75TH ANNIVERSARY: The Chelsea United Methodist Retirement Home will celebrate its 75th anniversary Sunday, Oct. 11. Built with financial assistance by Frank P. Glazier, the Home, complete with a host of special conveniences such as a post office, beauty shop

and library, is able to provide residence for 250 persons. Posting outside the main building are, from left, the Rev. Ira Wood, director Mrs. Catherine Durkin, resident Miss Lonah Burrows, director of nursing Barbara Donahue, Beth Lyerla and Mary Hoelzer.

Methodist Retirement Home Will Observe 75th Anniversary

Chelsea United Methodist Retirement Home will celebrate its 75th anniversary Sunday, Oct. 11 between the hours of 2 p.m. and 5 p.m. A reception, special services in the chapel and other events are planned for this special occasion.

The history of the development of the Methodist Home is fascinating. In 1904, George Austen of Jackson, requested the Detroit Annual Conference of the Methodist Church to study the possibility of developing a home for the elderly. Then, on Feb. 1, 1905, representatives from the Detroit and Western Michigan Conferences held their first meeting in Lansing. The following Sept. 23, the Detroit Conference voted "yes" to the plan and by Oct. 30, 1906, the Articles of Incorporation were made.

Plans were underway for the facility. In April of 1906, Frank P. Glazier offered to donate 14 acres in Chelsea, \$10,000—\$5,000 each in his and his wife's name—and pledged to provide the facility with \$1,000 per year for 10 years. In June of 1906, Glazier's offer was accepted. Oct. 11, 1906 marked "sod turning day."

The Chelsea Methodist Home of the Detroit Annual Conference of the Methodist Church is maintained as a residence for the elderly. While ministers and their wives have been members of the Home, a great majority of the residents have been lay members of the Methodist Church and all other denominations.

Glazier's substantial donation of money toward the construction of the first building was characteristic of his philanthropic endeavors. Still, that there is such a home is largely due to the vision and zeal of the late Dr. James E. Jacklin, a member of the Detroit Annual Conference, and for many years, the editor of the Michigan Christian Advocate. He created the sentiment for such a home and secured the site and funds for the first three buildings. The foundation of the endowment was per-

sonally solicited by him, as well.

For many years, Jacklin was the Executive Secretary of the Home and in his years of retirement, continued to follow its fortunes with sympathetic interest. Largely responsible, also, for the establishment and early guidance of the Home was the late Dr. Charles W. Baldwin, a minister of the Detroit Conference, who served as the first secretary of the Board of Trustees.

The Home began its ministry of service on Dec. 1, 1906. Mr. and Mrs. Henry Bovee were the first residents and were cared for in a private home near the center of Chelsea pending the completion of the first building, the central unit of the present group of buildings.

On Jan. 17, 1907, the cornerstone was laid and J. L. Hudson participated in that ceremony. The central unit was dedicated and opened for service on Oct. 31, 1907. Because of the increasing demand for its facilities, other modern residence wings were opened, the costs of which, for construction and furnishings, were contributed by the churches of the Detroit Conference and many Christian philanthropists.

On Dec. 12, 1915, the dedication of the Ella Hanley Hall took place

followed by the May 13, 1920 dedication of the Marquis L. High Hall and the Sebastian Kresge Hall on Sept. 20, 1942. A colonial style chapel, capable of seating 150 persons was constructed and dedicated on Oct. 9, 1949. Funds contributed toward the chapel were donated by the late Mrs. Anna E. Kresge, the Kresge Foundation and a number of interested friends.

The administrator's home was dedicated in October of 1962 and the Garden Apartments were dedicated on May 14, 1972. Finally, the new kitchen and dining room additions were officially opened in October, 1977. In 1952, the retired minister's cottage was built.

The Chelsea United Methodist Home is licensed to care of 173 residents and 62 nursing bed patients. More than 26 acres of land constitute the grounds of the Home and Garden Apartments. Total value of the buildings and equipment is estimated at more than \$4.1 million.

There are currently 250 residents at the Methodist Home, ranging in age from 62—the minimum age for acceptance—to 103 years. Approximately 50 new residents move to the Home each

United Way Campaign Is Underway

Chelsea's United Way campaign got underway last Wednesday with a kick-off dinner at Chelsea Community Hospital for all volunteers and staff members. Guests were briefed on the purposes of the United Way and had the opportunity to hear Robert G. Forman, executive director of the University of Michigan Alumni Association and see a film.

This year's month-long campaign goal and agency request, excluding administrative costs, is \$44,100, up \$2,000 over the preceding year. In addition a total of \$3,750 is added to that goal to cover collection losses, administration and campaign expenses, including insurance coverage for all volunteers, figuring this year's projected goal at \$47,850.

Of funds collected, 31 percent will be directly accessible through Chelsea-based services. Another 48 percent will be readily available to serve Washtenaw county communities.

Monies contributed to the Michigan United Way will help subsidize a total of 19 health

agencies, three special services including Leader Dogs for the Blind and three community organizations and planning services.

The month-long drive will be handled, for the second year, through the mail to help speed up collections and save on time normally spent canvassing. Beginning Oct. 1, the drive will continue through Oct. 30.

During the campaign, executive officers, board of director members and volunteers will meet weekly to determine progress. Officers for the 1981 Chelsea United Way campaign are William J. Bott, president; Mary Ann Merkel, vice-president; Sue Williams, secretary; and John L. Cox, treasurer.

Members of the board of directors with one year remaining include Dale A. Schumann, William M. Spade, Carla Schwarze, Jeanette Tobin, Sue Williams, Robert H. Porter and Scott Tanner. Those members with two years remaining on the board are William J. Bott, Pat Sober,

Open House Slated At High School

Chelsea High school will sponsor an open house Monday, Oct. 12, beginning at 7 p.m. The evening will begin with a brief assembly program in the auditorium. Following that, parents will be free to visit in any area or with any teacher they choose. This format was first introduced last year.

Results of a survey taken during last year's open house indicate that a majority of the parents and teachers present preferred the open format to the

Official School Enrollment Down Slightly

Following the fourth Friday official enrollment count in the Chelsea School District, a total of 2,364 students are attending Chelsea schools this year, down 66 students from the preceding year as projected by the Board of Education.

During the 1981-82 academic year, Chelsea High school has a total of 841 students while Beach Middle school has a total of 615 students enrolled. At South Elementary school, 517 students are enrolled and North school has 391 students this year.

"capsule format" which was used in the past. Some comments from the parents were that they liked the time freedom which the open format provided and they enjoyed being able to visit areas of interest even though their children might not be taking that particular class. They also enjoyed seeing some of the students' demonstrations and activities which were arranged for that evening.

As in the past, the time spent with a particular teacher should not be used as a personal conference to determine how well a particular student is doing. The purpose is to provide parents with a general orientation to the school and the particular classes which their son or daughter is taking. Each teacher will have a prepared sheet with specific course information such as their grading system, course projects, homework expectations, classroom policies, and the like. It is hoped that parent attendance will be up again this year.

On Monday, students will be given a form on which they can list their schedule and take home for parents to use as a guide. School maps will be available at the school.

Innovations Add to Gala Homecoming

The 1981 Chelsea High school Homecoming festivities provided students with a number of innovations this year. Handling the Homecoming preparations was Bruce Boughner.

Homecoming Kings were not chosen and the Queen competition resumed its former format of two representatives from each class vying for the crown.

Representing Chelsea High school this year were freshmen Beth Unterbrink and Kim Cooper; sophomores Lisa Headrick and Laurie Hamel; juniors Marty Kovick and Amy Hume and seniors Margie Peterson and Dani Bohl.

For the first time in Chelsea, Homecoming Queen candidates were not required to wear formal. Instead, blazers and wool jackets were recommended.

Fire Dept. Schedules Open House

Chelsea Fire Department will sponsor an Open House on Saturday, Oct. 10 between the hours of 12 noon and 4 p.m.

