Children's Theatre Workshop Slated

Chelsea Players will again this year sponsor the Children's Theater Workshop beginning June 21 and continuing through July 9 in the Chelsea High school auditorium.

The workshop will be directed by Joy Stacey and taught by Brian Myers, Patrick and Phillip Powers, and Michael Smith. It will run Monday through Friday, except for July 4. Class times are 10 a.m. to 2 p.m. Cost is \$22 for one child, \$40 for two children and \$50 for three or more children from one family. All children entering second through ninth grade are welcome.

Many aspects of theater will be taught including scene painting, chorus, stage combat, easy mime, basic interpretation, character development, and advanced character analysis. All students will perform in one of the four short plays scheduled to be presented on July 9.

Registration is through Chelsea Community Education. Call Joy Stacey, 475-8323, with any questions. Late registrants may come to the first day of the workshop with their registration and fee.

All children attending the workshop should bring a bag lunch and a can of pop each class meeting. There will be an end-of-workshop pizza party with proceeds from the pop cans. Children will be divided by age for the classes but will be in mixed age play casts. They will be involved in all aspects of their play production: building sets, publicity, make-up, and acting.

Area children eager to enjoy summer fun plus learn about theater and acting in a short play should enjoy the Theater Workshop.

BOTTLE-FED BABY: South Elementary kindergartners enjoyed a trip to the Van Riper and Halst farms on Halst Rd. last week, petting and babying the babies. Enjoying the enormous amount of affection, not to mention a bottle of milk, baby calf is nurtured by kindergartners Kevin Ripper, Brad Martell, Amy Seiler, Brian Elliott and Jeff Schumacher. Conducting this year's tour of the dairy operation was Cindy Van Riper.

Players Need Costumes for 'Fair Lady'

Mary Eddy, costume designer for the Chelsea Area Players' upcoming production of "My Fair Lady," met with director Jeanette Tracy Brock and costume chairman Jerri Trotter last week and presented preliminary designs for the production. Her ideas were well received and the group is very enthusiastic about the upcoming presentation.

According to Ms. Eddy, a number of items are needed for the costuming of cast members. These items may be donated to the Chelsea Area Players or may be loaned and picked up following the July production by calling Jerri Trotter, 475-9987.

Items needed include costume jewelry (particularly rhinestones, pearls and beads), long white evening gloves, men's formal evening gloves, ostrich plumes for hats during the race scene, shawls, large cardigan sweaters, full or half white aprons, men's formal evening clothes complete with tails and accessories, suspenders, top hats and a long red coat sweater for Eliza.

Summer Band Program Scheduled

The annual summer band program is scheduled to begin Monday, June 14 and will continue for six weeks with a registration fee of \$15, payable on the first day of class. Nevertheless, if a student is unable to attend all class sessions because of vacation, Bible school and so on, the rate of payment will be \$2.50 per week for the remaining weeks.

All sixth grade classes will meet at Beach Middle school band room and will begin at 8 a.m. on Monday and Wednesday for cornet I students. At 9 a.m., clarinet I will be taught by Warren Mayer and at 10 a.m., he will instruct saxophone students.

On Tuesday and Thursday, clarinet II will be taught, beginning at 10 a.m. Bill Gourley will instruct percussion Monday and Wednesday, at 10 a.m. and he will teach cornet II at the same time Tuesday and Thursday.

At 11 a.m. Monday and Wednesday, Warren Mayer will teach oboe followed by flute in-

Civic Foundation Drive Receiving Good Response

People who live or work in Chelsea are responding well to the new Civic Foundation of Chelsea Founding Membership drive, according to Art Dils, chairman of the Temporary Steering Committee.

"We on the Temporary Steering Committee are overwhelmed with the tremendous response we have had to our Founding Membership Drive," said Dils. "We are well over the halfway mark now. Even people who have not yet been approached by a member of the Steering Committee are asking to become Founding Members. This clearly shows a high level of interest in this kind of community effort."

Dale Heydlauff, who has lived in Washington, D.C., for the past several years, read about the new Civic Foundation in The Chelsea Standard, to which he subscribes. He telephoned Art Dils asking if

he could become a Founding Member even though he lives in Washington, D.C. Dils replied that he would be welcomed as a Founding Member.

The Civic Foundation of Chelsea is established to raise funds in order to finance community projects and programs which are not fundable from existing sources.

The Temporary Steering Committee is currently approaching leading citizens who live or work in the Chelsea area to become founding members of the Foundation. They are: Art Dils, chairman; James Brown; Charles Cameron; Marilyn Chastein; Thomas Eisele; Dudley Holmes, Jr.; Willard Johnson; Helen Lancaster; Paul Mann; Jack Merkel; Robert Merkel; the Rev. John Morris; Ronald Olmsted; George Palmer; Kay Poljan; Jackie Rogers; Shirley Schable; Ray Van Meer; and Joan Wolf.

Founding Members, who contribute \$50, will elect the officers and Board of Trustees of the Foundation and will take part in the formation of the Foundation and the determination of its objectives and goals.

The Foundation is a non-profit organization and contributions are tax deductible.

Senior Citizens Will Observe Father's Day

Chelsea Senior Citizens' June special event will focus on a Father's Day theme and will be celebrated Friday, June 18, at 6 p.m. at the High school cafeteria.

A catered dinner by the Chelsea School District food service personnel will include pork chops, au gratin potatoes, corn, salad, bread, pie, tea and coffee and will be followed by special entertainment and prizes.

All persons attending are asked to bring their own place settings and should call the Community Education Office immediately for reservations at 475-9242.

School Election Has Three Tax Proposals, Board Member Posts

Chelsea voters will go to the polls Monday, June 14 to accept or reject a proposal seeking 20.5 mills for Chelsea School District operation. This is the same operating levy which the schools have been operating on during the current school year.

Additionally, the Board seeks a 0.5 mill increase for maintenance, which will be used for maintenance, repairs and improvements. This increase will be for a period of six years while the Board also promises to reduce the debt retirement millage from 3.5 to 3.0. Therefore, there will be no increase in the millage levy to taxpayers with the passage of both proposals.

Washtenaw Intermediate School District also seeks an approval by county voters of a 0.5 mill increase for the education of handicapped children.

In addition, Chelsea voters will be asked to elect two School Board members from a field of four including incumbents Daniel T. Snyder and Dale Schumann and newcomers to the field, Raymond Coulter and James Patterson.

The following will include brief biographical information on each of the four candidates seeking office:

Dr. Daniel T. Snyder, 51, 1325 Freer Rd., is a 10-year resident of Chelsea with his wife, Shirley, and their children, Stephen 25, Mark 21 and Bethel 18.

He is a professor of dentistry at the University of Michigan Dental school and has been a member of the ad hoc citizen committee on curriculum in 1973 and 1978. As a member of the Board of Education, Snyder has been chairman of the curriculum advisory committee composed of two board members, members of building administration and the public, involved in looking at proposals on curriculum in the schools with a strong emphasis on evaluation.

His four years on the Chelsea Board of Education, Snyder says, "have proven to be growing, worthwhile experiences" and, with current financial conditions within the state, Snyder believes that he would be able to extend his experience for an additional four years in an effort to contribute further toward the goal of high quality education.

Dale A. Schumann, 44, 667 Washington St., has lived in Chelsea for seven years with his wife, Wyn, and their children, Tracy, 20, Patti 18, Paul 16 and Tom 15.

Schumann has been a resident owner pharmacist at Chelsea Pharmacy since 1973 and is also part owner of Stockbridge Pharmacy. He is a past finance chairman for Chelsea United Way and past treasurer for the CATS board of directors.

Like Snyder, Schumann expressed interest in continuing his service to the community and the educational system within the Chelsea School District.

Candidates James A. Patterson and Raymond G. Coulter are newcomers interested in securing seats on the Chelsea Board of Education.

James A. Patterson, 34, 18839 Bush Rd., is a life-long Chelsea resident and 1965 graduate of Chelsea High school. He and his wife, Christine, has three sons, Philip 12, Jeffrey 10 and Andrew 4.

Patterson is vice-president of sales at Lee GMC, Inc. of Jackson and is a member of the Moose Lodge in Jackson. He is a member of St. Mary's Catholic church and is a former member of the Chelsea Jaycees. Other community activities in which Patterson is involved include serving as a summer baseball coach. He will direct Pony League this year.

Patterson is seeking election to the Chelsea Board of Education in hopes of finding out more about education in Chelsea with the expectation that he could take part in the decision-making processes that promote high quality education in Chelsea.

Raymond G. Coulter, 58, 15727 Gorton Rd., Grass Lake, has lived in this area since 1971, after years of spending his summers

here. Seeking his first political office, Coulter is a bus driver for the Chelsea School District, a position he has held for more than six years.

Coulter is involved with a number of fraternal organizations including Chelsea American Legion Post 31, OES Olive Chapter 108 of Chelsea, Ann Arbor Council No. 86, R & SM, Ann Arbor Commandry No. 13 KT, Order of the White Shrine of Jerusalem No. 54, Ann Arbor, the Mallet Club of Michigan, Phoenixia F & AM No. 531 of Detroit and Highland Park RAM No. 160.

In seeking the office of Chelsea School Board member, Coulter explains that his decision was based on the thinking that if you disagree, you don't complain. Instead, you make an attempt at being a part of the decision-making process.

Chelsea voters will find the polls located at Beach Middle school. They will be open between the hours of 7 a.m. and 8 p.m. Monday, June 14.

Graduation Set Sunday for 180 Seniors

One hundred and eighty Chelsea High school seniors will march to the strains of "Pomp and Circumstance" Sunday, June 13 as they take part in commencement exercises, beginning at 3 p.m.

As families and friends gather in the Chelsea High school gymnasium, the Rev. Mearl Bradley of Chelsea Free Methodist church will present the invocation followed by the playing of Chelsea High school's alma mater, performed by the band.

The Contempararies, under the direction of Tamara Barbret, will sing "Out Here On My Own" from Fame, and Margaret Sweet will present a speech entitled "Let the Child Go."

Phillip Powers will follow Ms. Sweet with his presentation, "Rainbows, Goals, Dreams."

Rides Offered To Voters in School Election

The annual Chelsea School District election will be held Monday, June 14. Polls will be open for the electorate between the hours of 7 a.m. and 8 p.m.

Persons in need of transportation to the polls between the hours of 8 a.m. and 6 p.m. are asked to call Thornton Realty, 475-9193, for rides during that time frame. These arrangements were made possible by Darla Bohlender.

under the direction of Bill Gourley, will present "American Civil War Fantasy" by Jerry Blikk prior to the certification of graduates by Superintendent of Schools Raymond E. Van Meer.

High school Principal John Williams will then present the Chelsea High school graduating class of 1982 and diplomas will be presented by Ann Feeney, Dale Schumann, Lloyd Grau, Earl Heller, Dan Snyder, Phil Barelis, Bob Benedict, Wayne Welton, Dorr Whitaker and Martin Tobin.

Thereafter, the Rev. Mearl Bradley will conclude the ceremony with a benediction followed by the recessional of 1982 graduates.

Summer Reading Program Starts Monday at Library

McKune Memorial Library will again sponsor its summer reading program for local children. This year's theme, "Readik's Cube," will get underway Monday, June 14 and will feature a word search reading game.

Questions to be answered will include "how many can you find and read hidden in the Readik's Cube?" and how do the words describe different kinds of books you can read?"

For further information, call the Library at 475-8732.

QUITE AN ACCOMPLISHMENT: Bill Nilan, owner of Chelsea Big Boy, displays a plaque earned by his restaurant for achieving the fifth highest total percentage increase of Michigan's 189 Elias Brothers restaurants. Since August 1978, Big Boy has continued to grow. Nevertheless, the Chelsea restaurant is located in the smallest town to

receive this award (other awards were given to restaurants in Detroit and other metropolitan areas), representing quite an accomplishment for the restaurant. According to Nilan, it wouldn't have been possible without the support of the community.

