After a display of talents and questions and answers given by the 10 candidates hoping to become the 1981 Chelsea Community Fair Queen, Beth Heller, candidate of the Chelsea High school senior class, won the coveted title.

Sunshine Greets Big Fair Parade

What began as a rather dull, dreary, humid day became a bright, sunny day throughout the duration of the 1981 Chelsea Community Fair Parade.

As participants began lining up for the parade Saturday, the skies were dark and it began to rain. Floats were covered with plastic and Fair Queen, contestants, Fair Board members and Village Council members, as well as others riding in the parade, covered underneath umbrellas.

But, as the Chelsea High school band proceeded down E. Middle to Main St. the sun peaked

through the clouds and made for a humid yet pleasant 45-minute entourage.

Floats, fire trucks, commercial vehicles, antique cars and clowns, livestock, horses and tractors made their way through the village, delighting all who had braved the threatening weather and had flocked to the curbs of Main St.

Prior to the procession, all floats entered in the event were carefully scrutinized and first through third place ribbons were distributed among the group. Taking first place in the adult

Demolition Derby Packs in Crowds

Packed in the bleachers like sardines in a can, hundreds of local demolition derby buffs perused the arena filled with beat up old clunkers, crashing into one another in hopes of emerging as the final running vehicle in the massive, dust-filled arena Tuesday and Wednesday evenings.

The demolition derby, according to Art Steinaway, is presented as a means of helping finance the Chelsea Community Fair, and indeed it does. Crash-crazed patrons "ooh" and "ahh" as the delapidated vehicles race around the arena grounds, careening off the front, back and sides of similar vehicles.

Sponsored by Rotroff International and billed as "total destruction, action-packed," the demolition derby appears to have a soothing quality, allowing its drivers and spectators to blow off

steam, to participate in a violent act that is totally sanctioned and then, to relax, collect prizes or just go home feeling drained of energy.

Winners of the 1981 Chelsea Community Fair two-hour Tuesday demolition derby were, in the first heat: Scott Otto, first; Dominic Visel, runner-up; second heat, Thomas Goetz, first; runner-up, Norval Menge; third heat, Tommy Hill, first; Steven Cobb, runner-up. In the feature event, Scott Otto finished first while Dominic Visel was runner-up. Given recognition for the best artistic effort displayed on vehicles were Mark Dault and Phil Klink in first and second place, respectively. All winners were given cash awards and trophies for their destructive efforts.

Policy Adopted To Allow Intervenor In Interim Rate Cases
The Public Service Commission (PSC) has adopted a new policy to allow consumer groups and others to oppose utility companies who ask for interim rate increases.

The plan, however, was opposed by Commissioner Edwyna Anderson on grounds, she said, that it makes it easier for utilities to get interim rate hikes.

The policy was adopted following an Ingham County Circuit Court order that intervenors in interim rate cases be permitted to challenge any request.

Previously, the PSC prohibited intervenors from taking part in interim rates relief cases.

The policy will only be in existence until a definitive ruling from the Court of Appeals is issued, according to chairman Daniel Demlow.

Anderson, the only Democrat on the three-member commission, said changes made by the majority in the requirements that a utility must show before getting interim relief means "participation by consumer groups" may be meaningless if all a company is required to show is an im-

mediate revenue deficiency to justify interim relief." Previously, she said, a utility had to show that at least one of four things had happened before getting an interim rate hike.

These include difficulty in borrowing money, a sudden revenue loss, the potential for unreasonable and harmful revenue loss, or irreparable harm.

Anderson also complained that the new rule was "arbitrary action rapidly pushed through by the majority in anticipation of Chairman Demlow's imminent departure from the commission."

Demlow has resigned from the commission, but is staying on until a successor is appointed by the governor.

Anderson argued that she did not have a chance to discuss the proposed policy and that whoever chairs the commission after Demlow should be able to voice an opinion on the matter instead of it being decided before he leaves.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster opened the season at the country store Saturday night with a report where this feller in Massachusetts had give up on plans to help cronic cussers. He tried to set up a Cussaholics Anonymous for folks that wanted to quit, Clem reported, but he final said the hell with it, cause you can't help people that won't help themselves.

According to the piece Clem saw, the CA movement got started in the big city parking lot where the feller worked. A customer cussed him, and his boss fired him after he throwed a rench at the cusser's car. He and a few of his buddies announced they was starting CA, and he got more than 2,000 telephone calls at his home in five weeks. Nearly all of em told him he was crazy and hung up or cussed a blue streak til he hung up. Part of the problem, Clem allowed, was that the anticusser and his group wanted to make swearing a felony, and everybody else thinks it ought to be protected by the First Amendment, if it ain't already.

Like they say, Mister Editor, Clem's item played to mixed reviews. General speaking, the fellers felt there's a time and place for everthing, and cussing is no exception. Fer sure, said Zeke Grubb, the CA founder that failed was a city boy that never had tried to move cows or work mules. There are times, Zeke went on, when ranches and farmers have to choose between violent action and violent talk, and all decent men would rather cuss a poor dumb beast than hurt one, so they lay into em instead of slamming em up side the head. Zeke recalled the feller that was late gitting home from town, and his old lady wanted to know why. He said he hadn't been able to do a thing with the team. He had give the preacher a ride home, and the horses hadn't understood a word he said.

