SIXTH GRADE CAMP, if anything, stresses co-operation and these two youngsters, David Seitz, left, and Aric Dougherty, do their best to move a box of firewood to a more appropriate place. The week-long camp for Beach Middle school sixth graders began this week at Mill Lake. It always proves to be an education for children, parents and teachers.

School Board Rejects CEA Layoff Grievance

Chelsea School District Board of Education unanimously rejected a grievance filed by the teacher's union on behalf of two high school teachers who are scheduled to be laid off after this year.

English teacher Alice Leith and social studies teacher Rahn Rosentretter are scheduled to lose their jobs due to declining enrollment in the high school. The district will save \$65,372 by not having to pay their salaries, according to superintendent Ray Van Meer. Leith would make \$37,484 and Rosentretter would be paid \$27,888, not counting his compensation for coaching two sports.

The board heard the grievance in closed session during Monday night's regular school board meeting and later voted 7-0 against the grievance in open session.

The board heard arguments by Chelsea Education Association grievance chairman Phil Jones and Michigan Education Association attorney Walt Benton. Benton, Van Meer said, argued that the administration had misinterpreted the contract as to the procedure for layoffs.

The only step left in the grievance process is for the two sides to agree on

an independent arbitrator who would decide the case. CEA is expected to notify the board that it wants to proceed with binding arbitration.

The grievance has been denied by high school principal John Williams, Van Meer and now the school board.

According to Van Meer, the administration made a proposal prior to the meeting that would keep both teachers at least on a part-time basis. He did not elaborate on the proposal except to say that the union rejected the offer. Neither Jones or CEA president Janet Rossi could be reached for comment before press time.

School Asbestos, Hazardous Substance Problems Addressed

Work is continuing on bringing Chelsea into accordance with the EPA asbestos guidelines and the Washtenaw County Right to Know ordinance, according to assistant

superintendent Fred Mills, under whose jurisdiction the work falls.

Mills reported at the school board meeting Monday night, May 2, that a report on the amount of asbestos in

the school buildings should arrive shortly. He explained that although inspection took place last October, the report was delayed because the EPA guidelines changed.

After the report is submitted, it will be the job of the school board to submit a plan to the state detailing what action will be taken and when. Assuming asbestos is found, the school board may encapsulate it, remove it, or decide to leave it.

The right to know ordinance entails inventorying all hazardous substances stored by the school system, such as gasoline for the buses and buckets of floor wax, and submitting a list complete with a floor plan of where they are stored and locations of drains to pour them out, to both the Chelsea fire department and to the county.

According to Mills, this job has been very time consuming, especially since there are federal and state, as well as county regulations which must be

brush and limbs will not be collected during the annual pick-up. (Continued on page five)

Village Spring Pick-up Slated for Saturday

Village of Chelsea's annual spring trash pick-up is scheduled for this Saturday, May 7.

The purpose of the clean-up is to give village residents a chance to dispose of items that are too large or too numerous for normal weekly collections.

However, there are definite restrictions on the pick-up and rules to be followed.

Village residents may stack items on their curb lawns beginning today.

On Saturday, village crews will go down each street one time. Residents who place trash at the curb after crews have been by will be asked to remove the items at their own expense.

The village will not pick up demolition materials such as parts of buildings, concrete, asphalt driveways or sidewalks, autos or large auto parts.

Village Planners Give Preliminary Approval to Two Shopping Centers

Chelsea Village Planning Commission gave preliminary approval to plans for two shopping centers at their regular meeting last Tuesday, April 26.

Both plans were approved with minor contingencies. Before construction can begin the commission will have to give final approval, probably at their May meeting. It's likely construction could begin almost simultaneously on both projects.

If both malls are constructed they will be across the street from each other on M-52 near the corner of Old US-12.

It was the second preliminary approval for developer Rene Papo's Chelsea Shopping Center on the west side of M-52 behind Meabon's Appliance Store. His preliminary site plan had to be revised after the village objected to the way the mall would handle truck traffic. As it turned out, the mall was almost entirely redesigned.

It was the first preliminary approval for developer Mike Kennedy's mall, which will be connected on the south with Polly's Market.

Kennedy has run into a variety of problems with drainage and other concerns that have delayed the approval.

Papo's Chelsea Shopping Center will be nearly twice the size of Kennedy's Village Shopping Center. Papo wants to build 89,800 square feet, of which 80,000 square feet would be devoted to sales.

The Polly's complex would have 75,850 square feet, of which 29,500 square feet is the existing Polly's Market. New construction would include 46,350 square feet.

Each developer will be required to enter into a development agreement with the village describing exactly who will be responsible for various aspects of the project, including who will provide utilities to the site. In addition, each developer will have to provide title insurance or some other proof of ownership.

Kennedy must provide proof that Great Lakes Bancorp approves of the mall's use of their southern driveway. Papo must provide written proof that Leon Meabon approves Papo's plans

to attach the mall to the appliance store.

Other contingencies call for modifying tapers in driveways, showing which trees will be removed, and deciding where sidewalks will be constructed.

The anchor store for Papo's mall is scheduled to be Ames Department Store, a 55,000-square-foot general merchandise store. Kennedy's mall will have a discount drug store and a general merchandise store as anchors.

DNR Gives Village One-Month Extension On Landfill License

Village of Chelsea will be able to keep its landfill open at least another month as the Department of Natural Resources has granted a one-month extension on its application renewal review period, according to assistant village manager Lee Fahrner.

Fahrner also said the DNR called the village's Grand Rapids law firm and apologized for not completing in a timely fashion their review of the village's counter-proposal to the DNR's consent agreement.

Early this year the DNR asked the village to sign a consent agreement that would hold the village totally responsible for cleaning up groundwater pollution at the landfill. They tied the signing of the agreement to

the issuing of a new license. The village refused and hired the Grand Rapids firm, who put together the counter-proposal.

The counter-proposal was submitted in early March and the village attorney has been waiting for a response.

The landfill is rapidly running out of space and will lose space at an even faster pace in May as it processes trash from the village's annual spring pick-up. Fahrner said last week that a decision will have to be made soon whether or not to close the landfill to everyone outside the village during the month extension.

"I don't really want to do that if we can avoid it," Fahrner said.

May 23 Is Court Date for Village of Chelsea vs. Penskars

Village of Chelsea and Robert and Audrey Penskar are scheduled to tangle in court beginning May 23 over the village's denial of a variance last year for property at 648-650 W. Middle St.

Village council has discussed the situation in closed session on at least one occasion, but little has been said publicly since the suit was filed June 24.

A motion to discuss the matter in closed session during the council's

April 19 meeting failed when the vote was deadlocked at 3-3.

In referring to the case during the meeting, trustee Phil Boham said it appeared to be a situation of "we're damned if we do and we're damned if we don't. I'm concerned about the money we may have to lay forward to defend this suit when it appears to be the village attorney's position that we might not be able to win it. And I recognize the fact that if we do decide to compromise that we may be setting

a precedent." Boham was not present for the original vote last year.

Trustee Gary Bentley also said, "I'm in total disagreement with what we're doing." Bentley voted last year to allow the variance.

The lawsuit was filed in Washtenaw County Circuit Court after the Zoning Board of Appeals (same members as the village council) denied the Penskars the opportunity to construct an apartment building behind the two-unit building they already own. Although the land is zoned correctly, the lot dimensions are apparently too small to allow such a structure.

According to a March 10 memo by village planning consultant Carl Schmult, the Penskars' lot must be 120 feet wide at the front property line to support medium density housing. In addition, the width of the lot must be 150 feet at the front building line. The lot is 68.4 feet at the front line and is a maximum of 132 feet at the back lot line.

However, Schnault's memo said, the lot meets all necessary requirements for another two-family home and would not need a variance.

On Thursday, June 2, from 3:30 to 6:30 p.m., at Beach Middle School Cafeteria, a reception will be held to meet the new superintendent of schools. This will be an opportunity for staff and community to meet Superintendent Joseph K. Piasecki.

Chelsea High Prom Slated This Saturday

"Club Shanghai—Year of the Dragon" is the theme of Saturday's Chelsea High school Junior/Senior prom.

Nearly 500 students are expected to attend the annual event at the high school from 8 p.m. until midnight.

In addition, the CHS chapter of Students Against Driving Drunk will hold its annual after-the-prom party at Chelsea Lanes.

Students will enter the building in the "slum" area of town where they'll be greeted by beggars, fortune tellers and booths of many kinds.

From there they'll move into a China garden, modeled after a 1940s

Shanghai club. Juniors have been working on the decor all week long.

Later in the evening, a prom king and queen will be chosen by a vote of those attending.

Music will be provided by the band, "Arenas."

The public may view the decorations from 5-7 p.m.

The party at Chelsea Lanes will feature free bowling and pinball, as well as food and alcohol-free refreshments.

Key organizers of the prom include chairperson Mindy Ryan, as well as Jason Overdorf and Eric Frisinger. Wayne Welton is the faculty advisor.

