GENEALOGICAL DISCOVERY: With the assistance of William and Beverly Grimshaw, students in Mrs. Crouch's North and South Elementary school classes traced their family histories in take home projects done during the Thanksgiving and Christmas

holidays. Discovering an interesting relationship were Marty Heller and Joe Smith who came to the realization that they were distant cousins with the same great-great-grandmother.

Fifth Graders Discover Relationship In Recent Class Genealogy Project

In a Thanksgiving-Christmas project, students in Mrs. Marie Crouch's classes at both North and South Elementary schools studied a unit on genealogy, under the instruction of William and Beverly Grimshaw.

Designed as a home project, the children were instructed to locate their ancestors with the use of a family tree. Other means of determining ancestry came from interviews with various family members, perusal of records such as obituaries and inquiring about stories regarding members of the family.

The youngsters came to class with various stories regarding their backgrounds as well as photographs, family recipes and other information handed down over the years.

When the genealogical research was completed and the family trees were traced and ready to be submitted to Mrs. Crouch, two fifth graders, Marty

Heller and Joe Smith, came to the realization that they were distant cousins.

In brief, the situation resulted in the combination of the family origins as follows.

Sebastian and Agatha Finkbeiner immigrated from Germany to Michigan and raised a total of eight sons and four daughters. One of the sons, Fred, had eight children, one of whom was both Joe's and Marty's great-great-grandmother, Dorothy Finkbeiner.

Of the eight children raised by Fred Finkbeiner, two of them, William and Dorothy, married sister and brother, Lillian and Julius Alber.

William and Lillian had a daughter, Doris (Finkbeiner) Gordon while Dorothy and Julius had a daughter, Ella (Alber) Smith. From their marriages, Doris gave birth to daughter Kay (Gordon) Heller and Ella gave

birth to Joseph Smith. Mr. and Mrs. Earl Heller and Mr. and Mrs. Joseph Smith gave birth to

sons Marty and Joe, the cousins in Mrs. Crouch's fifth grade class.

Rehearsals Start For 'Plaza Suite'

Rehearsals for the Chelsea Players' Feb. 27 production of Neil Simon's "Plaza Suite" got underway last week with Jan Koenigter as director. "Plaza Suite," a program of three one-act plays, looks into the lives of three couples occupying, in turn, a suite at the Plaza Hotel in New York City, and features three different facets of masculine dominance and three different moods of feminine perseverance.

The play opened on Broadway in 1967 and was Simon's first production on one-acters, his third Best Play and his fifth hit in a row.

The Friends of the Chelsea Players have selected the St. Louis School for Exceptional Boys as the site for their dinner theater show. The school, located on Old US-12 between Chelsea and Grass Lake, was chosen because of its many outstanding features that lend to this type of production. Some of these features include a lovely plant-filled, glass enclosed entryway, where cocktails will be served, and excellent nearby kitchen

facilities where the meal will be prepared by gourmet chef, Sherry Sundling. Dinner will be served and "Plaza Suite" will be performed in the school's large gymnasium, which has good acoustics, a full-sized stage, and is located adjacent to the entryway. The Chelsea Players estimate that they will be able to seat approximately 400 patrons for the dinner production.

The St. Louis School, which is entering into its 21st year, is directed by Fr. Joseph Rinaldo. He has been extremely cooperative in helping the Chelsea Players' board members to coordinate all of their production plans.

A decision was recently made to present "Plaza Suite" again on Sunday afternoon, Feb. 28. Jackie Rogers, director of the Chelsea Community Education office, suggested a matinee show for senior citizens and the Players agreed to do a second performance not only for seniors, but for anyone else who might be interested. Ticket information is pending.

Cross-Country Ski Clinic Scheduled

About 5,000 years ago, primitive man looked out across a vast snowy landscape of what is now Norway. Faced with a dilemma, he strapped a bone from a large animal to his feet and glided off in search of food. In such a way, cross-country skiing was invented. The first skis were simply for transportation, but through the years they have been important in hunting, warfare, and in modern times, as an event in the Olympics.

Cross-country skiing is a sport for all ages and all skill levels. Many prefer a leisurely stroll through the snowy woods, while others enjoy the challenge of a race in sub-zero weather. The rolling terrain of the Waterloo Recreation Area offers miles of wilderness beauty for the novice and expert alike. A four mile long ski trail begins and ends at the Waterloo Nature Center. When volunteers are available, the building is open week-ends from 1 p.m. to 4 p.m.

For those who want to learn about the basics of cross-country skiing, Waterloo Nature Center will be sponsoring a ski clinic on Saturday, Jan. 16 at 2

p.m. The class is being offered by Pedal and Tour of Jackson, and will include a discussion of the available equipment, how to choose the right equipment, to advantages and disadvantages of wax versus waxless skis, and the proper clothing to be worn. Those partaking in the program will be taught how to wax their skis and proper skiing techniques. Some equipment will be available for examination and possible use. A short movie will also be shown. The clinic will cost \$2 per person and registration for the class may be completed by calling the Nature Center at 475-8069 or Carol Strahler at 475-9444.

If you are skiing in the Waterloo area, stop in at the Nature Center to warm up and possibly see a film and enjoy a hot drink. Building admission is 50 cents and any scheduled programs or movies will be posted in the parking lot and outside the building. The Nature Center may be reached by taking I-94 to Exit 157, heading north on Pierce Rd., turning left on Bush Rd. and driving about one-half mile. The entrance is on the left.

Near Record Cold Forces Most Area Schools To Close

Arctic air hovered above the entire Midwest last week-end with record lows reported in Chicago and near-record lows reported in southeastern Michigan, forcing hundreds of schools in the area to close, giving thousands of students a day of vacation.

According to Ralph Brier, supervisor of transportation in the Chelsea School District, a combination of ice, snow and a wind chill factor of minus 45 degrees forced the local closures.

bus garage or the schools themselves.

Parents interested in learning whether or not school is closed on a given day are requested to listen to radio stations WJR-760 AM, WNRS-1300 AM, WPAG-1050 AM, WAAM-1600 AM, WKHM-1290 AM or WEMU-89.1 FM as opposed to contacting the

Washtenaw county school cancellations are broadcast on these, and other, radio stations located in the Detroit, Ann Arbor, Jackson and Lansing areas and are updated frequently.

In addition, television stations servicing the western Washtenaw county area also broadcast school cancellations because of inclement weather.

Jiffy Market Broken into Second Time

Gene Shoemaker, proprietor of Jiffy Market, reports that sometime between 10 p.m. Sunday and 6 a.m. Monday, person or persons unknown, forced entry into the market on M-52 and stole approximately \$500 worth of empty returnable cans.

Entry was apparently gained by breaking a couple of windows. Damage was estimated by Shoemaker to be about \$75.

Washtenaw County Sheriff's Department answered the call and area food and liquor stores have been notified of the large quantity of cans stolen should they be taken in for deposit payment.

A disheveled Shoemaker explained that nothing else in the small store was disturbed or missing and that his only alternative to protect his store from a third break-in (the first incident occurred on Thanksgiving Day) will be the installation of iron grating and bars across the doors and windows.

