TONI ZYBERT, little sister of first-grader Tara Zyberty, came to the balloon launching at North school on the afternoon of May 11 to join with her sister's class and the other classes in the school in sending off balloons with messages. The event was to celebrate all they had learned during the year. Toni came with her mother, Nancy Zyberty.

## Village Still Waiting for DNR Reply to Proposal, Landfill's Almost Full

By Brian Hamilton  
Village of Chelsea is still waiting for the Michigan Department of Natural Resources to respond to its counter-proposal for a consent agreement concerning the clean-up of groundwater contamination at the village landfill.

As of Monday, assistant village manager Lee Fahrner said that as far as he knew the DNR had not reviewed the counter-proposal submitted by village attorney Matt Zimmerman of the Grand Rapids law firm of Varnum, Riddering, Schmidt and Howlett.

"They told us they haven't had time to review it," Fahrner said.

"I guess we're not the problem they said we were. I don't know how else to look at it. We've been ready to meet with them for six weeks."

DNR recently extended the village's landfill operating license one month, until June 7, to give the two sides an opportunity to work out a consent agreement. However, with three weeks remaining until the deadline, talks had not yet begun.

DNR has said it will not issue a new landfill operating license until the village and DNR reach an agreement concerning the clean-up of groundwater contamination. Testing of monitoring wells has been going on since early this year.

Fahrner said the current landfill cell will be full in early June, which could force a complete shut down if a licensing agreement hasn't been reached allowing the village to begin filling a new cell. Commercial haulers have not been allowed to use the facility for several months. A complete

closing would force even the village's contractor to go elsewhere.

"That's when we'd have to turn to our attorney and ask him what to do," Fahrner said.

"I suppose we have several options."

Outside of the Ann Arbor landfill, which is having its own problems, the nearest facility is in Salem township, Fahrner said. The Wayne landfill may also be an alternative although "that's a long way to go."

If the village's hauler is forced to take trash to another site, costs will likely increase for the village.

The most recent round of tests, conducted March 14-15 at the landfill by Ann Arbor Technical Services, Inc., show six of seven monitoring wells to

be free of organic contaminants, Fahrner said. Previous tests have shown contamination in all the wells.

In addition, Fahrner said, the tests showed all the wells had less than the legal allowable amount of arsenic, and six of the wells were considerably below the limit. The legal limit is 50 parts per billion. Six wells tested at 3-4 parts per billion and the other well was at 41, Fahrner said. Arsenic had shown up in wells of residents downstream from the dump, which prompted the tests.

However, Fahrner said he had not seen results of DNR tests of the wells. In the past results of tests by DNR and the village have not come close to matching.

## Village Taxes To Increase By 36 Percent This Year To Pay for Sewer Plant

Chelsea Village taxes are likely to rise 4.68 mills this year, mostly to pay debt service for the new wastewater treatment plant.

Village council was scheduled last night to set the new millage rates after a public hearing.

According to a memo to council from village manager Fritz Weber, the village will need 17.62 mills in 1988, up from 12.94 mills last year. That's a rise of 36 percent.

The memo indicated that due to truth in taxation law the base tax rate for 1988 will be 10.08 mills, a drop of .86 mills from 1987. However, in order to meet the 1988 general fund budget, an additional 1.68 mills (to generate \$93,682) will be necessary, pushing the general fund millage to 11.76. Part of the debt service for the wastewater plant has to be paid through the general fund.

An additional 3.92 mills is needed

for debt service for the \$2 million wastewater plant bond issue approved by village voters in 1986.

Other millage rates include one mill for McKune Memorial Library and .94 for debt service for bonds issued in 1959 and 1970.

Revenue from the 1988 millage rates includes \$653,728 for the general fund, \$217,909 for the wastewater plant bond issue, \$55,539 for the library, and \$52,253 for other debt service.

Property values in the village have risen nearly 13 percent, according to Weber's memo. In 1987 the state equalized value was \$49,213,315. The 1988 SEV is \$55,589,120.

The village can levy up to 12.5 mills for its general fund. Due to the Headlee Amendment, this year the village cannot levy more than 11.94 mills.

## Public Invited to Superintendent Receptions at Beach

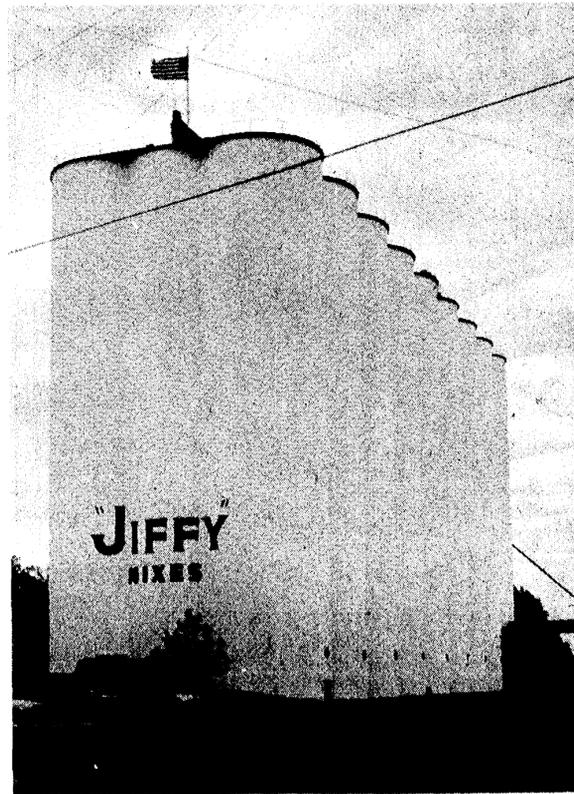

Chelsea community schools invite the community to two receptions, one to welcome the new school superintendent, Joseph Piasecki, and another to say good-bye to the outgoing school superintendent, Ray Van Meer.

The Piasecki reception will be held Thursday, June 2 from 3:30 p.m. to 6:30 p.m. in the Beach Middle school cafeteria.

The Van Meer reception will be held Monday, June 6 from 3:30 p.m. to 6 p.m., also in the Beach Middle school cafeteria.

Refreshments will be served at both events.

Van Meer is stepping down as superintendent after 10 years of service to the community. Piasecki will replace him on July 1.

AN AMERICAN FLAG appeared at the top of the Jiffy Mix silos last Monday, May 9 to greet visitors from the north. The 6' by 10' flag will fly around the clock as lights have been set up to automatically turn on after dark. Bill Holmes, of Chelsea Milling Co., said the company had been talking about putting a flag up for almost two years but "finally got serious about it."

## Area Children To Show Art at Domino Farms

The multi-faceted talents of Chelsea and Dexter-area children in kindergarten through 12th grade will be featured at Domino's Farms on May 21-22 as part of the Washtenaw-Livingston Education Association Festival of the Arts '88.

The exposition will feature drawings, paintings, prints, sculpture, ceramics, jewelry, poetry, creative writing, weaving and other art forms at the Prairie House, world headquarters of Domino's Pizza, Inc., in Ann Arbor.

The performing arts will be showcased in the Exhibition Hall, phase IIIa. Mime, dramatic presentations, sing/song, choral and instrumental groups will be featured throughout each day. Previously held at the Dexter Area Museum, the show moved to Domino's Farms in 1987 to allow for the increased participation by students in the Brighton, Chelsea, Dexter, Hartland, Howell, Lincoln,

Manchester, Pinckney, Saline, Whitmore Lake, Willow Run, and Ypsilanti school districts.

The Washtenaw-Livingston Education Association, an affiliate of the Michigan Education Association, is sponsoring the Festival of the Arts as part of an over-all effort to increase community awareness and support for the many fine programs offered by the public schools in this area.

## Lima Township Residents Sign Petition Opposing Development

Lima Township Planning Commission was scheduled to re-consider last night an application to re-zone 53 acres of farmland east of Harper Dr. for residential use.

Harris Homes Development Corp. of Livonia wants to build 28 single-family homes, which would sell for about \$225,000 each. The petition was originally considered by the commission at their April meeting. No action was taken as many area residents were on hand to explain their opposition to the project.

Planning commission chairman David Bacon said last week that unless there is new information to consider he would like to see action taken on the petition at last night's meeting.

Many area residents who oppose the project have signed a petition which explains their reasons. Although the petition was addressed to Bacon, he said last Friday that he had not seen a copy of it.

The project would stretch between Old US-12 and Trinkle Rd., providing a connector Rd. between them. Part of the land would be re-zoned to rural residential and rest to residential. The homes would be built using cluster development. That would allow some of the homes to be built closer together than regular zoning allows as long as the development as a whole does not exceed a certain density per acre.

The petition objects to the concept of cluster development. It calls what is known as the Harper Dr. area a precedent for development in the area. There houses are on no less than 1.86 acres.

"We were led to believe that (development) would be done in a

manner consistent with the surrounding areas," the petition says.

"Harper Dr. property owners were led to believe that there would be no subdivisions such as a cluster development in the nearby countryside."

The petition mentions two other pieces of property that could be developed in a similar manner unless the township uses the Harper Dr. area as a precedent.

Other concerns mentioned in the petition include:

- the effect of the concentration of septic tanks and drain fields on the surrounding wells, ponds and wetland, and, in turn, how that would affect wildlife in the area
- that heavy traffic would create a hazardous situation on the connecting road between Old US-12 and Trinkle Rd. In turn, it would funnel more traffic down Trinkle Rd., which is a high maintenance road, especially in the area just east of Chelsea High school.

The petition makes no mention of one concern that was prevalent at the commission's April meeting—that the development would cause an increase in property values which, in turn, would cause area taxes to rise.

## South School Holding Ice Cream Social

The second annual South school Ice Cream Social will be held today, May 17, from 5:30 to 8 p.m. on the school grounds.

A variety of typical old-fashioned games such as fish pond, penny hunt, cake walk, ring toss, turtle walk and sponge throw will be offered. Children can buy prizes from the General Store with their winning tickets.

The public is invited to attend and enjoy the games and food. A menu of hot dogs, chips and pop will be sold. For dessert, ice cream sundaes with a choice of toppings will be available.

In the event of inclement weather, the social will be held in the school gymnasium and cafeteria.

their works on display at Domino's Farm this week-end. Students from Washtenaw and Livingston counties are holding an art show there.

 Chelsea Milling Co. announced this week that a new mill building will be built on the company's property. An architect's drawing was shown in The Standard. The measurements of the building are 70 feet high, at the tallest part, and 100 feet long. It will be equipped as a pneumatic mill; all stocks will be handled, processed and conveyed by air in enclosed bins and conveyors, thus making it impossible for foreign matter to come in contact with the product during the manufacturing and packaging process.

Howard and Dudley Holmes, third generation members of the family, and their mother, Mrs. H. S. Holmes, Sr., are owners of the mill. Their first Jiffy Mixes were introduced in 1930, pioneering in the production of the ready-mix type of baking products.

Sylvester Wojcicki, who has been in the teaching profession for 14 years, has signed a contract with the Chelsea School District Board of Education to become principal of Chelsea elementary schools. He and his family will move to Chelsea from Prescott. The new principal succeeds Arthur Schmunk.

## Chamber, MEA Feel Legislature Will Produce Finance Reform Plan

Two of the most influential players in the Legislature's school finance reform debate said recently they are confident a solution will be reached, and they are not considering petition drives of their own to place a proposal before the voters.

Michigan Education Association Director of Government Affairs Al Short, said a petition drive is not being contemplated. If there is going to be any proposal, he said it will be from the Legislature, and will have to be done before June 1 in order to be placed on the August primary ballot.

"I am very positive we are going to work this thing out," he said, "I think we are close. It is a matter of just putting some pieces together."

"We have accomplished a great deal the past week and may have something within the next week or 10 days. There's a settlement out there; it's just going to take us a little time to work toward it. We're going to concentrate on the legislative process."

State Chamber of Commerce President James Barrett, who also agrees the Legislature may still come to a consensus, said the petition drive "isn't in our stable of options that we are actively pursuing right now."

However, he said, it is not an impossibility. "We would never totally rule out the option of a petition effort. But that certainly is not the preferred method of dealing with the issue and we will continue our efforts to try and reach a legislative solution. We feel it can be resolved in the legislative process."

"We're committed to that. We don't want anyone to view us as holding out

the petition effort as a threat. That would be counter-productive."

Barrett said representatives of the Chamber, which is in support of the Senate-approved, bipartisan plan, are involved in discussions with various legislators and other groups interested in solving the finance problem. He declined to elaborate on participants.

Short said the MEA, which is in support of the House Democratic plan, is also heavily involved in negotiations and has spent a great deal of time in the last week talking to legislators, particularly House Republicans and their leadership.

"We endorsed a good number of them in the last election and are asking . . . why they aren't supporting (SJR)'K' and what they feel needs to be in the package?"

A plan which involves all parties must be achieved, Short said, because part of the problem is that House Republicans do not feel their concerns have been included.

