Orchestra Leader Resigns Position German Police Sgt. Visits Chelsea

Kevin Miller, orchestra leader for the Chelsea Public Schools, has resigned to take the position of high school orchestra director at York Community High School in Elmhurst, Ill., a Chicago suburb. He will direct two orchestras, teach chamber music ensembles, sectionals and music theory classes at York, which has a student body of 2,400.

Leaving Chelsea, said Miller, of 514 Lane St., "was one of the most difficult decisions I've had to make in my career."

"I had no intention of leaving for several years," said Miller, a viola player himself, "but this offer came, and was very difficult to turn down."

The York orchestra which can play "college-level" music such as Dvorak's New World Symphony and play it very well, said Miller, has consistently won superior ratings in Illinois orchestra competitions. The orchestra has performed at national music education conventions and toured the country.

Miller was recommended to the York search committee by Rick Blatte, the band director at Albion College, who had heard the Chelsea orchestra perform, and who had a student teacher intern with Miller.

Miller will teach only high school students in Illinois, an age group he says he is "most successful at."

Chelsea Police Department had an unexpected and very welcome guest last week, as Manfred Kahle of Niedersachsen, W. Germany visited the Chelsea department while in town to meet the parents of his son's wife, Tracy. While visiting Mr. and Mrs. Ron Branham, he was given the grand tour of the village, which he found to be very clean, friendly and welcoming.

When visiting Chief Robert Aeillo, Kahle, who serves as a sergeant on the local police affiliate of the national German police, brought our local law enforcement paraphernalia collector a German police hat, shoulder patches, rank epaulettes, hat badges, riot helmet decal and a

patrol car door decal. Aiding his new patches and the like to his already extensive collection, Chief Aeillo provided Kahle with maps of the village, hat and shoulder patches and a photograph of Chelsea's patrol car. In addition, Sgt. Kahle was made an honorary patrolman with the Chelsea Police Department.

According to Aeillo, the two-hour visit found the pair discussing German police operations and problems faced as compared to those familiar to Chelsea. In general, both departments have similar equipment. But, a unique factor with the Niedersachsen Polizei is their involvement with terrorist activities. Aside from a sidearm carried by police at all times, all German police cars must carry a small machine gun and at no time does a patrolman man a police car alone.

Manfred Kahle, on his first visit to the United States, left Chelsea and headed to Colorado to visit his son and daughter-in-law prior to returning to Germany.

He and Chief Aeillo plan to keep in touch in the future.

Senior Citizen Picnic Set For Aug. 19

Chelsea Senior Citizens will have the opportunity to enjoy a picnic Thursday, Aug. 19, beginning at 11:30 a.m. at Pierce Park as the local group celebrates its monthly special event.

A picnic luncheon will be served at noon followed by a variety of group activities. This meal is co-sponsored by the Senior Nutrition Program and a donation of \$1 is suggested for persons over the age of 60 while \$2.50 is suggested for those under 60 years of age.

In the event of inclement weather, this special activity will be held at North Elementary school. Should the weather be questionable, call the Senior Citizen Activity Center—475-9242—for instructions.

Fair Office Opens Aug. 18

The Chelsea Community Fair Service Center office will be open Wednesday, Aug. 18, and Friday, Aug. 25, between the hours of 10 a.m. and 4 p.m. On Thursday, Aug. 26, the office will maintain hours of 7-9 p.m. and Friday, Aug. 27, hours of 10 a.m. to 4 p.m. will be maintained.

C. of C., Industrial Leaders Protest Ma Bell's Closure Move

Chelsea Chamber of Commerce, for the second time in approximately one month, hosted 22 major area employers at a breakfast meeting featuring the Chamber's Board of Directors and a Michigan Bell Telephone Co. spokesman and a discussion on the future of Chelsea's telephone service.

Purpose of the meeting was to express a concern regarding the closure of the Chelsea Bell office, the possibility of maintaining quality service and the continued postponement of capital ex-

penditures to improve the capabilities of the 475-exchange. Persons attending the breakfast meeting attempted to discuss problems relating to the maintenance of the current level of service as well as a fear of reduced service in an area where touch-tone capabilities and call forwarding are still unavailable.

Michigan Bell's representative gave the Chamber and others present assurance that there would be no diminution of service and that by June 1984, full service capabilities would be available to

the Chelsea market. Nearly all of the businesses represented at last week's meetings have written to Michigan Bell's president to express their dissatisfaction with the current course of events. As of now, none have received replies to their queries, complaints and concerns.

The Chelsea Chamber of Commerce plans to continue its efforts at achieving and maintaining adequate levels of telephone service in the immediate Chelsea area.

Chelsea Young People Win Many Honors In County 4-H Fair

A green-and-orange polka dotted space pig, a baseball playing goat, and a dog wearing a green top hat were some of the unusual entrants in this year's Washtenaw county 4-H Youth Fair held last Tuesday through Friday at the Farm Council Grounds on Ann Arbor-Saline Rd.

No, these were't in the livestock division, but a very popular new event, animal decoration, one of the more than 2,000 exhibits at the fair, an event with 60 years of history.

The decorated pig, decorated with cardboard disks as to not injure the animal's skin and entered by Alice Schneider of Dexter, won best of show honors.

The 19 decorated animals were all of showmanship caliber, said Bernadette Sletz-Garve, county 4-H youth agent, so they didn't get too upset at being dressed like nurses, chunks of cheese and barns for about an hour.

More than 50 of the county's 67 4-H clubs exhibited at the fair, attracting more than 10,000 spectators. Nostalgia, this year's theme, was expressed through historical photographs, exhibits of old tea towels and aprons, and exhibits on the changes in swine marketing techniques.

The fair produced a number of local winners; following is a partial list of them.

Teen leadership:
Outstanding teen leader: Jon Goderis, Chelsea.
Personal appearance:
Young top exhibitor: Kerri Bristle, Manchester.
Top exhibitor (crochet): Kerri Bristle, Manchester.
Creative writing:
Best of show (vegetables, fruit and educational): Jan Ehnis, Whitmore Lake; Kenny Baldus, Dexter.
Floriculture (cut flowers, arrangements and indoor gardening):
Best of show: Jan Ehnis, Whitmore Lake.
Honors group: Cindy Poulter, Chelsea; Kerry Mann, Manchester; Colleen O'Toole, Dexter; Lynda Knasiak, Manchester.

Rogers Corners Herdsmen collected a vast assortment of honors during last week's 4-H Youth Fair held at the Farm Council Grounds on Ann Arbor-Saline Rd., Ann Arbor.

Diane Barelis won senior showmanship with her Grand Champion Lamb while Marty Heller was given the intermediate showmanship with his Grand Champion Ewe.

Laurie Heller won first place with her middle weight Grand Champion Pen while Matt Koenn had the Reserve Grand Champion.

Dave Barelis had the first place middle weight Reserve Grand Champion Pen while Beth Heller was the winner of the first place heavy weight pen.

Linell Brehmer took first place in the rate of gain competition.

In the dairy cattle category, Wendy Wolfgang earned first place in senior showmanship while Beth Heller earned the first place award for her two-year-old Holstein heifer.

Beth Heller also earned first place in steer competition with her light weight steers.

In the poultry competition, Cheryl Blough won in the Grand Champion Meat Pin contest while Charlie Peiter was the owner of the Reserve Champion Meat Pen. Tim Peiter was the proud owner of the Grand Champion Production Pen while Charlie Peiter was the displayer of the Reserve Champion Production Pen.

In the swine division, Leonard McCalla exhibited the Reserve Grand Champion Pair, the Reserve Grand Champion Individual and was named 1982 Washtenaw County 4-H King.

Melinda McCalla was given the honor of intermediate showmanship during the swine competition.

