2-MILE RUN WINNERS: Earning trophies for their distance running abilities at last Saturday's Chelsea Jaycee Scenic 6 and 2 Mile Run were, from left, Allan Kuhl, first, Lee Riemenschneider, second and Ken Swann, third, in the men's division; Trudy Tapping, first, Linda Scott, second and Cindy Beal, third, in the women's division.

JAYCEE 6-MILE RUN WINNERS: The top three winners in every age classification posed for a photograph, trophies in hand, after Saturday's second running of the Scenic 6 and 2 Mile Run, sponsored by the Chelsea Jaycees. Proceeds from the run will be used for the Chelsea Area Needy Children's Christmas Fund, used to provide area children with Christmas gifts.

Jaycee Scenic Runs Attract Entries from Widely Scattered Area

Chelsea Jaycees held their second Scenic 6 and 2 Mile Run(s) Saturday, April 17 with more than 125 running enthusiasts from across the area taking part. Participants came from Chelsea, Dexter, Manchester, Ann Arbor and metropolitan Detroit to take part in the fund-raiser. Despite rather gloomy weather conditions, fine times were turned in by participants.

The six-mile run began at the intersection of McClure and Loveland Rds., down McClure to Bush to Conway to Sibley, ending at the Dana Corp. parking lot. The two-mile run began at Bush Rd. and continued to Conway to Sibley and to the Dana parking lot.

Elaine Sisung finished first and second, respectively, while two racers, Al Dasen and Thomas Cattel, competed in the 52 to 59 division of the six-mile race. They took first and second place, respectively.

Taking first place as a corporate team was Sarns, Inc. of 6200 Jackson Rd., Ann Arbor.

This second running of the Scenic 6 and 2 Mile Run proved highly successful, according to Jaycee spokesmen.

Music Dept. Plans Concert Tuesday Night

Chelsea High school's music department will present a concert, Montage 1982, Tuesday, April 20, beginning at 8 p.m. in the gym.

Taking part in the concert will be the concert, symphony and jazz bands as well as the orchestra and choirs. In approximately one hour, the concert and symphony bands, directed by Bill Gourley, will each perform two selections, Folk Songs from Somerset by Vaughn Williams and Rondo by Jager, Americana by Zaninelli, Valdes by Hanssen/Bainum and First Suite in E Flat by Holst, respectively.

The jazz band, directed by Zach Smith, will then take the stage to perform "Give It One" by Ferguson/Downey as well as

an original composition by Zach Smith entitled "Love Them Saturday Nights."

The Contemporaries will sing "All the Things You Are," by Kern-Hammerstein/Gold and "Got to Get You Into My Life," by Lennon and McCartney/Strommen.

The Chelsea High school symphony orchestra, directed by Kevin Miller, will perform "Orpheus in the Underworld" by Offenbach and "Battle Hymn of the Republic" by Howe-Steffe/Wilhoitsky, accompanied by the Chelsea High school choruses, under the direction of Tamara Barbre.

There is no admission charge for this spring all-department musical presentation.

John Harden To Appear in Circuit Court

Appearing in court on Tuesday, April 6, John M. Harden, 35, waived his right to a preliminary examination and has been bound over to Circuit Court No. 1 where he will appear before Judge Agar on Tuesday, May 4 for arraignment on four charges of first degree criminal sexual conduct.

Harden was arrested by Chelsea Police last January and arraigned on four counts of criminal sexual conduct in the first degree, stemming from reports of alleged sexual misconduct given to local authorities by the parents of a six-year-old girl, a four-year-old girl, a seven-year-old girl and a seven-year-old boy.

According to Chelsea Police Chief Robert Aeillo, Harden remains in Washtenaw County Jail without bond.

Fire Dept. Starts House No. Project

On Saturday, May 1, the Chelsea Fire Department will put Project ARFS into effect. Project ARFS, Address Readable From Street, is being sponsored by the Chelsea Fire Department and the Chelsea Chamber of Commerce.

This project, suggested to Fire Chief Bud Hankerd by a college student doing a term paper, is aimed at putting six-inch reflecting numbers on houses located within the Chelsea Fire District to assist emergency vehicles in

saving time locating addresses during an emergency.

The cost of the numbers is 75 cents each and they will be available at the Chelsea Fire Department on Saturday, May 1 from 9 a.m. to 4 p.m.

Area residents may direct their questions to 475-8755 on the day that Project ARFS is implemented.

In addition, if persons taking part in the program are unable to attach numbers, arrangements may be made for assistance from the Chelsea Fire Department.

Biology Class Science Fair Scheduled

The biology classes at Chelsea High school are again presenting their semester projects at a Life Science Fair to be held Wednesday, April 21 from 7 p.m. to 9 p.m. in the Media Center.

Parents, relatives, friends and other interested community members are invited to view the displays on genetics, development, solar energy, cells, plant growth, body systems and health, ecology, animals and bacteriology.

The Media Center will open again during the school day, Thursday, for viewing by students.

School Spring Clean-Up Scheduled

Spring is sprung. It is therefore appropriate that all faculty members and students within the Chelsea School District will participate in their annual all-campus clean-up to rid the grounds of waste paper, broken glass and other refuse that was intended for but never quite made it to the trash can.

This annual spring cleaning will begin Tuesday morning, April 27, weather permitting, will be continue until the last cigarette butt, the last gum wrapper, the last bottle cap has reached its final resting place inside a two-ply garbage bag. Should it rain, the clean-up will be held Wednesday, April 28.

Inside and out, the faculty and student bodies will rid themselves of unnecessary items crammed in drawers or stuffed inside lockers. From there, hallways and classrooms will receive the once-over as the janitorial staff makes its rounds outside to straighten up the

Kindergarten Orientation Program Set

Chelsea School District will once again sponsor the Kindergarten Orientation program for children who will be entering Chelsea schools next fall.

The program is orientation in nature. It focuses around a variety of basic skill areas identified by the kindergarten teachers. In addition, the children will have the opportunity to take a school bus ride, tour the school and visit the kindergarten classrooms.

Parents should request the school they wish to have their child(ren) enrolled in next fall. Permanent fall assignment, however, will be determined by enrollment figures.

Kindergarten Orientation is free to all Chelsea residents and the schedule is as follows:

On Tuesdays, beginning April 20 and ending May 11, youngsters planning to attend South school will gather from 9:30 a.m. to 10:30 a.m. for their program(s).

On Thursdays, at the same meeting times, potential North Elementary schoolers will meet.

Pre-registration is requested and questions regarding placement may be directed to the Community Education Office, 475-8830.

Four File Petitions for School Board

As of Monday, April 12, four persons submitted petitions announcing their candidacy for two vacating Board of Education positions to come before voters in the upcoming Chelsea School District election.

Seeking re-election to the four-year terms are incumbents Dale A. Schumann, 667 Washington St., and Daniel T. Snyder, 1325 Freer Rd. Newcomers are Raymond Gorton Coulter, 15272 Gorton Rd., Grass Lake, and James A. Patterson of 18839 Bush Rd.

In order to vote in the June 14 election, district residents must be registered with township clerk Mary Harris by 5 p.m. Monday, May 17.

Mayor Exchange Slated May 17 With Gladwin

The annual Mayor Exchange Day will be held Monday, May 17 with Chelsea officials, as yet unnamed, travelling to Gladwin and Gladwin city officials reciprocating.

Typical events characterizing the exchange, host cities provide guests with a tour of the town.

Medieval Fair Set At North School

On Saturday, May 1, between the hours of 10 a.m. and 4 p.m., North Elementary school will hold its second annual Medieval Fair.

Artists and craftsmen from the surrounding area will be demonstrating and selling their original wares, items ranging from stained glass to wheatweaving.

A variety of entertainment will keep fair-goers busy all day. Martin Smith, a junior at Huron High school, is known as Ann Arbor's number one juggler. He will be not only demonstrating his skill but teaching juggling as well. Local magicians Eric

Gaken and Tom McGraw will each have a show. Joyce Handler, from Ypsilanti, will demonstrate her expertise on the harp. The Beach School Players, the Contemporaries and the Chelsea Suzuki classes will all be added attractions.

There will be many games and prizes for children, cartoons, a bake sale and a stuffed animal walk. You can have your face painted, your picture taken as a knight or lady, see a play or win a prize. Food and drinks will be available all day.

One of the highlights of the day will be the appearance of David (Continued on page five)

DAD'S DAY: North Lake Co-Op Nursery held its annual Dad's Day Saturday, April 17 with the four-year-old students showing their fathers around their school. Included among the group enjoying its tour were Thomas and Rod Payne, Paul and Amy Cole, Keith and Kerl Kentala, Gerrick and Mike Balze, Kevin and Dick Coy, Greg and Steve Rickerd, Matthew and Peter McVittie, Larry and Lindsay Gaken, Nathan and Jim Hallett, Jessica and Peter Flintoff, Jesse Herrst and grandfather, Andy Blackwell, Mandy Callipetro, Evan and Jim Knott, Jeremy and Mike Muha, Niki Wireman, Bob Foster and Laura Hodgson, Chuck and Eric Freitas, and Lloyd and Lloyd Eddy.

The Rev. William H. Keller, pastor of Our Savior Lutheran Church in Chelsea for the past nine years, has accepted the position as pastor of Bethany Lutheran church in Omaha, Neb. Debbie Overbey, librarian of McKune Memorial Library, recently accepted the newly published "Settling of Waterloo, Michigan," a book of historical data compiled by Dr. Donald E. Katz and Mrs. James Nicola of the Chelsea Historical Society.

Steve Check and Mike Sweeney are this week's featured baseball stars.

Bishop Mayson of Detroit will be coming to Chelsea to confirm Laurie Beck, Michael Brown, Edward Kime and Charles Francis Waller at St. Barnabas Episcopal church on April 30.

Winner of the North Elementary school spelling bee is Marie Bulick, a fifth grader in Mrs. Clark's class. Earning her honors was the word "sandwich."

Chelsea school children living outside of the village limits had to find a new means of transportation to school yesterday. The school district's 26 bus drivers did not show up for work.

Because the operational millage voted last year expires June 30, it is necessary to hold an election to renew the millage for the 1968-69 school year. The election will be held May 8 and the request for 7.65 mills does not increase the total school millage levied last year.

A three-minute steady blast from the Dexter fire siren on the roof of the Dexter Police Department can mean just one thing: there is a tornado in the area that could strike the village. On Tuesday, April 23, at 2 p.m. the siren sounded and shortly thereafter, a tornado hit just southeast of the village, demolishing a garage, tool shed and part of a house on Miller Rd.

