WNHA DONATION: Supporting the Waterloo Natural History Association is the Modern Mothers Child Study Club, donating \$750 from the 1980 Chelsea Challenge Run. Above, Carole Strahler and Emille Polens, co-directors and volunteers at the Nature Center discuss the Native American display that has been completed using funds from Modern Mothers and artifacts donated by the Vincent Burg, Sr. family. Modern Mothers club members present are Marilyn Chasteen, left, and Jeanene Riemenschneider, right.

Modern Mothers Child Study Club Helps Nature Center Fund

Waterloo Natural History Association has been in the local news recently because of its need to secure funding to assist the operation of the Nature Center and many special programs currently being planned.

Among the supporters of the Association is Modern Mothers Child Study Club which began its support of the Nature Center with the donation of two benches that were placed along the walkway to the Center when it opened.

Recently, the members voted to donate \$750, proceeds from the Chelsea Challenge Run last May, to the Waterloo Natural History Association. In addition, the club will be giving all the proceeds from this year's run, to be held

Saturday, May 9, to the WNHA. Along with helping to maintain the building, these funds will be used to build cases to complete an Indian artifacts display and to (Continued on page four)

Super Saturday Classes Will Move To High School

On Saturday, March 28, all Super Saturday classes normally scheduled to be held at Beach Middle school will be held at Chelsea High school. Beach school will be the location of the Chelsea-hosted State Solo and Ensemble Festival.

All children have received maps of CHS, indicating class meeting places. If a child has not yet received his or her map, parents are encouraged to contact the Community Education office at 475-9830.

Bulldog Baseball Team May Be Contender for League Championship

The 1981 Chelsea High school varsity baseball team will be, according to Coach Wayne Welton, "one of the best teams in the league this season." In the team's third week of pre-season practices, a question remains on pitching. As last year, much of the team's success will depend on the ability of the pitching staff.

"They're good kids with depth everywhere but on the mound," explained Welton. "If it were possible, it would be nice to have that reversed."

This season, the Southeastern Conference will be a competitively strong league with good depth and ability. But Chelsea, Welton indicates will surely be a contender for the league championship. "We're sort of the darkhorse and if we develop strong pitching, we definitely have a chance," he explained.

With an unusually large number of players, 18 as opposed to a near-equal number of 17 last year, the Bulldog sluggers will be able to jockey players to various locations on the field until their ideal position(s) is determined.

Returning to the CHS baseball team are veteran 1980 senior co-captains, Mike Bohlender and Jeff Dils. Bohlender will handle first base while Dils will play shortstop and do some pitching.

Other seniors returning to the diamond are Joel Krichbaum, a 6'5" returning pitcher who spent a great deal of time on the mound last season; infielder and pitcher Sean Peterson, another key player; Ross Stofflet, who batted .349 one year ago as Chelsea's leading hitter; and, catcher and outfielder Mike Wade.

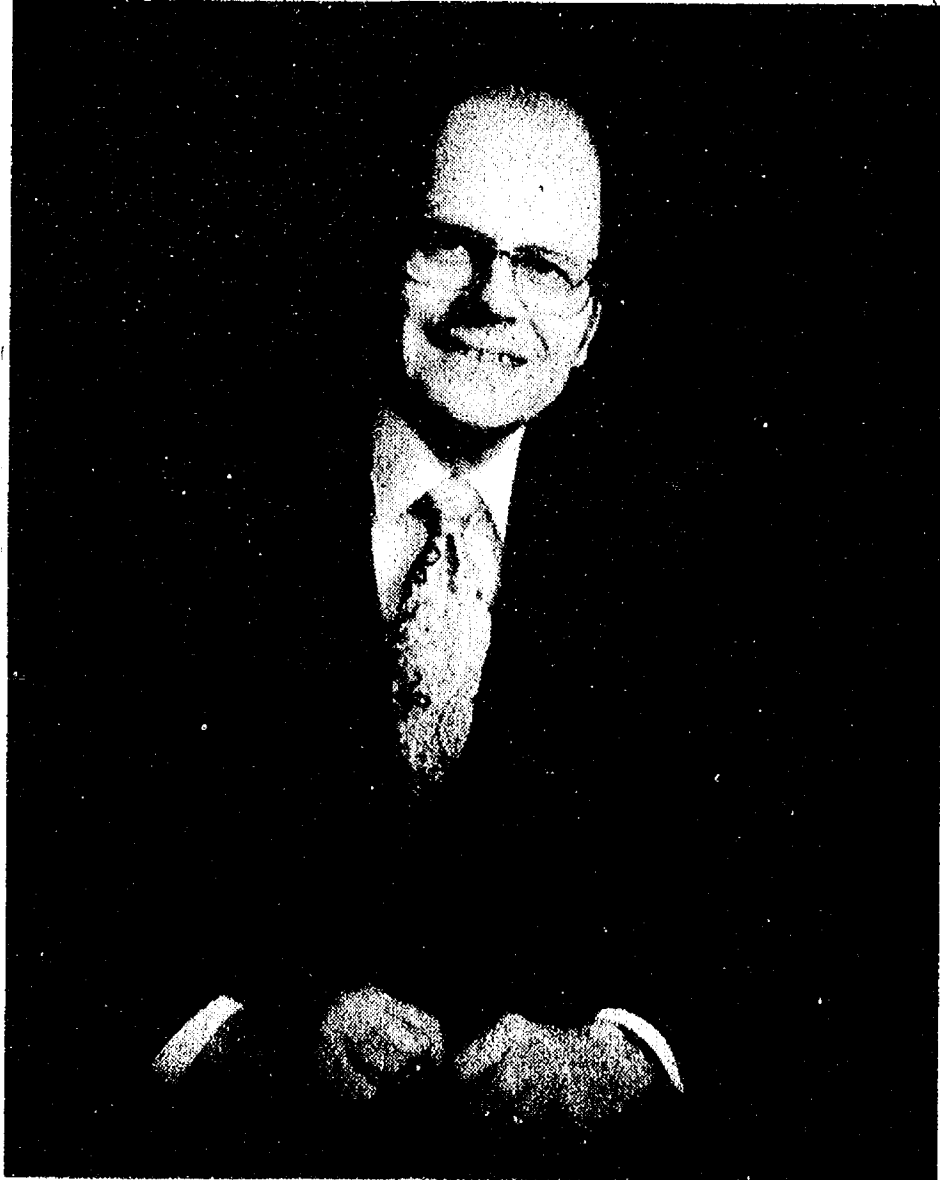

Junior John Preston, who lettered as a sophomore, will return to his 1980 position in centerfield. Newcomers to the team include junior pitchers Steve Grau and John Welton, both of whom demonstrated their pitching ability as freshmen and sophomores on the junior varsity baseball team. According to Coach Welton, "We're looking to these two as surprises on the mound and real keys to our pitching staff."

Behind the plate will be juniors Sam Coomes and Tim Whitesall, alternating possession of the catcher's mit with an exceptional sophomore Rod Robeson.

Circling the positions on the diamond will be sophomore first basemen Mike Bareis and Gary Van Meer. At second base, players will include Ross Mur-

phy, Bob Trevino and Sean Peterson. Third basemen will include Gary Van Meer and John Welton, (Continued on page five)

St. Paul Church To Install New Pastor Next Sunday

THE REV. ERWIN R. KOCH

All-Region Cage Selections Told

On Saturday, March 21, the 1981 prep All-Region Basketball teams were announced. Team One consisted of Chelsea's Jeff Dils, Sam Pope of Milan, Brian Dettling of Clinton, Nick Krzyzaniak of Manchester and Doug Phillips of Ypsilanti Lincoln.

Named to Team Two of the All-Region squads were Ron Smith of Tecumseh, Rob Ianni of Dexter,

John Gruden and Pete Barnes of Milan and Dave Richmond of Whitmore Lake.

The teams on which these cagers played all sported balanced or nearly-balanced records during the 1980-81 season. Seven of 12 teams finished with .500 records while two came within a pair of games to hit a season winning record.

(Continued on page two)

The Rev. Erwin R. Koch will be installed as pastor of St. Paul United Church of Christ, on Sunday afternoon, March 29 at 4 p.m. Speaking at the service will be Dr. Warner H. Siebert of Trinity UCC, Tiffin, O. and, former pastor of St. Paul's church from 1965-74. A light supper, for those in attendance, will be served in the Fellowship Hall following the service.

Pastor Koch was the former minister of St. John's UCC, Kenton, O., where he served for 13 years. He had held pastorates in St. Charles and St. Louis, Mo. He is married to Grace (Buehrer) Koch and has three children.

Others taking part in the service will be the Rev. Herman Haller, associate minister, Covenant Association; Ms. Annabel Larzelere, moderator, Covenant Association, Michigan Conference, UCC; the Rev. Orval Willmann, chairperson, Church and Ministry Committee and pastor, Bethlehem UCC, Ann Arbor; the Rev. C. Philip Laucks, executive director, United Church Homes, Inc., Upper Sandusky, O.; the Rev. T. B. Thodeson, president, Chelsea Ministerial Fellowship and pastor, Chelsea Baptist church; the Rev. Paul Grabowski, former pastor of St. Paul's church, 1922-1959; and, Larry Flanigan, president of the congregation. The Chancel Choir, under the direction of Mrs. Patricia Stirling, will sing.

Dr. Siebert graduated from Elmhurst College, Elmhurst, Ill., with a B. A. in 1953. He received his B. D. from Garrett United Theological Seminary, Evanston, Ill. in 1957 and his Masters of Divinity degree in 1971; he graduated from Eden Theological Seminary, Webster Groves, Mo. with a Doctor of Ministry degree in 1977.

Staffan Funeral Home Sold to John Mitchell After 4 Generations

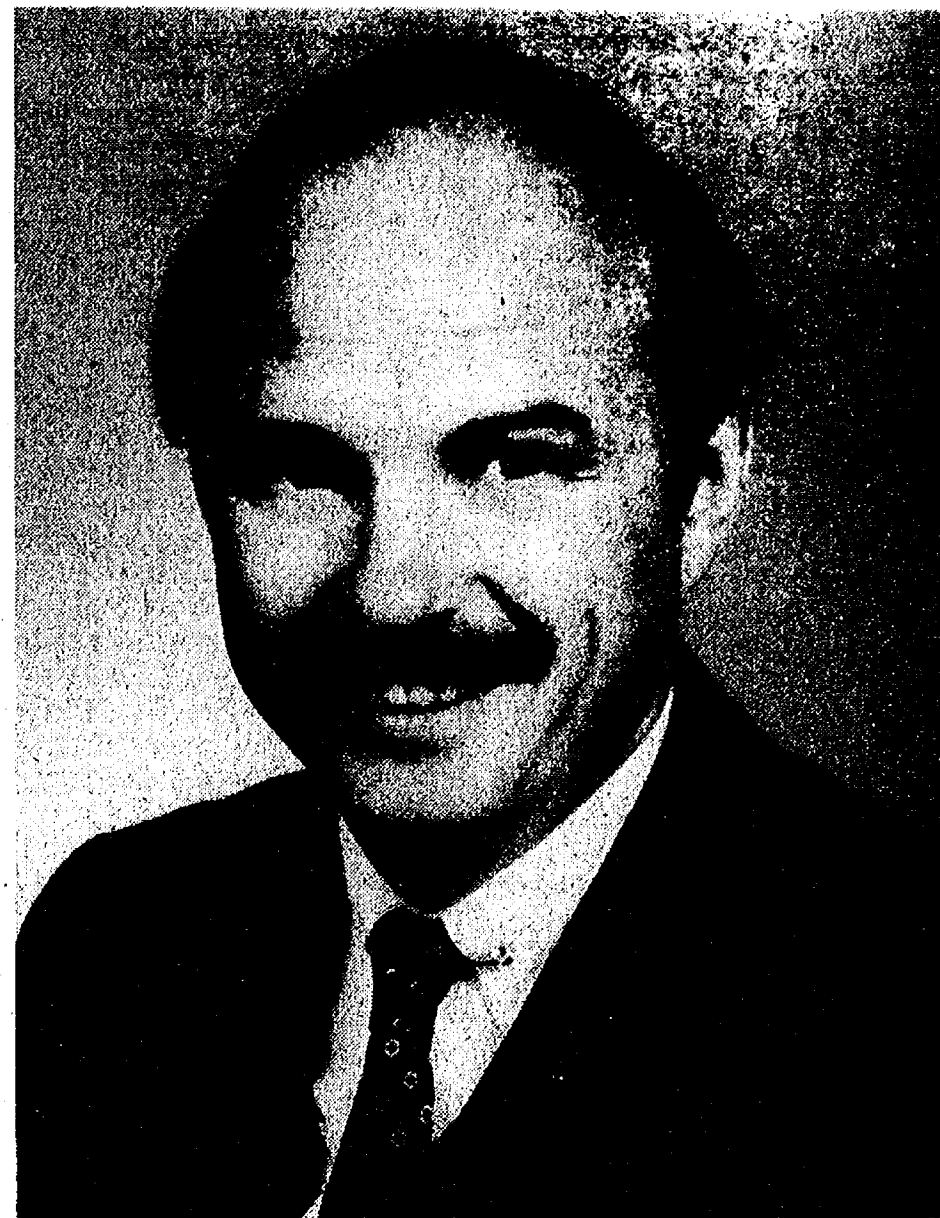

After four generations of service to the community, Staffan Funeral Home has been sold by Mr. and Mrs. George L. Staffan to John Wesley Mitchell, formerly of Rochester and a newcomer to the Chelsea community. He will assume ownership Wednesday, April 1.

