WATERLOO GARAGE, the business of Village President Jerry Satterthwaite, was destroyed by fire early last Tuesday morning. Satterthwaite said he plans to rebuild

the business. The fire is being investigated by the state fire marshal's office.

## Early Morning Blaze Guts Waterloo Garage

An early morning blaze destroyed the Waterloo Garage last Tuesday, April 28, leaving the newly-purchased auto repair and gas pumping business of Village President Jerry Satterthwaite a total loss.

Chelsea Fire Department arrived on the scene at the corner of Waterloo and Clear Lake Rds., 11 minutes after the fire was reported at 3:26 by area resident Lucy Platt.

Five trucks and 19 firefighters were dispatched to the scene but the building was virtually destroyed by the time the department arrived, according to Chelsea Fire Chief Bud Hankerd. No one was injured.

"It was pretty well burned up by the time we got there," Hankerd said. "It looked like it burned awfully hot and awfully fast."

Loss was estimated at \$60,000 by Hankerd and Satterthwaite basically agreed with the figure, although he said it might run a little higher.

State Fire Marshal's office is investigating the incident. Hankerd said "I didn't think we were capable" of determining how the fire started.

Satterthwaite said he was told by Sgt. John Thatchett of the state fire marshal's office that the fire apparently started in an office in the back of the cinder block building. However, Satterthwaite said he has not been told how the fire started. He said an investigator from his insurance company will also make a determination.

"I prefer to think a squirrel chewed through some wire," Satterthwaite said. He would not speculate on whether or not the fire might have been deliberately set. He said there was nothing flammable inside the building, except a solid, wooden roof, and that he was meticulous about keeping the inside clean.

Nothing was salvagable from the building. All tools and supplies, a vending machine, and a pick-up truck belonging to Cecil Clouse were all destroyed.

"I was not prepared for what I saw when I came over the hill," said Satterthwaite, who was notified about the fire at about 4 a.m. and was on the scene by 4:30.

"It was even harder to go back out there at 7 because I knew what I was going to see," Satterthwaite said "we were

lucky," because at times there were five or six vehicles inside the garage. Also, nearby gasoline pumps and a propane gas storage tank did not ignite.

"We were fortunate the fire went the other way," Satterthwaite said.

Satterthwaite, bought the business late last year after selling his J&M Oil Co., said he plans to rebuild and would like to open again this summer.

"It's was just starting to get busy," Satterthwaite said.

"We'll be missing a lot of the summer season."

## Gifted Kids To Give Presentations at State Conference

Nine Chelsea elementary school children will be part of a one-hour presentation at the 1987 State Conference on Gifted this Saturday, May 9 in Flint. The conference is devoted to the academically gifted and talented children of Michigan.

The children, from North and South school's Enrichment Triad Program, the program for gifted and talented students, will each give one minute presentations about their subjects of interest to the more than 100 people from around the state who are expected to attend.

The students' presentations are part of an over-all presentation on how the Triad program was implemented at North and South schools. In addition program director

Ruth Stielstra will explain the key features of the program, and there will be a 20 minute question and answer session.

The nine students who are making the trip, and their subjects of interest, include, Ben Culver, ventriloquism; Jeannine Mouilleseaux, Statue of Liberty; Melissa Smith, gymnastics; Keri Kentala, chemistry; Matt Fischer, holography; Kerry Lynch, geneology; Pat Lynch, storms; Jessica Flintoft, nature trail; and Rebecca Flintoft, saving the whales.

Each student will give a minute-long commercial designed to get the audience enthused about his or her interest area. They will be part of the celebration day at each school next week.

The conference is sponsored by the Academy for the Gifted and Talented of Michigan, the Michigan Association for the Academically Talented, and the Michigan Association of Education for the Gifted, Talented and Creative.

After the presentation, Triad program participants, parents, friends and coaches will have a lunch together at 12:15 at Figlio's Restaurant, compliments of the Schoolwide Enrichment Triad Program.

## Tractor Theft, Course Damage Likely Related

Separate incidents Sunday night in which a tractor was apparently stolen from an orchard and Inverness Golf Course was damaged were probably the work of the same people, according to the Washtenaw County Sheriff's Department.

Deputy Lee Collier confirmed that someone had used a tractor to damage a green and fairway on separate holes at Inverness Golf Course sometime late Sunday night or early Monday morning. The tractor tires gouged holes in the grass.

Collier also said a tractor was stolen from Webb's Orchard less than a quarter of a mile away.

"It's almost certain the same people are responsible," Collier said. The incident is being investigated.

## Housing Development Called Belser Estates Planned for Village

A 70-unit housing project, featuring single-family homes starting at 1,600-square-feet, has been proposed for a 40-acre parcel on Freer Rd. at the eastern village limits adjacent to the railroad tracks.

The development, called Belser Estates, is being proposed by life-long Chelsea-area resident Charles Belser for land behind and to the south of Oak Grove Cemetery and the Church of the Latter Day Saints.

Twenty-seven of the 40 acres of cornfield is now within the village limits. Belser has sought to have the remaining 13 acres in Lima township annexed by the village.

Chelsea Village Council, at their regular meeting April 21, voted to petition the Washtenaw County Board of Commissioners to alter the village boundaries to include the 13 acres.

Belser has formed a partnership with Hugh Warty, owner of O&W Beer Distributors, and James Wong, an Ann Arbor architect, to develop the project. Belser, the controlling partner, is a local custom homebuilder.

"At the minimum, this is a five year project," Belser said.

Belser's tentative plans call for 70 homes to be constructed on parcels ranging from .43 to .82 acres. He wants to develop an "estate" kind of atmosphere—in other words, he does not want to build sidewalks or curbs. Instead, lots would run to the edge of the street.

Whether or not Belser would need a zoning variance in order to build his development without sidewalks appears to be open for interpretation. The village's subdivision code deals specifically with lots with 80 feet of frontage or less and leaves others up to the village council.

"We'll probably ask both our planner [Carl Schmult] and our attorney [Peter Flintoft] for an interpretation," said Assistant Village Manager Lee Fahrner.

Belser said that if he is forced to build sidewalks and curbs he would probably build more than 70 homes on the 40 acres to make the project more economically feasible. In that case, he said, it will be similar in appearance to the Lanewood subdivision on the northern part of town.

Belser envisions all custom homes in the project, starting at \$100,000, not including the land. He said there would be no modular homes or log homes.

## CHS Class of '68 Meeting To Plan 20th-Year Reunion

Chelsea High school Class of 1968 recently announced that it will be hosting its 20-year class reunion on July 18, at the Sheraton Inn, Ann Arbor. Although the date and place have been determined, numerous committees remain to be organized to guarantee a successful reunion.

The committee urges all classmates residing in the Chelsea area to attend the next meeting at the Wolverine Lounge on May 14 at 7:30 p.m.

For further information contact Sandy Eisele, 475-8556 or Kathy Trudell, 475-9361.

Homes would range up to approximately 2,000 square feet with four bedrooms.

The main road entering the subdivision would be off Freer Rd., just north of Mayer Dr. The development would have a series of cul-de-sacs to keep traffic down, Belser said.

The project would be completed in four phases, beginning at Freer Rd. and moving east.

"I'm very interested in getting this out to the public," Belser said.

"I'm interested in their reactions to

my ideas about the sidewalks and curbs."

Belser said he plans to hire all Chelsea-area subcontractors unless they are unavailable or can't handle the work.

Belser plans to present preliminary site plans to the Village Planning Commission at their next meeting Tuesday, May 12. His father, Frederick, is chairman of the planning commission and is in business with him.

## Sewage Plant Bids To Go Out May 15

Requests for construction bids for the new Chelsea wastewater treatment plant are scheduled to go out May 15, according to Assistant Village Manager Lee Fahrner. June 18 is the day the bids are scheduled to be opened.

"We're trying to get everything ready for beginning construction in August," Fahrner said.

"On June 18, we'll know what we've got."

Bids for the plant will determine what the construction costs are.

The latest estimates put together by the village's Toledo engineering firm of Finkbeiner, Pettis & Strout have construction costs at \$6.4 million, with the village's share at \$2.9 million, Fahrner said. Under terms of a grant from the Environmental Protection Agency, the village will pay 45 percent of construction costs and the grant will cover 55 percent.

Original estimates put the project at \$4.6 million, with the village's share at \$2 million. In the March 1986 elections, Chelsea voters approved a bond referendum not to exceed \$2 million.

Fahrner said the most likely way the additional \$900,000 would be made up is through the issuance of Act 320 bonds, which would have to be paid back with additional village operating

millage. That additional village would have to fit within the village's legal millage ceiling.

Fahrner said construction should take approximately 18 months, putting the completion date at late 1988 or early 1989. The EPA has required Chelsea to have its wastewater treatment problems solved by July of 1988.

Although the project will probably be completed later than the deadline, Fahrner said he doesn't anticipate any problems with the EPA.

## Triad Program Celebration Slated for Young Experts

"Chelsea's Children Celebrate Live!" one of the highlights of the year for the Enrichment Triad Program at North and South Elementary schools, will take place on Tuesday, May 12 at North school and Thursday, May 14 at South school.

The celebration is designed to honor students in the triad program who have spent most of the year studying particular subjects of interest to them. Those subjects could range from sharks to ghosts.

Each student will have created an "Interest Center" about his or her subject, in essence showing the knowledge the student has attained.

Children will also have the chance to stand up in front of the crowd and give a one-minute commercial about their interest areas. Some are serious, others are humorous and most are unpredictable.

Each program will be presented three times, twice during the day for classmates and once in the evening for parents.

The daytime presentations are from 9:30-11 and 1:30-3. The evening presentation runs from 6:30-8:30 p.m. and there will be plenty of snacks. For

the first hour, students will give their commercials. Afterward, students will move to their interest centers to answer any questions mingling parents and friends may have.

## Senior Citizen May Birthday Party Slated for Friday

May birthdays will be celebrated at the Chelsea Senior Center on Friday, May 8. Over 100 seniors on the center's mailing list have been contacted and invited to come.

The birthday party will start at 11:45 with lunch being served by the nutrition program. Following lunch, there will be entertainment and refreshments. Each birthday celebrant will receive a carnation, a gift from the Chelsea Greenhouse. The cake is provided by the Chelsea Lioness club.

Seniors with May birthdays who have not been contacted but wish to come, should call the Senior Center by May 6.

A Dexter township resident, Ronald Boham, 25, was one of three persons killed April 25 when a Conrail freight train hit a van at the Dixboro Rd. railroad crossing east of Ann Arbor. Also killed were Coleen Spears, 29, and Tanya Poszywak, 21, both of Ann Arbor. A fourth passenger, Dennis Hutchins of Northfield township, survived. Boham is a former Chelsea resident and graduate of CHS.

Chelsea school board is studying bids for all phases (lighting and resurfacing) of the much-needed project to improve CHS's tennis courts and track and football field. Bids for all phases came to \$261,165, and the school will have \$205,052 to spend if the maintenance millage is renewed at the June 13 election.

In conjunction with "Keep America Beautiful Week," St. Paul's "Trashathon" was a success as children picked the countryside clean of 3,308 pounds of everything from abandoned television sets to dead animals. Pledges per pound by local sponsors netted the youth group \$1,431. John Yelsik was official weighmaster, and a few of the collectors were Tom Spencer, Marilyn Egeler, Mary

Spencer, Cheryl Koch and Sharon Donovan.

Both Lima Township Planning Commission and the Township Board have unanimously adopted the Lima Township Development Plan prepared by planning consultants Johnson, Johnson & Roy. The document will be used as a guideline during the next year as the township draws up a new zoning ordinance.

Donald Bacon initiated purchase of the former Beach rural school on Chelsea-Dexter Rd., as a permanent location for the Chelsea-Dexter Co-Operative Nursery by presenting \$500 to the group's president, Mrs. Duane Crouch. He suggested the school become a memorial to Mrs. Florence Bachman Howlett, a teacher in Chelsea schools for more than 30 years. She is now 96. In a photo with Bacon and Mrs. Crouch, are Mr. and Mrs. George Winans, charter members of the Co-Operative Nursery.

Installed as Jaycee officers by past president George Winchester, Jr., were Lyle Chriswell, president; Roland Eder, first vice-president; Lloyd Schneider, second vice-president; Richard Ringe, treasurer; Arthur Stoll, secretary; Cecil Short, membership director; Robert Jacobs, publicity director and Donald Bush, member of the board of directors.

St. Mary's Catholic church observed May Crowning yesterday. A procession at 7:30 p.m. was led by the chosen crossbearer, Larry Gaken, and two candlebearers, Daniel Maynard and John Lixey. ### School Finance System Fails Basic Education

Michigan's funding system for schools fails on several fronts in trying to support basic education services, various school superintendents told a special finance reform group recently.

