ONE HUNDRED-EIGHTEENTH YEAR—No. 9

CHELSEA, MICHIGAN, WEDNESDAY, JULY 27, 1988

24 Pages This Week

AN UNLICENSED TEEN-AGE DRIVER lost control of his car, above, and slammed into the back of a parked 1988 pickup truck, below, in the McDonald's parking lot on Monday afternoon. The impact sent the truck over the embankment and into the side of the A&W Restaurant, where an exterior wall of a bathroom was caved in. The driver, a 15-year-old Union City boy, was northbound and attempting to turn east into the parking lot when the accident occurred.

Another parked car belonging to an Onandega woman was also damaged. The truck belonged to Otke Chevrolet/Buick Inc. of Stockbridge. The boy, who didn't have a learner's permit, was cited for driving without a license and careless driving. His father, James Murdock, who was also in the car, was cited for allowing an unlicensed driver to drive.

Lima Township Planners Approve Modification to Subdivision Plans

Lima Township Planning Commission has given its approval for a change in zoning that would allow a 20-home subdivision to be constructed just east of the village.

Harris Homes, Inc. wants to build the homes, ranging from a low of about \$165,000, just east of Harper Dr. between Old US-12 and Trinkle Rd.

The commission, amid a storm of citizen protest, turned down the developers' initial request to rezone 53 acres of land from agricultural to residential use. However, a modified request apparently convinced commission members to change their minds.

The key change, according to commission chairman David Bacon, was that developers decided to make the development less dense. Developers agreed to provide deed restrictions on a portion of the property that would not allow homes on parcels less than two acres. The township has only two

types of residential zoning. Rural residential allows homes on three acres of land and suburban residential allows homes on one acre. The developers want rural residential designation for the northern portion of the property and suburban residential designation for the rest. The deed restrictions will apply to the suburban residential portion of the property.

"I think the reduction in density soothed some ruffled feathers, but certainly not all of them," said Bacon, who has supported the development all along.

"A lot (of residents) don't understand zoning and planning and only get involved in it when it's in their own back yard."

The township board had planned to form an ad hoc committee to study the proposed development, the township's long-range plans, and how the two fit together. However, township officials have since discovered that they can't legally form such a committee because the legal process has already started.

Now the township board is expected to vote on the project by their regular August meeting.

The developers also agreed not to

Drive-Up Mailbox To Be Relocated

Due to construction work at the Chelsea Shopping Center, the drive-up mail collection box will be relocated to a different driveway at the Chelsea State Bank branch office.

The new location will be the driveway near the parking lot.

Eventually the box will be moved into the mail area for the convenience of customers, according to Bill Brenner, superintendent of postal operations.

'Chelsea Fun Daze' Has Bargains, Entertainment This Friday and Saturday

Chelsea Fun Daze, the annual event previously called Sidewalk Days, will be held this Friday and Saturday, July 29-30 in the central business district.

Hours are 8 a.m. to 8:30 p.m. on Friday and 8 a.m. to 5:30 p.m. Saturday.

Chelsea Fun Daze features the Merchants Bargain Bazaar each day, in which downtown business have sale items and other merchandise for sale in outside displays. In addition, most merchants also have special sales going on inside the stores.

In addition, local artisans will have their crafts for sale on the side streets.

On Friday two recent renovation projects will also be open for public walk-throughs.

Chelsea's 14th District Courthouse, which was recently restored and renovated into a full-service courthouse, will be open for tours by courthouse, personnel from 8 a.m. to 6 p.m. Refreshments will also be available.

The project cost \$615,000 to complete and the building now houses the court as well as a Washtenaw County Sheriff's Department substation and holding cell, meeting rooms, judges' quarters, clerk's office area, and a courtroom complete with an open dome. The project was designed to restore the building to its original grandeur. Original wood, marble, and plaster reliefs have been uncovered and repaired.

The Chelsea Railroad Depot, which is still in the process of being restored and renovated, will also be open from 10 a.m. to 6 p.m.

Members of the Chelsea Area Historical Society will be on hand with literature and will answer questions. Chelsea Area Chamber of Commerce will eventually have its office in the building. It will also serve as a Chelsea museum and community meeting center.

Other free exhibits will include "Crime Mobil" of the Washtenaw County Sheriff's Department from 8-4:30 Friday and 11:30-close on

Saturday; cholesterol screening by Chelsea Community Hospital from 8-4:30 Friday and 11:30-close on Saturday; and sight screening by the Chelsea Lions Club from 8-4:30 p.m. Friday and 11:30-close on Saturday.

There will also be a wealth of entertainment.

Uncle Carl's Dulcimer Group will perform from 5-6 p.m. on Friday; Betsy Beckerman will play folk music from 6-8 p.m. on Friday; and "Folks Like Us" will play traditional music on Saturday from 3-4:30 p.m.

Clowns and magic acts will be on hand both days. Craft demonstrations will be held from 6-8 p.m. on Friday and 11:30-7 on Saturday. An antique clothing display may be seen from 6-8 p.m. on Friday.

An antique car parade will be held Saturday at 11:30.

Kiwanis Club of Chelsea will have its Kiwanis Kitchen available for lunch and dinner patrons. Other vendors will have elephant ears, snow cones, popcorn, and drinks available.

Primary Elections Slated Next Tuesday as Voters Face Lengthy Ballot

Voters will go to the polls next Tuesday, Aug. 2 to select party candidates for a long list of offices.

In many cases, however, the primary vote will essentially decide who wins the election as some offices have two candidates in the same party but no candidates in the opposing party. An example is the race for Washtenaw county commissioner in the western part of the county where Republicans David Little and Ellis Pratt are battling it out to see who can run unopposed in the general November election. In fact, there are virtually no Democrats running for any township office in the western part of the county.

A listing of the offices and their candidates follows.

For U.S. senate, Republicans Jim Dunn and Robert Huber seek the opportunity to oppose Donald Riegle.

Voters will decide which Democrat, Dean Baker or Lana Pollack, will face incumbent U.S. representative Carl Pursell.

Republican Margaret O'Connor and Democrat Mary Schroer are running unopposed for state representative in the 52nd district.

Democrat Terrence J. O'Hagan and Republican William F. Delhey are running unopposed for prosecuting attorney and will face each other this November.

Republican county sheriff Ron Schebil will face Democrat Harold Owings in the general elections as each is running unopposed in the primary election.

Democrat Kevin McCormick and Republican Robert Harrison are unopposed in their bids for county clerk.

Democrat Jan BenDor and Republican Michael Stimpson are running unopposed for county treasurer.

The slate for county drain commissioner is crowded as Democrats Bob Hubbard and Janis Bobrin and Republicans Dolores Sigal and Philip

Bondie seek the right to run in November.

Republican county commissioner Martin Straub has no opponent in his party and will have no opponent this fall in the Democratic party.

In non-partisan elections, two candidates will be selected to run in November for the First District Court of Appeals. Among the candidates are Gary E. Gardner, John R. Kirwan, M. John Shamo, Martin T. Maher, Maureen P. Reilly, Patrick J. Conlin, Richard T. Hathaway, Thomas J. Brennan, and Y. Gladys Barsamian.

Running for judge in the 22nd Circuit Court are William F. Ager, John M. Barr, Melinda Morris, Nancy Francis, and R. Bruce Laidlaw.

Dexter township
Supervisor, Republican incumbent James Drolett is unopposed; Democratic clerk William Eisenbeiser is unopposed; Republican treasurer Julie Knight is unopposed; Republican trustees Earl Doletsky and H. Douglas Smith are unopposed; and Republican constable Robert Burns is unopposed.

Freedom township
Supervisor, Republicans Eugene Mann and Robert Little; clerk, Republican Julie Schaible is unopposed; treasurer, Walter Hieber is unopposed; trustee, Republicans Dale E. Weidmayer, Ronald D. Davis, and William Uphaus (two are elected); constable, Republicans Loren Blumenauer and Stephen Carson.

Lima township
Supervisor, Republican Leila Bauer is unopposed; clerk, Republican Arlene Bareis is unopposed; treasurer, Republican Betty Messman is unopposed; trustee, Republicans Charles Trinkle and Robert Heller are unopposed; constable, Republican Glen Wiseman is unopposed.

Lyndon township
Supervisor, Republican John Francis is unopposed; clerk, Republican Linda Wade is unopposed; treasurer, Republican Janis Knieper is unopposed; trustee, Republicans Brenda Russell and L. Duane Noah are unopposed; constable, Republicans Kathryn Sprawka and Paul Wade are unopposed.

Selo township
Supervisor, Republican Richard DeLong is unopposed; clerk, Republican Gay F. Korschuh is unopposed; treasurer, Republican Donna (Continued on page four)

4 Years Ago . . .

Wednesday, July 25, 1984—

Jack Merkel, former Village President, recalled his years as president in an interview with Standard reporter Bill Mullendore. The interview covered Merkel's reasons for not running for another term, the parking fine incident, Consumers Power's future, Chelsea's industrial park, re-routing of M-52, future development in Chelsea, and the Sesquicentennial celebration.

Sam Vogel has resigned as assistant principal of Chelsea High school, effective July 20, to become the owner-operator of a drapery business in Jackson.

Work has begun in Chelsea's industrial park on 70 acres south of Sibley Rd. E. W. Garlick Construction Co. of Ann Arbor moved in men and machines last week to start construction of streets and water and sewer lines. Consumers Power Co. installed poles for electricity.

Dr. Fritz Wagner, formerly of Chelsea, has been appointed to the New Orleans City Planning Commission for a nine-year term.

Fire destroyed a home and contents at 2690 McKinley Rd. north of Chelsea early Sunday morning. Cause of the blaze was undetermined. The loss to owner Walter Jarvis, was estimated at \$70,000.

Mrs. Marcelene Cox, columnist and staff writer for Ladies Home Journal for 22 years, is currently living in the area on South Lake Rd. in a cottage. Mrs. Cox is working on a book based on a short story ("Tramp Printer") that has been interrupted repeatedly, she asserted, by television coverage of Watergate. Her Ladies Home Journal column is called "Ask Any Woman."

Chelsea High school tennis player Debbie Bertke displayed a trophy she received for winning the upper division tournament at Ramey Tennis School in Gainesville, O.

A 1913 steam engine starred in this year's annual old-time wheat harvest day on Don Irwin's farm at Sharon

Hollow and Grass Lake Rds. Mel and Jan Fox own the steam engine.

24 Years Ago . . .

Thursday, July 23, 1964—

The peak of the 1964 wheat harvest here was reached the past week-end, but the customary long lines of trucks waiting to unload were not in evidence as in former years. Many farmers in this area who did not sign up under the 1964 Wheat Diversion program, in common with many farmers of the entire county and state, are holding their wheat, apparently following a "wait and see" policy in hopes that the price will reach a higher level than the present quotation—\$1.32 for No. 1 wheat.

Dick "Mr. Michigan" Garza, and Pancho Lopez, were two of the wrestlers who appeared in the Midget Wrestlers show at the high school gymnasium, sponsored by Chelsea's police and fire departments.

From "Just Reminiscing" column—

July 27, 1950—Work is now in progress on reinforcing the foundations of the high school building on Harrison St. to meet requirements of the state fire marshal's office to permit continued use of the building at a cost of \$12,800.

July 27, 1916—Four trainloads of horses, enroute to the war zone in Europe, passed through Chelsea. There were three trains of 15 cars each and one of 50 cars, each carrying approximately 20 horses.

A new organization known as the Washtenaw County Agricultural Council was formed to help farmers to become better acquainted with their farm organizations and for the farm organizations, in turn, to better help the farmers. Members were: Frank Gendron, Donald Johnson, Andrew Campbell, Robert Hall, Plummer Sawyer, Patrick J. O'Malley, Donald Mauer, Lon Sherman, Olin Warty, Ray Pfeifer, all agents representing 4-H, conservation, agriculture, and farm financing associations.

MICHIGAN MIRROR

By Warren M. Hoyt, Secretary, Michigan Press Association

State Should Prepare for Drought Disaster

State Department of Agriculture Director Paul Kindinger said recently the state's agriculture industry has suffered some \$6 million in damage due to this year's drought, and since long-range weather forecasts do not look promising for rain, the state should prepare for an agriculture disaster.

Currently, Michigan's drought situation is being monitored, but as yet, has not met federal disaster requirements.

However, federal officials meeting with Governor James Blanchard, Kindinger and farm representatives said because 30 states have been affected by the weather, they would have more clout in getting federal aid, once Michigan qualifies.

Michigan Farm Bureau President Jack Laurie presented a plan designed to ease the impact of the drought, including support for legislation that will extend the low interest loans for those already in the state's agriculture loan program.