MICHIGAN MIRROR

Legislature Recesses Without Solving Financial Problems

The Michigan Legislature began its regular spring recess Friday, April 9, after a grand effort to solve the state's financial problems fell short.

After a 22-hour marathon session beginning Thursday morning, the Senate decided to call it quits early the next day after waiting all night for the House to complete action on the focal point of a package by Governor William G. Milliken that would have increased the personal income tax rate by 1 percent for six months.

Senate Majority Leader William Faust of Westland said the members of the Senate were in no condition to begin negotiations and debate on the bill; the body packed its collective bag and returned to their districts or scheduled vacations.

Faust said the Senate would be nowhere close to having the

necessary 20 votes to approve the bill which would raise an additional \$265 million for the fiscal year ending Sept. 30.

He said there were only 14 or so votes for the bill in the Senate and the members were not in a negotiating mood after waiting the entire night in session pending action by the House.

Only after intense negotiations and much personal convincing by the governor did the House put up the necessary 54 votes to approve the tax hike.

The drama then switched to the Senate where it fizzled. Meanwhile, because the complete package of other tax increases and budget cuts did not become finalized, the state's budget problems will continue to mount.

These taxes included an approved increase in the state cigarette tax, effective May 1, which would raise the per pack tax from 11 to 21 cents. This

would raise an additional \$95 million each year to assist the state in its cash flow problems for the timely payment of bills.

A tax on amusements, such as video games, theaters and sporting events, was also left pending as the Legislature began its recess.

This would raise an additional \$40 million per year.

The over-all package is designed to erase a \$567 million current-year deficit, offset projected red ink in 1982-83 of about \$200 million and shore up the cash account.

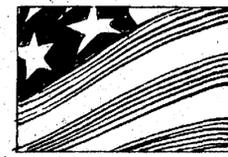

The approved executive order cutting the budget would cut \$308 million from the current year spending levels and some \$180 million from the 1982-83 recommendations.

Because of the failure to complete the package, the executive office called off a planned trip to New York to attempt to gain a favorable credit rating on \$94 million in building bonds which the state needs to sell before June to replenish to starved cash supply.

The executive order cutting the current and next year's budget includes \$80 million from fourth-quarter payments to four-year colleges and universities, \$125.9 million from various state departments including \$20 million from employee wages and salaries and previously accounted across-the-board cuts of 4 percent, and \$101.7 million due to a revised assumption on financing of the state retirement systems.

Additional recommended cuts by the governor for his 1982-83 budget include \$34.9 million from K-12, \$30.2 million from community colleges and \$58.1 million from revenue sharing.

This is a problem that will not go away. The Legislature began its spring recess without action on the total package; it will be the first item on the agenda when they return next week.

The first use of the term "Old Glory" to designate the US flag was made by a New England seaman, William Driver. Before setting sail for the Orient in 1831, he had the flag unfurled and said, "I name thee Old Glory!" The term caught on during the Civil War.

Yours truly,
 Uncle Lew.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

New Dealer Clem Webster and New Federaler Ed Doolittle got into a hollering match during the session at the country store Saturday night, so the rest of the fellers couldn't make out all of what they were worked up about. The debate that got out of hand started quiet enough, with Clem allowing he had figured out what New Deal and New Federalism mean. The New Deal, he said, held that the haves is the haves and the have nots is the have nots; and the twain was going to meet. New Federalism says they ain't.

Clem said his proof is in big ticket items. He had saw reports where dealers in \$35,000 cars and \$80,000 boats can't get enough to fill their orders. The fact is, Clem declared, that folks that can afford these playthings are flusher than ever these days. At the other end of the scale, Clem said, was a piece he saw recent where this feller that runs Clunker Motors says his used car business is booming. He says all his cars have seen their best clunks. He don't sell nothing over \$900, and he don't offer any kind of service or guarantees. All he is selling, he said, is transportation as long as it lasts, and he's selling to folks that would of turned up their nose when they drove past two year ago.

Furthermore, Clem said, he had saw where some of the big appliance makers are coming out with do-it-yourself programs to save service calls now running about \$30. They offer parts and instruction, but they make it plain that the feller trying to save a few bucks is on his own when he starts the repair job. Folks that wouldn't of give a second thought to calling a plumber a few months back now take the sink apart and flood the kitchen themselves. Shoe shops are doing more repair, Clem said, probable

because they don't have do-it-yourself kits. What it boils down to, Clem declared, is that the gap between the haves and the have nots that had been closing is gitting wider than ever.

Ed was turning red in the face, and by the time he got done with his lecture about Government's No. 1 job is seeing to the common defense he already had flung his hat on the floor and stomped it. He said what galled him most was that the same people that was saying two year ago this country was on a spend crazy trip to destruction now is calling them the good old days. Ed said you can't have it both ways, and the Reagan Administration is dishing it out just like the President promised. The same people that was crying about a few deadbeats being kicked off welfare so we can put more money in building up our defense, was Ed's words.

Final, Zeke Grubb rapped the broom handle agin the stove, calling fer order, and he allowed it probable was just as well that Washington git out of charity and let it begin at home. Zeke had saw where that surplus cheese the Government paid \$1.43 a pound fer was costing at least another 50 cent a pound in storage and overtime fer states and counties to give away.

Players Choose 'My Fair Lady' for Summer Musical

Chelsea Area Players have recently announced audition dates for their upcoming summer production of "My Fair Lady." This elaborate musical, which will be presented on July 15, 16, 17, and 18, was especially chosen this year in celebration of the Chelsea Area Players' 10th anniversary.

Jeanette Tracy Brock will be returning to direct her third Chelsea Players summer musical in succession, and the elegant production of "My Fair Lady" promises to equal all of the success of her "King and I" and "South Pacific."

Auditions will be held at Chelsea High school auditorium on Friday, May 14 from 7 to 11:30 p.m. Call-backs will also be at the auditorium on Saturday, May 15 from 1 to 4 p.m. and on Sunday, May 16 from 1 to 4 p.m.

"My Fair Lady" has a large cast of nearly 50 people, with some excellent speaking parts as

well as singing and dancing roles. Scripts and scores are now available for perusal from June Warren, who may be reached 475-8409 evenings.

There will also be a general interest meeting at Chelsea High school auditorium on Saturday, May 8 at 1 p.m. and anyone in the community who is interested in working on any aspect of the production is invited to attend.

Director Brock will be presiding at this meeting to explain what kinds of talents and assistance will be needed, as well as to answer any questions regarding actors' roles or auditions for "My Fair Lady."

More details on the May 8 meeting will follow at a later date.

Woman's Club Hears Report on Australian Trip

Last Tuesday evening, the Woman's Club of Chelsea was privileged to hear a very interesting and colorful talk, presented by one of the members. Carol van Reesema brought slides and some artifacts from a trip to Australia which she and her husband had made recently. This was a visit to his family living there. The unusual animals, plants and terrain of the continent provided an exciting program. Mrs. van Reesema had a charming commentary to accompany the display.

A business meeting was conducted in which further plans for the spring programs were discussed, as well as the annual meeting to elect a new slate of officers for the coming year. The annual business meeting will be held Tuesday, April 27, at the McKune Library, and the annual dinner will be held in Ann Arbor at the Sheraton Inn. Members are encouraged to bring guests to the latter function. The dinner will be on Tuesday, May 11 at 6 p.m.

Hostesses for the evening were Gladys Barth and Carol van Reesema.

FINKBEINER-DALTON: The engagement of Donna J. Finkbeiner and Charles G. Dalton has been announced. The bride-elect is a graduate of Chelsea High school and is currently employed by BookCrafters. The future bridegroom, the son of Mr. and Mrs. Gary Dalton of Chelsea, is employed at Vogel's and Foster's and plans to attend Michigan State University in the fall. The couple is planning a July 24 wedding.

VFW Auxiliary Elects Officers

A meeting of the local VFW Auxiliary was held Monday, April 12 with the election of district delegates, alternate delegates and Auxiliary officers taking place. There were 11 members present.

Delegates to the sixth district are as follows: Eulahlee Packard, Lucy Platt, Fran Zatorski, Gertrude O'Dell, Virginia Schirmacher, E. Bernice Schneider and Darlene Cozzans. Alternate delegates are Nina Matthews, Dorothy Lentz, Judy Kent, Eleanor Farley, Sally Heldt, Goldie Hoover and Marlen Johnson.

Officers elected for the ensuing year are Mary Erskine, president; Virginia Schirmacher, senior vice-president; E. Bernice Schneider, junior vice-president; Darlene Cozzans, treasurer; Gertrude O'Dell, chaplain; Eulahlee Packard, conductress; and Dorothy Lentz, guard. Remaining to be elected at the May meeting are one- and three-year trustees.

Grave flags and markers were ordered and will be placed on the graves of deceased members prior to Memorial Day.

Gifts of money were allowed for the department president and the sixth district president at the retiring of their respective terms ending in June. This will be preceded by the department convention to be held in Grand Rapids from June 24 through June 27.

A total of \$10 was allowed for Camp Tractor Days to be used for prizes for the children in the week-end festivities.

Another \$10 was allotted for national home carnival tickets for the residing children's use. The carnival will be July 11.

Tentative date for the Buddy Poppy sales was announced as May 21 and additional details will be given at the May meeting. Volunteers will be needed to man the local street corners.

A detailed hospital report was given by the hospital chairman Lucy Platt. She explained the Friday morning coffee hours held during March. On March 24, the hospital party was co-sponsored by the Post.

Reports were given on the March rummage sale and the April 10 bake sale.

It was announced that the Loyalty Day celebration will be held May 2 in Brighton.

The sixth district convention will be held Sunday, May 16 at Brighton as hostess Auxiliary No. 4357, with the election of the sixth district officers taking place. Department president Mildred Sebbrell will make an official visit to the sixth district.

Fran Zatorski, the local Auxiliary president, announced April 20, at 7:30 p.m., as the time for annual reports. All chairmen are requested to be present at the VFW Hall with notebooks and report blanks.

The Auxiliary voted to adopt two veteran patients at the Ypsilanti State Hospital for a period of one year or the length of their stay, whichever takes up the most time.

The next regular meeting will be held May 10 at 7:30 p.m. in the VFW Hall.

Chelsea Child Study Club Members Elect New Officers

The March 23 meeting of the Chelsea Child Study Club was held at the home of Grace McCalla. Prior to the business meeting, Grace gave a microwave cooking demonstration. She prepared a variety of dishes which were sampled and enjoyed.

During the business meeting conducted by president Barb Branch, a slate of officers for next year was voted on. They are Ruth Dils, president; Dotti Bell, vice-president; Kay Redding, secretary; Anne Comeau, treasurer; and Pat Stirling, auditor-parliamentarian-historian.

