The group will be staying at the famous Palmer House Hotel, located in the center of the State St. shopping district and shopping time is planned. Also included in the itinerary is an evening at a dinner theater.

Those Chelsea senior citizens who have planned to take part in this trip will leave from the bus garage at 7 a.m. Thursday, Dec. 3 and will travel via Tower Charter, returning at approximately 7 p.m. Friday, Dec. 4.

Cost for the trip varies from \$2.50 for single occupancy to \$73 for triple occupancy. Meals enroute home are not included in the tour price.

Hospital Patients May Have Guests For Thanksgiving

How do patients who are hospitalized over Thanksgiving celebrate the traditionally family-oriented day?

Chelsea Community Hospital works hard to make Thanksgiving as much a family day and as traditional as it can be.

Each patient hospitalized over Thanksgiving Day is urged to invite a relative or a friend to join them in Thanksgiving dinner, courtesy of the hospital.

The menu will consist of roast turkey, sage dressing, cranberry sauce, candied yams, and pumpkin pie.

Other homes included will be those of Mr. and Mrs. Gene LaFave, 430 East St., Mr. and Mrs. J. M. Feeney, 666 Washington St., Mr. and Mrs. William Siegel, 11150 Trinkle Rd.; and Mr. and Mrs. Peter Flintoft, 415 Washington St. Tickets are \$6 and are on sale

This candlelit yuletide event is chaired by Mrs. Fred Mills who is assisted by Mrs. Robert Houle, Mrs. Arthur Dills, Mrs. Tom Eisele, Mrs. Will Johnson, Mrs. Robert Riemenschneider, Mrs. Jerry Giffin and Mrs. Paul Schable.

A brief description of the homes to be visited will follow in this and succeeding weeks.

Mr. and Mrs. Robert Daniels
665 Washington St.

An oak-leaf wreath on the door and family childhood boots in the foyer welcome guests to this contemporary-style home. The

living area of the Robert Daniels home seems to suspend in the treetops while large and wraparound windows take full advantage of the wooded view.

The mingling of woods used in paneling, rafters, room dividers and furniture, along with variations of the earth's colors, make a complementary and natural background for the home's many treasures. A lighted room divider becomes a showcase for some of Mrs. Daniels' collections including pressed glass, antique Copenhagen china and FlowBlue English pieces. The Christmas tree finds a perfect spot at the study window and is trimmed with blue and white frosted bells from Bob and Marj's first Christmas along with small

wicker baskets filled with intricate fabric hearts and Victorian lace trims which she has made. A herd of antique sheep line a shelf beside the glimmering tree and the use of towel racks is cleverly assembled on the cork wall.

The master suite features a plantation desk over which is a framed assortment of dolls made in the fashion of and wearing original Inca fabric. An old cradle is draped with crazy quilts and pieces and more of this collective needlework is used on a bed pillow and quilt rack. A framed appliqued camel saddlecloth make for a fascinating art form and a Rodin sculpture of Hands adorns a pedestal near the window. The walls are patterned grasscloth in beige and pale green.

A living room ledge features a large collection of old, new and whimsical camels backed by a 1930 print of the nativity. Sleds on the wall are from Paris, Maine and another sled is utilized as a coffee table before a fireplace with rough hewn mantle which is occupied by duck decoys.

Two Lee Weiss watercolors are among the many wall hangings and a round table is set with a china chocolate set handpainted by Mr. Daniels' mother. A seven-foot, seven-inch high walnut chimney cupboard is one of their prized possessions as it side and back boards are each of one solid piece of wood.

Marj has used a great deal of antique fabrics, laces and needlework in her holiday decorating and a menagerie of stuffed animals is hand-made from old quilts. The dining room is accessorized by an abundance of baskets, plants and a toy collection. A cherry collector's table holds Majolica ware and a lacy Victorian firescreen provides interesting contrast. Dale Fisher Photo Show Scheduled

"Despite the shape the economy is in, I'm having my best year ever," explains Chelsea photographer Dale Fisher while discussing his recent series of photographs for American Steamship Co., a planned photostory in the quarterly Seaway Review magazine, and his offer to be featured on a nation-wide telecast of the popular PM Magazine series, not to mention countless showings of his photographic works.

Many of Fisher's artworks will be featured at the second annual Chelsea Dale Fisher Art Show to be held Saturday and Sunday, Nov. 28 and 29 at the Chelsea fairgrounds Service Center. Members of the Chelsea High school band will entertain during the exhibition to be held between the hours of 2 p.m. to 10 p.m. Saturday and 1 p.m. and 6 p.m. Sunday.

Featured at this showing, Fisher's re-knowned photographic works will include his recently completed Great Lakes Maritime Collection, photographed during the summer and fall at Sault Ste. Marie during which time a total of 127 different vessels were shot. His collection was completed in late October. Approximately 30 of the 150 photographs on exhibition will be of the Great Lakes ships.

Also on display at the Chelsea fairgrounds will be Fisher's popular Michigan and Arizona collections as well as a number of "old favorites." Fisher, himself, will be on hand to answer questions and discuss his art form.

In addition to the local showing, Fisher explained that he will be featured on a nationally telecast edition of PM Magazine. In this feature, a camera crew will follow Fisher and his helicopter pilot on an entire commercial job

for American Steamship Co., photographing the ore carrier Belle River, one of the photographs featured in his Great Lakes series. This feature story will be interspersed with interviews with Fisher and with persons viewing his photographs on exhibition at a recent showing in Grand Rapids.

Other plans for the local photographer will include working through the winter for the first time, photographing tourist spots and ski resorts in Michigan. The snowbound tourist areas will include Pictured Rocks and Tahquamenon Falls.

Fisher's unique brand of photography comes from a box camera and a helicopter, providing the viewer with an entirely new perspective on the world provided by a man with eyes that can capture beauty in anything they see. Flying in a helicopter at a cost of \$5 per minute, Fisher has managed to perfect what he refers to as "artistic economy," or not wasting time by shooting countless photographs of the same subject matter but, instead, getting it right the first time around. Even with his method of minimizing costs, the emotions of the artist are captured in each finished print.

