Chelsea's last football game of at 27-20, Pinckney still having the the year was certainly an actionbacked grand finale as the Bulldogs narrowly missed upsetting the Pinckney Pirates. With less than 12 seconds remaining in the game, the Pirates stopped Chelses on a two-point conver-sion attempt and hung on to a one-point 27-26 victory.

The Pinckney gridders dominated the entire first half, scoring at will. Methodically woving the ball down the field, he half-time lead was 20-0; it looked as though Chelsea was out of the game.

The Pirates came back in the third quarter to score again, hiking their already commanding lead to 27-0. But, Chelsea would not give up. On the Bulldogs, first possession in the quarter, Chelsea's John Preston dashed in from the four-yard line. Then, David Wojcicki made a 37-yard run into Pirate territory to up the Chelsea score to 14-27. But, the Bulldogs were far from finished. The Chelsea comeback and the disappointing missed conversion spurred the Chelsea fans on to an uproarious standing ovation for the Bulldogs.

According to Coach Gene LaFave, "It was the first time that we were able to both run and throw the football." The statistics evidenced LaFave's deduction. John Preston ran with the ball 24 times for a total of 102 yards. David Wojcicki was 15 for 25, for a total of 195 yards passing. Jeff Lantis caught the ball nine times for 125 yards.

Defensively, Chelsea hung on and didn't allow Pinckney any long gainers. "The team gave its full effort and the seniors were outstanding," commented LaFave. "It was one heck of a

# Two Die in I-94 Wrong-Way Crash

Early Sunday morning, Chelsea police received a call regarding an east-bound car traveling on the west-bound side of I-94. At 1:33 a.m., a car was sent out to watch for the vehicle and at 1:48 a.m., the Chelsea

Police Department received. another call, this time regarding a bad personal injury accident on I-94 near Parker Rd. in Lima township. According to Chelsea Police

Chief Robert Aeillo, he and his men went to the scene because neither the State Police nor the Washtenaw County Sheriff Department were able to respond.

Arriving at the scene of the accident at the 166 mile marker, one mile west of Baker Rd., Chelsea police and fire department found the wreckage of two full-size automobiles, the result of a fatal, head-on collision in which two men were killed.

The dead men are Paul L. Smith, 25, of 216 Harrison St., Chelsea, who was traveling westbound on the expressway, and Timothy D. Smith, 18, of Austin, Tex., who was driving the wrongway vehicle.

Timothy D. Smith had been staying with a relative in Grass Lake and had been allegedly returning from a wedding reception in the Jackson area at the time of the accident.

Both men were alone in their cars at the time of the incident. Paul L. Smith was a data processing instructor at a Jackson school and was also the brother of a Michigan state policeman. The two victims were not related and the accident remains under investigation.

The winners in the election were another pair of Republicans, Paul Gadola and Thomas Reed. Another easy victory for the Republican party came with the election of Kurt R. In the race for the Trustees at Washtenaw Community College, the winners, without all of the precinct votes totalled, gave the election to Vanzetti M. Hamilton and Anthony J. On the non-partisan ballot, five candidates were vying for the two available offices as Justice of the Michigan Supreme Court. Coming out victorious were incumbents Mary S. Coleman and Charles L. Levin who defeated the remaining trio handily. Nonetheless, newcomer Michael K. Hegarty made a rather impressive showing.

The office of 1st District Judge of the Court of Appeals found easy victories for unopposed incumbents George N. Bashara, Jr. and Vincent J. Brennan. ### Chelsea Child Study Club Practices Brass Rubbing Art

On Tuesday, Oct. 28, 15 members and two guests of the Chelsea Child Study Club traveled to Plymouth for their meeting and to practice the art of brass. rubbing.

Following a short business meeting conducted by President Betty Cox, everyone toured the home of Pearl Smith and admired and attempted to select from her collection. Pearl and her husband had many size and color combinations on display throughout their home. The hardest task in making a brass rubbing was choosing the brass design wanted.

The collection available was an authentic replication of the British Church brasses. The replicas were made to protect both the original brasses from further wear and the churches from the congestion that often results because of the growing popularity of brass rubbing as a hobby. When the selection was made,

only a few minutes of instruction and a bit of elbow grease produced an attractive copy of brass. These rubbing could then be framed or left unframed and hung with a dowel at the top.

