LAWRENCE T. SHANAHAN, left, leans upon the plaque designating his 133-acre farm a Centennial Farm. LeeAnn Shanahan holds son, Scott and kneels next to her husband, Tom Shanahan, grandson of Lawrence. The farm, located at 10821 Roepeke Rd., has been in the continuous possession of the Shanahan family since 1862.

Shanahan Home Designated Michigan Centennial Farm

Since 1862 the Shanahan family has owned a farm located at 10821 Roepeke Rd. Because of this rarity, the farm, now owned by Lawrence T. Shanahan has been designated as a Centennial Farm by the Department of Michigan History.

The farm was originally purchased by Lawrence Shanahan, grandfather of the present owner, from an Irish-born Mr. Kennedy, who had lived in New York prior

to his purchase of the historic site. When he owned the farm, Mr. Kennedy was both a farmer and a stonemason.

After his purchase of the farm site, Lawrence Shanahan married Anna MacDonald. The couple gave birth to eight children: James, Edward, George, Mary, Catherine, and three who died including Ellen, John and Henry.

James and Edward Shanahan bought the farm from their

parents jointly in 1890. James married Margaret Kelly and the couple had two sons, William Henry and Lawrence, the farm's present owner. Edward married Rose Howe; the two had five children, Margaret, Gladys, Ellen, Ignatius and Rose prior to the death of Mrs. Shanahan. Then Edward remarried his first wife's sister, Minnie Howe.

The present owner, Lawrence Shanahan married Sarah Agnes

O'Connor in 1923 and the couple acquired the farm. They gave birth to a single son, Robert, now deceased, who married Betty Riegger in 1955. The Robert Shanahans, too, had one son, Thomas, who is a joint owner of the original farm property, with his grandfather.

The farm initially comprised approximately 40 acres but eventually was enlarged to include 700 acres. Today, the acreage has been substantially reduced to include 133 acres, 95.22 owned by Lawrence Shanahan and 37.78 owned by grandson, Thomas.

From the time of its initial Shanahan purchase, the farm has been used to raise sheep and grow a variety of crops including wheat, corn, hay, straw and oats.

Original barns still stand and remain in use while an original portion of the house, built in 1860 and remodeled in 1923 and 1940, now serves as a garage.

While the Shanahans have been the sole owners of the farm for 118 years, the trend does not seem to have a clear end in sight. Thomas and Lee Ann (Bezzeg) Shanahan have a young son, Scott, a sixth generation Shanahan, who will own the farm someday.

Homecoming Game Friday Features Arch-Rival Dexter

Visiting at Milan last Friday, the Chelsea High school varsity Bulldogs were looking for their first victory of the year; so was the hosting Big Red squad. Well, the Big Reds got their first victory of the season while Chelsea continued to bury itself in a series of losses now four games deep.

Still Chelsea came on strong, just not strong enough in the long run as they lost, 42-28.

The first quarter found Robeson sneaking into the Milan end zone from the one-yard line to give the Bulldogs an early 6-0 lead. But, Milan came back with a 35-yard pass from Ludwig to Jackson to tie the game at 6-all. Robeson again made a one-yard dive across the goal line to give the Bulldogs a 12-6 advantage. Both teams failed in their conversion attempts.

The second quarter opened with Lantis receiving a 33-yard pass from Wojcicki. Murphy capped off that score with a two-point run. The Big Reds found themselves forced to continue their game of "catch-up" as Harrison made a six-yard run into Bulldog territory. The Milan conversion attempt failed and the half-time score was tied at 20-20.

No scoring resulted in the third quarter but the fourth quarter found Lantis again receiving a pass from Wojcicki to give the Bulldogs a 26-20 lead. That was the last of Chelsea's scoring while Milan outdid itself by adding 22 points to their total. The end result of the evening was another disappointment for the varsity Bulldogs.

Coach LaFave was encouraged by his team's offensive improvement, their ability to move the football. His squad totalled 295 yards, 235 via the air and 60 on the ground.

Bright spots in the game included the dramatic improvement displayed by quarterback Dave Wojcicki and the receiving by flanker Jeff Lantis.

Defensively, the team didn't play very well though they, too, have improved vastly. Speaking of the defensive performance Coach LaFave commented that his team "tends to have defensive lapses and people take advantage of them... we're just not consistent enough."

Chosen as this week's players of the week were safety Steve Wilson and tackle Scott Chapman, two players who were responsible for much of the squad's successful offensive performance.

The Chelsea High school Bulldogs have five more contests to bring them out of their current position in the cellar of the SEC. As for the battle against Dexter to cap the final Chelsea High Homecoming festivities, Coach LaFave seems confident. "Dexter has a few skilled players and the whole team has improved dramatically. They come out, show emotion and play dramatically."

With a little-luck, perhaps the Bulldogs will parallel the Drednaughts' intensity and end their Homecoming Week with a well-deserved victory.

High School Open House Scheduled

DALE SCHUMANN, 1980 president of the United Way campaign stands next to Honorary Chairman of the two-week fund-raising drive, Willard Johnson, Chelsea Community Hospital Administrator.

United Way Opens Drive for \$42,100

On Wednesday, Oct. 1, the annual United Way kick-off dinner was held in the dining room at Chelsea Community Hospital. In excess of 70 guests were in attendance at the affair, ready to begin their two-week campaign. This year's crew hopes to raise a total of \$42,100 to meet the needs of the Recreation Council, Chelsea Home Meals, Chelsea Social Service, CATS, Girl and Boy Scouts, Red Cross and all other important organizations within the community.

This year's financial goal was determined last May when the United Way budget committee considered the various agencies in need of funds. The 1980 monetary destination exceeds last year's total goal by \$700, though the group was able to only collect approximately \$38,000 in the 1979 campaign.

In recognition of his prominence as both citizen and leader, Willard Johnson was asked to serve as the 1980 honorary chairman of the Chelsea United Way campaign. At Wednesday's dinner, Chairman Johnson noted the enthusiasm and hard work of the board members and other volunteer workers.

Commenting on the gloomy economic situation plaguing the country, Chairman Johnson, taking the Village of Chelsea into account, said that this year, each and every one of us must "dig deep into our pockets and hearts to solve the many needs of the community. The people of Chelsea have always come through when times have been the most difficult," the chairman concluded.

This year's key board members include president Dale

Schuman, vice-president Tom Vallencourt, secretary Linda Montgomery and treasurer Tom Vandegriff. In addition, Don Peck holds the position of Commercial Chairman with the help of Chairman Will Johnson, the pair will be responsible for the solicitation of major industries within the Village.

In years past, door-to-door canvassing was used as a means of collecting donations but, the 1980 campaign will be conducted, for the most part, through the mail. Pledge cards, accompanied with letters of appeal from the organization will be delivered via the U.S. Postal Service to the homes of both rural and urban Chelseaites. Upon receipt, the United Way board is asking that any and all donations be mailed directly to them.

TODD SPRAGUE gets in on an important tackle while Mike Niebauer (68) and Eric Headrick (54) move in to give him any needed assistance.

HOMECOMING QUEEN CANDIDATES for 1980 include these four seniors. From left to right, the quartet is comprised of Michelle Clark, Chris Johnson, Pris Drew and Angie Ingalls. One of these four will be chosen Homecoming Queen at half-time Friday evening during the game with Dexter.

Governor, Legislative Leaders Looking at Revenue Increases
 Unable to balance the current year and the upcoming new fiscal year budgets, Governor William G. Milliken and legislative leaders have turned their attention to ways to raise new revenues.

With the current year budget \$150 million short and the new budget short by over \$500 million, areas are being targeted to increase state revenues by at least \$100 million per year.

The legislature, particularly the House, has hoped to delay action of the new budget for the fiscal year beginning Oct. 1, but word from New York City bonding houses indicated the state would be unable to borrow short-term funds without a new budget completed.

Legislative leaders began the final push to finalize a budget prior to the general election

recess. House members, all facing elections this year, would have preferred delaying the budget until after the election so a drastically pared down budget could not become a campaign issue.

Besides pursuing the revenue increases, decisions have been made to retain nearly intact the state's general assistance program.

The governor had proposed eliminating the general assistance program coupled with the creation of a \$90 million state-supported jobs program. Under the program, any employable person who refused to work would not qualify for benefits.

Milliken also backed off his proposed \$40 million aid package to distressed cities. He agreed to postpone the program, a top priority in the state-of-the-state message and original budget message, for one year.

Areas being looked at as possible producers of additional income include an increase in the state's cigarette tax, removing the income tax exemption on military pay, placing an income tax on capital gains and an expanded lottery.

