National Honor Society Scholarship Tag Days Set Friday, Saturday

In hopes of securing funding from area residents, the Chelsea Scholarship and Financial Aid Committee as well as the Chelsea High School National Honor Society chapter, will sponsor their Tag Day event, Friday and Saturday, May 7 and 8. Monies donated by local residents and businesses will be used toward scholarships awarded to students in the class of 1982.

Again this year, these organizations are asking that area residents assist in the payment of college tuition for graduates this year. Five years ago, Chelsea residents helped the organizations send 12 graduates on their way to further education

and some of these past recipients have been contacted recently.

Dennis Petsch used his Steinway Award to go to the University of Michigan and Eastern Michigan University. You saw his name in The Standard a few weeks ago when he visited Japan to teach English.

Bob Burgess won the UAW Award in 1977 and graduated from the University of Michigan in mechanical engineering. He now works for a nuclear power plant in Midland.

Lisa Walworth graduated with honors from Ferris State College as a medical records technician and is now Mrs. David Frame.

Mike Stoner received the LaBarbara Award and got an associate's degree from Jackson Community College as an emergency medical technician. He then joined the Navy for six years of hospital corps work. In September, he begins a year in Coronary-Pulmonary school.

Another recipient was Kim Brown who won the Kiwanis

Award in Chelsea, took four years at the University of Michigan and is now in medical school at Wayne State on her way to becoming a doctor of family practice.

Brenda Salyer went to the University of Michigan for four years and now works in the Undergraduate Library there. In May, she will go to the University of Boston to study architecture.

Julia Chapman got a pharmacy degree from Ferris State College. She married Rick Janich and practices her pharmacy in Dallas, Tex.

Kathleen Schmitke (Mrs. Douglas VanGorder) has a four-year degree in horticulture from Michigan State University.

After Alma College, Neil Cockerline works as a curator in an art museum in Anderson, Ind. And, Linda Shaw went to the college in Louisville, Ky.

These are all success stories that were aided by monetary gifts the people of Chelsea gave in 1977.

Five Arrested In Boxcar Beer Heist

On Wednesday, April 28, Washtenaw County Sheriff's Department was notified of a suspicious vehicle parked along the box cars at Third St., Dexter. When arriving at the scene, the vehicle pulled away at a high rate of speed and Deputies Marshall and Cornell gave chase, following the car to a residence on Joy Rd.

Inside the vehicle were numerous cases of Miller beer. Five subjects were arrested for the theft of approximately 100 cases of the brew, including three juveniles and two adults.

The juveniles were detained and released to their parents pending warrant authorization while the adults, Gregory Parson, 17, and Michael Coy, 17, were arraigned before Judge Kenneth Bronson in 14th District Court Thursday and were released on \$2,000 bond each. Preliminary examination was set for 1:30 p.m. Tuesday, May 4.

The Sheriff's Department recovered approximately 80 cases of stolen beer.

Grass Lake Community Paper Folds

After more than 105 years of service to the Grass Lake area, The Public Sentiment ended its long history Tuesday, printing its final edition. With a circulation of about 800 and an annual subscription rate of \$15, the cost of printing was barely met.

Also cited as factors contributing to the newspaper's demise was a lack of major advertisers as well as the inability to compete financially with a shopper's guide, circulated free in eastern Jackson county.

Shopper's guides generally siphon off advertising revenues needed to support a legitimate newspaper without providing community services, thus making it impossible to continue the news functions. Such situations exist all too often with the area residents not being aware of it until it is too late and they have lost their "hometown" newspaper.

Bargaining Sessions Hit An Impass

Expedited bargaining between the Chelsea School District Board of Education and the teacher's union, broke off Tuesday evening when negotiators were unable to reach a contract resolution.

The groups worked from Sunday afternoon through Tuesday evening in hopes of reaching an acceptable contract agreement. It was at that time that an impasse developed.

Through informal discussion, it appeared that negotiations might possibly resume by Monday. (Continued on page four)

Julie Prohaska Wins Law School Scholarship

Eastern Michigan University senior Julie Prohaska won a full-tuition three-year scholarship to Thomas M. Cooley Law School when she triumphed over five other finalists in the last round of the National Collegiate Oratory Competition held Saturday, April 24 in Lansing.

The six finalists had survived preliminary judging on original written manuscripts and on videotaped auditions of their 10-minute memorized speeches before appearing to deliver their speeches in person before a live audience and three sitting Michigan judges in the chamber of Lansing Court of Appeals.

Appellate Judges Glenn Allen and Richard Maher and Michigan Supreme Court Justice John Fitzgerald selected the winners. Runners-up in the competition were Jeanne Jerow, 34, a senior at Aquinas College in Grand Rapids and Joe Sehee, 21, a junior at Michigan State University. Other finalists were Andrew Borden, 19, a sophomore at Rutgers University in New Brunswick, N. J.; Dawn Pyrek, 21, a senior at Northern Michigan University; and Kurt Weaver, 20, a sophomore at Hillsdale College. Runners-up received half-tuition

JULIE PROHASKA
three-year scholarships to Cooley Law School, while other finalists each earned \$1,000 law school tuition grants.

Prohaska is a political science and speech major. Among her extra-curricular activities are forensics, student senate, University Judicial Board, Mortar Board and the University Ambassadors Society. She is also a political science tutor. Prohaska is the daughter of David and Helen Prohaska of Stofer Ct. She plans to attend Cooley Law School beginning in September.

Two Arrested For Break-ins In Lake Area

Washtenaw County Sheriff's Department reports that on Sunday, April 25, a breaking and entering occurred in the 13000 block of North Territorial Rd., Dexter township, resulting in the theft of a number of items and a total ransacking of the home. This occurred sometime before 2:30 a.m. when Detective Paul Wade was called to the scene.

While investigating, Wade noticed some pieces of paper on the floor that had footprints on them.

Later in the morning, Wade was called to another breaking and entering location at North Lake. Similar footprints were discovered at this residence.