BARGAIN HUNTING: Barbara Roberts and grandson Tommy Carroll check out reduced price merchandise at Vogel's during Chelsea's 9th annual Sidewalk Festival. Hundreds of area shoppers scoured the downtown area last week searching for bargains of any size, shape and color.

GRAND CHAMPION LAMB: Diane Barelis proudly displays her Grand Champion Lamb as determined during the annual 4-H Youth Fair held at the Farm Council Grounds on Saline-Ann Arbor

Rd. She and other members of the Rogers Corners Herdsmen 4-H Club earned numerous honors during the competition.

 Voters will mark their preference for candidates for office on partisan and non-partisan ballots as well as three proposed constitutional amendments at the polls on Aug. 6.

Business leaders and physicians gathered under the trees behind the offices of the Chelsea Medical Clinic Monday, July 29, to watch the first bit of earth turned for the new extended care facility.

Donovan Sweeny retired Monday morning after 41½ years at Federal Screw Works. "Monday morning at 7 a.m. is the end of the rope," he said with a grin.

A new face in the community and at the Chelsea Medical Clinic is that of Dr. Eugene Claeys who recently joined the staff.

Chelsea residents will find an unexpected addition to their August electric, light and water bills. The Village Planning Com-

mission is conducting a survey of the village to gather information which will help determine future housing needs in Chelsea.

 In the hotly contested race for the Republican nomination as candidate for sheriff of Washtenaw county, George A. Petersen won by a vote of 5,718 while incumbent Sheriff Robert E. A. Lillie received slightly more than 1,000 less—a total of 4,689, according to unofficial figures available yesterday.

Tickets for Washtenaw Farm Bureau Council's Chicken Barbecue to be held Sunday, Aug. 17 at the Rural Activities Center on Saline-Ann Arbor Rd., are now available throughout the county, according to Board Chairman Carl Lesser.

A sudden electrical and wind storm which struck the Chelsea area shortly after 6 p.m. Sunday darkened the southwest part of Chelsea, the north side of E. Middle St. and the Freer Rd. neighborhood for several hours and cut off telephone service for more than 200 homes as the result of trees and limbs falling on wires and because of lightning.

 Nearly 200 persons, including a large delegation of Chelsea business and professional people, attended the Washtenaw-Wayne Holstein-Friesian association's annual Black and White show Thursday, July 29. The show began with a picnic basket lunch at noon in the shaded yard of a farm house.

Darwin Downer very narrowly escaped serious consequences shortly before noon Monday when his pick-up truck stalled as he was attempting to cross the New York Central tracks at the grade crossing leading to the Jarvie farm driveway on the Chelsea-Dexter Rd., a little more than a mile east of Chelsea. His truck was not severely damaged.

Plans are progressing for local observances of Rededication Week, which is to begin on V-J Day, Saturday, Aug. 14 and continue with special observances for each day until Thursday when it is expected a huge crowd will be in Ann Arbor, center of the county's activities, to inspect the Freedom Train with its exhibits of historic documents and relics.

The congregation of Zion Lutheran church at Rogers Corners is to have a fine new parish hall which is already under construction on the south side of Waters Rd.

Less Regulation Recommended

For Oil and Gas Industry
 A governor's task force has recommended the reduction of unnecessary regulatory burdens on the oil and gas industry as well as continued co-operation between state government and the industry.

The task force, established to review state policies related to oil and gas development, concluded that only through less regulation and promotion of further exploration will Michigan's future energy needs be secured.

The group, appointed in April after being recommended in the governor's state of the state address, was comprised of representatives from state government and the oil and gas industry itself.

Specific recommendations made to achieve this co-operative venture include continued opposition of proposed increases in the oil and gas severance tax, not including the 1980 windfall profits tax payments within the state's Single Business Tax base and

establishing a mechanism for interim relief in natural gas purchase price increase cases which required action by the state Public Service Commission.

Also recommended was a new system to promote stability of the state's oil and gas leasing process, new procedures for the timely issuance of drilling permits, and the continued work of the state Energy Administration with other state agencies to better co-ordinate regulatory functions.

Governor William G. Milliken said the recommendations of the task force would be carefully reviewed as he said he believed the future development of Michigan's oil and gas resources can be a key element in the state's economic recovery.

"The task force report provides a clear indication of Michigan's commitment to reducing unnecessary regulatory burdens on the industry and promotion of further exploration vital to Michigan's energy future," Milliken said.

The group, headed by Commerce Director Norton Berman, reported that major new finds of oil and gas are needed to reverse Michigan's declining production.

Estimates, based on the depletion of oil wells plus the expected addition of new reserves, suggest a 3 percent decline in natural gas production and a 6 percent decline in oil output by 1983.

The state's oil consumption, meanwhile, is projected to increase from 160 million barrels consumed in 1980 to 178 million annually by 1990.

Natural gas use should decline from 759 billion cubic feet to about 720 billion cubic feet annually in 1990.

Oil production in Michigan was equivalent to about 22 percent of the state's consumption of petroleum products in 1981 while natural gas produced in the state provided approximately 20 percent of the state's supply in 1981.

The future, the report said, says the state may be more dependent upon imports. Assuming no new major finds, the state's natural gas production will meet only 12 percent of the state's projected demand by 1990.

Michigan ranked 11th and 12th, respectively, among all the states in production of natural gas and crude oil in 1980.

In 1981, oil and gas exploration and production yielded \$171.6 million in revenue to the state with the largest source coming from the oil and gas severance tax which was \$83 million.

The task force concluded the prospects for the future of oil and gas exploration and production in the state remain good, but continued co-operation between state government and industry is important to assure the full contribution of Michigan's resources in meeting future energy needs.

Senior Citizens Asked To Help at Fair 'Ladies Day'

Chelsea Community Fair will present a new feature this year. "Ladies Day" will be held Friday, Sept. 3 from 9 a.m. to noon and admission cost will be \$1, covering the cost of coffee, doughnuts, door prizes, "goodie" bags and terrific entertainment.

Entertainment will include "The Kitchen Band" from Jackson, a microwave oven demonstration by Heydlauff's, a special fashion show sponsored by Dancer's and a speech on "Today's Woman" by Gale Baumgardner. The Homemaker of the Year award will also be presented.

The Fair Board has asked local seniors to assist them during this year's fair as well. Monday, Aug. 16 at 1 p.m., 10 volunteers will be needed to help stuff "goodie" bags and 10 additional volunteers will be necessary to help register names during the morning of Ladies Day. Those volunteering their services will be admitted to Ladies Day at no charge.

 FUNERAL HOME

SHOULD I BRING MY CHILD TO THE FUNERAL?
 Just as with adults, children need to express their feelings of grief. To deny your child this emotional outlet is to handicap his natural, maturing development. Children can cope with death better than you may expect.

A child's emotional resiliency is truly remarkable and often under-rated. With adequate preparation, a child may attend the funeral and will be all the better for it. But the child must be told *what to expect* at the funeral. If he or she understands what is happening, there's a better feeling during and after the ceremonies.

Do not force the child to attend, though. If the youngster often tends to be hysterical, keep him home and have him join the family later. Each child may react differently, but if you anticipate any problems, feel free to discuss this with us fully at your convenience.

Your questions and comments on this and other subjects are welcome—in private or publicly through this column.

Teen Group Attends Ballet Conference

More than 175 graceful teenagers from across the country gathered at Michigan State University July 6-18 to improve their dancing skills at the 31st annual Cecchetti Ballet Conference and Seminar.

The Cecchetti method of dance instruction breaks ballet into four student and four professional grades, and provides examinations to test proficiency in those grades.

Among those students attending this conference was Michelle Lavigne, daughter of Karin Lavigne of 18780 M-52, Chelsea. She studies under Lee Ann King at Sylvia Studio.