MICHIGAN MIRROR
 By Warren M. Hoyt, Secretary, Michigan Press Association

Legislature Moving on Some Property Tax Reform
 The state legislature, following the defeat of a special property tax shift package last summer and facing another budget cutting constitutional amendment next year, is moving to give Michigan citizens some property tax relief by next year. Although facing reservations about the state budget's ability to shoulder property tax relief, legislators see some action as a must to head off a state-wide ballot proposal on which they would have no control. Property taxes are voted, assessed, collected and spent locally, but the legislature has been getting the heat as property taxes around the state continue to spiral upwards. The previously defeated petition ballot proposals—November, 1978 and November, 1980—would have required the state budget absorb the entire cost of about \$1.2 billion per year as they would have required the state budget to reimburse the local units of government for losses resulting from the property tax cut. The current proposal, already passed by the House of Representatives and before the Senate where it, too, is expected to pass, would provide for an adjustment in the current property tax credit against an individual's income tax liability. The present "circuit breaker" concept provides for a 60 percent credit against income taxes for property taxes in excess of 3.5 percent of a taxpayer's income. The new proposal would reduce the income figure to an even 3 percent plus give additional relief to senior citizens on a fixed income who rent. An additional \$150 million per year in relief would be provided by the formula change. Already the state pays out over \$500 million per year in the property tax credit but the credit is not very visible because taxpayers receive the credit as part of the income tax return rather than as a credit against their property taxes when they become due and payable with their local treasurers. The legislature is also working on legislation to adjust the timing of the credit. Under the proposed legislation, a voucher would be issued for the amount due each taxpayer under the "circuit breaker" system. The voucher would be taken in when the property taxes are due and the local treasurer would deduct that amount directly from the person's tax bill. The system would provide relief when the taxpayer most needs it—at the time his or her taxes are due. One major problem with the system would be a blow to the state and local government's cash flow. The state would have an immediate problem of \$300 million while the local units would have like problems as the state would be required to make local reimbursements in four equal installments. Under the relief legislation, the amount of credit against income taxes available to each taxpayer would increase from the present maximum of \$1,200 to \$1,400 per year. The new relief would take effect if and when the growth in state revenue tops the Gross National Product state and local deflator—next year according to all predictions. Senior citizens who rent their residence would be subject to a greater credit. Under the bills, effective in 1982, they would be able to receive a 100 percent credit for rent paid in excess of 40 percent of the senior's annual income. The estimated cost of this would be \$5 million per year. Property tax relief is at hand. It appears it will not measure up to a Tisch-type cut, but in light of the state budget, it will represent a first step toward total reform in the future.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:
 The fellers was looking ahead to Thanksgiving during the session at the country store Saturday night, so just about ever cloud they thought up had some kind of shiny lining. Bug Hookum set the mood with his report that the modern Army is using Old Testament ways of making war. Bug had saw where goats still are being sacrificed before going into battle. The piece Bug read was about how the Society for Prevention of Cruelty to Animals is objecting to this old and honored ceremony. What is happening, Bug said, is "research goats" are shot so Army medics can git training treating the wounded. The Army says most are shot in the belly, cause that's the meanest kind of wound to work with. Bug said the piece didn't say how many goats the medics save, but he took note they are put to sleep before they're shot. If they were barbecue goats instead of research goats, and if they were shot in the head, killed, cooked and eat instead of shot in the gut and nursed back to health, Bug wondered what the stand of the society would be. And if they were mice trying out new nerve gas, would that be worse? Or does the degree of cruelty depend on the size of the animal, Bug wondered. The shiny side here, Mister Editor, is that one woman complaining to one commander on one Army base can start wheels turning all the way to the Pentagon. If there are other ways to give medics training they got to have, you can bet the Army rather find it than be branded as goat killers. Like Bug said, it's good that we can all have our say and out of all our says can come the best course. For a discouraging word, Ed Doolittle reminded the fellers to keep their yards and driveways special clean this winter. Ed had saw where the Massachusetts Supreme Court has upheld a wife's right to sue her husband for "willful neglect of regular duties" after she slipped on an icy driveway and broke her hip. She wants \$2,500 per pain and suffering, Ed said, and he was wondering if that's fer what she's suffered or what she might suffer if she's brazen enough to take her old man to court. It was Ed that give the usual land-of-plenty Thanksgiving speech. He noted where a year ago we were importing peanuts from China, and now we got an overflow crop. Same with wheat, Ed allowed. One year we sell off our surplus and everybody gets scared we won't have enough. When the next crop comes in we got more wheat than we can use or store. He said we ought to be thankful, cause he didn't know of any people in recorded time with more to be thankful for. Zeke Grubb said he was thankful for one Government study he could understand. He had saw where an engineer was asked to check pollution in the Neuse River in North Carolina.

Views On Dental Health
 By ROBERT A. BURNS, JR., DDS, P.C.
 FLOURIDE TOOTHPASTE

If you watch television, you've probably seen the commercials selling fluoride toothpaste ("Mommy, Mommy, my group had fewer cavities!"). The best part about these commercials is that, hopefully, they may induce children to brush their teeth. It's the brushing, flossing and rinsing after eating that is the most effective preventer of tooth decay and gum disease. Toothpaste can help, but it's only a part of effective oral hygiene. The mere presence of fluoride in a toothpaste does not give it therapeutic qualities. There are, however, several brands of toothpaste on the market which contain fluoride in an effective combination with other ingredients. They definitely possess therapeutic value and have been recommended by the American Dental Association's Council on Dental Therapeutics. It should be emphasized, so there is no misunderstanding, that fluoride toothpastes are not a substitute for the combination of fluoridation of community drinking water and professional fluoride treatment, which have been shown to reduce dental decay by as much as 65 percent. If you have dental health questions you would like to see answered, please mail them to the address below. A public service with the aim of promoting a better dental health environment. The Art Auction, held in conjunction with St. Mary's Altar Society, was a success. More than 80 children attended a parish hayride held in October.

The Auxiliary has other projects planned. Parish baptisms are adorned by embroidered bibs and stoles created by members. The Auxiliary and the Knights will hold their annual Christmas party for children of St. Mary's Parish. Special events include a play on the birth of Christ, refreshments, and a visit from Santa. Activities still in planning stages are a retreat, skating party and caroling.

A thank-you letter was received for the flower contribution to St. Louis Center for Boys' 20th anniversary.

The meeting adjourned with a prayer, led by Chaplain Sister Patricia.

ACATS Members Briefed on Computers

The monthly meeting for ACATS (Association for Creative and Academically Talented Students) was held Monday, Nov. 16, in the Special Projects room at North school. Following a brief business meeting, John Sayer led a very informative and interesting discussion of home computers.