The community is invited to observe demonstrations of the department's rescue and firefighting equipment as well as learning CPR techniques and having blood pressure checked. Cider and doughnuts will be served.

Planning Comm. OKs Zoning Amendment

On Monday, Sept. 28, the Sylvan Township Planning Commission held a public hearing regarding the proposed amendment to Article 310, General Commercial District, of the Sylvan Township zoning ordinance following the August recommendation of rezoning to accommodate a move by the Chelsea Lumber Co. from its present location to a new location on Old Manchester Rd.

At this meeting, it was recommended that the amendment be

made. The township has now submitted its recommendations to the Washtenaw County Metropolitan Planning Commission which will consider the proposed rezoning and provide its determination later this month.

From that point, the Sylvan Township Board will have the county's recommendations to consider at its November meeting. At that time, the township board will take its final action regarding the proposed move.

MERIT SCHOLARSHIP SEMIFINALISTS: Six Chelsea High school students have been awarded National Merit Scholarship Semifinalist status. This distinguished group represents one half of one percent of all high school seniors in the United States and will vye for select scholarships to colleges and universities across the country.

According to guidance counselor Sue Carter, six semifinalists from within such a small school district is very impressive. The Chelsea semifinalists include, front row, left to right, Diane Moller, Kathy Waldyke, Katie Ullman; back row, left to right, Pat Rady, Chuck Dalton and Dan Kleis.

Six CHS Students Are Semifinalists In Merit Scholarship Competition

More than 15,000 semifinalists in the National Merit Scholarship competition were named late last month. This group will be vying for some 5,000 Merit Scholarships to be offered in 1982. Of these 15,000 semifinalists, Chelsea High school has produced six: Charles G. Dalton, Daniel R. Kleis, Diane E. Moller, Patrick M. Rady, Katharine S. Ullman and Kathryn M. Waldyke.

More than one million students enrolled in some 18,000 secondary schools nationwide entered the 1982 Merit Program by taking the PSAT/NMSQT in 1980; semifinalists named in each state

represent the top half of one percent of the state's high school senior class. Having six semifinalists within a school district the size of Chelsea's is, according to guidance counselor Sue Carter's estimation, "amazing."

In addition to being honored publicly, semifinalists are identified to colleges and universities in an effort to increase the educational opportunities of these exceptional students.

To be considered for Merit Scholarships, semifinalists named must qualify as finalists by

meeting additional requirements. The finalist standards include being fully endorsed and recommended for scholarships by their principals, submitting records that demonstrate high academic standing, substantiating high qualifying test scores with equivalent scores on another examination, and supplying a self-description of their activities and extracurricular accomplishments. About 90 percent of the semifinalists are expected to advance to finalist standing; all Merit Scholars are chosen from among the highly able group of 13,500 finalists.

1981 CHS HOMECOMING QUEEN, senior Margie Peterson is crowned by last year's queen Eric Drew during halftime festivities at Friday's football game against Milan. Margie, one of two senior class representatives, was selected from a field of eight girls, two girls each from the freshman, sophomore, junior and senior classes.

Legislator Urges Action Against Interest Rate Hike

Charging that the legislature is moving toward developing a compromise that will allow for higher interest rates on consumer loans, Rep. H. Lynn Jondahl (D-East Lansing) has called for individuals and consumers to mount a "forceful lobby" to stop the move.
 He said so far consumers have not been an effective voice in the legislative debates on increasing the interest rate ceiling.
 People apparently think the debate on interest rates simply takes place on the federal level and do not realize the pressure being levied by the credit industry lobbyists, Jondahl said.
 Legislators will probably not find it politically attractive to take off all limits on interest rates, he said, but may tie the limits to a floating level—such as the interest rates on six-month treasury bills.
 If such a level results in interest rates on most consumer loans of 20 to 22 percent, that is "not reasonable," he declared.
 State law now sets fixed interest rate ceilings at a variety of levels.

Rep. Patrick Harrington (D-Monroe), chairman of a

special house subcommittee on members will likely approve a compromise tying limits to the treasury note rates, but no decision has been made on how much higher than the treasury notes interest rates could go.
 Governor William G. Milliken, meanwhile, indicated he was opposed to lifting all caps on interest rates, but said he may support some sort of floating interest rate limit.
 Increasing interest rates will not help Michigan's economy, Jondahl said, because they discourage people from purchasing major items such as houses and cars—both vital to the state economy.
 "No one is calling up or writing to say: 'I want to buy a house but the mortgage rate is too low,'" Jondahl said.
 He noted a study of Arkansas consumers by Purdue University which showed that credit is highly available there. Arkansas has a limit of 10 percent interest on consumer loans.
 That disputes, he said, credit industry officials who argue that only by raising the interest rates will credit become available.

Least Violent Inmates Released First
 A study on the state's halfway house system and the Department of Corrections violent risk predictions indicates the state is doing a good job in releasing the least dangerous offenders back into society.
 Corrections Director Perry Johnson said according to the research, which is still ongoing, persons given special paroles or paroled on their minimum sentences are less likely to commit a violent felony than those paroled after serving their minimum sentences.
 Some 13 percent of those paroled after serving their minimum sentences were convicted of a violent crime within one year after their releases, whereas only two percent of those who were paroled through halfway houses were convicted of a felony.
 "This state has successfully developed and uses the tools to make reasonably accurate decisions about an offender's risk to the community. I consider development of these prediction techniques the most significant accomplishment of this department during my nine years as director," Johnson said.
 The study was based on some 1,100 people released in 1978 and Johnson said the state's ability to keep violent criminals in prisons, while allowing the least violent to go through halfway houses, has saved the state taxpayers "the cost of about four prisons."

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:
 The bureaucratic mind moves in wondrous ways its confusion to perform. I saw this piece the other day where the Federal Railroad Retirement Board in Chicago is farming out the work of three \$50,000 a year doctors to a private clinic for \$85,000 a year. That looks like a \$65,000 a year saving, but look again. Federal law says the doctors must be offered other jobs and their pay can't be cut. The only other jobs they can do is type and file.
 So, the Railroad Retirement Board is getting three new \$50,000 a year clerks that usual are paid \$10,000 a year, and the board still will pay \$85,000 to the private clinic. That looks like while the board is saving \$65,000 on doctors it's paying \$120,000 to much fer clerks. The item went on to say the doctor jobs were three of 100 the board is cutting out under the Reagan Administration's spending guidelines. If the board only spends \$55,000 more a year fer three fewer jobs, think of the saving in weeding out 97 more.

I didn't mention this report at the country store Saturday night, but the fellers must of been reading some of the same economy news. Fer instance, Isaac Cornfodder, that usual listens, talked about losing the only Government benefit he ever had. Isaac served states side a few months at the end of World War I, and he said he allus had been told the Army would help bury him. He said he could git \$150 toward a plot and \$300 toward the funeral. Both were took away October 1 to help balance the budget, Isaac said, and he was supposed to feel good when the President assured him his Social Security wouldn't be cut any more. It looks like Mr. Reagan's belt-tightening policies are hitting us where we die and where we live, was Isaac's words.
 Actual, Democrat Clem Webster allowed, the loss of burying benefits was clearly Isaac's fault. He had a choice, and he chose not to collect before the October deadline. Before Ed Doolittle could rise to the bait, Clem went on to talk about the choices in the teenage chastity bill that passed last month. Congress has put up \$30 million a year fer the next three year, Clem said, to study why young single girls git pregnant. This law probable won't finance any startling discoveries, Clem said, but it does give folks a choice over the 1978 law that offered abortion fer girls that figgered out why without any Government aid.
 Practical speaking, declared Zeke Grubb, the Congress ought to hire Richard Hildreth as a con-

ABWA Members Hear About Operation of Kinship Homes

Judy Moisan, president of Chelsea Charter Chapter of the American Business Women's Association, welcomed 26 members and their guests to the October meeting held Tuesday, Sept. 22.

After a delicious roast prime beef dinner, the program and business meeting got underway.