Students received rigorous instruction from a staff of well-known professionals. Among them were Margaret Marsh from London, England (who has studied under the method's originator, Maestro Cecchetti, and who is a major examiner with the Cecchetti Society), Francois Martinet, former leading ballerina for the Robert Joffrey Company, and Irina Klavivova-Pal, nationally known teacher and choreographer.

Culmination of the event, which was sponsored by MSU's Lifelong Education Program, was a public recital July 18 in the University Auditorium.

New staff member Desmond Kelly, ballet master of Sadlers Wells Royal Ballet, chose the performing students and choreographed the recital. Students who moved to higher grade were awarded with certificates.

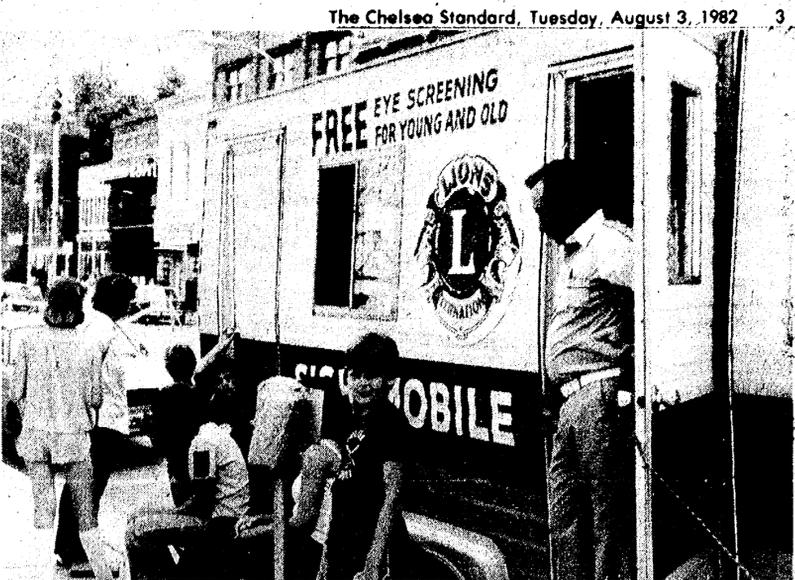

Lioness Club Inducts Two New Members

Chelsea Lioness Club recently inducted two new members, Barbara Selwa and Barbara Vosters. Vernon Sheen, past district governor of the Lions of Michigan, inducted both members at a recent dinner reception at Weber's.

Barbara Selwa has lived in Chelsea for seven years. Her husband, Mike, is employed by Chrysler Corp. She has two sons, Michael and Matthew and has been involved with the North school PTO for several years. She has recently begun working at Chelsea Community Hospital as a ward secretary. She enjoys piano, bowling and embroidery.

Barbara Vosters has resided in Chelsea for 12 years. Her husband, Larry, works for Ford Motor Co. and the couple has three children, Kenyon, Shana and Craig. Like Mrs. Selwa, Barbara has also been active in the North school PTO. She will begin her second consecutive year as director of the Math Lab at North school this fall. Barbara collects antiques and is a member of the Grass Lake Sailing Club.

Any woman interested in community service is eligible for membership in the Lioness Club. Lioness meetings are held at the Ann Arbor Trust Building on Chelsea-Manchester Rd. on the second Monday of each month, beginning at 7:30 p.m. Guests are always welcome. Anyone interested in attending a meeting or learning more about the Lioness Club may contact Louise Likavec at 475-1791.

BILL LURKINS, a Lions Club member, waits "Sightmobile," parked on Middle St. during the Sidewalk Festival.

Lions Club Sightmobile Will Return During Chelsea Fair

Chelsea Lions Club, assisted by the Chelsea Lioness Club, conducted a free vision testing clinic on Saturday, July 31, in conjunction with the Chelsea Sidewalk Days Festival. According to Lions President Dave Prohaska, "86 people, ranging in age from 6 to 78, visited the sightmobile for free eye screening. Of these, 15 were referred to eye specialists for further in-depth examinations and possible corrective treatment."

Prohaska added, "It is interesting to note that those requiring further examination fall into three distinct categories: school-age children, where eye problems are usually first discovered; middle-age people, from 40 to 50, whose eyes have begun changing; and senior citizens over age 65 who generally need a correction for their existing eyeglass prescription or who may be experiencing the onset of significant eyesight problems. Of the 15 persons referred

for further examination, seven were from the group ranging in age from 6 to 18 years and represented 17% of that age group tested. Three were from age 40 to 50, or 50% of that age group tested. And four were in the group over age 65, or 57% of that group tested."

bring this program into our community in hopes that we can detect vision problems where they exist and to help make life a little more pleasant for those persons affected." The Chelsea Lions Club will again host a Sightmobile free vision clinic during the annual Chelsea Fair from Aug. 31 through Sept. 4.

Lioness Club Has Busy Month of July

Chelsea's Lioness Club spent a busy July, providing food items for a "goodie cart" to be taken through the hallways at the Chelsea United Methodist Retirement Home.

From there, the organization assisted Spaulding for Children during the home's annual Ice Cream Social and, during Sidewalk Days, the ladies group teamed up with their male counterparts to operate the Sightmobile and provide free vision testing to interested area residents and festival patrons.

K-C Members, Wives Enjoy Golf Outing

Sunday, July 25, Chelsea Knights of Columbus members and their wives participated in Scotch doubles golf at Willow Creek Golf Course in Stockbridge.

The day started off at 10 a.m. when a champagne breakfast was served at the Sugar Loaf Lake home of John and Barbara Phelps. The 11 couples arriving brought chilled champagne. The breakfast consisted of eggs benedict with hollandaise sauce, blueberry pancakes and fresh fruit. Barbara did a fabulous job in preparing this feast while John made ice cubes and set tables that were located throughout their yard and shaded deck. Tee-off time wasn't until 1 p.m. and the golfers kept cool in the shade and enjoyed the breeze and golf conversations until that time.

The group arrived at the golf course ready to wack at that golf ball to see who could come up with the best score. Following the completion of the 9-hole golf course, participants met at the club house and scores were compared. First place winners in the Scotch doubles were Doug and Mary Nadeau. Other prizes were awarded for other accomplishments including low putts, Bob and Joe Pagliarini; most 11's in score, Jim and Lyn Fowler; most 7's in score, Al and Pat Zangara; most putts, Larry and Nadine Koch; and highest score, Gerry and Cindy Hammerschmidt.

Organizers of this event were Jaye and Terri Saarinen.

ICE CREAM SOCIAL: Members of the community indulged in some fine baked goods and ice cream Saturday, July 24 at St. Mary's Catholic church annual Ice Cream Social. The event was held following both the 5 p.m. and 7 p.m. masses.

K-C Sponsors Ice Cream Social

Chelsea Knights of Columbus Auxiliary Council No. 3092 sponsored an Ice Cream Social on Saturday, July 24 after the 5 p.m. and 7 p.m. masses at St. Mary's church. Proceeds from the social were donated to Camp Storer, an organization specifically for terminally ill children and supported by K. of C.

Special thanks was given to the Uterbrinks and the Fowlers who donated their time to repaint the bright red and white stripes on the booth. This is the same booth that the K. of C. Auxiliary uses every year at the Chelsea Community Fair.

Servers following the 5 p.m. mass were John and Barbara Phelps and Jim and Lyn Fowler. Following the 7 p.m. service, Larry and Nadine Koch and Bob and Mary Guinan served the cake and ice cream.

The ladies of the Auxiliary donated the cakes, enjoyed on such a hot day.

