## Fire Destroys G. Macomber Dairy Barns

Fire swept through the barns on the George Macomber dairy farm in Manchester township, Tuesday, May 18, leaving behind smoldering buildings and an undetermined amount of damage out, with the quick thinking of eight-year-old Jody Macomber, granddaughter of the dairy farm owner, no lives were lost and the fire was, after three hours, brought under control by seven fire departments and 100,000 gallons of water.

The fire broke out in one of the barns after an employee, who was hauling manure out, left a miniature four-wheel-drive tractor running inside while he stepped out for a moment. Upon his return, the barn was on fire and Jody Macomber was there first to spot it at approximately 5:40 p.m. She immediately ran for help and firemen began arriving shortly after 6 p.m.

The seven fire departments called to assist included Manchester, Chelsea, Sand Lake, Irish Hills, Dexter, Clinton and Napoleon. Two Manchester firemen, Don Smith and Brad Roberts, were taken to Chelsea Community Hospital suffering from smoke inhalation and were reported in stable and good condition, respectively, Wednesday.

In the blaze one prize bull and 30 heifers were lost while all that remained following the blaze was the silo, charred hay and the structural exterior of the barn.

At the time of the fire, Macomber's sons, George Jr. and Carl were managing the farm, while their father recovered from a recent heart attack. All are partners in the dairy endeavor.

The exact cause of the tractor fire and subsequent barn fire remains under investigation.

CERTIFICATE OF MERIT after just one year in operation, Chelsea's Sir Pizza received recognition for cleanliness and sanitary operations last Friday from Washtenaw County Board of Health chairman Bill Rademacher. Accepting

the award were owners/operators Bob and Juanita Murphy. Other area establishments receiving awards included Stivers and Chelsea Woodshed.

## Civic Foundation Gains 28 Members In First Week

The new Civic Foundation of Chelsea has accepted 28 founding members to date.

The first founding members to join the new Foundation were Charles and Ruth Cameron.

Leading citizens of the Chelsea area are being approached to become founding members of the Foundation.

The Foundation has been established in order to raise funds in the community and to finance community projects which are not now fundable by existing sources.

A temporary committee is currently approaching potential founding members of the Foundation. The committee consists of Art Dils, chairman; James Brown; Charles Cameron; Marilyn Chasteen; Thomas Eisele; Dudley Holmes, Jr.; Willard Johnson; Helen Lancaster; Paul Mann; Jack Merkel; Robert Merkel; the Rev. John Morris; Ronald Olmsted;

George Palmer; Kay Poljan; Jackie Rogers; Shirley Schaible; Ray Van Meer; and Joan Wolf.

Founding members, who contribute \$50, will elect the officers and Board of Trustees of the Foundation.

The Civic Foundation of Chelsea is a non-profit organization and contributions are tax deductible.

"We are extremely delighted with the response this week to our efforts to obtain founding members," said Art Dils, chairman of the temporary committee. "Obviously the people of Chelsea are very interested in their community and want to help make it a better place to live and work."

Efforts to secure Foundation founding members will continue for the next several weeks.

Interested persons should contact any member of the committee or Art Dils at 994-3904.

## C. of C. Members Hear Jim Smith

Chelsea Area Chamber of Commerce members heard Jim Smith, the former University of Michigan football star and Pittsburgh Steelers wide receiver, Tuesday night, May 18, at their regular quarterly meeting.

In addition to a current Chamber business report, members heard "Officer" Jim

Smith, who is working with the Washtenaw County Sheriff Department for the summer, tell how his special Community Relations Department is working to improve Sheriff-community relations. He reported that his Department is putting particular emphasis on young people, trying to increase information about

## Lumber Co. Move Making Progress

The planned relocation of Chelsea Lumber and the take over of the lumber company's facilities by Chelsea Milling, announced last July in a joint agreement by both firms, is in the final planning stages as all necessary permits were acquired as of last week, according to Bob Daniels of Chelsea Lumber.

During the week of July 6, 1981, all necessary paperwork was filed with the Sylvan Township Planning Commission, stating proposals and requesting a public hearing and other steps pertinent to the rezoning of land owned for many years by Robert and James Daniels and located on Old Manchester Rd., where the lumber company planned its relocation.

Since that time, the paperwork was filed and accepted by both the Sylvan group and the Washtenaw County Metropolitan Planning Commission and the township also accepted the final rezoning plan. According to Daniels, each step of the way has moved smoothly and all involved agencies have been most cooperative.

The next step in the eventual relocation is the final site plan approval by Sylvan township. This could occur within two or three weeks. Thereafter, groundbreaking and construction could get underway as early as next month.

## Need Early Copy For Holiday Week

Because Memorial Day falls on Monday, May 31, our usual press day, the June 1 issue of The Chelsea Standard will be printed earlier.

It is therefore necessary to advise the advertising and news deadlines. Display advertising for the week of June 1 will be accepted until 5 p.m. Wednesday while classified ads will be taken until 5 p.m. Thursday. All news copy should be turned in to The Standard office no later than noon Thursday.

Thank you for your cooperation. Have a safe and pleasant holiday.

RESTAURANT HONORS for maintaining clean and sanitary food service operations were presented last Friday by the Washtenaw County Health Department to three area food establishments. Earning the Certificate of Merit

for the first year were Stivers and Sir Pizza. Chelsea Woodshed earned its second consecutive award. Displaying their certificate at Stivers are Guy Stiver and Lola King.

## Food Service Businesses Receive Health Department's Certificate of Merit Award

Forty-four food service establishments were honored by the Washtenaw County Health Department at the Board of Health meeting Friday, May 21.

Certificates of Merit were issued to the food service establishments for maintaining clean and sanitary operations.

Area restaurants receiving the Certificate of Merit include, for the fourth year, Palomino Inn, Manchester; two-year recipients Walco Foods, Inc. of Dexter, Chelsea Woodshed, Inc., and Village Pizza, Manchester.

Food establishments receiving the award in 1982 but not in 1981 include Stivers and Sir Pizza, of Chelsea, and the Manchester Deli.

From the restaurant goer's point of view, this means that the establishments are clean, that hot foods are kept hot, and cold foods kept cold. In addition, restaurant employees practice good personal hygiene.

A major criteria for eligibility for the award is that no documented cases of food borne illnesses have been traced to the establishment during the past year.

Typically, county food operations are inspected twice per year as required by state law. However, the 44 award recipients, as a result of the high standards they have maintained for at least two inspections, have

demonstrated they can maintain a high level of sanitation with only one inspection annually. The Certificate of Merit is accompanied by a reduced inspection fee.

There are 725 licensed food service establishments in the county; they vary in size and menu, from the full service restaurants to the fast food establishments.

Because of the wide variation in the sizes and types of licensed establishments in the county, the definition of what constitutes "excellent operation" varies. A fast food operation must be at least 95 percent in compliance with state and county food service rules, while a full service restaurant must achieve a 90 percent merit score.

The presentation of Certificate of Merit awards was initiated by the Washtenaw County Health Department in 1978 to recognize those establishments meeting the highest standards.

Just because a recipient won an award before, does not mean the establishment will receive an award in 1982.

Twenty of the 1982 recipients did not receive the award in 1981. Ten are receiving the award for second consecutive year; four have received the award for three years; and 10 establishments have won the award each for the four years it has been issued.

Sanitarians not only cite violations during inspection visits but also educates food service operators about the public health significance of and the means for correcting violations.

## Howdy Holmes Qualifies for Indy 500 Race

Qualifying for the 1982 Indianapolis 500 at 194.468 miles per hour, Howdy Holmes was rated as the 18th fastest driver on the first day of time trials at the Indianapolis Speedway last week.

He qualified in a March-Cosworth and will take part in the classic race after more than a year in retirement following an accident during practice at Ontario, Calif., during the 1980 season.

Holmes, the son of Mr. and Mrs. Howard Holmes of Chelsea, was the first rookie to qualify for the 1979 Indianapolis 500. He finished seventh over-all.

## Memorial Day Services Set For Monday

Memorial Day services to honor deceased war veterans will begin at 9:30 a.m. Monday, May 31, when veterans, school bands, officials and residents gather to parade through village streets enroute to Oak Grove Cemetery. Herbert J. McKune American Legion Post No. 31 will be one of thousands of American Legion and Auxiliary organizations throughout the United States which will lead local Memorial Day observances. Similar services will be conducted in American overseas military cemeteries.

Parade participants are expected to meet at the municipal parking lot at 9:30 a.m., where they will assemble for the 10 a.m. step-off under the guidance of Parade Marshal Pat Merkel. Sergeant of the Guard will be Don O'Dell. According to Merkel, all veterans are invited to march in the parade.

Led by color guards of the American Legion and Veterans of Foreign Wars, the parade will follow Main St. to Park, Park to East, East to Middle and Middle to Oak Grove Cemetery. Following behind will be a firing squad and Chelsea veterans.

Bill Gourley will direct the Chelsea High school band, which will provide marching music for Boy Scouts, Girl Scouts, Cub

Scouts, Brownies and members of the Chelsea Charms Baton Twirling Corps, who will march behind the cars of Memorial Day speakers.

Beach Middle school band, under the direction of Warren Mayer, will be next in the parade, followed by children walking and riding decorated bicycles.

Upon arrival at Oak Grove Cemetery, memorial services for past American veterans will be held. Master of Ceremonies Jim Knott will open the services, followed by an invocation by the Rev. Erwin R. Koch of St. Paul United Church of Christ. The American Legion Auxiliary will then place a wreath in memory of those who died in American and foreign wars.

The Memorial Day services will continue with a selection from the high school band and an address by U.S. Army Major Robert McKenzie, Chelsea resident and Military Science instructor at Eastern Michigan University.

Concluding the service will be a salute from the firing squad, taps and the national anthem, played by both bands. A benediction by the Rev. Koch will end the ceremony.

The parade will then reassemble, head back to the village and disburse.

## Choral Concert Slated Thursday

"If The World Learned To Sing," will be presented by the CHS choral department Thursday, May 27, at 7:30 p.m. in the Chelsea High school auditorium. The department is under the direction of Tamara Barbret.

The following songs will be performed by the SSA choir: "Carry My Love," "If The World Learned To Sing," "Fawn's Lullaby," and "If I Loved You."

SATB choir will be singing "Everything's Coming Up Roses," "If Only You Believe," "We Are Many, We Are One," and "A Time For Us."

The Contemporaries' performance will include "Take My

Hand," "My Prayer," "Faint," and "Out Here On My Own."

During a slide show, the song, "I Am But a Small Voice," will be sung by the three choirs combined.

The program will also include many small ensembles of students who have worked hard in performing songs that they've worked on outside of the classroom.

The Community Choir will sing two songs, "Amazing Grace," and "Sing We and Chant It," under the direction of Jeanette Tracy Brock.

All of these groups have put a lot of effort into making this concert a very entertaining one.

## 'My Fair Lady' Rehearsals Begin

Auditions are complete and rehearsals are underway for that magnificent blend of wit, rhythm and high spirits, "My Fair Lady," being produced by the Chelsea Area Players and scheduled to run July 15, 16, 17 and 18.

Ric Foytik, owner/operator of Ricardo's, and Rebekah Smouse, an Ann Arbor resident and junior at Huron High school, will star as Henry Higgins, the arrogant phonetics professor, and Eliza Doolittle, the dainty flower girl turned ballroom princess.

Eliza's rascally, rabble-rousing father, Alfred Doolittle, will be played by Joe Diederich, who made his Chelsea Players' debut as Emile de Becque in last summer's performance, "South Pacific."

Colonel Pickering, the cool observer, which whom Higgins bets that someone with the likes of Eliza could in fact become a dignified lady, is played by John Williams.

Mark Taylor portrays Freddie Eynsford Hill, the bumbling fellow who falls head-over-heels in love with Eliza.

Julie Vorus will be seen as Mrs. Higgins, the professor's aristocratic mother, and Hean Stanley will be Mrs. Pearce, his firm yet gentle housekeeper.

Performers of other speaking parts and chorus members include Martha Moore, Tom Mull, Carrie Parkins, Bob Penskar, Pat Powers, Jan Reizenstein, Beverly Slater, Mike Smith, Barbara Steer, Art Steinaway, Mark Steinaway, Jerri Trotter, Sue Williams, Jeremy Wolf, Jason Wolf, Joan Wolf, Joey Wolf, Brenda Beaver, Doug Beaumont, Thad Bell, Ben Bower, Edith

Brooks, Vivian Cleveland, Connie Dault, Susan Faulstick, Becky Finch, Paula Haist, Georgeette Hanson, Paula Hartman, Ruth Kenny, Dave Lanberson, Laura Lamberson, Lisa Lamberson, Marge Lewis, Mike Long, Don Matchek, June Liesman and Mary McCallum.

The show's rollicking scenes and songs are being directed by Jeanette Tracy Brock—artistic director. Caroline Bertrand will serve as musical director while Sue Bayer will be choreographer. Mike Sharp will serve as assistant director while Brian Myers will serve as technical director.

Costumes, ranging from the Cockney street garb to the elegant ascot, race and magnificent embassy ball, will be designed by Jim McGough and Mary Eddy.

The Chelsea Area Players encourage the public to take part in the same jubilation that makes Eliza sing "I Could Have Danced All Night," by attending the play and afterward following the opening performance. The afterglow will be held at the home of Mr. and Mrs. William Rosenberg.

## Spring Art Show Slated June 1st at Beach School

Beach Middle school will host its Spring Art Show Tuesday, June 1, from 7 p.m. to 8:30 p.m.

Featured at the exhibit will be drawings, paintings, constructions and sculptures, tooling and pottery. Students have been busily preparing displays and finishing projects in anticipation of this yearly event.

**Week Economy Leads to Downgrading of State Credit Rating**

Even though the Legislature approved the controversial six-month income tax increase, a weak economy has dropped Michigan's credit rating to the lowest of any state, meaning it and most local governments and schools will pay higher interest rates on the money they need to borrow.