Chiefs in both urban and rural areas and with varying degrees of wealth stressed that the quality of education should not be so closely tied to a school's property value, which is largely blamed for the gap between the lowest and highest spending districts of \$1,785 and \$5,915 per pupil.

The presentations to the State Board of Education's School Finance Commission came in the first of two sessions involving local superintendents.

Funding for basic educational services should not be subject to periodic property tax votes, Kent Reynolds, superintendent of the Crawford AuSable district in Grayling said.

He said a foundation plan guaranteeing minimal level of spending must be part of a new school finance system. He suggested the current school aid formula which is based on property wealth should include a factor for household income.

The Grayling district has so much property value per student that it does not qualify for basic membership aid from the state, but he said its median household income and percent of households in poverty suffers in relation to some other districts which do receive state aid because of poorer property values. Redford-Union superintendent Ken Erickson said his district is unable to provide as rich a program as neighboring districts because of very low property values.

Voters have never turned down a

millage request, but the district is already at the legal limit, he said.

Richard Smith, assistant Detroit superintendent, said the financial condition of the state's largest district has improved over the last three years, but said projected future state aid allotments will be insufficient "to meet the cost of doing business in our schools."

And, he said school leaders cannot continue to ask voters for higher taxes, when the over-all school-local government rate is the state's highest at over 80 mills.

Smith said not only must state aid detach itself from property value to guarantee basic education, the formula must take into account what he said are the higher costs of providing education and maintain schools in urban areas.

Two other urban administrators—Flint superintendent Joseph Pollack and Pontiac deputy superintendent Bryon Love—also complained of austere school programs despite high tax levels, a situation that will be worsened in both districts if General Motors wins multi-million dollar property assessment appeals.

But Pollack was less critical than many of the property tax, saying it provides a stable and predictable income source, but suggested state-wide assessment of large commercial and industrial property would improve the system for both schools and taxpayers.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The fellers were back pooling their ignorance at the country store Saturday night, which was a way to move Bug Hookum's off his usual argument this time of year about spending more to grow food than it would cost to buy it. Ever time Bug's old lady starts nagging about gitting their garden patch ready, he starts nagging the fellers about the free labor and expensive material he puts into raising a few tomatoes.

No sooner did Bug git the floor and mention tomatoes than Ed Doolittle jumped in with word that the recent discovery of a supernova has changed his hole misunderstanding about the universe. What we got here, Ed said, is a exploding star millions of times bigger than we thought anything was. It seems, Ed said, that ever time scientists git their mind halfway made up along comes somepun that scrambles all the signals. What he has got out of these supernova reports, Ed allowed, is that space is forever and finding the end would be like finding the end of the earth. If you could go far enough you'd be back where you started.

The fellers couldn't add to that confusion. Clem Webster switched back to Bug's lament long enough to note that the Government ain't cracked down on home grown food. We ought to be glad, Clem said, that some economic egghead at the USDA ain't issued a warning about consuming tomatoes outside the normal food chain guarded by health and safety standards. Bug's tomatoes ain't guaranteed agin chemie fertilizer and spray, they don't git picked and graded under USDA guidelines and they hurt the overall economy because they don't help the trucking industry, they don't have a hoisale-retail markup and nobody rings up a sales tax. What Bug is doing, Clem said, is bootlegging tomatoes. If evertody starts growing and eating their own tomatoes, don't even think what will happen to vegetable market stability and demand balance, was Clem's words.

Actual, Clem went on, what he really wanted to know is why the cow has replaced the bear. He recalled back before Christmas that ever gift his old lady come home with was a stuffed bear, a talking bear or a bear picture painted, printed or sewed on somepun. Now, he said, he sees by the papers where cows were everywhere at the recent International Gift Fair in New York. Cow bookends, cow shaped pillows and probable cowslips in the langeray department. Fer sure, Clem said, what you see there is what his old lady will be bringing home this Christmas.

Moving along on the ignorance track, Zeke Grubb followed with word

that secondhand cigarette smoke, acid rain and car fumes ain't enough, now we got cow gas. Zeke has saw where the Environment Pertection Agency says burping cows are polluting the air. Cows in this country burp 50 millions ton of hydrocarbons in the air ever year, according to the EPA study. If you could bottle and burn the stuff, it said, the burps of jest 10 cows would heat a small house.

Practical speaking, Zeke said, this may be good information fer EPA people with not much to do, but what can the rest of us do with it? If we can harness cow burp power it would be some kind of a breakthrough. The next move would be to convert hot air from politicians into steam and we got the anser to easing the country's energy crisis, was Zeke's words.

Yours truly,  
Uncle Lew.

## Area Girl Scouts Participate in National 75th Anniversary

Sonya Osinski, a senior Girl Scout from Chelsea, was one of the five girls from across the country to assist in planting an American Elm on the ellipse, just south of the White House during the 75th anniversary celebration of Girl Scouting held in Washington, D.C. She helped Girl Scout national president Betty Pillsbury and Secretary of the Interior Donald Hodel put the tree in the ground.

Other area scouts who went to Washington include Sarah and Ann Burnett of Dexter, Holly Mick of Manchester, Beth Kimball of Grass Lake, and Judy Osinski, a Chelsea Girl Scout advisor. While there they attended the Promise Circle Ceremony at Kennedy Center, saw the issuing of a Girl Scout commemorative stamp, and conducted flag ceremonies for the tree planting. They also managed to find time for sight-seeing.

## Girl Scouts Tour Chelsea Standard

Eleven Daisy Girl Scouts from North school, all kindergarteners, toured The Chelsea Standard on Wednesday, April 29. They were Lisa Zimmerman, Amanda Tarantowski, Margaret Schick, Ingrid Biedron, Heather Pierson, Malla Montange, Amanda Middleton, Becca Williams, Emily Taylor, Sarah Stahl, and Emily Hammett. Their leaders are Patty Schick and Michelle Middleton. A mom, Pam Zimmerman, came with them. They saw how the paper is put together.

## Mother-Daughter Banquet Held By Congregationalists

On May 1, 130 mothers, daughters and friends from Chelsea and out of town, gathered to attend a banquet held in their honor at First Congregational church.

A social hour with punch was held in the Fellowship Room prior to the dinner hour.

The dinner prayer was given by Glenn Culler, followed by dinner of salad, chicken cordon bleu, twice baked potatoes, green beans, dessert and beverage and was served to the ladies by the gentlemen of the church, under the gentle guidance of Pat Whitesall.

There were several families in attendance with four generations represented, the youngest only two weeks old.

The oldest mother present was Mrs. Hilda McClure, member of First Congregational church.

After dinner the ladies and children gathered in the church sanctuary where they were entertained by Kristina Steffenson, of Chelsea who played several selections on the harp. Deborah Wilson of Chelsea, spoke about some of the dolls in her personal doll collection, bringing fond memories to many of the ladies.

## Woman's Club Elects Officers For Coming Year

The annual business meeting of the Woman's Club of Chelsea was held at the McKune Memorial Library on April 28 with 15 members present.

Annual reports from officers and committee chairpersons were submitted.

Newly elected officers for the coming year are: president, Lila Pawlowski; vice-president, Myra Colvin; secretary, Ginny Johnson; treasurer, Betty Oesterle; parliamentarian, Lucille Finkbeiner.

A new budget was also presented and approved.

The club will finalize its year's activities with the annual dinner on May 12 at the Brandywine Restaurant in Jackson and the Marathon Bridge Dinner on May 14 at Our Saviour Lutheran church.

Hostesses for the evening were Janet Harrison and Linda Newhouse.

**MURPHY-DAULT:** Floyd and Letha Murphy of McKinley Rd., Chelsea, have announced the engagement of their daughter, Dawn Renee Murphy to Scott Thomas Dault, son of Tom and Mae Dault of Harvey Rd., Grass Lake. Dawn is a graduate of Chelsea High school class of 1983 and is employed as a sales coordinator at Sarns Inc./3M. Scott is employed at Ann Arbor Machine. An Aug. 1 wedding is being planned.

## Baton Corps Members Tune Up For State Contest

Chelsea Baton Corps members travelled east and west over the weekend to two different contests in their last "practice" run before the "Miss Majorette of Michigan" state contest.

At the TU (Twirling Unlimited) contest in Elkhart, Ind., 14-year-old, Laurie Honbaum, won the intermediate grand twirl-off trophy presented to the top intermediate twirler of the day. She also won first-place trophies in both solo and intermediate fancy strut.

Other results in the open contest were:

Tracey Wales, 12—Best appearing (1), intermediate fancy (5), intermediate solo (3), intermediate visitors solo (2).

Amy Feldkamp, 12—Model (1), beginning basic strut (1), beginning military strut (1), beginning solo (2), beginning fancy strut (4).

Kelly McDonald, 6—Special beginning basic strut (3), special beginning solo (2), beginning basic strut (4).

Karla Dettling, 6—Special, beginning basic strut (2), special beginning solo (3).

Chrissy Dunlap, 13—Intermediate fancy strut (3).

Melony Owens, 12—beginning basic strut (2), beginning military (2), best appearing (5), beginning fancy strut (5), beginning solo (3), beginning visitors solo (1).

Linda Schaffer, 11—Model (3), beginning fancy (3).

Heather Wynn, 12—Advanced basic strut (3), advanced military (3).

Three Corps members competed at the DMA (Drum Majorettes of America) contest at Waterford. Results were:

Angela White, 16—Model (1), best appearing (1), beginning solo (2).

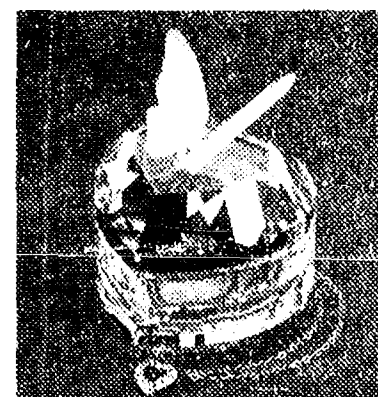

Kori White, 10—Model (2), intermediate fancy strut (2), advanced solo (1).

Kate Steele, 10—Best appearing (1), model (4), intermediate solo (3).

## Health Center Starts Service On Osteoporosis

A new Osteoporosis Service will be offered Tuesday at Catherine McAuley Health Center in Ann Arbor.

Osteoporosis is a bone-thinning condition that affects one in four women over the age of 60 and is a major cause of fractures in the elderly. The service will help identify women who are at risk for osteoporosis or have the disease and provide education and follow-up medical care.

The service consists of two visits to the Reichert Health Building. During the first visit, the patient's medical history, blood tests and bone density scan are taken. The results of these tests are discussed with the patient during the second visit. Education and treatment referrals also will be provided at this visit.

Most of the costs are covered by health insurance plans.

While osteoporosis cannot be cured, the loss of bone density can be slowed significantly with early detection and treatment.

Appointments are available from 9 a.m. to 4:30 p.m. each Tuesday.

## VFW Auxiliary Elects Officers

The regular monthly meeting and election of officers of the Ladies Auxiliary to the Veterans of Foreign Wars Chelsea Post No. 4076, was held Monday, April 13, at 7:30 p.m., with Joan L. Taft, president, presiding.

The pledge of allegiance to the flag was led by Eleanor Farley, patriotic instructor, which was followed by our National Anthem.

The minutes of the previous meeting were read and approved.

The treasurer's report was given. The reading of Official and other communications was followed by reports from committees, standing and special.

Gertrude O'Dell, chaplain and rehabilitation chairperson, reported that we had two members in the hospital and two more that were under the weather at home.

Lucy Platt, hospital chairperson, is still looking for help with her Friday coffee hours at the Ann Arbor V.A. Hospital.

Kathleen Schmidt, Buddy Poppy chairperson, stated that Buddy Poppies would be sold in the Chelsea area on May 15-16. She hopes that all Post and Auxiliary members will be able to help with this worthwhile project.

Eulahlee Packard, Americanism and Loyalty Day chairperson reminded everyone to fly their American Flags on Loyalty Day, May 1. She also reminded everyone to wear a red ribbon to honor our Prisoners of War and those Missing in Action.

Officers elected for the ensuing 1987-88 year are: Joan L. Taft, president; Lois Speer, senior vice-president; Nina Matthews, junior vice-president; Dorlene Cozzens, treasurer; Gertrude O'Dell, chaplain; Eulahlee Packard, conductress;

Lynette Bowen, guard; Evelyn Quigg, three year trustee.

Eleanor Farley, patriotic instructor, read an article on the objectives of the Veterans of Foreign Wars and the Ladies Auxiliary.

The next regular meeting will be May 11, at the Post Home.

