## Dancer Rd. Bridge To Be Replaced

Washtenaw County Road Commission has contracted with the Argersinger-Morse Construction Co. to replace the Dancer Rd. bridge over the north fork of Mill Creek.

The existing one-lane bridge between Jackson and Jerusalem Rds. will be replaced with a timber bridge with a 30-foot-wide deck. Construction will begin Monday, Sept. 15, and is expected to be completed by Wednesday, Oct. 15.

Argersinger-Morse has bid \$61,000 for the project, with 75 percent of funding to be provided by the Road Commission and 25 percent by Lima township.

During work, Dancer Rd. will be closed to through traffic between Jackson and Jerusalem Rds., while the bridge will be closed to all traffic. The closure will remain in effect from the day the project begins through Friday, Oct. 17.

Mike O'Neil is project engineer. Questions regarding the project may be directed to the Engineering Department of the Washtenaw County Road Commission, 761-1500.

## Chelsea Has Girls Cross Country Team

For the first time in the school's history, Chelsea High school will field a full girls cross country team this year.

Anchoring the team will be junior letterwinner Nancy Hastings and sophomore letterwinner Sandy Frame. Both girls were All-League runners last year.

Newcomers filling out the team are juniors Lisa Vandegriff, Tracy Bohlender, and Maggie Sweet, and freshman Sue Young.

The league outlook for the girls teams favor both Milan (fifth in the state last year) and Dexter in the battle for the 1980 title.

## Bulldogs Stunned, 23-0, In Season's Opener Against Powerful Novi

Most Michigan schools begin each year on the Wednesday after Labor Day and high school football opens its season the Friday after school gets underway. This year was no exception to the rule. But, the Chelsea High school Bulldogs probably wish they hadn't had to begin their football season in Novi.

The Bulldogs were fortunately on foreign soil when they lost to the Wildcats, 23-0. The shut-out was a disappointment all the way around. Gene LaFave, the Bulldog coach, explained that his team was "just unable to move the football." Novi held the ailing Chelsea team to only 36 yards total offense.

All scoring was achieved in the first half of the game. With the help of Wildcat quarterback Mike Renter, the team tallied its first 10 points in the initial quarter. Then, in the second quarter, halfback Jim Chickowski dove through the Chelsea line for a two-yard score to bring the Novi lead to 16-0. Another halfback, Pat Korte matched Chickowski's

scoring, to bring the Novi team into a convincing 23-0 lead and eventual victory.

According to Coach LaFave, the Novi team "dominated the game offensively and defensively and had a very effective option play." Nonetheless, Chelsea was defensively better in the second half; they held the Wildcats at 23 points.

Coach LaFave admits that his team needs to improve a great deal and that injuries contributed to his team's performance Friday night. With some work, the 1980 Chelsea High school gridders should be able to maintain respectable status among the

ranks of their division, the Southeastern Conference and could once again be contenders for the Conference title.

Returning veterans from the 1979 football season included in the 1980 roster are: seniors Eric Headrick (team captain), Jeff Dils (out with an injury), Steve Wilson, Craig Thams, Scott Chapman, Sandy McLaughlin, Jeff Steiger and Brian Dault; juniors John Preston and Ross Murphy; and sophomore Dave Wojcicki.

The team's first league bout will be this Friday when they take on the Jackson County Western Panthers in a home game beginning at 7:30 p.m.

## Cross Country Outlook Is Good

Returning six letter winners from last year, the Chelsea boys cross country team is hard at work preparing for their home opener with Jackson Western on Thursday, Sept. 11.

Leading the veterans is senior co-captain Jeff Bradley, a three-year letterwinner who has looked extremely strong in pre-season workouts. Returning with Jeff are a pair of strong junior runners, co-captain Bob Benedict and Bob Schleede, both also third-year lettermen.

A trio of sophomores rounds out the veteran squad. They are Dave Kies, Brent Martin, and Mark Brosnan, a promising newcomer.

"This year's team will be much improved if the team can keep its present attitude and continues to

work hard," said Coach Pat Clarke of his 1980 harriers.

Other team members who should contribute to the effort are senior Brian Koepele; juniors, Toby Boyd and Duane Robbins; and freshmen, Alan Cole, Kevin Wahr, and Eric Green. "Boyd has been especially promising in early season workouts and could break into the varsity lineup," said Coach Clarke.

The league outlook for the boy's teams has Tecumseh strongly favored to win the title. Milan, Lincoln, and Saine should enjoy very strong teams and any of them could challenge for the title.

"I hope that our boys team can make life interesting for the top teams in the league," said Coach Clarke.

## JV Gridders Lose Opener to Novi

Just as the Chelsea High school varsity Bulldogs had trouble with the Novi Wildcats, so, too, did the junior varsity squad. The final score was not much different either; 20-0 as opposed to the 23-0 loss suffered by the varsity team.

The game, played at home, was a disappointment for both the team members and Coach Jon Schaffner alike.

The JV Wildcats crossed into the end zone in the first quarter to score their initial touchdown on a 35-yard run. The extra point attempt was missed. The JV Bulldogs then held the Wildcats back for the next two quarters, not allowing them to sneak across the goal line again until a five-yard run in the fourth quarter brought them to a more definite victory position. The score after this drive was 13-0. Then, again in

the fourth quarter, the Wildcats intercepted a Bulldog pass near the 40-yard line to bring another six points to the score board. Kicking for the extra point, the Wildcats completed the game's scoring with 20 points total.

Positive statistics for the JV Bulldogs' game performance last Friday include 56 yards rushing by Russell Harris and 63 yards rushing by Kevin Richardson; 11 tackles by Kevin Richardson, seven tackles each by Matt McCallum and Dave Weber, six tackles by Matt Villemure and Don Marshall, and five tackles by Russ Harris and Glen Prizing.