Milliken said he would favor any combination of the proposals in order to tide the state through the current budget malaise.

Members of the Senate Democratic caucus gave their tentative approval to pursue legislation increasing the taxes to produce the necessary income. They, however, do not face reelection this year and would naturally be more willing to vote to increase taxes as they would not have to face voters for yet another two years.

The governor has tentatively agreed to retain the general assistance program along with increased sanctions for failing to accept work instead of simply ending the welfare while initiating a public works program.

As currently envisioned, \$31 million could be shaved from the general assistance program, down from the \$144 million first demanded by the governor and about \$94 million under a revised recommendation that included the jobs program.

The House has begun work on the Senate passed version of a \$4,771 million operating budget. It is expected the House will approve the spending level at much the same as the Senate and members of a joint Senate/House conference committee will be responsible for paring about \$250 million from that total.

The earliest authenticated strike of workers in the United States in a single trade occurred when Philadelphia printers gained a minimum wage of \$6 a week in 1786, according to "Important Events in American Labor History," a publication of the U.S. Department of Labor.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:
 Bug Hookum said it ain't no wonder to him why Charles Szychowiskia has quit talking. What's the poor devil going to say when somebody comes up and says "hi, my name is Joe Smith, what's yours?" Bug was of a mind that Charlie got fed up with everybody he met blinking and saying "huh." Bug came to the session at the country store Saturday with this clipping that told how Charlie S. has spent the last four years walking and hitchhiking around the country saying nothing. I borrowed the clipping to write down his name.

According to the piece, a reporter caught up with Charlie in Norfolk, Virginia and ask him why he won't speak. Charlie wrote on the reporter's pad that he decided to quit talking to improve himself in whatever way not talking would. He wrote that he's from California, Bug said, which would be anybody's first guess. He wrote that he can talk, but he's not going to till he git things straight in his mind. Bug said he ain't expecting Charlie to break silence any time soon.

The fellers jumped on Bug's little item like a politician on a stray voter. It was Clem Webster's opinion that Charlie already has got more straight than most. He figured out he could git attention not talking, where otherwise he would just be another bum. People beat around the country all the time, Clem said, but not many git wrote up in the papers fer saying nothing. Zeke Grub allowed he hopes that Charlie passes by our way, so he can show him to his old lady. Zeke said if she was to agree to take the silent treatment fer whatever ails her, Charlie's four year on the road would be well rewarded. Zeke said his old lady's idee is to talk as loud and as long as it takes to git everthing straight in her mind and everybody else's. Zeke said she was talking when she ought to of been listening to whoever said it's better to remain silent and be pegged a fool than to speak and remove all doubt.

Actual, Ed Doolittle said, he could see the advantages Charlie S. has in his travels. He can say nothing in Spanish and German and Greek just as good as he can in English, so he ought to do just fine wherever he goes. The biggest plus Ed saw is that politicians gitting into a panic as the election nears will see where not

ABWA Chapter Hosts Prospective New Members

The theme for the Chelsea Charter Chapter of American Business Women's Association was "Black and Gold Rush," as they met for the September meeting. Small pebbles gilded with gold paint, gold marigold centerpieces and gold napkins in black holders embossed with gold lettering, carried out the theme.

Micki Quackenbush was in charge of the Enrollment Event, when prospective new members are invited to attend. A delicious dinner was served by the St. Mary's Altar Society dinner committee in the St. Mary's School Hall. Seventeen members were present and guests included Lois Emmert, Betty Mull, Minnie Maier, Sue Westhoven, Nancy Herder, Martha Powers, Cindy Bear, Gay Dalton and Millie Evans.

During the business meeting, reports were given by Fair Booth Chairman Linda Ormsby and Treasurer Judy Moisan in regard to scholarship payments. Shirley Schneider, president, commended the members for their co-operation and thanked the scholarship recipients for their help during the Fair.

Shirley Porter, who is employed at Lyndon Photo Lab's Customer Relations department, was the vocational speaker. She pointed out that the Lab does work for photographers as well as professional and commercial photographers.

Judy Moisan, branch manager of Huron Valley Bank, Plymouth Rd. Branch, was the speaker. During her talk, she pointed out that 85 of 100 women will be alone some time in their lives and that they need to know about money management. According to Moisan, "It is important to know where the money is to be spent. Plan a budget, avoid overspending and seek expert advice if you are suddenly left to manage your finances alone." In addition, she pointed out many ways women feel more secure when they are left to manage their financial situations alone.

In continuing her discussion, Mrs. Moisan explained that having a good credit rating is very beneficial and that in the event of having to borrow money, it should be done wisely. "Women should not be afraid to consult a banker for financial assistance," she concluded.

The ABWA October meeting will be held on Tuesday, Oct. 28. The location of the meeting will be announced at a later date.

Letters to the Editor

To the Editor:

October, with all its natural beauty is, by far, our most mystifying month of the year.

It is no mystery, however, why the National Veterans of Foreign Wars organization has chosen October as VFW Month. It is also natural that the membership makes known the needs of all veterans who have participated in war and have sacrificed much to maintain a free United States.

The facts show that the Veterans Administration takes care of its veterans. More than one-third of all medical school physicians serve in VA hospitals across the country. Too, there are more than 200 widows and helpless children from Civil War veterans who are still receiving assistance.

The VA is beginning its 51st year of dedicated service to American veterans. The VFW remains as the largest veteran organization in the country with 550,000 members from the Vietnam conflict alone.

On the local level, Chelsea VFW post 4076 was founded in April, 1945. The Ladies Auxiliary to the post and the post itself are very active in meeting the needs of both the veteran and the community. Programs with which we are involved include Lite-a-Bike for Safety, Voice of Democracy, Drug Abuse programs, American Flags to Schools and sponsorship of scouting troops. Too, volunteers put in a great deal of time at VA hospitals. The largest project is the funding of the VFW National Home for Children in Eaton Rapids.

The Ladies Auxiliary will have a display board in Dancer's window to explain the programs. Qualifications to become a member may be acquired by calling the local home post number, 475-9624 or by contacting Commander Gary Erskine.

The motto of the VFW will always remain, "To Honor the Dead, By Serving the Living."
Mrs. Mac Packard.

Homecoming . . .

(Continued from page one) contributed a great deal during her years at the school and has been chosen as a reflection of student appreciation.

The parade route will begin on Park St. and head to Main St. From there, the procession will head east on Summit to Washington and continue on to the high school football field. At their destination, all float entries will be introduced prior to the Chelsea-Dexter football game.

HOMECOMING COURT for 1980 is made up of two girls from each class. From left to right, Jeannette Rouse and Laurie Heller,

Ann Arbor Symphony Offers Free Concert

Ann Arbor Symphony Orchestra will open its 52nd season of free concerts Wednesday, Oct. 8, at 8:30 p.m., in Power Center, with guest artists Angel Reyes, violinist, and Samuel Mayes, cellist, performing Brahms' Concerto in A minor for Violin, Cello and Orchestra. Edward Szabo will conduct.

The program includes the Overture to Coriolanus by Beethoven and Dvorak's Symphony No. 8 in G Major.

Both of the guest performers are especially well-known in the Ann Arbor area, Reyes having joined the University of Michigan music faculty in 1965 as professor and first violinist of the Stanley Quartet, and Mayes resigning from the Los Angeles Philharmonic in 1975 to become professor of music at the University of Michigan also. Both have international reputations as performers and teachers.

The concert is sponsored by the Women's Association of the Ann Arbor Symphony, with additional

support from the Ann Arbor Area Foundation, the Michigan Council for the Arts, the Music Performance Trust Funds of the American Federation of Musicians and Local 625 AF of M; and the generosity of local individuals, families and businesses. Percussion instruments are supplied by Concordia College.

Doors will open at 8 p.m. Admission is free and parents are urged to bring their children.

Absenteeism Calling System Working Well

The six-week trial basis student absenteeism calling system, which began on Sept. 22 at North and South Elementary schools has proven relatively effective. Nonetheless, parents are urged to notify their child's respective school by 9:30 a.m. in the event that he or she will be absent. The schools, in co-operation with the parent-teacher organizations and volunteer callers, will attempt to contact the parents of absent students who have not contacted the school district. The success of this program will be based on parental consideration and participation.

JUNIOR FLANKER JEFF LANTIS prepares to haul in a pass during Friday night's game against the Big Reds of Milan. Both teams came to Friday's contest in hopes of nailing down that first win of the year. The final score gave Milan that all-important victory.

