WHISTLESTOP PARK ASSOCIATION of Grass Lake will receive a \$50,000 Michigan Equity Fund grant to restore the village's fieldstone railroad depot. The depot burned several years ago and was nearly demolished before local residents decided the building was worth saving.

Grass Lake Depot Group Gets \$50,000 State Grant For Restoration Work

Grass Lake's Whistlestop Park Association, the group that wants to restore the village's fieldstone railroad depot, has received a \$50,000 grant from the Michigan Equity Program, according to spokeswoman Rebecca Pavy.

"We're more hopeful than ever that we'll be able to complete the project," Pavy said.

Grass Lake Township Supervisor Al Mollenkopf, who wrote the grant application, asked for \$100,000. Pavy said Mollenkopf wrote a "beautiful application," complete with visuals, and "left no stone unturned."

Chelsea's Depot Association received \$30,000 from the same program.

Pavy said the project to restore the burned-out building has been estimated to cost \$250,000. The project will also include some park construction outside the depot.

In addition to the state grant, Grass Lake township has pledged up to \$50,000 in matching funds. The township will match whatever private contributions are received. Also, about \$50,000 has been pledged in materials, labor, and expertise, Pavy said.

So if the association can get its \$50,000 in private contributions, it will be about \$50,000 short of finishing the project.

"We really haven't even started our fundraising effort," Pavy said.

In the mean-time, contractors are being lined up for the actual construction work, which the association hopes can begin this spring.

"This might be the first economic development project we've ever had

in Grass Lake," Pavy said.

"I think the community is pulling behind us. The idea of progress in town with a controlled plan seems to look real attractive."

The association will meet next Tuesday, Jan. 24 at 7:30 p.m. at Grass Lake Township Hall, 373 Lakeside Dr. Committees are being formed and

ideas for programs, exhibits, and operation of the facility will also be discussed. Anyone interested is welcome to attend. Questions may be directed to Pavy at (517) 522-8516.

The group's first fundraising event will be the Founders Dinner on March 11 at the Lions Club Community Center.

Board Discusses Negotiation Process For Contract Talks

A two-hour closed session to discuss the coming teacher contract negotiations was the dominant topic at Monday's Chelsea School Board meeting. "The board just discussed the negotiating process," said assistant superintendent Fred Mills.

"Negotiations haven't started yet," Mills said the goal is to have a new contract in place by the end of the school year.

In other board business Monday, a \$1,700 contract with Chelsea Community Hospital to provide the district's Employee Assistance Program was approved. The program is a fringe benefit to help employees who are encountering personal problems.

The lounge at the Chelsea bus garage was officially designated a no-smoking area after a petition indicated a majority of bus drivers

wanted the change.

An assistant track coach position for Beach Middle school was approved. Athletic Director Larry Reed now has the go-ahead to hire a coach.

After 11 years of service, Dr. Jerry Waldyke resigned from the district's Sex Education Committee. The committee was set up in 1977. Mills said that Waldyke felt it was time for him to retire. The committee is made up of school administrators, health teachers, and parents.

The board was also informed that the Michigan High School Athletic Association had denied a request by a parent to give a particular student extra athletic eligibility. The student in question had transferred here from another district.

Kozminskis Fined, Ordered To Pay \$34,000 in Restitution

The six-year slavery case of Ike and Margaret Kozminski apparently came to a conclusion last Wednesday when the couple was fined \$3,000 each, and ordered to pay \$34,000 in restitution to two men who worked for them.

The couple had pleaded guilty in October to violations of the federal Fair Labor Standards Act. The sentence was handed down by U.S. District Judge George La Plata.

The Kozminskis were convicted in 1984 of holding two mentally-retarded men in slavery by the use of psychological coercion. The men worked for more than 10 years on the Kozminski dairy farm south of Chelsea. The case began in 1983 when

federal agents arrested the couple for enslaving Robert Fulmer and Louis Molitoris. Before winding up at the farm, Molitoris had been a street person in Ann Arbor. Fulmer was reportedly picked up by Margarethe

Kozminski as he was walking down a road.

The conviction was later reversed by the U.S. Sixth Court of Appeals on the grounds that psychological coercion alone was not enough.

The U.S. Supreme Court last year agreed with the appeals court.

According to reports, the sentence was the result of a plea bargain arrangement negotiated between federal lawyers and the Kozminskis. The agreement allowed the Kozminskis to plead guilty to keeping inadequate employment records.

Their son, John, also convicted of the same records charge, was ordered to serve six months in a court diversion program.

No School On Friday

There will be no school for children in the Chelsea School District this Friday, Jan. 20.

District teachers will be participating in departmental and grade level meetings for half a day. The other half-day is a records day.

Twelve Students Attending George Bush's Inauguration

A delegation of students and school officials left today for Washington, D.C. to attend the inauguration of President-Elect George Bush, who will become the 41st president.

Twelve students were selected based on academic performance and citizenship. Leader of the delegation is superintendent Joe Plasecki.

The students will pay approximately one-half of the cost of the trip. Community sponsors, including Chelsea Kiwanis Club, Rotary Club, Chelsea Community Hospital, and BookCrafters, Inc., are picking up the other half.

Tomorrow the students will have a chance to tour the FBI, Capitol building, Bureau of Engraving and Printing, and Lincoln Memorial, Washington Monument, and Vietnam Memorial. Also during the day they'll meet with Sen. Carl Levin. In the evening they'll attend a play in the Kennedy Center.

On Friday, inauguration day, the

students will meet with Congressman Carl Pursell, attend the inaugural ceremony, inaugural parade, and even have a little time for shopping. In the evening they'll attend the Youth Ball. Saturday will feature tours of the White House, National Air and Space

Museum, and Museum of Natural History.

Before returning home Sunday the students will tour Arlington Cemetery, and the National Museum of American History.

Historical Society Elects New Officers

Chelsea Historical Society elected officers for the 1989 year at the regular meeting, Monday, Jan. 9.

Succeeding Katie Chapman as president, is Arline Lynch. Kathleen Clark is vice-president; David Pastor, treasurer; and Rose Reinhardt agreed to serve another term as secretary.

New hours to open and staff the museum at the depot were established as Monday, Thursday and Saturday, 1 to 3 p.m. A new display with a "train theme"

was planned. Some railroad artifacts had been donated to the Society, and those will be used.

Mary Fite was nominated to chair the Museum Display Committee. She has prepared an antique Valentine display, now set up in the museum.

Hazel Dittmar will look into planning a trip to Chicago, or Kalamazoo, by AMTRAK this winter for Society members and others who may be interested in a short train trip.

Anyone interested in membership may contact Kathy at 475-7047.

3 Men Charged With Car Theft

Three young Chelsea-area men have been charged with car theft and malicious destruction of police equipment in connection with an incident on Sunday, Jan. 8.

Charged with the felonies are Patrick E. Overpeck, 18, of 13782 Old US-12, Roger A. Friday, 22, of 525 N. Main St., and Cary Joe Push, 20, of 11175 Dexter-Chelsea Rd.

Informants implicated the men in the theft of a Chelsea police car, which was left running in front of the department at about 1 a.m.

The men allegedly took the car on a drive through the village and the countryside east of the village and abandoned it in a field near Dancer and Island Lake Rd. The car was damaged and radar equipment was missing. Keys from the vehicle were also missing, according to chief Lenard McDougall.

Each charge is a four-year felony, McDougall said.

Microwave Taken From Landfill

Someone broke into the tollbooth at the Chelsea Village Landfill on Werkner Rd. and took a microwave oven and miscellaneous tools.

Landfill operator Cecil Clouse reported the incident to police on Saturday, Jan. 14.

