"Human kind cannot bear very much reality."  
—Thomas Stearns Eliot.

**FEELIN' GOOD NEVER LOOKED SO UNCOMFORTABLE:** Brian Bock is given an EKG prior to undergoing stress testing as a prelude to the Feelin' Good program currently underway for 2nd, 5th and 7th graders in the Chelsea School District. Performing the EKG is Jon Pratt of Pontiac.

**ERIC CROMBEZ** begins his bicycle workout to measure heart rate, blood pressure and any other changes that occur during his strenuous task, as a part of the Feelin' Good program for selected Chelsea students. **Kim Clark** of Spring Arbor, looks for signs of stress limitations as related to physical exercise.

## Stress Testing Underway In Feelin' Good Program

Last Monday, Tuesday and Wednesday, Chelsea's North, South and Beach schools began phase two of the "Feelin' Good" program developed by Dr. Charles Kuntzel of Spring Arbor, designed to be a total fitness program to improve upon cardiovascular endurance, flexibility and so on.

Interested 2nd, 5th, and 7th graders were initially given blood tests last December and a random drawing was made to select

10 students from each grade level and one parent of each student chosen to participate in the program.

Last week, study subjects underwent stress testing, a bicycle endurance test to maximum endurance while breathing and heart beat were monitored. Now the intervention program, made up of physical workouts involving aerobic, continuous exercise and educational aspects, is planned to begin this week.

The "Feelin' Good" workouts will consist of four 30-minute exercise sessions per week. All data collected will be studied through University of Michigan equipment by Spring Arbor College students.

Chelsea is not alone in this research. The study and program has been running in the Jackson county schools for a number of years, with overwhelming response. And, in addition, for this study, Hillsdale schools have

also been selected. Chelsea will serve as the experimental group, receiving both testing and intervention program while the Hillsdale schools will receive only exercise and thereby serve as the control group.

This "Feelin' Good" program has been made possible through a \$481,000 grant from the Kellogg Foundation and the testing and intervention will last for a total of three years. Thereafter, all gathered data will be analyzed and any changes or effects found in subjects will be interpreted and offered in understandable result form to both participants and participant families.

**BRIAN MYERS**, technical director for the Chelsea Players' February presentation of Jack Hether's "Vanities," shares his ideas for set design with one of his associates during practices at the Knights of Columbus hall on Dexter-Chelsea Rd. last week. Since attending high school in Saline, Myers has had a great deal to do with theater, working on such productions as "Mame," "The King and I," "Fiddler on the Roof," and "Plaza Suite."

## Winter Carnival Opens Friday at Cavanaugh Lake

It's that time of year again!! Yes, the eighth annual Winter Carnival will be held this weekend at Cavanaugh Lake. The annual event, sponsored by Herbert J. McKune Post 31 American Legion, promises to be a fun-filled week-end.

The Carnival will officially be opened at 6 o'clock, Friday evening, followed by the annual euchre tournament at 7:30 p.m. John (card shark) Popovich will be in charge. Last year saw more than 100 players participating in the event. Entrance will be \$2 with many prizes awarded at the conclusion. Players need not bring a partner.

The doors will be open at 7 a.m. Saturday to accept entries for the Fishing Derby. First, second and third place prizes will be awarded for perch, panfish and pike and a new category this year specs. The \$2 entry fee must be paid before going on the lake. There will also be a youth division with prizes for perch and panfish. This event carries a 25-cent entry fee.

Cross-country skiing will begin at 1 p.m. Persons or children interested should meet at the Legion Home. The tour is in the Waterloo Recreation Area, guided by Phil Hume and lasting approximately two hours.

At 2 p.m., the Legion is pleased to announce that Jill Flintoft will again be at the keyboard. Jill's extensive repertoire will surely

please those who would like to sing along or just listen.

The annual Winter Carnival Dance will feature Chelsea's favorite, "The Gaken Band," playing on the upper deck from 9 p.m. to 1 a.m. Tickets are \$10 per couple and may be purchased in advance at Chelsea Lumber or Plerson and Riemenschneider Realtors. During the dance, the lower level will be open for snowmobilers and other outdoor enthusiasts.

Cross-country skiing will be on again at 10 a.m. Sunday. Your guide will be Bob Rohrkemper and as on Saturday, will last approximately two hours.

The Grand Finale will be the "Free Concert" on the upper deck. Featured will be the Kanten, Simms and Ruby Group, aided this year by Johnny Weber, Chris Alber, Tom Murray and John Brown. All seven are professional musicians and, if last year's performance is any indication, this year should be fantastic. The Legion encourages parents to bring their children.

Awarding of the Fishing Derby prizes at 5 p.m. will signal the end of the eighth annual Winter Carnival.

## Third Quarter Surge Provides Basketball Win

Chelsea soundly defeated the Jackson County Western Panthers at Chelsea Friday night in a game that was "played in two quarters," according to Coach Robin Raymond. The Bulldogs headed home with their second consecutive win, a 57-51 defeat of the visiting Western cagers.

Western had taken a 15-12 lead following the end of the first quarter and held a 27-22 advantage heading into the locker room at the half.

Chelsea was outrebounded in the first half, 17-9, a pair of Panthers responsible for hurting the Bulldogs on the inside. But in the second half, the Bulldogs came on strong and outrebounded their guests, 27-18.

Though Western had the momentum heading into the locker room, it was Chelsea that came back fired up and ready to go. The Bulldogs scored the first 12 points of the third quarter within three and one-half minutes. "That changed the game around," explained Raymond, "we controlled the rest of the game."

Bulldogs Riemenschneider, Dils, Tobin and Price got into foul trouble late in the third quarter and were benched. Second string Bulldogs took to the court to increase their team lead by two points in the quarter.

Chelsea's intensity in the second half proved to be the key to

their successful outing on the court but, with one and one-half minutes left in the game, Western tied up the score, 47-47.

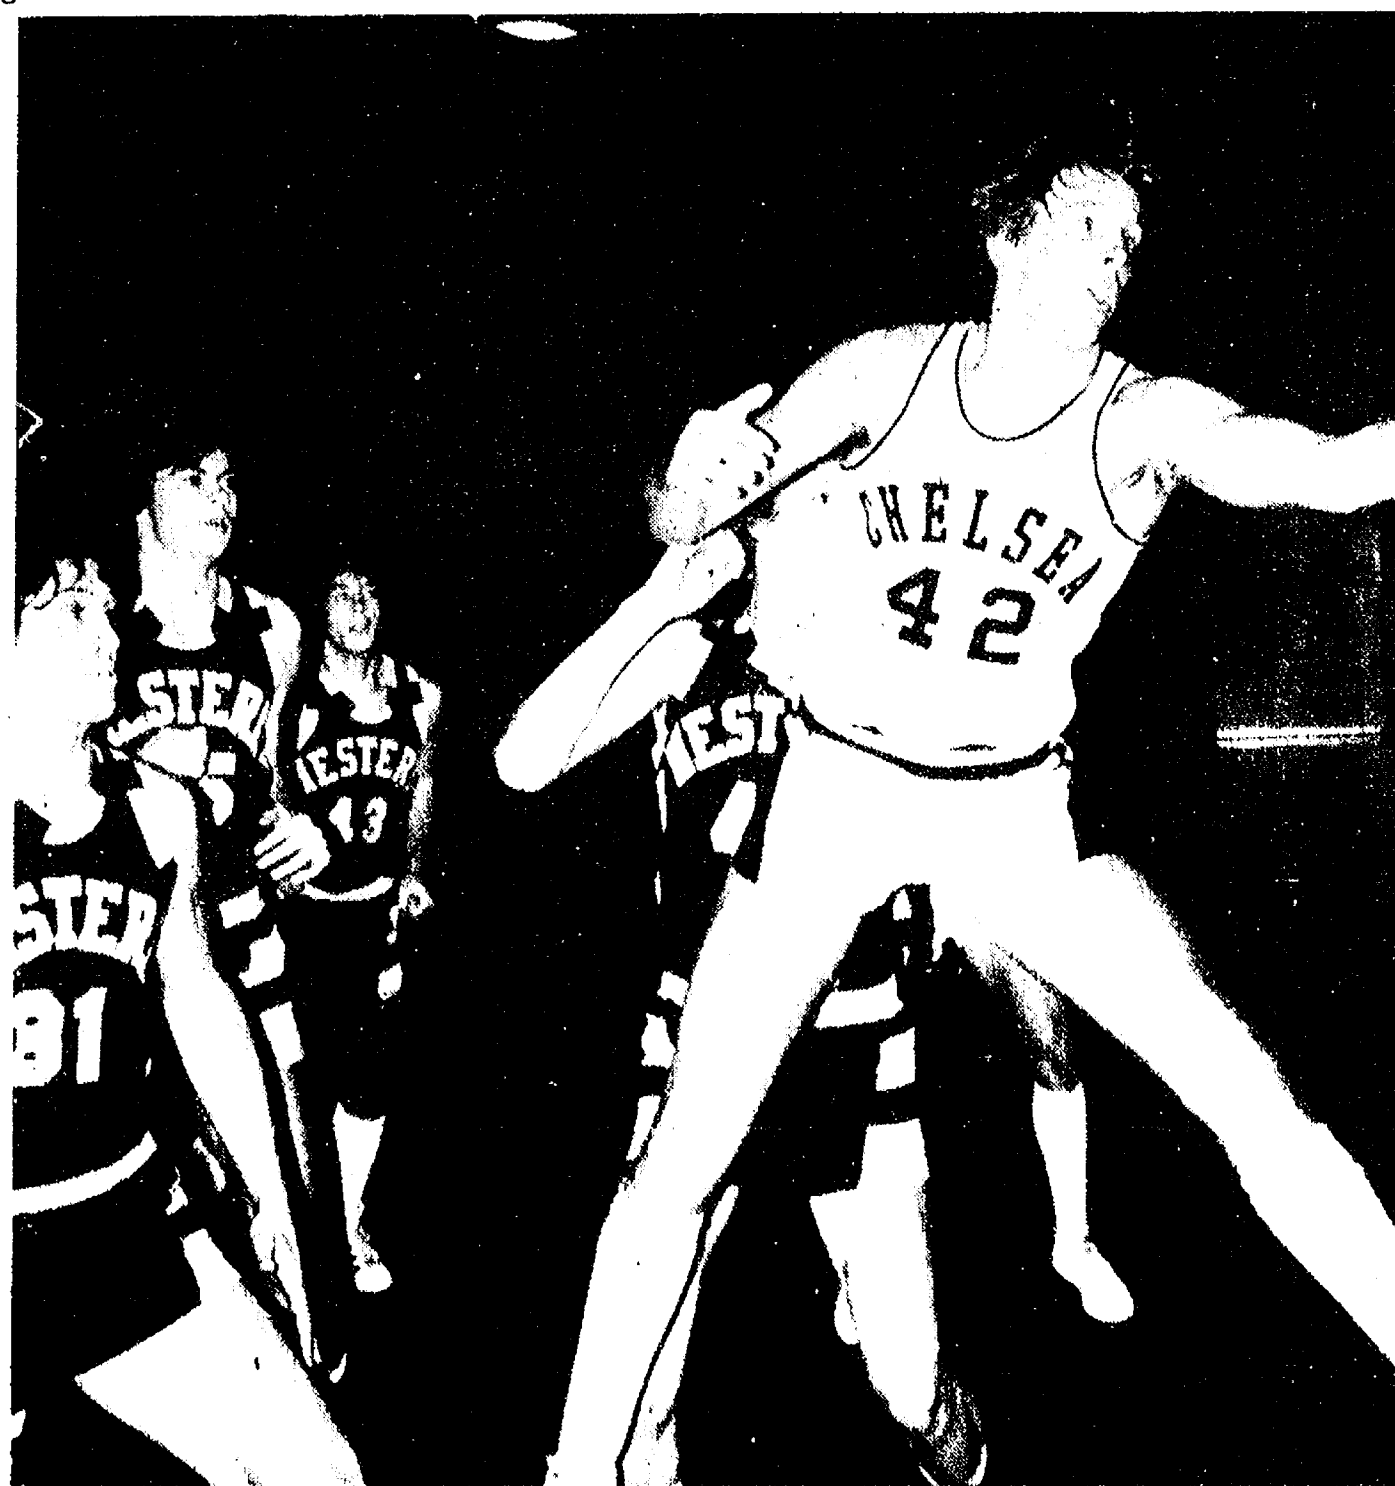

Then Jon Riemenschneider sunk a free throw to give Chelsea the advantage, 48-47; Toby Boyd made two free throws as did Western. The score was 50-49.