But when they successfully passed an amendment to SJR'K' which would place a constitutional ban on imposing a sales tax on services, Short said he was surprised that no Republican votes were swayed. "I was amazed that they didn't put their votes up and at least put it into conference (committee)," he said.

Though organizations of the size and magnitude of the Chamber and the MEA would seem the logical forces behind such a drive, Short pointed out that it takes "tremendous" organizational strength to obtain the necessary signatures, which would have to be collected by early July for the August vote.

"There is only one organization in the state who has that capability and that's MEA," he said.

And though he said smaller organizations might unite together in a coalition effort on the petition drive, Barrett agreed a larger, organized force is needed.

"It's been demonstrated in the past that a grass roots effort can be successful in qualifying a petition for the ballot. But I think it's much easier for established organizations . . . to not only successfully place an issue on the ballot, but also to generate the citizen support to pass it," he said.

Some 239,657 signatures would be needed to place a proposal to amend the constitution on the ballot. That number is 10 percent of the total cast for governor in 1986.

## Jackson Man Caught Holding Pot Cigarette

A 20-year-old Jackson man may face drug charges in connection with an incident in the parking lot of a fast food restaurant in town early Monday morning May 9.

According to Chelsea police, an officer on routine patrol at 12:05 a.m. saw the man sitting in a car in the back of the parking lot with the car's roof light on. When the officer approached the car he saw the Jackson man rolling a marijuana cigarette.

In addition to two marijuana cigarettes, police confiscated a dagger.

The man said he had just gotten off work and was waiting for his friend.

## Four Area Students Earn 4.0 at MSU

Four area students earned perfect 4.0 grade averages from Michigan State University in the winter term: Jeff Messman, Christin Troczynski, Michele Colone, and Patricia Willett.

Messman, a Chelsea High school graduate, is a junior majoring in agriculture.

Troczynski, a Dexter High school graduate, is a junior majoring in general business and business law.

Colone, a graduate of Pinckney Community High school, is a freshman. Willett, also from Pinckney, is a senior majoring in human ecology.

## CUB SCOUTS

**Den 10, Pack 455—**  
 Members of Cub Scout Den 10 are Victor Pitts, Ben Muha, Kyle Christensen, and Rodney Carter. The boys have been busy with a variety of things during the past two months.

First of all, they became birdwatchers. The boys kept track of all the different birds they saw during April and made a Bird Observation Calendar to show at the pack meeting. Also, at the pack meeting, the boys took part in a balloon launch with other Cub Scouts.

Next, the boys each planted seeds in a potato planter and a sponge planter. They also went on a Bog Walk at Waterloo Recreation Center with Den 9.

Finally, the boys learned about day camp from Webelo Scout Lloyd Eddy. They have been working hard to sell Scout-O-Rama tickets. And lastly, the boys are looking forward to earning their badges and/or arrow points as Wolf Scouts.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ever year about this time I think about a preacher at Zeke Grubb's church some years back. He said he was the baby in a big family of boys on a Georgia cotton farm and that he was following the north end of a south-bound mule as soon as he could walk. He said his Pa had a good bit of land and made a decent living, so when he was in college he ask his Pa how come he waited till all the boys left home to buy a tractor.

The preacher said his Pa's answer stuck with him. He said he kept the mules because he wanted to raise his boys right. When they walked behind a plow all day they'd come in at night and go to bed. If they had tractors to ride they would of took off to town after work and got in all kind of mischief.

That may of been a good idee from where Pa stood, but it was false economy the way the boys looked at it. When I'm out there with the old lady working the little garden she makes me fix ever spring I feel like one of the boys. Growing your own food in a patch 30 foot square is false economy, and it's my old lady's idee of a good way to keep me busy. That woman is strong fer wearing out and dead agin rusting out, but I never have minded a little rust in my life.

I mentioned my sore back at the country store Saturday night and the reason fer it. and I was surprised to git a little sympathy. Ed Doolittle said he puts up with the same treatment at home fer a different reason. If he didn't help with the garden, he said, he would be visited upon by two plagues. He'd never git any serious reading done fer his old lady's whining, and he'd never git any fresh vegetables because his old lady would be shamed to be seen buying em in season.

Farthermore, Ed said, there's

somepun to be said fer work as a way to keep younguns in line as well as giving em purpose in life. Ed noted that reform schools use to operate farms and shops fer control and to keep hands from gitting idle as much as to teach troubled young people a trade. False economy can be found everwhere. Ed said, but usual it got started fer a good reason, and sometimes it ought to be kept up.

Practical speaking, broke in Zeke Grubb, if you want real false economy you got to let the Government run it. Ever job you ever heard about Government creating wasn't created at all, Zeke allowed, it was bought at highway robbery prices by the taxpayers. Government has got so good at convincing us we're gitting a bargain—until private business is following the lead. Fer instant, Zeke said, stores in this country had us convinced we got trading stamps free and the gifts we redeemed em fer was the stores' way of thanking us fer trading with em. Now they tell us they're gitting rid of the stamps so they can lower their prices. If we had any sense there'd be a lesson there, was Zeke's words.

Clem Webster took Zeke's side. Clem took note that Social Security was about bankrupt five year ago, and last year it took in \$40 billion more than it paid out. This will double in five year, and by 2015 it expects to be \$500 billion in the black, if it is left alone.

Government being what it is, Clem said, it won't be. Instead of following Social Security's lead of setting the tax to meet the need, the rest of Government will convince us that switching Social Security "surplus" to other needs is true economy.

Yours truly,  
 Uncle Lew.

### Lioness Club Installs Officers For Coming Year

Chelsea Lioness Club installation dinner was held on May 9 in the small dining room of the Chelsea Community Hospital. Members and spouses enjoyed a delicious dinner. Lion liaison, Dan Kominsky inducted the new officers for 1988-89. They are: president, Mary Steele; first vice-president, Diane Daniel; second vice-president, Louise Likavec; third vice-president, Dorothy Pfizenmaier; secretary, Judy Armstrong; treasurer, Christa Fischer; and tail twister, Barb Selwa.

Past president, Judy Armstrong presented perfect attendance awards and reminded members that the club is providing cookies and drinks for the Special Olympics on May 20. There are to be 608 kids attending. Each Lioness needs to bring six dozen cookies for the event. Everyone's participation is necessary to make this successful.

### Volunteers Needed For McAuley Spring Tune-Up

Volunteers are needed for the fourth annual McAuley Spring Tune-up and Fitness Expo Saturday, May 21, at Catherine McAuley Health Center.

"Much of the success of the event each year is the result of the great volunteer participation we get," says Jeanette Kaczmarek, co-ordinator of the Tune-up volunteers.

"Volunteers are needed to help with registration, at the information desk, serving refreshments, passing out balloons, at the finish line, at water stations, as race marshals and more," Kaczmarek says.

Those who donate their time will receive a free race T-shirt and refreshments.

**Health Center Honors Volunteer Workers At Special Banquet**

Dorothy Fillinger and Richard Sundling, both of Chelsea, recently were honored for their volunteer service by Catherine McAuley Health Center at a recognition banquet at Weber's Inn in Ann Arbor. These two Chelsea residents were among 700 Catherine McAuley Health Center volunteers who donated a total of more than 49,000 hours of service over the past year in 110 different service areas. "The value of their precious time and caring cannot be measured," says JoAnne Desmond, director of Volunteer Services. "Their help and concern add a special dimension to the Health Center." Volunteer placement is available at St. Joseph Mercy Hospital; Mercywood Health Building; Reichert Health Building; Maple Health Building; Huron Oaks Chemical Dependency Treatment Facility, all in Ann Arbor; Arbor Health Building in Plymouth; and McAuley Health Building in Canton. Prospective volunteers may attend two information meetings especially geared for teens to be held from 10 to 11 a.m. May 14 and from 7 to 8 p.m. May 17, in the Education Center at St. Joseph Mercy Hospital. Adults are welcome to attend the May information meetings. For more information or to sign up to attend an information meeting, call the Volunteer Services Department, 572-4159.

## 'Pledge for Fitness' Raises \$5,000

With a little money still trickling in, Chelsea School District's "Pledge for Fitness" fundraiser had raised \$5,517.25 as of last Friday.

A total of \$803.25 was raised by Beach Middle school athletes, with the remainder by Chelsea High school athletes.

The annual event has students seek sponsors for every lap they run or bicycle or every minute they jump rope. The money is given to the athletic programs each student participates in.

Junior baseball player Matt Forner was the champion fundraiser at \$552. The baseball program again raised most of the money at \$3,163.

## Office Procedures Class Will Hear About Technology

Kristin Bunn from Cleary College will be speaking to Tom Morrison's Office Procedures class on Monday, May 16, at 1:15 p.m.

Ms. Bunn will discuss the electronic technology impact on today's office procedures and provide students with information on how they can prepare themselves for career opportunities in this high demand field.

This presentation is open to all students at CHS and is sponsored by the Career Resource Center at Chelsea High school.

STUDENTS IN BEVERLY PEEBLE'S first grade class wait to send off their balloons on Wednesday, May 11. The balloon launching, at which 275 balloons were sent out, was to celebrate all that the students had learned during the year. It was organized by first grade teacher Beth Vogel, in co-operation with the other teachers of that grade. They invited all the classes at North to join them. Messages with a request to write back were put in the

balloons and parents helped fill them with helium. Responses will be tracked on a map. The teachers hope that replies will come from all around Michigan to help students learn state geography during Michigan Week. Shown in picture are, in back, Stacy Miller and Sarah Cieglo; in front, Chris Potacki, Amy Huettelman, Stacy Miller, Margaret Schick, McKenna Houle.

PAUL MARSHALL of the Chelsea Rotary Club and Roger Dymond of the Chelsea Lions Club are shown placing the Rotary Club emblem on the Welcome to Chelsea sign on S. Main St., Saturday, April 30. The Rotary is Chelsea's newest service club.

## QUOTES

## NOTES

DONALD A. COLE Director

## Remember Armed Forces Day, May 21

"In any tongue it may be heard, 'Freedom' is a glory word . . . Fought for and fought against, sometimes trampled dishonorably into the dust, but more often cherished above all life itself, freedom has long been one of the most precious assets of which mankind might claim ownership. Searching through foreign lexicography, we found that freedom has many spellings and pronunciations. But we suspect that the word has no less the glory in any-tongue.

Presented phonetically, Icelandic people know freedom as "frelsec". To the Hindu it is "swadheenahata" in Sanskrit. The Arabian equivalent is "al hoo reeya", and the Japanese know it as "gee-you". To the Armenian it is "hurecyet".

We are fully aware of our duties and obligations to you when you come to us for help. Our policy is to be first of all your friend and secondly your funeral director.

## Dale Fisher Given Key to Detroit for Impacting Image

Grass Lake artist Dale Fisher was among 10 honored by Detroit's Central Business District Association for his impact on Detroit's local, national, and international image. At a luncheon held April 20 in the Columbus Ballroom of the Westin Hotel he was presented with a key to the city by Detroit Mayor Coleman A. Young.

Fisher in turn presented two gifts to Mayor Young on behalf of the Central Business District Association: a limited edition copy of his book "Michigan: From the Eyr of the Eagle" and an enlarged framed photo from the cover of the book. The book was leather bound and signed by the chairman of First of America Daniel Smith.

The photo featured a spectacular eye-to-eye look at a soaring eagle. The photo is one of 100 and Fisher said that the first 50 are being presented to people who have had an outstanding impact on their city, state, country, or humanity.

Thanks to the contribution of General Motors, each person attending the luncheon was given a book titled "Detroit," featuring photos of the city by Fisher.

Fisher is the only artist who takes his photographs exclusively from a helicopter. After serving in the U.S. Navy in aerial reconnaissance photography, he worked for the Ann Arbor News as a staff photographer and started his own business doing commercial photography as well as working from a helicopter.

Fisher's book, "Michigan: From the Eyr of the Eagle" was the state's

# Camping at Hudson Mills Is Doubtful

Some concern was expressed at the last Dexter township meeting, held April 19, that Hudson Mills Metro Park was planning to set up a family camping area. Trustees were worried that an influx of people would cause overcrowding in the area; that it would increase traffic and be a burden on public health and services.

Inquiries addressed to the Huron Clinton Metro Parks planner Dan Duncan revealed that his office had been asked by the Metro Parks board of directors to research the question of whether family camping should be added to any of their parks.

Duncan said although a final decision has not been made on the camping issue, he doubted that any of the parks in Washtenaw or Livingston counties would be the first choice of the board. If the board does decide to add family camping, they will base their decision as to location on need, which will leave this area near the bottom of the list since we already have such places as Waterloo, Island

Lake, Kensington, and Pinckney.

Up to now, the Metro Parks have limited themselves to day activities and organized group camping, such as Boy Scouts, leaving family camping to the state parks. However, with both state and private campgrounds in the southern part of Michigan continually filled, the Metro system is questioning whether they should expand their role.

The Metro Parks office is now in the process of researching the feasibility of adding family camping: studying needs surveys, insurance rates, and which sites could accommodate camping. They will present their report to the board on June 9.

