JIM DANIELS, Chairman of the Board of Governors at Chelsea Community Hospital welcomes guests, officials and staff to the special ceremony Friday afternoon. Remaining attentive behind him are, left to right, Rebecca Lindemer, board member; Willard

Johnson, Hospital Administrator; Michael Papo, M.D.; Mary Keith Ballantine, State Representative; Leonard Wolin, Chief of Staff; and Village President Charles Ritter.

Community Hospital Observes 10th Year of Rapid Growth, Service

On Friday, Oct. 10, Chelsea Community Hospital held a tenth anniversary celebration ceremony on the grounds of the facility. In excess of 300 civic leaders and citizens were present for the gala event celebrating 10 years of service in the Chelsea community. In addition to this affair, the Hospital also dedicated the new therapy, radiology and administrative facilities recently completed.

Founded in 1970, Chelsea Community Hospital is a voluntary, community-owned, non-profit institution. It is governed by a Board of Governors, made up of local citizens, who serve without pay.

The Hospital is a separate facility located on the 43-acre Chelsea Medical Center complex. Adjacent to it are a dental clinic, pharmacy, Family Practice Center of the University of Michigan which was established in 1977, ophthalmologists and opticians.

The modern single-story, 113-bed main hospital building was constructed in 1970 while the surgical and ambulatory care additions were completed in the spring of 1974. The new therapy, dining room and radiology wings were added this summer and a Substance Abuse Residential Care facility will be completed early next year.

Total health care provides for complete patient diagnostic and therapeutic services along with a wide range of community based programs and services which exceed the limits of the traditional hospital facility.

Programs emanating from within the Hospital include ambulatory one-day surgery, emphasizing "same day" procedures and ultimately release. More than 3,000 surgical procedures are performed annually in the four operating suites.

Also, Chelsea Community Hospital plays an important part in the University of Michigan's Burn Center, providing Phase II and Phase III acute and reconstructive burn care. This facility was instituted in Chelsea in 1975.

The Chelsea Community Hospital is directly involved in a number of community programs via CPR training, nutrition programs, immunizations and informative lectures. Too, it opens its dining and meeting rooms to local groups for their meetings.

The Emergency Room is staffed on a 24-hour basis by a team of trained professionals with special training in emergency health care.

The Substance Abuse Program is equipped with 12 acute beds and provides medical and nursing care, individual and group therapy, Alcoholics Anonymous, Al-Anon, family therapy, various forms of counseling and ongoing outpatient treatment.

Chelsea Community Hospital is especially noteworthy because of its Headache Treatment Center, perhaps the only one in the country, providing both in and outpatient treatment.

These and more facilities greeted the guests, many of whom had never visited the Medical Center before. Tours of the new additions were conducted and the anniversary ceremony took place under a green and white striped tent that was raised in the new courtyard.

Speakers for the occasion were James Daniels, Chairman of the

Board of Governors; the Rev. Robert Welkart who gave the invocation; Willard Johnson, hospital administrator; Leonard Wolin, Chief of the Medical Staff; Charles Ritter, president of the Village of Chelsea; Mary Keith Ballantine, Michigan State Representative (R-Jackson); and Dr. Michael Papo, the Chelsea Community Hospital's brain child, without whom no facility would have been ramrodded through.

Distinguished guests included Dr. John Gronvall, Dean of the University of Michigan Medical School; Patric Ludwig, President of the Michigan Hospital Association; Jeffrey Schaffer, village president, Manchester; and Gary Goodmoot, representative Farmers Home Administration, to name just a few.

Following the gala ceremony in recognition of 10 years of dedicated service to Chelsea and surrounding communities, a reception was held in the hospital's dining room.

Bulldog Gridders Lose to Strong Saline Squad, 39-8

After a spirited victory the week before, the Chelsea Bulldogs traveled to Saline feeling fairly optimistic. But it was the same old story, the Bulldogs were trounced, walloped, embarrassed. The final score of the evening was 39-8, giving the Hornets an impressive homecoming victory and their 15th consecutive win in the last two years.

There was not much doubt as to who would win, Saline was a physically superior team that played extremely well both offensively and defensively. They led, 14-0, at the half, though Chelsea had threatened to score two times earlier.

Saline came back in the third quarter to capitalize on Chelsea's mistakes and tally 13 additional points to give them a very commanding 27-0 advantage at the onset of the final minutes of play.

The fourth quarter was more of the same, with the Hornets racking up 12 more before Chelsea

finally worked its way out of a shut-out on their last possession. With 30 seconds remaining, Ross Murphy scored on a 66-yard end around. Quarterback Dave Wojcicki completed a pass to Jeff Lantis for the two-point conversion. The final score was a rather depressing 39-8, in favor of the mighty Saline squad.

Nonetheless, Chelsea managed to compile some impressive statistics. Offensively the team produced 283 total yards, including 184 rushing which was a season high for the Bulldogs. In addition, Dave Wojcicki completed eight of his 20 attempted passes for a total of 99 yards through the air.

Defensively, Craig Olmsted on defense made a number of excellent tackles, continuing his steady season performance.

Regardless of these few highlights, the Bulldogs dropped to a gloomy 1-5 on the year. Friday the Bulldogs will meet Lincoln at home.

Varsity Cagers Win Two More

Last Thursday, the Chelsea girls basketball team continued on their winning streak to get past Ypsilanti Lincoln, 59-51. Though the girls fell behind, 4-0, at the beginning, they pulled to a 16-10 lead at the end of the first quarter.

But, with the beginning of the second quarter, the Bulldog defense was practically nonexistent. Lincoln accumulated 22 points in comparison to Chelsea's 12 in the quarter. The Bulldog cagers fell behind, 32-28, at half-time.

After a bit of readjusting during half-time, Chelsea came back and played better in the third quarter. They tied the game at 43-43 with about two minutes left and then ended the third period with a one-point lead.

From there on, it was all Chelsea and the game ended with them having scored more points in a game than they had all year. The quarter breakdowns for the lady cagers were 16 points in the first, 12 in the second, 16 in the third and 15 in the fourth quarter.

Scoring for the lady Bulldogs was Ringe with 26 points, Unterbrink with 14, Boylan with nine, Branham and Rawson with three each, Kiel with two and Eisele with a single point.

Rebounding for the Chelsea cagers was Boylan with 10, plus four steals, and Unterbrink with nine rebounds. In addition, Jennifer Ringe made five assists and two steals.

This was a very hard game physically as Lincoln fouled Chelsea a great deal. This resulted in 32 free throw attempts awarded to Chelsea, 19 of which were completed. Lincoln, on the other hand, had only eight free throw attempts and were able to complete only three of them.

Chelsea's victory was determined by the team's skill at the foul line. Leading free throwers were Ringe who was 10 for 12 and

Patty Rawson who threw three for four. In regular game play, the aggressive Lincoln Rallsplitters outscored the Chelsea cagers by eight points.

The following night, Friday, Oct. 10, the Chelsea girls traveled to South Lyon for a non-league encounter and continued to up their season record, this time by winning, 34-20.

The team showed the wear and tear that Lincoln had caused in the battle the night before; it was not a pretty game to watch. Still, the girls managed to get the job done, taking the lead at the onset and never giving it up.

At the end of the first quarter, the lady Bulldogs were ahead, 12-9, and the half-time score gave Chelsea an 18-13 lead. With just a few seconds remaining in the second quarter, Mary Jo Eisele put a 35-foot toss into the net.

Halfway through the third quarter, Chelsea was ahead, 28-13, and a sloppy fourth quarter performance gave them only six additional points. Still, South Lyon never caught up.

Though it wasn't a very attractive game to watch, leading scorers included Eisele with 10 points, Vandegrift with eight, Boylan with five, Ringe and Branham with four each, Unterbrink with two and Weber with one.

Jennifer Ringe tied a school record for assists by making eight assists, while Unterbrink made 11 rebounds and Boylan and Vandegrift each made nine rebounds.

The Chelsea High school girls basketball team is now 9-1 overall and 5-1 in the league. They remain in first place, one-half game ahead of both Saline and Milan who are 4-1 in the conference.

The next league game will be Thursday, Oct. 23 at Jackson County Western.

Harriers Undeclared In 6th Meet

Chelsea boys cross country team won its sixth consecutive meet Thursday, Oct. 9, edging past Saline, 27-28. "We had a few people out with sickness, but we ran well enough to win," said Coach Pat Clarke. "I just hope we have all of our people back for the Lincoln meet this week."

Bulldog harriers were led by Mark Brosnan finishing in second place at 16:07. He was followed by Bob Benedict, fourth at 16:42, Jeff Bradley, sixth at 16:46, Brent Martin, seventh at 16:55 and Dave Kies, eighth at 17:22.

The Bulldogs harriers are currently 6-0 over-all and 5-0 in the Southeastern Conference.

On Saturday, Oct. 11, the harriers placed 10th out of 18 teams in the tough Mason Invitational. Placing for Chelsea, over the 5,000 meter course were Mark Brosnan, 13th at 16:32, Bob Benedict, 38th at 17:08, Brent Martin, 48th at 17:18, Jeff

(Continued on page six)

Quick Response Lessens Injury in Industrial Accident

On Thursday, Oct. 2 at approximately 8:18 p.m., an accident occurred at BookCrafters, 140 Buchanan St. While two employees were attempting to clean the rollers on a printing press, Donald L. Walz, 20, 16494 Seymour, Grass Lake, caught his right arm in the machinery.

He was taken to the Chelsea Medical Center where it was determined that his arm, lodged in the press up to the shoulder, had been broken.

Since that time, the safety committee that investigated the mishap has handed down commendations to a number of persons responsible for his prompt rescue. According to the committee, two fellow workers, Steve Hegadorn and Ken Sanders were the first to respond to the accident. They immediately hit the stop switch on Walz's press which played a crucial role in limiting the extent of his injury.

Too, the safety committee would like to recognize the

response of Sgt. Lenard McDougall of the Chelsea Police Department. Walz had been trapped in an awkward upright position for approximately 20 minutes and fatigue and shock had set in. Sgt. McDougall held Walz in such a way as to alleviate any more strain on his arm. Had the officer not responded as such, doctors at the Medical Center believe that there would have been extensive muscle and nerve damage to the arm.

The Chelsea Volunteer Fire Department, in addition, extracted the victim's arm with extreme caution, avoiding further injury and the Chelsea Community Hospital and ambulance crew, aware of the gravity of the situation, sent a doctor along to begin treatment immediately.

It is because of the prompt action taken by these various groups, the safety commission determined, that a severe situation resulted in only minimal injury.

Golf Team Ties for 2nd in League Meet

On Monday, Chelsea's golf team traveled to Ann Arbor and the tough University of Michigan Golf Course for the Southeastern Conference league meet.

The meet consisted of two excellent teams, Saline, 12-0 on the season and Tecumseh, 10-2, a good Milan team at 7-4-1 and Chelsea, Dexter, Jackson County Western and Lincoln.

The Bulldogs saved their best for last as they shot a season low of 329 to tie Saline for second

place and finished just six strokes behind Tecumseh which shot 323. Dexter had a 332, Milan 333, Western 366 and Lincoln finished with a score of 367.

John Welton was second Medalist with outstanding rounds of 39-36 for a total of 74. Jim Ritter was next with a season low of 39 to go along with a 43. This totaled 82 and gave him the eighth best score. Troy Schiller's 42-44 for a final score of 86, was

(Continued on page six)

AFTER AN ENJOYABLE AFTERNOON, guests and friends of the Chelsea Community Hospital pause to chat and sample some of the offerings at the dining room reception. Dorothy

and Anton Nielsen, above left, were among the 300 persons who visited the Hospital campus Friday in celebration of its 10th year of community service.

HARVEST TIME: Karen Pratt, Rose Marie Bushway and Barbara VanGorder, left to right, husk Indian corn for the Lions Club. The corn will be sold in conjunction with the Chelsea Lions Club third annual pumpkin sale. The sale will take place for the next two week-ends with hours

of 10-6 on Saturday and 12-6 on Sunday. The pumpkin vendors will be located at Rick's Market and at the Chelsea State Bank branch on M-52 and Old US-12. Proceeds will be contributed to such organizations as Leader Dogs for the Blind and the Braille Transcribing Service.

4 Years Ago . . .

Thursday, Oct. 21, 1976—

Chelsea voters once again turned down the Chelsea Board of Education's request for 1½ additional mills for operations in the school millage election Tuesday, Oct. 19, by a vote of 1,005 opposed, and 999 in favor of the proposed tax increase.

