'Sno Use Denying It's Christmas

Decking the halls, icing up the highways and nipping at your nose, winter is finally here and just in time for a "White Christmas" a la Bing Crosby.

Mother Nature, who had so mercifully by-passed southeastern Michigan earlier this year and covered most of the Midwest and East coast with feet of snow, decided it was time to dump some of her fluffy white stuff on every hill and dale, every road and sidewalk.

Leery motorists nearly crawled up and down the expressways, taking each bridge and curve with a minimal amount of speed, hoping to spare themselves a needless trip into ditches that seemed to be everywhere in sight. Still, some icy patches hid under a light dusting of snow and surprised some drivers, sending their vehicles off the roads.

Nevertheless, with three inches of snow on local roads now, and an inch or two from the preceding week resting filthily beneath the latest snowfall, winter 1981 appears to be slowly but surely breaking motorists and pedestrians into the season filled with ice and snow, dead batteries and snow tires, cat litter and salt, electric blankets and mittens, snow shovels and skis and "it's beginning to look a lot like Christmas."

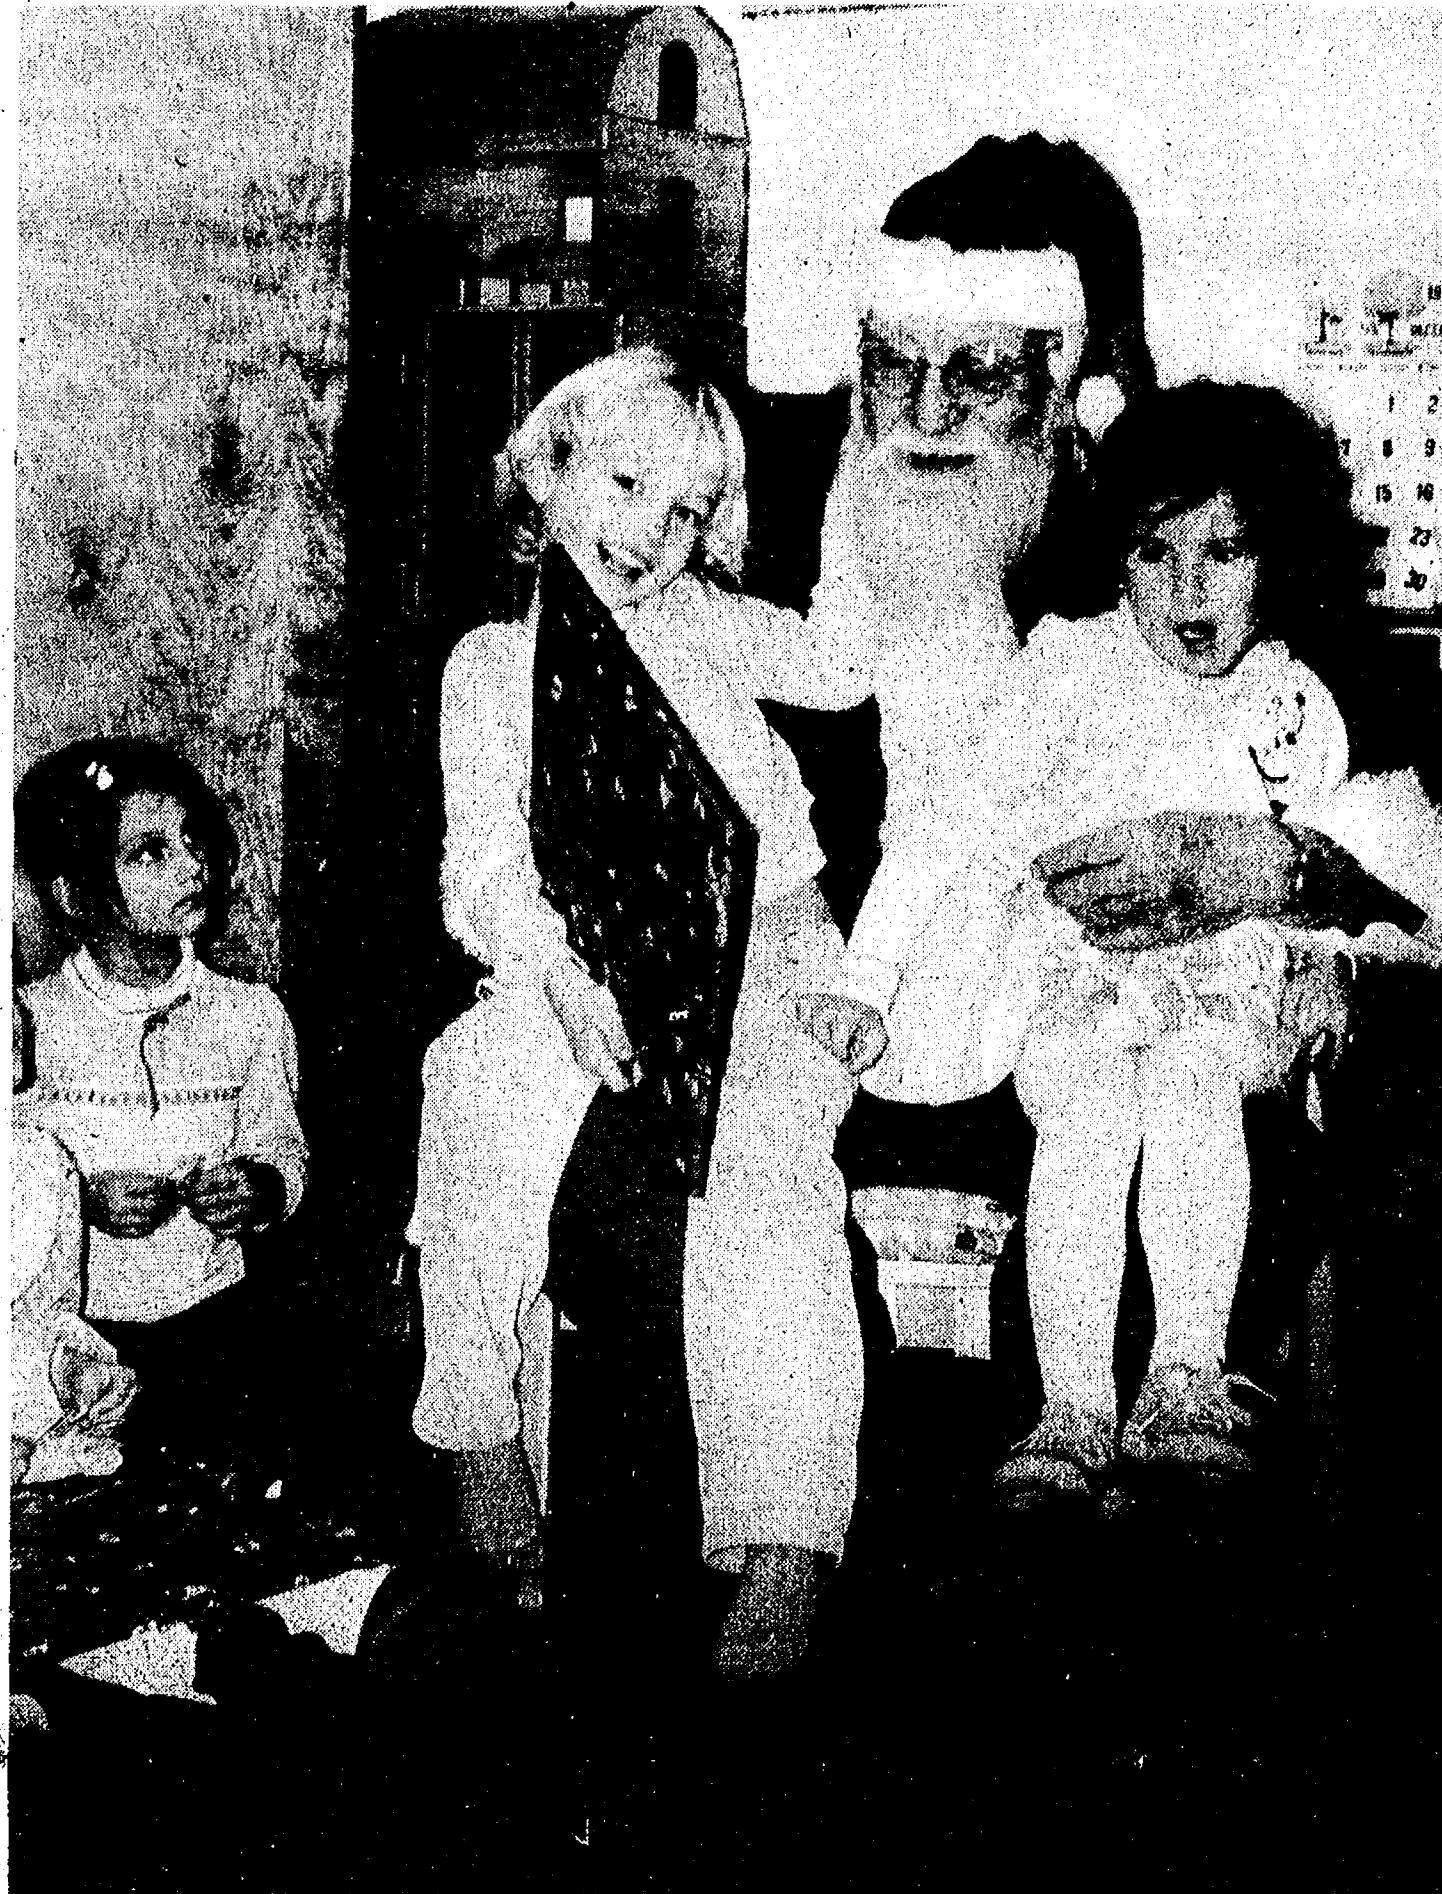

Gregory Teacher in Auto Crash

A Gregory school teacher had a brush with possible tragedy last Wednesday and escaped serious injury despite the fact that, according to Washtenaw County Sheriff's Deputy Michael Oltersdorf, it was the worst car accident he had seen in 10 years.

The teacher, Joan Boyce, 30, was traveling westbound on Miller Rd. enroute to work when she drove through a stop sign and under a semi heading south on Zeeb Rd. Lodged in the center of the semi-trailer, Boyce's 1978 Datsun was dragged about 100 feet.

With the roof torn completely off the vehicle, Boyce explained that she was daydreaming about Christmas vacation at the time of the incident.

Boyce was treated at University Hospital for minor facial cuts and released.

SANTA MADE AN EARLY STOP at North Lake Co-Op Nursery last week to spread a little pre-Christmas cheer to these three ladies. The trio of fascinated youngsters include, left to right,

Helene Steck, Christy Lousky and Nikki Brown. The man be-decked in red is, of course, Santa Claus.

Students Perform Well in Michigan Assessment Tests

The Michigan Assessment tests are administered every fall to all fourth, seventh and tenth graders. They provide information on what students are learning and doing compared with what administration wants them to know and do. The tests consist of selected minimum performance objectives in the subject areas of reading and mathematics.

The test was revised and the new version first used in 1980-81. Thus, the 1980-81 test results act

as a baseline for those of next year. The results are used individually and district-wide. Teachers use the results to work with the individual students and improve their areas of weakness, and the administrators and teachers used the district results for curriculum revision.

District-wide, Chelsea students did very well on the assessment tests. An average of all mathematics and reading results indicates approximately 82 percent of the Chelsea students

answered all of the questions at the highest attainment level.

The following proportions reports for reading and mathematics indicate the percentage of our students who attained approximately 75 percent or more of the objectives on the test. This information is given for grades four, seven and ten and indicates results for 1980 and 1981.

In reading, grade four received 81.8 percent in 1980 compared to 82.4 percent in 1981. Seventh graders attained 89.4 percent in 1980 while 1981 saw a drop to 83.6 percent as the attained average. The only group exhibiting an over-all higher percentage rate was grade 10 which found a 1980 average of 81 percent while 1981 produced an average of 89 percent.

The proportions report regarding mathematics found fourth graders dropping from 84 percent in 1980 to 82.4 percent in 1981. Seventh graders recorded an identical over-all percentage rate during the two years, holding steady at 82.5 percent. Tenth grade results improved by nearly 10 percentage points, from 63.8 percent in 1980 to 72.9 percent in 1981.

District-wide, the reading scores as indicated by the percentage of students in the top achievement category increased at grade four and grade 10 and declined slightly at grade seven.

The math scores declined at grade four, remained stable at grade seven and increased at grade 10.

The parents of Chelsea fourth, seventh and tenth graders will be receiving their individual student's results. Parents are encouraged to contact their child's teachers for further information or help for their children.

