

# Primary Election Tuesday Generating Activity

Washtenaw county voters will go to the polls this Tuesday, Aug. 5, to elect a number of primary election candidates for township, county, state and national offices. Primary winners will face off in the general election in November.

There are three partisan sections on the ballot. Voters may vote in only one of the three: Democratic candidates, Republican candidates or party qualification.

A number of parties are seeking the right to appear on the November General Election ballot. If a party receives votes equalling more than 3/10 of one percent of the total number of ballots cast in the primary, its candidates will appear on the November ballot.

These parties include: Libertarian party, Socialist Workers Party, Citizens Party and Anderson Coalition Party. Voting for one of these parties disqualifies a voter from selecting Democratic or Republican candidates for the various offices.

On the national level, voters in the Chelsea area will select candidates to run for the U.S. Congressional seat in the 6th District. Democratic candidates are incumbent Bob Carr and Russell Severance. Jim Dunn and Aubrey Radcliffe will contend for the Republican slot.

State Representative of the 23rd District Mary Keith Ballantine will be challenged by Lee Doser for the Republican spot on the ballot. Democrat Dan McCarr-

thy is running unopposed in the primary.

A number of Washtenaw county offices are being contended for in the primary race.

Elizabeth R. Schwartz (D) and incumbent William F. Delhey (R) are unopposed as the candidates for Prosecuting Attorney. Incumbent Tom Minick is unopposed as the Republican nominee for Sheriff. Bill Crispin and Lushin Salyer are squaring off for the Democratic nomination.

Richard L. Doyle and Rose Marie Melton are the Democratic Clerk candidates. Incumbent Robert M. Harrison is unopposed by other Republicans.

Doris M. Case and Thomas E. Kaas will vie for the Democratic Treasurer slot. Republican

Michael A. Stimpson is unopposed.

Democratic Register of Deeds candidates are Sheila Mulroy Robertson and Angie Jones Veigel. Patricia Newkirk Hardy is unopposed on the Republican side.

Margaret A. Yorks will run unopposed for the Republican slot as Drain Commissioner. James Murray and Chester J. Pankowski are the two Democratic primary candidates.

A number of offices are being contested at the township level. The following are the candidates in the Chelsea-area townships:

Lima — Supervisor: Leila Bauer (R), unopposed; Clerk: Arlene Bareis (R), unopposed; Treasurer: Betty Messman (R), unopposed; Trustee (two posi-

tions open): Harold A. Gross, Democrat and Republicans Robert L. Heller and Charles W. Trinkle; Constable: Daniel Foytik and Glen Wiseman, both Republicans.

Sylvan — Supervisor: Carl A. Heldt and George Sweeney, both Republicans; Clerk: Mary Harris (R), unopposed; Treasurer: Fred Pearsall (R), unopposed; Trustee (two positions open): James Carruthers and Reuben A. Lesser, Jr., both Republicans.

Lyndon — Supervisor: John D. Hurd (R), unopposed; Clerk: Linda L. Wade (R), unopposed; Treasurer: Barbara Roderick (R), unopposed; Trustee (one position open): Orson A. Beeman, Sr. (D), unopposed and Timothy Baynes (R), unopposed;

Constable: Kathryn A. Sprawka (R), unopposed.

Dexter — Supervisor: Arlene Howe and Walter Bone, Republicans, and Peter Holske, Democrat; Treasurer: Julie Knight and Forrest Begres, Republicans; Clerk: William Eisenbeiser and Arnold Rademacher, Democrats; Trustee (two positions open): Republicans John Miller, James Drolett, Martin Straub, H. Douglas Smith, Kay Curry, Edward Bouillon and Democrat Norma Bell; Constable: Robert H. Burns (R), unopposed.

In the County Commissioners race, District 2, incumbent George A. Merkel will run unopposed for the Republican slot. Mark A. Stevenson is the sole

Democratic candidate for that seat.

Judicial candidates will not appear on the ballot, because, according to Michigan Election Law: "If... it appears that there are not to exceed twice the number of candidates as there are persons to be elected... there shall be no primary election and this office shall be omitted from the judicial ballot."

Ballot proposals for millage increases will appear only in the townships of Augusta, Northfield and Superior.

Further information on voting in the primary election may be obtained from the League of Women Voters, 665-5808; County Clerk, 994-2503; or various township clerks.

EAGLE SCOUT PROJECT: Mark Porath, second from left, arranged a day of activities for Chelsea Methodist Retirement Home residents last Wednesday. A luncheon and Golden Olympics were coordinated by Mark in partial fulfillment of his Eagle Scout project

requirements. With Porath are, left to right, Troop 425 Scoutmaster Richard Cook, the Rev. John R. Morris of Zion Lutheran church, and another Troop 425 Scout who helped with the project.

## Sidewalk Sale, Art Fair Starts Friday

Chelsea's opportunity to show off its local art and patronize local merchants is here once again. Sidewalk Sale and Art Fair Days are set for this Friday and Saturday.

The celebration is set to run from 8:30 to 8:30 on Friday and 8:30 to 5:30 on Saturday. About 50 booths have been reserved by local artists and community groups selling food and drink.

Middle and Park Sts. will be blocked off to accommodate the buyers and sellers, and parking on Main St. will be free both days.

Entertainment has been planned for the delight of fairgoers on both days. Friday evening, at the corner of Main and Middle Sts., the Saline Swingers will present square dancing. Local magicians Boyer and Fitzsimmons will

entertain between 1 and 2 p.m. on Saturday.

A first-time event for the Sidewalk Days is an old-time and classic car parade down Main St., set for Friday evening at 5:30 p.m.

Long ago memories will also be stirred by an old-fashioned ice cream parlor which will be operated by the Chelsea Historical Society in the Longworth Building.

Besides browsing through the art booths and enjoying good food, patrons may also take advantage of the bargains the local merchants will be displaying on the sidewalk.

A variety of entertainment and goods promises to make this year's Sidewalk Days a memorable event.

## Eagle Project Is Golden Olympics

About 65 residents of the Chelsea United Methodist Retirement Home participated last Wednesday in a Golden Olympics organized by Mark Porath, an Eagle Scout candidate from local Troop 425.

