THE CENTENNIAL FARM owned by Mark and Virginia McKernan has been owned by the family since 1878 when it belonged to Mrs. McKernan's maternal grandparents. Located at 20197 McKernan Dr., the farm now comprises 69 acres. None of the

original buildings remain standing; the house was built in 1905. Mr. and Mrs. McKernan are shown standing beside the metal marker which displays historic status. McKernan, a retired rural mail carrier, is presently dealing in real estate with Thornton Realtors.

## McKernan Home Designated Michigan Centennial Farm

A farm owned by Mark and Virginia McKernan, 20197 McKernan Dr., has been designated as a Centennial Farm by the Division of Michigan History.

The Centennial Farm program has been in existence since 1948. Since that time, more than 3,000 Michigan farms have been designated as such.

A centennial farm comprises only the land and not the farm buildings, which may be remodeled or even new. The only true stipulation is that the farm must be in the continuous possession of the same family for at least 100 years.

After the farm has been awarded the Centennial Farm title, the Division of Michigan History pro-

vides the owners with a certificate and Detroit Edison and Consumers Power Companies supply a large metal marker, thereby designating the farm as historically honored.

The McKernan farm, located in Sylvan township, has been in the possession of the family since 1878 when it was purchased by Jacob P. and Sarah Jane Miller, relatives of the present owner, from Abram F. and Celia J. Burden.

Jacob and Sarah Jane Miller, Mrs. McKernan's maternal grandparents, had eight children, two boys, Bernard and John, and six girls, Mary, Alice E. (Mrs. McKernan's mother), Evelyn, Stella, Blanche and Helen. Of the girls, all but Mary and Evelyn were school teachers.

In 1917, Alice E. and John Liebeck bought the farm from the Millers. They had a number of children, three of whom are still living, Ruth Liebeck, Raymond Liebeck and Virginia McKernan.

Virginia and Mark McKernan acquired the farm in 1955 and raise different types of grain, hay and corn. Originally the farm consisted of 132 acres but it has been scaled down over the years to 69 acres. None of the original buildings from 1878 remain standing and the house they live in was built in 1905, when the Millers were living there.

The McKernan home has an interesting history. It has been moved twice. In 1938, the house was moved from the right-of-way to accommodate the construction of US-12. Then, in 1960, the house again changed location when US-12 was reconstructed into I-94.

The McKernans have two children, Thomas, a pharmacist doing graduate work at Wayne State University in Detroit, and Anne who works at Ann Arbor's Real Seafood Co. restaurant.

## Harriers Place 2nd in Invitational

Chelsea's boys cross country team ran an outstanding race Saturday, Sept. 13 to place second out of 23 teams at the New Boston Huron Invitational. The Bulldog harriers scored 98 points to gather the runner-up trophy behind Riverview Gabriel Richard's winning total of 92.

"It was a great team effort," said Coach Pat Clarke of his charges. "We ran with one of our best runners, senior Captain Jeff Bradley, suffering from a bad cold and unable to score. But, our other kids took up the slack and performed well," continued Clarke.

Leading the way for the Bulldogs was sophomore speedster Mark Brosnan in 7th place at 16:46. He was followed closely by junior Captain Bob Benedict in 8th place at 16:48. Other Bulldog placers were Dave Kies, 21st at 17:24, Bob Schleede, 25th at 17:32 and Brent Martin, 47th at 17:57.

In the JV race, Eric Green paced the Bulldogs, placing 11th out of 150 runners at 19:12. Other JV placers were Allen Cole, 23rd at

19:40 and Kevin Wahr, 32nd at 20:02.

In a meet held at Inverness earlier in the week, the Bulldogs opened their league season defeating Jackson Western, 16-44.

## Boosters Will Host Gathering To Meet Athletic Director

At 8 p.m. Wednesday, Sept. 24, the Athletic Booster's Club will meet in Chelsea High school auditorium. Though this is the group's regular meeting time, this is not an ordinary meeting. On the contrary, the Athletic Booster's Club is hosting a general social gathering to introduce the latest addition to sports in the Chelsea School District.

The public is cordially invited to meet and talk with Ron Nemeth, the new athletic director. Refreshments will be served.

## Absenteeism Call System Being Tried

North and South Elementary schools will initiate a student absenteeism calling system beginning Sept. 22, on a six-week trial basis. Parents are urged to call prior to 9:30 a.m. on the day that their children will be absent.

The schools, in co-operation with the parent-teacher organizations and volunteer callers, will attempt to contact parents of students who are absent.

This trial program has been requested by some parents in an attempt to have a closer home-school relationship, and will be evaluated to ascertain its effectiveness.

## Jeff Daniels Appearing in New TV Film

Local talent will once again cross area television screens beginning Tuesday, Sept. 24.

Jeff Daniels, son of Mr. and Mrs. Robert Daniels, appeared in a number of segments of "Hawaii Five-O" last March and will be seen this time in a made-for-TV film entitled "Rumors of War." The film will be shown on two consecutive nights, Tuesday and Wednesday, and will be telecast via CBS.

Based on the Vietnam war, filming took place in the Sierra Madre outside Mexico City. Daniels will portray a chaplain and is scheduled to appear in the second telecast.

Having been in New York since 1976, Daniels has been involved in a number of plays, commercials and television series. Beginning Sept. 29, he will start rehearsing for an on-Broadway production of Lanford Wilson's "Fifth of July." This play, featuring ensemble acting with all parts being of relatively equal importance and size, is a sequel to last year's "Tally's Folly," which had television star Judd Hirsch ("Taxi") in the lead.

"Fifth of July" is scheduled to open in the end of October or the beginning of November and will star Christopher Reeves ("Superman"). This play is not foreign to Daniels; he was in its Los Angeles cast last year. Reeves is also native to him. The two of them acted together in the experimental New York Circle Repertory Theater. ## Bulldog Gridders Fall Victims to Jackson in Season's Home Opener

The Chelsea High school Varsity Bulldogs fell to the Jackson County Western Panthers Friday night, to give them an already grim 0-2 season record. The night's final score was 20-6.

In the Bulldogs' first offensive set, they scored but the play was called back because of a motion penalty. That was the story of the game. Though the Bulldogs only had 18 yards in penalties, they were costly and set the tone for the game. In turn, Jackson capitalized on the Chelsea mistakes.

The Panthers scored in the first quarter on a 10-yard run but missed the extra point attempt. Then, the second quarter saw the Panthers crossing into the Bulldog end zone on a 26-yard scoring pass. The score of 12-0 gave Jackson a comfortable half-time lead.

Chelsea finally got on the board in the third quarter when John Preston plunged in from the two-yard line. The score throughout the third quarter remained 12-6, but fourth quarter action brought the Panthers roaring in to score from the one-yard line. Too, a bad snap left the Chelsea punter with no where to go but on top of the ball thereby handing the Panthers a two-point safety.

According to Bulldog Coach Gene LaFave, "In order to play a good game, a team must have two things. First, it must be consistent and secondly, it must have people capable of making big plays." The Bulldogs could not sustain the drive that surged through them at the game's onset. They could not come up with any devastating offensive plays and were unable to score. Jackson, on the other hand, could throw and make big plays and executed very well. Though their quarterback Scott Spangler was only 10 for 24, he hit them when

they counted to amass 192 yards through the air.

Leading ball carrier for the Bulldogs was John Preston with 70 yards. Two team members were named "players of the game," regardless of team's trouncing by Jackson. Junior Gary Van Meer, a tight end, and senior Scott Chapman, an offensive tackle were the team's pick. The reason for this choice was that "they both do a consistently good job and, playing side-by-side, the offensive line has improved dramatically."

The varsity Bulldogs will take on the mighty newcomers in Tecumseh on Friday. Coach LaFave commented on Tecumseh, "The team has awesome speed, they can throw and run and have been difficult to score on. In fact, they've shut out both Hillsdale and Milan and they have not allowed any long runs of consequence."

Tecumseh, playing their first year in the SEC, is 2-0 on the season.

## Community Ed. Programs Scheduled

Several new programs are available this fall through the Community Education office. Highlights of the Adult Enrichment program include stained glass, Christmas workshops, a framing class and much more.

In addition to these new course selections, the Community Education Department is also offering some favorite classes such as car care for women and photography, both black and white and color classes.

If you have any questions, contact the Community Education office from 9 a.m. until 8 p.m. at 475-9830.

## Girl Cagers Win First Two Games

Chelsea High school female cagers opened their season with two consecutive victories. Last Tuesday, Sept. 9, the girls romped to a 45-37 victory over Stockbridge and followed that victory with another on Thursday, when they met Michigan Center. The final score in Thursday's game was 48-42.