John W. Mitchell, age 38, was born in Columbus, O., and moved to Michigan in 1954. He graduated from Okemos High school near Lansing and attended Western Michigan University. He received his degree from the Wisconsin Institute of Mortuary Science in 1965 and was the recipient of the Mu Sigma Alpha Mortuary Award for Restorative Art Excellence.

Upon graduation, he began his career at the Gorsline-Runciman Funeral Homes of Lansing where he served in various capacities including manager of the East Chapel, East Lansing. While in Lansing, he was named to the Michigan Funeral Directors Speakers Bureau and became a guest lecturer at Michigan State University, Justin Morrill Honors College at MSU, Lansing Community College and other schools in the immediate area.

In 1976, Mitchell joined the staff at Pixley Memorial Chapel, Rochester; he was named general manager. He later became president of the Chamber of Commerce and was elected to the Board of Directors of the Rochester Kiwanis Club. He was appointed to the Historical District Commission of Oakland township and was a member of the Oakland Township Historical Society where he was a key figure in the saving and moving of an historical home which has since become part of an historical park village.

As a member of the Pixley Memorial Chapel staff, Mitchell was instrumental in the development of a Widow to Widow Program. (Continued on page seven)

JOHN W. MITCHELL

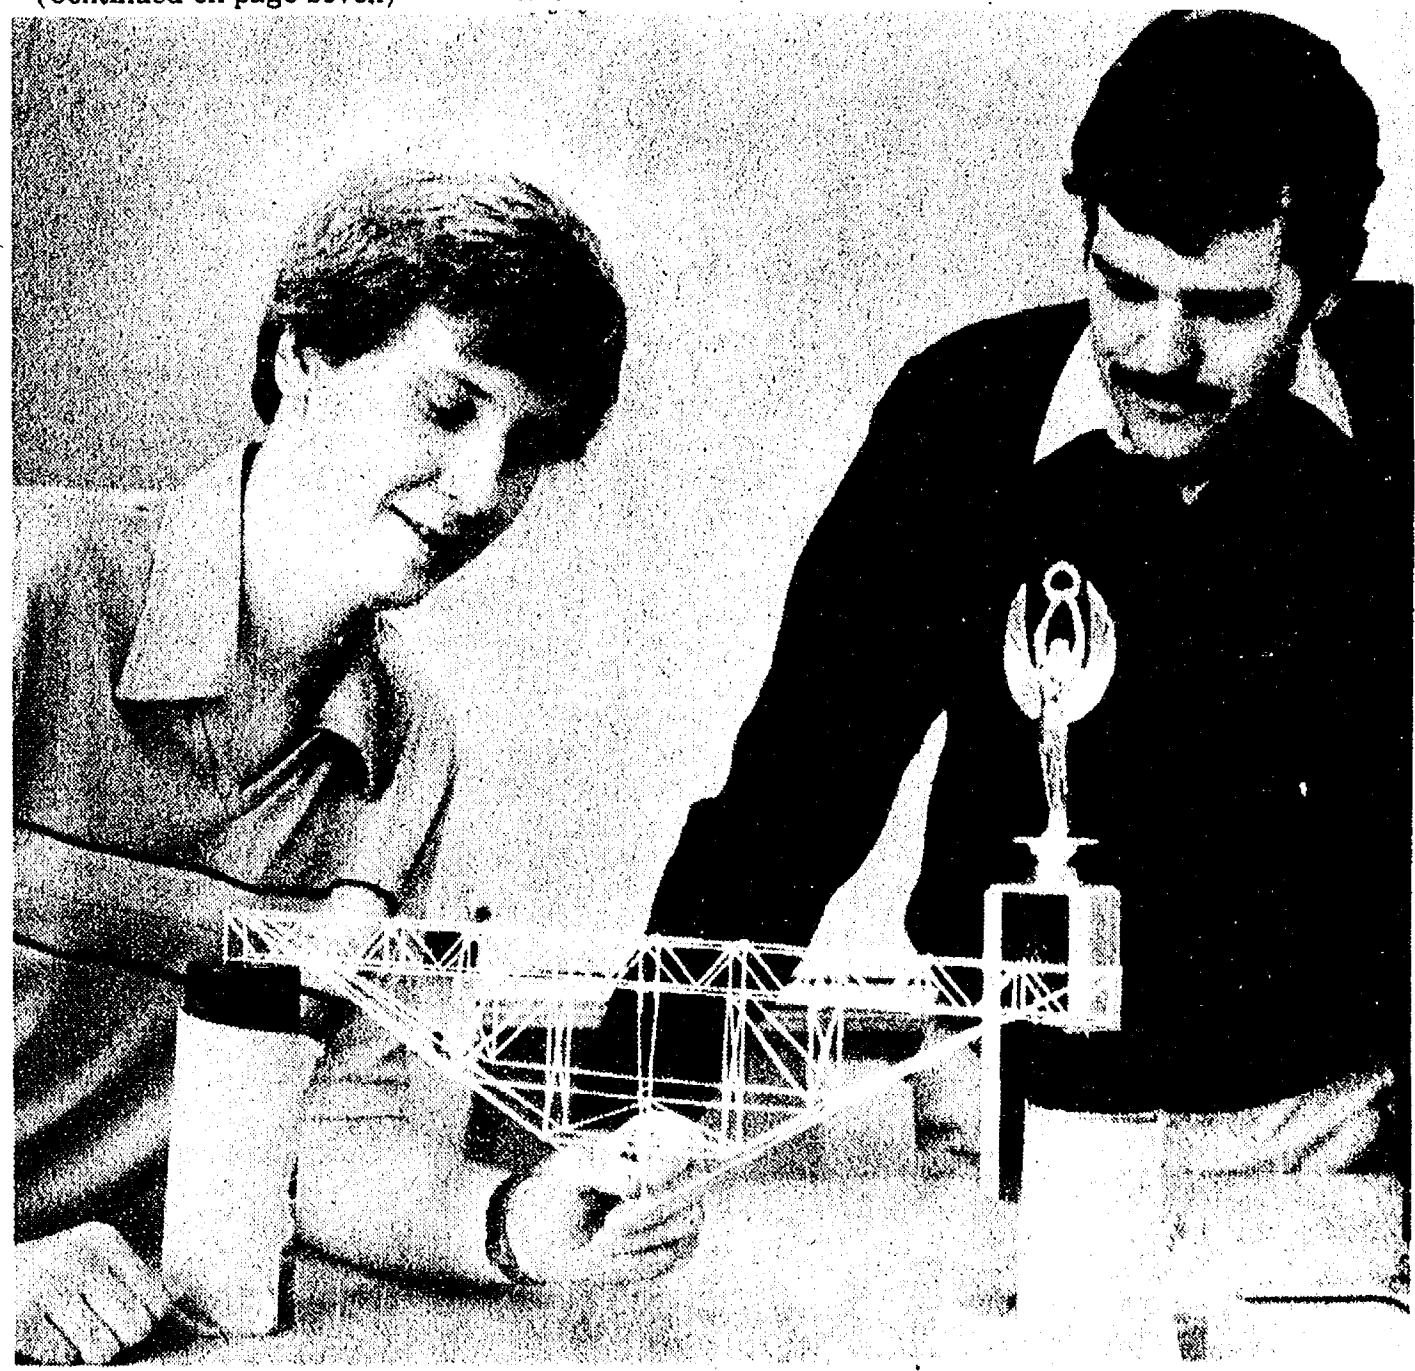

Chelsea Will Host State Festival

For the first time, Chelsea has been selected to host the State Solo and Ensemble Festival Saturday, March 28 beginning at 8 a.m. and running through 4 p.m.

The Chelsea location is one of six such locations scattered across the state. Participating in the festival will be those students who qualified at districts held earlier in the year.

Held in the Beach Middle school auditorium, students from approximately 35 schools, including Chelsea, will take part, being judged individually and in groups of up to eight members. Participants will be judged in five categories: tone, intonation, rhythm, interpretation and technique.

The State Solo and Ensemble Festival is open to the public.

IT'S NOT LONDON BRIDGE, but it did win first place in the 1981 University of Michigan Toothpick Bridge Building Contest, sponsored by the school's College of Engineering. Loren

Walworth, a Chelsea High school junior, demonstrates the strength and design of his bridge to teacher/co-ordinator Jim Tallman.

Toothpick Bridge Building Contest Won By CHS Junior

For the third consecutive year, a Chelsea High school student has won the University of Michigan Toothpick Bridge Building Contest sponsored by the Department of Civil Engineering.

Judged on both appearance and strength, a bridge designed and constructed by CHS junior Loren Walworth, took first place.

Chelsea teacher-co-ordinator Jim Tallman explained that Walworth's win "was quite an accomplishment." From a field of approximately 25 competitors, two other Chelsea students com-

peted in the task. Chelsea senior Todd Brehmer took fourth place in the competition in which freshman Tom Nemeth also competed.

According to Tallman, weight is a key factor, the lighter the bridge the better. The bridge entries are judged for appearance by an architect initially. Then certain tests are run, including strength tests to determine amount of sag. "By placing a weight device on the bridge, the amount of weight is steadily increased until either the bridge

crumbles or sags approximately one quarter of an inch," explained Tallman.

Walworth, the son of Mr. and Mrs. Bruce Walworth of Werkner Rd., was obviously pleased by his winning design that was tested at an open house at the U-M College of Engineering.

The annual contest is sponsored by the school in hopes of getting people interested in civil engineering and possibly recruiting qualified young people into the civil engineering program at the university.

JUST REMINISCING

Items taken from the files of The Chelsea Standard

4 Years Ago . . .

Thursday, March 31, 1977—Wallace Fusilier, Lima township trustee, announced his resignation today and was promptly joined in that action by three other Lima township officials, Leila Bauer, Donald Bauer and Jeanette Herrst. Mrs. Bauer had been township clerk for the past six years, while Bauer and Herrst were deputy clerks.

The Chelsea community will be losing a highly capable, multi-talented resource today when the resignation of Kay Donley, executive director of Spaulding for Children, takes effect. Mrs. Donley, who has directed the agency since its inception in July, 1968, will be moving to New York where she will direct a sister agency to Chelsea's Spaulding for Children.

Perhaps in reaction to the well-publicized, tragic kidnapping of at least four children in the Oakland county area, three Chelsea elementary school children reported an alleged abduction attempt to North school officials last Thursday, March 24. According to Chelsea police reports, the children were returning to North school after completing safety patrol duties when one to the children claimed a car carrying two women and a man stopped nearby and allegedly attempted to lure the children into the vehicle.

After winning both district and regional titles in parliamentary procedures' competition, members of Chelsea's FFA chapter finished their season with an honorable mention award in state finals last Thursday. The group included Kent Bollinger, Tim Welshans, Shelly Hatt, Becky Bollinger, Cindy Welshans, Bob Ball and Mark Lesser.

14 Years Ago . . .

Thursday, April 6, 1967—A truck tractor valued at \$16,000 was stolen early Sunday morning from the used car lot of Triangle Auto Sales, 1477 S. Main St. The vehicle was recovered Sunday evening along Sylvan Rd. in Sharon township, between Trolz and Wingate Rds. No suspects have been apprehended. Ross W. Campbell was elected Monday to Washtenaw county's probate judgeship in the only item on area township ballots. Campbell defeated Rodney E. Hutchinson, Ypsilanti attorney, by a county-wide vote of 9,067 to 8,589. The figures are unofficial until the vote canvass by the County Board of Commissioners is complete.

In response to a complaint by Dr. Michael Papo on delays at the crossing of N. Main St. with the New York Central Railroad, the Michigan Public Service Commission has ordered the railway company to adjust the circuitry to the crossing protection installations, and ordered trained crews performing switch operations to avoid unnecessary traffic problems at this crossing.

After a few quiet weeks early this spring, the Chelsea Fire Department has been kept busy this week by a rash of fires, several of them small grass fires.

By Warren M. Hoyt, Secretary, Michigan Press Association

U. S. Constitutional Revision Commission Proposed
Lieutenant Governor James H. Brickley has proposed the creation of a special national commission on constitutional revision to propose revisions in the operation of the federal government and to review the relationships between state, local and federal governments.

In remarks delivered at the Institute of Politics at Harvard University, Brickley suggested the commission consist of 151 members.

Those members would be selected by the president, congressional leaders, the U. S. Supreme Court Chief Justice and each state governor.

Brickley said the commission could take an opportunity to construct a better process in which issues can be resolved rather than trying to resolve the issues themselves.

"The fact that the call-to-arms for reform of political institutions has come, by and large, from those outside government reinforces the view that government has become paralytic."

Legislator Says Washington Causes State Tax Problems
Michigan's tax problems stem from the federal, not the state government, Representative Michael Bennane (D-Detroit) believes.

He said the state has lost nearly \$90 billion in money sent to Washington but not returned as part of federal payments to the state. He noted the state lost \$7 billion to the federal government in 1979 alone.

To help the state's fiscal crisis, Bennane suggested a state savings bond program be instituted, similar to the U. S. savings bond program.

Bennane said he would urge all citizens to sell their federal bonds and buy state bonds as a way of

sending a message to Washington that "they're mad as hell."

The Detroit legislator said the tax-cutting efforts of Robert Tisch were misdirected. Tax-cutting efforts should be directed at Washington, he said.

"Should a drastic tax cutting plan be adopted in Michigan it would only exacerbate the problem because even fewer federal dollars would come to the state," he said.

