ONE HUNDRED-EIGHTEENTH YEAR—No. 50

CHELSEA, MICHIGAN, WEDNESDAY, MAY 10, 1989

24 Pages This Week

STORM SEWER WORK began last week on W. Middle St. in preparation for road resurfacing this summer. A detour has been set up down Chandler St. while the work is in progress.

SIXTH GRADE CAMP, held annually for Beach Middle school students, is a co-operative effort. Jason Risner, left, and Mike Bainton were more than happy to haul a little firewood for last Thursday evening's campfire. The camp is held at Mill Lake in the Waterloo Recreation Area.

Chelsea Bus Service To Ann Arbor Appears Likely To Continue

The Chelsea to Ann Arbor bus route apparently looks like it will continue for at least another year.

Chris White, manager for service development for the Ann Arbor Transportation Authority, said last week that neither Chelsea or Dexter would be asked to contribute money to the program. He said money from the Michigan New Bus Services Grant, along with fares, would cover costs at least until next May.

Last summer AATA officials thought Chelsea and Dexter may be asked to contribute money to keep the program going.

"It's a complicated situation, but we'll have money from the state for the coming year," White said.

Some members of Chelsea village council expressed reservations about spending money to keep the bus route going. The general perception is the bus is not widely used.

However, White said AATA is happy with the growth in ridership, especially over the last several months. In fact, he said, there should only be slight changes in service, with perhaps the elimination of one mid-morning route.

"Originally we thought we'd have to cut mid-day service, but there has been a lot of growth in ridership in the last few months," White said.

"We're starting to see that people

are using the bus for more than just commuting, which is a nice trend. We've had more interest from shoppers, and the Chelsea Senior Center has gotten people familiar with our service. If the growth continues, we'll be able to recommend after another year that the route continue."

A similar route that was started between Saline and Ann Arbor is not

doing so well, White said, perhaps because Saline is so much closer to Ann Arbor than Chelsea.

AATA is in the process of writing a year-end report on the Chelsea route, which White said would be sent to Chelsea and Dexter villages in about two weeks. He said it would contain a breakdown of ridership, as well as

Village May Save Painted Rock

The rock at the corner of East St. and Harrison St., which has been regularly painted by students, reunion groups, and others, is looking for a new home.

Owners of the Schoolhouse Apartments want to get rid of the rock, citing vandalism and noise problems, among other nuisances. Apartment management approached village council last week to ask if the village would be interested in having it.

Although village president Jerry Satterthwaite said the village probably would not be interested, trustee

Phil Boham, who lives almost directly across the street from the rock, said he'd like to see it moved to one of the village parks, perhaps Pierce Park, calling it "a tradition." Trustee Stephanie Kanten supported the idea, although no vote was taken.

"Kids in Chelsea have almost nothing to do as it is," Boham said.

Owners of the rock have said they will bury it on the schoolhouse grounds if no one wants it. Council promised an answer by next week's meeting on Tuesday, May 16.

Chelsea School District has already turned down an offer.

Council Balks At Purchase Of Building

Village of Chelsea has decided not to pursue the purchase of the old Hop-In building and lot.

The matter was discussed in an executive session of the village council last Tuesday, May 2. After the public portion of the meeting reconvened, a motion to purchase the property died for lack of support.

There was some interest in using the lot for parking for McKune Memorial Library, plus parking in general for the downtown area. Selling price of the lot was not available.

Lyndon Budget Down from 1988

Lyndon township has adopted a 1989-90 general fund budget of \$249,035.09.

That figure is about \$19,000 less than the 1988-89 budget.

The budget includes a contingency fund of \$129,935.09, about \$22,000 less than last year.

Township supervisor John Francis has received a raise of \$255 to a total salary of \$5,255.

Township clerk Linda Wade has received a \$505 raise for a total salary of \$8,555.

The assessor's salary of \$10,000 will remain unchanged.

Treasurer Janis Knieper's salary rose \$430 to \$7,555.

Trustees will each receive \$700 per year, including \$35 for each special meeting attended.

Biggest single line items in the budget included \$49,400 for fire protection, \$48,000 for road maintenance, and other functions (equalization, dues and fees, insurance and bonds, education and mileage, and acquisition and maintenance of equipment) \$15,100.

In addition, the township has budgeted \$7,900 for the operation and maintenance of the town hall.

Office, Housing Projects Planned

Owners of what is commonly known as the Schneider Estate off S. Main St. opposite Chelsea Community Hospital have approached the village about building a planned unit residential development as well as an office development.

A pre-conference was held Tuesday, May 2 before the regular village council meeting. The conference was required by zoning laws.

On the front portion of the 11 acres, the "Schneider-Flintoft" group is interested in building offices. According to village manager Robert Stalker, a planned office development (POD) amendment to the zoning ordinance may be written, which could apply to the development. Village attorney Peter Flintoft will reportedly work with village planning consultant Carl Schmult on drafting the POD amend-

ment. An initial draft was completed more than a year ago but was tabled when Catherine McAuley Health Center showed an interest in purchasing the land.

Stalker said he questioned whether other land in the village could benefit from POD zoning. He also said there was no discussion of any potential conflict of interest involving the village attorney.

"The feeling was that there is other land," Stalker said.

"My concern is we didn't want to have a POD for only one piece of land."

Land behind the office complex would be developed for single family and multi-family housing under the PUD zoning.

All the land is zoned RS-2.

Prisoners Leave Camp Waterloo, Cassidy Lake

Two prisoners reportedly cut a hole in a fence at Camp Waterloo on Saturday, May 6 to make their escape.

Reported missing from the minimum security prison were Larry Fox, 43, and Dion R. Seymour, 21.

Both men are described by police as American Indians. Fox, 5' 10", 175 pounds, with a mustache, is from Grand Rapids. He is serving time for assault less than murder. Seymour, 6' 145 pounds, with brown hair and brown eyes, is from Munising. He is serving time for resisting an officer.

On Sunday, May 7, two prisoners walked away from Cassidy Lake Technical School.

Reported missing from the prison at 10:10 p.m. were Paul Todd Vanaelst, 21, of Bear Lake, and Vincent Charles Jones, 19, of Fountain.

Vanaelst is described as 6', 160 pounds, with brown hair and brown

eyes and a mustache. He is serving time for breaking and entering.

Jones is described as 6' 1", 180 pounds, with brown hair, brown eyes, and a mustache.

An elderly resident of the Village of Waterloo reported that a pair of men tried to enter his home at 4 a.m. Monday.

Scholarship money was presented to Dick McCalla, chairman of the Chelsea Scholarship and Financial Aid Committee, by Debbie Peck, the president of the Modern Mothers Study Club. The check for \$500 was to be used to fund a scholarship for a worthy graduating Chelsea-High school senior.

Chelsea High school's forensics team took fifth place in the state in class B with their performance in the Forensics State Meet at the University of Michigan. In the Multiple "Games" category, the team of Doug Otto, Mike Carigan, Rod Satterthwaite, Mark Stebbelton, and Scott Miller finished eighth, which was the best any Chelsea-multiple team had ever done.

Beth Unterbrink recorded her name in Michigan high school softball history by pitching a perfect game at Tecumseh. She retired 21 batters in a row, 13 by strikeouts, as Chelsea chalked up an 8-0 victory. She walked none, and her teammates made no errors behind her.

Mrs. Fredrick J. (Katie) Wagner resigned from the McKune Memorial Library board of trustees after 36 years of service. Gary Zenz was appointed to fill the rest of her term, which would expire in March of 1986.

A vandal or vandals slashed automobile tires at eight separate residences causing approximately \$1,000 damage according to the Chelsea police. Five of the eight incidences occurred on Chandler St. The others were on Dale St., Arthur St., and in the parking lot of Chelsea Lanes.

Safety patrolers from Chelsea, Ann Arbor, Brighton and Romulus got the special honor of meeting the second-ranking member of the U. S. House of Representatives while visiting Washington as Automobile Club of Michigan's guests. House Republican Minority Leader Gerald R. Ford of Grand Rapids, greeted 130 white-belted Michigan youths from 105 cities who visited the capitol.

While police held back hundreds of spectators, more than 50 firemen from local and outside departments battled a raging blaze at Chelsea Heat Treating, Inc., for more than an hour before bringing the conflagration under control. According to Elden Heller, president of the firm, the damage was estimated at approximately \$120,000.