CHILDREN'S DOOR PRIZE: During St. Mary's swimming outing on Sunday, July 24, Jason Phelps won a lawn dart set, family unity being obvious when his sister Robin selected his name from all other entries.

K-C Families Enjoy Swim, Buffet Dinner

Sunday, July 11 the Chelsea Knights of Columbus Auxiliary Council No. 3092 and their families enjoyed the day by the poolside.

Beach Middle school's pool was reserved from 12-2 p.m. and following a cool, refreshing swim, a buffet was served at the K. of C. hall. This was one function where the ladies were given the opportunity to stay out of the kitchen and enjoy relaxing with their families.

Stockbridge Youth Completes Aircraft Maintenance Course

Air National Guard Airman Nick C. Fletcher, son of Mr. and Mrs. Carl Fletcher of 5631 S. M-52, Stockbridge, has graduated from the U.S. Air Force aircraft maintenance training course at Sheppard Air Force Base, Tex. Graduates of the course were trained in aircraft maintenance, repair and service, and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Fletcher will now serve with his unit in Battle Creek.

Nature Program Scheduled at Hudson Mills Park

"Enjoying Nature with your Tot," a family nature program, will be held at the Hudson Mills Metropark near Dexter on Tuesday, Aug. 10, at 10 a.m.

Naturalist Julie Carbus will take parents and their tots (3- to 5-year-olds) on a nature discovery tour through the use of children's books, songs, games and a short walk to give parents a few tips on how to enjoy nature with their child.

Persons should meet at the Hudson Mills Metropark nature trail sign in the Oak Meadows picnic area. This program will be entirely outdoors so dress appropriately and bring insect repellent.

This program is "free," however, advance registration is required. For information/registration, contact the Nature Center at Kensington Metropark, phone 685-1561 (Milford).

A vehicle entry permit is required (Annual: regular - \$7 or senior citizen - \$2 or daily - \$2).

Letters to the Editor

To the Editor:
I am writing in response to the letter written last week by Beckie White. I agree with many of the points Mrs. White brought out about the Chelsea Recreation "softball" program.

I feel it is unfair to have the softball diamond sitting idle most of the summer when there seems to be no problem keeping it in good repair during the regular school season. This summer Chelsea Recreation's Senior Miss softball team has hosted many of the surrounding communities' teams at our field. It has been unmarked with standing water behind first and third bases, the girls played anyway under these conditions. What is really upsetting is to look across the field to the boy's diamond to find it dragged and marked. It sure doesn't look like we care much about Chelsea girls! Chelsea girls made our community very proud this year taking the State Championship. Maybe if some people would realize that Midget, Junior and Senior Miss are stepping stones to the "Big Time" we'd have a little more co-operation.

I feel like I should come to the defense, however, of the umpires and the director of the program. Some of the umps were repeats from last year and are softball players. I feel they tried hard to do a good job. There were others who were new but still gave it their best. What these boys and girls need are some classes before the season starts, given by experienced umpires. There weren't any this year.

Being this was our director's first year, I think she did a fine job. It certainly isn't her fault that the softball teams don't have tournaments, call Chelsea Rec. The girls' teams, Senior, Junior and Midget, could be involved in tournaments in Livingston county, why aren't we? Is it a lack of money or a lack of interest?

We do have a decent program going but there is always room for improvement. Maybe if some of the interested people from the summer program got together with the people in charge they could come up with some constructive suggestions for a better program. The ribbons did bother many of the girls with the word "Baseball" on them—but what can you do once it's done—nothing!

To the Editor:

We all sat (or stood) watching in awe, while the antique auto parade was coming down Main St. Saturday afternoon. Such beautifully kept cars and trucks—large or small, with their nice shiny surfaces, and proud owners within.

Maybe the following suggestion could be passed on for future parades. The committee should ask each one to have a nice clear, visible card sign made for their vintage entry, stating year, make of car, model, etc. This would help us "older" sideliners to explain to the younger viewers, the value and proud facts that history is lived in many ways. We told the children that the antiques are older than their parents and some grandparents. All we got was a very quizzical look, first at us—then at the cars! One little fella asked where the tractors were.

Best wishes for next year's Sidewalk Days Parade!

Environmental Camp Offered at Nature Center

On Aug. 9-13, the Waterloo Nature Center is offering an adventure in environmental learning during their day camp for 8- to 10-year-olds.

Let your child explore ponds, forests and fields with staff naturalists. Activities will include hikes, instructive games, songs and stories and the opportunity to use microscopes, seining nets and other collecting equipment.

Your child will learn about the importance of habitats, predator-prey relationships and pioneer skills. Each day's activities will center around a different theme.

Fees for the camp are \$25 for members of the Waterloo Natural History Association and \$35 for non-members. Sessions run from 10 a.m. to 3 p.m. daily. For further information and registration, call the Nature Center at 475-8069 or Carol Strahler at 475-9444.

Nigerian Burn Patients Making Good Recovery

Four of eight Nigerian factory workers, burned in the June 21 explosion at the Johnson Wax Co. factory in Lagos, Nigeria and sent to University Hospital and Chelsea Community Hospital for burn care, have been released from Chelsea Community Hospital.

Two of the four will return immediately while the others will continue outpatient burn treatments at Chelsea while staying with friends in the Ann Arbor area.

Four additional workers remain at Chelsea in good condition and, at University Hospital, two Nigerian burn patients are also listed in good condition.

Manchester Teachers, School Board Begin Contract Negotiations

Manchester teachers and administrators began contract negotiations Thursday following the teacher's union submitting a list of demands to the school district administration in June.

According to Superintendent Eugene Thompson, the Board of Education met in closed session Monday night to develop negotiating limits.

The current contract was ratified following a 12-day strike in November, 1979.

HOW DO YOU MAKE A PEDIATRICIAN'S OFFICE OUT OF A SCHOOL CLASSROOM? QUITE EASILY. Inspecting the new Chelsea Pediatric Center, located in the Beach Middle school area, from left, Ann Lund, office manager; Amy Heydlauff, head nurse; and Mary Westhoff, MD. Dr. Westhoff has announced the establishment of her medical practice in pediatrics and adolescent medicine. She is the area's only full-time pediatrician. Her office, leased from the Chelsea School District, is being constructed from two unused classrooms by Fleischmann Builders, Inc. of Dexter. Her telephone number is 475-9175.

Pool Closed Until Aug. 19 For Cleaning

Charles S. Cameron Pool, located in Beach Middle school, will be closed for cleaning and repairs until Aug. 18.

At that time, regular recreational swims will take place Monday, Wednesday and Friday from 8-10 p.m. and Saturday from 2:30-4 p.m.

Any questions regarding the pool schedule may be directed to the pool office at 475-1425.

Automatic Teller Machine Will Soon Be Operational

An Automatic Teller Machine (ATM) was installed at the Chelsea banking office of Ann Arbor Trust Co. recently and is the first 24-hour banking device available to residents of the Chelsea area.

The new facility, which should be in full operation in September, will permit a variety of banking functions including deposits, withdrawals, transfers between accounts, loan payments and balance inquiries.

Judge Speaks Out For Court Reform

Circuit Court Judge Ross W. Campbell spoke before the annual meeting of the Michigan Prosecuting Attorney's Association on Mackinac Island July 28.

"Criminal procedure reform is long overdue in Michigan—and it must begin at the top, with the Michigan Supreme Court," said Campbell. The theme of the two-day conference was "Criminal Procedural Reform in Michigan."

Campbell, a 13-year trial judge, is seeking election to the Michigan Supreme Court this fall in an effort to remedy the crisis in the state's judicial system.

We must return to reason and common sense in our state Supreme Court decisions because the judicial philosophy of the present majority of that court is ruining Michigan's judicial system," said Campbell.

