ONE HUNDRED-EIGHTEENTH YEAR—No. 48

CHELSEA, MICHIGAN, WEDNESDAY, APRIL 26, 1989

24 Pages This Week Plus Supplement

JOHN BOWDISH has been clearing this land off Old US-12 between Freer Rd. and Harper Dr. to begin a housing project. Lima Township Planning Commission recommended that 24 acres be re-zoned to RS, with the stipulation

that no more than 12 homes be built on the 32 acres and that no parcel be less than two acres. Eight acres was already zoned RS.

Lima Planners Approve Change in Zoning for Small Housing Project

A Chelsea-area man who wants to build a small housing project just west of Harper Dr. has been supported by Lima township's planning commission in his efforts to re-zone the land.

The commission, after a public hearing, voted to recommend that the township board change the zoning of 24 acres of land off Old US-12 owned by John Bowdish from agricultural to suburban residential use. The action came at the Tuesday, April 18 meeting.

However, the recommendation came with a stipulation that the minimum lot size be two acres rather than the normal one acre. In addition, there was also the stipulation that no more than 12 homes would be built. The entire parcel is 32 acres.

The commission's recommendation now goes to the Washtenaw County Planning Commission. The final decision will be made by the township board.

"Nobody was really opposed to the development," said planning commission chairman David Bacon.

"There were concerns about having one-acre lots with no other restrictions."

The entire area has been called a water re-charge area, which is more likely than other areas to sustain groundwater pollution from septic systems. The issue was initially raised when the Upland Hills Subdivision,

planned for immediately east of Harper Dr., was proposed.

Bacon said Bowdish has proposed to build the homes himself as a kind of on-going self-employment. For that reason, the project will probably move fairly slowly. He said although township laws say the minimum size of a home is 1,000 square feet, Bowdish is proposing homes about 2,000 square feet.

In other planning commission business, a public hearing was set for Tuesday, May 2 at 8 p.m. on a propos-

ed quarrying operation off Old US-12 east of Fletcher Rd.

Erv Stone, who lives on the property, wants to build a six-acre pond, Bacon said. He wants to bring in a portable separating plant. He already has necessary permits from the Department of Natural Resources. His long-range plans are to build a mobile home park. The area is zoned for mobile homes.

"We're primarily concerned with traffic and dirt on the road," Bacon said. "There is a fair amount of material to be removed."

School District Explores Starting Educational Foundation

Chelsea School District may soon join the growing number of districts to set up a special local educational foundation.

The foundation would help provide funds for special projects, equipment, or other items that are not likely to be funded in the district's general budget. Mini-grants for teachers, extra computer equipment, and travel by students or staff are just a few of the many projects the foundation could help fund.

"I think the idea is a winner," said superintendent Joe Piasecki, whose

previous school district, Breckenridge, had just put a foundation in place when he was hired here.

"I hope we're on our way by September."

Piasecki approached the Chelsea Civic Foundation about the idea of a joint venture. But the prevailing opinion was the district might have more funds available to it if it formed a foundation on its own.

The ideal situation, Piasecki said, would be for the district to collect enough money to have an endowment and fund projects through the interest on the money. He said some founda-

tions simply collect money annually, through memberships or special events, and spend it.

"I know there are some people in town who would love to give to an educational foundation," Piasecki said.

Chelsea Board of Education would have to approve the expenditure of any money and would have the right to refuse to fund any project. The board would also have to approve the idea of an educational foundation.

Piasecki is in the process of attending to all the paperwork involved, which he said is about a six-month process. The district has to deal with the state attorney general's office, and the Internal Revenue Service, among other agencies.

He said the next step is for the board to set up a committee to study the proposal on a more in-depth basis.

Council Adds Benefit for Employees

Village of Chelsea has added a benefit for its employees without additional cost to the village.

Village council voted to adopt a deferred compensation package for all employees.

Although some details of the plan were still sketchy, the basic idea is to allow employees to tax shelter money in much the same way as an IRA. The income, which would be contributed on a regular basis, would not be taxed until it was withdrawn.

The money would be invested through a broker.

Village manager Robert Stalker initially favored setting up the plan only

Restored Chelsea Courthouse Law Day Tours Offered

In celebration of Law Day 1989, the restored Chelsea Courthouse, 122 Main St., Chelsea, will be open for tours on April 28, from 8:30 a.m. to 4:30 p.m.

If a group would like to tour the facility and discuss court procedures with Judge Fink, a member of his staff or a local attorney, please contact his secretary, Beth, at 475-8806.

Village Shoppers Want More Variety, Parking According to DDA Study

Ames Department Store, to probably the surprise of no one, has changed how some village residents shop.

However, the way it has changed residents' habits may surprise many.

According to the results of a recent mail survey of the village and surrounding townships by Chelsea's Downtown Development Authority, Ames is apparently keeping village residents from traveling to stores in Jackson and Ann Arbor rather than drawing business away from the downtown area.

Of village residents who responded to the survey, 40 percent said the department store had changed their habits, and two-thirds of them said the store is cutting down their out-of-town shopping trips.

Sixty percent said Ames has had no effect on their shopping habits.

"Ames doesn't seem to have had a great effect on the downtown area," said DDA consultant Franz Mogdis, who designed and implemented the survey.

So far only the results from the village portion of the survey have been tabulated. The survey was mailed to 25 percent of the households in the village (about 960 residences) and 25 percent (400 households) in Lima, Lyndon, Dexter, and Sylvan townships.

More than 50 percent of the surveys from the village and 33 percent from the townships were returned.

"That's an absolutely incredible response rate," said Mogdis.

"I've probably done 20 or 25 of these surveys and this is by far the highest I've ever had. That's good because it shows village residents are very concerned about their community. Usually if I get a 20 percent response rate I'm very satisfied."

Village residents, according to the survey, appear to be concerned about retail mix and prices more than any other aspect of downtown.

To the question, what improvements would you most like to see, the top response was "better restaurant," improved parking and

better prices tied for second, and expanded shopping hours came in third.

"Although we don't have the numbers tabulated, in the townships it appears that better parking is the number one concern," Mogdis said.

When asked what improvements would be important to the future of downtown, additional retail businesses rated number one, improved parking was second, and a good family restaurant was third. Additional housing and office space were identified as least important.

The five top retail "gaps" in the downtown area, Mogdis said, were identified in order as 1. a shoe store; 2. family restaurant; 3. women's clothing store; 4. fabric store; 5. bookstore.

When asked what is disliked most about the downtown, 30 percent said a lack of parking, 27 percent answered overpriced goods, and 18 percent said a lack of variety of goods.

Quality of goods is apparently not an issue with shoppers. In addition, in contrast to many survey's Mogdis conducts, not many people are worried about the cleanliness, safety, or attractiveness of the downtown. All

three of those areas were rated good to excellent by a minimum of 75 percent of respondents.

On the other end, shopping hours were rated fair to poor by 40 percent, and variety and cost of goods were rated fair to poor by 60 percent.

"On the positive side, Chelsea is lacking many of the problems other communities face in terms of cleanliness, attractiveness, and safety," Mogdis said.

"I think what the results of this survey will do is enable the DDA to put together a package that deals with physical improvements and retail types of concerns. They've already begun to work on the parking. But they also need to deal with the retail mix, and promotion and marketing of the downtown, and the perception of high prices. The survey should help them target the types of retail businesses to go after."

DDA is scheduled to begin working on the new long-term parking lot behind the fire hall this summer. It should be ready in time for the summer event that has been called Sidewalk Days and Chelsea Fun Daze.

Sixth Grade Camp Begins on Monday

Sixth graders take to the cabins and woods next week as Beach Middle school holds its annual Sixth Grade Camp at Mill Lake in the Waterloo Recreation Area May 1-5.

Half the sixth graders will spend Monday noon through Wednesday noon at the camp, and the other half will arrive Wednesday and leave Friday.

"Recycle Michigan/Our New Decade" will be the camp program focus this year and the camp t-shirt logo will be "Have Taste, Don't Waste—Recycle Chelsea!"

As usual, preparation for the camp started many months ago and it is virtually a Beach school community project. Many parents donate their talents to the camp classes and workshops, and others simply organize or volunteer their labor in the camp kitchen, which turns out a huge quantity of food.

Children will have a chance to participate in a wide variety of activities they might otherwise never experience.

There are classes on outdoor cooking, birds of Michigan, backpacking, wildflowers, pioneer toys, nature photography, canoeing, stenciling, archery, candlemaking, animal care, orienteering, cemetery study, trees of Michigan, and kite-making, among others.

Most of the classes are taught by parents.

In addition, there is daily entertainment and the evening campfire.

Children are also expected to help with the daily chores. Principal Darcy Stielstra has his daily white-glove inspection of the children's bunking quarters, and daily awards are presented to the cabin with the most spotless record.

Police Investigating Head-On Collision

Chelsea-area resident Robert Mock was still in intensive care Monday at University of Michigan Hospital from injuries sustained in a two-car accident on Cavanaugh Lake Rd. on Sunday afternoon, April 16.

According to Washtenaw County Sheriff's Department, Mock was driving toward Cavanaugh Lake at 2:25 p.m. when his 1983 Dodge collided with a 1978 Ford driven by Laura Wiebusch-Seles of Grass Lake just north of Garvey Rd. Police said there was no evidence that alcohol or driving too fast were factors in the accident.

The cars ended up on the North shoulder, and Mock was pinned in his vehicle for at least an hour while Chelsea Fire Department worked to free him. He was eventually taken by helicopter to U-M Hospital. His wife, Joyce, in the front passenger seat, was taken to Chelsea Community Hospital, along with Wiebusch-Seles. There were no passengers in the Wiebusch-Seles vehicle.

