TV Channel 31 Plans Broadcast Facility in Chelsea Rural Area

By early next year, Chelsea area residents will be viewing a new television station, WRHT, Channel 31, based in Ann Arbor and offering both network programming and subscription telecasts.

WRHT, the original brainchild of Ann Arbor man Gershwin Morningstar, was, for 10 years, in the planning stages as a commercial station. That intention never received much positive response until Tulsa, Okla. based Satellite Syndicated Systems took over and applied for an FCC license to broadcast both commercial and subscription programming.

The man in charge of the Ann Arbor operations is Kip Farmer, three-year vice-president at SSS who has been involved in the Ann Arbor project for about two years. He and his wife moved to Ann Arbor in August so he could more readily watch the growth of the project.

Located on M-52 near North Territorial Rd., a huge 1,000 foot antenna is being constructed, capable of transmitting 1 million watts of effective radiated power from the station origination in Ann Arbor.

But, why Chelsea? Farmer cites two reasons. First, Channel 31 was the only available frequency in the area. "But, we were told that we might interfere with a Canadian border station frequency if we located in Ann Arbor," Farmer commented. Secondly, "The relatively sparse population and the good high ground were more advantageous in the Chelsea area," he continued.

So, with the pouring of the cement footage and steel reinforced base in October, the project got underway. As of late last week, approximately 720 feet of the tower was erected, but the progress is weather-related. Builders are V and B Tower of Oklahoma and consist of a six man crew. Eventually, the coverage area will blanket Jackson and travel in a 45 to 50 mile radius of the point of origination. This will include Flint, Toledo, Lansing and outlying metro-Detroit.

All engineering will be done in the Chelsea station that is equipped with highly technical machinery. Eventually, a microwave hook-up will be sent from Ann Arbor to Chelsea. The television station will employ approximately 12 full and part-time persons while the subscription service will have a staff of 50 persons.

Won't the Satellite Program Network (SPN) be in direct competition with other subscription services such as ON-TV in as far as programming and service areas are concerned? According to Farmer, "Approximately one-half of the signal area will overlap with ON-TV, but we will offer a different sort of programming."

ON-TV is well known for its first run feature film presentations as well as its sports coverage. The SPN package will offer in-home feature film entertainment and will be known as "In-Home Theater." Sports will be available but not a regular part of the scheduled programming. As a result, those persons who prefer home film viewing as opposed to sport spectating, will find "In-Home Theater" attractive.

Like ON-TV, regular programming will be viewed during the day but evening entertainment will only be available with the use

of a de-coder. Commercial programming will consist of exercise shows, talk shows, old films and others that were developed by Kip Farmer for the Satellite Program Network. After regular programming, a scrambled signal will be sent across Channel 31 and subscribers will have the opportunity to watch their choice of movie packages.

The commercial programming will be available for everyone while the optional service is exactly that. The multi-tiered subscription service will afford viewers a broad selection of films from which to choose.

At a base price of \$22.95 per month, comparable to ON-TV, plus an installation charge and deposit, paid viewers will see a 1 p.m. matinee each day and will enjoy movie viewing beginning at 8 p.m. Monday evening and 7 p.m. every other night. In addition, a late night adult feature will be available at a minimal additional charge.

Installations will begin in January and "In-Home Theater" will premiere Feb. 1 with the showing of "Close Encounters of the Third Kind" and "The Jazz Singer."

Budget Cuts Mean Closing Nature Center

State budget cuts are hitting a variety of facets of the Michigan resident's way of life. First, social services and education; second, state police and sheriff's departments. Now, state recreation areas.

The Nature Center at Waterloo Recreation Area has been eliminated, effective Jan. 3 when all operations will be ceased. Lack of state funds and the program's operation in the red are deemed the chief reasons for Nature Center termination.

Park Manager George Rob explained that the normal staff of four individuals in the Nature Center had dwindled to two earlier in the year when two staffers resigned. Budget problems made it impossible to replace the pair of naturalists that had left Waterloo Recreation Area. Presently staffing the Nature Center are a janitor and a receptionist; there are no naturalists other than volunteers from the area that have come in to offer their services.

Opened approximately three and one-half years ago, the Nature Center offered a free service, giving programs to children's groups and other local organizations. The Nature Center building was expensive to operate and without any base charge for visitors, it reaped no income to pay wages or other expenses.

Rob explained, "This budget cut was the sixth in this fiscal year which began Oct. 1. But, it was the first time Waterloo was affected." Nonetheless, Rob continued explaining that since he became Park Manager three years ago, the staff has been nearly cut in half. At his inception, there were 13 full time

employees; as of the beginning of the year, there will be only seven.

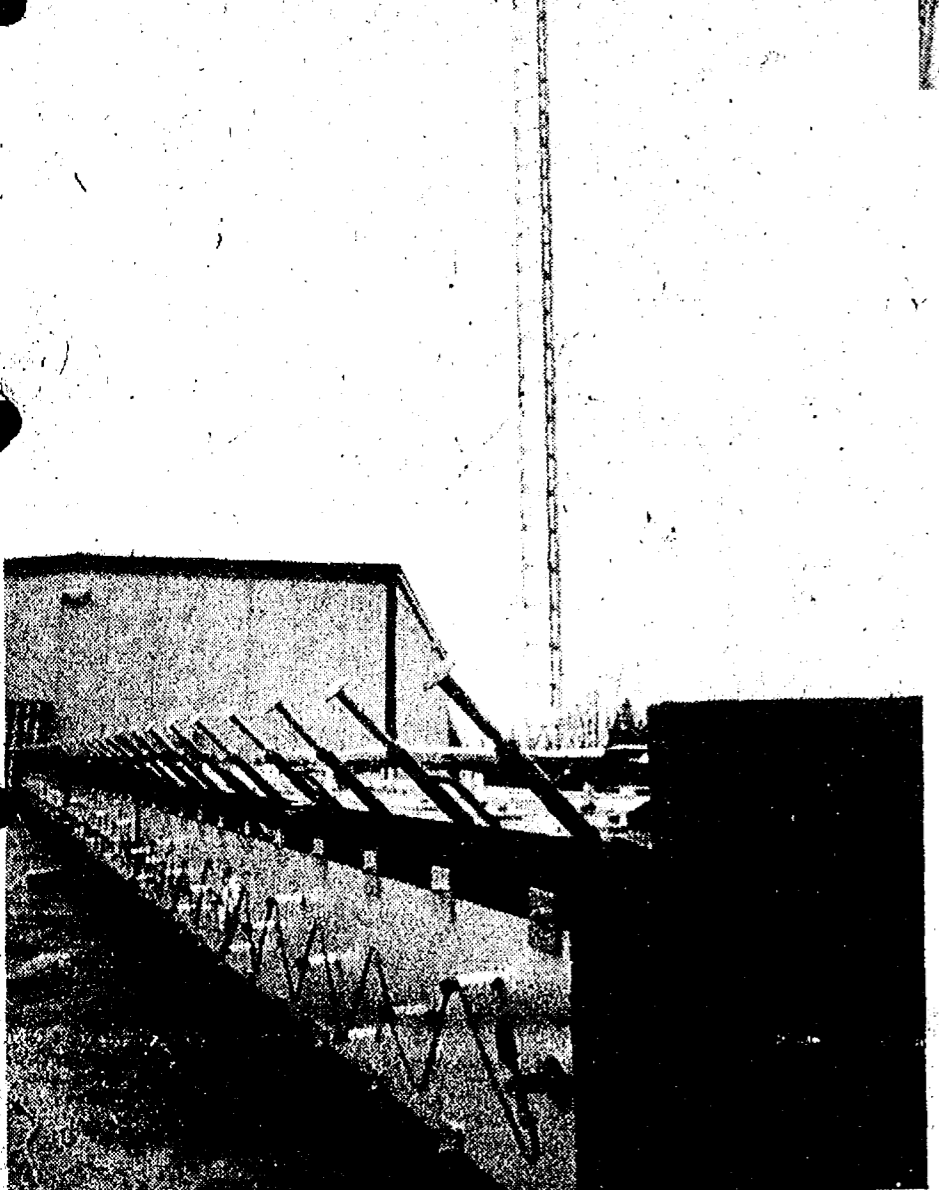

A group of concerned local citizens has banded together in the hopes of maintaining Waterloo Recreation Area's Nature Center as a non-profit organization. The driving force of this movement is comprised of three former employees and volunteers including former head naturalist, Tom Hodgson, who resigned earlier this year to take on a position at the Jackson Community College Environmental Center; laid-off employee Emily Polens; and, volunteer Carol Strahler.

With no name at present, this group is attempting to set up an association in hopes of eventually attaining funding via national nature-oriented organizations. In addition, they will have to convince the Park Division people that they will make a good, whole-hearted effort in the quality operation of the facility and provide a quality service to the public. They will be forced to vow to both remain committed to the cause and to somehow make ends meet.

George Rob believes that their intentions are honorable and that they have a "fairly good chance of getting a departmental okay on their project." But, how will they be able to make ends meet when the park, itself, could not? "Because of our policies, we weren't able to assimilate a per capita or group fee for our services. As a private non-profit organization, they will be able to do that," Rob explained.

The group is planning an organizational meeting Thursday night at the Waterloo Recreation Area's headquarters office on

WRHT'S MASSIVE RADIO TOWER stands more than 700 feet high at present with 27 guide wires relieving the possibility of much sway. 20-foot segments lay on the ground awaiting the long haul up the tower, before they can be put into place. The Chelsea location is advantageous for two reasons, namely the relatively sparse population and the high ground on which the tower will be situated.

Orchestras Plan Christmas Concert

On Wednesday, Dec. 17, the Chelsea High and Beach Middle school orchestras, under the direction of Kevin Miller, will present their annual Christmas concert at 7:30 p.m. in the High school auditorium.

The first half of the concert will feature the Sixth Grade Strings, the Seventh Grade Orchestra and the Eighth Grade Orchestra, performing a wide variety of music including square dance, jazz and Christmas selections.

After intermission, the Chelsea High School Orchestra and Symphony Orchestra will take the stage. In addition to performing traditional Christmas music, the Symphony Orchestra will perform the three selections it presented at the Band and Orchestra Adjudicators Workshop held at Chelsea High school last Saturday, Dec. 13.

A special invitation is extended to Senior Citizens in the community. For those who need transportation to the concert, call

475-9131, ext. 63, between the hours of 9 a.m. and 5 p.m.

There will be no admission charge and a reception in the High school cafeteria will immediately follow the concert.

Two Report Tires Slashed By Vandals

On Tuesday, Dec. 2 at approximately 9 p.m., the tires of a car belonging to a Manchester resident were slashed while the vehicle was parked in the parking lot of the Mark IV Bowling Lanes. At approximately the same time, a tire was slashed on another vehicle in the immediate surrounding area.

Another incident of malicious destruction of property was committed at the Chelsea High school Thursday, Dec. 11 during school hours. In the student parking lot, the side window of a car was smashed.

United Way Drive Inches Near Goal

Since mid-October, the Chelsea United Way Drive has been underway. Now, nearly three months later, the \$41,200 1980 goal is nearly reached. As of Saturday, Dec. 13, pledges and direct contributions have totalled \$32,005.90.

In addition to the above figure, Chelsea United Way has been promised the same contributions as received last year from the Washtenaw United Way and the Detroit United Way. With this in mind, the Chelsea funds will increase by \$7,008-\$2,987 from Washtenaw United Way and \$4,131 from Detroit United Way—and bring Chelsea within 95 percent of its pre-planned goal.

organizations contributing. Chelsea United Way will have a total of \$39,093, just \$2,107 short of the intended goal.

This year's campaign, conducted totally by mail, has proved highly successful. As a result, residential and heavy industrial contributions have exceeded monies collected in past years. In addition, this year, the Chelsea school personnel, teachers, staff and students, made a number of very generous contributions never anticipated by the United Way co-ordinators.

With the current state of the economy, United Way spokesmen are extremely pleased by the huge turnout and the generosity of the residents, merchants and industries of the Chelsea area.