Police said a wood frame had been pried out of the building to gain access. Police took fingerprints and an investigation is continuing.

Consumers, Announcing Record Electric Use, Makes Pitch for Midland

Consumers Power, announcing a fifth consecutive year of record electric use, said Michigan will face a serious shortage in the early 1990s without the addition of significant new generating capacity.

Officials said the utility's operating reserve margin has declined to about 9 percent, from 28 percent, and highlights the need for state approval of the contract with the Midland and other cogeneration projects.

Consumers reported 1988 sales were 29.3 billion kilowatt hours, up 3.2 percent over 1987, an increase that was the highest in percentage terms since 1976. It was the record peak demand of 5,869 megawatts on Aug. 17, during Michigan's long heatwave, that dropped the utility's reserve margin to 9 percent.

Saying the pattern of sustained growth is clearly established, Consumers Chair William T. McCormick, Jr., said, "Electricity demand is a key barometer of economic health and it is no coincidence that Michigan's employment is at record levels at the same time customer demand for electricity is soaring."

Dan Bishop, spokesman for the company, said the report shows "a clear need for the Midland cogeneration project and other cogeneration projects."

The Public Service Commission is expected to rule by the end of the month on the proposed contract between Consumers and its Midland subsidiary and legislative leaders have indicated they would press for legislation to approve a contract if the PSC delays much longer.

The PSC has also asked for a staff report on a bidding process for electric supplies.

Blanchard, Democratic Governor, Sought Uniform Election Rules

A proposed federal law establishing a uniform closing time for polls in Presidential elections was announced recently by Governor James J. Blanchard and the Democratic Governors Association he chairs.

The governors said such a law would work to ensure voters in states in Western time zones are not "disen-

franchised" by projections of early returns in the East.

Most polls close at 8 p.m., and the major networks very quickly after that reported that their exit polls showed Vice-President George Bush would win enough electoral votes to capture the presidency.

The Democratic governors, who will urge the National Governors' Association to support the proposal, said a uniform closing time would be the simplest and most practical way to guarantee every voter the opportunity to cast a ballot before a winner is projected.

Blanchard said the proposal is neither partisan nor regional.

The proposal, similar to legislation approved by the House in each of the last two sessions, would require polls close at 9 p.m. in the Eastern time zone, 8 p.m. in the Central and 7 p.m. in Mountain and Pacific zones, with daylight savings extended two weeks in the Pacific to make it correspond with Mountain time.

Alaska and Hawaii times are one and two hours, respectively, behind Pacific time.

"Modern technology . . . threatens to dilute and diminish the votes of half our nation. Any impediment to that precious vote, or anything that diminishes the value of that vote, chips away at the strength of our democracy," Blanchard said.

State Tax Expenditures

Top \$9.2 Billion

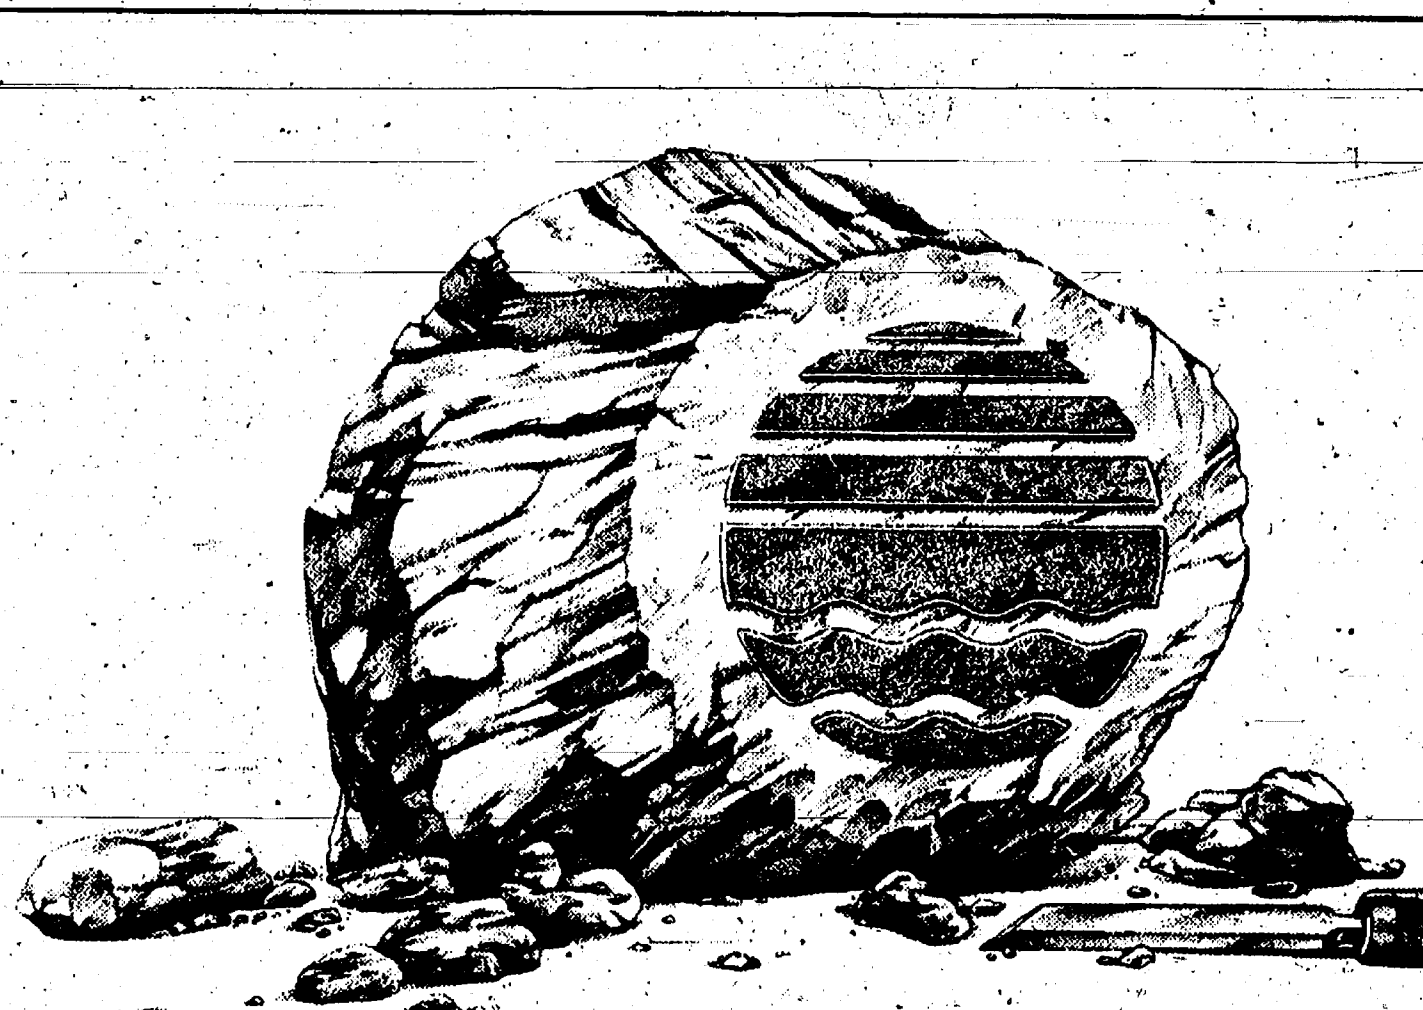

Management and Budget Director Shelby Solomon and State Treasurer Robert Bowman jointly released the Tax Expenditure Appendix to the 1987-88 fiscal year executive budget showing that total tax expenditures for the fiscal year are estimated at \$9.2 billion, compared to \$8.9 billion for fiscal 1986-87.