Campbell's comments preceded a discussion of the case, People vs. Hoffmeister, where the Michigan Supreme Court overturned the first-degree murder verdict of a Circuit Court and the state Court of Appeals.

The front runner for the Republican nomination, Campbell declared his candidacy March 12. He has logged over 4,000 miles in the last two months, campaigning throughout the state.

Nature Center Offering Two New Programs

The first week of August promises two interesting and enlightening programs at Waterloo Nature Center. On Sunday, Aug. 1, a honey harvest demonstration will begin at 1:30 p.m. as participants are given a close-up view of the honeybees at the Center's indoor hive.

The program will include a talk on the social behavior and life history of the honeybee and a short slide show explaining the equipment used in the extraction of honey from a beehive.

On Saturday, Aug. 7, a wilderness survival workshop will be the order of the day. Beginning at 1:30 p.m., persons taking part in this program will learn about survival techniques including shelter construction,

how to obtain water from the sun, identification of wild edibles and how to read a map and compass.

Cost for each of these programs is \$1 for Waterloo Natural History Association members, \$2 for non-members. Waterloo Nature Center is located at 17030 Bush Rd. Take I-94 to exit 157, proceed north on Pierce Rd., turn left on Bush Rd. The entrance to the Center is one-half mile west, on the left side of the road.

Further information regarding these programs or upcoming events may be obtained by calling the Center at 475-8069.

USDA Sets New Requirements for Farm Storage Facility Loan Program

The U. S. Department of Agriculture will resume approval of new applications for Commodity Credit Corporation farm storage facility loans, up to a total of \$40 million.
Secretary of Agriculture John R. Block said this will allow farmers to begin making their storage plans for 1982 crops. Loan disbursement will begin after Oct. 1, he said.
No storage facility loan applications made since Feb. 8 have been approved "to permit the department to review program regulations in light of changes in the legislation authorizing the program," Block said.
Now that this review has been completed, Block said the following modified requirements will apply:
—storage needs of loan applicants will be based upon availability of storage for one year's production of wheat, feed grains or rice produced on farms participating in the acreage reduction program for those crops. The production of rye, soybeans, dry edible beans, peanuts, sunflower seeds, high moisture forage and silage will not be considered.
—new CCC storage loans will be limited to \$25,000 per farmer. Loans will be considered for one year's storage needs and will be repayable in five years. Loans will be available for building new storage structures and for remodeling existing structures but not for electrical, handling, or drying equipment. Agricultural Stabilization and Conservation county committees may approve loans for up to 70 percent of the eligible cost items. Ineligible items which are an integral part of the structure must be paid in full before loan disbursement.
—an extended interim rule requesting comments on the new eligibility requirements will be published in the Federal Register. All comments from the public concerning the regulation will be considered before the department publishes the final rule.
Block said that producers with pending applications will be given the opportunity to revise them based upon the new program requirements.

Chelsea Village Council Proceedings

July 20, 1982

Regular Session.

The meeting was called to order at 7:30 p.m. by President Merkel.

Present: President Merkel, Clerk Rosentreter and Administrator Weber.

Trustees Present: Chriswell, Keezer, Merkel, Riemenschneider and Satterthwaite.

Others Present: Art Machnik, George Staffan, Irla Rosentreter, Tom Davis-Planning Consultant, Police Chief Aeillo, Superintendent of Electric and Water Department Hafner, Superintendent of Public Works Department Petsch, Fire Chief Hankerd, John Popovich, Civil Defense Director Schantz, Ron Weber and R. A. Steger.

The minutes of the regular session of July 6, 1982 were read.

Motion by Keezer, supported by Merkel, to approve the minutes as read. Roll call: Ayes all. Motion carried.

Ron Weber, candidate for State Representative in the 52nd District, addressed the Council.

Fire Chief Hankerd submitted the Fire Department Report for the month of June 1982.

Civil Defense Director Schantz reported that the fire whistle cannot be heard in different areas of Chelsea.

Financial Report for the month of June 1982 was submitted by Treasurer Mary Harris.

Motion by Keezer, supported by Chriswell, to accept the Financial Report as submitted. Roll call: Ayes all. Motion carried.

Motion by Keezer, supported by Merkel, to accept the Budget Report for the period ending June 30, 1982 as submitted by Administrator Weber. Roll call: Ayes all. Motion carried.

Motion by Merkel, supported by Chriswell, to hold a Zoning Board of Appeals meeting on August 3, 1982 to consider the request of the Chelsea Fair Board for a banner over Main Street. Roll call: Ayes all. Motion carried.

Council discussed the Gallup-Silkworth building plans on the corner of Orchard Street and Main Street.

Satterthwaite and Keezer reported on the Jiffy Mill parking of trucks on street. Recommended not to allow more than three trucks at one time for the period of six months or until Chelsea Lumber Company is vacated.

Council announced to Irla Rosentreter the Zoning Inspector will investigate the fence being erected on adjoining property and will take proper action.

Motion by Chriswell, supported by Keezer, to delete Section 1(6), the term "private security guard" from Proposed Substitute Ordinance No. 91. Roll call: Ayes all. Motion carried.

RESOLUTION

ADOPTING ORDINANCE NO. 91

BE IT RESOLVED AND IT IS HEREBY RESOLVED, that the Village Council of the Village of Chelsea does hereby adopt, approve and promulgate Ordinance No. 91, "AN ORDINANCE TO REGULATE AND CONTROL THE COMMERCIAL USE OF AMUSEMENT DEVICES, TO PROVIDE FOR THE ISSUANCE OF LICENSES, AND TO PRESCRIBE THE PENALTY FOR VIOLATION OF PROVISIONS HEREOF", a copy of which is attached hereto, and the Clerk of said Village be and is hereby directed to cause the same to be published in the Village of Chelsea, in The Chelsea Standard, or any other paper of general circulation, and otherwise record said instrument within the book or ordinances.

Motion by Chriswell, supported by Keezer, to adopt the above resolution as read. Roll call: Ayes - Chriswell, Keezer, Merkel, Riemenschneider and Satterthwaite. Nays - None. Motion carried. Resolution adopted. (Or-

Little League Results

Yankees 18, A's 9

The Yankees did it! Phil Wels brought his Yankees to win their last game, 18-9, over Fred Zuehlke's A's.

The A's had seven hits with Matt Schwieger, Steve Emmert, Kevin Bell, and Jim Alford hitting singles. Randy Dale and Todd Thurkow hit doubles and Kevin Bell hit a triple.

For the Yankees, Tom Messnard was the big bat with a single and a grand slam home run. Todd Ferry and Bill Huetteman hit singles, Rob Thorne hit a double, Dave Adams hit a triple and Jeff Kielwasser hit a triple and a home run. Craig Ferry, Todd Ferry, Bill Huetteman and Garth Girard did an outstanding job in the field.

Angels 11, Royals 0

Larry Nix's Angels pounded Stan Starkey's Royals, 11-0. The Angels had big hits to start the game and they kept their drive going in each of the six innings.

The Royals had a hard time getting started as they were held scoreless even though they were on base many times. The Angel defense also did well, cutting down many Royal runners.

KELLY MESNARD, who scored the most points in First Baptist Church of Chelsea's vacation Bible school girl's contest, smashes a pie into

Dorothy Thodeson's face, a chance she won when the students recruited 50 members to school.

Minister's Wife Gets Pie in Face

Alma Holliday and Dorothy Thodeson got "pied" Friday after a week-long battle of the sexes at First Baptist church of Chelsea's vacation Bible school.