Susan Carter, testing coordinator for the Chelsea School District, indicates that the schools are pleased with student scores on a district-wide basis. In cases where a decline in scores is evident, this information is being analyzed and remediation procedures are being instituted.

Churches Highlight Christmas Season With Special Services

Chelsea churches will join together with their respective congregations this week to celebrate the birth of Christ.

The following is a brief summary of some of the local places of worship to offer special services in honor of the Christmas season.

Two candlelight Christmas Eve services will be held at St. Paul United Church of Christ, 14600 Old US-12. The first, at 7:30 p.m. Thursday, Dec. 24, is a family service, with the children of the chapel choir singing. The sermon by the Rev. Koch will be "A Christmas Miracle" and special music will be provided by Heather Grenier, Gayla Bauer, Jeannie McKeighan and Marie Koch.

The Christmas Eve Midnight service will begin at 11 p.m. with the sacrament of Holy Communion. The chancel choir will sing, and the sermon is entitled "Followers of a Distant Star." Both services will conclude with worshippers lighting their candles and singing the carol "Silent Night," one verse of which will be in German.

On Sunday, Dec. 27, St. Paul will observe end-of-the-year communion at 10:30 a.m., with the chancel choir singing. The sermon is entitled "A Hand Laid Gently Upon Us."

Zion Lutheran church, Rogers Corners, will celebrate two Christmas Eve worship services as well. The first, beginning at 7:30 p.m., will be a Sunday school

family service with the theme of the service being "Christmas is Jesus." A candlelight midnight service will be held as well, beginning at 11 p.m. and featuring the sacrament of Holy Communion.

On Christmas morning, Dec. 25, a family birthday worship will begin at 9:30 a.m. with the Joy-makers and senior choirs singing. A New Year's Eve service will begin on Dec. 31 at 7:30 p.m.

St. Barnabas Episcopal church will celebrate the Christmas holiday with a Christmas Eve service beginning at 10 p.m. and including lessons, carols and mass. At 10 a.m. Christmas Day, worship will again take place with mass.

North Lake Methodist church will hold a Christmas Eve worship service on Dec. 24. Beginning at 7 p.m., the service will follow an old-fashioned candle and carol theme.

First United Methodist church on Park St. will celebrate the birth of Christ with a Christmas Eve family service beginning at 7 p.m.

Chelsea Free Methodist church, located on Werkner Rd., will also sponsor a Christmas Eve candlelight service while Faith Evangelical Lutheran church will begin its Christmas Eve family service at 7:30 p.m. On Christmas Day, the church will begin its Christmas worship service at 10 a.m. while the choir will sing. Then, on New Year's Eve, Faith Evangelical will hold its worship service, beginning at 7:30 p.m.

St. Mary's Catholic church will begin its Christmas celebration on Thursday, Dec. 24 with carols getting underway at 5:45 p.m. Mass will begin at 6 p.m. Then, at 11:45 p.m., Christmas Eve caroling will begin, followed by a midnight mass service.

On New Year's Eve, St. Mary's will feature mass at 6 p.m. and New Year's Day masses will be celebrated at 8 a.m., 10 a.m. and 12 p.m.

Churches not included in the capsule of Christmas and New Year's services may be contacted regarding their holiday worship schedules.

Spaulding for Children Has Busy Fall Season

Spaulding for Children, a Chelsea-based adoption agency for multiply-handicapped children, formerly considered to be "unadoptable," has had a busy fall season.

A new office was opened in Detroit and in late November, an "adoption party" was held in Detroit, featuring adoptive parents coming in one-to-one contact with waiting children. This was the first time such a "get acquainted" party was held and featured Detroit newscaster Doris Biscoe, who has had success with her weekly adoption feature "A Gift of Love" on Channel 7, as the guest speaker.

During the second week of December, the salaried employees at the Saline Ford Motor plant visited Spaulding on Waltrous Rd. to provide their yearly donation to the non-profit organization.

Employees at Spaulding also recently published a book to assist caseworkers regarding multiply-handicapped and developmentally disabled children and the assessment of their special needs as required in order to locate adoptive homes

for them. Its distribution has just begun.

And, last but not least, the annual Christmas party for the sponsored children was held at the Spaulding home during the week-end of Dec. 12 and 13 with all the traditional yuletide trimmings. Adopted youngsters and their families enjoyed an afternoon of pre-Christmas celebration.

Hospital Patients May Have Guest for Christmas Dinner

Patients hospitalized at Chelsea Community Hospital over Christmas will enjoy a home-like Christmas dinner.

Patients are urged to invite a relative or friend to join them for Christmas dinner, courtesy of the hospital.

A special menu of roast prime rib of beef and all the trimmings is planned. The special dinner will be served at the noon hour. Patients and guests are encouraged to enjoy their holiday meal in the Hospital's home-like atmosphere.

Residential Activity Director Joins St. Louis School Staff

St. Louis School for Exceptional Boys has recently hired 29-year-old Rick Dybal to take the position of residential activity co-ordinator. His first day on the job was Tuesday, Dec. 1.

Hailing from Flint originally, Dybal currently resides in Ann Arbor with two dogs and a cat. He earned a bachelor of science degree from Eastern Michigan University in 1974, majoring in social sciences and minoring in child psychology.

Not a newcomer to St. Louis, Dybal spent part of 1976 and 1977 working there. Too, he was employed by a psychiatric hospital as director of personnel. Later, he held positions at High Point Center and at the Washtenaw Association for Retarded Citizens (WARC). After taking time off to visit friends in Colorado (where he also spent time working at a boys farm), Dybal returned to Michigan and St. Louis School where he replaces Fr. Salvatore who has returned to Italy.

At St. Louis School, Rick is in charge of writing programs for the residents and seeing that the child care workers implement them. Too, he serves as a sort of trouble shooter or liaison between staff and residents. In effect, again he serves as a director of personnel.

RICK DYBAL recently filled the position of residential program co-ordinator at St. Louis School for Exceptional Boys. Taking the job on Dec. 1, Dybal fills an opening left by Fr. Salvatore who returned to Italy and serves as the necessary liaison between staff members and between students at the Chelsea facility.

JACK WINANS AND SANTA got together Saturday to choose a winner of the Chelsea Sweepstakes and free trip for two to Toronto. Tak-

ing place at the Chelsea Woodshed, Winans and his yuletide cohort selected the name of Alice C. Hand of 11771 Welman, Pinckney as the lucky winner.

Interest Rate Deregulation Dropped; Floating Rate Probable

Legislative leaders have reached an agreement to negotiate new interest rate ceilings for consumer loans and further have agreed to drop the push for near total interest deregulation.

The interest rate package has also been postponed until the first of next year when the Legislature returns for the second year of the two-year session.

Governor William G. Milliken has additionally narrowed the outlines of his positions so the Legislature will have acceptable executive office outlines in which to work.

The effort will focus on writing a package with a floating interest rate ceiling, except for rigid maximums for land contracts and bank credit cards.

Following a meeting with the Credit Coalition of Michigan, a group of banking interests, and legislative leaders on the subject, Representative William Keith (D-Garden City) said the parties had also agreed in principle to legislation providing for an over-

ride of federal deregulation policies, except on first mortgages.

Keith said the governor's recent comments that he could accept a package that set a floating cap at between 8 and 10 percent above a six-month treasury bill rate has helped negotiations because it gives the discussion some focus.

He indicated that lower rates would be unacceptable to the governor.

Keith said the coalition had issued a position paper saying it recognized it would be nearly impossible to get a package deregulating interest rates up to the 25 percent criminal usury level.

However, the same paper indicated the group would be opposed to setting a floating rate at as low as 5 percent above the federal note rate.

So far the discussion on where the cap will be set ranges on a level from 5 percent pushed by labor and Democratic leaders to 10 percent over the treasury bill rates.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Bug Hookm told the fellers at the country store Saturday night that the first thing he was wishing for everybody this Christmas is a reminder of that verse in the Bible that says "Be still and know that I am God." As the day gets closer folks go faster, Bug said, and he was of a mind that they git in such a hurry that they ferget what they're hurrying about.

General speaking, the fellers was in the right frame of mind for the spirit and joy of the season. On account of they move slow at all times they were full agreed folks ought to pay more mind to why they're wearing themselves to a frazzle and take time to enjoy one another. Usual, the sessions are full of discussions that have a right side, a wrong side and Ed's side, but Saturday night everybody stood foursquare fer peace on earth and goodwill toward men.

Even Ed that has voted the straight Republican ticket more than 50 year had kind words fer Democrats. He said most of them are good loyal misguided Americans. Democrat, Clem Webster rose to the bait. He allowed Ed was right about the misguided, but wrong on the good and loyal. It took a heap of adde headed Democrats to help Republicans carry 44 states fer Mr. Reagan, Clem said, and they've been taking shock therapy ever since. But whatever party is in charge in Washington allus manages to come up with an encouraging word on business about this time of year, Clem went on, so folks will git to feeling better and loosen up their pocket-books during the Christmas shopping season.

Zeke Grubb with Clem. As far back as he could recollect, Zeke said, the outlook allus looks better in December, and in recent days he has saw where interest rates are coming down in 1982, more houses are going up, unemployment is coming down and car sales are going up. There's a heap of ups and downs in life, but only in December are

both good fer what ails the country, was Zeke's words. At any rate, he went on, the President and Congress now are safely out of Washington for the holiday. Most of the legislators have took their families on fact finding trips to warm countries, and the rest are at home mending political fences, Zeke said, and either way the taxpayers are gitting a break, and that's cause fer great rejoicing in the land.

On the sad side, Clem said another way to tell we're in the Christmas holidays is the jump in traffic deaths. This is the season that makes folks drive more fast and reckless than ever. He said them that ain't driving fast is driving drunk and the fast driving animal loose in the world.

Personal, Mister Editor, I hope this is a time of year children in this country git to see their parents. I saw where 54 percent of children under 18 years old, and 49 percent under six have mothers that work outside the home, and more than eight million of these children live in one-parent homes.

Yours truly,
Uncle Lew

One major area of the issue not yet resolved is whether the cap will be tied to the treasury bill discount or to the coupon rate.

The coupon rate is what a note will actually yield compared to the interest rate on a note when it is sold.

Some consumer loans would be affected differently.

First mortgages could still go up to 25 percent as they have since 1969.

Discussions now center around letting second mortgages also go to the 25 percent rate though that could prove very controversial.

Discussions on land contracts would set them at 15 percent compared to the current maximum of 11 percent.

On credit cards, Keith said he favors a maximum of 1.75 percent per month, an effective annual rate of 21 percent while retailers favor a 2 percent a month, or 24 percent a year rate.

Before the package is agreed to, Keith said, there will be discussions between Milliken and House Speaker Bobby Crim of Davison to get a better understanding of what floating rate that they could accept.

Milliken would not be more specific, in declaring what he would accept, than to say a floating rate of 8-10 percent above the treasury bill rate.

The Michigan Bankers Association, a member of the coalition, said the 8 percent rate, or its equivalent, is the lowest acceptable rate.

The push for total deregulation was dropped after it became evident in the Legislature that the necessary 3/5ths vote in both the Senate and House was not possible.

All banking legislation requires a 3/5ths majority for passage.

North Lake Co-Op Nursery Celebrates Christmas Season

North Lake Co-Op Nursery celebrated Christmas twice this month. The first celebration was a Christmas gathering given in honor of teacher-director Loree Stafford. Past and present members came to enjoy an evening of fellowship, fun and music and good things to eat. Later, Rochelle Martinez-Mouilleseaux entertained the group on her harp.

There was a time for sharing, where past and current presidents of the nursery school related memorable experiences from their terms as leaders of the school and each expressed how Mrs. Stafford, in particular, had influenced their's and their children's lives in invaluable ways.

Following the presidents, came the presentation to Loree of a beautiful sketch by Cathy Muha of the school's playground, a plaque in her honor and the announcement that the playground will bear her name on a sign reading "Mrs. Stafford's Playground." The talents of Jim

Daniels are being donated in the creation of the sign.

The evening was extra special as a surprise to Loree; too, the party was a well-kept secret from most of the present members.

The Christmas gathering ended with an auction of all Christmas ornaments and hand-made wreaths that members brought to raise money needed to operate the nursery.

The second celebration was for the children's last school day before the holidays. Excitement was building at home as the kids anticipated a special visitor from the North on this day. And they weren't disappointed. Santa Claus arrived in a flurry with gifts for everyone: the three-year-olds received adorable hand puppets that could serve as face cloths, wrapped and tied with an ornament. The afternoon four-year-old session received a goody-filled carry-all bag and the morning four-year-old class received a special North Lake Co-Op Nursery School game. Needless to say, Santa was well-received by all.

