### Kiwanis Club Seeks Men 80 or Over

Once again the Chelsea Kiwanis Club is sponsoring its annual meeting honoring the men of this area who have attained 80 years of age.

This year's event is set for Monday, June 23, at 6:30 p.m. in the dining room of Chelsea Community Hospital, 775 S. Main St. Kiwanians look forward each year to this opportunity to recognize and honor octogenarians for the contributions they have made to this area.

In the event that anyone wishing to attend does not have available transportation or could use any assistance in getting to or from the meeting, he should call 475-9242, Monday through Friday, between 1 and 4 p.m.

Any men of the area aged 80 and over who may have been overlooked in the mailing are urged to call 475-9242. The club hopes to hear from all eligible men.

### Bus Drivers Not Eligible For Benefits

Rumors currently making the Little League circuit concerning the purported firing of a number of Chelsea School District bus drivers have little basis in fact, according to Superintendent Ray Van Meer.

Rumor currently has it that almost half of the bus drivers were fired for applying for unemployment compensation for the summer months when they are not working.

According to Van Meer, the actual story is that two drivers applied for the unemployment benefits. When the application was received, Assistant Superintendent Fred Mills instructed Transportation Supervisor Ralph Brier to inform the drivers that they are not eligible for the benefits.

The pair does not qualify for unemployment, Van Meer explained, because they have a reasonable anticipation of returning to work for the school district in the fall.

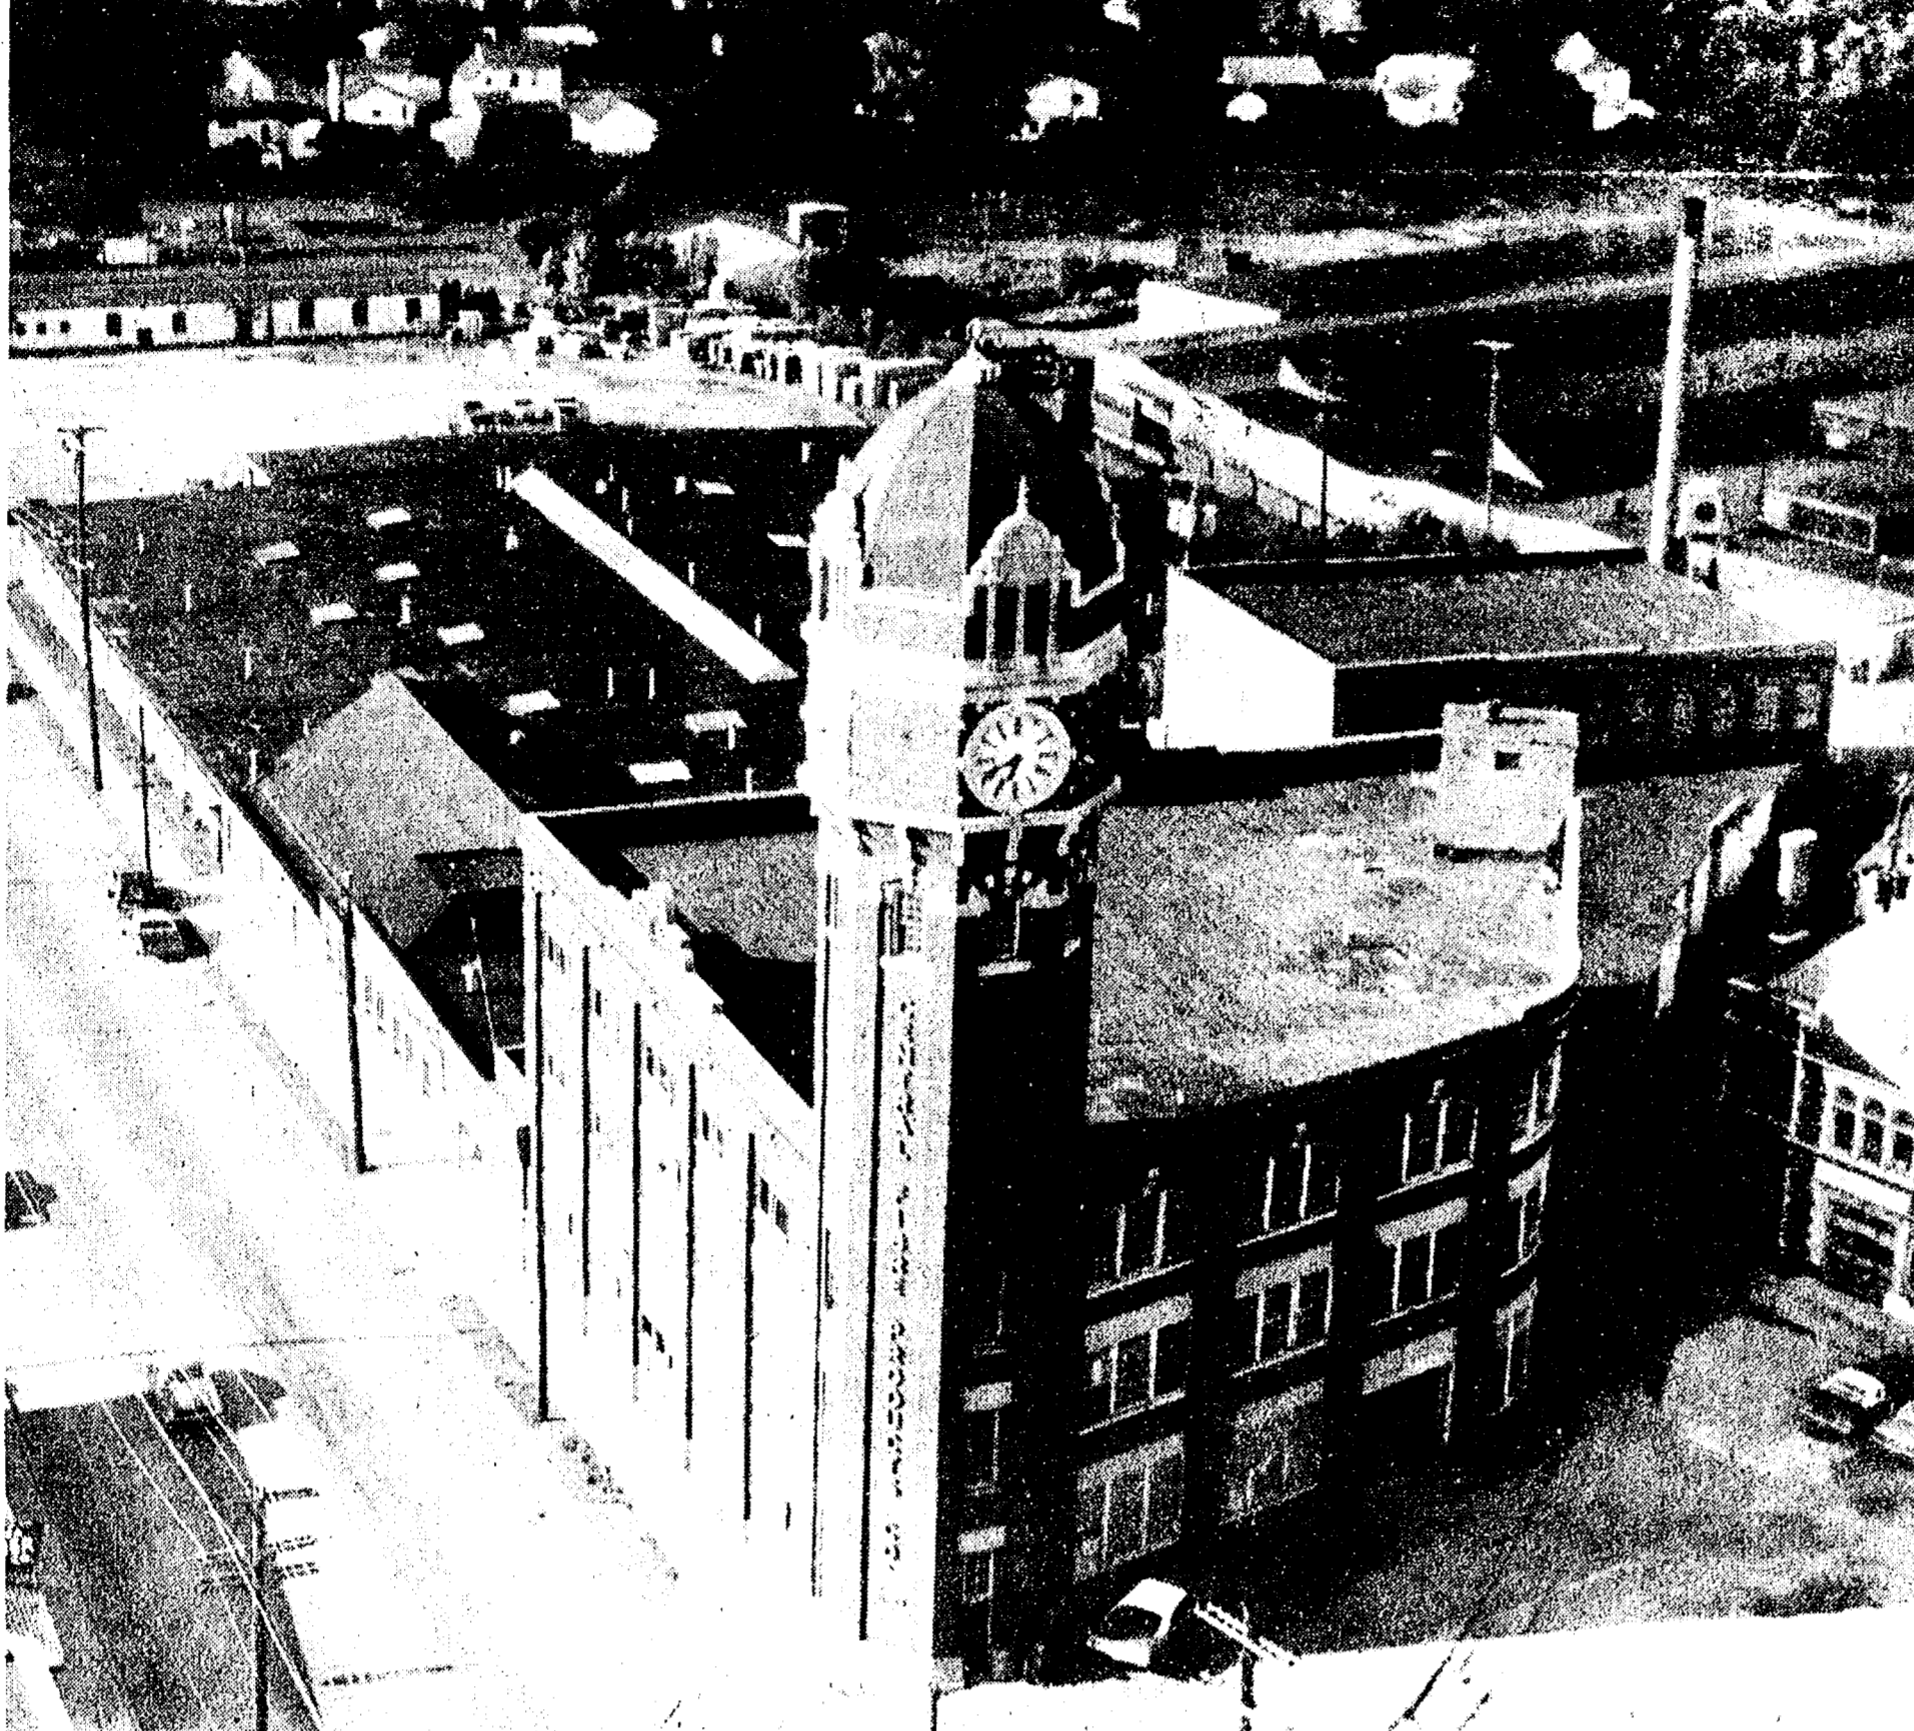

Both drivers were informed that they could collect unemployment only if they quit their jobs. To date, neither has done so.

### Trinkle Barn Dance Set for Saturday Night

This Saturday, June 21, is the date set for old-fashioned fun, as the annual "Old Fashioned Barn Dance" benefit is held at the Charles Trinkle farm, 9631 Trinkle Rd., Dexter.

Music, as in the past, will be provided by the Luke Schaible Band for square and round dancing from 9 p.m. to 2 a.m.

Refreshments and set-ups will be available for purchase

### Softball Teams Defeat Ann Arbor

Action opened on a bright note Monday for both of Chelsea's ASA 16- to 18-year-old softball teams in the Ann Arbor league.

Chelsea No. 2, comprised mainly of junior varsity Bulldogs, got the season off to a good start by defeating Gabriel Richard, 4-3, on the no-hit pitching of Amy Unterbrink.

Unterbrink struck out 12 batters and walked six in claiming (Continued on page four)

Chelsea's female softballers were back to their winning ways Monday afternoon, taking a 9-1 decision from Ann Arbor Pioneer.

It was an unusual line-up of Bulldogs that took the field for that contest, as Anita Powell held down the mound for seven innings and erstwhile hurler Nanette Push was her catcher.

Coach Bill Wescott scrambled most of his defensive players into different positions for the first contest, vowing not to play a set line-up during the summer until tournament time.