Sayer began with a simplified explanation of how computers work, and defined terms such as "K", byte and bit. He discussed the various components of a home computer system and their uses. Computers are available for the home today at a wide variety of prices and levels of complexity. Basic systems range from \$150 for a 1K Sinclair ZX81 (including tape loader) to \$1,300 for a 48K Apple II Plus. Adding disk drives, printers, word processors and other hardware can greatly increase the prices.

Before deciding on which system to purchase, it is important to decide exactly what you want your computer to do. Some brands are better than others for certain purposes. The Apple II Plus, for example, will accept higher level languages and has much business-oriented software available. The Atari 800, on the other hand, has many more games available, but little business software.

Sayer's own recommendation for the best all around home computer is the Commodore PET. It is wise to compare prices before buying since reputable mail order companies' prices are generally 20% less than local stores.

To complete the evening, members had an opportunity to examine and operate several different kinds of computers.

The next meeting of ACATS

will be Jan. 18 at North school. The public is invited to attend.

Dec. 6: Holiday carols will be played by a string quartet from 2:30 to 3:30 p.m.

Dec. 13: Christmas Transparencies will be made, 2:30 to 4 p.m.

Dec. 20: Bird Feeders (bring your own container for a mold) 2:30 to 4 p.m.

"Children's Day" will be Saturday Dec. 12 from 10 to 5 p.m. This event will feature low cost gift items made by area artists to enchant every boy and girl who is anxious to help St. Nicholas with his holiday chores. Since only children may visit the gallery on this day they will be assisted in making their special selections by guild members who will wrap each purchase at no extra charge.

Baton Twirlers Score Well in Tri-Set Contest

Chelsea Charms Baton Twirling Studio scored highly at the recent Tri-Set baton contest held in Addison, on Nov. 14. Competing against some 250 contestants, Michelle Graflund, Susan Schmunk, Laura Walton, and Elizabeth Maurer performed near flawless routines for six judges from Illinois, Michigan, and Ohio.

Veteran contest winner, Michelle Graflund, nine-year-old daughter of Mr. and Mrs. Steve Graflund, placed high in every category she entered. Fourth-place awards were hers in modelling and military strutting; a fifth place in basic strut; sixth place in both novice and instate novice division of 9-10-year-old twirling, were all topped by a third-place trophy gained in fancy strut the first time she has entered this particular event.

Susan Schmunk, drum major of the Chelsea Charms Corps and 11-year-old daughter of Mr. and Mrs. Charles Schmunk, scored high in basic twirl and basic strut, placed fourth against a score of contestants in military strut, and captured the second-place trophy in special beginners twirling, 11-12 years.

Laura Walton, 11-year-old daughter of Mr. and Mrs. David Walton, attending her first contest, brought much honor to herself and her studio by capturing second place in basic twirl, sixth place in military strut and scoring high in basic strut.

Elizabeth Maurer, 12-year-old daughter of Mr. and Mrs. Dale Maurer, took third-place honors in basic twirl and placed high in basic strut.

Several members of the Chelsea Charms Studio cheered their team to victory from the stands. Observing the contest were: Amy Seibor and her mother, Mrs. Sue Seibor; Kori White and Nicky Schultz with Mrs. Linda White; Mrs. Sue Walton, Mrs. Norma Graflund, Mrs. Sandy Schmunk, Amy Weir, and Chelsea Charms instructor, Rita Wilson-Howard.

Approximately 17 members of the Charms will be travelling to Petersburg on Dec. 5 for the annual "Holiday Majorette" contest.

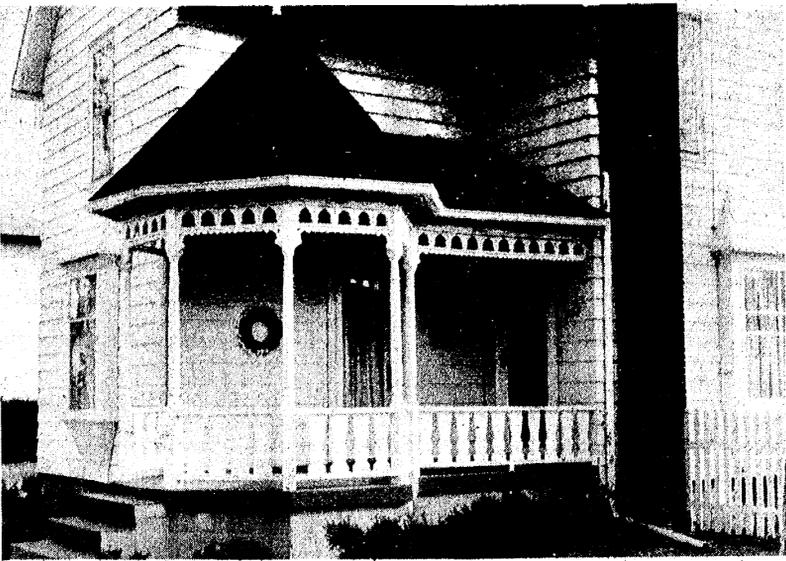

Police Report . . .

Assisting the Sheriff's Department, the Chelsea Police took part in responding to five accidents, one family fight, two arrests and one attempted suicide for a total of two hours and 35 minutes.

A total of 6,560 miles were compiled in October as opposed to 5,900 in September.

VICTORIAN GABLES invite viewers into the home of Mr. and Mrs. Duane Branch, a home included in the Chelsea Hospital Auxiliary "Christmas Walk." The blend of traditional and antique items, displays and decorated areas

reflect a festive and warm holiday mood. Lace dollies, pewter angels, hand-painted miniature animal ornaments and more await visitors in the home of Barb and Duane Branch.

Christmas Walk Offered

(Continued from page one)

the larger dining table, there is a smaller Michigan dropleaf table for two. An extensive acquisition of English ironstone Tealeaf china fills the shelves of a large, illuminated wood cabinet.

The functional yet attractive kitchen affords many places and spaces for more of the collections, among which are wooden rolling pins and utensils amid J. T. Abernathy pottery; hanging scales; cookie cutters and sleighbells. Across the tops of the cherry cabinets is a stunning group of Bennington pottery; and tin-plated copperware marches across the top of the storage room divider. An old grocery flour sifter sits near a laundry room door.

This home is an extraordinary and divine amassment of antiques, collectibles and artwork combined with the needlework and design talents of Mrs. Daniels. She has blended well the textures, shapes and designs of her vast assemblage and sprinkled it with Christmas. It is like a bonus trip to a candlelit museum.

