## Girls Softball Teams Both Win State Titles, Ready for Regionals

Chelsea's 13- to 15-year-old softball team took the opportunity this week to prove that even on a shaky week-end they're better than any other team in the state.

With a total team strength of just 13 players, the softballers took five consecutive games to win the State ASA title in the age classification.

"Our theme song should have been 'I Will Survive,'" said a grateful Coach Charles Waller. "But maybe our bad week-end is behind us and we'll play well in the regionals next week."

The Chelsea squad see-sawed between large offensive output and defensive miscues and sometimes combined the two in one game, but always managed to come out on top by at least two runs.

The Bulldogs began play Friday afternoon against Al's Sport Shop of Manistique and put them away handily in five innings, 12-1.

Amy Unterbrink displayed the essence of "Unterbrinkmanship" as she yielded just one run and one hit while striking out 12.

Chelsea was nervous in the field, giving up the sole Manistique run in the first inning on a fielding error and a couple of throwing mistakes. Butterflies also manifested themselves at the plate, as the first four Bulldogs went down in succession.

Kim Boyd broke the ice, however, by lacing a single to spark a three-run rally in the second inning that put Chelsea on top to stay. The team pushed across eight more runs on just two hits. Boyd picked up another single and Laurie Cobb pounded a triple.

One of Chelsea's secret weapons, excellent base running, gave the team a real advantage in the game. The Chelsea girls collected 10 walks and stole 10 bases. They also used their perfected bunting skills to push runs across the plate and disrupt the Manistique team's defense.

Moving through the winners' bracket, Chelsea advanced to play the Hockey Shop from Saginaw and emerged with a tough 7-4 victory, after trailing 4-3 going into the bottom of the sixth inning.

Kim Boyd started for the Chelsea team and gave up just three hits and four runs, striking out 10 batters, including five of the last six outs. All of Hockey Shop's runs were unearned, as the Bulldog defense still showed signs of tournament jitters.

(See Waller's Kids, page four)

Playing in last week-end's hot, humid weather, Chelsea's 16- to 18-year-old girls softball squad captured five consecutive games without a loss to bring home the ASA State Championship for the third year in succession.

Alternating between hitting sprees and hitting droughts, the Chelsea squad emerged at the top of a field of 11 teams after three days of play in Saginaw.

Reaching back to the beginning of their season in April as Chelsea High School's varsity, the state champion softballers have amassed a remarkable 42-3 record for 1980.

The Push and Powell Road Show was on the move again, but this time it was the cast of supporting players that moved into the spotlight.

"Chelsea got an awful lot out of its substitutes," said an elated Coach Bill Wescott. "Our big advantage was that we had a lot of players and we used a lot of players. It was a big lift for us."

Wescott cited Kim Schmid, Cathy Wade and Angie Inglis as players who came off the bench to do yeoman service for the squad.

Chelsea opened its long tournament haul with a Friday afternoon win over Arts East of Lansing, 8-2. Despite only three hits in the course of the entire contest, Chelsea capitalized on five Arts East errors to romp to the first victory of the week-end.

Nanette Push started on the mound and threw six innings, allowing only one hit and fanning 10. Anita Powell came on in the seventh to finish up the game. She gave up one hit and struck out one.

The Bulldogs went out on top early, scoring seven runs in the second inning on two singles by Push, four walks and two of the patented Chelsea sacrifice bunts.

Powell had the only other hit of the game for Chelsea, a single in the fourth inning. "We played real fine defense," said Coach Wescott, pointing to Chelsea's single error in the contest.

Saturday morning, the Bulldogs moved into game two with the Grand Rapids Bears. Chelsea bats suddenly came alive with 10 hits to give the team a 10-2 win.

Anita Powell started and threw an impressive one-hitter, striking out six and walking just one. "Once again, we got great pitching," pointed out Wescott.

## Near Sell-Out for Musical

Some 1,800 people packed into the Chelsea High school auditorium this past week-end to enjoy the most lavish production in the history of the Chelsea Players, "The King and I."

According to Robert Foster, ticket chairman for the production, more people attended this year's show than any previous Chelsea Players effort. Foster said the show had a budget of \$7,000 and that it looks as though the group will make a little money, but not much.

"Of course, we're not in this to be making money," Foster said. "It's just supposed to be self-supporting and it looks like we're going to be in the black."

Anyone who attended any one of the four performances was cer-

tainly aware of how the bulk of that budget was spent. Besides the rights to the Rodgers and Hammerstein musical, which were very expensive, costumes were the major budget item.

Rich Oriental costumes in beautiful hues were rented for the actors portraying Siamese royalty. For Anna, the English schoolteacher who arrives to teach the royal children, huge hoopskirts and rich fabrics were employed.

This, combined with the adroit direction of Jeanette Tracy Brock and the imaginative choreography of Robert Miller, gave Chelseaites the most sumptuous theater experience within memory.

Foster said the only complaint

he had received from some was that more leading roles hadn't been awarded to Chelsea actors. But, he noted, the difficult music dictated choosing those best suited for the parts.

As Anna and the King, Kathy Schneider of Ann Arbor and Jim Roe of Jackson received standing ovations Friday night. Beverly Slater of Chelsea was loudly applauded for her performance as Lady Thiang, as were Vince Zuellig and Cassie Lloyd as Lun Tha and Tuptim.

While all seemed to be going smoothly all week-end long, Foster did note that a number of costumes did not arrive from the rental agency until about 7:15 p.m. Thursday, just 45 minutes before curtain.

A large improvement noted by all was improved ventilation, brought about by blacking out the courtyard, leaving the auditorium doors open and running the fans from the gymnasium. The cool breeze, Foster said, was appreciated by audiences.

The Chelsea Players will now take a brief respite before beginning plans for their summer musical next year.

## Armin Schneider Dies Monday After Long Illness

Armin D. Schneider, a contributor to Chelsea industry for some 30 years, died Monday, July 21, at Chelsea Community Hospital after a long illness. He was 75.

Mr. Schneider, who lived at 239 Washington St., was born Dec. 18, 1904 in Evansville, Wis. to Henry and Nellie Jane (Bacon) Schneider. He married Helen McCool May 2, 1931. She survives.

A 1929 graduate of the University of Wisconsin, Mr. Schneider moved to Chelsea in 1941, work-

ing for Central Fibre Products. He remained there a short time until Chelsea Products was formed.

He became purchasing agent and retained that position until Chelsea Products was sold to Dana Corp. He retired from Dana in 1970.

Mr. Schneider was a member of St. Mary's Catholic church, the Holy Name Society, Knights of Columbus and Chelsea Rod and Gun Club. He had also served on the Chelsea Library Board.

Surviving with his widow are one daughter, Mrs. E. B. (Joan E.) Gleske of Upper Marlboro, Md.; two grandsons, Robert A. and John M. Gleske of Upper Marlboro; two sisters, Mrs. Donald (Nellie Jean) Bartelt of Scottsdale, Ariz. and Mrs. Horace (Helen M.) Getz of Reno, Nev.; several nieces and nephews.

A twin sister, Mrs. Foster (Mary) Fletcher died in August, 1968.

Funeral services will be held Thursday, July 24, 11 a.m. at St. Mary's Catholic church with the Rev. Fr. Robert Balsler, C.S.S.R. officiating. Burial will follow in Oak Grove Cemetery.

The rosary was recited Wednesday evening at 8 p.m. at the Staffan Funeral Home.

## Cassidy Lake Fire Ruled As Arson

A fire that destroyed a housing unit and seriously injured an inmate at Cassidy Lake Technical School has officially been ruled arson, but investigations are still continuing regarding the identities of the arsonists and their motives.

According to the office of Cassidy Lake Superintendent Joseph Weinberg, Gregory Noble, 20, is in much improved condition at University Hospital after being burned over about 27 percent of his body in the July 27 blaze.

Noble will probably remain at the hospital for another two to four weeks, after which he will be transferred to the infirmary at Jackson State Prison.

A spokeswoman in Weinberg's office said that Noble probably would not return to Cassidy Lake.

## Fire Dept. Taking Applications for Auxiliary Members

Chelsea Fire Department is now taking applications from those interested in training for the Auxiliary Fire Department. Applicants must be 18 years of age or older.

Those interested should call Art Paul, 475-7587, or come to the fire station Wednesday, Aug. 13, at 7 p.m. Approximately 15 more applications will be taken.

## Some Areas Still Without Electric Power

Although more than a week has passed, some 40 households in the Chelsea area are still without power in the aftermath of last Wednesday's violent wind and rain storm.

Residences at North Lake and Half Moon Lake, including Inverness Inn, were without electric power until Monday night!

Other homes in the Jennings and Independence Lake area were not expected to receive power restoration until Friday.

An Edison spokesman said Tuesday that 99 percent of Washtenaw county should have full power by Friday of this week.

Power in Chelsea village was restored within hours of the storm, but areas north of here in Dexter township, some areas of Ann Arbor and Ypsilanti are still without Edison service.

Inverness Inn reports housing its meat and produce supply at the homes of several families with freezers. Edison had given Friday as the probable date for power restoration in that area.

In the meantime, the Red Cross in Washtenaw county urges local residents to call them at 971-5300 if help is needed. Those stranded in their homes without power and transportation should call the

Red Cross, who will deliver hot meals to individuals needing such assistance.

A free hot meal program was set up in Ypsilanti Tuesday, open to all residents of the county without power. A Red Cross spokesman said the Ypsilanti location was chosen because the vast majority of the 10,000 county residents still without power live east of Ann Arbor.

Those who have wells lack a supply of fresh water as long as their power is out. The Red Cross urges those in such a situation to bring their containers to the Chelsea Fire Department. If residents have no containers, they should call the Red Cross.

Farmers needing supplies of water for their livestock should call the EOC at 971-8400 and report their situation.

Detroit Edison acknowledged the frustration of many customers without power and explained that last Sunday's storm, which hit hard in the thumb area, pulled some work crews out of this area.

A spokesman said that crews are still working 16-hour shifts in an effort to restore normality to the lives of its Washtenaw county customers.

**JEFF JAHNKE, 7990 Mester Rd.,** was one of the very first local residents to make his way to the Chelsea Post Office and fill out a Selective Service registration form. Taking Jahnke's form

is Postmaster Richard Schaules. All 19- and 20-year-old American men are expected to complete registration cards within the next two weeks.

## Selective Service Registration Begins for 19-, 20-Year-Olds

Registration for the Selective Service began in post offices all around the country last Monday and Chelsea was no exception. Postmaster Richard Schaules estimates that some three dozen young men born in 1960 made their way to the Chelsea Post Office to complete the green and white registration forms.

