ONE HUNDRED-TWELFTH YEAR—No. 21

CHELSEA, MICHIGAN, TUESDAY, OCTOBER 27, 1981

18 Pages This Week Supplement

UNITED WAY SOLICITORS: Included among a list of persons helping raise funds for this year's United Way campaign are, from left, Bill Porter, Lynn Hannah, Jerry Ashby, Colleen Houle, Mark Heydlauff and Warren McArthur. With help from these and other solicitors Chelsea United Way reached 51 percent of its goal following its third week. The campaign, now at \$24,289.30, will conclude Friday, Oct. 30.

CHS Band Programs Under New Director, Bill Gourley

Bill Gourley, Chelsea High school's new band director, came to Chelsea after five years as the director of the Dundee band program. From a field of 50-plus applicants, Gourley was selected to take the place of Steve Bergmann who resigned at the close of the 1980 school year.

Gourley was born in Chicago, went to high school in Bay City and studied for his degree in music at Michigan State University. His early music training began at the age of five when he studied the accordion. His major instrument is the trumpet.

In addition to his formal education, Gourley, was in the army for one and one-half years where he rose to the position of infantry sergeant in Vietnam.

He has been married for nine years to Shirley who teaches kindergarten in Dundee. They have a son, Jason, age two.

Gourley and his family still live in Dundee and anticipate eventually moving to the Chelsea area.

Since accepting his position as band director at Chelsea High school, Gourley has changed the marching style of his performers to incorporate soft curved lines as opposed to rigid angles. The music, in turn, is more challenging, the assignments, more sophisticated and the patterns of movement affords much flexibility and broadens the literature.

A major factor in his decision to come to Chelsea was the willingness of the students to achieve, their strong desire to achieve and their ability to excel. Gourley's style differs philosophically with that of his predecessor in that the band's performances are a hybrid of all music. During half-time, the band performs a mini-concert of various musical types.

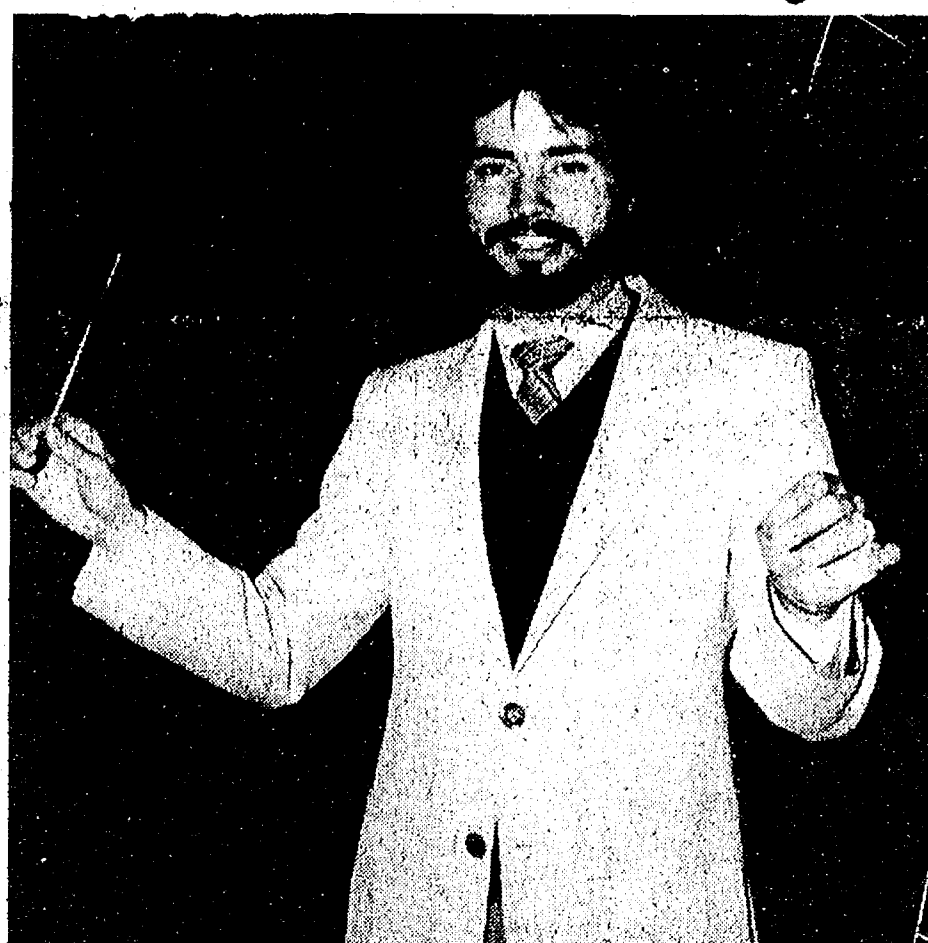

According to Gourley, both he and Bergmann demand the same sorts of things from their students though their approaches are different. The attitude to challenge the students is there.

The transition from Chelsea band a la Bergmann to Chelsea band a la Gourley has been a smooth one attributable, in part, to the supportive attitudes of the parents with students in the band program.

School District Employees Professional Development Day Postponed to Nov. 11

The Nov. 4 Professional Development Day for Chelsea School District employees has been postponed to Wednesday, Nov. 11. School will be dismissed at 11:30 a.m. to allow all school district employees to attend a professional development session.

Ned Hubbell, formerly of Hubbell Associates and currently with the State Department, will present a session on communicating to the public to the Chelsea employees.

NEW BAND DIRECTOR: Hailing from Dundee where he directed the band program for five years, Bill Gourley accepted the position left by the resignation of Steven Bergmann at the end of the 1980 school year. Since the beginning of the school year, Gourley has changed the marching style of the CHS band which has, in turn, made the music more challenging. The band, under his direction, continued its dedicated superior ways, receiving a Division I superior rating at district festival in mid-October.

SEVA Sight Trek Team Nearing Goal

In early June, four volunteer hikers began their 3,000-mile Sight Trek from Canada to Mexico. As of Monday, Oct. 19, the group was resting in New Mexico, less than 500 miles from their intended destination.

In a telephone call from trekker Pat Ball to The Chelsea Standard office, she explained that "all is well and we're making cookies today to take back out on the trail."

Each member of the group is anxious to complete the long haul, something "we didn't really think we would be able to do," according to Pat who is especially anxious as she plans her marriage to Don Bauer of Ann Arbor. Bauer will meet the group in Santa Fe where he and Pat will marry during the last week of November.

The quartet of Michigan sight trekkers will break unofficially as Pat returns to Michigan to plan her wedding. She will then return to the group, marry and complete the 3,000-mile walk to help raise funds for the needlessly blind inhabitants of Nepal.

The trekkers—David Kahn, Pat Ball, Stewart Merritt and Clarke Ball—are hiking down the Continental Divide to raise funds for SEVA Foundation. As of Oct. 19, Pat explained that she and her male travel companions had raised in excess of \$30,000 for the SEVA cause.

Their 3,000-mile walk for sight is anticipated to end on schedule

in late November despite some inclement weather and other minor difficulties.

Four months ago, the sight trekkers had no real idea that they'd make it, that they'd get along together out on the trails. That was then but now, traveling an average of 15 to 20 miles per day, the group is anticipating the completion of their journey, an event important not only to the SEVA Foundation but also to each of the trekkers.

CHS Drama Class Holding Cast Tryouts

After much consultation between Bill Coelius, producer, and Phil Powers, director, "The Teahouse of the August Moon," has been selected as the 1981 stage and drama class play.