But Western took a shot and missed; the rebound was grabbed and Jon Riemenschneider raced to his basket for an uncontested lay-up to jump the Chelsea lead to 52-49 with a minute left. He was fouled again and successfully added two additional free throws. That meant Chelsea had connected on six consecutive free throws, a real factor in the game's outcome.

The sweet Chelsea victory meant that the Bulldogs were tied for second place in the conference with Western, both sporting 4-3 records as of Friday night. "It was our most consistent game of the season," commented an obviously pleased Coach Raymond. "Our defense in the second half was exceptional as was our intensity. I just don't know what I said during intermission that made them come back so strong."

Pacing his team with his best performance of the year was Riemenschneider with 17 points and 12 rebounds. Dils was the only other Chelsea cager in double figures with 14.

(Continued on page six)

**OPPONENTS IMMOBILE**, Chelsea's Jon Riemenschneider (42) reaches for the ball in hopes of being able to add a pair of points to Chelsea's winning score in Friday night's contest with the Jackson County Western Panthers at Chelsea.

## Debaters Qualify for State Tourney

Chelsea High school's varsity debaters headed to Marshall Thursday, Jan. 15 for the District Debate Tournament, facing 12 additional teams in hopes of emerging as one of six teams qualifying for the State Debate Tournament next month.

Chelsea debaters, under coach Albert Anderson, finished third over-all and will next debate at the State Tournament at the Southfield Sheraton Hotel, Feb. 5, 6 and 7. On the affirmative were Brian Koepele and Theresa Merkel while negative debaters were Sara Merkel and Celeste Arbogast. Time-keeper for the team was David Moore.

### Push Is On for Property Tax Reform

Anticipating yet another petition drive to get a property tax cutting constitutional amendment back before the voters, Governor William G. Milliken and legislative leaders have wasted no time listing property tax reform as a top priority for the 1981 legislative session.

State government narrowly missed having the voters reduce property taxes 50 percent at the last general election. Such voter approval would have crippled state government's ability to provide basic human services.

Voters gave governmental leaders "one more chance" to do something about the spiraling property taxes with the defeat of the proposed constitutional amendment.

However, taxpayers will be closely watching governmental leaders and if they return to "business as usual" in Lansing, voters will probably reverse that decision in November, 1982.

The property tax reform question is so important that Milliken decided to give a "reform" proposal special coverage and made his plan public two days before his all-encompassing State of the State address.

A \$785 million homestead tax reduction proposal, which includes a \$250 million reduction in state and local spending, was unveiled by the governor and he called upon the legislature to approve a special state-wide election on June 8, to present the tax proposal only to the voters.

The proposal includes a sales tax increase of one percent, a provision that will replace \$335 million of the \$785 million cut in property taxes.

The \$250 million not made up would be absorbed by \$125 million in spending cuts by the state and \$125 million in cuts by various local units of government.

Under the governor's proposal, the average Michigan household would see a cut in property tax bills of \$335 in 1981, but would pay

about \$135 more in sales taxes, producing a net tax savings of about \$200 per household.

The governor and his aides said they hope the net tax cut will help to both pass the proposal and to defuse any further moves for a massive tax cut plan as has been before voters in both the 1978 and 1980 elections.

The Milliken proposal would include home property tax reduction of 35 percent, beginning with the July bills, up to a maximum of \$1,400. Senior citizens would get a complete exemption on the first \$1,400 of property taxes to be adjusted annually for inflation.

Renters would be able to credit 25 percent of their rent as property taxes, instead of the current 17 percent.

The state would reimburse local units for 89 percent of the revenue lost from direct property tax cuts, reflecting the \$125 million in spending cuts to be absorbed by those units.

At a special election, voters would decide only on a constitutional amendment to increase the sales tax and earmark lottery revenues to education. The other provisions would be contained in separate bills which would only take effect upon approval of the amendment.

Officials said all the bills and the constitutional amendment must be approved by the legislature by April 1, in order to have the special election on June 8. That date is necessary to have the reduction affect the July tax bills.

Meanwhile, legislative leaders, during the opening sessions of the 81st Legislature, also listed property tax reform as their top priority. They generally seemed to be in agreement with the Milliken proposal and called for early action.

The Employment Act of 1946 committed the government to take all practicable measures to promote maximum employment, production and purchasing power according to "Important Events In American Labor History," a publication of the U. S. Department of Labor.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ed Doolittle is allus saying that the only way to make sure crime don't pay in this country is to let the Government run it. During the session at the country store Saturday night he offered more exhibits for the persecution. Ed was of a mind that the more Government tries to help the more it hurts, and it's gitting as hazardous to our health as it is to our pocketbooks.

Fer instant, Ed reported where the country is paying dear fer what gas we're saving with the right-turn-on-red law since the Federal Government felt obliged to force it on the states. Just a few states had this law until Congress blackmailed the rest of em by refusing money fer energy saving programs if they didn't go along. Now Ed had saw where accidents at intersections has shot up 20 percent over the last three year, and there's a even bigger increase in injury to folks trying to walk across the street. Back when the Feds got in the right-turn act, Ed said, they perdicted the change in accidents would be "relatively insignificant," and now a heap of them insignificant relatives are hurt or worst.

Farthermore, Ed went on, ever time "the Government" tries to push safety on the highway they turn up a new danger. There's the chemics car makers have to put on seats to prevent fire. Ed had a clipping that showed where a researcher at Florida State University has found that the longer a feller sets on these seats the less chancet he's got of having children. The flame retarder the law requires may lower the danger of babies being burned on car seats by cutting the number of babies, Ed allowed, but he doubted that was the intent of the law.

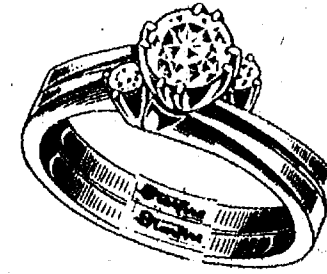

Speaking of road safety, Zeke Grubb joined in to report where all big city buses built to Government plans had been called in fer inspections. Zeke said "General Motors and another company got contracts fer extra long buses to save fuel, but it turns out at the risk of the riders. Meanwhile, Zeke went on, a company in West Germany builds buses that do all the Government designed buses do, and safely. The German company is putting up a bus factory in North Carolina, and it already has orders from American cities

fer all it can turn out in the next three year. The German buses have been running over the same potholes that the American bus builders say has been causing their buses to break down. Zeke was agreed with Ed that it looks like another case of too many cooks spoiling the pot, and that Government ought to git out of the kitchen.

General speaking, Ed's evidence was pleasing to the court. Bug Hookum said it was no wonder to him. He had saw where Government not only tries to fix everthing by calling in outside consultants, it pays the consultants to investigate theirselves when their plans don't work. We spend \$2 billion a year fer outside advice, Bug said, and another \$40 million fer the same experts to tell us why we ought not to take it. Fer sure, Bug said, a horse designed by that kind of Government is going to come out like a three-legged camel.

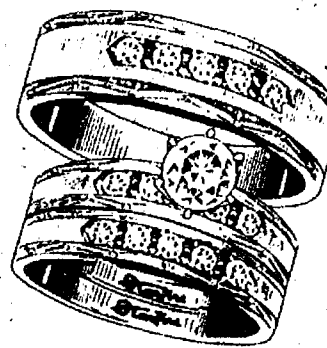

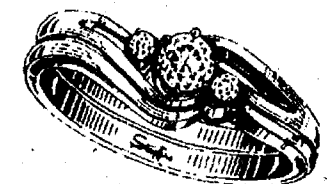

Yours truly,  
Uncle Lew.

# JV Cagers Run Into Bad Luck

Chelsea's JV cagers have had a run in with bad luck, losing their last three contests, beginning Saturday, Jan. 10 against Ypsilanti Lincoln.

The Bulldogs bowed to the Rallsplitters, 35-42, playing well except for cold shooting from the floor; 17 percent in the second half and 22 percent as the game average.

Chelsea took the lead at the end of the first quarter, 14-4, but slipped to 20-22 by half-time. Their downturn continued through the remainder of the game, never outscoring their opponents.

The loss dropped Chelsea to 2-5 over-all and 2-4 in the SEC. Nevertheless, there were a number of bright spots in the contest including Carl Pate's game-high 13 points and year-high 15 rebounds.

Other scorers for the Bulldogs were Doug Pagliarini with eight points and four rebounds while Matt Villeneuve connected for six points and three rebounds. Frank Waller had four points, three rebounds, and Matt McCallum added one point and grabbed five rebounds.

Chelsea outrebounded the Lincoln cagers, 38-31, made eight steals, nine assists and had fewer fouls, but were still unable to connect with the net on enough occasions to clinch a victory.

Against Howell's Highlanders, the Bulldogs were again unable to walk away with a win, dropping the game, 39-55, Tuesday, Jan. 13.

According to Coach Jon Schaffner, "We didn't play all that bad

though the defense let down a little." Nevertheless, height was a definite hindrance, each front line Howell cager was at least three inches taller than his Chelsea counterpart.

Chelsea dropped to 18-34 at the half and with the second half, things just got more gloomy and defeat was imminent.

Scoring for the JV Bulldogs was evenly spread across the team with high scorer being Villeneuve with nine points followed by McCallum with eight, Mark Brosnan with seven, Carl Pate and Frank Waller with six apiece and Dave Mann two.

Chelsea did manage to outrebound the Highlanders, 28-24. Leading rebounder for the Bulldogs was Carl Pate with eight.

The loss dropped the JV Chelsea cagers to 2-6 on the year and in hopes of upping their record, the squad took on the Titans of Jackson Lumen Christi Friday night. As their worst effort of the year, the Chelsea cagers were buried, 28-63.

"We just stood around with no movement whatsoever. We were poor, especially our offensive movement and our defense was definitely lacking," explained an irritated Coach Schaffner.

Little needs to be said of the game. Chelsea was down, 3-21, at the end of the first quarter and by the game's end, Chelsea was only 6 for 31 from the floor. High scorer was Doug Pagliarini with seven while top rebounder was Dave Mann with eight grabs to his credit.

**BOWLING FOR DOLLARS** IT'S NOT, but cash prizes weren't what these young sports enthusiasts were looking for as they spent the day at Chelsea Lanes last week. Students of the Chelsea Co-op Nursery who participated in the day of skill

polishing were, left to right, Billy Hunawill, Jon Clark, Sherry Jones, Edwin Greenleaf, III, Brian LaRoe, Tony Trotter, Valerie Engle, Nicole White, Toby Corkern and John Bobo.