On Aug. 30, area voters narrowly defeated an identical millage request by a 17 vote margin, with 684 voting "no" to 667 voting "yes." Only one-third of those registered actually voted in August, while Tuesday's election resulted in a record turn-out of 2,027 voters.

Chelsea shut out South Lyon, 14-0, to break their losing streak and cap Homecoming Week with a victory game, Friday evening, Oct. 15. During half-time festivities, Kim Olson was crowned as Chelsea's 1976-77 Homecoming Queen. She is a junior class representative.

The United Way campaign for 1976-77 is currently underway, running from Oct. 18-29, with an anticipated goal of \$32,065. Much of the proceeds will go to the Chelsea Social Services which, in turn, will provide essential food and clothing to families unable to afford the costs of these items themselves.

14 Years Ago . . .

Thursday, Oct. 27, 1966—

Richard Bareis, industrial arts teacher at Chelsea Junior High school, has been appointed as the new director of the Chelsea Area Recreation Commission, effective immediately. He succeeds Alan Conklin, Chelsea Junior High principal, who has served in that capacity for 12 years. Conklin began directing the summer recreation program in 1954, before the Recreation Council was officially organized.

Mike Fouty, 8, has been named a zone winner in the Punt, Pass and Kick Competition. Fouty, son of Mr. and Mrs. Richard Fouty, is one of 54 finalists named in the nine zones in the Detroit District.

Construction of the Chelsea Medical Center began symbolically Sunday, Oct. 23, with groundbreaking ceremonies on

the site at 4 p.m. The three buildings on which construction will begin are a medical office building, a pharmacy, and a dental office building. Continental Assurance Co. of Chicago and the Chelsea Medical Clinic Ltd. Trust Fund are financing the venture.

A total of 1,999 pounds of milk went down the drain at the Douglas Stark dairy farm Friday evening. The milk, which represented three milkings of Starks' 51 dairy cows, was lost when vandals opened the valve on the milk cooler located in the Stark milk house. The valve is located at the bottom of the tank directly over a drain.

24 Years Ago . . .

Thursday, Oct. 25, 1956—

The First of Michigan Corporation was the successful bidder on the \$2,200,000 Chelsea School District bond issue with the interest rate set at an average of 4.189126 percent. The bid was submitted to the Board of Education at a meeting held Monday evening. The bond issue will finance the construction of a new high school and eight additional elementary class rooms.

Chelsea High Bulldogs traveled to Dundee last Friday night and were held to a 7-7 tie by the winless Vikings. The tie all but eliminated the Bulldogs from championship consideration.

Word has been received that the name of Midshipman David E. Bertke, '58, son of Mr. and Mrs. Roy Bertke, has been placed on the newly-inaugurated "Superintendent's List" at the United States Naval Academy at Annapolis, Md.

34 Years Ago . . .

Thursday, Oct. 24, 1946—

Sylvan township voters are to decide at the Nov. 5 election whether hard liquor by the glass is to be sold over the bar here. A petition bearing approximately 325 names was filed with the township clerk, Walter Kantlehner, making it mandatory that the issue be placed on the ballot, the required number of signers for this township being only 290.

Tomorrow night at 8 p.m., Coach Ron Isbell's Milan Big Reds will clash with Coach Cameron's Little Bulldogs. This game, to be played at the local athletic field, will be a deciding factor in the Huron League standings.

Governor Details Budget
If Tax Cut Amendment Adopted
Governor William G. Milliken, through his budget director, reported that only programs in corrections and treasury would be preserved virtually intact if the Tisch tax cut amendment is passed.

Cuts laid out under a hypothetical budget drawn up by Management and Budget Director Gerald Miller would range from elimination of many Medicaid services to a modest 8 percent trimming of the Department of Treasury budget.

The amendment would require a 55 percent cut in general fund spending, according to the figures.

Miller noted that after returning \$2 billion to local units of government for their revenue that would be lost by the reduction of property taxes collected locally and after fulfilling other constitutional earmarking requirements, the general fund would have \$1.61 billion to spend.

Miller said the executive office has no contingency plans to make up any lost money if the Tisch proposal should be approved by the voters. He added the governor would not support any increases in taxes during the 45-days before Tisch went into effect, to make up any loss.

The hypothetical budget represents the best estimate of what would happen if Proposal D

passes, but Miller said the legislature would have the final say on slicing the reduced revenues.

Miller added even if the legislature did try to raise taxes during the intervening 45-days there is a legal question of whether they could stay increased after Tisch went into effect.

Part of the amendment requires rollbacks of all taxes to 1978 levels which could be interpreted in the courts as meaning no tax could be levied at a rate higher than its 1978 level, Miller noted.

Referring to the proposed budget, Milliken said, "It is a realistic document and if the picture it paints is devastating, it is only because the effect of Proposal D would be devastating."

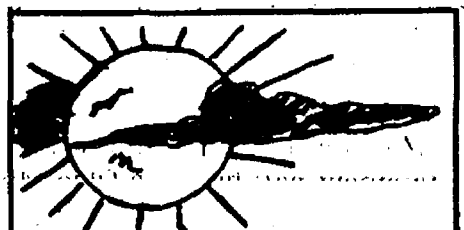

A run-down of the budget would include:

Social Services—Funds would be cut 40 percent, taking an equal amount of federal matching dollars; all optional Medicaid services would be cut for persons over age 21; elimination of payments of medical bills for the medically indigent; cutting the emergency needs program, family services and counseling.**Public Health**—Local health and substance abuse programs would be retained while disease control and the public health laboratory would be cut by one third. The Grand Rapids

Veterans' Hospital would be closed and a new one in the Upper Peninsula would not open.

Mental Health—Some 7,000 patients would be shifted from state institutions to community programs and neighborhood homes as most state hospitals would be closed and 9,000 employees laid off.**State Police**—The number of uniformed officers would be cut to 400, from 1,600 and half of the 64 posts would be operated less than 24 hours a day.**Corrections**—All prisons and camps would be retained, while probation and parole services would be cut and administration would be trimmed by \$3.1 million.**Colleges and Universities**—State fundings for all four-year institutions except Michigan State, Wayne State and the University of Michigan would be eliminated. Some of the current state schools would close while others may try to become private schools.**Education**—Most categorical programs for K-12 would be eliminated. The state library and the schools for the blind and deaf would be closed. Teacher tenure and teacher certification programs would be eliminated.**Department of State**—An 89 percent cut would take with it regulations for campaign financing, auto mechanic licensing and auto dealer licensing.**Licensing and Regulation**—The department would be eliminated with all but the health care professions no longer being licensed.**Natural Resources**—The emphasis would be on environmental control rather than recreation. Only eight of 64 state parks would remain open while others could if park fees could pay for operating costs.**Agriculture**—Eliminated would be international trade, meat inspection and marketing and bargaining boards. Horse racing support and fair premiums would be eliminated.**Capital Outlay**—All building would come to a halt with \$6.8 million budget for minimal upkeep of state buildings.

300 N. Main St., Chelsea**THE JUDGE WHO KEEPS HIS PROMISES**

In 1974, before his election, Kenneth Bronson was quoted in the Ann Arbor News as saying, "The biggest problem facing individuals in courts is the delay to defendants, witnesses, police and other parties involved."

Bronson's 1974 campaign statements also evoked this opinion in an Ypsilanti Press editorial:

"We're convinced Bronson means it when he says today's court system punishes the innocent almost as much as it punishes the guilty. He favors speedy trials and the delayed sentence approach for young and old people who make that 'one mistake'."

Five years later, under the headline "BRONSON SPEEDS THE WHEELS", the Saline Reporter described how Judge Bronson lengthened the work hours of his court, cut red tape and speeded up hearings so that the list of criminal jury cases awaiting trial was reduced from 114 to fewer than ten.

Other Washtenaw County newspapers have noted that Judge Bron-

son, true to his promises, has:

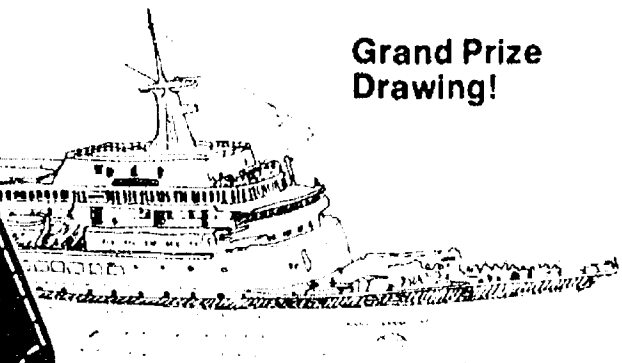

- Saved the taxpayers' money through prompt and speedy trials.
- Instituted the deferred sentencing program which allows first offenders, after suitable community service and rehabilitative acts, to have charges against them expunged from the court records. This has saved the careers of many people who might be barred from employment opportunities by a conviction record. (Ypsilanti Press, 1976)
- Created a work program as an alternative to jail sentences in selected cases. This program has also provided an alternative for those unable to pay fines and costs due to economic hardship. (Ypsilanti Press, 1976)

A district judge who makes promises like these, and then fulfills them, is a judge who deserves re-election.

McKune Library History Presented For Woman's Club

A presentation of a "History of the Library" was given on Tuesday, Oct. 14, at McKune Memorial Library to members of the Woman's Club of Chelsea by Katherine Wagner and Jean Eaton long-time volunteers and members of the club. One guest attended.

A description of the Historical room was given by Jean Eaton. Its contents include three histories of Chelsea, histories of several groups of the town, three histories of local churches, a genealogical library of local families, a list of cemetery plots, as well as many treasures in the form of photographs, letters and papers of long ago. A diary, dated 1880-81, kept by a local teacher describing her days in the schoolroom brought much laughter.

Katherine Wagner supplemented the talk with information about the main library which started with 22 books and presently contains 21,976 volumes.

A cemetery file in the Historical room is used extensively. Any book in print may be obtained by the library on request.

Most of the work done in the historical room has been done by volunteers for the past 45 years.

Microfilm records of all Chelsea Standards published as well as 1,000 obituary cards has been done by the state for the library.

Hostesses for the evening were Sally Nicola and Kathleen Heeter.

Sweet Adelines Will Present 3rd Annual Show

The Ann Arbor Chapter of Sweet Adelines will present their third annual show "Once Upon A Pumpkin" on Friday, Oct. 17, and Saturday, Oct. 18 in Huron High school on Fuller Rd., at 8 p.m.

A comic version of the Cinderella story filled with familiar music, the show promises to be an entertaining evening for the entire family.

In addition to the songs of the chorus, under the direction of Paula Mullis, there will also be performances by special guests.

On Friday the featured singers will be "The Friars" from the U. of Michigan Glee Club, and rounding out the evening's entertainment will be "The Old Mill Four" a quartet from the Cleveland, O. area.

Saturday's show will be livened up by the "Pittsburghettes," a well known Sweet Adeline comedy quartet.

Master of Ceremonies duties will be performed by "Fat Bob" Taylor. Tickets will be sold at a reduced rate for Senior Citizens, and special children's tickets for Friday's performance only. They may be ordered from chorus members, or purchased at the door.

A portion of the proceeds will go to help support Safe House, a haven from domestic violence.

For further information call 485-7276 (days) or 434-0566 (evenings).

Michigan State University's State Center for the Performing Arts is the recipient of a \$300,000 challenge grant from the Kresge Foundation of Troy. The grant will go toward construction of the \$19.7-million facility, which is expected to be completed in the summer of 1982.

Mr. and Mrs. Bret Alan Dawson

Martha Blanchard, Bret Dawson Speak Vows in Ann Arbor Church

Martha Jane Blanchard and Bret Alan Dawson were married at 1:30 p.m. Sunday, Oct. 5 at Unitarian church in Ann Arbor. The Rev. Kenneth Pfiffer officiated the afternoon ceremony before 28 guests.

She is the daughter of Mr. and Mrs. John D. Blanchard, 181 Shoreview Dr., Chelsea; the bridegroom is the son of Mr. and Mrs. John Dawson, 9100 Schellenberger Rd., Manchester.

The bride was attired in an ivory jersey gown featuring a handkerchief hem. She wore a head wreath of baby's breath and sweetheart roses and carried a bouquet of the same. She wore a 100-year-old medallion that had belonged to her great-grandmother when she was a young girl.

Maid of honor was the bride's sister, Ruth Blanchard of Whitmore Lake. She wore a plum crepe gown with a handkerchief hemline and a corsage of ivory roses. Myrna Hendricks of

Chelsea, a friend of the bride, served as bridesmaid and was dressed similarly to the maid of honor.