## 4-H Dairy Days Slated at MSU

Washtenaw county young people who are interested in dairy cattle and the dairy industry should plan to attend 4-H Dairy Days July 19-22 at Michigan State University.

Dairy Days offers a wide variety of events for young people. Contests challenge kids to improve their knowledge of cattle, dairy foods and communication.

Communications-related events include the Fun with Dairy Foods, Speak up for Milk, dairy demonstration, exhibit and photography contests.

Dairy Days also features a dairy quiz bowl, dairy judging and the All-Michigan Dairy Youth Show, with breed and showmanship classes for young people from 9 to 19.

Participants can also have some fun at the Ag Olympics and Skillathon or enjoy the ice cream social and a dance.

For more information about 4-H Dairy Days contact John Evert at the Washtenaw County Co-operative Extension Service 4-H office. 971-0079. Registration deadline for the event is June 17.

CHELSEA'S ANNE WEBER was recently one of two recipients of Siena Heights College's Thomas E. Emmet Sr. Outstanding Scholar Athlete Award. The award is presented annually to a top junior man and woman who exemplify skills in athletics and in the classroom. Weber has compiled a 3.66 grade point average as an art major and has been a three-year starter on the softball team as a second baseman. "Anne has been as steady as a rock at second base for us the past three years," said coach Al Sandifer. She knows exactly what to do on the field at the right time and is a real team leader."

## Police Uncover New Evidence in Slaying of Manchester Attorney

Police have turned up new evidence in the 1976 homicide of a Manchester attorney but they still don't have enough information to build a solid case against anyone.

However, the Washtenaw County Sheriff's Department Det. Paul Wade believes that there are several people who know at least something about why and how Peter Kensler was murdered at his rural Sharon Valley Rd. home on Feb. 4, 1976.

Kensler, 36, was shot three times with a shotgun, twice in the face as he was lying wounded on the ground.

The initial investigation uncovered information about Kensler's personal and professional lives. Kensler apparently had multiple identities, was involved in what police have characterized as "questionable" business deals and had strange personal friends. However, there was never enough information to solve the case.

In 1982 an anonymous tip led police to a river where they found, among other things, a shotgun with the serial numbers filed off.

However, according to Wade, dramatic, new information was recently found by a close friend of Kensler's pertaining to Kensler's questionable business dealings and the fact that numerous death threats had been made against him.

Police also know that shortly before his death Kensler told people a prominent Manchester resident had threatened to kill him; that Kensler used false identities in out-of-town meetings; that Kensler reported that shots had been fired into his home a year before the murder; that a week before he was killed Kensler was part of a takeover at the Union Savings Bank in Manchester that ousted most of the board members, including his former partner, James Hendley; and a folder of business documents that Kensler told family members contained evidence against his enemies has not been found.

However, Wade said there is not enough evidence to charge anyone with the slaying.

"I hope that anyone with any information, no matter how trivial it may seem, will call us," Wade said.

## Special Fitness Run at Hudson Mills Friday

The Special Fitness Run for Special Athletes will be held Friday, May 22 at Hudson Mills Metro Park.

Students from Neta Sage's Dexter High school class, Marylynn Doletzy's Bates Elementary school class, Nancy Cooper's Chelsea High school class, and Kathy Gilbert's Beach Middle school class will compete with students from Manchester, Ann Arbor, High Point, Whitmore Lake, Lincoln, St. Louis School for Boys, Ypsilanti, and Willow Run. In all, about 300 students are expected to participate, some in wheelchairs.

The event will start at 10:30 a.m. with a one-mile run. It will be followed with three- and six-mile runs around the Hudson Mills Fitness Trail. All

participants will wear special t-shirts furnished for the event.

The major sponsor is the Wolverine Civitan. Helpers on the day include the Chelsea Kiwanis, the Dexter and Chelsea National Honor societies, and Boysville. Hydra-Matic Security will provide safety and first aid help. The Chelsea Lioness will provide lunch.

The main organizer of the event was Nancy Cooper.

MIKE THOMPSON, right, and Randy Ferry, left, placed fifth and ninth, respectively, at the state Metric 500 competition on Saturday, May 7 in Traverse City. The boys qualified with their performance in Chelsea High school's own Metric 500 earlier this spring. With them is technology teacher Jim Tallman, who organized the event. The boys designed and built their cars and raced them against some of the state's best. The cars' durability proved to be a factor, Tallman said.

## Cum Laude Students Recognized

Twenty-seven Chelsea High school seniors were honored last night, Tuesday, May 17, at the 15th annual Honors Banquet for this year's cum laude graduates.

Modern Mothers Child Study Club, and the Chelsea School District, held the event for the students, their parents, honored teachers, board of education, and high school administrators.

Denise Long, president of Modern Mothers, presided over the event.

## Chelsea Resident Jim Grau Appointed Director of DPW

Jim Grau, life-long resident of Chelsea, was recently appointed director of the Washtenaw County Public Works Department (DPW), replacing Jack Durbin.

The DPW co-ordinates the solid waste program for the county, finances water and waste water projects that need the bonding power of the county, and deals with the hazardous substances problem. They employ 17 people. Grau explains that they are not a hands-on department, but more of a planning and financial agency.

The DPW's impact in Chelsea can be seen in the recycling and composting projects soon to be underway. (The recycling project will be located at Polly's, while the composting site will be behind the village garage.) Other nearby projects they are involved with include construction of a Portage Lake sewage system and restoring Flook dam.

Grau was selected for the job by the Public Works board, a seven-member board appointed by county board of commissioners to oversee the DPW.

He is well qualified, having 20 years experience as a consulting engineer in designing and constructing water and waste water projects in southeast Michigan including Southfield, Lansing, Jackson, and Ann Arbor.

He worked for eight years on the Ypsilanti area waste treatment facility known as Ypsilanti Community Utilities Authority (YCUA). He was involved in all phases, from designing it, to being there in the field while it was constructed, to testing it and training the workers.

Grau has a master's in civil

engineering from the University of Michigan and is registered as a professional engineer in the state. He is also a member of the American Society of Civil Engineers.

Grau grew up in Rogers Corners on the first farm south of Zion Lutheran Church, where his mother still resides. After college, he and his wife, the former Nancy Mayer who is also a Chelsea native, decided to move back to Chelsea. But instead of living in the country, they bought a house in town, on S. Main St. They have two daughters both of whom attend Chelsea High school: Sarah, a tenth grader, and Karen, who will graduate in June.

Both daughters are active in sports, Sarah in track and Karen in swimming, while Nancy Grau is a member of the Child Study club. The family belongs to Zion Lutheran church.

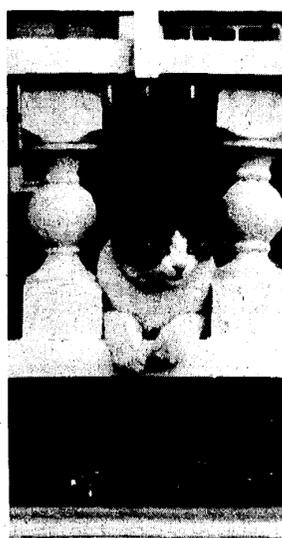

## Beach Art Show Thursday Night

The Beach Middle school art show will be held Thursday, May 19 from 6:30 p.m. to 8 p.m. The show will feature projects from the sixth, seventh, and eighth grades.

The projects include plaster, clay, op-art, watercolors, perspective, collages, cut paper designs, ceiling tile, right brain drawings, color mixing, still life, and pencil drawings of plants.

The show is open to the public.

## Sander Stolen From Building

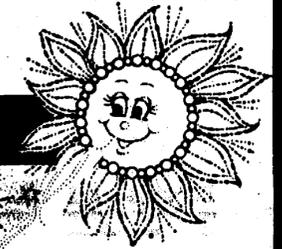

A heavy duty sander was stolen from a storage area at the Chelsea Industries Annex building on May 9 or 10, according to Chelsea police.

The sander was taken from an area rented by Abrasive Finishing, Inc.

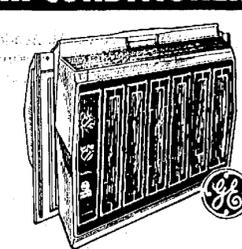

Police said the area was open to Chelsea Industries employees. In addition, someone could have used scaffolding that was set up near a window to gain entry.

## SEC Initiates Academic Award

The Southeastern Conference has announced its first annual All-Academic Awards, this week. Principals of schools in the seven-member league, Chelsea, Dexter, Lincoln, Milan, Pinckney, Saline and Tecumseh, will host the top five scholars from each of the schools at a noon luncheon, Thursday, May 19 (tomorrow), at Weber's Inn, Ann Arbor. Purpose of the All-Academic Award is to recognize the academic accomplishments of talented high school seniors whose academic accomplishments sometimes go unrecognized.

"Though we realize many other seniors deserve recognition for leadership and community activities, this program focuses only on academic achievement," explained the Southeastern Conference principals. "For the first time, in 1988, the league will recognize the academic accomplishments of a first team, second team, and honorable mention winners.

The scholars were selected using a formula which combined ACT or SAT scores and grade-point averages.

Keynote speaker for the luncheon at which the young people will receive the awards will be Ms. Edwyna Goodwin Anderson, a Michigan Public Service Commissioner.

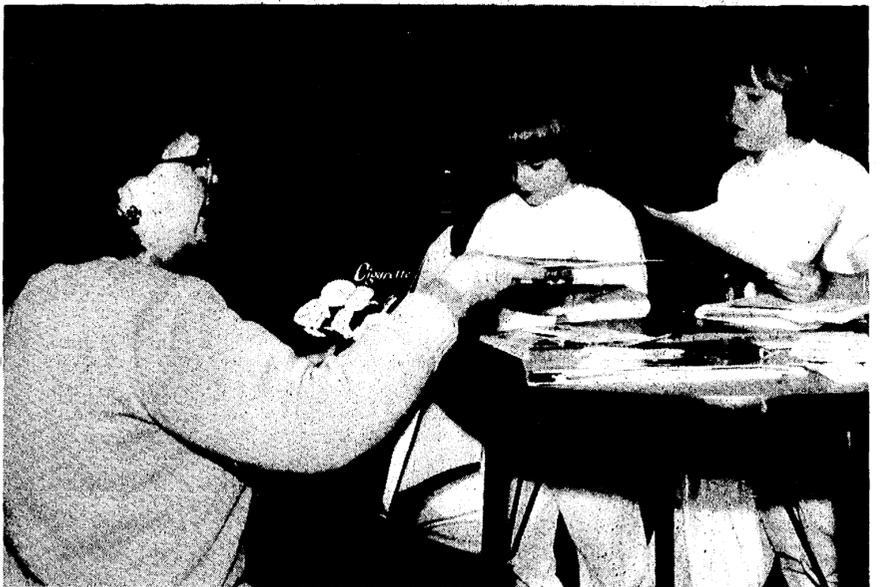

Among the previous positions held by Ms. Anderson are assistant prosecuting attorney for Genesee county, first black news reporter and feature writer for the Flint Journal, counselor and social director for the Harley Hospital School of Nursing.

Chelsea scholars who will receive the All-Academic Awards include Sharon Colombo, Karen Grau, Patrick Gustine, Jeff Waldyke and Kristina Steffenson.

Recipients selected from Dexter to receive All-Academic Awards were William Brockman, Mark Turner, Greg Denoyer, Jeff Sendra and Hugh Smetekop.

From Pinckney, students qualifying for the All-Academic Awards were Marta Alml, Victoria Pike, Ken Gondeck, James Read and Melissa Shepley.

Bulldogs!

## Bulldogs Earn Top Seed In SEC Softball Tourney With Sweep of Indians

Chelsea Bulldogs won the regular-season Southeastern Conference softball title with a two-game sweep of previously undefeated Tecumseh Monday night.

Chelsea ended the SEC season with a 12-0 mark. With the first-place finish the Bulldogs get the top seed in this Saturday's league tournament. The tournament starts at 10 a.m. at Chelsea High school and Veterans Park. Chelsea will have a bye in the first round and play the winner of the Saline-Pinckney game.

Chelsea 1, Tecumseh 0  
Chelsea 5, Tecumseh 1

In the opener, Peggy Hammerschmidt pitched a two-hitter for her 13th win of the season. She struck out eight and walked two.

"We played a fine defensive game against an excellent team," said Chelsea coach Pat Clarke.

"Our seven seniors all started and played well."

Going into the game the Indians were 22-3 over-all and 10-0 in the conference.

The Bulldogs played errorless ball. In addition, right fielder Beth Kenney figured in two double plays.

Chelsea scored in the first inning. Leah Enderle led off with a single but had to stay at first when Alisha Dorow flied out. However, head-up base running on the part of Enderle allowed her to score from first on a bunt single by Kelly Stump.

Chelsea managed just six hits for the game and no one had more than one.