Solomon Says House Dems Jeopardize Fiscal Integrity

The Blanchard administration, through a letter by Management and Budget Director Shelby Solomon and signed by all 18 other department heads, is taking issue with House Democratic criticism of 1989-90 budget recommendations by saying the demands to restore program cuts would jeopardize the state's fiscal integrity.

The document responded to one nine days earlier, signed by House Appropriations Chair Rep. Dominic Jacobetti (D-Negaunee) and most of the 15 Democratic committee members, which asserted the recommendations inadequately support new proposals and underfund existing programs.

After noting the state has climbed from the recession-induced deficits of a decade ago, Solomon said, "Your letter suggests that the difficult fiscal problems that we have been able to overcome have been forgotten."

"If we are to take your letter literally, it would suggest that you would like to spend an additional \$419 million in the FY89-90 budget without identifying the dollars to pay for that new spending. That would be precisely the kinds of fiscal irresponsibility that led to the problems Michigan experienced prior to the time Governor Blanchard took office."

Several subcommittee chairs were angered by the response, calling it a public relations move and saying it avoided the issues they raised.

Rep. David Hollister (D-Lansing), who drafted the original letter, said the directors' letter "ignored the choices we were asking for. We asked for repealers. It's a public relations

move to show the administration is united. These budgets are underfunded."

Rep. Morris Hood (D-Detroit), chair of the higher education and regulatory subcommittees, agreed. "I think it's another PR political gimmick. It really doesn't address the issues we requested."

Despite the apparent consensus of the department heads, subcommittee chairs said the letter will not change their approach to writing the new budget.

"I don't think any of them really believe they have enough money in their budget. This letter's a sham. Those people don't believe what they signed their names to," said Rep. Thomas Mathieu (D-Grand Rapids), chair of the community colleges subcommittee.

The Appropriations members had sent the letter after they were rebuffed in a request to discuss their concerns with Blanchard and they criticized the administration for communicating by letter rather than a personal meeting.

"The exchange of letters rather than direct dialogue I find to be nothing more than game playing," said Rep. Robert Emerson (D-Flint), chair to the public health subcommittee.

Republican members were also critical. "I think it's very unfair that those department heads did not come in and state their case before the subcommittees," said Rep. Ralph Ostling (R-Roscommon), ranking Republican. "It looks really bad not only for the Democrats, but the Republicans and the Legislature."

The directors said the governor was forced to submit an extremely tight

budget requiring reductions in every department. They asked the legislators to "share the responsibility to ensure that we enact another honestly balanced budget."

Among the budgets approved by the House committee, the governor's recommendations were exceeded by \$37 million for higher education, \$12 million in the Department of Mental Health, \$2.3 million for community colleges and \$2 million for Public Health.

Blanchard has threatened to veto budget bills if they exceed his target.

Pitz Favors Three-Cent Tax Hike For Road Improvements

Transportation Director James Pitz said recently that while he supports a bill which would probably result in the state's gas tax increasing by two cents, another penny is needed to fund critical road needs now being met.

Pitz said the additional penny for trunkline investment would generate enough money, about \$48 million, to allow the state to bond for \$500 million to be used toward the \$1,887 million worth of needs expected through 1996.

Before the Legislature is a package of three bills (HBs 4360-4362) which would remove the cap on the current formula, thus allowing the state tax to rise from 15 to 17 cents per gallon, and impose a one-cent per gallon tax at the refinery level. The revenue would be shared for environmental cleanup and the Rebuild Michigan program for capital transportation projects.

Pitz said he favors the two-cents per gallon tax at the gas pump, with that

revenue to be split between the state's Comprehensive Transportation Fund, counties, states and cities.

The third penny, he said, could be the one proposed for the refinery level, with those responsible for leakage of underground storage tanks absorbing the costs of that cleanup themselves, or it could be added to the two-cent pump tax, which Pitz said he prefers.

While Pitz said he does have concerns about the storage tank problem, that issue could be addressed in other areas. "I'm more concerned about our state trunkline program than I am about that issue. And we should be cautious that we don't buy a problem that belongs to the oil companies," he said.

By having the money to bond for the needed improvements, Pitz said, the state could save significantly by beating inflation, as well as by accelerating work on projects.

"One penny to address the needs across the state of Michigan is not a big price to pay," Owings said.

Pitz also agreed with members of the House Transportation Committee who said the continued growth in the state economy has contributed to the problem of congestion and road needs, but that is expected.

"It's a deliberate strategy of this state to grow and prosper and create jobs," Pitz said.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster took note early in the session at the county store Saturday night that the papers are full of ideas this time of year, and this spring more than most. If it ain't how to care for the lawn grass it's how to keep the grass out of the corn, and if it ain't how to set up a roadside stand and make your vegetables more inviting it's how to make sure the feller at the roadside stand ain't sprayed toxic wax on his tomatoes and beans to make em redder and shinier.

Local column writers cover the farm and home bases, Clem said, and them fellers wearing neckties in their pictures in the big papers take care of Government budget pieces. What he is seeing most of right now, Clem allowed, is new wrinkles Governments' is working to wring more revenue out of everybody.

For instant, he said, user fees for public services are coming on strong. Use to, you might run into a toll bridge or road, and if you wanted a towel you could choose the pay toilet in the courthouse, but you allus expected maps to be free at state line visiting centers. But now local and state Governments is quarantining and two dollarating us at ever turn. Clem even had saw where some towns are talking about driveway connection fees, figuring if you can keep up a car you'll hold still for another cost to use it on the public roads.

From what he reads, the trick now is to take a nibble out of folks that pollute the air and use up resources just passing through. The motel tax works fer overnight the same way the payroll tax does for the workday. If you live under Government and vacation or work under another, the reasoning goes, it's only right that you help carry the load wherever you go. And all the Governments got to do are pass the law and let the motels and employers collect the tax and send it in.

Ed Doolittle said he was suprised that Clem would wonder about such things. It's a known fact, Ed said, that the real test fer a Democrat politician is not how many copies of his life story he can peddle to the unions, it is how many new taxes he can dream up. Ed had saw where North Carolina Republicans that have got a foothold in state Government are trying to win friends by short circuiting efforts by Democrats to wean merchants off their sales tax kickback.

In order to make the sales tax welcome in stores, Ed said, Democrats were letting merchants keep three percent of what they took in. The state realized they were giving away \$18-million-a-year, so it cut out paying sales tax collectors two year ago. There has been much wailing and teeth nashing in the stores since, Ed said, and underdog Republicans have been pushing plans to pay the mer-

chants less, but somepun to calm em down.

The fellers pritty much let Ed and Clem go at it til they run down. Then Zeke Grubb said this matter of local Government revenues had come in his men's group at church recent, and the preacher was of a mind that taxing was better than gambling. Folks that use roads and send their children to be educated ought to pay fer services rendered, the preacher said, but they ought not to be tempted to buy a lottery ticket to build better schools.

Personal, I see where big cities see public land as sources of revenue. More of them are being developers instead of just providing services fer private developers.

Yours truly,
Uncle Lew.

Marathon Bridge Group Awards Prizes for Year

The Couples Marathon Bridge Group of the Chelsea Community Hospital Auxiliary held its annual May Event at the hospital on Sunday evening, May 7. Results were announced for the bridge games held from September through April at members' homes. A brief business meeting was followed by an evening of party bridge.

Prize for high couple score of the year was awarded to Donna and Steve Dotson of Chelsea. Donna Dotson also won the prize for high individual score. Second and third place winners were Steve Dotson and Russ Pichlik. Jack Bittle won the prize for most consistent play throughout the year, and prizes for monthly high scores went to Jack Watson, Donna Dotson, Laurie Baker, Shirley and Dick Casterline, Bill Eisenbeiser, and Roberta Barstow.

Bridge play for the benefit of the hospital raised approximately \$556 this year.

Mr. and Mrs. Joseph A. Kirschner

Jeryl Herrick, Joseph Kirschner are Wed in MSU Alumni Chapel

Jeryl L. Herrick, of Flint, daughter of Leah Herrick of Chelsea and the late Gerald Herrick, and Joseph A. Kirschner, of Rochester Hills, son of Sally Glover and the late Hyman Kirschner, were married Dec. 10 at the Michigan State University Alumni Chapel in East Lansing.

Dr. Richard E. Murdoch performed the ceremony. Vocalist was Melanie Schneider, who sang "Through The Eyes of Love," and "The Unity Candle Song."

The bride wore a satin gown featuring hand-pearled beads on the Victorian neck, bodice, and sleeves. The long sleeves were accented with layers of ruffles. The skirt had embroidered lace flowing to a cathedral length. The shoulder-length veil was scalloped with a beaded v-shaped headpiece.

