Bike-A-Thon Scheduled Saturday

The special Wheels of Life Bike-a-Thon for St. Jude Children's Research Hospital is set for this Saturday, June 14. The event will take place from 1 to 4 p.m. at Beach school, according to Bike-a-Thon chairman, the Rev. T. B. Thodeson.

If severe weather should again prevent the running of the Bike-a-Thon, it will be cancelled.

"I urge riders to keep signing up sponsors," the Rev. Thodeson said. "The funds raised are used to control and cure deadly children's diseases. By helping St. Jude's Hospital, we are helping these unfortunate children."

Immediately after the Bike-a-Thon, riders are asked to collect from their sponsors and take the money to Chelsea State Bank. From there, it will be sent to St. Jude Hospital.

Those who have made their quota or better will be awarded for their diligence and work.

THIRTY YEARS AGO this group had just gone through commencement ceremonies at Chelsea High school, Friday, May 30, they gathered at the UAW Union Hall on Main St. to celebrate the reunion of the class of 1950. Twenty-eight of the class of 54 graduates attended, together with one teacher, E. Benjamin. Guest speaker for the banquet was retired school superintendent Charles Cameron. Feeney, Grau Are Named to School Board

Ann Feeney and Lloyd Grau were selected by overwhelming margins to four-year terms on the Chelsea Board of Education in school district balloting on a chilly annual election day Monday.

Feeney, the only incumbent in the field of five candidates, received 344 votes. Grau was next with 342. Of the remaining three candidates, Anne Comeau gathered 188 votes, Ron Montange 64, and Robert Bort 49.

A total of 543 voters went to the polls, with three ballots declared invalid because more than two candidates were selected.

The total vote represents just 11.5 percent of the 4,700 estimated eligible voters in the school district. No other issues or proposals appeared on the Monday ballot.

Feeney and Grau will be sworn in as members of the Board of Education at the Monday, July 7, board meeting.

Revitalizing Workshop Rescheduled

A meeting scheduled to discuss means for revitalization of Chelsea's central business district was cancelled this week and rescheduled for Monday, June 23.

According to the Washtenaw County Planning Commission, which is sponsoring the revitalization workshop, the commission's materials were not complete by last Monday, and the decision was made to postpone rather than offer an incomplete presentation.

The workshop is being made possible through a HUD 701 planning grant, which has allowed the County Planning Commission to offer advice and assistance to county communities not able to support a planning staff of their own.

In addition to Chelsea, presentations are planned for Dexter, Manchester, Whitmore Lake, Saline, Milan.

The workshop is scheduled to point out successes and failures in other communities and give a summary of specifics that could be implemented in Chelsea to improve the downtown area.

The June 23 workshop will be open to all those in the community who have a deep interest in the subject.

ONE STEP CLOSER:

Softball Team Wins Regional

It took them four days to do it, but Chelsea's varsity softball team sewed up the regional championship Tuesday afternoon with a win over Riverside, 5-0.

Chelsea had defeated Clawson, 5-3, on Saturday, but heavy rain forced the postponement of the final contest until Tuesday afternoon.

The Bulldogs played flawed softball, Coach Bill Wescott said, but behind good hitting and solid Nanette Push pitching managed to take both games and the title. Chelsea now moves on to participate with three other teams in the State tournament this Saturday in Lansing.

Tuesday's contest with River-view featured two-hit performances by Kim Wood and Cara Feeney to lead the Bulldogs to seven hits and five runs.

Push was the winning pitcher, fanning 11 and yielding no walks on her way to a one-hitter and her 17th win of the season against one loss.

Chelsea led off the scoring in the second inning on walks to Wood and Anita Powell. Angie Ingalls rapped a single to drive in Wood and Powell advanced to

third, finally scoring on a passed ball.

In the third inning, Cara Feeney started the action with a bunt single. Jennifer Ringe bunted her way to second and Kim Wood and Nanette Push lined back-to-back singles to send her home.

Chelsea closed the scoring in the fourth inning. Amanda Schwarze took first after being hit by a pitch. She stole second and scored on a Maggy Sweet bunt and Cara Feeney's RBI single. Feeney then stole second and was brought home on a line single by Ringe.

Coach Wescott pointed out some defensive weakness in the Bulldog performance, singling out three errors that, while not costly in terms of runs, nevertheless hurt the team.

Three days earlier, the Bulldogs opened their stint in the regionals with a win over the Clawson Trojans, who were 18-7 at that point in the season.

Chelsea managed only four hits in the contest, but their five runs were enough to down Clawson. Push pitched a masterful game,

giving up five hits and striking out 11.

Chelsea opened the scoring with four runs in the first inning. Cara Feeney and Jennifer Ringe bunted their way on base. The Clawson catcher threw the ball away on Ringe's bunt, allowing Feeney to score.

Patti Hume followed with a bunt single and Kim Wood's line drive to left was good for two RBIs.

Push flied out to shortstop, followed by walks to Molly Eisele and Amanda Schwarze that brought in another run.

In the seventh inning, Chelsea capitalized on the Clawson pitcher's misplaying of a Kim Boyd bunt. Schwarze followed with a single, Feeney sacrificed Boyd to

third and she then scored on a line drive single by Ringe.

Clawson managed three runs in the third inning on three singles, but Chelsea held the lead in the game from the beginning.

The team will now have just two days to rest before tangling with the best in the state in the State Tournament on Saturday, June 14. Games will be played at Ranney Field in Lansing.

The first game begins at 10 a.m. Chelsea will play in the second contest at 12:15 p.m. The winners then face off in the finals at 3 p.m.

Directions to Ranney Field are available in the Community Education Office at Chelsea High school. Tickets will be sold at the gate.

Little Leaguers Swing into Action Monday Evening

Pony League and Little League teams squared off in a number of contests Monday night to open their seasons.

PONY LEAGUE— Pony League, for players aged 12-13, started out with the Orioles scoring a 13-5 victory over the Twins. The Orioles had 10 hits and were led by Jason Pierson's triple. Dave Merkel contributed two hits in a losing cause.

In the second game Monday, the Yankees exploded for 10 hits and scored seven runs to beat the Dodgers, 7-3.

Garland DeVoe of the Dodgers opened the scoring with a long two-run homer in the top of the second. In the bottom of the second, Brent Hall got Yankee scoring started by stroking a three-run blast. Brian Farley then con-

trolled the Dodger bats the rest of the way, giving up only two hits.

LITTLE LEAGUE— The season got off to an exciting start Monday night as the Pirates beat the Dodgers, 8-0, on a combined no-hitter by Todd Starkey and Greg Bouton.

Defensive play of the game was made by Dodgers Jeff Steele at second base.

In the second contest, the Reds beat the Tigers, 8-4.

Hitting honors for the Reds went to Greg Haist, who smacked three, and Mark Ahrens, who hit two. The Reds got strong pitching from Matt Kemp, Greg Haist and Brian Roberson.

For the Tigers, Mike Merkel led the team with two hits. Rob England and Jeff Harvey came in to pitch the last three innings and held the Reds scoreless.

Children's Theatre Workshop Offered

Registrations are now being accepted at the Chelsea Community Education Department for Summer Recreation's Children's Theater Workshop, being held June 23-July 2 from 10:30 a.m. to 1:30 p.m. at the high school auditorium.

Purpose of the program is to allow children the opportunity to perform and become aware of play performance. There will be workshops in dance, voice, drama and technical aspects of play production.

A performance will be given on Saturday, July 12 at 2 p.m.

The program is open to fourth-through ninth-grade students between the ages of 7 and 13.

Registration fee, to be paid in advance is \$20. An extra 50 cents must be paid if children wait until

the first day of the workshop to register.

Children should bring a sack lunch each day.

Teachers for the various sessions will be Bev Yelsik, Marcia Warren, Patrick Powers and Phil Powers.

For further information, call workshop co-ordinator Pat Knickerbocker at 475-1633.

Jeff Dils Named To All-Region Baseball Team

Jeff Dils, junior shortstop for the Chelsea High school baseball team, has been named to the Class B All-Region Baseball Team for Region 10.

Young Girls Start Summer Softball

Season opening games were played Monday night, June 9, by teams in the Chelsea Junior, Miss and Midget softball leagues. Junior Miss is a fast-pitch league for girls aged 11-13. Midgets, aged 8-10, play slo-pitch.

JUNIOR MISS— Blue Demons 22, Red Devils 15— In early action, the Blue Demons began their season in a big way with a 22-15 win over the Red Devils. Jenny Cattell was the winning pitcher. Laura Nix doubled to help the Demons offensively.

Jackie Boosey came in as relief pitcher and held the Devils scoreless in the last inning.

BANDITS 23, MELLOW YELLOW 5— Later, the Bandits exploded with 26 hits and 15 steals to beat Mellow Yellow, 23-5. Julie Koch excelled defensively with an outstanding catch in left field.

Bandit Lisa Vansehoik delivered three strike-outs for her team. Chris DePant also had three strike-outs for the Mellow Yellow squad.

MIDGET— Red Devils 7, Dukettes 4— Opening night was led off by a thriller between the Red Devils and the Dukettes. The Devils boomed 13 hits, including two home runs off the bats of Ceia Murphy and Chris Basso. Tina Kimbler hit a solid double to help the Devils.