VFW Auxiliary Members Hear Reports on Various Projects

The Chelsea VFW Auxiliary met Monday, Dec. 14 in the Veterans of Foreign Wars Hall with nine members attending.

Cheryl Fletcher was elected to membership and was immediately initiated. Americanism chairman Eulahlee Packard reported that a flag was presented to Brownie Troop No. 301, located in the Irish Hills area. Refreshments were served to the 19 girls in the troop by the two members making the presentation, Lucy Platt and Eulahlee Packard.

A flag is on order for presentation to the local karate class. Further details will be available later.

Cancer chairman Lucy Platt read a "thank you" from the Sixth District cancer chairman relating that the district bazaar was a huge success. The local chairman turned in \$250, with more returns being received. The budget is set at \$270 and the current response is very gratifying and allows the necessary funds to further the Sixth District projects.

Fran Zatorski reported on the 60th anniversary of the "Buddy Poppy" program. The Auxiliary will be requested to help make some of the 60 centerpieces from VFW Buddy Poppies for the celebration.

Mary Erskine reported on the success of the Auxiliary's Christmas bazaar, stating that the merchants had a combined bazaar for non-profit organizations on Wednesday, Dec. 16 in the VFW Hall.

Marlen Johnson gave a detailed report on the special games night held for the benefit of the local firemen's equipment needs. This will allow them to purchase these necessities. The results were very gratifying and Johnson conveyed her thanks to all persons concerned, especially the local merchants who helped make this project feasible.

Reports of the Sixth District meeting held in Mason on Dec. 6 was given by Gertrude O'Dell, Lucy Platt and Eulahlee Packard.

Fran Zatorski reported on the Christmas pot-luck supper held Saturday, Dec. 12. A total of 28 members were present.

Mary Erskine reported on the bell ringing on Dec. 1, for the Ann

Arbor Salvation Army chapters, stating it was a very gratifying experience. Five Auxiliary members and two non-members took their turns.

The charter was draped for 60 days in memory of Rosalie Schill, a past president who died recently.

A total of \$20 was allowed for special treats at the coffee hour to be held Wednesday, Dec. 23 at the VA Hospital. This will be on Wednesday instead of the usual Friday morning coffee hour. The chairman, Lucy Platt also announced that an evening hospital party is to be held on Tuesday, Dec. 29 and requested, sandwiches and assistance from those present. Anyone wishing to assist or furnish foods is requested to contact Mrs. Platt.

The Auxiliary voted to cover the dues of a member who lives away from Chelsea and is ill.

A total of \$35 was allotted to the department chairman, Lorraine Stewart, to be divided among kitchens throughout the state where hungry and needy people are fed. This will be done again from time to time as the need arises. The motto of the VFW is "to honor the dead by helping the living" and it is a civic duty to help give relief if possible.

A 25 cent per member fee was allotted to the national quotas and \$1 was allowed toward the VFW national president's visit to Lansing from Jan. 29-31 at the department's mid-winter conference.

The report of November's Sixth District inspection meeting was read in detail and accepted as reported by the Sixth District president, Norma Tishma.

Lucy Platt, Voice of Democracy chairman, reported that Tim Benjamin was the local winner of the contest and also in the Sixth District, and will go on to the department competition. The late Carl Benjamin was a past commander of local post No. 4076 as was Tim's grandfather, Guy Weatherwax. His mother, Lorraine Benjamin and grandmother, Gladys Weatherwax, are long standing Auxiliary members. The local group can be very proud of the family patriotism and participation.

The next regular meeting will be on Jan. 11, beginning at 7:30 p.m. in the VFW Hall.

Ladies Swim, Trim Course Starts in January

The ever-popular Ladies Swim and Trim course will begin its winter session during the week of Jan. 11 with classes meeting each Tuesday and Thursday from 8:30 p.m. to 10 p.m. at a fee of \$15 for residents of Chelsea and \$22 for non-residents.

This class is designed to provide exercise and social enjoyment and demands no required level of swimming. It is not an instructional swimming class but rather a means of slimming in a relaxing, social atmosphere.

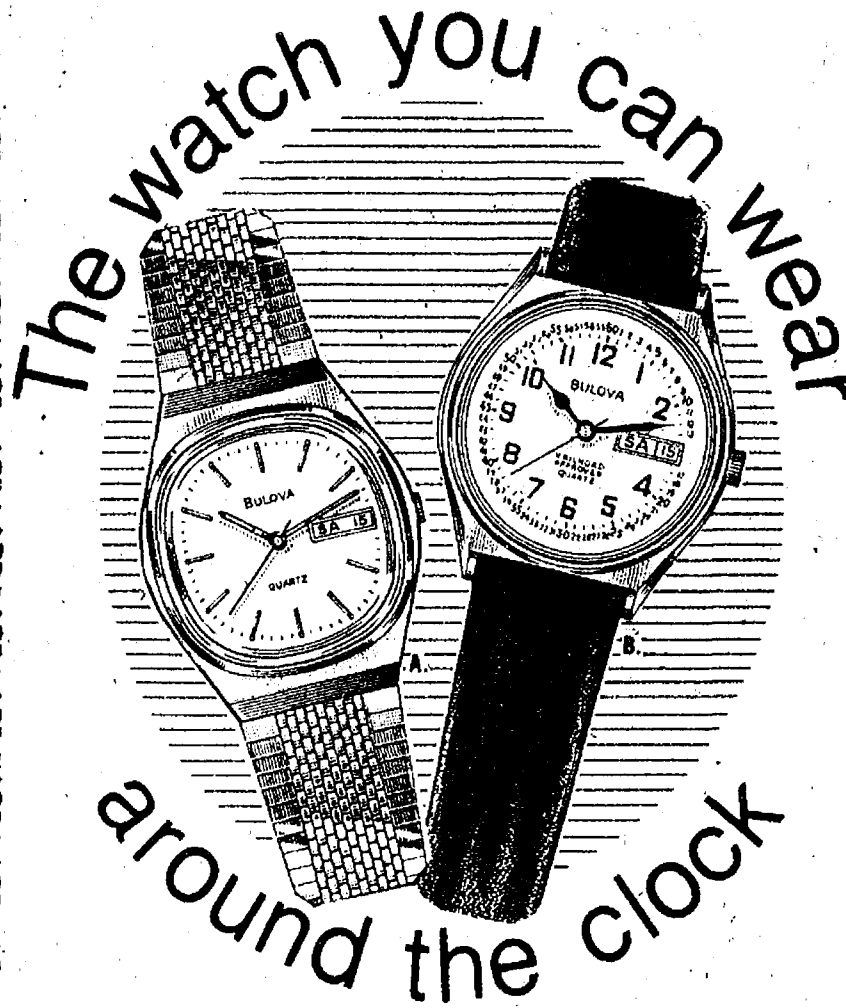

Advanced registration is possible by completing and mailing the registration form to the Community Education Office or by calling the Office at 475-9830 during business hours.

After the first class meeting, registration may be completed at the Charles S. Cameron Pool.

Woman's Club Participants in Community Bazaar

The Woman's Club of Chelsea participated in the community bazaar held Wednesday, Dec. 16 at the VFW Hall. The event was sponsored by the Chelsea Merchants Association and included a bake sale. Serving as chairman of the community service committee was Kathleen Heeter.

Cub Scout Pack Awards Presented

The December meeting of Cub Scout Pack 435 was held on Thursday, Dec. 17 at North school.

After the meeting was called to order by Cubmaster Don Pambin, the Wolf Den led the flag ceremony. A few announcements were made and then awards for the Bear and Wolf Dens were presented.

Ryan Anderson received his Wolf badge while Karl Wikman and Matt Anderson received their Bear badges.

The Webelos Den then took the floor. They answered questions and showed drawings they had made while working toward several badges. They also demonstrated the catapults they had made. A short program was then presented by the Webelos on the origin of some of the Christmas carols. They and their parents then sang some carols for the entire pack.

Awards were handed out to the Webelos. John Collins, Brian Feldman, Tim Maurer, Doug Neal, Kevin Rail, Matt Schweiger, Kelgan Stitt, Mike Thompson and Chris Walter each earned the engineering badge under the direction of Mr. and Mrs. Paul Likavec.

Under the direction of Mr. and Mrs. Doug Rail, the following boys earned the artist and showman badge: John Collins, Terry Draper, Brian Feldman, Tim Maurer, Doug Neal, Kevin Rail, Matt Schweiger and Chris Walter.

The meeting ended with the breaking of a pinata made by the Webelos. Refreshments were enjoyed by all.

The next meeting will be on Thursday, Jan. 28.

34 Years Ago . . .

Thursday, Jan. 1, 1948—

The Board of Education of the Chelsea Agricultural district is considering adopting a system which will provide for the registration of school electors, voting by printed ballot and the nomination of candidates for board members by petition.

Installation of officers was held at the regular Kiwanis meeting held Monday evening in the Municipal building. New officers of the local club include Dr. Parker Sharrard, president; John Kuesch, vice-president; Paul F. Niehaus, secretary; and H. T. Moore, treasurer.

Nine persons were taken into custody Friday night, about 9:30, on a charge of disorderly conduct, according to a report by Officers George Doe and Frank Reed, who with the assistance of three members of the Sheriff's department, made the arrests at a residence on W. Middle St.

Square Dance Class Series Organizing

Chelsea Community Education and Recreation Council will offer locals a chance to try their hand at square dancing as Mr. and Mrs. Glen Geer will teach participants the basics in Western square.

Registration for beginning, intermediate and advanced square dancers will begin Monday, Jan. 4 and high school through adult-age dancers are welcome.

The pre-registration cost is \$25 per couple though a \$3 per couple per night fee is also available as an alternate form of payment.

It is hoped that if enough interest is generated, a Chelsea Square Dancers Club will be started.

Beginning Tuesday, Jan. 12 and running through Tuesday, March 16, the class will meet from 7:45 p.m. to 9:30 p.m. at South school.

Class size is limited to 32 persons.

Letters to the Editor

To the Editor:

This letter is being written to hopefully help someone avoid the tragedy my family suffered two years ago this week.

Please, be aware of the fact that carbon monoxide gases can escape a faulty furnace and kill if you are not aware of the warning signs.

There is no odor or smell of this gas; but, there are other signs. If you, or anyone else who is in your house for any length of time, suffers from headaches, sleepiness, or seems to have the flu for no apparent reason, please have your furnace checked. Another sign is, even though your house plants get plenty of tender loving care and still are losing their leaves there could be a gas leak in your furnace. PLEASE, PLEASE GET YOUR FURNACE CHECKED.

Nothing can bring my father back to life; or take away the memories of watching five more members of my family in the hospital trying to shed the effects and shock of carbon monoxide poisoning. But, maybe, this letter can help another family from suffering this kind of loss.

Merry Christmas to all of you. Nancy (Mshar) Bihlmeyer.

Fires can be easily ignited as a result of dry harvesting conditions. It's a good idea to always be prepared by carrying a fire extinguisher on farm equipment.

Dear Cat Owners:

Vaccination of your cat against rabies is of important health significance.

Recently, rabies was identified in the pet population in Detroit and the state of Illinois. In November, rabies was also identified in the wildlife population of Washtenaw County. Because of this, the Dexter Animal Clinic strongly recommends the vaccination of cats against rabies at this time; of course, vaccination of dogs is required.

For an appointment or answers to questions regarding this subject contact us.

Christmas Featured at Ruth Circle Meeting

Christmas spirit prevailed at the Crippen Building, Garden Apartments, on Wednesday, Dec. 16 where the Ruth Circle of the Christian Women's group met for their monthly meeting.

Mrs. Elaine McCalla was the gracious hostess for the afternoon and had charge of devotions. An interesting, true Christmas story, entitled "A Humble Manger," was read.

Tasty refreshments were served and Christmas carols were sung.

Alan Forrester has been transferred from being in Systems Support in Northern Telecom, Inc., in Ann Arbor to Marketing Support Manager for the company in Bloomington, Minn.

Indian Christmas

Indian farming, which was adopted early in the Colonies, even had an indirect link to Christmas. Among the first decorations on holiday trees were strings of popcorn, likely to resemble snow-tipped forest branches. And popcorn, like most maize culture, came from Indians.

Jeff Lantis Named All-State Gridder

Chelsea has never before had an All-State football player but this year 6-foot, 185-pound Jeff Lantis has been put at the top of the list as a first team All-State Class B player as selected by a consensus made up of The Detroit News and the Associated Press (AP) and United Press International (UPI) wire service polls of high school coaches. Being named All-State is his reward for four years of hard work and the choice is understandable.

