CHELSEA, MICHIGAN, WEDNESDAY, MAY 3, 1989

THIS DRIVEWAY on Main St. is the focal point of a disagreement between owners of a proposed Domino's Pizza store and the village planning commission. The commission voted to approve site plans with the curb cut removed. The owners contend that scheme will create a traffic hazard on Lincoln St.

Hop-In Building May Be Facing Demolition Due to Deterioration

The former home of the Hop-In store on S. Main St. next to McKune Memorial Library has apparently deteriorated to the point that it cannot be economically repaired and will probably have to be torn down.

That's the opinion of Washtenaw County Building Inspector Duane Evou, who forced the business to close earlier this month when he found the building was unsafe. He acted based on a complaint by zoning inspector Rosemary Harook.

"I really can't believe the thing is still standing," Evou said last week.

"A beam had come down, and the roof was leaking. Many of the problems were hidden by a false ceiling. I was afraid the building would come tumbling in when someone was inside."

Harook acted after complaints that the roof was leaking inside and that power had gone out.

Hop-In Store quickly vacated the premises. They were renting the space from owner Howard Fern of California.

Village council has discussed enforcing the village's dangerous buildings ordinance, which was passed shortly after the former Sylvan Hotel burned and was left boarded up. The ordinance would require the building to be repaired or torn down a specified amount of time.

Hop-In management has not returned telephone calls from The Standard. Unless a gas station makes use of the property, someone faces the costly proposition of pulling gasoline storage tanks out of the ground.

School Board Votes To Post Athletic Director Job Internally

Chelsea School District athletic director position will be posted internally for about 10 days before a decision is made as to whether an outside candidate will be sought.

Chelsea Board of Education approved the posting Monday night.

Wayne Welton has been the interim director since March, when former director Larry Reed left to take a position with Tecumseh schools.

The job title is officially director of athletics, physical education, and

health. That is the job description Ron Nemeth, the predecessor to Reed, worked under. It will be a full-time job.

The district is apparently going to be flexible in terms of allowing the athletic director to coach. Although it has not been an official policy, neither Nemeth or Reed were allowed to coach.

"I don't see that as a major issue," said superintendent Joe Piasecki.

"Whether it will become one, I don't know."

The decision to post the job is not a reflection of the job Welton is doing, Piasecki said.

"He's done a good job and I think he'd make an excellent athletic director," Piasecki said.

Salary and fringe benefits will be determined later, Piasecki said.

If the new director is hired from within, it's likely some teaching assignments might change.

In other business, the board met in executive session for nearly three hours, partly to discuss contract negotiations.

"Our hope is to get the matter resolved by the end of the school year," Piasecki said.

"We're starting to talk about things that have financial implications."

Piasecki said he wants to see teacher pay comparable to other districts but noted, "we've not had trouble getting teachers to come here. In fact, we've brought in some top notch people who have made an immediate impact."

Some teachers have said that the low end of the Chelsea pay scale is not comparable to area districts.

CAMP BEGAN Monday for Beach Middle school sixth graders at Mill Lake. Above are two of the three children who designed the camp t-shirt. The slogan, "Have Taste, Don't Waste" was created by Craig Leonard, left. The drawing, a sea serpent in a lake next to a small boat, was drawn by Nick Kramer, right. Lettering for the shirt was created by Michelle Craig, who's attending camp in the second session.

Motel on Hold For Time Being

Developers of the proposed Arrogate Inn Motel for land near I-94 have apparently had a change of plans, which will probably delay the project.

Bill Weber, one of the developers, said he couldn't comment about the project in detail. However, he said it may be necessary to go through some part of the site plan approval process again.

When asked whether construction might start this summer, Weber said "I hope so."

Tools, Stereo Equipment Stolen From Garage

A Gene Dr. resident told Chelsea police that someone stole tools and stereo equipment from his garage on Sunday, April 30 between midnight and 10:30 a.m.

Items taken include a large quantity of hand tools, as well as car stereo equipment and a CB radio. Several power tools were not taken.

The garage was apparently left unlocked, according to reports.

Curb Cut Issue May Keep Domino's from Building Store Here

What appeared to be a relatively minor detail in site plans submitted for a Domino's Pizza store in Chelsea has turned into a problem that may prevent the business from ever coming to town.

In what was called a confusing set of circumstances, Chelsea Village Planning Commission voted to approve site plans based on the removal of a curb cut on Main St. The store was planned for the former site of Ralph Fletcher's Friendly Service at the corner of Main and Lincoln Sts.

Both Becky Belknap, one of the owners of the future store, and zoning inspector Rosemary Harook, who attended the meeting, said they thought initially the curb cut had been allowed to remain but found out afterward it had not.

"It was very confusing," Harook said.

"Both (village trustee) Richard Steele and I thought they had allowed the curb cut, but (planning commissioner) Bill Bott told us afterward they had not."

At issue is the flow of traffic in and out of the proposed Domino's parking lot.

Belknap has objected to having the curb cut removed because they believe it will create a traffic hazard when cars back out of the lot onto Lincoln St.

"I'm afraid we'll have constant accidents when cars turn off Main St.," Belknap said.

Planning consultant Carl Schmitt, Jr., issued a report suggesting that the curb cut stay but be narrowed.

Village President Jerry Satterthwaite, who has no official say in planning commission decisions, has said that he supports leaving the curb cut in.

"My feeling was that we keep the curb cut and if it got to be a problem, close it," Satterthwaite said.

Even Chelsea Police Chief Lenard McDougall believes it would be better to leave the curb cut as it is. However, he also has no official say in the matter, either.

Belknap is partially worried that their drivers would likely be involved in accidents since most of Domino's business is via delivery.

However, by closing the curb-cut some believe problems will be eliminated involving traffic flow from

Van Buren St. onto Main St. and from Chelsea Community Hospital driveway.

"We're at a standstill right now," Becky Belknap said last week.

"I guess we're going to have to get some legal advice and see if there is an appeal process."

Belknap also said a decision would have to be made soon as to whether the store will be coming.

"We've had several offers to buy the building," she said.

"We may not be able to use the property as it is."

Belknap said she also believes that the curb cut is not necessarily the main issue involved for those who voted against it.

"I think if they have some personal problem with this, they have an obligation to speak up and get it out in the open," she said.

Belknap said that the outcome of Tuesday's meeting was a surprise. The plans had previously been approved with the provision that the Belknaps work with Schmitt and their architect to come up with a revised plan.

Developers Working on Agreement To Deal With Stormwater Problem

Village of Chelsea will drop its zoning violation case against developer Rene Papo if he and developer Mike Kennedy can come to a written agreement concerning stormwater run-off near the new Village Mall next to Polly's Market.

The village filed about a dozen complaints against Papo and an excavating crew in a pond near Polly's Market that had been used for years for stormwater retention. The pond was on property owned by Papo.

The village contends that Papo was in violation because he submitted site plans for a strip mall for the land but the plans had never been approved by the planning commission.

Papo's actions also forced developer Mike Kennedy to delay his

Village Mall project because the village forced him to come up with another means of stormwater retention before he could continue his project. Kennedy's engineers came up with a costly plan to pump water to the opposite side of M-52 from a retention pond.

In addition, Washtenaw county has approved a drainage district that would handle the area, but Papo has challenged that in court, further complicating the issue.

However, zoning inspector Rosemary Harook has told village council that if Papo and Kennedy come to a written agreement, she will drop all legal proceedings against Papo.

As of Monday, all Harook had was oral assurances that Papo and Kennedy were negotiating an agreement. She was still waiting for something in writing that would meet with approval of village legal counsel.

Beach Student's Jeans Stolen

A Beach Middle school student reported the theft on April 27 of a pair of designer jeans from the school's locker room.

The 13-year-old boy reportedly saved his own money to buy the jeans, valued at \$82.99.

The pants were stolen from the locker area during a sports event.

Beer Stolen From Apartment

A W. Middle St. resident reported to Chelsea police that someone stole six six-packs of beer on April 20.

According to reports, the thief gained entrance through the front door by playing with the lock.

Nothing else was taken from the apartment.

Storm Sewer Work Will Disrupt Middle St. Traffic

Storm sewer work has started this week on W. Middle St. and a stretch of the road has been closed to through traffic.

The sewer work is scheduled to be completed by village crews before major road work is started in June.

W. Middle St., from Wilkinson to Hayes, is scheduled to be resurfaced and get new curbs and gutters.

In addition, a final coat of asphalt will be applied to W. Middle to Main St.

W. Middle St. has been closed from Grant to Wilkinson Sts. and will only remain open for residents and emergency traffic. Other traffic will be routed from Grant St. to Chandler St. to Wilkinson St. back to W. Middle St.

According to village manager Robert Stalker, once paving begins W. Middle St. from Main St. all the way to Wilkinson is likely to be closed, although it depends largely on the contractor's wishes.

National Honor Society Plans To Collect for Scholarships

Members of the Chelsea High school chapter of the National Honor Society will be on village streets this Friday and Saturday selling tags to support the work of the Chelsea Scholarship and Financial Aid Committee.

Students will be collecting on Fri-

day beginning at 3:30 p.m. and on Saturday from 8:30 a.m. to 1 p.m. They will be properly identified. All money will go to the Chelsea High School Scholarship Fund.

Money will be distributed to qualified Chelsea seniors to help them continue their education.

CHELSEA HIGH SCHOOL forensics team qualified four of 10 entries for this week-end's state competition. The students qualified with their performances in the regional competition. In front is Lori Wetzel. In back, from left, are Jennifer Bennett, Debbi Gerstler, Bill Coelius IV, coach Bill Coelius, and Mercedes Hammer. Not pictured is Sherry Dukes.

Amy Wolter of Chelsea High school received confirmation that she would be the recipient of the largest talent award available from the University of Illinois. The scholarship was for four years and would give her \$8,000. Lima township resident Ted Steinbach was placed in a strange situation. As he was burning brush on his property a man driving a fire truck with flashing lights and blaring radio told him that if the fire was not extinguished Steinbach could be fined \$500 and thrown in jail despite Steinbach's legal permit to burn. Steinbach called the Dexter Fire Department to clear up the matter, and when the fire fighters reached the scene, the imposter fled. Steinbach was "verbally harassed" according to Fire Chief Mike Collins.

Chelsea High school forensics team sent three people to the state competition in Ann Arbor the previous Saturday. Brad Glazier, team member, returned home with fourth place in the Men's Extemporaneous event following competition in two preliminary rounds and one final round. Compiling 21 points to place fourth, Brad marked up a school record for forensics at Chelsea High. The 1975 Chelsea varsity golf team opened their season in non-league play against Tecumseh at the Tecumseh Country Club. The Bulldogs were able to defeat their opponents, carrying a two-point lead. Chelsea turned in a score of 170 for the nine holes while Tecumseh players hit a 172. Coach Pat Wade reported he

was very pleased with this "warm-up" play.

Among officers installed for the Ann Arbor Commandery No. 13 Knights Templar at Ypsilanti Masonic Temple was Chelsea resident Clinton Collyer. Collyer was installed as Eminent Commander at the ceremonies.

Chelsea High school's junior varsity baseball team opened its home season with a 12-10 come-from-behind victory over Willow Run. The Bulldogs were led by Ernie Hadley's three-hit attack. His two triples and one double drove in five runs.

Bonnie Powers was named editor of the Michigan State University's Focus Magazine for the 1976 edition.

At a special meeting of the congregation held at St. Paul United Church of Christ, the building committee, and the architect presented working drawings and bids for construction of a complete sanctuary and Christian Educational facilities. The congregation voted to begin construction as soon as possible.

The Chelsea High school's junior-senior prom theme was named "Harbor Lights." It was held in the solarium area and an Ann Arbor dance band provided the music. Students in charge of the committees for prom were Lauralyn Johnson and Duane Schroen. Assisting them were Sarah Jo Schnake and Duane Schroen, decorations; Nancy Koenigster and Darlene Bolanowski, banquet details; Gail Kuhl, invitations; Mary Nyies and Terry Ferris, servers.

Blanchard Directs Implementation Of Grayling Recommendations
Gov. James Blanchard has directed the Department of Military Affairs to implement proposals balancing National Guard training activities with recreational use of the Camp Grayling area, including banning the use of the artillery range on summer holiday week-ends and limiting firing to a period between sunrise and three hours after sunset.