Devil pitcher Beth Kenney hurled five strike-outs and Jennifer Lewis threw four. In the end, the Red Devils edged their opposition, 7-4.

COOL BLUES 23, PANTHERS 14— A slugging feast of 20 hits powered the Cool Blues in their solid victory, including two home runs by Amy Dmoch and Tammy Browning, coming in the first and fourth innings, respectively.

Inning four saw the Blues' Kelly Scott, Kelly Kuzon, Katie Kelley, Dawn Spade and Jill Penhallegon all score in the high run production inning.

The Panthers were out-hit by their opposition and lost in spite of 14 runs.

BRAND NEW SEASON: Monday night was the beginning of a second season for Chelsea girls softball, and also a pair of softball-minded sisters. Bandit Coach Karen Tobin, right, gives some advice to her slugger sister, Joann, during a contest with the Mellow Yellow team. Close family ties may or may not have had something to do with the 23-5 Bandit win. Both teams play fast pitch in the Junior Miss League for 11-13 year olds.

SAFETY SIGNS: Members of the Chelsea High school Kiwanis Club-sponsored Key Club pose with one of the new highway safety signs that greet those leaving the school parking lot from either of its two exits. Dan McGill, Brad

Flanigan, Julie Sundling and Barb Davis helped post the signs which were produced by the Highway Safety Department for the Michigan Drivers' Association, which donated them to local high schools.

Governor To Resubmit Reorganization Plan

Governor William G. Milliken will resubmit a revised plan to reorganize various state departments after the original order was withdrawn under legislative pressure of rejection.

A resolution of rejection of the original order had gained 29 signatures of the 39-member Senate before the executive order was withdrawn.

Legislators questioned some of the transfers and changes that would have reorganized the Departments of Commerce and Licensing and Regulation.

The reorganization order, issued in early April, made major changes in the Licensing and Regulation Department to make it a consumer oriented department while giving the Commerce Department primary authority for economic development.

The order involved 18 bureaus and commissions—including such major bodies as the Insurance Bureau, the Liquor Control Commission, the Financial Institutions Bureau and the State Boundary Commission.

Representative Gary Owen (D-Ypsilanti) said the reorganization at this time caused legislators problems because of the size of the transfer, the number of workers involved and the cost of the transfer during a time of financial constraints.

Owen estimated the total

transfer would cost between \$500,000 to \$1 million.

Legislators were particularly concerned about transferring the Liquor Control Commission, the Financial Institutions Bureau and the Construction Code Commission to the Licensing and Regulation Department.

Liquor Control and Financial Institutions would be transferred from the Commerce Department and the Construction Code Commission would be transferred from the Department of Labor.

Licensing and Regulation "is the most fragmented department in the state," Owen said. There are administrative problems in the department, he charged and added he was not convinced the department was sound enough to handle the increased responsibilities of those service oriented bureaus.

Owens is chairman of the House appropriations subcommittee responsible for the budgets of the three departments.

Senate Votes to Eliminate Tax Exemption on Military Pay

Seeking ways to close tax loopholes in the tax laws and increase the state's dwindling revenues, the Senate voted to remove the income tax exemption on military pay of service personnel domiciled in Michigan. Also subject to the tax will be the military incomes of members

of the Michigan National Guard and reservists in the state on income after the first \$1,500.

The \$1,500 exemption is also indexed to be adjusted upward or downward according to the average percentage change in the consumer price index.

Senator Jack Welborn (R-Kalamazoo) called the bill nothing more than a "blatant tax increase" and its passage would hurt morale of the National Guard and reservists in the state.

He said it would also hurt recruitment and retention efforts of the state national guard.

Bill sponsor Senator Doug Ross (D-Oak Park) defended the bill saying that 90 percent of the income earned by national guard members would be exempt still from income taxes. He noted only two other states besides Michigan currently exempt all military pay from taxes.

The elimination of the exemption is expected to raise between \$15 and \$23 million per year.

Woman Found Unconscious on Scio Church Rd.

A local woman is in serious condition at University of Michigan hospital after she was found lying unconscious on Liberty Rd. in Lima township.

According to Deputy Tom Kern of the Washtenaw County Sheriff's Department, Deborah Charboneau, 10955 Scio Church Rd., was spotted by a County Road Commission truck last Thursday, June 5, as she lay about 75 yards from a creek bridge.

Kern said the county workers reported spotting a horse going over a hill about 200 yards from Charboneau. Until she herself can say exactly what happened, Kern said, the sheriff's department can only surmise that she was thrown from the horse.

She was transported to U-M hospital and has not yet regained consciousness.

Dave Kealy Pioneering New Surveying System

Dave Kealy, graduate of Chelsea High school and the University of Michigan, is currently involved with instructing survey crews in Florida on the use of new, sophisticated survey instrument.

Kealy is vice-president in charge of surveying for the Sarasota-based engineering firm of Smally, Wellford & Nalven, which is one of the first private firms in the nation to use the new equipment, known as a Tachymat.

The Tachymat is a complete survey system for measuring, recording and transferring field data to a computer. Kealy is in charge of watching over the new instrument, which permits two persons to do what it used to take a whole survey crew to accomplish.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I don't know nothing about taxes, and I git that mixed up. I know we got to pay em, but I don't see how we can "pre-pay" em. That sounds to me like announcements that the television show was "pre-recorded before a live audience." I don't see how you can pay somepun or record somepun before you do it, but even I can understand that a live audience is better than the other kind.

So when it come my time at the country store Saturday night, I offered this item that says folks might have to start "pre-paying" interest they earn on their savings. If this idee gits through Congress, 15 percent of the interest will be sent straight to Washington and the saver never will see it. This will be "withheld" like the income tax that comes out of wages before the worker gits what little is left.

Mister Editor, I confessed to the fellers that I don't see how the Federal Government can withhold from us somepun that it don't have until it takes it. If I understand the word, it deals with somepun you got you won't give somebody.

Ed Doolittle was the first to set me straight. Ed explained that the feller you work for withholds part of your wages. He's got it, and you've earned it, but he can't give it to you. He's got to hold it back and send it to the Government fer you. Ed said whoever said the IRS is the most successful mail order business the world has ever known was right. It's got everybody, the wage earner and the wage payer, doing its work. The feller running a business has got to send his tax in advance to, Ed said, and if he don't prepay enough during the year he's got to pay a penalty that amounts to interest he might of earned by putting his taxes in the bank instead of paying in advance.

General speaking, the fellers

was surprising in their understanding of the question. Clem Webster said withholding and pre-paying taxes merely gives the Government free use of money we could be using during the year. In the case of the interest on savings, Clem went on, withholding will deny us interest that could be compounded to earn more interest so we would have to pay more tax, so the Government is outsmarting itself on this deal. Clem said he had saw where this year May 11 was the day the average American quit working fer Uncle Sam and started working to pay his own bills. It took 131 work days this year, somebody figured out, to keep up all the governments he supports, Clem said, where 50 year ago he could earn enough to pay all taxes in 42 days.

Clem said another survey shows that average Joe works until 11:15 ever morning fer his governments, and the rest of the day fer hisself. As recent as 20 year back, he paid his taxes by 9:45. Clem said he didn't know where these figgers come from, but fer sure as more of us are out of work, the rest of us are going to have to put in more tax time. That extra \$2.5 billion Congress just pumped in the food stamp program that would of run out of money by June is going to knock out at least one coffee break. was Clem's words.

Yours truly,
 Uncle Lew.

Letters to the Editor

To the Editor:
 To former and present council members.
 We have seen a lot of mud-slinging between all of you.
 Did any of you ever stop to think that we residents of the Village of Chelsea may be getting a little tired of your letters of accusations? All of you sound like children arguing.
 The elections are over. Those of you who lost should bow out gracefully. Those of you who won should stop blaming former council and village presidents.
 Why can't the present members be given a chance to do their job. The people of Chelsea can decide for themselves—in the next election. We are tired of these arguments.

Why don't you burn the buck you keep passing back and forth? The elections are over and we've had enough.

John Nelsons Celebrate Their 25th Anniversary

An open house was held Saturday, May 31, in honor of John and Shirley Nelson, 20071 Old US-12, who celebrated their 25th wedding anniversary.

The party was held in Grand Rapids and was hosted by their six children and spouses, Bob and Sue DeRuiter, Jerry and Cindy Bush, Craig and Cathy Sholly, Karen Nelson, John Nelson, II, and Leigh Ann Nelson.

On Sunday, June 1, the Nelsons renewed their marriage vows at Holy Name of Jesus Christ church in Wyoming, Mich. After the ceremony, a champagne breakfast was hosted by Chuck and Peg Heynen and Mrs. Arnold Nelson.

The average daily patient census in Veterans Administration medical centers in January 1980 was 71,392.

50th ANNIVERSARY: Mr. and Mrs. William Wetzel of 17 Sycamore, Chelsea, will be honored at a buffet dinner Saturday, June 14, at the home of Norman Wetzel on Half Moon Lake. The event, held in celebration of the couple's 50th wedding anniversary is being hosted by their children, Mr. and Mrs. William E. Wetzel, Dr. and Mrs. Robert Wetzel, Mr. and Mrs. Norman Wetzel and by their nine grandchildren. They were married March 15, 1930 at Whitmore Lake, and resided in Ann Arbor until 1970. Mr. Wetzel is a retired instrument maker from the University of Michigan and is still active in making small complex parts. He enjoys archery and fishing. Mrs. Wetzel enjoys sewing and crocheting and has been active in Bethlehem United church and St. Paul United Church of Chelsea, where they are current members.