The story pursues the career of an Army of Occupation officer stationed in a remote town in Okinawa soon after World War II. His duty is to teach democracy to the natives. But, the young officer has not prepared himself for the ingenious charm of the people and, within a matter of days, he not only finds himself the owner of a Grade A geisha girl, but the materials that he was ordered to use for the construction of a

Marching Band Tops In District

All the long hours of hard work paid off for the Chelsea High school Marching Band as they received a superior I rating at the District Marching Band Festival on Oct. 13. The festival, held at Ypsilanti High school, included 12 bands from the District 12 area.

Each band was evaluated by three adjudicators in the areas of showmanship, marching and music. The final rating was determined by averaging the division ratings given by each judge and subtracting any penalty points for timing violations, dropped equipment and the like.

The festival marked the first time that the Chelsea Marching Band, under the direction of William Gourley, competed with its new style of marching called "corps."

UAW Votes Down Offer At Rockwell

Following a vote by members of the UAW on Friday, Oct. 23, the contract offered to the union by the potential buyer of the Chelsea Rockwell International plant, was rejected 100 percent, according to Harold Salyer.

According to Salyer, had the union agreed to the offer presented by Edward Kotemayer of American Broach, only 27 of the approximately 60 persons employed would have remained at work. Too, had the contract been approved, workers "could not have lived off" the wages and benefits to be provided.

As announced last week, if an agreement could be reached between Rockwell and the potential buyer and the UAW and a new contract between the buyer and the union was ratified by Nov. 1, 1981, the sale would be completed and the facility and its business operations would be maintained in the Chelsea plant. If an agreement could not be reached by that date, the plant would be closed, effective Feb. 1, 1982.

Rockwell will close as of Feb. 1 and workers employed there will be entitled to transfer opportunities at hiring Rockwell plants.

United Way Campaign Hits 51% With Only Four Days Remaining

Following its weekly report of United Way progress in Chelsea, chairman Don Peck reports that a total of \$24,289.30 has been collected since the first week of October. This is 51 percent of the local campaign's goal.

This week's contributions were based on increases in the mail campaign and donations from merchants, professionals, schools and the like. No heavy industry pledges are included in this tally.

The Chelsea United Way campaign for \$47,850 will end officially Friday, Oct. 30. "This is a learning year for us," Peck explains regarding changes in collection processes. "The money is out there. We need to take the right approach and make the right appeal to reach our goal," he concluded.

The third week's collections are up by a total of \$3,651.50 over the preceding week's total of \$20,637.80.

Essential in making the local United Way campaign a success is community support and generosity. Without that, Chelsea Home Meals may not be able to continue the same services to the aged and disabled Chelsea citizens, Chelsea Area Transportation Service may not be able to provide the same quality of

transportation to local senior citizens, Chelsea Social Services may not be able to provide emergency food, clothing and money in times of crisis and without sincere community support, Chelsea Recreation Council may not be able to provide local youth with the current recreational programs.

This United Way campaign is for the each resident, for each

family. It is, according to Don Peck, "The best investment that you can make in your community."

In a public appeal, Peck encourages those persons who have not yet contributed to this year's local campaign to send their pledges, accompanied with the contributor's name and address to Chelsea United Way, P. O. Box 176, Chelsea.

Kiddies Halloween Party Is Saturday

Ghosts, goblins and eery creatures that go bump in the night will co-mingle with local children dressed in their Halloween finery beginning at 4:30 p.m. Saturday, Oct. 31 when the annual Chelsea Kiwanis-sponsored Halloween schedule of events begins.

Until 6 p.m., local children of all ages will scurry up and down the streets of the village seeking treats and playing tricks to earn their sugar-coated rewards. After collecting as much of the coveted Halloween candy as each and every one possibly can, the terrifyingly-costumed youngsters will gather en masse at the Municipal Parking Lot for costume judging and preparation for their horror-filled procession

through town. Assembly for the costume judging begins at 6 p.m.

From 6:30 p.m. to 7 p.m., the unearthly parade will make its ghastly march throughout the village. Re-assembly at the Municipal Parking lot for costume-judging results and awards of prizes will follow as will cider and doughnut refreshments.

Thereafter, a trip to Chelsea McDonald's is open for all wishing to participate. This final journey will mark the close of the 1981 Halloween festivities as the bizarrely dressed children have their candy collections inspected by members of the Chelsea Police Department from 7 p.m. to 8:30 p.m.

Orchestra Concert Slated Wednesday

The Chelsea High school symphony orchestra and Beach Middle school seventh and eighth grade orchestras will present their first concert of the 1981-82 school year on Wednesday, Oct. 28, at 7:30 p.m. in the Chelsea High school auditorium.

Under the direction of Kevin Miller, the orchestras will perform a wide variety of musical selections. Among them are Brandenbug Concerto No. 3 by J. S. Bach, Symphonette by James Hook, the overture to

Messiah by G. F. Handel and the Simple Symphony by Benjamin Britten.

At the end of the concert, the three orchestras will combine for four numbers. This will bring together more than 50 string players.

Preceding the concert will be a pot-luck dinner in the high school cafeteria for the families of the orchestra members. This will begin at 6 p.m.

There is no admission charge for the concert.

Chain Reaction Damages 4 Vehicles on Overpass

It was only a matter of time before some sort of traffic accident occurred on the I-94 overpass at Fletcher Rd. Well, that accident occurred at 3 p.m. Tuesday Oct. 22 as Stephen B. Pfost of Adrian managed to damage four vehicles at the crossing.

According to Sheriff Department reports, Pfost was traveling eastbound on Fletcher Rd. as was Corinne Childs who had stopped for a red traffic light. Pfost passed Childs and drove through the red light to the middle of the bridge where he observed several cars coming toward him. He put his car in reverse and, at a high rate of speed, traveled across the

bridge, losing control of his vehicle, a Chevrolet pick-up. Pfost slammed on his brakes, skidded into Childs' car, a Plymouth Horizon. The Horizon was forced into a 1978 Chevy Suburban, owned by the State of Michigan and parked on the shoulder of the road. Simultaneously, the momentum forced the right front of Childs' car into the tailgate of a fourth vehicle parked in front of the state car.

Pfost explained to Sheriff Deputy Joe Yekulis that his "accelerator stuck." He was cited for careless driving and expired license plates.

SEE FOR YOURSELF: Every so often, various members of the community are invited to participate in a tour of the Chelsea High school campus and attend a luncheon with Superintendent Ray Van Meer. In the See For Yourself pro-

gram last week, touring the Chelsea facility were, from left, Bob Porter of Great Lakes Federal Savings, the Rev. Thode Thodeson of Chelsea Baptist church, guide Pat Powers, and the Rev. and Mrs. John Morris of Zion Lutheran church.

State Budget Subject of \$270 Million Cut

With less than a month gone in the state's new fiscal year, the legislature will be asked to ax the budget by \$270 million reflecting the continual downturn of the economy and loss of revenues to the state's general fund.

The new cut also comes only weeks after the past fiscal year's budget was balanced with an \$80 million cut which hit education and local revenues hard.

The latest cut was increased by about \$80 million with a late decision to change Medicaid accounting to maintain a respectable financial reputation of the state in the bonding markets.

Meanwhile, budget officials say they hope the cuts will not have to be increased further but they admit that recent dismal automobile sales figures provide little optimism that the current revenue projections will hold true.

On another front, Governor William G. Milliken will take to the state-wide television airways with a rare appearance to make the state's financial woes known to the public.

Upon cutting the current budget by the proposed \$270 million, the state's general fund spending will be only 5.3 percent over the 1980-81 spending level which, in turn, was 5 percent lower than 1979-80 spending.

Management and Budget Director Gerald Miller noted the cut will be the largest single such order in the state's history. The prior record was \$124 million in 1974-75.

"If I had a magic wand, I would make it bigger because of continuing budget uncertainties," he said and added he would bring

the general fund spending down to \$4,775 million.

