## Rick's Market Closes To Clear Up Possible Contamination Problem

Rick's Market, located on M-52 and Werkner Rd., has voluntarily closed its doors following an incident on Sunday evening, Oct. 12. The store locked its doors Thursday, Oct. 16 after customers complained of foul tasting and odorous foodstuffs.

The reason for all of this mess is apparently the result of the misapplication or overapplication of an Orkin patented pesticide that was utilized to fumigate the store's interior. According to owner Terry Rickerman's attorney from Dexter, "We've had a contract with Orkin out of Jackson for about 10 years. They come in monthly to spray for pests, thereby keeping the market free of any insects that could come in with the stock."

This time, the owner's believe, they seem to have over-done it, spraying cracks and crevices first and then fogging the building.

According to Rickerman, "The guy came out and said that he found a problem and took another container of pesticide which was darker and more potent than the first, into the store."

On Monday, when Rickerman and his employees re-opened the market, they found puddles of the insecticide on the floor. "It's supposed to be a fine mist that disappears before it ever reaches the floor," the owner commented. In addition to the chemical wading pool, the employees were overwhelmed by a pungent, rank odor remaining in the air.

It is not yet clear whether Orkin employees applied too much of the chemical or whether the machinery used in its application was defective or whether some other factor may be the cause.

Health Departments at the state and county level have been in the store, taking samples and initiating their investigations. The Federal Environmental Protection Agency has also sent inspectors to the scene who, upon leaving, claim "possible misapplication of the product."

To combat this delicate situation, Rickerman, his family and his employees are working overtime to take everything down from the shelves and scrub them each with an Orkin recommended Lysol solution. Any inventory that was packaged in paper or plastic, in fact any merchandise neither jarred nor canned, is being removed by the truckload to the Chelsea landfill. There, Rickerman has been advised that his contaminated inventory is buried.

Though Orkin has been under contract to fumigate Rick's Market monthly and they have done so in the past without ill side effects, this time around, according to Rickerman, they demanded that he sign a second contract agreeing to pay an additional \$100 for the fogging. "I signed it under protest, I was adamantly against it but it seemed as though it was a necessary precaution for the public," Rickerman confessed.

"Still Orkin insists that they utilized only one chemical and that the resultant contamination did not come from the pesticide directly. They claim that it was the kerosene base in the chemical that is responsible," Rickerman continued. "But, I've watched flies enter the building, fly about a minute and drop dead on the floor," he added.

The EPA is presently attempting to determine the extent of the contamination and the amount of hazard it poses. Rickerman, too, has taken the necessary steps to bring legal action against the Jackson company. He and his legal counsel have initiated a lawsuit charging negligence and seeking damages for the lost inventory and any physical injury that could result from the mishap. The case may eventually be heard before the circuit court.

In the meantime, the strong odor prevails inside the store while Rickerman and his workers continue to work non-stop to clean up the mess. The store which was opened in 1971 by Terry's father, Harold, is accepting any merchandise purchased by patrons at the time of the disaster. He asks that anyone with contaminated products return them to him immediately so they, too, may be taken to the dump and buried.

Rickerman expects that Rick's Market will re-open for business no sooner than next week. "We've got to be absolutely sure that every single shelf, wall, jar and so on is washed clean of that stuff," he concluded.

## Outclassed Bulldog Gridders Dominated By Ypsi Lincoln, 33-0

Friday night found Ypsilanti Lincoln's Rallsplitters winning handsily over a weak Chelsea squad. On home soil, the Bulldogs were shut out, 33-0, as the Rallsplitters, led by All-Stater Derrick Tolliver, ran all over the field with relative ease.

"Lincoln moved the football very easily," commented Chelsea Coach Gene LaFave. "In fact, they had virtually no difficulty and were able to advance at will."

The Rallsplitters scored early and they scored quick with two touchdowns in the first quarter and another in the second. At half-time, they had a 28-0 advantage.

## Harriers Finish With 7-1 Record

Chelsea High school cross country team finished its dual meet season with a 7-1 record over-all and a 5-1 conference record, by splitting a pair of meets last week.

On Tuesday, the harriers lost a disappointing meet to a strong Lincoln team, 18-38. "They were just better than we were," said Coach Pat Clarke. "We'll be back for the rest of the season, if only we could shake this sickness outbreak on the team," Clarke continued.

Leading the Bulldogs as he has all season was sophomore Mark Brosnan in fourth place at 16:20. Other Chelsea placers were Brent Martin, sixth at 17:01; Dave Kies, eighth at 17:14; Jeff Bradley, ninth at 17:26; and Bob Benedict, eleventh at 17:47.

On Thursday, the harriers travelled to South Lyon and came back with a 19-36 victory. Mark Brosnan led the Bulldogs in first place at 16:21. Senior captain Jeff Bradley ran his finest race of the season, placing second at 16:46. Other Bulldog placers were Brent Martin, third at 17:14; Dave Kies, fifth at 17:29; Bob Schleede, eighth at 17:45; and Bob Benedict, eleventh at 18:22.

The Bulldogs traveled to Milan on Wednesday, Oct. 22 for the SEC league meet and will travel to Napoleon on Saturday for the State regionals.

## Halloween Party Set For Oct. 31

Ghosts and goblins will take to the Village streets on Friday, Oct. 31 to enjoy the Kiwanis Club sponsored Halloween Night festivities.

Beginning at 5 p.m., the costumed youngsters will invade every nook and cranny in town to trick or treat for an hour in hopes of gathering as much candy and other edible treats as possible.

Then, the masqueraders will trot over to the municipal parking lot where their costumes will be judged in a number of categories.

Thereafter, the little phantoms will pour onto Park St. at 6:30 p.m. for a ghostly parade through town. The eery party-goers will march from Park to East St., north to E. Middle, west to Main St. and south to Park, prancing to the beat of the Beach school marching band.

Upon returning to the parking area, the ghastly crew will be treated to cider and doughnuts before going home to dig into their bountiful collection of stomach aches.

## Olympians Enter Detroit Marathon

On Sunday, Oct. 19, four Special Olympic coaches and four school-age athletes ran in the Detroit Free Press International Marathon. The group was among 4,000 other runners taking part in the 26-mile race. Money was pledged to the Olympians by groups and individuals across Washtenaw county to help finance the Special Olympics program in the county.

Running from High Point Center were Coach Doug Cooper and Ken Burtus. They began the race in Windsor, ran through the tunnel and were met at the six-mile mark by Chelsea's Nancy Cooper and Tracey Harvey. Nancy and Tracey ran eight miles, finishing in Grosse Pointe. Taking over at the 14-mile point were Dexter's Arlene Schreiber and student Paul Klapperich. Then, (Continued on page four)

## Varsity Cagers Win Two Games

The Chelsea High school girls basketball team added two more wins to their record last week. First, Wednesday night found the lady cagers coming out on top of a threatening Novi team, 45-38. Then, on Thursday, they slipped past Pinckney, 41-36.

The Novi contest proved too close for comfort at the close of the first quarter; the game was tied up at 10-all. By half-time, the Chelsea cagers had found themselves with a 24-18 advantage.

With the onset of the second half, the lady Bulldogs came out to play a bit better and retain their lead through the remainder of the game.

Scoring for the Chelsea team were Ringe with 15, Boylan 12, Vandegrift eight, Elseife six, and Unterbrink and Kiel each contributed a pair of points. Top re-

bounders included Amy Unterbrink with 12 in addition to three assists and two steals; Mary Boylan had 12 rebounds and Jennifer Ringe contributed five assists and made four steals for the team.

"It was another good team effort," commented Coach Jim Winter. "Still, our forwards, Vandegrift, Boylan, Kiel and Unterbrink were 11 for 20. They all shot over 50 percent; they shot very well."

On Thursday, the lady Bulldogs took on the Pinckney cagers and found themselves with a comfortable 24-13 lead at the half. But, Pinckney's Wiltse surprised everyone with a 10-point third quarter while the Chelsea cagers were not executing their offense very well. In fact, Pinckney outscored Chelsea, 15-8, in the (Continued on page four)

## JV Gridders Hurt By Costly Errors

Last week, the Chelsea High school JV Bulldogs were unable to stop a strong Lincoln team. The Bulldogs fell to the Rallsplitters, 22-0.

"There were just too many turnovers," commented Coach Jon Schaffner. "We were unable to handle the football... there were seven fumbles, an interception and a number of fumbles that we managed to recover."

The first Ypsilanti score came in the second quarter on a 47-yard run. The extra points were run, giving the Rails an 8-0 half-time lead.

Lincoln came back in the third quarter to score on a six-yard run. The extra point attempt was not good and Ypsilanti's lead was 14-0.