Porath planned the day of activities to fulfill his project requirement for earning an Eagle Scout ranking. He worked together with Bill Champion, activities director at the retirement home.

The day began with an outdoor lunch, prepared by the Scouts and families of Troop 425 with the co-operation of the Methodist Home kitchen. The Rev. John Morris offered a prayer of thanks before the meal.

Home staff members assisted in serving food and caring for

wheelchair-bound residents during lunch.

After lunch, door prizes were awarded and most residents returned to their rooms while the Scouts cleaned up after lunch.

Later in the afternoon, the Olympics themselves were held. Games of all types were played and each resident received a prize for participating. Several hours of fun and enjoyment were had by the senior citizens and Scouts alike.

Gifts, prizes and food for the day's activities were donated by Burghardt-Cole Chelsea Funeral Chapel, Chelsea Community Hospital, Chelsea Pharmacy, Chelsea Greenhouse, Chelsea Print Shop, Dancer's, Foster's-Vogel's, Gambles and Grove Store.

## Aquatic Club Places Second

Chelsea swimmers improved their performance of last year and finished in second place in the Washtenaw Interclub Swim Conference Championships, held last week in various pools around the county.

Chelsea's Aquatic Club had finished fourth last year and was looking for improvement. "The enthusiasm and the ability of our younger kids to race was the key to the Aquatic Club's success," said a happy Coach David Johnson.

The week-long meet began last Monday morning, July 21, with the 13-14 and 15-16 age groups competing at Huron Valley Swim Club. Tuesday morning the 9- and 10-year-olds swam at Georgetown Country Club. Chippewa

Hills Swim Club was the site for the 8 and under swimmers on Wednesday, and the 11 and 12's swam at Travis Pointe Country Club on Thursday.

This conference includes 12 teams and approximately 1,600 participants.

Chelsea's swimmers found the week an exciting one as they moved up two notches from their finish in the championships last year.

Monday began perfectly as the 15 and 16 boys took their division trophy, beating out highly-touted Huron Valley. Tuesday morning, the 9 and 10 girls and boys matched the performance of the older swimmers and captured league division crowns.

## Girls Softball Team Wins Region Title, Seeks U.S. Crown

Hmmm. It's almost August here in Chelsea. Must be about time for the softball team to start planning its trip to the national championships.

Sure enough, regular as clockwork, Wescott's Winners mowed down solid opposition this past week-end at the regional championships and earned a berth at the national play-offs.

That event, bringing together the best 16- to 18-year-old softball players in the nation, will take place Thursday, Aug. 7 through Sunday, Aug. 10 in Sioux Falls, S.D.

A drive to raise the estimated \$2,500 needed for the trip was discussed at a meeting Monday night. Information is available from Sue Wood.

The regional title was captured with three consecutive wins this past week-end at Bishop Foley High school in Madison Heights. Chelsea overpowered the Detroit Metro Champs, Kane's of Walled Lake, and then went on to defeat Sterling Heights, a team composed of virtually all East Detroit and Fraser players, and state runners-up Schrader's Raiders.

The first victory, a Saturday afternoon game, was a big boost for the Bulldogs, who were facing unknown competition. Nanette Push started on the mound and exhibited great control in leading Chelsea to a 5-1 decision. She struck out 11 batters, with a string of six consecutive strike-outs at one point. Walled Lake managed only three hits and Push walked none. She faced only 23 batters.

Chelsea opened the scoring in the second inning when Push drove a solid home run down the left field line. The Bulldogs added two runs in the third. Cara Feeney reached base on an error,

Anita Powell singled, Patti Hume was safe on a fielder's choice, and then Push connected with a line drive single to send two runs across the plate.

Two more tallies came in the fifth. Feeney and Powell singled. Patti Hume's sacrifice scored Feeney and advanced Powell, who was brought home on a long center field fly off the bat of Kim Wood.

Chelsea's offense managed five hits while the defense played errorless ball.

That win moved Chelsea into a contest with the strong Sterling Heights team, containing a number of Class A runner-up players from East Detroit.

"It was," said Coach Bill Wescott, "Chelsea's finest game

of the year. I don't know why they played it, but they did."

The Bulldogs ripped eight hits for six runs and committed only one error as they helped Push to a shutout victory. She faced only 22 batters this game and yielded no walks while striking out five batters.

Chelsea's offense pushed across six runs in two big-production innings. In the second inning, Push opened the inning with a single and Jennifer Ringe followed with a single. Molly Eisele was safe at first when Sterling Heights mishandled her bunt, and then Amanda Schwarze followed with a clean single that drove in Push and Ringe.

## Younger Girls Eliminated in Finals

"Defeat," wrote Havelock Ellis, "brings prudence and concentration; it ennobles and fortifies."

Such is the spirit in which Coach Charles Waller looks at his softball team's defeat in the 13- to 15-year-old regionals this past week-end.

"Losing the game hurt bad," Waller admitted, "but not going to Lincoln, Nebraska (site of the nationals) doesn't bother us at all."

In a bizarre week-end of softball, Waller's 12 team members met the same opponent three times and won a contest on a forfeit from one team that left for home before the tournament was over.

Only three teams were vying for the regional crown: Chelsea, Waterford Trini and Carmen's and Midland.

After being defeated 22-6 by Trini and Carmen's (T&C), Midland packed for home without playing its scheduled contest with Chelsea. The Bulldogs won that forfeited game by a score decided at 7-0.

T&C and Chelsea traded off, each winning one game before T&C downed the Bulldogs in the tournament finals.

In the first game, Chelsea fell 5-3 in a game marked by throwing errors and wild pitches. Chelsea's Amy Unterbrink threw well and struck out six, but also

LORI PAXTON is vigorously called out at first by umpire Roberta Kemp as first baseman Tina Paddock moves to return the ball to her pitcher. Paxton and her Mellow Yellow teammates

defeated the Red Devils in a squeaker, 12-11, on the last day of regular season play. Both teams are now involved in the Junior Miss double-elimination tournament.