Mr. and Mrs. Duane Branch

234 Washington St. This turn-of-the-century home is as charming on the inside as it is on the outside. The lacy trim along the porch and Victorian gingerbread gables are a well-preserved reminder of days gone by; and Barb and Duane Branch have bridged that gap in a most comfortable, reflective way.

Upon entering, you are guided into the parlor, which is a restful, melodious blend of traditional furniture and antiques. Atop the piano are a trio of pewter-like angels; and a small tree bearing hand-painted miniature animals takes command of a round table with floor-length cloth. Family photographs are abundant and Barb's grandparents' wedding certificate, dated 1911, hangs on the south wall. Built-ins house a potpourri of favorite family items. The floor and wall backgrounds in this room and the sitting room are a celery tone which effectively lighten and

brighten. The intricate lace dollies seen in this home are the handwork of Barb's grandmother.

The family Christmas tree in the sitting room is laden with hand-made ornaments, each highly cherished. On the walls are a framed wedding certificate of Duane's grandparents and the Branch family crest, which has been traced back to England when the Normans invaded Gaul.

The guest bath is a refreshing oasis of pale green backgrounds around the bright greens of many, many hanging plants. Pecan Mediterranean furniture graces the dining room. The table is aglow with place settings of Christmas china placed around a sparkling group of crystal candleholders representing many designs and eras!

The cheery kitchen is done in soft gold harmonious with floral vertical striped wallpaper suggestive of mattress ticking, and open shelves are filled with Christmas memorabilia. Holiday breakfast awaits the family at the round kitchen table; holiday collections reflect from glass window shelves; and greetings from friends adorn a bulletin board.

Prized possessions at both tables are napkin rings hand-painted by Mary Jo Miller. A bright, efficient laundry room is nestled off the kitchen.

Tucked here and there and everywhere are the Branch Christmas gifts, each wrapped especially, personally and lovingly to dear ones. They are each a work of art as are the many craft and needlework projects we see in which Barb is so proficient. She looks forward each week to being a nursery school "mother" to her grandson, Jeffrey, and dearly loves creating and helping with the many holiday items needed the whole year through that are so meaningful to preschoolers.

This home, which is fondly awaiting Christmas, has a past with a present and expresses a

warm, happy mood that comes from family appreciation and affection.

Pioneer Christmas Set at Farm Museum

Pioneer Christmas at Waterloo Farm Museum—a gentle reminiscence of the quietness and simplicity of early Christmases—will be held Saturday and Sunday, Dec. 5 and 6 from 1 to 5 p.m. at the museum on Waterloo-Munith Rd., two miles from Waterloo.

The Realy house will be decorated for Christmas with garlands of pine boughs dotted with red velvet ribbons draped

throughout the house. Pine swags will hang at the windows with cored apple candle holders sitting on the window sills.

While familiar carols are sung to the accompaniment of the melodian in the parlor, Christmas guests may gaze at the black spruce encircled with strings of cranberries and popcorn. Antique ornaments and flickering candles cling to the tree's branches. Antique toys and

dolls, a delight for visitors of all ages to see, rest beneath the spruce.

The dining room table offers a tempting display of cookies, nut breads, spiced apples and Christmas stollen.

The warmth of the log house, decorated as it might have been for the first Michigan Christmas, is a perfect place for a cup of mulled cider and some Christmas cookies. A welcoming fire in the

massive fireplace makes the log house a tempting place to spend the entire afternoon.

A free-will offering may be made when you share your memories of past Christmases at the Waterloo Farm Museum's Pioneer Christmas.

School Board Briefs

Present at a regular meeting of the Chelsea Board of Education Monday, Nov. 18, were Feeney, Schumann, Snyder, Heller, Dils, Comeau, Superintendent Van Meer, Assistant Superintendent Mills, Principals Williams, Conklin, Wojcicki, Benedict, Community Education Director Rogers, guests.

Meeting called to order at 8 p.m. by President Ann Feeney. Board approved the minutes of the Nov. 2 meeting.

Board approved an unpaid maternity leave for Sarah D. Burchfield effective Nov. 13. Sarah is a North School EL/LD teacher and plans to return to work on Jan. 25, 1982. During her leave, Sarah will be replaced by Marcia Quilter.

Richard Cesarz, member of the Sex Education Advisory Committee, addressed the Board with concerns pertaining to the direction of that committee. His concerns and the concerns of some other members of the committee revolved around the lack of goals, not utilizing community resources, and the absence of a program evaluation. The Board of Education will contact the committee chairman, and will send a Board member from the Curriculum Committee to attend the next meeting of the Sex Education Advisory Committee in an attempt to gain insight into the progress and direction of the committee.

Superintendent Van Meer reviewed with the Board legislative actions pertaining to truth-in-taxation, due process, tax reforms, and executive orders. The Chelsea School District will be affected by two executive order budget reductions. The first executive order is 3/16 of 1%, issued in September, and will affect the December state-aid payment with a loss of revenue of \$17,000. The second order, 4/10 of 1% effective in August, will be another reduction of \$35,000. The district will make budget adjustments to offset the approximate \$52,000 reduction. The reductions will not affect employees or programs for students. The district feels a strong commitment to the voters to keep the current programs and have them properly staffed. The executive orders are a result of the State of Michigan's failure to produce enough revenue to keep its commitment to the public schools.

Board adjourned at 10:12 p.m.

Recipes Given for Cooking Venison

With the firearm deer season shaping as one of the best—in the very best—in the state's history, Michigan families may well consume more venison this fall and winter than ever before.

The general impression of the state's wildlife biologists is that the buck kill is running about the same as last year or a little higher. And last year's kill of 108,250 bucks was the highest on record. So far this year, kill figures are up about six percent over-all at the state's highway deer checking stations.

With all of that venison waiting to be prepared, household cooks will find welcome ally in the "Wildlife Chef," the perennially popular cookbook published by the Michigan United Conservation Clubs (MUCC).

Among its nearly 400 recipes for game and fish dishes, "Wildlife Chef" contains more than 50 for deer alone. In addition, the cookbook offers information on care of venison, butchering, freezing, and storage.

Copies are available for \$5.15 each, postage and tax included. They may be ordered by sending a check or money order to MUCC, Box 30235, Lansing 48909. All proceeds from the sales are used to support MUCC's conservation and education programs.