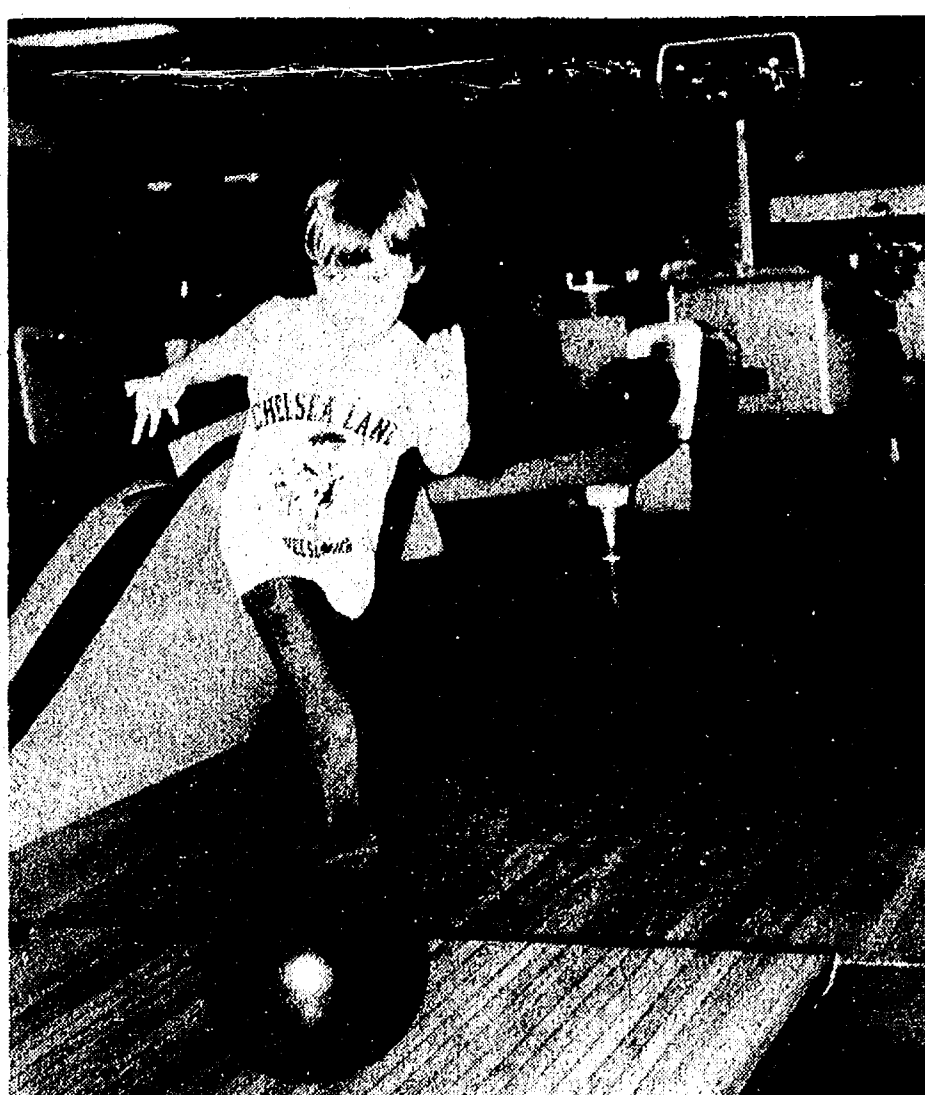

## Conservation Teacher of the Year Sought

Nominations are being accepted for the seventh national "Conservation Teacher of the Year" awards program according to William Fishbeck, chairman of the Washtenaw County Soil Conservation District. The competition is open to all full-time teachers working at the kindergarten through high school level who have developed an outstanding program of environmental education.

The National Conservation Teacher of the Year will receive \$1,000 in cash and an expense paid trip to Phoenix, Ariz., for the 1982 annual convention of the National Association of Conservation Districts. The national second-place winner receives a \$500 cash award and the first-place regional winner will be given \$200.

Co-sponsored by NACD and the Allis Chalmers Corp., purpose of the awards program is to encourage the development of creative learning experiences in conservation for young people. "Any teacher in public or private school in our conservation district who puts emphasis on environmental conservation as a regular part of the instructional program is eligible for nomination," said Fishbeck.

Interested teachers may obtain additional information and nomination forms from the Washtenaw County Soil Conservation District, 6101 Jackson Rd., Ann Arbor 48103, phone (313) 761-6721.

**KING PIN EDWIN GREENLEAF, III**, showed off his form last week at Chelsea Lanes while his classmates from Chelsea Co-op Nursery looked on in awe. The ball might have been heavy, but its position on the lane and Edwin's slick style should afford him a strike.

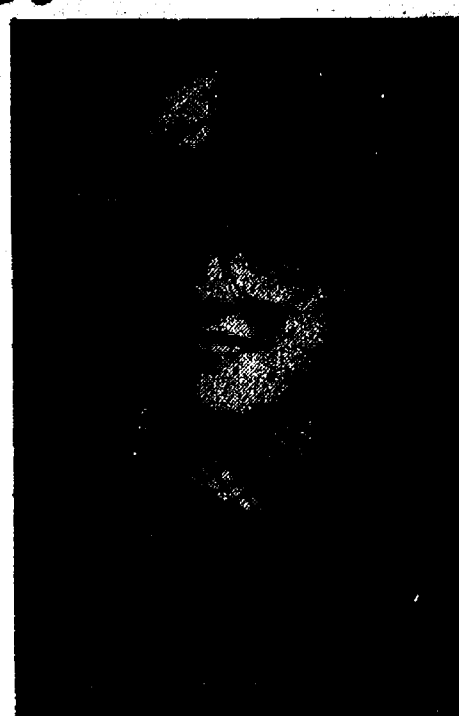

# The Chelsea Standard, Thursday, January 29, 1981 .5 Psychology Award

This month Mary Boylan, a senior at Chelsea High school, has been selected by her class to be presented with the psychology award. She was selected as the award recipient because of her participation in class, her high grades, her willingness to do extra research and especially for her interesting input in class discussions.

Mary is a member of the Outdoor Club and the Art Club. She is the president of the Key Club and was a tri-captain of the 1980 girls basketball team. She is very interested in art and does a great deal of cross country skiing.

When asked about the psychology class, she said, "It (the class) is totally worth it. I enjoy it a lot!" Mary said she also enjoyed the trip to Ypsi State Hospital very much.

She is the daughter of Mr. and Mrs. Keith Boylan of Park St.

## Eighth Grade Cagers Divide Pair of Games

Chelsea's eighth grade cagers were on an upswing last week, losing one game and countering that loss with a subsequent win. Tuesday, the Bulldogs bowed to Dexter, 32-23 but Thursday, against the Big Reds of Milan, the Chelsea squad emerged victorious 34-30.

Against Dexter, Chelsea's lack of hustle and aggression proved to be their downfall as well as their poor shooting percentages from both the floor and free throw line.

Leading scorers in that league battle were Eric Schaffner with nine points followed by Rob Long with five and Scott Miller and Dan Kimbler with four apiece.

But Thursday, the Beach cagers were back in form, playing their best game since before the Christmas holiday. Their

shooting percentages were a factor in the victory as a comparison to Tuesday's game evidences.

Scoring for the Bulldogs were Eric Schaffner with 16 points. Dan Kimbler had eight while Scott Miller sunk six. Ackley and Neibauer contributed a pair of points to the Bulldog effort.

Rebounding for the Chelsea squad was Schaffner with 11, Neibauer with nine, Long seven, Miller six and Kimbler with five.

"We were aggressive and pressed Milan all night," commented Coach Jim Tallman. "We did a good job."

This week, the eighth grade Bulldogs take on two of their most difficult league opponents, Saline and Tecumseh. If they keep the form, Coach Tallman anticipates a pair of good, aggressive games.

## Cagers of the Week

**SENIOR MARK STEINAWAY** is currently playing his second year on the varsity basketball team. As a forward, Mark has greatly improved his game during the last two seasons and according to Coach Robin Raymond, "He's a hard worker at practice." In addition to basketball, Mark is also a member of the Chelsea golf team.

**JUNIOR TOBY BOYD** is playing his first year on the varsity cage team. As a center, Toby is a good jumper with quickness on the inside. His outside shooting ability has also developed within the last year. According to Coach Raymond, "Toby played very well against Saline, scoring 12 points and grabbing six rebounds." In the off-season, Toby is a member of Chelsea's track and cross country teams.

## Varsity Basketball

(Continued from page one)  
Others scoring for the Bulldogs were Tobin and Wojcicki with ten points apiece while Toby had six, Jeff Price four and Dan Welton two.

Rebounding leaders for the Bulldogs were Riemenschneider with 12 and Price and Boyd with eight apiece. Toby Boyd, playing off the bench did a very nice job for his team, connecting for six points and grabbing his eight rebounds.

Turnover-wise, Chelsea had 18 while Western committed 24 and Chelsea had 37 rebounds to Western's 36.

Shooting percentages for the two teams were nothing to write home about, Chelsea connecting for 22 of 55 possibilities while Western made 18 of 54. Chelsea's free throw shooting left something to be desired as well, hitting 55 percent or 13 of 23 as opposed to their season average of 66 percent.

Chelsea's next two encounters will be Friday and Saturday

against Tecumseh at home and Milan away, respectively.

## School Meals Reimbursement Subsidy Reduced

U. S. Department of Agriculture has reduced the federal reimbursement rate for school meals and made other changes and regulations to comply with a directive from Congress to cut child nutrition program costs.

The USDA cut by 2 1/2 cents the federal subsidy for all school meals. The Department of Agriculture said most schools that participate in the federal school lunch program now get 18.5 cents for all lunches they serve, and will get 16 cents under the reconciliation cut.

The Chelsea schools participating in this program will have a 2.5 cent per meal subsidy reduction effective January, 1981. Prices of the meals remain the same for students.

## Fire Dept. Responds to Three Calls

The Chelsea Fire Department was sent on a total of three calls last week, two on Thursday and one on Friday.

Thursday, Chelsea fire fighters were summoned to the Speedway gas station twice. First, at approximately 1 a.m., the fire department was called to extinguish a fire on the premises. Later in the day, at approximately 1 p.m., a tank malfunction and the subsequent spewing of 38 gallons of diesel fuel required the fire department's assistance in washing down the immediate area in the vicinity of the diesel fuel pump.

On Friday afternoon, Chelsea firemen were notified of a request for a rescue team on McKinley St. and subsequently answered the call.

## Softball Coaching Workshop Session Slated At EMU

The art, theory and practice of coaching fast-pitch softball is the topic of an upcoming Eastern Michigan University workshop to be held March 8 from 8 a.m. to 4 p.m. at Bowen Field House.

The EMU softball workshop will feature an intense day of instruction by a faculty of seven professional coaches. Members of the workshop faculty will include Bill Wescott, head softball coach at Chelsea High school and coach of both state and regional championship softball teams.

Special sessions of the EMU softball workshop will focus on catching, pitching, outfield drills, bunting and the high school coach's responsibilities for recruiting. A panel discussion will feature a question and answer period devoted to the psychology of the game.

The registration fee for the EMU workshop is \$20, less 10 percent if two or more persons from the same organization participate. For more information or for registration, contact Patrick Barley, Jr. in the Division of Continuing Education at EMU by calling 487-0312.