JEFF LANTIS leaps and catches a pass thrown by quarterback Dave Wojcicki enroute to one of Chelsea's four touchdown completions. Lantis took credit for two of the Chelsea TD's; first, a 33-yard pass reception, and secondly, a 6-yard completed pass.

Patrick Powers Chosen To Direct Production

Patrick Powers, a Chelsea High school senior, has been chosen as student director for the 1980-81 Chelsea Drama Production.

He was chosen by W. C. Coelius, class instructor and producer of the show, after having submitted a resume along with other members of the class. Coelius' choice was based on both Powers' experience and knowledge of the theater.

Powers has been active in theater for eight years and has appeared in 10 musicals including "Fiddler on the Roof," "Mame," "Hello Dolly!" "Bye, Bye Birdie," "Carousel," "Brigadoon," "Sweet Charity," "Bells Are Ringing," and "The King and I." In addition, he has been lighting co-ordinator for "Oklahoma!" "Harvey," and last year's Stage and Drama production, "A Christmas Carol."

Pat Powers has attended three years of Summer Theater Workshop under the direction of Diane L'Roy, Michelle McClear and Jeff Daniels. Later, he directed the workshop.

This is his second year of Stage and Drama class; he took his first year in 1978, under the direction of Jon Andrews.

"The class is full of hands," Powers commented, "and should put on a very good production." Pat is very enthusiastic and is working hard for the class. He enjoys the people he is working with and finds it's a "very rewarding experience to work with Mr. Coelius."

Patrick Powers is the son of Mr. and Mrs. Robert Powers of Clear Lake and the second youngest of 10 children. His mother, Mary, teaches at Beach Middle school and has also appeared in many Chelsea productions.

Beach Girl Cagers Win Season Opener

The Beach Middle school girls basketball teams opened their seasons against Ypsilanti Lincoln on Wednesday, Sept. 24. The teams had been practicing for two and one-half weeks and will compete in a 10-game season this year, playing two games each against Lincoln, Saline, Dexter, Tecumseh and Milan.

The 7th graders sneaked past Lincoln in overtime by a score of 29-27. The Chelsea girls team took a 12-8 lead in the first quarter and retained a six-point advantage at the half.

Lincoln came back in the third quarter to gain a 26-25 lead. The teams tied it up in the fourth to force an overtime decision. Only one basket was scored in the three minutes of overtime and the two pointer was accredited to Chelsea's Jennifer Cattell, who had a total of nine points in the game.

In addition to Cattell, Kristi Headrick also tallied up nine points, Kris Mattoff scored seven, Jackie Boosey made two, and Amy Wolfgang and Kelly Fletcher each contributed one point.

This year's 7th grade team is composed of 15 cagers including Jackie Boosey, Jennifer Lattell, Laura Damm, Chris Defant, Michelle Easton, Kelly Fletcher, Melanie Gunn, Heather Grenier, Kristi Headrick, Karen Killelea,

Girls JV Cagers Win One of Four

The Chelsea JV girls basketball team defeated Dexter last Saturday with a final score of 21-14. The win came after the girls had played inconsistently in the three games prior to the Dexter contest and had come up with three initial losses.

Against Jackson County Western, the team fell victim to a scoreless first quarter and found itself trailing, 13-0. The girls were forced to play "catch-up," and wound up losing, 37-11.

Then, in their battle with Tecumseh, the Chelsea team led, 13-11, at half-time and trailed by only one point after the third quarter. Nonetheless, a poor showing in the fourth quarter resulted in a 30-19 deficit.

In the contest with Milan, the Chelsea JV girls team trailed, 25-12, in the third quarter but rallied for 11 consecutive points to narrow the score to 25-23. Inconsistency prevailed, Milan scored six points to broaden their lead to 31-29, and the Chelsea team eventually lost, 37-29.

Finally, against Dexter, Chelsea rallied after trailing, 9-5, at half-time. The team outscored Dexter by a margin of 12-2 in the third quarter to lead, 17-11. The fourth quarter clinched the win for Chelsea with a final score of 21-14.

Leading scorers for the four games were Tracy Borton with 36 points, Amy Hume with 15 and Karla Peterson with nine. Top rebounders included Missi Lazarz, Tracy Borton and Amy Poljan.

The JV girls basketball team's record now stands at 2-4.

Samuel Gompers, president of the AFL, died on Dec. 13, 1924, according to a U.S. Department of Labor publication, "Important Events in Labor History."

Your Health Options

By Beverly Chethik

Director of Health Education, Washtenaw County Health Dept.

Last year my daughter got head lice. Is there any way to prevent this from happening again this year?

Many school children contracted head lice last year—and many parents and teachers did too.

Head lice or pediculosis is highly contagious; one member of a family or classroom gets lice, and the disease spreads quickly to another child or adult.

During the past few years there has been a nation-wide increase in the number of cases of head lice. The head lice themselves are often hard to see, but nits—small, whitish, tear-shaped eggs—may be seen easily with the naked eye.

Prevention isn't always possible, but since lice are normally transmitted via close contact with an infected person—not by flying lice—it may help if you urge your child to use only her own hat, scarf, comb and brush. Unfortunately, once the lice get a foothold in the cloakroom at school, they may move easily from one child's hat to another's scarf. The result: another case of head lice.

You may suggest to your child's teacher and the school nurse that you want to know if lice become a problem in school this year. If you keep an eye open for the first signs of the disease—usually intense itching, sometimes bite marks, possibly a skin irritation from repeated scratching—you may begin treatment quickly.

Any quick treatment will prevent the "ping pong effect"—children and adults passing the lice back and forth to each other throughout the year.

If you suspect your child has head lice, thoroughly launder all infested clothing, towels, combs, brushes and linens with hot water. Dry cleaning and hot ironing will help too. Check with your physician about a safe shampoo that will rid your child of head lice. Keep an eye open for other members of the family with pediculosis symptoms, and treat them quickly too.

Contract Awarded For Hospital Addition

Chelsea Community Hospital has announced the awarding of contracts to Unit "T" Builders and Argersinger-Morse, both of Ann Arbor, for the construction of a 5,000 square foot substance abuse facility.

The contract with Unit "T" Builders, who will be the general contractor for the project, totals \$202,000. The contract with Argersinger-Morse for foundation work totals \$43,000.

The architect responsible for the facility's design is Stephen Janick of the Ann Arbor-based firm, Design Concepts.

Girls Tennis Team Loses To Richard

The Chelsea-Northwest tennis match was rained out Monday, Sept. 22. Nonetheless, the team managed to play about half of the scheduled match prior to the downpour; the remainder will be completed at a later date.

The Chelsea team went against Gabriel Richard on Thursday, but was only able to capture a single point, a product of the number one doubles team of Eisele and Ziegler. The duo is now four for six in doubles play.

Due to the loss of a senior player, each singles player was forced to move up a place. Carolyn Chandler, now playing the number one spot, lost to Ruby Olegario 1-6, 0-6. Shari Weber, playing number two, went down to Cheryl LoBuglio 1-6, 0-6 while Joan Shonk lost to Ellen Barron 0-6, 0-6 and Pearl Phillips was upset by Jean Chmielwski by a score of 0-6, 1-6.

The doubles team of Eisele and Ziegler won handily over McKeown and Butler 6-1, 6-3. Sullivan and Weir went down to Mafee and Mafee 0-6, 0-6 and Schulze and Merkel dropped their match to Frueher and Roddy 6-4, 6-1.

The Chelsea girls tennis team travels to Pinckney today.

The new building is a sub-acute or Phase II facility which will house substance abuse patients immediately following their detoxification in the Hospital's acute facilities. The facility will add a new dimension to the substance abuse program at Chelsea Community Hospital. The emphasis of the Phase II program will be to prepare the substance abuse patient to return to society and learn how to cope with stress while living free of alcohol or drugs.

Completion of the unit is expected to be March 15, 1981.

SWIMMERS OF THE WEEK, as determined by Chelsea Girls Swimming Coach Daye Johnson, are sophomore Kristen Thomas (left)

and senior tri-captain Sara Borders. The girls have performed consistently well during the team's meets this year.