In the game against Stockbridge, the Bulldogs stayed ahead the entire time, except for a single two-point slip at the beginning. "It was a fairly close contest," commented Coach Jim Winter.

Leading scorers were Jennifer Ringe with 21 points, Amy Unterbrink with 11 points, Mary Boylan with five points, and Mary Jo Eisele, Lorrie Vandegriff, Sue Branham, and Patty Rawson, each with two points.

Senior Jennifer Ringe led the rebounding with 14 and blocked six shots, while Mary Boylan made nine rebounds.

According to Coach Winter, "Jenny was the big difference, she ran the offense very well and was very effective in her rebounding efforts."

Thursday's game was a little different. The Bulldogs had a slow start in the first quarter and had problems scoring. They remained behind throughout the first half, but just kept trying. The half-time score was 21-20,

Michigan Center with the advantage.

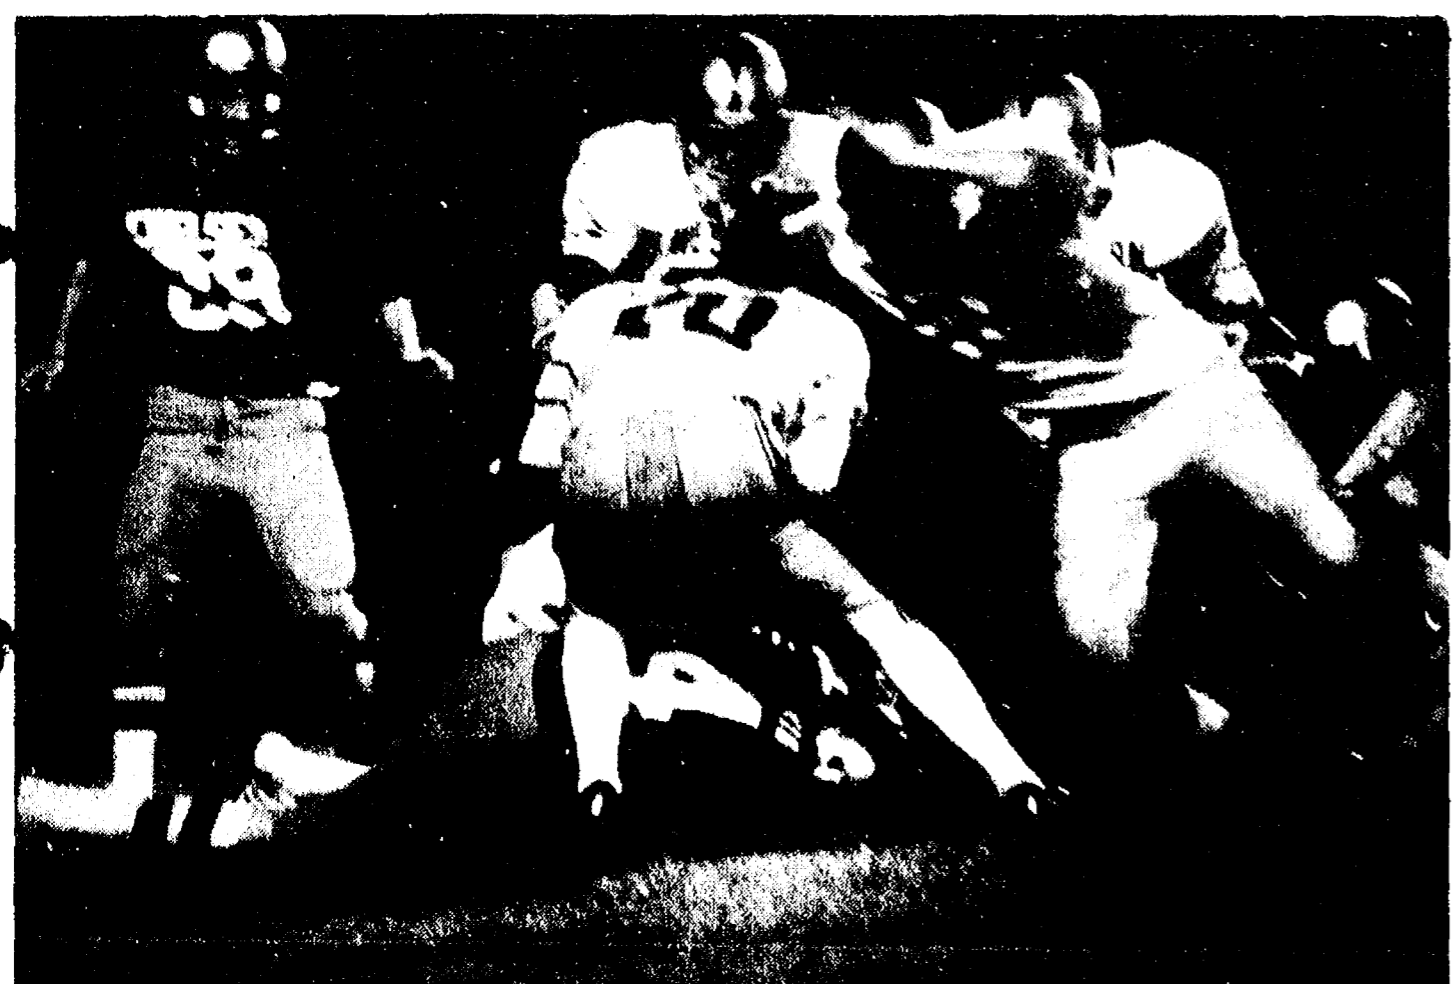

At half-time, Coach Winter and the team made a few offensive and defensive adjustments and came back to outscore their opponents, 16-5, in the third quarter. Mary Jo Eisele was responsible for eight of the 16 total points in that quarter.

The female cagers held on to their lead by approximately 10 points, that is, until the last minute. Nonetheless, the Bulldogs slid past Michigan Center to bring their season record to 2-0.

Top scorers in the bout were Amy Unterbrink, 16; Jennifer Ringe, 12; Mary Jo Eisele, 10; Mary Boylan and Lorrie Vandegriff, 4 each; and, Patty Rawson, 2. Rebounders included Unterbrink with 9 and 6 steals; Vandegriff with 9; and, Boylan with 8 and 4 steals.

Coach Winter confessed that "rebounding kept us out of trouble" during the final minutes of the game. Too, he commented that, "The team showed good balance and a lot of maturity by not losing their heads when we were behind... they looked experienced."

In discussing the small size of his 1980 girls basketball team which is made up of only nine members, Coach Winter explained (Continued on page two)

BULLDOGS DEFENSE STIFLED: Friday night's football game between the Bulldogs and Jackson County Western was typified by this

photo which shows tight end Mike Barels being crushed by the Panther defense.

RON NEMETH has been named as the Chelsea School District's new Director of Athletics and Director of Physical Education. Previously holding such positions, Nemeth has a

strong background in the field and will be in charge of the 17-sport program of the High school and Beach Middle school. He formally joined the staff Monday.

#### Tax Increase Package Introduced in Legislature

Admitting legislative approval of a proposed tax hike plan may result in greater support for the Tisch tax cut amendment, House Taxation Chairman George Montgomery has introduced a \$972 million tax increase package to partially offset revenue loss should the amendment be approved by the voters.

Although under constitutional tax limitations which prohibits the imposition of no more than \$700 million in additional taxes this year, Montgomery said he offered the larger package to give lawmakers some options on what taxes to impose.

However, legislative observers do not feel the Montgomery plan will have much support in the legislature, especially in the House where the membership faces election this year.

Montgomery, meanwhile, will retire after this current session and does not have to worry about his political future by authorizing such a tax hike plan.

The executive office will also oppose the package and Governor William Milliken already directed state department heads to prepare a plan to implement the Tisch tax cut should it be adopted.

The Montgomery plan calls for an increase on most current taxes and proposes new taxes on

radio and television advertising, cigars and pipe tobacco.

Montgomery wants the new taxes in effect by Oct. 1 and then expire on Nov. 4 if the \$2 billion Tisch tax cut measure is not approved by the voters.

He called his proposal one of revenue insurance "which would be absolutely needed if Tisch is adopted and desirable in any case for the Oct. 1-Nov. 4 period to supplement sagging 1980-81 revenues.

Meanwhile, the proposed taxes may be a moot question as the courts are struggling with the validity of the petitions of the Tisch amendment.