Grant Kidd, who had the most points on the boys team, won pieing honors for Mrs. Holliday, leader of the girls and head of the Bible school, when the boys beat the girls 4,028 to 2,716 in a contest of memorizing Bible verses, bringing new friends to Bible school, winning drills and tithing. If the girls' team had won, they could have smushed a pie into the face of the Rev. Thode B. Thodeson, the leader of the boys team. Mrs. Thodeson got pied because the students recruited 50 children to the week-long school.

Grant Kidd and girls' team point leader Kelly Mesnard each received \$20 prizes, and second place boy Marcus Pletcher and girl Kimberly Mesnard each won \$10.

The students also held a daily puppet show, received a Bible, sang songs, and ate watermelon.

**THE MAN IS
MOON**

STATE REPRESENTATIVE
52nd DISTRICT
REPUBLICAN
Tuesday
August 10

Harold L. Moon, a businessman, newspaper man and philanthropist, has been a great contributor to the youth of the county. He is the only individual honored with the 'Benefactor's Award' along with many other citations from the Wolverine Boy Scout Council. Active in masonry and many other clubs and national organizations, Moon has played an active role in the affairs of the community.

MOON WILL WORK FOR YOU

Former publisher of the Washtenaw and Monroe County Courier, his recognition of integrity and professionalism has been well established. The Courier as a weekly newspaper was awarded the George Washington Honor Medal Award by the Freedoms Foundation of Valley Forge three years in a row. Believed to be the only time in the history of the Michigan Press Association that feat had ever been accomplished.

In 1975, the city of Monroe and the county of Monroe honored the Courier with a Courier Week. A very rare and distinctive honor given to a local newspaper. This coveted citation was awarded the newspaper for its deserved reputation as a defender of freedom and the American way of life. The Courier was eternally reminding its readers of our nation's greatness and the strength of her free institutions. The Courier kept reminding its readers about keeping America beautiful, law and order, strong family ties and spiritual values. The value of hard work, and the importance of sound leadership for youth.

PROVEN PUBLIC SERVANT

Moon's career as a newspaper man follows the footsteps of one of his illustrious relatives. He is a great nephew of Mrs. Warren G. Harding. In 1884, Harding and a partner paid \$300 for the Marion Star. The future president relished newspaper work. In the early days, he did reporting, sold ads and set type. His wife was credited by historians with putting the Marion Star on a firm financial footing. Recently Moon presented a letter found by his mother written on White House stationery to the Harding Museum in Marion. The only letter in the museum signed by Mrs. Harding.

WILL GIVE 100% IN LANSING

Currently Mr. Moon has given up all of his business ventures and is concentrating on a political career. He is a Republican candidate for Michigan State Representative from the newly formed 52nd district.

Moon, is an 18 year veteran involved in six major battles in the Korean war. He also possesses a B. A. degree.

HOUSE CALL

By Michigan Dept. Of Public Health

★ Heat Exhaustion

We've been experiencing some very hot weather this summer, which caused me to think a bit of advice on the subject of heat exhaustion might be appropriate, particularly if you must work in the heat.

First, let me caution you not to overdo when it's hot. Be as easy on yourself as you can.

Heat exhaustion, the condition you want to avoid, is caused by an excessive loss of the body's fluids. It can lead to illness, and even death. So the things you do to take care of yourself are highly important.

To avoid becoming a victim of heat exhaustion, I would suggest several steps:

Drink a lot of fluids. This is doubly important if you have to be outside in hot weather for long periods of time. But be sure the fluids are non-alcoholic.

Avoid being exposed to direct sunlight for long periods. If you have to be out in the sun, wear protective clothing, something light in weight and light colored. Even a head covering of some kind is advisable.

Keep stress situations to a minimum, and avoid over-exertion.

There are some symptoms of heat exhaustion with which you should be familiar. A very common one is muscle cramping. This condition can be caused by putting excessive stress on muscles, such as lifting a load with your back instead of your legs.

Other symptoms are dizziness, drowsiness, and general weakness of the body.

The best advice I can give you is this. If you think you may be suffering heat exhaustion, and this applies whether you are working outdoors or inside in an extremely hot atmosphere; this is serious and you need help. Have someone help you get to a shaded or cooler area fast. Lie down, and drink some cool, non-alcoholic liquids. Notice I said "cool" liquids, not ice cold. And ask someone to contact a physician for you for further advice.

The summer heat can be nice or not nice, depending on where you are and what you may be doing in it.

FARM LEAGUE RUNNERS-UP: Earning second place in summer baseball competition was this group of young athletes. Members of the Dodgers are front row, left to right, Chris Lindow, Tom White, Chris Spencer, Mike Harris and Jason Allen; second row, left to right, Dirk Colby, Jim Hadley, Justin White, Joe Fowler, Jeff Orbring, Jude Quilter, Robert Coelius and Coach Dave Quilter. Additional coaches not present included Al White and Jim Hadley.

Ann Arbor Biathlon Rescheduled for Sunday, Aug. 15

The City of Ann Arbor, Department of Parks and Recreation, annual Biathlon has been rescheduled for Sunday, Aug. 15 at Fuller Pool, 1519 Fuller Rd. The Biathlon will be made up of a 1,500-meter swim and 10,000-meter run. Warm-ups start at 7:30 a.m. with the Biathlon officially beginning at 8 a.m. Entry forms and rules for the event may be picked up at any City pool or the 5th floor of the City Hall Building, 100 N. Fifth Ave., Ann Arbor.

Officer at Cassidy Lake Kills Himself

According to Ann Arbor police reports, a 44-year-old officer at Cassidy Lake Technical School shot and killed himself outside the office of his Ann Arbor apartment complex shortly after paying his rent.

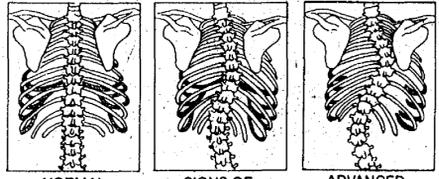

The unidentified officer, who was well-liked by both inmates and co-workers, was reported to have fired two shots outside the Hidden Valley apartment complex office shortly after paying his rent. He was found slumped over in the front seat of his car.

Apparently, he fired the first shot from his .20 gauge shotgun into the roof of his vehicle before turning the gun on himself for the second shot. He died of a gunshot wound to the head.

NEW Pittsburgh EXTERIOR LATEX FLAT HOUSE PAINT

Here's a technological breakthrough in latex house paint that can save you money and time—if you're planning to repaint your house, or even if you're painting a brand new house.

This new house paint is super flexible—it stretches and shrinks with temperature and humidity changes and resists cracking and peeling.

And, when applied over multiple layers of old oil or latex based house paint, it lies flat and completely relaxed—so there's less tendency to crack or peel.

So, whether you're repainting or painting new wood for the first time, use new Pittsburgh Exterior Latex Flat House Paint and you'll be using a coating that represents the most advanced technology in latex house paint.

Baseball Team Defeats Saline, 7-0

The record for winning the most Olympic medals was set by swimmer Mark Spitz of the United States. He won a total of 11: nine gold, one silver and one bronze.

On Thursday, July 29, Chelsea's baseball team, playing in the Ann Arbor Recreation League, saved its best game for last as they defeated Saline Sport Shack, 7-0, to end up with a record of 5-7. Doug Pagliarini threw a five-hit shut out, striking out six and more importantly, he did not walk anyone as he had great control the entire game.

and Rich Slater (1 single). Chelsea finished its season in the middle of the pack.

Chelsea played great defense as no errors were committed. It was just a complete team effort, the best of the season.