State and local taxes account for about 12.4 percent of personal income which is about average for the state, Bennane said.

Michigan, however, ranks last in the amount repaid to the state from the federal government.

"Some states get as much as \$3 or \$4 for every \$1 they send in taxes. Whereas in Michigan the highest we've ever gotten was 87 cents," he said. In 1979, the state got only 66 cents to the dollar.

As a possible solution to the disparity of payments, Bennane suggested a constitutional amendment permitting long term bonds for state operations.

Going to a savings bond system likely would not be popular, Bennane said, but it would provide an option to cutting programs. He said bond interest could be paid to holders during good economic times and the bonds sold during bad times to generate revenue.

Bennane added some tax savings for bond holders would probably have to be included for the program to be salable.

Yours truly,
Uncle Lew.

Practical speaking, declared Ed Doolittle, everything is going that way. We got machines that do more of our work, but we got to spend so much time filling out Government papers we can't enjoy the extra time. A meat packer's computer tells everything about the hog, even writes the farmer a check. General Motors has a car that tells you, not shows you when your oil is low, and you can tell the car when to turn on the lights. Meanwhile, Ed went on, workers the computers replace are spending so much time making out reports on how safe and clean the machines are they're complaining they'd rather do the work than the paperwork.

Not perfume, declared Bug. He had another clipping where this cologne company is coming out with 'smells' named for 'cities.' Chicago don't smell like hog butcher to the world. Windy City Wind has a 'spicy, breezy scent.' And Detroit checks in with flowers, not motor fumes. Rochester smells like lilacs cause it claims to be the world capital of that flower. And you can't trust the Army, Bug went on. Shiny boots has been the order of the day as long as soldiers have wore shoes. Bug said now the Army says a man with shiny footwear will git giggled cause the reflection can be picked up by the enemy, so everybody has got to give his boots a good scuffing.

General, the fellers joined the game, Clem Webster said you can't trust your doctor. He had this report where cutting down on cholesterol is hazardous. High cholesterol is linked to heart disease, and now low cholesterol is linked

to cancer. You pays your money and you takes your chances, Clem declared, and in the meantime doctors are playing the percent and perscribing fer low, cause more die from bad hearts than cancer. Bug said this same doomed if you do, doomed if you don't trap is coming out in roads. Folks were urged to drive less to save gas, and now states are running out of gas tax money to keep up the roads, so they're going to have to up the tax on gas we buy less of so they can have good roads we won't be able to afford to ride on as much as we can the bad ones.

Rebekahs Hold Memorial Service for Deceased Member

At the regular meeting of Chelsea Rebekah Lodge No. 130 Tuesday, March 17, 15 members assembled at the hall with Hazel Dittmar as the evening's lunch committee.

The draping of the charter and a special memorial service was observed in memory of Lulu Sweeney who had been a Rebekah member for nearly 60 years. She served as a past noble grand,

EGELER-SHELHART: The engagement of Iris Eva Egeler and Troy David Shelhart has been announced by the bride-elect's parents, Raymond and Dorothy Egeler of Ann Arbor. The future bridegroom is the son of Charles and Mary Ann Shelhart of Dexter. The bride-elect and her fiancé will graduate from Dexter High school in June. Miss Egeler is employed at Delahant's in Ann Arbor while her fiancé is employed at Dan's Marathon Service, also in Ann Arbor. The couple is planning a July 11 wedding.

The first strike by journeymen occurred in 1768 in New York City as journeymen printers refused to work unless they received "three shillings and six pence per day with diet," according to a U.S. Department of Labor publication, "Labor Firsts in America."

president of the 12th District and had served on several committees for the State of Michigan Rebekah assemblies. Her name will be placed in the Golden Book at the IOOF and Rebekah Home in Jackson.

Further business conducted included reports received from various chairmen. Jo Hochrein gave a report on the sale of knives and on the Bakeless Bake Sale while Helen Harris reported on the upcoming rummage sale to be held May 15 and 16. Mary Ann Coltre and Olla Voelm reported on the large over-head lighting.

A monetary gift was allotted to be sent to the Children's Camp at Baldwin for the purchase of first aid supplies needed. This camp is owned by the Odd Fellows and Rebekahs. A pair of crutches and a prong cane were presented to the lodge by the Ruth Perkins family for the purpose of being loaned to anyone in need.

Mrs. Shirley Dehn was appointed to fill the vacant seat of the left support to the noble grand and was properly installed into this office.

Emblematic memorial flags were ordered. These are placed on all deceased members' graves each year as a memorial.

Members reported on the sick list were Mrs. Leila Weir and Nina Lehmann while members from the sister lodge of Dexter, Mrs. Margaret Devlin and Emalee Turner, were also reported to be ill.

The local lodge will be responsible for the entertainment segment at the 12th district meeting to be held in Jackson at 10 a.m. Saturday, March 28. Martha Lodge No. 2 is hostess for this all day session. Local delegates will include Ada Mushbach and Eulalee Packard, with other members attending.

The next regular meeting of Rebekah Lodge No. 130 will be held Tuesday, April 7 at 7:30 p.m. with Olla Voelm and Evelyn Hale as co-chairmen.

NANGLE-BARNES: Dr. and Mrs. John E. Nangle of Kalamazoo have announced the engagement of their daughter, Deborah Ann, to Dan Williams Barnes, son of Mr. and Mrs. Jack E. Barnes of 9 Maple Ct., Chelsea. The bride-elect is a graduate of Central High school in Kalamazoo. She recently graduated from Michigan State University with a B.A. in marketing. Her fiancé is a graduate of Chelsea High school and Michigan State University. He is a systems specialist for Reed Office Systems of Grand Rapids. He resides at Wall Lake in Delton. The couple is planning a July 11 wedding at the First United Methodist church in Kalamazoo.

Ruth Circle Notes

An air of St. Patrick's Day prevailed in the Crippen Building of the Garden Apartments on Wednesday, March 18, when the ladies of Ruth Circle Women's Christian group met for their monthly meeting.

Mrs. Ethel Fleenor and Mrs. Elaine McCalla served as hostesses for the afternoon, having charge of refreshments.

A business meeting was held and devotions were given by Mrs. Esther Kirn and Miss Wilda Bradley presented the program entitled, "Growing Old, It Ain't So Bad."

Chelsea Child Study Club Hears CHS Counselor

Chelsea Child Study Club's March 10 meeting was held in the home of Barb Branch with 18 members and one guest present.

Roll call was answered with the favorite trip taken within 100 miles. Greenfield Village and Frankenmuth were chosen by many members.

During the business meeting, members were reminded of spring planning which will be held in Jackson on Saturday, May 16.

Chris Dimanin, counselor at Chelsea High school, spoke to the club concerning his duties as CHS counselor. He also presented club members with much helpful information on college entrance preparation.

Dessert, tea and coffee concluded the evening. Co-hostesses were Louise Likavec and Ann Schaffer.

The March 24 Husband's Night meeting, a wine tasting party, will be held at the home of Jerry and Ellie Giffin.

Anna Sanderson Honored By Family On Her 89th Birthday

Thirty-four family members of Mrs. Anna Sanderson gathered together Sunday, March 22 at her home for dinner to celebrate her 89th birthday. Included were all five of Mrs. Sanderson's children, seven grandchildren and 12 great-grandchildren.

Those attending were Mrs. and Mrs. John Arend of East Lansing; Mr. and Mrs. Steve McGarry of Holt; Mr. and Mrs. Lee Arend and Emily, Mr. and Mrs. Leon Sanderson and George Sanderson, all of Grass Lake; Mr. and Mrs. Brian Whitley of Manchester; Mr. and Mrs. Chuck Armstrong and family of Gregory; Mr. and Mrs. Carl Sanderson and Larry of Chelsea; and Mr. and Mrs. Howard Kelsey, Mr. and Mrs. Dale Kelsey and family, and Mr. and Mrs. Allan Kelsey and family, all of Jackson.

Mr. and Mrs. Scott Timothy Dalton

Kristina Saarinen, Scott Dalton Speak Vows at Methodist Church

Kristina Marie Saarinen and Scott Timothy Dalton exchanged wedding vows Saturday afternoon, Feb. 7 at 4 p.m. at First United Methodist church, Chelsea. The Rev. Marvin McCallum officiated at the candlelight ceremony.

The bride is the daughter of Mr. and Mrs. Harold A. Saarinen of Chelsea. The bridegroom is the son of Mr. and Mrs. William Dalton of Chelsea and Mr. and Mrs. Jim Baughn of Milan.

The bride, given in marriage by her parents, wore a white chiffon gown accented by a high collar of chantilly lace and embroidery. The V-neck bodice was edged in Venice lace. Sheer, long schiffli sleeves, a natural waistline and a skirt of crystal pleats complemented the gown that terminated in a chapel length train accented by Venice lace. The bride wore a chapel length veil with schiffli accents and carried a cascading bouquet of white roses, miniature white carnations, baby's breath and fern.

Mrs. Harold A. Saarinen, mother of the bride, served as her daughter's matron of honor. She was attired in a royal blue Quiana floor length gown accented by a light blue floral cape. She carried a bouquet of white and peach miniature carnations with baby's breath.

Bridesmaids included Mrs. Thomas Clemens of Munith, sister of the bride, Mrs. Jaye Saarinen of Grass Lake, sister-in-law of the bride and Mrs. Pam Stephens of Chelsea, a friend of the couple. They wore gowns identical to that worn by the matron of honor and carried similar flowers.

The bridegroom's stepmother, Mrs. Dalton, was dressed in a light blue floor length gown and wore a corsage of pink rose buds and white miniature carnations.

Serving as flower girl was Carrie Kinnunen of Mt. Clemens, cousin of the bride, while ringbearer was Eric Dalton, brother of the bridegroom.

Alan Dalton of Chelsea served as his brother's best man while groomsmen included Adrian Saarinen of Chelsea and Jaye Saarinen of Grass Lake, brothers of the bride, and Doug Bradley of Chelsea, a friend of the couple. Assisting as ushers were Adrian and Jaye Saarinen.

Immediately following the wedding ceremony, a reception was held at the Chrysler UAW

Hall. Mrs. Francis Kinnunen, the bride's aunt, cut the wedding and bridegroom's cakes. The bride is a graduate of Chelsea High school and Washtenaw Community College. She is employed as a dental assistant at the University of Michigan. The bridegroom is also a graduate of Chelsea High school and is employed at Ann Arbor Terminal. The couple is residing in Chelsea.

Spring Craft Workshop Set For Sunday

Washtenaw County Parks and Recreation Commission will be sponsoring a Spring Craft Workshop on Sunday, March 29 from 2 to 4 p.m. Those attending will learn how to make several Spring and Easter crafts, including Ukrainian Easter Eggs. Each participant will have the opportunity to make several of the craft items demonstrated.

The workshop will be held at the Washtenaw County Recreation Center located on the corner of Washtenaw Ave. and Hogback Rd. The \$3.50 fee will cover the cost of materials and an instructions folder of all crafts demonstrated. Bring your own scissors. You must register in advance because of very limited space.

when not pitching while at short-stop, Jeff Dils will be the key with relief assistance by John Welton. The outfield will be the season home of Mike Barels, Mike Gipson and Craig Olmsted.

C. of C. Plans Studies of Job Development

At the monthly meeting of the Chelsea Chamber of Commerce, held Tuesday, March 10, the Board of Directors decided to hold its first membership meeting, tentatively scheduled for Tuesday, April 28, under the direction of Sam Johnson.

This meeting will be held in the Chelsea Milling Auditorium. The topic to be discussed will be economic development in the greater Chelsea area. A guest speaker or panel will discuss the need for economic development and ways to go about it. According to the Board of Directors, there are 1,500 fewer jobs in Chelsea this year as opposed to last. This illustrates the obvious need for developing jobs in a logical and intelligent manner.

The first collective bargaining agreement in the building trades was gained in 1885 by bricklayers in New York City, according to a publication of the U. S. Department of Labor.

REASONS WHY FARM BUREAU MUTUAL IS MICHIGAN'S LARGEST FARM INSURER.

FARM BUREAU INSURANCE GROUP

Then, following opening day, Coach Welton will pack up his players and their equipment and head to Sarasota, Fla., for a week of sunning, swimming and most important of all, PRACTICE. Driving in three vehicles, the team and a group of chaperones will start out early Friday morning, April 3 and drive straight through to the Sunshine State. Estimated time of arrival is mid-day Saturday, April 4.

The team will stay at a KOA campground where the entire squad will be housed in a 25-man tent donated to Chelsea by the Army. Early morning practice will take up four hours each day followed by free time to enjoy the scenery, beaches and attractions, including a one-day trip to Walt Disney World in Orlando.

This is the second such trip, the first in 1972 when Wayne Welton was on the team. "It's a supplement to their senior trip," Welton explained, "Plus, it gives them a chance to practice in a warm climate."

The spring training camp will conclude with an intersquad game Saturday, April 11 just prior to their departure. The team, well-rested, practiced and tanned will return to Chelsea Sunday, April 12 in shape for the continuation of the regular baseball season.

Research Study Seeks Heart Attack Victims

"Can heart attacks be prevented by lowering cholesterol?" is the question asked by a team of University of Minnesota researchers conducting a study of the relationship between heart disease and cholesterol.

Most heart trouble results from atherosclerosis or hardening of the arteries. A clue to the cause of atherosclerosis may be that cholesterol, a fatty substance, is found in diseased arteries; it is, however, still uncertain whether lowering cholesterol can actually prevent heart attacks. The research team hopes to answer this question.