Also for the state, it means it will have to delay payments to schools, colleges, and local governments this fall if it is unable to recapture a higher rating for its short term notes.

State Management and Budget Director Gerald Miller said the delay or revised schedule of payments, if necessary, would likely mean "payless paydays in some schools or governments which already have precarious budgets of their own."

He said the reduced credit standing by Moody's Investors Service of New York, would mean interest rates on borrowed money will be one-half to one percent higher than with the prior rating.

Clair Cohen, vice-president for municipalities at Moody's, said Michigan's high unemployment and weak economy, which have existed longer than in other states, were the primary reasons for rejecting the state's appeal on the lowered ratings.

The new ratings are Baa-1 for the state over-all and Baa for the state building authority, both down from A, and MIG-3 for state short term notes, down from MIG-2. The preliminary ratings for the state itself had also been Baa, but it was raised the half step to Baa-1 following the appeal.

Although the ratings were dropped, Cohen said the Legislature's enactment of the temporary income tax "certainly was a consideration. The state had to make some choice to balance the budget, but it was applicable only to this year."

And she said in many ways, the situation is out of the hands of state officials. "It is a national problem and Michigan is the most severely affected state. Certainly Michigan has no control over federal policies and interest rates. The deterioration in Michigan has been going on longer and it is deeper."

Moody's also recently has dropped ratings of Minnesota and Washington states.

Cohen also said Michigan fared worse than other states hard hit by high unemployment and a generally weak economy because the revenue levels were not at the level that were budgeted and the state has higher month-to-month cash deficits than any other state. Governor William G. Milliken.

although expressing disappointment with the action of Moody's, said it was not a reflection on the management of state government.

"Their decision again points up the need for us to pursue aggressively our efforts to revive the Michigan economy through economic development efforts," he said.

Despite the dropped ratings, Miller said officials will try in September to regain the MIG-2 rating for a new \$500 million short term note needed to meet early cash commitments to schools, colleges, and local governments.

He said his hopes rested on a slight improvement in the economy and passage of a conservative budget which contains a slight surplus.

Miller added the governor would soon submit a substantially revised 1982-83 budget proposal which makes his January recommendations inoperative. He said state services would be cut and some additional state layoffs may be required.

**Uncle Lew from Lima Says:**

DEAR MISTER EDITOR:

They final done it, Bug Hookum announced early in the session at the country store Saturday night. They final said ever blessed thing fit to eat is hazardous to your health. Now Bug lamented, a feller can't even toast his breakfast bread.

This report Bug had saw from Kansas State University says toasting "robs bread of 20 percent of its protein." Best eat it plain, and don't eat white made from flour with all the good stuff bleached out. So what we've got, Bug said, is a ration of dry bread and water without the water, cause with all the treating chemicals and acid rain you can't be sure about the water.

Practical speaking, Bug declared, the feller that looks forward to breakfast eat not only the first, but the best meal of the day with got a chance. First they took away the eggs, then the bacon. If it wasn't the cholesterol it was the nitrates. Then the waffles and pancakes had to go cause they're under all that oozing bad butter and delicious dangerous surp. The doughnuts was just more sugar that was almost as mean as the sacharin we tried to use in the coffee. They cut us down to black coffee and said the caffeine was bad fer the heart. And if you had any idee of drowning your sorrow in a juicy steak at supper, you got to remember that red meat will be the ruination of this country, was Bug's words.

The fellers come to Bug's rescue, Clem Webster said if you foller the doctors and the food experts you'll learn quick that eating to live is as big a risk to life as living to eat. Clem said the longer he lives the less attention he pays to advice on living. He had saw a report where mistakes in giving medicine in hospitals run as high as 12 percent, and in a 300-bed hospital you're talking about 130,000 wrong doses a year. When a hospital patient's life is riding on a period in front or

behind a number scrawled on a bottle, Clem said, you realize staying alive is mostly blind luck anyhow, so you might as well eat and drink and hope fer the best.

Zeke Grubb was agreed. He said figgering health foods was like this Yale professor figgering intelligence. Zeke had saw where the sychology professor is asking what intelligence is, and he's gitting all kinds of answers. One says it's reasoning, another thinks it's adjusting to the environment, and 140 other professors favored being able to read and write clear. Zeke said all that was to rich fer his blood, but fer his money he'd take a feller that could fix a flat over one that could tell you in six languages how it got that way.

Zeke's motion carried, Mister Editor. Ed Doolittle allowed there's no figgering intelligence of a people that will promote the sale of whisky and cigars and promote cures fer drinking and smoking just as hard. Now, Ed allowed, he even has saw Montana does the same thing with marriage. It charges \$30 fer a license, and spents \$14 of the fee on programs to keep the wife from gitting beat up.

Yours truly,  
 Uncle Lew.

### Black Sheep Plans June Production Of 'Rose Marie'

The grand saga of the great Canadian Northwest, "Rose Marie," will be presented by the Creative Acting Company at the Black Sheep Repertory Theatre of Manchester for the month of June. Performances will be Thursday through Saturday evenings at 8:15, and Sunday at 4 p.m. for four consecutive weekends beginning Friday, June 4. There will be an opening night wine and cheese party in the theatre, free to all patrons, when the house opens at 7:45 p.m.

"Rose Marie," by Otto Harbach and Oscar Hammerstein, music by Herbert Stothart and Rudolph Friml, is the story of the beautiful young Rose Marie, her love for the fur trapper, Jim Kenyon, and the evil plots of the sinister banker, Edward Hawley, to separate her from her love. Yet Sergeant Malone of the Royal Canadian Mounties comes to the rescue, and wins a love of his own while he saves the day.

Romantic ballads such as "Indian Love Call" highlight the action, recalling the original portrayal of Rose Marie and her love by Jeanette McDonald and Nelson Eddy.

The cast, featuring Creative Acting Company veterans George Bufford, John Love, Alene Blomquist, Darryl Smith and Scott MacGriff, also includes new members in Ann Arbor: Jerry Kilne, Susan Ostrow, and Dawn Kpeler. The company is introducing, also from Ann Arbor, Ms. Susan Shuttleworth in the title role as Rose Marie.

The production will be directed by Mathew Thornton, of Manchester, with musical direction by Mary Sue Moore. "Rose Marie" is a wonderful story, says Thornton, "it has suspense, intrigue, comedy, fantastic music, and best of all, true love. This is the original—where all the cliches came from."

### Mothers Day Recognized at St. Mary's Church

On Sunday, May 9, a card with the words "We honor the dignity of motherhood and the sanctity of life," was handed out to all mothers, as well as a carnation to each, during masses held on Mother's Day at St. Mary's Catholic church.

This honor was made possible compliments of St. Mary's Senior Citizens and Bill Nilon, owner of Chelsea Big Boy. The carnations came from Chelsea Greenhouse and the printing of the cards was made possible by Bob Warner.

Everyone was appreciative of the thoughts and happiness that the Mother's Day acknowledgment brought.

### Homemaker Club Elects Officers For Next Year

Members and guests of the Homemaker Club met at the Waterloo Nature Center Thursday evening, May 20. Tom Jameson gave a very interesting program on edible wild plants. Following his fine slide presentation, the group enjoyed looking through his large selection of books and a taste of nature's delicacies prepared by him.

A short business meeting followed, at which time the Homemaker Club presented a donation of \$500 to the Nature Center. Carol Strahler accepted the check.

Election of officers for the 1982-83 year followed. The new officers will include Dee Dee Koenigter, president; Arlene Bareis, vice-president; Mary Gaken, secretary; Else Heller, treasurer; and Debbie O'Connor, reporter.

The family picnic will be held Sept. 19. Jean Satterthwaite will host the Sept. 23 meeting.

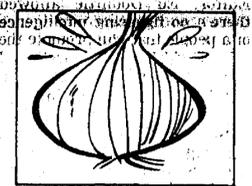

### William Wetzels Are Honored on 25th Anniversary

A party was given in honor of William and Rita Wetzel's 25th wedding anniversary on Saturday, May 15. It was held at the home of Norman and Sally Wetzel of Half Moon Lake.

Forty guests enjoyed music and slides of the wedding.

The Wetzels have three sons, David, Douglas and Daryl and one granddaughter, Jacia.

They are the owners of Pro-matic Machine Shop, Dexter.

# Jaycees Install New Officers

Earlier this month, the Chelsea Jaycees, at a special awards banquet, hosted by Art and Ann Steinaway, passed the leadership roles to the new board for the 1982-83 season. Jerry Martell completed an excellent year as president and passed the gavel to Wendell Wagner, the incoming president. Randy Dougherty was sworn in as community action vice-president; Al Thompson, individual development vice-president; Harold Allen, ways and means vice-president; and Phil Weis, chapter treasurer.

Under Jerry Martell's leadership, the Chelsea chapter provided many new community projects and experienced a growth in membership including several young men from the community who will continue the projects Chelsea residents have enjoyed for several years.

Along with several internal awards and a few gag presentations, the following members were recognized:

Phil Weis, board member of the year; Al Thompson, spark award; Wendell Wagner, chairman of the year; Randy Dougherty, 1982 spoke award. Don Davis was awarded the Key Man designation and vice-president of the year for his leadership and work as ways and means director.

Harold Allen received the highest award in the chapter for the 1981-82 year, the Jaycee of the Year award because of his outstanding participation in almost every project and the development of the annual Chelsea Scenic 6 and 2 Mile Run.

In recognition for the help the Jaycee Auxiliary extended on many activities and several community projects, Denise Martell was presented with the 1982 Suzie Award.

The Chelsea Jaycees are in their 29th year of community service.

## Social Services Helps People in Times of Crises

Chelsea Social Service workers encourage Chelsea School District residents to make use of their services.

The high unemployment rate, decreasing funding for Federal and state programs and other problems caused by a deep recession have resulted in new family concerns never before encountered.

If you or persons you know are looking for help to relieve financial crisis or other personal life crises, the Chelsea Social Service staff can aid you in finding help quickly. The office hours are Thursdays, 10 a.m. to 4 p.m., but workers may be called at home if there is a real need. One of them will either set up appropriate help by phone or meet the person at the office by special appointment.

Telephone numbers include the Chelsea Social Service office: 475-1581; Linda, after 5 p.m., at 475-7405; or Jackie, before 3 p.m., at 475-1925.

Some \$14.9 billion in unemployment benefits was paid to nearly 9 million persons during the 1981 fiscal year, according to the 69th Annual Report of the U.S. Department of Labor.

## Area Students Enter Nursing Honor Society

Twenty-three nursing students were inducted into the Honor Society of Nursing at Eastern Michigan University recently in ceremonies held at the Briarwood Hilton, Ann Arbor.

Among those earning recognition were seniors Tacy Cobb of 13877 Old US-12, Chelsea, and Mary Jane Roth, 6420 Scully Rd., Dexter, and junior Pamela Lovell, 3512 Central, Dexter.

The purposes of the Honor Society are recognition of superior achievement, recognition of the development of leadership qualities, fostering of high professional standards, encouragement of creative work and strengthening commitment to the ideals and purposes of the nursing profession.

The EMU society's 1982-83 officers are president Cathy Wrotny of Ann Arbor; vice-president Carol Elfiring of Ann Arbor; recording secretary Sally Vukasovich of Ann Arbor; corresponding secretary Robert Ferns of Ypsilanti; and treasurer Adele Rittmueller of Ann Arbor. Sister Virginia Skurski of Dearborn Heights is the society's faculty advisor.

## 'See Nature By Bike' Program at Hudson Mills Park

"See Nature by Bike," a special family nature program will be held at Hudson Mills Metropark near Dexter/Ann Arbor on Saturday, June 5, at 9:30 a.m.

Naturalist Julie Cerbus will conduct a tour along the paved Bike Trail to observe plants and animals in the park. Persons should provide a bike and meet at the nature trail sign at the Oak Meadows Picnic Area parking lot.

This program is "free," however, advance registration is required.

For information/registration, contact the Nature Center at Kensington Metropark - Phone 685-1561 (Milford).

A vehicle entry permit is required (Annual: regular - \$7, senior citizens - \$2 or daily - \$2).

# School Board Briefs

**Question:** With the Reagan Administration's desire to deregulate the oil industry, I am concerned that drilling may be attempted in the Great Lakes. I would like to state that I am opposed to any drilling in the lakes and wish to know your opinions on the matter.

**Governor:** I have opposed drilling for oil and natural gas in the waters of the Great Lakes throughout the 14 years of my administration. There are far too many unanswered questions about the impact of spills in freshwater systems for us to run such a risk. The Great Lakes represent one of our greatest natural resources—one that sets Michigan apart from any other state.

Present at a regular meeting of the Chelsea Board of Education Monday, May 17, were Feeney, Schumann, Dils, Heller, Snyder, Comeau, Grau, Superintendent Van Meer, Assistant Superintendent Mills, Principals Williams, Conklin, Benedict, Wojcicki, Assistant Principal Vogel, Community Education Director Rogers, Athletic Director Nemeth, guests.

Meeting called to order at 8 p.m. by President Ann Feeney. Board approved the minutes of the May 3, 1982 meeting.

The Board approved election inspectors for the annual school election to be held June 14.

The Board called a special meeting for May 26 to receive bids on the borrowing of \$475,000 against 1982-83 tax levy.

The Board accepted, with regret, the resignation of Florence Hakala. Florence is a second grade teacher at North school, and has taught in the Chelsea School District since September, 1955.

The Board approved textbook purchases for high school courses in biology, physics, Spanish, French, and home economics.

The Board appointed Emille Polens to the Washtenaw Intermediate School District Parent Advisory Committee for Special Education.

The Board approved an administrative recommendation to sell a Royal Zenith printing press located in the high school's graphic arts classroom for the price of \$2,500.

The Board approved a resolution honoring the forensics team and its instructor, Bill Coelius, for winning the state championship.