PLANNING FOR THE PROM is a sizeable undertaking and here students study blueprint drawings of proposed gymnasium decorations. This Saturday's Chelsea High school prom will have an oriental flavor to it as the theme

is "Club Shanghai—Year of the Dragon." From left are Julie Stacey, CHS alumnus Brian Myers, Stacy Daniels and prom chair Mindy Ryan.

We know Mothers are special

Remember how your mother's smile lifted your spirits when others could only criticize? It seems she was always there.

We have seen the sadness in families when a mother dies. But, the memory of a mother's care lives on forever.

Governor Announces Plan for Competitive Workforce

A plan that redefines literacy to include work readiness skills for entry-level jobs in an attempt to make skills of Michigan workers more competitive has been announced by Governor James J. Blanchard.

The plan was developed by the Adult Literacy Task Force under the direction of the Governor's Cabinet Council on Human Investment and IBM.

The plan makes no recommendations for money or new programs, but instead focuses on reorganizing existing programs. It emphasizes individuals' needs and choices, employers' expectations, performance-based funding, common assessment and measurement tools, life-long learning and joint investments between the public and private sectors to encourage new incentives and partnerships.

"Our chief economic advantage in today's global economy is the skill and resourcefulness of our people. The need to unleash our tremendous human potential and create and maintain a world class workforce challenges us to improve the quality and efficiency of our education and job training efforts," the governor said.

The goal of the plan, he said, must be to offer every Michigan citizen the opportunity to increase job skills and succeed in a highly technical, rapidly changing job market.

State Board of Education President

Barbara Roberts Mason said the findings will be used to improve the board's literacy problems.

"I wholeheartedly agree with the recommendation that there must be a common assessment criteria across the state for determining need and measuring performance," she said.

The recommendations include:

—Adopting a new "work-readiness" goal and a "workforce literacy" definition to drive all adult training and education programs.

It is estimated that as many as 1.3 million people in Michigan lack the skills the new economy demands, such as basic math, computer, problem solving, communications and teamwork skills.

—Establish a professionally-staffed public/private policy board to oversee the design and implementation of an integrated, outcome-oriented adult training, education and supportive services system.

—Simplify access to all adult training and educational services.

—Develop a standard skills assessment tool for measuring Michigan's work-readiness goal and definition to use with each participant in all training and educational programs.

—Foster joint investments that encourage individuals and the public and private sector to participate in building Michigan's workforce skills by creating incentives and encouraging partnerships.

—Create a Human Resources Research and Development Institute as

a joint venture between the state and private sector.

—Support Michigan adult training and educational providers with formal training and technical assistance.

—Initiate a public information/marketing campaign from the highest level of state government that promotes a new workforce training and educational system that is based on individual choice, life-long learning and accountability.

DEAR MISTER EDITOR:

Just in time for cookouts, picnics and eat everything vacations comes encouraging word from Down Under. Zeke Grubb came to the session at the country store Saturday night with news that how you live has nothing to do with how long you live, so eat, drink and be merry.

The item Zeke had told how nine different studies by a University of Australia nutrition doctor found that health habits make no difference in life span. Each study looked at two groups of adults over a period of years. Them in one eat and drink whatever they want when they want, and pay no heed to exercise or sleep. People in the other group do everything they think is good for em and steer clear of what they see as hazards to their health. One lifestyle lives as long as the other, Zeke said.

General, the fellers took Zeke's report with a big grain of salt. Bug Hookum said from what he reads the Australians have a long history of showing the rest of the world how to have fun, and the consequences be hanged. Farthermore, Zeke said, the Aussies themselves probable like the results but reject the reserch. They figger there's no way the good doctor could of come up with enough healthy livers, as organs or lifestyles, to compare the rest of em with.

Actual, said Clem Webster, Zeke and the Australian doctor miss the point. Doctors here that want more of the unsick action have took to calling it wellness. If you avoid gitting sick you stay ahead of the game. If you eat right and live right, Zeke said, you've more apt to live a happier, fuller life and pay lower doctor and hospital bills as long as you live. Clem said some will argue that, sure, health nuts live healthier lives, but fer what? This question, allus comes, he said, from the healthy ones.

Practical speaking, Ed Doolittle allowed, Americans talk one way and live another, and we ought to invite the Aussie doctor to take a look at us. Ed had saw where a recent survey found that 80 percent of us snack between meals, a third pay no attention to salt and sugar, a fourth never eat vegetables or anything else that ain't fried, and no fewer than 54 percent say they never exercise and figger they're in good shape fer the shape they're in.

Farthermore, went on Ed, it aint' no wonder we fall off the health wagon.

You pick up a paper or turn on the television and somebody breaks off the wagon tung and beats us over the head with it. If it ain't fiber its cholesterol, Ed declared, and what we don't get enough of we git to much of. They took the caffeine out of coffee and the fat out of everthing, Ed said, and now he sees where they've come up with a way to take cholesterol out of eggs.

There are folks in this country that have took a pledge never to eat or drink anything with "lite" in its name. Now they got to sign up dogs that bark fer new "Lite Alpo." Ed said a California bakery put the stopper in this jug recent when it advertised a new life bread that had 40 percent fewer calories per slice than its regular light bread. What the bakery didn't say was that both breads come from the same batter, but the "lite" slices are 40 percent thinner.

Personal, I agree that we grow powerful weary of being told how somebody is looking after our best interests at a big profit, and claiming they're holding our health fer ransom.

Yours truly,
Uncle Lew.**Sweet as the Thought...****Flowers**

Facts About Mother's Day:

- 1) Mother's Day is celebrated on the second Sunday in May. Hallmark offers about 2,000 Mother's Day card designs.
- 2) Mother's Day was proclaimed an official holiday by President Woodrow Wilson when he signed a joint Congressional resolution in 1914, calling mothers "the greatest source of the country's strength and inspiration."
- 3) The force behind the establishment of Mother's Day was Anna M. Jarvis, born in Webster, Va. in 1864. After college and a brief teaching career in West Virginia, she moved to Philadelphia with her blind sister and well-to-do widowed mother, to whom she was devoted.
- 4) When Anna was 41, her mother died, leaving her the guardian of her sister and a considerable estate. During the period of mourning, she got the idea for Mother's Day. On the second anniversary of her mother's death (the second Sunday in May 1908), she announced to her friends that she wanted to establish a Mother's Day. She felt the hectic pace of modern life caused children to neglect their mothers.
- 5) The following year Anna began the tradition of a Mother's Day church service and persuaded the city fathers in Philadelphia to hold a city-wide Mother's Day observance.
- 6) In 1912, West Virginia made Mother's Day a state holiday at Anna's urging. Oklahoma, Washington, Pennsylvania and other states followed suit. In 1914, a Congressional resolution was passed making Mother's Day official.
- 7) Anna M. Jarvis died penniless in 1948, having devoted the last part of her life and fortune to promoting Mother's Day.
- 8) Hallmark began making Mother's Day cards in the early 1920's.

I hope you enjoyed this Mother's Day story.

Mr. and Mrs. Robert Gordon Hubbell

Slusher, Hubbell Married At Our Savior Lutheran Church

Deana Jean Slusher, daughter of Fredrick Gillespie and Paula Schneider of Howell, formerly of Chelsea, married Robert Gordon Hubbell, son of Ronald and Bonnie Hubbell of Chelsea, on April 9 at 1 p.m. at Our Savior Lutheran church. The Rev. Franklin Giebel officiated.

The bride wore a taffeta and chantilly lace white tea-length gown with a fitted dropped waist and ballroom skirt. Her hat was an open weave with silk flowers and flying pearls.

Maid of honor was Melanie Dils of Chelsea. She wore a satin and chantilly lace amethyst dress with a fitted drop waist and high-low flaired skirt. Bridesmaids were Jennifer Pichlik of Chelsea, Jane Redmond of Madison Heights, and Tracy Rowe of Clio. Michelle Craft of Chelsea was junior bridesmaid.

The bridesmaids wore satin and chantilly lace orchid-colored dresses with fitted dropped waists and high-low flaired skirts.

Best man was Andrew Box of Ann Arbor, formerly of Chelsea.

Ushers were James Rooke of Chelsea; Norman Strickland of Auburn, Ala.; and the bridegroom's

two brothers, Timothy and Thomas Hubbell, both of Chelsea.

A luncheon reception in the church hall followed the ceremony. Jeannie Buss was in charge of the guest book.

The couple are 1987 Chelsea High graduates. The bridegroom is enlisted in the U.S. Navy and has obtained the rank of petty officer third class. The bride plans to continue her education while dealing with navy life.

The couple will be stationed in Millington, Tenn. for about six months while the bridegroom finishes the school he is attending.

Bound volumes of Chelsea newspapers were presented at the meeting and 65 copies are now permanently displayed in the Chelsea Public Library, presented to the library by Mr. and Mrs. Walter P. Leonard. Included in the collection are copies of The Chelsea Herald, The Chelsea Standard-Herald, The Chelsea Tribune and The Chelsea Standard, dating from 1890-1953.