Major General Vernon J. Andrews, department director, will implement recommendations on all 47 issues contained in a report of the Camp Grayling Management Advisory Committee in January, the governor announced.

"These measures, and others to be implemented by the Department of Military Affairs, will help alleviate concerns of nearby residents and ensure continued recreational use and enjoyment of the Grayling area," the governor said. "The Guard also will be able to continue vital training activities in and around Camp Grayling."

Andrews immediately implemented most recommendations that dealt with training noise in January. "We know our implementation in January of the noise recommendations has already helped. I hope the steps we're announcing help as much in these other areas," he said.

Ronald Steffens, advisory commit-

tee chair hailed the process a "success. I predict that many of the problems will have disappeared by this time next year."

The holiday week-ends in the recommendation include Memorial Day, the Fourth of July and Labor Day, covering the hours between 4 p.m. Friday and sunrise Tuesday. The same ban was also in effect the opening week-end of trout fishing season, which began the last Saturday in April, with firing ceasing three hours after sunset on Friday and not resuming until sunrise Monday.

Under the recommendations, Military Affairs will have to develop, and require all Camp Grayling units to sign and comply with, a major agreement covering training hours, noise control, environmental regulatory compliance and other issues.

Also, enhanced public notification procedures regarding scheduled training activities and their impact on civilian land use in areas controlled by Military Affairs will be required. This will include improved signage, notification in local newspapers and other publications.

To implement the committee report, the governor will:

—Appoint a Camp Grayling Advisory Council to provide a continuing public forum for the next two years to discuss conflicts, and monitor and assist, as appropriate, implementa-

tion of recommendations. Military Affairs also will be asked to appoint community response co-ordinators to work with the camp commander and the advisory council to respond to specific concerns by the public.

—Direct Military Affairs to hold a public meeting in Grayling on the guard's long-range training plans for Camp Grayling.

—Direct the Department of Natural Resources to assess environmental conditions along the Au Sable and Manistee River headwaters and determine the effect of future development on these freshwater sources.

—Direct Military Affairs to defer construction of a proposed air assault strip until at least next year, pending review of possible alternative locations removed from recreational use areas.

—Direct Military Affairs to defer development of a proposed multipurpose range complex until all environmental concerns are addressed and seek advice from the advisory council before construction begins. The complex, which will consolidate eight existing ranges into two, should be operated with the goal of reducing over-all noise levels.

—Direct Military Affairs to limit dropping of 500-pound bombs by aircraft based outside of Michigan to levels proportionate to those allowed by other states hosting Michigan aircraft.

Camp Grayling, the largest National Guard training base in the United States, opened in 1913 and covers 147,000 acres near Grayling.

State Urged To Stress Oil Spills Prevention

A civil engineering professor told a meeting of the state House Conservation, Recreation and Environment Committee that the state should emphasize efforts to prevent oil spills and work with both local and federal government groups to develop a unified program.

Walter Lyon, adjunct professor at

the University of Pennsylvania and co-chair of the International Joint Commission Science/Technology Committee (IJC), said some 150 million tons of hazardous waste per year are transported on the Great Lakes and precautions must be taken to prevent them from spilling.

"Programs designed to prevent spills are inadequate or virtually nonexistent," he said.

J.D. Snyder, director of the Office for the Great Lakes within the Department of Natural Resources, said his office strongly supports prevention measures.

Agreeing that local units must also be involved, Snyder said next year's DNR budget contains funding for training of first response teams to deal with spills. The executive budget includes \$2.7 million for investigations, enforcement and emergency response work.

Lyon said 62 percent of all spills can be attributed to human error and a number of spills are the result of excessive automation of ships. An estimated 3,000 spills per year occur in the Great Lakes, he said.

Along with spills, Lyon said hazardous materials are being dumped in the Great Lakes by foreign flag vessels and that can be corrected. "We recommend that the Coast Guard seal overflow valves before they enter the Great Lakes and they stay sealed until they leave the Great Lakes," he said.

Other recommendations made by Lyon included that the United States and Canada establish a uniform spill reporting system; that the IJC monitor trends and causes of spills and promote inventories of hazardous waste materials being transported on the Great Lakes; that the IJC develop emergency prevention plans with input of local units of government; that the IJC establish a basin-wide uniform labeling system for materials for better identification; and that the U.S. Congress adopt "right-to-know" and "right-to-refuse" legislation to protect personnel on ships who question orders to release hazardous materials.

On a state level, Lyon suggested that Michigan should develop a spill reporting system of its own and adopt a state-wide spill prevention program with an emphasis on local involvement.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster told the fellers at the country store Saturday night that he had thought the situation up one side and down the other and he is full convinced that we git in more trouble saying and doing what we think others want than what we know we want. The problem is the same, Clem said if a man and his wife are buying encyclopedias and if two countries are trying to settle a border dispute.

A door to door salesman starts laying out reasons a young couple can't git along without his 28-volume set of books and he's betting his commission on convincing one that the other wants it. When both agree to buy fer the other, Clem said, he's got em hooked on \$7 a month payments the rest of their natural life to guarantee success in school fer their unborn children. And you can bet all them payments that two days later both are wishing they had spoke their true feelings, was Clem's words.

What brings this way of tricking ourselves to mind, Clem said, was reading about the U.S. and Japan trying to agree on how to "share" technology and build a fighter plane together. But he said it works the same with vacations, eating out, locating nuclear missiles and everything where one side is worried about feelings of the other. After two days of rain at the beach, Clem said, when the husband says he had wanted to go the mountains all along he buys trouble big time from the wife and kids.

The fellers were general agreed that it's best to start off selfish and be only as generous as compromise demands, the way the U.S. and Canada done with their trade agreement. Bug Hookum said you're allus skating on thin ice when you try to put yourself in the others feller's shoes at the risk of your own. This is why, Bug said, that companies have the devil's own time working out merit pay, and why school systems all over the country are hung up on basing teacher pay on performance.

Surveys show that 80 percent of us think we're above average, Bug noted, so we ain't likely to agree that the dumber feller at the next desk ought to be paid more. Likewise, 80 percent of teachers figger whoever is valuating them don't know as much teaching as they do. So teachers keep

harping fer more pay fer all teachers, and companies compromise by working out profit sharing fer everybody on the payroll.

As fer compromise, Zeke Grubb said that has to be handled right or it can git you in deeper than sticking to your guns. Zeke had saw where a bad deal cut by schools in Knoxville, Tenn. already has worked its way in about a dozen other systems. On the surface the agreement looks deep, Zeke allowed, but down deep it's shallow.

What's happening, Zeke reported, is a advertising company is giving public schools satellite dishes, televisions, videotape players. All the company asks is that the schools run a 12 minute news show. Everything is fine except the part where the company slips in two minutes of advertising it sells fer top dollar. With them two minutes, Zeke said, everything is sour.

Fer sure, Zeke said, television can be a teaching tool and a selling tool, but not both in the same classroom. When you weigh the pros and cons of that offer, the cons have it, was Zeke's words. School boards that let zit cream be sold to captive audiences can be bought by anybody.

Yours truly,
Uncle Lew.

Modern Mothers Enjoy Program on Cake Decorating

Modern Mothers Study Club met Tuesday, April 25, at the Chelsea High school home ec. room for a cake demonstration by Dorothy Hafner.

Mrs. Hafner demonstrated a "tractor cake" which is just one of the various kinds she makes. Members and guests were given helpful tips on the stages of making such a cake.

After the cake was completed it was raffled off and Cheryl Vogel was the lucky winner.

The evening concluded with a business meeting.

Refreshments were provided by co-hostesses Lori Schmid and Katrina Thiel.

From a normal deck of cards, it's possible to deal 2,598,960 different five-card hands.

Woman's Club Elects Officers For Next Year

The annual meeting of the Woman's Club of Chelsea was held Tuesday evening, April 25, at the McKune Library with 17 members present.

Annual reports from officers and committee chairpersons were submitted and a new slate of officers elected for the coming year. They are: president, Ginny Johnson; vice-president, Linda Cole; treasurer, Marge Travis; secretary, Shirley Smith; parliamentarian, Lucille Finkbeiner.

A new budget was also presented and approved.

The club will finalize its year's activities with their annual dinner on May 9 at the Brandywine Restaurant in Jackson and the Marathon Bridge dinner at Our Savior Lutheran church.

Hostesses for the evening were Betty Oesterle and Mary Jane Leeman.

JUDGE KARL FINK of Chelsea's 14th District Court spoke to a series of elementary school tour groups last Thursday as an introduction to Monday's Law Day. Judge Fink talked about the courthouse, and the law, and answered the children's questions, several of which had to do with the vault in the background. The students were also given a tour of the building.

Family Asthma Support Group To Meet May 10

Tim Jessen, M.D., will discuss "Allergies and Asthma" at the next meeting of the Family Asthma Program. The group will meet on Wednesday, May 10 at 7 p.m. in the EBA Club at Domino's Farms Prairie House, 30 Frank Lloyd Wright Dr., Ann Arbor.

The Family Asthma Program, co-sponsored by the American Lung Association of Michigan and the University of Michigan Medical Center Division of Pediatric Pulmonary Medicine, is a support group for parents of asthmatic children. There is no charge for the program and no need to pre-register. Family members and child care professionals are invited to attend.

The goal of the program is to give useful information to families of asthmatic children to help reduce the frequency and severity of asthma episodes and help asthmatic children maximize their potential to lead full and active lives.

For more information, please call the American Lung Association of Michigan at (313) 995-1030.

Sunday Trail Walk Features Woodland Spring Wildflowers

Spring means flowers to many of us. The bright, cheerful banners of daffodils, tulips, crocus, hyacinths, and forsythia are a welcome sight. In addition to these commonly planted flowers, there are some extra special flowers of the season, which poke up through fallen leaves, and paint the woods in pinks, yellows, blues, lavenders, and white. These are the woodland wildflowers, the spring flowers that are native to this region, and which certify the season for many of their admirers.

The Call of the Wildflowers is the topic of the monthly trail walk at the Matthaei Botanical Gardens on Sunday, May 7, 2 p.m. All interested persons are invited to attend. Wildflowers growing along the trails and in the woodland wildflower garden will be featured. The walk will last approximately 1½ hours.

Meet the Docents in the Gardens lobby. The tour begins promptly at 2 p.m. Dress for the weather and possible muddy trail conditions.

Matthaei Botanical Gardens is located at 1800 N. Dixboro Rd., Ann Arbor, ½ mile south of the Plymouth Rd. intersection.

Michigan apple growers are indebted to the gigantic glaciers of the last ice age, some 10,000 years ago. These glaciers, in their retreat, scooped out the Great Lakes and thousands of smaller Michigan lakes to create unique and near idyllic growing conditions for flavorful apples, according to pomologists.

Women & ESTROGEN: A part of your life.

The hormone estrogen is important throughout a woman's life. We are constantly learning new information about the role that estrogen plays in a number of health issues for women, from reproduction to disease prevention.

In order to learn more about estrogen and its importance for you, the Chelsea Family Practice Center invites you to a special presentation on estrogen by:

Cheryl Stone, R.N.
Clinical Care Coordinator
OB/GYN Outpatient Service

Wednesday, May 10 at 7 p.m.

Cheryl will describe how estrogen functions; its role in preventing disease and maintaining health; and the importance and safety of estrogen replacement therapy.

Class will be held in family practice classroom at Chelsea Community Hospital.

Call Cheryl at 475-1321, ext. 272, to register. A \$2 fee is payable at the door.

School Board Notes

Present at a regular meeting of the Chelsea Board of Education Monday, April 17, were Comeau, Redding, Satterthwaite, Feeney, Cherem, Eisenbeiser, superintendent Piasecki, assistant superintendent Mills, principals Williams, Stielstra, Wescott, Benedict, assistant principal Larson, community education director Rogers, curriculum director Bissell, guests.

Meeting called to order at 8 p.m. by president Anne Comeau.
Board approved the minutes of the April 3 meeting.

Entered as official communications were (1) letter to the Board of Education from Staff Development co-chairpersons Darcy Stielstra and Barbara Fisher, recognizing 16 staff members' contributions to the Teachers-Teaching-Teachers professional development activities; (2) letter from Dr. and Mrs. Davis relative to the Michigan Model program.

Juvenile Court Judge Judith Wood was present at the meeting to update the board on services provided by the court and some recent changes in the law which affect school-age children.

The board appointed trustee Ann Feeney to serve as voting delegate to the biennial election of the Washtenaw Intermediate School District.