Program chairman Ruth Dils reminded the members of the CPR course that the club is taking at Chelsea Community Hospital on Monday, Tuesday and Wednesday, April 20, 27 and 28.

The group's April meeting will be held Tuesday, April 27, following the CPR session.

Kiwanis Flower Sale Sets New Record

At the 32nd annual Kiwanis Easter flower sale, held at Heydlauff's Friday and Saturday, April 9 and 10, hundreds of flowering and green plants, single blooms, floral arrangements and lilies were sold to local patrons eager to add a little bit of springtime to their otherwise "white Easter."

Purchasers had a choice of springtime fare including lilies, tulips, mums, carnations and more. Gross sales from this year's Easter flower sale totaled a record high of \$4,200.

The world's greatest migrators are birds called the Arctic terns. They travel each year to the Antarctic. The round trip totals about 25,000 miles.

Hospital Staff Hosted By Auxiliary

The Chelsea Community Hospital medical staff, board of trustees, administrative staff and department heads enjoyed the Big Band sound of Al Townsend's Ambassadors at the Campus Inn Thursday evening, April 15.

Hosted by the Chelsea Community Hospital Auxiliary, the evening was designed as an expression of appreciation to the "hospital family."

Carole van Reesema, president of the Chelsea Community Hospital Auxiliary, stated, "This is one of the few opportunities that the Hospital Auxiliary has to say thank you to all who make the hospital what it is. We also thank Al Townsend and the Ambassadors and the Campus Inn for helping to make this big 'thank you' possible. Judy Niswonger and her committee did a superb job."

The award was presented to the pair at the Michigan Audubon convention held April 3 at Grand Rapids.

Heed Physician or Pharmacist Directions for Medications

If you are taking medicine, the food you eat could make it work faster or slower or even prevent it from working at all. In fact, certain combinations of foods and drugs can produce results you didn't bargain for. Consider these examples:

—Washing down a pill with a glass of milk can be a waste of money if the pill is a tetracycline (an antibiotic) capsule. The calcium in the milk can impair your body's ability to absorb the tetracycline and you won't get your money's worth from the medicine.

—Taking as little as 4 teaspoons of mineral oil a day as a laxative can hinder your body's ability to use vitamin D, vitamin K and carotene, a substance the body converts to vitamin A.

—Combining alcohol with anti-anxiety, tranquilizers or antidepressants can cause excessive drowsiness and make it hazardous to drive a car or operate machinery.

—Eating salami and aged cheese and drinking Chianti wine can be dangerous if you are taking a certain type of medication for high blood pressure or depression. A substance in cheese and other foods can react with the medications (MAO inhibitor drugs) and cause a serious rise in blood pressure.

It should be obvious that taking medicine involves more than just putting pills into your mouth. You may also have to avoid certain foods or time yourself to use the medicine before, during or after meals. In many cases, taking a drug correctly will make the difference between a treatment that works and one that doesn't.

Your doctor or pharmacist is a good source of information about the best way to take medication and which foods and beverages to avoid, if any. It is important to tell the doctor about any unusual symptoms that follow particular foods, and to ask how drugs might interact with your favorite foods and beverages.

Not all reactions between foods and drugs cause problems. For example, eating fatty foods before taking a certain drug for fungus infection can increase its effectiveness.

However, it is more common for foods to interfere with a drug's action. Because of their acidity, citrus fruit juices and soda pop can cause some drugs to dissolve in the stomach instead of in the intestines where the medication would be absorbed into the bloodstream faster. Excessive amounts of natural licorice extract can counteract medication for high blood pressure, and foods high in vitamin K (liver and green leafy vegetables) can work in direct opposition to drugs prescribed preventing blood clots.

People who are taking medicines for long periods of time should know that drugs can sometimes interfere with the way

Special Education Fund Raisers for Camping Trip

Preparations are being made for Mrs. Bottum's and Mrs. Fisher's special education classrooms' annual spring camping trip. The camping trip is part of the regular school activities and curriculum.

On May 10-12, the groups will be camping at Camp Store, located in Napoleon. This facility offers many activities and experiences.

At the present time, the group is investing their energies in money-making projects to pay the camp fees. Mrs. Bottum's special education classroom at South school will be selling bags of popcorn during school hours during the next few weeks. Mrs. Fisher's class at North school is holding a car wash in McDonald's parking lot on Saturday, April 24, between the hours of 10 a.m. and 3 p.m. In case of poor weather, a rain date of May 8 has been arranged.

In addition to these fundraising endeavors, a number of local civic organizations have donated funds.

Rod & Gun Club Studies Projects

At the April meeting of the Chelsea Rod and Gun Club, President Rolly Spaulding announced the creation of a planning committee to consider immediate and long range goals of the club. The committee will be headed by Bill Freeman, former president and long-time member of the organization.

Subjects suggested for study include a number of public service activities including an outdoor amphitheater on the club grounds to be used for religious services; nature trails and camp sites for Boy and Girl Scouts and other youth groups; road beautification with trees, shrubs and flowers at entrances to the village; improvement of the club rifle range; establishment of an archery range; an expanded program of hunter safety instruction supervised by qualified club instructors; and greater use of the

clubhouse by social, civic and community service groups. Also under consideration will be proposals for fund-raising projects to provide added support for services and activities of the club.

The Chelsea Rod and Gun Club has existed since 1936 and is affiliated with the Michigan United Conservation Clubs. Membership is open to adult sportsmen who are interested in the conservation of natural resources.

April 22 Is Girl Scout Leaders Day

April 22 is Girl Scout Leader's Day across the country. Leader's Day is designed to recognize the nearly 2,350 women and men who serve as Girl Scout volunteer leaders in Huron Valley Council.

Together these Girl Scout leaders donate millions of hours each week to girls across the nation. If all their services to their communities were paid even at minimum wage levels the dollar cost would be impressive. But the value of their work in shaping the lives of today's young women cannot be calculated.

In a constantly changing world, Girl Scout leaders provide positive roles for girls, helping them to experience the excitement of new possibilities, new accomplishments, and new relationships with others. Girl Scout leaders work in partnership with girls to develop a growing confidence that enables young women to meet challenges and to become competent, self-assured adults.

The Huron Valley Girl Scout Council urges that on Girl Scout Leader's Day, girls, their families, and their communities join the nation-wide effort to recognize and honor Girl Scout leaders for their important work.

This is the first nation-wide salute to Girl Scout leaders during National Volunteers Week. Girls throughout the United States will use the opportunity to show appreciation in the form of parades, parties, dedications, and special projects. A flag honoring the superb service of the nation's 300,000 Girl Scout leaders will be flown over the Capitol building on April 22.

Girl Scouting could not happen for the nearly 10,000 girl members in Huron Valley if it were not for dedicated, committed leaders. Girl Scout Leaders, this is your day.

Free RV Dealer Directory Ready

Free copies are now available of the 1982 Edition of Recreational Vehicle Dealers in Michigan, for the people who already own RVs, or those who are in the market to purchase one. The Guide is published by the Michigan Association of Recreational Vehicles and Campgrounds. (MARVAC).

David S. Pickering, director of MARVAC said that, "This year's Guide lists over 70 recreational vehicle dealers throughout the State." The brochure lists the brands of vehicle sold by each dealer, as there are more than 150 RV manufacturers.

The directory was also issued to help RV owners discover which Michigan dealers service their particular vehicle should road emergencies arise. Addresses and telephones are listed by counties and each is coded with references to 15 customer services.

To obtain your free copy of the 1982 Recreational Vehicle Dealers in Michigan, send a self-addressed 20-cent stamped business-size envelope to: Dealer Guide, MARVAC, 19045 Farmington Rd., Livonia 48152.

Trip, Tour Committee Being Chosen

The Chelsea Community Education program will be sponsoring a Community Trip and Tour program beginning late this summer and early in the fall.

A committee is currently being formed to determine the first set

of trips and tours. The emphasis of the program will begin on one day trips and tours.

Anyone interested in serving on the committee to determine where the trips and tours will go should call the Community Education Office at 475-9830. A meeting will be called in late spring.

This is a fine opportunity for individuals as well as civic groups to participate in one day trips via buses, Amtrak and the like. Possible one-day destinations will include the Detroit Symphony, Meadowbrook, Greektown and more.

Survey Indicates Increased Export Market for Food

A survey by the U.S. Department of State of 100 diplomatic posts across the world indicates that countries in the Middle East, east Asia and the Caribbean might purchase more value-added American food products. A value-added product is a raw commodity that has been processed, such as wheat milled into flour.

"The results of this survey are now being analyzed by the Foreign Agricultural Service in the U.S. Department of Agriculture," according to Al Almy, director of public affairs for Michigan Farm Bureau. "The Service will be developing recommendations on ways the market opportunities in these areas can be utilized."

Almy says that Michigan has the potential to export more processed wheat, dry edible beans, soybeans, fruits and vegetables.

SENIOR CO-CAPTAINS for the 1982 Bulldog softball team are battery-mates Amy Unterbrink, left, and Shelley Weber. Under the coaching of Charles Waller, both ace pitcher Unterbrink and star catcher Weber are looked upon as keys to another successful Bulldog softball season.

Police Warn of Possible Swindles

Chelsea police warn that the coming of spring not only brings fine weather and time for house repairs, gardening and the like, but also an opportunity for fly-by-night driveway pavers, roofers and general repairmen who travel door-to-door, and provide unwary, cost-conscious consumers with an "unbeatable deal" on some sort of repair work.

In the meantime, the residence could be looked over for a possible break-in, money or other valuables could be stolen or, most humiliating, the work done and made more attractive because of a guarantee, is only temporary.

Anyhow, how can a one-year guarantee be valid if those persons performing the service are from out-of-state and have, in many instances, provided the client with a false name and address?

According to Chelsea Police Chief Robert Aeillo, all persons who perform these types of services and attempt to sell their services door-to-door, must have a peddler's permit issued at the police department. While

registering with the police, these entrepreneurs must state the services to be performed, must describe the nature of their business, must supply a list of any and all vehicles used in performing the service, and must state whether or not they have been convicted of a crime (and its nature). From this information, reputation is determined and a decision made on issuance of a peddler's permit.

Various types of scams are characteristic. Often, a local address and/or phone number is given to the client though the vehicle(s) driven is from another state which could indicate a possible scam. A typical driveway scam finds the peddler explaining that if the work is not satisfactory, just payment for materials is necessary. But, if the consumer loves the driveway work (and the peddler is always sure he or she will), both materials and labor will be paid for. The consumer often thinks that even if he or she loves the resurfacing job, a simple complaint will save a substantial amount of money and, after the job is completed, payment may be made for materials only. The worker(s) departs and the consumer feels very tricky, that is until a heavy rain comes and washes the driveway into the street.