In the second game, Jenni Smith recorded her 10th win of the season in pitching a four-hitter. The junior struck out 12 batters and struck out the side in each the second and fifth innings.

The only run Smith yielded was in the bottom of the seventh inning.

The Dogs scored once in the second inning when Jenny Pichlik tripled and scored on a passed ball.

Pichlik picked up an RBI in the fourth inning when her ground ball out knocked in Stump, who had singled.

Chelsea's big inning was the fifth when they scored three times. Enderle singled, Stump singled and Hammerschmidt knocked in the first run with a single. Pichlik sacrificed home another run. Kim Easton ended the scoring with an RBI single.

Stump and Hammerschmidt each had two hits in Chelsea's seven-hit attack.

"Stump continued her fine play at third base and had two hits to key rallies," Clarke said.

Chelsea's record is 27-8.

Chelsea 6, Pinckney 0  
Chelsea 11, Pinckney 1

The Bulldogs scored four times in the first inning to provide a comfortable margin for pitcher Hammerschmidt.

A single by Enderle, walk to Stump, RBI-single by Murphy and a two-run triple by Pichlik did most of the damage. Pichlik scored on an error.

The Dogs scored their remaining two runs in the fifth. Pichlik was hit by a pitch, Hammerschmidt singled, Basso sacrificed a run home and Smith sacrificed the second run in.

Hammerschmidt struck out four batters, walked one and allowed two hits.

"Hammerschmidt pitched a fine game," Clarke said.

"She changed speeds well and kept the batters off balance."

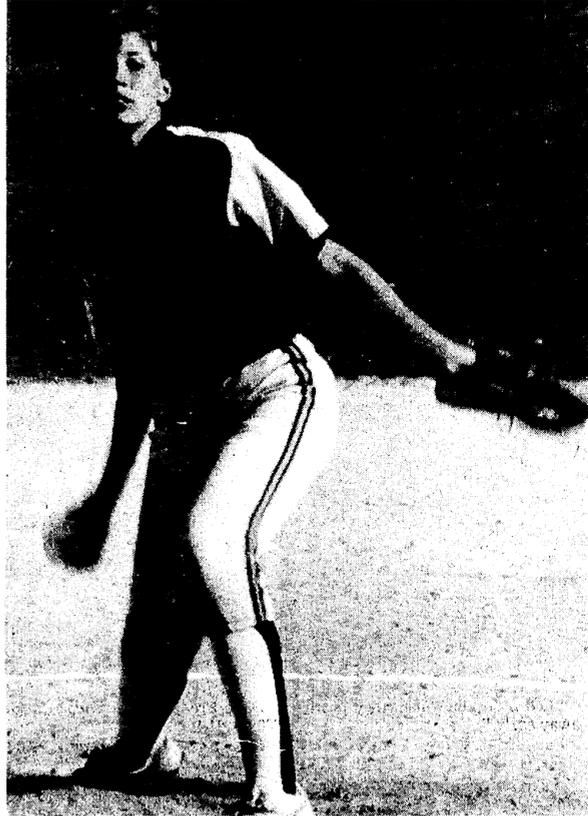

Smith tossed a three-hitter in the second game and "pitched an outstanding game," Clarke said.

Chelsea scored in each of the first three innings, including eight runs in the third.

"We hit the ball very well," Clarke said.

Chelsea put the game away in the third. Stump singled, Murphy singled and Pichlik was hit by a pitch to load the bases. Hammerschmidt's single scored two. But the big blow was a three-run homer by Basso. Stump and Murphy also picked up an RBI each later in the inning.

Big hitters for the Bulldogs were Murphy with three hits and Stump and Enderle with two hits each.

JENNI SMITH has pitched some of Chelsea's toughest games this year and has had quite a season for the Bulldogs. She'll get plenty of action this week-end in the Southeastern Conference Tournament. Here she's pitching in the second game against Pinckney last Thursday.

## JVs Dump Northwest

Tom Mesnard was the winning pitcher in the opener and he limited JNW to four hits.

The Bulldogs were tough at the plate as they collected 11 hits, including two each by Jude Quilter, Kerry Plank, Doug Wingrove and Phil Eassa.

"We played well defensively and hit the ball well," said Chelsea coach Jim Ticknor.

"We made the plays when we needed to because we allowed several walks. Mesnard pitched his way out of several jams."

Chelsea scored three times in the first as Quilter led off with a single, Kyle Plank walked, Kerry Plank doubled and Wingrove singled.

Quilter's two-run homer accounted for all of Chelsea's scoring in the second. The Dogs held a 5-2 lead after two innings.

After JNW narrowed the gap to 5-4 in the bottom of the third, Chelsea struck for four runs in the fifth. Key hits included a triple by Kerry Plank and singles by Mesnard, Phil Eassa and Jim Hadley.

Chelsea scored their final two runs in the sixth on a walk, singles by Kyle Plank and Wingrove, and a couple of steals.

In the second game, the Bulldogs scored all three runs in the top of the first. Quilter was hit by a pitch and Eassa reached on an error to start the inning. After a double steal, Mesnard doubled home two runs. He later scored on a ground out.

Kerry Plank was the winning pitcher, although he needed an inning's worth of help from Wingrove. Together they held JNW to two hits.

"We played a sound defensive game and Kerry Plank pitched five solid innings," Ticknor said.

"Grant Kidd made an outstanding catch in the bottom of the sixth to preserve our lead."

ALISHA DOROW tries to slap the ball through the infield during the Bulldogs' double-header sweep of Pinckney last Thursday at home. The victories set up last night's showdown with undefeated Tecumseh.

## Bulldogs Take Two Wins At Tecumseh To Grab Top SEC Baseball Seed

Two dramatic wins at Tecumseh on Monday gave the Chelsea Bulldogs the top seed in the Southeastern Conference Baseball Tournament this Saturday.

Chelsea finished the regular SEC season with a league-leading 8-3-1 record. They'll play the winner of the Milan-Lincoln game at 1 p.m. at Milan.

Tim Anderson's solo home run in the ninth inning gave Chelsea the victory in the opener.

Chelsea had numerous oppor-

tunities to score as they pounded out 14 hits for the game, including three by Bob Clouse and two each by Junior Morseau, Greg Boughton, Mark Larson and Anderson.

Morseau was the winning pitcher as he threw a two-hitter and struck out nine.

"I'm really proud of the team," said Chelsea coach Wayne Welton.

"They really played their hearts out."

Morseau hit a solo homer in the first. Chelsea's only other run came in the fifth when Anderson and Chris Acree singled and Anderson was forced home two walks later.

The Dogs had a flawless game in the field as well.

In the second game, Chelsea erupted for eight runs in the seventh inning in a come-from-behind victory.

Down 2-0, Chelsea sent 12 batters to the plate in the seventh.

With one out the next two batters reached on a hit batsman and a walk. Acree and Clouse followed with singles. Another hit batsman, an error and a single by Nix preceded a two-run homer by Larson.

Chelsea again got an exceptional pitching performance. Boughton gave up four hits and struck out six. He

Chelsea moved into the championship picture with a double-header sweep over the Pirates at home last Thursday.

Morseau was the winning pitcher in the opener, although Nix helped him out of a jam in the seventh.

The game was scoreless until the fifth inning when Chelsea scored all their runs:

After a walk and an error, Morseau doubled home a run, Jeff Prentice cracked a two-run double and Nix sacrificed a run home.

The Pirates rallied in the seventh when Bob Nemeth hit a solo homer. After a double, single and error, Nix relieved Morseau with one out and the winning run at second. After loading the bases by hitting a batter, Nix went to 3-0 on the next hitter before eventually working for a strikeout. A force play ended the inning.

Morseau had two of Chelsea's five hits.

Chelsea had to rally in the second game after Pinckney scored twice in the first.

# Bulldog Girls Outrun Tecumseh After Tough Loss to Dexter

Chelsea Bulldog girls track team hosted Southeastern Conference leading Dexter Tuesday and was defeated, 87-41.

The Bulldogs won only three events in the meet.

Kasey Anderson ran two outstanding races to take the 1,600 in 5:24.3 and the 3,200 in 11:55.0. Both times are career bests and just missed school records.

Dena Stevens had the Bulldogs' other first, taking the discus with a throw of 100' 4".

Coach Bill Bainton said the Bulldogs did have some other good performances in the meet. Tammy Browning tossed the shot 30' 1" for second and Stevens added a third.

Danica Disbro and Tami Harris both ran well in the 100 to take second and third in identical :13.0 times. Disbro came back with a :27.4 200 for a third place.

Sarah Schaeffer placed second in both hurdle races, running her season's best of :51.9 in the 300. She added a third in the high jump.

Anne Steffenson ran a 1:02.7 in the 400 but was edged by second to finish third. Debi Koenn ran a 2:33.9 in the 800, a season's best time, on her way to a second-place finish.

Freshmen Leisa Schiller and Jeanene Rossi continued to be consistent performers for Chelsea. Schiller jumped 14' 2 1/2" in the long jump to gain second by 1/4 inch. Rossi jumped 4' 9" in the high jump, the same as winner Shannon Tobias of Dexter, but took second based on more misses.

Schiller also combined with Harris, Disbro and Steffenson for a 4:23.8 1,600 relay, a Bulldog season's best, in a non-scoring effort.

"Dexter's a fine team—two or three deep in all running events," said Bainton.

"We ran pretty well, but right now we just can't match up to them in a dual meet."

The Chelsea team bounced back from their loss to defeat Tecumseh, 75-53, on Thursday.

It was a big day for several performers. Anderson led the way with four first places. Anderson won the 1,600 and 3,200 runs and anchored the winning 3,200 and 1,600 relays.

Schiller also had a perfect day, winning the long jump with a season's best of 15' 3/4" and running on the winning teams in the 800, 400 and 1,600 relays.

Disbro won the 100 in :13.1 and was second in the 300 hurdles in :50.9. Harris was second in the 100 and won the 200 in her season's best of :27.2. Both also ran on the 800 and 400 relays.

Sarah Grau also ran on two winning relays, the 3,200 and 1,600, and won the 800 in 2:31.6. Debi Koenn was second to Grau in the 800; Loewner her best to 2:33.1. She also ran on the 3,200 and 1,600 relays.

While it was a good day for some individuals, the throwers had a tough time. Jennifer Bechtol and Marti Robison of Tecumseh went 1-2 in both the shot and discus. Bechtol won both with throws of 34' 4" and 113' 5 1/2".

Dena Stevens got Chelsea's only places, two thirds with her season's best 30' 5" in the shot and 100' 9" in the discus.

"Those are about as good a three places as you'll see in a dual meet," said assistant coach Bert Kruse who works with the throwers and distance runners.

"We'd hoped for maybe a second, but Dena did about what we'd figured."

For the first time this season the Bulldogs got some key performances from the middle of the line-up. Cathy Issel, coming back from an injury, was second in the 1,600, and Sarah Erskine was third with her season's best as Chelsea swept the event.

Amy Carley, hurdling for the first time in a meet, picked up a third in the 100 hurdles, and sprinter Christine Mignano moved into the 400 where she ran a strong 1:07.5 and just missed placing. Anne Steffenson won the event in 1:04.6.

Rossi was second in the high jump and ran a strong leg on the 400 relay and Brenda Brede ran on the winning 3,200 relay and added a third in the 3,200 run.

The win left the Bulldogs at 3-3 for the season with one dual meet remaining.

Friday the team goes to Lincoln for the regionals, then have the SEC meet on Wednesday, May 25, also at Lincoln.

## Beach Girls Top Pinckney, Milan Teams

Beach Middle school girls track team won two meets in decisive fashion last week over Pinckney and Milan.

ATHLETES OF THE WEEK are Chelsea High school seniors Leah Enderle and Chris Cheng. Leah, the daughter of Pete and Shirley Enderle, 12755 Scio Church Rd., is a third-year varsity softball player. She anchors the infield at second base. Leah is also coach Pat Clarke's lead-off hitter and is one of the quickest players on the team. Last fall she was co-captain of the varsity basketball team, where she earned second team all-Southeastern Conference honors and was honorable mention all district as a guard. In her spare time she stays busy reading and playing any sports in season. She's also active in her church youth group. Next fall the honor roll stu-

dent plans to attend Western Michigan University to study business. She has three sisters, Amy Heydlauff, Heidi Schroth and Caroline Eisele. Chris, a co-captain of coach Ted Wilson's track team, is the son of Alfred and Wanda Cheng, 418 Wellington St. Chris competes in the 400-meter run and is on three relay teams, including the 400-meter, 1,600-meter and 3,200-meter events. His best times are :53.5 in the 400 and 2:06 in the 800. Chris is a National Honor Society member and plans to attend Michigan State University next fall. In his spare time he likes to play racketball and attend athletic events. He has two brothers, Pat and Martin.

# Bulldog Boys Beaten Badly By Dexter, Tecumseh Runners

Chelsea Bulldog boys track team ran two of the contenders for the Southeastern Conference title last week and were beaten decisively in both meets.