## ABWA Fashion Show Slated Saturday, May 16

The Chelsea chapter of the American Business Women's Association will present their sixth annual fashion show and salad luncheon on Saturday, May 16, at 1 p.m. at the Chelsea High school. Proceeds go to local women and girls for scholarships.

This year the fashions are by the Bagpiper Shop in Ann Arbor and the hair styles by Ricardo's. Numerous area merchants have donated door prizes.

Members of ABWA make the salads and desserts for the luncheon and also model the fashions. Usually about 300 attend the event which lasts most of the afternoon since each of the six models makes seven or eight changes.

Tickets are \$7 and are available at the door or from the Card and Gift shops in Chelsea and Dexter.

## Child Study Club Members Gather for Fun

Child Study Club met Tuesday, April 28 at Ellie Griffin's home. The program committee provided refreshments and entertainment for the annual fun night.

Marj Robbins and Ann Steinaway were unanimously voted as honorary members of the club after many years

of distinguished service.

Following the general meeting and annual meeting, members had an uproarious evening of fun playing Pictionary, a game of nonverbal communication and drawing skill.

The next meeting is the spring dinner on May 12 at Pastabilities

## A VIEW from the CLOCK TOWER

By Will Connelly

Suddenly late last month the Consumer Price Index, which had shown a modest annual climb of 1.9% for all of 1986, was pegged at 6.7% for the first 16 weeks of 1987. U.S. News exclaimed, "Oh, no! Could it be? Inflation is stealing back."

All I gotta say is horsefeathers. Inflation isn't stealing back. Based on the presence of constantly rising prices everywhere, we have reason to believe inflation has been up around 6.7% all along.

The Consumer Price Index is a composite in which the costs of pork chops, shirt buttons and fuel oil are mixed with the prices of houses, automobiles and college tuition. Here is a table of prices for 50 selected products and services. Shown are one-year change for 1985 and five-year change, 1980-1985. Compiled by the U.S. Bureau of Labor Statistics:

| 1-Year Change | 5-Year Change |                       | 1-Year Change | 5-Year Change |

In our daily living we see so many of these prices taking 5% and 10% jumps between shopping trips that an across-the-board average of 1.9% for a whole year is unbelievable. One of my acquaintances takes the suspicious attitude that the CPI figure for 1986 was rigged for political reasons. As he sees it, the government concocted an extremely low inflation rate for 1986 so it could dish out a beggarly 1.3% inflationary increase to 38 million Social Security annuitants in 1987. The boost amounts to an average of \$66 per person for the whole year. My observer figures that if the increase had been awarded at 6.7% where it belonged the average annuitant would have had an increase of \$237.

This denial of \$237 per person, he reasoned, enabled desperate lawmakers to chop more than \$10 billion in Social Security entitlements from their trillion dollar 1987 federal budget. I believe we have too many watchdogs in our Congress to permit such shenanigans.

From the table of prices shown above we see an average increase of nearly 27% over five years. A great many Americans retiring at age 65 can expect to live to age 75 when the cost of living is likely to be 54% higher than it was on the day they quit their jobs. And the price of many cost-of-living items, including medicine and health care, may be much more than 100% higher after 10 years of unemployment. Because of such changes, people who are living on fixed incomes should be constantly aware of the dangers of cumulative inflation. Most retirees can defend themselves successfully if they keep close track of their OWN costs of living instead of depending on government statistics.

Your own home-grown price records will not be seasonably adjusted, modified by three weighting formulas nor reckoned in constant dollars for 1967. Neither will your records be mutilated by the implicit price deflator, whatever that is.

In a home not too far from ours, live a man and wife whom we call Mr. and Mrs. C. H. Elsea. They have kindly let us have some of their cost-of-living records for use in this column. Cliff is a middle-aged business counselor. Like so many other families, the Elseas have a little book in the kitchen where they keep track of anything they spend other than parking meter pennies. Receipts from all stores are entered in the book. So are recollections of cash items like magazines and street donations. Big expenditures such as automobiles, TV's, freezers and property taxes are entered in the checkbook. Cliff and his wife know from these entries how much they spent in any series of recent years, and 1980-1985 seemed good for comparison.

In 1980 they spent \$13,026 on everyday expenses and entered them in the "little book." These purchases consisted of (1) groceries and other supermarket items, (2) clothing and health, (3) property care and (4) miscellaneous household expenses. Other major expenses including housing and capital purchases added another \$13,000 to their cost of living. By 1985 the cost of items in the little book has risen to \$17,630, a five-year increase of 35% or an average of 7% a year. It should be added that the Elseas are modest spenders. They do not go in for luxury foods, Gucci shoes, designer jeans or electronic back scratchers. Their idea of international travel is a one day trip to Windsor.

While the mix of prices in the Elseas' household accounts is different from when they were raising children, per capita expenses over the decades tend to even out. Older people don't outgrow their shoes every few months but they do have higher medical expenses, insurance and taxes.

Because the items entered in the Elseas' little book are everyday purchases of staple goods and services for two adult people, I think they constitute a market basket even more valid for use by an adult couple than the federal Consumer Price Index.

As we noted above, the figures for the C. H. Elseas showed an average increase of 7% a year from 1980 to 1985. This corresponds closely to the reported figure of 6.7% for 1987 year-to-date.

Interestingly enough, their 1986 expenses were \$18,808, up 6.68%. If you keep daily expense records year after year, take a look and see how often your own little book in the kitchen table ever added up to anything as low as the CPI for 1985 at 3.58% or 1986 at 1.9%.

Based on the foregoing kitchen table numbers, I humbly submit this rule of thumb for coping with inflation if you are not threatened by poverty: No matter how much or how little income you receive, always save and reinvest at least 10%. If there is no inflation, you become that much better off. If there is inflation—even up to 10% by your own count—your savings or investments will at least be holding even.

## Sweet Adelines Chorus Preparing for Regional Competitions on May 9

Ann Arbor Chapter of Sweet Adelines, Inc., will compete May 9, in the Region 17 Sweet Adelines Competition in North Canton, O.

More than 30 choruses will compete in this annual event, representing cities in portions of Michigan, Indiana, Ohio and Pennsylvania. The winning chorus will represent Region 17 at the International Competition in Houston, Tex.

Formed in 1978, the Ann Arbor Chorus is a relative newcomer in Region 17, yet the chorus has consistently done well in regional competitions, and holds two first place and two second place titles. The Ann Arbor Chorus has represented the region twice at International Competitions, in 1983 and again in 1985.

The Ann Arbor Chapter is a small part of an international organization of more than 30,000 women all over the world, all dedicated to performing the traditional art of singing in the barbershop style. The choruses perform a vast assortment of music sung in four-part barbershop harmony, with many numbers cleverly choreographed.

The Ann Arbor Chorus was recently honored to become the only Sweet Adeline chorus in Michigan to receive a grant from the Michigan Council for the Arts. The grant, awarded to the chorus "to promote Sweet Adeline awareness and excellence in the art of barbershop singing" is being used to bring the chorus into the public eye and introduce the community to the barbershop style of singing.

The chorus currently has more than 75 members from Ann Arbor and neighboring communities including Ypsilanti, Chelsea, Dexter, Belleville, Canton, Plymouth, Dundee, Clinton and Jackson. The chorus is presently auditioning new members, and encourages any women interested in singing to join their weekly rehearsals, held on Tuesday evenings at 7:30 p.m. at the Glacier Way United Methodist church, 1001 Green Rd., Ann Arbor.

Three of the chorus officers are from Chelsea. They include Shirley Goodman, president; Carol Flintoft, vice-president; and Jean Bust, treasurer. Pricilla Apostol and Lois Garman are also Chelsea members of the chorus.

The Ann Arbor Chorus performed at a public dress rehearsal prior to the competition at Domino's World Headquarters on Sunday, May 3 at 2 p.m. The chorus performed the songs they will be singing at the regional competition as well as other favorites. The Ann Arbor Chorus was pleased to see new faces in the audience as it strives to continue to bring the energy and excitement of the barbershop style of singing to the public.

The newspaper says the earth's population has now reached five billion. It goes on to say that every second, somewhere in the world, a woman gives birth to a baby. I tell you, we've got to find this woman and stop her!

## Remember MOTHER'S DAY May 10th

It's the nicest day that happens  
In the Springtime of the year,  
When we set aside a Sunday  
To honor MOTHERS dear.  
The sun seems to shine brighter  
And the birds begin to sing,  
And the buds burst into blossoms  
In this special day of Spring.  
The air is sweet with nectar,  
There seems a special calm,  
When we have a day to honor  
The one we call our Mom.

### 34 Years Ago . . .

Thursday, May 7, 1953—Mothers Day, 1953—Honors for "1953 Mother in Chelsea" went to Mrs. Dudley Foster. Mrs. Foster, the former Angeline Burg, was shown in The Standard holding triplets born Feb. 18, Stephen Craig, Molly Maurine and Patrick George; and the Foster's other four children, Diann, 6, Michael, 12, Scott, 5, and Kathy, 3.

The Rev. and Mrs. Thomas Toy will leave next week for a three-month trip which will take them to England for the Coronation of Queen Elizabeth and to Scotland for the International Congregational Conference. They are expected to be guests at a reception being planned in Chelsea, England, for coronation visitors from all Chelseas of the world.

Two U of M students, visiting at North Lake, were drowned Sunday when their canoe capsized about 100 yards from the south shore of the lake. It is believed the couple became panic-stricken and were unable to make their way back to shore.

John Magiera was signed as director for the summer Chelsea Recreation program. A series of band concerts is also planned to be included as part of this year's program. Gene Shroyer, band leader, is in charge of the concerts.

## Statistically, Chocolate's Best Pie

Most grade school kids know at least a little about pies. They can be colorful, gooey, golden brown and flaky. Most of all they're sweet, and Mom's or Dad's or grandma's is usually the best.

Fewer kids know about statistics. Many of them will find out that the more they know about them, the less they want to know. That is, unless the statistics have to do with pies.

In the middle of a heated debate, kids in South school's triad program decided to find out once and for all which kind of pie gets the most kids' mouths salivating. They interviewed eight kids from each grade, kindergarten through fifth. They asked them to choose their favorites from among a list.

And being enterprising young statisticians, they presented the results in an issue of the school newspaper in the form of a pie pie chart.

Predictably, perhaps, chocolate pie was the clear winner, crushing runner-up pumpkin 26 to 18 percent.

The results were much less decisive from there on, and the pie chart became increasingly difficult to draw.

Cherry and blueberry, picked by some to finish first, were locked in a dead heat at 14 percent each.

Apple pie, the favorite of hard core pie eaters just about everywhere else, finished fourth at 12 percent.

Raspberry, taunted and teased by chocolate, blueberry, cherry and apple, finished fifth at eight percent.

Strawberry, with a bruised ego,

finished sixth at six percent.

Lemon, appropriately, finished last among pies selected with two percent.

The children also showed they weren't nuts about two of their parents' favorites and they weren't afraid to say so—pecan and mince didn't get a single vote.

So as these children move on to higher math, maybe next year will be the year of the candy bar bar chart.

## Join M-CARE. It could be the best idea from the University since the block-M.

What an idea! Here's a health maintenance organization available to you that comes directly from The University of Michigan.

In fact, it's an HMO which draws together respected local physicians and community hospitals with the world-renowned University of Michigan Medical Center.

It's called M-CARE, and it's a total program of health care committed to keeping you and your whole family healthy. Its benefits begin with routine care such as check-ups, lab tests, and office visits and extend to hospitalization. And include

emergency services, not just around here, but anywhere in the world.

M-CARE also gives you the choice of your own personal physician for routine care. You're free to choose from many participating physicians in family practice, internal medicine, obstetrics/gynecology, and pediatrics.

What's more, this HMO gives you access to the world-renowned University of Michigan Medical Center, should you ever need it. And offers six other neighborhood health centers, to make health care convenient for you.

Yes, this is a great idea all right —

except that it's missing one very important detail: you.

Ask your employer to include M-CARE among your health care options. Ask for the HMO from The University of Michigan.

For more information on M-CARE, call (313) 747-8700.

AN AUCTION for the benefit of Chelsea Community Hospital was held on Saturday, May 2 at the hospital. Items ranging from the ceramic vase, above, contributed by Jan Tupper, to a trip for two to New York City were auctioned off to raise money for the purchase of fur-

nishings for the new Intensive Care/CT Scanner Waiting Room. Above, Lloyd Braun, left, does some fast talking while partner, Jerry Helmer tries to coax another \$10 from the bidders.

AMONG THOSE IN ATTENDANCE at the benefit auction for Chelsea Community Hospital last Saturday were Ann Feeney, left, and Jaclyn Rogers. The auction raised money for the Intensive Care/CT Scanner waiting room.