Ingham County Circuit Court Judge James Giddings ruled the petitions invalid on the grounds they failed to fulfill a requirement that the petitions include all portions of the constitution to be altered, abrogated or amended.

Concurrent appeals have been filed in the Court of Appeals and the Supreme Court.

Even with the passage of the proposed new taxes, Montgomery said he fears state government may not survive in recognizable form.

He said even though passage of \$700 million in new taxes may anger voters and cause them to support Tisch, taxpayers should know how they will fare if Tisch is adopted.

Points of the Montgomery package include:

Raising the income tax by one percent, gaining \$600 million in revenue; raising the single business tax by three percent, producing \$220 million; raising the per barrel beer tax, producing \$22 million in new revenue; raising the cigarette tax to 17 cents per pack and imposing a tax of 8.5 mills on each cigar and on each 1/10 of an ounce of pipe tobacco, to produce \$70 million in revenue and imposing a new tax of 60 cents on each minute of radio advertising and \$1.80 per minute for television advertising, producing \$17.5 million.

The plan also calls for reducing the state payout for lottery prizes to 40 percent from 45 percent, thus saving the state \$20 million annually.

### Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Our courts can't be in a big mess as Bug Hookum thinks. He says there's no hope for a system that orders unemployment payments in prison for a killer that's judged to crazy to hold down a job. I say there's somepun to be said for a court that can tell a ham from a turkey. And a U. S. District Court that will make that ruling in spite of a U. S. Department of Agriculture opinion to the contrary can't be all bad.

Back in 1975, the USDA said a poultry outfit could market somepun called a turkey ham. The pig people protested till they final got a decision the other day out of a District Court in Richmond, Va. The judge wrote a 14-page opinion that said you'd come as near making a silk purse out of a sow's ear as you would making pork out of poultry. He told the turkey ham company they'd have to call what they make by some other name. The piece said they are appealing the ruling, so this thing could go all the way to the top. I can't say I'd be surprised if the Supreme Court finds cause to add another exhibit to Bug's case.

I mentioned this item to the fellers at the country store Saturday night, and it was Clem Webster that allowed ham is hog and turkey is bird and the twain will never meet, but all the courts show is that there's more than one way of looking at any situation. Per instant, Clem said, he heard a lefthanded feller point out that the right side of the brain controls the left side of the body, and the left side of the brain runs the right side. This means, the lefty said, that folks like him are the only ones in their right minds.

Practical speaking, said Bug, he was agreed with Clem, but in the case of the crazy killer he couldn't see but one side. Bug recalled recent when one of the Congressmen looking into Billy Carter's flimflam said Billy's lack of cooperation was taxing his patience. Bug said he could

ed, "We don't have quantity but we obviously have quality."

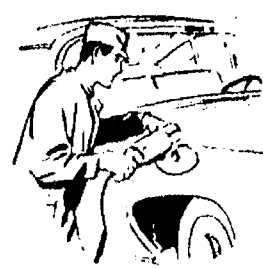

The Bulldog's first league game was Tuesday at Jackson County West, and their first home league is today, when the girls meet Tecumseh.

Actual, Bug went on, we got to take the good with the bad. He had saw where monkeys were tested for effect of alcohol. The boozers had cleaner pipes cause the alcohol works on the col-esterol that clogs em. But the teetotlers in the test had better livers. This means you can drink to your heart's content and lose your liver, or you can save your liver til your heart attacks you. Give that choice, Bug said he'll stay dry at least til they learn to transplant livers.

Personal, Mister Editor, it looks like we git it in the end no matter what. I see where breathing smoke somebody else smoked is about as bad as smoking, and living around a drunk ain't much better.

Yours truly,  
Uncle Lew.

## Carol Garrison, Craig J. Sprague Exchange Vows in South Carolina

Carol Gaye Garrison became the bride of Craig Joel Sprague Saturday, Sept. 6 in Anderson, S. C.

The bride is the daughter of State Senator and Mrs. Thomas Edmond Garrison of Anderson. Mr. Sprague is the son of Mr. and Mrs. James F. Sprague of Chelsea.

Senator Garrison gave his oldest daughter in marriage in a candlelight ceremony in a small rural Baptist church founded by the bride's great-grandfather almost a century ago.

At an altar decorated simply with the fronds of emerald ferns and white candles set in white candleabra the couple were united in a double ring ceremony.

Officiating at the ceremony was the Rev. Dean Woods, pastor of Welcome Baptist church on Clemson Blvd., Anderson, where the service was held.

Miss Anita Lee Garrison was her sister's maid of honor. She wore a starfire blue floor-length dress designed with an oval neckline banded in heavy lace of the same color, a blouse bodice and flared skirt. The loose sleeves fell to the elbows. She carried a cascading bouquet of white chrysanthemums and white stephanotis.

Bridesmaids were dressed similarly to the honor attendant and carried similar bouquets.

Attendants were Miss Jane Martin, Anderson, and Miss Jane Cox, Belton, S. C., cousins of the bride; Miss Verna Gardner, Clemson; Miss Rosemary Welborn, Pendleton; and Miss Laura Derrick and Miss Alexandria Stathakis both of Anderson.

Miss Caroline Hollingsworth of Dublin, Ga., was the junior bridesmaid.

The seven-year-old twin sisters of the bride, Elizabeth Reid and Catherine Anne Garrison, served as flower girls. They wore white dotted swiss dresses styled with short puffed sleeves with lace inserts. The bodice had vertical rows of blue lace and pearl buttons. The full gathered skirts were worn over hoops and tied in the back with wide sashes. They carried blue baskets filled with white chrysanthemums.

Todd F. Sprague of Evanston, Ill., served as his brother's best man. Ushers for the ceremony were Richard Todd Sprague of Chelsea and Jeffrey Warren Sprague of Bellingham, Wash., brothers of the bridegroom; Thomas Edmond Garrison III and James Bartlett Garrison of Anderson, brothers of the bride; Randy David Guenther, Chelsea; and David Alber and Todd Orbring, both of Ann Arbor.

The men in the wedding party were attired in black formal evening clothes with white ties.

The bride's wedding dress was that worn by her mother, the former Juanita Bartlett, when she and Sen. Garrison were married at the First Baptist church of Cochran, Ga., in 1955. The dress bodice was lace over satin with a low, lace edged neckline and long lace sleeves that ended in a point at the wrist. The fitted waist flared into a full gathered skirt of white tulle net accented with lace, sequins and pearl appliques over a satin underskirt that terminated in a cathedral train.

The bridal veil was designed with a short blusher which the bride wore over her face during the ceremony. The back of the veil flowed the length of the gown's train and the edges were appliqued with lace matching that of the dress.

She carried a cascading bouquet of white chrysanthemums, and stephanotis and silk lilies of

the valley. She also carried a monogrammed linen handkerchief, a gift of a paternal cousin, Mrs. Maude Ballentine Barton of Anderson.

As the guests arrived they were given programs for the service by Miss Andrea Garrison, daughter of Mr. and Mrs. Thomas Reid Garrison, Jr., and Miss Carmen Shirley, daughter of Mr. and Mrs. Roy Shirley, young friends of the bride. They wore matching long dresses of pale blue dotted swiss and miniature wristlet corsages similar to the bride's bouquet.

Immediately after the seating of the parents of the bridal pair, Mrs. David Kennel, sister of the bridegroom from Ypsilanti, presented a flute solo "Madrigal" by Gaubert with a piano accompaniment by Mrs. B. Frank Garrison. Mrs. Dean Woods sang "The Greatest of These," by Dungan, accompanied by Mrs. Garrison at the piano.

As the bridal party entered the sanctuary Drew Sprague, brother of the bridegroom, played a trumpet solo "Trumpet Voluntary," by Purcell, as a professional accompaniment by Mrs. Charles Crenshaw, organist. Mrs. Woods sang "The Lord's Prayer" by Gounad as a benediction.

Mrs. Garrison, the bride's mother, wore a floor-length formal gown of yellow chiffon styled with long sheer sleeves with wide sequined cuffs and a sequined band at the waist. The neckline was a deep V and the full skirt was gathered.

The bridegroom's mother, Mrs. Sprague, chose a lavender crepe full length gown with a mandarin collar and long sleeves. Both the bodice and skirt were pleated.

The maternal grandmother, Mrs. J. C. Bartlett of Fort Valley, Ga., wore a formal gown of deep pink chiffon.

A garden reception was held at Denver Downs, home of the bride's parents on Clemson Blvd.

The wedding party received guests in front of an 80-year-old magnolia tree planted by the bride's great uncle in 1900.