The bride's mother chose a grey crepe gown while the mother of the bridegroom was attired in an off-white knit dress accented by a green jacket. The bridegroom's grandmother, Mrs. Keturah Aufderheide of Ann Arbor, chose a pale green dress.

A reception at the home of the bride's brother and sister-in-law, Mr. and Mrs. Dave Blanchard of Ann Arbor, followed the ceremony.

The newlyweds left for a two-week honeymoon at Myrtle Beach, S.C. and will be at home at 181 Shoreview Dr., Chelsea, after Oct. 19.

The bride is a 1976 graduate of Chelsea High school and is presently employed as a secretary-receptionist. Her husband received his diploma in Haiti, West Indies, from a school affiliated with the University of Nebraska. He is a machinist.

Salvation Army Accepts Left-Over Salvage Items

After the ads in the paper, after the garage sale, what do you do with the leftover miscellany that didn't sell? If you're like the vast majority, you probably take your assortment of odds and ends to the dump and someone there picks through the rubbish until he recovers any profitable items. Isn't it non-sensical to merely throw your excess away without receiving any reward, monetary or personal?

Many people are unaware of the dual advantages offered by donating any clothing, appliances, housewares, bicycles or whatever to the Salvation Army. Not only are you contributing to a worthy cause by turning over merchandise you no longer need, but also, by making an itemized list of the goods you have donated, the gift can be considered a tax-deductible contribution on your tax returns.

And don't think that you have to deliver your contribution to the Red Shield Store yourself. The

organization will come to your home and pick up whatever you have for them. In addition, if some of your articles are not in working order or are in poor condition, have no fear; workers at the agency will restore and repair whatever they receive that is restorable or repairable.

For residents in the Chelsea area, both the Jackson and Ann Arbor branches of the Salvation Army are within the same distance. For scheduling a pick up from your home either call Jackson at 1-(517)784-4978 or Ann Arbor at 663-8491.

Jaycee Auxiliary Sponsoring Fall Cribbage Tourney

Chelsea Jaycee Auxiliary will hold a fall Cribbage Tournament at the Village Bakery beginning Thursday, Oct. 23. Registration will take place at 6:30 p.m. and play will follow at 6:45 p.m.

The tournament will run for three consecutive weeks with playoffs beginning during the fourth week.

For more information, please call 475-2038 or 475-7412.

You are invited

Mr. and Mrs. Robert Lantis

Robert Lantises Observe 50th Anniversary at Florida Home

Mr. and Mrs. Robert Lantis, 924 Siesta Dr., Colony Cove, Ellenton, Fla., celebrated their 50th wedding anniversary on Sunday, Oct. 5, with an open house held in their home. Friends and relatives attended and punch and

cake were served. They were married on Sept. 29, 1930 in Ann Arbor.

They are the parents of four Michigan children, Mary Bell Merkel of Brooklyn, J. Neil of Manchester, Duane of Napoleon, and John of Napoleon. The Lantis have 17 grandchildren and one great-grandchild.

At one time, the couple lived in both Chelsea and Napoleon. Mrs. Lantis is the former Agnes Pitts.

Kinder Klub Sees Program on CPR

Kinder Klub's meeting on Tuesday, Oct. 14, began at the Chelsea Fire Station where Dan Ellenton presented an extremely interesting and informative program on CPR. He graciously answered the many questions raised by the members and stimulated their interest in taking the course.

The group then retired to the home of Mary Messner for the business meeting. Rhonda Tassett was present as a guest. The evening was topped off with two delicious desserts served by the hostess.

Judge Bronson Endorsed By Trial Lawyers Assoc.

Fourteenth District Court Judge Kenneth Bronson has been endorsed for re-election by the Michigan Trial Lawyers Association. He was notified of his endorsement by Howard Sober, chairman of the association's endorsement panel.

"Judge Bronson is the only judge from our county to seek and receive this prestigious endorsement," noted John N. Kirkendall, Bronson's campaign chairman and former president of the Washtenaw County Bar Association. "Trial lawyers represent their clients and the law by working in the courts where successful professional practice is heavily dependent on the legal ability of the judges.

Good justice, fair justice, is based on judges so well grounded in the law that they can make expert rulings and render impartial decisions without undue delay."

Bronson's platform for the 1980 campaign is that he is "the judge who keeps his promises." In support of this position he is able to cite achievements which are a matter of public record.

He promised to end long delays in proceedings at the expense of

defendants, witnesses and police, as well as civil litigants.

After taking the 14th District bench in 1974, Judge Bronson increased the working hours of the court, cut red tape and speeded hearings so that the list of criminal jury cases awaiting trial was reduced from 114 to fewer than 10. All cases are now brought to trial in less than 60 days unless additional preparation time is requested and justified.

By eliminating unnecessary delays and preventing wasted court appearances, Judge Bronson is now saving litigants, defendants and witnesses from fruitless trips to court. Time saved for police officers has reduced overtime expense and released police man hours for more on-duty protection of the public. The judge also pressed successfully for improvement of court facilities at Scio township, Saline and Whitmore Lake. As a result, large numbers of people from certain parts of the district are spared the time and expense of driving to court with round trips of as much as 50 miles.

Judge Bronson also made a promise to himself which he has fulfilled to the benefit of thousands of individuals and families in the 14th District: to develop a quality of justice better attuned to the powerful social changes which have taken place in our communities, especially among the young. Estrangement between generations, the drug culture, childhood alcoholism, casual sex, access to 100 m.p.h. cars, vandalism and felonies create courtroom problems that affect the lives of all who live in the 14th District.

Young offenders who come before Judge Bronson are treated as individuals. Punishment for misdemeanors may take the form of fines, work programs, driver education, substance abuse education, deferred sentences, probation or jail time. Judge Bronson's aim is to make each defendant's first offense his last.

A parent of six children aged 16 to 22, Judge Bronson feels deeply that no judge, nor any court of law, can take the place of family strength and family unity in developing good citizens. He believes that the authority of the parents should be enhanced where possible. Before sentencing a young first offender on a misdemeanor, he either invites the parents or other interested parties to meet with him or his probation officer. Often his probation officer may visit the family in their home situation.

Judge Bronson initiated weekend work programs for some convicted offenders instead of jail and also makes selective use of deferred sentencing. For public convenience he has established Saturday night trials. In the interests of correction and rehabilitation he relies extensively on drug awareness programs and locally centered alcohol awareness education.

Community Ed. Dept. Offering Dance Classes

The Community Education Department is now offering dance classes in Beginning Ballet, Jazz, tap, Hawaiian, and Tahitian.

Lessons will be given privately, semi-privately and in groups. Classes will be held beginning Monday, Oct. 27 for eight weeks. The fee for each lesson will be \$2 for group or semi-private and \$2.50 for private lessons. All classes are one-half hour long.

The Community Education Office is now taking 15 minute appointments for Oct. 20 to meet the instructor. Those interested, should contact Suzanne Morrison at 475-9830 for further information.

SOCCER CHAMPIONS: Is the soccer world ready for thirteen more Peles? Chelsea Special Olympians (front row) Mike Goebel, Dennis Czechowski, Dawn Stancato, Kim Foss and Area 20 Coach Nancy Cooper; (back row) Albert Bedard, Lori Brown, Tracey Harvey, Theresa Murphy, Mike Foster proved they were tops in the

area on Oct. 8 as they won the Washtenaw county Soccer Tournament defeating both Dexter-Ann Arbor and High Point Center convincingly. Both trophy and first-place ribbons were awarded to the Chelsea squad. Not present for the photo were Terry Walkowe, Linda Alber and Clarence Weiss.

Special Olympians Win County Soccer Tourney

On Friday, Oct. 3, Chelsea Special Olympians traveled to High Point Center to take part in the Washtenaw County Soccer Tournament. Dexter High school and the Ann Arbor Young Adult Program teamed up to make a second team and High Point Center was the third.

Dexter-Ann Arbor took on High Point and defeated them, 4-2, but the tournament was then postponed because of the rain and

cold. The tournament resumed on Tuesday, Oct. 7, when Chelsea tackled High Point and won, 6-1. Chelsea goals included one by Terence Verge, three by Mike Goebel and two by Dennis Czechowski.

Alternating in the net were goalies Clarence Weiss and Glenn Passow. The defensive line included Mike Foster, Albert Bedard, Ryan Sweeney, Linda Alber and Dawn Stancato. The of-

fensive attack was led by Mike Goebel, Dennis Czechowski, Tracey Harvey, Terence Verge and Lori Brown.

The tournament championships were played on Wednesday, Oct. 8 in Chelsea. The Special Olympians shut out Dexter-Ann Arbor, 6-0, with three goals each scored by Dennis Czechowski and Mike Goebel. Excellent defense was played by goalie Terry Walkowe and by defensemen

Ryan Sweeney and Clarence Weiss. Tracey Harvey and Terence Verge were also leaders on the offensive line.

Chelsea was awarded the trophy and first-place ribbons followed by second-place Dexter-Ann Arbor and last place High Point. The Chelsea squad was coached by Nancy Cooper and Tom Taylor and Dexter was under the direction of Arlen Schreiber and Rick Horn.

CHS Drama Class Chooses Comedy

The Chelsea high drama class has chosen its 1980 production, "You Can't Take It With You," a comedy farce written by Moss Hart and George S. Kaufman.

The play takes place in the home of Martin Vanderhof, played by Paul Brehob. He lives with his granddaughter, Penelope Sycamore (Mary Markle), her husband, Paul (Bob Benedict), and their two daughters, Alice (Katie Lewis) and Essie (Donna Finkbeiner) and Essie's husband, Ed Carmichael (Jim Herter). Also living there is a maid, Rheba, played by Greta Picklesimer and Mr. Depina (Brad Barr), who came one day and just stayed.

They all "do their own thing" in one room, normally called the living room. That is, however, an understatement. In this one room, plays are written, snakes collected, ballet steps practiced, xylophones played and printing presses operated. This entire family, with the exception of Alice, is mildly insane.

Alice, having contact with the outside world, is the only character playing with a full deck. She has fallen in love with Anthony Kirby, Jr. (Rick Eder), the son and vice-president of Kirby and Son.

The plot thickens when an internal revenue man, Henderson, played by Eric Kruger, comes to

see why Grandpa Vanderhof hasn't paid any income tax.

Meanwhile, Alice and Tony become engaged and invite Tony's parents to visit with Alice's family. In the middle of this, seven G-men raid the house and place everyone under arrest.

Among all this confusion is a Russian ballet instructor, the loud and big Mr. Boris Kolenkhov (Mike Ward) and his girlfriend, the Grand Duchess Olga Katrina (Kathy Hearst) and a bombed actress, Gay Wellington (Judy Bowling).

Production dates for this hilarious comedy have been set for December 17, 18 and 19.

Advertising revenue pays for costs of producing The Standard. Let the merchant know you appreciate it.

CHS Orchestra Plans Concert for Monday

The Chelsea High school orchestra members extend an invitation to the community to attend their first concert of the season to be held on Monday, Oct. 20 in the Beach Middle school auditorium. This concert will also feature a guest appearance by the Colden Quartet.

All members of the Colden Quartet, Marshall Meade, Mary Ann Meade, Michael Meade and Andrew Dabzynski, are graduates of both the Eastman School of Music and the University of Connecticut. The ensemble has studied with the renowned Juilliard Quartet. At present, they are faculty members at Western Michigan University.

The upcoming concert will be conducted by Kevin Miller, Chelsea's new orchestra director. In his first Chelsea appearance, he will be conducting the 7th and 8th grade orchestras as well as the high school orchestra.

On Friday, Oct. 10, the orchestra from Eastern Michigan University came to Chelsea High school to participate in a workshop session. The Chelsea High school orchestra opened the session by playing Hopak by Modest Moussorgsky. Eastern Michigan followed by playing the Thieving Magpie Overture by Rossini and Caprice Espagnole by Rimsky Korsakow.

Listening to the Eastern Michigan Orchestra perform gave Chelsea musicians a unique opportunity to hear a University-level orchestra and discover the degree of skill needed for a group of this caliber.

Following the orchestra solos, the Chelsea orchestra members joined the EMU students on stage. Together, the two groups played Varon (Last Spring) by E. Grieg and Playful Picnic by B. Britten. Both of these selections

were led by Eastern Michigan University's conductor, Mr. Reed who worked on phrasing, bow changes and dynamics.

Miller is planning many orchestral activities for the coming year. In addition to the Eastern Michigan University session and the appearance of the Colden Quartet, the Chelsea orchestra will be performing in Okemos and in Toronto early next spring.

Orchestra parents are reminded to attend the pot-luck dinner at Beach school before the concert on Oct. 20.