The University is seeking persons aged 28 through 64 who have had only one heart attack and that attack was in the past five years. Anyone interested in more information may call the University of Minnesota Hyperlipidemia Study collect at 612-376-4494.

PRESIDENTIAL TRIBUTE: Students in Jill Cummins' and Anita Daniels' South Elementary school classes decked their halls last week, paying tribute to the presidents of the United States. Responsible for the "Hall of Presidents" were, front row, Tammy and Tiffany Browning, and back row, left to right, Brian Talbot, Shawn McDonald, Chris Wilson and Jimmy Alford.

Discussion Meet Scheduled on Land Assessment

Washtenaw County Farm Bureau Local Affairs Committee will sponsor a public meeting at the Washtenaw County Farm Bureau office, Monday, March 30 at 7 p.m., according to Malgoin Ratcliff, committee chairman. The main topic to be discussed is continuing land assessment increases. Other items include agricultural land preservation, the value of PA-116, rural crime prevention, political action opportunities in local government and the new direction of local government.

Four Metroparks Have Tent Camp Sites for Youth

Four Metroparks have sites for group tent camping by boy and girl scout units and other properly sponsored youth groups, with a permit fee of \$5 per group per visit.

Information regarding group tent camping at the Huron-Clinton Metroparks is available by contacting these park offices: Stony Creek Metropark, 4300 Main Park Rd., Washington 48094. (Phone: 781-4242). Kensington Metropark, 2240 West Buno Rd., Milford 48042. (Phone: 685-1561). Hudson Mills Metropark, 8801 North Territorial Rd., Dexter 48130. (Phone: 426-8211). Lower Huron Metropark, 17845 Savage Rd., Belleville 48111. (Phone: 697-9181).

WCSCD Newsletter Judged Regional Winner

Washtenaw County Soil Conservation District has been awarded first place regional winner (North Central Region) in the 1980 Newsletter Contest sponsored jointly by the National Association of Conservation Districts and The Farm and Industrial Equipment Institute.

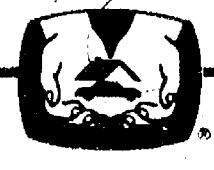

Published by the 2,950 Soil and Water Conservation Districts, the newsletters represent seven regions across the United States. Newsletters are judged on readability, regularity, subject matter and circulation. Judging is done by nationally recognized experts in the field of communications.

These newsletters represent a major means of communication between landowners, municipal officials and other individuals interested in soil and water conservation activities.

Peach of an Idea

Moses Coats, a mechanic from Downingtown, Pa., apparently was tired of helping his wife in the kitchen. To save himself some time, Coats patented an apple parer on Feb. 14, 1803. The simple tool saved time and helped make kitchen work a little easier. Parers, churns, toasters and washtubs are only some of the fascinating items on exhibit in the Domestic Arts Collection of Henry Ford Museum, Dearborn.

Telephone your club news to 475-1371

You need both. Allstate homeowners insurance and mortgage protection life insurance.

Allstate's homeowners insurance will help to rebuild your house if an insured disaster strikes. But, what if something happens to you? Who will pay off the mortgage? That's why you also need Allstate Life's mortgage protection life insurance. It helps pay off the mortgage if you die. So your family will have help to live in a debt-free home. You need *both* kinds of insurance.

Just give me a call and get in on Allstate's Good Hands protection.

Detective Fiction Writing Course Will Start April 6

Local mystery writer Loren D. Estleman will lecture on the fine points of murder during two adult evenings classes to be offered by Dexter Community Education beginning the week of April 6. "Mainly Murder," a writing course, will examine the American school of detective fiction. Vintage radio mystery dramas will be heard and discussed, and outstanding examples of the form studied, with students contributing their own efforts at the end of the term. Class will meet Tuesday evenings at Dexter High school.

"Sherlock Holmes," an appreciation course, will spotlight the life and times of Sir Arthur Conan Doyle's Victorian detective, with special attention paid to Dr. Watson, Professor Moriarty, and London in the 1890s. The course will take place Thursday evenings at the Dexter District Library on Baker St., in a reconstruction of Holmes' famous sitting room.

Estleman, a former staff writer of The Dexter Leader, is the author of "Motor City Blue," "Sherlock Holmes vs. Dracula," and "Dr. Jekyll and Mr. Holmes," among other books of a non-mystery nature. To register or for further information, call Christopher Wall at 426-4623.

NASA Space Films Offered By Legion

American Legion Post 31 at Cavanaugh Lake has finalized the program "Journey into Space," a NASA film presentation.

The five exciting and spectacular films will be shown at 2 p.m. and again at 6 p.m. Saturday, April 4 and at 3 p.m., Sunday, April 5.

The program will include "A Man's Reach Should Exceed His Grasp," the story of flight and man's reach for new freedoms from the Wright Brothers at Kitty Hawk to the landing on the moon; "A New View of Space," a dynamic overview of the space program—past, present and future; "The Vital Link," a view of NASA's world-wide travel and communications systems which will show how stations guide and control spacecraft communications with Apollo astronauts.

Following the first three films will be a short intermission. Thereafter, the final two films will be shown. The fourth film, "The Eagle Has Landed," will cover the flight of Apollo 11 and man's first landing on the moon. The final film in the series, "Apollo 16—Nothing So Hidden" will exhibit some of the most spectacular lunar photography of all Apollo missions.

Priced at \$1, the three-hour shows will provide economical family entertainment and children from ages six and up are welcome.

Tickets are available from any Legion member, Strieter's Men's Wear and at each performance at the Post.

Refreshments, including hot dogs, will be available before and after each show and during intermission.

Dexter Township Board Proceedings

Regular Meeting

Date: Monday, March 16, 1981. Place: Dexter Township Hall.

Present: Arlene Howe, William Eisenbeiser, Forrest Begres, Ed Bouillon.

Meeting called to order by the supervisor, Arlene Howe.

Moved by Begres, supported by Bouillon, to approve the minutes of March 3, 1981 meeting as submitted. Carried.

Clerk's Report—Received Zoning Board report.

Treasurer's Report (Enclosed).

Moved by Begres, supported by Bouillon, to approve the bills as submitted. Carried.

Moved by Begres, supported by Bouillon, to pay the sign commission members at the rate of \$25 per meeting for the chairman and \$20 per meeting for the members. Carried.

Moved by Eisenbeiser, supported by Bouillon, to hire Ralph Parker as Zoning Enforcement Officer and Blight Enforcement Officer, effective April 1, 1981. Carried.

Moved by Begres, supported by Bouillon, to disapprove of the consent judgment in the Merkel Case as proposed by Mr. Flintoft and express the Township position as stated in the Board of Appeals decision of June 10, 1980. Carried.

Moved by Eisenbeiser, supported by Bouillon, to adjourn. Carried.

Meeting adjourned. Respectfully submitted, William Eisenbeiser, Dexter Township Clerk.

Michigan State University, when it was founded in 1855, brought a new concept to higher education when it combined education with research and public service.

DANCING UP A STORM: The Retired Senior Volunteers program sponsored a "Meet and Eat" event at St. Paul church Wednesday, March 18 to thank Chelsea volunteers for having donated time

to assist other senior citizens. Following the meal was a special performance by "The Silver Squares," a group of square dancers from the Ann Arbor area.

Psychology Award

Nancy Heller, a senior at Chelsea High school, is the first recipient of the psychology award this semester.

The award is presented every two weeks to a student who is a leader in his or her individual way. The selection is made by class members under the direction of Paul Terpstra. The purpose of the award is to recognize excellence and to inspire motivation in the psychology field.

Nancy, as told by some of her classmates, was chosen because of her grades as well as her willingness to participate in class discussions and activities, including being hypnotized by Dr. Paul Davis of Washtenaw Community College during a class demonstration.

She is the daughter of Mr. and Mrs. Robert Heller, 1610 Guenther Rd., and upon graduation, Nancy plans to attend Central Michigan University where she will pursue studies in business.

NANCY HELLER

EMU Releases More Recognition of Excellence Awards

An additional 104 winners of the 1981-82 Recognition of Excellence Awards were announced last week by Eastern Michigan University. A total of 330 winners were announced previously.

Among those winners named last week was Chelsea High school graduate Kathy Honbaum, 9100 Stofer Rd.

Recipients of the \$1,000 scholarships must have earned a minimum 3.5 grade point average in high school or community college and must demonstrate outstanding leadership. One award has been designated for each high school and community college in Michigan. Additional awards are given to Michigan schools and out-of-state schools as funds permit.

Tuesday, March 31—"Wild Flowering."

STUDENT ACHIEVEMENT DAY participants include this group of young musicians crowded into a stairwell at the home of Pat Stirling. From rear, they are Cathy Hoffman, Kim Degener, Amy Dmoch, Minda van Reesema, Anna Flintoft, Kim Collins, Chris Rainey, Stephen Radant, Norman Weber, Jim Rooke, Gayla Bauer, Mary Ann Richardson, Melanie Dills, Karen Grau, Carol Palmer, Sara Noah, Lee Riemenschneider, Kelly Kuzon, Missy Young, Christine Young, Meredith Johnson, Tim Mayer, Tucker Lee, Susan

Riemenschneider, Margaret Merkel, Jennifer Colvin, Alison Heppburn, Linda Mullison, David Mayer, Steve Whitesall, Tim Whitesall and Tim Weir. Of the 47 Chelsea area students entered in M.M.T.A. Student Achievement Test on March 21, 32 students received scores of 90 and above. The following top scoring local students were qualified for state semi-finals: Elementary level: Allison Chasteen, Tim Mayer, James Rook, and Christine Young. Junior High level: Michelle Young.

Young Farm Couples Attend State Conference

Young farm couples from 43 Michigan counties gathered in Midland, March 4 through March 6, for the Young Farmer Leaders' Conference where they discussed the future of agriculture and their own future in farming. The Conference, sponsored by the Michigan Farm Bureau State Young Farmer Committee, offered classes in legal rights, personal motivation, tax breaks, first aid and farm partnerships. William Peltes of Dexter and Mr. and Mrs. John Porter of Manchester attended the Washtenaw County Farm Bureau Young Farmers. "Aside from the value of the class sessions, the Conference gave us a chance to talk with other young farmers in the state. It's interesting to find that

many of our problems are the same no matter what type of farming operation is involved," said Doug Darling, Young Farmer leader.

"But, the challenges to young farmers are different from those facing older, more established farmers. In times of low farm profits, the financial pressure on young farm families cannot be offset by profits and investments from previous years. For today's young farmer, good management practice is what counts," Darling added. "Farm Bureau's Leaders Conference provided us with the access to the experts in farm management techniques, and included instruction in the history and development of Michigan Farm Bureau and the Young Farm Program," he concluded.

Former Chelsea Teacher Has Winner in Tennessee

Former Chelsea residents Jim and Suzanne Holm, debate coach and team member at Austin Peay State University in Clarksville, Tenn., respectively, led their team to a second-place finish in the annual Tennessee Intercollegiate Forensic Association Debate and Forensics State Championship Tournament held at APSU Friday and Saturday, Feb. 13 and 14.

MARK COLE
Airman Mark Cole
Attending Missile School
Airman Mark Cole, the son of Shirley Cole of Chelsea, is currently stationed at the Lowry Air Force Base, Denver, Colo. Cole, a 1980 Chelsea High school graduate, entered basic training Aug. 23, 1980 at Lackland A.F.B., San Antonio, Tex. Following basic training, Cole was transferred to Lowry A.F.B. where he is currently attending missile school.

New Pastor Installation

(Continued from page one)

In 1953, he and Joyce Johnson were married; they have four children. He has served churches in Illinois, Michigan and Ohio. Dr. Siebert was a former professional baseball player with the St. Louis Cardinals, past Moderator of the Ann Arbor-Jackson Association and chairperson on the Church Extension Committee, Michigan Conference, UCC.

He is currently serving on the Special Events Committee of Northwest Ohio Association and the Continuing Education Committee, Ohio Conference. His wife, Joyce, is administrative secretary, Tiffin University, Tiffin, O.

The United Church of Christ was formed in 1957 from the merger of the former Evangelical and Reformed churches and the Congregational Christian churches. St. Paul church was founded in 1854. The present church was built in 1965 and has a membership of 380.

School Board Briefs

At a regular meeting of the Chelsea Board of Education Monday, March 16, present were: Stirling, Feeney, Schumann, Snyder, Heller, Dils, Grau, Superintendent Van Meer, Assistant Superintendent Mills, Principals Williams, Conklin, Benedict, Wojcik, Assistant Principal Vogel, Community Education Director Rogers, Athletic Director Nemeth, Special Education Director DeYoung, Attorney Schwarze, guests.

Meeting called to order at 8 p.m. by President James W. Stirling.

Board approved the minutes of the March 2 meeting.

Superintendent Van Meer indicated that the first "See for Yourself" program would be held Tuesday, March 17, when 40 senior citizens would visit classrooms in all schools. The "See for Yourself" program is an attempt to get people into the schools who normally do not have that opportunity.

Assistant Superintendent Mills reviewed with the Board the first meeting of the Transportation Study Committee. The committee is addressing the concerns of the student transfer point at Beach school.

Mills reviewed the 1981-82 tentative budget with all Board members. The budget had previously been reviewed by the Board Finance Committee.

Board approved the preparation of a Resolution for the annual School Election to be held on June 2.