Girls Cross Country Team Wins Meet

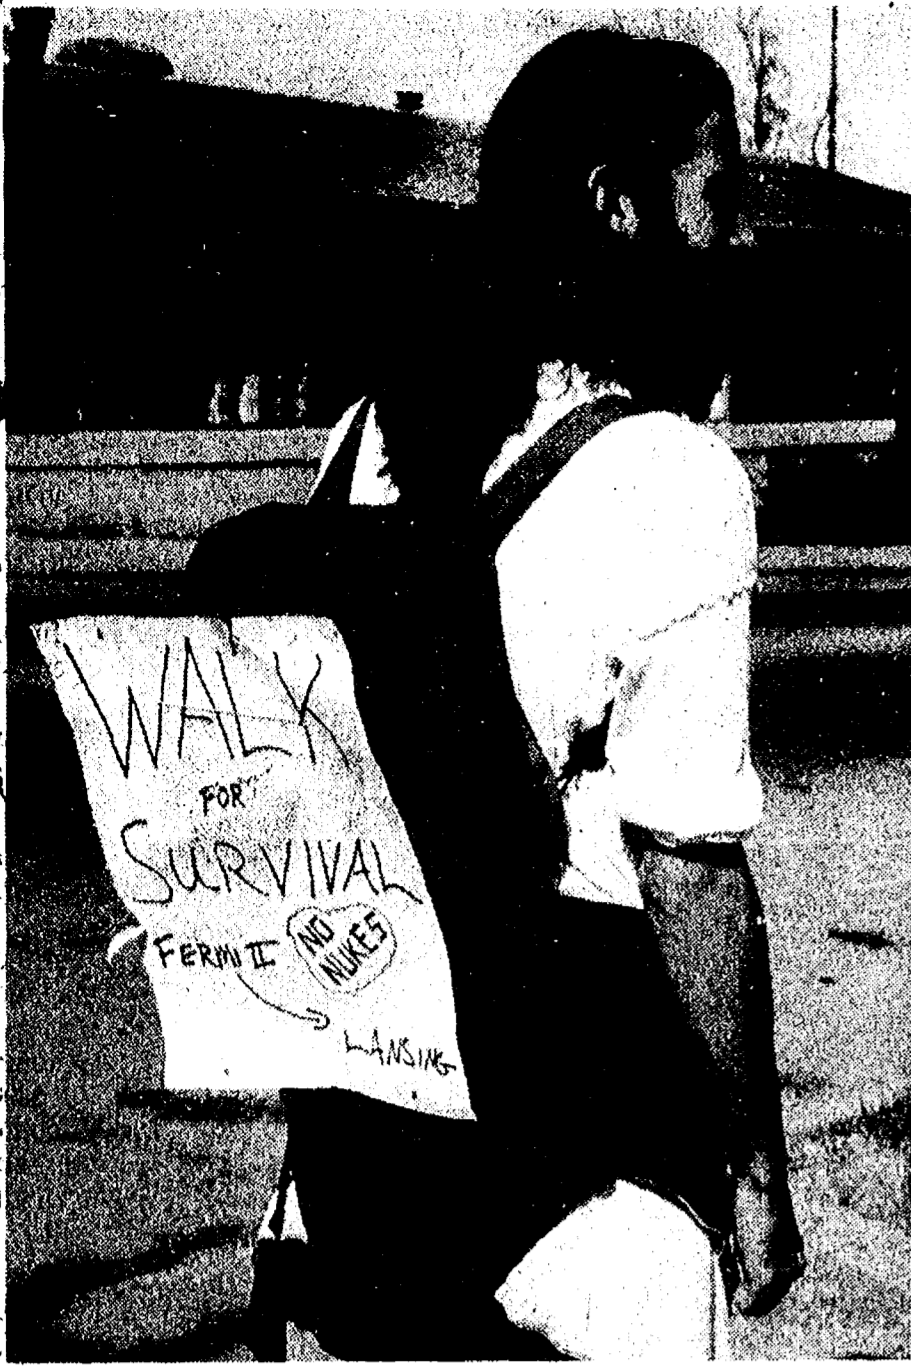

The Chelsea girls cross country team continued its rapid improvement, leading to a 28-30 win over Monroe St. Mary's. In the same meet, the girls continued to look good even in losing to an undefeated Milan team, 22-37.

"It was encouraging to the girls to win," said Coach Pat Clarke. "If they continue to work hard, maybe we can win again."

In the St. Mary's win, the lady harriers were led by Nancy Hastings who crossed the 5,000 meter course in first place at 21:30. Other Bulldog placers were Sandra Frame, second at 21:58; Lisa Vandegrift, third with an outstanding time of 22:25; Sue Young, 10th at 26:01. Sandy Young, 12th at 26:29; Maggy Sweet, 13th at 27:52; and Tracy Bohlender, 14th at 28:34.

The lady harriers, now 1-3 overall and 0-3 in the league, will be a home today to host the undefeated Dexter team. The meet will get underway at 4:30 p.m. Then, on Saturday, Oct. 4, the lady Bulldogs will travel to the Manchester Invitational for a meet beginning at 9:30 a.m.

On July 1, 1979, Claude Spiegelberg died. He had been a volunteer fireman with the Chelsea Fire Department from 1913 until the year of his death, spending 66 devoted years with the organization.

Then at Mr. Spiegelberg's funeral, family, friends, and fellow firemen donated memorial contributions to the Chelsea Fire Department in his name. A total of \$687 was collected to be used in any way the department saw fit.

The most appropriate distribution of funds, according to the Fire Department, would be to construct a memorial in Mr. Spiegelberg's name and place it in front of the Fire Station. That is exactly what has been done; a masonry base upon which a bell has been mounted stands to the left of the station. The bell is significant in that when a fireman dies it will toll in his memory. A plaque has been placed in the center of the brick base and reads: "A tribute to all Chelsea Firemen—past, present and future—in memory of Claude Spiegelberg, member Chelsea Fire Department 1913-1979."

This memorial was built last summer by the firemen and is to be dedicated at a 9 a.m. breakfast on Sunday, Oct. 6. Approximately 60 people are expected to attend the post-breakfast ceremony including the firemen, their families, guests and Claude Spiegelberg's two sisters, one from Ann Arbor and one from Marine City.

In addition to this memorial, another gift has been given in Mr. Spiegelberg's name. This time, the Chelsea Fire Department has provided a \$50 contribution to the Michigan State Fireman's Memorial Fund in his name while matching funds with the Spiegelberg donation and offering an additional \$50 in the local department's name.

The presentation of these two checks, totalling \$100, was made to the Fireman's Association near Roscommon by Chelsea Fire Chief Jim Gaken. The event took place over the week-end of Sept. 20 and monies donated will eventually produce three phases of state memorials: a flag, a 12-ft. statue of a fireman holding a lantern in one hand and a small child in the other, and a fireman's prayer plaque. These tributes, like Spiegelberg's memorial, will serve to commemorate all past, present and future firemen.

RETIRING AFTER 40 YEARS of employment, Dean Hepburn was presented with a Bulova watch and a plaque of appreciation by Vincent Dorer, General Manager of Federal Screw Works, left, in a ceremony Friday, Sept. 26. Hepburn was also presented with a Holy Bible by UAW Local 437 treasurer Norm Farley while Chester Keezer, Hepburn's superior in the Quality Control Dept. looks on.

Girl Cagers Lose To Milan, Dexter

Thursday, Sept. 25 was a very special day for the Chelsea girls basketball team. Initially tied for first place in the conference, Chelsea and Milan battled it out to find Chelsea coming out in first place with a final score of 45-44.

At half-time, Chelsea was ahead, 24-17, scoring their goal of 12 points per quarter. Then, as the third quarter got underway, Chelsea managed to score eight of the first 10 points scored by either team.

But, Milan began to rally, to chip away at the Chelsea team. Third quarter action ended with Milan having posted 18 points and leading marginally by a score of 35-32.

Chelsea came back in the

fourth to tie the score at 35-all. Free throws were the guiding force for Chelsea; Jennifer Ringe made two with 12 seconds left in the ball game.

But, the excitement was not over; the contest had not yet been decided. Milan came back to score with only three seconds remaining. Still, Chelsea managed to clinch first place in the Southeastern Conference, at least until their contest with Dexter on Saturday evening.

Scoring for the lady Bulldogs were Jennifer Ringe with 12 points followed by Amy Unterbrink and Lorrie Vandegrift with 10 each; Mary Boylan and Patty Rawson with five each and Mary Jo Eisele with three points. The three top rebounders in the game were Amy Unterbrink with 14, Mary Boylan with 10, and Patty Rawson with eight.

By Saturday, the lady Bulldogs had tasted the conference lead for two brief days. In a game against rival Dexter, the Chelsea team buckled and lost the game and their title by a final score of 45-43. Nonetheless, they did put up a good fight, but not soon enough.