Police are still investigating the accident. A cause had not been established as of press time because police had not been able to talk to Mock due to his physical condition. Road conditions were clear and dry.

BILL BRENNER, superintendent of postal operations, takes out the final three dozen tax returns that were mailed between 11:30 p.m. and midnight last Monday, April 17 at the Chelsea Post Office. Even Chelsea apparently has its share of tax return procrastinators. At 11:30 Brenner had emptied the nearly full mailbox.

AUCTIONEERS Lloyd Braun, left, and Jerry Helmer conducted Chelsea Community Hospital's Spring Celebration auction last Saturday at the Hospital. More than 150 items were available for purchase, all of which were donated by members of the community. Proceeds are being used to purchase a modular vascular laboratory for the hospital.

Wednesday, April 24, 1985—

Seventeen boys and girls from Beach Middle school left for competition in the Academic Games National Tournament in Georgia for four days. The team youngsters won their way through consistently good scores in local competition and the Michigan League Academic Games state tournament. Many long hours had been spent in preparation for the event.

Fifteen members of the Chelsea High school forensics team qualified for the state forensics tournament with their performances at Southeast Michigan Regional Tournament at Dearborn Edsel-Ford High school. The state tournament was to be held at the University of Michigan. According to coach Bill Coelius, Chelsea was the 1982 Class B champion.

John Wellnitz, who retired this year as manager of the Chelsea Community Fair service center building, received a plaque and considerable praise at a meeting of the fair board. It was a bumper week for walk-aways from area correction facilities. Since April 16, four men had escaped from Cassidy Lake Technical School and two left Camp Waterloo, according to Chelsea police. In the most widely-reported incident, the two men leaving Camp Waterloo had been serving time for murder. Fortunately, they were captured that night by Chelsea police.

Two Chelsea students were nominated for state-wide honors which if won, would place them among Michigan's high school academic elite. Cindy Kvarnberg and Joshua Smith were the two outstanding students.

A water-color of three runners; one black, one white, and one yellow, won Glenn Passow a first in the State Art Contest to select a design to be featured on all official material used in the 1975 Special Olympics.

Shelly Warren broke her week old record in the 880-yard run in the second home meet of the season for the Chelsea girls track team against Pinckney. Chelsea lost by only point with the final score at 53-52. The team

did exceptionally well, taking seven firsts in 11 events.

Mrs. Elaine Falcone, the former Elaine Bristle, was named Military Airlift Command Family Services Volunteer of the Year for 1974. She competed against representatives from all other MAC bases.

A Chelsea resident, Mrs. Evelyn Hunter, took the 1975 Women's Handicap Golf Championship held at the Brookville Golf and Country Club in Brookville, Fla. Mrs. Hunter fired a net 74 to take the lead by four strokes. She had been a member of the Brookville Club in Florida and a member of the Inverness Golf Club in Chelsea.

A perennial favorite among Chelsea Kiwanians in their Travel and Adventure Series (Travelogue) was the incomparable Don Cooper, whom many considered to be one of the top-ranking travelogue artists in the country. Cooper made an appearance in Chelsea with an entirely new show, "Northwestern Adventure."

Announcement was made that President Lyndon B. Johnson had named Lt. Gen. Dwight E. Beach to command the U. S. Eighth Army in Korea. He was to serve both as commander of the U. S. forces in Korea and commander-in-chief of the United Nations Command.

Mrs. Florence Mayer was presented a "Century Club" award and was sustaining member of the Boy Scouts of America. Century club members were those contributing \$100 or more to Boy Scout work. Boy Scouts of Troop 425 were asked to present the certificate to Mrs. Mayer.

Eleven girls of Senior Girl Scout Troop 77 enjoyed a trip to Washington. They were accompanied by Mrs. E. J. Sutter and Mrs. Leslie Eisenbeiser who served as chaperones and drivers for the two cars in which the trip was made. While in Washington they happened to arrive in time to witness dedication ceremonies for the much publicized Jackie Kennedy garden and hear Mrs. Lyndon Johnson speak at the ceremonies.

Dr. Manfred J. Laun, a medical missionary in India for the United Church of Christ, spoke at St. Paul's church at the Christian Family Week and Mission pot-luck dinner.

Several members of the Chelsea High school varsity football team were honored by the Kiwanis Club at the All-Sports Banquet. Gary Houle and Tom Wojcik, co-captains for 1965; Jim Cameron, designated most valuable back, and Oren Wireman, most valuable lineman for 1964 were specially noted for their achievements on the football team.

Package Would Cut Car Insurance

Costs, Subsidize Urban Rates
Auto insurance rates would be cut 10 percent, accident victims would have a harder time bringing lawsuits, and urban rates would be subsidized with a new state-wide fee under bills proposed by two legislators representing different constituencies and philosophies.

While the sponsors downplayed the immediate potential of a California-style ballot issue cutting rates, they said "the danger signals are there" for similar action should their package fail.

The package by Sen. Richard Posthumus (R-Alto) and Rep. Nelson Saunders (D-Detroit) is the second major attempt in Michigan to curb auto insurance costs.

Earlier proposals would end provisions allowing companies to use shared loss data in setting rates without violating the anti-trust law in an effort to step up the level of competition in the industry.

A key aspect to the rate cut is reversing a 1986 Supreme Court decision, which reversed a ruling it made earlier, to expand provisions for accident victims to sue for so-called pain and suffering damages.

Average claims per vehicle since the ruling increased by 11.9 percent in 1987 and 15.1 percent in 1988 for residual bodily injury and by 11.5 percent and 12.3 percent for the two years for personal injury protection.

The court decision abandoned a

definition of serious impairment bodily function (the legal threshold to sue for more than direct medical expenses) and stated that juries rather than judges will decide whether that threshold has been met.

A \$10 per policy surcharge would generate about \$50 million a year that would be used to reduce rates for people in territories with the highest rating factors.

That would permit cutting premium rates by an average of \$100.

Other aspects of the package adopt a modified comparative negligence law to permit suits only by those who are less than half at fault in an injury accident, revise the definition of reasonable and necessary expenses, set a schedule of maximum fees for health benefits similar to workers' compensation benefits and eliminate duplicate payments.

"We're at a crossroads in how we deal with auto insurance," said Posthumus. "We believe this is the best approach for consumers in general."

He said he would not normally support a mandated rate cut, but said competition and the revision in the law will produce reductions of at least that magnitude.

The legislators said the proposal will benefit both consumers and insurance companies. "If there's a loser in the system, it is those people in the legal system who go out and try to bring as many cases to court as possible," Posthumus said.

Saunders said he did not necessarily agree with that statement, saying lawyers have concerns whether injured persons will lose.

Both men said pressure will intensify for a rate-cutting ballot issue should the proposal fail, but Posthumus said it will not be as severe as in California.

Saunders said he is not yet satisfied with many of the provisions of the package, but added it is time to move ahead to public hearings and debate on the issue. "There's no question this legislation is not in final form" he said. Among his unresolved concerns is the impact of the premium surcharge on urban residents who get traffic tickets.

Jane Bailey, legal counsel for the Michigan Trial Lawyers Association, opposed the proposal saying, "You don't fund rate relief by stripping people of their rights."

She said the court decision under attack by the package "corrected an error" of an earlier ruling to return state law to the original no-fault threshold for pain and suffering lawsuits. "It establishes some fairness. It was unfair to people seriously injured by drunk or negligent drivers who were unable to sue the driver," she said.

Countering assertions by backers of the proposal that the 1986 ruling has spawned higher costs, Ms. Bailey said the number of lawsuits has not increased other than normal fluctuations since the decision.

The Supreme Court administrator's office reported auto negligence suits for personal injury and property damage increased 1.7 percent in 1988 compared to 1987, which in turn was up by 2.1 percent over 1986.

AAA of Michigan supported the proposal, saying in a statement it "helps ensure that the broad benefits of Michigan's no-fault law would continue for all motorists at a fair price."

For AAA's highest rated territories, average premiums would drop from \$885 to \$706.50 while in the remainder

Chelsea, DeWitt To Exchange Mayors

Village of Chelsea has agreed to a mayor exchange with the City of DeWitt on Monday, May 22.

DeWitt is six miles north of Lansing.

The village is working on an itinerary for the visiting officials. Yet to be decided is who will join village president Jerry Satterthwaite in DeWitt and who will remain here to serve as host.

of the state rates would drop an average to \$557 from \$553.

Nancy Nowak of the Michigan Insurance Federation said the concept of the proposal is "okay," saying if the revisions in the no-fault law are passed, the savings should permit the 10 percent rate cut.

She said some of her member companies are philosophically opposed to a legislative-mandated cut and some want the issue taken up in concert with the anti-trust bill.

That bill is not opposed by all companies, although they want to be freed of state insurance regulation as a trade-off.

Gary Mitchell of the Professional Insurance Agents of Michigan expressed skepticism about the mandatory 10 percent cut in rates, fearing that number will go higher during legislative debate and that some or all of the cost-saving measures that make the cut possible may not stay in place.

"It is conceivable that we could end up with a proposal that does nothing but cut rates and does nothing to reform insurance," he said.

Mitchell, while saying he recognizes the legitimate problem of urban low income people affording insurance, said, "Is it legitimate to shift a tax on outstate residents for losses incurred in Detroit?"

The Senate will initiate action on the rate cut, comparative negligence and limiting suits by injured persons, while the House will begin work on the \$10 per policy surcharge for the "equity pool."