YOUNG AUTHORS CONTEST: Displaying their award winning books, Mindy Ryan, left and Jennifer Ghent, took part in Mrs. Clark's sixth annual Young Authors Contest at North school. Mar-

dy won first-place with her entry, "Catacombes of Death Isle" while Jennifer's second-place entry was entitled "Super Duper."

FARM / UTILITY / GARAGES / COMMERCIAL

★ **MICHIGAN MIRROR** ★

By Warren M. Hoyt, Secretary, Michigan Press Association

Citizen Groups Take Three Initiated Laws To Ballot
 Certain citizen groups evidently feel the Legislature is not addressing three areas they feel important.

The groups, seeking initiated laws to curb utility rates, to call for a nuclear weapons freeze and to eliminate due-on-sale clauses in mortgages, have filed petitions to get the question on the 1984 ballot. One such question seeks to cut welfare benefits in Michigan.

The utility rate proposal, spearheaded by Attorney General Frank J. Kelley and the Michigan Citizen Lobby, would ban automatic rate increases to cover a utility's increased costs for fuel or purchased power, requiring full contested hearings on those rates as on regular rate requests.

The proposed act would further prohibit a utility from asking for a rate increase while a prior rate case is pending and prohibit the Public Service Commission from holding two or more hearings on the same case at the same time.

Kelley said the proposal would return utility rate regulation to the method used for 50 years.

He added he would actively oppose efforts by the Legislature to put a competing proposal on the ballot, a move often only leading to voter confusion.

Meanwhile, Representative Jack Gingrass (D-Iron Mountain) is reviewing a proposed legislative alternative to the petition drive as the Legislature has another 40 days beyond the petition deadline to approve or reject a proposed initiated law.

The House Economic Development and Energy Committee, which Gingrass chairs, is discussing the possibility of the Legislature drafting a legislative initiative that would also prohibit automatic pass-through rate increases for natural gas and electric utilities.

Gingrass suggested that such a proposal might be drafted because of concerns that the in-

itiated proposal could prove detrimental to consumers and utilities alike.

Another 375,000 signatures were filed in favor of a proposal calling for a freeze on the development of nuclear weapons. The proposal requires the Legislature to petition the federal government for a freeze in the development and deployment of nuclear weapons.

Michigan would be the fourth state to have a proposal on the ballot in November along with California, Wisconsin and Rhode Island. New Jersey could follow as a proposal in that state is waiting the signature of the governor.

The mortgage proposal, banning mortgage clauses requiring the payment of the balance of the mortgage when a house is sold rather than permitting a buyer to assume the mortgage and its existing interest rate, was backed by an estimated 330,000 signatures.

Initiated laws require an estimated 239,377 valid signatures to get a question on the ballot.

The welfare limitation amendment—setting benefits at the average of the five surrounding states of Minnesota, Wisconsin, Illinois, Indiana and Ohio—fell about 75,000 signatures short of making the 1982 ballot.

The petition drive will continue, said leader Nancy Clark of a group called "Save Our State."

She said the group now hopes to complete the requirements by June, with an aim at qualifying for the 1984 ballot.

Clark said the recently-enacted income tax increase, the urging of Florida officials that refugees go to Michigan for welfare benefits, and the organizational aid of the state Chamber of Commerce were all enormous assistance in the last month, but they came too late. She concluded the main problem encountered by petitioners was apathy.

Chisel Plowing, No-Till Planting Cost-Sharing Offered in Saline Valley

Farmers interested in adapting chisel plowing or no-till planting on their land could be eligible to receive financial assistance through the Saline Valley Pro-

ject. On eligible fields, the project is paying \$9/acre/year for chisel plowing and \$15/acre/year for no-till planting. Cost-sharing is available for three years per farm.

The Saline Valley Project, part of USDA's Rural Clean Water Program, is cost-sharing these soil conservation practices because they reduce soil erosion and lead to cleaner water in our streams and lakes.

To be eligible, fields need to be in the Saline Valley Project area, and have a soil erosion problem which results in soil being washed or blown into ditches, streams or lakes.

"Many farmers are interested in switching to these conservation methods, especially chisel plowing, because besides saving top soil, they also save time and fuel in the field," notes Ron Struss, Saline Valley Project coordinator. "However, due to the tight farm economy, many are reluctant to make the needed equipment purchases to make the changeover," he continued. Struss pointed out that the cost-share program through the Saline Valley Project can make equipment purchases affordable in these times of tight budgets.

More information on the Saline Valley Project's cost-share program may be obtained by calling Ron Struss at the Washtenaw County Co-operative Extension Office, 973-9510 or by visiting the Washtenaw County ASCS or SCS Offices.

Yours truly,
 Uncle Lew.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ed Doolittle told the fellers at the country store Saturday night that he watched his old lady work her flowers one evening last week and realized all over agin that hope really does spring eternal. Ever spring she vows she's not going to fight that garden, but she does. Ever summer she says she can't find time to weed and water her little patch of color, but she can. Wimmen, of all God's creatures, never run out of hope, Ed said, so they keep on marrying, raising children, gardens and sand with their husbands in hopes somepun, if not everthing, will work out.

It ain't wimmen so much as human beings, allowed Zeke Grubb, and farmers and ranchers are right up there at the head of the class. Zeke said he is of a mind they are like soldiers in battle. They keep on going in the belief there ain't no bullet out there with their name on it. One dairy farm gives up the ghost, Zeke went on, and another dairy farm borrows money to buy the cows in hopes of better days. It seems to him, Zeke declared, that as often as a farmer's faith is shaken in April's flooding, freezing and tornadoes it is renewed in the glories of June. As long as the shaking and the renewing work out even he keeps on keeping on, was Zeke's words.

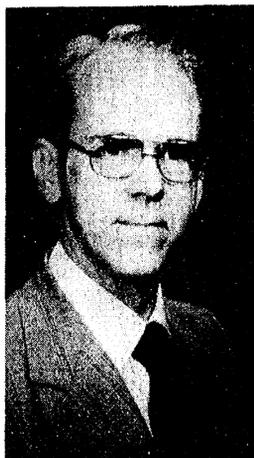

The fellers was full agreed with Zeke. Bug Hookum said he saw this item in the papers a few weeks back where a late cold spell wiped out the peach crop in the South, and one young farmer said "Mother Nature just wrote off a year of my life." Even while he was saying it, Bug said, he was working to save what was left of his strawberries and to git his vegetables planted. Men and wimmen that work the land have enough hope fer the rest of us, Bug said, and knowing they never give up makes us hang on a little longer.

Speaking of hope, Clem Webster saw this clipping where the Postal Service is going great guns agin this summer. The mall took in \$436 million more than it spent last month, Clem said, and there's even talk that next year's postage hike might be put off. Clem said the Postal Service begins in October, and it runs a sure cycle. It goes down, then way down, then up, way up, and

down, down, down through September. Clem said he hopes he's wrong, but he's betting all that Postal Service black ink will be flowing red by fall.

Fer sure, Ed said, anything to do with the Federal Government can find ways to lose money. He had saw where Uncle Sam lost \$280 million in the past four years selling timber to cheap in the national forests. Not only has he been cheating himself, Ed said, but he's been hurting sales of 30,000 owners of private woodland. No wonder the Governurment plans to sell \$2 billion of excess land and buildings this year, Ed said. With that kind of property management Uncle Sam ought to sell off his holdings, Ed declared, since he owns more than 400,000 buildings and a third of all the land in this country.

From Ed's report, Mister Editor, it looks like the way to deal with Uncle Sam is to buy him for what he thinks he's worth and sell him for what he's really worth.

BANNISTER-BUXTON: Mr. and Mrs. Curtis Bannister of Marquette have announced the engagement of their daughter, Terry Marie, to Kenneth Dean Buxton, son of Mr. and Mrs. Charles Buxton of Ann Arbor. The future bride is a graduate of Marquette High school and is attending Cleary College. She is employed at the Ann Arbor Credit Bureau. The prospective bridegroom is a graduate of Chelsea High school and the University of Michigan School of Engineering. He is employed as a systems analyst at Ann Arbor Computer. A July 17 wedding is planned. The couple will reside in the Ann Arbor area.

ABWA Chapter Presents 5 Scholarships

Chelsea Charter Chapter of the American Business Women's Association held its monthly meeting Thursday, May 27 at the Wolverine Lounge. Fourteen members and 10 guests were present.

Guests included scholarship recipients Christine Esch of Stockbridge, Denise Campbell of Pinckney, Holly Dennis of Horton, and Debbie DeSmythers and Amy Unterbrink of Chelsea. Each was presented a \$200 scholarship check. Also present were Geraldine Campbell, Sue Esch and Larry Tuckerman and Allie Unterbrink.

Guest speaker Fred Mills, assistant superintendent of Chelsea schools, spoke on millage renewal. Mills supplied fact sheets which helped the members understand more clearly the points he presented. When the voters go to the polls they will be voting on a millage renewal not an increase. A question and answer period followed Mills' talk.

During the business meeting it was announced that Melanie Schneider, daughter of Shirley and Don Schneider, is the recipient of the President's Scholarship Award given by Apollo Chapter of Jackson. The Apollo chapter sponsored the organization of the Chelsea Charter Chapter.

Benefit Art Show Now Underway at Manchester Gallery

A collection of 15 paintings by Jack Ulrich will be showing at the Manchester Art Gallery from Friday, June 4 through Sunday, June 27 with an opening reception from 6 to 9 p.m. on June 4.

Most of the contemporary style paintings are the artist's favorites which were singled out from several series of works done since 1971. By exhibiting only particular paintings out of each series Ulrich hopes to demonstrate how a style of painting can change over time and yet retain continuity with previous ideas.

The exhibit will be a benefit for the Black Sheep Repertory Theatre and thus all purchases are tax deductible as donations to the theatre.

HOSIER-CORSER: The engagement of Joyce Hosier to Kyle Corser has been announced by the bride-elect's parents, Mr. and Mrs. Phillip Hosier of Grass Lake. Joyce is a 1978 graduate of Chelsea High school and is currently employed by Jodon, Inc., Ann Arbor. Kyle is a 1976 graduate of Chelsea High school and is currently employed by Ann Arbor Autobody. The future bridegroom's parents are Mr. and Mrs. Harold Corser of Gregory. No wedding date has been set.

Ruth Circle Notes

The last regular meeting of the Ruth Circle, Christian women's group, was held on Wednesday, May 19 in the Crippen Building of the Garden Apartments. There the group enjoyed a noon pot-luck feast.

Mrs. Carmen Jones, assisted by Mrs. Florence Simmons, gave the devotions.

Meetings for the summer months will be dispensed with and regular meetings will be resumed in September.

Ann Arbor Symphony Volunteam Meeting To Plan Summer Events

The Volunteam, an auxiliary service group for the Ann Arbor Symphony Orchestra, will meet Tuesday, June 8, at 6 p.m. in conference room 5 of the Michigan League. The meeting is open to anyone interested in assisting the orchestra on a volunteer basis with such activities as concert ushering, fund raising, refreshments at rehearsals, assistance to the elderly and handicapped at concerts, newsletter items, a booth at the Art Fair, and the geranium sale.

More information about the Volunteam may be obtained by calling one of its co-coordinators, Ibi Cieslar at 971-3118 days or Judy Patam, 974-7936, evenings.

Hospice Plans Informational Meet

Who helps the dying in Washtenaw county? The Hospice of Washtenaw, a non-profit health care agency, trains and utilizes volunteers in the care of the terminally ill and their families. Volunteers help families in a variety of ways—through supportive counseling, friendly visiting, health care education, light household chores and errand assistance. Other volunteers serve on planning committees, assist in office operations, publicity, and public speaking. Hospice volunteers come from all walks of life. It is not necessary to have a background in health care to be a hospice volunteer.

