DEED TO WILDLIFE PROPERTY is presented to conservation officials by the donor, Will Connelly of Chelsea. Receiving the deed is William Fishbeck, chairman of the Washtenaw County Soil Conservation District. With him, left to right, are Clark Eacker, district conservationist, and Arnold Dougan, administrative assistant.

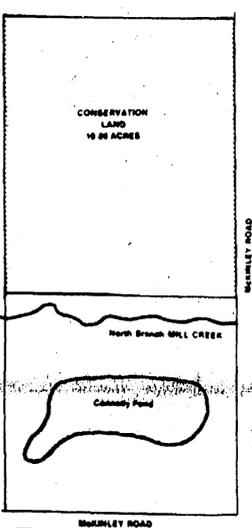

## Connelly Parcel Given For Wildlife Sanctuary

A 10.86-acre parcel of land along McKinley Rd. in Sylvan township has been given by its owner, Will Connelly, to the Washtenaw County Soil Conservation District for the benefit of wildlife.

"The gift of this parcel does not represent another withdrawal of prime soil from the land resources of our county," Connelly said. "The parcel is not good for agriculture except, perhaps, for berry raising. It does contain two areas suitable for homesites. Its ideal use, however, is as a sanctuary for wildlife and that is how we have maintained it during our 10 years of ownership. By turning the land over to conservationists it can be preserved for wildlife for many years to come."

William Fishbeck, chairman of the board of directors of the conservation district, expressed gratitude for the land gift and stated that 700 autumn olive shrubs have already been planted to enhance the cover and improve wildlife food production capabilities of the land.

According to District Conservationist Clark Eacker, "Low-

Washtenaw county, wetland areas are surrounded by land that is extensively cultivated. The vegetation in and around the wetland area provides the only permanent habitat for wildlife. In the case of the Connelly property, there is a mix of vegetation growing on the site which gives it great versatility. Openings exist consisting of grasses which constitute a meadow-like condition that is beneficial to ground-nesting birds. Scattered fruit-bearing shrubs dot the site in random clumps and provide a source of food as well as cover. An occasional larger tree adds further variety to the vegetative composition.

"The adjacency of Mill Creek to the property," Eacker continued, "provides a water source which is also essential in sustaining a permanent wildlife population."

"The effort of the Washtenaw County Soil Conservation District in managing the Connelly site, assisted by the Soil Conservation Service, will perpetuate the existence of this resource in our natural environment."

## Dodgers Take Over Lead in Pony League

The Dodgers are on top of the Pony League after last week's play, boasting a 5-1 record. Right behind, however, are the Yankees and Orioles with identical marks of 4-2.

**Yankees 13, Twins 2—**  
The Yankees started off Pony League action Wednesday night with a decisive win over the Twins. The Twins' bats went silent while the Yankees pounded out nine hits.

Brian Farley led the Yank attack with three singles and made an outstanding play to cut down a Twin batter on a nice bunt attempt.

Dwayne Pate ended the game by making a spectacular catch of a long fly ball to center field.

For the Twins, Richard Connor, Steve Fleischman and Dave Merkel collected hits.

**Orioles 14, Reds 4—**  
In the second Wednesday game, the Orioles of Coach Petsch defeated the Reds of Coach Larson, 14-4. The Orioles smacked nine hits, including a double by Steve Kroft and a perfect bunt by Matt Koenn.

Excellent defensive play by Orioles Shane Brown and Matt Koenn helped kill Reds' rallies.

For the Reds, Steve Wingrove welded the big stick with a run-scoring triple, one of eight Red hits.

**Dodgers 11, Giants 7—**  
In the only game Thursday night, the Dodgers of Coach Bentley beat Coach Barels' Giants, 11-7. Hitting star for the Dodgers was Bret Knickerbocker who slugged a triple with the bases jammed.

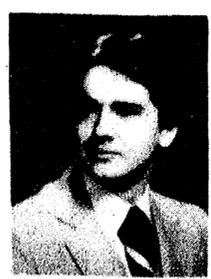

David Steinhauer picked up several stolen bases with daring base running. Hurler Eric Green picked up the victory for the Dodgers.

# Fatal Gun Accident Tuesday Claims Life of 18-Year-Old

A tragic accident with a gun that was supposed to be unloaded claimed the life of an 18-year-old Chelsea man Monday afternoon.

Todd Wright, a 1980 Chelsea High school graduate, died at University of Michigan Hospital Monday, brief hours after being accidentally shot through the heart with a .22 calibre rifle.

TODD WRIGHT

The incident occurred in a home on S. Main St. as Wright and his good friend Todd Koch, also 18, were enjoying a lazy afternoon listening to records and relaxing.

According to Chelsea Police Chief Robert Aeillo, Koch said he was "fooling around" with a .22 rifle as he and Wright sat listening to music in Koch's bedroom. Koch picked up the rifle, Aeillo said, checked to see that it wasn't loaded, and then pointed it at the

wright and pulled the trigger, producing a click.

Koch then racked the rifle twice more, Aeillo said, and pointed it toward Wright in fun. When he again pulled the trigger, the gun fired full into Wright's chest.

Police speculate that a bullet in the feed tube of the rifle failed to

enter the chamber the first time Koch pulled the bolt, but then chambered when he racked the gun twice more.

Wright was taken by ambulance to Chelsea Hospital emergency room, where his condition was stabilized. He was then transferred to University Hospital in Ann Arbor, where he died shortly after arrival.

Aeillo said that the incident is being treated strictly as an accident.

"They were the best of friends all through school," he said. "I mean, the best of friends. That's why we have no reason to doubt that it was anything but an accident."

Wright was born Nov. 16, 1961 in Ann Arbor. He graduated from Chelsea High school June 8, 1980 and had been a tackle on the football team. He was a member of

the First Congregational Church of Chelsea and was employed at the Fox Village Theater at Maple Village.

Surviving are his father, Robin Wright of Saline; his mother and step-father, Nell (Wireman) and J. Glenn Culler of Dexter; paternal grandmother, Elvora Wright of Chelsea; paternal grandfather Bert Wright; maternal grandparents, Mr. and Mrs. W. P. Wireman of Salyersville, Ky.; several aunts, uncles and cousins.

Funeral services will be held Saturday, July 5, at 2 p.m. at the First Congregational church of Chelsea with the Rev. Carl Schwarm officiating. Burial will follow at Oak Grove Cemetery.

Memorials may be made to the Congregational church in Todd's name. Envelopes are available at the Staffan Funeral Home.

FATAL ACCIDENT: Emergency Service Technicians prepare to rush local resident Todd Wright to the emergency room after the 18-year-old was accidentally shot in the chest with a .22 rifle Tuesday afternoon. Wright, a June 1980 Chelsea High school graduate, died shortly afterward at University of Michigan Hospital in Ann Arbor. Police termed his death as strictly accidental.

CHARRED LUMBER and a stone chimney are about all that remain of this cabin at Cassidy Lake Technical School, which State Police say was deliberately set on fire at about 3 a.m. Friday. One resident of the cabin, Gregory Noble, was badly burned and is being treated at University Hospital. No other injuries occurred among the six men in the cabin.

## Cassidy Lake Inmate Burned in Cabin Fire

An inmate of Cassidy Lake Technical School remains in serious condition at University Hospital in Ann Arbor after being burned in a Friday morning fire that destroyed a small living unit at the correctional facility.