McDonald's Sponsoring Benefit Dinner

Chelsea McDonald's will sponsor a pancake benefit Tuesday, Jan. 19 from 4:30 p.m. to 8:30 p.m. to assist the family of 15-year-old Tommy Partin, completely paralyzed since last fall following a freak accident by which a friend pushed him and his neck snapped.

Tommy is now a patient in the Intensive Care Unit at Mott Children's Hospital, Ann Arbor. A native of Gregory who attended Stockbridge schools, monies raised from the McDonald's benefit will be used to purchase necessary equipment once Tommy comes home. Currently, his hospitalization costs are being covered by various state-level funding sources such as the Crippled Children's Fund.

Tickets for this benefit are on sale at all Stockbridge stores and at Chelsea Pharmacy at a cost of \$1 each, entitling the bearer to all-you-can-eat hotcakes Jan. 19. No tickets will be sold at the door and it is anticipated that \$750 will be raised for the Tommy Partin Trust Fund.

Chelsea Man Arraigned on Sex Charge

John M. Harden, 35, of 522 Arthur St., appeared before Judge Kenneth Bronson in 14th District Court, Saline, Thursday, Jan. 7, and was arraigned on charges of first degree criminal sexual conduct following the alleged molestation of a six-year-old Chelsea girl.

Harden was arrested in Chelsea Wednesday on the sex charges stemming from a report given to Chelsea police by the child's parents.

Harden is scheduled to appear at a preliminary examination during the week of Jan. 25.

Voters Reject Caucus for Nominations

A total of 116 Chelsea voters cast their ballots in last Tuesday's special election. After the final tally, 104 residents opted to amend the village charter, providing for nominating elective officials by petition and general election and eliminating the nominating by caucus procedure. Twelve voted to maintain the nomination by caucus system.

The approval of the proposed amendment means that anyone seeking a political office in Chelsea must now state political party affiliation.

Despite the contention that many people sought to maintain the caucus system, the vote indicated the realization that had the amendment been turned down, the village elections would have been declared illegal and all seats would be vacated.

As it now stands, any person filing a petition which provides for political party affiliation and thereby declaring his or her candidacy will have the opportunity to seek an elected post in the village government.

The regular election will be held Monday, March 8.

Orchestras Plan Winter Concert

The Chelsea High and Beach Middle school orchestras will present their winter concert on Wednesday evening, beginning at 7:30 p.m. in the CHS auditorium.

As a special guest, violin soloist Ann Ourada, a member of the Detroit Symphony Orchestra, will perform.

Chelsea High school orchestra

will perform the music they will use at the Midwest Conference to be held at Hill Auditorium in Ann Arbor on Saturday, Jan. 23. The Beach school orchestra will perform the March from Carmen and the Czech Folksong Suite.

The winter orchestra concert is free of charge.

Community Ed. Offers Violin, Viola Lessons

Violin and viola lessons will be offered winter term through Chelsea Community Education. Suzuki violin lessons for children ages four and up will be available.

The Suzuki method, pioneered by Dr. Shinichi Suzuki of Japan, is based on the "mother tongue" method of learning language. Parents of young children take classes with their youngsters and practice together at home. The method, which stressed repetition and positive reinforcement, is very valuable for teaching many handicapped children to play the violin.

Classes for adults using the Suzuki materials will be available. Violin and viola students enrolled in string classes in the public schools will

be able to take private lessons on their instruments.

The ten volumes of Suzuki literature contain music by the world's best composers, arranged in progressive order. A recording accompanies each book. All Suzuki students learn the same literature which enables them to perform together. In time there will be group play-ins in Chelsea in which all string students, from the oldest to the youngest, participate together.

The violin and viola classes will be taught at Chelsea High school by Mrs. Carol Brownell of Ann Arbor. For more information, contact her at 665-6075. Suzuki cello classes for pre-schoolers are available winter term from Mrs. Pat Stirling, 475-1112.

SUZUKI VIOLIN lessons are concentrated on by Sarah Henry, a kindergarten at North Elementary school. The Suzuki method of violin, piano and cello are available this winter with the cooperation of the Chelsea Community Education department. For further information, contact the Community Education office at 475-8069.

TONGUE THRUST PROBLEMS

Every person swallows some 2,000 times a day. During that swallow, the tongue can exert one to six pounds of pressure. During the correct swallow, the tip of the tongue presses with the force slightly behind the top teeth. The main pressure of the tongue is against the strong palate. This is good.

During an incorrect swallow, the tongue force is exerted fully against the front teeth. The teeth are not equipped to withstand this type of pressure and may be pushed out of alignment. Also, it may prevent new teeth from erupting properly.

In order to correct this situation, Myofunctional Therapy (sometimes called tongue-thrust therapy) is used

for both children and adults. This therapy is designed to retrain the muscles of the tongue, lips and cheeks to properly perform as to strength and placement; to teach correct swallowing patterns; and to instill a permanent, correct swallowing pattern. Tongue thrust can be overcome, but it requires full cooperation by the patient.

Workers Comp Reform Becomes Reality With Governor's Signature
 More than 13 years of legislative and executive office differences were somewhat settled recently with the governor signing into law workers compensation reform.

Governor William G. Milliken, during bill-signing ceremonies, called completion of the bills a significant and major step forward in improving the state's economy.

The governor had set workers compensation reform as the number one priority for the fall legislative session and after extreme pressures from Michigan business and industry, the necessary coalition was put together for passage.

Workers comp coverage in Michigan cost employers more than \$1 billion annually and about 35 percent more in Michigan than in neighboring states, placing Michigan at a competitive disadvantage with those states in keeping present business and luring new ones.

Besides the workers compensation bills themselves, also signed was a separate piece of legislation mandating a 20 percent reduction in workers comp insurance rates.

However, private insurance companies have filed new rates which are 22 percent lower than their current rates, therefore, the 20 percent mandate will not take effect due to the voluntary action.

The signing ceremony was a great sense of relief, Milliken said and a "great sense of collective achievement for all of us."

Milliken acknowledged that the measure restructuring the insurance system—converting it from a system where all insurers file a common rate to a competitive system—remain before the Legislature for final resolution at the beginning of a new session.

He added there remains some fine tuning of the system, but refused to elaborate what those changes would be other than to say he would work with legislators in adopting them.

The governor praised the bipartisan efforts required to pass the bills, with labor and liberal Democrats lined up against them.

Generally, the package provides for exclusion of fringe benefits from calculations of a person's average weekly wage in determining benefits; limiting lawyer fees in worker comp cases; requiring notice of employer within 90 days of a compensable injury; redefining disability in an attempt to get injured workers back into the work force; and co-ordinating workers comp benefits with other benefits so a person can not earn more from workers compensation than what he or she would be earning had the injury not occurred.

Tax Cut Measure Vetoed
 Only days after the governor had announced he would not be a candidate for future elective office so he could concentrate on the state's problems, Milliken vetoed legislation that would have provided an additional \$150 million in property tax relief should the economy pick up.

The legislation also would have provided a so-called front loaded circuit breaker for property tax bills, providing relief to taxpayers at the time their property taxes are due instead of at the end of the year as an income tax return.

