ONE HUNDRED-THIRTEENTH YEAR—No. 10

CHELSEA, MICHIGAN, TUESDAY, AUGUST 10, 1982

16 Pages This Week

COUNTY OKS BOND SALE: The Washtenaw County Board of Commissioners approved the sale of \$725,000 in general obligation bonds to rebuild the Hell Creek dam at their meeting Aug. 4. "We hope to have Hilland Lake filled by July 1983," says Jack Durbin, the director of public works for the county. First the bond sale must be approved by the Michigan Municipal Finance Commission in

Lansing. Durbin says he expects the project to go out for bids in late September, and the awarding of a construction contract in late October. The dam, which is more than 100 years old and has been undergoing repairs for several years, says Durbin, burst in March with the strain of heavy snow melt.

Primary Election Underway Today

The 1982 primary today is a trivia nut's dream. Can you name all 11 gubernatorial candidates in 10 seconds or less?

The number of candidates and confusion over this year's political re-districting has election officials predicting a 25 percent voter turnout.

"There's just a tremendous disinterest," county clerk Robert Harrison has said, although this is the first time in 20 years an incumbent governor is not seeking election. Yet even that 25 percent prediction is more than double the voter turnout for the 1980 primary.

Primary election voting is from 7 a.m. to 8 p.m. Aug. 10.

The polling place for Sylvan township, is 112 W. Middle St., Chelsea; for Lyndon township, the township hall, Old M-52 and North Territorial Rd.; for Dexter township, the township hall 6880 Dexter-Pinckney Rd.; and for Lima township, the township hall, 11452 Jackson Rd., Dexter.

Voters will be choosing for the following offices.

Governor
Democratic candidates are James J. Blanchard, Zolton Ferency, William B. Fitzgerald, Kerry Kammer, Edward C. Pierce, David A. Plawewski, and John Safran.
Republican candidates are Richard H. Headlee, L. Brooks Patterson, Jack Welborn, and James H. Brickley.

United States Senator
The Democratic candidate is Donald W. Riegle, Jr.
Republican candidates are William S. Ballenger, Robert J. Huber, Philip E. Ruppe, and Deane Baker.

Representative in Congress, 2nd District
The Democratic candidate is George Wahr Sallade.
Republican candidates are Carl D. Pursell and Walt Long.

State Senator 18th District
Democratic candidates are Lana Pollack, Ron Allen, Peter Eckstein, and James Murray.

The Republican candidate is Róy Smith.

Representative in State Legislature 52nd District
The Democratic candidate is Henry J. Flandysz.
Republican candidates are Lee Doser, Harold L. Moon, Margaret O'Connor, Larry Steeb, Ronald E. Weber, and Ed Aluk.

County Commissioner 1st District
Republican candidates are D. E. Limpert, George A. Merkel, and James R. Spears. No Democratic candidates filed.

Judge of the Court of Appeals — 1st District
Non-partisan candidates are M. John Shamo, Thomas J. Brennan, Geraldine Bledsoe Ford, Roman S. Gribbs, and Charles Kaufman.

Judge of the 14th District Court
Non-partisan candidates are John W. Stanowski, Walter K. Hamilton, and Thomas F. Shea, judge of District Court.

Sylvan, Scio, and Lima township voters will not be choosing any township or village offices.

Lyndon township voters have a primary for township trustee, a choice on the Republican ballot between M. Jean Dunn and George Beeman.

Dexter township voters will have a township trustee primary, a choice of two for each party. Republican candidates are Peter Holske, James Drolett, Richard Rigg, and H. Douglas Smith. The Democratic candidate is John David Scriven.

Webster township has a primary for constable. No candidates have filed, but one could be elected by write-in ballot.

Ten Fair Queen Candidates Start Preparing for Contest

Ten candidates have entered the 1982 Fair Queen contest, with preliminary competition beginning Sunday, Aug. 29, and the finals the evening of Aug. 31 at the Livestock Tent following the children's parade.

Each contestant will be introduced to the community in this and following issues of The Standard. The contestants are Laura Beckwith, Connie Bollinger, Nancy Case, Laurie Heller, Jean Folsum, Stephanie Grant, Debbie Morris, Trina Mindykowski, Sandra Frame, and Carine Brown.

At the Sunday evening preliminaries at St. Paul church, the queen contestants, all attending either Chelsea or Dexter high schools, will be judged on

their talent presentations and have a private interview with the four judges about their fair, school, and community activities, and about their life goals.

Tuesday evening each contestant will ride in the parade in a convertible, with their escort, traditionally their fathers, but this year Big Boy and Ronald McDonald may be surprise escorts, says Margot Koenn, the 1980 fair queen and this year's contest organizer along with Cindy Bradbury, 1984 fair queen.

At the contest, the girls will be introduced by fair board member Art Steinway. "Fat Bob," the singing plumber. Taylor, of radio station WJR, will ask each girl a serious question

and a humorous one. The girls, who traditionally wear prom-ish dresses at the contest, will be judged on their poise. While the judges tally votes, each contestant will perform their talent for the audience.

"Then we hope Fat Bob will do a song for the crowd," says Mrs. Koenn.

The new queen will reign over the fair — and she and her court will present ribbons at Thursday night's livestock sale and help out with the new event Ladies Day, Thursday morning.

Each contestant will ride with their court in a float made by their sponsor, who is also responsible for providing them flowers, in Saturday afternoon's parade.

The 1982 queen will help open the festivities for the 1983 Fair.

The judges, intentionally not community members so each girl will be unknown to them, are Roseann Bloomer, office manager at the Ann Arbor branch of Production Credit Association; Cheryl Bushler, of Grass Lake, who is a dance instructor at Cheryl's Dance Studio and is a former Jackson County rose queen; Fran Coy, the owner and operator of Fran Coy Hair Stylists in Ann Arbor; and Harold Easton, a businessman, mayor of Tecumseh, and a Lenawee County fair board member.

Civic Foundation Founding Member Cut-Off Date Near

There are three weeks remaining in the drive to secure Founding Members of the new Civic Foundation of Chelsea. 144 people have become Founding Members of the Foundation to date.

The Civic Foundation of Chelsea is established to benefit the greater Chelsea area. Its purpose is to raise funds to finance community projects which are not now funded by existing sources. Similar community foundations use their funds to support senior citizen centers, area transportation services, libraries, museums, parks, recreation centers, etc.

Founding Members will elect the officers and Board of Trustees of the Foundation and

will take part in the formation of the Foundation and the determination of its objectives and goals.

Sept. 1 has been established by the Temporary Steering Committee as the cut-off date for the Founding Membership Drive. The first meeting of the Founding Members will be Sept. 13.

Interested persons should contact Arthur Dils, chairman, Temporary Steering Committee, 994-3904; or Rorald Olmsted, treasurer, 475-1311 Ext. 392. Contributions may also be sent to the Civic Foundation of Chelsea, Post Office Box 45, Chelsea 48118.

The 1982 Chelsea Fair will have a special event for the women, who might not be too psyched about entering the tractor pull.

It's a Ladies Day Sept. 3, with registration beginning at 8:30 a.m. and entertainment, refreshments and door prizes until noon.

Local women will model fall fashions for a variety of ages from Dancer's Marlene Coffey, a fashion consultant from Northville who teaches the "Pretty faces to young people" classes, will show how to accessorize an outfit. Gale Baumgardner, who is well-known for humorous talks, will speak on "You Are Ladies Today".

The Kitchen Band, Jackson Chapter No. 405 of the American Association of Retired Persons, will perform. The only traditional instrument they play is the piano — the rest of the musicians are kitchen utensils.

Lenore Mattoff will give a microwave cooking demonstration, sponsored by Heydlauff's. The homemaker of the year — the woman who has won the most prizes in the fair — will be announced.

There will be free coffee and doughnuts, and each participant will receive a goodie bag of items such as pencils, matches and seed packets.

Women who register at the tent by signing their names will be eligible for more than 100 door prizes donated by Chelsea and Dexter area businesses. These prizes will be given away throughout the morning, and women must be present to win.

The special \$1 admission fee at the gate for women until noon,

will also cover fair admission (at other times \$2) for the day.

Ladies Day is a popular event at other fairs in the state, says Veretta Whitaker, one of the Ladies Day organizers. Women from Chelsea visited the Allegan fair to get ideas for this event, intended to be something special to recognize the ladies," and to also attract persons to morning events at the fair.