Dexter 88, Chelsea 44

"It was a strong Dexter team we faced," said Chelsea coach Ted Wilson.

"Led by Andy Walsh, they put us away early."

Paul Hedding had another strong performance for the Bulldogs as he won the 1,600 and 3,200 individual events.

Hedding took the 1,600 in 4:41.2 and the 3,200 in 10:27.8.

Other Bulldog winners included Holden Harris in the pole vault at 10', and Scott Reynolds in the 200 at :24.0.

In the high jump, Charlie Hosner set a personal record at 5' 11" for second place. Tyler Lewis was third at 5' 7".

Lucky Beeman was second in the

discus at 128' 5" and second in the shot put at 39' 5".

Matt Riemenschneider and Brian Zangara were second and third, respectively, in the pole vault although each cleared 9' 6".

Lewis placed second in the long jump at 18' 11 1/2".

Reynolds was third in the 100 at :11.7.

Dave Freitas placed second in the 200 at :24.4.

Chris Cheng was third in the 400 in :54.5.

Chelsea took second place in each of the 400, 1,600 and 3,200-meter relays.

Reynolds, Matt Herter, Freitas and Cheng ran :46.5 in the 400; Reynolds, Brady Murphy, Freitas and Cheng ran 3:43 in the 1,600 and Murphy, Harris, Cheng and Hedding ran 8:35 in the 3,200.

Chelsea was shut out in both hurdle events and the 800 relay.

Tecumseh 104, Chelsea 33

"We had many good performances go for naught as Tecumseh took charge early," Wilson said.

"They held us to only six points in the field events."

Chelsea's only points in the field events came in the high jump, where Hosner took first place at 5' 6" and Lewis finished third at 5' 4".

In the running events it was much the same story as the Dexter meet. Hedding again won the 1,600 (4:39.4) and the 3,200 (10:29.8) but had little success elsewhere.

Two exceptions, however, came in the 400, where Cheng won in :54.1 and the 1,600 relay were the team of Murphy, Reynolds, Freitas and Cheng won with a season's best time of 3:38.8.

Reynolds was third in the 100 at :12 and second in the 200 at :24.8.

Harris was third in the 800 in 2:12. (Continued on page 13)

## Chelsea Netters Take Two More Victories

Chelsea Bulldog tennis team improved their record to 11-2 with victories over Monroe Jefferson and Pinckney last week.

Chelsea opened the week with a Tuesday 6-1 victory over Monroe.

Kirk Lawton defeated Jerry Escheck at first singles, 6-4, 6-4.

John Rigg lost to Steve Reaume by the same score.

Craig Maynard tripped Adam Sakel at third singles, 6-3, 6-2.

Jason Overdorf rounded out the singles matches with a win over Steve Gornick, 6-4, 6-3.

In doubles action, Eric Worthing and Bob Pratt defeated Scott Amble and Ron Tykoski, 6-4, 6-3; Larry Moore and Jason Richardson knocked off Ed Sonak and Jim Prather, 6-1, 6-1; and Shaun Capper and Chris Wilson beat Brett Lunsford and Mike Reising, 6-1, 6-1.

On Thursday Bulldogs beat Pinckney 4-3.

"I have to give a lot of credit to Craig Maynard who came back after losing the first set," said Chelsea coach Rahn Rosentreter.

Lawton won at first singles over Dan Haines, 6-0, 6-4.

Rigg lost at second singles to Steve Tresh, 4-6, 3-6.

Maynard beat Chris Willett at third singles, 4-6, 6-4, 6-2.

Overdorf lost to Keith Banchoff, 4-6, 1-6.

Pratt and Worthing suffered a rare defeat at first doubles, losing to Jeff Yeakey and Troy Dudley, 2-6, 6-3, 4-6.

Moore and Richardson topped Kevin Villanova and Neil Salogan, 6-0, 6-0.

Capper and Wilson beat Jay Ball and Scott Giddings, 6-3, 6-1.

## Welton's Boys Earn Top Seed in Tourney

(Continued from page ten)

Nix's solo home run in the fourth got one run back.

A single by Morseau, error and sacrifice fly scored two more in the fifth.

Boughton pitched all seven innings. He gave up eight hits and struck out 10.

"Boughton was tough and did what it takes to win," Welton said.

"We had timely hitting, outstanding pitching and solid defense."

Nix, Clouse and Larson each had two hits in the game.

games last Saturday at home.

In the opener, Chelsea squandered a 3-0 first inning lead.

"We had some sloppy play and the bats went silent, with the exception of Jeff Prentice, who hit very well," Welton said.

Prentice had three hits and Nix had two.

Chelsea also committed six errors.

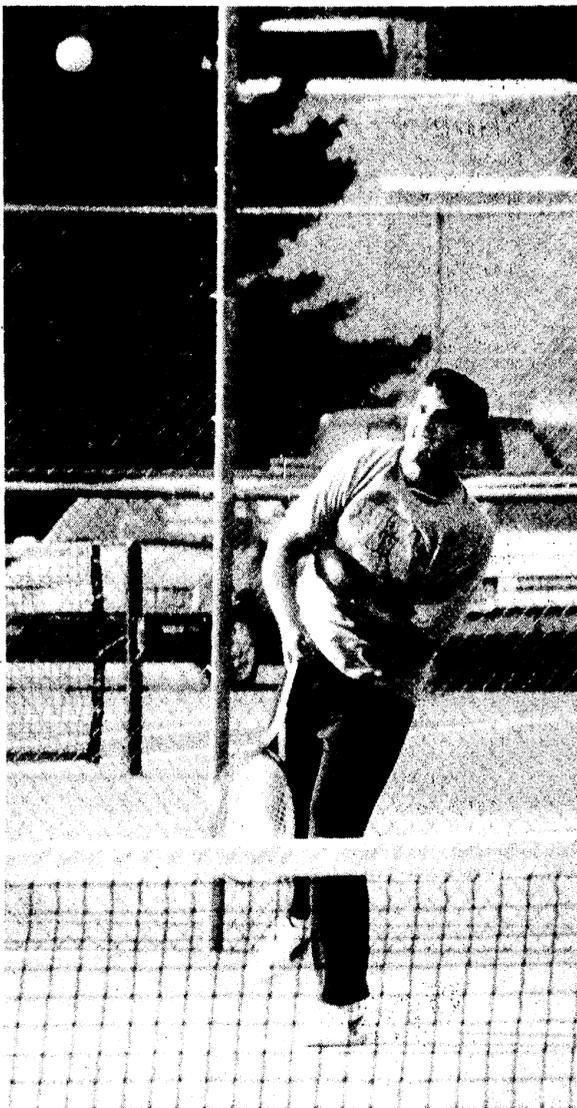

In the second game, Chelsea again pulled ahead in the first inning with two runs, but couldn't hold the lead.

Chelsea had eight hits, two each by Nix and Kustmaul.

The Dogs also had four errors.

CRAIG MAYNARD rallied after losing the first set to beat his Pinckney opponent last Thursday and give the Bulldogs a 4-3 victory. Maynard had won nine matches in a row after last week's play.

## Walks Nag JV Dogs In Split of Four Games

Chelsea Bulldog junior varsity softball team split a pair of double-headers with Pinckney and South Lyon last week and ran their over-all record to 18-5-1.

South Lyon 10, Chelsea 8  
Chelsea 6, South Lyon 5

Chelsea led most of the way in the opener but a six-run seventh inning by South Lyon won the game.

"We had a four-run lead but gave up too many walks," Sullins said.

"We also couldn't get the bunts down when we needed to."

Chelsea took the lead in the fourth inning when a sacrifice by Flintoff and single by Becca Burkel scored two runs for a 3-1 Bulldog lead.

After South Lyon scored three times in the top of the fifth, the Dogs answered with five runs in the bottom of the inning. Three walks and singles by Bro, Flintoff and Lisa Park did the damage.

Flintoff had the only two-hit performance for Chelsea.

In the second game, a bases-loaded double play on a fly ball to Petty in centerfield preserved the Bulldog victory.

"This was a nice one to get," Sullins said.

"We really made the plays in the sixth and seventh innings."

Flintoff's two-run double in the first tied the game.

Chelsea scored single runs in the third and fourth innings, one on a homer by Bohlender, before South Lyon took the lead with a three-run fifth inning.

However, the Bulldogs came right back in the bottom half on a run-scoring triple by Flintoff. Heidi Boyer walked and later scored on a pass ball.

Flintoff's three hits and Cory Tremper's two hits paced Chelsea's eight-hit attack.

River revival: Britain's majestic Thames River once provided salmon for royal banquets. But by the 1950's, pollution had made it an almost lifeless sewer. Now, according to International Wildlife magazine, the tide is turning again. Thanks to an astonishing rescue operation, the river is healthy. Fish and waterfowl, not seen for years, are returning. Some say the Thames is the world's cleanest metropolitan river.

Pinckney 16, Chelsea 5  
Chelsea 15, Pinckney 3

In the opener on Thursday, May 12, Chelsea pitching gave up just six hits but 22 walks proved to be too much to overcome.

"It's hard to say much about the game," said Chelsea coach Ken Sullins.

"We made the most of the plays when the ball was hit. The first runner to score after getting on base by hitting the ball was in the sixth inning. Hopefully we learned how important it is to make opponents put the ball in play. Free bases kill you."

Pinckney held an 11-4 lead after three innings.

Heather Bro singled in each the first and second inning to knock in half of Chelsea's runs.

Chelsea's only other scoring occurred on two wild pitches and a single by Sheri Stephens.

In the second game, Scharme Petty picked up the win on the mound with a four-hit, 11-strikeout performance.

"Scharme pitched an excellent game and the defense extended themselves for some good to excellent stops on tough plays to keep Pinckney from getting into their running game," Sullins said.

The Bulldogs, who collected 14 hits for the game, led 8-2 after two innings.

Chelsea scored six times in the second with two outs. Sara Musolf, Shawn Losey, Colleen Scharphorn, Kristin Bohlender and Dana Durst all singled, and Carrie Flintoff doubled in the inning.

Chelsea scored three more times in the fourth inning with two outs on a walk to Amy Thomson and singles by Kelly Bellus, Musolf, Losey, Petty and Scharphorn.

More timely hitting in the fifth inning by Musolf, Losey and Scharphorn scored four more runs.

## Club Swimming Begins in June

Spring swimming lessons for children 3-7 years old have now ended. Susan Schmunk with Brett Paddock, Kristen Muncer and Scott Marsh taught children daily from 3-5 p.m. for two weeks.

Swim stroke clinic, sponsored by the Chelsea Aquatics Club, is over. Jon Oesterle and Tammy Neibauer were coaching the clinic from 5-8 Monday and Wednesday evenings. All enrolled in these activities had fun while learning better swimming skills.

Chelsea Aquatics Club will begin club swimming in June. All children who want to swim are welcome. Those interested in league competition as well as children who want to improve their swimming techniques need to register at the Community Education Office to become an Aquatics Club member. All children registering during the first week of swimming will receive a CAC painter's cap to promote team spirit. Club swimsuit orders at special prices will be available at the pool during the first week of the summer session.

Summer coaching staff includes Julie Woods, the Ann Arbor "Y" head coach and co-ordinator. Oesterle, Schmunk and Mike Keeler will be coaching high school students. The club is still looking for a summer diving coach.

All summer swimming schedules will be published in the Community Education Office brochure.

For further information call the community ed. office at 475-9830.

### Hawker Ends Another Fine Pitching Year

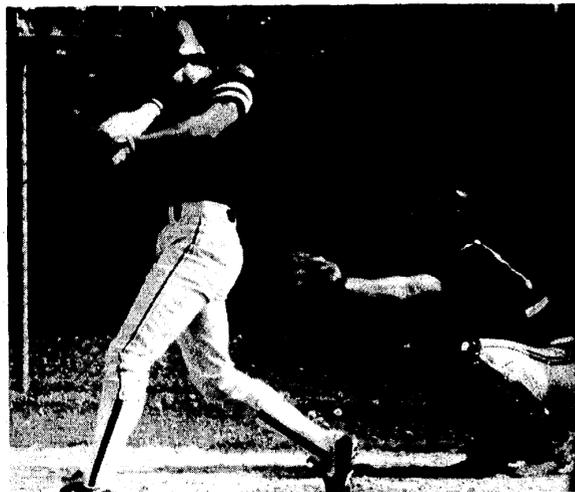

Kelly Hawker finished her junior year on the Wayne State University Tartar softball team with a 0.36 earned run average.

Hawker led the team in strikeouts with 154. In the 27 games she pitched this year, she earned either the decision or save.

She completed 15 of 22 games started and gave up only eight earned runs the entire season.

In three seasons Hawker has a 41-33 record and has yielded only 47 earned runs in 499 innings pitched for a 0.66 ERA. She has completed 57 to 72 starts.

Hawker is on the first team of the Great Lakes Intercollegiate Athletic Conference and received two first-place votes for the conference's Player of the Year award.

JEFF PRENTICE cracks a hit for an RBI in the opening game with Pinckney last Thursday. Chelsea won both games.