Other types of scams are also used and, according to Chief Aeillo, whenever a door-to-door peddler visits a home or business to solicit work, the police department should be called to check on whether or not a peddler's permit has been issued. As the saying goes: "It's better to be safe than sorry."

In 1848, Pennsylvania passed a state child labor law setting the minimum age for workers in commercial occupations at 12 years; the following year, the minimum was raised to 13 years, according to a publication of the U.S. Department of Labor.

Residential Building Hits Record Low

Residential building permits issued in 1981 for southeastern Michigan hit a record low total, for the second consecutive year, according to the Southeast Michigan Council of Governments.

The 6,648 permits issued during 1981 in the seven-county region easily surpassed the 1980 record low of 10,562. In contrast, the building permit total in 1977 was 27,252.

All counties in the region experienced drops from 1980 to 1981 except Wayne county, where an increase of 444 permits issued in the city of Detroit kept the county total from dropping off. St. Clair county had the highest percentage drop, 68 percent, while Oakland county had the highest numerical drop, with 2,624 fewer permits issued in 1981 than in 1980.

The most dramatic evidence of continued housing industry problems is seen when net building permit totals are examined. Net building totals subtract demolition permits from building permits. There were 6,957 demolition permits issued in 1981, resulting in a net total of -1,309 permits, compared to a net total of 4,697 in 1980. It must be noted, however, that approximately 1,300 demolition permits were issued in 1982 for the Detroit-Hamtramck General Motors plant site, a one-time occurrence which, when taken into account, produces an adjusted net figure of zero for the year.

Detroit had the highest number of permits issued, 1,372, with multiple housing accounting for 1,365 of the permits. Four communities—Detroit, Sterling

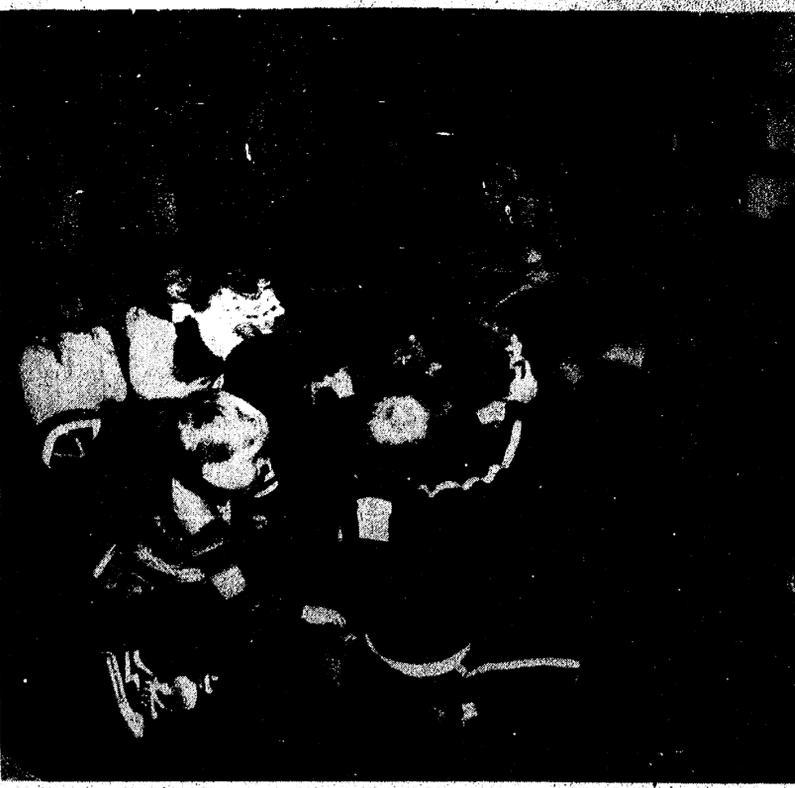

Heights, Clinton township and Southfield—accounted for 72 percent of the total multiple family permits issued in the region. Avon township had the largest total of single family home permits with 195.

Within Washtenaw county, Chelsea and Dexter villages saw neither construction nor demolition of any dwellings. Dexter township had 10 detached single family units constructed while Freedom township had four single family units built. Lima township had six single family units constructed while Lyndon township had the highest number of building permits granted with 13 single family dwellings constructed. In the village of Manchester one single family unit was built while Manchester township had four single family units constructed.

Scio township saw the construction of 11 single family and two two-family units and eight single-family dwellings were constructed within Sylvan township. Webster township had a total of 14 new detached single-family units constructed during 1981.

The Southeast Michigan Council for Governments has been publishing building permit totals since 1968. The 1981 record lows are measured since that time.

SEMCOG is a voluntary association of counties, cities, villages, townships and schools in the seven-county Southeast Michigan region. The Council's principal functions are short and long-range planning for housing, transportation, land use, public safety, recreation and open space and the environment.

director Loree Stafford, Lindsay Gaken, Eric Freitas, Nathan Hallett, Amy Cole, Keri Kentala, Kevin Coy, Thomas Payne, Matthew McVittie, Greg Rickerd, Laura Hodgson, Lloyd Eddy, Mandi Calipetro, Gerrick Baize and Jessica Flintoff.

WCC Courses Offered at Chelsea For Spring Term

Two Washtenaw Community College courses will be available to local residents this spring. Mathematics/pre-calculus will be available during spring/summer term on Wednesdays between the hours of 6 p.m. and 9:15 p.m. This is a three-credit class lasting for 14 weeks.

Basic Programming I will also be offered during the spring/summer term with meeting times scheduled for Mondays and Wednesdays between the hours of 6 p.m. and 8:10 p.m. This is a three-credit, 15-week class.

Registration for these Washtenaw Community College courses will be held from 7 p.m. to 8 p.m. on Wednesday, April 21 in the Chelsea High school cafeteria. In-district tuition is \$18.50 per credit hour.

Tuition Increase Announced for Fall By WCC

Washtenaw Community College students will be asked to pay more tuition next fall. The College Trustees voted Tuesday, March 23 an increase of \$5.50 per credit hour for in-district students, raising the hourly rate from \$18.50 to \$24.

The increase is made necessary because of anticipated reduction in revenue from the State of Michigan next year and continued inflation.

"The College has always tried to keep tuition rates low," Gunder Myran, president, said. "Even with the increase Washtenaw tuition will still be at the average for Michigan community colleges."

Tuition for out-of-district students will be increased \$9.50 to \$41 per credit hour and out-of-state tuition will increase \$12.50 to \$55 per credit hour.

The new rates will become effective Fall Semester 1982.

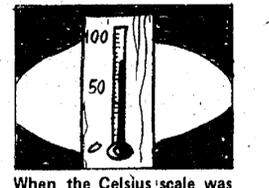

Materials Available for Soil Stewardship Week

Washtenaw County Soil Conservation District will join in the nation-wide celebration of Soil Stewardship Week to take place May 16-23, according to William Fishbeck, chairman of the District Board of Directors. The theme for this year's celebration is "A Time for Tenacity."

In observance of Soil Stewardship Week, the District will make available to interested churches, church service bulletin inserts with a colorful picture depicting the theme "A Time for Tenacity" and a poem relating to the theme. Also available will be a 16-page Soil Stewardship Week booklet which provides information useful in preparing a sermon or church observance of Soil Stewardship Week; as well as appropriate scripture passages and hymns. Both the bulletin inserts and booklets are available at no charge while quantities last.

"With the growth of population and the world demand for food and with the clearing and development of most land that is suitable for cultivation, we must turn our attention to the task of saving every acre," so states the Soil Stewardship Week booklet. This is an important issue for all of God's people, whether city dweller or farmer.

Clergymen and lay leaders interested in the Soil Stewardship Week materials should contact the Washtenaw County Soil Conservation District, 6101 Jackson Rd., Ann Arbor 48103; telephone: (313) 761-6721, for further information.

When the Celsius scale was first devised, 0° was the boiling point of water, 100° the freezing point of water.

Environmental School Scholarships Offered

Washtenaw County Soil Conservation District is offering a limited number of \$100 scholarships to the Higgins Lake Teacher's Environmental School, according to William Fishbeck, chairman. All Washtenaw county teachers are eligible for the scholarships to one of the four week-long courses.

The curriculum is in tune with the times. The courses focus on providing teachers with an understanding of critical issues dealing with the relationship between man and his environment.

Teaching techniques will be discussed and special emphasis placed on relevant programs for the metropolitan areas—where most of us live. The central theme deals with the concepts of the "Spaceship Earth," although each of the participating universities offers its own particular approach. College credit can be earned by attending one of the following sessions: June 20-25—"Understanding Environmental Problems"; June 27-July 2—"Acquiring the Tools and Techniques for Environmental Education"; July 8-23—"Understanding Our En-

vironment", Aug. 8-13; "Michigan's Environment: A Look at the Issues."

The course will be held at the Ralph A. MacMullan Conservation School, offering complete dormitory facilities in a beautiful woodland/lakeshore setting. The District feels this is an excellent opportunity for educators and, in turn, the community to develop an awareness and sensitivity to environmental issues.

Teachers interested in more information about the scholarships, courses, credit information, fees and registration should contact the Washtenaw County Soil Conservation District, 6101 Jackson Rd., Ann Arbor, telephone (313) 761-6721.

Blacks are lighter smokers than whites. Eighty-two percent of black smokers go through a pack or less a day, compared to 66 percent of whites. Thirty-four percent of white smokers though, consume more than one pack of cigarettes per day, compared to 18 percent of all black smokers.

ABWA Salad Luncheon Fashion Show Slated

The Chelsea Charter Chapter of the American Business Women's Association is sponsoring its main fund-raiser of the year with a salad luncheon and bridal fashion show Saturday, April 24. The group hopes to earn at least \$1,000 which will be given as scholarships to girls or women in the community who are planning to further their education after high school.

A large array of salads will start the afternoon off and a lovely wedding cake, baked by Lena Behnke, will be offered for dessert.

The Contemporaries from Chelsea High school will provide appropriate music. Also, Laurie Smith of Dayspring Gifts will give a presentation on the importance of proper wedding invitations, napkins and so on. Peter Gaylord, a photographer from Jackson, will be bringing some ideas on wedding pictures and John Sebastian of Adrian will be the commentator, helping to describe the fashions supplied by Luchel's Bridal Shop and Gordon's Tux Shop of Jackson.