Lois Emmert, program chairman, introduced Mr. and Mrs. David Sweet, guest speakers of the evening. David and his wife Sharon manage five Kinship Homes in the area, three in Manchester and one each in both Dexter and Milan.

Residents in these homes are handicapped and mentally retarded. However, with love and care, they are able to function and perform many tasks. They are capable individuals and are proud of it. Each has a task he or she performs well. David pointed out that a spastic woman was taught to type and now types labels for the local bakery. He explained that most of the produce necessary is grown on the farm and is canned for future use. Beef and milk are also produced on the farm.

For the most part, the homes are located in the country. Each accommodates five to six individuals with a couple acting as managers of the residence. They live and work with the inhabitants.

It was brought out that many of the residents come from institutions—some of them have been in an institution as long as 45 years and the shortest length of time is 15 years. Some residents are admitted by referral, all are between the ages of 18 and 30 years and a few are older. Fifty percent of the residents have no contact with their families. Approximately one percent will move into their own apartment following approval by the Board of Directors from the Mental Health Department on their living capability alone.

Kinship Homes is a non-profit organization which receives 75 percent of its funds from the

state. The remainder of funds are acquired by contributions and from profits gained from the sale of produce from the farms.

Sweet told the ABWA members that the homes have been well-received in the communities in which they are located and that when residents enter the community, they expect to be treated just like normal persons.

Following the Sweets' presentation, Judy Durgan, an employee at Arbor Vitae Chiropractic Center, told of her duties as a CA or chiropractic assistant.

Lena Behnke, fair float chairman, announced that the Chapter's float was given the Fireman's Award. Amy Poljan, ABWA Fair Queen candidate, was selected as Miss Congeniality.

Linda Ormsby requested members at large status.

A skit entitled "Focus On All My Members," in which members pointed out the advantages of belonging to the American Business Women's Association, followed. Portraying characters were Jeanna Atkinson as Phoebe Phocus; Shirley Porter as Tara Tripod; Gay Dalton as Polly Polaroid; Lena Behnke as Candace Camera; Lois Emmert as Phyllis Phylim; Janet Hegadorn as Nikki Nikon; and Micki Quackenbush as Zelda Zoom. Cindy Bear served as the narrator.

The invocation and benediction were given by Kathy Brooks.

Methodist Home

(Continued from page one)
 year and the average age of residents is 87 years. Admission to the facility requires a physical examination and recommendation by the Admissions Committee and no new nursing patients are accepted. The entire complex is far from one's perception of a "care" facility. There is a beauty shop open five days each week, a library, filled with large print books, is run by a retired librarian and there is a post office operated by resident volunteers. Clothing is sold and crafts are made, displayed and sold to support the craft classes. Laundry facilities are handled, for the most part, by a laundress and wardrobe attendant and clothes are picked up from each resident one day per week and returned the following day. Consistent with the atypical atmosphere is the dining area featuring high ceilings and columns. Windows throughout the facility brighten its interior. The resort hotel dining atmosphere offers residents three meals per day including therapeutic diets.

Persons receiving nursing care eat on their respective floors. The interior of the Methodist Home campus is friendly. Walking down the high-ceilinged halls in the original buildings, the atmosphere is similar to that of an older European hotel with each room filled with the residents' personal furnishings, usually antiques. In the basement of the main building is the Heritage Room, a conglomeration of ornate furnishings, clothing, silver and other memorabilia contributed by past and present residents. A book in this room, featuring a page dedicated to each resident traces their life from the time he or she entered the Home. The Methodist Home attempts to provide all of the conveniences of home and appears to be successful. Personal furnishings in each room, facilities for family gatherings and a single guest room that can be reserved overnight for the out-of-town family of a resident illustrate this. A tour through the Methodist Home is an amazing journey, bridging past and present.

FORMER MISSIONARY, Mrs. Kern, a resident of the Chelsea United Methodist Retirement Home, displays an English-Chinese Christian hymnal she used in the 20's when she served as a missionary to China. Mrs. Kern is in charge of the Heritage Room at the Methodist Home, a basement room filled with memorabilia and artifacts donated by past and present residents of the Home, which provide the visitor with a taste of history.

Real Estate

NEATNESS COUNTS

Okay, so you and your Realtor have decided on a price for your home. The salespeople are ready to sell it, and there are ads in the newspapers. The wheels are in motion to get the right buyer. Soon you get a call from a salesperson: "We have a good prospect, the price seems right for them, and it looks like the kind of house they want. We'll be bringing them over Sunday!"

Assuming next Sunday is a couple days off, what's your next move? Go through your house, and if it's the least bit messy, clean it up! Put things away in a neat and orderly manner in cabinets, on shelves, and especially in closets and store rooms!

Consciously or sub-consciously, a prospective home buyer will judge a home by the way it looks while you're living in it. Furthermore, a closet or store room with stuff piled high here and there gives the impression that there's a shortage of storage space in your home. Always remember: the neat look is the SELLING look!

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8881; evenings 475-2621. We're here to help!

Lady Cagers Win 2 of 3 Last Week

Lady cagers at Chelsea High school managed to win two out of three basketball games during the past two weeks, losing to Milan and defeating Dexter and Adrian.

On Thursday, Sept. 24, first place Milan managed a 36-33 win over the last place Bulldogs. Scoring for Chelsea were Amy Unterbrink with 13 points, Amy Hume with eight, Shelly Weber with four and Tracy Borton, coming into her first game of the year following a sprained ankle, also contributed four points. Missi Lazarz and Karen Kiel each added a pair of points toward the winning Bulldog effort.

By the end of the first quarter, Chelsea held a 5-2 advantage; the defense was playing well. Milan swung into the lead by half-time, holding an 18-11 advantage, as Chelsea's offense improved but defense worsened.

After intermission, both teams played an even third quarter, but in the final stanza, Chelsea rallied to a 31-31 tie with the Big Reds. Chelsea had the ball with two minutes left but threw it away. Turnovers accounted for the Bulldog loss; Chelsea committed 40.

On Saturday, the lady Bulldogs traveled to Dexter where they defeated the Dreadnaughts, 36-23. Contributing to the Chelsea victory were Amy Unterbrink with 20 points and Amy Hume with six. Adding a pair of points each were Shelly Weber, Missi Lazarz, Tracy Borton, Karen Kiel and Beth Unterbrink.

The first half was a sloppy period, Chelsea led by a score of 3-2 at the end of the first quarter. At the half, Chelsea took a 12-10 lead. Following intermission, the lady Bulldogs played better, outscoring their opponents, 14-6, as the defense proved strong and the offense managed to connect during scoring opportunities.

Giving her all in the contest was Amy Unterbrink and the team as a whole improved dramatically over the preceding

game. Turnovers were cut from 40 to 12.

In a non-league encounter Tuesday, Sept. 29, Chelsea defeated Adrian by a score of 23-22. Chelsea wasn't prepared, for its third game in a week and the game proved to be sloppy.

Leading the team in scoring was Amy Unterbrink with 15 points and 19 rebounds while Shelly Weber and Beth Unterbrink each added three points and Karen Kiel chipped in with two.

It was an exciting game and Chelsea took a 13-10 half-time lead. But, by the fourth quarter, Chelsea fell apart. With two and one-half minutes left, Adrian led by a score of 22-18. Chelsea was able to add two more points and Beth Unterbrink was fouled. She added a free throw to up the score to 21-22. With 26 seconds left in the game, Chelsea fouled Adrian and the opposition missed its free throw.

With 17 seconds remaining on the clock, Chelsea was still one point behind. Amy Unterbrink took a shot and missed. In grabbing her own rebound she sunk a basket with one second on the clock to hand Chelsea its third win of the season. The lady Bulldogs are now 3-3 over-all and 1-3 in the Southeastern Conference.

Views On Dental Health

By ROBERT A. BURNS, JR., DDS, P.C.

AFTER TOOTH EXTRACTION

Following the extraction of a tooth, the wound in the jaw usually heals within a few days without complications. If some swelling develops in the face, this is usually nothing to worry about. It may be minimized by the application of an ice bag to the affected region during the first 6 to 8 hours after extraction.