Music for the party was provided by a string quartet. Musicians were Dr. Joseph Beard, first violin; Kay Gilbert, second violin; Charles Hind, viola; and Nancy Clark, cello.

The barbecue buffet was served from white draped tables under a yellow and white striped tent. Punch and champagne tables were set about the lawn.

The all-white, five-tiered bride's cake was decorated with chrysanthemums and the top layer, a white fruit cake, was topped with a ceramic bride and groom figure. The groom's cake was a three layer octagonally shaped chocolate pound cake and was decorated with marzipan fruit.

For her traveling clothes Mrs. Sprague chose a short sleeved suit in off-white with brown accessories. She wore a chrysanthemum corsage.

The bride is a summa cum laude graduate of Clemson University and will receive her Master's degree in December in civil engineering also from Clemson. The bridegroom is a magna cum laude engineering graduate of Clemson and is presently employed with Duke Power Co. of Charlotte in the civil engineering projects division. Mrs. Sprague, a transportation engineer, plans to work in the Charlotte area.

After a wedding trip to New Orleans, La. the couple will be at home in Charlotte after Sept. 16.

## Eric Sarbach Wins Part in Theatre Play

ERIC SARBACH

The Ann Arbor Civic Theatre is presenting a play entitled "Sand Castles," written by the author of "Zoo Keeper" and "Ye Bloody Rebels," Carol Duffy. This new play, by the Ann Arbor Public school teacher, centers around the growth and change of a married woman and their effects on her family. In dramatic fashion, sprinkled with humor, Duffy's play explores the validity of an older woman-younger man relationship.

"Sand Castles," under the direction of Christopher Flynn, noted for his quality performances in many of last year's Civic Theatre productions and his fine direction outside Ann Arbor, is the lead-off for AACT's 1980-81 season.

Local talent makes this play even more noteworthy. Eric Sarbach, 11, of Chelsea, is cast as a neighboring youth who befriends the couple in the midst of their break-up. Feeling little attachment to his natural father in the play, Sarbach involves himself with the man in particular. They fish, talk, and do just about everything a real father and son would do.

Eric, the son of Douglas and Rita Sarbach, 3050 McKinley Rd., has wanted to act since the time he was four years old. But, when his family moved to Chelsea from Arlington, Va., in 1975, he was even more dead set on his aspiration. For the past three years, Eric has been acting and studying with the Ann Arbor Young People's Theater. This summer, he appeared in the group's production of "Little Ki and the Serpent," at Pioneer High school.

A sixth-grader at Beach Middle school, Eric was one of four boys auditioning for the part in "Sand Castles." He appears in two of the play's three acts. In acquiring the part, Eric also acquired many long hours of rehearsals. But, according to this mother, Rita, "He's dedicated to his acting and really doesn't mind the long rehearsals."

But what about school work and school oriented activities? "Eric is devoted to his studies at school in the same way that he's devoted to his acting. As far as sports go, he'd rather watch than participate except, of course, when he plays soccer with his brother, Douglas, 14," Mrs. Sarbach explained.

Eric plans to become an actor on both Broadway and in the movies. With a start at such an early age, it looks like he has a very good chance.

"Sand Castles" debuted last week-end and will resume tomorrow at 8 p.m. Saturday and Sunday will be the final two nights for the play. Curtain time for Saturday's performance is 8 p.m. while Sunday's show will begin at 7

## Hospital Child Care Center Starts New School Year

With summer nearing its end and a new school year beginning, the Chelsea Community Hospital Child Care Center has a variety of activities planned for its students. A number of these activities center around the students' garden and will include the sampling of raw and cooked produce such as zucchini, tomatoes, popcorn and sunflower seeds.

The first week of September found the children learning about animals. With their teacher, they discussed what sorts of food animals eat and what kind of homes they live in. They also learned about animals' fragile body parts and how to handle and treat them without causing injury. The children made animal puppets, collages of animal pictures and learned songs.

Their next unit of study was colors. The children were asked to wear clothing displaying the color of the day. They painted, sang songs, and found different colors throughout the school.

This week, the small students will be learning about shapes. They will be taught about the differences in shapes, such as the

number of sides or corners each has. They will learn to recognize different shapes in their environment and will make these shapes with their bodies, fingers, crayons and scissors.

The following two weeks of September will concentrate on the topic, "Me, Myself and I." This segment of their studies will help the children become more keenly aware of their own unique characteristics. They will familiarize themselves with similarities and differences between people and will discuss emotions they experience such as happy, sad, and angry. Through stories, art projects, creative movement and songs, the children will learn more about their bodies and themselves.

Chelsea came back later in the second quarter, when Kevin Richardson scored on a five-yard run. The pass attempt for the extra points was completed but short of the end zone. The score at half-time was 14-12.

With the onset of the third quarter, the Panthers kicked a 20-yard field goal, which turned out to be the deciding factor of the game. They took the lead, 17-12. The Bulldogs came back with Russell Harris scoring on a 24-yard run. Chelsea passed for two extra points to put them in the lead, 20-17.

Late in the fourth quarter, with only three minutes to go, Chelsea fell victim to a bad snap on a punt. The Panthers tackled the Chelsea gridders and with 29 seconds left on the clock, they scored on a one-yard quarterback sneak. The final score was 23-20.

## Auto Demolished Sunday by Conrail Freight Train

In the early morning Sunday, Sept. 7, a full-sized 1980 Mercury, left unoccupied by driver Gerald Pollard, 31007 Cooley, Westland, was struck by a 68-car Conrail freight train.

The accident occurred when the car, heading eastbound on Cavanaugh Lake Rd., attempted to negotiate the curve at the corner of Cleveland St. at a high rate of speed. Pollard lost control of his vehicle, slid onto the railroad tracks, and lodged the automobile there.

Fifteen minutes passed and the driver and three passengers did not attempt to contact anyone in order to let their predicament be known. At 5:08 a.m., a westbound Conrail freight train struck the Mercury, totally demolishing it. There were no injuries.

## Sexual Revolution Must Bear Responsibility

We hear a lot these days about the sexual revolution—about the “freedom to do one’s own thing.” I’m sure we all admire freedom, but we know, too, that freedom in the adult sense bears with it a sense of responsibility for ourselves and for others.

When our VD staff reports that infectious syphilis increased from 257 reported cases in 1978 to 418 reported cases in 1979—and that 36,625 Michigan people were reported to have gonorrhea last year—what can you think?

Almost every youth knows that these diseases are transmitted sexually from one person to another, and that they can be treated and cured in the early stages.

When some people read these shocking statistics, they blame lack of parental control. In many cases that isn’t a valid criticism, because many victims of venereal disease are young adults, who no longer live at home. Besides, some cases occur among older adults.

There are so many age groups—regardless of education, income, and ethnic background—who are involved in this problem that there seems to be only one solution at the moment. That is to let people know that they can get help from their

local health departments or personal physicians, and that all VD medical visits are confidential. The law states that confidentiality extends to minor children, and that even their parents need not know of such a visit.

Remember, venereal disease can be cured, if it’s detected and treated in the early stages.

Sometimes a revolution is victorious, but in the case of the sexual revolution too many people are being conquered by disease that could have been avoided.

## 17 CHS Grads Listed ACT Semi-Finalists

Based on their outstanding scores on the American College Test (ACT) taken earlier this year, a number of local students have become eligible for the Michigan Competitive Scholarship Program. They have been awarded scholarships or tuition grants to assist them in their first year of college.

Competitive scholarships are limited to high school graduates who achieve a semi-finalist score on the ACT. All semifinalists receive a Certificate of Recognition for academic achievement, but only those who demonstrate financial need are eligible for monetary award consideration. Monetary awards are limited to full-time undergraduates attending an eligible Michigan college.

Tuition grants are limited to students attending a private non-profit Michigan college or university. They are available to both undergraduate and graduate students enrolled at least part-time. These awards, too, are based on financial need.

Financial need is based on two factors: the cost of college attendance and available financial resources. Competitive Scholarships and Tuition Grants are provided to help meet the demonstrated financial need of

## Letters to the Editor

To the Editor:

"For better, for worse; in sickness and health; until death do us part." Vows taken before God and man on the 22nd of August, in St. Mary's Catholic church of Chelsea. Fr. Phillip Dupuis, officiated the Holy Mass, and Sr. Helen Hankerd, was organist.

Rebecca Roam, and Joseph Hoover, former resident of Hamtramck, became "man and wife." The bride in traditional white gown, and Joe in tux, were a beautiful couple. Radiant with happiness. Giving complete commitment of their lives to one another. So it's just another wedding . . . not so.