Actual, declared Bug Hookum, cussing is like everthing else in that it ought to be used in

moderation. A feller that drinks to much gits to thinking that drinking is part of living. Bug explained, and folks that live to eat instead of eat to live lose a understanding of the place of food in their lives. That's the way with cussing, Bug went on, it has to be used careful, like medicine. A few choice words can do wonders at the right place and the right time, he said, but when cussing gits to be nothing more than a way of talking it has lost its value. Cussing just to be cute or colorful or to impress the fellers takes away the purpose of cussing, which is to help the cusser without hurting the cussed, was Bug's words.

Practical speaking, Bug said what the world needs is cussing classes. Trouble comes when the cussed don't cuss back, like that feller that throwed the rench in the parking lot. People git hurt by flying renches, but one sharp tongue deserves another, was the way Bug put it, which was another way of putting the saying about sticks and stones breaking bones. A cussing contest is like a battle of wits, Bug said, it ain't no fun if one side is unarmed.

Yours truly,
Uncle Lew.

Kiddies Parade Starts Fair Tuesday

KERMIT AND MISS PIGGY, alias Debi Koenn and Judy Barels, pose for a snapshot prior to the beginning of the 1981 Chelsea Community Fair Children's Parade. This duo took first place in the 9 to 12-year-old costume category Tuesday.

The 1981 Chelsea Community Fair Children's Parade kicked off the beginning of the 44th annual event Tuesday evening as hundreds of local children gathered in the Municipal Parking Lot,

dressing in their Halloween-type finery and prepared to win ribbons for their decorative bikes, wagons and bodies.

Leading the parade was Chelsea Police Chief Robert Aello followed by the Beach Middle school marching band, under the direction of Warren Mayer, and hundreds of colorfully clad youngsters. Candidates for Fair Queen honors rode atop shiny convertibles, interspersed throughout the parade participants.

Costumed youngsters, carefully scrutinized by judges Marlene Rademacher, June Warren and Sandy Zeeb, were given first, second and third place honors and were paid premiums of \$5, \$3, and \$2, respectively.

In the three to five-year-old category, Randy and Jacob Hurst, posing as the chariot-riding "Ben Hurst" were awarded first prize. Second place honors were bestowed upon a balloon covered Christina Merkel

while Benjamin O'Connor earned third place recognition.

A circus train complete with a caged lion won first prize in the six to eight-year-old winners bracket. Completing this scenario were Danny O'Dell, Bill and Nicki Schultz, Lynn and Tommy Lietz, Heather Rodgers, and Jennifer Bachman. In second place was Laurie Honbaum while third place honors were awarded to Jeff Moore.

Nine to 12-year-olds were given three awards as well. First place awards for their Muppet inspiration were Miss Piggy and Kermit, Judy Barels and Debbie Koenn, respectively. Costumed as Mother Nature, Linell Brehmer took second place and Ron Grifka finished third in the competition.

Mixed and miscellaneous age groups also competed in the costume contest. Taking first place was "The Great Muppet Caper," made up of David, Duane, Daniel and Dena Walker, Joe and Nick Jacobs and Loren Keizer. Second place went to rickshaw haulers and Geisha girls Jimmy and Joey Williams and Kyle and Keri Kentala. Third place honors were bestowed upon Steven and Matthew Martin, as cowboy and Indian complete with covered wagon.

BALLOON LADY: Christina Merkel was way to the fairgrounds via balloon covered tricycle decked out in a polka-dot clown suit. She was awarded second place in the three to five-year-old age division Tuesday evening as she pedaled her

Bright Idea

The corner of Euclid and East 105th St., in Cleveland, O., became the first intersection to sport an electric traffic light on Aug. 5, 1914. Both red and green lights and a buzzer system—one long for Euclid, two long for 105th—were used to regulate traffic. Henry Ford Museum, Dearborn, exhibits the first three-color, four-way traffic light in its eight-acre Hall of Technology.

the Spanish Club, the yearbook staff, and performed in "Brigadoon." She has attended Interlochen Fine Arts Camp.

Mary volunteers at Chelsea Community Hospital and is a member of the Terrific Tailors 4-H Club. She is employed at Gala's Hallmark Shop in Ann Arbor.

In the talent segment of the contest, Mary played a clarinet duet with piano accompaniment.

Voted upon by her peers, Amy Poljan, won honors as Miss Congeniality in Tuesday's contest. Amy was sponsored by the Chelsea Chapter of the American Business Women's Association and is the daughter of Richard and Kay Poljan of McKinley Rd.

Amy is the treasurer of the Chelsea High school class of 1983 and was the head committee member of her class' float and food stand at the fair. At Chelsea High school, she sings with the choir and is a member of the varsity basketball team and art club. She has attended basketball camp at Hope College.