Sherrill Pryor, High School Media Specialist, presented a report on career education. She reviewed the workshops that teachers had attended, the job shadowing project, and the union of catalog materials pertaining to career education.

The Board heard a curriculum report presented by Susan Harris, currently on lay-off status but hired to co-ordinate the committee's work in language arts, social studies and science. Susan explained the behavioral objectives which are the goals for students, and what they are expected to learn at each grade level. The review of the curriculum is to avoid any gaps and excess repetition as students progress from grade to grade.

The Board heard a second report on fund raising from Ron Nemeth, Sam Vogel and John Williams. There will be further recommendations pertaining to fund raising, booster groups, and a procedure for the Board's acceptance of donations from groups.

Superintendent Van Meer gave a legislative update pertaining to the county assessment versus state equalized valuation, and the financial implications of the outcome of that litigated case.

Superintendent Van Meer reviewed with the Board the millage committee structure.

Wednesday, June 2, at noon, has been designated for the Exemplary Employee Awards Luncheon to be held in the Board Room. Additionally, the Board will honor employees who retired in the years 1977 and 1982.

Meeting adjourned at 11 p.m.

# Vocational Educators Meet With Employers

Forty-five area employers and educators met earlier this month for an "Employer Education Breakfast" sponsored by the South and West Washtenaw Consortium. Participants represented the schools, chambers of commerce and employers from the five municipalities of Chelsea, Dexter, Manchester, Milan and Saline.

Rodney Benson, executive director of the Greater Ann Arbor Chamber of Commerce, stressed the importance of people and their education in the current local and state push in high tech industry. Benson praised the work of the Consortium in vocational education and for bringing together employers and educators. Partnership of business and industry with vocational education is critical for all.

Employers received information on the vocational education consortium of the five local schools and heard from two of their own as they explained the value of their involvement with vocational education. Ms. Jan Fyall, personnel specialist for Bechtel Power Corp., spoke on the employment of drop students, and Bruce Blankenship, personnel director at Braun-Brumfield, Inc., explained how involvement on vocational advisory committees allows for input in vocational programs. Both firms actively use co-operative education students and employ vocational education graduates.

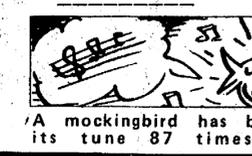

Certificates of appreciation for outstanding contributions to vocational education were presented to 10 individuals nominated and selected by the schools. Among them were Barbara Steele of Chelsea Communi-

ty Hospital; Dick Lundy, Control-O-Mation; Richard Sarns and Leonard Knoedler, Sarns, Inc.; Bruce Blankenship, Braun-Brumfield, Inc.; Tom Carbeck, Universal Building Components; Dick Breedveld, Breedveld's; Judy Ivan, Saline Community Hospital; Ted Hanss, Hoover Universal, Inc.; and Doug and Elgin Darling, Darling Farms.

The certificates were jointly presented by the Michigan Department of Education and the National Alliance of Business and Industry.

## Pinckney Area Youth Participates in Marine Training Exercise

Marine Lance Cpl. Jordan E. Hannah, son of Barbara J. Horner and stepson of Russell Dr. Horner both of 3390 Orchard Dr., Pinckney, recently participated in a "Combined Arms Exercise" at Fort Pickett, Va. He is a member of 2nd Battalion, 4th Marines, Camp Lejeune, N.C. The two-month exercise combined the various weapons of the Marine Corps arsenal. His unit participated in live-fire exercises involving the use of tanks, artillery, tracked vehicles, air support and individual weapons. A 1980 graduate of Pinckney High school, Hannah joined the Marine Corps in August 1980.

# USDA Extends Maturity Date on '81 Crop Loans

Producers with 1981-crop corn and grain sorghum commodity loans now have the option to extend their loans for an additional six months, according to Earl Doletzky, chairman of the Washtenaw County ASC Committee.

"This option is being offered because prices for these commodities are currently low," Doletzky said.

All producers with outstanding loans on these commodities are eligible, he said.

Extended 1981-crop loans will continue to bear interest at the rate applicable to the loan. Interest on 1981-crop loans is calculated to reflect the U. S. Department of Agriculture's cost of borrowing money from the U. S. Treasury.

Producers wishing to extend their loans should contact their county office of USDA's Agricultural Stabilization and Conservation Service, Doletzky said.

As anyone who's tried to stick to 1,000 calories a day knows, it's the main dishes that often take up most of those calories. Using eggs for main dishes, however, gives you plenty of high-quality protein without a heavy calorie cost. Two large eggs provide about a third of the recommended daily amount of protein, and plenty of vitamins and minerals, for only about 160 calories.

# VILLAGE OF CHELSEA NOTICE OF PUBLIC HEARING ON INCREASING PROPERTY TAXES

The Village Council of the Village of Chelsea will hold a public hearing at 7:30 o'clock P.M. on Tuesday, June 1, 1982 in the Council Chambers of the Municipal Building, 104 East Middle Street, on the proposed 1982 Village tax levy.

The Village has not increased its operating tax rate for village general purpose and the library for the past 3 years, but in fact has decreased this operating tax rate from 8.66 mills (\$8.66 per \$1,000 SEV) to 7.60 mills (\$7.60 per \$1,000 SEV). Because of an increase in the State Equalized Value of existing property in the village, state law (Act 5 of 1982) provides that the base tax rate for 1982 village and library operating taxes be reduced to 7.54 mills (\$7.54 per \$1,000 SEV)

The village has been notified that because of the State of Michigan's budget and cash flow problems, a substantial cut has been made in state funds to which the village, by law, is entitled. Delays in state payments already have caused a loss in village revenues. The village's 1982/83 budget assumes further cuts and delays in state payments to the village will occur.

For these and other reasons, in order to fund the village's proposed 1982/83 budget and to maintain essential village services, the village finds it necessary to restore a portion of its levy reduction. Although the village has complete authority under its charter and state law to establish the number of mills to be levied within its fully authorized millage rate, the village proposed to levy an additional rate of only .98 mills (98 cents per \$1,000 SEV) above the 1982 base operating millage rate. This will provide an estimated 13 percent increase in village general and library operating property tax revenues. Individual property taxes may increase greater than or less than the estimated average.

Public comments, oral or written, are welcome at the hearing on the proposed additional millage rate.  
May 20, 1982  
Evelyn Rosentreter, Village Clerk

Superintendent Van Meer gave a legislative update pertaining to the county assessment versus state equalized valuation, and the financial implications of the outcome of that litigated case.

Superintendent Van Meer reviewed with the Board the millage committee structure.

Wednesday, June 2, at noon, has been designated for the Exemplary Employee Awards Luncheon to be held in the Board Room. Additionally, the Board will honor employees who retired in the years 1977 and 1982.

## Bursley Reverses Decision, Will Stay On at Cleary

Gilbert E. Bursley, president of Cleary College, has agreed to stay on at the helm for another year at the request of the College's Board of Trustees. Bursley, whose resignation was to take effect on June 30 of this year, cited the following reasons for his reconsideration: "The opportunity for considerable achievement in the immediate future are so great at Cleary that I would like to be a part of that action." Bursley continued, "An early decision is needed on the expansion of the Livingston campus. Also, the organization and launching of Cleary's centennial celebration is before us since 1983 will be Cleary College's 100th anniversary. Additional College accreditation from national educational agencies will be coming up later this year. These are a few highlighted reasons for my staying on," Bursley concluded. Bursley's announcement came at the end of a regular Board of Trustees meeting held at the College on May 6.

## ACATS Offers Variety Of Classes for Summer

ACATS (Association for Creative and Academically Talented Students) will again offer a variety of summer classes during the weeks of July 12-16 and July 19-23.

The classes are offered to all students—no ACATS or TAG membership is required. The following is a brief description of each class to be offered:

**Let's Find Out About Newspapers**, for grades 4 and up, will be held between the hours of 9:30 and 10:30 a.m. Students will have the opportunity to put together a newspaper, complete with ads, editorials and news copy. This may include a visit to a local printing establishment.

**Scientific Experimentation** is designed for students in kindergarten through third grade and will take place from 9:30-10:30 a.m. Discover the world of science through experimentation.

**Typing** will provide students (grades 3 and up) with the basic methods including learning basic keyboard operation. Basic speed and learning at one's own level will provide a class for all skill levels. It will be held from 12:30-1:30 p.m.

**Making a TV Show**, grades 3 and up, from 10:30 a.m. to 11:30 a.m. Your chance to be a star. Plan and film a production, com-

plete with commercials.

Pottery is offered to all ages and will be held from 12:30-1:30. Use your imagination and mold your ideas into something you can keep.

**Computer Programming I** (grades 2 and up), 10:30 a.m. to 11:30 a.m., will teach the basics of computer programming. It is designed for those who have had minimal programming experience.

**Computer Programming II** (grades 2 and up), 11:30 a.m. to 12:30 p.m., will provide students with advanced level programming information.

**Computer Drop-In** (all ages), 9:30 a.m. to 10:30 a.m., 12:30 p.m. to 1:30 p.m. Students will be allowed to use the computer for half-hour periods of time at a minimal fee.

**Spanish** (all ages), 11:30 a.m. to 12:30 p.m. This class will provide students with an opportunity to learn to speak basic, conversational Spanish so, on their next trip to Taco Bell, their orders can be placed in Espanol.

In addition to the aforementioned courses, there will be a free game room set up with adult supervision for class participants.

For further information, call the Community Education Office at 475-9830.

## Fair Board Notes

The regular Fair Board meeting was held Thursday, May 20 at the fairgrounds. Officers present were Jerry Heydlauff, president; Art Steinaway, vice-president; Maryann Guenther, secretary; Kay Poljan, treasurer; and Lloyd Grau, Fair manager.

Directors present were Frank Renton, Archie Bradbury, Richard Bollinger, Jerry Herick, John Klink, Jeff Layher, Reuben Lesser, Jr., Ralph McCalla, Mark Staphis, Bill Stoffer and Earl Heller. Others attending included John Wellnitz, Harold Eismann, Red Morgan (representing the rides) and Bob Hodder and Cheryl Fitzsimmons, who asked and got permission for Cheryl's husband, an escape ar-

tist, to show his act between the first and second heats of the Demolition Derby.

The meeting was called to order at 9 p.m. The early evening was a work bee. Art Steinaway mowed around the east gate. Ralph McCalla picked up bleachers in Three Rivers that will seat 360 additional people. The men unloaded the bleachers for the work bee.

The minutes of the April 14 meeting were read and accepted. The Chelsea Community Fair will be held from Aug. 31 through Sept. 5. Details of the upcoming fair were clarified or planned to be taken up at a subsequent meeting.

## Local School Districts Advised to Develop Their Own Tests

Local school districts should spend the time and money to develop their own achievement tests rather than relying on the commercially prepared versions, says a Michigan State University educator.

Ronald Edmonds, professor of teacher education, says that is the only way to measure how well students are learning what is taught in the local school district. Parents, teachers, and administrators should be involved in developing the local testing program, says Edmonds.

They should determine what students should know and be able to do as a consequence of participating in each grade, says Edmonds. "While the group may emphasize a variety of issues, such as creativity, civility or citizenship, at the core of their description of mastery will be reading, writing and computation," says Edmonds.

Once that determination has been made, the "test makers" should be called in, he says.

## Summer Program Offered Mentally Impaired Children

Waterloo Nature Center will offer a unique opportunity to Washtenaw county children with learning problems. The Center has received a grant from the Ann Arbor Area Foundation. The program is designed for learning disabled, emotionally impaired or educable mentally impaired children.

Staffed by a naturalist as well as an activity therapist, the emphasis of the camp will be on environmental studies. Daily themes will include mammals, pioneer life, geology, birds, pond life, wilderness survival and more.

The day camp is scheduled as follows: Session I, July 6-15, early elementary; and Session II, July 20-29, late elementary.

Day camp brochures have been distributed among the participating school districts. Interested persons should contact their special education directors or may call the home of Waterloo Nature Center co-director, Emilie Polens, 475-7840.

# Michigan Driving Costs Up 8% in '81

Michiganians will spend \$270 more to own and operate a 1982 compact car than they did in 1981, according to the Automobile Club of Michigan.

"This is an 8 percent increase over last year," said Joseph Ratke, Auto Club Travel Research manager. "It now costs Michiganians 23.8 cents per mile to operate a new, fuel-efficient car, or \$3,570 per year."

In 1981, the cost of driving a compact automobile was 22 cents per mile, or \$3,300 a year.

The 23.8-cents per mile figure, updated by Auto Club to include current Michigan gasoline prices, is broken into two categories: variable and fixed costs.

Variable costs include gasoline at \$1.33 per gallon, oil, maintenance and tires for a total of 7.81 cents per mile. Fixed costs—insurance, depreciation, license fees and finance charges—cost \$6.57 per day, or \$2,388 per year.

Insurance is based on a pleasure use category with the vehicle driven less than 10 miles to work and no youthful drivers on the policy.

For its latest driving costs report—outlined in the 1982 edition of the AAA pamphlet titled "Your Driving Costs"—Auto

Club calculated operating expenses based on a 1982 Chevrolet, six-cylinder (173 cu. in.) Citation four-door hatchback, driven up to 15,000 miles per year and kept four years.

The type of car used in this year's analysis was changed from an intermediate to a compact car in order to more accurately reflect automobile sizing trends in the nation.

The pamphlet also points out that auto vacation travelers will spend 9 percent more for gasoline, meals and lodging in 1982 compared to last year.

Two persons should plan on spending \$48 per day for meals (not including alcoholic beverages and tips), \$48 per day for lodging and \$8 for gas and oil for every 100 miles of travel with the car averaging 20 miles per gallon.

"Operating costs can vary considerably, depending on travelers' preference and location," Ratke said. "In small towns or rural areas, costs might be 25 percent lower. In large metropolitan areas they could be up to 75 percent higher."