Lantis holds virtually every career record at Chelsea High school. He holds every CHS receiving record but one, the most receiving yardage in any one season, set by former teammate Jeff Dils. Nevertheless, Lantis holds the Chelsea record for most career yardage (1,363), most career catches (94), and most catches in any one season (51) and most touchdown receptions (16). This past season, Jeff was responsible for catching 51 passes, good for 805 yards and 10 touchdowns.

According to Coach Gene LaFave, Jeff is an outstanding worker who, many mornings during the season, worked on his pass patterns to perfect his techniques. He is a very fine leader deserving of his All-State honor.

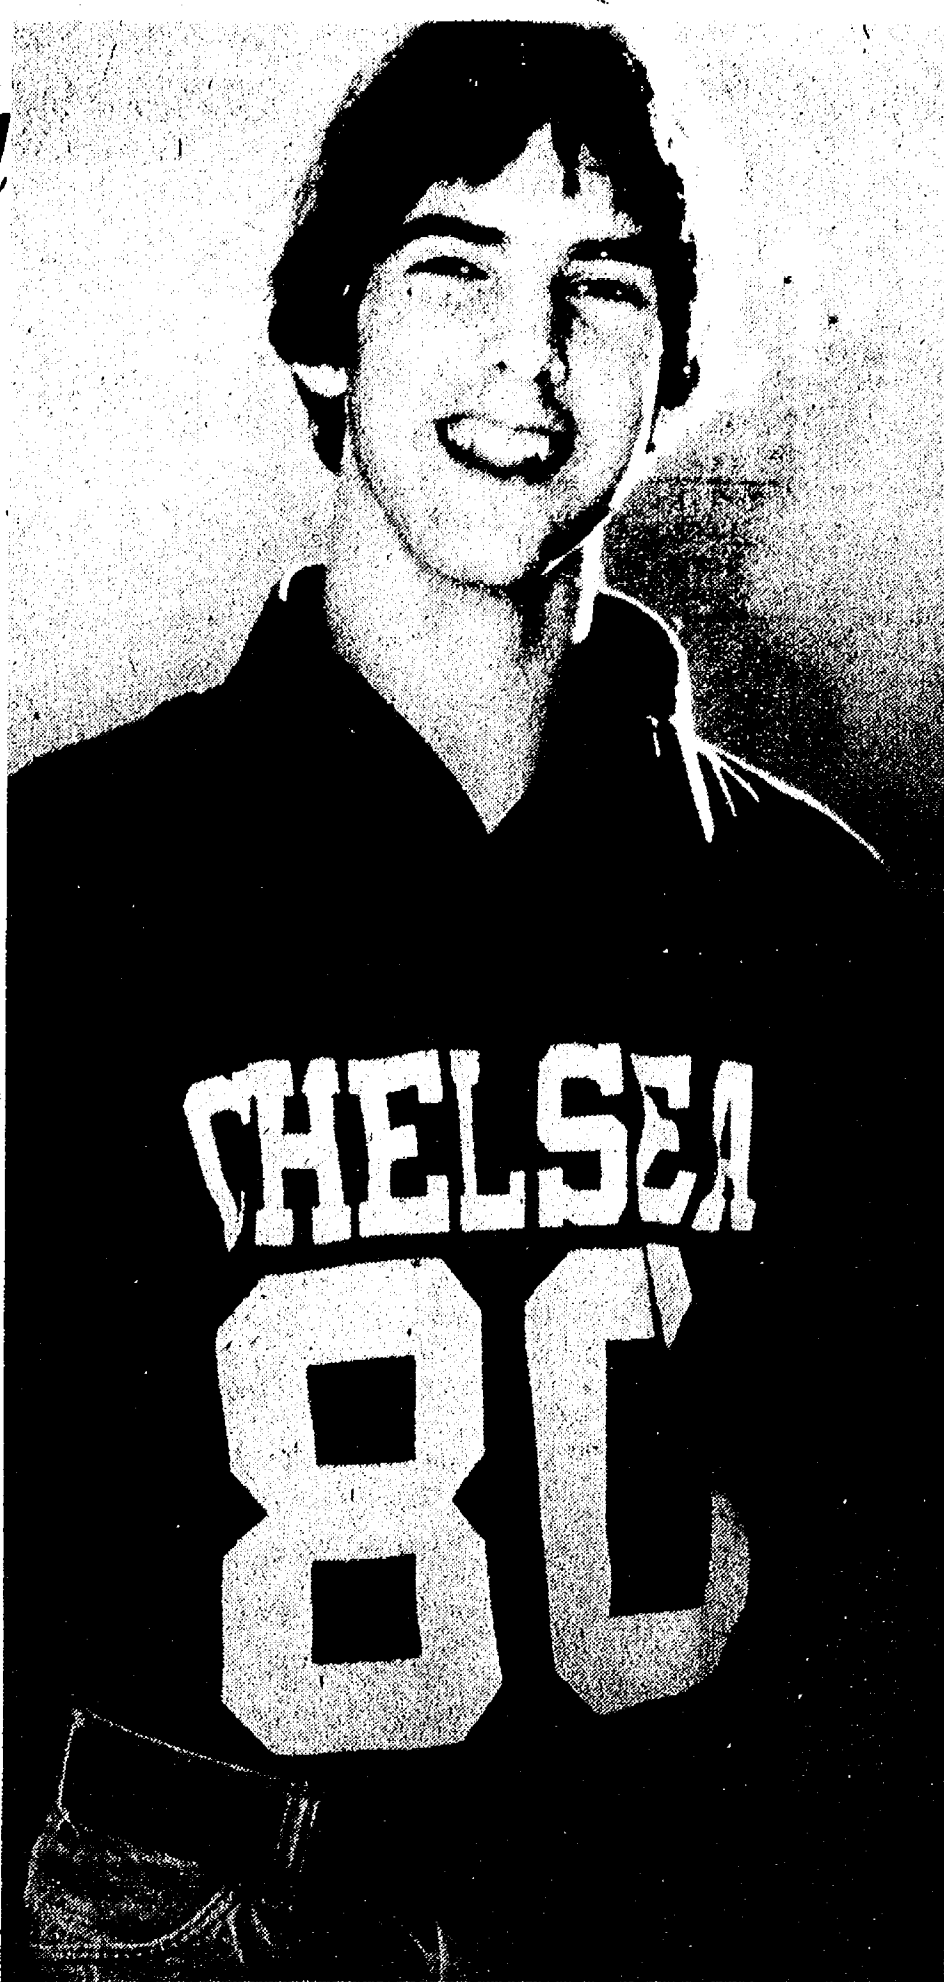

He has the opportunity to play football at the collegiate level though his size and speed limitations are hindrances. Still, he more than compensates with his execution of precise pass patterns. One overlooked point is Jeff's courage and concentration on the ball. He keyed the option attack on the outside, playing the positions of defensive end and outside linebacker expertly.

LaFave explains that Lantis is an intelligent player who is capable of adapting on the field as fluctuating circumstances arise. Too, he can communicate with the other players on any given occasion.

In addition to his recent recognition, Lantis had been a unanimous choice for the All-League and All-County first teams for two consecutive seasons. This season, Jeff was also named All-Jackson county by the Citizen Patriot and took first team honors on the All Metro-West Detroit News football squad.

Lantis, according to Gene LaFave, is a dominant player with the necessary driving force to help lead his team to a fine 1981 record. In his four years at the varsity level, Lantis exhibited dramatic improvement in every way. He was also named a co-Most Valuable Player by his teammates at the annual football banquet and awards presentation.

Teammates flanking Lantis with 1981 honors were junior David Wojcicki, whose intelligent playing and great speed and quickness brought him UPI Special Mention (equivalent to second team) honors while senior Rick Poljan received UPI and AP Special Mention and first team All-League on both offense and defense.

ALL-STATE HONORS: Jeff Lantis became the first Chelsea football player in history to make the Associated Press and United Press International All-State Class B teams this season following his being named to The Detroit News All-State team and the All-League first team and All-County team. The honor of his selection was based on his possession of nearly every Chelsea receiving record.

Net Farm Income Falls As Expenses Rise

The U.S. Department of Agriculture says net farm income will fall this year due to a faster rise in farm expenses. Cash receipts from the sale of crops and livestock are expected to rise 4 to 6 percent from last year but an 8 to 10 percent rise in farm production expenses, led by interest and energy-based inputs, will outstrip cash receipts. According to USDA's Economic Research Service, net

farm income, before inventory adjustment, is now projected at \$17 to \$21 billion, compared with \$21.9 billion last year. If inventory adjustment is taken into account, this year's net farm income is expected to be \$20 to \$24 billion, a slight improvement over last year's \$19.9 billion. Net farm income before inventory adjustment is roughly the amount of money left over after paying expenses.

SHARING HONORS WITH JEFF LANTIS, David Wojcicki and Rick Poljan were given recognition following their successful 1981 football seasons. Wojcicki earned UPI Special Mention

while Poljan earned UPI and AP Special Mention as well as first team All-League on both offense and defense.

Tony Kolbuchar Enlists in Marines

Tony Kolbuchar, son of Mr. and Mrs. Thomas Kolbuchar of 19545 M-52, enlisted in the United States Marine Corps delayed entry program and departed for recruit training on Thursday, Dec. 10.

According to Staff Sergeant Don Okuley, local Marine Corp recruiter, Tony will undergo 11 weeks of vigorous training at the Marine Corps Recruit Depot, San Diego, Calif. Four of these weeks will be spent at the Basic Infantry School at Camp Pendleton, Calif., learning the basics of being an infantry Marine.

Upon completion of recruit training, Tony will be home for a 10-day leave with an assignment to further technical training in a formal school or on the job training at one of the many posts or stations throughout the Marine Corps.

Tony enlisted for a four-year guaranteed assignment to the infantry field, and will obtain his specialty after completion of final training.

Prior to his enlistment, Tony attended Chelsea High school.

PLUMBING and HEATING

The tale of a Christmas plant: the lovely poinsettia

Ready or not, there's no denying the arrival of the holiday season once the poinsettia plant begins to make its appearance. Whether it appears on the cover of a greeting card, in the windows of a local department store, or in a sea of red, pink and white flowers at a roadside nursery, the poinsettia is a sure sign that Christmas is just around the corner.

Although the poinsettia plant is not indigenous to the United States, Americans have come to associate its brilliant red, delicate pink and snowy white bracts with the Christmas season.

This exotic flowering plant, used to decorate homes and churches in Mexico during the Christmas season, was introduced to the United States in 1828 by Dr. Joel Robert Poinsett, at that time the U.S. ambassador to Mexico. Upon returning from his term of service in Mexico, he brought the plants home to his native South Carolina.

Poinsett propagated these plants, which he called "Painted Leaves," in his own greenhouses, and sent cuttings

to botanists throughout the country. The plant was later named "Poinsettia" in his honor.

Poinsettias grow wild in Mexico and other areas of Central America, where they are shrubs that can reach 30 feet in height. Their brilliant flowers are most profuse in mid-December.

The Spanish name for poinsettias, *Flor de la Noche-buena* (flower of the holy night), derives from a Mexican legend which holds that the plant originated in a miracle.

As the legend has it, a poor peasant child, ashamed at having nothing to take to a service honoring the nativity of the Christ child, sadly picked a few weeds along the road to give as an offering at the church.

As he knelt at the altar with his humble gift, the child's earnest prayer and tears of reverence transformed the weeds into the flowering plant that has become as much a part of Christmas in this country as the evergreen tree.

Today, poinsettias are still imported from Mexico, though commercial growers in Hawaii and other warm-weather states add to the supply. A careful plant-lover, however, can keep the plant from one season to the next and enjoy its brilliant flowering year after year.

The poinsettia will flourish outdoors during the summer months in most parts of the country, becoming denser with foliage as the weeks of sunshine pass. Prior to putting the plant outdoors, it should be pruned to avoid its becoming too "leggy."

In order to have the plant bloom at Christmastime, poinsettias require equal amounts of daylight and darkness from the first week of October to the second week in November.

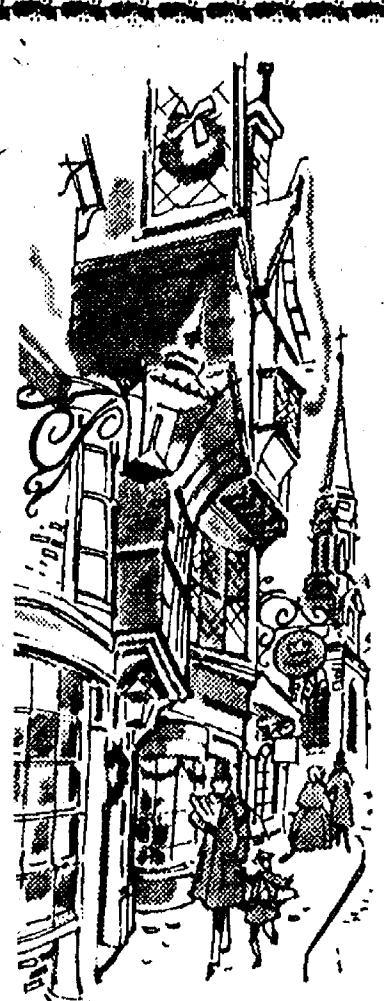

Need Early Copy For Holiday Weeks

Because of the Christmas and New Year's holidays, for the next two weeks, copy should be submitted to The Standard office no later than Thursday.