Through his investigation, Wade located a possible suspect cutting trees in an apple orchard with his father and a friend. Det. Wade questioned the father and examined the shoes worn by the two young men. They were interviewed and statements were secured. (Continued on page four)

PSC Supports Federal Bill on AT&T Divestiture

The three-member Michigan Public Service Commission says American Telephone and Telegraph Co. is misleading its stockholders in an effort to stop federal legislation that would supersede a divestiture order agreed to by AT&T and the Department of Justice that could double basic phone rates and leave Michigan Bell Telephone in a weakened position.

The commissioners said passage of HR 5158 by Congress would allow for divestiture of the giant telephone utility of its 22 operating companies—including Michigan Bell—and allowing them to stay competitively healthy saving Michigan customers some \$2 billion over the next eight years.

Commission Chairman Eric Schneidewind called on the public to support the legislation.

The commissioners said they would file a detailed list of their objections to the divestiture agreement between AT&T and the Federal Department of Justice in federal district court in Washington.

The divestiture agreement was reached last January and is under review by the federal court before they accept or reject it.

Under the agreement, Michigan Bell and 21 other

telephone companies would be cut loose from AT&T.

The PSC members said the divestiture would double basic telephone rates because revenues from Yellow Pages advertisements and long distance calls—which have subsidized rates in the past—could no longer subsidize basic rates.

In response to criticisms about the divestiture, HR 5158 was introduced in Congress and recently was approved by a House subcommittee. With some minor changes, the measure would allow for divestiture without the problems posed by the agreement.

For example, the bill would allow Michigan Bell to maintain Yellow Pages advertising, which would be taken away from them under the consent agreement.

Michigan Bell and other divested companies would also be permitted to purchase equipment from the lowest cost suppliers instead of being required to purchase the equipment from Western Electric, and AT&T affiliate, as the agreement stipulates.

Housing Authority Begins Pilot Project on Rental Property

Seven cities have been selected by the Michigan State Housing Development Authority for a \$3.6 million pilot program for

moderate rehabilitation of rental housing.

The authority will use about \$2.3 million from its reserves to make second mortgage loans to landlords, at 10 percent interest, to upgrade housing units while city funds totaling \$1.3 million will be used for low interest loans, construction financing or grants to reduce the amount of the loan.

Richard Helmbrecht, director of the authority, said moderate rehab could become a major program in the 1980's, replacing rental housing subsidy programs now being phased out by the federal government.

The pilot program will provide funds for rehabilitation of about 550 units.

Helmbrecht said the authority will use the experience for a larger program backed by revenue bonds and involving thousands of units a year.

Moderate rehabilitation includes such work as bringing the building up to code, repair or replacement of electrical or plumbing systems and energy conservation improvements.

The cities included in the pilot program are Ann Arbor, Flint, Saginaw, Jackson, Lansing, Monroe and Kalamazoo.

Man Bitten By Rattlesnake at Four Mile Lake

Washtenaw County Sheriff's Department reports that on Saturday, April 24, at approximately 4:40 p.m., a 26-year-old Ann Arbor man was bitten by a Mississauga rattlesnake while fishing with friends on Four Mile Lake.

According to reports, the bite was the result of the man pulling the snake from the water in which it was swimming.

The man, apparently intoxicated, was taken to Chelsea Community Hospital for treatment and observation.

The snake was knocked unconscious and retained and the Conservation Department was notified. Officer Craig Wales disposed of the rattlesnake.

Chapman Completes Term As CCW Diocesan President

At the conclusion of the two-day Biennial Convention of the Council of Catholic Women of the Lansing Diocese, held at Weber's Inn in Ann Arbor, April 21 and 22, Mrs. Leon (Katie) Chapman, handed over the gavel to incoming president, Mrs. Keith Skidmore of Charlotte. Katie had served as president over the 10-county Lansing Diocese during the 1980-82 years.

Keynote speaker at the convention was Fr. John Burke, O. P., Director of the Word of God Institute, Washington, D. C. He told those attending that there is a strong need for gospel wisdom because people "need the Good News." He said there is "real hunger for the Word of God," especially among people 18 to 25 years of age. Many don't attend any formal church yet have a strong attraction to the Bible. In concluding his talk, Fr. Burke said that more than anything else today, "we need the power that comes from the Word of God."

Other speakers included the Rev. William McKeon, Irish Hills, Brooklyn, the Rev. Jay Samonie, Most Holy Trinity parish, Detroit, Stephanie Quinley, immediate past province director and Tom Hayes of Ann Arbor.

Bishop Kenneth Povish, Bishop of Lansing celebrated the Mass with priests present, and gave the Homily the first day. Fr. Patrick Jackson was the Homilist on Thursday. Music and choir was provided by Dexter St. Joseph parish and Sister Theresa Scheuer and Brother Bob Jackson of Adrian.

During the business meeting on Wednesday, Mrs. Cecilia Linn of East Lansing introduced a resolution asking the women to support the Hatch-Ashbrook Life

Amendment Act now before the U. S. Congress. The women voted unanimously to support the amendment.

Other officers elected were Mrs. Marvin Kirk, Manchester, vice-president; Mrs. Kenneth Lake, Flushing, secretary; and Mrs. Gene Hanlin, Adrian, treasurer. All officers were installed by the bishop at the concluding mass on Thursday.

At the conclusion of the evening program on Wednesday, Katie Chapman was given a clear glass madonna as a parting gift from her board. She was also presented the coveted cross designating five years of service to the Diocesan Board. She will serve an additional two-year term as Diocesan director-at-large.

Flint Region has extended an invitation for the 1984 Biennial Convention to be held in Flint.

Child Car Seats Inspection Day Set By Health Dept.

Washtenaw County Health Department and the Child Passenger Safety Association will co-sponsor "Check Your Seat Day," Thursday, May 6, between the hours of 10 a.m. and 6 p.m. at Gene Butman Ford Sales, Inc., 1205 Washtenaw Ave., Ypsilanti.

The purpose of this event is to determine whether or not specific children's car seats are federally approved for safety and/or installed properly. A mechanic will be on hand to install tethers in cars for proper car seat installation and there will be a \$10 fee for this service.

In addition to tether installation, the co-sponsors will be providing advice and consultation on child passenger safety and the implications of the April 1 law requiring federally approved child passenger restraint systems for all youngsters under four years of age.