Mr. and Mrs. Hoover, begin their lives where most marriages end, in the middle of difficulty. Joe Hoover is one of the men at Cassidy Lake. He and Becky fell in love before his coming to Cassidy.

This marriage did not just happen. It took weeks of spiritual and legal preparations. The spiritual growth began in March, and in April Bishop Sullivan of the Lansing Diocese, confirmed Joe. This was followed by six months of prayer and study to prepare himself. The legal preparation began about the same time. Then, and only then, did this marriage, under the Holy Sacrament, become a reality.

Becky and Joe had the approval, even though they were of legal age, of their parents for this union. At a small reception after the ceremony both families attended to show their sharing, and their support. Mr. Mann, treatment director of Cassidy Lake, escorted Joe to the church, as a sign of his belief in the total development of the person who shows genuine growth. Mr. Weinberg, superintendent, also gave his approval. Together with Fr. Dupuis, these two officials gave hope, and direction to Joe and Becky, who as husband and wife will find soon their place in the outside world.

This marriage is the first for both Cassidy Lake and St. Mary's Parish, where a resident came out to the "outside world" to marry. We all, wish Joe and Becky every blessing and happiness as they walk through life together. We believe in your love for one another, and we believe in you. Christians are for all seasons.

Mrs. Millie Warner,  
Acting Catholic Chaplain.

FAIR PARADE MARSHALS: Mr. and Mrs. Paul Bollinger represented the Village of Chelsea this year by serving as the 1980 Chelsea Fair Parade marshals. The choice of the Bollingers was an easy one. For more than 15 years, Bollinger has been instrumental in the operation of the tractor pulling event, specifically in the antique tractor pull which he supervises. The honor was bestowed upon the Bollingers by the Chelsea Fire Department. Bollinger, prior to his retirement had been a fireman for close to 25 years.

## Today's Investor

By Thomas E. O'Hara  
Chairman, Board of Trustees  
National Association of  
Investment Clubs and Editor,  
Better Investing Magazine

The revenues of the company are five times greater than they were in 1972. Earnings per share are also five times greater. You can't find many companies that have done much better.

At this point McDonald's stock is not tremendously over-priced as it was when you bought it. It is selling for about the average price of the Dow Industrials.

The company seems likely to continue to grow. At its present size, its rate of growth is not likely to be as great as when you bought it. But the company's earnings per share are moving ahead and the public is beginning to pay a higher price-earnings ratio for stocks. My guess is that you will have a good profit in a year or two.

Mr. O'Hara welcomes your questions, but will answer them only through this column. Readers who send in questions on a general investment subject or on a corporation with broad investor interest and whose questions are used, will receive a complimentary year's subscription to the investment magazine, Better Investing. We would be pleased to send a complimentary copy of Better Investing magazine or information about investment Clubs to any reader requesting it. Send 50 cents for postage and write to: Today's Investor, P. O. Box 220, Royal Oak 48068.

Q. I bought stock in McDonald's, the hamburger chain back in 1972 and since then the stock hasn't come close to the \$72 a share I paid for it. No matter how many hamburgers I eat, the price for the stock still doesn't move up. Do you see any chance that the stock will again sell for what I paid for it?

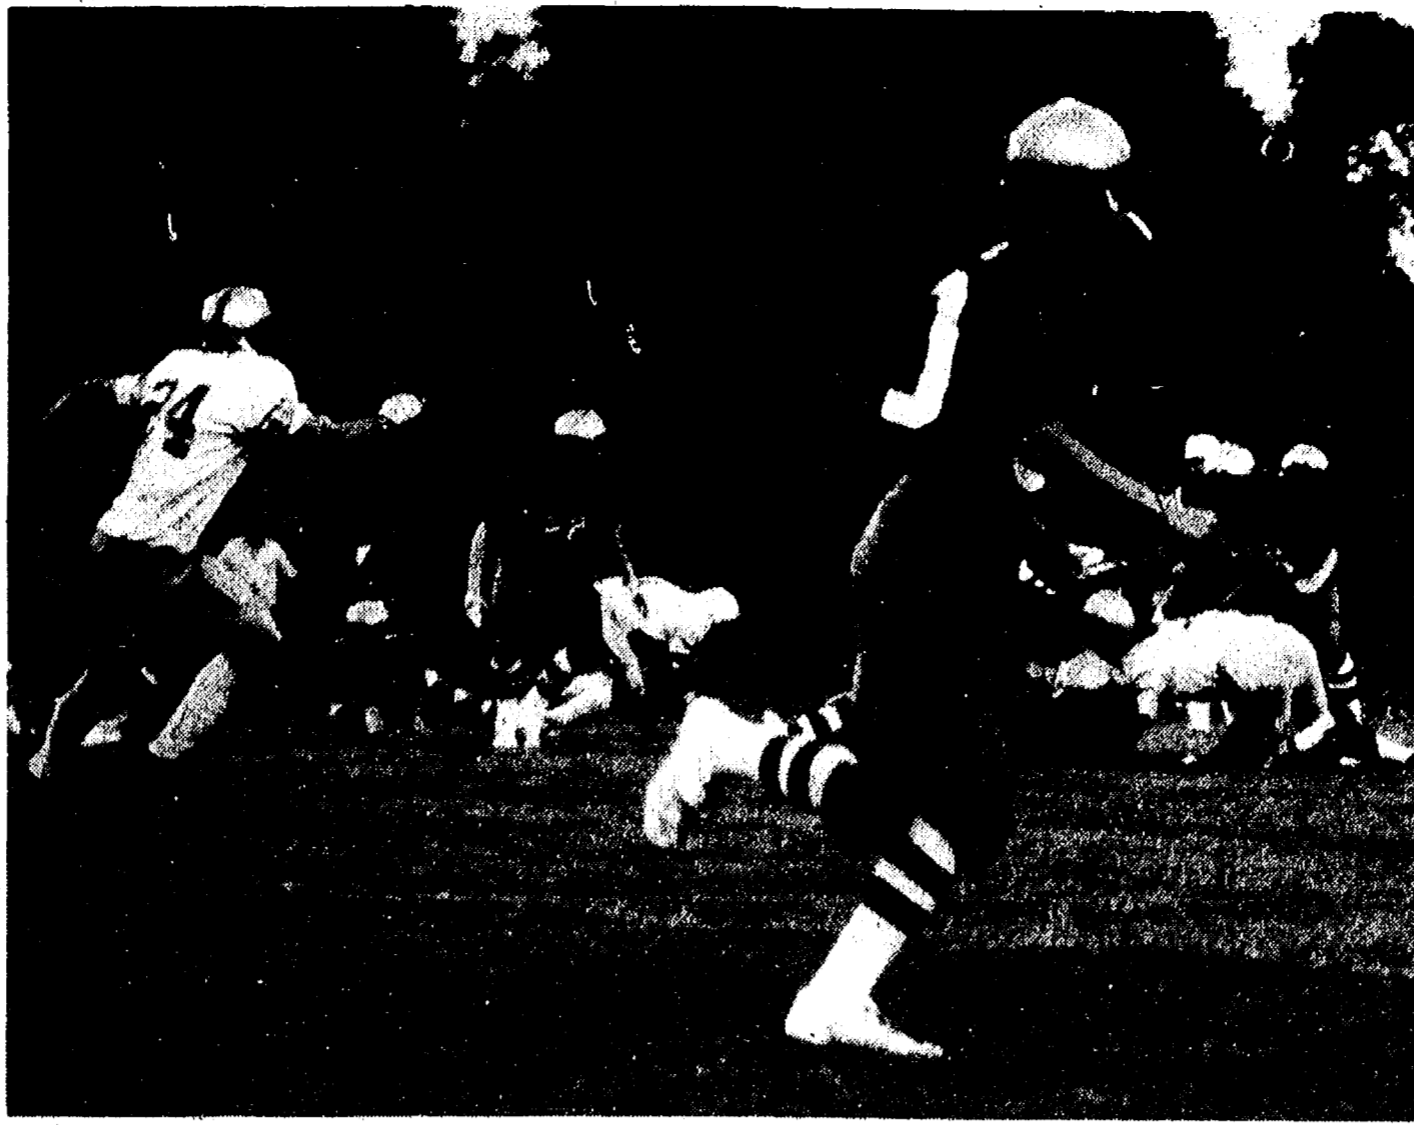

A. There are two things for the investor to consider from your experience. But first let me say that I do think there is a good chance that McDonald's will again sell for the price you paid for it.