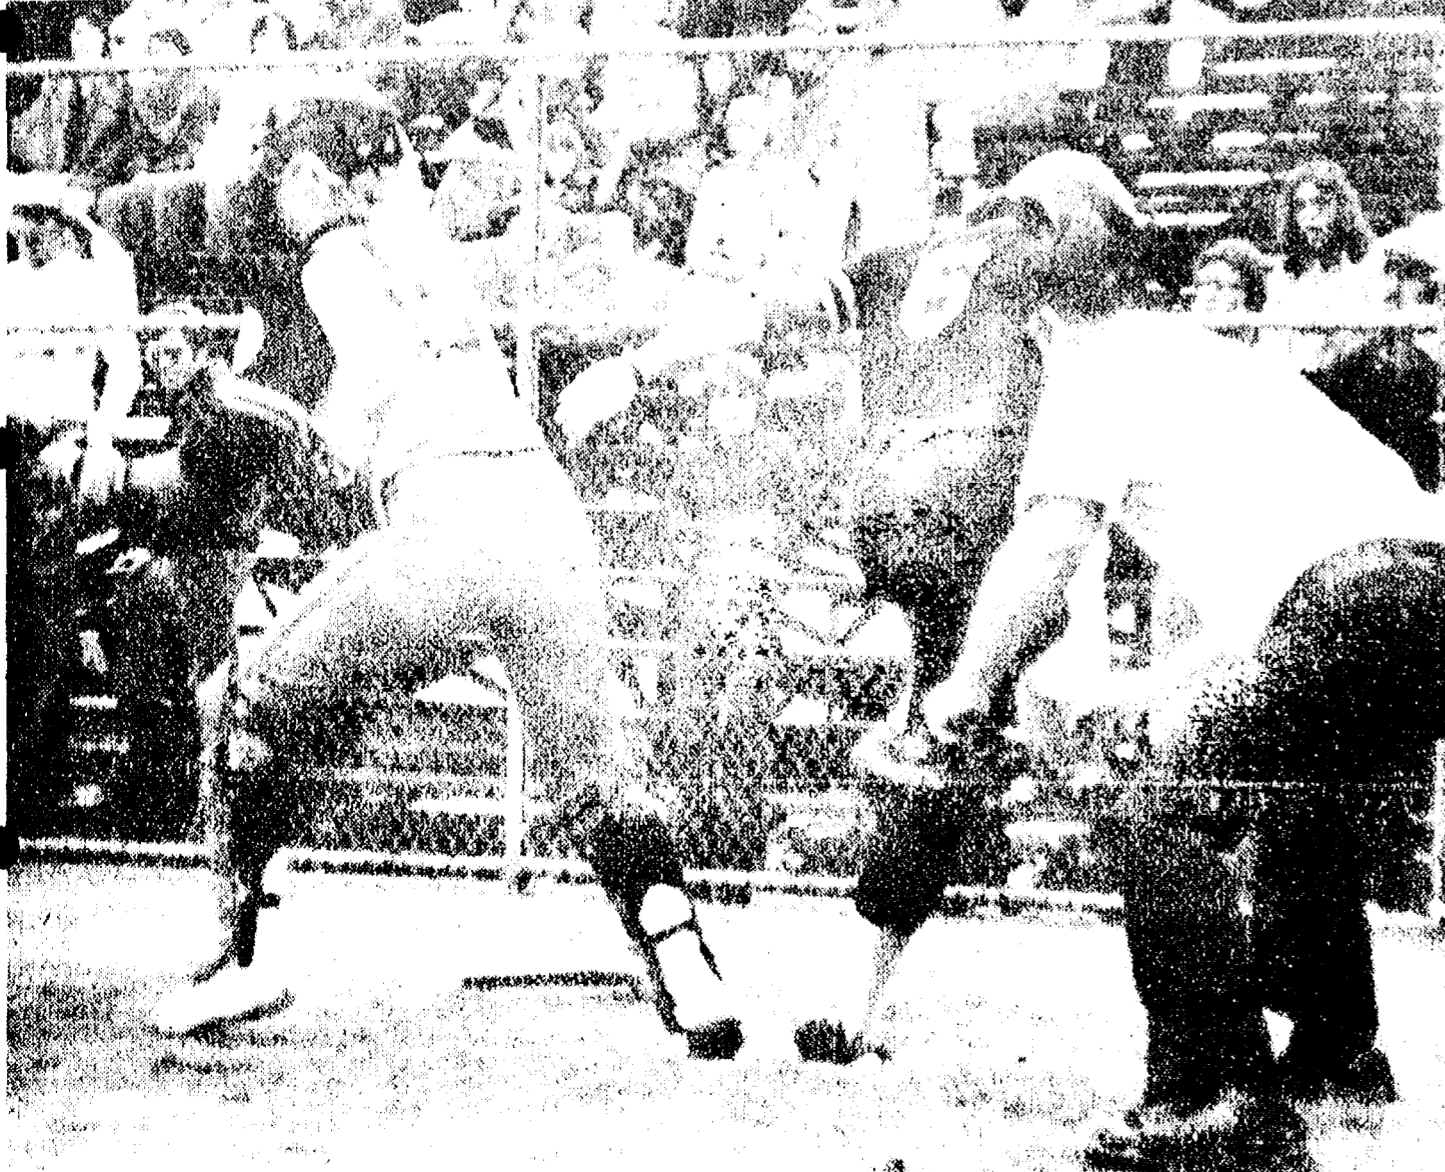

"We need to have some fun," Wescott said. "We've been working too hard."

Push managed a home run for the Chelsea No. 1 squad, helping in the victory. Powell pitched all seven innings, striking out seven and giving up just one hit.

Wescott said that a new rule in the Ann Arbor league, looking suspiciously like it was intended for one certain Chelsea pitcher, limits a hurler to nine innings per week. Wescott is planning to go (Continued on page four)

ANITA POWELL decisively steps on home plate with Chelsea's only run in the State Class B Softball Tournament semi-finals Saturday. Fenton, three-time state champs, made the most of Chelsea mistakes in the 8th inning and took the contest, 5-1, in cold, steady rain in East Lansing.

### Girls Softball Team Loses in State Tourney

A steady march to the top ended for Chelsea High school's varsity softball team last Saturday afternoon, as the team lost to Fenton in a driving rain, 5-1, in the State Tournament semi-finals.

What began as a scoreless defensive duel ended with Fenton capitalizing on Chelsea miscues to take the semi contest. Fenton's team went on to blank Riverview, 7-0, and take its third consecutive state Class B title.

Almost as much comment was made about the poor weather as about the four best teams in the state, and there was some criticism of the tournament director for allowing the three-game event to continue.

Just two blocks away from Ranney Field in Lansing, a boy's high school baseball tournament was cancelled because of the foul weather.

Both teams were subjected to the same hardships, however, and Chelsea couldn't manage to dethrone the strong Fenton squad, led by hurler Deanna Moore.

Moore and Chelsea's Nanette Push pitched no-run ball until the top of the sixth inning when Fenton managed to get on the score board.

Moore helped her own cause by smacking a triple between center and left and scoring Fenton's Carpenter, who had walked to open the inning.

The Bulldogs managed to even the score in the top of the seventh. Anita Powell led off with a base on balls. Molly Eisele's long fly to right field was mishandled by the fielder and Powell managed to go to second while Eisele anchored safe at first.

Kim Boyd then laid down an effective sacrifice bunt, allowing both runners to move up, to second and third. Amanda Schwarze followed with a bunt down the first base line. As the pitcher nailed Schwarze at first, Powell loped home with the sole Chelsea run.

Chelsea then had a runner on third with two outs. Amy Unterbrink, brought in as a pinch hit-

ter, struck out to end the scoring threat.

Tied at 1-1, the game moved into extra innings.

In the top of the eighth, Fenton came alive and made the most of Chelsea mistakes to put the game on ice.

Fenton's K. Cavert opened the inning with a grounder to short-stop Eisele. She was charged with a throwing error as the ball got past first baseman Kim Wood. Wood threw to second, but hit Cavert square in the back and allowed her to slide in safely. Cavert then advanced on a passed ball.

At this point in the proceedings, the rain came pounding down with more force than before and (Continued on page five)

NEW GIFT SHOP: Jim Daniels, chairman of the Chelsea Hospital Governing Board, makes his first purchase at the new hospital gift shop from volunteer Mary Turcott. The gift shop, part of the hospital's new wing, was officially opened

Monday, June 16. It will be officially dedicated, along with the rest of the wing, sometime in September. The shop carries books, magazines, candy and gum, tote bags and other small gift-idea items.

**Human Services Group Urges Preservation of Funds**

The Michigan League for Human Services has declared that Governor William G. Milliken's proposals for dealing with the budget strain due to the recession puts too much of the burden on poor people, who are the least able to cope with the recession themselves.

The league was critical both of the 1980-81 budget proposals and of some of the social services cuts already implemented in the current year executive order budget cuts.

Meanwhile, the governor is working on further revisions to his 1980-81 proposals to deal with further declining revenues and rising welfare caseloads.

Zolton Ferency, representing the league, said the governor's proposals mean those who are deprived will have to suffer more heavily than others.

William Marshall, of the Michigan State AFL-CIO, agreed saying his greatest concerns are over the cuts and the upcoming budget reductions coming from those who can least afford it. "We

have to set priorities and look at areas with the most fat in government," he said.

The most criticism was leveled at a proposal to save \$40-\$45 million by simply eliminating general assistance payments during April through September for persons under 45 who are classified as employable.

That would affect more than 40,000 persons or about half the general assistance caseload.

Marshall said the premise of the recommendation—that jobs are more plentiful in the summer—is without basis, since the addition of jobs is more than matched by the number of persons seeking jobs. He labeled the proposal as unconscionable.

Also criticized was a proposed 50 percent cut in funding for the emergency needs program, when the league said inflation and rising unemployment along with lagging increases in public assistance grants, point to a need for more funding.

At the same time, the league criticized the governor for budgeting in recommendations to increase payments to Medicaid

providers, with \$53.2 million of the increase to reflect an inflation adjustment.

In urging a comprehensive look at the tax structure, Ferency said the league believes in times of economic distress, tax benefits or loopholes should be closed rather than welfare benefits being eliminated or reduced.

The league suggesting taxing military pay (already approved by the state Senate) and lottery winnings and extending the sales tax to services such as entertainment, laundry and dry cleaning.

The group also urged the legislature to immediately begin efforts to remove the restraints of the Headlee tax limitation amendment of 1978 which requires that 41.6 percent of the state budget be allocated to local government. They suggested the proposal ties the state's hands in setting priorities when money is tight.

The St. Jude Children's Research Hospital Wheels for Life Bike-A-Thon came off on schedule Saturday, June 14, according to Bike-A-Thon Chairman the Rev. Thode Thodeson.

Response was rather disappointing, except for the great performance of Bill Geddes, son of Mr. and Mrs. William Geddes, 549 Howard, who rode his 20 inch bike 20 miles, raising \$66.60 for research.

The other two riders were Becky Schulpe, 13380 Old US-12, and Kelly Barkley, 13900 Harvey Rd.

The Rev. Thodeson expressed his gratitude to the riders, and to Alan Conklin, principal at Beach school, who made the school grounds and facilities available for the ride.

All these fellers did, Clem said, was counterfeit W-2 and 1040 forms, make up numbers, send em in and wait for the money. They worked the system down so fine they were selling forms to other convicts for \$30 apiece. What these boys on the inside got, Clem said, was 10 years added to their time. On the outside, they'd have to agree not to send in at least \$50,000 worth of them forms to satisfy the court.

**Uncle Lew from Lima Says:**

DEAR MISTER EDITOR:

Foreign cars made in Ohio and imported beer from Wisconsin worked their way on the agenda during the session at the country store Saturday. Bug Hookum came in growling about the beer, and the fellers took up the cry and went on to cover cars, convicts and the whole idee of making things better by calling em somepoun else.

Bug had took his old lady to a pizza parlor recent. He said she loves them little salads they keep in the icebox so much she don't even frown when he orders beer with the pizza. He figgered to splurge, so he ask fer the "imported" beer that was \$1.10 instead of the 90-cent domestic.

When his beer come it had the German name on it right enough, but the small type said it was brewed in Milwaukee. Bug said he didn't mind the domestic brewing, but he objected to the imported price. The feller that run the place said they could charge more cause it was brewed here the way they brew it there, which Bug said is like calling a possum a chicken cause it was caught in the henhouse.

Zeke Grubb allowed this same line of thinking is being put to cars. He had saw where a plant is being built in Ohio to make foreign cars. The piece said German cars are made in Pennsylvania by Volkswagen of America, so Zeke figgers we'll soon have Hondo of Ohio. That's fine if it makes jobs for our folks and gives the sagging car sales a shot in the arm, Zeke said, but he was worried about imported prices fer domestic machines. If we have to pay the same fer a Ohio Hondo that we do a Japan Hondo, let Detroit and Tokyo switch operations and pull everybody out of the ditch, was Zeke's words.

Actual, broke in Ed Doolittle, the whole country has come around to what the preachers call situation ethics. We make up right and wrong to suit the problem. Ed had saw this piece where one of the big oil companies was guilty of gouging its customers out of millions of dollars. The government's idee of punishing the guilty was to not let it jack up prices until the profit it would have made by raising prices come to the amount it already

had made by raising en. Ed said this plan ought to work good with bank robbers. The man is caught with the bags of money. He don't go to jail. He agrees not to rob any more banks till the money he would have got is as much as he got caught with. A politician guilty of taking a kickback makes everthing right by swearing he will turn down all bribes until he had denied hisself as much as he got caught taking. Ed said these situation ethics have got a solution fer ever problem, sure enough.