Unseasonable snowy weather over the past few days caused damage to fruit trees and plants in the area. Don Johnson, Washtenaw county agricultural agent, said he was receiving reports of extensive damage to sour cherry and peach trees, and strawberry plants. A US-12 gardener reported that his early sweet corn was leveled by frost.

followed. The county regulations are the most rigorous.

In other actions at the school board meeting, a number of administrative matters were taken care of. Contracts for all the administrators were renewed, the board approved following the 1988-89 Washtenaw county common calendar, the date for the June board meeting was changed to June 27 since the school board election takes place June 13, and June 13 was set as the date for the budget hearing at 7 p.m. at Beach school media center.

The administration accepted with regret the resignation of Mary Kalmbach who has worked as a food service employee for 17 years. She is especially appreciated for her baking.

The board recognized Tom Dunlap for his volunteer work of announcer at basketball games.

When active, the Paricutin volcano in central Mexico could spew four million pounds of rock and lava into the air in one minute.

Letters to the Editor

To the Editor;
Open letter to Consumers Power Co.
If Consumers Power Co. is going to include information about the SSC in the electric bill mailings to their customers, the very least they could do is make certain that information is correct.

The 10,000 construction jobs figure is incorrect. According to the Central Design Group, which designed the SSC, there will be 4,500 construction jobs at peak of construction. Of those, only 2,000 will be available to Michigan residents. The remainder will go to accelerator specialists and tunnel drilling specialists imported from other states or countries.

The 3,500 permanent jobs figure also in error. When the facility is completed, it will employ 3,000 people. Of those jobs, only 1,500 will be open to locals. The rest will be filled by scientists from all over the world, accelerator specialists and assorted other PhDs.

Nowhere in the information Consumers Power has so kindly provided to the public is the fact the company has promised the Department of Energy a special large user's rate of 3.94 cents per kilowatt hour guaranteed by a 10-year contract. Consumers Power has also guaranteed that the D.O.E. will not be charged for construction costs to provide service to the SSC.

What guarantees do other customers of Consumers Power have that we will not be charged for the construction costs, or charged higher rates to make up for the low rates the D.O.E. will pay?

I would like to see this information included in my next electric bill.

Jan Vorndran,

To the Editor,
Regarding the letter to the editor from Roy Ives of Tucson, Ariz., in the April 20 issue of The Standard, I wish to say that I can shed some light on the Mr. Schenk question. Owner was Wm. P. Schenk, a very fine gentleman. I knew the family which of course included Sydney, also his wife. I was born in Chelsea in 1901, a daughter of Mr. and Mrs. J. Louis Burg and lived there for about 40 years. My oldest sister, Hattie, who married John Lyons, worked for Mr. Schenk for years.

I especially enjoyed going in the store on winter Saturday afternoons when some of the ladies from the country after finishing up their shopping with their husbands would be gathered (always chairs to go around) around the large floor register in the front of Schenk's store "toasting their tootsies" and having chit-chat sessions while their men folk pursued their own recreation.

Late afternoon they would unhitch "Old Debbie" and set out for home. I also remember Roy Ives very well but perhaps because I was the youngest of the family he remembers my older sisters and Louis and Vincent the best of our family.

Glad to be of some help, I hope.
Wilhelmina (Burg) Lonsway.

Bird brains: Blue jays and other members of the crow family seem to display the greatest level of intelligence in the bird world. According to National Wildlife magazine, crows, ravens and nutcrackers are able to open and close latches and tie knots. Some captive birds have learned to count and to read clocks. Blue jays, for instance, can recall locations where they have stashed thousands of acorns.

Township Candidates To File By May 31

This is the time of year when final decisions on running for township offices will be made since nominating petitions must be turned in to the township clerks' offices before 4 p.m. on Tuesday, May 31.

Elected this year will be township supervisors, clerks, treasurers, and trustees. The primary will be Aug. 2 and the regular election Nov. 8. Webster, Dexter, Lima, Sylvan, and Lyndon will elect two trustees, while Scio will elect four due to their size.

The number of nominating signatures required varies by township. Scio follows the rules established for charter townships by requiring between one percent and four percent of the number of votes cast for supervisor. Using this formula, Scio candidates must get at least 25 signatures and no more than 115. In the other townships, the

number of signatures is based on the Secretary of State vote.

Most incumbents say they are still considering whether to run for reelection, although none contacted so far say they have ruled it out. This is poker playing time when many of the decisions will be based on who else is interested.

The most controversial elections will probably be held in Scio township where SCAD (Scio Citizens for Appropriate Development) are planning to run their own slate against the incumbents, possibly in conjunction with other neighborhood groups so they can offer geographic representation.

Anyone considering running for a township office should go to their township clerk or to the county clerk's office to pick up nominating petitions.

Luke Munn Benefit Set at Leslie, May 21

Attention, wrestlers and wrestling fans! The "Luke Munn Benefit Wrestling Tournament" will be held Saturday, May 21, at Leslie High.

A freestyle wrestling competition, the tournament includes cadet, junior and open classes, and is held in full cooperation with the Michigan USA Wrestling and is a sanctioned tournament. Jeff Virgne of Dexter advised early this week.

Coaches from both Chelsea and Dexter are encouraging interested wrestling candidates to participate in the competition.

Todd Stern, tournament director, explained the proceeds from the May 21 tournament will go to Luke Munn, eight-year-old wrestler, who was seriously injured in an automobile accident while enroute to Dexter to wrestle in the District Freestyle Wrestling Tournament, last month.

Luke is hospitalized and reported in critical condition at Foote Hospital, Jackson.

The May 21 event will be held at Leslie High school, 400 Kimball St., Leslie.

Weigh-in will begin at 7 a.m. and continue until 8:30 on tournament day.

Participants must have Michigan, USA wrestling sanction card, which may be purchased at the tournament, but requires proof of age be presented.

Medals will be awarded the top three places, entry fee is five dollars for the "no points" tourney.

How did the reptile cross the road? Very carefully. According to National Wildlife magazine, every time a snake or turtle crosses the road, there's one chance in 12 he won't make it. In one experiment, a biologist placed plastic reptiles on highways and studied 22,000 attempted road crossings. His findings: 87 percent of motorists went out of their way to avoid the animal, 6 percent went out of their way to hit it, and 7 percent scored accidental hits. Not surprisingly, twice as many drivers made a special effort to hit a snake than to strike a turtle.

Depot Association Representatives Address Saline Historical Society

Friday evening five Chelseans joined a meeting sponsored by the Saline Area Historical Society to talk about railroad stations, historic buildings and how to get a museum. The meeting was called by the Saline club president, Alberta Rogers. Howard Parr of Manchester served as panel moderator in place of former governor John Swainson who had earlier hoped to be present.

Speakers from Chelsea, Milan, and Ypsilanti were on the panel. Will Connelly, representing the Chelsea Area Historical Society, led off with a narrative account of the history of Chelsea's depots. To this he added a detailed description of the purchase of the 1880 MCRH Chelsea depot by the Chelsea Depot Association, followed by an account of the property's restoration and financing.

Connelly left to fill another engagement and four trustees of the Chelsea association volunteered to answer questions from the floor. Invited up to the speaker's table for the convenience of the audience were Gloria Mitchell, Kathy Clark, Marjorie Hepburn and Veretta Whitaker. In addition to giving their own experiences in the restoration of the Chelsea Depot they introduced a proposal. It was to form a county-wide coalition of historical societies, rail stations, museums and historic buildings. In this way, all could share their

thoughts on how to acquire and maintain community-owned museums.

In addition to serving as moderator, Howard Parr talked of Manchester's historic blacksmith shop. Doris Milliman spoke on Ypsilanti's experiences with its prestigious historical museum and Warren Hale told of Milan's historic farm and its early beginnings with the acquisition of an ancient fire engine.

Mrs. Rogers also announced the formation of a committee for restoration of Saline's 1880 windmill.

The enthusiastic meeting, which lasted until 11 o'clock, was held in the meeting hall of the First Presbyterian church.

Kubota's first lawn tractor is built for operator comfort and convenience. Its air-cooled 13.5 HP Kubota gasoline engine makes grooming large lawns easy. The G-Series tractors are the first of their size to be

powered by a diesel engine. Five models from 10 to 16 horses run longer and use less fuel than any gas mower.

The tillers range from 2.2 to 7 horsepower and have air-cooled gasoline engines. There's also a diesel-powered tiller. The larger tillers have special counter-rotating tines that turn backwards to work hard-packed soil up from the roots.

Our portable generators have from 650 to 5,500 watts of power* And our pumps vary in capacity from 106 to 475 gallons per minute.

When it comes to breaking new ground, leave it to a tractor company.

Bulldogs!

Mound Girls Continue Conference Leading Pace

Chelsea Bulldog softball team maintained their Southeastern Conference lead last week with easy double-header wins over the Milan Big Reds and Lincoln Railsplitters.