## NHS Members To Collect For Student Scholarships

Members of the Chelsea chapter of the National Honor Society will be on the village streets this Friday and Saturday selling tags to support the work of the Chelsea Scholarship and Financial Aid Committee.

The local chapter will be collecting from 4-8 p.m. on Friday and from 7 a.m. to 1 p.m. on Saturday. Participating students will be properly identified. All money donated will go into the Chelsea High school scholarship fund and distributed to qualified seniors to help them continue their education.

"We cannot say too often how grateful we are for your past support and our appreciation for your future assistance," said Sam Vogel, chairman of the committee.

Contributions may also be mailed

directly to the Chelsea Scholarship Fund in care of Chelsea High school.

Recipients of last year's contributions were Scott Richardson, Brian Robeson, Jennifer Cattell, Chris De-Fant, Jennifer Swearingen, Crystal Porath, Sonya Steele, Derek Disbro, Chandra Hurd, Shawn Quilter, Michael Goodwin, Julie Thompson, Paula Colombo, Christie Favers, Jennifer Colvin, Cindy Kvarnberg, Lisa Knickerbocker, Ty Anderson, Robert Abdon and Sommer Havens.

## Primary Teeth Affect Permanent Teeth

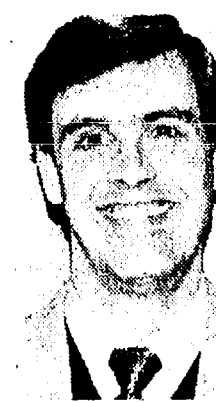

Q: Is it true that baby teeth are not important?

A: Absolutely not. It is terribly important for parents to realize that the primary, or baby, teeth are vital to a child's appearance, function, and maintenance of proper spacing for the ultimate eruption of the permanent teeth. These factors positively or negatively affect the development of the facial structure.

Children who have lost primary teeth early are much more likely to require orthodontic treatment later on. This is because space necessary for the eruption of the permanent teeth has been lost due to missing primary teeth. These problems can even alter the child's emotional development.

The primary molars and cuspids (the posterior teeth) are most critical in maintaining space for the permanent teeth. Early loss of a primary incisor tooth such as from an injury will usually have little effect on the spacing of the permanent teeth. If a primary incisor tooth is lost early due to injury or decay your dentist will probably simply observe the child until the permanent tooth erupts (usually early). A missing front tooth causes much more anguish to the parents than it does to the child!

Primary molars, on the other hand, are VERY important in maintaining space. If decay involves the pulp or nerve of a primary molar and the tooth has not abscessed yet it can be saved by a procedure called pulpotomy. The pulp of the tooth is removed similar to a root canal procedure and a permanent restoration is placed on the tooth. If the tooth is beyond repair and does need to be removed your dentist can use different types of space-maintaining devices to hold the space and prevent drifting of the other teeth until a permanent replacement tooth erupts.

Ron Smeenge, of the Rotary Club, Allison Thornton and Stacey Murphy. On Tuesday, April 28 the students reported what they learned at the seminar to the local club.

## 50th Anniversary Celebration Of Ducks Unlimited Hosted By Western Washtenaw Unit

Western Washtenaw's chapter of "Ducks Unlimited (DU)," an organization which was originated by a group of business men during the "Dirty 30's," hosted its seventh annual banquet and auction at Weber's Inn, Friday, May 1.

The banquet was only one of many celebrations in North American countries which this year mark the 50th anniversary of "Ducks Unlimited."

Fred Hingst, regional director for "Ducks Unlimited," whose work takes him throughout southeastern Michigan, explained funds raised last year by DU in the state reached \$1,620,000, and nationally, DU raised \$50,000,000, funds which will help provide needed habitat for many species of wildlife, particularly waterfowl, in both the United States and Canada.

"Through the MARSH (Matching Aid to Restore States Habitat) program, monies are now available to fund projects in Michigan at Pointe Mouillee, Tuttle Marsh and Nahma Marsh," Tom Serwell and Tom Ceo, co-chairmen, explained to those gathered for the 1987 banquet hosted by DU's Western Washtenaw chapter.

Ceo and Serwell told those at the banquet this year, "Monies from your contributions are used to procure and create new wetlands as well as to reclaim and preserve older areas, all of which are vital to wildlife. Your contribution to Ducks Unlimited is a vital link in the chain of dollars reaching the habitat areas of North America's waterfowl, including those in our own backyard."

"When you set out to save ducks, you save a lot of living things along the way," a little note in the program reminded Friday's banquet guests.

Dick Mehlhorn, Gary Gould and Mark Payeur were the official hosts for the chapter at Friday's gala affair.

Serving as the committee for the 1987 banquet event were Ralph Blassey, Walt Brown, Jim Burns, Bill Clark, Mark Hettig, Ted Klapperich, (Continued on page 16)

**CHELSEA HIGH SCHOOL FORENSICS TEAM** had two members place at the state meet last Saturday at the University of Michigan, helping Chelsea to a fifth place finish as a team. Liz Maurer finished fourth in sales for her presentation on Jiffy Mix. Bill Coelius, right, son of team coach Bill Coelius, center, placed second in drama with his presentation of "Little Alice." Big Bill to being an awfully proud papa.

## CHS Forensics Team Places 5th at State Meet

Chelsea High school forensics team placed fifth in the state in class B at the state competition held last Saturday at the University of Michigan.

Chelsea finished one point out of fourth place and two points out of third in the final forensics event of the year.

"We have a lot to be proud of," said coach Bill Coelius.

"It was a very difficult event."

Although Chelsea was ranked in the state by its class, individuals were ranked without taking school size in account. Individuals in class D schools were ranked against individuals in class A.

Leading the way were the coach's son, Bill, with a second place finish in drama with "Little Alice," and Liz

Maurer with a fourth place finish in sales with a presentation on "Jiffy Mix."

The top six in each event were place winners.

Chelsea had many other fine individual performances.

Jeff Mason and Nancy Nye each finished in eighth place. Mason competed in the humor category with "Cyrano de Bergerac." Nye was in drama 9/10 category and performed "Burning Bed."

Finishing in 13th place were Ward Beauchamp and Phil Thomson. Beauchamp competed in prose with "Abbu" and Thomson was in humor with "Wanda Hickey's Night of Golden Memories."

Tucker Lee and Mindy Ryan each tied for 15th in their respective divisions. Lee performed in storytelling with "The Twits." Ryan was in the same category with "Bedtime for Frances."

Karen Grau was 19th in sales with her presentation on "Kelly Girl Corp."

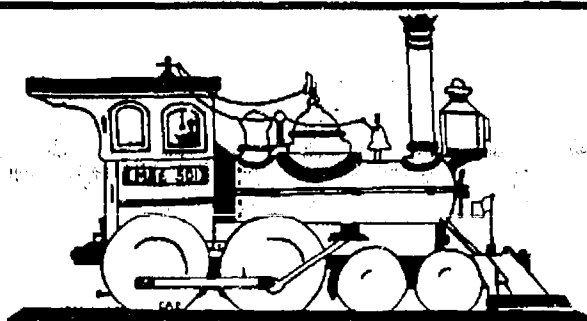

The duo of Rob Rawson and Michelle Kuhl placed 21st with "Echoes."

The multiple of Jennifer Schweiger, Erin Haywood and Kim Degener placed 23rd with "Moms."

There were 24 entries in each category, four from each of six regions around the state.

Frankenmuth was the state class B champion.

## Chelsea Whips SEC Foes In Varsity Softball Action

Chelsea Bulldog varsity softball team continued to beat up on Southeastern Conference opponents last week by whipping Milan at home 11-1 and 13-3, and Lincoln in Willis, 12-7 and 20-3.

In the opening Milan game, Bulldog Pam Brown gave up six hits, including a solo home run, to record the win on the mound.

Chelsea scored three runs in each the second and third innings to take the lead for good, and added four in the fifth and final inning.

The Bulldogs pounded out nine hits. "We hit well," said Chelsea coach Charlie Waller.

"Nine hits, that's an awful lot of hits for us."

Chris Basso struck the big blow in the third inning with a bases-loaded triple.

Kim Easton and Alisha Dorow also had two hits each for Chelsea.

Peggy Hammerschmidt was the winning pitcher in the second game, striking out seven batters.

Chelsea picked up three runs in the first inning and six more in the third, to take a 9-2 lead after three.

In the first inning the Dogs scored on a couple of errors, walks to Trisha Mattoff and Karen Weber and a hit by Easton.

In the third inning, Basso's two run single was the highlight of an inning that featured a triple by Easton, and singles by Dorow and Kim Ferry.

Easton, Ceia Murphy and Basso each had two hits for the game.

Brown earned the victory in the 12-7 opener with Lincoln. She struck out three, gave up seven hits and didn't allow a single earned run. Chelsea booted the ball five times.

Jenny Pichlik's bases-loaded single in the fifth inning, with the game tied

at 4, proved to be the game winning hit.

Chelsea scored five times in the fifth inning and twice more in the seventh.

Pichlik's other hit in the game also knocked in a run, giving her three RBIs for the game.

Murphy also had a big game at the plate with a single and home run, Easton added two hits, and Leah Enderle doubled.

Chelsea opened the second game with seven runs in the first inning, giving the win to Hammerschmidt in the five-inning contest.

The Bulldogs were beneficiaries of five walks in the first inning.

Bulldog bats again were hot as they pounded out 10 hits, including a three-run homer by Pichlik, who had five RBIs and was 4-4 in the game.

Kelly Stump, who pitched two scoreless innings in relief, also added a pair of hits.

PEGGY HAMMERSCHMIDT has proven to be a valuable addition to the Bulldog pitching staff this season as the junior has a 7-1 record on the season. Peggy knows how to fire the ball.

## Chelsea Trips Pioneer, Richard in News Tourney

Chelsea's varsity baseball team finished the first week of the Ann Arbor News Tournament last Saturday with a 2-0 record after knocking off Pioneer High school, 10-5, and Gabriel Richard, 18-7.

Chelsea will square off against the Pinckney Pirates and Ypsilanti Braves when the tournament continues this Saturday. The finals will be played Saturday as well.

"We've got a good shot at it," said Chelsea coach Wayne Welton.

"However, we do have to play Ypsilanti, the defending class A state champion."

Junior Greg Boughton pitched all seven innings of the opener against Pioneer. However, Boughton was rudely greeted in the first inning as the Pioneers smacked a pair of two-run homers.

"Greg did a real nice job after he figured out he had to pitch rather than just throw it up there," Welton said.

Chelsea scored one run in each the first third and fifth innings before finishing with three runs in the sixth inning and four runs in the seventh.

The Dogs also played errorless ball. "We played about as well as we have all year," Welton said.

Greg Haist's home run in the sixth inning was the game winning hit. The senior had a big game at the plate, going 3-5 with four RBIs.

"Greg also had two fine catches in centerfield," Welton said. Todd Starkey, the usual centerfielder, was out with a pulled muscle and only pinch-hit once during the two games.

The Bulldogs had 14 hits, including three each by Jon Lane and Matt Bohlender.

In the second game, Larry Nix pitched 4 1/3 innings, homered, doubled

Chelsea scored single runs in each the fourth, fifth and sixth innings, and two in the seventh.

Lane tripled home a run in the fourth, Morseau had an RBI single in the fifth, Haist had a run scoring double in the sixth, and Starkey rapped a two-run single in the seventh.

Starkey was the starting pitcher and was relieved in the fourth by Junior Morseau, who picked up the win.

Morseau had three hits for the game.

Morseau also won the nightcap, pitching four solid innings. Ferry finished in relief.

Chelsea held a 5-0 lead in the top of the fifth, but the Rainsplitters scored four times in the bottom of the inning.

Chelsea scored four more times in the top of the sixth on singles by Larry Nix, Tim Anderson, Lane and Bareis, a triple by Bohlender and a sacrifice by Haist.

Morseau, Bohlender and Lane each had two hits and Bareis, Haist and Ferry each had two RBIs.

"One characteristic of this team is that we have been able to come back," Welton said.

In a single game Monday at Howell, the Bulldogs nearly let one get away from them, winning 3-2.

"It should have been a 3-0 game, but we committed a couple of errors in the bottom of the seventh that made it exciting," Welton said.

Todd Starkey allowed no runs and just one hit over the first four innings before being relieved by Morseau in the fifth.

Morseau was tagged for two unearned runs.

In the third inning, Bohlender singled in Bobby Clouse and Haist, who had each singled, to give Chelsea a 2-0 lead.

In the sixth, a single by Nix scored Harvey, who entered the game as a pinch runner and stole second base.

A double and a couple of errors by the Bulldogs in the final inning produced two runs for Howell.