Co-hostess for the evening was Kay Redding. The Nov. 11 meeting will be held with the **At Immanuel Church** Modern Mothers Club at their On Saturday, Nov. 8, Immanuel auction at the Fairgrounds. Bible church, 145 E. Summit St., Guests are welcome. will present the "Gospel

### Katherine Maheras, Larry Johnson Wed at Chelsea Baptist Church

Katherine Georgia Maheras and Larry Thomas Johnson exchanged wedding vows at 6:45 p.m. Saturday, Oct. 25 at the Chelsea Baptist church. The Rev. Timothy Johnson, brother of the bridegroom and pastor of the Assembly of God, Perry, officiated the evening ceremony. She is the daughter of Mr. and Mrs. James N. Maheras, 1303 Prescott St., Ann Arbor. He is the son of Mr. and Mrs. William S. Johnson, 6600 Portage Lake Rd., Munith.

The bride chose a white organza gown with a pleated, square neckline. It featured a Venice lace bodice and appliqued front skirt panel. Organza bishop sleeves with Venice lace cuffs and covered button detail on the cuff and back accented the gown that terminated in an appliqued chapel length train. Her veil featured a white crown with a Venice lace-covered cap and rhinestone teardrop, chapel length illusion edged in matching lace and a multi-tiered blusher. She carried a bouquet of red roses centered by a single white rose and accented with baby's breath. Matron of honor was the bride's sister, Elaine Marie Sudman of Ann Arbor. She was attired in a light blue evening gown with a lace and dark blue velvet bolero and a hat to match, trimmed in dark blue velvet. She carried one carnation tipped in dark blue to match her bolero. In addition, she carried two, individually tied carnations to be given to the mothers of the couple following the ceremony. Mrs. Shelley Lynice Brososky of Pinckney, sister of the bridegroom, was selected as bridesmaid. She wore a gown identical to that worn by the matron of honor. The mother of the bride chose a teal blue lace evening gown with chiffon sleeves. Accented her attire was a corsage of pink sweetheart roses. The bridegroom's mother wore a dark pink chiffon evening gown with a beaded neckline. She, too, completed her costume with a corsage of pink sweetheart roses. Jennifer Sudman, niece of the bride, and Chantel Collins, the bridegroom's niece, served as

flower girls. They carried hand crotcheted flower baskets filled with pink rose petals to toss. They wore white dresses with dark blue velvet trim and had velvet bows in their hair.

Best man at the occasion was Timothy Bowsher of Dexter. Serving as ushers at the ceremony were Mike Stapish of Chelsea, Jerry C. Sudman of Ann Arbor, and Dennis Brososky of Pinckney.

Following the ceremony, a reception was held at the UAW Union Hall in Chelsea.

The newlyweds honeymooned at Disneyworld in Orlando, Fla. and are at home at 12210 Seymour Rd., Grass Lake.

# 'Big Switch' Sale Set By St. Mary's

St. Mary's parish will be sponsoring a "Big Switch" sale on Wednesday, Nov. 19 between the hours of 10 a.m. and 8 p.m. at St. Mary's school gym on Congdon St.

What is a "Big Switch" you may ask? It is an orderly, welldisplayed sale of clothing, toys, games, and baby equipment, all in good condition. In essence, one family "switches" its unused items for something else that they need. Everything is moderately priced and many low cost things will be found.

All members of the community are invited to participate.

Items may be donated, receipts will be given for income tax purposes or items may be sold on consignment with 25 percent of the total sale given to the St. Mary's Building Fund and the Christian Service Committee.

Goods for the sale may be taken to St. Mary's school from Nov. 12-15 between the hours of 10 a.m. and 3 p.m. The committee requests that 3x5 index cards be used for marking seller's name, price, size, percent or donation.

Cards should be cut in half and attached to clothing with a straight pin, to toys and the like with tape. Participants may

mark their goods before bringing them to the school or they may bring cards, pins and a pen to the school. It is requested that everyone allow enough time to mark their own things.

Everything must be clean and in good condition. The committee reserves the right to make final decisions on whether an item is saleable or not.

Now is the time to put all those unused items to good use; someone else probably needs it.

The committee is also looking for workers for the day of the sale. If you need more information or have any questions, please call Anne Comeau at 475-9753.