### Dogs Lose Meets

(Continued from page 11)  
Kvarnberg was third in the 3,200 in 10:57.6.

Freitas was third in the 300 low hurdles in :45.9.

The 400, 800 and 3,200 relay teams all placed second.

Herter, Reynolds, Freitas and Cheng ran :47.1 in the 400, Sam Eisenbeiser, Jim Williams, Joel Boyer and Dan Pletcher ran 1:44.7 in the 800, and Murphy, Harris, Cheng and Hedding ran 8:26.8 in the 3,200.

The regional track meet is Friday at Lincoln High school. Preliminaries begin at 3 p.m.

The first receivers of telephone calls cried out "Ahoy-ahoy" rather than the later greeting of "hello."

"YOU NEVER TAKES A PICTURE OF THE CATCHER" said Chelsea's Chris Basso last Thursday shortly before she cracked a three-run homer against the Pinckney Pirates. The Bulldogs disposed of the Pirates, a team that has caused them fits over the last couple of years.

## Victory in Final Event Gives Beach Boys Win

Beach Middle school boys track team won an exciting dual meet against Milan last Friday at the Chelsea track, 70-62.

"This meet was just a great team effort" said coach Dave Brinklow.

"Everybody was a hero today, from the first event to the last relay. It was a lot of fun to see these guys put it all together."

The meet started with Jon Royce winning the high jump at 5'2" and Adam Tillman taking third at 5'.

Milan took first in the pole vault but Robert Jaques managed second at 8' and Adam Taylor and Jim Steele tied for third at 7'6".

Mike Terpstra won the shot put with a toss of 37'5" and Tim Hubbell was third at 31'9". Then Milan took first through third in the long jump to put them ahead after the field events, 20-16.

Jason Allen started the running events with a victory and personal best time by 27 seconds in the two-mile run in 12:34.7. Ben Manning finished third at 13:43.1.

Milan won the 55-meter hurdles but Chelsea grabbed second and third with Jaques, :08.68, and Jeremy Guenther, :09.5.

Then Milan won the 800-meter relay which put them ahead, 33-26.

Jim Robinson won the 800-meter run in 2:30.2 with John Weinberg, third at 2:41.3. Kirk Hedding added another first place with his 5:55.8 in the 1600-meter run while J. J. Hanke was third in 6:32.

Tillman and Hubbell finished second and third, respectively, in the 100-meter dash in :14.38 and :14.48 to put the score at 44-42 in Milan's favor.

Royce won the 400-meter dash in :57.8 with Mike Reese taking third in 1:02.1. Then it was Jaques and Guenther placing second and third in the 100-meter hurdles at :14.9 and :15.2.

In the 70-meter dash, Tillman was second in :09.2 and Allen Schuh, 3rd, at :09.9.

Taylor was second in the 200-meter dash in :27.5 and Dirk Colbry, third in :29.0 to finish the individual events.

Going into the last two relays, Milan was ahead, 62-60, but Chelsea's relay team of Robinson, Hubbell, Reese and Royce ran 4:05.5 for first place, making the score 65-62.

That left it up to the 400-meter relay team of Schuh, Scott Leeman, Martin Cheng and Dana Schmunk to win their event and the meet, which they did in :56.8, giving Chelsea the victory, 70-62.

Other excellent efforts, Brinklow said, were turned in by Sean Daigle, Bryan Cunningham, Danyon Collins, Nick McCalla, Adam McArthur, Jeff Peterson, Scott Long, John Heller, Alex Roskowski, Nathan Oake, Eric Brown, Andrew Parker, Jeff Dising, Steve Brock, Allen Hower, and Tom Richards.

In other action, the beach team lost to a tough Pinckney squad last Wednesday at the Pinckney track, 76-56.

Jaques won the pole vault at 8' and Steele was third at 8'0".

Chelsea swept the high jump with Royce, 5'2", Tillman, 5'1", and Taylor, 4'10".

Terpstra was first in shot put at 37'10", and Hubbell was third at 31'.

Allen placed third in the two-mile run at 13:03.0. Jaques was second in the 60-yard hurdles at :09.12. Robinson managed a second place finish in the 880-yard run, 2:26.8.

Hedding placed second in the mile run at 5:58.5 while Daigle gave a great finish line push for third place, in 6:23.0.

In the 100-yard dash Colbry was second in :12.53. In the 440-yard dash, Royce took first in :58.08 and Reese, third in 1:03.1.

Jaques and Jeremy Guenther finished second and third, respectively, in the 100-yard hurdles in :13.5 and :14.1.

Tillman won the 75-yard dash in :09.1 with Shub third at :09.7.

The mile relay team of Robinson, Hubbell, Reese and Royce finished off the scoring for Chelsea by winning in 4:09.9.

Other participants were Schmunk, Ann Hackbarth, Ken Slane, Long, Heller, Cunningham, Roskowski, Oake, Brown, Leeman, Hanke, Parker, Collins, McCalla, McArthur, Peterson, Cheng, Dising, Weinberg, Brock, Ben Manning, Hower and Richards.

Star light, star bright: Just what exactly was the Star of Bethlehem? According to National Wildlife magazine, the current leading theory is that the star was a conjunction of Jupiter and Saturn. When such a conjunction occurs, the two planets sometimes look like one bright star to observers on Earth. Other theories claim the famous orb was a supernova (dying star) or a comet. And, still another theory says the Star of Bethlehem was simply a miracle.

## Pastor, Mrs. Mearl Bradley Granted Sabbatical to the Philippines

Pastor and Mrs. Mearl Bradley of the Chelsea Free Methodist church will be on sabbatical leave to the Philippines, June through October of 1988. They will be teaching in the Light and Life Bible College in Butuan City, Philippines.

Pastor Mearl will be the English pulpit minister for the English-speaking congregation, mostly attended by professionals, businessmen and college students. The Chelsea Free Methodist church has granted the Bradleys this sabbatical leave after 25 years of ministry, the last 10 of which have been at the Chelsea church. The Bradleys have been appointed by VISA (Volunteers in Service Abroad), a Free Methodist missions program.

In their absence, eight lay pastors within the church will continue to minister to the congregation. The Rev. Robert Bruhn and his wife, Tammy, of Asbury Theological Seminary in Wilmore, Ky., will be serving as interim pastor, and the Rev. Harold Weiman of Milan, (retired) will serve

## McClain Family Coming to Chelsea Christian Fellowship

The McClain Family of Muskegon, will be singing at Chelsea Christian Fellowship Sunday, May 22 at 11:00 a.m. This Christian family manifests the joy of the Lord as they sing old-time Gospel music as a group. The Christian love and joy of the McClains is an inspiration to families everywhere, and their musical talent is enjoyed by young and old alike.

# School Board Hears Report on Substance Abuse Program

Chris Dillon, substance abuse counselor, reported to the school board on Monday night, May 16, that the program is going well and is steadily growing. She encouraged the school board to maintain their commitment to the program and suggested making some additions to it next year.

Dillon has been pleased to note that the community at large is beginning to use her services. She reported that it was not unusual for parents to call her directly to discuss concerns they have with their children.

At present Dillon has a half-time appointment, working the other half of her time at the Chelsea Community Hospital. She suggested that the program could be extended to full-time, explaining to the board that she usually has a waiting list and could offer more service if she had more time to devote to the job.

Two leavings were recognized by the board. School board president Lloyd Grau, who has been a member of the school board for eight years and served as trustee, treasurer, vice-president, as well as president, was honored in a resolution.

The resignation of Mary Schiller was accepted with regret. Schiller, a Beach school cafeteria employee, has worked for the school district for 19 years.

## CHS Class of '53 Planning 35th-Year Reunion in July

Chelsea High school Class of 1953 is busy planning their 35th-year class reunion which will be held July 16 and 17.

During the years the planning committee has lost contact with one of their classmates and are trying to locate Connie Jennings. If you have any information on her please call Dan or Shirley at the Chelsea Pharmacy.

Anyone interested in assisting in the planning of the reunion is invited to attend a meeting scheduled for 9 p.m. May 19, at the home of Dan Murphy.

The school board honored Ed GreenLeaf, the owner of Chelsea Lanes, and Vicky Wurster, an employee there, for hosting the post-prom party at the bowling alley.

The event was sponsored by SADD (Students Against Drunk Driving) to give students a safe place to party after the Senior Prom. Guests enjoyed a variety of games and refreshments.

Assistant superintendent Fred Mills announced that Chelsea would again be an out-of-formula school district. He also said that there would be a 1.14 mill rollback due to the requirements of the Headlee amendment. Millage amounts are tied to the SEV but are not allowed to increase when the SEV rises above the Consumer Price Index.

NORTH SCHOOL FOURTH GRADERS created this replica of downtown Chelsea for their Festival of the Arts last Thursday evening. Virtually all of the downtown buildings were included as each child picked a building to re-create.

FESTIVAL OF THE ARTS at North Elementary school last Thursday evening was jammed with students and parents who were interested in seeing the students' artistic accomplishments. At left are various toothpick sculptures by fifth graders and on the right are weavings by third graders.

## SYLVAN TOWNSHIP RURAL RESIDENTS & VILLAGE RESIDENTS

Sylvan Township has hired Angie DeFant and Karen Weber, two 1987 Chelsea High School graduates who are now attending Siena Heights College in Adrian, Mich.

Sylvan Township is in the process of updating all residential assessment cards. Most of the information on the present cards is 11 years old and needs updating to be in compliance with state regulations. All assessment cards will be refigured using the new State Tax Commission Manual published in 1986.

Angie and Karen will be going door to door in the township to collect information on new construction and other improvements that might have added value to homes. They'll be on the look-out for decks and other outside improvements.

Your co-operation is essential and appreciated in gathering this information. Sylvan Township requests your co-operation when Karen or Angie visit you requesting this information.

**the Charles Reinhart Co. Realtors**  
You have chosen to live in a small, friendly community. So have we. Why should you deal with the county's largest real estate company when you buy or sell? Here are two of many reasons:  
1. Each Charles Reinhart sales associate is a full-time professional, on top of today's market, and working with extraordinary support services within the company.  
2. Many buyers who work in Ann Arbor prefer to live in Chelsea. When they think about real estate services, they think about Reinhart.  
We are residents of Chelsea and we represent Reinhart here. We would like to help with your real estate needs.

ORDER SETTING HEARING DATE AND PROVIDING FOR NOTICE OF HEARING AND SERVICE OF MOTION TO MODIFY ORDER AND JUDGMENT.

At a session of said Court held in the Courtroom in the City of Pontiac, Oakland County, Michigan on April 27, 1988.

PRESENT: Honorable Steven N. Andrews. Upon reading the Motion To Modify Order and Judgment filed by the Defendants, The County of Oakland et al., requesting that this Court modify the Court's December 10, 1975 Order and Judgment excluding Oakland County Assistant Prosecutors from participation in the Oakland County Retirement System and to permit the currently employed Oakland County Assistant Prosecutors to re-join the Oakland County Retirement System with service credit time from their date of hire or February 23, 1979, whichever is later; and upon reading Defendants' Ex Parte Motion To Set Hearing Date And For Service Of Motion And For Notice By Publication; and after appearing in Court that service of said Motion To Modify Order And Judgment and other pleadings cannot be reasonably made as provided in the Michigan Court Rules and that a method for service of the Motion and other pleadings should be provided by court order; and that a date and time for hearing the above Motion should be set by the Court; and the Court being fully advised in the premises;

NOW THEREFORE IT IS HEREBY ORDERED as follows:

1. That the Defendants' Motion To Modify Order and Judgment shall be heard on the 9th day of June 1988, at 8:30 a.m., before the Honorable Steven N. Andrews, 1200 North Telegraph Road, Pontiac, Michigan.

2. That any person interested in responding to said Motion may file a written brief with the Court with a copy served upon counsel for Defendants no later than June 6, 1988, or may appear in Court on June 9, 1988 at 8:30 a.m. in the Courtroom of the Honorable Steven N. Andrews, 1200 North Telegraph Road, Pontiac, Michigan. Unless a written brief or personal appearance in Court is made as set forth above, the Court will rule upon the Motion of Defendants without further opportunity for those interested in said Motion to be heard.

3. That the Defendants shall serve the County of Oakland County Assistant Prosecutors with copies of their last known business or residence address, by first class mail or by certified mail return receipt requested, and shall also serve the attorney of record for the Oakland County Assistant Prosecutors on the Motion and other pleadings are returned unclaimed, the Defendants will use diligent efforts to find an alternate address and send the documents listed above to that alternate address, first class mail or certified mail return receipt requested.

4. The Defendants shall serve current Assistant Prosecutors, with copies of the above pleadings, by delivering it to them personally or by mailing it to their current business or residence address, first class mail or certified mail return receipt requested.

5. Defendants shall publish this Order for three consecutive weeks in the Oakland-Pontiac Legal News, Macomb Legal News, Livingston County Press, Detroit Legal News, Chelsea Press, Flint-Detroit News and the Legal News and Tribune. Publication to be completed no later than May 27, 1988.

