CHELSEA VILLAGE OFFICIALS hosted a delegation from Brighton during this year's Mayor Exchange Day held on Monday. Brighton officials visited Chelsea in the morning, touring Chelsea Milling Co., Chrysler Proving Grounds, Dana Corp. and BookCrafters, where the photo above was taken. They also took a general tour of the village, and had lunch at Chelsea Community Hospital. From left are Brighton City Manager William Barlow,

Brighton councilwoman L. Patricia Mack, Chelsea Village Manager Fritz Weber, Chelsea councilman Phil Boham, Mary Kay Weber, Brighton councilman William McCrie, Audrey Satterthwaite, Chelsea Village President Jerry Satterthwaite, Brighton councilman James Siford, Brighton Mayor Pro-Tem Jere Michaels, Brighton Mayor Francis Ciqui, Mrs. Gary Bentley, and Chelsea councilman Gary Bentley.

Chamber of Commerce Gives Depot Fund Big \$2,500 Boost

A check for \$2,500 was presented Friday by Bill Nuffer, president of the Chelsea Area Chamber of Commerce, to help in the restoration of the 1880 depot. The check was accepted on behalf of the Chelsea Depot Association by its treasurer, Gloria Mitchell. This second check raises the total support for the depot by the Chamber to \$5,000. The first \$2,500 was part of a \$15,000 pool to purchase the station building from AMTRACK.

As reported in last week's Standard, restoration work is well under way. All of the windows and transoms have been restored and reglazed with insulating glass. Bob Bauer's carpenters are carefully dismantling and removing partitions which were erected long after the station was built. Their removal results in a station layout consisting of two main areas: one for the Chelsea Historical Room and the other for a public meeting hall to be known as the Michigan Central Room. Two smaller areas in the center of the building, separated by a corridor, are for lavatories and the stationmaster's office.

Carpenters are now beginning work on the replacement of rotten or damaged exterior timbers and Charles Shiver Restoration Co. will begin removing old paint from the exterior on June 2.

With the recent receipt of \$1,500 from the Kiwanis Club and the \$2,500 from the Chamber of Commerce, the board of trustees of the depot association feels that it is close to having enough cash so that the exterior restoration will be paid in full.

The Downtown Development Authority has offered to take care of the landscaping and Lee Fahrner, assistant village administrator, will oversee problems of curbing and surfacing on Jackson St.

Over-all guidance for the entire depot project, outside and in, is being provided by architect Arthur Lindauer.

Beach School Spring Art Show Slated

Beach school art students are busy finishing projects for their spring art show to be held in the art rooms on Thursday, May 22 from 7 to 8:30 p.m.

Included in the exhibit will be pencil and pen and ink drawings, tempera and watercolor paintings, collages and prints. Three-dimensional papier mache, plaster and clay sculptures will also be shown.

The public is invited to attend this creative and colorful event.

BILL NUFFER, president of the Chelsea Area Chamber of Commerce, presents a check for \$2,500 to Gloria Mitchell, treasurer of the Chelsea Depot Association. Standing on the doorstep above, and admiring the much appreciated civic gift, are Will Connelly, left, depot president, and Arthur Lindauer, architect in charge of the depot's restoration.

Junior-Senior Prom Slated Saturday

"Riverboat Rendezvous" is the theme of the junior-senior prom at Chelsea High school this Saturday night.

A host of activities are again scheduled for both the prom itself and afterward at a party planned by the Students Against Drunk Driving chapter.

A re-creation of a riverboat deck will be the centerpiece of decorations for the annual event in the high school gym. The juniors, who traditionally host the seniors, and raise money during the year through a series of activities, will be doing most of the heavy work involved in the production late this week.

The decorations will also feature several old-style shops, including a bakery, dress shop, bookstore, furniture store and hardware store/livery. Many downtown Chelsea merchants

are lending various props for the exhibits.

The idea, said advisor Memarie Walters, is to give the feel of Hannibal, Mo., much as Mark Twain wrote about it. There may even be a Tom Sawyer style cave. She couldn't say whether Injun Joe would also be on hand.

Students will vote for a Captain and First Lady and the announcement will be made about half way through the prom at about 10 p.m.

The band, "The Force," has been hired to provide the music. Boys are required to wear a suit or tuxedo, and girls have to wear dresses. Several Ann Arbor merchants have offered discounts on tuxedo rentals for a written pledge not to drink and drive that evening.

The free party at Chelsea

Schools Get 4.5% Loan Against Taxes

First of America Bank of Ann Arbor was the low bidder for a \$2,990,000 loan to the Chelsea School District to cover operating expenses from July 1 through February 28, 1987.

First of America's bid was 4.5 percent. Chelsea State Bank's bid was 4.53 percent, and Security Bank and Trust of Southgate bid 4.58 percent.

"They were good bids," said Assistant Superintendent Fred Mills.

"Our attorneys, who handle many other bids like this, say these are the lowest they've seen."

First of America's bid was accepted by the school board at its regular meeting Monday night.

Interest expense on the loan will come to \$112,125, or .6 mills in taxes.

The money will be received June 2, and is scheduled to be repaid on April 1.

Last year the district borrowed \$3.2 million at 5.39 percent, with interest charges at \$145,170.

The loan is necessary because the school district will not receive substantial tax revenues until next February, due to the way taxes are collected.

The loan is necessary because the school district will not receive substantial tax revenues until next February, due to the way taxes are collected.

Beach Honors Assembly Scheduled

An honors assembly to recognize student building level achievement during the course of the 1985-86 school year will be held on May 29 in the Beach Middle school cafeteria.

Students will be recognized for academic achievement, scholarship, perfect attendance, physical fitness and for involvement in extracurricular accomplishments not highlighted earlier in the year.

The 6th grade assembly will take place third hour, 10:30 a.m. to 11:20 a.m.; the 7th grade assembly will gather 2nd hour, 9:45 a.m. to 10:30 a.m.; and the 8th grade assembly will meet during 1st hour, 9 a.m. to 9:40 a.m.

Parents, grandparents and friends are welcome to join in honoring these young people by attending these awards programs.

In addition to these grade level gatherings to recognize building level achievement, teachers will be identifying classroom accomplishments in their classrooms. A list of students receiving classroom honors will be published in the near future.

American Legion Post 31 will meet tomorrow, Thursday, May 22, at the Oak Grove Cemetery to decorate all veterans graves.

School Board, Teachers Approve New 3-Year Contract With Pay Raise

A new three-year contract calling for a 5.25 percent pay hike for teachers and staff for 1986-87, and five percent in both 1987-88 and 1988-89, was approved by the Chelsea School Board at its regular meeting Monday night.

The contract will cost the district an additional \$272,044 the first year, \$277,282 the second year, and \$296,086 the final year, according to Superintendent Ray Van Meer.

For the first time, the contract also deals with snow days and other cancelled days and spells out precisely how they must be made up.

It also addresses a number of what were considered "minor" issues by both sides, Van Meer said.

The union, the Chelsea Education Association, ratified the contract on April 29.

"This was a good settlement for both sides," Van Meer said.

"The salary schedule was redone with the idea of making it comparable to Dexter, Milan, Saline and Lincoln, which are similar communities. It's not so much that we were worried about losing teachers, but we need to be competitive with those districts when it comes to hiring new teachers. We're still behind, but the difference is not as great as it was. We're trying to gain, but we're still not as competitive as we should be."

The salary schedule reduces the number of "steps" or salary levels from 11 to 10. New teachers, or teachers in step one, with a bachelor's degree, will make \$16,277, as compared to \$16,277 in 1985-86.

"That's not a significant jump, but in the old schedule an employee would have to get to the third year to get to that amount," Van Meer said.

The amount for new hires at the bachelor's degree level rises to \$16,765 the second year, but makes a much bigger jump the third year, going to \$18,463.

For employees with a master's degree, the first step for 1986-87 is \$17,543. It rises to \$18,069 in 1987-88, and \$20,017 in 1988-89.

At the PhD level, new employees will make \$18,807 next year, \$19,371 in 1987-88, and \$20,942 in 1988-89.

For 1986-87, employees with a bachelor's degree will earn from \$16,277 to \$30,096. The range is \$17,543 to \$33,489 for a master's degree, and \$18,807 to \$36,456 to a doctorate.

For 1987-88, the ranges are, \$16,765 to \$31,450 for a bachelor's degree; \$18,069 to \$35,163 for a master's degree; and \$19,371 to \$38,279 for a doctorate.

For 1988-89, the ranges are \$18,463 to \$32,865 for a bachelor's degree; \$20,017 to \$37,484 for a master's degree; and \$20,942 to \$40,805 for a doctorate.

For the first year of the contract, all employees will move up a step in pay, except those at the top. However, all the steps will be re-numbered, so employees will remain at the same level in salary structure. In the second year, everyone moves up on the

Cassidy Lake Council Meet Scheduled

Cassidy Lake Community Liaison Council will hold its regular bi-monthly meeting on May 27 at the Cassidy Lake Technical School.

The Council, consisting of approximately 20 members, includes the Chelsea Chief of Police, the Washtenaw County Sheriff and citizen and governmental representatives from the Village of Chelsea and townships of Lyndon, Sylvan and Waterloo. Openings for the Council's at-large membership are currently available, and interested persons are encouraged to contact Richard Steele, chairperson.

At the May 27 meeting, the Council is scheduled to discuss whether to take a formal position for or against the petition circulated last summer calling for the closure of the prison or its reinstatement as a vocational education institution. The petition, which received approx-

(Continued on page four)

schedule, except those at the top. In the final year, 1988-89, employees will remain on the same salary step.

Make-up days for days cancelled by bad weather or "acts of God," according to the contract, will be made up at the end of the year rather than during holiday vacation schedules.

State law says that all days below a total of 180 have to be made up, a law that was not in effect when the last contract was ratified. Under the previous contract, those days did not have to be made up.

If there is only one day to be made up, that day will be re-

scheduled as one-half day at the end of the year. If there are more than one day, they will be made up "on subsequent weekdays" following the last scheduled day. The last re-scheduled day would be half a day for students and a full day for teachers.

A number of other issues were resolved quickly in negotiations, Van Meer said. They include probationary procedures, liability limits, parental leaves to take care of new babies, grievance procedure, and vision insurance.

The first day for students this fall will be Sept. 3. The full calendar will be published in a future edition of The Chelsea Standard.

Memorial Day Services Set For Monday

Memorial Day services to honor deceased war veterans will begin at 10 a.m. Monday, May 26, when veterans, school bands, officials and residents gather to parade through village streets enroute to Oak Grove Cemetery.

Herbert J. McKune American Legion Post No. 31 will be one of thousands of American Legions throughout the United States which will lead local Memorial Day observances. Similar services will be conducted in American overseas military cemeteries.

Parade participants are expected to meet at the municipal parking lot at 9:30 a.m., where they will assemble for the 10 a.m. step-off under the guidance of Parade Marshal Pat Merkel. Sergeant of the Guard will be Don O'Dell. According to Merkel, all veterans are invited to march in the parade.

Led by color guards of the American Legion and Veterans of Foreign Wars, the parade will follow Main St. to Park, Park to East, East to Middle and Middle to Oak Grove Cemetery. Following behind will be a firing squad and Chelsea veterans.

Bill Gourley will direct the Chelsea High school band, which

will provide marching music for Boy Scouts, Girl Scouts, Cub Scouts, Brownies and members of the Chelsea Charms Baton Twirling Corps, who will march behind cars of Memorial Day speakers.

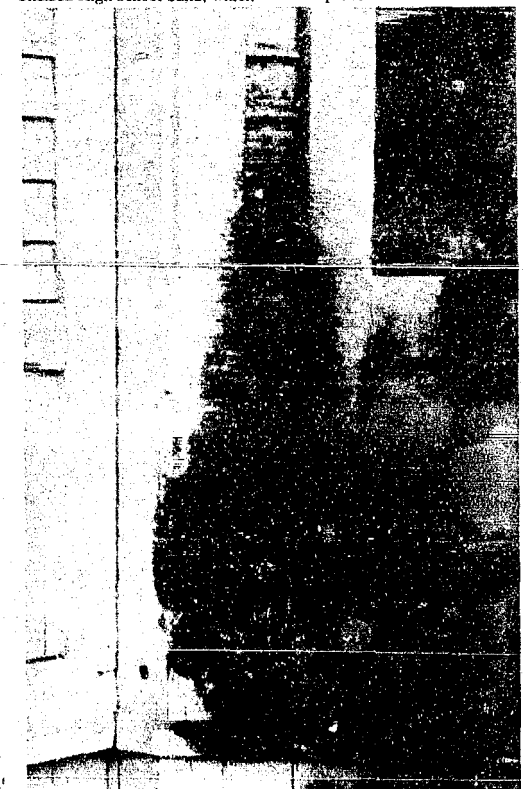

Beach Middle school band under the direction of Warren Mayer, will be next in the parade, followed by children walking and riding decorated bicycles.

Upon arrival at Oak Grove Cemetery, memorial services for past American veterans will be held. Master of Ceremonies Jim Knott will open the services, followed by an invocation by the Rev. Ron Smeenge of the Covenant church.

The Memorial Day services will continue with a selection from the high school band and an address by John Mitchell, Chelsea businessman. He is president of the Kiwanis Club of Chelsea and the Civic Foundation of Chelsea.

Concluding the service will be a salute from the firing squad, taps and the national anthem, played by both bands. A benediction by the Rev. Smeenge will end the ceremony.

The parade will then reassemble, head back to the village and disperse.

THE CHELSEA DEPOT almost went up in smoke last week as someone apparently tried to set fire to the building last Wednesday or Thursday, Chelsea police said. Paint thinner and burned cardboard were found at the scene. That, and other evidence, was sent off to the state crime lab for detailed examination to see if the arson attempt could be linked to those involving McKune Memorial Library, D & C Variety Store, and a storage shed, less than a week before.

JUST REMINISCING

Items taken from the files of The Chelsea Standard

4 Years Ago . . .

Tuesday, May 18, 1982—

Seniors achieving high grade point averages honored at the CHS annual Honors Banquet were: Celeste Arbogast, Melissa Arnett, Tracy Bohlander, Catherine Bormus, Jeanne Bury, Amy Eisenbeiser, Marie Gordon, James Heaton, Karen Kisel, Sarah Leisinger, David Mason, Karen Miller, Diane Moller, Lee Redding, Zachary Smith, Cynthia Thornton, Katharine Ullman, Lisa Vandegrift and Kathryn Waldyke.

Teachers chosen for recognition by the honored students included Jonathan Andrews, James Bechtelheimer, Steven Bergmann, Patrick Clarke, Anne Crowley, Chris Dimanin, Ricky Headley, Ronald Lazzo, Stephen Leith, Grace Lindeman, Beverly Peebles, Paul Terprsta, James Ticknor, Marian Williams and David Wolter.

Chelsea's No. 3 tennis doubles team made up of Greg Markle and Craig Hinz is currently 5-3 on the season and recently won over Williamson, 6-0, 6-2 and lost to Pinckney, 6-3, 4-6, 8-6.

CHS Junior-Senior Prom was held at home for the first time in recent years May 15. With a reported working budget of nearly \$3,000, decorations transformed the gym and courtyard into anything but their original state, with sod, a brick facade, lamp-posts, and halls decked with tropical plants of all sizes and colors.

14 Years Ago . . .

Thursday, May 18, 1972—

With double victories over Lincoln and Novi, the last two obstacles in their way to the 1972 Southeastern Conference baseball crown, and second-place Milan's surprise 8-6 loss to Saline Tuesday, the Bulldogs have clinched the conference title. League batting averages show co-captains Wayne Welton and Randy Brier hitting .472 and .439, respectively, with Tim VanSlam-

brouck notching .406 for the season.

Mrs. Eldon (Barbara) Gorton, 765 Taylor St., started her college career after marriage and raising a family. After six years, this spring she earned a bachelor of arts degree in American Culture at the University of Michigan.

Mrs. Timothy (Pat) Whitesall, 224 Jefferson, has been named chairman of the 1972 Community Chest Campaign. She succeeds Jim Hoffmeyer.