You must have been high on hamburgers when you paid \$72 for a share in 1972. The year before the company had earned 68 cents. That means you paid 106 times what it was earning. There is an old saying that you can buy the best company in the world, but if you pay too much for it you can spend the rest of your life waiting for it to grow up in value to the price you paid.

At the time you paid 106 times earnings for McDonald's the 30 stocks in the Dow Jones Industrials were selling about 16 times earnings. This means you paid six times as much for a dollar of earnings as the public was paying at that time for the averages. Ever since the public has been reducing the price-earnings ratio that it will pay for McDonald's.

Last year it paid a low of 8 times earnings and a high of 11 times. That's a long way from your 106.

In the meantime, in spite of the way the company has been treated by the stockmarket, it has been doing very well.

QUARTERBACK WOJICKI sends this ball flying and the designated receiver keeps his eye on the ball from inside the 10-yard line. The action occurred Friday evening in a losing battle against Jackson County Western.

## Girls Tennis Team Loses First Meet

The girls tennis team traveled to Brighton last Thursday and did exceptionally well for their first meet. Chelsea won three matches but came up short by one point which was needed for a win.

In singles, Terry Shonk won her match handily against Maura McLaughlin, 6-2, 6-2. Carolyn Chandler went three sets with Kelly Flynn, losing the first set, 2-6, but coming on to win the next two, 6-2, 6-2.

Shari Weber, a senior playing her first match, played very well but lost to Kelly Flynn, 4-6, 3-6. Pearl Phillips, in her first match went down to Dawn Mudge, 1-6, 1-6.

In doubles, Ann Eisele and Amy Ziegler won over Fleanor and Karolak in a three-setter. The scores were 6-3, 4-6, and 6-0. Joan Shonk and Nancy Weir lost to Searns and Jazanowski, 6-1, 6-0. Margaret Merkel and Marie Sullivan lost to Parrish and Leat, 6-1, 6-2.

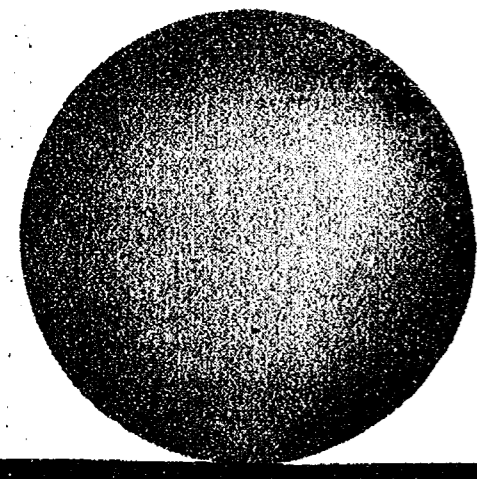

"This was a good effort for a very inexperienced team," explained coach Terry Schreiner.

The girls were to meet Pinckney Tuesday, Novi on Wednesday, and will be heading to Saline today for their fourth scheduled meet.

The University of Michigan will begin a series of free educational testing services open to the community at large. The test administering is a mandatory part of training for graduate students in the field of school psychology, and if taken outside the university, would be quite costly.

The examinations will be given to anyone between pre-school and college age and will be administered under the direction of a supervisor. The tests aim to measure intellectual abilities, individual strengths and weaknesses and most specifically, the potential to learn in different areas. A number of weeks after the completion of the two-hour examination, a conference will be held between the parents, supervisor and examiner to discuss the test findings and their implications.

These tests will be given on Tuesday and Thursday mornings between the hours of 8 a.m. and 12 p.m. throughout the school year. The following is a schedule of testing times and age requirements:

From September through November, ages 6 through 16 will be tested; November will test 4-, 5-, and 6-year-olds; January and February will be set aside for 2-through 8-year-olds; February and March will test persons 16 and older; and, March and April will be the months for the testing of pre-schoolers.

Further information may be obtained by contacting Donald Burch, co-ordinator of the Learning Evaluation Clinic at the University of Michigan and calling 763-0450.

Director of the free educational testing program is Dr. Calvin Dyer.

On Friday, Sept. 12, the Chelsea Kinder Klub presented the group with a \$25 donation during the monthly birthday party celebration. Other donations have been presented to the Senior Citizen Program during the past year. Contributors include

Chelsea VFW, Mr. and Mrs. Walter Harper, Mr. and Mrs. Carl Lentz and Mrs. Shirley Bauer.

Donations of personal labor have also been significant.

Numerous community citizens as well as numerous senior citizens volunteers have donated countless hours and small financial contributions to the program.

The Chelsea Senior Citizen Program

was built on the support received from the community as well as the tremendous commitment made by the individual senior citizens and the sponsors of the program.

## Pledge Cards Available for Cancer Society Super-Thon

Hope abounds in Washtenaw county as local residents gear up to their first Super-Thon for the American Cancer Society. Presented by the Chelsea Jaycees and Auxiliary, it is scheduled for Sunday, Sept. 28 at the Chrysler Proving Grounds, a goal of \$30,000 in mind.

Actually a fifth-year event, only a bike-a-thon has been held in years past. But with the hopes of increased participation and funds raised, running courses have been added to the program.

The Super-Thon involves a 30-mile bike route or the choice of a 5- or a 10-mile running course. It is open to all bicyclists and runners, but those under 18 must have parental consent. Participants must obtain minimum total pledges of \$10 to enter, while those under the age of 12 have a minimum total of \$5 as their goal. Registration begins at 11 a.m. that Sunday at the Proving Grounds and ends at 3 p.m. Starting time is 12 noon to 5 p.m. with runners beginning at 12 noon and riders at 12:30 p.m. The Super-Thon is not a race. Participants have until 5 p.m. to complete the course. Lunches may be brought along or purchased at the event. Rain or shine, the Super-Thon will be held.

The Chrysler Proving Grounds,

located two miles south of Chelsea on M-52, is an ideal place to hold the Super-Thon. It features miles of scenic paved country roads and rolling hills. And unlike other area events, participants won't have to contend with motorists. The only motor vehicles allowed on the courses will be the "Sag Wagon," which will be used to assist weary participants, and a tour bus for those who are not participating but want to view the course.

The absence of motor vehicles makes the event completely safe for any age. Over the past years entrants have ranged in age from under 2 years old to senior citizens. Also, participants will receive constant supervision from Chrysler employees who man the check points along the routes. Parents can relax and let the children join in, making the day a family affair.

Top money raisers will receive prizes ranging from a 10-speed bike to a pair of running shoes to a \$10 gift certificate, all donated from area businesses. Every participant who turns in his or her money on or before Monday, Oct. 15 will qualify for the Grand Prize drawing. The Grand Prize is a Schwinn or Raleigh bike purchased from the monetary gifts of local merchants. All participants

will receive a Super-Thon 1980 Patch.

Proceeds from the Super-Thon will go for the benefit of the Washtenaw county Unit of the American Cancer Society. Many people are living proof that cancer can be beat but constant and continued support is imperative to on-going research. This county project has been very successful in raising funds for cancer research. Last year it yielded 260 participants and \$13,000.

Pledge cards are available at Merkel's Home Furnishings on Main St., Chelsea. For more information call 475-1968.

### Pick-Up Truck Stolen from Dealer

A 1978 Ford F-100 pick-up truck was stolen from Palmer Ford's used car lot on Old Manchester Rd. and M-52. There are no suspects and the whereabouts of the vehicle is unknown.

## WAACs May Receive VA Benefits

Thousands of women who were members of the World War II Women's Army Auxiliary Corps will be eligible for certain Veteran's Administration benefits as a result of recent Department of Defense recognition of their WWII military service.

VA chief Max Cleland said the potential eligibility includes medical treatment, home loan guarantees, pension and payment of some burial expenses. The change in status was granted to former WAACs who chose not to enter the newly-created Women's Army Corps when it was established as part of the Army in 1943.

About 75 percent of the WAAC force went into the new military unit and therefore have had veteran status since leaving military service.

The Defense Department action confers the same status on the 25 percent of the WAACs who remained civilians when the Women's Army Corps was founded.

Cleland said regulations covering applications for former WAACs for VA benefits are now being written and will be forwarded to VA field offices as soon as possible.

He said former WAACs wishing to establish their eligibility for VA benefits must first apply to the Army for an honorable discharge. Application must be made to Department of the Army, US Army Reserve Component and Reserve Center, Attention: AGUZ-PSA-P, 4700 Page Blvd., St. Louis, MO 63132.