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Spring has sprung and the sap is rising, as they say, but some of the fellers at the country store Saturday night lamented the closing of the show instead of the opening of a new season. Bug Hookum spread some gloom with his notion that school children nowadays can get sent to the principal's office for bringing apples to their teachers.

If Alar in apples and arsenic on grapes weren't enough, Bug went on, now comes word that milk has been found to be the imperfect food. The saturated fat in whole milk served in every school lunchroom can cause high cholesterol among children. Last month, he said, the papers were carrying stories of big city school systems banning apples and apple products from their lunchrooms. If they do away with milk and dairy products we can close down Wisconsin along with school food services, was Bug's words.

Zeke Grubb was quick to note that everybody now has had time to put a positive spin on last month's food news. An apple a day may not keep the doctor away, but it won't hurt you. Only a few growers used Alar and they don't any more. Finding two contaminants grapes from Chile shows how good an inspection program we got, and all the milk report does is encourage children to drink more low-fat milk.

Still, Zeke went on, we keep reading about acid rain and ozone loss and we got to be reminded how fragile we and our planet are. All of us can deal with limited resources like oil, he said, and we can see our woodlands shrinking and our seas giving and taking away their shores. But we say we'll find another way. What we can't handle is the winding down of everything.

Clem Webster saw that Zeke was out way over his head, so he threw him a line about farmers and ranchers getting into another year like there's no end to em. These folks are at the mercy of nature, Clem said, but they keep taking her worst in full faith that she also will give her best. There's enough optimism in this two percent of our population to keep the other 98 percent in good supply, was Clem's words.

Farthermore, Clem went on, he had saw in a recent national summary that ever state is planning roads and trying to come up with money to pay for em-like there'll always be a tomorrow. Florida, for instance, said recent that it busiest road, Interstate 95, will have to be 32 lanes by 2010 to handle the expected load. Other states are turning to user fees to cover some of the cost of sprucing up their parks because they predict more people will be going more places.

The truth is, Ed Doolittle declared, people hibernate to, and about this time of year you can see by the traffic they're tired of being where they are. Ed had saw where folks in Hinsdale County, Colo. are inviting vacationers this summer. The attraction is Alford Packer, the prospector and cannibal that eat his five partners there while they were stranded by snow in the winter of 1874.

A county museum opening in June will feature Packer's place in its history, and a play based on his trial is planned during July. Ed said the Packer item caught his eye because he allus had heard that when he was sentenced the judge said "damn you, Alford Packer, there weren't but six Republicans in the territory, and you ate five of em." Ed wondered if that line is in the play.

Yours truly,
Uncle Lew.

Prospective Docents At Botanical Gardens Invited To Follow Tour

University of Michigan Matthaei Botanical Gardens will hold Docent preparation classes beginning in September.

Docents are a key link between the Gardens and the visitors to the Conservatory and grounds. They are volunteers who introduce and explore the many worlds of plants with audiences of all ages.

All interested persons are encouraged to apply early. A curiosity about plants and an interest in people is required; some exposure to biology or botany is helpful.

The course will include a review of basic botany, special topics pertinent to the Gardens' collections, tour techniques and practice sessions.

During the month of May, all persons interested in becoming docents are invited to follow a tour for a first-hand look at Matthaei Botanical Gardens Docents in action.

To arrange to follow a tour, and to obtain an application call Sue Boss at the Gardens (9 to 4, weekdays) 763-7061.

FUTURE PROBLEM SOLVING TEAM from Beach Middle school took first place at the state bowl last Saturday at the University of Michigan in the category "Dramatic Presentation of The Best Solution." The students gathered to solve a problem on Employment Pro-

spects in the Year 2025. While the Beach team did not come up with the best solution, in the eyes of the judges, their dramatic presentation of their solution was the best. From left are Jessica Holton, Rebecca Pryor, coach Mary Baker, Christine McLaughlin, and Erin Knott.

34 Years Ago . . .

(Continued from page two)

Thursday, April 22, 1955— Mary Ann Bancroft, special teacher in the University of Michigan hospital school, was the guest speaker at the Kiwanis club meeting. Miss Bancroft, whose work was partially supported by the Kiwanis-sponsored Forney Clement Foundation, Inc., told of her experiences with the children she helped. She had with her a small animal known as a coati mundy.

An opinion issued by the Washtenaw county Prosecuting Attorney's office would make construction of a temporary rock dam below Portage Lake "impossible," according to John H. Flook. The opinion issued by Assistant Prosecutor John R. Laird, held that people who actually constructed the dam would be liable for damage to adjacent property, and adds that the Board of Supervisors could not consider petitions for such a dam over a navigable stream until after a hearing preceded by legal notices.

Chelsea High school's first track meet of the season was lost to Ypsilanti Roosevelt by a score of 63-46. Coach Ray Glasser said it was an exciting track meet with Chelsea showing up as a much-improved team that held Lincoln at almost even score with them until the final event. Chelsea had individual event winners as follows: Johnny Jones, low hurdles; Jim Hibbs, high hurdles; Bud Ringe, 440-yard dash; Dennis Gary, mile run; and Jerry Slusser, 880-yard run.

THE CRISIS IN AGRICULTURE was pointed out by Rosanne C. Bloomer, right, in a talk before Chelsea Rotary Club last Tuesday. Bloomer is branch manager of the Ann Arbor office of Farm Credit Services of Southeastern Michigan. She was introduced by Rotarian Kay Heller, Rotary Vocational Service committee chair.

Rotarians Hear About Transition in Farming

"Agriculture's Great 'Shake-Out' has reduced farm income, farmer's net worth and farm real estate by as much as 50%." These dramatic changes in our rural life were outlined at a recent Rotary Tuesday noon meeting, by Rosanne C. Bloomer, branch manager, Farm Credit Services of Southeastern Michigan.

The Family Farm, is "still the most vulnerable entity in agriculture today," declared Rosanne. Other rising factors in farming are the corporate farms and the part-time farmers who do not depend solely upon agriculture as prime income. "There has been debt that could not be supported, increases in costs that were not

predicted and greater competition than anticipated. Some of these factors were brought about by political moves endangering our world grain position, a high percentage of cattle being owned by non-farmers and the social phenomena of farm to urban movements."

This timely and provocative talk was sponsored by Rotary Vocational Service Committee headed by Kay Heller who introduced the speaker. The intent was to create greater awareness among community leaders of the crisis facing today's farmers.

Rotary meets each Tuesday at noon in the Woodlands Room of the Community Hospital.

Organ Transplant Recipients Organize Thank You Program

Thank You Michigan! a special message from all transplant recipients.

Over 2,000 transplant recipients and people waiting for an organ and tissue donation will be invited to gather in the University of Michigan Medical Center Courtyard to celebrate their gift of life and sight. What better way to demonstrate the profound affects of organ and tissue donation.

"Thank You Michigan!" is a statewide celebration to be held on Saturday, April 29 from 2 p.m. until 3:30 p.m. This event is a grand finale to the National Organ Donor and Tissue Awareness Week April 23-29. This day demonstrates a message of appreciation to all the donor families who have chosen to donate the organs and tissues of their loved ones.

Sponsored by the nine transplanting centers in Michigan, this special day was created to build awareness on how many lives in Michigan have been affected by organ and tissue donation. In 1988 nearly 450 Michigan residents received hearts, heart-lungs, livers, pancreas and kidneys. An even larger number received the gift of sight and tissue.

The program begins at 2 p.m. with a reception. At 3:30 p.m. each patient will release a balloon symbolizing a gift of an organ or tissue.

David A. Gonyon Reports for Duty on Replenishment Oiler

Navy Seaman Recruit David A. Gonyon, son of Isaac N. and Catherine B. Gonyon of 11928 N. Main St., Whitmore Lake, recently reported for duty aboard the replenishment oiler USS Roanoke, homeported in Long Beach, Calif.

He is a 1984 graduate of Chelsea High school.

The Organ Procurement Agency of Michigan staff and board will receive special recognition on behalf of all transplant patients. The Organ Procurement Agency of Michigan is responsible for the retrieval and distribution of donated organs.

A special grant to help cover the cost of this celebration was financed by SANDOZ, a pharmaceutical company based in East Hanover, N. J. SANDOZ is the manufacturer of Sandimmune (cyclosporine), an anti-rejection medication.

For more information on the "Thank You Michigan" program contact the National Kidney Foundation of Michigan by calling toll free 800-482-1455.

Special Rules Cover Drought Sales Taxes

Farmers can postpone for one year reporting the proceeds from a sale of livestock due to drought. However, the taxpayer must meet the following conditions for the one year deferral to apply:

- The principal business is farming,
- The cash method of accounting is used,
- The sale of the livestock under usual business practice would not have occurred this year except for the drought and,
- The President of the United States declared the area a disaster area due to the drought.

JOSH METZLER finished 15th among sixth graders at the Michigan Council of Teachers of Mathematics test held last Saturday at Lansing Community College. Josh, along with Tom McMurray and Ryan Fisher represented the Beach Middle school sixth grade. Josh placed 15th among students from central and southern Michigan who took the test, and more than 200 students were involved. Seventh graders who went to Lansing included Mark Carlson, Justin Huschke, and Steve Gaunt. Eighth grade representatives included Melissa Thiel, Molly Dilworth, and Doug Steele.

DONALD J. PICKELL, son of Mary J. Nix of 4109 Sylvan Rd., Grass Lake, and Stanley L. Pickell of 410 Second St., Culver, Ore., has completed basic training in the Army National Guard at Fort Leonard Wood, Mo. During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

MESC Opens New Job Office in Manchester

Jobseekers and employers in western Washtenaw county can find help in meeting their employment needs close to home as the Michigan Employment Security Commission (MESC) has opened a Job Service office in Manchester.

