Woman Charged With Forgery in Ann Arbor Faces Charges Here

On Tuesday, March 3, an Ann Arbor woman had her handbag stolen from Fitness World in Ann Arbor. Inside, was all of her identification and an \$816 University of Michigan payroll check. She immediately reported the theft to the Ann Arbor Police Depart-

Then, one week later on March 10, the stolen payroll check was passed at the Chelsea State Bank branch office by a woman using the stolen identification which showed her as the payee.

Through investigation, it has since been revealed that as soon as the handbag and check were stolen, the alleged perpetrator of the crime visited a Secretary of State's office saying that she had lost her driver's license and needed a duplicate. Her photo was taken and a temporary driver's license was issued which was used at Chelsea State Bank to pass the check.

On that same day, the suspect opened a savings account at Chelsea State Bank, depositing \$116 of the \$816 payroll check total. Within an hour after the initial opening of the account, she went to the main branch of Chelsea State Bank and withdrew an additional \$100.

In the meantime, the Ann Arbor Police Department was working on a similar theft and forgery as that committed in Chelsea.

Thirty days later, the original victim received her new driver's license through the mail. All of the indentifying information was correct; it was not her picture on the license. The victim took the driver's license to the Ann Arbor police and photographs of the license were posted in various areas in the city.

At Fitness World, a couple of employees recognized the woman pictured and identified her to police as someone living in the Grass Lake-Chelsea area. Because the crime had been perpetrated in Chelsea, the case was turned over to the Chelsea Police Department.

On Thursday morning, April 23, the alleged perpetrator of the crime(s) was picked up by Chelsea police at a local business establishment where she was employed. She was taken to the police department and was found to be carrying various pieces of altered and original identification belonging to the Ann Arbor woman who's purse was stolen the preceding month.

Friday morning, Chelsea Police Chief Robert Aeillo signed two warrants before Judge Kenneth Bronson at 14th District Court, charging the 21-year-old woman with one count of forgery and one of uttering and publishing a forged instrument, both felonies carrying a maximum 14 year prison sentence

The same woman has been charged with the identical offenses in Ann Arbor regarding another incident of falsified identification and a stolen payroll check. She was arraigned in Ann

Arbor and released on personal recognizance bond.

As yet, the alleged perpetrator of the Chelsea incident has not been arraigned on the local charges. The University of Michigan stopped payment on the stolen payroll check, thereby leaving Chelsea State Bank victimized. The local bank is the agency seeking prosecution of the woman who's name will not be released prior to her arraign-

Steve Bergmann Resigns Post As CHS Band Director

Chelsea High school band director Steve Bergmann recently announced his resignation in a letter to the Chelsea School District Board of Education. His resignation, reluctantly accepted by the Board, will take effect June 9 at the close of the school

After 13 years of teaching in Michigan and Nevada, including five years of hard work and dedication in Chelsea, Bergmann's decision was based on a number of factors.

Hired five years ago by the former administration including superintendent Charles Cameron and acting principal Dwight Smith, Bergmann has since disagreed with a number of policies regarding the band program. This, in part, has led to his resignation.

Secondly, after 13 years of working with students, Bergmann has begun to feel "burned out." "If working with kids was all teaching involved, I wouldn't leave. But that's just a small part of it. Teaching also requires dealing other aspects of education, some of which are considerably more difficult." Bergmann explained.

During his time as band director, Bergmann has developed, through the dedication of his students, one of the best band programs in Michigan, Having worked together, his bands have consistently received straight I ratings at both district and state (Continued on page eight)

STEVE BERGMANN, Chelsea High school band director for the past five years, announced his resignation earlier this month in a letter addressed to the Board of Education. Regretfully accepted, Bergmann's resignation takes effect Tuesday, June 9 at the close of the 1980-81 school year. After 13 years of teaching, Bergmann has decided to turn his talents toward a private business endeavor.

predicted, lawmakers would no longer dawdle, the number of frivilous bills introduced would be sharply reduced and the tax-

payers would save money. He said that during a fivemonth legislative session. lawmakers could still meet about 105 working days, compared to about 130 currently worked now under the full year session approach.

During a typical week, the legislature meets Monday nights and during the day on Tuesday, Wednesday and Thursday.

Lawmakers generally take a two-week recess during the Easter/spring break, are off during the summer months and again are off for Thanksgiving and Christmas.

These breaks are normally lengthened prior to the August primary and November general elections when members are up

for re-election. During his State-of-the-State Message, Milliken called for sixmonth legislative sessions so lawmakers could use the remainder of the time dealing with constituent problems in their

respective districts. At that time, House Speaker Bobby Crim of Davison and Senate Majority Leader William Faust of Westland discounted that plan saying that since Michigan is a major industrial state, there is always some mat-

ter needing legislative attention. Under Bishop's proposal, a special three-day session of the legislature would be convened, probably in June, to consider overrides of any bill vetoed by the

In addition the governor would be allowed to call special 20-day sessions with the concurrence of the speaker of the House and ma-

Possible Rape Reported to Police

Washtenaw County Sheriff's Department reported that a possible rape occurred Thursday. April 23 between 12-noon and 5 p.m. in Lyndon township.

According to deputies, a young woman hitchhiking to Florida was picked up by a man in Ypsilanti and taken westbound to North Territorial Rd. where he turned his vehicle onto a dirt road.

Following the possible rape, the man drove away, leaving the woman there. She succeeded in flagging down a motorist who took her to the Chelsea Police Department where the Sheriff's Department was notified.

CHS Art Department Students Score in Truck Design Contest

Moving and Storage Co. celebrated their centennial year by sponsoring a truck design contest for high school students in Washtenaw county. Of the entries, the Ann Arbor-based company awarded 10 finalists with \$25; the first-place winner in the competition received a check for \$1,000.

Five awards were taken by Chelsea High school students. John Koepele, Radine Cheevers, Cindy Snyder, Cindy Connell and Steve Wilson. The over-all winner of the competition was Christine Lucas of Ann Arbor Huron High school.

The students worked on the project for nearly one month, drawing designs for the sides and back of the truck. Finalists were selected on the basis of pleasing arrangement of line and space as well as good color combination.

According to CHS art instructor Cathy Opoka, "This was an opportunity for commercial art students to compete with students from other school districts in order to develop technical skills that they can use

. Cockerline Earns Alma Class Honors

Neil Cockerline, a 1977 graduate of Chelsea High school, was among the Alma College graduates who received their degrees with honors at the colege's 94th year commencement exercises on Saturday, April 18. An art and design major, Cockerline was graduated cum aude, an accomplishment which requires a grade point everage of 3.4 over-all and a 3.2 in work done outside the major divi-

In addition, Cockerline also received departmental honors in art and design. This award is the highest that a department can award a student at Alma College. In the case of the Department of Foreign Language Art and Design, it is awarded only to those students who have Fair Scheduled earned outstanding records both academically and artistically.