# Letters to the Editor

To the Editor:

In a recent edition of The Chelsea Standard, a reader asked for some information with regard to the Faith In Action Building Fund Drive and the various programs sponsored by FIA. I would be most happy to respond to this request.

Though a relatively young organization, FIA has been growing steadily to meet a wide range of needs. In 1987 more than 3,300 people in our area (encompassing mainly Chelsea, Dexter, Manchester and Stockbridge) have been cared for by over 50 FIA volunteers, volunteers who collectively donated over 10,000 hours of their time last year. And the needs keep growing!

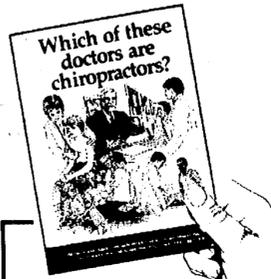

And how do the volunteers keep busy? Faith In Action volunteers provide services and assistance directly to the community. This includes the provision of food, clothing, encouragement, financial assistance, advocacy, prescriptions, free health clinic, Parent to Parent Program, Parents Anonymous Program, Meals On Wheels Program, Teen-Senior Program, Teen-Parent Program, Carrier Alert, Senior Outreach Program, Thanksgiving baskets, Christmas baskets, transient assistance, emergency housing, and much, much more. In addition to these direct services, FIA works co-operatively with Salvation Army, Michigan Dept. of Social Services, Child and Family Services, The Council On Aging, Department of Mental Health, American Red Cross, Chelsea Social Services, Dexter Services, Manchester Services, Stockbridge Outreach Services, among others.

Faith In Action has been blessed with the support of many local churches, community organizations, and individuals for its operational needs. We are now faced with the dilemma of having outgrown our present quarters, and we therefore have initiated a Building Fund Drive to raise the \$150,000 needed for a dedicated building. The new location for the "Warmest Home In Washtenaw County" (our Fund Drive theme), will be on the north drive of the Chelsea Community Hospital Campus, near Main St. As is presently the case in our "borrowed" space, the new building will be operated by a voluntary organization.

We ask your readership to help us help our less fortunate neighbors. For more information regarding Faith In Action programs and volunteer opportunities, and to make a personal, tax-deductible contribution to the Building Fund Drive, please write or call: Faith In Action, P.O. Box 147, Chelsea, MI 48118. (313) 475-3305. Douglas M. Dault, Chairman, Faith In Action Board of Trustees

To the Editor,

As a volunteer at the Faith In Action House for several years, I would like to answer some of the questions asked by Mrs. Stoll.

First of all, the current facility is and has been inadequate due to the increase of donations of both food and clothing as well as other services for which the building is available. We are thankful to our benefactor for her generosity in letting us use the house but we have outgrown it!

We need to be able to display to better advantage the clothing that is generously donated by many people. We need a storage room for out-of-season clothing. There is no space for furniture and appliances which have been offered us.

The food storage area is totally inadequate. It is very difficult to sort and store food properly. Physically it is hard—even dangerous—to reach supplies when packing groceries for needy people.

In addition to food and clothing we also provide transportation for people who otherwise have no way to get to their doctors or keep other important appointments. There are other services we provide such as emergency financial aid, counseling, free medical clinic, prescriptions, etc.

We are not limited to the Chelsea School District as to the distribution of clothing.

Unlike the Maytag repairman, we have much to keep us busy while waiting for the phone to ring (as it frequently does). We try to make the place look clean and presentable—a difficult task in so limited space. No one is reimbursed for these services, including our transportation volunteer drivers.

I am sure the Chelsea Social Service does a commendable job and is very much needed and appreciated. However, there are people who need immediate help and cannot wait the required time to be eligible for government services. People who have been burned out of their homes or have experienced other family upheavals. We are available five days a week. Our food cupboards help people before they qualify for government assistance and sometimes fill the gap when supplemental assistance is needed.

There is a need for both Faith In Action and Chelsea Social Service in the Chelsea School District.

Mrs. Edward Shippy.

To the Editor,

Last week you published an "open letter" to Consumers Power Co. with questions about the SSC project. This is a response to those questions along with some additional information regarding the SSC which deserves consideration. The data we have accumulated about the SSC comes from the Michigan SSC Commission, the U.S. Department of Energy and various news reports regarding the project.

Construction of the SSC will provide more than 10,000 jobs during the years that the project will be built, according to the State's SSC Commission. At the peak of construction, expected to be in 1990, some 4,500 workers are expected to be on the job.

There have been various figures published regarding the number of permanent jobs that will result from the SSC. To date they have ranged from a low of 2,500 permanent jobs to a high of 5,500. Whatever the final figure, it is believed that as many as 1,500 jobs will be available to people in the communities surrounding Stockbridge. In a state with an unemployment rate hovering around 8 percent, that number of new work opportunities is significant. As for the remaining employees who will emigrate to Michigan, those scientists, technicians and other technical experts will have the kind of education, income levels and interest in community involvement that any community or state would welcome.

Consumers Power has made no secret of the fact that it had requested authorization from the Michigan Public Service Commission for a special incentive electric rate that could be granted to the SSC project. Incentive rates are a device used not only in Michigan, but all over the country as an economic spur to attract new industries or retain existing businesses. In fact, Texas has offered virtually free electricity if the SSC is located in that state.

Consumers Power presently offers a number of incentive rates that benefit a range of customers from foundries to farmers, keeping them competitive and, more importantly, in business. The SSC will provide a number of other contributions to Michigan's economy. The annual operating budget will be approximately \$270 million in 1988 dollars. Most of this money will come from Washington and most of the funds will stay in Michigan, boosting both state and local economic growth.

Between \$800 and \$900 million in taxes will be paid to Michigan during construction and the first five years of operation of the SSC.

The SSC tunnel will be located about 150 feet below the ground and will not bother our woods, streams, rivers, wetlands, nor local buildings or railroad lines.

For all these reasons, we believe the SSC will be a benefit to our State and to the Stockbridge community.

## Scout Bottle Drive Well Received

On Saturday, April 30, the Cub Scouts conducted a returnable can and bottle drive. Blessed with wonderful weather, the Cub Scouts canvassed the village for cans and bottles.

It was exciting to find that word had "gotten around," thanks to The Chelsea Standard's tremendous coverage, and the merchants allowing the Cubs to place posters in their businesses, the Cubs were greeted by residents who had saved up their empties. At many homes, those that could not be home when the drive took place, had left their cans and bottles on their porches for collection.

Thanks to very receptive residents, the boys were able to collect approximately 5,000 empties.

Chelsea Lumber Co. loaned the

Cubs a truck for sorting empties and for moving empties into Polly's at the conclusion of the drive.

Polly's provided workers to help with the tabulation of the empties as well as the use of their lot for the event.

Funds raised from the event will be used to purchase handbooks for each boy presently registered in Pack 345 and will be presented during the May pack meeting. Each boy who participated in the drive will also receive an award to be used towards his summer day camp program. Remaining funds will be used to help pay for the day camp fee for any Cub who might not otherwise be able to afford the program.

## Business Climate Survey Started in W. Washtenaw

Various community volunteers assisted by Michigan Bell's economic development group are preparing for a campaign aimed at retaining and expanding business in Western Washtenaw county.

Project manager Phillip R. Boham today kicked off the campaign with an announcement of the project activities on Friday, April 22.

Under the company's Industrial Business Retention and Expansion Program, community volunteers will be trained later this month by Colleen Donovan, staff manager at Michigan Bell's economic development group, to survey the various industrial companies in Chelsea, Dexter, and Scio township.

The campaign, co-sponsored by the Villages of Chelsea and Dexter, Scio township, the Chelsea Area Chamber of Commerce, Chelsea Community Hospital, Jackson Road Business Association, Dexter Business & Industrial Council, and Michigan Bell is designed to pinpoint concerns of local manufacturing companies from which action plans may be developed.

### Chelsea Couple's Son Promoted in Marine Finance Center

Marine Sgt. Bradley C. Myers, son of Ralph C. and Ruth E. Myers of Chelsea, has been promoted to his present rank while serving at Marine Corps Finance Center, Kansas City, Mo.

A 1977 graduate of Saline Area High School, Saline, he joined the Marine Corps in January 1984.

for business retention and expansion. "The various volunteers will be spending important time interviewing owners and business leaders of most businesses in Western Washtenaw county about sales, labor conditions, developmental issues, and their thoughts about the economic climate and its future," said Boham, Chelsea Community Hospital's vice-president for Human Resources and project manager of the study.

Patterned after a successful program offered by Wisconsin Bell, Michigan Bell's Business Retention Program is costing these various communities nothing. Michigan Bell trains all survey volunteers, and compiles a community profile which helps to pinpoint specific industry problems and advantages. Any action taken by the communities, the Chambers of Commerce, or the townships is strictly voluntary.

The Business Retention program has been completed in several Michigan communities, including the most recent one in the Ypsilanti area, and is underway in many others throughout the state. With the reponse of the various community volunteers and task force members representing each one of the various community volunteers and task force members representing each one of the sponsors of this project, it is obvious that the business communities are greatly interested in this project.

Government and business leaders should be credited for responding now in planning for the future as the business climate in Michigan continues to grow.

SIZE AND GROWTH RATES of bluegills at Joslin Lake were checked last week by a team from the Department of Natural Resources. The team is studying fish at several area lakes to see how they stack up against the Michigan average. A similar study at North Lake has canceled a scheduled treatment of the lake with antimycin to thin out the population. The study showed that the size structure of fish has improved and the treatment won't be necessary. The lake will be studied again in 1990, according to Ken Dodge, district fish biologist in Jackson. Joslin Lake is being used as a control lake in the study to see what affect treatments in other lakes have on their populations. Gary Towns, DNR fish management biologist, studies a netful of bluegills in the photo. He said Joslin Lake bluegills are averaging about 6 1/2 inches, which he called a "good size."

BOB SWEET of the Department of Natural Resources holds a pike that was caught last week at Joslin Lake as part of a DNR study. The DNR team used nets to catch fish, and, unintentionally, a lot of turtles, as part of a study of the lake's fish last Friday. The team caught, and released, 200 bluegills and miscellaneous other fish and recorded various data about them. According to Gary Towns, DNR fish management biologist, the fish growth rate appeared slightly slow at Joslin Lake a few years ago but the rate appears "pretty good right now."

## Michael Stimpson Seeks Re-Election As Treasurer

Michael A. Stimpson, county treasurer, is seeking re-election to that office.

In announcing his candidacy for re-election Stimpson made the following statement.

"County residents know how much the county's financial position has improved since I became treasurer and want the same policies to continue. As your treasurer, I have implemented computerized cash management, resulting in an increase of over \$2 million in investment return over my previous years before I was in office, even though interest rates over the same period have dropped in excess of 66% of what they were.

"Good money management has given Washtenaw county \$2.5 million more in operating funds than it had before, enabling the county to provide more services to the county. I am confident that, with this record, Washtenaw county will continue to improve its financial standing, and receive the highest rating for its bonding needs.

"At the same time I have continued to invest in new equipment and automated procedures to insure that county residents get prompt, courteous and complete service from the treasurer's office, and I am personally available to any who have questions or suggestions on its policies.

"I am seeking re-election in order to continue meeting the increasing demands of the county and this office, to complete the transition to modern methods of operation, and to continue the money management policies that are allowing the county to provide needed services to its residents with fewer tax dollars."

Stimpson, 40, is a 1970 graduate of Eastern Michigan University. Beginning in 1973 he had nearly eight years of experience in the county budget of-

rice and was the senior budget officer for the county, before successfully running for the office of county treasurer in 1980 and being re-elected in 1984.

Stimpson is married and has three children. They are residents of Chelsea.

He serves on the Michigan Treasurer's Association Legislative Committee, Budget and Finance Committee and the Tax Sale Committee. Stimpson has been utilized by the county in many areas such as union negotiations, building authority, data processing task force as well as past member of the Public/Private Resource Committee.

Stimpson has been called upon, by both the Board of Commissioners and administration, to participate in personnel selection for some department heads, appointed to the county's Training Committee, Budget Committee as well as others over the past eight years.

Stimpson has enjoyed professional, bi-partisan support since taking office and pledges continued co-operation and leadership.

Keeping up with the Joneses: On Martha's Vineyard off the coast of Massachusetts, the latest thing in frontyard fixtures is osprey poles. More than 60 poles have sprouted up around the island—98 percent of them in private yards. According to National Wildlife magazine, the craze got started after the director of the Felix Neck Wildlife Sanctuary began erecting poles with crossbars at the top to attract more ospreys to the island. They worked: the number of breeding pairs of ospreys increased from two in 1971 to 41 this past year.

Meeting called to order at 8 p.m. by President Grau.

Board approved the minutes of the April 4 meeting.

Board approved the minutes of the executive session of the April 4 meeting.