In other action, Chelsea lost to Jackson Northwest in the semi-finals of the Chelsea Invitational last Saturday after winning three straight games. Northwest went on to win the championship.

Chelsea 19, Milan 2
Chelsea 28, Milan 0

Chelsea struck for 11 runs in the first inning of the opener played Monday, April 25. Senior pitcher Peggy Hammerschmidt had an easy day as she struck out 10 and threw a four-hitter in the five-inning game.

Chelsea scored seven more times in the third and one time in the fourth. Ceia Murphy was Chelsea's big hitter for the game, going 3-3 and knocking in three runs. Hammerschmidt was 2-4 at the plate with three RBIs.

In the second game, junior Jenni Smith struck out 10 batters and the Bulldogs scored 24 runs in the third through fifth innings.

Chelsea whacked the ball all over the field and collected 19 hits. Murphy was 3-3 with a double and a triple and four RBIs. Leah Enderle and Alisha Dorow also had three hits each.

Chelsea 16, Lincoln 1
Chelsea 11, Lincoln 1

Hammerschmidt won her second game of the week with a one-hitter in the opener played Thursday, April 28. She also struck out six.

Lincoln's lone run was in the first inning. Chelsea scored in each of the first four innings before completing the mercy-rule win.

The Bulldogs came up with nine hits and once again Hammerschmidt was her own best friend as she went 2-3 with three RBIs, including a two-run double in the fourth inning.

In the second game, Smith struck out nine, walked one and gave up three hits in another five-inning contest.

Chelsea collected seven hits, including two by Laura Unterbrink. Alisha Dorow knocked in two runs in the six-run second inning.

Chelsea 18, Gabriel Richard 0
Chelsea 9, Holt 0

Chelsea 7, Ypsilanti 0

Jackson Northwest 3, Chelsea 0
The Bulldogs walked through their pool before meeting Northwest in the semifinals. Northwest handed the Bulldogs one of their losses earlier in the season.

In the opening game, "we played aggressively and very well," according to Chelsea coach Pat Clarke. In addition, Richard had four errors, most on easy fly balls.

Hammerschmidt struck out six and yielded three hits and her teammates scored in all five innings.

Chelsea had 11 hits, including four by Enderle and two each by Murphy, Dorow and Unterbrink. Enderle and Dorow each knocked in three runs. Hammerschmidt hit a triple.

Smith ran her record to 7-2 in the Holt game as she struck out nine in

seven innings.

Chelsea had a slim 1-0 lead through the fourth inning before breaking loose for seven runs in the fifth inning.

"I was glad to see that we finally got to them in the fifth inning," Clarke said.

Enderle, Dorow, Hammerschmidt and Kim Easton each had two hits. Unterbrink had a two-run double in the fifth inning.

Jenny Pichlik got a turn on the mound in the third game with Ypsilanti and improved her record to 2-0 with a one-hit shutout.

"Pichlik pitched very well and we played a nice defensive game," Clarke said. The Bulldogs played errorless ball.

Pichlik contributed to her cause with two hits, including a triple.

Enderle, Dorow and Shannon Losey had two hits each in Chelsea's 11-hit attack.

The semi-final game with Northwest featured two of the best pitchers in class B in Hammerschmidt and Robin Papaioannou. And for the second straight time, Papaioannou won the match-up.

"We just couldn't get the key hit when we needed it," Clarke said.

"And they did."

Northwest had five hits for the game and Chelsea three.

The game was scoreless until Northwest struck for two runs in the fifth.

They picked up another in the sixth.

Enderle's fifth-inning double was Chelsea's only extra-base hit.

Hammerschmidt's record fell to 9-3.

ALISHA DOROW slides safely into home plate during Saturday's opening game with Gabriel Richard. Chelsea sailed through three games before running into Jackson Northwest in the semi-finals.

Bulldog Netters Top River Rouge, Hartland

Chelsea Bulldog tennis team won matches over River Rouge and Hartland in the last week.

The Dogs whipped River Rouge, 5-2, on Friday, April 29 and Hartland 6-1.

At River Rouge, Kirk Lawton at number one singles lost to Shawn Enright in three sets, 5-7, 6-4, 1-6.

John Rigg lost at number two singles, 6-7, 1-6, to Jerrod Adram.

Craig Maynard, playing third singles, shut out Andre Grigsby 6-0, 6-0.

Jason Overdorf won at fourth singles over Frank Gregory 6-1, 6-1.

At first doubles, Larry Moore and John Collins beat Pat Enright and Cornell Hulmer 6-1, 6-1.

Jason Richardson and Mike Mitchell beat Dennis Sadler and George Tsirkas 6-0, 6-0 at second doubles.

And Shaun Capper and Chris Wilson topped Damen Pitts and Leo Natt 6-0, 6-1.

In the Hartland match, Lawton started off with an easy 6-1, 6-1 victory over Brett Cornell.

Rigg, at second singles, narrowly lost to Doug Moffet, 5-7, 6-7.

Maynard whipped Phil Sandula 6-1, 6-2 at third singles.

Overdorf stopped Scott Carpenter in three sets at fourth singles, 3-6, 6-4, 6-0.

Eric Worthing and Bob Pratt returned to first doubles to take a 6-2, 7-5 win over Mike Lane and Joe Bogan.

Moore and Collins beat Mike Czop and Jason King at second doubles, 6-1, 6-3.

Adam Heeter and Richardson won over Dan Bender and John Aldighetti at third doubles, 7-6, 6-2.

Beach Girls Win Relays At Tecumseh

Beach Middle school girls track team repeated as champions of the Tecumseh Relays Friday night in competition with 11 area schools.

Each participant contributed points in the winning effort which produced a team trophy and individual ribbons.

"We came out of the field events trailing Tecumseh 22-8, but the girls responded to the challenge with four second-place and two third-place finishes in the running events," said coach Ann Schaffner.

"It was an excellent effort by every girl in the line-up. Our depth in sprinters on the team was the key to our win, plus fine 800-meter and 1,600-meter performances."

Placing second were the 400-meter relay of Laura Paton, Heather McConeghy, Michelle Beeman and Nicci Underhill; the 800-meter relay of Monica Hansen, Sarah Brosnan, Martina Street, and Charity Allen; the distance medley (400, 200, 200, 400) of Leah Hadley, Jenny Petty, Angela Pace and Amy Weir; and the Tecumseh relay (800, 400, 400, 1,600) of Christine Burg, Michelle Beeman, Nicci Underhill and Erika Boughton. Both Burg (2:42, 800-meter) and Boughton (6:19, 1,600 meter) cut 12 seconds off their earlier times.

Finishing third were the shuttle hurdle relay of Jenny Bobo, Hansen, Katie Mignano and Charity Allen; and the sprint medley relay (100, 100, 200, 400) of Pace, Hadley, Weir, and Petty. Earning fourth place in the long jump were Burg and Petty. Boughton and Street were fourth in the high jump.

The Mine Safety and Health Administration was responsible for promoting safety and health at some 419 underground mines and 10,708 surface mines, quarries, sand and gravel operations, and mineral mills in fiscal year 1988, according to the Labor Department's annual report for fiscal year 1988.

Dogs Finish Tough Week With Three One-Hitters

Chelsea Bulldogs lost three of four games in Southeastern Conference action last week but came back to win both games in the first round of the Ann Arbor News/Domino's Tournament last Saturday.

Chelsea's record stood at 2-3-1 in league play and 10-9-1 over-all.

Milan 2, Chelsea 0
Milan 4, Chelsea 3

Junior Morseau took the loss in the opener, a game he did not deserve to lose. The junior limited the Big Reds to six hits, struck out six and walked none.

However, Milan pitcher Wayne Wasilenski tossed a four-hitter. Larry Nix's double was the only extra base hit for the Dogs.

Milan scored once in the fifth on a Pat Cooper home run. Three consecutive singles in the sixth inning scored the second run.

Greg Boughton took the loss in the second game.

"Boughton pitched well again but the lack of clutch hitting hurt us," said Chelsea coach Wayne Welton.

"These two losses were well-played games but heartbreakers for us."

Milan's Cooper hit a solo home run in the eighth for the game-winning hit.

Chelsea held a 3-1 lead going into the bottom of the sixth inning. Nix's single in the first knocked in Chris Acree, who had singled.

A triple and single by Milan in the bottom of the inning tied the game.

Morseau, who was 3-4 for the game, put the Dogs ahead in the third with a solo home run. His single in the fifth

BOB CLOUSE makes the play at shortstop but a questionable call at third base left the Lincoln runner safe. Clouse, normally a second baseman, had to take over for the injured Larry Nix. Clouse has not only played the position well, but has had a hot bat lately.

scored Bob Clouse, who had triples.

Milan had the opportunity to win the game in the seventh but an accurate throw by Tim Anderson from right field nailed Pat Heath at the plate, as Morseau did a good job blocking the plate, Welton said.