Chelsea has a 15-4 record on the season.

Michigan has more RV's per capita (1 for each 30 residents) than any other state except California (1 per 29.6).

## Dogs Sweep Four Games, Take Third Place in SEC

Chelsea Bulldog baseball team maintained third place in the Southeastern Conference by sweeping double headers from Milan and Lincoln last week.

Chelsea topped the Big Reds at home, 10-2 and 7-3 before winning at Lincoln, 11-7 and 9-4.

The wins give Chelsea a 4-2 mark in the conference, behind Saline at 6-0 and Dexter at 4-0. The Bulldogs take on Dexter tomorrow afternoon.

Greg Boughton won the opener for Chelsea, striking out nine and walking six in six innings.

Chelsea had 13 hits, their best performance in the league play.

The Dogs had command throughout the game, taking an 8-0 lead before the Big Reds got on the board.

Chelsea broke the game open in the third inning with five runs as Todd Starkey homered, Jon Lane, Randy Ferry, Nix and Boughton all singled, and the Big Reds kicked the ball around a couple of times.

Boughton was 3-3 with two RBIs, and Matt Bohlender, Lane and Starkey each had two hits.

In the second game the Dogs were the beneficiaries of 11 walks and scored seven runs on just three hits. Six runs came in the fourth inning, keyed by a bases-loaded double by Ferry.

Chelsea fell behind 2-0 but senior pitcher Jeff Harvey settled down to win his third game after pitching 5 1/3 innings. Harvey yielded five hits and struck out seven.

Ferry earned his fifth save, striking out four of the five batters he faced.

In the first game against Lincoln, Chelsea fell behind 5-0 in the second inning.

"We couldn't have played much worse," said Chelsea coach Wayne Welton.

The Bulldogs had four errors in the first two innings.

However, Chelsea came back for six runs in the third inning on five walks and a single by Mark Bareis. From then on they were never behind, although Lincoln tied the game in the bottom of the inning.

MARK BAREIS prepares to squeeze the pop up in foul territory during last week's home game with the Milan Big Reds. Chelsea won both games.

## Dog Netters Whip Pinckney

Chelsea Bulldog tennis team won their only match last week with a 5-2 victory over the Pinckney Pirates on Wednesday, April 29 at home.

Kirk Lawton at first singles opened with a 6-1, 6-0 win over Kevin Banchoff.

Freshman John Rigg at second singles defeated Pinckney's Doug Flora, 6-6, 6-3, 8-6.

Chelsea's Jason Richardson, playing third singles, was defeated by Dan Haines, 2-6, 6-4, 1-6.

Jason Overdorf at fourth singles lost to Pinckney's Rob Romano, 4-6, 2-6.

The Bulldogs won all three doubles matches in straight sets.

Mike Popovich and Larry Moore topped Chris Willett and Jeff Yeakey, 6-2, 6-3.

Adam Heeter and Eric Frisinger whipped Steve Tresh and Dave Commire, 6-1, 6-2.

Eric Worthing and John Collins defeated Keith Banchoff and Troy Dudley at third doubles, 6-3, 6-1.

The victory puts Chelsea's record at 3-2.

JENNY PICHLIK has shown a lot of prowess at the plate in recent games for the Chelsea varsity softball team.

## Sprague Wins Penn Relays

Chelsea's Todd Sprague, a senior at Western Michigan University, won the hammer throw at the prestigious Penn Relays in Philadelphia on April 25.

Sprague's winning throw was 177' 4".

**DROPPING A PERFECT BUNT**, Chelsea's Leah Enderle raced to first to load the bases against Gabriel Richard. Unfortunately, the Bulldogs left the bases loaded and lost the game to the Irish.

## Softball Invitational Won by Richard, Dogs Blanked in Finals

Chelsea Bulldog softball team took second place in the eight-team Chelsea Invitational tournament last week-end after being shut out in the finals by Gabriel Richard, 5-0.

Jill Sherrill won her second game of the day over Chelsea in the finals, after stopping the Bulldogs in the first game of the tournament, 8-4.

"We got a lot of runners to first base, but we couldn't get them any farther," said Chelsea coach Charlie Waller.

"We just weren't hitting the ball, and I think we were a little tired. Peggy Hammerschmidt started in the finals rather than ace Pam Brown, who pitched the opening game loss. Waller said he wanted to use someone Richard hadn't batted against.

"Even though they made some errors in other games, they didn't make any mistakes against us," Waller said of the defensive effort of Richard.

Richard picked up two runs in the second inning and three more in the fifth.

In the opening game with the Irish, which the Bulldogs lost 6-4, Chelsea had plenty of chances to win as they left the bases loaded in each the third and sixth innings.

Chelsea fell behind 3-0 in the first inning as the Dogs played sloppy defense, committing two errors.

"We started slow as a team and we seem to have our trouble at the beginning," Waller said.

Alisha Dorow, Kim Easton, Trisha Matloff and Ceia Murphy each had two hits for the game. Easton was thrown out at the plate after trying to score from third on a fly ball to right center. It took a perfect throw, and Richard executed perfectly.

Chelsea's won the second game of

the tournament over Holt, 11-3, but it took an eight-run seventh inning for the Dogs to prevail.

Hammerschmidt struck out seven batters.

Dorow and Stump each had two hits and Murphy had three hits.

South Lyon was Chelsea's third opponent and the Dogs took a 10-2 victory.

The Lions, one of the top teams in class A, scored both runs off Brown in the fourth inning.

Chelsea picked up three runs in the third inning, but broke the game open in the fourth inning with seven runs, highlighted by Jenny Pichlik's two-run triple.

Dorow also chipped in with two hits. Chelsea's 6-4 win over Jackson Northwest had Waller looking for the right pitcher as Hammerschmidt started, and Jenni Smith, Stump and Brown all worked in relief.

"We were real eager to win this one because we had split with them earlier in the season," Waller said.

Easton had a big double in Chelsea's five run third inning. The Dogs opened up a 6-0 lead after picking up another run in the fourth before Hammerschmidt couldn't find the plate in the fifth inning.

Smith and Stump didn't have much more success, so Waller called on Brown to finish.

"I felt good about the whole tournament, although we would have liked to have beaten Richard," Waller said. Richard is the state's top-ranked class C team.

"Parents and the coaches did a superb job with the tournament and it was a lot of fun playing against good competition."

## Beach Girls Thump Dexter, Are Second at NW Relays

Beach girls track team competed Friday, May 1 with 11 schools at the Jackson Northwest Relays and returned with the runner-up trophy. Hillsdale was the winning team.

Each of the nine relays entered, placed.

Leading the way were the field event entries as each placed second in their event. Particularly exciting was the high jump. Erika Boughton, competing for the first time and coming off with an ankle injury, set a new school high jump record with a leap of 4'9", breaking the old record of 4'8" set in 1976. She teamed with Jeanne Rossi and they missed first by just one inch.

Second place in shot put was earned by Colleen Scharphorn and Jane Pacheco.

Long jump: 2nd place, Deanna Richardson and Kathy Granger.

Shuttle hurdles: 2nd place, Jenny Bobo, Leah Hadley, Kelly Cross, and Scharphorn.

Distance medley: 3rd place, Carrie Flintoft (800m), Richardson (400m), Stacey Gallagher (1200), Kathy Issel (1600m).

Middle distance medley: 4th place, Granger (400m), Angela Pace (200m), Rossi (200m), and Martina Street (800m).

800 relay: 4th place, Krista Johnston, Michelle Hollo, Mercedes Hammer, and Richardson.

400 relay: 4th place, Rossi, Hadley, Amy Weir and Pace.

Sprint medley: Cindy Noble (100m), Pacheco (100m), Melanie Bendrey (200m), and Issel (400m).

In the opening meet of the season on Wednesday, April 29, the girls returned with a promising 91-32 victory at Dexter.

The team showed good depth as they placed at least two girls in every event except high jump and won all three relay races.

Leading the way with first-place efforts in each of her three allowable entries were Richardson with a long jump of 15 1/2", a 29.6 in the 200 sprint, and anchoring the 800 relay; and Rossi with a 4'6" high jump, a 75 sprint win, and anchoring the winning 400 relay.

## Natural History Assoc.

### Offers Three Programs

"Spring Wild Edibles," "Spring Time Stars," and "Trees and Shrubs in Spring" are the three programs offered by the Waterloo Natural History Association this week-end, May 9 and May 10.

In the edibles class, wild foods specialists Tom and Sandra Jameson will provide an introduction to springtime plants that may be made into main dishes, snacks and teas. Participants should meet at the Nature Center parking lot at 1:30 p.m. on Saturday.

Saturday evening at 8:30, stargazer Jo Chadburn will lead a tour of the springtime night sky, featuring planets, galaxies, and constellations. Meet at Portage Lake Campground ball diamond and bring something to sit or lie on, and binoculars if possible.

Sunday at 1:30 p.m., botanist Mike Penskar will teach a class on the springtime activities of local woody plants, pointing out the flowers on trees and shrubs.

## Softball Frosh Lose A Pair

Chelsea High school freshman softball team dropped two games at Novi last Friday.

In game one, Novi scored 14 runs to Chelsea's 11. Scharme Petty pitched the first three innings and Lisa Unterbrink pitched the last three. Fine defensive plays by Cori Tremper and Vicki Niethammer kept Novi from scoring more runs.

In the second game, pitcher Christy Petty allowed only two runs in a 2-1 loss.

Amy Thompson did an outstanding job at catching. Heather Bro played well, both defensively and offensively.

"The girls played extremely well against a junior varsity team," Chelsea coach Dennis Petsch said.

"Novi even had several varsity players drop down for our game. We gave them a good outing."

## Weber Named Hon. Mention In NAIA Vote

Chelsea's Anne Weber, a sophomore at Siena Heights College, was named to the honorable mention team of the National Association of Intercollegiate Athletics All-District 23 for her performance on this year's varsity softball team.

Weber, the Saints' second baseman, hit .287 for the season but led the team with a .540 on base percentage that included a team-high 37 walks. She also led the Saints in scoring with 31 runs.

SENIOR PITCHER PAM BROWN fires to the plate during the opening game of the Chelsea Invitational against Gabriel Richard. Richard won the tournament, defeating the Bulldogs twice.

## JV Dogs Blast Milan, Lincoln in SEC Softball

This is not a misprint: The Chelsea Bulldog junior varsity softball team scored 75 runs in two games, beating the Milan Big Reds 50-5 and 25-5 in action last Tuesday, April 28 in Milan.

In other action on Thursday, Chelsea bats were a little quieter in downing the Lincoln Railsplitters at home, 22-2 and 18-1.

In the opening Milan game, Chelsea scored 11 runs in the first inning and 13 runs in the second as pitcher Laura Unterbrink ran her record to 4-0. The Bulldogs picked up 21 hits in the five-inning contest.

Shannon Losey and Christy Petty each had four hits to lead the attack. Jenny Ghent and Laura Unterbrink each had three hits, and Heidi Boyer

and Holly Baltzell each had two.

Unterbrink struck out eight and tossed a one-hitter.

In the second game, Jenni Smith won her third game of the season with a three-hit, nine-strikeout performance.

Chelsea had 19 hits as Petty, Unterbrink and Smith had three each and Losey, Kelly Dale, Jenni Ghent and Lisa Unterbrink each had two.

Losey had a triple and a homer. Smith had a triple. Ghent, Heather Neibauer, Dale and Lisa Unterbrink each had a double. Laura Unterbrink pounced out two doubles.

Ghent turned in a double play in the first inning to help the Dogs out of a tight spot.

In the opening game with Lincoln, Chelsea scored 18 runs in the first inning to put a lock on the game early.

Jenni Smith picked up the win with a one-hit, 11-strikeout performance. She showed good control in walking just three.

Smith was also tough with the bat, driving in five runs with two home runs.

Losey had two hits and catcher Jeannie Hei, had a two-run triple.

In the second game, Laura Unterbrink ran her pitching record to 5-0, striking out five batters.

Smith socked a three-run homer, Neibauer hit a two-run homer and Heidi Boyer hit a two-run double to key the offense. Kelly Dale also added two hits.

Chelsea scored seven times in the second inning and eight times in the third.

Chelsea has a perfect 11-0 mark and 6-0 record in the SEC.

## Lincoln Outruns Dog Girls In Tough Conference Meet

Chelsea girls track team ran against pre-season SEC favorite Lincoln and lost, 75-53, Thursday, in a meet that was never close.

Lincoln built up a 27-9 lead in the field events as the Bulldogs managed only seconds from Cris Zerkel in the shot and discus, and thirds from Dena Stevens in the discus, Sarah Schaeffer in the high jump and Tammy Browning in the shot. Browning had her season's best at 29' 4 1/2".