CAROL BOYCE

ANN EISELE

## CHS Students Cited By Business Ed. Group

The United States Achievement Academy announced last week that Carol Boyce and Ann Eisele have been named a 1982 United States National Award winners in business education and accounting.

This award is a prestigious honor that very few students can ever hope for. In fact, the Academy recognizes fewer than five percent of all American high school students.

Carol and Ann, who attend Chelsea High school, were nominated for this national award by Mrs. Marian Williams, an accounting teacher at the school. They will appear in the United States Achievement Academy Official Yearbook, published nationally.

The Academy selects USAA winners upon the exclusive recommendations of teachers, coaches, counselors or other school sponsors and upon the standards for selection set forth by the Academy. The criteria for selection are a student's academic performance, interest

and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Carol has taken two years of accounting at Chelsea High school and is planning to continue her education at Eastern Michigan University, majoring in accounting.

She is the daughter of Mr. and Mrs. Ellis Boyce. Her grandparents are Mrs. Norman Schmidt of Chelsea and Mrs. Florence Boyce, also of Chelsea.

Ann has also completed two years of accounting at Chelsea High school and will be attending Michigan State University next year, where she will be majoring in business administration and accounting.

She is the daughter of Mr. and Mrs. Thomas Eisele. Her grandparents are Mrs. Paul Eisele of Chelsea and Mr. and Mrs. Norbert Merkel, also of Chelsea.

## Good Things Growing in Michigan

By Margaret G. McCall  
Bedding plants are some of the most colorful good things growing in Michigan, and last year our state produced 6,428,000 flats. More than three-fourths of them were flowering plants to add brilliant hues to gardens and lawns all across Michigan. Combined, the flowering and vegetable bedding plants were worth more than \$26 million last year, nearly half the total \$54.5 million wholesale value of Michigan floriculture, according to the Michigan Department of Agriculture.

Michigan continues to rank second among the states in bedding plant production, and fifth in floriculture, which includes chrysanthemums, hybrid tea and sweetheart roses, and a variety of other cut and potted flowers. Last year, Michigan growers produced 6,765,000 pots of geraniums, enough to brighten a great many patios, planters, balconies and gardens.

Right now is a particularly delightful time to visit your city farmers' market or a roadside stand so you can feast your eyes on the remarkable riot of color. Each year it seems the growers bring forth new varieties or new colors of old favorites to compete for your attention.

The same is true of vegetable plants, and isn't it nice to have someone else worry the seeds into sturdy, healthy seedlings ready for your home garden. I wonder, sometimes, how many tons of tomatoes, how many bushels of green beans, sweet peppers, how many cabbages are harvested in backyard gardens from those flats of bedding plants.

If you're short on garden space, consider hanging baskets filled with cherry tomatoes for a sunny spot; cucumbers in large pots in the patio, with a trellis for them to climb. Leaf lettuce could border your flower beds, and a tub of green peppers trained on wire will provide a shiny green accent among the flowers. Imagination, plenty of sunlight, good drainage, and judicious watering can provide a generous crop of vegetables for your dinner table.

For the location of roadside or city farmers' markets near you, send for your free copy of the 1982 Michigan Country Carousel, which lists more than 1,000 pick-your-own farms and roadside markets. Write Communications Office, Michigan Department of Agriculture, P.O. Box 30017, Lansing 48909.

## EEE Is Deadly

When a 13-year-old boy from St. Joseph county died recently from Equine Eastern Encephalomyelitis (EEE) that he had contracted in 1980, the Michigan Veterinary Medical Association was sadly reminded of the need to vaccinate all horses from this deadly disease. EEE, or sleeping sickness, as this disease is also known, is a rapidly fatal viral disease that primarily affects horses but can affect man as well.

Last year, 54 fatal cases of EEE were confirmed in horses in Michigan. This disease is spread to horses by mosquitoes and is not considered to be spread directly from horse to horse or from horse to human. Waterfowl, such as ducks and geese, serve as the source of the virus each year. Our state has an abundance of lakes and streams and, consequently, an abundance of waterfowl and mosquitoes. Therefore, Michigan horses are threatened each summer by this disease.

Once transmitted to the horse by a mosquito, the virus affects the brain and spinal cord of the

horse, leading to high fever, staggering, convulsions, and painful death. There is no effective treatment for EEE and most horses that demonstrate these signs of EEE are humanely destroyed before they can die of the disease.

Fortunately, there are very effective vaccinations available to prevent horses from getting EEE. The best time to protect the horse is in the spring just prior to the beginning of the mosquito season.

There is not a vaccine in use for people. The best preventive measure for humans is to protect yourself with steps aimed at mosquito control.

For your sake as well as your horse's sake, contact your local veterinarian as soon as possible for advice concerning protection for your horse against this deadly sleeping sickness.

Chamber members also heard a little about football. Smith was quite expressive in his views about the possibility of a players strike this summer.

"Jim is an excellent representative of the Washtenaw County Sheriff Department," said Sam Johnson, chamber president. "He is working in an area which obviously needs a lot of attention. I can't think of a better person to fill that job. Chamber members were indeed fortunate to hear about the Sheriff's Community Program and also to have an opportunity to ask some 'insider' questions of one of the great football players of our time."

# Peace Pentecost Service Planned

The Chelsea Ministerial Fellowship is sponsoring a Peace Pentecost Service, beginning at 7:30 p.m. on Sunday, May 30, at St. Paul United Church of Christ, 14600 Old US-12. The public is invited to attend.

The "Peace Pentecost" or "Peace Sabbath Observance" is being held throughout the country as a witness to peace through prayer and worship. It falls on the Sunday nearest Memorial Day, a day when the country honors those who gave their lives for the cause of a peaceful world. This nation, and others, are witnessing a conversion taking place within the churches—a conversion to peace. It is a movement of faith and conscience, not just a political phenomenon.

The first half of the Peace Pentecost Service will feature Dr. Donald Rucknagel of Ann Arbor, representing Physicians For Social Responsibility, who will show the film, "The Last Epidemic," and lead a brief discussion. The hour's program will conclude with a brief service of worship with prayers and litanies centering on peace and the Spirit of God—a reminder of the Spirit which fell upon the disciples on the first Pentecost in Jerusalem 2,000 years ago, and which still falls on those who wish to be sensitive to God's "shalom."

# Fuel, Weight Tax Collections Decline

State income for highways, roads, streets and other transportation fell by 8.3 percent in the first quarter of 1982 compared to the same period of 1981, the Michigan Department of Transportation (MDOT) has reported.

It was the ninth consecutive quarter in which revenues from fuel and weight taxes were down from the same quarter a year earlier.

Income from Jan. 1 through March 31 totaled \$179,520,086, down \$16,261,854 from the \$195,781,941 collected in the first three months of 1981.

Reduced driving during the harsher-than-usual winter as well as the continuing recession and the growth in the number of lighter-weight, more fuel-efficient autos all figured in the decline.

Gas tax receipts totaled \$93.86 million, off by \$9.55 million, or 9.2 percent, from \$103.41 million collected a year ago. Diesel fuel taxes increased by \$200,285, or 6.7 percent, to \$3.2 million. Special fees paid by truckers in return for a six-cent-a-gallon rebate on the 11-cent diesel tax added \$2.44 million, up by 3.3 percent.

Weight taxes on all vehicles produced \$78.44 million, a decline of \$5.48 million, or 6.5 percent.

Various grants, including collection costs and the annual \$3.5 million allocation for retirement of bonds that financed construction of the Mackinac Bridge, totaled \$17.1 million. That left \$162.44 million for distribution for state, county and municipal road and street programs and for other transportation. The total was off 9.8 percent from 1981. The money is divided according to formula set by state law.

The State Trunkline Fund for construction and maintenance on the state highway system will receive \$61,921,884 as its 38.4 percent share of net receipts. Proceeds are down 9.7 percent, or \$6,652,801.

The 83 county road commissions will collect \$53,891,737 as their 34.3 percent share, a decline of \$5,926,966, or 9.9 percent. Cities and villages will receive

# Letters to the Editor

Dear Mr. Editor:  
In the issues of Chelsea Standard dated May 9th, and 18th, there was notation of a "dog who was either thrown or jumped from a second story building." This touched me very much that a young person, and the police department were so concerned over a life, a dog's life at that. In comparison there is something of truth I wish to share with you and your readers. Let your conscience guide your feelings after you read the following. I will quote from findings then you will know it is not some sort of writing from a horror novel.

"The horrors of abortion in the United States took an unprecedented ghastly turn in early February when workers discovered the bodies of over 2,000 dead fetuses in the backyard of the owner of a 'medical laboratory.' The dead fetuses were found as workers tried to load a massive steel storage container leased by a 33-year-old owner of 'Medical Analytic Laboratory' near Los Angeles. The owner failed to make three lease payments, causing the removal of the container which was leased in late 1980 to 'store tennis court lights.' As workers tried to load the two-ton container on a truck, a winch broke under the strain of its 7,000 pounds of contents. With the container opened, they were horrified to find countless containers filled with the bodies of dead humans, many of them mutilated. The fetuses ranged in size from that of an ounce to over four pounds.

"I saw one fetus with legs two and one half inches long and the body and head demolished. I was scared and frightened and had tears in my eyes... what can I say," one worker told reporters later. Another: "They are just fetuses, but they sure looked like babies to me." A forklift operator commented: "It was nothing that anybody's ever seen before. It was sick whoever did it."

The fetuses were pickled in formaldehyde and were stored in a variety of containers, including one pound ice-cream containers. Containers were stacked floor-to-ceiling and were marked with mother's names and many had location from where they were sent, including abortion mills and Planned Parenthood facilities in California. Some of the containers were labeled "dentures."

The news media and TV cameramen were locked out of the high walls on the site. Why would the businessman store the corpses of over 2,000 fetuses at considerable expense? To sell them for profit? Who would buy them... and why?

Nationally syndicated columnist Nick Thimmesh travelled to L.A. to report this nightmare. He notes that it is well known that fetuses have been used to make cosmetics in Europe and England, and that fetal protein, at up to \$5,000 a pound, is a much sought-after source of pharmaceutical products that are labeled "with protein."

Mr. Editor, I know this writing is long but the public needs to be aware of this "nightmare" of truth. What have we become? Where are we heading? Maybe it was Los Angeles, but if society in whole does not speak up—Los Angeles could become our community one day, or a nearby one. "An ounce of prevention is worth a pound of cure." Right? P.S. the above account was taken from Right to Life of Michigan News, May 1982.

Mrs. Millie Warner.

# Farm Pond Serves Many Useful Purposes

By Clark A. Ecker, District Conservationist U.S. Soil Conservation Service

A pond has many faces. Just which one it will wear on your land depends on its intended purpose. The chances are good it will wear more than one face and serve multiple uses.

year-round windbreak and provide privacy. Establish some wildlife shrub plantings to enhance the pond area for songbirds and other wildlife. Build a boat ramp or diving platform for family fun. Keep pond safety in mind by installing safety devices to help prevent accidents from occurring.

5. Enjoy your pond. This is the easy part. Swim, boat, fish and observe the wildlife your pond attracts. Make the pond work for you. Irrigate from it. Use it as a water source in case of fire. Livestock can drink from it. Water has many uses. You will find many ways to enjoy your pond and keep it busy serving you.

As your pond reflects the changing seasons, you will find that it can indeed wear many faces. Boating, fishing and cool summer dips will resolve to fall scenes of migrating ducks pausing to rest and mirror-like reflections of autumn's brilliant colors. Winter will change your pond's face to one of ice skating, ice fishing, and possibly even trapping. Your pond will noisily announce the arrival of spring as its many inhabitants begin to stir after a long winter's sleep. These are just a few of the many seasonal events in the life of your busy pond.

1. Pick the site. You probably have a particular site in mind. Perhaps it is a pothole, an area with a high water table or a ravine across which a dam might be constructed. Quite often, potential pond sites are areas that are not suitable for other uses. Why not put them to work!

2. Request technical planning, design and lay-out assistance. Most projects need a plan or a blueprint. So does a pond. Technical help is available from the U.S. Soil Conservation Service through the Washtenaw County Soil Conservation District. Soil Conservation Service personnel can help you determine if your pond site is suitable, and if so, supply you with design and lay-out assistance.

3. Install the pond. Select the contractor you want to build your pond and the pond becomes a reality. As soon as construction is complete, you will want to vegetate the pond banks to protect them and keep soil from eroding back into the pond.

4. Develop your pond site. The possibilities are unlimited. Stock the pond with fish. Plant a screen of evergreens around it to act as a

**SURPLUS CHEESE:** Linda Ormsby of Chelsea Social Service displays the five-pound quantities of surplus cheese being distributed to Chelsea School District residents who are in need and/or are willing to sign their names stating that they are in need, that they will not trade or sell the product and that they will not obtain the surplus food at any other distribution site during the current month. The cheese is available to eligible parties by visiting the Social Service office at 104 E. Middle St. on Thursday between the hours of 10 a.m. and 2 p.m.

# Education Research

Prepared by the National Association of Secondary School Principals (NASSP), Reston, Va.

Reston, Va.—One six-year term for the President of the United States and a more flexible education system were among six recommendations developed in March by 102 of America's most talented high school seniors.

The student leaders, two from each state and the District of Columbia, met in Williamsburg, Va., during the Centruy III Leaders national conference, sponsored by the National Association of Secondary School Principals (NASSP) and funded by Shell Oil Co.

During the two-days, the students met in seminar groups to discuss future challenges in education, changing American social values, technology and values, America's world role, energy and the environment, and individual rights and social needs.

After groups developed four specific recommendations to solve future problems in each area, the 102 students met in a town meeting to select the most appropriate one in each category. Those were presented to a representative from the White House.

The high school seniors called for institution of a one-term, six-year presidency on a three-year term trial basis to deal with changing social values in America.

"The American people's changing social environment and values have caused short-term thinking for problems demanding long-term solutions," the students wrote.