Chelsea only managed to rack up six points in the first quarter, half their attempted goal. By half-time, the Chelsea team was

behind, 25-17 and giving a poor showing.

Third quarter action resumed with Chelsea again blundering and adding only six points to their unimpressive total. Dexter widened its lead to 35-23.

According to Coach Jim Winter, "It became a matter of pride in the fourth quarter. They finally stopped thinking and started to play basketball." It was true. The lady cagers from Chelsea scored 20 points in the final quarter while Dexter could only add 10 points.

Key players responsible for the Chelsea turn-around were Jennifer Ringe and Amy Unterbrink who netted eight points each. Still, 20 points could not help Chelsea lost to Dexter, 45-43.

Coach Winter explained, "Offensively we did not play well, defensively, we played well enough to win. We shot only 26 percent in comparison to Dexter's 46 percent shooting ability."

Per usual, Chelsea rebounded very well and there were few turnovers. Leading scorers in the game were Jennifer Ringe with 13 points, Amy Unterbrink with 12, Mary Boylan with eight, Lorrie Vandegrift and Patty Rawson with four each, and Mary Jo Eisele with two points.

This disappointing loss drops the lady cagers' record to 3-1 in the league, tied for second place with Dexter. Today, the team ventures to the territory of first place Saline. "If we can beat Saline, it'll be a dog race during the last half of the season," concluded Coach Winter.

Spaulding Adoption Agency Relocation During Remodeling

Spaulding for Children, a non-profit organization which locates adoptive parents for children who are not well served by other adoption agencies, will be moving from its present location at the Spaulding Farm on Waltrous Rd. to 119 S. Main St., the former location of the Chelsea Restaurant.

The move will take place on Sunday, Oct. 6, with assistance from the Chelsea Lions Club.

The change of location was made necessary by a grant from the Kresge Foundation which will renovate the Spaulding Farm. After the remodeling is complete, the organization plans to move back to the farm. Tentative move-in date is set for some time within four to six months.

SENIOR TACKLE JEFF STEGER has been involved in Chelsea football off and on since 9th grade. He has continuously played the same offensive position. Though he enjoys participating in other sports including basketball and hockey, Steger only plays football on an organized team. Jeff also enjoys motorcycling. He is employed by Schumm's Restaurant. Upon graduation, Jeff plans to attend college but is unsure as to where or what course of study he will pursue. When asked about the current Bulldog team, Jeff commented, "We are getting better all the time and I'm confident we will beat Dexter Friday night."

SENIOR TACKLE SANDY McLAUGHLIN has played football since 7th grade. Until this year he played defense but the 1980 season has found him in the offensive line-up. When he's not on the football field, McLaughlin is swimming or water skiing or working at his family's ceramic shop. Sandy also does a good deal of yard work for his neighbors. In January, Sandy will be attending CHS for three hours per day; he will need only one credit to graduate in June. He will attend Washtenaw Community College in the afternoons, where he will follow a computerized tool and die program.

Christmas Workshop Classes Start Saturday

This year, the Community Education Department is having its first Christmas workshop series. These workshops are one-time classes in which the participant will learn by doing and some of them offer more group participation than others. The basic premise of the programs is to make one's holiday season more joyous.

On Oct. 4, the workshops will get underway with Christmas Workshop, sponsored by Cross Roads in Saline. The course will include demonstrations and pat-

workshops, there will be a series of Holiday Cooking Workshops beginning with a chocolate workshop. A local resident, Sherry Sundling, will be teaching a three-part workshop to enhance one's holiday entertaining. Her courses will include artful appetizers, how to have an elegant buffet and holiday sweet treats and may be taken individually or together. All classes will enjoy an appropriate beverage while watching the demonstrations. Then, after the food has been prepared, garnished and decoratively displayed, the students will have a chance to sample the finished product.

JV Gridders Slip Past Milan, 18-14

The Chelsea JV Bulldogs added a victory to their season record last week. The contest with Milan resulted in an 18-14 win for the Chelsea gridders, giving them a record of 1-3 over-all and 1-2 in the league.

The first quarter found Villemure completing a 15-yard pass to Seitz to give the Bulldogs a 6-0 lead. But, Milan countered the Chelsea effort by dashing into the Chelsea end zone on a 13-yard pass.

Second quarter action resulted in Richardson returning the Milan kick-off 97 yards before being downed. He followed that run with a five-yard trot into Milan territory. Again, Milan wouldn't allow Chelsea to retain their comfortable 12-6 lead. A 10-yard Big Red run tied the score and a successful two-point conversion gave Milan a 14-12 edge at the half.

The teams came back to play hard in the third quarter which resulted in no scoring opportunities for either squad.

In the final quarter, Harris sneaked into the Big Red end zone from the three-yard line to

add six more points to the Chelsea side of the score board, the final points of the evening for either team.

Offensively, Chelsea gained 276 total yards while Milan compiled 228. For the Bulldogs, Rowe contributed 108 yards, Harris 52, Richardson 44, and McCallum caught three passes, adding 54 yards through the air.

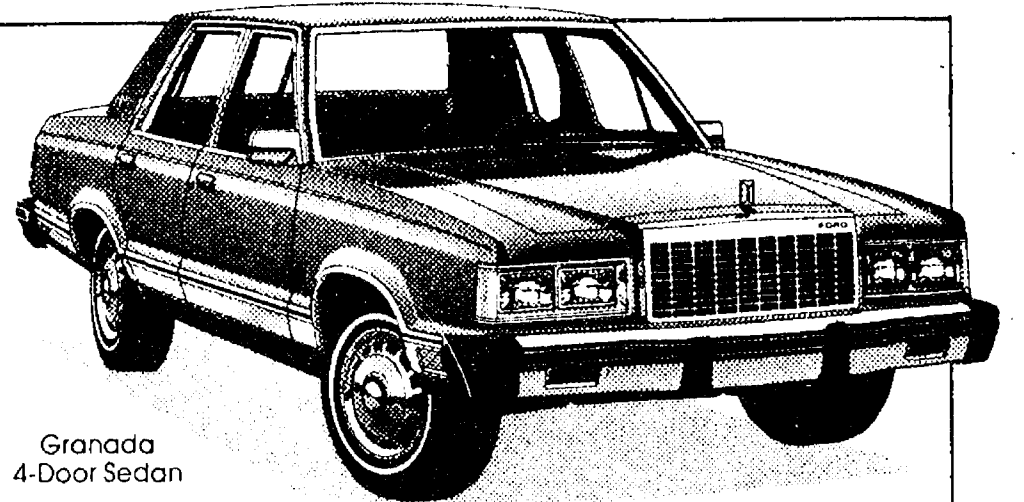

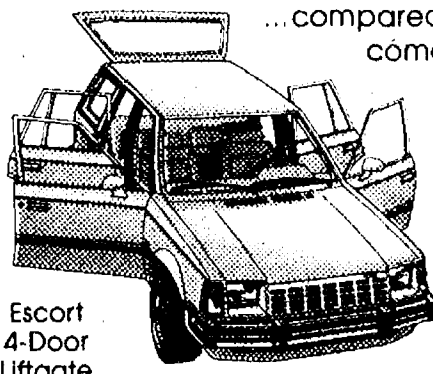

Blocking again was a strong point for the JV gridders. Strong contributors to the team effort were Weber, McCallum, Seitz, Greenleaf, Prinzing, Pagliarini, Guenther, Packard, Mills, Cox, Pate, and Cattell.

The team will challenge Dexter, at Dexter, today in hopes of adding another victory to their stats.

Super-Thon Raises \$5,000 for Cancer Fund

ON A BICYCLE BUILT FOR TWO: Perched upon their tandem bicycle, Jaycee president Harry Thurkow and Jaycee Auxiliary president, Denise Martell prepared to show other volunteer

cyclists how its done. The Jaycees sponsored the annual event to benefit the American Cancer Society at the Chrysler Proving Grounds.

The 1980 Super-Thon for the Washtenaw County Unit of the American Cancer Society was held Sunday, Sept. 28 at the Chrysler Proving Grounds. Sponsored by the Chelsea Area Jaycees and Jaycettes, the project raised approximately \$5,000 for cancer research.

It was a sunny, breezy and beautiful day, perfect weather for a bike ride or run. A 30-mile bike route or a choice of either a five or 10-mile running course was offered to participants.

A variety of prizes, including a 20" Mongoose BMX dirt bicycle, were vied for as both runners and cyclists strove to complete their respective courses.