Drama Class Production Set For Friday Night

Tickets are on sale at the Chelsea Pharmacy for the Chelsea High stage and drama production, "You Can't Take It With You."

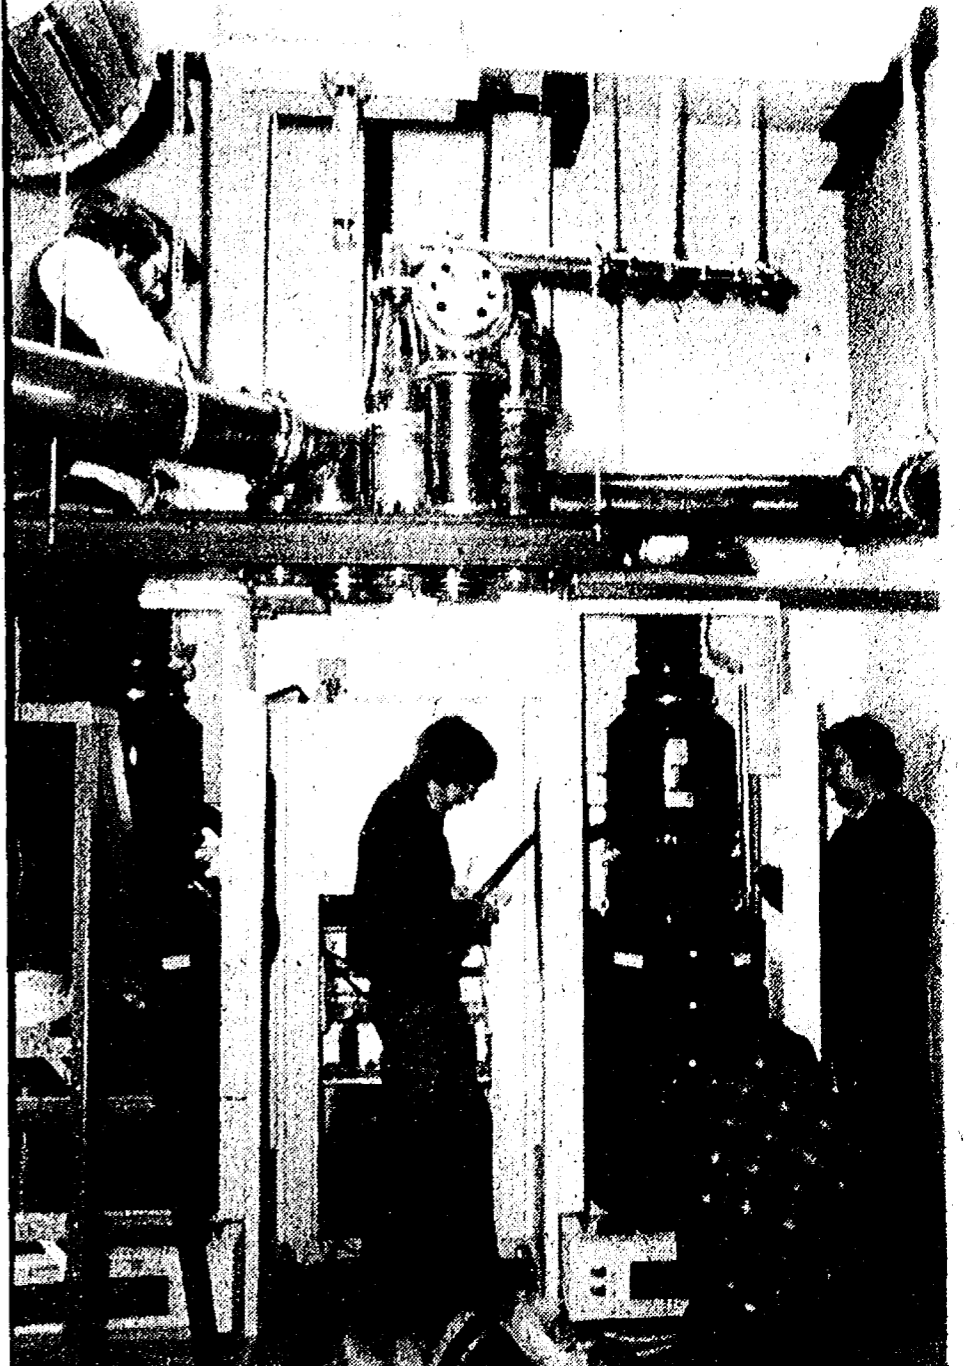

The production will be Friday, Dec. 19 at 8 p.m. at the Chelsea High school auditorium.

The class will be performing for the junior high and high school audiences during school, Dec. 17 and 18.

Director Patrick Powers stated, "The show, 'You Can't Take It With You,' is ready to go on!" The entire class is excited about the upcoming performance and they've worked diligently on sets, costumes and rehearsals.

VISUAL AND AUDIO TRANSMITTERS, capable of emitting one million watts of effective radiated power, will be in full operation in Chelsea by the beginning of the year. "In-Home Theater," a totally feature film-oriented subscription service available on Channel 31 as of Feb. 1 will be transmitted from its home location in Ann Arbor to Chelsea where it will be distributed in a 50-mile radius. Mike Nelson, on ladder, Dave Dowdy, David Hauer and Mike Esterly, kneeling, are working long hours in hopes of beginning WRHT's broadcasts on schedule.

Capt. Jeff Dils Hits 32 in Win Over Indians

Free throws were the name of the game Friday night as the Bulldogs sunk 29 in 39 attempts at the line, for an amazing 74 percent average. Contributing 16 of these free throws was senior captain Jeff Dils. In 20 attempts, Dils shot 80 percent from the line and 73 percent from the floor (8 for 11), to tally an excellent offensive night with 32 points.

The Bulldog efforts lifted them into an early 2-1 over-all record and a 2-0 record in the Southeastern Conference. Currently, the Chelsea cagers are tied with Milan's Big Reds in the SEC battle.

Chelsea opened the game per usual, falling behind at the end of the first quarter, 15-18. But, the Bulldog cagers found the necessary momentum at the end of the second quarter. Down by two points, Jeff Price made a big three-point play, hitting the basket for two. He was fouled and subsequently sunk the all-important free throw, nudging Chelsea into a 32-31 half-time lead.

In the third quarter, the Bulldogs were outscored, 14-11,

and Tecumseh regained a two-point lead. But, Chelsea's weeks of hard practices and conditioning paid off as the Indians began to show signs of fatigue late in the third and on into the fourth quarters.

Tecumseh's top two players, Scott Hans and Marty Wallich fouled out late in the final quarter. Chelsea's spirits were lifted; they were within striking distance. The Bulldogs sunk 18 out of 22 attempted free throws in the final stanza and outscored the Indians, 28-22.

But, late in the fourth quarter, Chris Tobin fouled out after playing the "best game of his career." Up until he left the game, Tobin had 10 points, six rebounds, four steals and three blocked shots. The large, enthusiastic Chelsea crowd that had packed the Tecumseh gym, gave Tobin a standing ovation for his exceptional efforts.

Bulldog supporters offered the needed inspiration for a Chelsea victory. The Bulldog cagers didn't let their crowd down, defeating Tecumseh, 71-67.

A blazing 60-46 victory over South Lyon Friday night broke the Bulldogs' five-game losing streak and gave them their first conference win. The Chelsea cagers now stand 1-5 on the season.

While visions of stuffed stockings, a Christmas tree laden with gifts, and holiday dinners occupy the minds of area children and adults alike, perhaps many other Chelseaites will also find their thoughts turning to the religious meaning of Christmas as area churches offer special holiday services for their congregations.

While Chelsea matmen failed to win their own tournament Saturday, Dec. 18, they did show they could wrestle with top-rated competition. The Bulldog grapplers placed fifth from a field of eight teams.

14 Years Ago . . .

Chelsea Junior High students won't move into their new building on Freer Rd. for about a year, but some local citizens are already thinking about what may happen to the old building they leave behind.

Chelsea's 1966 Christmas baby was born at 6:01 a.m. Christmas morning. Samantha Gail, the daughter of Mr. and Mrs. Luke Collinsworth, 406 North St., was the package Santa delivered for the stork, before taking his holiday.

Last Thursday, Sylvan Town Hall was loaded with 30 boxes of food and hundreds of toys; that is, before the items were distributed by Chelsea Social Services. A large part of the community had in some way contributed to the collection of goods and goodies for the needy families of Chelsea.

Early Tuesday, a third deer was hit by an automobile near the intersection of M-52 and I-94. Michigan conservation officer Don Boyer, alerted by a local citizen, investigated and destroyed the animal whose front legs had been broken in the encounter with a passing car. The deer have obviously chosen this as a crossing path. Two years ago, in February, 22 deer were killed around the M-52 and I-94 interchange. If more appear this year, Boyer plans on installing warning signs.

Agreement May Be Near On Unemployment Benefits
With time running out for the 80th legislature, members are attempting to reach a solution to aid the state's unemployment compensation system by increasing benefits and eliminating voluntary quits from the rolls.

Democrats have long sought an increase in benefits without addressing the problems of abuses of the system which permits persons who voluntarily quit their jobs and those who retire to collect benefits.

Called the Mathieu proposal after Representative Thomas Mathieu (D-Grand Rapids), the plan would increase benefits to the unemployed over the next six years. This would cost employers an additional estimated \$117.4 million during the first two years. However, due to changes in qualifying requirements and eliminating voluntary quits from

the rolls, offsetting savings would total an estimated \$145.2 million, producing a net saving to business of \$16.2 million for each of the first two years.

During the third and fourth years, benefits would increase by an additional \$140.4 million reflecting \$4.8 million annual savings to business.

Estimates further indicate that during the fifth and sixth years of the plan, additional costs would reach \$161.2 million to out-pace savings due to voluntary quits and qualifying requirements to additional net costs to business of \$16.2 million for each of those years.

Unemployment benefit maximums under the plan would be computed at 55 percent of the average weekly wage for years 1981 and 1982, 60 percent for 1983 and 1984 and 65 percent for the 1985 and 1986 years.

The current maximum is a flat \$136 per week for a family of four. The proposal would increase the qualifying wage from \$25 per week to 20 times the minimum state hourly wage. The number of qualifying weeks worked would be increased from 14 to 18 weeks. For voluntary quits or persons discharged for misconduct, minor theft or sabotage, a seven-week "rework" requirement would be in effect for each of the disqualifications or earn the equivalent of \$868 in gross wages—the present minimum wage times seven weeks.

A joint Senate/House conference committee will attempt to work out a compromise and place the newly proposed benefits in legislation pending in the conference committee.

After that, the agreement would have to be approved by both houses of the legislature and then signed by the governor. Governor William G. Milliken has yet to declare whether or not he is supportive of the proposal.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

You never can figger how this old world is going to turn, Mister Editor, and at my age most of the fun of hanging around is being surprised ever time you pick up a newspaper. Fer instant, I see where we're going to try TV that looks but don't talk. This item the other day said where a December 20 pro football game will be on TV "like you had the best seat in the stadium." This means they won't have three or four fellers butting into one another to give the looker their versions of what he's looking at. This experiment will have the sounds of the game, public address, talk of the coach, the grunt of the players, but no expert telling us the poor devil out cold on the field is studying to be a brain surgeon, and that the mother of the coach behind 40 points brought her whole church circle all the way from Mountain Home, Idaho to see their first football game.

I bring this up during the session at the country store Saturday night, and Clem Webster was quick to declare that this country ain't ready fer that kind of shock. Folks got so use to laughing with the recorded laughing on TV they don't see nothing funny until somebody tells em it is. How are these people all of a sudden going to start actual thinking about a football game, Clem wanted to know: They are trained to go to the icebox for a beer, work the crossword puzzle in the paper, answer the phone, take out the garbage and git on with their lives while watching the game. They know they can catch replays and recaps ever 10 minutes, and the announcers will tell em how long afore the danc-

ing girls come on. People are trained to watch TV like they listen to engines on airplanes they fly in, Clem said, and anything different scares em. We got to break this thing to em gradual, he went on, maybe cut out one expert the first week, two the next til the viewer can be weaned.

