## Flags Provided for Downtown Area

Gazing skyward in the village, Chelseaites ponder the question, "What holiday is today?" Many holidays will come and pass but, thanks to the local VFW post, every day can be considered Flag Day.

Late last year, the VFW purchased 12 street light poles and brackets complete with American flags and donated them to the Village of Chelsea. They were presented in honor of all servicemen and women who have served the United States in both war and peace.

Chelsea village employees raised the flags Tuesday, Jan. 14 though they had originally been intended to be raised in November in honor of Veteran's Day, Nov. 12. Christmas decorations were being prepared in November and combined with snow storms, the project completion was postponed.

To answer a few pertinent questions, legal aspects may be explored: The Federal Flag Code, Public Act Law 94-344, 94th Congress (July 7, 1976) revised to state; Sec. 2: "It is universal to display the American flag only from sunrise to sunset on buildings or flagstaffs. However, when a patriotic effect is desired, the flag may be displayed 24 hours daily, if illuminated during the darkest hours . . ."

When the Veteran's Park was dedicated, an American flag was presented there. Since that time, three purchased flags have been stolen and four donated casket flags have been used. These were stolen as well. A very large fine and imprisonment are the penalties for stealing American flags.

The VFW project was initiated by John Walz and members of the committee with commander Gary Erskine.

## WNHA Needs Funds Now for Nature Center

The Waterloo Natural History Association held its first board of directors meeting last week to begin solving already developing financial difficulties. At present, immediate needs include miscellaneous overhead, insurance and the like. The state will not allow the Nature Center's leasing until insurance is paid.

According to Emily Polens, "We have received excellent response from outside groups and the state and everything is moving along quite well. Nevertheless, our financial needs are now, not in the next few months when some groups will be able to assist."