They noted tax expenditures exceed the state general fund/general purpose budget by \$2.7 billion.

The 1987-88 tax expenditures included \$2.8 billion for local property taxes, \$2.8 billion for individual income taxes, \$1 billion for sales and use taxes, \$1 billion for the single business tax and \$500 million for the intangibles tax.

Upon issuing the report, Bowman said officials are not advocating either the elimination or the expansion of tax expenditures, but the information is important to policy makers who must monitor and review the structure of the state tax system.

Solomon noted tax expenditures equaled 60 percent of the amount of revenue collected in major taxes showing the reduction to the tax base as a result of credits, exemptions, deductions and preferential rates.

Extension Group Members Study Household Hazards

Lima Center Extension Group met at 10:30 a.m. Wednesday, Jan. 11, at the home of Donna Bradbury. Norma Seyfried served as co-hostess.

A check list study of each member and the hazardous household chemicals used in each room of their homes was rather shocking. After bringing the widespread use of hazardous chemicals to our attention, Margaret Sias and Jane Schairer continued the lesson by explaining how we can reduce the amount of household hazardous waste we throw out and suggested the possible alternatives to use instead of these hazardous household products.

After a delicious "Like Christmas Again Luncheon," a business meeting was called by the chairperson, Margaret Sias, to make study plans for future months.

Feb. 8, 10:30 a.m., at the home of Bertha Molsinger, Heart Healthy Desserts will be tasted. Recipes and materials used will be explained by Janet McCalla. Mary Ann Burgess will serve as co-hostess.

WHERE TWO OLD HOUSES used to stand was only a pile of rubble last week. The village purchased the two old homes next to Poma's Pizza on Park St. and demolished them, partially with the help of prison workers. The lot

will be cleared and graded and used temporarily for additional downtown parking. Eventually the village wants to build a new office complex on the site.

"The commitment of Chelsea A & W Restaurant is important to area diners and to Michigan's dairy industry," comments Pickering. "Customers have a right to expect real dairy products at their table, and they can trust that to happen when they see the ADAM Award plaque."

DOROTHEA PIELEMEIER of Chelsea has had a scholarship fund set up in her name at World Peace University in Eugene, Ore. The initial installment is \$1,000. The university is headed by Dr. Richard Schneider, the first director of Spaulding for Children. Pielemeier was also one of the original organizers of Spaulding.

Dorothea Pielemeier Wins Award from World Peace U.

A scholarship fund in the name of Chelsea resident Dorothea Pielemeier has been set up at World Peace University in Eugene, Ore. The fund was established to recognize her as the annual winner of the Planetary Citizen Humanitarian Award given by the university. The university, founded in 1980, is headed by former Chelsea resident Dr. Richard Schneider. The organization is an international education and telecommunications group that promotes world peace, the protection and preservation of the ecology, social justice, and food sufficiency.

According to Schneider, Pielemeier was honored for her faithful, generous and dedicated support of the World Peace University and for her unceasing and unconditional prayers and

support for "her fellow planetary travelers." Pielemeier has supported Schneider's work for 35 years.

Pielemeier was a founding member of Spaulding for Children, the Chelsea-headquartered national adoption agency for hard to place children. Schneider was its first director. She has also been a devoted member of the St. Paul United Church of Christ, has cared for the needy, less fortunate, and has made it possible for many young people and adults to attend church camp through the years.

The Rev. Erwin Koch of St. Paul United Church of Christ presented the award to Pielemeier last Sunday during church service. He was assisted by Diane Reed and Lloyd Schneider, sister and brother of Richard Schneider.

VFW Auxiliary Notes

The January meeting of the Ladies Auxiliary to Veterans of Foreign Wars Post No. 4076 was held Monday, Jan. 9 with 10 members and one guest, Pat Jankowski, junior vice-president of the Department of Michigan from Garden City being present.

Hospital chairman Lucy Platt reported on reduction of medical services being made to veterans and their families, depending on the categories they are placed in. She also stated volunteers for community care are badly needed, and reported on the gifts and party presented to the Veterans on 7 East at the VA Hospital for their Christmas. As cancer chairman Mrs. Platt reported on nutrition and cancer prevention. Legislative chairman stated this auxiliary group should write our senators, Riegle and Levin, and congressman Pursell, regarding veterans cuts and changes.

Twenty-five dollars was allowed for the cancer auction fund-raising to be held at the Department's Mid-Winter conference, Jan. 27-29, in Muskegon. At this time the national president, Mona Longley, will be making her official visit to Michigan.

A testimonial dinner-dance will be held in honor of Department of Michigan president Audrey Dillin on March 11, in Grand Rapids.

The group decided to join the Post in placing black ribbons on corners of deceased commanders' and auxiliary past presidents' pictures hanging on the walls of the VFW Post Hall.

Mrs. Packard requested news items be turned in by Jan. 25 to be published by Feb. 5.

Continued developments for the disabled in the computer and electronics fields are creating opportunities for engineers, computer programmers and others involved in developing and testing equipment for disabled persons. According to "Opportunity 2000," a new publication by the U.S. Labor Department, several companies in these industries have already assigned employees with disabilities to develop and test specialized products for use in the workplace.

"A great part of courage is having done the thing before..."
 —Ralph Waldo Emerson

It is quite natural to be somewhat timid when moving into a situation which involves unknown dangers. It has been said that only fools know no fear, probably because they cannot imagine the hazards they risk.

The unknown dangers that we dread usually turn out to be much worse than reality. The courageous man is able to overcome his fears. It's easier when experience tells him exactly what and where the hazards are.

Our chapel provides privacy and seclusion for the bereaved family during the funeral ceremony. We can also conduct services from any church or chapel you may prefer.

La Leche League Offers Guidance in Parenting Skills

There are not many support groups for parenting in our society, and La Leche League represents a philosophy of nurturing and loving guidance which carries through to all aspects of parenting.

A member of the local La Leche League Group tells what she experienced at her first meeting: "At the first La Leche League meeting I attended, I was nervous about becoming a new mother, and unsure about nursing my baby. I really knew very little about breastfeeding—I just wanted to try."

"I really never took time to put together my philosophy of mothering. But I began to gain perspective on the importance of my job of raising another human being, setting my priorities and goals, and gathering the knowledge to become the mother I wanted to be. La Leche League helped me with all of this."

And another member says: "Through La Leche League I've gained access to information and ideas that I knew I would not have had the time to seek out for myself. Their love and support is a gift for which our young family will always be grateful."

La Leche League International has become known as the world's foremost authority on breastfeeding, and is now more than 30 years old. What is not always evident is the scope of the organization. The League has information on meeting the needs of both the child and the family. Prenatal care, childbirth, the psychological aspects of breastfeeding, child care, loving discipline, nutrition for the whole family, helping build a child's self-esteem, sibling rivalry and educational opportunities are just a few of the topics addressed by this organization.

The information available, along with the support provided to mothers, make this a group that mother and baby can benefit from a long time after breastfeeding—know how has been acquired.

La Leche League meetings are held in homes by a trained and accredited leader who volunteers her time. La Leche League publishes information on breastfeeding and parenting; leaders provide phone counseling. La Leche League has the latest research information on breastfeeding and since 1974, physicians have been able to obtain continuing medical education credits by attending LLLI's Physicians' seminars on breastfeeding.

It is widely recognized today that breastfeeding is the best way to feed a baby. However, there is more to breastfeeding than nutrition. Many mothers speak of the special bonding that breastfeeding allows them to have with their babies.