Only the distance runs kept the score close. Chelsea won the 3200

relay with Debi Koenn, Vicki Bullock, Sarah Grau, and Helen Cooper, and swept the 1600 with Kasey Anderson, Sallie Wilson and Suzanne Cooper and the 3200 with Anderson, Suzanne Cooper, and Kim Roberts. The Bulldogs struggled in the 800 but took a first and third as Koenn came from behind in the final 50 meters for the win and Bullock added the third.

Lincoln dominated the sprints and hurdles as they won both 400 and 800 relays and April Chenault won the 100, 200 and 400. Tami Harris ran well for the Bulldogs, finishing second in the

100 with :13.1 and the 200 with :27.1. Jennifer Rossi ran a fine 1:02.9 400 to finish second. Danica Disbro scored Chelsea's only points in the hurdles with a third in the 300 hurdles.

The meet did end on a good note as the Bulldogs followed the sweep in the 3200 with a solid win in the 1600 relay from the team of Chris Newman, Rossi, Disbro and Anne Steffenson.

"Lincoln has a solid team built around several outstanding individuals," said Chelsea coach Bill Bainton.

"They're going to be tough to beat this year for the SEC title."

## JV Baseball Squad Tops Milan, Lincoln Railsplitters

Chelsea High school's junior varsity baseball team won single games with the Milan Big Reds and Lincoln Railsplitters last week to even their Southeastern Conference mark at 2-2.

In the Tuesday, April 28 game with Milan at Milan, David Adams singled home the winning run in the top of the seventh inning as the Dogs took a 10-9 decision.

Matt Forner scored the winning run after he singled and advanced on a sacrifice by Rob Lyerla.

Trailing 4-3, the Bulldogs scored six runs in the fifth inning keyed by two walks, a two-run single by Dwayne Elkins and run-scoring singles by Lyerla and Adams.

Chelsea pounded out 14 hits including two each by Lumen Strong, Elkins, Bryant Beard, Mike Kushmaul and Adams, and three hits by Mark Larson.

Jerry Rinehardt pitched 4 1/2 innings, Jeff Patterson pitched 3 1/2 of an inning and Craig Maynard picked up the win pitching the final two innings.

The second Milan game was called after three innings due to darkness, with the Dogs leading 8-2.

Chelsea hosted the Railsplitters on Thursday, taking the first game 7-4 behind the eight-hit pitching of Lyerla.

The second game again was called due to darkness with the score tied 9-9 after five innings. The game stands as a tie.

In the opening game, Lyerla struck out 13 and walked four in going the distance.

Chelsea also pounded out 10 hits for their second consecutive good outing at the plate.

The game was scoreless through four innings. Lincoln picked up three runs in the top of the fifth and Chelsea responded with five runs in the bottom of the inning.

A two-run homer by Larson was the big hit in the inning, along with a double by Beard. Lyerla laid down a successful suicide bunt for another run.

Larson's two-run double in the sixth inning helped pad the lead.

Strong, Beard, Larson, Maynard and Adams each had two hits in the game.

"We're starting to hit the ball and that's encouraging," said Chelsea coach Jim Ticknor.

## Beach Boys Have Good Meet Despite Loss to Rival Dexter

Beach Middle school boy's track team dropped their first dual meet of the season last Wednesday, April 29 to Dexter, 75-57.

Despite the loss, coach Dave Brinklow said he was very pleased with his team's performance.

"I was very happy with the attitude of the guys," said Brinklow. "I saw 100 percent effort right through the last event. Everyone seemed to be having a great time participating so that makes it fun. We also got some nice surprises, especially in the field events. Our big problem was losing all three relays. That alone cost 15 points so that was the big difference in the meet."

The meet started with a Chelsea sweep in the high jump event. Kerry Plank took first with a jump of 4'10"; Jim Hassett and T. J. Hackworth tied for second place with 4'8" jumps. Other Chelsea high jumpers were Vince Dunn, Adam Tillman, Adam Taylor, and Jeremy Guenther.

Hackworth also made a fine performance in the pole vault event which he won with a vault of 8'9". Jim Steele, Dan Petty and Todd Osborne also vaulted. Then it was a second-place tie for Brett Salamin and Joe Manns in the long jump with jumps of 14'11 1/2". Also in the long jump were Tillman, Von Acker, Jim Robinson, Sean Daigle, Matt Capper, Al Hammerschmidt, and Taylor. Tim Hubbell and Bryce Hansen competed in the shot put event with Hubbell placing third at 25'4".

The running events began with the two-mile run where Hammerschmidt took second place, 12:45, and Jason Allen was third, 13:39.

Plank took first place in the 55 meter hurdle event in :10.03, followed by Robert Jaques, Steele, Brian An-

dress and Osborne. Then the 800 meter relay team of Salamin, Hubbell, Taylor and Acker took second place.

In the 800 meter run, Jim Hassett won in 2:31.59, and Capper took third 3:00.23. Jeremy MacKinder and Ben Manning also ran the 800. Then Manns place third in the mile, 6:07.9 with Kelly Beard right behind.

In the 100 meter dash Hubbell placed third in :13.8, followed by Steven Pieske, Nathan Correll, Richard Mason, and Karl Danforth. Jim Hassett took third in the 400 meter run in 1:06.36; Petty was third in 1:10.83. Also competing in the event were Dan Tassinari, Kirk Hedding, John Weinberg, Allen, MacKinder, and Nathan Farnsworth.

Plank was second in the 100 meter hurdles in :13.55 and Capper was third in :15.40.

Then it was another Chelsea sweep in the 70 meter dash with Hackworth first :10.39; Robinson second, :10.80; and Correll third :11.38. Manns, Pieske and Mason also ran the 70.

In the 200 meter dash Salamin was second, :29.33 and Acker, third, :30.58, followed by Tassinari, Hedding and Farnsworth.

The 1600 meter relay team of Weinberg, John Royce, Jaques and Hammerschmidt placed second as did Robinson, Dunn, Pieske and Tillman in the 300 meter relay.

The team also competed in the Jackson Northwest relays last week, placing 10th. Scoring relays for Chelsea included, Taylor, Acker, Plank and Hassett, second in the 800 meter relay; Hackworth and Steele, sixth in the pole vault relay; and Salamin and Manns were sixth in the long jump relay.

CHELSEA'S VARSITY BASEBALL TEAM was named Team of the Week recently by radio station WHYT-FM of Detroit for the Bulldogs' performance in the Chelsea-Manchester Invitational tournament a couple of weeks ago. Rik Jagger, right, sports director of the station, presented Chelsea Athletic Director Larry Reed with a plaque last week honoring the achievement.

Imagine a lawn that repels weeds, resists disease, dislikes fertilizer, stays green late in the season and—best of all—barely grows! According to International Wildlife magazine, a Canadian geneticist says he has produced 35 lines of such a miracle grass from 17 alpine species. The Canadian government is already using the slow-growing grasses along highways, but it will be another four years or so before they're available commercially.

## Manchester Boat-Canoe Race Scheduled May 17

Spring has finally arrived in Michigan, bringing with it clear skies, warm weather and plenty of sunshine. The arrival of spring always heralds the annual Manchester Amateur Boat and Canoe Race held on the historic Raisin River, Sunday, May 17.

This race is jointly sponsored by the Optimist and Jaycees Clubs of Manchester. 1987 will mark the 21st anniversary of the canoe and boat race, which attracts hundreds of people throughout Southeastern Michigan.

Fellows Bridge is the traditional starting point for the race and is located on Sharon Valley Rd., about two miles west of the junction of Sharon Valley Rd. and State Route M-52 at the north edge of Manchester. Sharon Valley Rd. begins right behind the Case International equipment dealer.

The 1987 race will be divided into five different categories: (1) Ladies canoe open partner; (2) Open boat choose partner; (3) Man and woman canoe; (4) Open canoe choose partner; and (5) father and child canoe. The race will begin promptly at 1

p.m., with the ladies canoe open partner group going first.

Entry fee for the race is \$5 per person. Children under 13 may register for free, but each canoe must have at least one person aged 13 years or older. Registration forms are now available at Krauss Pharmacy in Manchester, or may be ordered by mail from Bruce Bates, 216 Auburn, Manchester 48158, phone 428-9616.

Trophies for first and second place will be given to the winners of each event. Free refreshments will be provided for all participants at the Knights of Columbus Hall (next to the Village Post Office) following the race.

Everyone is invited to attend this annual event, even if you don't plan to enter the race, it is fun to come and cheer the contestants on to victory from the Main St. Bridge.

Great debates have been waged over what constitutes authentic chili, and only the presence of chile peppers is undisputed.

Jim Koch, Richard Mehlhorn, Barry Ollette, Mark Payeur, Parker Pennington, Bob Smith, Dave Spielman, Craig Wales and Chester Wilson.

Bill Pierce was the ticket chairman, aided by donation chairmen Craig Wales and Ralph Blasey, and treasurer Fred Swope provided the banking expertise.

Live auction supervisors included Walt Brown, Parker Pennington, Jim Burns, Ralph Blasey, Bob Smith and Mark Payeur.

Assigned to set up and supervise the 1987 silent auction detail were Jim Koch, Tom Ceo, Dave Spielman and Barry Ollette.

Auctioneers Lloyd Braun and Jerry Helmer made a repeat appearance, providing a delightful combination of naive tease and sincere bid promoting during the live auction.

Special guests for the evening included wildlife artists Cathy McClung and Marti Naudi, each of whom donated items for the live and silent auctions at Friday's party.

The list of artist donors also included Charles Mosher, Tom Serwell, Leo Long, John Wurster, Kathy Blasey, Tom Ceo and Harry Willsher.

A fabulous number of special prizes, large and small, were awarded to guests at the banquet.

**NOTICE OF**  
**PUBLIC HEARING**  
**ON PROPOSED AMENDMENT**  
**TO CHELSEA VILLAGE**  
**ZONING ORDINANCE**

Notice is hereby given that the Chelsea Village Council will conduct a public hearing, as the statute in such case provides, for the amendment of the Chelsea Village Zoning Ordinance (Ordinance No. 79). The requested change would revise the zoning map from RS-2 to C-2 in the area hereinafter described.

Commencing at the North 1/4 corner of Section 13, T2S, R3E, Village of Chelsea, Washtenaw County, Michigan; thence along the North and South 1/4 line of said section, S 00-30-00 E 550.38 feet; thence S 85-00-00 E 130.60 feet for a POINT OF BEGINNING; thence continuing S 85-00-00 E 166.92 feet; thence S 02-31-20 W 250.25 feet to a point on the centerline of Old U.S. 12; thence along said centerline, Westerly 153.40 feet along the arc of a circular curve to the left, having a radius of 2643.00 feet, a central angle of 03-19-32 and a chord which bears N 86-13-54 W 153.38 feet; thence N 00-30-00 W 254.49 feet to a point of beginning, being part of the Northwest 1/4 of said Section 13 and containing 0.92 acres of land more or less, subject to the rights of the public over the Northerly 33 feet of Old U.S. 12. Also subject to other easements and restrictions of record, if any. This property is located west of Thompson's Pizza and north of Old U.S. 12.

The aforesaid hearing will be held in the Council Room in the Chelsea Municipal Building on Tuesday, May 19, 1987 at 7:30 o'clock P.M. The petition, as filed by Donald Thompson is on file in the office of the Village Manager, and may be examined prior to the date of the hearing.

Shall the 2 mills limitation (\$2.00 on each \$1,000.00) on site equalized valuation on the annual property tax previously approved by the electors of Washtenaw Intermediate School District, Michigan, for the education of handicapped persons be increased by 1.5 mills (\$1.50 on each \$1,000.00) on state equalized valuation?

# Chelsea Village Council Proceedings

April 21, 1987

## Regular Session.

The meeting was called to order at 7:35 p.m. by President Satterthwaite. Present: President Satterthwaite, Clerk Anderson, Village Manager Weber and Assistant Village Manager Fahrner.

Trustees Present: Steele, Boham, Bentley, Merkel and Hall.

Trustees Absent: Kanten.

Others Present: Mary L. Haas, Chief McDougall, Kay Cybulski, Louise Graves, Paul H. Newhouse, Linda Newhouse, Treasurer Chapman, Dana A. Denver, Randy Osborne, Valerie Tucker, and William Rademacher.

Motion by Steele, supported by Merkel, to amend the minutes of the last meeting to include the approval of the previous minutes of March 17, 1987. Roll call: Ayes all. Motion carried.

## Public Hearings on Amendments to Ordinance No. 79 (Zoning Ordinance):

1) The public was invited to comment on proposed amendment No. 79-RR to Regulate Adult Motion Picture Theaters, Adult Bookstores and Sexually Explicit Nude Entertainment. No public response.

