**PLANT CLOSING:** Approximately 700 employees received notice of the Chrysler Corp. Introl Division plant closing last week. Chrysler announced the move in an effort to reduce expenses by combining the

plant operation with a similar one in Huntsville, Ala. Although the plant closing had been previously rumored, employee reaction was one of shock.

## Chrysler Corp. Stuns Area With Closing of Introl Division Plants

Representatives of the Chrysler Corp. have announced the closing of its two Introl Division plants in Washtenaw county.

The Ann Arbor plant is located at S. First St., and the Scio township plant is located at Zeeb Rd.

Although the plant's closing had been rumored for some time, the announcement stunned its employees.

The Ann Arbor plant employed about 80 hourly workers and the Scio township plant another 420 hourly workers with another 200 salaried and management personnel.

According to Chrysler Corp. public relations representatives, "We are constantly in the process of trying to reduce fixed costs and improve operating efficiency by combining related operations where possible."

The Introl Division plants manufacture high volume temperature and pressure gages, emission controls and instrument panel products, all requiring precision engineering and production. A similar larger operation, the Huntsville Electronics Plant which employs about 1,600 hourly and salaried personnel, is located in Huntsville, Ala. According to the Chrysler spokesman, Huntsville is one of the nation's leading electronics centers and Chrysler plans to concentrate its electronics production in that area.

Transference of both the Ann Arbor and Scio plants will begin in February of 1982 and will be completed by June or July of that year.

Chrysler announced that it plans to offer about 400 hourly and salaried employees an opportunity to transfer to the Huntsville, Ala. facility. Chrysler also hopes to offer Production Engineering employees opportunities within the corporation in the state. The remainder will be put on indefinite lay-off.

Local reaction to the announcement has union employee members of the local union "pretty upset and surprised," according to Tom Dermody of Dexter. Dermody was the union steward of the Scio plant facility and retired just two weeks prior to the announcement. According to Dermody, many employees have 10, 15, 20 and 25 years with the company and are uncertain about their future. In their last contract, they gave up a number of wage

concessions such as cost of living and raises to help the financially troubled corporation, and now feel that some consideration is due from Chrysler.

Union members are also angered that Chrysler did not adhere to a contract agreement that they be given sufficient advance notice of a plant closing. According to Dermody, Wednesday, Oct. 8 was the first time many of the employees heard of the closing. Salaried personnel were summoned for the announcement, followed by the union officials. The employees were given a two-page letter explaining the reason and the time schedule for the closing.

The loss of the Chrysler plant will not only mean a sizeable loss in jobs to Scio township and the surrounding areas but will mean a substantial tax loss to both the township and the Dexter school district.

The closing will not affect the taxation on the property itself since the taxes are due whether it is occupied or not, but the loss would be calculated on the Personal Property Tax from the time the building is vacated until it is again occupied. Any tax loss would not affect this year's school budget as the taxes have already been collected.

Many long-time residents of the village remember when the King-Seeley Corp. occupied the same plant on Zeeb Rd. The possible loss of tax revenue to the Dexter schools brought to mind a story many years past when the school system was unable to pay the teachers before the Christmas holidays. The King-Seeley Corp. volunteered to pay their taxes early so everyone could have a happy holiday.

Most affected, however, will be the hundreds of men and women with families and mortgages who will find themselves without an income. Many more will be confronted with a decision on relocating their homes and families hundreds of miles away to Alabama. Offers of relocation are made first on a basis of seniority. Job prospects for the remainder are bleak as the unemployment levels are at an all-time high both in the county as well as the state.

## United Way at 20% of Goal In First Week

Chelsea's United Way campaign is now one week old. With a 1981 goal of \$47,850, more than 20 percent of that goal was realized last week when the accurate figures were disclosed at the first of four weekly meetings of those in charge of this year's campaign.

According to Don Peck, 1981 chairman of the fund drive, a total of \$11,081.80 or 23 percent of

the 1981 campaign goal has been raised in contributions and pledges since the first day of the

campaign, Thursday, Oct. 1. "We are very pleased with our response so far," Peck commented.

The Chelsea United Way campaign is seeking \$44,100 in agency requests, up four percent over the 1980 goal of \$42,100, as well as the additional \$3,750 to cover the cost of administration, reserves for collection losses and campaign expenses including insurance for canvassers.

The 1981 United Way campaign will end locally on Friday, Oct. 30.

## Two Will Be Inducted Into CHS Hall of Fame

During half-time ceremonies Friday, Oct. 16, at the Chelsea-Saline football game, induction of two new members into the Chelsea Football Hall of Fame will take place.

The pair of former Chelsea football stars, Jeff Dils and Eric Headrick, will mark the second year of Hall of Fame ceremonies. During last year's initiation of the organization, more than 40 former Chelsea High school football players from the 1970's were inducted. Beginning this season, qualified players from the previous year who have graduated, will be inducted.

Selected on the basis of leadership characteristics and

outstanding contributions to the Chelsea High school football program, Dils and Headrick were the most likely candidates from the 1980 program.

Despite the fact that Jeff Dils saw little action last season, the co-captain was nominated from his junior year quarterback contributions. Dils is currently a freshman at Hope College in Holland. Co-captain Eric Headrick was a starting center in his junior and senior years, stabilizing the offensive line.

Immediately following the band programs at half-time, these two former CHS football stand-outs will be inducted into the Hall of Fame.

## 'Madness' Sale Slated Wednesday

Darkness falls and suddenly Main St. is a hub of activity as eager buyers scurry from store to store to snatch up bargains on everything from clothing to appliances, sausages to candles, as

Chelsea's Moonlight Madness breaks loose Wednesday, Oct. 14 between the hours of 7 p.m. and 10 p.m.

Chelsea's Moonlight Madness, similar to the bargain days and nights in surrounding communities, will be the first in many years. The revival of the sales is intended to spur business and compete with similar local and non-local concepts.

The Chelsea Merchants Association, organizers of the event, will feature countless bargains, something for everyone, potter's chips to pullovers, microwaves to men's wear.

Prices on many items will be slashed by as much as 50 percent. By all means, the revitalization of Chelsea's Moonlight Madness, should cause a flurry of buying activity as the Christmas holiday approaches.

## Police Report 10 Arrests in Past Month

Chelsea Police Department reports having made 231 radio runs last month, compared to 287 in August. Among these runs were calls regarding 29 suspicious vehicles, eight property damage accidents, 10 larcenies, 15 civil offenses, and three assists for the Chelsea Fire Department.

A total of 10 arrests were made including one felony, three misdemeanor, two warrant and four juvenile apprehensions. Included among the arrests were two assault and batteries, one obscene telephone call, and one disorderly person. Among the juvenile arrests were two breaking and enterings, one uttering and publishing, a forgery, and one larceny over \$100 and one larceny under \$100.

During September, a total of 31 case reports were written as compared to 30 during August. Examples of last month's case reports include six cases of malicious destruction of property, 10 cases of larceny, two incidents of breaking and entering and one instance of an attempted breaking and entering.

A total of 245 property checks were made, down from 340 during August and the Chelsea Police Department assisted the county on just one occasion as compared to seven occasions during the preceding month.

## Home Meal Service Needs Help

Chelsea's Home Meals program is in need of volunteer drivers for its daily meal delivery service to a number of area residents including shut-ins, the incapacitated and those recuperating from illness.

Because of the volunteers' ever-changing schedules, a real need has developed for a driver on Tuesday, though volunteers would be welcomed any day of the week as regular and alternate drivers.

The Home Meals route is very compact and would involve less than one hour, one day per week. Well-balanced meals are picked up in lightweight, insulated containers at 11:15 a.m. at the Chelsea United Methodist Retirement Home. From there, drivers make their runs to the various residences requesting Home Meals delivery. The cost of gasoline used in the delivery route is tax deductible.

Persons interested in devoting one hour per week to this community-based cause should direct inquiries to Barbara Branch at 475-7644.