After cleaning up the area, Thompson gave the boys a tour of the court house building. They not only saw the courtroom and the holding cell but also the interesting remains of when the building was originally used as a bank. The boys saw the large vaults in the basement, the ceiling lights and the dome and were surprised to see all the containers of emergency medical supplies and water stored in the basement of the building.

Soccer Team Wins One, Ties Ypsi, Pioneer High

The Chelsea Kicks soccer team opened its season with an 11-0 win over the Brighton Mustangs on Saturday, April 24. Leading scorer for the Kicks was Brian Ackley with three goals.

John Wilcox, Tom Vandervoort and Dave Lange each chipped in with two goals and Roberto Castillo and John Mitchell each had one. Mitchell had four assists, Ackley had three and Tim Pennington added one.

The outstanding play for the Kicks occurred as John Mitchell made a diving header to keep the ball from going into the goal, thereby saving the shutout for goalie Greg Ackley. The strong defense for the Kicks was led by Dave Hutting who stopped many Mustang attacks.

The Kicks then moved on the Ypsilanti where they played to a 2-2 tie on Sunday. Chelsea dominated the first half by holding Ypsi to just one goal. Scorers for the Kicks were John Popovich and Tom Vandervoort. In the second half, Ypsi got

tough and, with three minutes left in the game, scored on a well-executed corner kick.

On Monday, the team played another rough game against Pioneer High school, ending the evening in a 2-2 tie. Chelsea played all defense in the first half and, with just 15 minutes left in the game, Roberto Castillo scored two quick goals to bring the Kicks up from their two-goal deficit.

The local soccer team ended its 1981 season first in the league with a 10-0-1 record and anticipate a similar finish this year.

Apples, grapes, cranberries, plums and cherries should be stored in the refrigerator immediately after purchase and are best eaten within a week.

Michigan Ave., Clinton, will be the location of blood pressure screening on Tuesdays, May 4, 11, 18 and 25, from 10 a.m. to noon.

High blood pressure education programs, taught by Denise Fisher, occupational therapist; Nancy Mason, pharmacist; and Julie Say, community nutritionist, will be presented free of charge at the following locations:

On Wednesday, May 19, from 11 a.m. to noon at the Chelsea Senior Citizens Center; Wednesday, May 26, from 12:30-1:30 p.m. at the Dexter Senior Meal Site and on Thursday, May 20, from 11 a.m. to noon at the Waterloo Senior Meals Program.

To assist in meeting the high blood pressure screening needs of Chelsea Community Hospital's service area, the hospital conducted a needs assessment of blood pressure screening needs at area senior meals programs earlier this year. As a result of this assessment, the Hospital will sponsor a training program for volunteer Registered Nurses from the Hospital Auxiliary which will be taught by a representative from the Michigan High Blood Pressure Council on May 6. The volunteer nurses will then assist in providing blood pressure screening and follow-up in the following locations:

Tuesday, May 4 and Thursday, May 19, between the hours of 10 a.m. and 2 p.m. at the Chelsea Senior Citizens Center. Call 475-9242 for information on screening for the rest of the year; the first Thursday of every month beginning in June, between the hours of 12:30 p.m. and 2 p.m. at the Dexter Senior Meals Program; and the third Thursday of every month beginning in June between the hours of 11:30 a.m. and 1 p.m. at the Waterloo Senior Meals Program.

Recent studies conducted by the National Heart, Lung and Blood Institute indicate that a great deal of progress has been made nationally through the combined efforts of local community high blood pressure programs across the country.

Where 10 years ago, relatively few Americans knew much about high blood pressure, now almost 75 percent of the total population knows that high blood pressure is a serious condition. Millions now know that high blood pressure increases the risk of heart attack, stroke and kidney failure and more than 80 percent know that high blood pressure cannot be cured but can be controlled with drugs and diet.

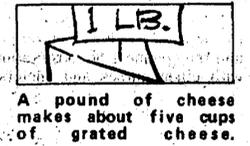

Here's a quiz for people with high blood pressure. Ask yourself: How high is my blood pressure now? How much lower should it be? What do I have to do to bring it down to that lower level? If you knew the answers to all three questions, then you and your doctor have a good partnership going. You already know what part you play in controlling your pressure and how to keep track of your progress. If you couldn't answer all three questions, visit your doctor or health clinic as soon as possible. Ask these and other questions you may have about your blood pressure. Keeping track of your blood pressure treatment should be important to you.

JV Baseball Team Sports 5-2 Record

The Chelsea JV baseball team won four and lost one for the week.

Chelsea started the week by defeating Tecumseh, 11-2, behind the three-hit pitching of Jay Marshall who also struck out 9. Chelsea scored five runs in the second inning on singles by Jeff Blanchard, Jay Marshall, Chris Gallas, Eric Stofflet and a double by Jim Ritter.

In the fourth inning, Chelsea scored three runs on Jay Marshall's single leading off. Chris Gallas was safe on an error and then, Marty Steinhauer drove home two runs on a triple and scored on Chuck Hager's double.

Chelsea next hosted Pinckney and split the double header, winning the first game, 10-6, and dropping the second, 11-9. In the first game, Chelsea combined 13 hits to score 10 runs. Getting hits for the JV Bulldogs were Jim Ritter (two singles), Jay Marshall (single and double), Marty Steinhauer (single), Eric Stofflet (three singles), Dave Gipson (single), Jeff Blanchard (single), and Chuck Hager (single, double and triple with six runs batted in). Marty Steinhauer won his first game of the year, pitching a five-hitter and striking out five.

In the second game, Chelsea lost, 11-9. Getting hits for Chelsea were Rick Bohan (single), Chris Gallas (triple and single), Ron Dunn (single), Chuck Hager (triple and single and three RBIs), Jay Marshall (two singles) and Dan Pennington (double).

Chuck Hager had a dream day according to Coach Larson, going five for five which included two triples, a double, two singles, three runs scored and nine runs batted in.

Dave Gipson and Ron Dunn pitched for Chelsea.