They indicated that there is an absence of planning for and preventing potential crises of the future and that society demands immediate solutions to current problems without thought of their effect on the future.

The students contended that their proposal for a six-year presidency would "lessen pressures caused by re-election campaigning and encourage implementation of long-term think-

ing, planning, and programming."

America's education system should be more flexible to allow greater ties with the community, students agreed in another recommendation.

They suggested that students could have greater experience in community businesses and more charitable community involvement.

They also suggested that national education goals be established to provide for national continuity, that positive public relations be developed which would result in improved communication between the school and community, that a national communication network be established to insure that all communities have access to educational research and resources, and that the abilities of educators can continually developed to insure maintenance of national goals.

"We feel the development of these suggestions would enable our educational system to preserve the essence of American society in an increasingly complex future.

In other recommendations, the high school seniors called for greater attention to Third World countries as their role becomes more vital to world economic security, better usage of renewable regional resources such as solar power in Arizona and wind power in Kansas, and a re-evaluation of the use of transfer payments and social security benefits.

The Century III Leaders program is seven years old. More than 300,000 high school seniors each year compete at the school and state levels to reach the Williamsburg conference. They are judged on the basis of school and community involvement, current events test scores, and a written projection in which they identify a problem facing America and pose solutions to it.

High schools throughout America will receive information on the 1983 program this September.

# Surplus Cheese Available To Qualified Needy Persons

Chelsea Social Service has five-pound boxes of cheese available for families and individuals who are in need. Come to the office at 104 E. Middle St. on Thursday between the hours of 10 a.m. and 2 p.m. if you believe you are eligible and if you have not received cheese from any distribution center during the current month.

Guidelines for eligibility are as follows: The individual must sign

## Legal Secretaries Meet Thursday

Washtenaw County Legal Secretaries Association will hold its regular monthly meeting Thursday, May 27 at Weber's Inn. Norman Bornstein, legal administrator for the Southfield law firm of Bassey, Selesko, Couzens & Murphy, P.C., is scheduled to speak on "Will the Real Administrator Please Step Forward?" Bornstein is recently elected assistant regional vice-president of the National Association of Legal Administrators and is a past president of the Detroit chapter of the Association.

The program will begin at 7 p.m. with dinner and social hour preceding at 5:30 p.m. A business meeting will follow at 8 p.m. All interested legal secretaries, administrators and assistants are invited to attend.

For further information or to make dinner reservations, call Kathryn Koke at 426-4695.

his or her name stating that, first, he or she is in need. Secondly, the signature indicates that the person obtaining surplus cheese will not sell or trade the product and, thirdly, the individual will not obtain the surplus food at any other distribution site during the current month.

## Discussion Slated on Self-Employment Benefits Drawbacks

More and more Michigan residents are considering self-employment as an option during these troubled economic times. You can learn about the benefits and drawbacks of being your own boss at this year's College Week, June 21-24 on the MSU campus in East Lansing.

"Making Working At Home Pay" is one of the 60 classes being offered at this annual Family Living Education event. Step-by-step procedures for recordkeeping, marketing and time management will be discussed, as well as specific information on sewing alterations and family day-care.

For a free College Week brochure, contact Helen Fairman, 973-9510, P.O. Box 8645, Ann Arbor 48107. Hurry! Registration deadline is June 1.

It is suggested that only people having recurring annual income(s) of less than 125 percent of the poverty guideline be encouraged to take the cheese.

The poverty income amounts vary according to family size and may be viewed at the office.

Friends or relatives may sign for the food for a family or individual and, in doing so, take upon themselves the responsibility regarding the eligibility of the receiver.

The surplus food, of which only cheese has been received thus far, will be available to local residents whenever it is received for distribution by Chelsea Social Service. The amount the agency receives depends on availability and the workers' estimates of how much can be distributed within the month it is received.

**SPECIAL OLYMPICS STATE QUALIFIERS** will compete in the state meet to be held at Central Michigan University from June 3-6 in East Lansing. Back to foreground, Mike Foster, Albert Bedard and Jay Curry; Coach Nancy Cooper, Linda Alber, Walt Lewis, Mike Goebel, Clarence Weiss, Donald Ellery and Dawn Stancato. They will take part in events ranging from swimming to running to field events.

## Special Ed Students Prepare for State Meet

Since taking part in the Washtenaw County Track Meet at Dexter High school Thursday and Friday, May 13 and 14, the Chelsea High school Special Olympics Team has been preparing for the State Meet to be held at Central Michigan University June 3-6. Excitement is running high and the team has been working out every day during sixth hour.

Seven members of the team are entered in track and field. Mike Goebel will be running the mile, the 100 M dash and a leg of the 400 M relay. Clarence Weiss is also running the mile, the 100 and taking part in the relay. Both of these boys did very well at the county meet. Each was second in the mile, Clarence in the 17 and under group and Mike in the 18 and over group. The relay took first place.

Linda Alber is again returning to the state meet to run the mile for her fourth consecutive year. She will also run in the 200 M and take part in the bowling competition. She took first in the woman's mile at the county meet. Dawn Stancato will be running the 100 M and taking part in the field events of standing long jump and frisbee distance.

Walt Lewis, the best sprinter Chelsea has, won all firsts at the county meet and will be running the 100 M, the 200 M and in the relay at state. Donald Ellery will run in the 50 M, and take part in softball throw and punt, pass and

kick. Albert Bedard is in the 100 M, the relay and the standing long jump.

Swimming for Chelsea will be Jay Curry and Mike Foster. It was hard to choose Jay because he won the mile trophy at the 17 and under meet on May 13. However, he is also an excellent swimmer. He will swim the 25 M butterfly and the 25 M breaststroke. Mike Foster will swim the 25 M freestyle and 25 M breaststroke.

The athletes will stay in the CMU dorms and participate in many events other than athletics. There are parades, dances, clinics of new sports and celebrity sessions.

Chelsea is being chaperoned by Nancy Cooper, Anne Boote, Tom Malloy and Susan Skittenheim. Funds to cover the trip have been made possible from proceeds from the Trinkle Barn Dance and donations by the Chelsea Knights of Columbus.

## College Week For Women Set in June

College Week, a four-day, live-and-learn program sponsored by the Michigan State University Co-operative Extension Service Family Living Education Program, will be held June 21-24 on the MSU campus in East Lansing.

The 60 classes, workshops, tours and films offered this year will cover such topics as human development, resource management, foods and nutrition, public policy, leadership, housing and health. Classes will be taught by MSU faculty members and specialists from around the state.

Karen Kaiser Clark from the Center for Executive Planning, Inc., in St. Paul, Minn. will give the keynote address, "Grow Deep, Not Just Tall," which deals with the importance of using personal resources to achieve your full potential.

For more than 50 years, College Week participants of all ages and backgrounds have come annually to the MSU campus for four days to participate in an informal learning experience and discuss the issues that affect them and their families. "This year more than 1,300 participants are expected to attend," says Wilma Miller, College Week coordinator.

The cost of the program is \$92, which includes housing, meals and class fees. Participants will be housed in a college dormitory. A number of optional extra-curricular events are planned, including a theatre trip and various tours.

For further information about College Week, call the Washtenaw Co-operative Extension office, 973-9510.

During the 1981 fiscal year, 23 million initial claims for unemployment insurance were filed with state employment security agencies, according to the U.S. Department of Labor's 68th Annual Report.

## Cong. Dunn Reaffirms Opposition to Proposed Cuts in Education Funds

Congressman Jim Dunn and other members of the Coalition Against Reductions in Education (CARE) decided today to take further action to drive home their opposition to proposed cuts in education programs.

The group of 21 Republican freshmen said they will officially support the Guaranteed Student Loan provisions of the supplemental appropriations bill for fiscal 1982, to be considered in coming weeks. The GSL provisions in that bill would increase money for the loan program by 93 percent from the 1980 fiscal year and allow graduate students to remain in the program.

CARE members also said they would officially support a resolution drafted by Congressman Dunn calling for the retention of graduate students in the GSL program and no further cuts in the Pell Grant program or campus-based programs for lower income students.

In addition, CARE members decided to write a letter to Secretary of Education Terrell Bell, asking for a conference to discuss their concerns about proposed cuts in education programs.

Finally, the group decided to broaden its membership by soliciting the support of other Republican members of the House.

"We wanted to limit the group to Republican freshmen initially because we felt we could make a stronger statement," said Congressman Dunn, who organized CARE in late February after President Reagan's proposed 1983 budget called for severe cuts in education programs. "After making our concerns known, we now feel it is important that the Administration understand that many Republicans, and not only first-termers, have misgivings about the proposed cuts in education."

President Reagan has proposed that funding of education pro-

grams in next year's budget by trimmed from about \$12.9 billion to roughly \$9.9 billion. This figure would be a 32 percent reduction from funding levels for the same programs in 1980.

"During this juncture in the budget debate, we felt it would be wise to reiterate our commitment to education programs," Congressman Dunn said, explaining the reason for the meeting. "We're confident our voices will be heard."

Hot tired kids need cool, light snacks that make nutrition sense. And moms need an easy solution to this problem. Everyone can be happy with a blender shake made from a cup of juice, a scoop of sherbert or ice cream and an egg.

## Weight Control Classes Offered At College Week

Very few of us are satisfied with our weight. And when we get the notion to lose a few pounds, we want to lose them NOW! In the rush to reduce, many people resort to ineffective, unhealthy or dangerous crash diets.

Sensible eating, behavior modification and healthy activities will be the topics of discussion at "Lighter and Livelier," one of 60 classes to be offered at this year's College Week, June 21-24 at MSU.

Additional classes in human development, resource management, foods and nutrition, public policy, leadership, housing and health will be offered.

If you're interested in this informal learning event, contact Helen Fairman, 973-9510, P.O. Box 8645, Ann Arbor 48107. Hurry, registration deadline is June 1.

## College Week Offers Seminar On Solar Energy

Purchasing a solar energy system for your home can save energy and money. Learn about the latest in solar energy systems and energy tax legislation by attending "Collecting Sun and Dollars," one of the 60 classes offered this year at College Week, June 21-24, on the Michigan State University campus in East Lansing.

College Week is an annual event sponsored by the Family Living Education Program of the MSU Co-operative Extension Service.

Classes, seminars and workshops in human development, resource management, foods and nutrition, public policy, leadership, housing and health will be offered. Hurry, registration deadline is June 1.

## Police Report Relatively Quiet April

Chelsea Police made a total of 180 radio runs during the month of April as compared to 213 during the preceding month. Types of radio runs included 14 criminal complaints, 11 parking problems, 19 suspicious vehicles and two blockade points.

Three warrant arrests were made last month as compared to two felony, one misdemeanor, five warrant and two juvenile arrests made during the month of March. The arrests made in April included assisting the Flat Rock Michigan State Police Post as well as the Detroit Police Department.

A total of 17 case reports were written in April while 20 were written in March. Types of reports included three incidents of malicious destruction of property, five situations of found property and two reports of larceny from an auto.

Chelsea Police assisted Washtenaw County on five occasions including four injury accidents and one arrest assist. Chelsea Police Department also assisted the Manchester Police with regard to a man with a gun. Time spent in assists totaled two hours and 25 minutes.

During the month of April, Chelsea's Auxiliary Police force worked a total of 130.5 hours.

## Fire Dept. Activity Increases in April

During the month of April, Chelsea Fire Department answered a total of 42 calls as compared to 26 calls during the preceding year. This brings the 1982 total of fire and rescue calls to 117 as compared to 95 during the same 1981 time frame.

By township, April fire and rescue calls tallied nine each in Chelsea village and Sylvan township while seven calls were answered in Lima township. Dexter, Sharon and Freedom township were the scenes of one call each while Waterloo had two calls answered. Lyndon township was the area in which 12 calls were answered.

Man hours by township included 96 in the village, 159 in Sylvan township, 103 in Lima, 19 in Dexter, 254.5 in Lyndon, 22.5 in

Sharon, 16 in Freedom and 35 in Waterloo townships, for a combined total of 705 hours of firefighting and rescue runs.

Types of calls included 18 rescue runs, 17 grass fires, two

chimney fires and one each of the following: auto alarm, gas odor, wash down, building fire and truck fire.

In Chelsea, eight rescue runs were made and one gas odor was investigated. Sylvan township was the location of five rescue runs, one chimney fire and three grass fires.

Lima township was the locale of three rescues, two grass fires, one wash down and one truck fire while Chelsea Fire Department assisted on one grass fire in Dexter township.

Eight grass fires were reported in Lyndon township while one rescue run, one auto alarm, one chimney, fire and one building fire were also attended to by the Chelsea firemen.

Sharon and Freedom townships each had one grass fire while Waterloo township was the scene of one rescue run and one grass fire.

Other activities by fire personnel included four members attending the Washtenaw Mutual Aid meeting, held at Ann Arbor

Township Hall. The SMAF meeting was attended by four firemen at its Parma location while eight members also spent two hours at a squad meeting for a total of 16 man hours.

Of a total of 758 man hours

spent by fire personnel during the month of April, 53 of those hours were donated. Total paid man hours tallied 705.

## Drug Abuse Program Slated for 5th Graders

Western Washtenaw Community Council, Family Task Group is again presenting the Alcohol/Drug Awareness Program to the fifth graders at North and South schools on June 3 in cooperation with Chelsea Community Hospital.

Paul Estenson, child psychologist from Chelsea Community Hospital Substance Abuse Program and Detective Tom Keshishian from the Washtenaw County Sheriff's Department will be discussing with and showing films to the students concerning substance abuse in relationship to the law, what kinds of dynamics are involved with substance abuse, identifying and coping with peer pressure, how to recognize someone dealing alcohol and/or drugs and how to cope with it, and how to recognize areas that could lead to the use of alcohol and/or drugs.

Information received from last year's program indicated that the students were very aware of alcohol and drugs either from older brothers and sisters, contact with older students or others in their neighborhoods.