2) The public was invited to comment on proposed amendment No. 79-SS, to rezone 1.07 acres to RS-2 and to rezone 1.17 acres to RM-1. Applicant—Lloyd Bridges. Property is located north of Old U.S. 12 between Arthur Street and Old Manchester Road. No public response.

3) The public was invited to comment on proposed amendment No. 79-TT, to rezone .55 acres to RM-2. Applicant Robert Penskar. Property is located north of W. Middle Street between Cleveland and Wilkinson Streets. Mr. Penskar described the proposed area and explained his plans. No other comment was given.

4) The public was invited to comment on the proposed amendment No. 79-UU, to rezone 13 +/- acres to PUD-6 units/acre. Applicant Salyer-Deval and Salyer-Fahrner. Mr. Carl Schmult explained the outline of the proposed area plan. There was a note that the boundaries were not exact and that a new plan would be drawn. No other comment.

Village Clerk Anderson administered the Oath of Office to Riley Scott Sumner for part-time police patrolman duties.

No reports by Department or Commission Heads.

A report was given by Boham to allow payment of overtime wages to salaried employee Frank Kornel. No action was taken at this time.

Boham and Steele reported on the request of Mary Haas to allow parking on village streets between the hours of 2:00 a.m. and 5:00 a.m. It was the recommendation of the committee to let the Ordinance regulating overnight parking stand as is.

Trustee Steele reported that the Chelsea Planning Commission had held a public hearing on the Donald Thompson zoning request. The Council set the date of May 19, 1987 as hearing of the request.

Motion by Steele, supported by Boham, to appoint Lyle Christwell to fill the unexpired term on the Chelsea Planning Commission created by the resignation of T. McGaw. Roll call: Ayes all. Motion carried.

Louise Graves asked about an ordinance regulating Bed and Breakfast establishments in Chelsea. The Council will request a recommendation from the Planning Commission on this matter.

Mr. Ishmael Pickelsimer requested the street sweeper be filled at a different location or at least shut the motor off while filling.

Randy Osborne wanted use of the fairgrounds for the James Alexander Foundation. No action was taken on this matter at this time.

Motion by Bentley, supported by Hall, to deny the rezoning request of

ARCUS to rezone eleven (11) acres of land west of M-52 and south of Brown Drive to C4 (Restricted Commercial District). Roll call: Ayes—Satterthwaite, Merkel, Hall and Bentley. Nays—Steele. Abstain—Boham. Motion carried.

**RESOLUTION**

BE IT RESOLVED, AND IT IS HEREBY RESOLVED, that the Village Council of the Village of Chelsea does hereby adopt, approve and promulgate Ordinance No. 79-RR, "AN ORDINANCE TO AMEND ORDINANCE NO. 79, THE ZONING ORDINANCE OF THE VILLAGE OF CHELSEA, REGULATING THE PLACEMENT, LOCATION AND RELATIONSHIP OF ADULT MOTION PICTURE THEATERS, ADULT BOOKSTORES, SEXUALLY EXPLICIT NUDE ENTERTAINMENT AND TO AMEND SUPPLEMENTAL REGULATIONS," and the Clerk of said Village be and is hereby directed to cause the same to be published in the Village of Chelsea, in The Chelsea Standard, or any other paper of general circulation, and otherwise record said instrument within the Book of Ordinances.

## Lousma To Present Baton Awards

Astronaut, Colonel Jack R. Lousma, will present the awards to the elite baton twirlers in the state at the "Miss Majorette of Michigan" pageant being held at Chelsea High school on May 9.

A Michigan resident, Lousma has logged 1,619 hours 13 minutes and 53 seconds in his two space flights. He spent 11 hours and 2 minutes in two separate space walks outside the Skylab space station on his first flight.

Having served as a Marine Corps officer since 1959, Lousma was one of 19 astronauts selected by NASA in April 1966. He served as a member of the astronaut support crews for the Apollo 9, 10, and 13 missions. He was pilot for Skylab 3 in 1973 and was commander of the Space Shuttle Columbia in 1982. Numerous awards have been given Colonel Lousma, including being inducted into the International Space Hall of Fame in 1982.

He was a U.S. Senate candidate from Michigan in 1984 and is currently involved as an aerospace consultant as well as adjunct professor of Aerospace Engineering at the U. of M. President Reagan recently nominated Lousma to the General Advisory Committee of the USA Arms Control and Disarmament Agency.

Assisting Colonel Lousma in the presentations will be 6-year-old Winston Howard of Ann Arbor, young

men's National and World Champion NBTA solo baton twirler. Greg Staley, 17, senior men's National Champion drum major, will also help with the awards. Greg is from Owosso.

"Miss Majorette of Michigan" will begin at 9 a.m. and end at approximately 5 p.m. A spaghetti dinner will be served between 5 and 7 p.m. The awards ceremony will begin at 7 p.m. in the High School auditorium. The public is invited to attend.

There are 91 entries this year for "Miss Majorette" with competitors

coming from 39 different cities across the state. Chairman for the prestigious event is Rita Howard while co-chairman is Debbie Marshall. It is sponsored by the Chelsea Baton Boosters Club with all proceeds going to the Chelsea Baton Corps.

AS PART OF THEIR ROMAN BANQUET, the seventh graders at Beach Middle school, all clad in Roman attire, staged a costume contest. Tying for first-place honors were Joe Hafner and Scott Pacheco. Mike Wolpoff came in second and Amy Mitchell, third. Pictured, from left to right, are Joe Hafner, Mike Wolpoff, Stephanie Norris, Christine Burg, Erika Boughton, Wendy Bell, Laurie Easudes, Kristie McNabb, Brandie Boyers, Stacie Bergman, Leah Hadley, and Scott Pacheco. Missing is Amy Mitchell.

WINNERS OF THE ELECTIONS FOR EMPEROR, Tribune, and Consul at the Beach Middle school Roman banquet were able to choose a slave for the meal. Shown is Stephanie Norris serving Leah Hadley and Jeff Holzhausen while Steve Riddle and Chris Wright watch.

## 7th Graders Enjoy Roman Banquet

Seventh graders at Beach Middle school enjoyed a Roman banquet on Wednesday, April 29, as a part of their studies on Roman history. All the students enrolled in either Barbara Brown's or Jim Hoeft's two-hour block class in social studies and English dressed in Roman costumes,

ate Roman food, and enjoyed Roman entertainment.

In preparation for the banquet, the students did two projects such as preparing Roman food, making Roman mosaics, building models of aqueducts and Roman roads, or writing about Rome in poems, stories,

plays, and essays.

The students also ran for the Roman offices of Emperor, Consul, and Tribune. They made campaign posters and gave campaign orations complete with offers of bribes. Those elected were able to choose a slave to wait on them.

The menu for the banquet listed Rubicon Blue Wine, Appetizers, Columella Salad (which they figured out how to make from an old Roman poem), Lucellus Delight, and Baklava.

### Area Students on Cleary Honor Roll

Three area Cleary College students have attained honor roll standing for two consecutive semesters, Kimberly Chor and Michelle Weber, both of Chelsea; and Vicki Hieber of Manchester. Christopher Lee of Chelsea has joined them on the winter term honor list. To be honored a student must earn a 3.5 grade point average while taking at least three classes for a minimum of nine quarter hours of credit.

The American Library Association has 42,000 members, and is the oldest and largest library association in the world. Founded in 1876, the ALA promotes the delivery of user-oriented library and information service to the public.

## Fair Board Holds April Meeting

Chelsea Community Fair Board held its regular meeting on Friday, April 24 as President Bill Stoffer called the meeting to order.

All officers were present. Directors attending were Harold Gross, Jerry Herrick, Jerry Heydlauff, D. Koenigter, Mark Lesser, Reuben Lesser, Jr., Ken McCalla, Harold Trinkle, Walt Zeeb, and Tom Smith.

Others present were Pat Merkel, fair publicity, and John Wellnitz, reporter.

The secretary's report was read and correspondence as well as the treasurer's report were read and accepted.

Walt Zeeb gave a report for Friday after 5 p.m. The Country Play Boys, a country and western band, will entertain.

The fair party will be Friday, Oct. 2. Two coffee pots and additional refrigeration will be purchased.

Additions to some committees were appointed for those who can't serve in 1987. Walt Zeeb will help plan red, white and blue decorations for the fair's 50th year and the state's 150th birthday.

Anyone interested in taking photographs of activities during the fair should write P.O. Box 248 for additional information.

## Garrett Carlson Admitted to EMU Honors Program

Garrett Carlson, son of Marvin and Susan Carlson of Chelsea, has been admitted to Eastern Michigan University's honors program. His selection was based on his grade point average, standardized test scores, personal essays, and letters of recommendation from teachers and counselors. He is pursuing a degree in telecommunications and film.

Funds are authorized under the Job Training Partnership Act (JTPA), Title III, to assist workers who have been displaced due to plant closures, foreign competition and changes in technology and industry. JTPA is administered by the Labor Department's Employment and Training Administration.

You are closer to a college education than you think. Washtenaw Community College offers many of its courses at the high schools in Chelsea and Dexter. All classes start at 6 p.m. and are available in Monday-Wednesday or Tuesday-Thursday combinations.

You can study topics like introductory algebra, business math or triangle trigonometry. Best of all, you can register and attend class without coming to our main campus in Ann Arbor.

Registration at both Chelsea and Dexter high schools happens Wednesday, May 6 from 6-8 p.m. If May 6 doesn't work out, you can still register at the Ann Arbor campus from April 27 through May 8. Call 973-3650 for daily registration hours.

## Area Students Earn Degrees at EMU

Area students eligible for graduation from Eastern Michigan University received their bachelor's degrees April 25 at spring commencement ceremonies held in Bowen Field House.

Graduates from Chelsea include Sandra K. Parisho, Chipley F. Trombley, Patrice A. Villemure, and Timothy R. Whitesall, Jr.

Dexter graduates include Scott W. Etzel, Christopher G. Rutkowski, Kara A. Sartin, and Tim R. Sharrar.

From Grass Lake Karen M. Millar, Lisa A. Miller, and Dominic A. Perrino are listed.

Manchester graduates include Jeffrey J. Cavell, Joan S. Harvey, and William G. Parker.

Pinckney graduates include Mark T. Averill, Gerardo F. Carrillo, Madeline M. Kominars, Diane E. Moffa, and Jerrold J. Reams.

Will Rogers called chili "the bowl of blessedness." He believed that more Pilgrims would have survived that first winter on the Cape if they would have had chili as part of their diet.

## Senior Citizens Collect Labels For North School

Chelsea Senior Citizens have collected 19,525 Campbell soup labels for North school. Media specialist at North, Barbara Locks, has mailed them in and ordered three cassette tape players, a set of books about bulletin boards, and two books of science experiments for children.

The seniors collect these labels, as well as those from Swanson, V-8, Prego, Recipe dog food, the quality pledge from Mrs. Paul's fish products, Juice Works, and Vlasic pickle jar lids. They store them in bins. Before turning them over to North school, they cut, count, and bundle them.

According to Senior nutrition program director Arlene Larson, they do it because "it's fun to do." Since the senior center is located at North school, they enjoy finding ways to work with the school community as exemplified by this project.

## Arch Bradbury Buys Two Registered Holsteins at Auction

A. L. Bradbury of Dexter purchased two Rose-Brook Holsteins Wednesday, April 15, at the 1987 Michigan Spring Foundation Sale at the Ingham County Fairgrounds in Mason. Nearly 300 people attended the fair which featured a quality line-up of 62 registered Holsteins.

FOUR CONFIRMANDS were received into the fellowship of St. Paul United Church of Christ on Palm Sunday, April 12. They received their first communion on Maundy Thursday, April 16. Members of the class of 1987 are, from left to right; Caroline Flintoft, Nicole Fletcher, Pastor Erwin R. Koch, Shawnty Reed, and Steven Pieske.

## Home Meals Service Needs More Drivers

Home Meal Service of Chelsea, active since 1973, is again in need of drivers.

The present arrangement is for volunteers to drive every other week on a route that takes approximately one hour. For various reasons there are openings for both Tuesday routes, one Monday and one Friday route. When the need arises meals are also delivered on Sunday, and there is always a need for Sunday drivers.

Home Meals delivers a noon dinner meal to senior citizens or those home-bound because of illness or handicap. These meals are prepared with individual preferences and diet requirements in mind. Presently there are two sources for meals. Those who can afford to pay the \$2.25 per day receive meals prepared at the Chelsea United Methodist Retirement Home. Anyone who qualifies to receive federally subsidized meals has meals picked up from the North School Senior Citizens Center.