Coach Schaffner was aware of the team's weakness in its clumsy option game. The team, nonetheless, has good speed and good athletes in such players as (Continued on page five)

**WATER SKI CHAMPION** David Steinhauer, 13, competed at the National Waterskiing Championships in Tyler, Tex., in late August. Placing third in the jumping and seventh in the slalom events, he remains one of the finest young skiers in the country. His brother, Marty, 14, competed at the nation-wide meet also, placing fifth over-

all in his division and fifth over-all in the U. S. standings. Both Chelsea boys have been water-skiing since they were small children and have skills unequalled by most and paralleled by only a small fraction of the American waterskiing population.

## Steinhauer Brothers Sparkle In National Water Skiing Meet

The rolling, sun-drenched countryside of Tyler, Tex. beckoned the nation's top-ranked tournament water skiers to the National Water Skiing Championships which were held Aug. 20-24. Chelsea's own nationally famous waterskiing brothers, Marty and David Steinhauer, proved once again that they are among the finest skiers in the United States.

David, age 13 and skiing in the American Water Ski Association's Junior Boy division, had been ranked in the top five of his age division all year. Competing against the 25 best Junior Boy skiers in Tyler, Tex., David placed fourth in the jumping event and seventh in the slalom event.

The Beach Middle school 8th grader had previously captured the over-all State of Michigan title by placing first in the dangerous jumping event, first in the slalom event, and second in

the trick event. He followed that in early August by skiing and placing equally as well in the 12-state Midwest Regional tournament in Essex, Ill.

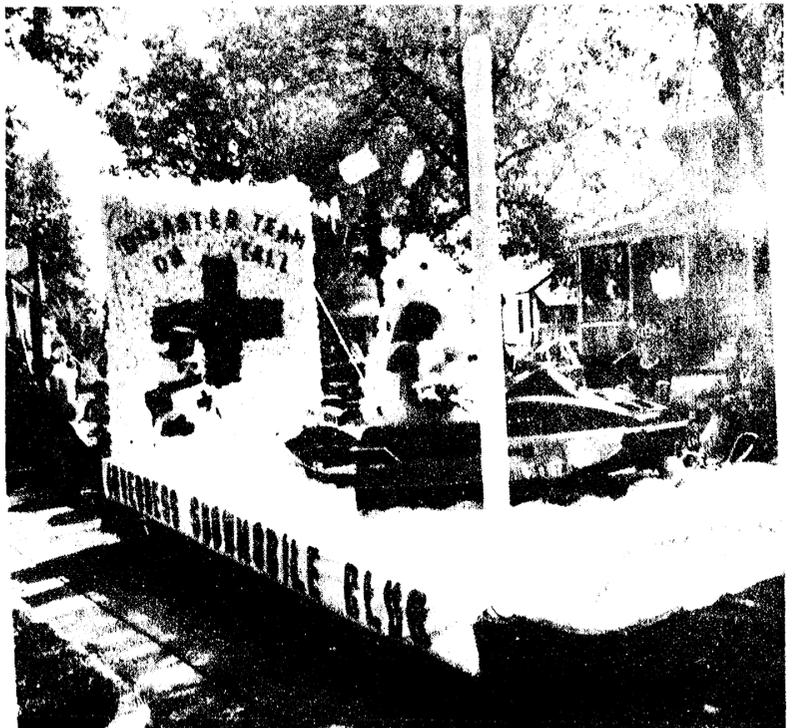

Marty, age 14 and skiing for the first year in the high school-age Boy division, was a major surprise in Texas. Like his brother in the Junior division, Mary dominated the Michigan and Midwest skiers in the elder Boy division. He had placed first in jumping event and first in the trick event in both the Michigan and Midwest Regional tournaments, to attain first-place honors over-all in both championships.

Although Marty dominated skiers in the Midwest, he was not expected to place well in his first year in the Boy's division at the nationals. Nonetheless, his jump of 119 feet, trick run of 2,000 points, and slalom run of 35 buoys were good enough for fifth place

in the over-all national standings among more than 30 skiers in his age division.

Most national-level water skiers are from the South or the West where the weather permits skiing 8 to 12 months per year. The Steinhauer boys' skills and accomplishments are even greater; they have only 3 to 4 months each year to ski.

Brothers Marty and David are just two of Judi and Jerry Steinhauer's five accomplished water skiing children. Phil, 20, is a junior at Ferris State College; Krystn, 17, is a senior at Gabriel Richard High school and Matt, 11, is a sixth grader at Beach Middle school. The Steinhauer family members do all of their practice skiing in front of the family home on Sugar Loaf Lake. According to father, Jerry, "Waterskiing is probably the most family oriented of all sports (Continued on page two.)"

Friday night will open the regular 1976 Chelsea High school football season at Tecumseh. With only five players from last year's opening line-up returning this year, Coach Phil Bareis admits that "our offense and defense are green and we've got a long way to go, but we're encouraged by our performance."

Ten new teachers were added to the Chelsea High school faculty for the 1976-77 school year.

Tom Balistrere was named new athletic director for Chelsea High school by the Chelsea School Board effective Friday, Sept. 10. Balistrere has been employed by the Chelsea school district for five years. During that time he served as recreation director for three years, beginning in 1973, was head basketball coach at CHS, and coached various JV sports, including freshman football.

On Sept. 13, Katie Chapman was the recipient of a signed, sealed, and delivered certificate of tribute from the State of Michigan. The award was personally signed by Gov. William G. Milliken and was presented to her as a special retirement honor. Mrs. Chapman retired from Washtenaw County Cooperative Extension Service duties Aug. 30.

Remodeling is completed by The Chelsea Standard. And so, with one of the most modern weekly newspaper plants in the state, the newspaper is proud to present its new version, with a new type front page (advertisements have always been carried on the front page since the paper was founded), a newspaper streamlined throughout, with columns of standard width identical to those used in metropolitan newspapers. Faith in the future of Chelsea prompted The Standard management to make the expenditures of money and effort to provide a more modern plant and to publish a better and more attractive newspaper in a town that is steadily forging ahead.