The bridal bouquet consisted of cat-tleas, white dendrobs, Christmas greens, variegated holly, gold balls and ribbon.

Matron of honor was Karen Beeman of Chelsea, friend of the bride. She wore a black velvet bodice accented in gold sequins. Her tea-length skirt was black taffeta with a black velvet peplum. She carried a hurricane lamp accented with Christmas greens, white dendrobs, red berries, white mums, gold balls, and ribbon.

Bridesmaids were Melissa Schultz, of Dearborn, Cindy Conien, of Chicago, Ill., and Becky Hicks, of Haslett, all friends of the bride. Their dresses were the same as the matron of honor's.

The bride's mother wore an Annie-blue tea-length dress with sequin accents. She wore a corsage of cymbidium-orchids, white dendrobs, and Christmas greens.

The bridegroom's mother wore a teal tea-length dress made of chiffon. She wore a corsage of gardenias and Christmas greens.

The best men were Daniel Sargent, of Auburn Hills, and Robert Paul, of Huntington Woods, both friends of the bridegroom. Serving as ushers were Mark Gebert, of Warren, and Michael Cardoni, of Sterling Heights, both friends of the bridegroom.

A reception for 200 guests was held at Michigan State University Kellogg Center in East Lansing.

The couple took a one-week honeymoon trip to Jamaica. They are residing in Flint.

Homemakers Club Hears Talk By Antique Appraiser

On Thursday, April 13, Homemakers Club met at the home of Arlene Grau, with Kay Heller as co-hostess. Fourteen members were present to hear Gary B. Kuehnle, a professional personal property appraiser, speak to the group about antiques. Kuehnle shared many interesting thoughts with the group.

A business meeting followed, at which time the members were all reminded of the group going to a Detroit baseball game with their husbands.

Members were reminded to bring questions for an attorney to the next meeting. This meeting will be May 25 at Marlene Larders' home.

Following adjournment a delicious dessert was enjoyed by all members.

MOTHERS AND DAUGHTERS of St. Paul United Church of Christ were honored Friday, May 5 at the church with a candlelight dinner served by the men of the church. Tiered wedding cakes were at each of the 16 tables. After dinner was a program, "Weddings Remembered," in which women of the church modeled or loaned their wedding gowns. Anecdotes about each bride's wedding day were shared. Shirley Schable was commentator and Alice Rhodes was the piano accompanist for the program. Right is Emily Peabody wearing the Periwinkle blue gown she wore in 1928. Left is Carol Dietle Zenz, in the dress she wore for her 1979 wedding to Gary Zenz.

Purple Heart Veterans To Meet May 11 in Dexter

The Military Order of the Purple Heart (MOPH), Washtenaw County Chapter 459, will hold a 7:30 p.m. meeting at Dexter American Legion Post 557 on Dexter-Chelsea Rd., Thursday, May 11.

The MOPH is a congressionally-chartered veterans organization, exclusively for combat-wounded veterans.

The MOPH organization extends an invitation to any man or woman in this area who's a Purple Heart recipient to join Chapter 459 at the May 11 meeting.

Thursday will be Installation Night for newly-elected and appointed MOPH officers.

Iver Schmidt was elected commander of Chapter 459 for the coming year. Don F. McAllister will be senior vice-commander, Leonard Schmidt, junior vice-commander.

Adjutant for the coming year is Gene Burnham, with Philip F. Hanson, finance officer, and Dennis L. Haiser, judge advocate.

Hugh P. Gaston will serve as executive committeeman and as historian. George W. Harms as alternate committeeman, and Leonard T. Schmidt, sergeant-at-arms.

Trustees recently elected include Gregg Weaver, John Swainson and Reuben V. Swisher.

Donald E. Smith was elected service officer, Bernard L. Davis, welfare officer, Joseph Kissella, chaplain.

Other MOPH members and the positions to which they were elected for the year are: George W. Harms, Americanism; Richard R. Bertoni, surgeon; Leonard Schmidt and Albert F. Harris, Jr., color bearers; Helen E. Bowditch, chapter observances; Philip F. Hanson, VAMC hospital chairman; Iver Schmidt, publicity chairman; Elwin Hollenbeck, membership chairman; Donald E. Smith, Leonard T. Schmidt and Robert Wilson auditing committee.

Nells Iver Schmidt, Philip F. Hanson, Donald McAllister and Gregg M. Weaver will be Chapter 459 delegates to the Washtenaw County Council of Veterans during the next 12 months.

On Aug. 7, 1982, General George Washington, Commander and Chief of the United States Army, created the award, the figure of a heart in purple, recognizing a reward for military merit of outstanding service.

This was the first military decoration ever given in the United States.

After the revolution, the award was lost until 1932, when it was revived by President Herbert Hoover and by order of General Douglas MacArthur, then U. S. Chief of Staff.

It was the year of the Washington Bicentennial, and a portrait of

Washington was put on the Purple Heart.

It was awarded to combat-wounded veterans, and in the same year, 1932, a group of combat-wounded veterans met in Ansonia, Conn., and formed the first Military Order of the Purple Heart chapter.

Today, there are 19 million veterans who have been awarded the Purple Heart.

Many of these reside in Washtenaw county, but have not yet joined MOPH Chapter 459.

Commander Iver Schmidt explained the organization is seeking additional members with whom to share its benefits.

Reatha Treado Tweedie Earns Degree at NMU

Reatha Treado Tweedie, a former resident of Chelsea, received her Bachelor of Science degree from Northern Michigan University at the 89th annual commencement held April 29 in the C. B. Hedgecock Fieldhouse on Northern's campus.

One of 601 graduates, Reatha was on the Dean's List for her last two semesters, recognizing her academic standing of 3.5 or better.

She is the daughter of Daphne and Robert Hodder of Chelsea and the late Howard Treado, Jr.

Reatha lives at 106 Palms St., in Marquette with her husband, Mark, and her two children, Mark, Jr., and Nicole.

34 Years Ago . . .

(Continued from page two)

Four girls from Chelsea won Michigan Higher Education Authority scholarships. The students included Jane M. Faist, Linda L. Sanders, Sandra D. Osborn and Kristina Kayser. Kayser planned to attend University of Michigan while the other three scholars planned to continue their studies at Michigan State University.

The Chelsea High school band, under the direction of Bruce W. Galbraith and Martin Gurvey was to be joined by the Okemos High school band and its director, Phillip E. Hillstrom in a band concert at Chelsea. George Cavender, assistant

director of the University of Michigan bands was guest conductor of the two groups.

The Chelsea Chapter of the Future Farmers of America made an excellent showing at nine agriculture judging contests at Michigan State. The farm management team of Dick McCalla, Don Hinderer and Doug Young, competing with 18 teams, received a Silver award.

34 Years Ago . . .

Thursday, May 12, 1955—

Central Fibre Products employees and management presented a check for \$1,437 to the American Cancer Society at their annual banquet. The program featured brief talks by Donald Bacon, president of the firm; Dr. Harry Nelson of Detroit, a past president of the American Cancer Society and Dr. A. C. Furstenberg, Dean of the U. of M. Medical School who showed slides of cancerous growth being cured regularly at the hospital.

Arden Musbach, representing the Chelsea Junior Chamber of Commerce, presented a large flag to the Village Council. The flag was to be displayed in front of the Municipal building on election days, holidays, and similar occasions.

Frost Sunday night and early Monday morning caused severe damage to grapes, berries and fruit trees throughout the state and caused what was described as "erratic" damage in the area.

John Carman, sergeant in the police department at Sylvan Lake, near Pontiac, was to be assistant Chelsea chief of police.

QUOTES

DONALD A. COLE, Director

"The future destiny of the child is always the work of the mother . . ."

—Napoleon

It has been said that the character of a person is determined by what takes place early in life . . . prior to his fifth birthday. Behavior patterns and reaction to circumstances of various kinds have been established by that time.

During those first formative years the influence of the mother is paramount. With few exceptions, mothers work with tireless self-sacrifice to instill in us those traits of character which will enable us to develop into worthwhile adults.

Let's all honor Mother . . . or her memory . . . on Mother's Day. Somehow, let her know we understand and appreciate all she has done.

SLOW POKE!

Turning the heat down at night isn't a very good idea when you have an electric heat pump.

Because when you turn it back on, it's a slow poke. And you're stuck waiting — cold and uncomfortable.

Sure, you could turn on the back-up electric heat system for faster relief — but then it messes up your heat pump "energy savings."