Ed Doolittle was strong disagreed. He recalled England run some tests some years back where they left the sound on TV, but they cleared off the screen to what they called a "restful gray." Folks could hear everything going on, but they couldn't see anything. Ed said they found that older folks soon learned to go on about their work while listening to the TV, and the children had more fun imagining what was on the screen than actual seeing it. Ed was of a mind that cold turkey is the only way to kick the announcer habit, but if they don't hold up the game during commercials nobody but fans in the stands is going to have the foggiest notion what's going on.

Practical speaking, declared Bug Hookum, it looks to him like the reverse is the ordinary these days. Bug had saw where children in San Diego are being paid to go to school. The board of a junior high has voted to give each student 25 cent a day, and the board figgers to make money. The school gits docked \$9 a day in state funds fer ever unexcused absence, and it lost \$132,000 last year. That's a switch from paying to go to class, Bug said, and he wondered if kids git paid overtime when the teacher makes em stay after school.

Yours truly,
Uncle Lew.

House Committee Okays Lake Michigan Transportation Bill

A Lake Michigan transportation authority, to oversee the revitalization of traffic across the lake, would be created under a bill reported from the House Urban Affairs Committee.

The bill would allow the authority to purchase ferries and other vessels for lake traffic, set fares, contract with engineers and consultants on transportation, issue bonds and receive grants.

The authority would consist of six members, representing shipping, railroads, ports and consumers.

Vessel operators contracts with the authority would have to return a share of their profits to the authority. The authority was proposed recently when it was announced the last Lake Michigan ferry crossing to Milwaukee, Wis., would stop operation.

Hospital Patients May Have Christmas Dinner Guest

Patients hospitalized at Chelsea's Community Hospital over Christmas Day will enjoy a home-like Christmas dinner with all the trimmings. They may invite a relative or friend to have Christmas dinner, at the noon hour, courtesy of the hospital.

A special menu of roast prime rib of beef and all the trimmings is planned. Patients and guests will be encouraged to enjoy their holiday meal in the hospital's home-like dining room.

Chelsea Pastor Named State Police Chaplain

For the past eight years, the Rev. Mearl Bradley, pastor of the Chelsea Free Methodist church since 1978, has been one of a group of appointed Michigan State Police chaplains.

According to his wife, the Rev. Bradley, on the suggestion of a state trooper friend, submitted an application to the State Police while they lived in Three Oaks. A few years later, when the Bradleys were living just outside of Lansing, the Rev. Bradley was notified of his appointment to the chaplain corps.

Earlier this month, the appointment of six additional chaplains to the Michigan State Police was reported by Col. Gerald L. Hough, department director.

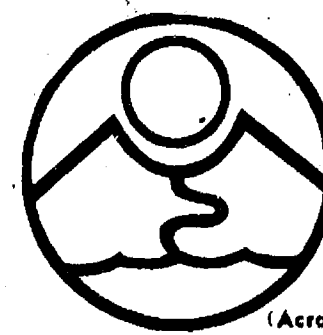

The additional appointments, bringing the chaplain corps strength to 16, gives the State Police chaplain representation in all eight of their districts. The expansion provides better state-wide coverage and availability to all personnel.

The purpose of the State Police chaplain extends far beyond the expected ministry at a time of tragedy. The chaplain is available to assist a trooper in any number of difficult situation or personal crises. The Rev. Bradley, for example, was called in one time to minister during a road block.

Homemaker Club Has Salad Supper Christmas Party

Homemaker Club held its Christmas party Thursday, Dec. 11 at Holly Porter's home with 23 members attending. A delicious salad supper was prepared by committee members Leah Herrick, Liz Houle, Arlene Honbaum, Vickie Kern, Kay Heller and Pat Flinn.

Various wines were sampled throughout the evening and Secret Pal Christmas gifts were exchanged.

Table centerpieces were presented as door prizes to Barb Haist, Jean Satterthwaite, BeaAnn Lesser, Arlene Baisis and Marge Plumb.

On Jan. 14 at 9 a.m., a craft day featuring wheat weaving will be held at Barb Haist's. Also in January, Katie Chapman will present travel slides at Barb Haist's on the 22nd at 8 p.m.

Woman's Club Hears Program On Origin of Christmas Customs

The Christmas meeting of the Woman's Club of Chelsea was held Tuesday, Dec. 9 in the club meeting room above the McKune Memorial Library.

Speaker for the evening was club member, Jean Schmidt. She gave a presentation on Christmas customs in foreign lands. In addition to her oral presentation, she brought various visual aids to display and illustrate her program.

A description of the greens used at Christmas—holly, mistletoe and evergreens—and their origins, was given. English customs such as wassailing were described. Traditionally, plum pudding had a trinket placed inside; each trinket had a special meaning for the recipient. The day after Christmas was called "Boxing Day," the time for giving to postmen and others who had provided special services during the year.

One of the interesting Dutch customs described was the tradition of placing a lilac branch by the hearth. The faster it budded and grew, the greater the fortune of the owner of the home during the coming year.

German customs, such as decorating fir trees with apples and nuts, was described and its origin given. Of interest is the fact that Martin Luther is credited with starting congregational singing. As a result, many of our Christmas carols come

Birthday Greetings From President

On Saturday, Dec. 13, a birthday party was held in behalf of William Carlsen, 627 W. Middle Court. As guest of honor, the 85-year-old gentleman was in the company of his daughter, son and grandchildren. Mr. and Mrs. Dick (Gail) Tillotson, Carlsen's daughter and son-in-law, and grandchildren, Bobby and Steve, arranged the celebration at Schumm's. Carlsen's son and daughter-in-law, Dick and Marge Weston of Chelsea were also present for the afternoon. To round off the family affair, grandchildren Wayne and Sue Weston of Pinckney, Wendy and Jim Haba of Gregory and Diane Shepard of Jackson added to the festivities.

A real highlight of the day, and perhaps a privilege of age, Mr. Carlsen received a birthday greeting in the form of a telegram from President and Mrs. Carter. "He was just tickled by it," commented Mrs. Weston.

from this land. In Germany, baking is a high art at Christmas, with gingerbread high on the list of traditional favorites.

In Sweden, Lucia pageants are a tradition. Lucia had been a Christian martyr. Her festival day is Dec. 13.

The Greek symbol for "ch," in their alphabet, is X and X is also the symbol for Christ. Hence, the use of X-mas instead of Christmas.

The Christmas customs around the world are varied and colorful; their origins are most interesting.

Following the program, a gift exchange took place with club member Leah Smith acting as Santa Claus. A lovely dessert and coffee was served from a beautifully decorated Christmas table designed by the meeting's hostesses Jo Spade and Gladys Petersen.

Saline Hospital Accredited By Joint Commission

Saline Community Hospital has been awarded a Certificate of Accreditation by the Joint Commission on Accreditation of Hospitals (JCAH), according to William J. Lavery, administrator.

The two-year accreditation, effective on Aug. 29, came after a thorough survey of the hospital under the Joint Commission's Hospital Accreditation Program (HAP). The hospital was evaluated on the basis of information gained from questionnaires, other documentation, an on-site visit, and conferences with SCH personnel.

Accreditation means that Saline Community Hospital has chosen to be measured by joint commission standards and has complied with them.

The hospital's Alcoholism Recovery Program also received a separate two-year accreditation.

LETTERS To the Editor

To the Editor:

Please be advised that this is an appeal to your newspaper to do all that you can to continue Out-County-Dial-A-Ride. There is a great danger that it may fold Jan. 25.

I am a handicapped person (42 years of age with M. S.) and depend on this type of service. I go to the doctor twice a week and due to a very deep depression, keep myself busy doing volunteer work.

I would really appreciate it, if you could do all that you can to keep this service going. Thank you.

Patrick Selewski, Ypsilanti.

Dear Editor:

A special thank-you is in order for Chelsea High's wrestling coach, Tom Fletke. With all he has to do and all the wrestlers he has to work with, he has found the time and the space for a mentally handicapped young man on his team. He and the other team members have made him feel like a real part of the team.

This student's affiliation with regular education students has helped him tremendously. His self-esteem, peer interaction and self respect have greatly increased. The members of the wrestling team have been super and certainly deserve a special thank-you also.

Often times athletics seem to lose their direction—winning becomes everything and individuality becomes lost in the shuffle. The idea of "taking part" is lost and only the select few play and benefit. I want to thank Mr. Fletke and his wrestlers for restoring my faith in high school athletics. There is room for all of us and we all gain in the process.

Modern Mothers Enjoy Old Fashioned Christmas Dinner

Modern Mothers Child Study Club enjoyed a very special old fashioned Christmas dinner Tuesday, Dec. 9 at the home of Kay Farley. The evening began with a treat of home-made egg-nog punch followed by a traditional turkey dinner.

After the dinner, the ladies had fun decorating the Christmas tree by stringing popcorn and cranberries. The gift exchange was next, followed by home-made pumpkin pie and coffee.

Modern Mothers thanked Kay Farley for her lovely decorated home and the committee of Mary Adams, Lou Rohrkemper, Gloria Greenleaf, Sue Yager, Norma Graflund and June Wilson who planned and prepared an enjoyable evening.

Of the 30 million living armed forces veterans, two of three have used one or more Veterans Administration benefits.

Farm Cash Receipts Show Increase for 1980

Cash receipts from Michigan farm marketings during the first six months of 1980 totaled over \$1.16 billion, a 12 percent rise over the same period last year, according to the Michigan Agricultural Reporting Service. Income from crop marketings accounted for 49 percent of the

total receipts during this period. This is a large shift from last year's 45 percent as record yields pushed production levels up. Livestock marketings brought in slightly more than \$590 million, only a 4 percent jump from 1979 as reduced cattle inventories held receipts down.

Delinquency in Teen-Agers Tied To Family Strife

If parents have conflicts, chances are that their adolescent daughters will develop delinquent behavior, according to a study of delinquency by two Michigan State University professors of social science.

Family environments, marked by multiple problems and lack of parental communication, characterized the backgrounds of delinquent junior and senior high school girls surveyed in a small Midwest residential community, by Mary Zaenglein-Senger and Cyrus S. Stewart.

"The delinquent girls became enveloped in conflict-ridden families," they said. "Frustration and stress accumulate. As the situations escalate, acting out delinquency becomes a reasonable solution."

"In the process, the lack of communication, congeniality and acceptance on the part of the family provides little or no insulation against delinquency."

Social workers at schools, they said, need to be sensitive to the impact that family problems and parental interactions have on adolescents and their school behavior.

The Office of Youth Programs in the Labor Department administers the Youth Employment and Demonstration Projects Act of 1977, which authorized new programs to provide jobs for youth and to prepare them for entry into the labor market.

Christmas Plays Given At St. Louis School

Sunday afternoon, the residents of St. Louis school presented their annual Christmas plays attended by parents, grandparents, staff and friends. Each class at the school presented its own rehearsed holiday skit for the audience.

Then, the St. Louis choir sang a number of Christmas carols under the direction of Mrs. Judy Durgan and the newly reorganized St. Louis band presented its first performance after just two weeks of practice. The band was given a bit of musical support from a number of volunteers and staff members. Following the plays, singing

and music, Santa Claus appeared and presented each boy with a pair of hand-knitted mittens made by a blind local resident, Mrs. Fuhrman. She attended the day's activities with her husband and mother and witnessed the presentation of her gifts.

Following the festive occasion, refreshments were served and thanks were offered to all who had assisted in making the day such a huge success, especially to Mrs. Durgan and her family for their special efforts in restoring the St. Louis school band.

SHOULD YOU PAY OFF MORTGAGE?
If your mortgage is 15 or more years old, it's tempting to clean up the debt if you have the money available. But before you run to the bank for the money take a second look.
And don't forget the tax breaks on the mortgage loan. You can deduct mortgage interest which, in effect, reduces the amount of interest you pay. How much? If your original loan rate was 8% and you fall into the 25% bracket, your mortgage really costs you 6%.