Local models will be John Robbins, Steve Wolack, Louie Jahnke, Dave Nicola, Paul Schumann, Keith Stillion, Melanie Schneider, Cheryl Nelson, Kathy Honbaum, Betty Case, Kelly Helfrich, Sheri Haab, Jeryl Herrick, Jill Laurich, and Fernando and Felicia Hermsillo. There will be several more models from the Jackson shop.

The bridal bouquets are being done by Judi James of Jackson

while Sandy Zeeb of Chelsea Greenhouse is in charge of very extensive decorations.

Shirley Schneider is general chairman of the event to be held on Saturday, April 24 at 1 p.m. in the Chelsea High school cafeteria. Judy Moisan is in charge of decorations, Katie Chapman will handle door prizes and Shirley Porter and Bernice Augustine are co-chairmen of the luncheon.

The local Chapter is hoping for community support and tickets may be purchased in advance by phoning 475-2972 or 475-7545. Tickets are also available at the door.

Jackson Woman Charged with Theft, Forging Checks

A Jackson woman has been arrested by Washtenaw County Sheriff's Department and charged with stealing and forging checks belonging to an 83-year-old man who lives on North Territorial Rd.

According to Detective Paul Wade, Jane Marshall, 25, was a friend of the victim. Apparently, she stole a number of checks in February, cashing the first on Feb. 26 and the last on March 8, totaling nearly \$2,000.

She was arrested on Tuesday, April 13 and will face preliminary examination on Thursday, April 22.

Survey of '82 Grads Will Help School Plans

Last year's Washtenaw county high school graduates will have the opportunity to "talk back" to their schools over the next few weeks.

Area high schools will be asking former students for their opinions and other information concerning their school programs through a phone and/or mail survey. The survey will ask what the students are doing and how they feel the schools' curriculum served their needs.

The annual survey, conducted in cooperation with the Michigan Department of Education, provides information for planning more effective local and state educational programs.

Washtenaw Intermediate School District is helping to coordinate the survey in this area.

Ken Handwerger, career education co-ordinator at WISD, said the contact with former students will be made by all Washtenaw high schools during April and May. Students are urged to respond to the survey so that as many as possible can be represented in improving the schools' programs. Parents and relatives can help by forwarding the survey or providing the students' phone numbers or addresses if they are away from home.

Identity of the survey respondents is kept confidential. The information is used only for planning and to improve programs and services. Area schools are concerned about how well their students' needs are being served.

Gas Tax Revenues Fall 4th Quarter

Gas tax revenues, the main support for Michigan's highway and other transportation programs, declined by five percent in the last quarter of 1981 compared to the same period a year earlier, the Michigan Department of Transportation (MDOT) reported today.

It was the eighth consecutive quarter in which collections decreased from the same quarter of the previous year.

The 11-cent-a-gallon gas tax produced \$102.72 million in the October-December period of 1981, down \$9.35 million from the last quarter of 1980. The number of gallons sold fell by 48.6 million to 933.79 million.

The five-cent-a-gallon diesel fuel tax yielded \$3.5 million, \$29,700 under the total for the last quarter of 1980. Revenue from special taxes on trucks of three axles or more, enacted to make up the six-cent difference between gas and diesel taxes, totaled \$2.43 million, a drop of 4.7 percent, or \$119,192 from 1980.

All receipts, including interest earnings, go into the Michigan Transportation Fund. Deductions for collections costs by the departments of Treasury and State, and for various grants, left \$147.49 million available to the agencies which operate Michigan's transportation programs. The total was up \$3.24 million, or 2.3 percent, from the last quarter of 1980.

The State Trunkline Fund for construction and maintenance of the state highway system received

\$56,090,314 as its 38.4 percent share of net receipts, an increase of \$1,174,383. State-financed public transportation and rail programs collected \$12,129,161 as their 8.3 percent portion, an increase of \$253,197.

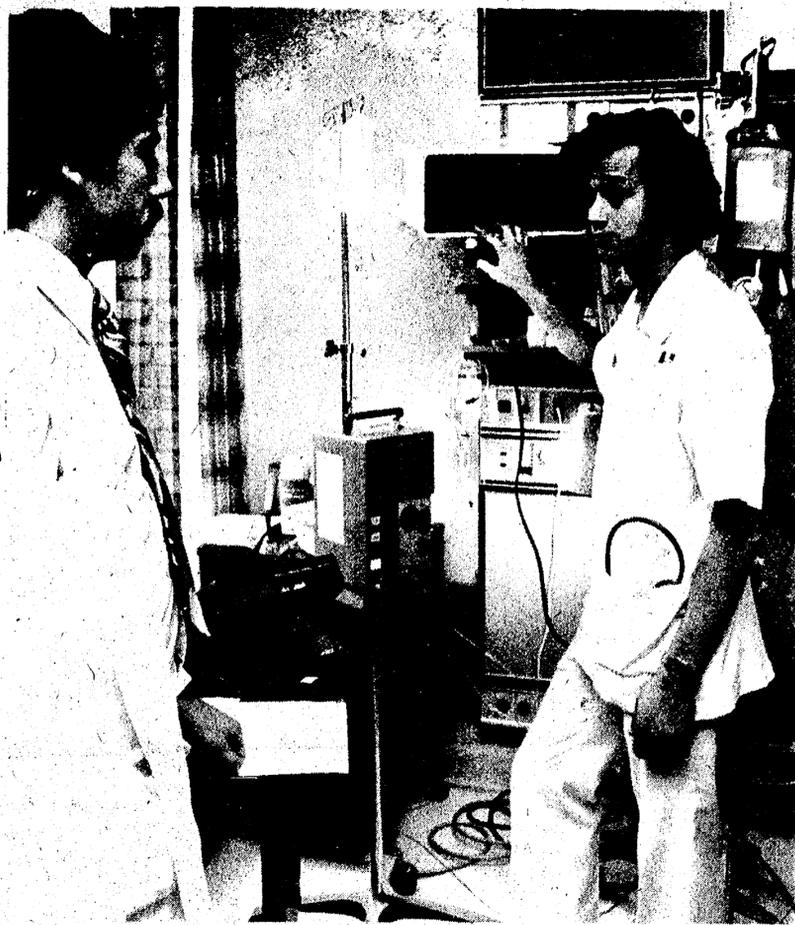

The 83 county road commissions collected \$53,373,184 as their 34.3 percent share, up by \$1,104,144. The 532 incorporated cities and villages received \$28,917,667 as their 19 percent share, up by \$700,162.

Together, the state, counties and municipalities maintain more than 117,000 miles of highways, roads and streets.

In Jackson county, the fourth quarter distribution amounts for 1980 totaled \$1,005,127.54 though the same quarter of 1981 increased to \$1,039,465.41. Washtenaw county also saw an increase, up from \$1,123,726.06 in the last quarter of 1980, to \$1,158,766.73.

Locally, Chelsea's 1981 fourth quarter distribution amount totaled \$18,445.88, up from \$18,095.09 during the fourth quarter of 1980. Dexter saw a slight increase, from \$8,316.94 in 1980 to \$8,478.78 during the last quarter of last year.

Grass Lake's 1980 fourth quarter total was \$6,628.71 and, during the same quarter one year later, the distribution amount was up to \$7,012.74. Manchester realized nearly \$200 in addition distribution during the final quarter of last year. A total of \$10,410.96 was distributed during the final three months of 1981.

NEW AND ADVANCED intensive care monitoring equipment was recently added to Chelsea Community Hospital's Intensive Care Unit and is considered "a significant medical advance for both the hospital and the community at large," according to Dr. Steven Yarows, foreground. This new equipment monitors the heart rate, storing irregularities within a com-

puter and assisting physicians in the administration of medications, measuring pressure within the circulatory system and determining how effectively the heart is functioning. Numerically, this equipment is much more accurate than that typically used and is capable of monitoring 10 patients at a time, six beds and four telemetry.

U-M Hospitals Seek OK for Helicopter Medical Service

University of Michigan Regents, at their April 15-16 meeting, approved a new Helicopter Emergency Medical Service program which will be based at the U-M Hospitals.

The helicopter could be in service by Aug. 1, according to hospital officials, if Certificate of Need approval is received from the Comprehensive Health Planning Council of Southeast Michigan.

The helicopter service is designed to complement the ground ambulance system of Washtenaw and surrounding counties. It will be an addition to the well organized Emergency Medical Service systems in place in these counties and will conform to the rules, regulations, and medical protocols of the EMS Medical Committees and/or the referring institutions or agencies, U-M Hospitals officials said.

Ellen Marszalek-Gaucher, administrator of U-M Ambulatory Care Services, said fire departments, police, and ambulances will be first responders at an accident scene and only when they determine that factors of speed, distance, or special care exist, "such as spinal injuries or burns," will the helicopter be called.

The U-M Helicopter Service will be the first hospital-based helicopter program in Michigan although 40 similar services exist in other states. This program will allow University Hospitals to extend skilled medical care to the scene of an accident when rapid transport is needed for critically ill adults or children.

Not all flights will return to University Hospital. The referring physician may indicate the hospital of choice or the patient may be taken to the closest hospital if the highly specialized services of University Hospitals are not necessary.

The helicopter ambulance will be particularly effective in

transporting patients to U-M intensive care units and other special care areas such as the Burn Center, proposed Spinal Cord Injury Center, and Premature Infant Intensive Care Nurseries.

Marszalek-Gaucher said the twin-engine helicopter ambulance will be able to carry as many as two patients and will be staffed 24 hours a day, seven days a week, with a pilot, flight nurse and physicians as required. The crew will lift off within five minutes of notification. The helipad is adjacent to the U-M Hospital's Emergency Service where the leased helicopter will be permanently based.

The helicopter will be capable of speeds up to 150 miles per hour. Its range of maximum effectiveness will be 40-150 miles. The U-M Emergency Service staff anticipates approximately 500 flights in the first year based on other hospitals' experiences.

Another important reason for the helicopter service, according to Marszalek-Gaucher, is to facilitate inter-hospital transfers of critically ill patients. "It will help to further our role as a tertiary care institution for the State of Michigan," she said.

Drinking water is the cheapest utility Americans enjoy today. Unlike the telephone, electricity, or gas, it's absolutely essential.

RSVP Sponsoring Volunteerathon

You've heard of telethons, bikeathons, walkathons and swimathons. But have you ever heard of a Volunteerathon?

The Washtenaw County Retired Senior Volunteer Program (RSVP) is holding the first-ever Volunteerathon during National Volunteer Week, April 18-24. Purpose of the Volunteerathon is to recognize RSVP Volunteers, all of whom are over age 60, for the 60,000 hours of service they give each year to more than 80 non-profit agencies county-wide. It is also a first time ever fund-raiser for the program.

