and Sharon Short to be used in creating some costumes and in altering others. An extensive wardrobe will be rented from Barnes Lorber, a costume company in Milwaukee.

Jeanette Brock, director, and Robert Miller, choreographer, distributed rehearsal schedules to all. A very busy seven weeks lies ahead for cast and crew before the July 17-19 production dates.

get through the current economic crisis.

The SEV index will be tied to the state-wide average increases in residential assessments. The personal exemption will be tied to the Gross National Product deflator, which is a more accurate indication of inflation than the consumer price index.

Chelsea Child Study Club Installs Next Year's Officers

Chelsea Child Study Club closed its year with a progressive dinner on Tuesday, May 20. Members enjoyed a social hour and formal dinner at the home of Gari Feldman, hosted by Betty Cox, Camie Noah, Pat Stirling and JoAnne Richardson.

Later, the club walked to the installation of officers.

Lynda Cattell, past president, was recently chosen as an honorary club member for her distinguished service, merit, talent and dedication to the club. She presented flowers to retiring officers Neta Mills, Betty Cox, Wyn Schumann, Barb Koepp and Barbara Branch and thanked them for their year of service.

Lynda was the installing officer for the 1980-81 board:

Betty Cox, president; Barbara Branch, vice-president and program chairman; Roberta Cobb, secretary; Louise Likavec, auditor/parliamentarian; and Camie Noah, treasurer. Each officer was presented with a flower.

The Michigan Child Study Club Association has accepted and published the syllabus for Christmas bazaar preparations by the Chelsea Child Study Club. This outline is the first fund-raising project accepted for state-wide publication to all affiliated clubs.

These bazaars have been a highlight of the Chelsea holiday

season, have encouraged the talents of members and have been a basis of the club's community-minded projects.

Mary Jo Miller and Anne Steinaway prepared the syllabus. Dessert and a social hour followed the installation. Members discussed plans for the coming year, including making a quilt from applied program book covers. Betty Cox will coordinate this summer project.

Four Chelsea students are among those included on the academic honors list for the recently completed spring quarter at Ferris State College, Big Rapids.

Included on the list are Julia A. Chapman, Ruth A. Curtis, Tracy L. Hawker and Diane M. Ottoman, who earned a perfect 4.0 average.

To be eligible, a Ferris student must have compiled a 3.25 grade point average in at least 14 quarter hours of graded work.

Newly discharged military members receive a package of information from the Veterans Administration advising them of their eligibility for benefits.

JOHN DUNN

**John Dunn
Awarded U-M
Honor Trophy**

John Dunn, son of John and Nancy Dunn, has been chosen by Chelsea High school administrators and faculty members as the recipient of the Michigan Honor Trophy for 1980.

Dunn was selected on the basis of leadership, academic achievement and athletics.