Those persons turning in copy are requested to do so as soon as possible following an event that is considered newsworthy.

First Yule Tree

The first Christmas trees appeared in Colonial farm homes about 1730, but largely only among German settlers. Homesick Hessian troops helped spread the custom during the Revolution. As early as 1804, their use had spread as far as Illinois.

Funds Available To Help Develop Energy Systems

Saving energy and creating new industry are the goals for a new Energy Technology Development Program announced today by Michigan Energy Administration Director Joann Neuroth. The program will provide financial assistance for development and demonstration of innovative energy devices or systems.

The Energy Administration intends to spend \$200,000 for projects which have the potential for commercial scale production. Individuals, non-profit organizations, state and local government agencies, and small businesses may apply for funding.

This innovative program responds to Michigan's priorities of reducing energy consumption and dollars spent on energy imports, as well as diversifying the state's economic base," Neuroth said.

Projects which are at the prototype development stage and which are technically feasible may be eligible to receive funds. Applicants must share a portion of the project's total cost.

Applications will be accepted in two categories:

1. Prototype development of energy conservation or energy storage devices or systems.
2. Demonstration of a prototype which illustrates a renewable resource or energy conservation technology.

Energy Technology Development Program applications are now available. The deadline for submitting applications is Jan. 30, 1982.

For further information, contact the Energy Technology Development Program, Energy Administration, Michigan Department of Commerce, P. O. Box 30228 Lansing 48909, or call the toll-free Energy Hotline at 1-800-292-4704.

Pewter Brings Luck

Visitors to early Colonial farm homes on Christmas Eve might find two large specially-made candles burning. Among them was displayed the family's prize silver or pewter, if such treasures were available. The reflection of the candlelight off the silver or pewter was supposed to bring good luck during the coming year.

SAFETY TIP

When working with moldy hay or grain, cleaning bins or sweeping dusty area, farm specialists suggest you wear a dust mask.

New Beginnings May Help Ease Burden of Grief

Grief at the loss of a loved one through death is a common reaction. Now, the Chelsea Family Practice Center, 775 S. Main St., is sponsoring a support group, New Beginnings, designed specifically for those who are grieving the loss of someone dear to them. The group will meet on the first and third Wednesdays each month, between the hours of 7:30 p.m. and 9 p.m.

In view of the emotions surrounding the holidays, a special session will be held on Wednesday, Dec. 30. Persons interested are welcome to attend and there is no cost involved in the program.

NEW BROWNIES: A total of 14 first grade girls officially became Brownies earlier this month as they were initiated into Troop 247. The group is made up of Aimee Armstrong, Kelly Brown, Melissa Colvin, Amy Feldkamp, Laura

Hafner, Monica Hansen, Jessica Holton, Katie Neal, Liz Sager, Carissa Schulze, Alyssa Wagner, Tracey Wales and Elizabeth Williams. Also inducted but not present for the photograph was Casey Spaulding.

CHRISTMAS COLORING CONTEST WINNERS were named last week at Gambles, selected from a host of crayon-happy entries. Taking honors in the 1- to 3-year-old category were, from left, Erin Armstrong, Beth Koenigter and Kathleen Morse; 4- to 6-year-olds, Brian Dufek and Courtney Gorton; and 7- to 9-year-olds, Willem van Reeseema, Matt Herter (4-4-year-olds), Sue Nagel (25-years-old and older) and Todd Nagel. Not present for the photograph was 7- to 9-year-old winner Jackie Kelley while Santa Claus stepped in to fill in the gap.

Farming's Fortune

If you were to group together all the assets of the top 500 U.S. corporations, this dollar amount would still fall short of what America's farmers combined have invested in their farming operations.

Urban Farmers

Food gardening as a hobby in the U.S. now outpaces jogging, tennis and golf, reports the USDA. An estimated 34 million people and 43% of all households across America have backyard food gardens.

Views On Dental Health

By ROBERT A. BURNS, JR., DDS, P.C.

PORCELAIN COATED METAL CROWN

If you have a chipped, discolored, broken, poorly shaped or badly decayed tooth—as long as the root remains—there is still hope for restoring its natural appearance and function. An artificial crown does the job.

The veneer crown actually comprises a jacket of porcelain fused to a metal, cemented in position to replace the enamel of the tooth. It fits over the natural tooth surface which is prepared in such a way as to provide a strong base for the crown.

The cosmetic result of this procedure is beautiful. Tooth shade is carefully analyzed and the shade determined by taking into account such considerations as stains, grooves, enamel thickness, complexion and age. Carefully matched veneer crowns many times

resemble the adjoining natural teeth so closely that it is possible to fool even a dental hygienist who is cleaning the teeth.

Laboratory techniques now enable us to do marvelous things with porcelain that were unthinkable not too many years ago. Further, porcelain is color stable. It will not stain or change color with time.

If you have dental health questions you would like to see answered, please mail them to the address below.

SOUTH SCHOOL CHRISTMAS PROGRAMS ended last week with the smashing of a Christmas pinata, created especially for the holiday season. Entertaining with a variety of yuletide themes,

parents, students, teachers and participants alike, found themselves brimming with holiday spirit at the close of the week's holiday theatrics.

Immediately after listening to a 10-minute presentation, the average listener has heard, understood, evaluated and retained approximately half of what was said. Within 48 hours, that drops off to a final 25 percent listening effectiveness.

Flourish of pageantry

Ancient societies and clubs in such cities as London, Oxford and Cambridge still observe the 2000-year old feast, where the boar's head is carried into the dining hall in a flourish of pageantry. The chef bears the head on a tray, followed by the knife bearer, choristers and minstrels.

This great delicacy is splendidly decorated with a garland of rosemary and laurel and, as a final touch, a lemon—the symbol of plenty—is placed in its mouth.

A modern variation of the boar's head feast is the feasting on a suckling pig, a more common practice in England today.

An old English tradition: toasting from Wassail Bowl

Wassail is derived from the Anglo-Saxon expression "Was Hail" — your health. For centuries, the Wassail Bowl was drunk in England with much ceremony and exchanging of holiday greetings. The custom was so common throughout the country that "wassailing" came to mean any kind of Christmas toast.

Old-time ingredients

The old-time recipe for the Wassail bowl was a heated combination of ale, cinnamon,

ginger, sherry wine, lemon and sugar which was poured into a heated bowl. Toasted bread and roasted crab apples were added.

Today, even in England, the contents of the Wassail Bowl can be any kind of punch which stands ready to serve and toast friends when they drop in on Christmas.

Today's holiday punches

Popular holiday punches today include egg nog, and zesty cranberry punches.

Here's hoping you enjoy a family-filled, fun-filled Christmas. Special thanks to all our dear friends.

Merry Christmas

St. Louis School Boys Busy With Christmas

Students at the St. Louis School for Exceptional Boys have had a busy pre-yuletide season which got underway Monday, Dec. 7 with a Christmas party sponsored by the Alhambra Club of Dearborn. Then, on Thursday, Dec. 10 Mrs. Jerry Hamerschmidt organized the traditional Boy Scout Troop 455-St. Louis school Christmas party featuring a visit from Santa Claus.

On Wednesday, Dec. 16 Campus Inn sponsored its third annual Christmas dinner for the

staff and residents of the school. A total of 61 residents and 13 staff members enjoyed the evening filled with good food and good fun in the form of a visit from Santa and a juggling act.

This wealth of Christmas spirit and celebration came to a close on Saturday, Dec. 19 with a Knights of Columbus-sponsored luncheon and entertainment.

Thereafter, the students will head home on Wednesday, Dec. 23 to spend the Christmas and New Year's holidays with their families.

U.S. Farmer: World's Top Producer

The level of food production of the American farmer is unmatched by farmers in any other country, said "The Reliable American Farmer." Brochure states that one farm worker in Asia, for example, produces an average of 4,400 pounds of food crops in a year. A Russian farmer manages to produce 33,000 pounds. But, one reliable American farm worker annually supplies 375,000 pounds of food.

WELL-STOCKED

The USDA reports that over 8,000 different food items are stocked on the shelves of an average-sized American supermarket.

Fair Board Studies Entertainment for 1982

The regular meeting of the Fair Board was called to order by President Jerry Heydlauff on Dec. 17. Other officers present were vice-president Art Steinway, secretary Maryann Guenther, treasurer Kay Poljan

and Lloyd Grau, executive vice-president and fair manager.

Directors present were Archie Bradbury, Jim Dault, Harold Gross, Jerry Herrick, Jeff Layher, Reuben Lesser, Jr., Ralph McCalla, Mark Stapish, Bill Stoffer, Harold Trinkle, Earl Heller and Richard Poljan. Seventeen of the 25 directors were present.

The minutes of the November meeting were read and accepted. A new rental clean-up and damage rate and liability amount was adopted. The new amount of liability for those who need it is \$500.

A discussion of the Fair convention and entertainment for the 1982 Fair was made. Some members of the Board will attend.

During the past few weeks, Jim Dault built new steps at the south entrance to the Fair Center. He built them from weather resistant lumber. The old steps were not safe.

Fences around the rest of the Fair property was discussed and will eventually be built.

Property south of the Fairgrounds is being built up. There will be more asphalt and more water run-off toward the Fair property so a retention pond was discussed.

Bulldog Cagers Down Milan But Lose to Rival Dexter, 55-54

Chelsea's varsity Bulldog basketball team got back on the right track Tuesday, defeating the Milan Big Reds, 77-68, in a high-scoring, offense-oriented game.

Offensively, Chelsea played a strong game, shooting 48 percent from the floor and completing 29 of 61 attempts. Milan, on the other hand, shot 35 percent and completed 23 of 65 attempted shots.

At the free throw line, Chelsea hit an exceptional 76 percent, completing 19 of its 25 tries while the Big Reds hit 17 of their 27 attempts for a percentage of 63.

The game was close; the most decisive lead came at the end of the game with Chelsea's 12-point win margin. Nevertheless, from the second quarter on, Chelsea held the lead.

Milan, playing with the home court advantage, held a slim 17-15 lead at the end of one quarter and then Chelsea came on to control the tempo throughout the final three stanzas. At the half, Chelsea was up, 39-32, and after three, the Bulldogs were ahead, 54-48.

With 45 seconds left in the final period, Chelsea was up, 71-65, and a scoring attack held Milan scoreless while the Bulldogs sunk an additional six points.

On the scoring end, Chelsea had five players hit double figures while an additional two were just three points shy. Pacing the team was David Wojcicki who had 19 points, 11 of which came in the fourth quarter. David Kiel added 12 points, being four for five from the floor and four for four at the line. David Mann, coming off the bench, also added a dozen points, hitting five out of seven from the floor and two free throws. He also contributed five rebounds.

John Welton got 10 points while Carl Pate was Chelsea's fifth

double-figure player with 10 points as well. Coming off the bench, eight of Pate's points were scored in one and one-half minutes at the tail end of the second quarter. Adding seven points each were Mike Bareis and Marty Steinhauer.

Chelsea outrebounded the Big Reds, 37-34, and turned over just one less ball during the game, 21-22. In assists, David Wojcicki led with four of Chelsea's 13 as compared to Milan's nine.

Chelsea's varsity Bulldogs lost a close game to arch rival Dexter Friday night at Chelsea. Final score in the contest was 55-54.

According to Coach Robin Raymond, the game was close throughout and the Bulldogs led by one point, 11-10, at the end of the first period. But, Chelsea's usual "second quarter letdown" found the Dreadnaughts outscoring the Bulldogs, 17-10, to take a 27-21 half-time lead.

Chelsea scored the first five out of six points in the third quarter and, at the end of the stanza, the Bulldogs were behind by just one point, 41-40.

The Bulldogs were unable to get the lead. The Dreadnaughts played a very effective 1-3-1 zone that the Chelsea cagers found difficult to penetrate.

In the final quarter heroics, David Kiel scored a basket with one minute left to up the Chelsea score to 55-50. Matt Villumure came back to add two with 30 seconds on the clock and finally, David Wojcicki sunk a lay-up with one second on the clock.