Mr. and Mrs. Chris G. Theodoran

Anne McKernan, C. Theodoran Are Wed in Ann Arbor Church

Marriage vows were spoken by Anne Marie McKernan of Chelsea and Chris G. Theodoran of Chicago on Saturday, May 17, at St. Nicholas Greek Orthodox church in Ann Arbor with the Rev. Fr. John Paul, assisted by Fr. James of Detroit, officiating.

The bride is the daughter of Mr. and Mrs. Mark E. McKernan, 20179 McKernan Dr. The bridegroom's parents are Mr. and Mrs. Socrates Theodoran of Dearborn Heights.

Organist for the ceremony was Edmund Jennings.

For her wedding, the bride chose a white satin gown with sheer bishop sleeves, a fitted waist and scoop V-neckline. Alencon lace bordered the neckline and formed a pattern on the skirt and sleeves. Baby's breath and a three-quarter length veil were worn in her hair. She carried an arrangement of roses, lilies, orchids and floral branches bound with satin ribbon.

Maid of honor was Lesley Braun of Parchment. She was attired in an Albert Nipan dress of sheer beige voile with a tiny lilac flower pattern. Satin lilac ribbons were tied at the waist. She carried an arrangement of iris, baby's breath, statice and snap dragons tied with lilac ribbon.

Bridesmaids were Mary Ann Bukavinsky of East Lansing, Mary Ann Apostolos of Dearborn Heights and Mrs. Donald MacElreath of Sterling Heights. Their flowers and dresses matched those of the maid of honor.

The bride's mother was dressed in a pale green street-length dress with bone accessories and an orchid corsage. The bridegroom's mother was attired in a knit, mint-green street-length dress with matching accessories. She wore an orchid wrist corsage.

Best man was Jamie Coobatis. Groomsmen were the bride's brother, Tom McKernan of Dearborn, Dale Vanderbrook of Iowa, and Mark Sholund of Dearborn Heights. Ushers were Greg Theodoran, Bill Theodoran and Chris Coobatis, cousins of the bridegroom.

A reception was held at the Chelsea Rod and Gun Club. Angelina Skandalaris, aunt of the bridegroom, cut the cake. Margo Alexander and Angie Apostolos, cousins of the bridegroom, were in charge of the guest book.

Following a two-week trip to Florida and Georgia, the couple is at home in Chicago.

The bride is a graduate of Chelsea High school and received a degree in retail marketing from Michigan State University. Her husband presently attends the Chicago Osteopathic School of Medicine as a third-year student.

VFW Auxiliary Hears Reports on Recent Programs

Regular monthly session of the VFW Ladies Auxiliary was held Monday, June 9, with 12 members attending.

Two certificates of appreciation were recently received. Lucy Piatt received one for her volunteer work at the Ann Arbor VA Hospital, and Alexandra Ellenwood received one for 100 percent paid-up membership of the local auxiliary.

Reports were given on various recently-given programs: Buddy Poppy, the May 20 severe weather program, Memorial Day parade, available cassette tape of Voice of Democracy winner, and April bingo report.

Gary Erskine was presented with a Life Membership to the National Home at Eaton Rapids, in appreciation from the local auxiliary for his work as post commander for 1979-80.

Plans were formulated for the auxiliary's 35th anniversary picnic, to be held July 12. Members should watch the newsletter for more details.

The local auxiliary plans to attend and participate in the Grass Lake and Whitmore Lake Fourth of July parades with colors and banner.

Election of delegates to the National Convention, to be held in Chicago in August, resulted in the following delegates:

Fran Zatorski and Mary Erskine, with Eulahlee Packard and Alexandra Ellenwood as alternates.

Next regular meeting will be held July 14, 7:30 p.m. at the VFW Hall.

Mr. and Mrs. Dennis Schairer

Linda Boote, Dennis Schairer Speak Vows at Methodist Church

Linda Boote and Dennis Schairer were united in marriage at the Chelsea First United Methodist church Saturday, May 10, before 300 guests. The Rev. Marvin McCallum officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. John Boote, 17800 Sylvan Lane. Mr. and Mrs. George Schairer of Ann Arbor are the bridegroom's parents.

Vocalist at the nuptials was Karey Johnson, who sang "We've Only Just Begun" and "The Lord's Prayer."

The bride was attired in a white floor-length gown with a round neckline and long sleeves, and pleated down the middle with a train. Her veil was floor-length with lace trim and lace appliques in the back with a blusher. She carried a long flowing bouquet of

white and peach carnations with yellow roses and hanging ivy. Maid of honor was Marie Courtney of Detroit. She wore a gown of baby yellow nylon lace with underlining, a rounded neck and cap sleeves. Her bouquet was of white daisies with yellow and peach carnations and peach and yellow ribbon.

Bridesmaids were Linda Cushman of Portland, Ore., the bridegroom's cousin; Karen Emde of Oscoda; Karen Schairer of Gaylord, the bridegroom's sister; and Gail Boote of Chelsea, the bride's sister.

They were attired in dresses identical to that of the maid of honor and carried white daisies and yellow carnations with white and yellow ribbon.

The mother of the bride wore an off-white floor-length gown with spaghetti straps and a cape. She carried a single long-stemmed yellow rose and a peach carnation tied with a ribbon. Mother of the bridegroom chose a pastel green gown with a v-neck, low back and a cape. Her corsage was of yellow tea roses.

Best man was Paul Wisniewski of Romulus, who wore a pale yellow tuxedo. Ushers were Donny Schairer of Gaylord and Rick Schairer of Ann Arbor, brothers of the bridegroom; Marc Boote of Chelsea, the bride's brother; and John Kelly of Shelby County, Ia.

Some 300 guests attended a reception held at the Knights of Columbus Hall on Dexter-Chelsea Rd.

The couple is now residing in Ann Arbor, following a two-week wedding trip to Portland, Ore.

Cassidy Lake-Community Relations Council Meets

April 30 marked the second meeting of the Cassidy Lake/Community Relations Council. The meeting was held at 7 p.m. at the Cassidy Lake Administration Building.

Present were: Mary Beth Dettling (Chelsea Village); David Longworth (Lyndon township); and Joseph Weinberg, Deputy Cummings, Thomas Mann and Barbara Clark (Department of Corrections). Absent were: John Popovich (Chelsea); Donald Schoenberg and Tom Hodgson (Sylvan township); Linda Wade (Lyndon township); and Wilbur Beeman and Dwayne Walz (Waterloo township).

Prior to the meeting, newly-appointed Chelsea Representative Mary Beth Dettling was escorted on a tour of the facility by school Treatment Director Tom Mann.

Cassidy Lake Superintendent Joseph Weinberg opened the meeting by officially welcoming new member, Mary Beth Dettling. Weinberg explained the purpose and intent behind the formation of the council. Weinberg indicated they need to enhance communications with surrounding townships, and to have a council of appointed citizens to act as a link between the school and citizens in the community. Weinberg stated that one of the primary roles of council members was to take information back from such meetings to citizens in the respective townships. Weinberg felt that residents in the area might be more willing to discuss concerns and problems with fellow citizens, who could then, in turn, pass them along to school administration.

The minutes of the March 26 meeting were accepted as read and printed in The Chelsea Standard April 24.

Superintendent Weinberg proposed that the council begin establishing a state of officers and rules of order for such meetings. Weinberg felt that a chairman for this council should be elected by the majority of members represented on the council. Further, he stated that rules of order, such as terms of office served, election of new members, etc., should be defined. Since a majority of members were not present at the meeting the proposal was tabled for further discussion at the next meeting.

Mary Beth Dettling (Chelsea) stated she felt her main purpose as a member of the council was to enhance public relations between the school and residents in the community. Mrs. Dettling said the council should work as a unit to promote better relations.

Council member Linda Wade (Lyndon) submitted several agenda items from citizens to be discussed at the meeting. The council was very glad to receive such items, since this shows that citizens are becoming aware of the existence of this council and are interested in working through the council. These agenda items and discussion of these items are as follows:

Community warning system for walkaways — Some residents asked that there be a specific warning system to let them know about walkaways. Cassidy Lake operates an emergency siren. This siren is used for many purposes. Fifteen to 20 times per month, the facility runs emergency walkaway drills. The siren is sounded, which means that inmates must report to the nearest count station to be accounted for. These drills are important in order to keep close contact of our inmate whereabouts, and to train staff in responding to potential emergency situations. Also, when a walkaway has been reported, we sound this siren so that an immediate count could be taken to verify walkaways. In addition, we use this siren for other emergency conditions, such as tornadoes. Cassidy Lake administrators stated that their procedure for notifying local, county, and State Police agencies when a walkaway has been verified, handles most problems for citizen protection.