**Nuclear Waste Task Force Recommends New Waste Law**  
 A draft report from the governor's task force on nuclear waste, which originally urged the legislature to "reconsider" the 1978 law prohibiting dumping nuclear waste in Michigan, will be drafted with the recommendation that the current law be removed.

The task force decided to write a second draft of the report because as chairman William Taylor said, the law poses no problems for the state now.

Taylor said the 1978 ban put the state in an inconsistent position—generating nuclear waste through power plants and medical work, while prohibiting the storage of the nuclear waste.

Otherwise, the new draft report will be similar in most respects to the first draft.

It recommends that the governor reach an agreement with the federal Department of Energy on

searching for sites to store high level nuclear waste, such as that from nuclear plants in Michigan.

That agreement must include that Michigan will not be used as a site unless research indicates it is the best place.

On low level waste, generated by medical uses and research, the report will encourage developing a regional plan among several states for storing the waste.

Some task force members asked that one paragraph, which said the 1978 law makes it difficult for nuclear power plants to be built, be deleted, as it made the group sound like it was promoting nuclear energy.

The original draft said the Legislature should "reconsider" its action in adopting the 1978 law prohibiting storage of nuclear waste in the state.

Taylor said that section of the report is not needed because the law poses no problems currently.

It will be at least five years before a waste storage site can be developed, "so there's no need to take the law off now," he said.

Taylor said there was a good chance Michigan may never have a high level nuclear waste storage area.

The law, however, puts the state in an inconsistent position, he said. "I don't think its honest to say we're going to generate waste, but it can't be stored here."

The original draft was developed for the task force members' review. Taylor said the new draft should be ready in several weeks.

**Agreement May Be Near**

**On Pigeon River Drilling**  
 Officials on both sides of the dispute on oil drilling in the Pigeon River Country State Forest are raising the possibility of holding discussions to try to reach an agreement that would put an end to litigation that has surrounded the drilling question for the past four years.

The talk of a possible agreement comes as the legislature is considering a bill to facilitate oil drilling in the area. The bill is pending in the Senate Commerce Committee.

Purpose of such talks would be to see if a compromise solution to the controversy over oil development in the Pigeon River area is possible without continuing court litigation.

Currently, an order allowing drilling development at 10 sites in the lower part of the southern one-third of the Pigeon River forest is being appealed.

Earlier court cases had led to drilling being restricted to the southern one-third of the forest. A request that Shell Oil Company be prohibited from drilling at the site was denied by the Court of Appeals and the Supreme Court.

**Uncle Lew from Lima Says:**

DEAR MISTER EDITOR:

Clem Webster come to the session at the country store Saturday with his latest pamphlet from the Department of Agriculture. He reported to the fellers on an article in it that told about a tomato plant that comes with its own built-in insect repellent. Researchers at North Carolina State University have come up with a plant that has a defense against bugs and worms. A scientist said it is a marriage of our domestic plants and wild tomatoes from South America.

Some plants have hairs that put off a kind of glue that traps the insects, and others produce a poison that kills bugs that bite em. Clem said this sounds like a good thing for tomato growers, but he is holding off judgment until he sees a few more generations of these plants. Our luck with imported plants ain't been that good, Clem allowed, recalling that kudzu was supposed to be the very thing to save us from soil erosion. It'll do that for sure, Clem said, but it'll cover you up and smother you in the bargain.

Progress is wonderful, Ed Doolittle said, but he was agreed with Clem that research don't always turn out the way you figger. For instant, doctors now are saying they ain't no such thing as cholesterol clogging up our pipes. This comes after 25 years of warning against bringing on strokes and heart attacks by eating too much of the stuff. This year they cover burns, next year they leave burns open to the air. But these fellers always hedge their bets, Ed pointed out. Doctors say a "healthy person" needn't worry about his cholesterol intake, which certainly is true as long as he stays healthy. Ed said he saw a study just the other day that says health is an old person's "strongest influence on a sense of well-being." Now you can't argue with that kind of logic, Ed declared, cause fer sure as long a feller stays healthy he stays alive. That's the kind of research that proves as more people are born the population increases, and as more people lose their jobs unemployment results.

Speaking of research, Bug Hookum had saw where this professor in Texas has got a \$20,000 grant to study why people are rude to one another. He's going to take a year away from his teaching duties to git to the bottom of this problem that he says will take in the big picture of

"public behavior in the United States." He might find, Bug said, that people and tomatoes have a lot in common, cause some folks seem to have a built-in people repellent.

Maybe we ought to git more into selective breeding, Bug went on, like them geniuses that is banking sperm to make sure the world don't run out of geniuses. Short of that, Bug said, we could be more careful in choosing mates, cause all some men got going fer em is wives that make friends faster than they can lose em.

Personal, Mister Editor, all these research reports got a little heavy fer me. By the time Bug got through his report, I was feeling like a preacher listening to another preacher preach. I reckon that's about as restless as a feller can feel and still be able to keep his seat.

Yours truly,  
 Uncle Lew.

### Ann M. Kalishek, Dennis Killalea Wed in Clearwater, Fla. Church

Ann Marie Kalishek and Dennis Patrick Killalea, both of Florida, were wed Monday, July 11, in a candlelight ceremony at

Light of Christ Catholic church in Clearwater, Fla. The Rev. Fr. Hunter officiated.

The bride is the daughter of Rose and Jim Kalishek of Clearwater, formerly of Chelsea. The bridegroom's parents are Mr. and Mrs. W. P. Killalea of Clearwater.

Vocalist and organist Art Carney sang "Color My World," "And I Love You So," and "Longer Than."

The bride was attired in a floor-length gown of candlelight sheer silk and organza trimmed at the neck and bodice with chantilly lace. The long sleeves were accented with lace cuffs and the back featured a chapel-length train of tiers of organza ruffles. A cathedral-length veil edged with chantilly lace fell from a Juliet cap trimmed with seed pearls. She carried a colonial bouquet of yellow roses, white carnations, white daisies, baby's breath and candlelight streamers.