Those who have helped organize Ladies Day are Kay Heller, Kay Pojan, Elsie Heller, Donna Dault, Sue Van Natter of Dexter, Debbie Spalding, and Veretta Whitaker. Lynn Kink has organized the fashion show, and Jackie Rogers is organizing the senior volunteers.

Schools Seek Replacement For K. Miller

Chelsea Public schools are accepting applications through Aug. 10 for a replacement for orchestra leader Kevin Miller, who resigned to take a job in Elmhurst, Ill.

Placement offices at Michigan universities and colleges have been notified of the vacancy, says Raymond E. Van Meer, superintendent of schools, and eight applications have been submitted as of Aug. 5.

Miller's obligations for the summer are finished, says Van Meer, so the only time pressure for finding a replacement is the start of school.

Selected candidates will go through two rounds of interviews.

SANDRA L. FRAME, an 18-year old senior at Chelsea High school, tries out different humorous stories. She will tell one as her talent for the queen contest. She is sponsored by Chelsea Big Boy, where she has worked since November, and is a member of North Lake Methodist church. She is captain of the cross country and track teams. She likes baking fancy desserts and feathering and

styling hair for friends. She plans to attend cosmetology school after high school, and eventually studying business and health. She is the daughter of Bill and Barbara Frame of 13800 McKinley Rd. Her father will escort her for the contest, and she will enter the clothing, baking, floriculture and possibly hobby categories at the fair.

Teacher Contract Talks Resume

Mediation for a new contract was to begin Monday, Aug. 9 in a closed session at 7 p.m. between the Chelsea Schools, the Chelsea Educators Association, the teacher's union, and a mediator chosen by the state.

The last contract expired at the end of June. The board and the union tried expedited bargaining in May, said Raymond E. Van Meer, superintendent of schools, but could not complete the process in the required week.

Both sides hope to conclude bargaining prior to the start of school, which is a negotiable item in the mediation, said Van Meer.

Although the most recent contract ran three years, Van Meer says he expects this contract to be for one year, since it has become more difficult to make predictions about the economy.

TRINA M. MINDYKOWSKI, a 16-year old senior at Chelsea High school, practices putting on her makeup for the big night, when she will do a dance as a Raggedy Ann doll come to life. The daughter of Gerry and Carol Crawford of 14700 Jerusalem Rd., Trina plays clarinet in the school band, is in the color guard with the marching

band, and is a varsity basketball cheerleader. She likes to read horror and terror books. She has some beauty pageant experience — she entered the Miss Teen pageant in June. After graduation, she plans to attend Washtenaw Community College to study interior design.

Governor Sets Priorities For Remainder of Term
 Governor William G. Milliken, who is ending 14 years as Michigan's chief executive, said he will devote most of his attention in the last few months of his tenure on budget problems, resolving unemployment compensation debt and financing and developing a transportation package.

He said, referring to the agenda for the next five months, "it's about as tough an assignment over-all as the recent temporary income tax fight," which he had once described as the toughest of his political career.

Further rearrangement of the state budget appears likely as the state continues to be plagued with a slow economy and increasing welfare spending.

He added a welfare supplemental appropriation for the year ending Sept. 30 is a certainty, but could not give a specific amount.

With the worsening economy, further departmental spending cuts will probably be ordered.

Adding another aspect to the problem will be the fact that the Legislature, when it reconvenes for the fall session in late August, will be working to complete a budget for the new fiscal year beginning Oct. 1.

Milliken said revisions appear to be needed in his 1982-83 budget recommendations, but specifics would not be available until at least mid-August when July revenue figures are available.

He confirmed that there will be no new revenues in those revisions and said extending the income tax increase would be "un-thinkable."

Milliken reported he is still reviewing a report by the state Department of Commerce and Labor on restructuring the unemployment system, saying he hopes it will be put together a consensus for a solution from labor, management and legislators.

He said he was unsure when he would make his own recommendations but said it is imperative the problem be

resolved prior to the end of the calendar year.

Estimates indicate Michigan will be in debt to the federal government some \$2.2 billion by the end of the calendar year because of the state's continued and high unemployment rates.

Milliken said the starting point for unemployment reform will be the release of a report on the subject, followed by discussions with labor, management and legislative leaders to determine if there is a basis for common action.

The problem, he noted, includes both trying to get business and labor together, as well as trying to get all segments of business to agree on an approach which he said should "stop the bleeding" and reduce the accumulated debt.

"It is one of those issues which will be painful to all and satisfactory to none," he said.

Many proposals provide for increased business payments, tighter eligibility for benefits and even payments from employees.

He said some progress has been made at the federal level for forgiveness of a portion of the debt.

Additional revenues will be necessary for a revised transportation plan which will cover all modes. Those programs may include shifting the tax on gasoline from a per gallon tax to a percentage rate that will increase state revenues as the price of fuel goes up and increasing licensing and transportation fees.

The agenda set forth by Milliken would be difficult for a full four-year term. But Milliken has five months before a new governor and legislature takes over. It's a commendable task for someone who could just cruise during the remainder of his term.

Juveniles Admit Locker Room Thefts

While Sgt. Lenard McDougall was questioning two juveniles about another case Aug. 4, they admitted to taking \$15 to \$20 from a wallet in the Beach school locker room at 10:30 a.m. that morning. The larceny had not yet been reported to the Chelsea Police department.

The money was recovered, and the juveniles admitted to another locker room larceny, which had been reported in March.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster told the fellers at the country store that the American people control Congress the way his Pa drove his pair of mules. Clem said when them critters bowed their necks agin the bit they were hard to stop or turn. Onct, Ed recalled, the team was spooked by a snake. His Pa pulled on the lines and hollered himself to a whisper. Final, Clem said, his Pa just threw the lines over the side of the wagon and said "well run, you stubborn devils, you're going to mind me one way or another."

It looks like, Clem declared that we have let go the lines and we are driving Congress wherever it wants to run. From the size of the budget deficit to anything you want to mention, Clem said, our little red wagon is being pulled from one side ditch to the other. To make matters worst, he went on, the mules are making up the rules to suit the situation. This being an election year, Clem explained, the House and everybody else in office that wants to stay in will trot out figgers that prove what they want to prove.

For instant, Clem said, he had saw where more than two million more Americans fell through the cracks of the poverty floor last year. The Census Bureau said last week that family income dropped 3.5 percent and the number of people living below the income level it takes to live went up to 31.8 million. What we got to keep in mind, Clem went on, is that these folks didn't so much hit the floor as the floor come up and hit em. The rules were changed. The income it takes to keep a family of four out of the cold grip of poverty was increased from \$8,414 to \$9,287.

What all this means, Clem said, is whatever Congress and the people want it to mean. One of Ed Doolittle's mossback Republicans will say we're final at long last tearing ourselves away from giveaway Government. A

fast and loose Democrat will use the same figgers to prove Government is deserting people in time of trouble. Like the farmer that was ask by a passing stranger how much the farmer's prize bull was worth. The farmer give the question some thought and ask the stranger if he was the tax appraiser of if he had hit the bull with his car.

Practical speaking, broke in Zeke Grubb, what we got to do in this country is set up all our statics and levels like we do the national debt. We don't worry about how high the debt is, Zeke said, we jest set the legal limit wherever it's at. All we got to do is work out the poorest family of four is living on in this country, and build the floor right there so everybody else will be above it, was Zeke's idee.

Personal, Mister Editor, I didn't offer my static fer discussion. I saw where a child cost \$226,000 from birth to 22 year old in this country. I ain't good with numbers, but if we don't set a new kid-raising level none of them in that 31.8 million under the poverty floor has got a chance.

Yours truly,
 Uncle Lew.

Talking it Out

With **JOHN W. MITCHELL**
 Owner-Director
Staffan-Mitchell
 FUNERAL HOME

WHAT DO YOU SAY TO A GRIEVING WIDOW?

Because it is so difficult to know how the bereaved really feels, we advise that you *not* say, "I know how you must feel." It is not necessary to force a conversation, nor to extoll the virtues of the deceased to the grieving family.

Silent expressions of emotion and compassion (like a firm gripping of the hand) and a simple, "I'm sorry," are frequently more eloquent than talkative attempts at eulogies.

Listening and just "being there" show that you care. Your presence is indication of your desire to be sympathetic and comforting.

Above all, don't try to jolt a grieving widow out of her grief. Time will do it for her gradually. She must first accept the loss, then begin to live with it and pass through several emotional stages before the natural healing effects of time take hold.

We welcome your questions and comments on this and other subjects—privately or publicly, through this column.