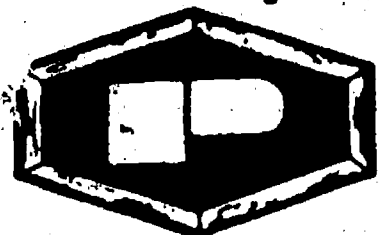

What to do? Get propane gas heat. It's fast, warm and comfortable. Economical, too. Just give us a call today!

"Count on Us to Keep the HEAT on"

RON OVERPECK of Chelsea shot his turkey on Wednesday, May 3, the opening day of the second turkey hunt in the area. He shot the 23-pound bird in the Waterloo Recreation Area. It had an 11" beard and a 54" wingspan. His son, Paul, killed a turkey last week.

Boating Safety Classes Set

Sheriff Ron Schebl announces that the Washtenaw County Sheriff's Department Marine Safety Section and the Michigan Department of Natural Resources will offer pleasure boating classes throughout the county during the months of May, June, and July.

The pleasure boating classes are open to all without charge; texts, notebooks, and related materials will be provided. Persons successfully completing the course will receive a Boating Safety Certificate. The Boating Safety Certificate also permits persons between the ages of 12-16 to operate a powerboat (8 h.p. or greater) without adult supervision. This course is open to adults who also want to attend.

Program instructions will include: Michigan watercraft laws and regulations; familiarization with rules for the road and navigation aids; principles of safe small boat handling and seamanship; proper selection and maintenance of equipment; first aid pertaining to water sports; and accident prevention, rescue and assistance.

Classes that are scheduled to be taught at the Sheriff's Department will be on June 17, July 8 and 22. Class will begin at 9 a.m. and end at 3 p.m. They will be conducted in the Administrative Conference Room.

Please contact the Marine Safety Division of the Washtenaw County Sheriff's Department at 971-7551 for

further information and registration for the classes to be taught at the Sheriff's Department.

Groups may contact the Marine Division to schedule additional classes.

SADD chapter at Chelsea High school has been given money by Ames Department Store to help cover costs of the After Prom Party at Chelsea Lanes. CHS prom is scheduled this Friday night at Eastern Michigan University. The all-night party afterward, an annual event for the last several years, offers students a place to go for free bowling, food, door prizes and other activities, all without alcohol. Left is Larry Cipriano, Ames manager, Bud Janich, advisor for Students Against Driving Drunk, Ed Greenleaf, Chelsea Lanes owner, Chris Craig, SADD president, and Ken Larson, CHS assistant principal, who has played a big part in the event.

Home Meal Service Seeks More Drivers

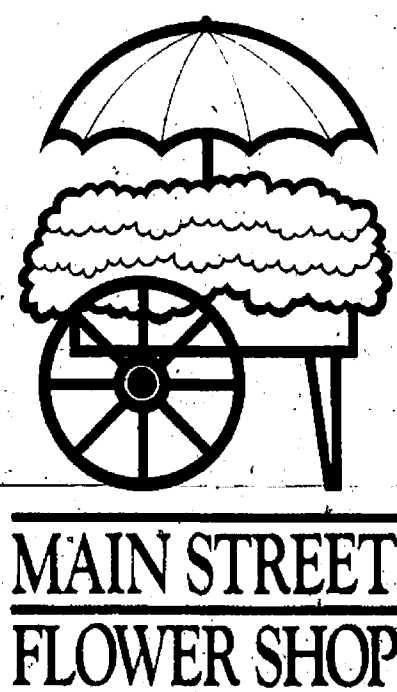

Delivery of "Home Meals" remains a service much needed by the older folks in Chelsea. Drivers handle noon meals for upwards to 25 persons per day, less on week-ends. To make the time commitment more manageable, two drivers may split the route, which also gets the meals to their destinations in a more reasonable amount of time. Driving arrangements are very flexible, allowing drivers to choose to drive weekly, half the route, or bi-weekly taking all the meals. The married couple who have been driving on

Mondays, will be out of the area for the summer. There is also a need for someone to help the Tuesday driver, who will be doing all the meals, every week until someone is able to assist her.

If any readers are interested in exploring the possibility of helping to deliver meals, please call Mary Erskine at 475-9494 or 475-2821 or Ann Feeney, 475-1483 or 475-1145.

Awards Night Features CHS Choral Groups

On Monday, May 15, at 7:30 p.m., an awards night will be given by the Chelsea High School Vocal Department. No, not just the usual pins and letter awards, but an "Oscar" style awards night, presenting the best in vocal music with presenters who will entertain you in the best of the Hollywood tradition.

Yes, this is the annual spring vocal concert with a twist. As usual, the department will present the regular groups such as the Silhouettes, the Contemporaries, and the Concert Choir giving their year-end selection of excellent pop and Broadway music. As usual, there will be many soloists and small groups, featuring the graduating seniors in selections of their choice. There will be a small group of underclassmen also showcasing their coming talents.

Seniors featured include Jennifer Bennett, Judy Bareis, Kellie Kanten, Don Gerstler, Mike Steinaway, Debi Koenn, Mary Kemp, Sonya Olsinski, Kerry Hungey, Cheryl Blough and also featuring Tim Mayer and Anna Flintoft as keyboard accompanists for the many groups.

This is an awards night which demonstrates the many talents of the young people in Chelsea. The groups are under the direction of June Warren.

The community is invited to attend.

Bulldogs!

Dogs Take Tournament, Continue League Pace

Chelsea Bulldogs were West Division champions of the Rawlings Invitational Tournament last Saturday.

Chelsea also took home the traveling trophy that goes with the team with the best record. Chelsea finished 5-0 and was the only undefeated team.

"It was a great thrill for the kids," said Chelsea coach Wayne Welton.

The Western Division was for schools with less than 950 students.

Chelsea opened on Saturday against the Lincoln Railsplitters and won 20-8 behind the five-hit pitching of Kyle Plank.

Trailing 2-0 after the first, Chelsea scored seven in the second and was never seriously threatened from then on.

Chelsea had 10 hits, including two by Jude Quilter, Steve Emmert, and Mark Larson. Lincoln also helped the cause by issuing 14 walks, including four to Kerry Plank.

Junior Morseau had three RBI.

"We knew after that win that we'd be in the finals for sure so we changed some of our pitching around," Welton said.

Freshman Ben Hurst got the start on the mound in the second game and won 11-4 over Gabriel Richard. He allowed four hits and no earned runs.

"Morseau threw out two runners at second early, which kind of set the tone of the game," Welton said.

Chelsea pulled ahead 6-0 after four innings.

Richard scored three runs in the fourth thanks to four Bulldog errors.

Morseau finished with four RBI on two hits and two sacrifices. Larson had two hits and Doug Wingrove hit a double. Chelsea had seven hits and Richard walked nine batters.

In the championship game against Manchester at University of Michigan Field, the Bulldogs took a 9-1 win behind the three-hit pitching of Rob Clem. Clem retired the first 10 batters he faced. Chelsea reached the eighth-inning mercy rule with a five-run sixth inning.

The game had an opportunity to change complexion in the fifth. With Chelsea leading 3-1, a single and a walk put two runners on for the Dutch. The next batter hit a line drive but a leaping Kerry Plank at shortstop made the catch and flipped to second for the double play.

"That was certainly the play of the game," Welton said.

Chelsea maintained the 4-1 lead until the sixth. But singles by Mike Kushmaul, Emmert, walks to Morseau and Prentice, and a bases-loaded triple by Larson scored four runs. Matt Forner's single down the line scored the fifth run to end the game.

Emmert had two hits for Chelsea.

The Bulldogs wrapped up the regular season Southeastern Conference baseball title Monday night with a double-header win over the Tecumseh Indians at home.

Chelsea took 5-2 and 6-4 wins to improve their league record to 9-1. Second place Saline finished at 8-4. The Dogs wrap up the regular season at Pinckney tomorrow afternoon.

In the first game, Morseau had a no-hitter through 6 1/3 innings but four straight hits scored two in the bottom of the seventh.

Prentice's two-run single in the second gave Chelsea the early lead. They increased the lead to 5-0 in the sixth on a two-run triple by Quilter and a single by Emmert.

In the second game, the Bulldogs fell behind 2-0 in the first. However, in

the bottom of the inning, Morseau and Prentice walked, and Larson cracked a three-run homer.

The lead changed hands again in the second as Tecumseh scored two on a walk, an error, and a double.

However, singles by Prentice and Forner in the bottom of the third gave Chelsea a 5-4 lead.