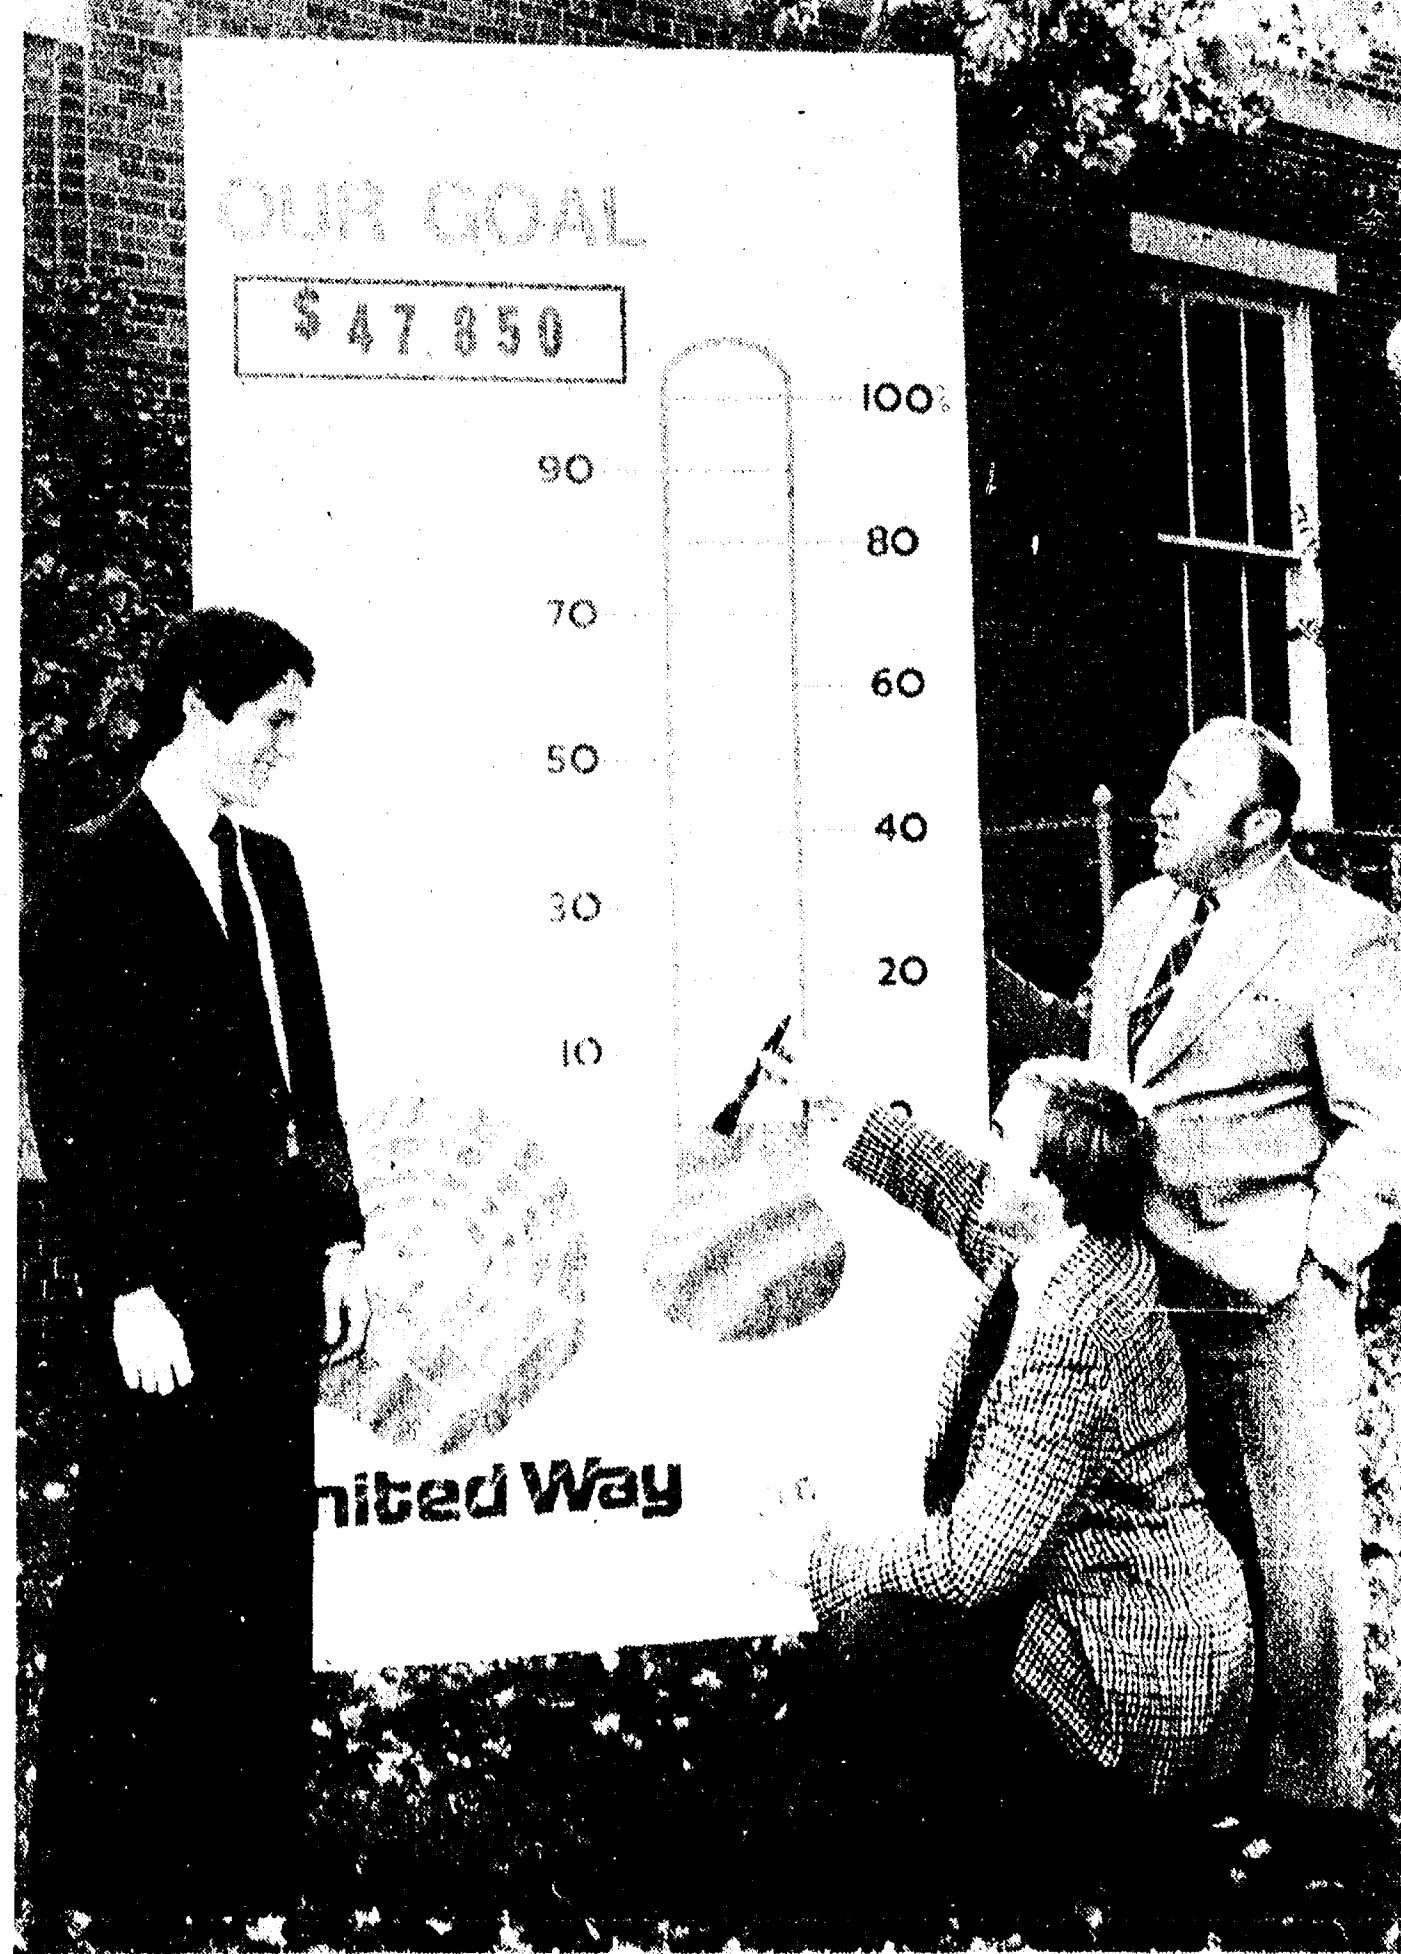

## Seva Sight Trek Crew Nearing Goal

In mid-June, four volunteer hikers began their 3,000-mile Sight Trek from Canada to Mexico.

The quartet—David Kahn, Pat Ball, Stewart Merritt and Clarke Ball—are trekking down the Continental Divide to raise funds for SEVA Foundation. Monies collected will be used in the eradication of needless blindness in the tiny kingdom of Nepal, high in the Himalayan Mountains.

At last report, the group had completed 700 miles of their intended journey and were in Wyoming. As of this report, the

UNITED WAY PROGRESS was charted Friday afternoon by the 1981 campaign chairman Don Peck, center, while Bob Porter of Great Lakes Federal and Bill Bott of Ann Arbor Trust look on.

As of Friday, with the campaign one week old, the Chelsea drive had reached 23 percent of its goal in pledges and contributions of \$11,081.80. The 1981 fund-raiser will come to a close on Friday, Oct. 30.

**DESCENDING FROM THE SKY** Friday at the Chelsea Community Child Care Center was Deputy Tom Gray of the Washtenaw County Sheriff's Department, who circled the parking lot and the Child Care Center and landed the helicopter much to the delight of children and adults on hand. After the "chopper" landed, the children were treated to a close up view of the

helicopter, inside and out. The deputy explained the function of several instruments and controls involved in flying. The visit wrapped up a very special week of activities at the Center as part of the group's study of "Our Community Workers." The week included a trip to the local fire station and to a dentist, as well as visits from a sheriff deputy with her patrol car, a doctor and a nurse.

## MICHIGAN MIRROR

By Warren M. Hoyt, Secretary, Michigan Press Association

**Lobby Law Ruled Unconstitutional**  
Ingham County Circuit Court Judge Robert Holmes Bell has ruled the state's lobby law unconstitutional because it would regulate fundamental rights without using the least intrusive means possible.

In overturning the entire 1978 act, Bell said the law is overbroad, violates equal protection and infringes on First Amendment rights of freedom of expression.