Gregory Noble, 20, was burned over 27 percent of his body in the 3 a.m. fire, which State Police have indicated is probably a case of arson.

Cassidy Lake Superintendent Joseph Weinberg's office indicated Wednesday that the State Police are proceeding on the assumption that it was almost certainly deliberately set fire.

Investigators at the scene of the fire said Friday that there was almost no doubt that the fire had been set deliberately, but would not offer comment on the possible motives for the fire or whether Noble was its intended target.

Of the six men occupying the dwelling, Noble was the only one seriously burned. Two others were injured slightly but were not hospitalized.

Weinberg said Tuesday that Noble had been up walking and taking fluids. "He seems to be in good shape," the superintendent said, but added that doctors don't

The fun begins at 11 a.m. with 2,000 extra-heavy chickens roasted to perfection for the traditional chicken barbecue. Price for the dinners is \$3.25 per person.

Supervising the roasting of the poultry will be John Popovich.

A four-wheel drive Truck Pull will begin at noon. Admission is \$2 per person and the grandstands can accommodate 3,000 spectators. Richard Bollinger is in charge of this new July 4 event.

Contributing to the cost of the pyrotechnics this year were the American Legion, with a donation of \$550, Chelsea Kiwanis Club with a \$500 donation, and Chelsea Milling, BookCrafters and Dana, with gifts of \$150 each.

All the activities will take place at the Chelsea Fairgrounds on Old US-12. The Fair Board will be supplying people to work the gates for the huge expected turnout.

## Royals Still Lead Babe Ruth League

In Babe Ruth action last week, Chelsea's Royals swept two games to move to the top of the pack with a 4-0 record.

On Tuesday, the team played Dexter American Broach, which was undefeated going into the contest.

Chelsea pitched Jeff Blanchard and at the end of five innings had a 6-5 lead. Mark Issel slammed a lead-off double in the second inning for the locals, sparking a rally that saw Chelsea wind up on top, 9-6.

Scott Dault and Jeff Blanchard both went two-for-four.

Thursday's game matched up Charles Waller's Babe Ruth team with the Chelsea Royals. Bob Trevino went to the mound against Tom Headrick of the Royals. Both went the distance, but Headrick took his second win

as the Royals edged out their opposition, 3-2.

Trevino struck out nine and walked one. Headrick had 11 strikeouts and walked two.

Waller's team scored first in the second inning, as Jay Marshall doubled and advanced to third on an error and scored on yet another miscue.

The Royals came back in the third, scoring with a combination of a hit batsman, stolen base and a Headrick double.

The Waller group broke the deadlock in the sixth as Jay Marshall tripped and scored on Jim Ritter's single. The Royals, though, came right back again in the top of the seventh and scored on a Guy Gross single, Bill Merkel double, and Dave Gipson double.

The other team couldn't dent that lead and the Royals won, 3-2.

**ABWA Members Observe Chapters 4th Anniversary**

Chelsea Charter Chapter of the American Business Women's Association members met at the home of Pat Baldwin for their June meeting. They were joined by 10 Apollo ABWA members from Jackson and one member from Cloverleaf Chapter of Ann Arbor to help the Chelsea Chapter celebrate its fourth anniversary.

A pot-luck dinner was enjoyed with anniversary cakes brought by the Apollo Chapter and Lena Behnke, newest Chelsea chapter member.

President Geraldine Sullivan conducted the business meeting. Plans were discussed for a booth at the Chelsea Fair. Funds from this project as well as the Flower Show, are used for college or university scholarships. Recipients of scholarships for 1980-81 are Diane Luick, Debbie DeSmyther, Carol Hubbard and Kate Quackenbush.

Vocational speaker Eleanor Hall explained her work at Rademacher-McLaughlin law office.

Shirley Schneider introduced speaker Marilyn Marsh of the Apollo Chapter. She shared some facts about the advantages of belonging to ABWA. She pointed out the regional meetings are beneficial and workshops are geared to the working woman.

Marsh emphasized the need for members to support their officers and to work diligently for the chapter. She concluded by saying that the vessel cannot be guided by the officers alone — it takes teamwork.

Election of officers for 1980-81 resulted in the following members being elected:

Shirley Schneider, president; Jean Hubbard, vice-president; Patricia Baldwin, recording secretary; Maxine Kushmaul, corresponding secretary; Judy Moisan, treasurer. These officers will be installed at the July meeting, to be hosted by Judy Moisan.

Five members have indicated that they plan to attend the National Convention, to be held in Phoenix, Ariz., early this fall. Jean Hubbard will represent the Chelsea chapter as official voting delegate.

Door prizes of plants and cookies were drawn at the conclusion of the June meeting.

**Players Boast Professional Staff in Musical Production**

It will be a case of the Far East meeting the stiff-upper-lip British west in the Chelsea Players' upcoming production of "The King and I."

The perennial Rodgers and Hammerstein musical will be performed July 17-18-19 at 8 p.m. and July 19 at 2 p.m. in the Chelsea High school auditorium.

"The King and I" was written during the glorious reign of Richard Rodgers and Oscar Hammerstein II as royalty of the American musical theatre. It is a fantasy and yet is rooted in the lives of real people.

The unique charm of the musical comes in part from its combination King-child-tyrant-hero who flouts musical comedy convention by dying on stage.

A successful production must capture a kind of chemistry between cast and directors. One of the ingredients of that chemistry is Jeanette Tracy Brock.

Raised in Long Beach, Calif., Brock began the study of piano, voice, dance and drama at age four. This study continued through voice study at USC and degrees in music and teaching from California University.

Brock has sung professionally the world over in oratorio and opera. She is now a music and drama reviewer for the Ann Arbor News and has directed many shows for civic theatres in the area.

Brock is also a homemaker with two sons. She has 40 private voice and piano students ranging in age from four to adult. Among her achievements, she was chosen Woman of the Year in California in 1970. Her husband is an executive with Ford Motor Credit Co.

Brock teaches musical theatre for the Ann Arbor Recreation Department and is also a member of the Goodtime Players, a professional group specializing in children's theatre.

Currently, she is in the midst of planning musical theatre workshops for next fall.

In her directing, she approaches tasks with the attitude of a teacher. She takes as much time as possible to explain stage directions to the cast members, professional as well as novice.

Part of the team helping to develop a unified stage picture are choreographer Robert Miller, musical director, June Warren and technical director Michael Short.

"I don't pretend to know every aspect of theatre," says Brock, "and am constantly looking for a good support team."

Andy Mennick, a drama major at Grinnell College, is assistant director, and Brian Myers, also a drama major, is her stage manager.

As a musical play, "The King and I" is constructed around healthy egos. The King, played by Jim Rowe, believes his is always right in his support of the traditional ways. Anna (Kathy Schneider), however, is a Victorian British woman with her beliefs more firmly anchored in the 20th century than in the 19th.

Louis, played by Tucker Lee, is Anna's son, and Beverly Slater of Chelsea portrays Lady Thiang, the king's head wife.

The king's favored wives and children comprise the chorus.

Also included in the cast are the Prince (Mike Smith), heir apparent to the throne, who is experiencing the stirrings of a desire to modernize Siamese ways.