MESC director Richard Simmons, Jr., said the office is located in the Manchester Community Resource Center, 122 W. Main St. The office is a part-time location open on Tuesdays from 8:30 a.m. to noon and from 1 to 5 p.m.

"Our new Manchester office offers employment services to employers and jobseekers, who in the past, have had to travel to MESC's Ypsilanti office," Simmons said.

Some of the specific services the office provides include: referring and placing jobseekers in jobs, finding qualified workers for employer job openings and processing applications for federal targeted jobs tax credits.

"We also offer MESC's newest service—the Job Service Resume System," Margaret Sherman, manager of MESC's Ypsilanti office,

noted. "The resume system aids employers and jobseekers in the six-state Midwest area by matching openings for professional, managerial, technical and sales workers with qualified candidates."

Job Service interviewer Ann Haverkamp staffs the Manchester MESC office. Her phone number is 428-8752.

The Manchester location does not process claims for unemployment insurance, Sherman said. MESC's Ypsilanti office will continue to handle claims for jobless benefits from area residents.

WalkAmerica For Printers Coming Soon

The annual "Step Out with the Printers" walk for the March of Dimes will take place on April 30.

This is a challenge issued to local printers in Washtenaw and Livingston counties to form the largest team in proportion to the company size. These teams will then participate in the walk (which is part of WalkAmerica) held in Ann Arbor.

The event is sponsored by Airborne Express, Malloy Lithographing, Inc., and Sureway Air Traffic. All proceeds will go to the March of Dimes.

If you work for a local printer and would be interested in taking part in this, please contact Joanne Russell or Tim Scarbrough at Malloy Lithographing, Inc., in Ann Arbor.

Anyone who wants to have fun with team members, compete for a traveling trophy, and, most of all, fight birth defects should consider participating.

Clerk, Register of Deeds Public Service Division Changes Hours
Commencing on Wednesday, March 1, the Public Service Division of the County Clerk & Register of Deeds Office started opening for customer service at 10 a.m. each weekday and closing at 5 p.m. The Public Service Division records all county births, deaths, marriages, business names, concealed weapons permits and passport applications. This change is necessitated by extended staff shortages and an ever increasing volume of recordings. The new hours will allow staff uninterrupted processing time for previously filed records and requests. Public cooperation will be appreciated. The following recorded messages may be helpful: Marriage License, 663-7934; Passport Application, 663-7030; Copies of Births, etc., 662-4411.

So A Chiropractor Is Really A Family Doctor?

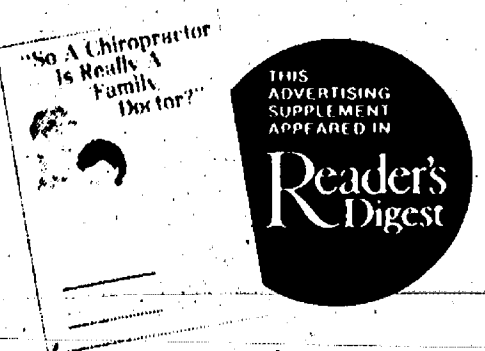

Yes. HERE'S WHY...

Most people think of doctors of chiropractic as specialists in treating health problems of the back and spine. And they are, for chiropractors have been extremely effective in relieving pain and getting people back on their feet without drugs or surgery. But doctors of chiropractic do more. They diagnose to determine whether other illnesses may be related to structural problems, which often is the case. Chiropractors take an interest in your total health and well-being. And if a problem is indicated which requires specialized treatment, the doctor of chiropractic will refer you to the appropriate health specialist.

WHILE THE AVERAGE PERSON may think these young ladies are making dolls, in South school art circles they're actually creating "soft sculptures." The girls will have their works on display tomorrow evening at the school at the annual Festival of Arts. It will be an evening of entertainment and refreshments.

FESTIVAL OF THE ARTS was held at North Elementary school last Tuesday, April 18. Artwork by children throughout the school was on display for parents to appreciate. From left are Erinne Kellman, Kyle Kentala, and Naomi Cesarz, all artists from Barbara Brown's fifth grade class.

JOHN AND ANNE DANIELS, owners of the The Sylvan building, staged a ribbon cutting ceremony in front of their newly-renovated building on N. Main St. last Thursday. The building, which stood burned out for about two years, is almost completely full of new tenants. Village president Jerry Satterthwaite helped out with the occasion.

Pinckney Man Aboard Aircraft Carrier

Navy Airman Recruit Dale S. Black, son of Jean M. and Joe E. Black, Sr., of Pinckney, recently reported for duty aboard the aircraft carrier USS Constellation, homeported in San Diego, Calif.

A 1988 graduate of Pinckney High school, he joined the Navy in August 1988.

SOMEONE DECIDED TO ISSUE HIS OWN COMMENT on the recent disagreement between village zoning inspector Rosemary Harook and appliance store owner Leon Meabon. This couch was set up behind Chelsea Shopping Center next to Meabon's with a sign "viewing stand for Rosemary and Allen," referring to the complaint that Harold Allen issued with Harook concerning some old appliances that were stored, until recently, outside the appliance store. Allen is scheduled to open a laundromat in the mall. Meabon swears he had nothing to do with the couch and sign.

Historical Markers To Be Dedicated in Manchester Program

A special bi-centennial celebration of the constitution and George Washington's inaugural address will be held Sunday, April 30, at 4 p.m. in Wurster Park, W. Main St., Manchester.

Festivities will include the reading of the address, and the planting of a cherry tree and placing of an historical marker.

A second historical marker will also be dedicated at Emanuel United Church of Christ, commemorating the church as an historic landmark. The church was founded in 1862.

After observances, dignitaries, guests, and spectators at these ceremonies are invited to the Fellowship Hall of Emanuel church for cherry pie and ice cream.

In the event of rain, all ceremonies will be conducted in the Emanuel church sanctuary, 324 W. Main.

The bi-centennial observance has been planned by the Manchester Area Historical Society, and the village has been declared a "Bi-Centennial Community" by the Michigan Commission on the Bi-Centennial of the United States Constitution.

Bulldogs Sweep Hornets, Milan To Take Top Spot In SEC Softball Race

Chelsea Bulldog softball team took its customary position at the top of the Southeastern Conference standings as of Monday by sweeping the Saline Hornets and Milan Big Reds in a pair of double-headers.

Last Thursday, April 20 at home, Chelsea beat the Hornets 11-0 and 8-3. Jenni Smith tossed the shutout as she three-hit the Hornets.

"We played good defense and Smith pitched a fine game," said Chelsea coach Pat Clarke.

The Bulldogs committed no errors in the five-inning game.

Chelsea scored all their runs in the first three innings.

The four-run first was highlighted by a walk, two errors, a bunt single by Heather Neibauer, and a single by Christy Petty.

In the second the Bulldogs scored four more runs on singles by Lisa Unterbrink, Neibauer, Smith, a sacrifice by Kim Easton, a triple by Laura Unterbrink, and another Petty single.

Shannon Losey, Smith, and Laura Unterbrink each hit RBI singles in the third for the final three runs.

Neibauer paced the attack with four hits, while Lisa and Laura Unterbrink, Petty and Smith each had two hits.

In the second game, Laura Unterbrink ran her pitching record to 5-2 as she struck out seven Hornets.

"We struggled, but we played well when we had to," Clarke said.

Each team had nine hits. Chelsea jumped out to a 5-1 lead after two innings and held a 5-3 lead after three before scoring three times in the fifth.

Easton's single scored a run in the first inning.

A walk, an error, singles by Lisa Unterbrink and Neibauer, and two sacrifices scored four runs in the second.

The three-run sixth featured a two-run double by Christy Petty and an RBI single by Scharme Petty.

"Christy's double was a key hit because it broke open a tight game," Clarke said.

Chelsea twice shut out Milan 10-0 on Monday.

Smith ran her record to 8-1 in the opener as she again tossed a three-hitter. She struck out 11 and walked two.

Laura Unterbrink's single in the first drove in both runs.

Chelsea scored seven times in the second, thanks in part to a bases-loaded triple by Christy Petty.

A passed ball in the fourth scored the final Bulldog run.

Despite the score, Chelsea's offense was cold as they picked up just three hits.

"Milan took our bunts away," Clarke said.

However, the defense was solid as they committed no errors. Smith helped herself defensively as she threw to the plate to stop a suicide squeeze.

Laura Unterbrink won her fifth game of the season in the second as she held Milan to one hit. Milan is coached by her sister, Amy.

"Laura was superb although she was kind of nervous pitching against her sister's team," Clarke said.

Chelsea scored in five of the six innings played and had a seven-run lead after three innings.

Smith's two-run triple and Laura Unterbrink's RBI single accounted for the runs in the first.

Smith doubled in two runs in the second, and Shannon Losey singled in a run to make the score 6-0 after two.

Lisa Unterbrink's double scored a run in the third.

Easton and Laura Unterbrink had RBI singles in the fourth. Laura Unterbrink doubled to score the final run in the sixth.

"Shannon Losey caught a great game and made a key put-out at third in the second inning," Clarke said.

"We also hit the ball well. The girls are starting to concentrate with runners on base and they are getting key hits. We are also continuing to play great defense and get fine pitching." Chelsea is 14-3 on the season.

HEATHER NEIBAUER makes the play at shortstop during the Bulldogs' double-header with the Saline Hornets last Thursday. The Bulldogs won both games.

Chelsea Golfers Lose Two Matches

Chelsea Bulldog golf team lost matches last week to Jackson Lumen Christi and Brooklyn Columbia Central.