Chelsea scored single runs in the first, third and fifth but, in the fourth, Chelsea broke loose for four runs as Ron Dunn started things with a single then Dave Gipson, Rich Slater and David Bushway also singled to break the game open. Chelsea smacked out nine hits—David Bushway (2 singles), Ron Dunn (2 singles), Doug Pagliarini (1 double), Mike Neibauer (1 single), Rick Boham (1 single), Dave Gipson (1 single)

The game went to the sixth inning before Bruce Hansen's Blazers defeated Stan Starkey's Royals, 6-5. Jim Crawford, John Collins and Pete Spencer hit singles and Brian Talbot hit a home run for the Royals. Kyle Plank made a fantastic catch to stop a Blazer attack.

For the Blazers, Matt Forner, Lucky Beeman and Rob Lyerla hit singles. Lucky Beeman hit a double. In the sixth inning, the Blazers were down by two. Jim Cole hit a double to bring in the tying run and scored the winning run.

The Indians remain undefeated this season.

Tigers 14, A's 11

Home runs were the key to Ken Larson's Tigers' victory over Fred Zuehlke's A's. Rob Stofer, Mark Larson, Tony Flintoft and Mike Kushmaul each had a home run, while Rob Cabanaw hit a single and a double. Todd Thurkow, Craig Zuehlke and Matt Schweiger each did a fine job for the A's. The A's remain close behind the Tigers as the season comes close to an end.

Indians 9, Yankees 8

Phil Weis' Yankees came very close to defeating Stan Morseau's red hot Indians last week. Dave Adams, Bill Huetteman (2), Garth Girard and Rob Thorne hit singles. Tom Messnard hit a double and Todd Ferry hit a home run for the Yankees. Craig Ferry and Mike Hodgson played well in the field while Bill Huetteman and Dave Adams struck out seven Indian batters. Jr. Morseau came in in the fifth and sixth innings to shut down the Yanks.

ORDINANCE NO. 91

An ordinance to regulate and control the commercial use of amusement devices, to provide for the issuance of licenses, and to prescribe the penalty for violation of provisions hereof.

The Village of Chelsea Ordains: An ordinance to regulate and control the commercial use of amusement devices.

SECTION 1. DEFINITIONS

(1) The term "mechanical amusement device" and/or "electronic amusement device" shall mean any machine or apparatus which, upon the insertion of a coin, slug, token, plate, disc, or through activation by any other means, may be operated by the public generally for use as a game, entertainment or amusement whether or not registering a score. It shall include, by way of illustration but by not limitation, such devices as marble machines, pin ball machines, video machines, skill ball, air hockey, mechanical grab machines, pool tables and all other games, operations or transactions similar thereto under whatever name they may be indicated. It is not the intent of this ordinance to regulate the following devices:

(a) Electrical musical instruments, "Juke" boxes or other similar devices whose only function is to emit prerecorded music for listening purposes.

(b) Vending machines dispensing food, tobacco, soft drinks, candy, confectionaries, toys, trinkets and other related items.

(c) Bowling alleys and lanes, providing the same are licensed by the Michigan Department of Labor, Safety Bureau, or other successor licensing body.

(2) The use of the term "device" in this ordinance is to be construed as referenced to "mechanical amusement device" and/or "electronic amusement device" as is appropriate to the context.

(3) The term "owner" means any person, firm, corporation or association who owns, operates, or conducts any place or establishment in which any device may be operated.

(4) The term "ancillary use" shall mean the use of the property for the placement and utilization of devices, if the number of such devices does not exceed four (4).

(5) The term "primary use" shall mean the use of the property for the placement and utilization of devices, if the number of such devices exceeds four (4).

SECTION 2. GAMBLING DEVICES NOT PERMITTED.

Nothing in this ordinance shall in any way be construed to authorize, license or permit any gambling devices whatsoever.

SECTION 3. PROHIBITIONS AND RESTRICTIONS.

(1) When used as a primary use, such devices shall only be licensed for placement in a business establishment located in a zoning district designated by the zoning classification C-4.

(2) When used as an ancillary use, such devices shall only be licensed for placement in a business establishment located in a zoning district designated by the zoning classification C-2 and C-3.

(3) No owner shall permit the operation of any device unless a person eighteen (18) years of age or older is in control of the premises.

(4) No owner shall permit the operation of any device by persons under the age of seventeen (17) years between the hours of 3:00 A.M. and 3:00 P.M. on school days.

SECTION 4. LICENSE REQUIRED.

Any owner displaying for public patronage or keeping for commercial operation a device as herein defined shall be required to obtain a license from the Village of Chelsea and it shall be unlawful for any owner to maintain or operate for public patronage or keep for commercial operation a device, without having first procured a license from the Village of Chelsea.

SECTION 5. APPLICATION FOR LICENSE, FEE, TERM.

(1) An application for license shall be made to the Village Clerk on a form provided by the Clerk and shall be in accordance with the provisions of this section.

(2) The application for such license shall state, among other things, the following:

(a) The full name of the business and the full name, present address and date of birth of each, and every owner of such business or in the case of a corporation, the name, present address and date of birth of each of its officers, as well as fingerprints and/or other background information as may be required by the Chief of Police.

(b) The number and type of devices to be operated.

(c) The owner of such devices and other items as may be required.

The application for license shall be signed by the business owner and accompanied by an

application fee as established by the Council of the Village of Chelsea by resolution.

(4) The application for license shall be accompanied by a drawing showing the floor plan of the proposed business, all exits, the proposed location of each device, and the proposed off-street parking for employees of the owner and business invitees.

(5) Off-street parking shall be provided for as identified in Chelsea Village Zoning Ordinance.

(6) No license shall be issued until such time as the Village Administrator through his subordinates has determined that the proposed location of each device will not violate any local or state laws or regulations.

(7) The term of any license granted shall begin on April 1st of the license year and shall terminate at midnight on March 31st of the following year. Original licenses shall be issued for the balance of the license year at the full license fee.

(8) The license fee as established by the Council of the Village of Chelsea by resolution shall be payable to the Village at the time the license is issued.

(9) The annual renewal license fee shall be paid prior to the annual expiration date and upon receipt of such payment the license shall be renewed for the following year.

SECTION 6. RIGHT OF ISSUANCE.

The Village Administrator shall either approve or disapprove the application for license within fifteen (15) work days of receipt of the application completed in form and content. If the application is disapproved, the reason therefor shall be endorsed upon the application and the applicant shall be notified of such fact. In the event of disapproval of an application, the applicant shall be entitled, upon request, to a hearing before the Village Council.

SECTION 7. DISPLAY OF LICENSE.

The license granted herein shall be posted permanently and conspicuously at the location where the devices are to be operated.

SECTION 8. INSPECTION OF PREMISES.

Any licensed premises shall be subject to inspections at any time by Village officials, employees and agents.

SECTION 9. REVOCATION OF LICENSE.

(1) Every license issued under this ordinance is subject to the right, which is hereby expressly reserved, of revocation of the same, should the licensee directly or indirectly permit the operation of any device contrary to the provisions of this ordinance, the other ordinances of the Village of Chelsea or any law or regulation of the County of Washtenaw, State of Michigan, or United States of America.

(2) Any license lawfully obtained shall be subject to revocation only after receipt from the Village of a written notice specifying violations with which the licensee is charged and after a hearing is held by the Village Council upon such charges. The licensee shall be entitled to be present at such hearing and to present evidence on his behalf.

SECTION 10. TRANSFERABILITY OF LICENSE.

It shall be unlawful to transfer any license from the licensee to any other person. If the licensee shall move his place of business to another location within the Village of Chelsea, the license may be transferred to the new location upon application to the Village Clerk. The new location shall be subject to the approval of the Village Administrator in the same manner as if it were an original application.

SECTION 11. FORM OF LICENSE.

All such licenses shall be in such form as the Village Administrator may prescribe and shall contain the name, address, place of business, number of devices on the premises, date of expiration of said license and shall be authenticated by the signature of the Village Clerk.

SECTION 12. PENALTY.