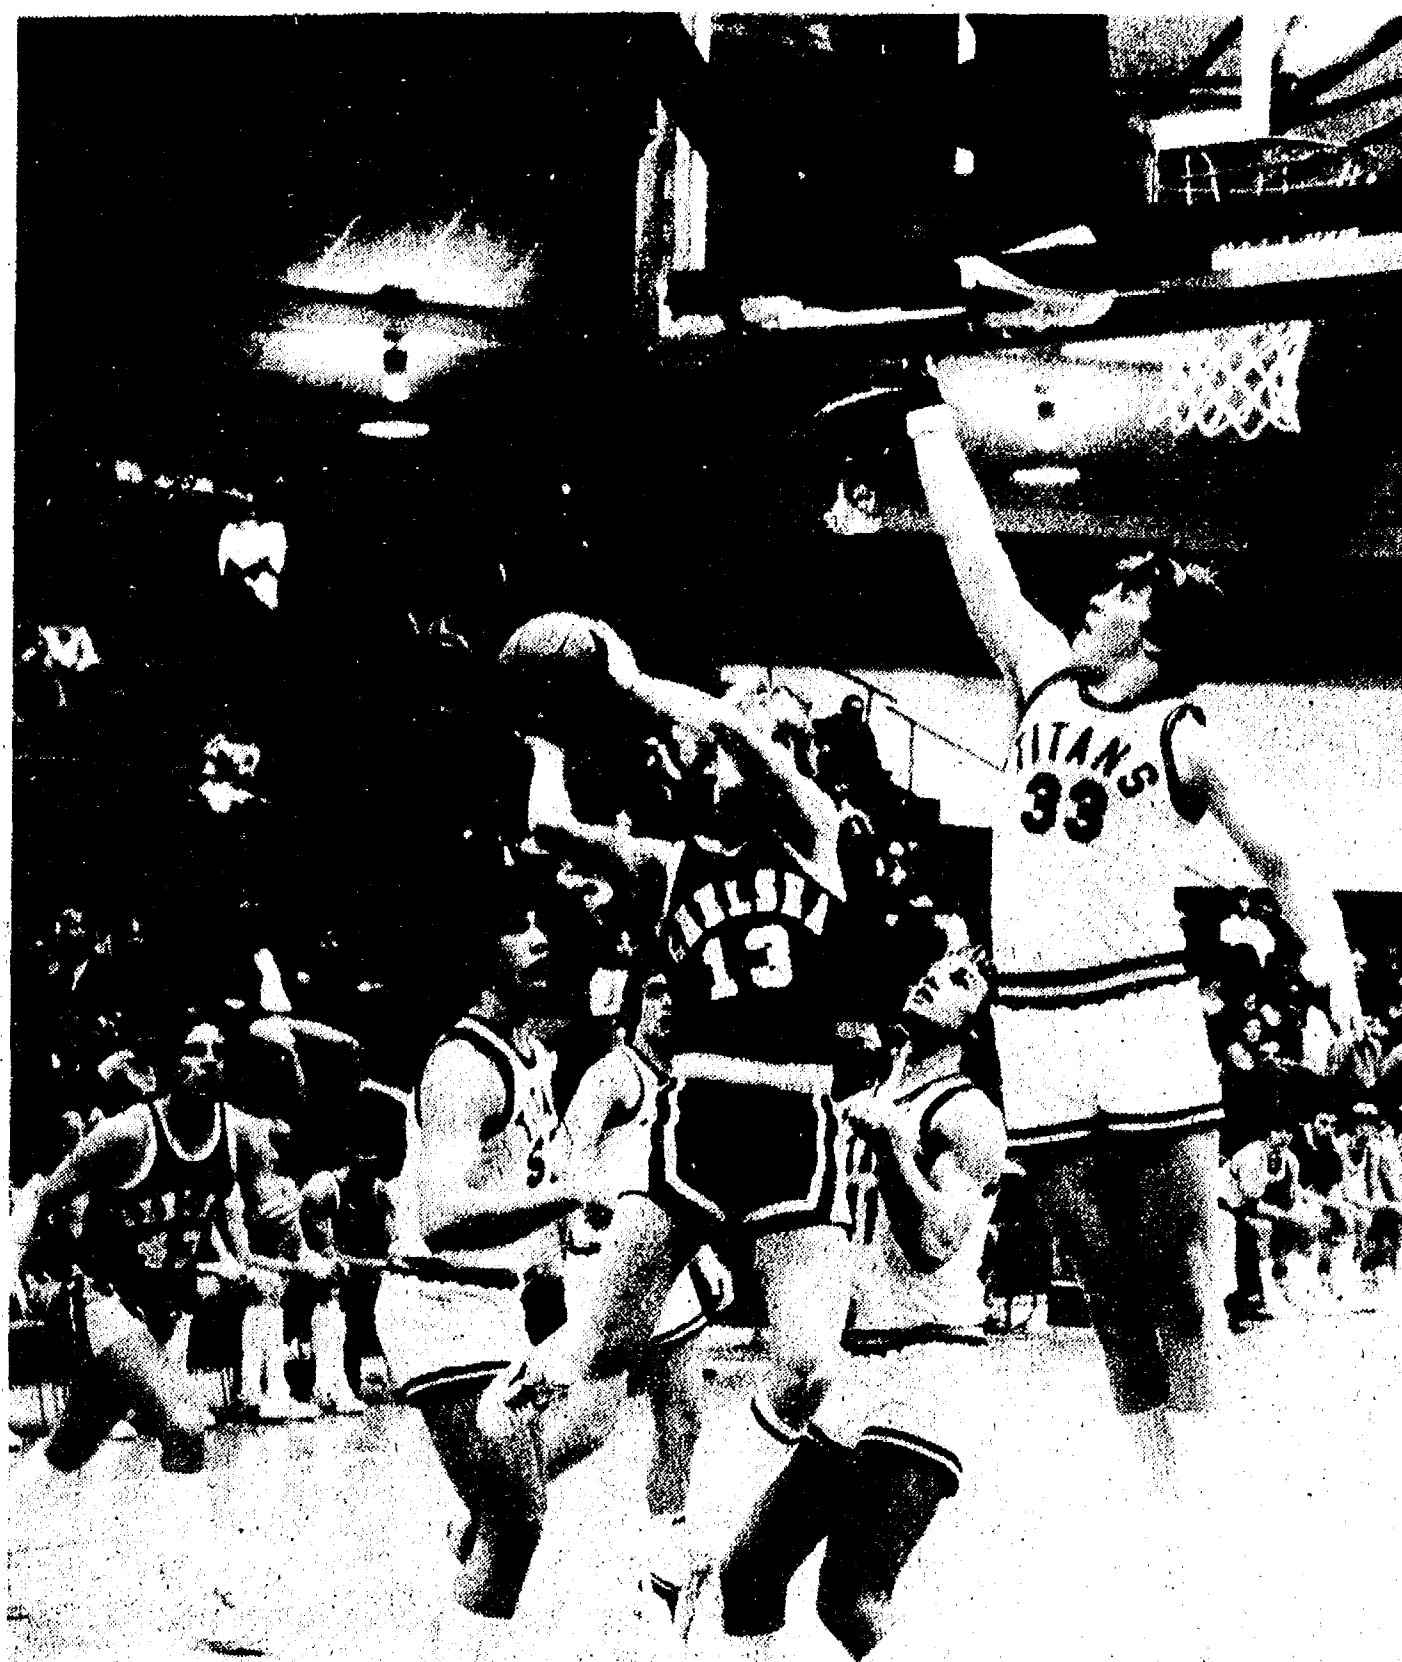

In addition to the pressing financial needs, volunteer help is needed at WNHA. Memberships to the association are available,

with any donation received capable of being applied to the membership fee that ranges from \$10 per individual and \$15 per family per year to higher sums for lifetime memberships.

Anyone interested in contributing either time or funds is urged to contact either Emily Polens at 475-7840 or Carol Strahler at 475-9444.

## Winter Practice Hours Announced

The Chelsea Aquatic Club announces the beginning of their winter swimming season. The Club practices are as follows: Elementary "B," 5:45 p.m. every Monday, Wednesday and Friday; Elementary "A," 6-7:15 p.m. Monday, Wednesday and Friday.

JEFF PRICE lunges toward the net while being blocked by the Lumen Christi defense. In the Bulldog-Titan contest, Chelsea fell, 72-59.

Friday night, the team's third consecutive loss. Price scored nine points in the Lumen Christi hosted battle.

## Bulldog Grapplers Win at Lumen Christi, Dexter

Chelsea varsity grapplers added two more wins to their impressive season record last week, regardless of the fact that

the flu had overcome many wrestlers on the squad. The Bulldogs breezed past Lumen Christi, 44-19. Tuesday and squelched conference rival Dexter, 39-25, Thursday. Both contests were away from the Chelsea gym.

In Tuesday's contest, Ernie Bristle, at 98 lbs., pinned Tom Breitenbach in 1:54. At 105 lbs., Steve Snyder defeated Dave Wood, 5-2 while Mark Bulick, at 112 lbs., trounced Greg Cook, 10-2.

Jeff Osentoski, at 119 lbs., pinned Andy Stotwell in 1:02 and this victory was countered when Eric Birkle defeated Travis Rudd by a score of 4-1 in the 126-lb. weight class.

At 132 lbs., Bob Beeman pinned opponent Mark Reasoner in 3:37 and Craig Sturgeon buried Craig Drongowski, 9-2 at 138 lbs.

At 145 lbs., Steve Grau pinned Al Lefere in 5:22 and Bill Freeman shut out Tom Semmerfelt, 10-0, at 155 lbs. At 167 lbs., Darowd Kidmar pinned Bill Lamb in 20 seconds while teammate Joe North defeated John Preston, 16-6 at 185 lbs.

Rick Poljan continued his unbeaten streak at 200 lbs. by pinning Kip Powers in 5:22 and at heavyweight, Marty Gouch won on a void.

In the JV match, Coach Mike Young was very pleased by the performance of his freshman and sophomore wrestlers against the Lumen Christi squad. Winners for the Bulldogs were Bill Hanna who pinned his opponent, Rick Cook, Scott Dault, Dave Gipson,

Scott Haas, Tom Nemeth and Ed Esch.

In Thursday's contest against Dexter, Chelsea's varsity wrestlers defeated their rivals, 39-25. At 98 lbs., Ernie Bristle pinned Ken Reed in 58 seconds. At 105 lbs., Steve Snyder defeated Josh Vandemark 8-5, a victory that was countered by Paul Klapperich's 6-1 defeat of Mark Bulick at 112 lbs.

Jeff Osentoski pinned his opponent Scott Hollister in 3:10 at 119 lbs. and at 126 lbs., Travis Rudd defeated Ryan Doletzky by a final score of 4-3.

At 132 lbs., Bob Beeman pinned Scott Holly in 1:50 while Dexter's Pat Young pinned Craig Sturgeon in 5:20 at 138 lbs. Then, at 145 lbs., Mike Doletzky defeated Chelsea's Steve Grau, 10-1.

Bill Freeman defeated Scott Kroske, 12-3, at 155 lbs. and John Preston shut out opponent Jeff Ulrich, 10-0, in the 167-lb. weight classification. At 185 lbs., Don Bauer won on a void.

Rick Poljan added another pin to his perfect season record by immobilizing Mark Whitley in one minute in the 200-lb. weight class and at heavyweight, Charlie Wiseley emerged victorious on a void.

In the JV match, Chelsea victors included Eric Stofflet, Dave Gipson, Bill Lamb and Scott Haas.

## Cagers Drop 2 Non-League Encounters

Tuesday evening, Chelsea's varsity cagers hosted a gargantuan squad from Howell in a non-league encounter. The end result, Chelsea fell to their guests, 77-63.

The Howell Highlanders, who dominated in height and sported three players in their starting line that surpassed 6'5" in height, dwarfed the smaller Chelsea squad and took a 21-14 first quarter lead. In attempts of stopping the visitors' inside game, Chelsea was weak as their opponents scored 11 first half baskets from within the lanes and made 75 percent of their floor shots in the first two quarters.