Fourteen area residents recently returned from a week's journey to Torenolinos, Spain. The travellers, Mrs. Leon Chapman, Mrs. Harold Waller, Mr. and Mrs. Duane Luick, Mr. and Mrs. James Gaunt, Mrs. Florence Walker, Mrs. Kenneth Neal, Bill Neal, Mr. and Mrs. Glen Wiseman, Mrs. Robert Devine, Mrs. Ralph Fike, and Miss Eileen Oster, were part of a 250-member group. Katie Chapman was pictured in The Standard balancing atop a camel in Morocco.

24 Years Ago . . .

Thursday, May 17, 1962—

Charles Winans, of Federal Screw Works, is Chelsea chairman of Michigan Week and is credited with setting into motion the plans for additional activities in observance of Mayor's Exchange Day. Main St. exhibits will include 17 of Chelsea's area industries placing exhibits in the downtown area showing the varied products manufactured here. A tour of the village and Chrysler Proving Grounds; a Chamber of Commerce luncheon at St. Paul's church; a tour of the new high school and Chelsea Milling Co.; a "rest period" for visitors at the home of the J. V. Burgs on Wilkinson St.; and a dinner meeting of the Kiwanis Club of Chelsea at the Methodist church are on the agenda for May 21.

Five candidates will seek election for two vacancies on the Chelsea School Board next month, Norman O. Wenk, Robert D. Musolf, Luther Kusterer, Mrs. Jerald (Shirley) Heydlauff, and Donald Alber, former Chelsea village president.

A total of 954 electors of the Chelsea School District voted on the operational millage proposal Monday, approving the 2-mill levy by a vote of 522 "yes" and 423 "no," a majority of 99 votes. Oscar F. Widmayer has purchased Motz's Royal Baron Bates, 296477, a junior yearling (Continued on page six)

MUCC Says 1985

Environmental Gains "Minimal"

A report released by the Michigan United Conservation Clubs said that despite slight gains in most categories in the state's environmental profile, overall advances during 1985 in environmental quality are minimal.

According to the 1985 Environmental Quality Index, compiled by MUCC, improvements of one or two percentage points were registered in five of the seven categories measured.

The seventh annual survey reported gains in the categories of water, fish, wildlife, energy and lands and forests. Air quality, meanwhile, showed a drop of two points while the rating of outdoor recreation remained unchanged from the 1984 survey results.

The 1985 index listed a gain of one percentage point for water quality, giving it a rating of 71 out of a possible 100. Gains of a single point also were posted for wildlife (75) and land and forests (65). Gains of two points were posted for fish (78) and energy (47).

Air quality dropped to 79 points and outdoor recreation stayed at 77 points for the second consecutive year, the report noted.

Data used in determining the ratings are provided by authorities on the environment and natural resources in both the public and private sectors.

MUCC Executive Director Thomas Washington expressed disappointment over the lack of advances. "Since we began compiling the EQ Index in 1980, the trends that have been reflected in seven years of surveying leave little cause for cheer over the state of our environment here in Michigan," he said.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

There's all kinds of advantages of living in the country, and paperboys is one. The advantage is not having em. We read all the stories about papers flung on the roof, down the chimney, in the hedge, in the rain, tore up by the dog and otherwise fixed so they're hard to read. Out here, everything we know that we don't find out at church or over the radio or TV comes in the mail. Our mailboxes are our lifelines to the world, and they ain't a bit more important to us than the hoses hooked to them fellers floating in space.

Natural, we are interested in anything that has to do with getting our mail. So the state of the U. S. Postal Service has a high place on our list of things to worry about. Clem Webster come to the country store Saturday night with a worry. He had saw where the USPS is making big jumps in what it charges to do the paperboy's job. Clem said to his way of thinking this strikes at the very heart of what holds this country together. A informed people is a heap better than a standing army, he declared, because without the former you can't keep up the latter. From day one this country has stood foursquare for the widest possible spread of information as the best possible insurance again us jumping to conclusions, jumping in our saddles and galloping off in all directions. Look at Iran and Libya, he went on. When people don't know they lose sight of their goal and double their effort.

General, the fellers was with Clem. Bug Hookum said he had saw where the USPS already sees "a positive result" this fiscal year, and this is as predictable as sunrise. The good news followed by a few months the bad news that the mail lost \$251.5 million last fiscal year, and this is the pattern. Keep the people calm while them in Congress work to stay in Congress. Then after elections come with word that we got to look again at the franking privileges in Congress, make the newspapers pay their way because they're a business like ever business, and git on with gitting the USPS on the business base it is supposed to be on.

And, as always, this is the same bull. The fact is, Bug went on, nearly 90 percent of mail moved in this country is business mail. Letters to Uncle Charlie, magazines, garden seed and newspapers is a small piece of the action. The USPS needs to see it is acting like it is the monopoly it once was, Bug said, and it needs to git away from the idee it is doing the American people a big favor by doing what the founders of this country told it to do.

As fer information, Josh Clodhopper was of a mind that it can git out of hand. Fer instant, he said the flap about branding cows to be butchered in the USDA's hole-herd buyout plan was much ado about nothing. Folks that worry about the pain of branding on the jaw instead of the hip ought to be ordered to foller the

Michigan Rail Shippers Face Freight Service Interruption

Rail freight service for 86 Michigan shippers on 548 miles of state-owned track will be interrupted at midnight Saturday for lack of public liability insurance, the Department of Transportation officials reported.

Department spokesperson Susan G. Brook said liability coverage for the Tuscola and Saginaw Bay Railway Co. (TSB) and the Hillsdale County Railway Co. (HCRC) will be ended as a result of a court-ordered liquidation of their New York-based insurer.

"Both railroads have searched diligently, but so far securing any replacement liability coverage by the Saturday deadline is very doubtful," Robert Mitchell, MDOT chief deputy director said.

"The department also has searched for alternative insurance without success," he added. Brook said most shipping companies could withstand cessation of service for up to a week, without suffering major difficulties. She said some shippers may resort to moving commodities by highway if the problem continues for a longer period.

"At this time, the most critical problem is making sure that farmers receive their shipments of grain and fertilizer," Brook said.

Hillsdale County Railway operates 42 route miles in Hillsdale and Branch counties and serves 22 local companies. HCRC also owns and operates trackage in Indiana and Ohio.

Tuscola and Saginaw Bay Railway, headquartered in Vassar, operates on 506 miles of state-owned track and owns an additional 22 miles within a 22-county area of the eastern and northern

lower peninsula. TSB serves 64 Michigan companies.

The two railroads handle numerous commodities, including coal, grain, foundry sand, liquid petroleum gas and automobile components.

Red Cross Chapter Plans Annual Meet

Air travel and air safety will be the topic of the guest speaker, James M. Davey, the former director of Detroit Metropolitan Airport, at the annual meeting of the American Red Cross, Washtenaw County Chapter.

The annual meeting will be on Wednesday, May 21 at 8 p.m. and held at the Campfire Restaurant in Milan.

The meeting is open to all members (individuals who have made at least a \$1 donation to the American Red Cross or a \$5 donation to the United Way).

CHS Prom Scheduled Saturday

(Continued from page one)

Lanes will begin at midnight, when the prom officially ends. There will be free bowling, pool, video games, dancing and card games.

Fran Ferry and her staff will bake pizzas in the high school kitchen and take them to the party. Beverages will be provided.

Last year about 250 students took part in the party during the evening.

There will be an hourly drawing for gifts donated by Chelsea merchants. Students must be present to win.

Free transportation will be provided from the prom to Chelsea Lanes, according to Bud Janich, who is helping to organize the SADD party.

"We have had offers of help from all over," Janich said.

He said parents, teachers and others will be serving as chaperones during both the prom and the party.

Gary Johnson is the SADD president, and Sara Noah is vice-president.

Cherem for Chelsea Schools

I look forward to helping make our good schools even better. I would appreciate your votes for School Board on June 9.

VFW Auxiliary Elects Officers For Coming Year

VFW Auxiliary Post No. 4076 held its regular meeting Monday, May 12, with president Joan Taft presiding.

Officers for 1986-87 were elected: Joan Taft, president; Kitty Schmidt, senior vice-president; Lois Speer, junior vice-president; Dorlene Cozzens, treasurer; Dorothy Lenz, three-year trustee; Gert O'Dell, chaplain; Nina Matthews, guard; Eulalie Packard, conductress. Officers will be appointed and listed in June.

A memorial service was held for all their deceased members, and chairman Gertie O'Dell reported that all their graves had been decorated with emblematic flags in the five area cemeteries. \$25 will be donated for the cancer booth at the Department Convention Program; \$10 to the Battle Creek Veterans Administration Hospital for a "Christmas in July" program and party; and \$10 to the "Write-On" writing program in Chelsea's elementary schools.

Department of Michigan VFW Convention will be held June 19-23 in the Lansing Civic Center. Delegates elected were Lucy Platt, Eulalie Packard, and Kitty Schmidt. Alternates are Gert O'Dell, Eleanor Farley and Lois Speer.

Members were reminded that Memorial Day services would be held Monday, May 26 and that flag bearers were needed for the parade to the cemetery.

Members voted to send \$25 to the Department of Michigan Cancer Aid and Research Program at Bar Harbor, Me., in honor of all members.

A joint installation and pot-luck supper will be held May 31 at 5 p.m. for both post and auxiliary membership.

Poppy Days were announced for May 16-17.

Senses and Pleasures Of Life Program Set By Turner Clinic

The University of Michigan Hospitals' Turner Geriatric Services is presenting a program titled "Sense and Pleasures of Life" on Wednesday, May 21, 1-3 p.m. at Zion Lutheran church, 1501 W. Liberty, Ann Arbor.

Matt Heumann, naturalist with the Washtenaw County Parks and Recreation Department, will speak on "Sensing Nature." Joe Robertson, staff member of the Ann Arbor Public Library, will entertain with songs; Kay Forsythe, director, Burns Park Senior Center, will demonstrate the value of exercise and simple dances to enjoy a healthy outlook on life.

Other presentations will be made with table displays on gardening, music, needlework, embroidery, knitting and weaving, pets and writing. The Rev. Canon Alexander Miller will demonstrate the enjoyment of music with a variety of instruments; other presenters include Kathryn Flynn, weaving; Leslie Coates of Huron Valley Humane Society, pets; Barbara McCouch and Sandy Whall, needlework; Pat Hopkinson of the Matthai Botanical gardens, and Bancroft Brien, gardening.

For further information call 764-2556.

Woman's Club Installs Officers For Next Year

Twenty-nine guests and members were present at the Woman's Club annual dinner in Jackson at the Brandywine Restaurant.

Ruby Strieter became an honorary member of the Woman's Club after 20 years of membership in the club.

Cheryl Schoenberg, membership chairperson, installed the new officers for 1985-86. The new officers are Betty Oesterle, president; Glenna Bittle, vice-president; Cheryl Schoenberg, secretary; Lila Pawlowski, treasurer; Lucille Finkbeiner, parliamentarian.

Marge Travis was the chairperson for the dinner.

Mr. and Mrs. Richard Alan Beeman

Karen Blanchard, R. A. Beeman Are Wed at St. Paul Church

Karen Sue Blanchard and Richard Alan Beeman, both residents of Chelsea, were united in marriage, May 3 at St. Paul United Church of Christ, Chelsea. The Rev. Erwin Koch officiated at the 4 p.m. ceremony.

The bride was given in marriage by her mother, Doris Blanchard. Parents of the bridegroom are Don and Barbara Beeman of Chelsea.

For her wedding the bride chose a long gown of chiffon over taffeta with applique with long sleeves and she carried a colonial bouquet of white roses and carnations. The bridegroom wore white also.

Matron of honor was Laura Bauer, of Grand Rapids, cousin of the bride. Jerry Herrick, of East Lansing, friend of the bride, Barbara Haney of Ann Arbor,

cousin of the bride, Susan Oesterle of Chelsea, friend of the bride and Lisa Beeman of Ypsilanti, sister of the bridegroom, all wore royal blue satin tea-length dresses, with long white gloves.

The best man, Bob Beeman of Chelsea, brother of the bridegroom, and groomsmen Mark Bucholz of Ypsilanti, Rick Risner of Grass Lake, Terry Ellenwood of Chelsea, John Beeman of Chelsea, brother of the bridegroom, Joe Branham of Chelsea, and Greg Hastings of Chelsea, all wore white trousers and royal blue jackets.

Organist and soloist was Russell Beeman of Grand Rapids, brother of the bridegroom. Also, "The Lord's Prayer" was sung by Norman O'Connor, of Chelsea, friend of the brides' family.

Candles were lit by Christine Vargo and John Beeman, Jr., of Chelsea, niece and nephew of the bridegroom. Carrie Vargo and Michelle Beeman of Chelsea, nieces of the bridegroom passed out rice filled flowers.

The mother of the bride wore a floor-length mauve dress and the mother of the bridegroom wore a floor-length aqua dress.

Emma Carlson, grandmother of the bride, wore a pastel flowered street-length dress.

The reception was held at the Dexter K. of C. Hall where a buffet dinner was served to approximately 275 guests. Dancing followed the dinner.

The couple spent their honeymoon in Hawaii.

Resumes Sought to Fill Consumers Mediation Committee Vacancy

Washtenaw County Board of Commissioners will, on June 4, make an appointment for a vacancy on the Consumer Mediation Committee for a term expiring on Dec. 31, 1986.

One-page resumes should be addressed to the attention of Carol Hampton, County Administrator's Office, County Administration Building, P.O. Box 8645, Ann Arbor 48107. Those resumes received by May 23, will be submitted to the Board of Commissioners for its consideration on June 4.

Health Dept. Expands Service of Well Child Clinics

Starting on June 16, the Washtenaw County Health Department will be expanding its Well Child Clinic services to include children from 2 months to 12 years of age. (Services presently cover children from 2 months to 8 years of age.)

Well Child Clinic services include a physical exam, hematology, urine testing, immunizations and health counseling by a nurse. A completed physical exam form is given to the family which may be used for camp, junior high school entry, etc. There is no charge for these services which are available by appointment.

The clinic sites are:

Ypsilanti Eastern Subcenter 555 Towner

Ypsilanti, Ph. 973-1460.

Whitmore Lake Community Clinic 138 Barker Rd.

Whitmore Lake, Ph. 449-2033.

For additional information, please call 973-1460.

Low Vision Support Group To Meet May 28

The regular monthly meeting of the Low Vision Support Group will be held at Turner Geriatric Clinic on Wednesday, May 28, from 1 to 3 p.m. Matt Heumann, the naturalist from Washtenaw County Parks and Recreation, will discuss outdoor activities.

For further information, please call 764-2556.

Saline Big Band Guests at Chelsea Orchestra Program

Saline Big Band will be the special guests at a program of pop music by the Chelsea Orchestra Program on Thursday, May 29 at 7:30 p.m. at Beach Middle school.

Music will include "Fiddle Faddle," and music from "The Sting."

The concert is free and open to the public.

Saline Big Band is directed by Dave Wolters.

Lose 17-25 lbs. in 6 weeks.

You can do it...without shots, drugs, pills, or special foods...and without feeling hungry. Your own personal counselor will show you how...and stay with you every step of the way. Your first consultation is free. Call now.

GOLDEN ANNIVERSARY: Mr. and Mrs. Kenneth Neal, 548 N. Main St., celebrated their 50th wedding anniversary April 25 with a family gathering at Weber's Inn in Ann Arbor. The couple was married in Charleston W. Va., and moved to Chelsea in 1944. Kenneth retired from Dana Corp. after 30 years of service. Mrs. Neal worked at Precision Control near Dexter for 15 years. On hand for their celebration were their son, Bill, of Chelsea, and their daughter, Priscilla Jean Seamans, of Ann Arbor, and her daughter, Amy Lynn. Ruth and Leonard Davy, of Madison, Wis., Mrs. Neal's sister and brother-in-law, also attended.

Cassidy Lake Walk-Aways at Large

Two men who walked away from Cassidy Lake Technical School on Saturday, May 17, had not been captured as of Tuesday morning.

According to Chelsea police, Damon A. Burton, 19, and Michael Horner, 19, reported missing from the minimum security prison at 12:27 p.m. Both men were from Detroit.

Burton is described as a black

man, 5' 10", 150 pounds. Horner is described as a black man, 5' 9", 150 pounds.