Anyone interested in learning more about the Hospice of Washtenaw is urged to attend an informational meeting to be held on June 7 at 7:30 p.m. at 2530 S. Main St., Ann Arbor.

Please call 995-1995 if you would like more information.

Mr. and Mrs. Robert Van Orman

Marie Klink, Robert VanOrman Speak Vows at St. Mary Church

Marie Louise Klink and Kevin Robert Van Orman were married Friday, May 14 at 5 p.m. at St. Mary's Catholic church.

The bride is the daughter of Mr. and Mrs. Fred Klink, Jr., 21385 Waterloo Rd., Chelsea, while the bridegroom is the son of Mr. and Mrs. Robert Van Orman of 244 E. Main St., Milan.

Kathy Sanford sang "Annie's Song," "Wedding Prayer," and "Love the World Away" during the ceremony, accompanied by Jerry Hubbard on organ.

The bride chose a white chiffon over taffeta gown featuring a netted neckline and trimmed with seed pearls. The gown terminated in a chapel length train edged with ruffles. She wore a Spanish mantilla-type veil and carried a bouquet of white daisies, roses and baby's breath.

Serving as maid of honor was Mary Catherine Klink, sister of the bride. She chose a lime colored gown featuring a pleated skirt and small chiffon capelets. She carried a bouquet of yellow daisies, white roses and baby's breath.

Bridesmaids included Lauralyn Klink of Dexter, sister of the bride, Judy Schaeffer of Chelsea, friend of the bride, and Kim Hawkins of Milan, sister of the bridegroom. They wore dresses and carried bouquets

similar to that of the maid of honor.

The bride's mother chose an aqua colored, V-neck single net gown with long chiffon sleeves while mother of the bridegroom chose a rose colored net over taffeta gown featuring a high neck and mandarin collar.

Serving as best man was David Everard of Ann Arbor, a friend of the bridegroom. Ushers included Tim Klink of Chelsea, brother of the bride, Mike Hawkins of Milan, brother-in-law of the bridegroom, and David Wilde of Belleville, a friend of the bridegroom.

Immediately following the wedding ceremony, a reception was held at the Dexter Knights of Columbus Hall. Sheryl Kiel attended the guest book while Patti Shoemaker cut cake for 250 guests. The wedding cake was made by Debbie Klink.

Thereafter, the couple departed on a one-week honeymoon to Florida. They are at home in Milan.

The bride is a 1980 graduate of Chelsea High school and is employed as an estimator at Braun-Burnfield, Ann Arbor.

The bridegroom is a 1976 graduate of Milan High school and is employed as a printing press operator at Braun-Burnfield, Ann Arbor.

Mr. and Mrs. James Fink

Elizabeth Collins, James Fink Are Wed at Methodist Church

Elizabeth Collins and James Fink were married at 7 p.m. Friday, May 7 at First United Methodist church. The Rev. Marvin McCallum and Judge Robert Fink officiated at the candlelight ceremony uniting the daughter of Mrs. Norene Asillo of Chelsea and the late Jack Collins and the son of Judge and Mrs. Robert V. Fink of Ypsilanti.

Allan Gwyllt of Ypsilanti provided music at the ceremony.

The bride chose a floor-length white gown trimmed with chantilly lace. It featured a flowing train. She wore a ring of white fressia, roses and baby's breath in her hair and carried a bouquet of similar flowers. She walked down the aisle on the arm of her uncle, Basil (Roy) Greenleaf.

Maid of honor was Elizabeth Flanagan of Chelsea. She wore a pale orchid dress and carried a bouquet matching that of the bride with carnations added.

Acolytes were Deann Collins, sister of the bride, and Tylene Greenleaf, cousin of the bride.

Best man was Robert C. Fink, Jr., while ushers included Karl Fink, Andrew Fink and Lester Heddie.

Following the ceremony, a reception was held in the church social center with the bride's aunts and uncle assisting. Mrs. Loyadel Keezer designed the floral arrangements and Colleen Thompson, sister of the bride, attended the guest book.

Thereafter, the couple traveled to the east coast for 10 days. They will reside in Ypsilanti.

The bride attended Western Michigan University and is employed at Washtenaw County Sheriff's Department. Her husband attended Eastern Michigan University and studied law. He is also employed at Washtenaw County Sheriff's Department.

Workshops Set At Waterloo Area Farm Museum

Waterloo Farm Museum, located three miles west of Waterloo on Waterloo-Munith Rd., is again co-sponsoring classes and workshops in Early American arts and crafts.

The classes, held throughout the summer, will be conducted on the grounds of the Museum.

In the Museum's rustic setting, shaded by ancient oaks and maples, participants can enjoy a peacefulness while learning basket making, rug hooking, wheat weaving, and the art of pot pourri.

In each class participants learn these crafts through creating their own article to take home.

Classes, dates, and times are as follows: basket making, Aug. 14, 10-3; rug hooking, Aug. 28, 10-3; early American rug hooking, June 9, 16, 23, 30; pot pourri for many uses, July 24, 10-12; wheat weaving - basic lessons for beginners, June 5 10-2.

Registration information, course descriptions and fees, may be obtained through the Chelsea Community Education office, Washington St., Chelsea 48118.

PAWLOWSKI-TOLES: Cheryl Ann Pawlowski and Robert Gregory Toles are engaged and planning an Aug. 14 wedding, as announced by the bride-elect's parents, Mr. and Mrs. Steven Pawlowski of Chelsea. The future bridegroom's parents are Mr. and Mrs. Gerald Toles of West Palm Beach, Fla. Miss Pawlowski is a graduate of Chelsea High school and has attended Albion College, Eastern Michigan University and has received her associate's degree in nursing at St. Clair College—School of Nursing. She is employed at Port Huron Hospital—Medical Surgical Unit. She will receive her bachelor's degree in nursing in September. Her fiancé graduated from Port Huron Northern High school and received a bachelor's degree in psychology and public law at Eastern Michigan University. He is employed as adult probation officer for St. Clair county.

Procurement Conference Scheduled Monday

The second annual Procurement Conference organized by Congressman Jim Dunn (Mich.-6) to inform mid-Michigan businessmen on available federal contracts will be held June 14 from 8 a.m. to noon at Kellogg Center on Michigan State University campus in East Lansing.

"Federal contracts are an excellent means of expanding our state's business base," Congressman Dunn said. "The procurement conference will give businessmen an opportunity to learn ways of being more competitive in bidding for these contracts."

Experts from the Department of Defense will discuss projections for the use of weapons and equipment by the Defense Department during the next five years to inform firms on how they will need to tool up for contracts, Congressman Dunn said.

Another specialist will discuss the role of small business in procurement programs, while representatives of some prime defense contractors from around the country will talk about the potential for small businesses from mid-Michigan to get work as subcontractors, he added.

Also included as a speaker during the conference will be Roger

Clindorf of the Tri-County Private Industry Council, who will be discussing the council's outreach programs.

"There will be several excellent speakers to give insight into the federal contracting process," Congressman Dunn said. "I urge everyone, including businessmen and private citizens, to attend the conference."

Speakers at the conference will include Dr. David L. Blond, senior economist within the Office of the Secretary of Defense; James H. Korde, director of the Defense Industrial Support Office; Burt Bartsch, industrial specialist for the Defense Industrial Support Office; Roger

Sattler, assistant director for the Office of Installation and Economic Adjustment; John Kavanagh, president of the Economic Research Council; and John H. Harvie, small and disadvantaged business utilization specialist.

Congressman Dunn and Defense Department officials will be available at a press conference prior to the start of the program.

Chelsea Hospital Offering Summer Speech Programs

Chelsea Community Hospital is once again offering summer Speech and Language Therapy and Sensory Integration Programs.

Beginning June 29 and ending Aug. 12, the programs will be offered Tuesday, Wednesday, and Thursday between the hours of 9 a.m. and 1 p.m. at North Elementary school, in Chelsea.

The Speech and Language Therapy Program is for pre-school and school-age children with language development, pronunciation, stuttering, cleft palate or other communication problems. Small groups will meet for one hour each day. A parent group will also meet once a week at Chelsea Community Hospital to discuss methods of promoting health speech and language development.

The Sensory Integration Program is for children of pre-school and elementary age who have poor co-ordination, short attention span, developmental delays and other such problems. The program will be held for two hours a day.

For further information about these programs, contact Kathleen Anderson for the Speech and Language Therapy Program; or Pat Kubany for the Sensory Integration Program. Both are available at 475-1311.

A scholarship program is being offered. For parents who qualify, scholarship money is available for program fees. Contact the Hospital Business Office, 475-1311 Ext. 219 for details. Scholarship application is due June 15.

Letters to the Editor

Dear Editor:

I believe that everyone should speak out on their own feelings. That is what Mrs. Millie Warner does. There is nothing wrong with it. Although I have been known to disagree with Mrs. Warner, the letter she wrote about abortion touched me. I think it is the best letter she has ever written.

The last two letters criticizing Mrs. Warner shocked me. If this woman who signed "My name is Legion" doesn't care how her society lives, then she needs to be prayed for.

I can safely say that most teens know the consequences of intercourse. Most younger children know about some things that they should not do. I know how teens think. I am one. I doubt if many talk about it with their parents. Anyway, I've seen young kids going out with people in their twenties. How can the parents allow this? Were they unwanted children? Come on!

I'd like to know how this woman gets her facts. Not all unwanted children (at the time of considering abortion or at birth) are neglected or abused. How does she know that those children born into incestuous homes will be abused? How does she know all will be stunted mentally or physically? How does she know that they will live on the streets or in institutions?

How can she use this "all" reasoning? It sounds as if she means every single unwanted child. There are no statistics which are 100%. Not all unwanted children stay unwanted. Many may find love some place.

This woman called Mrs. Warner's letters "scriptures." Well, Mrs. Warner knows what she is talking about. This woman is trying to use unwanted children as a scapegoat for all the trouble and problems in the world.

What if Albert Einstein, Abraham Lincoln, Susan B. Anthony, George Washington or any other famous person, or any other person of the past were an unwanted pregnancy and were aborted? What would the world be like?

"My name is Legion," if you were talking about your own children as being unwanted pregnancies, I certainly hope that they cannot read or they do not know that you wrote it (the letter). Personally, if I were your child, I could not love you. I could love other people. If you could stand "a part of yourself" not loving you, then you do need to be prayed for.

I thank God every single day for my mother.

In response to Mrs. Dan Knight's letter, I don't see anything tasteless about reprinting something of a worthwhile cause to read. Mrs. Warner is not an agency. She is a person with feelings trying to get a point across to some people who care.

A Concerned Teen.

Dear Mr. Editor,

I think it is about time we all called a halt to the published battle between "St. Millie" and all your other readers. Let's quit beating around the bush. Everyone is sick to death of reading her inane letters. I truly believe in freedom of the press, it is one of our inalienable rights—but there is also such a thing as taking total advantage of that freedom! Most newspapers set a limit on how many words per letter and how many letters per month they will publish from one writer. All we are doing is feeding her ego and encouraging her to go on writing. Let's call a truce!

Fed up with the whole thing.

To the Editor:

Hurrah! for "My name is Legion"! Her letter is one I should have written! I get so sick of all the cat-worling about abortion, I could scream or throw up! Not once have I ever heard a suggestion by any of the Profifers that it takes two to tango! Or that the man or boy should practice some self restraint! That solution would be beyond reason!

Since most of the judges are men and the people, or should I say political pawns, who have the job of child-placement are afraid of their push jobs, push in the sense that once they have that kind of a job they are there till retirement if that is what they choose! They do not have to live by the results nor do they have to see them, unless the child support is not forthcoming. It is a lucrative trade and a commodity they are always assured of a supply!