Chelsea continued its fine hitting, defeating Milan 13-7, behind the combined six-hit pitching of Jay Marshall and Jeff Blanchard. Getting hits for Chelsea were Ron Dunn (two singles), Jim Ritter (single), Jay Marshall (single and three-run home run), Chris Gallas (single), Marty Steinhauer (triple), Eric Stofflet (single), Dave Gipson (single), Chuck Hager (single), Jeff Blanchard (single) and Rick Bohan (two singles). Marty Steinhauer made the defensive play of the game, explained Coach Larson, with a diving catch of a deep line drive to rob a Milan batter of a sure home run.

Chelsea closed out the week, defeating a good Lincoln team, 6-3, behind the four-hit pitching of

Marty Steinhauer, who struck out eight in six innings and Jeff Blanchard, who pitched the last inning.

Chelsea scored two runs in the first inning on Eric Stofflet's single, an error, followed by Chris Gallas' double that drove home two runs.

In the third, Chelsea used its speed to score a run when Marty Steinhauer walked, stole second, then stole third and scored on a wild pitch.

Getting hits for Chelsea were Eric Stofflet (three singles and two RBIs), Chris Gallas (double and two RBIs), Jeff Blanchard (two singles) and Rick Bohan (two singles).

Chelsea's record is now 5-2 over-all and 3-1 in the Southeastern Conference.

The only president to undergo impeachment proceedings (he was acquitted by one vote), Andrew Johnson was also the first ex-president to serve later in the Senate.

OPERATING ROOM NURSES prepare a patient for surgery at Chelsea Community Hospital. Above, anesthetist Janet Hochendoner prepares the patient while Ruth Hayes, Virginia Morgan and Suzanne Copley attend to any additional preparations necessary before surgery. May 2-8 is Michigan Nurses Week.

THREE CHELSEA NURSES demonstrate the quick response to emergencies once within the Chelsea Community Hospital Emergency Room proper. Pictured are, left to right, Judy Even, R.N., Nancy Fielder, R.N. and Mary Lou Sweeton, R.N. supervisor. "Chelsea Nurses Make The Difference" is the theme of this week's local observance of Michigan Nurses Week.

Michigan Nurse Week Being Observed at Hospital

Michigan Nurse Week, sponsored by Michigan Nurse Association, is an effort to gain recognition and support for the unique services nursing provides and for the differences nursing makes in the cost, quality and availability of health care services. Thousands of nurses across the state dedicate their knowledge and skills to achieve quality health care for the citizens of Michigan.

In Chelsea, this week is given the name, "Chelsea Nurses Make The Difference." We visited Chelsea Community Hospital last week to find out why.

In talking with director of nursing, Kathy Brubaker and nurses JJ Lange and Maggie Szymka, various insights into nursing at Chelsea were discussed, revealed and understood.

In a time when there is talk about a "nursing shortage" or crisis, such is not the case at Chelsea. In fact, turnover rate at Chelsea is much lower than the average, traditional turnover, according to Brubaker. Still, some time was devoted to the often misquoted statistics involving the nursing shortage as well as reasons why persons are turning to other professions.

Hospital facilities in this decade are faced with patient acuity. More of those persons are critically ill and the technology is expanding. An aging population needs more care; hence, more nurses are needed now than in the past.

In addition to this, nursing was, at one time, one of the only professions open to women, but over the years, new professions have opened to them, often providing more pay and prestige. Though once a nurse always a nurse is the

case, many nurses leave their hospital work to raise families, teach, etc. Today, this situation requires that more nurses than ever are needed, not necessarily because there are fewer than ever before.

The traditional role of the nurse, a "hand maiden to doctors," has changed radically over the years. The occupation is multi-faceted and ranges from distributing water to patients to identifying patient needs and reporting these findings to the attending physician.

Public image of nursing runs the gamut from passing out pills and bed pans and nuturing and caring for the patient. But nursing has changed and is no longer as supportive. Instead, independent decision making processes are undertaken and the job involves more than merely assisting the physician. This public image remained the case until just a few years ago, when the nurse truly became a knowledgeable and true part of the interdisciplinary team.

Today, nurses can observe and provide positive nursing diagnoses. At Chelsea Community Hospital, each of the 150 or so nurses function as true members of a medical team and this positive relationship between nurses, doctors, administration, patients and their families is evident in the quality of care available there.

A broad spectrum of practice, ranging from small, necessary helps to knowing who to contact regarding what, the utilization of resources and consultation, encompasses the nursing profession today. Why do nurses practice at Chelsea? Most basically, all nurses have a love for the profes-

sion and working with people. But at Chelsea, nurses are given the scope as a true part of patient care, from doctors to patients to families.

Nursing involves a lot of mental and physical capabilities and involves headwork as well as footwork. Changes in the profession have developed through the years, taking away the mere response to requests and adding to it a real system of problem solving through patient assessment of physical, mental, social and environmental stimulus. This assessment is then shared with the team and hospitalization is planned and evaluation made. These processes are automatic to the nurse, purposefully taught as well as partially innate.

Specializing in various areas, ranging from surgery to mental health, nurses share many common traits when determining the condition of a patient. Gaining expertise, drawing on knowledge, the basic role involves focusing on patient needs and making people more knowledgeable about their own health.

Changes in the nursing profession have come from additional public education of health and its maintenance in general. As a result, acute care is more evident within the hospital and additional specialization has been the medical profession's answer to this situation.

As the hospital's role changes, so does the role of nursing as it expands on the traditional role. There are a variety of outlets for nurses beyond on-the-floor nursing care. Administration, teaching, community health are just a few.

Nursing is a challenging, growing profession and those already

within it are aware of the vast number of areas involved. Each of the women spoken with voiced the opinion that they could never conceive of becoming tired of nursing. "It suits me. There are so many options open," was one explanation of why nursing was a chosen profession.

But why nursing at Chelsea? What makes it so special? For one thing, the nurses explained, the smallness is a big plus as well as the ability to learn on the job and the openness of consultation with other nurses and doctors. Still, autonomy is the biggest, most significant factor as both administration and staff allow the nurses the flexibility to practice their profession as they were taught in school. Chelsea Community Hospital offers support to the professional and encourages continuing education. There is no opportunity to stagnate with numerous opportunities to grow.