A time out was called with the final second on the clock in hopes of being fouled with a chance at getting two free throws and the win. The hopes were futile and the Bulldogs lost the game and dropped to 2-2 in the conference while the Dreadnaughts upped their record to 3-1.

According to Raymond, "Our

biggest weakness so far is our handling of late game pressure. What is needed is more leadership on the floor and from the coaching staff."

Despite the loss, Chelsea's statistics over-all and during the Dexter game are impressive. The Bulldogs shot 49 percent from the floor Friday, hitting 25 of 51 shots. The Dreadnaughts, on the other hand, were 24 for 59 for a percentage of 41. From the line, the Bulldogs were four of nine for 44 percent while Dexter was seven of 11 for 64 percent. The Dreadnaughts had 39 rebounds as compared to Chelsea's 32 and a total of 18 Bulldog turnovers were made while Dexter committed 17.

The dominant force was Dexter's Rob Ianni, who makes the big play when a basket is needed. Chelsea, on the other hand, does not have the dominant "star" player.

Pacing the Bulldogs in scoring was John Welton with 14 points while Wojcicki turned in a 12-point performance. David Kiel had nine points, Marty Steinhauer had eight, Mike Bareis had six and Matt Villumure had five, as well as three steals and two assists.

In rebounds, Kiel and Steinhauer led with seven while Bareis pulled down five.

The team is playing good basketball as evidenced by their season stats. From the floor,

SEC ROUND-UP:

Dexter Squeezes Out 55-54 Win Over Chelsea Bulldogs

Saline 45, Lincoln 43

In a last minute free throw attack, the Saline Hornets bested the Lincoln Railsplitters, 45-43, at Saline Friday night.

Lincoln held a 24-16 lead at the half but the Hornets came back with just a few minutes remaining in the game, as George Tilt hit two crucial free throws to upset the Railsplitters and clinch a league victory for the Hornets.

Dave Stasiak led the Railsplitters with 12 points while Mussio paced the Hornets with 13. The win puts Saline at 2-1 in the conference while the loss drops Lincoln to 2-1 in the league.

Dexter 55, Chelsea 54

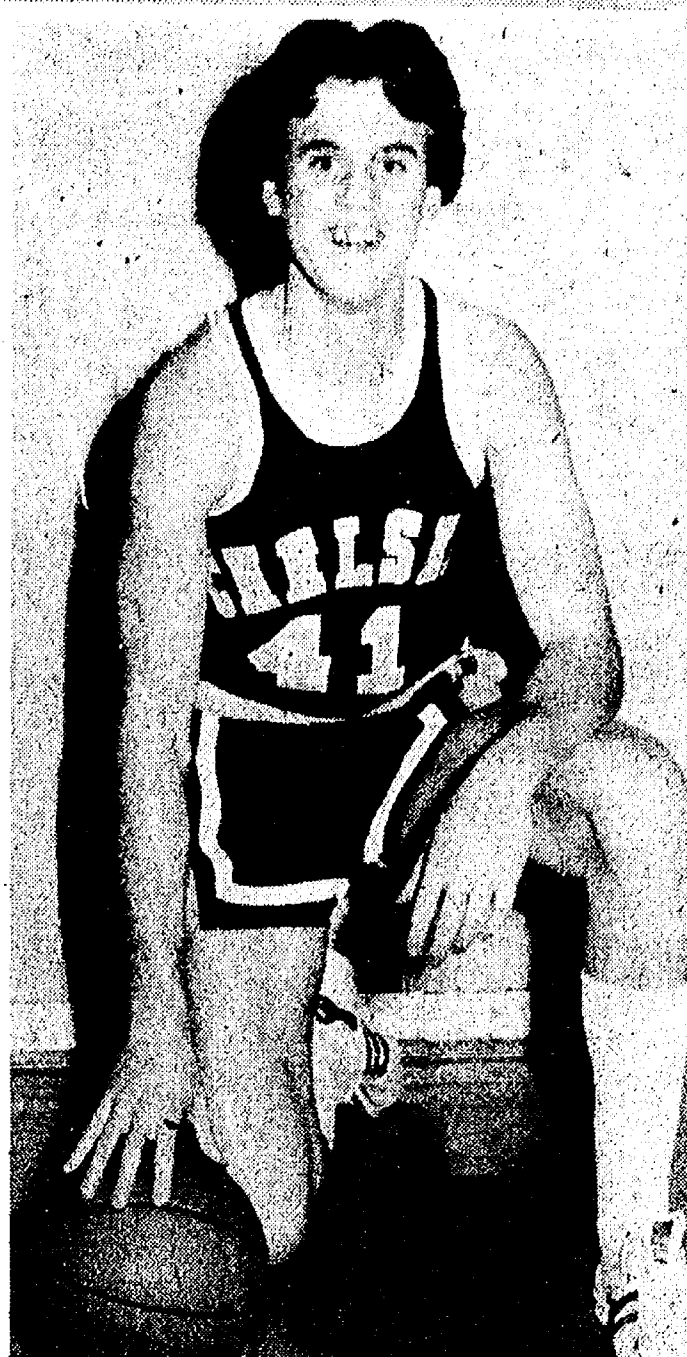

Battling down to the wire, the Bulldogs could not seem to stave off the dreaded Dreadnaughts Friday night despite the home court advantage and rivalry between the two. The Dexter cagers pulled out a 55-54 win to up their season league slate to 3-1.

Pacing Chelsea was David Wojcicki while John Welton and David Kiel also handed in fine performances. Rob Ianni paced the Dreadnaughts to their third

Cagers of the Week

JOHN WELTON AND MIKE BAREIS are this week's featured basketball players. Welton, a second-year varsity player, is a 5' 11" guard who gives good balance and control on the court. He is the Bulldogs' best ball handler and, according to Coach Robin Raymond, the team could not ask anymore of him on the court. Bareis is a 6' 2" senior forward center who is a second year player. He is a leading rebounder and scorer who's ex-

perience up front will give the team strength in the early going this season.

Fitness Fun' Program Offered 4th, 5th Graders

During the winter session, Chelsea Recreation Council will present a new fitness program for fourth and fifth graders. "Fitness Fun" will be held each Thursday afternoon from 3:15 p.m. to 4:15 p.m., beginning Thursday, Jan. 7. It will run through March 11 and is offered at a cost of \$10 per participant.

"Fitness Fun" will include work on the components of the President's fitness test, partially devoted to exercise and partially devoted to group games.

Bulldog Swimmers Down Lincoln, Strong State Rival Okemos

Bulldog swimmers won two more meets this week, raising their season record to 3-0 and their winning streak to 27. On Tuesday, the Bulldogs traveled to Lincoln and defeated the Railsplitters, 104-68. Then, on Thursday, they braved the snowy roads and traveled to Okemos and defeated the Chiefs, 100.5-71.5.

In the meeting against Lincoln, the swimmers left part of their team at home for some extra practice and to give other members of the team a chance to win. Those performing extremely well were Kevin Richardson, Don Skiff, Wayne Smith, John Hoffman, Bob Murray, Kent Noll, Mike Carrignan, Brent Bauer, Ted Merkel, Kraig Leach, Rich Merkel and Steve Ramsey, all with wins and all-time best performances.

In the meet against Okemos, the swimmers expected to have a tough time against a strong state rival, found that it was a one-sided affair with the Bulldogs swimming their best swimmers just twice as opposed to the allowable three times. The team had best times turned in by the medley relay of John Robbins, Kraig Wirtz, Dave Mason and Dave Nicola and in individual events by Richard Merkel, Paul Schumann, Dave Nicola, Kraig Leach, Wayne Smith, John Drew, Darrin Fowler, John Hoffman, Steve Ramsey, Mike Carrignan, Ted Merkel and Kevin Colombo.

The team has now qualified John Robbins, Mike Coffman, Dave Mason, Dave Nicola, Kirk Hawks, Kraig Wirtz, John Drew, Sean Oxner, John Hoffman and

Paul Schumann for the state meet.

The results of the Chelsea-Lincoln meet included Chelsea's medley relay team of John Hoffman, Ted Merkel, Kraig Leach and Don Skiff in first, followed by Steve Ramsey, Mike Coffman, Wayne Smith and Kent Noll in second place and Joe Merkel, Bob Murray, Todd Brown and Kevin Richardson in fifth place.

In the 200 free, Darrin Fowler took second; Richard Merkel, fourth; and Brent Bauer, fifth. In the 200 IM, Kevin Colombo, first; Ted Merkel, second and Mike Carrignan, sixth.

In the 50 free, John Drew took first; Don Skiff, third and Kevin Richardson, sixth. Diving, Kraig Leach took first while Todd Brown took second.

In the 100 fly, Wayne Smith, Kevin Colombo and Brent Bauer placed first, third and fourth, respectively. First, second and fifth place in the 100 free was turned in by John Hoffman, John Drew and Richard Merkel.

In the 500 free, Kent Noll took second, Darrin Fowler took third and Bob Murray, sixth. In the 100 back, Steve Ramsey was first followed by Joe Merkel and Mike Carrignan in fifth and sixth place, respectively.

In the 100 breaststroke, Mike Coffman took first, Ted Merkel, second and Mike Carrignan, sixth.

In the freestyle relay, the team of Kevin Colombo, Don Skiff, Kent Noll and John Hoffman was first followed by Richard Merkel, Wayne Smith, Steve Ramsey and John Drew in second place and

Bauer, Brown, Fowler and Carrignan, fourth.

Against Okemos, Chelsea's medley relay of John Robbins, Kraig Wirtz, Dave Mason and Dave Nicola was first followed in third and fourth places by Joe Merkel, Bob Murray, Brent Bauer, Kent Noll and Mike Carrignan, Kevin Richardson, Richard Merkel and Ken Nicholas, respectively.

In the 200 free, Sean Oxner took second, Paul Schumann took third and John Hoffman took fourth place. In the 200 IM, Dave Mason posted a first, followed by John Robbins and Kevin Colombo in third and fourth places.

In the 50 free, Dave Nicola was first, John Drew second and Wayne Smith fourth. Kraig Wirtz was second in diving, followed by Kraig Leach in third and Todd Brown in fifth place.

In the 100 fly, Kirk Hawks was first, followed by Wayne Smith in second and Brent Bauer in fifth place. In the 100 free, John Drew took second while Kent Noll and Don Skiff took third and fifth place, respectively.

In the 500 free, Sean Oxner was first, Paul Schumann second and Darrin Fowler, fourth, while John Hoffman took second, and Steve Ramsey and Mike Carrignan, fourth and fifth in the 100 back.

In the 100 breast, Mike Coffman was second while Ted Merkel was third and Kevin Colombo was fourth. Finally, the 400 free relay team of Steve Ramsey, Don Skiff, Darrin Fowler and Richard Merkel was second.

Chelsea's next meet will be against Class A power, Ann Arbor Huron.

Swimmers of the Week

THIS WEEK'S FEATURED SWIMMERS are, from left, Kraig Leach, Kevin Colombo, Mike Coffman, John Drew and Wayne Smith. Colombo won the 200 IM against Lincoln and has had best times in the IM, butterfly and breaststroke so far this season. Kraig Leach had his best score in diving against Okemos and won the diving competition against Lincoln. He has also contributed as a swimmer on Chelsea's medley relay teams. Smith won the butterfly event against Lincoln with a best time and then came back two days later to swim

faster against Okemos. Wayne has also had best times in the 50, 100 and 200 freestyle events. Mike Coffman has lowered his best times in the 200 IM and in the 100 and 50 breaststroke races. He has already qualified for the State Meet on a relay team and won the breaststroke event against Lincoln. The last swimmer to be honored is John Drew who has been a pleasant and needed surprise for the Chelsea swim team. He won the 50 freestyle race against Lincoln and has qualified for the state meet as a member of both relays.

Frosh Cagers Drop Their Second Game

Chelsea's freshman basketball team dropped its second consecutive contest Thursday, losing, 44-47, to Tecumseh's freshman Indians.

A high point in the game was Chelsea's flurry of activity while being nine points down in the first quarter with 20 seconds remaining on the clock.

According to Coach Ken Sullins, the team is improving and played a better game than in the past.

Pacing the frosh Bulldogs was Mark Henson with a total of 16 points. He completed six of 19 field goal attempts and sunk four free throws.

Keith Neibauer added 14 points as the team's second highest scorer, sinking seven of nine baskets from the floor.

The team remains idle until Tuesday, Jan. 5, when they will travel to Milan to take on the frosh Big Reds.