Any person, firm, corporation or association violating any of the provisions of this ordinance, in addition to the revocation of the license, shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of FIVE HUNDRED (\$500) DOLLARS, imprisonment for a term of ninety (90) days, or both, or any part thereof, plus payment of cost of prosecution.

SECTION 13. REPEAL OF CONFLICTING ORDINANCES.

All existing ordinances of the Village of Chelsea are hereby repealed insofar as they may be inconsistent with the provisions of this ordinance.

SECTION 14. SEVERABILITY.

It is the intention of the Council of the Village of Chelsea that each separate provision of this ordinance shall be deemed independent of all other provisions herein, and it is the further intention of the Council that if any provision of this ordinance is

declared invalid, all other provisions thereof shall remain valid.

SECTION 15.

This Ordinance shall take effect fifteen (15) days of the date of adoption and publication as provided by statute.

SECTION 16.

Ordinance No. 91, adopted April 20, 1982, be and the same is hereby repealed, and the within Ordinance is substituted in its place and stead, and adopted as Ordinance No. 91, Chelsea Village Code.

STATE OF MICHIGAN (SS COUNTY OF WASHTENAW)

I, EVELYN ROSENTRER, Clerk of the Village of Chelsea, do hereby certify that the within Ordinance was adopted by roll call vote at a regular meeting of the Village Council of the Village of Chelsea, on the 20th day of July, 1982, and that said vote was as follows: 6 AYES, 0 NAYES.

Michigan Number One in Blueberries—Again!

Peak harvest for Michigan's blueberry crop will occur this week and next. Quality is ideal—an abundance of rain just makes blueberries bigger, plumper and juicier. Though shoppers can look forward to fresh blueberries being available through early September, the peak season is the time to purchase large quantities for freezing, canning and just eating your fill.

Called huckleberries by New England colonists, blueberries have always been hardy. They're native to the northern hemisphere, to Europe generally and to the mountains in the tropics, but North America produces 90 percent of the world's crop. In 1615, Champlain found Indians near Lake Huron gathering blueberries to store for the winter. They dried the berries in the sun, beat them into a powder and added this powder to parched meal—to produce a kind of rough forerunner to blueberry muffin mix. Today, blueberries are the third most popular non-citrus fruit in the United States.

The blueberry crop is the one fruit crop which is reported in terms of size for North America rather than just the United States. That's because our good Canadian friends also produce sizeable quantities of blueberries (mostly wild). The North American blueberry crop is estimated at 8.7 million pounds.

Michigan is slated to produce 42 million pounds, smaller than last year's record crop of 52 million pounds but big enough to keep Michigan No. 1 in blueberry production. This year's crop is still 4½ million pounds over the five-year average.

Consumers as well as growers can celebrate when there's a good blueberry crop, because blueberries are so easy to prepare. With no pitting, no peeling and no waste, blueberries can be called the original convenience fruit.

U-pick operations give shoppers the opportunity to put some of their unused energy to work and save money. Cultivated blueberries are easy to pick. Holding a branch with one hand while rolling the berries off with the other is the way growers suggest. One grower also adds this tip: never pick up berries you spill. The reason is that they will be covered with sand and this will shorten the life of all the berries in your bucket.

Blueberries may be sold by the measure or weight. Knowing that a quart weighs about 1½ pounds enables the shopper to make a fair comparison. Generally, the larger units purchased by the pound will give the most value for the least cost per unit.

Whether selecting off the bush or the produce counter, choose blueberries that look plump and fresh. They should be clean, dry,

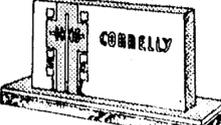

free from leaves or stems and have full color throughout the lot.

Handle blueberries carefully—they bruise rather easily. Do not wash the berries until you're ready to use them. (Moisture hastens molding of all fresh fruits.) If you refrigerate good quality, fresh blueberries promptly after purchase, they should be eating-good for a week.

Heated arguments can ensue over whether blueberries should be washed before freezing. The idea behind not washing them is that unwashed berries won't freeze in a solid lump. This can be avoided by drying berries on a towel after washing but before packaging and freezing. Or, if you prefer, freeze berries unwashed and wash them in a strainer just before using.

MONUMENTS

Each of our client's requirements is different, which means that each monument we produce is custom-carved for the individual family. We advise on cemetery regulations, proper proportion, material and appropriate symbolism.

Farm Capital

A recent study by Purdue University economists says the capital needed for each worker on American farms is generally seven times the amount of capital invested per worker for most other industries.

High School Baseball Team Loses Twice

On July 20, Chelsea's high school baseball team played Packard Dairy Queen, a team they had defeated earlier. This time, however, Dairy Queen turned the tables, and defeated Chelsea, 9-2. Jay Marshall started for Chelsea and lasted to the third inning when Steve Grau relieved him. Neither could control the Dairy Queen team as they scored two runs in the second, four runs in the third, two in the fourth and one in the fifth inning. Doug Pagliarini had two singles to lead Chelsea's hitting attack along with Chris Gallas who doubled and singled. Mike Neibauer also smacked a single. Doug Pagliarini and Rich Slater crossed the plate for Chelsea's two runs.

On July 22, Chelsea took on a very tough Rebmann Products team. Earlier in the year, Chelsea lost to them, 11-0, and, in the first inning, it looked like a repeat as Chelsea appeared shaky and allowed Rebmann to score four runs and add one in the second to take an early 5-0 lead.

Chelsea settled down and, with Doug Pagliarini on the mound,

held Rebmann scoreless the rest of the way. Again, Chelsea got the base runners but could not get the big hit that was needed—what has been the team's problem all year.

Finally, in the fifth inning, Chelsea did break through for three runs highlighted by singles by Jeff Blanchard, Doug Pagliarini and Mike Neibauer, who also collected a double in the first. Chelsea played much better in this game but came up short, 5-3.

David Bushway singled for Chelsea as well.

Defensive play of the game was as Pagliarini tried to pick a runner off first and threw wild. First baseman Steve Grau ran it down and fired a perfect strike to Chris Gallas at third to get the runner trying to reach third base on the play. Catcher Rick Boham also threw two runners out trying to steal third.

Chelsea is now 3-7 on the season with two games remaining, Tuesday, July 27 and Wednesday, July 28, both games played at Vet's Park in Ann Arbor and beginning at 6 p.m.

Basket-Making Class Offered at Farm Museum

Waterloo Farm Museum will present a craft workshop on basket-making Saturday, Aug. 28, between the hours of 10 a.m. and 3 p.m. at the Farm Museum.

Instructor Grace Kabel will teach each participant how to make an oval splint basket with a 9-inch base and 6-inch sides. This is a basket for any season and has endless uses.

Each participant is asked to bring a dish pan, towel, pencil, scissors, long-nosed pliers, ruler, awl, package of spring type clothes pins, four T-pins, sack lunch and drink.

Material fee for this program is \$5 and course fee is \$10. There is a class limit of 12 persons.

Waterloo Farm Museum is located three miles west of Waterloo. The Farm Museum is the only one of its kind in Michigan and is on the National Register of Historical Places. It

was started and maintained by volunteers and has been an ongoing project for 17 years. The farm house, barn, log house and out-buildings, plus the Dewey Country School have been restored and furnished to demonstrate how our ancestors lived from the period of 1855-1895.

In addition to the annual "Pioneer Day," the Farm Museum is co-sponsoring a variety of classes and workshops in Early American arts and crafts. All classes and workshops are held at the museum. The majority of the classes are workshops available to adults 16 and older.

Children, age 11-15, may enroll in the adult classes if they are accompanied by an adult. Registration, refunds, cancellations of classes and so on are done through the Chelsea Community Education office. Only the material fee should be brought to the classes.