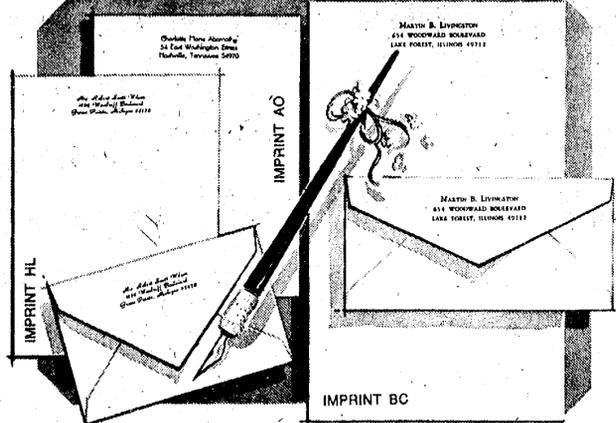

It is because of these factors that Chelsea Community Hospital has been able to attract good people. As the 125-bed hospital's reputation grows, nurses, doctors and other professionals express a desire to come to Chelsea to work. Positive feedback along with quality care and good people with which to work will assist the hospital in maintaining its status as a leader in innovation. The atmosphere lets nursing be nursing, recognizing its importance as an intricate part in the successful delivery of health care.

Credit for this success is attributable to the entire faculty with each employee working toward an ultimate, shared goal. The Chelsea Community Hospital nursing department takes pride in what goes on within the facility.

Experiences are shared and teaching is encouraged in a never ending learning and teaching process called nursing. The hospital atmosphere at Chelsea and the medical profession as a whole is becoming more human.

Summing up the atmosphere at Chelsea Community Hospital, JJ Lange explained that "there is a lot of love and a lot of hugs at Chelsea. We're like a family. I hope that we'll always be able to maintain that and be able to show our emotions and caring."

ABWA Awards Scholarships to Area Students

Chelsea Charter Chapter of the American Business Women's Association met Tuesday, April 27 at Inverness Lounge for its regular monthly meeting. It was Business Associate Night. Guests at the meeting included Paul Augustine, Robert Kushmaul, Dr. Norman Epstein, Donald Schneider, John Barry, Barbara Steele, Joanne Thilman, Chuck Kleinschmidt, Julie Hansen Rooney and guest speaker Judge Ross Campbell. A delicious prime rib dinner was catered by Joe Merkel of Wolverine Lounge.

During the business meeting a report was given by Nancy Morgan, chapter treasurer that \$500-plus was realized from the fashion show held April 24. This money will be used toward scholarships which are awarded each year. Since its chartering, the Chelsea Chapter has awarded \$3,000 in scholarships.

Contributing to the success of the fashion show were both merchants and community residents as well as Chelsea School District. Sandy and Walter Zeeb of Chelsea Greenhouse furnished the beautiful centerpieces for the tables and archways through which the models walked. Merkel provided the carpeting for the stage. Door prizes were contributed by Chelsea Big Boy, A & W, Winans Jewelers, Chelsea Pharmacy, Vogel's, Bill Knapp's of Ann Arbor, Mary Kay Products and Wolverine Bar. Winners of these prizes were Judy Audritsh, Al Chauncey, Berniece Augustine, Barbara Wolfgang, Shirley Nelson, Helen Rykba, Agnes Guinan, Stefanie Hillgoss, Diane Espenosa, and Ann Muncer. Centerpieces were won by Helen Lancaster, Donna Harris, Marilyn Marsh, Betty Robbins, Barbara Fritz, T. Hermosillo, Jean Haab, Dennis Laurich, Lena Behnke, Mary Houle, J. Handelsman, Lillian Houle and Nancy Case.

Shirley Schneider, education chairperson, announced the following scholarship awards: Denise Campbell of Pinckney will be a senior at the University of Michigan. She will receive a BA and go on to Law School; Holly Dennis, Addison, will be a sophomore in journalism at Adrian College; Debbie Desmythers will be a senior in communications at Eastern Michigan University; Christine Esch, Gregory, is attending Ferris State College and is an associate in pre-science; Amy Unterbrink, Chelsea, will be a freshman at Indiana University where she will study medicine. Each student will receive a \$200 scholarship.

Judy Moisan, president of the Chelsea Chapter, introduced

Judge Ross Campbell, Circuit Judge in the 22nd Judicial Circuit. His topic was "Crisis in the Michigan Judicial System." Judge Campbell is well-qualified to speak on this subject as he has been an attorney, Probate judge and now Circuit judge.

We ask ourselves, "How have we gotten into this dilemma of slow justice in the courts?"

The longer a criminal is in jail the better the chances are that time

will soften the severity of the case. In some cases, postponement for a period of months or years may result in witnesses moving away, becoming so ill they can't testify or dying, thus suppressing the possibility of finding the criminal guilty. The cost of processing a case through the courts is high.

The Supreme Court has centralized control of the courts. Judge Campbell also noted that

most justices who sit on the Supreme Court have little experience as trial judges. The Courts are asked to resolve the acts committed against the individual and the Appellate Court lacks this ability.

Judge Campbell stated that single change that could be made in the Michigan Justice System would be that all Appellate Judges have experience as District, Probate and Circuit Judges.

Sluggers Shut Out Milan

Last Monday, Chelsea's varsity baseball team pulled off a 17-0 shut-out of the Milan Big Reds, ending the game after six innings.

The Bulldogs scored seven times in the first inning and finished up with 10 additional runs in the sixth. Pitching for the Bulldogs was John Welton who earned this third league win against no losses while hurling a three-hit shut-out for his team.

Both Craig Olmsted and John Welton got three hits apiece as well as four and three RBIs,

respectively. Two of Welton's hits were doubles.

Sam Coomes and Gary Van Meer got two hits apiece to pace the victors.

Then, on Friday, the Bulldogs faced Lincoln and won, 7-3. Still, a number of scoring chances were spoiled early in the game.

Craig Olmsted and Doug Pagliarini got three hits each while Mike Gipson, John Preston and Rod Robeson hit two each.

Pitching for the Bulldogs was Steve Grau who was hit in the finger with a line drive early in

the game. He finished the game with nine strike-outs and allowed just six hits.