Lincoln 8, Chelsea 3
Chelsea 5, Lincoln 1

In the opener, Lincoln scored seven times in the first inning against Rob Lyerla but all the runs were unearned as the Bulldogs committed four errors. Chelsea had seven errors for the game.

"We were pathetic in the first inning," Welton said.

"Defensively we were out to lunch and we essentially gave the game away."

Jeff Prentice's double in the bottom of the first scored two Chelsea runs. Each team scored its final run on an error.

Lyerla walked four, struck out four and gave up six hits while evening his record at 1-1.

Chelsea came back strong in the second game as Randy Ferry tossed a one-hitter to even his record at 1-1.

"Ferry was really tough," Welton said.

"It was a nice comeback by the entire team after the poor first game. The top of the line-up accounted for eight of our 10 hits."

Clouse's triple and Morseau's single gave Chelsea a 2-0 lead in the first inning. Clouse's single in the second scored Mike Kushmaul for the third Chelsea run and gave the Dogs a 3-1 lead.

Scott Gietzen's fifth-inning single highlighted a two-run inning for Chelsea.

Acree, Clouse, Morseau and Prentice each had two hits for Chelsea.

The game was called after six innings due to darkness.

Chelsea 8, Manchester 0
Chelsea 3, South Lyon 0

Chelsea was one of three undefeated teams on the first day of the Ann Arbor News/Domino's Tournament. They'll play Tecumseh this Saturday in Chelsea then travel to Saline for a game with the Hornets.

Bulldog pitchers tossed their second and third consecutive one-hitters. In the first game with Manchester, Morseau improved his record to 4-3 with a seven-strikeout performance.

Youth Bowlers Raise \$1,027.24 for Charity

Chelsea Lanes Youth Bowlers raised \$1,027.24 for area charities in the "Kids Bowling For Kids" program.

Each bowler gets pledges from sponsors, and then bowls three games.

The program backed by Michigan Bowling Proprietors Association and the K-Mart Stores is run each year to raise funds for Kids Charities.

K-Mart awards gift certificates and new bikes as incentives for the youth to try hard. The top money raiser in each house receives the bike.

This year the top money raiser was Eddie Greenleaf, 111, raising \$230.10. He will receive a new bike, a patch, a towel and a gift certificate from K-Mart.

ATHLETES OF THE WEEK are Chelsea High school seniors Rob Lyerla and Peggy Hammerschmidt, pitchers for the Bulldog baseball and softball teams. Rob, 551 Oakdale Dr., is the son of Jim and Kitty Lyerla. In addition to emerging as one of Chelsea's top pitchers this season, Rob also plays left field and is a back-up catcher. This is his first year on the varsity. Rob says one of the highlights of his baseball career was a three-run homer he hit last year against Brighton. This year his goal is to make the all-Southeastern Conference team and for the Bulldogs to win the conference. In his spare time Rob like to collect baseball cards, go fishing, and "rap." After high school he plans to enter the U.S. Navy. Peggy, 1220 Ridge Rd., is the daughter of Cindy and Jerry Hammerschmidt

and sister of Jerry, Tony and Alex. Peggy is one of the top two hurlers on coach Pat Clarke's staff and last year threw a shutout in the SEC tournament championship game. However, one of her proudest achievements as a softball player was her .714 batting average last year. When she's not pitching she plays first base or in the outfield. She says her goal this year is "win the SEC then aim for the state." Peggy has also competed in basketball at CHS and last fall was the team's co-captain. When she's not participating in school activities, Peggy likes to water-ski or sleep. She's also active in the youth group at St. Mary's Catholic church. She plans to attend college next fall and play softball.

Softball Alums Playing Well

Chelsea High school softball alumnae are having pretty good seasons this year.

Chris DeFant is a sophomore at the University of New Mexico and is the Lobos' number one pitcher. Through her first 17 decisions she had a 9-8 record with a 1.33 earned run average. She is a teammate of Beth Unterbrink.

Pam Brown, a freshman at Grand Valley State College, is in the starting rotation. She had a 4-4 record after her first eight games. In 48 2/3 innings Brown had a 2.30 earned run average, had allowed 38 hits and struck out 13. Her wins included shutouts over Duquesne College, Boston College and Aquinas College. Brown's best game was against second-ranked Florida Southern. Her team led 1-0 until the top of the seventh inning when a dropped fly ball allowed two unearned runs. At that point Florida Southern was 34-2.

Kelly Hawker leads the Wayne State University Tartars in wins with 14, complete games with 12, innings pitched at 127, strikeouts at 97 and earned run average at 0.33.

The junior pitched a four-hitter in a victory over the University of Michigan and tossed a three-hitter against Youngstown State University. Hawker is 14-6 on the year.

SPORTS NOTES

BY BRIAN HAMILTON

It's not often that you'll hear, or read, criticism of Chelsea High school's softball program. Anyone in Chelsea who cares about the sport knows about the success the Bulldogs have had under coach Charlie Waller and Bill Wescott before him. Coach Pat Clarke is continuing right in their footsteps. I figure the Bulldogs are a shoo-in for the Southeastern Conference title, assuming they get by Dexter tomorrow.

It's even rarer that you'll hear, or read, criticism about Chelsea pitching. Year in and year out the Bulldogs have had as good, and probably better, pitching than anyone in the state. Nanette Push, Amy and Beth Unterbrink, Kelly Hawker, Pam Brown, and Chris DeFant, among others, have all gone on to pitch in college. There are at least three Chelsea pitchers this year who could pitch in college next year—Peggy Hommerschmidt, Jenni Smith and Jenny Pichlik. And Smith is just a junior.

But guess what. I read it with my own eyes. A comment from a college coach no less.

An article about Chris DeFant, who's attending the University of New Mexico, was about 99 percent complimentary of the former Chelsea star. It seems that due to injuries DeFant is now the Lobos' number one pitcher. She had a 9-8 record and 1.33 earned run average when the story was written.

However, her coach, Susan Craig, made a couple of surprising comments (I am giving the reporter the benefit of the doubt here.) Here's what she said, according to the story.

"She (DeFant) never really had any training as a pitcher. What she learned was wrong (such as stepping across her body to deliver, instead of pushing straight off the rubber)." Earlier in the story she was quoted as saying, "What people don't realize is that in the past three months she's had to relearn her delivery, had to—and this is the toughest thing of all—gain her experience on the field. She's had to make her mistakes on the field, grow on the field. She's had no slack time."

I can excuse the writer for his ignorance when he wrote, "she had thrown some in high school," as though she had pitched batting practice or something.

Now, it is extremely difficult to believe that everything Chris DeFant learned here about pitching was wrong. In fact, it's hard for me to believe that anything she learned was wrong. Clarke and Waller, her coaches, were not some neophytes the high school pulled off the street to coach. They love softball and are students of the sport. Chelsea's success speaks for itself. The Dogs couldn't muddle their way to eight SEC titles and two state titles with pitchers who don't know their stuff.

In regards to Craig's other comment, DeFant has had plenty of on-the-job experience in pressure-packed situations. And that may have something to do with her current success.

Craig said that an obvious plus for DeFant is the Lobos are "a great offensive and defensive team." Something seems a little strange here. DeFant had essentially on even record and a very low 1.33 ERA. Either the Lobos are losing a lot of games, say 1 or 2 to nothing (no hitting), or they're giving up a lot of unearned runs (no defense). It's just kind of difficult to have a low ERA and lose so many games without something going wrong. Or looking at it the other way, any number one pitcher with a 1.33 ERA who is backed by a "great" team should probably be better than 9-8.

Oh well. I'm sure there are other coaches who would love to have Chelsea's untrained pitchers come and learn the ropes at their schools. They certainly seem to be turning out in droves this year to scout the current staff.

Bulldog Girls Down Milan, Barely Edged by Railsplitters

Chelsea Bulldog girls track team edged Milan in a close meet Tuesday, April 26, 67-61.

Seniors Kasey Anderson and Tami Harris played key roles in the victory as each had two firsts and ran on winning relay teams. Anderson anchored the 3,200 relay with Jennifer Rossi, Sarah Grau and Debi Koenn as they ran a season's best 10:04.6. She also won the 1,600 in 5:40 and ran her best 3,200 of the season in 12:15.8 to lock up the meet for the Bulldogs with a first place.

Harris led a 1-2 sweep of the 100 with Danica Disbro second to give the Bulldogs a lead they never lost. She also ran on the winning 800 relay with Disbro, Leisa Schiller, and Anne Steffenson, and won the 200 in :28.2.

Schiller and Steffenson also contributed a 1-2 sweep of the 400 as Steffenson was first in 1:03.4 and Schiller second in 1:05.3. Schiller also had a second in the long jump with a 14'6".

Sarah Schaeffer ran career best times in both the 100 and 300 hurdles, :17.2 and :51.8, finishing second in both. Jennifer Rossi won the 800 in 2:29.1 as the Bulldogs had wins in all the individual runs except the two hurdle races.