Also suggested by Laurie was helping livestock producers locate new sources of roughage, such as sugar beet pulp and potato by-products.

On the federal level, Laurie suggested excusing wheat and feedgrain producers from repayment of advance deficiency payments, including any drought legislation, the consideration of the special factors involved with losses of perennial crops such as apples, cherries, plums and asparagus, and making sure minor production losses in one enterprise do not disqualify a producer from being eligible for help in another area that experienced a major loss.

New State Department Proposed In response to Supreme Court Chief

Justice Dorothy Comstock Riley, Sens. Jack Welborn (R-Kalamazoo) and Chris Dingell (D-Trenton) introduced a 19-bill package that would create a 20th state department of Children and Youth Services.

Riley cited a need for better children's services in her State of the Judiciary address in April.

The package would co-ordinate all children's services, now spread throughout various state departments, under one department.

Michigan has 19 state departments and is constitutionally limited to 20.

Welborn and Dingell said the new department would not create new bureaucracy because it will reduce the size of other departments by consolidating these services into one area.

"Currently the services for young people are housed in many of the other areas — from mental health, social services, education to probate court," Welborn said.

The new department would be charged with developing policies and providing services to: prevent family disintegration, protect children and youth in danger of abuse or neglect, treat troubled or emotionally disturbed children and youth, provide services for children and youth involved with the juvenile justice system, identify the children and youth to be served and their needs, and identify which services are required to meet the needs of children and youth.

"The scattering of services all over state government makes impossible any effective action against the increasingly serious problems of youth crime, delinquency and abuse," Dingell said.

The bills were referred to the Senate Criminal Justice, Urban Affairs and Economic Development

Committee, which is chaired by Welborn.

He said the committee will hold hearings on the package throughout the summer and into the fall.

Mailbox Smashed, Trash Strewn Friday Morning

A Chestnut Dr. woman told Chelsea police that someone smashed her mailbox and threw trash on her driveway during the early morning of Friday, July 22.

The trash, it was discovered, came from a nearby residence. Police are investigating.

Mr. and Mrs. Keith Allen Largin

Maureen Terese Crawford, Keith Allen Largin Are Wed

Maureen Terese Crawford and
Keith Allen Largin repeated their
nuptial vows before the Rev. Father
Tim Crowley at a 6 p.m. ceremony in
St. Thomas Catholic church, Ann Ar-
bor, Friday, May 20.

Parents of the bride are Robert and
Maureen Burskey of Lima Center
Rd., and the bridegroom is the son of
Veny and Carol Largin of Saline.

For her wedding, the bride chose a
white satin gown, accented with
pearls and sequins, and fashioned
with vignon neckline, drop-waist and
a sheer netted back with tiny satin
buttons.

Her veil fell from a headband de-
corated with rhinestones and pearls to
a full train.

Ms. Anna Crawford of Ann Arbor
served as her sister's honor attend-
ant, and the matron of honor was Mrs.
Judy Killewald of Brighton.

The bridesmaids included the
bride's sisters, Mrs. Sally Lucas of
Fletcher Rd. and Theresa Burskey of
Lima Center Rd., in addition to
Kimberly Krieter of Muskegon, Mrs.
Rene Schafer, Tecumseh, Mrs. Stacey
Doty of South Bend, Ind., and the
bridegroom's sister, Debra Largin of
Saline.

Rosemary Burskey, the bride's sis-
ter, was the junior bridesmaid, and
Anna "Murphy" Crane-Crawford,
niece of the bride, strewed red and
white rose petals from her flower-girl
basket.

The flower girl and junior brides-
maid wore tea-length dresses of white
satin.

Other bridal attendants were gown-
ed in tea-length cocktail dresses,
featuring spaghetti straps and
rhinestones.

They carried red roses arranged
with silver ribbon and baby's breath.

The bride's mother chose a tea-
length gown of pink and black satin,
with diamond accessories, and Mrs.
Largin chose a powder puff blue and

silver dress for her son's wedding.

The bridegroom asked Stephen
O'Keefe of Saline to serve as his best
man, and groomsmen included the
bride's brother, Don Crawford of Dex-
ter; Terry Lucas of S. Fletcher Rd.,
the bride's brother-in-law; the
bridegroom's brothers, Kenny and
Kevin Largin of Saline; James Stark
and Chris Rogers, both of Ann Arbor,
and David Killewald, Brighton.

The guests were seated by Monty
Adams of Derry, N. H., and Terry
Bertram, Ann Arbor.

A reception honoring the newly-
married couple was held for approx-
imately 180 guests at the Ann Arbor
Inn.

The Rev. Carla Schwarze, friend of
the bride's family, gave the blessing
before the wedding supper.

The couple took a 10-day California
trip before settling at their Ann Arbor
home, on Partridge Path.

The bride was graduated from Chel-
sea High in 1980 and from Eastern
Michigan University, where she earned
a bachelor's degree with a major in
speech communication. She is cur-
rently a patient service co-ordinator
at Foster Medical Care, Ann Arbor.

Her husband was graduated in 1985
from Saline High, attended Eastern
Michigan University, and is first
assistant manager at Fox Jewelers,
Briarwood Mall.

TEVYE (MARTY ROSS) talks to God as his wife Goldie (Gail Betts-Trader) listens, and the radical student, Perchik (Kevin Wright), is an innocent bystander in "Fiddler on the Roof" at Domino's Farms Summer Theatre in Ann Arbor.

'Fiddler on the Roof' Delights Audience at Domino's Theatre

By Russ Ogden

Free Lance Drama Critic

Emotional traumas are the rule in "Fiddler on the Roof" when Tevye refuses to change his traditions for his third daughter in this heart rending drama!

Fiddler's dramatic and musical success on stage whirled around Tevye, "the poppa of the family." No better shoulders could be found than those of Marty Ross who IS Tevye in this musically gripping mini-production currently featured through July 31 in the Domino Farms Convention Center.

Especially striking about the Pritchard Production is the ensemble work of the excellent performances by the singing and dancing ensemble, a pleasant and rare treat in today's musical world. The pathos expressed in this intimate theatre (250 maximum seating) causes reverberations from the audience by vocal reaction; teary-eyed weeping, silently, by the actors and the audience, and extreme happiness with a post-performance greeting by Marty Ross at the egress, following the production.

FIDDLER is the story of Tevye and his family of Jewish people in a town called Anatevka. As with all religious faiths, Tevye's family has been controlled by explainable and unexplainable traditions throughout their lives. Tevye is faced with the breaking of tradition three times by the three oldest of his five daughters. The emotional reaction of neighbors in the village, and the enemies also in Anatevka, form over three hours of never-ending excitement.

"Fiddler on the Roof" would have to

be treated very shabbily not to fly on its own. Sheldon Harnick's lyrics and Jerry Bock's music adapted by Joseph Stein from the Sholom Aleichem stories presents us with the utmost in supreme musical theatre.

"Fiddler" is an ageless story of family conflicts in ever-changing times.

Although carved from Jewish tradition, it will last well past the year 2000, perhaps forever.

Steeped in Jewish tradition, Tevye is confronted by his marriageable daughters who wish to break the "tradition rules," the mores of the family, by choosing their lifetime partners. Tevye bends for two, but with Chava who wishes to marry a Russian Catholic, Tevye cannot and does not bend again.

Having Marty Ross here as Tevye for this summer production is indeed a Godsend!

Also outstanding in developing the role of the shy tailor into adult manhood is Paul Russell. His sensitivity in his portrayal of his love for Tzeitel (Kathy Dunn) is a joy to observe. His "Miracle of Miracles" musical number is a special rejuvenation of youth in not-the-best of times.

Outstanding musical numbers must include the "Sabbath Prayer," "Sunrise, Sunset," "Matchmaker," and "Anatevka" amongst many other numbers all done extremely well both in ensemble dance and singing.

Three off-stage non-performers must be applauded for their efforts. Scenic designer Gregory Checketts' chalk design of the village of Anatevka featured as backdrop curtain is superb, adding much to the locale of

the setting. Musical director Kimbercherie Lloyd's musical direction along with a two-piece violin and string bass was impeccable.

The movement of people and the interaction of groups has been accomplished by the deft direction of Paul Gregory Nelson.

Gail Betts-Trader's beautiful voice is again heard as Goldie. However, Trader's effectiveness would be more enhanced by the removal of diamond earrings, a diamond ring, and gold bracelet on an impoverished arm.

Washtenaw residents in the current Pritchard Production include Suzanne Ogden (Chava) and Kevin Wright (Perchik).

"Fiddler on the Roof" continues this week at Domino's Farms in Ann Arbor with Wednesday, Thursday and Sunday matinees, and evening performances Wednesday through Sunday.

The final curtain is Sunday, July 31, after the evening performance. Further information may be obtained by dialing 313-930-PLAY.

Parade Units Still Sought by Jaycees

Dexter Jaycees are still seeking parade units for the Dexter Daze-88 Parade, which begins at 10 a.m. Saturday, Aug. 13.

Co-chairing the parade event, Dave Amsdill and Bob Johnson invite any club, church or other organization which is interested in joining the parade to contact them, as soon as possible.

The pair explained they are particularly interested in a few more "zany" parade units, and in any musical entries.

Parade staging will begin about 9:15-9:30 a.m., Saturday, location to be announced.

It is natural for us to look forward to the achievement of all our goals so that we can blissfully settle down in total contentment. However, it is just possible that we might actually become a little tired of absolute contentment. We might possibly miss the challenge of adventure and change which is part of a more normal existence.

TWO RECENT GRADUATES of Chelsea High school have enlisted for active duty in the U.S. Navy. The boys also happen to be neighbors. Cory Johnson, above, son of Gary and Darlene Johnson, 542 Oakdale Dr., enlisted on July 20. He is stationed at the Naval Recruit Training Command Center in Orlando, Fla. Cory is in the nuclear power training program and is specializing as a nuclear electronics technician. Rob Lyerla, son of James and Kitty Lyerla, 551 Oakdale Dr., enlisted on July 25. He is stationed at the Naval Recruit Training Command Center in Chicago. After completing basic training, Rob plans to attend specialized training to become a certified machinists mate. Both boys entered in the deferred entry program in 1987.

Railroad Tracks Will Be Improved
Nearly 200 miles of state-owned railroad track are being rehabilitated this summer.

In addition to track upgrading, MDOT is participating in improvements to railroad freight facilities for industrial and agricultural expansion.

Track improvement projects include new ties and rail where needed, road crossing and signal improvements, and ditches.

MDOT is spending more than \$11.3 million on improvements on the old Ann Arbor line. These improvements include 18.6 miles from Marion to Cadillac, 21.2 miles from Cadillac to Yuma, and 27.2 miles from Howell to Ann Arbor. These segments are operated by the Tuscola and Saginaw Bay Railway Co.

Letters to the Editor

Dear Editor:

Your last page on this week's paper (July 20) had a very strange cartoon. I have always enjoyed these and have generally counted them as informative. This one, however, was quite a joke. Apparently, someone at The Standard failed to do his/her homework. Either that, or they were reading an old science-fiction novel from the attic.

The latest hard scientific data points to a young earth, only several thousand years old. For example, if the earth, and its moon, were to be millions or billions of years old, the layer of dust on the moon would have to be several feet thick, because of the fact that the lack of atmosphere on the moon allows all particles to settle on the surface of the planet, forming a layer of dust. That rate of dust formation is very predictable. The first moon walk proved that the layer of dust was only a few inches thick; a discovery that upset many evolutionists.

The only reason we are told that the earth is billions of years old, is that it gives the evolutionists a little more credibility. They told us several years ago that the earth was millions of years old. When that proved to be ridiculous, they upped it to billions of years.

There is much more hard data that I could present, but I believe you get the point.

The reason I say hard data, is that many use subjective theories to back up their scientific "facts." Evolution is one such "fact" some ignorant people have adopted.

I strongly object to your using this space to publish such science fiction information, when the space was previously used to provide interesting factual data.

I would be glad to provide you with resources that would tell the rest of the story.

Kenneth Barner.

To the Editor,

I want to compliment once more the good people of Chelsea for their thoughtful acts.

Inadvertently, upon picking up the mail at the Post Office, I dropped two postcards we had received, one from Russia and one from France. Some kind person picked them up, returned them to the Post Office, and they were in the box again the next day. The cards were most meaningful because they had been sent by a former student, whom I had in school almost 20 years ago.

I wish to thank not only the postal employees for a "repeat" job, but the unknown kind person who took the time and effort to pick up the cards and return them to the Post Office.

Lorraine Sheppard.

Fair Board Installs New Bleachers

New bleachers were installed at the July 21 meeting of the Chelsea Community Fair Board.