Following receipt of a discharge, women should contact a benefits counselor at the nearest VA regional office. Regional offices are located in each state and toll-free numbers are available to each office. They may be found in the U.S. Government listings in telephone directories.

Cleland said the VA cannot pay benefits to the former WAACs for periods prior to Nov. 23, 1977, the date of legislation that paved the way for their veteran status.

This precludes payment for such World War II programs as the GI Bill education benefits, which have expired for other veterans of that period.

New WAAC veterans join approximately 900 former Women Army Service Pilots who received veteran status last year under the same legislation.

## OVERESTIMATING FLAWS

There isn't a REALTOR who has not seen prospects instantly turned off toward purchasing a home by a peeling paint on the outside; a lawn overgrown with weeds or littered with debris; a dirty kitchen, worn carpeting or shabby wallpaper.

On occasion, overestimating these flaws can be a mistake. Don't automatically let surface shortcomings cause you to reject the house. You may be passing up an excellent purchase. If the location is good and other properties in the neighborhood are valued at a higher amount, it may be worth your taking a longer look. Many of the

clean-up, fix-up and paint-up jobs can be done at little cost. In an older house, apparently serious defects may not be so serious after all. Often they can be corrected for a few hundred dollars. Of course, check on the cost of repairs before you buy. Armed with fix-up costs you may be able to negotiate an excellent buy.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

**The Bible - The Light from Heaven**  
Instructs about the financial system of the Church. As in all other affairs of the church we use the Bible as our only guide. In I Corinthians 16:1, 2 commands, "Now concerning the collection for the saints, as I have given order to the churches of Galatia, even so do ye. Upon the first day of the week let every one of you lay by him in store, as God hath prospered him, that there be no gatherings when I come." This passage gives God's plan for the financing of the work of the church. First of all you will notice that a specific day is set aside for the collection. It is only logical that Sunday be the day for giving since Christians are taught to meet together on that day for partaking of the Lord's Supper as well as other acts of worship (Acts 20:7). It is done as a part of our worship just as it was practiced in the New Testament church. From I Corinthians 16 it is also plain that the amount given by each individual is to be determined by what he has been prospered during the previous week. No percentage of income is set in the New Testament. It is to be simply a proportionate amount of that which God has blessed each one with. The giver must decide the amount. God has placed him on his honor. He is to be a cheerful giver. (2 Corinthians 9:7). This plan is given by God and cannot be improved on. Each first day of the week members of the churches of Christ give according to this Bible plan. We do not support the work of the church by having rummage sale, raffles, bingo games, etc. The command is: "Let every one of you lay by him in store upon the first day of the week." This is the Lord's way for financing his work.

# Gridders of the Week

**GARY VAN MEER**, a junior defensive end, has played football since 7th grade when he lived in Jackson. Two years ago, when Gary was in 9th grade, he played freshman football and a year later, junior varsity football. Until this year, he played quarterback but obviously his new position suits him well. Gary was named "player of the week" by Coach Gene LaFave after his performance in last Friday's game. His other interests include golf and baseball. Because golf and football seasons coincide, Gary is unable to take part. Nonetheless, he is a member of the Bulldog baseball team on which he plays third base.

**SENIOR SCOTT CHAPMAN**, a two-year veteran tackle, has played football in the Chelsea School District for six years. In the past he has played a defensive end position. After last Friday's game against Jackson County Western, he was named "player of the week" based on his consistently good offensive work. His outside interests include stamp collecting, hunting and fishing. He sets his goals toward college and is thinking along the lines of a general business degree, but has not yet selected the school. In the off-season, Scott is employed at Dayspring Gifts.

### First Union Label

The first labor union to use a union label was the Cigar Maker's International Union in San Francisco in 1874, which wanted to distinguish its cigars from those made by Chinese workers, according to "Labor Firsts in America," a U. S. Labor Department publication.

## Frosh Gridders Trample Western

On Tuesday, Sept. 9, the Chelsea Freshman Bulldogs literally ran their record to 2-0. According to Coach Ticknor, the Bulldog eleven rushed for an

amazing 330 yards. Added to the 50 yards in passing, the team was able to move the football on Western all evening. Fumbles were what kept Chelsea out of the end zone more often.

Pacing the offensive attack was halfback Jay Marshall, who gained 250 yards on 31 carries. Ed Esch also added 40 yards. Marshall scored on touchdown runs of three yards, 31 yards and nine yards.

The offensive line opened up big holes all evening. The line consists of center Chris Gallas, guards Rick Boham, Mike Wynn, and Guy Gross, and tackles Dave Kiel and Dan Pennington.

The defense also played well in recording the shutout. They were led by Marshall with nine tackles, Marty Steinhauer with seven, Gallas and Dave Gipson with six, and Keith Kilby and Randy Sabo with five each.

The Freshman Bulldogs played Tecumseh at home Tuesday. They will play Milan on Sept. 23 at home and Dexter on Sept. 30 at Dexter, to fill September's schedule. Coach Ticknor and the team is extending an invitation to the public to come and see them play.

### Pinckney Area Youth Completes Air Force Powerline Course

Airman Keith D. Foote, son of Benice L. Bishop of 5833 Spears, Pinckney, has graduated from the U. S. Air Force electric powerline course at Sheppard Air Force Base, Tex.

Graduates of the course learned how to construct and maintain high voltage power line systems and earned credits toward an associate degree through the Community College of the Air Force.

Airman Foote will now serve at Sembach Air Base, West Germany.

His father, Kenneth D. Foote, resides on Route 1, Big Rapids.

### SEC ROUND-UP:

## New Member Tecumseh Shuts Out Milan, 35-0

**Tecumseh 35, Milan 0**  
Milan lost to Tecumseh Friday night in an embarrassing 35-0 decision. In the first quarter, Todd made a one-yard dash to get Tecumseh on the board. Nahabedian's kick was good, bringing their lead to 7-0. The second quarter saw no scoring. But by the third quarter, Tecumseh was fired up enough to score twice. Todd again, was responsible for the team's second touchdown, this time on a three-yard run. Nahabedian's extra point attempt was good and Tecumseh had a convincing lead, 14-0. The second touchdown of the quarter came on a 20-yard pass from Todd to Parros. The extra point made the score 21-0.

The fourth quarter was as good for Tecumseh as the third. Two more touchdowns and two more extra points were added to the scoreboard. The fourth quarter's initial score came on a 49-yard pass from Todd to Hans and the final score of the game came from Parros' 48-yard run into the Milan end zone.

### Lincoln 46, Dexter 8

Dexter's Dreadnaughts must have dreaded getting into their locker room both during and after last Friday's game against Ypsilanti-Lincoln. The Railsplitters smeared Dexter all over the field.

Lincoln ran for 257 yards on 15 carries, scored four touchdowns, kicked for three extra points and passed for another two-point conversion to defeat the Dreadnaughts to the tune of 46-8.

Derrick Tolliver, a senior this year, was directly responsible for 29 of his team's total points. The first scoring for him came on an 80-yard run. Dexter never quite recovered, though they did manage to end the pending shutout in the fourth quarter when quarterback Tony McCoy passed 40 yards to Jim Haggerty. Then, McCoy passed for two points to give the Dreadnaughts a total of 8 points.

Scoring for the Railsplitters were Tolliver in the first quarter with an 80-yard run and a 45-yard run. In addition, Tolliver passed for a two-point conversion. The second quarter saw Seidl complete a 40-yard pass to Zawadzki, with Tolliver kicking for the extra point. Tolliver then made a five-yard run though the conversion attempt failed. Fullback Gan Yee made a 56-yard run in fourth quarter and Dan Johnson ran 43 yards to score. The final point tallied in Friday's game came from a successful kick attempt by Tolliver.

### Saline 17, Novi 7

The Saline Hornets did it again; this time they beat Novi 17-7. Slipping and sliding all over the field, Coach Crabtree's forces gained their second non-league victory to give them a season record of 2-0 thus far.

In the first quarter, Saline raced to a quick 14-0 lead. The first touchdown came on a two-yard plunge by senior Fernando Lauchu. Jim Phelps added the extra point. Touchdown number two came at the end of the initial quarter, with Michael McFerrin grabbing a loose ball and trotting into the Wildcat end zone. Junior Brad Koch kicked the extra point, giving the Hornets a commanding 14-0 lead.

Novi scored with less than a minute left in the first half, on a 29-yard drive capped by Mike Rentner's one-yard carry through the middle. The extra point was good and at half-time, the Saline lead was cut to only seven points.