All these fellers did, Clem said, was counterfeit W-2 and 1040 forms, make up numbers, send em in and wait for the money. ## Madonna Marzec, D. E. Perkins Are Wed at St. Mary's Church

Madonna Joy Marzec and Dennis Earl Perkins spoke vows of marriage on Saturday, June 7, at St. Mary Catholic church in Chelsea. The Rev. Fr. Phillip Dupuis officiated.

The bride is the daughter of Mr. and Mrs. Joseph Marzec of 1137 Freer Rd. Mr. and Mrs. Earl Perkins of Klager Rd. in Saline are the parents of the bridegroom.

Vocalists at the ceremony were Joel and Meri Jo Dulyea, who sang Schubert's "Ave Maria," "Longer" and "The Wedding Song." Organist was LaVonne Harris.

The bride was dressed in a floor-length white gown of nylon organza and Brussels lace and wore a matching finger-tip length veil of Brussels lace and seed pearls. She carried a cascade bouquet of white and peach roses, stephanotis and carnations.

Matron of honor was Jacquelyn Marzec of Mt. Clemens, the bride's sister-in-law. She was attired in a peach-colored flowered nylon crepe gown with a blouson top and pleated skirt. Her flowers were a colonial bouquet of baby's breath, carnations and roses.

Bridesmaids were Mary Marzec of Dexter and Anne Marzec of Chelsea, sisters-in-law of the bride; and Elaine Perkins of Saline, the bridegroom's sister. Their gowns and flowers

were identical to those of the matron of honor.

The bride's mother was attired in a gown of jade mist chiffon and wore a white gardenia wrist corsage. The mother of the bridegroom wore a mint green double-knit dress with a corsage of white roses.

Best man was Frederick Heiber of Saline. Ushers were Patrick Marzec of Chelsea, brother of the bride; Donald Rentschler of Saline, the bridegroom's cousin; and Bruce Fritts of Saline.

A reception was held at the Knights of Columbus Hall in Dexter for 300 guests. Music for dancing was provided by the Luke Schaible Band of Saline. The bride's attendants cut the cake and Diane Michevicus handled the guest book.

Following a wedding trip to Lake Buena Vista, Fla., the couple will reside on Klager Rd. in Saline.

The bride attended Chelsea High school and Ferris State College. She graduated with an associate degree in nursing from Washtenaw Community College and is employed at University Hospital in Ann Arbor. Her husband is a Saline High school graduate and a member of the Saline Fair Board and Michigan Tractor Pullers, Inc. He is employed by Uniloy in Manchester.

## Salem Grove UMWS

The United Methodist Women's Society of Salem Grove church met Wednesday, June 11, at the church basement with 11 members present. Alice Miller was the hostess.

President Nina Lehman opened the meeting with a prayer. After a short business meeting, Thelma Rentschler gave the lesson on "The Way of Life." Opening song was "A Charge to Keep I Have." Meeting closed with all repeating the Lord's Prayer. The hostess served refreshments. No church services will be held June 22, vacation Sunday.

## Bury-Foxhall Vows Spoken In Texas

Barbara Bury and Lewis E. Foxhall, M.D., were joined in marriage Saturday, May 10, in a San Antonio, Tex., ceremony.

The bride is the daughter of Madelyn Bury of Chelsea and the late Walter Bury. The bridegroom is the son of Mr. and Mrs. Lewis Foxhall of Memphis, Tex.

Officiating at the ceremony was the Rev. Fred Callagher of St. Peter, Prince of the Apostles church.

Honor attendants were Bobby Younes, M.D., of Wymer, Tex., and Mrs. Hix Green of Corpus Christi, Tex.

The bride graduated from Michigan State University and received a master's degree in library science from the University of Michigan. Her husband is a graduate of the University of Texas, Austin, and Baylor University College of Medicine in Houston. He was a family practice resident physician for one year before beginning practice in Houston.

## Good Things Growing in Michigan

Creative casual summer meal planning can be easy, especially with all the good things growing — and grilling — in Michigan.

Backyard barbecues and old-fashioned picnics in the park are ideal summer mini-vacations that require little extra preparation or equipment, just some charcoal and a grill, or a picnic basket and cooler — and some imagination!

The aroma of foods grilling slowly over an open fire makes appetites come alive. Savor plump, juicy hamburgers topped with fresh Michigan lettuce and tomatoes, garnished with red radishes and green onions fresh from the garden. Or, sliced hot dogs stuffed with sharp Michigan cheddar cheese, wrapped with Michigan potato and served with fresh Michigan celery, green pepper, onions and eggs.

Meat is usually the main attraction when cooking out-of-doors, whether it's Michigan beef, pork, chicken or turkey. But don't forget, the coals can also be used to cook fresh Michigan vegetables, to heat breads and to make coffee.

Michigan's comminuted (ground) meats are especially flavorful and wholesome because our state's standards for these meats are the strictest in the United States. Only skeletal meat with no meat by-products can be manufactured into ground meats in state-inspected plants. Comminuted meats are routinely sampled at food markets by Michigan Department of Agriculture inspectors and tested in MDA's laboratory for compliance with Michigan law.

Michigan beef farmers sold 682,000 head of cattle and calves last year, totalling 502 million pounds, according to MDA officials. More than 203,000,000 pounds of pork, 5,600,000 chickens and 1,210,000 turkeys were marketed last year.

For harvest information about more than 50 commercial food crops grown each year in our state, and pick-your-own farms and roadside markets for fresh fruits and vegetables, write MDA for the free brochures, "Michigan Food Facts" and "1980 Michigan Country Carousal," P. O. Box 30017, Lansing 48909.

## Bulova LCD Quartz Travel Alarm \$49.95

It's the tiniest—and most efficient—travel clock you've ever seen. Accurate within 15 seconds a month. It weighs one ounce. Measures 1 3/4" high, 2 1/2" wide, 3/8" slim. Performs beautifully.

It keeps hours and minutes in continuous display. Sets to the precise second. Tells A.M./P.M. Operates silently. It has a night light, built-in easel back, "set-and-forget" repeat alarm and travel pouch. And because it looks like jewelry with its black-and-silver-tone or brown-and-gold-tone case, Bulova puts it in a fine jewelry-designed gift box.

Get one for yourself. And all your traveling friends. It's a unique and welcome gift.

## Softball No. 2 Defeats Richard

(Continued from page one)

her first win of the summer. The contest was a pitchers' battle all the way, with Unterbrink going head to head with Pinckney High school pitcher Tracy Morris throwing for Gabriel Richard.

Morris was the All-League pitcher for the Kensington Valley League this spring and has a four-year scholarship to Grand Valley State College beginning next fall. She was excellent in allowing Chelsea just three hits and walking three.

Chelsea scored its first two runs without a hit, combining two walks and some excellent base running with a Richard error to take an early lead. Celeste Powell walked in the first inning and stole second and third and then scored on an error to match Richard's first-inning run.

In the third inning, Laurie Cobb walked and moved to second on a ground out, then stole third and scored on a passed ball to give Chelsea a 2-1 lead.

The team's winning runs came in the fifth inning as Powell walked again and scored on Kim Boyd's home run. Boyd hit a line shot between third and short which took a high pop over the Richard leftfielder's head, driving in both runs.

Richard scored twice in the sixth inning on two infield errors, but Unterbrink retired the last hitter in the seventh with runners on second and third.

Next game for the team will be this Friday against their friends on Chelsea Team No. 1.

## Softball No. 1 Downs Pioneer

with Powell and perhaps Ann Eisele together with Push throughout the summer.

Other teams in the league are Pioneer, Huron, Gabriel Richard, Chelsea No. 2 and Lincoln.

Chelsea No. 1 will have an unusual outing Friday evening when they clash with their buddies on Chelsea No. 2.

That game begins at 6 p.m. this Friday at Swift Run Park in Ann Arbor.

**50th ANNIVERSARY:** Mr. and Mrs. Oscar Bareis of 1741 Dancer Rd., Dexter will be honored at an open house marking their golden wedding anniversary on Sunday, June 22, from 3 to 5 p.m. The event, which will be held in their home, will be hosted by their children Oscar Bareis, Richard Bareis, Philip Bareis and Carolyn Schuster of Mt. Clemens. They were married June 19, 1930 at Stoney Point, O., by the Rev. John Born of the Lutheran church, and have lived in this area all their lives. The couple has 12 grandchildren: six girls and six boys.

The first state law fixing 10 hours as a legal work day was passed in New Hampshire, in 1847, according to "Important Events in American Labor History," a U.S. Department of Labor publication.

## VFW Serves Early Breakfast to Group From National Home

It was an early 5:30 a.m. on Monday, June 16, when the local VFW Post and Auxiliary were invaded by 70 children and chaperones from the VFW National Home in Eaton Rapids.

A breakfast of 21 dozen scrambled eggs, 30 packages of sausage, seven loaves of bread, two pounds of bacon, six gallons of milk and six half-gallons of juice were served to the Cedar Point-bound group. It took only half an hour for the group to down breakfast and be on its sleepy way.

Mary Erskine and Byron Smith were chairmen for the breakfast.

**50th ANNIVERSARY:** The 50th wedding anniversary of Arthur and Edna Kuhl was celebrated on Sunday, June 15, at their home, 11701 Scio Church Rd., with approximately 110 guests attending. The event was hosted by their children, Dr. Roger and Barbara Hoopingarner of Holt, and John and Marlene Howe of Ida. Six grandchildren assisted in the event. Attending were Charles Kuhl, Arthur's brother, who had served as best man at the June 10, 1930 wedding in Bethel Church. Also attending were guests from Detroit, Jackson, Kalamazoo, Jonesville, Adrian and the local community. Dorothy Kuhl Callahan, who served as bridesmaid and is now residing in California, was unable to attend.

## Interested Players Sought to Form Tennis Leagues

A new youth tennis league will be started this year if enough interest is shown. Players who know how to play a game and score may register by calling 475-2536.

Adults may also join a league by calling the number above. The possible leagues are men's singles and doubles, women's singles and doubles, and mixed doubles. There must be at least eight entrants in each league for play to begin.

A junior league will be formed if enough interest is shown and at least eight entries are received. There will be no charge for entering a league this year.

Trophies will be awarded in each league formed. Call 475-2536 if interested.

## 8th Grade Band Members to Play For McDonald's

Members of the Chelsea High school 8th grade band will perform this Sunday, June 22, at 1 p.m. for McDonald's grand re-opening celebration.

Also performing will be 1980 Chelsea High school graduate Drew Sprague, who will play a trumpet solo of "The Star Spangled Banner."

## Historical Society Plans Summer Events

Chelsea Area Historical Society held its last meeting before the summer months on Monday, June 9 at McKune Library.

A short business meeting was held and members were reminded of a public hearing to be held Tuesday, June 24, at 7:30 p.m. in the Village Council room. The meeting concerns declaring the old Glazier Welfare Building, now The Chelsea Standard, a historical site. All interested are urged to attend.

President Lois Moore reported that several society members will be taking a group of people from Saline on a historical tour of Chelsea in July.

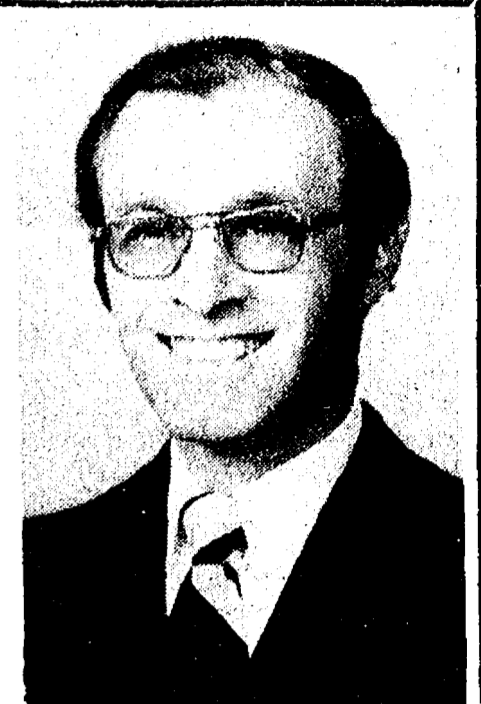

After the business meeting, refreshments were served and a committee meeting was held to finalize plans for the society's

project for the Summer Sidewalk Sale. It will be held at Longworth Plating on Main St. and will consist of an old-fashioned ice cream parlor, plant sale and old-time bake sale.

There will also be a quilt display and antiques from the Chelsea area on display.

Also on hand will be several craftsmen, demonstrating the "how to" of their crafts, highlighted by an ongoing demonstration of how to make ice cream the old-fashioned way.

## Forearmed

If you have been able to maintain the same car for the past seven to ten years, the price tags on the new models may take your breath away. And that despite all the publicity these prices have received. Funeral Service is another area where the time lapses can be lengthy and where overhead has ballooned year by year. Real estate taxes, costs of merchandise used, maintenance of property, you name it... all have easily doubled in less than a decade. Which is why we believe a visit to Burghardt-Cole Chelsea Funeral Chapel before a time of need might be a sound idea. A decision forced on one by the sudden pressure of circumstances is always more costly, and usually less satisfactory, than one made with foreknowledge of the facts and the alternatives.