Faith Markle Performing With WMU Symphony

The University Symphony Orchestra, a 70-member student ensemble from the School of Music at Western Michigan University, will perform a free public concert under the direction of conductor Herbert Butler of WMU. This concert, scheduled to begin at 3 p.m. Sunday, Oct. 19, will take place at Miller Auditorium.

One member of the Chelsea community is part of the orchestra personnel. She is Faith Markle, 17476 Cavanaugh Lake Rd., the daughter of James and Patricia Markle.

Highlighting the program will be a performance of Haydn's Concerto in E-flat for Trumpet with music faculty member Stephen Jones as soloist. The school of music is celebrating a Haydn Festival this semester and many fall concerts will feature his music.

Stephen Jones is an associate professor of music at Western, where he teaches trumpet and performs with the Western Brass Quintet, a nationally recognized faculty ensemble.

GLIDING MAJESTICALLY across crystal clear waters is Sealestial, a 71-foot yacht owned by Dr. Michael Papo of Chelsea. She has been captained by such people as William F. Buckley, Jr., and will star early next year in a made-for-TV documentary filmed during Buckley's trans-

Atlantic cruise last spring. Captained by Dr. Papo in early August, Sealestial was the first American-crewed vessel to ever win the Regatta of the Queen of Holland held in Porto Ercole, the port of Rome.

Dr. Papo's Yacht Sealestial Wins Prized Regatta in Rome

Last June, columnist and National Review editor William F. Buckley, Jr., chartered a 71-foot yacht, owned by Dr. Michael Papo of Chelsea Community Hospital, and set out on his second trans-Atlantic crossing.

Five years ago, Buckley made a similar journey upon which the book Airbourne (A Sentimental Journey) was based. Buckley is planning another book and, enroute from St. Thomas to Gibraltar, a made-for-TV documentary was filmed aboard the sailing vessel. It will be shown nation-wide early next year.

Upon docking Dr. Papo's Sealestial, she was made ready for a yearly race in the port of Rome. The annual event, the Regatta of the Queen of Holland, is a 70-mile evening race through the rock-filled waters of Porto Ercole.

Originated 12 years ago by Queen Juliana, the purpose of the night regatta is to test a captain's navigational skills through jagged, erratic rock formations. The Sealestial sailed the dangerous course with Dr. Papo as captain and a number of Italian friends crewing the yacht.

With countless yachts competing for both the honor and the cup awarded, Dr. Papo's vessel won the Aug. 13 race, much to everyone's surprise. It was the first time, in a dozen runnings of the race, that an American-crewed yacht took first-place honors in the yacht basin competition.

Award ceremonies were scheduled for the following week, but Dr. Papo was not able to be present. Therefore, a special award ceremony was staged for Aug. 13 and was held at the yacht club Argentario. The trophy was presented by Princess DiLappe, the aunt of Queen Beatrice of Holland, and was awarded in the Queen's name.

Thereafter, the Sealestial was taken to Nice, France where she is preparing for her second 1980 voyage across the Atlantic. She will set sail in November and cross from Spain to Antigua. This time, Dr. Papo, son Rene, Dr. Schaub and Dr. Botsford will comprise the captain and crew.

The doctors' journey should take roughly three weeks to accomplish.

Advertising revenue pays the costs of news gathering, photos and production of The Standard. Let your friendly home-town merchant know you appreciate it.

Senior Citizen Nutrition Program MENU and ACTIVITIES

Week of Oct. 17-23

Friday—Pork chow mein on chow mein noodles, buttered cabbage, carrot and pineapple salad, muffins with margarine, applesauce. Recorder, 10 a.m. "Bible as History and Literature," 11 a.m.

Monday—Turkey roll with gravy, baked yellow squash, three bean salad, bran muffin with margarine, chilled fruit cup. Crafts. Roger Smith, master audiologist, will be at the nutrition site to examine ears and test hearing. He will also present a short talk about the problems of the hard of hearing.

Tuesday—Sloppy Joes on a bun, baked beans, assorted relishes, calico slaw, red plums. Cards.

Wednesday—Cheese fondue, country style tomatoes, lettuce and spinach tossed salad with dressing, cornbread with margarine, peanut butter cookie. Legal service lawyer, 11:15 a.m.

Thursday—Happy Birthday—Fricassee of chicken, buttered broccoli, apricot salad, white bread with margarine, birthday cake. Exercise class, 11 a.m.

If you're looking for some different family recreation this fall, visit one of Michigan's many apple orchards to watch apple cider being made. The apple aroma, together with fresh baked donuts, caramel and candied apples, and sips of tangy apple cider are all a part of fall in Michigan.

Dave Conklin Happy As Plush Florida Club Pro

After playing golf for four years at both Chelsea High school and Central Michigan University, Dave Conklin, the 28-year-old son of Beach Middle school principal Alan Conklin and home economics teacher Lillian Conklin, headed to Miami, Fla. in October, 1977 to begin teaching golf for a living.

Conklin began by landing a job at the Doral Country Club, serving as one of 10 professional golf instructors. He stayed there for about two years but has moved north to Ft. Lauderdale and Bonaventure Country Club where he virtually operates his own business.

As the only golf pro at Bonaventure, the head instructor manages to give 10-12 lessons each day. The job, glamorous as it may seem, does have its hazards. Conklin has been burned

by nervous golfers smoking cigarettes, clubbed in the legs by erratic swings and has been forced to dodge balls sent sailing by his clients.

In addition to a series of tips that Conklin offers his students, which have included such people as Joey Bishop, he demonstrates the correct form and stresses the pupil's self-confidence.

Still, the misplaced Michigan native makes a good living at the prestigious club where both he and his wife, the former Jane Bond of Owosso, are employed. Interestingly, Conklin never knew his wife when they lived in Michigan. They met at the Doral Country Club and were married in April, 1979.

Today, the couple shares the pro shop at Bonaventure Country Club and lives a short distance away in Plantation.

Tennis Team Loses Two in Past Week

Chelsea High school tennis team played at Jackson Northwest and Gabriel Richard this week, losing both, 1-6.

The doubles team of Elsiele and Ziegler won both of their matches, bringing their record to 6-3. They won handily, 6-0, 6-1, over the Northwest team of Harwood and Dexter, who had defeated them earlier.

They went three sets against Olegario and Lo Buglio of Gabriel Richard, 6-2, 3-6, 6-4. The third set was a thriller as Chelsea was down, 0-3, came back to tie it up, 3-all, and then Gabriel Richard went ahead, 4-3. Chelsea came back to tie it again and finally went ahead, 5-4. They went to

deuce three times before putting it away.

In singles, Carolyn Chandler went three sets against Val Tucker of Northwest but couldn't manage to win. She lost the first set, 1-6, won the second set, 6-4 and then lost, 6-8, in the third. The third set must be played in its entirety and Carolyn played an inspired game against a third-year player.

These were the highlights of this week's action. Friday, the team travels to Battle Creek for the Regionals.

Candidates Nights Begin Tonight on WCC Campus

Washtenaw Community College and the Ann Arbor League of Women Voters are sponsoring a free series of four "Meet the Candidates" nights beginning Thursday, Oct. 16. The public is welcome at each of these and will have an opportunity to ask questions of those campaigning for county offices, state and congressional offices as well as those running for commissionerships.

On Thursday, Oct. 16, from 7:30 to 10 p.m., those running for county offices will be available for discussion in Lecture Hall of the College's Liberal Arts and Sciences Building at 4800 E. Huron River Dr. State and U.S. Congressional candidates will be available the following Thursday, Oct. 23, from 7:30 to 10 p.m. in the same location.

Commissioner candidates from Districts 1-5 will meet the public on Tuesday, Oct. 28, from 8 to 9:30 p.m. in the auditorium on the first floor of the Ypsilanti Central Community Building (the old Ypsilanti High school) at 210 W. Cross St.

On Thursday, Oct. 30, from 7:30 to 10 p.m., in Lecture Hall I of the College, commissioner candidates from districts 6-15 will be available.

Questions about the "Meet the Candidates" nights should be directed to WCC staff at (313) 482-2230.

In 1920, the Women's Bureau was established in the Department of Labor by an act of Congress, according to a publication of the U. S. Department of Labor.

Legislative Update

A Weekly Report from
State Rep. Mary Keith Ballentine
State Capitol, Lansing 48909
Phone (517) 373-1775

Week of Oct. 13-20

WELFARE REPAYMENT — The Attorney General has ruled that the Treasury Department can enforce repayment from anyone who has received excess welfare benefits; this would be done mainly through deductions from any income tax refund due the person.

BEAVER SEASON — Begins Nov. 15 in the U. P. and Dec. 6 in the Lower Peninsula, running through March/April. Last year's beaver-otter harvest matched the record count of 27,950 taken in the 1972-73 season. A mild winter helps.

LICENSE LOBBY — The Michigan Health Occupations Council has told the legislature that there is no need for the state to regulate myofunctional therapists or audiologists and speech and language pathologists, who are seeking licensure rules.

SCHOOL LOAN — The state has borrowed \$100 million in short-term notes from Michigan banks in order to meet the school-aid payments which are due to be paid to local districts next week. Borrowing has been somewhat complicated by the present lack of a full-year budget, which has caused several investment houses to lower their ratings on Michigan bonds.

JOB PROGRAM — Governor Milliken has proposed a first-ever state employment plan, placing job creation in the main areas of state-government responsibility along with education, welfare, law enforcement and recreation. The Governor spells out 14 proposals for the legislature, including policy changes and creating various development authorities; his office would work on administrative details such as simplifying the application process for doing business here. At the heart of it all would have to be balanced reform of the workers compensation system.

BUDGET ORDER — Acting with the authority delegated to them by the legislature, the Governor and the Management and Budget Director have made additional cuts from spending for higher education, mental health and welfare, bringing total cuts from the present budget to \$770 million.

WATER RULES — The Joint Legislative Rules Committee and the Water Resources Commission have approved Michigan's first set of uniform rules to protect ground water quality. They prohibit any discharge that may cause degradation to quality in underground water-bearing earth.

HANDICAPPER PROGRESS — The Civil Service Commission reports that many more handicapped people are now working for the state than ever before. This results from testing policy changes, installation of equipment for the deaf, and conversion of office buildings to be barrier-free.

SLUDGE DISPOSAL — The DNR has accepted recommendations to make sludge disposal easier and cheaper for local communities under Michigan's Hazardous Waste Management Act, including deregulation of landfill sludge and improved discharge control in local sewage systems.

Girls JV Cagers Win 2 of 4 Games

After two disappointing, close defeats, Chelsea's JV girl cagers bounced back to defeat Lincoln soundly by a score of 43-28 and slide past South Lyon, 28-14.

Chelsea fought hard against Class A Adrian before losing, 28-24. Leading scorers were Tracy Borton with 11 points and Kim Boyd with seven.

Chelsea then traveled to Saline and led, 14-13, at the half. However, they were unable to hold the lead and lost, 31-29. Borton led with 15 points; Boyd had six.

Last Thursday, Chelsea jumped into a 15-2 lead against Lincoln and stretched their lead to 25-9 at half-time. After a surge by Lincoln which cut the lead to nine points, the Bulldogs took control to win by 15 points, 43-28. Borton and Amy Hume led with 12 points each.

Chelsea continued winning Friday against South Lyon, 28-14. Chelsea jumped to a 14-10 half-time lead and closed the game by a 28-14 margin. Borton again led the scoring with 10, followed by Hume, Boyd and Carol Warren with four points each.

Additional highlights in the contests included two freshmen scoring their first points for the

JV squad. Jane Wood netted two points against Lincoln and Wendy Wolfgang added two in the squeeze past South Lyon.

The JV girl cagers are now 4-6 on the season and will play Pinckney today.

Golf Team . . .

(Continued from page one) his best effort all year and gave him a 13th place finish. Bruce Centofanti came in fourth on the Chelsea team with rounds of 47-40. His 87 stroke total put him in 15th place in the conference finish.

Harriers . . .

(continued from page one) Bradley, 50th at 17:23, Dave Kies, 56th at 17:33, Eric Green, 75th at 18:14, and Toby Boyd, 88th at 19:32.

The Bulldog runners faced Lincoln Tuesday in a battle between two unbeaten teams and travel to South Lyon today for their last dual meet of the season.

Telephone your club news to 475-1371

Freshman Gridders Downed By Saline, 32-28

Last Thursday, the Chelsea freshman gridders lost an exciting game to Saline, 32-28. Chelsea mistakes contributed to the loss, particularly a fumbled punt that gave Saline a two-point safety.