Approximately 80 percent of women begin to breastfeed in the hospital, but many quit sooner than they would like or do not enjoy the experience. The fact is that with the correct information, almost any mother can successfully nurse her baby. Even mothers who work away from home can breastfeed their babies and enjoy this special closeness.

La Leche League of Manchester serves this area and will hold its next meeting on Jan. 24, at 7:30 p.m. The meeting will be held at 105 E. Duncan, Manchester. For further details, call (313) 428-8831.

VFW Auxiliary Notes

(Continued from page five)

Jan. 14 was to be postponed to Jan. 21 with the approval of the Post in order to have a larger attendance due to other commitments by auxiliary members.

The Sixth District will be convening on Feb. 5, at Brighton with reservations to be turned in to Lois Speer by Feb. 1.

A letter was received and read to the assembly from Ron and Patty Short, former Chelsea residents now residing in Arizona, where they are members of the VFW and Auxiliary.

The next auxiliary meeting will be Feb. 13 in the VFW Hall.

The University of Michigan Transportation Research Institute regularly conducts observed safety-belt-use surveys throughout the state. According to its most recent study conducted in May of 1988, 45.1% of drivers and front-seat passengers wear their safety belts, continuing a two-year-long trend that followed passage of Michigan's mandatory safety-belt law. Over 48,000 injuries have been prevented because of Michigan's safety-belt-use laws.

SOUTH SCHOOL CHILDREN recognized Martin Luther King, Jr. Day on Monday with the theme "Reach Out and Touch Somebody." The children created paper people holding hands and stuck them to the hallway ceiling. The goal was to make enough paper people to circle the school in the hallway. Some of the children were, from left, Jessica Inwood, David Klink, Matt Schuh, Vincent Scheffler, Leslie Castleberry, Sarah Martin, Shelly Cameron, Patrick Murphy, Katie Taylor, and Brenda Newman.

"REACH OUT AND TOUCH SOMEONE," was the theme of the day Monday at South Elementary school where children had a variety of activities in observance of Dr. Martin Luther King, Jr. Day. Above, the children held hands and walked the corridors of the school singing the theme song.

Letters to the Editor

Dear Editor:

It was with much trepidation that I read the Jan. 4 article titled "Deer Continue Assault Against Area Drivers." I shudder at the thought that at this very moment tens of thousands of deer are plotting a mass of terrorist suicide attacks upon our vehicles.

This can be a gruesome business. We all know that prying a big buck off the grill of your Blazer can ruin designer footwear.

There have been other animal conspiracies too. If it wasn't for President Carter's skillful use of a canoe paddle against the attack of the killer rabbit, the history of this country and the peanut industry would have been forever changed.

There are those who say that the rabbit acted alone; I say no way.

High School Changes Grade Point System

Due to changes in the computer program, grade point averages at Chelsea High school will now be figured on a traditional 4.0-scale rather than the 11.0 scale of the past. The change will show up on report cards for the first semester.

According to principal John Williams, the new system will put CHS more in step with the rest of the academic world.

"In the past, our counselors have had to convert our grade points to a 4.0 system for college applications anyway," Williams said.

"The 11.0 scale has also created some difficulties for students transferring into the district and when our students transfer to other districts around the state and country."

However, one of the advantages of the 11.0 point system is the ability to differentiate between a plus grade and a minus grade, Williams said.

"In many schools a grade of 'B' is worth 3.0 points whether it is a B-plus

or B-minus or a straight B," Williams said.

"After consultation with the guidance office, our new system will be based upon the 4.0 for a straight A, but we will differentiate between pluses and minuses."

The following is a list of points for each grade:

A+/A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0
C-	1.7
D+	1.3
D	1.0
D-	0.7
F	0

Each report card will also show the grade point average for a student's high school career. Past records have been updated to reflect the new system.

Chelsea Music Boosters, at their executive board meeting held Friday, Jan. 11, announced final plans for their annual fund-raiser.

President Judy Moisan outlined plans for the program. The Music Boosters will sponsor a dinner/dance entitled "The Snow Ball." The dance will be held Saturday, Jan. 28, at 6:30 p.m. at the Chelsea High school cafeteria. The dinner show will be provided by the Chelsea High Jazz Band, Contemporaries, Silhouettes, and the Junior High Quartet. The orchestra will provide chamber music throughout dinner.

President Moisan, also announced that the dancing music will be provided by the Saline Big Band.

Let's Go

Bulldogs!

Dog Cagers Look Tough In Loss at Tecumseh

Chelsea Bulldogs played their "best game of the season," in a 60-55 loss at Tecumseh last Friday in the only action of the week.

That was the assessment of Chelsea coach Robin Raymond, whose Bulldogs had a couple of chances to tie the game with less than two minutes to go. A fumbled pass and a bad pass turned a 51-49 deficit into a 55-49 hole. From there the Southeastern Conference leaders used the momentum and considerable fan support to cruise to the win.

"In fact, had the Bulldogs shot their normal free throw percentage, they probably would have won the game. Chelsea hit just 7-20 tries.

"We had a lot of chances, no question," Raymond said.

"They were real intent on stopping Brian Burg inside and they packed the zone. We got open for a lot of 15 to 16 foot shots, but they just didn't fall. We had a couple of nice passes that went off players' hands. But we showed ourselves that we can play with the best team in the league in their gym. We played well in a very tough situation."

It was by far the loudest gym the Bulldogs have played in all season. Raymond said that even in the team huddle the players had a hard time hearing his instructions. And the noise seemed to rattle some of the younger Bulldogs. For example, sophomore Kerry Plank, normally the team's best free throw shooter in practice, missed all five of his attempts.

The Bulldogs did not match up well with the Indians as Tecumseh was both taller and wider on the front line. In addition, Tecumseh has three good outside shooters.

However, Chelsea won the battle of the boards, 43-36, as they grabbed 20 offensive rebounds. Kerry Plank had 10, Kyle Plank, Chad Starkey, and Collins each had seven, and Burg had five.

And Tecumseh's best three-point shooter, Jeff Walters, was held to seven points. The Indians hit just two three-point goals all night.

Chelsea took an early lead as the fast break game was working well. However, the Indians quickly took command and by half-time held a 34-26 lead.

The Bulldogs scored the last seven points of the third quarter. Early in the final period Chelsea began to put pressure on the offensive boards. On one possession Chelsea had a shot and two offensive rebounds but couldn't make any of them fall. Then, at the 6:20 mark, Tecumseh ran an inbound play to perfection that resulted in a lay-up. Another jump shot fell shortly thereafter and the Indians had an eight-point lead.