Prisoner Uniforms — The question of prisoner uniforms centered around requiring prisoners to wear standard, state-issue clothing, so walkaways could be more easily identified. Corrections policy and legislative administrative rules permit prisoners to have certain types of personal clothing. Such clothing is intended to minimize dehumanizing conditions in prison, and to encourage prisoners to keep up their appearances. Most prisoners at Cassidy Lake wear standard, state-issue blue denim clothing. Prisoners are allowed a certain number of personal items. It is felt that even if it were possible to remove all personal clothing from prisoners, this would not help in identification of prisoners who walk away. Most walkaways are young, non-violent prisoners. Most walkaways leave the area immediately after escape. By taking away prisoner's personal clothing, Cassidy Lake would be encouraging prisoners who escape to steal personal clothing from area residents.

Security and Control Signs for Cassidy Lake — Residents wanted to know if security signs which have been ordered for the school had been installed. 97 security signs had been received. These signs fall into three categories. First, OFF LIMITS signs were ordered for prisoners, so that they know the exact boundaries of Cassidy Lake. All prisoners are notified that trespassing beyond these boundaries will result in their prosecution for escape. OFF LIMITS signs are now being installed in strategic areas around Cassidy Lake. Second, NO TRESPASSING-PRISON ZONE signs have been received. These signs will be placed on our north perimeter, so that citizens using DNR trails north of Cassidy Lake will not wander into the facility. Third, 2 signs have already been installed on M-52. These signs tell passing motorists that this is a prison zone, and they should not pick up hitchhikers. Our contacts with the Washtenaw County Road Commission (to have two prison zone signs installed on Waterloo Rd., east and west of the facility) did not produce results. The Road Commission stated they could not order and install signs which were not directly related to traffic movement. Therefore, we have ordered 2 additional security signs and will request permission from Washtenaw County to install them on Waterloo Rd.

Have all 7 custody positions added at the school been filled? — Six of the seven additional custody positions have been filled. The remaining position should be filled by the end of May. We are attempting to recruit a qualified, female corrections officer to assist us on visits, etc.

Residents wanted to know the status of five walkaways which occurred on April 26 — All five walkaways were young offenders, serving for mostly property offenses such as breaking and entering, and receiving stolen property. All five walkaways left the afternoon of April 26. All five left this area immediately after escape and went to Kalamazoo. Four of these walkaways were apprehended the next day by Kalamazoo Police. One walkaway is still at large, and believed to be in the Kalamazoo area. In fact, this walkaway has called the institution on two occasions to request assistance in turning himself in to police. All four walkaways who were apprehended were transferred to Jackson Prison and are now awaiting prosecution on escape.

Representative Mary Keith Ballantine's visit to the Chelsea area — Council Member Linda Wade notified the council that Representative Ballantine will hold a meeting at the Chelsea Hospital on May 16. All Council members were invited to attend this meeting.

Council Member David Longworth (Lyndon) inquired about whether radio communication equipment received is now being used. Superintendent Weinberg informed Council members that most radio communication equipment has been received. However, Weinberg said that installation and operation of this equipment cannot proceed without receiving special, temporary authorization to use this equipment, pending FCC approval. The superintendent has requested temporary authorization to use this equipment. As soon as FCC has given temporary approval, this equipment will be installed and operational.

Council Member Mary Beth Dettling (Chelsea) inquired about the education program at the school. Superintendent Weinberg indicated that the school runs a comprehensive, academic and vocational program. He said academic courses, leading to testing and certification on the GED level, are provided. Further, vocational courses include auto servicing, welding, office skills, and building maintenance technology. Weinberg said the auto servicing program leads to state licensing as a certified auto mechanic. Weinberg went on to explain the Title I Program. This program is designed for offenders under the age of 21, who are tested at below the sixth grade level. This program is federally funded. Approximately 75 students are enrolled in the Title I Program.

Superintendent Weinberg discussed a problem at the school that had been experienced with neighbors and some residents. Weinberg told the council that two black custody officers were having some difficulties when performing their duties on Waterloo Rd. Weinberg cited an example in April, where two black officers were on foot patrol near Waterloo Rd., in an effort to prevent escapes and contraband from coming into the institution. These officers reported that cars passing by, slowed to look at them, and the occupants yelled derogatory remarks to them. In another incident, two black officers were patrolling Cassidy Rd., when a neighbor approached them in a vehicle. Both officers stated they were required to jump off the road in order to avoid being struck by this car. Council members were asked to relate these incidents to their respective townships. Weinberg

stated that such actions could not and would not be tolerated. Weinberg went on to say that one problem may be that staff do not wear uniforms to clearly identify them from residents. Weinberg indicated that due to over-all state cutbacks, money was not available to purchase uniforms for custody staff. Weinberg informed council members that 78 staff members were employed at the school. Many of these staff members are females and blacks. Weinberg concluded discussion on this topic by indicating that he would continue to seek funds to provide blazer uniforms to custody staff, so that they could be clearly identified.

School Deputy Superintendent Bruce Cummings informed council members that the school was screening approximately 12 trusted residents to work at the Special Olympics Day for gifted children in Chelsea on Friday, May 16. Cummings stated that in the past, inmates had donated much time and money to the St. Louis Boys Home. Cummings went on to say that these prisoners would be supervised by school staff while performing their activities in Chelsea. General supervision of these activities will be provided by the Special Education teacher at Chelsea schools.

Superintendent Weinberg informed council members he still had not received information regarding legislative action for the construction of the new, 80-man housing unit. Weinberg said this housing unit is important to the school, since it will replace approximately one-third of the outdated cabins located in a remote location across Cassidy Lake. Further, Weinberg said that the plans for this housing unit included several detention rooms (for better control of disciplinary problems and potential escapees). Weinberg said the biggest advantage of such a housing unit would be that staff could be located in this unit around-the-clock. This would help reduce security and control problems for much of the prisoner population. Weinberg again asked for support from the community in efforts to seek legislative approval for funding for this housing unit.

Meeting adjourned.

David Boyer Appearing on TV 'Pin Busters'

David Boyer, well-known local bowler, will be appearing through the month of June on the television program, "Pin Busters," a junior version of "Bowling for Dollars."

Boyer, who was picked for the show through an application sent in by Chelsea Lanes, won return trips four times before being defeated in his fifth outing.

The first two shows were seen on May 31 and June 7. In the second series, Boyer picked up the difficult five-ten split on his way to victory.

The programs will be televised on Channel 4 at 11 a.m. each Saturday through June 28.

Boyer is the son of Judy Granger of Summit St.

Bowlers on "Pin Busters" do not receive cash prizes and thus retain their amateur standing.

Prevented Planting Credit May Be Available to Farmers

Prevented planting credit due to disaster conditions may be available for some Washtenaw county farmers, Earl Doletzky, chairman of the Washtenaw County ASCS Committee reported today.

If intended corn acreage cannot be planted by June 10 then producers should contact the ASCS office before June 15 to obtain details of the program, Doletzky said.

Summer Reading Program Slated at McKune Library

This summer will be children's time for reading at McKune Library.

"Book-a-Thon Bingo" is the name of the game for the children's reading program at the library this summer. Children in grades one through six who register for the program will be asked to read 10 books to complete the bingo game.

The program will run through Aug. 23 and certificates will be presented to those finishing.

School Board Briefs

At the June 9 meeting of the Chelsea School Board, present were the following:

Stirling, Schafer, Schumann, Feeney, Snyder, Dils, Heller, Superintendent Van Meer, Assistant Superintendent Mills, Principals Williams, Conklin, Benedict, Wojcicki, Assistant Principal Vogel, Athletic Director Bareis and guests.

Meeting was called to order at 8:05 p.m. by President James W. Stirling. Board approved the minutes of the May 19 meeting.

The Board heard committee reports of this year's study in language arts, social studies, health and physical education. It was presented as an information item. The committee will come to the board with specific textual material recommendations at the next meeting.

The Board heard a Level 3 teacher grievance. Presentation was conducted by the Chelsea Education Association.

The Board approved continuing membership in the Michigan Association of School Boards for the 1980-81 school year.

The Board directed the administration to continue using the 1979-80 budget levels as a spendo document until the 1980-81 budget is finalized.

The Board approved a \$500 expenditure to the Chelsea Auxiliary Police for partial cost of uniform replacements. The auxiliary police perform an important service to the schools in supplying manpower for athletic contests, graduation ceremonies and parades.

Board certified the June 9 annual election results as follows:

Robert F. Bort, 49; Anne M. Comeau, 188; Ann E. Feeney, 344; Lloyd Grau, 342; Ronald J. Montange, 64.

The terms of Feeney and Grau are four years, commencing with the July 7 school board meeting.

Board approved Marge Miller as representative to the Parents' Advisory Committee for Special Education.

Board approved the creation of a second choir class at the high school. The choir classes will be divided according to the type of voice and different levels of music will be presented.

Trustee Earl Heller informed the board that lighting experts are looking into the possibility of re-lighting the gymnasium and a couple of classrooms that now have regular incandescent light fixtures.

Next regular board meeting will be Monday, June 23, at 8 p.m. The board adjourned at 10:40 p.m.

CO-CAPTAINS of next year's Chelsea High school girls swimming team will be seniors Sara Borders, left, and Teresa Degener. Sara is a three-time state meet qualifier who became Chelsea's first scorer in state meet history. Sara specializes in butterfly and spring freestyle, although she has competed in all events except breaststroke. Teresa is a two-time state meet participant. Her specialty is breaststroke, but she also competes in the butterfly and individual medley. Both have competed in swimming since eighth grade and have set high goals for the team and themselves.

