ONE HUNDRED-FIFTEENTH YEAR—No. 47

CHELSEA, MICHIGAN, WEDNESDAY, APRIL 23, 1986

20 Pages This Week

REPLACING THE STORM SEWER on W. Middle St. will take more than two months. The road, from Grant St. to the fire station, is closed to through traffic until July. The sewer has collapsed in several places and is causing draining problems for some property owners.

DROPPING IN THE PIPE for the new storm sewer on W. Middle St. is heavy work and takes careful positioning. Village workers began construction last Friday of 500 feet of storm sewer, a job that is expected to take more than two months and more than 800 manhours of village labor.

Taco Bell Owners Granted Variance for Logo Sign on Building

In what some village officials see at the death of the current village ordinance regulating signs for businesses, the Chelsea Village Council voted 3-2 last week to grant a variance to Taco Bell for the placement of a logo on the north side of the new restaurant on M-52.

The variance was granted after a long, and sometimes heated, discussion about the topic at the regular April 15 council meeting.

Voting for the variance were trustees Richard Steele, Joe Merkel and Gary Bentley. Phil Boham and Stephanie Kantan voted no. Herman Radloff was not present.

The variance allows primary owners Bill Davis and Ron Marten of Ann Arbor to place a 17-square-foot logo on the north side of the restaurant. Originally they wanted to put logos on both the north and south sides.

By Chelsea law businesses are allowed a total of 80 square feet of signage on their property in that particular part of town. The pole sign in front of the restaurant used up their allowed footage.

The northside logo, Davis and Marten said, is an integral part of the structure of the building in that it also houses lights to illuminate the handicap entrance ramp on the north side of the building.

"If you grant this variance, you're going to have to expect a variance from every (other business out here)," said Planning Commission Chairman Frederick Belser, who was on hand at the meeting to answer questions about the planning commission's part in the site approval for Marten and Davis.

The dispute appeared to have come from a misunderstanding on the part of Marten and Davis.

By their own admission, they thought all the signs had been approved when the planning commission approved their final site plans. They said that both site plans and photographs were submitted to the commission showing how the building would look.

However, as both village president Jerry Satterthwaite and village administrator Fritz Weber pointed out, the planning commission does not have the authority to approve the additional signs on the building. The commission, they said, is concerned with land use only. As such, the only sign they approved was the free-standing pole sign in the front of the building since that was the only sign shown on the site plan.

A site plan can be likened to a footprint of the planned use for the property.

Schools Will Ask for 2.9 Mills in Operating Funds for Next 3 Years

Chelsea school district will ask for an additional 2.9 mills in operating millage for the next three school years in order to offset an anticipated \$200,000 deficit.

The school board decided on the figure at their regular meeting Monday night.

The district will also ask for a three-year renewal of the 2.9 mills in operating millage that was narrowly approved by district voters in 1983.

"The unfortunate thing is that the district will be asking for a significant increase and it will still be operating under less than desirable conditions," said assistant superintendent Fred Mills.

"Our philosophy has always been not to cut programs entirely and to spread the burden around. We won't have much for capital outlay or additional teaching sup-

plies. We were going to buy four buses, but that was cut back to two."

Inflation, including an anticipated increase in teacher and staff salaries, and a decline, or, at best, no appreciation, in the value of land within the district are the two biggest culprits in the debt. The value of farmland is expected to drop the most.

If both the new millage and the renewal are approved in the June 9 school elections, estimated revenues and expenses would be approximately \$3,150,000, Mills said. If both were defeated, revenues would drop to approximately \$2.9 million.

The only possible good news concerning the budget recently has been that land within the district may not drop in value as much as first anticipated, Mills

said. He said his recent conversations with the townships have indicated that there may be no drop in value. Originally officials thought the over-all value might drop as much as \$1.5 million.

However, even if land values did remain the same, it would not make much of a dent in the budget deficit, only about \$53,000, Mills said.

For a family living in a \$60,000 home, the increase in taxes would be \$67 a year for the next three years, assuming the additional 2.9 mills is approved. Many people will be able to claim a portion of that off their income taxes.

The school district also anticipates saving about \$20,000 in gasoline costs next year due to the recent drop in prices.

Health-O-Rama Slated Saturday at Hospital

Chelsea Community Hospital will once again be a site for Project Health-O-Rama, to be held at the Hospital on Saturday, April 26, from 9 a.m. to 2 p.m. Free health screenings are available to anyone 18 years and older. No advanced registration is required.

Project Health-O-Rama is a seven-county wide program of free health tests and health information sponsored in Southeastern Michigan by United Health Organizations, WXYZ-TV Channel 7, and Blue Cross Blue Shield of Michigan.

Participants in Health-O-Rama receive free health screenings including hearing, blood pressure, height/weight, glaucoma screening, vision, pulmonary function testing, and women's health education.

A blood panel chemistry is available for a charge of \$8 along with a colo-rectal screening for \$2. Individuals interested in the blood panel chemistry should fast four hours before the blood test.

Also available at Health-O-Rama are medication counseling, nutrition counseling and health screening summary with a health professional. Educational video tapes will be set up offering additional health information.

Many health volunteers will be on hand to assist with the Chelsea Community Hospital Health-O-Rama including Sally Stommen, DDS, Grass Lake; Clare Warren, DDS, Chelsea; Ronald Biedron, DDS, Chelsea; Richard Ernst, DDS, Chelsea; John VanderKolk,

DDS, Dexter; Steven Yarows, M.D., Martin Gleespan, M.D. and the Chelsea Family Practice residents will be available to provide counseling and answer (Continued on page two)

Architects Chosen To Direct Courthouse Reconstruction

At an executive meeting of the Historic Chelsea District Courthouse (H.C.D.C.), representatives of Washtenaw county and the Chelsea community discussed plans for the restoration and expansion of the 85-year-old court building.

Tom A. Freeman, director of the Washtenaw County facilities management department, described the search for a firm of architects to supervise the Chelsea Courthouse project. Twenty firms were considered and proposals from three finalists were presented at the meeting. The Ann Arbor firm of Poley & Mitchell was chosen to direct the reconstruction project.

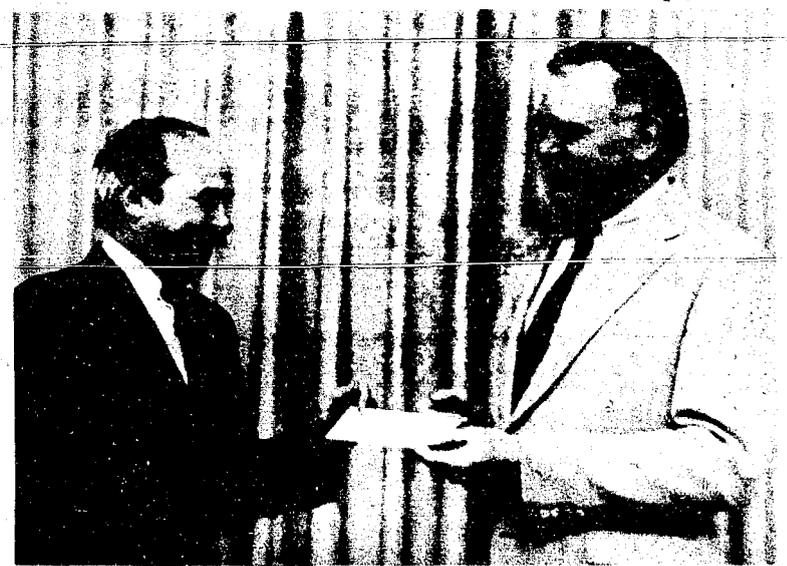

County representatives at the March 14 meeting were Commissioner Ellis Pratt, Marcia Scerger, an assistant to the county administrator, Elmore I. Fowlie, county architect, and Freeman.

Chelsea was represented by Jerry J. Satterthwaite, president of the Village Council, Fritz Weber, village administrator, Lee M. Fahrner, assistant village administrator, Diana Newman, (Continued on page four)

Hamilton Named to Planning Comm.

Dr. Harriet Hamilton, 234 Park St., has been appointed to the village planning commission to fill out a term previously held by Sheila Stewart. Stewart recently resigned her position after seven years of service.

Hamilton's term will expire in June, 1988.

MUTUAL PLEASURE is reflected in this photo of John Mitchell, left, president of the Civic Foundation of Chelsea as he hands a donation check for \$3,000 to Bob Merkel, treasurer of the Downtown

Development Authority. The Foundation gift will serve as seed money for many DDA projects to come.

Civic Foundation Gift To Fund DDA Plans

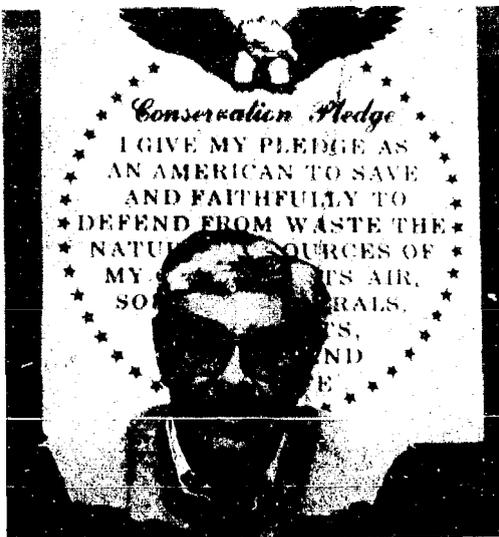

The Downtown Development Authority has been awarded a grant of \$3,000 to generate working plans for the beautification and pedestrian lighting of the Chelsea business district. The award was made by the trustees of the Civic Foundation of Chelsea following review and approval of preliminary plans by the CFC distribution committee.

"The \$3,000 fund is being invested in conceptual drawings by architects and professional planners," Mark Heydlauff, DDA chairman announced. "Significant attention," he added, "centers around the expansion of the downtown area as it moves north beyond the railroad tracks. Special consideration along the way will be given to landscaping

in the area of our restored rail depot."

Although the DDA is a state authorized authority, eligible for funding from tax revenues or millage levies, the seed money granted by the Civic Foundation represents a most welcome beginning from community sources.

Speaking on behalf of the Civic (Continued on page two)

JUST REMINISCING

Items taken from the files of The Chelsea Standard

4 Years Ago . . .

Tuesday, April 20, 1982—

More than 125 runners from Chelsea, Dexter, Manchester, Ann Arbor and metropolitan Detroit took part Saturday in Chelsea Jaycees' second Scenic 6 and 2 Mile Run.

Four persons submitted petitions for two Board of Education vacancies—incumbents Dale Schumann and Daniel Snyder, and newcomers Raymond Couler and James Patterson.

Chelsea Fire Department and Chelsea Chamber of Commerce will put Project ARFS (Address Readable From Street) into effect May 1. Suggested to fire chief Bud Hanker by a college student, the project is aimed at putting six-inch reflecting numbers on houses located within the Chelsea Fire District to assist emergency vehicles.

Senior outfielders Mike Gipson and Craig Olmsted are this week's featured baseball players. Gipson plays right field and has an outstanding arm, according to coach Wayne Welton. Olmsted plays left and centerfield and is the team's lead-off batter.

Track stars featured this week are three senior letter winners, Toby Boyd, Darin Pierson and Bob Benedict. In the opening meet against Jackson Lumen Christ the trio assisted in pacing Chelsea to an 88-44 victory.

14 Years Ago . . .

Thursday, April 20, 1972—

David P. Kiemer, CHS sophomore, was the second place winner in the senior division of the 14th annual Southeastern Michigan Science Fair held in Ann Arbor April 15. David's project was entitled "Laser Holography," for which he received \$100, an all expense-paid trip to

the International Science Fair in New Orleans, La., and a silver medal. David and his family moved to Chelsea nine months ago from Elizabethtown, a small town just outside Philadelphia.

Senior Randy Seitz, a consistent standout in the shot put, took another first with a toss of 48' 9 1/2" while Ishmael Picklesimer finished third in a 74-49 CHS track victory over Milan this week.

Roger Fitch and Bill Tite finished first and second in the high jump with leaps of 5' 10" and 5' 8", and Craig Coltre took second in the long jump with 18' 8". The Chelsea mile relay team of Dan Hoover, Jeff Van Riper, Jeff Marshall, and Dave Buxton won in a time of 3:45.8.

Harold Salyer and Ott Risner will be in Atlantic City, N. J. next week to attend a UAW convention as representatives of Local 437.

24 Years Ago . . .

Thursday, April 13, 1962—

1962 4-H Spring Achievement dress revue winners from Chelsea clubs were Cynthia Niehaus in the Young Miss division; Anita Wenk, Junior Miss, and Grace Kuschmaul and Judy Bateson in the Senior Miss division.

Colonel John Glenn's recent orbit around the earth was the inspiration for a "Space Project" for Mrs. Paul Eisele's second graders at St. Elizabeth's school. Pupils read many books on the subject and wrote stories about Colonel Glenn's successful flight. Brad Curtis, with his father and classmates assisting, assembled a replica of the capsule named "Friendship 7" in the classroom.

Girl Scouts of Troop 48 made Easter egg trees for table decorations at the Methodist Home. Four Girl Scouts shown in a Chelsea Standard photo were Cynthia Hepburn, Penny Eisenbeiser, Nancy Mshar, Sandy Severn and Sherry Clark.

Last Saturday proved to be a joyous day for local folks as the Eighth Grade Band came out of the State Festival competition with a unanimous First Division rating from the judges.

Environmental Groups Call for Federal Action on Superfund
Congressional inaction on new financing for the federal Superfund program to clean up toxic waste sites threatens Michigan's ability to clean up hazardous waste sites, representatives of a variety of environmental organizations declared recently.

Officials from PIRGIM, the Michigan Environmental Council, the Sierra Club and the Audubon Society called on the three Michigan congressional members serving on the Superfund conference committee to push for quick action of the Superfund bill and back changes to improve government ability to order toxic cleanups.

They all called for approval of \$10 billion in financing, which the federal House approved instead of the \$7.5 billion the Senate approved or the \$5.3 billion President Reagan proposed.

They asked the Superfund be used to clean up 150 sites a year, compared to the two sites a year the Superfund has cleaned up since 1980, for provisions giving citizens the right to know about storage of toxic chemicals in local areas, and to sue polluters for cleanup of imminent hazards.

Michigan is second only to New Jersey in the number of toxic waste sites on the federal Superfund priority list, Don Rounds of PIRGIM said. "The cleanup of these poisons is too critical a public health issue to be paralyzed by special interest politics in Washington," he said.

Congress has failed since September to reauthorize general financing for the Superfund, and has failed to agree on its new statutory provisions. Congress has approved \$150 million for a 60-day stopgap funding extension, but Michigan has received

only \$2 million, and planning and programs on some 21 toxic waste sites in the state have been delayed, Carol Danerey of the MEC said. The state has also had to spend its own money at three sites where federal funding has been withdrawn and may have to step in to spend money at another seven sites where the same action is possible, she said.

Democrat John Dingell of Dearborn, Guy VanderJagt of Luther and Robert Davis of Gaylord are members of the House/Senate conference committee working on the new Superfund legislation.