The Hornets came out in the first quarter to give Chelsea a bit of a scare, tallying the first 14 points of the game. But, before half-time, the freshman Bulldogs had managed to tie up the game on two pass completions from Steinhauer to split-end Dave Bushway and to tight-end Chuck Hager. With only 20 seconds to go in the initial half, Saline made a 45-yard play, giving them the 22-14 go ahead at the end of the second quarter.

The third quarter found both teams scoring. First, the Hornets upped their score by eight. It was followed by a Chelsea score, narrowing the Saline lead from 30-14 to 30-22. But, in attempts to punt to the Hornets, Chelsea fumbled the ball, giving their opponent a two-point safety and virtually, the game.

The last time Chelsea got hold of the football, Jay Marshall made a 30-yard run into the Hornets end zone to give the Bulldogs an additional six points. The attempt for the extra point failed.

Offensively, Chelsea was able to move the football very well but defensively, they could not put a stop to the Hornets' forward movement. According to Coach Jim Ticknor, "Even though the team made several key mistakes, they didn't give up."

Statistically, quarterback Marty Steinhauer completed 11 of 32 passes, gaining more than 100 yards through the air, including two touchdown passes. In addition, he rushed eight times for 78 yards. Jay Marshall totalled 127 yards on 13 carries.

The defensive line was led by linebacker Dave Walter, cornerback Jeff Morgan and quarterback Marty Steinhauer with nine tackles each. Gar DeVoe made eight tackles.

The Chelsea freshman Bulldogs are now 3-3 on the season.

Real Estate

By PAUL FRISINGER

REALTOR

REALISTIC SELLING PRICE

A realistic selling price is the most important consideration to the prospective buyer of your home. The worst mistake a seller can make is to unrealistically overprice his home.

The finest advertising and sales efforts can't sell a home unless the price is right. Many good prospects will shy away from a home that's out of their price range. When the price eventually comes down to a realistic figure, these best prospects will have been lost forever. The seller will be doubly inconvenienced by having to show the home to prospects over a lengthy period of time while at the same time paying for the mort-

gage, interest, taxes, insurance and maintenance.

Any home will sell at a realistic price (unless it's ready to fall off a cliff or is haunted). How do you set the right price from the start? Let your REALTOR help you set it. He's out to serve your best interests, knows the local market and can suggest a realistic price that will sell.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

stances the parents end up paying for their child's or children's involvement. This consequence neither teachers the offender, the responsibility for his action nor the accountability for his conduct. If the offender is required to pay a percentage of his earnings, or in the alternative, to perform charitable work, then maybe he will realize and appreciate that victims have rights, starting now.

Stanowski is a member of St. Andrew's church of Saline and has been elected to serve as Advocate of the K. of C. Council No. 6874. He is also president-elect of the Optimist International of Ann Arbor and is a member of Eastern Michigan University and Detroit College of Law Alumni Association; Prosecuting Attorney's Association of Michigan; Law Enforcement and Industrial Security Association of Washtenaw County; American Legion Post 322; Michigan Bar Association and the Washtenaw County Bar Association.

J. Stanowski Seeks District Court Post

John W. Stanowski, candidate for election to the 14th District Court, resides in Saline (York township) with his wife, Rene and children, Christian and Nicole. Stanowski lived in Ypsilanti while attending Eastern Michigan University from which he graduated with a Bachelor of Science degree. He attended Detroit College of Law and graduated with a Juris Doctorate degree. Mrs. Stanowski is also a graduate of Eastern Michigan University with a Bachelor and a Master degree in education. She is a teacher at Houghton Elementary school in Saline.

Upon completion of his studies at Detroit College of Law, Stanowski began a private practice. Shortly thereafter, he was called to serve in the United States Army.

Capt. Stanowski served in the Judge Advocate General's Corps as a military defense attorney representing soldiers at Special and General Courts-Martial. At Fort Benning, Ga., Capt. Stanowski served as chief legal advisor for the post, providing legal services for the active duty, dependents and retirees.

Capt. Stanowski served as the post legal advisor to the armed forces disciplinary control board which was responsible for the protection of the servicemen's rights against discriminatory housing and unfair contractual obligations.

On the week-ends, Capt. Stanowski provided free legal services to the indigent at the Columbus Legal Aid Society.

Capt. Stanowski's military tour of active duty terminated in June, 1974. He remains active with the United States Army Reserve, 106th JAG (Procurement Law) detachment. He has a total of 14 years of reserve service and is scheduled for promotion to Major this year.

In July, 1974, Stanowski was appointed Assistant Prosecuting Attorney by William F. Delhey for the County of Washtenaw. Within the office of the prosecuting attorney, he was in charge of the Co-operative Reimbursement Program, advisor to the Crime Prevention Bureau and attorney/advisor for the consumer action center. Recently, Stanowski was placed in charge of the Probate Court Division: Mental Health and Juvenile. He

JOHN W. STANOWSKI

also represents the state in child abuse and neglect cases.

Stanowski has been employed by the Prosecutor's office for six years and is one of the Senior Trial Attorneys. As a Senior Trial Attorney, he has prosecuted persons charged with homicide, criminal sexual conduct, murder, arson, robbery, larceny as well as District Court misdemeanors. After work Stanowski has taught at the Southeast Regional Criminal Justice Training Center. For the past five years, Stanowski has taught at Washtenaw Community College.

Stanowski believes that a judge must treat every person that comes before the court with dignity and respect. This includes attorneys, jurors, witnesses, persons charged with a crime, as well as, the court staff and personnel.

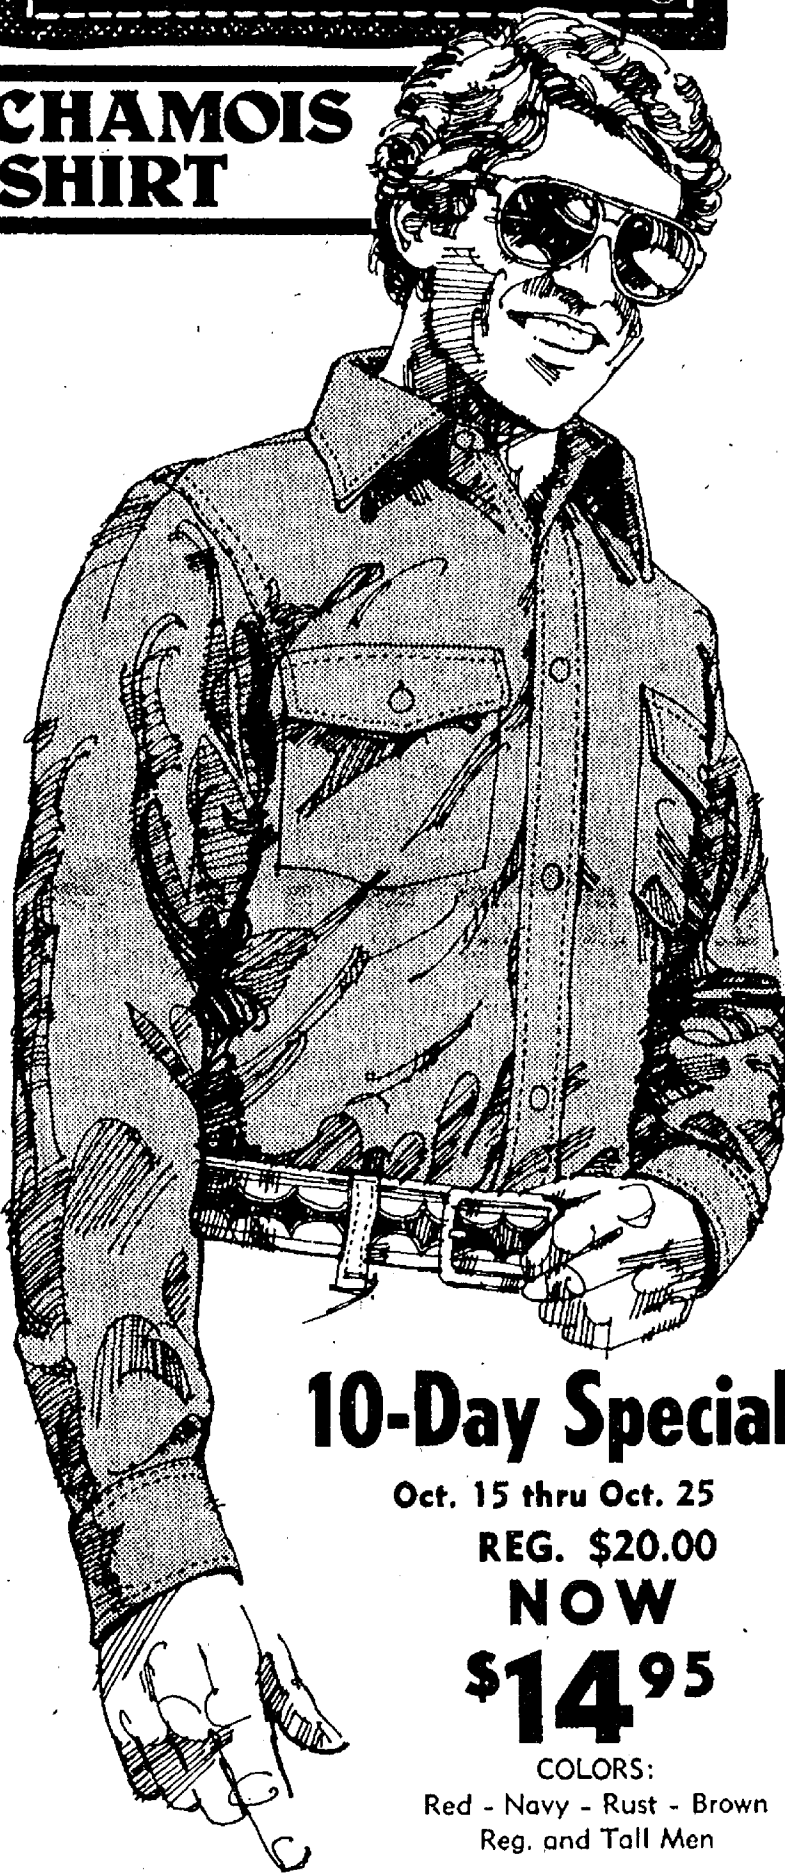

Likewise, a judge must be impartial toward groups and individuals as well as independent of political and economic pressures.

Stanowski believes and will work toward the establishment of a night court. This is predicated upon the realization that many people cannot afford to lose time from work in order to present their side. Night court would reestablish a person's right to have his/her day in court.

Similarly, Stanowski believes and will work toward the establishment of a work restitution program for the youthful offender who is involved in property crimes. Most youthful offenders who are involved in crimes are involved in either larceny or malicious destruction of private property. In many in-

Under the direction of David Catron (pictured here), the band will be performing at all MSU home football games as well as traveling to Ann Arbor for the University of Michigan game and to West Lafayette, Ind., for the Purdue University game.

Letters to the Editor

To the Editor:

One does not just say "thank you" for over 36 years of continued service, one lives it. So we did just that. On Oct. 6, St. Mary's Altar Society was honored with a dinner of Appreciation, sponsored by fellow parishioners, Parish Affairs, and Christian Service Committee.

The theme was the beauty of Autumn. Colored leaves decorated the walls of St. Mary's gym, along with corn stalks and pumpkins. On the tables were bud vases, and centerpiece, bearing the blooms of fall hues. All these flowers and corsages for 12 past presidents were donated by Sandy Zeeb. The dinner was delicious with dishes donated by ladies of the parish, complementing the ham and potatoes offered by our Parish Finance Committee. All was set for the entrance of the Altar Society members, and our guest priests, Father Philip Dupuis, and Fr. Joseph, the new Director of St. Louis School.

In a written tribute to the ladies Fr. Dupuis said, "Sometimes you may feel that the parish or the pastor takes you for granted. But don't you believe it. If we sometimes forget to say thank you, put it down not to indifference, but to confidence... confidence in your loving devotion." Our deacon, Richard Cesarz, who helped to serve put it, "I came to help because of all they have done for me."

I guess that sums it up for all of us. There are some names that should be written in gold ink who aided in this preparation and were hidden in the back—Mary Beth Hettling (Parish Affairs), and Homer Allen, a blind man of our town, who with guidance washed and wrapped potatoes, and did dishes on Sunday afternoon. Diane Killelea, Karen Dixon, Mary Degener, Carolyn Arbogast, Kriss Keane, you were all so wonderful. Oh yes, least we forget the young people, Karen Killelea and friend, Kim. It's folks like you who make work a labor of love. God bless you all, and each of you who added to our joy with your favorite dish... Fred, our custodian who set up our tables for us, not once but twice... you have all found a place in my heart and prayer.