A few weeks ago, in the A.A. News, there was an adv. which read, "Certified, emotionally impaired teacher wanted to teach math, English, and reading. It had the place and the person's name to call. It was right after the Sunday paper, which carried the poignant story of "Love of two Fathers." I then wrote a letter to the editor which Don Faber has not yet printed. In it I wondered "How many certified emotionally impaired judges, lawyers, social workers are making decisions on the lives of these children, and could this be part of the problem?"

Have you ever heard of one person advising a boy, that the seed he planted was part of himself? That if you plow a field, and seed it, you should be prepared to reap it? Why is the burden always on the girl? Who would suggest that after two or three girls are raped, molested, impregnated by the same man, that that man be subjected to a vasectomy! Oh! No! that would be cruel and inhumane treatment! Why? Well, most legislatures are men, as are judges and lawyers! They take that as their God-given right! It is time the thinking was changed!

The churches are saying it is a crime against God to destroy life, but has one ever suggested that men and boys not be doing that? Who rapes and abuses little children? Sure it is a sick mind, but we are a sick nation! We not only allow it, we glorify it, with sex on everything. TV is full of it, as is every magazine! Can't even sell a car without a sex symbol displayed. I ask you, is that for the benefit of women? So again, my hat off to "My name is Legion." It needed writing! And thank you, Mr. Editor, for printing it.

Dorothy Hunawill.

To the Editor:

I do not agree with the position that some churches, schools and community organizations are advocating in regards to nuclear weapons. As a result, American people are being presented with a parade of demands for a nuclear freeze. The most common of these calls for an American-Soviet agreement to stop all production, deployment and testing of nuclear weapons. Others, unbelievably seek to have America take such a momentous step alone—no matter what the Soviet Union does.

America's ability to defend itself should be second to none. War is not inevitable as we are being told. But, if we allow our nation to be disarmed, Communist slavery will certainly be our fate. We should demand that our leaders cease making agreements with the Soviets who have frequently boasted and just as frequently demonstrated that "Treaties are made to be broken."

No one should have to be reminded that the way to stay free is to be stronger than any potential adversary.

Mrs. Louise Rickert.

Amtrak Discontinues Chelsea Stop

Amtrak's state-supported "Michigan Executive" commuter rail service to Detroit from Jackson, Chelsea, Ann Arbor, Ypsilanti and Dearborn, will be reduced beginning June 14, the Michigan Department of Transportation (MDOT) said this week.

Transportation revenue short-falls will eliminate all but the Ann Arbor-Detroit route segment, 50 percent of the annual train miles now being operated.

State subsidy will be reduced approximately 30 percent while the most heavily used segment of the route is retained.

Despite the service reduction, MDOT officials estimate that annual ridership should remain nearly constant at approximately 55,000 to 60,000 passengers a year. Costs to the state for the reduced service level should drop from approximately \$300,000 to approximately \$200,000 annually.

Elsewhere in Michigan, Amtrak will continue to operate the state-supported Blue Water Limited linking Port Huron, Flint, Lansing/East Lansing, Battle Creek, Kalamazoo and Chicago, as well as three daily trains between Detroit and Chicago with stops at Ann Arbor, Jackson, Battle Creek, Kalamazoo and Niles.

Amtrak also offers overnight rail passenger services linking Michigan with New York City and Boston.

Bruce Fairbanks Earns U-M Degree

At spring commencement exercises at the University of Michigan, Bruce Fairbanks of Chelsea received a bachelor of arts degree from the College of Literature, Science and the Arts.

Fairbanks is a 1978 graduate of Chelsea High school and lives on Rustic Dr., North Lake.

KIWANIS INDUCTION: Two new members of Chelsea Kiwanis Club were inducted at the organization's May 24th meeting. They were Robert Riemenschneider and Herman Radloff. Performing the induction ceremony was Mike Totosciuk, Division 10 Trustee of the Kiwanis of Michigan Foundation, who also presented the club with a supply of "Going to the Hospital" coloring books and crayons for children to assist them in adjusting to hospital life when patients at Chelsea Community Hospital.

Former Chelsea Girl in Teenage Pageant Finals

Sixteen-year-old Tiffany Taylor, daughter of Mrs. Jackie Perry of Presque Isle St., Marquette, and Bill Perry of East St., Chelsea, has been selected as a state finalist in the 1982 Miss United Teenage Pageant to be held at Adrian College at 7:30 p.m. July 22.

The pageant is the official state-wide finals for the Miss United Teenager Pageant.

Contestants from all over the state will be competing for the title. All contestants are between the ages of 14 and 18 and must have at least a "B" average in school. Tiffany, a junior at Marquette Senior High school, is a member of the National Honor Society, is a 1982 delegate to Girls State, the recipient of the 1982 Kaufman Scholarship, a church school teacher at Grace United Methodist church and a member of the French Club. She also participated in a 10-day tour of France this past March.

Contestants are requested to participate in the volunteer community service program of the Miss United Teenager Pageant. Through this program, many youngsters are becoming involved in community activities by contributing at least eight hours of time to some worthwhile charity or civic work of their choice.

The winner of the state finals of the Miss United Teenager Pageant will receive an all-expense paid trip to compete in the national finals, a three phase pageant in Hollywood, Calif., Honolulu, Haw., and Washington, D. C., where she will compete for \$15,000 in cash scholarships, a new car for her reigning year, \$5,000 personal appearance contract, \$2,000 wardrobe and other awards.

Contestants will be judged on scholastic and civic achievements, beauty, poise and personality.

No swimsuit competition is required. Each contestant will write and recite on stage a 100-word essay on the subject, "My Country."

Tiffany is sponsored by Progressive Day Care. Her hobbies include roller skating, bicycling, swimming, reading, traveling, collecting dolls and decorating doll houses.

Miss United Teenager Pageant also offers a scholarship for the girl selling the most advertising to appear in the state program. This advertising money is used to meet the costs of producing the pageant and awarding the gifts and scholarships to the girls. Local businesses who have purchased advertising from Tiffany include Chelsea Laundry, Cavanaugh Lake Store and Tom Steele's Heating and Cooling.

When living in Chelsea, Tiffany attended South Elementary and Beach Middle schools. She is the niece of Becky Taylor of Chelsea, Bob and Jan Taylor of Chelsea, Tom and Sarah Steele of Chelsea and Lon and Donna Taylor of Stockbridge.

Fried chicken is America's most popular main dish.

Editor: Usually I'm not offended by Millie Warner's letters; I check the bottom line first and ignore any with her signature. But I was asked to read her latest and give my opinion. I will share that opinion with you.

You offend me, Mr. Editor, by printing such propaganda in the Letters column. If Millie Warner wants her excerpt from Right to Life of Michigan News brought before the public, let her place a paid advertisement.

If you want to open a public forum on the topic of abortion I'll be happy to join the debate. Millie Warner is entitled to her opinion on the subject; I am entitled to mine—even though to the best of my knowledge neither of us is pregnant. But to print the specious drivel put out by the Right-to-Lifer's plays into the hands of a group who would impose their version of right-and-wrong on us all, through force of government.

Right-to-what kind of Life? Did any of those horse apples offer to support the child of the 12-year-old western Michigan girl denied therapeutic abortion last year? A few bucks from each member, at the interest rates then current, would have created a trust fund rich enough to make that baby's life a shining example of the best this society can provide. Hey, Millie Warner, it's not too late yet to put that idea into action. I'll be glad to contribute.

Right-to-Lifer's and other close-minded groups always forget—tyranny to anyone is tyranny to everyone; to have Liberty and Justice for all, you must have it for each. The government that can compel someone to carry a pregnancy to full term may one day compel Millie Warner to delete 1st & 2nd Maccabees from her Bible and pray standing up.

Dan Knight.

FOOD BUY-LINES

By Ada Shmabarger, Extension Food Marketing Specialist
* Michigan Strawberry Crop to Peak June 10-15

Michigan strawberries have been busy doing just what they're supposed to do—getting red, ripe and juicy. They've been doing it so well that they're slated to begin coming to market during this first week in June. This is more than a week in advance of last year's late crop.

Volume will increase weekly through June 10-15, when the supply is forecast to peak. After that, strawberry volume will diminish weekly, with the harvest ending by the end of the month.

Strawberry acreage in Michigan is about 2,700 acres. This is equal to last year's acreage, but output should be larger this year because the weather to date has been superior. The 15 days of 80-degree weather in May gave strawberries a super start, according to Harvey Belter, extension agricultural agent in southwest Michigan.

The recent rains were beneficial, but the cool weather may have reduced the early volume. Belter says the berries are there, and with a few warm days, they'll be back on track. Of course, this rosy outlook can change overnight—weather during harvest is crucial. What growers don't want is really hot, humid weather—then the berries ripen all at once.

Prices of strawberries and other items are determined by many factors, one of which is grower cost. To enable shoppers to get a better idea of the cost of producing strawberries in Michigan, this marketing specialist contacted the Department of Agricultural Economics at Michigan State University. Extension specialist Myron Kelsey gave not only costs, but a minilesson on strawberry farming.

It seems that commercial strawberry production requires two years. Preparing the soil, fertilizing, planting, cultivating and even hand hoeing are required the first year to enable the plants to get a good start. There are no berries to pick this first year.

In the early spring of the second year, a mulch applied the year before is removed, insects are controlled and fertilizer is applied again. Commercial strawberry producers have the additional expense of irrigation equipment. This is required both for spring frost control and watering when rain is inadequate.

These production costs, some of which cannot be recouped for over a year, figure out to \$6.38 per 16-quart crate when yields are 400 crates per acre, according to

Kelsey. Harvesting costs (crates, baskets, pickers) amount to an additional \$7.52 per crate. This makes a total cost of \$13.90 per crate, or 86 cents per quart, before the berries have left the farm! Getting the berries picked is one of the larger costs. This undoubtedly explains why U-pick operations charge substantially less for their berries.

Whether picking strawberries in the field or at the supermarket, select those that are solid red. Check to see that berries are dry and glossy and free from decay and dirt. Green caps and stems should still be attached.

Once purchased, hurry berries to the refrigerator or freezer immediately. Sort fruit for ripeness, discarding berries that are bruised and decayed. Use the ripest berries first. Berries which will be eaten a day or two later will keep best refrigerated in a shallow baking pan. Cover with waxed paper (not plastic wrap). Wash just before using, lifting berries from the cool water. Remove caps and stems after washing. Except for Robinson, all strawberries grown in Michigan freeze very well.

Waterloo Area Farm Museum Open for Summer

Waterloo Area Farm Museum, the only one of its kind in Michigan, has begun its summer season.

Located three miles west of Waterloo on Waterloo-Munich Rd., in Jackson county, the Museum provides guided tours from 1 to 4 every day but Monday from June 1 to Aug. 31.

The Really farm was acquired in 1962 by the Waterloo Historical Society. Through the dedicated work of volunteers, the farm has been restored to its 19th century loveliness.

Besides the main house, which is authentically furnished in the period pieces, a log house of the 1840's, a barn, workshop, bake house with a brick oven, ice house, and milk cellar provide Museum guests with a nostalgic trip into Michigan's farming heritage. Each structure abounds with artifacts from the mid to late 1800's.

In addition to the guided tours provided by guides in pioneer costumes, visitors can wander the grounds enjoying the fragrances wafting from the abundant herb and flower gardens.

Four Receive National Business Student Awards

Four Chelsea students have been named 1982 United States National Award winners by the United States Achievement Academy. All four—Beth Heller, Sharon Buckenberger, Cinda Thornton and Lisa Vandegrift—earned this prestigious honor in accounting. The Academy recognizes less than five percent of all American high school students.

This quartet of Chelsea High school students was nominated for this national award by Mrs. Marian Williams, accounting teacher at the school. Their names will appear in the United States Achievement Academy Official Yearbook, published nationally.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the standards for selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities,

responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Beth Heller is the daughter of Robert and Else Heller. Her grandparents are Leroy and Clara Heller of Chelsea and Paul Knoedler of Saline. She has studied two years of accounting at CHS and will be attending Central Michigan University next fall where she will study business.