Burton was serving 16 to 24 months for the careless use of firearms, and three to five years for carrying a concealed weapon.

Horner, who police said also goes by the alias of Mark Jones, was serving two to five years for auto theft.

500 HOURS OF SERVICE to the Chelsea Community Hospital Auxiliary has been given by nine members, and they were recognized at the auxiliary's annual meeting last Saturday. From left are Lowell Spike, Mary Jane Leeman, Leona Beeman, Dorothy Beach, Linda Cole and Evelyn North. Not pictured are Norma Bernhard, Hazel Overak and Jean Mann.

Gelman Sciences Named to Michigan High Tech 50 List

The Detroit Free Press and the accounting firm of Arthur Anderson & Co. have just named Gelman Sciences, Inc., to the coveted Michigan High Tech 50 List of Corporations.

In a recent Free Press article, Gelman was named as the sixth largest high technology company in the state of Michigan. Gelman Sciences' inclusion in this list was based on selection criteria established jointly by the Detroit Free Press and the Detroit office of the national accounting firm of Arthur Anderson & Co.

On Friday, May 2, Charles Gelman, president and chief executive officer of Gelman Sciences was honored along with other High Tech 50 officers at a luncheon held at the Grosse Pointe Yacht Club. Featured speaker was Carl Code, group director of General Motors Chevrolet/Pontiac Canada Division. Commented Code to the honored group of officers: "You are to be commended for your successful contribution to your individual companies for your efforts on strengthening the economic position of the State of Michigan. Each of you is well positioned for continued sales and profit growth in the rapidly expanding high technology marketplace."

Gelman Sciences, founded in Chelsea, is a leader in the development and manufacture of microfiltration products and systems serving the health care, laboratory and process industries world-wide from operations in Ann Arbor, USA; Northampton, England; Sydney, Australia; Montreal, Canada; Dublin, Ireland; Tokyo, Japan; and Rehovot, Israel.

THESE DEDICATED WOMEN have given more than 3,000 hours of their time to the Chelsea Community Hospital Auxiliary, a group of more than 150 people that raises money for special equipment for the hospital. From left are Agnes Faist, Jean Schneider and Ruby Strieter.

Sharon Township Youth Completes Munitions Maintenance Course

Airman 1st-Class Timothy D. Schuler, son of Mr. and Mrs. Harry D. Schuler of 19785 Sharon Valley Rd., Manchester, has graduated from the U. S. Air Force munitions maintenance course at Lowry Air Force Base, Colo.

During the course, students were taught to inspect, assemble and dispose of explosive munitions. They also earned credits toward an associate degree through the Community College of the Air Force.

He is a 1984 graduate of Manchester High School.

Asbestos, a fibrous mineral used frequently in office building materials such as insulation and floor tiles, can cause lung cancer, the rare cancer mesothelioma, and asbestosis, a sometimes fatal scarring of the lungs.

Cassidy Lake Council Meeting Scheduled

(Continued from page one)

imately 1,200 signatures from Chelsea area residents, was circulated in a grass-roots campaign stimulated by the Michigan Department of Corrections' efforts to convert Cassidy Lake into a medium security prison.

A VIEW from the CLOCK TOWER

By Will Connelly

From time to time psychologists make public surveys of disastrous situations that people dread most. At the top of the list are such tragedies as death of a spouse or death of a child. In a high position, year after year, is the fear of unemployment.

Hourly workers experience the shock of unemployment in layoffs during production slowdowns, model changes or strikes. Millions of salaried workers, on the other hand, who have worked for decades without a day of unemployment, are being stunned in the 1980's with pink slips (termination of employment) or compulsory early retirement.

Tens of thousands of employees at all levels from the plant floor to the clerical offices have seen factories close down because of bad management, obsolescent equipment, the advent of robots, new technologies, or the fact that someone in Japan, Korea, Mexico, Haiti or the Philippines is willing to do their work for pennies an hour.

Now a new shock wave has reached the white collar areas where computers are outpacing typists, stenographers, file clerks and their supervisors. The guys in the executive suite are also getting the treatment. Recently, General Motors decided to do an executive housecleaning and as part of a "downsizing" program, there were pink slips for 36,000 GM execs and white collar staffers. AT&T, DuPont, Bank of America and Eastman Kodak are doing the same. In fact, three fourths of the Fortune 500 companies will each cut 1,000 to 20,000 jobs from their payrolls in 1986. It's the only way to survive against aggressive, and sometimes unfair, foreign competition—not to mention bureaucratic internal overstaffing. It's also the only way to stay alive against high tech upheavals which have made traditional products and services as obsolete as whalebone corsets.

According to U.S. News & World Report, Chrysler estimates that by cutting nearly in half the number of its salaried employees since 1978, it has lowered the number of cars and trucks it must sell to reach the financial break even point from 2.4 million units to 1.2 million.

The strangest part of the situation is that we have millions of unemployed people while employers are desperate for help. All over the country there are page after page of help wanted ads. We evidently have a large number of people drawing unemployment benefits who claim they want work but have preventing disabilities. We also seem to have a few million bums who are able to work but not willing to.

The Burger King chain, which employs 160,000 people, recently became so short of help they began running help wanted ads on a youth oriented TV network. Stores, offices, plants and gas stations all over the country have HELP WANTED. APPLY WITHIN! signs on their doors. The fast food chains seek kids in their teen and twenties. A million firms want men and women with computer skills. Industries are hungry for engineers, high tech specialists and financial experts, but are not too interested in candidates over 40.

So, whether you are 22 or 50, take your pick: Do you want to be an employee or executive of a firm that may put you out on the street? Or would you consider transferring your skills into an enterprise of your own?

A business consultant recently advised, "If you have any dreams of being a business owner, there are two essentials. First, you must demonstrate outstanding ability, effort and eagerness to learn from your first day of employment no matter where you work. In fact, even if you have been there 20 years, it is not too late to reach for high performance now. Second," he went on, "you must teach yourself how to enjoy life by saving money rather than spending it. Many people who are well qualified to be business owners never get the chance because they have no startup capital."

Successful business owners are usually people who have a multiplicity of skills and interests. This is necessary because, as bosses, they must pay equal attention to a wide variety of challenges in sales, purchasing, production, service and finance. Above all, good consumer and employee relations must be deep in their hearts.

Those are the personal qualities that made Sam Walton able to expand his five-and-dime store in Newport, Ark., into a chain of 862 stores, making him the richest man in American with a net worth of \$3.6 billion. Sam Walton started his Wal-Mart stores after several years as a naval officer.

Victor Kiam is another story. You've seen him in his bathrobe on TV displaying a Remington razor and telling you the product was so good he bought the company. He had worked 18 years for Lever Brothers and Playtex. He had saved and invested his money so he could quit Playtex and buy into another corporation. Sometime later he bought a Remington razor and then the company. In an interview with Reader's Digest he said, "I never ask an employee to do something I'm not willing to."

Mary Kay Ash, who built a cosmetic marketing empire worth millions, awards pink Cadillacs to the women who are her outstanding distributors. She became a dealer for Stanley Home Products because she had three children and needed more income. When she learned that she could earn in a few hours away from home what most people earn in eight, she decided to go into business for herself.

Part of owning a business, and especially building it, is to work harder than anyone else. There are many small business and manufacturing enterprises where the employees work Monday through Fridays, with week-ends and holidays off. That is, everybody is off but the boss. On the morning of Saturday, Dec. 28, 1985, for instance, I called the firm of Reardon-Parshall Co. in Detroit to inquire about buying some lithographed certificates for our depot donors. Who answered the phone? President Tom Reardon. Later that same morning I needed some information about a New York television station. I called a big ad agency in Ann Arbor, and the president dutifully answered the phone. He found the rate book and obligingly gave me the numbers.

And this devotion of business owners isn't just Saturdays, Sundays, holidays and evenings. The business is everything. Husband and wife owners of a Chelsea firm once started on a vacation trip. A few miles out of Chelsea, they suddenly remembered a responsibility that needed urgent attention. Turning the car around, they headed back to town and the vacation went down the drain.

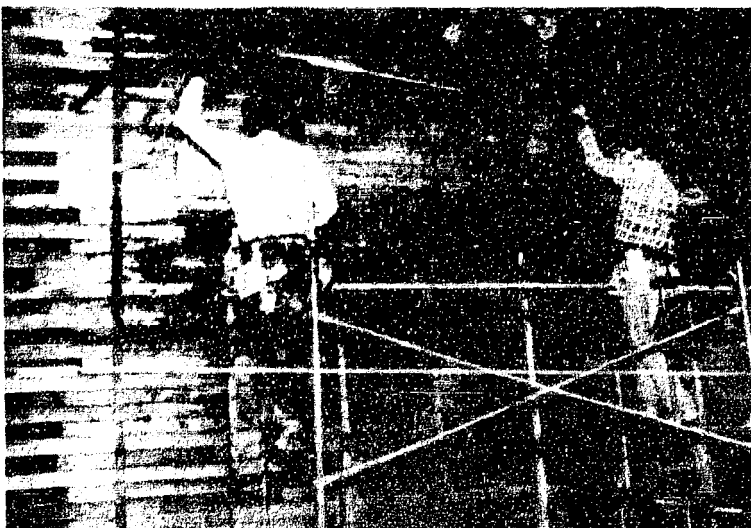

Sad? Not a bit. As Thomas Lipton, builder of the Lipton tea, soup and food empire, declared, "There's no fun like work."

Because we Americans of the 1980's are now in an age when nobody's job is safe, from the presidency right on down; because, in many places, job seniority is no longer a guarantee of security; because the competition among nations, industries, executives and co-workers is commonly a matter of economic survival, the prospects of every man and woman who is earning a living depends on his or her ability to excel and to be a skillful saver/investor.

If you have these two assets, you can be fired like Lee Iacocca was at Ford, find another job and make a go of it. Or you can be in a company that is downsizing and you will be retained—even promoted—while others are given a fond farewell.

You, or anyone, can be displaced from your job as a result of clumsy management, jealousies, politics or takeovers. But if you have excellence in your work and money in your bank, you can—at a time of your choice—buy or build a business of your own.

From then on, the decision to retire will be up to you. You can pick your successors early, possibly or probably within the family. You may even build your staff to the point that somewhere during the week you can have a whole day off. Or start on a vacation to Vancouver and get there.

CARPENTERS, working on an unwanted wall partition inside the Chelsea Train Depot, work on steel scaffold for safety and convenience. On the left is Red Sweeney with his teammate, Jerry Barth. Both are on the staff of contractor Bob Bauer.

AS HORIZONTAL BOARDS are removed from partitions in the Chelsea Train Depot, both the materials and method of construction reveal 20th century workmanship. With the removal of the partitions, the interior of the building will more nearly resemble the original 1880 design. It's all part of the current depot restoration project.

Palmer Personnel Cited By Ford Motor

Ford Motor Co. has recognized George Palmer of Palmer Ford-Mercury in Chelsea for excellence in satisfying customers. He was honored with the 1985 Quality Care Dealer Award, given to the top 25 percent of all dealers in each sales district.

Also honored for their excellence in satisfying customers were the dealership's sales manager, Lyle Chriswell, and its service manager, Matt Villemure.

The three awards were based on surveys of Palmer Motor's customers, which showed them to be among the most satisfied group of customers—in both sales and service—at Ford Motor Co. dealerships.

Speaking of the Quality Care Dealer Award, Ford Motor Co. president Harold A. "Red" Poling said, "It's hard to overstate the importance of the role that dealers play in the overall operations of Ford Motor Co. To our customers, our dealers are the face of Ford."

Palmer Motor Sales has been a Ford dealer for 74 years. They have been a Mercury dealer since last summer.

Ford and Mercury dealership customers selected 1985 Quality Care Dealer Award winners by their responses to questions about the helpfulness, courtesy and service received at the dealership, the quality of the work done, and their overall satisfaction with the dealership.

Ford also recognized Lyle Chriswell, sales manager of Palmer Motors, and Matt Villemure, the dealership's service manager, for their treatment of customers. Chriswell was honored with the 1985 Sales Manager Quality Care Award, and Villemure won the 1985 Service Manager Quality Care Award. Each award is given to the top 25 percent of all sales or service managers at Ford or Lincoln-Mercury dealerships in each sales district.

As with the Quality Care President's Award, Ford and Lincoln-Mercury dealership customers selected 1985 Quality Care Sales Manager and Service Manager Award winners by their responses to questions about their satisfaction with their treatment at the dealership. Chriswell has been with Palmer Motors for 36 years. Lyle, a life-long resident of Chelsea, has attended over 50 company sponsored schools and seminars. He has served on the Chelsea Village Council, been president of the Chelsea Jaycees and is presently a member of the Chelsea Chamber of Commerce Board of Directors.

Villemure has been with Palmer Motor for 15 years. Originally from the Upper Peninsula, Matt has more than 35 years of solid mechanical and managerial experience. His mechanical expertise is almost legendary with Ford Motor Co. and this area of Michigan.

Tree Identification Object of Nature Walk

Learning to identify some of southern Michigan's most common trees will be the object of a leisurely stroll through the Portage Lake Campground Nature Trail, Sunday, May 25 beginning at 2 p.m.

Molly Hartman will lead the outing. A vehicle permit is required to enter the recreation area.

Letters to the Editor

To the Editor,

The 17th Airborne Division Association, composed of men who served as paratroopers and glidermen in the Division during World War II, is conducting a membership drive to locate all former members. If you served with this Division, please contact Edward Siergiej, secretary-treasurer, 82 Forty Acre Mountain Rd., Danbury, Conn. 06811, for details of the Division Association as well as information about the 33rd annual reunion

which this year will be held at the Hyatt-San Jose, San Jose, Calif. on Aug. 7-10.

Edward J. Siergiej
Executive Secretary
17th Airborne Division Assoc.

North and South America are moving apart at the rate of two inches a year.

MEMORIAL DAY

A time to pause in tradition and tribute

On this solemn occasion we proudly pay tribute to our honored dead . . . and most especially express our thankfulness to those who gave their last full measure of devotion for our country, on the fields of battle. Now, as we are enabled to pause in respect and gratitude, we observe Memorial Day in the tradition of our great nation . . . and we feel privileged to be a part, and to take part, in all that has contributed to our precious freedom.

'Chorus Line' Musical 'Well Done' at True Grist Theatre

By Russ Ogden
Free Lance Drama Critic
& Professor at EMU

Theatrical magic exploded with colorful dancing and singing delight inside the True Grist Dinner Theatre in Homer last Thursday evening with the opening of "Chorus Line" while outside Old Man Weather was threatening with his own fireworks in the form of a tornado! The 14 gypsies appearing on the True Grist stage are a menage of talent ranging from acceptable to downright brilliance in this fantastic musical hit: "Chorus Line."

Zach (Charles Burr) is casting a new show for six people (three men, three women). On stage, he has 12 candidates for these positions and the evening is spent eliminating the also-rans. Zach has each member tell about themselves (not singing, or acting, but just talking), starting with Bobby (Mark Chadwick). We find he is "different" and even arranges furniture in homes he has illegally entered.

Mike (David Own Ward) punches out his philosophy musically with "I Can Do That," while Bobby, Richie (Ron J. Hutchins), Val (Julie Graves), and Maggie (Mary Bills) intersperse their stories with "And..." Sheila (Tami Spry) guts out her feelings along with Val and Maggie with "At the Ballet."

Comic duo reminding us of a Sandy Duncan type is Kristine (Barb Palmer) and her husband Al (Neal Bearman) who explain her inability to sing and dance! Diana (Cynthia L. Horsman) describes her reaction to emotional plays by singing "Nothing," what happens to her in an assuming situation. Cassie (Carrie Corbett) speaks her relationship with Zach and with "the chorus" in "The Music and the Mirror." And other than company (total singing and dancing) Diana (Cynthia L. Horsman) leads the company in singing "What I Did for Love."

Yurgaitis has demanded and gets performances perhaps above and beyond the abilities of some of his fine and talented cast. His choreography, by and large, is most effective on the TG stage and works in a total picturesque pattern in most cases. Perhaps stealing the show unintentionally is a fine superb actress in a very "chorus type" role in the form of Mary Bills. She has no lead songs, no juicy talk, no vulgar words (to speak of), but this young lady more than pulls all of the dramatic and singing possibilities from whatever she is assigned to do. One terrific gypsy in a cast of superb gypsies.