The largest cut in the preliminary order presented to legislators is \$152 million from the Department of Social Services. This would be achieved largely through cutting monthly grant levels by at least 5 percent.

Other state departments would be cut an average of 8 percent for a \$87 million savings: four-year colleges and universities would be cut 3 percent for a \$20 million savings.

Grants to students in private colleges would be cut 6 percent, including \$4.1 million (3 percent) from community colleges, \$13.2 million (2 percent) in revenue sharing funds to counties, cities, villages and townships and \$15.1 million (4/10 of 1 percent) in K-12 schools.

Miller said the department cuts will mean "considerable" additional employee layoffs system-wide.

Officials hope that by acting early in the fiscal year, attrition can take care of part of the employee cutbacks.

Robert Kleine, director of the Office of Revenue and Tax Analysis, said continued high interest rates are continuing to depress the automobile industry. He added, however, he believed the University of Michigan forecast of a 9 million unit sales year as a little pessimistic.

He noted such a forecast would mean state revenues would be another \$100 million lower than expected. He added his department is predicting sale of 9.5 to 10 million units.

The first city-wide general strike took place in Seattle, in 1919, when approximately 60,000 workers refused to go to work in support of striking metal trades' workers seeking a wage increase, according to a U.S. Department of Labor publication, "Labor Firsts in America."

Yours truly,
Uncle Lew.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ed Doolittle told the fellers at the country store Saturday night that he didn't rightly know why, but he was puzzled by that item in the papers the other day about Israel importing alligators. Partly, Ed said, it looks to him like that little country has got enough trouble without buying more. To hear them tell it, Israel has got all kinds of dangerous beasts biting from every side, so the last thing they need is more biting on the inside.

The piece told where 120 Florida gators had been shipped by airplane first class to a swamp on the Nile River. The Israel alligator expert that come over here to buy em and ride home with em said they had gaters up to 80 year ago, but all of em had been killed off by hunters. He said they was hoping to build the swamp's gater population back up. Ed told the fellers he had studied the situation up one side and down the other, and the best he could figger they wanted them gaters to show their children what can happen if you drop your guard and start trusting anybody or anything. What brung him to this line of thinking, Ed went on, was what the Israel alligator expert said. When he visited his new stock on a alligator farm in Belle Glade he said "you can feed one of them every day fer 50 year and he'd still bite your arm off first chanct he got." He noted that the feller in Florida that raised the gaters had the nubs of three fingers to remind him of that.

Practical speaking, declared Ed, what that feller said has been Israel's key to survival since the country was started this last time. So Ed figgers that's the lesson, allus treat alligators like alligators. Ed was reminded of the feller that found the snake in the snow, froze stiff as a stick. He brought the varmint in by the fire and the first thing it done when it thawed out was bite the hand that saved it. The bit feller complained that the snake ought to show some gratitude, but the snake told him it was his fault, because he knowed the snake was a snake when he picked it up.

School Board Briefs

At a regular meeting of the Chelsea Board of Education Monday, Oct. 19, present were: Feeney, Schumann, Heller, Dils, Grau, Superintendent Van Meer, Assistant Principal Vogel, Community Education Director Rogers, Athletic Director Nemeth, guests.

Meeting called to order at 8:00 p.m. by President Ann Feeney. Board approved the minutes of the Oct. 5 meeting.

The Board approved a resolution revising the budget that the Board had previously approved in July. The Uniform Budgeting Act necessitated the Board's revising the budget to reflect additional revenue and additional expenditures. The budget revenue will be \$6,733,403; expenditures will be \$6,599,359. The largest difference in the revenue and expenditure part of the budget is due to increased interest costs, increased interest income, and increased costs for Blue Cross premiums.

Superintendent Van Meer updated the Board on the status of contesting the residency of students at St. Louis school. He reviewed with the Board the position of the Attorney General, who had directed the State Department of Education to properly ascertain the residency of students living at the school. The Chelsea-School District is contesting the educational rights of privately-placed students. Chelsea is educating agency-placed students and students 18 years of age or older.

The County School Officers will hold a meeting on Oct. 29 at 7:30 p.m. at WISD. The topic is "Where Will Computers Fit in Education?"

Superintendent Van Meer read a communication from Sue Carter, Testing Co-ordinator, indicating that Chelsea has six National Merit semi-finalists. This is a large number for a school district the size of Chelsea.

Board adjourned at 9:45 p.m.

Saline Area Players will present the tragic human drama "The Diary of Ann Frank" at Saline High School Auditorium on Friday, Nov. 6 and Sat., Nov. 7 at 8 p.m. Tickets may be purchased in advance from the Great Lakes Federal Bank Branch in Saline. Dexter Artist's Work At Loft Open House

Cathy McClung's love of nature and natural artistic talent has won her a number of wildlife art awards in recent months. The work of this Dexter artist will be the feature of an open house held by The Loft Frame and Art Gallery in Chelsea. Cathy's originals as well as her limited edition prints will be available at The Loft, 107 1/2 S. Main St., Chelsea, Saturday, Oct. 31 and Sunday, Nov. 1, from noon to 5 p.m.

Cathy's unusual technique of using acrylics as a watercolor was recently employed to create a painting of Mourning Doves. Out of a field of 83 entries, the Doves placed third in the 1981 Wildlife Artist of the Year competition. The contest, held in Lansing, was sponsored by the Michigan United Conservation Clubs. The Mourning Doves also took first place at the 1981 Midwest Wildlife Art Show at Pointe Mouillee in September.

Cathy plans to have the Dove painting become her third limited edition print. Her other signed and numbered color prints have been of Cardinals and of Goldfinches.

The exhibit at The Loft gallery will also include two original paintings which were commissioned by the Michigan Natural Resources Magazine to illustrate a story of the Cedar Waxwings. The November-December issue, currently available, includes two full page paintings and two other sketches of this popular Michigan bird. Cedar Waxwings are often seen in flocks, eating berries, hence their nickname "berry-birds."

Cathy McClung's paintings are a culmination of many hours spent in the surroundings of her Webster township home, gathering resource material, photographing birds and

CATHY MCCLUNG

wildflowers and studying wildlife in its natural habitat.

Although Cathy is best known throughout Michigan for her songbird paintings, she was selected as a finalist in the Michigan "Duck Stamp" contest in 1979 and 1981. She has been the only woman finalist in the history of the contest. This year's entry of "Redheads" was published in the September-October issue of Michigan Natural Resources Magazine. Since March, her entry has toured Michigan and will be displayed at The Loft this week-end.

Good Things Growing In Michigan

By Margaret G. McCall

When stores and markets start fillings produce counters with multi-shaped and colored winter squash—one of many good things growing in Michigan—it's a sure sign autumn's here.

Winter squash grown in our state include butternut, a bell-shaped, light orange squash with a sweet taste that's excellent for baking and pies; buttercup, turban shaped and dark green in color with a nutty-type flavor; acorn, small dark green with deep ridges; and Hubbard, the best known and largest squash (7 to 20 pounds) with a thick and warty skin which varies in color.

Before you know it, it will be time for trick-or-treaters, so remember Michigan pumpkins are good eating as well as good decorations. When you purchase this year's Halloween jack-o-lantern, stock up on several smaller pumpkins. The seeds are a tasty snack when roasted and the pumpkin flesh can be cut into pieces and cooked, then canned or frozen for future use.

Michigan's commercial crop of pumpkins and winter squash is harvested primarily in Macomb and Wayne counties.

Fair Board Notes

The regular meeting of the Chelsea Community Fair Board was held Thursday, Oct. 22. President Heydlauff called the meeting to order and the minutes from the September meeting were read and accepted.

Officers present were A. Steinhaw, vice-president; M. Guenther, secretary; K. Poljan, treasurer; and L. Grau, fair manager.