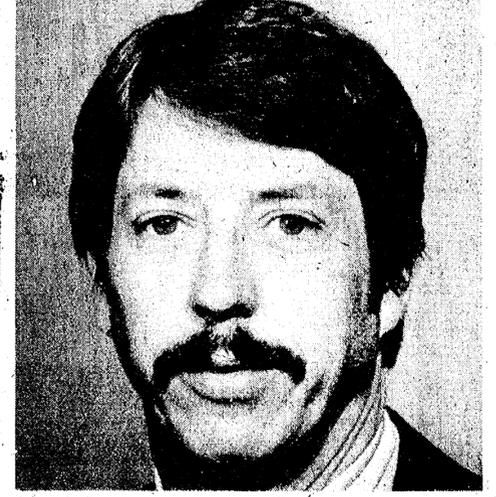

Sharon Buckenberger is the daughter of Ron and Donna Buckenberger. Her grandparents are Mr. and Mrs. John Buckenberger of Dearborn and Mr. and Mrs. Don Snyder of Lake Havasu City, Ariz. Sharon, who will be a senior at Chelsea High school next year, has completed two years of shorthand and one year of accounting. She plans to continue her business education next year in office procedures and advanced accounting.

Cinda Thornton is the daughter of Mr. and Mrs. Robert Thornton. Her grandfather is Robert Thornton, Sr., of Boca Raton, Fla. Cinda studied one year of accounting at Chelsea High school and plans to attend Northwestern University this fall, majoring in computer science and electrical engineering.

Lisa Vandegrift is the daughter of Mr. and Mrs. Thomas Vandegrift. Her grandparents are Mr. and Mrs. Lee Struble of Toledo, O. She has taken two years of accounting and plans to attend Hope College this fall.

Girl Scout Round-Up

Troop 719— Since spring, Girl Scout Troop 719 has been busy. In April, the group visited McKune Memorial Library. Mrs. Tremper and Mrs. Grenier took the group upstairs to a locked room where we learned a lot about Chelsea's past. We've been completing our Heritage Badge.

Brownie Troop 676 came to visit and we taught them several things to do at camp, showed them what we had done this year, and played a game with them.

We made buddy burners and got prepared for a week-end of camping at Linden from May 14-16. On the 13th of May we grocery shopped with Mrs. Weiner and Mrs. Grenier at Polly's. Mrs. Tremper and Mrs. Grenier took us camping and we had a great time.

Steve Jaskot and Sandy Ellenwood gave us a tour and shared special information about the fire station. We learned about clothes, different trucks and a special German helmet. We saw fire engine models donated by Phil Roy's family.

Our last meeting was May 27 where we shared cake made by Mrs. Hughes, punch and brownies Mrs. Oatis helped us make. Parents saw us awarded badges and summer events were shared. We will have a week at Core Camp, have Dairy Day with

other Chelsea troops and have a canoeing, fudge-making day with our troop.

Thank you to all those parents who helped so much this year in big and little ways. A big thank you from Mrs. Grenier to Lee Tremper, Laura White, Judy Osinski, and Jan Weiner. Parent helpers along the year included Alice Bliss, Diane Bice, Karen Dale, Nancy Hughes, Becky White and Lynn Geddes.

Martina Grenier, scribe.

In the United States, we have 74 nuclear plants now operating and 92 under construction. By 1990, nuclear energy will provide almost one-fourth of the nation's electricity, second only to coal in total output.

Outside the United States, the world has more than 70,000 megawatts of installed nuclear capacity, the equivalent of 70 one-million kilowatt plants. This will be boosted to nearly 450,000 megawatts when plants that are under construction, on order or planned are completed. France, alone plans to bring one nuclear reactor into operation every two months, on the average, between 1980 and 1985.

Video Camera Reported Stolen

During the week of May 24 a Magnavox color video camera was stolen from Heydlauff's. The camera, valued at \$750 retail, was discovered missing Thursday morning by Mark Heydlauff. Model number of the stolen

equipment is VR 8245 BK and the serial number is 30903705. Anyone with information regarding this camera is urged to contact the Chelsea Police Department immediately.

Vacation Bible School Sessions Start June 21

On June 21, Our Savior Lutheran church, 1515 S. Main St., will open its doors to children of the community with a new Vacation Bible school program. Bible school will last through June 25 and hours will be 9 a.m. to 11:45 a.m.

This year's theme is "The Lord is My Shepherd" and the children will hear the good news of God's love in a different way each day. Songs and craft projects will also follow the theme.

As part of the children's learning experience, a special emphasis will be placed on the elderly and their needs. Part of the offerings will go to the Lutheran Home for the Aged in Monroe, which was damaged by floods this spring. Bill Champion from the Chelsea United Methodist Retirement Home, will speak to the children on Tuesday and on Wednesday they will sing for the residents at the Chelsea home. A closing program will be held Friday evening.

Registration will be accepted through June 18. For further information or to register your child, please call 475-8041.

FRANK GROHS of Dexter has been elected to the 1962 Chevrolet Dealer Council for the Detroit Zone. He was elected to the Zone Council by his fellow dealers and participated in recent Zone meetings. Six regional dealer meetings were held in advance of the Chevrolet National Dealer Council meeting in Detroit during April. The Council, first founded in 1937, is organized for dealers and manufacturers to discuss areas of interests of the nearly 5,500 Chevrolet dealers. The Detroit Zone includes 79 dealers in southeastern Michigan. Congratulating Grohs, owner of Frank Grohs Chevrolet, Inc., are salesmen Fred Klink and Jeff Grohs.

More than 1,100 students are included on the dean's list for the winter semester at Western Michigan University. To be eligible, a WMU student must have compiled a 3.5 grade point average in at least 14 hours of graded work; 4.0 is all A grades.

Area students included on the dean's list were Catherine Mary Johnston, 7250 Dexter-Ann Arbor Rd., Dexter, and Lori Lynn England, 10950 M-52 and Tracy L. Fuller, 12674 Sharon Hollow Rd., both of Manchester.

Memorial Day Program Held at Waterloo Church

The 90th annual Memorial Day program was held Sunday, June 6 at 2 p.m. at the Waterloo Village United Methodist church.

Dr. M. Gorton Riethmiller served as guest speaker for the program.

Following the program, the decoration of soldiers' graves was held at Mt. Hope Cemetery. Dexter American Legion Color Guard conducted the cemetery ceremony.

Regents-Alumni Scholars Named

A total of 1,560 outstanding Michigan high school graduates who have been admitted as freshman at the University of Michigan at Ann Arbor this year, have been named by the University as Regents-Alumni Scholars.

Each year the University of Michigan selects Regents-Alumni Scholars for their "superior academic achievement and their potential contribution to the scholarly community of the University of Michigan."

A certificate for each Regents-Alumni Scholar has been sent to the scholar's high school. But, of the 1,560 scholars, 335 will receive a \$500 merit award if they enroll in the U-M in September.

The "merit" award (financial need is not a consideration in the selection) is for first-year students residing in Michigan and is not renewable. All the Regents-Alumni scholars were eligible to compete for the merit award.

Regents-Alumni Scholars are designated by the U-M Admissions office and U-M alumni play an active part in the selection procedure. The candidates, chosen from all Michigan resident applicants for freshman admission, are referred to U-M alumni for interviews and recommendations. Some 425 alumni participated this year.

Area students named as Regents-Alumni Scholars include Katharine Susan Ullman, 20931 Island Lake Rd., who was named "merit" award winner as well; Karen Marie Miller, 422 Madison; Lee Scott Redding, 46 Chestnut; Melissa Dawn Arnett, 10300 Hadley Rd.; and Catherine Diane Boonius, 13829 Riker Rd. All of these students are graduates of Chelsea High school.

Dexter students named as Regents-Alumni Scholars are

Amy Beth Owsley, 3431 Pineview Dr.; Karen Ann McCabe, 4290 Eastgate, who also earned the "merit" award; Tony Joseph McCoy, 4125 Sunset Ct.; Andrea Marion Dorney, 4230 Crestline Dr.; and Craig Richard Schwartz, 4655 Midway.

Sherri Lynn Rowe, 9570 Kies Rd. and Paul Voytas of 17723 Pleasant Lake Rd. were named Manchester's Regents-Alumni Scholars.

Pinckney High school students named to the U-M Regents-Alumni Scholars list include Robert Scott Clark, 601 S. Howell St.; Anders Preston Pedersen,

MEET CONGRESSMAN PURSELL

"The new congressional district plan adds Chelsea to the 2nd District, which I represent. I will seek a 4th term and look forward to the opportunity to serve you.

"I'm one of the few Congressmen who maintains his family and home in his district, instead of Washington. I return home every week for direct meetings with the people I represent.

"My philosophy of government is best expressed by these words of President Abraham Lincoln:

THE PURSELL FAMILY OF PLYMOUTH
 Mark, Peggy, Phil, Carl, and Kathy

"You cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong. You cannot help the wage earner by pulling down the wage payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the poor by destroying the rich. You cannot keep out of trouble by spending more than you earn. You cannot build character and courage by taking away men's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves."

Questions, Answers to School Millage Request

MILLAGE ELECTION SET FOR JUNE 14th
 Listed below are common questions pertaining to the Chelsea School District's upcoming millage election in which the schools are asking for a 20.5 mill renewal and 0.5 mill for maintenance.

ARE CHELSEA SCHOOLS' INSTRUCTIONAL COSTS COMPARABLE TO OTHER COUNTY SCHOOLS?
 YES.

| | |
|---------------|------------|
| Ann Arbor | \$2,823.74 |
| Ypsilanti | 2,250.76 |
| Willow Run | 2,116.28 |
| Chelsea | 2,025.79 |
| Dexter | 1,962.30 |
| Whitmore Lake | 1,943.79 |
| Saline | 1,876.49 |
| Lincoln | 1,819.67 |
| Manchester | 1,719.06 |
| Milan | 1,708.06 |
| Average | \$2,307.12 |

Source: WISD Summary

WILL THERE BE ANY NEW OR ADDITIONAL PROGRAMS?
 NO. The District will be operating the same programs as last year.

HAS THE SCHOOL DISTRICT MADE ANY ADJUSTMENT FOR DECLINING ENROLLMENT?
 YES. During the past three years, 10 teachers who have retired or left the system have not been replaced. Their classes and students are being redistributed among other teachers.

DID THE SCHOOLS REDUCE MILLAGE LAST YEAR?
 YES. The total millage for the Chelsea schools was reduced from 36.22 to 35.72 mills during the last school year.

HAS CHELSEA'S STATE AID BEEN REDUCED?
 YES. Due to the declining economy in the State of Michigan, Chelsea schools have received \$45,179 less in state aid than during the 1981-82 school year than was anticipated. In addition, the Chelsea schools will lose \$21,982.00 in August, 1982 as a result of an Executive Order. The schools also received \$42,419 less in federal funds than anticipated for 1981-82.

WHAT IS THE PROPOSED INCREASE IN THE 1982-83 BUDGET?

| | |
|--------------------------|---------------------------|
| 1981-82 Income | \$6,477,764 |
| Tentative 1982-83 Income | 6,891,478 (6.4% increase) |

DID THE STATE EQUALIZED VALUATION (ASSESSMENT) OF THE DISTRICT INCREASE?
 YES.

| | |
|-----------------------------------|---------------------------------------|
| 1981-82 State Equalized Valuation | \$170,673,725 |
| 1982-83 State Equalized Valuation | \$182,620,885 (7% tentative increase) |

WHY IS THE RENEWAL FOR 5 YEARS?
 The Board of Education is attempting to stabilize the operating and maintenance millage so long-range plans can be put into effect.