## Varsity Cagers Down Pinckney

Chelsea's varsity cagers traveled to Pinckney Tuesday night to meet the Pirates in non-league play. After a trio of disappointing losses within two weeks, Chelsea headed home more confident with a 75-71 victory.

The two teams played evenly during the first quarter to tie at 17-all as they headed into the second. By half-time, the Bulldogs were ahead, 33-27.

Playing strongly in the second half, Chelsea pulled ahead by 20 points with two minutes remaining in the third stanza. Using new defensive form, the half-court trap, Chelsea was successful in forcing and converting a number of Pinckney turnovers. Nevertheless, Chelsea's lead faded as they headed into the final period of play; Pinckney was down by 11, 55-44.

The Pirates were strong in the last quarter, slowly but surely whittling away at the Bulldog advantage, tying the game at 68-all with about a minute and a half remaining on the clock. Nevertheless, Mark Steinaway made a 15-foot jump shot followed by three free throws successfully executed by Jeff Dils to pull the Chelsea cagers ahead for good. Chelsea had a 73-71 advantage and Jeff Price let one go with five seconds remaining to solidify the Chelsea victory.

The Bulldogs played well in spurts, evenly at first, strong in the second and third quarters and weaker in the final stanza. Nonetheless, they played well late, after having let down their guard following their second period scoring spree and resulting 20-point advantage.

Chelsea connected for 29 of 60 attempted shots for 49 percent while their opponents were good for 28 of 66.

From the free throw line, Chelsea added 17 of 23 potential points for 74 percent; Pinckney had a 48 percent average, completing 15 of 31 tries.

The Pirates led in rebounds, 43-33. Top rebounders for the Bulldogs were Dils with nine, Tobin grabbed eight and Riemenschneider pulled down six.

Turnovers found the Bulldogs exceeding their goal of 20 or fewer, ending the game with 27 as compared to Pinckney's 23.

For the first time this year, Chelsea ended the game with four players in double scoring figures. Pacing the team was Dils with 20 while Riemenschneider added 14, Price 12, and Tobin 11. Others scoring were Wojcicki with eight, Steinaway with four and

Sprague, Boyd and Peterson contributing a pair each.

The recent flu outbreak has taken its toll on the Chelsea Bulldogs and, no doubt, contributed to their three consecutive losses prior to the Pinckney game. But Chelsea, now in the second half of the season, is determined to be a contender for second place in the SEC by concentrating on a number of basic improvements.

First, the Chelsea cagers would like to cut their forced turnover rate to 20 or fewer per game and secondly, the team would like to improve on their inside defense. Finally, Coach Robin Raymond hopes that his Bulldogs will improve on their rebounding ability.

With the Tuesday night victory, Chelsea heads into a three-game SEC series against Western, Milan and Tecumseh. The Tuesday win gave the Bulldogs a 4-6 over-all record while they remain at 3-3 in the league, tied for third place with Tecumseh.

## PTS Offers Discussion on Child Abuse

Child abuse, what do you know about it?

On Wednesday, Jan. 28 at 7:30 p.m., Marilyn Board from Washtenaw County Social Services—Children's Protective Services will be guest speaker at the PTS open meeting on child abuse to be held in the South school cafeteria.

She will present a short slide show and provide those in attendance with general information in regards to this important subject and how it affects residents of Washtenaw county. In addition, any questions raised will be answered to the best of her ability. She will ask for audience opinions and viewpoints, discussing both child abuse laws and available help for the abused child.

Refreshments will be served and babysitting will be provided. Chelsea residents are encouraged to attend this informative meeting.

## Chelsea Defeats Western To Clinch Second-Place Tie

Lincoln 65,  
Gabriel Richard 76

Lincoln became easy prey for Detroit's Gabriel Richard Tuesday night. Even for a team with a 22 record, Richard outdid the Rallsplitters in everything they did and headed back to the city with a 76-65 victory.

The Irish controlled much of the first half and headed into the locker room with a 36-24 lead. But, with the onset of the third period, Lincoln came out and made 10 easy points to prove that the game was not yet decided. Nevertheless, the Irish followed with a free throw to up their lead to three and eventually outscored the Rallsplitters, 14-6, for a 51-41 advantage as the teams entered the final stanza.

Outrebounding and outshooting from the free throw line, Richard did away with the Lincoln squad. High scorer for Lincoln was Doug Phillips with 23 while Richard was paced by Rex Stanczyk.

Milan 55,  
Carleton Airport 61

Milan was brought down to earth Tuesday following their first season defeat, 55-61, at the hands of Carleton Airport. Their hopes of a perfect season were eliminated following this non-conference disappointment.

Milan stuck close behind the Jets during the first quarter, the Jets suffering from a cold shooting touch. But, heading into the second quarter, the Jets moved ahead and Milan never got too close.

Both teams shot 60 percent from the free throw line while

Airport outshot the Big Reds 53-50 from the floor.

Rob Cranson of Milan led all scorers with 20 points. Following their guest appearance at Carleton, Milan dropped to 10-1 over-all; Airport's record is the same.

Chelsea 75,  
Pinckney 71

Coming back from a three-game losing streak, the Chelsea Bulldogs held on to the Pinckney Pirates Tuesday night to clinch a 75-71 victory, ignoring the fact that the Pirates came back from a 20-point deficit.

The game had been tied at 71-all with just more than a minute left in regulation time but Jeff Dils sunk a pair of free throws and Jeff Price scored off a rebound with just seconds remaining.

Pinckney's Mark Barrett led all scorers with 30 points while Jeff Dils was on top of four Bulldogs in double figures with 20.

Saline 40,  
Monroe CC 45

The visiting Saline Hornets bowed to the Chargers of Monroe Catholic Central Tuesday night, disregarding a valiant comeback attempt.

The Hornets were down, 25-11, at the half and hustled through the third quarter to up their tally by 18. But, a strong Monroe defense, led by high scorer Eric Baumann with 18 points, held on to sting the Hornets in a non-league battle.

John Marx led all Saline scorers with 15.

Lincoln 64, Dexter 62

Hosting the Lincoln Rallsplitters Friday night, Dexter bowed to its guests in over-time, 64-62, tying both teams at 4-3 in the Southeastern Conference in a race for third place.

Lincoln had the lead throughout the game until the last quarter when Dexter managed to tie up the contest. But in the three-minute over-time, Lincoln's Dave Stasiak pulled the Rallsplitters ahead 62-60. This was countered by Dreadnaught Shawn Hemingway, his team's leading scorer with 20 points. This course of events was reciprocated again until, with just eight seconds remaining, Rallsplitter Doug Phillips, with 23 points on the evening, clinched the Lincoln win.

Milan 47,  
Tecumseh 44

The Big Reds continued their perfect league showing with their seventh SEC victory this season at the hands of the Tecumseh Indians Friday night. Disregarding the fact that Milan was down by as many as 12 points in the first half, the second half demonstrated a full court press that eventually showed the hosting Indians who was boss.

Turnovers and fouls found the Big Reds trailing all night but with just over two minutes remaining, Milan pulled ahead by one, 40-39, and continued to widen the spread. Tecumseh came back but to no avail. Rob Cranson led the Milan team with 12 points, while Kevin Brown and Ron Smith paced the Indians with eight points apiece.

Chelsea 57,  
J.C. Western 51

The Chelsea Bulldogs, winning their second game in a row, were wrapped up in a half and half game against Jackson County Western Friday night. Half and half in that Western dominated in the first half and Chelsea was in complete control in the second, running up the first 12 points of the third quarter to clinch a tie for second place in the Southeastern Conference. Jon Riemenschneider paced the Bulldogs in both points and

## Charm School For Girls Starts Jan. 27

Beginning Tuesday, Jan. 27, Chelsea Community Education will offer a charm school for girls ages 10 to 20. Specifically designed for teenage girls, the class will cover a broad spectrum of basics including skin care, hairstyles, make-up application, good grooming, wardrobe choices, modelling and proper posture as well as social etiquette, personality development and proper speech.

Meeting on Tuesday evenings from 7:30 p.m. to 9 p.m., the course entrance fee is \$14 and will be taught by Rita Wilson-Howard, a modelling instructor, actress and former Miss Tennessee. This charm school is designed to assist in the development of self-confidence through the student's realization that she has a right to be all she possibly can be.

## Manchester Man Completes Air Force Non-Com Officer Course

Senior Master Sgt. Ray F. Kemner, son of Mr. and Mrs. Ernest Kemner of 315 S. Malcom St., Manchester, has graduated from the nine-week U. S. Air Force Senior Non-commissioned Officer Academy at Gunter Air Force Station, Ala.

Graduates of the Air Force's highest professional military school for non-commissioned officers studied advanced management techniques, communications skills and behavioral science.

rebounds, tallying 17 and 12 respectively. But, the Bulldog comeback nearly failed when Riemenschneider, Dils, Price and Tobin ran into foul trouble.

Western kept up with Chelsea until one and one-half minutes were left on the clock. A Panther slip put Chelsea up by four and sent the Bulldogs home with their second defeat of the Western cagers this season.

Jeff Dils was the other Bulldog in double figures with 14 points and seven assists to his credit.

## Swimmers of the Week

JUNIORS DAVE MASON, Paul Schumann and freshman Darrin Fowler, in a week when Chelsea won two meets but didn't swim very well, turned in some very fine performances. Mason, top, turned in the second fastest 500 free time in the history of Chelsea swimming and qualified for the state meet in that event. He also had a part in breaking three pool records in the Lincoln pool. Dave has qualified for the state meet on both relays, 200 IM, 100 fly, 100 back and the 500 free. Schumann, center, set two personal bests this week with times of 2:02.7 in the 200 free and :56.8 in the 100 free. He was also on the record-setting

free relay with Mason and won the 200 free again. Lincoln. Schumann will almost assuredly qualify for the state meet this year as an alternate on the free relay. Fowler, bottom, is a freshman who just started swimming last year and was a breaststroke specialist. He has turned out to be one of the surprises of the team with his outstanding improvements in the distance free event. This past week, Darrin had best times of 2:20.4 in the 200 free and 6:28.2 in the 500 free. He is a swimmer the team will be counting on to continue to improve during the course of the year.

## HEALTHSTYLE

### Self Test

#### Before You Take the Test

This is not a pass-fail test. Its purpose is simply to tell you how well you are doing to stay healthy. The behaviors covered in the test are recommended for most Americans. Some of them may not apply to persons with certain chronic diseases or handicaps. Such persons may require special instructions from their physician or other health professional.

You will find that the test has six sections: smoking, alcohol and fitness, stress control, and safety. Complete one section at a time by circling the number corresponding to the answer that best describes your behavior (2, 3 or 4 for "Almost Always", 1 for "Sometimes", and 0 for "Almost Never"). Then add the numbers you have circled to determine your score for that section. Write the score on the line provided at the end of each section. The highest score you can get for each section is 10.

#### A Test for Better Health

##### Cigarette Smoking

If you never smoke, enter a score of 10 for this section and go to the next section on Alcohol and Drugs.