Here is a sampling of venison recipes from "Wildlife Chef":

VENISON AU VIN

- Serves 6
- 1/4 pound salt pork
 - 1 pound venison (stew meat)
 - 1/2 teaspoon black pepper
 - 1 teaspoon parsley flakes
 - 2 medium onions, quartered
 - 2 cups fresh mushrooms
 - 1 cup white wine
 - 1/2 cup red wine
 - 1/2 teaspoon salt
 - 1 small bayleaf
 - 2 cups diced potatoes
 - 3 cups tomatoes
- Fry cubed salt pork until crisp. Remove meat and drain. In the

hot fat, brown cubed venison, rolled in flour. Put wine, salt, and seasonings in a Dutch oven. Bring mixture to almost a boil and put in the browned meat along with onions, potatoes, tomatoes, and mushrooms.

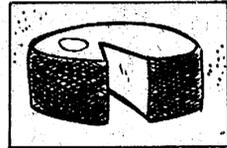

Bake in 350° F oven for 3 hours. Check to make sure it does not go dry. Add more wine if it is.

Serve over wild rice or mashed potatoes with a crisp green salad.

SPECIAL OCCASION VENISON MIX:

- 2 cups red wine
- juice of 1 lime and 2 crushed lemons
- 2 bay leaves (crushed)
- 2 cloves, bruised
- 1 clove garlic, mashed
- 2 stalks celery, chopped
- 6 slices onion
- 6 slices carrot
- 6 peppercorns
- 1 pinch thyme
- 1/2 teaspoon salt

Soak 3-pound piece of lean venison in this brew for an hour or so. Remove meat and cut into 1-inch cubes. Fry in butter until brown. Finally, set meat aflame with 2 tablespoons gin and keep hot.

All cheeses except those made for low-sodium diets are high in salt content. Processed cheeses can contain up to twice as much salt as the natural varieties.

GOOD PSYCHOLOGY

Variety is literally the spice of life in matters of nutrition, and dieters should be wary of special reducing diets that call for the elimination of too many foods for too long. A good low calorie meal should include a number of different kinds of food—meat, cheese, vegetable and fruit. Accompanied by a cup of hot, soothing tea, which has virtually no calories, this type of meal is nutritious as well.

Michigan's 4-H Horse Judging team, made up of four Washtenaw county 4-H'ers, placed well at the recent Mid-Continent Horse Contest, held in conjunction with the Mid-Continent Livestock Exposition in Cambridge and Geneseo, Ill.

The group placed first in conformation classes, first in oral reasons, third in the performance class category and first over-all.

The team was made up of Diane Marie Long, Susan Sherill and Leslie Snyder, all of South Lyon, and Kevin Hutchings, of Dexter. Team coach was Cathy Murphy, of Whitmore Lake.

In addition to team placings, Diane Long was first in conformation judging, second in oral reasons, seventh in performance and first over-all.

Kevin Hutchings was tied for third in performance, eighth in oral reasons and sixth over-all.

Leslie Snyder was second in conformation classes, third in oral reasons and third over-all. Sue Sherill was tied for third in

performance and was fourth in oral reasons.

"We're extremely proud of our team's performance," says Bernice Sietz-Garbe, Washtenaw County Extension 4-H youth agent. "They worked hard and practiced long hours to prepare for the event. It's a great honor to be the top team at a regional contest," she explains.

For more information about 4-H horse judging teams or any other 4-H project, contact Sietz-Garbe at the Washtenaw County Co-operative Extension Service office.

Seminar Held on Environmental Policy

The League of Women Voters of the Ann Arbor area and the Environmental Policy Institute presented a one-day seminar, Saturday, Nov. 14 at the Michigan League on "The Dependence Dilemma: Gasoline Consumption and America's Security." Community leaders in southeastern Michigan were invited to participate. Mrs. Alice Steinbach, teacher at Beach Middle school, represented Region 7 of the Michigan Environmental Education Association. The seminar was patterned after one held at Harvard University last spring. Others have or are being presented in Florida, Massachusetts, Oregon, Illinois and New Mexico.

Cassidy Lake Community Relations Council Report

A meeting of the Cassidy Lake Community Relations Council was held Sept. 14. Present at the meeting were Superintendent John Staten, Superintendent Camp Program John Mills, chairman Tom Hodgson, 23rd District State Representative Mary Keith Ballantine and secretary Mary Beth Dettling. Committee members met the new Superintendent of Cassidy Lake, John Staten. Staten expressed his desire to continue the support of the Council and felt the committee serves a vital role in keeping communications open between Cassidy Lake and surrounding communities. It was suggested that a questionnaire be devised and distributed to committee members for their input concerning goals and objectives for the Council. Tom Hodgson and Mary Beth Dettling will devise the questionnaire. Two new housing modules each able to house 30 residents will be installed in the central campus area. Housing units located in the north most section of the camp will be torn down as soon as legislation will approve. The new housing units will allow for better control and tighter security due to both the location and the centralizing of the counseling staff at Cassidy Lake. Each module will have a resident manager in charge of each housing unit. The openings for four officers have been filled. Superintendent Staten shared with the council that during the recent Jerry Lewis telethon 96 residents participated. For each participant McDonald's matched a hamburger and french fries. Superintendent Staten was very pleased with the participation of the residents toward the telethon. The minutes for the Council Meeting will be approved by Chairman Tom Hodgson and Superintendent Staten. The Chelsea Standard will receive a summary of the meeting for immediate publication. The next meeting for the Cassidy Lake Community Relations Council will be in January.

The Railway Labor Act's prohibition of employer interference or coercion in the choice of bargaining representatives was upheld by the U.S. Supreme Court in Texas & N.O.R. Co. v. Brotherhood of Railway Clerks in 1930, according to the U.S. Department of Labor's "Important Events in American Labor History."

Dear Mr. Editor:
Once again the special day of "Thanksgiving" is upon us. When we fill our minds with the many things we can be so grateful for. Our gift of life. We are breathing, living beings. Forgive us Lord when we take the ordinary abilities for granted. We see the all beautiful world around us, and sometimes we fill our eyes with tears of joy, or sometimes sorrow. Tears that wash the eye, to see more clearly. Blessed are they who do not see with their eyes, but see with their heart. Thank You, for the gift of hearing sounds of voice, motors, birds, music, laughter. Blessed are they too, who hear from the feel of vibrations, and read lips, everything is so very precious to them. For vibrations and touch, and reading lips are their ears. Thank You, for the ability to walk and run. To stand up tall. Blessed too, are those who do not walk, and are confined to wheelchair, walkers, or bed. Their courage, their emotional ups and downs, their constant striving, their acceptance of limitation, is a living lesson for us all. They are the real heroes.