A painting by Cockerline also received the department's 1981 Purchase Award in the Annual Graduation Exhibition.

Views On Dental Health

By ROBERT A. BURNS, JR., DDS, P.C.

THUMB-SUCKING SYNDROME

Does thumb-sucking lead to crooked teeth? Most experts don't think occasional thumb-sucking in infancy causes any problems with teeth. But there is a general agreement among dentists that prolonged and intensive thumb sucking hast tensive thumb-sucking past the time the first permanent teeth erupt—at 5 to 6 years of age—can lead to misshapen mouths and displaced teeth.

mouths and displaced teeth.

Actually, the position of individual teeth displaced by thumb-sucking is of less concern to orthodontists than the effect on the bony support of the teeth—and the development of abnormal, deforming muscle activity. If, for example, the habit persists past two years, it could alter the child's swallowing pattern. Once this swallowing pattern. Once this happens, the youngster may develop a protrusion of the upper front teeth; a narrowness of the upper dental arch; and

an obvious malocclusion (im-broper bite) problem.

As long as there are infants, there will be thumbsuckers.
However, if the habit con-tinues longer than usual, it's best to have the child checked by a dentist or orthodontist before it causes any problems.

If you have dental health questions you would like to see answered, please mail them to the address below.

At High School

Tuesday, May 5, the Chelsea High school foreign language department, headed by Cathy Bennett, will sponsor a Foreign Language Fair in the cafeteria between the hours of 7 and 9:30

First through third year students studying French, German and Spanish will provide, free of charge, an evening of European culture, displays, foods and entertainment to the public.

According to Bennett, the first year students will offer patrons a taste of European customs and culture, including traditional holiday customs and other

displays..... Students in their second year of language will provide those in attendance with refreshments associated with the French, German and Spanish cultures. This will include various ethnic foods.

Finally, the advanced language classes will entertain the audience by presenting a play about an American family traveling through Europe and stopping in France, Germany and Spain.

LETTERS To the Editor

To the Editor:

You printed a letter in the April 14 issue of The Chelsea Standard by Airman Douglas F. Houk. Airman Houk referred to my letter of Feb. 17, with reference to the lack of sound Christian Morality on TV advertising, programming; this was coupled with a survey poll done on the thinking of 13-18-year-old girls on subjects of abortion, sexuality before marriage and homosexuality, to name a few.

Therein, I reported the area on Waterloo Rd. which was a habitual visitation place for numerous cars of young people. The day after the "night before," debris could be found including empty whiskey, gin and beer bottles. There was no "loud Rock and Roll" music to be heard . . . as Airman Houk refers to in his letter. Just togetherness.

Perhaps it would help to say that the "Pines" is another area altogether which Airman Houk refers to. It raises another question in my mind. Why do young people have to feel they cannot "party" in their own homes? Why do we need "Waterloo-Pines" at all?

Thank you, Airman Houk, for expressing your feelings.

Mrs. Millie Warner, To The Editor:

"Take my hand, and find in me understanding, acceptance and love." Seven Little Brothers at St. Louis school had no place to go for Easter vacation. No place that is, until Thursday, April 9. They, our Little Brothers, with

Brother Dean, and Beverly Boyd, counselor, joined their Big **Brothers at Cassidy Lake for the** sharing of Easter Joy. Everything was made ready in the chapel basement, for we were

sharing Easter Joy, and supper together. All the goodies that go right to the heart and stomach of any youngster, no matter their age, were ours. Mmm-good! In order to work off all those calories there was a softball

game out on the baseball diamond. Our talents drew an audience, who were delighted. Maybe none of our people will make the "major leagues," not because they do not play their heart out, for they do . . . but it must be because they have not been discovered yet! Don't let anyone tell you that our Little Brothers do not hit a "mean ball" they do! Happiness filled the field at each run that crossed home plate . . . Joy rang loud and clear through the beauty of the

It was back to the chapel and an Easter egg hunt. A prize for the winner and chocolate bunnies for all. Then what else but something cool and wet, to go along with the movie provided by the Big Brothers. Time had come to pass so very quickly and before departing we formed a huge circle and prayed in Thanksgiving. Our Little Brothers took with them a bag containing an Easter bunny or chick filled with jelly beans, coupled with a hand-made

Terence Verge, Mike Goebel, Dennis Czechowski: back row, left to right, Linda Alber, Tracey Harvey and Coach Nancy Cooper.

Five Special Olympians Join in Burns Park Run

Five students from the Chelsea Special Olympic program took part in the Ann Arbor Burns Park 3.1 and 6.2 mile runs on Sunday, April 26. The quintet has been training for more than three months with coach Nancy Cooper. Running in the 6.2 mile race were Mike Goebel, Tracey Harvey and Dennis Czechowski, while Linda Alber and Terence Verge participated in the 3.1 mile

This was not the first race for either Goebel or Harvey; both took part in the 7.4 mile Washtenaw County Parks and Recreation Run in Ann Arbor on Friday, April 3. Alber has participated in several road races as

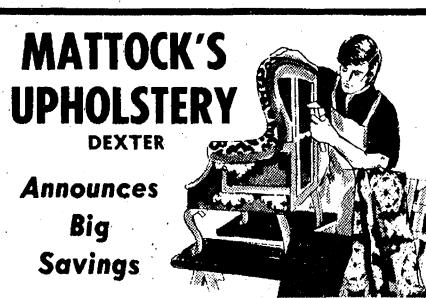

card. The bunnies and chicks were created from egg cartons, (thanks Mrs. Zeeb), and the cards from colored paper. All made by the Big Brothers, and

P. S. This party was due to the support of Mr. Weinberg, superintendent. There is a rare goodness that I wish to share. When the inmates' fund to help financially with the cost of our Easter supper ran out, one inmate made a money transfer from his personal account to help make this party possible. The money he gave was to be his when he left this prison, but he chose instead to share it with all.

Mrs. Millie Warner, **Acting Catholic** Chaplain.

Running is an important part of the Special Olympics high school program of physical fitness. Each day, the class runs and records their miles on a graph. Following the completion of 100

miles, a T-shirt is awarded. Many of the students run all year, both inside and outside of school. Their goal is to develop a lifetime program of physical fitness and preventive health care.

Comtemporaries Invited to Albion College Competition

The Contemporaries, a girls singing ensemble from Chelsea High school, have begun to build themselves quite a reputation, during the past four years.