Ruhlig Family Observes 50th Reunion

The 50th annual Ruhlig family reunion was held Sunday, July 18, hosted by the Martin Ruhlig family of Island Lake Rd., Dexter, the site of the first reunion. More than 150 descendants and their families gathered to mark the event. A Worship Service of Thanksgiving was held at 11 a.m. at Our Savior Lutheran church in Chelsea with 115 present. The Rev. Erwin Ruhlig of Sturgis and the Rev. Edward Ruhlig of Holland participated in the service with host pastor Rev. Franklin Giebel of Our Savior. Principal Lloyd Schultz, family president, was the organist. A pot-luck dinner followed at the Island Lake Rd. address.

Relatives were present from Michigan and Ohio. The oldest member in attendance was Theresa Brock, 86, of Wyandotte. Violet Ruhlig was elected secretary.

The next reunion will be held July 17, 1983, at the home of David and Rosanne Ruhlig of Carleton. Several marriages and births were noted and only one death, Fredericka Ruhlig, on May 16 at age 95.

The immigrant ancestor, Christian Frederick Ruhlig, was born March 6, 1827, at Kranichfeld, Sachsen-Meiningen, now Erfurt District, Germany. He came to America in 1852 at age 25. It took him two years to work off his passage, helping in the construction of the locks at Sault Ste. Marie.

His first home was in Grosse Pointe township not too far from the Belle Isle Bridge. Later he moved to Ecorse township where he purchased land on St. Cosme Line Rd. (now Southfield) and the site of the farmstead is now in downtown Allen Park.

He and his first wife, Anna Marie, nee Strobel, were the parents of six children, two boys and four girls. They lost their first son in a fall and the other boy was not too well. Frederick worried that there would be no one to carry on the family name, especially when his wife died with pneumonia when their youngest was only three years old. Later he remarried, and he and his second wife, Mary Anna Frank, became the parents of nine boys and one girl. One son is still living at the present time, Herman, who is 90, and lived for a time in Dexter township. A daughter, Matty, lived to be 102.

Emil Ruhlig was the youngest son and came to Dexter township and the Island Lake Rd. address in the spring of 1920. Albert Ruhlig was the first of his children born here, and resides on a dairy farm adjacent to the homestead. Later, the Emil Ruhlig homestead was purchased by a nephew, Martin Ruhlig, Sr., who hosted the family gathering. Data has been compiled and kept up-to-date on the family in America and research is presently being conducted in Germany. Present count indicates 64 living male Ruhlig descendants so Grandpa Frederick Ruhlig needn't have been quite so concerned regarding the carrying on of the family name.

John Fords Honored on 50th Anniversary

John and Elizabeth Ford of 112 N. East St. celebrated their 50th wedding anniversary at a dinner given in their honor at the Marlboro Inn in Upper Montclair, N.J. Their nephew and niece, Andrew and Catherine Hickey of Upper Montclair, hosted the dinner, attended by grandnieces, a grandnephew and friends of the Chelsea couple.

Mr. and Mrs. Ford were married Aug. 6, 1932 in Newark, N.J. They moved to Michigan in 1935, and to Chelsea in 1940.

Mrs. Ford is a homemaker. Mr. Ford was employed by Federal Screw Works and is now retired.

Inverness Lady Golfers Host Chemung Group

July 29 was irons only for the women playing in the Inverness Country Club Ladies Day.

Yolaine Carignan had best score and low putts in first flight. Olga McCormick won second flight for best score and low putts. Third flight winners were Vicky Lindemer with low score and Louella Patterson with low putts.

Chemung Country Club members were guests of Inverness on Aug. 5. Following the round, luncheon was served at the clubhouse. First flight winners were Evelyn Hunter with low score and Dorothy Hale with longest drive. Liz Frisinger and Betty Korzilius tied for low score in second flight and Ruby West had longest drive. Doris Max had low score in third flight and Marty Kolander had longest drive.

Doris Max had low putts for the day while Anita McDonald, Alda Knight, and Dot Hume had chip-ins.

Students participating in Michigan State University's Service-Learning Center program can work in a volunteer capacity in 46 major programs in 250 major agencies serving community needs.

D. Basores Host Party for 2,000 On 50th Wedding Anniversary

Sunday, Aug. 1, Dave and Causby Basore celebrated their 50th wedding anniversary at their home in Stockbridge with friends and relatives, following a buffet dinner reception on the lawns of the Stockbridge American Legion Home.

Approximately 2,000 guests were present from Stockbridge, Chelsea, Dexter and surrounding areas. Many friends and relatives came from out of state, Georgia, Tennessee, Kentucky, Ohio, Indiana, Illinois, New York, New Jersey, Maine and 60 couples from Florida.

Celebrations on Aug. 1 have always been a memorable occasion since Dave and Causby Basore married on the first day of August, 1932, in McGuffey, O. In 1934 they moved to Stockbridge with their onion and produce business which has expanded through the years as has the importance of the Aug. 1 date to the Basore family. Causby and son, Tom, were born on Aug. 1. Their son, Tom, and wife, Marcia, celebrate Aug. 1 as their wedding date. This Aug. 1 marked their 25th wedding anniversary.

Mr. and Mrs. David Basore, grandson, is the son of the Thomas D. Basores. Brian David Basore and Renee Sue Cornish, the daughter of Mr. and Mrs. Larry R. Cornish, chose Sunday, Aug. 1, as the date of their wedding and were married in St. Cornelius & Cyprian church, followed by a reception at the Stockbridge American Legion

Hall and left for a trip to Hawaii. They will reside in Stockbridge.

The David Basores spend the winter months at their Belle Glade, Fla. home and have produce farms in Florida as well as in the Stockbridge area.

Schmidt-Pearsall Vows Exchanged in Britton Church

Donna Marie Schmidt of Tecumseh and James Vining Pearsall of Gregory were married at 7 p.m. July 24 at the Emmanuel Lutheran church of Britton.

The Rev. Franklin Giebel of Our Savior Lutheran church of Chelsea officiated at the ceremony uniting the daughter of Mr. and Mrs. Edward H. Schmidt of Tecumseh and the son of Mr. and Mrs. Fred Pearsall of 34 Sycamore. The bride's uncle Theodore Tiede, sang a solo. A reception followed at United Products Workers Union Hall in Tecumseh.

The bride chose Karen R. Malus, her sister of Maple Grove, Minn., as her matron of honor. Bridesmaids were Andrea Voorhees of Tecumseh and the bridegroom's sister-in-law, Linda Pearsall of Chelsea. Kristie Tiede, the bride's cousin of Tecumseh, was the flower girl.

The bridegroom chose William Pearsall, his brother of Chelsea, as his best man. Groomsmen were Art Grissom of Chelsea and

Edward H. Schmidt, Jr., the bride's brother of Tecumseh. After a wedding trip to Mackinac Island, the couple will live in Gregory.

The bride graduated from Clinton High school and is employed by Chelsea Community Hospital. The bridegroom graduated from Chelsea High school and is employed by Dana Corp.

Children's Center Expands Services

Chelsea Community Hospital Children's Center, formerly the Child Care Center, is expanding its services to include an Infant-Toddler Program. This comprehensive program will serve families with children ages 3 months to 2½ years.

Beginning in September, the Infant-Toddler Program will provide an environment which meets the individual child's physical and psychological needs as well as opportunities for spontaneous, pleasurable learning experiences.

Special emphasis will be placed on parent involvement. The program will provide consistency in caregiving practices between the Center and home by actively seeking parental participation in decision-making.

The Children's Center is located in the west wing of St. Paul United Church of Christ, 14600 Old US-12, Chelsea. It

operates from 8:30 a.m. to 5:30 p.m. Monday through Friday.

For more information, call Corinne Childs at 475-1311 Ext. 405.

Island Lake Group Home Plans Open House

Island Lake Group Home, for developmentally disabled children, will hold an open house from 1 to 4 p.m. Sunday, Aug. 15 to celebrate the home's third anniversary.

Six children, ages 12 to 18 years, live there now, and 10 children have lived there since the home at 12988 Island Lake Rd. opened on Aug. 13, 1979.

Living in a community in a group home is a step forward for these children, says Debbie Owen, program manager, since they spent so much time living in institutions with restricted environments.

MARCH OF DIMES POSTER CHILDREN for 1982, twins Stephen and Michelle McDonald of Chelsea, meet the community with enthusiastic March of Dimes supporter Dr. James F. Peggs, medical director for the University of Michigan Family Practice Center, Chelsea Medical Center.