Big hits of the game included a double by Mike Gipson that drove in two runs and a double by John Preston. Chelsea was assisted in their league endeavors by Milan's defeat of Tecumseh.

Chelsea is now tied with the Indians for first place with a 7-2 over-all record and a 4-1 slate in the Southeastern Conference.

is "Better Speech and Hearing Month." This is the first of a series of weekly articles dealing with speech, language and hearing impairments. Each article will discuss these impairments as they are found among pre-school, elementary, junior high and high school children.

Speech, language and hearing impairments of pre-school children are frequently unidentified. In general, the child's first words should be emerging near the age of one and the child should be conversing in sentences by age three. One of the areas that sometimes impairs the child's ability to communicate

could be language development. The child may lack the expressive vocabulary sentence structure, or ability to understand the spoken utterances of others needed in order to express himself adequately.

Another area that could impair the pre-school child's expression is an articulation disorder. An example would be a child who is producing such a number of sounds incorrectly that he cannot be understood at this age, a few later developing sounds (l, r, s) are usually produced incorrectly. A child's articulatory skills are continually developing through the third grade.

At the pre-school level, many

children are non-fluent (stutter). Children at this age are learning language at a very rapid rate. As they are formulating thoughts into words, it is often difficult for them to produce speech without first making mistakes and then correcting them. Often, it is these mistakes that are misinterpreted as stuttering.

Children at this age are also prone to colds and earaches. When they continue for long periods of time or occur periodically, a temporary hearing impairment may result which can affect a child's ability to learn and develop speech and language skills. Signals of hearing impairment are:

STATE QUALIFIERS in forensics competition are, back row, from left, Rob Moore, Matt Lorenz, Duane Branch, Carl Pate; front row, left to right, Tom Mull, Connie Dault, Kathy Waldyke and Phil Powers.

This octet will take part in the state championships, to be held at the Frieze Building on the University of Michigan campus, this coming week-end.

Forensics Team Earns Seven State Qualifications

Chelsea's forensics team earned seven state qualifications last week-end during regional competition at Walled Lake Western High school.

Earning Chelsea's only first-place rating was Kathy Waldyke, regional champion in radio newscasting. Second-place ratings went to Connie Dault for storytelling (anthology of Dr. Seuss) and Tom Mull for sophomore storytelling (excerpt from Mary Poppins). Connie is

anticipating an improvement over her 19th place storytelling finish in last year's competition.

Taking third place with his informative speech about opossums was Dave Moore, while Hallie Schmidt earned third in sales. Last year's state champion, Phil Powers, took third place in humorous reading and in multiple. Himself, made up of Carl Pate, Matt Lorenz, Duane Branch and Rob Moore, earned a third-place state-qualifying position.

Earning an alternate position by placing fourth in the regional competition was Marvin Fischer,

who provided an informative speech on model rocketry.

Chelsea's state forensics team will take to competition Saturday, May 8 at the University of Michigan's Frieze Building on the corner of S. State and Huron Sts. in Ann Arbor. At that time, the state's top 24 contestants in each category will vie for their respective state forensics crowns.

As in years past, a forensics team State Showcase will be presented to friends and relatives of this year's state qualifiers. This special event will be held Tuesday, May 4 at the Chelsea

High school library. Following the presentation(s), a reception will be held.

Softball Team Off to Fast 7-0 Season Start

On Monday, April 19, the Chelsea varsity softball team opened its season by traveling to Saline to defend its string of four Southeastern Conference championships. Chelsea faced its arch rival in one of the most critical games that would determine this year's champion. The game pitted Chelsea's All-Region pitcher, Amy Unterbrink, against Saline's All-League pitcher, Shelley Larned.

Chelsea came away with a tough 5-3 win in a game that featured excellent pitching and fielding by both teams. Chelsea took the lead in the first inning, scoring twice on a hit by Amy Hume, a walk to Shelly Weber, and a single by Lauri Cobb, that drove in both runners. However, Saline tied the score in their half of the first inning as Shelly Larned reached base on an error and Yvette Stewart-Robinson hit a towering homerun over the left fielder's head.

Saline went ahead in the bottom of the third inning, scoring a run without a hit. Chelsea came back and scratched out three runs in the top of the fourth inning, with a walk to Lisa Beeman, a single to Julie Patrick, an RBI single by Celeste Powell and a two-run error by the Saline shortstop on a hard smash by Lauri Cobb.

Amy Unterbrink and a strong Chelsea defense held off Saline for the next four innings. Chelsea committed just one error in the last four innings and Unterbrink

went on to post 14 strikeouts, eight of them in the last four innings.

On Wednesday, Chelsea faced a tough Tecumseh team in its second critical game in three days. On a cold and windy day, the Chelsea team squeaked out a victory over Tecumseh, 5-4.

Amy Unterbrink picked up her second win of the year and catcher Shelly Weber picked up two hits and scored two runs while senior Maggy Sweet collected an RBI double.

Chelsea took an early lead but Tecumseh tied the score in the top of the fifth inning, 4-4. Chelsea's winning run came in the sixth inning as Amy Unterbrink walked and advanced to third on two sacrifices. With two out, Cathy Doll ripped the game-winning hit up the middle of the diamond to drive in the winning run. Chelsea advanced its record to 2-0 in the SEC having defeated the two strongest teams in the running for this year's championship.

On Friday, Chelsea faced a Dexter team that is in the middle of a rebuilding program and took an easy 8-3 win behind the excellent pitching of junior Donna Popovich who gave up just three base hits in going the full seven innings.

Chelsea collected 13 hits but left 11 runners on base in a game that was plagued by sloppy defense by both teams. Amy Hume pounded out three hits including a double while Cathy

Doll, Maggy Sweet, Donna Popovich and Kim Forner each had two hits.

On Saturday, Chelsea played two doubleheaders, facing Pinckney in two games in the morning and then coming back to meet Pioneer in the afternoon. In the first Pinckney game, Donna Popovich took the mound for Chelsea and defeated the Pirates in five innings, 10-0, posting Chelsea's first shutout of the year. Donna struck out seven Pinckney batters in just five innings of play, and gave up just one single in the fifth inning.