This year, their first to qualify for State Solo and Ensemble competition, they received a I in both performance and sightreading. They also received a very high honor in being invited to perform at Albion College Tuesday, April 28. There, they will be among the top 12 choral groups in Michigan.

Eight groups were chosen from the eastern half of the state and four were selected from the western half to compete for the "Solo and Ensemble Champions" title. The group that rates the highest among five adjudicators will perform at the Youth Arts Festival on Friday, May 15 at Central Michigan University.

Tamara Barbret, director of

the Contemporaries for the past four years, comments, "This has surely been an exciting year and no matter what the outcome of Tuesday night, all our work and effort has been more than worth it. They've been a great group."

Historical Society Seeks Permanent Home for Displays

President Sally Rendell presided at the monthly meeting of the Chelsea Historical Society held at McKune Memorial Library Monday evening, April 20.

Jean Storey reported on the meeting held by the Steering Committee regarding projects which could be carried out. Among the projects are fund raisers, with the proceeds earmarked toward the purchase of a permanent building to house the displays of memorabilia. At the present time, many of these items are stored in various areas. Oral Histories are stored in a

central location, accessible to interested parties. It is hoped that the Historical Society can work closely with young people in the area to preserve the early history of the community. Katie Chapman told of a meeting with a group of young people from John Groesser's writing class at Chelsea High school regarding the early history of Chelsea.

The fund raising committee is made up of Marie Petsch, Sally Nicola, Angie Smith, Linda Long and Ann Bumpus.

The Village of Chelsea has appropriated matching funds for the historical plaque for the Glazier Welfare Building, home of The Chelsea Standard.

A letter of appreciation was received from Darryl Floog for the Historical Society's sponsorship in the CETA photography project in which Floog recorded Chelsea's history to date.

Tom Davis, a resident of Chelsea and an instructor in the Architectural Department at Eastern Michigan University, spoke to the Society regarding an architectural survey of the village. The survey would be carried out under his direction with a student from EMU and would be funded by a grant. He asked for volunteers to help in the project.

The geneology class, under the direction of Mr. and Mrs. Crimshaw was reported to be progressing. Those persons attending are enthusiastic and indicate that it is a very interesting course. A trip to Westland Library—Church of the Latter Day Saints—is planned.

meeting was Dawn Jenkins, antique shop owner. According to Jenkins, antiques fall into two classifications, either antiques or collectibles. Items moved in or out of the United States must be at least 100 years old to qualify as antiques. Many people think of old items as antiques; not so, according to Jenkins. Instead, they are collectibles, eagerly sought: by people who "collect." Discontinued items from production are currently hitting the antiques market and items dated in the

She identified the period in which they were produced and stated whether they were antiques or collectibles. Among the items was a metal mitten pattern, a glass tray for holding cube sugar. carnival glass dishes and an unusual candle holder.

Refreshments were served at

the close of the meeting. The next meeting will be held Monday, May 11 at the Chelsea United Methodist Retirement Home at 7 p.m. in the Heritage Room. Members are requested to use the Heritage Room entrance, according to Jean Storey, program chairman.

Bergmann commented. Community support for the music programs has also proven incredible to him. "The passage of the additional millage request last year which, in part, aided the music program, speaks highly of the community," Bergmann explained. "Even with the economic troubles in Chelsea, stemming from automotiverelated businesses here, I could never have found as much support elsewhere."

1977, the bands toured northern Michigan: in 1978, they traveled to Washington, D. C. Then, in 1979, the marching band performed at Cedar Point. Finally, in 1980, the group headed to Mexico City for competition.

In addition, the CHS bands have performed at Eastern Michigan University for two years and have served as a feature band at Adrian College. In 1979, Chelsea's marching band took second place in the University of Michigan Marching Band Competition while this year, the group took first place in their division in the District Marching Competition with a 95.3 percent score, the highest score given to any band performing.

"The students have earned all

mented Bergmann. "By working hard, they have become one of the top five class B high school bands in the state of Michigan."

Bergmann continued to cite the quality of the well-rounded music program. "When I came to Chelsea, the attitude regarding excellence in performance was weak. But, following their active participation in tours, trips and festivals, the students were given the opportunity to compare themselves to other bands in the state and country," Bergmann continued. Since coming to Chelsea from

Rogers City High school, north of Alpena, in the fall of 1976, the Chelsea High school symphony band and the 9th grade concert band have received straight I ratings at district festivals. He has never taken a band to festival without receiving a I rating.

Leaving with fond feelings toward the village, Bergmann explains, "Chelsea's been good to me and I could have never asked for any more support. I offer my sincerest thanks to everyone involved in our success here."

Steve Bergmann will leave behind his music and take up a career in sales. As soon as the 1980-81 school year comes to a close, Bergmann will move to the Toledo area to begin his new endeavor.

Letters to the Editor

Dear Editor:

Recently, an organization called "Dial America" has been calling thousands of people in Washtenaw county requesting money for "Special Olympics." They are selling magazines and giving 12 percent to the State office for Special Olympics in Mt. Pleasant.

As Director of Special Olympics in this county, I am requesting that if you desire to help this program for mentally impaired children and adults. please donate directly to us. The money is then used 100 percent for children in your area.

Please send any donations to Washtenaw County Special Olympics, c/o Nancy Cooper, Chelsea High school, Chelsea.

Nancy Cooper, Chelsea High School.

Dear Editor:

Do you find yourself complaining about your village taxes, utility bills, village council, administration, supervisors, employees, or changes in the village? If you have, what have you done about it? It is time for the village patriots to speak out, voice your opinions, ideas and find out what is going on in the Village of Chelsea.

The council is voted in to represent the people, but without hearing your viewpoints, how can we expect them to always make the right decisions for the village and for us. They need your support. They want to hear from you, the "People of Chelsea."

Village meetings are held every first and third Tuesday of every month. If you are unable to attend these meetings, call one of the council members. The council members are: Charles Ritter. president; Joe Merkel, "Sis" Kanten, Jerry Satterthwaite, Lyle Criswell, John Popovich, Loren Keezer.

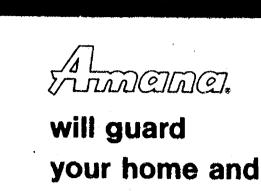

The next meeting is April 21. Attend these meetings to express yourself or just to listen. If you care about Chelsea or want to know how your money is spent. now is the time to speak out.

WHAT YOU SHOULD **KNOW ABOUT DEHUMIDIFIERS:**

No. 1 ENEMY IS DAMPNESS! A dehumidifier should remove moisture from your home to insure the maximum amount of protection against mildew, mold, corrosion and rot.