The board approved continuing tenure for a number of teachers at North, South, Beach and the High school for the 1989-90 school year.

The board approved tenure status for the 1989-90 school year for Beth Vogel (North school), and Mercedes Ott and Richard Lutz (High school).

The board approved second-year probation status for the 1989-90 school year for Martha Piper (North), Sara Wilson (South), Lonnie Mitchell (High school), Debra Butler, David Jolly, Marion Krutty, Sally Rendell (Beach).

Assistant superintendent Mills reported that specifications for asbestos abatement in the district's buildings have been prepared and bids have been solicited. Work on this project is expected to begin in late July.

Meeting adjourned at 9:55 p.m., and a work session was subsequently held on the Michigan Model health program.

34 Years Ago . . .

(Continued from page two)
school, was awarded an entrance scholarship at Michigan State College, according to official information received by High School Principal John Griffin.

Washtenaw county's tax base was set at \$351,925,000 which was \$81,925,000 more than the figure for a year ago and matched the state equalized figures. The figure was set by the Washtenaw County Board of Supervisors.

Walter Beurle, Sr., was re-elected president of Mt. Hope cemetery Association at the annual meeting held in the parish hall of St. John's church at Rogers Corners. Clarence Trinkle was elected as trustee to fill the vacancy caused by the death of Ben Breitenwisher.

Mrs. Warren Daniels was elected president of the Washtenaw County Tuberculosis Association, succeeding Mrs. Cecil Creal of Ann Arbor. The election took place at the annual meeting of the association.

Farm tiling was demonstrated on the Earl Perkins farm on Feldkamp road. Willard Cutler, drainage specialist from Michigan State College, was present for discussions on trenching services; county drains, reasons for tiling, ASC assistance and tiling specifications. The actual demonstration was given by Lee Talladay, a local trencher.

Letters to the Editor

To the Editor,

This is a letter of questions. Where are our high school students? Where is their caring? Where is their responsibility? Where is their memory of friends who are no longer here? Why do so many attend funerals and so few try to prevent them?

A very few students are trying to get a "Safe Rides" program started in Chelsea. A local businessman has, very generously donated a building. Use of a car, a base CB station have also been donated. Other businesses have given enough to purchase a base station antenna and car antenna. The Boy Scouts have the group chartered and the Red Cross is sponsoring it. An insurance policy is covering it.

Some adults and a few students have signed up. Many more are needed.

Doesn't anyone care? Don't you know a brother, sister or friend who didn't come home after a date, maybe, the prom? Did someone have a few beers, couldn't see any reason not to drive, didn't want mom or dad to know, and killed himself and maybe your friend too?

Can't you spare four hours a month? Don't you wish someone had taken that little bit of time for your friend?

Please Care.

Dianne M. Fowler.

To the Editor,

There is a saying "Gods, Guns and Guts built this Country." There is a lot of truth to this when you think the Pilgrims came here to escape the Humanists, used guns to fight and had the guts to tell the freeloaders to shake a stick. As a result our taxes are low in comparison to Socialized Europe and Canada (but still not low enough).

Now here in Chelsea we face a similar threat. We came here to escape the Humanists of the city so we could use guns when we need to (bear arms) and have the guts to speak out when the fat cats in Lansing and Washington want to raise our taxes to give it all to the freeloaders in the city. This is the reason we keep voting for Margaret O'Connor. If any one can get our taxes down it is Margaret O'Connor.

Washington D.C. has gun control laws yet it is the Murder Capital (I only wish they would murder more politicians, not gun owners!) Gun control is just the opposite of abortions. When you make it a law against guns you increase murders, but when you make it a law against abortions you stop murders. It is ironic, but when will the fat cats learn this?

As a former Marine Drill Sgt. I am afraid what will happen in Chelsea if more city people come here. With the fat cats on their side they will demand drugs, welfare and abortions, then they will blame it all on guns! It is so ridiculous I could laugh, but it makes me sick. Mrs. Bush isn't helping. She is a bad influence on the President.

Afraid but Proud to be an American,

Steve "Bud" Klink.

If you had to work as hard as a heat pump does, you wouldn't last 10 years either!

A heat pump has to work awfully hard. All year round.

And a high maintenance-cost record. And a short life. Heat pumps usually wear out in 7 to 10 years.

A heat pump's compressor may be warranted for only 5 years, while the heat exchanger of a high-efficiency gas furnace is warranted up to 20 years.

And the life expectancy of a conventional central air conditioner is much longer than a heat pump's. For a long, happy life, nothing makes more sense than a high-efficiency gas furnace/central air conditioning combination. Let us show you how much you can save.

An efficient gas furnace would keep a home more comfortable, a lot longer, with a lot less effort and expense. In warm weather, a heat pump has to work hard, too—in reverse. A central air conditioner could provide the same cooling more efficiently, for more years. And use less energy.

Because heat pumps work so hard, so many days, and have so many moving parts, they have a high failure rate.

Propane gas gives you more for your money

Area Students Cited at U-M Honors Convocation

Thirteen area students were among the 4,088 students recognized on the Ann Arbor campus at the University of Michigan's annual Honors Convocation, March 19.

Class Honors were bestowed on 3,905 of the student group, recognizing an undergraduate academic record equal to at least half A's and half B's to two terms, or in the case of new students, one term, during 1988.

Susan Jane Overdorf of Riker Rd., Chelsea, enrolled in the School of Literature, Science and the Arts, was one of 577 students named a James B. Angell Scholar, after maintaining an all-A record for two or more consecutive terms as an undergraduate.

Ms. Overdorf was also the recipient of a Class Honor award, as were five additional Chelsea area students.

The five included General Ann Brooks, enrolled in the School of Nursing, Kevan K. Flanigan, Karen L. Grau, Patrick Gustine and Jeffrey

Allen, all four of whom are students in the College of Literature, Science and the Arts.

Manchester residents Kristine Kay Rose, enrolled in the College of Business Administration, and Kathryn Ann Spiess, a student in the School of Education, also earned the Class Honor award.

Two Grass Lake residents, Andrea Suzanne Clark and Caitlin Rachel Spaan, received the Class Honor award. Both were enrolled in the College of Literature, Science and the Arts.

Dexter area residents Michael James Lommel, Patricia Dawn Nelson and Debra J. Smith, all students in the University of Michigan's College of Literature, Science and the Arts, received the Class Honor award.

Farm Bureau Challenges Emission Control Proposal

The federal government is studying a proposal to require emission control devices on diesel powered farm equipment. The proposal has been challenged by Farm Bureau on the grounds that it exaggerates the emission problems and fails to adequately consider the time and place of farm diesel use.

"More testing is needed before new laws and regulations are written covering emissions from off-highway diesel engines," said Al Almy, director of public affairs for the Michigan Farm Bureau. "Hasty action could result in over-regulation and excessive costs without achieving meaningful results."

The U.S. Department of Agriculture has estimated the emission controls would cost farmers an estimated \$4.5 billion and hike on-farm fuel consumption by 150 million gallons annually due to lower engine efficiency.

Farm Bureau contends the vast majority of farm diesel units are used in areas that are free of air quality problems, with most of the use occurring in the spring and fall when stagnant air masses are least likely to occur.

Forensics Students Going to State Meet

QUESTION: What Kind Of People Go To Chiropractors?

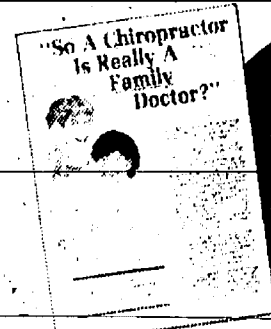

ANSWER: People Who Want To Get Well Without The Use Of Drugs Or Surgery.

Chiropractors treat people from all walks of life: older people—children; laborers—office workers; professional athletes—weekend sports enthusiasts; business people—and other health-care professionals go to chiropractors. The reason: chiropractic is an approach to health which utilizes the body's inherent and natural recuperative powers. And often, chiropractic has been successful where other treatment has failed. You don't have to have a special kind of health problem to visit a chiropractor.

Seven Chelsea High school forensics students will participate in this Saturday's state competition at the University of Michigan.

The students qualified for the meet based on their performance at the regional competition April 22.

Senior Tim Parkkila was Chelsea's regional champion as he won the prose division.

"This was an extremely tough competition," said coach Bill Coelius.

"It was a great accomplishment."

Other qualifiers included Bill Coelius, IV, in drama, who placed fourth at the region, sophomore Mercedes Hammer, who placed third in storytelling 9-10, and the multiple team of Jennifer Bennett, Debbi Gerstler, Lori Wetzel, and Sherry Dukes, who also placed third.

Chelsea also had several alternates, including Anne Steffenson in oratory, Gerstler and Michelle Graflund in duo, and Sarah Schaeffer in poetry.

**Criminals, Sane
and Insane,
Walking Among Us**

The Stockton, Calif. massacre which left five children dead and 29 wounded has focused too much attention on the *weapon*—and too little on the criminal who was free to commit the crime.

Patrick Purdy, 26, used a copy of the Soviet-designed AK-47 semi-automatic assault rifle to fire upon the children. According to the *N.Y. Times*, Purdy purchased this rifle Aug. 3 from a dealer in Sandy, Ore., for \$349.95. His false identification was accepted without questioning despite his record of arrests for drug possession, solicitation of sex, illegal possession of dangerous weapons, receipt of stolen property, attempted robbery, criminal conspiracy, firing a pistol in a national forest and resisting arrest. Plea bargaining turned his felonies into misdemeanors which then resulted in quick release to the streets. Purdy also lied in filling out the Federal form which requires a gun buyer to affirm that he is not a convicted criminal or under indictment, and that he is not mentally ill nor a drug addict.

The trigger of a semi-automatic weapon must be squeezed every time the gun is fired. A well-trained shooter can manage close to one shot per second. The National Rifle Association states that Purdy's rifle was *functionally identical* to millions of semi-automatic rifles owned by sportsmen in the United States for nearly a century. The weapon used at Stockton was no more "powerful" or more "rapid fire" than other semi-automatic hunting and target rifles used by Americans.

Many makes of semi-automatic guns can be illegally converted to automatics by expert underworld gunsmiths. This makes them capable of firing 100 to 150 shots per minute. Sportsmen and women have no practical use for fully automatic weapons. Neither do they need or want magazines with large numbers of shots, rifles with collapsible stocks or shortened barrels—features that are characteristic of assault weapons.

Gun control advocates are using the semi-automatic capability of assault weapons as a pretext to ban semi-automatic firearms from 30 million responsible sportsmen. Another pretext of the gun control lobby is that law-abiding citizens will take their guns to underworld gunsmiths to have their firearms converted into automatics or machined to accommodate silencers.

Since Stockton several laws have been proposed in Congress to prohibit the sale and use of semi-automatic assault weapons. When you analyze the proposed legislation, however, you discover that they are actually subterfuges for banning semi-automatic sports guns. The National Rifle Association has mounted a counterattack against these legislative overreactions, and their local affiliate, the Chelsea Rod and Gun Club, is strongly supportive of the NRA. So is George Bush.

If you will glance through the column on the right, you will see what effect the assault gun laws may have on law abiding citizens. These same laws will have *no effect on criminals*. Drug dealers with their immense wealth buy only the best quality of weapons and think nothing of paying twice the price that police or military organizations pay. What is more, through international connections of their own they can import guns, along with shipments of drugs, in their own private planes, vessels and vehicles.

Using their rapid fire guns, drug gangs are conducting turf wars against each other, and innocent bystanders of all ages are caught in the crossfires. Police equipped with six-shot one-bullet-at-a-time revolvers are outgunned by modern weapons of the underworld. Urban police are re-arming themselves and they had better. It is rapidly becoming the custom of drug trade felons not to surrender when facing arrest but to shoot it out, relying on superior firepower.

The situation has become so threatening to the public that 50 percent of all gun-sales to civilians are now for purposes of defense. Women by the thousands are arming themselves and taking the sensible precaution of learning how to use handguns. They are aided by expert instruction on practice ranges.

Responsible adults and age-qualified youngsters living in the Chelsea area are welcome to instruction at the Chelsea Rod and Gun Club. The instructors are state-certified and NRA approved. Practice on the Club's rifle, pistol and shotgun ranges is open to members who have paid their \$25 annual dues.