The new ruling constitutes the second time a lobby reform law has been overturned and means the 1947 law remains in effect.

The state Supreme Court declared unconstitutional an omnibus political reform act of 1975 which included revised controls for lobbying activities.

An appeal to the state Court of Appeals is expected to be filed by Attorney General Frank Kelly.

Detroit Attorney James Robinson, who represented the First Amendment Committee to Protect the Right to Lobby, said he was pleased the opinion reflected all the major contentions included in the challenge of the act.

"It means it will be necessary for the legislature to go back and write a new act that is constitutional," Robinson said.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

It says here that small-town newspaper readers regard everything in their newspapers as news, ads and all. Furthermore, the study at the University of Southern Illinois found that more folks read the ads than the other kind of news, and that classifieds got the highest readership of anything.

Personal, Mister Editor, I find this hard to believe, unless you break it down to men and women readers. For instance, I read the news from front to back and hardly glance at the ads the first time through. But the old lady reads the ads back to front, and she very seldom reads the real news at all. I've probably been reading papers longer than anybody alive at the University of Southern Illinois, so I figure I'm entitled to my opinion. The piece did go on to say that news was read more by folks 60 and older, and them around 45 claimed the ads were more useful. That might be so, since it seems to me the younger they are the more they are apt to think television news informs em and commercials entertain em.

General speaking, I am flat out partial to the papers. Television is good for space and sports, because the pictures are the story. But when it comes to dealing with the everyday run of what's going on, a feller will get a mighty narrow view if he depends on TV. He might as well try to watch a parade through a hollow reed. Part of it is the way television and radio are, and part of it is the way the looker and listener is. When we listen we ain't doing anything; we are being done unto. When we read we are doing, so we are learning.

I got to thinking about this the other day when I saw a piece in the paper where a outfit in Tulsa is planning to spend \$250 million to make a 225-hour moving picture of the entire Bible. So far they've got Genesis reduced to 10 hours of film. The feller heading the project said it needs to be done for all the folks that can't read. For the life of me, I can't figure how people that can't read can understand what the Bible is about by looking at people acting out stories in it. I personal think Reader's Digest has a better idea in leaving in the message and leaving out some begats and repeats. I know what is called the electronic church is big business these days, but these operations are supported by people that already know the Bible and believe they're helping them that don't.

Speaking of newspaper ads, Clem Webster bring a few classy

classifieds to the country store Saturday night. He opened with this one. "Doberman, easy to feed, will eat anything, especial fond of children." But he said he like this one better. "For sale—bakery, good trade, large oven, present owner been in it seven years, good reason for leaving."

Mister Editor, I might of got out of line with my sermon, but I do feel strong about the place of a newspaper in a community. I ain't trying to take over your editorial writings, I'm just saying there's still a need for em that nothing else that's come along so far can fill.

Yours truly,  
Uncle Lew.

"reasonably and responsibly deal with the problem while guaranteeing the constitutional rights of all."

The law would have regulated activities of and required reporting by lobbyists and lobbyist agents. It would have set misdemeanor penalties for violation of reporting requirements; and felony penalties for lobbying for a fee contingent upon the outcome of state action.

Among the deficiencies of the act cited by Bell were:

—unconstitutionally vague definitions of public officials in the law's attempt to regulate communications between a lobbyist or lobbyist agent and a public official.

—an unconstitutional chilling of a citizen's right of expression by a vague requirement that lobbyists' reports of expenditures include a brief description of lobbying activities without clarifying the term.

—a violation of constitutional guarantees of equal protection by permitting specified financial institutions to provide public officials with loans but apparently prohibiting a retail institution from offering a credit line to a public official.

—an unconstitutional infringement of rights of free association by apparently requiring the disclosure of membership lists of organizations who might employ a lobbyist or lobbyist agent.

—an improper attempt to include in the regulations licensed attorneys.

## Altar Society Discusses Plans for Holiday Bazaar

The regular meeting of St. Mary's Altar Society was held Monday, Oct. 5 in the rectory basement with 22 members present.

Final plans for the art auction to be held at St. Mary's gym were discussed by Mrs. Beth Forner. She also mentioned the activities taking place in preparation for the holiday bazaar to be held Nov. 21-22 at Sylvan Town Hall.

Mrs. Judy Durgan, program chairman, introduced Drs. Warren and Linda Atkinson, doctors of chiropractic, who presented a program on the benefits of chiropractic care.

Refreshments were served by President Bernice Augustine and officers and members of the executive board.

The meeting for next month will again be held in the rectory basement beginning at 7:30 p.m., Nov. 2.

WEDDING GOWNS hang securely behind air tight glass in the Heritage Room of the Chelsea United Methodist Home. Clothing, furniture, photographs and other memorabilia are situated throughout this room which traces the history of many of the past and present residents at the 75-year-old facility.

## Arthritis Care Program Set at Chelsea Hospital

The Washtenaw County Volunteer Unit of the Arthritis Foundation, Michigan Chapter, announces a free educational program on "Home Management of Arthritis" on Wednesday, Oct. 21. This will be held at the Chelsea Community Hospital in the private dining room from 7 to 9 p.m.

Speaker will be Cheryl Carse, R.N., M.S.N., a clinical nurse specialist. Ms. Carse is affiliated with Dr. Pieter D. Vreede and Dr. Eugene Y. Su, Specialists in rheumatology.

Washtenaw County Volunteer Unit's prime interest is to create an awareness of the causes and effects of arthritis, the nation's No. 1 crippling disease. The local Arthritis Volunteer Unit helps arthritics and their families cope, through monthly educational programs, mutual support groups, patient education classes, referrals to physicians and home visitation programs. The Unit also provides a "Hotline"—663-3433—for local information on upcoming programs.

## Child Study Club Plans Holiday Fashion Show

Chelsea Child Study Club will be presenting "Holiday Fashions by Goodyear's with a Sampling of Festive Hors d'oeuvres" on Tuesday evening, Nov. 17 at the Chelsea Community Hospital dining room. The show will begin at 8 p.m.

Fashions on display will be from Goodyear's department store in Ann Arbor and will feature women's and children's clothing. Child Study Club members will be modeling the holiday outfits.

Following the fashion show, guests will be invited to sample a delicious array of holiday appetizers with recipes for each item given to ticket holders. There will also be door prizes.

Tickets will be available after Oct. 13 from all club members as well as at the Village Bakery and the Chelsea Pharmacy. The donation is \$6 per ticket and this year's proceeds are earmarked for the Chelsea High School Scholarship Fund. Each year, the club undertakes a finance project with proceeds benefiting a local charity or organization.

## Senior Citizen Committee Plans 'County Fair'

The Chelsea Senior Citizens special events committee will host a County Fair Friday, Oct. 23 at the Chelsea High school cafeteria, beginning at 6 p.m.

The event will feature games, prizes and lots of fun. Dart games, apple dunks and cake walks will highlight the evening.

The special events committee members will prepare hot dogs and cakes to be awarded to winners following the cake walks.

Seniors attending the County Fair are asked to bring a dish of baked beans, coleslaw or potato salad and, when making reservations, persons are asked to indicate which dish will be provided.

Cost for this special event is \$1 per person. Reservations should be made no later than Tuesday, Oct. 20.

**CERTIFICATE OF RETIREMENT:** Sgt. Joyce A. Grames is presented her certificate of retirement by Detroit Mayor Coleman Young following 28 years on the Detroit Police Department. As of Oct. 29, Detective Sgt. Grames will leave her post at precinct 15, Detroit. With Sgt. Grames are sons, Rodney, left, and Raymond. During her first 18 years on the police force, she was in charge of neglect, abuse, missing children and other misdemeanor and felony cases in the Women's Division. She then moved to the Medical Unit and served as the Medical Unit Registered Nurse Sergeant. Finally, Sgt. Grames served as

Detective Sergeant in charge of the misdemeanor detail, handling assault and battery, bad checks and other cases. She received more than seven Meritorious Police Citations and several detective commendations during her career. Sgt. Grames is the daughter of Dr. and Mrs. H. J. Webb of Chelsea; Dr. Webb died on Aug. 17. She is co-owner of Webb's North Lake Orchard along with her brother, Harmon Webb, Jr. Following a brief vacation in Hawaii, she has accepted the position of Assistant Director of Nursing at Wayne County Hospital.

## Commended In Scholarship Competition

John Williams, principal of Chelsea High school, has announced the names of three seniors who are being commended in the 27th annual National Merit Scholarship Program. Letters of commendation will be presented to Celeste Arbogast, Tracy Bohlender and James Heaton, who placed among the top 51,000 participants in the 1982 competition.

Of some 1.2 million students who entered the 1982 Merit Scholarship competition by taking a qualifying test in 1980, about 36,000 are being commended this month, as they begin their final year of high school. These participants scored high, but slightly below students in their respective states who qualified as Merit Program Semifinalists. Only the 15,000 Semifinalists will receive further consideration for Merit Scholarships. In the spring of 1982, NMSC will announce the names of about 5,000 Merit Scholarship winners who will receive awards worth \$15 million for college undergraduate study.

## Senior Citizens

### Center Sponsoring Ann Arbor Tour

Chelsea Senior Citizens Center will sponsor a one day excursion to Ann Arbor and Dexter Friday, Oct. 16. While gone, participants will enjoy a planetarium show called "Find That Star," a participatory show where visitors learn how to use a star map for locating specific constellations. There will be the opportunity to point out each constellation and learn a little more about it. All visitors will receive a current star map to take home.