The other main order of business was a discussion by assistant village manager Lee Fahrner and village president Jerry Satterthwaite for a sewer to be constructed across the fairgrounds. The path of the sewer and easement considerations were discussed.

A new refrigerator will be purchased. The board will meet weekly beginning Aug. 4 until the fair.

Present at the meeting were Bill Stoffer, president, Lloyd Grau, executive vice-president, Maryann Guenther, secretary, Mark Staphis, treasurer, and directors Archie Bradbury, Duane Bycraft, Harold Gross, Earl Heller, Jerry Heydlauff, John Klink, Dan Koenigter, Charles Koenn, Jeff Layher, Reuben Lesser, Jr., Ken McCalla, Harold Trinkle, and reporter John Wellnitz.

Dear Editor

I am an eighth grade student at Beach Middle school. We are studying some problems in our environment in my science class.

Chelsea has a problem with solid wastes. We do have a landfill, but it will soon have no more room for more waste. There has not been a piece of land classified as to be set aside for a new landfill. What will Chelsea do? Where will the waste go?

That is what I'm writing about. I'm asking people to support the "Recycle Chelsea" project. The project is designed so that a recycle center can be placed somewhere to recycle waste to make it useable again. That will eliminate much of the garbage taken to landfills, so consequently, landfills will not be used up as quickly.

So, please, take your newspapers, glass and tin to a recycle center, or just help pass out flyers for people to notice what is happening. Thank you.

Tara Jagodowski.

DAILY USE OF FLUORIDE MOUTH RINSE HAS MANY BENEFITS

Q: I see several fluoride mouth rinses on the market. Is one better than another and how often should they be used?

A: The use of fluoride mouth rinses can help reduce a significant amount of tooth decay problems. Topical fluoride—that is fluoride applied to the outer surface of a tooth—not only hardens enamel making it more resistant to decay but it also tends to inhibit certain bacteria in dental plaque. These "inhibited" bacteria don't produce as much of the acid by products that cause cavities.

To get the full benefit of a fluoride mouth rinse it is important to use it on a regular basis. Recent research has shown that fluoride appears to be "stored" within the mouth following topical applications. With daily use of a fluoride mouth rinse both salivary and plaque fluoride levels increased to an equilibrium in two weeks in the patients studied. A decrease to baseline concentrations occurred two to three weeks after rinsing was stopped.

Fluoride provides its greatest protection against dental decay when it is incorporated into the teeth while they are developing in the jaw. This "systemic" fluoride is provided by fluoride supplements in vitamins or in the drinking water. When using fluoride mouth rinses, though, you should avoid swallowing the rinse since this may result in unsightly discolorations in developing teeth.

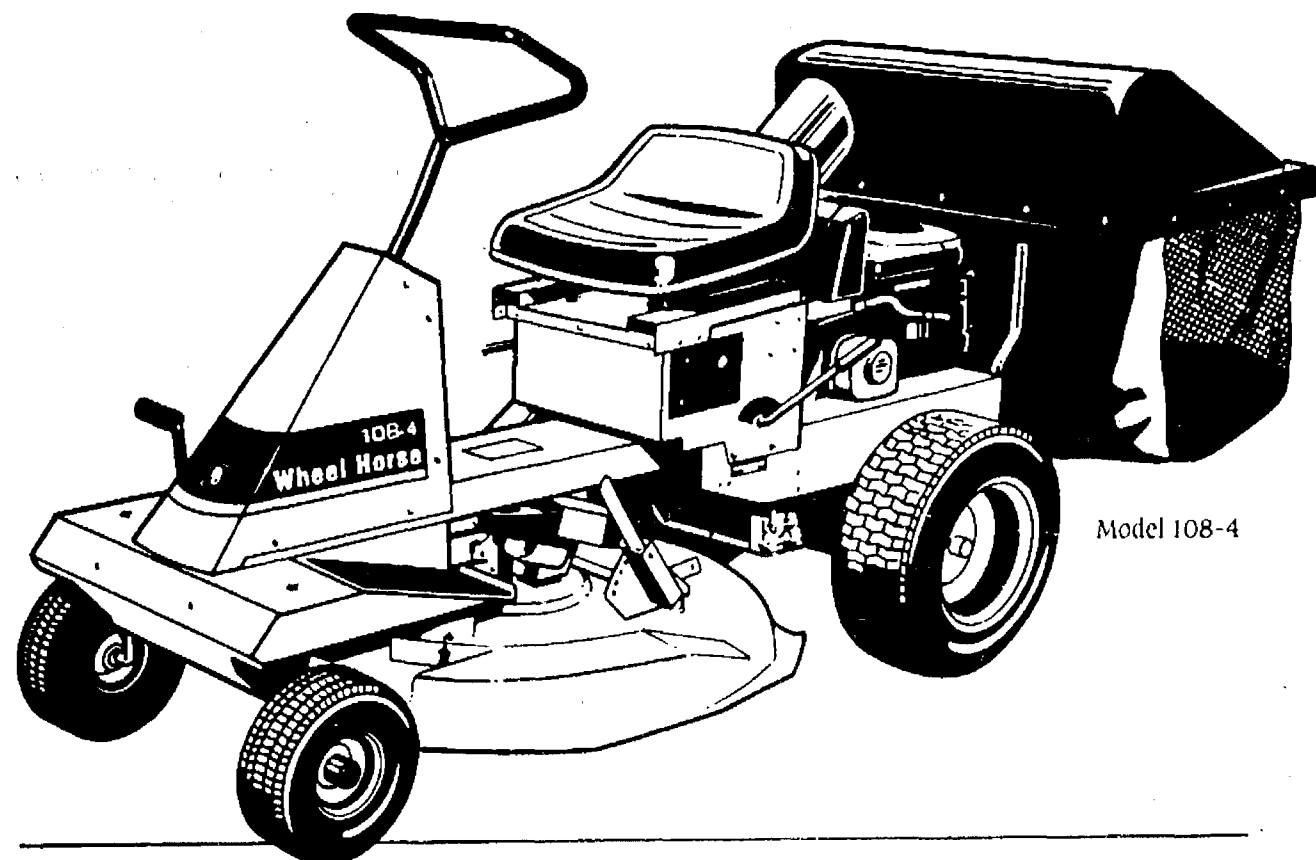

When choosing a fluoride mouthrinse look for one that has the seal of approval from the American Dental Association.

DEXTER LOCKERS 8063 MAIN ST., DEXTER PH. 426-2352

Dear Customer:

Due to circumstances beyond our control, we are unable to continue our frozen locker service.

Our large compressor has been rendered unserviceable and the cost of replacement cannot be justified. We are now operating with only a small evaporator unit and are only able to maintain 15 to 20 degrees and are unable to guarantee the locker contents.

The freezer unit will be kept open for your convenience until September 15, 1988. Any prepaid funds will be reimbursed when locker contents are removed.

We are sorry for this inconvenience.

Thank you.

School Board Notes

At a regular meeting of the Chelsea Board of Education Monday, July 18 were Comeau, Redding, Satterthwaite, assistant superintendent Mills, principal Williams, assistant principal Larson, community education director Rogers, special education director DeYoung, athletic director Reed, curriculum director Bissell, guests.

Superintendent Piasecki reported that he has scheduled a tentative date (Aug. 3, 7-10 p.m.) to have Alma Schools Superintendent McKinstry conduct a model-for-school-improvement workshop. This item is a 1988-89 board goal.

Piasecki updated the board on the status of negotiations with the bus drivers.

Prior to the meeting a Truth-in-Taxation hearing was held. President Comeau asked for questions or comments from the audience. Assistant superintendent Fred Mills explained that the Truth-in-Taxation hearing involves the growth in SEV in the district in excess of that allowed by the Headlee Amendment. There will be a net reduction in millage in the district of 1.144 mills. The district has authorized 38.52 mills for operating expenses, and the Headlee Amendment will allow the district to levy only 37.3760. To override the Amendment, an election would have to be held.

The board accepted, with regret, the resignation of Thomas Halfacer, high school math teacher, effective July 7, 1988. Tom has resigned to pursue his interests in the field of computers.

The board approved a contract for Debra Butler, effective Aug. 29, 1988, through June 8, 1989. Debra will replace Connie Marshall, French/Spanish teacher at Beach school.

The board approved a job description for the position of Pool Manager/CAC coach.

The board approved the minutes of the July 5 meeting.

Entered as official communications were: (1) letter of resignation from Tom Halfacer, high school math teacher, (2) notification from the Sheriff's Department of termination of the lease of space at the bus garage.

Dr. DeYoung introduced Sally Rendell, who will be a classroom teacher at Beach school for the emotionally impaired children. He reported on her training and experience, and expressed enthusiasm about having her on the Chelsea staff.

Community education director Rogers reported on the status of the possible move of the Senior Citizens group to the Faith in Action building on the hospital grounds.

Principal John Williams reported that a security system will be installed in the high school library. The Student Council will provide two-thirds of the cost of the system. Also, a Desktop Publishing System, which will save the yearbook operation about \$1,500 per year, will be purchased.

Meeting adjourned at 8:40 p.m.

4-H Youth Show Open at Farm Council Grounds

This is the week the 4-H youth will show the many talents and projects on which they have worked for months.

At the Washtenaw Farm Council Grounds, 5550 Saline-Ann Arbor Rd., Saline, the block house will be the center of dozens of judging activities and displays set up for viewing by the public, Tuesday through Friday, July 26-29.

Tuesday, July 26, was the official opening day for the 1988 Washtenaw 4-H Youth Show, which this year has adopted "Stairway to the Future" as its theme.

Boys and girls displayed their arts, crafts and collections in the main building at the Farm Council Grounds, grouped under the various 4-H clubs, and judging for those entries took place throughout the day on Monday, July 25.

Visitors to the 1988 Washtenaw 4-H Youth Show will be able to see the awards presented individual young people, as well as club awards.

Tuesday, July 26, the Dog Show was scheduled for two hours, beginning at 10 a.m.

The 1988 4-H King and Queen were selected from several very qualified candidates, Tuesday, July 27, at 7:30 p.m.

Always a fun event, youngsters entered the ring with their animals for the "Animal Decorator Contest" at 9 p.m. Tuesday.

There will be many interesting Horse Shows, scheduled at 8 a.m. daily, Tuesday-Friday.

Livestock shows will also be held, Tuesday through Friday.

Club exhibits and displays will remain in the block house through Friday, July 29, so family and friends of the young people may have a chance to admire their accomplishments.

Gates open at 8 a.m. each of the four days, and close at 10 p.m.

Admission is free, and it's a wonderful place for the entire family to visit.

The pride with which Washtenaw county 4-H-ers display their work and their skills is very much in evidence at the annual 4-H Youth Show, which draws entries from youngsters of all ages.

The Awards Presentation program will be held 4:30-5:30 p.m. Wednesday, July 27.

At 5 p.m. on Wednesday, the Handicapper Riding Demonstration is scheduled.

Thursday, July 28, the crowd will gather under the canvas in the show ring for the annual "Livestock Auction," at which exceptional interest is generated, each year.

Refreshments will be served the auction buyers during and after the event.

Starting time for the "Livestock Auction" is 7:30 p.m., with dozens of youngsters showing their animals, and dozens of buyers on hand to show their continued support for the 4-H program.

At 10 a.m. Friday, July 29, the show's 1988 Tractor Contest will begin.

The Rooster Crowing Contest takes place at 12 noon, Friday.

At 7:30 p.m. Friday, the Sweep-

stakes Showmanship is scheduled, with each young person taking a turn in the show ring, accompanied by the animal(s) he/she raised.

Sweepstakes Showmanship is always a very satisfying experience for the audience, and on occasion, a bit lively as well.

Sometimes, the animals decide they have behaved very gracefully for a long time—and it's time to show a little spirit or a new little wave of personality as they make their debut in the ring.

There need be no hungry patrons, as the food concession will be selling sandwiches, cold drinks, coffee and ice cream, in addition to candy and gum, inside the building and at the outside concession window, as well, throughout the four-day event.

Take advantage of the marvelous opportunity, July 26-29, to view one of the exceptional prides of Washtenaw county, the annual 4-H Youth Show, indeed a "Stairway to the Future."

The first permanent workers organization began in 1792 with the Philadelphia cordwainers. The group lasted less than a year but reappeared in 1794, existing until 1806, according to "Labor Firsts in America," a U.S. Labor Department publication.