The questions asked by the

students during the discussion sessions last year indicated an acute concern regarding being confronted, how to handle it, and who could they go to for help.

It is believed that fifth grade is an appropriate age to begin substance abuse directives since the students have such an acute awareness and concern, but also because they will be graduating to middle school. It is a fact that substance abuse starts very early these days, as early as elementary school age.

Many kids begin abusing because of peer pressure, academic pressures, trying to be "cool," to fit in or just ignorance of the potential dangers of substance abuse.

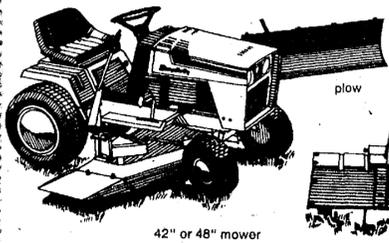

It is hoped that students will be enlightened on some of these potentials through general information; discuss why people feel they need to abuse substances and alternate coping methods; how to recognize others who are either under the influence or are dealing and how to handle the peer pressure. This will prepare the kids better for dealing with the persons involved with alcohol and/or drugs.

**AND, HE'S SAFE:** Despite catcher Rod Robeson's huge forward in hopes of catching a pitch and securing an out, the opposition was safe at home during one of Chelsea's five games last

week. Despite that, the Bulldogs ended their week with a 5-0 record, defeating Lincoln, Jackson County Western, Fowlerville and Monroe Catholic Central.

## Bulldog Sluggers Gain Second-Place Tie in SEC Race

Chelsea's baseball team took on Lincoln Monday, May 17, defeating the Railsplitters, 13-0, in five innings.

Senior John Welton pitched his fourth consecutive shut out, allowing two hits and upping his scoreless inning streak to 26. He has a 6-0 record.

Leading the Bulldog hitting attack were Chelsea batters with two "hits" each including Rod Robeson, who managed a grand slam, Mike Gipson with a triple, and John Preston with a home run. Tom Headrick also got two hits.

On Tuesday, Chelsea played a district qualifying game against Monroe Catholic Central, winning, 10-9, in a wild game with anything and everything happening.

Chelsea got 16 hits but was unable to score until the fifth inning. The Bulldogs were down, 2-0, on three straight errors. Monroe scored five home runs in

the fifth and as did the Bulldogs who trailed, 7-5.

In the seventh inning, Chelsea again added five runs to take a 10-7 lead as Robeson hit a double to tie the game and Pagliarini got a base hit to drive in Preston who was on base following an intentional walk. Monroe took to the plate and drove in two runs on a triple that could have, but did not, tie the game.

Steve Grau got his third win of the season, pitching the entire game and allowing seven hits and five walks. Chelsea committed five errors.

Doug Pagliarini was four for four during the game while Robeson was three for five. Collecting two hits each were Craig Olmsted, John Preston and Gary Van Meer.

Chelsea took on Jackson County Western Wednesday as Ken Nadeau pitched his second game and won, striking out seven.

Chelsea played very good baseball and Mike Neilbauer was

two for two. With the league win, Chelsea ended its conference season in second place, tied with Dexter, and sporting an 8-4 league slate.

Following the league finisher, Chelsea took on Fowlerville in a double header, defeating the team, 14-4 and 6-3.

In the first game, Chelsea won in five innings as determined by the Mercy Rule.

Tom Headrick got his first start of the year, pitching four solid innings. Neilbauer led the Bulldog hitting attack with a home run and six RBI's on three hits. Collecting two hits apiece were Ross Murphy, Ken Nadeau and Matt Villeneuve.

In the second game, Chelsea had Doug Pagliarini in his third pitching start of the year as he hurled for the first five innings. Welton relieved Pagliarini and upped his scoreless inning pitching to 29.

Leading the Bulldog hitting attack was John Welton with two hits, including a double and two RBI's.

At the end of the week's baseball, Chelsea won all five contests for an over-all slate of 14-5 this year.

The Washtenaw County Tournament scheduled to be held Saturday, May 22 was rained out.

## Beach Girls Tracksters Post 6-1 Season Record

In their final meet of the season, the Beach Middle school girls track team defeated Napoleon, 76-46, this week to conclude the season with a fine 6-1 record.

Jenny Cattell set a new school record in the long jump with a winning distance of 15'4 1/2", breaking the old record by 8 1/2". Chris De Fant had her best high jump performance of the season, winning that event by clearing 4'8". Kathryn Morgan had her personal best time in the 800 run, winning that event with a fine time of 2:49, running during a hot afternoon.

A team strength this year has been the girls running the 400 and the Napoleon meet was no exception as Amy Wolfgang swept that event as Amy Wolfgang came in first at 1:06.6; Laura Damm, second at 1:06.8; and Dawn Zaineb finished third. The Chelsea mile relay team finished the season as the only undefeated Chelsea squad. Runners in that event entry were Chandy Hurd, Jill Schaffner, Joanne Brown and Amy Wolfgang and, earlier in the season, Kathryn Morgan.

Other girls earning places in the meet were:

Shot put: Michelle Easton, third.

Long jump: Edie Harook, second, 13'11" (personal best).

2 mile run: Kim Collins, first; Marla Feldman, second.

800 relay: Chris De Fant, Jill Schaffner, Joanne Brown and Laura Damm, first.

800 run: Cathy Burkel, third, 2:59 (personal best).

Mile run: Robin Mock, first; Heidi Apostol, third.

100-yard: Susan Jacques, first; Amy Richardson, third.

100 hurdles: Chandy Hurd, third.

75-yard: Jenny Cattell, first; Carol Palmer, 2nd.

200-yard: Chris De Fant, second.

400 relay: Jenny Cattell, Amanda Holmes, Carol Palmer and Susan Jacques.

Last Friday night, the team competed in the Tecumseh Relays against 11 other schools. The 400 relay team Jenny Cattell, Amanda Holmes, Carol Palmer and Susan Jacques placed third with a fine time of :53.3, and the sprint medley team of Edie Harook, Chris De Fant, Laura

Damm and Amy Wolfgang placed fifth.

The field event teams came up just short of placing despite a personal best shot put effort by Susan Schmunck of 25' 5".

"It has been an enjoyable season working with the 40 members of this team, 25 of whom are eighth graders who could make significant contributions to the high school track program. I'll be looking forward to the return of all of the seventh graders, several of whom were scoring consistently in our meets this year," explained Coach Ann Schaffner.

## Doubles Tennis Team Posts 11-0 Season Record

Chelsea's tennis team played three matches last week, losing to Lumen Christi, 2-6, defeating Howell, 4-3, and dropping a match to Gabriel Richard, 1-6.

Again, Chelsea's doubles teams seemed to come through. Worthing and Mark won their 10th match against Lumen Christi and remain undefeated.

Against Howell, Worthing and Mark played singles and won their respective matches. Schumann and Eisenbeiser, Markle and Hinz defeated their opponents and stand with excellent records, 6-4.

Worthing and Mark won Chelsea's only point against Gabriel Richard and finished the regular season with a perfect 11-0 record.

All of Chelsea's players competed in the Regional competition held Friday at Monroe. In singles, Rob Moore won his first round against Allen Park but lost the second to Ecorse. All doubles teams advanced to the quarter finals. Schumann and Eisenbeiser, Hinz and Markle pushed their opponents from Saline all the way but lost in the final set.

Mark and Worthing took to the finals on Saturday, taking on Monroe Catholic Central for first place.

**NUMBER ONE DOUBLES:** Chelsea's top-ranked doubles team of Damon Mark, left, and Rodney Worthing, ended their regular season with an 11-0 mark while compiling an additional three wins in regional competition at Monroe Friday. The duo took part in the finals on Saturday and has been a key to Chelsea's tennis success this season, defeating key teams from across the area.

**'Jobs for Women' Program Offered**

The next five-week session of Target: Jobs for Women, will begin in Ann Arbor on Monday June 7.

The program is being offered by Soundings and is currently funded by the Michigan Department of Labor. It is open to area women who have spent 10 or more years as homemakers and must now get a job to support themselves because they are widowed, separated or divorced or the family wage earner is disabled. This program is designed for women who do not have young children in the home.

Call 665-2606 for further information.

**Stepped-Up Law Enforcement Saves Lives**

Statistics compiled by the Washtenaw County Sheriff's Department reveal a sharp decrease in alcohol-related accidents and a dramatic rise in drunk driving arrests during 1981. The favorable statistics correspond with the recently implemented Alcohol Enforcement Program in Washtenaw county.

During 1981, the Sheriff's Department arrested 1,227 persons for driving under the influence of alcohol, a 256% increase from the 478 arrests made in 1980. The number of drunk drivers arrested last year represents less than one-half of one-percent of the total county population.

**Kicks Still Dominate Soccer Play**

Chelsea Kicks continued to dominate the soccer league by defeating Ann Arbor Huron, 9-4, last week. Top scorer for the Kicks was John Mitchell, with four goals. Following behind was V. Salyer with three while W. van Reesema and B. Ackley each added one goal.

The Kicks came out strong in the first half by scoring three goals in the first five minutes of play. Brian Ackley and John Mitchell led the Kicks to their victory by their fine passing, hard kicks and excellent ball control.

On defense, G. Ackley served as goalie while J. Wilcox, D. Hutting, T. Pennington and B. Centofanti served as defenders.

The Kicks then moved to Brighton to defeat the Mustangs, 3-2. The Brighton squad completely controlled the first half of the game, leading 2-0. Then, in the second half, Chelsea came back with one quick goal by B. Ackley followed by another 20 minutes later by T. Vandervoort. The score remained tied at 2-all until the two-minute mark when John Mitchell scored, bringing the Kicks a 3-2 win.

The Kicks have just four games remaining against Ann Arbor Pioneer, Brighton Eagles, Brighton High school and Ann Arbor Huron.

**Kicks Soccer Team Downs Brighton, 4-1**

Chelsea Kicks expanded their record to 7-0-2 by defeating the Brighton Eagles, 4-1, last week.

Chelsea started slowly in the first half, allowing Brighton to score quickly. The Kicks then moved on with two goals by Tom Vandervoort which pulled them ahead, 2-1.

In the second half, Vince Salyer kicked a goal with John Mitchell shooting a penalty kick to end the game. Greg Ackley made a superb play as goalie by stopping a hard low penalty kick. Penalty kicks are those when a penalty occurs in the penalty box area. The goalie has to stand on the goal line while one man from the opposing team shoots on a one-on-one basis.

Chelsea was supposed to take on Ann Arbor Pioneer on Saturday, May 15 but the Pioneer team never showed up. Chelsea's Kicks end their season this week.

**BULLDOG ERIC BUCKBERRY**, a junior at Chelsea High school, clears the pole during a pole vaulting practice session last week, preparing for the Class B championship held at Dexter Saturday, May 22. In a 16-team field, Chelsea finished the tournament in second place with 82 points behind Lincoln with 83 total points for the afternoon.

**Big Boy Softball Team Undefeated**

Chelsea Big Boy came away from Tuesday's game in sole possession of first place in the Men's Major Fast Pitch loop in Ann Arbor. Posting an 18-2 win over Omega Farms of Howell, the victory put Big Boy at three wins and no losses in the standings, leaving them the only undefeated team after just three games played.

Big Boy jumped out in front of Omega Farms early in the game on a three-run home run by Alan Augustine. The team continued to score four more times in the inning for seven runs after only two innings. From there, the team hammered out three runs in the sixth and eight in the seventh to bury Omega.

Big hitters for Big Boy were Craig Houle who drove in six runs with two singles and a double, Bob Morrett went three for five, scoring three runs and Augustine had a three-run homer. Roger Bourne had two hits and drove in three runs, Todd Ortring had two hits, including a triple, and Bruce Wagner contributed a couple of hits.

Defensively, Randy Brier played a solid game at shortstop, gobbling up everything hit his way. The winning pitcher was John Strong, getting his second victory. The losing pitcher was Jim Bennett, a former teammate of some of Chelsea's players when the team finished third in the Class B state tournament in 1979.

In Thursday night's action, Big Boy continued its winning ways by defeating Brewer's Gulf of Ann Arbor, 6-1. The victory increased Big Boy's league record to a perfect 4-0, leaving them one game ahead of the pack after two weeks of play.

Big Boy jumped out to an early 3-0 lead after one inning and scored two more in the third and one more in the fifth inning. Brewer's Gulf could only muster up three hits for the entire game and scored one run in the sixth inning, that being an unearned run.

Big Boy got its runs in the first inning on a lead-off bunt single by second baseman Wagner. He went to second base on a single by Roger Bourne, they both scored on a two-out double by Mike Lauerman and he came home on Craig Houle's triple.

Big Boy got two runs in the third when Randy Brier singled and came home on a double by Houle. Todd Ortring drove in Houle with a single of his own, this coming after two men were out.

In the fifth inning, Chelsea closed out its scoring when Randy Brier scored after getting his second hit, coming home when Houle grounded into a double play.

Defensively, Bob Moffett made a great catch in left field, easily preventing two runs from scoring by grabbing a line drive just above the grass while diving to his right.

So far, in four games, Big Boy has scored a total of 43 runs, and their team batting average starts at .432. They have five regulars batting at a .500 clip or better and they are hopeful that this early season hot hitting will continue while their defense continues its consistent play.

Steve Bertso's got his second win of the year in Big Boy's defeat of Brewer's Gulf.

Chelsea's next game will be against Wolverine Supply of Ann Arbor Tuesday, May 25 at 6:15 p.m. All games are played at Vet's Park in Ann Arbor.

## Regular Session.

The meeting was called to order at 7:30 p.m. by President Merkel.

Present: President Merkel and Administrator Weber.

Trustees Present: Chriswell, Keezer, Merkel, Popovich, Riemenschneider and Satterthwaite.

Absent: Clerk Rosentreter.

Others Present: Wastewater Treatment Plant Operator Leach, Police Chief Aello, Fire Chief Hanker, Village Mechanic Weir, Emmett Hanker, Stephanie Kanten, Tina Kenney, Robert Murphy, Lynn Fox, Richard Steele, Greg Aubell, Warren Henry and Roger Woodberry.