Kyle Plank's single in the sixth gave the Dogs an insurance run.

Wingrove pitched and won the second game.

"The highlight of the day was the defense of Kerry Plank at shortstop," Welton said.

"He handled seven chances flawlessly."

In Southeastern Conference action on Thursday at Dexter, the Bulldogs whipped the Dreadnaughts 10-9 and 6-3 to keep their hold on first place.

Morseau pitched and won the first game, and Wingrove relieved in the seventh and struck out the side.

Chelsea took a 3-0 lead in the first inning as Quilter, Emmert, and Morseau all singled and after two walks, Forner sacrificed.

Dexter came back with one in the second on three hits and a steal.

Chelsea increased the lead to 5-1 in the third as Morseau singled, Prentice reached on an error, and Kerry Plank hit a two-run single.

A two-run homer by Dexter's Mike Visel pulled the Dreadnaughts to within 5-3 in the third.

Dexter got as close as 5-4. In the fourth a single, pass ball, and error cost Morseau a run.

Chelsea stretched the lead to 9-4 in the fifth, highlighted by triples by Larson and Forner, and a double by Wingrove.

Dexter kept clawing back and scored three in the fifth and two in the sixth before Wingrove slammed the door. The Bulldogs scored an insurance run in the sixth on a hit, walk, and an error.

Wingrove picked up where he left off in the first game and pitched a five-hitter in the second to take a 6-3 victory.

Chelsea grabbed a big lead as they scored four runs in the top of the first on a solo homer by Morseau, an error, a walk, and singles by Forner and Kerry Plank.

By the end of the fourth the score was 5-3 Chelsea. Prentice's triple and Kerry Plank's single in the fifth produced the final run.

In non-conference action last Monday, Chelsea lost both ends of a double-header to Howell, 4-3 and 6-2.

Clem lost his first game in the opener. However, Chelsea was ahead 3-2 in the bottom of the seventh with two outs and two strikes. But a single and a double stole the game.

In the second game, JV pitchers Craig Ferry and Shawn Castleberry did the pitching but didn't get much offensive support.

Chelsea had four hits in each game.

BEN HURST picked up the win Saturday afternoon in the Rawlings Tournament. Chelsea went undefeated and against Gabriel Richard during Chelsea's fourth game in took home two trophies.

Third Ranked Bulldogs Close in on SEC Title

Chelsea Bulldogs, the state's third-ranked class B softball team, won six straight games last week and improved their record to 27-3.

Chelsea opened the week May 2 at Novi with 10-0 and 14-0 victories.

Laura Unterbrink tossed a one-hitter and struck out seven in the opener.

The Dogs scored in five of the six innings, but the four-run first inning was the highlight when Jenni Smith and Unterbrink each singled in two runs.

Chelsea added two in the sixth when

Kim Easton hit the team's first homer of the season.

Smith and Unterbrink each had an RBI, and Novi had a two-run error to round out the scoring.

Heather Neibauer had three hits, Laura Unterbrink had three RBI and two hits, and Shannon Losey had two hits.

Smith matched Unterbrink's effort in the first game with a one-hitter of her own. She also helped herself at the plate where she went 3-4 and knocked in six runs.

The Bulldogs scored four in the first

and six in the second to put the game out of reach early.

Smith's double, Laura Unterbrink's single, and Scharme Petty's single all scored runs in the first.

In the second, Smith's double scored three runs and Petty's single knocked in two. A sacrifice by Christy Petty also scored a run.

Chelsea scored four more in the fifth on hits by Neibauer, Easton, Smith, and Laura Unterbrink.

Chelsea had 12 hits for the game, including three each by Scharme Petty

JUDE QUILTER rounds second base after an overthrow at first base sent the sophomore all the way to third. Chelsea went on to beat Gabriel Richard and Manchester to take one of the championships in Saturday's Rawlings Tournament.

JV Softball Team Keeps on Winning

Chelsea Bulldog junior varsity softball team continued to pound their opponents last week.

In Tuesday's game with Novi, Chelsea won in five innings, 17-7, behind the two-hit pitching of Colleen Scharphorn.

All the scoring took place in the first three innings as the game started in a light rain, which gradually grew worse.

Chelsea scored four runs in each the first and second innings to take an 8-5 lead after two innings.

Heather Pulley's three-run homer in the first was the big hit.

In the second inning, Carrie Flintoft also hit a three-run homer, and Pulley rapped a run-scoring double.

Chelsea broke loose for nine runs in the third. A double by Scharphorn and a single by Kelly Cross each knocked in two runs.

"It was a good defensive game for Sara Musolf, Kathy Issel, and Shawn Losey," said Chelsea coach Ken Sullins.

Chelsea won both ends of a double-header against Dexter last Thursday at home, 23-3 and 11-1.

In the first game, Flintoft pitched a two-hitter over the five innings played.

"We weren't real sharp in the field, but we hit the ball better than normal," Sullins said.

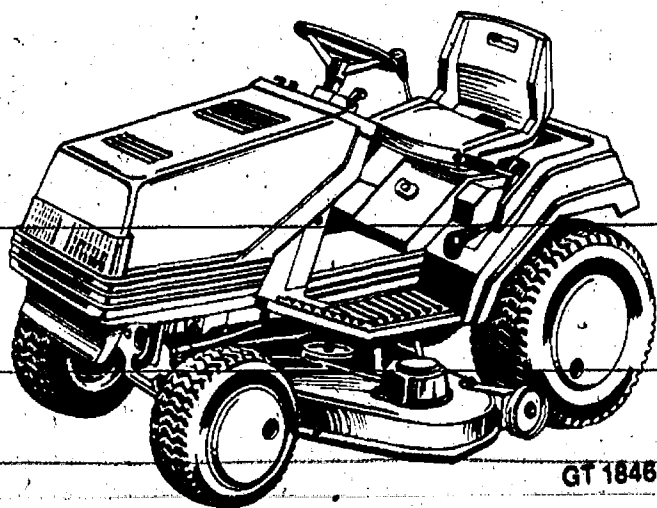

The Bulldogs scored 18 runs in the second inning to break the game open. Nineteen Bulldogs went to the plate. Chelsea had 18 hits in the inning, all singles and doubles, and pounded out 21 hits for the game.

Flintoft had four hits for the game, and Losey, Pulley, and Carrie Vargo each had three.

Issel had the play of the game on defense as she stopped a rally by making the play on a squeeze bunt.

Jennifer Petty pitched and won the second game as she threw a no-hitter and struck out 10.

The average age of retirement for American men has declined to 61, according to a U.S. Labor Department task force report on older workers. In 1960, 33 percent of men 65 or older were working. By the year 2000, only 10 percent of men in that age group are expected to remain in the workforce.

JENNI SMITH plays the bunt perfectly and throws out the Dexter runner at first during conference action last Thursday at Dexter. Chelsea went on to win both games and maintain their unbeaten record in the SEC. Right is Lisa Unterbrink at third base.

Tecumseh Upsets Bulldogs, Teams Even in SEC Race

(Continued from page ten)
and Laura Unterbrink, and two by Neibauer.

Dexter proved to be a stubborn opponent last Thursday in Dexter, although the Dreadnaughts lost 8-3 and 4-0.

Smith struck out 12 batters in the opener, including nine of the first 12, and allowed only three hits.

A strong wind toward the plate from dead centerfield turned extra base hits into singles.

Chelsea had nine hits for the game including two by Christy Petty and Easton. Neibauer had two RBI.

The Bulldogs held a 3-0 lead going into the sixth. They added three in the sixth on a sacrifice by Neibauer, a ground out by Losey, and a single by Easton.

Dexter rallied for three in the bottom of the sixth.

Unterbrink pitched a three-hitter in the second game.

Chelsea scored the first run of the game in the fourth on singles by Laura Unterbrink, Scharme Petty, and Amy Thomson.

The final three runs came in the sixth as a bases-loaded walk to Lisa Unterbrink scored a run, and a two-run error scored two more.

South Lyon and Chelsea matched

two-hitters in the first game but Chelsea won the battle, 2-0.

Smith threw a two-hitter and the Bulldogs helped her with errorless defense.

In the second inning, a walk to Smith, a fielder's choice, a pass ball, and a ground ball by Christy Petty scored the first run.

The insurance run came in the seventh as Scharme Petty singled home Laura Unterbrink, who had singled.

Unterbrink limited South Lyon to five hits in the second game as the Dogs took a 7-1 victory.

Chelsea had 11 hits, including three by Lisa Unterbrink, two by Christy Petty, and RBI doubles by Scharme Petty and Smith.