Leading Chelsea's hitting attack were senior catcher Shelly Weber with three hits, including a double, and senior centerfielder Maggy Sweet with three hits as well.

In the second Pinckney game, Margie Rawson started the game for Chelsea in her first varsity pitching start. Rawson pitched well but the Chelsea defense was a little weak behind her and, with Chelsea leading 6-7, Coach Waller brought on Amy Unterbrink to shut down the Pinckney hitters.

The Bulldogs went on to crush the Pirates with their bats, 21-9, as senior Lauri Cobb led the team's attack with three hits, including a double and a grand slam homerun. Amy Hume and Cathy Doll also had three hits each, while Hume and Unterbrink also hit homeruns.

In the first Pioneer game of the afternoon, Donna Popovich picked up her third win of the season as Chelsea defeated Pioneer 9-6 in a well-played game. Pioneer jumped on Popovich in the first inning, scoring five runs in what looked like a blow out for the Ann Arbor team. However, Popovich settled down and gave up just one more run, while the Chelsea bats continued to hum.

Celeste Powell started things in the first inning with a lead off triple from senior Debbie Copp and Amy Hume followed it with her second homerun of the day. Lauri Cobb and Amy Unterbrink each ripped three hits in the game, while Powell and Hume each had two. Unterbrink also had her second homerun of the day.

In the second Pioneer game, Amy Unterbrink opened on the mound for Chelsea and gave up just one run as the Lady Bulldogs put Pioneer away, 14-1. Unterbrink posted 10 strikeouts in the four innings and gave up just three hits. Margie Rawson finished the game on the mound, giving up just one hit and striking out two. "Rawson looked a little green in her first start against

NETTERS OF THE WEEK: This week's featured tennis players are junior Rob Moore and senior Bob Bentley, a doubles team that won against Jackson Northwest last week, 6-0, 6-2. In

addition, Bentley, playing singles, won 6-0, 6-1 against Saline while Moore lost his singles match, 3-6, 1-6 in the same afternoon.

Tennis Team Again Lacking Experience

The Chelsea varsity tennis team has played Saline and Gabriel Richard thus far this season. The team, made up of four singles and three doubles, has Bill Merkel playing No. 1 singles followed by Brett Knickerbocker (2), Mike Reid (3) and Rob Moore (4). The No. 1 doubles team is Damon Mark and Rod Worthing, undefeated to date after posting wins over Saline and Gabriel Richard. Tom Schumann and Kurt Eisenbeiser comprise the No. 2 doubles team and the third doubles team comes from any of four players: Bob Bentley, Craig Hinz, Greg Markle and Dan Waldyke. David Bareis and Brett Knickerbocker are the two new freshmen on the team this year.

Chelsea has managed to get only one point from both Saline and Gabriel Richard although the team is playing much better this year. Nevertheless, limited experience will hinder Chelsea's play.

On Wednesday, April 28, Chelsea defeated Jackson Northwest, 5-2. Rod Worthing played singles and won 6-2, 6-0, over Earl Schwabe. Damon Mark lost to Bill Fitch, 2-6, 1-6.

Bill Merkel won over David Mirafydi, 6-1, 6-4 and Mike Reid lost to Mike Wairmslayer, 1-6, 0-6.

In doubles, the team of Schumann and Eisenbeiser won over Davidson and Mueller, 4-6,

6-4 and 6-3. Hinz and Markle won over Parsons and Novak, 6-1, 6-4 and Bentley and Moore won over Sancha and Sunderson, 6-0, 6-2.

Chelsea lost by one point Thursday, against Saline, 3-4. Nevertheless, they gave it a good try and all of the doubles teams won to earn Chelsea's three points. All singles lost.

Chelsea played Howell Friday and again lost by one point, 3-4. The match could have been Chelsea's but the team lacked the necessary experience to win. Again, the No. 1 singles man, Bill Merkel, won and the No. 1 doubles team of Damon Mark and Rod Worthing took theirs. Craig Hinz and Greg Markle also won.

Softball Diamond Permits Available

Softball diamond permits for the diamonds at Beach Middle school and Chelsea High school are now available for pick-up at the Chelsea Community Education office, Monday through Friday between the hours of 9 a.m. and 5 p.m., and from 6 p.m. to 8:30 p.m.

These permits are available for organized practice and practice games and have been devised so that teams will be assured diamonds at their appointed practice times.

Thinclads 4th In Mason Invitational

Chelsea placed fourth out of a field of 11 teams during the Mason Invitational, a meet last week that was won by Class double AA Lansing Everett with 142 points. Chelsea earned 57 points at the contest.

Mark Brosnan set two school records, finishing first in the 2-mile run at 9:34.4 and second in the one-mile run at 4:25.2. Ken Nicholas continued his fine showings with a school and meet record of 157' 4 1/2" discus toss, win that event, and a personal best 51' 2 1/2" shot put to place fourth there.

Bob Benedict placed second in the 800 yard run with a personal best time of 1:59.8.

Other Chelsea placers included:

Discus: Todd Sprague, fifth, 133' 1/4".

High Jump: Daren Pierson, third, 6'.

440 Relay: Mike Hintzen, Tom Boyd, Kevin Richardson, Russ Ramsey, fifth, :45.8.

330 Low Hurdles: Mike Hintzen, fourth, :41.2.

Wrestlers Place In State Meet

In the state wrestling meet held last week-end at Grand Rapids Junior College, Chelsea's qualifiers, Rick and Rob Finch, ended their season with 8th and 10th place finishes in their respective weight classes.

Rick, wrestling in the 11- and 12-year-old category at 70 lbs., earned an 8th place finish while 90-lb. Rob took 10th place in the same age group.

Track Team 4th in Bishop Foley Relays

Running against some of the finest track competition in the state last Saturday, April 24, the Chelsea boys track team placed fourth in a field of 33 teams entered at the Bishop Foley Relays at Madison Heights.

The top six teams were Detroit Lutheran West, 67 points; Ecorse, 48 points; Oxford, 46 points; Chelsea, 44 points; Dearborn Robichaud, 32 points; and Marshall, 30 points.

"We ran very well considering the competition and the number of people we were missing for the meet," said Coach Pat Clarke of his teams efforts. "We took home 22 medals and that made all the guys happy," Clarke concluded.