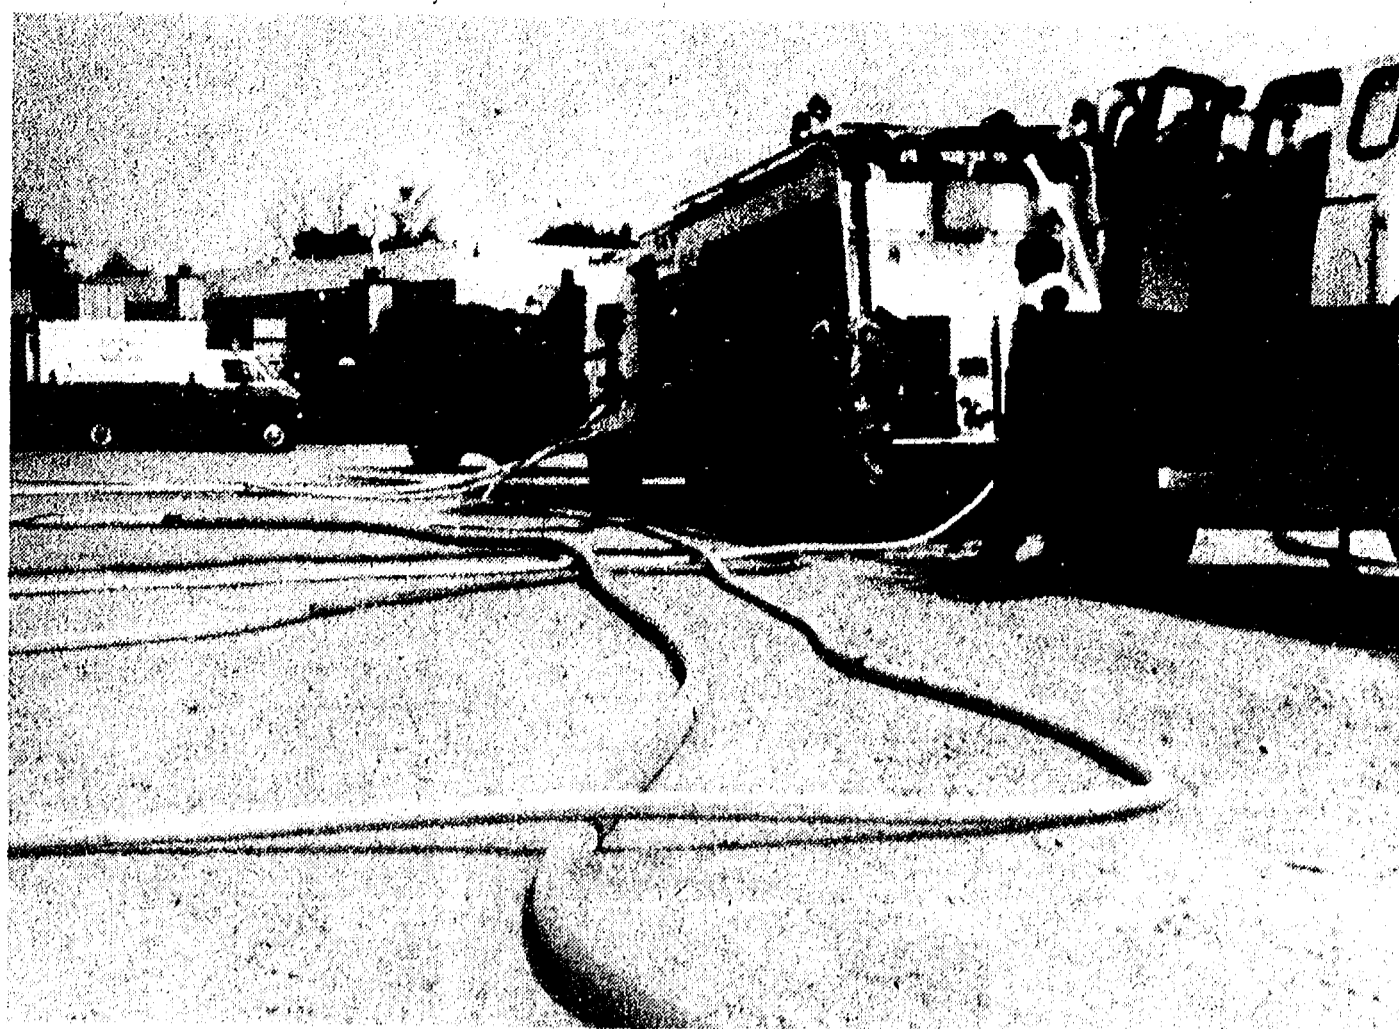

The trophy is presented each year to an outstanding graduate by the Ann Arbor chapter of the University of Michigan Club. School personnel are asked to evaluate students, using leadership as 50 percent of their basis for selection and athletics and academics as 25 percent each.

Dunn has maintained a solid B average throughout his years at Chelsea High school and is in the top one-third of the class academically. He plays baseball, basketball and football and this year was co-captain of the football team and captained the basketball team. He has been on the varsity of all three sports for two years.

Dunn has elected to attend Bowling Green University in Ohio beginning in the fall, where he will play football.

Criteria outlined in the selection procedures included honesty, fixity of purpose, strength of character, willingness to assume responsibility, self-confidence, courtesy and the ability to adapt to new situations.

Dunn was surprised with the award at Class Night ceremonies Wednesday, June 4, at the high school. He will receive a certificate and his name will be engraved on a plaque that stays in the school.

FIRE HOSES crisscrossed N. Main St. last Wednesday, as Chelsea firefighters battled a blaze that gutted the interior of a Central Fibre storage building and set utility wires smoldering and smoking all the way up to Middle St. Fire Chief James Gaken said that it appears the fire

began in a moving conduit which wore insulation off of building wiring and caused an arc inside the cinderblock structure. Gaken said the ceiling ignited first and then fell onto wiring being stored in the building.

CHELSEA FIREFIGHTER Larry Gaken stands before a water drenched Central Fibre storage building shortly after firemen succeeded in dousing a blaze there last Wednesday about 3:30 p.m. The department speculates that the

fire began in building wiring, spread to the building's ceiling and contents and then ignited a utility pole and set wires smoking. North Main St. was splattered with melted insulation material from overheated wires.

**Manchester
Art Fair
Set for Aug. 9**

Aug. 9 is the date set for third annual Manchester Street Fair. Manchester's Main Street will be used to display, demonstrate, and sell the works of 50 selected artists and craftsmen.

Last year's fair was a huge success and this year's show looks like it will be just as delightful. The merchants will have a sidewalk sale, The Black Sheep Theatre will give short presentations throughout the day, plus there will be music, mime, food and beverages, plenty of free parking, and horse-drawn wagons will be on hand to shuttle people around town.