HOUSEHOLD HAZARDOUS WASTE COLLECTIONS

are being held on a regular basis and are free to area residents. Free your home of unwanted pesticides and other chemicals. To schedule an appointment or for more info, call the Washtenaw County Environmental Services Bureau at 994-2457 or 994-2492, M-F 8:30-5:00

Summer Baseball Team Wins Two Out of Three

Chelsea Bulldog summer baseball team won two of three games last week. They lost to Saline, 10-0, on Tuesday, July 19, but followed that the same day with a 9-2 win over Fox Marathon. On Thursday, July 21 the Dogs topped Abate Auto 10-9.

Saline 10, Chelsea 0

Saline sent 11 batters to the plate in the first inning and scored six times to take the early lead.

"For all intents and purposes, the game was decided then," said Chelsea coach Akel Marshall.

"We could get nothing going. It was a game you'd like to forget."

Chelsea had two hits for the game—singles by Tucker Steele and Jude Quilter.

Matt Forner pitched for Chelsea and was relieved by Tom Mesnard.

Chelsea 9, Fox Marathon 2

The Bulldogs sent 10 boys to the plate in the third inning and scored six runs to break the game open.

Although Chelsea had just five hits for the game, Fox pitchers yielded nine walks.

Leading the Chelsea hitting attack were Mark Larson, who tripled, Doug Wingrove and Jeff Prentice, who doubled, and Forner and Mike Kushmaul, who singled.

"Even though Fox outlit us, we made the most of our hits and hit the ball with runners on base," Marshall said.

Wingrove won his third game of the summer as he struck out eight, walked five and surrendered six hits. He had a shutout going with two outs in the seventh but poor defense allowed two unearned runs.

"We faced a tough pitcher who threw hard," Marshall said.

"But we did what we had to to win. We had a couple of key hits, stole a few bases, bunted a little bit, and were able to push a few runs across. David Adams played a good game at catcher as he shot down their running game by throwing out two base stealers. They quit trying after that. He also laid down a great suicide squeeze bunt which was a key play in the game."

Chelsea 10, Abate Auto 9

The Bulldogs scored four runs in the bottom of the seventh inning to take the one-run victory.

Adams singled home the winning runs.

"It wasn't a very well played game," Marshall said.

"But we'll take it, that's for sure. The pace was too slow but I give the team credit. They kept fighting back and finally won."

Although 19 runs were scored, the teams totaled 12 hits between them.

There were also 17 walks and nine errors.

Chelsea played catch-up the entire game. The Dogs were behind 3-2 in the second, tied it in the third, fell behind 6-5 in the fourth, and 9-6 going into the last inning.

Chelsea collected six singles for the game by Quilter, Forner, Prentice,

Larson, Adams, and Kushmaul. Abate also walked nine batters.

Craig Ferry pitched the first four innings for Chelsea and Rob Clem finished the game.

Chelsea has a 4-7 record during week-day play and 1-6 mark in week-end play.

CHELSEA BULLDOG TRACK CLUB participated in the Hershey State Finals Track Meet in Howell on Friday, July 15. In front are Chrissy Hodgson, left, and Nicole Fite. In the second row, from left, are Terri Hall, Danielle Longe, and Melissa Hand. In the third row, from left, are Sam Morseau, Zac Eresten, Leif Mangelsen, and Ryan Guenther. Not pictured are Beth Bell, Carey Schiller, Erin Garrigus, Callie Garrigus, Anne Frederick, Mark Milazzo, Laura Hodgson, Kasie Ruhlig, and Eric Freitas.

Bulldog Track Club Members Compete at State Meet

Twenty-three members of the Chelsea Bulldog Track Club participated in the Hershey State Finals Meet in Howell on Friday, July 15.

A number of the members earned

ribbons for their performances.

Zac Eresten took third place in the 9-10 400-meter run.

Melissa Hand was eighth in the 11-12 400-meter run.

Anne Frederick placed fourth in the 9-10 softball throw.

The girls 9-10 relay team of Nicole Fite, Danielle Longe, Anne Frederick, and Chrissy Hodgson placed second in the 400-meter relay.

The boys 9-10 relay team of Leif Mangelsen, Sam Morseau, Ryan Guenther, and Zac Eresten placed eighth in the 400-meter relay.

There were more than 1,400 participants from around the state.

The club is coached by Ted Wilson with assistance from Brian Zangara. Practices are 9-10:30 a.m. on Monday and Friday, and 6:30-8 p.m. on Wednesday. Anyone eight or older is welcome to attend.

Inverness Holds Two Tournaments

Two tournaments for men were recently held at Inverness Golf Course.

On June 26 the course held a Senior Tournament. Tom Weston took the under 60 championship and Duane Ford took the 60-and-over championship. Weston also had a hole in one on the 155-yard hole five. He used a seven iron.

The Men's Club Championship was completed July 17. Tom Roth won the championship flight, Bernie Brier won the first flight, and Frank Grohs won the second flight.

CHAMPIONS of the Chelsea Recreation Women's Softball League this year are 3-D Sales and Service. The team features several former Chelsea High school softball players. The team finished undefeated. In the front, from left, are Jennifer Guenther, Anne Weber, Karen Weber,

Shelly Weber, and Patti Hume. Standing, from left, are Karen Tobin, Beth Unterbrink, Joann Tobin, Nancy Fritzmeier, Laura Anderson, Mary Pierson, and coach Ken Keiser.

HAWKS of the Farm League recently completed their season. Kneeling, from left, are Jason Potter, Ben Muha, Scott Kiel, and Erin Schell. Boys standing, from left, are Patrick Austin, Scott Hammett, Lance Ching, Adam Er-

skine, and Jacob Bittle. Coaches are Paul Ching, left, and Jim Austin. Not pictured are Nathan Howard, Tom Holdsworth, Tim Stecker, and Steve Lyerla.

Judge Henry T. Conlin supports Melinda Morris for Circuit Judge.

"When I knew I was going to retire from the Circuit Court bench, I spoke to Melinda Morris about running to succeed me. I believed then, as I do now, that Melinda Morris has the integrity, ability and commitment to be an outstanding Judge. Our colleagues in the Washtenaw County Bar Association agree — they rated Melinda Morris the highest of the four candidates in a recent survey. I urge you to vote on August 2nd for Melinda Morris for Circuit Court Judge."

—Circuit Judge Henry T. Conlin

Chelsea Community Fair Queen Candidates

Two of Eight Who Will Seek The Crown

JENNIFER BENNETT, 17, is entering the contest for the second time. She'll be sponsored by Terrific Tailors 4-H Club. She's the daughter of Harold and Phyllis Bennett, 1105 N. Lima Center Rd., and will be a senior at Chelsea High school. At school she is a varsity cheerleader, is on the forensics team, sings in The Contemporaries, and is in the Key Club. She has also participated in three musical plays. Jennifer has won 4-H sewing awards and modeling awards. She has also been honored for her singing. At school she has won awards for her forensics team work. At the fair Jennifer has been involved in crafts, sewing, and baked goods competitions. Her hobbies include singing, dancing, sewing, and music. Her court will be the Terrific Tailors 4-H Club. Other members of her family include Beverly Talbot, Dennis Bennett, Bruce Bennett, Teresa Usher, and Michele Minix.

ANN WEINER, 17, is being sponsored by the Chelsea High school Key Club in her bid to become fair queen. She'll be a senior this fall. She is the daughter of Ray and Jan Weiner, 7327 Lingane Rd., and sister of Ray, 11. Ann's school activities have included the National Honor Society, marching band and wind ensemble, forensics team, and the school's musical plays. Through her work in the Key Club and honor society she has been able to help special education students. She has also worked with the National Honor Society Blood Drive and teaches Sunday school. Ann has won the CHS "Thanks For Being You Award," and other awards for her work with the Solo and Ensemble Festival, forensics team, and cheerleading. She is a member of the "B" honor roll. Her fair activities have included marching in the fair parade, parking lot monitoring with the cheerleaders, and booth work. Ann's hobbies include cross stitch, playing the flute, reading, singing, and listening to music. Her court will include Stacy McDaniels, Stacey Antilla, and Tammy Browning.

Hospital Food Service Director Receives Honor

Ronald P. Yonkoski, M.S., DHCFA, director of dietary services, Chelsea Community Hospital has achieved the Distinguished Level in the American Society for Hospital Food Service Administrators' Professional Recognition Program.
The primary objective of the Professional Recognition Program is to promote the education of society members and provide recognition by ASHFSA membership. The program is designed with three levels, each requiring attainment of established goals in education, experience, and contributions to the field of health care food service administration. The ultimate outcome of the ASHFSA Professional Recognition Program is to benefit the society member, the health care community, and the health care food service profession.
Yonkoski has fulfilled the requirements of the Distinguished Level and is entitled to use the acronym, DHCFA (Distinguished Health Care Foodservice Administrator), after his name. The Distinguished Level is the second of three levels of recognition in the program and requires significant effort to achieve the established goals for continuing education, experience and level in 1986, and continued pursuing his recognition goal by attaining the Distinguished level.

Card of Thanks 19

THANK YOU

We would like to thank all our friends and relatives for their visits, flowers and memorials during our loss. Special thanks to the Rev. Wimmer for his comforting words. To Mr. and Mrs. Mitchell for all their help and to the Ladies of the St. John's church who served lunch; also to Douglas and Irene Kennedy for all they have done for us. It was all very much appreciated.

Rains Too Late To Help Some Crops

The nation's corn growers will harvest about 4.5 billion bushels of corn in 1988—if adequate moisture occurs during the remainder of the growing season, according to Michigan Farm Bureau commodity specialist Kevin Kirk.

"However, if rainfall continues to be scarce in the Corn Belt over the next two weeks, estimated production will fall below four billion bushels, a 43% reduction compared to normal," Kirk said. "While rains have helped stabilize the situation, they can't undo the damage already done to the corn crop."

Here in Michigan, 50% of the corn crop has been lost, Kirk said.

"Soybean growers are not as severely hurt, yet. Nation-wide, the yield is expected to be about 14% below last year's. However, two more weeks of dryness would result in further yield reduction, limiting the crop to less than 1.5 billion bushels," he said.

"Michigan's first cutting of alfalfa was about 50% of normal yield, so rain is badly needed for potential second and third cuttings. Because of the shortage of forage, cash crop farmers may be able to sell some of their cornfields to dairy farmers for silage. The state's horse industry is suffering as much stress as the dairy industry because of the hay shortage," he said.

Kirk said that possible carryover effects of the 1988 drought on the 1989 crops are hard to predict because there have never been two back-to-back serious drought years affecting U. S. crops in this century.

Agricultural losses in Michigan due to the drought are currently estimated at \$500 million to \$600 million, farm value.

Lima Township Board Proceedings

Regular Meeting

July 5, 1988

The regular meeting of the Lima Township Board was called to order at 8:00 p.m. by Supervisor Bauer and opened with the Pledge to the Flag.

Present were Supervisor Bauer, Clerk Bareis, Treasurer Messman, Trustees Heller and Trinkle and eighteen visitors.

Minutes of the June 6 meeting were approved.

Approved motion to refer the Harris Homes proposal back to the Lima Township Planning Commission for further review and recommendation, said recommendation to be provided to the Lima Township Board on or before Monday, October 3, 1988. We request the Lima Township Planning Commission to make recommendation on the following:

The use and density of the proposed petition area and whether it is reasonable, with respect to the delicate nature of the wetlands and the high sensitivity to pollution.

The concern of the residents with regard to water problems, both wells and drainage.

The adequacy of services, such as police, fire and roads.

Whether the General Development Plan is reasonable in light of the present condition and future trends and development of the area requested to be rezoned.

We request an ad-hoc committee be formed to research the above concerns and to review the present General Development Plan.

Approved motion to oppose any added use of the Baldwin-Palmer Drain, due to its inoperable state. If approved, Belser Estates must assume complete responsibility for proper drainage and the present residents must not be assessed any cost, if improvements are made.

Approved motion to deny the proposed Noise Ordinance based upon input at public hearing, information from legal counsel, and the Township Planning Commission recommendation for disapproval of the proposed Noise Ordinance.

Approved motion to refer to the part of the Zoning Ordinance that refers to firm uplands back to the Planning Commission.

Approved motion regarding HB5501 well water approval, to oppose the bill as it is without specifications.

Approved payment of bills.

Meeting adjourned at 11:20 p.m.

Ariene R. Bareis, Clerk.

Chelsea Village Council Proceedings

Special Session.

June 29, 1988

The meeting was called to order by President Satterthwaite at 7:40 p.m.
Present: President Satterthwaite, Clerk Anderson, Village Manager Weber and Assistant Village Manager Fahrner.

Trustees Present: Kanten, Merkel, Steele, Boham and Hall.
Trustees Absent: Bentley.

Others Present: William Eisenbeiser, Donald Schoenberg, Fred Pearsall, Tom Wacker, Harold Allen, Cecil Clouse, Brian Hamilton, Jim Finch, Gail Finch and Reuben Lesser.