Board approved the purchase of four 66-passenger buses, awarding the bus chassis bid to Palmer Motor Sales (Ford) at a unit cost of \$14,907.88 and the bus body bid tabulation to Classrooms, Inc. (Superior) at a unit price of \$10,800. Total unit price for the bus chassis and bus body will be \$25,707.88; total price of the four buses is \$102,831.52.

Attorney Thomas Schwarze indicated that he had filed, on behalf of the District, a Claim of Appeal and a Complaint for Mandamus in the Ingham County Circuit Court. This filing is in response to the State Department of Education's unwillingness to

properly investigate the residency of privately-placed students at St. Louis School.

The Board reviewed four Board policies, and because of substantial changes, will review them at the April 13 meeting.

Superintendent Van Meer reviewed a report to the Board of Education pertaining to the 1980-81 Assessment Test. This report was a comparison between state-wide summary of the reading and mathematics objectives as tested in grades 4, 7 and 10. Chelsea students again, as in past years, have done extremely well when their scores are compared to the State averages. Chelsea's State assessment scores have continued to rise, maintaining higher scores at all grade levels.

Board approved a 6th grade Human Growth and Development program for Beach Middle School. This program came with a recommendation for approval by the Sex Education Advisory Committee. The program was piloted during the first semester of this school year.

The Board accepted a report on the varsity football program as submitted by the Athletic Director as a public document.

The Board approved a tentative 1981-82 balanced budget, with revenues and expenditures of \$6,419,416.

The Board reviewed the evaluation of the Superintendent, and extended Mr. Van Meer's 3-year contract to June 30, 1984.

The Board was apprised of the annual County School Officers' meeting in Milan on Tuesday evening, March 31.

Superintendent Van Meer reviewed with the Board some of the property tax reform legislation. This property tax reform is expected to be passed by the legislature.

The Board issued commendations to the Band and Orchestra, swim team, and to Class B Coach of the Year Larry Reed.

The April Board meetings will be conducted April 13 and April 27.

PROMOTION: Phillip R. Boham has accepted the position of Industrial Relations Manager at the Chelsea Dana Plant, effective April 1. He has been an employee of Dana Corp. for 14 years, holding positions which have included hourly employee, time study positions, buyer, buyer specialist and assistant personnel manager.

Fire Dept. Reports 601 Man Hours For February

Chelsea Fire Department received and answered a total of 20 calls in February, down from 23 the previous year. This decline is further illustrated by a decline in total 1981 calls as compared to 1980 calls for the same time period. Thus far, Chelsea firemen have responded to 32 calls while during the same time span in 1980, they answered a total of 41. Classifying calls by township, Chelsea firemen received six within the village limits and six in Lyndon township. They answered four calls in Lima township and two calls in both Sylvan and Dexter townships. A total of 336 man hours were spent responding to the calls.

A total of eight chimney fire calls were received by Chelsea firemen last month; five rescue runs were made. In addition, four car fires were reported as well as one grass fire, one electrical fire and one car no fire.

Chelsea Fire Department made a total of 20 fire reports which were sent to the State Fire Marshal's office. Two firemen attended a Washtenaw County Mutual Aid meeting at the Northfield township fire station. Representatives from the State Fire Marshal's office were present to discuss district restructuring following budget cuts and the lack of state funds.

A total of 601 man hours were compiled in February. Of those hours, 265 were donated by the fire volunteers, 336 were paid.

KEN LEWIS, center, is presented with his 15-year service award by foreman Jess Fortner, left, and Dana Plant Superintendent, Jim Brown, at ceremonies held recently at Dana Corp.

15 YEARS OF SERVICE were recognized at Dana recently as Herchell Craft, center, was presented with a ring by foreman Von Fletcher, left, and Plant Superintendent Ken Rock, right.

FOREMAN JESS FORTNER, left, and Plant Superintendent Jim Brown, present Don Fink with his 15-year service award. Congratulations were in order following the Dana Corp. presentation.

CONGRATULATIONS TO RICK NOTT, center, following 15 years of service at Dana Corp. Nott was presented with a ring by foreman Von Fletcher, left, and Plant Superintendent Ken Rock, right, at recent ceremonies held at the Chelsea Dana plant.

Funeral Home Sold

(Continued from page one)

gram, designed to assist recently bereaved persons in the understanding of their situation and the adjusting to a new lifestyle.

Mitchell is married to the former Gloria M. DeGrow; they have three children, John W., 14, Michael D., 11, and Amy L., 7. As a family, they have a variety of interests including collecting antiques. Their collection is representative of all areas of antique collecting and included the complete restoration of an 1886 farm house while in Rochester. In addition, the family enjoys both camping and sailing.

According to John Mitchell, he and his family are looking forward to moving to Chelsea and hope to take advantage of the recreational areas that lie to the north of town.

"I believe that funeral service is a very personal profession and one that needs to be served on a mutual trust basis," commented Mitchell.

He and his family are Methodists. Mrs. Mitchell has served as vice-president of Women's Society in East Lansing at Peoples Church and also held a similar position in Rochester. John Mitchell has been an active member of the Church in both

Rochester and East Lansing where he served on the Christian Education, Stewardship and pastor nominating committees.

The Staffans, who have always lived in Chelsea, will continue to do so. They have enjoyed being of service to this community and appreciate the trust the community has given them. They intend to continue being active in the Chelsea community and will assist the Mitchells in any way possible.

An invitation is extended to the community to attend a reception for John and Gloria Mitchell at Staffan Funeral Home Sunday afternoon, March 27, between the hours of 2 and 5 p.m.

Real Estate

By PAUL FRISINGER

REALTOR

SEX DISCRIMINATION OUTLAWED

The Equal Credit Opportunity Act is now in effect. It forbids creditors from discriminating against applicants for loans on the basis of sex or marital status. Its goal is not to guarantee credit to everyone (if you're a bad credit risk, your loan can still be refused) but your access to credit is now based solely on your ability to pay.

The law does not prohibit a creditor from knowing your marital status; in some cases he has to know it to protect his rights as a creditor, in liens and title transfers, for instance. The law aims at such things as making sure a woman's creditworthiness is judged on the same basis as a man's and that husband and

wife joint credit accounts will provide each of them with an independent credit history. The new law will also prohibit practices that would make married persons more creditworthy than unmarried or separated persons, require credit application to reveal information about childbearing plans; exclude alimony and child-support payments in evaluating creditworthiness.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2821. We're here to help!

Letters to the Editor

To the Editor:

As everybody knows by now, last week-end's state swimming championships resulted in many well-deserved honors for Chelsea High. The team finished third in the state, with only a few tenths of seconds separating them from the crown. Our coach, Larry Reed, was named Michigan Coach of the Year. Many team members had medal winning performances. All these accomplishments were reported in The Standard with appropriate fanfare.

This letter, though, is about another award, one that was never given. It goes from us, the team parents, to that incredible bunch of girls who travelled to Grand Rapids to support their team.

Those people who missed the meet can't imagine the effort these kids put forth, or their importance to the team. The walls of the pool were covered with dozens of posters the girls had made. The rafters rang with their cheers. The team's motel was still being dug out from the girls' 3 a.m. decorating spree. (Blue and yellow crepe paper, signs, balloons—it was really quite a sight.)

Those signs of Chelsea spirit were obvious to everyone. In fact, several coaches from lesser (but larger) communities mentioned their envy at such support. But it wasn't just their enthusiasm that made these Chelsea kids stand out. Even more important was their thoughtfulness, as shown by their unflinching courtesy to opponents and other spectators, or their reserving the best seats for parents.

This letter is our way of telling everybody that we think the Chelsea girls are tops. We're as

proud of them as we are of our sons.

The Swim Team Parents:
Margi and Jerry Mason
Carol and Fred Hoffman
Carolyn and Ken Robbins
Sally and Jim Nicola
Robert and Yvonne Wirtz
Donna and Jim Gaunt
Ruth and Merle Leach
Carol Oxner
Dale and Wynne Schumann
Bev Hawks
Marie Columbo
Dick and Dianne Fowler

Dear Editor:

We are writing to speak for the children with special needs. We are concerned that the children in foster care, institutions and in the process of adoption will not be considered as Congress races forward with proposed Federal budget cuts. Concerned citizens must review these cuts and not allow the children to bear the brunt of the new fiscal policy.

The Adoption Assistance and Child Welfare Act of 1980 (P.L. 96/272) is in danger. This program was designed to save taxpayer dollars by providing services designed to keep children out of expensive long-term public care. The Act has broad public support because it both gives, neglected, abused and hard-to-place adopted children the help they need and cuts costs.

Spaulding for Children places older, and handicapped children, and sibling groups for adoption. Last year we placed 23 children with adoptive families. Many of these families have the love and care and skills to give these children the permanency they need and deserve—but cannot get it alone financially. The proposed budget cuts could deny Michigan its adoption subsidy. Without it many Michigan children with

special needs will be denied a family of their own. The alternative of long foster or institutional care damages the children and is much more costly.

We urge that the children get a fair hearing and that the Federal government not balance the budget at their expense.

Robert Daniels, President
Board of Directors
Spaulding for Children

To the Editor,

St. Patrick did indeed smile down on us March 17. His special Feast day brought with it the launching of St. Mary's Senior Citizens Group.

Our day began with Mass, celebrated by Fr. Dupuis. Organist Carol Gallas and Sr. Patricia led us in song. After wards, all made their way to the Rectory basement where the "goodies" they brought with them made up our very delicious buffet pot-luck. They talked and ate at tables decorated for the "Wearin' of the Green."

The "Contemporaries" entertained all with their special gifts of Voice, Youth and Beauty. Mrs. Barbret, their director, was not with the group but she can be so very proud of these young girls and so pleased also with their accomplishments. They are a credit to the high school and to our total community. The group's choice was three English songs, followed by three "Irish sing-a-long" tunes . . . after that for sure everyone was Irish!

Our social service person, Lois Plantefaber, spoke of what resources are available for the Senior Citizens and named contact people who are "reach out" persons able to direct one's every problem need. Lois, herself, is accomplished in many fields but specializes in counseling at St. Mary's and can be reached every Tuesday afternoon at St. Mary's Rectory. Lois is an enriching instrument in the working of our Parish life.

There are also those who make a "job" a "Labor of Love." Evelyn Hale, Loretta Doll, Katie Chapman and Ruth Zeeb had much to do with the success of the day. Father Dupuis, without you and your special blessing, Our Group would not be. To each one of you very special people who make up our "Senior Citizens," a very special thank you . . . not only for coming, but for all the years you share with us of St. Mary's and the Chelsea Community. We of Christian Service want you to know that St. Mary's is your home away from home. Our Parish Family is your family, too. So we honor you, each one of you, and thank God for putting you here among us.

The next meeting will be a formation of the Group structure and what you want it to be. A very special thanks to one and all. Bob Warner made the remembrance folder possible. Thank you too, Bob.

Millie Warner,
Christian Service Chairman

To the Editor:

Congress needs to block two proposed IRS rules that would not only penalize self-employed Americans, but also frustrate them all over again with the tax collecting system.

I encourage your readers to write their Congressmen to support S. 31 which would block the IRS proposals to restrict the deductions taxpayers can take for an office in their homes or the rental of residences to family members.

Preventing deductions for an office located in the home for independent contractors who operate legitimate part-time or secondary businesses from their homes would penalize en-

HE'S NO MIKHAIL BARYSHNIKOV, but Earl Doletsky did his ballet best with comedienne Jackie King at the annual Agricultural Banquet Thursday evening at the Knights of Columbus Hall on Dexter-Chelsea Rd. Despite inappropriate attire, Doletsky awed the audience with his graceful pirouettes.

Area Students Earn Degrees At MSU

A total of 1,483 degree candidates were awarded degrees during winter commencement exercises at Michigan State University's University Auditorium, Saturday, March 14. The degree candidates included 1,017 bachelors', 329 masters', 75 doctoral, 1 educational specialist, 1 doctor of osteopathy, 58 doctors of medicine and 3 doctors of veterinary medicine.

Five Chelsea residents were awarded their degrees at the ceremony. They included Lesley A. Clark, 13400 Harper Dr., receiving a bachelor of science degree in human environment; Elizabeth Haselschwardt, 754 Book St., receiving her bachelor of science degree in mechanical engineering; Martha L. Hense, 2915 Sylvan Rd., awarded a B.S. in animal husbandry; John Storey, 218 Jefferson St., with a bachelor of arts degree in marketing and Robert M. Wenk, 2681 Fletcher Rd., with a B.A. in hotel and restaurant.

Other area students participating in commencement exercises were Wayne Schmotzer and Eugene P. Muldoon, both of Pinckney. Schmotzer received his bachelor of science degree in veterinary medicine while Muldoon received a B.S. in fisheries and wildlife.

Peter S. Carlson, John A. Hannah Distinguished Professor in Crop and Soil Sciences at MSU and an authority on genetic engineering, delivered the address at the afternoon ceremony. "We are living in a time and place that permits and encourages change," he told graduates. "If you miss the opportunity for experimentation, you may have given up the greatest gift our era has to offer."

entrepreneurship by making it too costly.

We really do have some good people in Congress. Please write them, express your viewpoint and really let them know how you feel.

M. J. McCutcheon.

14th District Court Proceedings

Girl Scout Cookies Delivered

The Longworth Plating shop was a beehive of activity Friday, March 20 and Saturday, March 21, as Girl Scout cookies were delivered to the area cookie depot and, in turn, picked up for disbursement by the troop cookie chairman.