Ending the Careers of Career Criminals

Now for the second question arising from the Stockton massacre: Why are so many career criminals like Patrick Purdy loose on the street? One answer is plea bargaining by prosecutors to avoid lengthy trials and jammed court dockets. There will be no solution until heavy repeat offenders are locked up for good.

With bipartisan support Governor Blanchard has proposed legislation which will limit the revolving door treatment now accorded to Michigan felons with multiple convictions. The new law would give judges the authority to decree *life imprisonment without parole* to incorrigible felons. The sentencing would not be mandatory. In each case the judge would exercise his own judgment. But, when justified by the criminal's record, the judge will be empowered to take the felon off our streets for life.

It is not expected that such a law would strain our prison system because a surprisingly small number of felons is responsible for a huge share of the crimes committed.

The Governor's proposal is supported by impressive facts about criminals brought to light within this decade. Several innovative studies were reported in the May-1986 *Reader's Digest*. One told of a determined deputy police inspector situated in a two square mile precinct of the Bronx. Challenged by the extremely high crime rate, he ordered his officers to collect pictures and records of local robbers and other felons. He targeted those criminals who had been convicted and were now back on the streets of the precinct. Within a very short time, aided by these photo/fact files, officers and victims were able to identify repeat offenders in *one-half* of recent robberies and other crimes.

Another revealing study reported by the *Digest* was conducted by Marvin Wolfgang, a criminologist at the University of Pennsylvania. For his subjects he took practically all of the males—9,945—who were born in 1945 and raised in Philadelphia. Of these, 627 turned out to have had five or more arrests before turning 18. Six percent had committed two-thirds of the violent crimes chargeable to Wolfgang's "Class of '45." What is more, these young felons admitted that for each arrest they had committed 8 to 11 other serious crimes for which they were not arrested. They committed 14 murders for which they averaged a mere four years of confinement.

In a follow-up study of 13,160 Philadelphia males born in 1958, Dr. Wolfgang found that a total of 982 had been arrested five or more times upon reaching 18. The 1958 class was much more violent than the Class of '45. Young criminals born in 1958 had twice the offense rate for rape and aggravated assault, triple for homicides and five times the rate for robbery. The increased violence might will be explained by the epidemic advent of crack cocaine.

Other studies confirmed the conclusion that we do have *super-felons*. A researcher for the Rand Corp. interviewed 2,190 inmates and found that half of the burglars committed six or fewer burglaries annually while 10 percent averaged 230 apiece. Half of the robbers chalked up five crimes per year while 10 percent committed 87 a year. And half of the drug peddlers averaged 100 deals per year while 10 percent managed 3,251 apiece.

With modern statistics and superfelon profiles, judges should have little difficulty in identifying appropriate candidates for life-without-parole sentences.

Finally, murders and heinous crimes by insane persons seem to be on the rise. If there is any way that the psychiatric profession can help to reduce crimes by the criminally insane, now is the time for an aggressive new beginning.

RUGER SEMI-AUTOMATIC RIFLE, popular with sportsmen, is manufactured in Connecticut. Its magazine holds ten 22 caliber long-rifle cartridges and will fire a round each time the trigger is pulled.

NRA Fights Laws Banning Hunters' Semi-Automatics

The National Rifle Association is waging a fight to save millions of semi-automatic sporting guns being made illegal. The NRA seeks to defeat proposed bills from a law branding these popular firearms as "military assault weapons." Here, word for word, is NRA's plea:

If you're one of the 30 million law-abiding Americans who owns a semi-automatic firearm, you must act now—before you become a criminal.

A nation-wide semi-auto gun ban is up for a vote in Congress, sponsored by Sen. Howard Metzenbaum (D. Ohio) and Rep. Pete Stark (D. Calif.) Here is what their approach can do to you:

1. You must pay a \$200 government tax for each of your semi-automatic rifles, shotguns and handguns on that list.
2. In order to keep them you must be fingerprinted and submit to an FBI background check for each semi-auto you own.
3. A government official will then decide if you're fit to keep and operate your semi-auto firearm.
4. If you're not approved, your gun becomes contraband and you become subject to felony prosecution. Your only choices are to hire a lawyer or take your guns out of the United States.
5. Even if you are approved, you must get government permission each time you want to transport your semi-auto across state lines, even to hunt or target shoot. If you don't, you could get 10 years and a \$10,000 fine.

Think it's impossible for honest gun owners to become instant criminals? It's already happening: they just banned semi-autos in Los Angeles and Cleveland. Now they want a semi-auto ban nation-wide.

Call 1-900-446-2000 or write your senators and representatives now. Tell them to stop the semi-auto ban proposed in S. 386 and H.R. 1190. Because if you're a law-abiding gun owner, they can make you a criminal.

Of course, if you are a criminal, laws don't worry you anyway.

REVERSE AIR FLOW BLOWS DUST AWAY

The 20 HP Kubota B1750 compact diesel tractor was designed to keep you and your tractor cooler on hot days. That's because Kubota's reverse air flow cooling blows hot, dusty air out the front of the tractor, away from the driver. For cleaner and more comfortable operation.

Implements include front loaders, mowers (mid and rear mount), rotary cutters, tillers, even snowblowers and post hole diggers. Speed set lever saves footwork and fuel. Low piston speed lengthens engine life.

The driver's seat is comfortable, too. Beat the heat with a Kubota B1750 compact tractor. Reverse air flow blows heat and dust away.

Teachers touch our lives.
Many we remember... some we never forget.

SCHOOL FAMILY DAY

Tuesday, May 9th

Can you recall the most influential person in your life?
Chances are it might have been a teacher.

On Teacher Day, we honor those who have been willing to share their knowledge, their patience and their vision.

Those teachers are still in their classrooms teaching our children... helping to make America strong.

It has been said that public education has maintained our democracy... and teachers provide the quality.

Thank you, Chelsea teachers.

A message from the Washtenaw Livingston Education Association and the Chelsea Education Association.

MATT VILLEMURE,
 SERVICE DIRECTOR

RON SCHUYLER,
 SERVICE MANAGER

We Welcome You to Michigan's Finest Service Department. Our Service Staff has over 165 years combined mechanical experience. We fix cars for keeps!

Ford maintains that the quality car you buy is now backed by the best Quality Care in America.

Quality Care is a commitment from Ford and Lincoln-Mercury dealers to strive to make their customers the most satisfied in the world.

Quality Care is a lot of things. One of the most important is the Lifetime Service Guarantee.

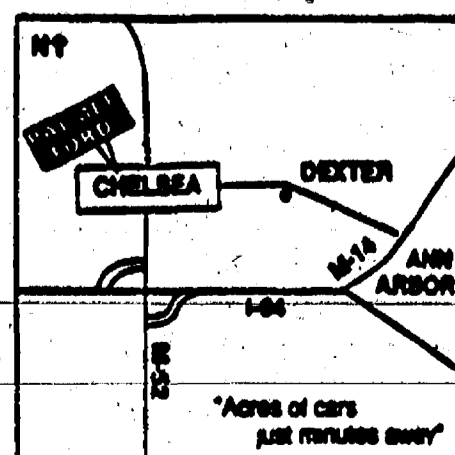

If a dealer repairs your Ford, Lincoln or Mercury, they guarantee that once you pay for a covered repair, if it ever has to be fixed again, they will fix it free, parts and labor, for as long as you own your vehicle. Nobody guarantees car repairs longer. Nobody guarantees car repairs better. And LSG covers thousands of repairs.

Ask for a copy of this limited warranty. Only participating Ford and Lincoln-Mercury dealers have it. Only Ford, Lincoln and Mercury owners can get it.

Ford Quality Care and the Lifetime Service Guarantee. It's the difference between just buying a car and owning Peace of Mind.

General Motors Gets Farm Bureau Salute for Ethanol

Michigan Farm Bureau has saluted General Motors for recommending the use of properly-blended, so-called "oxygenated" fuels, beginning with 1990 model cars and trucks. According to Bob Smith, senior legislative counsel for the state's largest farm organization, the policy will have a beneficial impact on ethanol production, which in turn benefits corn growers.

"Ethanol produced from corn has

been used as a gasoline supplement and octane enhancer for more than a decade but has suffered from misinformation and misconceptions," Smith said. "Rumors that ethanol would damage engines have been proven totally false by motorists who have driven over 500 billion trouble-free miles on ethanol blended fuels."

Smith said that ethanol production currently requires 360 million bushels of corn, the output of a little more than

3 million acres. The U.S. Department of Agriculture estimates that this alternative use for corn adds between 7 cents and 14 cents a bushel to the price a farmer receives for his crop.

The average pencil can draw a line 35 miles long.

Catherine McClung Heads 'Be Kind to Animals Week'

National renowned wildlife artist, Catherine McClung, has been named Honorary Chairperson of the Humane Society of Huron Valley's 74th annual celebration of "Be Kind to Animals Week," May 7th-13th. Making her home in Dexter, the woods surrounding her residence serve as an inspiration for nature photography, painting, and observing birds and animals. She shares her environment with her family, a cat named "Cheesie," two gerbils, and the hundreds of birds that frequent her feeders and pond. She also plays host to four varieties of squirrels and several raccoons who visit her regularly.

Her connection with nature and wildlife, combined with her sense of concern, highlight her relationship of reverence and kindness towards animals. "As a child, my mother instilled in me a deep respect for all living things—both wild and domestic. I regard the preservation of nature as one of the highest priorities in the world today. It is an honor and a pleasure to serve as ambassador for the animals."

Ms. McClung is frequently honored in bird and waterfowl competitions and displays her work in numerous shows and galleries. She has been awarded the 1988 Best of Show at the Chicago International Art Exhibition and was selected as the 1988-89 Ohio Ducks Unlimited Artist of the Year. Ms. McClung was also chosen as the 1988 Artist of the Year for the Great Lakes Wildlife Art Festival.

The Humane Society will be kicking off BKA Week this year with the 10th annual Dog Walkathon on Saturday, May 6. HSHV is extending an open invitation to all animal lovers and walking enthusiasts alike to join the fun beginning at the Shelter at 9 a.m. and ending at 4 p.m. Participants may walk the six-mile route along rural roads with or without dogs (and as many times as your feet/paws can stand) to raise money for the Society's Cruelty Investigation and Emergency Rescue Programs. In celebration of a decade of walking, HSHV plans to break all records by drawing at least 500 walkers to raise a total of \$50,000.

With a large influx of puppies and kittens in the spring, a need for dry food arises. To address this need, a Dry Puppy and Kitten Food Drive will be in full swing during BKA Week with food drop-off points in Ann Arbor at the HSHV Shelter, Padars Lane Pet Supply, Scamp Pets and Supplies, and both Huron Feed and Pet Supply locations. In Dexter, food may be donated at the Dexter Mill.

The Shelter will be closed for regular business the day of the Walkathon; however, stray animals will still be taken in, and 24-hour emergency rescue services will be available.

For more information on the Food Drive or the Walkathon, please call (313) 682-5545.

Motorcycle Safety Program at WCC Begins in May

Washtenaw Community College's 1989 Motorcycle Safety Program begins this May with courses offered in three skill levels through August.

These courses are designed to provide information on cycles, proper riding gear and road-handling tips. Upon successful completion, the student will become certified by the Motorcycle Safety Foundation and WCC.

Any licensed driver 16 years or older is eligible to enroll, but individuals under 18 must have written parental consent. Certification by the Motorcycle Safety Foundation enables students under 18 to apply for a Michigan motorcycle license.

Motorcycles used in this program are provided by WCC through grant funds from the Michigan Department of Education.

All classes cost \$25. For more information, contact WCC's Continuing Education Services at 973-3616.

Women represented 63 percent of all persons 16 years old and over with poverty level incomes in 1988, according to the U. S. Labor Department. The poverty rate of all persons in families maintained by women with no husband present was 34.2 percent; for related children in those families it was 54.4 percent. There were 3.6 million families maintained by women (no husband present) that had incomes below the poverty level in 1988.

Bulldogs!

Dogs Whip Number One In Championship Game Of Chelsea Invitational

Chelsea Bulldog softball team continued to dominate their opponents as they won five straight games Saturday to take the Chelsea Invitational.

In Southeastern Conference play on Thursday, Chelsea won twice at Lincoln to maintain their league lead.

The Bulldogs played well as a team all day Saturday as they edged Jackson Northwest, the state's number one class B team, in the finals, 2-0. In the first game they whipped Gabriel Richard, the state's third-ranked class D team, 4-0. In between they beat Holt, Ypsilanti, and Brighton.