Businesses, service clubs and interested citizens are pledging for the hours served by RSVP Volunteers during the week of April 18-24. RSVP Volunteers serve an average of 1,150 hours each week, so a pledge of 1/2¢ per hour would mean a contribution of approximately \$5.75. Donations of any amount will also be accepted.

Money raised by the Volunteerathon will go directly to the 500 RSVP volunteers in the form of mileage and public transportation reimbursement, accident

and liability insurance, and the annual RSVP recognition event. During Volunteerathon Week, RSVP volunteers will be making the phones at the RSVP office from 9 a.m. to 4 p.m. daily answer questions about their individual volunteer work and accept pledges and donations.

Jaycettes have chosen the RSVP Volunteerathon as a district project this year. Pledges may be made by contacting any member of the Jaycettes, or by calling the RSVP office (996-4777 or 996-4778), or by mailing donations to RSVP, 995 N. Maple Rd., Ann Arbor 48103.

Fair Board Ordering Bleachers

The regular meeting of the Chelsea Community Fair Board was called to order Wednesday, April 14. The minutes of the March 18 meeting were read and accepted.

Those present were Jerry Heydlauff, president; Art Steinaway, vice-president; Mary Ann Guenther, secretary; Kay Poljan, treasurer; Lloyd Grau, manager. Directors present were Archie Bradbury, Jim Dault, Robert Heller, Jerry Herrick, Gary Houle, John Klink, Charles

Koenn, Mark Staphis and Harold Trinkle. John Wellnitz was also present.

New bleachers will be ordered and ready for Aug. 31 through Sept. 4. One thing to be welcomed will be the Fair Queen candidates who attend Dexter High school.

Art Steinaway and John Wellnitz checked the rentals and insurance for certain functions. A list will be printed and given to each Board member.

Fencing and grading around the new horse barn was discuss-

ed. Someday the ditch will be tiled.

The 1982 Chelsea Community Fair will be held Aug. 31 through Sept. 4.

SPRINGTIME RITUAL: Paul Seitz of N. Fletcher Rd. took advantage of the late arriving spring weather last week and worked diligently on the annual pruning and tying of the rows of grape

vines that line his property, anticipating fine weather in store after such a long, cold, miserable winter.

4-H Spring Achievement Show Winners Announced

The loveliest spring flowers were in bloom at the annual 4-H Spring Achievement which took place at Saline High school on March 27. Along with the judging of sewing skills there were two style revues held at 2 p.m. and 7:30 p.m. to showcase the talents of the enthusiastic 4-H members.

The top 30 models chosen in the afternoon came back for the evening style revue to be judged for the top 10 models of the year in the beginner and young classifications.

Demonstrations, woodcraft, and leathercraft were also shown and judged during the morning and afternoon sessions of the all-day event. Winners were as follows.

Top Sewing Skills: Beginners—Jill Miller, Dexter, first; Beth Wolforn, Ann Arbor, second; Young—Melinda McCalla, Chelsea, first; Diane Haslett, Ann Arbor, second; Tracy Roehm, Chelsea, third; Junior—Karen Tuveson, Manchester, first; Julie Thompson, Chelsea, second; Diane Braun, Ann Arbor, third; Seniors—Lori Nixon, first; Beth Heller, second; Jan Ehnis, third.

Honorable mention awards in sewing skills in the Beginner classification went to Jill Solowczuk of Ann Arbor, Amy Diel of Saline, Julie Jaworski of Whitmore Lake, Dawn McGuire of Ann Arbor and Kellie Wagner of Manchester.

In the Young classification, Linda Mullison of Chelsea, Kerri Bristle of Manchester, Cheryl Blumenauer of Manchester, Kris Wagner of Manchester, Elizabeth Hagey of Ann Arbor, Alison Thornton of Chelsea, Brenda Roehm of Saline, Tracy Stengel of Manchester, Kenny Baldus of Dexter, Anne Tuveson of Dexter and Nancy Hellner of Ann Arbor were given honorable mention for their sewing skills.

In the Junior classification of the sewing skills, honorable mention went to Sara Noah of Chelsea, Melanie Flannigan of Chelsea, Cathy Farrell of Dexter, Kelly Bristle of Manchester and Laura Shope of Ann Arbor. The Senior classification saw Jennifer Feldkamp of Manchester, Mary Anderson of Chelsea, Dawn Hellner of Ann Arbor, Laura Hines of Chelsea, Laurie Heller of Chelsea, Amy Eisenbeiser of Chelsea, Ann Mazurek of Ann Arbor and Lucinda McCalla of Chelsea receiving honorable mention awards.

The top knitting and crocheting award went to Jill Golding of Manchester in the Senior classification.

The afternoon style revue proved rewarding for 30 of the more than 120 4-H participants as they were asked to return and com-

pete in the evening judging for Top Model of the year in the Beginner-Young classifications.

Awards in the afternoon style revue went to Charisse Brown of Ann Arbor, Ann Tuveson of Manchester, Elizabeth Hagey of Ann Arbor, Maryann Salyer of Manchester, Carmen Miller of Ypsilanti, Sara Weidmayer of Ann Arbor, Kerri Bristle of Manchester, Marie Ball of Manchester, Julie Arnold of Dexter, Kellie Wagner of Manchester, Tina Birchmeier of Dexter, Megan White of Ann Arbor, Rene Hager of Chelsea, Brenda Roehm of Saline, Karen Woodard of Ann Arbor, Tracy Roehm of Chelsea, Nancy Hellner of Ann Arbor, Susan Arnold of Dexter, Kris Wagner of Manchester, Jill Stephenson of Ann Arbor, Carol Anderson of Dexter, Katie McMahon of Dexter, Lori Whitaker of Ypsilanti, Casie Finkbeiner of Saline, Molly Stephenson of Ann Arbor, Nancy Farrell of Dexter, Brian Ticknor of Ann Arbor, Cindy Sommers of Dexter, Michelle Miller of Dexter, and Melinda McCalla of Chelsea.

The evening style revue saw the return of the afternoon award winners vying for honors in competition for the Top Ten Models of the year in three classifications, Young, Junior and Senior.

First, second and third places in the Young classification went to Kerri Bristle of Manchester, Melinda McCalla of Chelsea, and

Kris Wagner of Manchester, respectively. First, second and third place in the Junior classification went to Cherie Verhines of Manchester, Karen Tuveson of Manchester, and Kim Wheeler of Whitmore Lake, respectively. First, second and third place in the Senior division was awarded to Stacey Starling of Saline, Karen Kuebler of Saline, and Tracie Dalton of Ann Arbor, respectively.

The Top Ten Models of the Year in the Young classification were Sara Weidmayer of Ann Arbor, Ann Terese Tuveson of Manchester, Kris Wagner of Manchester, Molly Stephenson of Ann Arbor, Charisse Brown of Ann Arbor, Melinda McCalla of Chelsea, Carmen Miller of Ypsilanti, Kerri Bristle of Manchester, Tina Birchmeier of Dexter and Katie McMahon of Dexter.

The Top Ten Models of the Year in the Junior classification were Kim Wheeler of Whitmore Lake, Patricia Fuller of Belleville, Teresa Brown of South Lyon, Cherie Verhines of Manchester, Kristie Centilli of Chelsea, Cindy Poulter of Chelsea, Diane Braun of Ann Arbor, Karen Tuveson of Manchester, Shawn Woods of Pinckney and Cheryl Miller of Ypsilanti.

The Top Ten Models of the Year in the Senior division were Jennifer Feldkamp of Man-

chester, Tracie Dalton of Ann Arbor, Dawn Hellner of Ann Arbor, Karen Kuebler of Saline, Mary Anderson of Chelsea, Lisa Schairer of Ann Arbor, Beth Meade of Manchester, Stacey Starling of Saline, Beth Heller of Chelsea, and Lucinda McCalla of Chelsea.

Another important part of Spring Achievement is woodworking, leathercraft and demonstrations projects. The winners in those categories are as follows. Fingerle Awards for woodworking in the apprentice class went to Dan Blumenauer of Manchester for first place and Christian Kapp of Ann Arbor, for second place.

In the Handyman class, Patricia Fuller of Belleville won first place and Kenny Baldus of Dexter was second.

Honor awards in the woodworking area went to Dan Blumenauer of Manchester, Christian Kapp of Ann Arbor and Tim Cox of Manchester in the apprentice classification.

In the Handyman classification, Kenny Baldus of Dexter, Patricia Fuller of Belleville, David Weidmayer of Ann Arbor, Jeff Horning of Manchester, Shana Burke of Grass Lake and Anna Heath of Manchester received honors.

The Tandy leathercraft awards went to Mike Etzel of Dexter in the apprentice class, Kelly Burke

Everyone needs a few dollars to do what they want to do when they want to do it. That's what a regular savings account is all about.

All we encounter now, it seems, is information concerning high interest paying savings plans. This program demands a \$10,000 deposit, this one \$500, and so on. The old tried and true All American savings account has been relegated to the wastebasket. Or, has it? Not by a long shot. The regular savings account is alive and healthy. We all need funds we can tap at a moment's notice. With no strings attached. We

all need the type of savings account where we can put those few extra dollars when they pop up.

And, here that regular savings account pays 5.47% interest by the continuous compounding of 5 1/4% annually.

Isn't it about time you become old fashioned and sensible once again?

Chelsea Relays Slated Friday on Dexter Field

The seventh annual Chelsea Relays will be held this Friday at Dexter and this year's meet has been expanded to include 14 teams.

The meet has always included a number of the state's best runners and this year is no exception. Martha Hans of Tecumseh was state champion in the hurdles last spring. Dexter was state cross country champion and with top runners Lisa Goltman, Sarah Peapples and Kelly McKillen on the distance and two-mile relays, could challenge for the team title. The Dreadnaughts finished third in the Spartan Relays at Michigan State earlier this month.

Wrestling Club Members Compete At Harper Creek

Chelsea's wrestling club attended a wrestling tournament at Harper Creek, near Battle Creek, over Easter week-end.

Nine participants accompanied Coach Finch. They were Jeff Montange, Mike Montange, Eric Hanna, Alan Hanna, Jr. Morseau, Rick Finch, Rob Finch, Mark O'Toole and Pete Hanna.

Of the local participants, competing against nearly 500 other wrestlers from as far away as Ohio, Pete Hanna won a second-place medal for his outstanding wrestling efforts.

JV Baseball Team Gets 5-4 Win Over Ann Arbor Huron

The Chelsea junior varsity baseball team started off the 1982 season Saturday with a 5-4 win over Ann Arbor Huron. Chelsea won the game in the fifth inning, scoring three runs and taking a 5-2 lead.