A total of 8,508 boxes of cookies were sold by 72 Junior and Cadet Girl Scouts, averaging 118 boxes per girl; but still 900 boxes less than last year. Persons who have

not yet had the opportunity to support the local Girl Scout troops by purchasing cookies may contact Bert Hinz at 475-8211 or Phyllis Vaillencourt at 475-2850. There will be no cookies sold this year at the banks or Pol-y's as has been done in the past.

Congratulations go to the many girls who worked diligently to reach this total. The top sales award, the Super Patch, will be awarded to Leslie Manning who

sold 304 boxes. Seven girls will receive a patch for having sold 200 or more. These include Stacy McDaniels (Jr. Troop 58), Cathy Hoffman (Jr. Troop 689), Christina Hughes and Lisa Taylor (Jr. Troop 719), Kimberly Homrick and Jennifer and Stacy Harms (Jr. Troop 82).

Receiving patches for having sold 100 or more boxes of Girl Scout cookies will be 36 local troopers including Jennie Chent, Peggy Hammerschmidt, and Karen Paulsell (Jr. Troop 719), Kim Allen, Jeannie Buss, Tami Harris, Linda Laier, Susan McGonigal, Cein Murphy, Angela Meyers, Nancy Steirle and Kim Ritter (Jr. Troop 82), Lori Jedele, Ann Muncer, Valerie Stoker, Teresa Rudnicki, Debbie Urbanek, Kim Easton, Melanie Dils, Gina Smiley and Marcia Kyte (Jr. Troop 689), Shannon DuRussel, Robin Hafner, Erin Haywood, Jennifer Schweiger, Bree Michelsen, Tricia Colby, Christine Young, Brenda Welch and Cari Schwede (Jr. Troop 58) and Brenda Rush, Shanda Friday, Sheri Erskine, Sommer Havens, Julie Thompson and Jimae Ritter (Cadette Troop 98).

Spring Term Community Ed. Brochures Ready

According to the Community Education office, course brochures for spring term 1981 will be in the mail as of Wednesday, April 1. Inside the brochure will be information regarding courses offered during the semester including pre-school summer recreation baseball

Views On Dental Health

By ROBERT A. BURNS, JR., DDS, P.C.

DENTAL IMPLANTS

Dental implantology (inserting a post into the jawbone to act as an anchor for dentures) goes back to the times of the early Egyptians. Mummies and skeletons have been examined, and they indicate that dental implants were attempted even in those days.

A dental implant is a device that supports a single crown, a bridge, or a full denture, when the gums cannot normally retain them. There are two types: One has a metal framework that rests on the jawbone, with the gum tissue closed over it; the other is placed into the bone, like a root of a tooth. Both types have a post or series of posts which protrude through the gum to serve as an anchor.

While implant dentistry is quite complex—and still considered experimental and practiced only by a relatively few experts—it does provide a new approach to denture problems. If can, however, be very expensive and its success cannot be assured.

If you have dental health questions you would like to see answered, please mail them to the address below.

A public service with the aim of promoting a better dental health environment. From the office of: ROBERT A. BURNS, JR., D.D.S., P.C., Chelsea Professional Building, 1200 S. Main St., Chelsea, Phone: 475-9124.

IN A CLASS BY ITSELF

PREMIER CHECKING

The Checking Account That Earns Interest

You may think that interest bearing checking accounts are all the same, but look a little closer. Ann Arbor Trust's Premier Checking is in a class by itself. We pay 5 1/4% interest — the highest rate allowed by law for banks and savings and loans — and we compound continuously on the daily collected balance for an effective annual yield of 5.467%. But, the big difference in Premier Checking is that we offer you the high quality service that you expect and deserve: an atmosphere of friendliness, where banking is a pleasure, not a chore; personal customer contact, where your individual needs are met; and prompt courteous attention where we'll serve you faster.

Our goal is to provide you with the best in banking services, and Premier Checking is one way we're doing just that. Ask about Premier Checking today.

Basic Course Offered in Genealogical Research

Chelsea Historical Society is sponsoring a class in basic genealogical research which will be open to the public at no charge. Instructions will be given in the beginning of research and the organization of materials.

The six-week course will begin Thursday evening, March 26 between the hours of 7 and 8:30 p.m. at McKune Memorial Library. Class size will be limited to 16 participants.

Those attending the class sessions will become acquainted with local genealogical resources and will tap the resources of the National Archives and the nearby branch facilities of the largest repository of genealogical

records in the world, the Genealogical Library of the Church of Jesus Christ of Latter Day Saints, Salt Lake City, U.

Course materials will be available at cost and the course will be taught by Mr. and Mrs. William R. Grimshaw, 403 1/2 East St. Persons interested in tracing his or her family roots should call 475-9697.

Michigan State University operates a congeneration power plant, the type which provides heat, hot water, steam and electricity to the campus and is recommended by the U. S. Department of Energy because of its efficiency.

GIRL SCOUTS

TROOP 58

We talked about good and bad manners at our March 17 meeting. We each had a chance to act out some manners. Jennifer Bliss brought treats. We played balloon baseball. Connie Lonskey, scribe.

TROOP 689

We picked co-patrol leaders at our meeting. We finished our needlepoint for our needle craft badge. They are displayed in Dancer's window. We had fun doing it.

We attended the Father's Day banquet, March 8, in celebration of Girl Scout Week. We had chicken, flowers and after dinner we square danced. Marcia Kyte, scribe.

Julie Lantis Wins National Title in JC Meet

Julie Lantis of Grass Lake, a star on the Dowagiac Southwestern Michigan College cross country team, won the national championship in the mile run at the women's junior college meet held Saturday, March 7 at the University of Illinois at Champaign. She won the event in 5:04.1 and was several seconds ahead of the second place finisher.

In addition, she finished second in the 880 at the national meet with a time of 2:20.27. Her 18 points helped lift Dowagiac into the top 10 in team standings.

Lantis, a freshman, first broke into the distance running limelight when she won the state Class D mile and was second in the two-mile at Grass Lake.

She is the daughter of Kaywood and Lois Lantis of Grass Lake, formerly of Chelsea.

Legal Notices 18

STATE OF MICHIGAN PROBATE COURT COUNTY OF WASHTENAW Publication and Notice of Hearing File No. 74122 Estate of ARTHUR J. SANDSTROM. Social Security no. 380-16-1283. TAKE NOTICE: On April 28, 1981 at 9:00 a.m., in the probate courtroom, Ann Arbor, Michigan, before Hon. Rodney E. Hutchison Judge of Probate, a hearing will be held on the petition of Katherine Sandstrom, for granting administration to Katherine Sandstrom, or some other suitable person and for a determination of heirs. Creditors of the deceased are notified that all claims against the estate must be presented said Katherine Sandstrom, at 605 Grant Street, Chelsea, Michigan 48118, and a copy filed with the court on or before June 9, 1981. Notice is further given that the estate will be assigned to persons entitled thereto. Date: March 20, 1981. KATHERINE SANDSTROM, Petitioner 605 Grant Street Chelsea, Michigan 48118 KEUSCH AND FLINTHOPE Attorneys for the Estate By: JOHN P. KEUSCH P-15927 121 South Main Street Chelsea, Michigan 48118 313/475-8671 March 24

MORTGAGE SALE—Default has been made in the conditions of a mortgage made by JAMES L. MILLER and DEBRA L. MILLER, Husband and Wife, to ANN ARBOR MORTGAGE CORPORATION, a Michigan Corporation, Mortgagee, Dated August 17, 1978, and recorded on August 21, 1978, in Liber 1723, on page 789, Washtenaw County Records, Michigan, and assigned by said Mortgagee to FEDERAL NATIONAL MORTGAGE ASSOCIATION, a National Mortgage Association, by an assignment dated August 17, 1979, and recorded on August 21, 1979, in Liber 1723, on page 713, Washtenaw County Records, Michigan, on which mortgage there is claimed to be due at the date hereof the sum of FORTY THREE THOUSAND SIX HUNDRED SIXTY AND 48/100 Dollars (\$43,680.48), including interest at 10% per annum.

Under the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at public vendue, at the Huron St. entrance to the Washtenaw County Building in Ann Arbor, Michigan, at 10:00 o'clock A.M., Local Time, on April 30, 1981. Said premises are situated in the Township of Ypsilanti, Washtenaw County, Michigan, and are described as: Lot 40, Turtle Creek Subdivision, according to the plat thereof, as recorded in Liber 19 of Plats, Pages 11 and 12, Washtenaw County Records.

During the six months immediately following the sale, the property may be redeemed. Dated: March 28, 1981. FEDERAL NATIONAL MORTGAGE ASSOCIATION Assignee of Mortgagee GEORGE E. KARL, Attorney for Assignee of Mortgagee 1475 Penobscot Bldg. Detroit, Michigan 48226 March 24-31-April 7-14

STATE OF MICHIGAN In the District Court for the 14th Judicial District. File No. CV 14-34-0442 ERWIN A. SALISBURY, J. D., Plaintiff, vs. MARCIA JEAN WILTSE, Defendant.

NOTICE OF SALE Notice is hereby given that, by virtue of an execution issued out of the District Court for the 14th Judicial District of Michigan, County of Washtenaw, Michigan against Marcia Jean Wiltse, upon a judgment in a cause wherein Erwin A. Salisbury, J. D., was Plaintiff, and the said Marcia Jean Wiltse was Defendant, I have levied on the following land situated in the County of Washtenaw, Michigan and described as follows:

Land situated in the Township of Webster, County of Washtenaw, State of Michigan described as follows: Commencing at the North ¼ of Section 5, T1S, R5E, of Section 5, thence E 84 1/2° in N line of Section for place of beginning, thence East 129 8/11° in North line of Section, thence South 15 degrees 27' 30" East 215.96 Ft., thence South 68 degrees 27' 30" W. 128.5 Ft. in center of road, thence North 15 degrees 27' W. 264.22 Ft. to place of beginning, being part of North East FRU ¼, Section 5, T1S, R5E 0.70 acres.

Also known as 6812 Strawberry Lake Road, Dexter, Michigan. I shall expose all said described premises for sale at public sale, to the highest bidder, at the Huron Street door of the Washtenaw County Building, at Ann Arbor, in said County of Washtenaw, Michigan, that being the place of holding the Circuit Court within said county, on the 14th day of May 1981 at 10 o'clock in the forenoon: Dated: March 18, 1981. Earl Ray Washtenaw County Deputy Sheriff. March 24-31-April 7-14-21-28

Red Cross Conducting Blood Poster Contest

"Let's Get Young Blood Circulating," is the theme of a high school poster contest recently announced by the American Red Cross Blood Services Southeastern Michigan. All high school students in Wayne, Oakland, Macomb, Washtenaw and St. Clair counties are eligible to enter. The poster rules are simple: 18 inches x 25 inches in size, two colors, red and black, and must emphasize the need for high school students to donate blood when they are eligible. Deadline is April 15. Judging by a panel of experts will be held the week of April 20 and winners will be notified April 22.

A selection of posters will be displayed at Gallery Renaissance in the RenCen from April 18 through May 4. Complete rules and entry blanks have been sent to all high school art departments. They are also available by calling the Red Cross, c/o William King Springett at 282-2434, or write American Red Cross Poster Contest, 2036 Ford Ave., Wyandotte 48192.

Women whose mothers or sisters have had breast cancer have a higher risk of developing the disease and should learn and practice monthly breast self-examination. Other risk factors include being childless, giving birth to a first child after age 30, early menstruation and/or late menopause. When you have questions about cancer, call the Michigan Cancer Foundation, a Torch Drive Agency. Call toll-free 1-800-462-9191.

Telephone your club news to 475-1371

Community Ed... (Continued from page nine) dates and a Country Craftique schedule. The summer 1981 brochures will be prepared and mailed as of May 15 and will include summer recreation activities, the aerobic dance schedule and programs sponsored by Waterloo Farm Museum.

CHelsea VILLAGE COUNCIL PROCEEDINGS

March 17, 1981

Regular Session.
The meeting was called to order at 7:30 p.m. by President Ritter.

Present: President Ritter, Clerk McGibney and Administrator Weber.
Trustees Present: Chriswell, Kanten, Popovich, Merkel and Keezer.

Trustee Absent: Sweet.
Others Present: Dale Gardner, Emmett Hanker, Karen Steinaway, Sergeant Leonard McDougall, Mary Harris, Fred Harris, Mel Leach and Police Chief Aiello.

Minutes of the March 3, 1981 meeting were read.

Motion by Popovich, seconded by Kanten, to approve the minutes as read. Roll call: Ayes all. Motion carried.

Clerk McGibney administered the oath of office to Evelyn Rosentreter as Clerk, and to Jerry Satterthwaite, John Popovich and Lyle Chriswell as Trustees.

(Clerk Rosentreter and Trustees Chriswell, Popovich and Satterthwaite took their seats on the 1981 Council.)

A Public Hearing was held on Proposed Rules for Compliance With Federal Energy Regulatory Commission Order No. 69, Cogeneration and Small Power Production.

RESOLUTION RE: RULES FOR COMPLIANCE WITH FEDERAL ENERGY REGULATORY COMMISSION ORDER NO. 69 COGENERATION AND SMALL POWER PRODUCTION
WHEREAS, the Public Utility Regulatory Policies Act of 1978 (PURPA), under Section 210, requires the Federal Energy Regulatory Commission (FERC) to develop rules which encourage Cogeneration and Small Power Production, and;

WHEREAS, pursuant to Section 210, regulations have been prepared by FERC and published in the Federal Register (45 FR 12214, February 25, 1980) which will require the Village of Chelsea, Michigan, a nonregulated electric utility, to implement, to the extent possible, the procedures and requirements of FERC Order No. 69, and;

WHEREAS, said Village of Chelsea did:

1) Draft proposed rules to comply with FERC Order No. 69, Cogeneration and Small Power Production.
2) Published in a newspaper of general circulation; a Notice of Public Hearing on its Proposed Rules and in said Notice did encourage from its customers and the general public, comments on the Proposed Rules.