Milliken said he was vetoing the bill because the state's budget could not afford a tax cut at this time.

"In good conscience I do not believe we can put an added burden on our general fund and meet our basic obligations," the governor said.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

After the session at the country store Saturday night the fellers were full agreed that what this country needs is a rule agin making rules. It was Clem Webster that took note we must have five laws on the books to cover any situation we could possible cook up a new law to deal with.

Fer instant, Clem said he had saw where this feller in Massachusetts was being sued by his wife fer what she called "neglect of regular duties and responsibilities." She slipped on that icy driveway and broke her hip, and she wants him to pay her \$2,500 fer pain and suffering. Whatever happened, Clem wanted to know, to the law that says a wife can't testify agin her husband. Clem was of a mind that this feller's old lady might be asking \$25 fer the broke hip and \$2,000 fer what she'll suffer when he gits her home.

in a moving car. Somebody somewhere, Ed said, is working up a lawsuit agin it, and police already are saying they can't enforce it because they can't write a ticket in a moving car, and onct they stop a car it ain't moving.

Yours truly,
 Uncle Lew.

'Generic' Beef Being Featured By Some Michigan Supermarkets

Some Michigan supermarkets are featuring non-USDA graded "generic" beef, but whether this is a plus or minus for consumers depends on how they plan to prepare the meat for use, according to a Michigan State University Extension specialist in food science.

"Generic, non-graded beef generally costs less and contains less fat," says Al Booren, assistant professor of food science and human nutrition. "However, it can be less flavorful, less juicy or less tender. If you plan to cook it by using a moist-heat cooking method—such as pot-roasting or braising—non-graded beef can be a good buy."

Non-graded does not mean non-inspected, according to Booren. All meat that is sold in Michigan must be inspected and must pass the inspection before it can be sold. Meat that is sold in grocery stores is wholesome, regardless of grade.

"Generally, consumers are concerned with four grades of beef: U.S. Prime, U.S. Choice, U.S. Good and U.S. Standard," Booren says.

Prime is the highest quality and contains the most fat. It is generally sold through the higher quality hotels and restaurants. Choice is the grade consumers are most likely to purchase. Booren says that a major percentage of retail beef in Michigan is Choice grade.

Good and Standard grades, especially Good, are assigned the generic, non-graded labels.

Since Good and Standard grades contain less fat, this can benefit people who wish to cut back on their fat consumption. With the use of vegetable-enzyme tenderizers, pounding or moist-

heat cooking, generic beef can be an excellent buy.

However, Booren adds, most people purchasing a rib-eye steak, sirloin or New York strip for broiling or other dry-heat cooking methods, may prefer to stay with a Choice graded cut.

"What it all comes down to," Booren says, "is that how you are going to cook the meat becomes a major consideration in which grade to buy."

Hospital Child Care Center Plans Winter Activities

As we begin the New Year, the children at the Chelsea Community Hospital Child Care Center will be spending the first two weeks of January discussing this "Winter" season. Various art projects including snowflakes, winter pictures, and snow people puppets are being planned as well as discussions about the difference in weather in winter (as compared to the other seasons). If there is enough snow, the children will be sledding, making snow angels, and generally just enjoying the winter weather.

During the week of Jan. 18-22, the theme will be "Safety." Safe handling of various tools and utensils, careful crossing of streets, and the importance of using seat belts are just a few of the topics to be covered. A visit from a local sheriff officer is tentatively being planned for the week as well.

"Birds" is to be the theme for the week of Jan. 25-29. How birds live through the winter, what they eat, and where they stay are some areas which will be discussed. Several different types of birdfeeders will be studied and then constructed by the children during this unit. Art work featuring birds and feathers will also be used at this time.

Good Things Growing In Michigan

By Margaret G. McCall
After a busy holiday season, a quiet evening by the fireside with friends is a welcome change of pace. Tasty snacks from five Michigan cheeses can be easily prepared for such an occasion.

More than 20 million pounds of cheese was produced in our state last year, according to the Michigan Department of Agriculture, including cheddar, Colby, Monterey, Italian, Muenster, brick, cream and farmer cheeses.

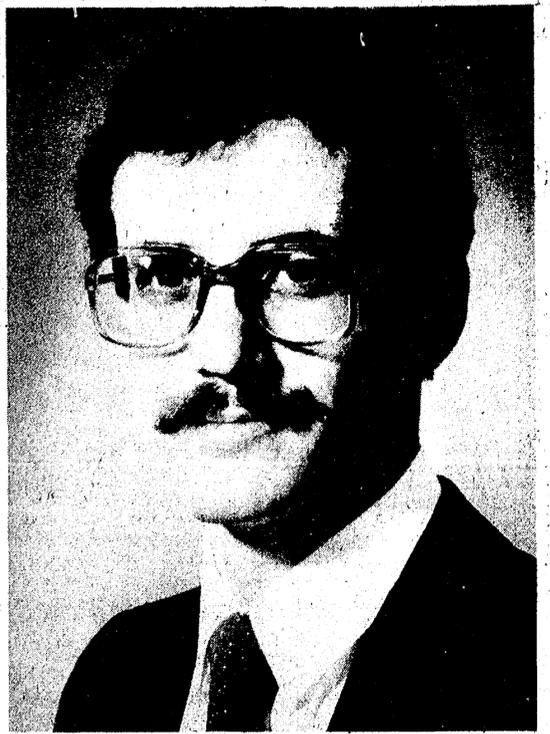

Michigan has 15 cheese factories, with major cheese production in Arenac, Bay, Clare, Menominee and Wayne counties. Our state also produced nearly 50 million pounds of cottage cheese.

There are more than 400 varieties of natural cheeses, each distinctive in flavor, body and texture. Method of coagulating milk, kind of milk used, type of culture and ripening conditions determine the kind of cheese.

Natural cheeses are cured from 30 days to a year and labelled mild, medium aged, or sharp. Cheddar, Colby, Monterey and Muenster are excellent mild cheeses for appetizers, salads and sandwiches. Italian cheeses such as Parmesan, Mozzarella and Romano are mild to sharp in flavor, ideal for spaghetti, pizza or lasagna. Mozzarella cheese has an elastic texture which becomes stringy when heated.

Cheese contains many of milk's nutrients, including protein, calcium and vitamin A. Ten pounds of milk are required to make one pound of cheddar. Three ounces of cheddar has about the same protein as three large eggs or three ounces of cooked beef. Five ounces of cheddar has the same amount of calcium as 3½ cups milk.

Natural cheese keeps well in the refrigerator for several weeks. However, long holding results in additional curing and a sharper flavor. Always serve cheese at room temperature to bring out the full flavor.

CHARLES ELLIS, M.D.

Dermatology Service Offered at Hospital

Charles Ellis, M.D., has started a Dermatology Service at the Chelsea Community Hospital Specialty Clinic.

Dermatology provides treatment for chronic and acute skin diseases for both inpatients and outpatients.

Ellis earned his Bachelor Degree from the University of Michigan in 1973 and received his Medical Degree from that institution in 1977. He interned at the University of Michigan Hospital and served his residency in the Dermatology Department at the University of Michigan.