Amy is a volunteer at the Chelsea United Methodist Retirement Home and is a full-time mother's helper. She is a former 4-H Club member.

Her participation during the fair includes painting signs for the Fair Board, assisting Debbie Spalding with the Hobbies Department, parking cars, helping pay premiums in the Fair office. Amy was also a member of Steer Club last year and has entered hobbies and worked at various stands.

Amy offered her audience a humorous reading during the talent competition.

Other contestants in the 1981 Fair Queen competition included Carol Warren, representing the sophomore class and performing a minuet on flute with a guitar accompaniment by Dave Mason; Kelly Harness, sponsored by the freshman class, who performed a skit; Laurie Heller, Rogers Corners 4-H Club candidate, singing "Before I Close My Eyes;" Monica van der Waard, Athletic Boosters candidate, singing "Songbird" with an accompaniment by Marsha Warren; Micky Bennett, junior class representative, singing "Homes, Prayers and Promises" with Pat Powers, accompanying on guitar; Karen Kiel, Inverness Snowmobile Club candidate, performing a humorous adaptation of Casey at the Bat; and Gayla Bauer, sponsored by the Kiwanis Club and singing a song written by Doug Beaumont, who accompanied her.

Following the talent exhibition and brief impromptu questions, judges Carl Cederberg, newsmen; Fran Coy, hairstylist; Dr. Henry Peiper, director of the Office of Studies Abroad and Senior Scholarships, at the

University of Michigan; and Rosanne Bloomer, branch manager of Production Credit Association, carefully scrutinized each and every girl on stage to determine their winner.

After tabulation of scores, superintendents Cindy Bradbury and Margot Koehn submitted the names of the winner, runner-up and Miss Congeniality. Crowning Beth Heller as the 1981 Chelsea

Community Fair Queen was her sister and 1980 Fair Queen, Nancy Heller.

In addition to the standard awards presented to the reigning queen, the 1981 Fair Queen, Mariene (Kuhl) Howe, presented Beth with a \$25 gift certificate redeemable at Hudson's as a means of extending appreciation to the Fair for the 25 years since her reign over the annual event.

RIBBON CUTTING TRADITION: Marking the opening of each and every fair is the traditional ribbon cutting ceremony. Doing the honors this year were 1980 Chelsea Community Fair Queen Nancy Heller and Village President Charles Ritter. Also present for the event

were, left to right, Jerry Heydlauff, Fair Board president, Ritter, Heller, Village Councilwoman Sis Kanten and Fair Board executive vice-president Lloyd Grau.

Wednesday evening was a repeat of the previous night. Again, the stands were filled with cheering crowds, eager to cheer on friends or relatives during the course of the triple heat demolition derby plus the feature. Glass-free cars controlled by crash-helmeted drivers, wheeled crazily through the arena in search of a vulnerable hit and a possible trophy.

Winners of Retroff International's Wednesday demolition derby in the first heat, the

powder puff event, were: Marge Hintzen in first place with Susan Parker in the runner-up position. In the second heat, Mike Roskowski took first, Rick Dabich, runner-up; third heat, Mike Bonden, first, Jimmy Bollinger, runner-up; fourth heat, Delbert Kempf, first and Dan Houk, runner-up. Marge Hintzen was the winner of the feature event while Mike Roskowski placed in the runner-up position. For her artistic endeavors, Mary Heller was honored with the best artistic effort title.

Black Sheep Theatre Presents 'Blithe Spirit'

The Black Sheep Repertory Theatre of Manchester will present "Blithe Spirit" by Noel Coward for three week-ends, Sept. 3-20, with performances Thursday, Friday, and Saturday at 8:15 p.m. and a Sunday matinee at 4 p.m.

"Blithe Spirit" is the sort of witty, sophisticated British comedy that has made Noel Coward one of the most popular playwrights of our time. An urbane and imperturbable novelist, while researching the occult, accidentally conjures up the spirit of his first wife. His current wife is, of course, less than pleased. It is hilariously funny quandary, becoming more and more complicated than anyone would expect.

For information and reservations please call 428-9280 Monday through Saturday, 10 a.m. to 6 p.m. and on Sunday, 2 p.m. to 6 p.m.

Bright Idea

The corner of Euclid and East 105th St., in Cleveland, O., became the first intersection to sport an electric traffic light on Aug. 5, 1914. Both red and green lights and a buzzer system—one long for Euclid, two long for 105th—were used to regulate traffic. Henry Ford Museum, Dearborn, exhibits the first three-color, four-way traffic light in its eight-acre Hall of Technology.

Police Report Fair Week Incidents

Chelsea Police Chief Robert Aello reported few incidents at the 1981 Chelsea Community Fair. Nevertheless, three warrant arrests were made, six tickets were written for demolition derby cars on the highway without license plates and at least 10 citations were issued for alcoholic beverages on the fairgrounds.

A carnival worker, William Kabistloe, 37, was arrested as a disorderly person at Wolverine Bar Tuesday. According to reports, Kabistloe had been creating a disturbance at the bar, shouting obscenities, refusing to leave when asked and threatening the manager.