HAS THE BOARD PREVIOUSLY REDUCED THE DEBT LEVY?
 YES. Over the past 3 years the debt levy has been reduced from 4.6 to 3.0.

WILL THE TOTAL MILLAGE LEVY BE INCREASED?
 NO. The 20.5 mill levy for operating is the same as last year. The 0.5 mill increase for maintenance millage will be offset by a 0.5 mill reduction in the debt retirement levy.

WILL THE RENEWAL OF 20.5 MILLS AND THE INCREASED 0.5 MILL LEVY FOR MAINTENANCE MEAN THE SAME TAX RATE AS FOR 1981-82?
 YES.

| | |
|---------------------------|---------|
| Operating Millage 1981-82 | 1982-83 |
| Allocated | 11.22 |
| Extra Voted | 20.50 |
| Maintenance | 1.00 |
| Debt Retirement | 3.00 |
| | 35.72 |

(With renewal and 0.5 mill maintenance)

WHAT IS THE MAINTENANCE MILLAGE?

The maintenance millage currently is an earmarked fund that can be used only for the renovation and repair of the district's buildings. Presently we are in the fourth year of a 5-year 0.5 mill levy. It is projected that the new levy will allow the district to meet the continuing repair and renovation needs of the district's facilities.

WHY CAN'T THE BOARD TRANSFER MONEY FROM DEBT RETIREMENT TO OPERATING OR MAINTENANCE USE?
 Operating money needs to be approved by the voters. The Board can increase the levy of debt retirement to meet the bonded obligations or reduce the levy as they have pledged.

WHAT ARE THE SOURCES OF SCHOOL FINANCES?
 Chelsea schools receive financing for the operating of the schools through local property taxes, State of Michigan appropriations, Intermediate School District appropriations for special education, and from the federal government in areas of special categorical funding.

INFLATION IMPACTS OUR BUDGET
 The Chelsea School District's tentative budget has been impacted by the rate of inflation. Costs have risen as follows:

| | |
|------------------------------|----------|
| Gasoline | plus 20% |
| School Supplies | plus 15% |
| Electricity | plus 20% |
| Heating Fuel | plus 25% |
| Insurance Benefits | plus 40% |
| Workers' Compensation | plus 10% |
| Increased Property Insurance | plus 20% |

4TH IN PER-PUPIL EXPENDITURE: 1ST AND 2ND IN MATH AND READING
 The Chelsea School District ranks 4th in Washtenaw County in the per-pupil cost for school operation. However, the Chelsea School District ranks first and second in all math and reading comparisons in grades 4, 7 and 10.

GOOD SCHOOLS ARE A SOUND INVESTMENT
 Chelsea's schools are an asset to the community of Chelsea. This fine school system enhances the community, making it a desirable place in which to live.

SCHOOLS SERVE THE COMMUNITY
 The Chelsea schools serve the community's needs by providing learning experiences for all people in the community. The K-12 instructional program has an enrollment of 2,359. In addition, hundreds of students take part in band, orchestra, athletics, forensics, and other clubs and activities. Over 2,000 participants are enrolled in an extensive community education program which includes offerings in pre-school, Super Saturdays, enrichment classes, adult academic courses, and an active senior citizen program.

HOW TO FIGURE YOUR PROPERTY TAX REBATE
 Homeowners and renters who do not qualify for consideration under one of the special categories are provided a credit against their state income tax liability equal to 60% of the amount by which their property taxes exceed 3.5% of their household income. Renters are able to treat 17% of the rent they pay as equivalent to property taxes paid by a homeowner for the purpose of determining their credit. If no income tax is due, or if the credit is greater than the income tax due, a refund check will be mailed to you by the state. The maximum credit is \$1,200. Examples follow:

| A | B | C | D | E |
|-----------------------|-------------------|--------------------------|---|--------------------------------------|
| 1981 Household Income | 1981 Property Tax | 3.5% of Household Income | Property Tax Minus 3.5% of Household Income (B-C) | Amount of Credit or Refund (60% x D) |
| \$ 7,500 | \$ 400 | \$262.50 | \$137.50 | \$ 82.50 |
| 10,000 | 500 | 350.00 | 150.00 | 90.00 |
| 15,000 | 900 | 525.00 | 375.00 | 225.00 |
| 25,000 | 1,400 | 875.00 | 525.00 | 315.00 |

DO SENIOR CITIZENS GET A TAX BREAK? - YES
 The property tax relief provided to senior citizens is much greater than that provided to other taxpayers. Up to 100% of the property tax may qualify as a credit/refund if household income for qualifying persons is less than \$3,000. Qualifying persons earning more than \$3,000 receive a credit/refund equal to 100% of the amount by which their property taxes exceed a percentage of their household income as shown in the following table and examples:

| Household Income | Percentage of Income Not Refundable |
|------------------|-------------------------------------|
| \$0 - 3,000 | 0% |
| \$3,000 - 4,000 | 1% |
| \$4,001 - 5,000 | 2% |
| \$5,001 - 6,000 | 3% |
| over \$6,000 | 3.5% |

| 1981 Household Income | 1981 Property Tax | % of Income Not Refundable (from table) | Amount of Tax which is not allowed (A x C) | Amt. of Credit or Refund (B-D) |
|-----------------------|-------------------|---|--|--------------------------------|
| \$ 3,500 | \$200 | 1% | \$ 35.00 | \$165.00 |
| 4,500 | 250 | 2% | 90.00 | 160.00 |
| 6,500 | 400 | 3.5% | 227.50 | 172.50 |
| 15,000 | 900 | 3.5% | 525.00 | 375.00 |

HONORING EXEMPLARY EMPLOYEES AND 1977 AND 1982 RETIREES was the theme of an awards luncheon held by the Chelsea School District last week. Two current employees received recognition as did retirees from 1977—Lyman Johnston, Doric Schauer, Harold Schauer, Laurence Shanahan, and 1982—Frances Manzel.

Dorothy Thodeson and Florence Hakala. Just two 1977 retirees were unable to attend. Charles Lane in Florida and Jean Ashley in Ohio. Each was presented with a gold lifetime activities pass indicating the number of years served with the Chelsea School District.

Exploration Days Set on MSU Campus

56 Washtenaw county young people and adults will travel to East Lansing June 23 to participate in 4-H Exploration Days at Michigan State University, says Sara Paton, Washtenaw county 4-H Agent.

The group will spend three days learning about new career opportunities and enhancing their knowledge and skills in such areas as computer technology, Michigan government, international cooking and developing employability skills.

"Exploration Days is the only program of its kind in the country," Paton says. "Participants have a chance to learn new skills, meet new friends and sample college life at a Big 10 university."

Nearly 5,000 young people and adults are expected to participate in this year's event. In addition to taking part in learning options, delegates will also attend a number of evening entertainment offerings, including performances by the Michigan 4-H performing Arts Troupe.

"4-H Exploration Days is a memorable and valuable experience," Paton says. "Many of our delegates will be able to use the skills they gain at the event to improve 4-H activities in their communities." For more information about 4-H Exploration Days, or any other 4-H activity contact the Washtenaw County Co-operative Extension Service 4-H office, or call 973-9510.

AWARDS PRESENTATION: Board of Education President Ann E. Feeney presents Beach Middle school English and history teacher Margaret Koch with an award during the exemplary employee luncheon held last week. Honored along with Koch was High school custodian David Curtis. Their names, and the names of those cited in the future, will be inscribed on a wall plaque and displayed in each Chelsea school.

Automatic Teller Machine Coming to Ann Arbor Trust

An Automatic Teller Machine (ATM) will be installed at the Chelsea Banking Office of the Ann Arbor Trust Co. within the next few weeks. It will be the first 24-hour banking device available to residents of the Chelsea area. The new facility permits a variety of banking functions. Trust Company officials noted. They include deposits, withdrawals, transfers between accounts, loan payments, and balance inquiries. The ATM unit will operate "on line" to the com-

puter at the Ann Arbor Main Office.

Access to the machine will be facilitated by a special card, issued by the bank upon appropriate application. Each participating customer will have a confidential code number to ensure security. The ATM will be "open for business" 24 hours per day, seven days per week.

Additional details regarding open date and application procedures will be announced in the near future.

Canoeing School Class Series Offered

City of Ann Arbor, Department of Parks and Recreation, will conduct a canoeing school at the Argo Canoe Livery starting June 7. The canoe instruction classes will meet weeknights for two weeks through June 18 from 6:30 p.m. to 8:30 p.m.

Certified Red Cross instructors will cover topics such as canoe handling skills, water safety, water rescue, canoe selection and repair and river tripping. All equipment will be provided by the Argo Canoe Livery.

For information on registration call the Department of Parks and Recreation at 994-2780 or Argo Canoe Livery at 688-7411.

Neighbors Welcome Group Home

The home at 1330 W. Huron St., Ann Arbor, on Edmund Place, also known as the Douglas house

to Ann Arbor residents, is now a group home for 12 physically disabled adults. Owner Bob

Helber originally planned to build condominiums on the site; however, after realizing the extent of neighborhood opposition, decided on its present use. The neighbors were pleased with the idea and gave their full support to Helber for the zoning change needed.

From 1923 until 1968 the house was the possession of the Douglas family. Donald O. Douglas, who came to Ann Arbor when his sons were ready for college, moved in to the house soon after it was built. Ten years later, he moved to Florida and his son, Donald C. Douglas, took up residency with his four children. Donald C. Douglas, a retired mechanical engineer, still lives in the Ann Arbor area. It was a lovely home for four children to grow up in, spacious and well proportioned, with all the features found in well built homes of that period, including lovely woodwork, a fireplace and a sunporch. Its real highlight, the setting, perched on a hill with open land around it and a ravine in back, amazing just a mile and a half from downtown Ann Arbor. Mrs. Douglas' father was a landscape expert, and with his guidance the family planted trees and flowers. The effect so pleasing, won a newspaper contest for the most improved property, still remains today.

After the Douglas family moved out, the property was bought by Bill Kinley who lived in it, while renting other rooms out. The new residents, a group of unrelated people, will return the warm family atmosphere of the Douglas family.

To ready the home for the new occupants, Bob Helber put an addition on the house and built a garage. Bringing the inside of the home up to fire safety standards, as well as modernizing the wiring, plumbing, and heating. The new addition is a staff lounge in the basement, a recreation room on the first floor, and bedrooms on the second floor.

Wherever possible Helber retained the beauty of the inside of the house, leaving the original woodwork, fireplace, doors, and sunporch. Unfortunately, to meet fire codes, he had to remove the lovely wooden staircase that went up the center of the house and replaced it with a stairway.

Sluggers Lose, 1-0, In District Play-Offs

In district baseball action Saturday morning, Chelsea's Bulldogs fell at the hands of league rival Tecumseh. The Indians won the contest, 1-0, in seven innings of regulation play.

The Indians scored quickly on a walk, wild pitch, sacrifice bunt and fly ball. Chelsea came back to threaten in every inning but was unable to score, despite collecting eight hits as compared to one by the opposition. Tecumseh had just three base runners in the entire game.

Chelsea ended its 1982 season with a 15-8 slate, six of their eight losses coming by just one run.

John Welton pitched a one-hitter brilliantly but lost his first game of the season, as compared to seven victories. Nevertheless, John Preston and Ross Murphy had fine days, finishing the game 2 for 3 and 3 for 3, respectively.

For the season, John Preston led Chelsea in hitting with a batting average of .391 while Mike Gipson hit .328. John Welton, with a 7-1 pitching record, also hit well, ending the season at .355 while Craig Olmsted hit .323. Ross Murphy hit .289 and Doug

Pagliarini hit .377. Rod Robeson hit .290 and Mike Nelbauer hit .410. Pagliarini, Robeson and Nelbauer will join a second trio of juniors who will return to Chelsea's baseball team next season.