COPPER TUBING-A MUST! Copper will not rust or corrode. Its use is the only practical way to avoid rusting out. Amana uses solid copper in both the condenser and evaporator section.

AIR MOVEMENT OVER COILS-ONE MEASURE OF PERFORMANCE. To be efficient the air in the area to be dehumidified must pass over the evaporator coil. Amana has 341/2 feet of evaporator coils. An air control shroud assures all air passing over the coils and avoids air leaks of moisture laden air back into the room.

WATER DISPOSAL MUST BE QUICK. EASY AND SURE. Amana gives you a choice of 3 ways to remove condensate. 1) a standard hose connection for direct to drain. 2) set unit directly over drain. 3) big condensate pan that holds more than 2 gallons of water.

AUTOMATIC OPERATION IS BEST! Amana Humidistat control automatically watches the humidity for you. Turns on and off as needed to maintain pre-selected humidity with a control ranging from 20% to 80% humidity.

OVERFLOW CONTROL! Amana overflow control switch autómatically shuts off when condensate pan is full. Eliminates frequent checking on container.

becoming more and more aware of our health on the whole and a hospital is a good place to find resources and information for our health needs.'

On Saturday, May 9, two programs will be held. These include "Women's Health Day" and "Give Your Pre-Schooler A Head Start." The women's program will be held at the Emanuel United Church of Christ in Manchester between the hours of 9 a.m. and 1 p.m. Topics of physical, social and emotional health will be covered in lectures, films, activities and displays. Neither payment nor preregistration are required.

Pre-schoolers, ages three and one-half to five, will be offered a head start through various screening processes Saturday, May 9. Health, nutrition, vision, hearing, speech and development will be assessed at Chelsea Community Hospital between the hours of 9 a.m.-11 a.m. and 1 p.m.-4 p.m. Again, no fee or registration is required.

From Tuesday through Friday, May 12-15, interested parties will be able to visit various locations to have their blood pressure tested and to learn more about cardio-pulmonary resuscitation (CPR). The Village Bakery in Chelsea will sponsor the first of these clinics, Tuesday, May 12 between the hours of 9-11 a.m. and 2:30-4 p.m. Wednesday, Polly's Market will hold an identical program from 9 a.m. to 11 a.m. Emanuel United Church of Christ, Manchester, will sponsor the third of these clinics Thursday, May 14 between the hours of 11 a.m. and 1 p.m. and the Dexter branch of Ann Arbor Bank will hold the final clinic Friday, May

A program on "Chronic Pain Awareness and Management" will be presented by Dr. Joel? Saper during an open lecture at Chelsea Community Hospital, Tuesday, May 12. This program will be held in the main dining room at 7:30 p.m.

On Wednesday, May 13, Dr. James Fegge of the University of Michigan Family Practice Center will be speaking on "Toxic Shock Syndrome." This open lecture will be held at 7 p.m. in the Chelsea Community Hospital; main dining room.

Throughout the week, representatives from the Hospital will be speaking to a number of groups in the community about the hospital and its services. Persons interested in arranging for a speaker from the hospital to visit their organization, are asked to contact Patti Acton, RN, at 475-1311.

Culminating the week-long special programs offered by Chelsea Community Hospital will be a Health Fair, Friday and Saturday, May 16 and 17. Area residents are invited to the Hospital's University of Michigan Family Practice Center fair, Saturday from 10% a.m. to 4 p.m. and Sunday from 1-4 p.m. A health screening focusing on diet, exercise and stress will be provided. In addition, health professionals will be on 5 hand to discuss questions and provide information.

KEEP YOUR BALLANDER

with our checkbook calculator!

With Qualifying Deposit of \$500

You'll always know your checking account balance with this remarkable checkbook calculator from Ann Arbor Trust. This wafer-thin, credit card-sized "mini-computer" has its own memory that keeps track of exactly how much money you have in your checking account!

Separate keys let you enter a check or deposit, then press the balance key for your new balance. The memory keeps track of your balance even if you turn the calculator off. In fact, it turns off automatically so the batteries won't wear down.

The checkbook calculator also lets you add, subtract, multiply, divide and figure percentages. With its handsome case that also holds your checkbook and credit cards, it makes a great gift for any occasion.

Check the chart at the right to see how you can get your checkbook calculator by making a qualifying personal savings deposit. The offer is good through June 19, so stop by any Ann Arbor Trust office today.

Here's how to get your checkbook calculator:

Receive yours free (Retail value of \$20.00)

Varsity Girls Softball Team Rolls Behind Near Perfect Pitching

The Chelsea High school varsity softball team completed their second week of competition by posting an 11-0 win over Dexter. The win over the young Dexter team gave the varsity girls a 4-0 record for the young season with non-conference wins over South Lyon and Pinckney and SEC wins over Saline and Dexter.

The lady Bulldogs opened the season with a 16-5 win over a weak South Lyon team, scoring 13 runs in the first inning. Senior Anita Powell claimed her first victory of the season, striking out four and walking only two. Powell's pitching proved the difference in a game that was marred by opening game jitters. Anita dominated the free swinging Lions and Cathy Wade, Jennifer Ringe, Kim Boyd and Amy Hume produced singles to go along with the 12 walks given up by Lions pitchers as Chelsea pithcers put the game away in the first inning.

Monday, the varsity girls faced arch rival Saline in their first major test of the season; Saline is one of the three top teams contending for the SEC title this year. Anita Powell picked up her second win of the year in pitching a near-perfect game. Anita faced just 25 Hornets as she struck out nine and walked just two Saline hitters. She finished the game strongly by taking the last three outs of the game on strike outs.

Senior Kelly Hense led the Chelsea hitting attack with two solid hits while scoring twice. Kelly produced the big hit of the game, a triple in the third inning to drive in two runs and give the Bulldogs a three run lead. Amy Hume, Cara Feeney, Kim Boyd and Jennifer Ringe each contributed key hits in pacing Chelsea to its eventual 5-2 win.

On Wednesday, Chelsea squared off against Pinckney and junior: Amy Unterbrink pitched a hear-perfect no-hit shutout against the Pirates. Amy picked up her first win of the year as she had fallen victim to rainouts on two earlier starts. The 6-0 victory came on a bitter cold evening as

CHS JUNIOR AMY UNTER-BRINK pitched a no-hit softball game against the Pinckney Pirates last week. In her first outing of the season, Unterbrink shut out the Pirates, 6-0, while her teammates continued on their fine season course.

Unterbrink overpowered the Pirate batters. Amy struck out 13 and walked just two Pirate hitters as she faced only 22. The yard sity infield of Anita Powell, Jennifer Ringe, Molly Eisele and Anne Eisele, played an outstanding game in support of Unterbrink's pitching.