The bride's aunt, Theresa Scharpfort of Chelsea was matron of honor. She wore a seafoam green organza over tafeta gown featuring an overblouse of organza which gave a cape effect with an opening at the arm and a tie waist making a peplum. Her flowers were three yellow long-stemmed roses in an arm cascade tied with candlelight ribbon streamers.

Acting as bridesmaids were Pam Boyer of Ann Arbor, cousin of the bride; Alice Juergens of Great Falls, Mont., a friend of the bride; and Carlene Holley of Clearwater, a friend of the bridal couple.

Their gowns and flowers were identical to those of the matron of honor with the exception of yellow ribbon streamers on the bouquets.

Mother of the bride was attired in a jade green gown with matching cape and wore a white cimbidium orchid corsage. A light blue print dress with matching jacket was the choice of the bridegroom's mother. She also wore a white cimbidium orchid.

Ringbearer was the bride's brother, Darren Kalishek.

Acting as best man for his brother was Timothy Killalea of Florida. Ushers were the bridegroom's brothers, Bill, Joe and Tom Killalea and the bride's brothers Bryan and Craig Kalishek, all of Clearwater, Fla.

A reception was held at the home of the bride and bridegroom. Assisting at the buffet dinner were the bride's aunts from Chelsea, Mary Houle and Sr. Helen Hanker. Also attending from Chelsea was the bride's cousin, Laura Boyer. Mary Killalea, the bridegroom's sister, was in charge of the guest book.

The couple embarked on a two-week wedding trip to Minneapolis, Minn. and Green Bay, Wis., to meet relatives. They are at home at 1964 Sourwood Blvd., Dunedin, Fla.

The bride is a Chelsea High school graduate now employed as a receptionist by Pat Walker's Figure Perfection Salon in Dunedin. Her husband attended De La Salle High school in Minneapolis and Clearwater Catholic Central High school. He continued his schooling at St. Pete Junior College and the University of South Florida and is currently employed at a buyer for Rick's New and Used Furniture.

The year 1888 marked the enactment of the first arbitration law. The law applied only to railroad workers and provided for voluntary arbitration by a presidentially-appointed three-member board to arbitrate labor disputes.

### Chelsea ABWA Chapter Elects New Officers

The July meeting of the Chelsea Charter Chapter of American Business Women's Association was held at the home of Judy Moisan. A pot-luck dinner preceded the business meeting.

Installed as president of the chapter for 1980-81 was Shirley Schneider. Serving with her will be Jean Hubbard, vice-president; Patricia Baldwin, recording secretary; Maxine Kushman, corresponding secretary; and Judy Moisan, treasurer.

Committee chairmen are Eleanor Hall, bulletin; Betty Koch, education; Jackie Schiller, hospitality; Genevieve Quackenbush, membership; Linda Ormsby, program; Kathleen Chapman, public relations; Geraldine Sullivan, scrapbook; and Kathy Brooks, ways and means.

During the business meeting, plans were made to have a booth at the Chelsea Fair selling pretzels, cookies, soft drinks and coffee. Proceeds will be used toward scholarships for college-bound high school graduates.

The Chapter is entering a float in the Fair Parade and has asked Holly McCutchin to be its queen candidate.

Joan Vandegrift was installed as a new member.

Guest speakers were Alberta Colby, manager of the Territorial Medical Center, and Ted Lewis, Jaycees treasurer. They are co-workers in the upcoming Superthon to be held Sept. 28 at the Chrysler Proving Grounds. The project is pegged to raise \$30,000 for the fight against cancer.

This year, in addition to the Bike-a-Thon, a Run-a-Thon has been added. Both events will be held the same day. Lewis and Colby added that volunteer help is needed to successfully carry out the project. Local ABWA members were asked for their co-operation.

Vocational speaker was Gail Salyer.

Several members indicated their intention to attend a Friendship Nite activity and dinner sponsored by the Estrella Chapter in Jackson. Barbara Kirakofe, national ABWA president, will be the main speaker.

The next meeting will be held Aug. 16 at the home of Barbel Atkins.

### Senior Miss Team Has 5-6 Record

After taking four consecutive games, the Chelsea Senior Miss team fell, 21-10, to a team from Howell. Penny Syria and Anne Weber led the team with two hits each.

Errors and walks proved to be the undoing of the team.

Chelsea then bounced back to beat Munith, 30-18, last Thursday. Kelly Kenpper and Sue Messner combined pitching talents to secure a Chelsea victory. Fine base running allowed the locals to take an early lead.

Kelly Knepper led the hitting with two singles and a grand slam home run. Anne Weber, Kelly Hawker, Shannon Morseau and Nora Morseau had two hits each. Sue Messner and Penny Walz both slammed doubles.

With a current record of 5-6, the team will finish its season tonight at Howell.

**Team Winning in Ann Arbor**

Chelsea's 13 to 15-year-old fast-pitch team is winning once again in the Ann Arbor League. It was a breeze for Donna Stofer's squad when they played Southeastern Kiwanis in their fifth contest of the season recently.

Donna Popovich hit a double and both Kim Forner and Marty Kovick smacked the ball past the outfield for home runs. The offense totalled 13 hits and rolled to an 18-4 win.

Chelsea's sixth game against the all-male Stadium Bike team was a tough fight, but the Chelseaites outlasted them, 9-6. Pitcher Donna Popovich faced 38 batters, striking out 13.

Chelsea pulled its first double play when Kim Forner fielded a hit, tagged first base and threw to

home plate where catcher Marty Kovick nabbed the ball and fell on the runner, tagging him out.

At the plate, Kathy Degener and Carla Peterson each drove in three singles. Cathy Doll hit her third double and Donna Popovich had three RBIs, all helping Chelsea cap the victory.

The Indians got four home runs from the team of Mike Loftis and Junior Morseau, with Doug Wingrove and Pat Hasset smashing one each.

Others contributing base hits were Pete Spencer, Kevin Bell, Jim Miller, Phil Eassa and the Fearsome Finch Twins, Rob and Rick.

The Royals got great defense from Bobby Walz, Robbie Lyerla and Chris Salyer, while Mike Thompson and Todd Thurkow tore the cover off the ball.