In the exhibit museum, the Chelsea group will enjoy two 30-minute guided tours regarding Michigan wildlife and native Americans.

Lunch at Bill Knapp's will follow, and enroute home, the group will visit the Dexter Cider Mill to enjoy some fresh Michigan cider.

The group will leave at 8:45 a.m. on Friday via a Chelsea school bus and will return at 3 p.m. Cost of the excursion is \$2.50.

Senior citizens interested in this event should make a reservation by calling the Senior Citizen Activity Center at 475-9242.

**300 GAME JACKPOT WINNERS:** Hal Pennington, Ed Greenleaf, Al Felhauer and Jeannie Hafner were present at the awards ceremonies of the McDonald's-sponsored jackpot winners last week at Chelsea Lanes. The concept is simple: the jackpot begins with \$100 at the onset of the 34-week season and \$5 is added per week through the end of the season. Last year's jackpot was not won at the 300-game level and the amount of \$140 was divided

between the man and woman with the highest actual scores. The 1980-81 season winners were Jeannie Hafner and Hal Pennington who received a check from Al Felhauer of Chelsea McDonald's for \$70 each. This year's jackpot is currently at \$125 and is scheduled to be won by a 300-game bowled by a sanctioned league bowler during league play.

## Frosh Grid Team Loses To Tecumseh

Chelsea High school's freshman football team evened its season record at 2-2 last week following a loss to Tecumseh, 30-12, Thursday, in the second meeting of the two teams. Despite the loss, Coach Jim Tallman cited improvement on behalf of the team.

John Carey scored Chelsea's two touchdowns and managed 167 yards rushing while Dan Fenton had a total of 65 yards rushing.

Leading tacklers were Dave Steinhauer with 13, Shane Brown pulled down 10 players, Dean Boote had nine tackles and John Harris was in on tackles eight times.

Regardless of Chelsea's loss, the team as a unit is getting a great deal out of its season. The season schedule is particularly tough, in part because of cutbacks in sports in many districts.

## Students Preparing For PSAT Testing

Susan Carter, director of guidance at Chelsea High school, has announced that new services introduced last year as part of the

Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) will again be provided to students taking the test on Tuesday, Oct. 27.

Before the test, students will receive the PSAT/NMSQT Student Bulletin which contains a complete sample test with an answer key and scoring instructions. In December, students will receive a Report of Student

Answers which displays the correct answers and the students' responses as well as scores. Schools will return test booklets at the same time so that students may review the original questions. Students will also receive About

The PSAT/NMSQT is co-sponsored by the College Board and National Merit Scholarship Corp. It is administered annually to more than one million students and measures verbal and mathematical abilities that are important in college work.

The PSAT/NMSQT gives students a chance to find out what the College Board's Scholastic Aptitude Test (SAT) is like, and helps them plan for college; further, students who opt to participate in the College Board Student Search Service have an opportunity to hear from colleges that they might not otherwise learn about. The PSAT/NMSQT is also the qualifying test for students who wish to participate in the nation-wide scholarship competitions administered by the National Merit Scholarship Corp.

Questions may be directed to Susan Carter at 475-9131, ext. 42.

## Stolen Auto

### Found Abandoned In Parking Lot

Chelsea Police Department received word from the Jackson Police Department at 10:20 a.m. Tuesday, Sept. 15 that a subject in custody admitted a number of crimes including the stealing of a car that was then left abandoned in Chelsea.

Following the description of the vehicle, Officer Rick Walter began a search and located the vehicle parked on the north side of Heydlauff's parking lot. The car was towed in and preserved for fingerprints for the Jackson Police Department.

### Driver Charged With DUI After Crashing Into Fence on Turning

At approximately 6 p.m. on Tuesday, Oct. 6, an automobile accident occurred at the intersection of A. D. Mayer Dr. and Madison St. when a vehicle traveling southbound at a high rate of speed on Madison attempted to negotiate a turn and the driver lost control of the auto, tearing down a fence.

Arrested at the scene for driving under the influence of intoxicating liquor was Damian A. Marzec, 21, of 1137 Freer Rd.

## Boys Cross Country Team Defeats Saline

Chelsea's boys cross country team advanced their league-leading SEC mark to 5-0 and 7-0 over-all with a 19-44 win over Saline at Inverness Country Club on Thursday, Oct. 8.

In an individual showdown between two of the finest runners in the area Mark Brosnan defeated Mark Pogliano of Saline by more than 30 seconds to establish a new 5000-meter course record at 16:11. Pogliano also broke the old

course record of 16:52 by eight seconds.

Other Bulldog placers who all recorded personal best times for the home course were Brent Martin, third at 17:11; Bob Benedict, fourth at 17:22; Dave Kies, fifth at 17:48; Allen Cole, sixth at 17:52; Eric Green, seventh at 18:19; Ernie Bristle, eighth at 18:31; Daren Pierson, 10th at 18:39; Kevin Richardson, 14th at 18:57; and Tom Nemeth, 15th

Bob Benedict, Eric Green and Dave Kles; back row, left to right, Tom Nemeth, Jared Bradley, Ernie Bristle, Daren Pierson, Kevin Richardson and Coach Pat Clarke. The varsity harriers are now 6-0 on the season.

## Girls Swim Team Splits Two Meets

Last week, the Chelsea High school girls swim team traveled to Battle Creek Lakeview and Dundee High schools. By the end of the week, the swimmers' record went to 2-3.

"Our record does not reflect how good the girls are swimming," said Coach Dave Johnson. "This year, we built our schedule up with top caliber

teams so that we would swim fast early in the year. We've done just that, and we're progressing each week. We are right on schedule for the Chelsea Invitational Nov. 19 and the State Championships in December."

Against Lakeview, the Bulldogs were defeated, 116 to 56. Highlights of the meet for Chelsea included a varsity record

swim for Margie Rawson in the 200 individual medley and good swims by Kristin Thomas, Sandy Young and Nancy Hastings. Other good efforts were put forth by Becca Lee and Karen Moore.

The Dundee meet boosted Chelsea in the win column as the score was 49-34. Good swims were posted career bests by Pam Spayd and Missy Young in the 200 freestyle, Becca Lee in the 200 individual medley, Karen Moore in diving, Janine Hoffman in the 100 butterfly, Dawn Borders and Cinda Thornton in the 500 freestyle.

The most outstanding performance was by Mary Bacon in the diving event. Mary outscored the varsity diving record by six points by diving 208-85. The previous record was set by 1981

graduate Michele Clark who was fifth in last year's State Championships.

"Mary has been diving real well for Coach Chris Seufert this year, her attitude has been super and it's paying off for her," said Johnson.

The Bulldogs' next meet is at home on Oct. 13 against a good Jackson Parkside team.

The National Labor Relations Act of 1935 established the first national labor policy for protecting the right of workers to organize and to elect their representatives for collective bargaining, according to the U.S. Department of Labor publication, "Important Events in American Labor History."

## Pet-O-Rama Offered Area Pet Owners

If you've got a question about pets, Arborland is the place to go. On Oct. 16-18, the Humane Society of Huron Valley will present "Pet-O-Rama." Many kinds of pets will be on display, including cage-birds, rabbits, unusual breeds of cats, and more than 50 breeds of dogs.

There will be a number of performances and displays, including an obedience demonstration by the Ann Arbor Dog Training Club, and the same Club's Flyball Team will perform. The Mid-Michigan Cat Society will demonstrate cat grooming, the Ann Arbor Cage Bird Society will talk about the care of cage birds such as cockatiels, parrots, and finches, and the Pocket Pets Club will give out information on keeping rabbits, guinea pigs and other small mammals as pets.

Throughout Pet-O-Rama, owners of various kinds of dogs will be on hand, with their dogs, to talk about what it is like to own their breed.

Also on hand will be the Sportman's Dog Training Club with their square-dancing dogs, the Washtenaw Veterinary Academy, cart-pulling Bouviers who will give rides, the Leader Dog Puppy Club, police dogs and their handlers from the Washtenaw County Sheriff's Department, the Michigan Gazehound Association, and the Bolgos family's Belgian draft horses.

Hours are: Friday, 6 to 9 p.m.; Saturday, 11 a.m. to 9 p.m.; and Sunday, 12 to 5 p.m. Come and bring the family—but leave your pets at home. (No pets other than those belonging to exhibitors will be allowed inside the Mall.) Arborland is located on Washtenaw Ave. at Route 23.

## Super-Semifinalists Chosen in Model Search

With more than 100,000 entries received, Teen's Great Model Search has turned out to be the biggest contest ever featured in the pages of Teen magazine. As the final countdown begins in the selection of the winner of Teen's Great Model Search, the judges have announced the names of the entrants who are super-semifinalists. Among the 16 entrants who have been named super-semifinalists featured in the October issue of Teen magazine is Julie Cox of Pinkney.

The Great Teen Model Search is divided into six different regions across the country including Canada. For the past eight months Teen magazine has chosen a total of 144 semifinalists from each region. The 16 super-semifinalists announced in the October issue of Teen magazine represent the top candidates in their respective regions as judged by panel of experts.