Chelsea Twins March of Dimes Poster Children

Twins Michelle and Stephen McDonald of HayRake Hollow have been named 1982 March of Dimes Poster Children for Washtenaw and Livingston counties.

Michelle was born with cerebral palsy and has been receiving treatment at Mott Children's Hospital in Ann Arbor.

Chelsea Fair Premium Books Now Available

Chelsea Community Fair premium books are now available at Farmers' Supply Co., Honegger's & Co., Village Bakery, and Chelsea Hardware; or Huron Farm Supply and Ann Arbor Bank & Trust in Dexter.

The Fair Office will be open 10 a.m. to 4 p.m. Wednesday, Aug. 18 and Wednesday, Aug. 25; 7 to 9 p.m. Thursday, Aug. 26; 10 a.m. to 4 p.m. Friday, Aug. 27.

For information about the fair, call 475-8425 or 475-2921. The Fair Office phone number is 475-1270 and is answered only during office hours.

Stephen, a healthy three-year-old, will help her show the need to expand efforts to prevent birth defects, giving all children the best chance for a healthy start in life.

The March of Dimes, which currently supports the University of Michigan with medical grants totaling \$150,000, also supports research, medical services, and professional and public health education. Each year more than 250,000 children are born with birth defects.

The twins are the children of Dennis and Anita McDonald, whose other children are Karen, 13, and Ryan, 10 months.

Bott Graduates From Commercial Lending School

William J. Bott, of 216 Harrison St., 2nd vice-president of the Ann Arbor Trust Co. graduated from the ABA National Commercial Lending School, sponsored by the Commercial Lending Division of the American Bankers Association (ABA). The two-week session was held at the Oklahoma Center for Continuing Education at the University of Oklahoma, Norman.

Included in the curriculum at the school were the "how" and "why" of commercial lending, with emphasis on the practical application of financial analysis, cash flow, loan review and profitability. In addition to attending lectures, the class divided into small groups for a wide range of specialized lending case studies.

The commencement address at Bott's graduation exercise was delivered by Richard G. Kelley, chairman of the board, Citizens First National Bank of New Jersey, Glenrock, N. J. and member, National Commercial Lending Schools Board of Regents.

The ABA is the national trade association for America's Full Service Banks. More than 90 percent of the country's 14,500 commercial banks are members, including more small banks than any other trade association. As the leading educator of America's bankers, the ABA continually develops and revises textbooks, seminars, compliance manuals, statistical reports and brochures on a wide range of banking topics.

In an involuntary servitude case in fiscal 1981, the Fourth U.S. Circuit Court of Appeals upheld a ruling that conditions in a migrant labor camp operated by farm labor contractors violated the 13th Amendment and fell within the definition of slavery, according to the annual report of the U. S. Department of Labor.

TV Set Stolen in Home Break-in

A home in the 200 block of Hayes St. was forcibly entered between 9 and 9:45 p.m. Aug. 4 and a 21-inch television set, worth about \$400, was taken.

The home was entered by breaking a window near the door, and then the door was unlocked. The television set was the only thing taken, and has not been recovered.

OUR THANKS TO ALL

Our Chelsea friends, our Inverness friends, our relatives, and our neighbors, for the wonderful way that you shared in our special day—our 50th Anniversary.

We hope that you can feel the magic of this day which will become more memorable because you were here.

Fairgrounds Work Crew Preparing For Opening Day

A fairgrounds "work bee" was held until dark Thursday, Aug. 5. The grass was trimmed with a large flail, a gate was lifted, so it would open properly, gates and signs painted and a survey was made of the water outlets.

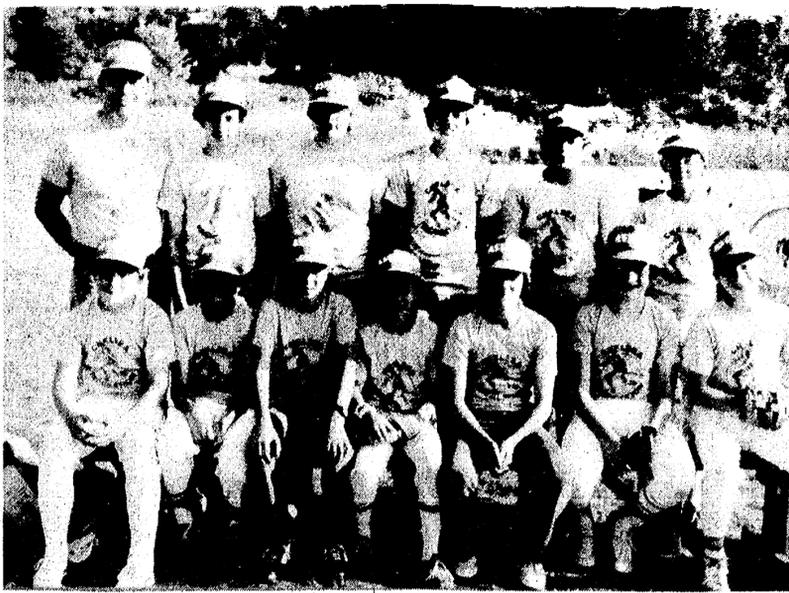

Additional lighting will be added to the parking area east of the fairgrounds and to the south part of the fairgrounds this year to help the ticket takers during evening hours.

The new lights will probably be sodium lights, which give off a yellowish, very bright light, says John Wellnitz, fair committee member.

Grau, executive vice-president—and fair board members—Frank Renton, Richard Bollinger, Jim Dault, Harold Gross, Jim Holeka, Gary Houle, Charles Koenn, Joe Merkel III, Earl Heller, Richard Poljan, John Wellnitz, and Debbie Stapish.

Members of the steer club, whom Wellnitz says were the "early birds" at the work bee were Paul Frisinger, John Eisenbeiser, Linda Later, Scott Frisinger, Greg Haist, Tim Bristle, Bob Schneider, Cathy Farrell, Tinn Ehnis, Tami Trinkle, Rita Trinkle, Chuck Downer, Sam Eisenbeiser, Jim Eisenbeiser, Julie, Lori, and Cherie Nixon, Dan Schneider, Anne Farrell, Jeff Haist, and Eric Frisinger.

The fair superintendents' next meeting will be at 8 p.m. Thursday, Aug. 19 at the fairgrounds. The fair telephone number is 475-1270.

PONY LEAGUE ASTROS for summer 1982 included front row, left to right, Dave Buku, Matt Monroe, Mike Fowler, Darren Girard, Mark Ahrens, Scott Baker, Brian Coy; back row, left to right, Tom Kemp, Mike Merkel, Rob England, Matt Bohlander, Randy Ferry, Matt Kemp. Missing: Kirk Lawton.

July Police Report Lists One Homicide

Other than that homicide victim found stuffed in a trunk at Polly's Market July 17, the month of July was relatively quiet for the Chelsea Police department.

The department did make more property checks than in June, 419 to 305, because more persons going on vacation filed requests for the police to keep an eye on their homes and businesses.

But it was a slow month for county runs, 1 compared to 6 in June. Police chief Robert Aello says they usually average six county runs a month.

The mileage for car 1 more than doubled, since it was only used for part of the month of June.

The department made nine adult arrests, five felonies for escapees from Cassidy Lake Technical school; two larcenies over \$100, one traffic warrant, and one violation of probation.

Three juvenile arrests were made, two run aways and one larceny under \$100. Five misdemeanors were issued, four for disorderliness, and one for littering.

Police radio runs, mostly "suspicious" persons, vehicles, and incidents, totalled 284; 37

case reports were filed; 42 traffic violations issued; 94 parking violations; 118 traffic stops; 4 vehicles impounded; 22 motorists assisted; 37 bar checks; 4 bank escorts and 9 funeral escorts, a sad comparison to June's 2 funeral escorts.

Chelsea Auxiliary Police spent 140.5 hours on duty in July.

Chelsea Water Supply Gets Clean Bill of Health

Chelsea community water supply wells got a clean bill of health from state health officials, who are testing statewide for chemical contamination.

The state has found 14 contaminated wells in the 235 they have tested so far in well testings begun in December 1981. No problems have been found or are expected with Washtenaw county water supplies, Richard Sachs of the state health department's water testing division, has said.

Cleaning solvents and degreasers, which are often used by dry cleaning businesses and other industries, are the most common contaminants found to date.