## Younger Girls Eliminated In Regional Tourney Finals

(Continued from page one)  
managed to walk 12 and hit two batters.  
The game had been moved from Madison Heights to T&C's home field, and, as Coach Waller put it, "we knew we weren't at home."

Chelsea scored its three runs in the third inning. Another chance at scoring presented itself in the seventh when the Bulldogs had the bases loaded, but the team failed to pull out the win.

Three big singles for the Bulldogs in that game came off the bats of Celeste Powell, Laurie Cobb and Amy Hume.

After winning the forfeit, Chelsea again played T&C at 2 p.m. on Sunday. The Bulldogs pulled out a close 4-3 victory in nine innings by playing consistent softball.

The game was tied at 1-1 through the top of the seventh inning when T&C broke loose with two runs to take a 3-1 lead. Meanwhile, the game was delayed 1½ hours because of rain.

Then in the bottom of the seventh, with all the chips riding on the game, Chelsea came up with two runs to send the contest into extra innings. Singles by Hume, Kim Boyd and Amy Unterbrink loaded the bases. Julie Patrick then slashed a hit

past the second baseman, sending home Hume and Boyd for two. It appeared that Unterbrink had scored as well, but she was called out by the plate umpire in a controversial call.

Patrick was out at third on a double play to end Chelsea's chances in the seventh.

Then in the bottom of the ninth, Unterbrink walked and was sent around the bases by a sharp triple down the right field line by first baseman Tracy Borton. The victory meant that Chelsea met with T&C once again, this time to decide the championship.

The victory in the third game, however, was one to savor for the team. Kim Boyd and Laurie Cobb both made superb defensive plays to stop T&C runs in the course of the game. "Tracy Borton was tremendous in the field," marveled Coach Waller, "and also had the game-winning hit."

Chelsea's defense had its work cut out for it as Amy Unterbrink allowed the lead off hitter in all nine innings to reach base, through walks or hits. Unterbrink had improved control, striking out 12 and giving up only three hits. She yielded eight hits.

After sizing one another up through two long contests, Chelsea and T&C met for one last time in the finals. For the

Bulldogs, who had already been at the field for 15 hours when the game began, victory was elusive.

It was a frustrating wait for the breaks that never came. Chelsea loaded the bases repeatedly only to be denied runs. The Bulldogs scored one run on two hits in the second and then added three more in their big fourth inning. In the fourth, Donna Popovich walked, Celeste Powell got a single and Laurie Cobb sacrificed them to second and third. Amy Hume then singled to drive in one run. Kim Boyd followed with a hit and an RBI. Unterbrink walked and then pinch hitter Molly Feeney sacrificed the third run across.

Meanwhile, T&C romped to eight runs to win the regionals for the second consecutive year.

"I think the team played extremely well under adverse circumstances," said Waller with pride, "and we were competitive. Last year Trini and Carmen's blew us off the field but this year we surprised them."

Michigan State University's College of Urban Development, one of the nation's first undergraduate programs devoted to urban problems, began offering courses in 1973.

## Sandy Koufax Team Eliminated in Tourney

Chelsea's Sandy Koufax team was knocked out of tournament play by the Remnants and Packard Dairy Queen in contests on July 19 and 26.

The Remnants edged Chelsea by one run for the win in the last inning of that game.

Chelsea had taken the lead in the first inning with two runs. Chris Gallas singled with Eric Schaffner and Mike Neibauer in scoring position on stolen bases. The Remnants scored one run on one hit and two errors.

Chelsea pushed across two more runs in the second inning with walks and aggressive base running by Dave Sumner and Dave Bushway and a single from Ken Nadeau.

More heads-up baserunning by Eric Kruger and Dave Boote added two more runs in the third inning. The Remnants picked up three runs on two walks and two singles.

Chelsea added one in the fourth inning with a single by Nadeau scoring Neibauer.

Chelsea's three-run lead was narrowed to one in the sixth inning when the Remnants scored two runs on two walks and a single. In the final inning, the opposition scored two more runs to take the win.

### Sara Merkel Attending National Forensics Institute

Sara Merkel, a senior at Chelsea High school, is currently attending Northwestern University's National High School Forensics Institute in Evanston, Ill.

The five-week intensive program, which began June 29, is restricted to 100 participants selected from applicants nationwide.

Sara, the daughter of Mr. and Mrs. Robert Merkel, has been a member of the CHS debate team for two years.

Packard Dairy Queen swamped Chelsea, 11-3.

Chelsea's only runs came in the third inning on a single by Bushway, an Eric Schaffner double and a Neibauer triple.

Chelsea's defense held until the fourth inning when Packard Dairy Queen took the lead with four runs on three hits and added three runs on two hits in the fifth. Four more runs in the sixth put the game out of reach of the Chelsea team.

## Historical Society Plans General Store

Home-made ice cream, baked goods, lemonade and plants will be sold by the Chelsea Historical Society during this week-end's sidewalk festival.

Longworth Plating is being decorated as an old-fashioned general store. Some antiques will be displayed and craft demonstrations will be given, including bobbin lace by Eva Jensen and Jean Cooper, sketching by Ben Bower and hand-cracked ice cream making.

Proceeds from the sale will mainly be used toward the purchase of a historic site plaque for the Welfare Building, now The Chelsea Standard.

Through the efforts of Otis Titus, the building has been registered as a Michigan Historic

Site. It is also the first building to be designated a historic district within the village through the historic preservation ordinance.

The Welfare Building is not only architecturally unique, but is significant for its former function as a recreational facility for workers at the Glazier Stove Works. A plaque which formally acknowledges the building and explains its historic significance will help visitors to appreciate it more fully.

Longworth Plating has donated the use of its building during the sidewalk sale. The General Store will be open Friday from 9 to 9 and Saturday from 9 to 5:30. Everyone is welcome to enjoy a bit of the past and indulge in home-made goodies.

The Reds, tuning up for the playoffs, got excellent hitting from winning pitcher Jeff Larson and strong relief from John Popovich.

Big hitter for the Reds was Steve Wingrove with a home run and a single. Mike Ball also had a home run.