Williams Asks \$29 Million for State Financing of Courts

Michigan's judicial system has lagged behind the Executive Office and the Legislature in modernizing its operations and needs \$29 million more in 1986-87 to perform its constitutional functions, Chief Justice G. Mennen Williams told a joint meeting of the House and Senate in his State of the Judiciary address.

The Supreme Court has undertaken a four-point program to help update and improve its overall operations, but accomplishing the constitutionally-required one court of justice will need state appropriations, Williams said.

He called on the Legislature to appropriate \$29 million as a "modest beginning" to assume a state share of local court services.

The Legislature, the Executive Office and the public have recognized the need for improvements in court operations, Williams said, but "the expressed intentions and first steps have not been completely implemented."

The recession of the early 1980's delayed the planned takeover by the state of local court

operations, begun in 1980 with Wayne county courts, but the need for state assumption remains, he said.

"Funding units previously disinterested in state assistance for trial courts are now faced with adverse financial circumstances and many are most interested in our 1986 program of state funding," Williams said.

Governor Blanchard has not recommended expanding state assumption, but is urging state payment of a greater share of local judges' salaries.

The \$29 million Williams requested represents a change from previous funding formulas. In the past the Supreme Court has asked for a percentage of total court funding, which the Legislature has refused.

This year, Williams said the Court is asking that legislators finance the cost of essential services trial courts are required constitutionally to provide, such as assigned counsel, juror fees, witness fees, transcripts and court reporting.

The other steps to improve court operations, he said, involve reducing delays on trials and decisions through new time standards, improving the public understanding of the courts and determining how courts can improve services to families and children.

Health-O-Rama

(Continued from page one)

questions. Dr. Barry Nemon is the medical advisor for Health-O-Rama.

Due to the success of Health-O-Rama, individuals should be prepared to wait 30 to 40 minutes for health screenings.

For further information call Chelsea Community Hospital at 475-1311, ext. 401.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Bug Hookum opened the session at the country store Saturday night with word that ex-President Nixon had won another election. Bug had said where he had been elected to the French Academy of Arts. Nixon was voted in because he backed a bill in the early 1970's that lets taxpayers deduct contributions to restore the French home of a French painter.

It's late for this year's return, Bug said, but he wondered how many folks know about this loophole, and how much this kick in the balance of payments has meant to the painter's house. Since it took the French 15 years to get around to mentioning it, Bug said he took the newest honor fer Nixon to be right up there with being picked fer whatever he was supposed to do about the baseball umpire strike last fall. It looks like if it is only President that ever quit is serious about rebuilding his image he's laying a deep foundation, was Bug's words.

Actual, Bug went on, you would think that Nixon's support would help as much as Judas' kiss, but that's not the way it works in this country. If Nixon lives long enough he's bound to become an elder statesman, Bug declared, just like if Ted Kennedy waits long enough to really run fer President all the headlines he

was making some years back will be boyish pranks. Bug said he won't be surprised if some promoter sets up a tour fer Duvalry, Marcos and the Bagwam. He could bill em as Three Men Without a Country, charge two bucks a head to see em and build a theme park with rides and games for all the countries that won't let em in.

Zeke Grubb was agreed with Bug that the trick to success in this country is to turn whatever you got to your advantage. Fer instant, Zeke has saw where a woman in Florida is selling stock in a lawsuit against a car dealer. If she gets enough stockholders she plans to hire a lawyer and sue, and whatever damage the court awards will be paid out as dividends. If she loses, that's the pain you get fer the quick gain you went after.

Furthermore, from another clipping Zeke had you got to figger what you got in court has everything to do with the luck of the jury draw and nothing to do with justice. Zeke has saw where a jury in New York tried fer 12 days to reach a verdict in a case of six crooks with long records accused of setting fires fer the insurance. During that time, the jury sent out 57 notes asking questions of the presiding judge. Ever note griped about the food or told what kind the jurors wanted.

Final, the judge named em "the jury that ate Brooklyn," declared a mistrial and turned the crooks loose. So, then you got to wonder where we're going when Chief Justice Burger of the U. S. Supreme Court wants to fine lawyers that try to fill up court dockets with crazy cases like the Pa that sued a rock musician fer turning his son into a rapist with wild words on his records.

Personal, I look fer newspaper fillers that make sense. Like one I saw recent where wimmen's feet are getting bigger. The item said their average shoe size has gone from six to seven in the past 10 year. What little I know of wimmen tells me their feet ain't bigger, they're jest buying bigger shoes. They're going fer comfort on their feet like they did elsewhere when they give up girdles and beehive hairdos.

Yours truly,
Uncle Lew.

CONTRACT EXTENDED: Chelsea Police Chief Lenard McDougall had his contract extended for one year in action by the village council last week. "If you promise not to cut my salary, I won't ask for a raise," McDougall told the council. McDougall makes \$30,000 annually.

Botanical Gardens Feature Ikebana Spring Displays

The lobby exhibit for April at Matthaei Botanical Gardens is Spring with Ikebana. Ikebana International of Ann Arbor will once again bring their lovely arrangements to the Gardens' lobby. Each Friday a new selection of arrangements will be presented by various members of the Ikebana International. This exhibit is open to the public and is free.

The grounds at the Matthaei Botanical Gardens are open from 8 a.m. to sunset at no charge. The Conservatory is open from 10 a.m. to 4:30 p.m. There is a fee of \$1; Senior Citizens 75¢; and children 50¢. The Gift Shop that has "something for everyone" is open from 11 a.m. to 3 p.m. Tuesday through Friday and 10 a.m. to 3 p.m. on Saturday and Sunday. Come to the Gardens and walk the nature trails, tour the Conservatory, and browse in the Gift Shop.

Docents who have had extensive training are at the Gardens for guided tours during the week. Please call the Gardens (313) 763-7060 for reservations.

The Matthaei Botanical Gardens are located at 1800 Dixboro Rd., Ann Arbor.

NICHOLAS-WALWORTH: Barbara Nicholas of Ypsilanti and Leonard Nicholas of Orlando, Fla., have announced the engagement of their daughter, Rebecca Joy, to Kurt Linn Walworth, son of Sharon Walworth of Chelsea and Bruce Walworth of Saline. A Jan. 24, 1987 wedding is planned. The future bride is employed at Brookside Veterinary Hospital. The future bridegroom is employed at Saline Construction Co. The couple plans to live in Ann Arbor.

Free Breastfeeding Program Offered

"It's Never too Early To Think About Breastfeeding," a free program for prospective mothers and their families, will be offered at 7:30 p.m. Wednesday, April 30 in the St. Joseph Mercy Hospital Education Center Auditorium.

The program is designed to help pregnant women and women who are thinking about becoming pregnant decide whether breastfeeding is right for them. It will examine the advantages and considerations of breastfeeding and how breastfeeding can fit into their lifestyle. Husbands, mothers, sisters and other relatives and friends of the prospective mother are invited.

To pre-register, call Catherine McAuley Health Center's Office of Health Promotion at 572-3875. The \$10 fee per mother-to-be covers the woman's family and friends.

Volunteer Drivers Needed By Red Cross

The American Red Cross, Washtenaw County Chapter, a United Way agency, is in need of volunteer drivers to transport equipment to classes and make chapter deliveries. Responsible volunteers with valid licenses available three or four hours a day, Tuesday, Thursday, and/or Fridays are needed. Own vehicle not needed.

Please call the Volunteer Resources office at 971-5300.

Altar Society Tours U-M Bentley Library

Fourteen members of St. Mary's Altar Society were given a conducted tour of the Bentley Historical Library on the North Campus in Ann Arbor on April 7.

After the tour they held their business meeting. Plans were made for the Mother-Daughter dinner in May.

Dr. Botsford Places Third in Toledo Radio Control Exposition

Dr. James Botsford of Chelsea recently placed third in the 32nd Toledo Radio Control Exposition, a competition for radio control model enthusiasts.

The competition is one of the largest in the country and draws contestants and observers from all over the U. S. and Canada.

Botsford is a member of the Chelsea-based Wild Goose Flyers, Inc.

Senior Citizens Nutrition Program

Weeks of April 23-April 30

MENU

Wednesday, April 23—Sweet and sour ribs, green beans, potato salad, whole wheat bread, cherry crisp, milk.

Thursday, April 24—Roast beef with gravy, mashed potatoes, buttered carrots, roll and butter, applesauce, milk.

Friday, April 25—Macaroni and cheese, buttered mixed vegetables, pineapple slaw, strawberries in Jell-O, milk.

Monday, April 28—Sloppy joe on bun, hash browns, peach-prune salad, dessert, milk.

Tuesday, April 29—Lemon chicken, mashed sweet potatoes, sliced beets, corn muffin, fruit ice, milk.

Wednesday, April 30—Cream of potato soup, ham and cheese on rye, three-bean salad, strawberries and bananas, milk.

ACTIVITIES

Wednesday, April 23—9:30 a.m.—Cards, break for lunch, play continues until 4 p.m. 9:30 a.m.—Needlepoint, knitting and crocheting.

10:00 a.m.—Ceramics. 10:30 a.m.—Blood pressure. 1:00 p.m.—Fitness. 1:00 p.m.—Bowling.

Thursday, April 24—9:30 a.m.—Cards. 9:30 a.m.—Needlework. 9:30 a.m.—Crafts. 10:00 a.m.—Newsletter. 1:00 p.m.—Needlework. 1:00 p.m.—Kitchen Band. 2:00 p.m.—Walking.

Friday, April 25—Euchre tournament. 9:30 a.m.—Cards. 9:30 a.m.—Needlework.

Monday, April 27—Senior Citizens leave for Williamsburg. 9:30 a.m.—Cards. 9:30 a.m.—Needlework. 9:30 a.m.—China painting. 1:00 p.m.—Stained glass. 1:00 p.m.—Bingo.

Tuesday, April 29—9:30 a.m.—Cards. 9:30 a.m.—Needlework. 10:00 a.m.—Crafts. 1:00 p.m.—Euchre.

Wednesday, April 30—9:30 a.m.—Cards. 9:30 a.m.—Needlework. 10:00 a.m.—Ceramics. 1:00 p.m.—Fitness. 1:00 p.m.—Bowling.

Herbs, Perennials Offered for Sale at Botanical Gardens

The annual sale of herbs and perennials by the Friends of the Matthaei Botanical Gardens will be held in the auditorium of the Gardens at 1800 N. Dixboro Rd., Ann Arbor, Saturday and Sunday, April 26-27, from 10 a.m. to 4 p.m. each day. The Friends pre-sale will be held on Friday, April 25 from 7 p.m. to 9 p.m. for members only. New members may join at the pre-sale. This event is one of the Friends' yearly fundraising events for projects at the Gardens.

The selection and number of perennials has once again been increased and will include many new plants never offered before. The list includes species and cultivars of Astilbe, Digitalis, Hosta, Epidendrum, Opuntia, Phlox, Aquilegia, Dianthus, Arabis, Campanula, Heuchera, Penstemon, Delphinium, Veronica, Anemone, Aster, Gypsophila, Poppies, several ornamental grasses, plus many, many more.

A wide selection of herbs will be available at this sale and will include Basil, Oregano, Chives, Parsley, Sage, French Tarragon, Marjoram, Rosemary, Mints, Thyme, Lemon Balm, Lemon Verbena, French Sorrel, Camomile, Lavender, Fennel and many others. In many cases several varieties of cultivars will be available of a particular herb such as Sage, Thyme, Basil, Rosemary, etc.

These will be wildflower plants which will include hardy native ferns, orchids, aquatic bog plants, native lilies, trilliums, bloodroot, hepatics, mayapples, and many other native wildflowers.

In addition, at the sale this year will be potted tuberous begonias, both upright and hanging types in all colors. There will be a nice selection of rock garden plants for those interested in rock gardens.

This sale is open to the public. For further information, please call the Gardens, (313) 763-7060.

GOLDEN ANNIVERSARY: Mr. and Mrs. Willard (Whitey) Guest, formerly of Chelsea, celebrated their 50th wedding anniversary in Ruskin, Fla., with their children, Bud and Melissa Guest of San Ramon, Calif., and Patty and Craig Gagster of Napierville, Ill., on March 8. Whitey and Viola retired to Florida in August, 1979. They belonged to St. Mary's Catholic church and were involved in church activities and the community. Whitey announced all the high school football and basketball games for many years before he retired. Viola's 10 brothers and their spouses traveled from Ohio, Pennsylvania and Michigan to help them celebrate, along with 200 friends from all over Florida. They live at 2600 Cockroach Bay Rd., Ruskin, Fla., 33750.

ONE OF THE IMPROVEMENTS for the more appropriate nameplate on the venerable Chelsea District Courthouse will probably be a building.

Courthouse Architects Chosen

(Continued from page one) assistant village attorney, Jason Eyster, communications manager for the project, and Peter D. Flintoft, president of the H.C.D.C.

Other officers of the H.C.D.C., not present at the meeting, are James C. Hendley, vice-president, Randy A. Musbach, secretary, and Mark W. Gittinger, treasurer.

The H.C.D.C. Board of Advisors consists of John B. Swainson, former governor of the State of Michigan, Paul G. Schaible, president, Chelsea State Bank, Dudley Holmes, Jr., vice-president, Chelsea Milling Co., Harold A. Jones, past president, Chelsea Historical Society, and Mark Heydlauff, chairman, Chelsea Downtown Development Authority.

The Chelsea Courthouse was originally built as a bank in 1901. It was donated to the county by Chelsea State Bank in 1968 and since that time has served as the home of the 14th District Court. Recently, the Washtenaw County Board of Commissioners approved funds to renovate the courthouse.

The county does not have sufficient funds to carry out restora-

tion of the remarkable plaster reliefs, the central dome and the oak flooring. For the building to be renovated with attention to its rich historical decor, additional funding is being sought from governmental and professional

School Millage Asked

(Continued from page one) District voters approved the last rise in millage, in 1983, by a 1,092-1,016 vote.

"The schools are the focal point of the community and Chelsea has always supported its schools," Mills said.

"I'm confident that given the facts they'll continue to support the schools."

In a related issue, teacher and staff salary negotiations are scheduled to resume April 29, Mills said.

"There's been enough progress to justify additional meetings," Mills said.

He said both sides' major proposals are on the table and that he anticipates an agreement by the end of the month.

Since salaries are by far the largest chunk of the school budget, whatever figures are negotiated are sure to have a significant impact on the budget. Mills would not say what percent-

age increase in pay the school board is anticipating.

Salaries for teachers with a bachelor's degree run from \$15,463 to \$28,563. For a master's degree the scale runs from \$16,547 to \$31,445.

34 Years Ago . . .

(Continued from page two)

Thursday, April 24, 1952— After receipt of petitions from rural voters, action was taken to establish rural zoning district ordinances in Lima and Sylvan townships. Leigh Beach, Lima township supervisor and chairman of the Washtenaw County Planning Commission, when asked the advantages of having zoning ordinances, said the ordinances will state clearly what the land in the township can be used for—whether residential, industrial, agricultural or commercial—and will have control over natural resources.

Henry Schumacher returned from Florida to find 45 panes of glass broken in the building on W. Middle St. where he worked at his blacksmithing for almost 65 years. He felt that the school children, who he considered his friends, and who stopped on the way to and from school to watch as he worked at his forge, had no part in destroying the windows, unless they thoughtlessly followed misguided leadership.