Tuptim (Cassie Lloyd) is a

JEANETTE TRACY BROCK

slave brought to the King by Lun Tha (Vince Zullig) from Burma. The Kralahome (Jack Henderson) plays an important role as advisor to the King.

Pomp and splendor is provided by a men's chorus of priests and castle guards, and comic touches are added by Phra Alack (Ed Smit).

Two smaller plays are presented within the larger framework. A ballet called "The Small House of Uncle Thomas," is a uniquely Eastern translation of "Uncle Tom's Cabin." Meanwhile, the secret love story of Tuptim and Lun Tha is played out under the nose of the jealous King.

The King, despite cruel and childish actions, is loved by audiences because innocence and

goodness are also childish. Yul Brynner created the role on stage and in the motion picture. He continues to do the role in London in a revival.

Weeks of hard work have been contributed by many people in planning music, costumes, sets and a thousand other details.

"Hopefully, we will pack the house every night," says director Brock. "Regardless, we have a production that will knock 'em dead!"

Tickets may be purchased from any cast member or at Pierson and Riemenschneider Realty, 111 Park St. For more information, call 475-9101.

## Yankees Dominate Farm League Play

The Yankees continue to dominate the Farm League standings this week, being undefeated with no losses. The Indians are right behind, however, with two wins and a tie.

**Yankees 19, Royals 7—**  
 The Yankees took control of the game in the first inning by pounding out home runs off the bats of Larry Nix and Dave Adams. The duo of Nix and Bill Coelius made a superb double play in the second inning.

**Indians 15, Twins 12—**  
 The Indians came from behind again, this time on home runs by Mike Taylor and Rob Finch, to beat the Twins.

Mark Chasteen and Junior Morseau made tremendous catches to anchor the defense. The Twins socked four homers to keep the game close.

**Athletics 11, Tigers 10—**  
 The Athletics, sparked by A. J. Watkins' two home runs, and good defense by Dave Bable and

Mike Spade, came back in the fifth inning to sink the Tigers.

The Tigers got home runs from Mike Hollo and Todd Hamel, good defense from Jeff Patterson to tie the score in the fifth.

**Royals 5, Twins 4—**  
 The Royals scored all five runs in the second inning with the help of a Robbie Lyerla double, a Brett Paddock triple and a round tripper by Jerry Crawford.

Brett Wales, Chris Callison and Chad Starkey all played sparkling defense.

The Twins got a home run from Jeff Marshall and great defense from Joe Koszegi, only to fall short by one run.

**Yankees 15, Orioles 5—**  
 John Collins, Todd Carter, Dave Adams and Larry Nix all hit home runs to help power the Yankees to a 15-5 win. Craig Zuehlke also contributed with a double.

The Orioles got a double and a homer from Loren Keezer, and homers from Tony Flintoft and Steve Williams.

**Indians 8, Athletics 8—**  
 The Indians came back again in the fifth inning, but only to tie, as the Athletics put up a tough defensive front. The Athletics got key hits from Ted Wheaton, Jeff McDougal and Eric Freysinger.

Indians were sparked by Jeff Latimer and Jim Miller, hustling defensively.

**Orioles 8, Athletics 7—**  
 In a make-up of a rained-out contest, the Orioles hung on to beat the Athletics. Orioles got great defense from Greg Clark with a home run and single, Bill Huettelman with a double and

single, and Danny Pletcher with two singles.

Defensively, Tony Flintoft made some spectacular catches, Robbie Stofer played exceptional first base and also had a bunt single.

The Athletics got great hitting from Randy Dale and Bob Wilhoit, with Dave Kvarnberg showing excellent defensive hustle.

## Good Things Growing In Michigan

It's blueberry season in the state where good things are growing! Blueberries are nature's original convenience food. You don't have to pit, peel or hull them — simply wash and enjoy by the handful, in fresh salads or covered with Michigan cream and sugar.

Delicious Michigan blueberries, available fresh from now until summer's end, are ideal for making pancakes, pies, muffins and cool, refreshing summer beverages.

Our state harvests the largest blueberry crop in the U. S., about one-third of the nation's supply. Thirty-six million pounds of blueberries were produced last year, worth more than \$16 million, according to the Michigan Department of Agriculture.

One-third of Michigan's blueberry crop is sold through fresh market outlets each year. The remainder are processed into more than 35 different blueberry products for consumption year-round.

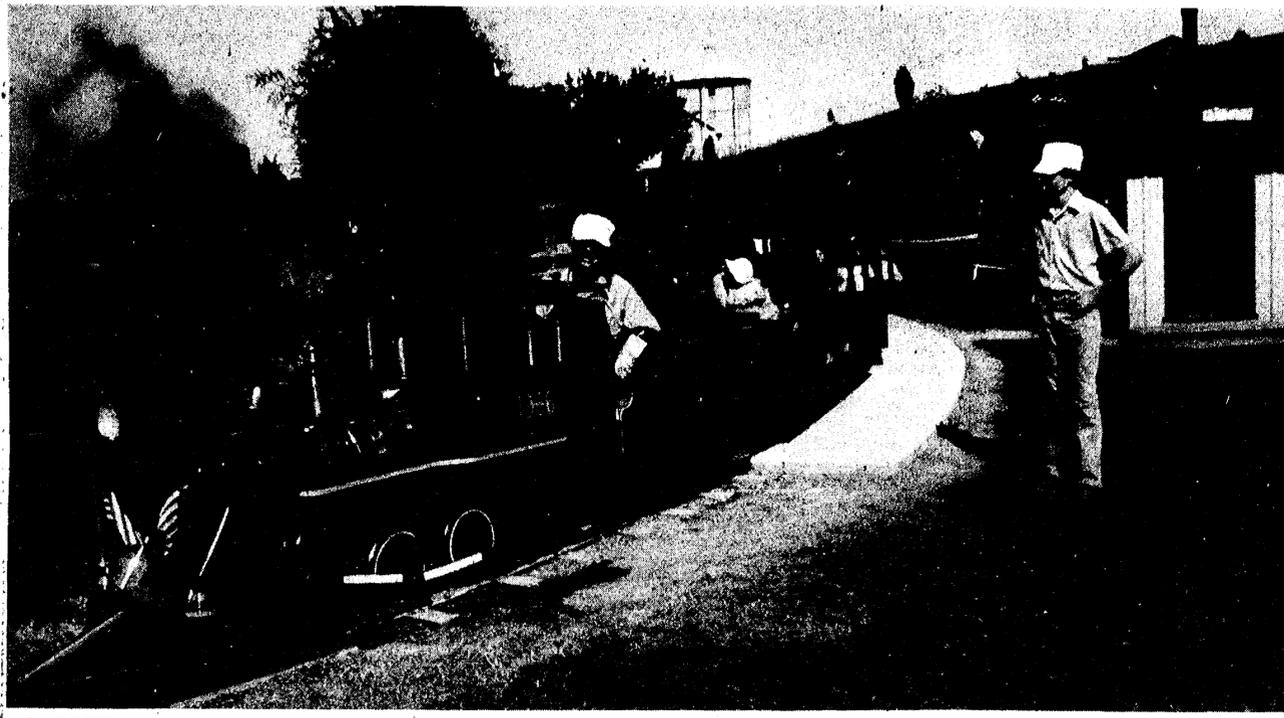

If you're going to pick-your-own at one of our state's many blueberry farms or buy them at area markets, plan to get enough to put some extra 'summer' in your freezer or make some homemade jam.