The Chelsea Police Department had been called three times prior to the arrest and on the first occasion, Sgt. Lenard McDougal had advised Kabistloe not to return to the bar under threat of arrest.

Officers Pete Graves and Donald Dettling made the arrest, charging disorderly behavior and transported Kabistloe to the Washtenaw County Jail where he was held overnight. According to reports, Kabistloe appeared intoxicated and the arresting officers had difficulty communicating with him.

Steer Quarters Awarded at Fair

The 1981 Chelsea Community Fair culminated in the drawing of winners of four steer quarters at 10 p.m. Saturday night. According to Steer Ticket superintendent Allen Broesamle, the four lucky winners drawn were Sylvia Spry of Dexter, Dale Augustine of Chelsea, Lance Heiss of South Lyon and Tom Masters of Ann Arbor.

Village Sprayed for EEE Control

What do Chelsea and California have in common? Malathion.

In a special meeting of state and county health department officials, Village President Charles Ritter and Village Council members Monday evening, Aug. 24, it was decided that ground spraying of Malathion within the Chelsea village limits would begin Tuesday evening, Aug. 25 and possibly continue every 72 hours thereafter until the first frost of the fall.

This decision was based on the discovery of large numbers of the species of mosquito suspected of carrying Eastern Equine Encephalitis, according to Barry

Johnson of the Washtenaw County Health Department. Light traps had been used by members of the State Health Department and upon discovery of the suspect insect, the meeting and subsequent decision to spray took place.

In addition to the recently confirmed cases of Eastern Equine Encephalitis in horses within the multi-county areas, three suspected cases of EEE in horses have been reported north of Dexter. The Washtenaw County and State Health Departments are extending the area where increased personal protection from mosquitoes should be

followed and where groundfogging should be conducted to kill mosquitoes at campgrounds and fairgrounds. This new area includes the northern half of Washtenaw county and southern Livingston county.

Part of the reason for swift action, according to Johnson, was the expectation of large numbers of visitors to the 44th annual Chelsea Community Fair. Still, the fairgrounds itself was not sprayed following pre-fair spraying of barns and the like by fair workers prior to Tuesday's official opening.

Tuesday evening was chosen as the opportune time to spray apparently because many Chelsea natives would be at the fair and, according to Dr. Neil Pennington of the Michigan Department of Health, "we've chosen to spray when mosquito activity is at its peak, at dusk."

In last week's Chelsea Standard, it was reported that the village was unable to fund such an expensive endeavor. Never-

theless, upon discovery of the large numbers of mosquitoes within the village, the state came through with borrowed equipment and personnel and will handle the expenses involved.

According to Barry Johnson, the state acquired spraying trucks from the Saginaw Bay Mosquito Control District and flyers warning of the Tuesday evening spraying were distributed door-to-door and along the Children's Parade route by volunteers and health department workers. Village residents were requested to stay indoors during the spraying of their neighborhoods between the hours of 7 p.m. and 9 p.m.

The mosquito spraying flyer explained that the Malathion spray would be applied as a fine aerosol mist that would dissipate within minutes and was not harmful to people, pets or plants in the sprayed area. However, it was suggested that exposed food be covered and pet dishes be

Amy Unterbrink Shines in National Softball Tourney

In the national softball championships held during the week of Aug. 13 at Santa Maria, Calif., Saginaw township's Schrader's Raiders faced off against the Mid Valley Hustlers of Tennessee with Amy Unterbrink on the mound at 8 a.m. Friday, Aug. 14.

Amy slammed the door in the face of the Tennessee batters and gave up just one hit as Saginaw took a 1-0 lead into the bottom of the sixth inning. Disaster struck as the Saginaw team made an illegal substitution and had to forfeit the game. This dropped Saginaw into the loser's bracket and a second game at 3 o'clock Friday afternoon.

The Raiders faced off against Wichita, Kan. and Amy took the mound for the second time that day. She once again proved to be the dominating force in the game as she tossed a near-perfect no-hitter and the Raiders won their first game in national competition.

Saturday morning, Aug. 15, the Raiders were up early for an 8 o'clock game. The team got off to a slow start as they gave up four unearned runs in the first inning before Amy re-established control of the game.

Amy had a fine tournament as she pitched 20 innings and gave up just four hits and no earned runs. She proved to anyone who watched that she was as good as any pitcher in the tournament.

In addition to her fine hurling performance, Amy collected a number of hits for Schrader's Raiders. According to Coach Charles Waller, "Amy was really tough and she went a long way."

Taking the national softball crown was the hosting team, Orcutt Express, the first time that the host had won. Second place was earned by Nor Cal Trimmers, another California team.