A piano trio made up of Connie Steinbach, Judy Davison, and Nancy Atkinson presented several numbers at the Methodist church Mother and Daughter banquet last week. Toastmistress for the evening was Judy Summers, daughter of Mr. and Mrs. Calvin Summers.

COMPETITORS in the Miss Majorette of Michigan contest from the Chelsea Charms were, from left, Elizabeth Maurer, Kate Steele, Tiffany Scott, Richelle Jones, Lindsay McHolme, Linda Schaffer, Kori White, Whitney Hampton, Laurie Honbaum, Tracey Wales, Rianne Jones, and Chrissy Dunlap.

PLACE WINNERS for the Chelsea Charms at the Miss Majorette of Michigan Contest were, from left, Richelle Jones, top five, Laurie Honbaum, first in modeling, Kate Steele, first in solo, Rianne Jones, first runner-up, Kori White, second runner-up, and Chrissy Dunlap, first runner-up.

Chelsea Charms Compete in Miss Majorette State Contest

The annual "Miss Majorette of Michigan" contest was held at Mt. Clemens on April 12 with two Chelsea Charms taking first places in the preliminaries but disappointed in the finals with no title to return to Chelsea.

"Miss Majorette" is determined by the combined scores of model, twirl, and fancy strut and the winner in each age division represents Michigan at the nationals in July.

Chrissy Dunlap (12) ended in a tie for the title being broken by the higher solo score. She placed in the preliminaries: model (2), strut (2), solo (5). This is the fifth year she has held the runner-up position.

Six-year-old Rianne Jones also ended in second place, having placed model (3), strut (3), and twirl (5) in the preliminaries for beginner 0-6.

In the advanced division, Kori White, (9) took third in all categories and ended in over-all third.

Winning first in the model division, Laurie Honbaum, (12), placed fifth in strut and a very disappointed seventh in solo, placing her over-all fifth for the intermediate title.

Nine-year old Kate Steele stole the preliminary solo division with a superb "no-drop" capturing first place in twirl. She ended in seventh place for the beginner title.

Lindsay McHolme, 5, placed solo (5), strut (6), and twirl (4) (Continued on page five)

Clay Owsley Completes Navy Recruit Training

Navy Seaman Recruit Clay G. Owsley, son of Joseph H. and Elaine F. Owsley of 3431 Pineview, Dexter, has completed recruit training at Recruit Training Command Orlando, Fla.

During Owsley's eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic fields.

Owsley's studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1980 graduate of Dexter High school, he joined the Navy in August 1985.

DANCER'S

Chelsea's Friendly Dept. Store

A VIEW from the CLOCK TOWER

By Will Connelly

Our children or grandchildren will almost certainly experience the agonies of a Second American Revolution unless this generation heads off the dangers of federal bankruptcy.

You can imagine what would happen if your family overspent its income for most of 25 years, piling up an enormous debt which took 30 percent off the top of your income for interest alone. All this, and then added thousands of dollars more debt with unpaid credit card and charge account bills!

That's how two generations of senators and congressmen on Capitol Hill have been running the finances of our 50-state family. Why?

Certainly, in their high positions of leadership they should be among the brainiest and most responsible men and women in the nation.

What they are doing is constitutionally legal but fraudulent to the nth degree. They are raking in billions of dollars of national income a year and spending every penny they can shake loose in the interest of personal re-election. In addition, they are accepting the moral equivalent of bribes in the form of campaign contributions from political action committees controlled by corporations, unions, trade associations and other special interests seeking favoritism or protection from competition.

As I have mentioned before, practically no one in recent times has ever sought a seat in congress for the pay. Anyone with the ambition and the intelligence to win election to Congress has the ability to earn two or three times as much in private employment. Quite a few members of congress are millionaires and some have given up jobs paying \$100,000 a year or more for a seat on Capitol Hill.

The attraction in becoming a member of the supreme legislature of the United States is the world-wide prestige of the position.

A second reality is this: Virtually no one engages in a costly political battle for election to Congress to occupy a seat for just one term. Achieving election to the House or Senate is a career commitment by an immensely ambitious person for repeated re-elections. These, in return, will translate into job entrenchment, steadily growing power in the committees . . . and for some, a dream of that big swivel chair in the Oval Office.

In the 1982 congressional elections, 435 seats in the House and 33 in the Senate were up for grabs. All of the contestants were aware that TV is the new, costly magic carpet to public office. And so it was that candidates threw \$300 million into the 1982 contest, much for TV, and an average of \$540,000 per voter.

Most members of Congress concentrate practically all of their time on matters intimately related to re-election.

A congressman will introduce bills calling for federal assistance in the building of roads, bridges, harbors, parks, playgrounds, post offices, hospitals, federal buildings and federal grants to local governments, schools, colleges, airports, sewers and water projects in his district. A senator will engage in vote trading, infighting, wheeling and dealing to obtain funds for his state involving military or naval installations, shipyards, tank plants, weapons factories, veterans hospitals, waterway improvements or federal courthouses. Members of both houses are concerned with federal assistance for their own state and local governments, universities, scientific research and social agencies.

The Gramm-Rudman law calls for a balanced national budget by 1989. It has been rejected by one federal court and is now in appeal before the Supreme Court. Even if it is sustained, the solons on Capitol Hill will find ways to evade the law and spend, spend, spend.

Former government officials such as William Simon of Treasury or budgeteer David Stockman of woodshed fame know how to chop government spending. Cut the federal "work" force wherever there are legions of employees working in non-essential jobs. This same principle applies to state and urban governments.

Perhaps the central achievement in the process of cutting federal and state payrolls is to crush the welfare bureaucracy.

"Obviously, something is desperately wrong with our welfare system" President Reagan recently declared. "With only about half of what we now spend on welfare, we could give enough money to every impoverished man, woman and child to lift them above the poverty line."

Bill Simon, in his book, "A Time for Truth," quoted a 1976 lecture at Hillsdale College, Michigan, by M. Stanton Evans who observed that there were 25 million poor people in the United States. Between 1965 and 1975 the total spending on welfare programs had increased \$209 billion. Then Evans added that if we take those 25 million poor people and divide the \$209 billion increase among them, each and every one would receive a stipend of some \$8,000 a year, which means an income for a family of four of approximately \$32,000.

"That is," Mr. Evans concluded, "we could have made every poor person in America a relatively rich person. But we didn't. Those poor people are still out there."

"What happened to the money?" he went on to ask. "The answer is that some of it did get into the hands of the people who are supposed to get it. But a lot of it didn't. I would say that the majority of it went to people who are counselling the poor people, working on their problems, examining the difficulties of the inner city, trying to rescue poor families and devise strategies for getting them out of their doldrums. It went to social workers and counsellors and planners and social engineers and urban renewal experts and the assistant administrators to the administrative assistants who work for the federal government."

Thank you, Mr. Evans. Today in 1986 we have 3 million civilian employees on our federal payrolls. One-third of them are civilians in the Defense Department to assist an additional 2,138,000 uniformed warriors.

There are still another 3 million employees in the bureaucracies of state government, plus 6 million more on city, county and other local payrolls.

The closer to home we get, the more resistant we are to useless jobs and needless workers in public service. Fritz Weber, for example, knows every employee in town by his or her first name and the exact value of his or her services to the community.

Let's face it. The time is coming for millions of federal, state and county workers to turn to other occupations, and the same thing applies to millions of production line workers doing boring, repetitive jobs that are destined to be taken over by robots.

Let's generate a more rewarding economy—still based on free enterprise and not socialism. One way may be to divide the employment for all of us under age 65 into a six-hour day, four days a week with prosperity and security for all.

Beautiful, but there's still one big hitch. Assume that management analysts directed by persons like Stockman or Simon recommend the closing of 40 army, air and naval bases. The Secretary of Defense strides angrily onto the senate floor while Riegle and Levin, having approved the closing of Great Lakes Naval Training Station in Illinois, rage about the abandonment of Selfridge Air Base in Michigan.

The beginning of all reform takes place when politicians courageously go for America First.

Walkaway Captured By Police

Chelsea police captured a Cassidy Lake Technical School walkaway last Saturday evening in a swampy wooded area near Vogel's Party Store on M-52 north of the village.

Norman Barclay, 20, was captured at 8:09 p.m. after Chelsea police officer David Dettling saw him walking along M-52 at 6:45 p.m.

Barclay, who was reported missing at 8 p.m. on Friday, escaped into the woods. A team of seven Chelsea policemen and two Washtenaw County Sheriff's Department deputies, and a K-9 unit, surrounded the area.

Barclay, who was serving two to four years for larceny from a building and a second burglary offense, was still wearing his prison jacket for warmth when he was captured.

CHS Senior Charged For Driving Over Lawn With Truck

A Chelsea High school boy has been charged with malicious destruction of property in connection with an incident in which he drove a four-wheel-drive truck over the Chelsea High school lawn April 11.

The student, who also had four passengers in the truck, drove the vehicle over the curb on Washington St., tearing up the lawn all the way to the administration building. The incident was witnessed by Chris Minick, a school maintenance worker and reserve Chelsea police officer.

The boy had apparently been drinking, witnesses said. He is a senior at the high school.

The damage was estimated at \$150.

Charms . . .

(Continued from page four)

for an over-all sixth place. Linda Schaffer, 9, placed fifth in the preliminary solo division while Liz Maurer, 15, took fourth in the strut division.

Newcomers to the state competition, Tiffany Scott and Whitney Hampton gave excellent performances although not placing.

In the open contest held before Miss Majorette, the Charms scored high.

Whitney Hampton took first in special beginner solo division and fifth in beginner basic strut while Tracey Wales captured first in advanced basic strut.

Rianne Jones placed second in beginner solo and fifth in beginner strut while Lindsay McHolme and Kate Steele each took third in beginner basic strut in their age divisions.

Liz Maurer took first in advanced basic strut while Richelle Jones took second in advanced basic strut, third in solo and fancy strut, and fifth in model.

Chrissy Dunlap captured the open intermediate solo division and took second in fancy strut. Laurie Honbaum placed second in advanced model and fourth in fancy strut.

Kori White placed fourth in both open advanced solos and strut and sixth in model.

VISITING ADMINISTRATORS from area schools were given a tour of the various media centers in Chelsea schools last Thursday. The Chelsea district is unusual in that it has a full-time media specialist in each school and has the continued support of a strong library program. The school districts represented were Lincoln, Brighton, Pinckney, Saline, Whitmore Lake, Willow Run, Hartland, Ypsilanti, Fowlerville, Howell, and Washtenaw Intermediate. Above, Sue Beard, center, the media specialist at Beach school,

leads the group through the Beach school library. From left are Nancy Briggs and Jan Swan of Brighton, Doug Paige of Howell, Beverly Melancon and JoAnn Floyd of Hartland, Irene Dernburger of Saline, Karen Wisniewski of Pinckney, Bob Oliver of Ypsilanti, Dr. J. J. Patel of Willow Run, Sue Rice of Howell, and Pete Flimney of the Washtenaw Intermediate School District. Several other administrators are not pictured.

High School Students Offered Career Guidance

Area high school students will have a chance to see representatives from several colleges, universities and career fields during "College and Career Day" at Washtenaw Community College, to be held May 1 from 9:30 a.m. to noon.

The event is being co-sponsored by the Washtenaw County Area Counselors and Washtenaw Counselors Association. Last year more than 1,400

students attended the event, which has been expanded into two buildings: the Students Center Building and the Technical and Industrial Building. In addition to information

about 35 colleges and universities from throughout Michigan and 25 career options, the event will offer informative sessions on other topics, such as financial aid, careers and minority business.

"... We Never Talked About That..."

Almost everyone, in the course of making funeral arrangements says something like this: "Oh, I wish I knew what he would have liked. We . . . we never talked about it and . . . I just don't know . . ."

It isn't necessary that those left behind be burdened with this added agony of indecision. The thoughtful, sensible thing to do, is to record your wishes in advance of necessity.

Send today for your FREE copy of the helpful booklet, "We Never Talked About That."

FIA Community Center, open Mon.-Fri. for free services: food, clothing and financial assistance.

Letters TO THE EDITOR

Dear Editor:
RE: View from the Clocktower 4/15/86.

I oppose my government using tax dollars to arm and supply a bunch of ex-Samoan national guard goons so they can continue their campaign of death and destruction.

It is apparent your columnist has bought the Reagan line on Nicaragua completely, but I strongly resent his calling others Communists simply because they don't agree. I believe that this tactic is called red-baiting, and was used to intimidate during the McCarthy years. It was disgusting then, and it smells just as bad in the 80's.

Sincerely,
Bill Niehaus.

Chelsea High Class of '66 Plans 20th-Year Reunion

Chelsea High school class of 1966 will hold their 20th-year reunion on Saturday, Aug. 9 and Sunday, Aug. 10. All members of the class are asked to attend the next reunion organizing meeting on April 28 at 7:30 p.m. at the home of Lois (Heppner) Emmert, 1218 Meadow Lane, Chelsea.

Informational letters about the reunion have been sent out and all personal information questionnaires were to be returned by April 21. If you are a former classmate and you have not received a letter please call Gary Houle (475-8058) immediately so one may be mailed to you.

If you have received your letter, but you have not returned the personal questionnaire it is now overdue. Please complete and mail it immediately to Gary Houle, 2249 S. Lima Center, Rd., Chelsea.

"This reunion will be the best yet so why not be a part of the action and excitement of making it all happen. Come to the meeting on Monday, April 28 at 7:30 p.m. We'll be looking for each and everyone of our classmates," states the reunion committee.

Truck Tires, Rims Stolen Last Friday

A Chelsea Milling Co. employee found his truck on blocks with its tires and rims missing when he went to conduct company business on the early morning of Friday, April 18.

The truck, a 1978 pick-up, was parked near the company at North and Filmore Sts., police said. Stolen were four 40" tires and chrome rims with gold striping, and about five gallons of gasoline, owned by Tommy Lee Schoening of Grass Lake.

Both Schoening and Chelsea police, reported seeing a dark blue pick-up truck in the vicinity just prior to the theft.

Young Authors Days Slated at Grade Schools

Enrichment Triad Program at North and South schools will be holding individual school-wide Young Authors Celebration Days on Wednesday, April 30 and Wednesday, May 7.

Each celebration will feature a performance by professional story-teller Sheila Daily at 1 p.m. Daily's repertoire includes folk tales, legends, myths, fairy tales and biographical sketches. She is well-known in central Michigan as a performer and teacher.

In addition, there will be "outside enrichment," in which a series of interest centers is set up on the grounds of each school. A few of the enrichment topics include, nutrition, aging, kite building, bee-keeping, survival skills, unusual pets, small farm animals, Belgian horses, veterinary medicine, various means of transportation including a hearse, hot air balloon and lumber truck, and music by University of Michigan students.

tion will include the sharing of student-written stories, and the dramatization of one of the student's stories by the faculty.

North school's day is April 30 and South school's day is May 7. Both begin at noon.

Bathroom Fixtures Stolen from Building Under Construction

Bathroom fixtures valued at \$300 were stolen from a building under construction at 622 W. Middle St. last Wednesday, Chelsea police reported.