In the field events, Tammy Browning had her top throw of the year in taking the shot at 30'11". Dena Stevens was third. Stevens also had a second in the discus. Jeanene Rossi jumped 4'11" in the high jump to finish second. The loss was Milan's first of the season.

The tables were turned Thursday, April 28, as Chelsea was edged by Lincoln, 66-62, in another close meet that came down to the final event.

The Bulldogs got off to a big start with 25 points in the field events, and added 29 in the distance runs, but could only muster eight in the sprint and hurdle races.

"We felt we had to win at least one of the sprint relays, but couldn't even though Lincoln ran about what we expected," said coach Bill Bainton.

It didn't help that one of Chelsea's top sprinters, Disbro, didn't run at all because of an injury and Schaeffer fell in the 100 hurdles and was unable to continue in the meet. Never the less, Chelsea led until the final event.

Chelsea took a 25-11 lead in the field events as Stevens won the shot in 29'11 1/2" and the discus in 98'6". Browning was second in the shot, Schiller second in the long jump and Jeanene Rossi, Schiller and Schaeffer tied for first in the high jump as no Lincoln jumpers made opening height.

The 3,200 relay of Jennifer Rossi, Brenda Brede, Grau and Anderson was Chelsea's only relay winner. Anderson carried the bulk of the load for Chelsea as she also won the 1,600 and 3,200, with Sarah Grau second in each, and was second in the 800 with Jennifer Rossi first.

Harris had thirds in the 100 and 200 and Anne Steffenson a second in the 400. Sheila Haab ran very well to help pick up the slack after Schaeffer fell. Haab was second in the 100 hurdles in :18.2 and ran a very good :52.9 in the 300's only to be edged out of placing by .1 seconds.

The Bulldogs scored 32 points Friday, April 29 in the Mason Invitational. Dena Stevens broke the 30' foot barrier in the shot put, placing sixth in 30'4" and added sixth in the discus with 92'10".

Schaeffer, running with a bruised knee, finished second in the 100 hurdles.

Steffenson was third in the 440 in 1:03.3.

Disbro, Jeanene Rossi, Schiller and Harris were fifth in the 440 relay, and Angie Nagel, Grau, Koenn and Anderson were fifth in the two-mile relay.

Harris and Anderson were Chelsea's only double scorers as Harris was fifth in the 220 and Ander-

son won the 880 in 2:30.8, more than 25 yards ahead of the second finishers.

"This was a nice way for Kasey to end the week, and shows the kind of

quality runner she is," said coach Bill Bainton.

She's carried quite a load for us this week so we felt she deserved the big win, and very pleased for her."

SARAH SCHAEFFER runs the 100 hurdles in last Thursday's meet with Lincoln at home. The Bulldogs were edged out by the Railsplitters in the final race of the day.

JV Bulldogs Split Four Baseball Games

Chelsea Bulldog junior varsity baseball team earned splits with Southeastern Conference foes Milan and Lincoln last week in a pair of double headers. After last week's action Chelsea's record stood at 7-7.

Chelsea 13, Milan 6
Milan 17, Chelsea 5

In the opener, Doug Wingrove picked up his fourth win of the season as he struck out nine, walked two and gave up eight hits.

Chelsea was behind 6-2 going into the bottom of the sixth inning when the Bulldogs struck for 11 runs.

"We have a tendency to sit back and wait for a big inning," said Chelsea coach Jim Ticknor.

"We were fortunate to have one. We are hitting the ball much better lately but we need consistency."

Wingrove's solo home run in the second inning gave the Dogs a short-lived 1-0 lead. Milan scored two in the top of the third and one in the fifth to take a 3-1 lead.

In the sixth inning, Chelsea scored on two errors and hits by Jim Hadley (two), Phil Eassa (two), Todd Ferry, Jude Quilter, Kerry Plank, Kyle Plank, Wingrove and Emmert.

Quilter had three hits for the game and Wingrove, Hadley and Eassa each had two hits as the Bulldogs hit safely 13 times.

In the second game, Ticknor's crew fell behind 7-0 in the first inning, although they rallied for four runs in the bottom of the inning.

Milan scored in five of the six innings and collected 15 hits off three Chelsea pitchers.

In the four-run first inning, the Bulldogs had just two hits, singles by Brandon Murrell and Kerry Plank.

Lincoln 12, Chelsea 9
Chelsea 13, Lincoln 4

Trailing 6-2 in the first game, the Railsplitters scored 10 runs in the bottom of the fourth inning.

"We had one awful inning and couldn't overcome it," Ticknor said.

Chelsea out hit Lincoln 11-6 as Wingrove, Hadley, Eassa, and Lance Satterthwaite had two hits each and Quilter rapped a two-run double.

Chelsea scored two runs in the sec-

Milan, Lincoln Prove Too Strong For Bulldog Boys Track Team

Milan 90, Chelsea 46
Milan's depth in the sprints and hurdles proved to be the Bulldogs' undoing as Chelsea fell to 0-2 in SEC meets.

However, Chelsea's Paul Hedding was equally dominant as he won both the 800 and 1,600 individual events, and was on a winning 3,200 relay team. He also placed second in the 3,200.

Hedding ran a 4:34.4 in the 1,600, and a 2:05.2 in the 800 for his individual wins.

Hedding was joined by Chris Cheng, Brady Murphy, and Holden Harris in the 3,200 where their 8:26.05 beat Milan by more than two seconds at 8:28.09. All members of the team had personal best times—Hedding 2:02.5, Murphy 2:06.8; Harris 2:10.7 and Cheng 2:06.3.

In other running events, Murphy was third in the 1,600 at 4:51.1 and third in the 800 at 2:12.79. Jeff Latimer was fourth in the 800 at 2:13.58.

Tom Bennett was third in the 110 hurdles at :18.75.

Dave Freitas was third in the 100 dash in 11:92.

The 400 relay team of Sam Eisenbeiser, Jim Williams, Joel Boyer and Dan Pletcher placed second in 1:44.21.

Cheng was second in the 400 dash in :54.9.

Reynolds placed third in the 200 dash in :25.11.

Hedding's second place time in the 3,200 run was 10:15.28.

Reynolds, Erich Hammer, Freitas and Cheng were second in the 1,600 relay in 3:45.48, just .37 seconds off the winning pace.

In the field events, Pletcher had a personal best in the discus at 111' 10" for first place and Harris had a personal best in the pole vault at 10' 6" for second place.

Tyler Lewis placed third in the pole vault at 9' 6" and second in the long jump at 19' 3".

Lucky Beeman won the shot put at 40' 8".

Lewis and Charlie Hosner tied for second in the high jump at 5' 7".

Milan's Earl Ford won the high jump, long jump, and 400 dash. Matt Sabo won the 100 dash and 200 dash.

Lincoln 107, Chelsea 30
Chelsea fared well in the distance events but Lincoln sprinters caused headaches for the Dogs.

Chelsea was shut out in the 200, 400 and 800 meter events as well as the 110 high hurdles.

Hedding got the only individual win for Chelsea with a first place in the 3,200 at 10:17.2. Kvarnberg was third in 10:43.6, a personal best time.

Hedding was also second in the 1,600 at 4:45. Brady Murphy, running his best time ever, took second in 4:46.4.

The only other winning team for Chelsea was the 400 relay of Reynolds, Herter, Freitas and Cheng in :46.77.

In other running events, the 800 relay team of Eisenbeiser, Williams, Boyer and Pletcher placed second, as

BRETT SALAMIN takes a leap in the long jump during last week's meet with Lincoln.

did the 1,600 relay team of Reynolds, Murphy, Freitas and Cheng in 3:40.1. The 3,200 relay of Murphy, Harris, Cheng and Hedding was second in 4:58.8.

Tom Bennett had his best time in the 300 hurdles at :48.31.

Reynolds was second in the 100 in :11.66, also a personal best time. Freitas was second in the 200 in :24.78.

In the field events, Lewis and Harris placed second and third in the pole vault at 10' 6" and 10', respectively.

Lewis was second in the long jump at 18' 4" and in a tie for third with Hosner in the high jump at 5' 9".

Beeman placed third in the shot put and discus with tosses of 39' 10" and 116' 1".

Two boys who set personal records but did not place were Brian Zangara in the 3,200 at 11:06.4 and Latimer in the 800 at 2:16.4.

In other action, Chelsea finished last at the eight-team Mason Kiwanis Invitational last Saturday although the Bulldogs scored twice as many points as last year.

Other teams in the meet were Mason (105 pts.), Pinckney and Okemos (87 each), St. Johns (84), Jackson County Western (66), Holt (40), and Jackson Northwest (37). Chelsea had 22 points.

Chelsea placed in four events. All events were in yards, not meters. Hedding was Chelsea's only champion as he ran a state-qualifying time of 10:05.52 in the two mile run.

"Morseau was brilliant," Welton said.

"He even struck out four batters in the last inning as one runner reached on a passed ball."