The program is blessed with several substitute drivers who come to the rescue when one of the regulars must be away, but there is always a need for additional volunteers who would help out at the last minute, or occasionally when needed.

If there are readers who would like to discuss the possibility of becoming involved in any way, call Ann Feeney at 475-1493, anytime. The program would benefit from additional community involvement.

CONFIRMATION CLASS: Three middle school students, after completing the confirmation program which met from September to April, were confirmed on Easter Sunday at the First Congregational church of Chelsea. Shown, from left to right, are the Rev. John Gibbon and the three who were confirmed, Duane Gibbon, Carl Thukow, and Randy Seitz.

## CHIROPRACTIC The Winning Edge!!!

We are all in need of chiropractic care from the time we first participate in sports as children up to and including adulthood and professional athletes. Competitive and recreational athletic activities can, even, without trauma or direct injury, put a tremendous amount of stress on the spinal column and spinal nerves. Discomfort and loss of coordination may be the result.

Even in the most well-prepared and conditioned professional athletes, any spinal injury can cause immediate and long-term detrimental effects. However, whether it's a child or a

professional who suffers a spinal injury, if it goes uncorrected, it will affect their performance and ability. In the long run, it makes more sense to be sure there are no spinal problems going undetected or uncorrected.

Athletes from virtually every walk of life keep chiropractic as a much needed ally to peak physical fitness. Simple spinal adjustments can mean the difference between competition at your very best and a painful reminder of what might have been. Call our office for a spinal analysis to see if chiropractic can give you the winning edge.

**FLORANCE HUBBARD, AGE 95**, the oldest member of Girl Scout Troop 777 talked to Carrie Smyth of Troop 82 at a joint meeting of the two troops. Mrs. Hubbard who described her occupation as "a farmer's daughter and a farmer's wife," lived in Oakland county before moving to the Chelsea United Methodist Retirement Home.

**EDWARD STEINER WAS A SPECIAL GUEST** at the joint meeting of Girl Scout Troops 777 and 82. Because he is a life-long resident of Chelsea, he was invited to share his memories with the scouts who are working on their "Our Heritage" badge. Seated next to him is Winifred Cooley who also shared her childhood experiences with the younger Girl Scout troop.

## Scouts Ask About Life in the Old Days

"What was life like in the old days?" was the question asked in a variety of ways at the joint meeting of Girl Scout Troop No. 82, made up of fourth graders from North Elementary school, and Troop No. 777, made up of residents of the Chelsea United Methodist Retirement Home.

The younger girl scouts were working on their "Our Heritage" badge. Along with their leader, Carol Reed, and a mother, Barbara Phelps, they visited the retirement home on the afternoon of April 30 to do research. Members of the two troops, plus a few other residents of the home who had been asked to come because they were life-long Chelsea residents, sat in a circle and exchanged information. The fourth graders took turns standing up and asking questions which they had prepared.

In answer to a question, "What was Chelsea like in the old days?" Edward Steiner said he lived on Dewey St. and that it was a dirt road with a farm at the end of the street. He remembered the first street lights and that until 1926, there was no police department, just a justice of the peace, even during prohibition.

In answer to questions about transportation, the group reminisced about the early days of cars and remembered even earlier modes of

transportation such as horse and buggies and street cars.

Asked what they did for entertainment, the general consensus among the seniors was that in the old days, children had to rely more on their imaginations. They remembered playing pom pom pullaway, tag, ball and jacks, and hop scotch. Card games included Flinch, Old Maid, and Rook. One woman remembered having a hoop which the blacksmith made her that she would roll, catching hold of a ring on the inside. Another remembered making houses, even hotels, out of leaves.

The seniors remembered playing old victrolas that had to be hand cranked. The records in those days were cylinders. They remembered listening to the radio in the days when it was a new invention. One woman remembered listening to a crystal set that had such a faint signal it could only be heard with earphones.

The younger scouts learned that children's clothing used to be less comfortable and practical than it is now. They were told that girls never wore slacks, instead wearing shirts and blouses or organdy dresses with ruffles that mothers spent hours ironing. Long underwear and clothes made out of serge added to the discomfort. One woman remembered

**FLORANCE HUBBARD, AT AGE 95 THE OLDEST** member of Girl Scout Troop 777, wore a 1912 Girl Scout uniform at two events in April. The uniform which belonged to troop leader Connie Amick's mother, was worn at the Alumnae Tea held April 9 and the joint meeting with Troop 82 on April 30.

that there were no dress shops where she lived; that when she needed a new dress, she would either go to a fabric shop to buy material for a dress or order one from the Sears catalog.

Asked if they were Girl Scouts when they were young, several of the seniors said they never heard of scouting in their youth. But one woman from Manitoba said scouting was very popular in her area.

The group unanimously answered "no" to the question of whether

children were different then than now. They said that children today have more and that they have different likes, but that basically they are the same.

After the question and answer session, the younger scouts shared cookies and punch with the senior scouts who had been so helpful. The seniors told the girls that the "Our Heritage" badge was one of the first that they worked on when they formed as a troop 10 years ago.

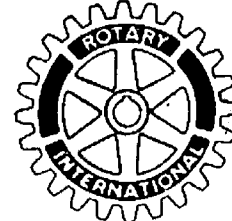

**GIRL SCOUTS FROM TROOP 82** took turns standing up and asking questions of members of Troop 777 about what life had been like in the old days. Pictured is Risa Buberniak seeking information from Frieda Dickson,

Mary Elizabeth Yoder, and Evelyn Veal. Other Troop 82 members, from left to right, are Jessica Knight, Leslie Reed, Shannah Shemansky, and Melanie Broughton.

PHOEBE STRONG

### Will Tour Chile With Grace College Handbell Choir

Phoebe Strong, a 1985 Chelsea High school graduate, will be touring Chile from May 21 to June 9. She is part of the Women's Glee Club and Handbell Choir of Grace College (Winona Lake, Ind.) where she is finishing her sophomore year.

Grace College is affiliated with the Grace Brethren Churches. The group will be ministering in an evangelistic effort, answering an invitation from the Gospel Mission of South America.

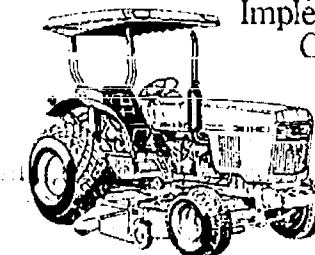

The tour will center around three major cities of Chile—Santiago, Temuco, and La Serena. The group will be ministering in churches, universities, municipal theaters, schools, camp meetings, and will even be on national TV. The Rev. Richard Anderson, the Belle's vocal coach, will speak through an interpreter at each service.

Handbells provide a special experience because they are both visual and musical. They are a lesson in co-operation and unity, a picture of the proper function of the body of Christ. Playing bells is a different yet effective way of spreading the Gospel.

## Villemure Receives Ford Service Manager Award

Matt Villemure of Palmer Ford-Mercury in Chelsea, has been honored by Ford Motor Co. with the 1986 Service Manager Quality Care Award in recognition of his excellence in satisfying customers. This award is given to the top 15 percent of service managers at Ford or Lincoln-Mercury dealerships.

The award is particularly significant in the fact that winners are selected by the dealerships' customers themselves, through surveys asking them to rate their satisfaction with their dealerships. Survey questions include quality of the service work done, treatment, service personnel's attitude, and follow-up after service. The award to Villemure clearly indicates that the customers of Palmer Ford-Mercury are among the most satisfied at Ford Motor dealerships.

In speaking of the importance of dealership people in providing customer satisfaction, Harold A. "Red" Poling, president of Ford Motor Co., has said, "The customer may be delighted at first with his or her new vehicle on the basis of styling, quality and value. However, that delight will quickly sour if the customer feels ill-treated, if the vehicle has not been properly prepared or delivered, or if service after the sale is unsatisfactory."

Villemure has been at Palmer Ford-Mercury for 16 years. Matt's legendary ability is known throughout Michigan. He has worked closely with Ford Service and Engineering in Dearborn in order to provide his customers the very best service possible.

Matt and his wife, Betty, reside at 334 Washington St. They are the parents of five children who not only excelled in the Chelsea school system but have gone on to excel in college and the workplace. Those achievements make the Villemure family very special to Chelsea.

## Three from Chelsea Chosen for Hillsdale Honor Societies

Three Hillsdale College students from Chelsea have been admitted to honorary societies.

David W. Wojcik, son of Mr. and Mrs. Sylvester Wojcik, was initiated into Psi Chi, a national honor society for students who are making psychology a major part of their studies.

Joseph Simon, son of Mr. and Mrs. Paul Simon, was initiated into Sigma Zeta, a national science and mathematics honorary.

Connie E. Bollinger, daughter of Mrs. Oscar F. Bollinger, was initiated into Lamplighters, a group which honors eight senior women students who have distinguished themselves because of high standards of scholarship, character, leadership, and service to the college.

The Division of Coal Mine Workers' Compensation recovered more than \$8 million during fiscal year 1985 as a result of debt collection activities from responsible mine operators, insurance carriers, beneficiaries, and medical providers, according to the Labor Department's Annual Report for Fiscal year 1985.

## Auto Show Seeking Local Volunteers

Volunteers are being sought to help organize an automobile show and swap meet scheduled for Aug. 1-2 at the Chelsea Fairgrounds.

The event is being sponsored by and for the James Alexander Foundation of Ann Arbor, an organization dedicated to recycling a variety of materials including glass, metal, rubber, plastic and clothes.

James Alexander was simply a name chosen by the foundation's organizer and president Randy Osborne based on Biblical scripture. Osborne said the group filed its articles of incorporation on Jan. 31, 1986 and has applied for tax-exempt

status. Osborne said he has an automotive background, was a freelance writer and taught at Eastern Michigan University.

Organizational meetings will be held on Thursday, May 7 and Thursday, May 14 at Chelsea High school at 7 p.m. Osborne said he is particularly interested in volunteers from social service organizations in need of funding and local businesses who are interested in free advertising in the show's program.

Osborne has promised the Village of Chelsea 25 percent of the proceeds from the two-day show, to be used at the discretion of the village council.

Osborne said the attendance goal for the two days is 25,000 but his estimate is that 5,000 will show up. He said he plans a half-page advertisement in Car & Parts Magazine, a national periodical.

The village is requiring Osborne to foot his own liability insurance. Police support will either come from the Chelsea Police Department or Washtenaw County Sheriff's Department, he said.

The event will feature an automotive flea market, along with an antique-custom-classic automobile show, complete with trophy judging of show cars.

NOW BOARDING FOR LAS VEGAS read the sign in the lobby of Chelsea Airlines, as high school prom-goers took a trip to the casinos last Saturday for CHS's annual event. Gambling was definitely permitted for the many juniors and seniors in attendance.

## Letters to the Editor

To the Editor:

In these times when the family is threatened into extinction by modernism, by divorce, by materialism, the tradition of honoring Mother's Day is a far more precious event than ever before!

Motherhood is an awesome task and gigantic challenge, so this writing is a tribute to the "Dignity of Motherhood and the Sanctity of Life."

In His wisdom, God, made mothers a source of courage, words of cheer, faith, to let us know her thoughts are always near us, hope to inspire, and love. Oh, what a special love it is!

The hours "Mama" sat with you when you were ill. Dried your tears when you were hurt as a little child, and yes, as you grow up she helps to dry tears and calm the fears of mind and heart, at one time or another. Her reassuring smile when you're in doubt. "Mom" spends hours in quiet inward prayers for each of her children all of her lifetime. A protector when you're littlest, a praise avenue when you need it most. "Mom" is one who understands without words exchanged between you.

"Maw's" times of correcting us for our own good and well-being are sure branded into our memory banks of mind. To be firm when she loves so deeply, hurts her more than you will ever know. Those quick kisses on the cheek as you pass her by, are a thousand words.

Have you ever sat down and made a list of all the roles "Mother" lives in the play called "life?" Why she is nurse, doctor, mechanic, cook, chauffeur, teacher, preacher, maid, shopper, banker, seamstress, referee, baker, dentist, decorator, barber, and these are just a few of the talents she uses each day! Is it no wonder, "Mom" gets tired now and then?

For all the times we have not said, "I love you, Mother," these words are for you. "Our hearts may carry many memories of the loving things you have done, 'Mom,' and we want to tell you that the most precious memory of all, since we can remember, is loving you."

Yes, in His wisdom, God, made mothers and gave the best He made to each of us. Mother's Day is 24 hours long, 365 days a year. Do you know that laughter, joy, and presence the only gift you are, have you the time, Mother would like to be with you? Have you hugged your Mother today? Make it a beautiful habit.

Millie Warner  
P.S.—May all mothers called home by God, from their place in eternity somehow know this writing is for them as well.