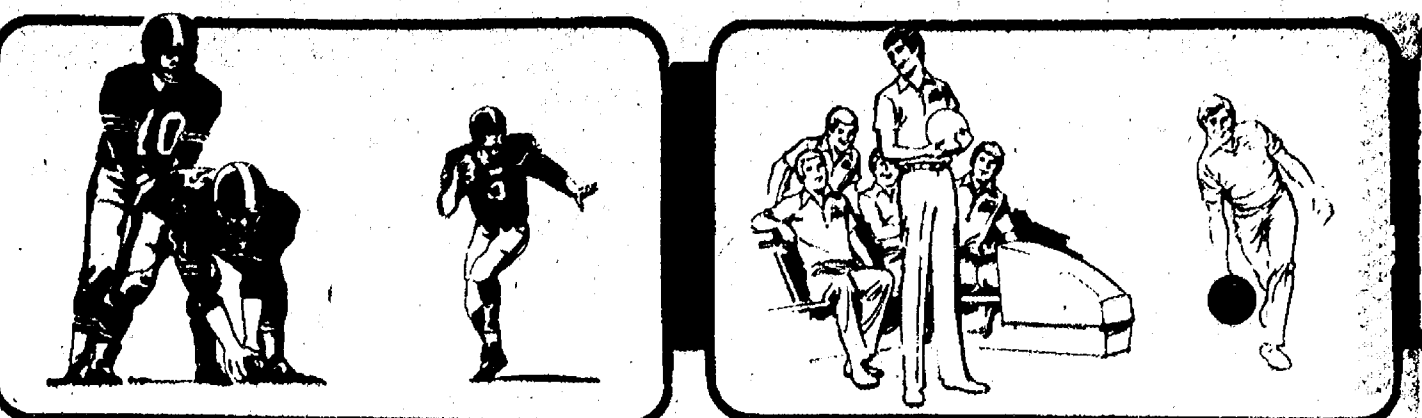

Interestingly enough, the Wichita team, that had been defeated by Schrader's Raiders and Amy Unterbrink, went on to win the tournament's consolation series.

Tractor Pull Interrupted By Showers

Friday's tractor pulling events got underway at 10 a.m. with the lightweight classes in competition. In the 4,000 and under class, winners, in first through sixth place, were Steve Milkey of Manchester, Steve Grau of Chelsea, Dennis Finkbeiner of Saline, Floyd Riethmiller of Grass Lake, Ralph Lammers of Grass Lake, and Ron Frey of Brooklyn.

In the 4,001 to 6,000 class, first through sixth place were captured by Mark Weidmayer of Ann Arbor, Lewis Litwin of Manchester, Bob Feldkamp of Manchester, John Stachnik of Clinton, John Hinderer of Chelsea and Paul Zahn, also of Chelsea.

The resumption of tractor pulling began at 7 p.m. Friday but, because of intermittent thunderstorms during the course of the evening, winners' names were unavailable; the pulling events were incomplete until early Saturday morning.

Boys Cross Country Team May Become 'Best Ever'

"Chelsea High school's 1981 boys cross country team could be the best team we've ever had," said Coach Pat Clarke in describing his team. "We need to work at it but the talent and desire to achieve this goal is there."

If the coach sounds excited, there is a very good reason for it. No less than six lettermen return from a team that was 7-1, third in the region and 20th in the state in 1980.

Leading the group of returnees is senior captain Bob Benedict, a four-year letterman and school mile record holder.

Along with Benedict comes junior Mark Brosnan who was all-league and all-region last fall. Two other juniors who will be counted upon heavily are all-leaguer Brent Martin and Dave Kies, 21st in the region last year. Rounding out the list of returning lettermen is senior Toby Boyd and sophomore Eric Green, both of whom have looked very strong in the pre-season.

Other runners who are being counted on for support are senior Daren Pierson, juniors Ernie Bristle and Kevin Richardson, sophomores Allen Cole and Tom Nemeth and freshmen Jared Bradley and Mark Rosentreter.

Pierson, Cole and Nemeth have looked especially strong this year.

Donkey Races Add Comic Entertainment

Spectators and participants alike were surprised at the comedy involved in the first-ever donkey races presented as a grandstand attraction at the fair. The donkey racing event was held at 8:30 p.m. Thursday, Aug. 27.

The riders in the five heats of donkey racing included a number of local persons involved in the Chelsea Lions Club, Manchester and Chelsea Jaycees, Chelsea American Legion, and the Chelsea and Dexter Fire Departments, to name a few.

The 1981 donkey races ran a total of five heats with the two winners of each heat competing in the championship race at the end. The animals were ridden bareback and with only a halter.

Taking first place in the donkey races was Lori Vandegriff, representing the Chelsea High school class of 1981. In second place was Charles Sprawka of the Chelsea Jaycees while Jerry Kenney of the Chelsea Fire Department was third.

The Bulldogs will need to be strong this season because they face one of the toughest schedules ever. In the dual meet portion of the schedule are Jackson Lumen Christi, state champs in 1979 and state runners-up in 1980; Ypsilanti Lincoln, league and regional champs in 1980 and 7th in the state; South Lyon, KVC runners-up in 1980; perennial power Jackson Northwest and the ever-strong Saline.

In the invitational portion of the schedule, the Bulldog harriers will travel across the state to find the best competition available including the Mason Invitational, West Bloomfield Invitational,

Fennville Invitational, Jackson Invitational, New Boston Invitational and the Chelsea Manchester Invitational.