Washenaw's entrants in the cast: Tami Spry and Mark Chadwick are both mainstays with fine developmental characterization of their roles as Sheila and Bobby. Spry's Sheila is indeed bitchy and yet the softness of Sheila's heart is most capably expressed by this brilliant Eastern Michigan University student. It is true that Sheila's dialogue gives her the extra gunpowder with which to explode, but Spry's interpretation is extremely professional. In 11 Sheilas that this reviewer has seen, Spry's performance would rank second only to Jane Somerhill who appeared both on Broadway and on-the-road as Sheila. Extra applause for this fine young Thespian on the True Grist musical stage.

Mark Chadwick's Bobby becomes believable under his acting tutelage and Chadwick holds back intelligently with the character rather than forcing him upon you. The dancing and dramatic impact that Chadwick gives to Bobby is a most handsome interpretation and becomes one of the more commendable actors/singers/dancers of the evening. In the observance of other productions, Chadwick's

"A CHORUS LINE" is being presented by the True Grist Dinner Theater in Homer through June 15. Mark Chadwick plays the part of Bobby, and Tami Spry gives her all to the character of Sheila.

would rank in the top two or three ranking with his interpretation.

To me one of the finest performances in a non-singing role was that of Charles Burr who has developed into quite an attractive and positive dramatic force on stage. Zach's role seems so simple and yet if it is under- or over-played, the character can be crushed. Burr's Zach is one of the finest I have seen on any of the stages of "Chorus Line." Nice to see a director who also can act. Hats off to this fine talent, Plymouth's Charles Burr.

Neal Bearman (and I must confess an always favorite of mine on the True Grist stage) comes through in a somewhat minor performance/role with that of Al, the husband of the witty nitty Kristine. His voice and singing talent are always there expressing the mood. And his sidekick Barb Palmer as Kristine milks her role for all it is worth. She does, however, remind me of Sandy Duncan and that isn't all bad either.

Other members of the ensemble contributing to this fine production were Randy Clinker, Paul; Carrie Corbett, Cassie; Julie Graves, Val; Cynthia L. Horsman, Diana; Scott McGowan, Mark; and David Owen Ward as Mike.

Dennis W. McKeen was to be Larry but sprained his ankle in rehearsals, and from the wings

comes Bobb James with "the show must go on" with one day of rehearsal.

Parents should be warned about bringing younger children, however. There are several very explosive words that would not normally be heard around the family fireplace in the evenings. They fit in a "Chorus Line" quite well. But perhaps you are not ready for them for your child.

It happened at Coldwater last year at the Tibbitts and then it happened opening night at the True Grist. Well-intentioned friends of the cast members or, perhaps members of the supporting staff who laugh too loudly and too long... appearing as though they had been hired by the management as "official" laughers and applauders.

Food for the buffet was again warm and terrific. Service was top notch to a sold-out house. And the brilliance of the performance and the matching of that with a drink called the Big Apple made for an evening of paradise.

Obie Burch's lighting design, and Julie Kutosh's musical direction were also admirable in this A-1 production.

"A Chorus Line" continues through June 15. Special performances are being added daily so best check with the box office for reservations for your particular desired night. Phone: (517) 568-4151.

Heart Healthy Meals Served at Hospital

Chelsea Community Hospital will celebrate American Heart Association Week, May 17 to May 23 with a cafeteria luncheon menu which conforms to the recommendations of the American Heart Association diet guidelines. Patients, employees and the public may enjoy a learning experience into "heart healthy eating." Lunch hours are 11:30 a.m. to 1:30 p.m.

Coronary artery disease is the major cause of heart disease and heart attacks in America. Coronary artery disease results when fatty deposits build up on the inner walls of coronary arteries which feed the heart. If continued for many years, the coronary arteries can become blocked and may result in a heart attack.

Many factors have been suggested as reasons for increased likelihood of developing heart disease. Three important factors are smoking, high blood pressure and high blood cholesterol levels. Other factors include diabetes, obesity and physical inactivity.

Most of these factors can be influenced by you. High blood pressure can be lowered by regular exercise, cessation of smoking, control of diabetes, maintaining balanced body weight and medication management by your physician, if indicated.

Decreasing sodium and cholesterol intake is also important. Foods most likely to contain significant amounts of cholesterol (or fats) include whole milk, butter, fatty cuts of meat and cheese. These food items can be replaced with vegetables, vegetable oils and lean cuts of meat or poultry.

During American Heart Association Week Chelsea Community Hospital will serve foods that avoid saturated fats,

cholesterol and salt. Salt shakers will be removed from tables. Low sodium soups will be served as well as leaner cuts of meat. The methods of cooking will be baking and broiling and the salad bar will be featured Monday through Friday with a host of tasty, crunchy vegetables and toppings.

This coming week should prove to be a learning experience as well as a healthful one.

Two Not Injured Crashing into Tree

A Grass Lake man was uninjured after his car left the road and struck a tree as he was heading south on Main St. just south of Lincoln St. last Thursday afternoon.

According to police, Clifford Lee Markle, 25, 2311 Maute Rd., and passenger Carol Boff, 750 Wilkinson St., were in the car when it went off the road and struck a tree. Markle was treated and released at Chelsea Community Hospital.

Boff was not injured, reports said.

Chamber of Commerce Releases New Child's Coloring, Sketch Book

A "Chelsea's Stories" coloring and sketch book has just been released by the Chelsea Area Chamber of Commerce. The book features sketches and captions for buildings and objects that are an integral part of the Chelsea area's heritage. Children are encouraged to "sketch and color" their own stories of Chelsea on alternate pages.

The coloring and sketch book is part of the "Chelsea's Stories" program funded by the Chamber, and developed by Dr. Gabe Cherem and students in two Eastern Michigan University classes.

Two weeks ago, the "Steeple and Stones" countryside tour

leaflet was released as part of the "Chelsea's Stories" program. Other tour leaflets planned include Village Life, Glacials and Glens, Hills and Hollows, and The Changing Countryside.

The coloring book costs 50¢. There is no charge for the "Steeple and Stones" tour leaflet. Both are available through Chelsea area merchants, or by writing the Chelsea Area Chamber of Commerce, P.O. Box 94, Chelsea 48118.

For more information on the "Chelsea's Stories" program, contact Janet Tuttle at the Chelsea Area Chamber of Commerce (313) 475-1145.

From left are seventh graders Melanie Bendrey, Kathy Granger, Alice Durham, and Joanie Marsh, and eighth grader Gloria Gallas.

Right-To-Know Law Now in Effect

The Michigan Occupational Safety and Health Act (MIOSHA) has been amended to include the new Michigan Right-To-Know Law which is now in effect. Application to various industries will be phased in during the next year.

The Right-To-Know Law immediately requires all chemical manufacturers, importers and distributors to label containers of hazardous chemicals prior to shipment. They must also provide Material Safety Data Sheets (MSDS), which identify the hazardous materials, its chemical characteristics and other information including health effects and necessary protective work measurements.

By May 25, 1986, the law requires all manufacturers of hazardous materials to design a written communications program to safeguard the handling of hazardous materials (physical or chemical) in the workplace. Employers must also make available to their employees MSDS's on each hazardous material on hand, and provide training and information-

al programs for employees exposed to these materials.

Employees are protected from discrimination or discharge resulting from the request for information on hazardous materials which they handle in their workplace, under the Right-To-Know Law.

By Feb. 25, 1987, all employers in Michigan, including non-manufacturing and public employers, will be required to comply with the Right-To-Know provisions listed above.

Both the Michigan Department of Public Health and Labor will enforce the Right-To-Know Law through activities similar to the enforcement of other MIOSHA rules and practices.

The State Right-To-Know Law will pre-empt the Washtenaw Community Right-To-Know regulations until the State Right-To-Know Law will be renewed or a new one will be passed in its stead. As long as the State Right-To-Know is in effect, the Washtenaw County Community Right-To-Know as a whole will not be enforced.

DPW Buying Equipment To Repair Water Lines

Public Works Department will spend \$18,485 on a piece of equipment that should save the village money in the long run, and possibly provide some extra revenue along the way.

The village council approved the purchase of a water line-stopping unit from the Hydra-Stop Co. of Blue Island, Ill. The equipment will allow the department to tap into a section of water line to change a fire hydrant, valve, or ruptured piece of line, without having to shut down major parts of the water system.

According to Bud Hafner, public works superintendent, if water pressure drops below 20 pounds per square inch, there is a threat of water system contamination by the backflow of chemicals or sewage.

Because Chelsea's water system is so old, in order to do any major work on the system, large portions of the water supply would have to be shut off, which would make contamination a possibility since the pressure would fall to nothing.

Hafner said there are five broken fire hydrants in the village, including the ones at North St. by the Chelsea Milling Co.; East and E. Middle Sts.; S. Main and E. Summit; the south end of Taylor St.; and W. Summit at Garfield. He said there are also 10 broken line valves and three others that are leaking.

To have Hydra-Stop, or another company with the same technology, perform the work would cost \$3,000 per valve replacement, Hafner said. Six valve changes would pay for the equipment.

Hafner, and assistant village administrator Lee Fahrner, said that additional money could be made by working as a subcontractor for other communities nearby that do not have the equipment.

The equipment works by installing a rubber stopper into the water line, which is pumped up by water pressure, thereby creating a seal in the water line. The insertion of two stoppers would allow workers to shut down less than 10 feet of water main.

Hafner said there are few contractors in the vicinity who could respond to an emergency with the kind of equipment the village plans to buy.

In addition to the five broken hydrants, there are an additional 14 "old style," hydrants, or hydrants without shut-off valves, that would have otherwise required the shut off of the water supply in the event of trouble, Hafner said.

Take this to heart
Have your blood pressure checked.

CHS Vocal Music Dept. Plans Spring Concert

The Vocal Music Department of Chelsea High school will be giving their final regular concert of the year on Thursday, May 22, at 7:30 p.m. in the George Prinz Auditorium.

This concert will feature many small groups and soloists in the department who have prepared a special song for the occasion, such as Kelly Burke, the Concert Choir president who will sing a duet with Tucker Lee, a member of the Madri-Guys.

The four graduating Contemporaries—Carrie Collinsworth, Jimae Ritter, Amy Wolfgang, and Cindy Kvarnberg—will sing "Boogie Woogie Bugle Boy."

There will be other groups formed just for this occasion such as Debi Koenn and Karen Michaud performing "How Will I Know?" and Sue Schmunk, Kristina Steffenson, singing "We Go Together" from "Grease."

Theme of the program is that of a radio broadcast, featuring choir vice-president Chris Herter as the DJ of the evening. The regular groups will also take part, with the Contemporaries singing an original song of Doug Beaumont, the Madri-Guys doing a couple of songs from musicals, and the Concert Choir finishing with "Life Is A Celebration" from "Fame."

The community is invited to attend this concert at no charge.

Lie Flat In Ditch If Tornado Hits

People may know how to protect themselves from a tornado while inside but many become confused or panic if a tornado strikes while they are outside or driving in a car.

Should a tornado strike while you are outside, try to find shelter immediately in the nearest substantial building. If no buildings are close, take cover by lying flat in a ditch or depression. Protect your head with your hands and arms.

Never try to drive away from the storm. If you are in your car and cannot find shelter in a building, leave the car and lie flat in a ditch or depression with your arms over your head. Don't take shelter under your car.

This advice is offered by the Federal Emergency Management Agency and National Oceanic and Atmospheric Administration.

Girls 2nd in Regional Track Meet With Four Qualifying for State

Friday's girls track regional at Chelsea turned into a two-team race and came down to the final event before the meet was decided, as Lincoln took fourth place in the 1,600-meter relay for the win. The irony was that Chelsea won the event.

Chelsea was edged, 82-80, by Ypsi Lincoln for the championship. Fenton finished a distant third with 43 points and SEC rivals Saline and Milan were fourth and fifth in the 20-team field with 38 and 37 points.

Chelsea runners had an outstanding meet, winning three relays and qualifying four individuals for the state meet.

In one of the evening's best races, Kasey Anderson ran a 2:21 anchor leg as the Bulldogs' 3,200 relay of Amy Wolfgang, Debi Koenn, Sallie Wilson and Anderson ran a 9:48.2 just beating conference rival Milan at 9:49.0.

The 800 relay of Susan Jaques, Laura Damm, Danica Disbro, and Tami Harris ran away from the field to win by almost two seconds with a 1:48.0.

The 1,600 relay of Jaques, Chris Neuman, Damm, and Wolfgang lowered the school record by over three seconds as they ran 4:06.7 to win.

The top three finishers in individual races qualified for the state meet. Chelsea's top individual finisher was Amy Wolfgang with a second in the 300 hurdles in :47.5. It was the fourth year Wolfgang qualified in that event, "a remarkable achievement," said coach Bill Bainton.

Jennifer Rossi was third in the 1,600 with a school record 5:25.7. Kasey Anderson was third in the 800 with a 2:24.6 to qualify in the 800 for the second consecutive year. Laura Damm qualified in the 400 with a third.

A number of the Bulldogs turned in strong scoring performances, led by Suzanne Cooper who finished fifth in the 1,600 with a freshman record 5:27.4.

In the 800 Bulldog runners finished fifth and sixth. Sallie Wilson was fifth in 2:28.0, just ahead of Helen Cooper who ran 2:28.1. Debi Koenn was close behind in 2:28.2. Suzanne Jaques was sixth in the 400 with her career best 1:01.5.

Amy Wolfgang finished fourth in the 300 hurdles as SEC runners grabbed the first five places. Tami Harris was fifth in the 100 and Danica Disbro was fifth in the 300 hurdles with a :48.8.

In the field events, Chelsea managed three places. Chris Zerkel was fourth in the shot put with 34'3" and fourth in the discus at 95'9". Dena Stevens added a fifth in the discus with a 94'5".

The team race was very close, but Lincoln got off to an early lead in the field events, scoring well in the shot put and long jump, and building on that with wins in the 100-meter dash and 100 hurdles. Chelsea nibbled away at the lead and briefly went ahead, 70-68, after the 300 hurdles.

April Chenault of Lincoln won the 200 to put the Railsplitters back in the lead, then anchored them to the fourth place finish in the 1,600 relay that they had to have for the win.

"We couldn't have asked for much better performances," said Bainton.

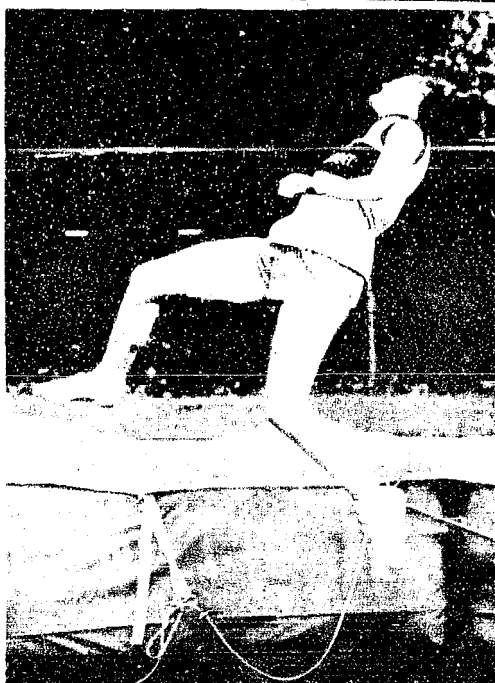

TAMI HARRIS fires from the blocks on her way to a fifth place finish in the 100-meter dash during last week's regional meet at Chelsea.

IT WAS JUST THAT CLOSE in the final results between Lincoln and Chelsea, as the Railsplitters edged the Bulldogs by a mere two points. Above, Lincoln's ace sprinter April Chenault edges just ahead of Chelsea's Tami Harris.

Give A Gift Subscription to The Chelsea Standard

ANN BECKER grins her teeth and makes the jump during the regional meet last Friday in Chelsea. The team took second place against a tough field.

Boys Track Team 14th in Regional

Chelsea boys track team lost their final dual meet of the season to Pinckney, 78-59, and finished 14th in last week's regional meet at Chelsea.