THE SPIRIT OF CHRISTMAS: One nice Santa Claus and one beautiful child set the mood for the upcoming Christmas season. The setting for this picture-perfect pose was the Chelsea Community Hospital, the occasion, the annually

sponsored Chelsea Kiwanis Club's Children's Christmas Party. Through the eyes of a child, a scene like this is surely enough to even make Scrooge a little soft-hearted, teary-eyed and ready for the Christmas holiday.

Good Things Growing in Michigan

With cold weather setting in, and fireplaces and wood burners being fed, now's the time to think hearty warm soups—made with good things growing in Michigan.

Our state's farmers produce more than 50 major commodities each year, making agriculture the second largest industry in the state, according to the Michigan Department of Agriculture.

Michigan leads the nation in production of five crops—dry edible beans, blueberries, red tart cherries, pickling cucumbers and eastern soft white winter wheat—and ranks ninth or higher among the states in a total of 39.

Interesting and appetizing soups can be prepared from many of these commodities, including vegetable cheese or corn chowder, French onion soup; cream of celery, potato or cauliflower soups.

Or, try Michigan navy bean soup. Michigan produces 91 percent of all navy beans and one-third of all varieties of edible beans harvested in the U.S., a crop valued at \$130 million at the farm gate.

Surprise holiday guests with a fruit soup made with Michigan cherries or blueberries, sour cream, sugar, cinnamon and lemon juice.

Our state has long been noted for its pickling cucumbers. For an unusual taste twist, try chilled cucumber soup made with chicken broth, cucumbers, yogurt, onion and spices. More than 250 million pounds of fresh market and pickling cucumbers, worth about \$18 million, were harvested last year.

Michigan farmers produce many ingredients for delicious old-fashioned vegetable soup. Or, piping hot tomato soup can cure a shivering chill in a hurry! Our state is one of the leading tomato producers, harvesting 227 million pounds for processing and 37 million pounds for fresh market last year.

Farm Population Continues Decline

U. S. 1979 farm population was 6.24 million or about 2.8 percent of the population, the Census Bureau and Agriculture Department reported last week.

The two agencies, in a report on farm population covering the 12 months from October 1978 through September 1979, said the long-term decline in the number of farm residents continued, although the rate slackened during the 1970's.

There were 6.5 million farm residents in 1978 compared to 9.7 million in 1970. In 1920, 30 percent of the nation's residents lived on farms and by 1950 the proportion dropped to 15.3 percent.

Under a census farm definition used before 1978, the 1979 figures would be 3.4 percent of the total population.

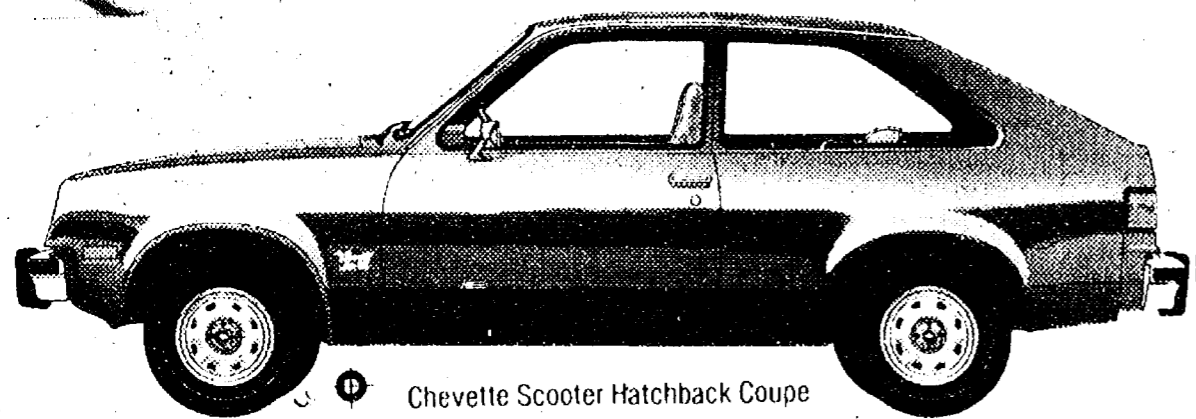

The one person out of every 35 in the nation classified as a farm resident had or normally would have sales of agriculture products of \$1,000 or more in the reporting year.

Nature Center . . .

(Continued from page one) McClure Rd. to discuss their steps and plans for the Nature Center. Rob, as Park Manager, is extremely pleased by the public opposition voiced in the planned termination of the facility and the efforts undertaken by this group to maintain the facility as an environmental education center.

Various groups, including the children's camps at Mill and Cedar Lakes, have readily participated in the programs offered at the Nature Center. Without it, a valuable educational service would be denied to these youngsters. But, the Nature Center, if it is to survive in one way or another, will be forced to potentially begin charging a fee, undoubtedly nominal.

But, with massive state budget cuts, the future of state parks is not too bright. Since the beginning of Rob's employment with the Parks Division in 1966, about 20 new parks were added. "Now, the additions will be forced to taper off," Rob commented.

To combat rising fuel costs that have resulted in lower attendance rates at the state's parks, the Michigan Legislature has approved a yearly motor vehicle pass rate increase effective in 1981. The 1980 fee of \$7 has been raised to \$10, in hopes of the state

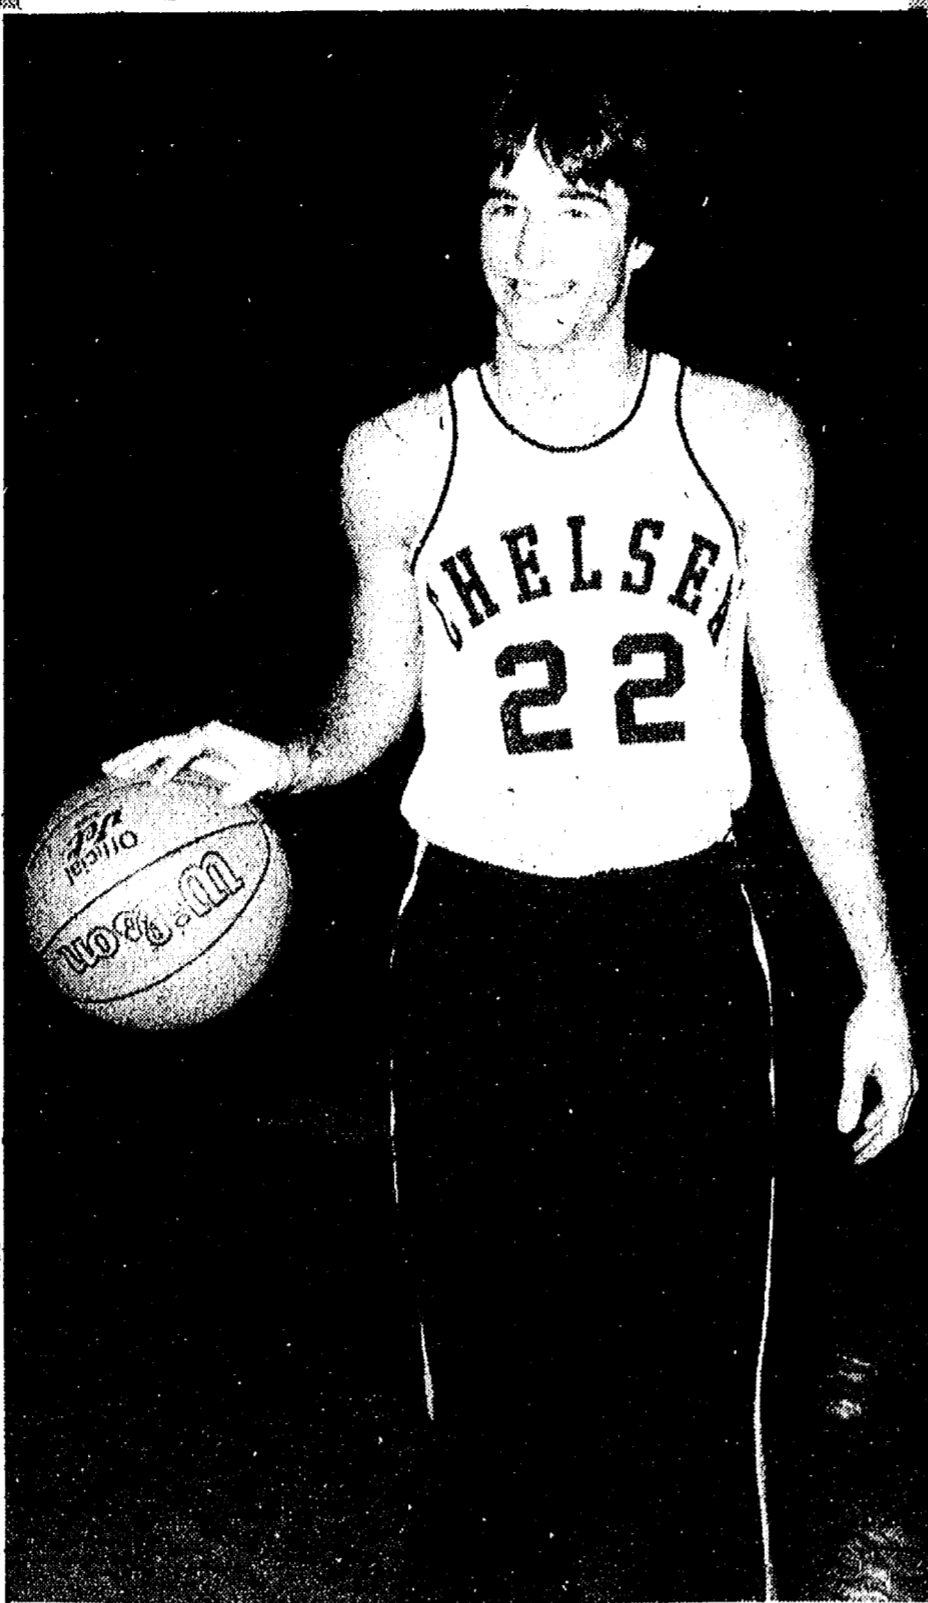

parks being able to generate a substantial revenue.

Parks such as Pinckney and Waterloo have, in recent years, benefitted by rising fuel costs. Attendance rates are up as city dwellers travel to parks within easy access of urban areas. But, with poor weather conditions in the past two years, state parks have not flourished.

In years past, state park budgets were operated and maintained with 60 percent of funding coming from the general fund and 40 percent from individual park's generated revenues. George Rob sees a reverse in this trend, effective in 1981. "Sixty percent will have to come from the parks themselves while only 40 percent will be contributed from the general fund."

Rob agrees that one cannot argue with policy makers who cut "luxury" state park budgets in hopes of maintaining the more essential services provided by the state such as law enforcement, social services and the like. Nonetheless, state parks will remain to play a key role in the recreational activities of the citizenry. "We have always provided, and will continue to provide, a service that the public sector is unable to provide," Rob concluded.

Cager of the Week

JEFF DILS, senior captain of the Chelsea High school basketball team, has provided a great deal of leadership, not to mention talent, both on and off the basketball court. As last year's top scorer and top assist man, Dils could possibly outdo himself this year. In Friday night's game against Tecumseh, Dils sunk a total of 32 points—16 free throws and eight baskets. In 1979-80, Dils was named to both the All-League and the All-Region 6 teams, quite an accomplishment for a junior. "We look to Jeff when the times get tough," commented Coach Robin Raymond. "In his third year on the varsity squad, he has the most experience and he's playing very well." Dils has also played football and has been the captain of the baseball team. "His success in sports in a spill-over from his success in the classroom. As a member of the National Honor Society, he works hard both places," concluded Raymond.

Cagers Dump Indians

(Continued from page one)

Scoring for Chelsea was Dils with 32, Tobin with 10, Price with nine, Riemenschneider and Peterson with six apiece, Wojcicki with five and Steinaway with three.

Chelsea committed 20 turnovers in comparison to Tecumseh's 24 and made 15 steals as opposed to the Indians' eight. Following the convincing victory over Tecumseh Friday night, Chelsea is now tied for first place with Milan.