Every participant who submits his or her pledge money on or before Monday, Oct. 13 will qualify for the Grand Prize drawing of a Schwinn or Raleigh bicycle.

Prize winners will be determined as soon as all pledge monies are submitted. Pledges and sponsor sheets should be turned in to the Chelsea Cancer Unit (475-8606) in care of Agnes Boylan, 14th District Court, 122 S. Main St. Checks and money orders should be made out to the American Cancer Society.

DOUG COOK of Chelsea, tired legs and all, managed to peddle at least as far as the 15-mile

mark Sunday. Checking his forms are Jean Cook and Greg Kuhl. The trio are residents of Chelsea.

DEBBIE BRUGH and Connie Samek, both of Chelsea, make sure to carefully check the route before taking to their course. Unlike the major-

ty of participants for the annual event, these two women chose to collect their pledges by running the course.

MISSY CONNELL of Chelsea pushes her bicycle up a steep incline at the Chrysler Proving Grounds, during the American Cancer Society's annual Super-Thon last Sunday.

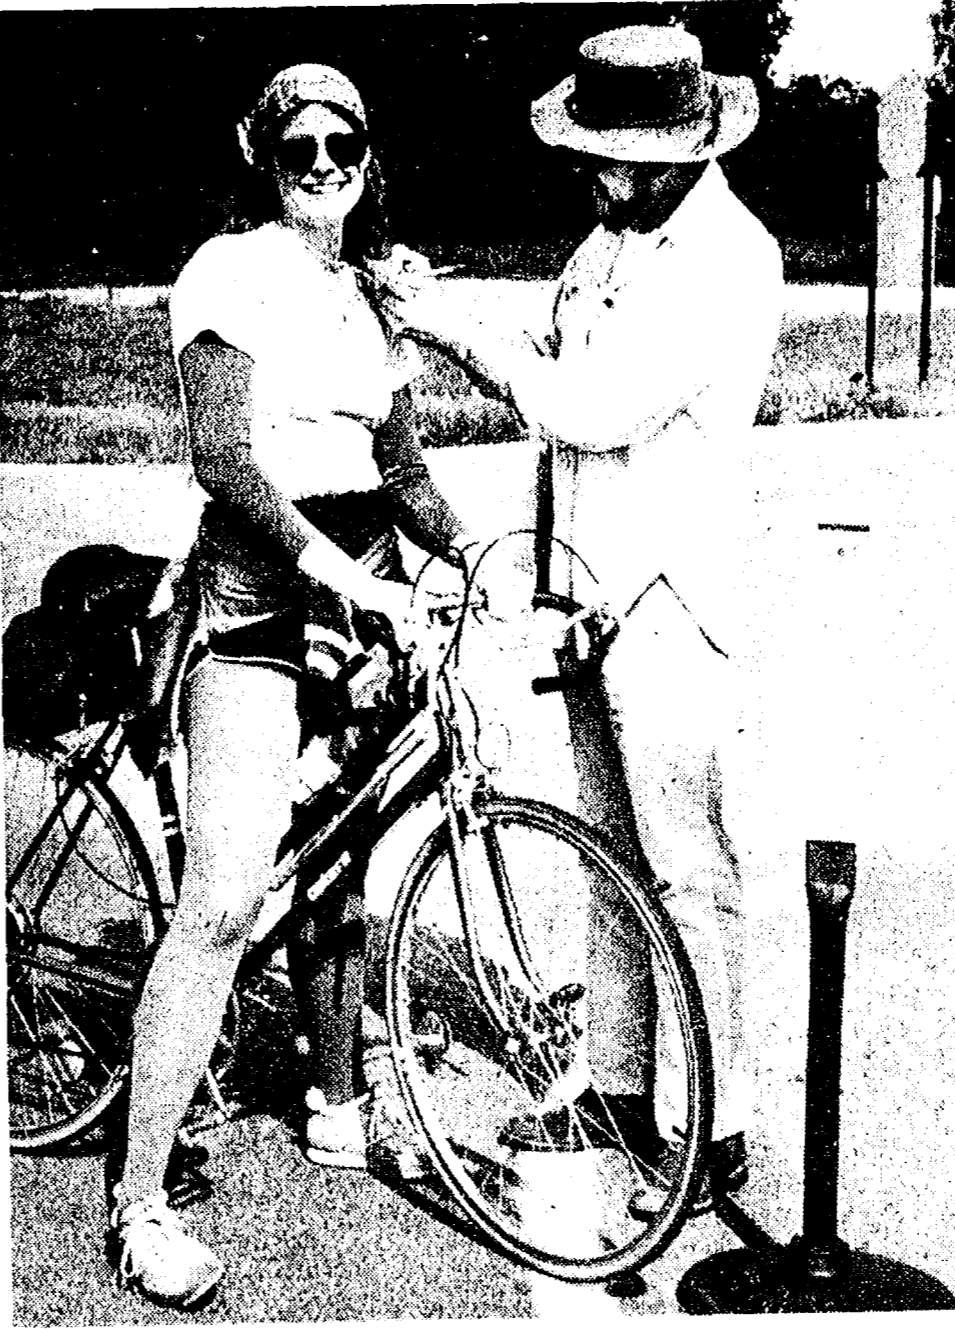

ERIC COLE of Chelsea looks like a star in "Breaking Away," as he is perched upon his racer at the 20-mile check station. Chelseaites Ed

Harook, makes sure to validate Eric's card, proving that he had peddled 20 miles.

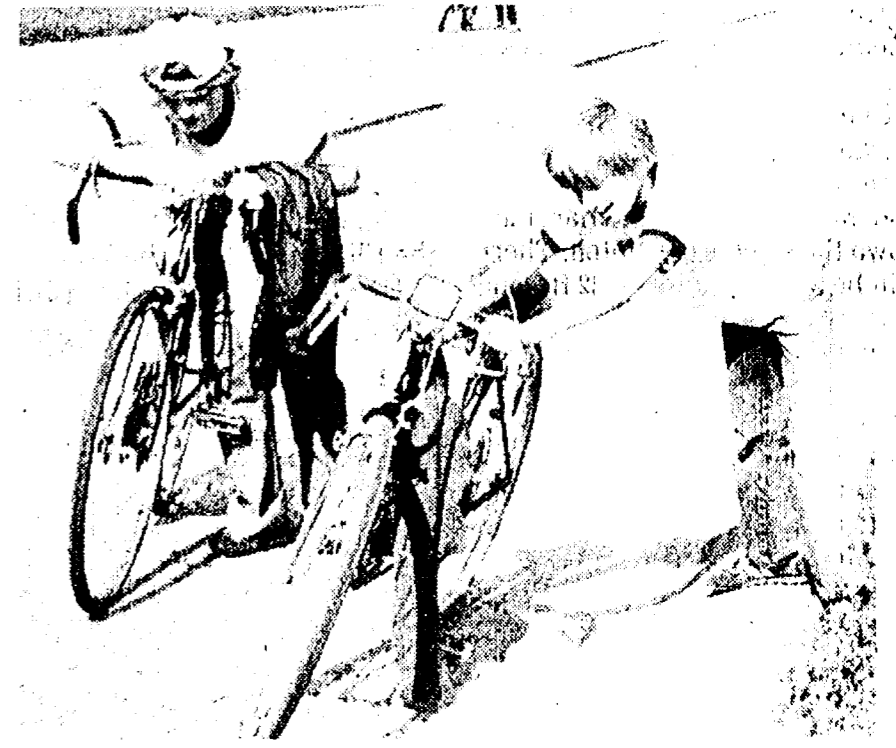

AT THE 5-MILE CHECKPOINT, the ride has just begun for Barbara Beeson and Jeannette Haffner, both of Ann Arbor. Vicki Connell of Chelsea and Gary Frey of Grass Lake have it