Stolen were a white toilet, still in its box, a two-compartment sink, a sink faucet and basket strainer, and a garbage disposal. Police said there was no sign of forced entry. The articles had been last seen the night before by owner Jack Thams.

Sheriff's Dept. PAL Run Set Saturday

Dig deep in the pocket for an extra dollar if you neglect to register beforehand for the PAL Run (seventh annual) sponsored by the Washtenaw County Sheriff's Department, Saturday, April 26.

Advance registration is seven dollars, but runners may register the day of the race—it just costs them that extra buck, that's all.

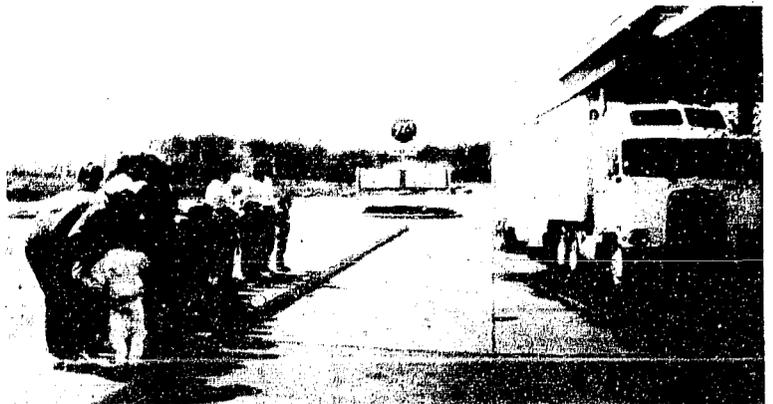

Check-in time for the race is 8:30 a.m. at the County Service Center on Hogback Rd. Runners begin competition promptly at 10 a.m.

Race course length is 10,000 meters, but an alternate run of 2.2 miles is available to less persistent participants.

Proceeds will help fund youth programs within the county. Registered runners will qualify for a host of prizes to be awarded during the race day.

Further details are available from the office of Sheriff Ronald J. Schebil, 971-8400.

Red Cross Volunteers Needed for First Aid Station Staff at Fairs

It is spring and outdoor activities will soon be in full swing. The American Red Cross, Washtenaw County Chapter (A United Way Agency) provides First Aid Stations for many community events spring, summer and fall. Events such as the Fourth of July Fireworks, Ann Arbor Art Fair, the Ypsilanti Heritage Festival, Dexter Days, Manchester

Chicken Broil, the Chelsea, Saline and Milan Fairs, various runs and other events are all attended by American Red Cross volunteers trained in first aid and CPR.

If you are trained in first aid and/or CPR and would like to volunteer for first aid station staffing, please contact the Educational Services Department at the American Red Cross, Washtenaw County Chapter, at 971-5300.

Particle board, fiberboard, and plywood paneling can emit formaldehyde gas which causes eye, nose, and upper respiratory tract irritation, headache, nausea, and is implicated as a possible cause of nasal cancer in humans.

SPAULDING FOR CHILDREN has been honored by the Michigan Federation of Private Child and Family Agencies as having the innovative program of the year among adoption agencies. Spaulding provides homes for developmentally disabled children and black teenagers. Accepting the award for Spaulding are, from left, Bertha Scott, Detroit program manager, Judith McKenzie, executive director, Paula Blanchard, and Dr. Jane Swanson, national center director.

Spaulding for Children Cited For Innovative Program

Spaulding for children, an adoption agency with headquarters in Chelsea, has been honored by the Michigan Federation of Private Child and Family Agencies. At a luncheon held in Lansing, Paula Blanchard, Michigan's First Lady, presented Spaulding with the award for "Innovative Program of the Year—Adoption."

In recognition of Spaulding's excellence in providing adoptive homes for developmentally disabled children and black teenagers, the agency received a federal grant to establish the National Resource Center for Special Needs Adoption. Dr. Jane Swanson has been selected as director of the center.

Under her guidance this new program will provide training, consultation and leadership development nationally. Chief Justice of the Michigan

Supreme Court and former governor, G. Mennen Williams, presided as Master of Ceremonies. Joining him in attendance were several other Michigan Supreme Court Justices, many State legislators including Lana Pollack and Perry Bullard of Ann Arbor, and Secretary of State, Richard Austin.

Eight Chelsea area residents are actively involved with Spaulding for Children. They include Robert Daniels, treasurer and chairperson of the National Center Committee; Charles Mattoff, board of trustees and finance chairperson; Dorothea Plemeier, charter member of the board of trustees; Fred Mills, personnel committee; Ann Feehey, business manager; Marilyn Chasteen, development director; Nancy Burkhalter, executive assistant; and Robert Schroen, maintenance.

Arbor Days To Be Observed With Symbolic Tree Plantings

Arbor Days will be observed Friday and Saturday of this week. Their immediate benefits will be the experience for hundreds of youths in the Chelsea school system of planting live spruce seedlings. Lifetime benefits will continue as children grow to adulthood and behold the development of frail seedlings to great symmetrical evergreens.

The actual planting of these trees will take place Monday, April 28. Originally scheduled for Friday, the ceremony was delayed until Monday because of delivery problems.

The Chelsea Rod and Gun Club is donating 50 blue spruce seedlings to each of the four public schools. These are purchased by the club through the Washtenaw County Soil Conservation District.

In addition, the club is donating mature blue spruces to Beach Middle school to replace four trees planted last year which failed to survive. An additional five mature spruces, averaging five feet in height, are being donated to St. Mary's of Chelsea. Deacon Richard Cesarz of St. Mary's will participate in the transfer of the trees from the club forest to the grounds of the church on Old US-12.

Each of the nine trees mentioned above was selected and tagged by Joe Torrice, chief forester of the Rod and Gun Club. Wednesday morning each tagged tree was inspected by Jean Meiner, an inspector for the State Department of Agriculture. Although it was the 16th of April, the boughs were heavy with snow which had to be brushed away. All nine of the spruces passed inspection but one was tagged for special disinfection after replanting.

Last year, with the approval of Village Council, President Jerry Satterthwaite issued a proclamation designating the last Friday and Saturday in April each year as Arbor Days. The proclamation began by noting that Chelsea had been distinguished for more than 150 years by the beauty of its trees; that some had perished and needed replacement; that many areas within and beyond the village are barren and would be greatly enhanced by the presence of living trees and shrubs.

Individuals, families or organizations seeking information on the planting and care of trees are advised to follow this list of Do's and Don't's from the county soil conservationists:

The Do's of Planting Trees

DO water your trees freely the first year. Saturate the soil at least weekly the first year.

DO mulch around your trees. Mulch on the surface will hold moisture in the soil.

DO plant your trees as soon as possible after they are received. If you can't, be sure to keep the packing material moist and store the seedling in a cool spot.

DO look up when choosing a spot for a shade tree. Are there overhead utilities such as power lines? When the tree is fully grown will it be too close to your home and mar the siding or dump leaves in the gutters?

DO control weeds and grass around your trees. Your newly planted trees will not compete with established vegetation.

DO protect your small trees from lawnmowers and other equipment. They are small and will be hard to see.

The Don't's of Planting Trees

DON'T fertilize your seedlings the first year.

DON'T put mulch in the hole with the roots of your tree. Mulch will absorb the moisture and dry out the roots of your tree.

DON'T let the roots dry out when planting your trees. Carry them in a pail of water, removing one plant at a time as planting progresses.

DON'T plant trees over under-

ground utilities such as sewers and tile. Also, tree roots are powerful and can lift or break sidewalks and foundations if planted too close to them.

DON'T plant your trees more than 1/2 inch deeper than they were in the nursery. Holes for the trees should be large enough that the roots are not bent.

DON'T choose a tree just because it is supposed to be fast growing or "you like it." Choose a tree that has form, color, flowers or fruit that fits your needs well and will grow well in your soil and climate.

Aquatic Insects To Be Studied in Waterloo Area Walk

The world of aquatic insects—striders, whirligigs, dragonflies and more—will be the subject of a walk through the Waterloo Recreation Area this Sunday afternoon.

Ron Frenette will lead the walk beginning at 1:30 p.m. at the nature center parking lot. Participants should be prepared to get their feet wet.

A vehicle permit is required for the park.

Subscribe to The Chelsea Standard!

APRIL 16th SNOWFALL complicated the work of Jean Meiner, an inspector for the Michigan Department of Agriculture, as he inspects selected spruce trees from the forest of the Chelsea Rod and Gun Club. Nine trees ranging in height from four to six feet will be Arbor Day gifts from the club to Beach Middle school and St. Mary's church.

DEACON RICHARD CESARZ gets acquainted with one of five evergreens donated to St. Mary's Church by the Chelsea Rod and Gun Club in observance of 1986 Arbor Day.

SPRUCE FOR BEACH MIDDLE SCHOOL is dug from the ground by Reuben Lesser, Jr., left, and Rick Monier. Tree has been inspected and approved for removal by the state department of agriculture.

ARBOR DAY EVERGREEN, nestled in a sack of its mother soil, is carried by Ken McCalla, left, and Jim Bauer from the forest of the Chelsea Rod and Gun Club.

STUDENTS AGAINST DRUNK DRIVING chapter at Chelsea High school recently received a donation from the Kiwanis Club of Chelsea to help them continue their activities. Above, SADD

president Gary Johnson and vice-president Sara Noah accept the check from Warren Atkinson, right, Kiwanis second vice-president, while Kiwanis president John Mitchell looks on.

THE CONTEMPORARIES earned straight I ratings at the State Solo & Ensemble Festival held on the University of Michigan Flint campus April 12. Judges comments included, "very nice, freely produced tone. Fine blend, balance and accuracy of parts. Phrasing admirable. Lovely group, well-trained and musical. Congratulations." Kristina Steffenson, a soloist, also received straight I ratings. "I was extremely proud of their effort," said vocal music director June

Warren. Sitting, from the left, are Karla Heard, Krista Smith, and Chris Basso. Standing, from left, are June Warren, Kelly Burke, Carrie Collinsworth, Valerie Stoker, Lori Jedele, Maria Gallas, Susan Schmunk, Jimae Ritter, Amy Wolfgang, Jeanne Castillo, Cindy Kvarnberg, Martha Weber, Kristina Steffenson and Angie Welch. They'll be performing at this Saturday's arts festival at Chelsea High school.

Kiwanis Club Joins in Food Collection

Kiwanis Club of Chelsea is taking part in a state-wide Kiwanis campaign to collect food for area food banks.

The club is working in a joint effort with Faith in Action through May 18.

Anyone who wishes to donate non-perishable food may contact any Chelsea Kiwanian, Kiwanis president John Mitchell, at 475-1444, or stop by Faith in Action, 775 S. Main St. on the grounds of Chelsea Community Hospital.

Gov. James Blanchard proclaimed April 19-27 as "Say Yes To Michigan Food Banks Week." The Kiwanis program was launched in conjunction with it and is entitled, "Operation Care and Share."

Blue Cross/Blue Shield have also donated the use of their 39 offices as central collection points.

Free Blood Pressure Screenings Offered

Catherine McAuley Health Center will offer free blood pressure screenings from 8 a.m. to 1 p.m. Saturday, May 3, in Ann Arbor's Kerrytown, 407 N. Fifth Ave.

Village Rubbish Pick-Up Slated Next Monday

Chelsea's annual spring rubbish pick-up will be held next Monday, April 28.

Village residents may place their rubbish on their lawn extension beginning this week-end.

The village is asking residents to place their refuse in separate piles according to the type of material. A village advertisement elsewhere in this issue provides the details.

A VAN TO AID REHABILITATION has been purchased by Chelsea Community Hospital. It is equipped with a lift to accommodate two people in wheelchairs. The van will make it easier for them to get out into the community.

Special Van Purchased By Chelsea Community Hospital

New frontiers are now open to Chelsea Community Hospital Rehabilitation Program patients.

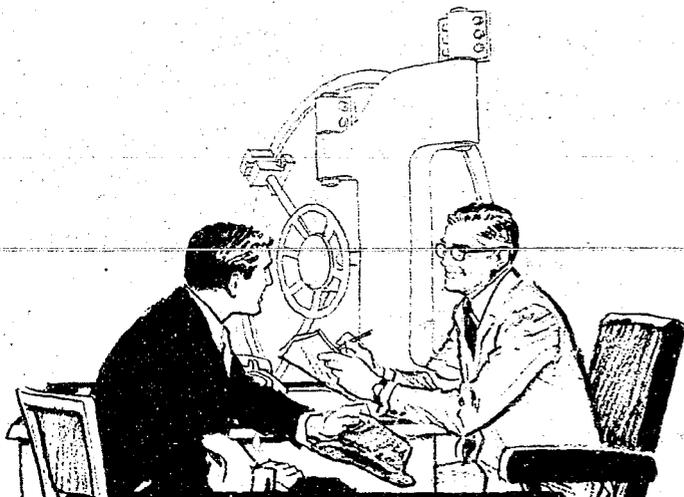

The hospital has acquired a new van which is equipped with a lift to accommodate two people in wheelchairs. This will make it possible for rehabilitation patients who have been hospital-bound in the past to get out into the community to practice the things they are learning in their therapies.

For example, rehabilitation patients, many of whom have had a stroke or head injury, will be able to travel to restaurants, stores and sporting events along with a

therapist where they can practice the walking, communication, thinking and leisure education skills that they have been working on. Called "community reintegration," the ability to go out into the community and practice therapy techniques in real-life situations is a vital addition to the program. "It fulfills a need that we have had for five years," says Dr. Lawrence Handelsman, medical director of the rehabilitation program. "It will be wonderful for our patients to acquire the skills that come from community practice with a therapist."

The acquisition of the van will have a positive effect on the work of the entire rehabilitation team which consists not only of nurses and doctors but also of experts in the areas of social work, psychology and physical, recreational, speech and occupational therapies. Patients come to the rehabilitation program from Washtenaw, Jackson, Lenawee, Ingham, Hillsdale, Monroe, Wayne, Livingston, Oakland and other communities. They will be able to function better in their home communities now that Chelsea Community Hospital can provide additional community

**NEED CASH?
LET'S TALK.**

WE HAVE MONEY TO LOAN.

The one way we have of keeping our doors open is to make loans. Loans to people like you. Loans that better your lifestyle. Loans that assist you over the rough times.

The second way we have of keeping our doors open is to know when to say, "No." If it isn't a good loan for you, it isn't a good loan for us.

Our loan people aren't simply trained on the procedures of loan making. Our loan people are thoroughly schooled on the importance of recognizing when a loan should be made and shouldn't be made.

We may say no when someone else says yes. We can be wrong. The other financial institution can be wrong. Usually, though, we're

right and people appreciate us for our up-front-let-us-help-you attitude.

So, when you are thinking of a loan, stop in. Let's talk it over. If it's right, we'll make the loan. If it isn't, we'll tell you. Could you ask for more?

Varsity Baseball Team Sweeps Double-Header Over Manchester Dutch

Chelsea varsity baseball team raised its record to 4-2 last week with a sweep of a double-header over Manchester last week-end, 10-1 and 13-3.

In other action last week, the Bulldogs lost to undefeated Jackson Northwest, 5-1, and shut out Fowlerville, 2-0.