Actual bleeding should stop shortly after tooth removal. Nature's way of stopping the bleeding is the formation of blood clot in the socket. Let nature do its job and do not disturb the formation of the clot.

If delayed bleeding occurs, fold a piece of gauze and bite on it for a half hour. If bleeding persists, by all means, call your dentist. Free

bleeders, especially people with hemophilia, should tell their dentist BEFORE extraction so that he can take special precautions.

Keeping the extraction area and your mouth in general clean is extremely important. Do NOT stop brushing your remaining teeth, but do use extra care in the area of surgery.

If you have dental health questions you would like to see answered, please mail them to the address below.

SENIOR CLASS HOMECOMING REPRESENTATIVES were Margie Peterson and Dani Bohl. Following the school election of the 1981 Homecoming Queen, she was crowned during Friday night's Homecoming football game against Milan. Winning this year's Homecoming honors was senior Margie Peterson.

AMY HUME AND MARTY KOVICK were the junior class candidates for Homecoming Queen this year. This year's competition returned to the original format of two representatives from each grade level while last year, just seniors vied for the title. Nevertheless, a senior, Margie Peterson, was named 1981 Homecoming Queen during half-time ceremonies Friday night.

SOPHOMORES LISA HEADRICK AND LAURIE HAMEL represented the sophomore class during the 1981 Homecoming Queen race. Breaking the traditional mold of long formal gowns, this year's Homecoming Queen candidates wore skirts and blazers during the football half-time festivities. Reigning through the school year is 1981 Homecoming Queen Margie Peterson, senior class representative.

FRESHMAN CANDIDATES: In the competition for 1981 Chelsea High school Homecoming Queen, the freshman candidates included Beth Unterbrink, left, and Kim Cooper. At half-time during the Homecoming football game, senior Margie Peterson was named this year's Homecoming Queen.

7th Grade Cagers Open With Two Wins

Beach Middle school's 7th grade girls basketball opened its season with two victories last week, defeating Lincoln, 28-18, and Dexter, 20-16.

In the opening game against Lincoln, the two teams were tied at 6-6 at the end of the first quarter and 16-16 at the end of the third, until Chelsea pulled away with the victory.

Chelsea looked strong as the guards handled the ball well. Still, some work is needed on team's transition from offense to defense.

Scoring for the Chelsea team were Pam Brown with six points, Trisha Mattoff with four, Chris Zerkel with four points and 14 rebounds, and Karen Weber, Sallie Wilson, Wendy Harden, Mary Lazarz, Jodi Keezer and Amy White each contributed two points.

In the second contest of the season, Chelsea overcame Dexter, 20-16. Chelsea held a two-point lead at the end of the first

quarter though Dexter took a 10-8 advantage by the half. In the third quarter, both teams played evenly and the game was tied, 12-12, by the end of the period.

Despite Dexter's hustling, Chelsea was able to win against a good, aggressive Dexter team.

Trisha Mattoff had an excellent all-around game and led the team in scoring with 12 points. Chris Zerkel continued her fine rebounding, leading the team with 13 rebounds and contributing four points.

Pam Brown and Tracie Brooks added two points apiece while Kim Ferry was a real factor in the game with her defensive hustle and four pass interceptions.

This year's 7th grade cage team is comprised of 23 members who, under the leadership of Coach Ann Schaffner, have all helped to get the season off to a good start. They include Wendy Harden, Sallie Wilson, Karen Weber, Mary Lazarz, Charna Street, Jodi Keezer, Cindy Stri-

ling, Edie Harook, Kathryn Morgan, Chris Hills, Trisha Mattoff, Tylene Greenleaf, Donna Guinan, Tracie Brooks, Kelly

Ghent, Amy White, Stacy Thams, Angie Defant, Chris Zerkel, Dawn Thorne, Pam Brown, Sarah Noah and Kim Ferry.

Girls Cross Country Team Loses to Powers

Chelsea's girls cross country team encountered a very rough week, losing two meets to state ranked powers Milan and Dexter.

The losses puts the girls' season record at 2-4, with all four losses coming at the hands of state ranked teams.

Against Milan Thursday, Sept. 25, the score was 19-36 at Inverness Country Club. Sandra Frame led the Bulldogs with a fine second-place finish at 21:18 over the 5,000 meter course. Other Bulldog placers were Lisa Vandegrift, seventh at 23:03; Kim Boyd, eighth at 23:13; Mary Ann Richardson, ninth at 23:24;

and Wendy Wolfgang, 10th at 23:57.

On Thursday, Oct. 1 at Dexter, the score was 18-41. Bulldog scorers were Sandra Frame, fifth at 20:54; Kim Boyd, seventh at 22:23; Mary Ann Richardson, eighth at 22:27; Wendy Wolfgang, 10th at 22:55; and Kathy Degener, 11th at 23:22.

"The girls have a real killer for a dual meet schedule," said Coach Pat Clarke. "They ran extremely well against some of the finest talent in the state this week. Hopefully, this will make them tougher for later in the season," he concluded.

CCC Interest Rates Fixed on '81 Crop Loans

Interest rates for 1981-crop loans and storage facility and dryer loans made through the U.S. Department of Agriculture's Commodity Credit Corporation will remain at 14.5% through Oct. 31, according to Secretary of Agriculture, John Block.

The 14.5% rate has been in effect since April 1, when USDA announced it was instituting a "floating" interest rate, subject to adjustment, on 1981-crop and facility loans.

The variable interest rate on outstanding loans, which enables CCC to adjust rates in line with borrowing costs to the U.S. Treasury, will continue in effect, Block said. However, since interest rates at this time appear to be trending downward, an extension of the 14.5% rate will allow time to evaluate interest costs to CCC, he said.

Autos Collide At Intersection

On Tuesday, Sept. 15 at approximately 4 p.m. a property damage accident occurred at S. Main and W. Summit Sts.

The first car was driven by Mary Ewing of Jackson while the other car involved was driven by Pastella Baker, also of Jackson. According to reports, Ewing had signaled for a left turn onto W. Summit St. but decided to turn right. Baker, having seen the left turn signal, began to pass Ewing's car as the latter completed her turn into the side of the former's automobile.

Birdfeeder Workshop Scheduled

The cardinal has a large, thick bill ideal for cracking seeds. In the wild, it lustily consumes the seeds and fruit of grapes, sumac and dogwood. The small, pointed bill of the black-capped chickadee enables this species to eat large quantities of insect eggs and seeds of conifers. During the winter you can enjoy the antics of these two species as well as the tufted titmouse, slate-colored junco and American goldfinch by providing feeding stations for these birds.

On Sunday, Oct. 18, from 2 to 5 p.m., Waterloo Nature Center will be offering a "Birdfeeder Workshop." Those participating in the program will get a chance to construct three different types of birdfeeders, including a suet feeder, log feeder and typical seed feeder. All materials will be supplied by the Center. Included in the course will be a lecture on the different types of feed to be used, and the natural history of wintering birds. Fees for the course are \$5 for members of the Waterloo Natural History Association and \$7 for non-members. Children under 12 should be accompanied by an adult. Since materials must be purchased in advance, reservations are necessary and must be made by Sunday, Oct. 11. Call the Nature Center at 475-8069 or Carol Strahler at 475-9444 for reservations and/or further information.

Drama Class Chooses Directors

Directing this year's Chelsea High school drama class production will be 17-year-old Phil Powers. Phil has appeared in countless plays and musicals including "You Can't Take It with You," "Carousel," and "Me and Juliet." He has written and directed plays for the children's theater workshop for the past three years. Powers is active in the Chelsea High school band, pep band and is a member of the golf team.

Filling the position of technical director will be 16-year-old Rob Benedict who has appeared in two musicals and last year's drama production. He has worked on the technical aspects of all plays in which he has performed as well as many others. Rob is captain of the cross country team and is also a member of the high school band and pep band.