Biddy Basketball Registration Will Be Held Jan. 6

Biddy basketball registration will be held Wednesday, Jan. 6 at Beach Middle school. Seven- and eight-year-olds will register from 9 a.m. to 10 a.m. while 10- and 11-year-olds will do so between 10 a.m. and 11 a.m. The oldest participating age group, youngsters ages 11 and 12, will sign up for the popular biddy basketball program from 11 a.m. to 12 noon.

Youngsters planning to take part in the program are instructed to bring a birth certificate or other documentation of birth. Cut off birth date is Dec. 1. Parents wishing to bring a copy of such documentation to be left on file with the Chelsea Recreation Council for further registration should do so at this time.

JV Cagers Win Over Milan, Dexter

Chelsea took a 49-48 win home from Milan last week following a nine-point deficit at the end of the first half as the JV Big Reds held a 33-24 lead.

In the third quarter, Dave Bushway inserted the necessary spark plug to pace Chelsea's defense. A total of five steals were made in the fourth quarter and the JV Bulldogs outscored Milan by 13-0 at one point in the final quarter.

Working the boards were Jay Marshall with 10 rebounds followed by Jeff Martin and Frank Waller with nine and eight, respectively.

Pacing the team in scoring was Marshall with 15 points including two crucial free throws in the fourth quarter. Chuck Hager added 12 points while Eric Schaffner sunk 11.

Chelsea's JV Bulldogs defeated Dexter Friday, 36-32. Coming off a bad start, Dexter led 8-0 at the end of the first quarter and Chelsea was forced to play catch up.

The Bulldogs led for the first time with just three minutes left in the game.

Playing a good over-all game was Eric Green who added extra incentive and energy to the team play. Eric Schaffner led the team with 10 points followed by Chuck Hager with eight.

On the boards, Schaffner pulled down eight rebounds followed by Jeff Martin and Chuck Hager with seven each.

On defense, the JV Bulldogs played solid man-to-man. According to Coach Wayne Welton, the defense will be a key to their further seasonal wins.

Aquatic Club Swims In Bloomfield Hills Meet

Last week-end, various members of the Chelsea Aquatic

Club traveled to Bloomfield Hills to participate in the Birmingham-Bloomfield Atlantis Swim Club "A" Swim Meet.

The boys 10 and under relay team of Tim Karns, Matt Weis, Garth Girard and David Adler placed eighth. The 11 and 12 girls relay team of Jenny Pichlik, Kristin Forrester, Sarah Weis and Laurie Stephens placed seventh while Karen Grau, Sharon Colombo, Heather Seabury and Cathy Hoffman placed eighth. The boys 11 and 12 team, composed of John Cattell, Ted Lewis, Darren Girard and David Karns, placed fourth. The 15-18 girls relay of Dawn Borders, Margie Rawson, Kristin Thomas and Liesel Culver placed first.

The individual races showed great promise with Paula Colombo qualifying for the State Championships in the 100 freestyle and the 200 butterfly. Other noteworthy performances were done by Kristin Thomas as she won the 15-18 200 butterfly also qualifying for the states as well as Margie Rawson placing fifth in the 100 breaststroke and Liesel Culver and Dawn Borders going fourth and fifth in the 50 freestyle.

Hockey Team Roughed Up, 4-1 By Leading Group

The Chelsea Merchants hockey team lost 4-1 Sunday at the Jackson Sports Arena. The loss came to Dunigan Brothers, the first place team.

Dunigan, which is undefeated and untied, controlled most of the game.

The Merchants' only goal, which was unassisted, came in the third period. Harold Vandervoort did the honors.

Men's Recreation Basketball Teams Will Be Organized

Chelsea Recreation Council will sponsor an organizational meeting for men's recreational basketball on Wednesday, Jan. 6, beginning at 7:30 p.m. in the Chelsea High school cafeteria. The program is offered to those persons playing in the Chelsea league and teams and individuals who are interested in playing should register at this meeting. Entry fees are based on the number of participating teams and will be determined at this meeting.

CHRISTMAS CAROLING AT CHELSEA COMMUNITY HOSPITAL: Spreading Christmas spirit last week at the hospital were youngsters from the Chelsea Community Hospital Child Care

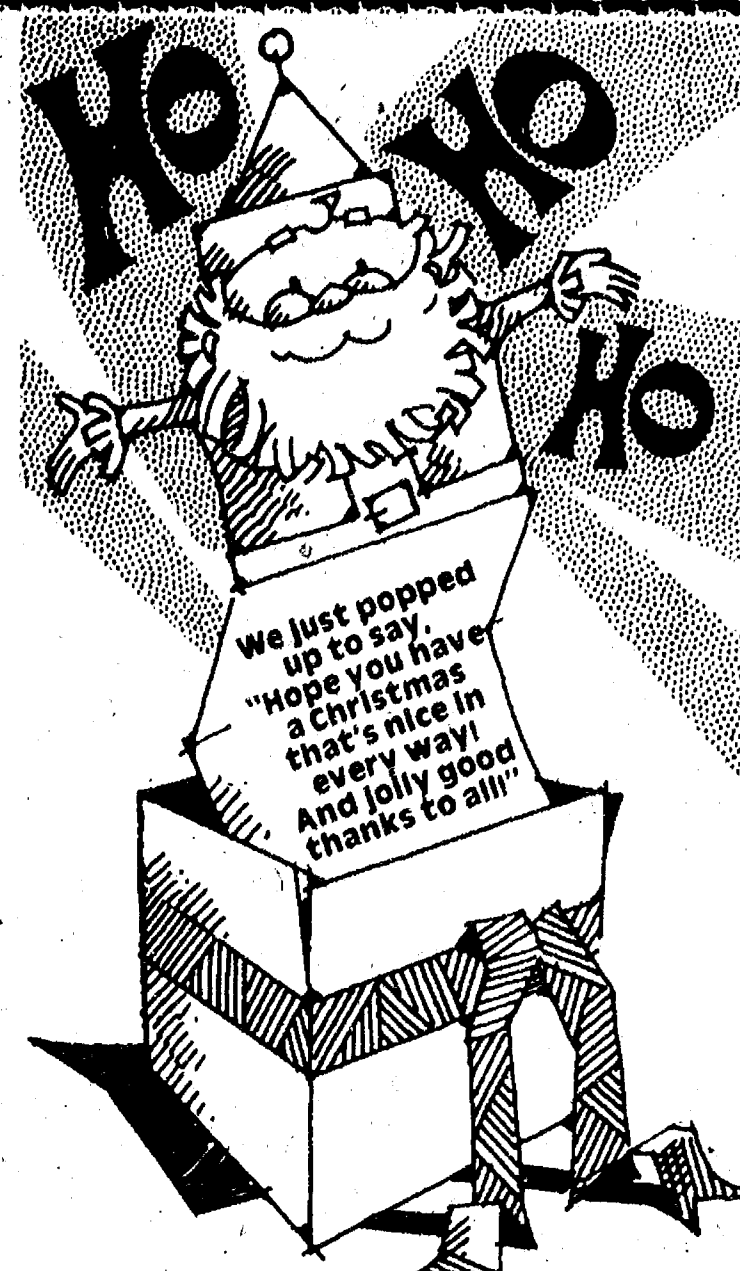

Center who scurried through the hospital, decking the halls and filling the rooms with Christmas cheer. Taking part in the caroling was this group made up of Courtney Stewart, Kevin Cross, Herman Van Den Esschert, Carla Van Den Esschert, Ann Teahan, Cory Butchko, Jenny Brown, Adam Beauchamp, Amy Oakes, Hillary and Carrie Smith, Nathan Benjamin, and Heather (in wagon.) Overhearing the song was Melinda Dougherty, R. N.

Cassidy Lake Group Visits St. Louis School For Christmas Program

Cassidy Lake Technical School and St. Louis School for Exceptional Boys got together Monday night for an evening of caroling and gift-giving. As a part of the Big Brother outreach program, the chapel choir at Cassidy Lake traveled to St. Louis School last night to sing carols with the boys and distribute Christmas gifts to each resident. It was the third consecutive year that the two schools got together to share some Christmas spirit.

Bulldogs Win One, Lose One

(Continued from page 14)
Chelsea is averaging 41 percent, the same as their opponents. From the free throw line, Chelsea is hitting 67 percent while their opposition hits just 54 percent in comparison.

Rebounding is also tied at 185 for the season for both the Bulldogs and their league competition. This can be broken down to 37 rebounds per game.

In turnovers, Chelsea has committed 91 thus far while opposi-

tion is responsible for 111. A total of 61 assists has been made by Chelsea while competitors average 53.

In points, David Wojcicki averages 13.8 while John Welton averages 11.8. Barels averages 8.8 points per game and 6.4 rebounds. David Klei averages seven points and 7.4 rebounds per game and Marty Steinhauer averages six points and 5.8 rebounds.

Card of Thanks

CARD OF THANKS

I would like to thank my family, my friends, and the Rev. Ratzlaff for the many visits, plants, and cards while I was in the Chelsea Community Hospital and since my return home. Many thanks to Dr. Peggs, Dr. Yarrows, Dr. Wolin, the nurses and staff in ICU and the east end for the wonderful care and concern. The many acts of kindness and concern will always be remembered. Thanks Arlene for being there and caring.
Chester (Red) Keezer.

CARD OF THANKS

A special thanks to our neighbors, relatives and friends for your kindness and sympathetic support shown in our recent loss. Also to Dave Hosmer, Father Kenneth MacDonald, Sister Paracleta and Henry Thurston for your heart-warming services. Thoughtfulness through cards, flowers and prayers will never be forgotten. To the Dexter Fire Department, Fontana Ambulance, the Knights of Columbus Honor Guards and the Ladies Auxiliary, our sincere thanks. Mrs. Lucille Laski and Family.

CARD OF THANKS

I would like to thank the following for making our "Christmas Walk" such a success: the finance committee and auxiliary members, the home owners, John Houle for making house sketches, Marj Daniels for the logo, Chelsea High School Art Dept., Typographic Insights, Litho Unique, Chelsea Drug, Chelsea State Bank, The Arbor Nook, The Chelsea Standard, Chelsea Lumber Co., and all those who helped in any way.
Neta Mills,
Finance Chairman, CCHA

EXPORTS CREATE JOBS

U.S. farm exports are very important to the American economy. In 1980, these exports created a million-plus jobs for Americans, and they also generated more than \$82 billion in export-related economic activity.

IN ITALY

On the day before Christmas, many Italians rest or take very little food.

At the day's end, the family holds a ceremony around the *Prespio*, a miniature scene of Bethlehem with the figures of the Holy Family, the Wise Men and the shepherds.

The family prays as the mother places the figure of the Infant Jesus in the manger. Gifts are given for Epiphany, January 6th.

The homemade gift: something special to folks

Every gift is appreciated at Christmastime, but the idea of making it yourself usually merits special attention. Everyone buys gifts, but not everyone puts their special talents into doing something special.

Wherever your creative genius lies, why not use it to best advantage and have fun at the same time.

One popular idea is to fill attractive, reusable jars or decanters with homemade jams, jellies, or preserves. Old fashioned candy tins make a great box for cookies and candies that you made yourself.

Seasonal houseplants

Christmas gardens can be fashioned from any number of ornamental houseplants available at florist shops this time of year. One of the most popular combinations is a small Norfolk Island pine tree, bright red miniature poinsettia and variegated spider plant, arranged together in a wicker basket or similar large container.

The symmetrical branches and needle-like leaves of the pine can be dusted with artificial snow. They are also sturdy enough to support small Christmas ornaments, tinsel, tiny ribbon bows and other festive decorations.

With normal care, the Norfolk Island pine will flourish for many Christmases to come, as will the spider plant.

NOTICE OF RIGHT TO REFERENDUM ON BECOMING A CHARTER TOWNSHIP

Official certification has been received from the Michigan Secretary of State indicating that the township of Sylvan has a population of 5,000 or more and the township board has the right to exercise one of three options concerning status as a charter township under the provisions of Act 359, Public Acts of 1947, as amended:

1. Adopt by majority vote a resolution opposed to incorporation as a charter township.
2. Adopt by majority vote a resolution of intent to approve incorporation as a charter township.
3. Adopt by majority vote a resolution to place before the electorate at the next regular or special township election the question of incorporation as a charter township.

In the event option 2 is adopted by the township board, the citizens of the township have the right to file a "Right to Referendum Petition." This petition must be filed within the 60 days which must lapse between passage of a resolution of intent to incorporate and final passage of the resolution to incorporate as a charter township.

The petition will follow, in general form, the nominating petition form as prescribed in the Michigan Election Law, and in the heading will indicate "disagreement to intent to incorporate as a charter township." The petition must be signed by not less than 10% of the registered voters of the township based on the vote cast for all candidates for supervisor at the last election at which a supervisor was elected.

If the petition is successful, the question of incorporation will be placed on the ballot at the next general township or special township election.