This year's fair is sponsored by the Manchester Art Guild and the Manchester merchants and they are encouraging artists, craftsmen, and community groups from all over to participate in the fair. The Street Fair is juried and all artists and craftsmen are asked to submit three slides of their work for consideration. The sponsors are also very interested in artists who will also demonstrate their work. Fees for the one day fair are \$25 with a fee of \$15 for Manchester Art Guild members and residents. Booths are 8 ft. by 8 ft. and all artists are responsible for their own set-ups, rain protection, and clean-up of their area. Deadline for jurying is July 1.

Police Officers Find Wandering St. Louis Boy

Two Chelsea police officers last week located and returned a 15-year-old boy who had wandered away from St. Louis School for Boys late Wednesday afternoon. Chief Robert Aeillo and Sgt. Lenard McDougal found the boy wandering through fields near Hayes Rd. and Old US-12 at about 11:15 p.m., capping a Washtenaw County Sheriff's Department search that had begun soon after the boy's disappearance. Aeillo said that he and McDougal were informed of the missing boy and decided to offer Chelsea Police Department assistance. Aeillo said he and McDougal drove slowly down Hayes Rd., shining their spotlights into the brush. He assumes that the lost boy saw their lights and came toward them, where they picked him up on the edge of the road. There was concern over the fact that the boy had missed his evening medication, but Aeillo said the only ill effects he suffered seemed to come from dozens of mosquito bites. Aeillo said he and McDougal were thanked by Sheriff Tom Minick, who had arrived on the scene of the search.

Chamber of Commerce Organization Near

Twenty-three area business people signed statements at a merchants' meeting Monday evening, June 2, and brought the revival of a Chelsea Chamber of Commerce closer to reality. According to Bill Bott, a member of the steering committee studying the issues involved in reviving the organization, 25 local business people heard a discussion of the proposed program, organization and by-laws, led by committee member Sam Johnson.

Next steps toward the creation of the Chelsea Area Chamber of Commerce, Bott said, is drawing up articles of incorporation, filing with the state, drawing up by-laws and proposing a slate of directors. Bott said another meeting will be scheduled in the near future to continue organizational planning.

- Following the discussion, 23 of those present signed a statement saying that they:
- agreed with the purpose and program outlined at the June 2 meeting;
 - agreed with the basic structure discussed;
 - agreed that the steering committee should continue its work in organizing and serve as nominating committee for the Chamber of Commerce's first board of directors;
 - pledged to pay \$50 membership fee when billed.
- Bott said Tuesday that two more area businesses had signed since the meeting and that the group estimates receiving another 25 signatures within the week.

Robert Harrison Seeks Re-Election as Clerk

ROBERT M. HARRISON

Announcing his candidacy for re-election, County Clerk Robert M. Harrison states: "The office of county clerk is a dynamic operation. Constant change being the rule rather than the exception. Change of laws, change of resources and change in the needs of the public.

Success in such an arena depends in large part upon the ability to manage. We are taught that to manage is to delegate and direct the work of others. Through the willingness, competence and experience of the staff, management of the clerk's office is a pleasure as well as a challenge. We in the clerk's office enjoy success."

Harrison contrasts the low turnover rate of the office with the over-all county rate as one indication that things are going well in the office. "The average employee remains with us for about nine years. This is three times better than the county over-all average."

"The Office of the Washtenaw County Clerk is not a mere caretaker job. It is and will remain a challenge and it is my intention to seek re-election to the office. The major problems facing the office are the computerization of certain of the court and jury records to facilitate a more cost effective management of the expanding work load, development of intra-county procedures for record handling between several of the major departments and close cooperation with the personnel department in the matter of the current employee reclassification program."

"It is my hope that the voters will assess our past performance in the clerk's office as being the best recommendation for the opportunity to continue as your clerk for another four years."

Harrison was first elected as county clerk in November, 1968, after having served eight years as a member of the County Board. During his tenure on the County Board, Harrison served two terms as Board vice-chairman and chairman of the Ways & Means Committee and in 1968 as Chairman of the Board. During this period Harrison also served as the assessor and treasurer of the City of Saline. Harrison is currently serving as president of the Michigan Association of County Clerks. His civic activities include membership on the Board of the Salvation Army's Ann Arbor Citadel. Harrison is a member of the Cleary College Alumni Association and a

Youth Volunteer Program Offered

An interesting and rewarding summer volunteer activity is being offered again this year in the Summer Youth Volunteer Program at the Chelsea United Methodist Retirement Home. Volunteers have the opportunity to be the eyes for those who cannot see, legs for someone who can't walk and a companion to people who truly appreciate company.