While in medical school, Ellis was active in research on

hypertension, for which he received the Dean's Award for Research. He is now performing clinical trials of retinoids, Vitamin A derivatives, and in the treatment of psoriasis and acne.

In addition to his work at the Chelsea Community Hospital, Dr. Ellis serves as an assistant professor in the Department of Dermatology at the University of Michigan Medical School.

If you are interested in making an appointment with Dr. Ellis, contact Chelsea Community Hospital, 475-1311 Ext. 340.

Master Gardener Program Seeking Volunteer Help

Would you like to learn more about gardening? Even more importantly, would you like to help others learn more about how to raise their own food and to care for their other plants? Washtenaw Co-operative Extension Service is looking for enthusiastic people to enroll in the 1982 Master Gardener program. The program includes an intensive training program which covers most aspects of basic horticulture. Topics covered include vegetables, fruit, houseplants, trees and shrubs, flowers and lawns. Class emphasis will be on diagnosing problems as well as basic culture. The course will be held on Wednesdays, running from 10 a.m. to 3 p.m. (with a one hour lunch break). It will run for 10-weeks starting Feb. 3. Class fees are \$25 and cover materials.

A major focus of the Master Gardener program is volunteer work. After completing the course, participants donate 20 hours of their time to community service in the area of horticultural education. Opportunities for community service range from working with the elderly or ill, helping children with garden projects, garden speaking, writing newsletters and answering garden questions on the phone. In previous years, Master Gardeners have been an invaluable aid to the Washtenaw Co-operative Extension Service in providing a source of accurate gardening knowledge to all parts of the community. This experience has also provided a valuable method for graduates to increase not only their technical knowledge but also an opportunity to learn to apply it practically. If you would like to join this unique group of people call the Washtenaw Co-operative Extension Service, 973-9510, and ask for an enrollment form. Fill it out and return it as soon as possible as class enrollment is limited.

ANTON NIELSEN, long-time Chelsea resident and proprietor of Farmers Supply, has won the prestigious George P. Frisinger College Football Bowl-A-Rama Invitational. The award, given annually to the individual who attains the best percentage in picking winners in selected bowl games, is always considered the highlight of the end of the college football season. Although surprised to win, Nielsen was quoted as saying that, once he saw the enthusiasm with which Clemson was playing he considered his success "a automatic." Shown with Nielsen accepting the award are, from left, Paul Mann and Ralph Guenther.

Pure natural ground water can heat and cool your home

A ground water heat pump system can heat and cool your home with less than one-third the energy of a traditional furnace/air conditioner system.

The heat pump system is nearly twice as efficient as an air-to-air heat pump. You owe it to yourself and your family to fully explore this ingenious system.

It's not too good to be true. It's too good to ignore.

G. Knickerbocker Named National Authority Featured To Membership in FLI In Family Living Series

George A. Knickerbocker, Thornton, Inc., real estate firm, Chelsea, has been elected to membership in the Farm and Land Institute (FLI). The announcement was just made by Judge B. Fite, AFLM, Dallas, Tex., president of the Institute which is an affiliate of the National Association of Realtors. Knickerbocker is also a member of the Ann Arbor Board of Realtors.

Members of the Institute are Realtors who specialize in selling, buying, managing, appraising, and developing land for others. They are involved in farm, ranch, grove, orchard, timber, range, and recreational land, as well as in suburban and urban land for development and redevelopment.

Realtor Knickerbocker joins more than 7,500 other FLI members throughout North America who, in addition to subscribing to the Realtors Code of Ethics, support the high standards of conduct and experience

that directly relate to their specialty as established by the FLI Board of Governors.

Among other activities, the Institute helps each member be of maximum service to prospective purchasers of land by keeping him up-to-date with a monthly news publication and by offering educational courses designed to broaden the member's knowledge of his field. FLI awards the designation, AFLM, or Accredited Farm and Land Member, to members who successfully complete prescribed education, service, and other requirements.

Headquarters of the Farm and Land Institute is 430 N. Michigan Ave., Chicago.

In 1981 Knickerbocker received the Graduate Real Estate Institute designation (GRI) by meeting educational requirements necessary, as well as passing Michigan Department of License and Regulation requirements to receive his Associate Broker License. Knickerbocker has been Associated with Thornton Inc. since June 1977.

The Chelsea Ministerial Fellowship, in co-operation with the Chelsea Community Education department, is sponsoring the Focus on the Family series which has been widely acclaimed across the United States. The series features Dr. James C. Dobson, America's leading Christian authority on the family.

The films will be shown on seven consecutive Sunday evenings beginning Jan. 17 at the Chelsea High school auditorium on Washington St. Viewing times will be 4 p.m. and 6 p.m.

Dr. Dobson is the Associate Clinical Professor of Pediatrics at the University of California and is a licensed psychologist in the state of California. In an interesting and often humorous manner he shares, through the films, new ideas for family relationships and gives family members support for the things they are doing well.

The film schedule is as follows: Jan. 17—The Strong-Willed Child: Is spanking an acceptable way of dealing with a strong-willed child? Should a parent experience guilt over difficulties in raising a strong-willed child?

Jan. 24—Shaping Without Breaking the Spirit: Would you be surprised if your children did what you asked them to the first time? Do you become angry when you face a discipline situation with your child?

Jan. 31—Christian Fathering: How important is it that fathers spend time with their families? What evidence do you have that your children are picking up your values?

Feb. 7—Preparing for Adolescence: The Origins of Self-Doubt: How can you prepare your pre-teen children for the possibility they may feel inferior about their appearance or athletic ability?

Feb. 14—Preparing for Adolescence: Peer Pressure and Sexuality: Are you prepared to tell your children about the physical changes and sexual awakening they will experience

DR. JAMES C. DOBSON

with puberty? What kinds of conformity are harmless or acceptable?

Feb. 21—What Wives Wish Their Husbands Knew about Women: The Lonely Housewife: What factors contribute to low self-esteem among women, especially homemakers?

Feb. 28—What Wives Wish Their Husbands Knew about Women, Money, Sex and Children: Do persons' possessions come to possess them? Persons wishing to participate

in small-group discussions following the showing of each film are invited to do so. There will be no charge for attending.

The committee who has made arrangements for the showing of these films is made up of Kathy Young of St. Paul United Church of Christ; Jane Schairer of First United Methodist church, Richard Cesarz of St. Mary's Catholic church; the Rev. Thode Thodeson, Chelsea Baptist church, and the Rev. John Morris, Zion Lutheran church.

Letters to the Editor

Dear Editor: Recent events in this town have made me so sick I'm not sure where to turn.

Our children aren't safe when a man can be free on as little as \$200. A man who has sexually assaulted a seven-year-old girl. What's wrong with our town or the judge who made this decision?

I'm just one parent who has children in this town, how about the rest of you parents? How do you feel?

I would sign my name, but as the man is still in town I fear abuse to my own children. My name can't help but maybe my letter and also yours will.

God help us and our children. Name withheld upon request.

Free Super Bowl Information Guide Now Available

Super Bowl XVI is coming to Southeast Michigan, Jan. 24. That's not new information, the Travel and Tourist Association's SUPER BOWL guide is new. This handy four-page informational article was first published as a part of the Association's publication. Now it is available as a separate souvenir guide.