The third quarter and much of the fourth quarter showed minimal scoring, but with less than five minutes left in the fourth quarter, Jim Phelps kicked a 25-yard field goal to give Saline a 17-7 advantage.

During the first quarter, Phelps left the field because of a knee injury and did not return un-

### Hospice Agency Names A. Ballen Executive Director

The Board of Directors of Hospice of Washtenaw announces the appointment of Anne-Marie Ballen as executive director of the agency.

Hospice of Washtenaw is a private, non-profit agency which will provide home services to the terminally ill and their families. Services will be provided by teams consisting of nurses, social workers, other professionals and volunteers.

Presently the agency is in a developmental state. Efforts are being made to obtain adequate funding. Meetings are being held with existing community resources to co-ordinate activities that address the needs of the terminally ill and their families. Ballen states, "It is hoped that Hospice of Washtenaw can begin delivery of services on at least a small scale in November. Services will be expanded gradually after that. Training sessions for professionals and volunteers are being developed."

Ballen emphasized the community involvement that has enabled Hospice of Washtenaw to progress this far. The Board of Directors has members from community and professional groups. They are dedicated and have given generously of their time to establish the Hospice. Further support from the community is being sought as "only by involvement of the community can Hospice really serve the community."

Ballen has previously worked for the State and County governments. She has worked as a consumer member of the Comprehensive Health Planning Council of Southeastern Michigan.

Hospice of Washtenaw has recently established an office at 2530 S. Main, Ann Arbor 48104. The phone number is 995-1995.

### Oh Unhappy Bliss

Real estate broker Henry Bliss had the misfortune of becoming America's first known automobile fatality on Sept. 13, 1899. Bliss had just stepped off a street car in New York City when he was struck by a car driven by Arthur Smith. Smith was jailed and eventually fined \$1,000. Attempts to improve the hazardous conditions on the roads may be seen by strolling through the Transportation Collection of Henry Ford Museum, Dearborn.

NOT ALL WAS LOST during Friday's game. Defensive end Gary Van Meer obviously found something worthy of a cheer and a leap in the air as the Bulldog offense finally got on the scoreboard.

## Chelsea Receiving AAA Pedestrian Safety Award

Chelsea was honored today by the Automobile Club of Michigan for being a high award winner in the American Automobile Association's annual Pedestrian Safety Inventory. The village has gone one year without a pedestrian fatality.

Police Chief Robert Aeillo, representing the village, was presented a Pedestrian Safety Citation plaque by Auto Club Ann Arbor manager Lyle Minnick during a Washtenaw County Safety and Traffic Committee meeting at Weber's Inn, 3050 Jackson Rd.

This is the 41st year AAA has evaluated accident records, safety legislation, programs and enforcement among cities of com-

parable size. Chelsea was one of 57 state communities to receive an award for its 1979 outstanding pedestrian safety record.

Chelsea received the identical honor in 1976 but forfeited its 1977 and 1978 citations because of a single pedestrian fatality each year.

Five other Michigan cities earned honors as well. Warren, Grosse Pointe Farms, Grosse Pointe Woods, Imlay City, and Middleville all received AAA's second highest safety award for their records.

A total of 2,921 cities and 26 states participated in the nationwide program and 326 received awards for their efforts at curbing pedestrian deaths.

## Lynn Harvey To Discuss State Election Issues

Washtenaw County residents will make some serious decisions during the November election and it will probably pay to learn as much about the issues as possible.

To help voters become acquainted with the state tax, prisons and drinking age proposals, a special meeting will be held Tuesday, Sept. 23, from 10 a.m. to 12 noon in Extension's Activities Room, located at the Washtenaw County Service Center, 4133 Washtenaw (entrance off Hogback Rd.)

The session is sponsored by the Co-operative Extension Service and features Lynn Harvey who is a public affairs specialist at Michigan State University.

"We are offering an objective review of each of the proposals, telling the intent of each proposal and as much as possible, explaining the consequences of each. This is strictly an educational meeting which will objectively analyze each issue," relates Helen Fairman, MSU Extension Home Economist for Washtenaw county.

Discussion will focus only on the state issues, not local issues. The topics include: Smith-Bullard School Financing Tax Shift (Proposal A); Drinking Age (Proposal B); Executive-Legislative Tax Shift (Proposal C); Tisch Tax Cut (Proposal D); and Prison Construction (Proposal E).

The first state to study occupational safety was Massachusetts, according to a publication of the U. S. Department of Labor, "Labor Firsts in America."

**SERVICE AWARD:** Recognizing 15 years of service with Dana Corp., foreman Art Steinauer, right, has been presented an award by Dana Area Manager Jim Brown.

**RETIREE:** Russ Mauer, center, retired last month after 22 years service with Dana Corp. Congratulating Russ on his retirement at a party honoring the event were Whitey Andrews, Dana Chelsea plant manager, left, and Chief Engineer Phil Weiss.

**JOBLESS LOANS** — Michigan has applied for an additional federal loan of \$302 million to pay unemployment benefits for the Fall. This brings such borrowing to a record \$842 million; we just paid off our 1974-75 debt of \$624 million last December.

**TAX INCREASE?** — The Attorney General has expressed his support for Proposal E, which would raise the income tax .1 percent to build and improve Michigan prisons. A recent voter poll shows 56 percent in favor of added taxes for this purpose.

**TRAVEL AGENTS** — The Senate has defeated for a second time and thus killed HB 4523, which would have required registration and regulation of travel agents. Opposition centered on license fee amounts and the basic question of added regulation.

**THE STATE BOARD OF CANVASSERS** has set the following language to appear on the November Ballot for the various proposals (Explanations will also be provided):

**PROPOSAL A** — A proposal to make local school boards responsible for school personnel and programs, to reduce local property tax maximums for operational purposes, to provide additional property tax relief for senior retirees, and require the state to raise revenues necessary for equal per-pupil funding of public schools. (This is the "Smith-Bullard" proposal.)

**PROPOSAL B** — A proposal to reduce the legal drinking age.

**PROPOSAL C** — A proposal to provide property tax relief; to reimburse local and state governments with additional sales tax; to mandate net state lottery revenue for schools; and to mandate state rainy day fund. (This is the "Coalition" proposal.)

**PROPOSAL E** — A proposal to construct four regional prison facilities, demolish the Michigan reformatory, effect other state and local correctional purposes, develop preventive programs and provide the funds therefor by increasing the state income tax by 1/10 of 1 percent for a 5-year period.

**PROPOSAL G** — A proposal to allow the legislature to pass laws relating to their constitutional exemption from civil arrest during legislative sessions.

**PROPOSAL H** — A proposal to restrict the authority of the Lieutenant Governor and set up a procedure to fill a vacancy in the office of Lieutenant governor.

## Girls JV Cagers Divide Two Games

Chelsea junior varsity girls basketball team split a pair of four-point games last week, losing their opener to Stockbridge, 31-27, and then defeating Michigan Center, 28-24.

Tuesday, Chelsea led, 8-6, in the first quarter but Stockbridge rallied to take a 19-11 half-time lead. They stretched their lead to 25-13 but Chelsea fought back to narrow the lead to 26-23. The rally fell short.

Leading scorers in the game were Tracy Borton with 11 points, Amy Hume with eight, Kim Boyd with five, Amy Poljan with two and Missi Lazarz with one.

Top rebounders were Borton and Lazarz with 13 and 10, respectively.

Thursday, Chelsea fell behind, 14-11, at half-time but then rallied to outscore Michigan Center, 10-5, to take a 21-19 third quarter lead.

By cutting down their turnovers and improving their field

goal percentage over the first game, the girls managed to give themselves an early season record of 1-1.

Scoring for the Bulldogs were Kim Boyd with nine points, Missi Lazarz with six, Amy Poljan with four, Amy Hume with three, and Tracy Borton, Carol Warren and Karla Peterson with two points each.

Borton and Lazarz led the team in rebounding with 10 for the former and 13 for the latter.

How to cope with the high cost of heating:  
**HANDLE WITH KERO-SUN!**  
If you're frustrated by the high cost of heating, a Kero-Sun portable kerosene heater gives you low cost heat for only pennies an hour. Heats with almost 100% efficiency for 30 hours on less than 2 gallons of clean-burning, safe kerosene. Every Kero-Sun is thoroughly safety-tested. Each has a battery-powered igniter, so you need no matches to light it and each has an automatic shut-off — in case of tip-over. There's no smoke, no odor, and you need no chimney installation. This may be the winter when a Kero-Sun portable heater is your only way to handle the high cost of heating.