The program begins this year on Thursday, June 12. Any young person, 12 years or older, is welcome to offer services. Young men are especially welcome. Last year, the few men who volunteered enjoyed giving wheelchair rides and playing checkers with the senior citizens. Vocational intern co-ordinator of the program this year is Terri Lyn Page of Morrice. She is

entering her sophomore year at Central Michigan University and has valuable experience in counseling teenagers. Page is interested in learning about different forms of ministry and is looking forward to working with older adults.

Youth volunteers write letters, take residents for wheelchair rides, visit and provide other valuable services. Being a youth volunteer is excellent pre-job experience. Performance and responsibility are required of the volunteers and a job reference can be provided at the end of the summer.

For more information, call Bill Champion at the Chelsea United Methodist Retirement Home at 475-8633. Those interested should plan to attend the first meeting on Thursday, June 12, at 2 p.m.

Class of '70 Reunion

(Continued from page one)

Park beginning at 11 a.m. Lunch will be served at 1 a.m.

Reservations will be accepted until June 12. It is important for the committee to receive deposits so that down payments may be made to the caterer and the band.

Anyone who cannot meet the June 12 deadline but definitely plans to attend, should call Kathy Grob Rickert, 475-9991, so that an accurate head count may be made.

Some class members may have

been overlooked in the mass mailings. The reunion committee urges friends and parents to tell all class members about the July 26-27 plans.

Farm accident fatalities declined 20 percent from 1970 to 1976, the U.S. Department of Agriculture says.

The over-all rate of farm fatalities was 14.5 per 100,000 farm residents and workers in 1976.

BRENDA HOELZER lends a helping hand to Chelsea United Methodist Retirement Home resident Lucretia Goossen, as part of the Home's Youth Volunteer Program. Young people aged 12 and over are welcome to call Bill Champion, 475-8633, for additional information on the program. First meeting of the volunteers will take place Thursday, June 12, at 2 p.m.

CHELSEA SCHOOL BOARD CANDIDATE

ANNE M. COMEAU

I have been involved in schools in many capacities during the past nineteen years. I have served with P.T.A.'s on committees, as President, Secretary, and Liaison (to the school board) Chairman. I have been a member of an Advisory Council, a member of teacher-parent dialogues, and otherwise actively involved in all levels of public school education. Civic Associations and Women's Clubs are part of my background. I have served in several offices and as President of the Women's Club. It was very beneficial to me to be a 4-H leader for eight years in a community club, horse club, exchange club and teen council. I am a former member of the American Dental Hygienists Association and Past President of the Massachusetts Dental Hygienists Association. In the past year I have served as a member of 'Dialogue with the Superintendent,' a member of the Millage Committee, a volunteer in the Media Center at South School and as a charter volunteer during the institution of the New Chelsea Senior Citizen Program.

I am concerned that Chelsea Schools maintain a balanced program geared to what the community can afford.

We know a tax reform will be a reality in the future — hopefully we can establish, as a community, which reform will best benefit Chelsea.

All students must be educationally well prepared — they are the future leaders of our community. Vocational, agricultural and college bound interests need a diversified curriculum built upon the 3 R's. Educational institutions are responsible for seeing that the academic enrichment and recreational needs of the entire community are met, thus they must be used to their full potential.

My husband Ed and I are members of St. Mary's Church and have four children. The oldest, Cindy, has graduated; Meg was a '79 graduate of Chelsea High School; Sarah is in 7th grade at Beach School; and Laura is in 3rd grade at South School.

Thank you for your time and I would appreciate your support in building an even better Chelsea School District.

Four Bulldogs Win Baseball SEC Honors

D. Schrotenboer Going To Sienna Heights

Four varsity baseball players have been named to spots on the All Southeastern Conference team by balloting among league coaches.

Senior hurler Chuck Moore was a unanimous choice to the first team. Moore, one of the outstanding Bulldogs in an up-and-down season, finished up with an earned run average of 1.21 in the SEC and 1.42 over-all.

Named to the second team were junior shortstop Jeff Dils, senior third baseman John Dunn and junior outfielder Ross Stofflet.

Dils, together with Mike Bohlender, will co-captain the Bulldogs next year, and Stofflet was named slugger of the year for the Chelsea team this season.

Subscribe today to The Standard.

Don Schrotenboer, 6'7" center of the Chelsea High school basketball squad, recently signed to play at Sienna Heights College in Adrian, basketball Coach Ben Braun has announced.

Schrotenboer averaged 13 points and 11 rebounds per game in leading the Bulldogs to the SEC championship this year. He was also selected to the All-SEC squad.

"Don showed a lot of promise throughout his senior year and has the ability to be a dominant player on the court," said Coach Braun. "His rebounding and defensive abilities should give our program a solid performer in the middle. Don will be particularly valuable in initiating our fast-break offense, as he runs well for a post player."