The Bulldogs were also well on their way to two more wins for the week, but both games were called due to darkness before enough innings had been played. In the second game against Jackson, Chelsea led 5-1 after three innings with Kevin Walz on the mound, and 5-1 after four innings in the second game with Fowlerville with Greg Haist pitching in relief of Chuck Downer.

"We're right where we want to be right now," said Chelsea coach Wayne Welton. "Our bats have come alive and our pitching is solid."

Chelsea played probably their worst game of the year against Jackson, a team with a top pitching staff that doesn't need any additional help from their opponents.

Kevin Maynard started the game on the mound for the Bulldogs but had control problems. Haist and Harvey pitched in relief.

"The pitching of Haist and Harvey was probably the highlight of the day," Welton said.

The game was tied at five at the

end of the third inning before JNW scored four times in the fourth inning on three walks, one hit, and three Chelsea errors. Before the fourth inning Chelsea had committed one error. They finished the game with six.

"We lost the game defensively," Welton said. "But we hit the ball well with 10 hits."

Downer picked up three Chelsea hits, Mark Mull and Ray Spencer both hit triples, and Todd Starkey hit his first home run of the year.

Haist hit a home run in the second game before it was called due to darkness.

In the Fowlerville game, Dan Bellus "was outstanding," Welton said after the senior tossed a one-hitter, hit a triple and scored the game-winning run.

Bellus had superb control and went the distance, striking out 10 and walking one.

In the fifth inning, Bellus tripped over the centerfielder's head, and scored on a Spencer single.

Mull doubled in Maynard, who had singled, in the sixth inning for the final run.

Bellus recorded his second win against no losses.

Harvey had his second good outing of the week in the first Manchester game Saturday as he allowed only four hits for the complete-game shutout. Welton said he may have earned a start against Saline this Saturday in the first league contests.

Chelsea jumped off to a quick

start in the game with three runs in the first inning.

Rob Murrell singled, and Downer homered for the first two. Maynard followed with a triple and Mull got an RBI on a sacrifice.

The Bulldogs pounded out 11 hits for the game. Maynard went 4-4, Downer had three hits and Bellus added a triple and single.

Chelsea was even hotter with the bat in the second game with 16 hits.

Starkey picked up his first win after a shaky start.

Down by a couple runs going into the second inning, Walz singled and Jeff Stacey was hit by a pitch. Matt Koenn plated the first run with a single, and Downer cleared the bases with a triple. Downer came home on Mull's single. The Bulldogs scored four in the inning, and were never seriously threatened from then on.

In the fourth inning Chelsea added five runs. Mark Bareis reached on an error, Mull singled, Bellus walked and Spencer tripled. Walz then singled, and later scored.

Finally, Chelsea scored four more in the fifth on singles by Bareis and Mull, walks to Matt Bohlender and Jon Lane, a two-run single by Jeff Stacey and a single by Matt Koenn. Koenn had four hits as the designated hitter.

Chelsea swings into Southeastern Conference action this Saturday against the tough Saline Hornets in Saline.

DAN BELLUS cuts loose with a fast ball against Fowlerville last week on the home field. Bellus pitched a one-hitter and scored the game-winning run after whacking a triple.

Lady Bulldogs 2nd In Chelsea Relays

Ypsilanti ran away with the team championship in the 11th annual Chelsea Girls Relays Saturday, with 96 points to runner-up Chelsea's 57.

Ypsi scored in all but one event, of the 12 events taking nine firsts and one second on their way to the title.

The Bulldogs were no match for the class A power, but turned in an excellent showing, scoring in all but two events. Although they did not win an event, Chelsea runners gathered six seconds, a third, two fourths and a fifth.

"Take Ypsi out of the field and we have about 80 points ourselves," said coach Bill Bainton. "We had an outstanding day!"

Mulan gave Chelsea a battle for a while, but scored in only one of the final three events to finish third with 43 points, while defending champion Dexter was fourth in the 13-team field with 27 points.

Placing for Chelsea in the field events were the high jump relay of Ann Becker and Sarah Schaeffer who finished sixth, and the discus team of Kris Zerkel and Dena Stevens who finished second. Zerkel's 97-foot throw in the event was the second longest of the day.

Bulldog runners scored in every running event in the meet. Ypsi was the only other team to do that. "That points out our balance and depth," said Bainton. "We had 19 girls score for us."

Chelsea had a second in the

shuttle hurdles from Debby Tift, Shannon Dunn, Danica Disbro and Amy Wolfgang in 1:09.3.

The 3,200 relay of Sallie Wilson, Debi Koenn, Melanie Flanigan, and Kasey Anderson was second in 10:11.6.

Despite some shaky baton exchanges, the 800 relay of Susan Jaques, Amy Wolfgang, Danica Disbro and Tami Harris was second with a fast 1:51.7.

The intermediate medley with Koenn and Flanigan running 800's and Calla Tucker and Tift running 400's, was fifth with a 7:41.4.

For the third consecutive year the sprint medley established a new school record. Tami Harris, Susan Jaques, Danica Disbro and Amy Wolfgang combined for a 1:55.5, good for second behind Ypsi.

Another school record was set by the distance medley of Kasey Anderson (800), Chris Newman (400), Suzanne Cooper (1,200) and Sallie Wilson (1,600) as they finished second to Hillsdale in 13:33.1.

The 400 relay of Edie Harook, Stephanie Harms, Disbro and Harris finished fifth in :54.1 and the 1,600 relay of Jaques, Anderson, Newman and Wolfgang wrapped up the meet with a third place finish.

This was the Bulldogs' best showing in their own relays since winning them in 1980. They were third last year.

Girls Track Team Dominates Saline

Chelsea's Lady Bulldog track team defeated Saline, 79-49 in a meet Thursday on the Saline track.

Led by Chris Zerkel's two wins—the shot, with a throw of 34'-0" a junior record, and the discus in 99'-1", and seconds by Dena Stevens in the discus, Edie Harook in the long jump and Ann Becker and Sarah Schaeffer tied in the high jump, the Bulldogs took a 21-15 lead in the field events.

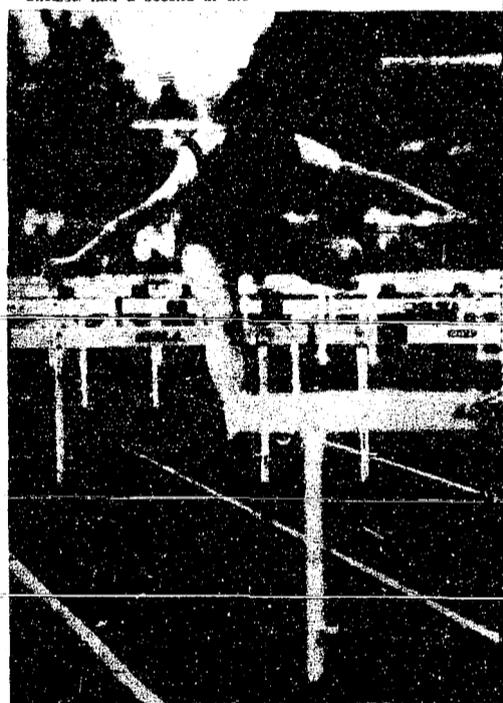

Kasey Anderson anchored a come-from-behind win in the 3,200 relay, and the Bulldogs rolled on from there. Key 1-2 finishes were posted by Tami Harris and Danica Disbro in the 100 and 200 dashes and Susan Jaques and Chris Newman in the 400.

Chelsea also won three relays:

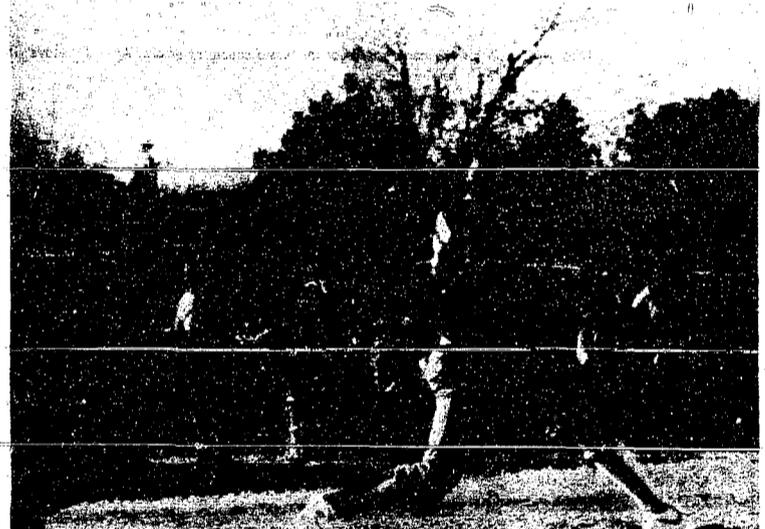

the 3,200 with Sallie Wilson, Debi Koenn, Melanie Flanigan, and Kasey Anderson (10:28.7), the 800 with Susan Jaques, Amy Wolfgang, Danica Disbro and Tami Harris (1:52.4) and the 1,600 with Chris Newman, Debby Tift, Kasey Anderson and Amy Wolfgang (4:22.2). Anderson was the only other Chelsea winner, running the 800 in 2:32.8.

Kelly Olzowski was a double winner for Saline in the 100 hurdles in :16.5 and the 300 hurdles in a record :47.9. Chelsea finished second and third in each race.

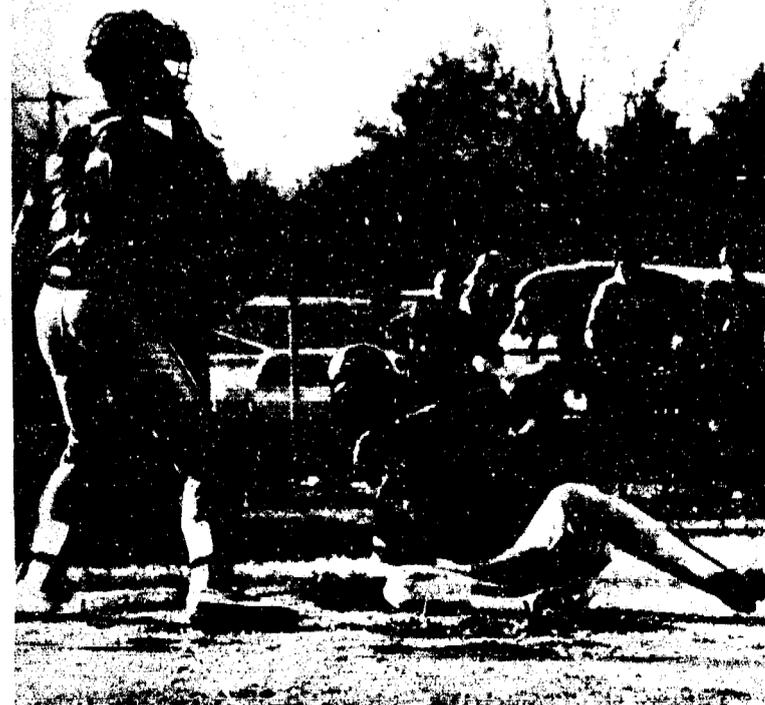

The key factor in the meet was Chelsea's balance. The Bulldogs performed well in all areas and had either a first or second in every event.

AMY WOLFGANG runs the final leg of the shuttle hurdles during last week-end's Chelsea Relays. The team of Debby Tift, Shannon Dunn, Danica Disbro and Wolfgang finished second in 1:09.3.

RAY SPENCER singles home the winning run against Fowlerville last week, as Dan Bellus scored from third in fifth-inning action. The Bulldogs, at 4-2, travel to Saline this Saturday for their first SEC contest.

THE OLD BRUSHBACK PITCH sends Chelsea's Dan Bellus on his rear end during last week's action with Fowlerville. Dan's been hitting the ball well lately, and may see a lot of similar pitches in future games.

Tennis Team Splits Season's First Matches

Chelsea boys tennis team split in its first two matches of the season, with a 5-1 win over conference foe Pinckney, and a 5-2 loss to Brooklyn Columbia Central.

The Pinckney match was called due to darkness in the middle of the fourth singles match, which is scheduled to be completed this week.

In the Pinckney match, Kirk Lawton at first singles won 7-6, 6-0 over Todd Barkman.

Bodo Schlaeper, at second singles, lost to Tony Ketz, 3-6, 6-2, 1-6.

Third singles John Stevens held off Tony Carpenter, 7-5, 6-1.

Jason Richardson lost the first set of the fourth singles match, 4-6, to Kevin Banchoff, before the match was suspended.

In doubles play, Chelsea's Steve Worthing and Chris Herter defeated Steve Tresh and Robert Romano, 6-1, 4-6, 6-4.

Larry Moore and Mike Merkel, at second doubles, stopped Dustin Schell and John Yeakey, 6-2, 7-5.

At third doubles, Bob Pratt and Eric Worthing defeated Jack Lonetto and Doug Hora, 6-2, 6-2. "We didn't play outstanding tennis, but enough to get by,"

said Chelsea coach Rahn Rosentreter.

Rosentreter said BCC featured some of the best tennis players in the area, and, as a result, Chelsea had a tough time.

Lawton was shut out by Rich Applegate, 6-0, 6-0.

Schlaeper lost a tough match to Mureli Tegulapelle, 6-1, 6-1.

John Stevens lost at third singles to Al Dresselhouse, 6-2, 6-0.

Jason Stevens lost by the same score to Reddy Tegulapelle.

The first Chelsea victory came in first doubles, where Steve Worthing and Herter topped Art Townley and Shane Force, 6-4, 6-2.

Moore and Merkel took second doubles, 6-2, 6-1, over Tony Gabriel and Paul Arnold.

At third doubles, Pratt and Worthing were defeated by David Zaak and Ray Taylor, 6-4, 7-5.

"The bright spot was definitely our doubles play," Rosentreter said.

"Singles were not playing poorly, they just had a bad match-up."

Tomorrow's re-match with Pinckney is one of the key contests of the season, Rosentreter said.

Boys Track Team Closing on Saline

After losing to Saline by nearly 100 points last year, the Chelsea boys track team narrowed the gap considerably last week in an 85-54 loss without three of their top scorers.

"With those three guys, it's conceivable we could have won the meet," said coach Bill Wehrwein.

In other action last week, the team took part in the 30-school Bishop Foley relays on Saturday.

In the Saline meet, three field events performers turned in their best-ever efforts.

Doug Webb won the discus with a toss of 110'.

Chris Cheng was second in the long jump at 17' 10".

Mike Westhoven was second in the high jump at 5' 10".

Chelsea also won three relay events.

The 400-meter relay team of Pete Janik, Jeff Patterson, Dave Freltas and Cheng had a time of :47.7.

Cheng, Lee Riemenschneider, Greg Brown and Ron Bogdanski took the mile relay in 3:43.

Riemenschneider, Brown, Paul Hedding and Bogdanski won the two-mile relay in 8:42.

In individual events, Freltas won the 200-meter dash in :24.7.

Hedding won the mile run in 4:52 against a strong wind. He

(Continued on page 11)

SUSAN JAQUES bursts from the blocks on the first leg of the sprint medley as her team set a new school record in the event in 1:55.5, good for second place. It was the third consecutive year the record has fallen. Her teammates included Danica Disbro, Amy Wolfgang, and Tami Harris.