This year's choice as the drama class production is still under consideration.

10 IMPORTANT QUESTIONS AND ANSWERS ABOUT THE NEW ALL-SAVERS CERTIFICATES

1. What is an All-Savers Certificate?

A one-year certificate of deposit which pays interest that is exempt from Federal, State and Local Income Tax.

2. What is the minimum deposit required?

All-Savers Certificates may be purchased at Ann Arbor Trust for as little as \$500.

3. Who may purchase the certificates?

Individuals and partnerships may purchase All-Savers Certificates.

4. What is the interest rate on these certificates?

70% of the average yield on one-year U.S. Treasury bills at the time the certificate is purchased. The rate for the All-Savers Certificates effective October 5th will be **12.14%**

5. Wouldn't I get a better return on a Money Market Certificate?

That depends on your income tax rate. The chart below shows the equivalent taxable yield needed to equal the tax exempt All-Savers Certificate Yield indicated at the top of the column for selected income tax rates.

INCOME-TAX BRACKET ON JOINT RETURN	1982 TAX RATE	ALL-SAVERS CERTIFICATE YIELD				
		9.8%	10.5%	11.2%	11.9%	12.6%
\$20,200-\$24,600	25%	13.1%	14.0%	14.9%	15.9%	16.8%
\$24,600-\$29,900	29%	13.8%	14.8%	15.8%	16.8%	17.7%
\$29,900-\$35,200	33%	14.6%	15.7%	16.7%	17.8%	18.8%
\$35,200-\$45,800	39%	16.1%	17.2%	18.4%	19.5%	20.7%
\$45,800-\$60,000	44%	17.5%	18.8%	20.0%	21.3%	22.5%
Over \$65,600	50%	19.6%	21.0%	22.4%	23.8%	25.2%

6. I have a Money Market Certificate, is there a way I can still take advantage of the All-Savers Certificate?

Yes! Federal Regulations allow you to convert six month Money Market Certificates to new tax exempt "All-Savers" Certificates without paying a penalty for early withdrawal, provided the rate on the Money Market Certificate is higher than the rate on the All-Savers.

7. Is there a limit on the amount of interest that is exempt?

Yes, the total tax exemption over the entire time the certificates are available is limited to \$1000 for individual returns and \$2000 for joint returns.

8. When will they be available?

All-Savers Certificates may be purchased between October 1, 1981 and December 31, 1982.

9. Are these certificates insured?

All-Savers Certificates purchased at Ann Arbor Trust are insured to \$100,000 by the Federal Deposit Insurance Corporation.

10. How can I tell if the new All-Savers Certificate is the right investment for me?

Bulldog Gridders Dominate Milan, 34-8, In Homecoming Game

Chelsea's Homecoming Week was topped off with a 34-8 rout of the Milan Big Reds Friday night as the Bulldogs totally dominated the game.

The win was good for the Chelsea team, still undefeated this year.

Chelsea opened its scoring in the first quarter on the Bulldogs' first possession. Wojcicki sneaked in from one yard out and passed to Tom Headrick for the two-point conversion. Later, with just under four minutes left in the first quarter, Wojcicki passed 28 yards to Jeff Lantis for the team's second touchdown.

In the second quarter, John Preston came in from two yards

out to up the Chelsea score to 20-0 at the half.

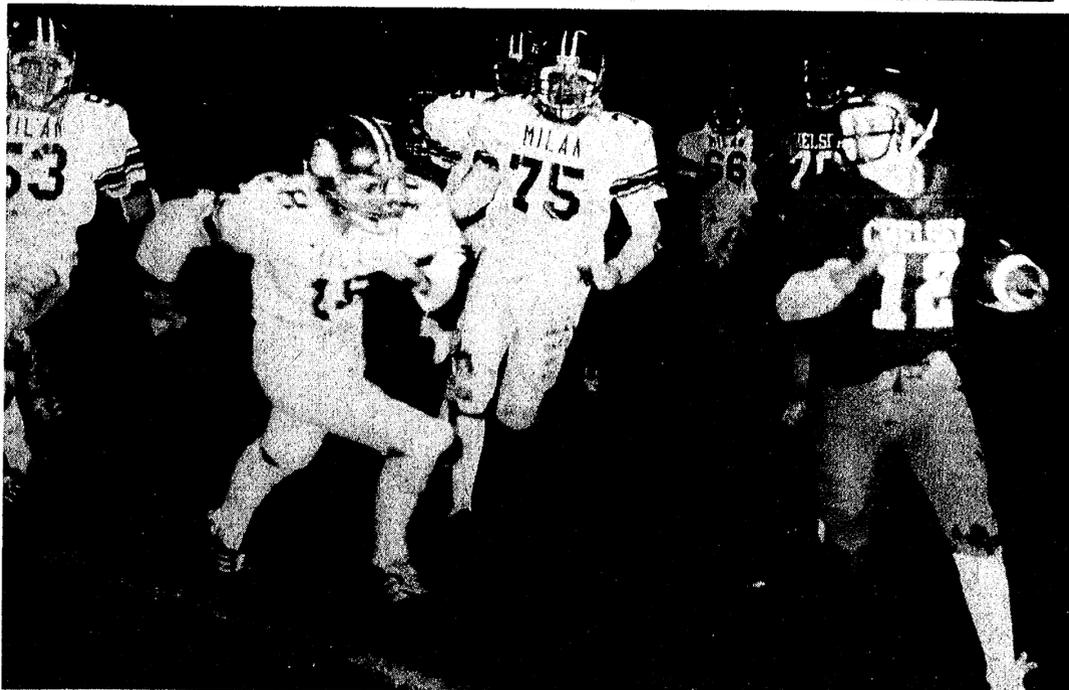

In the third quarter, Wojcicki scored his second touchdown from the four-yard line and Rod Robeson ran for the extra points. Finally, the Big Reds, courtesy of some Chelsea errors, were able to wipe the goose eggs off their scoreboard. But, for good measure, Chelsea tallied another six points as David Wojcicki passed seven yards to Tom Headrick; the conversion attempt failed.

Chelsea's defensive and offensive execution was very good though the Bulldogs played sloppily in terms of penalties. The win was, according to Coach

Gene LaFave, a very good one, allowing the team to breathe easy.

Offensively, John Preston tallied 172 yards on 20 carries while David Wojcicki carried 13 times for 107 yards. In addition, Wojcicki was 12 for 24 in passing for 152 yards. Jeff Lantis and John Preston caught four passes each while Craig Olmsted and Tom Headrick each caught two.

Coach Gene LaFave cited a number of players for their fine performances. On defense, Rick Poljan and Russell Harris played strong games while Poljan, Mike Neibauer and Tom Headrick played well on offense.

SEC ROUND-UP:

Saline Wins First of Season By Surprising JC Western

Tecumseh 14, Dexter 0

Following a disappointing loss to the Chelsea Bulldogs one week ago, the Tecumseh Indians took their frustrations out on the Dexter Dreadnaughts Friday night, enroute to a 14-0 Homecoming shut out of the Dexter team.

The win upped the Indians' season record to 2-2 over-all and 2-1 in the Southeastern Conference. Dexter dropped to 1-3 over-all and 0-3 in the league.

Two Tecumseh injuries, acquired the week before, didn't stop the Indians despite the loss of Mark VanBuren and Mike Francisco. Touchdowns were scored at the end of the first half and at the end of the second half despite a fairly strong Dexter defense.

Lincoln 20, Ida 13

Leading the Railsplitters to their non-league victory Friday against Ida was Dan Thompson, a halfback who rushed for 157 yards on 21 carries, scored an 83-yard touchdown and threw a 43-yard touchdown pass to Dave Stasiak to pace Lincoln to a 20-13 victory at Ida.

Ida began the scoring in the second quarter but Lincoln countered that lead with a touchdown of its own. The score was tied, 6-6, at intermission but Lincoln marched down the field in the third stanza to take the advantage. The game seesawed

back to Ida and the score was tied; then, the Railsplitters marched right back to end the scoring and secure a win.