**Crucial Session Ahead for Legislature**

Members of the Michigan legislature will have their work cut out for them upon their return to Lansing for a month long session prior to recess for campaigns for the November general election.

What they get accomplished during September will determine the relative value of the entire legislative year.

At the center of the agenda will be Michigan's troubled budget. Legislative leaders and the Milliken administration are not sure the budget can be approved in the September session but promise a sincere effort to complete all parts before the fiscal year begins on Oct. 1.

All budget action will initially begin in the House as the Senate completed all budget action prior to the summer recess.

The Senate approved all operational budgets for the new fiscal year, basically setting target for spending using revenue figures as they were known at the beginning of the summer.

The House, meanwhile, broke

tradition and did not work on any budgets prior to the recess as revenue figures were softening and the membership, all facing August primary campaigns, decided they would rather not have to defend a reduced budget during the campaign.

House appropriations subcommittees have been working on the Senate-passed measures during the summer break and most are expected to be ready for consideration soon after the legislature returns on Sept. 3.

House Majority Floor Leader Joseph Forbes of Oak Park said it will be difficult to get the budget approved in the face of the cuts in programs that will be required and revisions in the governor's recommendations, the latest of which are not yet complete.

"There are a lot of if's in this thing," he said.

Forbes said he would recommend the House put in long hours to pass the budget. He added he does not know if the leadership can hold the membership in session much beyond Oct. 1 due to their re-election campaigns.

The Senate, meanwhile, will be

tackling a number of issues, beginning with the once-defeated Wayne County court reorganization package.

Senator Basil Brown (D-Highland Park), chairman of the Judiciary Committee, is pushing to get the package approved no later than Friday, Sept. 5, a deadline he said must be met in order to provide for the election of additional judges that are provided in the package.

Many legislators regard passage by that time and under current budget restraints nearly impossible.

However, William Long, the governor's legislative liaison, said failure to round up the votes by that date would not be fatal to the reorganization effort.

The package provides for an administrative merger of Wayne County Circuit and Detroit Recorder's Courts and the creation of a new district court to replace the Detroit Common Pleas Court.

Other items scheduled for the fall session will include an "all-out" effort by the governor to get a workers' compensation reform package.

Negotiations between the governor's office and Senate Labor Committee Chairman David Plawecki (D-Dearborn Heights) has fallen short of any agreement, but Long said the governor will push his package despite lack of an agreement.

Long said the time was right for reform of worker's compensation due to the state's declining jobs and economic base. He said he now expects positive response from the entire business community.

Other major items expected to be tackled by the legislature is a new teacher-public employee strike package. The legislative version was vetoed by the governor and his office is currently working on a counter proposal.

Oil and gas drilling in the Pigeon River Forest Area will also be under consideration in the Senate. A compromise has been offered by environmental groups, hoping it would serve to get the legislature to back off of the bill which they say will open drilling to any area in the state.

**Uncle Lew from Lima Says:**

DEAR MISTER EDITOR:

Ed Doolittle announced to the fellers at the country store Saturday night that he is ready to believe that day is night, that hot is cold and up is down. Ed said that from what he's been reading in the papers everthing must of turned the corner and is heading the other way, and he don't have no trouble figuring what was going on in that feller's head that was start naked in a Washington park the other day. The feller told the police he left his papers in his other suit, but he knowed he worked for the Government, he just couldn't remember if he was with the War Department or the Peace Department.

All over, Ed allowed, it's gitting harder for a feller to tell if he's on his way to the pore house or on his way home from the booby hatch. And the headlines don't help, Ed went on. He said he saw recent where an investigator in the National Transportation Safety Board said National Airport in Washington is so dangerous it's safe. The feller went on to explain that runways are so short, wind so wrong and the traffic so thick til pilots had to stay sharp out of pure terror. He said nobody gits lulled to sleep flying a airplane into National.

Since it's so dangerous and so safe, the piece went on, the Department of Transportation now wants to let jumbo jets land there. They ain't room fer em now, but the thinking is, Ed said, that they would make the airport more dangerous and more safe. The Safety Board spokesman come back with this warning. He said it's true that "as hazards increase, safety increases, up to a point. But just beyond that point the bottom falls out."

Ed said he is wondering how you tell when the bottom is fixing to fall out. As far as he's concerned, Ed went on, he'll give up some

safe to cut down on the danger. Folks on icy mountain roads might be safer drivers fer all the hazards, he declared, but they're just as dead when they ease along and slip off a 600 foot cliff as when they fail to make the curve at 80 mile a hour. Ed was of a mind you turn the corner and head back in a hurry in this kind of safety program.

Speaking of safety, Zeke Grubb reported where Ford Motor Co. was found to blame for a wreck that killed a drunk driving one of their cars at 105 miles a hour. The court said bad tires caused the wreck, not the speed and not the loose nut behind the wheel. Ford said the driver had been drinking fer eight hours before driving, and that 100 mile a hour is to dangerous on any kind of tires.

The court said Ford shouldn't of put tires good fer no more than 85 mile a hour on a car that would run over 100, which Zeke said is the same logic that says putting winders in your house with glass so thin a brick can be throwed through it makes you a partner in the crime. The courts already have said leaving the keys in your car makes you a cessory to the thief, Zeke added.

Actual, broke in Bug Hookum, the bottom fell out of the court system back when they ruled Son of Sam, the New York killer, could draw unemployment in prison because he had been found to crazy to hold a job.

Yours truly,  
 Uncle Lew.

The event was hosted by their children, Gloria of Salem, Ore., David and his wife, Sue, of Traverse City, and Robert of Chelsea.

Mr. and Mrs. Eltia Borders, Jr.

### Debra J. Clark, Eltia Borders Jr., Are Wed in Grass Lake Church

Debra Jean Clark and Eltia Borders, Jr. exchanged wedding vows on Saturday, Aug. 2 at the Grass Lake Federated church. The Rev. Charles McNeil officiated the ceremony.