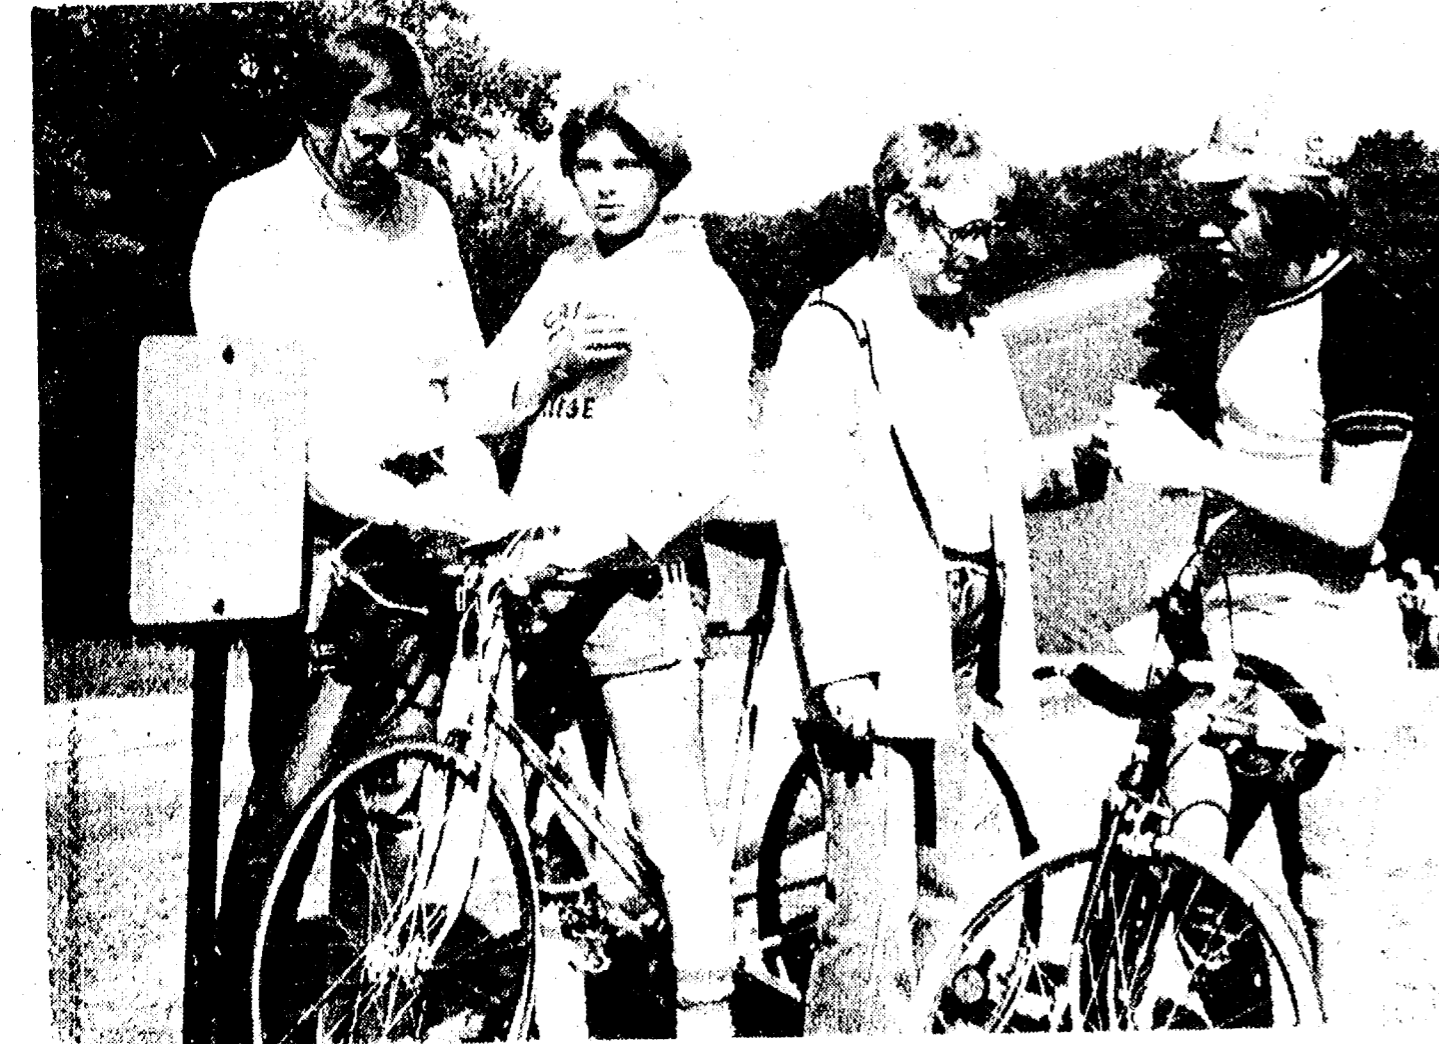

easy in comparison. The pair, stationed at the checkpoint, enjoy the beautiful weather and validate sponsor sheets.

MARY VAN VALKENBURG, of Dexter, seems proud of herself, and rightly so. At the 25-mile check point she still looks fresh and ready for more cycling. John Wirth makes certain Mary's sponsor sheet is validated. In addition to her obvious cycling fitness, Mary is the Aerobic dance instructor in Chelsea.

POSSIBLE CASUALTY? At the 15% grade, David DeSmyther watches as friend David Kvarnberg peruses the condition of his 10-speed. Both boys from Chelsea were determined to get back onto the road.

A WELCOME REFRESHER was passed out to these cyclists after reaching the 10-mile checkpoint during the Bike-A-Thon Sunday. From left to right, Howard Willson of Dexter

checks the sponsor sheet of Chelsea's Dave Harbaugh, while Cindy Willson, of Dexter chats with Chelseaites Chris Martin and gives him a refreshing drink.

25-MILE MARKER: Ann Arbor's Pat DeBruyne and Chelseaites James Pearson rest at the 25-mile marker, making sure John Wirth correctly validates their sponsor lists.

JEFF ADDRESS, in a daze, watches Weldon Harbaugh complete the finalization of his sponsor list. Jeff was just one of a group of cyclists completing the 30-mile fund-raising Bike-A-Thon.

Enrollment in Schools Down by 90 Pupils

As of Friday, Sept. 26, the Chelsea School District recorded a total enrollment of 2,436 students for the 1980-81 school year, a decline of 90 students from the preceding year. The School Board projected figure was 2,458 students, 22 more than the actual count revealed.

These enrollment figures reflect student presence through kindergarten through 12th grade only. Accurate enrollment figures in the Adult Education

Department have not yet been determined nor have the enrollment breakdowns in each school been released.

Though Chelsea school enrollment reveals a slight downward trend, the kindergarten classes have seen an upward climb in pupils. The 1979-80 school year found 127 students enrolled in Chelsea kindergartens while the 1980-81 total is 135, a 15 pupil increase over the projected total of 120 for the year.

CHELSEA'S AQUATIC CLUB for 1980 is made up of 182 swimmers and divers. This week, a pool-side group of 28 tankers took a breather and posed for this photo. The group, which will have its first meet Saturday against Milan, includes, left to right: Jenny Colvin, Tucker Lee, Drew Hubal, Loren Rosenberg, Joe Gallas, Kevin Colombo, Paula Kuzon, Paula Colombo, Becca Lee, Mike Coffman, Gary Callison, Liesel Culver, Kristin Thomas, Paul Robbins, Jeff Mason, Dan Dent, Dan Degener, Dave Mason, Cinda Thornton, Janine Hoffman, Pam Spayd, Michele Clark, Dawn Badus, Margie Rawson, Sara Borders, Donna Alexander, Teresa Degener, Laura Stephens.

Aquatic Club Opens Season Against Milan

The Chelsea Aquatic Club opens its fall 1980 season with a dual meet against arch-rival Milan.

The CAC is coming off an excellent summer season in which they placed second in the Washtenaw Interclub Swim Conference composed of 12 teams. Returning from that team are many league champions and record holders.

Furthering the strength of the club is the addition of many eight-and-under swimmers. These, in addition to the quality of the other age groups should make the Chelsea team the one to beat in the upcoming championships in December.

Chelsea has won the last three of four championships.

The meet with Milan on Saturday, Oct. 4, will be held at the Charles S. Cameron Pool and will begin at 9 a.m. The public is invited.

Future meets include Oct. 18 against the Ypsilanti Swim Club at Ypsilanti; Nov. 1 at home against the Belleville Swim Club; Nov. 15 at home against the Plymouth Swim Club; and Dec. 1 at Willow Run against the Willow Run Swim Club.

Girls Swim Team Sinks Erie-Mason

Last week, the Chelsea girls swim team bounced back from an opening defeat and swamped Erie-Mason, 99-89. Then, the team travelled to Albion to compete in a triangular meet and whipped the Albion tankers, 117-89, and Jackson, 117-78.

Against Erie-Mason, the Chelseaites won nine of the 11 events and in doing so, qualified Sara Borders for the State Meet in the 100 butterfly, and also qualified the 400 freestyle relay team of Sara Borders, Kristin Thomas, Dawn Borders and Liesel Culver.