The Dogs took a 3-0 lead in the second inning on singles by Laura Unterbrink, Christy Petty, and Lisa Unterbrink, sacrifice by Thomson, and a fielder's choice.

Smith's double in the third scored a run, and she scored on an overthrow.

The final two runs came home in the seventh on hits by Scharme Petty and Thomson.

"We hit the ball well and played good defense," Clarke said.

The Bulldogs suffered an inopportune loss Monday night to the Tecumseh Indians as the teams split a key double-header. Chelsea and Tecumseh are tied for the SEC lead with 9-1 records.

Smith pitched both games but lost the opener 3-0, her first loss since the opening game of the season.

The story of the game was missed opportunities as Chelsea stranded 10 baserunners.

"We hit the ball well, but not when it counted," Clarke said.

Smith allowed five hits and struck out 14 batters, but the big blow was a two-run homer by Kris Russell in the fourth inning.

Smith also went 3-3 at the plate, including a pair of doubles.

In the second game, Smith tossed a four hitter but the Bulldogs had to rally from a 1-0 first-inning deficit.

In the third inning, Lisa Unterbrink singled and went to third on two passed balls. Neibauer's sacrifice fly tied the game.

Chelsea scored twice in the sixth, one on a lead-off homer by Smith and the second on a Scharme Petty triple.

Losey and Lisa Unterbrink each had two hits.

Tobin Having Excellent Season At W. Florida

Former Chelsea softball pitcher Joann Tobin has a 35-2 record at the University of West Florida.

Tobin has a 0.76 earned run average, 158 strikeouts, and 13 shutouts in 254 innings. Her team is 66-9 and is ranked number one in the NAIA.

Beach Girls Take Third at Jackson Relays

Beach Middle school girls track team narrowly lost to Tecumseh last week, 62-61, and finished third in the Jackson Northwest Relays.

In the Tecumseh meet, Chelsea trailed 19-8 after the field events but couldn't overcome the deficit.

Chelsea's scoring in the field events consisted of a second and third by Laura Paton and Heather McConeghy in the shot put on a second and third by Theresa Royce and Amy Bowling in the long jump.

In the running events, Lisa Monti lowered her own record in the 3200-meter run with a winning time of 12:12.9. Tammy White was third.

Katie Mignano and Monica Hansen were first and second in the 55 hurdles. Winning time was :10.5.

Teddi Hauck won the 800 in 2:42.6 while Beth Bell had a 2:45 in her first effort of the year.

Liz Wright won her first 1600 in 6:12. Royce won the 100 in :13.9.

Paton and McConeghy were 1-2 in the 70 with times of :10.3 and :10.7, respectively.

Hansen was edged out in the 100 hurdles for a second place finish.

Michelle Beeman and Sarah Brosnan took third place in the 400 and 200, respectively.

The 1600 relay team of Hauck, Sarah Henry, Melissa Thiel, and Monti had a season's best time of 4:45.8 in a winning effort.

The 400 relay team of also ran their season's best at :57.3 and won. The team consisted of Jamie Collinsworth, McConeghy, Mignano, and Royce.

The 800 relay team of Beeman, Paton, Collinsworth, and Brosnan took second.

Chelsea was four points out of first in the Jackson Northwest relays as Hillsdale won with 80 points, Jackson Parkside had 58, and Chelsea had 56. Sixteen teams competed.

The distance relay team of Bell, Beeman, Wright, and Monti, and middle distance relay team of Thiel, Brosnan, Royce, and Hauck each won their events.

Second place ribbons went to the sprint medley team of McConeghy, Christine McLaughlin, Jessica Holton, and Lisa Monti. The 800 team of Hansen, Henry, Beeman, and Paton also took second.

The shuttle hurdle team, 400 relay team and long jump team each placed third. The hurdlers were Mignano, Bowling, Traci Patrick, and Hansen.

The 400 relay team consisted of Mignano, Brosnan, Royce, and Collinsworth. Royce and Brosnan made up the long jump team.

Shot putters Paton and McConeghy teamed for fifth place.

JV Baseball Team Splits With Dexter

Chelsea Bulldog junior varsity baseball team was 1-3 in action last week with the victory coming in the second game of a double-header against Dexter at home last Thursday.

On Monday, May 1 the JVs lost a pair to Howell at home, 7-2 and 10-4.

In the first game, Chelsea held a 2-0 lead after four innings. However, Howell scored six runs in the bottom of the fifth.

Ben Hurst scored in the first inning without the benefit of a hit. He walked, stole second and third, and scored on a wild pitch.

Hurst again scored in the third without a hit after he was safe on a throwing error. A wild pitch and a ground out by Jeremy Stephens brought him home.

Stephens and Adam Taylor limited Howell to six hits. But Chelsea had only three of their own.

A big inning by Howell in the second game turned that game around as well.

With the game tied 1-1 after two innings, Howell scored five time in the third.

"We just didn't hit the ball today, or field it well, either," said Chelsea coach Jim Ticknor.

Mike McAulay's double in the first gave Chelsea a short-lived 1-0 lead.

The Bulldogs didn't score again until the fourth inning when they were down 6-1. In the sixth, Taca Yamashita walked, moved up on a bunt by Hurst, and scored on a throwing error.

The Dogs scored their final runs in the fifth when Kyle Erickson hit a bases-loaded single.

Hurst and Taylor limited Howell to four hits, but Chelsea picked up two.

Dexter stopped the Bulldogs in the first game last Thursday, 11-9.

As has been the pattern, Chelsea got the early lead but couldn't hold it. Craig Ferry's single and a Dexter error gave Chelsea a 2-0 lead, which it held until the top of the third, when Dexter scored four times. The Dreadnaughts scored four in the fourth as well to break the game open. Going in-

to the bottom of the fifth, Chelsea was down 11-2.

Chelsea scored two in the fifth and five in the sixth.

"We played poorly but battled back and still had a chance to win," Ticknor said.

Stephens was 2-4 with two RBI. Brian Bell hit a triple.

In the second game, Ferry limited the Dreadnaughts to five hits in a 10-3 victory.

The Bulldogs broke the game open in the six inning when they scored six times. Tucker Steele hit a two-run single in the inning and Alex Hamersmichmidt, Hurst, and Stephens also hit run-scoring singles.

Hurst and Stephens were each 2-3. Chelsea's record stood at 8-6 on the season after last week's play.

Dog Netters Top Williamston

Chelsea Bulldog tennis team improved their record to 3-1 last week with a victory on Tuesday, May 2 at Williamston, 5-2.

It was the second straight victory for Chelsea.

Craig Maynard won his fourth straight match at first singles, 6-4, 6-3. He is 5-2 on the season.

Jason Richardson lost at second singles, 4-6, 6-4, 2-6.

Eric Worthington won at third singles, 4-6, 7-5, 6-1 1/2.

Shawn Capper lost at fourth singles, 2-6, 5-7.

Chelsea again won all its doubles matches.

John Collins and Adam Heeter at first doubles won 6-1, 7-6.

Chris Wilson and Eric Frisinger at second doubles won 6-1, 2-6, 6-4.

Ben Manning and Chris Haugen took third doubles 6-4, 6-2.

In other action last week, Chelsea lost a tough match to Hartland on Friday, 2-5.

Maynard continued to win a first singles, 6-1, 6-3 and Collins won his second straight at second singles, 6-2, 7-5.

In other matches, Frisinger fell at third singles, 0-6, 2-6; Rich Mason was defeated at fourth singles, 0-6, 0-6; Wilson and Capper lost at first doubles, 1-6, 2-6; Worthington and Heeter lost a second doubles, 6-2, 4-6, 0-6; and Manning and Haugen lost at third doubles, 4-6, 2-6.

Watts from waste: The same high-temperature technology that enables cities to burn garbage for energy is helping rid Pennsylvania of millions of tons of mine waste. Today several Keystone state power plants are being fueled by culm. Once, considered a bothersome by-product, culm is the impure bits of coal that are left over after mining. And there's plenty of it. National Wildlife magazine reports there may be 3 billion tons of culm in Pennsylvania alone.

Tecumseh Tops Beach Boys

Beach Middle school boys' track team lost a close meet at Tecumseh last Wednesday and placed 14th at the Jackson Northwest relays on Friday. The score of the Tecumseh meet was 70-62. Coach Dave Brinklow said he was very pleased with his team's performance.

"A win today would have made it a perfect meet, but with the way the boys performed, it was almost perfect," said Brinklow.