Other Reds getting hits were Marc Porath, Chris Tarasow, Dan Pennington, Tim Weir and

Joe McDougall. Also hitting were Popovich and Kevin Vandegrift. The Giants looked forward to tournament play in the role of spoilers.

### Orioles 20, Giants 6—

The Pony League regular season ended Thursday with two games. In the first, the Orioles clubbed the Giants, 20-6.

Brad Carter went the distance for the Orioles to pick up his first victory. The Orioles picked up a total of 11 hits, including a homer by Dan Bellus and a bases-loaded triple by Rod Satterthwaite.

Getting doubles were Brad Carter, Mark Westover and Ty Anderson.

For the Giants, Ed Esch slammed a long home run. Dave Kiel also went two for three as the Giants picked up seven hits.

### Yankees 5, Reds 2—

The Yankees needed a victory to stay tied with the second-place Orioles and that's exactly what they got.

Brian Farley was superb on the mound, going the distance and giving up just three hits while striking out 13 Reds. Picking up two Yankee hits were Dwayne Pate and Chuck Downer.

Don Skiff, Kevin Walz, Dennis Hafley and Brian Farley each hit singles for the winners.

For Coach Larson's Reds, Mike Ball pitched four strong innings and contributed a base hit. Dan Pennington collected a triple for the Reds but was cut down at the plate on a fine play by Yankee catcher Dwayne Pate.

### TOURNAMENT PLAY

#### Yankees 8, Twins 2—

This game belonged to the hitters. The Yankees started out early, getting a solo home run from David Cox and a three-run blast from Jeff Salyer. They got a solid mound performance from Chuck Downer, who pitched five strong innings and chipped in with a single.

Kevin Walz nailed down the victory with two innings of scoreless relief.

For the Twins, Kevin Gross had two hits. Mark Rosentreter and Dan Cook had one each. Steve Fleischmann hurled two innings for the Twins, taking the loss.

### Dodgers 18, Yankees 12—

The Yankees, fired up from their opening round win over the Twins, were brought back to reality by the heavy sticks of Coach Bentley's Dodgers.

The Dodgers jumped on the Yankees for 10 runs in the first two innings and then cruised to an easy victory. The Dodgers, regular season champs, firmly established themselves as the tournament favorites.

### Reds 20, Giants 5—

The Reds came in to the tournaments having finished fourth in the regular season. They quickly established that they intended to have a strong say in the tournament.

They climbed all over the Giants, scoring 16 runs in the last inning to put the game in the win column.

After the Giants had jumped out to a 5-0 lead, Coach Larson brought in John Popovich who shut down the Giant bats for the remaining 5½ innings.

Big Red hitters were Chris Tarasow, Mike Ball, Steve Kroft, Mark Porath, Tim Weir, Kevin Vandegrift, Rob Beckwith and Jeff Larson. Dan Pennington slammed a triple.

### Reds 4, Orioles 3—

In a marathon eight-inning affair, the Reds finally eked out a victory over the Orioles. Many agreed it was the best game of the season.

The Reds jumped out to an early three-run lead on a single by Steve Kroft, a walk and a triple by Dan Pennington.

The Orioles came back to pick up three of their own on Jeff Morgan's home run, two walks and a Mark Bentley triple.

The game then remained deadlocked until the eighth inning when singles by John Popovich, Jeff Larson, Doug Otto and Rob Beckwith pushed in the winning tally.

Defensive player of the game was Kevin Vandegrift who pulled off a double play and made two put outs with the bases loaded.

Tournament play continues through this week.

TO: ALL DEXTER TOWNSHIP VOTERS  
From: Forrest (Woody) Begres

A couple of months ago I decided to run for the office of township treasurer, the office being vacated by Mrs. Lorinda Jedele. After talking with many township residents, I found that the same questions kept coming up. Since I cannot possibly talk with all of you, I am presenting you with the most frequently asked questions and my answers to them. I hope they will help you make your decision on 5 August 1980.

### WHAT DO YOU SEE AS DEXTER TOWNSHIP'S GREATEST PROBLEM?

Dexter Township with its farms and open-spaces, its lakes, its small town atmosphere and its nearness to cultural centers makes it one of the most desirable communities in Southeastern Michigan. But, these attributes are among its worst enemies. It is the fastest growing rural community in Washtenaw County and uncontrolled growth could easily allow it to become just another "suburb" along the Detroit-to-Chicago corridor. As a member of the board, I hope to have some influence on future growth and I will not accept uncontrolled growth as a "for-gone-conclusion".

### ARE YOU OPPOSED TO GROWTH AND DEVELOPMENT IN DEXTER TOWNSHIP?

Not necessarily. I think it's unrealistic to believe that growth can be stopped or that privately owned land can or should be completely controlled by government. However, I also feel that growth can be guided in a manner which is consistent with the quality of life we presently enjoy in our township. Farms, open-spaces and rural communities can co-exist! It's not an easy task but it can be done. I have tried to provide some such guidance as a member of Dexter Township Zoning Board of Appeals during the past few years.

### WHAT ARE YOUR VIEWS ON GROWTH AROUND THE LAKES?

Just as I would hate to see the few remaining active farms disappear from our township, I would also feel badly if the density around some of our lakes would increase beyond present levels. As a pollution biologist I have studied many lakes which have been adversely affected by uncontrolled growth and the subsequent problems related to enrichment.

Remember, I need your vote at the primary 5 August 1980. Without your support in August my name will not appear on the November Ballot. If elected I will be both available and approachable.

Sincerely,

*Forrest (Woody) Begres*

# Dominate State Water Skiing

Annual State Water Skiing Championships were held this past week-end in Lansing and three local youths brought most of the awards home to Chelsea.

David Steinhauer, 13-year-old Sugar Loaf Lake resident, won the prestigious First Overall award in the Junior Boy division by placing first in the slalom and jumping events and second in the trick event.

Chelsea's newest water skiing wonder, 11-year-old Scott Rowe of Cavanaugh Lake, surprised water skiers from all over the state by tricking his way to first place in the Junior Boy trick event.