In Teen's upcoming November issue, the judges face the difficult but exciting task of selecting two super finalists from each of the six regions and four "at large" finalists for a total of 16. Those selected will be invited to Teen's Los Angeles headquarters for phototesting, makeovers, sightseeing and fun! All expenses will be paid by Teen.

### A Pneu Idea

While the name never caught on, John S. Thurman of St. Louis, Mo., presented the world with a good invention when he introduced his "Pneumatic carpet renovator" on Oct. 3, 1899. Thurman's appliance was one of the earliest motor-driven vacuum cleaners. Examples of hand- and electric-powered cleaners, including a 1908 Hoover and a c.1910 Eureka Model 1, are a small part of the vast Home Arts Collection on exhibit in Henry Ford Museum, Dearborn.

## Views On Dental Health

By ROBERT A. BURNS, JR., DDS, P.C.

### ARE PRIMARY TEETH IMPORTANT?

Want to make your dentist cringe? Tell him not to waste his time on your child's severely decayed tooth because "it's only a baby tooth and he's going to lose it anyway."

Don't kid yourself! Primary teeth (a much better phrase than "baby teeth") play a very important role in the development of a child's future dental health. Obviously, they are necessary for chewing. Even more important, primary teeth create the proper spaces for permanent teeth. A primary tooth that is prematurely lost can no longer do this job. The teeth nearby will crowd into the empty space, and when the permanent tooth tries to enter there may be no room. As a result, it may become impacted (lean sideways inside the gum). It may come out in

the wrong place (for example, through the front of the gum). Or, it may crowd its way in and destroy the delicate balance of the mouth.

Losing primary teeth prematurely is one of the commonest reasons for orthodontic treatment later on. Prompt treatment with a space-maintaining appliance is generally called for to reserve the room for the next tenant.

If you have dental health questions you would like to see answered, please mail them to the address below.

## Covenant Church Preparing For Christmas Bazaar

Covenant church of Chelsea will present its second annual holiday bazaar on Saturday, Nov. 7 at Sylvan Town Hall. The format of last year's successful bazaar will be followed again this year.

The event will be held from 9 a.m. to 5 p.m. with a soup and salad luncheon served from 11 a.m. to 1:30 p.m. At 4:30 in the afternoon, names will be chosen as winners of two hooked rugs, three afghans and a Christmas tree skirt.

Booths at the bazaar will stock a vast array of appealing items. Members of the church have been hard at work for many months. The Country Store will include wooden toys, bulletin boards, jams, jellies, breads, candies and Christmas wreaths. Cheese and sausage will be an added attraction.

The Green Thumb booth will contain plants of all kinds plus cattails, silver dollars and berries for Christmas decorating. Decorations and ornaments galore will be sold at the Christmas Booth.

Knit Pickin' include sweaters, mittens, blankets, aprons and many other hand-made articles. Notes and Things will sell note cards, stationery, Christmas wrapping and calendars.

Baked goods, including sweet rolls, breads, pies, rolls, yeast cakes, German pretzels, will be plentiful and delicious.

Everyone is invited to attend the bazaar. Nursery care will be provided and a special table of items for children will also be available.

## Sharon Church Offering Special Round-Up Sunday

North Sharon Bible church will sponsor "Round-Up Sunday," on Oct. 25. The special event will get underway at 10 a.m. at the church, located at 17999 Washburne Rd., Grass Lake, at the corner of Sylvan and Washburne Rds.

Pumpkins will be given to each boy and girl who visits the church that day. In addition, a giant, 100-pound pumpkin will be awarded to the child who brings the most visitors.

In addition to "Round-Up Sunday," special meetings will be held at the church from Sunday, Oct. 25 through Friday, Oct. 30, beginning at 7 p.m. nightly. Featured at these meetings will be nationally known evangelist, Dr. Bill Rice, III, who will preach each evening with his evangelistic team. Special music will be provided and children's meetings will also take place. Dr. Rice is the head of the Bill Rice Ranch in Tennessee, ministering to both deaf and hearing persons.

MICHELLE GRAFLUND  
**Nine-Year-Old Wins Trophies in Baton Contest**

The annual Tri-Set Baton Contest was held Saturday, Oct. 3 at Temperance. Michelle Graflund, nine-year-old daughter of Mr. and Mrs. Steve Graflund of Chelsea, captured two trophies and placed high in all six events she entered.

Michelle placed fifth in basic strutting from a field of 22 strutters, an outstanding achievement for both she and the Chelsea Charms. She won the third place trophy in military strutting, the first time she had entered a military category. In novice, in-state twirling, modelling and best appearing, she placed in the top seven.

Accompanied by her mother Mrs. Norma Graflund, and baton instructor Rita Wilson-Howard, Michelle was cheered on by her fellow Chelsea Charms classmates, Elizabeth Maurer, who is preparing for her first competition in November.

## Fall Forum Offers Famous Author

Dr. Reuel Howe, internationally famous author/consultant/lecturer, will present the topic, "Live All Your Life" at the fourth Fall Forum on Sunday, Oct. 18 at St. Paul United Church of Christ. The program will be held from 7 p.m. to 9 p.m. and is open to the public. The church is located at 14600 Old US-12.

Dr. Howe is the founder of the Institute for Advanced Pastoral Studies, Bloomfield Hills, and has authored many best-sellers, among which are "The Miracle of Dialogue," "Man's Need and God's Action," "How to Stay Younger While Growing Old," and "Live All Your Life." He has been a pioneer in developing a correlation between the human sciences and theology, and has played a major role in the continuing education field. He resides in Ann Arbor.

He writes about his chosen topic for Oct. 18: "As we move through our life's journey, we have experiences which influence our becoming. How do our responses to these experiences influence us and others? Do we live self-protectingly? If so, what does that do to our souls? What

DR. REUEL HOWE

may we expect if we live more openly, risking new experiences and the consequences? Do we really want to play it safe, or follow the lead of Christ and find more life as we grow older?"

The cost of each Forum in the series is \$2. Each is sponsored by the Church and Mission and Board of Christian Education Committees, St. Paul UCC.

Jana Knickerbocker has been named the recipient of this month's psychology award. A junior at Chelsea High school who is enrolled in Paul Terpstra's psychology class, Jana is a highly motivated student who maintains

JANA KNICKERBOCKER

an excellent academic average; she actively participates in class discussion and applies her knowledge in her dealings with other people. Jana's classmates have chosen her for this award on the basis of attitude, classroom participation and scholarship.

## Lions Club Will Sell Pumpkins

Chelsea Lions Club will be conducting its annual pumpkin sale during the next two weekends. In addition to pumpkins, the Lions will also be selling cider Oct. 17-18 and Oct. 24-25.

Lions pumpkin and cider stands will be located at the Chelsea State Bank branch on Main St. at Old US-12 and at the parking lot of Rick's Market, on Main St. between 2nd and 3rd Sts. To highlight the pumpkin and cider sale and to complement the Halloween season, the Lions are sponsoring a pumpkin face contest on Oct. 31 at the municipal parking lot in conjunction with the annual Kiwanis Halloween parade.

There will be three age categories for the contest: kindergarten through 3rd grade, 4th grade through 8th grade and 9th grade and above. Prizes will be awarded in each division. Children interested in entering the contest should bring their pumpkins to the municipal parking lot between 4 p.m. and 5:30 p.m. on Saturday, Oct. 31, prior to the start of the parade.

## ★ Gridders of the Week ★

DAVID WOJCICKI, MIKE HINTZEN AND JOHN PACKARD are three of the football players that who helped make Chelsea the 19th ranked class B team in the state. Wojcicki has improved dramatically within the past year and has developed the ability to throw the ball. He is a hard worker who, according to Coach Gene LaFave, "has become a student of the game who can apply his understanding on the field." Wojcicki has speed and throws well. Mike Hintzen has great potential

and should be a very fine player the more action he sees. He is much improved as a linebacker and began his football career as a sophomore. As a wide receiver and defensive back, John Packard has also shown dramatic improvement in his game. He, according to LaFave, "sees more playing time each week and is a hard worker and good student."

## Bulldog Gridders Trample Dexter, 33-0; Face Saline Friday

Chelsea looked good and Dexter looked bad; the difference between the two Friday night accounted for Chelsea's fourth win of the season and Dexter's third consecutive loss as the Bulldogs outshone the Dreadnaughts, 33-0. The Bulldog-domination began early in the contest as David Wojcicki threw a 26-yard pass to Craig Olmsted for the initial scoring of the game. This touchdown was followed by a two-point conversion by Wojcicki and Chelsea had an 8-0 advantage. By the second quarter, John Preston plunged in from one yard out. Dexter was able to stop the Chelsea offense for the final half of the second quarter and the Bulldogs held a 14-0 lead at half-time.

In the third quarter, Chelsea came back at the Dreadnaughts as John Preston scored from six yards out. Craig Olmsted caught an eight-yard pass from Wojcicki in the final quarter and Rod Robeson ran from eight yards out to cap the Chelsea scoring attack. John Preston kicked the extra points and Chelsea emerged with a 33-0 rout of Dexter. According to Coach Gene LaFave, "We played well, were able to run and throw and scored more points against the defense than we've been able to do all year." Despite Dexter's poor showing, LaFave cited the Dreadnaught's defensive improvement. "They played sound defense but we held

their offense to just 120 yards. They threatened to score just one time and we stopped them. From there, the game, for all intents and purposes, was over." Chelsea's running backs had a fine evening. Russell Harris carried for 78 yards while John Preston moved the ball 90 yards. Through the air, Chelsea made good on 10 of 20 attempts for about 180 yards. Jeff Lantis caught six passes worth 107 yards while Craig Olmsted received Chelsea's other four pass completions for 65 yards or so. Offensively, Tim Whitesall and Rick Poljan played well while the defensive line was outstanding as Jeff Lantis and Russell Harris had fine nights on the field. Chelsea's next contest is at home Friday evening against defending league champion Saline, undefeated in the league this season.