The minutes of the regular session of April 20, 1982 were read. Motion by Popovich, supported by Keezer, to approve the minutes as read. Roll call: Ayes all. Motion carried.

The minutes of the special session of April 26, 1982 were read. Motion by Keezer, supported by Merkel, to approve the minutes as read. Roll call: Ayes all. Motion carried.

Police Chief Aello submitted the Police Activity Report for the month of April 1982.

Trustee Chriswell discussed with Chief Aello the possible danger to joggers running in the streets. Chief Aello will prepare an article for The Chelsea Standard warning against jogging in the streets.

Fire Chief Hanker informed the council on purchase of new fireman coats. Being an item in the 1982/83 budget, there was no need for council action.

The First Quarter Water Operations Report and the April Electric Operations Report were reviewed by the council.

A letter from Ed GreenLeaf, owner of Chelsea Lanes, was read aloud regarding the hardship newly adopted Ordinance No. 91 imposes upon owners of establishments which have electronic amusement devices. Robert Murphy, owner of Sir Pizza Restaurant, also expressed the

## same concern regarding Ordinance No. 91.

President Merkel appointed Trustees Satterthwaite and Popovich and Police Chief Aello as a special committee to meet with all owners of businesses legally operating electronic amusement games in Chelsea and to report to the Council at the next regular meeting.

Greg Aubell, Warren Henry and Robert Woodberry of Finkbeiner, Pettis and Strout, Ltd., reported on the status of the wastewater treatment facilities planning process and various changes made by the federal government in the Wastewater Grant Funding Program. A report was also presented by the Finkbeiner, Pettis and Strout, Ltd., representatives of the various alternative methods, and the estimated costs, for future treatment plant expansion which will be incorporated into the final Facility Plan Report.

Lynn Fox of the Recreation Council requested a few gallons of street-marking paint to be used to create a "Safety Town" for the summer recreation program. The council granted the request.

An opinion from Village Attorney Flinto regarding the use of a tax levy to cover the cost of collection and disposal of garbage and refuse was reviewed. Further action on this matter was postponed pending further study of the matter.

Action on adopting a fee schedule for amusement devices pursuant to Ordinance No. 91 was postponed pending the report of the special committee appointed to meet with owners of businesses affected by the Ordinance.

Motion by Chriswell, supported by Satterthwaite, to instruct the Administrator to deny all requests from organizations for financial contributions or assistance unless provisions had been made in the budget for such funding. Roll call: Ayes all. Motion carried.

Motion by Keezer, supported by Popovich, to authorize the transfer of \$30,000.00 as payment in lieu of taxes from the Electric Fund to the General Fund. Roll call: Ayes all. Motion carried.

Bids for two new pickup trucks were reviewed:

Palmer Motor Sales—\$7,313.22 each with trade-in allowance of \$50.00 each for two used pickups.

Village Motor Sales—\$6,893.25 each with trade-in allowance of \$150.00 each for two used pickups.

Action on the above bids was postponed until the next regular meeting.

## RESOLUTION RE: ALTERNATE COMMISSIONER TO THE MICHIGAN PUBLIC POWER AGENCY

BE IT RESOLVED, AND IT IS HEREBY RESOLVED, that the Village Council of the Village of Chelsea does hereby appoint Charles Hafner to act as Alternate Commissioner on the Michigan Public Power Agency to represent the Village of Chelsea in said Power Agency pursuant to Section 2.1 of the By-Laws of the Michigan Public Power Agency.

Motion by Keezer, supported by Chriswell, to adopt the foregoing resolution as read. Roll call: Ayes all. Motion carried. Resolution adopted.

Motion by Keezer, supported by Chriswell, to adjourn. Roll call: Ayes all. Motion carried. Meeting adjourned.

Frederick A. Weber, Deputy Secretary.

## fire calls without delay and under the same conditions as to the alarms within the Village limits; AND BE IT FURTHER

RESOLVED, that in as much as a reduction in fire insurance rates on certain properties outside the corporation limits is recognized in connection with and on account of the above described response to fire calls, should this resolution be rescinded, the Village Clerk is hereby instructed to notify the Insurance Services Office of Michigan.

Motion by Keezer, supported by Popovich, to adopt the foregoing resolution as read. Roll call: Ayes all. Motion carried. Resolution adopted.

A letter was read aloud from Mrs. Florence Steger of Washington Street regarding the "No Parking" signs installed some months ago on the north side of Washington Street between Flanders and Madison. President Merkel requested a report for the next council meeting.

A letter was read from Mr. Lee Ferguson of South Main Street requesting council consideration for a designated parking space near the municipal building for senior citizens paying electric utility bills. No official action was taken on this matter at this time.

Letters were read aloud from Mrs. Wilbert Smith and Mr. and Mrs. William Morgan of West Middle Street regarding a "No Parking Here to Corner" sign that was moved last year which resulted in decreasing the on-street parking availability on West Middle Street east of Wilkinson. President requested a report from the Police Chief on this matter.

Motion by Keezer, supported by Chriswell, to authorize payment of bills as submitted. Roll call: Ayes all. Motion carried.

Administrator Weber reported that 102 truck loads of refuse was transported to the landfill during the annual spring clean-up campaign during the week of April 19, 1982.

Motion by Satterthwaite, supported by Keezer, to adjourn. Roll call: Ayes all. Motion carried. Meeting adjourned.

Frederick A. Weber, Deputy Clerk.

## ZONING BOARD OF APPEALS Minutes May 4, 1982

The meeting was called to order by Chairman Merkel at 10:15 p.m.

Present: Chairman Merkel and Administrator Weber.

Members Present: Chriswell, Keezer, Merkel, Popovich, Riemenschneider and Satterthwaite.

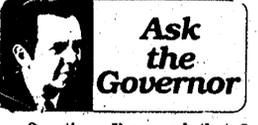

Absent: Secretary Rosentreter.

The minutes of the Board of Appeal meeting of April 20, 1982 were read. Motion by Keezer, supported by Satterthwaite, to approve the minutes as read. Roll call: Ayes all. Motion carried.

Motion by Keezer, supported by Chriswell, to authorize the Chelsea Fair Board to hold a Pony Show at the fairgrounds on June 12 and 13, 1982. Roll call: Ayes all. Motion carried.

Motion by Keezer, supported by Popovich, to adjourn. Roll call: Ayes all. Motion carried. Meeting adjourned.

Frederick A. Weber, Deputy Secretary.

Question: I've read that I can renew my driver's license by mail from now on. Is that true?

Governor: If you are under 71 years of age and your record has been free of driving violations for the previous years, you may renew your license by mail for one four-year period. You must certify to your physical ability to operate a motor vehicle. The new law also allows new drivers to waive a road test if they have passed a driver education course which included at least one hour of driving on a freeway. In addition to the convenience this measure will offer Michigan motorists, it is expected to save the state approximately \$500,000.

Question: My children brought home materials during Michigan tornado safety week that said our state is hit by an average of 17 tornadoes a year. Was the recent Kalamazoo tornado the worst?

Governor: Michigan experienced its worst tornado day on Palm Sunday, April 11, 1965, when several tornadoes struck the southern counties and caused 53 deaths and \$51 million in damages. On May 13, 1980, a tornado of similar severity struck Kalamazoo and Van Buren counties. There were 97 personal injuries and \$52.9 million in property damages, but far fewer deaths. Five persons were killed that day.

Michigan Tornado Safety Week was established to make people aware of the early warning signs of tornadoes and proper safety and emergency procedures. Much of this education is carried out in the school through materials such as those your children brought home. It is a joint effort of state, county and local emergency service coordinators, the National Weather Service, the public and private school systems and the news media.

Michigan is particularly prone to highly destructive tornadoes because it combines a location on the fringe of "tornado alley" and large concentrations of urban populations. Throughout the United States more than 600 tornadoes strike each year and, as you mentioned, an average of 17 strike Michigan. Since 1950, tornadoes in Michigan have caused 232 deaths. The education effort that begins during Michigan Tornado Safety Week is extremely important in providing lifesaving information about how to recognize the signs of an approaching tornado and what to do about it.

If you have a question for the Governor, please send it to: Ask the Governor, Executive Office, Press Section, State Capitol, Lansing 48909.

## Human Medicines Toxic to Cats

Cat owners who use non-aspirin pain relievers should never give these medicines to their pets, according to Dr. Robert Schirmer, chairperson of the Department of Small Animal Surgery and Medicine at Michigan State University.

"These are excellent medications for people, but they contain a chemical compound called acetaminophen, which can quickly kill at cat," he says.

Acetaminophen is contained in products such as Tylenol, Excedrin, Vanquish and NyQuil.

The drug attacks the cat's red blood cells, impairing its ability to carry oxygen from the lungs to the rest of the body. The symptoms are swelling around the cat's face, pale gums, and sudden collapse.

Cats with acetaminophen poisoning can be treated successfully if taken immediately to a veterinarian.

# Girls Track Team Fifth in Regional

Chelsea girls track team made fine showing in the regional at Dexter Saturday, finishing fifth in the 16-team field with 32 points. Milan won the meet with 92 points and Tecumseh was second with 72.5 points.

Tracy Bohlender turned in perhaps the finest regional performance ever by a Bulldog girl, qualifying for the state meet in three events. She started the day with a second place in the high jump at 5'. In the 100 hurdles, Tracy set a school record at :15.3 for second place behind defending state champion Martha Hans of Tecumseh who was timed at :14.4. In the 200 hurdles, Bohlender was again second to Hans at :30.8. Bohlender capped off her day by filling in on the fifth-place 1600 relay when Lisa Vandegrift became ill.

It wasn't a one-girl show for the Bulldogs, however. Sue Young set a sophomore record of 15' 4" in the long jump, earning herself a sixth-place medal. Cinda Thornton added a sixth in the discus with a throw of 89' 3". Sandra Frame established a new school record, finishing fourth in the 3200 with a time of 11:57. Frame is the only Bulldog girl ever to cover the distance under 12 minutes. The 1600 relay of

Tracy Bohlender, Carolyn Chandler, Wendy Wolfgang and Carol Warren ran its best time of the season, 4:16.9, to finish fourth.

"Tracy's performance was outstanding," said Coach Bill Bainton. "It is the payoff for a lot of work and dedication. But don't overlook the performances of the other girls. They all worked very hard in practice getting ready for that meet and it is good to see their efforts pay off."

One interesting sidelight of the meet was that each of the top five schools were from the SEC, and the other league school in the meet, Lincoln, was seventh. Commenting on this, Bainton said, "This shows the quality of the teams we've run this season and how strong girls track is in this area."

Runners from SEC schools won all but two running events and were conference qualified for the state in every event.

The Bulldogs conclude their season with the SEC meet at Dexter Wednesday, then for several runners it's on to the Honor Roll meet, June 1. Tracy Bohlender will head to the state meet at Grand Rapids, June 5.

CATHY DOLL, on third base, stretches to make a catch and subsequent out during softball action last week against Jackson County Western. The Bulldogs won the contest, 19-4, using 18

players and four pitchers in wrapping up a perfect Southeastern Conference season. Maggy Sweet had three hits and Amy Unterbrink and Amy Hume each managed home runs in the shut-out.

# Canoeing Is Popular Everywhere in Michigan

Any canoe worth his paddle will tell you that there is only one thing that he considers to be totally vital to the pursuit of his sport—water. Michigan has lots of it. In fact, with more than 11,000 inland lakes, and thousands of miles of waterways, it's not difficult to understand why canoeing is an exciting recreational activity, that attracts residents and non-residents alike.

Most of Michigan's rivers are fairly placid and extremely scenic, so it is an excellent pastime for first-timers and even families to get acquainted with in the course of a week-end. And there are areas of honest-to-goodness "white water" in Michigan for the more skilled canoeists and kayakers.

You don't even need your own canoe. Michigan's numerous canoe livery services every canoeable waterway in the state and most of them will arrange for "put in and pick up." At least one livery, Michigan Canoe Outfitters in Cadillac, even offers, for a fee, to pitch your tent, cook your meals, instruct beginners, transport you to and from your car, and clean up after you.

In the Upper Peninsula, Northland Outfitters of Germfask offers trout fishing trips on the Manistique and Fox Rivers, excursions through the Seney National Wildlife Preserve, and canoe expeditions to Isle Royale National Park.

Michigan's most famous river, the Au Sable, which flows gently past cedar-lined banks from Grayling to Oscoda, is a perfect place to start. Both of its branches are served by several canoe liveries that offer trips ranging from a few hours to two weeks.

The famous Au Sable River Canoe Marathon—240 twisting, non-stop miles from Grayling to

Oscoda—is one of the most grueling sporting events ever conceived. Although some folks once doubted that such a race could ever succeed, July 23-24, will mark the 35th "paddling" of the event, attracting the best in the world.

Expert recreational canoeists may want to try the Ocqueoc and Sturgeon Rivers at the tip of the Lower Peninsula, or the famous Two-Hearted River in Upper Michigan. Tomahawk Trails Canoe Livery will send you down the Sturgeon or the easier Pigeon River into Mullet Lake.

It is always wise to know what you're getting into... especially if it's a river. The 1982 Canoe Livery Directory, published by the Recreation Canoeing Association (RCA), lists RCA member liveries and descriptions of the rivers they service. Copies may be obtained by writing either the Michigan Travel Bureau, P. O. Box 30226, Lansing 48909, or RCA, 408 Plum Street, Grayling 49738.

## Summer Travel Guide Issued By Tourist Assoc.

The new "Summerfun" guidebook, produced by the Travel and Tourist Association of Southeast Michigan, is packed with information on close-to-home travel adventures.

Available within the next few weeks, the 72-page, four-color travel guide features most, if not all, of the major attractions in the 11 counties of Wayne, Oakland, Macomb, Monroe, Washtenaw, Lenawee, Livingston, Jackson, Hillsdale, St. Clair and Sanilac.