Together with Darryl Smith of Detroit Henry Ford and Rod Holliday of Benton Harbor,

Schrotenboer should give the Saints their "strongest freshman class of post men to date," according to Coach Braun.

Bible School Slated At Our Savior Lutheran Church

Our Savior Lutheran church, 1515 S. Main St., will hold Vacation Bible School the week of June 16-20, from 9 to 11:30 a.m.

Theme of this year's school is "God's Happy People." All children of the community from nursery school through eighth grade are invited to attend. Call 475-1404 for registration.

Veterans did not have to participate directly in the Vietnam conflict to be eligible. Active service anywhere in the world would qualify.

Home Meals Service Needs To Expand Crew

Chelsea Home Meals Service has recently split its one route into two to accommodate an increased number of subscribers to the service.

As a result, more drivers are needed. If enough drivers volunteer, then it may be possible to have some people drive only once every other week. Specifically needed are volunteers for Monday and Tuesday.

The total trip per week will be under 10 miles and should take approximately one hour of time. Gas used in the delivery of meals is deductible.

For more information on volunteering, call Barbara Branch at 475-7644.

It's estimated there are more than 163,000 supermarkets, small grocery stores and convenience food stores in the U.S.

SPICE SALE WINNERS: South school students pose with prizes they earned during the school PTS' recent spice sale. Helping to raise \$3,500 toward the purchase of bleachers for the school were youngsters, from left, Carrie Bleske,

ADULT HIGH SCHOOL: Commencement ceremonies will be held tonight, June 5, for graduates from the Chelsea High school completion program. ski, Barbara Stepp, Ann Wood, Wilhelmina Liebeck, Judy Robards; fourth row, William Aldrich, Dick Bauer, Betty Gregory, Sherry Knickerbocker, Bill Treaster; back row, Jerry Wireman, William Castleberry, Arthur Steinaway, Dobbie Hubbell. Not pictured are Edward Hall, Patricia Haverty, Dorothy Marriott, Gary Marriott, Michael Slane and Constance Tone.

Adult High Graduating 34

A number of Chelsea High school graduates this year will have a slight edge on the majority of graduates, as they pick up their diplomas tonight, June 5.

These early birds are, of course, the second graduating class of Chelsea Adult High school, who will participate in commencement ceremonies at the Chelsea High school gym at 8 p.m. tonight.

If success can be measured in sheer numbers, then the adult high school is a sure winner. From a graduating class of 15 last year, its first year in existence, the adult program will award diplomas to 34 belated grads this year.

Community Education Director Jaclynn Rogers, who is also the "principal" of adult high school, is elated with the way the program has become firmly established in just two years. She attributes the ever-growing number of students to the

economy and the increasing necessity of having a high school diploma to land a good job.

Fully 25 of this year's graduates are women, and Rogers sees this as an outgrowth of the changing role of women over the past few years. Even those who aren't planning to begin working or find a better job, say they return to school to "do something for myself," Rogers said.

Many of her grads are what Rogers calls "real success stories," overcoming lack of self-confidence and the very real presence of demanding family life and child care, to finish up their diplomas. Often, given the fact that credits are given for work and life experiences, students find they have only one or two credits to make up.

As Rogers says about so many students, "She didn't have time, but she did it anyway."

Rogers says that some of the

late grads are ashamed to admit to anyone that they never finished high school, but others, like Art Steinaway, owner of the Village Bakery and a manager at Dana Corp., provide inspiration for those who are thinking about finishing.

Judging from the number attending commencement this year, the Class of 1980 is one proud group. No longer able to accommodate all friends and relatives in the Beach cafeteria, this year's ceremony will take place in the Chelsea High school gymnasium.

The Chelsea High school Orchestra, under the direction of Karel Johnson, will play the

traditional "Pomp and Circumstance" for the entry of the graduates. Superintendent Raymond Van Meer will offer a welcome to graduates and guests and Jaclynn Rogers will present the guest speaker, the national spokesman for community education, Jack D. Minzey of Eastern Michigan University.

Diplomas will be awarded the graduates by Board of Education members Ann Feeney and Dale Schumann. The ceremonies will close with a benediction by the Rev. Thode Thodeson and a recessional by the Orchestra. A reception will follow for families and guests.

JCs Sponsoring Horse Show

Chelsea Jaycees will once again be conducting their annual Youth Horse Show, Sunday, June 29, at the Chelsea fairgrounds. The show begins at 9 a.m. and is set with two groups of contestants, a Junior class for those 12 and under, and a Senior class for those aged 14-18.

It is recommended that riders arrive early to register for

favorite events. Cost is \$2 per class for horses and \$1 per class for ponies. Ponies are to be 54" and under. No stallions over two years old are allowed.