Chelsea fared well in rebounding, 24-25, considering the height shortage. But stopping the inside baskets proved to be their downfall. Howell held a commanding lead at the end of the first half, 41-28. By the end of the third quarter, Chelsea was down, 40-57.

With just a few minutes remaining, Chelsea cagers Riemenschneider, Welton and Steinaway connected for a number of successful shots to up their score, but to no avail. Howell walked away with an easy victory and dropped the Bulldogs to 3-4 on the season. They remain at 3-3 in the conference race.

Pacing the Chelsea team was Jeff Dils with 18 points, four from the free throw line. He was trailed by Steinaway and Boyd with eight apiece while Price added 6, Bareis and Krichbaum five each, Welton four, Sprague three and Peterson contributed two points in behalf of the Bulldogs.

Friday, Chelsea traveled to Jackson Lumen Christi in hopes of better luck and the clinching of a victory. Nevertheless, the Bulldogs dropped their third consecutive game, 72-59.

Chelsea trailed, 16-11, at the end of the first quarter but improved their deficit considerably by the end of the half. Heading into the locker room, Chelsea was down by four, 26-30.

Heading into the final stanza, Chelsea again trailed substantially, 40-42, but with the help of Jeff Dils and David Wojcicki, the margin was soon cut to four with five minutes yet to play. The sudden surge of Chelsea momentum was squelched as the Titans came back with three easy baskets and walked away with a convincing victory.

Chelsea was out-rebounded by a 2-1 margin as the Titans of Lumen Christi grabbed 41 of Chelsea's 23.

Scoring for the Bulldogs was Jeff Dils with a game-high 20 points followed by Wojcicki with 13, Price with nine, Riemenschneider with eight, Tobin and Boyd with two apiece and Steinaway and Peterson with a single point each. Nevertheless, between Dils and Wojcicki, the pair combined for 12 of Chelsea's 16 assists.

The third loss for the Bulldogs dropped them to 3-5 over-all and 3-3 in the SEC. Tuesday, they take on the Pinckney Pirates in their last non-league battle of the month. Thursday, they will again match talents with the Panthers of Jackson County Western in the first of three consecutive league games.

## Varsity Wrestlers In County Tourney

In the Washtenaw County Wrestling Tournament, sponsored by the Ann Arbor News and hosted by Ann Arbor Huron High school last Saturday, Chelsea's varsity grapplers fared quite well.

At 98 lbs., Ernie Bristle finished second, losing to Jamie McNaughton of Huron. Steve Snyder finished fourth at 105 lbs., losing to Stephan Schnitzer.

Jeff Osentoski tied for third place with Saline's Atkins in the 112-lb. category while Travis Rudd, at 119, finished second by losing to Keith Gore of Ypsilanti by a score of 6-2.

Steve Grau took third after being defeated by Linden's Jeff Saren at 145 lbs. while Chelsea's Rick Poljan finished second in the tournament by losing to Duane Greer of Huron at 198 lbs.

Outstanding wrestlers of the tournament were Jamie McNaughton of Ann Arbor Huron and Pat Young of Dexter.

A FOND FAREWELL: Lauryne White has worked at Chelsea Pharmacy for the past 32½ years, serving customers from her station behind the counter. Now, she has decided to

retire and head to Traverse City where her son has built an A-frame house overlooking a river. She will leave her Chelsea home and job later this month.

## Lauryne White Retiring from Drug Store After 32½ Years

Lauryne White, after spending 32½ years behind the counter at Chelsea Pharmacy, has decided to retire and head to Traverse City. She began working for Lancaster in July 1948.

Since that time, Lauryne has seen many changes in both her "second home" and the Village of Chelsea as a whole. She has watched those who were young when she began her job grow up and she is now watching their children grow up.

Her life has been filled with doing what she does best, caring and serving the many customers that have come through the door at Chelsea Drugs. In addition, she has developed close relationships with both her former employer, Lancaster, and her current

employers, Dan Murphy and Dale Schumann.

Lauryne has enjoyed being a friend to the members and residents of the Chelsea United Methodist Retirement Home but it's time for her to move on, to head up to Traverse City where her son, Bob, has built an A-frame house near a river for her. The unveiling of this home was Friday, Dec. 26.