Directors present included F. Renton, R. Bollinger, H. Gross, C. Koenn, J. Layher, R. Lesser, Jr., R. McCalla, C. Staphish, M. Staphish, B. Stoffer and E. Heller. Others present were T. Dault and J. Wellnitz.

The 1982 fair date was set for Aug. 31 through Sept. 4. There will be no rentals of the Fair Service Center between Aug. 22 and Sept. 11. If these dates conflict with anyone who wished a reservation between these dates, contact J. Wellnitz, 475-1518.

Several thank you notes were read to the board.

New steps on the south entrance of the hall will be ready before the 1982 Fair.

Discussions were about fences, tile and drainage. Also the necessity of painting or staining the Center as well as the making and painting of signs for the different buildings were discussed.

The Annual Fair Board Meeting will be held in the Fair Service Center Thursday, Nov. 5. All members, life members and others who might have an interest in the Fair are encouraged to attend.

DEXTER WILDLIFE ARTIST Cathy McClung will present an exhibition at The Loft Frame and Art Gallery in Chelsea this week-end, displaying her original works as well as signed and numbered limited edition prints which have won her acclaim throughout the Midwest. Her works will be on display Saturday and Sunday, Oct. 31 and Nov. 1, from noon to 5 p.m.

During two weeks of play, Chelsea girls basketball team split four contests, losing to Stockbridge Tuesday, Oct. 13 by a score of 36-35 in a well played game riddled with mistakes during the final minutes. Chelsea defeated Eaton Rapids, 39-24, Thursday, Oct. 15, playing strong in the third quarter to build up a substantial lead.

On Tuesday, Oct. 20, Chelsea was routed by Gabriel Richard, losing 44-16 as the Richard defense totally shut down the Chelsea offense led by Amy Unterbrink who was held to just four points. According to Coach Jim Winter, "Richard played well and we were poor and totally outplayed." Richard held a 26-4 lead at the half. Still, Chelsea's defense performed fairly well.

"It was a long night and after the second quarter, their defense had totally intimidated our offense," Winter explained.

On Thursday, Oct. 22, Chelsea hosted Jackson County Western and defeated the Panthers, 47-30, in an important league contest.

Pacing Chelsea was Amy Unterbrink with 20 points, 15 rebounds and six blocked shots. Missi Lazarz added six points, three assists and three steals while Shelly Weber and Beth Unterbrink chipped in with six points as well. Tracy Borton added three points and Karen Kiel rounded out the scoring with two.

Chelsea, according to Coach Jim Winter, "did pretty well despite a close game initially." By the end of the first quarter, Chelsea led 13-6 and the score was 26-12 at the half.

Chelsea played fine defense and executed better on offense to pace the Bulldogs to a pay-back victory, having lost earlier in the season to JC Western.

The lady Bulldogs will take on Ann Arbor Pioneer Tuesday and Tecumseh Thursday. The Bulldogs are now 6-6 over-all and 3-4 in the Southeastern Conference.

CUTTING UTILITY BILLS

Here are some good ways to cut down on your gas and electric bills.

Use your dishwasher only when it's full. And after the final rinse cycle, turn it off and open the door to let the dishes air-dry.

If your kitchen lighting is incandescent, consider replacing it with fluorescent lights. One 40-watt fluorescent tube provides more light than three 60-watt incandescent bulbs. That alone can shave almost \$1 per month off your electric bill.

If you have an air conditioner, set the thermostat no lower than 78 to 80 degrees. If this setting is, say six degrees higher than the one you used last summer, your cooling costs should go down about 47 percent.

For heating, set the thermostat between 65 and 68 degrees during the day, and between 55 and 60 degrees at night. If these settings are six degrees lower than those you used last winter, heating costs should run almost 15 percent less.

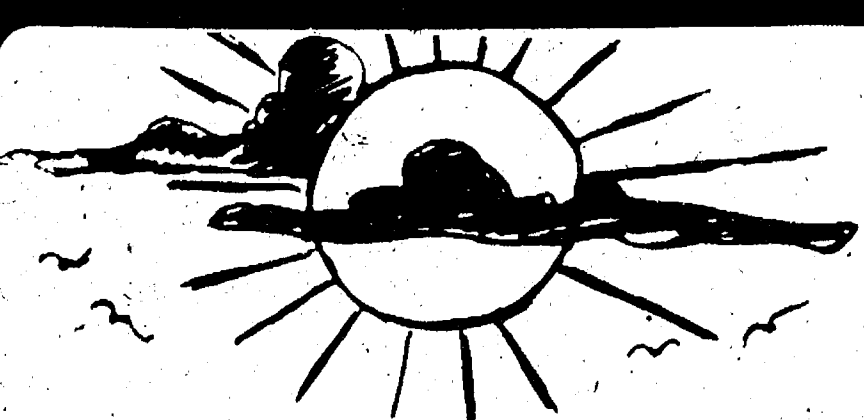

Next to heating and cooling units, your electric hot-water heater is the most expensive home appliance to operate. Don't set the water-heater thermostat too high—between 140 and 160 degrees is adequate for most households.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

WATER TOWER REFURBISHING: Chelsea's water tower got a new look inside and out last week as Haron Painting Co. of Jackson drained the water from the tower and began their routine maintenance of the tank, painting it inside and out. In the meantime, water pressure was provided directly from the village pumps. This preventive maintenance is done periodically to eliminate the possibilities of impurities reaching the village water system. 8th Grade Girl Cagers Drop Three Contests

The eighth grade girls basketball team dropped three consecutive games, lowering their record to 2-4.

The first loss came to a quick, aggressive well-balanced Saline team. The Bullpups started the first quarter looking really equal to the Hornets, playing excellent basketball both offensively and defensively but then fell victim to the Hornets' fine play, losing, 18-37.

High scorers were Jennifer Cattell with eight points, Kristi Headrick with four and Michelle Easton, Kelly Fletcher and Kris Mattoff with two. Amy Wolfgang, Kristi Headrick and Kelly Fletcher led with rebounds.

Two days later, the girls traveled to Tecumseh and lost, 12-40. The Bullpups just never quite got into the game until the second half when it was too late. Tecumseh shot well while Chelsea found it difficult to find the basket.

Jackie Boosey and Kris Mattoff led the scoring with four points apiece while Michelle Easton and Kristi Headrick added two points each.

Traveling to Lincoln, Chelsea played a much closer game though Lincoln came out to a quick 14-6 lead in the first quarter. Chelsea never gave up and kept closing in on the

lady Bullpups have four games remaining.

Kristi Headrick led the scorers with 15 points, while Jenny Cattell scored eight, Jackie Boosey, Michelle Easton and Chandy Hurd each scored two points. Kristi Headrick and Amy Wolfgang led in rebounds.

Chelsea's lady Bullpups have four games remaining.

JV Gridders Win Over Lincoln, 14-8

Chelsea's junior varsity football team defeated Lincoln Thursday, Oct. 23 by a score of 14-8. All scoring came in the second quarter.

Chelsea scored first, on a four-play, 63-yard drive topped off with a 39-yard touchdown pass from Marty Steinhauer to Martin Boote. Steinhauer ran the extra point. Lincoln tied the game up following an interception on a one-play 29-yard run and the extra point completion.

With just one minute left in the half, Chelsea took its kick-off 66 yards in two plays as Marty Steinhauer made a 51-yard run

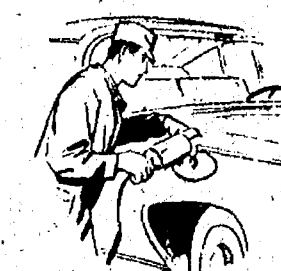

and lost the extra point opportunity.