Chris Gallas led off the fifth with a walk, was bunted to second by Marty Steinhauer and came home with the lead run on a single by Chuck Hager. Rick Boham followed with a walk. Then, a single by Eric Stofflet, followed by Rich Slater's double, produced Chelsea's other two runs.

Jay Marshall pitched a three-hitter for Chelsea, allowing four walks and striking out three. Chuck Hager and Jim Ritter made the outstanding defensive plays of the game for Chelsea.

The JV Bulldogs host Tecumseh on Wednesday night.

Other teams who could fair well are Milan, Tecumseh and Jackson Lumen Christi. All three teams have good balance in sprints and distances. Lumen Christi was sixth at Michigan State and was runner-up at Chelsea last year.

Rounding out the field are Saline, Carleton Airport, Columbia Central, Erie-Mason, New Boston Huron, Hillsdale,

Thinclads Dump Lumen Christi in Season Opener

Led by Matt McCallum's three first-place finishes, the Chelsea High school boy thinclads defeated Jackson Lumen Christi last Thursday, 88 to 44, in their initial meet of the season.

McCallum, a junior, won the long jump (19' 3/4"), 110 M high hurdles (:16.6), and 300 M low hurdles (:41.5) to top off his finest performance ever for the Bulldogs.

Junior Mark Brosnan continued his winning ways in the distance runs by capturing the 1600 M run (4:38.7) and the 3200 M run (10:09.0).

The 400 meter relay team, of Mike Hintzen, Toby Boyd, Kevin Richardson and Russell Ramsey won their event in a fine early season time of :45.8.

Weightmen Todd Sprague and Ken Nicholas tossed their way to victories; Sprague in the shot put, 50' 11" and Nicholas in the discus, 150' 4".

Senior Bob Benedict ran an exceptional time of 2:03.9 to win the 800 M run and senior Darin Pierson leaped to victory in the high jump at 8'.

Newcomer to track, Randy Krichbaum had an auspicious debut as he leaped 8' to place second in the high jump.

Chelsea's final winner was senior sprinter Russ Ramsey. He took first in the 100 meter dash at :12.2.

"We looked pretty good today, over-all," said Coach Pat Clarke of his team's performance.

"We placed in every event except the polevault and we are improving there every day. We really missed our veteran polevaulter Dave Wojcicki who is recovering from an extended illness."

Other Bulldog placers at the Lumen Christi meet were Todd

Hartland, Linden, Monroe St. Mary and host team, Chelsea.

The Bulldogs' best chances for medals appear to be in the distance relays where the competition this year should be outstanding. There are also possibilities in the sprint medley.

The field events begin at 4 p.m. and the running will get underway at 5:30 p.m. at the Dexter track.

Sprague in the discus, second with a throw of 130'; Ken Nicholas, second in the shot put at 45' 10 1/2"; Toby Boyd, second in the long jump at 19' 4 1/2"; Mike Hintzen, second and Darin Pierson, third, in the 110 M high hurdles at :16.9 and :17.5, respectively; Russell Harris, second in the 110 M dash at :12.7; Del Magee, third in the 1600 M run at 4:44.8; Garrett Carlson, third in the 400 M dash at :55.7; Mike Hintzen, second in the 300 M low hurdles at :41.8 and Darin Pierson, third in the 300 M low hurdles at :43; Dave Kies, second in the 800 M run at 2:08; Toby Boyd, second and Kevin Richardson, third in the 200 M dash with times of :23.9 and :24.3, respectively; and Del Magee, third in the 3200 M run with a time of 10:30.6.

The Bulldogs' next two meets will find them in competition with Jackson Northwest and Tecumseh.

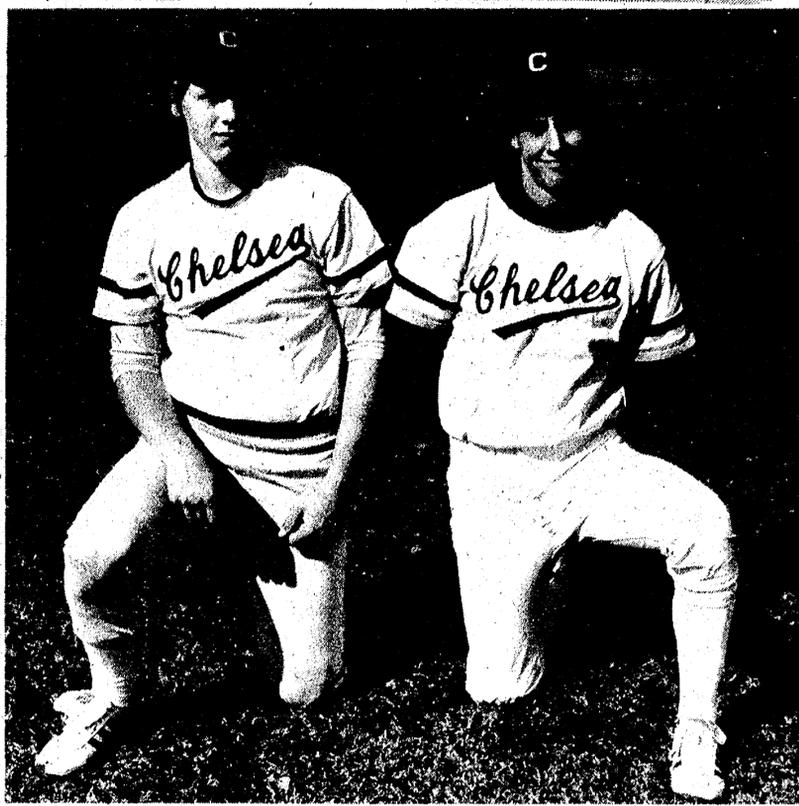

Summer Baseball Registration Still Open Until Friday

Chelsea Recreation Council has extended registration for youngsters planning to participate in summer baseball and softball programs.

Though registration was set and held on Saturday, April 17, the department has extended registration until Friday, April 23 though no registrations will be accepted after the Friday cut-off date.

Registration may be completed by visiting the Community Education Office during business hours and birth certificates must accompany registration.

Sluggers of the Week

SENIOR OUTFIELDERS Mike Gipson and Craig Olmsted are this week's featured baseball players. Gipson, left, plays right field and has an outstanding arm, according to Coach Wayne Welton. A fine player who devotes a great deal of time to baseball, Gipson bats fourth and managed two hits during Saturday's doubleheader against Ann Arbor Huron. Craig Olmsted plays either left or centerfield and is the team's lead off batter. A good outfielder with a great deal of speed, Olmsted is also a varsity football wide receiver.

Wrestling Club Takes 21 Matmen To Harper Creek

Chelsea's wrestling club took 21 contenders to Harper Creek Saturday, qualifying 18 of them for regional competition scheduled to begin this week-end at Portage.

In the eight and under classification, Bryndon Skelton took second, Jeff Montange took third, Colby Skelton earned fourth place, Matt Montange took fourth, Joey Wolf was fourth, Chris Gibson fifth, Scott Centilli fifth and Jeremy Wolf sixth.

Nine- and 10-year-old medal winners and regional qualifiers included Alan Hanna who took second and Grand Kidd who earned a third-place medal.

Wrestling in the 11- and 12-year-old category were Rick Finch, second; Rob Finch, third; Marty Poljan, third; Grant Snyder, fifth; and Duane Elkins, sixth.

In the final category represented by Chelsea, the 13- and 14-year-olds, Peter Hanna and Brian Kidd each took second while Mark O'Toole earned a third-place medal.

Participating Chelsea wrestlers who did not place in the competition were Chad Romige, Jason Wolf and Eric Hanna.

Charles Lindbergh was the 67th person to fly across the Atlantic. He was the first to do so alone.

Varsity Sluggers Split With Huron

Rained out Tuesday against Columbia Central, the Chelsea varsity baseball team took on Ann Arbor Huron Saturday, splitting the doubleheader. The Bulldogs won the first game, 3-0, and dropped the second, 2-9.

The first game was scoreless until the seventh inning, with both pitchers doing fine jobs. Ross Murphy led off with a walk and stole second. John Welton then hit a perfect bunt, moving Murphy to third. With players at first and third, the pair executed a double steal to allow Murphy to score. Chelsea was up, 1-0.

Welton at third, scored on a ground out and Sam Coomes, safe on an error, stole second. Gary Van Meer then singled him home. Steve Grau, pitching for the Bulldogs, allowed just four hits while striking out nine in his debut performance of the season.

In the second game, Chelsea pulled ahead with a 1-0 lead in the second inning as Tim Whitesall walked, Tom Headrick got a hit and Bob Trevino executed a perfect suicide squeeze. Chelsea's other scoring opportunity came in the fourth inning.

Despite several errors that were not handled as best they could be, Coach Wayne Welton explained that the Bulldogs remained in the game. Pitching for the Bulldogs were Doug Pagliarini, Ken Nadeau and Tom Headrick, who, according to Welton, showed several key signs of talent.

Still, Huron scored its nine runs on six hits. Nevertheless, in not ideal playing conditions, neither of the games was disappointing.

Chelsea takes on Dexter at home Friday and will play a doubleheader with Pinckney Saturday.

Rollerskating Program Organized

Chelsea Recreation Council and Chelsea Community Education will be sponsoring an after-school rollerskating program for elementary children, scheduled to begin this week.

Rollerskating will be held at each elementary school gym according to the following schedule:

Mondays, kindergartners and first graders will meet at 3:15 p.m. and skate for one hour. On Wednesdays, youngsters in grades 2 and 3 will meet and 4th and 5th graders will meet on Fridays. A 30-person limit per session was made.

Each student receives five tickets at a cost of \$5 for the five week session which got underway yesterday and will continue through the week of May 21.

Keeping an eye on the young rollers will be Roberta Kemp and Mary Gaken.

TRACK STARS: This week's featured track stars are, from left, Toby Boyd, Darin Pierson and Bob Benedict, three senior letter-winners who are regarded as extremely important to this year's varsity track team. In the team's opening meet against Jackson Lumen Christi, Toby Boyd was a member of the winning relay team and took second in both the long jump and the 200 M dash while Pierson was first in the high jump and third in the 110 M high hurdles. Bob Benedict ran an exceptional 300 M race. The trio assisted in pacing Chelsea to an 88-44 victory.

Girls Track Team Falls to Lumen Christi

The girls track team opened its season at Lumen Christi Thursday and simply couldn't match the strength or depth of one of the state's top teams. In spite of the 98-25, lopsided score, the Bulldogs ran well, bettering last season's opening performance in nine of the 15 events.