Finally, one-third of the way through the fourth quarter, Lincoln dove in from the one-yard line for their final touchdown and capped off the night with a two-point safety.

The Rallsplitters had good field position all night, but the Bulldog offense managed to keep them back on a number of occasions.

## JV Lady Cagers Even Record at 6-6

Last week, the Chelsea JV girls basketball team chalked up two more wins to even their season record at 6-6.

Wednesday, the JV Bulldogs exploded against Novi in the first quarter to lead, 14-2. By half-time, the girls had stretched their lead to 24-10.

After withstanding a Wildcat charge in the third quarter, the Chelsea lady Bulldogs held onto a 34-22 advantage. But the Bulldogs finally took charge in the final quarter to win, 40-25.

Scoring for Chelsea were Tracy Borton with 12, Karla Peterson with eight, Missi Lazarz with six, Kathy Degener, and Carol Warren with four points each, Dawn Murphy with her first two of the year, and Kim Boyd and Amy Poljan with two points also.

Rebounding for the JV cagers were Tracy Borton leading with nine, Missi Lazarz with six and Kim Boyd with five.

On Thursday, the team took on Pinckney. The game opened with a rather sluggish Chelsea squad, ending the first quarter with a (Continued on page six)

## Ronald Maier Seriously Injured In Auto Crash

In the early morning Sunday, Oct. 12, a car driven by Ronald Maier, 10500 Leeke, Grass Lake, veered off the road, drove up a hill and rolled back down to the road, pinning its driver under the roof.

The accident occurred at 3:05 a.m. on M-52 near Roepeke Rd., when Maier attempted to negotiate a curve at a high rate of speed.

Washtenaw County Sheriff's Department answered the call and removed Maier from underneath his severely damaged 1979 Pontiac. He was transported to University Hospital immediately, suffering from serious injuries.

Thursday, Oct. 28, 1976—

On Wednesday, Oct. 20, the Chelsea Board of Education held a working session to determine a course of action in wake of the narrow six-vote defeat of the 1.5 mill request for Chelsea schools Oct. 19. The Board was forced to trim still more dollars from the budget, eliminating extra-curricular activities such as hand, Special Olympics, sports for both boys and girls, newspaper and yearbook, field trips, and film rentals.

In retaliation, angry parents, students, teachers and students organized to form a Booster Club to raise the essential \$45,000 to reinstate the aforementioned and other school activities tentatively eliminated.

As a part of a \$135 million government sponsored country-wide mass inoculation program, the Washtenaw County Health Department will conduct a free swine flu immunization clinic Friday, Nov. 5, at Chelsea High school between the hours of 4 and 8 p.m.

On Tuesday, Nov. 2, Chelsea's three-week old shuttle bus service for senior citizens and handicapped adults will be operating special election day runs to transport the elderly and handicapped to the polls.

Spectators at tomorrow's Chelsea football game will be treated to a special half-time show prepared specially for the final home game. Featured at the show will be Jill McEachern, winner of numerous national awards for her skill with the baton. The Chelsea High school senior, formerly of Dearborn, will perform with the CHS marching band and majorettes.

**Governor Announced Another \$166 Million in Budget Cuts**  
Using budget powers abrogated by the legislature, Governor William G. Milliken has announced another \$116 million in budget cuts. Some \$31.4 million of the total will come from the state's welfare programs.

The cuts, which Milliken said were necessary because of the legislature's failure to approve additional revenue measures, include such things as a 5 percent reduction in general assistance grants, a 15 percent cut in fees paid to medical providers and cutting back funds to higher education below the levels provided in 1979-80.

The program cuts were implemented under the powers granted under a three-month continuation budget, although the savings are calculated on a full-year basis.

They bring to \$770 million the amount of cuts the governor recommended for 1980-81.

Milliken, addressing the state on a state-wide radio-television hookup, reviewed the continually worsening state of the economy.

He said the full-year budget must include new sources of revenue and expressed confidence the legislature will work co-operatively in November (the legislature reconvenes Nov. 12) to complete the task.

Those same revenue measures

were being pushed in September when the legislature was trying to complete the new budget prior to the beginning of the state's new fiscal year which began Oct. 1.

Not only was the legislature unwilling to raise taxes before facing the electors in November (all members of the House are up for re-election this year), but they were also unwilling to complete a new budget which would be less than the current year's budget.

The governor has recommended measures that would raise another \$116 million in revenue on a full-year basis, but those measures will now not provide that level of revenue because they would not be in effect for the full fiscal year.

Milliken has not decided whether to propose more cuts or more revenues to handle that problem.

#### Attorney General Okays

**Vote on Prison Tax**  
Attorney General Frank Kelley has ruled the constitutional ban on public votes on appropriations bills does not apply to a proposal increasing the income tax to provide funds for new prison construction.

Despite the proposal's specification that the money raised by the tax can only be used for prisons, Kelley said additional action is required by the legislature in order to actually control the use of the money.

### Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The fellers got into a discussion of limits Saturday night during the session at the country store. Zeke Grubb got the ball rolling by nominating that Chicago janitor in the category of dumbest solution to a problem. Zeke had saw where folks that live in his building complained about the rats, so he brought in some snakes to take care of the rats. He solved the rat problem, but now the tenants are moving out to get away from the snakes. Zeke said he liked the idee of burning down the barn to get rid of the rats better, cause that would solve the snake problem in the bargain.

Bug Hookum reminded the fellers of the three biggest lies. He said they are "your check is in the mail," "I'll respect you in the morning," and "I'm from the Government, and I'm here to help you." One of the fellers added the three hardest things to do, to climb a fence leaning toward you, kiss a girl leaning away from you and live up to your compliments. Ed Doolittle kept this line going by offering the three sweetest words in the English language. Ed voted for "keep the change," but he said "all is forgiven" and "sleep till noon" were closest in the running. Zeke come back with "breakfast is ready" as his choice, with "I love you" a distant second.

The feller that runs the store usual don't git in the discussion, but he said he was giving some thought to suing the U.S. Government, and he wanted to know how his idee rated as the dumbest lawsuit. He said he has decided that "In God We Trust" on our money is unconstitutional, and he

wants to take it off. If that ain't a violation of our policy of separating church and state, he said, what is? Before the fellers could tell him to git back to stocking the shelves he allowed that he was funning, but he knows somebody is going to do it. A federal court recent ruled that North Carolina has got to take a "motorist prayer" off state maps for the same reason. The prayer has been used since 1964, and six million maps have been printed, he said, but when somebody objected the courts said it has to go to go.

Ed said he was strong in favor of prayer, but he had to go along with the court. It ain't the job of the courts to raise questions, but they got to answer em when they're raised. When the question is has a state Government got any business printing official prayers for people that ride its roads, the answer has got to be no, Ed allowed. If nobody asks, the court has got no business answering, he said, and that one wasn't near as tough as the one a court in Canada had to handle the other day. A feller charged with setting a forest fire was heard by police praying to God to "let me git away with it, just this onct." His prayer was used against him in court after an appeals court ruled that privileged communication must be between two people, and that God is not a person.

The court reached its decision, Ed said, by defining a person as someone subject to the law, and by explaining that God is way outside the reach of the laws of Canada.

Yours truly,  
Uncle Lew.

### Why PARENTS Vote to Re-Elect JUDGE BRONSON

Children, to the dismay of their parents, sometimes grow into teen-agers or young adults who get into trouble with the law. Thousands of young offenders come before Judge Bronson where punishment for misdemeanors may take the form of fines, work programs, driver education, substance abuse education, deferred sentences, probation or jail time.

JUDGE BRONSON'S AIM IS TO MAKE EACH DEFENDANT'S FIRST OFFENSE HIS LAST.

Judge Bronson, a parent of 6, aged 16-22, feels deeply that no judge, nor any court of law, can take the place of family strength and family unity in developing good citizens. Judge Bronson believes that the authority of the parents should be enhanced where possible. Before sentencing a young first offender on a misdemeanor, he either invites the parents or other interested parties to meet with him or his probation officer. Often his probation officer will visit the family in the home situation.

It is this kind of family oriented justice that Judge Bronson has brought to Washtenaw County. Countless mothers and fathers have thanked him for upholding the family as well as the law.

Chelsea Child Study Club Hears Varsity Football Coach

Chelsea Child Study Club's Sept. 23 meeting was held at the home of Joanne Richardson with 14 members present. During the business meeting, President Betty Cox presented a pamphlet entitled "Welcome to Chelsea Child Study Club," prepared by her and to be used as an aid to prospective members. The pamphlet outlines the history, projects, members' duties, programming and how to become a member. Members were reminded of the Fall Workshop to be held Nov. 7 and 8 in Midland.