# Pirates Undefeated In Little League

Little League action continued last week with the following games:

**Pirates 12, Reds 2**— The Pirates continued their winning ways by beating the Reds, 12-2. For the Pirates, Chris Zangara led the hitting parade with a home run, a triple and a single. Tim Anderson also did some lousy hitting, with a home run, double and single.

For the Reds, Clayton Clarks smacked two hits and contributed a number of fielding gems.

**Indians 8, Dodgers 5**— Also on Wednesday night, Coach Spencer's Indians managed to squeeze out Coach Hamel's Dodgers.

For the winners, Phil Patterson and Ray Spencer hit home runs. Ken Martin contributed a round tripper for the Dodgers.

**Royals 5, Indians 4**—

In a single game Thursday night, Coach Murphy's Royals opened their schedule by playing a heart-stopper with the Indians. Pitching for both teams was excellent.

For the winners, Bobby Clouse and Robby McDowell combined to fan 16 Indians. For the losers, Mike Westhoven struck out 10 Royals.

Big Royal hitters were John Lane, Bobby Clouse and Robby McDowell. Wielding the big stick for the Indians were Scott Frisinger and Ronny Hafley. Brad Bauer and Ray Spencer hit home runs.

**Tigers 7, Royals 3**— Andy Box contributed a three-run homer to the hard-fought Tiger victory.

Randy Hafner struck out nine Tigers in a losing cause. The

Royals had the bases loaded when their final out was made.

Outstanding defensive plays were made by Mark Pletcher of the Royals and Bob Torres of the Tigers.

**Pirates 1, Indians 1**— The second Monday night contest was a pitchers' duel from start to finish. Coach Starkey brought his 2-0 Pirates to face Coach Spencer's 1-1 Indians.

At the end of eight innings the contest was still tied, 1-1.

The lone Pirate run came on an RBI single from Tim Anderson. The one Indian run came on a bases-loaded walk.

Both pitchers were strong. For the Pirates, Gary Bouton struck out 10 of the last 12 batters he faced. Indian Ray Spencer also struck out 12 and yielded only one hit.

The tie will be played off at a later date.

### Better Late Than Never

The first British royalty to pay a visit to their former colonies waited 163 years after our independence to drop in. It was not until June, 1939 that King George VI and his queen toured part of the Eastern United States in a specially built Lincoln. Visitors to Henry Ford Museum, Dearborn, have a chance to see the "Royal" Lincoln.

**CHELSEA'S FINEST:** This group of local firefighters gathered in the Main St. dust sometime after the turn of the century to have their official portrait made. Members of the Chelsea Historical Society, in the midst of an inven-

tory of the Historical Room in McKune Library, are hoping that local residents can be of help in identifying the men, very few of whom have been identified thus far. Those who think they recognize someone in the photo

should notify any Historical Society member. The inventory is being done by Mrs. Frederick Wagner and Mrs. E. W. Eaton.

## Softball Team Loses in State

(Continued from page one) the umpires called a postponement, sending the players back to their dugouts.

Some improvement was made in the field conditions and play resumed some 15 minutes later.

Push then issued a walk to L. Glass, giving Fenton runners on first and third with none out. An intentional walk was given to Carpenter and the bases were loaded when Push faced L. Barden.

Barden outlasted the Chelsea hurler and also drew a walk, forcing in the second Fenton run. Deanna Moore again backed up her hurling with hitting when she smacked a single, bringing in two more runs.

Sandy Thornton then hit into a force out, allowing Barden to score from third.

Chelsea was unable to put together a rally in its half of the eighth, and Fenton spilled jubilantly onto the field.

Push and Moore were fairly evenly matched in strikeouts, with Moore collecting four and Push, three. The Bulldogs committed two errors to Fenton's one and left five runners stranded on base.

Chelsea's three hits came off the bats of Anita Powell, Kim Wood and Patti Hume. Fenton ended the season with a 26-4 record. Chelsea was 26-3 for the year.

Disappointed as they were, Chelsea's players weren't given much time to brood about the tournament loss. Monday afternoon they began play in the Ann Arbor ASA league in search of yet another trip to the nationals later this summer.

**CARA FEENEY** puts away a lofty Fenton drive from her post in left field at the Class B State Softball Tournament in East Lansing Saturday. Playing in muddy conditions and penetrating rain, Chelsea and Fenton duelled to a 1-1 tie in regulation play. Fenton, however, broke loose in the 8th inning and ended up with the contest, 5-1, and the State Class B title.

### Rock, Gospel Group Wows Cassidy Lake

More than 100 residents of Cassidy Lake Technical School sat out in the Wednesday afternoon sun last week and enjoyed their first rock-gospel concert, performed by "Ransom."

According to Tom Mann of Cassidy Lake, the group performed free of charge for the men after being referred by an outreach minister in Adrian who runs a Lenawee county jail and youth program.

Mann said the group displayed diverse musical styles, at times sounding like Led Zeppelin, Muddy Waters or Bob Dylan. The lyrics to all the songs, no matter the style, were of a gospel flavor.

The group's volume was described as "quite impressive," with some reportedly hearing the music a couple of miles away.

Reception for the group was enthusiastic, and Mann said a number of the residents looked him up afterward to thank him for co-ordinating the concert.

He said he is already making arrangements for a blues-gospel group to play for the men sometime in August. Mann said that after the huge success of the concert last week, he is planning to draft letters to local talent agencies asking if they have groups that would be willing to give benefit concerts at Cassidy Lake.

Mann also said that he feels the quality of the last group was such that he'd like to share the music with Chelsea, perhaps by having a performance in town or, possibly, opening up a concert at Cassidy Lake to the public.

### Stuart Blacklaw Wins Scholarship

First Congregational church of Chelsea, 121 E. Middle St., was the scene of a special celebration of children and youth on Sunday, June 8.

Education and Christian living were the themes carried out through the presentation of a scholarship check, puppet plays, the singing of guitar-accompanied folk hymns and the honoring of the church's 1980 graduates.

STUART BLACKLAW

Receiving the annually-awarded Wurster-Crowell Fund Scholarship was Stuart Blacklaw, son of Mr. and Mrs. Edward Blacklaw of 113 McKinley. Stuart will be a junior at Olivet College this fall and is studying communication arts.

Puppets made by the young people were used in presenting "A Man Born Blind," "Coming to Jesus" and "A Stormy Time."

The plays were made more enjoyable through the use of the new public address system which is used only for projects involving children and which was provided by the Warren Spaulding Memorial Fund.

The system will be used for Children's Time each Sunday and puppet play presentations. Installation of the system was done by J. Glenn Culler.

Music celebration was led by Mr. and Mrs. Steven Smith of Garfield St. Steven spoke to the graduates, James Cobb, Denise Geddes, Shari Robards, Barbara Schardein, Andrew Weir and Todd Wright.

The cap and gown group was further honored at a coffee hour following worship. A special adornment to the youth-centered service was the baptism of Adam Richard Morse, son of Mr. and Mrs. Dennis Morse.

The day's theme, "Celebrate! Children are a heritage from the Lord" (Psalm 127:3) was fully realized.

### Attend Amway Convention

Barb and Dan Robbins, former Chelsea residents, were invited to attend the special convention of 5,000 voting members of the Amway Distributors Association in Grand Rapids.

They have just returned from representing their many distributors and customers in this area.

This week-end, Dan will again act in his official capacity as past-president of the Michigan United Conservation Clubs (MUCC) at its convention in Muskegon. Robbins has been on the board of directors for 25 years. The Chelsea Rod and Gun Club is a member of the MUCC.

Also, last month, Dan served as a delegate to the State Republican Convention in Pontiac.

The Robbins may still be reached at 475-7310.

Eliminating nuisance standards and simplifying existing regulations permitted the Occupational Safety and Health Administration (OSHA) to concentrate on more serious and significant workplace hazards during the 1978 fiscal year, according to the annual report of the U. S. Department of Labor.

### Scout Troop Camps In Northern Woods

Fifteen boys and 13 adults returned Sunday, June 15, from a successful Boy Scout Troop 425 canoe trip on the Betsie River in the northwest part of the Lower Peninsula.

The troop left for the northern part of the state on Thursday afternoon for its campsite at the headwaters of the Betsie at Grass Lake at the Grass Lake State Forest Campground. Swimming and fishing were among the activities enjoyed there.

Canoeing began at 8 a.m. Friday on the slow, winding river. A number of boys and their fathers enjoyed fishing on the way down the river. Approximately 18 to 20 miles were covered in five hours as the group floated downstream.

Friday night, the troop moved to the Lake Michigan Recreation Area between Manistee and Ludington in the National Forest.

All day Saturday was spent on the beach at Lake Michigan and in the Nord House Dune area. The day's activities were ended with a father-son softball game on the beach, and a campfire with Jim Cook acting as master of ceremonies.

The weather was co-operative and the troop had an enjoyable time.

Attending from the troop were Allen Cole, Jim Cook, Ricky Cook, Mark Freitas, Guy Gross, Kevin Gross, Doug Jankuski, Matt Lorenz, Brian O'Toole, Mark O'Toole, Robert Polens, Mark Porath, Kurt Roberts, Eric Stofflet and Tim Weir.

Troop 425 is sponsored by the Chelsea Kiwanis Club and led by Scoutmaster Richard Cook.

# Dr. Lauhon Accepts Augustana Position

EDWARD B. LAUHON

Edward B. Lauhon, Chelsea High school graduate and former teacher at Beach Middle school, has accepted a position as assistant professor in the Department of Education at Augustana College, Rock Island, Ill.

Dr. Lauhon will teach courses in philosophy of education and special education. He will also be responsible for student teacher education and the development of multi-cultural education experiences.

Augustana College traces its origin to the Old World universities of Uppsala and Lund in Sweden. It's new world founding dated from 1860, when it was founded by the former Augustana Lutheran church as a liberal arts college and theological seminary. The seminary became a separate institution in 1948, leaving a modern American college of arts and sciences attended by students from varying backgrounds.

After graduating from Chelsea High school in 1961, Dr. Lauhon worked for a number of years part-time at Brown's Welding. Meanwhile, he attended Michigan State University, where he received a BA in special education and elementary education.

Teaching positions followed in Children's Psychiatric Hospital

at the University of Michigan, Jackson Community Schools and in Chelsea. During his stay in Chelsea, Dr. Lauhon was active in the CEA and served as its president in 1971-72.

From 1972-79, Dr. Lauhon was a graduate research assistant in the School of Education at U-M, while pursuing graduate degrees. He was co-ordinator of the Student Teaching Abroad Program in Sheffield, England, and co-ordinator of a program for student teaching in multi-cultural settings.

In addition, he served as guest lecturer on aspects of John Dewey's educational theory and the recent alternative education movement in North American education.

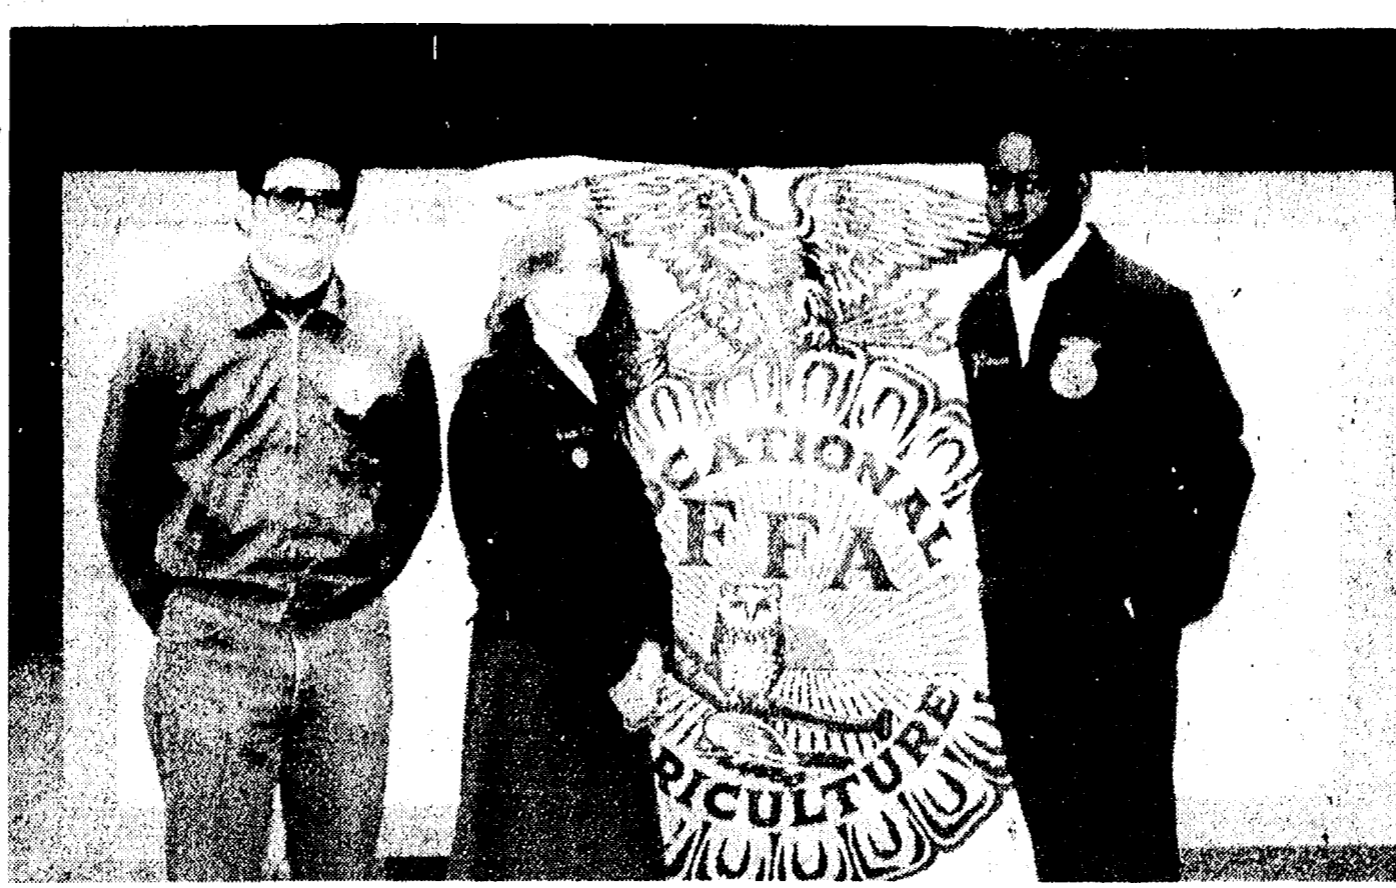

Dr. Lauhon has published articles in "Exceptional Children" and "Notes and Abstracts in American and International Education." His MA work was completed in 1974.