Chelsea scored twice in the first on two walks, an error and a fielder's choice.

The Dogs scored three more times in the second inning, highlighted by a two-run double by Boughton.

A sacrifice fly by Morseau in the fourth scored one run and two sacrifice flies in the fifth inning scored two.

Boughton had two of Chelsea's three hits for the game.

In the second game, Boughton struck out seven batters and Ferry connected for a bases-loaded double in the fourth inning for the winning hit.

"Boughton was excellent," Welton said.

"It was a good day of baseball for us and finally we had a nice day to play."

Morseau's RBI single in the fifth inning produced the Bulldogs' final run.

Prentice had two of Chelsea's five hits.

and inning on hits by Hadley and Satterthwaite.

Kerry Plank's single scored a run in the third.

The Dogs scored three times in the fourth inning on hits by Eassa, Satterthwaite and Kyle Plank. They scored three more in the fifth on doubles by Tom Mesnard, Hadley and Quilter.

In the second game, Chelsea scored in five of six innings as Kerry Plank picked up the win with relief help from Wingrove in the sixth inning.

"We came back from a dismal performance in the first game and played well," Ticknor said.

"Kerry Plank pitched very well."

The Bulldogs scored five times in the first inning. With one out, Quilter scored on a ground out. Then Wingrove singled, Shawn Castleberry walked, Eassa reached on an error, Murrell singled, Ferry doubled and Lincoln had three wild pitches.

A bases-loaded wild pitch and Castleberry's ground out scored two runs in the second.

A Quilter triple and Kyle Plank single scored two more in the third. Singles by Brian Talbot and Castleberry, and two more wild pitches scored two runs in the fourth.

Three walks and an error scored the final two Bulldog runs in the sixth.

TREATMENT OF PERIODONTAL DISEASE VARIES WITH CONDITION

Q: What is the treatment for periodontal disease?

A: In the earlier stages of the disease, most of the treatment involves root planing and curettage under the gum margins. Curettage literally means scraping. It involves the removal of plaque, calculus, and inflamed soft tissue in the pocket around the tooth with an instrument called a curet. Its purpose is to remove the bacterial colonies and the mechanical and chemical irritants that cause inflammation in hopes that the disease can be eradicated and that the gum will reattach itself to the tooth or will shrink enough to eliminate the pocket. In most early cases, root planing and curettage and proper daily plaque removal are all that are required for a satisfactory result.

In more advanced cases, the treatment may become more complex. If after removal of the deposits, fairly deep pockets remain, they can be eliminated by a minor surgical procedure called the gingivectomy. This is done under local anesthesia and the wound is covered with a special dressing for a week or so while it heals.

In many instances, flap procedures are performed. The gum tissue in an area is lifted away from the teeth and all the underlying inflamed tissue and calculus are removed. This allows the dentist to have excellent direct visualization of the affected areas of the tooth rather than relying on x-rays and probes. During this procedure it is sometimes necessary to reshape the supporting bone to its proper shape so that the gum tissues can heal properly and the pocket will be eliminated.

Other treatments that may be necessary include occlusal adjustment where the chewing and biting surfaces of the teeth are reshaped so that the forces of chewing are distributed more evenly. Plastic surgical techniques are used to graft gum from one tooth to its neighbor by sliding tissue flaps, or to free graft gum tissue from the palate to a receded area. Natural and synthetic bone grafts to replace destroyed bony tissue are also showing promising results.

As with other areas of dentistry, prevention of periodontal disease in the first place is by far the best cure. Regular periodontal examination by your family dentist can go a long way towards preserving the supporting structures of the teeth.

JV Softball Team Whips Milan, Lincoln

Chelsea Bulldog junior varsity softball team remained in first place in the Southeastern Conference with lopsided wins over Milan on Monday, April 25 and Lincoln on Thursday, April 28.

Chelsea 20, Milan 6
Chelsea 28, Milan 4

The Bulldogs took two mercy-rule wins against the Big Reds.

In the opener, Scharme Petty pitched all five innings and her teammates mounted a 15-hit attack and 12-run fourth inning.

"Milan made us take note early by doing some excellent base running," said Chelsea coach Ken Sullins.

"Defensively we were fairly sound and in the fourth our offense broke loose."

Sullins credited a "nice running catch" by Colleen Scharphorn for the first out in the fourth inning for stopping what could have been a big Milan rally.

Chelsea scored in every inning. The 12-run fourth inning featured singles by Lisa Park (two), Scharphorn, Kelly Bellus, Sarah Musolf (two), and Becca Burkel, doubles by Heather Bro and Amy Thomson, a triple by Petty, and three walks.

Musolf and Petty each had three hits for the game, and Thomson, Park and Scharphorn each had two hits.

Scharphorn pitched the second

game for Chelsea and gave up just two hits.

The Bulldogs staked Scharphorn to a 13-0 lead after two innings and scored 15 more runs in the final two innings. Milan pitchers yielded 21 walks.

"Offensively we were much more alert and defensively we were much sharper throughout the game," Sullins said.

The Bulldogs had 13 hits for the game and committed two errors.

Carrie Flintoff's grand slam keyed the 12-run second inning for Chelsea. Her double in the third inning scored two more runs.

Other key hits included Heidi Boyer's RBI double in the first and Sheri Stephens' two-run double in the fourth.

Scharphorn had three hits and Kristin Bohlender had two hits. Lead-off batter Dana Durst reached base four of six times.

Chelsea 6, Lincoln 4
Chelsea 14, Lincoln 3

Boyer pitched the opener and scattered three hits over seven innings.

"It was a well-played game by both sides in the field, especially considering the cold, windy, rainy weather," Sullins said.

The Bulldogs were behind, 3-2, going into the sixth inning but rallied for two runs in each of the last two innings.

Singles by Bro and Petty in the sixth inning and two fielder's choices set up a two-run single by Boyer to give the Bulldogs the lead.

After Lincoln tied the game in the top of the seventh, Bellus and Burkel walked, and Petty singled home two runs.

Burkel, Bro, Petty and Boyer each had two hits for the game.

In the second game, Petty pitched all six innings as the Bulldogs ran their record to 13-2-1 on the season.

"This game was probably the best we've played in the field this year," Sullins said.

"Scharme had a little trouble in the second inning but the plays were made when the ball was put in play. There were three good plays by Sarah Musolf on grounders and one by Colleen Scharphorn in center. It was a nice defensive game to watch."

Chelsea tied the game at 3-3 in the third inning before erupting for six runs in the third inning to take the lead for good.

In the third, a bunt single by Scharphorn was followed by walks to Flintoff and Park. Losey, Musolf, Bohlender, Petty and Boyer followed with singles.

Chelsea picked up three more runs in the fifth inning and two more in the sixth to complete the mercy-rule victory.

Big hitters for the game were Petty and Losey with three hits each, and Bohlender and Musolf with two each.

Bullocks Plan Early Return

Bob Bullock, who is completing the first year of a two-year leave of absence in Panama, plans to return early to teach the 1988-89 school year at South Elementary school.

The early return was approved by the Chelsea school board Monday night.

Bullock requested the early return due to his mother's illness.

Bullock will likely return as a fifth grade teacher.

Card of Thanks 19

CARD OF THANKS

Thanks to the generosity of the people of Chelsea, the annual White Cane Drive by the Chelsea Lions Club was a success. The weather forecasters kept threatening to dampen the bodies and spirits of the Lion and Lioness members during this two-day drive. The rain held off, spirits remained high, and over \$1,600 was collected. 100% of this money will be used to support the many service projects of the Chelsea Lions Club. Typical projects supported by these funds include: purchase eye examinations and glasses for those in need, provide white canes to the visually impaired, purchase hearing aids for those in need, Special Olympics, Girls State, Chelsea Social Services, Leader Dogs for the Blind, Michigan Braille Transcribing, Michigan Eye Bank, Michigan Welcome Home for the Blind, Special Education Camp, CHS Scholarship Fund, Penrickton Center for Blind Children, Chelsea Methodist Home, CATS, Michigan Talking Book. Once again, thanks to all of you who helped to make this year's drive a success.

Kindergarten Registration

Kindergarten registration was held April 18-22 at the Methodist church for the 1988-89 school year. Along with registration, children were screened for school readiness and the results will be used for placement in kindergarten and young five classes. 142 children were registered.

There are other children who haven't yet been registered and it is necessary to register and screen those children also.

Children who will be five years old on or before Dec. 1, 1988 are eligible to attend kindergarten and must be registered and screened before being assigned to a class.

To schedule your child for registration, call South school at 475-3715. Your child will then be scheduled into

the next screening date. This will take place on May 13.

Birth certificates and up-to-date immunizations are both required for school attendance. If you have these now it is helpful to bring them to the registration.

Health Day Set By Daisy Girl Scouts

On Wednesday, May 4 the South school Girl Scout Daisy Troop will be having a "Health Day" at their regular troop meeting. The kindergarten girls will have the opportunity to go from booth-to-booth, learning about different systems of the body. The booths will be manned by parents.