Mrs. Millie Warner,
Chairman of Christian Service.

To the Editor:

The work of the VFW Post and Auxiliary never cease, as long as there are veterans in hospitals.

Job is a Americanism chairman's heritance has given us the rights and freedom that no other country in this big World has. We should do our utmost to preserve these rights, we so freely take for granted. The veterans fought and died to preserve and build our heritance, as such. We serve America by teaching patriotism and love of country—by donating American flags to schools, churches, scouts, and public meeting places. In the past 20 years, I have been responsible for obtaining monies to be able to freely give over 200 American flags to various groups and places within the Chelsea area.

Our legislative chairman is busy now with the studying of national, state and local governmental officers, who stand by our Veterans. One of our greatest privileges is being given the right to vote, as we so choose. Also, the many bills passed in the House of Representatives and Senate pertaining to them and their welfare.

The cancer chairman is responsible to see that each member has a cancer insurance group card. The national organization has sponsored this program for all auxiliaries. Cancer aid and research is sponsored at Bar Harbor, Me., where a wing at that hospital was donated by the VFW Auxiliary of the United States for continuous research of service for everyone.

Through the community service chairman, local auxiliary members addressed the Chelsea United Way envelopes sent recently to all residents of the Chelsea district.

We hope we have explained the many important organizations compiled for our organization.

Eulalie Packard.

The Triangle Shirtwaist Co. fire in New York on March 25, 1911, which caused the death of 146 workers, led to establishment of the New York Factory Investigating Commission and eventual improvement in factory conditions, according to "Important Events in American Labor History," a publication of the U.S. Department of Labor.

Historical Room Houses Many Valuable Items

There has been a "Historical Room" at the McKune Memorial Library ever since the public library moved into the McKune House in 1959, but it was only a depository for the many historical items given to and acquired by the Library. For the past six months two volunteers, Mrs. F. J. Wagner and Mrs. E. W. Eaton have been at work putting the room in order and processing the many items of interest collected there.

There is a great deal of material on the Civil War, including the original roster of Company K of the Michigan Infantry (Chelsea Area), the lists of men in World Wars I and II entering the service from the Chelsea area, and reported meetings of

the R. P. Carpenter Post of the G.A.R. There are many publications of the state, county and the city of Detroit, such as reports, historical events and genealogical information, assisting aids and actual forms for family trees, as well as a number of individual family histories.

There are three histories of Chelsea, and one of the first Child Study Club, the Woman's Club, the Ladies Literary Society, the Public Library, MOMS of America and of three of the churches. Many people over the years have kept scrap books of interesting events and given them to the Library.

There are many pictures of individuals and groups, some iden-

tified, some not.

There are histories of some of the towns around Chelsea, and the stories of their centennials. Chelsea's own centennial is there. There are many clippings put into scrap books by the workers on these projects.

All of these items and many more, including four cases of books, have been listed on catalog and shelf cards. A copy of the contents of the room and where each item may be found is on display in the Historical Room.

In addition there are 81 bound volumes of The Chelsea Standard, the 50,000 obituary cards of the cemetery files, which is the work of Harold A. Jones; the microfilms of these and The

Standards. Many of these items are in a very fragile condition and must be handled gently.

There is nothing at present in the collection concerning the men who served in the Korean or Vietnam wars from Chelsea and the

Library would welcome anything on the subjects from individuals or organizations having such information.

This work in the Historical Room is only one part of the ongoing work which has been done by volunteers for the past 40 years. Any one interested in volunteer work would be welcome.

Pharmacists Week Slated

Governor William G. Milliken has proclaimed Oct. 19-25 as Michigan Pharmacists Week. The pharmacists of Chelsea Community Hospital, Chelsea Pharmacy and Village Pharmacy are taking this opportunity to meet and talk with the residents of Chelsea and surrounding areas and a presentation will be made to the Chelsea High school health careers class and health class about the pharmacy profession.

Displays will be held at the following locations: Chelsea Senior Citizens Activity Center, 134 W. Middle St., Tuesday, Oct. 21, from noon to 4 p.m.; Chelsea Community Hospital Dining Room, Wednesday, Oct. 22, from 11 a.m. until 2 p.m.; Chelsea Nutrition Program, St. Mary's school, Thursday, Oct. 23, between the hours of 10 a.m. and 1 p.m.; and, Chelsea State Bank, 305 S. Main St., Friday, Oct. 24, from 10 a.m. to 2 p.m.

The local pharmacists encourage the public to come and discuss such topics as what you should consider before selecting a pharmacy, the use of generic drugs for filling your prescriptions, over-the-counter medications, and safety caps.

The pharmacists ask that interested persons bring their medications and their questions in order to gain a better understanding of the services a pharmacist can provide.

Fender Skirt Stolen From Parked Auto

On Friday, Oct. 10 a fender skirt was stolen from a 1979 Buick parked in the Emergency Room parking area at Chelsea Community Hospital. The incident occurred between the hours of 10 a.m. and 11:50 a.m., when it was reported to Chelsea Police by Genevieve Walden of Manchester. Approximate value of the stolen accessory was estimated at \$200.

The Chelsea Standard

Section 2

The Chelsea Standard, Thursday, October 16, 1980

Pages 9-18

RETIRING AFTER 15 YEARS of service as Sylvan township clerk, Daniel J. Murphy, center, holds a plaque awarded to him by members of the Sylvan Township board in a ceremony at the township hall last week. Flanking him on the left are Treasurer Fred

Pearsall and Supervisor Don Schoenberg and James Carruthers and Reuben Leaser, Jr., both trustees, on the right. Taking Murphy's seat with the township is Mary Harris who will seek re-election to the office in the November general election.

Sylvan Township Board Recognizes Retiring Clerk Daniel Murphy

After devoting 15 years to the community, Daniel Murphy retired from his position as Sylvan township clerk. In a ceremony last week at the township hall, Murphy was presented a plaque in appreciation of his efforts and time spent

serving as township clerk.

Murphy retired from township service for a number of reasons, including the desire to spend more time with his family. He is actively involved in a wide variety of civic and school-related organizations ranging from Little League and the Athletic

Booster's Club to the Ad Hoc Committee.

Not only is he an owner of the Chelsea Pharmacy but also, Murphy is the Director of Pharmacy at Mercywood Hospital in Ann Arbor. He is somewhat involved with the Chelsea Community Hospital pharmacy and is cur-

rently serving on a number of committees in East Lansing whose main concerns deal with Medicaid.

Presently appointed to his former post as township clerk is Mary Harris who is a candidate for the position on the Nov. 4 ballot.

New Hours Set for Sheriff Sub-Station

Sheriff Thomas R. Minick has announced the revised office hours for the Washtenaw County Sheriff's Department sub-station in the Village of Chelsea at 1400 E. Old US-12 as follows:

—Monday through Friday 9 a.m. to 1 p.m., and by appointment. Citizens may telephone 971-8400 to make appointments.

Sheriff Minick indicated that the revised hours are a result of a study of walk-in traffic since May 12, which suggests most citizens utilize the sub-station between 9 a.m. and 1 p.m. to report criminal offenses, process gun permits and inspect weapons.

Sheriff Minick further noted that the Village of Chelsea facility would continue to serve as the West County Road Patrol operations sub-station.

Sheriff Minick also announced that starting Monday, Oct. 20, the Sheriff's Department will assign a detective to the Village of Chelsea sub-station. The assignment of a Detective to the Chelsea sub-station is the result of a six-month study of criminal offense patterns and investigative work loads. Detective Paul Wade will be assigned Monday through Friday with variable scheduled working hours.

Church of the Nazarene Dedicating New Building

The congregation of Southwest Church of the Nazarene extends an invitation to the public to attend their dedication service at 3 p.m., Sunday, Oct. 19. The new \$70,000 structure is built on a 10-acre parcel on M-106, three-quarters of a mile south of Gregory. The host pastor will be the Rev. Frederick T. Bridge.

Guest speaker at the ceremony will be Dr. Donald Gibson, superintendent of the Eastern Michigan District for the Church of the Nazarene. He is a graduate of Olivet Nazarene College where he received an honorary Doctor of Divinity degree.

The Gregory church was organized in July, 1978 with 27 charter members and it now consists of members from Stockbridge, Gregory, Dansville, Fowlerville, Munith, Chelsea and Pinckney.

The new church is built of brown and white multi-colored brick and is situated on the north side of the property. The sanctuary, lined with oak pews, will seat 120 persons; no pew is more than 40 feet from the pulpit.

In addition to the work of general contractor, Henry Cornell of Howell, congregation members have contributed much time and effort toward the construction of the new facility.

DR. DONALD GIBSON

CUB SCOUTS

DEN 1, PACK 455—
On Tuesday, Oct. 7, the Den 1, Pack 455 Cub Scout meeting began with the flag ceremony. The American flag was carried by David Oesterle and the Den flag was carried by Joe Beaudoin.

Denner for the month is Jimmy Alford.

Christopher Wilson brought refreshments. The project of the week was on communications.

The meeting ended with retiring the colors and giving the Cub Scouts sign of reverence.

As a voice for the unborn, the handicapped, the aged, we do endorse the National Right to Life Month of October, for "All Life is in God's Hands."

Methodist Home Plans Bazaar

Chelsea Methodist Retirement Home is planning its annual bazaar to be held Saturday, Oct. 25 between the hours of 1 p.m. and 5 p.m. The entranceway to the bazaar is through the west door, located on the ground floor of the M building.

The event will feature baked goods, ceramics, art, jewelry, plants, a grab bag, odds and ends counter, and handwork of all kinds. There will also be a snack bar offering hot coffee and fried cakes.

The Home extends an invitation to the Chelsea community.

JV Gridders Win Over Saline, 12-6

Last week, the Chelsea JV Bulldogs defeated Saline's JV squad, 12-6.

On Chelsea's first possession, Kevin Richardson ran 13 yards into the Hornet end zone to give the Bulldogs a 6-0 lead. The attempt for the extra point was not good.

There was no scoring in the second quarter, but in the third, Saline came in on a two-yard run to add six points to their side of the scoreboard. The pass for the extra points was incomplete and the Hornets had managed to tie the score at 6-all.

Russell Harris came back in the fourth quarter and ran 15 yards to give his team the six points necessary to win their third consecutive contest.

Chelsea defensive line played exceedingly well, holding Saline to 89 yards rushing and five yards passing. The Saline quarterback

completed only one of his 13 intended passes. In addition, Glenn Prinzing added to Saline's problem by blocking one of their punts. There were nine turnovers, five fumbles and four interceptions by Chelsea that held the JV gridders from Saline down. Chelsea defense just kept rising to the occasion.

Offensively, Chelsea gained a total of 249 yards, 148 on the ground and 101 through the air. Leading rushers were Harris with 114 yards, Rowe with 23 and Richardson with 17.

Receiving passes were Weber from 55 yards out and McCallum from 32 yards.

**INSTANT READER
RESPONSE**

Tacklers included Prinzing with 10 and two fumble recoveries, Bertke with nine and one fumble recovery, McCallum with nine, including two quarterback sacks, Hintzen with nine, Waller with eight, Buckberry with seven, Harris with five, Richardson with five and a recovered fumble, Rowe with four tackles and an interception, Cattell with three, McCracken,

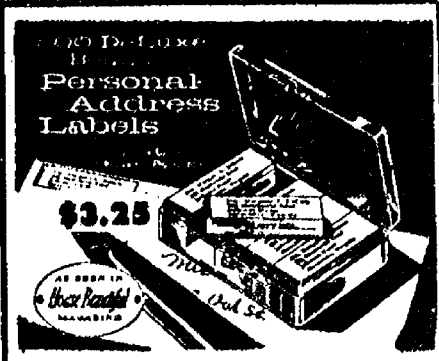

Marshall and Villemure with two tackles each and Cox, Greenleaf, Pate and Weber each with a single tackle.

The JV gridders are now 3-3 over-all and 3-2 in the SEC. This week they will take on the JV Rainsplitters of Ypsilanti Lincoln.

Kim Tobias in Army Basic Training

The People's Choice for Sheriff VOTE FOR LUSHIN SALTER for SHERIFF

"I have gained direct experience with the Washtenaw County Sheriff's Department during the years 1969 - 1978. I have also owned and operated successfully two different businesses for myself since I have been a resident of this area. As a union official I have had the benefit of leadership training while holding positions of critical importance for the union. I want to assure the people of Washtenaw County that I will utilize this varied background to direct the Sheriff's Department affairs in an efficient and productive manner."