Offensively, Scott Cooper led with 110 yards on 20 carries. Jeff Morgan rushed 99 yards on 26 carries and Steinhauer completed passes for 85 yards. Chuck Hager caught three passes for 46 yards.

Views On Dental Health

By ROBERT A. BURNS, JR., DDS, P.C.

A BETTER WAY TO CLEAN TEETH

Dental plaque is a sticky, invisible film that contains bacteria and is the major cause of tooth decay and periodontal (gum) disease. The trouble with removing plaque from teeth is that you can't see it easily with the naked eye. But there is a way to make the "invisible" show up. Chew a disclosing tablet before brushing your teeth and it will leave a red stain where the plaque is on your teeth. Remove all the red stain and you'll remove the plaque. Here's a five step procedure you can use before going to bed if you want to check your effectiveness to maintain your healthy teeth.

1. Make the plaque visible by chewing a disclosing tablet.
2. Brush your teeth, using a soft-bristle brush without toothpaste. Place the bristles at a 45 degree angle pointing toward the gum. Move the

brush back and forth with short circular strokes. Clean chewing surfaces with short, scrubbing strokes.

3. Use dental floss to clean between the teeth and under the gum edges.

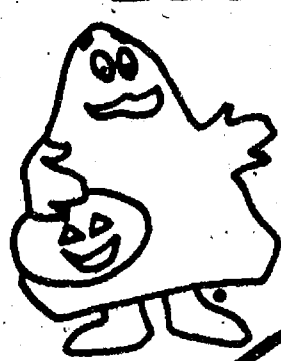

4. Rinse and examine the teeth for any remaining red areas.

5. Brush again using toothpaste, concentrating on the areas that still contain plaque. For best results, don't eat again before going to bed.

Symphony Orchestra Will Perform at U-M

The Chelsea High school symphony orchestra has been selected to perform at this year's Mid-West Conference on School Vocal and Instrumental Music held each January at the University of Michigan.

The conference brings music teachers from all over the state together for clinics, seminars, workshops and performances by some of the state's best vocal and instrumental ensembles.

The Chelsea orchestra is one of only two high school orchestras in Michigan invited to perform at

this year's conference. Regarding the selection, Kevin Miller, the orchestra's director stated, "This is a tremendous honor for the high school orchestra and a tribute to the phenomenal musical growth it has made. It reflects well on the quality of the entire music department and the support for a strong music program in the Chelsea schools."

The orchestra will perform on Saturday, Jan. 23 at Hill Auditorium, beginning at 9:30 a.m. Performing with the orchestra as a guest soloist will be Ann Ouranda, a violinist with the Detroit Symphony Orchestra. She will be featured in Mozart's Violin Concerto No. 5.

Also on the program will be works by Beethoven, Tchaikovsky, Dvorak, Vaughan-Williams, and Saint-Saens.

There is no admission charge for the concert, but Chelsea residents who would like to attend the concert must order a guest pass in advance from the conference chairman. Such passes may be obtained by contacting Mr. Miller at the high school by Thursday, Nov. 12.

Coralie Parkins Is Magazine Crafts Editor

In mid-October, the first edition of Needle Crafters' Magazine rolled off the presses with Chelseaite Coralie Parkins serving as crafts editor.

The premiere issue of the Love and Money Crafts magazine is filled with assorted craft ideas, patterns, recipes and suggestions for keeping youngsters creatively busy.

As crafts editor, Mrs. Parkins has attempted to provide a brief autobiography and suggestions for various craft techniques and ideas.

Coralie Parkins began her career through the discovery of needlepoint about 10 years ago. From there, she began her own business, "Patchwork Designs," through which she sold custom-made quilts, toys and gift items. Later, she became affiliated with Better Homes and Gardens and received a number of awards for her outstanding sales abilities.

Mrs. Parkins has been working with Love and Money Crafts since last year providing the firm with successful patterns including the Tex'N Penny Turtle, the Breath of Spring Sachet Pillow and the Star Pillow designs.

Needle Crafters' Magazine is published bi-monthly by John Alan Enterprises, Inc., Ann Arbor.

CHS SYMPHONY ORCHESTRA: Under the direction of Kevin Miller, the Chelsea High school symphony orchestra, has been invited to perform at the prestigious

Mid-West Conference on School Vocal and Instrumental Music to be held at the University of Michigan in January. The Chelsea orchestra is one of just two Michigan high

school orchestras to be selected to perform at this year's conference.

(Continued from page one) play "5th Of July." The pair wrote themselves starring roles.

Danton plays Davey Stove, a singer whose career in Queens, N.Y., who visits the office of a fast-talking show biz agent, JD Davis, played by Daniels, and together they hit the road on a 42 city in 40 night tour.

"We started out with just Danton, me and a tape recorder," Jeff explained. "We'd sit in the basement of Circle Rep theatre until dawn sometimes, just improvising different characters;

situations, story lines. After three years, we finally found a plot that we liked. Or one that worked is probably more like it. The Trial and Error School of Playwriting, I think," he explained of play's origin.

The performances were sold out and raised more than \$7,000 for the Circle Repertory Theatre.

Free Diabetes Detection Blood Tests Offered

Free blood tests to help detect diabetes will be offered by 175 Michigan hospitals and health centers during Diabetes Detection Week, Nov. 1-7. The statewide testing program is co-sponsored by the American Diabetes Association, Michigan Affiliate and is open to persons over 18 years of age who have not previously been diagnosed as diabetic.

An estimated 200,000 persons in Michigan have diabetes and don't know it. Persons who run a high risk of developing diabetes are over 40, overweight and related to diabetics. They should be checked once a year for diabetes, advises Dr. Nancy Caputo, detection chairman.

Diabetes is a serious disease that is a major cause of heart attack, kidney failure, blindness and death. The symptoms of diabetes, when present, may include frequent urination, abnormal thirst, unusual hunger, rapid weight loss, itching, fatigue, blurred vision, and slow healing of cuts and scratches.

For best results, a meal high in carbohydrates with large amounts of starches and sugars should be eaten two hours before the test. Breakfast could be fruit or juice, cereal with milk and sugar, two slices of buttered toast with jam, and coffee or tea. A person planning to take the test after lunch could have soup, a sandwich, cake or pie, and a glass of milk. The meal should be eaten within a 15-minute time period and nothing else except water should be taken before the test.

If the test indicates that a person may have diabetes, he will be advised to see his own physician for further evaluation.

Chelsea Community Hospital will serve as a diabetes test site Monday through Friday, Nov. 2-6, between the hours of 2 p.m. and 8 p.m. Patients should report to the Surgical Center Reception Desk at the east end of the main hospital building.

Reapportioning Data Being Sent To County Clerks

New, 1980 federal census data for reapportioning county commissioner districts will be sent to all county clerks during the last week of October, Secretary of State Richard H. Austin announced today.

Clerks are expected to receive all data prior to Nov. 2. Michigan law provides county apportionment commission 60 days after that date to redistrict county commissions and file plans with the Secretary of State.

Each county clerk will receive two separate packs of data. One contains maps and the other, population tables and technical information. Both will be sent at the same time, Austin said.

1981-82 CHS CHORAL OFFICERS: Pictured above are the 1981-82 choir officers selected by Chelsea High school choir members and appointed by director Tamara Barbret. These officers are responsible for many executive decisions as well as helping out in the absence of the director. They include, back row, left to right, SATB officers president Connie Dault, vice-president Micky Bennett, secretary Wendy Smith, treasurer Celeste

Powell, and, not picture, student director Tim Whitesall; middle row, left to right, SSA officers president Monica van der Waard, vice-president Kim Williams, secretary Carline Brown, treasurer Gaylene Hawkins; front row, left to right, SSA student director Vicki Harrell, Contemporary student director Diane Barrels, and Janine Hoffman and Brenda Zuelke.