Some four million 19- and 20-year-old men are required to file forms between now and Aug. 1. The form, which takes some two minutes to fill out, is handed to a postal clerk, who checks it against proper identification, such as a driver's license.

This registration does not signal a resumption of the draft itself. The purpose of registra-

tion, according to U.S. Selective Service, is to build a pool of names that would allow the U.S. to respond more quickly if a national emergency made the draft necessary.

Registration was nearly postponed last week-end when a Federal Judge ruled favorably on an American Civil Liberties Union (ACLU) suit that the current registration was unconstitutional because it excluded women.

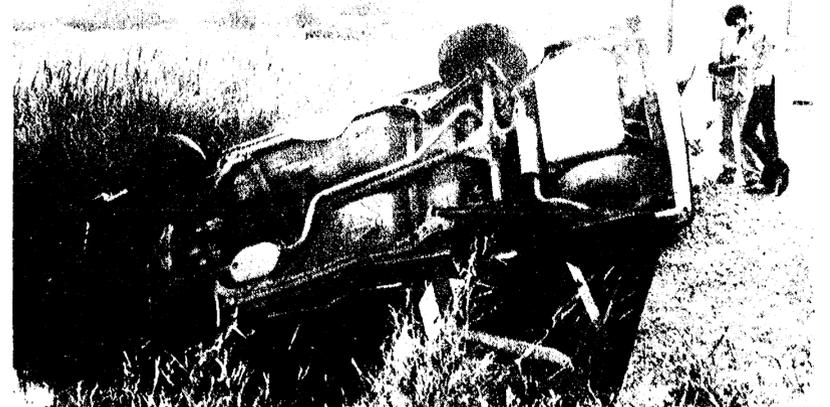

That ruling was overturned by Supreme Court Justice William J. Brennan, who paved the way for the registration effort to begin Monday. He said, however, that the full Supreme Court may rule on the issue this autumn.

The selective service has worked out a suggested registration schedule to facilitate the process.

Those born in 1960 were asked to register this week. Men born in 1961 are asked to fill out their forms during the week of July 28. The Post Offices will also be open Saturday, July 28, to accommodate registration.

In January, all men born in 1962 will be required to register. After that, registration will be on a continuing basis as males reach the age of 18.

Anyone who does not register faces being charged with a felony that carries a maximum fine of \$10,000 and a sentence of five years in prison.

**FATAL CRASH:** Ann Arbor resident Douglas D. Marshall was killed Sunday when he drove his car into a ditch off Topth Rd. near Lecke Rd. in Jackson county. The 34-year-old

Marshall was driving alone on the swamp-surrounded road when his car nose-dived into a water-filled ditch. State Police were unsure of the cause of the mishap.

**Law Urged for Emergency Release of Prisoners**

A special legislative task force on prison overcrowding has reported a new law would be needed for early release of prisoners should voters reject a proposed increase in the state income tax for new prison construction.

The legislature recently took action to place before the voters in November the question of increasing the state income tax rate by one-tenth of one percent with the revenues earmarked exclusively for new prison construction and updating current facilities.

The tax hike would last only for five years and would produce some \$275 million.

Task Force Chairman Representative Jeffrey Padden (D-Wyandotte) said the early release proposal is not the primary item in the package and expressed hope that implementation of other measures would not make it necessary to ever use such a plan.

However, Department of Corrections Director Perry Johnson said that the alternative must be made clear to the voters. "You either provide adequate space for prisoners or you set them free," he said.

Padden said the early release proposal would only come into play if voters reject the proposal or it proves to be less effective than projected.

Other proposals being considered by the task force include a declaration of a prison overcrowding emergency by the governor when prisons exceed their capacities for more than 30 consecutive days.

Under such circumstances, the last 90 days of a sentence would be removed from prisoners who have served their minimum sentences thus expanding the number of prisoners who would be eligible for parole consideration by the state parole board.

If overcrowding continued, the proposal allows for removal of additional days from sentences, and authorizes state officials to

refuse to admit non-violent offenders.

Actual legislation for consideration by the legislature has not yet been introduced or even drafted.

House Speaker Bobby Crim of Davison said he hoped the existence of the proposal, and its possible enactment, would put pressure on lawmakers and the governor to implement the other parts of the package, particularly the sentencing proposals.

He said not doing anything would invite prison riots or federal court action ordering changes in the state prison system.

The proposed sentencing structure would provide judges with guidelines based upon average sentences for each crime, with the judges required to justify on the record imposition of a greater or lesser sentence.

Overcrowding would be eased by reducing guideline sentence durations or amending guidelines to recommend imprisonment for fewer criminals.

The task force also urged prompt action of the Revised Criminal Code (pending in the House Judiciary Committee) setting presumptive sentences for the most serious crimes and clarifying procedures for alternatives to imprisonment.

Other proposals of the task force include expansion of both community residential programs and community alternatives to incarceration.

The group also urged enactment of a House-passed bill (pending in the Senate Judiciary Committee) broadening authority of judges to order restitution and community service for offenders.

**Uncle Lew from Lima Says:**

DEAR MISTER EDITOR:

I saw a piece in the paper where this classroom of third graders in a big city school had found out what a million of somepun looks like. The piece said they had started collecting pop bottle tops during school, and they got so interested in the project they kept right on bringing 'em in and counting 'em during the summer recess. The picture showed the happy children in front of a wire mesh basket that was wide as the room and nearly as high as the ceiling. The basket was chockful of pop caps and a couple of pickup loads was piled outside.

I think the teacher done the right thing, letting them youngsters collect caps instead of squirming in their seats learning to read, write and maybe count to a thousand. I remember years back Life magazine run a two-page spread filled with a million tiny dots, just to show what a million looks like. The school children said they were going to sell the caps to be recycled, and use the money to buy library books, so that project worked out good all around. But this is the way I figger it. The dots were fine in their day, back before WW II, and the bottle tops idee is good fer teaching the children a lesson, but million is history, not show and tell. Million is as far in our past as 30 cent a gallon gasoline. You got to talk billion this day and time to be heard and understood.

Actual, Mister Editor, I recall setting and staring at all them dots and saying to myself, so that's what a million is. Now the Government pumps another three billion into food stamps or Chrysler and it don't even make

the front page. You fellers stack it back there somewhere under "News Briefs." We talk about our \$700 billion or trillion national debt, but the only part that gets our attention is how soon Congress is going to raise the limit so we can git on with all our programs. Nobody in this country under 30 years old will believe that I was 30 afore I ever heard the word billion. That was when some public health feller used "billion" to estimate the number of germs he figgered all of us were swapping off the dipper at the church pump. I was 40 when I heard that word used in connection with money, and since then I ain't heard it applied to anything else.

What I am saying is that I know what a million dots look like, and have seen how big a pile a million bottle caps make, but I still can't come up with an image of how many a billion of anything is. Do you reckon you could spare the space to print us a billion dots? I know that in your business space is money, so maybe we could put in fer a grant from some education outfit. Some of 'em have put money in things I understand even less than I know what a billion is.

If you news people could realize that us ordinary folks can't deal with a billion you would handle the situation different. Fer instant, instead of telling us about inflation in terms of billions lost in buying power, tell us that where we use to git four peanut butter crackers in a pack for a nickel we now git six fer 20 cent. Put the fodder down where us old goats can git at it.

Yours truly,  
 Uncle Lew.

Mrs. Robert Engh

### Diane Jane Schroen, Robert Engh Wed at Congregational Church

Diane June Schroen and Robert Michael Engh, both of Janesville, Wis., spoke marriage vows Saturday, July 12, at the First Congregational Church of Chelsea with the Rev. Carl Schwarm officiating.

The bride is the daughter of Mr. and Mrs. William J. Stierle, 12300 Trinkle Rd. Her husband is the son of Mrs. John W. Engh of Oconomowoc, Wis.

For her wedding, the bride chose a floor-length gown of white chiffon styled with a bodice of Venice lace and full-length sheer bishop sleeves accented with lace, ending in a chapel length train. She wore a lace toque trimmed with silk roses and veiling and carried a cascade bouquet of white silk roses, baby's breath and light blue streamers.

Bridesmaid was Cindy Topel of Madison, Wis., a friend of the bride. Her gown and flowers matched those of the matron of honor.

Mother of the bride was attired in a floor-length gown of pink chiffon with bodice and sleeves of silver threaded lace. Her corsage was gardenias and stephanotis. The bridegroom's mother wore a floor-length, champagne crepe

gown with a pleated skirt and long sleeves, and a corsage of peach silk roses.

Flower girl was the bride's sister, Nancy M. Stierle of Chelsea. Todd Swiatowy of Mukwonago, Wis., the bridegroom's nephew, was ringbearer.

Timothy Engh of Watertown, Wis., was his brother's best man. Joel Kaplan of Beloit, Wis., was groomsmen. John L. Hess of Ft. Wayne, Ind., and Dean Plante of Oconomowoc, Wis., were ushers.

A reception given by the bride's parents was held at UAW Local 1284 hall in Chelsea.

Following a two-week vacation at the summer home of the bride's parents on Lake Michigan, the couple will be at home at 2808 E. Racine, Janesville, Wis.

The bride is a graduate of Chelsea High school and Madison Area Technical College. She is a nurse, employed by Beloit Memorial Hospital in Beloit, Wis. Her husband graduated from Oconomowoc High school in Wisconsin and attended the University of Wisconsin-Whitewater. He is a sales representative with Edison West Liquor Corp. in Madison.

### Methodist Women's Groups Picnic at Retirement Home

A group of more than 20 women from the Methodist women's groups enjoyed a picnic at the Chelsea Methodist Retirement Home on Wednesday, July 16.

Following many good picnic dishes prepared by everyone, a program was given.

Dr. Hope Lowry, Mrs. M. Esther Reed and Mrs. Alma Gonsler, all of the Ruth Circle, gave reports on the needs of mission work in South America.

Regular monthly meetings will resume in September.

### Bentley Family Reunion Held July 4 in Munith

Also attending were Dave, Deb, Juna and Jill Hanley of Pleuna Mt.; Thorman and Loranna Bentley of Cayle, Ill.; Terri and Steve Simpson, Granville, O.; Lutt and Hermie Bentley, Allen, Ky.; Virgil and Carolyn Bentley, Newark, O.; Randy, Kathy, Chasie and Chad Myers of Munith; Miles and Ellen Bentley of Des Moines, Ia.; and Joe and Ann Bentley of Chelsea.