His PhD work, completed in 1979, culminated in his dissertation, "The Usefulness of Dewey's Concept of Growth for the Interpretation of Alternative Education."

To enhance his preparation in comparative and international education, Dr. Lauhon and his family spent time in England, Mexico, South America, and Spain during recent summers.

Dr. Lauhon is the son of Barbara Lauhon and the late Edward L. Lauhon. He is married to Carol Cameron, the daughter of Mr. and Mrs. Charles Cameron.

The Lauhons have three children, Lincoln, Alicia and Jordan. After June 30, the family will reside at 830 43rd St., Rock Island, Ill.

FFA DELEGATES: Three local residents affiliated with the local FFA chapter attended a leadership training camp last week-end at Camp Palmer, Fayette, O. Attending were, from left, Keith Gafner, chapter advisor; Shawn Ball, secretary; and Herb Pearson, treasurer. Covered in the week-end session were techniques on conducting meetings, duties of officers, meeting and introducing people, and getting people involved in FFA.

## FFA Officers Attend Leadership Camp

Planned as a learning experience, the camp was also a means of meeting people from other Region II chapters.

Attending FFA Region II Leadership Camp from June 13 to 15 were chapter secretary Shawn Ball, daughter of Mr. and Mrs. Robert Ball; treasurer Herb Pearson, son of Mr. and Mrs. Herbert Pearson; and Keith Gafner, advisor of the Chelsea FFA chapter.

Participating and conducting leadership sessions were state officers Vic Verchereau of Chelsea, Tim Bailey of Sand Creek, Doug Darling of Milan and National Vice-President from the Central Region, Dee James.

Members traveled to Camp Palmer in Fayette, O., where they attended sessions on how to conduct meetings, duty of officers and delegate responsibility, greeting and introducing people and how to get people involved and interested in the Future Farmers of America through public relations, communication and public speaking.

Most important of all, the local members learned how to set personal goals for themselves and how to achieve them. They also had free time for activities and organized sports.

## Commencement Set Saturday for 555 WCC Grads

555 students will be graduated from Washtenaw Community College Saturday, June 21 in commencement ceremonies at which Dr. John Porter, former Michigan state superintendent of public instruction and now president of Eastern Michigan University, will give the commencement address.

The graduates represent students from not only general studies areas of the college but also from more than 60 career training programs offered by the college. They will be addressed by Dr. Porter on "The Challenge of the 1980s."

Others on the program include the Rev. Orval L. E. Willmann, senior pastor at Bethlehem United Church of Christ in Ann Arbor, valedictorian Margie F. Brooks; graduate Janet Russell, Dennis W. Bila of the WCC Education Association; Robert Nelson of the College faculty; Dr. Gunder A. Myran, president of the College; Norman Lederer, Dean of Instruction; and Anthony J. Procassini, chairperson for the College's Board of Trustees.

The ceremonies are open to the public and will be held at 10 a.m. on the College grounds off Clark Rd.

The Federal Mine Safety and Health Act of 1977 placed increased emphasis on health in mining, and new inspectors were recruited and trained to carry out the additional inspections required under the law, according to the 1978 annual report of the U. S. Department of Labor.

## Longtime MSU Athletic Personalities Honored

Hugh Duffy Daugherty and Fred W. Stabley, longtime contributors to Michigan State University athletics, will be honored by having university facilities named after them.

Daugherty, who served as head football coach from 1954 through 1972, will have his name on the recently completed \$1.6-million football building located south of Spartan Stadium.

Stabley, who is retiring this summer after 32 years as sports information director, will have the press box at Spartan Stadium named after him.

## John White Promoted By Consumers Power

John R. White, formerly of Chelsea, has recently been promoted by Consumers Power Co. to the position of region accounting supervisor, Lansing Region. White has for the past two years been region accountant in the Traverse City area.

A graduate of Chelsea High school and Eastern Michigan University in business administration, White is the son of Mr. and Mrs. Roland White of Grass Lake, formerly of Chelsea.

## Family Practice Physical Therapy Clinic Approved

Ann Arbor Family Practice, 3200 Liberty Rd., Ann Arbor, received approval from the State Health Director May 19 to establish a physical therapy clinic.

At an estimated cost of \$93,634, the clinic will have four treatment rooms, an exercise and rehabilitation area, and a bathroom accessible to the handicapped. A waiting area will be shared with other offices in the clinic.

Approval of the project was based on the facts that the clinic is an alternative to more expensive hospital outpatient physical therapy services, and will be easily accessible to residents on the west side of Ann Arbor.

The State Health Director's decision coincided with the recommendation of the Comprehensive Health Planning Council of Southeastern Michigan.

THIS ODD ASSORTMENT of tramps and clowns made its way up Main St. to Pierce Park Friday morning, as part of Summer Day Camp Fun. Members of the Beach school band provided the music for marching as some 50 youngsters stepped off for the long trek. Prizes were later awarded for the best clown costumes in three categories.

## Farm League Play Gets Underway

Farm League play began last week with the Indians taking on the Tigers.

Indian players rapped out 12 hits, led by Rob Finch, Pete Spencer and Junior Morseau, with a home run and a double. Mike Taylor had a triple in helping the Indians to an 8-6 win.

The Tigers' key hitters were Brett Hansen, Mike Hollo and Brian Talbot. Matt Forner had a rally-starting double. Both teams played good defense.

Yankees 5, Athletics 4—  
The Yankees exploded for all five runs in the third inning, when Bill Coelius singled, Jeff Prentice hit a home run, followed by a bases-loaded triple by Mike Connell. Coelius also did a good defensive job at second base.

The A's defense was keyed by Dave Kvarnberg and Jason Shutte, while the offense was sparked by Randy Dale, Tom Mesnard, James Dimmick and Adam Heeter.

Tigers 11, Twins 2—  
The Tigers delivered 21 hits in the contest, sparked by Kevin Rail and Todd Hamel first-inning home runs. The entire team did a fine defensive job.

Though it was the first contest for the Twins, the team played good defense and were led at the plate by Kyle Plank's home run.

Orioles 8, Royals 1—  
The Orioles did a tremendous job of hitting the ball as they racked up six home runs. Brian Sturgeon led the team with two round-trippers, followed by Tony Flintoft, Bill Huetteman, Dave Kenler and Loren Keezer, with one home run each.

Defensively, Greg Clark did a great job at second base, showing a lot of hustle.

The Royals kept the game close with their defensive play.

Standings as of June 13 are as follows:

	W	L	Pts
Indians	1	0	2
Yankees	1	0	2
Orioles	1	0	2
Tigers	1	1	2
Athletics	0	1	0
Twins	0	1	0
Royals	0	1	0

## Central Fibre Products Plant Closing

(Continued from page one)

was moved to Chelsea and the Detroit factory was closed.

Then, in 1945, the Power Take-Off Division, which had greatly expanded during the war, was sold to a group of local people and re-named Chelsea Products, Inc. It is now a division of the Dana Corp.

The company then concentrated its entire manufacturing operations on the production of paper and tissue seaming cord, tacking strips, bare wire and paper-covered wire, as well as its original product, paper fleece twine.

Then, on March 31, 1947, an explosion triggered a fire which destroyed about 60,000 square feet or 90 percent of the plant and hid \$450,000 worth of damage.

Chelsea firefighters and the Cassidy Lake fire department worked to contain the blaze, but the plant was nearly a total ruin.

An addition that had been built on N. Main St. was of fireproof construction, but the intense heat had twisted girders and allowed the structure to collapse.

Rebuilding plans were announced almost immediately and 70 percent of the plant's employees remained at work, some on production and others on salvaging, cleaning and preparing for reconstruction.

In May 1947, Chelsea Village Council voted to sell the Chelsea Electric and Water Department Building on N. Main St. to Central Fibre for \$10,000.

Then, in September 1952, Central Fibre bought the clock tower building and the Welfare Building (now The Chelsea Standard) from Federal Screw Works.

Originally part of the Glazier Stove Company complex, the buildings were built in 1907. In the interim, the two structures were owned successively by Chelsea

Stove Works, Grant and Wood Manufacturing Co., Flanders Manufacturing Co., Lewis Spring & Axle (which made the Hollier

### CHS Class of '60 Plans 20-Year Reunion Saturday

Chelsea High school's Class of 1960 is having its 20th class reunion this Saturday, June 21, at the American Legion Hall, Cavanaugh Lake.

Approximately 90 reservations have been made thus far. Cocktails will be served between 5:30 and 7 p.m., followed by dinner from 7 to 8 p.m. Beer and set-ups will be provided.

Catering of the dinner will be done by Tim Orbring of Timothy's. Music of the 50's will be played courtesy of the Tom Brooks collection.

In 1955, Central Fibre, with the help of local contributors, modernized Chelsea's trademark, the tower clock, to operate electrically.

Tied to the auto industry so closely, the company boomed when auto sales were good and slumped when they were not. This most recent downturn in auto production finally spelled the end for Central Fibre.

The U. S. Department of Labor helped 555,603 workers regain \$98.7 million in lost wages or damages during the 1979 fiscal year through enforcement of federal minimum wage, overtime and equal pay and age discrimination laws.

# McDonald's Plans Grand Re-Opening

# Sylvan Clerk Resigns Post

After one year of service, the McDonald's Restaurant at 1535 S. Main St. is celebrating a Grand Re-Opening on Sunday, June 22. Festivities begin with a VIP Brunch at 11 a.m. Among the distinguished guests invited are, village president Charles Ritter; Frederick Weber, village administrator; Robert Aeillo, police chief, village trustees and Kiwanis Club members. They will also participate in a ribbon cutting ceremony to be held at 1 p.m. The \$100 from the ribbon will be donated to the Kiwanis Club.

family, Ronald McDonald will be in person to perform his special magic show at 1:30. There will be lots of fun, excitement and prizes for everyone. This event is sponsored by Chelsea's newest community members, Alan and Rosie Fellhauer, owner/operators. "McDonald's is proud of being accepted as neighbors in the community, and this is our way of saying thanks," Fellhauer added. The public is encouraged to attend the Grand Re-Opening celebration, Sunday, June 22 at 1535 S. Main.

Daniel Murphy, clerk of Sylvan township for the past 15 years, is retiring that position as of July 1. Mary Harris, deputy clerk for a number of years, will fill the spot until elections in the fall. Murphy said that the job now requires more book work, and consequently more time, than it did when he was first elected. He decided to step down now rather than wait until the end of his term in the fall partly because Don Schoenberg is not seeking reelection as Sylvan township supervisor. Mary Harris had already filed to run for clerk in the upcoming election, Murphy said, and he thought it would be better if she had a chance to work into the job before a new supervisor takes office.

Murphy also cited his family and the Little League team that he coaches as demanding on his time. "Right now, those things are most important to me," he said.

**NEWLY ORDAINED:** Richard Cesarz of Chelsea, left, poses with Fr. Philip Dupuis of St. Mary Catholic church, on the eve of his ordination to the office of Permanent Deacon of the Catholic Church. Cesarz, who was ordained Wednesday, June 18 in Lansing, will be assigned to St. Mary's Parish. He will have the authority to baptize and perform marriages, but not to say mass or hear confessions. He and his wife, Kathleen, and three children live on Sibley Rd.

## Cesarz Becomes Catholic Deacon

Richard Cesarz of Chelsea was ordained to the Permanent Diaconate of the Catholic church in ceremonies at St. Mary Cathedral in Lansing Wednesday evening, June 18. He will be assigned to St. Mary's Catholic church in Chelsea.

The office of permanent deacon was restored as an official position in the Catholic church as a result of the Second Vatican Council about 15 years ago. Cesarz is one of the first deacons to be ordained in the Lansing Diocese since the institution of a new training program two years ago.