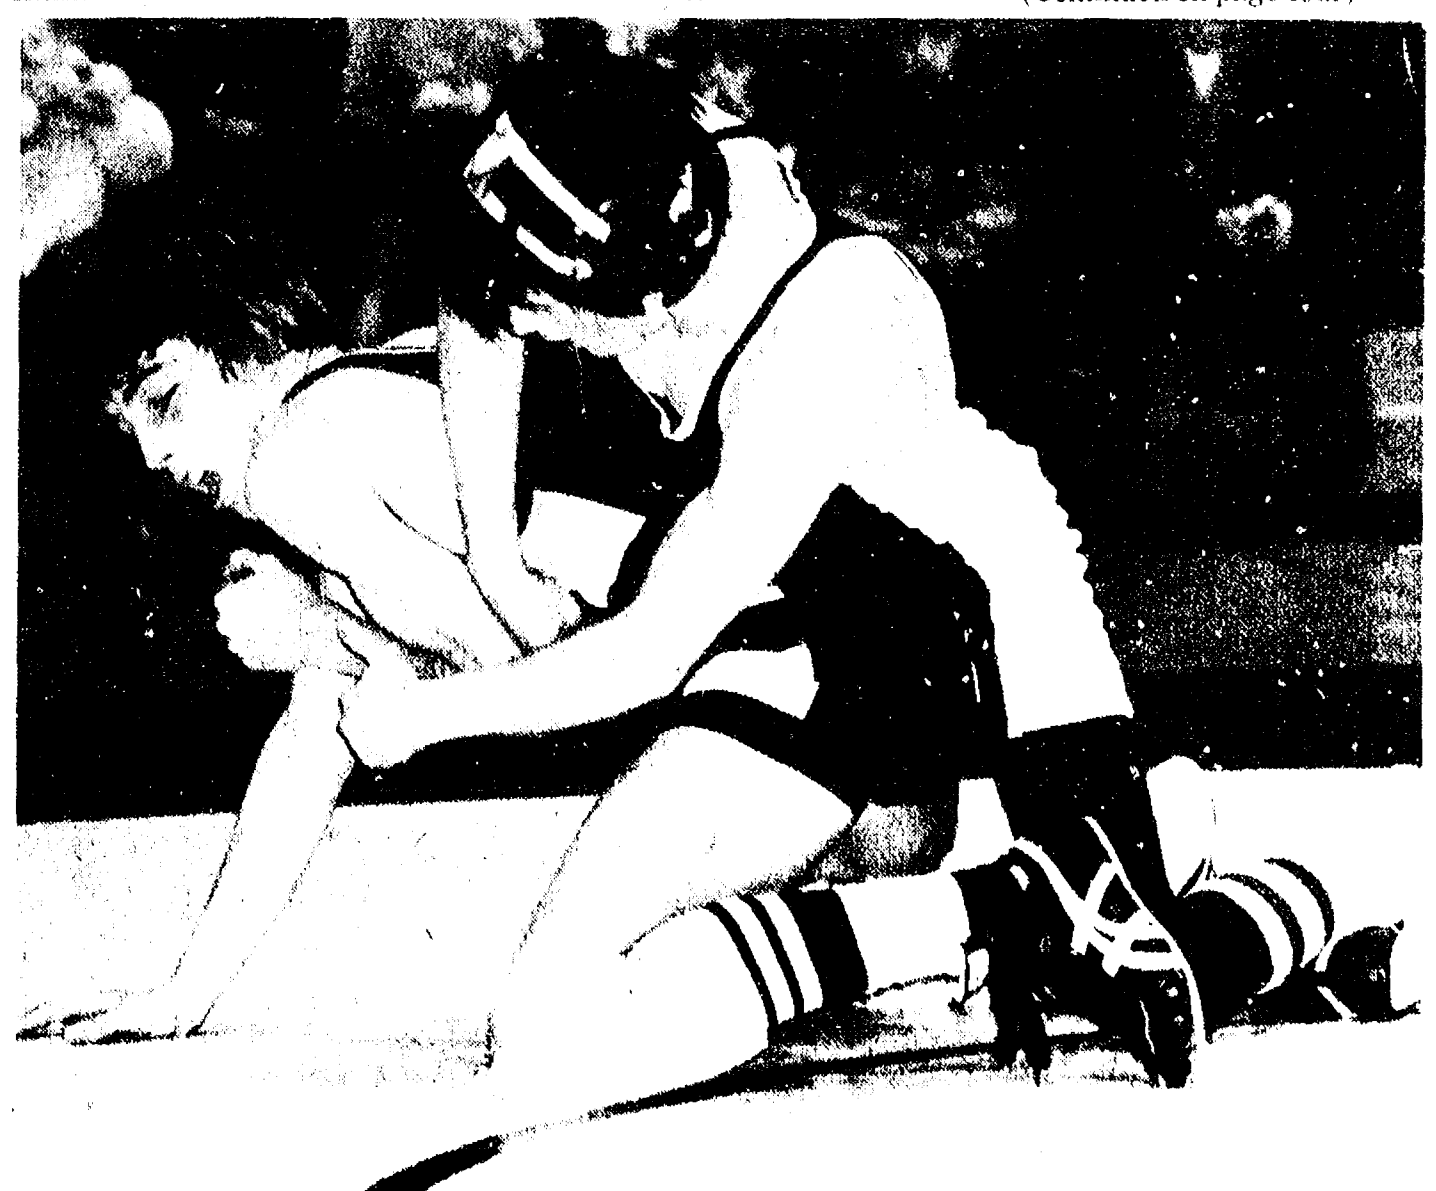

She will be leaving Chelsea Drugs this month, but not without regrets. Lauryne will miss everyone she has come to know and love in and around Chelsea; it's hard to break old ties and it's also hard to begin a "new life."

But, with encouragement of her son, Bob, who sells heavy equipment for Michigan Tractor near

Traverse City and her daughter, Susan White McLeese, a school psychologist in Rochester, the decision has been easier. Both have been instrumental and supportive in her decision to move on.

Upon leaving Chelsea, Lauryne anticipates a two-month trip to Texas with her sister from Minnesota. Then, in April the move to "deer country" will be complete and Lauryne will begin her new life amidst the trees and wildlife.

The move has been a long time in coming and she will be missed, but now it's Lauryne's turn to do what so many others before her have done—take a break, relax and enjoy her new life in Traverse City.

PREPARE FOR A PIN: After three minutes and 10 seconds, Chelsea's Jeff Osentoski immobilized his Dexter opponent, Scott Hollister in

the 126-lb. weight category. With Osentoski's winning efforts, the Chelsea grapplers defeated arch rival Dexter last week by a score of 39-25.

Thursday, Jan. 27, 1977—  
Voters in the Chelsea School District turned down a request to levy a 1½-mill increase on the current one-mill tax limitation for the education of handicapped children by a three-to-one margin in Monday's special election.

A verbally deft performance by the Chelsea High varsity debate team in the Varsity Debate District Tournament at Eastern Michigan University on Tuesday, Jan. 18, gave the Bulldogs a 5-1 record for the day, and qualified the team for a seat in the upcoming State Championship Tournament in February.

More than the generation gap will be bridged at the Chelsea United Methodist Retirement Home this week. A group of University of Michigan students will share insights on the religion, culture and customs of their homeland, Israel, at the Methodist Home International Day.

Chelsea wrestlers laid to waste a seven-team pack of opponents in the Hartland Invitational, having earned enough points by the finals to sew up the contest.

Travel, education, social and business activities were all disrupted by the storm. But by Monday, most roads were open, although not necessarily cleared, and several activities had been re-scheduled.

### Supreme Court To Decide Ballot Access Law

The state Supreme Court has been urged to declare unconstitutional the state's political party ballot access law as being unfair to small political parties.

The 1976 law, which a lawyer said was enacted because state officials were fearful that too many parties would clutter the ballot, should not be maintained because those fears were groundless and previous ballot access requirements are adequate to keep frivolous parties off the ballot.

Robert Derengoski, the state solicitor general, argued the law was not preventing small parties from getting on the ballot. All those parties had to do was get a "measly" showing of support, he declared.

The case (Socialist Workers Party vs. Secretary of State) was filed last summer.

In 1976, the year the law was enacted, it was upheld by a federal district court and subsequently approved by the U. S. Supreme Court. When the case was filed, the circuit court said it could not overrule the U. S. Supreme Court.

Under the law, a party without a regular spot on the ballot can get one only by first petitioning for a place on the August primary ballot and by then reaching a benchmark of support in the primary election.

The petition must carry signatures equal to one percent of the votes cast for the current secretary of state and parties must get at least 3/10 of one percent of all votes cast in the primary to secure a spot on the November Ballot.

Affected by the provisions are parties not guaranteed November ballot status due to votes received in past general elections.

Derengoski said the requirements equalled a "measly

three votes out of a thousand" to assure small parties a place on the November ballot.

In close questioning by justices, Derengoski admitted, however, "I am not enamored by this proposal. I just say I don't think it's unconstitutional."

The law does not prevent small parties from getting on the ballot, Derengoski said.

Ronald Reosti, attorney for the Socialist Workers Party, said the law's mechanics prevented people, interested in voting for candidates in other parties, from voting for the small parties.

Hence the parties must seek out party regulars to keep a place

### Historical Society Hears Annual Reports of Officers

The first meeting of 1981 of the Chelsea Historical Society was held at McKune Memorial Library last week. Fifteen members were present.

Annual reports were given by outgoing president Lois Moore and treasurer Max Hepburn.

During the business meeting it was announced that tours of Meadowbrook mansion could be arranged for the week-end. More information is available from Lois Moore.

Sally Rendell, incoming president, stated that the Historical Commission is considering the submission of four buildings to be regarded as historical buildings.