Big Boy Softball Team Undefeated in League

Chelsea Big Boy's softball squad continued its winning ways last week by pulling out a tough 8-7 win over Portage Lake Hardware Tuesday night.

Big Boy maintained their first-place status and increased their record to 6-0. Big Boy got some help as well because Omega

Farms and Central Cafe, their nearest rivals, were both defeated. Big Boy now holds a two-game lead in the standings as they continue to play aggressive ball, both at the plate and in the field.

Big Boy had to battle all the way in Tuesday's game. Chelsea had taken a 4-0 lead by scoring one run in the second inning, one more in the third and two more in the fourth. Portage came back with four in their fifth inning. Then Portage took the lead with one more run in the sixth. Big Boy came back with three more runs in the sixth inning to make the score 7-5; but Portage tied things up once more in the seventh inning. Big Boy scored in the bottom of the seventh to pull out the win.

Doing the damage at the plate for Big Boy were Todd Ortbring with two hits, Randy Brier (3 for 4 including his third home run of the year), Al Augustine (2 for 3 including a home run and 4 RBIs). Dean Theros chipped in with two hits also.

John Strong, in relief for his father Jim Strong, got the victory, his fourth against no losses in league play.

The All-Star game was played Thursday, June 3. No league play was scheduled that night. The Ann Arbor All Stars were defeated by the Midland Explorers, 6-1. Peter Finn hurled for Midland and got the win. The Explorers area formerly Midland Valley Mechanical. They are managed by Gary Dresch, a former Chelsea resident. They are an exceptional team and Finn is a top world class pitcher. The All Stars had their hands full against Finn, getting just five hits in nine innings.

Last week-end, Big Boy went to Frankenmuth for the Memorial Fast-Pitch Tournament. Big Boy had four games scheduled in the round robin tournament. They came away in a three-way tie for first place in their bracket, sporting a 3-1 record. They tied Reese Co-op and Owosso. Big Boy gained their three victories by defeating Omega Farms (their league rivals), 8-7, in nine innings. They came back with a 4-3 win over Reese on Saturday and, on Sunday, Big Boy defeated Homer, 3-1, then lost their first game of the tournament, 8-7, in eight innings to Owosso.

Having a good tournament for Big Boy were Randy Brier, Butch Bennett, Todd Ortbring and Mike Lauerman, all of whom did a fine job at the plate in all four games. John Strong and Steve Bertoso did the pitching and both continued their fine hurling.

Chelsea now has nine wins and one loss over-all. League action will resume Tuesday, June 8 with Big Boy meeting Brewer's Gulf at 6:15 p.m.

AND, SHE'S SAFE: Julie Patrick is safe after a pick-off attempt at first base during a softball scrimmage Thursday, pitting Chelsea against Brighton.

Baseball Team Downs Dexter in 4-Hour Marathon

On Tuesday, May 25, Chelsea's varsity baseball team took on Pioneer High school, dropping the game, 2-3, in nine innings.

According to Coach Wayne Welton, Chelsea dominated the game and the score was not indicative of what the game plan was. Welton and Grau each hurled three innings and were over-powering.

Chelsea got two runs in the second inning as Niebauer doubled and Pagliarini got a walk. Mike Bareis, in his first game of the year, drove in the runs on a base hit. Pioneer came back to tie up the game and eventually went ahead to win as Chelsea played the entire team in preparation for the team's pre-district and county tournament game against Dexter Saturday.

Against Dexter, John Welton upped his scoreless innings to 35 as Dexter scored an unearned run in the third inning and added two additional runs in the fourth.

Dexter held a 4-0 lead in the seventh.

In Chelsea's half of the seventh inning, Craig Olmsted singled, Murphy singled and Robeson walked. With one out, Welton was walked and Chelsea collected its first run. Preston popped up for the second out and Gipson singled in two more runs to bring Chelsea to 3-4.

Nelbauer got a hit following two strikes and drove the ball into left field. Welton came home and the game was tied at 4-all, sending the teams into overtime.

In chance after chance, neither team was able to score again. Then, four hours and 10 minutes after the start of the game, Robeson singled, Welton sacrificed Robeson to second, and Gipson singled to centerfield to drive in the winning run.

Collecting the win was Steve Grau who pitched 10 innings and allowed just four hits.

Aquatic Club Starting Summer Program

Chelsea Aquatic Club has announced the start of its summer competitive swimming and diving programs. The programs will begin June 14 and continue through July 29.

This is a competitive and instructional program. Many members are novices who are not pressed into competition but are instructed in swimming skills. Children ages 10 and under need only be able to swim 40 feet of any stroke to join and 11-year-olds and older must be able to swim 25 yards of any stroke.

Coaches instruct members how to swim the four basic strokes, how to start, turn and various types of racing strategy.

All swimmers receive awards for each event they participate in regardless of how they place. These awards note the date, event and time a swimmer achieves. This allows each swimmer to see his or her improvement. The emphasis on the team is one of personal improvement and hot victory.

The club is lucky to have as coaches one of the premier female divers in the world, Chris Seufert (presently a national champion), Mike Cutler, a former international diver from Jackson and Craig Wirtz, a Michigan AAU titlist and former Chelsea High school swim team captain. Coaching the swimming is 1981 Michigan High school Coach of the Year Larry Read. Von Acker, former boys and girls high school coach at Willow Run

and Jon Oesterle, a former EMU swimmer and Chelsea High school swim captain.

These coaches hope to encourage numerous beginners and first year competitors to join the CAC and have a summer of fun and learning.

The club has members ranking in age from 8- to 18-years. As an incentive for new members to join the club is offering 50 percent off for all first time resident members.

Masters Swim Program

Summer Masters Swim Program is open to anyone ages 18 or older who wishes to utilize swimming as a means of exercise or competition. The program will be held at Fuller Pool, Ann Arbor, beginning June 14 through Aug. 20, between the hours of 6 a.m. and 7:30 a.m. and 6 p.m. and 7 p.m., Monday through Friday. For further information and registration form please contact the Department of Parks and Recreation, 994-2780 or the Fuller Pool, 761-2460.

Sluggers of the Week

BASEBALL STARS: This week's featured baseball players include, left to right, Mike Barela, Mike Nelbauer and Ken Nadeau. Barela is a senior first baseman who broke his arm during the team's spring training trip to Florida. Nevertheless, he finished the season, at bat five times to collect a couple of hits. Nelbauer is a junior outfielder who has improved dramatically during the

season in the positions of both right field and designated hitter. Hitting very well, Nelbauer was responsible for a number of game winning hits this season. Nadeau is a junior pitcher and first baseman who gave fine pitching performances against Milan and Jackson County Western. In addition, he is one of Chelsea's top hitters.

Chelsea's JV baseball team lost a heartbreaker at Lincoln, 4-3, to start the last week of the season off on a sour note.

Jay Marshall pitched a six-hitter and struck out seven in losing his first game of the season after five wins.

Getting hits for Chelsea were Ron Dunn (single), Jim Ritter (single), Jay Marshall (triple and single) and Jeff Blanchard (single).

Chelsea next hosted Jackson County Western and defeated them behind the fine two-hit pitching of Jeff Blanchard, 6-0. Chelsea scored three runs in the first inning on a walk to Ron Dunn, a double by Chuck Hager and a home run by Jeff Blanchard. Chelsea scored a run in the fifth inning on three consecutive singles by Chris Gallas, Dave Gipson and Rick Boham.

Chelsea next traveled to Fowlerville to play a tough Fowlerville team. Chelsea won the first game, 9-1, behind the fine three-hit pitching of Marty Steinhauer, who also struck out nine.

Chelsea opened the scoring in the first inning when Ron Dunn walked, stole second and scored on an error. In the second inning, David Bushway walked, stole second and scored on Jerry Hammerschmidt's single. In the third, Chelsea used its speed once again to score without a hit when Chris Gallas walked, stole second and third and came home on a ground ball. In the sixth inning, Chelsea put the game out of reach, scoring six runs on hits by Jeff Blanchard (triple and home run), Chris Gallas (triple) and Jay Marshall (single and four walks).

In the second game, Chelsea exploded for 14 runs on 12 hits to win, 14-4, in five innings. Getting hits for Chelsea were Ron Dunn (single), Jim Ritter (single), Jay Marshall (two singles), Chuck Hager (single), Eric Stofflet (two singles), Rich Slater (single), and Dan Pennington (single). Dave Gipson pitched a four-hitter and struck out seven to win his first game of the year.

Chelsea closed out its season defeating Ann Arbor Pioneer, 11 to 10, in a slugger's game. Chelsea scored all its runs in two innings to take an early 11-3 lead. In the second inning, Chelsea scored four runs on Chuck Hager's lead-off single. The next two batters were safe on errors, loading the bases when Pioneer could not stop two bunts. A walk to Eric Stofflet scored the first run. Rich Boham's single drove home two more runs, and Chris (Continued on page 18)

Aquatic Club Places 8 on State Team

The Chelsea Aquatic Club had a fantastic week-end at the Michigan State U.S. Diving Championships last week-end.

The meet was to determine who would represent the State of Michigan in inter-state diving competitions.

Out of 20 positions that were contested by diving clubs all over the state, eight were won by Chelsea divers, the most won by any team.

Those placing on the one meter team were 10 and under boys: Cory Weaver; 11 and 12 girls, Heather Ross; 15-17 girls, Karla Goltman; 13 and 14 boys, Todd Brown. On the three meter team (high board), winners included Cory Weaver (10 and under boys), Heather Ross and Monique Parsons, (11 and 12 girls), and Craig Leach (15-17 boys). Others who placed but did not make the state team were Dave Mason (15-17 boys), Craig Wirtz, (open boys), and Jenny Pawchan (13 and 14 girls).

For a small community the size of Chelsea, this was a tremendous accomplishment.

The Chelsea diving team has both advanced and beginning divers. Persons interested in joining the summer diving team should call Larry Reed or Von Acker at the Beach pool, 475-1425.

Five Win All-League, Region Honor

Southeastern Conference All-League honors were announced last week and three Chelsea baseball players were unanimously selected to the first team. Among them, pitcher John Welton, outfielder John Preston, and designated hitter Mike Gipson, all seniors.

All-League second team members included Chelsea's junior infielder Doug Pagliarini while catcher Rod Robeson was given honorable mention.

Regional honors were also bestowed upon area baseball players. Selected to first team All-Region 10 (Class B) were John Welton, John Preston and Doug Pagliarini.

On the All-Region 10 (Classes A, B, C, D) team, John Welton and John Preston earned honors for their 1982 baseball careers.

Baseball Awards

At the annual spring sports banquet, Chelsea baseball players were awarded honors following their successful spring season.

Awarded the Most Valuable Player award were both John Welton and John Preston while Doug Pagliarini was voted Most Improved Player.

Pitcher of the Year was John Welton with a 7-0 record and an earn run average of 1.00.

Slugger of the Year Mike Gipson sports a batting average of .339 and got four game-winning hits during the regular season. Chelsea's Leadership Award, given to a Chelsea player only when deemed necessary, was awarded to Ross Murphy.

FATHER'S DAY FISHING TOURNAMENT

Chelsea Jaycees are sponsoring a fishing contest on June 19, 1982. The contest will be held at 4 mile Lake with the assistance and co-operation of Dick's Landing on 4 Mile Lake off Lima Center Rd.

This is a family event with 5 first place trophies for adults and another 5 first place trophies for children under age 17. All children under 12 who enter a fish in the contest will be winners and receive ribbons.

Winners will be for the largest fish, by weight, in each category. In the event of a tie, the winner will be determined by length times width. The five categories of fish are:

1. PIKE - Northern Pike and Muskies
2. PANFISH - Bluegills, Sunfish, Croppies, Rock Bass
3. BASS - Large Mouth and Small Mouth Bass
4. YELLOW PERCH
5. SCAVENGER FISH - Bullheads, Catfish, Carp, Suckers, Dog Fish.