Debra is the daughter of Mr. and Mrs. Calvin Clark of Grass Lake and Eltia's parents are Mr. and Mrs. Eltia Borders, Sr., of Chelsea.

Accompanied on the organ by Mrs. Donald Chapel, soloist Jeanne McKeighan, friend of the bride, sang "Because," "The Lord's Prayer," and "Evergreen."

The bride, given in marriage by her father, wore a white organza gown with a Victorian band neckline and re-embroidered Alencon lace bodice accented with pearls and Brussels embroidery. It featured button detail on the back with a chapel train and re-embroidered Alencon lace hemwork. She wore a Juliet cat covered in Brussels embroidery and adorned with pearls, and a two-tiered veil edged in Brussels embroidery.

She carried a cascade bouquet of white miniature carnations and Sonia roses accented with

stephanotis and baby's breath, trimmed in lace and satin ribbons which lay upon a family heirloom prayer book belonging to the bride's father's great-aunt, dated 1891. A Brussels lace handkerchief that had belonged to the late Mrs. N. J. Riethmiller, maternal grandmother of the bride, was tucked inside.

Maid of honor was Ruth Freeman, a friend of the bride. The bridesmaids were Pam Clark, sister-in-law of the bride; Sara Borders, niece of the bridegroom; and Trudi Whitley, friend of the bride. They wore gowns of apricot jersey with wrap crystal pleated bodices, spaghetti straps and removable chiffon capelets with band necklines. They carried colonial bouquets of white 'mums, tipped apricot carnations and purple and yellow statice.

Valerie Engel was the flower girl. She wore a floor-length dress of apricot and carried a white lace basket filled with the same flowers as those carried by the bridesmaids.

Mother of the bride chose a sheer champagne floor-length gown with a sheer cape of soft brown silk. Accenting her gown was a corsage of Sonia roses and baby's breath. The bridegroom's mother wore a floor-length gown of medium blue and a corsage of white roses and baby's breath.

The best man was Tom Smith, friend of the bridegroom. Groomsmen were Richard Clark and David Clark, brothers of the bride, and Ron Borders, brother of the bridegroom. Dennis Clark, nephew of the bride, was the ring bearer.

Following the ceremony, a reception was held and a buffet dinner was served at the Grass Lake Community Center. Thereafter, the couple honeymooned in Bermuda. They are at home at 545 Taylor Lane, Chelsea.

### Elaine Miller, David J. Pastor Are Wed at Methodist Church

Elaine Miller, 236 Adams St., Chelsea, married David J. Pastor of Jerusalem Rd. at 8 p.m. Saturday Aug. 23 at First United Methodist church. The Rev. Marvin McCallum officiated the ceremony in the presence of 350 guests.

She is the daughter of Mrs. Theresa Fitzpatrick and the late Irving Fitzpatrick of Jackson and her husband is the son of Mr. and Mrs. Dave Pastor of Jerusalem Rd.

For the ceremony, the bride was attired in a long ivory chiffon gown with Chantilly lace, high neckline and long sleeves. To complement her gown, she carried a bouquet of yellow roses and baby's breath tied with a yellow ribbon.

Maid of honor was Cynthia Miller, daughter of the bride, wearing a light blue floor-length tie and a ruffle at the hem. She carried a single yellow rose with baby's breath and white ribbon.

Sally Miller, daughter of the bride, served as bridesmaid and was attired in a yellow gown identical to that worn by her sister. She, too, carried one yellow rose surrounded by baby's breath and tied with a white ribbon.

The bride's mother, Mrs. Theresa Fitzpatrick, was dressed in an aqua floor-length gown with a jacket top. White roses completed her costume.

The bridegroom's mother was attired in a blue floor-length gown and a chiffon coat. She, too, had white roses to complement her gown.

Groomsman was Frank Heyden of Oxford, the bridegroom's cousin, and the bride was given in marriage by her son, Todd.

Best man was Ned Heydlauff of Centerville, brother-in-law of the bridegroom. Tom Stafford of Cavanaugh Lake Rd., a friend of the couple, and Robert Fitzpatrick of Jackson, brother of the bride served as ushers at the ceremony.

A reception, given by the bridal couple, was held at the UAW Union Hall immediately following the wedding. Punch was served by Marlene Hayden. A friend, Noreen Collins, handled the guest book, while Pat Heydlauff, the bridegroom's sister and Sheryl Fitzpatrick, the bride's sister-in-law, cut the cake. Marilyn Stafford, a friend of the couple, was in charge of gifts.

Following a week-long honeymoon in northern Michigan, the couple is now at home at 236 Adams St., Chelsea.

The bride is employed by MacDee, Inc. while her husband is the owner of Edwards Jewelers of Ann Arbor and Saline.

### Heritage-Harvest Show Underway at Manchester Gallery

Manchester Art Gallery visitors were greeted with a wide range of traditional as well as not-so-traditional arts and crafts to celebrate our heritage and the harvest season.

The "Heritage-Harvest Show" had its opening reception for artists, craftspeople, and the public Friday, Sept. 5 amid refreshments of tangy cider, popcorn, and crisp apples. Water-colored barn scenes were in contrast with black-and-white photos of harvest cabbage. Cornucopia dolls were in juxtaposition to prize-winning canned goods. Every corner of the exhibition yielded some item of interest: wooden toys and games, quilts and other needlework, wheat woven decorations, leaf print pot holders, baskets, and brass bells. Most of the items on display were for sale; making ideal harvest decorations or early-bird Christmas gifts.

As if to tantalize one's creative interests, the Manchester Art Guild will be offering 18 classes and workshops in areas related to its "Heritage-Harvest Show." Several needlework classes are scheduled, as well as blacksmithing, basketry, stenciling, corn husk decorations, and much more.

Flyers are available at the exhibit or information may be obtained by calling Becky at 428-7193 any time, or Jan at 428-9215 between 9 a.m. and 4 p.m.

This exhibition will continue throughout September and October. Visitors will be welcome Wednesday through Friday from 1 to 5 p.m. and Saturday from 9 a.m. to 1 p.m. at the Manchester Art Gallery, 138 E. Main St. (upstairs), Manchester.