The meeting was an informational presentation by Village special counsel, Mr. Matthew Zimmerman, explaining the options that the Council and surrounding townships have if the license for the landfill is not issued. He addressed several questions that the Council posed, including the closing of the landfill, raising the tipping fee, limiting the use to Village residents only and other similar suggestions. He also indicated that the Consent Order would require a hydro-geological study to determine the extent of the contamination, if any. The estimated price of \$75,000.00 for said study would not include the removal of contamination.

Since this meeting was for informational purposes only, no action was taken on this matter at this time.

Mr. Harold Allen came before the Council seeking Council approval to lower the requirement of \$3,000,000.00 insurance coverage for the 4th of July fireworks display.

Motion by Kanten to decrease the insurance requirements set forth to Harold Allen from \$3,000,000.00 to \$1,000,000.00. Motion failed due to lack of support. Therefore, the original requirement of \$3,000,000.00 insurance for the fireworks stands.

Richard Steele informed the Council of the forthcoming meeting regarding the County 911 System. No action was taken at this time.

Motion by Boham, supported by Steele, to adjourn. Roll call: Ayes all. Motion carried. Meeting adjourned.

Allen L. Anderson,
Village Clerk.

Regular Session

July 5, 1988

The meeting was called to order at 7:30 p.m. by President Satterthwaite.
Present: President Satterthwaite, Clerk Anderson, Village Manager Weber and Assistant Village Manager Fahrner.

Trustees Present: Boham, Bentley, Merkel, Steele and Hall.
Trustees Absent: Kanten.

Motion by Steele, supported by Merkel, to approve the minutes of the regular session of June 21, 1988 as submitted. Roll call: Ayes all. Motion carried.

Motion by Merkel, supported by Steele, to waive the approval of the minutes of the special session of June 29, 1988. Roll call: Ayes all. Motion carried.

A public hearing was held to consider the request of Robert and Laura Dyer in an Application dated April 13, 1988 for rezoning of property from MH-1 to RS-1. There were no written or oral comments and the public hearing was closed.

RESOLUTION

BE IT RESOLVED, AND IT IS HEREBY RESOLVED, that the Village Council of the Village of Chelsea does hereby adopt, approve and promulgate Ordinance No. 79-AAA, AN ORDINANCE TO AMEND THE PROVISIONS OF ORDINANCE NO. 79, KNOWN AS CHELSEA VILLAGE ZONING ORDINANCE AS RELATES TO THE ZONING MAP, PART OF THE SOUTH-EAST ¼ OF SECTION 11, T2S, R3E, SYLVAN TOWNSHIP, and the Clerk of said Village be and is hereby directed to cause the same to be published in The Chelsea Standard, or any other paper of general circulation, and otherwise record said instrument within the Book of Ordinances.

Motion by Merkel, supported by Hall, to adopt the above resolution as read. Roll call: Ayes all. Motion carried. Resolution adopted. (Ordinance No. 79-AAA attached to these minutes as Appendix A).

Trustee Steele reported that he had no additional information regarding the County 911 System service for the Chelsea area.

The Consent Agreement for the Village landfill was reviewed.

Motion by Boham, supported by Steele, to authorize the Village President to sign the Consent Order as presented with the understanding that if the Michigan Department of Natural Resources requires any revisions from the July 1, 1988 draft, the Council must review the revisions prior to signing by the President. Roll call: Ayes all. Motion carried.

Bids for the cleaning and painting of the ground storage tank were opened and read. The bids were as follows:

Hermes Painting Co., Inc.	\$11,600
TomCon Painting Co., Inc.	\$12,750
L. C. United Painting Co., Inc.	\$15,700
George Kountoupes Painting Co.	\$17,000
Thunderbird Painting Co.	\$20,500
Phoenix Tank Maintenance, Inc.	\$20,875
Industrial Painting Co.	\$21,200
G & M Painting Enterprise, Inc.	\$22,000
Louie Decorating, Inc./Richard Bros.	\$24,500
Seaway Painting Co., Inc.	\$28,269

Motion by Bentley, supported by Merkel, to refer all of the bids submitted for the painting of the storage tanks to Village Consulting Engineers Ayres, Lewis, Norris and May, Inc. Roll call: Ayes all. Motion carried.

Motion by Boham, supported by Bentley, to authorize the President and Clerk to sign the Site Plan and Development Agreement between the Village of Chelsea and ARCUS Corporation. Roll call: Ayes all. Motion carried. (Copy attached to these minutes as Appendix B).

Motion by Merkel, supported by Steele, to refer the letter from the Village Attorney regarding Zoning and Adult Businesses to the Planning Commission. Roll call: Ayes all. Motion carried.

Motion by Bentley, supported by Boham, that the revisions for Ordinance No. 79 (Zoning Ordinance) be started by Attorney Flintoft. The first task would be to redefine definitions for better clarification. Further work will be reviewed at a later date. Roll call: Ayes all. Motion carried.

Zoning Inspector Harook presented Council with a report on the Special Use Zoning regarding retail use of the Chelsea Industries, Inc. property. Her report stated that the retail use does not comply with the Special Use granted Chelsea Industries, Inc. No action was taken at this time.

Motion by Steele, supported by Merkel, to allow the Chelsea Ministerial Association to hold a "Hunger Walk" on October 9, 1988. Roll call: Ayes all. Motion carried.

Motion by Bentley, supported by Hall, to instruct the Village Administration to investigate two (2) proposed amended Ordinances; Ordinance No. 89 as relates to retail business and secondly the Uniform Traffic Code. Roll call: Ayes all. Motion carried.

RESOLUTION RE:

WASTEWATER TREATMENT PLANT CHANGE ORDERS

WHEREAS, the following change order to the wastewater treatment plant has been recommended to the Village for the purposes of improving the ultimate operation of said facilities:

1. Fuel tank adjustment to above ground tank \$3,011.
WHEREAS, the Village Council concurs that the above revision is necessary for full and proper operation of the facilities;

NOW, THEREFORE BE IT RESOLVED, that this Village Council of the Village of Chelsea hereby approves the above change order in favor of Clark Construction Company for a total amount as noted above.

Motion by Bentley, supported by Steele, to adopt the above resolution as read. Roll call: Ayes all. Motion carried. Resolution adopted.

Motion by Hall, supported by Merkel, to accept, with regrets, the resignation of Craig G. Coltre from the Chelsea Planning Commission. Roll call: Ayes all. Motion carried.

Motion by Boham, supported by Steele, to authorize payment of bills as submitted. Roll call: Ayes all. Motion carried. (Bills attached to these minutes as Appendix C).

RESOLUTION

WHEREAS, Pay Estimate No. 8 has been received from Clark Construction Company in the amount of \$655,584.99 for work performed at the site of the new wastewater treatment plant;

BE IT RESOLVED, that this Village Council of the Village of Chelsea authorizes payment of Pay Estimate No. 8 to Clark Construction Company in the amount of \$655,584.99; and

BE IT FURTHER RESOLVED, that this Village Council authorizes payment of the retainage fee in the amount of \$27,018.52 in accordance with the Contract Agreement as relates to said wastewater treatment project.

RESOLUTION

WHEREAS, Finkbeiner, Pettis & Strout has submitted invoices in the amount of \$36,253.13; and

WHEREAS, said invoices represent engineering work performed at the new wastewater treatment plant;

NOW THEREFORE BE IT RESOLVED, that this Village Council of the Village of Chelsea, authorize and direct payment of \$36,253.13 to the firm of Finkbeiner, Pettis & Strout.

RESOLUTION

BE IT RESOLVED, that this Village Council of the Village of Chelsea authorize payment to Professional Services Industries, Inc., in the amount of \$1,322.98 for services performed at the site of the new wastewater treatment plant.

Motion by Steele, supported by Merkel, to adopt the above three (3) resolutions as read. Roll call: Ayes all. Motion carried. Resolutions adopted.

Motion by Bentley, supported by Steele, to adjourn. Roll call: Ayes all. Motion carried. Meeting adjourned.

Allen L. Anderson,
Village Clerk.

ZONING BOARD OF APPEALS

July 5, 1988

The meeting was called to order at 7:40 p.m. by Chairman Satterthwaite.
Present: Chairman Satterthwaite, Secretary Anderson, Village Manager Weber and Assistant Village Manager Fahrner.

LYNDON TOWNSHIP PLANNING COMMISSION

Barbara Roderick, Secretary

Amendment to Dexter Township Zoning Ordinance

Amendment to the Dexter Township Zoning Ordinance updating and revising the ordinance reflecting recent court decisions and changes in local conditions.

1. Section 2.02 Definitions—Change the following definitions as indicated.
A. Conditional Use—Delete the last two sentences and replace with the following new sentence.

The term "conditional use" used in this ordinance is the same as the term "special land use" as provided in Act 184, PA 1943, as amended.

B. Family—Delete the entire definition and replace with the following new definition.

FAMILY: One or more persons related by blood or marriage, occupying a dwelling unit, or a collective number of individuals living together in one dwelling unit under one head, whose relationship is of a permanent and distinct domestic character, and cooking as a single housekeeping unit. This definition shall not include any society, club, fraternity, sorority, association, lodge, combine, federation, group, coterie, or organization, which is not a recognized religious order, nor include a group of individuals whose association is temporary or resort-seasonal in character or nature.

C. Floor Area—Delete the words "totally enclosed"; change "building" to "structure," where appearing.

D. Free-Standing Identification Sign—Delete the word "only" that precedes the words "the title."

E. Home Occupation—Delete the entire definition and replace with the following new definition.

HOME OCCUPATION: An occupation that is carried on within a dwelling unit or a building accessory to a dwelling unit, and which is clearly incidental and subordinate to the principal residential use.

F. Lot Area—Delete the remainder of the definition following the words "as amended" and replace with the following:

"or the Wetlands Protection Act, Act 203, PA 1979, as amended, and the regulations promulgated thereunder."

G. Marginal Access Road—Delete the entire definition.

H. Mobile Home—Delete the entire definition and replace with the following new definition.

MOBILE HOME: A structure, transportable in one or more sections, which is built on a chassis and designed to be used as a dwelling with or without permanent foundation, when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and electrical systems contained in the structure. Mobile home does not include a recreational vehicle.

I. Mobile Home Park—Delete the entire definition and replace with the following new definition.

MOBILE HOME PARK: A parcel of land under the control of a person upon which three or more mobile homes are located on a continual non-recreational basis and which is offered to the public for that purpose regardless of whether a charge is made therefor, together with any building, structure, enclosure, street, equipment, or facility used or intended for use incident to the occupancy of a mobile home and which is not intended for use as temporary trailer park.

J. Mobile Home Stand—Delete the entire definition.

K. Street—Delete the entire definition and replace with the following new definition.

STREET: A public or private traffic way that provides the principal means of vehicular access to abutting property.

L. Street, Private—Add a new definition, as follows.

STREET, PRIVATE: A street that is privately owned and maintained, and that is shown on a recorded subdivision plat or is described in an access easement of record.

M. Street Line—Delete the entire definition and replace with the following new definition.

STREET LINE: A right of way of a public street or an easement line of a private street. In the case of section line roads the street line shall be a line 33 feet from and parallel to the section line, unless an easement or right of way of different width is held by the Washtenaw County Road Commission or is otherwise recorded.

N. Structure—Add the following at the end of the existing definition.
"or storage sheds or huts, whether or not placed with a fixed location on the surface of the ground or affixed to something having a fixed location on the surface of the ground."

2. Section 3.01 Establishment of Districts—Delete the entire section and replace with the following new section.

SECTION 3.01 ESTABLISHMENT OF DISTRICTS

Dexter Township is hereby divided into zoning districts as named and described in Article 4 of this ordinance.

3. Section 3.04 Official Zoning Map—Delete the last sentence and replace with the following new sentence.

The official zoning map, with all explanatory matter thereon, is hereby adopted by reference and declared to be a part of this ordinance.

4. Section 3.11 Temporary Dwelling Structures—Change "Building Inspector" to "Zoning Inspector," where appearing.

5. Section 3.14 - Yard Requirements—Reorganize the existing section into subsection A, and renumber the existing parts A, B, and C to 1, 2, and 3, respectively, and sub-sections 1 and 2 of original sub-section A to a) and b), respectively. Add new subsections B and C, as follows.

B. Any lot in any zoning district that abuts a lake, pond, river, or stream shall provide a minimum yard of 50 feet from the mean high water line of the lake, pond, river, or stream. No parking space, building, or structure, except boat docks or boat launching facilities, when permitted by the district in which located, may be located in this required yard.