Gene LaFave, Chelsea High school varsity football coach then presented "What Every Woman Should Know About Football But Was Afraid To Ask." Coach LaFave presented a brief history of the sport, the improvement in uniforms and calisthenics to prevent injuries. He discussed and explained the defensive and offensive positions, how plays are executed, rules, and penalties. He then showed a film from last year's South Lyon game with explanations of the positions and movements of team players.

Serving refreshments were Louise Likavec and Marion Sprague, co-hostesses for the evening.

Greta Graham, Frank S. Gucker Wed in Dexter Church Ceremony

Greta Jean Graham and Frank Scott Gucker exchanged wedding vows on Saturday, Sept. 6 at St. Andrew's United Church of Christ in Dexter. The Rev. Kennyon Edwards officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. L. Graham of Orchard St., Chelsea. The bridegroom's parents are Mr. and Mrs. Frank Gucker of Baker Rd., Dexter.

The bride was attired in a white Quilana knit floor-length gown which flowed into a chapel length train. Venice lace and Scheffl embroidery created the collar and cut away sleeves. Accenting her gown was a lace hat with attached fingertip veil. She carried a cascading bouquet of silk demrobium orchids, yellow rosebuds and baby's breath.

When Ann Graham, the bride's sister of Chelsea, served as her sister's maid of honor. She wore a pale blue blouson-style long gown with spaghetti straps and jacket. She carried a colonial bouquet of silk yellow roses and blue delphinium and baby's breath and wore a yellow rose and delphinium in her hair.

**Former Waterloo Area Manager Addresses Historical Society**

Ike Lundberg, former Waterloo Recreation Area Manager was the guest speaker at the Oct. 13 meeting of the Chelsea Historical Society.

Lundberg, who is retired and living in Lafayette, Ind., is active in the Lafayette County Historical Society. He serves as a dosian and takes tour groups through the Kickapoo Indian Territory. His interest in old forts centered his talk and slide presentation around Fort Quiatonen.

This fort was established on a site six miles southwest of present-day Lafayette, Ind. It was founded by the French in 1717, across the Wabash River from a large Wea Indian tribe. Buffalo and fur-bearing animals were abundant and Fort Quiatonen served as a trading post.

This riches of the prairies and forests flowed easily from Quiatonen to Quebec and France until the French and Indian War from 1754 to 1763. The French lost their holdings to the British.

In 1765, Colonel George Croghan, deputy supervisor of Indian Affairs for the English Colonies of America, was captured by Indians and brought to the fort. He met with Chief Pontiac in the summer of that year and suggested that the Indians sign a peace treaty with the whites. Pontiac's response was to pull his tomahawk from his belt and throw it so its blade was buried in the ground. This gesture, meaning to "end hostilities," gave rise to the phrase "bury the hatchet." But in 1786 the Quiatonen inhabitants were forced to evacuate the post for fear of their lives.

Finally in 1791, President George Washington ordered the destruction of the Wabash Indian Village, bringing the era of Quiatonen to an end.

In the late 19th century, local history buffs began to take a renewed interest in Quiatonen. In 1930, the present blockhouse at Fort Quiatonen Historical Park was constructed. Archeological excavations were begun in 1968.

The actual site of Fort Quiatonen was placed on the National Register of Historic Places by the U.S. Department of the Interior in 1970.

To complete his presentation, Lundberg talked briefly about the Feast of the Harvest Moon. Indians from throughout the United States come to the site to take part in the festivities and exhibit their crafts. This event usually takes place in October.

During the business meeting of the Historical Society, a letter from Alethea Heldbig, associate professor of English at Eastern Michigan University, was read. The letter was a request for information regarding a fictional Indian known as Manabozho, Nanibush, Nanaborho and Winabojou and in some way affiliated with the Ojibwa and Chippewa Indians living in the Parker Rd. area. She requested that anyone knowing of this historic person please get in touch with her.

The need for a building to temporarily store historical memorabilia until a permanent location is acquired was discussed.

Guests at the meeting included Marv DeWitt, Unit Supervisor of Outdoor Recreation Centers in the Waterloo Area and Doug Cronkite, Assistant Area Supervisor.

The November meeting will feature oral reminiscing by various Historical Society members. Members are invited to bring items for a "show and tell" period. Also at the meeting, election of officers will take place.

The team time was three hours and 52 minutes. The winner of the race was former Grand Rapids resident Greg Meyer with a time of two hours and 13 minutes.

The Special Olympics team had a great time and each member was given a marathon T-shirt by the race committee. At present, almost \$2,000 has been raised through this effort to help fund the Special Olympics programs.

**Home Decorating Ideas Discussed By Child Study Club**

On Tuesday, Oct. 14, the Chelsea Child Study Club held its bi-monthly meeting entitled "The Personal Touch in Home Decorating—A Does Go With Z," and presented by hostess Marge Daniels.

She began her program with an item from a decorating magazine and pointed out that collections should be displayed aggressively. She cautioned as to the difference between aggressive and overwhelming and suggested grouping similar items for display for more impact and emphasis.

Following the discussion, club members were conducted on a tour of the Daniels home and Marge pointed out some of her collection, family antiques and items or hobbies that they personally enjoy.

Delicious fall refreshments were served by co-hostesses June Flanigan, Garl Feldman and Camie Noah.

During the business meeting, each member answered roll call and introduced their guest with a brief personal history. There were 19 members and 10 guests present.

Ann Steinaway reminded the club members to be working on Christmas ornaments for the tree to be given away. Proceeds will go to the Chelsea Community Hospital Burn Unit. Members were reminded to sign up to help tie the club quilt.

Betty Cox was the honored member of the evening with Remembrance Chairman Nancy Grau "telling all" about Betty's past, her family, career, hobbies and interests.

Barb Branch announced that the Oct. 28 meeting on Brass Rubbings will be at the Pearl Smith residence in Plymouth. Guests are welcome at this meeting.

third period of play, to tie the lady cagers, 28-21.

But, Winter's ladies never let Pinckney pull ahead. The fourth quarter found Ringe scoring six points and sinking four of her five possible free throws, two of which were made with 40 seconds left to play. That put Chelsea up by five, a lead they hung onto.

Leading scores were recorded by Ringe with 16 points, Boylan with 10, Unterbrink and Branham with four points apiece, Vandegriff added three and Eisele and Kiel contributed two each.

Rebounding for the Chelsea team was led by Mary Boylan who grabbed 11; the other rebounds were spread evenly across the team. Still, Mary Jo Eisele made three assists, three steals and five rebounds.

On Tuesday, Chelsea took on a 13-0 Gabriel Richard, and Thursday they will tangle with Jackson County Western.

# Girls Swimming Team Opens Home Season With Win Over Lincoln

QUARTERBACK STEVE GRAU (10) hands off the ball as the Bulldogs try to scramble into the Lincoln end zone. Unfortunately, they could never get any further than inside the Lincoln 30-yard line. The two defensemen to the right

were part of a tough Railsplitter squad that never let the floundering Bulldogs get too close. The Ypsilanti gridgers capitalized on each and every of the many mistakes made by the Chelsea team Friday night.

Last week the Chelsea Girls swimming team traveled to Jackson Parkside High school on Tuesday and then opened up their home schedule against Lincoln on Thursday.

Against Parkside, the Chelseaites put forth a good effort but ended up a little short of victory. Parkside won the meet, 89 to 82.

Against Lincoln, the Chelsea girls gave the Railsplitters more than they could handle, winning, 103 to 69. Varsity records were smashed by both the medley relay and the freestyle relay teams composed of Rawson, Thomas, S. Borders, Culver—200 medley relay; and S. Borders, Thomas, Rawson and Culver—400 free relay.

Other points were gathered by Teresa Degener, first, 200 free; Janine Hoffman, second, 200 free; Kristin Thomas, first, 200 I.M.; Barb Davis, second, 200 I.M.; Dawn Borders, first, 50 free; Pam Spayd, second, 50 free; Donna Alexander, fifth, 50 free; Michele Clark, first, diving; Mary Bacon, second, diving; Sara Borders, first, 100 butterfly; Mary Bacon, third, 100 butterfly; Pam Spayd, second, 100 freestyle; Donna Alexander, fifth, 100 freestyle; Cinda Thornton, sixth, 100 freestyle; Liesel Culver, first, 500 freestyle; Janine Hoffman, third, 500 freestyle; Margie Rawson, first, 100 backstroke; Dawn Borders, second, 100 backstroke; Teresa Degener, first, 100 breaststroke; and Barb Davis, second, 100 breaststroke.