In 1791, Philadelphia carpenters struck unsuccessfully for a 10-hour day and additional pay for overtime. This was the first recorded strike of workers in the building trades, according to a U. S. Department of Labor publication.

### Health Careers Class Seeks Nurses Uniforms

The Chelsea High school health careers class has gotten off to a flying start this year under the direction of its new instructor, Mrs. Judy Oake, R. N.

Students in the program will be receiving instruction in the various areas of health care, specifically nurses' aide training. This should provide them with entry level skills in the health field upon graduation.

Once again, the Chelsea School District and the Chelsea Community Hospital have undertaken this venture jointly and are working together closely for the betterment of the instructional program.

In addition to upgrading and constantly improving the instructional program, the Health Care Advisory Committee, made up of professionals in the field, has ex-

pressed a desire to improve the student uniforms. Potentially, this would give the students a greater feeling of identification in the hospital setting and would contribute to their professional attitudes.

With this as its goal, the health careers class at Chelsea High school would like to invite anyone who has a nurse or nurse's aide uniform, consisting of white pants and a smock top, to contribute it to the program. If you have any such apparel which you care to contribute, please contact Judy Oake at Chelsea High school by phoning 475-9131. Any contributions would be greatly appreciated.

## Woman's Club Begins 50th Anniversary Year

Woman's Club of Chelsea held their annual picnic meeting at the home of the Frederick Leemans on Riker Rd., Tuesday, Sept. 9.

There were 25 members in attendance which included several associate honorary members and one charter member, Alma Meserva.

This is the first meeting of a year-long celebration of the 50th anniversary of the club.

The first meeting of the club was held April 5, 1931. The reason for its formation at that time was to start a library for the village of Chelsea. Efforts of the charter members culminated in the eventual acquisition of the home on Main St., which became McKune Memorial Library.

Hostesses for the picnic were Betty Oesterle and Ruby Strieter.

## Ypsilanti Run Aids Special Olympics

\$1,000 was just presented to Area Director for Special Olympics Nancy Cooper to be used for mentally impaired children and adults from the Ypsilanti area. The money came from a July 4 run sponsored by the Ypsilanti Press, the Ypsilanti Kiwanis Club, and the Ypsilanti Recreation Department.

The Special Olympics is in need of volunteers to work at the County Bowling Tournament on Nov. 14 at Bel Mark Lanes from 9:30 a.m. to noon. Please call Nancy Cooper at 475-9131 ext. 49 or 498-2679. More than 300 athletes will be participating.

The 6.2-mile run was held in Ypsilanti and was run by two Special Olympians from Chelsea High school, Tracey Harvey and Linda Alber. They were accompanied by coaches Nancy and Doug Cooper and by Dexter High school coach Arlene Schreiberman. All finished the race among a crowd of 360 runners. This was one of several runs held around the state to benefit the Special Olympics.

On Aug. 23, four Chelsea residents traveled to Flint to take part in the 10-mile Bobby Crim Run for Special Olympics. All the money raised goes to the State Special Olympic office to run state games and tournaments. Running and finishing from Chelsea were Helen Thomas, Dr. Gene Miller, Nancy Cooper, and Doug Cooper.

On Oct. 19, four mentally retarded athletes and four coaches will run in the Detroit Free Press Marathon to raise money for the Washtenaw County program. Running for Chelsea will be Tracey Harvey and Coach Nancy Cooper; for Dexter, Paul Klapperich and Coach Arlene Schreiberman; for Ann Arbor, Ken Bartus and Coach Doug Cooper; and for Whitmore Lake, Kim Westwood and Coach John Williams. Each group will run approximately 6 miles. Support van will be driven by Mitchell Schreiberman and Ron Yeung.

## Demolition Derby Winners Listed

Immediately following the selection of 1980 Fair Queen on Tuesday, Aug. 26, the Rotroff International Demolition Derby took to the arena. Scads of old, run-down junkers revved their eager engines, ready for the action to begin. Enthusiastic crowds of spectators lined the rows of grandstands, like sardines packed in a can.

At 8 p.m., the action got underway. Three heats and a feature were the fare for Tuesday night's events. The standings on night one of the demolition derby were as follows:

Heat 1: Chuck Broderick, Sr., 1st; Car No. 59, driver unknown, 2nd.  
 Heat 2: Harold Polzin, Jr., 1st; Dan Houk, 2nd.  
 Heat 3: Norval Menge, 1st; Michael Walker, 2nd.

Smashing their ways to a feature victory were Harold Polzin, Jr. and Chuck Broderick, Sr.

The second night of demolition derby action saw these lucky drivers in the first- and second-place slots:

Heat 1: Tom Goetz, 1st; and, Tim Egler, 2nd.

## Local Science Publisher Cited By Chemical Group

"In recognition of extraordinary service in advancing the patron and publications program of the Division of Environmental Chemistry, American Chemical Society," reads an award presented as a plaque to Edward E. Lewis, president of Ann Arbor Science Publishers, Inc.

The local publisher has for several years published books in collaboration with the Environmental Division of the ACS. This program has resulted in both financial support and added prestige for the ACS group.

This is one-of-a-kind award. Only for special achievements are such ACS awards presented to any non-ACS member.

The presentation was made by Dr. L. B. Laird, U. S. Geological Survey, chairman of the ACS Division of Environmental Chemistry, at the national ACS meeting held recently in Las Vegas, Nev.

# Fall Programs Offered at Waterloo Nature Center

Autumn brings welcome relief from the biting insects, high humidity, and overwhelming heat of summer. One of the most enjoyable of all seasons, fall is an ideal time to enjoy the outdoors at the Waterloo Recreation Area.

To make your fall visit something special take part in one of the fall programs offered at the Waterloo Nature Center. Your family, neighborhood

friends, scout pack, or any group of 10 to 30 people, may reserve a naturalist for one or more of the following programs.