After a Chelsea timeout, the

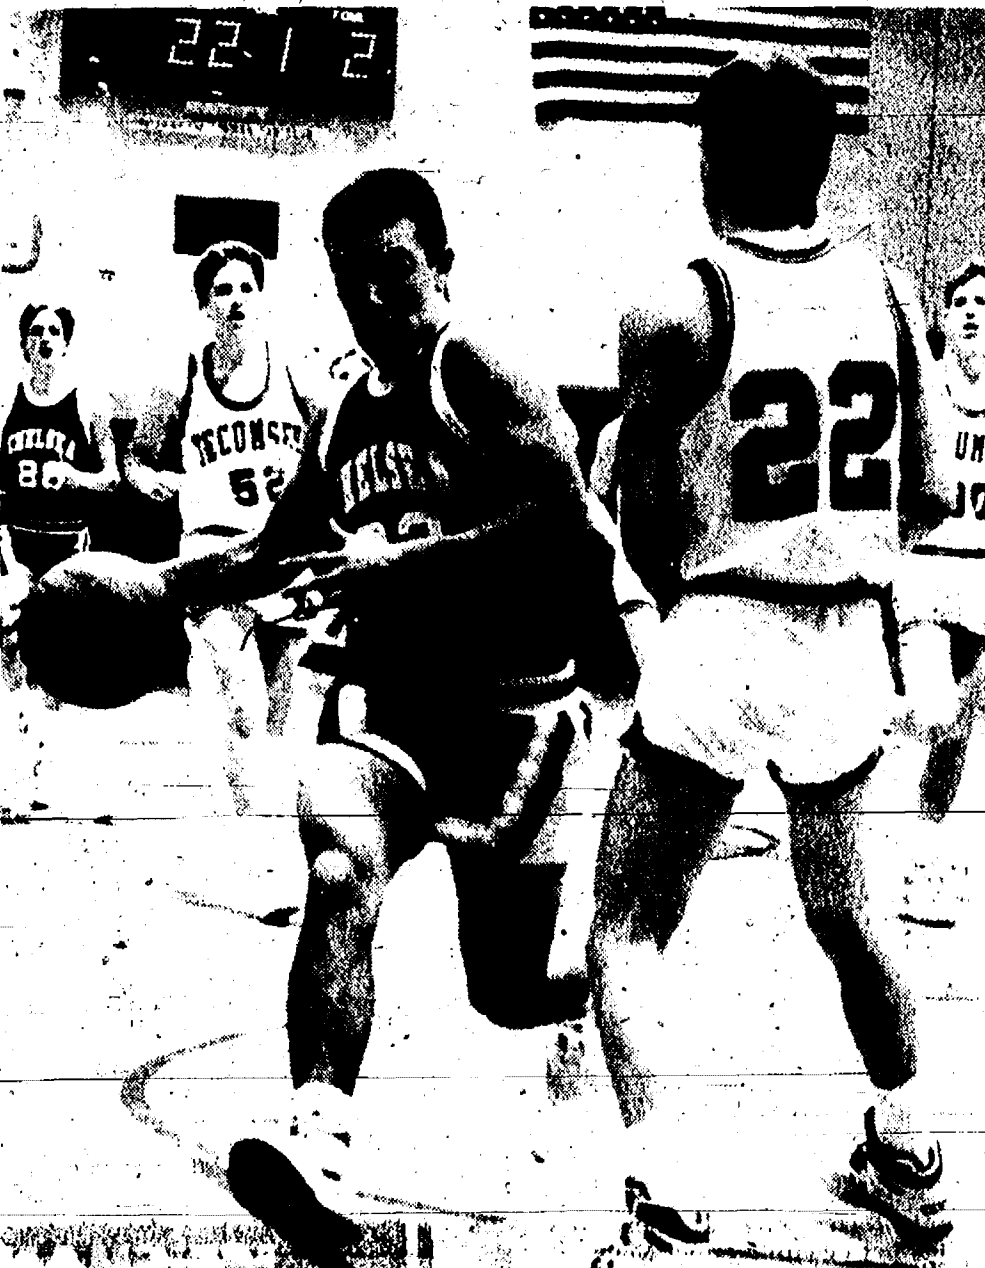

Bulldogs went on a 10-4 run as Burg scored six points. Junior Morseau hit a jumper and John Collins got a tip. That cut the deficit to 51-49.

"Everytime we made a run, Tecumseh didn't let up," Raymond said.

"They have good balance and they rotate their players. Tecumseh is a well-coached team."

Burg led all Chelsea scorers with 15 points, Collins scored 12, and Starkey had 10. Kyle and Kerry Plank each scored four points, Morseau had four, and Phil Eassa scored two.

Chelsea hosts Pinckney this Friday

CHELSEA GUARD JUNIOR MORSEAU runs by Tecumseh's Jeff Walters for an early lay-up during last Friday's game in Tecumseh. Chelsea gave the league-leaders all they could handle. Friday night Pinckney comes to town.

JV Bulldogs Drop Game to Tecumseh

Turnovers again ambushed the Chelsea Bulldogs JV basketball team

as they lost on the road to the Tecumseh Indians last Friday, 70-54.

The Bulldogs had 29 turnovers, many due to an aggressive Tecumseh press. The Indians were able to turn many of the Bulldog mistakes into points.

"We have to get our concentration level up as a team," said Chelsea coach Jeff Dils.

"We don't seem to have the good chemistry and I'm not sure we're ready to play every night."

Chelsea never had the lead. Tecumseh led by six or eight points most of the way before pulling away in the closing minutes. The Indians held a 33-25 half-time lead.

Dils said that despite the score, Chelsea played fairly well defensively. In addition, the team shot 45 percent from the field, although they only took 44 shots due to the turnovers. Chelsea lost the rebounding war, 31-29.

"Our forwards and centers are playing fairly well," Dils said.

"But we don't have a good flow into the offense. And I think we're starting to press a little bit. We need to get our confidence back."