Jennifer Ringe led the Bulldog

attack as she slammed three hits, including a double, and Amy Hume continued to be the most consistent Bulldog hitter, pounding out two singles as both Ringe and Hume had perfect days at the

Friday, the varsity squad continued to win as they rolled over Dexter, 11-1, as Anita Powell picked up her third win of the year. Powell increased her strike out total for the second game in a row as she put 11 Dexter hitters away with three strikes. Anita gave up just one hit and one run in the bottom of the fifth and last inning as she lost her bid for a nohitter. However, collecting 11 of 15 outs in a five inning game is an excellent performance by a pitcher under any set of standards.

Kelly Hense collected two hits, both doubles, and Amy Hume stroked two more hits to give her a .666 average for four games. Amy Unterbrink smashed a bases empty home run in the third inning for the team's first home run of the year.

JV Softball Team Wins First Three

The Chelsea Bulldog JV softball team got off to a flying start, winning their first three games, 16-3 and 10-9 against South Lyon on April 4 and 17-0 against Saline, April 16.

The first game against South Lyon saw superb pitching by Donna Popovich who went the distance to get the win.

The leading batters for Chelsea were Celeste Powell, Kim Forner and Cathy Doll, each collecting one hit. Julie Patrick hit a double in the fourth inning.

In a tight battle in the second game, Chelsea came up the winner, 10-9. Margie Rawson started the pitching and went three innings before Donna Popovich was called on to complete the game.

Excellent base running and key hits highlighted the game. Leading hitters, with one hit apiece, were Karla Peterson, Venus Roberts, Lisa Hurd and Missy Lazarz. Kim Forner collected two hits and Margie Rawson belted a double.

On Monday, April 20, the Bulldogs defeated Saline in five innings, 17-0. Donna Popovich struck out 11 batters and gave up only one hit that came late in the last inning.

Leading hitters were Marty Kovick and Julie Patrick. Missy Lazarz and Donna Popovich were credited for key triples.

SOFTBALL CHELSEA QUEEN: Senior Centerfielder Kelly Hense is the Bulldogs' leading power hitter having already collected two doubles and a triple this season. She is currently batting .384.

BATTERY MATES: Catcher Amy Hume, left, and pitcher Anita Powell, make up Chelsea's top softball duo. Sophomore Hume is both the team catcher and Chelsea's leading hitter, batting .666 after four games. Powell, a senior, is the Bulldogs' ace pitcher with a 3-0 record thus far this season.

JV Stuggers Down Saline Saline Loses to Pinckney, Dexter

The Chelsea High school JV baseball team won its first league game of the season with a win over Saline, Monday, April 20.

Chelsea took a 1-0 lead in the first inning on back-to-back singles by Doug Pagliarini and Mike Niebauer. In the third inning, Saline scored two runs on two singles, a walk and a double, thereby taking a 2-1 advantage. The Bulldogs came right back to score two runs on two walks and a single by Randy Krichbaum.

in the fifth inning, Saline scored two additional runs on a single, double and triple to take a 4-3

lead. Again the Bulldogs came back to score four runs on hits by Mike Niebauer, Randy Krichbaum and Eric Kruger.

The top of the seventh found Chelsea's defensive plays saving the game. The first was a shoe string catch by right fielder Randy Krichbaum on a low line drive by the lead off hitter. Saline's next batter doubled to left field while the third batter singled to left and Scott Dault made a great throw to catcher Eric Kruger at home to nail the runner attempt. ing to score from second.

Bulldog Sluggers Gain First Win

The Chelsea High school varsity baseball team took on the Tecumseh Indians Wednesday in the cold and rain and racked up their first win of the season, defeating the Indians, 3-2.

typical Bulldog fashion as Tecumseh scored twice in the first inning, on three hits and one error.

In the bottom of the first, Chelsea came back to even the score as Ross Murphy singled and John Welton doubled and the runners moved to second and third base. Ross Stofflet singled home the first run and with runner on first and third, Stofflet stole second and Welton stole

Pitching from each team was excellent as John Welton pitched for Chelsea and Derrick Nahabedian dominated the Tecumseh pitching staff.

In the bottom of the seventh, Chelsea scored the final run of the game as Bohlender walked and Craig Olmsted, pinch running for Bohlender, stole second. Gary Van Meer sacrifice bunted Olmsted to third base with only one out. Tecumseh, utilizing a fine defensive play, purposely walked the next two batters to load the bases. With a 3-1 call, Chelsea walked in the winning run to up their early season record with a 1-1 slate.

According to Coach Wayne, The game got underway in the Welton, the Bulldogs thought they. had the necessary momentum to y take on the Pinckney Pirates in a make-up game Thursday, Aprilg! 24. Still, the Pirates defeated Chelsea, 7-1.

Pinckney came up with tworuns in the second inning, the result of two errors and a base, hit. Chelsea's downfall in the contest was its inability to come up: with the big play and the big hit : when it was needed.

Pitching for the Bulldogs was Jeff Dils who allowed 10 hits, most of which were not hit with, much force. "He really deserved? better," commented Welton of Dils' hurling efforts. But, Chelsea made four errors and had only [four hits; the pitcher for Pinckney struck out only one Chelsea slugger.

John Welton added two hits one of which was a double, for the Bulldogs while Jeff Dils and Mike Bareis added a hit apiece.

Chelsea's only run came in the third inning as Craig Olmsted was safe at home plate on an er-

13 New Books at McKune Library

McKune Memorial Library received a collection of eight new books last week. New selections added to the library collection include Sharpe's Eagle by Bernard Cornwell, the first of an epic series which completely transports the reader to an unforgettable time and place in history. It is July, 1809, and out of the mists of Talavera comes an overwhelming, never-defeated army sent by Napoleon to crush the British in Spain. Richard Sharpe, temporary captain in the 95th light infantry in Wellington's army, awaits the greatest battle of his life.

The Reward Game surrounds the discovery of a body of a small-time criminal in the car of Keith Calder, gunsmith and one time poacher and womanizer. Before the police can claim the corpse, it disappears and it seems evident that someone is very anxious that it should be found. This novel, written by Gerald Hammond, is one for

mystery fans. Michael Pearson meticulously researched prior to writing The Store, an impressive novel that brings to life a great merchant prince and the fabulous empire

he created. Greenyards by Joan Lingard is set in a Scottish Highland glen in 1852. From the lush landscapes of the Highlands and the tenements | Chal.

of the poor in Glasgow and Edinburgh, through the perilous wilds of North America to the silks and satins of the drawing rooms of the rich, loves are lost only to be regained while calamity follows

on the heels of joy. Stephen King's Danse Macabre is an analysis of horror, a mov-19 ing, rhythmic search for the place where we live at our most v primitive level. Its a personal one on one exchange of ideas on good, bad, fabulous and terrible excursions into horror. Here is a unique combination of fantasy and autobiography, of classical horror writing honed to a deeply personal, unforgettable edge.