Currently there are eight deacons in the 10-county Diocese of Lansing and 11 men are enrolled in the study program.

In restoring the diaconate as a permanent position in the hierarchy of the Roman church, two things were accomplished: married men may now share in ordained ministry as deacons and the hierarchy of the church is complete with bishop, priest and permanent deacon. Prior to the Vatican Council, the order of deacon was seen only as a step toward priesthood.

A deacon is not a priest in the church and therefore cannot say mass or hear confessions. He may officiate at baptism and marriage ceremonies. He can also read the Gospel and preach from the pulpit.

Cesarz and his wife, Kathleen, live with their three children, Joseph, Naomi and Esther, at 5965 Sibley Rd. They moved to this area from Detroit in 1978.

He is a graduate of Saginaw Valley State College and is employed as an engineer with Stirling Power Systems in Ann Arbor.

As a member of St. Mary's church, Cesarz has been involved in the leadership of his parish, serving on its education and worship commission. He began his study for the diaconate in 1975 and was accepted as a candidate in the Lansing Diocese for the order in April 1980.

A reception is planned for this Sunday, June 22, to celebrate Cesarz's ordination.

## Building Activity Plumets in Area

Local units of government in Southeastern Michigan issued building permits for some 6,000 fewer housing units during 1979 compared to 1978, according to a report recently published by the Southeastern Michigan Council of Governments (SEMCOG). This decline was a drop of almost 23 percent in new housing activity in the seven-county area.

The report, entitled "Residential Construction in Southeast Michigan - 1979," shows that almost all of the decline occurred in the number of detached single-family dwelling units authorized, down more than 29 percent, while the number of multi-family dwelling units authorized by local governments remained relatively constant from 1978 to 1979.

Six of the seven counties reported over-all declines in the number of permits issued, with both Oakland and Macomb counties reporting declines of slightly more than 1,900 permits.

Washtenaw county showed a decline from a 1978 total of 2,306 authorized permits, to a total of 1,320 in 1979, a drop of 42.8 percent. That drop is the heaviest for any of the counties in SEMCOG, which includes Livingston, Macomb, Monroe, Oakland, St. Clair, Washtenaw and Wayne.

Over-all, Washtenaw county government issued permits for 998 single-family units, 30 two-family units and 292 multi-family units, for a total of 1,320. Twenty-six demolitions in the year bring the figure to 1,294 net permits.

In 1979, Chelsea gained seven new units, all of them single-family dwellings. No permits for new housing were issued in Dexter.

Of area townships, Dexter township saw the most building activity, with 86 permits issued in 1979, all of them for single-family dwellings. Lyndon township followed with 36, Webster with 29, Sylvan with 26, Lima with 21, Sharon with 10 and Freedom with 7. All were for single-family dwellings.

Two-family and multi-family housing building in the county was clustered in the city of Ann Arbor and Ypsilanti township.

"One reason for the decline in housing construction is the conti-

nuing high cost of home mortgages," said Justine Barnes, chairperson of SEMCOG's Housing and Community Development Advisory Committee and a Westland councilwoman. "Families simply cannot afford the high interest costs and high down payments."

"The number of permits issued in 1979 for multi-family housing stayed about the same compared to 1978 because much of that construction is financed, or the mortgages insured, by the U.S. Department of Housing and Urban Development rather than through the private sector."

Also, the inability of families to obtain moderately priced single-family housing has increased the demand for multi-family units," Barnes said.

While other parts of the region were posting declines in permits issued, the city of Detroit and Monroe county showed increases. During 1979, Detroit issued permits for 781 new housing units, an increase of 162 over 1978, and Monroe county issued permits for 18 more than in 1978. The increases are a result of growth in the number of multi-family housing units authorized in those communities.

Farmington Hills (Oakland county) issued the greatest number of new housing permits in 1979, authorizing construction of 1,622 new dwelling units. Rounding out the top 10 communities are:

Clinton township (Macomb county), Avon township (Oakland county), Detroit (Wayne county), Shelby township (Macomb county), Canton township (Wayne county), West Bloomfield township (Oakland county), Troy (Oakland county), Livonia (Wayne county), and Sterling Heights (Macomb county.)

SEMCOG is a voluntary association of counties, cities and villages, townships and schools in the seven-county Southeast Michigan region. The principal function of the council is short- and long-range planning for housing, transportation, land use, public safety, recreation and open space and the environment.

A copy of the housing report is available through James Thomas in Information Services at 1-961-4266.

## Prosecutor Delhey Seeks Re-Election

William Delhey has announced his intentions to seek re-election to the post of Washtenaw County Prosecuting Attorney as a Republican candidate.

Delhey was assistant prosecuting attorney from January 1957 to January 1964. In 1964, he was appointed by the circuit bench for the unexpired term of the elected prosecutor. In 1964, 1968, 1972 and 1976, he sought and was elected to the office of prosecuting attorney for the county.

In addition to elected office, Delhey serves as a gubernatorial appointee to the State Office of Criminal Justice. At the national level, he serves as Michigan Director to the National District Attorneys Association.

Also, as an appointee of Chief Justice Mary Coleman, he serves on the Judicial Co-ordinating Council, which does over-all review of judicial plans and grants.

In addition, he is chairman of the Prosecuting Attorneys Coordinating Council, which designs and provides training state-wide for all prosecuting attorneys in the state.

In announcing his candidacy, Delhey stressed his belief that "qualified and capable assistant prosecuting attorneys along with support staff" have led the way in fighting crime in Washtenaw county.

## Vacation Church School Begins June 23 at N. Lake

A special week is coming up for children in the North Lake area.

Vacation Church School begins at North Lake United Methodist church, 1411 North Territorial Rd., on Monday, June 23, and meets every day through Friday, June 27 from 9 to 11:30 a.m.

As the children enter the activities building (the building behind the meeting house) the first day, they will be greeted and shown where their classes will meet. It would be helpful if parents come the first day with younger children since a registration card must be filled out for each child.

Theme of this year's Vacation Church School is "We Show God's Love." Children will study this through class activities and music time. There will also be time for recreation and refreshments.

All children three years of age through those completing 6th grade are welcome to join in this exciting week. An offering will be taken each day to help defray expenses.

## Sandy Koufax Team Rained Out 4 Times

Chelsea's new Sandy Koufax team has been rained out for the first four games on its schedule — two doubleheaders, scheduled with Packard Dairy Queen on June 7 and Pizza Bob's on June 15.

Chelsea's team, just started this season, competes in the Ann Arbor area Sandy Koufax League, a division of the American Amateur Baseball Congress. The league is for players 14-years-old and under and the Ann Arbor organization is directed by J. J. Van Gasse, M.D., of Ann Arbor.

Local team players include the following:

Brian Ackley (2B, OF) Waterloo Rd.; David Boote (OF) Sylvan Lane; Dean Boote (OF) Sylvan Lane; Dave Bushway (2B, SS) Werkner Rd.; Chris Gallas (C, 1B) Riker Rd.; Doug Graves (3B, OF) Riker Rd.; Eric Kruger (C, P) Boyce Rd.; Kevin Maynard (OF, P) Railroad St.; Ken Nadeau (1B, P) Old US-12; Keith Neibauer (OF, 1B) Boyce

Rd.; Mike Neibauer (SS, 3B, P) Boyce Rd.; Doug Pagliarini (C, P, 3B) Harper Dr.; Eric Schaffner (P, SS) M-52; Dave Sumner (OF) Roe Rd.; and Jim Toon (OF) E. Middle St.

The Chelsea Koufax team is sponsored through donations from BookCrafters, Inc.; Dana Corporation, Operations Division, PTO Plant; Rockwell International, Mechanical Devices Division; Vincent Dorer, Werkner Rd.; and Gerald and Liz Graves, Riker Rd.

Coach of the Chelsea team is Gerald Graves. The 12-game schedule runs from June 8 through July 20. The league includes teams from Ann Arbor and Dexter.

Current standings are as follows:

### REDUCING ELECTRICAL BILL

The cost of running a home has increased with the cost of living. But the monthly electric bill (thanks mainly to the increased cost of fuel) has more than doubled the cost of living rate in some areas around the country. Fortunately, there are ways to reduce this expense.

Here are some suggestions from the Federal Energy Office: Concentrate lighting in the reading and working areas — reduce lighting in other areas... Use one large bulb rather than several smaller ones. One 100-watt bulb produces more light than two 60-watt bulbs... Use clothes washer, dryer and dishwasher only when they are fully-loaded... Wash clothes in cold water with cold water detergents. If everyone did this, some 160,000 barrels of oil per day could be saved nationally. A household's dollar saving would be about 4%. One 100-watt bulb burning around the clock for one year wastes more than 60 gallons of oil and adds \$28 to your electric bill. Finally, a 40-watt fluorescent bulb gives more light than a 100-watt incandescent one. It lasts 10 times as long and uses half the energy.

## Crank Caller Poses As Health Dept. Doctor

A person claiming to be a physician with the Washtenaw County Health Department and using several different names has again been calling area residents, apparently at random, and telling women that their husbands have been found to have venereal disease.

The caller often proceeds to ask inappropriate personal questions and tries to persuade the women to report to the Venereal Disease Clinic immediately or to permit him to come to the house to examine them.

In notifying the public, Dr. John Atwater, director of the Washtenaw County Health Department, expressed the department's regrets for "the embarrassment, suspicion and uncertainty which calls of this nature cause." He urged that anyone receiving such malicious and illegal calls immediately hang up.

While Health Department officials do make contact with people who have been exposed to

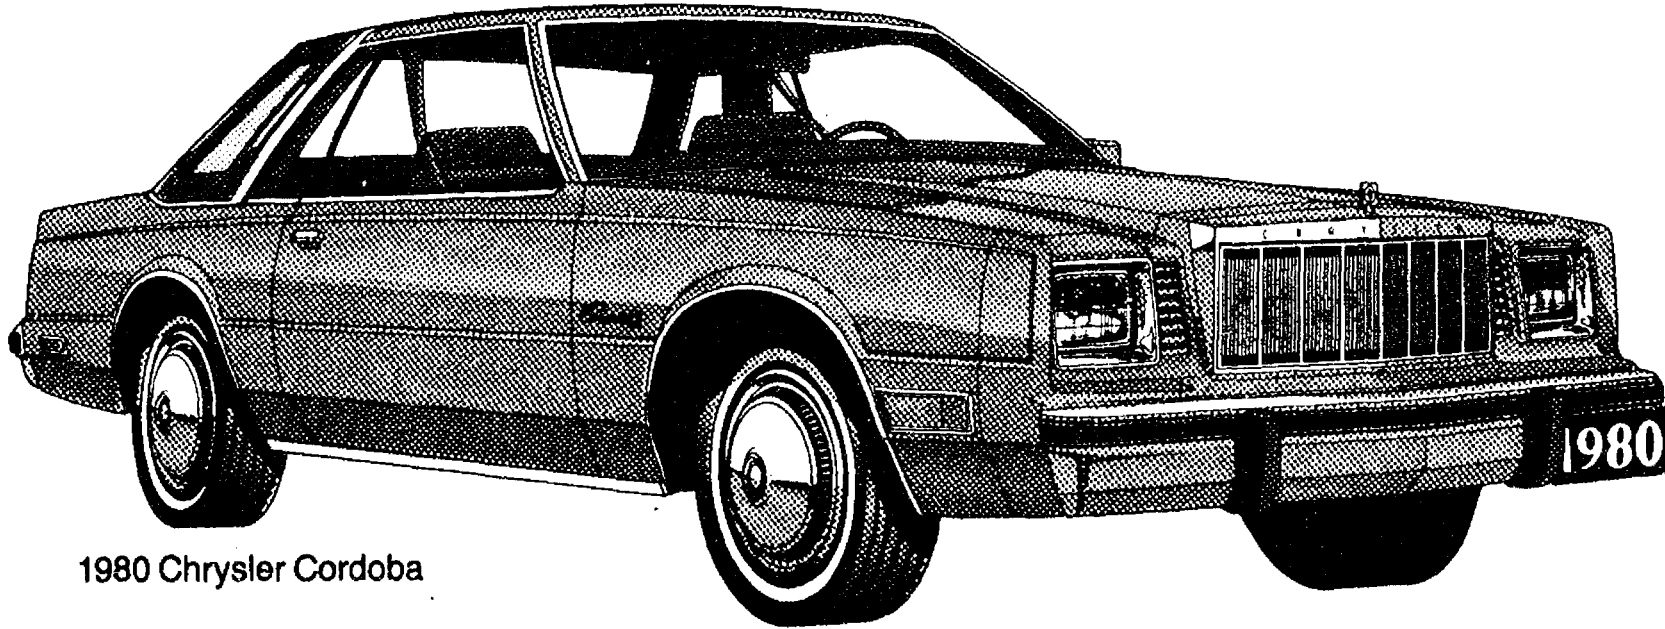

venereal disease, this is rarely done by telephone and all official contacts are easily verified. All Health Department field staff carry official identification and their identity may easily be checked by calling the V. D. office at 485-2181.

Staff also are strictly forbidden from revealing the source of any contact information or from discussing the status or findings relating to any other person, whether or not such an individual is known to the V. D. Clinic.

The Health Department points out the obviously malicious and illegal nature of the misrepresentations and urges people to ignore such calls.