**Signs of Autumn**—Explore the sights, sounds, and signs of the autumn season. Special emphasis will be placed on fall colors, wildflowers, and animal activity. Can be geared to any age level. Offered September and October only.

**How Animals Prepare for**

**Winter**—Investigate the fall activities carried on by insects, reptiles, amphibians, birds, and mammals. After a brief indoor introduction, there will be a field trip lasting up to one hour so come prepared. Recommended for 8- to 12-year-olds.

**What's Bugging You?**—Searching the fields and woods for insects, you will learn the life histories of some of the common insects found along the way. You will see some of the fascinating ways that insects prepare for winter. Hints on collecting and mounting insects will be demonstrated. Recommended for 9- to 12-year-olds. Offered September and October only.

**Tree Tatlings**—Investigate the common trees of southern Michigan. Examine the life processes within a tree. Learn what causes the leaves to change color, how a tree reveals its identity, and the importance of trees to man and wildlife. Recommended for 9-year-olds to adults. Insect repellent recommended.

**Animal Homes**—Introduces children to some of the common animals of Waterloo, telling where they live and why. It includes a brief indoor introduction and a field experience. Recommended for 3- to 6-year-olds.

**Michigan Mammals**—Learn about the lives of mammals that are common to southern Michigan. During the indoor presentation you will be able to handle mammal furs, then outside to look for the live inhabitants of fields and woods. Can be geared to any age level.

**Michigan Geology**—Come and see some of the rocks and minerals found in Michigan, and find out how they are used in everyday life. Walking the geology trail, you will learn about the formation of rocks commonly found in the glacial debris of southern Michigan. Recommended for 9- to 12-year-olds.

**Life in a Bog**—Explore an exotic landscape that is a souvenir of the ice age. Discover the insect eating plants and in-season orchids. Recommended for 9-year-olds to adults.

These programs are designed to last up to 90 minutes. Actual length will depend upon the age and attention span of the group. There is no charge for the programs. However, each vehicle entering the park should have a state park motor vehicle permit. These are available at the nature center and cost \$7 for an annual permit or \$2 for the daily.

Chelsea, Michigan, Thursday, September 11, 1980

**TOBACCO FARMER?** No, this is Isadore Wencel, 115 Island Lake Rd., long a familiar figure in Chelsea and known for his quality vegetables. Izzy, as he is more familiarly known, planted a few tiny tobacco seeds in the edge of his garden plot this spring and now

stands in the shadow of the most lush growth of these eight-foot tall plants any of us has ever seen in this area. In fact, they are the only tobacco plants most of us have ever seen growing around Chelsea.

## Gardener Izzy Wencel Has Become Area's Most Influential Tobacco King

Living in Chelsea for most of his 76 years, Isadore Wencel, has led a mostly horticultural life. Originally, he owned and operated a North Lake Gulf service station and gardened as a hobby. But after a number of years, Izzy sold his service station and concentrated on his gardening.

In 1967, Wencel put his past-time to profitable use by opening a vegetable stand on the corner of Waterloo and Werkner Rds. Reflecting back, Izzy commented that he "always enjoyed watching things grow." So, from his red and white stand, Izzy sold fresh produce grown in the North Territorial Rd. garden of more than an acre. Tomatoes, cucumbers, melons, onions, carrots, green and hot yellow peppers were the usual summertime fare.

But now, after two heart attacks and a bad case of emphysema, Izzy is back to raising his glorious vegetables as a hobby. He still sells a few vegetables here and there but more often, he gives them away or even worse, sees them rot. With his health so poor, Izzy isn't able to pick his ripe produce, though his garden is still in immaculate, weedless condition and filled with sturdy, lush vegetable plants.

Each year, with the coming of winter, Izzy heads up to Boon, near Cadillac, to visit his grandson, James, who coaches wrestling and teaches in the Pipe River District schools. From Nov. 1 until about May 1, he stays with James, relaxing and ice fishing on Lake Cadillac. When spring returns, Izzy comes home to begin his ritual planting of vegetable seeds.

Added to his usual crop this year were some minuscule Burley tobacco seeds sent to him by his brother in Washington, D. C. Not common to this area of the country, Izzy played it safe and started them in a hot house. With the last of May, he put his tobacco seedlings in his garden, next to a cabbage row.

Since that time, all of his vegetable plants have flourished, but none so much as his tobacco plants. Within just three short months, the plants have blossomed from tiny seedlings to huge 8-ft., broad-leaved, flowering beauties.

Having never grown tobacco before, Izzy didn't quite know what to expect. But, after seeing an article in the Ann Arbor News about a woman with a single specimen of no more than five feet, Izzy figured that his plants were more unique.

How did he manage to raise such fantastic plants? Did he care for them in any specific

way? Modestly, Izzy claims, "I hoe them like any other vegetable... nothing more."

Whatever his secret, if he's even got one, Isadore Wencel has managed to plant and raise a spectacular row of tobacco plants. As Izzy himself insists, and any visitor to his garden would surely attest, "They are the most beautiful plants I've ever seen." At age 76, you know Izzy has seen a lot of plants.

Wencel would like to give the seeds or the leaves of the plants away. Anyone interested in either growing their own tobacco plants or trying to roll their own cigarettes, should contact him at his home by phoning 475-7892.