Jenni Smith pitched and won the first, fourth and fifth games, all shutouts.

In 21 innings against Richard, Brighton, and Northwest Smith gave up just six hits and struck out 34.

"She was absolutely awesome," said Chelsea coach Pat Clarke.

"I don't think there's a better pitcher in the state."

The Bulldogs supported Smith by pouncing out 57 hits in the five games.

"We've been trying to beat Jackson Northwest's Robyn Papaioannou for two years and we hit her very hard Saturday," Clarke said.

"The score might have been more but Northwest played very well in the field."

"We are obviously starting to jell as a team and hopefully this will continue."

Shannon Losey's single in the third scored Lisa Unterbrink and proved to be the game-winning hit.

The Bulldogs added an insurance run in the fifth as Kim Easton singled, stole second and third, and Smith singled.

Laura Unterbrink and Losey each had two hits.

Smith struck out 13 and allowed three hits.

The first game against Richard was scoreless until Chelsea scored three times in the bottom of the fifth. With one out Lisa Unterbrink walked, Heather Neibauer singled, Shannon Losey bunted safely to load the bases, Kim Easton singled in a run, and Smith doubled in two runs.

Neibauer's sacrifice fly in the sixth scored the final run.

Smith struck out 12 and tossed a two-hitter.

Laura Unterbrink allowed five hits and struck out five in a 3-1 win over Holt in the second game.

Chelsea fell behind 1-0 after four innings but scored one run in each of the fifth, sixth, and seventh innings.

Lisa Unterbrink's single scored Scharme Petty to tie the game in the fifth.

Christy Petty's single scored Smith and proved to be the game-winning hit.

Laura Unterbrink's single in the seventh scored Easton, who had singled.

Chelsea had 12 hits for the game, three by Scharme Petty and two each

by Easton, Smith, and Lisa Unterbrink.

"Laura Unterbrink pitched a fine game against a good-hitting class A team," Clarke said.

"We also got some clutch hits."

Christy and Scharme Petty combined on the mound for a 17-7 win over Ypsilanti in the third game. They gave up seven hits between them in the five innings.

Chelsea took a seven-run, first-inning lead as Neibauer and Amy Thomson singled; Easton doubled; Laura Unterbrink, Kelly Dale, and Lisa Unterbrink all singled at least once.

From there on Chelsea was not seriously threatened.

Big hitters for the game were Laura Unterbrink (4-4), Thomson and Dale (each 3-4), and Carrie Flintoft (2-3).

Clarke put his ace on the mound in the final two games.

Against Brighton, a good-hitting class A school, Smith allowed one hit, struck out nine and walked two.

Chelsea collected 11 hits and 20 runs.

The Bulldogs scored all their runs in four innings.

Offensive leaders were Heather Neibauer, who was 2-2 with five RBI, Shannon Losey, who had a pair of hits, Easton, who had three RBI, Laura

Unterbrink, who was 2-2 with two RBI, and Colleen Scharphorn, who was 2-2 with four RBI.

"We were on a roll and hit the ball well," Clarke said.

Chelsea topped Lincoln 9-0 and 6-3 behind the pitching of Smith and Unterbrink, respectively.

In the first game, Chelsea scored in each of the first six innings while Smith was pitching a two-hitter and striking out 18.

Easton, Neibauer, Laura Unterbrink, Christy Petty, and Smith each had at least one RBI.

Laura Unterbrink threw a two-hitter in the second game but the Bulldogs committed six errors to keep the game closer than it should have been. She struck out nine and walked one.

Chelsea fell behind 2-0 in the first before scoring two runs in each the second and third innings. Lincoln scored once in the fourth.

Thomson's double scored two runs in the second and singles by Smith and Christy Petty scored two in the third. Losey's single, and an error accounted for the final two runs in the seventh.

Chelsea is 21-3 on the year and 6-0 in the Southeastern Conference.

CHRISTY PETTY makes the catch in left field while "Bubbles" Neibauer looks on from shortstop, during action in the Chelsea Invitational last Saturday. Chelsea dominated the tournament.

Beach Boys Lose at Milan

Beach Middle school boys track team lost at Milan and finished in 13th place at the Tecumseh Relays in action last week. The score of the Milan meet was 71-52.

Colby Skelton and Andy Hackbarth finished second and third, respectively, in the long jump. Hans Kernnitz was third in the high jump and third in the shot put. It was David Beerman first and Colten White third.

Tobin Strong won the 3200 meter run with Paul Lopez coming in second. In the 55 hurdles, Kernnitz was second. Jay Westcott was second in the 800 run, followed by Chris Gibson in third.

Chelsea swept the 1600 run with Allan Hower taking first, Eric Brown second, and Nathan Oake third.

Tywanza Darden placed third in the 100 dash. Frank Lopez was third in the 400 run, and in the 100 hurdles it was Kernnitz in first and Jason McVittie in third.

Scott Leeman and Skelton took second and third in the 70 meter dash while Hackbarth and Aric Dougherty were first and third in the 200 dash.

Other participants in the meet were J. D. Alford, Boone Gegenheimer, Kevin Reese, Casey Schiller, Justin Roush, J. J. Hanke, Justin Navin, Chris Gibson, Mike McEachern, Chris Taylor, Alex Roskowski, Brian Plasecki, Paul Urbanek, Gabe Bernhard, Matt Montange, Pat Steele, Kevin Lane, Ed Waller, Jeremy Beauchamp, Mark Kemner.

Although none of the relays scored in the top five at the Tecumseh Relay meet, there were some outstanding Chelsea performances.

"We just aren't a strong team for a

Baseball Crew Whips Lincoln in SEC Action

Chelsea Bulldog baseball team swept the Lincoln Rallsplitters in a double-header on the road last Thursday, 5-2 and 5-0.

Doug Wingrove picked up the win in the opener, with a sparkling relief performance by Junior Morseau, who set down the last nine Lincoln batters in order.

"Junior really took care of business," said Chelsea coach Wayne Welton.

Chelsea never trailed in the game, although the Dogs collectively managed only five hits and played a sloppy defensive game, according to their coach.

Morseau also accounted for three runs at the plate as he had two hits and a sacrifice.

Morseau's sacrifice in the first scored Jude Quilter, who had walked. Brandon Murrell's single, combined with an error on the first baseman, scored Kerry Plan.

Jeff Prentice's single in the third scored Morseau, who had doubled.

The Dogs finished their scoring in the fifth as a single by Quilter, a walk, a wild pitch, and a single by Morseau scored two runs.

Lincoln scored single runs in the second and third innings.

"We got the big pitches and the big hits," Welton said.

"Their pitcher, Mike Fingerle, is a good left-hander."

Wingrove's record moved to 3-0.

Sophomore Rob Clem ran his record to 5-0 in the second game as he gave up three hits and struck out four.

Morseau sacrifices in the first and fifth innings scored a run in each inning. David Adams, who had walked in the first, scored the first run. Quilter, who singled and stole two bases in the fifth, scored the second run.

In the sixth Matt Forner was hit by a pitch and later scored on Adams' double.

The final two runs scored in the seventh as Wingrove reached on an error, Prentice walked, and they pulled a double steal. Two wild pitches accounted for the runs.

Chelsea is 5-1 in the Southeastern Conference.

In other action last week, Chelsea went 2-0 in the Rawlings Tournament. They square off against Lincoln at

CRAIG MAYNARD has had a good season as Chelsea's number one singles player. Here Maynard unleashes a serve during last week's River Rouge match at home.

Netters Whip River Rouge In Busy Week of Tennis

Chelsea Bulldog tennis team defeated River Rouge on Friday but lost two other matches last week.

Chelsea whipped River Rouge, 6-1. Coach Kevin Comstock said the Bulldogs dominated the match.

Chelsea winners included Craig Maynard who won at first singles, 6-3, 6-0; Chris Wilson at second singles, 6-0, 6-1; Eric Frisinger at fourth singles, 6-1, 6-1; Jason Richardson and Eric Worthing at first doubles, 6-1, 6-0; John Collins and Shawn Capper at second doubles, 6-1, 6-0; and Ben Manning and Chris Haugen at third doubles, 6-0, 6-0.

Matt Capper and Rob Coelius also won their matches in junior varsity singles.

Adam Heeter suffered the only loss of the day at third singles, 4-6, 1-6.

At Howell last Tuesday, April 25 the Bulldogs lost 5-2 as Maynard and Wilson took their first and second singles matches.

"We played well but ran into a team with a little more experience," Comstock said.

Maynard won 6-2, 6-0 and Wilson won 6-3, 6-2.

Results of the other matches follow. Heeter lost at third singles, 2-4, 0-6; Frisinger lost at fourth singles, 1-6, 0-6; Richardson and Worthing lost at first doubles, 4-6, 5-7; Collins and Capper lost at second doubles, 3-6, 4-6; and Manning and Haugen lost at third doubles, 2-6, 1-6.

JV Softball Team Dominates Opponents

Chelsea junior varsity softball team continued to pound their opponents at they ran away from Milan and Lincoln in Southeastern Conference action last week.

Chelsea whipped Milan on Monday, 20-4, and 24

Laura Unterbrink won the second game of the Chelsea Invitational last Saturday against Holt. The senior also helped out considerably with her bat as the Bulldogs went on to win the tournament.

Kevin McCalla placed fourth in the 13-14 age group at the State Freestyle Wrestling meet, April 22. Kevin also qualified for national competition to be held in New York City on May 19.

JV Baseball Team Wins Four Straight

Chelsea Bulldog JV baseball team won four straight games last week to improve their record to 7-3.

"When we get the kind of hitting, base stealing, fielding, and pitching we have gotten in the last week, we are a very good team," said Chelsea coach Jim Ticknor.

Chelsea knocked off Milan twice last Monday, April 24, 29-5 and 13-7. Craig Ferry got the win in the five-inning first game as he allowed just five hits and struck out five.

Chelsea held an 8-4 lead after the first inning but piled on 10 runs in the third to break the game open.

The Dogs pounded out 22 hits, including four by Adam Taylor and two each by Ben Hurst, Ferry, Mike McAulay, Tucker Steele, Tom White, and Shawn Castleberry.

Steele and Castleberry each knocked in four runs.

"We hit the ball hard and I'm pleased with how our hitting is improving," Ticknor said.

Hurst and Taylor combined on the mound for the win in the second game. Chelsea had 10 hits, two each by White, Vince Dunn, and Alex Hammerschmidt, and three by Kelly Beard.

The Bulldogs trailed 3-2 after the first inning but scored six runs in the second inning.

Steele, Dunn, White, Beard, and Hammerschmidt all had at least an RBI.

Lincoln lost to Chelsea 12-4 and 5-0 last Thursday, April 27.

Jeremy Stephens pitched a four-hitter in the first game as he struck out seven.

Ferry was 3-4 with a double and three RBI and Castleberry was 2-3 with a triple and two RBI.

Chelsea again grabbed a big, early lead as they pulled ahead 9-0 after three innings.

In the first, the Dogs had run-scoring hits from White, Ferry, Castleberry, and Rick Westcott.

Ferry and Castleberry had RBI-hits in the third.

Castleberry pitched a five-hitter in the second game for the shutout.

Ferry and Castleberry were each 2-2 on the day.

Chelsea took advantage of some slopping Lincoln fielding to score most of their runs.

Freshman Dogs Have Tough Start

Chelsea Bulldog freshman baseball team started the season with a 1-7 record.

"Over-all we're starting to hit the ball better, but we are not giving our pitchers much support in the field," said Chelsea coach Mike Bohlender.

Chelsea lost its first double-header to Howell, 26-0 and 12-4.

In the opener, Chelsea had nine errors and struck out 11 times, although Jason Garrigus was 2-2. In the second game Matt Gaken hit a double.

Chelsea picked up their first win in the second game of a twin bill with Hartland.

The Bulldogs lost the opener 16-2. Chris White was the winning pitcher in the second game as he struck out eight and gave up four hits. White and Lee Skyles were each 2-4.

Saline whipped the Dogs twice, 14-2 and 17-8.

Chelsea defense committed 12 errors in the double-header. Gaken was 2-2.

The Dogs lost to Tecumseh 13-2 as the Bulldogs had seven hits but didn't run the bases well, Bohlender said.

Adam Tillman had a double and two walks.

The second game was called after three innings due to darkness. In that time, Chelsea fell behind 12-5, and John Weinberg was 2-3.