In the Lumen Christi match last Wednesday, April 19, Chelsea was out-shot 178-271.

Jennifer Ghent was low shooter for Chelsea at 57. Melissa Johnson shot a 67, Helena Mimer had a 70, Nicole Fletcher shot a 71, and Jennifer Payne shot a 77.

For the JVs, Tricia Colbry had an 83 and Cari Thurkow, an 80.

On Thursday, April 20 the girls lost a closer match to BCC, 190-206.

Ghent was the medalist of the match with a 45. Mimer shot a 51, Johnson had a 53, and Fletcher shot 57.

For the JVs, Lori Wetzel had a 72 and Colbry had a 75.

Bulldogs, Saline Split In SEC Baseball Action

Chelsea Bulldog varsity baseball team split with Fowlerville, and Saline, and swept River Rouge in action last week.

The double-header with Saline last Thursday, April 20 was the first conference action of the season.

Chelsea lost the opener, 5-3, but thrashed the Hornets in the nightcap, 15-1, behind the eight-hit pitching of Doug Wingrove.

"We played well in both games," said Chelsea coach Wayne Welton.

In the first game, the Hornets whacked two home runs off Junior Morseau, who saw his record drop to 0-3. Rod Malinczek cracked a three-run homer in the first, and Wayne Manchurian hit a two-run shot in the third. After that Morseau settled down and allowed just one hit.

"Junior pitched well," Welton said.

"He struck out 10 and walked three. So far he has pitched against three excellent teams and has faced their best pitchers."

Chelsea had chances to win the game. They had the bases loaded with one out in the seventh but couldn't score.

Steve Emmert, Jeff Prentice, Junior Morseau, and Jude Quilter all hit for the Dogs.

Wingrove ran his record to 2-0 in the second game as the Bulldogs blew the game open in the second inning with a nine-run outburst.

In the first inning, key hits by Mark Larson and Prentice figured in the first three Bulldog runs.

In the second inning Chelsea sent 12 batters to the plate and Matt Forner, Quilter, and Brandon Murrell each had two hits.

Leaders at the plate for the game included Quilter (3-4, with a pair of doubles), Prentice (2-2), Wingrove (3-3), Larson (2-3, 3 RBI), and Murrell (2-3).

"The most compelling statistic of the afternoon was Jeff Prentice went to the plate eight times and reached base eight times," Welton said.

"He had three hits, walked four times, and was hit by a pitch. He also made the defensive play of the game with an over-the-shoulder catch in the outfield. He is becoming a quality player."

Chelsea won the opener with Fowlerville, 10-0, as sophomore Rob Clem pitched a two-hitter and struck out eight.

"Clem pitched a fantastic game," Welton said.

"It was an impressive performance (Continued on page 12)

SHANNON LOSEY lays down a bunt during the first. Bulldogs went on to win both games to go 2-0 in game of a double-header against the Saline Hornets. The Southeastern Conference play.

Boy Runners Lose to Saline

Chelsea Bulldog boys track team lost to the Saline Hornets last Monday, April 17, in their first Southeastern Conference meet of the season.

Chelsea had several excellent individual performances in the 88-40 loss, including wins by senior Paul Hedding in the 1600 and 3200 runs. Hedding was also part of the winning 1600 relay.

"Many of the younger runners who did not place in the top three had personal best performances," said Chelsea coach Ted Wilson.

Sophomore Joe Blough ran a 5:08 mile and a 2:48 800, both of which make his future on the Bulldog track team look good. Brian Zangara broke 11 minutes in the 3200 for the first time.

Due to the weather, the pole vault was cancelled, which likely robbed Chelsea of a first place by Matt Weid. In the other field events, Chelsea was shut out in the long jump and high jump. Lucky Beeman finished third in the discus in 96'3" and third in the shot put in 39'4".

Chelsea had no first place finishes in the sprints. Scott Reynolds placed second in the 100 and second in the 200 in :24.5. Weid was third in the 200 in :25.4.

Holden Harris took first for Chelsea in the 800 in 2:07. Hedding took the 1600 in 4:39.6 and the 3200 in 10:10.6. Zangara was third in the 3200 in 10:45.6.

Chelsea took first in three of four relay events.

The 400 relay team of Luman Strong, Weid, Matt Herter, and Reynolds won in :47.3. The same boys

ran the 800 relay and took second in 1:40.5.

The 1600 team of Matt Riemenschneider, Jeff Latimer, Erich Hammer, and Harris won in 3:51.6.

The 3200 team of Riemenschneider, Latimer, Harris, and Hedding took first in 8:41.4.

The Bulldogs were blanked in the 400 run and both hurdle events.

Chelsea placed second and fifth twice in the Bishop Foley Relays last Saturday.

The Bulldogs' four mile relay took second as Hedding—ran a lead-off 4:35.8, Harris followed with a personal-best 4:49.7, Zangara ran a

5:07.1, and Blough finished with his best mile ever in 5:06, for a total time of 19:36.

The 3200-relay team took fifth as Riemenschneider ran a 2:13.7, Jim Hassett followed at 2:18, Harris ran a 2:07.5, and Hedding finished at 2:07.1, for a total time of 8:46.9.

The distance medley team took fifth as Harris ran a 2:10.5 in the 800, Riemenschneider finished a :59.4 in the 400, Hedding ran a 3:22 in the 1200, and Zangara finished in 5:09.4 in the 1600.

Chelsea scored 12 points and placed eighth.

Chelsea runs tomorrow at Lincoln and Friday at the Mason Invitational.

JV Softball Team Sweeps Saline, S. Lyon

Chelsea Bulldog junior varsity softball team won four straight games last week to improve their record to 7-2-1 on the season.

The Bulldogs bumped Saline twice, 19-0 and 23-5, and South Lyon 20-4 and 17-10.

"Our offense continues to be impressive and our defense is starting to come around," said Chelsea coach Ken Sullins.

Carrie Flintoft and Kelly Cross combined on the mound in the five-inning opener at Saline last Thursday, April 20. The pair yielded four hits.

Chelsea broke the game open in the third inning when they broke loose for

13 runs by sending 19 batters to the plate. In the inning, Colleen Scharphorn had a home run and a triple, and Sarah Musolf and Flintoft each had two singles.

Musolf, Flintoft and Scharphorn each finished the game with three hits. Flintoft also had an excellent game in left field, Sullins said, where she made two fine catches.

In the second game, Scharphorn had her best pitching effort of the year, Sullins said. She struck out 10 in four innings before Cross pitched in relief.

"It was an excellent defensive game by both teams," Sullins said.

Chelsea scored 12 runs in the first inning and cruised from there. The Dogs sent 18 batters to the plate as each girl in the line-up got at least one hit. Chelsea had 24 hits for the game. Jenny Bobo had five hits, including a double, to pace the offense.

In the first game at South Lyon last Friday, Chelsea scored all 20 runs in the first three innings, two in the first, seven in the second, and 11 in the third.

Musolf pitched the entire game. She tossed a four-hitter and struck out four.

All seven runs in the second were scored with two outs. There were singles by Shaun Losey, Musolf, Scharphorn, Issel, and Scharme Petty, and a triple by Flintoft.

The third inning featured four walks and nine hits, including extra-base raps by Losey, Scharphorn, and Heather Pulley.

Flintoft and Issel had four hits each for the game.

It took extra innings for the Bulldogs to win the second game but a

Bulldog Girls Whip Hornets In Opening Conference Meet

Chelsea Bulldog girls varsity track team opened their Southeastern Conference season last Monday, April 17, with a 75-53 victory over Saline.

Danica Disbro led the Bulldogs with wins in four events. Disbro took the 100 in :13.2, the 200 in :27.3, and led off the winning 800 and 400 relays. Disbro, Leisa Schiller, Anne Steffenson and Jeanene Rossi won the 800

with a 1:58.7 and Disbro, Rossi, Deanna Richardson and Angela Pace combined for a :56.0 to win the 400.

Charity Allen contributed firsts in the 100 and 300 hurdle races with Amy Carley second in both. Amy Weir had thirds in the 100 and 200 dashes. Steffenson was second in the 400 with Schiller third.

Steffenson, Schiller, Carley and Deanna Richardson combined to take

the 1600 relay in 4:30.5. Vicki Bullock ran well in the distances, finishing second in the 1600 in 6:07.6 and coming back to take second in the 800 in 2:49.6. Sarah Grau was second in the 3200 in 13:22.3.

The Bulldogs did very well in the field events. Tiffany Moore took the shot in 28'4". Mercedes Hammer was third with a 25'5". Marti Daggett won the discus with an 88'2". Moore added a third. Deanna Richardson won a soggy long jump with a 14' and Leisa Schiller was third with 13' 3 1/2". Erika Boughton cleared 4'10" in the high jump to take a third in that event.

Chelsea took advantage of their depth according to coach Bill Bainton, earning two places in eight of the 12 individual events. The girls ran with intensity and determination and didn't seem to be bothered much by the rain which fell through most of the meet.

"We have had a good attitude all season, and the result today reflected that," said Bainton.

"We had 29 improved performances in spite of the weather conditions. That speaks highly for the character of the girls."

for a sophomore." The Bulldogs started with four runs in the first as Larson and Forner each hit a bases-loaded single.

Wingrove's home run in the second gave Chelsea a 5-0 lead.

Key hits by Morseau and Prentice scored three runs in the third and two more in the sixth.

Kerry Plank got his first start on the mound in the second game and had control problems. Fowlerville scored four times in the first on their way to a 7-4 victory. Craig Ferry pitched in relief.

Prentice had the best day at the plate for the Dogs with a 2-2 performance.