Kalamazoo was the location of the nation's first permanent pedestrian mall opened in 1959. The mall, located in Kalamazoo's downtown section, is still a thriving part of the community, according to the Travel Bureau, Michigan Department of Commerce, Lansing.

## NOTICE OF PUBLIC HEARING ON AN AMENDMENT TO THE LYNDON TOWNSHIP ZONING ORDINANCE, ZONING MAP, AND FUTURE PLANNING MAP

Take notice that the Lyndon Township Planning Commission shall hold a Public Hearing on the 10th day of July, 1980, at 8:30 o'clock in the evening for the purpose of considering an Amendment to the Lyndon Township Zoning Ordinance as follows:

### AMENDMENTS TO LYNDON TOWNSHIP ZONING ORDINANCE

#### ARTICLE II - DEFINITIONS

##### SECTION 2.02-

Delete YARD, FRONT, Insert YARD, FRONT: An open, unoccupied space extending the full width of the lot and situated between the street or road right-of-way and the front building line.

##### SECTION 2.02-

Delete CONDITIONAL USE. Insert CONDITIONAL USE: A use that would be detrimental to other uses permitted in the same zoning district unless carefully controlled as to number, area, size, exterior design, location or relation to the adjacent properties and to the neighborhood. Such uses may be considered necessary or important to the public health, safety, and welfare of the neighborhood or township as a whole and may be permitted if proper safeguards are taken. Such uses may be permitted in such zoning districts as conditional use if specific provisions for such conditional use is made in this Zoning Ordinance. The term "conditional use" as used in this Ordinance is the same as the term "special land use" as provided in Act 184, P.A. 1943 as amended.

#### ARTICLE VI

##### RR-1 RESORT

##### RESIDENTIAL DISTRICT

Delete Section 6.02, C Insert Section 6.03 I. A planned unit residential development, only in accordance with the procedures and regulations specified in ARTICLE XIX.

#### ARTICLE VIII

##### LR - LOW DENSITY

##### RESIDENTIAL DISTRICT

Delete Section 8.02 C. Insert Section 8.03 K - A planned-unit residential development, only in accordance with the procedures and regulations specified in ARTICLE XIX.

#### ARTICLE XVI

##### CONDITIONAL USES

Delete ARTICLE XVI - CONDITIONAL USES Section 16.01, 16.02, 16.03, 16.04, 16.05 and 16.06. Insert ARTICLE XVI - CONDITIONAL USES the following:

##### SECTION 16.01-

##### GENERAL PROVISIONS

The formulation and enactment of this Ordinance is based upon the division of unincorporated portions of Lyndon Township into districts in each of which certain specified mutually compatible uses are permitted by right. In addition to such uses, however, there are certain other uses which are essential or desirable for the welfare of the community and its citizenry or substantial parts of it. Such uses are entirely appropriate and not essentially incompatible with the uses permitted by right in a zon-

ing district, but not at every or any location therein, or without restrictions or conditions being imposed by reason of special problems presented by the use of its particular location in relation to neighboring properties.

This Ordinance, therefore, requires approval of a conditional use permit of each use listed in the several zoning districts as conditional uses and specifies in this Article the procedures and standards to be followed in granting such permits. The term "conditional use" as used in this Ordinance is the same as the term "special land use" as provided in Act 184, P.A. 1943, as amended.

**SECTION 16.02-**  
**AUTHORITY TO GRANT PERMITS**  
The Township Planning Commission shall have the authority to grant conditional use permits and to attach conditions to any approved permit. Only those uses listed in each zoning district as conditional uses shall be considered for conditional use permit review and approval.

##### SECTION 16.03-

##### APPLICATION AND FEE

Application for a conditional use permit shall be made by filing the application form, required information, and the required fee with the Township Clerk.

The fee shall be set by resolution of the Lyndon Township Board, except that no fee shall be required for a conditional use application for any governmental body or agency. No part of the fee shall be returnable to the applicant.

##### SECTION 16.04-

##### INFORMATION REQUIRED

An application for a conditional use permit shall contain the following information:

A. The applicant's name, address, and telephone number.

B. The names and addresses of all record owners and proof of ownership.

C. The applicant's interest in the property, and if not the fee simple owner, a signed authorization from the owner(s) for the application.

D. Legal description, address, and tax parcel number of the property.

E. A scaled and accurate survey drawing, correlated with the legal description, and showing all existing buildings, drives and other improvements.

F. A detailed description of the proposed use.

G. A site plan, meeting the requirements of a detailed site plan, as set forth in Section 22.05, herein.

##### SECTION 16.05-

##### PUBLIC HEARING

A. Notification Requirements  
The Planning Commission shall hold a public hearing on an application for a conditional use permit within sixty-five (65) days of the filing date. A notice of the public hearing shall be published once in a newspaper which circulates in the township. A notice shall also be sent by mail or personal delivery to the owners of

property for which approval is being considered, to all persons to whom real property is assessed within 300 feet of the boundary of the property in question, and to the occupants of all structures within 300 feet. The notice shall be given not less than 5 nor more than 15 days before the date of the public hearing. If the name of the occupant is not known, the term "occupant" may be used in making notification. Notification need not be given to more than one (1) occupant of a structure, except that if a structure contains more than one (1) dwelling unit of spatial area owned or leased by different individuals, partnerships, businesses, or organizations, one (1) occupant of each unit or spatial area shall receive notice. In case of a single structure containing more than four (4) dwelling units or other distinct spatial areas owned or leased by different individuals, partnerships, businesses, or organizations, notice may be given to the manager or owner of the structure who shall be requested to post the notice at the primary entrance to the structure.

B. Contents of Notification  
The notice of public hearing shall:

(a) Describe the nature of the conditional use request.

(b) Describe the property which is the subject of the conditional use request.

(c) State when and where the public hearing will be held.

(d) Indicate when and where written comments will be received concerning the request.

##### SECTION 16.06-

##### REQUIRED STANDARDS AND FINDINGS AND PLANNING COMMISSION ACTION

The Planning Commission shall review the particular circumstances and facts of each proposed use in terms of the following standards and required findings, and with respect to any additional standards set forth in Article XXI Regulations and Standards herein. The Planning Commission shall find and record adequate data, information and evidence showing that the proposed use on the proposed lot meets all required standards.

A. Will be harmonious, and in accordance with the objectives, intent, and purposes of this Ordinance.

B. Will be compatible with the natural environment and existing and future land uses in the vicinity.

C. Will be compatible with the General Development Plan.

D. Will be served adequately by essential public facilities and services, such as highways, streets, police and fire protection, drainage ways and structures, refuse disposal, or that the persons or agencies responsible for the establishment of the proposed use shall be able to provide adequately such service.

E. Will not be detrimental, hazardous, or disturbing to existing or future neighboring uses, persons, property or the public welfare.

F. Will not create additional requirements at public cost for public facilities and services that will be detrimental to the economic welfare of the community.

The Planning Commission shall approve, approve with conditions, or deny a conditional use permit application. The Planning Commission's decision, the basis for the decision, and all conditions imposed, shall be described in a written statement, which shall be made a part of the record of the meeting.

In granting a conditional use permit, the Planning Commission shall impose conditions it deems necessary to achieve the objectives and standards of this Ordinance, the standards of the Township Rural Zoning Act (Act 184, PA 1943, as amended) and the public health, safety and welfare of Lyndon Township. Failure to comply with any such conditions shall be considered a violation of this Ordinance. Conditions of approval shall remain unchanged except upon mutual consent of the Planning Commission and landowner. Any such changes shall be entered into Township records and recorded in the minutes of the Planning Commission meeting at which the action occurred.

##### ARTICLE XVII

##### OFF-STREET PARKING AND LOADING-UNLOADING REQUIREMENTS

##### SECTION 17.03-

Off-Street Parking and Loading-Unloading requirements first paragraph, change to read as follows:

No major recreational equipment shall be parked or stored on any lot in a residential district except in a carport or enclosed building or behind the nearest portion of a building to a street, provided, however, that such equipment may be parked any where on residential premises for a period not to exceed fourteen (14) consecutive days in any three hundred and sixty-five (365) day period. Equipment may be used for living, sleeping or housekeeping purposes when parked or stored on a residential lot for a period not to exceed four-

teen (14) consecutive days in any three hundred and sixty-five (365) day period.

##### ARTICLE XX

##### SIGN REGULATIONS

SECTION 20.02, B—change six (6) square feet to twelve (12) square feet.

SECTION 20.03, B—change six (6) square feet to twelve (12) square feet.

SECTION 20.08 at the beginning of first paragraph: add the following sentence:

Outdoor advertising signs as permitted under Section 20.05 of this Ordinance and under the Highway Advertising Act of 1972, Act 106, P.A. 1072, as amended shall require a permit before such sign is erected.

##### ARTICLE XXII

##### SITE PLAN REVIEW

SECTION 22.02—Building, Structures and Uses Requiring Site Plan add the following:

G. Any Conditional Use

H. Any planned unit residential development

I. A group foster care home  
Delete Section 22.04 Planning Commission Review of Site Plan. Insert Section 22.04 Planning Commission Review of Site Plan.

Upon receipt of such application the Planning Commission shall within ninety (90) days approve or reject the site plan. When approved the site plan shall become part of the record of approval, and subsequent actions relating to the activity authorized shall be consistent with the approved site plan. The site plan shall be approved if it contains the information required by the zoning ordinance and is in compliance with the zoning ordinance, and conditions imposed pursuant to the ordinance, other applicable ordinances, and state and federal statutes.

SECTION 22.09—Amendment, Revision of Site Plan change the words "Township Board" to "Township Planning Commission."

##### ARTICLE XXVII

##### BOARD OF APPEALS

SECTION 27.05 E—Insert at end of said Section the following: a notice shall also be sent by mail or personal delivery to all persons to whom real property is assessed within 300 feet of the boundary of the property in question.

SECTION 27.02—Membership, Terms and Duties. Insert at the end of said Section the following: "The term of a Board of Appeals Member who served by virtue of membership on another Township body is limited to the time they are a member of that body."

##### ARTICLE XXIII

##### SUPPLEMENTAL REGULATIONS

Add the following Section 23.10

##### SECTION 23.10—TRANSIENT AMUSEMENT ENTERPRISES AND TEMPORARY GATHERINGS

Circuses, carnivals, other transient amusement enterprises, music festivals and similar temporary gatherings of people, may be permitted in any zoning district upon approval by the Township Board. Such enterprises may be permitted only on the finding by the Township Board that the location of such an activity will not adversely affect adjoining properties or adversely affect public health, safety, morals, or general welfare. The Township Board may require posting of a bond or other acceptable security payable to the Township in an amount sufficient to hold the Township free of all liabilities incidental to the operation of such activity, and which damages shall be provable before the court having jurisdiction over the premises upon which the damages occurred and payable through such court.

Proposed changes to be made on the zoning map are: Section 1, the Northeast ¼ Section, the area around Bruin Lake, from Recreation-Conservation to Resort-Residential, and in Section 23, Comm at the West ¼ Post, then 1715 ft. East in the East and West ¼ line for P.O.B., then continue East in the East and West ¼ line to the center of Island Lake Rd., then North on Island Lake Rd. to the center of North Territorial Rd. then Westerly on North Territorial Rd. 2130 Ft., then South to P.O.B. also properties owned by: Clara B. Cannon, Kurt Fauser, Donald Geis, all located on Island Lake Island.

The proposed change on the Future Planning Map is owned by Raymond L. Seitz, and located at 10501 Hadley Rd. from Agricultural-Residential to Recreation-Conservation.

The tentative text of the proposed changes may be examined at 9508 Beeman Rd. Chelsea, Michigan by appointment. Phone 475-7056.

## Junior Miss, Midgets in Second Week of Play

Junior Miss and Midget softballers moved into their second week of play last week with the standings still very close.

### JUNIOR MISS

#### Red Devils 28, Gamblers 21—

The Red Devils took their first game of the season by putting together good pitching and excellent hitting.

Devils Karen Weber and Pam Brown combined for the winning pitching performances. Chris Hegadorn and Kim Kleis each hit a double and recorded two RBIs.

#### Mellow Yellow 18, Gamblers 12—

Mellow Yellow also took its first game of the season last week, highlighted by six steals by Sam Collingsworth, Chris DeFant and Michelle Easton handled the pitching and catching duties for the Mellow Yellow squad.

Mellow's Easton also boomed a grand slam homer in the third inning.

Coach Chris Schirrmacher noted, "All the girls played sensationally as a team."

#### Bandits 25, Red Devils 16—

The Bandits took their second consecutive win Wednesday. Bandit Joann Tobin got the win as Lisa Vansehoik came on in relief.

Defensively, Cathy Burkel made an excellent throw to cut down a Red Devil at second base in the third inning.

### MIDGETS

#### M&Ms 13, Red Devils 10—

It was a tight battle between the two teams Monday, and at the end of five innings the score was 9-8 in favor of the Red Devils.

Then the M&Ms exploded with home runs from Heidi Knickerbocker, Stacey Murphy and Debi Urbanek. Red Devil Linda Laier doubled and made a good catch on a pop foul fly to help her team along.

#### Panthers 9, Daisies 3—

The Panthers boomed 19 hits to get their first win of the season. Trisha Mattoff handled starting pitching duties, with Teresa Reed coming on to throw in relief.