It was decided that a pot-luck dinner would precede the February meeting; the place will be announced as soon as the committee has agreed upon the appropriate location. Anyone interested in the work of the Historical Society is welcome to attend. Please contact Jean Storey at 475-1240.

Refreshments for the meeting were served by Sally Rendell.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I never feel like I know what's going on in the world till I read the funny papers. The funnies use to be funny, and a few still are, but most of em are panels of picture editorials on ever human condition real and imagined. About a month after you read it on the front page you can see it in the comics. One that is still funny and still not caught up in righting wrongs is Blondie. She still gossips over the back fence, takes care of the younguns, cooks and cleans, and most of the time she has Dagwood's supper ready. Dagwood misses the bus a lot but he brings home the bacon, takes out the garbage, cleans the gutters. You might say Dagwood makes the living and Blondie makes the living worth living.

The Bumsteads are fun, but now they're getting serious. I see by the papers where they are turning into a history lesson. History usual ain't a barrel of laughs. And it ain't funny to me that Blondie and the rest of the stay-at-home wives and mothers in this country is an endangered species. This piece said the wife and the husband work away from the home in more than half the homes. The percent where both work has jumped from 45 to 52 in the past 10 years, and it's climbing fast. Worst, the figger is 56 percent in homes where children are under 18 year old. I know I'm old and set in my ways, but it worries me that in a lot of them homes the children are shifting fer themselves while Ma and Pa are out trying to git up the money to buy them everything they think they ought to have.

I bring this up during the session at the country store Satur-

day night, and the fellers was pritty well divided on the matter. Zeke Grubb was quick to agree, and that bothered me some, cause when Zeke is fer somepun you got to wonder if it's been thought through. Clem Webster took note that more couples are choosing not to have children these days, and in most of these cases the woman has as much training and education as the man. So there's no reason why both can't work at their trades.

General speaking, declared Ed Doolittle, he sided with the Indian system where the men did the hunting and fishing and the wimmen took care of everthing else. As a practical matter this day and time, Ed went on, the wife is helped into the job market with all the school programs, day care and equipment that just about puts housekeeping on the automatic. From what he reads about young families in big cities, Ed said, mother and children would be bored silly setting around watching TV all day. And Ed said the sad truth is, it takes one mighty big breadwinner to keep a family housed, fed and clothed. He had saw where the percent of workers that hold down two or more jobs is going up faster than the two-family, and he allowed all work and no nothing else can't be all that much fun.

Mister Editor, not having children I ain't qualified to judge. But I saw the Juvenile Products Makers Association says their problem is thinking up new things fer kids to want and parents to buy. It sounds like another rat race to me.

Yours truly,  
Uncle Lew.

## 'History of Gems' Presented For Woman's Club Members

The Woman's Club of Chelsea met on Tuesday, Jan. 13 at McKune Memorial Library. Speaker for the evening was George Winans, owner of Winans Jewelry, an 83-year-old family business. His son is also working there, making it a fourth generation business. Mr. Winans presented a talk on the topic, "History of Gems."

He spoke extensively on the history of diamonds. Facts were brought forth such as the diamond is the hardest substance in the world, only a diamond can cut a diamond and that diamonds are cut with saws as thin as paper, not with a hammer as is popularly believed.

Previous to the 1800's, the supply of diamonds came chiefly from India and South America. But, during the 19th century, diamonds were discovered in South Africa and, with Russia, these two regions now serve as the principal sources of diamonds.

Presently, diamond mining is done hundreds of feet underground where temperatures are so high that various methods of air cooling must be used.

The largest diamond ever found, 560 carats, is called "The Cullinan" after the owner of the mine in which it was discovered hanging from the ceiling. The largest of many stones cut from this diamond is part of the British crown jewels and is set in the royal scepter.

In recent years, technology has produced cubic zirconia which is very similar in appearance to the diamond. It is becoming increasingly difficult to differentiate between imitation and true diamonds.

No two genuine diamonds are alike and nearly all are both imperfect and round. Diamonds have steadily increased in value except during a brief period in 1935 during the heart of the Depression.

Colored stones are becoming more and more popular and people are becoming more interested in purchasing synthetic gem stones that can be made in a few weeks as opposed to the millions of years that are required by nature. Synthetic stones are becoming increasingly important in the jewelry business.

Some natural stones are not expensive but the mountings are. The price of gold has skyrocketed from less than \$40 per troy ounce six years ago to more than \$600 per troy ounce today. The only other time that the price of gold had risen so sharply was immediately following the Civil War.

The program was illustrated with pictures and samples of stones. It was a very informative talk which was enjoyed by the 17 members and one guest present.

Of interest to Chelseaites was Mr. Winans' history of the clock in the jewelry store window. It was acquired by his grandfather in the early 1900's and had been manufactured in France.

The clock had been brought in for repairs but the part needed was not available here. Mr. Winans was forced to send to France for the necessary part.

This was in the days of clipper ships, travel was slow and the part never reached Chelsea. Finally, the owner of the clock offered to sell it to Mr. Winans for \$5 and the transaction was complete.

When the part finally arrived, the clock was repaired and from that time on, the clock has continued to run with only occasional cleaning and minimal maintenance. It has managed to survive two fires during this period. If it could talk, the clock could no doubt give us an accurate history of Chelsea as seen from a store window.

Hostesses for the evening were Gladys Barth and Edith Hoffman.

## Friends of Chelsea Players To Present Vanities Feb. 21

Mary McIver will be directing June Warren, Julie Vorus and Rita Wilson-Howard in Jack Heifner's "Vanities," a production by the Friends of the Chelsea Players.

"Vanities" is a remarkable testament to the way we really grew up—a funny, sad, true depiction of an innocent America coming of age—as seen through the lives of three Texas girls from the early 1960's to the present.

A successful production must capture a kind of chemistry between both cast and director. One of the ingredients of that chemistry is Mary McIver, a 1973 graduate of the University of Michigan with a degree in theatre and oral interpretation. She is presently working on her doctorate in the field.

McIver has been active with the Ann Arbor Civic Theatre in acting, costumes and backstage. She has also directed the Ann Arbor Civic Theatre production of "Lady Guinevere's Fan," and has been active in directing and acting with the U. of M. Faculty Wives Drama Group.

McIver is also busy with the Ann Arbor Recreation Department, where she has taught children's drama courses and an adult readers theatre course.

She is currently involved in the news media as well, serving as a crew member for the Michigan Media Center, a disc jockey for WRCN and a newscaster for WCNCB.

"Vanities" will be presented on Saturday evening, Feb. 21 at the Dexter Knights of Columbus Hall. Sherry Sundling will be preparing a gourmet dinner and cocktails will be available. Tickets may be purchased at Heydlauff's and Pierson-Riemenschneider Realty in Chelsea and at McLeod Drugs in Dexter.

### Letters to the Editor

Dear Mr. Editor:

A couple of weeks ago we spoke of the New Year, as new beginnings. As we walk into each new day of 1981—we have to do it with "gusto." We have to give each new day, all we have got to give. Live life—not just exist. We have to try to make our world a better place to be in for all people, and we start doing just that, by caring. We have to raise our voices before God and Man, while there is freedom of speech and press, and while there is still time.