Marty Steinhauer, aged 14 and David's older brother, placed first in both trick and jump in the Older Boy Division. Marty, last year's national champion in the Junior Boy division, began his domination of water skiing's older age group.

David and Marty are the sons of Gerald and Judy Steinhauer. Norris and Marjorie Rowe are Scott's parents.

Tournament water skiing consists of three different events. In slalom, each contestant is pulled by the tow boat through a series of six buoys located on alternating sides of the boat. The skier repeats the passes through the course at increasing speeds and then at a shorter and shorter rope length. The skier's turn is ended when he falls or fails to round a buoy.

Tricking, the most intricate of the three events, consists of a skier performing as many tricks as possible in two 20-second

passes. All tricks are prescribed in the rules with the more difficult having a higher point value.

Jumping, the most dangerous and exciting of the three events, is judged solely on distance attained in the air. Each skier is allowed three jumps over the jump ramp, which is an inclined plane 14 feet wide, 24 feet long and five feet high off the water.

David, an 8th grader at Beach Middle school, won easily in the jump and slalom events. His jump of 96 feet was within six feet of the state record and his slalom run of 41 consecutive buoys was within four of the state record.

David could well dominate the Midwest Regional Tournament, to be held this week-end in Kankakee, Ill. He will be seeded in the top five in the country at the National Tournament, to be held in late August in Tyler, Tex.

Surprising David in the trick event was Scott Rowe, a 7th grade student at Beach school. A serious skier for only one year, Scott shocked many young skiers from across the state by tricking well over 1,000 points.

Asked the secret of such rapid improvement, Scott replied: "Just hard work, I guess. It was worth it though." Scott will also go on to this week-end's regionals in Illinois.

Marty Steinhauer, skiing for the first year in the Boys Division (ages 14-17), seemed to have no trouble skiing away from the rest of Michigan's competitors in the high school age division. His jump of 119 feet and trick run of 2,400 points left the other skiers far behind.

then Patti Hume singled to drive in two more runs. Chelsea sent nine batters to the plate during that inning.

Two more runs were added in the fifth on a double by Kelly Hense. Maggy Sweet smacked a decisive triple in the sixth inning, but the Bulldogs didn't score.

That set up an unusual game for the finals, as Chelsea met Schrader's Raiders, the runner-up in the state tournament. The Bulldogs had beaten the Raiders 6-5 in the state finals and proceeded to lambaste the team, 6-1, to win the regional title.

In an unusual move, Coach Wescott decided to start Anita Powell rather than Bush. Powell justified his confidence by throwing a masterpiece of a game.

She gave up only three singles, struck out five and walked none. The sole Raider run, in the first

inning, came about through three Chelsea fielding errors.

"People forget that Powell is a superb pitcher," Wescott said.

Kim Wood put the Bulldogs far in the lead in the first inning, with a dramatic grand slam home run. She drove in Feeney and Powell, who had walked, and Hume who was safe on a fielder's choice.

Chelsea prevented the Raiders from scoring in the second, largely on fine fielding at shortstop by Jennifer Ringe.

The Bulldogs' other two runs came in the fourth inning. Schwarze reached base on an error and then Feeney and Powell were issued passes once again. Hume singled to drive in one run and the Wood collected a one-base hit for another RBI.

In all, Chelsea emerged victorious over Sterling Heights, Birmingham, Walled Lake and

Schrader's Raiders for the region title.

It was decided to send the team to the nationals once again this year because the cost will be less than it was to fly the players to Texas last year. Players will be driven to Sioux Falls in private cars and the only real expenses will be room and food.

Those interested in supporting the team's fund with a contribution should look for its booth at the Sidewalk Sale Days this Friday and Saturday.

### Detroit Boy Drowns in Half Moon

The body of a 10-year-old Detroit boy was pulled from Half Moon Lake in Pinckney Recreation Area Thursday following his disappearance the previous evening.

Andrew Shelton was last seen Wednesday about 4 p.m. sitting at a picnic table while friends from a nearby youth camp swam. When the group re-assembled to hike back to the camp at North Lake, Shelton was missing.

An extensive search Wednesday night failed to turn up anything, but police still held a slim hope that he might have wandered into the woods.

Just before noon, Thursday, sheriff's divers found the boy's body in about 18 feet of water in Half Moon Lake.

According to reports, Andrew was a non-swimmer.

Wednesday, a tough group of little boys pulled through for Chelsea, bringing home a division trophy in the 8 and under division.

Thursday, it was all up to the 11 and 12 boys and girls to secure the runner-up position over arch-rival Milan.

"Following the medley relays, our kids started to fire up and we started placing in the top of each event," Johnson said. "By the last relay, we had to be really safe on our relay starts to secure the second place."

Highlighting the meet was a league-record performance by

Mike Coffman in the 50 breaststroke. "Mike had been at camp all week, and his folks picked him up and brought him to the meet," recalled Johnson. "Without him that day we would have been in a lot of trouble. After the meet, he went back to camp."

## LITTLE LEAGUE ROUND-UP:

# Indians, Tigers Tied for Little League Season Title

Little Leaguers ended their regular season play this week with the Indians taking the title. Tournament play began Saturday and will continue through this week.

**Indians 14, Royals 5—**  
In a late-season showdown between two teams tied for the league lead, the Indians took charge early and beat the Royals. Indians banged out 11 hits and got superb pitching from Ray Spencer. The win puts them in the driver's seat for the league championship.

Hits were scattered through the Indians' line-up. Mark Skiff had two singles, as did Ray Spencer. Banging out a triple was Ron Grifka. Other big hits were collected by Mike Westhoven, Phil Patterson, Ron Hafley and Randy Ferry.

**Pirates 5, Reds 3—**  
The Reds led this contest going into the last of the sixth, 3-2. Then Reds' pitching walked two batters and yielded a long blast by Todd Starkey that floated over the left fielder's head.

Mark Bareis went the distance on the mound for the Pirate victory. Defensive play of the game came when Red Jason Smith charged a sinking liner and snagged it at knee level. Mark Ahrens, David Ringe, Clayton Clark, Brian Kidd and Jason Smith all had hits.