Tennis Classes Offered All Ages

Chelsea Recreation Department still has openings in the adult, junior and youth tennis classes being offered this summer.

Adult classes will meet Thursday nights, June 16-July 21, for six sessions. Beginners will meet from 6 to 7 p.m., intermediates from 7 to 8 p.m. and advanced intermediates from 8 to 9 p.m. Fee is \$12 for the six sessions.

Junior lessons are being offered for players aged 14 through 17. Two sessions will be offered at

a cost of \$10 per session. Session one meets June 16-June 30, and session two, July 7-July 25.

Classes are offered on Tuesdays from 2:30 to 3:30 p.m. for beginners, from 3:30 to 4:30 for intermediates and from 4:30 to 5:30 for advanced.

For youth aged 5 through 13, classes will be offered during two sessions, one from June 16-30 and the other July 7-25. Cost is \$8 per session.

Classes are taught Monday, Wednesday and Friday from 2:30 to 3:30 p.m. for ages 5-7, from 3:30 to 4:30 p.m. for ages 8-10, and from 4:30 to 5:30 p.m. for ages 11-13.

All classes are taught at the high school tennis courts.

For further information, call the Recreation Department Office at 474-9131, ext. 64.

Police Nab 2 Escapees Last Week

Chelsea police apprehended two escapees from Cassidy Lake Technical school last week as the pair was hitchhiking on the west-bound entrance ramp to I-94 near M-52.

Police reports indicate that the pair was sighted by Chelsea officers about 6:45 a.m. last Tuesday, about eight hours after police were notified of their disappearance from Cassidy Lake.

Officers say the pair, Archie Wilson of Coldwater and Chester Richardson of St. Clair county, confessed that they were runaways when police asked them to wait while photographs of the reported walkaways could be produced.

They were searched and placed under arrest, reports said, and detained at Chelsea police department until they were picked up by Cassidy Lake representatives.

Reading, Math Classes May Help

Chelsea Community Education is offering summer developmental reading and math classes for students entering grades 2 through 9 next fall.

Purpose of the classes is to provide aid for elementary and middle school students in the development of reading and math skills. The department asks that only children in need of additional help register for the classes.

No registrations will be taken after June 15. Classes begin June 23.

Math will be offered on Monday and Wednesday from 9 to 10:30 for students entering grades 2-6 and from 10:30 to 12 noon for those entering grades 7-9. Math will also be offered on Tuesday and Thursday from 9 to 10:30 for

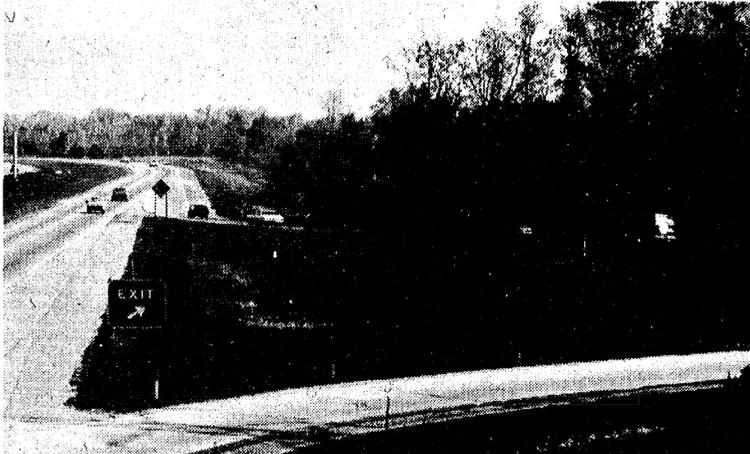

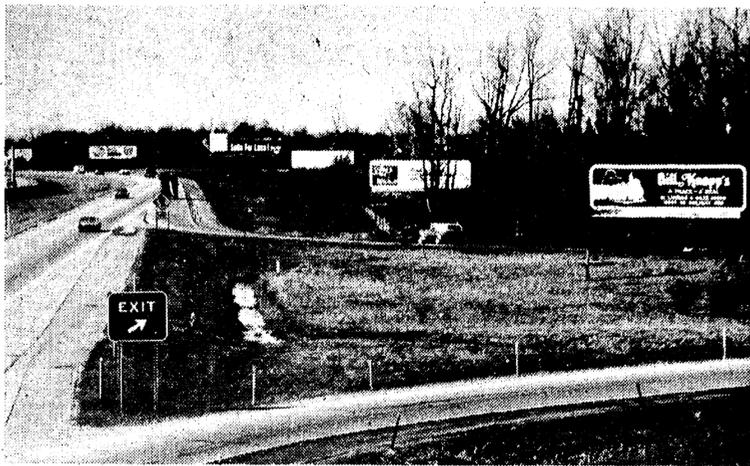

grades 7-9 and from 10:30 to noon for grades 2-6.

Reading will be taught Monday and Wednesday from 9 to 10:30 for those in grades 7-9 and from 10:30 to noon for those in grades 2-6. Another session meets on Tuesday and Thursday, from 9 to 10:30 for grades 2-6 and from 10:30 to 12 noon for grades 7-9.

Classes will meet for 12 sessions each over six weeks at Beach Middle school. Fee is \$35 per class.

For additional information, call the Community Education Office at 475-9830.

BILLBOARDS STILL FALLING—More than 30,300 signs and billboards have been removed from the state highway system since Michigan's billboard control law was enacted in 1972. These photos taken on US-127 freeway south of

Lansing last fall and this spring show improvement in roadside scenery when billboards are removed. The program has slowed considerably since federal funding for the program ended last September. It paid 75 percent of removal costs.

Illegal Billboards Removed

More than 30,300 signs and billboards have been removed from along state highways since enactment of Michigan's billboard control law in 1972, the Michigan Department of Transportation (MDOT) reports.

However, the removal has slowed considerably since federal funding for billboard removal ended last Oct. 1, the department said.

Since last September, 225 signs have been purchased and cleared, bringing to 5,923 the number removed in a federal and state-financed program to buy formerly legal signs made non-conforming by Michigan's control law.

In the same period, the depart-

ment has issued permits for some 500 signs to go up in legal locations, mainly in areas zoned for commercial or industrial use. More than 4,700 new signs have been authorized for legal locations since 1972 along the 9,450-mile state highway system.

Nearly \$18.2 million in federal funds and \$4.5 million in state funds have been spent to remove non-conforming signs. Some 3,700 are still in place.

Sheriff's Dept. Hosting National Safety Study

Sheriff Thomas R. Minick announced that the Washtenaw County Sheriff's Department will host a June 13 meeting of the U. S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA) for the purpose of acquainting Michigan Law Enforcement officers with the National Accident Sampling System (NASS).

Washtenaw county has been selected as one of 20 national sites to participate in the study which includes an investigation and analysis of all types of motor vehicle accidents. This informa-

tion helps NHTSA officials to evaluate the major causes of death and injury and to develop effective auto safety standards and other counter measures.

Sheriff Minick noted that the National Accident Sampling System is the first major nationwide effort to comprehensively analyze crash data and most specifically, driver characteristics, roadside hazards and injury severity. Sheriff Minick stated that "... each year motor vehicle accident losses total approximately 50,000 lives and billions of dollars in property damage. The data will provide a more precise measure of society's loss due to injuries and death and assess the need for various changes in the motor vehicle environment such as new vehicle safety standards."

The Sheriff reiterates his contention that thousands of motorist lives are lost each year because the crash vehicle's occupants simply were not wearing seat belts.

Washtenaw county is one of five Michigan counties participating in the national study.

Seminar Set To Help Persons Adjust to Divorce

"Beginnings," a week-end seminar to help persons adjust to separation or divorce, will be held June 27-29 at Concordia College, in Ann Arbor. The program was developed and will be conducted by Claudia Sandonato, a clinical social worker, and a team of divorced women.

During the week-end, information and experiential material is presented on many relevant areas. Smaller group discussions and activities are designed to promote self-acceptance, sharing, and group cohesion, while providing an opportunity for enjoyment and relaxation.

Any woman may apply who has made a definite decision to separate or divorce (or her spouse has made the decision) or who is divorced.

Applications and additional information may be obtained from Brooks & Todd Associates, Inc., Suites 1 & 2, Lower Level, 100 S. Fourth Ave., Ann Arbor 48104, or by calling 995-5423.

Teachers Push for Tax Reform Proposal

Friday, June 13, and Saturday, June 14, have been targeted by all Washtenaw county teachers for a petition drive blitz to seek signatures on petitions to place the Smith-Bullard Tax Reform Proposal on the November ballot.

In Chelsea, each teacher was given a petition before school ended and asked to make an effort to make the petitions visible tomorrow and Saturday.

According to Cheryl Pryor, political action co-ordinator in the Chelsea Education Association, each teacher has been requested to get at least three signatures. "If each teacher in the state can get three signatures besides his own," she said, "the proposal will be placed on the ballot."

Dexter teachers are also supporting the proposal, according to a Dexter Education Association member, and will also be circulating the petitions.

Proponents say that the Smith-Bullard Proposal, sponsored by state representatives Perry Bullard and Roy Smith of Washtenaw county, would eliminate all school operating millage from the property tax, provide equal opportunity and funding for education, and provide a full property tax exemption for senior/retired citizens on homes up to \$50,000.