**The Bible-The Light from Heaven**  
Teaches the need for man's redemption. Each accountable human being must be redeemed from his sins by Jesus Christ or else stand before the Judgment Bar with them held to his charge. The fact that redemption comes about by the sacrificial death of Christ is the basic foundation of the Gospel (Romans 3:24, Ephesians 1:7, Colossians 1:14; Titus 2:14 and Hebrews 9:12).  
The term "redeem" is defined: "to buy back... to recover by paying a fee." In New Testament days this word denoted the act of purchasing a slave with a view to purchasing his freedom. It was also used to designate the release of a person being held upon receipt of a ransom. When a person sins against God he alienates himself from God (Isaiah 59:1, 2; Romans 6:23). God is pure, holy and righteous being who will not tolerate sin in any form. The wonderful redemption is available to all who will, by faith, humbly submit to the will of God through Jesus Christ (Hebrews 5:8, 9). One must hear the Gospel and believe that Jesus is the Christ, the Son of God (Romans 10:17; John 8:24). All must be willing to turn from their sins and serve God. This is repentance (Luke 13:3; Acts 17:30). Jesus demands that we be willing to confess with our mouths before men our faith in him as the Son of God (Matthew 10:32; Acts 8:37; Romans 10:10). The final step in becoming a Christian is immersion in water for the remission of sins (Mark 16:16; John 3:5; Acts 2:38; Romans 6:4; 1 Peter 3:21). Baptism is into the benefits of the death of Christ. His blood was shed in his death (John 19:34). We have redemption through his blood the forgiveness of sins (Ephesians 1:7).

**Real Estate**

By PAUL FRISINGER  
 REALTOR

**WHO ARE THE BUYERS?**

Basically, there are three classes of people who look at homes. The first kind is in a hurry to move. They may have been transferred or already sold their present home or just want to make a quick decision.

The second kind has no sense of urgency. They are looking for a real bargain. They think that by buying directly from an owner they can save the commission, or worse, they want to find someone who is desperate to sell and buy the home for thousands of dollars under fair market value.

The third kind will never buy. They can't afford to or just don't want to — but they

enjoy looking at homes for a pastime.

Studies show that 86% of classified home sale ads are run by REALTORS. This means that the second and third groups of non-buyers will be compressed into viewing only 14% of the ads. If you're serious about selling your home instead of just showing it, doesn't it make sense to list it with a REALTOR?

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

The Chelsea High school girls swim team is ready to kick off their 1980 campaign. Behind a trio of senior captains, Sara Borders, Michelle Clark and Teresa Degener, the squad will open next Tuesday evening, Sept. 16, against Class A Adrian, at Adrian.

This year's team will include 14 individuals. In addition to those mentioned above, the team will consist of seniors Barb Davis and Donna Alexander; juniors, Mary Bacon, Janine Hoffman and Pam Spayd; sophomore Kristin Hoffman, and an outstanding group of freshmen, Dawn Borders, Lesel Culver, Margie Rawson and Sandy Young.

"This year's team will prove exciting to watch; the quality of the team is better than ever before," said Coach David Johnson. "With such a small group, each individual must contribute every day. The year should be most interesting," he added.

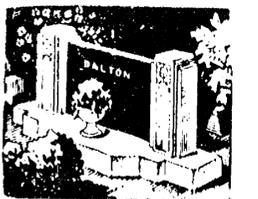

## Deadline Set For Federal Crop Insurance

Wheat growers interested in insurance against the possible loss of their 1981 crop investment should apply for coverage no later than Sept. 30, according to Harlan Stull, district director of the Federal Crop Insurance Corp. The FCIC office serving Washtenaw county is located at 1123 W. Chicago Rd., Coldwater, telephone (517) 279-8472.

Stull points out that the policies being offered this year provide maximum flexibility for the farmer to tailor his insurance protection to his individual financial situation. By carrying the maximum amount of insurance, it is possible to protect the total crop investment against loss. On the other hand, the policies permit carrying lesser amounts of insurance (at a lower cost) in order to cover specific investments. For example, enough insurance to cover unpaid seed, fertilizer and chemical bills; or enough to repay outstanding loans and interest.

In any case, the FCIC policies provide all-risk coverage, Stull notes. In the event the insured crop falls short of the total production guaranteed by the policy, the insurance indemnity makes up the difference in cash. Stull adds that the cost of the insurance is fully tax-deductible as a business expense.

## Gridder of the Week

### Frosh Gridders Defeat Novi, 24-14

The freshman football team opened their 1980 season Thursday Sept. 4 with an exciting victory over the Novi freshman by a 24-14 score.

The Chelsea eleven tied the score at 8-8 on a 45-yard touchdown pass from halfback Jay Marshall to flanker Dave Walter with only 11 seconds remaining in the first half.

The Bulldogs then came out in the second half and played with a great deal of enthusiasm, leading them to their victory.

Other scorers for Chelsea were Jay Marshall on a 5-yard run and Scott Cooper on a 2-yard run. Extra points were scored by Cooper and two by Marshall.

The defense was led by safety Dave Walter with 11 tackles, linebacker Keith Kilby with seven tackles and tackle Dave Kiel with six tackles. Chuck Hager kept Novi deep in their own territory with four very deep kick-offs.

Coach Jim Tichnor is very optimistic after the Bulldogs' first home victory. The team, though somewhat weak defensively, is offensively quite strong. With assistance from quarterback Marty Steinhauer, "who can really throw the ball," and running backs Jay Marshall and Scott Cooper, the outlook for the 1980 freshman football team is very good.

**BLUE RIBBONS** were awarded to these young men during the Fair. Left, Rodney Satterthwaite, 13, was given woodworking honors for his table while Rob McDowell, 11, received first prize for his miscellany of hobbies.

## SEC ROUND-UP:

### Saline Comes Back

**Saline 20, Carleton 0** Saline High school Hornets began their 1980 season in the same manner as they began their 1979 season. The Hornets shut out Carleton Airport, 20-0 Friday night, already acting as if their 1979 Southeastern Conference crown is at stake.

Saline's most pervasive characteristic Friday was their defense, giving Carleton's Jets a minus two yards total offense. Countering the embarrassing offense statistics of the Jets, Saline managed to gain 234 yards total offense, 101 yards through the air and 131 on the ground. Jim Phelps, Saline's marksman quarterback, completed 9 of 16 passes.

Nonetheless, Saline was not flawless. The Hornets made two fumbles and received a number of penalties. But Carleton was unable to keep its hands on the ball long enough to do much with it.

**Tecumseh 7, Hillsdale 0** The Tecumseh Indians started off their season on the right track, too. The former Huron League team initiated its Southeastern Conference season with a 7-0 win over Hillsdale Friday night.