CHS Choral Dept. Presents Concert

Chelsea High school's choral department got off to a great start with their opening 1981 Fall Concert, Monday, Oct. 19. All three ensembles performed several selections of varying style and text. SATB choir, or mixed choir, consists of 28 boys and 40 girls. Out of the four numbers they performed, the familiar rendition of "Elijah Rock" appeared to be the audience's favorite.

SSA choir, an all girl ensemble, is made up of 45 girls ranging from freshmen to seniors. The highlight of their performance was an arrangement of the popular song, "Woman in Love," recorded by Barbra Streisand.

The new Contemporaries also made their first appearance on the Chelsea stage Monday night. The 15-member all girl ensemble has been performing for social

and church functions in the community for several years. This year is proving to be another busy year with singing engagements and concerts already being scheduled.

One exciting addition to Monday night's concert was that of drummer Mark Dib. Mark, who is student-teaching at Chelsea High school and serving as athletic trainer for the school year, accompanied the choirs on several numbers, adding enjoyment for the audience as well as the choir members themselves.

Mark was very active in choir and band in high school and college, making his drumming very sensitive to the sound and style of the songs which he accompanied.

All of the choral department concerts are free of charge to encourage attendance. A calendar of events is as follows:

Dec. 21-7:30 p.m. High school and Beach Middle Christmas Choral Concert.

March 23-7:30 p.m. Beach Middle Choral and Speech/Drama Performance.

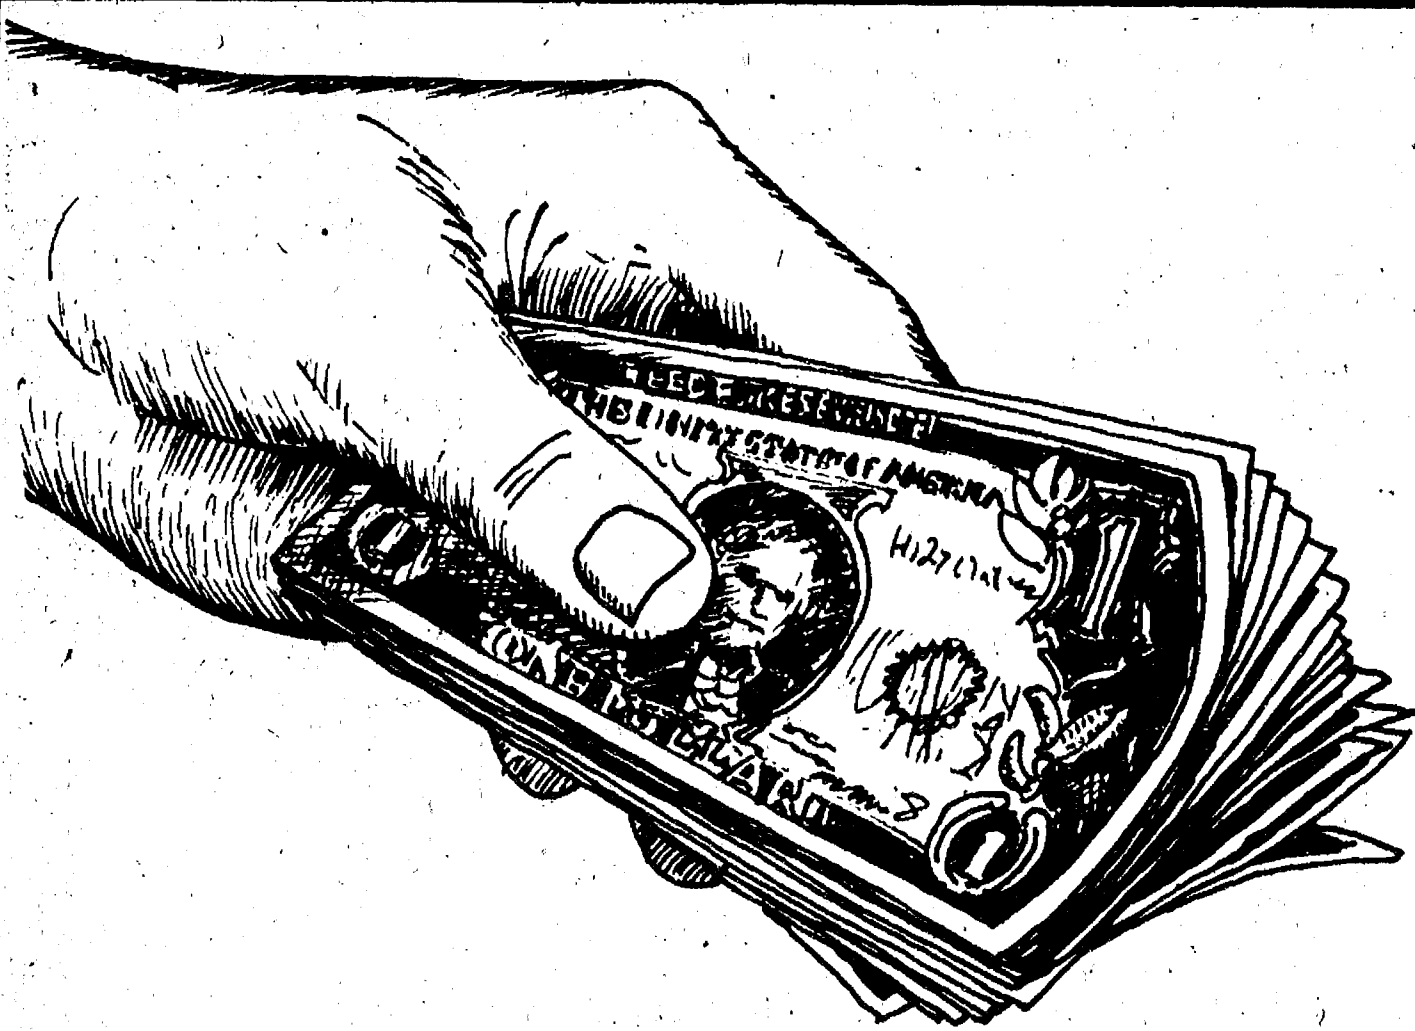

April 1-7:30 p.m. High school Festival Concert.

May 27-7:30 p.m. High school Spring Choral Concert.

June 1-7:30 p.m. Beach Middle Spring Choral Concert.

Beach Middle school also got off to a great start with an excellent performance at the Fine Arts Performance at Beach school Tuesday, Oct. 20. The choir showed enthusiasm as well as musical skill.

The choirs at Chelsea High school as well as Beach Middle school will be attending the local district's choir festivals in the spring.

Bulldog Gridders Roll Up 522 Yards In Defeating Lincoln

Chelsea's Bulldogs slid past the Lincoln Railsplitters at Lincoln Friday night, defeating their opponents, 29-28.

The two teams, tied for second place in the Southeastern Conference, battled the freezing temperatures and each other, in a tight league contest.

Offensively, the Bulldogs managed more than 500 yards in total yardage—more than they've been able to accumulate all year—despite Lincoln's ability to stop the Chelsea team and penalty calls. The score was tied 14-all at the half.

Lincoln scored seven points in the first quarter while the Bulldogs were held scoreless. Then, in the second stanza, Jeff Lantis caught a 15-yard pass for

David Wojcicki and headed into the Railsplitter end zone. The pass for a two-point conversion failed. Lincoln came back with a score of its own to counter the

Chelsea score and move ahead once again. A 26-yard pass from Wojcicki to Craig Olmsted completed the Chelsea scoring in the first half and John Preston ran for the extra points.