C. Yards shall be measured from the exterior faces of a structure to lot lines. Projections from the face of a structure, such as roof overhangs, cornices, balconies, decks, porches, steps, and awnings, shall not be included in yard measurements if the projection does not exceed 3 feet from the face of a structure. Yards shall be measured from the outer edge of any projection that extends more than 3 feet from the face of a structure.

6. Section 3.15 - Water Supply and Sewage Facilities—Add the following new sentence at the end of the existing section.

A dwelling unit shall have its own water supply well, septic tank, and drainfield on its own described lot, and these facilities shall not be used by any other dwelling unit.

7. Section 3.16 - Mobile Homes—Delete the entire section and replace with the following new section.

Mobile homes shall not be used as dwellings, except when located in a licensed mobile home park, when placed on a lot in accordance with Section 5.10, herein, or when used as a temporary dwelling as provided in Section 3.11, herein.

8. Section 3.19 - Non-riparian Access to Water Bodies—Add a new section, as follows.

Property that provides access to water bodies, including rivers and streams, for non-riparian lots shall be zoned Common Use (CU), and shall comply with all regulations of Section 4.70, herein. No lot in any other zoning district may provide such access.

9. Section 3.20 - Lot Size Ratio—Add a new section, as follows.

Any lot created after the date of adoption of this ordinance or amendment thereto shall have a length to width ratio not greater than 4:1. In the case of an odd shaped lot, the lot shall be generalized into a rectangle with the same area as the lot and which coincides as closely as possible with the boundaries of the lot. The length and width ratio shall be calculated using the dimensions of this rectangle.

10. Section 3.21 - Minimum Frontage on Water Line—Add a new section, as follows.

For any lot that fronts onto a body of water, except lots zoned CU, the minimum width on the body of water shall be 40 feet, which shall be measured on a straight line that connects the points of intersection of the side lot lines with the mean high water line.

Section 3.22 - Sale of Vehicles, Recreation Vehicles, and Boats—Add a new section, as follows.

Motor vehicles, boats, and recreation vehicles may be sold only on a lot of a dealer licensed in the State of Michigan for such sales, or on a lot owned by the registered owner of the motor vehicle, boat, or recreation vehicle to be sold, provided such sale shall be made by the registered owner or by a member of the immediate family of the registered owner.

12. Section 4.10D - R-C District—Add a new sub-section 11, as follows:

11. Cemeteries.

13. Section 4.20E - AG District—Add a new sub-section 12, as follows:

12. Cemeteries.

14. Section 4.30E - RR District—In sub-section 1, add "keeping of livestock or" between "except for" and "farming activities."

Delete the existing sub-section 6 and insert the following new sub-section 6 to stand in its place.

Livestock Facilities: Any structure for housing of livestock, and any storage of hay, feed, or manure, shall be located no less than 50 feet from any lot line; further, the minimum lot area for the keeping of livestock, as permitted in Section 4.30B(4) herein, except swine, shall be 2½ acres and the minimum lot width shall be 200 feet. The minimum lot area for the keeping of swine shall be 10 acres.

The maximum number of livestock or poultry permitted on a lot shall be as provided in the following table.

	Acreage	Number
Small livestock and poultry	2.5 to 5 acres	10
(Rabbits, Fowl, Etc.)	5.1 to 7.5 acres	15
Large Livestock	7.6 to 10 acres	20
(Horses, Goats, Sheep, Cows, Etc.)	2.5 to 5 acres	2
	5.1 to 7.5 acres	3
	7.6 to 10 acres	4

15. Section 4.40G - C-1 District, Landscape Strip—Delete the entire section and replace with the following new section.

The required front yard, the required side yard that abuts a public or private road, and the yard along a body of water as required in Section 3.14B, herein, shall be landscaped for the entire width of the yard. No road or driveway may be located in these required yards, except to cross such yard for the purpose of providing vehicular access to the property from an adjacent street.

16. Section 4.50G - C-2 District, Landscape Strip—Delete the entire section and replace with the following new section.

The required front yard, the required side yard that abuts a public or private road, and the yard along a body of water as required in Section 3.14B, herein, shall be landscaped for the entire width of the yard. No road or driveway may be located in these required yards, except to cross such yard for the purpose of providing vehicular access to the property from an adjacent street.

17. Section 4.60G - PL District, Landscape Strip—Delete the entire section and replace with the following new section.

The required front yard, the required side yard that abuts a public or private road, and the yard along a body of water as required in Section 3.14B, herein, shall be landscaped for the entire width of the yard. No road or driveway may be located in these required yards, except to cross such yard for the purpose of providing vehicular access to the property from an adjacent street.

18. 4.70 - Common Use District—Add a new section, as follows.

SECTION 4.70 COMMON USE DISTRICT (CU)

A. This district is established for all riparian private sites that are dedicated to common use. It is intended by this district that all such private sites shall be zoned CU and shall comply with all regulations of this district before such common use may commence. The private sites shall consist of the following: lands held in common by a subdivision or condominium association or other similar agency; or held in common by the terms of a plat of record; or provided for common use under deed restrictions of record. It is intended that these lands shall be dedicated and maintained for only such common use or purpose.

This district is intended to support the general intent of this zoning ordinance and to provide for the common lands and uses required by Dexter Township residents.

B. Permitted Principal Uses and Structures—The following shall be permitted only for use by members of the subdivision or condominium association or similar agency and their invited social guests.

1. Recreation sites, including bathing beaches, playgrounds, and other recreation areas.

2. Scenic sites.

3. Pedestrian trails, bicycle paths, and access routes, other than public or private streets.

C. Permitted Accessory Uses and Structures—All uses and structures customarily accessory and incidental to the permitted principal uses.

D. Area and Placement Regulations—Each lot in the CU district shall conform to all area and placement regulations of the zoning districts such lot is intended to serve. If the property such lot serves is located in more than one zoning district, the most restrictive regulations shall apply.

E. General Regulations

1. Limitation of uses—The specific uses permitted under Section B, preceding, shall be limited to lots zoned CU. No lot in any other zoning district may be used for these common purposes.

2. Riparian access for non-riparian lots—If a riparian lot is zoned CU and provides access for common use by non-riparian lots, the following regulations shall apply:

a. The deed to the riparian lot shall identify all lots that have rights to its use.

b. The riparian lot shall have a minimum frontage of 150 feet and a minimum area of one acre. Frontage shall be measured on a straight line that intersects each side lot line at the mean high water line.

c. In addition to the minimum frontage required in subsection b, preceding, the riparian lot shall provide at least 30 feet of riparian frontage for each non-riparian lot served.

d. A non-riparian lot that is occupied by more than one dwelling unit shall require provision of at least 30 feet of riparian frontage for each dwelling unit located on that lot.

e. A final site plan, reviewed and approved in accordance with Article 9, herein, shall be required before any construction on, or use of, the lot may commence.

f. Not more than one boat mooring for each dwelling unit served by the riparian lot shall make use of the riparian facility.

19. Section 5.05 - Exemptions From Yard Regulations—In the first sentence change "patio" to "ground level patios without footings,"; delete the words "porches and steps, awnings,"; insert the words "mailboxes; flower boxes; bus shelters less than 30 square feet," before the words "and light poles."

20. Section 5.10—Add a new section as follows.

SECTION 5.10 MOBILE HOMES OUTSIDE MOBILE HOME PARKS

A. Purpose—This section is designed to establish regulations under which mobile homes may be used as single-family dwellings on lots outside mobile home parks. It is hereby recognized that other forms of manufactured housing, commonly referred to as prefabricated, modular, or sectional housing, among other names, have been permitted in Dexter Township, on individual lots, in any district in which single-family dwellings are permitted, provided such units comply with the adopted building code and zoning regulations. This section intends to treat mobile homes in similar fashion, while recognizing the unique features of their construction. The regulations contained in this section are specifically designed to:

1. Insure compliance of mobile homes on individual lots with all zoning regulations applicable to all other single-family dwellings permitted in Dexter Township.

2. Insure compliance with the "Mobile Home Construction and Safety Standards" as promulgated by the United States Department of Housing and Urban Development, being PART 1700 to End, PART 3280 Et. Seq. CFP., and Dexter Township codes, including the zoning ordinance protecting the public health, safety, and welfare.

3. Insure that mobile homes on individual lots will be esthetically compatible with other single-family dwellings in the community.

B. Standards and Requirements—A mobile home may be used as a single-family dwelling on a lot outside a mobile home park if the following standards and requirements are met. These standards and requirements shall not apply to a mobile home located in a mobile home park, or to a mobile home permitted under Section 3.11, herein, for temporary occupancy.

1. The lot shall be located in a zoning district which permits single-family dwellings.

2. The lot and the mobile home shall comply with all regulations of the zoning district in which located.

3. The mobile home shall meet all requirements for residential mobile home units, as provided in Section 5.09A-2, preceding.

4. The mobile home shall be firmly attached to a permanent foundation wall constructed on the site in accordance with the Michigan State Construction Code. The wall shall completely enclose the area under the mobile home, and the area so enclosed shall not be less than the ground floor area of the mobile home. The mobile home shall be anchored to the ground by an anchoring system that meets State of Michigan requirements, and shall be so anchored before a certificate of occupancy may be issued.

5. The wheels, tongue and hitch, or other towing appurtenances shall be removed before a certificate of occupancy may be issued.

6. The mobile home shall be connected to public water and sanitary sewer lines, where available, according to Dexter Township standards and specifications, or to a well and septic tank approved by the Washtenaw County Health Department, where public water and sanitary sewer services are not available.

7. The mobile home shall be esthetically compatible in design and appearance with conventional, on-site constructed housing and other types of approved manufactured dwellings in Dexter Township. Compatibility shall be determined by application of the following standards:

a. Exterior walls shall be finished with materials common to single family dwellings in Dexter Township, such as, but not limited to, beveled siding, vertical siding, board and batten siding, or brick.

b. The mobile home shall have front and rear or front and side exterior doors.

c. The mobile home, prior to any additions, shall have a minimum exterior nominal width of 26 feet for at least one side. "Side" shall be defined as one of the faces perpendicular to the front, long face of the mobile home. Expando and similar rooms shall be considered additions or expansions for purposes of this section.

8. A building permit shall be required for construction of a foundation wall, for placement of the mobile on the lot, and for any addition to the mobile home. A building permit shall not be issued until a health permit has been issued by the County Health Department, where applicable, and until a certificate of zoning compliance has been issued. The mobile home shall not be occupied until a certificate of occupancy has been issued. Any addition to a mobile home be permanently attached to the mobile home and shall meet all requirements of the Michigan State Construction Code if the addition is of conventional on-site construction.

If the addition is constructed by a mobile home manufacturer, the addition shall meet the "Mobile Home Construction Safety Standards" cited herein.

9. A mobile home shall not be used as an accessory building in an agricultural or residential district.

10. A mobile home shall not be removed from a foundation until a permit therefor has been issued by the building official, in accordance with the Michigan State Construction Code.

21. Section 5.11—Add a new section, as follows.

SECTION 5.11 DWELLING UNIT STANDARDS

A. Floor Area—A dwelling unit containing three or fewer bedrooms shall have a minimum floor area of 1,040 square feet, not including the basement or garage, whether attached or detached. The minimum required floor area shall be increased by 200 square feet for each additional bedroom over three.

B. Dimensions—Each single-family detached dwelling unit shall have a minimum dimension across any front, side, or rear elevation, defined as a geometrical projection of the building on a vertical plane, of 26 feet.

22. Section 5.12—Add a new section, as follows.

SECTION 5.12 HOME OCCUPATION

A home occupation may be permitted in a single-family detached dwelling in any zoning district in which such dwelling is permitted, provided the following conditions are met.

A. No person other than the members of the family residing on the premises shall be engaged in the home occupation.

B. The use of the dwelling unit for the home occupation shall be clearly incidental and subordinate to its use as a residence. The total floor area used by the home occupation shall not exceed 20 percent of the total floor area of the dwelling unit. The floor area of all accessory buildings used in the home occupation shall be included in the maximum floor area permitted for the home occupation.

C. There shall be no change in the exterior appearance of the structure or premises to accommodate the home occupation, or other outdoor visible evidence of conduct of the home occupation, and there shall be no external or internal alterations not customary in residential areas.

D. A home occupation shall be conducted within the dwelling unit or within a building accessory thereto.

E. No article shall be sold on the premises except that which is prepared or produced within the dwelling or accessory building, or is provided as incidental to the service or profession conducted therein.

F. Parking for the home occupation shall not exceed two spaces. The spaces shall be provided on the premises, off street, subject to Article 7, herein. Parking spaces shall not be located in the required front yard.