Saline 29, Western 6

Despite losing their first two games this season, the Saline Hornets buzzed up and down their home field to surprise Jackson County Western, 29-6, Friday night. The win evened the Hornets' slate at 2-2 and continued their perfect SEC slate to 2-0 in Friday's Homecoming win.

Western, on the other hand, remains winless this season at 0-4 over-all and 0-2 in the Southeastern Conference.

The Hornets led the game, 14-0, after just one quarter. Other scoring came in the second and fourth quarters. The Hornets rolled up 298 total yards, 226 on the ground. Still, the Panthers added their own futile touchdown with just two minutes left in the contest.

Chelsea 34, Milan 8

For the third straight conference game, Chelsea looked like a real powerhouse Friday night, defeating the Milan Big Reds, 34-8, for a rousing Homecoming victory. Milan remains winless this season.

Chelsea began their scoring drive on their opening possession in the first quarter as David Wojcicki sneaked in from one yard

out. He threw a pass to Tom Headrick for a two-point conversion. Later in the quarter, Wojcicki threw to Jeff Lantis for the Bulldogs' second scoring. Before intermission, John Preston had a two-yard run good for another TD. The Bulldogs led, 20-0, by the half.

In the third quarter, Wojcicki rushed for his second touchdown of the game and Jay Marshall ran in for the extra points to up Chelsea's obvious advantage to 28-0 before the Big Reds ever had the chance to score.

On a Chelsea misfortune, a fake punt resulted in just 21 of a needed 26 yards and Milan took the ball at its own 44-yard line and tallied its first six points. A two-point conversion was successful and the Big Reds ended their "threat" there.

Girls JV Cagers Split Four Games

The Chelsea JV girls basketball team upped its season record to 4-3 and 3-2 in the league by splitting four games. Inconsistent play prevented a better performance in two losses.

Against Milan, a poor first quarter found Milan pulling ahead by the score of 10-2 which hurt the Bulldogs who were never able to pull ahead. Chelsea lost by a score of 34-20 and committed a total of 45 turnovers. The only bright spot on the Bulldog squad was freshman Kelly Hawker who had six points and seven rebounds.

Saturday, the Bulldogs fell behind, 8-1, against Dexter but came roaring back to narrow the game to 10-7 at the end of the first quarter. In the second quarter, the Bulldogs and Dreadnaughts played evenly. Dexter trailed, 16-12, at the half.

By the third quarter, Chelsea dominated, outplayed and outscored the Dreadnaughts, 15-6, to lead, 27-22, at the end of three. In the final stanza, the teams again played evenly with Chelsea getting eight points and Dexter scoring six to make the final count, 35-28, in Chelsea's favor.

Scoring for Chelsea were Karla Peterson with 10 points and seven rebounds, Kelly Hawker added nine points and grabbed 10 rebounds, Anne Weber had eight points, Carol Warren five and

Joann Tobin three in the winning effort. Leading the team in rebounds was Carol Warren with 14 and Chelsea's turnovers were cut to 19.

On Tuesday, Sept. 29, Chelsea came up flat against Adrian, shooting just 12 percent. Final score in the contest, Chelsea 19, Adrian 42. Kelly Hawker led the Bulldogs with seven points while Peterson and Samantha Collinsworth added four points each.

Thursday, Oct. 1 found the Bulldogs rebounding to defeat Saline in an exciting 40-39 contest. Chelsea jumped ahead with inspired play to take a 13-6 lead at the end of the first quarter. Still, the JV cagers couldn't maintain the momentum and fell behind, 22-21, at the end of the half.

Chelsea dominated the third quarter to lead, 31-28, at the end of three, and in the final stanza, the game seasawed until Carol Warren put in the final bucket on a rebound with just 47 seconds remaining on the clock. Chelsea led, 40-39. The game remained undecided until Chelsea gained control of the jump ball with two seconds left.

Leading in scoring was sophomore co-captain Karla Peterson with 21 points, including nine of 18 from the floor. Other scorers were Warren with seven, Hawker with six, Weber with two and Collinsworth with four. Hawker led with eight rebounds

Girls Tennis Team Loses Two Matches

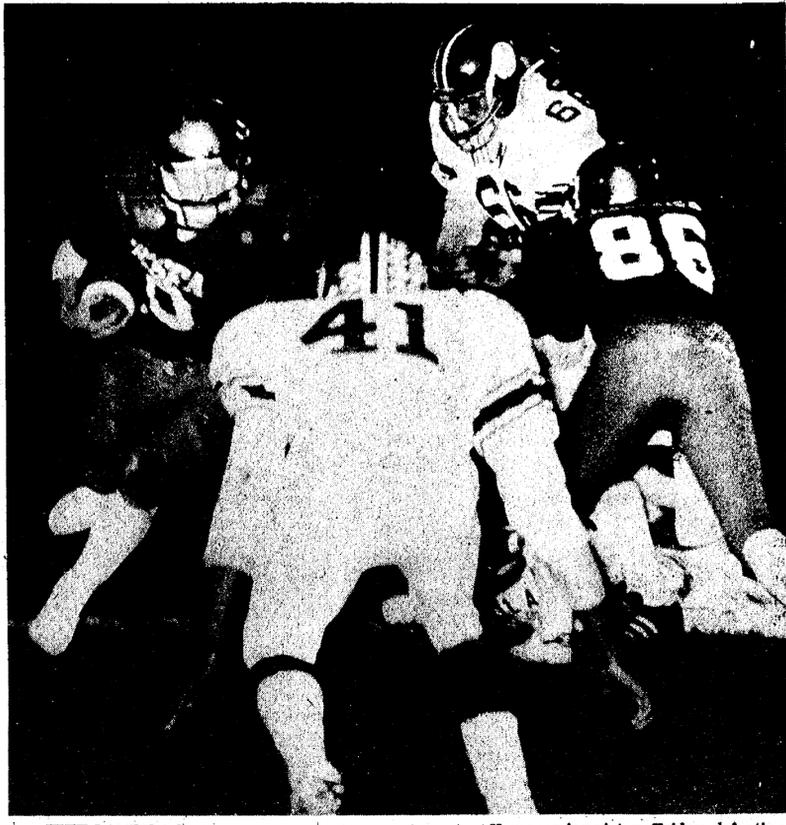

The Chelsea girls tennis team played Pinckney on Monday and lost, 6-1. Chelsea played a good match and had a chance for another point in number two doubles but lost it.

Carolyn Chandler played well but lost to Amy Larson, 6-3, 6-2. Ann Eisele, playing good tennis, pulled it out in the third set for Chelsea's lone point. Set scores were 0-6, 6-4, 6-4. Molly Feeny went down to Karin Haak, 6-1, 6-0 and Sara Wenk lost to Jody Holden, 6-0, 6-0.

The doubles team of Beeman and Shonk lost to McGowan and Romano, 6-1, 6-1; Weir and Merkel played a good match, winning the tiebreaker in the first set for the 7-6 win. They lost the second set, 6-2, and the third, 6-4. Sullivan and Parkins also played well but lost to Hosking and Le Bow, 6-4, 6-3.

Chelsea actually played better than the scores suggest. This is the first time the team has been able to rival Pinckney. "We did play a total of 29 games, which is much better than we've ever played against Pinckney," said Coach Terri Schreiner.

Chelsea lost to Adrian Thursday, Oct. 1 by a score of 7-0.

JEFF LANTIS takes a screen pass and runs for an important first down during the Chelsea-Milan football game Friday night. Chelsea got an important Homecoming victory Friday, defeating Milan 34-8.