Entered as official communications were: (1) letter indicating that the Chelsea School District has received the 1988 Technology Education School District Program of the year award. Congratulations to the Technology Department; special thanks to Bruce Boughner, Jim Tallman, John Williams, and Laurie Bissell. (2) letter from the Chelsea Community Hospital asking the district to participate in a community-wide forum on AIDS, scheduled for May 23. (3) letter regarding the Academic Success Through Academic Preparation, sponsored by Michigan's public universities.

Becky Tuttle, who is a volunteer tutor at Beach school, was present to receive a certificate of appreciation. Becky volunteers primarily with the Language Arts Department at the middle school.

Superintendent Van Meer updated the board with an interim report from the Facilities Committee which is reviewing enrollment projections and space needs. He indicated that all staff members will be given an update of the report by building principals. Superintendent Van Meer will be available at 8 a.m. on Monday, April 25, in the Board Room to receive input from staff members.

The board approved the principals' recommendations for continuing tenure for teachers in all schools. The board also granted second-year probation to Beth Vogel (North), tenure to Marsha Hansen (North), Jan Stevens, Laura Holdsworth, Gail Wireman (South), and Tami Gillingham (Beach).

The board officially accepted the gift of the scoreboards which have been installed in the high school gym. Funds amounting to \$5,525 were raised for this purpose. Special thanks and appreciation to Jim Knott for his efforts in seeking the donations.

The board convened in executive session at 8:37 p.m. and reconvened in public session at 9:57 p.m.

The board adopted a resolution for the annual school election, which indicated that John Eisenbeiser and Joseph Redding will be candidates for the two vacancies.

The board adopted a resolution for the annual election listing the 12 election inspectors.

The board adopted a resolution authorizing the borrowing of \$3,400,000 from the Michigan Municipal Bond Authority.

Pam Holmes, high school English teacher, asked the Board to consider the English Department's request to keep Alice Leith full-time in that department.

Petroleum predictions: A 15-year-old study of America's energy needs had presented a sobering vision of the future. It predicted the nation's energy use would rise almost 20 percent by the late 1980s. But according to International Wildlife magazine, energy use in the U. S. has actually fallen. The effects of energy conservation are being felt world-wide as well with savings totaling some \$250 billion a year.

HOWARD S. HOLMES

## Howard Holmes To Head New United Way Funding Group

Joseph Fitzsimmons, 1987 Leadership Giving Association chairman and CEO of University Microfilms International, has announced the founding of the Washtenaw Alexis de Tocqueville Society, a new fund-raising program of the Washtenaw United Way. Chairing the Society for 1988 is Howard S. Holmes, president of Chelsea Milling Co. Fitzsimmons made the announcement at the Washtenaw United Way's second annual Leadership Giving Association Recognition Dinner on May 10 at the Michigan League.

"The Washtenaw Alexis de Tocqueville Society seeks to deepen its members' understanding and commitment to the missions and values of the Washtenaw United Way and to encourage personal, annual leadership gifts of \$10,000 or more," said Fitzsimmons.

With the founding of the Society comes an annual award to recognize outstanding volunteer service in the community. Holmes presented the first Washtenaw Alexis de Tocqueville Society Award to Dr. and Mrs. Harry A. Towsley. "They epitomize what the United Way is striving to achieve in this community," said Holmes. "Through their tireless dedication, their commitment, and their countless acts of caring, they have made this community a better, healthier place for all of us."

Washtenaw United Way Leadership Giving Association began in 1985 with 17 participants; it currently numbers 193 members giving at \$1,000, \$3,000, or \$5,000 levels. The University of Michigan has the most members with 35; Ford Motor Co. is second with 16. The Association has raised over \$250,000 for the Washtenaw United Way. The 1988 Leadership Giving Association Steering Committee includes William Dobson, Joseph Fitzsimmons, Dr. Joe Morris, Dr. John Psarouthakis, Richard Sarns, and William Gromer.

Over 150 of the Association's 193 members attended the Recognition dinner. Fitzsimmons thanked the guests for their continued involvement with the Washtenaw United Way. He also noted that many Leadership Givers were active United Way volunteers. "These individuals are sensitive to the painful human needs that exist in Washtenaw county. As both donors and volunteers they have made a significant commitment to addressing those needs. Effective solutions to this area's human problems involve more than money; they require human energy and ingenuity as well," said Fitzsimmons.

Featured during a brief program were the Chenille Sisters.

A PLAY based on "The Lion, the Witch, and the Wardrobe" by C.S. Lewis will be presented by the speech and drama classes at Beach under the director of Beverly Yelsik. Shown posing in the set that represents the spare bedroom are, seated, Heidi Wisner as Lucy and Ricky Clouse as Peter; standing are Mike Radant as the professor, Brent Hansen as Edmund, and Tonya Munding as Susan. The play will be presented May 25 and 26.

BEVERLY YELSIK, director of "The Lion, The Witch, and The Wardrobe," adjusts the lion's paw during dress rehearsal. Jeff Stump plays the lion and Jennifer Powers is the white witch Jadis in the Beach Middle school production of the play. The cast has been rehearsing for many weeks, casting the play, learning their lines, blocking their movements, and learning how to project their voices.

FOUR CAST MEMBERS of "The Lion, The Witch, and The Wardrobe" pose during dress rehearsal: Kelly Totten as Mrs. Beaver, Mike Kennedy as Mr. Tumnus, Monica Hansen as Fenris Ulf, and Mike Tremper as Mr. Beaver. The cast are all members of Beverly Yelsik's fifth grade speech and drama class at Beach Middle school. Her second hour class is performing "The Emperor's New Clothes." Both will be performed on May 25 and May 26.

### Four Nature Programs at Waterloo

Four programs are being offered this week-end by the Waterloo Natural History Association. Michigan Mammals, Bog Walk, and Spring Wildflowers will be presented Saturday, May 21. Life Along the Lakeshore will be offered Sunday, May 22.

The program on mammals of our state will be presented at 10 a.m. at the Big Portage Lake Campground trailhead near Seymour Rd. Common mammals of Waterloo will be introduced from the opossum (a relative of the kangaroo) to insectivorous bats. Participants will be able to handle mammal skins and try their luck at discovering some live inhabitants of the fields and woods.

At 1:30 p.m. the same day, a bog walk will start at the Nature Center parking lot near Bush Rd. Hikers will explore the exotic landscape that is a souvenir of the ice age and learn about the formation and succession of Michigan's inland lakes. Late spring offers a view of magnificent orchids and insectivorous plants.

On Saturday evening at 9 p.m., an outside slide show of spring wildflowers will be presented at the amphitheater at the Portage Lake campground. Participants should bring something to sit on and insect repellent.

On Sunday at 1:30 p.m., the lakeshore program will begin at the Green Lake campground to explore the fascinating area where the two worlds of land and water meet. Participants should be dressed for wading.

All programs are free and open to the public. However, to enter the park, a vehicle sticker is required.

### Chelsea Musicians To Perform Final Concert of Year

Young Chelsea musicians will give their final concert of the school year next Tuesday, May 24 in the Chelsea Orchestra Pops Concert at 8 p.m. at Beach Middle school.

The concert will feature musicians from grades 6-12.

Music will include tunes from the musical "Cats," and the movie "St. Elmo's Fire." Also on tap will be several fiddle tunes, according to director Jed Fritzscheier.

The concert is free of charge. Food and beverages will be served.

CAROLINE LANE, daughter of Dr. and Mrs. W. C. Lane, has received the Lucas County, Ohio, Office of Education's "Job Well Done" award. The honor is bestowed on a teacher who has demonstrated a genuine interest and enthusiasm for the teaching profession.

## Caroline Lane Honored By Ohio County School Office

Caroline Lane, a learning disabilities resource room teacher at Ottawa Hills Elementary School, recently received the Lucas County Office of Education's "Job Well Done" award.

"Carrie is a conscientious and caring teacher who demonstrates a genuine interest and enthusiasm for the teaching profession," Sandra Frisch, Lucas county assistant superintendent, said.

"Carrie repeatedly goes out of her way to provide her students with opportunities for growth, both academically and personally," Mrs. Frisch said. "She spends long hours at school and creates a positive climate for her students. Innovative learning experiences such as a Thanksgiving play demonstrate Carrie's commitment to her students."

"She is also professional with parents and her fellow staff members," Mrs. Frisch added.

Carrie is the daughter of Dr. and Mrs. W. C. Lane of Chelsea, and is a graduate of Chelsea High school, Class of 1979. She obtained her teaching degree from Bowling Green

State University, where she is presently concluding her Masters Degree in Special Education Administration.

IT MAY NOT LOOK LIKE A LESSON in ecology but Billy B., right, from Washington, is not a conventional teacher. By taking popular songs and changing the lyrics, Billy B. turned Prince's "Purple Rain" into a song about acid rain, for example. Above, Beach Middle school seventh grader John Darden helps with the background vocals on a song by the Fat Boys that ended up giving a lesson about black files.

**HIGH SCHOOL FORENSIC** winners, Phil Thomson, Tim Parkkila, and Bill Coelius, IV, presented their winning drama and humorous program to the Rotary Club, May 3, at Chelsea Community Hospital. John Williams, program chairman for the club, presented the students in co-operation with speech coach Bill Coelius. Bill Coelius, IV, was one of the state finalists in the drama division. Phil Thomson placed number one in humorous readings, and Tim Parkkila placed fifth in the state finals. The local Rotary Club has initiated support programs for the local schools including scholarships, aid to handicapped students, exchange students, Rotary Club leadership awards, and assisting in the scoreboard fund drive.

## School Board Denies Grievance

For the second time this spring the Chelsea Board of Education has denied a grievance filed by the Chelsea Education Association, the teachers union.

The board denied the grievance at Monday night's regular meeting.

The grievance was filed on behalf of high school teacher and coach Rahn Rosentreter, who the union said is being denied a part-time job at the high school due to the transfer of a teacher from another Chelsea school.

Union president Janet Rossi said Tuesday that the board voted unanimously against the grievance

but did not give an official reason at the meeting.

Superintendent Ray Van Meer said Tuesday morning that "paramount to the thinking of the board" was that high school principal John Williams had assigned people who had requested changes who had more seniority and were more qualified than Rosentreter.

According to Rossi, the union's executive council is scheduled to meet tonight to decide whether to pursue the grievance in binding arbitration.

Rosentreter, a social studies teacher and two-sport coach, was

given his official lay-off notice in March. The school administration cited declining enrollment in the high school as the reason.

## Public Hearing on Parking Plan Was Major Council Agenda Item

A public hearing was slated last night on a proposal to extend for six years the two-mill assessment for the Downtown Development Authority.

Chelsea Village Council scheduled the hearing last month over concerns that residents within the downtown development district, where the millage is assessed, were not notified of the DDA's intent to ask for the extension.

DDA wants to use the money to create 110 parking spaces downtown at a cost of \$71,550. It would be the group's first major project since its inception.

Council was expected to act on the DDA's request during their regular meeting last night. Based on comments by the village trustees in April, it would be a surprise if the request were to be voted down.

"We need the parking desperately," said DDA Chairman Paul Frisinger recently.

"With new businesses downtown and courthouse juries we'll have another 50 cars downtown almost overnight. It will be that much tougher for the downtown businesses to compete with a mall, where there will be plenty of parking."

The project would be funded primarily by a \$44,000, seven-percent loan from the village. The loan would be paid off by proceeds from the two-mill assessment.

DDA would also use \$27,550 from the village's parking fund.

The project would create 66 long-term spaces behind the Chelsea Fire Department building on W. Middle St. on land owned by Chelsea Milling Co. Another 30 would be constructed on both sides of the Chelsea Railroad Depot, and 11 would be built behind the two Park St. parcels recently purchased for the site of a new village office complex. The remaining spaces

would come from re-striping existing lots.

DDA has also proposed a comprehensive plan to turn much of the free parking downtown into short

term parking. How or if that part of the plan will be implemented also had to be decided.

"We want to get going on the plan this summer," Frisinger said.

**ACCOUNTANTS HONOR ROLL:** Mrs. Beverly Slater, office manager at Palmer Ford-Mercury is shown receiving the "Ford Dealer Accountants' Honor Roll Program Award" for the seventh consecutive year. Shown presenting this prestigious award is Sherman Levitt, Ford Motor Co. Detroit District zone manager. George Palmer commended Mrs. Slater "for her outstanding accounting ability, her attention to detail, and devotion to our company and family. She is a rare individual and we are most fortunate to have her on our staff."

## PROCLAMATION

WHEREAS: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States has been officially recognized and endorsed by governmental leaders since 1922; and

WHEREAS: VFW Buddy Poppies are assembled by disabled veterans, and the proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans, and

WHEREAS: The basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living"; therefore

I, Jerry J. Satterthwaite president of the Village of Chelsea, do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Buddy Poppies on the day set aside for the distribution of these symbols of appreciation for the sacrifices of our honored dead.

I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

Signed: Jerry J. Satterthwaite  
Village President

Attested: Allen L. Anderson