The SEC league preview looks like it could be the year of the Bulldogs but defending champion Lincoln and the powerful Saline Hornets led by sophomore sensation Mark Pogliano will be forces to be dealt with.

Tecumseh and Dexter will be rebuilding this year and Milan and Jackson County Western should be much improved and could surprise a few people before the season comes to a close.

PITCHING STAR for Schrader's Raiders of Saginaw at the 1981 National Softball Championships held in Santa Maria, Calif. was none other than Chelsea's Amy Unterbrink. With Amy in California late last month were her parents, Mr. and Mrs. Ken Unterbrink of Freer Rd.

Antique Tractors Compete Thursday

Antique tractors flocked to the new arena Thursday morning to take to the tractor pulling event. With stern, determined expressions and motors revving, the 3,000 pound and under division revealed the following winners: Ron Frey of Brooklyn was first, receiving a trophy and \$80; Steve Birchmeier of Dexter was second; Jeff Messman of Chelsea finished third; and Paul Stull of Parma, fourth.

Dennis Trinkle, competing in the 3,001 to 4,000 pound category, took first place and received a trophy and premium for his efforts. Tim John of Chelsea finish-

ed second; Bud Wahl of Chelsea, third; Eugene Wahl of Chelsea, fourth; and Paul Zahn of Chelsea, fifth.

Bob Pyle of Manchester was given first place honors in the 4,001 to 4,500 pound category. Runners up included Dave Brady and Jim Brady of Dearborn, in second and third place, respectively. Steve Trinkle of Dexter was fourth and Harold Trinkle, also of Dexter, fifth.

In the 4,501 pounds and over category, Bob Pyle was first, Doug Trinkle, second, Dennis Trinkle, third, and Dale Lindemann, fourth.

THIRD PLACE VICTORY came for Buddy Wahl on his McCormick-Deering Farmall tractor during Thursday's antique tractor pull.

Village Sprayed For EEE Control

(Continued from page nine) turned over or rinsed out following the Malathion spraying.

Since Tuesday's spraying of the community of 3,800, additional light traps have been assembled in hopes of determining an additional threat of EEE-carrying mosquitoes and need for further spraying.

Possible need for further spraying would only be necessitated by an unusual mosquito population following the first ground spraying. Barry Johnson explained that after approximately 72 hours, ultraviolet rays of the sun and other elements result in the chemical breakdown of the insecticide used.

Other areas being sprayed for control of possible EEE-carrying mosquitoes are local recreational facilities such as Waterloo as well as the Green Lake area.

Reported cases, or at least

possible cases, of the disease have totalled 12 in the rural areas where Livingston, Ingham, Jackson and Washtenaw counties meet. Within just a few miles of Chelsea, 10 of the dozen cases have been reported.

Anyone with questions regarding the ground spraying of Malathion in and/or around Chelsea, may direct their queries to the Washtenaw County Health Department, 994-2492.

Grass Lake Youth Promoted in Marines

Marine Pfc. Jerry L. Abbey, son of Albert A. and Lois A. Abbey of 236 Simpson St., Grass Lake, has been promoted to his present rank while serving with 2nd Battalion, 2nd Marines, Camp Lejeune, N. C.

DERBY SPECTATORS: Members of the Charles Broderick family kept an eye out for one of their six cars entered in this year's demolition derby. Broderick Tower Shell was the winner of last year's demolition derby. Rooting for their cars are, left to right, Lisa Broderick, Rex Miles, Chuck Broderick, Chuck Broderick Jr. and Joan Lutosky.

Girls Cross Country Team Is Stronger

As the Chelsea girls cross country team heads into the 1981 season, great progress is anticipated. Last year, in their first official season, the girls finished 2-6. This year, with 11 girls running and some experienced runners back, the girls are chomping at the bit to get started.

Leading the group of returnees is junior co-captain Sandra Frame, all-league and all-region last season; senior co-captain Lisa Vandegrift; and senior four-year letter winner Nancy Hastings, all-league last year.

Other returnees who will be heard from are seniors Tracie Bohlender and Maggy Sweet.

Newcomers who should help include juniors Kim Boyd, Kathy Degener, sophomore Wendy Wolfgang and freshmen Stephanie Grant and Mary Ann Richardson.

The Southeastern Conference preview for the girls looks like a shoot out between state ranked powers, Milan and Dexter.

Tecumseh and Jackson County Western will again field powerful teams and Saline will attempt to rebuild its squad.

Finally, Chelsea will hope for a much improved season and could possibly surprise a few people by the end of the girls cross country season.

New Students, Frosh Invited To Tour School

Chelsea High School Student Council will be offering tours of the high school campus for all new students and incoming freshmen on Wednesday, Sept. 2 beginning at 10:30 a.m.

Students should meet at the flag pole in the circle drive. The tour will last approximately 30 minutes.

Also, at 12-noon, the Student Council officers and representatives will meet in the graphic arts building with the advisors.

If there are any questions, persons may direct their queries to the high school at 475-9131.