Though the team was supposed to be quite pass-oriented, Mark VanBuren made a 36-yard run in the first quarter to prove forecasters wrong, at least in this game. In addition, VanBuren was responsible for 119 yards rushing on 26 carries.

Returning quarterback Tim Todd, receiver Scott Hans, and running back Dave Duhan will prove to be key players for the Indians.

**Columbia Central 12, Milan 6** Friday night, Milan High school got off to a not so good 1980 football season opening, being defeated 12-6 in overtime by Brooklyn Columbia Central.

The Big Reds only totalled 181 offensive yards while Columbia Central gained 263 yards rushing and 29 through the air. Milan quarterback Mark Ludwig was six for 12 passing attempts, gaining 94 yards.

**Grosse Ile 12, Lincoln 0** The Ypsilanti Lincoln Railsplitters also fell victim to a non-league loss in their season opener. Friday, the Grosse Ile Red Devils won a solid 12-0 victory over the close, but not close enough Railsplitters.

Ypsilanti was stopped three times inside the Grosse Ile 20-yard line, once at the six-yard line, once at the eight-yard line and again at the 20-yard line. In addition, two key turnovers, a fumble and an interception, complicated the Railsplitters' chances for a victorious opener.

Ypsilanti's All-Stater, Derrick Tolliver, started his senior year out well. He gained 113 yards on 21 carries and caught two passes for another 44 yards, but the Red Devils stopped him early. A strong second half again showed Tolliver's skill but did nothing for the Ypsilanti side of the score board.

**Pinckney 41, Dexter 7** Kicking off their season Friday night, the Dexter Dreadnaughts were trounced by the Pinckney Pirates, 41-7.

Dexter dominated the first quarter of the game, keeping the ball in the Pinckney half of the field. Ron Knickerbocker scored for the Dreadnaughts early in the second quarter on a seven-yard run. Tony McCoy added the extra point, giving the Dreadnaughts a 7-0 lead.

But, the Pirates tied the game as fullback John Roach topped a 74-yard drive with a three-yard dive. Bryon Chamberlain added the point for a 7-7 tie.

The Dexter offense drove the ball to the Pinckney six-yard line where Tim Towles recovered a fumble, returning the ball to Pinckney. In just six plays, the Pirates drove 94 yards to score. The first half score, 14-7.

The second half proved that Dexter really had problems. Roach scored two more times for the Pirates, giving them a 28-7 lead in the third quarter. And, the fourth quarter allowed Mike Rosati to score an additional two touchdowns, to give the Pirates an impressive victory over the Dreadnaughts.

the sidewalk sales, and \$517 for the Muscular Dystrophy Telethon for five days at the Fair. We hope the children enjoyed the games as much as we did, and we hope everyone was a winner.

Once again, we are grateful to be a part of such a warm, caring, and generous community. Management and Crew of Chelsea McDonalds.

To Lloyd Grau, President Chelsea Community Fair

We are wishing that this were a letter of appreciation as it was originally intended to be, but, regrettably, it has become a letter of protest at the saddest display of welcome, organization and horsemanship we have been treated to at any horse show we have attended.

We are a 4-H club of children and parents who show our horses together. We are people who treasure our children and horses, and we take very good care of both. Our children are never unsupervised. Neither are our horses. We welcomed the Chelsea Fair as a chance to be together and do one last bit of showing for the year, and we honestly thought we were helping to make your fair a bigger event than in prior years. We brought our seven horses, tack, feed, bedding, decorations and barn cleaning equipment 40 miles to be with you.

As we have never attended a show of more than one day where we were not allowed to camp and attend to our animals, you can imagine our surprise at being asked to leave. Imagine our still bigger surprise at not being able to discuss the problem reasonably with any of the fair board members. They were rude, profane and peremptory. We were told we could not even camp within the sight of the fair grounds.

As the sanitation department and the town of Chelsea said they had no objections, we wonder how Mr. Heller and his group could possibly have been so hostile as to not even have given us a chance. We were also on the receiving end of hostility from some of the local horsemen, some of who displayed terrible sportsmanship in the ring. One in particular reported that we mothers had men in our quarters at night, a somewhat difficult feat with eight children in attendance.

We moved our campers. We showed our horses. We kept our barn area clean and neat. We were still very uncomfortable in a situation where our horses were locked up at night with what we

## The Editor

thought was very poor supervision. But Thursday night was the limit. Thoughtless lack of horse awareness allowed our end of the barn to be subjected to conditions we could not tolerate. Our horses, frantic at the auto noises, were locked in a barn with temperatures well over 100 degrees until they were sweating, one badly bloated, one (the nearest stall to the door) with a bleeding lesion on his neck from banging his head against the stall. Other horses in the barn showed signs of colic. One got his foot caught in a metal pail in his frenzy and couldn't be approached to free him. Several got untied and were loose. One of our club members stood at the door with a fire extinguisher to protect our hay from stray sparks.

We chose to take our horses home to protect them from a situation no veterinarian would have approved of. If others chose to stay they had either already gone home for the night, had horses further away from the confusion or just didn't understand the danger. We did leave our barn area and stalls immaculately clean when we left which was more than the other horse people did when they left after the open show on Saturday.

We are not sorry we left. We are sorry that you have chosen to deprive our children of their winnings when in fact it was not in any way their fault. We understood that the barn prize was not even awarded. What a sorry event! We all have a very bad taste in our mouth, and if the show were to be open to outsiders next year we would certainly not attend. However, in the interest of horses that will be there, please use our share of the prize money to alleviate some of the poor conditions. Gates across barn doors so that the barn will not be shut up so tightly would help. Having some nice gentlemanly conduct on the part of fair board members would seem a necessity. We hear you have lost your horse superintendent and assistants. That is truly too bad as they were the only source of communication and horse knowledge you had. You could have improved everything immeasurably had you listened to them.

Regrettably, sadder but wiser group,