There are many folks who have beautiful backgrounds. Well educated with this diploma, and that one to prove it. The masters of psychiatry, psychology, sociology, and medicine, who can relate to one and all, the abhorring figures and facts of the lives of the unborn that are destroyed by abortion.

On Jan. 22, we have the commemoration of the USA Supreme Court's legalizing abortion on demand, back in 1973. Since then millions of babies were never given the chance to count a New Year, or even count their own birthdays. They never have known what it means to love and be loved. Did you ever consider each individual baby has a personality of its very own, never to be duplicated in another?

Among these discarded babies could have been the one who would have danced as no one before. Or, been the one person to develop a cure for cancer. Or, the one to bring permanent peace to the world by his or her life. Or, perhaps bring truth to the world by writings. Babies of abortion could have filled our world with joy and laughter, which we need more of. Maybe they had a gift of singing to touch our hearts.

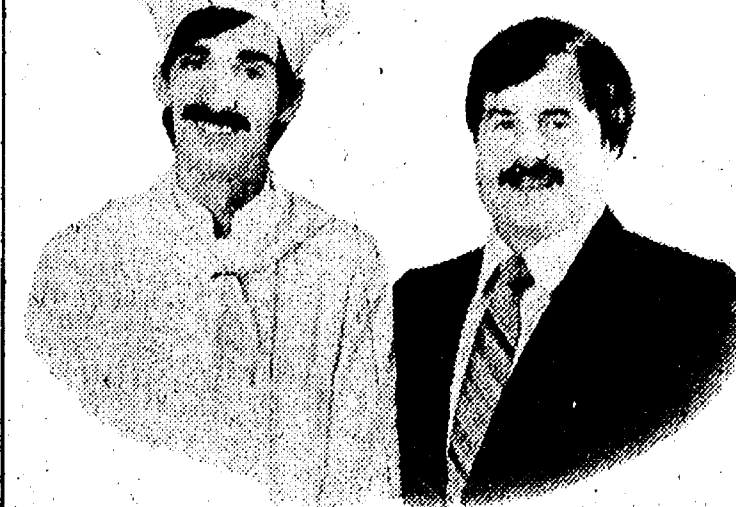

All the arguments have been raised by the experts on both sides of the issue, but the fact remains, that the history books will show man is destroying himself through life after life, of babies caught up in abortion. No matter how long it takes, we must never become silent in our desire to see every unborn be given his or her, God-given right to live. Every human being is a priceless thread in God's masterpiece of life. The unborn need you and me, all of us, to be their voice. So, for every unborn child...

L et L ife  
O ur I s  
V oices F or  
E cho E veryone  
This writing is a tribute to all the babies of abortion, and comes from the heart of a mother with seven children of her own.

**TROPHY WINNERS:** Chelsea's volleyball team ended their first tournament at Stockbridge last week and headed home as the proud recipients of a trophy for their winning efforts. The bumping, setting and spiking group is made up of, back left to right, Coach Cathy Ben-

nett, Lynne Ertel, Patty Rawson, Venus Roberts, Kaern Kiel; second row, Sandy Bushway, Melanie Schneider, Sharon Glassford, Konstance Ersham; front row, Kelly Hense and Sue Branham.

## JV. Volleyball Team Wins Two, Loses Two

On Tuesday, Jan. 6, Chelsea's JV girls volleyball team kicked off their season by posting two wins against Columbia Central in a non-league encounter.

Game one found Donna Popovich serving four points with the game winning point being an ace. This was followed by Cathy Doll serving five points while Mary Klink served three. Kim Forner served two points and she also had one spike point. To round off the serving and scoring, Marty Kovick served a point for the Bulldogs effort. Chelsea won convincingly, 15-6.

Immediately thereafter, Chelsea JV spikers tallied their second win with the help of Mary Beth O'Quinn who served the first four points. Jean Folsom served three points with one of them going for an ace while Jane Verwey finished the serving by scoring seven consecutive points for the Bulldogs. The final score for the evening, 15-1.

Also contributing in the victory through their hustle and good play were Chris Johnson, Laurie Heller, Cindy Connell and Karen Wilson. Another player, Kim Williams, was unable to play after having undergone knee surgery.

On Thursday, Jan. 8 Chelsea traveled to Milan and lost a tough match to the Big Reds. The contest consisted of five consecutive played games, all close.

Chelsea won the first game, 15-8 but Milan came back to take the lead by winning the next two games, 15-13 and 15-11. Determined, the Bulldogs hustled from a 12-8 deficit to win the fourth game 15-12 and tie up the match. But, the comeback took much of the energy out of the Chelsea team; they lost the fifth and deciding game, 15-7.

Poor serving plagued Chelsea all night, especially in the third game when 11 serves were missed.

Mary Klink served excellently, all evening with a total of 18 points in the five games. Six of

her points went for aces. Other scorers for the Bulldogs were Donna Popovich with one point, Kim Forner had eight, Jane Verwey seven, Cathy Doll added nine, Mary Beth O'Quinn six, Laurie Heller contributed one, Chris Johnson had seven and one ace and Cindy Connell made three points for the team.

Contributing with good setting was Marty Kovick while good bumping and hustling were exhibited by Kathy Morris, Karen Wilson and Jean Folsom.

# Swim Team Adds Two Wins In 17-0 Two-Year Record

Chelsea men swimmers won two more meets last week against Adrian and Riverview with scores of 89-83 and 112-55, respectively. These wins raised the Bulldogs' season record to 6-0 and their two year winning streak was extended to 17-0. The wins also preserved Chelsea's unbeaten streak in their home pool, a place where they have not lost since December 1978.

Against Adrian, the swimmers faced their most talented foes thus far. "Adrian is an excellent team, they were more difficult than Ann Arbor Huron was for us," coach Larry Reed said. "We set three school and two pool records in the first four events and lost all but one of the races. It was the most pressure-packed meet we have had in our five-year history," Reed added.

The swimmers set six school and two pool records all together. The records include Phil Hoffman's 1:52.5 in the 200 free and :50.8 in the 100 free; Dave Nicola's :23.1 in the 50 free; Craig Wirtz's 240.15 points in diving; Dave Mason's :52.2 in the 100 fly and Tom Gaunt's :58.6 in the backstroke. Out of 54 individual efforts, the team had 43 best ever performances.

Two nights later, with emotions at the lowest possible level, the team won again against the Riverview Pirates. The Bulldogs won 10 of 11 events and had 25 additional lifetime bests.

In the one event the team lost, the 200 I.M., the team had two best times and John Robbins missed qualifying for the state meet by only 3/10's of a second. Craig Wirtz once again broke his school diving record with a score of 240.40 points. The divers—Wirtz and Kraig Leach—have taken first place in all meets this year and have managed first and second in four of six attempts.

Outstanding performances were given by all Chelsea swimmers. The team travels to Albion Tuesday and to Lincoln Thurs-

day, hoping to maintain their perfect record. Both meets begin at 7 p.m.