Girl Runners Top Railsplitters, Lose to Milan in SEC Action

The Chelsea Bulldog girls varsity track team dropped a close meet to Milan Tuesday, April 25, 58 1/2-69 1/4.

Milan built their lead in the field events, but the Bulldogs nipped away at it, getting to within three at one point. The key race was the 400 relay, the sixth of 12 running events. Milan took a close race by .2 seconds, and was in the driver's seat, if not total control from then on. It took the Big Reds until the 200, the next to last event, and a 1-2 finish to sew it up.

In the field events, the Bulldogs had four second places: Tiffany Moore in the shot put at 28' and the discus at 85'11", Erika Boughton in the high jump at 4'9" and Deanna Richardson in the long jump at 14'7 1/2". Marti Daggett added a third in the discus at 81'8", Leisa Schiller a third in the long jump at 14'4", and Jeanene Rossi tied for third in the high jump at 4'9".

Charity Allen ran her career best times while winning the 100 hurdles in :16.9 and the 300 hurdles in :48.6. The former is a freshman record.

Amy Carley was third in the 100 hurdles in :18.8.

Danica Disbro took both the 100 in :13.3 and the 200 in :27.3.

Jeanene Rossi contributed her best 200 of the season to finish second in :28.6. Richardson was third in :28.7.

Disbro, Rossi and Richardson combined with Schiller to win the 800 relay. Schiller was also third in the 400.

Anne Steffenson was second in the 400 with a strong 1:03.2, then led off the 1600 relay which won in 4:26.8. Other runners on that team were Amy Weir, Richardson, and Allen.

The Bulldogs made a good showing in the distances against Milan, one of the top distance teams in the state. Vicki Bullock turned in her best 1600,

finishing second in 5:49.4. Bullock also was third in the 800 at 2:38.8. Carmen Smith was third in the 3200 with 13:16.6.

"We ran about as well as we can," said coach Bill Bainton.

"Once again, most of our times improved."

The girls turned around Thursday and defeated Lincoln, 75-53.

The Bulldogs got off to a slow start, spotting Lincoln a 25-11 lead. Boughton won the high jump at 4'9" with Rossi second at 4'6", as they continue to be consistently strong performers. Moore was second in the discus, and Richardson turned in a fine jump of 15' 1/2" in the long jump but only managed a third.

Bullock, Mignano, Kim Roberts, and Smith won the 3200 relay.

Allen won the 100 hurdles in :18.0 with Carley third.

Danica Disbro was second in the 100.

The next race, the 800 relay, may have been the turning point of the meet. The team of Disbro, Schiller, Rossi and Richardson won in 1:50.8, as Richardson held off a strong challenge in the last 100 meters from Lincoln's top sprinter, and one of the best in the conference, Tracy Dicks.

"It was one of those emotional things that kind of stunned them and picked us up," said Bainton.

Vicki Bullock and Sarah Grau followed with a 1-2 finish in the 1600 to put the Bulldogs on top for the first time, 38-35. Lincoln took the lead back by winning the 400 relay, then Chelsea went on top to stay as Steffenson and Schiller went 1-2 in the 400 in 1:03.1 and 1:04.2. Dicks of Lincoln was third in 1:04.5.

From there on it was all Chelsea.

Strong Individual Performances Highlight Mason Invitational

Chelsea Bulldog girls varsity track team finished sixth in the Mason Invitational Friday with 56 points. Class A Holt was the winner with 104.

The Bulldogs made a strong showing in the field events, earning 18 points.

Erika Boughton and Jeanene Rossi took third and fifth, respectively, in the high jump. Both cleared 4'8" but Boughton got the higher place on fewer misses. Leisa Schiller went 14'10", her season's best, in the long jump to place fourth. Deanna Richardson was right behind in fifth at 14'9". Tammy Browning was fourth in the shot at 30'7 1/2". Tiffany Moore had a season's best of 28'1 1/2" in the shot and 88'11" in the discus in non-scoring efforts. Moore got into the finals of the discus but came up a foot short of sixth place.

Vicki Bullock, Carmen Smith, Sarah Grau and Christine Mignano placed fifth in the two-mile relay. Smith later ran her season's best in the two-mile run.

Charity Allen took a fifth in the 110 hurdles, then got Chelsea's highest

place of the night in the 300 hurdles as she finished second. Also in the 300 hurdles, Amy Carley was fourth with a fine time of :51.4.

Danica Disbro was third in the 220 in :27.8 and fourth in the 100 at :12.3.

Anne Steffenson ran a 1:03.8 440 to take a third. Jeanene Rossi, Amy Weir, Deanna Richardson, and Angela Pace ran :55.1 in the 440 relay for fifth. Schiller, Amy Weir, Carley, and Ann Steffenson ran 4:20.7, a season's best, in the mile relay to take fourth. Steffenson ran a fine 1:01.7 anchor leg for the Bulldogs.

"This was a tough meet for us, having run the day before, but the team handled it very well," said coach Bill Bainton.

"We were pleased to get through with good performances and no breakdowns."

Beach Girls Outrun Milan

Beach Middle school girls track team dominated Milan 91½-26½ last Wednesday, April 26 at Milan.

Chelsea won all but two events and placed two girls in every event but one. Lisa Monti set her second school record in two weeks as she clocked a 12:29 in the 3200 meter run, which beat Cathy Barham's old mark by nearly 30 seconds.

"Lisa is an inspiration to her teammates and a joy to her coaches," said Chelsea coach Ann Schaffner.

Theresa Royce won the long jump at 14'6" and dropped her 100 meter time to :13.8 in another winning effort. She also anchored the winning 400 meter relay.

Other results follow.

Shot put: 1. Heather McConeghy, 28' 5 1/8"; 2. Laura Paton.

Long jump: 1. Royce, 14'6"; 3. Sarah Brosnan.

3200 run: 1. Monti, 12:29.9; 2. Tammy White.

1600 run: 1. Brooke Pitts, 6:41; 2. Tracey Wales.

100 dash: 1. Royce, :13.8; 2. Jamie Collinsworth.

400 run: 2. Flannery; 3. Tina Blackford.

100 hurdles: 1. Monica Hansen, :16.3; 3. Katie Mignano.

70 dash: 1. Paton, :10.7; 2. Jessica Holton; 3. Jenny Holzhausen.

200 run: 1. Brosnan, :30.3; 2. Beeman.

1600 relay: 1. Hauck, Sarah Henry, Melissa Thiel, Monti, 4:53.5.

400 relay: 1. Collinsworth, McConeghy, Holton, Royce, :59.4.

For the third straight year the Bullpups won the Tecumseh Relays, held Friday, April 28.

"It was an exciting evening and the girls were tough competitors and performed well on a long, cold evening," Schaffner said.

All nine Chelsea relay teams placed, which was the key to the 20-point winning margin.

Chelsea took first place in the sprint medley and the distance relays, second

place in the shot put, shuttle hurdles, and 400 relay, third place in the high jump and distance medley, fourth place in the long jump, and fifth place in the 800 relay.

Some highlights included a personal-best effort by Paton in the shot put at 29' 4"; and a season-best time of :58.5 in the 400 relay by Collinsworth, McConeghy, Holton, and Paton.

Young Runners Compete in Meet

A group of young Chelsea athletes competed in an Ann Arbor Track Club meet last Sunday, April 30.

The youngsters competed in 100-meter dash, 80-meter hurdles, 1500-meter hurdles, and several relay events.

Those who competed for coach Bill Wehrwein included Heidi Wehrwein, Chris Hodgson, Terri Hal, Melissa Hand, Heather Hicks, Zac Ersten, Matt Tuttle, Jim and Tom Irwin, Mark, Matt, and Michael Hand, Bryan and Kevin Bloemensaat, Scott Hurst, Ben and Matt Hicks, Dan Johnson, Jamie Hadley, Joey Barkman, and Corey Butchko.

Jerry J. Crawford Joins Air Force Delayed Enlistment

Jerry J. Crawford, son of Gerald and Carol Crawford of 14700 Jerusalem Rd., Chelsea, has entered the United States Air Force's Delayed Enlistment Program (DEP).

According to Staff Sergeant Janice Edward, the Air Force recruiter in Ann Arbor, Crawford's entry into the DEP allows the Air Force to schedule an opening for him to attend basic training and be assigned to a job or skill area.

Crawford will be a 1989 graduate of Chelsea High school and will enter the Regular Air Force on Sept. 22.

Following graduation from the six-week basic training course at Lackland Air Force Base, Tex., he will receive technical training as a security specialist and be assigned to an Air Force duty station.

Baseball Team Leads Tournament

(Continued from page 14)

Chelsea this Saturday in the final day of action.

Chelsea stopped SEC rival Dexter in Dexter, 8-3, in the opener.

Kyle Plank went the distance on the mound and yielded one earned run and two hits.

"Kyle pitched an exceptional game," Welton said.

Chelsea had nine hits, including two each by Murrell, Adams, and Quilter.

The game was tied at 3-3 after four innings. In the fifth Chelsea scored three times as Larson reached on an error, Kerry Plank doubled, Adams singled, and Quilter doubled.

The two-run sixth was highlighted by an RBI single by Murrell.

In the second game at Pioneer High school the Dogs whipped Willow Run, 5-1, despite managing only two hits.

Morseau evened his record at 3-3 with a five-hitter.

Steve Emmert's single in the second gave Chelsea a 1-0 lead.

In the third, Quilter walked, stole second and third, and scored on an infield grounder.

Willow Run pulled to within 2-1 in the fourth as Chelsea committed three errors on one play.

A Willow Run throwing error gave Chelsea another run in the fourth without the benefit of a hit.

In the fifth, Emmert got an RBI on a ground out and an error on the short-stop plated the second run.

Chelsea has won nine games in a row.

"We're playing solid baseball," Welton said.

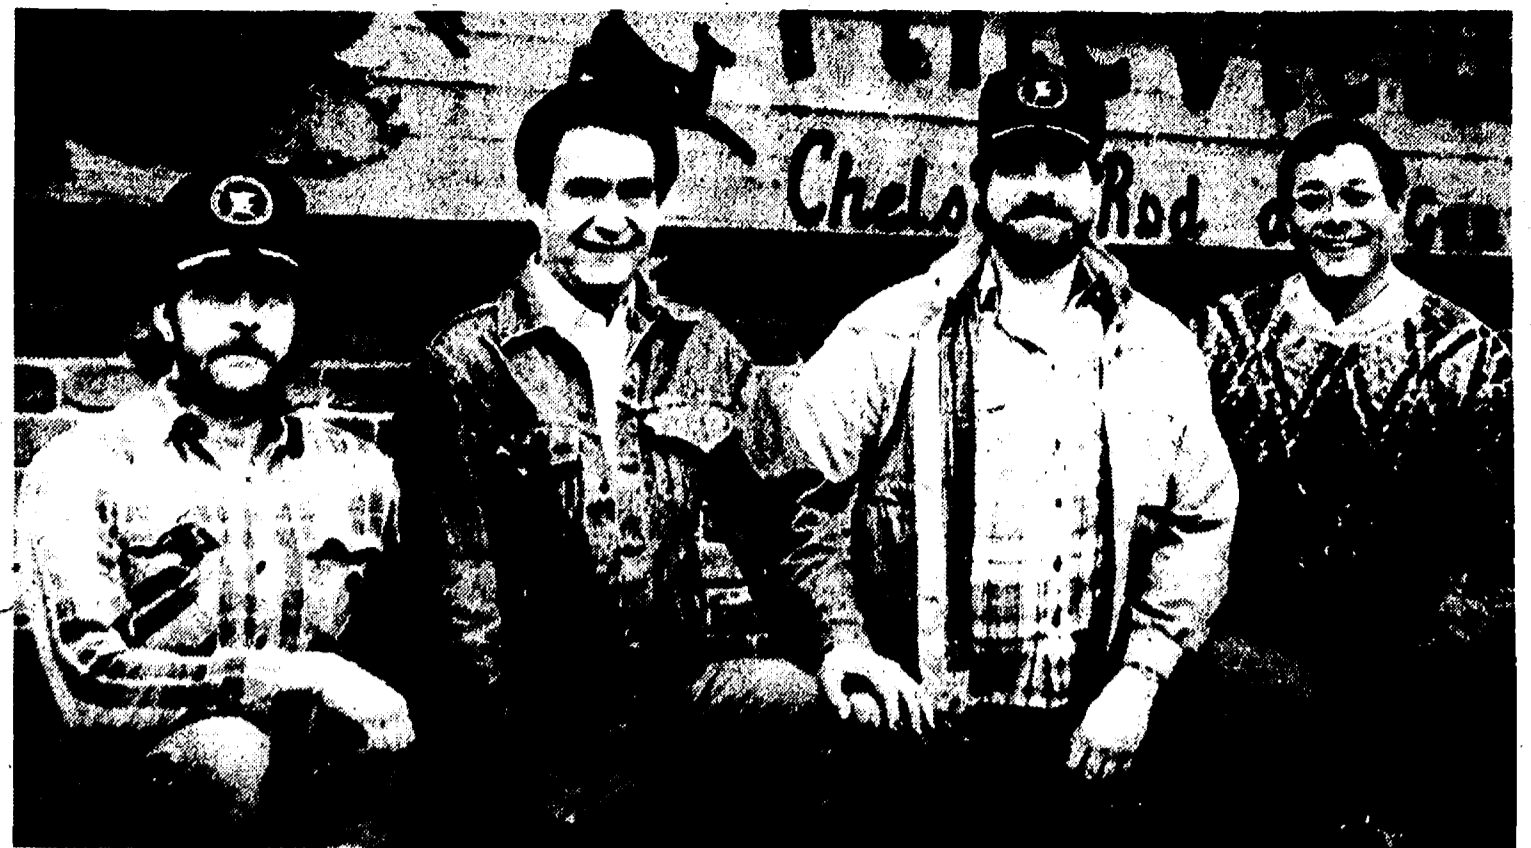

"The guys think they can win and our pitching has been very good."