### **LETTERS TO THE EDITOR**

#### Dear Ed:

Now that the lying is over for four years, may I quote Senator George G. Vest of Missouri on behalf of those who cannot speak for themselves. It won some money for his client after the aton killing of his neighbor's dog (the jury took two minutes to award \$500-when a buck was worth a buck). But it won immortality for the Senator:

"The best friend a man has in this world may turn against him and become his enemy. His son and daughter that he has reared with loving care may become ungrateful. Those who are marest and dearest to us, those whom we trust with our happiness and our good name, may become traitors to their faith. The money that a man has he may lose. It flies away from him when he may need it most. Man's reputation may be sacrificed in a moment of ill considered action. The people who are prone to fall on their knees and do us honor when success is with us may be first to throw the stone of malice when failure settles its cloud upon our heads. The absolutely unselfish friend a man may have in this selfish world, the one that never deserts him, the one that never proves ungrateful or treacherous, is his

dog. "A man's dog stands by him in prosperity and poverty, in health and in sickness. He will sleep on e cold ground, when the wintry winds blow and the snow drives fiercely, if only he may be near his master's side. He will kiss the hand that has no food to offer, he will lick the wounds and sores that come in encounter with the roughness of the world. He guards the sleep of his pauper master as if he were a prince.

"When all other friends desert, he remains. When riches take ings and reputation falls to pieces he is as constant in his love as the sun in its journey through the heavens. If fortune drives the master forth an outcast into the world, friendless and homeless, the faithful dog asks no higher privilege than that of accompanying him, to guard against danger, to fight against his enemies, and when the last scene Sall comes, and death takes his master in its embrace and his body is laid away in the cold ground, no matter if all other friends pursue their way, there by his graveside will the noble dog be found, his head between his paws and his eyes sad, but open in alert watchfulness, faithful and true even to death." P.S.-Help the "Animal Control and Welfare" ordinance Ending before the Washtenaw County Board of Commissioners; George Merkel is our representative. Also the Huron Valley Humane Society certainly needs help.

#### To the Editor:

It is my personal feeling that I would like to share with the readers of your paper. Still wearing the semi-shine of "newcomer" to this community, I am glad we are here. Here among a community of "people who care." When there is a need, folks rally around and get things done. Each person, no matter how unimportant he or she may feel at the time, is, oh, so very necessary.

I would like to thank the ones responsible for giving the youngsters of this town the opportunity to have a Happy Halloween; the Kiwanians and the K. of C., to name a few. Thank you for your caring efforts and your dedication.

I would like to thank our police and firemen, our postal employees, the store keepers, their employees, the people who collect our garbage, the unpopular "meter readers" . . . sure, it's a job to you . . . we'd be lost without you.

Thank you to the wonderful people who greet us whenever we have an opportunity to eat out; your courteous attention makes us glad you're here and a smile will make us willing to pick up the check.

Thank you to the doctors, nurses, dentists, to the staff at Chelsea Hospital. What would we do without you?

To our schools and staff, our children are in your hands. And "Thank you, too . . . neighbor," for taking such good care of "Our Town" through the years, making it what we enjoy today.

To every denomination of faith in our churches, go right on doing God's work among His people. This brings me to another "thank you." To all the people at St. Mary's church, you can take pride in yourselves . . . under the direction and guidance of our pastor, Fr. Dupuis, we have become a "parish family." There is so much accomplished through the efforts of our people; we are becoming more alive as we grow in caring and sharing.

While we are a praying people,

we are also a "doing people." So

On Tuesday, Oct. 28, the Junior represented President Carter, and Senior classes at Chelsea High school participated in their biannual mock election using the fillot that will be voted by the registered voters in Precinct 1 of Sylvan township on Nov. 4, Election Day. The school simulation allowed for students to experience punch card voting so that when each is eligible to vote, the school experience would encourage participation in the election process.

Prior to the vote on Tuesday, a resentation based on five presidential candidates and seven ballot proposals was held in the High School auditorium for United States History and United States Government classes.

I'll never pass up the opportunity to expound on the advantages of owning real estate. But it has occurred to me that many readers may assume that ownership of real estate, over and above their own home, is not for them because they may make an average working wage. This is far from true.

A large number of Americans own real estate other than their own home, and not all of them are in the higher income groups. The National Association of Realtors recently surveyed a cross section of the public and the results of the questionnaire punctured the myth that real estate investment is the ex-

answering questions correctly, we can be very pleased with the results at all building levels. An average of all mathematics and reading results indicates approximately 80% of our students answered all the questions correctly. The only school to have students scoring slightly lower than 80% was the high school. The math scores were below 80% attainment, however, the reading scores were above the 80%.

The reading and mathematics tests were administered to all our 4th, 7th, and 10th grade students. The test results are used individually and district-wide. Teachers use the results to work with the individual students and improve their areas of weakness, and the administration and teachers use the district results in the light of total curriculum emphasis.

## SEC ROUND-UP: Conference Strikes Out Against Non-League Teams

Carleton 12, Milan 8 Wrapping up the 1980 season, Alan's Big Reds were defeated by the Carleton Airport Jets Friday night. The final score of the non-league battle was 12-8, giving them a record of 2-6-1 on the year.