Morseau had an outstanding day as catcher. The senior threw out all four Fowlerville runners who tried to steal second, and he picked off two runners at third.

River Rouge proved to be batting practice for the Dogs as Chelsea won 10-0 and 15-0.

Clem topped his previous performance in the opener with a one-hitter. He came back in the second game and pitched the first three innings.

"He didn't throw many pitches in the first game and he felt pretty good so we started him again," Welton said.

Clem gave up a hit in the first inning of the opener. He struck out six and walked four.

Quilter was 2-3 with three RBI. Prentice had a two-run triple, and Larson was 2-2.

Clem and freshman Ben Hurst combined for the victory in the five-inning second game.

Chelsea scored two in the first and eight in the second to break the game open.

Prentice had a pair of triples, Murrell was 3-3 with a double and a triple, Forner was 3-4, and Satterthwaite was 2-3.

"We're improving and the young guys have done OK," Welton said.

"We need to learn how to score runs in the close games against a good pitcher."

In action Monday night, the Bulldogs swept Milan at home as Morseau picked up wins in both games.

In the first game Morseau threw a no-hitter as the Bulldogs took a 12-0 win in five innings. He struck out seven and walked none.

"Junior was in command the entire way," Welton said.

"It was an outstanding performance." Chelsea pounded out 12 hits, including three each by Prentice and Larson, and two each by Morseau and Quilter.

Larson had a double and a two-run homer for three RBI. Prentice had three RBI, and Morseau and Kerry Plank each knocked in two runs.

Women's Fast-Pitch Softball League Being Organized

Ann Arbor Recreation Department is considering establishing a women's fast-pitch softball league for the 1989 summer recreation program.

The initial program would consist of a one night a week (Monday) schedule at Vet's Park. Women interested in playing should contact the Ann Arbor Recreation Department office on Stone School Rd. at (313) 994-2328, or call organizers Debbie Bigham at (313) 485-3294 or Charlie Lamberson at (313) 429-7951.

Organizers are also looking for men/women who would be interested in coaching or assisting, as well as sponsors for the league.

BRETT YOUNG, 10 (on top), won the 9-10 age group, 70 lbs. state title in freestyle wrestling tournament at Grand Rapids Saturday, April 22. Brett wrestled five matches during the day-long competition. He is now qualified for national competition to be in New York City on Friday, May 19. Brett is a third grader at North school. Mike and Kim Young are his parents.

KEVIN MCCALLA placed fourth in the 13-14 age group at the State Freestyle Wrestling Meet last Saturday.

JORDAN DYER took fourth place in the 13-14 age group at the State Freestyle Wrestling Meet last Saturday.

JASON SZOSTAK finished third in the 11-12 age group at the State Freestyle Wrestling Meet.

IAN DYER place third in the 13-14 age group at the State Freestyle Wrestling Meet last Saturday.

Young Is State Champion In Freestyle Wrestling

Nine-year-old wrestler Brent Young won all five of his matches to take the state championship at the State Freestyle Wrestling Meet last Saturday in East Kentwood.

Young won at 70 pounds. Other placers from Chelsea included Ian Dyer and Jason Szostak, who

took third place in the 13-14 group. Jordan Dyer, who was fourth in the 11-12 category, and Kevin McCalla, who took fourth in the 13-14 group.

Others who participated included Dan Alber, Colby Skelton, Matt Herbert, and Paul Taylor. Coach is Howard McCalla.

Tennis Team Beats Central, Loses Narrowly to Riverview

Chelsea Bulldog tennis team earned a 5-2 victory over Brooklyn Columbia Central last Tuesday, April 18.

In other action last week, the Chelsea boys lost to Riverview, 3-4, on Thursday, April 20.

In the win over Columbia Central, the Bulldog doubles teams again swept their matches.

At first singles, Craig Maynard of Chelsea defeated Kevin Watters, 6-0, 6-2.

At second singles, Chelsea's Chris Wilson beat Brian Ritchie, 6-2, 6-4.

At third singles, Casey Baldwin of BCC stopped Adam Heeter, 6-1, 6-4.

In the final singles match, Scott Rier of BCC topped Eric Frisinger 7-6, 6-4. The first set was decided in a 9-7 tie-breaker.

At first doubles, Jason Richardson and Eric Worthing of Chelsea defeated Chris Taylor and Rudy Sitarz, 6-1, 6-1; John Collins and Shawn Capper of Chelsea stopped Brian Sparks and Larry Caryl, 6-2, 6-0 in second doubles; Matt Capper and Rich Mason of Chelsea topped Chad Hogle and Chris Sada at third doubles.

Chelsea's first and second doubles teams remained undefeated in Thursday's match against Riverview.

"It was a very tight match," said Chelsea coach Kevin Comstock.

"Adam Heeter had a very good win at number three singles."

Farmers Concerned About Possible Future Brucellosis Outbreaks

By Oct. 1, 1990, the U.S. Department of Agriculture will end its financial support for the eradication of brucellosis, a deadly livestock disease. According to Michigan Farm Bureau livestock specialist Kevin Kirk, that could cause problems down the road for the state's farmers, even though Michigan is a brucellosis-free state.

"Producers have to be very much concerned with some reactors possibly coming in from other states and cause a brucellosis outbreak here in Michigan," Kirk said. "Brucellosis is a very serious disease. It can wipe out herds just about like fire burning a barn down."

Kirk said brucellosis could be especially devastating for Michigan's dairy industry.

Beach Boys Track Team Downs St. Thomas, St. Francis

Chelsea Middle school boys track team started their track season last Thursday with a big win in a triangular meet with Ann Arbor St. Francis and Ann Arbor St. Thomas. Chelsea scored a whopping 84 points, followed by St. Francis with 49 and St. Thomas with 21.

"The meet went very well for our season opener" said coach Dave Brinklow. "We do have quite a bit to work on, however. It always takes the distance runners a few times with their events to figure out how to run them, so hopefully we'll see some drops in those times next week. We also need a lot of work on relay exchanges. But I am very happy with the attitude of the team so far. If they can keep the enthusiasm I saw this week, we'll have a fun season."

The meet started with Chelsea taking firsts in all four field events. David Beeman won the shot put with a throw of 36'0" and Colton White was third with 31'10".

In the high jump, Hans Kernitz was first with 5'4," Aric Dougherty was 2nd with 15'2 1/2," and Scott Leeman was 4th with 14'3".

Dana Schmund and Casey Schiller tied for 1st place in the pole vault with 7'0."

Tobin Strong started the running events with a 2nd-place finish in the 3200 meter run with a time of 12:44, and Paul Lopez was 3rd with 13:36.

J.D. Alford and McVittie were 3rd and 4th, respectively, in the 55 meter hurdles, 10:44 and 10:49. In the 800 meter relay it was a victory for Chelsea with the team of Hackbarth, Leeman, Dougherty, and Skelton who clocked in at 1:52.01.

It was a Chelsea sweep in the 800 meter run with Allan Hower 1st, 2:40; John Steffenson 2nd, 2:54; and J.J. Hanke 3rd, 2:58.

Erik Brown finished 3rd in the 1600 meter run, 6:09, while Leeman's time of 13:21 in the 100 meter dash was good for 2nd place.

In the 400 meter dash it was Frank Lopez in first, 1:07.53; Hower 3rd, 1:11.38; and Strong 4th, 1:14.54.

Hans Kernitz won the 100 meter hurdles in 15.59, with McVittie 3rd, 16.94, and Jay Westcott 4th, 17.80.

Brian Piasecki, Gabe Bernhard and Kevin Reese finished 2nd, 3rd and 4th, respectively, in the 70 meter dash.

Hackbarth made the 200 meter dash his third victory for the day with a

time of: 28.92. Skelton was 3rd, 29.56, and Jeremy Beauchamp was 4th, 31.10. The 1600 meter relay team of Schiller, Pat Steele, Chris Gibson, and Frank Lopez was in second place, while in the 400 meter relay, the team of Westcott, Alford, Bernhard, and Piasecki was third, and the team of Nick McCalla, Alex Roskowski, Dana Schmund, and Tywanza Darden was fourth.

Other participants in the meet were Ed Waller, Mark Kemner, Boone Gegenheimer, Paul Urbanek, Doug Steele, Justin Navin, Nathan Oake, and Kevin Lane.

The team travels to Milan on Wednesday and then to the Tecumseh Relays on Friday.

seven-run ninth inning made the difference.

Chelsea jumped out to a 10-run lead after 3 1/2 innings but couldn't hold on as several misplays "opened the door for them," Sullins said.

"We had a chance to fold but the kids hung in there and made the plays to get us out of trouble."

Scharphorn and Isel each had triples in the ninth. Scharphorn had six hits for the game and made two of the three final put-outs in centerfield.

ORAL SELF-EXAM CAN SAVE YOUR LIFE!

Q: How can I check my own mouth for signs of oral cancer?

A: A simple monthly examination of the mouth can catch oral cancer in its earliest stages, when it is most easily treated. The use and abuse of alcohol and tobacco are leading factors in the development of oral cancer. Excessive use of the daily consumption of one or two alcoholic drinks or one or more packs of cigarettes. The heat generated by smoking pipes and cigars irritates the mouth and can lead to lip cancer, as can excessive exposure to sunlight. Dentists are seeing an increase in the number of young people with precancerous lesions called leukoplakia, due in part to the increased use of smokeless tobacco. Leukoplakia becomes cancerous as often as 20% of the time. Males over 40 who are heavy users of alcohol and tobacco are at especially high risk of developing oral cancer. Other contributing factors include poor oral hygiene, irritation caused by ill-fitting dentures or rough surfaces of the teeth, and poor nutrition.