**FIRST-PLACE HONORS:** On Tuesday, Oct. 14, the Chelsea High school marching band, under the direction of Steve Bergman, traveled to Ypsilanti for the District 12 Marching Band Festival. Given a superior rating of 95.1 percent out of a possible 100, the Chelsea musicians were awarded first place honors. Only one other school competing was smaller than Chelsea High; a total of 12 high school marching bands

competed in the event. Chelsea's marching band was judged on its music, marching techniques and show design. Then, on Saturday, the 107-member Chelsea Marching Band was invited to Eastern Michigan University to perform at their post-game Homecoming show. On Monday, the Chelsea band members saw themselves on national TV when they caught a glimpse of their Saturday performance on the "Today Show."

## JV Gridders Hurt By Costly Errors

(Continued from page one) gridders were Prinzing with 14 plus one fumble recovery; Rowe 10; Waller, McCallum and Bertke with nine; Hintzen and Buckberry with nine tackles and one interception each; Weber seven; Richardson, Villemure and Marshall with five tackles

apiece; McCracken and Packard with two; Greenleaf one, and Muck made a fumble recovery. Offensively, the Chelsea squad fell short of its capabilities. The shut-out left them with a record of 3-4 over-all and 3-3 in the conference. Lincoln is now in first place in the league.

## Sewing Workshop Focuses on Pattern Fitting Shortcuts

New techniques to save the home seamstress hours of time and hints to help produce better-fitting garments will be demonstrated by Nancy L. Ziemann, professional home economist, at a four-hour workshop being sponsored by the Washtenaw County Co-operative Extension Service. The workshop, open to all, will be held Nov. 19, from 4 p.m. to 9 p.m. in the Extension Activities Room.

Nancy will teach the quick methods of altering patterns using wax paper and a tracing wheel. No longer will the home seamstress alter her patterns by cutting them apart! It is extremely easy, but most important, very accurate. Both slack and dress pattern alterations will be covered in this "hands-on" workshop.

Nancy is the co-author of the Sew/Fit Manual, a text on pattern alterations, and has recently finished editing a book on Sewing Magic techniques. She travels the country presenting sewing seminars to county extension groups, community college classes and at store promotions.

A fee of \$4.50 will include 1/4 scale patterns and instruction. For the dinner break (6 to 7 p.m.) there are the options of brown bag, "going out," or staying for catered pizza and salad at an additional cost of \$2.50. For reservations send your name, address and phone number with \$4.50 or \$7 to: Clothing Workshop, P. O. Box 8645, Ann Arbor 48107, phone (313) 973-9510. Make checks payable to Co-operative Extension Service.

Each state except Alaska and Hawaii has at least one Veterans Administration medical center. There are 172 hospitals in all.

DR. ROBERT BURNS, Chelsea dentist, stands beside the magnificent 11-point buck he cornered on his Clear Lake Rd. farm. The beauty was nabbed on Thursday evening Oct. 16 after Dr. Burns tracked it down and killed it with his

Browning Compound bow. His prize weighed an amazing 210 lbs., dressed. This is the second consecutive year that Dr. Burns has sought out and found a deer on his property; in 1979, he killed a six-point buck there.

**VFW Auxiliary Will Fill Vacant JV Lady Cagers Offices at Special Meeting**

The regular monthly meeting of the local VFW Auxiliary convened Monday, Oct. 13, with 15 members in attendance. A special meeting will be called on Wednesday, Oct. 29, at 7 p.m. in the VFW hall in order to fill the offices of conductress and Guard. Those women filling these two positions recently resigned.

The Charter was draped in memory of Hazel Bycraft, a charter member who died on Friday, Oct. 7, and for Augusta White of Ann Arbor Auxiliary No. 423 who was a past department president in 1948.

The initiation of Joan Burnett was held after she had been elected into membership at the September meeting.

Reports were given on the school of instruction held in Adrian on Oct. 6. Those women attending were Mary Erskine, Virginia Schirmacher, Patty Short, Lucy Platt, Gertrude O'Dell and Eulahlee Packard. Also, Lucy Platt and Virginia Schirmacher reported on the workshop they attended at the Ann Arbor VA hospital.

The Americanism chairman stated that as of Nov. 4, the hostages will have been held captive for one year and requested that each member tie a yellow ribbon on a tree in front of her home in their honor. Too, she suggested that each member write to the hostages' families, stating support and feeling.

The Auxiliary will have the VFW hall open as a comfort station on Tuesday, Nov. 4 between the hours of 9 a.m. and 5 p.m. In addition, the ladies will offer short time babysitting for anyone wishing to vote.

The Auxiliary voted to purchase a flag for the Isle of Flags at the new addition of the Ann Arbor VA hospital. This will be a joint project in conjunction with the Post members.

Twenty-five dollars was allowed for the Special Olympics Walk-a-Thon.

Ten dollars was voted out for the administration of the Political Action Committee to use in order to meet the needs of veterans.

The group voted to help the Salvation Army by bell ringing prior to Christmas. On Monday, Nov. 3, a breakfast for the purpose of setting up arrangements for this community service project will be held at Sambo's in Ann Arbor.

Tentative plans are being set up to distribute Halloween candy to the local youngsters if the Trick or Treat time allowed does not conflict with Post or Auxiliary activities in the VFW hall.

The following members plan to attend the Pow-Wow at Boyne Mountain from Oct. 24 to Oct. 26. They include Virginia Schirmacher, Mary Erskine, Eulahlee Packard and Lucy Platt.

The next regular meeting will be held Friday, Nov. 10. This inspection meeting will begin at 7 p.m. and all officers and notebook chairman are asked to be present.

The next pot-luck supper with the Post will be held Saturday, Nov. 8 at 6:30 p.m. in the VFW hall.

**BORROWING POWER**

Many homeowners borrow against their property when they need large amounts of cash to make major improvements, pay college costs, handle emergencies, make a down payment on a second home or on some investment property. The two major borrowing routes are refinancing and second mortgages.

You might also obtain a sizeable amount of money on a short-term basis in the form of a second mortgage or a personal loan. Both are based largely on the strength of your financial position as a property owner. However second mortgages are more costly because the risk is higher for the lender and generally last for about five years in length.

If the rate on your present mortgage is less than the current interest rates, financing can be costly. On the other hand, rates and monthly payments on long-term financing are lower than short-term credit. Even if the total amount you pay in interest is greater, monthly payments on a long-term loan may fit your present financial needs best.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

## Letters to the Editor

To the Editor:  
In view of the adverse publicity the Wayne County Meals-on-Wheels program has recently received, we feel we should reassure Chelsea area residents that our program is sound and carefully administered.

However, the Chelsea Home Meals Service differs from Wayne County's program. For one, all persons involved in this program are volunteers. No money is spent for administration. The Chelsea Home Meal Service charges the recipients exactly what we are charged, if they feel financially able to pay the \$1.50 daily cost. If there is financial need demonstrated, United Way funds, along with other individual donations, allows us to subsidize the cost of providing needed meals. The meals are prepared in the licensed United Methodist Home kitchen seven days a week to meet the specific dietary needs of each person receiving the noon-day dinner.

We, who are the co-ordinators of the program, would like United Way contributors and interested residents to understand how valuable a service the program performs. There are and have been in the past, many persons who are able to remain independent and in their own homes a much longer time because of the

daily visit and hot meal delivery by the volunteers. We presently have a person receiving meals who was able to return home from the hospital sooner than she might have had these meals not been available.

Throughout the years the regular and substitute drivers have all made many friends among Chelsea's older residents, and have received as much satisfaction from the weekly, one hour donation of time, as those persons who actually receive the meal.

It is a wonderful, valuable service Chelsea volunteers and the staff in the kitchen at the Methodist Home perform, and the last thing we wish is to have it suspect of any wrong-doing or shoddy administration.

Sincerely yours,  
Ann Feeney, treasurer,  
Home Meal Service  
of Chelsea.

To the Editor:

It was with much sorrow and regret to read in the June 19, 1980 issue of The Chelsea Standard the headline stating the closing of our company, Central Fibre Products Co., Div. Avis Industrial Corporation. And again in your Oct. 9, 1980 issue, to read the letter you published by a "Concerned" employee of our company.

Approximately 40 years ago I was first employed by Central Fibre Products Co. on a part-time basis. In those early days of the company there always was full co-operation between management and employees. We had our share of disputes, production problems, sales dips, etc., which we weathered as a matter of loyalty to Donald H. Bacon, the owner of Central Fibre Products Co., and also the company we were proud to be associated with. Mr. Bacon always shared the good and prosperous times with us. Because of this mutual respect for each other, the company grew and prospered.

In those days whenever we felt we had a grievance with the company, or with Donald Bacon we settled our problems with his management team. We didn't have a L. 437 to lean on or talk for us. Our's was a direct approach. Over the years of course, this trust of each other vanished. And as the years went by, differences had to be settled by a so-called employee's representative who drove to Chelsea in an air-conditioned Cadillac or it's equivalent to rule absolutely on the question presented, which in many cases was (the problem)

due to a bad headache, the result of the night before.