Major events surrounding the Super Bowl are featured, such as the Super Bowl, Super Ball and the Super Bowl Winterfest. Dates, location and times of these events are outlined. A brief history recounting the efforts and work expended to bring the Super Bowl to Southeast Michigan is highlighted as well as the plans to provide the 70,000 visitors with real Michigan Hospitality. Full color NFL action photos illustrate the guide.

Association President Sid Baker states that this guide will provide visitors and residents with knowledgeable information concerning Super Bowl week as well as become a souvenir memento.

Copies of the brochure may be obtained free of charge by calling the Travel and Tourist Association of Southeast Michigan at 585-8220 or writing them at P.O. Box 1590, Troy, 48099-1590.

Prices Continue Declining Trend

The U. S. Department of Agriculture reports that prices paid to farmers for raw products fell 3.1 percent in December. Over-all, the monthly farm price index did not rise once in 1981. The price index closed the year 13 percent below its 1980 average. Huge harvests, high interest rates and continued inflation have cut into the farm economy.

Travel Film Set Saturday Night

ROMAIN WILHELMSSEN

On Saturday evening, the Chelsea Kiwanis Club will present its third program in the Travel and Adventure Series, beginning at 8 p.m. in the Chelsea High school auditorium.

A resident of East Lansing, Romain Wilhelmsen attended St. Joseph's College for two years and graduated from the famous Pasadena Playhouse. He started his professional career on the stage and enjoyed two successful seasons on Broadway. However, his heart was not in acting so he left the stage for a life of exploration and adventure.

Wilhelmsen decided to go treasure hunting. When he had gathered enough history on an area to speculate where old treasures might be, he set out to find and film these interesting spots. His success has been phenomenal. He has not only found lost cities, missions and forts, but treasure, weapons of war and armor that have not been seen for centuries. His flair for the unusual and excellent photography combined with a stimulating narration style help make him one of the country's most interesting and successful travel and adventure artists.

"West of the Badlands" is a rough and ready journey through interesting and scenic parts of the Dakotas, Montana, Wyoming and Nebraska. Break away from the humdrum in true rough-rider fashion in North Dakota. Ride through the Teddy Roosevelt National Memorial Park where the

colorful canyons of the Badlands exude the atmosphere of the "Old West."

South Dakota's pineclad Black Hills are best known for their granite tribute to American democracy—Mount Rushmore National Memorial. There's buffalo country in nearby Custer State Park and a moonscape of eroded peaks and spires in Badlands National Park.

Wyoming's natural wonders remain unsurpassed and unspoiled. Delve into western history in Cody, at the American West Historical Center and at Fort Bridger, Fort Laramie. Visit mysterious Devil's Tower, America's first national monument.

Follow the Custer legend to its final destiny in the Little Big Horn Mountains and probe the mystery of the frontier's most celebrated and misunderstood confrontation between white man and Indian: Custer's Last Stand.

Revel in the beauty of Montana, the "Big Sky" country. Camping most of the way with Romain Wilhelmsen, the "legend hunter," we can feel the lure of the Old West from this close up view of an area rich in history, scenery and fun for every traveler.

Emceeding this third adventure will be Charles Cameron while Jim Daniels will serve as host for the evening. Ushers will include chairman Al Conklin, and Dave Bust, Jim Carruthers, Don Cole and John Cox.

For People Who Want To Quit Working Someday

ANN ARBOR TRUST'S DESIRABLE RETIREMENT PLAN

Everyone should be able to enter retirement with sufficient financial resources to enjoy this very special part of their life. But every day we hear of elderly persons whose savings have been gobbled up by inflation and taxes, and who can barely scrape by on their Social Security and limited pension benefits. Recent legislation now makes it possible for everyone who works to acquire a meaningful retirement fund through an Individual Retirement Account (IRA).

Our DESIRABLE Retirement Plan allows you to contribute up to \$2,000 each year to your IRA and deduct the entire contribution from your current taxable income. If you were able to contribute \$2,000 each year for 20 years and earned 12% interest, you would accumulate over \$160,000.

If you've been wanting to save for retirement, but just can't seem to get started, you'll like our Floating Rate Account that allows you to make regular contributions of \$25 or more after an opening deposit of just \$100. You'll earn an attractively higher rate than the current 6-month Treasury Bill auction rate*, and the rate will be adjusted quarterly.

If you find it more convenient to make a deposit of \$1,000 or more, you may prefer our Fixed Rate Account where the rate in effect when you make your opening deposit remains constant during the term of the deposit. Both of these plans offer terms of deposit ranging from 18 to 60 months. Interest is compounded quarterly, and each account is insured to \$100,000. How's that for safety, convenience, and flexibility?

Need more information? Just complete the form and we'll send you all the details. Don't delay taking this step towards a secure financial future.

*6-month Treasury Bill auction rate plus 25 basis points. Withdrawals from an IRA prior to age 59½ are subject to substantial tax penalties. If certificates of deposit are used, added penalties may also apply. Withdrawals must begin and no contributions may be made past age 70½.

★ The Sacred Entitlements . . .

During the past several months, we've been hearing a lot about federal "entitlement" programs. They are so sacred in the minds of many in Congress and so loaded with political dynamite, that it takes a special brand of courage to suggest that they need to be cut back as part of the effort to bring federal spending under control and the budget into balance.

The so-called entitlements are various kinds of social benefits that have been adopted by Congress over the years, that people have come to think of as guaranteed by our Founding Fathers shortly after the signing of the Declaration of Independence. They include such things as full indexation of federal employee pensions—something no one in the private sector can even dream about. They include early retirement for federal workers and for those who want to draw Social Security before reaching 65, and they include all kinds of social and welfare programs, sometimes called "transfer payments," many of which are indexed to inflation.

A letter to the Washington Post recently, written by a sophomore in an affluent Virginia suburb, complained bitterly about the fact that President Reagan had cut the size of his school lunch and local school officials had increased the cost from 70 cents to \$1.25. Said this sophomore: "The school system is supposed to provide us with a nutritious meal once a day, and the meal they give us is not good enough for growing teen-agers."

Where is there written in the National Archives that taxpayers are supposed to provide a free or subsidized meal to school children? And who has decreed that it must be a hot meal? Whatever happened to the brown bag or lunch bucket carried from home?

A lot of us taxpayers who still carry those brown bags wonder about those "entitlement" programs.

Wool Spinning Demonstration Set At Metro Park

Preparing and Spinning Wool will be held at the Kensington Farm Center in Kensington Metropark near Milford/Brighton on Thursday, Jan. 14 at 7 p.m.

Raw sheep's wool will be prepared and spinning will be demonstrated on a spinning wheel and drop spindle. Persons should meet at the Farm Center Restaurant for this 1½-hour program.

There is a \$1 charge per person and advance registration is required.

For information/registration, contact the Kensington Farm Center, 685-9105 (if no answer call Park Office, 685-1561).

A vehicle entry permit is required.

School Bus Transport Determined By 1½ Mile Distance

School bus transport within the Village of Chelsea was never instituted until last year. It was determined at that time that the state criteria of bus transportation for students living at least one and one-half miles from the schools was met.