Chelsea is 12-4 on the season.

Sick list: In France, where tasty oysters are as coveted as fine wines, the oyster has fallen on hard times.

The delicate, flat oysters Europeans have enjoyed for centuries are in decline. The culprit is a pesky water-borne parasite that destroys the oysters' immune system. But International Wildlife magazine reports the parasite doesn't just harm oysters.

The poor harvests of recent years have put thousands of French watermen out of work.

STATE OF MICHIGAN
In the Circuit Court for the County of Washtenaw

KAI CHENG CHAN, Plaintiff

VALERIE SUK MAY CHAN, Defendant

ORDER TO ANSWER

At a session of said Court held at the Court-
house in the City of Ann Arbor, County of
State of Michigan, this 6th day of April 1989.

Present: Honorable William F. Ager, Jr.,
Circuit Judge.

At the 5th day of April, 1989, an action was
filed by KAI CHENG CHAN, plaintiff,
against VALERIE SUK MAY CHAN,
defendant, in this Court for divorce.

It is hereby ordered that the defendant,
VALERIE SUK MAY CHAN, shall answer or
take such other action as may be permitted
by law on or before the 15th day of June, 1989.
Failure to comply with this Order will result
in a judgment by default against such
defendant, for the relief demanded in the
Complaint filed.

S/VALERIE SUK MAY CHAN, Defendant
Circuit Judge.

MORTGAGE SALE—Default having been
made in the terms and conditions of a certain
mortgage made by RICKY E. STEPHENSON
and VALERIE SUK MAY CHAN, his wife,
Mortgagee, to Standard Federal Sav-
ings and Loan Association, now known as
Standard Federal Bank, a federal savings
bank, of Troy, County of Washtenaw,
Michigan, dated July 27, 1979, and recorded
in the office of the Registrar of Deeds for the
County of Washtenaw and State of Michigan,
on August 1, 1979, in Liber 1720, on Page 118,
of Washtenaw County Records, on which
mortgage there is to be due, at the date
of this notice, for principal and interest,
the sum of Forty-seven Thousand Four Hun-
dred Thirty-seven and 28/100 Dollars
(\$47,437.28).

And no suit or proceedings at law or in
equity having been instituted to recover the
debt secured by said mortgage or any part
thereof. Now, therefore, by virtue of the
power of sale contained in said mortgage,
and pursuant to the statute of the State of
Michigan in such case made and provided,
notice is hereby given that on Thursday,
June 15, 1989, at ten o'clock a.m., local time,
said mortgage will be foreclosed by a sale at
public auction, to the highest bidder, at the
West entrance to the Washtenaw County
Building in the City of Ann Arbor,
Washtenaw County, Michigan, that being
the building where the Circuit Court for the
County of Washtenaw, State of Michigan,
sits, and as recorded in Liber 19 of
Plats, Pages 11 and 12, Washtenaw County
Records.

During the six months immediately follow-
ing the sale, the property may be redeemed,
except that in the event that the property is
determined to be abandoned pursuant to
MCLA 600.3241a, the property may be
redeemed during the 30 days immediately
following the sale.

Dated at Ann Arbor, Michigan, April 10, 1989.

THE SET CREW for the Chelsea Area Players were busy working on one of the sets for "Music Man" when this photo was taken. Now the players crew is working on sets for "Singin' in the Rain" which they will present on two week-ends in July. Right now the crew needs additional workers and ideas to help with the project.

**Players Set Crew
Seeking Volunteers**

Chelsea Area Players set crew for "Singin' in the Rain" will have its hands full, Newell Kring, the director, has indicated that he would like to have a revolving set for the center of the stage. That's right, a round platform that turns easily and quietly so that set changes can happen quickly. This is important, according to Kring, because there are 14 scene changes in act one alone.

Kring has placed Don Paulsell in charge of designing and physically overseeing the construction of this set. When Don was asked what he saw as his greatest challenge in building this show, he said, "to build something that is light, strong, durable and cheap."

Don is eminently qualified to oversee the building of a set. He is a mechanical engineer by trade so he

FmHA Offers Loan Programs for Local Governments

Farmers Home Administration (FmHA) is offering several loan and grant programs for eligible local governments.

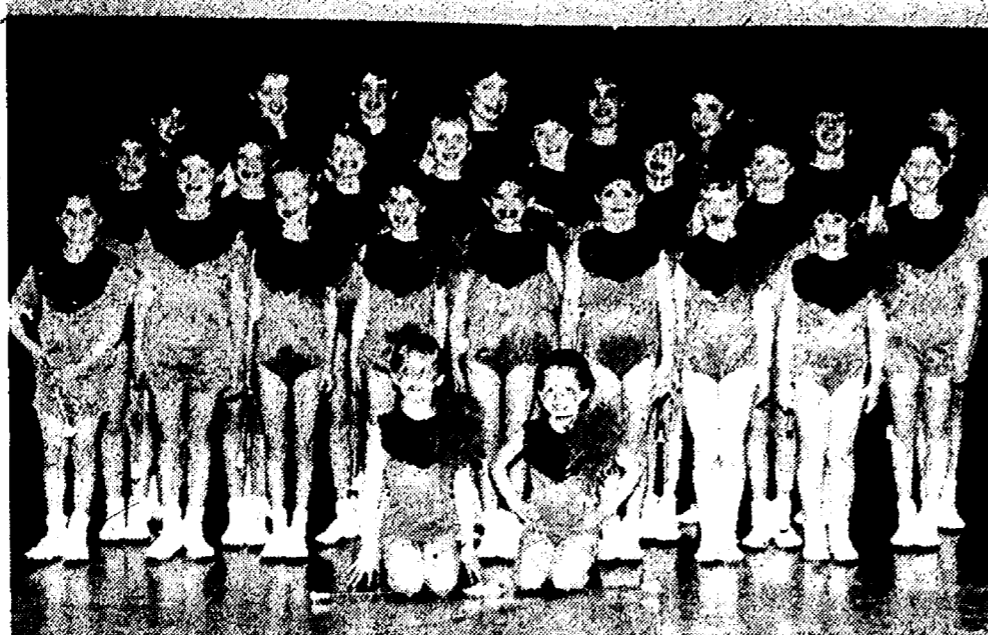

The Community Facility Loan Program is open to public bodies, non-profit corporations and Indian tribes located in a community of less than 20,000 in population. The applicant must be unable to obtain the necessary credit elsewhere from normal commercial financing sources. The loan terms are up to 40 years.

Loan funds made under this program are for such purposes as constructing, enlarging or improving fire stations, libraries, hospitals, health clinics, community offices or other community facilities.

FmHA also has a loan and grant program available to communities of less than 10,000 in population for water and sewer improvement.

Funds under the program can be used to construct, repair, improve, or expand rural water supply and distribution facilities, and waste collection/treatment facilities.

For more information regarding these programs, contact the FmHA District office in Follerville, at (617) 223-8613.

Lucille E. Rafeld

Ann Arbor
Formerly of Chelsea
Lucille E. Rafeld, 78, of Cranbrook Apartments, Ann Arbor, formerly of Chelsea, died Monday, May 1, 1989 at University of Michigan Hospital.

She was born May 13, 1910 in Portland, Mich., the daughter of George and Fannie (Gibbs) Thorpe. On Sept. 15, 1944 she married Clarence J. Rafeld, Sr., and he preceded her in death on March 18, 1985.

Survivors include a son, Keith, and his wife, Sandy, of Florida; a daughter, Ruth, and her husband, William Koch of Dexter; three stepsons, Clarence J. Rafeld, Jr., and his wife, Geraldine, Blair and his wife, Mary, and Edward and his wife, Helen; 10 grandchildren and 14 great-grandchildren; a brother, Eugene, and his wife, Marian; and four nieces and one nephew. She was preceded in death by a sister.

Mrs. Rafeld was a member of St. Paul's Lutheran church of Ann Arbor, and the Second 50's group. She was a resident of the Ann Arbor area for most of her life.

Funeral services will be held Thursday, May 4 at 1 p.m. at St. Paul's Lutheran church, with the Rev. Parke Frederick, and the Rev. Franklin Giebel officiating. Burial will follow in Arborcrest Cemetery.

The family is receiving friends today (Wednesday) from 2-4 p.m. and 7-9 p.m. at the Muehlhig Chapel.

Memorial contributions may be made to St. Paul's Lutheran School 25th Anniversary Fund or Our Savior Lutheran church, Chelsea.

Alden G. Cook

1393 Bramble Brae
Gregory
Alden George Cook, 79, of 1393 Bramble Brae, Gregory, died Tuesday, April 25, 1989 in St. Ignace following an automobile accident.

He was born April 28, 1909 in Leland, the son of George F. and Christine (Anderson) Cook. On Aug. 19, 1933 he married Ruth E. Grant in Lake Leelanau, and she survives.

Other survivors include two sons, John, of Ypsilanti, and Richard, of Gregory; one daughter, Mary C. Gerdes, of Bay City, Wis.; one brother, Marvin, of Traverse City; 12 grandchildren and four great-grandchildren. He was preceded in death by a son, Daniel, in 1983, and two grandchildren.

Mr. Cook had lived in the Chelsea area since 1963, having moved from Ann Arbor where he resided from 1937-63.

He retired in 1977 from the Research and Development Department at ITI in Dexter.

A memorial mass was held Friday, April 28 at St. Mary's Catholic church, with the Rev. Fr. David Dupuis officiating. A private burial followed in Mt. Olivet Cemetery.

Memorial contributions may be made to the Chelsea Senior Citizens organization.

According to the most recent data (1981), disabled women who were employed were twice as likely as non-disabled women to be employed. One in every 9 employed disabled women was self-employed, compared with just over 1 in every 20 working women with no disabilities.

Margery F. Parker

Ann Arbor
(Formerly of Lima Township)
Margery F. Parker, of Ann Arbor, formerly of Lima township, age 93, died Tuesday, April 25, 1989, at the Saline Evangelical Home.

She was born June 24, 1896, at Dansville, N. Y., the daughter of George and Francena Coe Roberts.

She was a member of the Washtenaw County Farm Bureau, and had been a resident of Lima township for many years.

She is survived by a son and his wife, Stanley J. and Helen Parker of Ann Arbor; five daughters, Mrs. Elmer (Grace) Dibble of Ann Arbor; Mrs. Willis (Irene) Warner of Gaylord; Mrs. Robert (Evelyn) Fliegel of Ann Arbor; Mrs. Harold (Lois) Trinkle of Dexter; Mrs. Ralph (Shirley) Trinkle of Chelsea; three sisters, Clarabelle Glenn of Stockbridge; Georgia Gauss of Ann Arbor; Eleanor Payne of Holt; 20 grandchildren, 19 great-grandchildren, several nieces and nephews.