In the Pinckney meet, Mike Westhoven won the pole vault at 12' 6", and was second in the high jump at 5' 4".

Joe Kosezki was second in the long jump at 18' 3 1/2".

Rob McDowell took second in the shot put at 37'.

Doug Webb placed second in the discus at 106' 1".

In the high hurdles, Pete Janik and Westhoven were second and third, respectively, at :17.0 and :17.8.

Curtis Heard was second in the 100-meter dash at :11.1, his best time ever.

Tim Bowdish won the 1,600-meter run in 4:39.8, and Paul Hedding was third in 4:50.8.

Chelsea's 400-meter relay team of David Freitas, McDowell, Chris Cheng and Janik won the event in :46.9.

Ron Bogdanski picked up his first win in the 400-meter run in :56.0.

Bowdish was third in the 800-meter run in 2:15.

Janik won the low hurdles in :41.6.

Freitas finished third in the 200-meter dash in :25.3.

Chelsea swept the 3,200 meter run as John Cattell was first in 10:28, Hedding was second in 11:05, and Tucker Lee was third in 11:16.

In the regional meet, Westhoven finished fifth in the pole vault at 12' 5". He had the same height as the third place finisher, but also had more misses.

The 3,200 relay team of Bowdish, Bogdanski, Greg Brown and Lee Riemenschneider took fifth place in 8:15.9.

Bowdish was third in the 800 in 2:01.

Bowdish, Janik, Brown and Riemenschneider placed fifth in the 1,600 relay at 3:34.1, "the best time we've had around here in three years," said coach Bill Wehrwein.

Hedding and Cattell narrowly missed placing in the 3,200. Hedding was seventh at 10:12, "an incredible time for a freshman," Wehrwein said, and Cattell ran a 10:17.

Inkster Cherry Hill nipped Lincoln (Continued on page 11)

DOUG WEBB shows how it's done during the regional track meet held at Chelsea last Friday. Earlier in the week he took second in the discus against Pinckney with a toss of 106' 1". The Bulldog boys had a tough time in the regionals.

Girls Track Team Undefeated in Dual Meet Season

Chelsea girls track team completed an undefeated dual meet season Tuesday, May 13 by defeating Pinckney, 102-26.

Ten different individuals won events and the Bulldogs won all four relays as they captured all but one first place in the meet.

Cris Zerkel was the only double winner, taking both the shot put and discus. The Bulldogs swept both hurdle events. Amy Wolfgang won the 100-meter event, with Shannon Dunn, second and Debi Tiff, third. Danica Disbro edged Wolfgang coming off the last hurdle to win the 300 hurdles by :0.01 with Tiff again third.

Debi Koenn ran an excellent race in the 800, coming back down the stretch after being passed to edge Pinckney's Kelly Barth with her season's best time, 2:29.0. Suzanne Cooper was third for the Bulldogs. Kasey Anderson ran to an easy victory in the 3,200 with a 12:19, her season's best. Kim Collins finished third.

Other winners and placers: Edie Harook, first in the long jump, Danica Disbro, third; Tami Harris, first in the 100, Heidi Knickerbocker, third, Jennifer Rossi edged Sallie Wilson right at the finish as they finished 1-2 in the 1,600 with identical

5:41.7 times; Laura Damm won the 400 with a 1:00.8, and Chris Neuman ran her season's best for second; Susan Jaques won the 200 in :27.8, and Stephanie Harris was second in :28.1, her career best.

The winning relay teams: the 3,200, Kasey Anderson, Debi Koenn, Helen Cooper, and Melanie Flanagan in 10:25.5; 800 relay, Susan Jaques, Laura Damm, Danica Disbro, Tami Harris, 1:48.9; the 400 relay, Edie Harook, Heidi Knickerbocker, Stephanie Harris and Shannon Dunn, :55.0; the 1,600, Chris Neuman, Debi Tiff, Sallie Wilson, Amy Wolfgang, 4:20.3.

It's the first undefeated season ever for the girls track team and leaves them in first place in the SEC going into today's league meet at Tecumseh. The Bulldogs and regional champion Ypsi Lincoln are expected to battle it out for the championship.

Recreation Swim Times Set at Pool

Chelsea pool recreation and lap times continue to be offered in the same time slots. These hours were designed to offer the public a regular time period three times a week when the pool would be open for community use. Also, a week-end slot is reserved for public use.

Due to increased fitness emphasis in today's society there are also two adult lap swims offered during the week and there is a portion of the pool that is reserved for lap swimmers during the regular open swim periods. The times for open swims are Monday, Wednesday, and Friday, 8 to 9 p.m., and Saturday 2:30 to 4 p.m. Lap swims are offered on Monday and Wednesday only, from 9 to 10 p.m.

The price of admission is \$1 for adults and 60 cents for children, with a special rate for groups also being offered.

The pool may also be rented for groups or parties. For more information on rentals call Larry Reed at 475-7469. For more information on pool hours call 475-1425 during school hours.

Kelly Hawker Leads Wayne in Strikeouts

Wayne State University freshman Kelly Hawker finished her first college softball season with a 0.56 earned run average, the lowest on the staff.

Hawker was second on the team in wins with a 15-11 record, but led the team in strikeouts with 148.

Varsity Softball Team Takes 8th Straight SEC Title With Tourney Wins

Chelsea varsity softball team knocked off the Pinckney Pirates, 6-6, and the Saline Hornets, 3-0, to win the Southeastern Conference tournament at Milan last Saturday, and lay claim to the over-all league championship.

It was the eighth consecutive year the Bulldogs have either won or tied for the league title. This was the first year for a league tournament, which counted as one-third of the over-all championship. Two-thirds was decided by the regular season finish.

Chelsea clinched the top spot in regular season play last Thursday with a double-header sweep of the Pirates, 6-1, and 5-1, on the strength of two strong pitching performances by Pam Brown and Chris Defant.

Earlier in the week, they shut out the Tecumseh Indians in Tecumseh, 5-0 and 3-0.

"We're playing pretty good defense right now," said Chelsea coach Charlie Waller. "We brought Leah Enderle up from the JV to play shortstop, and she has helped solidify our infield. She's also a pretty good hitter."

In the first tournament game against Pinckney, Brown was the starting pitcher, but ran into trouble when play continued after a rain delay. Defant closed the game out.

Cela Murphy's two-run double in the first inning helped Chelsea to an early three-run lead.

The Bulldogs slowly built on that lead, adding their final two runs in the fifth inning on RBI singles by Jenny Cattell and Defant.

When the rain delay struck in the fifth inning, Chelsea had a commanding 8-2 lead. But the Pirates scored one run in the sixth, and three more in the seventh before Defant could put out the fire.

Brown boosted her record to 15-1 with the win.

Saline, the only league team to beat the Bulldogs this year, was the second opponent. Defant pitched all seven innings, struck out just one, walked no one, but had the Hornets hitting a lot of ground ball outs.

"Chris has been very accurate with her pitches, even though she hasn't struck out a lot of batters," Waller said.

The Hornets and Bulldogs were scoreless until the fourth inning, when Chelsea scored all three runs.

Murphy singled and was sacrificed to second by Kim Perry. Kelly Stump, Enderle, and Chandy Hurd followed with singles, good for two runs. After Cattell sacrificed, Defant singled home the third run.

Saline had two hits in both the first and seventh innings, but did not seriously threaten the Bulldogs.

In the final league games of the season against Pinckney, Brown struck out 10 batters in the opening contest for a 6-1 win.

A home run by Cattell in the first inning, followed by a single by Defant and triple by Michelle Easton, scored two runs.

Pinckney got one run back in the fourth inning, but Chelsea struck for four runs in the fifth on the strength of a bases-loaded single by Hurd. Brown's solid pitching ruled the game the rest of the way.

Defant picked up the 5-1 win in the second game, not allowing the lone run until the seventh inning.

Defant allowed just two hits and struck out seven. She didn't walk a batter.

Chelsea pecked away with one run in each the second, fourth and fifth innings, and two more in the sixth.

Enderle, batting in the lead-off spot, had two of Chelsea's eight hits.

"Leah gives us a big boost as the lead-off hitter," Waller said. "She's probably the fastest player on the team."

Defant also struck out 10 and gave up three hits in the second contest.

Chelsea had a 32-6 over-all record after last week's games.

In other action last week, Chelsea shut out Tecumseh twice on Monday, 14-0, and 3-0.

Brown struck out 10, gave up four hits, and Cattell smashed a two-run home run in the fourth inning of the opening game. Enderle also added a pair of RBI.

Defant also struck out 10 and gave up three hits in the second contest.

Chelsea had a 32-6 over-all record after last week's games.

CHANDY HURD slides safely home in the first game against the Pinckney Pirates last Thursday, which Chelsea won, 6-0. Chelsea once again proved to be the class team of the Southeastern Conference as they won the title outright in Milan last Saturday.

Frosh Softballers Sweep 4 Games

Chelsea freshman softball team swept four games the week of May 7 with 21-2 and 16-9 wins over Howell, and 13-12, and 17-14 victories over Ann Arbor Huron.

In the first win over Howell, the Bulldogs received 16 walks to go along with their four hits, and Howell also had five errors.

Jenny Smith pitched a no hitter in the five-run game, her second of the season.

Laura Unterbrink had two of the Bulldogs' hits, and added a pair of sacrifices. Heather Neibauer and Kelly Dale had the other hits.

Anna Harden walked five times and scored five runs.

Kim Ritter, at third, and Lisa Unterbrink and Kelly Dale in the outfield had outstanding defensive games, according to coach Karen Tobin.

In the second Howell game, Laura Unterbrink picked up her second win of the season as she struck out five and walked two.

Howell took a 5-0 lead in the second inning, before the Bulldogs rallied for nine runs in the fourth, and seven more in the fifth.

"We were a little shaky defensively early, but played much better late in the game," Tobin said.

Shannon Losey played an excellent game behind the plate, as did Heather Neibauer at shortstop, Lisa Unterbrink at third

base and Jenny Ghent at second base.

Ghent, Unterbrink and Smith all hit doubles, and Harden had a pair of hits.

In the opening Huron game, Chelsea scored 10 runs in the bottom of the first inning thanks to several walks. The Bulldogs managed to hold the lead the rest of the way.

"We didn't have many hits but they came at opportune times with the walks," Tobin said. "And we played strong defense when we had to."

Lisa Unterbrink had a pair of singles, and was also the pitcher of record.

In the second game, Kim Easton went 4-5, with a grand slam home run in the fourth inning to lead Chelsea to the win.

Chelsea held an 8-6 lead before Easton's blast.

Other offensive starts were Neibauer and Jeanie Heim, with two singles each, and Ghent, with a triple.

Laura Unterbrink was again the winning pitcher, going five innings. Smith pitched the last two.

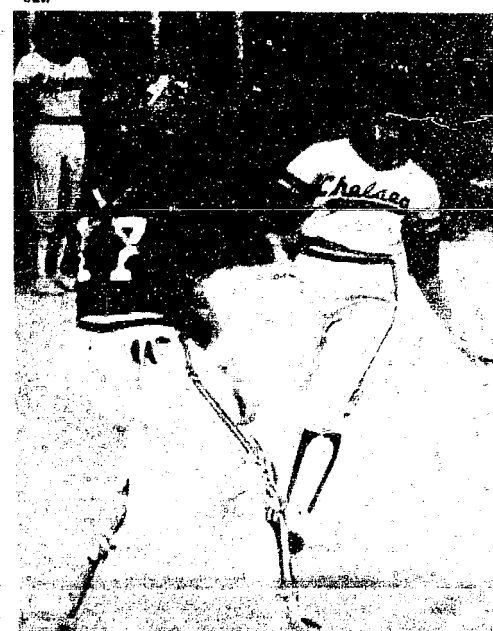

"Huron was the strongest team we have faced this year," Tobin said.

Softball Team in Pre-District Action
Chelsea varsity softball team is scheduled to play the winner of the Saline-Monroe Jefferson game in pre-district action this Friday. No matter what the outcome, the game will be away, according to coach Charlie Waller.

Subscribe today to The Standard

CONCENTRATING ON THE THROW is Chelsea third baseman Kelly Stump, as Chelsea easily beat the Pinckney Pirates at home last Thursday to clinch the SEC regular-season softball title. Stump fielded the ball cleanly and made the toss to Trisha Matloff for the out.

PREPARING TO SLIDE at the end of a home run against Pinckney, is senior second baseman Jenny Cattell. Chelsea clinched the regular season Southeastern Conference title with a double-header sweep of the Pirates last Thursday at home.

Beach Boys Track Team 4th in Invitational

Beach Middle school boys track team was fourth in a close invitational at Jackson County Western, Friday, May 9.

Lucky Beeman was second in the shot put, Phil Eassa was third, and Matt Herter, fifth.

Scott Reynolds was second in the long jump, and Mark Chasteen was third.

Holden Harris was fourth in the pole vault, and third in the mile run.

Chasteen was third in the 55-meter hurdles, and Todd Hamel finished fifth.

Herter, Reynolds, Chris Isberg and Jude Quilter finished third in the 800-meter relay.

Hamel was fourth in the 100-meter hurdles.

Reynolds placed second in the 200-meter dash.

Erich Hammer, Alex Hammerschmidt, Jim Hassett and Harris were fifth in the mile relay.

In other action, the team won its dual meet with Saline on Monday, May 12, 68-64.

Top performances were turned in by Eassa, Beeman and Herter in the shot put, who finished first through third, respectively.

JV Softball Splits 2 Double Headers

Chelsea JV softball team ran into two of their toughest opponents of the year last week as they split double headers with Tecumseh Indians and Pinckney Pirates.

The Bulldogs took a 4-2 decision in the opening game with the Indians but lost the nightcap, 9-5.

The situation was reversed against Pinckney as the Pirates won the opener, 5-4, but were murdered in the second game, 24-1.

"We didn't hit too well, but our defense was beautiful," coach Pat Clarke said of the first Tecumseh game.

Jenny Pichlik tossed a one-hitter and struck out six Indians. Chelsea took a 2-0 lead in the first inning as Allisa Dorow had a clutch RBI single.

Tecumseh tied the game in the third inning, but the Bulldogs scored one run in each the fifth and sixth innings.

Despite taking a 3-1 lead in the first inning of the second contest, the Bulldogs had perhaps their worst inning of the year in the fourth as they gave up seven runs.

"Tecumseh played very well," Clarke said.

"Their pitcher was the best we've faced all year and we couldn't get the hits to fall at the right times."

Kim Easton and Chris Basso each had doubles, but Chelsea

managed only four hits for the game.

Despite excellent relief pitching by Jenny Smith for nearly four innings, Chelsea couldn't quite overcome a 5-1 deficit at Pinckney in the first game.

The Pirates scored in each of the first three innings, but Smith shut them down for no hits or runs.

Again, the hitting was lacking as Easton's triple was one of two Chelsea hits.

The Bulldogs returned to form in the second contest to take a 24-1 win.

"I was beginning to wonder what happened to our hitting eyes," Clarke said.

"It was the same team for Pinckney in the second game. Obviously our hitting swings finally returned to form."

Chelsea opened up a 13-1 lead after two innings, and Peggy Hammerschmidt held the Pirates to three hits for the game.

Hammerschmidt also led the offense by going 4-4, including a first inning grand slam, good for half of her RBIs for the day.

Angie Miller also blasted a two-run homer and Easton ripped a pair of triples. Dorow had a pair of hits, including a double. The Bulldogs had 12 hits for the game.

The JVs have a 16-3 over-all record and a 9-2 Southeastern Conference mark.

Beach Girls Track Team Loses to Saline, Tecumseh

Beach girls track team was defeated by Saline Monday, May 12, in Saline.

Saline was dominant in the sprints, sprint relays and hurdles.

Chelsea scoring was led by the distance runners who are coached by Jerry Scharphorn.

The 800-meter and 1,600-meter were swept by Chelsea runners. Anne Steffensen ran a fine personal best 1:05.6 in the 400-meter for second place.

Shotput: first, Tiffany Moore, 29'10"; second, Scharme Petty.

High jump: third, Jeanene Rossi.

Long jump: first, Kathy Granger; second, Kim Roberts, 13'44; third, Stephanie Wagner.