"The guys are improving every meet. I told them our relays were a problem and they came out today and won two out of the three. There were also some excellent finish line efforts. Allan Hower amazed me with his exciting come from behind win in the mile, and Colby Skelton did the same thing in the 70 meter dash. I couldn't be happier with the progress we've made in such a short time."

The results of the meet are as follows:

Pole vault: Casey Schiller tied for 2nd, 7' 6".

Shot put: David Beeman, 1st, 36' 10 1/4"; Colten White 3rd, 30' 8 1/2".

Long jump: Skelton, 2nd, 16' 1 1/2"; Andy Hackbarth, 3rd, 15' 2 1/2".

High jump: Hans Kemnitz, 1st, 5' 0"; Jason McVittie, 3rd, 4' 8".

2 mile: Tobin Strong, 2nd, 12:21.9.

55 hurdles: Dana Schmunk, 2nd, 10:44.

800 relay: Hackbarth, Eric Dougherty, Kemnitz, and Tywanza Darden, 1st, 1:52.11.

800 run: Kevin Reese, 2nd, 2:42.89; Chris Taylor, 3rd, 2:44.80.

1 mile: Allan Hower, 1st, 5:35.16.

100 dash: Scott Leeman, 2nd, 13.69; Gabe Bernhard, 3rd, 13.86.

400 run: Brian Piasecki, 3rd, 1:05.05.

100 hurdles: Kemnitz, 1st, 15.30.

70 dash: Skelton, 1st, 09.53; Bernhard, 3rd, 10.25.

200 dash: Hackbarth, 2nd, 28.58.

1600 relay: Eric Brown, Schiller, Strong, and Pat Steele, 2nd, 4:40.29.

400 relay: Leeman, Skelton, Dougherty, and Piasecki, 1st, 53.43.

Three Chelsea relays scored at the Jackson Northwest relays.

The high jump relay team of Kemnitz and McVittie placed fourth with a combined height of 9' 4".

The 400 hurdle relay team of Kemnitz, Schmunk, Hackbarth and McVittie placed fourth in 1:02.50. And in the 800 relay the team of Hackbarth, Eric Dougherty, Scott Leeman, and Kemnitz placed third in 1:50.70.

The track team's next meet is at home Wednesday with Saline.

"It was a great first start for her," Sullins said.

"She threw extremely well."

Chelsea scored five runs in the bottom of the first and added two in the second to take a 7-1 lead.

In the first, Losey and Burg each doubled and Musolf, Flintoft, and Isel each singled.

Flintoft's triple was the key hit in the second.

Losey, at catcher, threw out three runners attempting to steal second.

She also had two hits for the game. Flintoft had three hits.

Hospital Week Being Celebrated

Chelsea Community Hospital is celebrating National Hospital Week, May 7-13 with a number of activities. "Neighbor to Neighbor" community visits to the Hospital's communities are planned between 11 a.m. and 1 p.m. during the week. Hypertension screening will be offered, and frozen yogurt and balloons will be given away. The Hospital's van will be present on the following days:

Chelsea—May 10, Polly's Parking Lot.
Stockbridge—May 11, On the East side of M-52 in front of the Town Square.

Dexter—May 12, IGA Parking Lot.
Pinckney—May 12, On Livingston St. across from the Post Office.

Mother's Day Brunch will be held on Sunday, May 14 in Chelsea Community Hospital's Dining Room from 11 a.m. to 1:30 p.m. Treat your favorite "mom" to a delicious brunch. A long-stem carnation will be given to each mother, balloons for the children.

Historical Society Annual Meeting Slated May 17

Washtenaw County Historical Society annual meeting Wednesday, May 17, will feature traditional hammer dulcimer and guitar music and songs by Betsy Beckerman of Ann Arbor.

The meeting will begin with a potluck dinner at 6:30 p.m. at the Dixboro Methodist Church Fellowship Hall at 5221 Church Rd., one block north of the blinker light on Plymouth Rd., in Dixboro. It is open to the public free of charge.

Ms. Beckerman, a U-M graduate, regularly plays traditional music at Crossroads Village park near Flint. She will discuss the history of the dulcimer.

Those attending are asked to bring their own table service and a dish to pass serving 8-10. Coffee will be furnished.

May Fellowship Day Sponsored By Church Women United in Chelsea

May Fellowship Day observed on Friday, May 5, is an ecumenical event sponsored each year by Church Women United that brings women of varied Christian denominations together to gather strength from mutual life experiences and to share issues of personal concern.

This year's May Fellowship Day service, entitled "To Pray Is To Listen," focused attention on women's experiences of God within and our relationships with each other—supportive as well as those where women oppress and exploit one another. Reflection on the relationship of Sarah and Hagar, this service was designed to raise awareness about women's spirituality and challenge church women to listen to the voices within themselves and others.

Study materials for May Fellowship Day 1989 were prepared by an ecumenical group of women headed by Sister Mary-Luke Tobin of

Denver, Colo., joined by two other Catholic sisters, a Methodist woman pastor from Missouri and a Presbyterian laywoman from Pennsylvania. Drawing upon their personal and unique knowledge of "the woman's experience" of prayer and theology, they gave this issue relevance and make it live for the contemporary church woman.

McAuley Spring Tune-Up Volunteers Needed for May 20

The fifth annual McAuley Spring Tune-Up Run, Walk, Fitness and Children's Expo is set for Saturday, May 20, at the Reichert Health Building on the campus of Catherine McAuley Health Center in Ann Arbor.

One of the major reasons for the success of the Tune-Up in previous years has been the dedication and support of the many volunteers who assisted. This year, CMHC needs volunteers to help with late registration, hand out T-shirts and race information, give out water at the water stations, assist at the finish line and serve refreshments. All volunteers who work for at least two hours will receive a free Tune-Up T-shirt.

To volunteer or for more information, call 572-4000.

NATURAL BUG REPELLENTS

An old wives' tale claims that bay leaves in kitchen cupboards keeps roaches away. National Wildlife magazine reports researchers have found there's truth to the tale. Not only do bay leaves do the trick, so do cucumbers. It seems the pesky insects stay away from both the spice and the vegetable. For roaches, this old wives' tale is nothing but bad news.

We Welcome You to Michigan's Finest Service Department. Our Service Staff has over 165 years combined mechanical experience. We fix cars for keeps!

Ford maintains that the quality car you buy is now backed by the best Quality Care in America.

Quality Care is a commitment from Ford and Lincoln-Mercury dealers to strive to make their customers the most satisfied in the world.

Quality Care is a lot of things. One of the most important is the Lifetime Service Guarantee.

If a dealer repairs your Ford, Lincoln or Mercury, they guarantee that once you pay for a covered repair, if it ever has to be fixed again, they will fix it free, parts and labor, for as long as you own your vehicle. Nobody guarantees car repairs longer. Nobody guarantees car repairs better. And LSG covers thousands of repairs.

Ask for a copy of this limited warranty. Only participating Ford and Lincoln-Mercury dealers have it. Only Ford, Lincoln and Mercury owners can get it.

Ford Quality Care and the Lifetime Service Guarantee. It's the difference between just buying a car and owning Peace of Mind.

MOTHER'S DIET AFFECTS HER UNBORN CHILD'S TEETH

Q: During my pregnancy what can I do to ensure the dental health of my baby?

A: According to the American Dental Association, the best way to care for your unborn baby's teeth is to take care of your own teeth and your general health. This includes a balanced diet since the foods you eat will affect your child's developing teeth!

While the unborn infant's teeth are developing, calcium, phosphorus, and other minerals and vitamins are needed. When you eat a balanced diet, adequate amounts of these nutrients nourish both you and your child. Contrary to popular folklore, the baby does not derive its calcium from the mother's teeth. When the baby needs calcium, it is supplied by the mother's diet or bones, but not by her teeth.

To ensure the dental health of your baby, follow your physician's recommendations about diet during pregnancy, since he or she is familiar with your specific needs. Remember, deficiencies in the mother's diet may cause abnormalities in the baby's tooth formation.

Extension Service Celebrates 75th Anniversary

1989 marks the 75th year that the Co-operative Extension Service has been assisting families across America with educational information. In commemoration of the anniversary, the Washtenaw County Co-operative Extension Service staff held an Open House on May 8 at their office, located in the Service Center at 4133 Washtenaw Ave., Ann Arbor.

Nationally, the Extension Service was created as the educational arm of the U. S. Department of Agriculture on May 8, 1914 with the passage of federal legislation known as the Smith-Lever Act. Its roots go back years before to the passage of the Morrill Act, which created the national land-grant college system.