—Lushin Salter

Gridders of the Week

TOM HEADRICK, sophomore offensive guard, is also an unusual case, having been given the opportunity to play ball with his older brother, senior Captain Eric Headrick. Since 7th grade, Tom has played football and is currently playing both offense and several positions on defense. According to Coach LaFave, "Tom will be an excellent football player, he's still got two more varsity years left." In addition to football, he is also a member of the baseball team and has wrestled. He has a paper route to earn extra money and shows natural talent in art and drawing, in particular.

MIKE NEIBAUER, sophomore linebacker, has played football in the Chelsea school system since he was in 7th grade, excluding 8th grade when he broke his arm. On the defensive line, Neibauer has started for the Bulldogs all year. In addition to the rarity of his being a sophomore promoted to the ranks of varsity ball, he is also a member of the Chelsea baseball team. Outside of school Mike remains an avid sports fan. As an outside interest, he lifts weights.

Girls Cross Country Team Closing Season

Chelsea girls cross country team ran well on Saturday, Oct. 11, placing 10th from a field of 23 teams at the Mason Invitational. "The girls ran well, even though three of them had colds," commented Coach Pat Clarke.

The lady harriers were led by sophomore Sandra Frame who placed 27th by covering the 5,000 meter course in 20:37 minutes. Other placers were Nancy Hastings, 42nd at 21:28, Lisa Vandegrift, 49th at 21:53, Sue Young, 87th at 24:21, Tracy Bolender, 94th at 25:10, Sandy Young, 102nd at 26:16 and Maggy Sweet, 103rd at 28:31.

The girls travelled to the Williamston Girls Invitational Wednesday and then, go to South Lyon on Thursday for their final dual meet of the year.

Cheryl Bennett Completes ROTC Field Encampment

Cheryl M. Bennett, daughter of Donna Courdway of 3556 Cushing Ct., Dexter, recently completed a U. S. Air Force ROTC field training encampment at Wright-Patterson AFB, Ohio.

During the encampment, cadets receive survival and small arms training and aircraft and aircrew indoctrination. They also have the opportunity to observe careers in which they might wish to serve as Air Force officers.

Boy Scouts Participate In Camporee

Boy Scouts of Troop 425 returned Sunday, Oct. 12, from the Bruin Lake, Munhake District Fall Camporee.

Fifteen boys from the troop participated in the camporee and an all-day learning session on the use of map and compass kept the 48 patrols from the Munhake District busy. Pacing, map reading and compass direction were all used for the long eight-point compass course set up for the afternoon session. Two and one-half hours was required to complete the course.

The day's activities were made complete with a roaring campfire after dark. Skits were put on by all the troops and were enjoyed by everyone. In addition, songs, clapping and cheering followed.

The week-end activities ended Sunday morning with the presentation of awards. Troop 425's Roadrunners received a second-place blue ribbon. The Roadrunners included Allen Cole, Ricky Cook, Chris Gallas and Eric Stoflet.

The Cobra and Raccoon Patrols received participation ribbons for their efforts of 29th and 30th place. Participants from these patrols included Tom Bennett, Jim Cook, Kevin Gross, Doug Jankuski, Rick Niethammer, Philip Patterson, Dennis Parisho, Robert Polens, Mark Porath, John Stephenson and Tim Weir.

SEC ROUND-UP:

Tecumseh, Saline Lead in Title Race With 4-0 Records

Milan 6, Dexter 3

Milan High school's Homecoming game was a little less than they expected. In a contest against a not too impressive Dexter squad, the Big Reds did all they could to finally come out on top, 6-3.

The Dreadnaughts got their only score of the game in the second quarter when McCoy kicked a 30-yard field goal. They led at half-time 3-0.

No scoring occurred in the third quarter but Milan finally wiped the goose eggs off its side of the scoreboard when Ludwig plunged in from the Dexter three-yard line, capping a 52-yard, seven-play drive. The two-point conversion attempt failed.

Milan is now 2-3 over-all and 2-2 in the SEC while Dexter remains in the conference cellar with a 0-5 season record.

Tecumseh 23, Erie 6

Tecumseh came through again Friday night, but their sixth consecutive win attained as easily as those that came before. In a hard-fought battle, the Indians came up with a 23-6 victory over Erie Mason, a team that came to the contest with a 4-1 record.

The Mason Eagles scored on

their first possession to give Tecumseh a slight scare. It was the first time all year that the Indians were scored upon in the first quarter.

But the Homecoming crowd was not disappointed as the Tecumseh squad drove 69 yards to score in the second quarter, giving them a slight 7-6 edge at the half.

The Eagles were held scoreless in the second half while Tecumseh came back to add two touchdowns and a safety to the scoreboard. The final score at the Indians' Homecoming game was a well deserved 23-6.

Parma-JCW 30, Lincoln 22

Homecoming fans packed the bleachers at Ypsilanti Lincoln's football encounter with Jackson County Western last Friday night. They came to watch the Railsplitters do what they do best, win football games. But they were given a surprise when the Panthers upset them, 30-22.

Jackson scored three times before Railsplitter Derrick Tolliver raced in from the Jackson 38-yard line to give his team their first six points. To complement Tolliver's endeavor, the pass for two points was completed, giving the Railsplitters their first eight points.

SCHOOL LUNCH MENU

Week of Oct. 20-24

Monday—Chicken salad on a Kaiser roll, carrot and celery sticks, fresh fruit, milk.

Tuesday—Hot dog on a bun, baked beans, fresh orange slices, milk.

Wednesday—Chili, cheese cubes and crackers, celery and carrot sticks, fresh fruit, milk.

Thursday—Home-made country style beef stew, green beans, warm biscuit with butter, chilled pear half, milk.

Friday—Fish and chips, lettuce salad, bread and butter, fresh fruit, milk.

Dr. M. Papo Recalls Trials, Joy in Establishing Hospital

BOB PAWLOWSKI explains the functioning and usage of this monitor located in the cardio-pulmonary unit at Chelsea Community Hospital to William Spade, Chelsea businessman inspecting the

facility. This unit is located in the new wing and is intended to better serve the community through new, high technology machinery and skilled specialists.

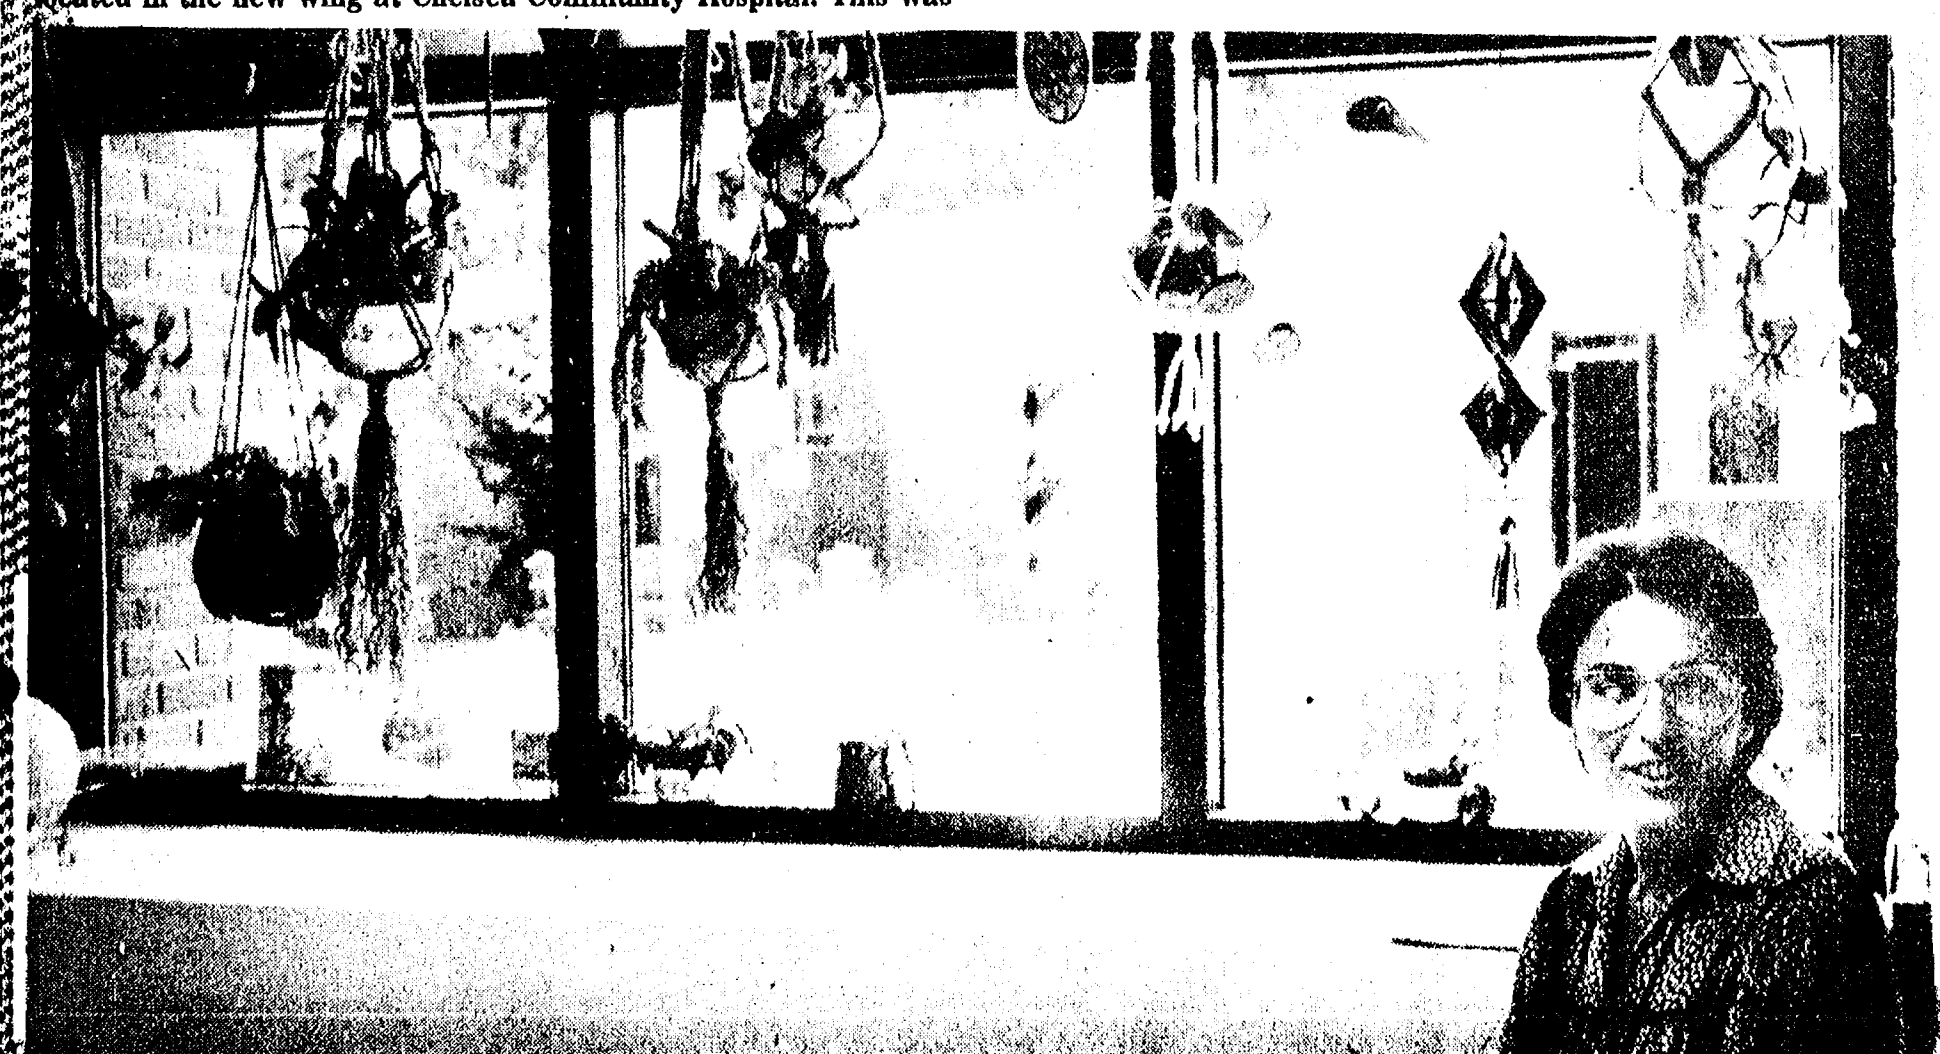

PHYSICAL THERAPIST KATHY SCOTT shows off the new physical therapy unit located in the new wing at the hospital. Shiny new equipment and large bay windows highlight the facility. Accord-

ing to Kathy, "This is probably one of the best physical therapy units in the country." Guests and friends had the opportunity to see it for the first time on Friday.