The Public Contracts (Walsh-Healy) Act of 1936 established labor standards on government contracts, including minimum wages, overtime compensation, child and convict labor provisions, and health and safety requirements, according to the U.S. Department of Labor's "Important Events in American Labor History."

## Harriers Take First in Manchester Invitational

On Saturday, Oct. 3, the Chelsea High school cross country team placed first in a field of 10 teams on a total time basis at the Manchester Invitational. Chelsea's total time for five runners was 80:47, compared to second place Onsted's 84:08 and third place Saline's 85:06. In the individual class runs, Chelsea won both the senior and junior runs while placing second in the sophomore and girls runs. Leading the seniors was captain Bob Benedict in first place at 16:01. Teammate Daren Pierson placed sixth with a lifetime best

of 17:50.

In the junior competition, it was a Chelsea 1-2 punch with Mark Brosnan in first at 15:36 and Brent Martin, second at 16:03. Other junior placers were Dave Kles, fifth at 16:22; Ernie Bristle, 14th at 17:11; and Kevin Richardson, 16th at 17:13. For the sophomores, Allen Cole led the way in third place at 16:45 while Eric Green was fifth at 17:16 and Tom Nemeth finished 12th at 18:00. Jared Bradley placed eighth at 18:45 in the freshman run.

The lady harriers had a good day also, placing second to top state power Dexter. Sandra Frame led the ladies with a time of 19:23 in placing fifth.

Other Bulldog placers included Kathy Degener, 10th at 21:06; Mary Ann Richardson, 11th at 21:07; Kim Boyd, 12th at 21:14; Wendy Wolfgang, 14th at 21:41; and Sharon Guinan, 17th at 22:28. "This meet was a fine effort by our team over-all," said Coach Pat Clarke. "I just hope we can continue to build our team strength on these invitational successes," concluded the coach.

In addition to open swimming periods, the Cameron Pool may be rented on Saturdays, anytime between 4 p.m. and 9 p.m. at a charge of \$25 per hour. If more than 50 swimmers take part, there is an additional charge of 50 cents each thereafter.

## Kicks Tie Jackson Baptist, 3-3

Chelsea Kicks soccer team remained in first place Tuesday, Oct. 6 by playing Jackson Baptist to a 3-3 tie.

Chelsea had a rough beginning by giving up three quick goals in the first half. Then, the Kicks buckled up in the second stanza and held Jackson Baptist scoreless.

The defense was led by Chris Burkhalter as goalie while Greg Ackley, Jon Goderis, Dave Hutting and John Wilcox, as fullbacks, did a great job holding back a number of Jackson's hard, fast attacks.

As the time in the second half was running out, Roberto Castillo, a foreign exchange student from Mexico, scored the Kicks' first goal. The Kicks were down, 3-1, with only 15 minutes remaining. The offense started to move as Tom Vandervoort had a fast break and Dave Lange and Vince Salyer started to put pressure on Jackson's defense.

This allowed Salyer to score two quick goals and, at the end of the second half, the score was tied at 3-all. Both coaches agreed to go into two five-minute periods of overtime though neither team was able to score and the game remained tied at 3-all.

MARY BACON, a senior at Chelsea High school broke the existing Chelsea diving record last week with a 208-85 performance. Mary will qualify for the diving regionals in early December and the State Championships later that week. Following graduation this spring, Mary will be attending college in hopes of entering the law enforcement field.

## JV Lady Cagers Win 3 of Last 4

Chelsea's junior varsity girls basketball team chalked up three wins in their last four outings with a come-from-behind victory over Lincoln, 32-28, last week. The win raised their season record to 5-3 over-all and 4-2 in the league.

Against Lincoln, Chelsea fell behind by six at the end of the first quarter, 12-6. The deficit remained the same at the end of the half as Lincoln held an 18-12 lead. At the end of the third quarter, Chelsea was behind, 27-21.

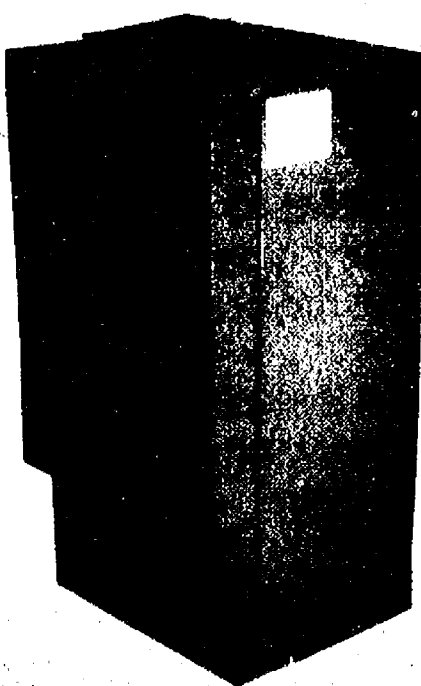

In the fourth quarter, Chelsea staged a furious rally, outscoring

the Railsplitters, 11-1. The attack was led by sophomore co-captain Karla Peterson who garnered eight points in the quarter.

Pacing the team was Peterson with 18 points while Samantha Collinsworth had seven, Joann Tobin three and Carol Warren and Anne Weber each added two. Rebounding for the JV Bulldogs were Tobin with 13 and Warren with eight.

Since a San Francisco jewelry store engaged a tarantula to guard the premises, break-ins have fallen off dramatically.

RUSSELL HARRIS takes a hand-off from quarter-back David Wojcicki and bursts through a hole in the Dreadnaught defense Friday night enroute to a Bulldog first down with goal to go status. Chelsea totally dominated the league contest between the arch-rivals,

securing its fourth consecutive victory and handing Dexter its third season loss. Despite some improvement in Dexter's defense, Chelsea was able to capitalize of each of the Dreadnaughts' mistakes, scoring more points against the Dexter defense than against any team met this season.

Final score of the evening was 33-0, spolling Dexter's home advantage and securing Chelsea's lead in the Southeastern Conference championship race. The Bulldogs, having made a complete turn-around from one year ago, will take on the defending SEC champion Saline

Hornets Friday night in a battle of who is to become the 1981 SEC football champs. Saline is undefeated in league play this season though one non-conference loss mars the Hornets' record while Chelsea has a perfect season slate.

## 8th Grade Girl Cagers Split With Dexter, Milan

The eighth grade girls basketball team traveled to Dexter Wednesday to find a tall and quick Dreadnaught team. The Bullpups came out to a quick start, picking up a great many rebounds, passing well and finding the basket to gain a 17-12 lead at half-time.

The third quarter proved to be tough for Chelsea as Dexter outscored the Bullpups, 11-0, and took a 23-17 lead into the fourth quarter.

The Bullpups played a tough fourth quarter but could only gain back four of the six-point deficit, losing the game, 23-25.

High scorer for the game was Jennifer Cattell with nine points. Jennifer Cattell scored six points and Chris Defant and Kelly Fletcher contributed four apiece.

The Bullpups came back from their disappointing loss to defeat Milan, 31-18. Chelsea completely dominated the game with quick, aggressive defense while Milan suffered from a shooting slump. The girls held Milan scoreless in the first quarter, gaining a five-point lead with Jenny Cattell scoring four points. In the second quarter, with Kris Mattoff

leading the offense, the Bullpups upped their lead to nine points.

Milan came out hustling in the third quarter but Chelsea maintained its control with Michelle Easton leading the offense with four points, assisting in a 22-11 lead going into the final segment of the game. The fourth quarter was filled with scoring for both teams, 9-7, with Chelsea coming out on top, 31-17.

High scorer was Jennifer Cattell with seven points followed closely by Kris Mattoff with six points. Michelle Easton, Chris Defant and Laura Nix each contributed four points, Jackie Boosey and Donna Bruck each scored two points and Kristi Headrick and Amy Wolfgang each had one point. Kristi Headrick and Kelly Fletcher led the rebounding with six and five rebounds, respectively.

The Bullpups' next game is on Wednesday at Saline at 4 p.m.

CUTTING WIDE TO THE RIGHT, Russell Harris clutches the ball and attempts to avoid a Dreadnaught-inflicted penalty during Friday night football action at Dexter. The Bulldogs, now 19th in the state according to an Associated Press poll of class B schools, maintained their perfect season slate Friday, routing Dexter, 33-0. Despite an improvement in the Dreadnaught defense, Chelsea appeared to hit pay dirt with each mistake the opposing team made. Dexter's only scoring threat came near the end of the first half and the attack was shut down. From there, the game was virtually over as Chelsea capitalized on their speed, prowess and obvious skill.

## SEC ROUND-UP:

# Saline Rallies in 4th Quarter To Defeat Lincoln, 28-21

### Saline 28, Lincoln 21

The game was a thriller and, late in the fourth quarter, Saline's Hornets tore into the Lincoln end zone to up the score and take home a well-deserved victory. The defending Southeastern Conference champions remain tied with Chelsea for the SEC lead this season.