ARABIAN NIGHTS AND DAYS will become commonplace for Chelseaites Ron and Caren Ziegler and their three daughters. For the next two years, the Ziegler family will be living in Saudi Arabia while Ziegler participates in a construction project for his employer, Townsend & Bottom of Ann Arbor. Enjoying and adjusting to their new ways of life will be, left to right, Charlotte, Ron, Amy, Caren and Meghann Ziegler.

## Ron Zieglers Leaving for Two-Years in Saudi Arabia

Chelsea will be losing a family of five to Saudi Arabia as of this week. Ron and Caren Ziegler and daughters, Amy, Charlotte and Meghann will be moving their home to Yanbu, located on the Red Sea approximately 300 kilometers north of Jettia.

The move, in affiliation with Ziegler's job at Townsend and

Bottom, Ann Arbor, will last for the next two years and has required a number of major life changes for he and his family. First, daughter Amy, a sophomore at Chelsea High school, was forced to leave her family and friends and attend the American school in Montagnola-Lugano, Switzerland. She left for her new school just over one week ago; provisions in Yanbu offered Western education from first through ninth grade only.

Secondly, the family was forced to find adoptive families for their two dogs. "One of the hardest facets of our decision to go was the pets. Our small house dog was very fond of my wife but we found a new home for them and they're adjusting quite well," explained Ziegler, "when we return to Chelsea, we've made provisions to get them back."

Though the Zieglers were originally supposed to emigrate Dec. 20, a roll of red tape got in the way. Though Ziegler's visa arrived in time, the visas of his wife and children did not. As of Thursday, Jan. 15, the Zieglers, who had rented out their house were forced to move into the Briarwood Hilton until the visa situation was remedied. "They keep telling me they'll be here tomorrow but in Saudi things take longer and we've just got to be patient," Ziegler explained.

Nevertheless, he planned to head to his new home Monday or Tuesday of this week. "Caren and the kids will head over as soon as their visas arrive," he commented.

The Zieglers, natives of Chelsea for the past seven years, have been given an extensive orientation program on the customs and mores of the Saudi ways of life in relation to the life they are accustomed to. "We're

looking forward to the experience though there are a number of customs we'll have to adjust to," Ziegler said. "First, in Saudi Arabia, women are forbidden by law to drive automobiles. Also, alcohol and drugs are strictly forbidden," he continued, "But we're confident that we will be able to accept the different ways of life."

On Ziegler's job, Townsend and Bottom will be designing, building and maintaining a large-scale power plant at an industrial facility. Upon arrival, the plant will be capable of generating 50 megawatts though, within two years, the capacity will increase 10-fold to more than 500 megawatts. The system will not operate via nuclear power. Instead, Townsend and Bottom most often employ gas turbines or oil-fired power generation.

The Zieglers will be provided a home in a brand new housing development built especially for expatriates—those not of Saudi citizenship. The homes, ranging in size from two to four bedrooms, will provide expatriot families with all modern conveniences, from dishwashers to linens.

Special schools have also been constructed for the expatriates, who are forbidden to live amongst the Saudi natives. Swimming pools, tennis courts and other recreational facilities will also be made accessible.

One drawback for many persons drawing to Saudi Arabia is the lack of television. "I guess we'll learn to live without it; there aren't many American shows anyhow," Ziegler explained. Nevertheless, he did suggest that they might later consider the addition of a video recorder for entertainment.

## Great Tax Shavings!

Here's how to whittle down your 1980 Income Tax . . .

There's still time to reduce the total taxable income reported on your 1980 tax return and build for your future at the same time! Here's how—

If you're not presently covered by a qualified pension or profit-sharing plan where you work, or if you're self-employed, you are eligible to open an Individual Retirement Account (IRA) at Ann Arbor Trust which allows you to set aside each year—tax free—15% of your annual income to a maximum of \$1,500 for your future.

### Keogh Account Holders Also Eligible!

If you opened a Keogh Account at Ann Arbor Trust before December 31, 1980, and deposited less than your allowable amount, you too are eligible for great tax savings. All additional contributions to your Keogh Account made between now and April 15th may be deducted from your 1980 taxable income!

These deposits are tax deductible, which means you can reduce the total taxable income on your 1980 tax return by the amount you deposit between now and April 15th!

Your money will earn 12% interest compounded quarterly for an effective annual yield of 12.551% when you deposit at least \$1,000 for thirty months or more. Interest earned on your contribution is not taxable until you retire, when your tax bracket will probably be lower.

Accounts are insured up to \$100,000 by the Federal Deposit Insurance Corporation. You pay no fees or charges to open an Individual Retirement Account at Ann Arbor Trust.

Call or stop by Ann Arbor Trust today for complete information on how you can lower your taxes and start building for the future at the same time. Our financial advisors will be happy to meet with you and discuss the retirement savings plan best suited to your needs.

Remember . . . deposits must be made by April 15th to qualify as deductions from your 1980 taxable income!

### SEC ROUND-UP:

## Milan Squeaks Past Saline For 10th Consecutive Win

Dexter 71, Gabriel Richard 57

In a non-league encounter Tuesday night, Dexter's Dreadnaughts posted a 71-57 victory against the Fighting Irish of Gabriel Richard. The victory raised the Dexter season record to 5-4, dropping the Gabriel Richard squad to 3-6 on the year. The game was closer than the score might indicate; Gabriel Richard was down by five with three minutes left to play. But the bigger Irish players began to foul out and Dexter took over. Nevertheless the Irish's Clyde Colburn paced his squad with a game-high 27 points scored against the Dreadnaughts.

The Fighting Irish took a 12-7 lead at the end of the first quarter while the Dreadnaughts came back with a 29-20 half-time ad-

vantage. High scorer for Dexter was Rob Ianni with 21 followed by Shawn Hemingway with 14 and Chris Rutkowski with 13.

Milan 61, Pinckney 45

With the home court advantage, a stubborn Pinckney squad held on to a slight deficit against the unbeaten Milan Big Reds Tuesday night. Within reach of the lead on a number of occasions, the Pirates began to slip in the fourth quarter and Milan took up the slack to win 61-45.

Milan had a one point lead at the end of the first quarter, 10-9 but increased it to 31-25 by the half. After three periods, the Pirates had stayed within seven points, 43-36. Milan surged and outscored the hosting opponents 18-9 in the final period of play. Milan's Sam Pope led all scorers in the game with 31 points

followed by Pinckney's Mark Barrett with 19 as the second highest scorer.

The contest upped the Milan record to 9-0 while dropping Pinckney to 1-8 on the season.

Lincoln 70, Erie Mason 54

Ypsilanti Lincoln stole the show, playing every player on the team Tuesday in a non-conference bout with Erie Mason. The effort resulted in a 70-54 victory that evened the Railsplitter season record at 4-4.