At present, SEC standings are as follows:

Chelsea	2	0
Milan	2	0
Saline	1	0
Dexter	1	1
J. C. Western	0	1
Lincoln	0	2
Tecumseh	0	2

SEC ROUND-UP

Milan, Chelsea Heading for 1st Place Shoot-Out Tuesday

Saline 59, Dexter 57

Saline defeated the Dexter Dreadnaughts Friday night following a dramatic overtime play. The 59-57 victory gave the Hornets a 1-1 SEC record and dropped Dexter to 1-1 in the conference.

Dexter fell behind, 15-10, going into the second quarter and took a 30-23 deficit into the locker room at the half. Still, the Dreadnaughts, playing on their home court, came back in the second half to outscore the Hornets and tie up the game at the end of regulation time.

The first overtime found both teams trading baskets but with 20 seconds remaining, Dexter had a 53-51 advantage. In desperation, a 30 foot shot by Saline's Jim Phelps went through the hoop and sent the teams into a second overtime battle.

With 23 seconds left on the clock in the second overtime, the score was tied, 57-all. But, Saline let the clock run down to two seconds and senior guard John Marx took a shot that pushed the Saline squad ahead.

Milan 79, Ypsilanti Lincoln 60

Milan's Big Reds, with the home court advantage, took a quick 21-12 first quarter lead Friday night in an SEC contest against Ypsi Lincoln. The Big Reds hung on throughout the game and glided to a 79-60 victory, upping their SEC standings to 2-0.

The next big game for Milan is a showdown with Chelsea on Tuesday. Both teams are currently 2-0 in the conference.

The good over-all team effort found Milan on top early on, a position that they'd never give up.

Going into intermission, Milan had a very substantial 31-16 advantage. In the second half, Lincoln came within seven points on a number of occasions, but was unable to come up with anything to make the game a close match. Milan's defense and rebounding

kept the game out of the Railsplitters' reach.

Chelsea, 71, Tecumseh 67

Chelsea won their second contest in a row Friday night at Tecumseh, defeating the Indians, 71-67. Senior Jeff Dils contributed a game-high 32 points for the Bulldog effort with free throws being the name of the game.

Sinking 74 percent from the free throw line, Chelsea, complete with an enthusiastic group of followers and fans, never held the lead until the final quarter. The Indians held an 18-15 advan-

tage heading into the second stanza but the Bulldogs, compliments of a pretty three-point play by Jeff Price, took a 32-31 lead into the locker room.

The third quarter found the Bulldogs trailing again, but into the fourth quarter, two Tecumseh players fouled out and lifted Chelsea's spirits. That uplift never dulled and the Bulldogs headed home tied with Milan for first place in the Southeastern Conference.

St. Louis School Notes

St. Louis School is beginning a music program for its residents. Formerly, the school provided a musical program for the boys but it was forced to discontinue following the transfer of its director and organizer.

But now, the St. Louis school is fortunate enough to have two generous and dedicated individuals ready to take on the task of re-organizing a musical program for the benefit of everyone at the school.

St. Louis school has a few instruments that are playable, but it is in need of many more so that all interested boys will have the opportunity to play.

The staff members would be very grateful to Chelsea area residents who might donate instruments that are no longer being used, perhaps collecting dust.

Pay no attention if repairs are needed or if the instruments are dented; most of them will be repairable and the others will provide spare parts.

Fr. Salvatore Bisaccia, the Residential Program Director, and his cohort Judy Durgan urge Chelseaites to look into their storage spaces for retired musical instruments and call St. Louis school at 475-8430 or Judy at 475-1589. In addition, they would welcome any volunteer who would like to help caring youth in the pursuit of musical learning.

The March of Dimes leads the fight against birth defects, the nation's most serious child health problem. A quarter of a million babies are born in the United States each year with birth defects.

ST. LOUIS SCHOOL BAND: Without a band for a number of years, the St. Louis School for Exceptional Boys has re-instituted a band program for its students. Under the direction of teacher Mrs. Judy Durgan, the band premiered after just two weeks of practice at Sunday's Christmas play presented by the students for parents, relatives, staff and friends. The school is currently trying to expand its musical program and is seeking musical instrument donations from the public.

Special Olympians Win County Poly Hockey Tourney

On Friday, Dec. 12, the Washtenaw County Special Olympic Poly Hockey Tournament was held at High Point Center in Ann Arbor. Chelsea High school's Special Olympians took first place, winning gold medals and a trophy.

Chelsea played Dexter High school first and won by a score of 3-2. Goals were scored by Clarence Weiss with one and Mike Goebel who netted two. Terry Walkowe, team captain, played goalie and did a great job on defense. Also playing defense were Mike Foster, Albert Bedard, Linda Alber, Tracey Harvey and Dawn Stancato. Playing center were Mike Goebel and Dennis Czechowski on alternate lines. The offense was made up of Ryan Sweeny, Lori Brown and Glenn Passow.

The championship game was held against High Point's varsity team. Chelsea won, 11-7. Scoring the 11 goals for Chelsea were Mike Foster with one; Tracey Harvey with one; Clarence Weiss with two; Mike Goebel, two; Lori Brown, one. Albert Bedard got a hat trick with three goals and Dennis Czechowski netted the final goal. The performance and victory demonstrated a true total team effort on the part of the Chelsea Special Olympians.

SPECIAL THANKS

Larry Reed, Dave Johnson & Chris Seufert

Dear Chris, Larry and Dave

The Dexter Swim Club wants to thank you and the Chelsea Swim Team for all the help, support and encouragement extended to our diver and swimmers during the recent swim season. Your efforts greatly increased the performance of our team.

We hope the co-operative and competitive spirit that prevailed during this past year can be maintained in the future.

Wishing you all a joyous holiday season and a successful New Year.

With warmest regards,

THE DEXTER SWIM CLUB

Masons Install Officers

Olive Lodge No. 156 Free and Accepted Masons installed their new officers at a public installation held Saturday, Dec. 5 at the Masonic Hall.

Installing officers were Dwight Warner, P.M. of Wayne Lodge No. 112, acting grand master; Donald J. Dancer, P.M. of Olive Lodge No. 156, acting grand marshal; Martin Steinbach, P.M. of Olive Lodge No. 156, acting grand secretary; Roy B. Jones, P.M. of Wayne Lodge No. 112, acting grand chaplain, and Hazel Wacker of Order of the Eastern Star Chapter No. 108, organist.

Acting Grand Master Warner installed the following officers for 1981: James Nicola, worshipful master; Douglas Weatherwax, senior warden; William D. Smith, junior warden; James McLaughlin, P.M., treasurer; Arthur No. Stoll, P.M., secretary; William Scott Morgan, senior deacon; Walter Cozzens, junior deacon; Ted Newcome, senior steward; Douglas Williams, junior steward; Franklin C. Gee, P.M., marshal; and Robert Schaeffer, P.M., filer.

Worshipful Master Nicola was presented his Masters pin from the Royal Arch Masons of Michigan by Arthur N. Stoll, high priest of Olive Chapter No. 140 R.A.M.

The family of Worshipful Master Nicola presented him with a gavel made by Martin Steinbach, P.M., a close friend and neighbor.

Charles L. Stoner, worshipful master of the lodge for 1980 was presented with a Past Masters apron.

Refreshments were enjoyed by all, furnished and served by the Past Matrons of Olive Chapter No. 108 OES.

AQUATIC CLUB CHAMPIONSHIP SWIMS were recorded by Karen Grau, left, and Susan Schumk last week in the 9 and 10-year-old swimming championships held at Chelsea's Cameron Pool.

Cold, wet spectators and competitors eagerly awaited their turns to show their swimming finesse in the heated pool.

Varsity Cagers Dump Western

Following a disappointing loss Friday, Dec. 5, the Chelsea varsity Bulldog cagers opened their league season with a convincing win over the Jackson County Western Panthers. As host for the game, Jackson had to grin and bear the 58-41 loss handed to them by the Bulldogs Tuesday night.

Chelsea took the lead in the first quarter, 14-10, but by half-time, that advantage had been cut to one by the Panthers. Into the locker room, Chelsea took a 24-23 lead.

When the game resumed, the Bulldogs outscored the Panthers, 19-7, with 10 forced Jackson turnovers and Jeff Dils' nine points serving as keys to the Bulldog attack. Heading into the final period of play, Chelsea led, 33-17. The Bulldogs came on equally

as strong in the fourth quarter, again outshooting and outscoring the Panthers, 15-11. With a 58-41 victory, Chelsea headed home with a 1-1 season record, now 1-0 in the Southeastern Conference.

A good defensive game of full court pressure and full court man to man assisted the Bulldogs in their initial victory. "By the third quarter, we had worn Western out with our defense," commented Coach Robin Raymond.

Jackson led in total rebounding, 39-30, with Chris Tobin snatching 12 Chelsea rebounds. They also had more forced turnovers than the Bulldogs, 34-22.

Chelsea's scoring was quite well balanced and though the team would ideally prefer having five players score in double figures, they weren't disappointed by their scoring pattern Tuesday. High scorer for Chelsea was Captain Jeff Dils with 18, followed by David Wojcicki, Chris Tobin and Jon Riemenschneider with eight each, Jeff Price six, Mark Steinaway four and Mike Bareis, Toby Boyd and John Welton with two apiece.

Beach 8th Grade Cagers Rally for Win Over Dexter

Beach Middle school 8th graders took to the Dexter basketball court Tuesday afternoon, returning home with a 28-26 victory.

The Chelsea cagers opened the game slowly, scoring no points in the first quarter and only four in the second. At half-time, Dexter headed to the locker room with a comfortable 14-4 advantage.

But, to Dexter's surprise, the Beach cagers held the Dexter squad to four points in the third quarter while sinking 12 and assuming a two-point lead. This achievement was followed by a near duplicate in the final quarter as the Bulldogs scored an additional 12 points and allowed Dexter only eight.

The end result: Dexter lost its lead in the third quarter and was unable to catch up and regain the advantage that had confidently sent them to the locker room at half-time.

Scoring for Chelsea was Eric Schaffner with a phenomenal 20 points, followed by Mark Henson

and Rob Long with four points apiece.

Top rebounders were Schaffner with 16, Henson with eight, Long four and Scott Miller with two.

The Bulldogs played a good defensive game, complemented by the performances of Dave Steinhauer and Dan Kimbler. According to Coach Jim Tallman, "They were exceptionally improved defensively over our first game."

"We started off slow, it was an opposing court and we had to get used to a different floor," Tallman continued, "but, after we gained the momentum and caught up in the third quarter, we were able to play evenly and go ahead in the fourth."

Next week, the 8th grade Bulldogs will take on the Big Reds of Milan on Tuesday and the Pinckney Pirates on Thursday at home, in the hopes of upping their 1-1 season record. The Milan game will begin at 4:30 while the Pinckney game will get underway at 4 p.m.

Gospel Rock Band Performs At Cassidy Lake

Thursday evening, Dec. 11, a gospel rock band, "Resurrection Band," traveled to Cassidy Lake to give a benefit concert for Cassidy Lake Technical School's inmates. "Resurrection Band," a three album, fairly well known Christian group is a part of the prison ministry movement. The band travels to prisons across the country, giving benefit performances that include a variety of rock and roll gospel music and a reflection on personal wrongs committed before they turned to the Christian religion. Prior to the Cassidy Lake appearance, "Resurrection Band" had visited and performed at Adrian. Part of a national movement that has swept the country in the past decade, Tom Mann, Director of Resident Services for the 250 inmates at Cassidy Lake, explains that the combination of religious music set to rock and roll and the interspersed dialogue has indicated a rehabilitative effect on prison inmates.

Swim Team Defeats 7th Ranked Monroe

Chelsea High school men started off their swim season this week facing some of the roughest competition around. Their competitors included four Class "A" powers, two Class "B" top 10 teams and two other Class "B" powers. Against the number seven ranked Class "A" Monroe Trojans, Chelsea won, 100-72, winning nine of 11 events, and at the Eastern Michigan University Relays, Chelsea was second to Brighton as a result of losing one race by 3/1000ths of a second.