There will be 26 events distributed among the two classes, including fitting and showing, western horsemanship, western pleasure, English equita-

Real Estate
By PAUL FRISINGER
REALTOR
REAL ESTATE SEASONAL
There is more activity in real estate in the summer than the winter and a seasonal downturn begins with the start of the school year in every region of the country. A recent study shows that, nationally, sales typically jump nearly 30 percent in March over the January and February levels. Activity then continues to expand, although at a more modest pace, throughout the spring, reaching a peak in June and July. Sales then continue slightly below that peak until the beginning of the school year when they decline, typically 15 percent in September. This starts a seasonal downturn which continues until a low is reached in December. The decline from the summer peak to the December low averages 43%. Each section of the country generally reflects the pattern of the whole U. S. but some regions differ in timing and magnitude of the seasonal moves. For example, the winter sales slump is more severe in the Northeast which is made up for by a higher summer peak. If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621.

The Bible-The Light from Heaven
PART III
Answers the question What is the Church? Thus far in our study of the subject we have learned that the church is the body of people called out of the world by their obedience to the gospel, and we also learned that the church is the spiritual body of Christ. In this article we want to note that the church is spoken of as "the bride of Christ." In Paul's letter to the church at Corinth is written, "Would ye could bear with me a little in my folly; and indeed bear with me. For I am jealous over you with a godly jealousy; for I have espoused you to one husband, that I may present you as a chaste virgin to Christ." These few words state the fact that the church is Christ's bride. Consider also the words "one husband." Christ is the "one husband," so there must of necessity be but one bride (one church). In Ephesians 5:23 the scriptures teach "For the husband is the head of the wife, even as Christ is the head of the church; and he is the Saviour of the body." When a couple marry the bride takes her husband's name. So it is with Christ's bride, the church. In the New Testament we find the church, both as individuals and congregations wearing the name of the Bridegroom. As individuals those early disciples were known as "Christians." The word "Christian" is actually the name "Christ" with the suffix "ian" added. The suffix "ian" denotes "pertaining to." Thus the word "Christian" means pertaining to or belonging to Christ. "The churches of Christ salute you." (Romans 16:16). Both as individuals and as congregations the church wears the name of the Bridegroom. By obedience to the same commands that those early disciples obeyed, one today can have the remission of sins and the Lord will add him to His church, His Body, which is His Bride. Acts 2:36-47; Mark 16:16; Acts 22:16. More to follow.

Letters to the Editor

Dear Editor:
I read with great interest, Village President Ritter's report on the progress he and his administration have made to date since taking office. As a former Council member and village resident I feel I must take issue with President Ritter's "progress" as he calls it and make the residents of the Village of Chelsea aware of a few facts.

First, let's talk about the one-line statement that stated "the budget has been approved and the millage was reduced." At first glance village residents might assume that something great happened and they will all pay less taxes as a result of the effort put forth. Let me point out that it took several months to approve a budget that was basically established and balanced when I left office in late March. The new administration did approve a slight reduction in the millage from \$9.86 to \$9.75 per \$1,000 of assessed valuation which

amounts to an \$.11 savings overall. If the average home in Chelsea has an assessment of \$30,000 this amounts to a \$3.30 savings per year.

Now who is trying to kid who. This savings doesn't even come close to the added \$1.00 per month cost for the landfill that has been added on to each resident by the new administration. I don't care how you classify this added expenditure—this is still a form of tax increase for the village resident. I will agree that President Ritter and his administration have a big problem with the new landfill regulation. I do take issue with this being just a village problem. The problem belongs to everyone who uses the landfill and all should share the expense—not just the residents of the village.

I don't know who informed President Ritter of the water system problems but he has either received bad information or misinterpreted what he was

told. I know for a fact that Chip Winans spent the better part of two years preparing a 100 page book that showed maps of water valve locations, in addition to the maps located in the Village office. I'm sure that back in the early 1930's some valves were lost or covered over and occasionally the village crews will find one that's not listed. This is a minor problem compared to what President Ritter would have the village residents believe when he stated that the entire system would have to be shut down in the case of a major break.