Mask of the Jaguar is a mysterious, romance-filled novel by Jessica North. The story focuses on the death of Julie Irving's father and the years it takes for her to come to appreciate his landmark studies of pre-Columbian archeology. Working as a commercial artist in New York, she is delighted and surprised when her stepmother, Celeste, who runs an art boutique in the fashionable resort of Cancun and who had never before shown interest in Julie's welfare, tells her of an extraordinary opportunity to become the official photographer at a dig in the new->1 ly excavated Mayan city of Kim.

Spanish Club Helps With Landscaping at Professional Building

Members of the Chelsea High school Spanish Club spent much of Sunday, April 26 raking, shoveling, sweeping and cleaning the grounds of the recentlyopened Chelsea Professional Building in hopes of generating some funding for their tentatively

planned trip to Spain this year.
Since the Professional
Building's opening, very little landscaping had been done. It therefore seemed appropriate to locate some hearty young souls for that purpose. Sunday, the group gathered at the site at 10 a.m. to begin planting, laying sod and spreading shredded bark while they daydreamed of the view of Toledo and strolling through the courtvards at the Prado.

AMENDMENT FOR THE DEXTER TOWNSHIP ZONING ORDINANCE AGRICULTURE DISTRICT (AG) **Dexter Township Zoning Board**

January 28, 1981 1. Section 4.20 A-Intent-Add new, second paragraph as

follows: "Farming activities are preferred uses in this district and it is intended that this fact will be given paramount consideration in evaluating petitions that might be filed to amend the zoning text or classification of lands within this district. Concentrations of residences, as might occur in residential subdivisions, or in condominium, mobile home, or rental housing developments, are considered to be incompatible with farming activities, and with the intent of this district. It is further the intent of this district that the number of residential lots which may be divided from larger, agricultural parcels is to be limited by the restrictions concerning lot divisions as set forth in the Subdivision Control Act (Act 288, PA 1967, as amended). The required minimum lot area is intended to be the smallest possible, consistent with the existing and planned rural character of Dexter Township, in order to avoid waste of agricultural land.

2. Section 4.20 B-Add new section as follows:

"B. Preferred Uses. 1. General and special farming activities, including but not limited to agriculture, animal husbandry, and horticulture."

3. Section 4.20 B-Renumber. existing section to 4.20C. Delete existing subsection 1, and renumber remaining subsections accordingly.

Delete existing subsection 2 (proposed subsection 1) and replace with the following:

"1. Residential dwelling units, provided such units are not located in platted subdivisions and provided that each such unit, when located on a lot of less than ten (10) acres, shall be located on its individually owned, described and recorded lot."

Nanette Push Runs Record To 5-3 With EMU Softball Team

Sports Writer, Eastern Echo Eastern Michigan mound ace Nanette Push hurled a four-hit, nine-inning masterpiece to shut out the Wayne State Tartars, 1-0, in the opening game of an April 16 doubleheader at Ann Arbor's Veterans Park.

Push, who had missed several starts for the Hurons with a finger injury on her throwing hand, ran her record to 5-3 with the victory. She has also posted an impressive 1.45 earned run average in nine games, including seven complete game starts.

Eastern is in only its second year of varsity softball, but has already opened many eyes around the state with the sudden success of its young squad. They are currently 14-8 on the season, a far cry from last year's 6-12 mark.

Push had suffered her dislocated finger in an Eastern practice session and was forced to sit out while the team hosted its own Huron Invitational, April 10-11 in Ann Arbor. Eastern swept the tournament away from a strong Miami of Ohio team with a rain drenched 4-3 victory in the

Eastern has reached the finals by beating all four of their bracket opponents in the roundrobin set up. The University of Detroit fell to the Hurons for the third time this season, 8-1, in the opener and Eastern whipped Illinois-Chicago Circle, 6-5, to end the first day of competition.

Sophomore Jan Boyd outdueled Kent State, 1-0, for the third win, and Eastern reached the finals with an impressive 4-0 triumph over Ohio University. Huron Jodi Ward from Ann Arbor got the win, her fifth of seven decisions. Boyd won her fourth in the championship game, defeating Miami and ex-Ann Arbor Pioneer pitcher Rhonda Haglund.

Following the team's return from a successful southern trip to South Carolina, the team ran into a hard-nosed Ball State team and lost twice. Push and batterymate Patti Hume, who also combined to lead Chelsea High school for three prosperous years, suffered a 4-1 loss in the opener despite Push's four-hit effort.

Against Ferris State April 3, Push relieved Boyd in the top of the seventh with two runners aboard and halted a rally, but the Hurons still lost, 3-1. They had won the opener, 4-3, as Hume, pinchrunning for shortstop Mary Crechiolo, scored the team's third run.

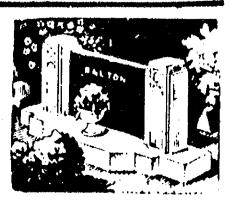

Detroit was the unfortunate recipient of Push's greatest day as an Eastern player. In the first game of the April 4 doubleheader, Push slammed a three-run double in the first inning as Eastern Broke out to a 5-0 first frame advantage. She added a run scoring sacrifice fly in the fourth and walked twice to complete an excellent day at the plate.

Push's bat heroics have impressed coach Anne Johnston, "Nanette's hitting has surprised me," said Johnston, "she was a strong hitter in high school, but has concentrated on her pitching trolled by Sections 4.20C-1 and here more than her hitting. I thought that that would hurt her, but it has not. I wish I could use her more as a hitter."

> Eight Detroit batters fell victim to Push fastballs in the opener and Eastern won, 9-1. Push also got credit for the win in the second game when she relieved Boyd in the seventh inning after two runners had singled. After an infield single loaded the bases, Push fielded a ground ball, but her throw to catcher Kelli Rhodes was wide and two runs scored. The tying run scored on a ground ball to Crechiolo at short, who threw home too late to cut down the run. Push then retired the last two batters without indi-

Push retired three in a row in the top of the eighth to set up the climatic finish. Crechiolo singled and Hume was called on to run. A sacrifice bunt by freshman Shelley Kendrick rolled free for a hit and Hume raced home on Lou Ann Calls single to center.

Eastern dropped identical 3-0 decisions to a tough Michigan State team in East Lansing, with Push taking the loss in the finale.