G. Any exterior storage associated with or resulting from a home occupation, such as but not limited to boats, trailers, motor vehicles, material, equipment, or refuse shall be prohibited.

H. No equipment or process shall be used in a home occupation which generates noise, vibration, glare, fumes, odor, or electrical interference which are nuisances to persons off the lot. Any electrical equipment processes which create visual or audible interference with radio or television receivers off the premises or which cause fluctuations in line voltages off the premises shall be prohibited.

I. Hazard of fire, explosion, or radioactivity shall not exist at any time as a result of a home occupation.

J. No sign shall be permitted for a home occupation.

23. Section 5.13—Add a new section, as follows.

SECTION 5.13 PARKING OR STORAGE OF VEHICLES AND EQUIPMENT

A. Outside parking or storage of motor vehicles in a residential zone shall be limited to passenger vehicles and not more than one commercial vehicle of the light delivery type, not exceeding one ton, for each dwelling unit. Parking or storage of any other type of commercial vehicle, bus, or construction equipment, including but not limited to semi-trailers or trailers, sand and gravel hauling trucks, bulldozers, and graders, shall be prohibited in a residential zone, except as provided in sub-section B, following. Buses owned and operated by a school or church and parked or stored on school or church property shall be exempt from this subsection.

B. Not more than two vehicles or pieces of equipment prohibited in subsection A, preceding, may be parked or stored in a residential zone, but only on the owner's property and only in a completely enclosed building, provided such vehicles shall not be for purposes of hire or sale.

24. Section 6.04 - Conditional Use Permit, Information Required—Delete and replace with the following new section.

SECTION 6.04 INFORMATION REQUIRED

An application for a conditional use permit shall contain the following information.

A. The applicant's name, address, and telephone number.

B. The names and addresses of all record and known owners of the land in the application and proof of ownership.

C. The applicant's interest in the property, and if the applicant is not the fee-simple owner, the owner's signed authorization for the application.

D. Legal description, address, and tax parcel number of the property.

E. A scaled and accurate survey drawing, correlated with the legal description, showing all existing buildings, driveways, and other site improvements.

F. A detailed description of the proposed use.

G. A site plan, meeting the requirements of a preliminary site plan, as set forth in Section 9.04, herein.

25. Section 6.06 - Conditional Use Permit, Standards—Delete the last two paragraphs following subsection F and insert the following sentence in place of these paragraphs.

If the circumstances and facts do not establish that the proposed use will meet the preceding findings and standards, the Zoning Board shall not approve the permit.

26. Section 6.07 - Existing Conditional Uses—Delete the entire section and replace with the following new section.

SECTION 6.07 CONTINUATION AND EXPANSION

A. Any use lawfully existing on the date of adoption of this ordinance or an amendment thereof and that is permitted as a conditional use under this ordinance shall be deemed a conforming use and may continue without approvals required in this Article.

B. Expansion of a conditional use shall require a conditional use permit.

27. Section 6.09—Add a new section, as follows.

SECTION 6.09 CONDITIONS OF APPROVAL

In approving a conditional use permit, the Zoning Board may impose conditions it deems necessary to achieve the objectives and standards of this ordinance, the standards of the Township Rural Zoning Act (Act 184, PA 1943, as amended), and the public health, safety, and welfare of Dexter Township. Failure to comply with any such conditions shall be a violation of this ordinance. An approved conditional use permit, including all attached conditions, shall run with the land and shall be binding upon all successors and assigns. The conditions shall remain unchanged except by amendment of the permit. Amendment of an approved conditional use permit shall be made only by application and review using the procedures of initial application.

28. Section 6.10—Add a new section, as follows.

SECTION 6.10 RE-APPLICATION

An application for a conditional use permit that has been denied wholly or in part by the Zoning Board shall not be resubmitted for a period of 365 days from the date of denial, except on grounds of new evidence or proof of changed conditions determined by the Zoning Board to be valid.

29. Section 6.11—Add a new section, as follows.

SECTION 6.11 REVOCATION OF PERMIT

The Zoning Board may, after hearing and cause shown, revoke a conditional use permit in case of false statement or misrepresentation of fact on which the permit was approved, or in case of failure to correct violations of this ordinance, or in case of lack of compliance with the approved site plan or any condition of approval of the permit.

30. Section 7.01 Off-Street Parking - General Provisions—In subsection E, add a new item 7, as follows.

7. Off-street parking spaces shall not be located in a required front yard, in a yard required along any street, or in a yard required along a body of water.

31. Section 7.02 Off-Street Parking - Schedule of Requirements—Add a new subsection 27, as follows.

27. Boat launching areas and marinas—One 50'x10' area for each vehicle and trailer to be parked.

32. Section 9.02 - Site Plan Approval Required—Add two new items at the end of the existing section, as follows.

Common use sites.

Any condominium development.

33. Section 4.40F - Hours of operation—All businesses in this district, except those establishments licensed by the liquor control commission, shall be closed from the hours of 10:00 p.m. until 6:00 a.m.

Existing sections of 4.40E through G will be re-identified as sections 4.40F through H, respectively.

Chelsea, Dexter, Manchester Schools Among 35 Honored

Schools in Chelsea, Dexter and Manchester were among the 35 Washtenaw county schools to receive "Certificates of Merit," awarded by the public health division of the Washtenaw County Human Services Department.

The schools were awarded the "Certificates of Merit" to recognize the public and private school administrators, school nurses and clerical/support staff, who insist on receiving up-to-date shot records from every student, each school year.

Together with the public health division staff, this group of school employees review the immunization records of nearly 8,000 kindergartners, and transfer students in grades 1-12, twice each year.

During 1987-88, the number of new school enterers with "complete" or "provisionally complete" immunization records rose to 95.6 percent, a county all-time high, due to the hard work and perseverance of the school and public health division staffs.

The importance of immunizing all children to prevent serious illness cannot be over-emphasized.

Immunizations for seven diseases, measles, mumps, rubella, polio, diphtheria, whooping cough (pertussis), and tetanus, prevent serious illness in both adults and children.

Immunizations are the only dependable means for preventing the diseases.

A total of 22 schools in Washtenaw county received awards for "outstanding accomplishment in protecting children from vaccine-preventable communicable disease."

South Elementary school in Chelsea was included among the 22, as were Manchester Middle school, Faith Lutheran and Wylie Middle schools, Dexter.

North School, Chelsea, was one of 13 schools in the county which received awards for "superior efforts in protecting children from vaccine-preventable communicable disease."

In Dexter, Copeland Elementary

school was also cited for "superior efforts" by its staff during the 1987-88

school year, in co-operation with public health division, as was Manchester High.

Cassidy Lake Escapist Sought

Police were searching for a walkaway from Cassidy Lake Technical School as of press time.

According to police reports, Timothy Harrell, serving 1-5 years for receiving and concealing stolen pro-

perty, left the prison on Sunday, July 24 at about 3 p.m. He is described as black, 5' 9", 155 pounds with a mustache and tattoos on both arms. Harrell, from Detroit, was wearing prison blues.

CHELSEA HIGH SCHOOL CLASS OF 1928 held their 60th reunion last Saturday, July 23 at Schumm's Restaurant. Seventeen members of the 24-student class are still alive. Attending the reunion were, from left, Marion (Craft) Chadsey, Nadine (Dancer) Leja, Katherine (Nicolai) Seitz, Alberta (Winans) Park, Lorena (Seitz) Stierle, and Leon Butler. In the back, from left, are Evelyn (Bohnet) Lipphart, Ruth (Freeman) Mobley, Marie (Finkbeiner) Oeschger, Mildred (White) Titus, Irwin Young, and Roy Ives. Deceased members are Doris (Coe) Anderson, Norman Mayer, Huron McManus, Edgeworth Potts, Walter Sondecki, Oleta (Seitz) Mayer, and Dorothea (Koch) Kalmbach. Members missing from

the reunion were Edna (Barels) Armstrong, Ruth (Clark) Apel, Lorena (Coe) Clark, Agnes (Dancer) Trafford, Dorothy (Grobel) DeFoe, and Ruth (Vogel) Dunstone. Members returned from as far away as Florida, Louisiana, and Arizona. Guests of attending classmates but not pictured were Edward Leja, Olin Oeschger, Enid Freeman, Mrs. Roy Ives, Norman Stierle, Mr. and Mrs. Alvin Jedele, Willetta Hafner, Paul Seitz, Mrs. Irwin Young, and Mrs. Vera Briston. After the luncheon the group gathered at the apartment of Evelyn Lipphart to visit and reminisce. On Sunday, 18 class members and guests attended Sunday brunch at Domino's Farms Prairie House.

Vote Bruce Laidlaw Circuit Court Judge

Paid for by the Laidlaw for Circuit Court Committee, 1916 Wayne, AA, MI 48104.

CLERK'S OFFICE at the Chelsea 14th District Court-house has been greatly expanded, which should provide more comfortable working conditions for the employees and improved service for the public. The room has been moved from the front to the back of the building.

Senior Housing Project Needs Leader With Time, Knowledge

Chelsea has an unusual opportunity to build and manage a low-cost housing project for senior citizens, but someone is needed to spearhead the project.

Director of Community Education Jackie Rogers and Treva Winans of the Chelsea Senior Citizens Organization have told both the village planning commission and village council that Dana Corp. is likely to donate land for the project next to their Sibley Rd. plant.

However, Dana will only donate the land to a non-profit organization.

A volunteer, preferably someone with good organizational skills and knowledge of bonding, is needed to guide the project. There would be no pay, at least initially.

"We had a task force and it did a great deal but we didn't really give the people on it a chance to say no," Winans said.

"Right now we need people willing to give a lot of their time and we need somebody who can make decisions on the spot. A lot needs to be done and it will take a lot more know-how and time than Jackie and I have. This is a wonderful opportunity for Chelsea."

Winans said the housing would probably consist of one and two-bedroom apartments with some sort of centralized socializing area. The complex would give self-sufficient seniors a

place to go before they might need more intensive care.

Seniors who live in the school district would probably have first priority, although income level wouldn't necessarily be the determining factor. The local senior newsletter is mailed to more than 1,000 residences so there is a good-sized population from which to draw.

"This would be good for the entire community," Winans said.

"Some seniors would be able to move out of their big homes and that would provide housing for younger families."

Anyone interested in donating time to the project is urged to call Winans at 475-2043 or Rogers at 475-9830.

AL TOWNSEND AND THE AMBASSADORS will play a concert of big band music in Pierce Park tomorrow evening as the third installment of the Concert in the Park series.

Townsend's Big Band In Concert Thursday

Al Townsend and the Ambassadors—The Big Band of the '80s—will be the featured band at the third installment of the Concert in the Park series this Thursday, July 28 in Pierce Park.

Townsend and his band performed at last year's event and delighted a huge crowd.

Townsend, a former first trombonist with the Gene Krupa Orchestra, lives in the Gregory area. He first came to Ann Arbor in his early teens to join the Bill Sawyer Orchestra on the campus of the University of Michigan. While earning two degrees he was also soloist with the University of Michigan Symphony Band.

Music from the 1940s through 1980s will be presented.

Doug Kerr is the featured vocalist, along with the Diplomats, a quartet featuring Nola, Jeff and Bob Scannell, and Lynne Stewart.

The concert begins at 6 p.m. and should end by 8. Concertgoers are urged to bring their own food and drinks, or patronize the Kiwanis Kitchen for sausage sandwiches.

The series is sponsored by the Chelsea Area Chamber of Commerce and the Chelsea Recreation Department.

Firefighter K. Raus Will Appear on National TV Show

Dexter firefighter Kathy Raus is one of 36 firefighters throughout the nation interviewed by author Dennis Smith before he set down an account titled, "Firefighters, Their Lives in Their Own Words," published by Doubleday.

In her own words, Kathy explained to The Dexter Leader, Tuesday morning, "when I returned from vacation, I found a message on my answering machine which resulted in an invitation to fly to New York for an appearance with the book's author and another firefighter on the "Good Morning, America" television show, Tuesday, Aug. 2.

Locally, the show may be viewed, 7-9 a.m., on Channel 7.

Kathy has served for one and a half years as a firefighter with the Dexter Area Fire Department, and for six years with the Hamburg Township Fire Department.

Anderson, Ghent Win Scholarships

Two young Chelsea-area women have received \$500 scholarships from the Washtenaw 100 Club.

Laurie Anderson and Kelly Ghent were two of six people county-wide to win the award.

Laura is majoring in criminal justice and psychology at Eastern Michigan University.

Kelly is attending Northern Michigan University.

The scholarships are granted to the children of public service families within the county. The fathers of the girls are both affiliated with the Ann Arbor Police Department.