### Hospital Volunteers Will Organize Bridge Marathon

Chelsea Hospital Volunteers are planning to organize a couples' Bridge Marathon, to be conducted in much the same way as the annual Women's Marathon.

This will give bridge-playing couples a night out together as well as being a good way for new and long-time residents to become acquainted.

The marathon will serve as a fundraiser for the Volunteers, with a fee of \$1 per person charged to play.

Anyone interested in playing should call Shirley Sweet, 475-7316, or Shirley Schaible, 475-7872.

### Children's Festival Slated Aug. 6 in Ann Arbor Park

Spend a day in the park with your kids! Join us at the fourth annual Children's Festival Saturday, Aug. 2nd in West Park, Ann Arbor from 10 a.m. to 2 p.m. Jugglers, magicians, dancers, petting zoo, and free activities will be offered for pre-schoolers. Bring a picnic lunch and have fun! (Children must be accompanied by an adult.) The festival is sponsored by the Child Care Referral Service and local child care centers. ### Co-Op Nursery Members Complete Hand-Crafted Quilt

Members of the Chelsea Co-Op Nursery have been busy this summer making a hand-crafted blue and brown quilt. It is currently on display at Country Craftique and will also be on display at the Chelsea Art Fair and Sidewalk Sale, Dexter Days and the Chelsea Fair.

Applications for enrollment are now being accepted for three- and four-year-olds for the fall. If there is enough interest, a combined three- and four-year-old class will be offered Tuesday and Thursday afternoons.

For more information, call Denise Martell, 475-1966.

### Hamilton-Hafner Engagement Told

Mr. and Mrs. Walter Hamilton, 7171 Lake Shore Drive, Chelsea, have announced the engagement of their daughter, Linda Louise, to Anthony Russell Hafner, son of Mr. and Mrs. Charles Hafner, 20700 Waterloo Rd.

The bride-elect and her fiancé are graduates of Chelsea High school and are both employed at Southview, Inc. in Chelsea.

An Aug. 23 wedding is planned at the home of the bride-elect's parents.

### Weight Reduction Classes Offered at Chelsea Hospital

Chelsea Community Hospital is again offering a series of 10 weight reduction classes to begin the week of Aug. 10. Classes are 10 weeks in length.

Topics to be covered during the 10 weeks include low calorie cooking tips, exercise and weight reduction, shopping tips, eating out on a low calorie diet, normal nutrition, and information on fad diets.

Particular emphasis will be given to assessing behavior modification techniques helpful to each person's weight reduction program.

The course will be taught by Julie Say, R. D., Community Nutritionist, and Pat Asp, Director of Dietary Service.

Each registrant will receive a personalized diet, knowledge of using behavioral techniques useful in controlling weight, and increased knowledge in nutritional aspects of weight reduction.

Community members who attended the winter and spring series of weight reduction classes enjoyed learning about topics covered in the program. Class members were also pleased with their success in weight loss. The average weight loss for each participant was one pound per week.

A registration fee of \$30 is charged to cover the costs of the 10-class series. Afternoon classes and evening classes will be held at Chelsea Community Hospital, 775 S. Main St. at 4 p.m. each Tuesday and 7 p.m. Thursday evenings, beginning the week of Aug. 10 and ending the week of Oct. 12.

For information about registration, phone 313-475-1311, Ext. 359 or 369.

Women's teams at Michigan State University have won Big Ten team titles in seven sports: track and field, softball, swimming and diving, gymnastics, golf, tennis and volleyball, along with Big Ten Invitational titles in field hockey and cross country.

### Mrs. Glenn Naylor Will Be Honored On 80th Birthday

Mrs. Glenn (Melvina) Naylor of Dexter will be celebrating her 80th birthday this Sunday, July 27, at a party given by her children.

Hosting the gala event at the Shields Rd. home of her son will be Betty Ehms of Dexter, Dorothy Wetherbee, Verna Covert and Virginia McNutt, all of Florida; Bill Naylor of Kentucky and Chuck Naylor of Dexter.

Mrs. Naylor was born July 27, 1900 in Dexter township and has lived her entire life in this area. She has 18 grandchildren, 24 great-grandchildren and one great-great-grandchild.

Her hobbies and interests include arts, crafts and travel. She spends winters in Florida with her three daughters who reside there.

WALTER KALMBACH

### Walter Kalmbach Cited By Salem Grove Church

In June of 1965, 14-year-old Walter Kalmbach and 12-year-old Anna Kalmbach, children of Michael and Emma (Eisenbeiser) Kalmbach joined the Salem Grove Methodist church in Francisco. They had seven older brothers and one younger brother at the time.

On July 6, 1980, the Rev. Ronald Brunger, on behalf of the congregation, presented Walter Kalmbach with a plant in recognition of his 75 years of membership. Emma Kalmbach, a patient in a nursing home in Saline, could not be present but also received a plant.

Mr. Kalmbach joined the choir in 1907 and is still singing in it as well as having been the choir director for more than 50 years.

His other church duties have included the office of treasurer for 25 years, leader of the Epworth League during the 1920's and member of the administration board for many, many years.

He is presently also a member of the board by virtue of his chair-

manship of the finance committee and because he is the stewardship chairman.

Approaching his 90th birthday in February, Kalmbach has spent most of those years in service to his community and his church.

The medical staff at the Michigan State University Cancer Clinic, housed in MSU's Clinical Center, includes Michigan's only American Cancer Society Professor of Clinical Oncology.

# YFU Exchange Flights Underway

While thousands of transplanted Americans were participating in the 1980 Republican Convention, a silent exodus of more than 6,000 teenagers has already begun.

This vast army of 8,000 students (aged 14-18) will be filling the halls of Detroit's International airport from July 15 - Aug. 12 as participants in one of the largest student exchange programs in the world.

Youth for Understanding, (YFU), a non-profit educational exchange program, is gearing up its troops for another exciting year of student exchange. American teens will be departing for or returning from their host families, abroad, and international teens will be doing the same.

Pan Am's "YFU Clipper" will take to the skies on its maiden voyage this summer, in specially arranged back-to-back charter flights through Aug. 12.

YFU maintains more than 20 regional offices in the United States and abroad to ensure positive exchange experiences for all involved.

YFU receives an annual grant from the Exchange Visitor Programs Branch of the International Communications Agency, (a branch of the State Department), and has been in the "business" of promoting international understanding and cross-cultural awareness since 1951.

For student exchange or host family information, write: Youth for Understanding, Attn: Naomi Freedman, 3501 Newark St., N.W. Washington, D.C. 20016. or call, toll-free, 1-800-424-3691.

## Four Receive Scholarships To Arts Camp

Four local students are the recipients of scholarships from the Marshall Music Company of Lansing for two weeks of study in band or orchestra at Blue Lake Fine Arts Camp this summer.

Local recipients are Beach Middle school students Forest Geesey, Willem VanReesema, Rebecca Lee and Michelle (Missy) Young.

Students will participate in concentrated sectional and large group studies along with other outstanding student musicians from throughout the state and country.

Scholarships are awarded by the Marshall Music Company to instrumental music students deemed most worthy based on musicianship, citizenship and musical achievement as determined by the school music staff and administration.

Marshall Music annually gives more than 200 scholarships to students in schools serviced by the firm throughout Michigan. Each is in the amount of \$120.

# Waller's Kids Keep Coming

(Continued from page one)

Chelsea came back in the bottom of the sixth inning after being down, 4-3. Amy Hume walked and scored her second run of the game as Chelsea pushed across four runs on two walks, an error, a single by Kim Boyd and a fielders' choice.

On Saturday, the Bulldogs faced Allen Supply of Alpena, which had a 48-0 record, and put them away, 14-4, behind the excellent pitching of Donna Popovich.

Popovich, like Lisa Beeman, was picked up from the Chelsea 13-15-year-old team coached by Donna Stofer. Popovich threw 4 1/2 strong innings of softball to pick up her very first tournament win.

The Chelsea bats finally came alive in the game as Amy Unterbrink wowed the crowd with a grand slam home run in the first inning and Julie Patrick followed with a double. Kim Boyd added a

two-run homer in the third inning, as Chelsea pounded out nine solid hits.

Hume and Patrick each had two hits and Unterbrink connected for three.

When Popovich tired in the heat and high humidity in the fifth inning, Kim Boyd came in to handle the last two batters and put the game away. Rain washed out the showdown between Charlevoix and Chelsea and the game was moved to Sunday morning.

The two teams met as the last two undefeated squads of the tournament. Unterbrink returned to the mound to face the team which had handed her her most recent defeat at the national regional tournament last year.

Facing her arch-rival Ronda Buchanan of Charlevoix, Amy hurled the team to a 14-8 win.

Unterbrink gave up just one hit but Charlevoix hit the ball hard and Chelsea committed seven errors in the first four innings to allow their rivals to stay close.

The Chelsea defense finally pulled itself together, however, and played fine ball during the last three innings, allowing Chelsea to pull away.

Bulldog bats were active again as the crew smacked eight hits. Kim Boyd led the offense with two hits and four runs. Popovich, Hume, Unterbrink, Tracy Borton, Patrick and Molly Feeney each smacked a single.

Chelsea's win put them in the finals while Charlevoix moved into the losers' bracket to play Northwood Steel of Midland. They dispatched that team and prepared to meet Chelsea once more, this time for the state title.

Boyd started on the mound and went four innings. She was plagued by poor defensive support as the Bulldogs once again allowed five unearned runs on five errors in the first and third innings. After three, Charlevoix held a 7-5 lead.

Unterbrink then took over on the mound for Chelsea and allowed Charlevoix two more runs to drive the score to 9-5. The Bulldogs threatened in the fourth inning by loading the bases but failed to score. Charlevoix turned a double play on a disputed call

and maintained a solid four-run lead.

Charlevoix finally began to run out of pitching, however, and Chelsea put six runs on the board to take an 11-9 lead. The Bulldogs sent 11 batters to the plate in the sixth inning, collecting hits by Celeste Powell, Amy Hume and Kim Boyd.

Once again the obvious discipline of the Chelsea squad showed through as they hit the ball hard, bunted and ran well on the bases. Unterbrink took the win in relief. She struck out two of the last three hitters in the top of the seventh inning.

Celeste Powell was outstanding for the Bulldogs, scoring nine runs on 10 walks and a single, while stealing eight bases. Amy Hume contributed her finest week-end as she caught all five games despite an injured arm and pulled groin muscle.

Kim Boyd led the Chelsea offense with eight hits, nine runs scored, eight RBIs and 11 stolen bases.