Panther hits were slugged by Holly Martin, Dena Stevens, Jill Koch and Vanessa May. Defensively, Peggy Hammerschmidt caught three pop flies for the Panthers.

#### M&M's 2, Daisies 6—

It was an exciting battle Wednesday night as the Daisies and M&Ms played a close game.

M&M Heidi Knickerbocker slammed two home runs and accounted for six RBIs. Laura Torres also had a big night, with a home run and five runs batted in.

Defensively, M&M's Alicia Dorrow made a double play and Jenny Smith snagged two fly balls.

## What's worse than having your \$45,000 house burn to the ground?

### Having an insurance policy that only pays \$25,000.

Every year, inflation and rising property values increase the value of your home. And make it that much more expensive to replace should something happen to make it a total loss.

If you aren't covered by Auto-Owners . . . well, maybe you should be replacing your present insurance. Let us fill you in. Before you have to replace your home.

Because this modern Auto-Owners policy is designed to keep pace with rising values automatically.

If you aren't covered by Auto-Owners . . . well, maybe you should be replacing your present insurance. Let us fill you in. Before you have to replace your home.

**Four Boys Graduate from Webelos to Boy Scout Troop**

Final meeting of Cub Scout Pack 435 was an exciting end to all the Cub Scout efforts of the past year.

The graduation of Webelos to Boy Scouting was a solemn ceremony witnessed by distinguished guests Alice Atkinson, Boy Scout district commissioner; and Richard Cook, scoutmaster of Troop 425 in Chelsea.

The detailed and dignified candlelight ceremony began with an explanation of the Arrow of Light award which is presented to each graduating Webelo by his parents. Later, Richard Cook welcomed each Webelo into Troop 425 of the Boy Scouts. The new Scouts are Joe Eassa, Rick Niethammer, Phil Patterson and John Stephenson.

Further business included badges and awards for Scout-O-Rama ticket sales. Awards for the five highest ticket sellers went to A. J. Watkins, 60; Jeff Smith 75; Randy Dale and Rick Niethammer, 100 each; and Chris Gieske, 120.

Other awards were given to those who are remaining Cub Scouts:

Jeff Smith, silver arrow; Paul Damm, Bear badge; Tony Flin-toft, Bear badge; Owen Wilcox, gold and silver arrow; John Stephenson, Arrow of Light, naturalist and outdoorsman awards; Joe Eassa, Arrow of Light; Robert Lyerla, Bear badge; Pat Houle, Bear badge; Randy Dale, Bear badge, gold and silver arrows; Chris Gieske, Bear badge; A. J. Watkins, Bear badge, gold arrow; David Freitas, Bear badge, gold and silver arrows; and Mike Thompson, silver arrow.

The Cub Scout summer camp-out will be held June 21-22 at Hudson Mills Metro Park with a family picnic to top off the week-end Sunday afternoon.

The pack meeting closed with a

Week of June 16-23

**BUDGET BIND** — Due to continuing uncertainty about Michigan's economy, it is probable that a budget for the 1980-81 fiscal year cannot be completed before fall. Schools and local governments will be advised of amounts to expect, however.

**GOOD NEWS** — Next month the state will subsidize bus tours on a daily basis for visitors to the eastern Upper Peninsula, to help offset a decline in tourism caused by higher gas prices. Included are St. Ignace, Tahquamenon Falls and Sault Ste. Marie.

**BAD NEWS** — MESC figures for May show that Michigan unemployment was 607,000, the highest in history; the jobless rate was 14 percent. This results from a combination of summer-job seekers and unemployed auto workers now in the labor force.

**TAX PROPOSAL** — The House Taxation Committee will this week consider SJR "X", which proposes a constitutional amendment to cut property taxes and raise the state sales tax. This was approved in the Senate by a vote of 29 to 4. Concern in the House centers on providing guarantees that local governments would not lose money if the proposal is eventually adopted.

**ARBITRATION OK** — The Michigan Supreme Court has upheld the constitutionality of our 1969 law which provides for binding arbitration in public-employee labor disputes. A 4-3 majority of the Court said that the law was in fact a constitutional delegation of legislative power. In a 1975 case, the Court had deadlocked 2-2, leaving the issue undecided.

**HOME WARRANTIES** — The House has approved HB 4921, which would require homebuilders to provide warranties guaranteeing the construction of a new home and its electrical, heating and plumbing systems. The construction warranty would cover faulty work or materials for one year and structural defects for 10 years; the electrical, heating and plumbing warranty would be two years.

**ATTENTION SYLVAN TOWNSHIP RESIDENTS.**

Sylvan Township is a rural area and to maintain the beauty for people within the township and for those visiting the area also. Due to the many calls of complaints it is the decision of the Township Board to enforce the Zoning Ordinance Section 56.03 which is printed below in its entirety:

**SECTION 56.03—STORAGE OF MATERIALS**

The location or storage of abandoned, discarded, unused, unusable, or inoperative vehicles, appliances, furniture, equipment, or materials shall be regulated as follows:

A. On any lot or parcel in any recreation-conservation district, agricultural district, residential district or commercial district the owner or tenant, but not for hire or for business, shall locate and store such materials within a completely enclosed building.

B. On any lot or parcel in any industrial districts the owner or tenant, whether or not for hire or for business, shall locate and store such materials:

1. Within a completely enclosed building; or
2. Within an area surrounded by a solid, unpierced fence or wall at least seven (7) feet in height and not less in height than the materials located or stored therein, and not closer to the lot lines than the minimum yard requirements for buildings permitted in said districts.

C. The storage of materials and inoperative vehicles with current and valid license plates may be made to conform to the regulations of this Ordinance or shall be removed by the land owner. If the land owner fails to remove a non-conforming use it may be deemed a violation of the ordinance and subject to the penalties provided for in this Ordinance.

# ASK THE GOVERNOR

by William G. Millham

**Question:** What was the purpose of your recent Detroit Riverfront conference?

**Governor:** This two-day event, called "The Renaissance of a Riverfront," was held at the Detroit Yacht Club on Belle Isle, June 11 and 12. The purpose was to provide a forum for the exchange of viewpoints of public and private interests on riverfront development.

The conference included state, local and federal officials, representatives of Canadian communities and private interests in the United States and Canada.

Participants discussed private sector initiatives by Detroit, Wayne county, Windsor and Essex county business leaders, and discussions of public sector initiatives and preferences by State Commerce Director William McLaughlin, Chairman Samuel A. Turner of the Wayne County Board of Commissioners, representatives of Detroit, the Essex Region Conservation Authority and other state and local governmental agencies.

The group also attended a presentation on Canadian riverfront plans in Windsor's Cleary Auditorium.

Like the cities on its banks, the Detroit River is undergoing a rebirth. It is being cleansed, the fish are returning; more and more people are turning to this unique river as a means of recreation, a source of beauty and a point of local pride.

Private, municipal and state interests have worked together in revitalizing Detroit and many other Michigan cities. I hope that this same coalition—with the added element of our Canadian

neighbors—will accomplish similar wonders with the Detroit riverfront.

The revitalization of one of the most visible and traveled riverfront areas in Michigan—our gateway to the world—presents a challenge to both the public and private sector.

Michigan's role in world commerce is growing. We are the second largest exporting state in the nation. A balanced riverfront program will certainly have an impact on our port development—and therefore on the economy of the entire state.

**Question:** What is the purpose of the Diesel Fuel Package, recently signed into law?

**Governor:** The bills (HB 5705, 5706, 5707) increase the diesel fuel tax from nine to 11 cents per gallon, require both in-state and out-of-state trucks to purchase permits to qualify for a six-cent-per-gallon discount and require out-of-state trucks either to purchase fuel in Michigan or to pay an equivalent tax for miles traveled in the state.

This minimum purchase requirement is new to Michigan; it has worked successfully, we are told, in approximately 35 other states. The package is intended to bring the diesel fuel tax in line with gasoline taxes (11 cents per gallon), while addressing the problems of truck stop owners near Michigan's borders. The owners said their businesses have suffered losses because, at 11 cents per gallon, Michigan's total tax on diesel fuel was five cents higher than in Indiana and six cents higher than in Ohio and Wisconsin. Truckers simply purchased their fuel in those states before entering Michigan.

NEIL E. BOLLINGER, left, was the recipient of the Michigan Rural Rehabilitation Corporation Award at the Michigan State University College of Veterinary Medicine's annual honors banquet, May 27. The son of Lee Bollinger, 2811 Peckus Rd., Bollinger was one of 21 veterinary students honored. Presenting the scholarship to Bollinger was E. B. Hill, secretary-treasurer of the corporation. "The professional veterinary curriculum at MSU is very demanding," said John Welsler, dean of the college. "To be selected to receive this award is evidence of outstanding personal achievement."

## T-Ball Teams Run Up Big Scores

Chelsea's T-Ball season started out last week with the Mariners engaging the Blue Jays in a tough game.

The Mariners' tough defense, led by Nick Houle, Brian Bell and Jim Steele, was the key to the game, that had the Mariners winning, 30-18.

Offensively, the Mariners' big bat was Brian Zangara with two doubles and aggressive base running.

The Blue Jay offense was led by Lance Satterthwaite and Shawn McDaniel, with two home runs each.

**Tigers 28, Rangers 27—**  
In an exciting last inning, the Rangers came back to tie the score at 27-all, only to see the Tigers come back in their half of the inning with one run to win the game.

**Phillies 34, Orioles 34—**  
In a game sparked by plenty of offense from both teams, Tom Steele led the Phillies with an

unassisted double play and several hits.

Ricky Wescott also had a two-run homer.

For the Orioles, Erika Boughton played an exceptional second base, with Chris Spencer and Todd Redding hitting home runs and Chris Mohl rapping several triples.

**Blue Jays 25, Rangers 17—**  
The Blue Jays came out strong in the first inning with two home runs, and added five more before the contest was through.

The Rangers stayed close throughout the game with the help of two double plays.

Standings as of June 13 are as follows:

	W	L	T	Pts.
Mariners	1	0	0	2
Tigers	1	0	0	2
Blue Jays	1	1	0	2
Phillies	0	0	1	1
Orioles	0	0	1	1
Rangers	0	2	0	0

## Yankees, Giants Lead Pony League

Action continued last week and early this week in Chelsea Recreation Council Pony League baseball.

Following are results of the contests:

**Reds 15, Giants 10—**

In Wednesday night league play, Coach Bareis' Giants jumped out to an early eight run lead, capitalizing on defensive miscues by the Reds.

Giants were unable, however, to hold their lead when the Reds put together a 15-run fourth inning around a Mike Ball triple that put the game on ice for the Reds.

Steve Kroft contributed two singles for the Reds.

**Dodgers 9, Twins 3—**

In the late game Wednesday, Coach Bently's Dodgers hammered out 11 hits, four of them home runs, to beat the Twins, 9-3.

Garland DeYoe and Kyle Kemish hit two-run homers and Brent Bauer and Chris Baker added solo shots.

Ricky Boham pitched a fine six-hitter to pick up the win.

**Giants 12, Orioles 10—**

The first week of Pony League play was wrapped up Thursday as the Giants beat the Orioles in a slugfest.

The Giants built up an early lead on a homer by Chris Herter and triples by John Wilcox and Mark Mull. Herter picked up the win.

After spotting the Giants to a huge lead, the Orioles came back strong in the late innings to make the final score close. Scott Burkhalter brought all spectators to their feet with a long, three-run Oriole homer over the center-fielder's head.

**Yankees 9, Reds 2—**

The second week of Pony League action saw an early season showdown between Coach Marshall's Yankees and the Reds of Coach Larson.

The Reds scored early runs and were leading 2-0 going into the fifth inning. Pitcher Jeff Larson had held the Yankees scoreless.

Then, in the fifth, the Yankees broke loose for nine runs, highlighted by a bases-loaded blast from Brent Hall. Chuck Downer got the victory for the Yankees with relief help from Jeff Salyer.

The Reds' infield turned two quick double plays.

**Giants 13, Twins 8—**

In a late game Monday evening, Assistant Coach Sweet led the heavy-hitting Giants to a victory over the Twins of Coach Conner.

Home runs were hit by Phil Sweet, Matt Grau, Ed Esch and Mark Mull. Rick Proctor, Dave Bareis and Dave Dresselhouse contributed run-scoring doubles. Chris Herter picked up the win for the Giants.

For the Twins, Ron Ferry had two hits in a losing cause.

Standings as of June 16

	W	L	T
Yankees	2	0	0
Giants	2	1	0
Reds	1	1	0
Dodgers	1	1	0
Orioles	1	1	0
Twins	0	3	0

## Chelsea Players Furnish Muscle To Refinish Stage

Friends of the Chelsea Players donated a lot of muscle and manpower to the refurbishing of the Chelsea high school auditorium stage recently, in preparation for their upcoming production of "The King and I."

The Chelsea School Board furnished varnish and paid for rental of sanding and varnishing machines, and the work was done by Brian Myers, stage manager, and Michael Short, technical director.

According to Julie Vorus, the play's Oriental characters are required to perform in bare feet, and splinters from the chewed up stage were becoming a common occurrence.

"The King and I" by Rodgers and Hammerstein will be presented by the Players the week-end of July 17-19.

Over 250 million pounds of bread are produced each week in the U.S., according to farm specialists.