At Monroe, the team felt that they had to win to prove to themselves that they are a Class "B" power. Monroe was seventh in the "A" meet last year and was only one of two teams to beat Chelsea since 1977.

Chelsea swam unusually fast for the first meet and won easily. The team of Tom Gaunt, Dave Nicola, Dave Mason and Mike Mason qualified for the state meet in the medley relay. Other qualifiers were Phil Hoffman, 200 free; Dave Mason, 200 individual medley and 100 butterfly; Dave Nicola, 50 free (23.3); and John Robbins, 100 backstroke.

Meet results in the contest between Chelsea and Monroe at Monroe, Thursday, Dec. 11 were: 200 medley relay, Chelsea, first—Tom Gaunt, Dave Nicola, Dave Mason and Mike Mason, 1:47.4; third, John Robbins, Shawn Pierson, Kirk Hawks, John Hoffman, 1:54.1; fifth, Steve Ramsay, Steve Wolak, Alan Roderick, John Drew, 2:41.1.

200 free, first, Phil Hoffman, 1:53.5; third, Sean Oxner, 1:58.2; fifth, Paul Schumann, 2:07.8.

300 I.M., second, Dave Mason, 2:06.1; third, Tom Gaunt, 2:12.5; fourth, Shawn Pierson, 2:22.9.

50 free, first, Dave Nicola, 23.3; second, Mike Mason, 24.1; fourth, Craig Wirtz, 25.3.

Diving, first, Craig Wirtz, 196; fourth, Craig Leach, 149.

100 fly, first, Dave Mason, 56.1; third, John Robbins, 1:00.8; fourth, Kirk Hawks, 1:03.9.

100 free, first, Phil Hoffman, 51.9; second, Mike Mason, 52.6; sixth, Kevin Colombo, 1:01.7.

500 free, second, Sean Oxner, 5:14.8; fourth, Paul Schumann, 5:40.2; fifth, John Hoffman, 5:45.9.

100 back, first, Tom Gaunt, 1:00.9; second, John Robbins, 1:01.8; sixth, Steve Ramsay, 1:15.4.

100 breast, first, Dave Nicola, 1:06.7; fourth, Shawn Pierson, 1:09.9; sixth, Darrin Fowler, 1:23.9.

400 free relay, first, Chelsea—Craig Wirtz, Paul Schumann, Sean Oxner, Phil Hoffman at 3:42.4; fourth—John Hoffman, Kevin Colombo, Kent Noll, Wayne Smith at 4:05.1; sixth—Ted Merkel, Richard Merkel, Mike Bohlender, Steve Ramsay at 4:27.8.

In the EMU Relays, the team swam below their seeded times in all events and still could only manage second against the stiff competition. Chelsea won two events, was second in three events and had one fourth, one fifth, two sixths and one seventh place finish. There were as many as 18 relays participating in each event. Chelsea also qualified more swimmers for the state meet with Phil Hoffman and Mike Mason splitting :22.9 and :23.0 flat in the 50 free. Craig Wirtz just missed with a :23.8. Phil also qualified with a :50.3 split in the 100 free and Dave Mason missed by only 5/10ths with a :52.1. The team had great swims from all its swimmers, everyone.

EMU results, Saturday, Dec. 13—200 medley relay, second, Tom Gaunt, Dave Nicola, Dave Mason and Phil Hoffman, 1:45.5; 13th, Steve Ramsay, Steve Wolak, Alan Roderick and Mike Bohlender, 2:14.8; 800 free relay, seventh, Paul Schumann, John Hoffman, Kevin Colombo, Sean Oxner, 8:27.2; 14th, Ted Merkel, Darrin Fowler, Richard Merkel and Steve Ramsay, 10:02.5; 400 I.M. relay, second, Tom Gaunt, John Robbins, Shawn Pierson and Dave Mason, 4:02.6.

200 free relay, second, Dave Nicola, Mike Mason, Craig Wirtz and Phil Hoffman, 1:33.3; 10th, John Drew, Wayne Smith, Kent Noll and Ted Merkel.

Diving, fifth, Craig Leach and Craig Wirtz, 173.65.

200 fly relay, fourth, Mike Mason, John Robbins, Kirk Hawks and Shawn Pierson, 1:48.1; 12th, Kevin Colombo, Wayne Smith, Kent Noll, Alan Roderick, 2:10.1.

200 back relay, first, John Robbins, John Hoffman, Kirk Hawks and Tom Gaunt, 1:53.7.

200 breast relay, sixth, Craig Wirtz, Shawn Pierson, Kirk Hawks, Dave Nicola, 2:07.7; 14th, Darrin Fowler, Steve Wolak, Ted Merkel, Steve Ramsay, 2:26.0.

400 free relay, first, Dave Mason, Mike Mason, Sean Oxner and Phil Hoffman, 3:28.2; 11th, Kent Noll, Kevin Colombo, Wayne Smith and Paul Schumann, 4:05.0; 16th, Richard Merkel, Darrin Fowler, John Drew and Mike Bohlender, 4:25.8.

The team swims against Ypsilanti Lincoln in their home opener at 7 p.m. on Tuesday, Dec. 16. They will then go into their hardest training phase of the season over Christmas to prepare for their meet at Ann Arbor Huron, Jan. 8 at 7:30 p.m. Huron was second in the Class "A" state meet and 25th ranked in the country last year.

The greatest Bulldog lead was 22 points and every member of the 12-man team saw game time. Nine of the 12 scored. Jon Riemenschneider was responsible for some excellent defense against Jackson's high scorer Jack Boss who, in the first two Jackson games, averaged 16 points each night.

Though the Bulldogs are still learning to play together, vast defensive improvement was proved in Tuesday's contest.

Foreign Language Enrollments Boom At Michigan State

For the second straight year, Michigan State University students are flocking into foreign language classes in record numbers.

In the Department of Romance and Classical Languages, enrollment is up almost 16 percent compared to fall term 1979, which had a 10 percent increase.

Department chairman Georges Joyaux says classes are so full for fall term that approximately 200 students had to be turned away at registration.

More students are also taking German and Russian language classes this year, with a 14 percent increase over last year. Russian language enrollments also are up almost 30 percent over last year.

In explaining the increasing interest in foreign language study, Joyaux says "People are becoming more interested in international relations. They're aware that a second language is a valuable asset."

New Books

Earlier this month, McKune Memorial Library received a total of 10 new titles, just in time for reading enjoyment during the Christmas season. The following is a brief synopsis of each recently delivered title:

"Flame" by R.V. Cassill is a provocative story of an unnamed Hollywood career that brought the rewards and tortures of success to a scarlet-haired beauty. A probing, brilliantly told story of fame and scandal.

"Tilly" by Catherine Cookson presents a young woman of innate courage and fortitude, one with good reason to remember the words of a wise old man who told her, "One day you'll come into your own. Yes, you will." It is a novel that will bring pleasure to anyone who enjoyed the television series, "Upstairs, Downstairs."

"The American Heiress" by Dorothy Eden describes the turbulent years of World War I and the tangled lives of a naughty heiress, her self-willed maid, an English gentleman, and a tragic night aboard a transatlantic liner that would determine who will inherit a legacy of love.

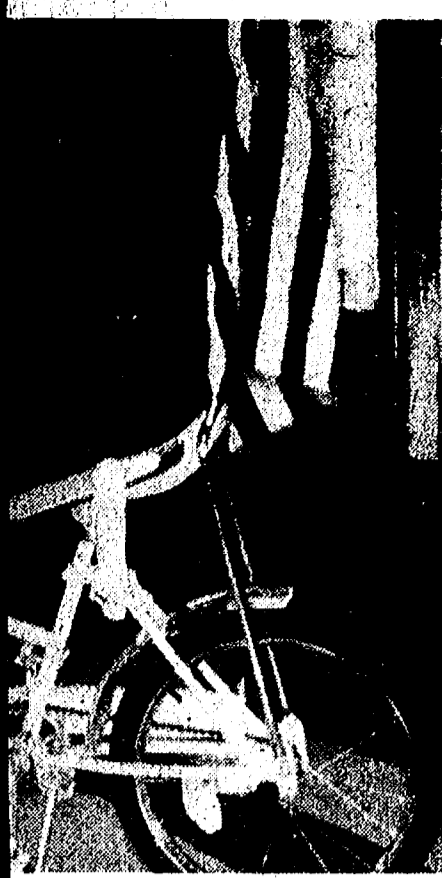

"Manchu" by Robert Elegant is an epic journey into the rich and exotic past of China in the 17th century. By an adventurous Englishman, Francis Arrowsmith. Francis, an exiled

JV Cagers Still Looking for 1st Win

Last week, the Chelsea JV Bulldogs recorded two additional losses to Jackson County Western and Tecumseh. Their season record now stands at an early 0-3 over-all and 0-2 in the SEC.

Tuesday, the Bulldogs fell victim to poor shooting, sinking only 14 in 49 attempts for an average of 29 percent. By the end of the first quarter, Chelsea was down by seven, 12-5. But with the second quarter, the Bulldogs outscored the Panthers, 10-7, and went into half-time with a four-point deficit.

The Panthers came back in the third quarter, scoring 18 points in comparison to Chelsea's seven and nine in the fourth quarter in comparison to Chelsea's slight advantage of 10 points.

The end result was a 32-46 loss for the Bulldogs, much the result of a weak defense. Nonetheless, Coach Jon Schaffner looked on the bright side. "The team, as a whole, is getting better. As long as we keep improving, we'll be okay."

Leading scorer for the JV Bulldogs was Frank Waller with eight, followed by Matt Villemure and Rod Robeson with seven apiece. Doug Pagliarini and Carl Pate sunk four points each, and Russ Harris had a pair.

Top rebounders for the Chelsea cagers were Frank Waller and Carl Pate with 10 each. Doug Pagliarini grabbed seven, Rod Robeson three, Matt McCallum and Matt Villemure, two each and Russ Harris snatched it once.

Friday night against Tecumseh, Chelsea outplayed the Indians in every department excluding the free throw line as Tecumseh made 23 in comparison to Chelsea's nine. The Bulldogs, though improving in every game, lost their third straight by a 39-47 margin.

Chelsea came out in the first quarter and fell behind 6 to 10. But, in the second quarter, the JV Bulldogs outscored their opponents 13-10 and went into the locker room with a one-point deficit.

The Indians, with the home court advantage, stormed out in the third stanza to outscore the Bulldogs, 14 to 9. They followed suit in the fourth quarter by exceeding Chelsea's tally, 13 to 11.

Scoring for the improving Bulldogs was Matt Villemure with 14 followed by Carl Pate

with six. Four points each were scored by Dave Mann, Russ Harris and Rod Robeson while Matt McCallum added three and John Bowdish and Ken Nadeau sunk two apiece.

Rebounding for the Bulldogs was especially strong as they out-grabbed the Indians, 40-24. Leading rebounder for the Bulldogs was Carl Pate with 10. Other rebounding was very well spread out with Dave Mann and Russ Harris making seven, Rod Robeson five, Ken Nadeau and Matt Villemure three, Doug Pagliarini and Matt McCallum two and John Bowdish rebounded once.

Tuesday, the Bulldogs take on Milan at home. The game gets underway at 6:30 p.m.

Farm Prices, Production Costs Edge Upward

Prices received by farmers for agricultural commodities in August averaged 3.6 percent above those of a month earlier, the USDA said in its Agricultural Prices report.

Contributing most to the increase in agricultural prices since July were higher prices received by farmers for hogs, cattle, corn, eggs, potatoes and soybeans.

Farmers paid 1.4 percent more for farm production inputs in August than they did in July. Higher prices for feed and feeder livestock were the major contributors to the increase.

Prices received by farmers for meat animals in August averaged 5.2 percent higher than a month earlier. Feed grain and hay prices this month averaged 6.2 percent above the July level.

Farmers received about 6.2 percent more for eggs and poultry marketed during August. During August, prices received for oil-bearing crops were about 2.9 percent higher than in July.