It was a frantic come-from-behind victory as the Hornets tallied more than 20 fourth quarter points to remain unbeaten this year. They are now 3-0 in the league and 3-2 over-all. At the half, Lincoln was ahead 14-6, but as the fourth quarter began, the Hornets staged their impressive attack of 22 points while the Railsplitters could only add seven of their own.

### Chelsea 33, Dexter 0

Dexter's offense and defense had a few problems Friday night and the undefeated Chelsea Bulldogs capitalized on each one as the Chelsea team rolled over the Dreadnaughts, 33-0.

Scoring two touchdowns for the Chelsea team was Craig Olmsted who also intercepted a Dexter pass and helped Chelsea take a 14-0 lead into half-time. John Preston also scored two touchdowns for the Bulldogs while Rod Robeson came across from eight yards out to cap the Chelsea victory.

Chelsea and Saline now remain tied in first place in the Southeastern Conference.

## Soccer Team Defeats Lakeland

The Chelsea Kicks bounced back from their tie with Jackson Sunday afternoon by defeating Lakeland High school, 14-0. John Mitchell and Tom VanderVoort were the leading scorers with four goals each. Vince Salyer added three and Robert Castillo, Brian Ackley and John Wilcox each added a single goal. Tim Pennington, John Mitchell and Vince Salyer each had an assist while Brian Ackley had six assists.

The Kicks will play Lakeland away on Tuesday with Pioneer High school traveling to Chelsea on Friday. The game will start at 5 p.m. and will be played at Beach Middle school.

### Dundee 19, Milan 6

At Dundee, Milan remained winless following a mistake-riddled non-conference game Friday night. Dundee, with the home advantage, won handily, 19-6.

The loss was Milan's fifth this season, and like the other times, the Big Reds fell behind early. Milan was able to tally just under 100 yards total offense.

### Tecumseh 35, Western 12

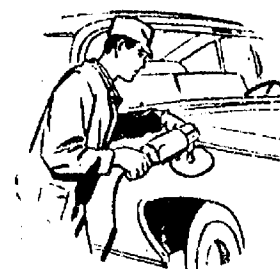

At Parma Friday night, Western continued on its winless route as the Tecumseh Indians crushed the Panthers, 35-12. Tecumseh is now 2-1 in the conference and still a candidate in the running for the league cham-

pionship, third in the line-up behind Chelsea at 4-0 and Saline at 3-0.

Without playing with all-region running back Mark Van Buren, the Indians were able to compile 348 yards on the ground. Tecumseh held a 14-12 lead at the half but exploded for 21 points in the second half, stopping Western's attack.

## COMPARISON SHOPPING

When a person buys a car, he usually shops around, comparing makes, models, dealers, and above all, prices. Most homes are bought the same way; that's why Realtors have all those thick books with sheets showing photos, descriptions, and prices of homes for sale. Prospective home buyers look through these books and decide which ones seem to fit their needs and wants; when they find something that interests them, they'll go out and look at it.

People who try to sell their own homes are limited in this respect. They can't, for example, compare the price they're asking with the price of HUNDREDS of other seemingly

similar homes. The price MIGHT be very fair—possibly lower than others—but how is the prospect going to know this if he can't compare it with others? This is another reason why a Realtor can do a better, faster, and more efficient job of selling your home. With his pricing knowledge, he can turn the technique of comparison shopping into a STRONG sales "tool!"

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8881; evenings 475-2821. We're here to help!

## Lady Cagers Win Over Lincoln, 49-36

Chelsea's lady Bulldog cagers defeated Lincoln Thursday at Lincoln. The lady Bulldogs came away with a convincing 49-36 win over the Railsplitters.

Scoring for Chelsea were Amy Unterbrink with 19 points and 18 rebounds, Missi Lazarz with 10 points and 10 rebounds, Karen Kiel with six, Amy Hume, Amy Poljan and Shelly Weber with four points apiece, and Beth Unterbrink with two points. Weber also committed five important steals to aid the victors.

The game began with Chelsea looking strong, taking command and securing a lead based on 11 free throw opportunities in the first stanza. To maintain their advantage, the Bulldogs forced Lincoln to play defensively; the quick, aggressive team committed a number of fouls, and at the end of the first quarter, Chelsea led, 17-8, eight points of which came from the foul line.

In the second quarter, the Railsplitters came back and attempted to make the Bulldogs play their style of fast basketball. This move helped Lincoln begin to catch up, scoring six points and

holding the Bulldogs to none until Chelsea came around. By the end of the half, Chelsea still led, 27-18.

After intermission, Chelsea came back onto the court to face a great deal of defensive pressure. Lincoln, unwilling to allow Chelsea an easy victory, forced the Bulldogs to throw the ball away more than usual. Foul trouble became a major concern for the Railsplitters and Chelsea was able to maintain a lead at the end of the quarter. The Bulldogs still held a 39-31 advantage.

Chelsea slowed the game down in the fourth quarter and forced Lincoln to play defensively, resulting in a Bulldog league victory, their second of the season. The deciding factor in Chelsea's contest was their success at the free throw line, as the lady Bulldogs made good on 27 of 38 attempts. Amy Unterbrink was successful on 13 of her 18 opportunities. Lincoln, on the other hand, could score just four points in 14 chances at the foul line.

Chelsea's record now stands at 4-4 over-all and 2-4 in the league with half of the league season now completed.

## 7th Grade Girl Cagers Lose To Milan

The Chelsea seventh grade girls basketball team was stymied by the Milan defense and was held to just 15 points last week, their lowest offensive output of the season.

Chelsea came back in the third quarter, after trailing, 11-6, at half-time and took a one-point lead into the final stanza. After exchanging baskets early in the fourth quarter, Milan connected on three big baskets late in the game to take the victory.

Sallie Wilson scored four points, Pam Brown added three, Kathryn Morgan, Chris Zerkel and Kim Ferry each had two. Jodi Keezer and Trisha Mattoff each connected on one free throw. Chris Zerkel pulled down 12 rebounds and Kelly Ghent had six and numerous steals.

Chelsea is now 2-1 and hard at work preparing for a tough Saline team and a game Wednesday.

## Special Olympic Football Players Defeat High Point

On Friday, Oct. 9, Chelsea High school's Special Olympians traveled to High Point Center for a flag football game. The team was coached by Mark Boote.

Two touchdowns were scored by Jay Curry, one by Edward Davis and one by Dennis Czechowski. Mike Goebel kicked one extra point and Dennis Czechowski kicked another. Edward Davis picked up a pair on a two-point conversion.

Great defense was provided by Walter Lewis, Clarence Weiss and Jay Curry. Czechowski also had a pass interception. Others who played were Donald Ellery, Albert Bedard, Mike Foster, Dawn Stancato and Linda Alber. Cheerleaders for the event were Nancy Cooper and Ann Boote.

## Tennis Team Loses Two

The Chelsea girls tennis team was defeated twice last week, losing to both Saline and Jackson Lumen Christi by a score of 7-0.

The only close match was between Carolyn Chandler and Kelly Knepper of Saline. Knepper won, 7-5, 7-6.

Chandler also played a fine match at Lumen Christi. She competed against Jackie Lefere, a senior who won the first set, 6-3. Carolyn came back to win the second set, 6-2, but Lefere rallied back in the final set and won, 6-3.

According to Coach Terri Schreiner, "The girls have been hampered by illness and couldn't put up much of a fight. They can play much better but seem to choke in the clutch. This is," according to Schreiner, "mainly due to their inexperience."

# First Travel Film On New Zealand

The Chelsea Kiwanis Club, in its 21st year of presenting the documentary "Travel and Adventure Series," will kick off its 1981 season Saturday, Oct. 24 with Walter S. Dodson's program on "Bountiful New Zealand."

Walter Dodson

Walter S. Dodson, born and educated in England, enlisted in the British army in 1939, served in France and Belgium, escaped Dunkirk, and subsequently spent five years in the Middle East where he met his wife, Margot. In 1949, he moved his family to the U.S. and obtained a position as a chief engineer, practicing photography and cinematography part-time. His professional cinematography experience and enjoyment of meeting people of different countries induced him to become a full-time travelogue artist. His excellent training and professional photography make his personally narrated films intriguing and unusual.

New Zealand has often been called a "world in microcosm"

because of its variety of scenic wonders. Beaches, glaciers, mountains and tropical forests are all a part of New Zealand's geographic bounty.

New Zealanders have preserved, to a large extent, the customs and traditions of England. They are characterized by a love of home life and hospitality, so be ready for a friendly welcome to exciting cities and delightful countryside.

Auckland, with her extensive harbors and cosmopolitan flair, presents an opportunity to see fabulous Parnell Rose Garden, Cornwall Park and Tamaki Drive.