For lovers of beauty

For those on your list who appreciate beauty, try paper weights, bells, butter dishes or ceramic plates. Collector's plates come in a variety of Christmas themes, the Norman Rockwell series being a particular favorite among those who collect Americana.

While all of these collectibles will be enjoyed for their present beauty and uniqueness, they do have the potential of becoming valuable treasures in the future.

Bottle collecting is one of the most popular hobbies in the country today. Included in this category are ceramic decanters which are issued by many liquor companies throughout the year, as well as at Christmas time Austin, Nichols & Co., Inc. makers of Wild Turkey Bourbon, issues limited editions of their Wild Turkey ceramic decanters every Fall.

Police Report Busy Month of November

Chelsea Police Department reports that a total of 230 radio runs were made during November. This is compared to 237 during the preceding month. Types of radio runs taking place in November included 29 incidents of suspicious vehicles, two driving under the influence of liquor, 12 property damage accidents, three malicious destruction of property, two check forgery, one prowler, eight disturbances and two runaways apprehended.

A total of 10 arrests were made including five felony arrests, one misdemeanor apprehension and two each of warrant and juvenile arrests. This is compared to a total of nine arrests in October.

The November felony arrests involved one malicious destruction of property over \$100, one larceny from a building (Polly's), one possession of marijuana (180 lbs.), one forgery and one uttering and publishing (both occurring at Chelsea State Bank).

The misdemeanor arrest involved an incident of assault and battery while the two juveniles apprehended were connected with an incident of a stolen motor vehicle. The warrant arrests involved one incident of failure to comply with sentence and one Gratiot county warrant.

Eleven case reports were written last month as compared with 20 during October. November's case reports included recovered stolen traffic signs, malicious destruction of property/slashed tires at Mark IV Lanes/vehicle windshield/Beach school lawn, check forgery at the Methodist Home, larceny of tools from an auto on W. Middle St., possession of 180 pounds of marijuana, one stolen and recovered motor vehicle, on check forgery for \$500/Chelsea State Bank, found motorcycle/Rockwell lot.

A total of 47 traffic violations were issued in November as com-

pared to 20 the preceding month. Also, the Chelsea Police Department assisted motorists on 27 occasions as opposed to 20 occasions in October. Three hundred property checks were made during November while 127 were made in October.

In addition, Chelsea police assisted Washtenaw County Sheriff's Department on a total of five occasions as opposed to nine occasions in October. Assistance on county runs occurred during two instances of gun fire, one armed robbery, three arrests for carrying concealed weapons and one incident of breaking and entering. A total of two hours and five minutes was spent in assisting the Sheriff's Department.

A combined total of 5,170 miles were driven in Chelsea's police cars while 6,560 miles were logged during October.

Grass Lake Area Woman Completes Air Force Basic

Airman Gretchen L. Ewers, daughter of Everett D. Lake of 12250 Riethmiller Rd., Grass Lake, and Avis A. Campbell of 9244 Skiff Lake Rd., Clark Lake, has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Tex., the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the aircraft maintenance field.

Her husband, Ronald, is the son of Chuck Ewers of 8816 Sibley Rd., Chelsea.

Michael D. Kesling Participating in Huge Navy Training Cruise

Navy Seaman Michael D. Kesling, son of Dana L. and Pat A. Kesling of 7400 Dexter Town Hall, Dexter, is participating in "West African Training Cruise 81."

He is a crewmember aboard the replenishment oiler USS Kalamazoo, homeported in Norfolk, Va.

"West African Training Cruise 81" is the fifth consecutive annual cruise aimed at improving and solidifying existing relations with countries in the West African region.

A 1977 graduate of Dexter High school, Kesling joined the Navy in March 1978.

Pure natural ground water can heat and cool your home

A ground water heat pump system can heat and cool your home with less than one-third the energy of a traditional furnace/air conditioner system.

The heat pump system is nearly twice as efficient as an air-to-air heat pump. You owe it to yourself and your family to fully explore this ingenious system.

It's not too good to be true. It's too good to ignore.

Red Cross Committee Helping To Locate All Former POWs

Washtenaw County Chapter, American Red Cross, is assisting the Veterans Administration in locating former Prisoners of War of all eras as soon as possible.

Tom Harris, volunteer chairman of the chapter's Service to Military Families and Veterans Committee says, "Recently the President of the United States signed Public Law 97-37, known as the 'Former Prisoner of War Benefits Act of 1981, expanding VA benefits for many thousands of POWs, particularly for certain disabilities resulting from malnutrition. The number reached to date is small compared to the total number known to have been POWs during one or more periods of declared war or armed conflict. We are asking former POWs to call their county Red Cross office, 971-5300, by early January, for further information.

Legislation mandates that a special advisory committee will be established to address the concerns of the affected group and the Congress has asked for a report to both Houses of the number of POWs reached.

Some last minute gift suggestions

There is still time to give just a few more things in the real spirit of Christmas. And all they cost is a little of you. You can probably think of many more, but these are just a few suggestions to start with.

- ★ Ask someone who's far from home (or has no home) to share your Christmas dinner
- ★ Use your mistletoe generously
- ★ Say thank you a lot
- ★ Take one of your favorite presents to that kid in your class you suspect Santa might miss
- ★ Take a thermos of hot chocolate to your school crossing guard
- ★ Pick someone up and take them with you to Christmas services
- ★ Put out bread crumbs for the birds and nuts for the squirrels
- ★ Pull out your mother's chair for her when she sits down to dinner
- ★ Offer to say 'grace' yourself
- ★ Invite someone who has no fireplace over to enjoy yours
- ★ Help the little kids in your neighborhood build their first snowman (if there's snow)
- ★ Tell someone you love them

Merry Christmas from the people who care

CEDAR KNOLL CHRISTMAS: Members of Beach Middle school's service group, People Who Care (PWCs), entertained the residents of the Cedar Knoll Convalescent Home last week, singing

carols, presenting folk dances and providing refreshments. The PWCs taking part in the Christmas party and co-ordinated by Mrs. Alice Steinbach, included Jennifer Bell, Karen Foster, Laurel Ingalls, Charlie Pieter, Carrie Collinsworth, Trisha Richardson, Kim Char, Angela Brand, Rose Grifka, Dawn Zaineb, Chris Miller, Mari Haapala, Ken Cabanaw and Beverly Przyski.

Beach Student Group Visits Nursing Home

Members of Beach Middle school's service club, People Who Care, traveled to Cedar Knoll Nursing Home last Thursday to spread some Christmas spirit.

A selection of carols were sung while co-ordinator, Mrs. Alice Steinbach, accompanied the group on the dulcimer and Trish Richardson played piano.

Mari Haapala and Karen Foster explained the Christmas season as celebrated in Germany and a series of folk dances were performed including popcorn (USA), bannielou lambuai

(France) and pata pata (South Africa).

Following the program, the PWC's concluded the evening by serving punch and home-made cookies.

Students participating in the event were Jennifer Bell, Karen Foster, Laurel Ingalls, Charlie Pieter, Carrie Collinsworth, Trisha Richardson, Kim Char, Angela Brand, Rose Grifka, Dawn Zaineb, Chris Miller, Mari Haapala, Ken Cabanaw and Beverly Przyski.

Tax Counseling Film Offered Senior Citizens

A 12-minute IRS film, "A Right Good Thing," highlighting tax counseling available for the elderly, is available free of charge from the Internal Revenue Service.

The film, in 16mm with color/sound, is designed for showing to groups of elderly people—such as senior citizen or golden age clubs—to make them aware of the free tax counseling available in their area.

Focusing on tax problems frequently encountered by older persons, the film, through a series of vignettes, covers several tax problems that are discussed and then answered at a tax counseling site.

Tax issues involve what qualifies as taxable income, treatment of social security benefits, the tax consequences of selling a home by a person over the age of 55, and tax benefits for individuals age 65 and older.

Interested individuals and organizations may obtain free prints of "A Right Good Thing" on a loan basis from the IRS by calling 1-800-482-0670, extension 3674, or writing to: Taxpayer Education Coordinator, P. O. Box 32512, Detroit 48232.

First Graders Now Brownie Girl Scouts

Fourteen first graders officially became Brownie Girl Scouts at an evening investiture ceremony at North Elementary school on Tuesday, Dec. 8.

The girls performed a flag ceremony, recited the Brownie Promise and sang several songs for their parents and friends. Each girl received a Brownie pin and a World Membership pin and everyone enjoyed punch and cookies after the ceremony.

New members of Brownie Troop 247 include Aimee Armstrong, Kelly Brown, Melissa Colvin, Amy Feldkamp, Laura Hafner, Monica Hansen, Jessica Holton, Katie Neal, Liz Sager, Carissa Schulze, Casey Spaulding, Alyssa Wagner, Tracey Wales and Elizabeth Williams. The troop is sponsored by the Chelsea Area Jaycees.

Ferris State Academic Honors To Area Students

Nearly 2,000 Ferris State College students are included on the academic honors list for the recently completed fall quarter. To be eligible, a Ferris student must have compiled a 3.25 grade point average in at least 14 quarter hours of graded work.

A number of area residents are among these honorees. They include Chelseaites Charles M. Bridges, Julie A. Chapman, Shannon M. Culver, Renee L. Poisson (who earned all A's) and

Scott L. Stafford; Dexter area residents Anita S. Powell and Stephanie Wiltse; and Sandra L. Guy and Samuel D. Smith of Whitmore Lake.

Of the 2,089 students honored, a total of 127 earned all A grades, attaining a 4.00 grade point average for the quarter.

DEATHS

Marion Campbell

Former Portage Lake Resident Dies Tuesday in Florida
Mrs. Marion Ellen Campbell of 23 Green St., Winter Haven, Fla., died Tuesday, Dec. 15 at Winter Haven Hospital. She was a former resident of Portage Lake. She was 73 years of age.

Mrs. Campbell was born Jan. 31, 1908 in Ypsilanti, the daughter of Floyd and Nellie (Holmes) Daggett. She had been a resident of Portage Lake for more than 30 years and moved to Winter Haven, Fla. in 1972. She married Franklin G. Campbell on Dec. 1, 1931 in Ypsilanti. They celebrated their 50th wedding anniversary this year.

She is survived by her husband, Franklin of Winter Haven; by a son, Floyd D. Campbell of Portage Lake, Pinckney; three daughters, Mrs. Robert (Alice) Rawson and Mrs. Michael (Francis) Mullaly both of Chelsea, and Mrs. Kay Klefer of El Toro, Calif.; one brother, Lauren Wild of Charlotte, N. C., and 12 grandchildren.

Funeral services were held Saturday, Dec. 19, at 11 a.m. at the Hosmer Funeral Home with the Rev. Marvin H. McCallum of the United Methodist Church of Chelsea officiating. Louisiana Man Arraigned Here On Sex Charge

Washtenaw County Sheriff's Department reports the arrest and arraignment of a Louisiana man on charges of criminal sexual misconduct with a two-year-old Freedom township girl.

Occurring sometime in November, Detective Paul Wade took the report on Nov. 30. A warrant was issued and the suspect, James Blackman, was extradited from Louisiana and arraigned in 14th District Court Friday on charges of sexual contact with the child. Judge Kenneth Bronson set bond at \$50,000. If found guilty of the offense, Blackman faces life imprisonment or any number of years in jail.

A preliminary examination will be held next week.

1981 DRESS-A-DOLL WINNERS: Following the judging of dolls entered in the Great Lakes Federal Savings annual contest, these women received first, second and honorable mention honors. The winners are, from left, Mercedes DeLaTorre, first; Norma Jean Smith, second; Arlene Classon and Helen Scripser, honorable

mention. Also receiving honorable mention was Wilhelmina Liebeck, not present. Of the entries, half were donated to Spaulding for Children and the remaining half were given to Chelsea Social Services to be given as Christmas gifts to some lucky little girls.

Dress-A-Doll Winners Named

In the 1981 Great Lakes Federal Savings Dress-A-Doll contest, 72-year-old Mercedes DeLaTorre of 524 Lane St. took first place, entering a doll dressed as a Southern belle complete with a pink, lace-trimmed gown.

This was the third year she had entered the contest, taking second prize in 1979 with a doll dressed as a country girl wearing a sun bonnet and pantaloons. One year earlier, she received honorable mention for her doll wearing a Mexican costume.

Taking second place in this year's contest was Norma Jean Smith while Arlene Classon, Helen Scripser and Wilhelmina Liebeck took honorable mention for their doll dressing efforts.

Of the 20 dolls entered in the Chelsea branch contest, 10 will be donated to Spaulding for Children while the remaining 10 dolls will go to Chelsea Social Service.