One booth allows the girls to listen to their heart beats through a stethoscope and feel their pulses. They will listen to the air pass in and out of their lungs with a stethoscope, they will see pupils constrict and dilate with the use of a flashlight. They will have a nutrition booth where the four food groups are introduced and where a snack will be comprised using foods from each group.

The girls will work with eye charts, thermometers, have blood pressures taken, record their height and weight, eye color and hair color.

Good health practices will be stressed, including the benefits of exercise, hygiene and tooth care.

Leaders have received materials from the following: Dr. Ernst has supplied toothbrushes for each girl. The American Heart Association has supplied posters and color by number prints of the circulatory system. Linda Lantry, South school nurse, has supplied materials for the girls and their parents on immunizations and good health practices. Chelsea Family Practice has supplied eye charts, nutrition brochures and posters.

Troop leaders are Bonnie Temple and Georgine Grapes. Daisy troop members are: Kristine Barner, Rochelle Clemens, Elizabeth Kaminisky, Katherine Knox, Kathy Melton, Erica Sprinkle, Christine Grapes, Jennifer O'Donnell, Amber McGovern, Joscelyn Temple, and Valisa Thomason.

Esther Kujawa Named ABWA 1988 Woman of the Year

Spring Enrollment Meeting of the Chelsea Charter Chapter of American Business Women's Association was held April 26 in the Woodland Room at Chelsea Community Hospital.

Guests were Barb Byrum, Debbie Hutchinson, Lana Leisinger, Catherine McDaniels and Linda Newhouse.

Georgia Beeman, chairperson, gave a very impressive presentation of ABWA's theme for 1988 which is "Discover." She told of how we have been challenged to discover our own individual skills, talents, interest and abilities and then to use our strengths to become the very best women we can be. The Association was founded in 1949 and has headquarters in Kansas City, Mo. ABWA is nationally recognized as one of the first and largest organizations serving business women. But, she stressed, the real power of ABWA is still within each individual member and the local chapter.

Martha Powers, Woman of the Year for 1987, was chairperson for the 1988 award and she presented the award to Esther Kujawa. Esther will represent our chapter at events, parades, conventions, etc.

Plans are being made for the chapter to once again have a stand at Chelsea Sidewalk Sales on July 29-30. Cindy Bear will be chairperson for this event.

The joint meeting with area chapters is planned for Sept. 20. The event is being planned for the Chelsea Fairground Building. Guest speaker will be Gracia Lousma. Tickets will be available soon.

Area Youth Qualify for State Bowling Tournaments

National Family Tournament

The Avco National Family Bowling Tournament was held at Chelsea Lanes, for the center level qualifying round. The qualifying round determines the teams that will advance to the state finals. Winners at the state level will receive a \$500 scholarship and an all-expense paid trip to Washington, D. C. for two, to vie for the title Avco National Family Champions, where there will be \$33,000 in scholarship funds given out.

The tournament is run in three divisions—Bantam/Prep, Junior, and Major. The youth bowler bowls with a parent or guardian, one out of 10 entries in each division goes to state finals at Milford Lanes, in Milford.

This year's winners are: Bantam/Prep Division—Pat and Denis Lynch of Chelsea with a score of 1,346, and Adrienne and Elizabeth Wallace with a score of 1,291. Junior Division—Chip and Cheryl Bunn with a score of 1,237. Major Division—Annette and Vicky Wurster with a score of 1,221.

1987-88 Michigan BPA/YABA Team Area Roll-Off

Southern Area Roll-off was held at Chelsea Lanes, including youth teams from Chelsea Lanes, Spadafore Super Bowl, L & J Lanes, Jonesville, Mason Lanes, Char Lanes, Charlotte, and 700 Bowl South Lyon.

The top team in each division (Bantam, Prep, Junior, and Major) wins the area roll-off. They will be awarded trophies at the Bowling Proprietors state banquet in August. They also qualify to bowl in the BPA/YABA state team tournament held at Walled Lake on May 14-15.

Chelsea Lanes had five first-place teams and two second-place teams. Teams going to Walled Lake for the state team roll-off are:

In the Major Mixed Division, Chelsea Lanes Strikers (Chris White,

Annette Wurster, Robert Jaques, Brooke Pitts, Joe Fowler) with a handicap series of 3,217, took first.

In the Junior Mixed Division, Chelsea Mixed Family (Bryce Hansen, Dale Hansen, Tricia Wurster, Kevin Judson, Eric Beeman) with handicap score of 3,157, took first.

In the Prep Girls Division, Alley Cats (Melissa Messner, Kristi Lentz, Melinda Burgett, Adrienne Wallace, Laura Tidwell) with a handicap score of 3,141, took first.

Prep Boys Division, the Lane Busters (Ryan Dunlap, Brandon Miller, Ray Weiner, Justin Navin, Jon Clark) with a handicap score of 3,124, took first.

In the Bantam Girls Division the Kool Kids (Jessica Messner, Ruth Neutisfer, Jamie Renaud, Fabianne Hosmer, Kerry Lynch) took first place with a score of 2,949.

Weigh the facts: The musky shrew of the Mediterranean area and the pygmy shrew of North America each weigh less than two-tenths of an ounce—slightly less than the weight of one thin dime. Princess Helena's hummingbird, from Cuba, weighs less than one-tenth of an ounce, about half as much as a copper penny. Contrast that with the African bush elephant. According to International Wildlife magazine, it takes just 10 of the largest of these behemoths to equal the weight of a Boeing 707 jetliner!

Chelsea Police Nab Prisoner Who Escaped from Cassidy Lake

Chelsea police captured an escaped prisoner from Cassidy Lake Technical School early Monday morning near Van Buren and Main St.

According to police reports, Russell Wayne Wajda, 30, of Taylor, had escaped from the prison at 10 p.m. on Sunday. Wajda had been serving 2½ to 10 years for armed robbery in Wayne county.

Wajda allegedly told police that he was bored and wanted to see his family. Police said Wajda told them that he and a friend drank half a gallon of whiskey on Sunday but that he was not

drunk when he left the prison. Wajda told police that he walked east on Waterloo Rd. and got "tired of ducking cars" so he decided to walk along the roadside and not worry about the cars.

Officer Riley Sumner saw Wajda while on routine patrol.

Mother's Day Celebrated by Seniors May 13

A joint Mother's Day and May Birthday Celebration for Chelsea seniors will be held on Friday night, May 13 at 6 p.m. in the Chelsea High school cafeteria.

The evening will include entertainment and a special dinner prepared

by the high school cafeteria staff. Cost is \$3.75 for all except the birthday people, who may attend at the reduced cost of \$2.25.

The dinner menu includes pork chops, scalloped potatoes, rolls and

butter, Jell-O salad, mixed vegetables, and dessert.

For entertainment, the seniors have been invited to watch the dress rehearsal of the Dance Arts Academy as they do ballet, tap, and jazz dancing under the direction of Sue Buck. More than 300 children from Chelsea and Manchester are part of the program which will be presented the week-end of May 14 and May 15.

Any senior wishing to attend should register with Ruth Smith by Monday, May 9.

Northern Excursion Planned

The next big excursion planned for Chelsea seniors is a trip to northern Michigan, July 25 to July 28.

The group will leave Chelsea on Monday, July 25, arriving in Newberry in the late afternoon. The next day they will take a six-hour tour on the Toonerville Trolley and Tahquamenon Falls river trip. They will dine in Munising where they will also spend the night.

On Wednesday, July 27, they will take a cruise to view the Pictured Rocks. After lunch they will depart for Sault Ste. Marie, where they may choose their own activities such as a Soo Locks boat tour, touring a Great Lakes freighter, or just watching the locks.

After spending the night in Sault Ste. Marie, they will return to Chelsea the next day at noon.

Upcoming trips include the Westgate Dinner Theatre, Music Festival in Frankenmuth, Muskegon to the U.S. Silverside Lumberman-town and Hinkley Hume House, and Turkeyville. The May trip to Jackson

to the space center and Ella Sharpe museum has been cancelled due to lack of interest.

Seniors wishing to go on the northern Michigan trip should sign up before June 1. Cost varies from \$275 to

\$345 depending on sleeping arrangements and includes two tours, three dinners, and one lunch. For more information about that trip or any of the others, call Ruth Smith at the Senior Center.

Eleven 'Heal The Children' Arrive in Michigan

Eleven children sponsored by Heal the Children have arrived in Michigan. Four of them will stay with families in Ann Arbor, Grass Lake, and Chelsea.

They arrived as part of an international airlift on Tuesday, May 3, when De Luis Quello from the Dominican Republic brought 105 children to New York's JFK airport. The children bound for Michigan were then escorted to Metro Airport by state director Jan St. Martin and local coordinator Dona Baird. The rest of

children were dispersed between 13 states.

All of the children have different medical needs. They will stay with a host family until their medical need is taken care of. For most that means an operation unavailable in their country and then time to recuperate.