Select plump, firm berries, dark blue in color with the silvery bloom still covering them. The bloom is a natural protective waxy coating.

Store berries for winter months the quick way by just putting them into containers and freezing. If you wash berries before freezing, they tend to become mushy when thawed.

For a listing of more than 1,000 pick-your-own farms and roadside markets, write for a free copy of "1980 Michigan Country Carousel" from the Michigan Department of Agriculture, P. O. Box 30017, Lansing 48909.

DON DREW, engineer and owner of his very own railroad, rounds the bend with a group of delighted riders in tow. His grandson, at right, lends a hand by taking tickets. Drew's North Territorial Rd. railway is a hobby

for his retirement years and also affords younger generations a glimpse into the transportation of the past. An employee of Ypsilanti State Hospital for almost 40 years, Drew still recalls his early days as a fireman on the

Michigan Central Railroad in Jackson. The water tower and small depot that service Drew's own railroad indicate that he has fond memories of the days of steam locomotives.

# Lake Shore & Lyndon Central Railroad Operated By Retired Engineer Drew

"Steam engines are very human," wrote William McFee sometime early in this century. "Their very weaknesses are understandable. They have arms and legs and warm hearts and veins full of warm vapour. Give us steam every time. You know where you are with steam."

Don Drew's sentiments exactly.

On any given day of the week, Drew can be found at his North Territorial Rd. home adjusting, tinkering with and admiring his very own specimen of a genuine, warm-blooded, steam-powered locomotive engine.

That engine, together with five passenger cars pulled along behind, constitutes the Lake Shore and Lyndon Central Railroad: owned, operated and managed by former railroad man Don Drew.

Ever since 1966 when rails, cross ties and the train itself began to arrive, Drew has offered rides on his miniature railroad. More than just a ride, youngsters have had a chance to see what kind of trains great-grandma and grandpa used in place of a family car.

Drew recalls that the whole thing began at the Pittsburgh bicentennial celebration in the early 1960's. Visiting his son there and enjoying the festivities, Drew said he encountered a small working railroad set up in a carnival.

Although a railroad fireman for only a few years, Drew said the sight of a steam engine fired his imagination.

"It was the first time I'd seen

one in years," he said with a deliberate twinkle, "and the smell of the smoke and the steam made me sick. I said, 'One day I'm going to own one of these.'"

It was in 1965 that Drew wrote to Crown Metal Products in Pennsylvania inquiring about getting a railroad of his own. The company works strictly on a special order basis and they built the Drew railroad to his specifications.

Still working full time at Ypsilanti State Hospital in charge of mechanical maintenance, a post he retired in 1972, Drew nevertheless found the time to lay some 3,500 feet of 15 gauge (15 inches apart) rail in a figure-eight shape on the land behind his house.

The scenic ride begins at a small wooden depot building and winds around a quiet lake and through trees to complete one loop of the journey. The tracks cross near the storage building for the cars and engine, and then continue back into another wooded area, looping back to the depot where the ride ends.

Passengers clackety-clack their way on a six-minute ride over two-thirds of a mile of track. The coal-fired engine reaches speeds of five to ten miles per hour, although, Drew adds impressively, "it will hit 95 miles per hour... going downhill... in the shade."

Although Drew only worked on the Michigan Central Railroad only a short time, figuring in 1931 that a job at Ypsi State would be more permanent, he has lovingly given his miniature line a number of nostalgic touches that

must come from some fond memories.

In addition to the depot with a small passenger platform, riders chug past a baggage cart with a number of steamer trunks waiting to be loaded, a small ticket booth and a charming water tower that actually provides lake water for the locomotive's steam production.

The bare statistics regarding the operation give some idea of the time and care that have been lavished on the conception and operation of Drew's hobby and retirement occupation.

The rails, laid by Drew himself, are 12 pound, which means one yard weighs 12 pounds. Ties beneath the rail measure 3 1/2" x 4 1/2" x 32" long and number about 3,000. In comparison, a normal sized railroad uses rail up to 130 pound and has ties that exceed its 4 foot 8 1/2 inch gauge.

Spikes are 2 1/2" inches long and almost 1,000 pounds of them have been used to hold the rails to the ties.

Most impressive, though, is the small yellow, green and red engine that toots and puffs along in just the same way as the very first trains did early in the 19th century.

Drew says the engine weighs 2,200 pounds ready to run, and generates about 9 horsepower. The boiler, which produces the steam that runs the engine, holds 14 gallons of water. The tender, which accommodates water and fuel for the locomotive, holds 35 gallons of water and 200 pounds of coal.

Optimum operating steam

pressure, Drew said, is between 125 and 145 pounds of pressure per square inch.

One load of coal will take the train on one trip, said Drew. Then it must be cleaned and fired up again before the next ride.

In the early days, Drew was open for business on Saturday and Sunday, but now operates only on Sundays. "At first all the neighbors were customers," he explained, "but after they rode it so many times it lost its fascination."

There are plenty of area people who are not Drew's neighbors, however, and on warm, pleasant Sundays dozens of people come

out to enjoy rides on his unique iron horse. Foremost among his riders are school and nursery school groups, which come from as far away as Ann Arbor.

Visitors and riders, however, seem sort of an afterthought in the scheme of things at the Lake Shore and Lyndon Central Railroad. One gets the feeling that even on weekdays, when no rides are offered, Drew takes his greatest satisfaction from tinkering on the tiny engine, with some help from neighbor Ray Peterson, a gasoline tractor expert.

Meanwhile, he has dropped a slice of vibrant history smack in the middle of Lyndon township.

**JAYCEE HORSE SHOW:** Among the 65 contestants in last Sunday's annual Jaycee Horse Show was Joan Landon (mounted), the youngest rider this year at age three. With Joan are, from left, Show Chairman Mike Hassett; Joan's father, Tom Landon; Dan Bleske, past horse show chairman; Ring Master Otis Armstrong; and Judge Kathryn Koster. Purpose of the show is to prepare youngsters for competition in the Chelsea Fair Horse Show in late August.

## JC Horse Show Draws 65 Contestants

Sixty-five contestants gathered Sunday, June 29, at the Chelsea Fairgrounds for the Chelsea Jaycees annual horse show.

The weather was fine for the show, as young people competed for ribbons and trophies donated by merchants and Jaycees.

Contestants ranged in age from three to 18. Judge Kathy Koster of Plymouth was a huge help in telling the youngsters the rules and giving hints to help in future shows after each class.

Goal of the Jaycees is to give young people a chance to perform in front of an audience and with other contestants in preparation for the Chelsea Fair Horse Show. All agreed that the participants did a fine job of showing.

The event is a youth assistance project, held every year by the Jaycees.

## Area Students Attend Indiana's Honors Program

Among the academically talented high school students attending the June 15-27 session of Indiana State University's 1980 Summer Honors program are Katie Ullman, 20131 Island Lake Rd., and Kathryn Waldyke, 555 Chandler St.

Ullman studied in the specialty of math and computers while Waldyke studied Spanish.

Studying with ISU faculty, students explored their academic interests in varying activities in each of six seminars — chemistry, physics, World War II history, interior design and housing, Spanish, and math and computer science.