Push is fourth on the team in hitting with a .286 average. Three of her four hits are extra base hits, including a home run in South Carolina. She also has six RBIs in only 14 plate appearances this season, third on the team.

Hume has been utilized by Johnston as a valuable pinch runner lately, in addition to her catching duties. "Patti is a hustler. Everytime I call on Patti she is ready," said a pleased Johnston. "She hustles and does her job and always listens to what I have to say. Patti is all eyes and ears and forgets that she has been on the bench. I really enjoy

DOUBLES OR NOTHING: Chelsea High school's number one doubles team is made up of Steve Wilson, left and Craig Thomas, right. Despite their efforts, the 1981 Bulldog tennis team is inexperienced and has yet to win a match in the young season. A total of 15 players make up the novice team coached by Terri Schreiner.

MARJORIE AND JOHN DUNAVIN combined talents to take second place in the Chelsea Co-Op Nursery sponsored Spring Scotch Doubles Tournament, held at Chelsea Lanes Sunday, April Their combined score of 678 afforded them a \$25 gift certificate or use at Chelsea Lanes. In third place, not pictured, were Laverne and Karen Leach, who, with a combined afternoon tally of 668 points, were awarded a bottle of scotch. All proceeds from this bowling tournament will be used to benefit Chelsea Co-Op Nursery.

BOWLING FOR DOLLARS: Placing first with a series score of 686 during the first annual Spring Scotch Doubles Tournament, held Sunday, April 5 at Chelsea Lanes, were David Boyer and Fran Zatorski. For their efforts, they were presented with a check for \$100. Their sport turned to profit as they combined for the highest score during the Chelsea Co-Op Nursery-sponsored tournament.

SPARK PLUGS: Bob Benedict, a distance running CHS junior has proved himself invaluable to the 1980 Chelsea track team. Last week, against Napoleon, Benedict ran a lifetime best in the 1600 M placing second against strong competition at 4:39.1. He also took a first in the mile run against Tecumseh with a time of 4:52,1, Sophomore cross country sensation Mark Brosnan has also proven to be a very valuable asset to the thinclad squad. Against Napoleon. Brosnan took a third place finish with a time of 4:43.0. He also finished third in the 3200 meter run with a time of 10:08.8. Against the Indians. Brosnan finshed second in the mile run, :0.9 behind Benedicts's first place finish of 4:52.1.

Varsity Tennis Team Is Short on Experience

The 1981 Chelsea High school varsity tennis team is comprised of 15 players including co-captain Doug Ingles, first singles; Bill Merkel, second singles; Mike Reed, third singles; David Harbaugh, fourth singles.

In doubles competition, cocaptain Steve Wilson and Craig Thams make up the first duo while Kurt Eisenbeiser and Tom Schumann are the number two seeds. Rob Moore and Bob Bentley are the third doubles team. Additional players on the team are Damon Mark, Dan Waldyke, Jeff Haist, Craig Hinz and Greg Markle.

The Bulldog tennis team opened its season with a loss to Saline, 7-0, 7-0 in two matches. According to Coach Terri Schreiner, "This year's team is relatively inexperienced, having lost seven seniors from last season. In addition, last year's team was a mixed group while during the 1980 season, a separate girls team was organized."

Chelsea does not have a junior varsity tennis team as a lead up to the varsity squad. Consequently, the varsity players have little or no experience. Only three of the 15 team members have had at least one year of prior competitive experience; two others played a number of exhibition matches last season.

Though the season has begun slowly, Schreiner anticipates a great deal of improvement as the season progresses. Her team is young and the players willdevelop into a strong, confident tennis team.

BOB BEEMAN raises himself high above the bar in the pole vaulting event Thursday afternoon, April 23. In the meet against Tecumseh, Beeman was unable to place though onlooking teammates Dave Wojcicki and Jay Eibler took second and third place, respectively, by clearing 10' in that event. Chelsea defeated Tecumseh, 93-39.

Varsity Nine Loses, 4-2, To Saline

Monday afternoon, Chelsea's varsity sluggers took on the Saline Hornets. The Bulldogs, facing two-time All State pitcher Jim Phelps who has remained undefeated for the past two seasons, dropped the contest by a 4-2 decision.

Saline took a 1-0 lead in the first inning, scoring a run on an error and hit combination. It was Chelsea's only error of the game.

By the fifth inning, Saline was up by four runs; thereafter, Chelsea held the Hornets scoreless.

Chelsea took to the scoreboard in the sixth inning and again in the seventh as Ross Stofflet drove in a run with two on base and two outs. Stofflet was followed on the plate by John Preston who hit the ball directly into the glove of a Saline defender to end the con-

Leading the hitting attack was Stofflet with a pair of hits while Mike Bohlender and John Welton added one hit apiece.

Pitching the best game he has all season was Steve Grau who remained on the mound for five full innings. His credible performance was exemplified by his allowing of only six hits and one walk while striking out a quintet of Saline players. John Welton relieved Grau in the seventh inning and struck out his opponents, one, two, three.

Also contributing a strong defensive game was Bob Trevino at second base. Over-all, the Bulldogs showed vast improvement over their previous season

WHO ARE THE "LENDERS"

In past columns, you have probably noted the words 'lending institutions." Just who or what are these lending institutions who finance home loans?

Historically, the nation's major suppliers of residential mortgages have been financial institutions such as savings and loan associations. mutual savings banks and commecial banks. They have accounted for as much as 87 percent of total residential financing in years when deposit savings have been plentiful, and as little as 70 percent in a year, such as 1969, when new savings deposits fell to a very low level and credit generally was scarce.
Life insurance companies

also play a significant role in the residential mortgage

market, although their participation has declined considerably since the 1956's as they have shifted funds to higher investment yields. Other mortgage lenders include Federal and State agencies, pension funds, real estate investment trusts and individuals. Savings and loan associations are by far the largest source of mortgage money of all the above. At the end of 1974, they held almost half of all outstanding mortgage debt.

Fellowship Day Set By Churches

Church Women United of Chelsea will celebrate May Fellowship Day this Friday, May 1. The theme is "The Spirit of the Lord Frees and Unites." Caroline Arbogast will lead the medita-

The celebration will include a salad pot-luck and will be held at the United Methodist church on Park St. It will begin at 12-noon. Everyone is welcome and asked to bring a salad and personal table service. A nursery will be provided and parents are asked to bring sack lunches for their child or children.

May Fellowship Day has been held yearly in this country since 1933. It's purpose is 'to strengthen a growing sense of unity, to share the joy of Christian fellowship, and to show the power of Christianity in the day of need."