First-place swims were recorded by the 200 medley relay team made up of Dawn Borders, Kristin Thomas, Mary Bacon and Cinda Thornton; Sara Borders in the 200 freestyle; Teresa Degener in the 200 individual medley; Liesel Culver in the 50 freestyle; Dawn Borders in the 100 freestyle; Liesel Culver in the 500 freestyle; Barb Davis in the 100 breaststroke, and freestyle relay team.

Other important places were garnered by Janine Hoffman in the 200 freestyle; Pam Spayd in the 50 freestyle; Michele Clark and Mary Bacon in diving; Donna Alexander in the 100 backstroke, and the 400 freestyle relay "B" team composed of Teresa Degener, Pam Spayd, Donna Alexander and Janine Hoffman.

The triangular meet against Albion and Jackson was quite interesting from the Chelsea outlook as the tankers from the village took 10 of the 11 events.

Highlights of the meet were the recordings of four Albion pool records by Chelsea swimmers. The first record broken was the 50 freestyle by Sara Borders with the time of 0:26.8. This also qualified her for the same event in the State Meet. The next record to be broken was Michele Clark in diving with 185.75 points. Sophomore Kristin Thomas completed the 100 butterfly with a time of 1:07.7 and finally, Sara Borders earned her second pool record of the evening with a :59.68 clocking of the 100 freestyle.

Other first-place finishes were recorded by Kristin Thomas in the 200 freestyle; Margie Rawson in the 200 individual medley; Michele Clark in diving; Liesel Culver in the 500 freestyle; Teresa Degener in the 100 backstroke; Margie Rawson in the 100 backstroke; and the 200 medley relay team composed of Dawn Borders, Teresa Degener, Margie Rawson and Sara Borders.

The Chelsea girls swim team will travel to Lincoln today.

Clinton Fall Festival Offers Fun for Everyone

The sleepy village of Clinton is beginning to come alive. It's Fall Festival time in Clinton and the fun-filled week-end is ready for everyone to enjoy. The place to be Oct. 3, 4, and 5 is Clinton because that's where it all happens.

Everyone enjoys taking a trip back in history and that's what you'll be doing at a Lost Arts Demonstration at the Community Center Saturday and Sunday. More than 125 demonstrators will be on hand to show how things were done many years ago. What a fantastic addition to the festival, demonstrations will be given on tatting, glass blowing, needlemaking, wood carving, etc.

Everyone can enjoy the Grand Parade, Sunday at 2:30. More than 100 units from Indiana, Ohio and Michigan will be marching down the streets of Clinton. There will be a 14 ft. high and 22 ft. long cow from Wauseon, O., compliments of Sterling Creamery. The cow will certainly be a topic of conversation for parade viewers. There also will be plenty of bands, clowns, horse units, antique cars and special units from the Moslem Temple Shrine. A big addition to the parade is a real live elephant.

Everyone can enjoy the free entertainment on the outdoor stage. This will be continuous from 12 noon till 9 p.m. Saturday evening. Sunday there will be two and concerts featuring the Renaissance Drum and Bugle Corps before the parade and immediately after the parade the Celtic Pipes and Drums from Oakland county will perform.

SEC ROUND-UP: Tecumseh Struggles To Finally Down Dexter, 20-8

Saline 42, JC Western 14
Saline extended its winning streak to 13 as the Hornets stung Jackson County Western last Friday. The final score of the evening was 42-14, giving the Hornets a 4-0 season outlook and dropping the Panthers to 1-3 over-all and 1-1 in the SEC.

Jackson initiated the scoring in the first quarter with an eight-yard pass from quarterback John Spangler to John Parks. The two-point conversion was good and the Panthers took an early 8-0 lead.

Saline came back in the second quarter to tie the score on a three-yard run by Eric Leidheiser. The Hornets, too, successfully converted for two points to tie the game at 8-8.

Jackson followed suit and Spangler passed seven yards to Jim Clement to give the team a 14-8 advantage, but not for long. Saline bounced right back with a 15-yard run by Koch and a two-point conversion to give the Hornets a 16-14 lead at the half.

The next two quarters were all Saline. Barrad received a 30-yard pass from Koch and Lauchu made a four-yard run to give the Hornets two additional touchdowns in the third quarter. Then, the fourth quarter found Lauchu making a successful 11-yard run and Pope completing a two-yard run for Saline. In the second half, two of four extra point kicks failed, giving Saline a 42-14 victory over Jackson.

Offensively, Saline compiled at total of 434 yards, 355 rushing and 79 through the air while Jackson was held to 26 yards rushing and 147 via passing.

Tecumseh 20, Dexter 8
The Dexter Dreadnaughts, sporting a new stadium, could not manage to pull off a victory Friday night when they took on the undefeated Tecumseh Indians. But, it was the same old story, they haven't won a game all year.

Still, Dexter put up a good fight, at least in the first half. Tecumseh scored only once, on a one-yard run by halfback Mark Van Buren, to give the Indians a 6-0 lead at half-time.

Undoubtedly, Dexter felt pretty good; holding Tecumseh had been proven difficult by the three teams playing against them prior to Friday night's contest. But, when the second half got underway, Tecumseh came out to score on their first possession. Again, Van Buren was responsible but this time, he made a 29-yard run into the Dexter end zone and capped it with a plunge in for a two-point conversion. The score was hiked up to 14-0.

The fourth quarter gave Tecumseh another chance to score and they took it. Quarterback Tim Todd sneaked over the Dexter one-yard line to give the Indians an even more commanding lead of 20-0.

But in the final two minutes, Dexter proved that they, too, were capable of scoring. McCoy made a one-yard run into Indian territory to top a 60-yard Dexter drive. The two-point conversion was successful on a run by Knickerbocker.

Lincoln 8, Ida 6
In a non-league encounter Friday night, the Ida Blue Streaks did everything they possibly could to stop the Ypsilanti Lincoln Railsplitters from gaining another victory. Nonetheless, the small but speedy Ida team could not keep Ypsilanti's Tolliver from completing a two-point pass conversion which clinched the victory for the Railsplitters.

Frosh Gridders Down Milan, 52-6

The freshman football Bulldogs ran their record to 3-1 with an impressive 52-6 victory over Milan on Tuesday, Sept. 23. According to Coach Ticknor, "The defense bounced back from a poor showing the week before to play very, very well. I was very pleased and excited by their improvement over the game against Tecumseh."

The offense was paced by three outstanding performances by quarterback Marty Steinhauer and halfbacks Jay Marshall and Scott Cooper. Steinhauer ran the Chelsea option most effectively. He would fake a handoff to Cooper and begin running on his own. Just before he was about to be tackled, he would pitch the ball to Marshall who ran for some big gains.

For the night, Marshall carried the ball 18 times for 285 yards. He made some big plays with runs of 29 yards, 22 yards, 47 yards, 65 yards and 40 yards. Marshall also ran a kickoff back 70 yards for a touchdown. Cooper made some very great blocks and fakes that created the openings for Marshall's long runs.

Six of Chelsea's touchdowns were scored by Marshall while flanker Dave Walter scored on a 54-yard pass play from Steinhauer.

On defense the Bulldogs were led by the entire squad; everyone contributed to the team's success. Individual leaders in tackles and assists were safety Randy Sabo with 20, tackle Chris Gallas with 16, linebacker Dave Walter with 13 and cornerback Jeff Morgan with 12.

If you've always heard about a pork roast; but never had the opportunity to see it in action, the event will take place at Memorial Park (right next to the beer tent) Saturday of the festival.

Children are not forgotten at the Clinton Fall Festival. The kids will love the petting zoo arranged for them by a local 4-H Club. The miniature zoo will contain all friendly animals that the children can pet or hold. The real brave kids can have a ride on a real elephant or talk mom and dad into going up into the wild blue yonder on a helicopter ride. Speaking of the wild blue yonder; be sure to plan on being at the free school area Saturday for the free Air Show. Watch stunt pilots, hot air balloon and sky divers display their talents and send chills through the spectators.

The Clinton Fall Festival has something for everyone. Other events include an auction, horseshoe tournament, road run, bingo, raffles, good food, and of course, friendly hospitality.

The grand climax will happen Sunday after the parade. This is the time some lucky person will drive away in their new car. Since early May various church groups and non-profit organizations have been selling car tickets. Prizes this year are really great. The winner has a choice of one of the following; a Plymouth Volare, Ford Mustang, or Chevrolet Camaro. The second prize is a trip for two to Hawaii for seven days, and third prize is \$1,000 cash. The seller of the winning car ticket is also a lucky person for they too will win a trip for two to Hawaii for seven days.