PONY LEAGUE CARDINALS included, front row, left to right, Brian Kidd, Ward Beauchamp, Bobby Clouse, Tyler Lewis, Ken Beauchamp, Mike Westhoven and Pat Overpeck; back row, left to right, Wayne Lewis, Chris Zangara, Scott Frisinger, Coach Chan Lane, Shannon Darrow, Todd Starkey, Jon Lane, Jeff Harvey, Coach Dave Lane. Missing: Jeff Mason.

ORIOLES IN THIS YEAR'S PONY LEAGUE included front row, left to right, Eric Bauer, Scott Gletzen, Marty Poljan, Brant Snyder, Clay Hurd, Mike Mitchell, John Cattell; back row, left to right, Matt Steinhauer, Mark Bareis, Coach Dennis Petsch, Jordan Gray, Rob Hubbell, Mike Popovich. Missing are Drew Hubal and Bill Sober.

Michigan State University's first medical school, the College of Veterinary Medicine, was established in 1910. This was followed by the College of Human Medicine in 1964, the College of Osteopathic Medicine in 1971 and the College of Nursing in 1980.

Michigan State University offers credit and non-credit programs and services throughout the state via eight regional offices located in Benton Harbor, Birmingham, East Lansing, Flint, Grand Rapids, Marquette, Saginaw and Traverse City.

Michigan State University's student newspaper, "The State News," is the largest university newspaper in the United States in terms of general budget, number of pages, amount of news carried, circulation and advertising. Its daily circulation averages 40,000.

Stop It! Always stop farm machinery before making repairs of adjustments say farm specialists. Make certain safety shields and guards are in place and never use hands or feet to try to dislodge clogged material.

Letters to the Editor

To the Editor:
How do you say thank you to each individual in a community? We have been swept up in a tide of job-seekers heading out of the midwest and indeed leave Chelsea with deep regret.

We can't thank each individual teacher enough for not only teaching our children but also for giving so much of themselves. How can we express gratitude to the cheerleading coaches, bowling coaches, baseball coaches, Scout leaders and Sunday school teachers who loved and guided our children over the years?

Our family has made so many, many friends in our 17 years here; in our church, Jaycees, Snowmobile Club, jobs and everyday living that it is painful to say good-bye.

We will keep in touch, Mr. Editor, by receiving your paper each week so we will know how all the members of this wonderful little community are doing. It will help us to remember all the smiling faces of people we passed on the village sidewalks and the merchants who cared enough to know us by name. We will have so many memories to sustain us and as we embark upon a whole new life, we will always remember Chelsea with fondness.

It is painful to leave our dear neighbors and friends, but the community, as a whole, will be missed, as well, by each of us in our own special way.

Come by to visit us if you are ever in Williamsburg, Va. God Bless all of you who have touched our lives and our hearts.

Morgan, Nan,
Sheri and Todd Rowe.

Mr. Editor Sir:
This letter took a great deal of prayer and thought before words could be put on paper. This is not the "run of the mill" letter, and it may be longer than usual, but because of the serious matter it reflects in truth, it should be printed in its fullest. Perhaps others know this feeling too.

It began in May when you published a letter written by myself on "The 2,000 Fetuses Found in Storage Bin in L.A." That letter alone stirred a number of consciences in our community as you, and your readers know. Some thoughts were formed on paper and became "Letters to Editor." Others added theirs by harassment of repeated phone calls. It was always a woman's voice in each call that Wednesday. This troubled person's hysterical tones at times, spoke rudely, then by nightfall, to my husband her tone became harsh with threat,

"Unless you want you house burned down, stop that crazy lady, your wife, from writing letters." Followed within 10 minutes with, "Your crazy wife, she should die." These threats meaningless or not, are a matter of record with the police. The next morning a man's voice was recorded with "Did you sleep alright last night old lady?" It runs in some families I guess. The clue that gave this away was the "key word" lady used by both male and female callers.

After the letter regarding "the 17,000 fetuses (number grew) found in L.A. will have memorial service by permission of President Reagan"... another phone call. The same woman. This time she dropped a couple of names. Very well controlled at first, followed by a raise in voice tone with each sentence spoken. This time she screamed for me "to leave town." Again next morning, followed by man's voice. Since woman has unlisted phone number there could never be a personal rebuttle by me. One would think that would have been all some people could think of to do to another human being who just was a voice for the unborn and spoke truth. Well have another thought.

On July 21, approximately 3:30 p.m., I was taking my husband's 97-year-old mother, who lives with us, out on the porch for some fresh air. The sirens from town pierced that very air walling their way thru traffic to their destination. "Someone needs a prayer" so silently a whispered prayer was said. To my surprise the sirens made their way up our driveway and came to halt at our garage door. The very capable attendant rushed from vehicle with its motor still running, to come to the aid of someone they believed was in urgent need of assistance. They stated that they had come to comply with urgent request for emergency care on myself, in response to call supposedly placed by me. The person (woman) placing this call was so convincing that dispatcher of ambulance company filled the request. On the two-way radio the operator was going to check the phone number given her. As we talked face-to-face at doorway, our phone rang. We talked it out. These very dedicated ambulance attendants just kept on saying "We are sorry." Yet to move an ambulance with full equipment runs basically \$110, or more, if emergency equipment is used. Throw in an addition \$3 a mile travel time and you're looking a \$134 cost to ambulance company for someone's sick actions.

In talking to the operator once more, we set up a way in which this will not occur again on a "False alarm". Just think about it.

We are not saying the ambulance trip was the plotting of this particular woman, it may have had its seed from where the "Roman Citizens" meet. No one ever said truth and belief of Faith were ever going to make one popular, but it sure is a good feeling to have a clear conscience. It is hard to believe, Mr. Editor; that persons like this exist in our Chelsea, who would stoop so low out of their own self guilt and vent their frustrations on another. Look around people—it's someone right where we live, in your very house maybe. Seeing this all in print the persons responsible can see it for the first time and see themselves for the first time as well, and maybe it won't be a "fun thing" to do anymore. Someone needs help and guidance. For what it is worth you are prayed for by the very person you harass... me.

Pediatrician Joining Family Practice Unit

Dr. Martha Spencer, assistant professor in the Department of Pediatrics at University of Michigan, will be joining the staff at the Family Practice Center in Chelsea beginning Sept. 1.

Dr. Spencer is a graduate of the University of Michigan Medical School and served as Chief Resident during her pediatric residency training at University of Michigan Children's Hospital. In addition to her board certification in Pediatrics by the American Academy of Pediatrics she has received specialty certification in Pediatric Endocrinology. Her particular interest is diabetes; and she has served as associate director of the Diabetes Center Unit in Ann Arbor and is a member of the Board of Directors of the Michigan Chapter of the American Diabetes Association.

Dr. Spencer, her husband Jim and their children Leigh Anne, Peter and Christopher are permanent and active members of the Chelsea community.

Dr. Spencer's role with the Family Practice Department will be to provide general pediatric care and specialty consultations to patients at the Family Practice Center. In addition, she is available to accept any Family Practice patients who may require hospitalization at Mott Children's Hospital and to provide teaching and support to the resident physicians in Family Medicine.

She will be available for office hours one-half day per week beginning in September at the Family Practice Center.

Big Crops
Last year, American farmers planted more acres to crops than in anytime in the past 32 years. They also harvested more acres of crops than in anytime in nearly a half century.

"WACKI" WACKENHUT, wearing a colander for a hat, cooked the sweet corn in a massive boiler. To insure freshness, corn was picked before dawn with illumination provided by flashlights.

Aquatic Club Closes Out Short Summer 'Fun' Season

Chelsea Aquatic Club took second place in their last meet of the summer season, the Jackson Invitational meet at the Jackson recreation pool, Sunday, Aug. 1. The team's showing was especially rewarding, said Von Acker, CAC coach, since only 22 of the club's 112 swimmers went to this meet. The others had vacation conflicts.

Three swimmers, Paula Colombo, Dave Mason, and Ted Lewis, took three first places apiece!

The goal of the summer season, which had 6 dual, 1 championship and 1 invitational meet, is "fun,"

says Acker, also girl's varsity swim coach at Chelsea High school. The "hard work" — strict conditioning and stroke clinics — will begin during fall season, tentatively set to begin Sept. 13.

Results from the Jackson invitational follow.

An Individual Retirement Account with us can supplement the retirement program where you work. Should there be no retirement program at your place of employment, it is even more important to open an IRA.