Hoping the jitters have passed, Chelsea is looking forward to participating in the National Regional Tournament this week-end, July 25-27, at Bishop Foley

## Governor Seeks Federal Disaster Help for Michigan

Gov. William G. Milliken said Thursday that he will seek appropriate federal disaster assistance for Michigan citizens who endured property damage in a series of severe thunderstorms that struck the southern part of the state Wednesday morning.

"It is obvious that thousands of Michigan citizens suffered economic loss in the storms that swept the southern part of the state—particularly those in the southern tiers of counties, including the metropolitan Detroit area.

"It appears that the damage was severe enough to warrant federal assistance for individuals, businesses and farms. "I plan to seek federal assistance for these areas as soon as local disaster officials can provide us with the information needed to document such requests," Milliken said.

The type of assistance sought and the federal agencies involved will depend on the extent of economic loss to individuals and the nature of the damage.

Milliken's request to the federal agencies will be forwarded immediately after local damage assessments are completed.

## Arts, Crafts Classes Enter Final Week

July 28-31 is the final week of "July Arts and Crafts... Fun on a Budget." The past three weeks have been busy ones in the Gallery, 138 E. Main, Manchester. Youngsters and grown-ups have been participating in a wide array of creative and performing arts, co-sponsored by the Manchester Art Guild and the Manchester Association for Talented Students (MATS).

People in the Manchester, Brooklyn, Chelsea area taking advantage of classes in this last week will be able to include some of their work in a student show to be presented Aug. 1-9. The exhibit will run through the third annual Manchester Street Fair.

Adults will be involved in the last of four sessions in each of three classes: Making and Appliquing Tote Bags, Field Trip Drawing, and Spinning. Look for their work on display in August. Children participate on a "per class" basis at \$1 each.

Make note of the following classes for children during the week of July 28-31:

July 28—Watercolor, painting to music, 9-10 a.m., 4-6 years old; 10 a.m.-12 noon, 7-9 years old.

July 29—Simple Quilted Pictures, 10 a.m.-12 noon, 10-13 years old.

July 30—Toothpick and Marshmallow Sculpture, 9-10 a.m., 4-6 years old; Printmaking, using potatoes, whole grains, etc.

## Camper Helps Nab Prisoner With Liquor

Co-operation between Cassidy Lake Technical School and the summer camp next door last week led to the transfer to Jackson Prison of an inmate who had left the grounds and returned with liquor.

Superintendent Joseph Weinberg had words of praise for Ron Plous of Camp Mahala for reporting the incident, but was less pleased with the unidentified store that sold alcohol to the under-aged youth.

According to Plous, he observed a young man walking west-bound in front of the camp with a bag in his hands last Thursday evening about 8. Suspicious, Plous asked what was in the bag and was told to mind his own business.

Plous said he then called the office at Cassidy Lake to report the incident and later correctly identified the young man, who was found with the liquor and transferred from Cassidy Lake to Jackson State Prison.

concern, but said that local store owners should be wary of selling alcohol to any young people without asking for identification. Cassidy Lake offenders have only Department of Corrections identification, said Weinberg, which they would be understandably reluctant to produce.

"This is a good opportunity to point out that if someone does get away and someone sells liquor to him, they can lose their license," Weinberg added.

The Veterans Administration celebrates its first half century on July 21, 1980, as an independent agency established to help America's veterans, their dependents and survivors of deceased veterans. The VA and its predecessor agencies have spent more than one-third of a trillion dollars supporting that mission.

## Girls Softball Team in Regional Play

(Continued from page one)

Chelsea tallied four runs in the first inning and added four more in the second to put the game out of reach of the Bears. They added two more in the fifth for insurance. Delivering two key hits each for the Bulldogs were Cara Feeney, Kim Wood and Push.

It was in this game that the substitutes began to make the difference for the Bulldogs. Kim Schmid came in to catch in the third inning to give Patti Hume a rest for the next Saturday contest.

That game saw Chelsea matched with three-year rivals Pro-Am Sports of Saginaw, "probably the most improved team in the tournament," according to Wescott.

Push took the mound for the tough game, striking out 10 in seven innings and giving up two hits and one base on balls.

It turned out that Chelsea needed all the control that Push could muster, as they themselves only managed three hits to eke out a 1-0 victory.

The game was a 3½-hour marathon, delayed by the rain falling in Saginaw. Push accounted for the Chelsea win single-handedly as she drove in Cara Feeney for the sole Bulldog run in the first inning. Kim Wood had two hits to lead the offense.

Defensively, Wescott said, Chelsea played its best game of the year. Molly Eisele made a tremendous diving catch in the third inning and Cara Feeney pulled off an outstanding score-stopping play in left field in the sixth inning. Feeney robbed Karen Kupchek of a single and killed the Pro Am rally that inning.

Pro Am then moved into the losers' bracket and, tired out from the long contest with Chelsea, fell to Arts East, 8-2.

The Bulldogs continued in the winners' group, beating the Super Chicks of Alpena, 10-2, early Sunday morning.

Powell started this game and had a great day, allowing only three hits. "When she doesn't walk batters," said Wescott, "Anita's hard to beat. She only walked two in this game."

Chelsea bats once again came alive, booming out 10 hits and putting the game out of reach with an eight-run sixth inning.

Most impressive were the back-up troops. Kim Schmid came in to rest catcher Hume in the sixth inning and did an excellent job. Cathy Wade contributed a pinch hit single and Angie Inglis came off the bench to belt a triple that broke the game wide open. Kelly Hense added a key double to spark the offense.

The Super Chicks moved into the losers' bracket and lost to Schrader's Raiders of Saginaw. The Raiders thus moved into the finals against undefeated Chelsea at 2 p.m. on Sunday.

Victory did not look at all certain as the Bulldogs trailed by one going into the bottom of the seventh. "They thought they had us beat," recalled Coach Wescott, indicating that he wasn't at all sure of the outcome.

The Raiders scored first on a home run by Carey Petrich in the fourth inning. In the fifth, the Bulldogs came back with two runs to take a 2-1 lead. Feeney walked and Jennifer Ringe collected the hit that sparked the rally. The two runs were scored by Ringe and Patti Hume.

In the sixth, Chelsea added what looked like an insurance run. Pinch hitter Weber got on base on an error and moved around the bases on hits by Feeney and Ringe.

The Bulldogs had every chance to put the contest away in the top of the seventh as they had the Raiders on the ropes. Two Raiders were out and only one more out stood between the Bulldogs and victory.

Raiders' shortstop, supposedly the final out, connected for a single, followed by two more well-hit singles, to change the face of the game. On the third hit, the ball got by right fielder Kelly Hense to allow the opposition to tie the score. A grounder to shortstop Ringe bounced between her legs, allowing another Raider run to bring the score to 4-3.

Scoring ended there for the Raiders, but the damage had been done by three hits and three errors.

Chelsea then stepped up to try and pull the game out. With one out, Push slammed a hit which

she stretched to a double with aggressive base running. Powell then added a single, sending Push to third. The stock-in-trade of the Bulldogs then came into play, as Kelly Hense laid down a sacrifice bunt bringing Push home in a cloud of dust to tie the contest.

Molly Eisele then came to bat. On the second pitch, the ball deflected off the glove of the Raider catcher. Powell galloped toward home, slid and was safe to capture the state title for Chelsea.

"Our baserunning was very good," said a much-relieved Coach Wescott. "We didn't lay back."

This title sends Chelsea to the National Regionals, where they will defend their regional title. In-

cluded in the region are teams from Ohio and Wisconsin as well as Chelsea and Schrader's Raiders. The most formidable opposition, however, will come from the Metro Detroit teams, which do not compete in the state championships.

East Detroit's Shamrocks, second place in state Class A this year, are competing as a summer team for the first time and Coach Wescott admits they look very hard to beat.

Regional competition will take place this week-end, July 25-27, at Bishop Foley High school in Madison Heights. The field is at the corner of 13½ Mile Rd. (Whitcomb Ave.) and Campbell, just west of Stevenson Hwy. (I-75) and ½-mile east of Rochester Rd.

# Babe Ruth Royals Absorb First Loss

Action this week in the Babe Ruth League featured some excellent play, particularly the contest between Jeff Sweet's team and the Royals.

The early parts of the game had the first-place Royals with their backs to the wall. Barely able to make the nine player rule, they ended up placing Vaughn Mills in right field on crutches for one pitch. Removing him, the team continued with just eight players.

Scott Dault made his first pitching appearance for the Royals. He faced Sweet's top four without facing a threat. Then, in the Royals' half of the first, the team collected a walk, an error and base hits by Mark Isel and Dave Gipson to score three runs.

Sweet's team came within two in the third with a rally that included an error and singles by Mike Neibauer and Tim Whitesall.

In the fifth, with the Royals ahead 6-3, the Sweet boys opened

**Hearing Impaired Persons Interested in Dog Training Sought**

Barb, Dan and Scott Robbins, formerly of Chelsea, would like to meet hearing-impaired persons who are interested in training their own dog to report to them when the telephone rings, when the baby cries or other cues dependent on hearing.

The Robbins indicate that they have this need in their own family and would like to practice with others and share ideas and successes.

They stress that this is not a business venture and therefore no fees are charged.

Anyone interested in the Robbins' offer may call them at 475-7310 persistently.

up with a Tim Greenleaf single, a walk and a single by David Lane to come within one, 6-5.

The Sweets dug in again in the seventh inning with a single by Mike Neibauer and a fielders choice that drove in the tying run.

Deadlocked until the ninth, the game was broken open when the Royals picked up two runs on a Mark Isel double, a single by Dave Gipson and a game-winning single by Doug Saubagh.

The Royals kept their record intact at 9-0.

It was another close game Thursday that saw the Royals lose their first game of the season to second-place Dexter American Broach, 8-7.

Dexter unloaded its heavy bats with two singles, three walks and another single to take a 3-1 lead at the end of the first inning. Chelsea silenced the Dexter team for four innings while the Royals fought back to take the lead with a fourth-inning rally.

Jim Cannon, on base on an error, scored on Greg Stephens' single. Scott Dault and Jeff Blanchard also contributed key singles.

The Royals then broke away in the sixth inning as Mark Isel led off with a single. A walk and a sacrifice then gave the team three runs and a 7-3 lead.

Dexter was still alive, however, and came up with four runs on two hits to deadlock the game at 7-7. Then in the ninth, Dexter took advantage of a Royals' error and a single to take the win and hand Chelsea its first defeat.

## Legislative Update

A Weekly Report from State Rep. Mary Keith Ballantine State Capitol, Lansing 48909 Phone (517) 373-1775

Week of July 21-28

**DETROIT LOVES A GOOD PARTY** — The Republicans in Detroit have decided that the Motor City is just about the finest town around to host their National Convention. At the top of their ticket is Ronald Reagan and George Bush.