The program also gives a chance to sample college life. Young people live in university residence halls and balance their intensive studies with a full recreational schedule including sports, a picnic and closing banquet.

Students successfully completing one of the seminars may earn two hours of university credit. They also may become eligible for a talent grant which waives a portion of their fees upon enrollment at ISU immediately following high school graduation.

Two other seminar sessions are planned for the summer and will include seminars in art, English, government and politics, theatre, archeology, electronics and computer technology, French, life sciences and radio-TV-film.

# Dodgers Move into Pony League Lead

(Continued from page one)  
For the Giants, hitting stars were Edward Esch and Daniel Kimbler.

**Dodgers 5, Reds 4—**  
Friday night, the Reds and Dodgers met to play off an earlier tie contest which had ended at 4-4 after six innings.

The Reds batted first and were retired without a scoring threat. In the bottom of the inning, a defensive miscue put a Dodger runner on first with one out.

Garland DeYoe then lashed a line drive hit to right. The ball eluded the Red right fielder and the winning run came home for the Dodgers, who turned the tie into a victory.

**Orioles 9, Twins 2—**  
In the early game Monday, the Orioles beat the Twins, 9-2.

Both teams stroked five hits each, but defensive lapses contributed to the Twins' demise.

Both teams also managed to turn a double play.

Hitting stars for the Orioles were Rodney Satterthwaite with a double, and William Carter with a triple and three RBIs.

Defensive play of the game was made by Scott Burkhalter, who chased down a long fly into center field then turned it into a double

play by nailing the runner scrambling back to first.

For the Twins, Steve Fleischmann cut down an Oriole at the plate with a superb throw. Hitting star was Ron Ferry with a triple and one RBI.

**Dodgers 8, Yankees 4—**  
In the nightcap, the two teams tied for Pony League lead met in a showdown. In the end, the Dodgers of Coach Bentley beat Coach Marshall's Yankees, 8-4.

Dodgers pounded out 13 hits while yielding just two to the Yankees. The Dodgers also played solid defense, keeping the Yanks off balance and off the basepaths.

For the Dodgers, Bret Knickerbocker blasted a long home run, his third of the season. Rick Boham went 3-for-5 while going the distance on the mound to win. David Steinhauer went 2-for-2 and Steve Whitesall had a double, driving in two runs.

# Soil Conservation District Awards Given

The 31st annual meeting of the Washtenaw County Soil Conservation District was held recently at the Pittsfield Union Grange Hall. William Fishbeck, chairman of the Board of Directors, and Clark Eaker, district conservationist, reviewed activities and highlights for 1979. Eaker also recapped the RCA program and explained the procedure for public input into Phase II.

Helen Van Dyke, of Salem township received the "Outstanding Conservationist" Award in recognition of her efforts in wildlife habitat development—including establishment of shelterbelts and hedgerows—woodland improvement, and pasture and hayland improvement. Mrs. Van Dyke also has a fish pond on her 89-acre farm.

The "Walter Wolfgang Memorial" Outstanding Conservation Farmer Award was presented to David and Philip Gordon. The Gordons were cited for several conservation practices which they have applied to their property in Saline township over a 22-year period. These practices include installation of nearly 4,000 feet of drainage tile, a critical area planting to control hillside erosion, mulching, con-

servation tillage, woodland management, a grade stabilization structure, and a Slurrystone animal waste system.

Mr. and Mrs. Frank Beaumont, publishers of The Milan Booster-Leader were presented with the "Communication" Award for 1979. The Beaumonts received special recognition for their efforts in promoting the conservation effort and keeping the public informed on conservation matters.

The Washtenaw County Road Commission was presented with the Distinguished Service Award for 1979 for continuous cooperation in identifying and solving roadside erosion problems; for establishing a tree nursery to provide a ready source of plant material for soil stabilization and esthetic enhancement; and for assistance with the district's annual Tree Day.

The Environmental Award was presented to the Washtenaw Engineering Co., Inc. of Ann Arbor in recognition of their sensitivity to soil characteristics, topographical features, and other natural site elements in preparation of engineering and design plans for their clients.

**70th ANNIVERSARY:** Edna and Haskel Worden, 31 Cedar Lake Rd., celebrated Sunday with friends and family in honor of their 70th wedding anniversary. With the couple above are daughter, Lorraine Mock, and granddaughter Lola Weber. The Wordens were married July 2, 1910 in Jackson. They lived there until 1941, when they moved here to work in defense industries.

Mrs. Worden worked several years at Federal Screw Works and Mr. Worden retired 22 years ago from Rockwell International. The couple has five children, 24 grandchildren, 42 great-grandchildren and three great-great-grandchildren. Sunday's party was given by grandchildren Lola and Julia Worden and was attended by 83 guests.

**ARSON:** John Fatchell, left, of the Michigan State Police Fire Marshal's Office, looks on as Corrections Officer John Norrington tucks up a sign reading "Arson is a Crime" to the charred remains of a residential cabin at Cassidy Lake

Technical School. One inmate was badly burned in the Friday morning blaze, which State Police investigators are calling deliberately set. They will not yet comment on a motive for the fire.

## Dexter Takes DH From Koufax Team

Chelsea's Sandy Koufax team was defeated by Dexter, 6-0 and 8-5, in a double-header Sunday, June 29.

In the first contest, Dexter pitcher Hosmer hurled a two-hitter. Eric Kruger went the distance on the mound for Chelsea.

Chelsea held Dexter to three runs through the fifth inning, fighting off a third-inning threat. With the bases loaded, center fielder David Sumner caught a long fly to end the inning.

Mike Neibauer singled in the fourth and sixth innings for Chelsea's only hits. Dexter scored three runs in the sixth but came up with no hits in the seventh.

In the second contest, Chelsea hurler Eric Schaffner went up against Dexter pitcher Vroom.

Chelsea jumped off to a 2-1 lead in the first inning, with a single by Mike Neibauer and a double from Doug Pagliarini. Dexter tied it up in the second.

In the top of the third, Chelsea loaded the bases with walks to Dave Bushway and Eric Schaffner and a single by Mike Neibauer.

With two out, Ken Nadeau belted a double to knock in two runs. In the bottom of the inning, Dexter came back with three runs to take a one-run lead.

No runs scored in either half of the fourth inning, but Chelsea turned an excellent double play. Pitcher Schaffner gobbled up an infield grounder and fired to Dave Bushway at second, who stepped on the bag and rifled the ball to Ken Nadeau at first. Pagliarini snatched a shot to third and threw to first to end the inning.

Chelsea tied the score at 5-5 in the top of the fifth when Nadeau singled to score Pagliarini. In the bottom of the inning, Dexter again came back, this time with one run on three hits.

Chelsea's hitting was stopped in the sixth and seventh innings, and Dexter picked up two unearned runs in the sixth to take the contest.

In a non-league game with the Manchester team of Chelsea's Babe Ruth League on Tuesday, the Koufax team won, 7-4, with pitcher Ken Nadeau going the distance.

At Ann Arbor Trust, our simple method for computing service charges on Commercial Checking Accounts makes it possible for you to completely avoid paying any service charge.

**NO GUESSWORK.** Most Banks use a complex mathematical formula to compute service charges on business checking accounts. So you never know what your service charge will be until you get your bank statement. At The Bank of Trust, you always know exactly where you stand.