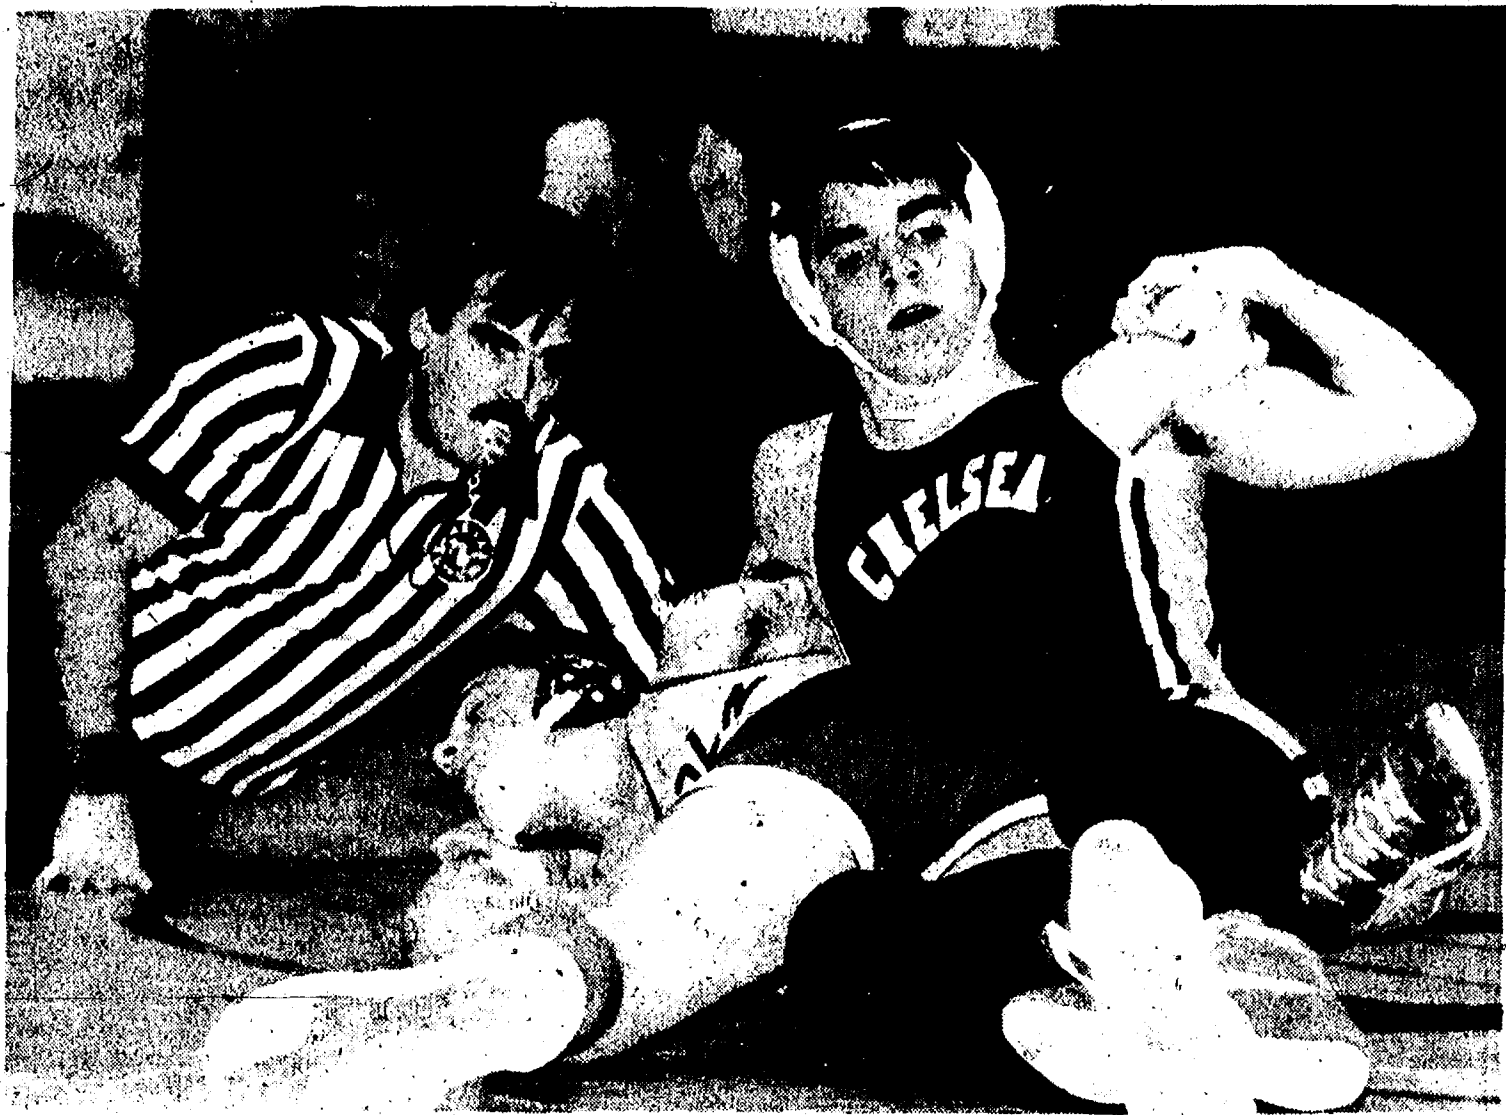

Chelsea fell to 2-7 on the season.

In the final game of the first half of the season. The Pirates may have the best over-all talent in the league.

The Bulldogs will be facing an even faster-paced team than themselves. Pinckney presses all over the court and likes to run on offense. They have perhaps the best player in the league in 6-3 forward Kyle Bonisteel and their bench can easily go eight or nine players deep, Raymond said.

"We are passing the ball well now," Raymond said.

"If we don't throw the ball away in the back court and can get it to the open man, we'll be all right."

DOUG WINGROVE was one of Chelsea's most accomplished wrestlers last week as he pinned his Lincoln opponent in 1:50 and was one of three Chelsea champions at the Hillsdale Invitational last Saturday.

Bulldog Wrestlers Take Hillsdale Invitational

Chelsea Bulldogs wrestlers continued their remarkable 1988-89 season with a 54-12 win at Lincoln last Tuesday and a first-place finish in the Hillsdale Invitational on Saturday.

The Bulldogs are 14-1 in dual meets and have yet to place lower than third in an invitational meet.

"We are wrestling exceptionally well as a team," said Chelsea coach Kerry Kargel.

"The desire to win has been there and Saturday was a good indication of it. We had five over-time matches and we won every one of them. The kids are pushing themselves to win and our conditioning has really paid off for us."

In the Lincoln meet, Chelsea lost just three of 13 matches. They won the first six matches and essentially put the meet out of reach.

Freshman Carl Wickman continued his fine season with a pin of Rick Rickett in 3:40 at 103 pounds.

At 112 pounds, Eric Hanna decisively won over Kevin Day, 10-4.

Pat Taylor, at 119 pounds, had one of the quickest pins of the season as he stopped Chuck Burnett in 1:18.

At 125 pounds, Reno Nye earned a technical fall over Brian Cole, 15-0.

Co-captain Craig McCalla pinned Mike Cole at 130 pounds in 5:54.

Jim Hassett completed the string with a 10-4 decision over Chris Sakall at 135 pounds.

Adam Taylor, at 140 pounds, suffered the first Bulldog loss as he was pinned by Job Toby in 1:32.

Doug Wingrove, at 145 pounds, and Dean Sutherland, at 152 pounds, each earned pins. Wingrove whipped Jeremy Hilobuck in 1:50 and Giles Marks was pinned by Sutherland in 1:55.

Chelsea's Matt Herter, at 160 pounds, lost a 5-3 decision to Jeff Laferty, and Bulldog Pat Hassett lost to Elbert Collins at 171 pounds, 11-8.

Tim VanSchoick came back with a pin of Juan Perez, at 189 pounds, in 1:36.

Chelsea's Mike Taylor won by forfeit at heavyweight.

At Hillsdale, Chelsea had three champions and 10 place winners. Chelsea had 150.5 points, ahead of second-place Jackson County Western with 139 points. Rounding out the teams were Hillsdale 111, Jackson Lumen Christi 93, Jonesville 85.5, Carlton Airport 77.5, Marshall 76, Homer 58, Napoleon 44, Dexter 42, Hudson 38, and Pittsford 6.

Chelsea champs included Pat

Taylor at 119 pounds, Wingrove at 145 pounds, and Sutherland at 152 pounds. Each finished 3-0.

"If I had to vote for the three outstanding wrestlers of the tournament, our three champions would have gotten my votes," Kargel said.

"Pat won the medal for least amount of time wrestled, Doug won in over-time, and Dean beat a kid who was 18-0."

For three matches, Pat Taylor was on the mat for a total of 2:46 as he had three quick pins.

Chelsea had five third-place finishes. Wickman, Hanna, Jim Hassett, VanSchoick, and Mike Taylor all finished 3-1.

Reno Nye and McCalla each finished fourth.

It was a tight race to the end. Going into the finals, Chelsea led County Western 134.5-119. However, County Western had six wrestlers in the finals, compared to Chelsea's three.

Sutherland and Taylor each pinned his opponent.

CHELSEA'S CRAIG McALLA pinned Lincoln's Mike Cole in 5:54 as the Bulldogs went on to dominate the Rattlesplitters in Southeastern Conference action last week. He also finished fourth at Saturday's Hillsdale Invitational, a tournament won by the Bulldogs.

Girard Qualifies for State Meet; Bulldog Tankers Top Lincoln

Chelsea Bulldog swim coach Dave Jolly said his team showed marked improvement last week as they beat Ypsilanti Lincoln, 98-67, and lost to a strong Novi squad, 109-63.

Chelsea got the week off to a good start by beating Lincoln.

"After coming off a fairly successful Christmas break, the Bulldogs were ready to get back to swimming meets," Jolly said.

"There were no spectacular times in the meet but the Bulldogs simply did what they needed to win."

Garth Girard won the 200-yard and 500-yard freestyle in 1:58.11 and 5:10.87, respectively.

Brett Paddock won the 200-yard individual medley with a time of 2:16.73.