Many people believe retirement planning doesn't begin until within a year or two of retirement age. However, in order to enjoy retirement and assure the funds needed, you must begin earlier. One of the best advantages of saving with an IRA is the tax break. You can deduct up to \$2,000 of reportable income from both your 1982 federal and state income taxes, when deposited in an IRA. You only pay tax when withdrawing funds, during your retirement years.

Another excellent advantage of an IRA is the tax deferral of interest earned. Of course, when funds are withdrawn early, there is a substantial interest and tax penalty. Stop in, our IRA experts will assist you with a plan geared to your retirement goals.

Big Boy Qualifies For Regional Play

Chelsea Big Boy men's fast pitch softball team qualified for the Great Lakes Regional tournament by taking third place in the Class A state tournament held in Petoskey and Charlevoix last week-end.

If they play well in the regionals in Eau Claire, Wis. Aug. 21-23, they have a shot at the national finals in Albuquerque, N.M.

The Big Boy team, the 1982 Ann Arbor league fast pitch champions, won their first three tournament games — 5-0 over Steve's Amoco of Scottville, 6-4 over Townsend Ind. of Bay City, and 5-1 over Benton Harbor. They then advanced to the semi-finals at Petoskey's short fenced field, losing 6-4 to Wolverine Supply of Ann Arbor, their league arch rival. In their next game Big Boy lost 10-4 to the Auburn team, to take third place, still good enough to continue on in more American Softball Association competition.

Season trophies are displayed at Big Boy restaurant.

Big Boy 5, Steve's Amoco 0

Big Boy scored early with three runs in the first inning and two in the second. They held on to that margin the rest of the game.

Craig Houle had a single and triple, with 2 RBIs and 2 runs scored. Al Augustine had 2 RBIs with a double and a single. Wayne Welton had a double and scored a run. Pitcher John Strong went all the way for the win.

Big Boy 6, Townsend, Ind. 4

Big Boy got 3 hits and 2 RBIs from Bob Moffett, 2 hits and a run from Craig Houle, a hit and 2 RBIs from Wayne Welton, and a triple from Randy Brier to overpower Townsend from Bay City.

Jim Strong got the win, going the distance and finished up tough after some early trouble.

Big Boy 5, Benton Harbor 1

Big Boy scored 4 times in the fifth inning to break open a 1-1 tie. Doing the damage for Big Boy was Craig Houle, with 2 hits, including a double and 2 RBIs. Roger Bourne had 2 hits and 2 RBIs. Todd Ortring made an excellent catch in rightfield. Al Cohen pitched a 5-hitter to gain the win.

Wolverine Supply 6, Big Boy 4

Wolverine Supply came back after trailing Big Boy 4-0. Wolverine got runs from Mike Plesko and pick-up pitcher Frank Munger of Frankenmuth to whittle away the lead and go ahead. Bruce Wagner, Wayne Welton, and Al Augustine all had home runs for Big Boy. Jim Strong got the loss, his first of the season. Munger took the win for Wolverine.

Auburn 10, Big Boy 4

Again Big Boy had an early lead 3-1, but Auburn was able to single Big Boy to death, and surge ahead. Al Cohen got the loss. Al Augustine led the Big Boy offense with 3 RBIs, and two doubles, having a fine individual tournament.

Grass Lake Youth On Duty in California

ORANGE SMURFETTES: Ending their season in third place and sporting a Midget League record of 6-6, the Orange Smurfettes included this group of softballers. Among them are, front row, left to right, Melanie Broughton, Lauri Wetzel, Vicky Niethammer, Katie Giebel, Lauri Johnson, Jeanene Rossi; back row, left to right, Coach Chris Browning, Tammy Browning, Robyn Krichbaum, Kelly Dale, Rebecca Shures, Tiffany Browning, and assistant coach Emmie Niethammer.

THIS YEAR'S GUMMY BEARS enjoyed a fine softball season. Members of the team include, front row, left to right, Amy Dmoch, Debbie Urbanek, Beth Kenney, Kim Allen, Lisa Taylor, Maria Kattula, Kasey Anderson; back row, left to

right, Coach Jim Ghent, Jennie Ghent, Kelly Ghent, Tylene Greenleaf, Angie Defant, Dawn Spade, Brenda Kenney and assistant coach Tom Dmoch. Not pictured: Linda Later.

Unterbrink Helps West All-Stars Win

Amy Unterbrink, pitcher for the state champion Class B Chelsea High school team, pitched the first three innings in the west team's 8-7 victory at the softball coaches' association all-star game for graduating seniors Aug. 7 at Rainey Park in Lansing.

In the ninth inning with one out and runners on both second and third bases, — in a game which was close the whole time — Unterbrink re-entered the game and struck out one hitter. The next one hit an easy out — a soft grounder to Unterbrink. Colleen McGovern of Birmingham Groves High school, was named the winning pitcher for the game, since she was pitching when the west team went ahead.

Kim Arendsen, of Holland Christian High school and the west's catcher for the game, hit a two-run homer in the sixth inning to put the west ahead.

Charlie Waller, the Chelsea High school varsity softball coach, managed the team Unterbrink played for, a mixture of players chosen by the 200-odd member coaches' association, started last year. Players from Class A and B split up into two teams, and the Class C and D players formed another two teams.

The goal of this first all-star tournament was participation and recognition — the team members did not practice together, said Waller. "We hope it will continue as an annual event."

Each of the four pitchers for each team pitched at least two innings, which is why the game was nine instead of the usual seven innings.

Ann O'Sullivan, pitcher for Gabriel Richard, was the winning pitcher in the west Class C-D team's 4-3 victory. Jim Hess, coach of the Gabriel Richard team, coached that team. Cathy Barry of Gabriel Richard also played.

Recognition ceremonies for the players were held between the two games at 1 p.m.

Milan Sponsoring Softball Tourney

The City of Milan Parks and Recreation Department will sponsor the first annual late summer classic Softball Tournament, Aug. 27-29.

The tournament will consist of a 16 Team Class "B" and above, open tourney and a 16 Team Class "CC" and lower classified tourney. All games will be played on regulation slow-pitch softball diamonds.

Team trophies will be awarded to the first four teams in each tourney. Individual trophies will be awarded to the top two teams in each tourney. The \$100 entry fee per team includes softballs, umpires, scorekeepers, trophies, etc.

The entry deadline is Friday, Aug. 20.

Women's Softball Teams Now in Tournament Play

Chelsea Women's Fast-Pitch Softball Club will complete another season of play on Friday, Aug. 13. The Women's Fast-Pitch Club has supported two teams in the Ann Arbor Recreation Leagues this summer.

The 16-18-year-old team, coached by Charles Waller, has posted an 11-4 record so far this summer and will have completed play on Aug. 7-8 in the Ann Arbor Kiwanis tournament. This tournament will include teams from

Ann Arbor, Lansing, Jackson, Hamburg, and Marysville.

The Chelsea 13-15-year-old team is unbeaten in the Ann Arbor league with a 12-0 record, coached by Pat Clarke. The 13-15-year-old team also took part in the ASA State Tournament in Petoskey. Several of the girls from the 13-15-year-old team will also play with the 16-18-year-old team during the Ann Arbor Kiwanis tournament.

Chelsea Women's Fast Pitch Club's drawing for the quilt will be postponed until the final game of the season on Friday, Aug. 13 to give the girls time to sell enough tickets to cover their expenses for the summer. The girls will be selling tickets at Vets Field on Friday and during the tournament on the 7th and 8th of August.

Merchants, Ricardos Begin Play-Off for League Championship

Chelsea Merchants and Ricardos tied for the Men's Slowpitch softball league championship with 12-2 records, so best two-out-of-three-games playoffs began Monday, Aug. 9 at 6 p.m., Beach School field.

If a third game is needed, it will be played Wednesday, Aug. 11 at 6 p.m.

A league single-elimination tournament will begin Saturday, Aug. 14 at 9 a.m. First round opponents will be chosen by chance, and play will continue until there is a winner.

Frank Grohs Aces Inverness Hole 5

When Frank Grohs and his golfing partners got to the fifth green at Inverness Country Club golf course the evening of Aug. 2, they couldn't find his ball — until they looked in the cup.

Grohs of Pinckney had made a hole-in-one, his first in more than 30 years of golfing, and only the second at Inverness this year at the par 3, 155 yard, hole 5.

Grohs, the owner of Frank Grohs Chevrolet in Dexter, had gotten as close as two inches to the pin before at Inverness, where he has played for 15 years, but had only seen such a feat happen on television.

He went on to finish his 18-hole round with a score of 85, but he didn't use that lucky ball.