**WE KEEP IT SIMPLE.** Our Commercial Checking Plans are designed for the business person who doesn't have time to think about complicated fee structures. All you have to do is maintain an average monthly balance of \$1000 or more, and you'll completely avoid paying service charges. Should your monthly average balance be less than \$1000, a flat charge of \$5 will be assigned.

THE BANK OF TRUST IS FIGHTING INFLATION. While other banks are raising their service charges, ours has remained the same for the past six years.

# Children's Theatre Workshop Rehearsing Four Plays for July 12

Rehearsals and classes are well underway for the Children's Theatre Workshop, sponsored by the Chelsea Players.

Some 47 children, aged 8-13, will be learning the ins and outs of musical theater. They are enrolled in classes designed to teach regular and advanced drama, music and dance movement and technical theatre know-how.

Four plays will be presented to the public on Saturday, July 12, beginning at 2 p.m. A donation of about 50 cents is requested. Many talented children are hard at work preparing original plays and adaptations, some of them previous workshop plays.

Phillip Powers will be directing former workshop play "The New Kid in Town," which was written and directed six years ago by Chris Alber, with music adapted from Carol King and Lionel Bart.

Powers' cast includes Karan Kerby, Dawn Olson, Jill Schaffner, Anna Flintoft, Sarah Noah, Tom Schumann, Tami Mullaly, Anna Muncer and Diana Parker.

Patrick Powers, who teaches advanced drama, has written and will direct a light play, "20 min. Lu-Lu." In it, kids find that they learn quite a bit when putting on fund-raising functions.

His cast is comprised of Howie Merkel, Chris DeFant, Steve Miller, Paula Kuzon, Kim Gibson, Gigi Rosenberg, Kathlene Holmes, Amy Henderson, Kelly Kuzon, Stacey Murphy and Holden Harris.

Beverly Yelsik, who also teaches speech and drama to 7th and 8th graders, will be directing "Let's Hear It for the Audience," an imaginative play by Clare Boiko. It incorporates music and opportunities to use pantomime, movement and other creative dramatics.

Her cast includes Mark Lee, Debbie Garman, Ruth Miller, Angie DeFant, Maryan DaVos, Kevin Wengren, Amanda Holmes, Kelly Ghent, Amy Dmoch, John Wilcox, Kristen Muncer, Tina Steger and Allison Thornton.

Marcia Warren, also teaching dance and music workshops, will direct "A Little Bit O' Heaven" by Joyce S. Christmas. It concerns a leprechaun who drops in

on a posh party and creates lively confusion and a wee bit o' Irish fun.

Cast members are Matt Riemenschneider, Jennifer Cattell, Cindy Sterling, Chris Walter, Owen Wilcox, Tyline Greenleaf, Kristen Roberts, Peggy Hamerschmidt, Deann Collins, Dawn Weatherwax, Angel

LAST RITES: Parked outside the Wolverine Tavern following a solemn parade down Main St., this truck bore the "last remains" of the Chelsea Central Fibre Products plant, which closed Friday after 60 years of operations. The mock cortege and the wake that followed were the parting shots offered by now-unemployed plant workers. A

large number of people paused in the afternoon sunshine of Main St. to pay their last respects to the long-lived, home-grown industry. As a final bit of irony, it was noted the casket was borne on a Datsun pick-up owned by one of the plant's employees.

## Central Fibre Products Plant Laid to Rest By Employees

Chelsea's Central Fibre Products plant closed its doors for good at the end of the working day, Friday, June 27.

Declining sales of domestic automobiles, and the consequent drop in demand for auto parts,

prompted parent company Avis Industrial Corp. to move the formed wire products operation to a plant in Indiana and close the Chelsea facility.

With a twist of ironic humor, Fibre Products employees paraded down Main St. Friday afternoon in a mock funeral cortege, with a flower-bedecked casket symbolizing the demise of the 60-year-old local industry. A "wake" was then held at the Wolverine Tavern.

A sign on the truck bearing the coffin made it clear that the displaced UAW Local 437 workers blame their new unemployment status on foreign automobile imports, which the UAW would like to see limited.

Despite the end of manufacturing in the plant, a skeleton office crew of about eight people remains hard at work mopping up what Plant Manager Jack Dunn termed "loads" of paper work.

Dunn said that the office will probably be staffed through the month of July, tidying up the loose ends of the closing.

Negotiations are still continuing with the union regarding the

plant closing agreement. Dunn said items being considered include pensions, insurance, retirement and "just about everything."

Dunn did say that employees are being given the opportunity to relocate and take jobs in other Avis Industrial Corp. facilities, but he won't be sure how many decide to accept the offers until the closing agreement with the local is completed.

Regarding the physical plant itself, which contains some 90,000 sq. ft. of space, Dunn said that steps are being taken to have it appraised, compile a portfolio and put it on the market.

He said that Avis has already received several inquiries about the facilities, and he confirmed that those inquiring were interested in industrial usage of the buildings.

## Dr. Fisher Retires From University

veteran of World War II and a charter member of the American Academy of Family Physicians since 1948.

While in Chelsea, Dr. Fisher took an active part in community affairs. He served as president of the school board from 1953 to 1961, during which time the high school and North school were constructed.

Teaches on the subject What is the Church? For the last five articles we have been engaged in a study of the subject "What is the church?" This week's article will be devoted to a summarization and some conclusions on this subject. 1. We have noted that the word "church" means "the called out," and also the church is described by such terms as: the body of Christ (Ephesians 1:22, 23), the bride of Christ (2 Corinthians 11:1, 2), the house of God (1 Timothy 3:15), and the kingdom of God or heaven (Matthew 16:18, 19; Colossians 1:13). Each of these terms very aptly describe the church, and tell us something about it. The term "body of Christ" tells us that the church is a spiritual body of believers with Christ as its head. We can also see that there is but one body, since there is but one head. When the church is spoken of as "the bride of Christ," we again see one body of believers, all wearing the Bridegroom's name. The church is pictured as a family when it is called "the house of God," and as a kingdom, with Christ as King with all authority in heaven and on earth. 2. We have learned that everyone must do the same thing in order to become a part of the church of the New Testament. One must hear the gospel, because faith comes by hearing (Romans 10:17), one must believe (Hebrews 11:6), one must turn from sin in repentance (Luke 13:3; Acts 17:30), one must confess faith in Christ before men (Matthew 10:32, 33), and one must complete his obedience by being baptized (immersed) for remission of his sins (Mark 16:16; Acts 2:38; Acts 22:16; Romans 6:3-5). After doing these things the Lord adds him to the church (Acts 2:47). If we obey these same commands the early disciples obeyed, what would keep us from being the same non-denominational church that they were? Would not the Lord add us to His church just as He did in the beginning of the gospel era?

# Green Shirts Lead in Both Midget, Junior Miss Leagues

Two green-shirted teams, the M&Ms of the Midget League and the Junior Miss Bandits, were on top this week in Chelsea girls softball.