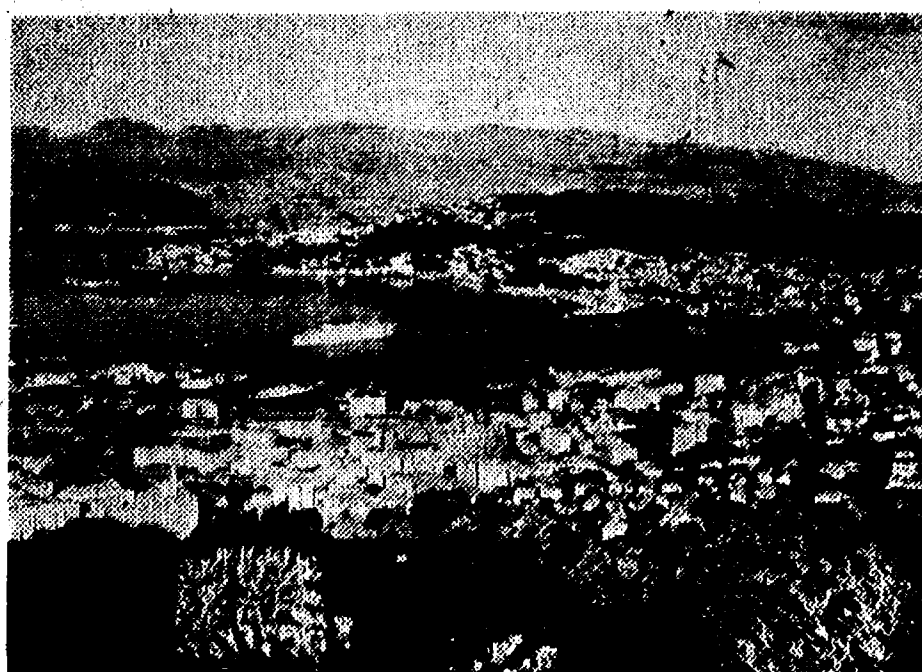

New Zealand's largest inland city, Hamilton, is interesting for its many examples of modern agriculture. Spend a day with a typical New Zealand family on their 50-acre farm. Watch the sheep dog trails at nearby Ohingaiti.

Rotorua, New Zealand's "Yellowstone," is famous for thermal activity and the conscientious preservation of the native Maori culture. Watch Maori crafts live woodcarving, jewelry making and a Maori Concert. Close by is Lake Taupo, where rainbow trout make it a sportsman's paradise.

In the capital city of Wellington, take a look at a Maori family's daily life in a big city. Accept an invitation to a colorful wedding reception and feast.

Christchurch, Dunedin, Queenstown and Nelson all abound with strong British tradition mixed with typical New Zealand hospitality.

Roaming the South Island, Milford Sound, Mitre Peak, Bowen Falls and Mount Cook offer spectacular vistas and exemplify the versatile beauty of this charming country.

Wellington, New Zealand

New Zealand is bursting with surprises, discover them with Sid Dodson as your guide.

## Governor Says October To Be 'Co-op Month'

Governor William G. Milliken, in ceremonies Sept. 29 at the state capitol, officially declared October as "Co-op Month" in Michigan.

In his declaration, the governor stated that "through co-operatives, members are able to secure benefits and services for themselves and their neighbors as well as to stimulate a significant segment of the state's economy. In addition, the co-operative movement provides the opportunities for members to develop their talents and leadership abilities and establishes a group of people capable and willing to serve the community at the local, state and national levels."

More than 40,000 co-operatives and their 50 million members nationwide will observe Co-operative Month by holding special meetings, open houses and media promotions. The theme for this year's observance is "Co-operatives—Building a Better America."

## Automated Elbow Grease

The rotary washing machine was patented long before such machines were electric. Hamilton Erastus Smith gained a patent for a device which used a hand crank, causing a perforated cylinder within a wooden shell to revolve, turning and washing clothes at the same time. The many fascinations of early domestic living are part of the lure at Henry Ford Museum in Dearborn, which houses a wide array of household helpers in its collections, including a c.1860 "Standard Perfection" rocker type washing machine and a c. 1899 "Boss" washer.

## Letters to the Editor

To the Editor:

The following chart shows how county taxes have increased to the taxpayer in the past 10 years. Notice that even in the years millage was reduced actual tax dollars increased substantially.

WASHTENAW COUNTY TAXES			
Year	State Equalized Property Value	County Millage Rate	Total Taxes Levied
1970	\$1,210,113,881	5.61	\$ 6,768,739
1971	1,311,645,362	5.62	7,371,447
1972	1,427,507,694	5.60	7,994,043
1973	1,559,616,236	5.8381	9,105,196
1974	1,757,519,130	6.4710	11,372,906
1975	1,918,241,701	6.539475	12,544,294
1976	1,817,230,348	6.5849954	11,966,453
1977	1,980,227,773	6.739212	12,859,952
1978	2,109,067,773	6.463035	13,630,979
1979	2,351,348,527	6.140256	14,437,882
1980	2,730,410,472	6.140256	16,765,419

The County Administrator is presently recommending an increase in operating revenues. Some commissioners favor leaving the millage as it is. Resolutions to reduce millage were defeated. Therefore you can assume that you will be paying more county tax dollars.

The Administrator's recommendation would bring in 18% more total tax dollars than last year (\$3 million) which will affect all of you. Leaving the millage the same as 1981 would increase the total amount paid by the taxpayers 13% (\$2 million) more than last year. How many of you have received an 18% increase in salary or even a 13% increase in salary in the last year? Only a millage decrease would leave county taxes as they are now.

It has been stated publicly by several of the County Commissioners that no one has complained about increased taxes to them and therefore the taxpayers agree with the increases over the years.

When are the taxpayers going to inform their indifferent commissioners that they cannot and will not tolerate another tax increase? Margaret O'Connor  
County Commissioner, District 3-

### Reduced Acreage Set

### For '82 Wheat Crop

Secretary of Agriculture John R. Block today announced his intentions to implement a 15 percent "reduced acreage" program for the 1982 wheat crop to offset the effects of record supplied and depressed wheat prices.

Program operating procedures will be issued after pending farm legislation is enacted into law.

"Wheat supplies in the United States are 14 percent above last year," Block said. "The carryover next June is expected to exceed one billion bushels, the highest level since 1977-78. The reduced acreage program will strengthen prices by reducing the 1982-83 marketing year supplies."

Block said the increase in supplies and decrease in prices is the result of two successive record U.S. wheat crops and a record-setting 1981 world harvest.

The program will be voluntary so producers can decide for themselves, based on market conditions, whether they want to participate. Program benefits, however, will be tied to participation.

## Senior Citizens Have World's Fair Trip Offer

Interested Chelsea senior citizens haven't much time to decide whether or not they'd like to attend the 1982 World's Fair in Knoxville, Ky. A \$25 refundable deposit is due on or before Thursday, Oct. 15.

The Senior Citizens Activity Center has reached agreement with a travel agency and the firm will hold seating on two buses only until this Thursday unless the initial \$25 payment per seat is submitted. Nevertheless, this \$25 fee is refundable until Jan. 1, 1982 when a second payment of \$50 will be due. Final payment for the World's Fair trip must be made by April 26.

The trip is scheduled for Sept. 9, 10, 11 and 12 and the tour price of \$339 is based on charter bus travel and double occupancy at a Holiday Inn in the immediate area.

Included in the tour price is round trip charter bus fare, five days and four nights of accommodations, hotel and occupancy tax, maid gratuities, welcome champagne party on the night of arrival, full American breakfast daily featuring eggs, sausage, bacon, hash browns, toast, juice, milk and home-made rolls, gala dinner on the evening of arrival, a half-day sightseeing tour featuring such sights as the American Museum of Science and Energy, the graphite reactor and the Greenwich Village West craft studios. One evening outing to the famous private Indian River boat club will include dancing and a full gambling casino, a

bingo party on the last evening and two days admission to the World's Fair.

Interested senior citizens who would like to participate in this five-day excursion should contact the Senior Citizen Center at 475-9242 and submit a \$25 deposit by Thursday.

## Research Shows What Americans Are Eating Now

Last year, the average American ate 1,402 pounds of food, but paid proportionately less for it than in 1960. According to a USDA study, about 20 cents of each dollar of disposable income went for food in 1960. Last year, food took about 16 cents of the disposable dollar.

In the last 20 years, shifts in consumption patterns affected many products. Beef consumption was up 21 percent, from 64.3 pounds to 78.1 pounds. Chicken consumption went up from 27.8 pounds per person in 1960 to 51.2 pounds in 1980, an 84 percent increase. Cheese consumption went from 8.3 pounds to 17.9 pounds, an increase of 116 percent.

Potatoes dropped from 80.4 pounds per person in 1960 to 44.4 in 1980, down 45 percent. Egg consumption declined 17 percent, from 42.4 pounds to 35.4. All fluid milk consumption decreased from 290 pounds per capita in 1960 to 243 pounds last year.

Check your tire's tread depth about every three months. Unusual tread wear patterns could indicate suspension problems. Measure the tread depth across the width of the tire in several places and you may spot uneven wear before the tread is completely worn away.

## Invest in Your Community— Keep Your All-Savers Funds in Chelsea!

Before you buy your All-Savers Certificates from a Broker who will put your money in a bank in Missouri, Pennsylvania, or California, we want you to consider this:

When you purchase an All-Savers Certificate from an independent, locally owned and locally managed bank like Ann Arbor Trust, you're providing funds that will be reinvested through loans to people and businesses in this community. In this economic climate, that's important!

Also keep in mind that all financial institutions must pay the same rate of interest on the All-Savers Certificate — *you can't earn more interest anywhere else!*

So, come to Ann Arbor Trust — you'll be investing in your community.