**WELFARE REFORM** — Gov. Milliken will sign into law a Republican sponsored bill that denies public assistance for three months to anyone who refuses job opportunities, community work relief or training programs.

**MERCHANT MARINES** — Merchant marines who are now state employees can count their war-time service toward state service, under legislation recently introduced.

**KELLEY STRIKES S.E.M.T.A. TAX** — Attorney General Frank Kelley ruled unconstitutional a tax levied on residents of Wayne, Oakland and Macomb counties to support the Southeastern Michigan Transportation Authority. The law does not follow constitutional requirements for disposition of funds. Taxes will continue to be collected, but placed in escrow until a court challenge is heard.

**RACE HORSES** — The initial meeting of the task force on the race horse industry will be held later this month to investigate charges of drug abuse among horses in races, pulling contests and other racing events.

**TROUT BAN** — The Department of Natural Resources will close large areas of the Great Lakes to fishing for lake trout and splake from Aug. 10 until Jan. 1, 1982, to prevent further depletion of the trout community due to excessive harvesting by gill netters.

### Two-Seater Airline

The first transcontinental airplane service in the United States was inaugurated in July, 1927. Boeing Air Transport Co. built and flew 24 Model 40-B biplanes for the coast-to-coast flight. Each plane featured an enclosed cabin for just two passengers and some mail and an open cockpit for the pilot. Henry Ford Museum, Dearborn, offers visitors a chance to see one of the few surviving planes from that original fleet, along with other milestones in aviation history.

### Chelsea Students Attend Orientation Session at WMU

Randall Bohl, Maureen Crawford, Faith Markle and Michael Wood of Chelsea have completed summer orientation for incoming freshmen at Western Michigan University, Kalamazoo.

In groups of 190 to 200, incoming students spent three days on campus registering for classes, taking placement tests and meeting with academic advisors. They are housed in a university residence hall and shown about the campus area by a group of 42 student leaders.

Fall semester classes at WMU begin Thursday, Sept. 4.

### First Chewing Gum Patented in 1869

William Finley Semple of Mt. Vernon, O., was granted patent No. 98304 on Dec. 28, 1869, for his special concoction for chewing gum. It was described as "A combination of rubber with other articles." The first known American chewing gum marketed was State of Maine Pure Spruce Gum made in 1848 by John Curtis, using an old Franklin Stove. The gum recipe is at the U. S. Patent Office and an example of the versatile Franklin Stove is at Henry Ford Museum, Dearborn.

# Dodgers Capture Pony League Title

The Dodgers took a firm hold on first place in the Chelsea Pony League this week, posting a 9-2 record very near the end of regular season play.

**Orioles 8, Reds 2** — The Orioles of Coach Petsch stayed in contention for the league title briefly by posting an 8-2 victory over the Reds last Wednesday evening.

Dan Bellus picked up the victory with relief help from Alan Fromm. Each team turned double plays at key moments to halt rallies.

For the Reds, Mark Porath started one double play, stabbing a line drive and getting the runner at second. For the Orioles, Brad Carter grabbed a hot grounder and threw to second baseman Jason Pierson who relayed the ball to first.

Also making super defensive plays was Matt Koenn, who made a backhanded stab of a hot grounder and caught a high pop fly behind the plate. For the Reds, Jeff Larson picked up the sole hit.

**Yankees 10, Twins 9** —

The Twins of Coach Connors have been hot lately and jumped all over the Yankees early in the game and appeared to have beaten the team, which was still in contention for the Pony League title.

Going into the sixth, the Twins were leading 9-3.

Then, for the Twins, the bottom fell out. The Yankees staged a spectacular seven-run rally to go ahead in the sixth. Chuck Downer had the big hit, a three-run triple. Brent Hall also had two hits.

In the bottom of that inning, the Twins made a desperate effort to tie the game. David Merkel stroked a long triple but was cut down at the plate trying to score.

Hitting stars for the Twins were David Merkel and Doug Jankuski with two hits each. Richard Connor pitched five strong innings for the Twins.

**Dodgers 10, Giants 2** —

The league-leading Dodgers of Coach Bentley continued their winning ways Thursday night.

The heavy-hitting Dodgers were held to just seven hits but managed to pull the victory out. Rick Boham went the distance for the Dodgers, striking out six Giants. Scott Jones was the big

stick for the Dodgers by driving in four runs.

**Orioles 6, Twins 2** — The Orioles of Coach Petsch hung on to second place in the torrid Pony League race with a solid victory Monday night.

The game was even through four innings, with the defensive squads totally in charge. Then, in the fifth, the Orioles broke through for four runs and held on to defeat the Twins.

For the Orioles, Dan Bellus picked up the victory and also started a double play that killed a Twin rally. Mark Bentley stroked a home run for the Orioles.

Ron Ferry pitched four strong innings for the Twins. Steve Fleischmann had the big hit, a triple down the left field line.

**Dodgers 8, Yankees 2** —

The Dodgers captured the Pony League championship Monday night, with a victory over the Yankees. The Yankees literally threw the game away, walking 18 Dodgers.

Winning pitcher was Eric Green. The big hitter for the winners was Bob Murrell who had two hits to drive in four Dodger runs.

Standings as of July 21

**Washtenaw Has Problem With Venereal Disease**

In Washtenaw county "gonorrhea is reported over five times more frequently in minor females than in minor males," according to the 1979 Annual Report of the Washtenaw County Health Department. In the 18-20-year-old age group, almost twice as many cases of gonorrhea were reported among females as among males.

It is not until men and women reach the age of 20 that gonorrhea is reported more frequently in men. In 1979 the peak incidence occurred for both men and women between the ages of 20-24 when 198 women and 247 men were identified with gonorrhea in our county.

Washtenaw county ranks 10th when compared with counties throughout the state. 1,091 cases of gonorrhea were reported for 1979 in the Annual Report. This represents a reduction of 34 cases or 2.9% since 1978.

Throughout Michigan gonorrhea remains one of the most serious and most common disease problems. In 1979 gonorrhea was the second most commonly reported communicable disease, second only to influenza. Gonorrhea, particularly in its

more common complication—Pelvic Inflammatory Disease (PID)—is one of the most serious health threats to sexually active women. Major emphasis is being placed on this complication. Locally, according to the Annual Report, "screening cultures are provided to approximately 28,000 women annually through local medical facilities." The project also provides high-quality free clinical services at two locations and "persons infected with gonorrhea receive intensive education and are motivated to notify their recent partners of exposure to an infection." Rapid treatment for partners of infected people reduces the likelihood of complications and minimizes further spread of the infection. Women who developed complications of gonorrhea received education and counseling from Washtenaw county staff.

Research and follow-up are built into the local VD program. For single copies of the report, please call 973-1488.

# Cassidy Lake School Plans First Honors Assembly, Open House

Cassidy Lake Technical School plans to hold its first Honors Assembly and Open House this Saturday, July 26, from 1 to 3:30 p.m.

The program will be given in recognition of the academic and vocational achievements of the 72 Adult Basic Education students who have been enrolled in a Title I program.

Title I was funded at Cassidy Lake in 1975 and is designed to provide supplemental instruction to any student under 21 years of age whose reading, math or English scores place him below a level of adult competency.

A profile of Title I students

shows them to have been habitually truant from school, school behavior problems and often school dropouts. For the typical Title I student, school has been a painful experience.

At Cassidy Lake, for the first time, many of these students are experiencing success. Those who were functionally illiterate have begun to read; others have finished vocational instruction. Almost all have found school to be a positive experience.

Purpose of the honors assembly is to reward and motivate these students and to involve their parents in a positive school experience.

Honors day is a collaborative effort on the part of the Title I teaching staff, the Michigan Department of Corrections administrative staff, security staff and counseling staff at Cassidy Lake. Both residents and staff have been involved in the planning and implementation of this program.

The assembly will begin with an honors ceremony. Guest speakers will include Cassidy Lake Superintendent Joseph Weinberg, teachers, vocational instructors and students.

An award will be given to the most valuable correction officer, voted upon by the Title I residents in appreciation for his advice and counseling to offenders.

Following the speakers, Title I students will be presented with certificates of competency in their areas of academic achievement, counseling, vocational trades and athletics. The presentation will be attended by parents, spouses and friends.

After the assembly, guests will have an opportunity to tour the school building, Classroom, vocational trades areas, and the PLATO system, a computer-assisted teaching program, will be open to visitors.

## Naturalist Guided Walk Offered at Nature Center

Leafy Lessons, a naturalist guided walk is offered at 10 a.m. Wednesdays at the Waterloo Nature Center. An array of colors, fragrances, textures, and tastes are yours to enjoy as you learn about the plant life common to the Waterloo Recreation Area.

See how bright showy colors play an important role in attracting insects to many flowers. Find out how plants obtain the pollen needed for reproduction. Feel the soft springiness of a moss patch,

or taste the sweetness of a ripe blueberry. As the plants change over the summer season, each week's walk will be unique.

There is no charge for the walk, but you must have a State Park motor vehicle permit attached to the windshield of your car. Permits may be purchased at the Nature Center.

For information on this program or other offered at the center, call (313) 475-8069 between 1 p.m. and 5 p.m. Wednesdays to Sundays.

To reach the nature center take I-94 to exit 156, Kalmbach Rd., and follow the park signs to the nature center.

Annual state and federal highway user taxes for a typical heavy truck range from \$2,047 for a 3-axle tractor trailer to \$4,215 paid by a 5-axle truck and trailer. On the average, state and federal use taxes paid by one large truck equals taxes paid by 35 passenger cars.

## Lee J. Doser, Jr. Seeks Legislative Post

Lee J. Doser, Jr., 12020 Island Lake Rd., Dexter, has announced his candidacy for the office of 23rd District State Representative. He will oppose Rep. Mary Keith Ballantine in the Republican primary Aug. 5.

Doser is presently executive director of Michigan Paralyzed Veterans of America, Inc. He attended Washtenaw Community College and the University of Michigan and served in the US Army for two years during the Vietnam War.

He is a board member of three non-profit corporations, and past-vice-president, past-legislative officer and past-editor of the Michigan Paralyzed Veterans of America.

Doser was nominated for the Michigan Veteran of the Year award in 1980. He is a recipient of the 1979 House and Senate Vietnam Veteran Recognition Award and several Dexter Jaycee awards.

He is married and has one son. In his statement, Doser accuses the present 23rd District leadership of only reacting to crises and following the leads of others instead of "acting as (a) leader in our rapidly changing society."