According to Larry Steeb, chairperson of the Washtenaw County Education Association Political Action Committee, "The Smith-Bullard proposal offers the best tax reform and school funding reform proposal that has been developed, and Michigan taxpayers and students deserve the kind of reform it provides."

If placed on the ballot, of course, the Bullard-Smith proposal would join the Tisch tax limitation proposal, which has received wide support state-wide.

"It is most important that the people of Michigan be provided with an alternative to the Tisch proposal in November," Steeb continued. "The possibility of the Tisch proposal is disastrous to consider in terms of what it would do to destroy much-needed state programs and educational institutions."

Circulators of the Smith-Bullard petitions need nearly 300,000 signatures by early in July to qualify the proposal for the November ballot.

Organizations which are currently endorsing the proposal are the Michigan League of Women Voters, the Michigan Education Association, IMPACT (an interfaith group), and the Michigan State Police Troopers Association.

Interested citizens may either sign a petition circulated by a Chelsea teacher or may receive blank petitions by contacting the offices of any of the above-named organizations.

Vic Verchereau Named to Youth Employment Body

Michigan Governor William G. Milliken announced Friday the appointment of Gregory resident Vic Verchereau to the Michigan Youth Employment Council.

Verchereau, 10397 Hadley Rd., was appointed to succeed Ruth S. DePlonty, who resigned, for the remainder of a term expiring Oct. 10, 1981. Senate confirmation of the appointment is not required.

A 1978 graduate of Chelsea High school, Verchereau is president of the Michigan Association of Future Farmers of America and will serve as a youth representative on the council.

New Travel Guidebook Features Vacation Tips

Everything you always wanted to know about Southeast Michigan—and probably were never able to find in one book—is available free from the Southeast Michigan Travel and Tourist Association.

The book highlights the spring-summer things to see and do in the 11-county region the Association serves. It covers the gamut of indoor and outdoor events, festivals, fairs, cultural attractions and museums, accommodations, shopping, fine dining and the like.

Designed especially for the general traveler—but also of great value to the convention delegate—the guidebook presents in four-color a complete description of the better known attractions, but also some of the lesser known.

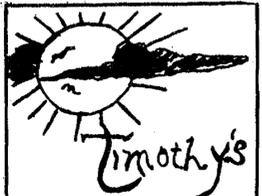

"We have put together in one package one of the best information items our office has ever compiled," said Sid Baker, association president. "The guidebook is a testimonial to the excellent co-operation we have received from many tourist and travel sources."

Baker said that he believes this is going to be an important year

for close-to-home travel. "Our advance information indicates that people will be planning vacation trips within a tankful of gas from their homes. Our new guidebook offers them many chances to have fun in our area, ranging from mini-trips and special week-end packages to a business trip combined with pleasure."

Write Southeast Michigan Travel and Tourist Association, Suite 350, American Center, 27777 Franklin Rd., Southfield 48034 for a copy.

At Ann Arbor Trust, our simple method for computing service charges on Commercial Checking Accounts makes it possible for you to completely avoid paying any service charge.

NO GUESSWORK. Most Banks use a complex mathematical formula to compute service charges on business checking accounts. So you never know what your service charge will be until you get your bank statement. At The Bank of Trust, you always know exactly where you stand.

WE KEEP IT SIMPLE. Our Commercial Checking Plans are designed for the business person who doesn't have time to think about complicated fee structures. All you have to do is maintain an average monthly balance of \$1000 or more, and you'll completely avoid paying service charges. Should your monthly average balance be less than \$1000, a flat charge of \$5 will be assigned.

THE BANK OF TRUST IS FIGHTING INFLATION. While other banks are raising their service charges, ours has remained the same for the past six years

NEW CITIZEN: Marjorie Beaumont of Chelsea, right, registers to vote in America for the very first time last week, as Washtenaw County Clerk Robert Harrison and Lima Township Clerk Arlene Bareis look on. Mrs. Beaumont, born a Canadian, was naturalized as

a U. S. citizen together with 81 other county residents on Wednesday, May 28. Senior Circuit Court Judge William F. Ager lauded the group, saying: "Unlike those of us who are born here and for which the country had no choice, in your case, the country has chosen you."

Marjorie Beaumont Becomes Naturalized U. S. Citizen

Marjorie Beaumont of Chelsea, together with 81 other county residents, obtained American citizenship in ceremonies held at the County Clerk's office Wednesday, May 28.

The location was fitting one for county clerk employee Beaumont, since one of the functions of that office is processing the naturalization papers of new citizens. Approximately 150 new citizens are naturalized in Washtenaw county courts each year.

Immediately after the ceremony, Mrs. Beaumont registered to vote for the first time, with County Clerk Robert Harrison and Lima Township Clerk Arlene Bareis on hand.

According to Mrs. Beaumont, having the right to vote was a great impetus for her in deciding to become a citizen. Born in Windsor, Ont., Canada, she has lived in the United States for 29 years. Her husband, the Very Rev. Jerrold Beaumont of St. Barnabas church, was born in the United States and their children are citizens.

"I feel as though I should have been voting all this time," she said. "I had thought of it for many years but hadn't gotten around to it."

She said also that the death of her son, Gordon Beaumont, in defense of one of his employees, inspired her to begin the naturalization process.

"If he could die for the things that we had taught him," she said quietly, "then I thought I should be able to vote on issues affecting this country and its laws."

The naturalization process was a little easier for Mrs. Beaumont than some others seeking citizenship, since she was a native speaker of English and had no trouble with requirement to write and speak some English.

Those interested in citizenship receive a packet containing a book with information on the constitution, amendments, and the composition of federal, state and local governments. Mrs. Beaumont described it as covering the same types of things as a high school government course.

No written exam is required, but prospective citizens sit down with a representative of the Immigration and Naturalization Service and are quizzed orally on the functions and purposes of American government.

"I was quite nervous about the idea of the oral test," Mrs. Beaumont admits. "But some of the

girls in the office told me that I was probably overqualified."

Two witnesses also must attest that the candidate will make a good American citizen. Witnessing for Mrs. Beaumont were her daughter, Susan Beaumont, and Ariel Shadoan.

Senior Circuit Court Judge William Ager, one of a number of judges present for the ceremony, lauded the 82 new citizens, saying: "Unlike those of us who are born here and for which the country has no choice, in your case, the country has chosen you. It really is a different situation."

Mrs. Beaumont acknowledged a feeling of excitement at becoming a citizen after so long in this country but stressed that responsibilities come with that territory.

"Our constitution was drafted very carefully and with great purpose," she stated. "In order to retain the rights of these freedoms, let us never forget to protect our rights today for generations of yet unborn Americans."

Following the ceremony, Mrs. Beaumont was welcomed by County Clerk Harrison to a special gathering attended by her co-workers.

NEW COURT: District Judge Kenneth Bronson, left, holds court in Chelsea but he needs two additional courtrooms to serve his widespread jurisdiction which also embraces Saline, Dexter, Manchester and 13 Washtenaw county townships. A second court is located in Saline and a third is situated in Northfield township. In

this picture Judge Bronson pauses before his new courtroom in Northfield township accompanied by township supervisor Lawrence H. Braun. Previously the 14th District courtroom for the Northfield township area was housed on the second floor of the old firehouse in Whitmore Lake.

New 14th District Courtroom Opened in Whitmore Lake

A new, modern courtroom was opened Friday, June 6, for Judge Kenneth Bronson in the Northfield township Fire Station 2. Previously, the 14th District Court judge had conducted proceedings on the second floor of the old firehouse in Whitmore Lake. The new quarters are lighter, brighter and provide ground-floor accessibility to the handicapped.

To fulfill the needs of his extensive jurisdiction, which consists of one city, three villages and 13 townships, the district judge requires three courtrooms. His Saline courtroom has good facilities for hearing jury trials, while the courthouse in Chelsea provides a hearing room and offices for headquarters staff.

At the opening of the new Northfield township court on 2727 E. Territorial Rd., Judge Bronson was welcomed by township officials and staff, including

Register of Deeds Hardy Will Seek Re-Election

County Register of Deeds Patricia Newkirk Hardy has announced that she is a candidate for re-election.

She will seek the nomination on the Republican ballot in the August primary election to the post in which she has served since 1955.

In announcing her candidacy, Mrs. Hardy said: "I have endeavored to conduct the business of this office as prescribed by Michigan law without special favor and with a policy of courteous, efficient service to everyone."

She stated: "To operate the office of Register of Deeds in a manner that insures accurate and complete records for use by persons doing business with this office, and accomplishing this within budget and space limitations takes dedication and hard work on the part of every person in the office."

"To be a part of county government is a serious responsibility. It is my sincere wish to continue to serve all the people of Washtenaw county as Register of Deeds."

Mrs. Hardy, who now lives in Ann Arbor, is a life-long resident of Washtenaw county. She is a member of the Veterans of Foreign Wars Auxiliary, the American Legion Auxiliary, the

REALTOR

PAYING OFF THE BALLOON

A second mortgage on a property is normally known as a balloon mortgage because only interest is paid during the term of the loan and the principal "balloons" and must be paid in full at the termination. If it's a six year loan you may start to worry about how to raise the money come year number five.

One of the painless ways is to consider the magic of refinancing. Here's an example of how it would work.