Softball Machine Now 9-1 After Winning 5 of 6 Games in Past Week

Chelsea Bulldogs stretched their varsity softball record to 9-1 last week after knocking off Fowlerville on both ends of a double header, and taking three of four games at the Belleville Tournament last week-end.

In last Saturday's tournament action, Chelsea competed against four class A schools, Belleville, Carlsson, Stephenson and South Lyon, and lost only to South Lyon, 2-0, to take the second place trophy.

Chelsea reached the finals after dropping Livonia Stephenson, 10-0, in six innings, Belleville, 2-1, in nine innings, and Carlsson, 11-1, in five innings.

Junior Pam Brown, who hiked her record to 3-0, was simply too much for the Livonia team as she faced just two more than the minimum. She struck out six and gave up two hits.

"Stephenson wasn't really prepared to play against our bunting game," said coach Charlie Waller. "They gave us two quick runs in the first inning."

Kris Mattoff added a run-scoring triple in the second inning. But the Bulldogs picked up six runs in the sixth inning, highlighted by a bases-loaded double by Chris Defant and an RBI single by Michelle Easton. Stephenson helped out with five walks in the inning.

Handy Hurd added two hits in the contest.

In the extra-inning contest with Belleville, Ceia Murphy scored on a ground out to short in the top of the ninth inning for what proved to be the winning run.

However, it was a combination

of good defense and had Belleville base running in the eighth inning which really won the game for the Dogs.

Belleville had runners on second and third with no one out when a long fly ball was lifted to left centerfield. Defant made "a fine catch," Waller said, and threw to second, doubling off the runner who had moved to third, believing the ball would not be caught. Meanwhile, the runner at third, who had advanced nearly to home plate, had to go back and tag up. After the double play, there wasn't any time to score. The next Belleville batter popped the ball up.

Brown picked up the win in relief of Defant, who pitched to the eighth inning. Combined they gave up eight hits and struck out two.

Jill Schaffner picked up her second win of the season in the 11-1 Carlsson contest as she yielded four hits and struck out eight in five innings.

"It was a very nice performance by Jill," Waller said.

Chelsea took the early lead with three runs in the first inning on a two-run double by Defant and a single by Easton. By the third inning the lead was lengthened to 6-0. The Bulldogs rapped just six hits but were aided by numerous Carlsson walks.

The final contest against South Lyon featured two of the area's best pitchers in Defant and Andrea Nelson. Nelson's tough fast ball was, "too much, she threw it right by us," Waller said.

Nelson struck out nine Bulldogs and, "we don't strike out all that often," Waller said.

Chelsea threatened to score on several occasions but couldn't get the key hit.

Defant took her first loss of the season as she gave up five hits and struck out six.

"On any given day we'd have a good shot at beating them," Waller said.

"Over-all, our pitching is coming along and we're hitting the ball with authority, although we're having trouble scoring runs. We have several kids like Angle Defant who hit the ball hard but didn't have them fall in. I felt good about Saturday.

On Friday against Fowlerville, Defant picked up the first win with a four-hit, four-strike-out performance in 8 1/3 innings. Brown struck out the last two batters in the ninth inning.

The 6-3 victory was highlighted by a game-winning three-run single in the ninth inning by Defant, with the score tied at three. The Bulldogs were the beneficiaries of two Fowlerville errors in the inning, which helped to load the bases for Defant.

Chelsea rapped nine hits, including two by Hurd, one a double.

Brown tossed a two-hitter in the second game and struck out six as Chelsea won the contest, 5-1. The game was called due to darkness after five innings.

The Bulldogs scored three runs in the third inning for most of the damage. Hurd singled and Jenny Cattell tripled for the first run. Chris Defant singled home Cattell, and Easton sacrificed Defant to the plate. At that point the score was 4-0.

Murphy added a double in the contest.

Chelsea begins league play this Saturday at Saline, considered to be one of the top contenders for the SEC crown this season.

Amy Unterbrink Has 0.00 ERA in Big Ten Competition

Amy Unterbrink, a Chelsea High school graduate, improved her record to 17-4 as a softball pitcher for Indiana University with two 1-0 wins over Northwestern last week.

She now sports a 0.00 earned run average against Big 10 opponents.

Subscribe today to The Standard

PAULA COLOMBO capped off her high school swimming career recently by making the finals in seven events at the United States Swimming-Michigan State Championships as a member of the Ann Arbor Swim Club. Her events included a ninth place in the 200 individual medley, fifth place in the 1550 freestyle, sixth place in the 100 butterfly, fifth place in the 200 backstroke, fifth place in the 500 freestyle, second place in the 200 butterfly, and sixth place in the 400 individual medley. This fall Paula plans to attend the University of Michigan and study nursing. "Paula's ability to dedicate herself both to her swimming and schoolwork is just outstanding," said coach Dave Johnson. "She will do very well in whatever she does, her aggressiveness is her biggest asset." She is the daughter of Lou and Marie Colombo of Cavanaugh Lake Rd.

JV Baseball Team Wins 4 in Past Week

Chelsea JV baseball team won four straight games last week over three separate opponents to raise their record to 5-1.

Jackson Northwest fell, 3-1, Fowlerville lost, 7-1, and Manchester was shelled twice, 18-5 and 12-1.

In the JNW game, Junior Morseau went the distance on the mound, striking out 10 in seven innings.

The Bulldogs were held to six hits, and Randy Ferry had the only RBI for the game on a single in the first inning.

JNW booted the ball around in both the sixth and seventh innings, allowing one run in each.

Matt Kemp contributed two hits.

Greg Boughton picked up the win in the Fowlerville game as he struck out nine in six innings, and was relieved by Kemp, in the seventh.

Ferry gave Chelsea a second-inning lead with a two-run single. The Bulldogs picked up two unearned runs in the fourth inning.

Morseau singled home two in the sixth, sparking a three-run inning.

Other offensive stars of the game included Bobby Clouse, who was 3-4 with two stolen bases, and Jordan Gray, who tripled.

Manchester helped out the Bulldog cause in their first game by committing eight errors and walking just about as many Chelsea batters. That, combined with eight Bulldog hits, gave Morseau his second victory of the week.

Through four innings Chelsea held a 5-2 lead, but scored seven runs in the fifth and six more in the seventh.

Morseau accounted for four RBI with three hits.

Tim Anderson won the second Manchester contest, a game called after five innings due to the mercy rule.

Anderson struck out 11 and sur-

rendered just three hits. Clay Hurd smacked a lead-off home run in the first inning, giving Chelsea the lead for good.

In the third, Morseau and Ferry each doubled home runs.

Five runs came home in the fifth on the strength of a Ferry two-run homer and a Gray double.

Chelsea picked up their last three runs in the fifth.

Gray and Morseau were, each 3-4 and Ferry went 2-3. The Dogs picked up 10 hits over-all.

"This is a good group," said coach Jim Ticknor. "If they continue to work hard and believe in themselves I think we'll have a pretty good season."

Boys Track . . .

(Continued from page ten)

also had a time of 10:44 in the two mile.

Janik was first in the low hurdles in :43.7, and Casey Murphy finished third in :45.4.

Kiemenschneider was third in the 400 in :55.7.

Brown was second in the 800 in 2:10.

"I see us winning this meet next year," Wehrwein said.

"Most of our team will be back."

In the Bishop Foley Relays, the distance medley team of Bogdanski, John Cattell, Hedding and Cheng placed eighth in 11:10.

The only other team to place was the high hurdles squad of Jeff Andress, Marcus Pletcher, Westhoven and Janik, who ran a 1:17.1.

"We just went to have fun," Wehrwein said. "There were a lot of class A schools, and I really didn't see us placing in any event."

Please Notify Us In Advance of Any Change in Address

JV Softball Team Mercies Fowlerville

Chelsea JV softball squad overpowered Fowlerville last week-end with two lopsided, mercy-rule victories, 17-0, and 29-2.

In the shutout, Peggy Hammerschmidt pitched her second no hitter in as many outings, as she struck out five batters.

"She had good defensive support from her teammates," said coach Pat Clarke.

Chelsea batted only four times, with the big outburst coming with a 12-run third inning. The Bulldogs pounded out 13 hits and committed just two errors.

Freshman Heather Neibauer and sophomore Angle Miller each had run-scoring doubles to lead the offense. Leah Enderle, Alisha Dorow, Neibauer, Miller and Laura Torres all had at least two hits each.

In the other contest, Jenny Piehlik fired a two-hitter and struck out nine to gain her second win of the season.

Chelsea took a 5-2 lead in the first inning and 12 in the second. The 29 runs came on just 14 hits as walks and four errors hurt Fowlerville.

Some offensive highlights of the game were Miller's bases-loaded double in the third inning

Standard Want Ads Get Quick Results!

BY BRIAN HAMILTON

I've always thought that the average boy or girl could learn more about life through a pick-up baseball game or basketball game than through any parent-organized sport.

In a pick-up game, the kids have to decide who plays, who plays where, and whether to call someone out or safe on a close play at first. All that requires political savvy, decision-making, and sometimes brute force. In an organized sport, all that fun is taken away.

The problem these days, especially with baseball, is there aren't many places for a good pick-up game anymore. Around here it seems like every daylight hour when the rain isn't falling all the good fields, and even the bad ones, are in use.

So in order to play a good game of baseball, a kid (his parents actually) has to pay the recreation department and get on a team.

It's too bad, but that's the way it is.

The next best thing to a pick-up game would be a recreation league that didn't have too much structure.

In fact, for me the ideal kind of league (for kids over about 10 years old) would be to give the kids some uniforms, tell them what field they're going to play on, give them an umpire, and tell the parents to butt out. The kids would be their own coaches. Suggest to them they might show up 15 minutes early to get organized. After that it's all up to them.

In my league, parents would be fined \$1,000 if they tried to become involved in the game. Chief Lenard McDougall and his squad would have to work over-time.

I'm confident that I'm probably in a teenie-weenie minority of people who feel this way. I just believe that many coaches and parents tend to organize a lot of the fun out of sports for children. Also, for many parents, the leagues seem to exist more for them than their children.

I know that my ideal league will never exist. But that doesn't mean I can't grouse about a few things that I've seen in rec leagues for kids over the years.

My biggest complaints about organized sports for youngsters really have nothing to do with the leagues themselves. Most of them have to do with parents.

As well-meaning as most parents are, for a kid, and a coach, they can be one big pain in the butt.

I'm not a child psychologist, but I'd be willing to bet that if parents asked their children, "Do you really want me to come and watch you play," a sizeable percentage would say, no. That's because when a kid has his parents in the stands, there's just that much more pressure to perform. The last people a kid wants to disappoint is his parents. It's bad enough when a ground ball goes through your legs and you're there by yourself.

Some parents are not content to sit and watch. At just about every game, there will at least be one parent who yells, "Get your glove down!" when a ball goes through the wicket. Most kids know that when the ball goes through their legs, nine times out of 10 it went under the glove. My personal favorite is when a parent yells to the pitcher, "Throw strikes!" as though the kid is trying to walk every batter he faces. (This is not peculiar to kid's sports. Former Yankee pitcher Jim Bouton complained about the same sort of treatment by his coaches in his book "Ball Four.") I've heard a father yell at a coach to take a certain 10-year-old out of the game after committing a couple of errors. And 10-1 says it wasn't the complainer's kid.

None of this friendly sidelines advice has ever helped a child play better ball or feel more confident about himself. A child's teammates also get nervous.

I wish parents would just shut up and applaud if they want to attend. My other major gripe is with parents who push their kids too hard to be "winners." Some kids just want to have fun. They don't care about being the next Kirk Gibson, even if they do have more talent than other children. But the parent of a talented child sees stardom, college scholarships and pro careers, just like the parent of a talented pianist sees Carnegie Hall in his dreams. Certainly he must want "to have it all," they say, as the beer commercial suggests. Athletic fathers who never made the big-time can be the worst offenders. And there are a lot of those.

Sometimes that extra push takes the form of extra throwing in the evening, or sending the child to camp, or some other well-meaning activity. If a child feels pushed into participating, it can dampen his interest, or ruin it completely. But, if a child says, "Daddy, how about throwin' to me," that's a different story.

All of this is aided and abetted by organized leagues. With organized leagues come "standings." Which team is in first, and so on. And that translates to a pressure to win. Kids don't want to be last. Parents don't want them to be last. I've known parents who have requested their "talented" son be moved from a losing team to a winner. And I've heard of parents who asked that another "loser" child be put on a different team.

Coaches or parents who keep statistics for these leagues should be drawn and quartered. Individual stats for youth leagues serve no purpose except to tell one youngster he's not as good as someone else. Most kids already know that instinctively.

Youth leagues shouldn't be about comparing child to child or team to team. It should be about participating and having fun, just like a good pick-up game.

Now might be a good time for parents, especially fathers, to consider, or reconsider just what they want their children to get from a summer league. Chances are, the less you are actively involved, unless you happen to be the coach, the more your child will enjoy the game.

STATE CHAMPION BOWLERS from Chelsea were, in front, from left, Bradley Martell and Ed Greenleaf, and in the back, from left, Chris White, Dennis Clark and Robert Jaques. The youngsters bowled nearly 500 pins over their average for a three-game series to capture the title. More than 200 teams competed.

Kelly Hawker Named Co-Player Of the Week

Former Chelsea softball pitcher Kelly Hawker was named Co-Player of the Week of the Great Lakes Intercollegiate Athletic Conference. Hawker pitches at Wayne State University. Hawker threw a no-hitter on Monday, April 14, blanking Hillsdale 5-0, her second no-hitter of the year. Her first was a 3-0 win over East Stroudsburg. Against Hillsdale, Hawker retired the first 10 batters before two walks sidetracked her chances for a perfect game. She struck out 13.

In a 7-0 win over Lake Superior State Saturday, April 12, she allowed only three hits while striking out 10 batters in only five innings of work. Her only loss last week came against Northwood Institute on Wednesday, April 8, in 10 innings, 3-2.

For the week Hawker pitched 21 innings and gave up only one earned run, for an ERA of 0.33.

Young Bowlers Take State Title

A team of young bowlers, who belong to the 1985-86 Chelsea Lanes Prep League, consisting of Brad Martell, Chris White, Robert Jaques, Dennis Clark, and Eddie Greenleaf, set out Feb. 23 to compete in the Southern Area Michigan State Young American Bowling Alliance Team Champion Area Roll-Off Tournament.

They competed with 20 other teams in their same classification, which was determined by total team average, and divided into four classifications, A, B, C, and D. The team placed first in this tournament with an actual team series of 2,176 for three games, which was 379 pins over average.

They were then eligible to compete in the State Finals with young finalists from all over Michigan. Challenged in Class C with a team average of 599 (per game) they traveled to 300 Bowl Lanes in Aima on April 12, where they competed with 200 other finalist teams from all over Michigan. With a three-game series of 2,286 actual, 489 pins over average, they placed first in Class C, earning the title of Michigan State Team Champions of the Young American Bowling Alliance.

In August of this year, these five young bowlers will be presented with individual State Champion trophies in recognition of superb team bowling. Brad, age 10, average 112, bowled a 379 series; Chris, age 12, average 135, a 518 series; Robert, age 12, average 113, a 478 series; Dennis, age 12, average 117, a 444 series; and Eddie, age 10, average 122, rolled a 467 series. All five boys attend Chelsea schools.