She was married to Homer R. Parker, June 1, 1918, in Chelsea. He died March 5, 1965. She was also preceded in death by an infant son, Steven, a granddaughter, three brothers and two sisters.

Funeral services were held at 1 p.m. Friday, April 28, at the Hosmer Funeral Home, with the Rev. Gary J. Kwiatek of St. Andrew's United Church of Christ officiating.

Burial followed in Clements Cemetery. Memorials may be made to the Saline Evangelical Home.

Envelopes are available at the Hosmer Funeral Home, Dexter, where funeral arrangements were completed.

In the 1970's, women in general surged into the labor force in record numbers, but disabled women did not. The 1970 Census of Population reported that 26 percent of disabled women of working age were in the labor force. But 1981 data shows a decrease to 23.5 percent, according to the U.S. Labor Department's Women's Bureau.

Personal Interest

The deduction for personal interest is being phased out. This deduction is limited to 40 percent in 1988, 20 percent in 1989, and 10 percent in 1990. No deduction will be allowed thereafter. Personal interest generally includes interest on car loans, credit cards, personal loans, and on most tax deficiencies of individual taxpayers. More information on changes to itemized deductions can be found in free IRS Publication 17, "Your Federal Income Tax." Call 1-800-424-3876 to order.

Making a Job-related Move?

Moving expenses are allowed only as an itemized deduction, but are not subject to the two percent floor. See IRS Publication 521, "Moving Expenses," for details. Get it free by calling 1-800-424-3876.

Trustcorp Bank has recently installed 10 drive-up ATM's. Which means that you can now transact your banking business 24 hours a day, without ever leaving the privacy or security of your car. We think that's worth celebrating. So that's exactly what we're doing. From May 1 until May 31, we're sponsoring a great giveaway called DRIVE UP AND WIN. And ANYONE can play!

Want to play? Just drive up to any of our new VistaBanc locations. Make a withdrawal. Then check your money for a winning sticker.

Playing Drive-Up and Win couldn't be easier. Here's how it works:

1. Whenever you make a withdrawal from a Trustcorp, Ann Arbor VistaBanc, be sure to check your money for a sticker.

2. The COLOR of the sticker will tell you WHAT you've won. There are over 800 prizes in all. It might be a gold or silver American Eagle

coin. Or something for your car — like a Rand McNally Road Atlas, an emergency road kit, a travel mug, or an umbrella.

And if you're really lucky, you could even win our grand prize: a weekend for two at the Grand Traverse Resort.

3. To claim your prize, simply present your sticker to any teller at your local Trustcorp, Ann Arbor office. Stickers must be presented by June 2, 1989.

With VistaBanc, everyone's a winner...

Trustcorp is the ONLY bank that offers you the option of doing your banking from your car, at any time of day, in any weather at all locations. And VistaBanc ATM's will accept any Magic Line or Cirrus ATM card... from any bank.

The giveaway ends on May 31. So what are you waiting for?

Drive up to a VistaBanc today... and win!

There's a VistaBanc at each of our ten offices. Call us for the location near you.

*If you don't have an ATM card, stop by for a free demonstration. You could be a winner! You must be 18 to win. Trustcorp, Ann Arbor employee accounts are not eligible. Call us for more information on terms and conditions.

Applications Sought for Palmer Scholarship

Applications are now available at Chelsea Community Hospital for the A. A. Palmer Memorial Scholarship. This \$500 scholarship is awarded to a Chelsea High school graduate who is enrolled in and has completed at least one semester in a university pre-med or medical curriculum.

1989 marks the 19th presentation of the scholarship, which was set up by the original group of physicians at Chelsea Medical Center to honor the late Dr. A. A. Palmer, a Chelsea physician for many years. The award is now under the auspices of the Hospital Auxiliary Scholarship Committee.

Scholarship applications may be picked up at the information desk near the main entrance of the hospital. They may be obtained between 9 a.m. and 7 p.m. Completed applications should be returned as indicated on the form with the deadline being Wednesday, May 31.

The first monies for the A. A. Palmer Scholarship were raised by donations from local physicians and businessmen. Since 1973, the scholarship has been made possible by the Chelsea Painters, a group of area artists who sell their work at an annual art fair, and various memorials.

Determination of a recipient is based on academic achievement, extra-curricular activities, and motivation to pursue a career in medicine.

Dexter High School Alumni Banquet Slated May 20

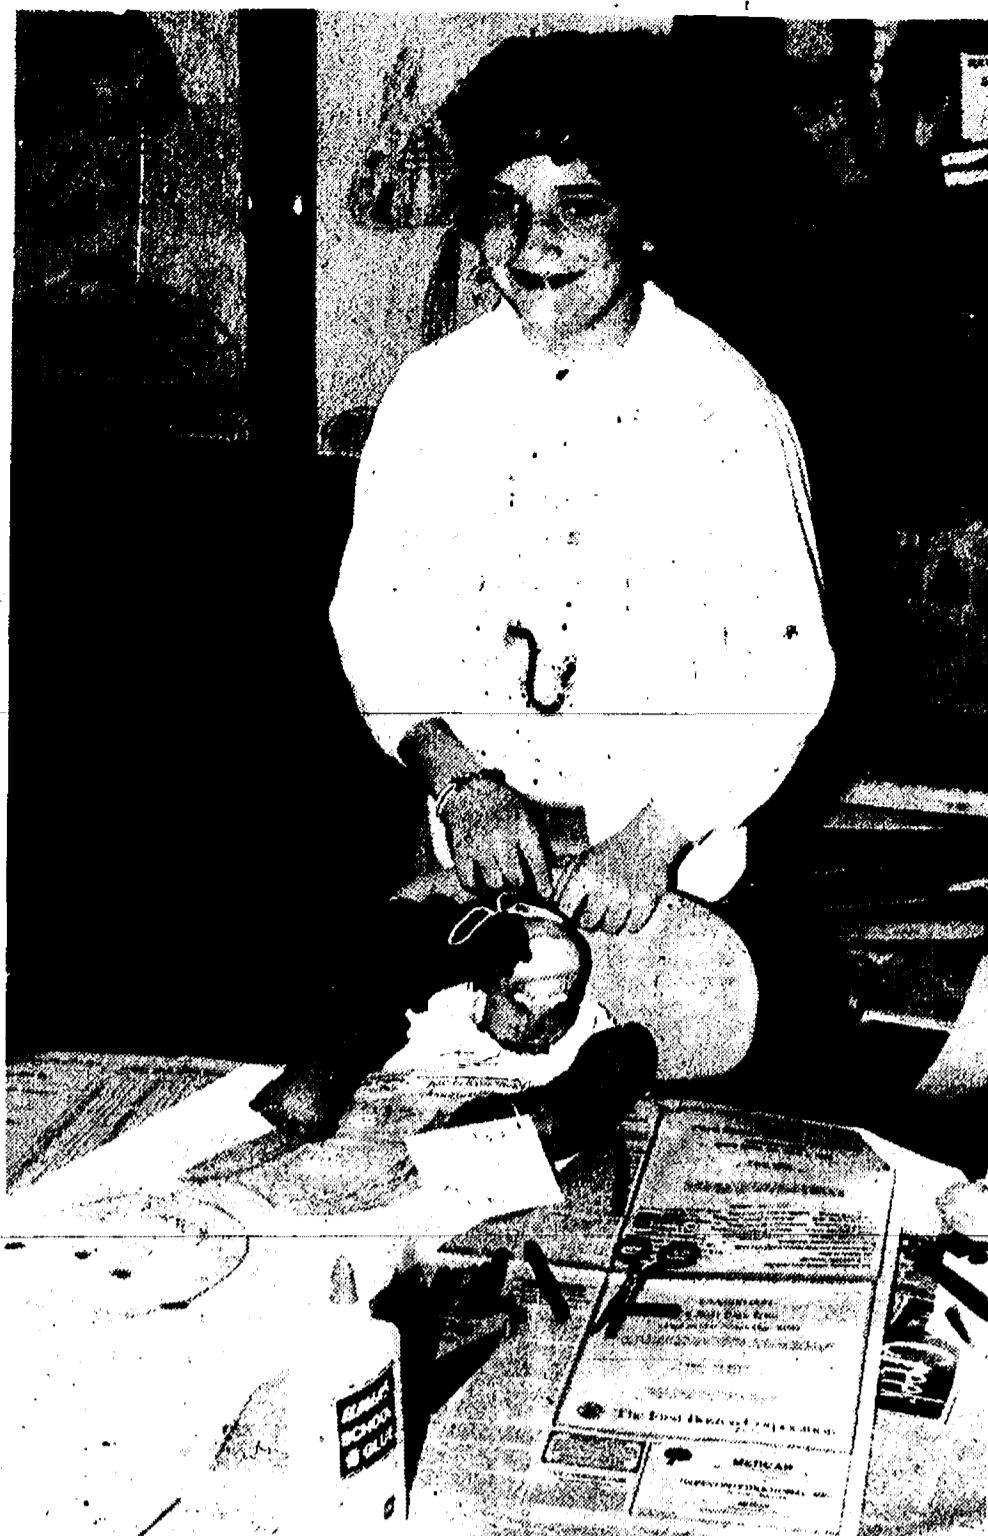

The annual Dexter High School Alumni Banquet will be held Saturday, May 20 at the high school. A reception will begin at 5 p.m. and dinner will be served at 6 p.m.

This year's honored classes are 1939, 1949, and 1964. Scholarships will be awarded to two members of the 1989 class and two alumni will be inducted into the Dexter High School Hall of Fame.

For more information call 426-4326.

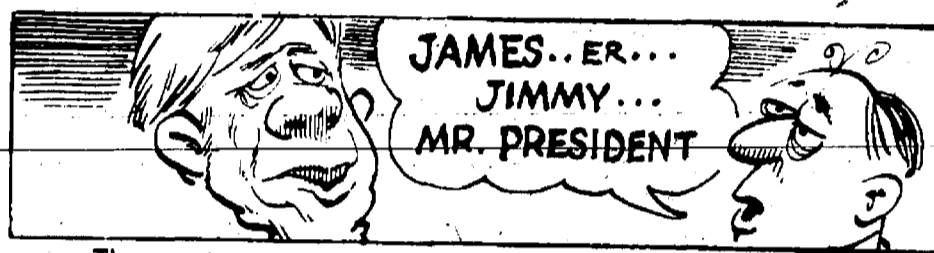

Pour vanilla on a bit of cotton and put it in the refrigerator to eliminate unpleasant odors there.

AMY BLONDE shows off her soft sculpture creation for South school's Festival of the Art last Thursday. The school was packed with parents and children who came to take a look at a year's worth of art projects.

BOB SPINK, a Chelsea-area resident, talked about acid rain and other environmental concerns to Enrichment Triad students at South and North schools last Friday and Monday. The emphasis of Spink's talk was on smokestack pollution. Above, he shows South school children what happens when an acid mixes with a base, to simulate the effects of acid rain.

The most common first name of U.S. presidents is James.

Graffiti-Painted Rock May Become Only A Memory

The Rock, a fixture in front of the old Chelsea High school, now on the grounds of Wolverine Schoolhouse Apartments, won't be available to be painted after June 1. It sits at the corner of Harrison and East Sts.

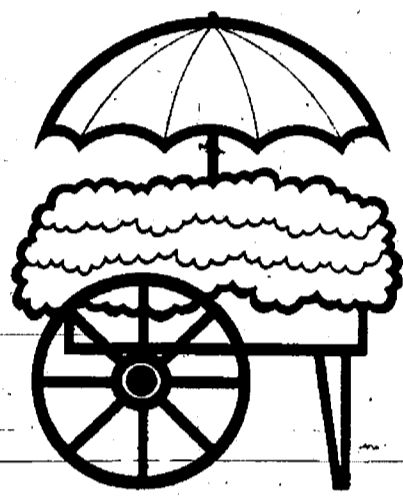

Owners of the apartments want to get rid of the rock due to the amount of damage caused to private and public property by people who spray paint it.

In addition, the owners object to the painting of anti-semitic symbols, racist artwork, and foul language on the rock, as well as the frequent disturbances that go along with the activity.

The owners also told the village that the painting of the sidewalk has caused the sidewalk to get slippery when wet from snow or rain.

The rock has been offered to various parties, including the school district and the village. So far, mainly due to liability issues, there have been no takers.

According to sources, the rock will apparently be buried.