Two key player injuries and the ousting of linebacker Rob Stark for unsportsman-like conduct, left the Big Reds with a far from impressive lineup.

In the meantime, Carleton Air-**B**ort, who finish the season with a 2-7 record, scored twice in the second quarter for a 12-0 halftime advantage. Milan came back in the final seconds of the third and scored on an eight-yard jaunt which capped a 14-yard drive. The two-point conversion was good, cutting the Carleton lead to four points.

Though Milan had the opportunity to score in the fourth uarter, a pass was intercepted by Carleton, thereby ending the Big Reds' chances for a victorious final game.

#### Hartland 32, Dexter 8

Dexter ended its particularly gloomy season Friday with a 32-8 disappointment against Hartland's Eagles.

Hartland put the game away in he first quarter, racking up 19 points in the first few minutes. The Dreadnaughts held the Eagles scoreless in the second quarter; the Eagles reciprocated and ended the first half with a very commanding 19-0, lead.

Hartland came back to score one more time in the third quarter and again in the fourth to bury Dexter, 32-0. But, Dreadnaught quarterback Tony Mcyoy, who had passed well all night, hit Eric Sing with a pass to give Dexter a score from the fiveyard line with three minutes remaining in the contest. The twopoint conversion was good, giving Dexter an eight-point game total. The loss left the Dreadnaughts

winless for the 1980 season, finishing 0-8 over-all.

and dropping them to a 8-1 overall season record.

The Riverview gridders had gained a very commanding halftime lead of 13-0 and had seemingly put the game away. Both teams were held scoreless in the third guarter and it was not until the middle of the fourth that Saline wiped the goose eggs off its side of the scoreboard.

Cutting the Pirate lead to 13-8, Saline had more of a chance. That is, until Riverview reciprocated the Saline score and upped their advantage to 21-8. But the Hornets didn't give up and came back valiantly with on-

ing their 18-game winning streak ly 48 seconds remaining in the contest to cap a long drive with a 20-yard pass from Jim Phelps to Mark Veal. The two-point conversion was good but not good enough as the Saline Hornets lost a heartbreaking game, 21-16.

# **Program Offers** Help for Widows

A new program in which widows help each other has been formed by the Chelsea Senior Citizen Center. The group meets every Monday at 10:30 a.m. during the month of November at the St. Mary's school, 400 Congdon.

The program is co-ordinated by Mary Kilgore, a registered nurse and Masters' degree candidate at the University of Michigan School of Nursing.

Life may seem to lose much meaning following the death of a spouse. Often by sharing feelings and experiences with others in similar circumstances, a new sense of understanding and usefulness may develop.

During the four Monday meetings in November, widows are helping each other by sharing experiences and personal solutions to mutual problems. In addition, guest speakers have been invited to answer questions.

Topics to be discussed include, Nov. 3, Grief and Grieving; Nov. 10, Health and Nutrition (Cooking for One); Nov. 17, Decision Making/Legal Aspects of Widowhood; and, Nov. 24, Being Alone/Managing Time Meaningfully.

For further information and reservations, please call the Chelsea Senior Citizens Center at 475-9242.

# **BOB SILVA CHEVROLET. A BRAND-NEW WAY TO GO CHEVROLET.**

#### euth Lyon 26, Lincoln 7

The Southeastern Conference failed to produce any winners in Friday night's football action and Ypsilanti Lincoln was no exception to this rule. Though Lincoln usually features the superb'running abilities of All-Stater Derrick Tolliver, the game against South Lyon proved otherwise. The Lions' fullback Jim Zachar stole the show, scoring three buth Lyon touchdowns, thereby

eading his team to victory. South Lyon scored three times in the first half, holding Ypsilanti scoreless and taking a powerful 20-0 half-time edge. They came back in the third quarter to score again, raising their advantage to 26-0.

Finally, Ypsilanti's Tolliver scored on a six-yard dash into ion territory and put his team on he scoreboard. Still, Ypsilanti's scoring ability had been stifled early and the Railsplitters lost their final game of the season. Ypsilanti Lincoln ended their

4980 season with 4-5 over-all record. 

Riverview 21, Saline 16

Though their chances of enterling the Class B state high school botball championships were estroyed Friday night when Warren Fitzgerald soundly defeated Clawson, 38-16, Saline ended its 1980 season with a contest against the Riverview Pirates at the Pontiac Silverdome Sunday night.

In the non-conference bout, the Southeastern Conference Hornets took on the Huron League Pirates in the hopes of realizing their second consecutive unbeaten season.