Prices paid by farmers for feed rose 6.7 percent during August, while prices paid for feeder livestock increased 3.7 percent. Prices paid by farmers for fuel and energy fell 0.8 percent during August, the first monthly decline in fuel and energy costs since December, 1977.

Good Things Growing in Michigan

'Tis the season to be jolly! With some imaginative ideas and a jar of Michigan maraschino cherries, even the dullest recipe can be spruced up for holiday festivities.

These bright, red cherries are among the good things growing in Michigan. More than 46 million pounds of maraschinos were processed in 1979, according to the Michigan Department of Agriculture.

Delicious tidbits are made from the state's sweet cherry crop each year by soaking them in a solution to remove the color, pitting and putting them into a syrup mixture with flavorings and red or green coloring added. After the color is absorbed, the cherries are bottled, pasteurized and ready for any festivity—even to celebrate Tuesdays!

Almond-flavored, crunchy-textured maraschino cherries are an excellent reproduction of an Italian creation more than 300 years ago. The cherries were first processed in the U. S. using imported Italian maraschino liqueur to provide the unique flavor. An imitation flavor was soon substituted, leaving behind only the name.

Maraschinos are excellent as fruit-toppers for breakfast cereals, waffles, and pancakes, especially when mixed with whipped butter. Blend chopped maraschinos into hot vegetables such as corn, peas, carrots and yams to give added zest and color.

Decorate bread and biscuit recipes by folding diced cherries into the dough. For an easy taste treat for unexpected holiday company, add two ounces of chopped maraschino cherries to a fudge brownie mix and bake as usual.

FFA Chapter Reports On Corn Test Plot

This year, the Chelsea chapter of the Future Farmers of America planted, tested and harvested their 13 acres of various types of corn donated by area farmers. Corn plot members for 1980 were Bill Lamb, Doug Burchett, John Hellner, Mark Bauer, Troy Satterthwaite, Bob Schleede, Herb Pearson, Anita Roderick and Dave Harrison. The 1980 advisor was Keith Gafner.

The chapter is sincerely grateful to the local farmers responsible for the success of the program. Bernard Herrst allowed the FFA members the use of his equipment in the May 24 planting where Tom Shanahan sprayed the plot and Bill Van Ripper planted the no till plot. Then, Oct. 30, when the corn was harvested, Dan Trinkle and Scott Powers shelled the corn and it was taken to Honeggers, where it is currently being stored.

A number of experimental tests were undertaken by the FFA members. Two types of plots were made. First, the tilled plot had one gallon per acre of Eradicane and two quarts per acre of Bladex per acre applied in the pre-plant stage. Then, in the post emergence stage, one and one-half pounds of Atrazine was applied. Too, 76 pounds per acre of 82-0-0 and starter-250 pounds of 6-15-40 was administered.

Secondly, in the pre-plant phase, the no-till plot had two and one-half quarts of Lasso per acre, one quart of Paraquat per acre, two and one-quarter pounds of Atrazine nine-o per acre and a wetting agent administered. Also, 100 pounds per acre of 82-0-0 and starter-300 pounds of 9-23-30 were applied.

A total of 18 plots were planted: No Till, Pioneer 3901 yielded 110 bushels at a 28 percent moisture content with a population of 23,000 per acre. No Till, no 82-0-0 yielded 113 bushels with a 24 percent moisture content and a population of 22,500 per acre. Each of these seeds were donated by Bill Van Ripper.

Jaques Jx92A yielded 127 bushels with a 26.9 percent moisture value and a population of 19,500 plants. Golden Harvest H2370 yielded 148.5 bushels with a 27.2 percent moisture content and population of 19,000. These seeds were a gift from Harold Trinkle.

Super Crost 1700 yielded 91 bushels with a 28.8 moisture content and a population of 21,000. Bob Heller donated these seeds to the FFA.

Farmers Fc277 yielded 54.4 bushels with a moisture content of more than 35 percent and a population of 18,500 seedlings. Experiments with Floyd Balmer's seeds led to these results.

Garno Sx95 yielded 155 bushels with a 24 percent moisture content and a population of 23,500. This corn type was donated to the FFA by Reuben Lesser, Jr.

Migro Hp16 yielded 82 bushels in the 24.6 moisture content

bracket and with a population of 20,500. Migro 2018 yielded 125 bushels with a moisture content of 33 percent and a population of 18,000 plants. Robert Burgett and Son were responsible for the donation of these corn seeds.

Pioneer 3780 yielded 103.6 bushels with a moisture content of 33.6 and a population of 23,000. Pioneer 1901 yielded 120 bushels with a 28.5 percent moisture content and a population of 24,500 while Pioneer 3780 with no 82-0-0 for two years yielded 63.6 bushels with a 28.2 percent moisture content and a population of 18,500 plants. Bill Van Ripper provided the corn for these FFA plots.

No Wex yielded 116.5 bushels with a 29 percent moisture content and a population of 24,000 plants and Wex yielded 110 bushels with 23.9 percent moisture at the time of harvest and a population of 17,500. Donating these corn types was Ray Weiner.

Lime applied 1979 yielded 104 bushels with moisture content of 29 percent and a population of 20,500. No lime led to a yield of 103.4 bushels with 19.8 percent moisture and a population of 18,500 plants. Fred White provided the FFA with these two types of corn.

One hundred and fifty pounds of starter Pioneer 1901 yielded 123.7 bushels with a 33.6 percent moisture content and a population of 24,000 while 250 lbs. yielded 97.6 bushels with the identical moisture content and 4,000 fewer in population.

Using 150 pounds of starter Super Crost yielded 141.3 bushels with a moisture content of 14.6 and a population of 23,000. In comparison, 250 lbs. yielded 114.7 bushels, an identical moisture content and 2,000 fewer in total plot population.

For all four starter corn plantings, fertilizer recommendations were 6-15-40 for 150 pounds and 82-0-0 for 250 pounds.

FACT:

How come the rooster does all the crowing? More than 1 1/2 billion eggs were laid by 6,500,000 busy Michigan hens last year. That adds up to millions of tasty, low-cost meals.

YULE CARD DESIGNER: Terry Lucas, CHS commercial art student, is presented with \$100 from Herb Hodge of Utley-James, Inc., following his layout of a Christmas card for the Pontiac-based company. After two weeks of sketching and design preparation, Lucas received top honors. Betsy Kolander and Laurie Wright each received \$25 for their efforts.

CHS Art Students Design Firm's Christmas Card

Chelsea High school commercial art department recently had an excellent opportunity to work on a design layout for the Utley-James, Inc.

Herb Hodge, who resides in Chelsea, contacted Cathy Opoka of the high school and inquired about employing commercial art students to design a Christmas card. Hodge explained that he saw much talent in students and wished to apply their skills to

design a card for the Pontiac-based company.

After two weeks of sketching and design preparation, the layouts were presented to Utley-James, Inc. Betsy Kolander and Laurie Wright received \$25 awards for their designs, and Terry Lucas took first place and \$100 for his layout.

Card of Thanks 16

CARD OF THANKS

The family of little Georgie Gordenier wish to extend their heartfelt appreciation to all his countless friends for their prayers, love, and understanding during Georgie's lingering illness. A special thanks to each and every one of you for the beautiful flowers, memorials, mass offerings, words and deeds of comfort and understanding during the time of our recent great sorrow and loss. Special thanks to Sister Paracleta, Sister Carol, Fr. McDonald, Fr. Van-Tien, Fr. Srebenack, Mr. and Mrs. Robert Murphy, Mr. and Mrs. Dave Hosmer, Ingrid Deininger, R.N., and Lois Jelneck, R.N.

CARD OF THANKS

A sincere thanks to all who remembered me with cards, calls, visits, gifts and prayers which helped to shorten my convalescence. All was greatly appreciated.

Margaret Warren.

Your Health Options

By Beverly Chethik
Director of Health Education, Washtenaw County Health Dept.

We have heard in school that seat belts are important, even if you are traveling on the streets near home. I can't convince my dad to wear his seat belt because he says he's heard that in half of all accidents it is safer NOT to wear a seat belt. Is he really right?

People who don't want to wear safety belts often look for excuses, and a popular excuse is that it's safer to be thrown clear of our car if you're in an accident.

But that's just an excuse! There's very little truth to it! Your chances of being fatally injured are almost 25 times greater if you're thrown from your car during an accident.

If you are thrown from your car, you don't exit gracefully. You probably will be thrown through the windshield or the side windows—and that means going through glass and being badly cut.

After you get through the glass and out of the car, you have to worry about flying through the air and smashing into a tree, into another car or onto the pavement. In any of these cases, you run a risk of being seriously injured.

People who don't want to wear safety belts often say that they also worry about being trapped in a burning car or in a car that goes off a bridge and is submerged in water.

In reality, less than 1 out of every 200 injury-producing crashes involves fire or submersion in water. Besides, even if your car catches fire, the seat belt helps keep you unhurt and alert and able to escape more quickly.

If your dad is really interested in keeping the odds in his favor while he's in a car, he would do well to listen to your advice and use his safety belt all the time—and that means whether he's the driver or the passenger.

YOUR HEALTH OPTIONS appears in The Standard each month. If you have a health-related question, please write to The Standard, Attention: YOUR HEALTH OPTIONS or directly to the Washtenaw County Health Department, Health Education Office, Box 8645, Ann Arbor 48107.

Homeowners insurance is homeowners insurance, right? Wrong.

Auto-Owners homeowners insurance is different. Not only in the way we handle claims (Auto-Owners built its reputation on fast, fair claims service). Not only in the personal attention we give (another Auto-Owners trademark). Or in the way we could save you money (our low rates are famous). But, in our whole outlook on homeowners insurance, with innovative, imaginative policies that make sure you get just what you need, for just what you want to pay.

So, if you're thinking you'd be wrong if you didn't call Auto-Owners... you're right.

Good Things Growing in Michigan

Dry edible beans, among the good things growing in Michigan, are a delicious way to stretch food dollars. Bean soup, baked or barbecued beans, and pork and beans simmered in tomato sauce; all have one thing in common: They begin with Michigan navy pea beans. Michigan is the largest bean-producing state in the nation. An estimated 686 million pounds of dry beans were harvested from 495,000 acres in 1979 in our state, the Bean Capitol of the World, according to the Michigan Department of Agriculture. Bean farmers, primarily in the Thumb and Saginaw valley areas, produce 91 percent of all navy beans and one-third of all varieties of dry edible beans harvested in the U. S., including kidney, cranberry, pinto and black. About 90 percent of our state's beans are purchased for canning, with the remainder packaged dried. So, whether you're eating out, using a can opener or cooking your own dry beans—more than likely you're enjoying Michigan beans. Dry beans are an excellent source of protein, especially when combined with a vegetable protein such as corn or wheat. Beans also provide B vitamins, iron and calcium, are cholesterol free and high in fiber. When shopping for dry beans, look for those natural in color, whole and uniform in size. Dry beans will keep for a year if stored properly in a cool dry dark area, in a sealed bag or can with a tight cover. For a guided tour of Michigan's "bean pot," send for a free copy of "A Cook's Tour" which includes 12 crop tours around the state, by writing the Michigan Department of Agriculture's Communications office, P. O. Box 30017, Lansing 48909. A 1917 strike led by the Industrial Workers of the World (IWW) in the copper mines of Bisbee, Ariz., was ended when the sheriff deported 1,200 strikers, according to "Important Events in American Labor History," a publication of the U.S. Department of Labor.

FATHER AND SON? Ronald McDonald is mistaken if he identifies Jim Ljebeck as his father. The two spent a little time chatting at the annual Kiwanis-sponsored children's Christmas Party Monday evening, Dec. 8. Local children flocked to the laps of both Ronald McDonald and Santa Claus at the event. In this instance, Ronald thought he'd flock to a lap himself.

SCOTT KIEL, center, looks inquisitively at an unexpected greeter, Ronald McDonald. Holding Scott is his father Richard Kiel and smiling like grandfathers always do is Elmer Kiel. The Kiel trio took part in the annual Kiwanis Club's children's Christmas Party held Monday, Dec. 8.