Enroute to Looking Up Other Things.
As we all are aware the mail received in our mail boxes each day is mostly classified as "junk mail." In my case two-thirds is promptly discarded. But one day last week, "Enroute" through my stack of "junk" I found an appeal for a suggested donation entitled: "M-I-G-H-I-G-A-N" Fund. (Mankind in Close Harmony—Intelligent—Generous—Ambitious—Non-violent). Having lived most of my life in Michigan, of course, I became interested. To my surprise this was not a direct appeal for a monetary donation, but only an exploratory suggestion for a future appeal.

The main theme of this pamphlet seemed to suggest that the peoples of Japan, Taiwan, Hong Kong, West Germany and the Carolinas (USA), should set-up a relief fund to aid the peoples of S.E. Michigan, who can no longer compete, in spite of their industrial skills, in the world markets.

I consider this suggestion worthy due to the fact that the area needing this aid is the cradle of America's industrial might, as well as the cradle of the world's automobile industry. On reading the letter by Jack Hamlin, Rockwell Unit, chairman Local 437 UAW, Chelsea, (Re: The Chelsea Standard, Nov. 10, 1981) I didn't realize what a precarious position this industrial area was up against.

If this "M-I-G-H-I-G-A-N" Fund organization is headquartered, or maintains an office in the "Carolinas," I certainly will make every effort to promote their cause.

NATIONAL CHILDREN'S BOOK WEEK: Special activities were held Nov. 16-20 for students to become more aware of books. Activities at North School included making books and playing "popcorn bingo" to learn the parts of a book. As a special treat, some third and fourth graders entertained and shared books with kindergarteners. Craig Lane, left, and Brian Brock, found a book which both enjoyed.

Auditions Scheduled Dec. 5-6 For 'Plaza Suite' Try-Outs

Friends of the Chelsea Players held their monthly board meeting at the home of Bob Wheaton Tuesday evening, Nov. 17, to discuss plans for their upcoming late February dinner theatre production of Neil Simon's "Plaza Suite."

After a report by Julie Vorus on several production decisions, each board member selected a committee to head or work on. Joan Wolf, president of the Friends of the Chelsea Players, said "We would very much like to get the community more involved in our civic theatre group and are urging anyone who is interested in working on any aspect of the production to attend our general interest meeting on Tuesday, Dec. 1." The meeting will be held at 7:30 p.m. at the First United Methodist church on Park St.

The famous three-act comedy, "Plaza Suite," enjoyed a long run on Broadway and was selected by the Chelsea Players not only because of its easy adaptability to a dinner theatre format, but also because the Players felt a play of this caliber would generate more community involvement.

Scripts will be available at the Dec. 1 meeting for anyone auditioning for the six female or five male roles. Scripts may also be checked out from Joan Wolf at 475-9578. Auditions will be held at the First United Methodist church on Saturday, Dec. 5 and Sunday, Dec. 6 between 1 p.m. and 5 p.m.

Third Graders Cook Turkey Thanksgiving Feast

Mrs. Daniels' third grade class at South Elementary school indulged themselves Thursday in a true Thanksgiving Feast. The students in Mrs. Daniels' class have been preparing and anticipating their holiday meal during the preceding week.

As preparations got underway the students were responsible for cooking the complete Thanksgiving dinner. Helpful mothers and the little chefs baked pumpkin pies and adorned a turkey with all the trimmings.

The students also are presenting a Thanksgiving play, portraying the trials and tribulations associated with a typical day in the life of the Pilgrims at the time of the first Thanksgiving.

Stephen Foster's Suggestion Loses in No Smoking Contest

Stephen Foster of Chelsea recently entered a quit smoking letter writing contest and was named one of the three Michigan finalists. Janet MacAlnsh, a Howell woman, however, was named the winner of the contest sponsored by the American Cancer Society.

Stephen's no smoking suggestion involved buying 100 balloons and blowing them up before giving into the urge to smoke. MacAlnsh's technique involved snapping her wrist with a rubber band.

Mrs. MacAlnsh won a trip to Hollywood and dinner with Larry Hagman, chairman of the 1981 Great American Smokeout.

DINNER-THEATRE PRODUCTION: Jan Koenigter, director, and Brian Meyers, technical director, discuss Chelsea Players' upcoming production of Neil Simon's "Plaza Suite." Scripts are

available Dec. 1 or by contacting Joan Wolf. Auditions are scheduled for Dec. 5 and 6. Community involvement is encouraged in any aspect of the production.

Thanksgiving Traffic Expected To Be Heavy

Safe driving by motorists on Michigan highways over Thanksgiving week-end can continue this state's year-long decline in traffic deaths, according to the Automobile Club of Michigan.

"So far this year, traffic deaths are approximately 13 percent below the 1980 toll," said Robert Cullen, Auto Club's Safety and Traffic Engineering manager. "On Nov. 8, there were 1,310 traffic deaths as compared with 1,508 for the same period of 1980."

Cullen cautioned that last

Thanksgiving week-end marked the first time since 1977 that traffic fatalities increased on that holiday.

Michigan's Thanksgiving week-end death toll declined from 32 in 1977 to 18 in 1978 and 27 in 1979 before rising to 32 last year.

Cullen cited darkness, two-lane roads and driving in familiar surroundings as the major factors in the 32 deaths recorded during the 102-hour Thanksgiving period in 1980.

More than half of the fatal accidents occurred in darkness and about 80 percent were on two-lane roads and within 25 miles of the driver's home.

Thanksgiving week-end driving traditionally is only about half that of a summer holiday week-end, and this year's travel is expected to equal the 1980 holiday—about 350 million miles traveled from 6 p.m. Wednesday (Nov. 25) to midnight Sunday (Nov. 29).

Heaviest concentrations of traffic should be in the Detroit area on Thanksgiving Day (Nov. 26). The annual Thanksgiving Day parade in downtown Detroit is expected to attract more than 500,000 persons. The parade starts at 9:25 a.m. at Woodward and Putnam and proceeds south on Woodward to Fort, where it is expected to wind up about 11 a.m.