55 hurdles: third, Tracie St. Vincent.

800-meter: first, Vickie Bullock, 2:41.7; second, Sara VanGunst; third, Katie Peckham.

1,600-meter: first, Sarah Grau, 6:29.6; second, Scharme Petty; third, Patty Delmonte.

100-meter: second, Jeanene Rossi, 13.9.

400-meter: second, Anne Steffensen, 1:05.6, third, Heather Keane.

70-meter: third, Christie Koch, 10.3.

200-meter: third, Tiffany Moore, 29.9.

1,600-meter relay: first, Kathy Granger, Sara VanGunst, Heather Keane and Kim Roberts, 4:38.

In other action, the Beach girls lost to Tecumseh, at Tecumseh, Wednesday, May 14, 73-50.

The scoring pattern was very similar to the Saline meet, as Chelsea again did well in the distance runs, but came up short in the sprinting events.

Vickie Bullock lowered by .02.6 her own recently established 800-meter school record to 2:34.2.

High jump: first, 4'6", Jeanene Rossi; third, Mercedes Hammer.

Shotput: second, Tiffany Moore; third, Scharme Petty.

3,200-meter: first, 13.51, Kim Roberts; second, Stephanie Wagner.

55 hurdles: third, Colleen Scharphorn.

800-meter: first, 2:34.1, Vicki Bullock; third, Sara VanGunst.

1,600-meter: first, 6:20 Sara Grau; second, Kathy Isseel; third, Patty Delmonte.

100-meter: third, Jeanene Rossi.

400-meter: second 1:05.5, Anne Steffensen; third, 1:06, Heather Keane.

100 hurdles: third, Sheila Haab.

70-meter: third, Christie Koch.

200-meter: second, Tiffany Moore; third, Deanna Richardson.

1,600-meter relay: first, Heather Keane, Sara VanGunst, Anne Steffensen, Kim Roberts.

Chelsea takes part in the league meet today in Tecumseh.

Bulldog Varsity Baseball Team Tied With Dexter In SEC Regular Season

Chelsea varsity baseball team finished the regular season in a tie with the rival Dexter Dreadnaughts, but go into this weekend's league tournament in Adrian as the number one seed.

The tournament was supposed to have been played last weekend but was postponed due to wet conditions.

A series of improbable circumstances had to occur to give the Bulldogs the top spot in the tournament.

First, Chelsea had to whip the

Pineknay Pirates twice at home, which they did, 10-2 and 8-3.

Dexter also had to sweep league leading Tecumseh, which they did in a double-header at home last Friday. The games were originally scheduled to be played on Thursday, but were cancelled at the last second and played on Friday instead. It was a controversial move because the softball teams, which also played in Dexter, managed to play both of their games.

Chelsea is seeded first because of their double-header sweep of the Dreadnaughts a couple of weeks ago.

The Bulldogs had a good chance to win the title outright, but blew a lead late in the nightcap with Tecumseh earlier in the week. They lost the game, 3-2, after winning the opener, 5-0.

The nightcap also featured an unusual move by the umpires. Tecumseh was down 2-1 in the bottom of the fifth inning with the bases loaded. At that point Chelsea coach Wayne Welton was told it would be the final inning due to darkness.

The next Indian batter hit a two-run single up the middle.

"Usually they'll tell you something like that at the beginning of the inning," Welton said. "But I'm glad they didn't tell me after the guy got the hit. I can't complain too much. We walked a couple of guys and gave them a chance."

In the first Tecumseh game, Chuck Downer pitched a three hitter, and Mark Bareis went 3-4 with a double and a triple to lead Chelsea to a 9-1 win.

The Bulldogs broke the game open with a five-run seventh inning. They pounded out 13 hits for

the game, including two each by Downer, Mark Mull and Todd Starkey.

Downer had three RBI for the game, and Ray Spencer knocked in the game-winning run in the first inning.

The victory gave Downer a 5-0 record.

The second game was "well-pitched by both teams," Welton said, as Kevin Maynard had Chelsea in a scoreless tie through four innings.

In the top of the fifth, Chelsea picked up two runs.

However, two walks, a sacrifice, a single, a walk, and the clutch hit with two out gave Tecumseh the win.

In the opening Pineknay game, Downer chalked up his sixth victory of the year as he and his teammates pounded the ball.

Chelsea held a 9-1 lead after three innings, as Mull and Starkey lashed home runs so far they stopped play in the softball games.

Chelsea jumped out to a 3-0 lead in the first inning as Murrell, Mull, Maynard, Spencer and Starkey all hit safely.

The four-run second inning was keyed by Starkey's homer.

A two-run homer by Mull in the third scored Chelsea's final runs.

The game was stopped after six innings due to an eight-run mercy rule.

Mull started his first game of the year in the second contest and pitched the entire seven innings, giving up just seven hits and two earned runs.

Again, Chelsea's bats were loaded as Mull and Maynard each had three hits, including a double and triple each. Downer had two hits, including a double, and Matt Bohlander added two singles.

The Bulldogs fell behind, 2-1, after the first inning, but tied the game in the second inning. They rallied for three runs in the third, fourth and fifth innings.

Chelsea is 18-8-1 over-all. The Bulldogs face Linden this Friday in a pre-district game at Linden, and play a double-header at Perry tomorrow.

Many of the SEC teams play their pre-district games on Friday. If any of them are rained out, the SEC tournament will not be played.

RON SMITH was the winner of \$15 for being closest to the pin on hole 5 at the third men's scramble last Sunday, May 18. Dudley Holmes, Jr., won a golf glove for being closest to hole 7.

KEVIN MAYNARD raps a base hit against the Pineknay Pirates in home action last Thursday. Maynard had a good day at the plate, as did several of his teammates, and Chelsea swept the double-header from the Pirates and tied Dexter for the regular-season SEC championship.

JV Baseball Team Sweeps Final Four

Chelsea JV baseball team won its final four league games of the year, with a 5-4 and 9-6 sweep of Tecumseh, and a 7-1 and 13-0 drubbing of Pineknay.

Chelsea led throughout the initial Tecumseh game, until the Indians picked up two runs in the seventh inning to take a one-run lead.

But the Bulldogs rallied for two runs in the bottom of the inning on a clutch two-run single by Matt

Kemp, scoring Bobby Clouse and Clay Hurd.

Randy Ferry was the winning pitcher. Chelsea had eight hits for the game, two by Greg Boughton and a double by Junior Morseau.

The second contest was a close game most of the way, and in the top of the fifth inning Chelsea held a 4-3 lead.

However, Chelsea scored three runs in the bottom of the inning, and two more in the sixth to hold off the charging Indians, who scored three in the sixth.

Scott Lindsay picked up the win and Tim Anderson was credited with a save.

Kemp, Lyerla, Scott Gietzen and Anderson each had two hits. Anderson rapped a home run and had two RBI, and Gietzen and Lyerla each had two RBI.

In the first game with the Pineknay Pirates, Junior Morseau struck out 13 batters to lead his team to the 7-1 win.

Chelsea held a 2-1 lead after three innings, but rallied for four runs in the fifth inning.

Kemp had two hits, and Morseau added two hits, with a double.

The Bulldogs took an 8-0 lead after an inning and a half in the second game, but saw that lead dwindle to 8-5 by the bottom of the second.

Tough relief pitching by Ferry held the Pirates in check for the latter part of the game.

A four-run sixth inning gave Chelsea a commanding lead.

Brian Coy had three of Chelsea's 10 hits, including a double and triple for three RBI. Clouse and Ferry each had two RBI.

Todd Sprague Has Best Toss of Season

Chelsea's Todd Sprague, a junior at Western Michigan University, took third place in the shot put at the Red Simmons Invitational in Ann Arbor.

Sprague had his best effort of the season with a 50' 11 1/2" toss.

Let Us Know Your Softball Results

Is your softball team doing exceptionally well this year, or has there been some spectacular plays which no one has shared in print to date? Just give The Dexter Leader or The Chelsea Standard office a call—our staff will be glad to help provide the readership with a story woven around the facts. We need to know who, when and where, however. Give us a try!

In 1929, Massachusetts pioneered by creating the first bureau of labor statistics in the world, according to "The Origin of the U.S. Department of Labor," available from the department's Office of Information and Public Affairs in Washington, D.C.

SPORTS NOTES

BY BRIAN HAMILTON

For the eighth straight year, the Chelsea varsity softball team won or tied for the Southeastern Conference championship.

The girls track team was far and away the best in the league, and took second place, two points out of first, in last week's regional meet. There were 20 teams in that meet.

The baseball team tied with Dexter for the regular-season championship, although they beat the Dreadnaughts twice. Had they played all seven innings of their second game against Tecumseh last week, they might be in first all by themselves.

The JV softball team has won out just about everyone they've played. Most of the games have been so lopsided that even Rocky couldn't have saved most of the Bulldogs opponents.

The JV baseball team has won 10 of its last 11 games and beat everyone in the league twice except Saline.

Yes, it's been an invigorating sports season in Chelsea this spring. What's even better is that most of these teams have so many good young athletes that they're bound to be just as competitive for at least the next few years.

Congratulations to the varsity softball team. Even if you don't win another game, it's been a heck of a year. But, for many Chelsea softball fans, this is when the season really starts. The rest is just practice.

Bill Bointon should get a round of applause for the job he's done with the girls track team. The unexpected strength of the sprinters has made Chelsea the class of the league.

Wayne Welton would probably be just as happy if no one congratulated his baseball team just yet. They have a tough pre-district game this Friday against Linden, a team with a 25-4 record. They also have the league tournament at Adrian Saturday. It'll be a trying two days.

The organizers of last week's regional track meet should take a bow. More than 60 adults and 50 students made that huge undertaking run as smoothly as a Rolls. It's always a pleasure to attend a meet here.

In the what's-going-on-here department: It must have rained like fallout from Chernobyl in Adrian last Friday night to make it necessary to cancel Saturday's league baseball tournament. The girls managed to play their softball tournament in Milan, which isn't all that far from Adrian. It's likely there won't even be a league tournament this year. If any of the league teams has its pre-district game rained out this Friday, it'll have to be played on Saturday. That'll mean so long to the tournament.

Lost in the shuffle of the Chelsea softball team retaining its Southeastern Conference title, and the other accomplishments mentioned above, is a remarkable sports feat.

In fact, it may belong somewhere in "Wehrwein's Believe it or Not," or maybe, "That's Incredibly."

Mike Westhoven, a junior, went out for the track team for the first time this season, as has about 99 percent of Bill Wehrwein's team. One of the events he chose to try was the pole vault, the most difficult field event to master. It takes a combination of Curtis Heard's speed, Bogdan's upper body strength, and the co-ordination of Mary Lou Norton to even think about trying it in the first place. Then an athlete has to master the technique, which is similar to many gymnastics maneuvers, but a lot higher off the ground.

It also takes a lot of guts. One slip of the hands and a vaulter can come crashing down head first on the pavement. Occasionally one of the poles breaks.

There's no more difficult skill in all of high school sports.

Mike, in the first competition of his life, vaulted 11' 6". Many high school athletes spend four years working at the pole vault and never break 11'. At the Pineknay meet, he bettered his initial mark by a mere foot. He might well win the league meet this afternoon.

People like Mike are born with that kind of talent, the same way Larry Bird was born to terrorize the NBA. The challenge is to find that ability and make the most of it, which Mike is certainly doing.

Now, can the kid play quarterback?

Help STOP! The New TRASHING of Michigan

THEY DID IT TO US in 1976 and now they're doing it again. Instead of listening to the will of the people, the Michigan Legislature is listening to the high-powered lobbyists by vetoing mandatory deposits on wine cooler containers sold in Michigan.

The lobbyists say wine coolers are just a passing fad—that the wine cooler industry is just getting off the ground. THAT'S NONSENSE! According to the nationally-respected Advertising Age magazine, the wine cooler market grew by staggering 216 percent in the first half of 1985 alone! And contrary to what the lobbyists say, this is not a cottage industry run by mom and pop out of their garage. The big names in the wine cooler business like Seagrams, Heublein, Gallo, and Schenley Imports are hardly newly hatched businesses just getting started.

Clearly, the time has come to say no to the high-powered lobbyists and yes to keeping Michigan clean and green. Wine coolers are despoiling our state's magnificent outdoors like beer and pop containers did a decade ago. You can act now to stop this new threat!

Please complete the attached coupon and send it today to the Michigan United Conservation Clubs so we can stop this new trashing of Michigan. We'll rush you a petition packet, complete with instructions so you can begin gathering these vital signatures. Don't delay! Do it now! Petitions must be filed by July 1 in order to qualify.

The Lansing money machine won the first battle. Now it's our turn to fight back! Working together, we the people can win a victory for conservation in November!

U-M Family Practice Center

★ ALLERGIES ★

Spring is the time of the year when many people become aware of their allergies. This information is about two common allergies, poison ivy and hay fever.

POISON IVY—Been pulling weeds or burning brush and then have a rash appear? Maybe it's poison ivy.

The itchy blisters of poison ivy usually show up in a straight line pattern and last from 7 to 14 days. Calamine type lotions or sprays may be applied directly to ease the itchy rash. In severe cases, an oral antihistamine may be needed to relieve the itching along with a hydrocortisone cream to apply to the skin rash.

Many people believe you can catch poison ivy from someone who has it. The rash cannot be spread to other people nor can it be spread to other areas of the body from the blister fluid itself. The culprit is the poison ivy resin (an oil on the plant) which causes the rash. Because it is spread in this manner, it is important to bathe and wash all the clothes that were worn when the contact occurred. If the poison ivy resin is not eliminated through washing, it can be spread through the clothing or body part that made contact with the plant.

Once you know you are allergic to poison ivy, avoidance becomes the key issue. Steer clear of areas that look suspicious for poison ivy. Poison ivy plants are characterized by their three leaves.

HAYFEVER—Itchy eyes and runny nose? Maybe it's hay fever. Hay fever, or allergic rhinitis, is a seasonal reaction to inhaled allergens. If you have symptoms year round, it may mean you have perennial allergic rhinitis. Although these allergic reactions affect more than 20 million Americans in all age groups, they are particularly likely to occur in young children and adolescents.

The usual symptoms include sneezing, itchy and watery eyes, and a profuse watery nasal

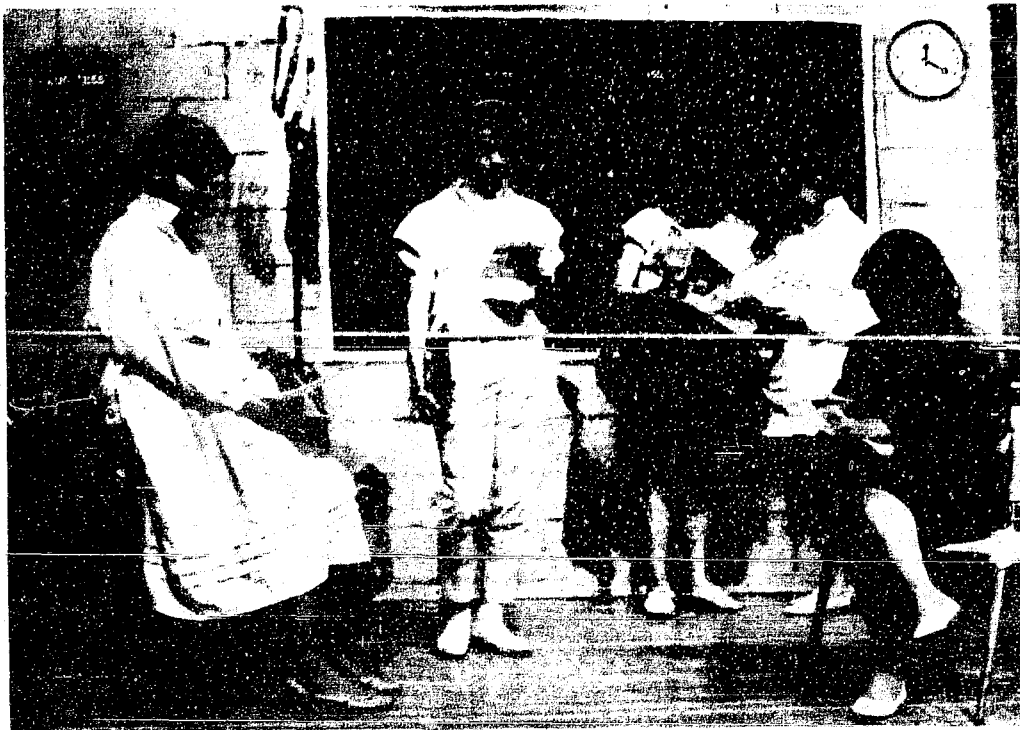

LINDA WARREN, R.N.

discharge. Allergens flourish at different times of the year and the seasonal variation can lead one to suspect allergy as the cause. Spring allergens are typically tree pollens; summer allergens are grass pollens; and early fall allergens are weed pollens. Perennial allergens include house dust, feather pillows, cigarette smoke, mold, and animals, particularly household pets.