SPAULDING FOR CHILDREN, the local adoption agency for children with special needs, held their annual Ice Cream Social on Saturday, July 16. Chelsea Lions and Lioness Clubs are especially active in the popular annual

event. Ice cream servers, from left, are Lions Phil Radant and Russ Severa, Pat Henck, Spaulding business manager, and his wife, Judy.

"BUMBLES" THE CLOWN had an attentive audience at the Spaulding Ice Cream Social last Saturday, July 16, as he created balloon animals for the children. The event is a way for Spaulding to show its gratitude to its sup-

porters and provide a fun summer event for many of its children. The agency specializes in finding adoptive homes for children with special needs.

Bill Would Help Farmers In P.A. 116

Governor Blanchard has signed a bill that will benefit farmers enrolled in the Farmland and Open Space Preservation Act program. The bill makes Michigan tax law consistent with federal regulations in the treatment of carryforward losses. According to Michigan Farm Bureau legislative counsel, Ron Nelson, this will allow some farmers to recover P.A. 116 credits they may not have been allowed to take before.

"Farmers whose returns were adjusted by the Treasury Department and their P.A. 116 refunds were reduced, or billed for additional taxes, should contact the department," Nelson said. "They can do that either in writing or by phone. They should supply their name and address, social security number and the tax year involved."

To contact in writing, the address is: Michigan Department of Treasury, P.O. Box 30058, Lansing 48909, Attn: Income Tax Farmland Credit Section. To contact by phone, call: 517-335-1164 or 517-335-1159. Nelson said farmers should allow six weeks for their refunds.

Migrant Farmworkers May Be Caught Short Because of Drought

Farm Bureau has asked the U. S. Department of Labor to work with the U. S. Secretary of Agriculture to assess whether the drought will impact migrant farmworkers and take necessary steps to deal with the situation.

If the normal employment of migrant farmworkers will be greatly curtailed because of the drought, Farm Bureau said steps should be taken to inform the workers and labor contractors who have not yet moved north, and to find ways to provide assistance to workers who will suffer from loss of employment.

Charges Sought In Gas Theft

Police are seeking charges against a Kalamazoo man who allegedly stole \$19.25 in gasoline from Village Mobil Station last Tuesday morning, July 19.

The man was caught by police after he turned down Brown Dr. thinking he could enter I-94, but discovered he would have to turn around.

The incident occurred shortly before 6 a.m.

+ AREA DEATHS +

Carmen I. Jones

725 W. Middle St.
Chelsea
Carmen I. Jones, 84, 725 W. Middle St., died Wednesday, July 20, 1988 at Chelsea Community Hospital.

She was born April 19, 1904 in Bingham township, the daughter of Delos O. and Blanche (Gay) Tabor. On June 18, 1932 she married Ithel C. Jones in Lake City, and he preceded her in death on Sept. 18, 1969.

Survivors include a son-in-law, E.K. Scott, of Redford; a granddaughter, Barbara Scott, of San Jose, Calif.; and several nieces and nephews. She was preceded in death by a daughter, Patricia Scott, on June 29, 1977.

Mrs. Jones had been a resident of Chelsea since Aug. 26, 1981 after living in Manistee, Fla. Prior to moving to Florida she was an elementary school teacher in Houghton Lake from 1929-46. In 1946 she became principal and held that position until her retirement in 1966. In addition, she and her husband owned the Little Store Restaurant in Houghton Lake. She was a member of the Houghton Lake United Methodist church, the Michigan Education Association and the National Education Association.

Funeral services were held Friday, July 22 at the chapel of the Chelsea United Methodist Retirement Home, with the Rev. James Simmons officiating. Visitation continued at the Houghton Lake United Methodist church on Friday and services were held Saturday, July 23, with the Rev. Roger Colby officiating. Burial followed at the Houghton Lake Cemetery.

Expressions of sympathy may be made to the Chelsea United Methodist Retirement Home or to the Houghton Lake United Methodist church.

Arrangements were handled by Staffan-Mitchell Funeral Home.

Douglas E. Brown

11404 Winwood Pl.
Port Richy, Fla.
Douglas Edwin Brown, 65, 11404 Winwood Pl., Port Richy, Fla., died suddenly Wednesday, July 20, 1988 at Chelsea Community Hospital.

He was born June 19, 1923 in Detroit, the son of Henry B. and Ethel Lee (Taft) Brown. On May 10, 1947 he married Mary VanMarter in Detroit, and she survives.

Other survivors include a son, Douglas E. Brown, Jr. of Chelsea; a daughter, Linda Brown, of Kenner, La.; a brother, Boniard Brown, of California; four grandchildren, and several nieces and nephews.

Mr. Brown had lived in Chelsea for the past 30 years. He was a former member of the Chelsea Knights of Columbus, a member of the Eagles and Moose, and St. Mary's Catholic church of Chelsea. He retired from the University of Michigan in June, 1982.

Memorial mass was held Saturday, July 23 at St. Mary's Catholic church, with the Rev. Fr. David Dupuis officiating.

Memorial contributions may be made to the Michigan Heart Association.

Arrangements were handled by Cole-Burghardt Funeral Chapel.

Friends of Library Hold Meeting

Friends of McKune Memorial Library held their monthly meeting recently to plan a book sale.

The sale will be held at the library during Chelsea Fun Daze.

A daughter, Haley Rebecca, June 25, in Milwaukee, Wis., to Mr. and Mrs. Tim Eder of Buffalo, N. Y. Maternal grandparents are Mr. and Mrs. Ralph Sharkey of Pensacola, Fla. Paternal grandparents are Mr. and Mrs. David Murphy of Chelsea and the late Roland Eder. Paternal great-grandmother is Mrs. Lois Bradbury of Chelsea.

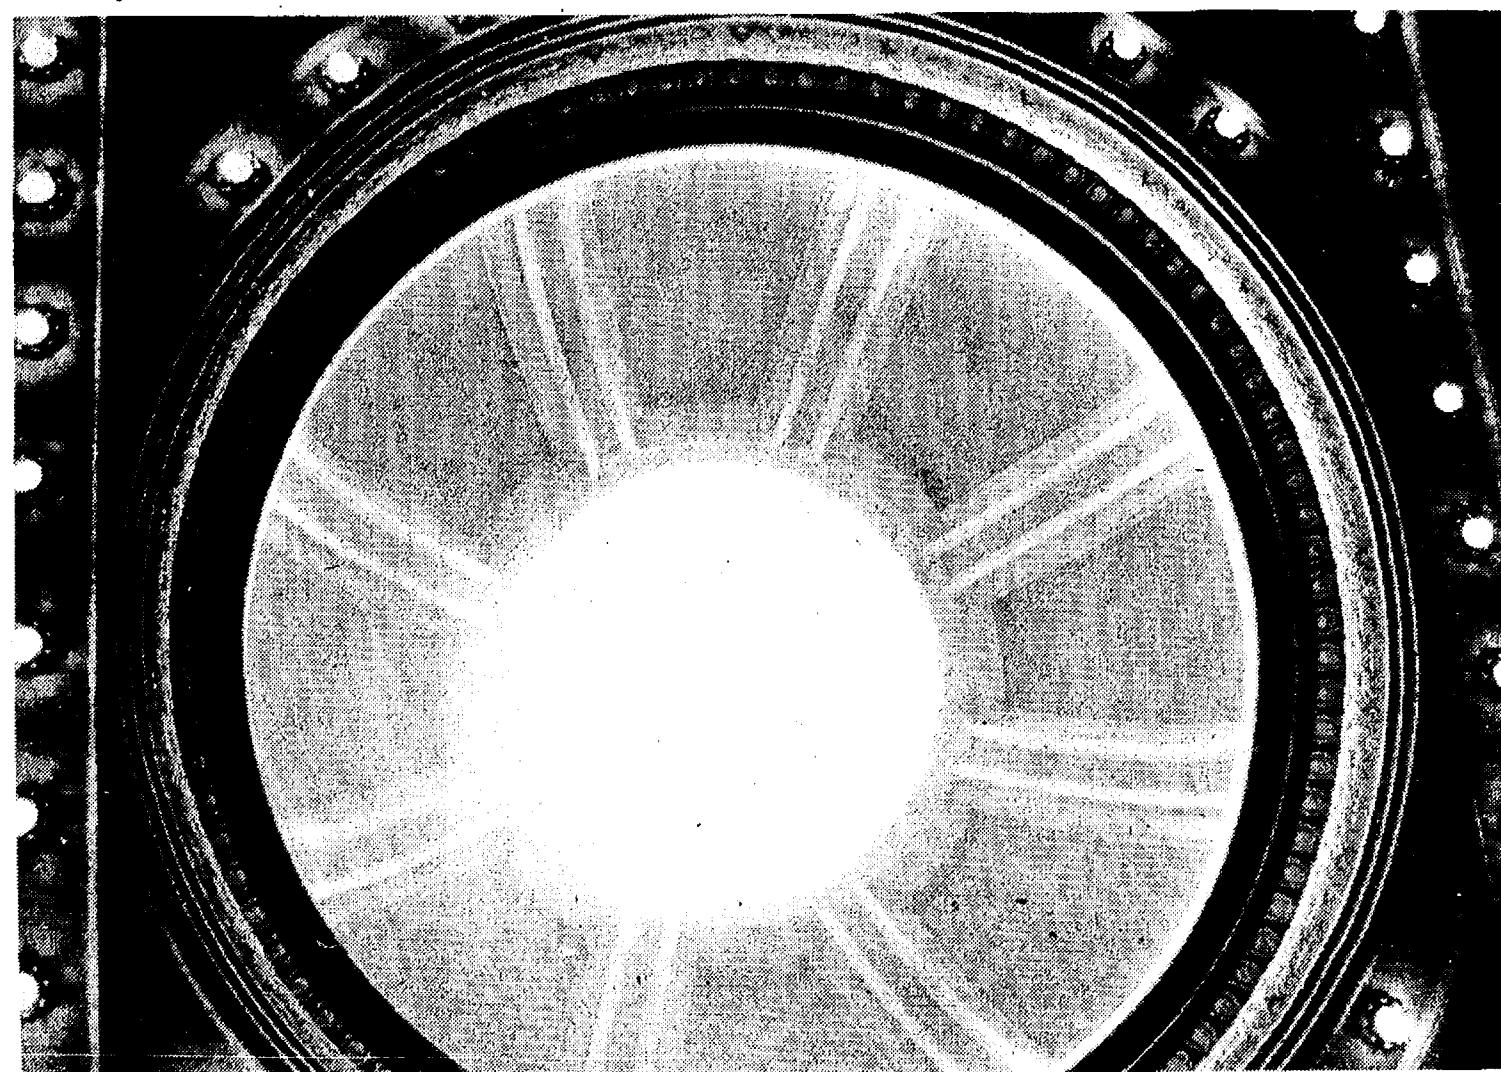

COMMISSIONER Marty Straub of Washtenaw county was the master of ceremonies at the official re-dedication of the Chelsea 14th District Courthouse building last Thursday afternoon. Straub proved to be a quick-witted emcee.

VILLAGE PRESIDENT Jerry Satterthwaite thanked Washtenaw county for restoring and renovating the courthouse building. He spoke briefly at ceremonies last Thursday afternoon.

SHARING A LAUGH before the re-dedication of the renovated 14th District Courthouse are, from left, Chelsea attorney Dave McLaughlin, Washtenaw County Commissioner Ellis Pratt, and Judge Karl Fink. Pratt's support of the project was considered instrumental in getting the project approved. Fink presides over the court.

THE BEAUTIFUL RESTORED DOME at the Chelsea 14th District Courthouse allows a flood of light to enter the main courtroom area. The dome, and the rest of the building, will be available for public viewing all day Friday during Chelsea Fun Daze.

CHELSEA ATTORNEY Peter Flintoft headed up the courthouse renovation fundraising effort on behalf of the group known as the Historic Chelsea District Courthouse. Flintoft solicited donations from units of government (other than Washtenaw county), businesses, foundations, and attorneys. He spoke at last Thursday's re-dedication.

Schools Hold Taxation Hearing

Chelsea School District will collect about \$450,000 from the six percent rise in State Equalized Value of land for the 1988-89 school year.

The district held its Truth in Taxation hearing last Monday, July 18 but there was little public participation. The hearing was a legal requirement to allow the district to collect the additional tax money.

New construction totaling \$9 million in the district is responsible for a good

chunk of the rise. In addition, property values are generally higher.

"We'll use that \$450,000 up in a hurry," said assistant superintendent Fred Mills.

The district is levying 37.376 mills for the coming school year, down from 38.52 last year. The difference is due to a 1.14 mill rollback forced by the Headlee Amendment. The school board chose not to ask voters to override the amendment.