Outdoor Report

General Weather... Weather is normal for this time of year, cooler and rainy. Good weather for mushrooms!

Fisheries... Fish stocking from our state owned hatcheries has hit a fever pitch and will remain hectic for another two months. Brown trout plants in streams throughout this nine-county district were listed previously. Rainbow trout plants to be made in area lakes in 1986 are as follows: Calhoun county, Lee Lake, 4,900; Branch county, Cary Lake, 4,000; Lake Lavinne, 4,300; Rose Lake, 17,500. Hillsdale county, Hemlock Lake, 7,900; Ingham county, Grand River Park Pond, 500; Jackson county, Swain's Lake, 4,900; Lenawee county, Allen's Lake, 3,460; Livingston county, Appleton Lake, 5,400; Murray Lake, 1,750; Spring Mill Pond, 200 adults plus 200 adult browns. Washtenaw county, Pickerel Lake, 1,460.

With the exception of Spring Mill Pond in Livingston county, which is under special fishing regulations, all of the rainbow trout stocked will be yearlings which are 5 to 8 inches long. They will reach the legal size of 10 inches in the mid-summer of 1986.

Rainbow trout stocking programs were eliminated this year in Gilead Lake in Branch county; Lime Lake, Jackson county; and South and Blind Lakes, Washtenaw county. Gilead Lake is being "rested" and will be stocked again. The other lakes have been eliminated because our netting survey results and angler reports were very poor.

Matteson Lake in Branch county will be stocked with 3,900 yearling trout in the fall of 1986. This special trout stocking will be done to provide a fall, winter and spring fishery in Matteson Lake which was treated in December of 1985 to eliminate carp and stunted panfish.

None of the lakes planted with rainbow trout in this district are designated trout lakes. Therefore, these lakes are open to fishing for trout and other species all year. However, you must have a valid fishing license and trout stamp to take trout.

Extension Homemakers Planning Spring Rally

Washtenaw County Extension Homemakers will hold a Spring Rally at the United Methodist Church, Saline, Tuesday, May 6. The evening will begin with a buffet dinner served at 6 p.m., followed by a slide presentation of Historic Washtenaw County given by Judge Ross Campbell. A display of Cultural Arts and crafts made by extension members during the past year will be judged and ribbons awarded during the evening. Anyone interested in attending the event is invited to join the group. For further details, please contact Joanne Fredal, president of the Washtenaw Extension Homemakers Council. To make a reservation at \$5.25 per person, call Joanne at 482-8010.

The group held their annual Food and People lesson, Feb. 24, at the Co-operative Extension Service Center. This year's lesson on the foods and people of Scandinavia was presented by the Lima Extension Study Group.

Extension Homemakers study groups have participated in this event as far back as 1966. Michigan Association of Extension Homemakers (MAEH), was organized in 1936 by joining the National Extension Homemakers Association. MAEH is also associated with Country Women's Council and the Associated Country Women of the World. As members of an international body, Extension Homemakers have been interested in learning about the culture of people in other countries. The annual Food and People lesson provided the group with an enjoyable means of

education about the other countries. Lima Extension Study Group is one of the first study groups to be founded in Washtenaw county under the leadership of Harold S. Osler, county agent during 1923-24.

During the war years, members made mattresses for use by the needy from surplus cotton. Because of the number of members (31), the group meets at the Lima Township Hall. Realizing it needed repair, they decided to push for a change. In addition to cleaning and painting, the group bought and hung new draperies, purchased new shades and had a new floor installed. New lighting was added and an electric clock also installed. In addition, tableware and miscellaneous kitchen utensils were purchased. The township board provided new chairs and tables and a ramp to the front door of the building.

During the nation's Bicentennial Year, Lima Extension Study Group made a wall-hanging for the town hall, representing the land-holders and their properties in each of the township sections. Each 12-inch square of cloth was embroidered to present the section like a map. Indian trails, roads, railroads, expressways, rivers and streams, private or commercial property, town or rural areas were all identified on the hanging. The 36 squares showing the historic information were put together to form a map of the entire township. Township Supervisor Wallace (Continued on page 18)

ESSAY WINNERS in the 17th annual America & Me Essay Contest, sponsored by the Farm Bureau Insurance Group, are, from left, Charity Strong, daughter of Robert and Ellie Strong, 20501 Jerusalem Rd., who took first place; Melissa Johnson, daughter of Will and Gale Johnson, 770 Book St., who finished second; and Barbara Scriven, daughter of Valerie and David Scriven, 13383 Riker Rd., who placed third.

Three Beach School Students Win in Americanism Essay Contest

Three students from Beach Middle school in Chelsea have been named local winners in the 17th annual America & Me Essay Contest, sponsored by Farm Bureau Insurance Group. The three students, who earned the first-, second- and third-place awards from their school, are Charity Strong, first; Melissa Anne Johnson, second; and Barbara Scriven, third. All three received award certificates for their achievement. As the school's first-place winner, Charity Strong's name will also be engraved on a plaque for permanent display in the school. Charity's first-place essay now advances to the state level competition, from which the top 10 essays in Michigan will be selected. The top 10 state-wide winners, who will be announced in May, will receive plaques and U.S. savings bonds ranging in value from \$200 to \$1,000. In addition, the top 10 essayists will be

honored at a banquet in Lansing and at a meeting with Michigan's top governmental leaders. A team of finalist judges that includes Gov. James Blanchard and Lt. Gov. Martha Griffiths will determine the top state-wide winners. Several thousand eighth grade students from 500 Michigan schools participated in the 1985-86 America & Me Essay Contest.

which was conducted with the help of Farm Bureau Insurance agents across the state. The topic of the 1985-86 contest was "Why I Am Important to America's Future." Started in 1968 and open to all Michigan eighth grade students, the contest encourages Michigan youngsters to explore their roles in America's future.

Substance Abuse Task Force Offers Study on Cocaine

Cocaine. What is it? What can it do? These are some of the questions to be addressed in a special program sponsored by the Chelsea Substance Abuse Task Force. In a recent study, a good portion of students reported that they knew how to obtain it. The presentation will be on Monday evening, April 28 at 7 p.m. in the living room of Kresge House. The evening will start with a showing of the film, "Cocaine Through the Looking Glass." This will be followed by a panel discussion. The panel will consist of Dr. John Severin, a doctor in the Substance Abuse unit at Chelsea Community Hospital, Ed Humenay, a therapist in that program, as well as some people who are currently in a recovery program. It promises to be an informative and timely presentation.

Another special evening will take place the night of June 9. Deputy John Hittler of the Washtenaw County Sheriff's Department will do a presentation on Drinking and Driving. The focus of the topic are the legalities involved in hosting parties or conducting a business where alcohol is consumed. It was thought that this topic would be especially useful around the time of high school proms and graduation. These presentations are free and open to the public. Recently, the Task Force elected a new slate of officers. The president is Ms. Anne Williams, a resident of Chelsea; vice-president is Thomas Haight, a representative of the Kresge Alumni; Joseph Redding of the Chelsea School Board, treasurer; and Dennis Petsch, a teacher and a representative of the Chelsea Police Force, secretary. Further information regarding the Task Force or the educational programs may be obtained by calling Chelsea Hospital at 475-1311, ext. 215 (Substance Abuse Department).

Van . . .

(Continued from page nine) experiences through the use of the van. Purchase of the van was made possible by funds raised at the Autumn Celebration Fall Benefit, and with donations from the Hospital Board of Trustees and the Hospital Department Heads.

PRAYER TO ST. JUDE - Oh Holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need to you, I have recourse from the depths of my heart and humbly beg you to whom God hath given such great power to come to my assistance. Help me in my present and urgent petition. In return, I promise to make your name known and cause it to be invoked. Say three Our Fathers, three Hail Marys and three Glorias for nine consecutive days. Publication must be promised. St. Jude, pray for us and all who invoke your aid. AMEN. (This novena has never been known to fail.) C.M.D. x47

FOOD OF SCANDINAVIA was part of a presentation on Scandinavia for the Lima Extension Study Group recently. Group members, from left, are Adaline Stone, president, Mary Ann Burgess, Barbara Edict, Charlotte Ingls, lesson co-ordinator, and Phyllis Vaillencourt, Lima Extension Group council representative. Pastor Charles Aker, of Zion Lutheran church, Ann Arbor, gave the presentation.

PASTOR CHARLES AKER, of Zion Lutheran church, Ann Arbor, above, presented a slide program and souvenirs of their church group trip to Scandinavia last summer at the Food and People Lesson given to the Lima Extension Study Group recently. On the left is past council president Florence Haas, and on the right is Joanne Fredal, Washtenaw Extension Homemakers Council president.

SHERIFF SCHEBIL FLIPPED PANCAKES and so did dozens of his staff during the Pancake Breakfast held Sunday, April 25, at Washtenaw County Sheriff's Department headquarters in the County Service Center on Hogback Rd. A steady stream of hungry patrons piled plates full of tasty Bob Evans sausage and golden pancakes cooked up by Sheriff Ron Schebil and his crew. Assisting WCSD volunteer chefs at the breakfast were experienced advisors from the kitchens of Bob Evans. Proceeds from the event will be used to purchase protective helmets, gloves and other equipment needed by WCSD helicopter pilots, Sheriff Schebil explained.

Margaret Torongo Completes Catholic Course

Margaret Torongo of Chelsea was one of 53 persons to graduate recently from a newly devised program designed to form teachers of religious studies for the parishes in the Catholic Diocese of Lansing. The 15-week course was part of a newly created Catechist Formation Program from the Office of Education of the diocese. The graduation exercises were held at Lansing Catholic Central High school and were conducted by Kenneth J. Povish, bishop of the 10-county diocese.

Cub Scouts Discover Spring Magic

PACK 455
Den 1, Leader Sandy Barkman
 April has shown the boys in our den the Magic of Spring. We have been studying science and planted pumpkin seeds with the hope of bringing a pumpkin back next fall to carve. The Cubs traveled back in time as they visited the Natural History Museum and toured the Prehistoric life section. They traveled into the future as we visited the Michigan Space Center in Jackson.
 At the April pack meeting Den 1 received nine silver arrows collectively as the Cubs completed 90 extra electives. To round out the theme of "The Magic of Spring," the entire pack enjoyed a Magic show brought by Daryl Hurst.

Den 2, Leader Debbie Kennedy
 The Webelos have been practicing first aid and playing lots of games. The boys are working hard on their badges. This month David Issel earned his engineer badge, Jason Johnson earned his scientist badge, Ben Havens earned his naturalist badge, Mark Kemner earned his engineer badge, and Michael Kennedy earned his naturalist badge. Over the next month and a half the boys will be preparing for their graduation into Boy Scouts.

At our Thursday, May 15 pack meeting, Joe Rogers will present an educational program on the birds of Michigan. Joe is the president of Wildlife Recovery Association in Midland, an organization which rehabilitates injured and sick animals so that they may be released and survive in the wild. Joe has promised to bring four or five live birds for the program, probably hawks, owls, and maybe a vulture. He puts on quite an impressive show, so don't miss this one!
 We will also be registering new boys who wish to join Cub Scouts at this meeting, so any first through fourth grade boys and family members may attend. The meeting starts at 7 p.m. sharp, at the South school gym, and is open to all South school boys and family members who want to find out what cub scouting is all about. By registering now instead of waiting until fall, the boys are eligible to attend the summer day camp in June.

Homemakers

(Continued from page 13)
 Fusilier crafted a wooden frame display cabinet complete with a light which sets off the wall-hanging with an artistic dignity befitting its colorful grandeur. Members of the Lima Extension Study Group are justifiably proud of their Bicentennial piece.
 Five members of the group have been Extension members for 50 years or more: Lois Bradbury, 58 years; Donna Bradbury, 54 years; Elsie Pettibone, 53 years; Evelyn Breuninger, 53 years; Merle Coy, 51 years.
 Throughout their more than 50 years history, Lima Extension Study Group members have been active community supporters.

SAYING GOODBYE to North school student teacher Scott Stall are some of his third, fourth and fifth grade students. Scott taught physical education with Wayne Welton at both Chelsea High school and North school. In saying farewell, students made him honorary

TLC for Me Program Presented to Girl Scouts

Huron Valley Girl Scout Council, which serves the greater Ann Arbor area Girl Scouts, developed a program called TLC, for Me (Tender, Loving Care) designed to help children feel more comfortable with safety procedures while at home alone and when traveling to and from school.
 This program is recognized on the national level by Girl Scouts U.S.A. and has been adopted by councils around the nation as a safety training for Girl Scouts as well as for school children in grades 1 through 6.
 The TLC program was presented to Chelsea Girl Scouts at North and South schools through Lee Tremper, Chelsea's troop services director and organized by Lois Ann Kapp, Brownie leader of Troop 301.
 The girls learned valued safety procedures from fireman Steve Jaskot and police officer Richard Walter. Through discussions on personal safety, the officers talked with the girls concerning the Do's and Don'ts of emergency situations that could happen when the girls are alone, with family or on their way to and from school or just find themselves in an unplanned situation while playing with friends.
 Emergency nurses from Chelsea Hospital Jan VanHeest, Nancy Fielder and Liz Posner discussed emergency and simple first aid with the girls at North school. Jennifer LaRowe, RN, and her assistant, Kathy Sullivan, presented emergency situations and their care to South school Girl Scouts through a series of short skits followed with questions and answers.
 Dietetic student Julie Scheier an intern with Chelsea Community Hospital, discussed nutrition with the girls through her character of Ebenezer Scrooge and his visitation by the "Ghost of the Basic Four." The girls delighted in their parts as sound effects during the skit and learned about good nutrition at the same time.
 TLC for Me proved to be a great learning experience for the 86 girls involved.

student of the week and presented him with two North school t-shirts, signed by the students themselves. Scott is from Salline and will be graduating from Eastern Michigan University.

Pinckney Man's Son Re-Enlists in Marines

Marine Sgt. Joseph D. Harden, son of Lloyd Harden of Pinckney, has re-enlisted for six years while serving with 2nd Marine Division, Camp Lejeune, N.C. A 1974 graduate of Southeast High school, Bradenton, Fla., he joined the marines in 1981.

Dave Rank Named Rod & Gun Secretary

At the April meeting of its board of directors, Dave Rank was elected secretary of the Chelsea Rod and Gun Club. He will complete the 1986 term of George Paugham who died on March 20 after 16 consecutive years as club secretary.
 Dave Rank of 1650 Rank Rd., Grass Lake, was president of the Rod and Gun Club in 1983 and is a 1986 board member. He is director of industrial relations for Addison Industries.
 Like so many members of the club, he is an ardent hunter and fisherman as well as a golfer.

NOTICE TO CHELSEA VILLAGE RESIDENTS ANNUAL SPRING RUBBISH CLEANUP APRIL 28, 1986

The 1986 Annual Village Spring Residential Rubbish Cleanup will be held this year on April 28, 1986.

Village residents may place their rubbish on their lawn extension the Saturday and Sunday prior to the pickup date.