Symptoms can be helped by decongestants, antihistamines or combinations of both. Severe or resistant flareups may require drug therapy with steroids. Long-term treatment may require injections of the substance to desensitize the affected individuals.

Helpful home measures may include sleeping with the window closed; using an air conditioner to filter moisture and dust; avoiding countryside exposures during the pollination times and a pet free environment.

Finding the cause of the symptoms can lead to better control of symptoms and more individual comfort.

BEACH PERFORMERS will present three plays May 27 and 28, including "Help!", "Dear Gabby," and "An Arabian Knight." The plays, beginning at 9 a.m. on May 27, and 9 a.m. and 1:10 p.m. on May 28, are being performed by speech and drama classes. Friends and relatives are invited to attend. A 10 cent donation is asked to

cover the cost of royalties for performing the plays. Above, from left, in a scene from "Dear Gabby," are Tim Peiter, Kim Roberts, Sheri Stephens, Chad Raymond, Dianne Monroe and Al Gleason, all eighth graders.

AIDS Carriers Notified If Tests Prove Positive

"Notifying carriers of the AIDS virus can go a long way to slow the spread of the disease. Once people know that they are potentially infectious for the AIDS virus, they will be able to take precautions to protect their loved ones and sexual contacts. In addition, such individuals are excluded from further donations, thus protecting the blood supply. That is what's behind the American Red Cross policy of notifying blood donors who test positive for antibodies to the AIDS virus,"

said A. William Shafer, M.D., director, American Red Cross Blood Services, Southeastern Michigan Region.

He pointed out that the Red Cross is very aware of the fears and concerns associated with a positive test result and takes steps to avoid unnecessary notification. Two tests are used to determine whether or not a blood sample contains antibodies to the AIDS virus. The first is a highly sensitive test that is used to screen out any potentially infec-

tious units from the blood supply. If a unit tests positive, it is not used for transfusion and samples from the unit are then tested by a second, more specific test. It is only after the samples test positive on the second, more specific confirmatory test, that donors are notified of the results.

"We feel we have a dual role in carrying out our Blood Services programs," Dr. Shafer said. "First, we have a role to protect the patients who receive blood transfusions. The volunteer donor

system, screening guidelines, and the tests for antibodies to the AIDS virus are very effective in making blood for transfusion as safe as possible. But just as important, we have a role to protect the voluntary blood donors from unnecessary or erroneous notification."

HSHV Dog Walkathon 'Successful'

For the Humane Society of Huron Valley, Saturday, May 10 turned out to be a very special day, in more ways than one. The weather was extremely co-operative for their seventh annual Dog Walkathon, as hundreds of eager walkers and their dogs arrived to demonstrate their support for the Humane Society.

Approximately 400 walkers traveled six miles or more of scenic country roads to raise money for emergency rescue and cruelty investigation programs. To everyone's delight, Walkathon '86 proved to be one of the most successful fund-raising events in the history of the Humane Society.

"We surprised ourselves by surpassing our goal of \$30,000," stated Julie Morris, HSHV executive director. "We received more than \$35,000 in pledges. Hopefully all of this money will be collected from the sponsors." Ms. Morris reported that this amount will be very helpful to the cruelty investigation and emergency rescue programs, as it represents approximately one-half of the cost of operating this department for one year.

Walkers have until June 15 to turn in their pledges to the HSHV. At that time prizewinners will be determined. The names of the winners and the corresponding prizes will be announced later.

Legal Notice 19

MORTGAGE SALE—Default having been made in the terms and conditions of a certain mortgage made by DANIEL C. LARSEN and ELIZABETH MORGAN LARSEN, husband and wife, of Dexter, Washtenaw County, Michigan, Mortgagees, to Bank of the Commonwealth, now known as Comerica Bank, Detroit, Michigan, dated the 1st day of March, 1978, and recorded in the office of the Register of Deeds for the County of Washtenaw and State of Michigan, on the 31st day of March, 1978, in Liber 1529 of Washtenaw County Records, on page 842, on which mortgage there is claimed to be due, at the date of this notice, for principal and interest, the sum of Sixty Thousand Nine Hundred Seventy-six and 00/100 (\$62,976.00) Dollars; And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof. Now, therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on Thursday, the 19th day of June, 1986, at 10:00 o'clock a.m., Local Time, said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the west entrance to the Washtenaw County Building in Ann Arbor, Michigan (that being the building where the Circuit Court for the County of Washtenaw is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at Eight & 3/4 per cent (8.75%) per annum and all legal costs, charges and expenses, including the attorney fees allowed by law, and also any sum or sums which may be paid by the undersigned, necessary to protect its interest in the premises. Which said premises are described as follows:

All of the certain piece or parcel of land situate in the Village of Dexter in the County of Washtenaw, and State of Michigan, and described as follows to-wit:

Land in the Township of Scio, Washtenaw County, Michigan, Commencing at the South 1/4 corner of Section 9, Town 2 South, Range 15 East, Township of Washtenaw County, Michigan; thence North 55 degrees 17 minutes, 30 seconds, West 517.60 feet; thence South 53 degrees 34 minutes East 307.28 feet along the centerline of Dexter Road for a distance of 132.04 feet; thence South 55 degrees West 528.20 feet; thence along the center line of Dexter Road North 53 degrees 34 minutes West 283.49 feet to the Place of Beginning, being a part of the Southeast 1/4 of said section 9.

During the twelve months immediately following the sale, the property may be redeemed.

Dated at Rochester, Michigan, March 30, 1986.

Chelsea Village Council Proceedings

May 6, 1986

Regular Session.

The meeting was called to order at 7:30 p.m. by President Satterthwaite.

Present: President Satterthwaite, Clerk Rosentreter, Village Manager Weber and Assistant Village Manager Fahrner.

Trustees Present: Steele, Radloff, Boham, Bentley, Merkel and Kanten.

Others Present: Police Chief McDougall, Zoning Inspector Harook, Superintendent of Public Utilities Hafner, Cecil Clouse, Art Machnik, Brian Hamilton, Brenda Foster, Fritz Belser, Charles Belser and Earl Heller.

Motion by Steele, supported by Kanten, to approve the minutes of the regular session of April 15, 1986 as submitted.

Police Chief McDougall submitted the Police Department Report for the month of April 1986.

The regular meeting was recessed at 7:32 p.m. for Zoning Board of Appeals meeting.

Regular meeting resumed at 7:40 p.m.

In public participation, Earl Heller and Charles Belser discussed the possibility of having a Chelsea Building Inspection Department. President Satterthwaite appointed Trustees Radloff and Merkel as a committee to study this matter.

The following bids were received for reconstructing West Middle Street from the Village parking lot to Grant Street:

Ajax Paving Industries, Inc., \$67,758.95

Holloway Construction Co., \$63,059.00

Thompson-McCully Company, \$68,330.00

Motion by Radloff, supported by Bentley, to approve the low bid of Ajax Paving Industries, Inc., in the amount of \$67,758.95. Roll call: Ayes all. Motion carried.

One bid was received for a new Public Works dump truck.

Motion by Radloff, supported by Merkel, to reject the one (1) bid and advertise for bids from the surrounding area. Roll call: Ayes all. Motion carried.

CATV Pole Lease Agreement was discussed.

Motion by Merkel, supported by Bentley, to renew the Pole Lease Agreement with Clear Cablevision under the same terms and conditions of the present agreement. Roll call: Ayes all. Motion carried.

Mayor Exchange Day will be May 19, 1986 with Brighton.

Motion by Boham, supported by Merkel, to purchase a Hydra-Stop water main tapping machine for the sum of \$18,485.00 from water department funds. Roll call: Ayes all. Motion carried.

A work session on a policy for development of private property was scheduled for Tuesday, June 10, 1986 at 7:00 p.m.

RESOLUTION RE: TRANSFER OF FUNDS

RESOLVED, that the sum of \$34,528.00 be transferred from the Electric Fund to the Sewer Fund to pay engineering fees due Finkbeiner, Pettis and Strout, Ltd., for design work on the Wastewater Treatment Plant Improvement Project; and

BE IT FURTHER RESOLVED, that the same sum be transferred back to the Electric Fund from the Sewer Fund upon sale of General Obligation Bonds designated for the above mentioned project.

Motion by Bentley, supported by Steele, to adopt the above resolution as read. Roll call: Ayes—Bentley, Boham, Merkel, Kanten and Steele. Nays—Radloff. Motion carried.

Motion by Bentley, supported by Radloff, to enter into an agreement with Charles Trinkle to plant crops on vacant lands in the Industrial Park on a 1/2-1/2 basis.

Roll call: Ayes all. Motion carried.

President Satterthwaite thanked Zoning Inspector Harook for the clean-up and yard work at Sharp's property on South Street and also thanked Chelsea Industries for the planting of trees on Main Street.

Motion by Steele, supported by Merkel, to adjourn. Roll call: Ayes all. Motion carried. Meeting adjourned.

Phil Sutton Earns Ford Recognition For Sales Record

Ford Division has announced that Phil Sutton, of Palmer Motor Sales, has earned Master Level membership in the 300/500 Masters Program for outstanding sales accomplishment in 1985.

Sutton and his wife, Jacqueline, live with their daughters, Pam and Chris, at Big Wolf Lake, Grass Lake.

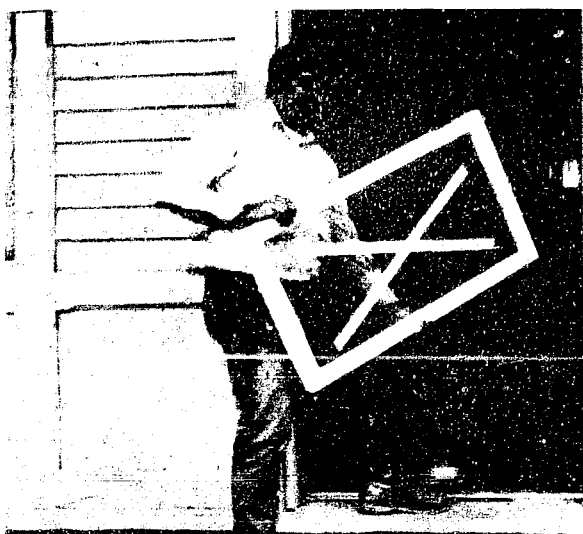

Humane Society Offers Free Dog Grooming Clinic

Is your poodle commonly mistaken for a sheep? Or maybe your collie is shedding uncontrollably. Do you envy the sleek, shiny coat on your neighbor's Black Labrador? Don't despair—you too can own the most well-groomed dog on the block.

Discover the secrets of canine coat care at the Grooming Clinic sponsored by the Humane Society of Huron Valley on Tuesday, May 27. Instructors from the Ann Arbor Kennel Club will be on hand to give valuable tips on topics such as grooming, nail care, bathing pointers and coat care. Grooming demonstrations of different breeds will be given by the instructors. There will also be a question and answer period.

The clinic will be held from 7 to 9 p.m. at the HSHV Community Education Building, 3100 Cherry Hill Rd., Ann Arbor. It is free to the public but please, leave your pets at home.

Relevant pet care literature will also be available at no cost. For directions and/or additional information call the Education Department at 662-5545.

MICK PELLETIER begins to carry one of nine regilded transoms into the Chelsea Depot, part of the on-going restoration project. The

frames are 106 years old; the panes are new double thick insulating glass.

How Speech Sounds Develop

By Ann Andraska and Jean Meconi
Chelsea Schools Speech Therapists

The newborn baby starts his speech development with the birth cry. Soon he has many different types of cries. Toward the end of the second month he begins his babbling and vocal play. From babbling the child passes into the falling stage. Now, he begins to repeat sounds or syllables he himself has produced.

The imitative process of speech has started. The infant is now learning to listen to sounds about him. Speech noises made by members of his family begin to have meaning when the words represent things in his personal experience.

Soon his responses with appropriate bodily movements to words and phrases pronounced by others show that he is increasing in understanding. When this understanding goes hand in hand with his ability to discriminate between speech sounds, we say "he understands."

The child listens. He imitates the sounds of pets and noises in his environment. He imitates the speech about him. He is learning a language. He is now ready to manipulate the delicate muscles of the mouth and face and understand and interpret what is said to him. Vocabulary develops rapidly.

In this process of listening and speaking, the child develops the foundation for effective language.

Appearance of the Speech Sounds - sequence:

1. The child's first sounds are vowels.
2. The combinations of vowels appear next.
3. Soon consonant sounds are formed.
4. Then vowels and consonants are combined in words.

Development of Consonant

Sounds - Average Ages of Sound Mastery:

Age Sounds Mastered
3½—/p, b, m, w, h/ and all vowels
4½—/t, d, n, g, k, ng, y/
5½—/f/
6½—/v, zh, sh, l/ and voiced /th/
7½—/z, s, r, hw/, voiceless /th/, /ch, j/

Some Factors Motivating Normal Development:

1. Need for speech
2. Good speech models
3. Comfortable environment
4. Conversation directed to child
5. Good oral muscle coordination
6. Hearing within normal limits

Checklist—One should be concerned about a child's speech when any one or more of the following conditions exist:

1. The child is not talking at all by age 2.
2. Speech is largely unintelligible after 3.
3. Sounds are more than a year late in appearing, according to

U-M School of Public Health Gets Cancer Research Grant

The University of Michigan School of Public Health has been awarded a two-year, \$170,000 grant from the American Cancer Society to study obesity and cancer in women in Tecumseh.

Leading the research project will be Kazim Sheikh, M.D., assistant professor of epidemiology at the U-M school.

Dr. Sheikh said that the project will explore the relationship between obesity and cancer in women through examination of characteristics such as types of obesity, body frame, diet and patterns of change in obesity over time. Risk factors such as physical inactivity, family history of cancer, cholesterol, smoking and alcohol consumption will also be examined.

"The risk of cancer in women does not seem to be declining," Dr. Sheikh observed. "We know that environment, including diet, has something to do with causing cancer and that obesity is associated with an increase in breast cancer after menopause. However, inherited characteristics may also play a role as well. We hope that by obtaining more information we will be able to narrow the search for clues."

While the primary focus of the research will be on cancer in women, the study will update information on cancer among male participants as well.

"This U-M School of Public Health research project is being made possible by the co-operation of the people of Tecumseh," Dr. Sheikh said.

For more than 27 years, the residents of Tecumseh and the surrounding rural area have taken a part in a unique study of health and disease. The design of the Tecumseh study was inspired by the late Thomas Francis, Jr., M.D., former chairman of epidemiology at the U-M school, who viewed epidemiology as human ecology.

Characteristics of the human population and of the physical, biological and social environment are being investigated by a number of U-M public health researchers to detect the origins of disease. Persons of both sexes and all ages were examined first

Elderly Couple Bilked In Roof Repair Scam

Two elderly McKinley St. residents were apparently bilked out of an undetermined amount of money by three men who wanted to do some quick roof repairs on their homes.

According to police, the men came to the door of the home, and claimed the couple owed them \$100 for roof repairs they had asked for.

When the woman resident said she didn't think they owed them the money, the men said some of the shingles on the roof were peeling up and that they would repair them for \$16.

The couple agreed to the repairs since they would be performed so cheaply, police said.

One of the men went up on the roof to allegedly perform the repairs, and when he returned, he said the couple owed him \$60 for the repairs. He also took the woman resident outside to show her that the chimney supposedly needed repair work.