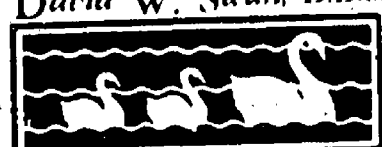

A monthly oral self-examination is easy to do—all you need is a bright light and mirror:

- remove any dentures or partial dentures
- look at and feel the inside of the lips and front of the gums
- tilt the head back to look at and feel the roof of the mouth
- pull out the cheek to see the inside of it and the back gums
- stick out the tongue and view all its surfaces
- feel for lumps or enlarged lymph nodes in both sides of the neck and under the lower jaw. Note reddish or white patches, a sore that fails to heal and bleeds easily, a lump or thickening of the tissues, chronic sore throat or hoarseness, difficulty in chewing or swallowing, oral or ear pain and unexplained bleeding.

Those at high risk should have an annual examination by their dentist. If you find any of these signs, see your dentist or any oral/maxillofacial surgeon without delay. Early treatment with any combination of oral surgery, radiation therapy, or chemotherapy can result in a cure.

announces a concert with

PRAISE SONG

on Friday, April 28 at 7:30 p.m.

PRAISE SONG, coming from Lima, N. Y., is an energetic group of young people whose lives are committed to the Lord, and who gladly witness through music to the love and goodness of our God. They have sung in many congregations across the United States, Canada and overseas, and their quality of ministry has affected many lives.

THEIR MUSIC: alive and warm, with an emphasis on vocal arrangements.

THEIR MESSAGE: the call of the Spirit to worship.

THE MINISTRY: leading in worship, encouragement, renewal. PRAISE SONG has dedicated itself to drawing people from various walks of life and different denominations together to celebrate the glorious praises of our King. The group is comprised of former students from Elm Bible Institute and others given to full-time ministry. They have come together from various religious and social backgrounds and have united their hearts to proclaim the glories of God throughout the land in a variety of churches. More than a concert, the goal of the group will be to draw God's people into a dynamic expression of praise and worship and to respond to the voice of the Spirit expressed through prophetic word and song. Come praying and expecting to meet with God!

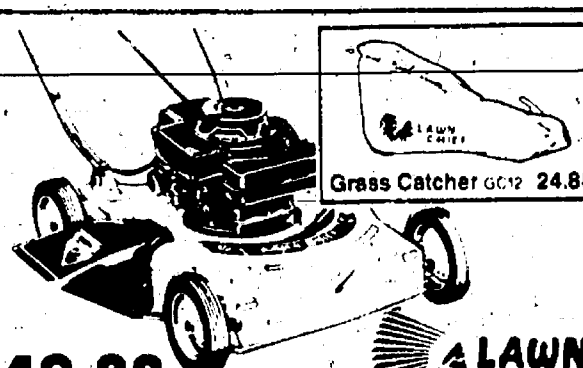

PRAISE SONG will be singing music from their latest recording, "Theme of My Praise," together with other Christian songs and choruses.

Admission is free and the public is cordially invited.

THE EFFECTS OF STEROIDS was the project of Mike Terpstra for his Chelsea High school biology class. It was part of the annual Life Science Fair at the high school on Monday. Terpstra used mice in his experiments and

measured weight gain as well as changes in behavior. Teachers in charge of the students projects were Sandy Kutschinski, Cathy Opoka, and Barbara Pruess.

IRS Assists Small Businesses In Tax Workshops

Small business owners and self-employed taxpayers can attend special tax workshops to learn about their federal tax rights and responsibilities.

Known as Small Business Tax Workshops, these sessions are jointly sponsored by the Internal Revenue Service and the Small Business Administration, the Social Security Administration, state departments of revenue, and other organizations involved with the self-employed and small business community.

At the workshops, instructors provide an overview of the role of IRS and the kinds of tax information available to businesses, as well as recordkeeping advice for tracking business income and expenses. Comprehensive exercises involving the completion of employment tax returns are discussed. Workshops also include an orientation to business taxes, an in-depth review of employer's responsibility for withholding income and social security taxes, and depositing of federal taxes using Federal Tax Deposit Coupons.

The workshops are offered free as a public service. Call the IRS at 1-800-424-1040 and ask for the Taxpayer Education Coordinator for scheduled workshops.

Do you spend more time planning your vacation than your finances?

Few people would think of going on vacation without having planned first. Yet many people spend little or no time planning something even more important: their financial future. If you're one of these people, maybe it's time you started giving more thought to what's ahead. You can start by talking to us — the planning specialist at Horizons Planning Corporation. We believe your financial future deserves careful planning — and we'll listen closely to your needs and goals before preparing a financial plan. So make sure any itinerary you plan includes a visit to us. After all, isn't your future worth as much preparation as your vacation?

Free Legal Advice On 'No Bills Day'

Free legal advice will be available to the public on "No Bills Day," April 28.

As a public service in conjunction with Law Day U.S.A., on April 28, at Arborland Consumer Mall, members of the Washtenaw County Bar Association will offer 30-minute consultations to anyone who telephones for an appointment.

According to Randy Musbach, publicity chairperson for Law Day in Washtenaw county, "No legal documents will be drawn up during the 30-minute consultations, nor will time permit the solving of specific legal problems." However, he added, "many persons have questions about what to do about their legal problems that we can address during the sessions."

"No Bills Day" was started by the State Bar of Michigan in 1974. It has attracted the participation of most of the state's local bar associations and won the Award of Merit from the American Bar Association. This year with "No Bills Day" the Washtenaw County Bar Association is having its first ever "Law Fair" at the Arborland Consumer Mall. A wide variety of law related demonstrations, information and exhibits will be offered to the public free of charge.

To make an appointment for a free consultation, call (313) 996-3229 between 9 a.m. and 5 p.m. before April 27.

In 1961, the first day of May was set aside by a joint resolution of Congress as a "special day of celebration by the American people in appreciation of their liberties and the reaffirmation of their loyalty to the United States of America."

Zoning Enforcement Officer

The Village of Dexter is seeking applications from qualified individuals for the position of Zoning Enforcement Officer.

Applicants should possess the following minimum qualifications:

Working knowledge of state and local zoning laws, practices, concepts and recent developments.

Some familiarity with building codes, standard construction practices, land-use planning, and legal land descriptions, including "metes and bounds," ability to read blue prints, plats, and plans including topographical detail.

Qualified applicants will possess some municipal-level experience in zoning and land-use planning. Position is part-time (20-25 hours per week). Village residency is not required but the chosen candidate must be readily available during the work week and as needed evenings and weekends.

Duties of the positions include:

Enforcement of Village zoning ordinance and public nuisance ordinance; receipt, review, and recommendation of various zoning permits and site-plan submissions; inspection of properties, structures, and fixtures subject to zoning restrictions; and provision of advice and assistance to Village Manager and planning commission with regard to zoning and land-use planning. Salary competitive, depending upon qualifications.

Interested individuals should submit a letter of application with resume to: James M. Palenick, Village Manager, 8140 Main St., Dexter, MI 48130. The Village of Dexter is an equal opportunity employer. c48

April 4, 1989

Regular Session.

The meeting was called to order by President Satterthwaite at 7:30 p.m. Present: President Satterthwaite, Clerk Anderson, Village Manager Stalker, Administrative Assistant Fredette.

Trustees Present: Kanten, Merkel, Hall, Boham and Steele.

Trustee Absent: Bentley.

Others Present: Diane Locker, Lenard McDougall, Brian Hamilton, Peter Flintoft and Dave Bulson.

Motion by Boham, supported by Steele, to approve the minutes of the regular session of March 21, 1989. Roll call: Ayes all. Motion carried.

Dave Bulson reported on the bids received for a new Backhoe tractor. The bids were as follows: AIS/Continental Equipment Corporation, \$46,200.00; Saline Ford Tractor Sales, Inc., \$47,222.00.

Motion by Boham, supported by Steele, that the low bid of \$46,200.00, submitted by AIS/Continental Equipment Corporation be accepted. Roll call: Ayes all. Motion carried.

Mr. Tom Osborne reported on the proposed adoption of fire codes for the businesses of Chelsea. The fire codes would establish lower insurance rates, help in preventing fires to the business district and other statistical information. The Council took no action but did direct the fire department to consider a licensed fire inspector.

The regular session adjourned to the Zoning Board of Appeals at 8:20 p.m.

Regular session reconvened.

President Satterthwaite asked for volunteers for Council to serve on a Recycling Study Committee. Trustee Steele expressed interest in serving on this committee.

Motion by Hall, supported by Boham, to accept the Dedication of Hickory Drive presented by Robert Daniels and Phyllis Daniels. Roll call: Ayes all. Motion carried. (Dedication documents attached to these minutes as Appendix A.)

Motion by Kanten, supported by Hall, to pay regular bills as submitted. Roll call: Ayes all. Motion carried. (Bills attached to these minutes as Appendix B.)

RESOLUTION

WHEREAS, Pay Estimate No. 2 has been received from SOS Service Group, Inc. in the amount of \$2,024.00 for work performed at the site of the new wastewater plant;

Council Changes Residency Clause For Village Manager

Chelsea Village Council voted unanimously last Tuesday, April 18 to change the village residency requirement of new village manager Robert Stalker.

Stalker's three-year contract initially had a clause that required him to find housing within the village limits by the end of the first year.

However, council agreed to modify that requirement to residency within the Chelsea School District. The clause may be re-instated when the next contract is negotiated.

Stalker, who has said he wants to buy a house rather than rent, told council that after two months of searching he was convinced he would not be able to find affordable housing for his family by the end of the first year. His first-year salary is \$37,500.