1. I avoid smoking cigarettes. 2 1 0
2. I smoke only low tar and nicotine cigarettes or I smoke a pipe or cigars. 2 1 0

Smoking Score: \_\_\_\_\_

##### Alcohol and Drugs

1. I avoid drinking alcoholic beverages or I drink no more than 1 or 2 drinks a day. 4 1 0
2. I avoid using alcohol or other drugs (especially illegal drugs) as a way of handling stressful situations or the problems in my life. 2 1 0
3. I am careful not to drink alcohol when taking certain medicines (for example, medicine for sleeping, pain, colds, and allergies). 2 1 0
4. I read and follow the label directions when using prescribed and over-the-counter drugs. 2 1 0

Alcohol and Drugs Score: \_\_\_\_\_

##### Eating Habits

1. I eat a variety of foods each day, such as fruits and vegetables, whole grain breads and cereals, lean meats, dairy products, dry peas and beans, and nuts and seeds. 4 1 0
2. I limit the amount of fat, saturated fat, and cholesterol I eat (including fat on meats, eggs, butter, cream, shortenings, and organ meats such as liver). 2 1 0
3. I limit the amount of salt I eat by cooking with only small amounts, not adding salt at the table, and avoiding salty snacks. 2 1 0
4. I avoid eating too much sugar (especially frequent snacks of sticky candy or soft drinks). 2 1 0

Eating Habits Score: \_\_\_\_\_

##### Exercise/Fitness

1. I maintain a desired weight, avoiding overweight and underweight. 3 1 0
2. I do vigorous exercises for 15-30 minutes at least 3 times a week (examples include running, swimming, brisk walking). 3 1 0
3. I do exercises that enhance my muscle tone for 15-30 minutes at least 3 times a week (examples include yoga and calisthenics). 2 1 0
4. I use part of my leisure time participating in individual, family, or team activities that increase my level of fitness (such as gardening, bowling, golf, and baseball). 2 1 0

Exercise/Fitness Score: \_\_\_\_\_

##### Stress

1. I have a job or do other work that I enjoy. 2 1 0
2. I find it easy to relax and express my feelings freely. 2 1 0
3. I recognize early, and prepare for, events or situations likely to be stressful for me. 2 1 0
4. I have close friends, relatives, or others whom I can talk to about personal matters and call on for help when needed. 2 1 0

Stress Score: \_\_\_\_\_

##### Safety

1. I wear a seat belt while riding in a car. 2 1 0
2. I avoid driving while under the influence of alcohol and other drugs. 2 1 0
3. I obey traffic rules and the speed limit when driving. 2 1 0
4. I am careful when using potentially harmful products or substances (such as household cleaners, poisons, or electrical devices). 2 1 0
5. I avoid smoking in bed. 2 1 0

Safety Score: \_\_\_\_\_

##### Your HEALTHSTYLE Scores

After you have figured your scores for each of the six sections, circle the number in each column that matches your score for that section of the test.

Cigarette Smoking	Alcohol and Drugs	Eating Habits	Exercise/Fitness	Stress	Safety
10	10	10	10	10	10
9	9	9	9	9	9
8	8	8	8	8	8
7	7	7	7	7	7
6	6	6	6	6	6
5	5	5	5	5	5
4	4	4	4	4	4
3	3	3	3	3	3
2	2	2	2	2	2
1	1	1	1	1	1
0	0	0	0	0	0

Remember, there is no total score for this test. Consider each section separately. You are trying to identify aspects of your lifestyle that you can improve in order to be healthier and reduce the risk of illness. So let's see what your scores reveal:

#### What Your Scores Mean to You

**Scores 9 and 10**  
Excellent! Your answers show that you are aware of the importance of this area to your health. More importantly, you are putting your knowledge to work for you by practicing good health habits. As long as you continue to do so, this area should not pose a serious health risk. It's likely that you are setting an example for your family and friends to follow. Since you got a very high score on this part of the test, you may want to consider other areas where your scores indicate room for improvement.

**Scores 8 to 8**  
Your health practices in this area are good, but there is room for improvement. Look again at the item you answered with a "Sometimes" or "Almost Never." What changes can you make to improve your score? Even a small change can often help you achieve better health.

**Scores of 3 to 5**  
Your health risks are showing! Would you like more information about the risks you are facing and about why it is important for you to change these behaviors? Perhaps you need help in deciding how to successfully make the changes necessary in either case. Help is available. See the last page of this booklet.

**Scores of 0 to 2**  
Obviously, you were concerned enough about your health to take the test, but your answers show that you may be taking serious and unnecessary risks with your health. Perhaps you are not aware of the risks and what to do about them. You can easily get the information and help you need to improve, if you wish. A source of contact appears on the last page. The next step is up to you.

#### You Can Start Right Now

In the test you just completed were numerous suggestions to help you reduce your risk of disease and premature death. Here are some of the most significant:

**Avoid cigarettes.** Cigarette smoking is the single most important preventable cause of illness and early death. It is especially risky for pregnant women and their unborn babies. Persons who stop smoking reduce their risk of getting heart disease and cancer. So if you're a cigarette smoker, think twice about lighting that next cigarette. If you choose to continue smoking, try decreasing the number of cigarettes you smoke and switching to a low tar and nicotine brand.

**Follow sensible drinking habits.** Alcohol produces changes in mood and behavior. Most people who drink are able to control their intake of alcohol and to avoid undesired, and often harmful, effects. Heavy regular use of alcohol can lead to cirrhosis of the liver, a leading cause of death. Also, statistics clearly show that mixing drinking and driving is often the cause of fatal or crippling accidents. Use care in taking drugs. Today's greater use of drugs — both legal and illegal — is one of our most serious health risks. Even some drugs, prescribed by your doctor, can be dangerous if taken when drinking alcohol or before driving. Excessive or continued use of tranquilizers (or "pills") can cause physical and mental problems. Using or experimenting with illicit drugs such as marijuana, heroin, cocaine, and PCP may lead to a number of damaging effects or even death.

**Eat sensibly.** Overweight individuals are at greater risk for diabetes, gall bladder disease, and high blood pressure. So it makes good sense to maintain proper weight. But good eating habits also mean holding down the amount of fat (especially saturated fat), cholesterol, sugar and salt in your diet. If you must snack, try nibbling on fresh fruits and vegetables. You'll feel better — and look better, too.

**Exercise regularly.** Almost everyone can benefit from exercise and there is some form of exercise almost everyone can do. (If you have any doubt, check first with your doctor.) Usually, as little as 15-30 minutes of vigorous exercise three times a week will help you have a healthier heart, eliminate excess weight, tone up sagging muscles, and sleep better. Think how much difference all these improvements could make in the way you feel!

**Learn to handle stress.** Stress is a normal part of living, everyone faces it to some degree. The causes of stress can be good or bad, desirable or undesirable (such as a promotion on the job or the loss of a spouse). Properly handled, stress need not be a problem. But unhealthy responses to stress — such as driving too fast or erratically, drinking too much, or prolonged anger or grief — can cause a variety of physical and mental problems. Even on a very busy day, find a few minutes to slow down and relax. Talking over a problem with someone you trust can often help you find a satisfactory solution. Learn to distinguish between things that are "worth fighting about" and things that are less important.

**Be safety conscious.** Think "safety first" at home, at work, at school, at play, and on the highway. Buckle seat belts and obey traffic rules. Keep poisons and weapons out of the reach of children, and keep emergency numbers by your telephone. When the unexpected happens, you'll be prepared.

#### Where Do You Go From Here?

Start by asking yourself a few frank questions: Am I really doing all I can to be as healthy as possible? What steps can I take to feel better? Am I willing to begin now? If you scored low in one or more sections of the test, decide what changes you want to make for improvement. Learn to distinguish between things that are "worth fighting about" and things that are less important. Once you have improved your score there, go on to other areas.

If you already have tried to change your health habits (to stop smoking or exercise regularly, for example) don't be discouraged if you haven't yet succeeded. The difficulty you have encountered may be due to influences you've never really thought about — such as advertising — or a lack of support and encouragement. Understanding these influences is an important step toward changing the way they affect you.

There's Help Available. In addition to personal actions you can take on your own, there are community programs and groups (such as the YMCA or the local chapter of the American Heart Association) that can assist you and your family to make the changes you want to make. If you want to know more about these groups or about health risks contact your health department or mail in the card contained in this booklet. There's a lot you can do to stay healthy or to improve your health — and there are organizations that can help you. Start a new HEALTHSTYLE today!

## 'Heating Your Home Safely With Wood' Course Offered

Are you one of the many who are either considering the addition of a wood stove to your home or have recently added one to help fight the high cost of home heating? If so, this article is for you.

Chelsea Community Education will be offering a six-week course on "Heating Your Home Safely With Wood" on Tuesday evenings

beginning Jan. 27 at 7 p.m. in the Chelsea High school media center. The cost per participant is \$10.

During the six one and one-half hour sessions, the many considerations of adding a wood stove will be discussed.

For example, is heating with wood economical if you purchase the wood? What are the risks in-

involved in wood heating? How do you select the right stove? Where can you get wood? How do you cut down a tree safely? Can you identify a widow-maker before it is one? Can you identify the trees that give the maximum amount of heat for your effort? How much wood do you need for a winter? Do you need to add a separate chimney for your stove? How is creosote formation prevented? What is creosote? How do you stop a chimney fire after it has started? What are the rules for a safe installation? How might the addition of a wood stove affect your home-owners insurance? How big should your chain saw be? Can you sharpen it? If so, how? How can you mate a wood stove to your existing furnace to get the heat throughout the house? How does one heat water with a wood stove? The answers to these and many other questions will be discussed in this course.

The course is being taught by Tim Kriewall, a Chelsea area resident who has been heating his home with wood for the same reasons potential course participants wish to heat their homes. He feels fortunate to have survived some of the mistakes he has made and wishes to share those mistakes with others so they don't have to commit them. He believes that though each and every one of the Chelsea firefighters is a nice guy, he doesn't recommend meeting them as they come off a roof on a cold, wintery night as he has.

## Your Health Options

By Beverly Chethik

Director of Health Education, Washtenaw County Health Dept.

This month, instead of answering a reader's question, we are printing HEALTHSTYLE, a self test. The test is printed alongside this column.

As you complete this test you will have a chance to think about your health behaviors and habits and to identify aspects of your lifestyle that are risky to your health. After you finish this test, you may want to take steps to eliminate or reduce the risks you have pinpointed.

If you do, you may feel better, look better, and live longer too. This test is private and confidential. However, since we want to develop a health profile of the community, we are inviting readers to note the test results in the section "Your HEALTHSTYLE Scores" and send these results, along with your age and sex, to the Washtenaw County Health Department, Health Education Office or to Chelsea Community Hospital, Attn: Joanne Warner.

If you prefer, you may call the Health Department at 973-1488 or Chelsea Hospital at 475-1311, ext. 232 or 226 with the scores. Do not send your name; we are looking for a community profile, not for the results of identifiable people.

During the next months we will highlight in Your Health Options the specific health problems this community has identified while taking the HEALTHSTYLE test.

YOUR HEALTH OPTIONS appears in this paper each month. If you have a health related question, please write to this paper, Attn: YOUR HEALTH OPTIONS or directly to the Washtenaw County Health Dept., Health Education Office, Box 8645, Ann Arbor 48107.

A TOWERING WESTERN CAGER looms around the basketball clutching by a Chelsea Bulldog, doing everything in his power to either steal the ball or make it all out impossible for Chelsea to pass or connect for a pair of points. Despite efforts like this, Western wound up on the short end, heading back to Jackson with a 57-31 loss on the hands of a hustling Chelsea squad.

## Fair Board Conducting Logo Design Contest

Chelsea Community Fair Board, in hopes of establishing a permanent logo to represent the annual fair and its place in the community, has elected to sponsor a design contest.