Job Clinic Slated Wednesday for High School Grads

The Job Clinic will be small, personal, intensive and provide an opportunity to work together with former classmates toward finding permanent employment.

Training for Volunteer Trail Guides

An interest in the outdoors and a desire to work with people are the only prerequisites for becoming a volunteer trail guide at the Waterloo Nature Center. A series of orientation meetings will be given for volunteers on Sept. 15, 17, 20 and 22. Topics to be discussed will include the following:

How do you handle 15 to 20 children on a nature walk?
 What if you don't know the answer?
 What ecological ideas are important to convey to kids and adults?

How do you interpret what you see rather than just name it?
 Volunteers should plan to attend one or more sessions. In addition, field guides will be asked to attend once a month workshops that are designed to provide basic knowledge about the environment. Interested persons may call the Nature Center at 475-8069 or visit Waterloo Nature Center at 17030 Bush Rd. In addition, further information may be obtained by contacting Pat McFadden at 665-5520.

Blood Donor Centers Open On Holiday

Shake off the end of the summer blues and start the fall season feeling good about yourself this Labor Day week-end by donating blood, urges the American Red Cross Blood Services Southeastern Michigan Region.

Most donor centers will be open on Saturday, Sept. 5, from 9 a.m. to 2 p.m. The Livonia, Roseville, Wyandotte and Ann Arbor centers will be open Monday, Labor Day, Sept. 7, from 10 a.m. to 4 p.m.

Blood supplies are unusually low right now according to the Red Cross, and supplies will dwindle even lower over the three-day holiday week-end unless blood is replenished.

Anyone in good general health, 110 pounds or over, and between the ages of 17 through 65 is eligible to donate though 17-year-olds must have parental consent. Giving blood is relatively painless and takes less than an hour from registration to post donation snack.

To make an appointment to donate, call 971-5300.

Letters to the Editor

Dear Editor:

I bet the recent article on the Ex Air Traffic Controller will bring tears to the eyes of thousands of laid off airline employees and their families. It should be remembered that these people are the victims of a criminal act and at the least deserve to see those who have robbed them of their livelihood be punished.

Handy Home Helper

With a couple of quick adaptations, Isaac Singer took the sewing machine out of the tailor shop and put it into the home. On Aug. 12, 1851 Singer patented his variation of Elias Howe's remarkable invention. He replaced the machine-shop pulley power system with a foot pedal for individual use and added a pressure foot to hold the cloth in place, making it possible for anyone to operate the machine at home. Examples of his sewing machine and other early home improvements are on display in the Domestic Arts section of the Henry Ford Museum, Dearborn.

Views On Dental Health

By ROBERT A. BURNS, JR., DDS, P.C.

FLUORIDE'S FIRST BIG TEST

In 1945, New York's State health department conducted one of the first and most rigorously controlled research projects in medical history. Teams of dentists examined the teeth of thousands of school children in the Hudson River cities of Newburgh and Kingston which both had fluoride-free water. In both towns, they found the same high incidence of tooth decay. Then on May 2, 1945 a small feeder machine was turned on in Newburgh's filtration plant; from that moment on, Newburgh's water contained 1.2 parts of fluoride per million.

Over the next ten years, doctors and dentists repeatedly checked the children medically and dentally. When the decade ended, they had found only one difference. In Newburgh, children between

six and ten—who had been drinking fluoridated water all their lives—had 60% fewer decayed, missing or filled teeth than youngsters from the same age group in Kingston.

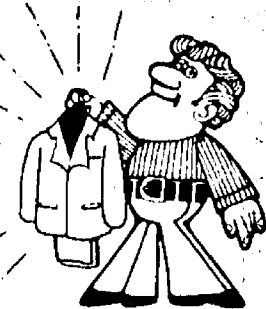

Today, fluoridation is accepted and endorsed as a major public health measure in preventing tooth decay by virtually every scientific and health organization in the country.

If you have dental health questions you would like to see answered, please mail them to the address below.

A public service with the aim of promoting a better dental health environment. From the office of: ROBERT A. BURNS, JR., D.D.S., P.C., Chelsea Professional Building, 1200 S. Main St., Chelsea, Phone: 475-9124.

North Lake Co-Op Nursery School Moves to New Home

A labor of love has ended in the birth of a new future for North Lake Co-Op Nursery. It all started approximately two months ago when the nursery school learned that the North Lake Methodist church, which had previously housed the co-operative organization, was unable to abide by the new fire regulations.

With this notification, North Lake Co-Op Nursery began an intense search of the Chelsea area, considering some 23 sites before teaming up with St. Barnabas Episcopal church. The search was conducted by co-president's Linda and Bob Culver as well as other members of the nursery school.

St. Barnabas was looking for an opportunity to get involved in a community project; North Lake Nursery was in search of a new home. They found that both endeavors culminated in the discovery that they could each fill the other's needs.

St. Barnabas has warmly welcomed the nursery family and has helped to motivate the group to accomplish certain goals. As soon as the new union was made final, the work began.