In the third quarter, John Preston made an 11-yard run and added the extra points to hand Chelsea a brief 22-14 lead. Then, in the fourth quarter, Preston scampered two yards to cap

Chelsea's scoring attempts, securing his 14th point and kicking for his 15th. John Preston rushed for nearly 200 yards during the course of the evening.

According to Coach Gene LaFave, "This was the fourth time that the team has been able to come back in the second half to win and this, I think, speaks well of the character of the team. We played our best offensive game of the season as we executed well for 522 total yards. Too, our defense played a sound game, but gave up the big play to Lincoln's outstanding players."

Chelsea is now 5-1 in the Southeastern Conference, holding second place in the league standings behind the defending champion Saline Hornets. Their final home game will be played Friday against Mason.

Cross Country Pre-Conditioning Class Offered

Chelsea Community Education and Chelsea Recreation Council will present a cross country pre-conditioning class beginning Tuesday, Nov. 3 and running for five consecutive weeks.

The course, taught by international cross country skier and cross country instructor Borik Yanik, will be held in the Beach Middle school gym from 7 p.m. to 8:30 p.m. at a cost of \$12 for its five-week duration.

Participants will be taught the basics of fitness in preparation for the upcoming cross country season. Interested parties must pre-register by Tuesday, Nov. 3 by calling the Community Education Office at 475-9830. Questions may be answered by calling Lynn Fox Monday through Friday at 475-9830 from 9 a.m. to 12 noon.

Following the cross country pre-conditioning course, a second course will be offered for a separate fee. This course will provide participants with cross country techniques including the correct skills to purchase and the proper methods of care for cross country skiing equipment. Both indoor and outdoor instruction will take place. Time and location of this course are undetermined as yet.

SEC ROUND-UP:

Saline Rolls Toward Title With Win Over Tecumseh

Chelsea 29, Lincoln 28

Tied for second place going into Friday night's contest, Chelsea and Lincoln battled it out with the Bulldogs slipping past the Railsplitters, 29-28, despite freezing temperatures.

Lincoln took a 7-0 lead in the first quarter but Chelsea came back in the second stanza to tie the game at 14-14 at the half. Chelsea's first score came on a 15 yard pass from Wojcicki to Jeff Lantis. Lincoln then pulled ahead to lead, 14-7, though the Bulldogs came back on a 26-yard pass to Craig Olmsted. John Preston ran for the extra point.

After intermission, Chelsea's Preston made an 11-yard run into the Railsplitter end zone and added the extra point on a run as well to up the Bulldog score to 22-14 in the third. Lincoln added six points of its own to close the Chelsea lead to 22-20 as the teams headed into the final quarter.

Preston took the ball again in the fourth and made a two-yard run and kicked the extra point to put the Bulldogs just out of the Railsplitter grasp.

Saline 21, Tecumseh 0

Despite some early season woes, the Hornets ran into their 20th consecutive conference victory Friday at the hands of the Tecumseh Indians. Following their upset win over Chelsea the preceding week, Saline ran its record to 5-0 in the conference by

trouncing the Indians, 21-0 at Tecumseh.

Both teams were scoreless heading into the second quarter though the Hornets began to sting for seven points in each of the remaining quarters.

By defeating Milan next week, the Hornets, defending SEC champions, will clinch another league crown.

Western 27, Milan 20

A fake punt made it possible for Jackson County Western to slip past Milan's Big Reds and spoil the SEC team's homecoming Friday night.

The loss dropped the Big Reds to 1-4 in the Southeastern Conference and 1-6 over-all this season.

Despite the obvious Panther lead of 13-6 at the half, 21-20 at the end of three quarters, the Big Reds failed to give up, driving all night until time ran out on the clock.

Dexter 0, Ida 19

In a non-conference contest Friday night, Dexter's problems continued as the Dreadnaught offense had absolutely no luck against the Ida defense and the frosty temperatures. Dexter's offense managed just over 100 yards in total yardage.

In Dexter's sixth consecutive loss, the Dreadnaughts ended their conference season with a disappointing 0-5 mark.

during his senior season. Cox, at 5'11" and 148 pounds, will be a very good player during his senior year with some improvement in the off season lifting weights for additional size development. He is a technically strong athlete who plays well at guard.

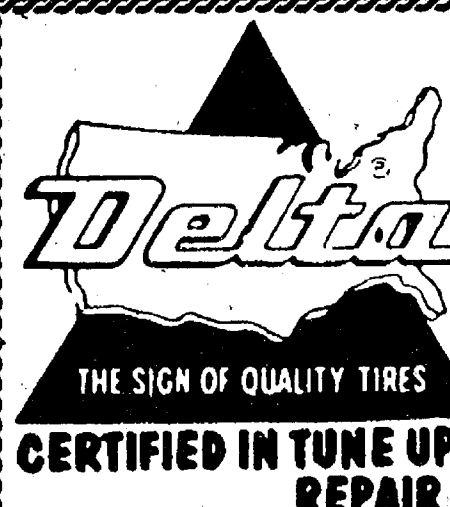

Chelsea Dominates All-League Team

Following the completion of the Southeastern Conference League cross country meet Wednesday, Oct. 21, all-league runners were named.

Of the 10-man team, four Chelsea harriers were listed. The 1981 SEC All-League team is made up of Brosnan at 16:05; Chelsea; Pogliano at 16:34; Saline; Osborne at 17:02; Tecumseh; Benedict at 17:04; Chelsea; Kingsley at 17:08; Western; Harwood at 17:18; Lincoln; Martin at 17:19; Chelsea; Lopez at 17:29; Tecumseh; Howe at 17:29; Milan; and Kies at 17:33; Chelsea.

GO BULLDOGS: Georgia, right, and her unnamed counterpart, serve as mascots during Chelsea football games. They've brought good luck all year, that is until Friday night's game

against Saline. The penalty-ridden Bulldogs seemed to lack their usual stellar performance Friday, losing to the Hornets, 48-21.

Wood Stoves by Shenandoah

Here's A Brand New
Energy-Saving Idea
We're All Fired Up About.

It's Shenandoah's forced warm air wood furnace, to bring the economy of wood heat right into your home, by itself or incorporated right into your present furnace system.

This energy-smart innovation comes in two models: the AF-77 Add-on Furnace, designed for use with existing forced air heating systems, and the F-77, functional for either primary or add-on applications. They heat 1,600-2,500 square feet, delivering up to 75,000 BTU's on a continuous basis, and they are available in wood or coal burning models.

Like the entire line of Shenandoah wood and coal heaters, the 77's are constructed to the highest quality standards and materials to assure outstanding performance and long life. And to assure you of a reduction in heating costs that will get you fired up, too.

Family Life Seminar Slated at Free Methodist Church

From Thursday, Oct. 29 through Saturday, Oct. 31, beginning at 7 p.m., and again on Sunday, Nov. 1 during the 11 a.m. worship service, Harold Weinman, pastor and counselor for more than 30 years will be providing a Family Life Seminar in which he will be sharing some insights as to how and why Christianity is such an important ingredient to every family. The meetings will take place at the Chelsea Free Methodist church, 7665 Werkner Rd. Nursery care will be provided for all services and the public is invited to attend at no charge.

Walk to Moscow Group Stops Here

Somewhat off the beaten track and featuring ample county roads, the Chelsea area was again used as a route for cross country hikers promoting a cause. Last fall, an anti-nuclear group passed through Chelsea on foot, enroute to a "no nuke" demonstration up north. This fall, a group called "Walk to Moscow" passed through Chelsea on their way to Ann Arbor, Washington, D. C. and eventually, the Soviet Union. Walk to Moscow began March 1 in Seattle, Wash., and participants hope to complete the two continent trek in August 1982. Purpose of the group is to promote peace and disarmament. A group of 30 people, ranging in age from two and one-half years to 49 years, come from all walks of life.