"So far I haven't even come close," Stalker told council.

Stalker told council he was concerned about the possibility of breaching his contract since it was likely he could not meet the residency requirement by March.

Village president Jerry Satterthwaite, who said he was one of the strong supporters of a village residency requirement in the contract, said it made sense to get Stalker as close to the village as possible and as soon as possible. Stalker is commuting from Tecumseh.

"I think we're all satisfied with (Stalker's) performance so far," Satterthwaite said.

Trustees Dennis Hall and Gary Bentley indicated they were reluctant to vote for the measure because the village manager should be affected by his own policy decisions and that won't happen when he's living outside the village.

STEPHEN HARTWELL, state chair for the 1988-89 Michigan Coalition of Adult Education, has joined Washtenaw Community College as coordinator of the Western Regional Office in Chelsea. Hartwell earned his bachelor's degree and secondary teaching certificate from Eastern Michigan University. He taught in the Ann Arbor Adult Education program for two years and was vice-president of the Washtenaw Adult Education Association for two years. He also taught computer courses part-time at WCC. The office offers college courses, academic advising and information about college services. For more information about the Western Regional Office, contact Steve Hartwell at 475-5935.

Realtor Suggests Village Install Siding on Barn

McKernan Realty Co. of Chelsea has suggested the village install metal siding on the barn that sits at the front of the village's industrial park on Sibley Rd.

McKernan Realty is the listing company for the industrial park lots.

Mark McKernan suggested that the barn could be rented for a woodworking shop, furniture restoration business, a small assembly shop, or a small machine shop.

"It is believed the barn could be rented for between \$500 to \$600 per month," a letter from McKernan to the village said.

"This improvement would enhance the entire project."

There was no estimate on the cost of the project.

DR. FRED vanREESEMA models an autumn-haze mink stole that was auctioned off at Chelsea Community Hospital's Spring Celebration fundraiser last Saturday, April 22. The auction featured merchandise ranging from wine, jewelry, and football tickets to a get-away week-end for two. On stage is auctioneer Lloyd Braun.

SADD Sponsoring Several Events as School Year Ends

Chelsea High school chapter of Students Against Driving Drunk is sponsoring a video/light show for the student body this morning from 9-10 in the high school auditorium.

The show will have a peer resistance theme.

SADD is also sponsoring a contest for limousine service and a \$50 dinner for two on prom night. All costs are

being donated by Gemini Family Hair Care.

The group's final project of the school year is the After Prom Party at Chelsea Lanes from midnight to 6 a.m. There will be door prizes, food and refreshments, as well as numerous activities.

Chelsea SADD chapter has 25 members. It is in its fifth year.

PROCLAMATION

In Observance of
April 28 through May 7, 1989

as

LIONS WHITE CANE WEEK

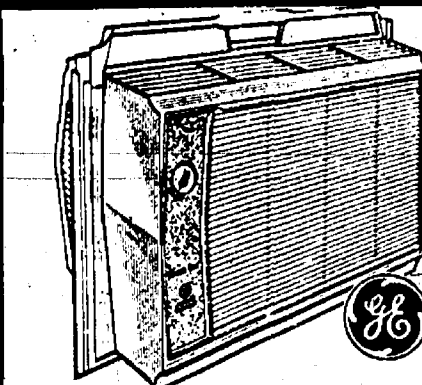

WHEREAS, there are over 18,000 Blind persons in Michigan who are dependent upon a White Cane or a Leader Dog; and WHEREAS, Governor James J. Blanchard has proclaimed the period of April 28 through May 7, 1989 as Lions White Cane Week; and WHEREAS, Lions Clubs seek to acquaint the public with its obligations to people who are dependent upon a White Cane or a Leader Dog for their mobility, and to assure public recognition and observance of the Laws protecting persons using these aids; and WHEREAS, the Chelsea Lions are dedicated to sight conservation activities by aiding the visually handicapped of all ages through examinations and eyeglasses for the less fortunate, Welcome Home for the Blind, Leader Dog School for the Blind, and Michigan Eye Bank and Transplantation Center, and other worthy community service projects; and

WHEREAS, the Lions of Chelsea give freely of their time and effort to support sight conservation projects. Through the sale of miniature White Canes, funds are raised for these worthwhile projects. Therefore, I, J. Satterthwaite, president of the Village of Chelsea, proclaim the period of April 28 through May 7, 1989, as LIONS WHITE CANE WEEK and urge all citizens to become familiar with the meaning and purpose of the White Cane Law, and to lend support to Lions' projects.

Dated: April 24, 1989.

NOT SO HOT.

Why doesn't the air from an electric heat pump feel warm? Because it's heated to only around 95°F, and to our body temperature that feels cool. To compensate, the electric heat pump blows a large amount of air. That's why electric heat pump owners often complain their houses feel uncomfortably cool and drafty. On the other hand, a propane gas furnace sends air into a home at around 130°F. Which is why gas heat always feels so nice and warm. **Local Phone**

"Count on Us to Keep the HEAT on"

Move into Michigan Bell Touch-Tone or Custom Calling Services by May 17 and we'll connect them free.

Order by May 17. You can move in on a big Michigan Bell offer. Order touch-tone, call forwarding, three-way calling, or any of our other custom calling services and we'll connect them free. All you have to do is call toll free by May 17 and tell us what you want.

You can pick:

Call waiting service keeps you from missing important calls by letting you put one call on hold while you answer another. And where available, the cancel call waiting feature is provided automatically at no extra charge.

Call forwarding service so you can transfer all your incoming calls to another telephone number and not miss any calls when you're not home.

Three-way calling service lets you add a third person to

your conversations so you can save time and avoid callbacks.

Speed calling service where you can complete your calls faster by using just one or two digits to call selected numbers.

Touch-tone service lets you add speed, accuracy and convenience to your dialing.

Choose any or all and pay no connection charge.* That can be a savings of at least \$30.50. But only if you order now. So call today and make your phone do a whole lot more for a whole lot less.

Business customers call 1 800 445-5MBT, ext. 700. Residence customers call 1 800 482-8055, ext. 678.

*Monthly service rates still apply based on rates effective April 28, 1989. Touch-tone and custom calling services are available in most areas.

Schaffer Named 'Miss Majorette of Michigan'

Beach Middle school eighth grader, Linda Schaffer, defeated 11 intermediate contenders and was proclaimed "Miss Majorette of Michigan 1989" on April 15 in Temperance. Linda, daughter of David and Darlene Schaffer, took a second in both "model" and "solo" and a first in "strut" to average out the top score. She will compete for "Miss Majorette of America" in July at AYOP. She is a seven-year baton student.

Six-year-old Stacey Leatherberry, daughter of Jody and Kim Leatherberry, was named the "Tiny Tot Basic Skills" winner. Stacey, a pageant newcomer, defeated 13 "0-6"-year-olds to claim the beginner title. Stacey is from Stockbridge and a new member of the Chelsea Baton Corps.

Other Chelsea Baton Corps finalists in the NETA contest were: Melony Owens, Jodie Rainey, Laura Roskowski, Erica Bloomsaat, Danielle Clark, and Laurie Honbaum. Final results in both the "Miss Majorette" and the "open" contest which preceded it are as follows.

DEATHS

Gertrude Haycock

Chelsea
Gertrude J. Haycock, 88, died unexpectedly Tuesday, April 18, 1989 at the Chelsea United Methodist Retirement Home.

She was born Dec. 15, 1902 in Michigan, the daughter of Albert and Eva (Coaster) Grates.

Mrs. Haycock was preceded in death by her husband, Sidney.

Survivors include two daughters, Patricia Bigelow, of Westland, and Mary Nadeau, of Chelsea; a son, Edward Haycock; eight grandchildren, four great-grandchildren; and one brother, Victor Grates.

Mrs. Haycock had lived at the home for two years. She previously lived in Westland.

Mass of the Resurrection was held Saturday, April 22, 1989 at St. Theodore Catholic church, Westland. Burial followed in Holy Sepulchre Cemetery, Southfield.

Local arrangements were handled by Staffan-Mitchell Funeral Home.

Andrew Eppler, Sister Die in Wisconsin, California This Month

Andrew C. Eppler, and his sister Regina (Bell), who were both born in Chelsea, died earlier this month.

They were the children of Adam and Friederika Eppler.

Andrew "Andy" Eppler died of a heart attack April 5 in Menomonee Falls, Wis. He was 76. His wife, Phyllis, survives. He was the father of Sue (Dale) Thibben, and grandfather of Craig. A son, Charles, preceded him in death.

Regina "Gean" Bell died April 15 in Van Nuys, Calif., a victim of emphysema. She was 88 years old and the wife of Robert.

MAIN STREET PHOTOGRAPHY opened its doors last Thursday on the upper floor of the Sylvan building. Owner Steve Leeman, who also owns a MotoPhoto franchise in Westland, is offering complete photographic services, from processing to portraits. He says animal portraits are his specialty.

Sara Smith To Attend Chicago Summer Ballet Program

Sara E. Smith, 12-year-old daughter of William and Kathie Smith, 5456 Witness Tree Lane, will be attending the Cecchetti Council of the Americas 38th annual Ballet Conference and Seminar at Michigan State University in July.

Sara, a seventh grader at Beach

Middle school, has also been chosen to attend the Chicago School of Ballet Summer Program this year. She has been taking ballet dancing for eight years, including three years at Sylvia's Studio in Ann Arbor.

Sara will also be performing in the 50th annual Ballet Recital presented by the studio.

In 1988-89 Sara was a member of "La Petite" ballet corps, a junior civic ballet group. Last year she was chosen to be a member of the Ann Arbor Civic Ballet.