## JUNIOR MISS Bandits 22, Blue Demons 7-

The Bandits combined the pitching skills of Joan Tobin, Laura Anderson and Lisa Van Schoick to hold the Blue Demons to just five hits. Good outfield work was done by Karen Hawks and Tylene Greenleaf. Bandit Julie Koch led the scoring with four runs. The third inning was a big scoring spurge by the Bandits with a triple by Kerry Henderson and Liz Kincer's steal of home. Demon Laura Nix snagged a line drive then tagged second for a double play in the fifth inning. Coach Betsey Ebbitt commended her catcher Shelly Boham for guarding the plate and gunning down two Bandits trying to steal home.

## Blue Demons 18, Red Devils 17-

An exciting see-saw battle featuring good fielding and hitting saw the Blue Demons skim by with another victory. Sarah Noah and Leigh Spencer provided the key plays for their team's victory. In the third inning, Noah socked a single for two RBIs. She also made a good outfield catch in the final inning. Spencer smacked a single in the top of the fifth, pushing in what proved to be the winning run. She also tagged the Red Devil runner for the last out in the final inning. Coach Ebbitt also pointed to Demon Yvonne Clark who slugged two good hits.

## Bandits 14, Mellow Yellow 12-

Bandits continued their winning ways by slipping by the Mellow Yellow squad. Slugging triples for the Bandits were Joann Tobin and Laura Anderson.

Bandit Coach Karen Tobin praised Tylene Greenleaf for excellent defensive skills in the outfield. Pitching for the Mellow squad was Kim Harden. Kristen Erickson and Carrie Coleman both socked doubles in the losing cause.

## M. Yellow 25, Gamblers 19-

Coach Candy Schirrmacher's Mellow Yellow squad boomed 17 hits and stole 31 bases in a wild and woolly contest with Joann Alber's Gamblers. Slugging her first homer of the year was Mellow Yellow's Chris Defant.

## Bandits 19, R. Devils 6-

Bandit Laura Anderson continued her powerful hitting, going four-for-four and hitting for the cycle with a single, double, triple and homer. Bandit pitching was strong, giving up six runs in six innings. Bandits Cathy Burkell and Julie Koch executed excellent bunts to help their club along.

## MIDGET LEAGUE Daisies 20, R. Devils 11-

Daisies slugged homers, doubles and singles to record their first win of the season. Bats

hummed with two homers by Jodi Keezer and one by Laura Torres. Daisies Karen Grau and Lisa Poe each went 3-for-3 with two singles and a double each. Mary Kemp and Deann Collins each slammed two singles and earned four RBIs. Coach Norene Collins noted two sensational catches by Jodi Keezer and Christen Petty that helped build the Daisies' spirit.

## Dukettes 11, Panthers 3-

The Dukettes scored seven runs in a fourth-inning rally to take the lead and the eventual victory. Dukettes Jenny Borton and Kim Ritter each made excellent catches in the outfield and pitcher Kim Easton came on in the sixth inning and held the Panthers hitless.

The Panthers played well and showed the crowd excellent throwing skills in a throw by first baseman Trisha Mattoff to third baseman Peggy Hammerschmidt, who tagged a runner out.

## C. Blues 13, R. Devils 7-

Cool Blue Coach Ken Kuzon pegged this game as a real team effort on the part of his squad. Kelly Kuzon slugged a homer in the fifth inning, pushing across three runs for the Blues. Along with the team's 14 hits came good defensive play. Shortstop Sarah Weiss scooped up a grounder and threw to second baseman Helen Cooper to retire the Red Devils in the sixth inning. Kelly Scott and Katie Kelley made good infield catches. Slapping a triple for the Devils was Linda Laier. Devil Coach Bonnie Basso praised the performances of Jean Petsch and Robyn Krichbaum in the field, but acknowledged that the team fell short at the plate.

## M&Ms 21, Panthers 6-

The M&Ms kept their undefeated record intact booming 24 hits and getting homers from Alisha Dorrow, Heidi Knickerbocker and Debi Koenn. Koenn, Sally Wilson and Jenny Smith each went 3-for-3. Stacey Norris played good defense, making an infield catch and throwing to first to double off a Panther runner, her coach Margo Koenn pointed out. In the bottom of the fifth inning, pitcher Teresa Reed came on in relief to strike out the side. The Panthers came back, scoring three runs in the top of the sixth, but still fell short.

**UNDEFEATED:** Coach Margo Koenn gives some pointers to daughter, Debi, during a recent Midget League softball game. Coach Koenn's instructions have paid off thus far as her team, the M & Ms, is undefeated in league play this season. Debi contributed to that streak last week with a home run in a game with the Panthers.

# T-Ball League Led By Slugging Tigers

T-Ball play for the recent week left the still-undefeated Tigers on top of the heap, with a 3-0-1 record.

## Mariners 21, Tigers 21-

In a real see-saw battle, the Tigers came back in the fifth inning to tie the score at 21 each. Power hitters for the Tigers were Ricky Clouse with two home runs and Jude Quilter with one homer. The Mariners' heads-up defense was led by Duane Penhallegon and Chris Haugen. Angela Nagel and Todd DeWolf were the big Mariner bats.

## Blue Jays 35, Orioles 23-

Alex Hammerschmidt and Kathy Issel scored two runs each, while Bob Coelius hit an infield home run to lead the Blue Jays to victory over the Orioles. Sara Musolf and Jason Bowling played an outstanding game for the Orioles.

## Tigers 28, Phillies 9-

In Tuesday's other game, the Tigers peppered the Phillies with

41 hits enroute to their second victory. The Tigers' stone-wall defense was led by Damon Michelson and Jude Quilter. The Phillie defense turned three unassisted double plays, two of them by Rex Nye. Matt Fewless did a terrific job of meeting the ball with solid wood.

## Mariners 34, Rangers 22-

Key to the Mariner win was tough defense, with Todd DeWolf making a spectacular catch in right field. Brian Bell hit two towering home runs for the Mariners.

## Tigers 30, Blue Jays 23-

The Tigers showed tough defense, led by Nathan Carrell and Matt Prentiss, in winning the game. Joe McGonigal and Tom White gave good defense for the Blue Jays, while the entire team contributed solidly to the offense.

## Douglas Beaumont Granted Scholarship To Attend WCC

Douglas Beaumont, son of the Very Rev. and Mrs. Jerrold F. Beaumont, has been informed by Gunder A. Myran, president of Washtenaw Community College, that he has been awarded a scholarship for the Fall 1980 and Winter 1981 semesters. The letter of award stated, in part, "This scholarship was awarded to you on the basis of your contributions to your community as well as your previous grades and vocational goals." Beaumont is a graduate of Chelsea High school, a member of St. Barnabas Episcopal church and is active in various activities, including a continuing interest in theatrical presentations in Chelsea and elsewhere. He has designed and built sets for many plays and musicals as well as taking part as an actor.

# Pirates Take Lead In Little League

The Pirates pushed the Royals into second place this week in Little League action by picking up two wins. Nevertheless, the league is still very close and almost any team could move to the top in the coming weeks.

## Royals 7, Dodgers 1-

In the early game Wednesday night, the Royals beat the Dodgers, 7-1. Big hitter for the Royals was John Lane with a single and a double. Jeff Stacey also had a double and six hitters picked up singles.

Those singling were Cary Moore, Rob McDowell, Scott Baker, Casey Murphy, Randy Hafner and Pat Houle. Hafner took the victory with a four-hitter on his way to striking out eight Dodgers.