In an effort to speed up this year's annual cleanup, we are asking village residents to separate their rubbish and place it in separate piles in front of their homes in the following manner:

1. ALL METALS, INCLUDING APPLIANCES
2. ALL WOOD AND LUMBER MATERIALS
3. ALL SHRUB AND TREE TRIMMINGS
4. ANY ITEMS NOT INCLUDED IN THE ABOVE MUST BE PUT IN PLASTIC BAGS AND PLACED IN A FOURTH PILE

The purpose of this annual cleanup is to assist village residents in disposing of their household rubbish that accumulates during the year. Items that are normally too large in size or too much in quantity to be disposed of through the regular weekly collection service provided by the village. **VILLAGE CREWS WILL NOT PICK UP DEMOLITION MATERIALS SUCH AS BUILDINGS OR PARTS OF BUILDINGS, CONCRETE OR ASPHALT DRIVEWAYS AND SIDEWALKS.**

AREA DEATHS

Helen L. Paul

805 W. Middle St.
Chelsea
Helen L. Paul, 81, 805 W. Middle St., died Thursday, April 17 at the Chelsea United Methodist Retirement Home after a two-year illness.

She was born June 11, 1904 in Charleston, Ill., the daughter of Fred and Minnie (Foreman) McNutt. On Jan. 1, 1930 she married Dr. L. J. Paul, and he preceded her in death on April 21, 1967.

Survivors include two daughters, Mrs. Fred (Mary) Harris and Mrs. Thomas (Cynthia) Bear, both of Chelsea; one sister, Mrs. Frances Moler, of Charleston; one brother, Samuel McNutt, of Charleston; four grandchildren, Shari Hafner, of Hantsville, Ala., Rob Stofor, of Chelsea, Kimble Bear, of Gregory, and Mark Bear, of Chelsea; two step-grandchildren, Charlotte Bentley of Chelsea, and Steven Harris, of Kentucky; and eight great-grandchildren. She was also preceded in death by her twin sister, Margaret, in 1925, and a great-grandson, Eric Hafner, on Feb. 24, 1976.

Mrs. Paul had resided in Chelsea since her marriage. She was a member of the First United Methodist church, and the Chelsea Senior Citizens group. She had also been an elementary school teacher.

Funeral services were held Monday, April 21 at the Cole-Burghardt Funeral Chapel, with the Rev. James Simmons of the Chelsea United Methodist Home officiating.

Memorial contributions may be made to the First United Methodist church of Chelsea.

Arrangements were handled by the Cole-Burghardt Funeral Chapel.

Eva V. Good

805 W. Middle St.
Chelsea
(Formerly of Royal Oak)

Mrs. Eva V. Crossley Good, 88, 805 W. Middle St., Chelsea, died Friday, April 18 at the Chelsea United Methodist Retirement Home. She was married to Vernon Good, who survives.

Other survivors include one son, Robert Crossley, of Heidelberg, West Germany; one sister, Elsie Wilkinson, of Palm Harbor, Fla.; and several nieces and nephews.

Mrs. Good was a former resident of Boulevard Temple in Detroit prior to moving to Chelsea. She was retired from the Ford Motor Co. and was a member of the Metropolitan United Methodist Church of Detroit.

Funeral services will be held in Detroit tomorrow in Detroit. Burial will be in the Beechwood Cemetery Forest, Ontario, Can.

Local arrangements were handled by Staffan-Mitchell Funeral Home.

Raymond Brassow

Benton, Ark.
(Formerly of Chelsea)

Raymond H. Brassow, age 67, of Route 3, Benton, Ark., died Friday, April 18 at Saline Memorial Hospital in Benton.

He was born in Livonia, the son of Edward and Ida Brassow. He was a member of the King of Kings Lutheran church in Little Rock, Ark., and was a retired farmer and machinist from Dana Corp. in Chelsea. He was a former member and choir director of Faith Lutheran church in Dexter and resident of Chelsea.

Survivors include his widow, Susan; two sons, Carl and Duane, both of Houston, Tex.; two daughters, Mrs. James (Linda) Schierendek of Milwaukee, Wis., and Mrs. John (Esther) Husbner of Sarasota, Fla.; a brother, Alvin Brassow of Scottsdale, Ariz.; two sisters, Mrs. Edward (Wilma) Bossart of Seattle, Wash., and Mrs. Dennis (Alvina) Englebert of Chelsea; and 10 grandchildren.

Funeral services were held at King of Kings Lutheran church in Little Rock, Ark. at 11 a.m., Tuesday, April 22 with the Rev. David Putz officiating. Funeral arrangements were under the direction of the Ashby Funeral Home of Benton, Ark. Burial was at Pine Crest Memorial Park in Benton, Ark.

Memorials may be made to the King of Kings Lutheran church in Little Rock.

Student Art Exposition Slated at Dexter Museum

Roberta Rizzardi and Jody Miller will chair the third Student Art Exposition sponsored by the Washtenaw-Livingston Education Association to be held at the Dexter Area Museum, from 1 until 4 p.m., April 24-25, and again during the same hours, May 3-4, as well as from 7 to 9 p.m. on April 28.

Art work which exemplifies the skills and media used by children in various age groups will be displayed at the special Student Art Exposition.

This will be the third WLEA-sponsored show to be held at the Dexter Area Museum. The show will feature work by students in

Births

A son, Joel McCalla, April 1, to Rod and Kathy Powers of 12930 Scio Church Rd., Chelsea. Maternal grandparents are Ralph and Elaine McCalla of Chelsea. Paternal grandparents are Charles and Martha Powers of Ann Arbor. Joel has two brothers, Joshua, 6, and Jared, 2, and a sister, Lindsay, 4.

ALISON CHASTEEN, a junior at Chelsea High school, was scheduled to tour Europe this summer with the Blue Lake International Orchestra. However, it was all cancelled due to concerns about international terrorism. She plays the bassoon.

BILL GOURLEY, Chelsea High school band director, was scheduled to direct the Blue Lake International Band in Europe this summer. However, terrorist actions have called off the tour.

European Terrorism Causes Postponement Of Musical Exchange

Tensions between the United States and Libya have taken a small, but frustrating toll locally.

Chelsea High school band director William Gourley and junior Alison Chasteen were supposed to take part in the prestigious 17th annual Blue Lake Fine Arts Camp International Exchange Program this summer.

Blue Lake is a fine arts camp and community school of the arts in Twin Lake.

The exchange program was to have taken them to West Germany, Belgium and the Netherlands this summer as part of two touring musical groups.

However, last week the tour was cancelled due to fears of terrorist reprisals.

Alison, a junior bassoon player, was due to be one of 260 American musicians in Blue Lake's 1986 International Orchestra, and perform a minimum of 18 concerts. Each member of the orchestra would have lived with nine or 10 host families during the 30 days of the tour.

"I was disappointed and kind of angry," Alison said. "I feel like it is giving in to terrorism. I didn't think it would affect me. We were going to relatively secure countries."

Alison's mother, Marilyn, said she was fully supportive of Alison making the trip despite the international scene, but admits, "I would have worried the whole time."

Alison said it was her understanding that Blue Lake officials had contacted the U.S. State Department for their advice before deciding to halt the trip. The department is apparently advising Americans to avoid overseas travel this summer.

Gourley had been chosen to conduct the International Band. Rehearsals for the tour began last November and have continued monthly at Blue Lake Camp, near Muskegon. In May a full week-end rehearsal was to be held at camp.

Chelsea Lions Club, Kiwanis Club of Chelsea, and Modern Mothers Study Club had given Chasteen scholarships to help finance the trip. She was scheduled to report to each group, and play a bassoon solo, next fall.

In addition, Chasteen had been working as many hours as she could at McDonald's to save for the trip.

"That's the disappointing part. I had finally gotten the money

together," she said.

There's a chance that Alison may be able to go next summer if the world situation improves. Blue Lake told Alison the tour was postponed for a year, rather than cancelled.

Alison is the daughter of Marilyn Chasteen of Chelsea and Dr. Joseph Chasteen of Denver.

KAREN LEE FORRESTER, a former Chelsea resident, was awarded first place in the speech competition portion of the North Texas Miss American Co-ed contest held April 12-13 in Dallas. Karen, 18 is a senior at Plano East Senior High school in Plano, where she lives with her parents, Alan and Pat Forrester, and her sister, Kristin. Karen began her involvement in speech and drama while a student at Beach Middle school, and now competes state-wide with her high school's Speech and Drama team. "My Favorite American" was the title given to the competitors in the speech portion of the pageant. Karen received a prize of \$100 and a trophy.

1986 might mark the beginning of a caviar race with the Russians... thanks to Serge Doroshov, a Soviet caviar expert who defected to the United States in 1977. With Doroshov's help, Californians may succeed in raising the first completely American domesticated offspring of sturgeon, whose eggs are known as caviar, reports National Wildlife magazine. The delicacy should sell for about \$800 a pound in this country.

Lyndon Township Board Proceedings

Lyndon Township Board Meeting
April 7, 1986, 7:30 p.m.

Meeting called to order and minutes approved as read.

Teen Parents Group To Discuss Current Problems

A group for teen-parents will begin on Friday, April 25 at 10 a.m. to 12 noon at Faith in Action on the Chelsea Medical Center grounds.

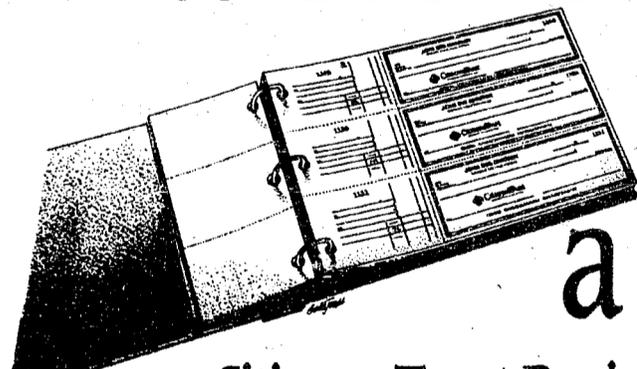

The purpose of this group is to develop parent-child interaction and discuss current problems facing teen parents of young children. There is no fee for this group and it is designed solely for the purpose of providing information on many different topics for teen parents.

Sponsored by Faith in Action, the group discussions will be led by Chandice Harris, RN, MSN, of the Family Practice Center and Kathy Thompson, BBA, of Faith in Action.

If you would like more information please call Kathy Thompson of Faith in Action, 475-3305, or Diane Pariso of the Family Practice Center, 475-1321, ext. 430.

MUSIC AND MORE MUSIC will be part of the Southeastern Conference Art Festival this Saturday at Chelsea High school. Chelsea Bands and Orchestra, as well as The Contemporaries and the Mad-Guys, will perform a collage concert in the George Prinzing Auditorium beginning at 8 p.m. Some of the forensics team is also

scheduled to participate. A few of the highlights will include a medley of folk tunes, including "Skip To My Lou," and "Sweet Betsy From Pike," a piano solo by Linda Mullison, a performance by the orchestra of "Pilgrim's Chorus from Tannhauser," and a performance by the symphony band of "Frescobaldi."

Language Fair Coming Soon to CHS

The annual language fair is coming up. It will be held May 1 at the high school. It will be in the cafeteria and the auditorium, from 7 to 9 p.m.

Invitations are being sent through the mail to the parents of all language students. Mrs. Ann Crowley says, "It's the only way all of the invitations are sure to get home."

Mrs. Anne Crowley is one of the four teachers in the language department at the high school. She teaches Spanish along with Mrs. Hazel Anne Hermsillo, Mrs. Cathy Vleck and Mrs. Jane Wilson are the two French teachers.

First level French and Spanish students are doing all sorts of projects for the fair.

Second level students are preparing food for all who are able to come.

Skits are being put together by the third-year students who are in French and Spanish.

Fourth and fifth year students are dressing up as characters from the respective languages. Some characters will be fictional while others are actual historical characters.

All language students have been asked to bring in anything they have dealing with French or Hispanic backgrounds.

Mrs. Ann Crowley and Mrs. Hazel Anne Hermsillo are getting together to bring in a pinata for all the younger brothers and sisters of language students.

Chelsea Players Will Choose Winter's Play

At the Chelsea Area Players April board meeting, five plays were presented for consideration for next winter's production. One of these (all of which are murder/mysteries) will be selected at the next board meeting.

The Players also discussed the upcoming summer musical "Camelot." Additional details will be available soon.

Other items discussed were the summer children's workshop, the scholarship for a high school senior, and clean-up of the storage area. Children who are members or whose family are members of the Players will pay a reduced fee for the workshop.

The Players are starting their annual membership drive with a new Family category. For one price, all immediate family members may join the Chelsea Area Players.

The next board meeting will be May 8 after tryouts. For more information call 475-2629.

CHS Class of '81 Planning Reunion

Reunion plans will be formulated for the Chelsea High school class of '81 when members gather at the Wolverine Lounge Sunday, April 27 at 7 p.m.

PUBLIC NOTICE OF BUILDINGS SALE WASHTENAW MINI STATE GAME AREA

Notice is hereby given that the state-owned buildings at 1817 Rank Road, Grass Lake, Michigan will be sold by sealed bids. The site is located 1-1/8 miles south of Michigan Avenue on the east side of Rank Road.

A total of five buildings will be sold by three separate bids. Buildings include a 32'x60' pole barn, 24' by 28' carriage house/garage, apple storage barn and cooler 30'x70', peaked roof shed 12'x15' and a chicken coop 10'x12'.

To assist prospective bidders, a DNR representative will be present to show the buildings from 9:00 a.m. to 1:00 p.m. on Saturday, May 3, 1986.

One-hundred and twenty days (120) will be allowed for the removal and clean-up of the building sites from the day of the sales agreement. Site clean-up shall consist of burial and/or removal of all debris associated with respective buildings. The Michigan Department of Natural Resources reserves the right to reject any bids.

To insure compliance with the specified conditions, a performance bond will be deposited with the State at the time the sales agreement is signed. The bond will be refunded after the building is removed and the site cleaned-up.

For a map and further details, please contact:

Ralph Anderson or Jeff Greene
3335 Lansing Avenue
Jackson, Michigan 49202
Telephone — (517) 784-3188

The deadline for submitting bids (must be in the DNR office) is Monday, May 5th, 1986 at 10:00 p.m. At that time, all bids received will be opened.

All bids shall be addressed to:

10 Ways A Woman Can Help Herself In The Battle Against Breast Cancer.

It's a fact of life: One out of every 11 women will develop breast cancer. Fortunately, when breast cancer is diagnosed and treated early, 9 out of 10 women will be alive and well five years later.

And that's why all women should know that one of the best methods of early detection is as close as your fingertips: breast self-examination.

Regular monthly breast self-exams — along with periodic medical checkups and mammograms if you're over 35 — are your first line of defense against breast cancer. So if you don't know how to examine yourself, you

owe it to yourself to learn. *The right way.* The average size lump found by women who are untrained in breast self-exam is about 1 1/2 inches in diameter — the size of a ping pong ball. But with proper training, it is possible for you to feel a tumor the size of a pea.

For more information call the Saline Community Hospital Women's Health Service at 429-1555 and ask about our MammaCare™ breast self-examination training program. Because every woman should know how to use one of the most sensitive diagnostic instruments available: her fingers.

Second Annual BREAST CANCER AWARENESS WEEK, April 20-26