★ Gridders of the Week ★

ERIC BUCKBERRY, MATT VILLEMURRE AND CRAIG OLMSTED are this week's featured football players. Buckberry, left, is one of the hardest workers on the Bulldog team. He is a hard hitter who improves every week and plays as a defensive back and an offensive receiver. He is one of the Bulldogs' best special team players. Villemurre, center, is a defensive back and a second string quarterback who was named special team player of the week this week. He is

an intelligent and hard working player who was superb in his freshman and junior varsity football careers. Such a fine athlete, he could, according to Coach LaFave, start on any football team in the league. Olmsted is a senior wide receiver who started last year and will be a two-year letterman this season. He has great speed and is able to catch the ball both offensively and defensively. He is a good hitter who is a key to the team as a whole.

Tennis Team Improves But Loses 3 Matches

Chelsea High school tennis team played three matches last week, losing each contest.

Chelsea lost to a very tough Gabriel Richard team, 6-1, Monday, Sept. 21 but did manage to wrench one point from the opposition. By playing Chandler and Eisele at the number one doubles spot, Chelsea took Mafee and Fuehrer 6-4, 7-6, winning the exciting match in a tie-breaker.

Chelsea then met Saline on Wednesday, losing all seven points on the host's court. Chelsea came close to getting a point from Saline when Carolyn Chandler almost upset Saline's number one player Kelly Knepper, who eventually won 7-5, 7-6, in a tie-breaker.

Chelsea finally met a team near its own level and played an excellent match against the Williamston team. Still, Chelsea was defeated, 5-2.

Everyone played well. Ann Eisele played a three-hour match against Debbie Coats but lost it in the third set. Debbie won the first set, 6-4, Ann rallied back to take the second set, 7-6, and then stayed even to 6-all. She was unable to pull off the win and the contest finished at 8-6 in favor of Williamston.

Carolyn Chandler played a good match but lost to Shelly Canfield, 6-2, 6-3. Molly Feeney won her match against Tracy Donahue, 4-6, 6-4, 6-2. She played an excellent match, and really came on strong.

In doubles, Beeman and Shonk fought valiantly but lost to Danzo and Van de Vusse, 7-5, 6-1.

However, Weir and Merkel played excellent doubles and won their match, 7-6, in a tie-breaking first set and 6-2. Parkins and Sullivan played well also but lost to Wall and Sridar, 6-2, 6-3.

The Williamston match was the best match Chelsea has ever had against an opponent because Williamston, according to Coach Terri Schreiner, "is at our level of play."

"Our girls could finally get into the match and play some tennis without being completely overwhelmed by the competition. If more schools would get into girls tennis, Chelsea wouldn't have to

play schools outside its class," the coach concluded.

Both Cross Country Teams 2nd in Invitational

For the second consecutive week, both the boys and girls cross country teams of Chelsea High school were runners-up in a major invitational.

The boys team was second at the Pennville Division III meet, running in a field of 17 teams and ending the day with 95 points. Grand Rapids Forest Hills won the meet with 87 points and Freemont was third with 100 points.

Leading the way for Chelsea was Mark Brosnan in first place

Girl Cagers Defeated By Saline

Chelsea's girls basketball team was defeated by the Saline Hornets Thursday, Oct. 1 by a 31-26 decision.

Scoring for Chelsea were Amy Unterbrink with 13 points, 16 rebounds and four steals. Shelly Weber added five points, Karen Kiel four points and nine rebounds, and Amy Hume and Tracy Borton each chipped in with two points.

Chelsea played a strong first quarter, both defensively and offensively, taking a 9-2 lead into the second stanza. At the half, Chelsea led by a score of 18-8. Saline, however, pulled away in the fourth quarter, outscoring Chelsea, 16-6, to emerge victorious.

Kicks Soccer Club Defeats Jackson Baptist Team, 6-4

Chelsea Kicks Soccer Club continued its season Friday, Sept. 25 by defeating Jackson Baptist, 6-4.

Vince Salyer started the game off with a hot shot goal in the first five minutes. He was then followed by John Mitchell, Tom Vandervoort with two, and finally, Salyer himself kicked a second goal. By the end of the half, Chelsea had a convincing 5-0 lead.

Jackson Baptist came back in the second half to score four quick goals. Halting the attack, Chelsea's defense, led by Dave Hutting and goalie Greg Ackley stopped the opponents' drive.

With just a few minutes remaining, Dave Lange came down and scored another Chelsea goal which ended the game at 6-4.

Farm Families Decline in Number

The numbers of farms and farm people have declined steadily over the past several decades, but there were still 3.1 million persons reporting some farm self-employment income, according to the latest detailed data available on this agricultural population. Adding all family members to this group gives a total of 9.1 million people directly benefiting from such farm-generated income, according to USDA's Economic Research Service.

Recipients of farm self-employment income were more likely to be white, male, and older than the general population. Their families were more likely to be the husband-wife type but less likely than their non-farm counterparts to have a family member under 18 years of age. Although farm income families were about average in size, they were more likely to have three or more earners than all other families. Most persons receiving farm self-employment income also had income from a variety of non-farm sources. Very few reported income from welfare payments.

A fourth of all farm income people were in families that reported a farming loss in the previous year. However, this negative farm income was usually offset by income from non-farm sources and these families often had median income levels as high as those reporting a low level of farm income.

Motion by Chriswell, supported by Popovich, to reject the Ordinance Amendment. Trustee Popovich read Section 804 of the Zoning Ordinance and stated that it was his opinion that the Ordinance was rejected on June 2, 1981 and the Amendment should never have been reconsidered until one (1) year from that date. A discussion followed over the legality of the public hearing in view of Mr. Flintoff's letter. President Ritter stated that it was an irregularly called public hearing and that action could not be taken. Roll call vote on Mr. Chriswell's motion: Ayes—Popovich, Chriswell and Keezer. Nays—Satterthwaite. Abstained—Merkel. Motion carried.

It was Mr. Steger's recommendation that the Council consider a long-range financial plan. Motion by Popovich, supported by Keezer, to amend the General Fund Budget for the period ending February 28, 1981 as presented in the Audit Report for the same period. Roll call: Ayes—Popovich, Satterthwaite, Merkel, Chriswell and Keezer. Nays—None. Motion carried.

Motion by Keezer, supported by Merkel, to accept the Audit Report for the period ending February 28, 1981 as presented by R. A. Steger and Company. Roll call: Ayes all. Motion carried. The Letters of Interest to provide engineering services for street and storm drainage services were reviewed.

Administrator reported that State-shared tax payments will be delayed thirty (30) days due to a state cash flow problem.

Administrator Weber reported that David Bable will be leaving his employment with the village on September 11, 1981.

Administrator Weber reported that Superintendent Hafner recommends that the old digger truck not be disposed of but be kept for cases of emergency and where two vehicles of this type may be needed.

Administrator Weber read a letter from the Chelsea School District Assistant Principal Vogel thanking Police Chief Aeillo for his assistance at driver education classes also thanking the department for the co-operation and assistance given to the school the past year.

Administrator Weber informed the Council that he has been notified that Consumers Power Company intends to file a proposed increase in its rates governing wholesale for resale electric service with the Federal Energy Regulatory Commission no later than October 30, 1981. He further stated that it was his information that Consumers Power Company would be asking for upwards of a seven million dollar a year increase in their wholesale for resale electric revenue. A meeting of the Michigan Public Power Rate Payers Association has been scheduled for September 9, 1981 in Lansing to plan overall strategy and to take up other matters that will expedite the rate payers ability to resolve the case.

TAKE NOTICE: that the Lyndon Township Planning Commission will hold a Public Hearing on the 8th day of October, 1981, at 8:30 p.m. at the Lyndon Townhall for the purpose of considering the following amendments to the Lyndon Township Zoning Ordinance:

Amendment of Article XIX, Planned-Unit Residential Development, Section 19.04-Public Hearing, as follows:

Upon submission of the Detailed Site Plan, the Planning Commission shall hold a public hearing or hearings upon any application for a planned-unit development, notice of which shall be given by one (1) publication in a newspaper of general circulation in the Township, within fifteen (15) days but not less than five (5) days next preceding the date of said hearing.