When they were outside, one of

the other men entered the house through the back door, and apparently convinced the man to give him some money.

On the complaint, the woman said her husband "doesn't think too good anymore," and probably had given the man about \$100.

The men were described as two "fat men," and another "foreign-looking" man.

"They were probably gypsies," said Chelsea Police Chief Lenard McDougall. "Every year we get one or two complaints like this. People should do business with established businesses, and be very careful about anyone who tries to get business by knocking on your door."

During 1985, women's median weekly earnings were \$283 in the fourth quarter of the year, an advance of 4.8 percent, or \$13 over the year, according to a report of the U. S. Department of Labor.

+ AREA DEATHS +

Katie Carpenter

1214 Meadowlane
Chelsea
Mrs. John (Katie) (Smith) Carpenter, 86, 1214 Meadowlane, Chelsea, died Wednesday, May 14 at her home.

She was born Aug. 20, 1899 in Hartford, Ky., the daughter of Samuel and Lucy (Jones) Martin. On Sept. 17, 1914 she married John Homer Smith. He died Nov. 25, 1963. She later married John W. Carpenter on Oct. 1, 1966, and he survives.

Other survivors include one daughter, Mrs. William (Hazel) Dittmar, of Chelsea; five grandchildren, James Dittmar, of Chelsea, Joan Dittmar, of Wayne, Judy Fith, of Ann Arbor, Janet McPherson, of Howell, and Jean LaJoy, of Canton; 10 great-grandchildren; two great-great-grandchildren; and several nieces and nephews.

Mrs. Carpenter was a member of Immanuel Bible church, Chelsea, and a former member of the First Baptist church, Wayne.

Funeral services were held Friday, May 16 at the Cole-Burghardt Funeral Chapel, with the Rev. Ronald Wayne Clark officiating. Burial was in Cadillac Memorial Garden West.

Memorial contributions may be made to In Home Nursing Care or to the First Baptist church, Wayne.

Elita Borders, Sr.

210 North St.
Chelsea
Elita Borders, Sr., 72, 210 North St., died Wednesday, May 14 of cancer at his home.

He was born March 14, 1914 in Ashland, Ky., the son of Charles and Artie (Scaggs) Borders. On Dec. 25, 1936 he married Anna Roark in Ashland, and she survives.

Other survivors include two sons, Ronald Gene and Elita Borders, Jr., both of Chelsea; one daughter, Sheila K. Gay, of Traverse City; nine brothers and sisters, Herman Borders, Ishmal Borders, Dora Brown, Beulah Forbes, Nora Hogan, and Treva Young, all of Ashland, Medora Borders, of Covina, Calif., Mildred Frazier, of Caslettsburg, Ky., and Lavonda Cooper, of Ohio. He was preceded in death by his son, Leo, in 1966, one brother, Harold, and one sister, Cleary Borders.

Mr. Borders had resided in Chelsea since Aug. 17, 1952. He retired from Dana Corp. in 1976 after 25 years of service.

Funeral services were held Saturday, May 17 at the Cole-Burghardt Funeral Chapel, with Pastor Erik Hansen, of the Chelsea Christian Fellowship, officiating. Burial was in Oak Grove Cemetery.

Memorial contributions may be made to Individualized Home Nursing Care, Inc., care of Citizens Trust Co., 100 S. Main St., Ann Arbor 48104.

Arrangements by Cole-Burghardt Funeral Chapel.

Emma K. Finch

725 W. Middle St.
Chelsea
Emma K. Finch, 88, 725 W. Middle St., died Tuesday, May 13 at the Chelsea United Methodist Retirement Home following a brief illness.

She was born Nov. 4, 1897 in Mishawaka, Ind., the daughter of Henry and Mary (Eberlein) Schmidt. In 1923 she married Jesse Finch in Washington D.C., and he preceded her in death in 1951.

Survivors include a son and daughter-in-law, Gerald and Pat Finch, of Okemos; grandchildren Lori Ryan, Susan Lee, Nancy Finch, and Arthur Walker; and one great-granddaughter, Melissa Lee. She was preceded in death by a grandson, David Finch, in 1985.

Mrs. Finch was reared in Mishawaka, and had lived in Detroit prior to moving to Chelsea in 1972. She was the valedictorian of Mishawaka High school class of 1914. She was a 1916 graduate of Indiana University, where she was a member of the women's varsity basketball team. She was also a member of the Outer Drive Faith Lutheran church.

Funeral services were held Thursday, May 15 at 11 a.m. at the Chelsea United Methodist Retirement Home chapel, with the Rev. James Simmons officiating. Burial was in Evergreen Cemetery, Lansing. The family received friends at the Staffan-Mitchell Funeral Home.

Memorial contributions may be made to the Chelsea United Methodist Retirement Home.

Clyde Wheeling, Jr.

2358 Loeffler Rd.
Chelsea
Clyde Louis "Louie" Wheeling, Jr., 46, died Tuesday, May 13 at Chelsea Community Hospital, from injuries sustained in an automobile accident.

He was born Oct. 30, 1939 in Birmingham, the son of Louie Clyde and Ruth (McAtee) Wheeling. On Dec. 12, 1970 he married Katherine M. Gorton in Ypsilanti and she survives.

Other survivors include his mother, Ruth, of Homosassa, Fla.; a brother, John William, of Livermore, Calif.; two sisters, Mrs. William (Charlotte) Aldrich, of Homosassa, and Mrs. Donald (Dorothy) Kepler, of Ann Arbor; and several aunts, uncles, nieces and nephews. He was preceded in death by his father on Jan. 6, 1984.

Mr. Wheeling had been a Chelsea resident for 40 years, and was a member of the Independent Order of Foresters. He was formerly employed at Whittaker and Gooding.

Funeral services were held Saturday, May 17 at the Staffan-Mitchell Funeral Home, with Robert Erickson, pastor of the Anabaptist church of Pinckney officiating. Cremation followed.

Josephine Mynning

Scio Township
Josephine Mynning, age 92, of Scio township, died Friday, May 16, at St. Joseph Mercy Hospital, Ann Arbor.

She was born March 24, 1894, in Papineau, Ill., the daughter of Joseph and Clairisa Mercier.

She had been a resident of the Ann Arbor area for the last 74 years, and was a member of St. Thomas Catholic church and the Altar Society.

She was a volunteer for the Washtenaw county chapter of the American Red Cross for many years.

In 1920, she married Donald Mynning. He died Oct. 19, 1965.

She is survived by two daughters, Mrs. Joseph (Yvonne) Clisham of Ann Arbor; Mrs. John (Jacqueline) McGinn of Whitmore Lake; three sons, Donald M. Mynning, Jr., of Dexter, Russell J. Mynning of Ann Arbor; James L. Mynning of Chelsea; a sister, Mrs. Rosella Marcotte of Bourbonnais, Ill.; a brother, Isaac Mercier of St. Petersburg, Fla.; 20 grandchildren; 32 great-grandchildren, and several nieces and nephews.

She was preceded in death by three brothers and two sisters.

Funeral services were held at 10 a.m. on Monday, May 19, at St. Joseph Catholic church, Dexter, with the Rev. Fr. David F. Howell officiating.

Burial followed in St. Thomas Cemetery, Ann Arbor.

The rosary was recited, Sunday, May 18, at the Hosmer Funeral Home.

Arrangements by the Hosmer Funeral Home.

Mary Chedester

4020 Pingree Rd.
Howell
Mary L. Chedester, 49, 4020 Pingree Rd., Howell, died Monday, May 5 at McPherson Community Health Center.

She was born April 11, 1937 in Ann Arbor, the daughter of John and Cella (Altenberg) Otto. She married Ronald R. Chedester, and he survives.

Other survivors include a daughter, Kelly; a son, Kyle; two sisters, Jeannie Richmond and Barbara Flores, both of Gregory; and her parents.

Mrs. Chedester was employed at Pilot Plastics Co., Dexter.

Funeral services were held Thursday, May 8 at the Lamb Funeral Home, Howell, with the Rev. Herbert Thompson, of Wright's Corners church of God, officiating. Cremation followed.

Talk about your big fish stories. Biologists at Michigan State University are exploring ways to produce 70-pound salmon by placing eggs in warm water, reports International Wildlife magazine. The higher temperature prevents fish from undergoing a key growth stage, making them sterile and overdeveloped.

James McFarland

5446 Shepler Rd.
Stockbridge
James J. McFarland, 52, 5446 Shepler Rd., Stockbridge, died Wednesday, May 7 at home.

He was born Oct. 12, 1933 in Lakeville, Ky., the son of Roscoe and Betty (Wireman) McFarland. On Dec. 13, 1958 he married Pauline Minix, and she survives.

Mr. McFarland was a member of the U.S. Army and served in Korea.

Funeral services were held Monday, May 12 at the Caskey Funeral Home, Stockbridge, with the Rev. Robert Castle officiating. Burial was in Oaklawn Cemetery, Stockbridge.

Births

A daughter, Nicole Christina, on Tuesday, April 15, to Lynda and Chris Collins of Chelsea. Grandparents are Paul and Jeanne Heathfield of Detroit, Dorothy Collins of Lansing, Norene Aello of Chelsea, and the late Jack Collins. Great-grandmother is Ardie Collins of Stockbridge and great-grandparents are Mac and Euhalee Packard. Nicole's sisters are Kelly, Michelle, Kim, Danielle, Shannon and Erin and brother Danyon.

A son, Andrew Philip, Friday, May 2, to the Rev. and Mrs. Philip Farnsworth of Chelsea. Grandparents are Mrs. Frances Farnsworth of Lansing and Mr. and Mrs. Albert Decker of Clawson. Andrew has two brothers, Nathan, 12, and Wesley, 2.

Fencing, Posts Stolen from Farmers' Supply

More than \$550 worth of fencing and fence posts were taken from the Farmers' Supply store sometime during the week-end of May 10.

According to police, someone stole the merchandise, that was stored outside, sometime between noon on Saturday and 7:30 a.m., Monday.

Missing were five rolls of fence worth \$375.85, and 240 fence posts worth \$482.

The case is under investigation.

EVERYBODY AND HIS ASSISTANT was on hand to help out for the regional track meet last Friday afternoon and evening at Chelsea High school. Tom Davis, Chelsea school superintendent Ray Van Meer, left, and assistant superintendent Fred Mills, had to keep a keen watch on the finish line. They were among the more than 60 adults and 50 students who worked at the meet.

CHRISTINE FRANCES GUINAN graduated May 10, from Grand Valley State College. She received a Bachelor of Science degree in psychology and criminal justice, with an emphasis in juvenile corrections. Throughout her four years at GVSC, she has maintained a grade point average over 3.0. Last summer, she did her internships at the Washtenaw County Circuit Court and Juvenile Court. Now graduated, she is seeking employment in the courts or the mental health profession. She is the daughter of Robert and Mary Guinan of Waterloo Rd. Christine is a 1982 Chelsea High school graduate.

Fair Board Acts on Some Routine Items

Many activities kept most of the fair directors from the April 17 Chelsea Community Fair Board meeting. No official actions were taken.

The regular May 15 meeting was called to order by President Bill Stoffer. Other officers present were Jerry Herrick, vice-president; Lloyd Grau, executive vice-president; Maryann Guenther, secretary; and Mark Staphis, treasurer.

Directors present were Jim Dault, Tom Dault, Harold Gross, Earl Heller, Jerry Heydlauff, Jeff Layher, Mark Lesser, Reuben Lesser, Jr., Ralph McCalla and Don Koenigeter.

Absent were Archie Bradbury, Richard Bollinger, John Klink, Gary Houle, Charles Koenn, Joe Merkle, III, Harold Trinkle and Ed Whitaker.

The secretary's and treasurer's reports were read and accepted and a few pieces of correspondence were presented.

Mark Staphis, manager of the Fair Service Center, submitted his resignation, effective as soon as another manager can be found. Mark will continue with the commitments he has already made.

VOILA! A NEW TOY AWAITS those youngsters agile enough to climb on it, thanks to the dedicated efforts of North school parents and

other volunteers. And it was all built in less than a day.

NORTH SCHOOL PARENTS put in some heavy hours last Saturday as they constructed a tire monstrosity for the children to play on. Village equipment was used to dig the deep holes to sink the huge posts.

TIRES WERE BOLTED TOGETHER by skilled parents in the creation of the latest piece of North school playground equipment. 18 tires in all were bolted and threaded together, and strapped to the utility poles.

Hospital Auxiliary Plans Flea Market

Chelsea Community Hospital Auxiliary will hold its first annual Flea Market on Saturday, July 12 at the Chelsea fairgrounds from 8 a.m. to 4 p.m.

Merchants will purchase booth space, but will keep all profit from sales. Booths will be set up both inside and outside the merchant building.

All publicity for the event will be handled by the auxiliary. However, exhibitors must bring their own tables and set up their displays.

The auxiliary has already received many reservations for

sellers of antiques, new merchandise, handicrafts and general junk. Anyone interested in reserving space should contact Mary Harris, 415 S. Main St., Chelsea 48118.

Any questions about the event should be directed to Mary Doan, 475-9438, or June Wilson, 475-8204.

General chairmen for the event are Doan and Wilson. Jane Freeman, Diana Mathis and Sue Starkey are in charge of publicity. Gloria Mitchell will organize the auxiliary booth, and Chris Browning will be in charge of set-up and clean-up.

Bus Service to Ann Arbor May Start

Roundtrip bus service to Ann Arbor may be in place by the end of the year.

Faith in Action, Chelsea Community Hospital, and the Chelsea United Methodist Home have approached the Ann Arbor Transit Authority (AATA) about instituting a three-year pilot program that would provide bus service from Chelsea to the AATA's downtown headquarters near Fourth and William Sts. It's likely the return trip would be routed through Dexter.

A survey was sent out to more than 2,000 households in the 48118 zip code area by the groups to try to determine demand for bus service.

"The support is definitely there," said Kathy Thompson, director of Faith in Action, who is reviewing the surveys.

"We've gotten response for all different age groups, from commuters, students, housewives. St. Louis School for Boys is also interested because they have a lot of families who don't have transportation to this area. I think we made the proposal at just the right time."

Thompson said that as of Friday, nearly 300 surveys had been returned.

Chelsea Village Manager Fritz Weber sent a letter of support for the project to the AATA.

The hospital is interested in the service because of the large number of patients who have to go to other hospitals in Ann Arbor and Ypsilanti for specialized treatments. The Methodist Home has many older residents who no longer drive and are dependent on others if they have special shopping need. Faith in Action often drives underprivileged people into Ann Arbor for a variety of reasons.

"It sure would beat a \$20 cab ride," said Mark Cwiek, assistant administrator at Chelsea Community Hospital.

According to Perry Schechtman, assistant executive director/administration at AATA, there is likely to be state money available through the New Small Bus Services Program, which is funded by weight and gas taxes. He said the program was designed to start rural bus services.

For the first two years of the pilot project, Schechtman said, the grant would cover 100 percent of costs, less fare money collected. For the third year it would cover 75 percent. After that, he said, there is the possibility that some federal money would be available.

"The first step is to decide what the demand is," Schechtman said. "The money should be there if the demand warrants it. We're working on similar programs with the City of Milan and Ypsilanti township."

Many of the details of the proposed service have yet to be worked out. Schechtman said the fare would probably be \$1.50 each way, and that day time service six days a week is being discussed.

No one knows exactly where the pick-up points would be, although Polly's parking lot has been talked about as at least one site. It's possible there could be as many as two or three stops.

Schechtman said that AATA's out-of-pocket expenses to run the service are approximately \$40 per hour. He said that 15 riders per hour would be a good number to start, but that "I'd like to see 25 per hour" by the end of the pilot project.

Schechtman said the roundtrip might be completed in as short as an hour.

Communications Club Will Host Swap & Shop

Chelsea Communications Club will host a Swap and Shop of electronic equipment on Monday, June 1 at the Chelsea Fairgrounds.

The event hosts ham radio operators from various cities and states who will have their merchandise available for purchase.

Gates at the fairgrounds will open at 5 a.m. A donation of \$3 will be taken at the entrance gate. Women may enter free of charge.

Food will be available at the fair service center.

The wallflower is a fragrant plant that originated in southern Europe. It got its name because it weak stems often grow on walls for support.