"I put that ball right into my pocket," said Grohs, who plays golf two or three times a week. "I'll never play with that ball again — I want to try and frame it or put it on a pedestal."

His wife Mildred, George West and Ruby West, his golfing partners that day who testified the score to Mark Policht, golf director at Inverness, joined Grohs at the Inverness Tavern to celebrate the event until the wee hours.

"I had the biggest martini," said Grohs. "It was practically a bucket of gin."

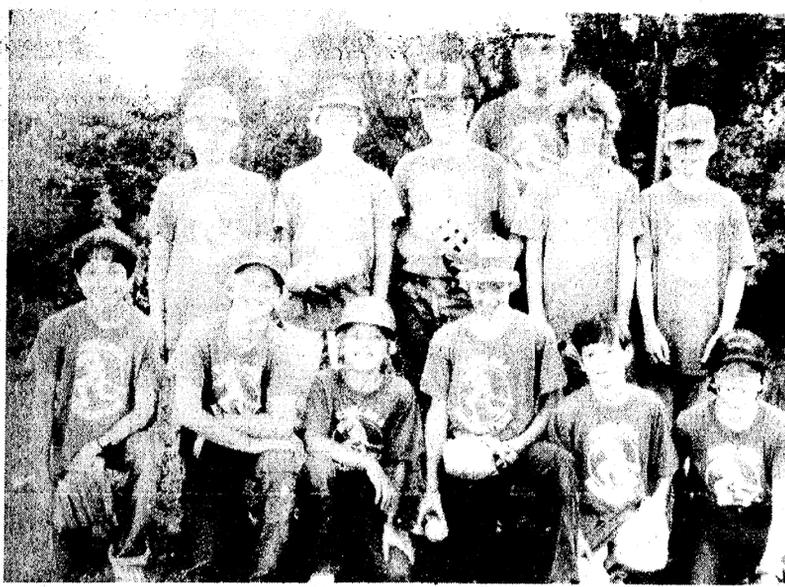

Charles Lott of Ann Arbor also shot a hole-in-one at Inverness, the par 3 seventh hole the evening of July 25.

When Lott, the Milan community swim director, hit the shot, his playing partner Dennis Doan of Gregory, says Lott remarked, "That's a good shot."

The green was in shadows so they couldn't tell the ball was in the cup at first. Lott saved the ball — it was his first hole-in-one.

"He didn't believe he could ever get a hole-in-one," said Doan, "because his father and brother had, and he figured the odds were against him."

Lott had one of his best rounds at Inverness that day, shooting 34 for nine holes.

LITTLE LEAGUE A'S: Members of this team included, front row, left to right, Brian Feldman, Dan Luck, Doug Neal, Matt Schweiger, Kevin Ball, Randy Dale; back row, left to right, Jason Overdorff, Dave Kvarnberg, Todd Thurkow, Coach Fred Zuehlke, Joe Kossegi, Craig Zuehlke. Not present were John Rigg, Mark Chasteen and Jim Alford.

Girls Softball Splits 4 in Tournament

The Chelsea 16-18 year old girls softball team won two and lost two games at an eight team round robin tournament Saturday and Sunday, Aug. 7-8 at Huron High school and Mitchell field in Ann Arbor.

They beat Washtenaw News and Jackson, with Donna Popovich as the winning pitcher, and lost to Hamburg and Marysville.

The tournament team was a combination of the Chelsea 13-15 year old girls team, coached by Pat Clark, and the 16-18 year old team, coached by Charlie Waller.

The summer league is a great way to train players for the high school team, said Waller, the Chelsea High school softball coach, who spent the week-end shuttling between the Ann Arbor tournament and the softball coaches' all-star game in Lansing on Saturday afternoon.

In other action last week, the 16-18 year olds team beat Milan 15-2 Aug. 2. Popovich was the winning pitcher, as she was in the team's 9-5 victory over Gabriel Richard Aug. 6.

Senior Citizens Offered Trip to Tiger Ball Game

Senior Citizens are offered a chance on Aug. 14 to watch the Detroit Tigers tangle with the Kansas City Royals. Co-sponsored by Washtenaw County Parks and Recreation Commission and Dexter Community Education, the bus ride and ticket cost is \$5.50 per person.

Following the game a picnic will be provided at JYRO Park, compliments of the Ypsilanti Area Jaycees.

For more information contact WCPARC at 973-2575.

Girls Basketball Practice Starting

Girls' basketball practice will begin Aug. 16 in the high school gymnasium. The varsity team will meet 8:30 to 10:30 a.m., and the junior varsity will practice 9:30 to 11:30 a.m. Students should bring shoes and be ready to play.

Anyone with questions should call Mr. Winter at 769-7012 or Mr. Terpstra at 475-8822.

LITTLE LEAGUE TIGERS: Members of the Tigers are, front row, left to right, Rob Stoffer, Jr., Chad Raymond, Rob Cabanaw, James Clark, Mike Steinaway, Jim Miller; back row, left to right, Eric Frisinger, Adam Heeter, Tony Flintoft, Mark Larson, Mike Kushmaul, Jr., Steve Williams, Pete Defant, coaches, Rob Stoffer, Mike Kushmaul and Ken Larson. Missing from the photograph was Pat Hassett.

LITTLE LEAGUE ROYALTY: Members of this summer's Royals were front row, left to right, Reno Nye, John Collins, Brian Talbot, Keith Roth, Jerry Crawford, Mike Holla, Tony Byers; back row, left to right, Chad Starkey, Jeff Marshall, Coach Stan Starkey, Pete Spencer, Coach Jim Spencer, Jason Richardson, Greg Clark, Steve Everett. Not present for photo: Matt Herter and Kyle Plank.

Manchester Craft Festival Scheduled

The 6th annual Manchester Heritage Craft Festival begins at 9 a.m. Saturday, Aug. 14 and the day's activities will conclude with a street dance ending at midnight.

Craft booths, such as leather goods, silk screen prints, crocheted animals, stained glass, quilted pillows, and ceramics, will line Main St. A knitting machine will be demonstrated and merchants will have a sidewalk sale.

The Manchester High school band, a ladies' quartet, and a fife and drum corps will play. Hamm's beer bear and clowns will entertain. The Washtenaw County Crime Unit will land their helicopter at 8:30 a.m. and be on hand to answer questions.

Brad Frey's group will play for the street dance, which begins at 8 p.m. Beer will be sold after 2 p.m.

Anyone interested in booth space should call Pat Spaulding at 428-7684.

Senior Wolverine Football Players Being Recruited

The Ann Arbor Senior Wolverine football team is recruiting 12-year-old Chelsea and Dexter boys, who weigh too much for junior football, or 13-15 year olds who don't weigh enough for junior varsity or varsity football teams.

The weight range will be 125 to 165 pounds in partial uniform. Practices for the program, designed to teach fundamentals, teamwork, sportsmanship, and to have FUN, will be held 5 to 7 p.m., at Buhr Park, off Packard Rd. near Eisenhower Parkway.

The team will play in the Southeastern Michigan Senior Football League, which has teams in Taylor, Westland, Plymouth, and Belleville.

The three or four home games will be played on Sunday evenings at Pioneer High school, following junior football league games. Senior players will be expected to be ready to play at 4:30 p.m.

Boys interested may call Al Ruthenberg at 475-2115 after 6 p.m. or Mike Dalton at 428-0331.

Phillies Claim Farm League Softball Title

The Phillies finished first in Farm League softball with a 12-0 record, and the Pirates finished second with a 9-3 record, not the Dodgers as was reported last week.

The Farm League for 8-9 year olds had six teams which began play in mid-June at South school. The end-of-the season tournament was not played, nor will it be made up, since too many league games were rained out, slowing up the finish of the season.

More than 700 persons participated in summer leagues this year. Each child got a participation ribbon, and ribbons for taking first, second, or third places in the leagues.

NOTICE OF REGULAR MEETING and PUBLIC HEARING of the DEXTER TOWNSHIP ZONING BOARD to be held Monday, August 16, 1982 7:30 p.m. Dexter Township Hall 6880 Dexter-Pinckney Rd.

AGENDA: Consider the following amendment to the zoning ordinance as proposed by the Lakes Management Task Force:

SECTION 4.70 PRIVATE SITES DEDICATED TO COMMON USE (P-5 DISTRICT)

A. Intent. The P-5 District is established to have all riparian private sites dedicated to common use required to be zoned as part of the P-5 District. The private sites consist of: lands held in common by virtue of the terms of a plat of record; or provided for common use under deed restrictions of record. These lands shall be dedicated and maintained for only such common use or purpose.