The Board voted for this representative artistic design contest at its Jan. 22 meeting and winners will receive cash awards for their creative genius. The winning, first-place logo will afford the creator \$50 while the second-place design will win \$25.

For the most part, the logo will be used for fair promotion and must contain the words "Chelsea Community Fair." The Board agreed that the Chelsea Clock Tower should be included, though it is not mandatory. Also optional are the words "Michigan's Largest Community-Owned Fair."

Entries should be submitted on 8 1/2 x 11 inch paper and should have fairly good detail. The contest is open to anyone in the community and ends Feb. 28.

All entries will be judged by the Fair Promotion Committee and the results will be announced in the March 31 issue of The Chelsea Standard.

Entries become the property of the Fair Board. The Fair Board reserves the right to use any and all entries to form a composite logo.

For more information, contact Patrick Merkel at 475-9101 during the day or 475-1824 in the evening.

## Cassidy Lake Escapee Apprehended in Ypsilanti Township

Following his Sept. 18 escape from the Cassidy Lake Technical School where he was serving a 3-to-10-year sentence for burglary, Larry J. Stephens, 20, was arrested in Ypsilanti township Wednesday night following a report that he had stolen his father's car.

Apprehended shortly before midnight on Ecorse Rd., deputies Ptaszek and Evans did a routine search of the reportedly stolen Cadillac and found a loaded pistol under the front seat accompanied by two boxes of ammunition, a shoulder holster and a knife.

Stephens was held in the county jail overnight. He now faces charges of carrying a concealed weapon in addition to prison escape.

The federal government's first national conference on industrial safety was held in Washington, D.C., in 1948, according to "Important Events in American Labor History," a publication of the U.S. Department of Labor.

## Good Things Growing in Michigan

An all-American menu, prepared with "good things growing in Michigan" will be served to members of the Michigan Press association at the 39th annual All-Michigan dinner.

Hosted by the Michigan Department of Agriculture and food processors and producers in the state, the banquet will climax MPA's annual two-day convention Saturday, Jan. 31. About 600 persons are expected to attend the event in Kellogg Center, East Lansing.

Featured in the 1981 All-Michigan dinner will be corn chowder, made with Michigan sweet corn, potatoes from Michigan Potato Industry commission, onions from the Michigan onion committee, and cream provided by the American Dairy association of Michigan.

A three-bean salad salutes Michigan's fresh and dry edible bean industries. Crisp green and wax beans are provided by New Era Canning Co. and red kidney beans are supplied by Michigan bean growers and processors.

Flavorful baked ham from Peet Canning Co. is the entree, topped by cherry sauce from Benjamin Twigg's division, Traverse City Canning Co., and the baked potato is a Michigan, Russet Burbank.

Fresh biscuits provided by Chelsea Milling Co., and Michigan honey from the Beekeepers association, along with cottage cheese supplied by Michigan Milk Producers Association, and assorted pickles from Vlasic Foods will round-out the main course.

The all-American dessert will be all-Michigan apple pie from Lloyd J. Harriss Pie Co., topped with vanilla ice cream from the ice cream division of Stroh's Brewery Co.

Michigan beverages are milk from McDonald Dairy, a division of Michigan Milk Producers Association, and wine from St. Julian Wine Co. of Paw Paw.

**OUTSTANDING LEADERSHIP:** United Way campaign chairpersons Will Johnson, Chelsea Community Hospital administrator and Tom Vaillencourt, managing director of the Washtenaw County Road Commission, were presented with awards in East Lansing last month, recognizing the time and effort contributed during the successful 1980 Chelsea area United Way drive.

## United Way Chairmen Cited for Leadership

United Way leaders from among 102 United Ways in Michigan were honored at the 1980 United Way of Michigan's Campaign Achievements Celebration held at noon Monday, Dec. 1 at the Kellogg Center Big 10 Room on the campus of Michigan State University in East Lansing.

Confronted with the most difficult economic climate in recent years, United Way volunteers succeeded in raising \$83,420,000 representing 99.2 percent of the campaign goals.

Proceeds from the many local United Ways will be allocated to hundreds of local, state and national human care service agencies, including Michigan Heart Association, Kidney Foundation of Michigan, Leader Dogs for the Blind and others. A total of 24 state and national human care service agencies are recipients of monies allocated by local United Ways through the United Way of Michigan.

More than 350 United Way volunteers from all sections of Michigan were in attendance and each local United Way General Chairperson was honored for the leadership and service they provided their local United Way.

The meeting was sponsored by 37 major companies and organizations from around the state. Howard Lancour, News Director, Anchorman, WILX-TV 10 served as the master of ceremonies and entertainment was provided by Dr. Ron Newman and the Michigan State University Jazz Band.

Will Johnson and Tom Vaillencourt, Campaign Chairpersons for the Chelsea Area United Way were presented awards for the

outstanding leadership they provided during their local United Way campaign. Will Johnson is the administrator of Chelsea Community Hospital while Vaillencourt is managing director of the Washtenaw County Road Commission.

## VA Records Have Many Same Names

Is your name Smith? Or Johnson? Or Williams? Brown, Miller, Davis or Jones?

If it is you have a lot of company in the Veterans Administration's computer file of veterans' records.

The computer contains the names of approximately 35 million veterans and their survivors, together with the appropriate military serial number, social security number or VA claim number to permit veterans benefits counselors to locate an individual's benefits file.

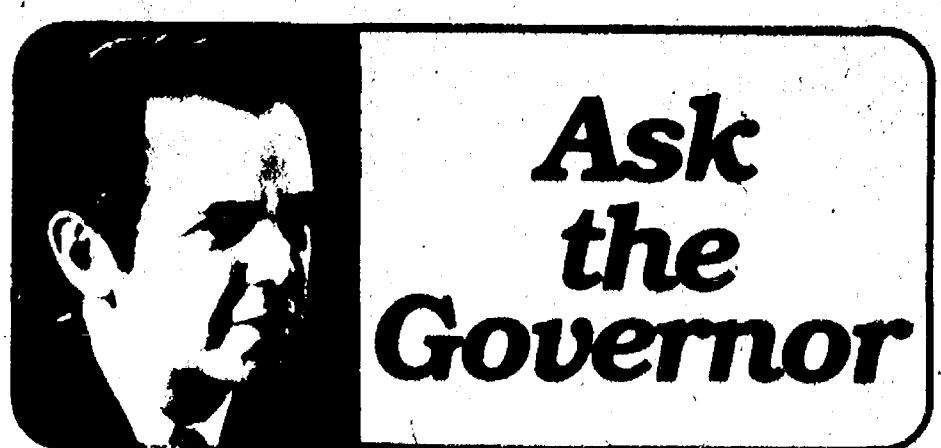

And that's the point VA wants to make. If a veteran contacts the agency about benefits—past, present or potential—they ask that the veteran be prepared to provide an identifying number if at all possible.

The reason is simple. There are about 305,000 Smiths in the file; 203,000 Johnsons; about 150,000 Williamses; 145,000 Joneses, and around 137,000 Millers.

Many of the Smiths, to make things more complicated, have the same first name. Same's true of the Browns and the Millers, and so on.

That's why veterans, and others eligible for VA benefits, will receive faster and more accurate information and service when they are able to provide one of those serial numbers.

The VA says there are even multitudes of what one might think are not-so-common names: more than 53,000 Robinsons, nearly 27,000 Fishers and the same number of Richardsons, and between 23,000 and 24,000 each of Schmidts, Ryans, Snyders, Butlers and Wallaces.

**Question:** Have you drafted a proposal for President Reagan concerning our ailing auto industry? When will something be done? What will be done?

**Governor:** The economic slump in our nation's auto industry is of critical importance to the well-being of not only our own state, but other states as well. I feel the new federal administration must take careful, yet immediate steps to help heal the open wounds of our motor vehicle industry.

I am pleased to report that Govs. James Rhodes of Ohio, Christopher Bond of Missouri, Lee Dreyfus of Wisconsin, Robert Orr of Indiana, Dick Thornburgh of Pennsylvania, David O'Neal, Lt. Gov. of Illinois (representing Gov. James Thompson) and I have recently agreed to an eight-part program to revitalize the nation's auto industry.

We are convinced that a federally co-ordinated revitalization plan must immediately address three main issues: creating a healthy economy, strengthening the competitiveness of the industry, and encouraging greater innovation and cost effectiveness within the industry.

We propose that the new administration address these issues through the following actions:

—The new administration must restore confidence and reduce and stabilize interest rates. Immediate steps can and must be taken to increase individual discretionary income through tax cuts and to create a more favorable industrial climate.

—To stimulate new production in this and other vital industries, Congress must adopt a system of investment tax credits for industry research and development programs.

—Congress should pass legislation soon to accelerate depreciation for new investments.

—The new administration must address the continuing need for the Japanese industry to show self-restraint in auto exports.

—Anti-trust barriers to joint research and development activities must be re-examined and re-formulated to assist, rather than obstruct, the growth of the industry and the retention and creation of jobs for Americans.

**Question:** How is the generation of tomorrow going to be responsible and skilled if our children continue to be excluded from summer employment? The lack of summer jobs puts our children on the streets and keeps them from learning financial and social responsibility.

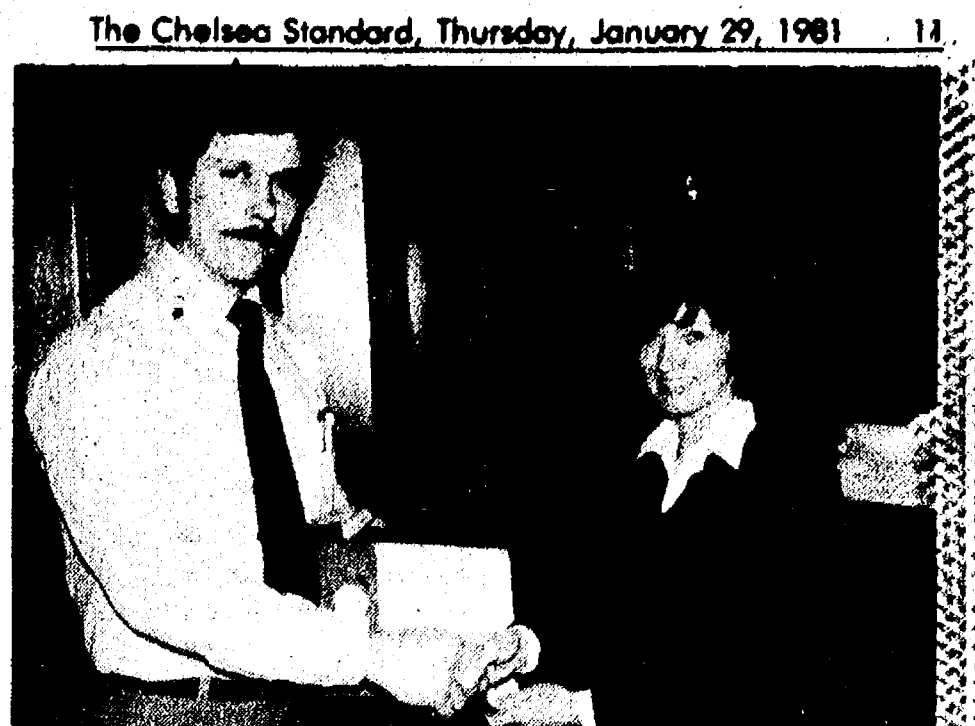

**Governor:** I have recently asked the Department of Labor director to chair a work group from the departments of Education, Social Services, Commerce, and the Michigan Employment Security Commission to work with schools, businesses and unions to devise a plan to increase summer work opportunities. The Youth Employment Clearinghouse has convened a task force to sponsor a Youth Employment Month, develop greater awareness among employers of the financial incentives available to employers who hire youths and work to better prepare young people to apply for summer jobs.