Walk to Moscow was promoted on the West Coast last winter and, along the route, additional people have joined the movement intended to, according to one participant, Paul Gessler of Ft. Collins, Colo., "get people involved in the peace movement and give them a sense of power by bringing the issue to the forefront." Gessler, a former member of the

U. S. Air Force, stationed at a missile base during the Vietnam war, became involved last Christmas when he read about the journey and inquired for more information. He explained that he was aware of the dangers of the arms race and left his job as an electronics technician to join the movement.

In Michigan for nearly one week, Walk to Moscow has received a warm welcome from the general public. While in the Chelsea area, eight members of the group stayed at Friends Lake Community at Long Lake.

Following their departure from Chelsea, the Walk to Moscow passed through Ann Arbor enroute to Toledo, Cleveland, Pittsburgh, Harrisburg, Baltimore and eventually to Washington where they will spend the winter raising funds for their Atlantic crossing in the spring.

Upon their arrival in Ireland, the Walk to Moscow will proceed to the continent and march across Europe in hopes of opening a dialogue between countries and people, the first step, according to Gessler, for bringing about disarmament.

Volunteers Sought for March of Dimes Drive

Start the new year off on the right foot by volunteering for the March of Dimes Mothers March on Birth Defects. The Washtenaw-Livingston Chapter needs community co-operation in this appeal to support research, medical services and educational programs.

"Each new year holds a great deal of promise," says Sheriff Tom Minick, campaign chairman. "By joining the Mothers March you can help some of these promises come true in the prevention of birth defects. Our nation's most serious child health problem affects more than a quarter-million newborns every year with physical or mental damage."

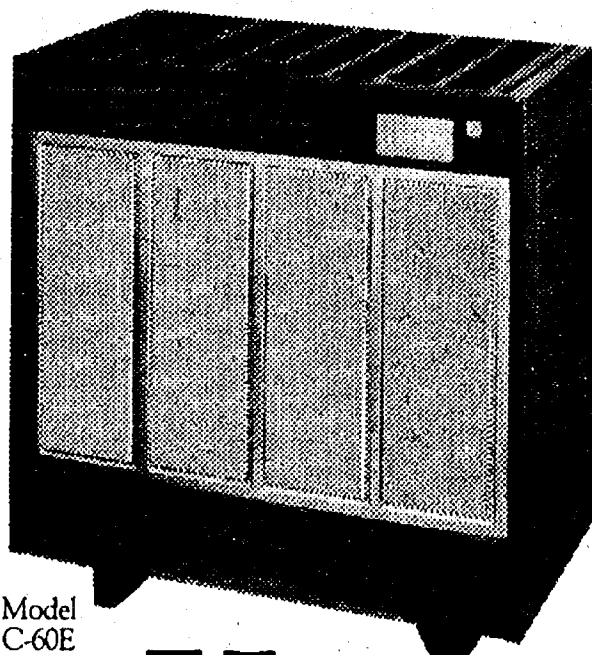

The Mothers March began as a family-to-family appeal in 1951 to help the March of Dimes combat

poliomyelitis, the dread paralytic disease. Once polio was conquered by the development of effective vaccines, the March of Dimes turned its attention to the nation's most serious child health problem: birth defects.

The voluntary health organization, known today as the March of Dimes Birth Defects Foundation, still relies on the dedication and enthusiasm of its volunteer supporters. Funds collected in the Mothers March support research into the causes and ways to prevent birth defects, intensive care for critically ill newborns and a vigorous campaign for better prenatal care for all mothers.

Persons interested in joining the 1982 Mothers March are asked to please call the Washtenaw-Livingston Chapter office at 761-6331.

The biblical pattern: the family is basic to our social structure. It was instituted by God in Eden. The husband and father is the protector and provider, and by his conduct the model for the home. The wife and mother by her sensitivity and devotion establishes the tone and characteristics of the family, the true home maker. The children are the responsibility of the parents. Laws, education and social services should be aids to parents, not impositions which remove primal rights. "Blessed is that nation whose God is the Lord." Ps. 33:12. Protect the home and you protect the nation.

Nanette Push Returns To EMU Softball Team

By Don Newsted

Sports Writer, Eastern Echo Nanette Push, an all-state softball pitcher in her freshman year at Eastern Michigan University, heads the list of 23 players to make the teams fall cut as chosen by Coaches Anne Johnston and Lori Anderson.

Head Coach Johnston is faced with the prospect of having to replace several key performers who decided not to return to the team for various reasons. Patti Hume, Push's batterymate at Chelsea High school and last season at Eastern, has transferred, as have pitcher Jan Boyd and third base woman Tracey Keyton. All were key performers during last year's very successful 21-13 campaign.

USDA May Monitor Domestic Meat Species

The U.S. Department of Agriculture will be forced to establish a species monitoring program for domestic boneless meat to head off allegations that its new imported meat species testing requirements are an artificial trade barrier, according to a USDA official.

Speaking at an American Meat Institute meeting, Donald Houston, head of USDA's Food Safety and Inspection Service, noted that the USDA recently announced that it would require the 17 countries exporting beef to the U.S. to implement species testing programs. That announcement came in the wake of the discovery that other meats had been substituted for beef in some Australian meat shipments to the United States.

Crises are monogamous, family-oriented birds, that migrate, mate and feed in family groups. Adolescent bands of juvenile birds roam near nesting areas, often to the chagrin of nearby farmers. Nesting pairs set up house in isolated marshes, returning year after year to the same nests unless unduly disturbed.

The Waterloo area is fortunate to have many cranes nesting in its abundant marshes. Nesting pairs are seldom seen during late spring and early summer although even a casual observer can spot the roving bands of adolescents. In the fall, hundreds of cranes will converge on Waterloo, spending the night at the Phyllis Haehnle Sanctuary on Seymour Rd., and their days in the surrounding corn fields in the area bounded by Jackson, Chelsea, Grass Lake and Stockbridge.

The Waterloo Crane Salute will feature a film, "The Greater Sandhill Crane Story," a slide presentation on the habits and behavior of Sandhill Cranes, an auto tour to see cranes feeding in

the fields, and will conclude with a visit to the Haehnle Sanctuary to greet hundreds of cranes returning to their evening roost.

The Waterloo Natural History Association invites the public to join it in saluting the wondrous Sandhill Cranes. Dress warmly and consider bringing along a thermos of something hot to drink. The program is free to members of the WNAH and is offered at a charge of \$2 per person for non-members.

Sandhill Crane Salute Planned at Nature Center

Waterloo Natural History Association will host a salute to its giant prehistoric summer resident, the Greater Sandhill Crane, on Sunday, Nov. 1, at 1 p.m. at the Nature Center off Bush Rd.

The Greater Sandhill Crane, *grus canadensis tabida*, is truly a magnificent creature. It has remained virtually unchanged from the fossils of its ancestors that are more than nine million years old. It stands nearly four feet tall with a wing span of six to seven feet. Striking in its gray and white color with a brilliant red cap, it flies at heights of up to one mile while migrating.

Wheat Acreage Reduction Shouldn't Affect Consumer Price

A voluntary program that would encourage Michigan producers to reduce their wheat acreage next year should have a positive impact on prices to growers—but very little impact on consumers, according to Farm Bureau commodity specialist, Ken Nye.

Secretary of Agriculture John Block has recommended a 15 percent wheat acreage reduction because of the large carryover.

"It probably should have a positive impact on prices to growers as we take some of the wheat out of production," said Nye. "To consumers, it shouldn't be much of an impact at all. The wheat that goes into a loaf of bread, for example, is a very minor part of its cost. There's only about 4, 5 or 6 cents worth of wheat in a loaf of bread, so it would be very small impact on consumer prices."