Today we made get-well cards for Melissa Fletcher who is in the hospital and we planted flower seeds. Christie and I made flower seeds for Melissa Fletcher and we played two games. One was Bounce the Ball and the other was Rain Maker and we had fun. tion. Dwana White, scribe.

Your Health Options

By Beverly Chethik Director of Health Education, Washtenaw County Health Dept.

Question: My 70-year-old father is in good health, but he doesn't seem to get much exercise now that he's retired. I want him to exercise more, but I don't know what he should do. Any suggestions?

Answer: Exercise is important for the older person-just as it is for the young-but knowing that isn't enough. Before a person can really make a commitment to exercise and to an active lifestyle, he has to know what he likes to do. If exercise doesn't fit into a person's way of life—and if he doesn't think it's pleasant to do-he probably won't stick to any exercise schedule, even if he knows it's good for

So the first step is to talk to your father about what he likes to deriv Some people like to exercise alone; others like to exercise with other people. Some like to find just one friend—or perhaps a grandchild—to exercise with. Some people like to combine their exercise with their daily chores, so they walk to the store instead of going by car. Others 3 like to join a class or a club that sets aside time to dance or stretch Some people decide to start a vegetable garden—alone or with a friend. Other may bike or play ball regularly with a grandchild.

Although you say your father is in good health, he should see his physician before he starts on a new exercise program, just to make sure he is setting up a realistic schedule. And when he starts to exercise, he should begin slowly, and warm up before he exercises.

Because no two people have the same physical and psychological needs, and because age in years is not the same as physical age, no hard and fast rules can be laid down about exercise. In generals though, the exercise your father chooses should suit his strength and ? ability. After he sees his doctor and thinks about what he likes to do, he may choose a light exercise like simple deep breathing for short periods of time several times a day, or walking. Or he may work up to a more strenuous activity like jogging or biking.

At any age, however, physical exercise and an active lifestyle are beneficial. First, they establish or maintain muscle tone throughout the body and for the heart itself. Second, they have positive emotional effects because they increase relaxation and reduce nervous tension. strain and anxiety. Exercise also aids digestion and helps control obesity. If exercise is done with other people, it helps the older person, socialize and maintain an interest in life.

When you talk to your father about exercising and living an active life, be sure you stress that he choose something he likes to do-other wise exercising probably won't become a way of life for him.

If you would like more information about exercise and wellness in general, call 973-1488 and ask for the pamphlet, "The Wellness Revolust

Last week was a tough one for the Chelsea High school girls track team. Tuesday, they dropped a non-league dual to a strong Napoleon team, 72-51, and Thursday one of the league favorites, Tecumseh, handed the Bulldogs an 81-42 setback.

Despite the defeats, there were a number of bright spots for the Bulldogs. Mary Boylan and Lorrie Vandegrift continued to perform well in the shot put and discus. Boylan threw the discus 108' 1/2" for a school record in winning at Tecumseh. Vandegrift threw a fine 92'2" to place third against the Indians. Vandegrift also had seconds in the 100 hurdles in both meets and won the long jump against the Pirates and the high jump at Tecumseh. Sue Young also made steady improvement in the long jump.

Chelsea's distance runners had a good week. Against Napoleon. Kristin Thomas was third in the 1600 meters at 5:52.7. Carol Warren and Nancy Hastings ran 1-2 in the 800 and Sandy Frame was second in the 3200. Nancy Heller dropped down to the 400 meters and finished second as well.

Napoleon's Cindy Reed, one of the better class C runners in the state, won both the 1600 at 5:32.3 and the 3200 at 11:36.2. Hastings was second and Wendy Wolfgang third in the 1600 and Carol Warren finished second in the 800 against Tecumseh. In the 3200 against the Indians, Kristin Thomas was second and Sandy Frame first with a school record of 12:25.9.

Tracy Bohlender had a good meet at Napoleon, finishing second in the high jump with a jump of 4'10", anchoring the winning 800 relay and finishing second to Terri Reed, one of the area's better 200 hurdlers in that event. Reed was a triple winner for the Pirates, adding 100 hurdle and 200 dash wins. Bohlender came back to win the 200 hurdles against Tecumseh with a :31.8 clocking.

Martha Hans of Tecumseh won the 100 meter hurdles, the 100 and 200 dashes and ran on the winning 400 meter relay to account for 20 of the Indians' 81 points.

Scorers for Chelsea against Napoleon included Mary Boylan, second in shot and discus; Lorrie Vandegrift, first in shot put, long jump, second in 100 hurdles, and third in high jump; Tracy Bohlender, second in high jump and 200 hurdles; Kristin Thomas, third in 1600; Nancy Heller, second in 400; Carol Warren, first and Nancy Hastings second in the 800 and Sandy Frame, second in

NANCY HASTINGS gets a flying start in the 880 relay during the Chelsea Relays held Friday at Dexter. Passing the baton to Hastings was Wendy Wolfgang who ran the prior leg of the race. A total of seven teams participated in the relays held at Dexter following poor track conditions in Chelsea. Winning the meet was Holly with a total of 64 points, followed by Jackson Lumen Christi with 39.

3200. Also, the 800 relay of Sue Young, Julie Hunn, Kathy Honbaum and Tracy Bohlender, and the 1600 relay of Nancy Heller, Kristin Thomas, Julie Hunn and Carol Warren, both won.

Scoring during the Tecumseh meet were Mary Boylan, first in discus and second in shot put; Lorrie Vandegrift, third in shot and discus, second in 100 hurdles and first in high jump; Sue Young, third in long jump; Tracy Bohlender, second in high jump and first in 200 hurdles; Nancy Hastings, second and Wendy Wolfgang, third in 1600; Carol Warren, second in 800; Sandy Frame, first and Kristin Thomas, second in 3200.

The Bulldogs used these meets to "run people in some different races and find some things out about ourselves," commented Coach Bainton. Things won't get easier as the girls take on Dexter at home Tuesday and then head to Milan to face the SEC league winning choice. Friday finds the Bulldogs on the road once again at the Mason Invitational.

Lectures Slated At Hospital On Alcoholism

A series of free public lectures on alcoholism and other chemical dependencies is being held every Thursday at Chelsea Community

The series is for alcohol and sedative dependents, family members and friends of those dependents.

Dr. J. Hardee Bethea, former Brighton Hospital director, will begin the hour-long talks at 7:15 p.m. in the Hospital dining room.

The program to be presented Thursday, April 30 will deal with "Alcohol and the Body." Subsequent lectures will deal with the progression of the disease from the earliest stage and the behavior every addicted person experiences.

Optional Alcoholics Anonymous and Al-Anon meetings follow the lectures at 8:30 p.m.