3) Held said Public Hearing on March 17, 1981 and received the following (two) comments:

a) Peter C. Flintoft, Chelsea Village Attorney — "Under proposed rule 3.10, I believe the citation to paragraph 292.303 is in error, should it not be paragraph 292.302(c)?"

b) Charles North, Cummins & Barnard, Inc., Consulting Engineers for the Village of Chelsea — "Under paragraph 4.4 and 4.5, I suggest that something be added to the rules to make the burden incurred by the utility in determining avoided costs the responsibility of the qualifying facility."

NOW, BE IT RESOLVED, AND IT IS HEREBY RESOLVED, that this Village Council for the Village of Chelsea, Michigan instructs the Village Administrator to make changes in the Proposed Rules for Compliance With FERC Order No. 69, Cogeneration and Small Power Production, which will in effect, incorporate into the rules, the comments received at the Public Hearing, and;

BE IT FURTHER RESOLVED, that with said changes, the Proposed Rules for Compliance With FERC Order No. 69, Cogeneration and Small Power Production, a copy of which is attached hereto, are hereby adopted.

Motion by Popovich, seconded by Kanten, to adopt the above resolution as read. Roll call: Ayes—Chriswell, Kanten, Keezer, Merkel, Popovich and Satterthwaite. Nays—None. Motion carried. Resolution adopted. (Rules for Compliance With FERC Order No. 69 attached as Appendix A.)

A discussion was held regarding amending the zoning ordinance so as the Village Council would have authority over site plan review. Motion by Kanten, supported by Merkel to have an amendment to the zoning ordinance drafted that would authorize the Village Council to approve, amend or disapprove site plans. Roll call: Ayes—Kanten, Keezer, Merkel, Popovich and Satterthwaite. Nays—Chriswell. Motion carried. The police report was submitted by Chief Aiello.

Three bids were received for cleaning and sprockets for the final settling tanks at the wastewater treatment plant. Motion by Chriswell, supported by Kanten, to accept the low bid of En-

vironmental Products Company in the amount of \$7,887.00 provided said vendor reaffirms the said sum. Roll call: Ayes all. Motion carried.

Motion by Kanten, supported by Keezer, to tentatively approve the 1981 Wage Schedule. Roll call: Ayes all. Motion carried.

Motion by Popovich, supported by Satterthwaite, to submit proposals for Economic Development Projects as follows:

Priority No. 1 — Chelsea Water Distribution System Improvements.

Priority No. 2 — Chelsea Water Storage Tank

Roll call: Ayes all. Motion carried.

A request was received from Michigan Bell Telephone Company for a utility easement at the Chelsea Sanitary Landfill property. No official action was taken at this time.

RESOLUTION FOR DESIGNATION OF STREET ADMINISTRATOR

WHEREAS, Section 13 (7) of Act 51, Public Acts of 1951 provides that each incorporated city and village to which funds are returned under the provisions of this section, that, "the responsibility for street improvement, maintenance, and traffic operation work, and the development, construction, or repair of off-street parking facilities and construction or repair of street lighting shall be coordinated by a single administrator to be designated by the governing body who shall be responsible for and shall represent the municipality in transactions with the state transportation commission pursuant to this act."

THEREFORE, BE IT RESOLVED, that this Body designates Frederick A. Weber as the single Street Administrator for the Village of Chelsea in all transactions with the State Transportation Commission as provided in Section 13 of the Act.

Motion by Popovich, supported by Kanten, to adopt the above resolutions as read. Roll call: Ayes all. Motion carried. Resolution adopted.

The Financial Report for the month of February 1981 was reviewed.

Mayor Ritter appointed Lyle Chriswell and Frederick Weber as the Mayor Exchange Day Committee.

Motion by Chriswell, supported by Popovich, to accept with regret the resignation of Lynn Degener from the Chelsea Planning Commission. Roll call: Ayes all. Motion carried.

Motion by Kanten, supported by Chriswell, to allow the Disabled American Veterans to conduct their annual "Flag Sale" in the Village of Chelsea on June 12 and 13, 1981. Roll call: Ayes all. Motion carried.

Motion by Popovich, supported by Merkel, to allow the Lions Club to conduct their "White Cane" Sale in the Village of Chelsea on May 1 and 2, 1981. Roll call: Ayes all. Motion carried.

Motion by Popovich, supported by Chriswell, to deny the Ann Arbor "Y" their request to conduct their "Earn Your Way to Camp" Mint Sale in the Village of Chelsea during April 1981. Roll call: Ayes all. Motion carried.

Motion by Popovich, supported by Chriswell, to make an application for Workman's Compensation Insurance with the Municipal Worker's Compensation Self-Insurer's Fund. Roll call: Ayes all. Motion carried.

Motion by Chriswell, supported by Popovich, to accept the low bid of Springer Agency in the amount of \$2,975.00 for Umbrella Insurance coverage. Roll call: Ayes all. Motion carried.

Motion by Kanten, supported by Chriswell, to authorize payment of bills as submitted. Roll call: Ayes all. Motion carried.

Motion by Popovich, supported by Keezer, to adjourn. Roll call: Ayes all. Motion carried. Meeting adjourned.

Evelyn Rosentreter, Village Clerk.

RULES FOR COMPLIANCE WITH FEDERAL ENERGY REGULATORY COMMISSION ORDER NO. 69 COGENERATION AND SMALL POWER PRODUCTION

1. INTRODUCTION
1.1 The Public Utility Regulatory Policies Act of 1978 (PURPA), under Section 210, requires the Federal Energy Regulatory Commission (FERC) to develop rules which encourage Cogeneration and Small Power Production. Pursuant to Section 210, regulations have been prepared by FERC and published in the Federal Register (45 FR 12214, February 25, 1980). Village of Chelsea Electric Utility ("Utility") which is a nonregulated electric utility will implement, to the extent possible, the procedures and requirements of FERC Order No. 69, pursuant to these rules.

1.2 These rules apply to all entities willing and able to enter into an agreement with the Utility. Provisions of these rules shall not supersede existing contracts. Entities who have the status of

"qualifying small power production facility" and/or "qualifying cogeneration facility" hereinafter referred to collectively as qualifying facility pursuant to FERC Order No. 70 (45 FR 17956, March 20, 1980) are eligible to apply for service under these rules.

1.3 These rules represent general guidelines since the nature, size, and character of qualifying facilities can vary widely. The Utility reserves the right to evaluate qualifying facilities on a case by case basis.

2. DEFINITIONS: Terms as defined in Order No. 69 (18 CFR Part 292) shall have the same meaning for these rules unless further defined.

2.1 Accredited Capacity: The electrical rating given to generating equipment that meets the Utility's criteria for uniform rating of generating equipment. This criteria included but is not limited to reliability, availability, type of equipment, and the degree of coordination between the qualifying facility and the Utility.

2.2 Capacity Costs: The costs associated with providing the capability to deliver energy. They consist of the capital costs of facilities used to generate and transmit electricity or the cost to purchase such capacity from other utilities.

2.3 Demand: The average rate in kilowatts at which electric capacity is made available as determined at the point of measurement during any 30 minute period or any other period to be determined by the Utility.

2.4 Energy: Electric energy as measured in kilowatt hours at the point of measurement.

2.5 Energy costs: The variable costs associated with the production of electric energy. They represent energy related cost only, of the average cost of purchased energy. Identifiable capacity charges included in purchased power agreements shall not be included in the calculation of the cost of purchased energy.

2.6 Point of Measurement: The point or points where energy and/or demand are metered.

2.7 Point of Interconnection: The point or points at which the qualifying facility is to receive and/or deliver energy or capacity and energy under normal operating conditions.

2.8 Present Utility Practice: Any of the practices, methods, and acts engaged in or approved by a significant portion of the electrical utility industry consistent with reliability, safety and expedition.

3. CONDITIONS OF SERVICE: The conditions listed in this paragraph shall apply to all qualifying facilities served under these rules.

3.1 The Utility shall purchase energy or capacity and energy from any qualifying facility who offers to sell energy or capacity and energy.

3.2 The Utility shall sell any capacity and energy that is required by the qualifying facility to the qualifying facility. The qualifying facility shall be billed under the applicable residential, general, industrial, or contractual service schedule.

3.3 The Utility shall offer to provide maintenance, interruptible, supplementary, and back-up power to the qualifying facility if requested by the qualifying facility.

3.4 The qualifying facility shall execute a written agreement with the Utility. The Utility reserves the right to waive this requirement by the Utility does not relinquish the Utility's right to require the execution of a written agreement in the future.

3.5 The qualifying facility shall comply with all requirements of the National Electric Safety Code, American National Standards Institute, Institute of Electrical and Electronic Engineers, American Society of Mechanical Engineers, and any other applicable local, state, or national code and operate its equipment according to prudent utility practice. In case of any conflict in the foregoing codes or standards, the Utility shall decide which shall govern.

3.6 The Utility shall interconnect in parallel with the qualifying facility. The qualifying facility shall, to the point of interconnection, furnish, install, operate, and maintain in good order and repair without cost to the Utility, such relays, locks and seals, breakers, automatic synchronizers, meters, and other control and protective equipment as shall be designated by the Utility as being required as suitable for the operation of the qualifying facility in parallel with the Utility's system. The qualifying facility shall take appropriate steps to insure that operating in parallel will not degrade in any fashion the quality of service that is normally maintained on the Utility's system.

3.7 Switching equipment capable of isolating the qualifying facility from the Utility's system shall be accessible to the Utility or its agent at all times.

3.8 At its option, the Utility or its agent may choose to operate, without notice or liability, the switching equipment described in

3.6 above if, in the opinion of the Utility or its agent, continued operation of the qualifying facility in connection with the Utility's system may create or contribute to a system emergency or safety hazard. The Utility obligation to purchase from the qualifying facility ceases when the Utility or its agent operates the switching equipment described in 3.6 above. The Utility shall endeavor to minimize any adverse effects of such operation on the qualifying facility.

3.9 The qualifying facility shall indemnify and hold harmless the Utility from any and all liability arising from the operation and interconnection of the customer's facilities. The qualifying facility shall bear full responsibility for the installation and safe operation of the equipment required to generate and deliver energy or capacity and energy to the point of interconnection.

3.10 The Utility shall provide, upon request, sufficient data to allow the customer to determine the cost effectiveness of the qualifying facility if it goes into operation pursuant to these rules. The data given will conform to the outline given in Para. 292.302(c) (Order 69-18 CFR Part 292).

3.11 Any costs of interconnection incurred by the Utility due to the interconnection of the qualifying facility, which are over and above the interconnection costs that would be incurred due to the connection of a comparable non-generating customer, shall be the responsibility of the qualifying facility. Interconnection cost may be amortized over a period of time not greater than the length of the contract between the Utility and the qualifying facility.

3.12 The Utility may discontinue purchase from the qualifying facility if the Utility determines that purchase from the qualifying facility would result in a cost greater than those which the Utility would incur if it did not make such purchases.

3.13 The Utility will give sufficient notice to the qualifying facility when it intends to invoke paragraph 3.12.

3.14 The Utility may discontinue sales to the qualifying facility during a system emergency, providing that such discontinuance is on a non-discriminatory basis.

3.15 By mutual agreement between the Utility and the qualifying facility, the Utility will transmit energy or capacity and energy to another utility for purchase by that utility. The Utility shall be fairly compensated for such a transmission.

3.16 The qualifying facility shall provide an advance payment to the Utility if, in the opinion of the Utility, the costs of interconnection will be excessive and/or the amount of work that must be done by the Utility to provide the interconnection facilities will be excessive.

3.17 All equipment used by the qualifying facility must be compatible with the Utility's system.

3.18 The Utility reserves the right to require test and inspection data at any time on all equipment used by the qualifying facility.

4. RATES FOR SALES

4.1 The Utility shall purchase the surplus energy or surplus capacity and energy from qualifying facilities in which construction was commenced on or before November 8, 1978. The rate paid

by the Utility to the qualifying facility for such surplus energy or surplus capacity and energy shall be a negotiated rate.

4.2 Qualifying facilities of 10 KW or less shall be paid a standard rate, except as otherwise stated in 4.1, based on avoided cost as outlined in 4.4 and 4.5. The installation of metering equipment shall be according to Utility policy.

4.3 For qualifying facilities of 100 KW or more, the qualifying facility may negotiate a contract with the Utility. The qualifying facilities who choose not to negotiate, or in the event of an impasse in negotiations between the Utility and the qualifying facility, avoided costs will be paid. Such avoided costs shall be determined as outlined in 4.4 and 4.5 except as otherwise stated in 4.1.

4.4 Avoided energy costs shall be the estimated or actual energy costs adjusted for the following items:

A. The costs or savings to the Utility resulting from variations in line losses from those that would have existed in the absence of purchase from the qualifying facility, if the Utility generated or purchased an equivalent amount of energy.

B. Sanctions imposed for non-compliance with these rules and any contract between the Utility and the qualifying facility.