Personally, I feel the announced funeral services in the June 26, 1980 issue of The Chelsea Standard was crudely and thoughtlessly arranged. The only benefactor of this fiasco, in my opinion, were the owners of Wolverine Tavern. The continued support of them, former employees, is the only recourse left to you, perhaps.

Anyway, so be it; and although it is just the beginning of October, let me wish each and everyone of you, A Very Merry Christmas. Who knows that by December the real Christmas season, your compensation may have ended. And that will be tragic.

In closing let me add this; be of stout heart and spirits, surely Mr. Charles Ritter, Village President, with a 90,000 square foot building vacant in the center of Chelsea, with the help and urging of the Taylor Street Group will soon come up with a wonderful replacement for Central Fibre Products Co., Div. Avis Industrial Corp. So with my best wishes, to each and everyone of you affected by this closing, I wish you good luck.

Also Concerned:

To the Editor:

This is my last item pertaining to the workings of our organization for the month of October reporting.

Mother Nature has more than done her share in this beautiful time of year. Can you do your share in other ways?

We have just been notified by our VFW State Americanism Chairman and President that on Nov. 4, all of us should tie a yellow ribbon around that oak tree or post or mail box or porch railing. This day will mark the one year anniversary of the capture of 53 Americans by the Iranian revolutionists. Their families haven't forgotten, neither should we. Show them you care and join us.

How ironic that the fourth of November happens to be election day. Will you vote?

The VFW Post Home will be open from 9 a.m. to 5 p.m. for free coffee and cookies for the voting public. Free babysitting will also be available for those who must stand in line to vote.

I have previously listed the many local acting chairmanships. There are several others including Buddy Poppies, Voice of Democracy, Publicity, Safety, P.A.C. and Historian. All are very important to our veterans and the communities in which they live. If the American people won't rally for America, who will?

We are fortunate to have a newspaper like ours that cares for its community. We sincerely appreciate its help in keeping us posted on the local level. Thanks, Walt.

# Psychology Class Hears Hypnotist

After studying hypnosis, the psychology class at Chelsea High school asked Dr. Paul Davis, a noted hypnotist from Southfield, to come and speak about hypnosis and demonstrate his skill. Dr. Davis began his Oct. 14 presentation by answering questions from the class. Principal John Williams was also intrigued by the subject and joined the students in time to pose a few questions. Inquiries pertained to the misconceptions surrounding hypnosis and Dr. Davis wanted to relieve any anxiety in the class before the four student volunteers became subjects.

He explained that he uses hypnosis, combined with biofeedback techniques, to help his patients. Dr. Davis told the class that he uses his special training to combat psychosomatic illness and behavioral problems, among other things. There are many areas where hypnosis may be used, such as helping people stop smoking and helping overweight persons control their eating habits. Dr. Davis explained that he rarely uses hypnosis for these purposes. He normally deals with more serious problems.

After answering questions, the doctor had two of the volunteers come forward. He began by trying to relax them. They were admittedly nervous and it took quite a long time to put them under hypnosis. One girl was only in the first, light stage while the other was in the third or fourth stage. He got her to the point where she could no longer feel pain and

demonstrated this by pinching her hand. The next two volunteers only took a few minutes to relax completely. He then taught the class self-hypnosis and explained that the students under the trance would recall the techniques more easily because they were more alert.

Dr. Davis was an interesting guest and helped the class to sort through the myths and misconceptions surrounding hypnosis to arrive at a clearer understanding of what it is and is not.

# Porter Cemetery Work Bee

Last spring a number of concerned Chelsea area residents took to the long-neglected Porter Cemetery and began a slow, grueling process of cutting down trees and brush that had been left to grow rampant, burying history beneath their dense cover. After a number of trips to the Sager and Fletcher Rd. site, the

volunteer workers had removed much of the overgrowth, at least enough so that 61 of the gravestones can be seen and read by the local history buff or curious passerby.

But, after several careful mowings over tree stumps and other debris, it is evident that the stumps of trees removed earlier in the year, must be extracted. Because it was a private graveyard, Porter Cemetery's fate lies in the hands of concerned Chelsea area residents who hope to return it to its former well manicured state.

Perhaps if the cemetery were freed of its dense overgrowth, other methods of maintaining it could result. With that in mind, volunteers are needed to help saw down the remaining tree stumps that stand in Porter Cemetery. This pre-winter clean up endeavor will take place on Saturday, Nov. 1 between the hours of 10 a.m. and 4 p.m. and likely workers are asked to come with hand or chain saws.

## Beach Girl Cagers Both Lose to Saline

The 7th grade girls basketball team suffered their first loss of the season to a quick and excellent passing squad from Saline. The first quarter found Chelsea slow to adjust to Saline's quick passes and fast breaks as they fell behind, 4-14.

Saline kept out-shooting the Bullpups in the second quarter to take a 22-7 half-time lead. The second half showed more equalized scoring but Chelsea could never cut into the lead the Hornets had gained and lost with a final score of 14-30.

Scorers for Chelsea were Kris Mattoff with four points, Jennifer Cattell, Kristi Headrick, Jackie Boosey and Cindy Kvarnberg with two points each and Melanie Gunn contributed one.

The 8th grade Chelsea cagers lost to Saline, 18-25. The Bullpups came out slow in the first quarter and Saline was quick to take advantage, racking up a 7-3 first

## Parents Attend CHS Open House

On Monday, Oct. 13, Chelsea High school opened its doors for the public in its annual open house. The faculty was very pleased at the turnout, double the number of visitors as in years past.

Partial responsibility for the 450 parent attendance record could lie with the new format that allowed guests to wander around and peruse the activities taking part on the campus.

Various demonstrations were presented including the blood pressure tests given by the health careers class and the emission control testing performed by the auto shop students.