Chelsea was led by the discus relay team of Todd Sprague, Ken Nicholas and Gar DeYoe, who finished first in a meet record of 380' 5".

Taking seconds for the Bulldogs were the four-mile relay team of Mark Brosnan, Del Magee, Allen Cole and Bob Benedict, setting a new school record at 19:03.3; the shot put relay team of Todd Sprague, Ken Nicholas and Mike Hintzen, with throws of 134' 6"; the distance medley relay team of Bob Benedict, Kevin Richardson, Del Magee and Mark Brosnan, setting a new school record at 11:07.1; and 440 baby whale relay (shot putters) team of Mike Hintzen, Russ Harris, Ken Nicholas and Todd Sprague, at 48.4.

Earning third place medals was the two-mile relay team of Bob Benedict, Dave Kies, Del Magee and Mark Brosnan with a new school record of 8:25.4. A fourth-place medal was earned by the 440 relay of Mike Hintzen, Toby Boyd, Kevin Richardson and Russ Harris, turning in a combined time of :45.6.

Track Team Wins Over Dexter, 74-58

Chelsea's boys track team downed a tough Dexter squad, 74-58, on Tuesday, April 27, using over-all team depth to earn the win.

"It wasn't the prettiest victory, but it was a hard-fought win," said Coach Pat Clarke. "Mike Hintzen ran very well, setting a school record :40.8 in the 300 meter low hurdles and ran his best high hurdle time ever of :15.6 but he still only took two second places. Dexter has some fine senior athletes on the team," Clarke concluded.

Leading the way for the Bulldogs were the distance runners who swept all the places in the 1600 M run and 3200 meter run; and went 1-2 in the 800 M run.

Mark Brosnan led the charge, placing first in the 1600 M (4:42), 3200 M (10:14) and second in the 800 M (2:03.9). Teammate Bob Benedict won the 800 M in a fine time of 2:02.8.

The 400 meter relay continued its winning ways at :46.0. The team is made up of Mike Hintzen, Toby Boyd, Kevin Richardson and Russ Ramsey.

David Wojcicki returned to ac-

tion just in time to win the pole vault at 10'.

Senior high jumper Darin Pierson jumped well in winning his specialty at 6'.

Todd Sprague captured the shot put at 47' 8 1/2". Chelsea record is now 4-0 overall and 2-0 in the Southeastern Conference.

Other Bulldog placers included Ken Nicholas, second in the discus at 135' 1" and Todd Sprague, third, at 119' 9"; Ken Nicholas, third, shot put, 40' 7 1/2"; Randy Krichbaum, second, high jump, 5' 6"; Toby Boyd, second, long jump, 18' 7 1/2"; Jeff Lantis, third, pole vault, 9' 6"; Russ Ramsey, second, 100 M dash, :11.2; Randy Krichbaum, third, 100 M dash, :11.5; Bob Benedict, second, 1600 M run, 4:49.4; Dave Kies, third, 1600 M run, 4:54.4; Garrett Carlson, third, 400 meter, :54.9; Darin Pierson, third, 300 M low hurdles, :42.3; Toby Boyd, second, 200 meter dash, :24.2; Kevin Richardson, third, 200 meter dash, :24.3; Allen Cole, second, 3200 meter run, 10:59; and Jared Bradley, third, 3200 meter run, 11:11.

The Chelsea hitting attack was a little weaker against the slower Pioneer pitchers, but Shelly Weber continued to rip the ball with two RBI singles and a beautiful drag bunt for a single. The Chelsea varsity softball team now has a 7-0 record on the season.

Emergency Reactions

How much time do you have to react when you're faced with an emergency traffic situation? Researchers at the University of Southern California studied more than 900 motorcycle accidents to learn that riders, on the average, had less than 1.9 seconds to respond. And, during that 1.9 seconds they had to see the threat, decide how to handle it and carry out their decision properly.

In Memoriam 17

IN MEMORIAM

In loving memory of our beloved husband and father, Waldo (Poppy) B. Steinaway, Sr., of Harrison, Mich., who passed away 1 year ago, April 30, 1981. Broken in the family circle, our dear one is passed away. Passed from earth and earthly darkness, into bright and perfect day. But we all must cease to languish o'er the grave of him we love. Strive to be prepared to meet him, in the better world above. Sadly missed by his wife, Mary Ellen, and children.

Free Booklet Offered on Spring Lawn Care Tips

If you want a thick, green, healthy lawn this year, the time to get started is right now. According to the U.S. Department of Agriculture, late winter or early spring is an excellent time for an application of lime. The freezing and thawing that takes place at this time of year helps the lime penetrate better into the soil. So if it's been five years or more since your lawn was last limed, now is an ideal time to do it.

It's also not too early to plan an over-all program of lawn improvement and maintenance. A useful guide is the booklet, Spring Lawn Care. It's free from the Consumer Information Center, Dept. 537K, Pueblo, Colo. 81009.

Almost every lawn can benefit from a spring treatment of fertilizer. But make sure it's a light application—no more than five to ten pounds of fertilizer per 1,000 square feet. Once warm weather returns, a certain amount of natural fertilizer will become available through the breakdown of dead leaves and grass roots. The combination of this natural material and what you apply could overstimulate your grass with nitrogen, leaving it more susceptible to fungus diseases.

J. Dobson's Books Contributed to McKune Library

The "Focus on the Family" series, sponsored by the Chelsea Ministerial Fellowship earlier this year, was well received. Each of the seven film showings was well attended and many persons purchased books by the films' speaker, Dr. James Dobson.

Since that time, the Chelsea Ministerial Fellowship has made Dr. Dobson's popular writings available to the community by contributing seven books to McKune Memorial Library. Among them are *The Strong-Willed Child: Birth Through Adolescence, Dare To Discipline, Discipline With Love, Preparing For Adolescence, Hide Or Seek, Straight Talk To Men And Their Wives, and What Wives Wish Their Husbands Knew About Women.*

STORY TIME: Reuben Lesser, Sr., and Dahue Riker are entertained by kindergartners testing their oral reading abilities during Men's Day activities at the Chelsea Senior Citizens Activity Center.