SPEECH THERAPIST KATHLEEN ANDERSON explains and demonstrates some of the equipment utilized by her department located in the new wing at Chelsea Community Hospital. This was

just one facet of the tours through the new wing at Friday's 10th anniversary celebration and dedication ceremonies.

RECREATIONAL THERAPY: Letting the sun brighten the newly built recreational therapy facility, therapist Dale Crayne beams with a number of the by-products of her patients' endeavors

lining the window. Maximum sunlight and gorgeous outdoor views characterize the architecture of the new wing.

Speaking at the 10-year anniversary and dedication of the new wing at Chelsea Community Hospital on Oct. 10, Dr. Michael Papo presented the following account of his dream of building a rural hospital and how that dream became a reality. This is his speech in its entirety:

Members of the Board, Honored Guests, Ladies and Gentlemen—

I am honored to be asked to say a few words on behalf of the founders of the Chelsea Medical Center. For me and my friends, this beautiful medical complex is a dream that came true.

This rural facility—perhaps one of the finest in the country—was the result of many hardships, worries, financial risks and many sleepless nights.

I remember 1965—a beautiful, wooded peat marsh in a lovely community—a peat marsh which I was told could not hold a man, let alone a building.

I remember 1966—Pete Bacon, owner of Central Fibre Co. told me, "Michael, we need a hospital." He handed me a check for \$500 and said, "Match it, get an architect and have him draw a pretty picture."

For \$1,000 that pretty picture was drawn by a local architect, Arthur Lindauer. That local architect put our dream on paper.

I remember 1968—we were denied financing by every large investment institution in the country simply because they thought our dream was too big for such a small, rural community like Chelsea to undertake.

We went to the Chelsea State Bank and I said, "Paul, we need your help." Paul Mann gave us that help and has continued to help us to this day.

I remember 1970—writing the first Hospital by-laws with Harold Jones, Paul Mann and Ferd Merkel—the original incorporators of Chelsea Community Hospital. People from all walks of life—factory workers, farmers, union leaders, ministers and professional people were asked to serve on the Community Board and they responded with enthusiasm and dedication.

I remember Mrs. Dorothy Miller—Chelsea's finest senior citizen with youthful enthusiasm—organizing the Chelsea Community Hospital Volunteers, whose forces now number in excess of 140. Her commendation by Pat Nixon was well-deserved.

I remember the long nights and days of sifting through the initial administrative nightmares as novices trying to run a 100-bed hospital.

Mr. Ed Connors came to our rescue, offering the resources of the University of Michigan Hospital and Dr. Gronvall, the Dean of the Medical School.

I remember that year on Black Thursday—we were broke. We had a 100-bed hospital but due to start-up costs and low occupancy, there was no money to meet Friday's payroll. We needed \$50,000. We sat in the hospital late into the night—"What now?" "Was the dream really too big for our small community?"

We made phone calls to Detroit, Chicago and Baltimore pleading for an advance of funds from Medicare. No success. Finally, very late Thursday evening, a phone call to the Secretary of Health, Education and Welfare in Washington was

DR. MICHAEL PAPO stands at the podium to deliver a very touching and heart-warming account of the conception, germination and birth of the Chelsea Community Hospital. From a mere dream of Dr. Papo's in the early 60's, Chelsea Community Hospital has flourished to become one of the most prestigious and beautiful hospital facilities in the state and possibly, the country.

successful. The \$50,000 was transferred to the hospital shortly before the payroll was to be distributed on Friday.

I remember 1971—meeting an immigrant Yugoslav gardener at the Montreal airport coming to Michigan with his family without a job. I told him that if he couldn't find a job, "Come to Chelsea." A few months later, I was summoned out of the Clinic examining room by a nurse because an unsavory non-English speaking man with a large suitcase wanted to see me.

Staja Stojanovic left his family in Grand Rapids, took a bus and in his words, "Dr., I came to work for you." Staja, through the expert guidance of another immigrant, Dutchman Tom Vandervoort, gave us these beautiful pastoral grounds.

I remember in 1973, the first emergency tracheotomy at Chelsea Community Hospital was successfully performed on the dining room table by Dr. Fisher, saving the life of a Chelsea citizen. The need for the Surgical Unit was apparent and the dream of an Ambulatory Care Unit was born.

I remember the helping hands of Dick Kraft and Bill Frye—both chairmen of surgery at St. Joseph and University Hospitals, in planning and developing the Ambulatory Surgical Unit under the guidance of Dr. Shadoan.

I remember the fall of 1974—Dr. Smith, Head of Medicine at Ford Hospital, came to see us to invite us to join the society to which only the prestigious Medical Clinics throughout the United States belonged.

I would like to read an excerpt from the letter from the president

of this society. Quote: from Dr. Lovshin of Cleveland Clinic.

"I still say that the type of practice your facility represents is the most important type of all—and we need hundreds of such organizations throughout the country to offer the very best in medical care. I strongly feel that this is the type of practice which is going to make a real impact in American medicine. Your people are experts in the delivery of health care at the rural community level. I have often thought that despite our value of the large regional consultation practices like Mayo Clinic, Cleveland Clinic, Ochner, etc., we could all disappear over night without making too much of a difference."

"I hope that you people will become active in our national organization and help us spread the gospel throughout the Land."

As you know, my English is not always as good as yours, but my dreams and remembrances are equal to yours. Chelsea Community Hospital belongs to all of us and it will belong to your children and your children's children. It is a beautiful place. I hope that your grandchildren will be as proud of it as we are.

So many people have done so much for so long. This speech, filled with pleasant memories always runs the risk of not being able to mention all of these people. It would take hours to give all the credit where it is due. I want to thank all of those people whom I didn't mention for making our dreams come true.

Finally, I want to thank my family—Madeleine, Rene, Michele. I will be always grateful for their patience and support. I wish you all good fortune in the years to come.

SHARING SOME OF THE FESTIVITIES Friday were, left to right, Doug Dault, Rebecca Lindemer and State Representative Mary Keith Ballantine (R-Jackson). The trio pause to chat in

the courtyard following a sunny afternoon of reminiscing, celebration and dedication of the Chelsea Community Hospital's new wing.

Discussion Stated On Tax Proposals

Tonight at 8 p.m., there will be a special Town Hall Meeting at the Lyndon Township Hall located on the corner of North Territorial and Townhall Rds. Present to discuss and explain the various tax proposals which

Keep Your Dog Tied During Hunting Hours

With the onset of bow and arrow deer season on Oct. 1, bucks are not the only animals having to contend with untimely deaths. Dogs running unrestrained are also potential targets for the wily deer hunter who's out to bag his quota.

In fact, if the hunter is aimed and ready to shoot his innocent victim and a dog running loose should chase the animal, there is a better than even chance that, if he has more than one arrow, he will first shoot at his bounding, white-tailed target and then at the canine that has sent his trophy dashing.

What can the dog owner do when his pet is accustomed to freedom? The best thing to do is to limit this freedom and kennel the dog before and after dawn and before and after dusk. These are the times that the deer tend to be moving and feeding, the prime time to hunt. Between these two extremes, the dog owner can set his pet free and feel fairly confident that no danger is presented.

will appear on the Nov. 4 general election ballot, will be Representative Mary Keith Ballantine and Laura Pieper and Gary Buckberry of the Inter-Governmental Relations Office. The meeting is open to the public and the residents of the area are encouraged to attend.

DEATHS

Mrs. L. Porath

Chelsea Men's Mother Dies in Lansing Hospital Mrs. Regina Porath, 9054 Kennedy Rd., Munith, died Saturday morning, Oct. 11 at Lansing General Hospital. She was 78. She was born Aug. 11, 1902 at Dawson, Minn., the daughter of Helik and Josephine Pederson Jerde. On Aug. 2, 1922, she married Lawrence A. Porath. He survives.

Other survivors include four sons, Warren and Donald, both of Chelsea, Larry of Prudenville and Harold of Munith; 18 grandchildren; 11 great-grandchildren; two brothers, Alfred Jerde of Arlington Heights, Ill. and Martin Jerde of Wisconsin.

One son, Royce Porath, preceded her in death.

Funeral services were held Tuesday, Oct. 14 at 2 p.m. at the Caskey Funeral Home, Stockbridge. The Rev. James Barney of Munith United Methodist church officiated.

Interment followed at Pleasant Grove Cemetery, Henrietta township, Jackson county.

Choral Dept. Concert Set Wednesday

Chelsea high school choral department will be presenting a fall concert on Wednesday, Oct. 22 at 8 p.m. in the high school auditorium. Performing will be the SATB mixed choir, SSA girls choir and the Contemporaries, all under the direction of Mrs. Tamara Barbret.

Some of the selections being performed will be: "Carry My Love," "Altos Lament," (SSA choir), "Old Irish Blessing," "Beautiful World," (SATB choir), "16th Century Madrigal" and "Thank You for the Music," (Contemporaries).

The ensembles are also preparing to take these and other selections to Addison High school on Wednesday, Nov. 5, where they will be performing in a joint effort with the Addison High school choir.

on the functions, goals, and aims of the service.

Lima Township Board regular meeting date changed to Monday, Nov. 10, 8 p.m. at Lima Township Hall. advx22

Births

Twin daughters, Lauren Stoddard and Jessica Martin, Sept. 23, at St. Joseph Mercy Hospital, Ann Arbor, to Sallie and Steven Foley, 506 Chandler St., Chelsea.

A daughter, Amy Kathleen, Tuesday, Oct. 7, at St. Joseph Mercy Hospital, Ann Arbor, to Kris and Steven Bergman of Chelsea. Maternal grandparents are Carroll and Gladys Buck of Chelsea and paternal grandparents are Howard and Alice Bergman of Chelsea.

Among the fastest growing occupations in the 1980s will be occupational therapists, computer service technicians, and speech pathologists and audiologists, the U. S. Department of Labor's Bureau of Labor Statistics reports.

Discussion Slated On Meeting Needs Of Special Diets

If you are on a special diet, whether diabetic, low fat, or low sodium, you may feel frustrated trying to understand and follow it. You can cook, eat, and enjoy delicious meals in spite of these restrictions.

On Oct. 20 from 10 a.m. to 12 noon, Marion Prince, Extension Home Economist, Registered Dietitian, will discuss and demonstrate ways to adjust cooking styles to meet these special diets.

Washtenaw County Co-operative Extension Service will sponsor this free workshop in the Extension Activities Room at Washtenaw County Service Center, 4133 Washtenaw Ave. (entrance off Hogback Rd.).

Telephone your club news to 475-1371

Beach Drama Choral Groups Will Perform

Chelsea Beach drama and choral music departments have scheduled a fine arts performance on Thursday, Oct. 23 at 7:30 p.m. in the Beach school cafeteria.

The evening's performance will include vocal selections by the seventh and eighth grade choir and the special small ensemble, along with several short skits which are being prepared by the drama classes.

The choir will be under the direction of Tamara Barbret with the drama skits directed by Bev Yelsik.

Everyone is welcome and there will be no admission charged.

Please Notify Us of Any Change in Address.

Don't watch television more. Just watch more television.

WIDESCREEN 3000 HOME TELEVISION CENTER

The General Electric Widescreen 3000 puts you right into the action with large-as-life color pictures. With a screen three times bigger than a 25-inch diagonal color console it lets you laugh with your favorite stars, cheer on the winning team, experience all the excitement of a night at the movies... all without leaving your living room.

And even with that big picture, the Widescreen 3000 doesn't dominate your life. It's only 27 inches deep. It actually takes up about the same space from a wall as a regular GE color console. With its rear projection there's no complicated set-up, no compartments to pull out or adjust... just giant, bright color pictures to enjoy. It works just like any other television set except that its picture is 1000 square inches big.

With the Widescreen's optional furniture coordinates, you can create your own home entertainment center. Add GE's new video cassette recorder and rent or buy movie cassettes for theater-like pictures at home. Or tape that television program you won't be home to see. Then play it back on the Widescreen 3000 for a picture that draws you into the action.

Whatever your viewing choice—sports, movies, comedy—the GE Widescreen 3000 will give you the big picture. It's the revolutionary set of the future for you to enjoy today.

GE brings good things to life.