The Detroit Lions' game at the Silverdome is traditionally a sell-out on Thanksgiving Day, and close to 80,000 persons should descend on the stadium in Pontiac to

see the Lions and the Kansas City Chiefs.

Kickoff is scheduled for 12:30 p.m., but football fans should be in the stadium area at least one hour before. Motorists will encounter heavy traffic on I-75 near Pontiac one hour before and after the game, which should end around 3:30 p.m.

The final week-end of the firearm deer season also will result in heavy concentrations of deer hunter traffic on the state's freeways the Friday and Sunday after Thanksgiving.

Lady Cagers Pound Opponents for Wins In Two Final Games

Chelsea's girls varsity basketball team closed out its regular season with two victories last week, posting a 42-34 Parent's Night win over Lincoln and bringing home a 42-35 win against Novi.

The Bulldogs' senior trio of Amy Unterbrink, Shelly Weber and Karen Kiel broke loose in their last home appearance for a combined 31 points and 32 rebounds. "It was the best game of the year as a group," said varsity coach Jim Winter. "They've never all clicked at the same time. I don't know if it was the Parent's Night or the last home

game or what, but I hope they keep it up."

Chelsea jumped out to a 10-6 lead at the end of the first quarter, paced by Unterbrink's seven points. At the half, they led, 20-13.

Second half play was fairly even until midway through the fourth quarter when the Bulldogs pushed their lead to 12. The Raisplitters rallied in the final minutes but could pull no closer than the final margin.

The victory closed Chelsea's SEC record at 5-7 which put them fourth in the league.

For their last regular season contest, the Bulldogs traveled to Novi to play a Wildcat team that had finished third in the KVC with a 10-4 record and stood 12-6 over-all.

If the visitors had any concerns about how they might fare against this tough foe, it didn't show in the first quarter as they blasted out to a 14-6 lead.

"It was a good offensive quarter for us," explained Winter. "We weren't throwing the ball away like we have been and we were getting good shots. We were rebounding at both ends of the floor."

That first quarter production was spread around with Amy Hume, Kiel and Unterbrink each hitting four points.

If balance was the key in the first quarter, Amy Unterbrink was the key for the next three. Seven markers gave the senior center 21 for the game along with 14 rebounds and five blocked shots.

"Amy dominated things but didn't do it all herself," commented Winter. "We shot 38 percent and were moving the ball well. That takes a good team effort and that's what we had."

The win left the Bulldogs with a 9-10 regular season mark, heading into tournament play at Jackson Lumen Christi.

Girls Down Hillsdale In Cage Tourney Play

Chelsea's lady cagers opened tournament play last week at Jackson Lumen Christi with a 49-23 win over Hillsdale.

"It wasn't a real exciting game," said Bulldog coach Jim Winter. "Hillsdale hadn't won a game all year and we jumped ahead early. Our biggest problem was keeping our intensity and making sure we played aggressive basketball."

The Bulldogs did that in the first half, racing to a 30-10 half-time lead. Hillsdale could not find a way to stop Chelsea's inside game. Amy Unterbrink and junior forward Missi Lazarz hit

The course for skiers of all ages will be taught by Bork Yanik and will be held Tuesday evenings, between the hours of 7 p.m. and 8:30 p.m. in the Beach Middle school gym. There is a \$12 fee for the five-week get in shape program.

Swimmers of the Week

THIS WEEK'S FEATURED SWIMMERS are Becca Lee and Sandy Young, a freshman and sophomore at Chelsea High school. Lee has contributed much to the team's successful dual meet season. "Becca is quite a versatile swimmer for us," explained Coach David Johnson. "She can sprint, she can swim distance and she can do the

IM quite well." Becca has qualified for the State Championships on both the medley and freestyle relay teams. After a year off from swimming, sophomore Sandy Young has come back to provide some extra depth for the squad. Her specialties are backstroke and sprint freestyle.

All-Region Girls Basketball Honors

All-Region girls basketball teams were announced last week with Candi Ianni of Dexter, a 5'7" junior forward-guard, cited on the first team with an average of 16 points per game while playing on a team which tied for last place in the Southeastern Conference.

On the second team, Amy Unterbrink of Chelsea, a 6'1" senior center, received honors. Amy scored nearly 14 points and pulled down 14 rebounds per game all season and compiled a total of 60 blocked shots this year.

Receiving honorable mention were Lynn Grabczynski of Dexter and Amy Hume and Beth Unterbrink of Chelsea.

In rushing, Chelsea's John Preston placed second with a total of 1,022 yards, behind first-place Dan Johnson of Ypsilanti Lincoln who broke Derrick Tolliver's 1980 record of 1,339 yards rushing. Rob Knickerbocker of Dexter placed ninth with 590 yards this season.

Leading the top 10 in receiving yardage was Chelsea's Jeff Lan-

tis with a total of 805 yards while second place was clinched by Dave Stasiak of Ypsilanti Lincoln with 395 yards. The record is held by Jeff Dills' 1979 record of 847 yards. John Preston of Chelsea placed fourth in the field of 10 with a total of 288 yards.

Rick Poljan of Chelsea and Randy Raiford of Dexter were selected as top blockers on their respective teams while Todd Sprague placed seventh in area tackling. Dave Midura of Lincoln took first place in the area with a total of 209 tackles, breaking the 1980 record of 181 held by Barry Otto of Dexter.

Ross Murphy and Craig Olmsted each pulled off four interceptions during the 1981 season, falling just behind Mark Veal of Saline and Rob Zimmerman of Clinton with five intercep-

tions apiece. The area record, held by John Dunn of Chelsea in 1979 and Mark Leider of Brighton in 1980, remained intact at seven interceptions.

Messiah Sing Organized in Ann Arbor

The 17th annual Community Messiah Sing, an unrehearsed performance of Handel's great oratorio "Messiah," will be held on Sunday afternoon, Dec. 13, at 2 p.m. at St. Clare's church, 2309 Packard Rd., Ann Arbor. As usual, the performance is for the enjoyment of the performers themselves, who serve as their own audience.

Music director and conductor of this year's Sing is Dr. Patrick Gardner, a professor of conducting at the University School of Music. Dr. Gardner is also director of the Michigan Men's Glee Club and of the University Choir, who will be giving a special holiday-season concert in Hill Auditorium on Friday, Dec. 11 at 8 p.m.