Von Acker paced Chelsea in the 50-yard freestyle, cruising to a first place time of :24.19. Dirk Colby's :26.3 was a personal best in the event and placed in fourth.

Mark Luick and Jamie Basso finished first and second in the diving and kept regional qualification hopes alive.

Brian Brock won the 100-yard backstroke with a time of 1:09.27. The final win for Chelsea was in the 400-yard freestyle relay.

On Thursday Chelsea was back home to swim against Novi.

"The Bulldogs had a tough time in the win column with this meet, but

many excellent times were swam," Jolly said.

The Bulldogs started off by finishing second in the medley relay. Paddock, David Oesterle, Girard, and Acker swam an excellent time of 1:48.82.

Joe Heutteman came back with an excellent time of 2:00.51 in the 200-yard freestyle.

Brett Paddock had a season-best time in the 200-yard individual medley, going 2:15.32.

Acker and Colby had season best times in the 50-yard freestyle in :23.63 and :26.03, respectively.

Luick and Basso again earned first and second in the diving, both with season-best performances.

Colby had a season-best time in the 100-yard freestyle of :57.64.

Girard supplied the biggest thrill of the meet by placing first and

SPORTS NOTES

BY BRIAN HAMILTON

The Bulldogs served notice Friday night that they should be taken seriously by Southeastern Conference rivals over the rest of the season.

Chelsea went to Tecumseh and lost by a mere five points, 70-65, in one of the loudest gyms I can ever remember sitting in.

Tecumseh, as of Friday, was undefeated in the league. Chelsea fell to 2-3.

However, I bet if you asked any one of the players, they'll tell you they could have, and maybe should have, won the game.

The Bulldogs were within two points late in the game and had a couple of chances to tie. Perhaps if they had tied, Tecumseh might have panicked a little.

The Bulldogs should be hopeful. They stayed within five despite a horrible night at the free throw line, despite missing several inside shots, despite turning the ball over at inopportune times, and despite playing a team that had a lot more height and a lot more beef, and even a better outside shooting game.

And, boy, if the Bulldogs can only get the kind of fan support the Indians had. It was so loud there that I couldn't hear a single word coach Robin Raymond said to his players and I was sitting right behind him. Of course, it's a little like sitting in a cavern in Tecumseh, or a little like sitting in the Beach Middle school gym as the sound tends to rattle around. But the Tecumseh gym was absolutely packed and the student section was organized in its cheering, which didn't stop all night long. They had cheers for free throws, for individual players, and I think even for innocent pedestrians walking down the court.

And it was a little like Halloween there. Kids were dressed as hockey-masked Freddie. Another boy walked through the gym in the closing minutes dressed as the Grim Reaper. Others had their faces painted, and a couple of kids even looked like some sort of animal (but I didn't see anyone dressed as an Indian—maybe it was too obvious).

Despite all of that, Chelsea very nearly beat the best team in the league.

If the Bulldogs can play the consistent kind of game they played against Dexter, and get even half the rousing support that Tecumseh had, the Pinckney Pirates, the pre-season favorites, are going to have a tough time this Friday.

The Bulldogs are also serving notice that they are going to be one fine team next year. Friday there were only two seniors on the floor, John Collins and Junior Morseau. Larry Nix and Jeff Marshall, two of the most experienced Bulldogs, were out with injuries.

Friday is the debut of the "Dog Pound," the re-instated student section in the balcony. Tecumseh has their "Jungle," Chelsea has its pound.

The new theme has all kinds of possibilities for ranting and raving, side shows, and general game-time nonsense that can be as fun to watch and listen to as the game itself. If it gets frantic and funny enough, maybe the parents will move themselves to the other side of the gym just to see what all the commotion is about.

I only hope the students don't waste the opportunity and simply sit in the pound like dogs waiting for someone to take them home. There's no point in being laid-back at a basketball game. It's like going to Cheap Trick concert and only tapping your foot in time to the music.

Last week's column about the Dexter Dreadnaught basketball team has provided an interesting lesson in newspaper circulation.

You may or may not know that the publishers of The Standard also publish The Dexter Leader. That column did not appear in the Dexter paper.

However, we have gotten so many calls and comments from people in Dexter that it probably wouldn't have created any more commotion if it had appeared in The Leader.

The most surprising part is that most of the comment has been favorable, which I most definitely did not expect.

Athletic Director Dave Diles was one of the few detractors. He told me a lot of things, all of it off the record.

Apparently, though, a lot of people feel like the full story about the basketball program has not been told. They say there are a lot of rumors floating around about who did what and why, and that those rumors may be more destructive to the program than anything that actually happened. Someone even mentioned the possibility of going directly to the school board for the answers.

One person talked about the "Catch-22" for parents of children in athletics. She said those parents are often afraid to make waves because they fear their children will be the ones to suffer for it. And by the time their children are out of sports, they aren't really interested anymore.

Despite all that, the Dreadnaughts beat Saline last Friday in Saline, and I couldn't be happier for them.

This column won't appear in the Dexter paper, either.

Beach Wrestlers Whip Tecumseh

On Thursday, Jan. 12 Beach Middle school wrestlers knocked off Tecumseh, 108-54, in what was supposed to be a much tougher meet, according to coach Mike Walton.

In order to allow for as many matches as possible, Chelsea re-arranged its line-up, which gave Tecumseh a considerable weight advantage in some spots. In addition, most of the Tecumseh wrestlers were fairly experienced.

"I'm trying to figure out if it's the farm crops or the water but something is generating an outstanding group of wrestlers in the area," Walton said.

At the Tecumseh meet at Beach school, the Bulldogs pinned 17 opponents and earned two decisions in 33 matches.

Beach wrestlers include captains Ian Dyer, Vince Stahl, Adam Heber, Kevin McCalla, and John Heller, and Danny Alber, Ryan Gerardi, Tim Wescott, Brad Martell, Todd Watson, Kevin Reese, Jim Sarna, Dale Hanson, Bryan Cunningham, Shane Herbert, Chris Kargel, K.C. Harr, Andrew Parker, Matt Herbert, Casey Schiller, Scott Leeman, Joe Cesarz, Jason Szostak, Steve Thomas, Jay Westcott, Paul Lopez, John Bobo, Alan Hewer, Bruce Gooden, Danyon Collins, Eric Dougherty, John Mize, Ken Slane, Frank Lopez, Ed Greenleaf, Matt Dymond, John Hoffenbecker, Mark Kemner, Christopher Davis, Rob Bergman, and Robbie Cameron. Sixth grade managers are Dan Watson and Eric Bergman.

Free Throws Key Win For Chelsea Frosh Cagers

Chelsea freshman cagers hit five key free throws in the last 1:22 of the game to give the Bulldogs a 44-41 victory over the Tecumseh Indians last Monday, Jan. 9.

Down 41-39, Adam Tillman made two free throws to tie. Jake Rindell followed with two free throws to give Chelsea a two-point lead, and Ben Hurst made one shot to seal the game.

"After a three-week lay-off, this

QUESTION:

What Kind Of People Go To Chiropractors?

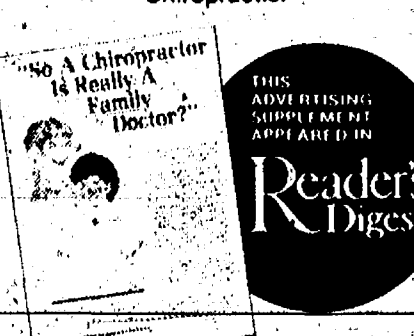

ANSWER:
People Who Want To Get Well Without The Use Of Drugs Or Surgery.