The tournament will begin at 6 a.m. and end at 6 p.m. All fish to be entered are to be weighed in by 6 p.m. All participants are to be registered by the Chelsea Jaycees at Dick's Landing on the morning of the tournament before doing any fishing. Every fisherman in a boat must be registered in the tournament.

TOURNAMENT FEES - \$5.00 for each licensed fisherman, and \$1.00 for spouse or children 12 to 17 years. All children under 12 are free if they are with an adult registered in the tournament. All participants over age 17 must have valid Michigan fishing licenses.

Participants may bring their own boats or rent boats at Dick's Landing. 20 boats are available on a first come first served basis, so come early. There is a public launch site on 4 Mile Lake as well as a launch at Dick's Landing.

Remember, we have a limited number of boat rentals. Also, all participants are to be registered on the day of the tournament at Dick's Landing.

FOR FURTHER INFORMATION or advance registration, call Randy Dougherty at (313) 475-1747 or Tom Leabu at (517) 851-7637. For boat rental information, call Dick's Landing at 4 Mile Lake, (313) 475-7874.

Group Home

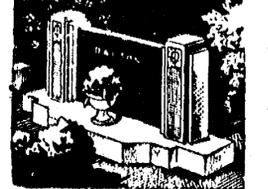

(Continued from page 11)

The home rented by Community Mental Health, will be administered by the Washtenaw Association for Retarded Citizens. WARC active for more than 30 years, was started by a group of parents of handicapped children. Long before the State became involved with moving people out of institutional settings, WARC was working in that direction. WARC also administers several other group homes in Washtenaw county, although this will be the first in Ann Arbor, as high rent prohibited earlier entry to the City of Ann Arbor.

The home occupants, 12 men and women between the ages of 21 and 40, chosen because of their compatibility with each other, plus house parents, assisted by rotating staff personnel, will live as normal a life as possible, going out every day either to a job or a training program. Most of the residents, who have lived in other group home settings will find this a step toward greater independence. Some may stay for a number of years, others will eventually move into their own apartments.

Martin Straub Seeks District 2 Comm. Post

Martin L. Straub today announced his candidacy for the Republican nomination for the District 2 seat on the Washtenaw County Board of Commissioners. Straub, who was elected Dexter Township Trustee in 1980, was raised in Dexter township, graduated from Chelsea High school and the University of Michigan College of Engineering and did post-graduate work at the U-M Graduate School of Business Administration. He is a registered Professional Engineer employed by General Motors Corp. at their Milford Proving Ground.

In announcing his candidacy, Straub stated, "My background will enable me to understand and express the needs and concerns of my constituents and bring a unique sense of practicality and sound judgment to the County Board of Commissioners." Concerning financial matters, he said, "Fiscal responsibility dictates that we spend our constituents' money wisely and conservatively and common sense tells us we should spend it like they want us to spend it." He added that interaction with the local units of government in his district will be a vital aspect of his role as a commissioner.

Straub has received the George Washington Honor Medal Award for Public Address from Freedoms Foundation at Valley Forge, Pa., and is a member of the Washtenaw County Farm Bureau, Society of Automotive Engineers, and American Society of Mechanical Engineers.

A commissioned officer in the Michigan Air National Guard, Straub was a distinguished graduate of the Air National Guard Academy of Military Science and was selected as a United States Air Force special awards judge for the Interna-

Ed Aluk Seeking GOP 52nd District Nomination

If courage and caring are important qualifications for political candidates, then the voters of this Michigan Legislative District will do well to consider Ed Aluk of Saline. Ed this week showed both qualities when he announced his candidacy for the State Legislature. He will seek the job of Representative of the 52nd District, now held by Rep. Roy Smith (R).

Smith announced his decision not to seek re-election months ago and has recently expressed interest in running for the Senate post being vacated by gubernatorial hopeful Ed Pierce. The Smith announcement triggered widespread speculation about possible successors, but declarations from actual candidates have been extremely scarce.

The reasons for hesitation are easy to understand. In the first place, the very nature of the job is shrouded in controversy now. Only last month, the State's redistricting at last appeared to be finalized, but more recently Michigan Democrats have threatened to appeal the new apportionment scheme to the U. S. Supreme Court. As a result, local hopefuls really don't know what the precise geographic makeup of the 52nd District will be—or whether the matter will be settled by election time.

The demands of the legislative job—and the pay—are also in doubt. Robert Tisch, himself on the campaign trail for governor, hopes to reduce the Michigan Legislature to a part-time body, and if he's successful, lawmakers will not receive a living wage from their occasional duties in Lansing.

In spite of these two forbidding, unanswered questions, Ed Aluk is determined to make the race from this district—whatever it may turn out to be, and for whatever pay it will turn out to offer.

Ed's statement of candidacy explains his reasons. His declaration, issued this week, says briefly:

"In order for the State of Michigan to once again become a place of economic stability and opportunity, some revised goals must be set and accomplished. With the current crisis in our State, I believe we need people who are committed to looking for new and creative ways to solve the problems we share.

ED ALUK

"For this reason, I want to take an active role in the problem-solving process by representing the people of the 52nd District."

Aluk will run as a Republican. Born in Tecumseh, Ed Aluk moved to Saline with his parents in 1967. He graduated from Saline High school in 1971 and from Eastern Michigan University in 1976, with a bachelor's degree in education and music. He headed the vocal music program in the Clinton Public Schools for two years, 1978-80, while working on a master's degree at the University of Michigan. He will complete his advanced degree this year. He will also celebrate his 29th birthday June 10.

A member of the U-M Men's Glee Club for 3 1/2 years, Ed served as assistant director of the world-famous group last year, and as president this year.

Ed first considered going into politics when he was encouraged to "think about it, then do it," by an increasing number of friends and admirers who are convinced that his creativity, his fresh approach, and his Christian motivation are urgently needed on the Michigan political scene today.

His local active affiliations include the Saline Jaycees and Saline Baptist church. Ed is currently serving as secretary of the Jaycees, and he has served the church in a variety of working and leadership roles.

Aluk resides at 9630 Saline-Milan Rd. From this base he plans an active campaign which will take him to every community and crossroads, sounding out the people he plans to represent in Lansing.

THE FOLLOWING PERSONS HAVE BEEN NOMINATED TO FILL SUCH VACANCY:

Raymond Gorton Coulter
James A. Patterson

Dale A. Schumann
Daniel T. Snyder

TAKE FURTHER NOTICE THAT the following propositions will be submitted to the vote of the electors at the Annual School Election:

I. MILLAGE RENEWAL PROPOSITION

Shall the limitation on the amount of taxes which may be assessed against all property in Chelsea School District, Washtenaw and Jackson Counties, Michigan, be increased by 20.5 mills (\$20.50 on each \$1,000.00) on state equalized valuation for a period of 5 years, 1982 to 1986, inclusive, for the purpose of providing additional funds for operating purposes (this being a renewal of 20.5 mills for operating purposes which expired with the 1981 tax levy)?

II. TAX RATE LIMITATION INCREASE PROPOSITION FOR OPERATING PURPOSES

Shall the limitation on the amount of taxes which may be assessed against all property in Chelsea School District, Washtenaw and Jackson Counties, Michigan, be increased by 1/2 mill (\$.50 on each \$1,000.00) on state equalized valuation for a period of 6 years, 1982 to 1987, inclusive, to provide additional operating funds to be used for maintenance, repair and improvement of school facilities?

NOTICE IS HEREBY GIVEN THAT the following proposition will be voted upon by the registered school electors of this school district at the annual school election to be held on Monday, June 14, 1982, which proposition was set forth in a resolution adopted by the Intermediate School Board of Washtenaw Intermediate School District, Michigan, on February 23, 1982, to wit:

WASHTENAW INTERMEDIATE SCHOOL DISTRICT SPECIAL EDUCATION MILLAGE INCREASE QUESTION

Shall the one and one-half (1 1/2) mill limitation on the annual property tax previously approved by the electors of the Washtenaw Intermediate School District, State of Michigan, for the education of handicapped persons be increased by one-half (1/2) mill?

All school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

I, Michael A. Crop Insurance Acreage Report Time Arrives

Barbara Cranson, district director, Federal Crop Insurance Corp., stated that "acreage report" time has arrived for those farmers carrying crop insurance.

Each year farmers are required to report their crops and acreage to their agents. The acreage reports establish the insurance coverage for the crop year. Reports for corn and soybeans are due June 30.

More farmers each year purchase crop insurance, shifting the risk of weather and other crop perils to the Federal Crop Insurance Corp. The record sales have also increased the burden for insurance agents as they have many more acreage reports to secure. Cranson, stated that the farmer will want to make his report, as soon as planting has been completed.

Some put them on pedestals, admiring them for their beauty and grace. Others see them as the perfect friends and companions. There are many reasons why so many people love cats and now the Humane Society of Huron Valley is giving those who are still "cat-less" a good reason to discover all the fuss about felines today.

The shelter is celebrating the eighth annual Adopt-A-Cat Month throughout June in hopes of finding homes for the many feline orphans now in its care. Because June is the "kitten boom" season, the shelter has an especially good selection of cats. They're also offering a free adoption kit, compliments of TV's Morris the 9-Lives cat, to all those who take up the call for cats during June.

Carrying the banner for the animal crusade is one feline whose popularity cuts across all age lines—Morris the 9-Lives cat. Now TV's fair-haired Morris was once a stray on the streets, where the tough life tends to separate the men from the mice. But Morris proved he had what it takes—talent, animal magnetism, and finickiness. After a brief stay in an animal shelter, Morris took off on the path to fame, fortune and commercial success.

Inspired by Morris' uplifting tale, Adopt-A-Cat Month was designed by Morris' sponsor, 9-Lives Cat Food, for the American Humane Association, as a way to help other cats get back on their paws.

For those whose main contact with cats has been a casual brush on the streets or at a friend's home, now is a good time to make friends with a feline. Cats, as any cat lover will gladly inform you, are clean, comforting, beautiful, independent and finicky.

Shelter personnel advise prospective cat owners to be finicky as well. The Humane Society likes people to take their time and select a compatible cat.

First, look for a physically fit feline, one with all the signs of good health, which include a shiny coat, without patches and bare spots, clear eyes and pink, clean ears.

The Humane Society of Huron Valley also recommends a social animal: in the case of a full-grown cat, one accustomed to people and human contact; in the case of a kitten, one which is curious and responds to human attention. It isn't true that all cats are alike under the fur, there are many distinct personalities, from the social climber who likes the run of the house and is always on the move to those with a more relaxed attitude whose routine rests heavily on catnaps.

Youth Orchestra Program Offered For Summer

Chelsea schools will again offer a summer orchestra program for students entering 6th, 7th and 8th grades. Classes will run from Monday, June 14 to Thursday, July 22.

The 7th grade orchestra will meet from 8:30 a.m. to 9:30 a.m. Monday through Thursday. The 6th grade beginning string classes will meet on the following days and times:

Viols: Monday and Wednesday, 9:30 a.m.

Violas: Tuesday and Thursday, 9:30 a.m.

Cellos: Monday and Wednesday, 10:30 a.m.

String basses: Tuesday and Thursday, 10:30 a.m.

Tuition for the six weeks of class is \$15 and should be paid at the first class meeting.

Private lessons for 8th grade students will be available also. Students should contact Kevin Miller about lesson times.

JV Baseball

Gallas' single drove in the fourth run. In the third inning, Chelsea scored seven times on hits by Marty Steinhauer (bunt single), Jeff Blanchard (bunt single), Rich Boham (single), Ron Dunn (two-run double) and Jay Marshall (single).

Marty Steinhauer and Jay Marshall combined to pitch a nine-hitter and strike-out five.

Chelsea's JVs closed out their season with a 14-4 record.