Michigan State University, the Michigan land-grant school, was established in 1855 as Michigan Agricultural College to provide practical education in agriculture. The formal creation of an outreach arm for those universities made it possible through Co-operative Extension to spread new ideas and practices beyond the campus boundaries.

Michigan Public Act 65 made it possible for counties throughout the state to co-operate with state and federal governments to sponsor local extension offices to bring extension assistance closer to the people.

The Co-operative Extension Service is an integrated partnership with federal, state and county levels of government, research, and the private sector. The Washtenaw County Extension Services is also one of seven divisions in the County Human Service Department.

At first, Extension's audience was almost entirely rural, and agriculture

Dinner Celebrates New GOP Leadership

Billed as a tribute to the new leaders of the GOP, the Washtenaw County Republican Party is hosting a "1,000 Points of Light" dinner on May 11, at the Holiday Inn West in Ann Arbor.

Honorary chairman Robert Teeter joins a prominent list of party officials attending the gala including: U.S. Congressmen Carl Pursell and Bill Shuette, Senate Majority Leader John Engler, House Minority Leader Paul Hillebrand, National Committeewoman Rona Romney and State Party chairman, Spencer Abraham.

and home economics were the areas of primary concern. Over the year, Extension expanded its focus to include youth work and natural resources.

Current-day educational and technical assistance is available to a wide range of citizens, including both rural and urban, and covers the four areas of Horticulture and Agriculture/Marketing, Home Economics, 4-H Programs and Youth Development, and Natural Resources and Public Policy. The Extension Service motto is, "Helping People To Put Knowledge To Work."

Today, Washtenaw County Extension assists more than 10,000 citizens each year with both immediate and

long range concerns such as youth development, everyday eating habits and long term effects, coping with family stress, preserving surface water and groundwater quality, solid and hazardous waste management, economic and profit oriented agriculture production, marketing of safe agriculture products, homeowner gardening and landscaping, leadership development, and numerous other issues of these trying times. Many more people are reached through the media, major events and publications.

According to Thelen, "The Extension Service has grown with the times, and expanded horizons to meet changing needs, modifying its programs

and outreach in response to such factors as new knowledge, changes in its clientele's needs, and alterations in the socio-economic landscape."

Extension's success is citizen involvement in identifying the informational needs of clientele and also in planning methods to provide the information in an appropriate manner. Delivery methods include newsletters, mass media, phone calls, educational bulletins, audio-visuals, computer programs, group meetings, individual consultations, and the reaching of information through hundreds of Extension volunteers.

IT'S A \$50,000 LOOK OF JOYFUL SURPRISE on the face of Dexter's Michael J. Bennett, 26, as he realizes he has just won the top prize on the Saturday, May 6, telecast of the Michigan Lottery game show, "Fame & Fortune." A press helper for Braun-Brumfield on Jackson Rd., he explained the prize money would be used to make a home purchase and a trip to Jamaica. He gained entry to the show with an instant game ticket purchased at the Dexter Bowl-N-Bar.

Dexter Man Wins \$50,000 in 'Fame & Fortune' Game Show

Michael J. Bennett, 26, of Dexter, Friday, May 6, became the 15th instant game player to win the \$50,000 top prize on a state-wide telecast of the Michigan Lottery's weekly "Fame & Fortune" game show.

Accepting his prize check after Friday's taping of the show at WDIV-TV in Detroit, he explained, "I would have been happy to win \$500. I never allowed myself to believe I'd get the top prize, but I'm just tickled to death."

Bennett, a press helper for Braun-Brumfield on Jackson Rd., said he would use his prize for a home purchase and a trip to Jamaica.

He started his road to "Fame & Fortune" with an instant game ticket showing three TV symbols purchased at the Dexter Bowl-N-Bar.

Mailed to a designated Lansing address, it was drawn on the previous week's show to name Saturday's six contestants.

All six contestants came away winners. Amir Alyae, 26, of Madison

Heights, received \$500. David Billo, 39, of Ferrysburg, won \$3,500, and Callie C. Kelly, 53, of Detroit, \$1,500.

Andrea Dorsa, 29, of Wyoming, and Gertrude Peterson, 49, of Muskegon Heights, each won \$500.

A special feature of the show, which paired other entries with television contestants, gave a \$500 prize to Richard Nielson of Jonesville for being paired with Bennett.

The six new contestants drawn to appear on the Saturday, May 13, show are Eugene Boss, Jr., of Adrian, Scott Reed of Cadillac, Ken Emmorey of Cedar Springs, Maurice Ford of Detroit, Reba Preest of Ionia, and Robert T. Ryan, Lansing.

All contestants on the show receive full "star" treatment, including an overnight stay at the Omni International Hotel, VIP Limousine Service for travels around Detroit, and a special luncheon at The Whitney Restaurant.

I-94 Resurfacing Underway East From Freer Rd.

A 12-mile section of I-94 in Washtenaw county will receive a new asphalt surface beginning Monday, May 8, the Michigan Department of Transportation (MDOT) has announced.

The \$4 million resurfacing project will run from Freer Rd. at Chelsea to the west end of I-94 Business Loop in Ann Arbor. Traffic will be reduced from two lanes to one in each direction in three-mile segments. In order to get the work done as soon as possible, there will be construction work at night and on the week-ends.

No lane closures will be allowed on eastbound or westbound I-94 during the busiest traffic hours, particularly during early morning and late afternoon rush hours. There will be no lane closures on Saturdays of home University of Michigan football games, or during the annual Ann Arbor Art Fair, July 19-22.

The project is scheduled for completion in November.

The contractor is Thompson-McCully of Belleville.

Kansas Farmers Face Livestock Feed Shortage

Michigan Farm Bureau has become part of a national network to help get farmers who have ensilage, hay or straw for sale together with Kansas farmers who desperately need feed for their livestock. A critical drought situation is facing many of the farmers in Kansas.

"A hotline has been set up by the Kansas Board of Agriculture in cooperation with the Kansas State University Co-operative Extension Service and the Kansas Farm Bureau," said Kevin Kirk, commodity specialist for the Michigan Farm Bureau. "Other state Farm Bureaus across the nation will assist by locating farmers who have what the Kansas farmers need so badly. There is a growing concern not only for the crop conditions there, but also for conditions that may cause many farmers to reduce their livestock or sell them off if rainfall does not come."

Kirk said farmers who have ensilage, hay or straw for sale should call him at 517-323-7000, Ext. 2024.

Kansas Governor Mike Hayden has requested U.S. Secretary of Agriculture Clayton Yeutter to release the entire state for emergency haying and grazing and to declare most of the state a disaster area for wheat, hay and pasture production loss. The disaster declaration would make those counties eligible for Farmers Home Administration emergency credit to assist farmers in recovering from their losses.

He was preceded in death by one brother, Steven G. Sortor, in 1983.
Funeral services were held at 1 p.m. Monday, May 8, at the Muehlig Funeral Chapel, Ann Arbor, with the Rev. Thomas K. Schoech officiating. Private burial took place in Oak Grove Cemetery, Manchester.

Scholarships Offered By Hospital Auxiliary

Chelsea Community Hospital Auxiliary will present \$500 scholarships to qualified area students. To be eligible for a scholarship, a student must be enrolled full-time in a health career program for which certification is given, or a degree is granted, must have completed at least one semester or term in a health field, and must be a resident of the hospital service area.
Scholarship applications are now available at Chelsea Community Hospital and may be picked up at the information desk near the main entrance. Applications may be obtained between 9 a.m. and 7 p.m. The completed application should be returned as indicated on the form with the deadline being Wednesday, May 31.
After initial screening, personal interviews will be conducted for the candidates deemed most highly qualified. The awarding of the scholarship will be based on academic achievement and sincere interest to further education in a health-oriented field.
Chelsea Community Hospital has given more than \$13,500 in scholarships since 1979.
Monies come from projects such as fashion shows, the Arbor Nook Gift Shop, cookbook sales, raffles, bazaars, and flea markets.
Members of the committee are Sue

Village Stops Belser Project Temporarily
Village of Chelsea has notified developers and two lot buyers in Belser Estates that their zoning compliance permits have been temporarily suspended.
According to a letter from village manager Robert Stalker to the landowners, as well as developers, the village has to clear up a procedural problem with the developers.
Stalker said the developers' letter of credit covering road improvements and other concerns in the village expires July 1. However, roads won't be dedicated until after that date.
"It should be cleared up today or tomorrow," Stalker said.
"It's not a big problem."