Now, students living in the outskirts of the village are transported from a number of designated stops including in the Lanewood subdivision and at the intersections of Wilkinson and Middle Sts. and Wilkinson and Old US-12.

Only students meeting the state-determined transportation criteria are eligible to ride the buses to school.

Fire Dept. Responds for Two Calls

Chelsea Fire Department made a total of two runs during the past week, in reference to two fire calls.

The first incident occurred on Sunday, Jan. 10, when an electrical fire was reported at a residence on W. Summit St. This call was received at 7:11 p.m.

Then, at 9:08 a.m. Monday, Jan. 11, BookCrafters reported that a fire alarm had been activated. Chelsea firemen arrived to discover that it was a false alarm.

AGAINST A HOST OF RIVER RATS, Paul Schumann and Sean Oxner took to the pool during the 500 meter freestyle won by Oxner. Recording a best time in the event was Schumann who

swam the 500 meters in a 5:19.5 clocking to help pace the Bulldogs tankers to an 87-85 win over Ann Arbor Huron. This was the Chelsea team's 28th consecutive victory enroute to a fine season slate.

Sgt. James Wheeler Earns Promotion With Marine Corps

Marine Sgt. James K. Wheeler son of Joseph R. and Maureen L. Wheeler of 9136 Dexter-Chelsea Rd., Dexter, has been promoted to his present rank while serving with 2nd Maintenance Battalion, Camp Lejeune, N. C.

A 1978 graduate of Dexter High school, he joined the Marine Corps in September 1978.

DIVING TIPS: Olympic diver Chris Seufert explains some finishing touches for Todd Brown during the Ann Arbor Huron-Chelsea swim meet

last week while diver Kraig Leach keeps an eye on the scoreboard during the tight competition won eventually by the Bulldog swimmers, 87-85.

Swimming Team Defeats Ann Arbor Huron High, 87-85

CHS swimmers gained a hard-fought but fortunate victory over Ann Arbor Huron Thursday. Final score in the event was 87-85.

Going into the last event, the Bulldogs were down, 77-81, and needed a first and third place in the final event. As the race was developing, the home team was first and fourth but one of the Huron entries was disqualified following a rules infraction and the Bulldogs gained their 28th consecutive victory.

With each victory, the pressure on the swimmers to keep winning extends and the motivation for opponents to defeat them increases. "Our program has now

gained the stature of a traditional state power in swimming and teams are trying to defeat us to gain credibility for their own programs," commented Coach Larry Reed. "Tonight, Huron came in here and took the meet very seriously. We worked out twice today and then swam the meet. We like to win these meets but we can't let it affect our preparation for the season-ending invitationals and the state meet. That is when we will rest and try and hopefully win," he continued.

The victory was led by winners Sean Oxner (200 and 500 free and free relay), Dave Nicola (50 and 100 free and free relay), Craig Wirtz (diving), Dave Mason (free relay) and Paul Schumann (free relay).

Other best times were turned in by John Drew, 50 free at :22.9 and 100 free at :52.9; Don Skiff, 50 free at :25.8 and 100 free at 1:00.3; Paul Schumann, 100 free at :53.9 and 200 free at 1:58.1 and 500 free at 5:19.5; John Hoffman, 200 free at 1:59.3 and 500 free at 5:20.6; Wayne Smith, 100 free at

Cagers Trampled By Saline, Come Back To Defeat Lincoln

Chelsea's varsity Bulldogs split a pair of league games last weekend, being humiliated by a fine Saline team Friday, 82-48, and winning an extremely important game over an excellent Lincoln team Saturday, 63-59.

On Friday, the Chelsea cagers opened the game with two good minutes in the first quarter, scoring the first four points but failing to maintain the tempo and falling behind, 8-17, at the end of the first stanza. At the half, the Bulldogs were down, 25-34, and by the end of the third quarter, Saline had upped their lead to 62-36.

Chelsea scored 12 points to Saline's 20 in the final period to post a 48-82 loss.

Scoring for the Bulldogs were David Kiel and David Wojcicki with 10 points each, Mike Bareis and Marty Steinhauer added six points each while David Mann, Carl Pate and Toby Boyd added four apiece. John Welton and Matt Villemure had two points each.

Chelsea shot 35 percent, making good on 19 of 55 attempts while Saline shot 28 of 55 for a percentage of 52.

Saline led on the boards with 33 rebounds while Chelsea pulled down 26. Turnovers found Chelsea with 28 while Saline had 23.

According to Coach Robin Raymond, the big difference in the

game was Saline's quickness; three Hornet cagers hit double figures of 23, 23 and 15. Many of the Saline points resulted from uncontested lay-ups.

From the line, Chelsea was 10 of 18 for 55 percent while Saline sunk 79 percent or 26 of 33.

Out of form in the contest, no phase of the Chelsea game was adequate; there was no competition between teams as the Bulldogs dropped their third league game of the season.

But, Saturday night was a different story as Chelsea hosted the Lincoln Railsplitters and pulled off an impressive, 63-59, victory.

By the end of the first quarter, Chelsea was up, 20-15, and the Bulldogs took a 34-31 lead into the locker room at the end of the half.

In the first quarter, David Wojcicki contributed eight points to get the team off to a good start while Mike Bareis had seven second-quarter points and John Welton chipped in with 10 points in the third stanza to put the Chelsea team up, 48-41, at the end of three.

Within the final four minutes of the game, David Wojcicki put in eight free throws. Welton sprained an ankle and was forced to leave the game with six minutes remaining.

According to Robin Raymond, Lincoln was always forced to catch up while the Bulldogs con-

trolled the tempo and played consistently well throughout as opposed to spurts of fine play in previous games. "The team came together well," he commented.

Individually, Lincoln's two guards combined for 35 points but were outshaded by their Chelsea counterparts, Wojcicki and Welton, with 24 and 19 points, respectively, combining for 43 points in the game. A big difference in the contest cited by Raymond was the ability to outscore the Railsplitters' starting guards.

Others contributing to the winning Bulldog effort were Bareis with 13 points and 11 rebounds, Marty Steinhauer with four points and six rebounds, David Kiel with three points and 10 rebounds and David Mann with six points. Still, Lincoln led in rebounds, 44-38.

In turnovers, Chelsea committed 24 while Lincoln committed 25 as both teams pressed for control. From the field, Chelsea was good for 21 of 52 attempts for 44 percent while Lincoln made good on 28 of 80 attempts for 35 percent. From the free throw line, Chelsea put in 21 of 37 for 57 percent while Lincoln was successful on three of nine attempts for 33 percent.

Chelsea is now 3-3 in the Southeastern Conference, in the middle of the league standings.

KEEPING TABS ON THE MEET, left to right, Coach Larry Reed, Mary Bacon and Dave Johnson, confer on a couple of important points during the Ann Arbor Huron-Chelsea swim meet held last week at the Charles S. Cameron Pool. Needing a first and third place finish in the

final event to clinch their 28th consecutive win, the Bulldogs finished first and fourth but a River Rat was disqualified and Chelsea slipped past the opposition, 87-85.