**Dodgers 8, Indians 7—**  
The Indians of Coach Spencer had assured themselves of a tie for the Little League title on Tuesday night by beating the Royals. On Wednesday, the Dodgers ambushed them, 8-7, ending their chances for an outright title.

For the fired up Dodgers, Shannon Darrow and Ken Martin smashed long home runs. Craig Maynard went the distance, picking up the victory.

For the Indians, Scott Frisinger and Ron Hafley smacked home runs.

**Tigers 9, Royals 2—**  
The Tigers got off to a slow start early in the season, but finished with five straight victories to end up tied for the title.

In this game, they saw a chance to win the title and played like gangbusters.

Matt Steinhauer, Tom Miller and Bob Torres stroked home runs. Tim Klink went the distance, giving up seven hits in gaining the victory. For the Royals, Casey Murphy had two hits, as did Jon Lane.

**Tournament Play**  
**Royals 10, Dodgers 9—**  
It was a game not decided until the final out.

The Royals had a three-run lead going into the bottom of the sixth inning. The Dodgers came back to score two on a long home run by Shannon Darrow and had

runners at first and third when the final Dodger hitter lined out to end the game.

Hitting for the Royals were Bob Clouse, Rob McDowell, Jeff Stacey, Jon Lane, Scott Baker, Casey Murphy and Randy Hafner.

For the Dodgers, Kirk Lawton had a triple and a single, Owen Wilcox two singles, and Brian Cole and Dwayne Elkins had a single each.

**Indians 13, Royals 4—**

## DON'T BUCK THE INEVITABLE

Mr. Tub meets a friend on the street who greets him: "Wow, looks like you've gained a lot of weight." Mr. Tub answers: "Yes, I only weighed eight pounds when I was born."

Real estate value along with everything else, has also climbed upward from the beginning of time. The early settlers bought land for two cents an acre. Ever since then, real estate has provided the largest single means for individual accumulation of wealth in this country.

Why real estate more than any other investment? Because of the principle of leverage.

When something continually increases in value, the more you own, the more you will profit as prices rise. In real estate, because of its excellent loan security, your profit can be magnified. For example, if you invest \$25,000 as a down payment for a \$100,000 building and this property later doubles in value. Your profit would then be actually four times your cash investment of \$25,000.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-9681; evenings 475-2621. We're here to help!

## The Bible-The Light from Heaven

Speaks about the importance of doctrine. A popular idea among modern religionists is that doctrine is unimportant. It is sometimes heard, "Doctrine is unimportant. It is Jesus who is important." The inspired Apostle Paul instructed a young evangelist in 2 Timothy 4:2, "Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine." From this scripture we learn doctrine is important. The Apostle John wrote in 2 John 9-11, "Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son. It is a Biblical doctrine that baptism is for the forgiveness of our sins and ultimate salvation in Heaven (Acts 2:38; 22:16; Mark 16:15, 16; 1 Peter 3:21). It is part of the doctrine that the Christians in Rome had obeyed back in New Testament times. Paul wrote, "Know ye not, that so many of us as were baptized into Jesus Christ were baptized into his death?" (Romans 6:3). Then he says in verse 17 of the same chapter, "But God be thanked, that ye were the servants of sin, but ye have obeyed from the heart that form of doctrine which was delivered you." Are you failing to obey often neglected doctrines of Christianity? Do you partake of the Lord's Supper every Sunday? (Acts 20:7).

Is the financial system used by your church a free-will offering upon the first day of the week? (1 Corinthians 16:1, 2; 2 Corinthians 9:7). Do you use the specific kind of music God commanded? (singing). Colossians 3:16; Ephesians 5:19. Doctrine is important!

# AFTER THE STORM.

Detroit Edison extends its thanks to more than 300,000 customers who suffered from the most severe thunderstorm on record.

Your patience and understanding helped make orderly restoration of electricity possible.

The thunderstorm that struck at 9 A.M. Wednesday, July 16 was the worst in the area's history. Over 500 utility poles were snapped like toothpicks by hurricane force winds.

8,000 spans of Detroit Edison wire were ripped apart and 700 miles of overhead lines downed. Facilities which took years to build were destroyed in a few minutes. Much of the damage was caused by trees falling on lines and poles.

Immediately after the skies cleared, experienced damage evaluators began to assess the degree of destruction.

Transmission towers and cross arms were twisted piles of steel.

Thousands of uprooted trees littered the streets blocking access to power lines.

Nearly 35 substations and 200 distribution circuits were interrupted.

In all, more than 300,000 customers were left without power.

By noon, repair crews were transferred to the southern portion of Detroit Edison's electrical system where the damage was heaviest. On Thursday, every available company, contract and tree trim crew was at work in Detroit and Wayne, Washtenaw and Livingston counties.

Working ahead of the repair crews, evaluators determined the degree of trouble in each circuit. They estimated requirements for crews and equipment.

So massive was the destruction that almost immediately Detroit Edison called for help from other utilities through its Mutual Assistance Pact. Soon, 101 crews

from out-of-state utilities, including Cleveland Electric Illuminating, Toledo Edison, Ohio Edison and Commonwealth Edison of Chicago were working alongside Detroit Edison crews.

Restoration efforts went on around the clock. In 90 degree heat more than 2000 field workers labored on 16-hour shifts to restore power to customers in a repair program that continued until all power was restored. Repair work carried on even through the following Sunday's heavy thunderstorm which deprived 15,000 additional customers of electricity.

First priority in power restoration is given to emergency facilities such as hospitals or buildings housing medical equipment. Next, police and fire stations, water and sewage pumping stations, as well as high voltage transmission and subtransmission lines feeding individual substations are restored. In all cases, those repairs which restore power to the greatest number of customers and take the least time are given priority.

At this report, Detroit Edison believes it has restored power to all customers left without electricity by the recent storm.

It was hard work, skill and dedication that made this so. And for this Detroit Edison says a special thank you to the repair crews and Detroit Edison people supporting them.

We also express our appreciation to the many customers who talked to the crews in person or who telephoned or wrote our offices to say thank you.

If you or someone you know is still without electricity, please contact your nearest Detroit Edison customer office.