Ron Montagne brought a backhoe and other equipment to clear a wooded area for the new playground. Then, the dads built forms for a new trike track and the children's fort. On Wednesday, Aug. 12, Klump Bros. Excavating delivered the cement in preparation for the big move to take place Aug. 15. In the meantime, many dads worked long hours several nights to build walls and shelving downstairs to accommodate the varied and numerous activities crucial to the nursery school.

Then came the big day. A good turn out of moms and dads accomplished an enormous task, starting at 7 a.m. Saturday, Aug. 15. A handful of dads disassembled the playground equipment and things were loaded and enroute to St. Barnabas. By 9 a.m., the rest of the workers arrived to box, load, move and unload all of the indoor equipment from the nursery including tables, chairs, trampoline, shelves, books, puzzles, games, easels, paper, art supplies, food and much more. At noon, the job was nearly completed, including the reassembly of all of the playground equipment.

Still ahead was the organizing

TRIKE TRACK PREPARATIONS: North Lake Co-Op Nursery was a flurry of activity as moms and dads gathered to lay wooden forms for the trike track, pour cement, and move from the school's former location at North Lake Methodist church to St. Barnabas Episcopal church. Preparing for laying cement are, from left to right, a Klump Bros. employee, Lloyd Lafferty, Ron Montagne, Matthew Montagne, Joe Aspiranti and Mike Hammett.

LLOYD LAFFERTY assists in the spreading of cement for the trike track at St. Barnabas Episcopal church, the new location of North Lake Co-Op Nursery. Late last month, upon discovery of a new school location, parents of children attending the nursery gathered to move from North Lake Methodist church to the new location in preparation for the upcoming school year.

under the guidance of teacher/director Loree Stafford. Daily, mothers volunteered to work with Mrs. Stafford so that school would open with a place for everything and everything in its place.

The nursery was also represented at the Chelsea Community Fair where a booth was donated to the group. There was information concerning the school's operation and objectives given to passersby by moms, a simple art project for kids, allowing them to put designs on paper bag Indian vests, and a fundraising project involving a big yellow chicken available for pictures and housing a perspiring parent. Photos were taken by North Lake Co-Op Nursery School parents.

The nursery school is now approaching opening day, a time for the nursery school family—children, moms and dads—to work, play, learn and grow together.

Real Estate

By PAUL FRISINGER
REALTOR

REALISM IN PRICING

Be realistic when you put a price on your home. It can make the difference between a quick sale and weeks or even months of waiting. We have a saying in the real estate business, a slogan that real estate brokers and salespeople keep in mind all the time: "A home priced right is a home half sold."

Many factors enter into the pricing of a home. Besides the obvious physical attributes—size, type, number of rooms, lot, etc., there's always the matter of location and that elusive, but all-important concept called "the market."

The market can either favor the buyer or the seller. A demand for homes caused by,

say, industrial expansion, can make it a seller's market. If mortgage money becomes scarce or if the number of homes for sale is excessive, the market may favor the buyer. The key to fair home pricing is to constantly monitor and analyze the market. We do this on a day-to-day basis to make sure the price on your home is the right one—the SELLING one!

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8881; evenings 475-2821. We're here to help!

One moment please!

a 15-year wait?

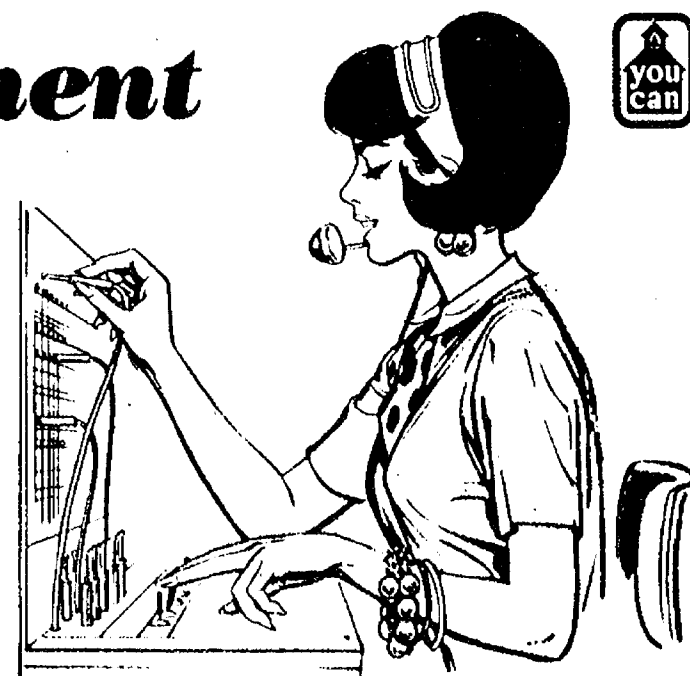

For some, their education was put on hold for more than just a moment. The average adult high school graduate has been out of school for 15 years.

Mrs. Ethel Johnson, who completed her requirements 57 years after leaving school in 1917, said, "It's never too late. When I get to feeling like I'm too old to learn something new it's time for them to put me away."

If you've been thinking about picking up where you left off, don't wait any longer. Do it now.