"Summerfun" provides helpful tips on where to camp, relax, fish, golf, sightsee, shop, swim, explore, canoe and enjoy fine dining in Southeast Michigan.

There also are sections on select nature tours, guided cultural tours and special hotel week-end package plans, for individuals, couples and families at accommodations in the 11-county region.

Included in this year's "Summerfun," which took nearly six months to produce, is a special write-up on the upcoming Grand Prix Formula One race in Detroit—the first such race in the Midwest.

Travelers and tourists also will find listing of numerous festivals and special events, including the Detroit ethnic festivals, Jackson County Fair, Port Huron-Mackinac sailboat race and the Ann Arbor Art Fair.

The colorful guidebook, with a county-by-county breakdown, contains fascinating facts on many historical attractions and communities in Southeast Michigan—providing an opportunity to learn while you relax on a close-to-home vacation this summer.

"This year, we are printing 100,000 copies of 'Summerfun'—a record number—to accommodate the current tendency for people to enjoy their vacations closer to home," said Association President Sidney L. Baker.

To complement the "Summer-

fun" travel guide, the Association maintains Traveline, a 24-hour recording that lists information on sports, festivals, theatrical performances, concerts and other noteworthy events, Baker mentioned. Traveline may be reached by dialing (313) 585-7233. Free copies of "Summerfun" may be obtained at Michigan and Ohio travel rack outlets, AAA offices, state travel information centers and other visitor information centers.

A copy of "Summerfun" also may be obtained by sending \$1, to cover handling costs, to the Travel and Tourist Association of Southeast Michigan, P. O. Box 1590, Troy 48069-1590.

## Hands-On Museum Launches Fund Raising Campaign

The Ann Arbor Hands-On Museum has launched a fund raising campaign to build exhibits, furnish rooms, and offset operating costs in preparation for opening.

The Museum, which will be housed in the historic old Ann Arbor Fire House building at the corner of Fifth and Huron Sts. has been in the planning and renovation stage for three years. The renovation has taken place as a result of generous gifts of individual members of the community, local businesses, corporations, and labor donated by building and construction trade unions.

This renovation will soon be completed and the Museum will be ready to open its doors this summer.

The Helping Hands Campaign combines newspaper advertising and a mail campaign directed at 10,000 businesses, corporations, and individual Washtenaw county residents. Contributions are being solicited in amounts ranging from \$10 to \$500 and include family and individual memberships, sustaining and benefactor memberships, as well as business and corporate sponsorship categories.

Ann Arbor Hands-On Museum will provide a seeing, hearing, touching environment in science and art, for Washtenaw county children and adults.

To make a contribution or for more information contact the Ann Arbor Hands-On Museum, P.O. Box 8163, Ann Arbor 48107.

## Good Things Growing in Michigan

By Margaret G. McCall  
Fresh, ripe, red Michigan strawberries, one of the many good things growing in Michigan, will begin appearing at grocery stores and markets about the first week of June.

These delicious berries are excellent for shortcakes, pies, preserves, jams and desserts.

Nested Strawberries 'n Cream is an easy and attractive dessert. First, bake a one-layer white or yellow cake in a greased and floured ring mold.

Wash one quart of berries, saving a few with caps for garnish. Crush just enough berries to make about 3 tablespoons. Slice and sugar remaining berries.

Place cake ring on serving plate, fill center with sliced berries. Stir crushed berries into three ounces softened cream cheese, then fold in one-half pint cream, whipped and flavored with confectioners' sugar and vanilla. Pile topping on cake or serve separately in a bowl to pass. Garnish with whole berries.

An estimated 17,600,000 pounds of strawberries were harvested in Michigan last year from 2,700 acres of land, according to the Michigan Department of Agriculture. Fresh market sales accounted for most of the total \$8,296,000 crop.

Michigan has many "strawberry patches" for pick-your-own enthusiasts. When harvesting, pinch off at the stem—leaving the cap attached to seal in the natural juices. Refrigerate berries unwashed until just before serving. Wash berries before removing hulls so water won't get into the berry and dilute the flavor or change the texture.

When choosing strawberries in the field or at your local market, be sure they are ripe. Berries with white tips will not ripen after picking. Berries which are dull in appearance and lack aroma are overripe and less flavorful.

For a listing of more than 1,000 pick-your-own farms and roadside markets, write for a free copy of "1982 Michigan Country Carousel" from the Communications office, Michigan Department of Agriculture, P. O. Box 30017, Lansing 48909.

## Special Mail Services Offered By Postal Dept.

Postmaster Richard Schuales explains that when you need to send valuables or important papers through the mail, the Postal Service recommends that you understand what registered, insured and certified mail can do for you.

By becoming familiar with these service options offered by the Postal Service, your mail will receive the best handling and the most cost-effective delivery. Registered, insured and certified all give you the customized services needed for mailing that special letter or package.

Registered mail is the safest way to send valuables. It offers special handling for your letter or package mailed at the First-Class rates. You receive a receipt when you take the material to the post office. Then, the movement of that piece is monitored from the point of acceptance to delivery. All irreplaceable articles, regardless of value, and all items worth more than \$400, should be sent by registered mail.

Jewelry, stocks and checks or money orders for large amounts are good candidates for registered mail. This type of service provides protection against loss or damage. The full value of the mailing must be declared when mailed for security and insurance purposes. The registration fee includes insurance protection up to \$25,000 for domestic mail.

The fees for registered mail depend upon the value of the material being mailed. For instance, if the value of the package is from \$101 to \$500, the cost is \$3.60.

A return receipt costs 60 cents extra, but it will allow the sender to have a written receipt of when and to whom the item was delivered. For a return receipt indicating to whom, the date and the address where the item was delivered, the fee is 70 cents.

Restricted delivery service is also available with registered mail. It allows delivery only to the addressee, or to someone who is authorized in writing to receive mail for the addressee.

Insured mail is a good bet if you are sending birthday, wedding or other gifts or fragile items. First-Class Mail, Priority, Third and Fourth-Class mail may be insured. Insurance, available for merchandise only, can be purchased for materials mailed which are valued at less than \$400. Insurance rates, like registered mail rates, vary according to the value of the material being sent. If articles are insured for more than \$15, a receipt of delivery is signed by the recipient and filed at the delivery post office. The insurance enables you to receive payment for domestic mail that has been lost, rifled or damaged. You may request a return receipt or restricted delivery when sending something insured for more than \$15.

Certified mail is your best buy if you are sending important letters, insurance forms, contracts or bids for business contracts mailed at the First-Class rate. At 75 cents plus the charge for postage, certified mail costs less than registered mail.

It should be used when the sender requires a receipt as proof of mailing. The coupon receipt is

postmarked to establish date of delivery. A record of the delivery is also kept at the addressee's post office for two years, but no record is kept at the office from which you mailed the material. You may request a return receipt or restricted delivery with certified mail.

Certified mail service is provided only for First-Class or Priority Mail containing no intrinsic value, and insurance is not available.

Certified mail labels, which may be obtained from your local post office, must be completed by the customer for this type of mail.

## Crop Acreage Reduction Signed by 63%

Earl Doletzky, chairman of the Washtenaw County ASCS Committee has announced that 63 percent of the area farms have enrolled in the 1982 Acreage Reduction Program.

The enrolled acreage represents 72 percent of the 103,712 acres of total base acreage for Washtenaw county.

The signup was required before farmers are eligible for program benefits such as Commodity Credit Corporation loans, target price protection and—for wheat and feed grain participants—eligibility for the grain reserve.

Doletzky said farmers who participate in the acreage reduction programs for wheat agree to reduce the plantings of their base acreage by at least 15 percent while feed grain producers will voluntarily reduce plantings of their base acreage by 10 percent. The acreage taken out of production will be devoted to a conservation use.

## Baseball Skills Contest Offered In Ann Arbor

The (Noon) Optimist Club of Ann Arbor and Sigma Rho Chapter, Omega Psi Phi Fraternity will co-sponsor a Tri-Star Baseball skills contest for Ann Arbor area youth. The contest consists of three basic skills—hitting, baserunning and throwing—and is open to boys and girls ages 8 through 13 as of March 15, 1982.

Trophies will be awarded to the top three contestants in each age group. Every contestant will receive a memento scorecard.

Registration for participation will begin at 9 a.m., Saturday, June 5, on the Lawton School playground (2250 S. Seventh St., Ann Arbor). The competition should begin not later than 10:30 a.m. All that is required in order to compete is the desire.

Participants may bring and use their favorite bat for the hitting skill. Metal cleats on shoes will not be allowed.

Call Victor C. Turner, Jr. (761-2236, evenings) should additional questions arise.

# Memorial Day

## A Special Tribute To All Americans

★ Memorial Day — a time when Americans throughout the nation pay tribute to all those who died in the name of their country.

★ Let's also consider this national holiday a special time for each of us to honor all loved ones who have passed on. The people who may have added a special meaning to our own personal lives.

★ Set aside this day to reflect upon the joys and the love that they brought into our hearts. Let's remember them all on this Memorial Day.

*With deepest respect, we pause and pay tribute to the memory of all who are cherished.*

**EUROPE BOUND:** Gayla Bauer will be among 272 talented musicians who will participate in the 13th annual Blue Lake International Exchange Program tour of Europe this summer. Members of four musical groups—band, orchestra, choir and jazz band—will leave Detroit

June 21 and return July 19 following performances in The Netherlands, West Germany, Belgium, France and Austria, Gayla, a member of the choir, is shown with Duane Davis, conductor, mapping out plans for cities they will include on the tour.

## Gayla Bauer Preparing for Summer European Tour

The countdown has started for 272 young American musicians who will participate in the 13th annual Blue Lake International Exchange Program this summer. Chelsea's Gayla Bauer is among this special group.

In mid-June, these instrumental musicians and singers from Michigan and various other states, as well as Canada will depart from Detroit for central Europe to engage in a month-long tour of Belgium, Luxembourg,

France, Austria and West Germany.

The students range in age from 13 to 18 and are selected on the basis of character and musical ability. While on tour, they are housed with European host families for two or three days in each community.

Bon voyage concerts, given by the band, choir, orchestra and jazz band will be conducted June 19 at Blue Lake Fine Arts Camp.

Other final concerts will be performed in Muskegon, Zeeland and Grand Rapids June 18.

The groups will also perform concerts when they return in July.

In addition to the International Exchange Program, the Domestic program will include the arrival of groups from Sweden, Norway, Austria and Japan.

## Flags Will Be Placed on Graves of War Veterans

Area American Legion and Veteran of Foreign War members are reminded that flags will be placed on the graves of deceased war veterans Thursday, May 27.

Persons planning to assist in the placement prior to the annual Memorial Day services, scheduled for Monday, May 31, are asked to meet at Oak Grove Cemetery at 6:30 p.m. Thursday.

Traditional Memorial Day activities got their start in Columbus, Miss., in 1866. From its obscure Civil War beginnings, the custom of decorating graves became a nation-wide tradition in 1868 following General John A. Logan's proclamation calling for appropriate ceremonies including the decoration of the graves of dead comrades.

Since that time, Memorial Day observances have evolved quite often into days of personal family commemoration.

Wyoming was the first state to allow women to vote.

## Campground Directory Now Available

Free copies are now available of the 1982 Michigan Campgrounds Directory for families who travel in recreational vehicles, published by the Michigan Association of Recreational Vehicles and Campgrounds (MARVAC).

The directory lists more than 50 of Michigan's finest private campgrounds. It pinpoints the campground on a map of Michigan with small maps showing how to reach each one. The campgrounds are coded with reference to 21 available camping services including swimming, fishing, snowmobiling, laundry facilities, water and sewer hookup, etc.

Dave Pickering, director of MARVAC, said that free copies of the directory are available at MARVAC member campgrounds and dealers, tourist information centers, State Police, Chamber of Commerce and other outlets.

To obtain your free copy, send a self-addressed 20-cent stamped business-size envelope to: Campground Directory, MARVAC, 19045 Farmington Rd., Livonia 48152.

## Good Things Growing in Michigan

By Margaret G. McCall  
Have you ever thought about how color influences our appreciation of food?

We have a young family friend who is a vegetarian, so I prepare extra vegetables to accompany our meat dishes when she is visiting. Thanks to all of those good things growing in Michigan, it's easy to assemble a gorgeous array of colorful vegetables with appetite and eye appeal.

One of my favorites is simple—cooked shoestring beets combined with sour cream and a goodly measure of grated horseradish. You wind up with a beautiful pink vegetable, and the horseradish gives it zip.

Carrots are always colorful—and nutritious, too. Dress them with a honey-lemon glaze, or season with butter, a pinch of dill and a little nutmeg.

I think vegetables are far more flavorful when cooked just until tender, and I don't know why old cookbooks advised cooking them so long. One old recipe says green beans should be cooked until they mash when pinched between two fingers. Imagine!

Green beans have probably been abused more than most vegetables, but crispy tender they are delicious, combined with sliced mushrooms, or crumbled bacon, or simply topped with a little hot cream and melted butter. They're good, too, served cold with French dressing, or added to a tossed green salad.

Happily, we see many vegetables served raw these days, for which we can thank the trend to calorie-counting and use of dips. What is more colorful than a tray of raw cauliflower and broccoli flowerets, celery and carrot sticks, spears of cucumber and zucchini, cherry tomatoes or wedges, green onions, small whole mushrooms, radishes, snow peas, sliced turnips.

For a tasty dip, start with fresh Michigan sour cream. To prepare curry dip, saute 2 or 3 sliced green onions in a little butter, add one tablespoon of curry and heat for a few minutes to enhance the curry flavor. Blend into one and one-half cups sour cream, chill until serving time.

A quarter cup of finely minced parsley, one minced garlic clove, and about half a teaspoon of dill weed, folded into one cup of sour cream, makes an easy herb dip.