Sandra Frame and Sue Young were the only Chelsea runners to win events. Frame won the 1600 in a fast 5:39.7 and then came back with a 12:27.3 for a second place finish in the 3200.

Young started where she left off last year, taking the long jump with a 15-4 1/4 leap. She also finished third in the 100 meter dash.

Tracy Bohlander was the only other double scorer for the Bulldogs when she finished second in both the 100 and 200 hurdles.

Rounding out Chelsea's scoring were Nancy Hastings, second in the 800; Kristin Thomas, third in the 1600; and Carol Warren, third in the 400.

Twins Lynn and Lesa Holda were double winners for Lumen Christi; Lynn winning both hurdles and Lesa winning the 400 and 200 dashes.

Chelsea has a busy time this week, running against Northwest and Tecumseh and also participating in the Chelsea Relays on Friday.

Games of 125 and over: M. Hansen, 156, 156, 144; A. Morgan, 138; A. White, 158; K. Greenleaf, 155, 143, 158; G. Hansen, 131; R. Broughton, 153; J. Tuttle, 171, 131, 182; R. Hilligoss, 165, 152, 146; B. Besso, 142, 170; J. Tarroll, 141; P. Long, 127; I. Grant, 127; P. Cabanis, 133, 129; P. Harook, 152, 141, 167.

Series of 375 and over: M. Hansen, 456; A. White, 396; K. Greenleaf, 456; J. Tuttle, 484; R. Hilligoss, 478; B. Besso, 430; P. Cabanis, 382; P. Harook, 460.

MORTGAGE SALE - Default having been made in the terms and conditions of a certain mortgage made by HUEY L. WRIGHT and SHERINA WRIGHT, his wife to Standard Federal Savings and Loan Association, a federal association, formerly Wayne Federal Savings and Loan Association dated the 20th day of November, 1972, and recorded in the office of the Register of Deeds, for the County of Washtenaw and State of Michigan, on page 128-132, on which mortgage there is claimed to be due, at the date of this notice, for principal and interest, the sum of Ninety Thousand, Four Hundred Dollars and 97/100 (\$90,487.97).

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof, Now, therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on Thursday, the 20th day of May, 1982, at ten o'clock a.m. Local Time, said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the West entrance to the Washtenaw County Building in the City of Ann Arbor, Washtenaw County, Michigan, (that being the building where the Circuit Court for the County of Washtenaw is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at Eight and One-Half per cent (8 1/2%) per annum and all legal costs, charges and expenses, including the attorney fees allowed by law, and also any sum or sums which may be paid by the undersigned, necessary to protect its interest in the premises. Which said premises are described as follows:

All that certain piece or parcel of land situate in the City of Ypsilanti in the County of Washtenaw and State of Michigan, and described as follows, to-wit: Commencing at a piece of 2 inch gas pipe driven for a corner in the east line of Prospect Street and 2 chains and 75 links north of the intersection of the east line of Prospect Street with the north line of the Chicago Road; running thence east 2 chains and 8 links to a piece of 2 inch gas pipe driven for a corner in the east line of the lands of the late Mary Gage; thence north along the said east line and parallel with the same 24 links in width, heretofore conveyed by Mary G. Southerland to Sabina Tice.

During the six months immediately following the sale, the property may be redeemed. Dated at Ann Arbor, Michigan, March 17, 1982. MICHIGAN SAVINGS AND LOAN ASSOCIATION Mortgagee By: Grace Palazzolo FORSYTHE, VANDENBERG MORRIS, P.C. Attorneys for Mortgagee By: J. Michael Forsythe 111 S. Meat Exports Up The U.S. Department of Agriculture has estimated that U.S. exports of livestock, meat and livestock products (excluding poultry) exceeded imports in 1981 by about \$307 million. This is the first time since 1977 that the United States has experienced a positive balance of trade in livestock, meat and livestock products category. The value of these meat exports totaled \$3,201,600,000 in calendar year 1981. Imports totaled \$2,894,300,000. While imports declined almost \$325 million from the 1980 value, exports grew by about \$150 million.

Highway Snow Control Cost Jumps by 25%

The cost of snow and ice control on the state highway system jumped more than 25 percent this winter, the Michigan Department of Transportation (MDOT) said today. "This has been a tough winter, especially in comparison with the mild winter of 1980-81," said Donald Orme, the department's chief maintenance engineer. "Inflation also helped to push up costs," he said. The winter maintenance bill on the 9,450-mile state highway system (all the Interstate and the US- and M-numbered highways) totaled about \$38 million on April 11. That is \$7.86 million higher than the \$30.14 million spent in the previous winter for snow plowing and spreading salt and deicing chemicals on the highways. "The final cost will be somewhat higher," Orme said. "There still is the possibility of snow and ice, especially in the northern areas of the state. Also, we haven't received our final billings from the county road commissions which maintain state highways in their respective areas under contract with the department." The transportation department had reduced the level of winter maintenance in recent years in an effort to hold down spending.

Churches Observe Stray, Unwanted Pets Continue Declining Trend

On April 8, the Passover Seder was held. The Passover? But wasn't that when Christ instituted Holy Communion? The Passover Seder is a meal in which God commanded the Jews to celebrate annually in remembrance of their release from slavery in Egypt.

The Jewish people still celebrate the seder every year. This year, and undoubtedly in forthcoming years, St. Barnabas Episcopal church and Zion Lutheran church celebrated a Passover Seder as well. The meal represents deliverance and hope—the reason why the Chelsea churches decided to celebrate it. Members of the congregations ate a meal of green vegetables, such as lettuce, matzah (an unleavened bread), wine, bitter herbs, and lamb.

Following the meal, there was a Maundy Thursday service at St. Barnabas. This service is one which progressively lays bare the altar. A series of readings are read by each congregation member and thereafter, he or she

takes away a part of the altar setting. Eventually, the altar is bare, at which point the lights are dimmed and "It is finished" is declared.

Both services were not only educating but also enhanced the fellowship between St. Barnabas and Zion Lutheran church. The Rev. Fr. Jerrold Beaumont and the Rev. John Morris considered both services to be extremely worthwhile.

For the sixth consecutive year, the Humane of Huron Valley reports a decrease in the number of stray or unwanted animals brought to its animal shelter facilities.

In 1975 the shelter received 17,363 stray and unwanted animals, as compared to 8,342 in 1981. This represents a decrease of more than 50%.

Susan J. Schurman, executive director of the Humane Society of Huron Valley, attributes this impressive decline to three primary factors:

- 1) The success of the society's self-supported, Low-cost Spay/Neuter Clinic, which began offering its services to pet owners in 1975;
- 2) The effective implementation of dog control laws by local municipal and county agencies;
- 3) The society's strict pet adoption policies which have curtailed the "revolving door" syndrome so often found in shelters with lenient adoption standards.

"Our aggressive public education efforts to convince pet owners to sterilize their pets has been the key to our success," says Schurman. "Statistics collected by the Humane Society of the United States in Washington, D.C. reveal a marked trend toward a decrease in pet overpopulation and overpopulation-associated problems in those areas of the nation where low-cost sterilization clinics are provided by humane organizations or local governments," Schurman noted.

Humane Society of Huron Valley statistics have unfortunately revealed something else of equal significance. The

numbers of stray and unwanted cats seems to be gradually increasing. Although more data will need to be collected and analyzed, cat statistics would indicate that the lack of animal control laws and enforcement for cats, unlike the enforcement for dogs, is playing a vital role in this unfortunate new trend. Another factor could be the increasing popularity of cats as pets because of the somewhat mistaken notion that they require less direct care and supervision than dogs.

"We will be increasing our public education efforts about cats and cat care. It is encouraging to note that our cat adoptions are increasing and we will continue to use the adoption process as an opportunity to educate new cat owners about the benefits of sterilization and indoor cat care," Schurman pointed out.

Executive Director Schurman concluded her announcement about the over-all decrease in animals at the shelter by noting that since the late 1950's, the casual breeding of pets has resulted in a serious, national pet overpopulation problem. "This problem has been getting worse since the onset of the current economic recession because people feel they can no longer afford their animals and are abandoning them. We're very fortunate here in Washtenaw county because we had the foresight to attack the problem early."

A leading life insurance company report shows that the average life expectancy for a 32-year-old man who did not smoke cigarettes was 79 years, compared with 72 years for a 32-year-old smoker.

Lions White Cane Sale Slated

Governor William Milliken has proclaimed April 23 - May 2 as Michigan Lions White Cane Week.

In observance of this, the

A daughter, Brooke Juliet, Wednesday, April 7, Bronson Hospital, Kalamazoo, to David and Nancy Lauhon of Climax.

A son, Matthew Frederick, Wednesday, April 14, St. Joseph Mercy Hospital, Ann Arbor, to Ted and Linda Hinderer of 20550 Scio Church Rd., Chelsea.

Chelsea Lions Club will conduct their fifth annual White Cane

fund-raising drive on Friday and Saturday, April 23 and 24, at Chelsea State Bank, main and branch offices; Chelsea Pharmacy and Polly's Market.

In addition to raising funds for local Lions projects, the Chelsea Lions hope to make the driving public more aware of the Michigan law which requires motorists to stop and yield the right-of-way to blind pedestrians carrying the familiar red-tipped white cane.

Question: Why must I now buy a child restraint system for my car? I feel this is an infringement on my rights. Governor: Public safety has always been a vital function of government. Automobile accidents are the number-one killer of children under five. Studies show that very few children are properly restrained while in a car. It is estimated that restraints could save 91 percent of preschoolers' deaths and 78 percent of preschoolers' injuries by car accidents.

The new law, which took effect April 1, requires children under one to be in a child restraint system. Children over one but under four also must be in a child restraint system unless they are in the back seat wearing a seatbelt.

Question: I live near the Huron River and am wondering what kind of assistance I can expect from the state if there is flooding?

Governor: Flooding is often a problem at this time of the year. The state is in constant contact with local governments during these emergencies. The Emergency Services Division of the State Police is the government's watchdog on these problems.

Recently, when Monroe and Berrien counties were hit by flooding, I requested and received federal assistance to help the flooding victims. The state worked with the Federal Emergency Management Agency to set up two Federal-State Disaster Assistance Centers to aid area residents. The center brought together all the state and federal agencies to one location and then received applications for the individual assistance being offered.

The National Weather Service has issued guidelines for behavior in the event of a flood threat. They suggest that you plan an escape route in case of floods. If you are going to leave, leave early before escape routes are impassable. They also suggest you keep tuned to the radio or television for up-to-the-minute reports. Be careful when crossing streams because the water is often deeper and swifter than expected and you could be swept away. Equal care must be taken when driving over flooded roads which will be slippery and may even be washed out completely.