The intent of this section is, in support of the general intent of this Ordinance, to provide for necessary common lands and uses required by Township residents.

B. Permitted Principal Uses and Structures. 1. Recreational sites, including bathing beaches, playgrounds, boat launching sites, and other recreational areas. 2. Scenic sites 3. Trails, bicycle paths and access routes, other than dedicated streets.

C. Permitted Accessory Uses and Structures 1. All structures, facilities, and uses customarily incidental to the approved Principal Uses.

D. Area and Bulk Requirements. P-5 Sites Dedicated to Common Use shall conform in all respects to the area and bulk requirements of the adjacent Districts which they are intended to serve.

E. General Requirements. Limitation of Uses. The specific uses assigned for common utilization under the terms of sub-Section B are to be limited to areas zoned P-5. PRIVATE SITES DEDICATED TO COMMON USE. No residential, agricultural or commercial zoned lot can be used for these common purposes. 2. Riparian Access for Non-riparian Lots. If a riparian lot or parcel is zoned P-5, giving access for common uses by non-riparian lots or parcels, the following constraints shall apply: a. The deed to such lot or parcel shall specify the non-riparian lots or parcels which shall have rights to its use. b. Such riparian lot or parcel shall have a minimum frontage of one hundred and fifty (150) feet, a minimum area of thirty thousand (30,000) square feet, and its design shall be subject to Site Plan Review. Frontage shall be measured by a straight line which intersects each side lot line at the water's edge. c. Not less than thirty (30) feet of riparian frontage shall be provided for each non-riparian lot or parcel so served. d. A non-riparian lot or parcel which is occupied by more than one dwelling unit (duplex or Multiple Residence) shall require the provision of thirty (30) feet of riparian frontage for each dwelling units occupying said lot or parcels. e. Not more than one boat mooring for each dwelling unit served shall make use of the riparian facility. f. The zoning of any additional riparian lots or parcels, for P-5 private sites dedicated to common use, is not permitted when the load limit factor, of the lake, is exceeded. The load limit factor is defined in Section 4.70-F. F. Load Limit Factor. 1. The Load Limit Factor for any given lake is calculated by dividing the surface acreage of the lake by the number of "lake households" using the lake. The Load Limit Factor shall be not less than (1) acre per "lake household." The number of "lake households" using the lake is the sum of: a. The number of riparian property owner households, plus, b. The number of non-riparian property owner households using the lake with conforming and non-conforming status, plus, c. The maximum number of moorings authorized in Department of Natural Resources marina permits. This is put into household units by dividing the number of 1.2, plus, d. The average number of persons using public and private parks or camps with lake access. This is determined by taking the total number of persons using such facilities for the first and second Saturday and Sunday of the preceding July, and dividing by four. This is put into household units by dividing by the average size household, of the township, as indicated in the last United States Census. When the lake is located in more than one township, the average household size of the townships involved will be used.

Dexter Township Hearing Scheduled On Proposed 'Keyholing' Ordinance

As the influx of people from the city to the suburbs continues, governmental units in outlying areas seek to enact legislation to preserve their rural status. Also of concern is the recognition that lake waters are a finite resource. County planners as well as township governments look ahead to not only preserving the atmosphere but the quality of the air, the lakes and the land.

Preserving the lakes area is the focus of a public hearing in Dexter township scheduled for Monday, Aug. 16 at 7:30 p.m. at the Dexter Township Hall on Dexter-Pinckney Rd.

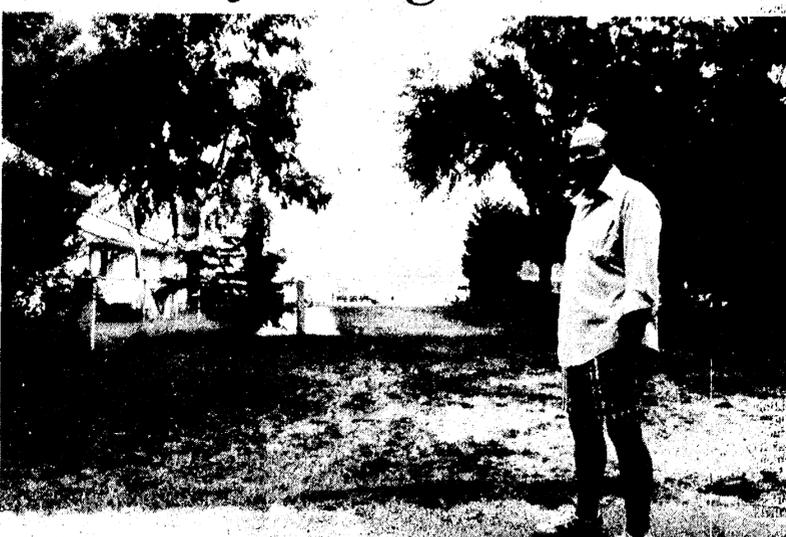

Purpose of the public hearing is a discussion on a proposed "Keyhole" ordinance which proposes to place certain restrictions on access to lakes by non-lake property owners. It establishes a P-5 District and requires all private sites dedicated to common use be zoned P-5.

"Keyholing" or "funneling" is a term whereby a contractor builds a subdivision with a large amount of dwellings having access to a lake lot with a small amount of frontage.

The proposed ordinance requires that any lake parcel to be used by non-property owners have a minimum frontage of 150 feet and a minimum area of 30,000 square feet. The ordinance requires that not less than 30 feet of lake frontage shall be provided for each non-lake parcel to be served by it.

Provisions are also made for establishing a Load Limit Factor which is calculated by dividing the surface acreage of the lake by the number of "lake households" using the lake.

This proposed ordinance will not affect existing lake usage. The problem of controlling lake

LAKE PRESERVATION: Conservation of the land and the lakes is the basis of a proposed "Keyholing" ordinance in Dexter township. A public hearing is scheduled for Monday, Aug. 16 at 7:30 p.m. at the Dexter township hall. Fred Matthis of Portage Lake along with a number of lake

residents have organized the drive in support of the zoning amendment. Fred is co-chairman of the Dexter Township Lake Management Group, director of the Portage and Base Lake Property Owners Association and vice-president of Region I Michigan Lakes and Streams Association.

and lake lot usage is not new. About three years ago, the North Lake Association began seeking support from neighboring groups and investigating methods of controlling the construction on the large amount of undeveloped lake land in both Washtenaw and Livingston counties.

Such support now extends to various groups including Dexter Township Lakes Management

Group, Glenbrook Beach Association of Half Moon Lake, North Lake Protection Association, Portage and Base Lakes Association, Silver Lake Association, and Michigan Lakes and Streams Association. It is these groups who are seeking passage of the zoning amendment.

Similar legislation is also pending in the surrounding townships

Musical Group To Appear At Free Methodist Church

The Living Faith, a share team from Central College, McPherson, Kan., will be at the Chelsea Free Methodist church located at 7665 Werkner Rd., presenting the message of Christ through vocal music, puppets, and personal witness on Aug. 13, at 7 p.m. The public is invited to attend and a nursery will be provided for this service.

Group members include Lois Hendrix, Harrisburg, S. D., Sarah Potter, McPherson, Kan.; Colleen Roper, McPherson, Kan.; Sherry Piger, Auburn, Wash.; Terry Loudon, Bonners Ferry, Id.; Todd Stephens, Minneola, Kan.; Phil Rue, Wichita, Kan.; Ron McAllister, North Muskegon, and Carly Sparrow, Columbus Junction, La. Tour sponsor is Ken Dahlman, Bothell, Wash.

The Living Faith is on its 10th United States tour. The group is a nine-member vocal ensemble with versatility and enthusiasm. They perform contemporary music for the youth, "old time favorites" for adults, and a Bible story for the kids.

Planning Comm. To Present Show On Developments

The agriculture-lands study committee of the Washtenaw County Planning Commission will present a slide show open to the public on the location and density of development in the county at 8 p.m. Wednesday, Aug. 11 at Pittsfield Grange Hall, 3337 Ann Arbor-Saline Rd.

The ag-lands committee wants to hear public reaction and ideas on their recommendations for preserving farm land, and to also create an awareness of development, says Herman Koenn, a committee member. The slide show has been presented to different county township boards and to realtor groups.

The ag-lands committee is planning to make their final recommendations to the county planning commission in September.

Brochures and maps will be made available at this meeting, and refreshments will be served.