But, such was not the case as the Hornets bit the dust to a powerful Riverview squad, end-

FUNNIEST ADDITIONS to Friday night's activities were, first place, Fruit of the Loom, starring J. D. Gossett, Nina Gossett, Chris Gossett and Danny Olberg. Second place went to

Snoopy and Woodstock, Michael and Kevin Long, while third-place awards went to tiny Chris Merkel as a Raggedy Ann Clown.

A DIFFERENT DRUM sounded as a Jack-o-Lantern added to the ghastly musical beat of the Beach school band during the Halloween procession through the Village streets Friday night. The children of Chelsea were transformed from their normal states into ghosts and goblins and things that go bump in the night.

TODD SPRAGUE (56), junior nose guard, has played football since 7th grade. This year, Todd played a great deal on the defensive line for the Bulldogs. According to Coach Gene LaFave, "Todd is a very aggressive player and has excellent quickness. He is both a hard worker and a good player." Unfortunately, the 6', 172-lb. Sprague was injured a few weeks ago and unable to finish the playing season. In addition to this fall sport, Sprague also plays basketball and is involved with the band.

RICK POLJAN (70), junior nose guard and defensive tackle, finished the 1980 Chelsea football season Friday night following a full season of action on the team. The 6'2" 196-pounder started nearly all season. In addition to his football career, which began back in the 7th grade, Polian is also a wrestler at Chelsea High school.

DOUG HENSON (76), junior tackle, like his teammates, is a football veteran of five years. As a defensive end and member of special teams, Henson has played as a second string center most of the year. In the winter, the 6', 172-lb. Henson has played basketball for Chelsea High school.

### South School **5th Graders Stage Mock Election**

On Tuesday, Nov. 4, South School fifth graders staged an election for the entire school. Running the election, the fifth graders and teachers divided the school into four precincts, handled registration, counted ballots and so on, simulating the "real thing."

Third, fourth, and fifth graders voted in the presidential race and on Propositions A, B, C, D, E, and Q, their personal touch.

In the presidential race, Ronald Reagan soundly defeated incumbent Jimmy Carter, 196 to 57. John Anderson came in third with 38 ballots cast in his favor.

In the ballot proposal vote, Proposition A passed, as did Proposition D: but, Propositions B, C, and E all were defeated.

Oh yes, Proposition Q won by a landslide. The question: "Do you think that the hot lunches are better this year than last?"

# Swimmers of the Week

The Chelsea Standard, Thursday, November 6, 1980

For their outstanding efforts in last week's meets Cinda Thorton and Pam Spayd have been selected as Chelsea Swimmers of the Week. Last week Cinda, right above, bettered her times in each event that she participated in. These events included the 200 medley relay, the 200 freestyle, the 100 butterfly, the 100 freestyle, the 100 backstroke, and the 400 freestyle relay. "Cinda is the ideal person to have on a team. She listens, she responds, and when asked to swim an event she readily takes on the challenge. Cinda swam

In last week's victories, Pam bettered her times each day in the 100 freestyle and qualified as an alternate for the State Meet 400 freestyle relay team. "We knew last year that Pam was real close to breaking through as good sprinter for our team, finally she is doing just that. The Chelsea Invitational is in 2½ weeks and Pam

PROCLAMATION

**VETERANS DAY** On this day, we pay deserved honor to the millions

of our fellow citizens who have served in the armed forces of our country in times of war and conflict and, in grateful appreciation of their devotion and sacrifice, we give outward expression to our deep-seated desire for peace and freedom. Peace to go about our way of life, our work, our play, and with a feeling of security that tomorrow will be a good day to pursue happiness as we see fit; freedom to speak, freedom of choice, freedom of religion, and freedom of movement.

We must never forget that it is not enough just to want, or to hope for freedom and peace. We must take positive action, both individually and collectively in following our national leaders to insure the continuance of our great republic that embodies these two prime objectives.

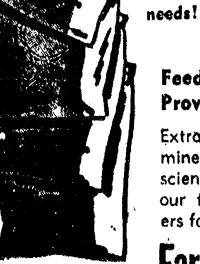

Now, therefore, I, President of the Village of Chelsea, call upon our citizens to observe Tuesday, November 11, 1980 as Veterans Day.

I further direct that appropriate officials of the Village of Chelsea arrange for the display of the flag of the United States on all public buildings on Veterans Day. Also, in order that this day may be marked with suitable exercises and public ceremonies throughout the Village, I request that the appropriate officials of the Village and of civic and patriotic organizations to give their enthusiastic support to such activities as may be developed for Veterans Day.