Amendment of Article II, Definitions, Section 2.02-Definitions, as follows:

Dwelling Area: The dwelling area of a dwelling unit is composed of sleeping rooms, kitchen, dining room, den, studio, bathrooms, and family and living rooms, and in the case of a single-family dwelling, shall be no smaller than 1,000 square feet.

Dwelling, Single-Family: A detached building or structure designed for or occupied by one family only, having a dwelling area of no less than 1,000 square feet.

Amendment to Article XXIII, Supplemental Regulations, addition of Article 23.11-Mobile Homes, as follows:

A. PURPOSE. This section of the zoning ordinance is designed to establish regulations under which mobile homes may be used as single-family dwellings on lots outside of mobile home parks. It is hereby recognized that other forms of manufactured housing, commonly referred to as prefabricated, modular, or sectional housing, among other names, are and have been permitted in Lyndon Township on individual lots, in any zoning district in which single-family dwellings are permitted, provided such units comply with the adopted building code and zoning requirements. This section intends to treat mobile homes in a similar fashion, while recognizing the unique features of their construction. The regulations contained in this section are specifically designed to:

1. Insure compliance of mobile homes on individual lots with all zoning regulations applicable to all other single-family dwellings permitted in Lyndon Township.

2. Insure compliance with the National Mobile Home Construction and Safety Standards Act of 1974 (Title VI of PUB. L. 93-383, 88 STAT. 700, 42 U.S.C. Section 5401, et seq) and all State and County codes, in addition to the zoning ordinance, for the protection of the public health, safety, and welfare.

3. To be aesthetically compatible with other single-family dwellings in the community.

B. STANDARDS AND REQUIREMENTS. A mobile home may be used as a single-family dwelling on a lot outside a mobile home park, if the following standards and requirements are met. These standards and requirements shall not apply to a mobile home located in a licensed mobile home park.

1. The lot shall be located in a zoning district which permits single-family dwellings.

2. The lot and the mobile home shall comply with all regulations of the zoning district in which located.

3. The mobile home shall meet all requirements for residential mobile units, as provided in the National Mobile Home Construction and Safety Standards Act of 1974 (Title VI of PUB. L. 93-383, 88 STAT. 700, 42 U.S.C. 5401, et seq).

4. The mobile home shall be placed onto a permanent foundation wall. The wall shall meet all requirements of the Michigan State Construction Code and shall completely enclose the area under the mobile home. The area so enclosed shall not be less than the ground floor area of the mobile home. The mobile home shall be anchored and meet all State of Michigan requirements.

5. The wheels, tongue and hitch, or other towing apparatuses, shall be removed before attaching the mobile home to the foundation wall.

6. The mobile home shall be connected to public water and sanitary sewer lines, where available, according to Washtenaw County standards and specifications, or to a well and septic tank approved by the County Health Department.

7. The mobile home shall be aesthetically compatible in design and appearance with conventional on-site constructed housing, and other types of approved manufactured housing. Compatibility shall be determined by the following standards:

a. Exterior walls shall be finished with natural or simulated natural materials, common to single-family dwellings, such as but not limited to beveled siding, vertical siding, board and batten siding, or brick.

b. Front and rear or front and side exterior doors.

c. A roof drainage system which will collect, and concentrate the discharge of, roof drainage, and will avoid roof drainage along sides of the dwelling.

8. A building permit shall be required for construction of the foundation wall, for placement of the mobile home on the lot, and for any addition to the mobile home. A building permit shall not be issued until a health permit has been issued by the County Health Department, where applicable, and until a certificate of zoning compliance has been issued in accordance with Article XXV, herein, and is in effect. The mobile home shall not be occupied until a certificate of occupancy has been issued as provided in Article XXV, herein and is in effect. Any addition to a mobile home shall meet all requirements of the Michigan State Construction Code if the addition is of conventional construction (stick built). If the addition is constructed by the mobile home manufacturer, then it shall meet the standards in Subsection 3 above.

9. The mobile home, prior to any additions, shall have a minimum floor area of 1,000 square feet, a minimum exterior width of 24 feet for at least one side elevation, and a minimum floor-to-ceiling height of 7.5 feet. Expanded rooms are considered additions for the purpose of this ordinance.

10. Not more than one mobile home shall be used as a single-family dwelling on a lot, nor shall a mobile home be placed on any lot on which another single-family dwelling is located. A mobile home shall not be used as an accessory building in any residential district.

11. A mobile home shall not be removed from a foundation until a permit therefore has been issued by the building official, in accordance with the Michigan State Construction Code.

12. Outdoor storage shall be prohibited. Written comments concerning the above Amendments will be received at 620 Island Lake, Chelsea, Michigan, 48118, by regular mail or between the hours of 5:00 and 8:00 p.m.; Monday through Friday.

Full Forum Studies 'Role of the Church'

"The Role of the Church in Today's Society" will be the topic for the third in a series of Fall Forums on Sunday, Oct. 11. The programs are currently being offered at St. Paul United Church of Christ. The Forums begin at 7 p.m., concluding at 9 p.m., and they are open to the public.

This week's topic will be presented by Dr. John M. Rogers, Conference Minister, Michigan Conference, United Church of Christ, from East Lansing. Dr. Rogers is the executive of a conference with 200 UCC congregations, numbering 70,000 members. He was recently elected chairperson of the UCC Office of Church in Society, and serves on the Board of Trustees, Olivet College and Chicago Theological Seminary and the Board of Directors, Michigan Council of Churches.

There will be time for questions and discussion; the topic is a basic one in today's society of shifting priorities. The United Church of Christ has been known as an "activist denomination" in the social sphere, taking many positions which have proven both controversial and challenging. There are approximately 6,500 local congregations with 1,750,000 members.

St. Paul UCC is located at 14500 Old US-12. The cost of each Forum is \$2.

Watercolors of Former Chelseaites Win Acclaim

Alice McCallum, daughter of Mr. and Mrs. Lawrence Wenk of 245 Jefferson St., graduated from Chelsea High school in 1958. Later, received her degree from Michigan State University where she studied fashion design. From there, she began to design needlepoint and later evolved to painting in watercolor.

She has won awards in virtually every established fine art exhibition in Arkansas, where she and her husband reside. Her awards include first place in Watercolor at the State Festival of the Arts.

Mrs. McCallum has lived in five states and in Europe. While living in California, she designed needlepoint and had her designs published by Sunset Books and Sunset Magazine.

After moving to Arkansas, her principal interest became painting with watercolor. She has studied with such nationally-recognized artists as M. Douglas Walton in Arkansas and Louisiana, Don Stone in Arkansas and North Carolina, Glenn Bradshaw, George Post, Millard Sheets, Edward Betts and Milford Zornes in Arkansas and Mexico. Her work, principally wildlife scenes, is represented in

numerous public and private collections.

Mrs. McCallum is a member of Mid-Southern Watercolor Society, Georgia Watercolor Society, Southern Watercolor Society and the American Watercolor Society.

During the month of August, an art exhibition of McCallum's work was held at Simmons First National Bank in Pine Bluff. Her imaginative collection of more than 20 watercolors contained landscapes, flowers and people as seen through her eyes.

According to McCallum, "Painting is a very challenging and sometimes painful process. To me, the transparency of true watercolor is its most exhilarating quality. The marriage of watercolor to responsive images is where I feel the greatest excitement."

The first federal arbitration law was passed in 1888, according to a publication of the U.S. Department of Labor. The law applied only to railroad workers and provided for voluntary arbitration by a presidentially appointed three-man board to arbitrate labor disputes. The Commissioner of Labor served as the ex-officio chairman.

ALICE MCCALLUM, daughter of Mr. and Mrs. Lawrence Wenk of Chelsea, is a well-known watercolor artist in her home state of Arkansas. She has studied under the direction of many nationally recognized artists and much of her work is represented in numerous public and private collections. From receiving her degree from Michigan State University in fashion design, Mrs. McCallum's interests have changed from designing needlepoint to painting in watercolor. Last summer, an exhibit of her watercolors, entitled Alice's Wonderland, was presented in an Arkansas bank.