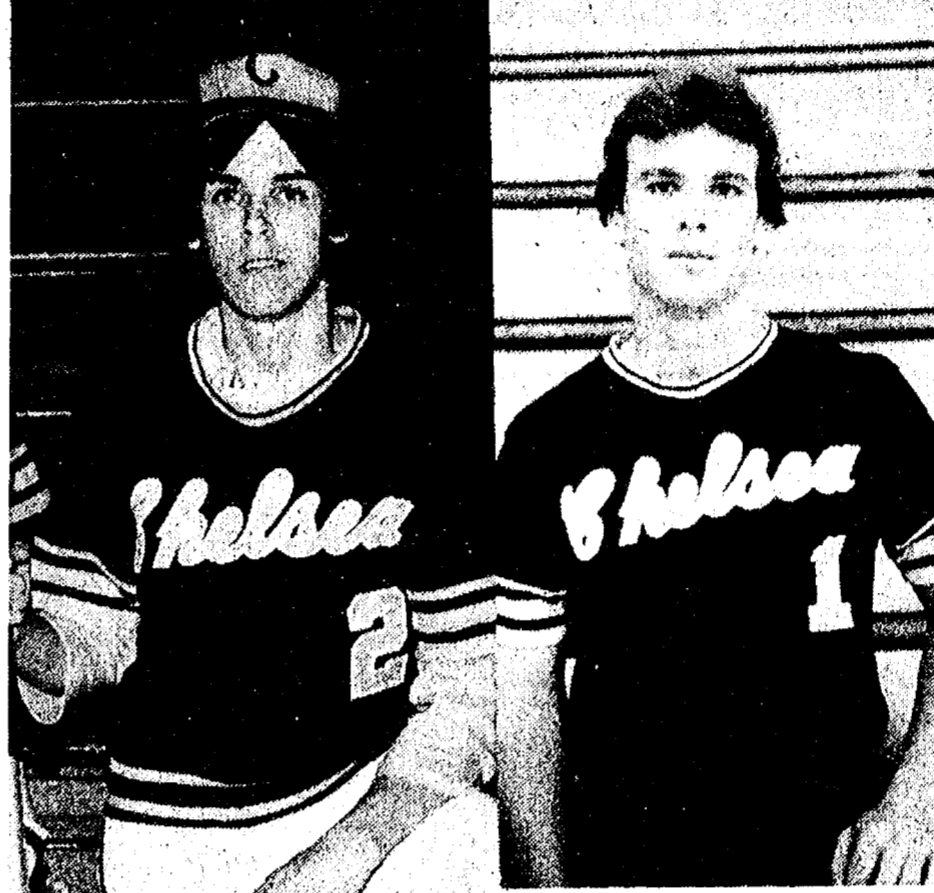

Yes, federal funds were used to curb, grade, and install new sidewalks on Old US-12, and why not. This particular part of town was one of the few areas that didn't have sidewalks and with all the traffic, children going to school and fair week, etc., I have always felt this project should have been completed. When the federal government offered 100% funding, the Village Council applied and received the necessary cash to solve this problem without added cost to the village residents. I would hope the present administration would do the same when the opportunity arises in the future.

I would like to take exception to President Ritter's comment concerning the changes made on Orchard St. I'm sure that most of the residents are aware that this project was in the planning stages long before the bank decided to expand its operation. The village resident voices I heard at the same meeting President Ritter attended were not against the improvements on the street, but expansion of the bank itself. The renovation of the street took place while the bank was being expanded because it made sense to do all the changes at one time to reduce traffic problems and inconvenience to the village residents. I'm sure if President Ritter looks into last year's expenditures, he will find that the cost of these street improvements were taken out of the General Fund as planned. There is nothing to hide so I'm not sure what he's looking for.

In summary, I would like to remind President Ritter that he won the election in March and it's time to stop campaigning. Now it's time to do something constructive during his term of office that the village residents can call "real progress."

Walt Brown,
Village Resident.

Sluggers of the Week

A QUARTET OF BULLDOGS comprise the final group of baseballers to be featured during the 1980 season. Mike Wood (1), senior catcher, played excellent defense all season and contributed with his bat toward the latter weeks. Coach Wayne Welton said Wood is "without equal in the league" in defensive catching skills. Chuck Moore (2) had a banner season, finishing the year with a 1.21 ERA in the league and a 1.42 over-all. Moore was a unanimous selection to the ALL-SEC team this season. "We'd like to have him back next year," said Welton. "He's a pitcher, not a thrower." Junior catcher Ken Hopkins (17) didn't see much action in his first varsity year, as Mike Wade and Mike Wood handled most of the duties. Welton said he should see more action next season. Randy Luick (9) played in 18 of 20 Bulldog games this season, mainly as a defensive replacement. He committed no errors in the course of the year and established himself as a defensive asset.

St. Paul's Planning Vacation Church School

St. Paul's United Church of Christ is planning its annual Vacation Church School June 9-13, Monday through Friday. Classes are planned for those three years old through sixth grade. There will be time for learning, crafts, games, music, a mission project and more.

"Jesus, Lord and Savior" is the theme of the school this year. The series provides opportunities for youngsters to join in discovering the story of God's salvation plan and the life of Jesus. It relates events in Jesus' life and explains how we can learn from events in our own lives.

The five basic themes are Jesus, God's son; Jesus' followers; Jesus as helper and leader; Jesus as teacher, and Jesus, my redeemer.

Hours for the school are 10 a.m.

to 12:30 p.m. for three-year-olds through kindergartners, and 10 a.m. to 2 p.m. for first through sixth graders.