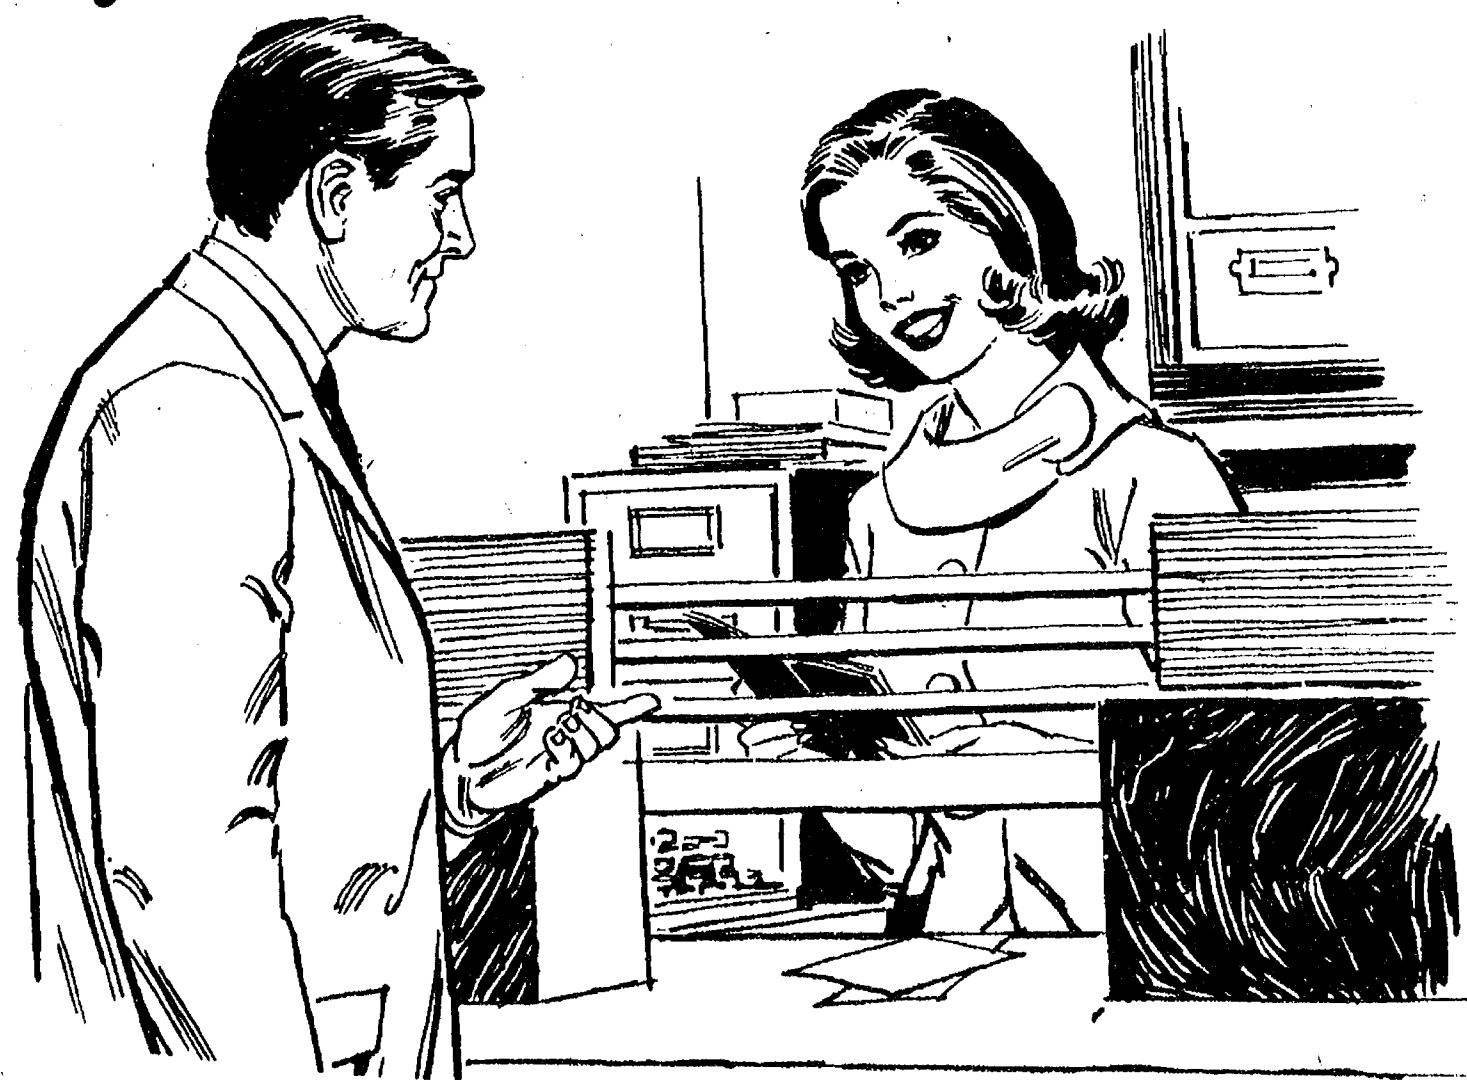

A survey was taken and it was determined that most of the guests attending the open house were in favor of the new format and enjoyed the displays and varied activities going on in the high school.

Most teachers also noted a marked increase in the number of parents in their classrooms. The faculty on hand for the occasion was present as volunteers and National Honor Society members also contributed a great deal of time calling the parents of each student.

Parents attending the evening were greeted with an amazing amount of enthusiasm.

## Gridders of the Week

**JUNIOR JEFF LANTIS (80)** has played football since the 7th grade. In addition to football, Lantis has also played JV basketball. Still, he eats, sleeps and drinks football and he has done so since he was in kindergarten. Living at Half Moon Lake, Jeff enjoys swimming and hiking. He was named "player of the game" following Friday night's encounter with the Lincoln Railsplitters. "He did a fine job of blocking and generated whatever offense we had," commented Coach Gene LaFave. "He has excellent moves, his blocking has improved dramatically and he's been our top receiver this year, having caught about 30 passes," La Fave concluded.

**TIM WHITESALL (55)**, like nearly every other player on the team, has played football since 7th grade. Not so this year; Tim tore ligaments in his knee during the Blue and White scrimmage in August and has been unable to suit up since. Still, he attends practice religiously and travels with the team to every game. He has

always played center and middle guard and is a member of the Chelsea baseball team but, because of his knee injury, he will no longer wrestle. Other interests of this Chelsea junior include piano, debate and other sports. Though he has been injured the entire season, Coach LaFave comments, "He's a hard worker and he shows his devotion to the team by coming out with us even though he can't play."

**MIKE BARIES (84)**, like the two teammates beside him, has participated in Chelsea football since 1978. In addition to his football playing, he is also a member of both the basketball and baseball teams. "Mike's a hard worker; in the off season, he put in a lot of time and he's a hard hitter in practice," said LaFave. "From defensive back to offensive linesman, he's an intelligent football player." Along with his obvious football capabilities, Mike spends a great deal of time concentrating on his studies. He is a junior at Chelsea High.

## Fair Board Notes

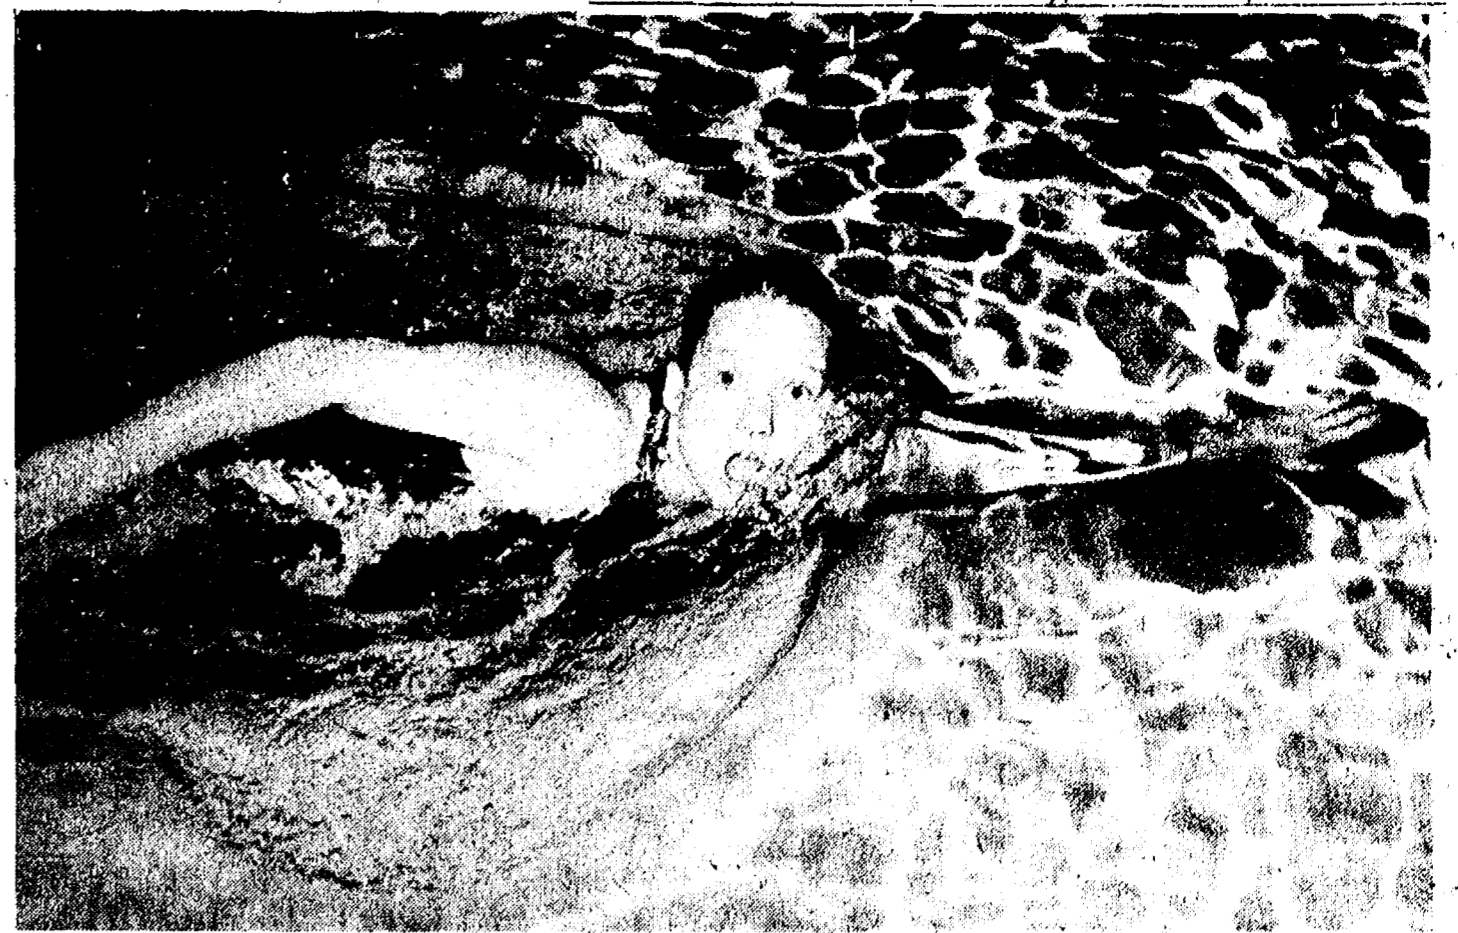

The regular meeting of the Chelsea Community Fair Board was called to order by Vice-President Jerry Heydlauff on Tuesday, Oct. 16. President Lloyd Grau was unable to attend. Other officers present were Executive Vice-President Earl Heller, Treasurer Kay Poljan, and Maryann Guenther, fair secretary. Board members present were A. Bradbury, J. Herrick, G. Houle, R. Heller, M. Stapish, H. Gross, Charles Stapish and J. Merkel, III. Others present included J. Wellnitz and H. Eiseaman.