He cites the Headlee Tax Cut Amendment and Workers Compensation as two issues that are "left over from two years ago (and) still remain issues today."

Among his campaign pledges, Doser promises to uphold the rights of unborn children and feels that abortion is "morally wrong." He also pledges to lend support to nuclear power, saying that "if Michigan is to maintain a dynamic economy and its industrial superiority, it must be ready and able to meet future energy demands."

### Area Students Earn Advanced Degrees at EMU

A number of local students were among those receiving advanced degrees from Eastern Michigan University\* at commencement ceremonies held April 19 in the Bowen Field House on the EMU campus.

Philip D. Jackson, 3335 Chestnut Circle, Dexter, received a Master of Business Administration degree. Gregory resident Bann B. Baker, 467 Orlando Dr., earned a master of arts, as did Shirley F. Halchishak, 14601 Tracey, Manchester; Nicholas G. Kolokithas, 9208 Thumm Rd., Pinckney; and Connie A. Yester, 10356 Moon Lake Ct., Pinckney. Gerald A. Reason, 800 Darwin, Pinckney, received a specialist degree.

### Youths Attend Grand Valley State Basketball Camp

Chelsea athletes Mark Brosnan, Carl Pate, Matt Villemure and Dave Wojcicki recently attended the Grand Valley State College basketball camp.

The camp is designed to help players between the 6th and 12th grades improve their ball handling as well as strategy, team play and fundamentals. Directing the camp is Grand Valley's head basketball coach, Tom Villemure. In his nine years as coach, the Lakers have compiled a 172-82 record for a .735 average. His 1976 team, which finished fourth in the nation with a 30-4 record, was the first Michigan team to win 30 games. Assisting Coach Villemure are high school coaches from the Grand Rapids area.

### Member of Gideons Will Be Speaker At Baptist Church

"Making Bible Memorials Work" will be the topic addressed by Harvey Fischer, a member of the Gideons International, Ann Arbor Chapter, during a Chelsea appearance.

Fischer will speak at the Chelsea Baptist church, 337 Wilkinson St., Sunday morning July 27, at 10:30 a.m., according to the pastor, the Rev. T. B. Thodeson.

Mr. and Mrs. Fischer have been active in the Gideons for many years. Recently, the Ann Arbor Chapter distributed Bibles and New Testaments in the local area.

**SOLAR HEAT FUTURE KEY**  
What with the cost of fuel oil, gas and electricity climbing steadily, it's increasingly difficult for the homeowner to keep cheerful and warm at the same time. Solar heat may be the answer in the future.  
Engineers from Honeywell Inc., recently studied the performance of solar heating and cooling equipment in 12 cities. They came to the conclusion that the sun could furnish 84% of the average annual heating requirements for a typical house in New York City and 77% of the necessary air-conditioning energy. In Atlanta, the figures were 83% and 63%; in Chicago 50% and 67%.  
A solar heating set-up stores energy in the form of sun-heated hot water. This energy can be used both for heating and air-conditioning. And although the price of a solar heating unit is high now, growing demand is expected to bring down the cost considerably in the future. There's one catch, though. Long periods of cloudy weather mean big trouble for solar energy units. So, you'll still need some back-up heating.  
If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

**The Bible-The Light from Heaven**  
Teaches Christians are a people called and chosen of God (1 Corinthians 1:9; Ephesians 1:4). Yet they are not called miraculously. They are called by the gospel (2 Thessalonians 2:14). The gospel call is the ever-extended invitation of the Lord to obey Him. Those who hear it and accept it are "chosen." Every sinner is invited (Matthew 11:28). From the beginning God purposed to have a class of people who would belong to Him (Ephesians 1:4). This class is made up of all who accept His invitation (Revelations 22:17). All can accept it but comparatively do (Matthew 22:14). Those who do become God's chosen people. The seed is the word of God. In both the natural realm and the spiritual realm everything produces after its kind. (Galatians 6:7-8). God's word is now able to furnish us completely unto every good work, that is, direct us to do every good work for which we have the talent and privilege (2 Timothy 3:16, 17). This includes preaching. Paul told Timothy to teach faithful men that they might teach others (2 Timothy 2:2). All are to be taught. (John 6:45). All are to obey the words of Jesus. He is the "author of eternal salvation unto all them that obey him." (Hebrews 5:9).

# Bandits Sport 10-0 Record in Midget League Competition

The M&Ms lost their first game of the season to the Dukettes last week, but nevertheless wound up champions of the Midget League. With play continuing, the Bandits have a pretty solid hold on the Junior Miss title with a flawless 10-0 record. Midgets began tournament play this week, and the Junior Miss will embark on a double-elimination tournament next week.

## MIDGET LEAGUE

**Dukettes 15, M&Ms 9—**  
The M&Ms fell short of their perfect season when the Dukettes handed them a 15-9 loss on superb hitting. Jenny Picklik slammed two long homers. Kim Easton and Laura Walton also contributed a homer each. Defensively, Lori Jedele, Kim Easton and Michaela Scriber each snagged pop flies. M&M Heidi Knickerbocker hit two home runs and Dehl Koenig added one of her own. Stacy Norris made two fine catches, one of an outfield fly.

**Red Devils 9, Panthers 8—**  
It was a thrilling contest last week with good softball skills displayed by both clubs. Devil hitting honors went to Jennifer Lewis, who singled, doubled and tripled, and Renee Hager who doubled.

Devil Coach Bonnie Basso noted the outfield play of Kasey Anderson, Shannon Losey and Susan McGonigal. Panther Coach Cindy Hamerschmidt added that for her team it was "doubles night." Smacking two baggers were Vanessa May, Lisa Unterbrink, Heidi Boyer, Teresa Reed, Jill Koch and Holly Martin.

**Dukettes 13, Panthers 11—**  
Tournaments began with an exciting battle between the Dukettes and Panthers in game one. The Panthers played like their namesakes, scoring 10 runs in the first two innings. They put the Dukettes in the hole early, 10-4. Playing excellent defense, the Dukettes roared back with nine runs, three of them in the final inning. Home runs were contributed by Kim Easton and Jennifer Rossi. Reliever Jenny Barton pitched three good innings, allowing only one run.

**Red Devils 15, Daisies 12—**  
This tournament contest was a very close, exciting game with both teams playing good ball. Red Devil hitting stars were Linda Laier with a triple, Renee Hager with a double, Kasey Anderson and Shelley Adkins with a homer each.

Good infield play was demonstrated by Jennifer Lewis and Jean Petsch. Daisy slugging was the domain of Beth Peterson, Kim Clark and Christen Petty, all of whom had singles.

## JUNIOR MISS LEAGUE

**Yellow 18, Gamblers 14—**  
Mellow Yellow slammed 25 hits to squeeze by the Gamblers in a rough and tough battle. The Mellow squad displayed good pitching by Kelly Fletcher, Kim Harden and Chris Defant. Doing a fine catching job was Missy Connell.

In the fifth inning, the Gamblers performed a triple play. With runners on second and third, Gambler centerfielder Kelly Murphy caught a long fly ball, whipped it to second baseman for out number two. She in turn threw to third baseman Kim Collins for the third out.

**Bandits 27, Devils 4—**  
Bandit pitchers Joann Tobin and Lisa VanSchoick pitched yet another outstanding game. Tobin gave up three runs in three innings and VanSchoick gave up just one run in two innings. Crossing the plate three times each for the Bandits were Cathy Burkel, Paula Kozon, Karen Hawks and Michelle Cannon.

**Bandits 12, Demons 9—**  
Bandit hurler Lisa VanSchoick threw three scoreless innings for the winners, who also clinched their league title. Kerry Henderson pitched her first inning this year and gave up four runs. Catcher Cathy Burkel

gunned down a Blue Demon runner at third in the fourth inning. Burkel also laid down an excellent bunt.

Hitting star was Bandit Tylen Greenleaf who slugged a triple in the fifth inning.

**Gamblers 13, Red Devils 12—**  
Cathy Basso and Karen Wilson pitched their team to victory with a close battle against the Red Devils. The Gamblers managed to boom 13 hits and Cindy Kvarnberg smacked a triple good for two RBIs.

Coach Joann Alber praised the performances of all Gambler team members.

# Girls Softball Team In Ann Arbor League

This year a girls softball team, in the 13-to-15-year age group, has joined the Ann Arbor League. These girls have been practicing and playing together since spring with their coach, Donna Stofler.

Chelsea's first game, against Ypsilanti, was a great beginning. Donna Popovich threw a no-hitter, facing 22 batters and striking out 13.

Cathy Doll and Joyce Robards each hit a double while the defense held fast to make the final score a 10-0 rout.

Cathy Doll broke the defense of Washtenaw News in the second season contest with a triple.

Beth Unterbrink had two singles and stole around the bases to bring in two of Chelsea's runs. In spite of these efforts, the Chelsea squad let the opposition squeeze through with an 8-4 win.

When Chelsea faced the Bullets, both offense and defense were ready. Right fielder Debbie Morris fielded a strong hit and made a great throw to second baseman Sharon Guinan, who tagged out the runner.

Carla Peterson laid down an excellent bunt, Lisa Beeman had three singles and Cathy Doll a double. To cap the scoring, Kathy Morris slammed a home run to help her team to a 20-11 victory.

Popovich faced Loveland Auto batters and struck out 11, allowing only one hit. Kathy Degener

touched home three times to bring in three runs. Beth Unterbrink had two singles, scored two and brought in four RBIs. When the dust cleared, Chelsea had smothered Loveland, 14-1.

## Senior Miss Softballers Win Three

Steady improvement has led to three consecutive victories for the Senior Miss Softball team. Wins over Pinckney I, Pinckney II and Gregory have raised the team's record to 3-5.

In a true slugfest, Chelsea took a 34-21 win over Pinckney I.

Kelly Hawker picked up her first win as well as collecting two hits. Beth Gasieski had a single and home run and Anne Weber had two hits.

Against Pinckney II, the team came back in the 7th inning to win a squeaker, 8-7. Kelly Hawker and Kelly Knepper combined to pitch a fine game.

Hawker led the hitting with a home run. Other contributors at the plate were Beth Eassa, Anne Weber, B.J. Behnke and Penny Syria.

In their third win, the Chelseaites played well and came out on top of Gregory, 15-10.

Kelly Knepper earned the win, with Hawker helping in relief. Penny Walz provided a big three-base hit to assist the effort.

Weber, Knepper and Syria each had two hits. The team was scheduled to play at home Wednesday night at 6:30 p.m.