All children should bring a sack lunch, drink will be provided. Those interested should pre-register by calling the church office, 475-2545.

Your Auto-Owners agent wants you to get the policy that's right for you.

Even if it isn't from Auto-Owners

When you go to an insurance agent who represents only one company, he only has one company's policies to offer you. But an independent agent represents several companies. So if one company's insurance isn't right in price or coverage he'll tell you. He knows another one of his companies is. But the one-company agent? Do you think he'd tell you? So talk to your independent Auto-Owners agent. There's no telling how much he can help you.

Smoking, Weight Loss Clinics Set

If overeaters and smokers can change their attitudes toward food and cigarettes, they can lose weight and give up smoking. The American Lung Association is bringing Hypnotherapist James H. Hoke, of Southfield, to Ann Arbor June 7 to conduct both stop smoking and weight control clinics at Pioneer High School Little Theatre.

The stop smoking clinics are scheduled for 1 p.m., the weight control clinics will begin at 3 p.m. During his 12-year career as a hypnotherapist, Hoke has hypnotized thousands of persons, both in groups and individually, to help them overcome bad habits.

Hoke's medically approved stop smoking clinic has a success rate of between 60 and 70 percent. His approach is to reprogram smokers to want to be non-smokers and to give up cigarettes with no withdrawal symptoms.

During the weight control clinic, Hoke will help people to change their emotional attitudes that lead to overeating. He will emphasize the importance of developing positive addictions that make proper eating compulsive. Because stress often is expressed in overeating, he will help participants deal effectively with stress.

The stop smoking clinic fee is \$30; the weight control clinic fee is \$25. To register for the American Lung Association clinics, call 995-1030.

Learning Delayed Help Offered

Chelsea Community Hospital's Occupational Therapy Department will be sponsoring a Sensory Integration Program designed for learning and developmentally delayed children of pre-school and elementary school age, living in western Washtenaw and surrounding counties.

If a child is having difficulty due to hyperactivity, short attention span, poor muscle coordination, or poor hand function, a learning or developmental delay may be the problem. The program focuses on the mastery of the basic senses of taste, touch, sight, sound, balance, and movement.

A registered occupational therapist will supervise the groups and each child will be evaluated for his or her particular level of functioning. The program will be held at Immanuel United Church of Christ, in Chelsea, from 10 a.m. until 12 noon, Tuesday-Friday, July 1 through Aug. 7. Tuition for the program will be \$175. Partial and complete scholarships are available.

Amy Finkbeiner, an eighth-grade student at Beach Middle school, has been named a local winner in the 11th annual "America and Me" essay contest, sponsored by Farm Bureau Insurance Group.

David Feldkamp Enrolled in Banking Summer Program

David Feldkamp, an employee of Chelsea State Bank, is one of 30 persons enrolled in the School of Banking summer program at Central Michigan University.

The program is sponsored by the Michigan Bankers Association and CMU. It is designed to teach banking and management skills to bank personnel, including loan officers, branch managers and personnel managers. Students attend a two-week session for two summers and complete assignments between the two terms.

VA personnel answered nearly 24 million telephone inquiries from veterans requesting assistance in 1979.

FAMILY OF GRADS: The Class of 1980 is a family affair for these three local residents as they will receive diplomas from Chelsea High school this week. Sheila Hoag, center, and her

daughter, Cheryl Johnson, right, will attend commencement ceremonies tonight for Chelsea adult high school students. Another daughter, Laurie Speer, will graduate with the Chelsea High school Class of '80 on Sunday.

VFW Post Presents Flag In Napoleon

Tuesday, May 27, an American flag was presented to Ezra Ely Elementary school in Napoleon by Byron Smith on behalf of the Chelsea VFW Post 4076. The ceremony took place at the school with about 450 students participating.

Corene Smith, school principal, introduced Mary Sawyer of the school's LINK, a family-staff group. Byron Smith presented the flag to Mrs. Sawyer, who turned it over to fourth grader Larry Neving and sixth grader Lorelei Hicks. These two students

raised the flag while all stood and sang the National Anthem. A short speech of appreciation was given by the assistant school superintendent, Mr. Hard. The "Meistersingers," a group of sixth graders sang for the gathering, and the ceremony closed with the singing of "My Country 'Tis of Thee."

Ely Elementary school is 27 years old, but never before had an American flag.

A flag was also presented to Little League Hinkle Field in Napoleon on the same day on

behalf of the Post 4076 to benefit the Sandy Koufax League. Charley Walters is one of the organizers of the league and manager of a team.

On June 27, 1884, President Chester Alan Arthur signed a bill to create a U. S. Bureau of Labor in the Department of the Interior; the bureau was made independent of the Interior Department but without Cabinet rank under a bill signed by President Grover Cleveland on March 21, 1888.