Chiropractors treat people from all walks of life: older people—children; laborers—office workers; professional athletes—weekend sports enthusiasts; business people—and other health-care professionals go to chiropractors. The reason: chiropractic is an approach to health which utilizes the body's inherent and natural recuperative powers. And often, chiropractic has been successful where other treatment has failed. You don't have to have a special kind of health problem to visit a chiropractor.

Today's Investor

By Thomas E. O'Hara
Chairman, Board of Trustees
National Assoc. of Investors Corp.
& Editor, Better Investing Magazine

Q. I made the mistake of investing \$20,000 in September of 1987 just a month before the stock market went into its big nose-dive. I bought McDonald's at \$80 1/4, Philip Morris at \$124, Quick & Reilly at \$25 and Ball Corp. at \$45 1/4. As you know a year later, the prices of these stocks on the average are down more than 25% from what I paid. Do you see any chance that I will ever get even and do you have any suggestions for me?

A. For your first venture into the stock market, you did an excellent job in picking stocks. Your timing was unfortunate. When I have a large amount of money to invest, I find it is a good idea to invest about one quarter of it at a time and spread my purchases over about six months, unless I'm convinced each stock I'm buying is selling at a very favorable price.

As to your chances of seeing your stocks get back to the price you paid for them, and more importantly, move on to new highs, let's look at each one individually. In the year since you bought McDonald's, sales are up 13% and earnings per share are up 18%. McDonald's figures all the way through are the best in the industry, which suggest it is the best managed of any of its competitors. The company is getting more valuable all the time and this will be reflected in the price of the stock in time.

Philip Morris also is a giant company with outstanding management. Sales this year are up about 10% and earnings per share for the first nine months were up 30%. The company has just purchased Kraft, which also is an excellently managed company, and has placed the man who was running Kraft in charge of its whole grocery business. It looks like this company will also continue to become more valuable.

Quick & Reilly is a very different company from the others you have bought. It seems to be a well-managed company, but it is in a very cyclical business. It is also in the most cyclical end of a very cyclical industry. I would be inclined to hold this company until the next boom in the brokerage business. That might be two or three years off, but at that time my guess is that you would be able to sell it for at least as much as you paid for it.

Ball Corp. has had an excellent record, but is having a year where sales are even and earnings per share are down. Management has stated it expects next year will be better.

Making investments over a period of time is important. If you could reinvest your dividends in these stocks, this would help lower your average cost and increase your ultimate profit prospects.

JV Wrestlers Have Fine Week

Chelsea Bulldog JV wrestlers had 11 winners against Lincoln last week. In addition, nine Bulldogs placed at Saturday's Comstock Invitational.

Against Lincoln, seven Bulldogs earned pins, including Terry Reynolds, Kelly Beard, Jeff Holzhausen, Grant Kidd, Andy Dehring, and Neil Klink. In addition, heavyweight Mike Terpstra wrestled twice and won both times by pin.

Pat Pinson, Steve Tourro, and Chuck Kovick each won decisions for the Bulldogs.

The only Chelsea wrestlers to lose were Jeff Stump and Steve Riddle.

In Saturday's tournament, Kovick and Klink were each champion in his weight class. Beard took a third place, Pinson, Kidd and Terpstra were each third, and Stump, Holzhausen and Matt Gaken each took fourth place.

Ann Arbor Man Dies in I-94 Crash

A 25-year-old Ann Arbor man was killed Sunday afternoon after being thrown through the window of a car in an accident on westbound I-94 near M-52.

According to police, Christopher Zdanowitz, 871 N. Maple Rd., was not wearing a seat belt when the accident occurred shortly before 6 p.m. He died at University of Michigan Hospital at 8:54 p.m.

Reports indicated that Zdanowitz was in the back seat of a car driven by Bill M. Fitzgibbon, Jr., 34, of Ypsilanti township. Fitzgibbon apparently tried to change lanes but ran into a car already in the lane. Fitzgibbon's car ran off the road and slid into a tree, reports said.

Fitzgibbon was reportedly not seriously injured.

Meet the people who make "Brazil" so special. Join them in religious ceremonies, in their homes, during festivals, and in small events that celebrate their joy in living.

Take a giant step into the future in the capital city of Brasilia. The people live in superblocks where shops, schools, cinemas, and churches are designed conveniently.

Journey into the Rio Grande Du Sol for a day of hard riding and roping with the gauchos of Brazil. Join them at day's end around the campfire. In the European style of Port Alegre, meet delightful wine growers who open their house to us.

In the frantic city of Sao Paulo, go on a shopping spree in this the largest city in South America. Recuperate in Santo, the beach resort where busy city people get away for rest and relaxation.

Rio de Janeiro is a name that conjures up wealth, pampered lifestyles, and colorful nightlife. Rio does not disappoint. Visit the world's most glamorous hotels. Explore the beaches at Copacabana and Ipanema. See the life of people in the Favela, a city within a city.

Visit some of the world's great natural wonders, Iguassu Falls. Buddy filmed the Falls in three countries; Argentina, Paraguay, and Brazil, to give you three startling views.

See the secrets of a world famous sand painter, a lace maker, and observe the quick but sure movements of a young clay sculptor.

Help the fishermen of Salvador-Bahia pull in nets with fish of every size and description. Experience the everyday life among Bahian women in the marketplace.

Be prepared for the adventure of a lifetime on the Amazon River. Fish for the giant, man-eating piranhas.

Open your heart to the cornucopia of delights and discoveries in "Brazil."

Single admission tickets will be available at the door.

Foster Homes Needed By Social Service Agency

Reports of child abuse and neglect have increased dramatically in Washtenaw county over the past two years. This means that there are more children who must be placed outside of their own homes.

The Department of Social Services is in need of more family foster homes to provide care for these children and to work with the agency toward their safe return home.

The children who come into care are all ages and come from all racial and ethnic groups. Especially needed are families who are willing to care for children ages 10-17, groups of brothers and sisters, emotionally impaired children, pregnant teens, sexually abused children and black children of all ages.

Foster parents work with the Department as members of a team. They need to provide love, security,

and patient understanding for children who are suffering from the traumatic effects of being separated from their families. Foster parents arrange for the child's medical and dental care, work with schools, and plan recreational activities.

They also provide transportation for visits with biological families and, when appropriate, work directly with the child's parents to promote reuniting the family.

Six orientation classes are offered to prepare families for the foster care experience. The next series starts Wednesday, Jan. 25 from 7 to 9 p.m. at the Department of Social Services, 2350 W. Stadium Blvd., Ann Arbor. Anyone who would like to attend or to know more about the program, please call Pat Ruby at 994-1694.

JUVENILE PERIODONTITIS REQUIRES EARLY INTERVENTION

Q: I thought gum disease only affected older adults. Is it true that children can suffer from gum disease as well?

A: Although "gum disease," or periodontal disease, is more prevalent in adults, it's important for parents to realize the disease affects all age groups.

About 10% of American children suffer from a virulent form of gum disease known as "juvenile periodontitis." According to the American Dental Association, this rapidly advancing form of gum disease usually strikes the permanent teeth of otherwise healthy children. The disease often lacks symptoms, just as in the adult form, and the gums appear normal. Often, the disease is diagnosed when routine dental X rays unexpectedly reveal bone loss around the teeth.

When diagnosed early, juvenile periodontitis can be treated. If neglected, it can spread beyond the initially affected teeth to the remaining teeth and result in loss of permanent teeth, just at an age when appearance and peer approval mean a great deal. Early loss of permanent teeth can also result in undesirable growth patterns in the young developing jaw leading to even greater problems later in life.

Your best defense against juvenile periodontitis, like any dental disease, is regular dental visits including diagnostic X rays.