The minutes of the last meeting were read and approved. The was the last meeting of the Fair Board for the fiscal year to end on Oct. 31. On Nov. 13, the annual meeting will be held.

It was decided that the scales building will have the windows covered to help keep breakage down from vandalism. Sand will be brought in to help with wet spots in the livestock building. A new window has been installed to replace one that had been broken by trespassers. The large speakers and amplifier were stored in another area and off the floor and some work was done with the gate storage in the horse barn.

The Fair Board is looking ahead to the 1981 season and plans to have it be as successful as the 1980 season.

**TERESA DEGENER**, Chelsea High school senior, is one of the tri-captains of the Chelsea swim team. As "swimmer of the week," Teresa placed first in a number of individual and team relay team racing events last week at both the Parkside and Lincoln meets.

## Teresa Degener Important To Success of Swim Team

For her outstanding efforts last week, Teresa Degener has been chosen as Chelsea girl Swimmer of the Week.

Last week, Teresa swam four individual races and was a part of two different relay teams. In the four individual races, she gathered three first-place finishes. Also, one of the relay teams she was on placed first. These first-place finishes came in the meet when the Chelsea team desperately needed to stay within striking distance of the opposing team.

"Teresa is a senior on the team and also one of the tri-captains.

**Frosh Gridders Down Lincoln in Last League Game**

On Tuesday, Oct. 14 the Chelsea freshman gridders travelled to Ypsilanti Lincoln for their last league game of the season. In the driving rain, the Bulldogs upped their season record to 4-3 with a 44-18 win over Ypsilanti's freshman Railsplitters.

Tonight, the squad will take on the freshmen from South Lyon in hopes of finishing their season with a 5-3 mark. The game will begin at 5 p.m. on Chelsea soil.

Her drive to become a better swimmer is quite evident whether it be at practice or at a meet," commented Coach David Johnson.

"Last week at the Parkside meet, the team was down a little and Teresa came through for us in the 100 breaststroke. Also, against Lincoln she lowered her time by five seconds in the 200

freestyle... she is quite a competitor," Johnson continued.

Teresa will swim in any event that the team needs her to swim on any given evening. She is, therefore, quite a valuable asset to the varsity team.

The Chelsea High school senior is a member of the National Honor Society and plans to attend college next fall.

Dr. Teresa M. Goossen is pleased to announce the opening of her Chiropractic Practice.

She will be accepting patients by appointment at the office of Dr. George Koffeman, 138 E. Middle St., Chelsea on Tuesdays, Thursdays and Saturdays.

## UNICEF Collection Scheduled Sunday

Halloween is National UNICEF Day, and this year's campaign theme is "Fight World Hunger from Your Doorstep." It symbolizes how each one of us can become personally involved in UNICEF's efforts to end hunger and malnutrition in children: by giving generously to UNICEF Trick or Treaters or the canisters in area business places.

The 1980 campaign is chaired by Kermit the Frog, star of stage and screen, banjo player extraordinaire and most notable celebrity of Jim Henson's Muppets. Kermit has pledged full support and feels that his national appeal for UNICEF Day will prompt "great leaps" for needy children and mothers around the world.

Since UNICEF depends on voluntary contributions from individuals and governments to continue its developmental assistance and emergency relief programs, each year groups and organizations mount exciting community fund-raising campaigns across the nation. Church Women United of Chelsea through some of the churches is sponsoring the trick or treaters

Coming back in the third quarter, the Bullpups narrowed the gap, 14-19. The girls from Chelsea kept closing in but the Hornets would answer with a couple of baskets of their own until they achieved their ultimate victory.

Scoring for Chelsea was Kelly Hawker with eight points. Joann Tobin added five, Beth Unterbrink scored three and Anne Weber contributed two points for the team.

**100 YEARS YOUNG:** A century will have passed for Gus Wellnitz of Tecumseh on Monday, Nov. 10 when he will celebrate his 100th birthday. Gus, father of John J. Wellnitz of Chelsea, still maintains a garden each year, planting and keeping it up himself. This year, however, he broke his left wrist and the weeds took over.

### Gus Wellnitz Still Active at 100 Years

On Monday, Nov. 10, Gus Wellnitz, father of John J. Wellnitz of Chelsea, will celebrate his 100th birthday. He lives at 10930 Wisner Hwy., Tecumseh, and would surely appreciate a card or note from anyone interested in very old people.

Gus lives alone, keeps house for himself and cooks two meals each day. He has some help from his daughter, Mrs. Wilma Allen, who lives next door.

He has another daughter, Mrs. Ruth Marie Gove who lives near Clinton and a son, John J. Wellnitz who lives in Chelsea with his wife, Ruth. Another son, Harold, died in 1919 from a ruptured appendix at the age of 13.

Gus was born in Germany in 1880 and came to the United States when he was four years old. A farmer all his life, he believes in being active and the fact that he neither drinks nor smokes has been a contributing factor to his long life. When he gave up farming approximately 10 years ago, he retained a large enough parcel of land to cultivate a sizeable garden.

Nearly a century old, Mr. Wellnitz remains active, reading and listening to the news and ballgames. According to his son, John J. Wellnitz, "He doesn't live in the past, except in his moral attitudes and values." Mr. Wellnitz keeps up with world and local affairs, especially the Presidential

campaigns. He is an ardent Republican and has submitted his request for an absentee ballot for the Nov. 4 general election.

His family of three living children, six grandchildren, 14 great-grandchildren and four great-great-grandchildren are planning to call at his home in order to have five generation photographs taken. They will be there to wish him a happy birthday during the next few weeks preceding his birthday.

For the past several years, Mr. Wellnitz has spent winters in Florida. He will leave on Nov. 15 this year and be met there by his daughter and her husband. By mid-April, Gus will return to Michigan in order to plant his 1981 garden.

### Farm Income Outlook Brightens

Net farm income in 1980 will total \$23 to \$25 billion, the USDA said in an Agricultural Situation and Outlook Report.

Cash receipts are estimated at \$136 to \$142 billion. Farm commodity prices have risen faster than input prices in recent months, improving the annual farm income prospects from earlier calculations, USDA said.

The index of prices received by farmers gained 12 percent from June to September, while the index of prices paid rose 3 percent. However, when compared with the year before, prices paid by farmers were up 12 percent in September, while prices received were up 9 percent.

With improved market conditions, total feed grains have shown net movement out of the farmer-held reserve in recent months. Wheat, however, has been moving into the reserve on a net basis, although at a slow pace in recent weeks.

### Welton, Ritter Named to SEC All-League Team

Junior John Welton and freshman Jim Ritter were the two Chelsea High school golfers who made the Southeastern Conference All-League team. J. Welton shot a 39-35 to total 74 and second medalist. J. Ritter shot a 39 and a 43 for the eighth medalist rank during the league meet held last week.

John Welton also finished as third medalist from a field of 130 golfers at the Novi Invitational Golf Tournament last week. To complete the tournament in such a prestigious position, Welton shot rounds of 41-38-40.

### Sylvan Township Board Proceedings

**Regular Meeting**  
Oct. 7, 1980

The meeting was called to order by Supervisor Schoenberg with the following members present: Trustees Lesser and Carruthers, Treasurer Pearsall and Clerk Harris.

Minutes of the last meeting were read and approved.

Supervisor Schoenberg reported that Stan Montagne has withdrawn his Variance request. Bills were presented by the Clerk. Motion by Pearsall, supported by Lesser, that orders be drawn and bills be paid. Motion carried.

Pat Stoll was present to discuss possible Zoning violations at 419 Glazier Rd.

A letter was read from Weber Homes asking we re-consider the Liebeck Rd. proposal. A motion was made by Pearsall, supported by Harris, to approve the new proposal, stating the Township pay 1/3 the cost, Washtenaw County 1/3, and the Developer 1/3. Yeas 3, Nays 2. Motion carried.

Henry Flandysz asked for a variance for the Private Rd. Ordinance to his property on Witness Tree Lane. Motion by Carruthers, supported by Pearsall to table the variance till all could look at the site. Motion carried. After discussion, motion was made by Carruthers, supported by Pearsall, to withdraw the previous motion. Motion carried. Mr. Flandysz decided to do some further checking on this property.

George Sweeny stated a need to hire an assessor for the coming year. A letter asking for bids will be compiled and sent to qualified assessors, by the Clerk.