If you have a question for the Governor, please send it to: Ask the Governor, Executive Office, Press Section, Lansing 48909.

## North Lake Church Bell Tolls for Hostages

North Lake church has been ringing out for the freedom of the American hostages since Day 1.

North Lake United Methodist church, a growing congregation in the recreational area north of Chelsea that worships in a simple, quaint 114-year-old white frame building attired in a yellow bow, kept community conscience alive by ringing its bell each day during the captivity of the hostages in Iran.

Until Day 100, the bell was rung once for each day of captivity but when it was realized that the bell, still using its wooden pulleys and wooden bell workings, had never been in such constant use and might not endure the daily wear and tear, it was decided to continue the symbolic tolling with 10 pulls of the rope each day.

## Wrestlers of the Week

ERNE BRISTLE, left and Travis Rudd represent Chelsea's wrestling team this week. Bristle, at 98 lbs., holds a 10-6 record and finished second in the Washtenaw County Tournament earlier this month. He is the son of Leroy and Ruth

Bristle of Old US-12. At 119 lbs., Rudd holds a season record of 12-8 while placing second in his weight class at both the Western wrestling tournament and the Washtenaw County Tournament. He is the son of Max and Sue Rudd of Loeffler Rd.

## Varsity Wrestlers Drop Two Meets

Chelsea varsity grapplers took to the mats for a pair of dual meets last week, dropping both matches at the hands of their opponents, South Lyon and Saline.

On Tuesday against South Lyon, Chelsea bowed to the opponents, 19-34. At 98 lbs., Ernie Bristle lost to Rick Misslitz, 7-6 while Jeff Morgan countered that loss by recording a victory at the hands of Bill Heipt, 6-4, at 105 lbs. Jeff Osestoski, at 112, defeated Mike Kuzma, 6-6 on a ref's decision. At 119 lbs., Scott Dault defeated Ron Shokey, 8-2 though, at 126, Travis Rudd dropped his match 6-1 at the hands of Mark Baugous.

At 132 lbs., Tim Osestoski was pinned at 1:39 by Don Little while Craig Sturgeon, at 138, shut out opponent Brian Barnett, 9-0. Steve Grau lost to Jeff Wongstrom in the 145-lb. weight classification, 6-4.

At 155, Bill Freeman defeated Randy Huss, 4-0 while John Preston, at 167, was shut out by Steve Zachar, 10-0. At 185, Tim Zachar won on a forfeit but Rick Poljan countered that defeat by pinning opponent David Jones at 2:28. Finally, at heavyweight, John Laraway was pinned by Bill Miller at 4:27.

Though Chelsea's varsity grapplers were unable to emerge with a win, the JV squad did just that. Recording wins for the JV Bulldog wrestlers were Bill Hanna, Ed Esch, Dave Gipson and Bill Lamb.

Chelsea varsity grapplers fared a bit better Thursday against the Hornets of Saline. Nevertheless, they added another defeat to their season record, being upset by Saline, 28-32.

At 98 lbs., Ernie Bristle defeated Eric Keller, 11-0, which was followed by Jeff Morgan shutting out Mike Flory, 6-0. Then, at 112, Jeff Osestoski defeated Randy Atkins, 17-5.

Travis Rudd, at 119, was shut out by Eric Peters, 6-0, and im-

mediately thereafter, Eric Stoflet, at 126, was pinned by Bill Wienhardt at 1:53. This pin was followed by another Saline pin. This time of Tim Osestoski at 3:27 by Kevin McCollough at 3:27. At 138 lbs., Craig Sturgeon lost to Pat Peters, 6-5 while Steve Grau pinned his opponent Don Hatfield at 4:42 in the 145-lb. weight category. But, at 155, Bill Freeman was defeated by Steve Hatfield, 9-1.

At 167, Ken Nicholas defeated Bill Hayes, 12-4 while John Preston, at 185, lost to Wayne Allen, 11-1. At 198, Rick Poljan again pinned his opponent, Todd McThegart at 4:41. But, in the heavyweight category, John Laraway was pinned by Horner Ken Spicer at 1:53.

Chelsea JV's fared even worse, being defeated by the JV Saline Hornets, 12-26. Placing for the JV Bulldogs, however, were Ed Esch, Dave Gipson and Bill Lamb.

### Dr. Rosenfeld Named Chief Medical Resident At Pontiac Hospital

Dr. Christine Rosenfeld of Clarkston has been named to the position of chief medical resident at St. Joseph Mercy Hospital, Pontiac. She is the daughter of Chelsea High school graduate and former Chelsea resident Edith Koebe Culp of Grand Lodge.

Dr. Rosenfeld is a 1977 graduate of the University of Michigan Medical School and has been cited in both "American Men and Women of Science" and the 1967 edition of "Who's Who in American Women."

Prior to her medical career, she served eight years as a research chemist for Dow Chemical Co.

## JV Cagers Split Pair for Week

Last week, Chelsea JV cagers split a pair of games, being defeated Tuesday by Pinckney and picking up their third win of the season Friday at Western.

Tuesday's game found the JV Bulldogs working hard on offensive play and they managed to score 52 points. But, according to coach Jon Schaffner, "We'd worked on offense all week but in the game, we totally forgot to play defense." The Bulldogs bowed to the Pirates, 52-70.

Pacing the Chelsea cagers was Frank Waller with 16 points and 16 rebounds. He was followed by Ken Nadeau and Matt Villemure with eight points each and seven and one rebounds, respectively. Carl Pate and Mark Brosnan each added six points followed by Doug Pagliarini with four and Jon Bentley and Matt McCallum with a pair of points apiece.

Chelsea played evenly in the first quarter; each team made a total of eight points. But, by the second quarter, the Bulldogs were digging themselves into a hole they'd never rid themselves of; by half-time, Chelsea was down, 22-32.

After intermission, the Pirates came back fired up and outscored the Bulldogs two to one, 18-9, and the game was all but decided. The loss dropped the JV Bulldogs to 2-8 over-all and 2-4 in the Southeastern Conference.

Though the evening resulted in a Chelsea loss, not all was grim. The Bulldogs improved on their foul shooting, ending the night 16 for 26 for 62 percent. In addition, the JV cagers outrebounded their opponents, 29-24.

Friday night at Parma, Chelsea's JV cagers took on the Panthers in a league battle that upped the Bulldog record to 3-4 in the league. The end result: Chelsea 40, Western 37.

The Bulldogs got their defense back in gear and held their opponents to nine points in the first half, scoring 24 for themselves.

With the second half, the Panthers came back ready to play and outscored the Bulldogs, 13-5,

in the third stanza, following that with 15 points in the fourth quarter to Chelsea's 11.

According to Coach Schaffner, "Our defense wasn't bad in the second half but Western had a guard who couldn't miss from 18 feet. He poured in 19 points in the half."

Nevertheless, Schaffner praised his team's efforts, explaining that the first half was the best half of the season and turnovers were lower than ever with 19.

Scoring for the Bulldogs were Carl Pate with 11 and Matt Villemure with nine pacing the team while Waller, Nadeau, McCallum and Mann connected for four points apiece and Pagliarini and Brosnan each added a pair. Leading in rebounds was Carl Pate with 10.

## County GOP Convention Slated Jan. 28

Washtenaw County Republican precinct delegates will hold a convention Wednesday, Jan. 28, at Tappan School, 2551 E. Stadium Blvd., Ann Arbor. Purpose of the meeting is to elect delegates and alternates to a Republican state convention in Detroit, Feb. 27-28.

Robert L. Henry, an Ann Arbor attorney who was recently re-elected to a two-year term as Republican county chairman, explained that the business of the state convention will be to elect state party officers for a two-year term.

Other recently elected officers of the local party, all serving first terms, include: Jane Talcott, vice-chairman; Alice Stimpson, secretary; and James Blow, treasurer.

The county convention, which will convene at 8 p.m., is open to the public.

## United Way Board Chooses Officers

On Wednesday, Jan. 21, new officers were elected to represent the 1981 Chelsea United Way. They include president William J. Bott, vice-president Mary Ann Merkel, secretary Sue Williams and treasurer John L. Cox.

In addition, a number of new directors were named. With one year remaining are Robert H. Porter and Scott Tanner. Members of the Board of Directors with two years remaining are Carol Flintoft and Maxwell G. Sweet while a new slate of directors with three year remaining terms include John L. Cox, Willard Johnson, Virginia Albrecht, Eldon (Al) Feldman, Clare Warren, D.D.S., William J. Wescott and Calvin C. Summers.

Following the election of the aforementioned officers and board members, president William J. Bott appointed three persons to chair committees. Scott Tanner was appointed as chairman of the finance committee while James Stacy was named chairman of the budget committee and Don Peck was selected as chairman of the campaign committee.

It was reported that the 1980 United Way Drive, facing hard financial times and a goal of \$42,100, has, at this time, received cash and cash pledges in the sum of \$40,500, just \$1,600 short of the anticipated amount. Following the collections of all monies, Chelsea United Way funds will be distributed to various social service organizations in the community.

### Pinckney Area Youth Completes Air Force Mechanics Course

Airman Bruce A. French, son of Mr. and Mrs. W. French of 3550 W. M-36, Pinckney, has graduated from the U. S. Air Force special vehicle mechanics course at Chanute Air Force Base, Ill.

Graduates of the course learned how to inspect, service and repair special vehicles used by the Air Force, and earned credits toward an associate degree in applied science through the Community College of the Air Force. French will now serve at RAF Mildenhall, England.

## Great Tax Shavings!

Here's how to whittle down your 1980 Income Tax...

There's still time to reduce the total taxable income reported on your 1980 tax return and build for your future at the same time! Here's how—

If you're not presently covered by a qualified pension or profit-sharing plan where you work, or if you're self-employed, you are eligible to open an Individual Retirement Account (IRA) at Ann Arbor Trust which allows you to set aside each year—tax free—15% of your annual income to a maximum of \$1,500 for your future.

These deposits are tax deductible, which means you can reduce the total taxable income on your 1980 tax return by the amount you deposit between now and April 15th!

Your money will earn 12% interest compounded quarterly for an effective annual yield of 12.551% when you deposit at least \$1,000 for thirty months or more. Interest earned on your contribution is not taxable until you retire, when your tax bracket will probably be lower.

Accounts are insured up to \$100,000 by the Federal Deposit Insurance Corporation. You pay no fees or charges to open an Individual Retirement Account at Ann Arbor Trust.

Call or stop by Ann Arbor Trust today for complete information on how you can lower your taxes and start building for the future at the same time. Our financial advisors will be happy to meet with you and discuss the retirement savings plan best suited to your needs.

Remember... deposits must be made by April 15th to qualify as deductions from your 1980 taxable income!

### Keogh Account Holders Also Eligible!

If you opened a Keogh Account at Ann Arbor Trust before December 31, 1980, and deposited less than your allowable amount, you too are eligible for great tax savings. All additional contributions to your Keogh Account made between now and April 15th may be deducted from your 1980 taxable income!

Withdrawals from an IRA or Keogh Account prior to age 59½ are subject to substantial tax penalties. Federal regulations require substantial interest penalty on payment of a Time Certificate of Deposit before maturity.