Lincoln led by just two points at the end of the first quarter, 13-11, but pulled away in the second quarter to head into the locker room with a 10-point, 31-21 advantage. By the end of three quarters, Ypsilanti led 52-35 and the reserves took over, the best of whom was Steve Loechli who scored eight points and grabbed seven rebounds in just more than one quarter of game action.

Milan 65, Saline 62

Milan defeated arch-rival Saline Friday night to remain perched atop the Southeastern Conference standings in a 65-62 mistake-ridden contest.

Throwing the ball away too much, Milan allowed the Hornets to tie up the game, 60-60, with less than two minutes remaining. Milan got the ball back on a Saline turnover and called a pair of time outs before sinking the deciding basket that pushed the Big Reds into their 10th consecutive victory.

High scorers were John Marx of Saline with 24 points while Jim Phelps added 16. Top scorer for the Big Reds was John Gruden with 20 followed by three other Milan cagers in double figures.

Dexter 48, JC Western 49

Dexter was nipped and nipped good Friday night in an SEC battle with Jackson County Western. Poor shooting in the second half proved to Dexter's demise, dropping the two point lead they had carried for much of the game.

A slow game, complicated by injury, proved anticlimactic for the Dreadnaught crowd as Rob Ianni and Mark Hiser led their team with a rather unimpressive 10 points each.

Tecumseh 66, Lincoln 64

Despite a furious charge by the Lincoln Railsplitters, Tecumseh managed two free throws with less than 10 seconds remaining in the Friday night contest at Tecumseh, thereby clinching a 66-64 league win.

Fouls and other technical calls made it all but impossible for the Ypsilanti team to emerge victorious, regardless of the fact that they had come back from an earlier 10 point deficit.

Kevin Brown was high scorer for the Indians with 15 points,

## Rec. Council Plans Square Dance Class

Registrations will be taken the first night of the class, Tuesday, Jan. 20 between the hours of 7:45 and 9:30 p.m. in the South school gym and, if there is enough interest and participation, a Chelsea square dancing club will be formed.

UP IN THE AIR: Lilly Cawley of Dexter, front, attempts to spike the ball into the Chelsea zone at last week's Chelsea-Dexter volleyball match. Nevertheless, Chelsea's Laurie Green-

way keeps on her toes, blocking the shot. Chelsea won both games, 15-13 and 15-9, to continue their perfect early season record.

## Special Olympians Win Tournament

On Jan. 15, Chelsea Special Olympians went to High Point Center in Ann Arbor to take part in the Washtenaw County Basketball Tournament. Teams from Dexter, High Point and Community Mental Health Development Center also participated.

Chelsea drew CMH for the first game and easily defeated them, 28-14. The actual score was 37-14, but in Special Olympic basketball, a team is only allowed to win by 14 points to avoid embarrassing or disillusioning the opposing team.

High scorer was Tracey Harvey with 13 points, Glenn Passow 12, Dennis Czechowski four, Mike Goebel two, Terence Verge two, Ryan Sweeney three, and Mike Foster contributed two points toward the victory. Other participating cagers included

Lori Brown, Linda Alber, Clarence Weiss and Albert Bedard.

Dexter then played High Point and was defeated, 30-23. The Chelsea cagers then took on High Point in the championship game and won, 64-52; the actual score being 72-52, in Chelsea's favor.

Pacing his team was Tracey Harvey with 44 points—a career and Special Olympic record.

Others scoring were Dennis Czechowski with 16 points, Mike Goebel six, Ryan Sweeney four, and Mike Foster added a pair of points.

Chelsea will now go to an invitational Feb. 5 and will also go to the state tournament at Holland this coming March.

Coach Nancy Cooper expressed special praise for Tracey Harvey, "He played a fabulous game," she commented.

Question: My health insurance costs keep rising but benefits don't. Is there anything state government can do to control the costs?

Governor: I am pleased to report that I recently signed the Health Care Corporation Reform Act which will help control the costs of health insurance.

This legislation establishes a new approach to controlling rate increases and health care costs, sets cost containment goals and increases public representation on the Blue Cross/Blue Shield of Michigan board. The current 45-member board will be reduced to 35. Four of the 35 will be public members appointed by the Governor with the advice and consent of the Senate. Two of these persons will be retirees 62 years of age or older. A maximum of 25 percent of the board members can be provider members. The balance are to be subscriber members from small, medium and large groups representing an equal balance of labor and management representatives.

The new law identifies separate classes of health care providers (hospitals, allopathic physicians, osteopathic physicians, pharmacists) and sets three goals for each: reasonable cost, access to health care and quality health care. The law also establishes the reimbursement cost, making sure that expenditures do not exceed the average increase in the gross national product. The new law incorporates consumer information provisions, including a requirement for timely handling of subscriber complaints and that medicare recipients receive a "buyer's guide" to services.

Question: Can you please tell me how to obtain information regarding requirements and qualifications for entrance to any of the military academies?

Governor: There are several United States service academies to which you can apply. A few of the academies include the U.S. Military Academy at West Point, the U. S. Naval Academy, the U.S. Air Force, and the U.S. Marines.

Information concerning any of the academies may be secured from a high school counselor. The academies keep the counselors well informed and updated. Any high school counselor should be able to provide you with literature and applications.

There are several qualifications required by a majority of the academies. An applicant must usually have a letter of nomination from one of his or her state senators or representatives. Also, most academies require the applicant to pass a physical aptitude exam which tests athletic ability and a physical examination. High school grade point averages, SAT and ACT scores are also closely examined.

The average length of the complete application process for a service academy is a little over one year. Students, therefore, are encouraged to apply during their junior year in high school.

If you have a question for the Governor, please sent it to: "Ask the Governor," Press Section, Executive Office, Lansing 48909.

**Zieglers  
Going To  
Saudi . . .**

(Continued from page nine)

In the expatriot housing developments, the Zieglers will be in the company of only five other Townsend and Bottom employees from across the country. The additional 350 employees anticipated to work on this project will be hired from other countries such as the Philippines, India, Canada and Great Britain.

Ziegler explained this situation by pointing to the tax structure in the United States, the only major country in the world that requires citizens employed abroad to pay income tax in the United States. For employers, it is much more expensive to send American work forces than it is to hire natives or other foreign workers. The American work market is decreasing overseas, for the most part, because of this taxation policy.

"We discussed this move very carefully and I submitted my request. When it was accepted, we've been forced to make a great many changes in our way of life. Nevertheless, I intend on bringing some of that 'oil' money back home to Chelsea. This is a very exciting opportunity and I'm sure it will be a rewarding experience. Charlotte (Ziegler's three-year-old daughter) will have the biggest sand box in the world," he concluded.

**QUALITY FAMILY HOMES**

Warner Creek, a sparkling new subdivision, brings a truly high level of housing value to the Ann Arbor area. We sincerely believe we offer today's dollar-conscious home buyers more overall quality in design innovations, building materials, construction integrity, and living comfort. In fact, we didn't finish the inside of one of our model homes just so you can see and compare features that are usually hidden by finished walls or floor covering. We believe comparison will prove that you do get more home for your money at Warner Creek . . . another great development by Centennial Homes.