SEC ROUND-UP:

Dreadnaughts Swamp Milan To Maintain First-Place Tie

Saline 82, Chelsea 48

In their first contest since the return from the Christmas-New Year's holidays, the Chelsea Bulldogs were outrun and outplayed by the Saline Hornets at Saline Friday night, dropping the contest, 48-82.

Saline's quickness was attributed to the Hornet win and Bulldog loss as three Hornets hit 23, 23 and 16 points, respectively, as compared to Chelsea's high-scoring team of David Wojcicki and David Kiel with 10 points apiece.

The win raised the Hornets' record to 3-1 in the SEC while dropping Chelsea to 2-3 on the season.

Dexter 63, Milan 32

On their way to a possible SEC title, the Dexter Dreadnaughts traveled to Milan Friday night and returned home with a highly convincing 63-32 rout of the Big

Reds to up their season slate to 4-1 in the conference.

Pacing Dexter were Eric Sing, Rob Ianni and Ralph Finley with 12, 13 and 14 points, respectively. Brad Collar of Milan led his team as the only player hitting double figures with 12 points in the first half.

Dexter outplayed the Big Reds in every sense of the word, holding the Milan squad to a mere 12 points in the second half.

Lincoln 61, Western 44

Finishing the game with a 3-1 league slate, the Lincoln Railsplitters hosted the Jackson County Western Panthers Friday night and took a 61-44 victory away from the visitors with the assistance of players coming off the bench.

Falling behind at the end of the first half, 19-25, substitutes made their mark in the second half, leading the Railsplitters on to win

their third league game with a one-half game difference between them and the league-leading Dexter Dreadnaughts.

The loss drops Western to 0-4 in the conference.

Pacing Lincoln was Dave Stasiak with 15 points while the lowly Panthers were led by Gary Lively and Scott Overholser with 11 points apiece.

Saline 70, Tecumseh 62

In their second game of the week-end, Saline's Hornets compiled another win Saturday night, defeating Tecumseh's Indians, 70-62, to produce a tie between themselves and the Dexter Dreadnaughts in the league standings.

The Saline cagers were flat and the Indians were playing a gutsy ballgame but the Hornets overcame their faults early as an all-out team effort and four players in double figures provided a key to the victory.

George Tilt had 12 points while Greg Sippell sunk 19, Jim Mussio had 14 and Rod Miller, 12, to stave off any rally produced by the Tecumseh squad.

Pacing Tecumseh were Scott McDonald with 21 and Mark McLaughlin with 18 points. Still, the Indians dropped their record to 2-3 in the SEC.

Chelsea 63, Lincoln 59

David Wojcicki and John Welton combined for 43 points Saturday to lead the Chelsea Bulldogs, coming off a disappointing loss to Saline the night before, to a 63-59 win over the powerful Lincoln Railsplitters.

Chelsea was ahead throughout the contest and held the Lincoln guard combination to 35 points while Chelsea's own pair combined for 43.

Wojcicki led all scorers with 24 points while John Welton added 19 before spraining his ankle in the final quarter. The Bulldogs controlled the tempo of the game and played consistently throughout.

Chelsea is now situated in the middle of the SEC standings with a 3-3 slate while the Railsplitters are 3-2 on the season.

Swimmers of the Week

THIS WEEK'S HIGHLIGHTED SWIMMERS are Kent Noll and Ted Merkel. Kent, a junior, is a two-year varsity letter winner who has turned best times of :57.6 in the 100 freestyle and 5:56.5 in the 500 freestyle. In large meets, Kent normally swims the 100 free and both relays. Ted Merkel is a sophomore, attempting to win his second varsity letter. He specializes in the breaststroke and in-

dividual medley. Ted's best times are 1:13.3 in the breaststroke and 2:31.0 in the IM. Both of these swimmers contributed valuable efforts in the close fought victory over Ann Arbor Huron and are counted on heavily in the upcoming invitations. They are both also working hard to try and earn places on the state meet relays.

Wrestlers of the Week

CHELSEA'S FEATURED WRESTLERS are Eric Stofflet, left, and Bill Lamb who have contributed to the Bulldogs' successful wrestling season thus far this year. Stofflet, wrestling at 138, suffered a 7-1 loss against Milan's Tracey Ammer-

man last Wednesday though his defeat was offset by teammate Bill Lamb's 7-4 decision over Chris Grinige in the 145-lb. weight classification. The Bulldogs won the league contest, 44-15, Wednesday.

Farmers, Fishermen Must Pay Estimated Tax By Jan. 18

Individuals engaged in the farming or fishing industries who earned at least two-thirds of their 1980 or 1981 gross income from farming or fishing must make a declaration of estimated tax for 1981 and pay all taxes due by Jan. 18, 1982, the Internal Revenue Service says.

However, farmers or fishermen who plan to file their income tax returns for 1981 and pay the total tax by March 1, 1982, are not required to make an estimated tax declaration.

The IRS has three publications which explain filing requirements: Publication 225, "Farmers Tax Guide," Publication 595, "Tax Guide for Commercial Fishermen," and Publication 605, "Tax Withholding and Estimated Tax."

The free publications may be obtained by contacting IRS.

Your Auto-Owners agent wants you to get the policy that's right for you.
Even if it isn't from Auto-Owners

When you go to an insurance agent who represents only one company, he only has one company's policies to offer you. But an independent agent represents several companies. So if one company's insurance isn't right in price or coverage he'll tell you. He knows another one of his companies is. But the one-company agent? Do you think he'd tell you? So talk to your independent Auto-Owners agent. There's no telling how much he can help you.

FINAL APPROVAL OF PROPOSED CHARTER AMENDMENT

WHEREAS, the Village Council did on November 17, 1981 adopt a proposed Charter Amendment to provide for nomination of Elective Officers by petition;

AND WHEREAS, said proposed Amendment was duly tabled and published as required by law and the Governor of the State of Michigan has approved the same;

NOW, THEREFORE, BE IT RESOLVED that the following amendment to the Charter of the Village of Chelsea be submitted to the qualified voters of the Village of Chelsea, and a special election to be held on the 5th day of January, 1982.

PROPOSED CHARTER AMENDMENT PROVIDING FOR NOMINATION OF ELECTIVE OFFICERS BY NOMINATING PETITIONS IN THE VILLAGE OF CHELSEA.

ARTICLE I. Election Procedure. The general election laws of the State of Michigan shall apply to and control, as near as may be, all procedures relating to registration for and the conduct of Village elections, except as such general laws relate to political parties or partisan procedure, and except as otherwise provided by this charter amendment.

ARTICLE II. Regular General Village Election. A non-partisan regular General Village Election shall be held on the second Monday in March in each year beginning with 1982. The candidates for each Village office to be filled, receiving the highest number of votes at such Village election shall be declared duly elected. In the case of the office of Trustee, where there are six (6) persons elected to said offices, being elected three (3) candidates receiving the highest number of votes shall be declared elected.