The "Sing" is open to all area musicians—singers and instrumentalists—professional, semi-professional, serious amateurs, young, old, parents, children, family groups, choirs, etc. Vocal scores and orchestra parts are furnished by the organizer, Emerson Hoyt, who also provides cold cider for the mid-point break. Participants are asked to bring along some cookies, doughnuts, or other goodies to share.

The Sing will begin at 2 p.m. sharp and singers should arrive by at least 1:45. All orchestra players should arrive by 1:15 for warm-up and briefing by the conductor, and should bring their own music stands. To insure a balanced and manageable ensemble, orchestra members are to pre-register with the sing organizer, Emerson Hoyt, 1410 Las Vegas Dr., Ann Arbor 48103, or phone: 313-7671-6099.

UNICEF Collects \$193.41 in Chelsea

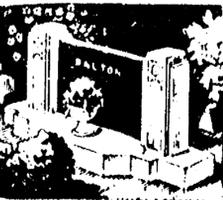

Church Women United have announced the results of the recent UNICEF Week observed in Chelsea. Through the efforts of boys and girls from several local churches, a collection of \$140.44 was made. Added to this was \$52.97 collected in donation boxes displayed in local businesses.

The Idea's Good, But The Name Won't Sell

Frenchman Pierre Lallemond presented his new idea for a bicycle on Nov. 20, 1886. His revolutionary invention was based on the use of a rotary crank. The fore wheel was axled to the jaws of a depending bar, which was pivoted in the frame and turned by a horizontal lever bar, which was revolved by a treadle crank. Lallemond rode the bicycle from Ansonia, Conn., to New Haven. The combination of bad roads and lack of a suspension system gave the bike its nickname, the "Bone Shaker." Henry Ford Museum in Dearborn offers a wide range of bicycles from high-wheelers to a staggering 10-man creation in its transportation collection.

MICHIGAN'S FUTURE in the area of high technology was the topic at a day-long seminar held at Michigan State University on Nov. 3. Area participants in the event included 23rd District State Representative Mary Keith Ballantine (standing) speaking to Gunner Myran, sitting at

Bar Association Offers Lawyer Referral Service

Washtenaw County Bar Association has started a county-wide Lawyer Referral Service (LRS) for the use of Washtenaw county residents and others seeking legal assistance in this area.

Referrals are given to telephone callers only. The system is simple: Persons needing legal help may call 761-6405, the LRS number. (Because the service is new its phone number is not yet listed in local phone books. It will be carried in the white and yellow pages of the directories to be published soon.)

The answering LRS staff person asks about the type of legal matter the caller wishes to discuss, then gives the caller the name, address, and phone number of an LRS participant who handles such issues.

The referral itself is free. However, callers are informed they can expect to pay \$15 for up to 30 minutes of the lawyer's consulting time. The \$15 is returned to the Bar Association for use in funding the Referral Service. The service is impartial. Lawyers names are given on a rotating basis from a master list of participants. All LRS participants are members of the Washtenaw County Bar Association as well as the State Bar of Michigan.

The Bar Association commenced the county-wide, public service enterprise partly as a response to the increasing demand for legal services as well as a way to fill gaps being created by reductions in the Legal Services of Southeastern Michigan, the "Legal-Aid" program. CARD OF THANKS
 I would like to thank my family and friends for the plants, flowers, cards, letters and long distance phone calls, also for the many visitors I received while I was in Chelsea Community Hospital for almost three weeks. Also, thanks to Joyce of Dr. Krausse's office for her fast and thoughtful actions. I couldn't have received better care than what I got from the nurses and staff at the hospital, especially many thanks to Dr. Krausse. There aren't enough words to express my thanks and appreciation to our daughter, Janet Poley and her husband for moving in and taking over my job at our house while I was in the hospital and since my return home. The many acts of kindness from everyone will always be remembered.
 Mrs. Ed (Betty) Green.

CARD OF THANKS

CARD OF THANKSGIVING
 During our recent tragedy, the loss of our Michael, God has shown us many areas we need to be thankful for. For Michael, for precious memories and love, whose life was once bright with promise, and ended by clouded confusion and torment due to brain damage from drug abuse. Thanks to wonderful neighbors, the type we thought existed only in memory. Thank-you for friends, whose prayers sustained us through the past difficult days, and who shared and showed support in unselfish ways. For Don Cole, for his special overseeing of our needs. Thanks to be a citizen of this country, which helped with expenses incurred with Michael's special needs. Thanks to God who loves us and offers us eternal life through His Son. I'm most thankful that Michael trusted Jesus, and even shared the claims of Christ with another two days before his death.

 Every year, inflation and rising property values increase the value of your home. And make it that much more expensive to replace should something happen to make it a total loss.
 But if you have an Auto-Owners homeowners policy with Adjusted Value Endorsement, you're protected. Because this modern Auto-Owners policy is designed to keep pace with rising values automatically.
 If you aren't covered by Auto-Owners . . . well, maybe you should be replacing your present insurance. Let us fill you in. Before you have to replace your home.

Good Things Growing In Michigan

By Margaret G. McCall
The second best thing about Thanksgiving dinner is the leftovers. I always buy the biggest turkey I can find to insure there'll be leftovers. What to do with them? Here are a few suggestions to start you thinking—you will add lots more.
Make extra dressing and refrigerate up to three or four days. Top with slices or chunks of leftover turkey, then leftover gravy or broth, and bake for a delicious supper casserole.
Dice leftover turkey for salad, and add any or all of the following, in whatever proportions you find most appealing: minced onion, diced Michigan apples, sliced Michigan celery, chopped green pepper. You can see we're talking here about Good Things Growing in Michigan. Add a little curry or ginger to your mayonnaise, and a little whipped Michigan cream. Serve with soup and rolls for a complete meal.

Combine diced turkey with cooked thin spaghetti, grated cheese, sliced fresh mushrooms and canned cream of chicken soup, for Turkey Tetrazzini. Heat in an oven casserole until bubbly, sprinkle with slivered almonds for crunch, and enjoy. A tossed salad is good with this.
Never throw away the turkey carcass. Simmer it with lots of water, an onion or two, the tops of some celery stalks, and a few carrots. After long simmering, strain and you have a rich flavorful broth for turkey-noodle soup with vegetables. The broth can be frozen for later use, too.
Combine leftover squash and mashed potatoes, fold in beaten eggs and melted butter (more good Michigan products), pile high in a greased shallow dish and bake until golden. Call it whatever you wish—it's a crowd pleaser.