The November Board meeting was changed to Nov. 11, 1980.

A motion by Harris, supported by Pearsall, made to adjourn at 10:11 p.m.

Mary M. Harris, Clerk.

The Federation of Organized Trades and Labor Unions, which later became the American Federation of Labor, was organized in Pittsburgh in November 1881, according to "Important Events in American Labor History," a publication of the U. S. Department of Labor.

**ALL-CONFERENCE HONORS:** Chelsea golfers, freshman Jim Ritter and junior John Welton flank coach Ken Larson after being named to the Southeastern Conference All-League golf team. The duo performed consistently well during the team's 1980 season. Welton shot a total of 74 for the second medalist slot while Jim Ritter shot 82 for the eighth medalist rank at the SEC meet earlier this month.

**SEC ROUND-UP**

**Saline Keeps Perfect Record With 13-0 Win Over Tecumseh**

**Saline 13, Tecumseh 0**

Friday night found Tecumseh's hopes of winning the Southeastern Conference title crushed by a strong Saline squad. The Indians' bid for the crown in their first year in the league stopped with a 13-0 shut-out.

Saline, on the other hand, tallied their 17th consecutive win and kept their perfect record intact, giving them a more than likely chance to win the SEC title for the second year in succession.

The first score came in the second quarter when the Hornets' Pope made a 46-yard run into Indian territory. Then, with less than a minute left on the pre-half-time clock, Hornet quarterback Phelps made a 75-yard run to give his team a 13-0 advantage at the end of the quarter.

There was no more scoring in the ballgame; they probably could have ended the game early. Convincingly, Saline upped its season record to 7-0 over-all and 4-0 in the SEC.

The weak Dexter team never gave up, fighting hard to the very end against a superior running team that capitalized on every Dreadnaught mistake. Fortunately, the Dexter gridders have only one more game to play; it's been a long season.

**JC Western 20, Milan 6**

Jackson County Western, playing with the home field advantage, defeated Milan's Big Reds Friday night. The final score of the evening was 20-6.

The win gave the Panthers a 3-4 over-all record and a 2-3 standing in the SEC. Milan dropped to 2-3 in the conference.

The first scoring of the night came when the Panthers moved the ball 63 yards in eight plays, a campaign that was capped off by Danny Johnson's 29-yard dash in.

**Information Wanted On Arts Fairs**

The Michigan Council for the Arts (MCA) is seeking information on state arts and crafts fairs scheduled to take place in 1981. The information will be included in the 1981 MCA "Arts and Crafts Fairs and Festivals" Directory.

This popular publication contains listings of more than 200 art fairs held across Michigan, including multi-media and single media shows. The directory is scheduled for release in late January. Sponsors must complete an application in order to be listed.

Willow Run scored nine touchdowns, made a two-point conversion and added five of the seven extra points attempted. Too, the Flyers tallied 588 yards rushing, 410 on the ground and 178 through the air to give them a 4-3 season record. Dexter could only muster 110 yards in total offense.

to the Big Red end zone. That remained as the only score of the first quarter.

But, Milan came back in the second, to cut the Panther lead to 6-7. Scott Henry and a one-yard dive were responsible for the only points to reach the Big Red scoreboard.

Credit for the final two touchdowns tallied by the Panthers was given to Kerestly on an eight-yard pass in the third quarter and an 11-yarder in the fourth.

Jackson will entertain Dexter next week while Milan, too, will cap off its SEC season by hosting the Hornets of Saline.

v.  
THE BOARD OF WATER AND LIGHT, THE MICHIGAN MUNICIPAL ELECTRIC ASSOCIATION and THE MUNICIPALITIES OF CHELSEA, CROSWELL, GRAND HAVEN, L'ANSE, LOWELL, MARSHALL, NILES, PETOSKEY, PORTLAND, SEBEWAING, STURGIS, WYANDOTTE, and ZEELAND, Defendants.

FILE NO. 79-23716-CZ  
NOTICE OF PENDENCY OF CLASS ACTION

I. INTRODUCTION  
The Ingham Circuit Court has certified the above-entitled cause as a true class action. The Court has defined the class as the owners of multiple-family dwellings receiving electricity from any of Defendants for hallways, common areas and exterior lighting ("common areas") through central meters at the following commercial rates rather than the residential rates listed below:

Defendant Municipality	Commercial Rate At Which Plaintiffs Take Service	Residential Rate At Which Plaintiffs Seek to Take Service
1. City of Lansing (Board of Water and Light)	Commercial Rate No. 3	Residential Electric Service Rate, No. 1; or Residential All-Electric Service Rate No. 2
2. Chelsea (Chelsea Electric and Water Department)	Rate 3.0 Commercial	Rate 1.0 Residential and Domestic Farm; or Rate 2.0 Residential Heating
3. Croswell (Municipal Utilities)	Commercial Rate C-1; or Commercial Space Heating Rate CS-1	Residential Rate R-1; or Residential All-Electric Purpose Rate R-2
4. Grand Haven (Grand Haven Board of Light and Power)	General Service Small Schedule GSS-79	Residential Service Schedule RS-79; or Residential Service All Electric Schedule RSAE-79
5. L'Anse	1.2 Commercial Energy Rate	1.1 Residential Energy Rate
6. Lowell (Lowell Light and Power)	Electric Rate Schedule "GS" General Service	Electric Rate Schedule "R" Residential Service; or Electric Rate Schedule "R-1" Electric Heating Service
7. Marshall (Marshall Utilities Electric Department)	Commercial Light and Power Service, General Secondary Rate "B"	Residential Service Rate "A"; or Residential Service Rate "A-1"
8. Niles (Board of Public Works)	General Service Rate 2 and Rate 2-R	Domestic Use - City and Rural, Rate 1 and Rate 1-R
9. Petoskey	Commercial Rate	Residential Rate; or Hot Water Heating Rate
10. Portland (Electric Department)	Rate 2: General Service	Rate 1-A; Residential Service; or Rate 1-B; Residential All-Electric Rate; or Residential Water Heater and Range Rate
11. Sebewaing (Sebewaing Light and Water Department)	General Service Rate	Residential Rate R-1; or Residential Domestic Space Heating Rates H, H-1, or H-2
12. Sturgis	Commercial and Industrial Light and Power Rate C	Domestic Use - City Rate A
13. Wyandotte (Department of Municipal Service)	Commercial Lighting Rate	Residential Rate
14. Zeeland		

For each of the municipal utilities listed above, the residential rate at which Plaintiffs seek to take service (Column (c)) is lower than the commercial rate (Column (b)) at which Plaintiffs presently take service. Some of Defendant municipal utilities have predecessor rates slightly higher than and/or amount from those listed above. In addition, other municipal utilities with similar rate applications may, in the future, be added as Defendants to this proceedings. However, in each instance, Plaintiffs are members of the class receiving service and/or which have received service from any of present or future Defendant municipalities at the commercial rates listed above and/or predecessor commercial rates, since January 31, 1973.

The Court has ordered that this notice be sent to you as a member of the class.

II. HISTORY OF THE LITIGATION  
The litigation challenges the validity of Defendants' application of rates and seeks a judgment determining such rate application to be unconstitutional. The following additional relief has been requested in the suit:  
A. An injunction restraining Defendants from charging members of the class rates other than the listed residential rates for electricity through central meters for common areas in multiple-family dwellings.  
B. An accounting.  
C. Payment and/or reimbursement of all charges, expenses and damages which Plaintiffs may have incurred as a consequence of being charged the commercial rates.  
D. Attorneys' fees and costs.

The Defendants have denied the claims of Plaintiffs and have asserted various defenses to the action.

The Court does not express any opinion on the merits of the claims or defenses and the sending of this Notice is not to be construed as an expression of any opinion by the Court as to the outcome of the litigation.

III. PURPOSE OF THE NOTICE  
The sole purpose of this Notice is to inform you of the pendency of this litigation and to give you an opportunity to participate personally in the proceedings by entering an appearance through your own attorney or in your name or to exclude yourself from the proceedings. You should make your election by the 31st day of December, 1980. A form for this purpose is attached.

The judgment in this case will cover and bind all members of the class, except those electing to be excluded from the proceedings as above provided, irrespective of whether (a) the judgment is favorable or (b) you or your own individually selected attorney represent your interests in the litigation or (c) your interests in the litigation are represented, along with other members of the class, by the attorneys for the class. If you or your own individually selected attorney represent your interest, you will be responsible for your own costs and expenses incurred in the litigation.

If you elect to be excluded from the proceedings, you will not be bound by the judgment.

If you fail to complete and return the attached form prior to the above date, you will be deemed to have elected to participate in the action as a member of the class and to be represented by counsel for the class.