SANTA SHARES A WORD with a festively dressed Kelsey Cameron, left, and an interested Kyle Cameron at the Christmas party held for the children of Chelsea and sponsored by the Kiwanis Club. The party, an annual event, was held at Chelsea Community Hospital Monday evening, Dec. 8.

Wrestlers Lose To JC Western

Thursday, Chelsea grapplers took to the mats against the Jackson County Western wrestlers and recorded a 27-42 loss.

At 98 lbs., Ernie Bristle pinned Western's Ed Visser in 2:38. In the next weight category, 105 lbs., Dave Casto beat Jeff Morgan, 14-2 and, at 112 lbs., Dan Washgun beat Mark Bulick, 11-3.

Jeff Osentoski was pinned at 1:41 by Brian Casto, at 119 lbs. Next, at 126 lbs., Travis Rudd was defeated by Jim Clement, 9-3.

At 132 lbs., Larry Brown pinned Tim Pennington at 1:33 while Bob Beeman defeated Doug Storrett, 9-4, at 138 lbs.

Western's Ralph Allen pinned Bill Lamb at 1:40 in the 145 lbs. weight classification.

Steve Grau, at 155 lbs., came up with a win as he pinned Brian Pape at 5:08. This was followed by Bill Freeman who pinned Rich Thomas at 2:43 at 167 lbs.

At 185 lbs., Tom Rench pinned Ken Nicholas at 1:33, but Rick Poljan, still undefeated, pinned Dave Dunnuck at 5:01.

Heavyweight Jim Tradell pinned John Laraway at 1:45.

Following the varsity defeat, Chelsea JV grapplers took to the mats to record a 24-9 victory over the Panthers. Winners for Chelsea included Tom Nemeth, Bill Hanna, Scott Dault, Eric Stofflet, Dave Gibson, Jim Ritter, Dave Harrison and Dennis Czechowski.

Chelsea grapplers headed to the Linden Invitational Tournament Saturday to compete with seven other teams. The end results found Lake Fenton in first place with 143 points, followed by Fenton with 127, Birch Run with 100.5, Chelsea with 98.5, Holly with 88.5, Oxford with 85, Linden with 79 and Ainsworth with 67 total points.

Chelsea placers included Ernie Bristle, fourth at 98 lbs.; Jeff Morgan, first at 105 lbs. with a current record of 9 and 1; Travis Rudd took fourth at 126 lbs.; Bob Beeman took second at 132 lbs. and is currently 8 and 1; Steve Grau took second at 155 lbs. Rick Poljan stole first at 185 lbs. and is the only Chelsea wrestler who re-

Older Students Comprise 10% of MSU Enrollment

Slightly more than 5,000 of the 44,940 students enrolled at Michigan State University in fall 1980 are undergraduates who are older than the conventional college-going age of 18 to 22.

The older 2,805 men and 2,209 women undergraduates include 242 freshmen, 356 sophomores, 1,285 juniors, 2,730 seniors and 421 special students. Those in their 30s are 501 women and 303 men. In their 40s are 100 women and 30 men, and in their 50s or older, 33 women and 12 men.

Women also are in the forefront of total enrollment on campus among first-year and sophomore students and in the total number of undergraduate students.

Pregnancy and alcohol don't mix, says the March of Dimes. A pattern of mental and physical birth defects called Fetal Alcohol Syndrome can damage children of pregnant mothers who drink excessively. No one knows how much is too much.

At heavy-weight, John Laraway took fourth place.

★ Junk Foods . . . or Junk Bureaucracy?

The most influential "school marm" of 1980 may well be Carol Tucker Foreman, the Assistant Secretary of Agriculture, who has finally gotten her way about removing what she calls "junk foods" from school lunchrooms. Be it decreed now across the land that school lunchrooms who vend such things as potato chips, soda pop, candy bars, chewing gum and other sweets during lunch hours will lose their federal lunch money.

If all of this is painful to young consumers who—mistakenly as it turns out—thought they had a right to spend their quarters and dimes the way they wanted, it may be painful as well to some distinguished food scientists.

Dr. Paul Abernathy, who heads the Department of Foods and Nutrition at Purdue, says there is no such thing as "junk food." He says that no common food is devoid of nutrients, and that no food, when consumed alone, is adequate to support health. He

pleads for balance and moderation.

Dr. Karen Morgan of Michigan State University's Department of Food Sciences and Human Nutrition cites a survey that finds that less than three percent of total sugars eaten daily by school children come from candy, while almost 20 percent come from milk and cheeses. Let us pray Foreman doesn't also eliminate those!

Perhaps most painful of all is the realization that we now have politicians in Washington telling us—starting with our youth—what we can eat. Perhaps it won't be a total loss if the students come to understand that the lesson to be learned in the years ahead has little to do with junk foods—and a lot to do with "junk bureaucracy."

Wrestlers of the Week

JEFF MORGAN, at 105 lbs., has managed to maintain a 7-1 record thus far in the CHS wrestling season. Unbeaten until last week, the grappling Chelsea freshman was defeated in a close match. He remains as one of the best wrestlers on the Chelsea squad, looking as though he'll pounce on anything dressed in wrestling garb.

BOB BEEMAN, like his grappling cohort, held an unbeaten streak until last week when he lost his first match of the season. Nonetheless, at 132-lbs., Beeman came close to continuing his perfect season only to finish in second place behind his opponents. He is currently holding a 7-1 1980-81 wrestling record.

Five CHS Students in Top 4% of Math Test

Five Chelsea High school students finished in the top four percent on Part I of the 24th annual Michigan Mathematics Prize Competition and were among approximately 1,000 Michigan Students to compete in the final examination on Wednesday, Dec. 10.

Chelsea math students who qualified for the second test were seniors Eric Weidmayer and Chris Kvarnberg. Weidmayer is the son of Larry and Margaret Weidmayer, 3725 Notten Rd., while Kvarnberg's parents are Donald and Carol Kvarnberg, 5370 Conway Rd. Juniors qualifying for the second test were Loren Walworth, son of Bruce and Sharon Walworth of 7600 Werkner Rd.; Dan Kleis, son of Donald and Carole Kleis of 19970 Ivey Rd.; and Lee Redding, son of Joe and Kay Redding of 46 Chestnut Dr.

This competition is sponsored by the Michigan Section of the Mathematical Association of

America and is designed to foster a wider interest in mathematics, to focus attention on the necessity for mathematical training in most professions and trades, and to identify and provide scholarships for capable mathematics students in the State of Michigan.

The 100 winners of the competition will be honored at the Awards Program to be held at Central Michigan University on Saturday, Feb. 21, with half of the winners receiving college scholarships. These scholarships totaled \$12,200 in last year's competition. The competition funds include contributions from the Burroughs Corp., Michigan Bell, the Kuhlman Corp., and the Michigan Council of Teachers of Mathematics.

Ken Larson, Mathematics Department chairman, has served as the high school advisor for 65 students competing in the examination.

Farm Export Totals for 80 Hit New High

Increased sales to China and Taiwan will help U. S. agricultural exports register the largest one-year gain in almost four centuries, USDA Secretary Bob Bergland reports. Bergland said U. S. sales abroad will set another new record this year, rising to \$40 billion or more.

U. S. farm exports to Taiwan are expected to exceed \$1 billion, while sales to China will approach \$2 billion, reflecting a large increase in cotton exports and substantial grain sales.

Total 1980 U. S. agricultural exports will be 25 percent greater than the record \$32 billion exported last fiscal year; represent a 75 percent growth since 1976, and produce an agricultural trade surplus of \$22.5 billion.

"American agriculture will be moving out of an era of over-production and surplus disposal problems and into an era where virtually everything we produce will find a market somewhere," Bergland said.

Messiah Sing Set Dec. 21 In Ann Arbor

The annual Community "Messiah" Sing, an unrehearsed three-hour performance of Handel's famous oratorio, will take place Sunday, Dec. 21, beginning at 2 p.m. in St. Clare's Episcopal-Temple Beth Emeth, 2309 Packard, Ann Arbor.

Chorus and orchestra will be conducted by Larry Vote. Scores for all singers will be furnished by the University Musical Society.

There is no fee although a small donation to cover costs is asked. Participants may also bring a plate of baked goods or other holiday treats for sharing at intermission.

St. Louis School Staff Families Have Christmas Party

Friday eve, the staff of St. Louis school held their annual Christmas party for the employees and their families. Following a pot-luck dinner, the staffs of St. Louis school and the Ann Arbor Trust branch office presented the priest and nuns with a painting of St. Louis School by a local artist, Ben Bower.

The evening was topped off with the presentation of a birthday cake in honor of Father Joseph, who celebrated his birthday Saturday. The guests then sang a round of "Happy Birthday," in honor of the Father.

How to Save \$1500 TAX FREE

If your employer hasn't set up a retirement plan for you, Ann Arbor Trust can show you how to set aside up to 15% of your annual income (\$1500 maximum) each year in your own Individual Retirement Account (IRA).

You'll be able to deduct the entire amount from your 1980 taxable income and earn the highest bank interest rates allowed by law. Each succeeding year you can add up to \$1500 and you pay no taxes on accumulated principal and interest until you retire, when your tax bracket will probably be lower. It's a great way to cut your taxes and at the same time ensure a financially comfortable retirement. There are no fees or charges to establish your Individual Retirement Account at Ann Arbor Trust.

If you are self-employed or operate an unincorporated business or partnership, ask about our Keogh Retirement Account.

At Ann Arbor Trust, we want to help you plan for your future. For complete information on how to start your Individual Retirement Account call 994-5555, stop by any of our offices or just mail in the coupon below. We'll be happy to answer all your questions.

Age 59 1/2 is the earliest that payments are available without tax penalty.

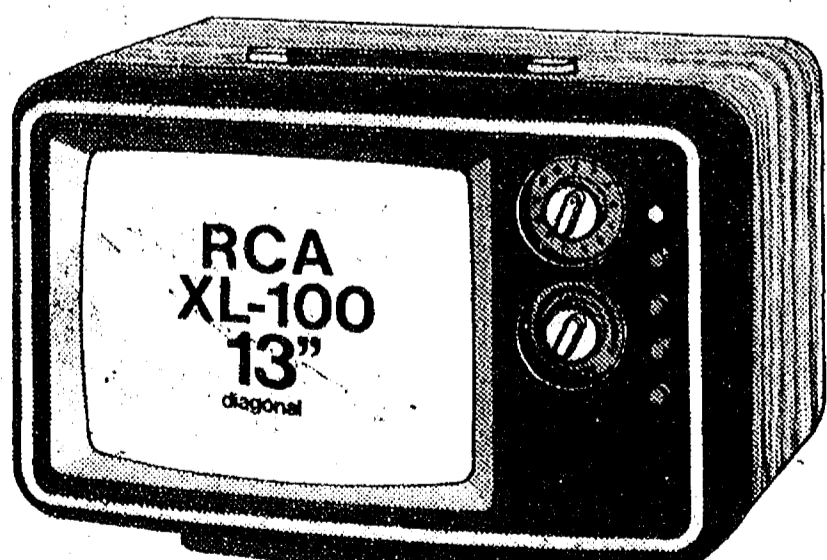

Our offices will close at 3 p.m. on Dec. 24 and Dec. 31

Cub Scouts Pack Visits St. Louis School With Party

At 7 p.m. Thursday, Dec. 11, Chelsea Cub Scout Pack 455 along with Cubmaster Don Kvarnberg, traveled to the St. Louis school to share in a Christmas party with the residents.

The activities got underway with an opening ceremony complete with a pledge and salute to the flag. A short Bobcat ceremony followed.

The Cub Scouts had brought with them a Christmas tree that the group proceeded to decorate with assorted ornaments that the Scouts had made with bird seed.

In between the activities, the St. Louis School boys and the Cub Scouts sang Christmas carols.

Thereafter, Santa Claus appeared and presented all of the boys with Christmas stockings laden with candy. A free time to play in the St. Louis gym followed.

In all, between 100 and 125 people—St. Louis school residents, Cub Scouts, parents and staff—attended and enjoyed the Christmas party, one of many holiday activities taking place at St. Louis school this year.