ARTICLE III. Nomination Petitions. Persons desiring to qualify as candidates for any elective office under this charter shall file a petition therefore with the Clerk signed by not less than fifteen (15) nor more than fifty (50) registered voters of the Village not later than 4:00 P.M. on the fifth (5th) Monday prior to the date of the Regular General Village Election. Official blank petitions in substantially the same form as required by State Law for State and County officers, except for reference to party, shall be prepared. All nomination petitions shall have entered thereon in ink the name of the person desiring to become a candidate for office in the Village, or the person in whose behalf the petition is to be circulated, and the name of the office for which he is a candidate. Nomination petitions for the purpose of filling a vacancy shall so state in connection with the name of the office for which he is a candidate and for which the petition is to be circulated. The Clerk shall publish notice of the last day and time for filing nomination petitions at least one (1) week before and not more than three (3) weeks before that date. No person shall sign his name to a greater number of petitions for any one (1) office than there will be persons elected to said office. Where any name appears on more petitions than there are candidates to be elected to said office, such name shall not be counted upon any petition for that office.

ARTICLE IV. Approval of Petitions. The Clerk shall accept for filing only nomination petitions which conform to the general election laws, containing the required number of signatures for candidates having those qualifications required for elective Village officers by this Charter. When petitions are filed by persons other than the person whose name appears thereon as a candidate, they may be accepted for filing only when accompanied by the written consent of the person in whose behalf the petition or petitions were circulated. The Clerk shall, within five (5) days after the final day and hour for receiving nomination petitions, determine the sufficiency of the signatures on each petition filed, and if he finds any petition does not contain the required number of legal signatures of registered electors, he shall immediately notify the candidate in writing of the insufficiency of his petition. Each petition which is found by the Clerk to contain the required number of signatures of registered electors, shall be marked "In Order", with the date thereof, and he shall so notify the candidate whose name appears in writing.

ARTICLE V. Public Inspection of Petitions. All nomination petitions shall be open to public inspection in the office of the Clerk beginning five (5) days after the final filing date for such petitions.

ARTICLE VI. Form of Ballots. The form of the ballot used in any Village election shall conform as nearly as may be to that prescribed by the general laws of the State for non-partisan elections. The names of candidates for each office, shall be listed in a single column and shall be rotated on the ballots. In all other respects, the printing and numbering of ballots shall conform to the general laws of the State, relating to elections.

ARTICLE VII. Repeal of Conflicting Charter Provisions. All provisions of Act No. 3, Public Acts of 1895 (General Village Charter Act) in conflict herewith are hereby repealed, including the Charter Amendment adopted by vote of the electors of the Village of Chelsea on March 10, 1969.

BE IT FURTHER RESOLVED, that the proposed Charter Amendment shall appear on the ballot or voting machine in the following manner:

"Shall the Charter of the Village of Chelsea be amended to provide for nominating elective officers by petition and general election in the Village of Chelsea and discontinuing nomination by caucus?"

BE IT FURTHER RESOLVED, that the Clerk shall cause the within proposed Charter Amendment and Resolutions and notice of such election to be published in The Chelsea Standard at least once, not less than two (2) weeks and not more than four (4) weeks, preceding the election and shall post notice of such election in at least ten (10) public places within the Village not less than two (2) weeks prior to said election.

Motion by Keezer, supported by Merkel, to adopt the above resolution as presented. Roll call: Ayes—Chriswell, Kanten, Keezer, Merkel and Satterthwaite. Nays—None. Motion carried. Resolution adopted.

Motion by Keezer, supported by Satterthwaite, to rescind the motion of December 15, 1981 to eliminate the monthly \$1.00 Sanitary Landfill Compliance fee and to place this matter on the Agenda at the regular meeting of January 5, 1982. Roll call: Ayes all. Motion carried.

Motion by Keezer, supported by Kanten, to adjourn. Roll call: Ayes all. Motion carried. Meeting adjourned.

Date Approved: Jan. 5, 1982.

Charles S. Ritter, President. Evelyn Rosentreter, Clerk.

Letters to the Editor

Dear Mr. Editor,
 Like everyone else, we are all swept up in the hold of "Olde Man Winter." The Village of Chelsea has been taken care of, I would say really well for keeping streets open. We live in the country and it is our neighbors I wish to share words with you.
 Jan. 2, we had a necessary appointment at Chelsea Hospital and we proceeded to leave in car and just shoot out the driveway and be on our merry way. The icy surface became more than a mere challenge. After two attempts at the hill on our road, each failing, necessitating backing down hill, the third one would do it, we thought. Our car made it short of the top of the hill. We were turned sideways right smack in the middle of the road. We, my husband and I, got out of the lodged car, he to open trunk of car and apply sawdust from a box he filled before leaving. With shovel he spread sawdust as far as his swing could reach, while I stood guard for oncoming traffic at crest of hill.
 At this point a neighbor who lives above the hill was leaving in his car. When he observed what had happened to us, he reversed his car, went into his home and got his son out, they were coming to help us. By this time, my husband had set the car free from its position and backed down the hill once more. Fourth attempt was coming up. With fingers crossed he met the challenge and conquered!
 Waterloo Rd., which our road enters into, was an icy glaze. There was no way we could make the incline there to M-52, we tried and failed. Reversed to our road once more and went out to Weikener Rd. Once out of ice we found dry pavement. What joy that is! After a few hours, we returned. This time we took the M-52 entrance. Low and behold, just past the snowmobile area, going due east, at the hill, there some kind souls had dug holes into the walls of the road embankments and spread dirt on the road. All the way down the incline to Mester Rd. they had covered the surface. Then the neighbors had spread covering on the road to the crest of the hill, making travel a little easier.
 Mr. Editor, it's a grand feeling to know neighbors care about each other, and our's proved it. We understand another neighbor went off the road that same morning and there was someone there to help them too. Thanks to the folks on Mester Rd., we can handle Olde Man Winter, well, almost! I guess you could call us "Real People."
 Mrs. Millie Warner.

Dance Exercise Class Sessions Start Tonight
 Chelsea Recreation Council will present a dance exercise class, beginning Tuesday, Jan. 12 in the South Elementary school music room. A limit of 15 persons per class has been set and there are openings in the 6:30 p.m. and 7:45 p.m. class sessions. Registration may be completed at the Community Education Office or the first night of class at a cost of \$25 for the Tuesday and Thursday night, 10-week class.
 Teaching the dance exercise class will be Jacklyn Wise of Pinckney who has a background and experience in yoga, modern dance, Afro American dance, jazz dance and jazz-ercise. The purpose of the class is to tone the body to music.

NOW... AN INDIVIDUAL RETIREMENT ACCOUNT IS FOR EVERYONE.

Now you can be included in a pension program where you work and still have an IRA. You can contribute up to \$2,000 of your income. In fact, if all you earn in 1982 is \$2,000 you can contribute it all.

Your non-working-for-wages spouse can contribute \$250.

What you contribute to your IRA can be deducted from earned income for reporting purposes for both federal and state income taxes.

You pay income tax only when you have retired and begin withdrawing funds... and your tax rate should be less at that time.

Plus, new higher interest earnings are available, too.

Stop in, get all the details.

When every penny counts... a \$2,000 tax shelter is welcome relief.

You deserve tax savings now... security in your future.

We will be closed Monday, Jan. 18, 1982 in observance of Martin Luther King's birthday. (A legal holiday)