Say the purchase price was \$50,000 and you got a 25 year 8% loan with a first mortgage of \$35,000 and a second mortgage of \$5,000. If the property increased at only 6% per year, it would be worth about \$67,000 after 5

years. If you refinanced with a 70% first mortgage (\$47,000), this would give you enough cash to pay off your first mortgage balance of \$32,300 plus your \$5,000 second mortgage. Then you end up with almost \$10,000 put in your pocket — free from any current income tax. Always consider refinancing at a later date. It is one of the main financial tools of professional investors.

Kermit Sharp Busy With Many Volunteer Service Jobs

If the average American worker is on the job 40 hours a week, takes a two-week vacation and gets five sick days a year, then he or she has worked about 1,800 hours. But, if the worker is a "volunteer-extraordinaire" from Chelsea named Kermit Sharp, then he has given more than 2,500 hours of service in the past year alone, with no benefits to his wallet.

Kermit Sharp is a man who believes in helping others.

That desire to help has led him into volunteer work with many organizations. Sharp is a volunteer switchboard operator for Tel-Med, a Washtenaw-area health information library. He has given many hours of his time to the American Legion, the VFW and Disabled American Veterans as well.

"It all started with cherry pies," Sharp recalls, remembering a time almost 12 years ago when he and his wife were busy running their Chelsea restaurant, F&M Fine Foods, and raising their family of three daughters and a son.

"Because we were in the restaurant business, a friend asked my wife if she would bake 40 cherry pies for a George Washington birthday party to be given by the DAV for hospitalized veterans."

Mrs. Sharp agreed and Sharp was recruited to deliver the pies to the Ann Arbor Veterans Hospital. "I enjoyed that involvement and was soon busy with many DAV activities," he said.

Currently, Sharp is a Volunteer Service Representative through the Michigan department of the American Legion, Veterans' Administration. His duties involve co-ordinating evening programs and parties for disabled vets.

In 1979, Sharp received the National Veterans Administration Volunteer Service Award which is awarded annually by the American Legion.

If Sharp's activities with the VA or the Legion are hectic, his involvement with Tel-Med is calmer. "It's restful," he said, "and I use my hours at St. Joe's to get my brain back in order."

Tel-Med operates from St. Joseph Mercy Hospital, a unit of the Catherine McAuley Health Center, and provides taped health information for the public on more than 250 topics. Sharp plays the tapes, records the calls and takes down names and addresses of people requesting Tel-Med brochures. He also actively recruits volunteers.

"I wanted to be involved with the hospital," said Sharp, whose daughter is undergoing lengthy treatment there. "It was a way of helping out and since I was at the hospital anyhow visiting my daughter, well, I just got hooked on it."

In the past year, Sharp has put in more than 255 hours of volunteer service with Tel-Med. Whether with Tel-Med or the VA, he keeps his busy schedule under control by using several appointment books and planning his time carefully. "The only problem is, I need time to do things around my home too," Sharp said, speaking of the Chelsea home he and his wife are remodeling.

His wife understands his busy schedule because she is involved in volunteer service, too, as an American Legion Auxiliary VAVS representative. "Our schedules don't always coincide," Sharp admitted, "but we are able to help each other on a lot of our projects."

Because of health problems, in-

TEL-MED LIBRARY at St. Joseph Mercy Hospital is just one of the institutions benefitting from the volunteer vigor of Chelsea's Kermit Sharp. Retired from full-time work, Sharp puts in more than 2,500 hours annually at Tel-Med and at Ann Arbor Veterans Hospital. He currently co-ordinates evening programs and parties for disabled vets and answers phones at Tel-Med, as well as fixing up his Chelsea home together with his wife.

cluding a heart attack, diabetes and arthritis, Sharp had to retire in 1973. Yet even the extra free time he acquired was pumped back into volunteer projects.

At a time when many people are concerned with how much money they can make, why does Kermit Sharp work for free?

"Well, people volunteer because they need something to do, yet they may not have the strength to go out and take a job," he explained. "I'm not

Sen. Geake To Speak on Public Health

"Public Health and Public Dollars — A legislative overview" will be the topic addressed at a meeting of the Washtenaw County Volunteer Unit of the Arthritis Foundation, Michigan Chapter, on Tuesday, June 17 at 7 p.m.

The meeting, open to the public, will take place at the Education Center Auditorium of St. Joseph Mercy Hospital, E. Huron River Dr., Ann Arbor.

Principal speaker will be State Senator Robert Geake (R-Northville), a member of the Senate Appropriations Committee. He will discuss the implementation of the Revised Michigan Public Health Code in light of the state's current financial dilemma.

Sen. Geake is best known for his committee work on the Revised Mental Health Code, which has come to be regarded as model legislation nationwide. He also sponsored part of the legislative package which helped alleviate the medical malpractice insurance crisis.

He has sponsored legislation to modernize administration of the state's mental hospitals, to assure emergency medical treatment for children in foster homes and to increase the availability of public immunization programs.

Thomas Holleran Earns PhD Degree At Penn State

Thomas O. Holleran, 8345 Werkner Rd., was one of 4,768 students who received degrees from Pennsylvania State University at commencement exercises Saturday, May 31, at the University Park campus.

Holleran was awarded his Ph.D. degree in solid state science.

Legislative Update

A Weekly Report from
State Rep. Mary Keith Ballantine
State Capitol, Lansing 48909
Phone (517) 373-1775

Week of June 2-9

LIEUTENANT GOVERNOR — The House has approved HJR "M", which proposes a constitutional amendment allowing an appointment to fill a lieutenant-governor vacancy. The appointee could not vote on Senate ties or succeed to the governorship.

SUMMER JOBS — The Labor Department has announced that about 50,000 Michigan youths will be hired for CETA summer jobs this year. Jobs will pay minimum wage and are intended to improve job skills. Apply at your nearest CETA office.

POLITICAL ACTIVITY — The Michigan Supreme Court has upheld a 1976 law which allows off-duty political activity by government civil service employees. However, there are still several restrictions which apply to such political activity.

TAX PROPOSAL — The legislature is now reviewing SJR "X" and SB 1169-77, which together would give about \$800 million in property tax relief coupled with a 1.5 percent increase in the sales tax. Also included is a provision to index the exemptions on personal income tax and of a home's State Equalized Valuation, to rise with the cost of living.

WELFARE CUTOFF — Governor Milliken has signed into law HB 5199, which toughens residency requirements for welfare recipients. Until now, benefits could not be terminated until 60 days after recipients left the state or until they received benefits in another state; now, benefits end unless the absence is temporary or the intent to return has been established.

COURT AUTHORITY — The Governor also signed into law HB 5553-4 and SB 860, which permit the creation of several new circuit, district and probate court judgeships provided that the local governments involved approve and fund their creation; and also reorganizes municipal courts in some southeastern Michigan communities, again provided the local governments approve.

SUPREME AUDIT — The Supreme Court has essentially ordered an audit of the state teachers' retirement system to prove that it now contains enough money to offset underfunding that the Court had previously ruled unconstitutional. The legislature passed a 1977 law to remedy this.

GOOD PICKINGS — 'Tis the season for the beginning of a bountiful harvest from Michigan farms. You might want to write for a free copy of "Country Carousel" which lists over 1,000 pick-your-own farms and roadside markets: Agriculture Dept., P. O. Box 30017, Lansing 48909.

LOWER LITTER — The DNR reports that beverage container litter at Michigan's 82 state parks and recreation areas declined about 90 percent in 1979 following passage of our "bottle bill" which took effect in December, 1978. Total litter declined as well.

FIRST AID PROS: These Girls Scouts of Junior Girl Scout Troop 689 recently completed a basic first aid course, under the guidance of leaders Carol Hoffman, rear left, and Ruth Dils, rear right. Included in training were care and treatment of burns, broken bones, snake and insect bites, rescue techniques and mouth-to-mouth resuscitation using "Resuscitation Annie." Earning certificates were, front from left, Teresa Rudnicki, Debbie Urbanek, Mintia Van Reesema, Meredith Johnson, Cathy Hoffman, Anna Muncer; rear, Melanie Dils, Valerie Stoker, Lori Jedele, Michelle Easton, Trisha Mattoff, Kristen Muncer.

Homeowners insurance is homeowners insurance, right? Wrong.

Auto-Owners home-owners insurance is different. Not only in the way we handle claims (Auto-Owners built its reputation on fast, fair claims service). Not only in the personal attention we give (another Auto-Owners trademark). Or in the way we could save you money (our low rates are famous). But, in our whole outlook on home-owners insurance, with innovative, imaginative policies that make sure you get just what you need, for just what you want to pay. So, if you're thinking you'd be wrong if you didn't call Auto-Owners... you're right.

Card of Thanks 16

THANK YOU
Once again the Veterans of Foreign Wars Post 4076 and Auxiliary had a very successful year on our Buddy Poppy sales. This was due to the generous contributions from the people of the Chelsea area. Without you, we couldn't serve our veterans as we do. Thank you very much. Also thanks to the merchants who displayed our posters and also our workers. Thank you all.
Lucy Platt, President, VFW Auxiliary 4076.

CARD OF THANKS
I wish to thank my many friends and relatives for their calls, cards and gifts and flowers; also the doctors, nurses and all the staff at the Chelsea Community Hospital; also Pastor Morris for his many calls and prayers while I was in the hospital and since my return home.
Effie Barth.