# Jaycee Week Being Observed

Do you know who in Chelsea was responsible for the following things?

Easter egg hunt. Punt, Pass and Kick. Christmas blood drive. Collecting money for the Burn Center. Brand new park benches on Middle St. Cancer Super-Thon. Children's horse show. Christmas presents for needy kids. Taking fatherless kids out to get Christmas trees. Fall color tour and chicken barbecue. Many, many games of bingo.

Perhaps, by now, you have guessed the Chelsea area Jaycees. This week the United States Jaycees are celebrating Jaycee Week. After reading the aforementioned list of projects you might ask, "Are these

Jaycees a bunch of Do-Gooders?" You bet they are.

The Jaycees is an organization of young men, ages 18-38. Their primary purpose is individual development, community development and management development. In each of the above projects, one young man assumed the responsibility of chairman. From then on, the project was his to run as he saw fit; his job was to find committee members, co-ordinate times, buy supplies, work within his budget and carry out the project successfully.

In the Jaycee purpose and concept, everyone benefits, the Jaycee and the community in (Continued on page 16)

# South School Fun Fair Set For Feb. 7

Step right up, folks. Play a game and win a prize. Be daring, try the spook house. Fantasize at the make-up booth; indulge at the bake sale. Sit for a silhouette and take home a memory. Just step right this way and join in the fun at the South School Fun Fair, Saturday, Feb. 7 between the hours of 11 a.m. and 4 p.m.

Children of all ages will enjoy the cake and animal walks, crazy ball, lollipop tree, pop-a-clown and many other exciting and challenging games.

Lunch and refreshments will be available in the school cafeteria.

Twenty-five area merchants have donated merchandise and services to the Fun Fair. These items will be awarded at 3 p.m. and winners need not be present.

The Fun Fair, sponsored by the PTS with the hard work and co-operation of South school parents and the financial assistance of local businesses, has become an annual fund-raising event. This year, the money raised will be used to purchase new playground equipment.

# CPR Class Series Starts Wednesday

Chelsea Community Education will present a three-part series of free classes designed to educate persons in cardio pulmonary resuscitation. CPR is a two-fold emergency technique used for victims of cardiac arrest and other spontaneous physical ailments and utilizes a combination of both artificial respiration and artificial circulation.

Attendance at all three class meetings is required as is the 37 cent purchase price of the course text. Practice manikins are donated by the Washtenaw Chapter of the American Red Cross and the course will meet from 7-10 p.m. Wednesday evenings, beginning Jan. 26. A second session will begin Wednesday, Feb. 18.

The Labor-Management Relations (Taft-Hartley) Act was passed June 23, 1947, over President Truman's veto, according to "Important Events in American Labor History," a publication of the U. S. Department of Labor.

Section 2

Chelsea, Michigan, Thursday, January 29, 1981

Pages 13-18

FOR THEIR EFFORTS in last week's victory over Dundee, the following swimmers have been selected as swimmers of the week at the 7th and 8th grade levels. Left to right, Martha Koernke, after taking a year off from swimming, is really helping out the team. She specializes in breaststroke and short distance freestyle. Don Skiff is an 8th grader who is developing into quite a freestyle sprinter. Against Dundee, Don posted his best time ever in the 50-yard freestyle, :30.8. Paul Robbins, a 7th grader for the Beach squad, is heading in the direction of being a good distance swimmer. He has excellent stroke mechanics and is really working hard to improve.

A new face in the community, Bob Murray is an 8th grader at Beach school and is a welcome surprise to the 1981 team. He works as hard as anyone on the team and according to Coach David Johnson, "He's a terrific young person to have on a team." He specializes in the breaststroke events. Cheryl Martin, an extremely talented 7th grader, has good stroke technique and is always willing to adapt if asked to do so by her coach. This season, Coach Johnson anticipates that Cheryl and her pictured cohorts will really contribute to the team as a whole.

# Men's Swim Team Wins Two More

Chelsea mens swim team won two more meets last week, running both their season record to 7-0 and their two-year winning streak to 18.

The team defeated Albion on the road, 99-72, and then traveled to Lincoln to win, 114-55.

The team did not swim exceptionally well in either meet according to Coach Larry Reed, but the swimmers did race well. At Albion, the team broke two pool records, the free relay

(Dave Nicola, Tom Gaunt, Mike Mason and Phil Hoffman) and the 100 free (Hoffman). At Lincoln, the team won all 11 events and set pool records in the medley relay—Tom Gaunt, Dave Nicola, Mike Mason and Dave Mason; the I.M.—Gaunt; the 50 free—Nicola; 100 fly—Dave Mason; backstroke—Gaunt; and free relay—Paul Schumann, Craig Wirtz, Dave Mason and Phil Hoffman.

Winners at Albion were John Robbins, Nicola, D. Mason and P. Hoffman in the medley relay; Robbins in the I.M.; Mike Mason in the 50 free; Nicola in the 100 fly; P. Hoffman in the 100 free; Shawn Pierson in the 100 breaststroke and the record setting free relay.

Other winners in the Lincoln meet were Paul Schumann in the 200 free; Craig Wirtz in diving; Mike Mason in the 500 free and Shawn Pierson in the 100 breast.

The team's next meet will be parents night, Tuesday, Feb. 10 against Dundee. The events will begin at 7 p.m.

# Beach Swim Team Defeats Dundee

Last week, the Beach Middle school swim team raised their season record to 2-0 with a 52-22 victory over the Dundee Junior High school team.

Those individuals scoring for Chelsea included Craig Miller, Mike Coffman, Scott Pryor and Missy Young, first in the 200 medley relay and Susan Overdorf, Tina Paddock, Melanie Gunn and Don Skiff, third in the 200 medley relay; Paula Colombo, first in the 100 I.M. and Jenny Cattell, second in the 100 I.M.; Don Skiff, first in the 50 freestyle and Missy Young, second in the 50 freestyle.

Kris Mattoff, second in diving and Todd Brown, third in diving; Scott Pryor, first in the 50 butterfly and Jenny Cattell, second in the 50 butterfly; Jenny Colvin, second in the 100 freestyle and Craig Miller, third in the 100 freestyle; Melanie Gunn, first in the 100 backstroke and Gary Callison, fourth in the 100 backstroke.

Mike Coffman, first in the 100 breaststroke and Tina Paddock, third in the 100 breaststroke; and the 400 freestyle relay team of

Jenny Cattell, Becca Lee, Missy Young and Paula Colombo, first in the event followed by second placers Dan Degener, Mike Carrigan, Gary Callison and Cheryl Martin.

The team's next meet will feature the Beach tankers swimming against their counterparts at Adrian.

## Homeowners insurance is homeowners insurance, right? Wrong.

Auto-Owners homeowners insurance is different.

Not only in the way we handle claims (Auto-Owners built its reputation on fast, fair claims service). Not only in the personal attention we give (another Auto-Owners trademark). Or in the way we could save you money (our low

rates are famous). But, in our whole outlook on homeowners insurance, with innovative, imaginative policies that make sure you get just what you need, for just what you want to pay.

So, if you're thinking you'd be wrong if you didn't call Auto-Owners, you're right.

## Card of Thanks 16

## CARD OF THANKS

To all the friends, relatives and  
neighbors for flowers, donations  
and food to Chelsea Com-  
munity hospital and the nurses  
and nurses aides in the East Wing  
for all your help. Thank you to the  
pallbearers and the union for the  
use of its hall following the  
funeral. Your kindness will never  
be forgotten.

The family of

Richard L. Abdon.

## CARD OF THANKS

I would like to thank all my  
relatives, friends, and neighbors  
for the cards, letters, prayers and  
concern while I was in the  
hospital and since my return  
home.

Blane McClanahan.

## CARD OF THANKS

The Sandstroms and Ellen-  
woods join together in a thank-  
you note to our families, relatives  
and friends for all your visits,  
gifts, cards and concern during  
our stay in the U. of M. and Mott's  
Children's Hospitals and since  
our return home. A special thank-  
you to the Rev. Carl Schwarm  
and the Rev. Marvin McCallum for  
your love, prayers, visits. All  
is deeply appreciated.

Arthur and

Katherine Sandstrom

Gary, Linda

and Matthew Ellenwood.

## CARD OF THANKS

The Donald Robbins family  
would like to express their ap-  
preciation to all the relatives,  
friends and neighbors who were  
so thoughtful and kind at the time  
of our bereavement.

Mrs. Jennie Robbins.

Mary Robbins.

Mr. and Mrs. Ronald Robbins.

Mr. and Mrs. Bruce Geer.

Mr. and Mrs. John Fitzsimmons.

## CARD OF THANKS

I have seen over the three  
years I have lived in Chelsea a  
huge amount of Letters to the  
Editor thanking someone from  
Mrs. Millie Warner. I think it is  
high time this lady receives her  
very own thank-you. Thank you  
Millie, for all the help and  
prayers you have given me, and  
may other less fortunate people.  
Millie, you have helped the sick,  
young and old, the less fortunate  
and all the boys at Cassidy Lake.  
There's a special place in my  
heart for you and I know many  
others feel the same way. Thank  
again Millie.

### Course Offered in Sailing Principles

A basic 13-lesson "Principles of Sailing" course for sail enthusiasts will be conducted by Ann Arbor's Flotilla 17-03 of the U.S. Coast Guard Auxiliary, in co-operation with the Ann Arbor Continuing Education program. Classes will be held in the west cafeteria of Pioneer High school from 7:30 p.m. to 10 p.m., beginning Feb. 5. Classes will be held each Thursday, Feb. 5 through April 9.

An enrollment charge of \$12 will cover the cost of the textbook and instructional materials. Additional family members may take the course for \$6 each. A certificate will be presented to those who successfully complete the work.

For additional information about the course and pre-registration, call (313) 428-2902 between 9 a.m. and 7 p.m.

Subjects covered by the course include: nautical terms, how a boat sails, maneuvering and boat handling, weather, equipment requirements, basic seamanship, piloting, engines, trailering, marine radio telephone, legal requirements and rules of the road, and marlinpike seamanship (knots and splicing).

Class co-ordinator for the course will be James S. Schlee, public education officer for Flotilla 17-03, assisted by other instructors from the flotilla.

### Dennis Ray Brown Named to Dean's List at Harding University

Harding University, Searcy, Ark., has named 610 students to the Dean's List for the recently completed fall semester, according to Dr. Joseph Pryor, vice-president for academic affairs. Dennis Ray Brown, son of Mr. and Mrs. Don Brown, 8491 Dexter-Chelsea Rd., has been included in the list of honored students.

To achieve recognition on the Dean's List, a student must carry at least 12 semester hours of credit, have no grade below a "C" and have no incomplete hours. Upperclassmen must have at least a 3.50 average on the 4.0 scale and freshmen must post a minimum 3.25 average.

### TAX POSTPONEMENT

If a house sells for a higher price than the price that was paid for it, there is an income tax due on the profit—unless you take advantage of the government regulations that allow for tax postponement.

To qualify for this postponement, you must buy another house not more than 18 months before or after you have sold. And you must pay at least as much or more for the new house as you got for the old. If you are building a new house instead of buying an existing one, you have 24 months instead of 18 months in which to move into your new home to qualify for this deferment of tax.

Remember, this is a postponement of tax, not an exemption. Eventually, you'll have to pay. However, any tax you can legally postpone is to your advantage, particularly in an inflationary period and to help pay the costs of moving into another home.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681, evenings 475-2621. We're here to help!