## Jr. Miss Softball Schedule

- 1. Red Devils
- 2. Bandits
- 3. Mello Yello
- 4. Blue Demons
- 5. Gamblers

July 21: 4-2 and 5-1. July 23: 3-1 and 4-5. Week of July 28, double elimination tournament.

**LITTLE LEAGUE PIRATES:** Currently in fourth place in Little League, the Pirates took a solid victory over the Dodgers this week, 7-6. Competing in Pirate uniforms are, front from left, Brandt Snyder, Cory Jackson, Matt Monroe, John Cattell, Kevin Flangan;

row two, Eric Bell, Matt Bohlender, Mark Bareis, Ted Zaborowski, Gary Johnson; row three, Chris Zangara, Tim Anderson, Greg Boughton, Todd Starkey and Coach Stan Starkey.

## LITTLE LEAGUE ROUND-UP:

# Royals, Indians Tied for Little League Championship

Things tightened up considerably in the Little League this week. With only one day left to play, the Royals and Indians are tied with identical 7-3 records. Not far behind are the Tigers, who currently stand at 7-4.

**Indians 8, Reds 5—**  
The Reds of Coach Ahrens jumped off to a five-run lead over the league-leading Indians of Coach Spencer, but were unable to hold it and fell, 8-5.

For the Indians, Ray Spencer came on in relief and shut down the Red attack. Big hitter for the victors was Phil Patterson with a double and a single. Mike Westhoven had a two-run homer, Brad Bauer had a home run and Ron Grifka and Curtis Satterthwaite each hit singles.

For the Reds, Greg Haist, Brian Roberson and Mark Ahrens each smacked two hits. Chris Burkel of the Reds charged a low liner and made a super catch.

**Royals 20, Dodgers 8—**  
Coach Murphy's Royals jumped all over the Dodgers and scored an easy 20-8 victory. For the Royals, Jon Lane had a home run and a single, and Randy Hafner had three singles. Also getting hits were Scott

Baker, Mark Pletcher, Casey Murphy, and Ricky Niethammer.

Ken Martin hit a home run for the Dodgers. Jeff Steele contributed a triple and single and Steve Petty and Krut Lawton singled.

**Tigers 9, Pirates 4—**  
Coach England's Tigers played a good game Thursday in defeating the Pirates, 9-4. Rob England and Jeff Hawly combined to pitch a no-hitter for the Tigers.

The hot hitting Bengals had six hits, but were thwarted on several occasions by excellent Pirate defensive plays on the part of Carey Johnson, Matt Monroe and Brant Snyder.

For the Tigers, Ron Johnson and Bobby Torres made excellent defensive plays in support of the no-hitter.

Coach England said this was a get-even match for the Tigers, who were thumped by the Pirates earlier in the season.

**Tigers 6, Reds 2—**  
The Tigers continued their winning ways with a 6-2 victory over the Reds on Monday night. Tiger batters managed just one hit, but defensive miscues by the Reds led to Tiger runs. They also

got tough pitching from Rob England and Jeff Hawly.

For the Reds, Mark Ahrens and Brian Roberson silenced the Tiger bats, but the game slipped away via the error route. A key to the Tiger win was good infield defense.

**Pirates 7, Dodgers 6—**  
The Pirates pulled out a squeaker over the Dodgers in the last inning of their game Monday night.

For the steady Pirates, Todd Starkey had two home runs and a triple. Defensively, Pirate catcher Matt Bohlender picked off three Dodger baserunners.

The Dodgers put together a strong hitting game but couldn't get the big hit when needed. Robert Hamel drove in two runs and Ken Martin had two hits. Defensively, Jeff Steele and Ken Martin made outstanding plays.

## Attention — Antique and Classic Car Owners!

The Chelsea Merchants Association will be sponsoring their Annual Chelsea Sidewalk Festival on Friday and Saturday, August 1st and 2nd.

Among the other events at this annual affair, this year there will be an Antique and Classic Car Parade on Friday evening.

Invitations are being sent to anyone interested in entering their car in this parade. The more cars, the more fun! If you know anyone else that may be interested, please pass the word.

The plans for the parade are to have all participants bring their cars to the parking lot of The Parts Peddler Auto Supply at 1414 South Main Street, Chelsea, for lineup at no later than 4:30 p.m. on Friday, August 1st. At 5:15 the parade will start and go down Main Street through town. After the parade, car owners may return to Palmer Ford where a space will be provided to display their car if they wish.

At lineup time, sandwiches and refreshments will be provided by The Chelsea Woodshed Eatery and The Parts Peddler Auto Supply. We would like to you and your fellow antique-classic car owners to attend. If you would like to do so, please call or return the slip from the bottom of this letter as soon as possible.

MORTGAGE SALE - Default having been  
made in the terms and conditions of a certain  
mortgage made by Augustine B. Kole,  
formerly Augustine B. Sheppard of Ann Ar-  
bor, Michigan, Mortgagee, to Diamond  
Mortgage Corporation, A Michigan Corpora-  
tion, Mortgagee, dated the 8th day of  
February, 1978, and recorded in the office of  
the Register of Deeds, for the County of  
Washtenaw and State of Michigan, on the 9th  
day of February, 1978, in Liber 1637 of  
Washtenaw County Records, on page 84,  
which said mortgage was thereafter assign-  
ed to Gabis Bagdasarian by assignment date  
February 22, 1978, and recorded on March 3,  
1978 in the office of the Register of Deeds for  
said County of Washtenaw in Liber 1639 of  
Washtenaw County Records, on page 83, on  
which mortgage there is claimed to be due,  
at the date of this notice for principal and in-  
terest the sum of \$3,230.27.

And no suit or proceedings at law or in  
equity having been instituted to recover the  
debt secured by said mortgage or any part  
thereof. Now, Therefore, by virtue of the  
power of sale contained in said mortgage,  
and pursuant to the statute of the State of  
Michigan in such case made and provided,  
notice is hereby given that on THURSDAY,  
the 28th day of AUGUST, 1980, at 10:00  
o'clock A.M., Local Time, said mortgage  
will be foreclosed by a sale at public auction,  
to the highest bidder, at the Main entrance to  
the County Building in Ann Arbor Michigan  
(that being the building where the Circuit  
Court for the County of Washtenaw is held),  
of the premises described in said mortgage,  
or so much thereof as may be necessary to  
pay the amount due, as aforesaid, on said  
mortgage, with the interest thereon as allow-  
ed by law and all legal costs, charges and ex-  
penses, and also any sum or sums which  
may be paid by the undersigned, necessary  
to protect its interest in the premises. Which  
said premises are described as follows:  
All that certain piece or parcel of land  
situate in the City of Ann Arbor in the County  
of Washtenaw, and State of Michigan, and  
described as follows, to-wit:  
The North 33 Feet of Lot 63 and the  
South 14 Feet of Lot 66, James B. Gott's  
Second Addition, as recorded in Liber 67  
of Plats, Page 69, Washtenaw County Rec-  
ords.

During the six months immediately follow-  
ing the sale, the property may be redeemed.  
Dated at Southfield, Michigan, July 14,  
1980.

**Get A Second Opinion Before Having Surgery**

If your doctor suggests that you  
have non-emergency surgery, ask  
for the name of another doctor  
so you can get a second opinion.  
Or call the Department of  
Health, Education, and Welfare's  
toll-free second-opinion hotline to  
locate a specialist near you. That  
number is 800-838-6833 (In  
Maryland, call 800-492-6603).

To help consumers learn more  
before they agree to non-  
emergency surgery such as a ton-  
sillotomy, hernia repair,  
hysterectomy, or gall bladder  
operation, HEW has an updated  
booklet called *Thinking of Having  
Surgery—Why Not Get a Second  
Opinion?* It's free when you send  
a postcard with your name and  
address to the Consumer Infor-  
mation Center, Dept. 575H,  
Pueblo, Colo. 81009.

Obviously, if you need im-  
mediate surgery because of an  
accident or a medical emergency  
such as acute appendicitis, there  
is no time for a second opinion.  
But for non-emergency surgery,  
there is plenty of time.

Before you go for a second op-  
inion, make sure you understand  
why the operation is recommend-  
ed. Ask your doctor:

—What is the matter, and what  
is the operation?  
—What are the benefits and  
risks, and how long will the  
recovery be?  
—What will happen if you don't  
have the operation? Are there

other treatments that could be  
tried first?  
—What will the operation cost,  
and will medical insurance cover  
it?  
When you meet with the second  
doctor, describe the surgical pro-  
cedure the first doctor recom-  
mended and any tests you know  
you have had. In many cases,  
your first doctor will send your  
medical records to the specialist

or second doctor. You and the  
specialist may want to repeat  
tests, although this may not be  
necessary. After the specialist  
either confirms or disagrees with  
the first doctor's opinion, ask  
your questions again. After all,  
you want as much information as  
possible so you can make a  
thoughtful decision about  
whether to go ahead with the  
surgery.

## Manchester Street Fair Set for Aug. 9

If you enjoy good art, good food, good entertainment, and good discounts on merchant's wares, you'll enjoy the "good" third annual Manchester Street Fair. This year's fair will descend on Manchester on Saturday, Aug. 9 and bring with it a delightful assortment of things for everyone from 2 to 92 to enjoy.

Manchester is beginning to get a reputation for the good quality arts and crafts that it attracts and the spaces for this year's fair are filling up fast. Along with the arts and crafts and merchant's wares that are for sale, there will be many different free demonstrations to fascinate every interest. Among the demonstrations already set up are blacksmithing, stained glass, basket making, spinning, bobbin and knitted lace, soft sculpture and soap making.

If you're not into the visual arts, how about the theatre? Throughout the day the Black Sheep Theatre will be giving short skits to entertain the theatrically oriented interest. Jimm Flemming and Co. will be on hand to stimulate our imagina-

tions with his mime and there will be music to serenade the crowds as they stroll up and down Main St.

Manchester is quaint and its turn of the century atmosphere will be introduced to those interested in its history through an Historic Walking Tour.

Kids, again this year, will enjoy the children's booth at the Fair. For a nominal fee, children will be able to dabble in art forms of many different kinds and also available will be the "Art Boxes" for the kids. They will contain several different art projects that children can take home to enjoy.

Don't forget the 50-50 drawing at the end of the day. You may win a lot of money.

The Fair is sponsored by the Manchester Art Guild and the merchants of Manchester. There are still a few spaces left for arts and crafts and the sponsors are always interested in people to demonstrate their special skills.

For more information phone 428-7674 or come up to the Gallery on Fridays between 10 a.m. and 3 p.m.