CARD OF THANKS
My sincere thanks to our friends and relatives for the prayers, cards and food received for Bill while I was in the hospital and since my return home.
Cora Beach.

CARD OF THANKS
The family of Tony Push would like to thank everyone who remembered us during the loss of our loved one. To all who sent flowers and food; a special thanks to the three ladies who served us our food; to Pastor Thodeson for his kind words; to the Chelsea Baptist church, Dr. Krause and the Staffan Funeral Home. Our heartfelt thanks to each and everyone.

Hold the Presses

On May 11, 1854, Ottmar Mergenthaler was born in the tiny hamlet of Hachtel, Germany. Originally a watchmaker, Mergenthaler quickly developed an interest in machinery. In 1884 he revolutionized the printing industry with his typesetting machines, which allowed printers to set entire lines rather than a letter at a time.

Dexter Attorney Seeks State House Nomination

DAN MCCARTHY
A Dexter attorney, 31-year-old Democrat Dan McCarthy, has announced his candidacy for State Representative from the 23rd District.
McCarthy, who lives and works in Dexter but has spent more of

his life in Jackson than anywhere else, graduated from Notre Dame and from George Washington Law school in Washington, D. C. He is employed with the law offices of Gerald D. Grohner at 8063 Main St.
In making his announcement, McCarthy explained his decision to enter the race: "The Milliken administration's concern for cities is second only to its obsession with big government. But what about small towns, rural townships, and even suburban neighborhoods? The outlying areas suffer from overtaxation and receive very limited services in return. We need to reverse the one-way flow of money to Lansing. As a representative, I'd put forth strong and determined efforts to make government less unfair to less populated areas. That includes fighting for meaningful and effective property tax cuts."
Other stands taken by McCarthy include opposing abortion, advocating a limit on the number of terms legislators may serve, and supporting a non-partisan, evenly-balanced approach to reappportioning legislative districts.

OFFICIAL NOTICE
Regarding Participation in the 1980 Combined Federal Campaign in Washtenaw County
Local nonprofit tax exempt charitable organizations in Washtenaw County that are not affiliated with the Washtenaw United Way Campaign have the opportunity to apply for registration to participate in the 1980 Combined Federal Campaign as designated donor agencies. Applications must be submitted by June 30, 1980, to Al Zamberlan, Director, VA Medical Center, 2215 Fuller Road, Ann Arbor, Mich. 48105. Mr. Zamberlan serves as coordinator for the Combined Federal Campaign, which represents the government division of the Washtenaw County United Way.
Letters of application should indicate that the organization meets eligibility requirements outlined in the Federal Register of April 11, 1980, under Office of Personnel Management, Amendment of Manual on Fund-Raising Within the Federal Service for Voluntary Health and Welfare Agencies. Among the eligibility requirements are that the organizations be supported by direct contributions from the general public; that they provide a bona-fide program of health or welfare services in Washtenaw County on a nondiscriminatory, affirmative action basis; and that financial records are audited annually by an independent public accountant. Copies of the Federal Register notice may be obtained by calling 769-7100, Ext. 201.
Decisions as to eligibility will be made by the Federal coordinating group and will be final. Registration as a designated donor agency means that any contribution to that agency must be specifically designated and intended for that agency by the contributor.

Judge Bronson Seeks Re-Election to Court

Judge Kenneth Bronson, Judge of the 14th District Court, presently serving in District Court No. 3, which includes the area west of US-23 in Washtenaw county, including Milan, Saline, Whitmore Lake, Chelsea, Dexter, and Manchester, has announced that he is again a candidate for re-election to the 14th District Court Bench.

Judge Bronson who previously served from 1975 through 1978 in the suburban Ann Arbor-Ypsilanti area, is noted for reducing the trial backlog in Court No. 3 from a minimum of six months to an average of one when he took over that position in January, 1979, and also for reducing the jury trial backlog from over 100 to an average of under 10. Judge Bronson is known for efficiency in the utilization of juries in instituting a policy in the 14th District Court of attempting to have the entire jury panel present no more than twice a month, when juries for later dates will be picked.

Judge Bronson has been noted for creating the deferred sentencing program which allows first offenders, after suitable labor and other forms of community service and rehabilitative acts, to have charges against them expunged from their records. This action has saved the careers of

many people who would otherwise not be employable in their chosen career or field. It is noted for achieving results bringing almost no repeat offenders. Judge Bronson has also created a work program through the Court, used as an alternative to jail sentences where the Court feels the individuals deserve a reminder, in addition to a financial one, that their activities should not be condoned, as well as for those who cannot pay fines and costs because of economic hardship.

Judge Bronson lives in Ann Arbor township with his wife, Andrea, and their six children, who range in age from 21 to 15. He has been a District Judge since elected to that position in 1974.

Judge Bronson has been recognized for his legal abilities by members of the Washtenaw County Bar Association in an Ann Arbor News poll conducted in 1979, which rated him highest in legal ability of all judges reviewed, as well as by Who's Who in American Law.

Prior to becoming District Judge, Judge Bronson served in the City of Saline from 1965 through 1968 as a Justice of the Peace and also served as acting Justice of the Peace in Manchester during the entire time from 1965 through 1968.

Judge Bronson, from the year 1959 through the year 1974, served as City Attorney for the City of Ypsilanti and for the years 1969 through 1974 as federal litigation counsel for Eastern Michigan University.

He founded the law firm which became Bronson & Egnor in Ypsilanti. Judge Bronson is a graduate of both Wayne State University Law School and the University of Michigan. During the time Judge Bronson was a student at the University of Michigan, he was an instructor in the history department in English Constitutional History.

From 1970 through 1977 he served as a member of the Bar Advisory Committee governing the operations of the Michigan State Bar Journal and for the years 1974 through 1977 as the Chairman of that committee, as well as serving as a trustee of the Public Corporation Law Committee and as a member of the State Bar Association Representative Assembly.

Do you know someone who has heart disease and needs answers to some questions about it? The Waterloo Nature Center may be just what you are looking for. This summer the Waterloo Nature Center offers the following programs to any group of ten to thirty people.

LIFE IN A BOG — Explore an exotic landscape that is a souvenir of the ice age. Discover the insect-eating plants and insect-eating orchids. Recommended for 9-years-old to adults.

NATURE'S TANK, THE TURTLE — Your group will be able to see and touch several kinds of common Michigan turtles. You will learn how a turtle's shell is constructed, and find out how turtles eat, reproduce, and defend themselves. Recommended for all ages.

SNAKES ALIVE! — Your group will be able to see and touch (if they desire) several of the harmless snakes common to southern Michigan. Common myths and superstitions about snakes will be explored. Recommended for all ages.

REPTILE REVUE — The turtle program and the snake program are combined for an overview of common Michigan reptiles. Recommended for all ages.

MICHIGAN GEOLOGY — Come and see some of the rocks and minerals found in Michigan, and find out how they are used in everyday life. Walking the geology trail, you will learn about the formation of rocks commonly found in the glacial debris of southern Michigan. Recommended for 9- to 12-year-olds.

WHAT'S BUGGING YOU? — Searching the fields and woods for insects, you will learn the life histories of some of the common insects found along the way. Hints on collecting and mounting insects will be demonstrated. Recommended for 9- to 12-year-olds.

TREE TATTLINGS — Investigate the common trees of

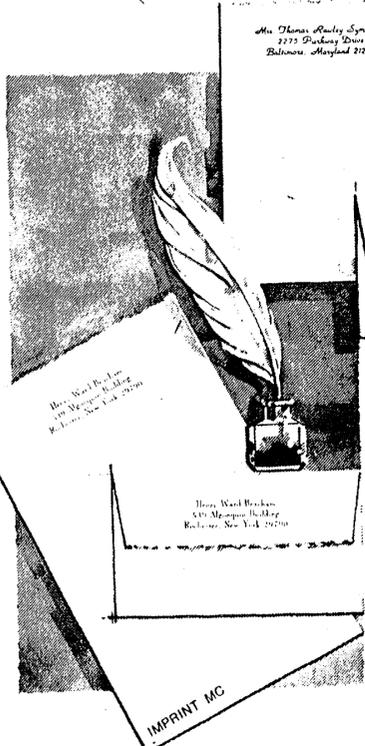

southern Michigan. Examine the life processes within a tree. Learn how a tree reveals its identity, and the importance of trees to man and wildlife. Recommended for 9-year-olds to adults. Insect repellent recommended.

WATERLOO: A STATE RECREATION AREA — On your bus tour of the Waterloo Recreation Area you will learn: What makes good recreation land, how and why we must control visitor activities, and what is being done to protect park wildlife, and improve wildlife habitat. Can accommodate a full bus load. Group must provide their own bus. Reservations should be made well in advance. Recommended for those 14 years (7th grade) and older.

These programs are designed to last up to 90 minutes. Actual length will depend upon the age and attention span of the group. There is no charge for the programs. However, each vehicle entering the park should have a state park motor vehicle permit. These are available at the nature center and cost \$7 for an annual permit or \$2 for the daily.

If you are interested in scheduling a program for your group contact the Waterloo Nature Center Wednesday through Sunday between 1 p.m. and 5 p.m. at 1 (313) 475-8069. To reach the Nature Center, take I-94 to exit 156 (Kalmbach Rd.), and follow the park signs to the Nature Center.