For the Dodgers, four hits came from Craig Maynard, Shannon Darrow, Clay Hurd and Shawn Brown.

## Pirates 11, Tigers 5-

In the only Thursday game, Coach Starkey's Pirates downed the Tigers of Coach England.

Matt Monroe and Chris Zangara led the Pirate hitting attack with two hits each. Tim Anderson stopped a bases loaded rally with a shoe-string catch of a line drive to right.

For the Tigers, Tim Klink pitched four strong innings but was the victim of defensive errors. Hitting stars for the Tigers were Tom Miller, Bobby Torres, Mike Popovich and Ron Johnson.

## Indians 8, Pirates 7-

Friday's first game was a play-off of an earlier tie that had ended after nine innings at 1-1.

The Indians came to bat first and promptly scored four runs. The Pirates, not to be outdone, responded with four runs of their own.

In the second play-off inning, each team again scored, forcing play into a third inning. In the top of the third, the Indians went up by three runs. The Pirates came back, but could only tally twice to fall one run short.

## Reds 9, Indians 8-

In the second game, the Reds and the Indians played off an earlier 8-8 tie.

The Indians had a first inning scoring threat, with a runner at third and one out. A soft line drive to Greg Haist, however, ended the threat.

The Reds then took their turn at bat and made short work of the Indians. After Greg Haist was retired, Matt Kemp got on base with a bad hop single. Kemp stole second and third in succession before coming home on a fielder's choice off the bat of Mark Ahrens.

## Reds 9, Royals 2-

In another make-up game of a previously rained-out contest, the Reds hammered the Royals, 9-2. Greg Haist was 3-for-3, Mark Ahrens blasted a three-run homer, and Brian Robeson had a single and a long home run.

Brian Kidd also had an RBI single. Starting pitcher Matt Kemp threw three strong innings and picked up a single. Coach Ahrens said that all the credit goes to the players for a super defensive effort.

For the Royals, Jeff Stacey had two singles, Jon Lane a triple and Larry Moore a single.

## Tigers 8, Reds 1-

In the early game Monday, the Tigers avenged an earlier season loss by trouncing the Reds, 8-1. The game belonged to the Tigers as they gave the Reds a

### ON BUYING SUMMER PROPERTY

What are the pro's and con's of investing in income property at a summer resort? The big lure to investors here is the quick ten or twelve week cash return which equals the return on year-round property that you have to wait fifty-two weeks to get. Meanwhile, you are relieved of tenant problems and complaints for nine or ten months of the year. Another advantage is the ample time you have to make repairs since the property is vacant most of the year.

On the other side of the coin, close attention to the property is required each week during the season. This could be burdensome for some investors who prefer long-distance, remote-control operations. The property has a higher non-liquidity rate; that is, it is not so readily marketable as a year-round property. The selling season is restricted practically to April, May and June. Further, there is a higher risk factor involved due to dependence upon unpredictable weather conditions. Normally the mortgage span is shorter than for year-round property.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8881; evenings 475-2621. We're here to help!

## Homeowners insurance is homeowners insurance, right? Wrong.

Auto-Owners homeowners insurance is different. Not only in the way we handle claims (Auto-Owners built its reputation on fast, fair claims service). Not only in the personal attention we give (another Auto-Owners trademark). Or in the way we could save you money (our low rates are famous). But, in our whole outlook on homeowners insurance, with innovative, imaginative policies that make sure you get just what you need, for just what you want to pay. So, if you're thinking you'd be wrong if you didn't call Auto-Owners . . . you're right.

Why Do So Many People Who Have Never Worn Eye Glasses Begin To Wear Them By The Time They Reach 50?

According to a local ophthalmologist, 90% of the people who reach 50 years of age are wearing prescription eye glasses. And a number of these people have never worn prescription glasses before. It may happen gradually, but many people before they reach 50 begin to realize that to see clearly they must hold the phone book or the newspaper at arm's length. And even at that distance, the small print may not be far enough from their eyes to come clearly into focus. As one 42-year-old said, "It seems as though my arms have grown too short."

As a natural part of the aging process the lens of the eye becomes more rigid and the specialized muscles less elastic. The result: a very common condition, presbyopia.

With presbyopia, the eye cannot focus sharply on small objects 14-20 inches away. Sometimes, in addition to blurred vision with close work, an individual may have tired eyes after a long session of reading.

In adolescence and early maturity, the natural lens of the eye is flexible. Special muscles within the eye can change the shape of the lens when objects are seen from different distances. The process provides an individual with a range of focusing powers.

While the "young eye" allows people to have good vision at all distances—far, near and in-between too—the "40-year-old eye" often needs help.

A person with presbyopia overcomes this condition by wearing eye glasses with convex lenses. They may wear bifocals or separate reading glasses. Eye glasses, although they do not change the eye itself, help the eye to accommodate and to focus at normal reading distances.

In addition to presbyopia, farsightedness and nearsightedness are common eye conditions. A person is farsighted or nearsighted depending on how light rays from an object focus on the retina after passing through the lens and the cornea.

A newborn baby is almost always farsighted. This condition continues until the child reaches six years of age. After that, farsightedness decreases until a person reaches 20. At that time, eyesight normally remains stable for 10 years or more.

Nearsightedness (myopia), a condition in which an individual sees objects clearly when they are close up but blurred when they're further away, seems to run in families. The exact method of inheritance isn't known. Close work, such as watch repairing or bookkeeping, probably does not lead to myopia, according to authorities.

Nearsightedness, as a rule, develops during the early school years. By the age of 20, one person in four has developed myopia to some degree.

#### SECTION 16.01-

##### GENERAL PROVISIONS

The formulation and enactment of this Ordinance is based upon the division of unincorporated portions of Lyndon Township into districts in each of which certain specified mutually compatible uses are permitted by right. In addition to such uses, however, there are certain other uses which are essential or desirable for the welfare of the community and its citizenry or substantial parts of it. Such uses are entirely appropriate and not essentially incompatible with the uses permitted by right in a zoning district, but not at every or any location therein, or without restrictions or conditions being imposed by reason of special problems presented by the use of its particular location in relation to neighboring properties.

This Ordinance, therefore, requires approval of a conditional use permit of each use listed in the several zoning districts as conditional uses and specifies in this Article the procedures and standards to be followed in granting such permits. The term "conditional use" as used in this Ordinance is the same as the term "special land use" as provided in Act 184, P.A. 1943, as amended.

#### SECTION 16.02-

##### AUTHORITY TO GRANT PERMITS

The Township Planning Commission shall have the authority to grant conditional use permits and to attach conditions to any approved permit. Only those uses listed in each zoning district as conditional uses shall be considered for conditional use permit review and approval.

The fee shall be set by resolution of the Lyndon Township Board, except that no fee shall be required for a conditional use application for any governmental body or agency. No part of the fee

### Of Politics, Mugwumps and Loco Focos

The two-party system in the United States has been frequently tested by emergent third parties and party splinter groups throughout its history. Henry Ford Museum's special exhibit "Politics U. S. A.," which continues through Labor Day, in Dearborn, offers visitors a chance to learn more about the third parties and examine some of their campaign material. The parties varied from Anti-Masons and Know Nothings to fragment groups of the major parties, like the Loco Focos, a group of radical Democrats in the 1830s and the Mugwumps, an 1880s Republican splinter group.