## 4-H Mainstreaming Agent Named for County

Charleen M. Berels of Ann Arbor, has been appointed Extension 4-H Youth Agent in charge of the Washtenaw county 4-H handicapper mainstreaming project, effective July 1, pending approval of the Michigan State University Board of Trustees.

The Washtenaw County 4-H Youth Program is one of 21 county programs to receive a special grant from the W. K. Kellogg and Charles Stewart Mott foundations through the Michigan 4-H Foundation to conduct a 4-H handicapper mainstreaming project.

Ms. Berels will be responsible for planning, organizing, implementing and evaluating 4-H handicapper mainstreaming programs in Washtenaw county.

"Though handicappers have been involved in 4-H programs on a limited basis over the past few years, the grant will enable us to more effectively integrate local handicapped residents in 4-H programs," says Ms. Berels.

According to Ms. Berels, county efforts made possible by the grant will help increase understanding between handicappers and "temporarily-able-bodied" (TAB) persons and help them work together more effectively.

Ms. Berels will also be responsible for identifying, recruiting,

training and assisting volunteer leaders in an effort to strengthen county 4-H youth programs involving handicappers.

"Being handicapped means that you just learn to live with your unique mental or physical characteristics and use special tools to help you accomplish a task. It doesn't mean you have limited potential or are less of a person," she explains.

"I feel the program will be mutually beneficial," Ms. Berels adds. "Handicappers and TAB's will learn to appreciate their similarities and differences and, as a result, will develop a better understanding of one another."

Ms. Berels received her bachelor's degree in psychology from Eastern Michigan University in 1975. Since then, she has been employed with the Washtenaw County Co-operative Extension Service as a Family Living Education program assistant, the Michigan Department of Education at the Bureau of Rehabilitation as an employment service specialist and, most recently, with the Washtenaw county CETA program as an occupational counselor.

## Chelsea Village Council Proceedings

July 15, 1980

Regular Session. The meeting was called to order by President Ritter at 7:30 p.m.

Present: President Ritter, Clerk McGibney and Administrator Weber.

Trustees Present: Chriswell, Kanten, Keezer, Merkel, Popovich and Sweet.

Others Present: Police Chief Aeillo, Fire Chief Gaken, June Komar, Assistant County Administrator, Washtenaw County Administrator's Office, Matt Handerk, Ishmael Pickelsimer, Gerard V. Rendell.

The minutes of the July 1, 1980 meeting were read.

Motion by Chriswell, supported by Sweet, to approve the minutes as read. Roll call: Yeas all. Motion carried.

Ms. June Komar, Assistant County Administrator was on hand to discuss the services of Dial-a-Ride and their position during the AATA strike. She came to secure a signed contract for such services. Kanten moved to table the action, but receiving no support, she withdrew her motion. The Council was then asked what action they wished to take. There being no motions, this issue died for lack of support.

Police Chief Aeillo submitted a letter requesting the sale of two portable radios (now unused) to Saline and with the funds from this sale, purchase a high band radio for the Police Chief's personal car. This would enable him to be in contact with the village from any place in the county. The matter has been turned over to the Police Commission Committee for a decision.

A report for the month of June was received from Fire Chief Gaken.

A letter was received from the Village Treasurer regarding a small amount of uncollectable tax. Motion by Keezer, supported by Chriswell, to pay this tax. Roll call: Yeas all. Motion carried.

An agreement with Bill Bauer for landfill salvage rights was presented. Motion by Chriswell, supported by Keezer, to approve this contract. Roll call: Yeas all. Motion carried.

The date of August 19, 1980 was set for a zoning hearing on the petition of Mel Jones for an amendment to the Zoning Ordinance.

The date of August 5, 1980 was set as the time the Village of Chelsea will hold a public hearing on the application from Book Crafters/Litho Crafters regarding their application for Industrial Facilities Exemption Certificate. Motion by Sweet, supported by Keezer. Roll call: Yeas all. Motion carried.

Motion by Chriswell, supported by Keezer, that Dick Kiss, as low bidder, be employed to do bulldozing for the village. Roll call: Yeas all. Motion carried.

Motion by Kanten, supported by Popovich, that the planning commission's Annual Report be accepted. Roll call: Yeas all. Motion carried.

A request to allow DAV to hold annual Forget-Me-Not sale in Chelsea on September 5 & 6, 1980. Motion by Chriswell, supported by Keezer, to approve this request. Roll call: Yeas all. Motion carried.

A resolution was passed allowing the use of any bank in the County for investment purposes with the village funds. To assure the best possible rate for bidable money. This was motion by Chriswell, supported by Popovich. Roll call: Yeas all. Motion carried.

Work session will be held July 29th RE: Stage II of Sewer Systems Evaluation Survey.

Motion by Kanten, supported by Popovich, to authorize payment of bills as submitted. Roll call: Yeas all. Motion carried.

Motion to adjourn by Kanten, supported by Merkel. Roll call: Yeas all. Motion carried. Meeting adjourned.

Rose McGibney, Village Clerk.

### Steaming Ahead

George Henry Corliss, born June 2, 1817, spent his early adult years in a variety of jobs. He worked for a textile manufacturer, then opened a boot shop and then hired on as a draftsman. Finally in 1848 he opened a steam engine constructing company which produced engines of such efficiency and fuel economy that historian Henry Adams called them the symbol of the age.

# Blueberry Time At Waterloo Area

Wild foods may not be your cup of tea, but right now is the time to harvest the most enjoyable of all wild foods. Blueberries are yours for the picking in the Waterloo Recreation Area. Growing four to eight feet tall, Highbush Blueberry is found in the acidic soil of Waterloo's bog areas.

Remnants of the ice age, bogs were once lakes. Time has covered the bog lake with a carpet of sphagnum moss and started to fill the lake with wetland shrubs, including the blueberry.

Walking on the bog mat is like walking on a giant wet sponge. The stems and leaves of the sphagnum moss are hollow and soak up the water, holding it until you put your foot down, squeezing the water out of the plant.

Be sure to wear shoes or boots that you will not mind getting wet. To make picking more enjoyable also wear long pants, a hat, and insect repellent.

Several small containers work well. The weight of the blueberries in one large container often mashes those berries in the bottom.

Within the bog you may notice the insect eating pitcher plants, orchids, tamarack trees and other plants unique to bogs. Be on the look-out for Poison Sumac. It is similar in appearance to the Smooth Sumac that is found in dry fields. Red upright berry clusters and toothed leaflets identify the non-poisonous sumacs while clusters of greenish white berries hanging below the leaflets with smooth edges tell us to stay away. Touching any part of the poison sumac can cause an allergic rash on the skin.

Where berries are plentiful, a novice should be able to pick a couple of gallon pails full in one afternoon. If blueberries are

picked on a dry day, and packed unwashed in fruit jars, they will keep in the refrigerator for a month or more. Blueberries may also be preserved by drying, canning, or freezing them.

For a map of several blueberry picking areas stop at the Waterloo Nature Center located on Bush Rd. To reach the center take I-94 to exit 156, Kalmbach Rd., and follow the park signs.

There are many delicious ways to serve blueberries. Here's a recipe for a coffeecake that is sure to make your mouth water.

**BLUEBERRY BUCKLE**

- 2 cups flour
- 2 cups blueberries
- ¼ cup sugar
- 2½ teas. baking powder
- ¼ teas. salt
- ¼ cup shortening
- ¼ cup milk
- 1 egg

Pre-heat oven to 375 degrees. Grease a 8x8x2 inch pan. Combine all ingredients. Beat vigorously ½ minute. Spread in pan. Sprinkle topping over batter. Bake 45-50 minutes. Serve warm.

**Topping:**

- Mix ½ cup sugar, ½ cup flour, ½ teas. cinnamon, and ¼ cup soft butter. Sprinkle over batter.

## My Father Is A Farmer

What do you give your dad for his birthday? If you're a farmer's daughter, like Tamara Wieland of Charlevoix, you let him know that he's a very special person. That's what Tammy did for her dad, Tom Wieland, president of the Charlevoix County Farm Bureau, with her tribute: "My Father is a Farmer".

It takes a special kind of man to be a farmer, and my father is one of those special men.

Some men make a living in a world of man's inventions, but my father has the courage to work with seeds and soil and sunshine; plowing and planting, trusting God for the good weather and rain that will bring a good harvest.

Some boys' fathers work with computers or machines but mine was given the special understanding that enables him to deliver calves and to let my brother's puppy help him with the chores.

My dad is one of those special men who doesn't become discouraged when it doesn't rain for weeks on end, or it does rain—but on three fields of freshly mown hay.

He doesn't lose patience when people gripe about the price of milk, or when all the cows decide that the grass is greener on the other side of the fence.

My father once said that if you gave him a million dollars, he would farm until it was all gone. Although he meant it to be a joke, that statement is true to the kind of determination he has.

Everyday, my father practices his trust, compassion, patience, perseverance and determination, and provides for us an example to live up to of hard work well done. An example of not only a special father, but of a special man, because my father is a farmer.

—Tamara Wieland.

## \* Taxes, Taxes, and More Taxes.

While April 15 is still painfully sharp in our memories, let's take a look at where we have been heading on the tax scene during the past five years.

Over-all, the federal tax take has increased more than 78 percent in the five-year period, with some individual forms of tax going up over 200 percent. Taxes paid for the operation of state governments have gone up nearly 70 percent in the last five years, and taxes to support county and municipal governments have also increased about 70 percent.

A study by the economic unit of the U.S. News and World Report shows how the long arm of the government is reaching even deeper into everyone's pockets. In 1979, every \$3.50 paid for goods and services included an average of \$1 in taxes.

There appears to be no end to the ability of government to find new things to tax or to increase the tax on things that are already taxed. Tax cuts at the federal level have come to have no meaning since it has demonstrated, time and again, that people keep on paying higher taxes, due to inflation, even when rates are cut on the income tax.

The Congress is currently engaged in an effort to develop and adopt a balanced budget for the fiscal year beginning this fall, but if it is achieved, it will be done—not by cutting spending—but by increasing taxes.

That is why the only hope left for taxpayers is a constitutional amendment to not only require a balanced budget, but to place a definite limit on how much Uncle Sam can reach into our pockets.

The U. S. economy will create nearly 20 million new jobs by 1990. More than half will be in white-collar occupations, according to Bureau of Labor Statistics projections.

**ORIENTEERING** is just one of the environmental education programs offered regularly at Waterloo Recreation Area, just 7 miles from Jackson, 15 miles from Ann Arbor and minutes from Chelsea. Through orienteering, a sport involving navigation through the woods to various checkpoints in a specified amount of time, youngsters can learn to respect and appreciate nature.