4.5 Capacity payments shall be made in any case in which the qualifying facility enters into a legally enforceable contract to provide accredited capacity. The payment for the capacity purchase from the qualifying facility, shall reflect the cost of the Utility's future - alternative source of capacity of similar capability. The payments shall take into account the following items of information:

A. Length of contract term.

B. Reasonable scheduling of maintenance.

C. Willingness and ability to defer a purchase from another source or to defer construction of a facility or a portion of the facility.

D. The Utility's ability to defer a purchase from another source or to defer construction of a facility or a portion of the facility.

E. Sanctions imposed for non-compliance with these rules and any contract between the Utility and qualifying facility.

F. Availability and reliability of the qualifying facility.

4.6 The cost to the Utility to determine avoided costs as outlined in 4.4 and 4.5 above, shall be borne by the qualifying facility.

4.7 In the event of the imposition of any tax or payment in lieu thereof on the Utility, by any lawful authority on the production, transmission, sale, or purchase of energy or capacity and energy that would not occur due to a comparable non-generating customer, shall be the responsibility of the qualifying facility.

Do you know someone who has heart disease and needs answers to some questions about it? Would you like information on how to reduce your risk of heart attack and stroke—or where to get your blood pressure taken? Would your group like to hear a speaker or see a film on heart disease prevention? If so, call us. We're the Michigan Heart Association and we're fighting for your life.

Fire Dept. Gets 10 Calls Last Week

Chelsea firemen answered a total of 10 calls last week, consisting of three rescues, one house fire and six grass fires.
On Monday, March 16, a Chelsea rescue team was summoned to Roe Rd. and M-52 to assist a man at the gravel pit. This call was received at 12:34 p.m. Then, at 1 p.m. firemen were sent to the scene of a grass fire on the corner of Old US-12 and Wilkinson St. A second grass fire on Bush Rd. was doused at approximately 7 p.m. Monday.
On Wednesday, March 18, a call was received at 8:51 a.m. regarding a grass fire on Pierce and Garvey Rds.
At 9:51 a.m. Thursday, March 19, a rescue team was requested to assist on Old US-12 near St. Mary's Catholic church. This call, however, was cancelled by the Sheriff's Department.
Late Saturday evening, a rescue request was made to assist a possible heart attack victim on Island Lake Rd. This call was received at 11:20 p.m.
Chelsea firemen answered a call regarding a grass fire on North Lake Rd. Sunday, March 22 at 12:07 p.m. Then, at 2:50 p.m., firemen responded to another grass fire call on Sibley Rd. At 4:10 p.m., Chelsea firemen assisted the Dexter Fire Department in battling a house fire on Island Lake Rd. and finally, at 7:51 p.m., a call was received regarding another grass fire. Firemen were dispatched to this Kalmbach Rd. location to extinguish the fire.

Read-A-Thon Representative Chosen in Schools

A pair of students in the Chelsea School District have been selected as the Multiple Sclerosis Read-A-Thon student representatives for their respective schools. Representing North Elementary school is Karen Paulsell while Alisha Darow has been chosen as the South Elementary school representative.

Each was selected by school personnel and the MS Read-A-Thon co-ordinator for the position because of her enthusiasm for reading. During the Read-A-Thon, student representatives will encourage participation of fellow students in getting sponsors to pledge money for each book read. The proceeds collected by the students will be sent to the Multiple Sclerosis Society for patient services and MS research.

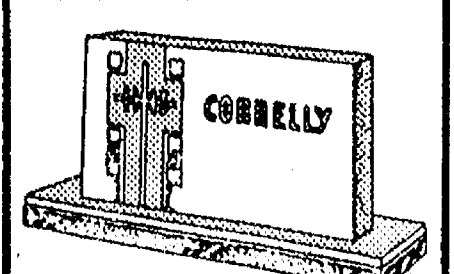

Multiple Sclerosis Read-A-Thon is recognized by the United States-Department of Education as "an outstanding contribution to literacy." The program has received support from thousands of school superintendents, principals, teachers, librarians and the children, themselves.
Further information about the MS Read-A-Thon may be obtained by contacting the Michigan Multiple Sclerosis Society at 111 W. Mount Hope, Lansing 48910 or by calling (517) 485-9320.

Guest Speaker Scheduled Sunday At Baptist Church

Teen Challenge, well known in many major cities in both the United States and other countries, will be represented by Sam Dobrotka, director of Teen Challenge from the City of Refuge Center in Detroit, as the guest speaker at the Chelsea Baptist church, 337 Wilkinson St., Sunday, March 29 during the 10:50 a.m. worship service.
Teen Challenge was founded by David Wilkerson, author of "The Cross and The Switchblade."
As a ministry reaching youth lost to society through drug abuse and other addictive substances, Teen Challenge is having success at rehabilitation of those who respond to help.

MONUMENTS

Each of our client's requirements is different, which means that each monument we produce is custom-carved for the individual family. We advise on cemetery regulations, proper proportion, material and appropriate symbolism.

ORGAN DEDICATION: Chelsea's United Methodist church will consecrate its new pipe organ during special ceremonies Sunday, March 29 and will complete the afternoon with an organ recital. The new 26 rank, 2 manual Zimmer Tracker Pipe Organ is surrounded by, left to right, Mary Anne Skinner, organist; June Warren, director of music; Warren McArthur, chairperson, music committee; and, the Rev. Marvin McCallum, pastor.

Methodist Church To Dedicate New Pipe Organ Sunday

Sunday, March 29 will be a very important day for the Chelsea United Methodist church. On that day, the church will be consecrating a new 26 rank, 2 manual Zimmer Tracker Pipe Organ.

The unique feature of this organ is the direct action between the depressing of the keys and the opening of the pipe valves. The organ is built with mechanical key and electric stop action and consists of 20 stops, 26 ranks, 1376 pipes, 2 manuals of 61 notes and a pedal board of 32 notes.

The chimes from the previous organ are hung in the front of the church and may be played from the new organ. These were donated by Lucille Finkbeiner in memory of her parents, Mr. and Mrs. Charles Finkbeiner.

Also on March 29, the church will be recognizing its newly redecorated sanctuary.
The schedule for the day will begin with consecration and worship services at 9 and 10 a.m. and will end with a recital at 2 p.m.
Performers at the recital will be Dr. Michelle Johns, Gary Robertson and John Schrenk, former organists at the church

and Mary Anne Skinner, present organist.

Dr. Johns was with the church from 1963 to 1964. She is a recent doctor of musical arts graduate in organ performance from the University of Michigan, and was a student of Marilyn Mason.

Gary Robertson was with the church from 1972 through 1974. He graduated from Eastern Michigan University in 1973 and taught junior high school vocal music for five years. He is currently the organist for First Church of Christ Scientist, of Detroit.

John Schrenk received his music education degree from Oregon College of Education, where he studied organ with Mabel Dobbs. He served as church organist from 1976 to 1978.

Mary Anne Skinner received her bachelor of arts and bachelor of music degrees from Ohio Wesleyan University where she studied with Robert Griffith.

During the organ recital, the Chancel Choir will be singing the anthem, "O, How Amiable," by Ralph Vaughn-Williams.
The community is invited to attend this special day of services.

GREAT INTEREST CHECK

Worth checking into.

Yes, Great Interest Check is the great new fashion in checking. Every dollar in your checking account earns 5 1/2% per year daily interest. With continuous compounding, your dollars will provide an annual yield of 5.47%. The interest is paid monthly. By maintaining a \$1000 minimum balance in your account, you will be free of monthly service charges. Or if you are

"Works like a checking account ... earns 5 1/2% annual interest ... open with a minimum of \$100."

60 years old or over, your checking is free. Your money earns the 5 1/2% per year daily interest whether you maintain a minimum balance or not. With Great Interest Check, your cancelled checks are returned each month with a statement which shows your balance and interest earned. Check into a Great Interest Check account for yourself at any Great Lakes Federal Savings office.

Mrs. Peter Godzik Ray M. Karcher

Dexter Township Resident Dies at Chelsea Hospital
Helen Lillian Godzik, 13123 Island Lake Rd., Dexter township, 65, died Sunday morning, March 22 at Chelsea Community Hospital. She was born Dec. 8, 1915 in Chicago, Ill., the daughter of Walter and Sophie (Bein) Kargol. She was a former resident of Detroit and a member of St. Joseph Catholic church, Dexter, and had been employed by Ford Motor Co.

She is survived by her husband, Peter; a son, Edward P. Godzik of Lake Orion; a daughter, Mrs. Frederick (Stella) Glassford, of Chelsea; her mother, Mrs. Sophie Kargol, of Petoskey; a brother, Frank Kargol, of Petoskey; three sisters, Mrs. Donald (Jean) Belovitz, of Woodlsey, Ontario, Canada, Mrs. Robert (Stella) Marshall, Lincoln Park, Mrs. Raymond (Lillian) Miotke, of Warren; five grandchildren and several nieces and nephews.

Funeral services will be held Wednesday, March 25, 10 a.m., at St. Joseph Catholic church, Dexter, with the Rev. Fr. Kenneth C. McDonald officiating. The rosary will be recited Tuesday at 7 p.m., at the Hosmer Funeral Home. Graveside services will be held at noon at Holy Sepulchre Cemetery, Southfield.

Mrs. Laura Oliver

Former Midland Resident Dies at Methodist Home

Mrs. Laura Oliver, a resident of the Chelsea United Methodist Retirement Home, died Thursday, March 19 at the Home. She was 97.

She was born Aug. 25, 1883 in Midland county, the daughter of William N. and Addie (Mixer) Cook. She married Robert Oliver Sept. 10, 1919. He died Dec. 23, 1948.

Mrs. Oliver came to the Methodist Home from Midland May 17, 1955. She had been a school teacher in the Midland area.

Survivors include a niece, Mrs. Phyllis Holcomb of Freeland and several other nieces and nephews.

Funeral services were held Saturday, March 21 at 11 a.m. at the Chelsea United Methodist Home Chapel with the Rev. Ira Wood officiating. Interment followed on Monday, March 23 at Forest Lawn Cemetery, Detroit.

Arrangements were made by the Staffan Funeral Home.

Former Owosso Resident Dies at Methodist Home
Ray M. Karcher, a resident of the Chelsea United Methodist Home, died Monday, March 23 at the Home. He was 91.

He was born June 23, 1889 at North Bay in Charlevoix county, the son of John and Anna Messnard Karcher. He married Mary Esther Avey in Pigeon, on May 28, 1932. She survives.

Mr. Karcher was an active member of the North Bay Evangelical church at Owosso where he had been a Sunday school superintendent for 10 years. He had been Bay township treasurer for two years and had served on the North Bay School Board as treasurer for a number of years.

Mr. Karcher retired from farming in 1960; in 1965, he moved to Sunfield, and in 1969, he moved to Owosso. He came to the United Methodist Home in 1975.

Survivors besides his widow, Mary, include several nieces, nephews and cousins.

Funeral services will be held at 11 a.m. Wednesday, March 25 in the Methodist Home Chapel with the Rev. Ira Wood officiating. Interment will follow at Erie Union Cemetery, Erie, at 2:30 p.m.

Memorial contributions may be made to the Chelsea United Methodist Retirement Home.

Friends may call at the Burghardt-Cole Chelsea Funeral Chapel Tuesday, March 24 after 7 p.m.

A son, Micah Jeremiah, Tuesday, March 17, St. Joseph Mercy Hospital, Ann Arbor, to Arthur and Krystina Haapla, 263 Harrison St., Chelsea. Paternal grandmother is Elida Haapla, also of Chelsea.

MCRC Annual Meeting Scheduled

The annual meeting of the Mill Creek Research Council is scheduled for Tuesday, March 31 at Lima Town Hall and will begin at 8 p.m.

This council was organized in the spring of 1965 when local residents were faced with the threat of the U.S. Army Corp of Engineers' proposal to take over 12,000 acres of land for a multi-

use impoundment project. More recently, the Research Council has had two major concerns, the major land use change associated with the Huron-Clinton Metropolitan Authority proposal for a 3,500-acre park at Mill Creek, Lima township, and the anticipated inclusion of a south Lima Historic District in the National Register of Historic Places.

To date, HCMA has not acquired any Lima land though John Dillon, most recent past Washtenaw County HCMA delegate, made attempts to get the project underway. In 1980 Dillon, appointed to complete the six-year term of deceased delegate Jesse Rutherford, was replaced by Red Cosgrove of Ypsilanti. Cosgrove, though, has serious reservations about the desirability of this particular park proposal although he would like to see additional county funds returned to the county.

At present, HCMA already owns and operates three Metroparks, all in the northwest portion of Washtenaw County, with Hudson Mills not fully completed.

In 1980, approximately five percent of HCMA's operating funds, \$644,998, was collected from Washtenaw county. The total budget was \$15,500,000, increased by \$100,000 in 1981. Lima township projected payments to HCMA will be roughly \$20,000 for 1981. Cosgrove, it is hoped, will be present at the annual meeting to

Soccer Program Registration Slated Saturday

On Saturday, March 28 between the hours of 10 a.m. and 1 p.m., the Chelsea Recreation Council will hold soccer registration at North Elementary school for all interested, young potential Peles. Those registering must have proof that they will be at least six years old and not more than 18 years old by Aug. 1, 1981.

This year's expanded program will charge a \$7 fee for children in the 6- to 11-year-old age group; \$11 for those ages 12-14 and \$15 for players ages 15 through 18. Soccer action will begin the week of April 20 and will run for six weeks.

Additional information is available by calling Lynn Fox of the Chelsea Recreation Council at 475-9830. Early registration is possible through the Community Education office, Monday through Thursday, 9 a.m.-8 p.m. and Friday, 9 a.m.-4 p.m.
